Photo courtesy of Pat McFadden

A total of 140 runners competed in the 17th annual Lion's Club Kettle 20 race on Sunday, Aug. 19, in conjunction with their chicken bar-b-que.

Unfavorable misty humid weather made the tough course even tougher as the competitors endured the 3.5, 5 and 12.4 mile events. The Kewaskum Rescue Squad was called to assist one of the runners who suffered an asthma attack.

Races are divided into several age groups and drew runners from Illinois, Minnesota, New York, New Jersey and as far away as Ottawa Canada.

Scott Branta of West Bend

was the winner in the men's K20 with a time of 1:07:54. Branta previously had won a race here.

Leading the women to the finish line was Polly Janes of Oshkosh with a time of 1:29:11.

Terry Stargardt and Sandy Stargardt, husband and wife, of Marshfield took the 3.5 mile championship with 20:17 and 22:19 respectively. Their uncle, Dick Schlice of Kewaskum was there to cheer them on.

In the 5 mile men's division Bill White of Pomona, New Jersey, came thru with 29:47 to capture first place. Ann

Limberg of Glenbeulah was the winner in the 5 mile women's division with a time of 33:16.

Over 700 dinners were served by the Lion's Club. According to Paul Behring about half of the 700 dinners were take-out orders due to the inclement weather. All-in-all Paul stated the bar-b-que was again a success.

Proceeds from this annual event are used for local "Lions" community service projects, with an emphasis on the Quest program, a drug and alcohol educational project in the Kewaskum School District.

## FFA Nominates Peterson for Honorary American FFA Degree

Roy Peterson has been nominated to receive the National FFA Organization's Honorary American FFA Degree. Peterson was nominated for the degree by the Wisconsin FFA Association and the nomination was approved by the National FFA Board of Directors at their recent meeting in Alexandria, Virginia. The Honorary American FFA Degree is the highest honorary award presented by the FFA. This year, 189 teachers and supporters of agricultural education were nominated to receive the degree during the 63rd National FFA Convention in Kansas City, Missouri, November 8-10.

Peterson has been involved

with the National FFA Organization for three years. During that time, he has helped organize and launch the new Commodity Marketing Activity and has conducted numerous training sessions for teachers across the country. The Commodity Marketing Activity is a program targeted at FFA youth to help them better understand the use of the commodity markets as a risk management tool in today's farming operation. Peterson himself was a member of the Kewaskum FFA and served as its chapter president and is also

## Turkey Shoot Set for Sept. 16

KIWANIS CLUB OF KEWASKUM has announced its Turkey Shoot will be held on September 16. The event will be held at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

This year's event will feature a firing line, trout pond, trap shooting, archery, compound bow shoot, children's games, etc. Hot and cold beverages and food will be available.

In addition to advance sale tickets being accepted at all events, cash prizes will be awarded at special drawings. Ticket holders will not have to be present to win.

Advance sale tickets will cost \$3.00 and may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

## Shear Heaven Has New Owner

Diane Fry, her husband Al and son Brad, along with her father Florian of Milwaukee have purchased the home and business of Shear Heaven Hair Salon, 329 Hwy. V, Kewaskum, from Brenda and Gary Hansen. She will take over the business on Thursday, Aug. 23.

The name will remain the same and Diane is looking forward to serving the customers in the same manner. She has had her license for 22 years and has a vast knowledge of cosmetology.

Brenda has owned and operated Shear Heaven for the past five years and wishes to thank all her customers for their patronage.

## Opening Day for Holy Trinity Students Sept. 4

Holy Trinity Catholic School will begin its 110th year of educating children on Tuesday, Sept. 4, at 7:30 a.m. for 175 students. The official liturgy opening the new school year will be on Friday, Sept. 7, at the 7:45 a.m. Liturgy. Our theme this year is Holy Trinity School: People united in Jesus as we again build a loving, caring community rooted in Jesus.

We have several new teachers joining our faculty this year. Mrs. Mary Kollmorgan will teach science 5-8, math 5, 6 and religion in grade six. Mrs. Patricia Goham will teach Jr. High English, Reading, and History with a 7th grade religion and homeroom. Mrs. Terri Christie will be our part-time teacher for students-at academic-risk.

We look forward to a stimulating educational year at Holy Trinity Catholic School and welcome with enthusiasm our 20 new first graders.

## St. Lucas School Begins Aug. 29

St. Lucas Lutheran School will open on Wednesday, Aug. 29 with a full day of school.

Kindergarten starts at 9:00 a.m. and dismisses at 11:40 a.m. Grades first through eight start at 7:45 a.m. and dismiss at 2:30 p.m.

There will be an opening service on opening day at 11:00 a.m.

# Village Board Okays Bonding To Refinance TIF District

By GERRY MUELLER  
Statesman Staff Writer

Paul Thompson of Bank-One, told members of the Kewaskum Village Board Monday night, that the 'A' rating the village had received from Moody's Investors Service was "very good" and that the company (which does financial background checks) was favorably impressed with the financial status and management of Kewaskum.

Those remarks came as Thompson addressed the board on plans to issue general obligation bonds in the amount of \$1,075,000 to re-finance the remaining balance on Kewaskum's Tax Incremental District loan. Thompson indicated the financial stability

of the district should be easily able to support that debt.

Although the village will not need to make the final balloon payment until November 1st, Thompson said Bank One would issue the funds by September 4th, which would allow the village to use the money to make a short-term investment and earn interest until the money is needed in November.

Following Thompson's comments, the board approved the two resolutions required authorizing the issuance of the bonds.

