Race Shapes Up for Village Board

Trapp Again Candidate for School Board

By GERRY MUELLER
Statesman Staff Writer

At Tuesday's 5:00 p.m. filing deadline, the complexion of local area races had changed considerably.

In the Kewaskum Board of Education's case, there had been only one declared candidate as of press time last week, that was incumbent Ruth Schmitt.

Of the two remaining incumbents, Ron Beimborn filed his nomination papers later last week and Donald Nowak apparently has decided not to seek re-election since his papers, though taken out, were not returned by the filing deadline.

The School Board, however, is not wanting for a candidate to fill the third expiring term as former board member Clara Trapp has filed papers for the 1990 spring election.

With three posts open and only three candidates in the running, it is almost a certainty that Trapp will be elected to the

board unless a dark-horse candidate decides to mount a strong write-in campaign. In rare instances in the past, write-ins have defeated announced candidates in elections.

If the announced candidates win the three seats, the Beechwood area of the Kewaskum School District will have a strong representation on the school board. John Schulte and incumbent Ron Beimborn who presently serve on the board, along with Trapp all reside in the Beechwood area. Of the remaining board members, board president Neal Weare lives in the New Fane area, while Paul Seymour and Perry Ankerson reside in the Wayne area, (Kohlsville, Allenton).

Trapp made an unsuccessful bid for re-election to another term in the 1989 election when she was defeated by two first-time candidates, John Schulte and Paul Seymour.

As for the Kewaskum Village

Board, a race has emerged with the last-minute filing Tuesday, of a fourth candidate who will be seeking one of the three posts of trustee which will be available in this spring's election.

The terms of trustees Tom McElhatton, Richard Schlice and Larry Williams will be expiring. Of the three incumbents, McElhatton and Williams have filed papers and will seek re-election. Schlice announced in November he would not run for another term.

Joining newcomer Gary Gavin as another challenger in the political arena will be Joseph Gitter, who like Gavin will be seeking election to his first political office.

Gavin is self-employed, the owner of Gary Gavin Painting and Gitter is employed by Quadgraphics.

The entry of Gitter into the Village Board race will add interest to the spring election as the four vie for the three trusteeships.

Holiday Watermain Breaks Plague Village Employees

By GERRY MUELLER
Statesman Staff Writer

While everyone else was at home enjoying the Christmas and New Year's holidays, employees of the Kewaskum Public Works Department found themselves 'celebrating' in water and mud "yea-high," as they worked to repair watermain breaks brought on by the recent sub-zero cold spell.

The first break occurred on Monday, Christmas Day, along

Clinton Street. (A second break was later found at this same location). The repair crew was at that site over twelve hours, from 9:00 a.m. to 10:00 p.m., locating and repairing the leak. The men returned the next day and worked another five hours on the job.

The ice gremlins struck again as the village suffered a third break Saturday, Dec. 30th, on Main Street. The Public Works crew again spent another

Police Recover Christmas Lights

By GERRY MUELLER
Statesman Staff Writer

Kewaskum Police Chief Richard Knoebel confirmed Wednesday, that departmental investigation has resulted in three Kewaskum area juveniles being taken into custody in connection with the theft of spot lights during the past few weeks.

Knoebel said the youths, three males aged 15 and 16, had been turned over to the departments Youth Services officer Steve Seitz for further action.

Approximately 85-90 spot lights have been recovered by the police department.

Chief Knoebel said his department is still following other leads and continuing its investigation of other incidents involving the vandalism of Christmas decorations. We are quite sure other individuals are involved in those criminal acts and we are following several leads, Knoebel noted.

Terri Fredrich Attends National Association of Realtors Convention

Terri Fredrich, President of the Washington Board of REALTORS was among the over 16,000 REALTORS from around the country to attend the National Association of REALTORS Annual Convention and Trade Exposition in Dallas, Texas on November 9-14, 1989. This year's convention theme was "Frontiers in Real Estate."

"The Convention was a terrific opportunity to pick up new ideas from other salespeople and real estate brokers from around the country," said Fredrich. "It's great to hear about people's personal experiences, and how they handled issues that affect all real estate professionals. The Convention also features excellent education, speakers, and a chance to review new products for the real estate industry."

President George Bush chose the NAR Convention to unveil a major new housing policy program. -HOPE- Homeownership and Opportunity for People Everywhere. The HOPE program is designed to provide solutions to the nation's housing affordability crunch.

In addition to President Bush, speakers included Federal Housing Administration Commissioner C. Austin Fitts, who discussed a variety of issues pending at the Department of Housing and Urban Development and John Naisbitt, author of Megatrends, among many others.

"The NAR Convention was especially important for Wisconsin's REALTORS because the new President of the National Association of REALTORS is Norman Flynn, who is from Madison," Fredrich reports. Flynn is founder and President of Flynn Baker, Inc. a Madison-based investment firm that specializes in marketing income properties, land and business opportunities.

Terri Fredrich is a Commercial Broker with Mid-States Properties, Inc. in Germantown. She has been a member of the Washington Board of REALTORS for 12 years. Fredrich is also active as a Director on the West Bend Chamber of Commerce.

'Alice' Applications Now Available

"Wisconsin Women, accept the challenge. Apply to be the 1990 Alice in Dairyland," says Stephanie Binversie, 1989 Alice in Dairyland with the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP).

