Dan Heisdorf Takes Second at State Tourney

Dan Heisdorf finished second at the WIAA "Class B" State Wrestling Championships.

By Kevin Chambers

Dan Heisdorf muscled his way into finals of the WIAA "Class B" State Wrestling Tournament, eventually emerging as the 152-lb runner

up in the UW Fieldhouse Saturday.

His efforts made Heisdorf the highest finisher in KHS history. In 1980 Scott Klein took third. Dan is also the first Indian to win 31 matches in one season. His final record stands at 31-4. (all four losses came from State Qualifiers). Heisdorf closed out his KHS career with a 92-21-3 mark.

Heisdorf dispatched Garth Tippery of Lodi in the opening round winning by a pin in 5:43. Tippery jumped to a 5-1 lead after a 0-0 first period. Heisdorf connected on a headlock, one of eight attempts, to put Tippery on his back for a five point play. The second period saw Heisdorf take a 6-5 lead. The lead changed again as Heisdorf was put on his back dropping behind 7-9.

Heisdorf regained the lead by escaping and tossing Tippery for the final time, eventually pinning him.

In the second round Heisdorf

bottled Jesse Blohowiak of Luxemburg-Casco winning a 9-8

Reception to Honor Dan Heisdorf Friday

On Friday, March 2, at 7 p.m. the entire community is invited to attend a reception in the KHS cafeteria, to honor Dan Heisdorf.

Dan placed second in the W.I.A.A. State Wrestling Tournament. A video will be played including Dan's three state tournament matches, championship ceremonies and award presentations.

Photos, bracketing charts and wrestling momentos will also be on display. Parents are encouraged to bring their children.

Information will be available on the upcoming youth wrestling program.

This event is made possible by the Kewaskum Booster Club.

decision. Again Heisdorf used a headlock to notch a five point lead in the early going. Heisdorf never trailed, although Blohowiak put him to his back in the second period.

The final bout saw Lancaster's Phil Wolf dominate

the match taking a 15-0 technical fall in the third period.

As a side bar, Luxemburg-Casco Coach Emil Kuhn coached Kewaskum Assistant Coach Kevin Chambers in his first high school match 20 years ago at Pulaski High School.

Write-In Candidate For School Board Race

By GERRY MUELLER
Statesman Staff Writer

The complexion of this spring's Kewaskum Board of Education election changed this week when it became public that there will now be competition for the three terms which are expiring.

Mrs. Janet Wolfenber confirmed Tuesday that she will enter the race as a write-in candidate, challenging the three previously announced candidates whose names will appear on the April ballot. Those candidates include incumbents Ronald Beimborn and Ruth Schmitt and former school board member Clara Trapp. Trapp is hoping to

Osterbrink Scores 1000th Career Point

KHS Athletic Director Dave Rizzard congratulates Pam Osterbrink for reaching her 1000th career point during the girls basketball game against Mayville.

KEWASKUM — Everyone knew it was going to happen, but they just didn't know when.

Indian center Pam Osterbrink finally made it official. An eight-foot jump shot midway through the first quarter of Kewaskum's regional game against Campbellsport gave Osterbrink her 1001st career point, joining just two other players in KHS history to

accomplish such a feat.

Osterbrink scored point 999 on the front end of a bonus situation and as she readied herself for the second free throw, her Indian teammates were ready to reward Osterbrink with a ball signed by the entire team. But they would have to wait almost another minute, as Osterbrink missed

FIREMAN OF THE YEAR — FRANCIS GENGLER

by Morrie Belger

On Saturday, Feb. 17th, the Kewaskum Fire Department held their annual banquet in honor of their wives and special sweethearts, along with honoring all the retired members.

The evening started with cocktails followed by an

excellent meal served by Homeplate Catering. After the meal, Assist. Chief Mark Groeschel gave a talk on special events which took place in the dept. over the last decade.

Some accomplishments were: 1982, the purchase of a new walk through pumper by the dept.; 1984, the 100th birthday

of the Fire Department; 1985 a new rescue squad was purchased, along with getting a second tanker; and 1988, the dept. was fitted with bunker pants.

During the past decade much more has been accomplished in the department that perhaps

What's New With KJWC?

WELCOME NEW KJWC MEMBERS! Left to right: Linda McDonald, Club President Louise Martin and Holly Kurr.

Club President Louise Martin, right, poses with Joanne Katchever, local artist who designs personalized paper dolls.

Greetings to you community! Now that the holidays have past, and spring is just around the corner, it's time to fill you in with the Kewaskum Junior Woman's Club news.

