## Fire Destroys Shed Monday

Kewaskum firefighters battled a shed fire on the Lloyd Roden farm Monday night. The department remained at the scene approximately three hours.

Firemen tore boards from a lean-to attached to the two-story shed to get at hot spots in the roof.

Statesman Staff Writer

An early evening fire Monday, destroyed a two-story storage shed on the Lloyd Roden farm located at 8459 Kettle Moraine Drive, Kewaskum.

The Kewaskum Fire Department was called to the scene at

6:30 p.m. Firefighters found the building engulfed in flames, with strong winds fanning the blaze.

The Kewaskum Fire Department called for mutual aid requesting a tanker truck from the Boltonville Fire Department. By 7:15 p.m., the firemen had the fire extinguished except

for a few hot spots.

The crew remained on the scene until approximately 9:30. The structure was vacant and no other property was damaged or lost as a result of the fire.

Kewaskum Fire Chief Donald Ehnert said the fire appeared to have been caused by electrical wiring in the shed.

## New General Manager, Part Owner Honecks Decide to Maintain Tradition

The tradition continues at Honeck Chevrolet. After 50 years of continued service in the Kewaskum area, the Honeck family has decided to stay in business. The same good people you have come to know and trust are still here and hope to see you soon.

With the decision to continue

their Chevrolet business some changes are being made. There will be a new General Manager and part owner, Michael Obertin. Mike brings with him many years of experience in the car business and looks forward to the opportunity that Honeck Chevrolet and its customers offer.

## Village Offers Kewaskum Senior Center New Home

By GERRY MUELLER  
Statesman Staff Writer

Rising costs and low revenues found members of Kewaskum's Senior Center appealing to the Village Board for assistance Monday night. Speaking on behalf of the seniors and the American Legion Robert G. Romaine Post 384, Elmer Hallen asked the trustees if there was some way the village could come up with the \$20 a week needed by the seniors to pay for the center's use of the post's building.

Until now the Legion had not required the Senior Center to pay the usual rental fee as other organizations using the facility. "Although the Legion did not like to do it," said Halleñ, "increased costs for heat and other services were now making it impossible for the Legion to allow the center to use the building without paying a minimal weekly fee of \$20." That is still 20% lower than the rent charged to other groups, he noted.

While the board was sympathetic to the seniors' request, it was reluctant to offer financial aid. After further discussion Trustee Larry Williams asked why the center had not considered using the Municipal Building's community room. "I'm somewhat reluctant to take money out of the budget for this when

we have an excellent community room available," said Williams.

Center president Marvin Martin said while it would be a good alternative, he did not think there was enough room or storage space.

Village Administrator Dan Schmidt said the room could easily accommodate 80 people and he felt the new storage room and cabinets in the kitchen could provide adequate storage space.

As for the possible need for more room, the trustees had no problem with allowing the group to use the Council Room also. "You only meet on Wednesday mornings," said Trustee Mary Krueger, "and the Council Room isn't in use at that time. Beside," she noted, "the Council Room has easy access via the elevator."

Upon learning they could use the second floor and there was an elevator available for those who needed it, the group became quite receptive to the recommendation.

Martin was still reluctant to go along with the suggestion. He questioned where the group would store its fans. The trustees informed him the Municipal Building had central air-conditioning and they really would have no need for fans.

## Sixty-Five Year Old Town of Wayne Man Thwarts Robbery Attempt

By GERRY MUELLER  
Statesman Staff Writer

A Town of Wayne man brought a surprise conclusion to an armed robbery attempt at his home last Thursday.

According to a Washington County Sheriff's Department report, deputies were summoned to the Gerald J. Stollenwerk home at 9628

Skyline Drive, Allenton, at approximately 9:00 a.m. in response to an attempted armed robbery.

A news release said a white male appeared at the home and told Mrs. Hallie Stollenwerk he was having car trouble and asked if he could use the phone.

The suspect followed the couple, who are both in their

sixties, into their kitchen where he displayed a handgun, ordering them into a bedroom. While Mrs. Stollenwerk refused to go, her husband went into the bedroom and got a small caliber handgun.

On seeing the gun, the suspect fled the home and got into a light green four-door sedan, possibly an older

Chevrolet. Stollenwerk fired one shot at the suspect's car. The couple believed the vehicle headed east on Highway 28.

A composite sketch of the suspect was drawn with the assistance of the Germantown Police Department. The suspect was described as a white male, short, in his thirties, with long dark hair and a beard. He was

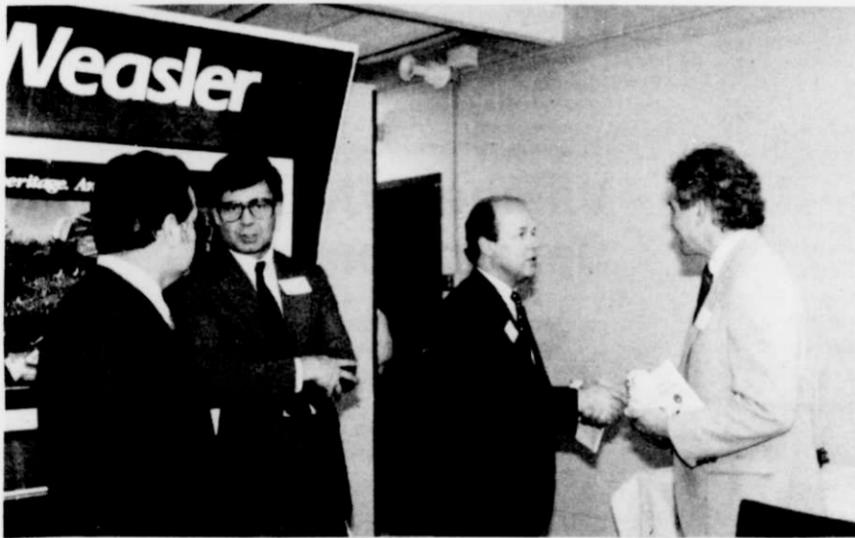

wearing a baseball cap, blue jeans, an Army style green field jacket, and wire-rimmed glasses at the time of the robbery attempt.

The Sheriff's Department said Tuesday there were some new leads and the incident was still under investigation.

The center was unveiled at an open house last Friday afternoon.

Weasler Engineering, Incorporated of West Bend, will, this week, become one of a growing number of Wisconsin companies participating in a new and innovative program called the Workplace Learning Center.

The program is being developed through a joint cooperative effort between company management, labor and the local technical college.

Weasler, like many companies, has found itself going through a period of change in the way their products are being manufactured. The firm, which employs approximately 250 people, manufactures drive line equipment used in agriculture, marine and lawn and garden applications.

With the strong and increased competition from foreign manufacturers, Weasler has realized this process of change will be a continuing issue that will have to be addressed constantly if they are to compete successfully in the world market. A company will not only have to constantly update its equipment, but help its workforce develop and

update their job skills as well.

At an open house of its new Workplace Learning Center Friday, company president Paul Weasler told guests and the media, "in order for American companies to compete in the world marketplace we have to re-tool our factories and get more new equipment." He also went on to state, "more than that, we have to re-tool our people and the only way to re-tool them is through education and training for everyone, from the janitor to my office. What is beginning to happen with the learning center is vital to our company," stated Weasler.

A learning center such as Weasler's is innovative and unusual in many respects and differs considerably from continuing or night school education programs. First of all, it is set up at the workplace, making it accessible to all employees. Weasler not only provided space in its plant for the center, it built the classroom and has provided both equipment and funding for the program.

Secondly, the center has a very relaxed unstructured atmosphere. In partnership with Moraine Park Technical

College, instructors will be available during two sessions, one from 6 a.m. to 9 a.m., the other from 1 p.m. to 5 p.m., three days a week. Employees work on an individual basis in the class on their own time (before and after shift hours) during these periods. They may spend as much or as little time in the class room as they wish.

Thirdly, there are no time restrictions as to how soon an employee must finish a particular segment or course. There are also no limits on the number of units in which an employee can participate. Weasler, however, in an effort to encourage its employees to follow through on their studies and complete the units of study, will be offering financial compensation. Employees will receive that compensation for every unit successfully completed and an employee can complete as many units as they desire.

The center and its programs which were set up through the combined efforts of Weasler management, MPTC, the Wisconsin AFL-CIO and AIW Local Union 144, is receiving an enthusiastic response with approximately two hundred of

## EDITORIAL REBUTTAL

By the Editor of the Kewaskum Statesman

The following is a rebuttal in response to an editorial printed last Wednesday, January 17 in a Milwaukee newspaper.

In our opinion, any "big city" newspaper that encourages lawsuits against a village and its people they know nothing about, must really be desperate for a story.

When I was a child, I went ice skating almost daily on the rink the Village kept clear for us on the Milwaukee River. I went with the understanding it was AT MY OWN RISK! I broke my arm one year when I fell while "goofing around" on my skates. It was all just a part of growing up. My only gripe was that I couldn't be skating with my friends for the rest of the year with my cast on. (Major social trauma).

Ice skating was a large part of enjoying winter in those years. Thank goodness, at that time no one even considered lawsuits, or thirty years of winter fun might no longer have been available for the youth of Kewaskum. I wonder... if I had fallen through the ice in those days, would the Village of Kewaskum been liable? I DON'T THINK SO! It was MY choice to go skating, MY decision where to skate and my safety was the responsibility of myself and my parents.