As the state's agricultural public relations specialist, you will share Wisconsin's number one industry with many groups - rural and urban, young and old, business and social. It's invaluable work experience and a great opportunity for personal

growth.

Alice in Dairyland is a one-year contractual position with the Department. "Alice" provides public relations service for DATCP by traveling extensively throughout the state and the midwest promoting Wisconsin products. The position pays \$20,000 a year, plus travel expenses.

To qualify, the applicant must be a woman 18 to 30 years of age as of March 1, 1990, and a Wisconsin resident. She must also have a combination of four years of training, education and/or experience in communications, home economics, marketing, agriculture, consumer science, public relations, or other related disciplines. The application

Kewaskum Statesman,
Friday, Jan. 5, 1990, Page 2

deadline is March 15, 1990. Preliminary interviews will be April 3 (in Wausau) and April 4-5 (in Madison). The selection of the 1990 "Alice" will be made during the "Alice" Finals, June 20-22, in La Crosse.

For applications or more information, contact the "Alice" program, DATCP, P.O. Box 8911, Madison, WI 53708, or call 608/266-7171.

Is a Child's Car Seat in Your Future?

For the past five years, the KJWC and the West Bend Police Dept. have co-sponsored the Washington County car seat program.

On the second Thursday night of every other month, at 7:00 p.m. Junior Club women volunteer their time to run the program and help with the necessary paper work at the West Bend Library, located at 230 S. 6th Street. The entire program lasts 30 minutes and includes some excellent eye-opening information.

Parents of young children did you ever consider the importance of your child's safety seat? Just how long does the child need a safety car seat or booster seat? Consider what might happen if your child didn't have one or use one, and you were in an accident - just going to the post office, bank, or grocery store.

Grandparents and babysitters, does a young parent ever leave you with a car seat? Can it easily be fastened into your vehicle? Consider what you would do in an emergency, or if you only had to run that short errand. Safety patrol persons say most car accidents occur only a few miles from the driver's home.

The cost is very reasonable and often much less than buying one from the store. A toddler seat is available for as little as a \$15 refundable deposit plus \$1/month rental. SHORT-TERM rentals can be made for a week or a month by calling Sunseed Foods in West Bend.

Car seats and booster seats rented are in new or practically new condition. They are very easy to use and fasten easily in your car.

The next dates of programs

are: Jan. 11, Mar. 8, May 10, July 12. Anyone interested in attending should call the West Bend Police Dept. to register at 338-5022, ask for Sergeant Riffle. There is no cost to attend.

MPTC Offering Classes at KHS

KHS Art Class Enters WB Ice Sculpting Contest

Two Kewaskum High School teams will compete in West Bend's "Chip Off the Old Block" ice sculpture contest, being held January 20th in downtown West Bend.

Members of Mary Stephan's KHS art classes will be sponsored locally by Regal Ware, Valley Bank, Hon-E-Kor, and Sentry Foods.

Each team will be given a 400 lb. block of ice to carve. Entry categories include family, civic

groups, business, professional, student, and college and technical. Prizes will be awarded in each category, donated by local businesses.

Sculpting will take place between 10 a.m. and 2 p.m. and awards will be presented at 4 p.m.

To enter the contest as a carving team (non-business), send \$5 along with your team name and a phone number to:

Kris Stephens, 103 N. Main St., West Bend. To sponsor a block of ice, send \$25 with business name and phone number. Sponsored blocks and teams will be paired up on a first-come first-serve basis.

The contest is being sponsored by the Downtown Marketplace. For more information contact Kris at 338-3909 or 338-0048.

Carol Everett to Address 1990 Rally for Life in Sheboygan

SHEBOYGAN — Carol Everett, who represents the pro-life effort in many public forums across the nation, will be the main speaker at the 1990 Rally for Life.

The free event will be Sun., Jan. 14, at 1:30 p.m. at Sheboygan North High School, and the public is welcome to attend.

The program will include music by "Lightshine," an ensemble from Sheboygan County Campus Life, and the master of ceremonies will be Bill Horsch of Sheboygan.

The rally marks the 17th anniversary of the U.S. Supreme Court's Roe vs. Wade decision, which overturned all state laws prohibiting abortion and created abortion on demand.

Everett has been a regular on the "700 Club" television show and the "Focus on the Family" radio program because of her experience with abortion, personally, and with the abortion industry, professionally.

"I know that what really motivates abortionists and clinic operators is not a concern for women's rights but pure greed," she says.

How does she know this? Between 1977 and 1983 she owned and operated two abortion clinics in Dallas, Tex. During that time, she estimates that a minimum of 35,000 unborn babies were killed in her clinics.

"I was making \$150,000 a year," she says. "I was compensated per abortion — I got \$25 every time there was an

abortion done. So you might know what my motivation would be. Was I going to be honest with anybody when they asked me any questions. If they asked me if it was really a baby, was I going to say yes?"

Everett was not an absentee owner; she ran her clinics. She assisted in numerous procedures, particularly in late abortions.

She also knows about the pain of post-abortion syndrome. She had an abortion, which brought her psychological and physical suffering. Two months after her abortion in 1973 her once-happy marriage ended. Within five months she was seeing a psychiatrist daily. Later she went to work for an abortion clinic, and found a knack for selling abortions to frightened women.