In December, the '89 year ended with fun and surprises as we revealed our secret pals, exchanged cookies, and warmly welcomed two new members. Mrs. Linda McDonald and Mrs. Holly Kurr were received during a candlelight ceremony and presented with a red rose - a club symbol. Welcome Linda and Holly, may you find new friendships while helping our growing community in worthwhile activities.

In January, we held our usual monthly meeting at the Municipal Building, in the Community Room at 7:00 p.m. Our program included an informative presentation by a representative of Friends of Abused Families. Ms. Peggy Bierman explained to those in attendance how the new domestic abuse law has changed the needs at the shelter. If you would like to help the shelter in some way, you can call, 334-5598.

On February 6th, all club members hosted a potluck Valentine's dinner. Members attending were asked to wear a bit of red to add to our festivity. Our program was presented by Mrs. Joanne Katchever, a local artist who designs personalized paper dolls from photos of young children.

Her work was so admired, and we all were quite amazed by exactness. Mrs. Katchever's work has been featured in the Milw. Sentinel, "Doll Reader"

magazine, the West Bend News, the Wis. Craft Review magazine, and by personal interview on WBCS Radio. Good Job Joanne!

In closing, I'd like to extend an invitation to all those young women in our community who would like to become involved in our club activities. Come and see what KJWC has to offer you.

Meetings are held once a month. Our next meeting date is March 6th, in the Community Room, 7:00 p.m. Our guest speaker will be Dan Wilson from the U.W. Extension Office. Dan will discuss with us a challenging topic of the 90's... "Maintaining our yards, without creating waste." This should be of some interest with the closing of our local waste disposal sites. If your interested in attending please, call, Louise at 626-4291 or, Linda at 626-2712, or Gayle at 626-4669.

THANK YOU

I wish to extend my deepest appreciation to all my relatives, neighbors and friends who remembered me with cards, gifts, flowers, visits, phone calls and prayers while I was a patient at St. Joseph's Hospital, Milwaukee County Medical Complex, and while convalescing at home. Thanks to all the doctors and nurses who cared for me. Special thanks to Father Berghammer for his prayers, and an extra special thank you to Pat and Eileen. These acts of kindness will always be treasured.

The public is always invited to the firehouse during open houses to see for themselves how well their tax dollars and donations are being used.

After the meal, awards were presented to those members who retired in 1989. Those members are: Roger Schmitt 1966-1989; John Kudek 1967-1989; Harold Boettcher 1965-1989; and David Zehren 1970-1989.

The fire department thanks these men for their years of dedicated service to the department.

The Fireman of the Year Award was presented to Francis "Butch" Gengler for the great work he has been doing in the dept. Butch has served as an

After the awards, more refreshments were served as everyone was entertained by the music of the Brian Kluever Band. Those who attended had

WTKM's Annual Agriculture Appreciation Day Set for March 6 in Hartford

With winter on the wane and the first day of spring on the way, it's time again to recognize farmers in the community for their help in providing us with our plentiful food supply. To coincide with the start of this new growing season, the eighth annual Agriculture Appreciation Day has been set by WTKM radio for Tues., March 6th.

The "WTKM Farm Fair" will be held at Zivko's chandelier ballroom in Hartford from 9 until 4, and will feature over 60 agribusiness firms from throughout the area exhibiting their products and services. Guests will also enjoy free milk courtesy of Borden, Golden Guernsey and Cedarburg dairies, with plenty of product samples offered by many of the exhibitors. Food and refreshments will be available all day as well.

The Farm Fair also gives farmers a chance to discuss concerns with local and regional farm leaders and area home economists will be able to answer questions from the farm wives. New this year will be a farm safety informational booth, being developed by the

Hartford FFA chapters. Also water screening for nitrates will be available at the Washington/Dodge County University extension office booth. Be sure and bring along a sample of your water.

Admission to the WTKM Farm Fair and Agriculture Appreciation Day is free, and all area farmers are invited to come visit with their neighbors and see "What's new for '90" at Zivko's Chandelier Ballroom, 700 South Main, St. in Hartford, at Farm Fair '90 on Tues., March 6th.

Letters to The Editor

February 26, 1990

To the Voters of this area and Mrs. McKee:

Thank you Mrs. McKee for your informative letter.

It feels good knowing I don't have to vote for the candidates, whose names appear on the ballot if I don't agree with their past voting practices or philosophy.

It will be worth that little extra time in the voting booth to write both the name and position of the person or persons I feel will represent my view points and do a good job.

