Some Took Time to Remember...

Russ Peck, Second District Commander of the American Legion, was the guest speaker at Kewaskum's Memorial Day observance program.

By GERRY MUELLER
Statesman Staff Writer

For most people Memorial Day just means a three-day weekend to picnic, relax or do chores around the house.

To others, whose numbers appear to be dwindling every year, it is a time to remember those men and women who made the ultimate sacrifice for our country.

Kewaskum Post 384 of the American Legion joined with other organizations across the nation to honor those individuals who gave their lives so that the rest of us could continue to live in a land of freedom. Monday's program recognized all those who have fallen in battle, from the Civil War to the Vietnam Conflict.

Two pickup trucks were filled with bags for Goodwill Industries.

Three scholarships were awarded — to Phyllis Heitkemper, Jeanne Kasza, and Mark Hautamaki.

Memories...

These handsome little boys, cousins, were little flower boys for their uncle and aunt's (Mr. and Mrs. Peter Heisler) wedding. They are Elmer Rafenstein of Milwaukee, left, and the late Russell Heisler, right, also of Milwaukee, at that time.

Mehring Will 'Platform Sit' in West Bend to Raise Funds for Children's Hospital of Wisconsin

WEST BEND — Businessman Jerry Mehring went to great heights on Memorial Day to help the sick and injured children who depend on Children's Hospital of Wisconsin.

Mehring, a former Children's Hospital patient, will live on the top of a 20-foot platform from Memorial Day, May 28 to June 3 to raise funds for the hospital. The platform will be located at the Dairy Queen restaurant, 1200 S. Main Street, West Bend.

"Children's Hospital is essential to the health and welfare of our children. It is important we all do as much as we can to support Children's Hospital," Mehring said.

Mehring and his wife, Nancy, who own three Dairy Queen restaurants in Milwaukee and three in West Bend, are determined to raise a minimum of \$10,000. To help them reach their goal, employees at all six Dairy Queen outlets as well as many friends are seeking donations for Mehring's platform sit.

All money raised through this event will be donated to the Children's Miracle Network Telethon for Children's Hospital. The telethon will be aired by WISN TV, Channel 12 from 10:30 p.m. June 2 until 5 p.m. June 3.

Mehring's first contact with Children's Hospital occurred 43 years ago when he came to the hospital for a tonsillectomy. Since then, he has known many

people whose children have been patients at Children's Hospital, including the children of some of his employees.

"All of the money we raise will go directly to help support the programs and services at Children's Hospital of Wisconsin. Through this project we can make a real difference in the lives of the children of this region," Mehring said.

Mehring will live in a 16' x 16' x 10' compartment on the top of the 20-foot platform. The platform will be located next to the Dairy Queen at 1200 S. Main Street.

Area residents can donate to Mehring's platform sit for Children's Hospital by calling 338-3538 24-hours a day until he comes down on June 3. Following his platform sit, Mehring will travel to the telethon broadcast at the Milwaukee Marriott Hotel, 375 S. Moorland Rd., Brookfield to present the money he raised during the platform sit between 12:40 and 1:00 p.m. on June 3.

In addition to calling Mehring, residents may donate by visiting any of Mehring's six

Dairy Queen restaurants. The locations are as follows: 7410 W. Capitol Drive, Milwaukee; 12735 W. Capitol Drive, Brookfield, inside the Pick 'n Save; 17440A W. Blue Mound Road, Brookfield; 1123 N. Main Street, West Bend; 501 County Trunk Highway B, West Bend, and 1200 S. Main Street, West Bend.

Children's Hospital is a private, independent, not-for-profit regional pediatric medical center. It serves all children regardless of race, creed, color or ability to pay.

Bicycle Safety Clinic, License Sale on June 9

Registrations are coming in fast for the Bicycle Safety Clinic on Saturday, June 9th, 9:00 - 11:00 a.m. at the Kewaskum Middle School.

The clinic, co-sponsored by the Kewaskum Police Department and the GFWC Kewaskum Junior Woman's Club, is produced by Modern Woodmen of America. It is intended to encourage and instruct riders how to keep their bicycles in safe riding condition, know and obey traffic laws and regulations and follow safe riding practices.