If the writer of a previous story this "big city" newspaper printed in relation to this issue would have bothered to check his "facts" on the day he visited here for his "scoop," maybe the story would have had a little more credibility. He referred to a picnic table being placed in the middle of the hill. In all fairness, if he would have asked about this, village officials would have told him that ALL the park's picnic tables had been put away for the season in a shelter on the other side of the hill. A neighborhood resident told me that on the day the reporter visited this area, kids dragged a picnic table onto the hill to use as a "makeshift" sled and rode partially down the hill on it.

Obviously, they weren't about to drag a heavy picnic table back up the hill. Not very smart... obviously someone could have easily been seriously hurt or killed... but I don't think the village must be held liable for the vandalism of kids. As soon as the village authorities were notified, the table was removed.

There is no "sleazeball" standing on top the hill curling his greasy moustache and urging little children to "take a chance" riding the big hill. There is no sign anywhere in the area telling people this is a hill specifically designed for your sledding pleasure. Everyone that was born and raised here, just kind of "assumes" that's why God designed the hill there... for sledding and for a good view on fireworks night!

Okay village officials, post "NO SLEDDING" signs on River Hill... but while you're at it, you might just as well post "NO ICE SKATING" and "NO FISHING" signs at the edge of our beautiful Milwaukee River, "NO WALKING" signs sprinkled throughout our scenic park, "NO PLAYING" signs on our playgrounds and "NO SWIMMING" signs at our new Kiwanis park. Don't forget the "NO TENNIS" signs on our tennis courts and the "NO SOFT-BALL" signs on all our diamonds.

My point here is EVERY recreational activity comes with its own individual risk. If we choose to take part in enjoying them... we accept that risk. By encouraging others to sue when they are "at risk" is destroying recreation for all of us. It seems some reporters won't be satisfied until all our childhood pleasures are destroyed because the municipalities we live in will no longer be able to afford the liability insurance.

Our hearts are full of compassion for the students who were injured sledding three weeks ago and for the agony their parents and friends suffered. As children and parents, I'm sure we can all relate to them through similar situations. That's part of the beauty of living in a small town... we can still feel and show our empathy for our fellow residents. We all care!

Is it fair for those who live 40 miles away to try to turn resident against resident by suggesting negligence and lawsuits? Have any of them or their staff, in their youth, felt the exhilaration of sledding down that hill lickety-split? A large percentage of the residents here have... and we really resent someone else telling us what to do and how to do it! Kewaskum does not need a "big brother." We'll handle things just fine in our own way.

Perhaps the writers of the editorial should concentrate their energy on trying to solve the many problems in their own city before they come in to Kewaskum and try to sweep our back porch.

What do YOU think Kewaskum?

According to the last census, there are 110 million men and 116 million women in the United States.

## Kiwanis Students for the Month of January

Christine Ramthun

Christine Ramthun, daughter of Mr. and Mrs. Kenneth Ramthun and Jeff Brigham, son of Mr. and Mrs. Thomas Brigham, both of rural West Bend, have been chosen as the Kiwanis students for the month of January.

Chris was inducted into the National Honor Society as a junior. She serves as treasurer for both the Varsity club and FHA-HERO organization. She is also a member of the Future Business Leaders club, Spanish club and the AFS club. She has been on the Gymnastics team for four years, received "most improved" award in 87-88 and "most dedicated" award in 88-89. She has been a cheerleader for three years and this year is team captain. Christine played volleyball as a freshman, was on the Homecoming court this year and was Kewaskum's representative to Badger Girls' State. She also works for the

### RIVEREDGE MEETING ON BIRDS OF THE ARCTIC

The February 6 meeting of the Riveredge Bird Club will feature a program entitled BIRDS OF THE ARCTIC. Bill Volkert, Horicon Marsh naturalist and Arctic traveller, will show some of the adaptations by birds to this productive but often harsh environment. Songs of Wisconsin's three mimid species will also be reviewed. The meeting starts at 7 p.m. at the Riveredge Nature Center located on Highway Y just north of Newburg. Refreshments will be served and everyone is welcome.

### THANK YOU

I would like to thank all my family and friends, (especially Janis and Lee and the boys) for cards, phone calls, flowers and visits while I was a patient at Theda Clark Hospital, Neenah, and while I was convalescing at home. Special thanks to all the doctors and the nurses on the fifth floor. It was sincerely appreciated.

## Church Women United to Observe Annual Winter Tea

The 30th Annual Winter Tea will be observed by Church Women United of Washington County on Monday, January 29. The host church will be Immanuel United Church of Christ, located on the corner of Walnut and 5th Avenue in West Bend.

This event has been held in churches of various denominations over the years. The program will be presented by Rachel Hoblin on the topic "Habitat for Humanity." This project involves providing homes for those who cannot afford housing, and Ms. Hoblin has been directly involved in this project both in Wisconsin and as secretary to the originator of this project.

The schedule for the day will be, 12:30 a Board of Managers meeting, followed by the business meeting at 1:00. The host church will provide refreshments.

A time of worship will be included, followed by the program.

You will find this program

interesting and informative. If you have not attended a Church Women United meeting before, make this your first one, and bring a friend.

This recipe and many more can be found in the Kewaskum Junior Woman's Club new cookbook. To buy your copy ask any Jr. Woman's Club member or else they can be found at Kennelly Pharmacy, Regal Ware Outlet or Kewaskum Frozen Foods.

#### SPAGHETTI PIE

- 6 oz. spaghetti
- 2 T. butter
- 1/3 c. Parmesan cheese
- 2 beaten eggs
- 1 c. cottage cheese
- 1 lb. ground beef
- 1/2 c. chopped onions
- 1/4 c. chopped peppers
- 1 (8 oz.) can tomatoes, cut
- 1 (6 oz.) can tomato paste
- 1 tsp. sugar
- 1 tsp. oregano
- 1/2 tsp. garlic salt
- 1/2 c. shredded mozzarella

Cook spaghetti and drain (3 cups). Stir butter into hot spaghetti. Stir in Parmesan and eggs. Form spaghetti into "crust" in a buttered 10 inch pie plate. Spread cottage cheese over spaghetti. In skillet, brown ground beef, onions and peppers until cooked. Drain. Stir in undrained tomatoes, paste, sugar, oregano and garlic. Heat through. Pour meat mixture into spaghetti crust. Bake, uncovered, in 350° for 20 minutes. Sprinkle top with mozzarella cheese and bake for 5 more minutes.

#### THANK YOU

We would like to thank the Kewaskum and Boltonville fire departments for the quick response to our shed fire.

## Evangeline Teeselink Honored By Modern Woodmen

Otto Wedding, left, presents the Modern Woodmen's Certificate of Recognition to Evangeline Teeselink.

Evangeline "Vange" (Schmidt) Teeselink was honored by the Modern Woodmen of America on November 15, 1989. She was honored and presented with a Certificate of Recognition Plaque for her years of service to this community.

She was born in the town of Auburn, daughter of William and Olga Schmidt. Her family consists of husband - Lloyd, three children, David of Watertown, Renee of Mayville and Dean of Davenport, Iowa; four grandchildren, Sara and Aaron Shrob, and Lisa and Matthew Teeselink; one brother Sylvester Schmidt, and sister-in-law Ione.

Vange has been a lifetime

member of Peace United Church of Christ, Kewaskum. She served on the church consistory, served as treasurer for three years, was a member of the church guild, a past president, secretary and treasurer. She taught Sunday School for 11 years and taught vacation bible school for 5 years. Vange organized and chaparoned "The Thing," - which was a youth recreation night meeting once a week at the Church for several years.

She served as secretary for Church Women United of Washington County. Vange has been a volunteer helper at the Cedar Lake Home for a number of years. She was a "Den Mother" for the Cub Scouts for

about six years. A charter member of the Kewaskum Historical Society, she is also a curator. Vange served as assistant librarian of the Kewaskum Public Library for six years, and director for 11 years.

At present she is retired and hopes to spend a lot of time camping and traveling with her husband and family. She also puts in many hours assisting with fund raisers.

### Record Sales for CA Coupon Books

Sales of Entertainment '90 two-for-one coupon books have surpassed last year, making this fundraiser the best ever for Citizen Advocacy of Washington County.

Sales Chairperson Joan Pick reports that 340 of the books have been sold. "We continue to receive orders. Since the coupons are valid until next Dec. 1, there is plenty of time to make good use of the books."

Ms. Pick says the many two-for-one restaurant coupons are the most popular items offered. "Food varies, from the fanciest restaurant meal to the most convenient carryout," she

reports.

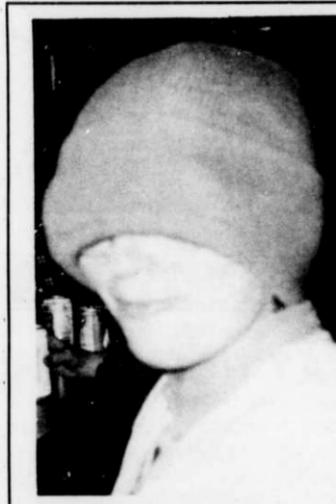

Yet an increasing number of purchasers save money on Milwaukee Bucks and Admirals games, on rent-a-cars, on seeing a movie or on winter sports. The latter can include bowling, downhill skiing, racquetball, or riding romantically in a one-horse sleigh.

Entertainment '90 coupon books will be offered through March 15.