Everett knows about the political struggles of the pro-abortion movement because she was involved in it.

Today Everett works in real estate and spends as much time as he can telling legislators, courts, and anyone else who will listen about what really goes on behind the doors of an abortion clinic. Few pro-life speakers possess as much experience and inside knowledge of the abortion industry.

The program will include the co-directors of Wisconsin Teens for Life, Joleigh Little, a freshman at UW-Superior, and Barbara Murry of Rhinelander, a graduate of Three Lakes High School. The finale will be a song by a combined children's choir.

(Continued from Page 1)

Discussion then followed on the Christmas parade. Everyone present was pleased and thrilled that our first parade, organized in only four short months, turned out so well. All reported hearing positive comments from anyone who attended or participated. "Kudos" were given to everyone involved, especially the committee who worked very hard to make the parade become a reality with only a few minor glitches. Special mention was made about the efforts of Larry Williams and his helpers and Police Chief Richard Knoebel and his staff for the excellent job they did lining up the parade and organizing traffic control along the parade route.

One of the Village Board members was overheard the night of the parade saying, "the parade was so good for the community." And it was. The entire community deserves a pat on the back. Everyone worked together for the common goal... the success of the parade, and no one's efforts can go unappreciated. GREAT JOB KEWASKUM!

Without further ado, the members present voted unanimously to hold the parade again in 1990. (NO, Larry... no Easter parade!) Some changes, however, were discussed, and will be decided on in the future, including holding the parade on a Sunday and possibly a week earlier, so more shoppers can take advantage of the specials the merchants were offering in conjunction with the parade. A Sunday parade would also benefit participants and spectators alike, as this year's parade conflicted with many other activities that were planned for that day.

Discussion was also held on the Christmas Decorating Contest. (See last week's issue for the winners.)

The subject of the Annual Banquet was brought up and it was

decided to hold the dinner meeting this year at Hon-E-Kor Country Club on Wednesday, February 21. They will be offering us a nice selection of delicious entrees to tempt you. A cash bar will also be available. This dinner will take the place of the regular monthly meeting and all members are invited to attend. An invitation and reservation form will be sent to all members in the near future.

New ideas were also bandied about concerning this year's annual Krazy Daze sale. Everyone is encouraged to attend the next meeting on January 17, when it is hoped to members will come up with some fantastic ideas to add to the fun and success of Krazy Daze and the upcoming "Kettle Kountry Kolors." Please be there or send a representative.

The door prize winner was McDonald's Tavern. They were not present.

Breaks

(Continued from Page 1)

holiday away from their families, working in the freezing cold water and mud. This time the men spent thirteen hours, from 11:30 a.m. Saturday to 12:30 a.m. Sunday (New Year's Eve day) locating and repairing the break. The crew returned to the site a few hours later at 8:00 a.m. Sunday morning and worked until 10:30 p.m.

At the Main Street break, the crew had to drill through 10 inches of concrete and 4½ feet of frost to get to and repair the leak.

While some village residents may have been a little annoyed and inconvenienced by having their water turned off during the repair time, their discomfort was slight compared to that of the men who gave up their holidays to spend hours in the bonechilling cold and wet to restore water service to everyone in the village.

GIFT CERTIFICATES ARE AVAILABLE

RAFFLE WINNERS — Bob Deters, right, a member of the Citizen Advocacy board, works the crowd at the recent CA Christmas Party as Bettie Schuler, seated at right, and Jamie Christian of Kewaskum, draw names of annual raffle winners. Washington County Citizen Advocacy goes to bat for persons with disabilities in the county.

It's a bit cool now, but the hot-air balloon ride won by West Bend's Cathie Schuler in the recent Citizen Advocacy Christmas Raffle will be welcome in July. Cathy's ride is courtesy of William Campbell of Colgate.

Steve Schmidt of West Bend won a prize that should keep him warm. He'll spend a night in a West Bend Hotel Fantasy Suite. In contrast, Ralph Herriges of Kewaskum took

home two lift tickets for Little Switzerland in Slinger.

Four more prizes appropriate to the season include VCR cleaning and adjustment, courtesy of Speed's TV and Appliance. Those with clean, clear pictures include David Berndes, Jan Livingston and Marge Schloemer, all of West Bend, and Art Clark of Jackson.

Two other cozy prizes include a blue-jean quilt, donated by West Bend's Kathy Ramsthal,

and a Sunbeam Hot Shot hot-water dispenser. Barb Deters of West Bend captured the quilt, and Anita Smith of Racine won the dispenser.

Designer ties from Ralph Marlin and Co. were reeled in by Richard Bauer, David Berndes, Frank DeRaimo, Tom Rasmussen, Dan Sutton and Sharon Tietz, all of West Bend.

Dupli Quick Printing Service and Bettie Schuler, both of West Bend, printed and paid for

raffle tickets. The drawing took place during the Citizen Advocacy annual Christmas Party at the Fifth Avenue Methodist Church.

Citizen Advocacy, a nonprofit agency, serves the county by recruiting volunteers for persons with disabilities. Volunteers or those in need can call 334-3384 in West Bend, or 255-6702 in Germantown, for more information.

