Village to Appeal Preliminary Census Figures

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board, Tuesday night, authorized Village Administrator Dan Schmidt to submit an appeal to review the village's preliminary 1990 census figures as provided by the federal census report. The April 1990, federal census numbers showed Kewaskum had a population of 2,431, with 911 living units.

Schmidt said the numbers appeared to be inaccurate so a second survey, conducted by the village was done. Those preliminary figures show a population of 2,531 (100 more than the federal count) and an actual living unit count of 924 (13 more than the federal figures).

"What this means," said Schmidt, "is that the village could lose state shared revenues amounting to \$180,000 over the next ten years." He said annual state shared revenues have been averaging around \$177 per person.

Schmidt advised the trustees that the deadline to file an appeal was just a few days away. "If we don't get our appeal in before the deadline," he stated, "we're stuck with their figures for the next ten years." Trustee Mary Krueger asked, "will the feds take our count?" Schmidt said there was no guarantee, but the fact that the census made a variable

error in counting the actual living units was in the village's favor.

Trustee Gary Gavin questioned why the Kewaskum Police Officers were used to do the census on overtime. Schmidt informed Gavin that the survey must be conducted by a sworn official. He also noted that not all the survey was done on overtime. "The overtime involved came to \$260," noted Schmidt, "and I think that was money well spent to save the village \$180,000 in state shared revenues over the next ten years." Schmidt also noted he had received several positive comments through the fact that the police were actively involved with the public.

The issue of recycling and the disposal of hazardous materials from households was again discussed by the board. Earlier in the year the board had talked about the possibility of holding an "Operation Cleansweep" which would allow hazardous household materials which cannot be collected by the Public Works Department with other garbage or processed by the Water Pollution Control Department.

These 'hazardous materials' include a multitude of household items ranging from paints, thinners, oils, cleaners and medicines to fertilizers and insecticides.

Schmidt advised the board

individuals or companies handling these materials for disposal must be licensed by the state. "Not just anyone can do it and that's where the cost comes in," said Schmidt. Schmidt told the board he had checked with three firms who handle this type of collection. "It comes out to \$75 - \$100 per housing unit," he stated. "If every home in the village were to participate, we would be looking at a cost of \$90,000." Schmidt noted, however, that most communities which have had a cleansweep operation had experienced about a 10% participation rate. That would equal a cost of about \$9,000.

Schmidt said the high cost came from the fact that special crews and equipment are brought in to handle the collection. "Village employees aren't even allowed to touch the stuff," noted WPC Superintendent Pete Albers.

Each container is examined and its contents emptied into special drums with products of a similar make-up. "The containers are then crushed and placed in still other drums to be taken to a specially licensed incinerator for disposal," said Schmidt. "That's what you're paying for, plus the time and travel to get here."

Albers said the state of Minnesota has a program on a countywide basis four times a

(Continued on Page 2)

Little Competition in Sept. 11th Primary Electors Asked to Vote on Vocational School District's Borrowing

By GERRY MUELLER
Statesman Staff Writer

Possibly the most important issue for area voters on next Tuesday's primary ballot is the question of whether or not the Moraine Park Vocational, Technical and Adult Education District will be given the 'green light' to borrow over \$13 million for an extensive expansion and remodeling program.

The district is seeking authorization to issue up to \$13,800,000 in general obligation bonds to finance a building program which includes new, and existing buildings additions, remodeling and facilities equipping for the West Bend, Fond du Lac and Beaver Dam campuses.

For the past few months MPTC has been waging a strong publicity campaign, trying to inform the public of the need for the program and the borrowing to finance the work.

The project is said to be the end result of over a year's study and surveys of present facility capabilities and the growing present and future needs and demands being placed on the three continuing education campuses.

The only other issue which may draw more voters to the polls is the race to win the

Democratic nomination for the post of State Attorney General.

William TeWinkle, 36, of Sheboygan, is challenging James Doyle, 44, of Madison to win that nomination and the opportunity to face incumbent Republican State Attorney General Donald Hanaway in the November general election.

TeWinkle presently serves as Senator of the 9th District in the Wisconsin State Senate. Doyle, a lawyer, served as Dane County District Attorney from 1977 to 1982.

The only other race on the Democratic ticket is that of Secretary of State, where incumbent Douglas LaFollette is being challenged by Stuart Levitan.

On the Republican ballot, incumbent Governor Tommy Thompson is being challenged by two contenders, Bennett A. Masel and Edmond Hou Seye neither of which appears to be any serious threat to Thompson.

The only other battle on the Republic ticket is at the county level where Washington County Coroner Shirley Hofmaier is being challenged by Terry Schmitt.

All other Democratic and Republican candidates for the various county, state and U.S. posts are running unopposed.

No Way to Start the Work Week

By GERRY MUELLER
Statesman Staff Writer

A large flatbed truck carrying crushed junk cars rolled over late Tuesday morning slightly injuring its driver.

The accident occurred at approximately 11:40 a.m., on

Highway 28, about two miles east of Kewaskum.

The driver, John Wonders, of Jackson, told Washington County Sheriff's deputies who arrived at the scene, his load shifted as he was westbound around the curve near the gravel pit. He was unable to

keep the truck from going onto the gravel shoulder, resulting in the vehicle tipping over. The truck landed on its side in the ditch along the north side of the road. No citations were issued.

The rig belonged to Dennis Jones of Cedarburg.

Historical Society Early Farm Days Here Sunday

The Kewaskum Historical Society invites you to their 16th Annual Early Farm Days celebration on Sunday, Sept. 9. The event will be held on the west side of River Hill Park from 10 a.m. to 6 p.m.

Visitors will be able to enjoy the many displays including gas and steam engines, miniature engines, old farm equipment and antiques. The award winning museum and reconstructed 1847 log cabin will be open to the public.

The Kewaskum Historical Society is pleased to announce that the Kettle Moraine Cloggers, will be featured for everyone's enjoyment. Don't miss the chance to see these two dance groups

perform, as both are outstanding.

A fall harvest stew, which is prepared on the day of the event over an open fire in a 40 gallon cast iron "butcher's" kettle right on the grounds, will be available to the public. Roast beef sandwiches, hot dogs, delicious homemade desserts and refreshments will also be served. Provisions for carryout food and the selling of homemade pies will be available for your convenience.

The 16th Annual Early Farm Days commemorative collector's book will be on sale for a \$1.00 donation. The proceeds will be used to support the operation and maintenance of the museum and log cabin.

There will be free admission and horse drawn wagon rides, so be sure to bring the family.

Apartment Project Plan Hits a Snag

By GERRY MUELLER
Statesman Staff Writer

At last Tuesday's Plan Commission Meeting, Kewaskum developer Jim Wessing found out that the best of intentions don't always work out the way you expect them to.

Wessing came before the commission to get approval of a certified survey map for the purchase of some additional land to meet rear yard requirements in order to construct another apartment on Knights Avenue, just north of his recently completed complex in Creekview Estates.

Wessing had no problem in getting the map approval, however, when he showed the commission blueprints of the proposed project's layout he learned part of it did not meet village ordinances.

Wessing proudly showed the commission members plans for a new 16-unit complex which includes two detached garage structures. In an effort to have the project blend in with present and future homes, Wessing proposed to build the apartment running north and south on the property to minimize the expansive look of the building. On each side he also planned on constructing an eight-stall garage, also running north and south.

Everyone, including Zoning Administrator Richard Zarling, agreed the plan was well developed and thought out.

There was just one small hitch, the village's ordinances prohibit the construction of multi-unit garages in side yards. "I have no problem with the layout of the apartment," said Zarling, "but because of where the garages are placed, I would have to deny approval of the plans." Village ordinances specifically state garages for this type of project must be constructed in the rear yard, noted Zarling.

Zarling did say, however, that after Wessing brought the plans to him and they were denied, he could go to the village's Board of Appeals. "They could make an exception and override my decision," stated Zarling, "or they could uphold it." Zarling advised Wessing and the commission that if the Board of Appeals upheld his recommendation, Wessing's next step would be to take it to court if he wished.

Village Administrator Dan Schmidt informed the commission he had been in contact with the Southeastern Regional Planning Commission and it indicated it saw no problem in making an exception on an individual situation basis, for the project.

After Zarling turns down the plans, a Board of Appeals meeting would be scheduled to hear Wessing's plea.

"I agree with Jim, his layout is very well designed, it's just

that it doesn't meet codes," said Zarling, "and it's my job as zoning administrator to see that the ordinances are followed." If the village wants to make an exception, that's fine with me, he noted.

If Wessing were to build the apartment running east and west along Knights Avenue, with the garages in the rear, the land he presently owns would be adequate and it would also meet all the zoning ordinances.

Wessing indicated he planned on getting together with his architect and discussing the project and possible alternatives.

In other action the commission denied recommending approval of a certified survey map for the Fehlhaber property on the northeast side of the village. Again Zarling advised the commission the proposed division of the property did not meet village ordinances.

Steps necessary to bring the map into compliance were discussed with the prospective purchaser and he was advised to return with a revised map.

Village Board

(Continued from Page 1)

year strictly for household materials. "Maybe that's what we should push for," said Krueger. Schmidt said the University of Wisconsin is trying to lobby the state to do it on a countywide basis. That would reduce a community's cost considerably.

The board then directed Schmidt to draw up a resolution stating its support for a countywide cleansweep program.

In other business the board approved the hiring of Mrs. Ortrud Trapp as Kewaskum Public Library Director.

A resolution declaring September 23 through 29, as "Water Quality Awareness Week," was also approved.

Campus Notes

OSHKOSH — More than 1,600 freshmen are enrolled for the fall 1990 semester at the University of Wisconsin - Oshkosh. The total includes

Kewaskum Statesman,

Goodbye Summer (sigh), Hello School

KMS Principal David Jones and his teachers were ready to welcome the busloads of students.

KMS students return to the grind. "Oh, god, I can't remember my locker combination!" cried one girl.

Decorations and pictures covered the new walls in the open area.

By GERRY MUELLER
Statesman Staff Writer

Like thousands of youngsters across the country, Kewaskum Middle School students reluctantly headed back to the classroom Tuesday. When they got to school though, they were in for an unexpected surprise.

There at the main entrance stood Principal David Jones and his teachers with smiles, balloons and a giant sign welcoming the young people back for the start of the new

school year.

Inside students found another surprise, the long awaited 'KMS' walls which now enclose classrooms in the library's open area.

Teacher Linda Bastable, who organized the greeting, said she has seen a big and positive change in the morale of her fellow teachers this week. The teachers are really looking forward conducting their classes now that the rooms have been enclosed, she noted. "They've really taken charge of

their rooms."

Many of the instructors decorated the walls both inside and out, with everything from 'Welcome Back' signs to pictures of past school activities.

While the teachers visibly displayed their enthusiasm, the students were a little more

restrained in their feelings about coming back to school. While this reporter took pictures, there were quiet, subdued remarks from some of the students ranging from, "I don't want to be here" to "I wish I was still in bed and this was a dream." One young lady asked, "are all the teachers out

here? if they are, I'm heading for class."

Inside the building there was the normal first-day confusion mixed with greetings among the students as they resolutely settled down and grudgingly accepted the fact that summer vacation is over and school has begun.

United Way Contributes \$20,000 To the West Bend Teen Center

The Teen Center is one step closer to reality, thanks to recent action taken by the United Way of Washington County Board of Directors. At a special meeting of the United Way Board on August 16, nineteen representatives and supporters of the Teen Coalition appeared to seek United Way funding for the proposed West Bend Teen Center.

Following the presentation, the Board voted to appropriate \$20,000 from their Venture Grant Fund for this initiative.

"We're happy to contribute to get the ball rolling for the Teen Center," said Daniel Holtan, President of the United Way of Washington County. "Hopefully, our leadership will prompt other support in the community."

He continued, "We recognize

urgent need for the Teen Center, along with the high level of enthusiasm and support right now. United Way support in future years will depend on their initial success, needs and United Way resources," he said.

The Teen Coalition met on August 22 and enthusiastically accepted the gift. Formal acceptance is expected by the NOVA Services Board at their

September 18 meeting. The Teen Center will be part of the NOVA Services agency, which receives other United Way funding.

The Teen Center will mainly serve West Bend youth, but other middle and high school students from Washington County will also be able to participate.

'Saturday College For Kids' Being Offered at UWWC

WEST BEND — Saturday, one of the best days of the week to most people, is taking on new meaning for West Bend kids this fall. Instead of sleeping in, ducking chores, or cruising the malls, kids in grades one through eight will now be able to go to college.

The University of Wisconsin Center — Washington County introduces "Saturday College for Kids." A series of educational enrichment programs designed for specific grade levels. These Saturday short courses will be activity-oriented, including fun learning experiences that provide kids with an opportunity to explore new subjects. Director of Continuing Education, Joan Laabs said College for Kids was born from a desire of UWWC to provide more services for the local school districts. "We hope this is the beginning of more cooperative programming," said Laabs.

The once-per-month series will run throughout the year. The fall schedule features chemistry, math and philosophy and tentative plans for the spring semester include courses in computers, biology, art and music. There is a limited number of openings so Laabs suggests people call her office early to find out more information and to sign up. For more information contact Joan Laabs at UWWC 335-5208.

College for Kids Fall 1990 Schedule:

THE MAGIC OF CHEMISTRY with instructor Alan Grimm — Saturday, September 29, 9 to 11 a.m. at the UWWC Chemistry Lab Room 216 for grades 6 through 8, fee: \$20 (includes souvenir lab goggles) — Discover the exciting world of chemistry in a college laboratory. See how a

chemist studies the world around us. Do mini-demonstrations that show the magic of chemistry. Learn the properties of matter and how it reacts with other matter.

