MPTC Borrowing Referendum Defeated

By GERRY MUELLER
Statesman Staff Writer

The proposed referendum to borrow \$13.8 million for the expansion and renovation of the Moraine Park Technical College's three campuses at West Bend, Fond du Lac and Beaver Dam, went down to defeat in last week's election.

Despite the referendum getting a passing vote in Washington County, 128 municipalities in eleven other affected counties throughout MPTC's district voted down the proposed expansion program.

Surprisingly, Fond du Lac County, which would have seen the largest expansion, represented some of the heaviest opposition. The final

poll figures showed 10,399 against and 9,185 for the referendum.

MPTC president Dr. Jack Shanahan expressed his disappointment in the referendum's defeat noting that the district cannot keep up with business and industry's demands for the school's graduates. "We have two job orders for every graduate, we can't meet the job demands."

Shanahan also indicated the campuses are being faced by waiting lists for courses whose class sizes are being restricted because of space and equipment limitations.

Also defeated in last Tuesday's election was the Lomira School District's

referendum to issue \$3.5 million in general obligation bonds to finance K-12 renovations. That issue was defeated by a 539 to 427 vote.

Election results in the state primary races were: Republican, incumbent governor Tommy Thompson 200,613, over challengers Bennett Mosel 11,159 and Edmond Hou-Seye 4,754. Democrats, James Doyle 104,661 over William TeWinkle 80,849 for Attorney General and Douglas LaFollette 127,336 over Stuart Levitan 50,193 for Secretary of State.

On the county level Republican incumbent Shirley Hofmaier defeated challenger Terry Schmitt for the post of Coroner.

Waldo Fire Kills Two Young Brothers

By GERRY MUELLER
Statesman Staff Writer

A deadly fire early Monday morning claimed the lives of two young brothers and injured their mother and a younger brother.

Jason Menzer 7, and his eight-year-old brother Ty perished when fire raged through their living quarters above the family business, The Art Gallery in Waldo.

Grace Menzer 32, and her son Kim 5, were rescued when they jumped from a third-floor window into a makeshift safety net held by a neighbor and a fireman.

The fire was discovered at approximately 4 a.m. and by the time firemen got to the scene the century-old building was totally engulfed in flames. The

Waldo Fire Department battled the blaze with the aid of three neighboring departments.

The log and frame structure was built in 1857 as a saw mill and in 1859 a grist mill was built on the site, which operated until 1944. It was abandoned and then in 1981 the Onion River Mill saw restoration efforts begin.

In 1984 the mill was placed on the National Register of Historic Places by the U.S. Department of the Interior.

The Michael Menzer family owned and operated the art gallery and gift shop which was also housed in the structure at the time of the fire.

The State Fire Marshal is investigating the cause of the blaze, because loss of life occurred.

Light Agenda for Village Board

By GERRY MUELLER
Statesman Staff Writer

Prior to going into closed session, the most pressing business faced by the Kewaskum Village Board Monday night, was the approval of a building permit for the Shefond car wash which will be located on Fond du Lac Avenue, pending review of those plans by the Plan Commission next week and another building permit for a 12-stall state approved garage at the Sison Mapledale Minor.

The trustees also approved a certified survey map for another apartment being planned by James and Sue Wessing of Kewaskum. Construction of the 16-unit building is proposed for land on Knights Avenue owned by the Wessings.

In other action the board adopted a resolution stating its support of a countywide Clean Sweep program to assist municipalities of the county achieve a cleaner, healthier environment by providing a way for residents to legally dispose of toxic household materials which cannot be collected with other household garbage.

Village Administrator Dan Schmidt also asked the trustees to review three areas planned for the 1992 Capital Improvements sidewalk program. Schmidt noted that the board should make a decision about the sections, especially along Third Street which is on school district property, by next spring so the School Board can allocate funds for the work in its 1991-92

budget. Because the school district does not pay taxes to the village, it is obligated to pay 100% of the sidewalk repair and replacement costs which are projected to run about \$7,200.

Board representative Gary Gavin advised fellow trustees that the library's Fall Story Hour will begin October 26th and that the village has received its third quarter payment from the countywide system.

Schmidt informed the board that three bags of garbage had been dumped off in the village by a non-resident. The individual involved was identified and billed for the three bags, noted Schmidt. That bill has also been paid. "This is just to let you and the people know we are keeping an eye on such attempts to dispose of non-resident refuse within the village," he noted.

Kewaskum Woman Injured in One-Car Mishap

By GERRY MUELLER
Statesman Staff Writer

Karen Kniprath of 3667 County Line Road, Kewaskum, sustained minor injuries in a one-car accident late Sunday morning when the car she was driving left the road and overturned in a ditch.

The incident occurred at 10:54 a.m. on East Moraine Drive, about a mile east of Highway S, north of the village limits.

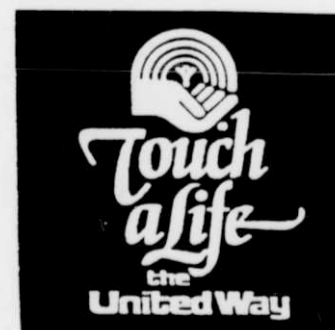

According to a Washington County Sheriff's Deputy at the scene, Kniprath was headed west on Moraine when a dog ran into the road. She swerved

to avoid hitting the animal and as a result, her car left the road traveling into the ditch on the south side of the road where it rolled over onto its roof.

The deputy said he had been told the dog's owner had apparently just brought the dog home from the Humane Society the day before. He had left the dog out for some exercise when it ran onto the road. The deputy said the owner was trying to call the dog, who was unfamiliar with its surroundings and new owner, back into the yard when the accident occurred.