KMLHS Welcomes New Principal

Mr. Wayne W. Baxmann will be installed as the new principal of Kettle Moraine Lutheran High School on Sunday, January 7, 1990, at 7:30 p.m. in the school gymnasium.

Mr. Baxmann was born on February 6, 1938. He attended Emmaus Lutheran School, Milwaukee Lutheran High School, and graduated from Wisconsin Lutheran High School. He received his B.S. Degree in Secondary Education from the University of Wisconsin, Milwaukee in 1965 and a MS Degree in Guidance and Counseling from UWM in 1970. Synodical Certification was also attained from DMLC in 1970.

Mr. Baxmann, who resides in Colgate, assumed his duties at Kettle Moraine Lutheran January 1.

HOUSE BREAK-IN

WAYNE — The home of Jerold E. Lowther, 6933 Skyline Drive, Allenton, was broken into sometime between 6:30 a.m. and 2 p.m. Dec. 27, according to sheriff's officials.

Nearly \$4,000 in items was taken, including a VCR, answering machine, telephone, stereo, and jewelry.

The subject gained entry by throwing a rock through a large glass door, and then kicking in an interior door.

There are no suspects at this time.

Sensenbrenner Announces County Nominations to Service Academies

BROOKFIELD, WI - Rep. F. James Sensenbrenner, Jr. (R-Wisconsin) has announced his nominations to the United States Service Academies for the entering class of 1990. In Washington County, Sean Bittner has been nominated as a competing alternate to both the United States Air Force and Naval Academies. Paul Stangl has been nominated as a competing alternate to both the United States Naval and Military Academies.

Sean Bittner, a 1990 graduate of Hartford Union High School, is the son of Mr. and Mrs. Bittner, 1562 Scenic Rd., Richfield.

Paul Stangl, a 1990 graduate of West Bend East High School, is the son of Mr. and Mrs. Richard Stangl, 5029 Hwy. Y, West Bend.

Sensenbrenner said, "the young people selected this year have extraordinary academic records and a broad range of interests, pursuits, extra-curricular activities, and athletic achievements. They all have the potential to win appointments to the academies and the promise that marks outstanding military careers."

Because of the number of highly qualified applicants, Sensenbrenner used the "competitive" method of nomination, selecting ten candidates for each vacancy that he is entitled to fill and allowing the individual

academies to select the persons best qualified from among the list. All recommendations for nomination were made by the Ninth District Academy Nomination Selection Committee, a panel of citizens appointed by Sensenbrenner to review and evaluate the applicants.

Local Travel Professional Enhances Her Education

WELLESLEY, Mass. — Ann Weddig of Burkhalter Travel Agency in Madison recently participated in an intensive three-day management seminar in Atlanta sponsored by the national Institute of Certified Travel Agents.

A resident of Blue Mounds, Weddig is active in the Wellesley, Mass.-based Institute, which awards the CTC (Certified Travel Counselor) designation to travel industry professionals. To earn the CTC -

similar to the accounting industry's CPA or the insurance industry's CLU — candidates must acquire at least five years' full-time travel industry experience, and complete four graduate-level courses and a special project. They also pass four 4-hour exams. Over 12,000 CTCs have been certified to date, and there are more than 7,000 candidates nationwide studying for the CTC designation.

Weekly Health Tip

From Tom Kennelly

LAUGH MEDICINE

"A cheerful heart is a good medicine, but a downcast spirit dries up the bones," suggests the Book of Proverbs. Researchers are finding that laughter is truly good medicine. Laughter relieves stress, increases respiratory activity, oxygen exchange, and heart rate. It may stimulate the brain to produce endorphines [natural pain killers] - it can reduce depression and may increase your life span. A good laugh is free - and you don't need a prescription!

Fond du Lac Farm Show Will Feature Special Events

Farm health programming and a "live" display of eagles, hawks and owls will be featured during the Fond du Lac Farm Show, February 17-18, at the Fairgrounds Expo Center in Fond du Lac.

On display will be farm machinery, dairy equipment, trailers, farm trucks and seed companies. Farm show hours will be 10 a.m. - 4 p.m. daily with plenty of parking next to the exhibition facility.

Many free health services are being offered during the show. Blood pressure checks and tetanus booster shots will be available from the Public Health Nursing Services of Fond du Lac. The group will also do cholesterol testing for a fee of \$4 per test.

Another farm health matter, that of hearing loss, will be featured during the Farm Show. St. Agnes Hospital will conduct free hearing tests both days of the show.

A cooking demonstration by Wisconsin's Alice in Dairyland will highlight the opening day of the show. Stephanie Binversie of Manitowoc will prepare a variety of home grown products for taste testing by show-goers.

An outstanding feature of the Farm Show will be the "Birds of Prey" show. Bird fancier Ryan Walden will display "live" eagles, owls, hawks, and falcons. His exciting stories of the various birds will be presented every 30 minutes.

Free cheese samples and an educational display by UW-Extension Service are other features of the show. Area farmers and family members are invited to attend the Fond du Lac Farm Show.

An American naturalist once reported a mockingbird in South Carolina that imitated the songs of 32 different kinds of birds in ten minutes.