The clinic, open to kids completing K-5th grade includes a video of major rules of safe bicycle riding, traffic laws and regulations and demonstrates appropriate riding behavior in various situations. Each bicycle will receive a safety inspection checking items including bike size appropriate to the rider, frame, seat, handlebars, spokes, chain, tires and accessories.

Members of the GFWC Kewaskum Junior Woman's Club will administer the written safety quiz which tests knowledge of hand signals for left turn, right turn and stop, riding at night, riding on the street, parts of the bike and general concepts of safe riding practices. A modified test will be read to the younger participants in the clinic.

An outdoor riding skills test, supervised by members of the Kewaskum Police Department and Kewaskum Auxiliary Police includes balancing at slow speed, braking, steering, signaling, riding in a circle and maneuvering.

All participants will receive a Certificate of Participation, a decal, spoke reflector and safety booklet. In addition, several door prizes will be awarded and refreshments served at the

conclusion of the bicycle safety clinic.

Kewaskum Police Chief, Dick Knoebel has announced that bicycle licenses will be for sale in the KMS parking lot during the bicycle safety clinic. Cost of the non-expiring license is \$5.00. According to village ordinance, all bicycles in the village require bicycle licenses. Anyone in the village wishing to purchase a bicycle license is encouraged to look for the Auxiliary Police van on that morning. You do not need to be registered for the clinic to purchase a bicycle license.

The bicycle safety clinic registration form was printed in the May 17th issue of the "Kewaskum Statesman" or is available by calling Gayle Van Ess at 626-4669. Registration deadline is Monday, June 4, 1990.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9) Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all of the laws pertaining to motor vehicles apply to bicycles, including, but not limited to: riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8:00 a.m. and 4:00 p.m. It should be noted that the Kewaskum Auxiliary Police will be selling bicycle licenses on Saturday, June 9, 1990, in conjunction with the Bicycle Safety Clinic that is being co-sponsored by the Kewaskum Junior Women's Club and the Kewaskum Police Department.

A few safety tips to everyone operating a bicycle are: keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we follow these rules and safety tips, we should have a safe bicycle season.

We'll Take More of That 'Rain Days' Weather

Reminding spectators what Memorial Day is all about, Chapter 448 of the Vietnam Veterans of America marched in Sunday's parade.

Youngsters received treats from Sylvester the Cat and Tweety Bird.

If Boltonville's "Rain Days" Picnic is any indication of what future week-ends are going to be like, it looks like we're going

to be headed for a super summer.

While Friday's weather started off on a slow note, Saturday, Sunday and Monday more than made up for it. The

only people complaining were those "poor souls" who had to work and didn't get a chance to enjoy the sunny skies and perfect temperatures.

Weekly Health Tip

From Tom Kennelly

MANGANESE

Basketball player Bill Walton had broken bones that would not heal. Blood studies showed zero levels of manganese for Walton, who was then a vegetarian. His doctor, Paul Saltman of U. of Cal., San Diego, noted in other tests that women with osteoporosis [weak bones] had manganese levels 75% lower than women with stronger, healthier bones. Dietary manganese is found in wheat bran, blueberries, nuts, whole grains, legumes, peanut butter - also in meats.

We wish you good health

Celebrate Free Fishing Day in Wisconsin on Sunday, June 3

MADISON, WI - Anyone can enjoy the privilege of dropping a line into any of Wisconsin's waters and take home the bounty of their efforts without a fishing license on Free Fishing Day, Sunday, June 3, 1990, Department of Natural Resources fisheries management personnel announced.

Free Fishing Day in Wisconsin will coincide with Open House Day in all State Parks, where no admission fee is charged. Plus there will be fishing "how-to" clinics and demonstrations conducted at seven sites across the state. These programs are open to the public at no cost. Fishing gear will be available for use at most of the locations. Those interested are asked to call the parks listed below for more information.

Sessions will be conducted at Perrot State Park at Trem-

pealeau, (608) 534-6409; Point Beach State Park at Manitowoc, (414) 683-4923; Governor Nelson State Park at Waunakee, (608) 831-3005; Big Foot State Park at Lake Geneva, (414) 878-5612; Interstate State Park at St. Croix Falls, (715) 483-3747; Devil's Lake State Park at Baraboo, (608) 356-8301; and Crystal Lake Campground in the Northern Highland-American Legion State Forest, (715) 356-5211.