In other action the board approved the purchase of a computer software package which will allow the village to do its own 'in-house' utilities billing.

Village Administrator Dan

Schmidt advised the board that, while the expenditure had not been budgeted, the purchase was the best route to take since the company which presently does the village's billing is changing equipment and looking to get out of providing that type of service in the very near future.

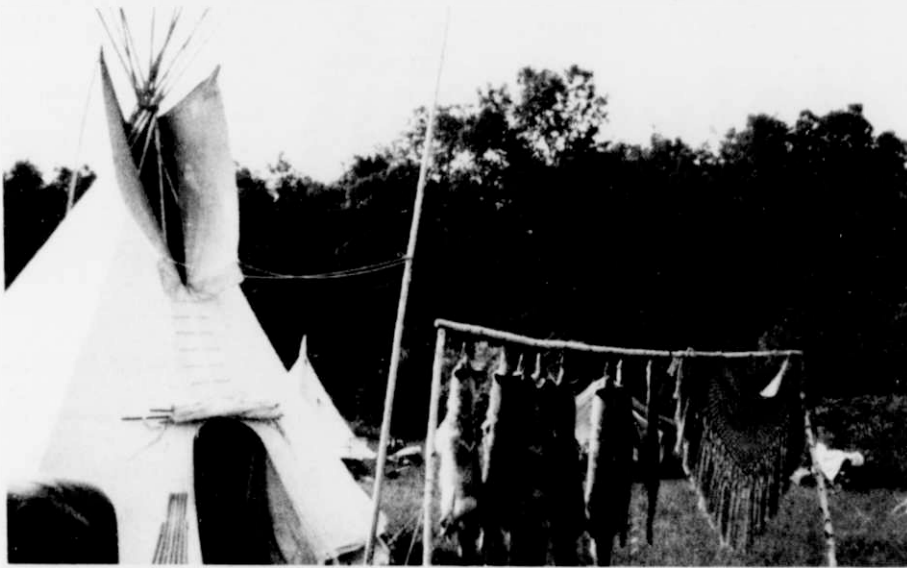

"It would cost the village about \$3,000 - \$4,000 to buy compatible software for their equipment and three months from now they may probably drop the service," said Schmidt.

Schmidt said, eventually the village will have to do its own billing anyway so it might as well put that money toward software which will be compatible with its own

## Buck Skinners to Camp Alongside River During Kettle Kountry Kolors

Step back in time when things moved at a slower pace and camping was a way of life instead of just a recreation. The Buck Skinners enjoy the best of both worlds, spending weekends in the past and weekdays in the present. Come and see their encampment alongside the Milwaukee River during Kewaskum's Kettle Kountry Kolors Festival which will be held in River Hills Park October 13th and 14th. The festival, sponsored by the Kewaskum Area Chamber of Commerce, will have so many interesting things to see and do, for young and old alike. The list of foods and refreshments is long enough to tempt even the most discriminating palate. This is one festival you won't want to miss. Watch this paper for more information on the many people participating in Kewaskum Kettle Kountry Kolors.

# Car Hits New Fane Bridge

Photo by Gerry Mueller

By GERRY MUELLER  
Statesman Staff Writer

An unknown driver apparently failed to negotiate a curve and struck the railing of a bridge at the intersection of Auburn-Ashford and Youth Camp Roads just north of New

Fane, Saturday night.

According to the Fond du Lac County Sheriff's Department spokesperson, the accident was called in at 9:28 p.m., August 18th. Upon arrival the officer found the vehicle, but no one

was at the scene.

Authorities talked to the owner of the car, Earl McDonell of Campbellsport, who said he had left the car parked at a tavern. He told officials he did not know who was driving the vehicle when it crashed into the bridge.

According to the Sheriff's Department, they had no record of the vehicle being reported stolen.

## Oestreich - Halfmann

Vows of Holy Matrimony were exchanged between Tammy Oestreich and Bruce Halfmann on Saturday, June 16, 1990, during a 1:30 p.m. ceremony at Tabor United Methodist Church in Eden. The Reverends Stanley Hayes and Joyce Rinehart officiated.

Parents of the couple are Mrs. Richard Halfmann, Kewaskum, and Mr. and Mrs. Glenn Oestreich, Eden.

Music was provided by Melanie Balken and Matt Breaux.

The bride chose her sister, Tracy Rupp, of Eden as her matron of honor. Bridesmaids

in attendance were Trudy Oestreich of Eden, and Tanya Oestreich, Fond du Lac, sisters of the bride; their friend Connie Feuerhammer of Campbellsport; the bride's aunt, Diane Vogel of Fort Atkinson; and Cheryl Kuehl, and Lisa Bunkelman, both of Kewaskum, sisters of the groom.

Rick Halfmann, of Campbellsport, the groom's brother, served as best man. Groomsmen included Mark Halfmann, Campbellsport, brother of the groom, Randy Rupp of Eden, brother-in-law of the groom; the bride's brother Troy Oestreich of Eden; their

friend Randy Dreher of Kewaskum; Alan Kuehl and Lowell Bunkelman, both of Kewaskum, brother-in-laws of the groom.

Miniature bride and groom were Allie and Adam Rupp, niece and nephew of the bride, Kelly Halfmann, the groom's niece, served as the flower girl.

Ushering duties were shared by the bride's uncle, Stuart Oestreich of Shawano, and their friend Mike Buss of Kewaskum.

A reception and dance followed at the Holiday Inn-Holidome, Fond du Lac.

The bride is a graduate of Campbellsport High School, and attended Fox Valley Technical College. She is employed as a receptionist for Nichols Transportation, Eden.