Kniprath was wearing her seatbelt and traveling alone in

her car when the accident happened. She was transported to St. Joseph's Community Hospital, West Bend, by the Kewaskum Ambulance.

KHS Faculty Will Participate In Self-Study Program

High School principal, LeRoy Kopecky announced today that the teachers and administrators at Kewaskum High School will participate this year in a weekly program of self-study called **The MASTER Teacher**. During the 1990-91 school year, this comprehensive program will address many facets of master teaching.

The areas of professional study will include results-oriented teaching techniques, professionalism, ethics, discipline, motivation, and communication skills. In addition, the professional competencies of student, staff and parent relationships as well as public relations will be addressed.

"Professional growth is a value that we at Kewaskum High School try to instill in our students and model ourselves. The research that is being done

now in the field of education is giving teachers and administrators new information about how students learn, as well as how slow, average, and gifted students can be taught most effectively. We would be remiss not to engage in a process through which we can expose ourselves to this information," said Principal Kopecky.

Mr. Kopecky concluded by saying, "Our aim is to help our entire faculty develop a more complete understanding of how to motivate each individual child in our school and how to nurture each child more fully. Teachers and administrators will be engaged in their studies weekly throughout the entire year. Those who choose to do so may complete additional work and receive graduate credit for their studies."

Parent-Back-to-School Night Being Held at Middle School

On September 20, 1990, the Parent Advisory Council of the Kewaskum Middle School will sponsor a **Parent-Back-To-School-Night!**

Parents will pick up their child's class schedule as they enter the school. They then will report to their child's first period class; on a signal they will then report to their child's second period class, etc. As

they move from period to period, parents will be able to find out about the objectives and content of each of the classes that their middle schooler attends.

Refreshments will be provided by the Student Council of KMS, who will also be available as guides for the evening.

Last year's "Back-to-School-Event" was enjoyed by parents and teachers alike; we hope this year it will be a event bigger success.

A **BIG THANK YOU** to all teachers and staff of KMS for their extra effort; without it the night would not be possible!

Attention - KHS Class of 1981

The class of 1991 cordially invites you to Homecoming 1990. The Homecoming football game will take place on Friday, October 5, at 7:30 p.m. at the Kewaskum Elementary School football field. The Homecoming dance will take place the following night, Saturday, October 6, from 8:00 p.m. - 11:30 p.m. and you are all invited to attend compliments of the class of 1991. Bring back the memories of your Homecoming as you share in the making of ours. Hope to see you there!

DOT Announces Test Sites for Commercial Driver's Licenses

The list of test sites where drivers of large trucks and buses may take the written test for the new commercial driver's license now includes 46 Wisconsin communities...and is growing, according to the state Department of Transportation.

Ronald R. Fiedler, DOT Secretary, said the Division of Motor Vehicles has established a toll-free telephone service (1-800-242-2514) where people may call to find out where tests are scheduled in their community.

Tests will be conducted at West Bend Driver License Exam Station, 1516 W. Paradise Drive, 8 a.m. Saturdays in September and October.

"I've really stressed that efforts be made to implement the commercial driver licensing law as smoothly and conveniently as possible," Fiedler said. "Motor vehicle examiners are working overtime and weekends at centrally-located test sites so that drivers will not have to miss work to take the tests. They have lined up dozens of trucking firms and other employers and will do group testing at their worksite," he said.

Fiedler applauded the local Driver License Examining Stations where the bulk of the community-relations work has

been accomplished. "They're administering tests at shopping malls, furniture stores, high school auditoriums and similar conveniently-located sites," he said.

The Commercial Driver Licensing program began at the federal level in hopes of increasing truck and bus safety. Wisconsin and other states have adopted the program, which requires drivers of trucks over 26,000 pounds, buses carrying 16 or more people, or any vehicle carrying hazardous materials, to take new written and road tests. States are required to have the new licensing programs fully

implemented by April 1, 1992.

Fiedler said people who need the new commercial driver licenses should take the written test as soon as possible so that there will be ample time to take it again if necessary. "We've heard a lot of concerns that the new commercial driver licensing test is so tough that it will put people out of work," he said. "We're making a major effort to make sure that everybody can keep right on truckin' throughout the changeover," he added.

Information about test locations and times is available by calling 1-800-242-2514. Employers who want to have the test administered at their worksite to groups of 25 or more employees may contact their nearest motor vehicle office.

Gold Star Parents to Be Honored

(Milwaukee) — Wisconsin parents whose sons and daughters died in the service of our country while serving in the nation's wars will be honored on Sunday, September 23 at 1:00 p.m. when the Gold Star Family Memorial is dedicated at the "Highground" - the site of the Wisconsin Vietnam Veterans Memorial at Neillsville in Clark County, according to Ted F. Fetting, Ceremony Chair and member of the State Vietnam Veterans Memorial Board.

Fetting, also Milwaukee County Director of Veterans Services, said war has dealt a fatal blow to many Wisconsin families over the years. "From the Civil War through the present day, Wisconsin casualties in America's wars have totalled approximately 25,000," he said.

"We want to remember those still living who are left behind; therefore, all Wisconsin Gold Star parents are invited to be special guests at this solemn ceremony which will dedicate a 'living' memorial consisting of a grouping of small trees in a Gold Star formation. In autumn, the foliage will become a blaze of gold," Fetting stated.

Fetting further noted that Mrs. Joanne Stringer of Eau Claire, State President of the Gold Star Mothers, will represent the Gold Star families by her appearance and remarks at the ceremony.