See you at the polls,
Wm. R. Morton, Jr.

The Kewaskum AFS Chapter would like to THANK the many people who have expressed their sincere concern and prayers for Dalvani Marques, 1989-90 AFS student from Brazil.

Dalvani is still in the intensive care unit at the Milwaukee County Medical Complex. Her health is slowly improving. Dalvani enjoys the cards, tapes, and messages she receives.

Many people have asked, "What can I do?"

One suggestion is a donation to the Ronald McDonald House. They have provided a room for Dalvani's mother, Anna, and her sister, Davani, while they have remained at Dalvani's bedside. This facility is very convenient and only asks for a \$10.00 donation per day.

Also, remember to donate blood on March 7th, at Kewaskum High School. Sign a card to send to Dalvani to let her know that you are thinking about her.

Dalvani has received many units of blood during her stay at the hospital. Any blood that is donated will help replenish the supply and will be greatly appreciated by the Blood Center.

**THANK YOU TO EVERYONE

regain a seat on the board after being defeated last year in her bid for re-election.

Wolfenberg, her husband James and two children, reside in the Town of Farmington. The family owns and operates a metal stamping company in Milwaukee. She is a graduate of Carthage College, earning a Bachelor of Arts degree, with a major in biology.

Wolfenberg said she had been giving the idea of running for school board very serious thoughts but had not made the final decision to become a candidate until late last week. "The voters need a choice," said Wolfenberg, "there is a real demand out there for people to work toward the betterment of education for all the children in the district." "People should have a say in their children's education," she stated.

Janet works as a volunteer school aide at Farmington Elementary School. She also served on the committee which worked to get additional teacher aides for the school. "I was very happy with how the board responded to the committee's recommendations and request. I really enjoyed getting involved and being a part of that committee." She said that was one of the things which led her to give serious consideration to running for a seat on the board.

Wolfenberg's entry into the school board race will result in competition on election day as the four candidates vying for the three positions which expire this year.

Incumbent Donald Nowak, who holds the third expiring term, decided last year not to seek re-election.

Valley Bancorporation to Enter Supermarkets

APPLETON, WI — Valley Bancorporation announced plans to enter the supermarket banking field. Initial entry will be through three branches in Copps supermarkets in the Green Bay and Appleton area

between March 31 and July 1. Additionally, another eleven branches are contemplated across the state by year-end 1991.

Peter M. Platten, III, president and chief executive officer, said, "Consumers will now be able to do one-stop shopping and banking at the same time. We feel in-store banking is the answer to the longer banking hours consumers have wanted for so long. A traditional bank is open approximately 45 hours a week, the supermarket banks will be open 60 hours a week. This is one important step to bring banking services to the customer at their convenience."

Valley's commitment to "complete-service" in-store branches extends beyond cash transactions to include investment and loan services for customers. Located near the front of the supermarkets, the in-store branches will include teller windows, private offices,

safe deposit boxes and a TYME automatic teller machine.

"We see the in-store branch as a sales and service platform from which our employees can reach out to thousands of people every week. Typically, the branch will be staffed by a manager, assistant manager, and additional full and part-time banking specialists to ensure that three people will be working at all times. This will allow one employee to work in the aisles at all times during banking hours," said Platten.

Valley plans to use aggressive marketing and sales techniques to elevate the awareness of the bank presence. Charmaine Ponkratz, vice president marketing, stated "In a supermarket setting, over 20,000 products are competing for the attention of each shopper. We plan to use strong graphics, back-lit signage and strategic communications to gain the attention of shoppers. We also

believe that in-store selling, greeting shoppers and promotional activities will enhance our presence."

Tom Copps, vice president of public affairs for the Copps chain stated, "together Copps and Valley look to be leaders in this new arena. We see Valley as heavily retail oriented and we expect this program to benefit the consumer greatly."

decided to take an active role in the education of my children and others. I would like to announce that I am campaigning as a write-in candidate for the school board election to be held in April.

I firmly believe in a solid educational foundation for children and my personal background displays that. I graduated from Wauwatosa West High School in 1975 and later received a B.A. Degree from Carthage College in 1979. My past 10 years of employment have been as a staff accountant for Acro Metal Stamping Company in Milwaukee where I also serve on the Board as Secretary/Treasurer.

I'm hoping, as a very concerned parent, that the voters will consider supporting me as a write-in candidate who also wishes to help in narrowing the gap between parents and the school board.