To purchase one or more

books, at \$30 per book, please call the Citizen Advocacy office, 2375 W. Washington St. (Highway 33 West), Suite 107, in West Bend. The West Bend number is 334-3384; the Germantown number is 255-6702. The books are \$32 each by mail.

Citizen Advocacy, a nonprofit agency, serves the county by recruiting volunteers as advocates for people with disabilities.

Minerva Martin said the center could then sell the fans. Schmidt suggested that before the seniors decide to move, he meet with one or two representatives to check out the space and storage needs to make sure they would be adequate. As a second alternative, the trustees suggested, depending upon building code limitations, the possibility of using the firehouse meeting room, if the community room was not suitable. A majority of the senior citizens attending the meeting, however, felt the facilities at the Municipal Building would be more than adequate. If everything checks out, the Senior Center could begin holding its weekly get-togethers in the Municipal Building by next month. In other business Kewaskum Police Chief Richard Knoebel advised the board that, effective Friday, his department will again have a Police Liaison Program at the high school. Knoebel said each Friday Youth Services Officer Steve Seitz will be on hand from 11:00 a.m. to 2:00 p.m. at the school on an informal basis to talk with

students, teachers and administrators about anything that relates to the department or its jurisdiction. He would also be available during that time to talk to classes if his services are requested by a teacher. "This will be very casual," said Knoebel, "Officer Seitz will not be in uniform or carrying a gun, he will be wearing regular street clothing." He will be there to answer questions or help with any problems an individual might have. Knoebel said the department had a similar program several years ago when he was Youth Services Officer and it had been successful. "I've been working with Principal Leroy Kopecky on this and he is providing us with a room at the school," said Knoebel. "We're not going to be there to get information from anyone although we will accept it if we get it. It (the program) gives the students a different aspect of what the police are, that we are more than law enforcement." Knoebel said next year he would like to expand the program to the elementary school. In other business Schmidt advised the trustees he would be bringing preliminary resolutions to the board on the Bonnie Lane sewer work and 1990 sidewalk repair program at

one of the February board meetings. The board acted on a bartender's license for Barney Strobel, approved the Town of Kewaskum's 1990 fire contract and two policies, one on estimates and the other regarding special assessments. Schmidt also advised the board he had received one written application to date, for the vacant position of trustee. It came from Robert Beisbier.

## Salem Church to Host Special Musical

On February 11, at 7:00 p.m. Salem United Church of Christ at Wayne will sponsor a delightful and entertaining musical program. The community is invited to attend.

Robert and Borgne McClelland perform their two-person show, *MARIA AND THE CAPTAIN*, based on songs from "The Sound of Music," using an original script and story by Robert E. McClelland. The story depicts a fictional time a number of years after the von Trapp family left Austria and fled to the United States. The characters, although based on real people, are fictional characterizations envisioned in the mind of the author.

Dialogue and songs bring back memories of Austria as seen by the Captain, an older man, and his young wife, Maria. In the first half of the show, we hear "Edelweiss," "The Sound of Music," "My Favorite Things," and "How Do You Solve a Problem Like Maria?" In the second half of the story, Maria attempts to teach the Captain the scale,

although he is a reluctant and often uncooperative pupil, using the song, "Climb Every Mountain," and the show ends as the couple remember their joy in marriage and sing "An Ordinary Couple."

Piano accompaniment is played by Mary Lou Fries. The show lasts from 35 to 40 minutes. The community is invited to attend. A free will offering will be received.

Robert is Pastor of St. John Lutheran Church (ELCA), Grafton where he has served

since 1976. Borge is a homemaker, very involved in the life of the congregation, and is President of Synod Women ELCA - Greater Milwaukee.

Mary Lou, with her husband, Lyle, lives in Cedarburg where she is homemaker, as well as organist and choir director at Pilgrim United Church of Christ, Grafton.

Salem United Church of Christ is located in Wayne — corner of Washington County Highway H and W.

## Seniors, Catastrophic Health and The 1989 Tax Forms

The Internal Revenue Service has important news for senior citizens and others who would have been covered by Medicare Catastrophic Health Insurance.

Late in 1989, Congress repealed that law. Their action came after the deadline for the IRS to print the 1989 tax forms. The IRS included a cautionary note in the instructions for both

## West Bend Savings Names Larson Vice President - Sales/Marketing

Richard A. Larson, Jr.

Richard A. Larson, Jr. has been named vice president - sales/marketing for West Bend Savings effective January 1st. Larson had been the Association's vice president of branch operations and sales.

Upon announcing the promotion, the board of directors for West Bend Savings indicated that Larson had been the acting chief for the Association's sales operations for much of 1989 and he would

now head up all sales activity for the bank as well as its affiliates and subsidiaries which comprise the Financial Resource Group.

West Bend Savings, recipient of national recognition for its innovative bank sales system, provides six major product lines for point of sale; savings, mortgages, consumer loans, real estate, insurance and securities.

Larson joined the Financial Resource Group in 1984 as a mortgage banking representative. Prior to joining the Association, Larson, a 1983 graduate of UW-Madison and member of the University's Rugby Team, was a franchise sales rep. for Realty World Corporation. In 1986, Larson was named sales and operations manager for real estate affiliate, Realty World - West Grove Realty, Inc. In December 1987, he was named vice president - branch operations for the Association.

Larson, a director for Citizens Financial Service Corporation and Realty World - West Grove Realty, both of West Bend, is also a member of the West Bend Rotary Club, Country Club and chairman of the Finance Committee for Fifth Avenue Methodist Church.

Larson and wife Sherri reside with their family in West Bend.

the Form 1040 and the Form 1040A. But you will still see references to the "Supplemental Medicare Premium" (Catastrophic Health Care Insurance) on line 54 of Form 1040 and line 23 of Form 1040A.

The advice from the IRS is simple; ignore those lines when doing your taxes. In fact, it would be virtually impossible to do otherwise; since the form you would need to figure the tax due under the Medicare Supplemental Premium was never printed.

If, in error, a taxpayer fills in that line, the IRS will make the

correction needed to ensure that the taxpayer pays no more than he or she actually owes.

And if a taxpayer had extra money withheld during the year to cover the Supplemental Medicare Premium or paid extra in estimated taxes to cover the Premium, that taxpayer will receive that money back in the form of a bigger refund.

If you have any questions about the Medicare Supplemental Premium, please call IRS. In Milwaukee, the number is 271-3780. Elsewhere in Wisconsin, call, toll-free, 1-800-424-1040.

Friends,

In our increasingly complicated world, lengthy business contracts have replaced handshakes, the family unit has been dismantled by divorce and the rights of criminals appear to outweigh the rights of law abiding citizens. Judges must recognize these changes and use fresh problem solving approaches in addressing them. Traditional solutions will not work on the complicated problems of the 90s.

With your support and my willingness to work hard we can meet these challenges. Please give me your vote on February 20th.

I won't disappoint you.

## Members of St. Joseph's Hospital Auxiliary Honored

1990-91 St. Joseph's Hospital Auxiliary Board Officers, left to right: President Sharon Ziegler; First Vice President Marge Kieckhafer; Secretary Virginia O'Meara, and Treasurer Audrey Mayer.

Approximately 100 members of the Auxiliary of St. Joseph's Community Hospital, West Bend, were guests of the hospital, represented by Fred Bury, Executive Director, at the annual Recognition Day Brunch, on Tuesday, Jan. 16, 1990, at the West Bend Hotel.

Carrie Schucht, membership and scheduling chairman, introduced Lillian Blazel, an Auxilian who has accumulated over 5,000 service hours to the hospital, who in turn, presented the following members with Recognition awards:

8500 Hours — Virginia Finch;  
6000 Hours — Helen Mueller;  
5000 Hours — Lillian Blazel;  
3000 Hours — Sue Smithers;  
2500 Hours — Marjorie Cox and Helen Thull; 2000 hours —

Irene Foth; 1000 Hours — Danielle Dixon, Anne Lee Geiger, Lucille Karius, Valerie Strobel and Audrey Yahr; 500 Hours — Barbara Bury, Lucy Keller and Inez Ustruck.

100 Hours — Jane Aubrey, Dorothy Blumer, Pam Bollen, Donald Hansen, Joan Heimsch, Joan Heying, Barbara Keller, Joyce Meldahl, Rita Peplinski, Joan Sutter, Patsy Thorin and Jeannette Weinberger.

During 1989, Auxilians donated a total of 13,119 service hours to the hospital, bringing the grand total of hours to 234,231 hours since the Auxiliary's inception in 1964. Membership presently consists of 160 active members and 36 associate members.

On behalf of the hospital, Mr. Bury also presented those Auxilians who had accumulated 2,000 to 7,500 hours of service, with special gifts for their personal use and enjoyment. The hospital plans

to continue honoring these Auxilians in the future.

In addition, formal installation of the new Auxiliary Officers and Board for 1990 and 1991 was conducted by Velma Leicht, District Officer for Southeastern Wisconsin Hospital Association of Auxiliaries. In an impressive candlelighting ceremony, the following were welcomed to the new Auxiliary Board:

President — Sharon Ziegler;  
1st Vice President — Marge Kieckhafer; Secretary — Virginia O'Meara; Treasurer — Audrey Mayer; Directors: Joan Burkett,

Joan Heimsch and Darlene Indermuehle; Past President - Sue Myrhum.