ENCHANTMENT WITH NUMBERS with Professor Roger Peterson, Saturday, October 20, 9 to 11 a.m. in the UWWC conference Room 259 for grades 1 through 3, fee: \$15. Learn about the exciting world of math. Explore the concepts and methods that show how much fun working with numbers can be.

CREATIONS AND CRITICAL THINKING: Seeing Things Clearly with Professor Mark Peterson, Saturday, November 17, 9 to 11 a.m. in the UWWC conference room #259 for grades 1 through 3, fee: \$15. Learn how to examine an issue, pick out exactly what the argument is, and know whether or not it's a good one. This class can improve your ability to reason and analyze. You will gain skills that will enhance your schoolwork.

Births

ERICKSON — a son to Annette and Scott Erickson, 2142 Skyline Drive, West Bend, on Aug. 24.

WAGNER — A son to Lynn and Rodney Wagner, 6385 Beaver Dam Road, Allenton, on Aug. 24.

GESSNER — A son to Jane and Keith Gessner, 7579A Friendly Drive, Kewaskum, on Aug. 24.

OSBORNE — A daughter, Tiffany Lynn, to April Osborne, 134 N. Barton Road, Campbell-sport, Aug. 16.

BOHLEN — A son, Thomas John, born July 11 at St. Joseph Hospital Milwaukee to Brenda and Tim Bohlen, West Bend. Grandparent are Norbert and Carol Neuser, rural Kewaskum and John and Sharon Bohlen, rural Saukville.

Civil War Encampment to Fire Cannon at 'Kettle Kountry Kolors' Festival in October

The Civil War Encampment readies a cannon for participation in a historical re-enactment of the War Between the States. These Civil War enthusiasts will be one of the exciting features coming to the Kettle Kountry Kolors Festival in River Hill Park, Kewaskum, on Saturday and Sunday, October 13th and 14th, giving spectators a first hand view of what life was like during this time period. Union and Confederate soldiers

will gather along the banks of the Milwaukee River to set up their camps. The cannon will be fired every hour during the festival providing the Kewaskum Area Chamber of Commerce can find a benefactor to help defray part of the cost. If you care to help, please call Charleen at 626-2186.

Authorized and paid for by Shirley Hofmaier for Coroner, Orlyn Mayer, Treasurer

Klahn - Ringwell

Michelle Mary Klahn and Mark Allen Ringwell, were united in marriage on Saturday, May 26, 1990 at St. Matthias's Catholic Church, New Fane during a 1:30 p.m. ceremony. Father Nicholas Goebel officiated.

Parents of the couple are Mr. and Mrs. John Klahn of rural Kewaskum, and Ronald Ringwell of rural Plymouth and Diane Ringwell of rural Kewaskum.

Music was provided by organist Sandy Goslinowski and the singers Gil and Darcie Salm.

The bride chose her sister, Annette Klahn of rural Kewaskum, as her maid of honor. Bridesmaids included the bride's cousin, Jackie Klahn, rural Campbellsport; the groom's cousin, Bonny Friemund, Cudahy; Chris Bodden, Kewaskum; Rhonda Herriges, rural Kewaskum; Claudie Quell, Eden; and Kristie Martin, rural Allenton.

Terry Ringwell, of Maine, brother of the groom; served as best man. Groomsmen were Mike Vetter, Jim Horning, and Russ Horning of Adell; Don Menzel and Tim Schneider of rural Kewaskum; and Herb Justman, Kewaskum. The bride's cousin, Adam Jung of Kewaskum, served as the ring bearer.

Ushering duties and mass serving was shared by Kevin Klahn, brother of the bride, and

Jaeger Family Reunion Held

Almost 200 people attended the Reunion of the Bartholemew Jaeger descendants on Sunday, August 19th at the Ashford Town Hall. Dan & Helen McCarty and family organized the event.

Lorraine Jaeger Wagner from Tucson, Arizona and Mary Kay Miller of Charleston, S.C. traveled the greatest distances to visit with family members. Leona Jaeger Garrity of Fond du Lac and Ann Jaeger of Samaritan Home were the oldest attending guests. Zachary Couillard, 12 days old was the youngest child attending.

If anyone is interested in a reprint of the Jaeger Family History book, write to Gloria Konkel, 2934 S. 52nd St., Milwaukee WI 53219. A booklet of additions and corrections is also available.

Jim and Judy Jaeger have graciously volunteered to chair the next reunion which will be held on the third Sunday of August in 1992.

Campus Notes

Curtis Ringwell, the groom's brother.

A reception followed at the Amerahn Hall, Kewaskum.

The bride is a 1986 graduate of Kewaskum High School, and works in the office of Kemps Dairy - Marigold Foods - Kewaskum.

The groom is a 1984 graduate of Kewaskum High School, and is employed with the EST Co., Grafton.

The couple enjoyed a honeymoon trip to Door County and now reside at N1605 Lake Ridge Dr., Adell.

April Wulff, daughter of Eldon E. and Arlene C. Wulff of 5930 Butternut Dr., Kewaskum, has been accepted for enrollment at Ripon College for the fall 1990 semester.

Wulff formerly attended Kewaskum High School.

Ripon College, founded in 1851, is a nationally recognized liberal arts college in Wisconsin known for its strong undergraduate education program. Ripon stands among the top 142 most selective American liberal arts colleges rated by the Carnegie Foundation.

THANK YOU

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gifts to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

B.K.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said for 9 consecutive days, and publication must be promised.

B. K.

Quality hearing aids don't happen overnight.

You wouldn't pay good money for a television set that someone slapped together in his backroom overnight. So why take a chance with a "backroom" hearing aid?

For a custom hearing aid to be professionally, accurately fitted to your own ear contours and hearing loss, it must be made from the inside out. And that takes time. And experience. And a great dedication to quality. All of which a "quickie" prefabricated hearing aid supplier cannot give you.

In fact, "while you wait" hearing aid operations may save you a few days; but what you gain in time, you may lose in customization and quality control.

At Beltone, our skilled technicians hand-craft each custom Beltone hearing aid from scratch in our state-of-the-art manufacturing facility. Using the latest technology and superior components like 24K gold circuitry and gold-plated contacts to fit each unique hearing loss.

Only Beltone has CERTIFAX™, the industry's most advanced computerized quality control system, to measure critical performance parameters of each Beltone hearing aid before it leaves the plant. In addition, 48 separate quality control checks throughout the production of each Beltone hearing aid allow us to maintain the highest professional standards, start to finish.

Beltone's exclusive Certified Hearing Service Plan (CHSP) guarantees every Beltone wearer regular free maintenance and re-tests for as long as you own your Beltone hearing aid.

So, wherever you travel, trained hearing aid specialists in over 3300 Beltone offices and service centers worldwide will be available when you need them, free-of-charge. (Another thing those "backroom" operations can't offer you.)

Don't trust your precious hearing to some "flash-in-the-pan" in-today, out-tomorrow hearing aid company. Call your nearest Beltone Hearing Aid Center today and make an appointment for your FREE hearing test and consultation.

Beltone has been helping people hear better and enjoy life more for nearly 50 years. We take our time—because you deserve the best.

ATTENTION SENIOR CITIZENS

FREE HEARING TEST AND CONSULTATION

Cedar Valley Festival Sunday

Horse drawn carriage rides are just one of the many attractions at the Cedar Valley Day slated for Sunday, Sept. 9 from 12 noon to 4:00 p.m. at the Cedar Valley Campus, 5349 Hwy. D, West Bend.

The festival is sponsored by the non-profit Cedar Campuses which operates the 99 acre Cedar Valley Retreat Campus in the town of Wayne.

There will also be a petting zoo; tours of an American Indian tepee, the 18th century log house and the Cedar Valley lodge; "bug" rides; refreshments; and guests will be able to view the outdoor sculptures.

For more information, call the Cedar Campuses at 334-9487.

Cedar Valley is located between US 45 and US 41 on County Highway D.

Gov. Thompson to Attend Republican Brat Fry in County

The Washington County Republican Organization has announced that Governor Thompson, Lieutenant Governor McCallum, and Attorney General Hanaway, together with other federal, state and local elected officials are expected to be present at this year's Washington County Republican Brat Fry to be held Sunday, September 9, 1990, beginning at 4:00 p.m. at Ridge run Park, West Bend.

With this year's Brat Fry being held just two days before the fall primary it will be an excellent opportunity to meet and visit with the many candidates and elected officials who will be on hand.

A buffet dinner will be served, and entertainment will be provided by the Martha DeRaima Band.

Advance tickets are \$5.00 for adults and \$2.00 for children, and can be purchased by calling 677-2303. Tickets will be available at the door for \$5.50 for adults and \$2.50 for children.

Campus Notes

Richard Staehler, a graduate of Ripon College, and son of John and Karen Staehler of Kewaskum, has been awarded the Beta Beta Beta Award in biology. The award is given by Ripon College each year to the senior biology major who has demonstrated the greatest degree of excellence and initiative in the biological sciences. Staehler was also elected to the Phi Beta Kappa honor society and to the Laurel honor society.

Spinach is a member of the goosefoot plant family. Surprisingly, it is first cousin to the beet. Eating spinach is a good way to build up iron in the blood.

Cloggers to Perform Here Sunday at Early Farm Days

Pictured, back row: Michelle Lukaszewski, Kelly Krueger, Ree Skudlarczyk, Don Vischulis, Sheila Knepprath, Marge Skudlarczyk, Roger Knepprath. Front row: Doris Wetzal, Lynn Krueger, Matt Vischulis, Debbie Vischulis, instructor. Team members missing from photo: Lisa Staab, Millie Tischendorf, Jim Wetzal, Ann Quade.

The Kettle Country Cloggers clog for fun and exercise as well as to entertain an audience. The exhibition team consists of fourteen members ranging in age from 11 years old to senior citizen status. They have been busy performing at the West Bend Farmer's Market, Slinger Fair, Manchester Mall in Grafton, and Early Farm Days in Kewaskum on Sunday as well

as at local churches and clubs in the area this summer.

Clogging is fun for the whole family as in the case of our instructor, Debbie Vischulis, whose husband Don, and son, Matt also clog. They are fortunate to have a grandmother and granddaughter in the group.

There will be a "Free Try It"

on Wednesday, Sept. 12 at 6:30 at the West Bend Recreation Center, Eighth and Elm. No special shoes are required, just an eagerness to try something new. Try it - you'll like it! Call 338-1369 or 338-0943 for more information on lessons or to arrange for the exhibition team to perform at a social or club function.

Jr. Women to Coordinate Bike-a-Thon For St. Jude Children's Hospital

Members of the Kewaskum Junior Woman's Club will coordinate the St. Jude Children's Research Hospital "Wheels For Life" Bike-A-Thon. The Bike-A-Thon is scheduled for Saturday, September 15th at the Kewaskum High School track and parking lot beginning at 9 a.m. Pledge cards are available at Holy Trinity School, Kewaskum Elementary School, Kewaskum Middle School, St. Lucas School and Kewaskum Public Library.

Founded by Danny Thomas in 1962, St. Jude Children's Research Hospital is the largest childhood cancer research-treatment-education center in America. Although located in

Memphis, TN, the hospital has a local impact because area doctors and hospitals can use, at no cost, treatments and procedures developed at St. Jude.

St. Jude Hospital is non-sectarian, interracial and provides medical care for over 3,200 active patients. Currently, over \$183,000 is needed each day to keep the doors open. These funds come primarily from public contributions.

Anyone, children to adult, may participate in this year's Bike-A-Thon. If you have any questions, you may call 626-4291.

For stubborn refrigerator odors, place a coffee can filled with charcoal on a refrigerator shelf for several days. Repeat with fresh charcoal until odor is gone.

St. Matthew's Tour Of Homes Sept. 9

Sunday, Sept. 9th from 12 noon to 5 p.m. is the 8th annual Tour of Homes, sponsored by St. Matthew's of Campbell-sport.

Tickets are available from Bank One, Ben Franklin, Sheila's Salon, or by contacting ticket chairperson, Jan Emmer, 533-4274. The price of \$4.00 (in advance, \$4.50 at the door) includes: the tour of four homes and the craft gallery, dessert and beverage.

Registration is in the parish dining room, where you will receive a map and brochure about the tour. The homes are: 1) Mike & Tina Haza on Spring St.; 2) Arik and Mary Guenther on Ladwig St.; "The Crossroads" Craft and Gallery, and living quarters, Cary & Nancy Ramthun on Hwy. 45; and the St. Matthew's Rectory, Fr. Michael Moran on Helena St.

Join us for an enjoyable afternoon, at our "Autumn Crossroads." The proceeds are for the Religious Education Programs of the Combined Program of the three parishes, St. Matthew, St. Martin and St. Kilian.

Girl Scout Registration Fair

Do you like camping and the out-of-doors?
Do you like computers and video games?

Have you ever dreamed of being an astronaut or maybe even the first woman president? If you answered "yes" to any of these questions - then join us for the 1990 Girl Scout Registration Fair!

On Tuesday, September 11th from 6:30 to 8:00 p.m. at the Kewaskum Community Center, you can learn all you need to know about Girl Scouting in Kewaskum, Farmington or Wayne. We will be there to answer questions, and show you what Girl Scouts are doing, with displays, videos and even samples.

Girls today are the women of tomorrow, and we can make our dreams come true. Girl Scouting prepares girls for the future, while having fun in the present.

Any currently registered Girl Scout that brings along a friend who registers, will receive a gift. So if you already were registered, or if you are a new scout, or if you just want to find out about Girl Scouting, join us on Sept. 11.

