Lions to Host Annual Kettle 20, Chicken Bar-B-Q Sunday

by Sharon Callaway Roznik

Get your running shoes ready because its time once again to face on foot the rugged hills and gorgeous terrain of the Kettle Moraine State Forest, as competitors from across Wisconsin, neighboring states, and Canada converge in Kewaskum for the Kettle 20+2 race.

The 20 kilometer event (12.4 miles) will be accompanied by two easier runs — 3.5 and 5 miles, and will include various mens' and womens' divisions. The event is sponsored by the Kewaskum Lion's Club and is held in conjunction with the annual chicken bar-b-que at River Hill Park on Sunday, August 19. The race begins at 9 a.m. at the Park, located along the Milwaukee River. Registration begins at 8 a.m. (in advance) up until race time.

Divisions for the Kettle 20 are as follows: six men's age groups 1-17, 18-29, 30-39, 40-49, 50-59, and 60 and over; four women's age groups 1-17, 18-29, 30-39,

and 40 and over. Top male and female runners will each receive a trophy, followed by medals for second and third place, and ribbons for fourth and fifth. The two smaller races will offer awards to the top place winners.

Entry fee for all races is \$7 with a t-shirt, and \$5 without. Those who register in advance will receive \$1 off each race. To date 51 runners have pre-registered. "Were expecting about 80 or 90 runners to pre-register," says race chairman Dale Squier of Kewaskum. "On the day of the race, another 80 usually sign up." Racers enjoy coming back year after year to the Kettle 20+2, both for the challenge and a glimpse of the rugged landscape touched by Wisconsin Glaciers thousands of years ago.

The record to beat is 65 minutes set in 1976. There will be water stops along the way and showers will be available at the Kewaskum Middle School.

Chicken dinners will be served throughout the day,

beginning at 11 a.m., and running til 5 p.m. Cost is \$4.50 for one-half chicken and \$4 for one-quarter chicken plate, complete with mashed potatoes, vegetables and salad. All runners can purchase their chicken dinners for the special price of \$3 each. Carryouts will be available.

Whether you're there to cheer on the runners, compete in the race, or enjoy the food, don't miss the popular Eddie Schneider and his music. Beer, soda, hamburgers, ice-cream and other refreshments will be available at the park.

Proceeds from this annual event are used for local "Lions" community service projects, with an emphasis on the Quest program, a drug and alcohol educational project in the Kewaskum School District.

Mail-in registrations for the race can be sent to Dale Squier, 1305 Roseland Dr., Kewaskum, WI 53040 to register in advance. For more information on any of the days events, contact Dale at 626-2731.

Kewaskum School District Welcomes Students Back on Tuesday, Sept. 4

Tuesday, September 4 is the first day of school for returning and new students of the Kewaskum School District.

Parents and guardians should by this time have received information on bus rules and pick up times. If you have not, please call the Johnson Bus Company at 626-4414 to complete arrangements.

We ask that families take time to review the bus riding rules and safe boarding, riding, and unloading procedures. If this is your child's first experience at riding on a bus, why not take some time to accompany him/her or arrange for someone else to accompany him/her for their first pick-up and drop-off?

Also, please be aware of the times crossing guards are present on village street corners and utilize them accordingly. Please do not send or drop your children off at school before the school doors open because they will be unsupervised.

Information for those interested and eligible for the free and reduced hot lunch program was previously published in the Statesman. Middle school and high school students also received copies during registration. Forms will again be given to elementary students (one per family) during the first week of school. If you did not receive one or wish to review the qualifying criteria, please call the business office at 626-8427.

Hot lunch prices have been increased for the 1990-91 school year. The lunch price at the elementary schools is \$1.10 per day or \$5.00 per week. The lunch price at the middle and high school is \$1.25 per day or \$5.50 per week. School on Tuesday is a full day and hot lunch will be served. The calendar for the school year has been published and each family will receive one at registration. Extra calendars are available for purchase at the business office.

The school district does not carry accident insurance for students. We therefore urge parents/guardians to review their own policies to be certain coverage is adequate. Particularly in the case of athletics, this is a necessity. The schools do have insurance forms provided by Student Assurance Company of Stillwater, Minnesota available to parents who would like to purchase additional insurance or insurance for their children. The parents purchase the insurance on their own - the district is not involved in the sale of insurance.

The buildings and grounds are in good shape and the classrooms are clean and ready for students. All is in readiness and all are anxious to greet the children and begin anew.

Many teachers have attended various courses, workshops and seminars over the summer to improve their educational skills. Administrative staff worked to hire new staff and arrange schedules, discuss goals and establish a vision for the district.

Most important to us will be the continued support and involvement of parents, grandparents, guardians and community members at large. Please take the time to review school handbooks and rules with your children, help them with their homework, call their teachers or principals, and visit their schools. You are important and we need your assistance.

Hints for a successful start to the 1990-91 school year include the following: Be positive about the teacher(s) your child(ren) has/have and the programs available; be interested in what is happening on a daily basis; encourage participation in extra-curricular activities; set goals that are high enough yet realistic; and set aside some time to talk to your child/children.

Welcome back and we all hope you have a great year!

Kewaskum Frozen Foods Wins Two National Champion Awards

Dave Nigh, left, and Bob Beisbier display the latest national champion awards received for their summer sausages.

By GERRY MUELLER
Statesman Staff Writer
Dave Nigh and Bob Beisbier, co-owners of Kewaskum Frozen Foods, have reason to smile this week as two of their entries in a national cured meats show last month were judged as the national champions in their categories.

The American Association of

Meat Processors awarded Kewaskum Frozen Foods the 1990 champion honors for both their uncooked and cooked summer sausages. The selection was made July 28, during the association's national convention held July 25 through 29, at Nashville, Tennessee, attended by Nigh.

The awards continue to

confirm Beisbier and Nigh's commitment of putting only quality meat products before the public. Kewaskum Frozen Foods and its meat products have been consistent state and national champions for several years.

To help celebrate its latest achievement, Kewaskum

School Board Okays Borrowing \$200,000

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Board of Education, Monday night, approved a resolution to borrow \$200,000, to be used for a variety of capital improvements.

The action was taken after the electors at last month's annual meeting vetoed a motion which would have added the \$200,000 to the 1990 tax levy and

recommended the district borrow the money.

The motion to go ahead with the borrowing was passed on a 5-1 vote, with board member Paul Seymour voting against it and Perry Ankerson absent.

Seymour told fellow board members he was against the borrowing because it was going to cost the district over \$40,000 for the four-year loan. "I don't

(Continued on Page 2)

School Board

(Continued from Page 1)

like adding costs to things we should go after and do through the budgeting process."

In conjunction with the resolution, District Administrator Dr. David Heather provided the board with a list of nine projects he would like to see accomplished with the funds. The price tag on those items came to \$207,000. Heather projected "the additional \$7,000 would come from the interest earned on the invested money or cost under runs on the various listed projects."

Those projects included \$35,000 for remodeling the science labs and equipment and ventilating of the art class rooms.

The bulk of the loan, \$80,000 is targeted for a major computer upgrading at Kewaskum Middle School and the 'networking' (linking together) of computers in the high school as well as new equipment for the district administration office.

Replacement of classroom desks at a cost of \$10,000 was the fourth item. Another \$14,500 is designated for the KHS Home Ec kitchen which has not had such things as cabinets, sinks, etc., replaced since the school was built in 1955.

Funds of \$20,000 for the Vocational Education shop for the purpose of purchasing new up-to-date equipment was also included. Heather noted, however, that money was just 'a starter.'

Another equipment item was \$14,000 for the districtwide purchase of maps to replace present ones, of which, Heather said 99% were outdated. Again, Heather noted this money would not cover the complete cost of the project.

Another item, the addition of equipment for the KMS technical education program, \$5,000. To meet state inspection requirements, the district will have to install a dust collection system in the KHS wood shop estimated cost, \$15,000.

Another equipment purchase, two copiers for the elementary schools, \$13,500.