Keynote speaker for the dedication will be Chaplain (Colonel) Donald W. Shea, USA, Executive Officer in the Office of Chief of Chaplains, Department of the Army, Washington, D.C. Chaplain Shea, a Roman Catholic priest, served as an Army chaplain in Vietnam with the 101st Airborne Division, with the 52nd Special Forces and with the 52nd Artillery Group. Also participating in the ceremony will be Chaplain (Brigadier

General) John H. Hebl, Wisconsin Air National Guard. Chaplain Hebl is pastor of Saint Bernard's Catholic Church, Madison.

Music for the occasion will be furnished by the award-winning Neillsville High School Band, under the direction of Stan Smith. Also taking part in the ceremony will be an honor guard, firing squad and a flag detail. Serving as Ceremonial Advisor is Colonel Cliff Borden, AUS-Retired, Madison, State Public Relations Officer for the Veterans of Foreign Wars, Department of Wisconsin.

New Family Center Promotes Healthy Living

The new Family Center of Washington County is a unique and exciting place for families with children ages birth to 3 years. It is "the place" for parents looking for ideas and information on raising children and healthy family living. The Family Center is for all families; single parent, two parent, and blended families.

Join us every Tuesday, Thursday, and Saturday, 9:30 - 11:00 a.m. for "Family Drop-In;" lots of toys, snacks, and friends for mom and/or dad. Baby "Bloomer's" is a group for new moms and their infants. A Maternal - Child R.N. will help answer all of those new-mom kind of questions. The coffee pot is always on. This group runs every other Monday from 9:30 - 10:45 a.m. Lunch Bunch and Storytelling meets every Wednesday, 11:45 - 1:00 p.m. Parent's and children share a brown bag lunch and storytelling time.

The Family Center is located at 279 S. 17th Avenue in West Bend, (former General Clinic Building). Call 338-9461 for more information.

Karen Junk Attends Leadership Workshop

Karen Junk, Student Council Member of Kewaskum High School, was one of 518 students in attendance at the Wisconsin Association of School Councils, Inc. Summer Leadership Workshops for senior high students held on the UW-Stevens Point campus during the weeks of July 22-27 and July 29 - August 3, 1990.

The WASC Leadership Workshops include six days of instructional activities for student leaders designed to foster the development of a sound philosophy of leadership; provide opportunities for developing skills; to increase self-understanding and confidence; and improve skills in communications, problem solving, group processes and organization. Students from 127 schools across the state were in attendance.

The directors of the Level III Workshop were Donald C. Larsen, Executive Director of the Wisconsin Association of School Councils, Inc. and C.Y. Allen, Professor, UW-Stevens Point. Bruce "Wally" Anderson, Cedarburg High School Teacher and Harry Webne-Behrman, Waukesha County Mediation Center, coordinated and presented the Level IV Program.

Other adult staff members are student council advisors and/or teachers and ad-

ministrators selected from schools throughout the state. Additionally, former outstanding delegates are chosen to assist the adult staff members with various elements of the program. These "Junior Counselors" provide valuable services for the student delegates as well as the staff.

Many activities are scheduled throughout the year by the WASC for advisors, teachers, administrators and students who are involved in leadership roles. Other basic school organizations to receive specific attention are honor societies and cheer and pom pom groups.

The WASC is sponsored by the Association of Wisconsin School Administrators (AWSA), a 1600+ member professional association of school building administrators which is headquartered in Madison.

What Good Is a Blood Donor?

A blood donor is good for people who go through windshields and red lights. For somebody with leukemia.

For people being operated on. For barefoot kids who aren't careful. For dare-devils.

For people who fool around with guns. For little kids who manage to uncup a bottle of something poisonous.

For people who are burned pretty bad. For people who are in a lot worse shape than most people you know.

A blood donor is good for life! Please give blood on Wednesday, Oct. 3 at the Kewaskum High School from 1:30 to 6:30 p.m.

Lottery's Second Birthday Observed On Sept. 14th

MADISON — With sales approaching \$625 million, Wisconsin Lottery Executive Director William F. Flynn, Jr. reviewed the first 24 months for Lottery staff at a meeting at lottery headquarters Friday morning.

"I continue to enjoy at the enthusiasm the people of Wisconsin have shown for their lottery.

"The people embraced our instant win games, both scratch-off and pulltabs, at levels we had not anticipated.

"In fact, the instant win games remain our strongest product, accounting for better than half of our sales. We have increased the number of tickets we order for each game in order to offer several games on sale at one time, but we were down to just MONEY GAME and TIC-TAC-TOE when we introduced \$1,000 FOOTBALL yesterday.

"To keep a variety of scratch games in the marketplace, we will have a very aggressive fall

and winter season, introducing several new games and old favorites, with a variety of play styles, which I am sure will keep everybody happy.

"Our pull-tab games continue to do well. We still sell more pull-tab tickets than any other lottery in the United States, and while Badger Cash is popular among players, the original Wisconsin red game has sold more than 90 million tickets, more than any other instant win game of any type," Flynn explained.

"MEGABUCKS continues to flourish, due in large part to the luck our players have had with the game.

"At the start of this week, we had sold more than \$166.2 million in tickets, but have had winning tickets worth more than \$122.7 million, including a dozen jackpot winners.

"Thursday, September 6, we crowned our biggest winner to date, Ilze Ringenberg, who won \$22.82 million on a \$1 Quick Pick ticket she asked her husband to buy her when he stopped at Prescott's Pick n Save in West Bend on his way home from work.

"She'll receive her first payment one week from today in Milwaukee, more than \$825,000 after taxes.