While no Wisconsin fishing license will be required, all other state fishing laws will be in effect, as will State Park rules and regulations.

Free Fishing Day is a great

opportunity to introduce someone who hasn't fished before to the sport of fishing. For the veteran anglers, it's also an ideal time to dust off some of the gear that's been stored away in a closet or garage and get out and go fishing.

Nicholas Quartaro of the accounting firm of Conley, McDonald, Sprague & Company, Milwaukee, WI. was present to review the audit for the year ending December 31, 1989, and to answer questions anyone may have regarding the Village of Kewaskum's financial status. Mr. Quartaro explained the entire audit and financial statements regarding the General Fund and Utilities portion of the audit and associated financial statements. The audit revealed the Village is in a healthy financial position.

Six points were brought up for the Board to consider. 1) A resolution to designate funds to provide for working capital. 2) The financial condition of the village regarding borrowing capacity remaining at approximately 46 percent, which is extremely healthy. 3) The village's assessed value dropping and the equalized value increasing to a point where a revaluation may become necessary. 4) The fact the water utility is not generating enough money to meet the Public Service Commissions mandated rate of return, which would indicate a rate increase should be looked at in the near future. 5) The complimenting of the village on the stable tax levy over the previous five years. 6) The expression of appreciation for the quality of work accomplished by both the Bookkeeper and Administrator.

President Paul Blumer thanked Mr. Quartaro and the accounting firm of Conley, McDonald, Sprague & Company for the informal review of the Village of Kewaskum's financial condition.

Kewaskum Police Dept. Participating In Baseball Card Program

Pictured is Kewaskum Community Relations Officer, Thomas A. Bauer, left, receiving a check from Kewaskum's Valley Bank President, Gerald Zimmer, right. The check is to cover the cost of Milwaukee Brewer Baseball cards which members of the Kewaskum Police Department began handing out on May 7, 1990.

The cards, which carry the picture of your favorite Brewer player on the front and a public service message on the back, are given out in sets of two per week for a period of 15 weeks. Kewaskum Police Chief Richard Knoebel said, "By handing out the cards on a one to one basis allows our officers and our young people a chance to get acquainted on a positive note."

The Police Department also wants to remind youngsters wanting the cards, not to run onto the street to try and stop the squad cars for cards. If you want cards you are to stay on the curb and wave the officer down and he will give you that week's current cards. Anyone running onto the street before the officer comes to a complete stop, will not be issued cards on that occasion.

Indians Open Baseball Season With 10-4 Win Over Plymouth

KEWASKUM — The Kewaskum baseball team made the most of its opportunities against Plymouth, here, last Thursday afternoon. The result was a 10-4 Indian victory over the Panthers in the season opener for both squads.

The Indians only managed a total of seven base hits, the same number as the visitors, but a total of seven stolen bases and some heads-up play by Kewaskum in crucial situations proved to be the difference.

Kewaskum got on the board in the bottom of the first, when Dan Heisdorf laced down a beautiful bunt to lead off the inning. Heisdorf promptly stole second and came around to score on Chris Donath's RBI double. Donath advanced to third after the ball got away from the second baseman, but then was picked off third by Panther pitcher Gabe Miller.

The Indian then broke the game wide open with a seven-run third inning. Miller walked the first three Indian batters, and then Indian shortstop Rich Radtke hit a grounder to the Plymouth shortstop, whose throw to the plate was too late to cut down Mark Felix.

Brian Leitheiser then blooped a single that scored Donath, and with the bases still loaded, Brian Dobke lined a double

down the right-field line, scoring Bruce Waechter and Radtke, making the score 5-0.

After a groundout, Heisdorf squared around as if to bunt, then pulled the bat back and hit a smash past the charging shortstop for a single, scoring Leitheiser and Dobke and making the score 7-0.

Meanwhile, Waechter was shutting down the Plymouth offense. The Panthers finally touched the senior lefty for a run in the fourth, but Waechter still left the game after giving up just three hits through four innings, leading 7-1.

Junior Ken Krause came in and had some uncharacteristic control problems. The right-hander gave up three Panther runs in the fourth, but then settled down to shut out the visitors the rest of the way.