The groom is a Kewaskum High School graduate, and attended MATC, Mequon. He is the greenskeeper for Hon-E-Kor Country Club in Kewaskum.

The couple enjoyed a honeymoon trip to the bride's parents cottage in Conover. They reside at W3034 Badger Dr., Campbellsport.

computer system. The package Schmidt recommended will cost about \$5,700 and includes a hand-held unit which, when the meter reading is punched in, will provide that data to the computer. "Right now we process all that information by hand," said Schmidt. The cost of the software will be covered, in part, by the money presently being paid for the outside billing services.

In going through department reports, Schmidt advised the trustees that the village will be proceeding with a Hepatitis immunization program for its employees. Members of the Fire, Police, Public Works and Water Pollution Control Department will be invited to attend an informational meeting at St. Joseph's Hospital, which has agreed to administer the shots and maintain employe records for the village.

Schmidt noted the program will be voluntary, however, any employee refusing the shots will be required to sign a release form. The program will cost the village \$132 for each employee who received the immunization.

Police Chief Richard Knoebel advised the board that his department, in conjunction with the Washington County Sheriff's Department and other neighboring communities, is soliciting private businesses for funds to set up a tip line which would provide rewards for

information regarding crimes.

Knoebel said the program, like Milwaukee's Crimeline Anonymous, would be set up so individuals could call a toll-free '800' number and provide information on a crime without having to give their identity away. "The caller will remain anonymous and be given a number," said Knoebel, "and if the tip leads to an arrest and conviction, that person could claim the reward by taking that number to the bank handling the funds."

Knoebel said the West Bend Police Department has already agreed to man the phone line 24 hours-a-day.

Knoebel also informed the board that a grant for the DARE program had been approved for Kewaskum and it will pay for the cost of the officer's training, salary and fringe benefits as related to the program.

In final action, the board approved a Class 'B' Beer license for Eckl's Main Street Inn (formerly Landmark Inn), a building permit to Michael Berger for an attached garage, and changing the first September meeting date to Tuesday, Sept. 4th, due to the Labor Day holiday.

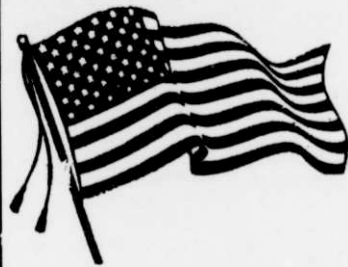

The board also approved a resolution to keep the Municipal Building's office hours adjusted to the summer schedule. The office will now be open from 7:30 a.m. to 4:30 p.m., all year round.

The board then adjourned to closed session.

## Germanfest at West Bend

West Bend's Fifth Anniversary Germanfest will be held on August 24th, 25th and 26th, at the corner of 5th and Walnut. The annual fest has been extended by an extra day this year to commemorate its fifth anniversary.

The founder of West Bend's Germanfest, Herb Tennes, owner of Tennes True Value Hardware, initiated the idea as a result of an unsuccessful Maxwell Street Day in 1985. A rainy day spelled the doom of the 1985 street sale and the birth of an ethnic festival.

In an effort to boost sales lost to the poor Maxwell Street promotion, Tennes, who enjoyed attending Milwaukee's Germanfest, gained the support of other area businessmen in bringing in the first German band. It was a natural with West Bend's German heritage! From the first four-hour band performance, the event has grown to this year's three-day event.

This year's festival opens at noon Friday with the tapping of the first keg by Mayor Michael Miller. Continuous German music by nine German bands, traditional dancing groups, and a whole array of German food will be on hand for the next three days. The eats can be washed down with a sip of German beer. Both light and dark Sprecher beer will be on tap, as well as Andeker, Miller and Miller Lite.

New events this year include a Sheephead Tournament. New tables will be filled each hour, with player sign-up 30 minutes before the hour. The hour of the tournament are 2-5 p.m. and 7-10 p.m. on Friday and Saturday; 1-5 p.m. on Sunday. Door prizes will be awarded each hour, and each hourly winner will have a chance to win the Grand prize. The highest score for the three day tournament will be presented with a trophy.

The Jaycees are sponsoring a pancake breakfast from 7:30 - 10:00 on Saturday morning. "All you can eat" pancakes served with sausage and

pancakes will cost \$3.00.

The children will enjoy a Ronald McDonald Show at 11 a.m. Saturday, behind Old Settlers Park on Sixth Ave. There will be face-painting, before and after the show, as well as a kids booth in the main tent area.

Souvenirs and raffle tickets will be sold during the three days. The grand raffle prize is a gift certificate from West Bend Travels for \$900.00, good toward a trip of the winner's choice. This will be awarded on Sunday evening.

The schedule of musical entertainment is as follows:

**FRIDAY:** 12:00 noon - 2:00 p.m. The Cedar Lake Home Choir and The Senior Center Kitchen Band; 2:00 - 6:00 p.m. The Jerry Schneider Band; 6:15 - 10:15 p.m. Die Sterne der Heimat.

**SATURDAY:** 7:30 - 9:30 a.m. The River City Irregulars German Band; 10:00 - 2:00 p.m. The Harbor Lights; 2:15 - 6:15 p.m. Alte Kameraden; 6:30 - 10:30 p.m. Gene Heier German Band.

**SUNDAY:** 11:30 - 3:30 p.m. The Dorf Kapelle; 3:30 - 7:30 p.m. The Johnny Hoffmann Band.

Other special events scheduled during Germanfest include the Riverwalk Art Fair on Saturday from 9:00 - 4:00 p.m. on both sides of the riverwalk. Over 60 artists from throughout Wisconsin will be selling their wares.