"Including the players who have matched four and five of six, Wisconsin has had more than 224,000 MEGABUCKS

winners," Flynn noted.

"With this tremendous sales success comes the inevitable question: If the Lottery is doing so well why haven't my property taxes gone down?"

"For the two state fiscal years we have under our belt, the Wisconsin Lottery has generated about \$203.9 million for property tax relief, or about \$40.79 for every man woman and child in the state.

"Because we have worked very hard to show the best bottom line possible, we have been able to provide more than 37 cents of every dollar played as net proceeds to be used for property tax relief over the past two years.

"The Wisconsin Lottery has provided more than \$136.1 million for public school equalization aids; has provided nearly \$18 million in farmland tax credits and has contributed more than \$3.1 million towards the salaries of District Attorneys and Assistant District Attorneys.

"We should all be proud of the contributions the Wisconsin Lottery has made to the people of this state, from jackpot winners to property taxpayers.

"The dedication and productivity of lottery staff, the excellent efforts of our retail partners and the enthusiasm of the people of Wisconsin have made the Wisconsin Lottery a true success story," Flynn said.

them and their disposal is one topic of the meeting Thursday, Sept. 27.

Speakers for this information are LaVerne Hron of the Woman's Club and Gayle Van Ess of the Junior Woman's Club who were trained at the GFWC Great Lakes Workshop by Dr. Herbert D. Thier, Program Director from California.

The public is cordially invited for the informative material.

Hostesses for the evening are Judy Geidel and Malinda Seifert.

First Annual Barton Historical Society Days Sept. 21, 22, 23

Mark your calendar! An exciting weekend is approaching to round out your summer activities of 1990. September 21, 22, 23 is the first annual Barton Historical Society Days weekend. The kickoff event is a welcome back to Barton-Barton "ball" on Friday evening, Sept. 21 in the new St. Mary's Parish Center. The Big Band music of John Fromm Orchestra with nine pieces plus vocalist will entertain from 8:30 p.m. to 12:30 p.m. The price is affordable. \$3.00 a person. Wear your Sunday best or a turn of the century costume or come as you are. May we suggest you patronize the local establishments in the area of downtown Barton, Pizza Joe, the 5 D's or Long Branch for your Friday Fish Fry and come and enjoy good music, old and new friends. You are never a stranger in Barton. A slide presentation of former Barton Scenes and familiar faces, now matured will also be shown. You may want to see if you are part of this history. Everyone is invited to this event.

The dedication of the old Barton Fire Bell will take place at 10 a.m. on Saturday, Sept. 22, at the old Barton fire station. A bronze plaque has been donated by the Robert and Rose Mary Schwai family in appreciation of the efforts of the firemen who tried to save the life of their infant daughter. It is dedicated to all the firemen who served from the Barton Station. All are invited to attend.

The following day, Saturday, Sept. 22 will see Barton busy with area wide rummage sales, flea markets, antique auto show, pig roast at Pizza Joe's, food, music, face painting, free balloons, fun & games and more. The grand opening of Reflections Hair Salon and Mary's Market now operating from the Gadow Barton Roller Mills. An Open House is planned at the Village Square featuring Four Seasons Ceramics, Team Video, Village Pets and Dave's Baseball Cards. Custom woodworking displays will be at Wisconsin House Woodworks. See a stain glass artist at work at Barton

Art Glass. A Petting Zoo featuring a 17 ft Burmese Python and other exotic, farm and domestic animals plus Pony Rides sponsored by Village Pets will be taking place behind the Village Square. Free horse & buggy rides compliments of Bank One West Bend will take place on Barton Avenue from noon till 4 p.m. on Saturday.

For those with a hankering for golf, a Hole-In-One Golf Game for charity will be taking place at the Barton Dam on Friday, Saturday, and Sunday starting at 8 a.m. each day. The object is to get a hole in one on the floating green at different distances in the Milwaukee River behind the Monarch Photography building. It's \$1 a shot to win a prize or to qualify for playing in the shoot off on Sunday for a new boat from Cedar Lake Sales or a new car from Royal Ford or \$10,000 in cash. On Sunday, September 23rd the 1st 50 qualifiers will be trying for the big prize. P.G.A. Golf Pro, Don Hill, of the West Bend Country Club will be monitoring the shoot off starting at 2 p.m. on Sunday, spectators are welcome.

Profits from this event will benefit a number of non-profit organizations including bone marrow testing, Big Brothers, and other participating organizations. If you would like to participate, set up a stand, donate a prize, help work an event, or just join in the fun, for details or a free flyer call Al Wagner special events chairman (414) 338-8358.

Big Brothers/Sisters Open House Sept. 22

Big Brothers and Sisters of Washington County will be holding an open house in conjunction with Barton Historical Days on Saturday, September 22, from 10 a.m. til 5 p.m. Their new office is located at 1615 Barton Avenue.

To celebrate this event a variety of activities will be offered. Tours of their new office, and coffee and dessert will be featured all day. In addition, an outside booth with free balloons and face painting will be set up in celebration of Barton Historical Days.

Please join us on Saturday and meet our staff, board members, and Big Brothers, Big Sisters matches.

Hey Kids...

Enter the Kettle Kountry Kolors PRETZEL OR BLINDFOLDED PUDDING EATING CONTEST

Any kids out there who love to eat pretzels or pudding? Now's your chance to eat them to your heart's content and win a contest besides! All you have to do is enter the Kettle Kountry Kolors Pretzel or Blindfolded Pudding Eating Contests.

The Pretzel Contest will take place at 1 p.m. on Saturday, October 13th. Each child will have a set number of pretzels to eat in a set amount of time and blow a whistle when finished. The first to blow the whistle will be the winner. (Each child must provide their own whistle).