Moraine Chorus Rehearsal Monday

The Moraine Chorus will hold its first rehearsal at 7:30 p.m. on Monday September 10 in the Rehearsal Room at UWWC. Moraine Chorus members are invited to meet the new Director Nancy Van Brunt. Members should bring any interested friends and new members are welcome. Refreshments will be served.

Obituaries

RAYMOND ST. MARY

Raymond O. St. Mary, 81, of 1248 Roseland Drive, Kewaskum, died Friday, Aug. 31, 1990 at the home of his son, James of DeForest.

Mr. St. Mary was born July 10, 1909, in the Town of Ashford, a son of Edward and Ellen Hilbert St. Mary. On Oct. 28, 1931, he married Frieda Biesbier at St. Martin's Church, Ashford.

Mr. St. Mary farmed in the Town of Eden until moving to Kewaskum in 1950, where he was employed with West Bend Company until retiring in 1971. He was a member of Holy Trinity Catholic Church, Kewaskum, the Moose Lodge, Modern Woodmen Society and the senior citizens.

Survivors include his wife; two sons, James and his wife Joyce of DeForest, and Edward and his wife Patricia of Minnetonka, Minn.; one daughter, Joan Daggett and her husband Wallace of Random Lake; 19 grandchildren; 21 great-grandchildren; three brothers, Floyd of Campbellsport, Richard of Hales Corners and John of Fond du Lac; and two sisters, Mae Seefeld of Campbellsport, and Alice Wagner and her husband Herman of Milwaukee. Preceding him in death was a brother, Robert, and four grandchildren.

Funeral services were held Monday at 8 p.m. at Holy Trinity Catholic Church, Kewaskum. The Rev. Thomas Venne officiated. Entombment was Tuesday at Shrine of Rest Mausoleum, Fond du Lac.

Friends called Monday from 4 to 7:30 p.m. at Twohig Funeral Home, Campbellsport.

In lieu of flowers, the family requests donations to Hospice Care Inc., 3321 W. Beltline Highway, Suite 102, Madison, Wis. 53713.

BRUNO H. RAMTHUN

Bruno H. Ramthun, 78, of Three Links Care Center, Northfield, MN., formerly of Rockford, Ill., passed away Aug. 24, 1990, at the Care Center.

He was born January 12, 1912 in the Town of Auburn, to Ernst and Helena (Meilahn) Ramthun. He attended Kewaskum High School and the University of Wisconsin. On May 18, 1946 he married Inge Budtz Jorgensen.

Mr. Ramthun was an applications engineer for Barber-Colman Co., until his retirement in 1977. He served in the U.S. Navy during WWII, and was a member of the Instrument Society of America. Bruno also made guitars and did woodworking as a hobby.

Survivors include one son Ed Ramthun of Champaign, Ill.; one daughter, Mrs. John (Helen) Ellinger of Dundee; and one grandchild, Joe Ellinger.

He was preceded in death by his parents, his wife in 1982, and one sister.

Graveside services were Thursday, August 28, at Oaklawn Cemetery, Northfield, MN at 10:30 a.m. Pastor Willard Nauman.

The Benson Funeral Home in Northfield, handled the arrangements.

MELVIN A. GIERACH

Melvin A. Gierach, of West Bend, died Wednesday, Aug. 29, 1990, at St. Joseph's Community Hospital, West Bend, at the age of 83.

He was born Oct. 28, 1906, in Freistadt, and lived in the Cedarburg/Grafton area until 1941 when he moved to Jackson.

On May 6, 1933, he married Alice M. Bartelt in Thiensville.

He was employed at the A.O. Smith Co., Milwaukee, until 1945 when they moved to a farm

in the Town of Trenton. They then moved to a farm in the Town of Saukville where they lived until moving to Grafton in 1967.

After the death of his wife in February 1974, he continued living in Grafton until his marriage to Lillian (nee Geminden) Washick on Nov. 4, 1979. They then settled in West Bend.

Survivors include his wife; four children, Orville (Anne Marie) of Newburg, Eldred (Marilyn) of West Bend, Roger (Karen) of Port Washington and Dwayne of Beebe, Ark.; three stepchildren, Mary Louise (Ronald) Kocher and Arthur (Rosemary) Washick, both of West Bend, and David (Sandra) Washick of Kewaskum; 13 grandchildren; eight step-grandchildren; four great-grandchildren; seven step-great-grandchildren; a brother, Harry of Grafton; three sisters, Clara Bentz and Meta Wilger, both of West Bend, and Mabel (Harold) Winter of Menomonee Falls, and other relatives and friends.

One sister, Hilda Richardson, predeceased.

Funeral services were Saturday, Sept. 1, 1990, at 2 p.m. at Trinity Lutheran Church, West Bend. Pastor Kenneth Merckx officiated and burial was in Zur Ruhe Cemetery, Cedarburg.

Visitation at the church only was Saturday from 10 a.m. until the time of services.

CARD OF THANKS

A sincere thank you to all our relatives and friends who showed their kindness in the death of our mother, grandmother and sister. Special thanks to Rev. Robinson, the nursing staff at Beechwood Rest Home, Ladies Aid and Evening Guild, pallbearers, organist, food donors, and all who showed their respect.

Your kindness will always be remembered.

Family of Erna (Kempf) Haack

Prof. Gary Britton Publishes Math Essay

UWVC Professor Gary Britton recently published a chapter in USING WRITING TO TEACH MATHEMATICS, a new publication of the Mathematical Association of America. The essay entitled, Journals and Essay Examinations in Undergraduate Mathematics, discusses two specific techniques which have been used to get calculus and precalculus students to practice expressing mathematics through writing.

The essay was originally presented by Britton at an annual meeting of the association. The book is intended to be used as a faculty reference guide on teaching math and is an outgrowth of presentations by Britton and others on using writing to teach mathematics. The publication is available through the Association. It is published in the MAA Notes, Number 16.

Professor Britton has been with UWVC since it opened in 1968. Last year he co-wrote an essay that was translated for use in a Chinese journal.

Flowers of Fall

Wildlife lovers are invited to Riveredge on Sunday, September 9 from 1:30 - 3:30 p.m. to hike the trails with a naturalist and learn about the flowers of fall, their ecology and lore. Riveredge's trails will lead you through an abundance of species native to our area. Fee is \$1.50.

To register, call Riveredge at 675-6888 (local) or 375-2715 (metro).

Riveredge is a nonprofit environmental education institution located on Highway Y, one mile north of Newburg.

Prearrangement— It's time well spent.

By arranging the details of a funeral in advance you can take care of many of the decisions concerning your funeral. Prearrangement will give your family the guidance they need concerning the type of service and costs you feel are appropriate. Very simply, Prearrangement is just part of putting your affairs in order. We've found the best way to get started is to send for our free planning booklet entitled, "A Guide to Planning Ahead." To receive your copy, please feel free to contact us.

Former County Officer Steven Braun Tackles Job of Police Chief at Markesan

By ANGIE VENTURINI
of the Northwestern

MARKESAN — Steven Braun has been on the job more than two months and already has ideas for changes.

He began as the new police chief on June 1, replacing Norm Schweder, who retired May 31.

Braun, a West Bend native, worked for the Washington County Sheriff's Department 16 years. He was deputy sheriff and drug coordinator for the Multi-Jurisdictional Enforcement Group of Washington County. He was also an undercover officer three years.

Braun sees his new position as a career advancement and something he always wanted to do. "It was time for a change."

He wants the department to have a professional image and be progressive. Part of his image will be new uniforms. Braun and the two full-time officers have brown uniforms but will switch to blue within three years.

Blue is a traditional color for city police, while brown has been the mark for sheriff's deputies, he said. The department has had brown uniforms because those who worked part time for the city years ago were sheriff's deputies.

One of the first requests he heard from this staff was to change the color of their uniforms.

A new police patch will help portray their new image, Braun said. Instead of wearing two separate patches, they will wear one which combines the name of the department with Old Glory.

All of this, Braun contends, is good for morale.

One change in effect is training officers to be first responders, so when Green Lake County pages an ambulance, the officers will respond immediately.

Braun, a trained first responder, said cardiopulmonary resuscitation can then be started at the scene if it is necessary before the ambulance arrives.

The department's radio

system will be updated. "Historically, it has been a problem for years," Braun said. Currently, the city and county can communicate only from the squad car. If an officer is injured or needs assistance and is not near the car radio he would be unable to call for help.

Another concern is that the department is housed in a 96-square-foot room. Braun wants to relocate to another part of the municipal building or to a vacant store downtown.

There have been times, he said, when a victim, witness and person being booked were all in the same room. Consequently, someone had to be taken to other parts of the building.

Another concern of Braun's is the need to meet legal requirements in regard to

evidence. He is requesting an evidence room and will discuss his concern with the sheriff's department.

He has been authorized to do a feasibility study on relocating the department and hopes to have as much information as possible before the Public Safety Committee meets in August.

He also plans to have programs at the schools about drugs. He said he doesn't know what kinds of drug problems there are in the community but will take care of any of them.

Braun and his wife, Renee, are living in Markesan. Their oldest daughter, Melissa, has decided to finish her last year of high school at Kewaskum, where they have been living. Their other daughter, Becky, will be a sophomore at

Markesan High School.

Braun, who has a bachelor's degree in business administration from Marian College, plans to get a master's in public administration or business administration.

But, he said that will not be for a couple of years. First he wants to get familiar with his new position.

Statesman Footnote: In April 1989 Officer Braun was recognized for his undercover work and dedication towards fighting drugs in Washington County, with the governor and state legislature, issuing commendations on his behalf. Local dignitaries gathered at a formal dinner in his honor and the West Bend Kiwanis honored the officer with an official "Steven F. Braun Day."

Guide Helps You Select Woody Landscape Plants

Bring your landscape to life. Trees, shrubs and vines can add shape color and texture to Wisconsin yards.

Because not all plants do well in all conditions, take time to find out what plants will do best in your area.

For a complete guide to selecting landscape plants, see the University of Wisconsin - Extension's "Landscape Plants for Wisconsin." Publication A2865 costs \$3 per copy and can be ordered from Agricultural Bulletin, Room 245, 30 N. Murray St., Madison, WI 53715 (608) 262-3346. Make checks payable to UW-Extension. This publication is also available at some county Extension offices.

When Sunset Farms needed new dairy equipment, Smart Money whipped up \$11,000 in incentives.

To help pay for new, energy-efficient dairy equipment,

Smart Money offered Sunset Farms more than \$11,000 in financial incentives. The Wolfs also benefit from the \$3,500 a year they now save in energy costs.

Ray, Bernie, Paul and Albert Wolf

Smart Money can improve your business's profitability,

FACSIMILE BALLOT NOTICE
OF PARTISAN PRIMARY
SEPTEMBER 11, 1990

OFFICIAL PRIMARY BALLOT

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a partisan primary election to be held in the several wards in the County of Washington, on the 11th day of September, 1990, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the partisan primary, the elector shall designate or select the party of his or her choice and make a punch or a hole at the right of the party of his or her choice. An elector may cast votes for candidates of only one political party. The elector should make a punch or a hole at the right of the candidate's name for each office for whom he or she intends to vote, or write in the name of his or her choice on the ballot envelope provided, or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote, or insert or write in the name of his or her choice for a candidate. In order to qualify for participation in the Wisconsin election campaign fund, a candidate for state office at the September primary must receive at least 6% of all votes cast on all ballots for the office for which he or she is a candidate, in addition to other requirements.

On referenda questions, the elector shall make a punch or a hole at the right of "yes" if in favor of the question, or the elector shall make a punch or a hole at the right of "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in punching or marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth or machine, deposit the envelope containing his or her ballot in the ballot box or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

ARTHUR G. DEGNITZ, COUNTY CLERK

WASHINGTON COUNTY
WISCONSIN
September 11, 1990

INSTRUCTIONS TO VOTERS

1. INSERT YOUR BALLOT CARD WITH BOTH HANDS. BE SURE THE PINS ARE THROUGH THE TWO HOLES.
2. HOLD THE PUNCHING DEVICE STRAIGHT UP AND DOWN. PRESS DOWN FIRMLY OPPOSITE THE CANDIDATE AND/OR PROPOSITION SELECTIONS OF YOUR CHOICE.
3. IF YOU INCORRECTLY PUNCH, TEAR OR DEFACE THE BALLOT CARD OR BALLOT CARD ENVELOPE, RETURN IT TO THE ELECTION OFFICIAL FOR ANOTHER ONE.

WRITE-IN VOTING

TO VOTE FOR A CANDIDATE WHOSE NAME DOES NOT APPEAR ON THE PRINTED BALLOT, USE THE ENVELOPE TO "WRITE-IN" THE PARTY, THE OFFICE AND THE CANDIDATE'S NAME. WRITE-IN VOTES ARE NOT PERMITTED ON THE INDEPENDENT BALLOT.

TO BEGIN VOTING, TURN PAGE

Washington County Tourism Council Wants Your Photos

Don't put that camera down yet! If you were an avid camera bug this summer or if you only took pictures of family fun, the Washington County Tourism Council wants your best shots.

A Photo Contest, sponsored each year by the Washington County Tourism Council, is accepting entries until October 31. Five categories of entries are available: Scenery and Nature, Places of Interest, Events, Creativity, and Activities. Prizes include a \$20 gift certificate as first prize in each category, a \$10 gift certificate as second prize in each category. Prizes have been provided by Laurel's Camera, Camera Case, Art's 1-Hour

Photo, Paradise Mall, Heide's and W B Place & Co.

Winning photos will be published in the Washington County Visitor Guide. Over 50,000 copies of this booklet will be distributed throughout the State and Chicago area to encourage visitors to our area.