Committee Chairmen: Val Strobel - Ways & Means; Carrie Schucht - Membership and Scheduling, Sue Smithers, Dani Dixon, and Shirley Ehrlich - Gift Shop; Sherry Czisny - Health Education; Shirley Lemler - Intergovernmental Education; Bonnie Koepke - Art; Marie Pitz - Newsletter; Dani Dixon and Pam Herdrich - Scholarship; Corey Wuebben - Publicity; Betty O'Meara - Parliamentary Advisor.

Membership in the Auxiliary is open to all persons (men and women), who are interested in providing service to St. Joseph's Hospital and its patients, through a diversity of channels. For additional information, call 334-5960.

Also, a "new member" Tea is being planned for late April. Please watch this newspaper for further details. We have a place for YOU!

West Bend Savings' board of directors has named Raymond F. Lipman, executive vice president and chief financial officer of the Association, to the post of chief operating officer effective January 1, 1990.

Richard A. Larson, president and chief executive officer said in announcing Lipman's promotion and new appointment that Lipman would assume all daily operational supervision of the bank's savings, loan and branch operations staff as well as continue as chief financial officer overseeing the accounting and data processing department.

Lipman had been chief of the associations Administrative Group. Larson in announcing the promotion said it would provide for better coordination of the banks operating functions and allow him more time to work with the organization's service corporation activities and sales goals.

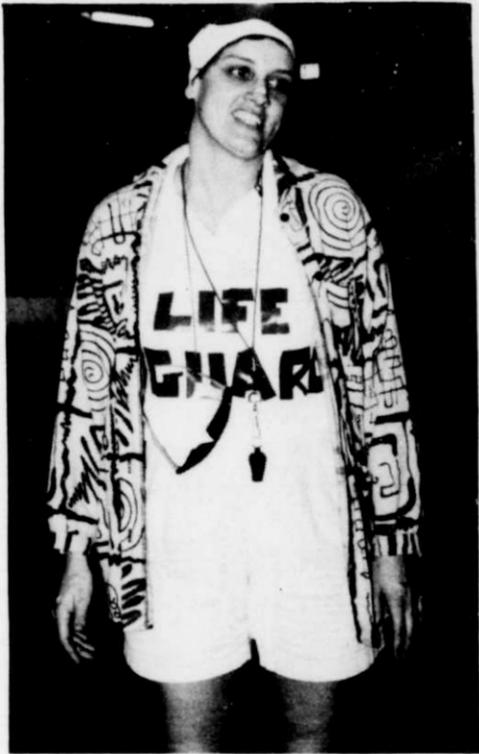

Lipman, a CPA joined West Bend Savings on November 1, 1976 as vice president - finance and controller. He had been an audit supervisor with the

# Beach Party Held at Holy Trinity School

On Friday, January 19, Holy Trinity School held a "Beach Party" for all the students in the school.

The "Beach Party" came as the end result of the students' jogging journey which began in September in Physical Education class. The students counted accumulated miles in reading and jogging to reach their destination of Laguna Beach, California by the end of January.

The students celebrated their arrival with the beach party. The focus of the beach party was toward the environmental concern for clean water and therefore clean beaches. A representative from the Washington County Land Conservation Department also made presentations to the students about the watershed program currently going on in the area.

Physical Education Teacher Gail Filzen served as "lifeguard" at the Beach Party. She is resplendent here with sunglasses, swimmers cap, goggles and her infamous whistle. She also made sure to cover her nose so she wouldn't develop too much of a sunburn.

Music Teacher Ellen Schmid danced with a local "beach bunny."

"Coach" Berghammer instructs the team on the finer qualities of volleyball on the hot sand. (Weren't you a little warm with that heavy jacket, Father?)

Ben Schoofs shows us how to maneuver the hula hoop. Students also enjoyed the limbo and other beach games.

Ben Filzen decides to stay out of the hot sun while putting on swim fins.

Sister Phyllis samples some of the nutritious snacks brought along to the beach.

Mrs. Filzen and Mrs. Schmid show the students how to do the "swim" and the "gorilla."

## Petsch - Oelhafen

Shelly Petsch and Brian Oelhafen are happy to announce their Oct. 27, 1989 engagement. Their parents are Mrs. Pat Petsch and the late Carl Petsch of rural West Bend and Mr. and Mrs. James Oelhafen of the town of Wayne. Both are 1987 graduates of Kewaskum High School. Shelly is currently attending college at U.W. River Falls where she is

majoring in Animal Science and will graduate in May of 1991. Brian is a 1990 graduate of MPTC with a degree in Machine Tooling Technics and is presently employed as a tool maker's apprentice at W. G. Strohwig Tool & Die Inc. in Richfield. An August 10, 1991 wedding is being planned by the couple.

## Brown - Matenaer

Cheryl Lynn Brown and Tony Jay Matenaer have announced their engagement. Cheryl is the daughter of James and Maryln Brown of Hartford. Tony is the son of Ralph and Estelle Matenaer of Kewaskum. The future bride is a 1985 graduate of Hartford Union High School and is presently employed at The F. Dohmen Co. in Germantown as assistant credit manager. Her fiance is a 1985 graduate of Kewaskum High School and a 1987 graduate of MPTI, Fond du Lac. He is presently employed at Farmers' Inc., in Allenton as an ag & diesel mechanic. The couple are planning a June 1st, 1991 wedding.

## Weasler

(Continued from Page 2)

Weasler's employes already signed up to participate in the program.

In explaining the idea and purpose behind the learning center, MPTC representatives who have been working with the program noted the definition of 'literacy' has expanded greatly. It no longer means just the ability to read and write although study courses can be and are offered to improve these skills. There is a new term, 'workplace literacy' which is literacy as it relates to the workplace in job-specific areas, teaching occupational applications of basic skills which allow employes to achieve job proficiency. According to MPTC, it is important to note that it is not the job tasks themselves that are taught, but rather the basic skills needed by a worker to accomplish the tasks given on a job. Workforce literacy is not to be defined in terms of attaining a specific reading grade level or mastering a finite list of basic academic skills. Rather, it is the ability to perform those basic skills applications which are used in the context of job tasks.

Dr. John Shanahan, president of Moraine Park Technical College of Fond du Lac, told those attending the open house, "I can't tell you how pleased we are to be just a small part of what you are doing here. For us this is all new and we look forward to this partnership, we can't do it alone." Shanahan noted, "we will probably make some mistakes along the way, but our heart is in the right place and we will do our best to make this program a success."

In his closing comments Weasler said it was the company's objective to put a lot of effort into training and education for employes. He noted he was extremely pleased with the tremendous response the project had already received.

## Huss - Kluever

John and Jane (Schilling) Huss, St. Cloud, are pleased to announce the engagement of their daughter, Julie Ann, to Brian John Kluever. He is the son of Aaron Tom Kluever, West Bend, and the late Doris (Petri) Kluever. The bride to be is a 1986 graduate of New Holstein High School with plans to graduate in

May from UW-Milwaukee with a degree in Nursing. Brian is a 1986 graduate of St. Mary's Springs high school, Fond du Lac. He presently attends Milwaukee School of Engineering where he studies electrical engineering. He will also graduate in May, 1990. An October 12, 1990 wedding is being planned by the couple.

## Tessar - Cullen

Mr. and Mrs. John R. Tessar, Kewaskum, announce the engagement of their son, Mark Jon to Beth Ann Cullen, daughter of Mr. and Mrs. William V. Cullen, Darlington, WI. The groom-to-be is a graduate of Kewaskum High School and the University of Wisconsin - Milwaukee. He is employed as a general manager

for Club Universe Health and Fitness Club in Greenfield, WI. The bride-to-be is a graduate of Darlington High School and the University of Wisconsin - Whitewater. She is employed as a staff assistant for Rollins Burdick Hunter of WI, Inc., an insurance brokerage firm, in Milwaukee. A May 12, 1990 wedding is being planed by the couple.

**VOLUNTEERS**

Volunteers get a "helper's high" from their work. It's a euphoric feeling, and probably has a biochemical component. In a survey by Better Homes and Gardens of people doing volunteer work and other forms of helping, most respondents report that a good feeling comes over them when they engage in helping others - feeling 'warm', 'less depressed,' or feeling a greater sense of 'self-worth.' Volunteering is healthful for both giver and receiver.

We wish you good health

## NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

B. K.

## THANK YOU

Prayers through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted even if it may appear difficult. This prayer must be published immediately after the favor is granted.

B. K.

## Tax Guide Available

"Taxes 1990," the annual guide and information book published by The Wisconsin Taxpayers Alliance (WTA), Madison, is now available.

The WTA, a privately supported government - research and citizen-education, organization said that the 1990 edition incorporates the tax law changes affecting the filing of the federal individual income tax returns for 1989. These include higher standard deduction and personal exemption amounts.

The 90-page guide, in addition to serving as an aid in filing out income tax returns and the homestead credit form, is a useful year-round reference on federal, state and local taxes along with property, sales, excise, social security and unemployment compensation.

The guide may be purchased from the Wisconsin Taxpayers Alliance, 335 West Wilson St., Madison, WI 53703-3694. The single-copy price is \$1.40, which includes state sales tax.

## Tractor Safety Course Required for Young Farm Workers Being Offered

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a farm tractor safety course is being sponsored by area high school vocational agriculture departments and the University of Wisconsin Extension in Washington County. The course will be held on four Saturdays beginning March 10th from 9:00 a.m. to 3:00 p.m. On Saturday March 10th and 17th, the course will be held at UWWC-West Bend, Room 148. The March 24th and April 7th session will be held at Slinger High School in the auto shop classroom. The course includes instructions on understanding how to operate a tractor, with the emphasis on safety. To complete the course, youth must attend all four sessions and pass a written and a driving exam.