Each age group will be in a separate contest. The age groups will consist of 3, 4, 5, 6 and 7 year olds.

The Blindfolded Pudding Contest will take place at 4 p.m. on Saturday, October 13th. The age groups for this contest will consist of 6, 7, 8, 9, 10, 11, 12 and 13 year olds. This contest will be done in pairs. Two children feeding each other a set amount of pudding in a set amount of time. The children will be blindfolded and wearing sunglasses. (Each child must provide a blindfold and sunglasses). The first pair to finish will win.

Pre-registration must be completed by no later than Friday, October 5th. The registration form, the entry fee of \$1.00 per contestant and parent's signatures necessary for release of liability constitute pre-registration. Send to My Little Friends Day Care Center, 1623 Fond du Lac Ave., Kewaskum, WI 53040.

For further details, contact My Little Friends at 626-4155.

RECOMMENDED RULES FOR PRETZEL EATING CONTEST

New Workshop Series To Begin Sept. 26

In spite of a roller-coaster economy, small business managers are being urged to keep abreast of the times and to sharpen their intellectual skills for managing their business. Survival of the fittest will be the by-words for the year and decade ahead.

To assist these micro-businesses (25 or less employees), UW-Extension has organized a new set of MEP Workshops for 1990-91, to be held at the University Center in West Bend. These Management Enrichment Programs have been developed to assist the small business managers in gaining more personal confidence, increase their productivity and generally increase their efficiency in the day-by-day operations.

The first workshop on **Financial Management** begins September 26 with Larry Ehren as instructor for four consecutive Wednesday evenings. Critical decisions for keeping the business financially healthy will be discussed.

Following will be a workshop with Dr. Russell Moberly on **Personnel Management** in November. **Managing: A Key Role** will be held in January with Geoffrey Hermsen. **Planning and Forecasting** with Tom Laidlaw and **Marketing Strategy** ends the series in April with Don Heinz.

Those who are just starting a new business may want to consider the workshop in May with John Sosey. He will deal with all aspects of business start-up to the point of helping the participant to structure his own business plan.

Certificates and CEUs are given at the close of the workshops. Pre-registration is required. Please call Chuck Wise, Area Business Agent for UW-Extension at 335-5204 for a free brochure or additional information.

MPTC Offers GED Programs

One hundred and seventy people used Moraine Park Technical College's Goal Oriented Adult Learning (GOAL) Skills Centers to help them earn GED diplomas in 1989.

Maureen Josten, associate dean at Moraine Park, said that 396 people took the GED or High School Equivalency Tests at the college last year. As a result of the testing conducted at Moraine Park's three campuses in Beaver Dam, Fond du Lac, and West Bend, 170 applicants completed the five to seven tests with scores that qualified them for diplomas.

Moraine Park's GOAL centers offer free instruction in reading, writing, math, spelling and study skills. Each campus center also offers career exploration and decision-making classes as well as employability skills training.

According to Douglas R. Whitney, director of the American Council on Education's GED Testing Service, "Since 1971, the GED testing programs has enabled over seven million adults to obtain formal recognition of their educational development through their attainment of a GED diploma. Annually, one of every seven high school diplomas in the United States is based on results from the GED tests. These credentials are accepted by more than 90 percent of U.S. colleges and universities and by most employers to satisfy requirements for a secondary education

diploma."

In Wisconsin, an applicant must be 18 years and 6 months old, or the class with which the individual entered or should have entered the ninth grade with must have graduated.

For more information on Moraine Park's GED program, call 929-2108 or the nearest Moraine Park campus GOAL center.

Vietnam Vets Adopt Ribbon

The Vietnam Veterans of America, Wisconsin State Council at its quarterly meeting in Shawano, Sept. 8-10 has adopted a proposal to display Royal Blue Ribbons as a symbol of its recognition and support of the men and women who are now serving their country in the Middle East.

All Vietnam Veterans of America members in the state of Wisconsin, are urging **EVERYONE** to please, wear a Royal Blue Ribbon, or tie them on your cars, trees, business and homes to show your support and that we do care about them.

Shawano area residents and businesses have already begun displaying the Royal Blue

Ribbons, and are also displaying yellow ribbons for the hostages that are now being held over there.

The local, Kettle Moraine Chapter of the Vietnam Veterans of America now has available the Royal Blue and Yellow weather resistant ribbon, which we will be distributing in the area, and any donations made will be used to defray the cost of the ribbons.

Lets all show our **SUPPORT**, and show your **COLORS!**

For more information please contact, your local Kettle Moraine Chapter #448 of the Vietnam Veterans of America at 692-2092.

Valley Bancorporation Introduces Full-Service Statewide Banking

Valley Bank customers may now do all of their banking at any one of the more than 109+ Valley Bank locations in Wisconsin, announced Peter M. Platten, Ill, President and Chief Executive Officer.

Valley customers, traveling away from their local banks, will be able to make deposits and withdrawals from checking, savings and Christmas Club accounts. In addition, payments can be made on their loans, mortgages, credit card or line-of-credit accounts.

"Banking at any location will be especially valuable for vacationers, students, people who are moving to a new location and business people who do a lot of travelling," stated Platten.

Charmaine Ponkratz, Vice President Marketing, said, "Over the years, Unidex Research, Inc., a national financial research company, has done research to identify the reasons why a consumer selects a financial institution. Quite consistently, convenience and location of facility are listed as very important. Valley is placing greater emphasis on the elements of convenience of time and place. Banking at any location is another part of our continuing efforts to make banking more convenient for customers."