Hurry, submit your entry now! Entry forms are available at area photo shops, Chambers of Commerce offices, or call 338-4778.

August 29, 1990

Dear Editor:

Opportunity League of Washington County, Inc. is a self-help organization formed by and for persons with disabilities. We advocate for our rights in the areas of transportation, housing and jobs. We meet monthly in Hartford and West Bend, pay dues and keep up with the bills in the legislation concerning persons with disabilities.

Opportunity League of Washington County, Inc. is sponsoring a workshop on **Personal Futures Planning** on Saturday, September 15, 1990. It will be held at the **West Bend Hotel** 2520 W. Washington Street, West Bend. It will start at 12:30 p.m. with **Getting Acquainted** and 1 p.m. to 4 p.m. with **Personal Futures Planning**. The speakers will be **Howard Mandville** - Community Integration Specialist for Wisconsin Council on Developmental Disabilities and **Tammy Hofmeister** - Independent Consultant.

Thank you.

Members and Friends
Of the Opportunity
League of Washington
County, Inc.

NOTICE OF REFERENDUM

TO: ELECTORS OF MORAINÉ PARK VOCATIONAL, TECHNICAL AND ADULT EDUCATION DISTRICT

TAKE NOTICE that a referendum election will be held at the regularly scheduled election on September 11, 1990 in Moraine Park Vocational, Technical and Adult Education District for the purpose of approving or rejecting an Initial Resolution authorizing general obligation bonds or promissory notes of the District in an amount not to exceed \$13,800,000 adopted by the District Board on July 19, 1990, and the capital expenditure projects described in the Initial Resolution and in an Intent Resolution adopted by the District Board on June 21, 1990.

The referendum question reads as follows:

"Shall Moraine Park Vocational, Technical and Adult Education District, Wisconsin, be authorized to issue, pursuant to Chapter 67, Wisconsin Statutes, general obligation bonds or promissory notes in an amount not to exceed \$13,800,000 for the public purpose of paying the cost of a building program, consisting of constructing buildings and building additions and enlargements and remodeling and equipping facilities at the District's Beaver Dam, West Bend and Fond du Lac campuses?"

EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum question as set forth above.

A "yes" vote on the question is a vote to approve the borrowing of not to exceed \$13,800,000 by Moraine Park Vocational, Technical and Adult Education District through the issuance of general obligation bonds or promissory notes for the public purpose of paying the cost of a building program, consisting of constructing buildings and building additions and enlargements and remodeling and equipping facilities at the District's Beaver Dam, West Bend and Fond du Lac campuses.

A "no" vote on the question is a vote to deny Moraine Park Vocational, Technical and Adult Education District the authority to borrow not to exceed \$13,800,000 through the issuance of general obligation bonds or promissory notes for the public purpose of paying the cost of a building program, consisting of constructing buildings and building additions and enlargements and remodeling and equipping facilities at the District's Beaver Dam, West Bend and Fond du Lac campuses.

In the event a majority of the electors voting vote "Yes" on the question set forth above, the District will be authorized to undertake the capital expenditure projects described in the referendum question and borrow not in excess of \$13,800,000 therefor; if a majority vote "No" on the question set forth above, the District will not be so authorized.

POLLING PLACES AND HOURS

District electors must vote on the referendum question at the times and places at which they cast their ballots in the regularly scheduled election.

INFORMATION TO ELECTORS

(a) Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of 2 inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her vote, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

(b) (i) If paper ballots or lever machines are used, then on the referendum election question, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

(ii) If a punch card voting system is used, then on the referendum election question, the elector shall make a punch or a hole at the right of "yes" if in favor of the question, or the elector shall make a punch or hole at the right of "no" if opposed to the question.

(iii) If a mark sense voting system is used, then on the referendum election question, the elector shall make a mark in the space at the right of "yes" if in favor of the question, or the elector shall make a mark in the space at the right of "no" if opposed to the question.

(c) The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. If the ballot has not been initialed by 2 inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than 5 minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking or punching his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(d) (i) After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the voting machine or booth and, where paper ballots are distributed to the electors, deposit his or her folded ballot in the ballot box or deliver it to an inspector for deposit, and shall leave the polling place promptly.

(ii) If a punch card voting system is used, then after an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

(iii) If a mark sense voting system is used, then after an official ballot is marked it shall be inserted in the envelope provided so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, discard the envelope, and shall leave the polling place promptly.

(e) An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty in reading, writing or understanding English, or that due to disability is unable to cast his or her vote. The selected official rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

NOTE: Electors residing in municipalities which require voter registration must be registered to vote in this referendum election. You can register by contacting your municipal clerk.

The following is a facsimile of the official ballot:

OFFICIAL REFERENDUM BALLOT MORAINÉ PARK VOCATIONAL, TECHNICAL AND ADULT EDUCATION DISTRICT SEPTEMBER 11, 1990

NOTICE TO ELECTORS: THIS BALLOT MAY BE INVALID UNLESS INITIALED BY TWO (2) ELECTION INSPECTORS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK.

If you desire to vote on the questions, make a cross (X) in the square beneath the question after "YES" if in favor of the question or make a cross (X) in the square after "NO" if opposed to the question.

"Shall Moraine Park Vocational, Technical and Adult Education District, Wisconsin, be authorized to issue, pursuant to Chapter 67, Wisconsin Statutes, general obligation bonds or promissory notes in an amount not to exceed \$13,800,000 for the public purpose of paying the cost of a building program, consisting of constructing buildings and building additions and enlargements and remodeling and equipping facilities at the District's Beaver Dam, West Bend and Fond du Lac campuses?"

YES

NO

Persons with questions regarding the referendum election should contact John Willis, Vice President, Business and Finance, of the District.

NOTICE OF REFERENDUM ELECTION

TO: ELECTORS OF THE SCHOOL DISTRICT OF LOMIRA

TAKE NOTICE that a referendum election shall be held on September 11, 1990 in the School District of Lomira at the times and polling places as set forth hereafter on the question of whether or not the initial resolution set forth in the referendum election question below shall be approved.

The referendum election question is:

"Shall the following initial resolution be approved?"

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION SCHOOL BUILDING BONDS IN AN AMOUNT NOT TO EXCEED \$3,530,000

BE IT RESOLVED by the School Board of the School District of Lomira, Dodge, Fond du Lac and Washington Counties, Wisconsin, that there shall be issued pursuant to Chapter 67, Wisconsin Statutes, general obligation school building bonds in an amount not to exceed \$3,530,000 for the public purpose of paying the cost of constructing additions to and remodeling and renovating the Lomira K-12 Complex and acquiring equipment.

EXPLANATORY STATEMENT AND EFFECT OF VOTE

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above. A "yes" vote on the Initial Resolution is in favor of the Initial Resolution set forth above and is a vote to approve the borrowing of \$3,530,000 by the School District of Lomira through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing additions to and remodeling and renovating the Lomira K-12 Complex and acquiring equipment.

A "no" vote on the Initial Resolution is opposed to the Initial Resolution and is a vote to deny the School District of Lomira the authority to borrow \$3,530,000 through the issuance of general obligation school building bonds for the purpose of paying the cost of constructing additions to and remodeling and renovating the Lomira K-12 Complex and acquiring equipment.

In the event a majority of the electors voting "Yes" on the Initial Resolution, the District will be authorized to undertake the school building program described above and borrow not in excess of \$3,530,000 therefor; if a majority vote "No" on the Initial Resolution, the District will not be so authorized.

POLLING PLACES AND HOURS

The polling places to be used for the referendum election shall be as follows:

School District Electors Residing in	Vote at	Hours
Village of Lomira	Lomira Municipal Building	9:00 a.m. - 8:00 p.m.
Village of Brownsville	Brownsville Village Hall	9:00 a.m. - 8:00 p.m.
Village of Theresa	Village Garage	9:00 a.m. - 8:00 p.m.
Town of Lomira	Lomira Town Hall	9:00 a.m. - 8:00 p.m.
Town of Theresa	Theresa Town Hall	9:00 a.m. - 8:00 p.m.
Town of LeRoy	LeRoy Town Garage	9:00 a.m. - 8:00 p.m.
Town of Ashford	Ashford Town Hall	9:00 a.m. - 8:00 p.m.
Town of Eden	Eden Town Hall	9:00 a.m. - 8:00 p.m.
Town of Byron	Byron Town Hall	9:00 a.m. - 8:00 p.m.
Town of Wayne	Wayne Town Hall	9:00 a.m. - 8:00 p.m.

INFORMATION TO ELECTORS

(a) Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of 2 inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her vote, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

(b) (i) If paper ballots or lever machines are used, then on the referendum election question, the elector shall make a cross (X) in the square at the right of or depress the button or lever next to the answer which he or she intends to give.

(ii) If a punch card voting system is used, then on the referendum election question, the elector shall make a punch or a hole at the right of "yes" if in favor of the question, or the elector shall make a punch or hole at the right of "no" if opposed to the question.

(iii) If a mark sense voting system is used, then on the referendum election question, the elector shall make a mark in the space at the right of "yes" if in favor of the question, or the elector shall make a mark in the space at the right of "no" if opposed to the question.

(c) The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another in its place, but not more than 3 ballots shall be issued to any one elector. If the ballot has not been initiated by 2 inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than 5 minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking or punching his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

(d) (i) After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the voting machine or booth and, where paper ballots are distributed to the electors, deposit his or her folded ballot in the ballot box or deliver it to an inspector for deposit, and shall leave the polling place promptly.

(ii) If a punch card voting system is used, then after an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth, deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

(iii) If a mark sense voting system is used, then after an official ballot is marked it shall be inserted in the envelope provided so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, discard the envelope, and shall leave the polling place promptly.

(e) An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty in reading, writing or understanding English, or that due to disability is unable to cast his or her vote. The selected official rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

NOTE: Electors residing in municipalities which require voter registration must be registered to vote in this referendum election. You can register by contacting your municipal clerk.

The following is a facsimile of the official ballot:

OFFICIAL REFERENDUM BALLOT

NOTICE TO ELECTORS: THIS BALLOT MAY BE INVALID UNLESS INITIALED BY TWO (2) ELECTION INSPECTORS. IF CAST AS AN ABSENTEE BALLOT, THE BALLOT MUST BEAR THE INITIALS OF THE MUNICIPAL CLERK.

If you desire to vote on the questions, make a cross (X) in the square beneath the question after "YES" if in favor of the question or make a cross (X) in the square after "NO" if opposed to the question.

Shall the following initial resolution be approved?

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION SCHOOL BUILDING BONDS IN AN AMOUNT NOT TO EXCEED \$3,530,000

BE IT RESOLVED by the School Board of the School District of Lomira, Dodge, Fond du Lac and Washington Counties, Wisconsin that there shall be issued pursuant to Chapter 67, Wisconsin Statutes, general obligation school building bonds in an amount not to exceed \$3,530,000 for the public purpose of paying the cost of constructing additions to and remodeling and renovating the Lomira K-12 Complex and acquiring equipment.

YES NO

Persons with questions regarding the referendum election should contact John C. Mason, District Administrator.

Beth Honeck, an honor student at Kewaskum Community High School and Thomas Heinecke, also a 1965 graduate of the local high school, will receive honor scholarships to attend Lakeland College, Sheboygan, this fall. The scholarships are worth \$330 and are renewable throughout their college careers if the recipients maintain a high grade point average.

Lorinda Tessar of Kewaskum, national area Loyalty Day chairman, was among a number of West Bend members of the Fred Schaefer Post 1393 of the VFW who attended the recent national convention of the VFW in Chicago. Mrs. Tessar was named national deputy chief and also received a prize for her area's Loyalty Day participation.

Don Schuppel of Kewaskum rewrote the oldest entry in the record books at State Fair Park, Milwaukee, last Thursday night when he gunned his modified stock car to victory in the 75-lap feature with a speed of 52.91 miles per hour. Schuppel's speed erased the mark of 50.53 mph set by Karl Kulow on Aug. 4, 1955. Schuppel, well known local racer, has done very well this season, winning many races at various tracks.

Births - A son to Mr. and Mrs. Kenneth Metz, 401 Main St., Kewaskum, Wednesday, Aug. 25. A son to Mr. and Mrs. Robert Sparks, 1325 Fond du Lac Ave., Kewaskum, Friday, Aug. 27. A daughter to Mr. and Mrs. Lewis Gatzke, 1602 Riverview Dr., Kewaskum, Sunday, Aug. 27. A son to Mr. and Mrs. David Skrentny, R. 2, Campbellsport, Wednesday, Sept. 1.

50 Years Ago

Sept. 6, 1940

The Kewaskum Public School opened on Tuesday of this week with the largest registered enrollment in the history of the school. Both the high school and the grades showed an increase. A total of 226 pupils enrolled the opening day, 11 more than last year when the attendance was 215 of the 226, 139 are in high school and 87 in the three

grade rooms.

Dr. Phillip A. Hoffmann, 87, of Campbellsport, retired physician and church organist known to thousands in the vicinity, died at 5 p.m. Thursday, Aug. 29, at his home after four month's illness. Dr. Hoffmann retired last year both from his medical practice and 50 years service as St. Matthew's Church organist. The early-day country doctor owned the first automobile in Campbellsport in 1907, a Lambert, which was replaced later by a friction driven Petrol, made in Wisconsin.

Six-man football practice started on Tuesday at Kewaskum High School, with 18 boys reporting to Coach Gibson for this fall's Tri-County League squad. Harold Bunkelmann, Bob Brauchle, Wayland Tessar, Ralph Krautkramer, Roger Bilgo and Ray Vyvyan are the only members of last year's undefeated championship squad returning. New boys who will have to fill the gap left by last year's graduating class are Frank Bremser, John Stellflug, Allan Tessar, Jim Strupp, Marlin Kocher, Arnold Hawig, Lloyd Petermann, George Petri, Clayton Stautz, Darwin Bruessel, Donald Kleinke and Warren Naumann.