When the board and Heather were questioned about some items such as the desks, maps and copiers not fitting the description of 'Capital Improvements,' Heater agreed noting the list should probably be called Capital Improvements and Equipment Replacement and Purchases. He indicated that these items were added because the district had failed to maintain a system of routine rotating replacement over the years and now it is looking at the problem of having to replace some items all at one time. Heather said he hoped to get the district back on track with

such a program.

Over and above the nine priority items targeted for the loan money, Heather also listed another four projects to be considered and/or substituted if some of the first nine were dropped.

Of these, the first was the ceiling replacement at Kewaskum Elementary School. Heather felt, however, this could be accomplished to a large extent, with existing funds remaining from last year's loan.

The second list also included \$20,000 for paving repairs around the middle and high schools.

Another \$15,000 for a TV dish and equipment to offer courses and classes the district cannot teach or justify staffing for such as a variety of foreign languages such as Japanese, Chinese and Russian.

Based on the Building Superintendent's recommendation, as an energy and maintenance saving item, \$18,000 was listed for the conversion of the 1955 KHS building from steam to hot water heat.

It is now up to the board to make the final decisions on what projects will or will not be done with the funds.

In other business, the board discussed the district's 1989-90 report to the community which included a variety of competency based test scores for district students. Heather gave his views on the results and plans to improve areas where the students showed weaknesses.

Also approved were the short and long-term goals and objectives set for the district by the board. Short term goals for 1990-91 include; developing principals as instructional leaders, periodically conducting board work sessions, including board member self-assessment, curriculum development and review, promoting better community relations and improve public contact with school system by 30% and increasing computer usage and integration of computers at all grade levels.

Long term goals and objective

for 1990-91 and beyond include; board pressure to change the Mediation/Arbitration law, increase computer usage/-programming/electronic teaching capabilities by 10%, increase Competency Based Test scores over the next three years by 5%, facilities development and improvement and budget increases to reflect district educational goals.

The board also reviewed a plan to meet the Department of Public Instruction's mandate for identifying and working with "Children At Risk." Students considered a 'child at risk,' are those who may be having difficulty in school for a variety of reasons, from being behind in their learning skills, to being a delinquent, school-age parent or drop-out and may be in danger of not completing their education without additional assistance and/or tutoring from the district.

In other action the board approved the district's applying for a grant to participate in the Wisconsin/IBM Writing to Read program, a contract with CESA 6 for a half-time social worker and five teaching and two coaching contracts for the 1990-91 school year.

YMCA Offers Tot Time at Peace Church Here

Openings are still available in the three year old Kewaskum Tot Time class for the 1990-1991 school year. The class will meet from 9:30 - 11:30 a.m. on Tuesdays and Thursdays at Peace United Church of Christ starting September 4.

YMCA Tot Time is designed to help preschoolers grow socially, emotionally, intellectually and physically. Activities in art, music, dramatic play, science and language, encourage skill development and social interaction. Group activities and self-directed activities are provided each day. Numerous field trips are taken throughout the year. The three year old program is designed to introduce children to the school setting. Enrollment in the class is limited to 18 children.

Tot Time is a cooperative program encouraging parental participation in their child's preschool experience. Parents

assist in the classroom several times during the school year. Families are invited to attend school programs and picnics.

Registrations for the three year old class are now being taken. For information contact the YMCA at 334-3405.

Awards

(Continued from Page 1)

Frozen Foods will have a special sale running August 23, 24 and 25, featuring their award-winning sausages.

Beisbier and Nigh also invite everyone to attend Kewaskum's "Kettle Kountry Kolors" festival on October 13 and 14, and to participate in Kewaskum Frozen Foods' weight-guessing contest. They will be making a 'Giant' summer sausage approximately ten feet long and a prize of \$500.00 will be awarded to the person who comes closest to guessing the sausage's actual weight (in case of duplicate guesses, a random drawing will be held).

Memories...

Seated on the wooden sidewalk on Wilhelmina Street or Strasse, Kewaskum, about 1917, were Bill Harbeck, Emily Forrer and Helen Harbeck (Felix). The picture was taken between the Nic Rimmel and Lizzie Steichen residence. These homes are now owned by the Jim Paul and Margaret Simon families. There has also been a home built on the empty lot in the background. At that time, there were regular drills on this street by the Homeguard in military uniform, in case they were called into World War I. On one occasion Kaiser Wilhelm was burned in effigy on Main Street. The name Wilhelmina Street was changed to First Street, since anything with a German ring to it was not popular at that time.

St. Kilian, Other Churches Honored

St. Kilian Church in St. Kilian was one of three area churches honored by the National Historical Organ Society on Thursday, July 26.

Close to 300 people attended an organ recital at St. Kilian's Church, St. Paul's Evangelical Lutheran Church, Lomira and St. Anthony's Church in St. Anthony. Recitals were given by organists at the different churches.

Four busloads of organ buffs traveled from Milwaukee where the National Organ Historical Society was holding the National Convention. People from all over the United States, Canada and England were traveling Southeastern Wisconsin for these recitals.

The organ at St. Kilian's was built around the turn of the century.

Collegiate Athletic Scholarships Available

Over 100,000 Collegiate Athletic Scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be All State to qualify. Much of this money goes unused.

A new publication with forms, sample letters and tables of factual information is available for student athletes. It takes them step by step thru the important process of getting an athletic scholarship and includes college and conference listings.

For details on how to get a collegiate athletic scholarship, send a large self addressed, stamped envelope to The National Sports Foundation, 612A Willow, Dr., P.O. Box 940, Oakhurst, NJ 07755.

Free Blood Pressure Screening Offered

The Community Health Nursing Service Cardiovascular Risk Reduction Program is offering a free blood pressure screening at the following site during the month of August.

August 25 - West Bend Fire Department, 320 N. 7th Avenue, 1 p.m. - 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 338-5274, 644-5204 or 342-2929 (toll free, ext. 4707).

Friends of Abused Families to Host Kids from Wisconsin

For the fourth consecutive year, Friends of Abused Families of West Bend will host Wisconsin's Musical Ambassadors - the Kids from Wisconsin.

This year's high powered show is totally new and features West Bend's Adam Theisen, Hartford's Dani Wallisch, and Fredonia's Chris Malueg. Hits from the popular Broadway show "Phantom of the Opera," a forties blues medley, and a tribute to Duke Ellington are but a few of this year's crowd

pleasers.

The show will be held at the air conditioned West Bend High School Auditorium on Monday, August 27 beginning at 7 p.m.

Tickets are available in West Bend at all Bank One and M & I Banks, both Pick-and-Save stores, and Walgreens. Prices are \$6.00 for adults; \$4.00 for youth and senior citizens. Prices at the door on performance night will be 50c more. Special reserved seats for \$12.50 are available by calling Friends at 334-5598. Great entertainment for the whole family!

Seefeld/t Family Reunion Held

Left to right: Mrs. Ida Weber, Fond du Lac, with her 107th birthday cake and of-ficers Mary Jane Johnson, Destin, Florida, secretary; Carole Keller, Kewaskum, treasurer; Phil Majerus, Campbell Road, Fond du Lac, president; Alice Crass, West Bend, vice president; Mildred Thornton, Fond du Lac, historian. Not pictured: Alfred Seefeldt, Kewaskum, genealogist.

Cloudy skies and a brief, but heavy, downpour of rain did not dampen the spirits of 140 relatives and guests who gathered at Kewaskum's Riverhill Park on Sunday, July 29, 1990 for the 51st Seefeld/t Annual Reunion. In keeping with this year's national census, the theme of the reunion was "Come and Be Counted." Members of the Seefeldt and Seefeldt families, descendants of Christian Friedrich Seefeld (1795-1865) and Anna Sophia Kobs (1795-1835) meet each year in Kewaskum, on the last Sunday of July, for their annual reunion. In eight generations there are over 2,100 known members of the clan. Relatives in attendance this year were from Arizona, Florida, Illinois, Indiana, Massachusetts and Wisconsin.