Over the last year, Valley Bancorporation took major steps in the direction of convenience by opening Supermarket banks which are open approximately 60 hours a week compared to a traditional bank which is open 45 hours. In addition, Valley is experimenting with PayMate in

Janesville, a service which allows customers to pay their bills by using a touch-tone telephone and a Voice Response system in Madison, allowing customers to access information on their accounts via the telephone, 24 hours a day. Early this year, Valley announced that mortgage loan experts will be available to meet with prospective homebuyers at their convenience, even after banking hours or away from bank offices.

This service is one of the provision of the Wisconsin Bank Branching law passed in 1989 which allows banks to enter into agreements to accept deposits and loan payments or permit withdrawals for the benefit of customers or others.

Banking at any location will go into full operation on September 1, 1990.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$3.3 billion, currently serves Wisconsin through 109+ banking offices with additional financial services companies engaged in leasing, insurance, data processing, software development and sales, trust service, brokerage and credit card servicing. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

Big Brothers/Big Sisters Celebrate Annual Picnic

In early August, little brothers and sisters celebrated a fun-filled evening with their "BIGS" at the 15th Big Brothers/Big Sisters Annual Picnic held at Sandy Knoll Park.

Over 85 children and their families attended the event. Good food, a pie eating contest, a balloon toss and other exciting games and competitions were an integral part of this popular event.

The Big Brothers/Sisters organization of Washington County periodically hosts a

social event of this type so that all matched and unmatched children on the waiting list might have an opportunity to share some fun, meet others like themselves, and celebrate an experience with their Big Brothers or Sister as well as with their families.

Big Brothers/Sisters of Washington County is always looking for volunteers to serve as a Big or as a Board Member. Please call 334-7896 for more information if interested.

Little Brother Mitch Ferencevich and Dennis Wilm take time out to visit during the picnic.

Gubernatorial Debate Plan Abandoned by League of Women Voters

The League of Women Voters of Wisconsin announced today that it has abandoned plans to present a debate between the major gubernatorial candidates. The October 30 debate proposed by the League was considered to be "too late."

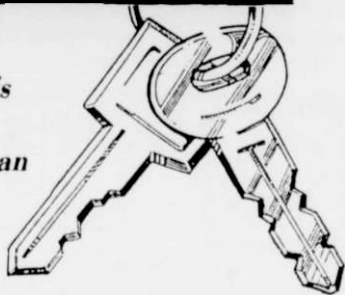

The announcement was made early this afternoon by Mona Steele, president of the statewide organization immediately following a second negotiating session with representatives of the candidates' campaigns. Negotiations broke down because of lack of agreement on the date of the debate. The League of Women Voters had invited the candidates in mid-May to participate in the debate on October 30.

According to Steele, "the League had made extensive arrangements for the debate in Milwaukee. WISN-TV Channel 12 (ABC in Milwaukee) was committed to broadcasting the debate live and facilitating statewide broadcast."

"We regret that the public will be deprived of the opportunity to see the candidates for the top elective position in the state debate at a time when the voters' interest will be at its peak," stated Steele. "Our Power Vote '90 Advisory Committee believes the League of Women Voters is the most qualified organization to produce thought-provoking issue-oriented debates."

Fall in the Air for Turkey Shoot

Ron Beckmann of Grafton really put the body English into his shot at the Kiwanis Turkey Shoot's new attraction, "Hole-In-One."

Irene Kauper of West Bend got pointers from her husband on the "Hit-a-Duck" line as Dick Edwards looked on.

Kewaskum Booster Club members Jeff Rohrer and Ruth Schmitt talked with Mrs. L. N. Peterson as they waited for customers at the club's French fries stand.

It was a hard job, but somebody had to do it. Kiwanian Jim Reigle blew up balloons for the rifle range targets.

determined to enjoy the activities as the fundraiser unofficially marks the end of summer and the beginning of fall.

The strong winds did, however, present some challenges to those mighty hunters who were bent on bringing home a bird for their dinner tables. On the rifle range, those little balloons bounced and danced in the wind, presenting an illusive target. At the dart game, the ballons wiggled and marksmen had to adjust for the wind causing the darts to drift. But all that just made everything more interesting, fun and winning that turkey became even a more rewarding accomplishment.

A new feature of the turkey shoot this year, which drew a lot of attention, was the "Hole-In-One" challenge. This new event offered golfers a chance to show their spouses and friends you don't have to be a hunter or fisherman to be a good "provider."

From atop the hill north of the New Fane Sportsmens clubhouse participants got the chance to drive a ball approximately 80 yards to a flagged hole at the bottom of the hill. While the distance was not great, there were still obstacles in the form of trees, brush and, of course, the wind to contend with. Nevertheless, those "pros" who tried their skills found the event fun and many came back more than

once to try their luck.

If you hit the 'green,' you won a turkey, a 'hole-in-one' offered a prize of \$100.

A total of 300 turkeys were taken on the various events, according to Kiwanis member Jerry Stollenwerk.

The ever-popular Trout Pond, gave up some real beauties all day long. The big fish of the day was a dandy 15" lunker caught by Ruth Parlow of Waubeka, which also won her a Regal Purewater System. Approximately 250 anglers took home a tasty trout for their tables.

As always there were also the bow ranges, trap and sausage shoot lines, along with lots of good food and beverages to satisfy hearty appetites created by all the fresh air and efforts to "win that turkey."

The brisk autumn-like weather brought a nippy and windy day for the Kewaskum Kiwanis annual turkey shoot Sunday, but it was not enough to keep people, both 'young' and 'young-at-heart,' from the event.