The New Fane School opened Sept. 3, with Mrs. Marvin Martin of Kewaskum as teacher.

A coin shower was given for Miss Vivian Staeger at the home of Mrs. Clara Schultz on Friday afternoon. The afternoon was spent playing "500" and Bunco.

75 Years Ago

Sept. 4, 1915

Last Wednesday evening Oscar Muench of Beechwood had an experience which he will long remember. He, in the afternoon, came to Kewaskum to deliver some hogs to John Stelpflug, the local butcher and left for his home between nine and ten o'clock. When in the swamp just west of Ferdinand Feuerhammer on the New Fane road, he was ordered to halt by two men, one on each side of the road, who threw a flash light at him, but instead of stopping Mr. Muench gave his horses the

whip and managed to escape. He states that he was, however, followed by the two men, but they were unable to catch. It has been reported that he was warned by some one in the village before leaving for his home to be careful of holdups as several of these occurrences have occurred lately.

Simon Hawig, an old and respected citizen of Wayne, died of apoplexy Sunday afternoon Aug. 29, at his home about one half mile west of this village.

The miscellaneous shower which was held in Wittenberg's Hall on Friday evening, August 27th in honor of Miss Viola Henning was largely attended. She received many beautiful gifts of china, glass ware and granite from her many friends and relatives.

Born to Mr. and Mrs. Steve Klein, New Fane, a baby girl on Monday. Born to Mr. and Mrs. Theodore Dworschack, twin girls Tuesday. Congratulations.

Just received a new forty-horse power, four cylinder Studebaker automobile which sells for \$885. More power, more room-even higher quality - and lower prices are the features of the 1916 Studebaker cars. Call me for a demonstration. Geo. Kippenhan, Kewaskum.

Road Construction Now Underway on Hwys. 41 and 33

Road construction is expected to start this week on the resurfacing of USH 41 Northbound at STH 33.

The work will be performed under a contract let to Payne & Dolan, Inc. of Waukesha, at an estimated cost of \$78,330.00. Financing will be 100 percent State Maintenance funds provided primarily by gas taxes.

This work will be done under traffic with northbound traffic being routed over the left lane. STH 33 ramps may be closed for short periods during this period through the construction zone. Motorists are urged to use caution in the construction zone.

It is anticipated that this project will be completed by September 21, 1990.

KEWASKUM COMMUNITY SCHOOLS

Monday, Sept. 10 - Tacos (meat, cheese, lettuce, taco chips & sauce), corn, fresh fruit, hot buttered rice, milk and a monster cookie.

Tuesday, Sept. 11 - Pancakes, pork sausages, applesauce, mixed fruit, milk, peanut butter crunch bar-all schools - or Klements brat/bun and buttered carrot coins.

Wednesday, Sept. 12 - Sloppy Joe/bun, green beans, peaches, milk and gingerbread w/vanilla frosting. (Salad Bar - H.S. & M.S.)

Thursday, Sept. 13 - Ham submarine sandwich, golden potato rounds, buttered peas, milk and a choc. chip cookie.

Friday, Sept. 14 - Icelandic breaded fish square on a bun, broccoli w/cheese sauce, fresh fruit, milk and an oatmeal raisin cookie.

HOLY TRINITY SCHOOL

Monday, Sept. 10 - Taco/shells/chips, lettuce-tomatoe, cheese, peas, pineapple cup, flying saucer,

milk.

Tuesday, Sept. 11 - Sandwich Day - Egg salad, tuna sandwich, peanut butter bread, pear half, veggie/dip, peanut butter, bar, milk.

Wednesday, Sept. 12 - Oven fried chicken, mashed potatoes, green beans, muffin/butter, milk.

Thursday, Sept. 13 - Pizza bun, cheese slice, buttered corn, peach cup, jello, milk.

Friday, Sept. 14 - Grilled cheese, peanut butter bread, potatoe wedge, fresh fruit, carrot stix's, milk.

WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Meadowcreek Apartment Complex

Monday, Sept. 10 - Cranberry juice, chicken mandarin, rice, oriental vegetables, sour dough bread w/butter, fruit whip, milk and coffee.

Tuesday, Sept. 11 - Lasagna, green beans, tossed salad, Italian bread w/butter, sherbet, milk and coffee.

Thursday, Sept. 13 - Savory meatloaf w/gravy, whipped potatoes, green peas w/mushrooms, cracked wheat bread w/butter, sponge cake, milk and coffee.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Card playing everyday.

Summer is when the young ones slam doors they left open all winter.

TODAY'S AGRICULTURE

Fall Alfalfa Cutting

By Jack Trzebiatowski, Extension Agriculture Agent

Each season questions are raised about the effect of fall cutting schedule on alfalfa. Traditionally it had been recommended that growers avoid cutting during the period of September 1 to about October 15. This recommendation was developed in the mid 60's on Vernal alfalfa when we were taking two cuttings each at mid to full bloom, and considering whether or not to take a third cutting.

New research has shown that with increased cutting frequency, cutting anytime after late August may reduce stand life and first cutting yield the following year. Research conducted at the Dairy Forge Research Center and at other locations has found that yields obtained in the fall were offset by yield losses in the first harvest in the following year.

Perhaps more important, these studies and others have shown that there is an increase level of root discoloration when forages are cut after September 1. Root discoloration is associated with disease and shorten stand life.

There are a number of factors that can affect stand life and first cutting yield of alfalfa the following year. These include:

1. Alfalfa Variety - greater winterhardiness and disease resistance of varieties will increase winter survival.

2. Soil Fertility - high levels of soil fertility (especially potassium) have been shown to increase winter survival. Research reported that a fourth alfalfa cutting in mid-October

on a low fertility soil reduced stands by 50 percent compared to no fall cutting. However, annual fertilization with 400 lb/acre of potassium resulted in only 10 percent stand reduction.

3. Cutting Frequency - more frequent cutting to obtain higher quality forage puts additional stress on the alfalfa plants.

4. Stand Age - younger alfalfa plants are more stress tolerant than older plants.

5. Weather - alfalfa can be damaged by low temperatures and open conditions that can occur during the winter.

Growers are sometimes concerned about leaving one ton per acre or more alfalfa in the field due to the potential for smothering. Alfalfa does not smother itself in Wisconsin - leaves fall off and leave the stems standing. Smothering can occur if there is grass in the stand. The more grass there is in the stand, the less we are concerned about fall harvest effects on the alfalfa.

Growers should evaluate their situation, but with the 1990 season providing an adequate supply of forage for most producers, there is less likely to be a need for fall harvest and the potential stress it can cause on alfalfa stand.

What's Hot Besides the Weather?

Wisconsin Electric Power Co.'s popular Smart Money Energy Program appliance turn-in service. The program is being extended to Oct. 31, according to Marti Schmall, residential market manager at WE.

"We know there still are lots of old, inefficient room air conditioners, refrigerators and freezers in customers' homes," Schmall said. "We'll not only pick them up, we'll give customers a \$50 U.S. Savings Bond in exchange for an air conditioner or a \$100 bond for a refrigerator or freezer."

"Getting these old appliances

off our system helps reduce the need to build expensive, new power plants," she said. "Extending the program will result in additional savings for all our customers."

Since the Smart Money Energy Program began in 1987, more than 185,000 old, inefficient refrigerators, freezers and room air conditioners have been turned in. WE anticipates collecting an additional 19,000 between now and Oct. 31.

Customers who would like to turn in an appliance can do so by calling 221-4800 in Milwaukee, or 1-800-922-6253 outside Milwaukee.

Fishes of Riveredge

Kids and adults are invited to Riveredge on Saturday, September 8 from 1 - 4 p.m. to learn more about fish that live in the Center's ponds. Fish will be caught, studied and released to find out how they interact with one another and other inhabitants of the pond.

Everybody who comes will do a "fish print" t-shirt to take home.

Cost is \$8 for adults; \$7 for children which includes cost of t-shirt. To register, call Riveredge at 675-6888 (local) or 375-2715 (metro).

Riveredge is a nonprofit environmental education institution located on Highway Y, one mile north of Newburg.

Prasad Promoted to Associate Professor

WEST BEND - Sarada Prasad has been promoted to associate professor in the Business/Economics Department at the University of Wisconsin - Washington County. Prasad, of Mequon, started with UWWC in 1984. She has a B.A. in Economics from the University of Madras, India, and a M.S. in Accounting from UW-Milwaukee. She is also a Certified Public Accountant in Wisconsin.

Annual Counselors Luncheon at UWWC

After a one year hiatus, high school counselors throughout Washington and Ozaukee Counties will be invited to an annual counselors luncheon at UWWC. This year's luncheon will be held on Friday, September 14. The luncheon will be different from previous years because it will be held in UWWC's new facilities. "I think the counselors will be impressed with the changes in the building," cites Student Services Director Mike Murphy. "We hope we can provide the counselors with a better feel for the new UWWC. Our new classrooms and expanded lounges, for example, will directly benefit students," he adds.

The Student Services Office has also invited, for the first time, representatives from each of the UW system's 13 baccalaureate degree campuses to attend the local luncheon. These representatives, along with UWWC personnel, will update counselors on UW admission policies.

Players shown, first row, left to right: Holly Krahn, Vickie McElhatton, Tanya Krahn, Stephanie Heberer, Carrie Gehl, Nickie Vetter. Second row: Rachelle Krahn, Kelly Krahn, Vickie Borhagen, Janelle Horn, Amy Janz. Third row: Mary Stange, Beth Kempf.

The Beechwood junior girls' softball team has had a successful year winning first in the Kettle Moraine League and taking second place in the Campbellsport Junior Tournament.

The season ended with an exciting playoff game between Beechwood and Campbellsport II. The lead see-sawed between the teams until the final inning which began with a 12 to 12 tie. Beechwood clinched the win with a double and a hit to score the person on base. Final score Beechwood 13, Campbellsport

II 12.

Congratulations to Nancy Krahn, head coach, and Alice Krahn, asst. coach and their team for an exciting season.

Gun Show at Amerahn Sept. 16

West Bend Barton Sportsman's Club will be hosting it's second gun show of 1990 Sunday, September 16th, from 8 a.m. to 4 p.m. at the Amerahn Hall which is located one mile north of Kewaskum on Hwy. 45.

Kewaskum is located 30 miles north of Milwaukee on Hwy. 45, or 7 miles east of Hwy. 41 on Hwy. 28.

The public is invited to attend the show. Guns, knives, and militaria items will be bought, sold, and traded. Clean out your closets, bring it to the show, you may find a buyer. Admission is \$2.00 per person, children under 12 are free when accompanied by an adult.

West Bend Barton Sportsman's Club would like to thank all the people that attended our shows in 1988, 1989 and 1990. We hope they will also attend our September 16th show.

KEWASKUM WOMENS TUESDAY NIGHT VOLLEYBALL LEAGUE

Gruber Tool and Die 20-0; Amerahn 15-5; Thelen Construction 17-7; Shefond Self Servers 11-9; Ike's Repair Shop 13-11; Barrel Haus 9-11; My Little Friends 6-14; LR Trophy 4-16; Homeplate 1-23.

Results from Aug. 28

In the 6:00 games, Thelen Construction won games #1, 2, and 4, 15-7, 15-8, and 15-5. While Ike's Repair Shop won game #3, 15-10.

At the 7:00 p.m. games, Gruber Tool and Die won all four games over LR Trophy, 15-1, 15-1, 15-2, and 15-5.

At the 8:00 p.m. games, the Amerahn won their four games against My Little Friends, 15-3, 15-6, 15-6, and 15-13.

In the Night Cap, the Shefond Self Servers swept four games from the Homeplate. 15-3, 15-11, 15-7, and 15-6.

The Barrel Haus had a bye.

HON-E-KOR LADIES ASSOCIATION

On Wednesday, August 29, the Day Event was "Longest Putt on #9," won by Sue Krieger. The Class Event was a "Four Lady Best Ball." The winning team members were Audrey Pfister, Helen Goetz, Marge Bauer and Jule Van (Guest). Betty Hallen was the 18 hole winner with a net of 73, and Betty also had a chip in on #8. The Blind Bogey was won by Gertie Backhaus.

Carole Timblin, Publicity

CAMPBELLSPORT SPORTSMAN CLUB Tuesday Nite Trap League Final Standing for Summer League

1st Dundee Sand & Gravel 13½-4½; 2nd Citizens/Weis Corp. 13-5; C.C.'s 13-5; Mid-Cities Tool & Die 12-6; Van Beek Cycle 10½-7½; Allenton Sportsman Club 10-8; R.T. Speedshop 10-8; Kettle Moraine Hardwoods 6-12; West Bend Company 5-13; Battery Components 4-14; Rochwite's Perc Testing 4-14.

Top Men Shooters — Tod Kocher 23.64 average; Darwin Buslaff 23.46 average; John Zak 23.44 average.

Top Women Shooter — Eileen Schleif 20.35 average.

Shoot off for 2nd place between C.C.'s & Citizens/Weis Corp. resulting in Citizens/Weis over C.C.'s. Putting Citizens in 2nd place and C.C.'s in 3rd place.

Wisconsin's Marketing Climate Zooms to Top in National Rating

APPLETON — Wisconsin's manufacturing climate was rated the third best in the nation today by a major accounting and management consulting firm. In just four years, Wisconsin climbed from 31st to third place.

According to the 11th annual Grant Thornton Manufacturing Climates Study, the strong emphasis on revitalizing the manufacturing sector and the high quality of education available in Wisconsin, combined with the state's aggressive efforts to reduce taxes and create new jobs contributed to the state's highest ever ranking.