The Farmers Market will be held from 7:30 - noon on Saturday, on the north end of Main Street.

The Washington County Historical Museum will open from 1:00 - 4:00 p.m. on Saturday, with an emphasis on German Heritage. The museum is located at 340 S. Fifth Ave., just one block south of the main fest area.

## UWWC Sponsoring Fall Workshops for College Bound Students

WEST BEND — Workshops for those thinking about going to college are being hosted by UWWC this fall. Dates for the workshops are Friday, October 26 and Friday, November 9. The workshops will be presented by the Student Service's Office and are geared toward high school juniors and seniors.

The two hour programs start at 10 a.m. and include short workshops on how to get involved in student activities, faculty expectations, how to choose the right college for you, options available for majors, and a question and answer period with UWWC students serving as panelists. "That one is always a lot of fun," says Jan Ford, Associate Director of Student Services. "That session always gives a realistic view of college life because it comes from a student perspective," she adds.

The workshops are limited to 50 people and Ford suggests those who are interested should sign up in advance. For reservations and information call 335-5201.

## MPTC Offering Food Dehydration Course

A Food Dehydration course is being offered this fall at Moraine Park Technical College's Beaver Dam and West Bend campuses.

The four-week course, **Foods: Dehydration and Use**, will be offered in Beaver Dam on Wednesdays, Sept. 5-26, from 12:30 - 3:15 p.m., and in West Bend on Tuesdays, Sept. 4-25, from 6:30 - 9:15 p.m.

This course includes the use of the electric food dehydrator, storage of foods, rehydrating and cooking with dried foods as well as other uses for the dryer. The \$24.85 course fee includes a meal prepared each week, eaten and evaluated.

Advanced registration is required. To register, call the Moraine Park campus of your choice: Beaver Dam - 887-3411 or West Bend - 334-0909. Use course number 303-460-004 to register in Beaver Dam. Use course number 303-460-005 to register in West Bend. Use course number 303-460-005 to register in West Bend.

## Day-Care Providers Course Offered

The 40-hour course to meet state licensing requirements for family daycare providers will start Sept. 5 at Moraine Park Technical College's Fond du Lac campus.

**Family Day Care: State Licensing**, 304-400-001, will meet Wednesday nights on Sept. 5 and 12 from 6:30 - 9 p.m. Cost of the course is \$39.85.

Topics covered in the course: The Business of Starting Family Day Care, Child Growth and Development, Health and Safety, Nutrition, Planning for the Child Care Day, Guiding Children's Behavior, Professional Family Day Care and Strengthening Quality in Family Day Care.

To register call Moraine Park at 929-2100 for the Fond du Lac campus, 334-0909 for the West Bend campus and 887-3411 for the Beaver Dam campus.

## Moraine Park To Offer Beverage Service Courses

Moraine Park Technical College will offer its four-hour Responsible Beverage Services

course in four cities this fall for people involved in the commercial sale and service of alcoholic drinks.

This class fulfills the alcohol awareness training requirements by the Department of Revenue's alcohol bill (SB462) which requires new applicants, bartenders and operators to complete the training before a license can be issued.

The course will be scheduled for the Beaver Dam, Fond du Lac, Hartford, and West Bend areas during September, October and November. Cost for the course is \$6.70.

Topics covered include laws controlling alcohol, the liabilities of serving alcohol and strategies to curtail clientele from drinking too much.

The class was developed by Moraine Park for the state Vocational, Technical and Adult Education system at the request of the Wisconsin Restaurant Association (WRA). The WRA had sought a uniform training course for its statewide membership.

To register for a class call the respective campus or the Hartford instructional center: Beaver Dam, 887-3411; Fond du Lac, 929-2100; Hartford, 673-4250; West Bend, 334-0909.

## NO MATTER WHAT HAPPENS TO INTEREST RATES, YOU'RE COVERED WITH OUR NEW 'COMFORTER' CD

**If your rates go down, you're protected!**

Our new "Comforter" CD lets you take advantage of rising interest rates. And, if rates go down, you're protected. How does it work? If rates go up during the term of your "Comforter," we'll let you switch over to a higher rate before it matures. That's a built-in comfort factor you can't get with ordinary CDs.

### Current Rate

**1 Year CD**

Rate

**7.836%**

Annual Yield

**8.15%**

**2 Year CD**

Rate

**7.974%**

Annual Yield

**8.30%**

You can even add more money when your rates go up

Not only can you change your rate once during your CD's term, you can even add more funds — any sum up to the amount of your original deposit. So more of your money earns a greater return while your original maturity date remains the same. The Comforter CD — it's an offer we don't think you can beat.

**If rates go up, your rate can go up too!**

Offer expires August 31, 1990. Minimum deposit \$1,000. Maximum \$100,000 (including any additional deposit). Substantial penalty for early withdrawal. Rates subject to change. Interest is compounded daily on a 365 day year base and paid quarterly.

## Campus Notes *Concerned About Water Quality?*

EAU CLAIRE — The School of Education at the University of Wisconsin-Eau Claire has named 89 undergraduates to its Dean's List for the spring semester, according to Dr. William Dunlap, Dean of Education.

Dean's List honorees must have at least a 3.5 semester grade point average (4.0 equals A) and be in the top 10 percent of education students who are in good standing and have completed at least 15 credits during the semester with no withdrawals, no incompletes or repeated courses and no registrations for a satisfactory/unsatisfactory grade.

An area student who was selected for the Dean's List in the School of Education includes: ADELL — Julie Jean Cotter, sophomore, elementary education.