Federal child labor laws require young people, aged 14

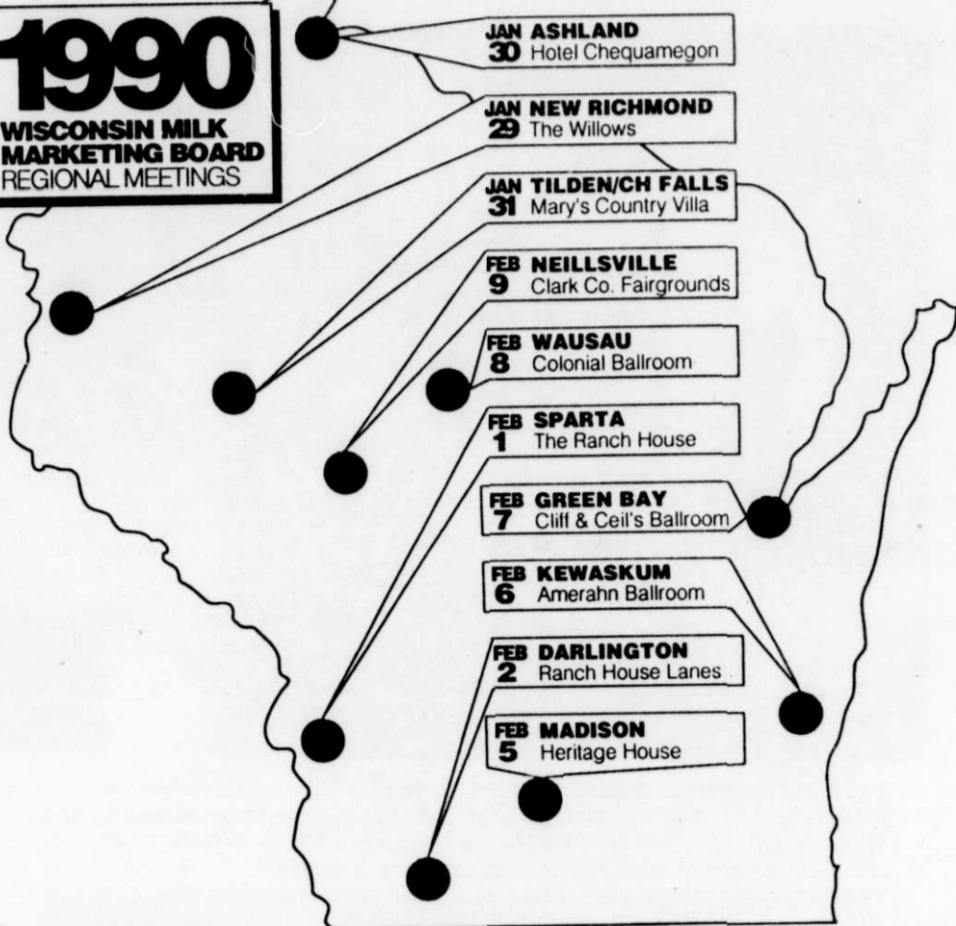

or 15 and working for someone who is not their parent or legal guardian, to take special training to acquaint them with hazardous phases of farm work, particularly tractor and machinery safety. The tractor safety course is open especially to youth who will be 14 but not over 16 years of age by June of the current year. However, other youth will be accepted as space permits.

Youth under the age of 14 are prohibited from farm work of a hazardous nature by federal law. Jobs not considered hazardous on a farm are few.

If you intend to hire any youth on your farm, make sure that they enroll in this course for your protection as well as theirs. There are severe penalties for not complying with the law. Penalties can be as high as a \$10,000 fine and possible jail sentence for hiring uncertified youths. Also, some insurance companies have indicated that, technically, they can't cover an accident to an untrained youth.

Protect your child or the young person who works for you ... enroll them in the farm tractor safety course. The cost of the course is \$12.00 per student. Registration deadline is February 16. To register, call your local high Vo-Ag instructor or the UW-Extension Office in West Bend. Phone 338-4478; 644-5204; 342-2929.

### Farmers Tax Guide Available

The start of the new year means that it's time to complete farm records from 1989 and prepare the information needed to file income tax returns.

Farm families, tax preparers and others may find the Internal Revenue Service publication 225 titled "The Farmer's Tax Guide" helpful with their 1989 tax returns. Copies of this publication has been received by the Washington County Extension office. Individuals who wish to have a copy mailed to them should send their requests along with \$1.00 for postage to the Washington County Extension Office, Ag Department, P.O. Box 1986, West Bend, WI 53095. A copy will then be mailed.

The Farmers Tax Guide is normally available in late November or early December. This year, due to delayed legislation in acted by Congress, printing of the publication had been delayed.

The Farmer's Tax Guide provides information for individuals preparing their own taxes and people working with tax practitioners. It's a good reference to look up many of the questions that occur during the

tax filing process.

The tax guide provides information on a number of important changes for 1989. Some of those changes include: Changes in Social Security, rates and filing requirements, changes in the standard mileage rate for business expenses, changes in the uniformed capitalization rules, sometimes known as the Heifer tax and cancellation of debt.

The information provided will also help tax payers in preparing their farm records and tax management strategies for 1990.

Tax time is always difficult but knowing the rules and having access to information can make the process less taxing.

**DATA PROCESSING CLUB OFFICERS ELECTED** — The Data Processing Club at Moraine Park Technical College's Fond du Lac campus recently elected new officers. From left to right are Tami Martiny, treasurer, of Colgate; Randy Redmann, club member and student senate vice-president of Brandon; Linda Guelig, vice-president of Kewaskum; Mark Johnston, student senate representative of Fond du Lac; Joyce Bartelt, secretary of Fond du Lac; Tricia Sabel, student senate representative of Mayville; and Tonya Schleh, president of New Holstein.

**LETTER TO THE EDITOR:**

Last Saturday evening the Kewaskum Women's Club had their Annual Founders Day Dinner.

The ladies and their guests/husbands enjoyed a good family styled meal at the Hon E Kor Country Golf Club. Entertainment was provided by Mr. and Mrs. David Bertelson, who sang some duets which are recorded by Patti Loveless, Everly Bros. and John Denver. All members enjoyed the sing-along of some "oldies."

I would like to thank Elda Kuehl, Kathy Paul and Kathy Tiemann for making all the arrangements for this festive event. They were very reliable and did an excellent job.

This organization is always open to new members. The ladies vary in age and interests so anyone joining will feel right at home. The group meets regularly at the Community Room at 7:30 p.m. on the third Thursday of the month. With all the social activities, only six of the ten get-together have programs or speakers.

On Feb. 22nd A.F.S. students will present a program on their countries. On March 22nd, the Fashion Niche of West Bend will put on a fashion show with some of our members as models. Ladies are invited. Please continue to watch this paper for more monthly info on the activities of our club.

The dues are \$20.00 and we sure would enjoy having you attend a meeting and hopefully join our organization. All too many times, we have good intentions and yet we put it on the back shelf. It's a little late, but not forgotten, how well the Gourmet Gathering Dinner was planned that took place last fall.

I would like to give a big thank you to Shirley Kirkham and Bernice Groh for a successful event. Mrs. Ruth Gruhle prepared the excellent food and we all thank her for her contribution.

Sincerely,  
Jean Goeden

**Ziegler Securities Markets Most Healthcare Financings in 1989**

CHICAGO, Jan. 16 PRNewswire/ — Ziegler Securities, a division of B.C. Ziegler and Company, marketed 47 healthcare financings in 1989, ranking number one nationally in the number of financings marketed for the healthcare industry.

According to information from Securities Data Co./Bond Buyer, Ziegler Securities, was senior manager for healthcare financings totaling \$736 million in 1989, placing the firm among the top 10 healthcare investment bankers in the nation.

In addition, Ziegler Securities was the highest ranked non-Wall Street underwriter of tax-exempt healthcare issues. For the hospital sector of healthcare financings, Ziegler Securities was one of only two non-Wall Street based firms to rank in the top 10 nationally for tax-exempt underwritings by senior managers.

Donald A. Carlson Jr., president of Ziegler Securities, said the firm is unique in the investment banking industry. "Of the nation's top 25 healthcare underwriters,

Ziegler Securities is the only firm to almost exclusively specialize in healthcare investment banking." Underwritings by the firm in 1989 covered the full spectrum of the healthcare industry's financial needs with issues ranging from \$2 million to \$198 million said Carlson.

B.C. Ziegler and Company is an investment banking firm with corporate headquarters in West Bend, Wisconsin. Ziegler Securities has division headquarters in Chicago and regional offices in Orlando, Florida; Walnut Creek, California; as well as West Bend.

**Salvation Army Says 'Thank You'**

The Salvation Army would like to take this opportunity to say thank you for your support of their Christmas effort. Your concern for reaching out to those in need was very evident through the monetary gifts that were made this Christmas season. Many lives are touched throughout the year as a direct result of these funds collected.

It was the decision of The Salvation Army's Executive Board in Milwaukee to extend The Salvation Army's deadline on its state-wide goal until January 15, to help them reach their goal. As of January 10, the state-wide monies collected totaled \$494,066.

"Your support of both our agency and our programs are very important and we appreciate the support that you have given to The Salvation Army throughout this Christmas season.