"We can all be proud of this excellent rating," Gov. Thompson said. "Wisconsin has earned this high honor. Economic development is the number one priority in my administration, and this improved rating is the seal of approval for a job well done."

Over the last four years, Wisconsin's rating in the study has steadily climbed. In 1987, Wisconsin ranked 31st among the 50 states. The state's ranking jumped to 14th in 1988. And this year's third-place finish, among manufacturing intensive states, is up from eighth-place in 1989.

"Wisconsin is on the move.

In four year's time, we've successfully transformed our statewide manufacturing climate into one of the most productive in the entire country. I think that's outstanding, and it bodes well for Wisconsin's economic future," the Governor said. "We cannot let up now."

The ranking is based on 16 factors organized into four categories: state and local government fiscal policies, state

regulated employment costs, labor costs, and productivity of resources. The factors are selected based on surveys of state economic development officials.

Wisconsin ranked particularly well in the tax reduction category, according to the study.

"Wisconsin is clearly and dramatically moving in the right direction on taxes. By the end of the current fiscal year, all of the tax changes that have been implemented during my administration will have saved Wisconsin taxpayers an estimated \$600 million," Gov. Thompson said. "These tax changes translate into jobs for Wisconsin people."

Wisconsin's education system also received high marks — ranking second in the nation in the annual study.

"I am delighted with our education score, which Grant Thornton considers a major factor in determining overall business climate," the Governor said. "Nobody disputes the value of education, and it is a perfect example of the community of interests between business and government. Educated Wisconsinites make productive workers, wiser consumers, and better citizens."

THANK YOU

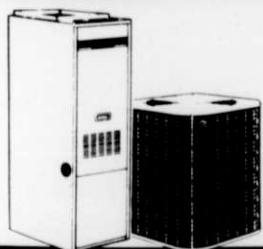

Thanks to family, relatives and friends for the cards, visits, phone calls and flowers while I was recently hospitalized and at home recuperating. Also special thanks to Pastor Eckert for his prayers and visits. All these kindnesses were deeply appreciated.

Walter Timmerman

LOWER ENERGY BILLS!

Higher efficiency can save you money on energy bills. If your old system is 15 years old or more, your new Tempstar system could actually pay for itself in a few years.

Ecumenical Christian Lay School of Theology

An Ecumenical Christian Lay School of Theology will be held Sept. 18 to 25, Oct. 2 to 9 and 16 to 23, 1990 from 7 to 9 p.m. at Zion United Methodist Church, Batavia, Sheboygan County, at Highway 28 & County A.

Over 250 Roman Catholic and Protestant churches in Sheboygan, Fond du Lac, Washington and Ozaukee counties have been invited to participate in this historical event. This is the first time a multi-county ecumenical Lay School of Theology has ever been held.

It will be a six week event beginning September 18th each Tuesday night through October 23rd, 1990, meeting from 7:00 to 9:00 p.m. with two one-hour sessions of lecture and a question and answer session.

It will take place at the Zion United Methodist Church located at Highway 28 and County Trunk A in Batavia, Sheboygan County. The address is Box 153, Adell, Wis. 53001 - Phone (414) 994-4510.

They will be studying Revelation, Trinity, God,

Christ, Creation, Salvation, Sin, Justification and Sanctification, Holy Spirit, Church and Worship, Eschatology, Sacraments and Ministry.

The leaders and teaching staff are Dr. Richard Leach, Professor of Religion and Philosophy at Lakeland College, who received his doctorate at Iliff Theological Seminary; and Dr. Gerald Moede, Pastor of Zion UMC, who worked as Secretary of Faith and Order Council of Churches and as General Secretary of the Consultation on Church Union (COCU). Dr. Leach and Dr. Moede are available for interviews.

Registration is \$15.00 per person. A study book is available at approximately \$11.25. Registration forms can be obtained from Jim

Martin, (414) 994-9181, W 8361 Brazelton Dr., Random Lake, Wis. 53075. Audio tapes will be available. Child care will be available.

Learn to Forecast Weather at UWWC

WEST BEND — Weather never ceases to amaze, confound, frighten or entertain us. UWWC is offering Geography 125, Survey of Physical Geography, this fall to help people learn about elements of weather and climate. The course will delve into such hot topics as global warming, the greenhouse effect and, a favorite topic of conversation, forecasting.

The course will also discuss characteristics and world distribution of physical factors

which in combination form the natural environment. Other topics will include climate types, earth materials, landforms and earth resources. Students will learn to recognize glacial landscapes such as the those found in and around West Bend.

Interested people can register

the first day of class on Monday, September 10. The class meets from 6:30 to 9:10 p.m. on Monday nights through December. This class and others can be taken on a non-credit basis with reduced and or no fees. Call the Student Services Office at 335-5201 for more information.

NOTICE TO THE ELECTORS OF THE VILLAGE OF KEWASKUM RELATING TO BOND SALE

On August 20, 1990, pursuant to Section 67.05, Wisconsin Statutes, a resolution was offered, read, approved and adopted whereby the Village of Kewaskum, Wisconsin entered into a contract to sell general obligation bonds in the face amount of \$1,075,000. It is anticipated that the closing of this bond sale will be held within 30 days from the date of this notice. A copy of all proceedings had to date with respect to the authorization and sale of said bonds is on file and may be examined in the office of the Clerk, 204 1st Street, Kewaskum, Wisconsin between the hours of 9 a.m. and 5 p.m. on weekdays.

This notice is given pursuant to Section 893-77, Wisconsin Statutes, which provides that an action or proceeding to contest the validity of such financing, for other than constitutional reasons, must be commenced within 30 days after the date of publication of this notice.

REMODELING TO
KEWASKUM ELEMENTARY SCHOOL
KEWASKUM SCHOOL DISTRICT
KEWASKUM, WISCONSIN
PROJECT NO. 1608
DOCUMENTS DATED: AUGUST 7, 1990

You are invited to bid on the remodeling to the Kewaskum Elementary School for Kewaskum School District, Kewaskum, Wisconsin.

The work consists of anchoring of existing plaster ceilings and new suspended grid and tile ceilings to include new lighting and heating/ventilating modifications. The project includes general construction, heating and ventilating, and electrical work.

Lump sum bids will be received as follows:

GC-1 General Construction

The Kewaskum School District, the Owner, will receive bids until 2:00 p.m. on Tuesday, Sept. 18, 1990, in the Kewaskum Schools Administration Office located at 1450 School Street, Kewaskum, Wisconsin 53040. Bids received after this time will not be accepted.

Proposals shall be prepared in accordance with contract documents prepared by Bray Associates - Architects, Inc., 2203 S. Memorial Place, P.O. Box 955, Sheboygan, Wisconsin 53082.

Contract documents, including drawings, specifications, etc., are on file for examination at the following place:

•Bray Associates - Architects, Inc., 2203 S. Memorial Place, Sheboygan, WI 53082

Copies of the above documents may be obtained at the office of the Architect and in accordance with the Instructions to Bidders upon depositing the sum of \$25.00 for each set of documents. The check, made payable to the Architect, will be returned upon return of the bidding documents. Other non-cash security approved methods also accepted. Plans will be mailed upon request; however, a separate non-refundable check in the amount of \$10.00 to cover shipping costs will be required. Make check payable to the Architect.

A certified check, a cashier's check or a bid bond payable to the Owner in an amount not less than 5% of the maximum bid shall accompany each bid as a guarantee that if the bid is accepted, the Bidder will execute and file the proposed contract and bond within ten days after the award of contract.

Drawings and project manuals will be available Sept. 4, 1990.

Mr. David Heather, District Administrator
Kewaskum School District
1450 School Street

VILLAGE OF KEWASKUM RESOLUTIONS

RESOLUTION # 90-24

AN INITIAL RESOLUTION AUTHORIZING NOT TO EXCEED \$1,075,000 GENERAL OBLIGATION BONDS OF THE VILLAGE OF KEWASKUM, WISCONSIN

BE IT RESOLVED, by this Village Board that under and by virtue of the provisions of Chapter 67, Wisconsin Statutes, the Village of Kewaskum, Fond du Lac and Washington Counties, Wisconsin shall issue its negotiable, general obligation bonds in a sum not to exceed the amount of \$1,075,000 for the purpose of refunding its outstanding General Obligation Promissory Notes, Series 1983, dated May 1, 1983. Provided, however, that said bonds shall be sold and issued in whole or in part from time to time in such amount or amounts as shall be within the limits provided by law.

Kenneth Bonlander, Trustee moved the approval of the foregoing resolution. The motion was seconded by Trustee Larry Williams and, after due consideration, upon roll call, the following Trustees voted aye: Mary Krueger, Kenneth Bonlander, Robert Beisler, Gary Gavin, Larry Williams, Thomas McElhatton. Also President Paul Blumer voted aye. The President declared that since the foregoing resolution was supported by the affirmative vote of a majority of all members-elect of the Village Board, it was approved and he/she directed that it be recorded forthwith.

(Trustee Gary Gavin) He/she then offered the following to the Council, to-wit:

Res. No. 90-25

A RESOLUTION AUTHORIZING AND PROVIDING FOR THE ISSUANCE BY THE VILLAGE OF KEWASKUM, FOND DU LAC AND WASHINGTON COUNTIES, WISCONSIN OF \$1,075,000 GENERAL OBLIGATION BONDS, SERIES 1990, FOR CORPORATE (REFUNDING) PURPOSES; PROVIDING FOR THE FORM AND CONTENTS OF SAID BONDS; FIXING THE RATE OF INTEREST THEREON; LEVYING TAXES; AND PROVIDING FOR THE SALE OF SAID BONDS

WHEREAS, the Village of Kewaskum, Fond du Lac and Washington Counties, Wisconsin (the "Issuer"), is presently in need of funds aggregating One Million Seventy-Five Thousand Dollars (\$1,075,000) to finance the refunding of the Issuer's General Obligation Promissory Notes, Series 1983, dated May 1, 1983; and

WHEREAS, the Village Board (the "Governing Body") of the Issuer has previously adopted an initial resolution authorizing the issuance of general obligation bonds for such purpose in a principal amount of not to exceed One Million Seventy-Five Thousand Dollars (\$1,075,000); and

WHEREAS, the Governing Body of the Issuer deems it in the best interests of the Issuer that the funds needed be borrowed in the aggregate amount and for the purposes stated above, pursuant to the provisions of Section 67.05, Wisconsin Statutes, and upon the terms and conditions set forth below:

NOW, THEREFORE, BE IT RESOLVED, by the Governing Body of the Issuer, that:

Section 1. For the foregoing purposes, there shall be, and there are hereby, authorized and ordered to be prepared, executed and issued fully registered, negotiable, general obligation bonds of the Issuer in the principal sum and to the amount of One Million Seventy-Five Thousand Dollars (\$1,075,000), which bonds (the "Obligations") shall be issued under and by virtue of the provisions of Chapter 67 of the Wisconsin Statutes.

Section 2. The Obligations shall be named "Village of Kewaskum, Fond du Lac and Washington Counties, Wisconsin General Obligation Corporate Purpose (Refunding) Bonds, Series 1990." The Obligations shall bear as their dated date September 1, 1990 (notwithstanding that they may actually be issued and/or executed on some other date). Each Obligation shall also be dated, as its registration date, the date of its authentication. Each Obligation shall be in the face amount of \$5,000 or any whole multiple thereof not exceeding the principal amount of the single maturity evidenced thereby. The Obligations shall bear interest from their dated date at the rates per annum set forth in the table below, payable June 1, 1991 and semiannually thereafter on the 1st days of June and December of each year until the principal of the Obligations shall have been paid. Interest on the Obligations shall be computed on the basis of a 360-day year of twelve 30-day months. Interest shall be payable on an interest payment date to the holder in whose name such Obligation is registered on the Register at the close of business on the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date. The Obligations shall be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing such Obligations. The Obligations shall be due and payable on the dates, and shall bear interest at the rates, shown below:

Principal Maturity Date	Principal Amount	Interest Rate
December 1, 1991	\$ 50,000	6.00%
December 1, 1992	75,000	6.05
December 1, 1993	75,000	6.10
December 1, 1994	75,000	6.20
December 1, 1995	75,000	6.30
December 1, 1996	75,000	6.40
December 1, 1997	100,000	6.50
December 1, 1998	100,000	6.60
December 1, 1999	100,000	6.70
December 1, 2000	100,000	6.80
December 1, 2001	125,000	6.90
December 1, 2002	125,000	7.00

The principal of and interest on the Obligations shall be payable in lawful money of the United States of America as provided below.

Section 3. Registrar and Depository. The Treasurer of the Issuer (the "Registrar") shall be the Registrar for the Obligations. The Depository Trust Company, New York, New York (the "Depository") is hereby appointed to act as securities depository for the Obligations. The President and Clerk of the Issuer are hereby authorized and directed on behalf of the Issuer to enter into a contract with the Depository, which contract shall provide for payment by the Issuer of the reasonable and customary charges of the Depository for such services.

Section 4. Book-Entry Form. The Obligations shall be issued in book-entry form only, shall be registered in the name of the Depository or its nominee, and shall be numbered from R-1 consecutively upward. If, for any reason, the relationship with the Depository is terminated, the Issuer may at its sole discretion establish a relationship with another securities depository in order to maintain the Obligations in book-entry form. If the Issuer does not appoint another securities depository, it shall prepare, authenticate and deliver at its expense fully registered certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding to the beneficial owners of the Obligations, as shown upon the records of the Depository. The book-entry Obligations shall be in the form provided for in Section 7 hereof, and the certificated Obligations shall be in the form provided for in Section 8 hereof.