Kewaskum added another run in the fifth and two more in the sixth for good measure. Heisdorf ended up with three hits in the game, including another bunt, this one a suicide squeeze that drove in another run. Defensively, the Indians had two errors, but also some fine plays, including a nice catch by Leitheiser down the first-base line, who then turned and doubled up a Plymouth runner who strayed too far away from second base.

Indians Go 1-1 in G-town Tourney

GERMANTOWN — The Kewaskum baseball team continued its rugged opening week schedule by playing its fourth and fifth games in three days here at the Germantown Invitational Saturday.

The Indians hit the ball hard in their two games, yet only had four base hits to show for their day's work. The Indians lost their opening game to the host Warhawks 2-1, but then bounced back to upend fellow EW member New Holstein 7-5.

Against Germantown, the Indians scored their lone run in the bottom of the first without the benefit of a base hit. Dan Heisdorf reached first on an error and moved to second when Bruce Waechter walked. Those two advanced one base when Chris Donath was hit by a pitch. Heisdorf then scored when Rich Radtke drew a walk. But the bases were left drunk after a strikeout and a popup ended the inning.

The Warhawks used the same no-hit method to score their pair of runs in the fourth. A walk and a hit batsman put runners on first and second, and they both moved up a base on a sacrifice bunt. Germantown then perfectly executed a suicide squeeze, with the runner from second never letting up and also scoring on the play.

That was the extent of the offense for the game, though, as the two teams combined for just four hits. "All of our pitchers did a good job," KHS coach Tom Bartelt noted. "We played good defense, but just couldn't get the hits to drop."

Such was the case in the second game against New Holstein. Again the Indians only managed two hits, but took advantage of Husky errors at crucial stages to eek out a victory.

The Indians got on the board

early, collecting three runs in the top of the first. After Heisdorf reached on an error and Kim Marx walked, Dave Pauers lashed a double, scoring both Heisdorf and Marx. Pauers later scored on a clutch two-out single by sophomore Randy Schlice. But those were to be the only Indian hits in the game.

New Holstein came right back in the bottom of the first, getting a pair of runs to cut the Indian lead to 3-2. The Huskies then tied the game with a single tally in the second.

That's the way it stayed until the bottom of the sixth, when New Holstein scored a pair of runs using a walk, an error, two wild pitches and two stolen bases to put up its runs.

With just three outs standing between them and another loss, the Indians rallied in the top of the seventh. Jason Krahn opened things up with a walk, and Heisdorf followed, reaching on an error. Marx walked to load the bases, and after a popout, Pauers and Donath also walked, scoring Krahn and Heisdorf, and knotting the game at 5-5.

Marx was then thrown out trying to score on a wild pitch for the second out. Waechter then hit a grounder to the second baseman, who in turn threw the ball away, allowing both Pauers and Dobke to score, making it 7-5, Indians.

Germantown loaded the bases in the bottom of the seventh, only to leave them all stranded as the final Warhawk flied out to left.

Bartelt was understandably pleased with the performance of his pitching staff, which included a pair of freshman hurlers. Matt Schlosser pitched a pair of innings and picked up the victory.

"They've been walking a few, but other than that,

Indians Last in EW Tennis Meet

PLYMOUTH — The Kewaskum tennis team was able to win just one match in the Eastern Wisconsin Conference tennis meet held here, last Monday afternoon. With just that lone win in the first round to their credit, the Indians had to settle for last place.

Plymouth, meanwhile, won five of the seven possible championships, therefore cruising to the conference championship.

The lone Kewaskum victory was notched by the number one doubles team of Ira Sison and Mark Piowarczyk, who scored an opening round victory over Cliff Kelsey and Jim Karls of Chilton, by a score of 6-1, 6-0.

The two were defeated in the semi-finals, however, by Plymouth's Greg Krahn and Dave Langemak, 3-6, 0-6. Krahn and Langemak would eventually go on to win the No. 1 doubles title.

In other first round matches, No. 1 singles player Shawn Schneider lost his match against eventual champion Terry Bortz of Plymouth, 2-6, 3-6.