The day's activities began with a "share a dish" picnic dinner. A large birthday cake honored Mrs. Ida Fink Weber, 107, the oldest living member of the clan. Following dinner, Reunion President, Phil Majerus, conducted the annual

business meeting. Greetings and letters were shared from relatives who were unable to attend the reunion.

Attendance prizes were awarded to Mrs. Weber of Fond du Lac, 107, and Alfred H. Seefeldt of Kewaskum, 93, the oldest lady and gentleman present; 6-month old Amber Lynn Knoeck, youngest member present and Matthew Lawrenz of Scottsdale, Arizona, traveling farthest to attend. Milton and Margaret Seefeld of Oshkosh, married 57 years, were the longest married couple present and Jeffery and Cathy Miller of Aurora, Illinois were the most recently married couple.

Harold Klug of Aurora, Oregon sent gifts of honey which were presented to those persons attending a Seefeld/t reunion for the first time, and to David Muench of Marshfield and Tony Knoeck of Kewaskum, relatives traveling the longest and shortest distance in Wisconsin to reach Riverhill Park.

The secretary's report for the

1989-1990 "reunion year" listed 26 births, 5 deaths, 9 marriages and 5 living members of the Seefeld/t Ninety Club. Living members of the Ninety Club, in addition to Ida Fink Weber and Alfred Seefeldt, are Mrs. Esther Guell Seefeldt of Fond du Lac, 95; August H. Seefeldt of Kewaskum, 91, and Miss Amalia Seefeldt of West Bend, 90.

Following the business meeting, Elmer Seefeld led the group in singing. Alice Crass, and Wayne and Therese Casper were in charge of games.

The following officers were elected to serve for 1990-91: President, Phil Majerus of Fond du Lac; Vice President, Alice Crass of West Bend; Secretary, Neil and Mary Jane Johnson of Destin, Florida; Treasurer, Carole Keller of Kewaskum; Historian, Mildred Thornton of Fond du Lac, and Genealogist, Alfred Seefeldt of Kewaskum.

The first woman to see her son inaugurated for a second term as president of the U.S. was Sara Delano Roosevelt, mother of Franklin D. Roosevelt.

Dieringer Family Reunion Held

Ninety-six descendants of Andrew, Sigmund, Norbert, Barnabus and Franceska Dieringer gathered at Fireman's Park, Campbellsport on Sunday, August 3rd.

Several awards were given; to Charles and Esther Dieringer of La Habra, CA, who traveled the farthest; to Rose Hatland of Kewaskum for bringing the most children with her to the reunion; to Mrs. Alice Schmidt of St. Paul, MN for being the oldest, age 78; To Evan Lee Dieringer, son of Henry Lee Dieringer of Germantown for being the youngest, age 1 month; to Alvin and Valeria Straub of rural Campbellsport for having the most grandchildren, 17; to Jerry Menke of West Bend for being the tallest 6' 2" tall.

A donation of \$35.25 was collected and given to the Campbellsport Firemen for use of the park.

The children of Irving Dieringer, Loraine Seibel, Helen Rohlinger, Ruth Menke and John Dieringer hosted the event which drew families from Belgium, Kewaskum, Port Washington, Germantown, Fond du Lac, West Bend, Lomira, Marshfield, Stevens Point, West Allis, Plymouth, Milwaukee, Ixonia, Wis. and surrounding areas as well as Minnesota, Illinois and California.

Games were played after a

Orientation, Dinner For New UWWC Students Aug. 30

WEST BEND — This year's student orientation at UWWC will be a relaxing evening of introductions, dinner and entertainment. All new students and their parents or spouses are invited to attend orientation, including a sit down dinner, on Thursday, August 30 at 5:15 in the University Student Union.

According to Associate Director of Student Services Jan Ford, this is the third year orientation has been handled this way. It has been a success because the cost is minimal, the dress casual, and the atmosphere relaxed. "We hope students will become more comfortable with UWWC and be able to get acquainted with us," she said.

Students, parents and spouses will be able to meet with faculty and staff, speak with student advisors, and tour UWWC's expanded facilities. Student group leaders will be seated at each table at dinner to share their perspectives on campus life.

The evening will be capped off with a performance by the Phillips Brothers, a pair of professional comedians bound to shake off any pre-school jitters. Reservations are required for the program and can be made by sending a check of \$4 to cover the cost of dinner, to UWWC Student Services Office, 400 University Dr., West Bend, WI 53095.

Economic Assistance Loans Available For Education of Veterans, Children

By Richard W. Baker, County Veterans' Service Officer

To finance their education expenses, Wisconsin veterans, dependent children of deceased veterans and unmarried widows or widowers of veterans may qualify for loans and grants from the Wisconsin Department of Veterans Affairs (WDVA).

For the education of Wisconsin veterans and their children, WDVA offers an Economic Assistance Loan with an interest rate of only 6 percent with up to five years after graduation to repay. In addition, WDVA has full-time study grants, which don't have to be repaid.

Eligible applicants may borrow up to \$4,500.00 with an Economic Assistance Loan. Generally, the funds are distributed in equal, annual payments while the student is enrolled full time. To qualify for this loan, the combined income of the veteran and spouse generally cannot exceed \$30,000.00 plus \$500.00 for each dependent in excess of two dependents.

WDVA also offers Full-Time Grants exclusively to Vietnam Era veterans and post-Vietnam veterans who served in hostilities, such as Grenada, Lebanon and Panama.

Based on financial need, the maximum full-time Education Grant per academic year is \$200.00 for single veterans and \$400.00 for a married veteran or a veteran with dependents. Qualified veterans may receive a full-time Education Grant each year for up to four academic years. Dependents of veterans and veterans with bachelor's degrees are not

eligible for the full-time grant.

For more information about additional WDVA eligibility requirements for education grants and loans, contact the County Veterans' Service Officer of your county or Richard W. Baker, Washington County Veterans' Service Officer at 338-4457.

Blueberry Jell-O Salad Gayle Van Ess

- 3 sm. boxes sugar-free raspberry Jell-O
- 1 can blueberries (not pie filling)
- 1 can crushed pineapple
- 1 c. crushed nuts
- 1 pkg. Dream Whip topping
- 1/2 c. milk

Drain pineapple and blueberries, reserving juice as liquid to make Jell-O. From 6 cups of Jell-O reserve 2 cups. Add pineapple, berries and nuts to 4 cups of Jell-O, refrigerate until set in 13 x 9 inch pan. When reserved 2 cups is set, beat until frothy and add one package of prepared Dream Whip. Spread over blueberry Jell-O. Chill.

Lehman.

MADISON...Representative Michael Lehman (R-Hartford) was recently appointed to serve on a Republican Task Force which will look into the issue of unfunded state mandates.

Members of the task force will be touring the state to meet with local officials to hear their concerns on unfunded state mandates. This will provide an opportunity for local governments to voice their opinions on how the Legislature can minimize the increasing costs it imposes on local taxpayers, by looking at current and proposed mandates.

With the information obtained, the members will report their recommendations to the Legislature for debate during the upcoming session. The goal would be to pass legislation that would restrict the state from approving costly programs without funding, which usually leaves local officials to find other sources of revenue to finance these state mandated programs. The Legislature must find a new approach to ensure funding before implementing mandates. This would, in turn, relieve the burden of local officials, who usually have to raise property taxes or impose a local sales tax as a source of their funding.

The Wisconsin Counties Association is requesting an advisory referendum on this issue. Currently, sixty of the seventy-two state counties have agreed to present this referendum to their voters during the upcoming fall elections.

"It is time that the Legislature finally take the responsibility of providing funding when passing state mandates," stated Lehman.

The following are scheduled public hearings to be held in the area: **September 18th:** Brown County Library, rooms 1 & 2, 515 Pine St., Green Bay; **September 19th:** City County Government Center, Rooms D & E, 160 S. Macy St., Fond du Lac; **October 9th:** The Arena, Fox River Room, N1 W24848 Northview Rd., Waukesha; **October 10th:** County Public Works Division, Auditorium, 14200 Washington Ave. (Hwy. 20), Racine; and **October 16th:** County Court house, Room 201B, 901 N. Ninth St., Milwaukee.