Hunter Education Class Offered

Richard Knoebel, a Wisconsin DNR Certified Hunter Safety Instructor, invites all young people interested in hunting and recreational shooting to enroll in Wisconsin Hunter Education course.

The course will begin Saturday, April 7, 1990, and will be held in the Village of Kewaskum's community room, located at the Kewaskum Municipal Building and is sponsored by the Kewaskum Police Department.

Students must be 12 years old, or reach 12 prior to the end of the year in which the course is taken. There is no maximum age, and parents are also encouraged to enroll and participate.

Advanced registration is required and the class size is limited. Please contact Richard Knoebel at 626-4311 for details.

Persons successfully completing the course will receive a distinctive embroidered emblem and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces.

Young students certified will also be able to hunt and use firearms without parents or guardian present at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

BABIES THRIVE

Premature infants gently massaged for 15 minutes three times daily, gained weight 47% faster than other infants left alone in their incubator. The massaged infants seemed to mature more rapidly - they became more active, more responsive, and were released from the hospital 6 days earlier than the unmassaged infants. Touching is so critical - its absence retards growth among infants deprived of it. Those hugs of affection that are good for emotional health, also neurologically stimulate physical growth.

Indian JVs, Frosh Lose to Falls

SHEBOYGAN FALLS — After beating Sheboygan Falls twice already this year, the Kewaskum boys' JV team let the Falcons get away with a 61-58 victory here, as a poor third quarter prevented the Indians from getting the sweep.

Kewaskum was led by Joel Fleischman, who scored 18 points. Shawn Schneider and Matt Seiser also chipped in 16 and 12 points, respectively for the Indians, who led 34-23 at the half.

The loss dropped Kewaskum's record to 6-12 overall, 2-9 in the Eastern Wisconsin Conference.

The Indian freshman fell behind 14-4 after one quarter, but battled back to eventually tie the game late in the fourth quarter only to lose to the Falcons, 48-43.

After tying the game at 43, Sheboygan Falls scored the last five points of the game to pull out the victory. Brian Bruendl led the young Indians with 13 points.

The defeat left the Indians with a 4-11 record overall, 1-11 in conference.

Residents of the Town of Scott and this community were shocked over the weekend as the result of a double slaying and suicide on the Henry Krahn farm in that township Saturday night in which Roland Krahn, 22, shot and killed his father, 48 and mother, 45, and then apparently set fire to the barn and either turned the shotgun with which he had shot his parents on himself or committed suicide in the flames. Coroner Wesley Van Zanten of Sheboygan County said no motive could be found for the double killing and suicide except that the youth had been a victim of melancholia. Roland was well known as a reputable young man, of fine character and manners. Neighbors and friends looked to him as a perfect gentleman, one of the finest they had known, which fact leaves authorities at a loss as to the motive for his crime. After questioning relatives and friends authorities gathered that Roland had been moody recently and it is believed he had been brooding over some personal problem or trouble from which he became deranged. Little of the slayer's body, only part of the spine and some fingers were found in the ruins of the barn. Authorities, because of the location of the body, believe Roland, after killing his parents, climbed into the haymow and met his death there.

The 1939-40 Kewaskum High School basketball team established a record for the school by winning its second consecutive Tri-County conference championship without a defeat. The team won 12 of its league games this season and also four non-conference games, making 16 in all, to say nothing of its 35 to 25 victory over Elkhart Lake in tournament play at Campbellsport Wednesday. Adding to last year's record the team has won 27 straight games without a setback.

Births - A 7 1/2 pound daughter arrived at the home of Mr. and Mrs. Jacob Brussels Jr. of the Town of Kewaskum on Tuesday, Feb. 27. Mr. and Mrs. Lester Strachota of Milwaukee are the parents of twins, a boy and a girl, born at St. Joseph's Hospital in that city on Wednesday, Feb. 21. Mr. Strachota is a former St. Kilian resident.

In 1890, a St. Louis physician ground up peanuts and produced a product that would revolutionize sandwich making and become the hit of the lunch box set. It was peanut butter.

The livery barn of Jos. Bauer, Campbellsport, was the scene of a human cyclone during Tuesday night of last week, according to a statement of Frank Bauer, a son of the proprietor of the barn, who found things in general topsyturvy condition Wednesday morning, when he came to the barn to do the chores. A sleigh, owned and used by rural mail carrier I. Klotz, was scattered about the premises and the top and curtains of same were totally demolished and are beyond repair, while the box was torn from the runners. Another sleigh was overturned, the dashboard broken and bolts, clamps braces bent or broken. Mr. Bauer states he knows who the guilty person is and that a warrant for arrest will be sworn out next Monday unless a settlement has been made before that time.