No. 2 player Chris Weddig won the first set against Chilton's Jeff Hoffberger 7-6, but then went on to lose the final two sets 4-6 and 3-6. At No. 3 singles, Brian Blair drew Chilton's Mike Scheirl in the first round, and lost 1-6, 2-6. At No. 4 singles, Adam Pilachowski was dominated by Chilton's Matt Bertsch, 1-6, 0-6.

The Indians No. 2 doubles team of Keith Herman and Bob Schreffler had a little bit of success, but still fell 3-6, 4-6, to Chilton's Chris Kuba and John Grevel, while at No. 4 doubles, the Indians also drew Chilton's duo, and Kevin Hein and Shane Oppermann also lost to the Tigers' Brian Nett and Brian Geiser, 3-6, 2-6.

HON-E-BEES LADIES ASSOCIATION

On Wednesday, May 23, the Day Event was "Blind Partners," with the team of Audrey Jaraczewski and Beth DeFendi coming in with a 75 to win. The Class Event was "Best Poker Hand," and the winners were: Class A - Audrey Jaraczewski, Class B - Audrey Pfister, Class C - Sandy Semler, Class D - Marge Zehren.

Four ladies had chip ins, and they were Ginny Warner #2, Irene Schlefke #4, Audrey Pfister #5, and Beth DeFendi #4, Irene Thomas and Jan Koch were the winners at bridge.

Carole Timblin, Publicity

There was a man who called a spade a spade . . . until he stumbled over one in the dark.

they've been doing great," Bartelt said of his young throwers. Asked if he was concerned with his team's sudden hitting drought, Bartelt responded "No, not really. We're hitting the ball good. We're just hitting it right at 'em."

The win upped the Indians overall record to 3-2, and it will be back to a 'normal' schedule this week, meaning they will play just three games in three days. The Indians also have three contests next week, with home games Tuesday against Sheboygan Falls, and Thursday against Kiel.

Indians Split with WB East

KEWASKUM — The Kewaskum baseball team used some aggressive baserunning and good pitching to muster a split with ever-powerful West Bend East, here, Friday afternoon.

The Indians made the most out of Dan Heisdorf's four base hits in the opener to prevail 8-7, but then were the victims of East's 12 hits in the nightcap, eventually falling to the Suns, 16-6.

Heisdorf has definitely been the ignitor of the Indians' offense in the early going, getting some solid base hits and taking advantage of baserunning opportunities, which has obviously pleased Indian head coach Tom Bartelt.

"He's been hitting the ball real well so far this season," Bartelt said earlier this week. "I've been real pleased with the way he's come along."

Heisdorf executed a perfect hit-and-run in the bottom of the seventh to drive in the winning run in the opener. Brian Dobke started the rally, singling with one out, and then moved to second on another single by Chris Weddig. Then, with the runners moving, Heisdorf hit a slow roller to the right side of the infield and beat the throw from the East second-baseman.

Bartelt never stopped Dobke at third, and the junior barreled home with the winning run, sending the Indian bench into a frenzy.

It was East who jumped out to an early 5-0 lead, though. Junior Chris Donath started out on the mound for the Indians, and he was hit hard. Donath gave up seven hits and walked four East batters in three innings to allow the Suns to grab the early lead.

The Indians battled back, however, using four walks and a couple of base hits to score four runs in the bottom of the third. The big blow in the rally was a Ken Krause two-run singles, making the score 5-4.

Krause would have to leave the game in the fifth, though. The junior outfielder tried to make a diving snub of a line drive, but instead the ball careened off his glove and struck him in the eye. The result was a severe bruise to Krause's eye, and he will be out of action for an undetermined amount of time.

The Indians tied the game with a run in the fourth, and then salvaged ahead with a pair in the fifth. The Indians loaded the bases with a pair of singles and an East error, and Dobke then got a base hit to drive in a run. Heisdorf followed that with a single, scoring another run, but Mark Felix was thrown out at the plate on a nice throw by East centerfielder Eric Bast on the same play.

East tied the game with a pair of runs in the top of the seventh, setting the stage for the wild bottom of the seventh.

There was to be no Indian heroics in the nightcap, however, as East pounded sophomore Shawn Schneider for nine runs in the top of the first, making the Indians play catchup the rest of the game.