Water is never pure hydrogen oxygen, H<sub>2</sub>O. Natural impurities are often beneficial to health. However, too many minerals in the water can be annoying, clogging pipes and staining laundry. Contaminated water is more serious and may threaten your family's health.

If your water quality is questionable you will want to read "Improving Your Drinking Water Quality," University of Wisconsin - Extension publication G3378. The publication costs \$1.30 per copy and can be ordered from Agricultural Bulletin, Room 245, 30 N. Murray St., Madison WI 53715, (608) 262-3346. It is also available at some county Extension offices.

The average person takes from 12 to 18 breaths per minute.

## Neumann Attends Pen Pal Picnic

Wisconsin Pen Pals enjoy their picnic

The 6th annual Wisconsin Pen Pal Picnic was held on Saturday, August 11th at Cedar Creek Inn, Cedarburg. About 50 people attended the picnic with 21 of those who do pen paling.

The theme for this picnic was "Hawaii Luau." Everyone

received a lei and the pen pals also received a grass skirt.

Joann Alson, from Marinette was crowned the WI. Pen Pal Princess. After the pot luck picnic, bingo was played and there was a Chinese Auction

and door prizes.

The picnic is held the second Sat., of August each year. If you would like more information regarding the picnic or pen paling write to Ann Neumann, 4265 Hwy. H - West, Kewaskum.

## KHS Science Teachers Chosen to Attend Workshops

Bill Lickel and Len Soller, two KHS science teachers were chosen to attend national workshops this past summer. Both were chosen on the basis of competitive grants.

Bill Lickel attended the Workshop in Environmental and Behavioral Biology for High School Teachers sponsored by Michigan State University and the National Science Foundation from June 18 - July 20.

Topics covered included biotic and abiotic factors in lakes, streams, forests and wetlands and agricultural ecosystems. Guest speakers covered such topics as environmental litigation, water quality, timber management, enforcement and control and integrative pest management. Speakers were from government, industry and the private sector. Afternoons were

devoted to laboratory or field work. The final project was a unit plan that can help teachers implement environmental issues with their classes. A \$1500 stipend was also awarded for this workshop.

Len Soller was chosen to attend the National Science Foundation Arizona Summer Science Institute for Science Teachers. This program lasts for three summers. This year the program ran from June 4 through August 8. The \$4000 per year tuition is paid by the Science Foundation. Upon completion of the program, Soller will have completed a master's degree in astronomy.

The focus of the program is to improve science education with a focus on astronomy. It is a planetarium workshop with a match and astronomy emphasis. The workshop uses science teachers to teach other science teachers.

## Have a New Mailing Address? Don't Forget To Notify the IRS!

If you've recently moved or have a new mailing address, you've probably been busy filling out change of address notices. Before you think you've covered all the bases, there's one group you might want to make sure you've notified: the Internal Revenue Service.

To ensure that you receive your tax packages, that all-important refund, or other, tax-related correspondence, you should let the IRS know your new mailing address. To do this, simply send IRS Form 8822, "Change of Address," to the IRS Service Center which served your previous address. For most Wisconsin residents, this will be the Kansas City Service Center. The names and addresses of all of the IRS Service Centers, and the areas they serve, are listed on the back of the form.

To obtain Form 8822, call the IRS, toll-free, at 1-800-424-3676 (FORM).

## Sign Language Class Held at Beechwood School

Students learn sign language in summer class at Beechwood School

The Beechwood School was the setting for a unique class this past month.

35 students ages 2-14 and ten parents participated in basic sign language class. Four one hour sessions were held, being taught by Mary Beth Richards who is a speech therapist at the Rehabilitation Center in Sheboygan, Wis.

This class was held free of charge. The students learned basic signs to enable them to communicate with a hearing impaired person, but especially to talk with a child in Beechwood who has a severe

hearing loss.

We learned basics such as apple, orange, milk, cracker, plate, cup, please, thank you, hungry, eat, drink, animals, play, sit, stand, walk, run, clothing, brother, sister, mother, father, house, colors etc.

Students ordered their snacks by signing and played a game of silent simon says using only signing to give directions to the game.

It was very enjoyable to see this type of education available in this community.

## IN MEMORY

In memory of HELEN MEISENHEIMER who passed away ten years ago, Aug. 23, 1980:

Loving memories never die  
As year's roll on and days pass by.

Deep in our hearts a memory is kept  
Of one we loved and will never forget.

Sadly missed by her husband,  
children and grandchildren.

## Your Child: Home Alone After School?

How can you decide if your child is old enough to be home alone? To help decide, parents may ask themselves some questions that focus on the maturity of the child and the readiness of the parent. Parents and children can then plan together regarding "self-care" for the children.

What are the "responsibilities" of a child home alone? The child may need to unlock doors, which means responsibly handling a house key. The key may be clipped on a child's belt or hung around the neck. The key may even be kept with a reliable neighbor. The key should not be kept in the mailbox, on a ledge, or under the doormat - burglars could break-in much too easily if keys are in those common places! Can you child handle a house key?

A child home alone must be able to handle phone calls and visitors, especially callers and visitors the child does not know. The child may need to deal with repairmen or sales persons, and perhaps with a shady individual who may be eyeing the household valuables! Children need to role play and practice these situations in order to gain confidence in dealing with visitors and to prevent fear and uncertainty in a real-life situation. Can your child handle a caller or visitor?

Parents' minds will be put to rest if the parents know the child will follow family rules. Parents and children need to make clear whether or not the child may have playmates over to visit (and if so, who), may or may not use the stove or microwave, should do household chores, or should phone someone to report on being home safely. Is your child likely to follow family rules?