MARY L. HRON

Mary L. Hron, 73, of Kewaskum passed away on Saturday, August 11, 1990 at St. Joseph's Community Hospital in West Bend.

She was born on August 17, 1916 in the Town of Ashford, the daughter of the late John and Kathryn (Becker) McCarty. On June 23, 1936 she was united in marriage to Elroy "Buckley" Hron at St. Matthews Catholic Church in Campbellsport. He preceded her in death on November 20, 1964.

Mrs. Hron was a member of the Holy Trinity Catholic Church in Kewaskum and the Ladies Altar Sodality and had been a resident of Samaritan Nursing Home in West Bend for the past one and a half years.

Survivors include five daughters: Mary Jane (John) Bauer Sr. of Campbellsport, Patricia (John) Coulter of Kewaskum, Julianne (Dennis) Luedtke of Mayfield, Deborah (Thomas) Begun of Oshkosh, Penelope (James) Martz of Wauwatosa; four sons: John A. (Chris) of Fond du Lac, Kevin (Chung Sue) of Mareno Valley, Calif.; Keith of Pirimasims, West Germany and Brian (Margaret) of Madison, a sister Alice (Justin) Baucom of Campbellsport; four brothers: William (Lucy) McCarty of Kewaskum, George McCarty, John F. (Gloria) McCarty and Daniel (Helen) McCarty all of Campbellsport; 25 grandchildren and 13 great-grandchildren.

She was preceded in death by a daughter Kathleen Haug, a sister Helen and three brothers: John Thomas, Leo and John.

Funeral services were held at the Miller Funeral Home, Kewaskum at 7:30 p.m. with a Mass of Christian Burial at Holy Trinity Catholic Church, Kewaskum, at 8:00 p.m. on Tuesday August 14, 1990 with Father Thomas Venne and Father Robert Berghammer con-celebrating. Burial was in the parish cemetery at 10:00 a.m. on Wednesday. Friends called from 4:00 p.m. until time of services at the funeral home on Tuesday.

Memorials may be given to the Holy Trinity School Fund.

JOHN L. KUESTER

John L. Kuester, of 3460 Town Hall Road, Kewaskum, died Monday, Aug. 6, 1990, at St. Joseph's Community Hospital, West Bend, at the age of 67.

He was born Aug. 17, 1922, in West Bend, and married Grace Otten Nov. 6, 1946, at St. Mary's Immaculate Conception Parish, West Bend.

He was a member of St. Mary's Immaculate Conception Parish and the Historical Truck Society.

Survivors include his wife; four children, Mary (David) Klein of Campbellsport, Amy (Paul) Weis of Hilbert, Susan (Martin) Ott of West Bend and Julie (Paul) Giese of Appleton; 10 grandchildren; a brother, Robert (Mary) of West Bend, and other relatives and friends.

Memorial services were Saturday, Aug. 11, at 2 p.m. at the Myrhum Funeral Home, West Bend, with Fr. John Furtmann officiating.

The family greeted relatives and friends prior to the service.

ESTHER K. BERG

Esther K. Berg, nee Kern, of Germantown, formerly of West Bend, died Monday, Aug. 6, 1990, at St. Joseph's Community Hospital, West Bend, at the age of 65.

She was born June 9, 1925, in St. Kilian, and in 1944 moved to Nenno. In 1960 she moved to West Bend where she was employed at The West Bend Co. for more than 30 years, retiring in 1987. She had lived in Germantown since 1985.

Survivors include a daughter, Nancy Berg of Germantown; a grandson, Joseph Nienaber; a sister, Gladys (Charles) Peters of Richfield; two brothers, Orville (Ruth) of St. Kilian and Richard (Barbara) of West Bend, and other relatives and friends.

She was a member of the Legion of Mary, the Christian Women's Confraternity at St. Boniface Church, Goldendale and the 25-Year Club at The West Bend Co.

Funeral services with a Mass of Christian Burial was held Wednesday, Aug. 8, at 10 a.m. at St. Boniface Church, Goldendale. Fr. Leonard Andre was the celebrant, and burial was in the church cemetery.

Visitation at the Schmidt Funeral Home, West Bend, was Tuesday, from 4 to 9 p.m., with a prayer vigil at 7:30 p.m.

MARGARET R. YOGERST

Margaret R. Yogerst, nee Janzer, of West Bend, died Thursday, Aug. 9, 1990 at the Cedar Lake Home, West Bend, at the age of 73.

She was born Sept. 2, 1916, in the Town of Richfield. After her marriage to Felix J. Yogerst at St. Mary's Church, Richfield, on July 17, 1935, they settled on a farm in Kohlsville. In 1967, they moved to West Bend where she lived up to the time of her death.

Prior to her retirement in 1981, she was employed at The West Bend Co. for over 35 years.

Her husband passed away April 29, 1981.

Survivors include two daughters, Rosalie (Gordon) Gorecki and Joanne (Nick Jr.) Habersetter, both of West Bend; five grandchildren; 11 great-grandchildren; two sisters, Marie Yogerst of Nabob and Theresa Bruckert of West Bend; two brothers, Alphonse of Richfield and William of West Bend; two brothers-in-law, Clemens Yogerst of Juneau and Alvin Ewert of Jackson; three sisters-in-law, Lorraine Zabojsnik of Menomonee Falls, Estelle Giese of Mayville and Margaret Janzer of Allenton, and other relatives and friends.

Her parents and two brothers preceded her in death.

She was a member of the 25-Year-Club at The West Bend Company and Holy Angels Parish.

Funeral services were Saturday, Aug. 11, at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Liturgy of the Resurrection at 10 a.m. at Immaculate Conception Church. Rev. Jerome Rinzler and Rev. Gary Heinecke, C.S.S.R., will con-celebrate, and burial was in St. Anthony's Cemetery, St. Anthony.

JOE RAWLINGS

Joe Rawlings, 68, of 319 S. Fond du Lac Ave., Campbellsport, died Saturday, Aug. 11, 1990, at Grancare Nursing Home, Fond du Lac.

Mr. Rawlings was born Jan. 30, 1922, in Iowa, a son of Roy and Goldie Fulton Rawlings. On Dec. 18, 1965, he married Ruth Howard at First Baptist Church, Campbellsport.

Mr. Rawlings was employed with West Bend Co. until his retirement. He served in the U.S. Army in the Pacific during World War II and was a member of First Baptist Church, Campbellsport. He served as trustee of the church and was a member of the church's men's group and the 25 Year Club of West Bend Co.

Survivors include two brothers, Orville and his wife Caroline of Omaha, Neb., and Virgil and his wife Clara Mae of Phoenix, Ariz.; and three sisters, Violet Wasson of Villisca, Iowa, Darlene Stiverson of Red Oak, Iowa and Flora Shepherd of Illinois. Preceding him in death was his wife on Feb. 16, 1981.

Funeral services will be held Thursday at 1 p.m. at First Baptist Church, Campbellsport. The Rev. Larry Schaefer will officiate. Entombment will be in Shrine of Rest Mausoleum, Fond du Lac.

Friends may call Wednesday from 4 to 8 p.m. at Twohig Funeral Home Campbellsport, and Thursday from noon to the hour of services at the church. Memorials may be directed to the church.

BEN SADOFF

Funeral services for Ben Sadoff, 90, a resident of Fort Lauderdale, Fla., and Fond du Lac, were held Tuesday at 11 a.m. at Temple Beth Israel.

Rabbi Morton Shalowitz officiated. Burial was in the Temple Beth Israel section of Rienze Cemetery.

Friends called Tuesday from 10 a.m. to the hour of services at the temple.

Mr. Sadoff died Sunday, Aug. 12, 1990, at N7206 Winnebago Drive, Lakewood Beach, the home of his sister where he resided.