Participants, spectators and workers alike, came dressed for the cool, but partly sunny day.

Regal Ware Again Named to 'The Wisconsin 100' for 1990

"The Wisconsin 100" for 1990 represent combined annual revenues of over \$21 billion and a total of 138,317 employees.

"The Wisconsin 100" is a ranking and recognition of the state's largest privately held businesses. The list, released August 31 was compiled by the Milwaukee office of Arthur Andersen & Co. and Andersen Consulting. This is the sixth year that the accounting and consulting firms have compiled the ranking, which is developed from voluntary responses to a statewide survey.

The companies are ranked according to their gross revenues of 1989. S.C. Johnson & Son, Inc., Racine, topped the list for the sixth year in a row. Kohler Co. ranked second this year with Fort Howard Corporation ranking third, following the spinoff of their Sweetheart operation. Kohl's Department Stores, Inc. remained in fourth place again this year and American Foods Group again ranked fifth.

To be eligible for "The Wisconsin 100," a company must have its corporate

headquarters in Wisconsin, be privately held (not a subsidiary of a publicly owned company or of a company headquartered in another state), have 25 or more full-time employees and have gross revenues of more than \$10 million. Cooperatives, utilities, financial services, nonprofit organizations, construction and real estate companies are not eligible for consideration.

Regal Ware, Inc. was included in the Wisconsin 100 for 1990, ranking number 30, up from 32 in 1989, representing a revenue group from \$150 - \$250 million.

Letters to The Editor

Sept. 10, 1990

Dear Editor:

Just a few lines to leave the people at Holy Trinity Parish know how lucky they are to have Father Tom Venne as their pastor. He is sadly missed by the St. Philip Neri community. He truly cared for each and every member of St. Philip's. He was always there if someone needed him. I couldn't even begin to mention all of the caring things he did for people, especially the young people of the parish. He made it his business to know each and everyone of his parish by their first name. He performed our daughter's wedding ceremony, and it is something we will never forget. We wish Father Tom all the happiness in the world at Holy Trinity, but want him to know that he will never be forgotten by his old friends. Father Tom is a very special person and one of the best priests we have ever met.

Very truly yours,
Theresa Brockman

To the People of Kewaskum

On behalf of the West Bend Jaycees and the Muscular Dystrophy Association, I'd like to thank everyone in the area for helping to make the 1990 Jerry Lewis Telethon and the fund raising events surrounding it, a success. Your generosity, compassion and hard work will

enable the Association to continue its fight against neuromuscular disease and bring us closer to the day when these crippling disorders are no longer a threat to those we love.

Once again, you've proven that you're concerned about the needs of others. It's clear to us that you're united in your stand against neuromuscular diseases and the result of this past Labor Day Weekend was just tremendous. Your commitment to winning the war on muscular dystrophy and related diseases will surely lead us to victory one day soon.

Again thank you for your terrific support. It's great to know we can count on you!

Sincerely,
Daniel L. Krier

DNR Proposes to Extend Gun Deer Season One Week

MADISON, WI — The Department of Natural Resources is proposing a seven-day extension to the gun deer season to the Natural Resources Board as a solution to reduce record deer numbers that are over population goals in more than half of the state's deer management units, Bill Ishmael, DNR's Deer, Bear and Furbearer Ecologist, said.

The Natural Resources Board, the policy making board governing the DNR, requested a recommendation from the department after hearing a report on the deer herd situation at the August board meeting.

Wisconsin's deer population has reached a record 1.3 million animals this year following a series of mild winters and lower-than-expected antlerless deer harvests over the past three seasons. Northern forest deer populations are greatly over the "long-term" carrying capacity of the habitat in those areas.

"Currently 50 percent of our deer management units are more than 20 percent over population goals, and we have 20 units that are 50 percent over population goals," Ishmael said. "Severe winter weather would result in substantial losses of deer on overpopulated winter range, plus the large population would damage the habitat itself. And if we have another mild winter, it will only perpetuate the overpopulation problem we have now."

The proposal the Natural Resources Board will act on at its September 27 meeting includes:

1. A seven-day, antlerless-only deer season extension for 67 deer management units immediately following the close of the regular nine-day season (beginning Monday, Nov. 26 and running through Sunday, Dec. 2).

2. The extended season hunting open to those hunters possessing unfilled Hunter's Choice (these will be valid for antlerless deer only during the season extension; bonus tags or disabled hunter permits for those extended units and members of their hunting parties. All deer killed during this season must be tagged with one of these permits and registered as usual. Group hunting will be allowed.

3. Firearm restrictions will be the same as required during the regular season.

4. Bowhunters hunting in an extended-season deer management unit on the opening weekend of the late bow season (Dec. 1-2) will have to wear blaze orange.

5. The season closure for hunting coyotes in northern Wisconsin extended to include the seven-day, antlerless - only season.

6. A two-day, either-sex season established for deer management units 59D and 61 on the last two days of the regular nine-day gun deer season (Saturday, Nov. 24 and Sunday, Nov. 25). Firearm restrictions are the same as normally allowed during the final two days of the regular season.

The Deer Management Units slated for extension include Units 1 through 28; Units 29A and 29B; Units 30 through 47; Units 49A and 49B; Unit 50; Units 51A and 51B; Unit 52; Units 57 and 57B; Unit 58; Units 59A, 59C and 59D; Unit 61; Unit 62B; Unit 63A; and Units 66, 68, 70, 72, 78, 80 and 81.

"This is only a recommendation and the Natural Resources Board will decide the final outcome of the proposal," Ishmael stated.

This year there are 514,370 Hunter's Choice permits available and the Department anticipates that many units will be undersubscribed, especially in the north.