Section 5. Payment of Obligations. As long as the Obligations are in book-entry form, the Obligations are payable as to principal by wire transfer to the Depository or its nominee upon their presentation and surrender at the principal office of the Treasurer of the Issuer. Payment of each installment of interest shall be made by wire transfer to the Depository or its nominee shown in the registration books on the Record Date in next-day funds on the payment date. The Registrar shall not be obliged to make any transfer of the Obligations (i) during the 15 calendar days preceding the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption. With respect to (iii) above, in the event that less than all of the principal amount of a specific maturity is redeemed, the Issuer shall issue and the Registrar shall authenticate a new Obligation in the principal amount outstanding after redemption on the redemption date.

In the event that the Issuer exercises its right to issue fully registered certificated Obligations, the Treasurer of the Issuer shall cease to act as Registrar and instead the Issuer shall appoint a Registrar and Paying Agent pursuant to Section 67.10, Wisconsin Statutes.

The Obligations when in certificated form shall be payable as to principal by check or draft issued upon their presentation and surrender at the principal office of the Paying Agent so appointed. Payment of each installment of interest shall be payable by check or draft mailed to the registered owner shown in the registration books on the Record Date at the owner's address as it appears in the registration books kept for such purpose. The Registrar shall not be obliged to make any transfer of the Obligations (i) during the 15 calendar days preceding the date of the publication of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation after such Obligation has been called for redemption. With respect to (iii) above, in the event that less than all the principal amount of a maturity is redeemed, the Issuer shall issue a new Obligation or Obligations in the principal amount outstanding after redemption on the redemption date.

Section 6. Redemption Prior to Maturity. The Obligations of this issue maturing on or after December 1, 2000 shall be subject to redemption prior to their stated date of maturity, at the option of the Issuer, in whole or in part, in inverse order of maturity, on December 1, 1999 and on the first day of each June and December thereafter at the price of 100% of the principal amount thereof plus accrued interest to the date of redemption. If the Obligations are in book-entry form and less than all of a particular maturity are to be redeemed, selection of the Beneficial Owners of the Obligations affected thereby shall be made solely by the Depository in accordance with its then prevailing rules. If the Obligations are in certificated form and less than all of a particular maturity are to be redeemed, selection shall be by lot.

So long as the Obligations are in book-entry form a notice of the redemption of any of said Obligations shall be sent to the Depository not less than 30 and not more than 45 days prior to the date of redemption. A notice of redemption may be revoked by sending notice to the Depository not less than 15 days prior to the proposed date of redemption.

In the event that the Obligations are outstanding in certificated form, a notice of the redemption of any of said Obligations shall be mailed, postage prepaid, not less than 30 and not more than 45 days before the redemption date to the registered owners of any Obligations to be redeemed; provided, however, that failure to give such notice by mail or any defect therein shall not affect the validity of any proceedings for the redemption of the Obligations if notice of redemption is published at least once not less than 30 and not more than 45 days prior to the date of redemption in a financial newspaper published or circulated in New York, New York. A notice of redemption may be revoked by mailing of a notice not less than 15 days prior to the proposed redemption date to the registered owners of any Obligations to have been redeemed; provided, however, that failure to mail any such notice shall not affect the validity of such revocation if notice of such revocation is published at least once in a financial newspaper published or circulated in New York, New York.

Interest on any Obligation so called for prior redemption shall cease to accrue on the redemption date provided payment thereof has been duly made or provided for.

Section 7. Form of Book-Entry Obligations. The Obligations in book-entry form shall be in substantially the form attached hereto as Exhibit A, with such omissions, insertions or variations as may be deemed necessary or desirable and authorized or permitted by this Resolution or any resolution supplemental hereto adopted prior to the issuance thereof.

Section 8. Form of Certificated Obligations. If, pursuant to Section 4 hereof, certificated Obligations are to be issued, they shall be in substantially the form attached hereto as Exhibit B, with such omissions, insertions or variations as may be deemed necessary and desirable and authorized or permitted by this Resolution or any resolution supplemental hereto adopted prior to the issuance thereof.

Section 9. Execution of Obligations. The Obligations shall be signed and authenticated by the then President and Clerk of the Issuer and sealed with the corporate seal of the Issuer. Either or both of such signatures may be facsimiles. Such officers hereby adopt such facsimile signatures as and for their own proper signatures. In case either of the officers whose signatures appear on the Obligations shall cease to be such officers before the issuance of the Obligations, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery.

Section 10. The sale of the Obligations is hereby awarded and confirmed to Bank One Milwaukee, N.A., Milwaukee, Wisconsin (the "Purchaser") at the price of \$1,053,500.00 for the entire issue of Obligations, plus accrued interest from the dated date to the date of delivery of the Obligations (the "Purchase Price"). The contract executed and presented to the Governing Body by the Purchaser to purchase the Obligations is hereby approved and accepted. The President and the Clerk (hereinafter called the "Officers of the Issuer") are hereby authorized and directed, in the name of the Issuer, to execute said contract. The Officers of the Issuer are hereby authorized and directed to take such further steps as may be necessary to complete the sale of the Obligations, including arranging for a specific time and place of closing of the sale.

The Officers of the Issuer be and they are hereby authorized and directed forthwith to take all necessary steps to arrange delivery of the Obligations to the Purchaser in accordance with the terms and conditions of the proposal received from the Purchaser and this Resolution, and to execute and deliver the Obligations to the Purchaser upon payment by it of the Purchase Price plus any accrued interest.

Section 11. Conditions of Sale. The sale of the Obligations shall be understood to be conditioned upon the Issuer furnishing to the Purchaser at any mutually acceptable place in the continental United States, the written, unqualified approving opinion of the law firm of Foley & Lardner, Attorneys, bond counsel of Milwaukee, Wisconsin, evidencing the legality of the Obligations, together with the Obligations, a transcript of the proceedings relating to the issuance of the Obligations, and the usual certificates showing no litigation threatened or pending affecting the legality of the Obligations or the right of the Issuer to issue them at the time of the delivery of the Obligations. Said opinion shall also state that the Issuer has power and is obligated to levy and collect taxes for the payment of the Obligations and the interest thereon upon all property within the Issuer subject to taxation by the Issuer, without limitation as to rate or amount, to the extent the necessary funds are not provided from other sources, and shall also state that interest on the Obligations earned by the respective holders thereof is exempt from present federal income tax.

Section 12. Tax Levy. In order to provide for the collection of a direct annual tax sufficient in amount to pay, and for the express purpose of paying, the interest on the Obligations at maturity, there is hereby levied upon all of the taxable property in the territory of the Issuer, in addition to all other taxes, a nonrepealable, direct, annual tax in an amount sufficient for that purpose. This tax shall be from year to year carried into the tax roll of the Issuer and collected in addition to all other taxes and in the same manner and at the same time. This tax shall be in the following amounts:

- (a) Levy for the year 1990 in the amount of \$137,828.73, being the sum of:
 - \$52,696.88 for interest due on June 1, 1991,
 - \$35,131.85 for interest due on December 1, 1991; and
 - \$50,000 for principal due on December 1, 1991.
- (b) Levy for the year 1991 in the amount of \$142,262.50, being the sum of:
 - \$33,631.25 for interest due on June 1, 1992,
 - \$33,631.25 for interest due on December 1, 1992; and
 - \$75,000 for principal due on December 1, 1992.
- (c) Levy for the year 1992 in the amount of \$137,725.00, being the sum of:
 - \$31,362.50 for interest due on June 1, 1993,
 - \$31,362.50 for interest due on December 1, 1993; and
 - \$75,000 for principal due on December 1, 1993.
- (d) Levy for the year 1993 in the amount of \$133,150.00, being the sum of:

UWWC Working to Expand Cooperative Course Offerings

UWWC is working to expand cooperative course offerings from the University of Wisconsin-Milwaukee at its campus in West Bend.

This summer marked the first time UWM offered classes taught by its faculty and by UWWC faculty in West Bend. More than 80 students took advantage of the new cooperative agreement this summer according to Student Services Director Mike Murphy.

UWM Associate Art Lecturer Bethann Handzlik is teaching an eight week Basic Art Experiences class to 15 UWM students at UWWC. "The faculty here has been very accommodating to the course," explained Handzlik. "It's really been a good experience for me." Handzlik said the cooperative offering also was beneficial to her because it allowed her to use some of the resources, such as UWM's vast art slide library, to teach the studio and lecture class. She added, "I also had the advantage of receiving input from developing the curriculum from the chairpersons of UWM's Art Department. The course was highly recommended by the Chancellor."

"There is really a dual reason for increasing our links to UWM," explained Murphy. "First it helps to expand our campus' service to the community and it helps UWM to offer more of its 2,200 plus students who live in our area," he said. UWWC Dean Joel Rodney agrees, "This type of program shows how the University of Wisconsin functions as a system and underlines the strength of the Centers as part of that system."

In the past, UWM has provided on-site application administration but last summer the two schools decided to further expand their links when English proficiency exams, required by UWM, were administered locally. The local exams have been a success, replied Murphy. "Now students don't have to drive downtown and they can take the test in a familiar place."

Students at UWWC, like its two year counterparts throughout the state, already enjoy easy transfer and admission policies to UWM or any of the other four year UW System universities. Murphy sees no negatives to increasing UWM's presence at UWWC. "If it helps students, and increases people's awareness that UWWC is an equal and integral part of the UW system then I am all for it," responded Murphy.

\$29,075.00 for interest due on June 1, 1994,
\$29,075.00 for interest due on December 1, 1994; and
\$75,000 for principal due on December 1, 1994.

- (e) Levy for the year 1994 in the amount of \$128,500.00, being the sum of:
\$26,750.00 for interest due on June 1, 1995,
\$26,750.00 for interest due on December 1, 1995; and
\$75,000 for principal due on December 1, 1995.
- (f) Levy for the year 1995 in the amount of \$123,775.00, being the sum of:
\$24,387.50 for interest due on June 1, 1996,
\$24,387.50 for interest due on December 1, 1996; and
\$75,000 for principal due on December 1, 1996.
- (g) Levy for the year 1996 in the amount of \$143,975.00, being the sum of:
\$21,987.50 for interest due on June 1, 1997,
\$21,987.50 for interest due on December 1, 1997; and
\$100,000 for principal due on December 1, 1997.
- (h) Levy for the year 1997 in the amount of \$137,475.00, being the sum of:
\$18,737.50 for interest due on June 1, 1998,
\$18,737.50 for interest due on December 1, 1998; and
\$100,000 for principal due on December 1, 1998.
- (i) Levy for the year 1998 in the amount of \$130,875.00, being the sum of:
\$15,437.50 for interest due on June 1, 1999,
\$15,437.50 for interest due on December 1, 1999; and
\$100,000 for principal due on December 1, 1999.
- (j) Levy for the year 1999 in the amount of \$124,175.00, being the sum of:
\$12,087.50 for interest due on June 1, 2000;
\$12,087.50 for interest due on December 1, 2000; and
\$100,000 for principal due on December 1, 2000.
- (k) Levy for the year 2000 in the amount of \$142,375.00, being the sum of:
\$8,687.50 for interest due on June 1, 2001,
\$8,687.50 for interest due on December 1, 2001; and
\$125,000 for principal due on December 1, 2001.
- (l) Levy for the year 2001 in the amount of \$133,750.00, being the sum of:
\$4,375.00 for interest due on June 1, 2002,
\$4,375.00 for interest due on December 1, 2002; and
\$125,000 for principal due on December 1, 2002.

Section 13. Debt Service Fund. The proceeds of the said taxes, when collected by the Treasurer, shall be placed and kept by the Treasurer as a separate fund irrevocably pledged for paying the principal of and interest on the Obligations so long as any such Obligations shall remain outstanding, to be known as the Village of Kewaskum, Wisconsin General Obligation Refunding Bonds, Series 1990 Debt Service Fund (the "Debt Service Fund"). Any accrued interest and any premium received at the time of delivery of the Obligations shall be paid over to the Debt Service Fund. Interest on or principal of the Obligations falling due at any time when there shall be on hand in the Debt Service Fund insufficient funds for the payment of such principal and interest shall be paid promptly when due from other funds of the Issuer.

Section 14. Borrowed Money Fund. The sale proceeds of the Obligations (exclusive of any accrued interest or premium received) shall, forthwith upon receipt, be placed in and kept by the Treasurer as a separate fund to be known as the Village of Kewaskum, Wisconsin General Obligation Refunding Bonds, Series 1990 Borrowed Money Fund (herein referred to as the "Borrowed Money Fund"). Moneys in the Borrowed Money Fund, including the earnings thereon, shall be used solely for the purpose for which borrowed or for transfer to the Debt Service Fund as provided by law. The Treasurer may pay any costs relating to the issuance of the Obligations or the investment of the Borrowed Money Fund out of said Fund.

Section 15. Notice of Sale. Notice of the sale of the Obligations, in the form attached hereto as Exhibit C, shall be published forthwith in a newspaper having general circulation within the boundaries of the Issuer. The Secretary shall obtain proof, in affidavit form, of such publication; and compare the Notice as printed with Exhibit B to ascertain that no mistake has been made therein.

Section 16. Further Authorizations. The appropriate officers of the Issuer are further authorized and directed to prepare and furnish the Purchaser and the attorneys approving the legality of the Obligations, certified copies of proceedings and records of the Issuer relating thereto and to the financial condition and affairs of the Issuer and such other affidavits, certificates and information as may be required to show the facts relating to the legality of the Obligations as appear from the books and records under their custody or control, or as otherwise known to them, and all such certified copies, affidavits, certificates and information, including any heretofore furnished, shall be deemed representations of the Issuer of the facts recited therein.