May God bless each of you and your families as we enter into this new year."

## High Card '90 is Wisconsin Lottery's First New Game of the 1990's

53775.

Each week five Home Player winners are drawn. Each Home Player is paired with a MONEY GAME show on-stage player. The Home Player wins the amount his on-stage player wins during the third round of the MONEY GAME, when prizes range between \$750 - \$3,000.

"I like the way High CARD '90 plays, and I am sure Wisconsin Lottery players will like it, too," Lottery Executive Director William F. Flynn, Jr. said.

More than 80 percent of Wisconsin Lottery retailers will add High Card '90 to games already on sale, such as the Vegas Money Game, 3-Of-A-Kind and Tic-Tac-Toe.

The Wisconsin Lottery sells about \$4 million instant scratch tickets each week, making the instant scratch game the Lottery's best selling product.

High Card '90 launch events were scheduled at 10 a.m. Monday, January 22, at Goldmann's Department Store on Milwaukee's south side; Lindell's County Market in Wausau and at Strittmater's Super Valu in La Crosse.

MADISON — Wisconsin Lottery officials kicked off sales for the new High Card '90 game with special events in Milwaukee, Wausau and La Crosse Monday, January 22, 1990.

Billed as the Lottery's first new game of the 1990's, High Card '90 offers players a new game format as well as a chance to win prizes several different ways.

High Card '90 offers a chance to win up to \$9,000 instantly; a chance to win up to \$50,000 or more on the weekly MONEY GAME television show or a chance to win up to \$3,000 as a MONEY GAME Home Player.

Each High Card '90 ticket offers three chances to win instantly. When scratching the latex off the tickets shows "Your Card" beats the "Dealer's Card," the player wins the prize in the right hand column.

Each ticket has three opportunities to beat the "Dealer's Card" and win a prize.

If "Your Card" beats the "Dealer's Card" and the prize is a TV symbol, the winner collects a \$100 instant prize by bringing the winning ticket to a Wisconsin Lottery office, or by mailing the winning ticket with a claim form, available from any Lottery retailer, to: Prize Payments, Madison WI 53774. The Lottery has offices in Madison, Milwaukee (Hales Corners), Green Bay, Rhinelander and Eau Claire.

In addition to the \$100 instant prize, the winner is invited to participate in the weekly MONEY GAME television show, and has an opportunity to win up to \$50,000 or more. Geri Cassan, who bought a winning ticket while shopping for a vacation home site in central Wisconsin, won \$162,400 on the MONEY GAME show, which has paid more than \$3.5 million in prizes since it began February 25, 1989.

High Card '90 tickets are also eligible for Home Player prizes, which give every Wisconsin Lottery instant scratch ticket an opportunity to win from \$750 to \$3,000.

Players enter the weekly Home Player drawing by simply sending five non-winning instant scratch tickets from any Wisconsin Lottery game currently on sale, to Home Player, Madison WI

## 'Molder of Dreams' at Campbellsport Alliance Church on Feb. 2

The newest release from Focus on the Family Films is coming to Campbellsport, Friday, February 2 at 7:00 p.m. The film will be shown at the Community Center, 163 E. Main, and is sponsored by the Campbellsport Alliance Church.

"Molder of Dreams" is the story of Guy Doud, 1987 National Teacher of the Year. Growing up, Guy was a loser, and everyone knew it. Any hopes and dreams he had in life would have to be kept to himself because that's all they would ever be...dreams.

Then something happened. But what? How did this social outcast become National Teacher of the Year, and find himself standing in the Oval Office, being honored by the President of the United States? This true story is the heart of the powerful film, "Molder of Dreams," produced by Focus on the Family Films.

The setting is a high school classroom, where two stories unfold: one is Guy Doud's moving and humorous account of his own childhood and how it impacted the way he teaches; the other is the true account of one of Guy's students, Kent Soderman. What transpires leads to the dramatic conclusion of "Molder of Dreams."

Guy's heartwarming presentation gives you — the parents and teachers who mold young people's lives — a fresh perspective on their unseen needs. Students will especially identify with Guy's schoolhood experiences and come away with renewed hope for the future.

The public is invited to the film. There is no admission charge. An offering for the film will be received.

For more information, phone 533-4516.

## 25 Years Ago

Jan. 22, 1965

Last Sept. 16 members of the sixth grade science class at the Kewaskum Elementary School released balloons filled with helium. Postcards were attached to the balloons requesting information on the location where they were found and containing the return address of the pupil who sent the balloon up. The balloon released here by Debra Oppermann was found on New Year's Day near Muskegon, Mich. The postcard contained the information that the balloon was found at 11 a.m., Jan. 1, 1965, in Fruitland Township, section 25, Muskegon, Mich. by Michael K. McGahan, age 11, of 3087 N. Worden Rd., in 41 degree weather. This was the only balloon reported found.

Miss Caroline Oeder of Park View Dr., Kewaskum, one of the oldest residents of the village, suffered a fractured hip at her home on Sat., Jan. 16. The injury occurred on her 91st birthday. She was removed to St. Joseph's Hospital, West Bend.

LeRoy Bier, 30, Kewaskum jeweler, who resides at R. 2, Kewaskum, was seriously injured and four other persons, two of them from Kewaskum, were hurt in a two-car collision at the intersection of Walnut and Town Line Roads about a mile west of Dotyville at 12:50 p.m. Saturday. Bier, driver of one of the autos was the only one seriously injured, suffering a concussion, back and possible internal injuries. Companions in the car were Arnold Bier, father of Leroy, and Gerald Zimmel his brother-in-law also of R.2, Kewaskum. The driver of the other car Lyle Krug of Milwaukee and his passenger Rickey Snyder, R. 1, Eden suffered minor cuts.

Marriage Licenses: Richard Otto Kreif, R. 1, Kewaskum, and Marian Mabel Schairer, R. 2, Hartford, wedding Jan. 30. Joseph Arnold Enright R. 1, Kewaskum and Ann Aldine Schaefer, Kewaskum, wedding Jan. 30.

## 50 Years Ago

Jan. 26, 1940

The four men who were involved in the brutal slaughtering of cattle in a three-month old mystery have admitted their guilt and confessed to the cattle killing. Three men, Tony Patasius, 26, James Kalenberg, 27, and Frank Nitz, 35, all of Port Washington admitted the butchering. Ludwig Gross, 32, of the Town of Farmington, east of St. Michaels, aided the three men in unloading the meat from the car and helped store it on his farm. The meat was divided at the Gross farm, the men burying what they could not use at the time. The killing of cattle took place on the Clara Voeks farm in the town of Fredonia, Sept. 27, 1939. Sometime during the previous night, the gang had entered the Voeks pasture and separated several heifers from the herd. Three animals were shot and two were bled to death and butchered. The hind quarters were cut off and the rest of the carcasses were left in the field.

Mrs. Mildred Winkel Erickson, wife of John Erickson, widely known tavern proprietor of Ashford, died at St. Agnes Hospital, Fond du Lac, Jan. 17, of pneumonia after having

undergone a Caesarian operation eight days prior to her demise. Mrs. Erickson gave birth to a baby boy and contracted pneumonia after the operation.

Mr. and Mrs. William Prost were guests of Mr. and Mrs. Wilmer Prost Saturday evening to help celebrate their son Willard's birthday anniversary.

Harvey W. Techtman announces the opening and inspection of his funeral home located opposite the Lay Lumber Company office in Kewaskum, which will be held during the week of Jan. 28 to Feb. 4, inclusive and cordially invites the public to attend.

A marriage license has been issued to Donald Odekirk of Campbellsport and Lucille A. Dieringer of Fond du Lac.

Mr. and Mrs. Cornelius Fellenz of Spencer are the proud parents of a son born Jan. 12. The Fellenz's are formerly of Kewaskum.

## 75 Years Ago

Jan. 23, 1915

Two members of the Henry Glass family, father and son, passed away in death at their home in the Town of Scott on the same day. On Wednesday morning, January 13th, the many friends and relatives were grieved to learn of the death of Henry Glass at the age of 69 years ten months and 12 days at his home one mile north of Beechwood cause of death being pneumonia. He was one

of the oldest settlers of the Town of Scott. Herman Glass passed away at his home Wednesday evening after a lingering illness, at the age of 36 years. The bereaved relatives have our sincere sympathy in their great sorrow.

The annual meeting of the Joint Fire Department was held in the village hall Monday. The following officers were elected for the ensuing year. Chief - Edw. C. Miller, Ass't. Chief - John Klassen, Secretary - John H. Martin, Treasurer - Chas. Groeschel. LATER - Chief - elect Edw. C. Miller, on Wednesday filed his resignation as such officer with secretary John Martin. A special meeting will be held on next Tuesday to fill the vacancy.

William Warden has installed a new machine for filling bottles with Weiss beer. The new machine is of the latest type and takes the place of the smaller machine, with which Mr. Warden was unable to fill sufficient quantities of bottles to supply the demand.

The following from the Beechwood area attended the dance at Cascade Friday evening: John Horning, John Dicklinger, Art Trapp, Wm. Trapp, Edwin Hintz, Herbie Krahn and Albert Zimmermann.

Basketball at Groeschel's Hall tomorrow evening, Sunday, Jan. 24th. Schleisingerville versus Kewaskum. This game will practically decide the championship of Washington County so don't miss it.

## Campus Notes

RIPON, WIS. — A number of Ripon College students have been named to the institution's Dean's List, which recognizes academic excellence.