Rohrer, Gildersleeve Earn Medals at Annual Badger State Winter Games

The weekend of February 3rd and 4th brought about 2000 citizen athletes of all ages to Wausau, for the 2nd Annual Badger State Winter Games.

The many different events like nordic and alpine skiing, figure skating and snowshoeing provided competition for the individual, while hockey and curling provided team sports.

The beautiful mild sunny weather was in sharp contrast to the minus 15 degree temperatures of last year.

The Village of Kewaskum was represented by a number of

people and two were able to win the coveted medals.

Saturday Jessica Rohrer competed in the 8 km freestyle cross-country event and earned a 3rd place bronze medal in her age category. The next day Rohrer entered the 8 km classical cross-country event and captured the 2nd place silver medal.

Another high school student Jim Gildersleeve entered the downhill race held Sunday. Gildersleeve took the 3rd place bronze medal in the giant slalom for his age group.

Express Delivers Win Over Kewaskum

KEWASKUM — The Oconomowoc Express remained within a half game of first-place Cedarburg by trouncing Kewaskum, 162-114, here Sunday night. The win upped the Express' record to 7-1 while Kewaskum is now winless after nine games.

As has been the trend in recent games, Kewaskum played well in the first quarter, but couldn't sustain it. Kewaskum trailed by only 29-28 after the first quarter before the Express took control of the game. They led 69-54 at halftime and 112-77 after three quarters.

Neither team shot well from the free throw line with the Express making 14 of 23 for 60.9 percent and Kewaskum seven of 13 for 53.8 percent.

Craig Marshall led all seven Express players in double figures with 29 points. Norm Roth and Boyd Janny each added 27. Tony Pirozzoli topped Kewaskum with 32 points. Darren Schlenvogt added 31 and Bill Backhaus 24.

Kewaskum will take on the league-leading Cedarburg Turners this Sunday at Cedarburg High School.

the free throw to sustain the suspense.

After her basket a minute later, play was stopped and her teammates were able to present Osterbrink with the ball and numerous congratulations.

What made this night even sweeter for the 6-1 star was the fact that the Indians rolled past the Cougars, 60-42, to advance in tournament competition. Osterbrink led all scorers with 21 points, as well as grabbing 161 rebounds.

Osterbrink, who is still undecided on which college she will attend next year, joins two other women, Jill Yearling and Linda Larsen, as the only players in school history to reach the 1000-point mark.

Both women were members of the 1982 team that went to the State Tournament, only to lose 52-36 to Portage in the championship game. Larsen scored the most points ever (1,368) by a KHS player, as well as the most points in a single game (42) vs. Kiel. Yearling is second on the all-time scoring list with 1,049 points, a mark that is within possible reach of Osterbrink as she currently has 1,023 heading into the regional final game against Brown Deer.

Freshman Girls Finish Undefeated

New Holstein — The Kewaskum freshman girls basketball team capped off an undefeated season with a 42-18 whipping of New Holstein, as they were the only squad to beat the Huskies on this night.

Christa Schmidt scored six points during a 16-0 run to start the second half to put the contest on ice for the Indians.

For the game, Schmidt, Robyn Winninghoff and Bonnie and Marty Schlice each scored 8 points to pace a balanced scoring attack.

The victory gave the young, but talented Indians frosh a 11-0 record for the year, including 10-0 and a championship in the Eastern Wisconsin Conference.

NOTICE OF REFERENDUM ELECTION APRIL 3, 1990

NOTICE IS HEREBY GIVEN that at an election to be held in the several towns, wards, villages and election districts of the State of Wisconsin, on the first Tuesday, of April, 1990, being the third day of said month, the following proposed amendment to the Constitution of the State of Wisconsin, having been approved by two successive legislatures, will be submitted to a vote of the people pursuant to law:

QUESTION: "Partial veto of appropriation bills. Shall section 10 of article V of the constitution be revised, and shall an additional provision be created in that section, so that the governor's power to veto appropriation bills in part does not permit the creation of a new word formed by rejecting individual letters in the words of the bill passed by the legislature?"

This referendum is a result of 1989 Enrolled Joint Resolution 39, which was adopted by two successive legislatures. A copy of 1989 Enrolled Joint Resolution 39 can be obtained from the office of the county clerk, or the Legislative Documents Room in the State Capitol.