Your child may be ready for "self-care" if he/she...

1. can handle a house key
2. can deal with callers, and
3. can follow family rules.

Your child also needs to be willing to stay home alone. Be sure the child has the confidence and security to be home alone on his/her own before your child is allowed to do so.

## Letters to the Editor

July 24, 1990

### Letter to the Editor:

Congress must act to restore public confidence in the election process. This summer, both the House and the Senate have the opportunity to address and resolve the major problems plaguing our current campaign system.

The problems are well known. The spiraling costs of campaigns are out of control - increasingly forcing legislators to sacrifice the public interest to special interest fundraising. The average citizen cannot hope to compete for influence with political action committees (PACs) or large political party contributors. The average challenger to an incumbent faces a wall of PAC money and congressional privilege that is daunting and often defeating. The American voter feels disenfranchised and turned off.

There are no excuses for allowing the current campaign finance mess to continue. Congress must enact tough,

comprehensive campaign finance reform legislation. Special interest influence from PACs and big political party contributors must be strictly curtailed. Spending limits are needed to restrain escalating campaign costs. Candidates should receive low-cost broadcast time and reduced - cost postage so they can get their messages to the voters without being so dependent on special interest money. And, small contributions from individuals should receive a tax-credit to encourage more voters to participate.

Congress must put its house in order. Politicians of each party will try to point to the other as the roadblock to reform, but the public demands that real, comprehensive reform be enacted. Congress must stop ducking on campaign finance reform.

Very truly yours  
Mona Steele  
President

Dear Editor:

I was fortunate enough to participate in several 4th of July parades in my district, and I was overwhelmed by the number of people who came out to help celebrate our Nation's 214th birthday.

As I walked down the parade routes, it was inspiring to see family members, young and old, coming together for this celebration. It was also inspiring to see so many flags displayed throughout the communities. The pride showing on their faces; and the patriotism displayed throughout the day, made me proud to be representing them in Madison, and also very proud to be an American.

I truly enjoyed meeting the people during and after the parades. I look forward to meeting area residents during the remaining summer and fall activities.

Respectfully,

Mikey Lehman

## Dairyland Seed and DuPont Announce Joint Research

Dairyland Seed Executive Vice-President, Tom Strachota, recently announced a joint research arrangement between Dairyland Seed Co., Inc., of West Bend, Wisconsin, and E.I. du Pont de Nemours relating to soybean research for sulfonylurea herbicide tolerance. The research will be conducted between Dairyland Seed's research department and Du Pont's biotechnology department.

Farmers will benefit greatly from this research according to Dr. John Claus, DuPont Global Products Manager for soybean herbicides. "Sulfonylurea tolerant soybeans will increase the options for farmers for improved, cost-effective, reliable, and environmentally safe weed control," said Claus.

"We are confident Dairyland Seed can incorporate this exciting new technology into future varieties," said Strachota.

DuPont stated it is interested in working with Dairyland because Dairyland is considered a leader in the development and release of new soybean varieties. It is critical that this new herbicide tolerance technology be incorporated into the most productive varieties containing the most advanced genetics.

According to Claus, "This effort will require critical skills

in chemistry, advanced genetics, plant breeding, weed control, and yield evaluation to be successful. The objective of the program is the production of commercially viable soybean varieties which have tolerance to DuPont herbicide compounds."

According to Strachota, "All of us in agriculture are keenly aware of the need for the development of new, improved, and environmentally safe herbicides for the future. DuPont is a leader in the development of these herbicides and Dairyland is pleased to be working with DuPont to develop varieties with tolerance to these herbicides."

Much of the research will be conducted at Dairyland's research locations in Clinton, Wisconsin, and Gibson City, Illinois. Dairyland's staff at these two locations will interact with DuPont's Agricultural Products Department to evaluate the progress of this research.

Strachota stated, "It is the goal of this joint research to develop the varieties of the future with resistance to the herbicides of the future."

For more information on Dairyland Seed, contact Dairyland Seed Co., Inc., P.O. Box 958, West Bend, Wisconsin 53095 or at (414) 338-0163.

## Fitness Firm to Offer Fall Aerobics

The Fitness Firm will offer area residents of West Bend the opportunity to shape up with a new fall lineup of classes. They are scheduled to begin the week of September 4.

Local classes will be held by professional, experienced instructors at Kettle Moraine Fitness Center, 1043 S. Main St., on Monday, Wednesday and Friday at 6:00 p.m. and on Tuesday and Thursday at 4:00 p.m.

Classes meet twice weekly for one hour. Using the company's unique Free Class Policy, students are encouraged to work out more often by attending other Fitness Firm classes for no additional cost. Classes incorporate creative choreography adaptable to individual needs and restrictions. Participants are advised to work out at their own fitness level and modifications are taught during the classes. Participation is not limited by age, sex, size or physical ability. Classes include mat work for firming and toning, a warm-up to prepare the body for more vigorous movement, an aerobic segment for conditioning the heart and lungs, a cooldown and stretching for increased flexibility. All programs follow the guidelines established by the President's Council on Physical Fitness and Sports.

## Grading Market Hogs

You want to determine the quality of your hogs. Do you know what makes the grade?

Grading standards for market hogs have been revised three times since 1952. The most recent standards began in 1985.

For a description of current pork grades and how to apply them, see University of Wisconsin - Extension publication A3349, "USDA Grades for Market Hogs and Pork Carcasses."