Local Telephone Rates to Change As a Result of PSC Action

The access rates of most local telephone companies in Wisconsin will be lowered as a result of an order issued on December 21, 1989, by the Public Service Commission of Wisconsin. This order will also cause many telephone companies local rates to increase but will result in a reduction in the long distance rates of AT&T. The ruling will be effective January 1, 1990. It is unknown at this time what the total impact will be on customer bills.

As a result of this decrease in access rates and a previous PSC order, AT&T will reduce its interLATA long distance rates, effective in January 1990 by approximately \$12 million. Other long distance carriers, such as MCI and Sprint, may also lower their rates in response to the AT&T rate reduction.

The access rates are paid by long distance providers to local companies to compensate for the use of their equipment. The PSC decision will reduce by \$6.5 million the compensation paid to independent local telephone companies, other than Bell and General. These revenue reductions will have to be made up from other sources. To moderate the rate impact on

local telephone companies, the PSC set a \$1 per month/per line cap on local rate increase. If a company still has a revenue shortfall, it will be eligible to receive money from a shortfall fund formed by a small surcharge on all local exchange companies access rates.

Preceding him in death were a sister, Rose Roden and two brothers, Andrew and Roman.

A Mass of Christian Burial will be Thursday, Jan. 4 at 7:30 p.m. at St. Mary's Immaculate Conception Church, West Bend. Fr. John Furtmann will be the celebrant, and burial will be in St. Mary's Cemetery.

Visitation at the Myrhum Funeral Home, West Bend, will be Thursday from 3 to 7 p.m.

CARD OF THANKS

We wish to thank all our relatives, friends and neighbors for their kindness, support and help given us during this difficult time due to the loss of our beloved husband, father and grandfather, Vince Groh. Special thanks to Father Berghammer, the Holy Trinity choir, Millers Funeral Home donors of food and flowers, Christian Mothers for serving, Knights of Columbus Fourth Degree Honor Guard, altar boys, drivers, pallbearers and ushers, Dr. Sison and Dr. Castro and the nurses at St. Joseph's Hospital. Your expressions of sympathy and kindness will never be forgotten.

Sincerely,
The Family of Vince Groh

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias, St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

LETTERS TO THE EDITOR

Dear Editor:

On behalf of the Samaritan Administration, Staff and Residents, I would like to take this opportunity to thank the numerous individuals, area churches, school groups, homemakers groups, businesses, and other organizations that helped to make Christmas 1989 a full and happy season for the residents of the Samaritan Home. Our home was filled with the Christmas laughter of children, the singing of carols, the bustle of special holiday programs, the ringing of seasonal music and the joy of presents received. Throughout the month, we gained many new friends and visited with many who have been our friends for years. We feel blessed to have so many care about our home and our residents. It is our sincere hope that the joy and love that was shared with us, may spill over into the lives of those who so generously gave to us.

May this spirit of Christmas remain in all of our hearts throughout the coming year.

Sincerely yours,
Mary C. Thieme

THANK YOU

Prayers through application to the Holy Spirit: Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted even if it may appear difficult. This prayer must be published immediately after the favor is granted.

Wisconsin Adopts 15 Inch Minimum Walleye Size Limit

Starting January 1, 1990, the minimum size limit for keeping walleye from Wisconsin waters statewide will be 15 inches in an effort to put more and bigger fish on stringers, DNR Bureau of Fisheries Management Director Douglas Morrissette said.

The new regulation generally includes the entire state except for the Lake Winnebago system and the Mississippi River upstream from the dam at Red Wing, Minnesota.

"Statewide, many of Wisconsin's lakes and rivers are able to support considerably more and larger walleyes, but in many waters these fish are harvested before they have time to grow or become old enough to reproduce," Morrissette said. "The new size limit will delay the harvest until fish are larger and able to reproduce. Anglers will be able to catch more fish, but take fewer in number home. Those they take home will be larger and the actual poundage that will be harvested will be the same as it has been, or slightly greater."

At the statewide spring Conservation Congress hearings held last April, the question of a statewide 15-inch walleye size limit passed 3,649 to 1,729 in the popular vote. On the county level, the question was approved in 55 counties and defeated in 16, with one county not acting on the question.

"For some time, anglers fishing waters in southern Wisconsin, as well as those in some northern counties, have been promoting the need for walleye regulation changes," John Klingbiel, DNR warmwater lakes and regulations specialist, said.

Studies have shown that a relatively small percentage of walleyes harvested are larger than 18 inches (about 25 percent) and about 25 percent are less than 12 inches. In some tailwater fisheries, creel census information indicates that more than 50 percent of the walleyes taken are less than 12 inches, Klingbiel noted.

"This wastes the growth potential of the fish and the productive capabilities of the waters," Klingbiel said. "This is particularly serious in waters where walleyes grow rapidly and in other waters where stocking is required because of poor reproduction."

Because walleyes are good predators, the increased walleye population in a body of water will reduce panfish numbers, improving both the size of the walleyes and the panfish size as well. This improves the balance in the fish community and improves the diversity of fishing opportunities.

"It is recognized that this size limit is not suitable for waters already having slow-growing walleyes, or where even medium-sized walleyes have high contaminant levels because of age and exposure to waterborne heavy metals or chemicals," Morrissette said. "In those cases, size limits will not apply and local DNR officials will post the landings on lakes were size limit exceptions are in effect."