Students named to the Ripon College Dean's List for the first semester of the 1989-90 academic year include:

Richard A. Staehler, son of John and Karen Staehler, Route #1, 8639 Boltonville Road, Kewaskum, WI.

To qualify for the Dean's List at Ripon College, students must achieve a 3.4 grade point average on a 4.0 grading scale, while registered for at least 12 hours of course work.

Ripon College, founded in 1851, is a nationally recognized liberal arts college in

Wisconsin, known for its strong undergraduate education program. Ripon is one of only a select number of colleges and universities in the country strong enough to be granted a chapter of Phi Beta Kappa, the national academic honor society.

**NOTICE TO ALL  
WASHINGTON COUNTY  
DOG OWNERS**

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in Washington County that dog licenses and rabies vaccinations are required.

Vaccination by a licensed veterinarian against rabies is required of all dogs (Section 95.21(2)) within 30 days after the dog reaches 4 months of age and revaccinated within one year after the initial vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian when the certificate expires or within three (3) years of previous vaccination. The certificate of rabies vaccination must be presented to the collecting official before a dog license may issued.

All dogs five (5) months of age or older require a license. The minimum license fee for neutered males or spayed females is \$2.00, upon presentation of evidence attesting to the same, and \$5.00 for the unneutered male or unspayed female dog or one-half of these amounts if the dog became five (5) months of age after July 1 of the license year. The governing body of any town, village or city may raise the minimum dog license tax. Any person who keeps or operates a kennel may apply for a kennel license. The fee is \$30.00 for twelve (12) dogs or less and an additional \$3.00 for each dog in excess of twelve (12).

Dog licenses can be obtained from your local town, village or city treasurer or designee during the course of any given year. Dog owners should notify their treasurer if their dog is given away or has died, so that you will not be considered delinquent. An affidavit of death is available.

**PENALTY**  
Every owner of a dog 5 months of age or older who fails to obtain a license by April 1 will be assessed a late fee of \$5.00.

### Neumann Farm Included In Select Sires Honors

Over eighty percent of Southern Wisconsin's top dairy herds buy their A.I. genetics from East Central/Select Sires (EC/SS). That was evident when EC/SS recently made production performance awards to their customers.

Each year, EC/SS honors dairymen for outstanding production and herd management at area fall member meetings. Dairymen receive a bronze award for having a combined milk, fat, and protein rolling herd average 15 percent above state DHI average. Silver awards go to dairymen 25 percent above state average and the prestigious gold award goes to herds 35 percent over state DHI average.

This past year, 173 dairy herds in southern Wisconsin ranked 15 percent over state average. Of that, 139 or 80 percent are EC/SS customers. Thirty-five or 25 percent of those herds actively participate in Select Sires' young sire program. Of the 139 EC/SS awards presented, only three earned Gold Award honors, 14 received silver honors with the remaining 122 receiving bronze awards.

EC/SS recently awarded area recognition to: Bronze Award: Roger and Ann Neumann, Kewaskum, 63 cows, 22,328m 3.5 776f 3.1 703p. Edward and Harvey Klumb, West Bend, 56 cows 21,925m 4.0 871f 3.1 687p. Herb Pikoske, West Bend, 17 cows 21,369m 3.6 763f 3.2 690p. Marvin Rusch, Jackson, 55 cows 21,764m 3.8 826f 3.1 680p.

## Young Leads Plymouth Girls Past Indians

**KEWASKUM** — Take your pick. Between Erica Young, the Indians' poor free throw shooting, the Indians foul trouble, the Indians poor start and Plymouth's fine defense, one can come up with many reasons for the Indians' 53-44 loss to Plymouth, here last Tuesday.

The least of which wasn't Young. The talented Panther scored over half her team's points, with 28, to lead Plymouth, now 6-1 in conference.

Kewaskum got off to a slow start, falling behind 8-1, before making a run at the visitors which cut the lead to 12-8 at the end of the first quarter.

The Plymouth defense clamped down in the second period, though, allowing the Indians just five points, while jumping out to a 24-13 lead at halftime.

After cutting the lead to seven to start the final period,

the Indians began to feel the effects of the foul trouble as the Panthers made a steady stream to the free throw line to pull away late.

Although the officiating in the game may not have been to the Indians' liking, one only has to look as far as the free throw line in determining the outcome of this contest.

Kewaskum ended up missing more free throws than they made on the night, as they connected on just 12 of 29 tries from the charity stripe. Plymouth didn't help themselves out from the line either as they hit on only 17 of 31 tries.

Indian center Pam Osterbrink led the Indians with 10 points. The well-below average output by Osterbrink was due in part to the fact that she was in foul trouble, and eventually fouled out of the game.

Kristi Lubahn added 7 points, while Andrea Fleiss and Amy

Chesak each contributed six for the Indians, now 2-4 in conference and 7-6 overall.

## Time to Obtain Special Tax Forms to Help You Do Your Taxes

This is the time of year when you should be receiving some important forms that you need to do your taxes.

Businesses have until January 31 to make available their end-of-the-year earning statements (called W-2's) to their employees. If you don't receive your W-2 from your employer by January 31, you should contact them to see if they have it available for you.

If your employer does not make your W-2 available to you by February 15, call the Internal

Revenue Service at 1-800-424-1040. They can contact your employer and help you get the form you need.

If you're self-employed, you may, nonetheless, receive an earning statement (called 1099MISC, "Payments for Services") from a business or individual who contracted with you for services.

If you are self-employed, you should be aware of some tax rules that may apply to you. If you had no withholding taken out of your payments or commissions, you may have to pay federal withholding and self-employment taxes. The rules are these: If you earned more than \$600 in 1989, or if you received at least \$5,000 in 1989 for direct sales of merchandise (such as Tupperware, Avon, etc.) then you need to file a Schedule C form, "Profit or Loss from Business." If your profit after expenses exceeds \$400, then you also need to file a Schedule SE form, "Social Security Self Employment Tax."

You may (regardless of whether you're employed) also receive a statement from your bank, or a company in which you own stock, which indicates any interest you earned on any bank accounts or stocks you maintain. This form, Form 1099 should be sent to you no later than January 31. If you don't receive it by February 15, again, contact the Internal Revenue Service.

For more information on W-2's, 1099 MISC statements, call the Internal Revenue Service at 1-800-424-1040.

**Combine crushed potato chips with ground chuck, eggs, cheese, parsley, salt and pepper. Mix lightly but thoroughly. Shape mixture into 30 balls about 1 inch in diameter. Arrange meat balls, bacon slices, mushroom caps, green peppers, and tomatoes alternately on skewers. Baste with butter and cook over low coals 10 to 15 minutes, turning and basting every five minutes.**

**Overtime Chili**  
2 1/2 lbs. ground beef  
1 cup chopped onion  
1 cup chopped green pepper  
4 cloves garlic, minced  
5 tablespoons chili powder  
2 teaspoons ground cumin  
1 teaspoon dry mustard  
2 teaspoons paprika  
1/4 teaspoon crushed red chili peppers  
2 16-oz. cans tomatoes with juice  
1 2-lb. can kidney beans, drained  
1 15-oz. can pinto beans  
1/2 teaspoon pepper

**Brown beef. Stir in onion, green peppers, garlic and cook until peppers and onions are soft. Drain grease from mixture. Add seasonings and tomatoes. Cover and simmer one hour. Remove cover and add kidney beans and pinto beans. Simmer uncovered for one more hour. Serve with corn or tortilla chips.**

### First-Down Franks

10 frankfurters  
1/2 cup finely crushed corn chips  
1 cup grated American cheese  
1/2 medium onion, chopped  
1 teaspoon Worcestershire sauce  
4 tablespoons tomato sauce

**Mix together corn chips, cheese, onion, Worcestershire and tomato sauce. Split franks lengthwise and fill with the above. Bake at 350 degrees for 20 minutes.**

### Kick-Off Kebabs

1 cup finely crushed potato chips  
1 to 1/2 pounds ground chuck  
2 eggs, slightly beaten  
2 tablespoons grated Parmesan cheese

2 teaspoons salt  
1/2 teaspoon pepper  
4 bacon slices, cut in 1-inch pieces  
1/2 cup canned mushroom caps, drained  
2 green peppers, cut in 1-inch squares and par boiled  
3 tomatoes, cut in wedges  
1/2 cup butter, melted (add garlic if desired)

## Osterbrink Leads Indian Girls to Victory in See-Saw Basketball Game

**FREDONIA** — The Kewaskum girls basketball team played just well enough to win here against Ozaukee last Thursday night, and the result was a 50-49 victory over the Warriors in a see-saw battle.

The Indians held Ozaukee at bay for the opening three minutes of play, holding their scoreless. But the Warriors exploded for 16 points in the final five minutes of the quarter, and held a 16-9 lead over the Indians.

After allowing a basket to start the second period of play, Kewaskum scored nine straight points to knot the score at 18. The Indians ended up outscoring Ozaukee 20-10 in the quarter to take a 29-26 lead at intermission.

Ozaukee came back in the third quarter to pull into a tie at 40-all going into the final period of play.

The Indians maintained a slim lead throughout the fourth quarter until Ozaukee made a final run late in the contest. The Warriors' Hope Schwalenberg hit a mid-range jumper to give

Ozaukee their last lead of the game at 49-48, with :39 to play.