Publication A3349 costs 50¢ per copy and can be ordered

from Agricultural Bulletin, Room 245, 30 N. Murray St., Madison, WI 53715, (608) 262-3346. This publication is also available at some county Extension offices.

Leo Tolstoy's wife copied the manuscript of his epic novel *War and Peace* by hand seven times.

## Soybean Brown Stem Rot Kit Available

One of the relatively silent yield robbers you may have on your farm is a disease called brown stem rot. To help you identify whether you have a brown stem rot problem, Dairyland Seed is proud to announce the availability of a free DSR brown stem rot kit. This kit consists of a Management 2000 tm guide that will help you identify whether you have a problem and manage your fields to minimize the effects of brown stem rot. In addition to this management guide, our brown stem rot kit also contains a handy carrying card. This card is the size of a business card and will easily fit in your wallet. It briefly summarizes the symptoms of brown stem rot and what you can do to minimize the effects of this disease.

To obtain your free Brown Stem Rot Kit, please contact Customer Service, Dairyland Seed Co., Inc., P.O. Box 958, West Bend, WI 53095 or phone (414) 338-0163.

## KEWASKUM WOMENS TUESDAY NIGHT VOLLEYBALL LEAGUE Aug. 14, 1990

Gruber Tool and Die 12-0; Amerahn 11-1; Thelen Construction 11-5; Ike's Repair Shop 10-6; Shefond Self Servers 5-7; My Little Friends 6-10; Barrel Haus 5-11; LR Trophy 3-9; Homeplate 1-15.

At the 6:00 p.m. games, Ike's Repair Shop swept all four games from the Homeplate, 15-7, 15-7, 15-13, and 7-0. The last game was called because of time, due to a late start.

The 7:00 p.m. games saw Thelens Construction win the first three games, 15-11, 15-8, 15-5. My Little Friends prevented a sweep by winning the last game 15-10.

The 8:00 p.m. games saw the Amerahn make quick work of LR Trophy by winning all four games, 15-3, 15-3, 15-1 and 15-10.

In the night cap, the Barrel Haus lost some close games, while being swept by Gruber Tool & Die, 15-5, 15-13, 15-9 and 15-13.

The Shefond Self Servers had a bye.

## 25 Years Ago 50 Years Ago

Aug. 20, 1965

John Theisen, Jr., 32 of R 1, Campbellsport, who was married to Kathleen Schneider of Kewaskum only seven weeks ago on June 26, 1965, was killed Saturday afternoon when crushed by a tree while clearing land with a bulldozer in the Birchwood Lake area of the town of Osceola. Authorities said he was pushing trees with the bulldozer when one apparently whipped back over the top of the machine taking off the muffler and striking him in the face and chest. Fond du Lac County Coroner Frank Decker said Theisen died of a crushed chest. He was pronounced dead at St. Agnes Hospital, but probably was killed instantly according to the coroner. The coroner said the tree pinned Theisen against the tractor seat and then passed over his body as the machine continued forward. Once clear of the tree, Theisen fell forward and his body knocked the tractor out of gear. Theisen had been working for the Bertram Construction Co.

James Krall, 30, of Milwaukee, who was held in the Washington County Jail on burglary charges resulting from a break-in at the A.G. Koch, Inc. grocery store in Kewaskum early April 2, 1965, was sentenced to seven years in Waupun prison Friday when he appeared before Judge Robert J. Stoltz on three burglary charges: He received a two-year term on this count in addition to separate terms of three years and two years for previous burglaries in Milwaukee.

## 75 Years Ago

Aug. 21, 1915

During the heavy electrical storm which passed over this part of the country last Friday evening at about 8 o'clock, lightning struck the barn of Nic Uelmen, in the Town of Kewaskum about five miles east of this village, and together with its contents and an adjoining shed totally destroyed it. Mr. Uelmen and his family were in the house when the bolt of lightning struck the south end of the barn and at once set fire to the barley stored in the mow. He immediately went to the stable and let out the chickens and took harnesses and other things obtainable from the bar. The barn contained about 25 tons of hay, this year's crop of barley, a truck wagon and between 40 and 50 chickens were burned.

## Barrel Haus Advances to Championships

KEWASKUM — It's playoff time for Kewaskum Softball Leagues, and action continued last Thursday with quarterfinal and semifinal games at Kewaskum Kiwanis Community Park.

Just one team came away with a victory on Thursday, and that team was Barrel Haus III, which beat three other teams to advance to this Thursday's championship series.

Barrel Haus III, which earned a berth in the playoffs with a victory in the final week of the regular season, opened play against Barrel Haus II (9-6). Bryon Hoffmann slugged two home runs for BH III, which started playoff action with an 8-6 record to lead them to an easy 11-1 win.

Hoffmann continued to rip the ball in BH III's second game, a 6-0 whitewash of the Kewaskum Saloon (9-6). Hoffmann hit his third homer of the night, a two-run shot, and came within feet of another, as he was the catalyst of the fired-up Barrel Haus squad.

The win advanced Barrel Haus to the semifinals, where they met a potent Bar-N-Annex (10-5). The Annex's sticks were impotent in this contest, however, while Barrel Haus kept hitting away. Taking advantage of a couple of Annex miscues, BH III held a solid 7-1 lead after five innings.

Bar-N-Annex tried to mount a rally in the bottom of the seventh, as Mike Coulter used his patented grunt to send one over the left-field fence, a two-run shot, but it was too little too late as Barrel Haus III held on for a 7-3 win.

That win sends Barrel Haus III (11-6) into Thursday's best 2-out-of-3 championship series against regular-season champion Bar-N-Ranch (11-3).