The Suns sent 14 batters to the plate in the first, collecting nine base hits, the big blast coming off the bat of catcher Travis Thull, who socked a three-run homer.

Down by nine runs before even batting for the first time, the Indians just couldn't make up the deficit. There were a few

bright spots offensively, though. Heisdorf continued his early tear, going 2x3 with a pair of runs scored. The two hits brought the senior centerfielder's batting average to .692 on the young season. Kim Marx also had a pair of hits and two runs scored, while Donath chipped in with a two-run triple in the third inning.

Defensively, it was a whole different story. Kewaskum committed seven errors in the game, at times looking like last year's 3-22 team which led the league in errors. The lapse on defense seemed to puzzle Bartelt.

"We just played a bad game," the KHS mentor said of his troops, who had been playing some good defense thus far. "We just seemed to forget how to play defense. I just don't know how to explain it."

The split left the Indians with a 2-1 record, including 1-0 in the Eastern Wisconsin Conference.

Plymouth Downs Indian Netters

KEWASKUM — The Kewaskum tennis team had a tough time against a strong Plymouth tennis team, here. The Panthers rolled over the host Indians 7-0, dominating the inexperienced Kewaskum squad.

The closest the Indians came to even challenging the Panthers was at number two doubles, where the team of Keith Herman and Bob Schreffler posted six wins in a 3-6, 3-6 loss to Plymouth's Paul Rotkin and Glen Melcher.

The Indians, now 0-6, managed to win only three games in their four singles matches. Due to a lack of players, the Indians also had to forfeit at number 3 doubles.

Indian Girls Win Sectional; Advance Nine to State Meet

ELKHORN — It's on to state for nine members of the Kewaskum girl's track team, as the Indians ran past everyone at the Class B Sectional here, last Thursday.

The Indians added another championship plaque to their ever-growing collection, as they downed 25 other schools in winning the meet. The Indians advanced nine girls in seven different events to the state meet in LaCrosse on Friday and Saturday, as well as setting three school records, and tying another two.

Kewaskum finished with a ripe total of 69, 21 more than second-place Edgerton. The significant gap is another reminder of what Indian head coach Perry Koth has been stressing all season.

"This meet once again showed just how much depth we have this year," Koth said the day after the meet, giving praise to all of the girls on the team. "We just got a great effort from everyone."

In order to advance to the state meet, individuals had to finish either first or second in the sectional. Also, individuals and relay teams with their sectional performance ranking them among the eight best out of all the sectional performances throughout the state also qualify for state. This is to insure that state-caliber athletes are not eliminated just because they happen to be in a tough sectional.

Melissa Braun was the beneficiary of the latter circumstance, as she finished third in both the 100 and 200 dashes. Her times of 12.6 and 25.9, respectively, were both school records, and were both among the top eight in the state, therefore allowing Braun to advance to state.

Braun was one of two Indian athletes to qualify in three different events, the other being Kristi Lubahn. Braun and Lubahn teamed up with Kelly Korth and Tina Schwartz to capture first place in the 800 relay. The foursome finished with a time of 1:48.7, just .3 ahead of runner-ups Brown Deer and Whitewater.

Lubahn had a major role in another relay, the 1600. In what

Koth simply termed "a great race," Lubahn combined with Rachelle Zuehlke, Laurie Vogt and Nicole Doherty to run a 4:12.4, just quick enough to beat Mayville's 4:12.8. The Indians' time also tied a decade-old school record.

"Mayville took an early lead," Koth said, summarizing the race. "Both Mayville and Waterford were ahead of us. Then Rachelle (Zuehlke) made up a lot of ground, passing the Waterford girl," he went on to say. "Then Kristi got the baton and just shot by the Mayville at the end. It was just a fantastic race."

Despite losing for the first time in the 300 hurdles, Lubahn posted a time of 46.9, breaking her own school record, and placing her second. "She didn't run a real good race," Koth said, which was somewhat surprising because of the time. "She had a couple extra steps in between hurdles. She can do better," he added.

There were some anxious moments during the meet for Koth, but probably none more than when Tina Weddig scratched her first two throws in the discus competition. "You could say that," Koth responded when asked if that made him a bit nervous. But never fear, coach. The senior Weddig made the most of her final throw, tossing 113'7", good enough to place her second.