He was born June 11, 1900, in Odessa, Russia, a son of Abraham and Rebecca Manis Sadoff. On June 25, 1924, he married Dina Cohen in Fond du Lac.

Mr. Sadoff attended Union School and Franklin School and later joined his father in the business of buying scrap metal, then known as A. Sadoff and Son. The firm also bought the scrap metal from Regal Ware for many years.

Along with his lifetime of business establishments and

acquisitions in Fond du Lac, he was known for his major charitable contributions to many city organizations including the YMCA; Temple Beth Israel, where he was a founder and charter member; Workshops Inc.; Blandine House; and the Boy Scouts.

He served as president or chairman of the board at many firms and was a director of National Exchange Bank, First Wisconsin National Bank and the Fred Rueping Leather Co.

In 1967 he received an honorary doctor of laws degree from Marion College. The Science Building at the college has since been named for him.

In 1954 he received the Silver Beaver Medal from the Boy Scout Council, and in 1964 was chosen for the Golden Deeds Awards by the Exchange Club. He also received a Paul Harris Award from the Rotary Club. Mr. Sadoff was a member of B'nai B'rith.

Survivors include one brother, Arthur and his wife Thelma of Fond du Lac; and four sisters, Fannie Nemschoff, Betty Hammes and Leone Fishelson, all of Fond du Lac, and Rose Ruttenberg of Monroe, La; two granddaughters, Debra and Julie; and nieces and nephews.

Preceding him in death were his wife on Dec. 17, 1970, one son, Howard, two brothers, George and David, and a sister, Charna Smith.

Mach Funeral Chapel is handling arrangements.

IN MEMORY

In memory of ADELINE VOLM, who passed away 15 years ago, August 18, 1975:

Being far away from you,
We think of you often,
But it is not an empty feeling.
It is a feeling of appreciation.
We remember the uniqueness
Of your expressions,
The depth of your love,
And the joy and laughter
You brought to our world.
And through our memories of
you,
We are never alone.

We still miss you,
Ed and family

IN MEMORY

In loving memory of ROBERT GROSS, who passed away eight years ago, August 18, 1982:

God took him home
It was his will
But in our hearts we love him
still.

His memory is as dear today
As in the hour he passed away.

Sadly missed by his wife and family.

IN MEMORY

In Loving memory of DORIS KLUEVER who passed away three years ago, Aug. 16, 1987:

We often sit and think of you
And speak of how you died;
To think you could not say
goodbye to us

Before you closed your eyes.
The flowers we place upon your
grave,
May wither and decay
But the love for you who sleeps
beneath
Shall never fade away.

Loved and missed by her
husband and son.

CARD OF THANKS

We would like to thank everyone who helped us through the recent loss of our husband and dad.

The prayers, gifts, cards, food, flowers, phone calls and visits were sincerely appreciated.

Special thanks to the Michels Road Crew, the Fond du Lac Rescue Squad, St. Agnes Hospital, Miller's Funeral Home, Pastor Edwin Fredrich for his beautiful sermon, Lee Kempf and Deborah Hoenecke.

It comforts us to know how many people his life touched.

Kuhnke Places Second In State Dog Grooming

Joy Kuhnke, left, with Nature's Choice sales representative Dorothy Boll, and Cimmy, owned by Gladys Seefeldt of Kewaskum.

This year, Wisconsin State Professional Dog Groomer Assoc., held their first Grooming Contest. Contest and Seminars are held to increase and maintain a high standard of quality and professionalism.

Pet Grooming is defined as the topical care of pets (dogs and cats) through proper brushing, bathing and hair trimming for cosmetic and more importantly, health reasons.

A Professional Groomer must be knowledgeable enough to:

A. Work with a variety of pet personalities.

B. Know different bathing and drying methods for numerous hair coat types.

C. Be able to style each breed to perfection.

D. Be creative in styling mixed breeds.

E. Be conscientious about sanitation and external parasite control.

F. Be informative to pet owner on all aspects of pet care.

During the competition, dogs are brought into the grooming ring only bathed, brushed and dried. All other grooming is done in front of the judges while being timed. Because a groomer is expected to meet the Professional Groomers standards, any dog that is mistreated, abused or injured in any manner are immediately

excused from all further grooming and all awards are revoked. A good groomer should never injure a dog while being groomed or while in the groomers care.

This years competition held a very high standard of grooming, with 29 groomers entered in the four categories. It was good to see many excellent groomers from Wisconsin and Minnesota.

Joy Kuhnke of Joy's of Grooming here in Kewaskum and Julie Konwent, C.M.G. (Joy's sister) entered this years competition.

Julie entered one class misc. (all other pure bred), taking first - with an American Cocker named Bogie. Joy also entered this class with another American Cocker, named Buffy Rohrer, placing 4th against 15 other groomers.

Joy also entered the other three classes. Taking Cimmy Seefeldt in the Poodle class, placing 4th; Terrier class with Scruffy Byres placing a 5th; and the mix breed class placing a very strong 2nd, with a Cockapoo, Jigger Sabish.

Points are given out for each placement, tallied and the groomer to accumulate the most points wins Best All-Round Groomer. A groomer from Silver Leash in Hartland won All-Round. Joy came in a close

2nd All-Round Groomer. Joy and Jean were the only two groomers to qualify for this award. Joy also had the highest accumulation of groomers from Washington Co.

Not too bad, considering Joy was grooming with a broken arm. Joy is now grooming with the assistance of Julie Konwent's student, Marilyn Kropp. Joy hasn't had her surgery on her arm, the new surgery date is for Aug. 15, 1990.

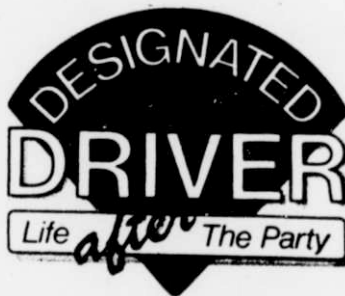

Piano Workshop Held at UWWC

WEST BEND — Seventeen young pianists performed for their parents and friends recently at UWWC's auditorium. The performance culminated a week-long piano workshop sponsored by the Moraine Area Private Music Teachers Organization and the UWWC Music Department. It was geared toward students in grades 5 through 8 who have had at least 2 years of piano instruction.

The workshop focused on music theory, composition, history, and ensemble playing. Another of the activities included a Capriccio class which explored the music of the 19th century with an emphasis on the music of Felix Mendelssohn and his sister.

The staff for the workshop included Jean Dorney, Jeri Bowerman and Judie Lewis, and ensemble teachers Anna Asch, Pat Hauser, Wayne Heisler, and Michelle Marsala.

Those who attended the workshop included: Julie Kostuch, Brittany Gill, Mike Marsala, Peter Anderson, Katherine Kliss, Jennifer Hauser, Rachele Schmidt, Nathan Gergetz, Ann Terlizzi, Andy Gill, Jason Broecker, Andrea Coppens, Katie Johnson, Melissa Rohrer, Kelly Treml, Holli Broecker, Monica Spella.

CAPITOL COMMENT

An opinion by
U.S. Senator Herb Kohl of Wisconsin

New Medicare Policy Takes Effect September 1

For some of you, going to the doctor will no longer mean filling out those often confusing Medicare claims. Beginning September 1, that burden shifts from patients to doctors. If you do file your own claim after September 1, it will be denied. If this happens, simply call your doctor and have him or her file it.

This new policy shouldn't affect too many of you. Nationwide, less than five percent of Medicare beneficiaries now file their own claims. But with the change, the federal government hopes to eliminate the confusion for this small minority as well as maintain more accurate information on Medicare recipients.

The new policy requires doctors to file Medicare claims in a timely fashion. It's not likely that your doctor would risk losing your business by hanging on to a claim for a long period of time, but if you are concerned, ask your doctor when he is going to submit your claim. Physicians who fail to file Medicare claims or who charge their patients for the cost of this new paperwork requirement could face fines of up to \$2,000.