Section 17. Qualified Tax-Exempt Obligations. The Issuer hereby designates the Obligations as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Section 18. Covenants. The Issuer covenants that it will comply with all requirements of the Internal Revenue Code of 1986 that must be satisfied subsequent to the issuance of the Obligations in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes.

Section 19. Performance of Resolution. The officers of the Issuer, attorneys for the Issuer or other agents or employees of the Issuer are hereby authorized to do all acts and things required of them by or as a consequence hereof for the full punctual and complete performance of all of the provisions hereof.

Section 20. Prior Acts Superseded. All prior resolutions, rules, ordinances or other actions of this Governing Body or any parts thereof in conflict with the provisions or adoption hereof shall be and the same are hereby rescinded insofar as they may so conflict.

Section 21. Severability. In case any one or more of the provisions of this Resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof.

Section 22. Effective Date. This Resolution shall take effect immediately upon adoption and approval in the manner provided by law.

Trustee Mary Krueger moved the approval of the foregoing resolution. The motion was seconded by Trustee Thomas McElhatton and, after due consideration, upon roll call, the following Trustees voted aye: Trustee Mary Krueger, Kenneth Bonlander, Robert Beisler, Gary Gavin, Larry Williams, and Thomas McElhatton. Also President Paul Blumer voted aye.

The following trustees voted nay:

N/A

The President declared that since the foregoing resolution was supported by the affirmative vote of a majority of a quorum of members-elect in attendance, it was adopted and he/she directed that it be recorded forthwith.

The President directed the Clerk to record full and correct copies, so certified by the Clerk, of all of the foregoing and attachments in the record of proceedings book required to be maintained pursuant to Chapter 67, Wisconsin Statutes.

Respectfully submitted,

Daniel S. Schmidt
Clerk/Administrator
Daniel S. Schmidt

Moraine Park Offers Commuter Opportunities

It is easy for residents of Beaver Dam, Fond du Lac and West Bend to think of Moraine Park Technical College only in terms of the campus located in their particular community.

But it would be wrong to limit perception of the college to what can be seen within the nearest city limits.

Moraine Park Technical College provides educational services for more than 250,000 residents within the 10-county Moraine Park Vocational, Technical and Adult Education District.

Last year more than 19,000 residents took advantage of Moraine Park's services. Of that number nearly 3,000 were full-time students. Many of those students took advantage of the wide selection of educational opportunities offered through Moraine Park's three campuses.

For example, 53 students from Washington County and 242 students from Fond du Lac County commuted to classes at Moraine Park's Beaver Dam campus in Dodge County during the past school year. In return, 195 Dodge County residents and 251 Fond du Lac residents commuted to the West Bend campus in Washington County. At Moraine Park's Fond du Lac campus, the college's largest and the administrative center for the district, 553 students traveled from Washington County while another 762 commuted from Dodge County.

What attracts these commuting students are programs unique to each campus. Moraine Park offers its appliance servicing, electrical power distribution and practical

nursing programs only at its Beaver Dam campus.

Six programs are exclusively taught at Moraine Park's West Bend campus — associate degree nursing, medical records technician, medical transcription, industrial coatings technician, machine tool operation and machine tooling technics.

Moraine Park's Fond du Lac campus offers 29 exclusive programs ranging from four child care programs to restaurant and hotel cookery to computer information systems to automotive mechanics and police science.

Several programs — accounting, accounting assistant, marketing, supervisor's management, administrative assistant — secretarial, legal secretary and office assistant — are offered at two or more of the campuses.

In addition to its three campuses, Moraine Park also offers instruction at 16 centers located in communities throughout the Moraine Park Vocational, Technical and Adult Education District. Those are located in Berlin, Campbellsport, Green Lake, Hartford, Horicon, Hustisford, Juneau, Kewaskum, Lomira, Markesan, Mayville, New Holstein, Princeton, Ripon, Slinger/Allenton and Waupun/Fox Lake.

Through these conveniently located centers, district residents can enroll in a wide selection of individual courses.

Moraine Park also works closely with local businesses and industries to provide requested on-site instructional services through its workplace

literacy program and individual, contracted services ranging from emergency care procedure training to seminars and instructional classes on a wide range of industry - related topics.

The Moraine Park VTAE District covers 129 municipalities and 2,450 square miles. Counties included in the district are all of Fond du Lac and Green Lake, most of Dodge and Washington, and portions of Calumet, Sheboygan, Waushara, Winnebago, Marquette and Columbia.

Pump-Kids, Kin Await Great Caper

An addition to the Great Pumpkin Caper, to be held October 26 - 27 at the Paradise Mall, will be a pump-kid patch.

The Volunteer Center of Washington County urges area residents to keep the above dates in mind. Initial plans for this second annual event - which proved highly creative and entertaining, plus moderately successful last year - have been in the making since the first of the year.

Pumpkin patch plans will be propelled in the next two months; of course, with all proceeds slated to promote volunteerism in Washington County.

Watch for additional information at various locations and in the media, as to rules, business division, individual or family prizes (with first prize of \$250), judging and other pertinent details.

Official Notice PROPOSED AGENDA

There will be a Regular Meeting of the Kewaskum School District Board of Education on Monday, September 10, 1990. Said meeting to commence at 7:00 p.m. in the commons area at Kewaskum High School.

Anticipated agenda items will include the following:

- I. Call to order-President Weare
- II. Roll Call
- III. Pledge of allegiance-Clerk Schmitt
- IV. Approval of agenda; deletions or corrections
- V. Audience to visitors; receiving of delegations
- VI. ACTION ITEMS
 - A. Approval of minutes from past meetings
 - B. Committee Reports
 - 1. Policy-Legislation-Bylaw Committee
 - a. Next meeting date: 9-11-90 at 7 p.m.
 - 2. Finance Committee
 - a. Desks-FES
 - b. Bleacher tractor-KHS
 - c. Lockers-KMS
 - d. Water Heater-KMS
 - e. Screens-KES
 - f. Steam condensate lines-KHS
 - g. Power line-FES
 - h. External lighting-KHS
 - i. Next meeting date:
 - C. New Business
 - 1. Accept resignation of instructional staff member-Dr. Heather
 - 2. Appointment of extended day kindergarten teacher-Dr. Heather
 - 3. Withdrawal of contract offer to Leonard Matoush-Dr. Heather
 - 4. Appointment of middle school teacher-Dr. Heather
 - 5. Discussion concerning class counts-Dr. Heather
 - 6. Summer school report-Dr. Heather
 - 7. Approval of district health coordinator-Dr. Heather
 - 8. Approval of support personnel for 90-91-Dr. Heather
 - 9. Approval of Quest program for elementary grades-Connie Strand
- VII. Adjournment

EW Play Opens Friday Against Falls Indians Down Horicon 14-7

KEWASKUM — The Kewaskum football team improved its record to 2-0 here, last Friday, as the Indians used a big pass play in the fourth quarter to take the lead and eventually hold on for a 14-7 victory over a surprisingly tough Horicon team.

Horicon, which came into the game 0-1 after a 47-0 thumping at the hands of Columbus a week earlier, played the Indians relatively even, although they boast just five seniors on the team.

"It was a real good game," Indians coach Clark Pearson said of the contest. "They did a lot of stunting (on defense) and played us tough. We weren't as consistent as we should be (on offense), and that's something that we're going to have to work on."

After a scoreless first quarter, the Marshmen took the lead early in the second period, as they used an 8-yard pass from Peter Forge to Doug Braun, along with the successful point after, to take a 7-0 lead over the Indians.

The Indians finally got on the board near the end of the first half, as Mark Felix found Kim Marx open for a 14 yard touchdown pass, which was helped set up by a Horicon pass interference penalty. Jeff Sabish kicked the extra point to tie the game at 7-7.

After a scoreless third quarter, the Indians wasted no time in getting things going early in the fourth. Only about a minute into the quarter, Felix dropped back for a pass and was flushed out of the pocket.

The 6-3 senior rolled out to his left, looking like he was going to run, but instead launched a perfect 60 yard bomb to Matt Seiser, who had beaten his man downfield. Seiser was tackled at the 2-yard line, from which Felix took the next snap and pushed his way in for a score. Sabish again added the kick, making it 14-7.

"It was a perfect pass," Pearson said of Felix's effort. "He probably couldn't have thrown it any better."

The Indians defensive unit then tightened in the final ten minutes, getting a key interception by safety Chad Cook to stop one Horicon drive, and then stopping them on loss of downs.

"The defense did a real nice job," Pearson said, commending the unit. "They gave up some yards in the middle of the field at times, but when they needed to, they got real tough."

Felix finished the game completing 8 of 19 passes for 122 yards, with Seiser being the beneficiary of three of the passes for 91 yards. Felix also "did an excellent job punting," according to Pearson, who reported that Felix averaged a whopping 54 yards on his six punts.

Pearson also noted that the Heller brothers, Scott and Brian

"both played well," while Craig Krell and Jerry Sese also played a good game on defense, as did junior Joel Fleischman. Randy Schlice, who led the Indians with 66 yards rushing on 16 carries also was deserving of Pearson's compliments.

"Overall, they all did real well," Pearson went on. "They all played pretty decent, but we still have a lot of work to do," before the Indians open up Eastern Wisconsin Conference action, at home this Friday, against Sheboygan Falls.

Indians Cross Country Surpassed by Cougars

While both the girls and boys Cross Country teams were defeated during last Thursday's meet with the Cougars, certain individuals did real well.

Laurie Vogt captured first place with 13:41, a time which will be improved upon when Vogt starts feeling up to par. Following Vogt for the team Teresa Anderson at 14:55 in fourth and Stacey Petushek at 15:35 in ninth.

Campbellsport's Chris and Kim Smith captured second and third with times of 14:02 and 14:52 respectively.

Newcomer's Patti Aupperle, Heather Kulcinski and Rachel Chambers did well with times of 16:22, 16:49 and 17:27.

For the boys team, the Cougars took the first six places for a perfect team score of fifteen.

Placing first for the Indians was Dean Kreis who was seventh overall with a time of 20:01 followed by Josh Kurtz in tenth at 20:33 and Jim Gildersleeve in thirteenth at 21:17.

"The team has a lot of work to do," said Coach Dave Drexler. "I think the other schools runners have been running all summer and have the edge." With harder work the Indians can improve.

The Indians next meets will be the Mayville Invitational on Friday followed by the Lions Invitational at the Camelot in Lomira next Thursday.

Other times: Don Harmon 22:19 Wade Kreis 21:27, Willie Kreis 21:21, Chad Harlow 22:21, Adam Pilachowski 23:20, John Gildersleeve 27:03, Mike Jandre 23:54, Derek Follmann 22:53, Greg Holl 26:51, Jason Sharpee 27:14, Brett Prost 28:24, Tom Hilt 30:32, Kevin Gundrum 23:54.

The five most popular sports activities for American adults are swimming, fishing, bicycling, bowling and running.

Indians Off to the Races

The Kewaskum boys and girls cross country teams opened their seasons with a triangular meet at Sheboygan Falls on Tuesday, August 28. Although both teams placed third in this meet, there were individual highlights in each race.

For the boys, sophomore Jeff Dirmier proved to be the team's number one runner. Placing eighth with a time of 20:09, Jeff is off to a good start. In a close second was senior John Schmidt who placed 9th, running 20:16. Rounding out the top five spots were Jim Gildersleeve (14th), Willie Kreis (17th), and Dean

Kreis (18th).

In the girls' race, senior star Laurie Vogt captured first place honors - touring the course in 13:50. Summer training has started Laurie off on the right foot. The next Kewaskum runner was Teresa Anderson who ran a 15:39 - good for seventh place. Stacy Petushek placed 10th for the Indians; while Patti Aupperle, Heather Kulcinski, and Rachael Chambers placed 13th, 14th, and 16th respectively in their first Cross Country Competition.

Coach Dave Drexler commented, "improvement is needed as far as strength - lack of running over summer is hurting us now."

Boys: Sheboygan Falls - 16, Howards Grove - 55, Kewaskum - 66.

Girls: Howards Grove - 32, Sheboygan Falls - 43, Kewaskum - 45.

Wisconsin Bear Hunting Season Opens Saturday

MADISON, WI — With an estimated bear population of more than 6,200 animals, Wisconsin bear hunters can anticipate an excellent season, says Bill Ishmael, Department of Natural Resources deer, bear and furbearer ecologist.

The season for bait hunters will run Saturday, September 8, 1990 through Friday, September 28, 1990. The season for hunters using hounds opens on Saturday, September 15, 1990, and runs through Wednesday, October 5, 1990. The DNR issued 2,825 harvest permits for the three hunting zones to take a harvest quota of 1,275 bears, including 1,500 for Zone A, 575 for Zone B and 750 for Zone C. Bear hunters in 1989 harvested a total of 978 bears from a quota of 1,035 animals with 2,020 harvest permits issued.

"Overall it looks to be a good bear season. There is a good population of bear and if the wet weather continues, dog hunters will have good trailing opportunities," Ishmael said. "Even though there is a lot of natural food available, baiters should still have a good season as bear will be active."

Under a new rule this year, hunters will be able to quarter their bear in the woods prior to registration. This will make it easier to transport bear from the woods. Another new law will allow bear hunters to use the same caliber handguns as deer hunters: .357, .41 and .44 magnum handguns.

"This is the fifth season of bear hunting under the newly formulated zone and quota format," Ishmael said. "Hunters are encouraged to contact local wildlife managers to get their impressions of bear populations in the zones they intend to hunt and also to get information on areas where nuisance complaints were frequent this year."

For more information contact: Bill Ishmael — 608-266-2194.