The Voigt Decision allowing Wisconsin's Chippewa Indians expanded fishing opportunities in northern counties has not driven the need for the minimum size limit, although the Indians' harvest must be considered when estimating the results in the ceded area, added Morrissette.

Boating Course Being Offered at Port Washington

Starting in February, 1990, the Port Washington Flotilla 5-13, will be offering a course on boating skills and seamanship. This course is designed to bring the boating person up to date on boat handling, navigation rules, legal requirements, trailering, safety, basic piloting, knots, locks, and weather, etc. This course will serve the beginning boater as well as those with experience who wish to brush up on their knowledge.

The course will start February 5, 1990, at 7:00 p.m. at the Port Washington Yacht Club, 430 N. Lake St., Port Washington, WI 53074. There is a materials fee of \$17.50 per student. The class sessions will last about two hours every Monday evening and end in late April. Upon successful completion of the course, the student will be awarded a certificate and may become eligible for a discount on boating insurance allowed by many insurance companies.

For more information or advance registration, contact one of the following: Frank Petran, 284-3650, in the Port Washington/Grafton area; Dick Runde, 377-3942, in the Cedarburg/Mequon area; Paul Land, 338-1589 in the West Bend/Kewaskum area.

EAGLE COUNTERS WANTED FOR STATEWIDE SURVEY

MADISON, WI — Volunteers are needed to help count Wisconsin's growing population of bald eagles. The National Wildlife Federation and the Wisconsin Department of Natural Resources are looking for eagle counters to participate in the 13th annual Mid-Winter Bald Eagle Survey.

The nationwide survey runs from Jan. 5-19, but in Wisconsin volunteers are being asked to conduct the count on January 12-13 to reduce the possibility of duplicate observations, according to Charlene Gieck, DNR nongame biologist.

Although the count coincides with Bald Eagle Days being conducted in Prairie du Sac and Sauk City, Gieck says volunteers are needed across the entire state to get an accurate survey of the state's winter bald eagle population.

A survey last summer conducted in part with funds raised through the DNR's Adopt a Bald Eagle Nest Program found 336 active bald eagle territories in Wisconsin,

the largest number since bald eagles were nearly devastated by the use of DDT and other factors.

Volunteers interested in counting eagles should obtain an observation form from the DNR's Bureau of Endangered Resources at (608) 266-0545. The form asks counter to list the time and location of the observation, as well as information on the type of terrain, proximity to water bodies and the weather conditions.

Sleigh Rides in Wisconsin

While Rover runs far ahead, a pair of "Ol Dobbin's" jingle their way with a sleigh ride down a tree-lined lane at one of 35 services offering the new Wisconsin winter fun event. (Division of Tourism Photo)

Horse-drawn sleigh rides in Wisconsin are custom-made winter adventures. From intimate cutter rides for two to festive excursions aboard flat, open sleighs piled high with straw, 35 sleigh ride services across the state offer unlimited winter excitement.

Most sleigh ride facilities require reservations, allowing hosts and guests to plan a made-to-order outing. Select a swift, 30-minute ride on a brisk day, or a two-hour adventure through the snowy landscape — the possibilities are endless.

Sleigh ride operations are located in every corner of the state and services begin with the first adequate snow cover. Included in the 35 sleigh ride services in the area are the following:

Paul's Ponies — 7305 Wildwood Rd., West Bend 53095. 414/338-0071. Schedule: Daily evenings only, by reservation only. Up to 4 persons. Location: 2 mi N of West Bend on Hwy. 33.

Schmidt Acres — 200 Hwy. DD, Kewaskum 53040. 414/626-4278 or 626-4883. Schedule:

Daily by reservation only. Accommodates large and small parties. Location: 10 mi N of West Bend; 45 minute drive from Milwaukee. Located on edge of Kettle Moraine State Park.

Everywhere, Wisconsin's white landscapes beckon horse and sleigh into the exquisite countryside. Dusted with fresh snow, every trail is a winter wonderland. Trails wind

through Wisconsin farmlands, tall pine forests, maple groves or Kettle Moraine marshlands.

Indians Defeat Warriors, But Lose Final Tourney Game to Campbellsport

Statesman Staff Writer

Kewaskum 67, Waupun 62

The Kewaskum Indian boys' basketball team built up an early lead against Waupun Thursday and then held on down the stretch to beat the Warriors 67-62 and advance to Friday night's championship game of the Sheboygan Falls Holiday Tournament.

The Indians jumped out to a 10 point lead by the end of the first quarter, 23-13, but Waupun never gave up.

"We had a 10 point lead, but they just kept coming back," Indian head coach Jim Westphal said this morning. "We just couldn't pull them away. That's been the story all season."

The big reason Kewaskum couldn't put away the Warriors was because of 6-2 forward Chad Eichstadt. Eichstadt almost single-handedly kept Waupun in the game as he scored a game-high 31 points, including 13 from the free throw line.

"That kid had an excellent game," Westphal said of Eichstadt, but at the same time voiced his displeasure over his team's defense. "I wasn't very happy with our defense on him (Eichstadt). We just didn't do a very good job covering him."

Behind the play of Eichstadt, the Warriors battled their way back into the game, cutting the lead to five, 34-29, at halftime, and to three, 48-45, at the end of three quarters.