If you have any problems with this new policy or have any questions, feel free to contact one of my state offices: Eau Claire - (715) 832-8424; Kenosha - (414) 657-7719; Madison - (608) 264-5338; and Milwaukee - (414) 297-4451.

One hundred eighteen families tracing their farm or home ownership to pioneer relatives of 100 or more years ago will be awarded Century Farm and Home certificates by State Fair of Wisconsin and the Wisconsin Exposition Board during the State Fair, Aug. 13 thru 22. The ceremony scheduled for Aug. 17, on Recognition Day, will include an award to Ray Schaefer, Town of Kewaskum, Washington County, and Mrs. Fred Schleif, Roger Schleif and Mrs. Otto Weddig, Town of Auburn, Fond du Lac County.

The public has undoubtedly noticed a name change at the Marx food store here in Kewaskum. Harold Marx, owner, is pleased to announce that the store will, in the very near future, become a brand new Sentry Food Store as soon as all remodeling and construction is completed. Plans and work are now under way in the store.

This community was shocked on Thursday, to learn of the death of John C. Geidel, 1405 Roseland Dr., Kewaskum, village official and active organizations member, who passed away at the young age of 36 years at Rockford Memorial Hospital, Rockford, Illinois, following an apparent stroke. John went to the hospital on Sunday to undergo minor ear surgery Monday morning. After the operation he called to report he was feeling fine and would be coming home soon. Early that same evening he reportedly suffered the unexpected stroke. The stroke proved fatal to him three days later on Thursday.

Last Thursday evening when a man was offering a horse for sale in this village, Marshal Geo F. Brandt became suspicious of the party and arrested him. After being questioned he gave his name as Frank Jennings, residing some place in Minnesota. He also admitted stealing the horse from a farmer by the name of Edward Gerner, residing near Fillmore. At the time of the arrest there he was in possession of the horse and harness only, claiming that the buggy was somewhere near New Fane, where he encountered an upset. Jennings was employed by Mr. Gerner the past summer. As we go to press Marshal Brandt was in communication with Mr. Gerner and it is expected that the latter will arrive here some time today to claim the ownership of the horse. Proceedings for the punishment of the horse thief will no doubt be instituted.

Late Wednesday afternoon the worst hail storm of which there was any record in Fond du Lac County struck Waucousta and vicinity. Farm house windows were broken, grain flattened out and even potato and tomato vines so damaged as to practically render useless the prospective crops in a number of fields. In one instance, that of John Rinzel a well-known farmer just east of the village, all the crops on his farm, save two acres of oats, were absolutely ruined. Some of the hailstones were almost as large as pigeon eggs.

Rah Rah, Old Timers. This phrase could be heard with wild cheers after the ball game last Sunday afternoon, when the Old Timers defeated the Regulars in a one-sided but interesting game, score being 9 to 2. A large crowd was present to see the finish of the Regulars. And just as predicted the game was one that was worth going miles to see. Now you hear the

remarks, "Where are the Regulars, guess we will go out with a dark lantern to find them."

Deadline Aug. 20 for Elderly/Disabled Van/Bus Applications

Private, nonprofit organizations have until the week of Aug. 20 to begin the process to apply for \$1.4 million in state and federal grants for vans and buses to transport elderly and disabled Wisconsin residents.

Applicants must publish a notice to apply for the funds by Aug. 27 to be eligible for the grants, according to the state Department of Transportation.

The DOT will provide \$670,000 and the federal Urban Mass Transportation Administration \$712,000 of the grant money. Local organizations have to provide a 20% cash match.

This year for the first time the vehicles to be purchased will be more standardized, and money previously spent on communications equipment will be used to purchase additional vehicles.

"Applicants must show that they are meeting a demonstrated need and that they have the fiscal and management capabilities to administer the program," said Beth Trautsch, manager of the program. "Priority will be given to those organizations that coordinate their services with other agencies and those that offer transportation services to all elderly and disabled persons."

She said that an applicant can apply to operate vehicles itself or can indicate it will lease the vehicles to a third party, such as a professional bus contractor, which would then provide service for elderly and disabled persons.

Trautsch urged minority firms and other private, non-profit organizations that have never before received funds for the specialized transportation equipment to consider applying. Complete application information can be obtained from the transit coordinator in the DOT's local transportation district offices.

In the last application cycle the DOT distributed \$1.3 million to 22 organizations throughout the state to

New Law Restricts Winter Use of Vehicles with Collector Plates

Vehicles with "collector" license plates will now have to be stored during the winter months, under a new law that goes into effect Sept. 1. The new law also increases the registration fees for collector vehicles registered after that date.

Joyce Gelderman, acting Administrator of the state Department of Transportation's Motor Vehicles Division, said the new law prohibits the use of collector vehicles on the highways during January, February and March. The legislative action was intended to help preserve the integrity of the program designed to encourage preservation of historic vehicles.

The "collector" license plates are issued to owners of special interest vehicles which

are 20 or more years old, and who own at least one other vehicle with regular registration plates.

The new fee schedule to register special interest vehicles after Sept. 1 is an initial \$50, plus a sum equal to twice the regular annual fee for the same type of vehicle. The license plates remain valid while the vehicle is owned by the applicant without payment of additional fees.

Gelderman said there is a provision in the new law to issue a temporary operation permit for \$5 to operate the vehicle 10 successive days during January, February and March. "The other option would be to re-register the vehicle under regular registration procedures," Gelderman said.

Kewaskum School District OFFICIAL NOTICE Non-Discrimination Statement and Discrimination Complaint Procedure

The Kewaskum School District is committed and dedicated to the task of providing the best education possible for every child in the District for as long as the student can benefit from attendance and the student's conduct is compatible with the welfare of the entire student body.

The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational or other programs or activities shall not be abridged or impaired because of a student's sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Complaints regarding the interpretation or application of this policy shall be referred to the District Administrator and processed in accordance with procedures established by the Discrimination Complaint Procedure.

DISCRIMINATION COMPLAINT PROCEDURE

Any complaint regarding the interpretation or application of Kewaskum School District's student non-discrimination policies shall be processed in accordance with the following grievance procedure:

- 1) Any student, parent or resident of the School District complaining of discrimination on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability in school programs or activities shall report the complaint in writing to the District Administrator.
- 2) The District Administrator, upon receiving a written complaint, shall immediately undertake an investigation of the suspected infraction. The District Administrator will review with the building principal, or other appropriate persons, the facts comprising the alleged discrimination. Within 30 days after receiving the complaint, the District Administrator shall decide the merits of the case, determine the action to be taken, if any, and report in writing the findings and the resolution of the case to the grievant.
- 3) If the grievant is dissatisfied with the decision of the District Administrator, he/she may within 15 days, appeal the decision in writing to the School Board. The Board shall hear the appeal at its next regular meeting, or a special meeting may be called for the purpose of hearing the appeal. In either case, the Board must hear the appeal within 45 days of its receipt. The Board shall make its decision in writing within 15 days after the hearing. Copies of the written decision shall be mailed or delivered to the grievant and the District Administrator.
- 4) If the grievant is dissatisfied with the Board's decision, he/she may within 30 days appeal the decision in writing to the State Superintendent of Public Instruction.
- 5) Discrimination complaints relating to the identification, evaluation, educational placement or the provision of a free appropriate public education of a child with exceptional needs shall be processed in accordance with Wis. Stat. Ch. 115, Subch. V and Wis. Admin. Code Ch. PI 11.
- 6) Discrimination complaints relating to programs specifically governed by federal law or regulation shall be referred directly to the State Superintendent of Public Instruction.

Kewaskum School District OFFICIAL NOTICE Student Directory Data

As per Wisconsin State Statute 118.125 the Kewaskum School District includes the following information to be considered as student directory data information: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received, and the name of the school most recently attended by the student.

Student directory data will be considered public information and will be released upon request unless an adult student or the parent or guardian of a minor student, refuses the release in writing of their own initiation. The letter of refusal should be addressed to the principal of the school you or your child attends. This request should be completed within two weeks from the date of publication of this notice.