After an Indian timeout, Kewaskum worked the ball around the floor until Nicole Doherty found Pam Osterbrink open under the bucket and Osterbrink canned a shot with :18 left to play.

That was plenty of time for the Warriors, as they got off a couple of shots. The last one, a bunny by Lisa Sheppard rolled off the rim as time expired, giving the victory to Kewaskum, now 8-6 overall.

Osterbrink led the Indians with 16 points, including 10 at the free throw line. Amy Chesak and Tina Weddig each scored 8 points and Kristi Lubahn added 7 before fouling out.

**Kewaskum** 9 20 11 10 — 50  
**Ozaukee** 16 10 14 9 — 49

**Kewaskum** — Rimmel 1-0-2; Falk 2-0-0; Chesak 4-0-2; Fleiss 1-0-1; Weddig 1-6-1; Doherty 1-1-3; Osterbrink 3-10-3; Lubahn 2-3-5. Totals 15-20-17; FT missed 10.

## Freshman Girls Win; JVs Lose

**KEWASKUM** — The Kewaskum freshman girls basketball team overcame a couple of obstacles to post a 43-23 victory over Plymouth.

The young Indians began the game with only eight players suited because of some of the girls illnesses. Then, the girls missed 14 of the 15 free throws that they attempted.

Nevertheless, the girls pulled out the victory, their sixth in as many tires against Eastern Wisconsin foes. Robin Winninghoff led Kewaskum with 14 points.

The Indian JV's didn't score a single point in the first half of their game with the Panthers. Although Kewaskum played well in the second half, the scoring drought in the first half proved too much to overcome as the Indians fell 31-20.

Kewaskum 3-10, 1-5 in conference, was led by Nicole Opperman and Terry Vogt who each scored 6 points.

## Freshman Boys Post Victory; JVs Lose

**LOMIRA** — The Kewaskum boys' freshman basketball team used a 29-13 third quarter advantage to post a 78-63 victory over Lomira.

Balanced scoring played a big part in the Indians' victory as Brian Bruendl led Kewaskum with 14 points and 14 rebounds, while Matt Schlosser and Keith Herman each scored 12 points for Kewaskum, now 3-6.

The Indian JV was again involved in a tight ball game, this time coming up on the short end of a 64-63 decision.

The JV's, now 5-7, also had balanced scoring as Shawn "Majik" Schneider led the way with 15 points, followed by Joel Fleischman with 14, Randy Schlice with 13, and Kim "Jocko" Marx chipped in 12.

## Heisdorf Places First at Sheboygan North Invite

by Patti Aupperle

Saturday, the matmen traveled to Sheboygan to wrestle in the 15th annual Raider Invitational at Sheboygan North high school.

The Indians met up with competition from various schools including Howards Grove, Little Chute, Plymouth, Sheboygan South and Sheboygan North and West

Allis Central.

The Indians placed fifth overall for the third year in a row with 87 points. Placing first was Sheboygan North with 186 points and second was Little Chute with 145 points. Third place was taken by Plymouth with 131 points.

The Indians sent seven wrestlers to the Invite and returned with all seven placing in the top five. Doing well was

Dan Heisdorf who placed first, Dave Kuphal who placed second and Josh Kurtz who placed third. Placing fourth for the Indians were Noel Stradtman and Todd Muckerheide. Fifth place honors were given to Jeff Sabish and Kevin Kapp.

Different than the previous years, the Raiders invite was changed to a round robin tournament where all the wrestlers met up with each other in their own brackets. With five rounds that meant each wrestler could wrestle, at the most, up to five times with 45 minute breaks between each match. This proved to be a very tough and tiring tournament for the wrestlers, especially with the competition they faced.

Winning his second tournament this season, Heisdorf took the gold away from Mike Gorges of Sheboygan North by winning 9-4 in the last round. In Heisdorf's earlier matches he pinned all of his opponents in less than 2:42. His total pin time for the three matches was 5:26.

Taking second place was Kuphal who, in the end, was faced against a tough Cory Stoney of Plymouth. Kuphal met up with Stoney in the conference opener earlier this season where he also lost the match. Doing well the whole day with a pin against German Soler of North, a technical fall against Bruch of West Allis Central and a decision of 8-3 against Little Chute, Kuphal was hoping to go into his last match and win. Unable to obtain that win due to a pin of

:43 by Stoney, Kuphal placed second in his weight class.

Doing well in the tournament, was freshman Josh Kurtz at 135. Going into the tournament, Kurtz had a bad start losing by a pin of 2:19 by North's Randy Buboltz, who was seeded first in their weight class.

Turning things around, however, Kurtz pinned his next guy in a brief :46 followed by another win, 10-3, against Dahnke of West Allis Central. Josh then pinned Billy Seargent of Howard's Grove in :26. He then lost to the second place winner, Craig Welch of Little Chute, 8-1. Kurtz did well as he placed third.

Both Noel Stradtman and Todd Muckerheide placed fourth. Todd lost three of his matches by pins from Howard's Grove, Sheboygan North, and West Allis Central. Todd also wrestled two matches which he won by pinning his opponents from Plymouth and Little Chute in 3:19 and 1:51 respectively.

Noel beat Brian Peterson of Little Chute in a close match, 1-10. He then proceeded to lose 3-6 against Plymouth's Mark Pool, who placed second overall. Stradtman then won with a pin against Eric Traas of Howard Grove. In the final round, Noel lost 7-0 against the third place champ, Shiloh Ramos.

Sabish and Kapp both placed fifth as Sabish came back with a win in his second round 6-0 after his close loss to Sheboygan North. In the third round Sabish lost to the tournament

champion and conference opponent Tim Knecht of Plymouth, by a technical fall. To top off the day, Sabish pinned his last opponent Faust, of Howards Grove, in 4:33 to give him his fifth place honor.

Kapp also did well by placing fifth. Kapp lost four out of his five matches, two of which were pins. Kapp won his last match against Brad Hanson of North, 8-1.

Friday, the Indians travel to Two Rivers to end their conference season. Next Saturday, the Indians also travel to Two Rivers for the '89-'90 season conference tournament.

Conference is followed by regionals which will be held in Campbellsport and sectionals which are held in Sheboygan Falls. Good luck!!

## Key New Holstein Free Throws Help Spell Defeat for Indians

NEW HOLSTEIN — Poor Kewaskum shooting and some key New Holstein free throw shooting late in the game spelled defeat for the Indian boys as they lost to the host Huskies 56-51.

Both team's field goal percentage was poor in the game, as neither could find the range. The Huskies came away with the better of the two marks as they hit 19 of 49 shots, for 40 percent. The Indians, meanwhile, were a bit colder, connecting on just 20 of 54 attempts, for 36 percent.

Kewaskum fell behind early, as New Holstein was able to build a 7-point cushion by halftime, 26-19.

After falling behind by as many as eleven points early in the period, the Indians began their third period comeback by switching their defenses to a press.

Kewaskum eventually forged ahead in the contest, 39-38, early in the final stanza, but the Huskies pulled back in front as Pete Raether and Todd Schmitz had a couple of key baskets down the stretch to seal the victory for New Holstein.

The Indians, who squandered an opportunity to climb back to the .500 mark in conference, were led as usual by steady senior Steve Gerhartz, who tallied 15 points. Kewaskum, now 2-4 in conference, 5-6 overall, also got 14 points from

Rich Radtke and 10 from Mark Felix. Schmitz led four New Holstein players in double figures with 14 points.

In the preliminary contests, the Indians came away without a win, as the JV team lost 63-46, while the freshman bowed 64-53.

The JV's 1-5 in conference and 5-6 overall, were victims of both poor defense, which allowed Huskie Eric Pershing to score 25 points, and poor offense, which generated just one scorer in double figures, that being Shawn "Majik" Schneider, who tallied 10 points.

The Freshman boys, 0-6 in conference, 2-6 overall, fell behind by as many as 18 points as they failed in their attempt for their first conference victory. Kewaskum was led by Matt Schlosser and Jim Marx, who score 13 of 10 points, respectively.

## 4th Quarter Spurt by Felix Helps Indians Seal Victory

LOMIRA — The Kewaskum boys basketball team used a fourth-quarter spurt to propell past the host Lomira Lions last Tuesday, 71-60, in a game of streaky play.

The Indians jumped out early in the contest and established a 10-2 lead. The Indians outplayed the hosts in the first stanza, and led 18-11 after one period of play.

Lomira stormed back in the second quarter, however, cutting the Kewaskum lead to just two, 35-33 at intermission.

After the two teams played to a 16-16 deadlock in the third quarter, leaving the Indians with a 51-49 lead, one sensed that this contest would go right down to the final wire. The Indians' Mark Felix had other ideas though.

After his team fell behind 54-52 early in the final period, Felix took charge. Scoring nine of his 15 points in the quarter, Felix led the Indians to a 20-11 advantage in the fourth to seal the victory, and even their season record at 6-6, 2-4 in conference.

Mark Heather turned in his best offensive performance of

the season, leading the Indians in scoring with 16 points. Steve Gerhartz joined Felix for second-place honors, as he also turned in a 15-point effort.

Jim Wendling led a cast of four Lomira players in double figures, as he poured in 18 points.

A big key to the victory may have been the Indians huge advantage in shooting percentage. The Indians hit on 51 percent of their shots, compared to Lomira's 37 percent. Lomira, however, had the advantage at the free throw line, hitting 15 of 17 shots for 88 percent, compared to the Indians' 60 percent.