But that is all the closer Waupun could get, as the Indians made their free throws down the stretch once again to hold on for a victory and even their season record at 4-4.

On the positive side of things, Westphal had to be encouraged by the play of junior Scott Heller. Heller, seeing his first

extensive playing time of the season made the most of it, scoring 10 points. "He had a very good game," Westphal said of Heller.

Also playing well was 6-4 senior Steve Gerhartz. Gerhartz once again led the Indians in the scoring column with 20 points. Heller shared second place scoring honors with Mark Felix, who also scored 10 points. For Waupun, the only other player in double figures besides Eichstadt was Brett Bruins, who scored 11 points, including 3 three-pointers.

Campb. 70, Kewaskum 53

The Campbellsport Cougars came out on fire in the first half of their game with the Kewaskum Indians here Friday night, and the result was a 70-53 Cougar victory in the championship game of the Sheboygan Falls Holiday Tournament.

"We just couldn't get out of the starting blocks," Indian head coach Jim Westphal said of his team, which fell behind 22-14 at the end of the first quarter. "We got off to a very slow start," Westphal said. "The ball just was not going in the basket for us."

The ball was going in the basket for Campbellsport, though. The Cougars shot very well in the first quarter, hitting on 9 of 16 shots from the floor.

The Cougars continued to dominate Kewaskum in the second quarter, outscoring the Indians 22-9, to take a commanding 44-23 lead at halftime, and putting the game out of reach for all practical purposes.

"They just outthusted us," Westphal noted. "They did a good job on the boards, not giving us any second-shot opportunities."

Kewaskum did manage to cut

into the Cougar lead a couple of times, but when they did, Cougars Troy Schill and Kevin O'Brien always seemed to put an end to the Indian threat.

Schill, who finished the game with 17 points, including 3 three-pointers, "really put a knife in us when we were ready to make a run," said Westphal, while O'Brien, who ended up with 12 points and 7 rebounds, is "a fine player," according to the Indian mentor.

For the Indians, Steve Gerhartz ended the night with a game-high 20 points. "He had another good game," Westphal said, praising the efforts of his 6-4 senior, who also made the all-tournament team. "We didn't do a very good job penetrating, so we couldn't get the ball to him more."

Campbellsport managed to hold the Indians' second-leading scorer on the season, Rich Radtke, in check, allowing him only one basket and a pair of free throws for four points. "They did a very good job on him," Westphal noted.

"They had good balance," Westphal said, noting that, in addition to Schill and O'Brien, Don Baumhardt and Bill Reese added 11 and 9 points, respectively. "They (Campbellsport) played extremely well."

Beaver Dam 51, Kewaskum 43

The Kewaskum Indians ran into a young and hungry Beaver Dam girls' basketball team here Friday in the finals of the Christmas Cage Classic. The Golden Beavers, with three sophomores in the starting lineup, showed great poise down the stretch to beat the Indians, 51-43.

Down by six late in the game, the Indians were forced to foul the Beavers, and the lucky recipient for Beaver Dam was soph Susa Chitko, who connected on 9 of 13 foul shots in the final quarter to seal the victory.

"We definitely fouled the wrong person," Indian head coach Glenn Eichstedt said, referring to Chitko, who finished with 21 points. "She's just a sensational pure shooter."

Indian center Pam Osterbrink did her best to keep her team close, as she scored all six Kewaskum points in the first quarter as Beaver Dam jumped out to a 12-6 lead.

Indian Boys Downed by Strong Two Rivers Team; Beat Chilton

Statesman Staff Writer

The Kewaskum Indian boy's basketball team had a busy week before the holidays, as they played two games. On Tuesday, Dec. 19 the Indians hosted a strong Two Rivers team, losing 61-59, and Friday, Dec. 22, the Indians traveled to Chilton, where they came away with their first conference win of the year, 72-64.

Against Two Rivers, the Indians got off to a slow start shooting wise, hitting on only 3 of 17 shots from the field in the first quarter, and fell behind 17-6.

The Indians battled back, however and outscored the Raiders 22-10 in the second period to take a one-point lead, 28-27, at halftime.

Kewaskum extended that lead to nine, 40-31, but Two Rivers, who has been rated high in early state basketball polls, started a comeback and eventually drew even with the Indians.

It was nip and tuck the rest of the way, and with under a half-minute to play, Two Rivers held a 59-56 advantage. Mark Heather then erased that lead with a three-pointer and about ten seconds left to play.

The Raiders quickly got the ball in the hands of their star, Corey Shimulunas, who drove the length of the floor for a layup as time expired, sending the Indians another heart-breaking defeat.

Shimulunas led all scorers with 25 points, while Rich Radtke and Steve Gerhartz led the Indians with 18 and 14 points, respectively.

In the Chilton game, the Indians got contributions from many sources in getting their first conference victory in four tries.

As wasn't the case in their game earlier in the week, Kewaskum got off to a good start and held a ten-point cushion, 17-7 at the end of the first period.

Just as the Indians had done against Two Rivers, Chilton mounted a comeback to cut the lead in half, 35-30, at

intermission. The Indians then extended their lead again to 10 points in the third period before Chilton mounted a charge to draw even, at 48, through three quarters of play.

The Indians jumped back out on top in the fourth quarter, forcing Chilton to foul. The Indians made their free throws down the stretch to hold on for the win.