The biggest suprise of the meet was a pleasant one for the Indians, as junior Ingrid Ankerson jumped a school-record-tying 33'9" to finish second in the triple jump, and qualified for state. Ankerson's effort was almost two feet longer than her previous personal best.

Ankerson also cleared the 5'0" mark in the high jump, which placed her in a tie for third. There was a bit of controversy, however, as meet officials moved up the height of the bar in increments of two inches, not the WIAA regulatory one inch.

Ankerson was unable to clear the 5'2" height, but wasn't given the chance to clear the 5'1" mark, a mark which was good enough to qualify for state

in the other sectionals around the state. Slinger head coach Steve Bingen, who also had a high jumper in the same predicament, is protesting the mistake by the officials, and a decision is pending on whether the two will compete in the high jump at state.

Two other athletes helped the Indians win the meet title although their efforts weren't enough to propel them to LaCrosse. Marlene Wodsedalek had a toss of 35'3.5" in the shot put, almost two feet better than her previous best mark. Wodsedalek finished third. Meanwhile, sophomore Rachel Gosa "slipped out of the blocks," in the 100 dash, according to Koth, and had to settle for sixth place, finishing in 13.4.

With the number of girls qualifying for this sectional meet, "I thought we had a good shot (to win the team title) coming in," Koth said. Although he wouldn't make any predictions for the state meet, he did say "I guess we have as good of shot (at winning the team championship) as anybody."

Preliminary qualifying gets underway at 1 p.m. Friday at Memorial Field in LaCrosse, with the finals beginning on Saturday at 10:30 a.m.

Indian Golfers Qualify for Sectionals

KEWASKUM — The Kewaskum golf team has traditionally been strong, sending at least one individual, and many times the entire team, to sectional competition for the last decade.

Thanks much in part to the efforts of Ryan Amerling, the tradition will continue. Amerling had a strong finish in the Class B regionals held here, at Hon-E-Kor last Monday, boosting the Indian golfers into the sectionals once again.

The Indians finished fourth in the meet with 375 strokes, one stroke ahead of Campbellsport. Brown Deer won the meet with 339 strokes, well ahead of runner-up Pewaukee, who had 358. The top four teams, along with the top five individuals, advance to sectional play.

Amerling's total of 87, on rounds of 45 and 42, placed him sixth in the overall standings, meaning the Indians would have to place in the top four in order to have anyone advance.

Amerling, however was the last Indian to come in, and with the team down by three strokes to Campbellsport, it meant that the sophomore would have to finish four strokes ahead of the Cougars' last player, Jason Meyer.

He was up to the challenge, though, as he hit par on each of the three final holes on the back nine to finish with his 87, while Meyer settled for a 91, thus advancing the Indians.

But Amerling was not the only Indian who triggered the win, as an extra stroke or two anywhere down the line would have meant the difference between playing in the sectional Tuesday at Alpine Valley

Country Club, or having the season end and get in shape for baseball season.

Aaron Laatsch had a solid effort of 90 (44-46), while the other two Indians had some trouble, but still made some key shots. Mark Heather's round of 97 (47-50) and Corey Krahn's 101 (52-49) helped the Indian cause.

Brown Deer's Dan Sullivan was the meet medalist, coming in with an 82 mark. The other four individuals making it to sectionals were Sullivan's Falcon teammates, Jeff White, who carded an 85, and Ross Diling and Tim Wilmont, who both hit 86's. The last qualifier was Jason Langille, from North Fond du Lac, who shot an 84, a fine effort considering his team finished in ninth place with a 399 mark.

KHS Netters Eliminated In Sub-Sectional Play

BEAVER DAM — The Kewaskum tennis team did not have a single player advance to the sectional competition, as the Indians were eliminated at the sub-sectionals here, last Tuesday.

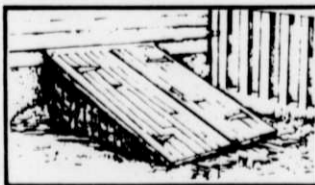

The Kewaskum players had many tough draws in the meet, and with the competition as tough as it was many of the Indians were unable to come up with a single game won.

Hartford won the meet with 12 points, and advanced four individuals to the West Bend sectional.