# Football Season to Open Friday at Campbellsport KHS Indians Looking to Improve on 0-9 Record

KEWASKUM — After a 1989 campaign which saw it go winless in the Eastern Wisconsin Conference for the fourth straight year, there is but one way to go for the 1990 edition of the Kewaskum Indians football team - up.

With seven returning starters, three on offense and four on defense, and a total of 36 juniors and seniors out for the sport this year, Indian head coach Clark Pearson has a solid base on which to build the squad. For that reason and others, Pearson is optimistic about this year's team. This is his third year as head coach, and his 18th year as football coach.

"We're looking pretty good," Pearson said earlier this week. "We're a little bigger than we were last year, and a little quicker. We also have a lot more depth."

Heading the list of nine returning letterwinners is senior Mark Felix, who looks to be the frontrunner for the starting quarterback position. The 6-3, 160-pound Felix has been competing with 5-9 junior Chad Cook for the signal-calling duties. Cook quarterbacked the JV squad to a 6-2 record last season.

"Felix is going to start," Pearson said of the quarterback situation. "They both have been looking good in practice," he noted, but the fact that Felix saw quite a bit of action last season probably was in his favor.

Joining Felix in the backfield will probably be junior letterwinner Randy Schlice. Schlice has been battling a pair of non-lettermen seniors Kevin Herriges (6-0, 160) and Rob Kertscher (6' 161) for the starting running back spot.

The fullback position got a bit of a blow in last week's scrimmage against West Bend East and Slinger, as hopeful Brian Jackson (6', 180) injured his knee and it is not known just how serious the injury is. Senior Jamie Miller (6' 170) will take over the fullback spot in the meantime.

As for the offensive and defensive lines, they will be anchored by returning second-team all-conference selections, Scott Heller (6' 202) and his brother Brian (6-2, 180). They will be joined on the offensive line by senior center Craig Krell (6-2, 180), who shined in the scrimmage at both center and his linebacker positions.

"He looked real good," Pearson said of the senior Krell. "He's been doing a real good job so far. Scott and Brian (Heller) along with Krell should anchor the lines."

Two other letterwinners will try to hold down starting spots on the line. Senior Jerry Sese (6-3, 190) and Jason Thull (6-1, 203) will provide some meat down in the trenches that the Indians so badly need. Sese will start on the defensive line, while Thull will be on offense.

Also returning to the fold on offense this year will be wingbacks Brian Dobke (5-8, 139) and Kim Marx (5-9, 140), who shared the position last season. The two will more than likely bring in the plays as they did last year.

The Indians have an

abundance of talent at the end position, with senior Scott Hass (6-1, 155) and juniors Shawn Schneider (6-1, 158) and Matt Seiser (6', 145) battling for the starting spots, one of which was vacated by Bruce Waechter, an all-conference selection a year ago.

"They can catch the ball," Pearson said regarding his trio of receivers. "We have got to get the ball to them, because they can do things with it."

Other top non-letterwinners who will be looked on to make contributions this season include seniors Chris Donath (LB), Jeff Sabish (DB), Brett Rauch (DL), Tim Herman (T), Glenn Kirst (DB), Steve Liegl (G), and juniors Joel Fleischman (DE), Jason Steilow (DE), and Aaron Laatsch (DE).

As for strengths of the team, Pearson said "It's hard to say at this stage. Obviously we're going to have much more depth this year, so that will be a key." He also went on to say that "We should be able to throw the ball a bit more," as he has been impressed with his corps of quarterbacks and receivers thus far.

"We must improve our running game," Pearson said when citing weaknesses. "We don't have any real dominating players either." Pearson also mentioned that inexperience may hurt the Indians at times.

Pearson points to Two Rivers and Plymouth as the teams to beat in the Eastern Wisconsin Conference this season. Before the Indians get ready to go after their first conference victory in years, they first have their sights set on their old rival, Campbellsport, where they will travel for Friday night's season opener.

Pearson's probable starters for Friday night's game, as of Monday afternoon were:

Offense — QB - Felix; RB's -

Schlice, Dobke, Miller; ENDS - Schneider, Seiser; OFF. LINE - Krell, B. Heller, Thull, Herman, Liegl.

DEFENSE — DEF. LINE - Sese, Steilow, Fleischman, B. Heller; LINEBACKERS - Donath, S. Heller; Krell; Herriges; DEF. BACKS - Marx, Kertscher; SAFETY - Cook.

## T's Lounge Rallies To Capture Crown

KEWASKUM — The 2-out-of-3 championship series went pretty much the same way as the regular season did in the Tuesday night softball league, which concluded its season last week.

The championship pitted the first half champion Barrel Haus (7-0) against the second half winner T's Lounge (6-1) in a 2-out-of-3 series for the Tuesday night title.

As they did in the first half of the season, Barrel Haus rolled in the opening game, using solid base hits to romp all over T's, 18-6.

But, just as they came on in the second half of the season, T's Lounge came back in the second game, playing good defense and getting some clutch base hits to pull out a 12-6 win, evening the series at one game apiece.

With everything on the line in the third game, the two teams battled each other evenly into the seventh inning, with the score knotted at 4-4.

T's scored a pair of runs in the top of the seventh to open up a 6-4 advantage, and looked to have the win as Barrel Haus' first two batters of the inning failed to reach base. But the Barrel Haus didn't give up, as the next three batters each singled, scoring a run and cutting the deficit to 6-5.

But that's the way it ended, as the next batter hit a grounder up the middle, a sure base hit usually, but this time it was hit right at the T's shortstop who fielded the ball and stepped on second for the final out.