Kewaskum's Steve Gerhartz was once again unstoppable inside as he led everybody with 22 points. Brian Leitheiser added 19 points for the Indians, who also got 12 and 10 points from Mark Felix and Rich Radtke, respectively.

Mike McAfee led Chilton with 20 points, while Pat Jucken and Keith Steffes added 17 and 13.

The win improves the Indians overall record to a misleading 3-4. The record is misleading in that it includes a pair of two-point losses to Campbellsport and Two Rivers, two very tough teams which have been rated high in the state, and a one-point loss to Kiel.

Indian Girls Defeat 8th-Ranked Mayville; Lose Tournament Finale

Statesman Staff Writer

Kewaskum 30, Mayville 25

Coach Glenn Eichstedt and his Kewaskum girls' basketball team found out Thursday night why Mayville was undefeated and rated eighth in the latest Class B girls basketball polls.

But the Mayville girls' basketball team found out that the Indians were not intimidated, as Kewaskum handled the intense Cardinal defensive pressure well enough to eke out a 30-25 victory and advance to the championship game of their own tournament.

"They play tremendous defense," Eichstedt said of Mayville team strength, but also noted that the Cardinals do have a weakness. "They're not as strong offensively."

That shortcoming was the key in this game, because Mayville's defense sure did its job, forcing 25 Indian turnovers and limiting Kewaskum to its lowest point total of the season.

The Indians jumped out to an early 11-4 lead midway through the second quarter, but that was to be the biggest lead of the game, as the Cardinals fought back in this battle of old scenic Moraine Conference rivals to cut the Indian lead to three,

14-11 at halftime.

Indian star center Pam Osterbrink picked up her fourth personal foul early in the third period, however, and was forced to sit down. She watched as her team fell behind 17-16 midway through the third.

From there it was a close battle until late in the game, with the biggest lead for either team being just three points.

With 2:10 remaining in the game, Mayville was clinging to a 25-24 lead when Osterbrink decided to take matters into her own hands. The 6-2 senior scored six straight points, including four clutch free throws to give her team a big victory.

Osterbrink finished the night with 16 points and 10 rebounds, while playing only about three quarters. "She did a nice job for us," Eichstedt said of his prized center. The Indian mentor also had words of praise for reserve Carrie Krause. Krause, who replaced Osterbrink in the lineup when she got in foul trouble, wound up with only 2 points, but "she did a super job on the boards and defensively," according to Eichstedt.

Also playing well for the Indians was senior guard Kristi

Lubahn. She finished the game with 8 points, all coming in the second half when, according to Eichstedt, "she began looking for her shot a bit more."

Beaver Dam 51, Kewaskum 43

The Kewaskum Indians ran into a young and hungry Beaver Dam girls' basketball team here Friday in the finals of the Christmas Cage Classic. The Golden Beavers, with three sophomores in the starting lineup, showed great poise down the stretch to beat the Indians, 51-43.

Down by six late in the game, the Indians were forced to foul the Beavers, and the lucky recipient for Beaver Dam was soph Susa Chitko, who connected on 9 of 13 foul shots in the final quarter to seal the victory.

"We definitely fouled the wrong person," Indian head coach Glenn Eichstedt said, referring to Chitko, who finished with 21 points. "She's just a sensational pure shooter."

Indian center Pam Osterbrink did her best to keep her team close, as she scored all six Kewaskum points in the first quarter as Beaver Dam jumped out to a 12-6 lead.

Osterbrink's counterpart in the middle for Beaver Dam, 6-2' soph Gina Utrie, retaliated by scoring all of the Beavers' second quarter points, as Beaver Dam held on to a 22-21 advantage at the half.

"She did a real nice job," Eichstedt said of Utrie, who finished with 15 points and 10 rebounds. "We were really concerned about her (before the game)."

Beaver Dam outscored the Indians 15-6 in the third period to extend its lead to 10, 37-27, at the end of three quarters of play.

The Indians chipped away at the lead in the fourth, cutting it down to four points, 42-38, with just over two and a half minutes left to play.

Probably the turning point in the ballgame occurred when the Beavers, holding a four-point lead with the ball, ran over a minute off the clock before Tracy Caughlin banked in a jumpshot to give Beaver Dam a six-point cushion with just over a minute to play.

It was then that Eichstedt vented his frustration on a couple of calls that appeared quite questionable. During a

timeout, Eichstedt got a bit overzealous in his remarks and was hit with a technical foul.

"I thought the referees inappropriately handled several situations during the course of the game," Eichstedt said, explaining his actions. To further illustrate this, Eichstedt noted that even the technical foul he was whistled for "wasn't administered correctly," which caused a great deal of confusion late in the game.

Nevertheless Eichstedt had a great deal of praise for the Beaver Dam team. "They were a very solid team," Eichstedt said. "They took advantage of our mistakes. You have to give them a lot of credit."

Osterbrink led Kewaskum with 19 points and 11 rebounds. "She did a good job," Eichstedt said of his 6-1 senior, although he added "we weren't very successful in getting the ball to her. We had to force a lot of things."

In the consolation game, Mayville defeated Slinger, 51-39. Stacy Kundinger led the Owls with 17 points, while Wendi Williams added 11.