Given under my hand in the City of West Bend, Washington County, this 23rd day of February, 1990.

ARTHUR G. DEGNITZ, COUNTY CLERK
WASHINGTON COUNTY

VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the primary election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With two exceptions, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age, or disability, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the indefinitely confined or military voter before each election. If the voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

A voter who is hospitalized on election day may obtain an absentee ballot by designating another person as the agent for the voter. There is a statement on the application form for this purpose. An application by agent for a hospitalized elector may be made in person at the municipal clerk's office no earlier than 7 days before the election and no later than 5:00 p.m. on the day of the election.

If a voter requests an absentee ballot stating the reason that he or she is a sequestered juror, the application can be made no earlier than 7 days before the election, and no later than 5:00 p.m. on the day of the election. If the application from a sequestered juror is received by the municipal clerk after 5:00 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk's agent will deliver the absentee ballot to the court and the judge will call a recess to allow the voter to cast his or her vote.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available twenty-one (21) days before the spring primary and spring election. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

To obtain an absentee ballot send a written request to:

Indian Girls Advance To Regional Finals

The Kewaskum girls basketball team advanced to the Sheboygan Falls Regional Championship game as they posted consecutive wins over Campbellsport and Mayville.

The Indians used a home-court advantage to upend Campbellsport 60-42, and then traveled to Campbellsport where they highly-regarded Mayville 41-38.

Against the Cougars, Kristi Lubahn set the tone early in the game as she stole the ball from the Cougars and drove in for the opening basketball. Indian center Pam Osterbrink then scored six of her team's next eight points as Kewaskum opened an early 10-6 lead.

It was here that the game was pretty much decided, as the Indians rattled off the next nine points to finish the quarter leading 19-6. Included in the Kewaskum run was Osterbrink's 1000 career point, a mark that caused playing to come to a halt in order to be recognized.

From there, the game was pretty much over, as Kewaskum led 33-18 at half, and although the Cougars did cut the lead to twelve, at 45-33, after three quarters, the visitors were never able to get any closer than that. A big factor in the Indian domination was their control of the boards. Kewaskum outbounded Campbellsport 39-28.

Jodi Narges led the Cougars, who finished the year 4-17, with 12 points and 7 rebounds, while Kim Rivera added 8 points.

Osterbrink finished the game with 21 points and 16 rebounds to lead her team, while Lubahn ended up with 14 points in a fine effort which helped her team advance to play Mayville.

The Cardinals, 19-2 coming into the game and rated as one of the top 10 Class B teams, already lost to the Indians this year in a holiday tournament; so a bit of revenge might have come into play.

The revenge factor and the fact that the Indians seemed a bit complacent in the early going may have accounted for the Cardinals taking a 12-9 advantage after the first quarter. Add to that a 6-0 run by Mayville to start the second quarter and Kewaskum found itself behind 18-9 and in need of a spark of one form or another.

It came for the Indians, and as has been the case many times in the past, it came in the form of Pam Osterbrink. The 6-1 Indian center hit a pair of baskets to help ignite a 10-0 Indian run which ended with Kewaskum on top 19-18. The Indians extended their lead to 23-20 at the half.

After a sluggish third quarter, which saw the Indians still holding on to a 30-26 advantage, Kewaskum began to pull away in the fourth. With Osterbrink on the bench in foul trouble, the Indians extended their lead to 35-28, but the game wasn't over yet.

Osterbrink re-entered the game with just under three and a half minutes to play, and promptly picked up her fifth foul, ending her game, and possibly her season and career, prematurely. But Osterbrink's teammates weren't about to give this one away.

After Mayville crept back to within one, at 37-36, Kristi Lubahn got free on a beautiful backdoor play that opened the lead to three with just over a minute to play. After Mayville cut the lead to one again with under a minute to go, Debbie Rempel stepped to the line and calmly hit a crucial pair of free throws with :12 left to play.

The Cardinals were unable to connect on a three-pointer that would have tied the game, and the Indians were able to escape with probably their biggest win of the year in more ways than one.

The Indians' two clutch players in the late-going, Lubahn and Rempel, led their team with 12 and 11 points, respectively. Osterbrink, despite the foul trouble, was able to contribute 10 for Kewaskum, now 12-10 on the year.

Jodi Butzlaff led all scorers as she canned 25 points in a losing effort for the Cardinals, who finished the year 19-3, with two of their three losses coming at the hands of the Indians.

The Indians advance to the regional final at S.F. where they will play Brown Deer, a 48-23 winner over Random Lake.