Jobs 2000 Addresses Business Concerns

Recent national reports warn that significant portions of the country's worker pool lack employable job skills. A General Accounting Office study says nearly 30 percent of the nation's 33 million young people (ages 16 to 24) will not have employable job skills by the time they turn 25.

Employers continue to report that many of their employees lack basic skills in reading, writing and mathematics which makes it difficult to train those employees for advancement into higher-level jobs that require greater technological skills.

Meanwhile, the U.S. Department of Labor reports that by the year 2000, 75 percent of today's workers will need to be retrained. The Hudson Institute states that within 10 years, 52 percent of all jobs will need more than a high school diploma while 70 percent of all jobs will require less than a bachelor's degree.

Moraine Park Technical College is proposing an extensive expansion of its facilities to meet demands from local business and industry that the college provide more programs and graduates to deal with this serious shortage of skilled labor.

Called JOBS 2000, this proposed expansion project would add facilities at Moraine Park's three campuses in Beaver Dam, Fond du Lac, and West Bend, as well as remodel portions of the existing facilities to improve instructional space and student services.

Moraine Park would use this additional space to expand its more hard-pressed programs and add new programs to meet growing demands from employers for more skilled workers.

There is a serious shortage of skilled workers in the Moraine Park Vocational, Technical and Adult Education District. Moraine Park's Placement Office was able to fill fewer than half of the job orders it received from employers in 1989 — despite the fact that it placed a record 94.2 percent of Moraine Park graduates that year.

Ironically, while calls from employers for more Moraine Park graduates go unanswered because of a lack of space at the college, enrollment waiting lists of up to two years have developed in some of the more "in demand" occupations — tool and die, nurses, computer skills, just to name a few.

The Wisconsin Department of Industry, Labor and Human Relations (DILHR) predicts the state will face an acute shortage of skilled workers by the year 2000.

Labor market studies for the counties within the Moraine Park VTAE District also reveal similar troubling statistics. A DILHR study says that more than 5,300 jobs will go unfilled by the year 2000 in Fond du Lac, Green Lake and Winnebago counties because of a lack of sufficiently trained workers to fill them.

Comparable skilled worker shortages are seen for Washington, Dodge and surrounding counties as well.

In the Waukesha, Ozaukee and Washington counties Private Industry Council service area it was predicted that the largest number of jobs that will go unfilled by the year 2000 will

be in trained, entry-level positions and in highly skilled technician jobs. Examples of some of the employment areas expected to experience skilled worker shortages are building trades; most health care jobs — registered nurses, practical nurses, nurse's aides, home health care; manufacturing technician jobs — tool and die, computer aided manufacturing, computer aided design; computer technicians; accountant technicians; math technicians with skills working in statistics; quality control technicians; and almost all service industry jobs. Most of these are employment areas Moraine Park is already offering training in or has plans to start a training program.

These reports stress that there will be no shortage of workers available, but there will be a serious shortage of workers with the proper technical training.

With these sobering statistics in mind, Moraine Park hopes to provide some relief to businesses and industries within the Moraine Park Vocational, Technical and Adult Education District — the sole reason why it is proposing its JOBS 2000 project.

For that reason, on July 19 the Moraine Park VTAE Board unanimously endorsed JOBS 2000 and voted to submit the funding for the \$13.8 million project to a district-wide referendum on Sept. 11.

If approved by the district's voters, the expansion would provide additional space needed for new training programs already scheduled to be taught at Moraine Park — Public Safety Telecommunicator (dispatchers), Industrial Screen Printing, Manufacturing Tooling Engineering Technician (tool and die makers skilled in computer manufacturing), Alcohol and Other Drug Abuse Counseling, Marketing Communications and Desktop Publishing.

JOBS 2000 would also provide Moraine Park the opportunity to expand its retraining opportunities for adults seeking skills upgrading

or who face mid-life career changes with such programs as Workplace Basic Skills, Extended Degree evening classes and technical training in more than 50 existing occupational fields.

Boycotting the Local Gasoline Dealer is Like Blaming the Victim for the Crime

Calls for boycotting local gasoline dealers in response to price increases is ineffective and hits the wrong target. The local gasoline dealer is an independent business person who, like the customer, purchases his product from another. The terminal price (from which the retailer and marketer purchases) has increased at a rate slightly greater than that passed through to the consumer.

Greater to the retailer and wholesale marketer than to the consumer? Yes, often competition will not allow full pass through of higher prices, especially at the rate they have recently occurred. The low volume retailer will purchase less often than the high volume retailer, therefore manage to skip one or more increases. This will lead to some variation of price on the street.

The local retailer and marketer margin (gross profit) is the same or slightly less today compared to pre-panic pricing of late July.

The dealer and wholesale marketer have also been placed on allocations (specific volumes of product they may purchase) which forces them to limit purchases as a hedge against higher prices to come. In effect, they are forced by their suppliers to operate lean so that they must pay higher prices as they occur.

The local business person has invaded no country, owns no tankers, operates no refinery or pipeline and has no influence on pricing of petroleum products. A

boycott at this level accomplishes nothing. Might as well kick the dog.

NOTICE OF ELECTION

TO: ELECTORS OF MORAINE PARK VOCATIONAL, TECHNICAL AND ADULT EDUCATION DISTRICT

TAKE NOTICE that a referendum election will be held at the regularly scheduled election on September 11, 1990 in Moraine Park Vocational, Technical and Adult Education District for the purpose of approving or rejecting an Initial Resolution authorizing general obligation bonds or promissory notes of the District in an amount not to exceed \$13,800,000 adopted by the District Board on July 19, 1990, and the capital expenditure projects described in the Initial Resolution and in an Intent Resolution adopted by the District Board on June 21, 1990.

The referendum question reads as follows:

"Shall Moraine Park Vocational, Technical and Adult Education District, Wisconsin, be authorized to issue, pursuant to Chapter 67, Wisconsin Statutes, general obligation bonds or promissory notes in an amount not to exceed \$13,800,000 for the public purpose of paying the cost of a building program, consisting of constructing buildings and building additions and enlargements and remodeling and equipping facilities at the District's Beaver Dam, West Bend and Fond du Lac campuses?"

District electors must vote on the referendum question at the times and places at which they cast their ballots in the regularly scheduled election.

Copies of the resolution directing submission of the question set forth above to the electorate and information concerning District boundaries may be obtained at the Moraine Park Vocational, Technical and Adult Education District offices located at 235 North National Avenue, Fond du Lac, Wisconsin 54935.

Persons with questions regarding the referendum election should contact John Willis, Vice President, Business and Finance, of the District.

Rural Development Program Offers New Opportunities

The Wisconsin Department of Development recently announced that \$600,000 in biennial funding is available through its Rural Economic Development program. This program is aimed at stimulating the growth of businesses in small communities and rural areas. This money will be available through grants and loans of up to \$30,000.

In a state with as many diverse economic interests as Wisconsin, it is a necessity to ensure a healthy balance of economic development between rural and urban areas. By targeting this funding to counties with less than 150 people per square mile and to communities of under 4000 residents, the Department of Development hopes to effectively channel funds to small businesses outside of urban areas. To be eligible for funding, businesses must have fewer than twenty-five full time employees.

THANK YOU

A special thank you to my family, friends and relatives who visited me in the hospital, and to those who sent cards, gave gifts and offered prayers.

Thank you to Pastor Schultz for his visits and prayers. Thanks also to Dr. Guth, Dr. Geiger and the nurses during my stay at St. Joseph's Hospital, in West Bend.

Sincerely,
Edward "Sonny" Lepp

The funds available through the Rural Economic Development program can be used towards starting a new business or expanding an existing one. The activities covered by this program include, feasibility studies, business plans, engineering studies, appraisals, marketing and management assistance, and legal accounting of managerial services. The aim of this program is to help offset some of these costs associated with the start-up and expansion of small businesses.

A nine member citizen board will review the applications and distribute funds as grants or low interest loans, based upon the need of the applicant business. Application forms may be obtained from the Wisconsin Department of Development. For further information contact Paul Van Rooy at (608) 266-3278 or Craig Kettleleson at (608) 267-0750 at the Department of Development.

Home Hints

COOL BABY'S BOTTLE — Last summer, my mother-in-law came up with a great suggestion for keeping my daughter's bottled formula or juice cooler during hot weather. This tip worked well for me, and I would like to share it with other mothers now that summer weather is just around the corner.

Most grocery stores carry reusable ice cubes. They are made of a plastic material and filled with distilled water. Once frozen in the freezer, they can be added to the baby's bottle to keep the milk or juice cooler. These "ice cubes" do not melt down and dilute the beverage and are reusable after cleaning and refreezing. Tina R., Lawton, Okla.

The ABC's of Back-to-School

The lazy days of summer are over and the back-to-school race is here.

Running to school in the morning or from school in the afternoon, children run the risk of injury.

"Head injury is among the most dangerous of injuries, especially for children," according to Dr. James Wasco, medical director for the New Medico Head Injury System. "Any injury to the brain can significantly impair a child's ability to learn, concentrate or remember information and this can have a damaging effect on a child's development."

Before you send your children back to school, outfit them with a few safety reminders.

Walking to School

Most pedestrian accidents are the fault of the walker, not the driver, according to the National Safety Council, so:

- Be sure to allow enough time for your child to get to school without rushing.
- Plan your child's walking route to minimize the number of street crossings.
- Teach your child always to use sidewalks and to cross at crosswalks. Where there are no sidewalks, have your child walk

facing traffic, so the child can see oncoming cars.

Riding the School Bus

Although school buses are much safer than family cars, statistics indicate that 40 students die and 7,000 are injured each year in school bus accidents. The majority of these accidents occur outside the bus, when students are boarding or exiting.

- Have your child wait for the bus to stop completely, then board carefully, using the handrail.
- Tell your children to take their seat quickly and stay in that seat for the entire ride — never putting head, arms or hands out the window.
- Teach your children to cross at least 10 feet in front of the bus so the driver can see them.

If you need more information about head injury and rehabilitation, call the New Medico Head Injury System at 1-800-CARE TBI, ext. 3070.

"Going to school without parents is a sign of a child's independence," said Dr. Wasco, "but children must learn that practicing safety is a prerequisite for independence."

Goeden Wins Again

Don Goeden

Last Saturday evening at the Sheboygan County Fairgrounds in Plymouth, two professional modified drivers, Frankie Heimerl of West Bend and Don Goeden of Kewaskum, put their

driving talents and the "set-ups" of their cars to the test.

With Heimerl choosing the outside groove and Goeden taking the inside groove, they gave the fans something to stand, stomp and cheer about. Together, they performed a clean competitive duel to the finish, with Goeden crossing the finish line three car lengths ahead of Heimerl, to take the W.C.U.B. Radio of Manitowoc win and trophy.

Frankie Heimerl is the current Eastern Wisconsin Stock Car Assn. point leader and Goeden is in 4th place in the Modified Division, point standings. Enjoy the E.W.S.C. races every Saturday night at Plymouth on the quarter mile clay oval. Time trials at 6:00 p.m. and the first race is at 7:30 p.m. (Time for sound curfew is 11:00 p.m.)

Dean to Compete In State Open

MEQUON — When the state's top pro and amateur golfers get together at Mequon's North Shore Country Club next week for the 1990 Wisconsin State Open, Kewaskum's Hon-E-Kor golf club will finally be represented.

Gregg Dean became the first Hon-E-Kor golfer ever to qualify for the prestigious event, as he finished fifth in a qualifying regional meet held at Muskego Lakes Country Club July 31st.

Dean, who will be a junior at UW-Stout this fall, shot a 74 to take the fifth of 12 spots advancing to the State Open. Of the 57 golfers participating in the regional qualifier, 40 were professionals, including three of the four golfers finishing ahead of Dean.

"I was just shooting for pars," Dean said of his qualifying round. "I was just trying to hit the greens and two-putt. I was looking for consistency."

His consistency helped him make a bit of history, as he now will focus on the State Open, to be held Monday through Wednesday. Dean said his tee-off times were to be Monday at 1:46 p.m., and Tuesday at 9:14 a.m.

After the first two rounds are played, the original field of 180 golfers, which are for the most part professionals, will be cut down to the top sixty scores, including ties.

Athletic Club to Sponsor Flag Football League

The Kewaskum Athletic Club - Youth Division is again sponsoring a Flag Football League this fall for all 6th, 7th, and 8th graders in the Kewaskum School District. One goal of the program is to teach football fundamentals which can be used at the high school level.

The cost to play will be \$5.00 per family. The \$5.00 contribution is a membership fee to the Athletic Club and allows participation in any Athletic club sponsored programs for the year. All players interested should fill out the application below along with the \$5.00 and send it to Jerry Marx or Tom Bartelt.

All players must attend an organizational practice on September 8th at 1:00 p.m. at the Varsity Football field behind Kewaskum Elementary School.

This is the second program

sponsored by the Youth Division. The summer baseball program was a huge success again with the team being very competitive in the Lakeshore Baseball League.

Participation is the key to the success of these programs. Any parent or person interested in coaching or helping to run this program should contact Jerry Marx or Tom Bartelt, or attend the organizational meeting on September 8th.

Jerry Marx, 707 Moraine Ct., Kewaskum, WI 53040, 626-4384.

Tom Bartelt, 1226 Pine Lane, Campbellsport, WI 53010, 626-4903.

Annual Horseshoe Tournament Held

Some of the pitchers from the 102 entries enjoying a beautiful day pitching shoes in Kiwanis Park.

It didn't look very good for pitching horseshoe; cloudy, raining, but sure enough around seven fifteen it stopped raining. Around eight o'clock you could hear the sound of horseshoes hitting the stake. The Horseshoe League lucked out again with good weather.

There were 102 entries from all over the state. Don Kangas from West Allis, also last years state champ, took first in Class A mens with averaging 69.7 percent ringers. Joan Guetzke of Germantown took Class A ladies pitching 67.6 percent ringers.

Joan and Rob Struebing, tournament directors, would like to thank all who helped in making the tournament a success, especially the young scorekeepers and Herb and Dianne Theisen for the use of their computer again. The results of the tournament are as follows:

Tournament directors Joan and Rob Struebing making sure everything is running on time.

Fall Sports Season to Open

With school set to start in a matter of weeks, it means it is once again football season, as Kewaskum High School is set to begin yet another fall sports season.

Head coach Clark Pearson and his troops are preparing for their season-opener, when the Indians host their small-town rivals, the Campbellsport Cougars on August 24. In the meantime, the Indians will prepare for their opener with a scrimmage this Friday, when they host Slinger and West Bend East in a controlled scrimmage.

Other dates to remember for season-opening meets involving Kewaskum teams include August 23rd, when the girls tennis team travels to Slinger; August 25th, when the girls volleyball team opens their season by hosting the Indian Pre-Season Invite; and August 28th, the day the cross country teams begin competition in a meet at Howards Grove with Sheboygan Falls.

The tallest woman basketball player was Juliana Semenova who played on the 1976 Russian Olympic team and stands seven feet two inches tall.

SPORTS LICENSES FOR 1990-91 ON SALE NOW

MADISON, WI — Wisconsin hunters and anglers who have Sports Licenses should be aware that the license expires Friday, Aug. 31, reminds Department of Natural Resources license sales staff.

The Sports License is a combined license that allows its purchaser to fish, hunt small game and hunt deer with a gun. The Sports License for 1990-91 is available now at all DNR and county clerk offices and at many

sport shops and retail vendors. The license is valid from Sept. 1, 1990 through Aug. 31, 1991.

A Sports License costs \$32.60 and is only available for Wisconsin residents. When purchased separately by residents, a deer hunting license is \$15.35, a small game hunting license is \$9.60, and an individual annual fishing license is \$9.10. The department sold 210,668 Sports Licenses in 1989.