Ishmael anticipates the Department will be issuing some 139,000 bonus permits for antlerless deer throughout many management units based on the number of hunters applying for Hunter's Choice permits in 1989.

"We know right now that the deer populations will not be reduced to unit goals in 32 units and will very likely not be reduced to goals in 37 units

during the regular nine-day gun-deer season," Ishmael said. "An extension will aid in achieving harvest quotas and will insure against low harvests should we experience bad weather on opening weekend."

The Natural Resources Board is being asked to adopt the season extension under an emergency rule procedure so that the 650,000 hunters can prepare for the hunt. Without the emergency rule procedure, the Department would have to wait until two days of the regular season have been completed before an order to extend the season could be issued. That would not allow hunters enough time to prepare their schedules to participate in an extended hunt, Ishmael explained. Hunters have until Friday, September 28, 1990 to purchase their licenses in order to apply for Hunter's Choice permits. Licenses purchased after that date will not allow hunters to apply for Hunter's Choice permits, but will be valid to harvest a buck anywhere in the state during the regular nine-day season.

A severe electric storm accompanied by crackling lightning all over the sky, ear-splitting thunder, heavy rain, high winds and very threatening skies struck this area last Thursday evening. Severe storm warnings were out and tornado warnings were broadcast for the area south of Kewaskum. One local resident reported seeing a small funnel cloud as the storm hit this area. The entire Kewaskum area was "blacked out" for about a half hour by power failure when lightning struck a feeder line leading into the main sub station at West Bend. East Main St. was also under water in front of Kohn Bros. Farm Service. Village crews and firemen spent Thursday night pumping out flooded basements.

Just before going to press on Thursday afternoon announcement was made in a special news release by Regal Ware Inc., Kewaskum that J.O. Reigle has retired as president of Regal Ware, Inc., Kewaskum. Mr. Reigle will continue to serve as chairman of the board of directors of the company he founded 20 years ago and guided to front rank leadership in the housewares industry. The new president is James D. Reigle, formerly vice-president of sales and management.

Births — A son to Mr. and Mrs. Donald Theusch, Allenton, Thursday, Sept. 9. A daughter to Mr. and Mrs. Allen Schoofs, R. 2, Kewaskum, Sunday, Sept. 12. A son to Mr. and Mrs. Thomas Tessar, 205 Edgewood La., West Bend, Monday, Sept. 13. He is the son of Mr. and Mrs. Jack Tessar, Kewaskum.

Banns of marriage were announced in the Holy Trinity Church bulletin for James Ruplinger and Christine Fell.

The Jacky Beauty Shop in West Bend, owned by Mrs. Victor Jacky, has been purchased by Mr. and Mrs. Otto Stenschke, formerly of Kewaskum. Mrs. Stenschke is the former Lucille Heberer, daughter of Mr. and Mrs. Adolph Heberer of New Fane.

Residents of the community of St. Michaels were greatly shocked at about 4:15 o'clock Monday afternoon when a cloud of smoke attracted them to a barn fire on the John Lehnerz farm located about three miles southeast of Kewaskum. The barn, a large frame structure, together with an adjoining machine shed and the contents of both were completely destroyed. The fire started in the grain stored under the roof in the upper part of the barn and spread rapidly that, within a few minutes, the entire barn was ablaze and it was impossible to save much besides the house and other small buildings. The Kewaskum

and Barton Fire Departments responded hurriedly. Owing to the shortage of water all they could do was to stand by and save nearby buildings on the farm with chemical and their booster tanks. The barn, shed, tools and machinery and the entire crop yield of this year including 10 tons of hay and 1,300 bushels of grain were destroyed.

Friday the 13th was an unlucky day for Oscar Faber, R.3, Kewaskum, who suffered a fractured leg when the wheel of a wagon passed over him as he attempted to crawl under the wagon. The mishap occurred on the farm.

Another young man from Kewaskum has enlisted in the United States Army in the past week. He is Robert Gruber, 18, son of Mr. and Mrs. John Gruber of this village. Bob's joining the colors brings the total of voluntary enlistments from Kewaskum to eight in less than a year.

Born to Mr. and Mrs. John Vorpal, a baby girl. Congratulations.

While cranking an automobile for W. Knickel at Parnell, John J. Pesch, manager of J. A. Pesch and Sons garage at Campbellsport was struck when the crank handle slipped off and a wound was inflicted in his upper lip which required several stitches

to close.

The school bell rang again calling girls and boys to the school room Monday after their much enjoyed vacation. The school opened with a total enrollment of 139 pupils; high school 50, grammar department 25, intermediate department 32, and primary department 32. There are 11 students in the Senior class, 11 in the Junior class, 12 in the sophomore class and 16 in the Freshmen class.

The Adell Volunteer Fire Co., is erecting a new building in which to store its fire-fighting apparatus.

A number of young people gathered at the home of Wenzel Reindl, St. Kilian, and duly celebrated Kilian's 24th birthday anniversary.

What might have been a serious if not fatal accident occurred at Boltonville last Thursday while B. Wiermann and a crew of workmen were excavating the tunnel leading from the race to the mill. The tunnel, 8 to 10 feet under ground was nearly finished except for some slight scrapping. This Fred Brotmiller reserved as his right. While he was thus engaged on his hands and knees under the tunnel, the entire embankment caved in. In a moment a crowd of men were busily digging with shovel and pick. Others in the excitement used their hands. Dr. Driessel was lastly summoned to set bones if life was not extinct. Soon a feeble cry, "keep off my head," was heard. The digging was continued with renewed force and Fred was rescued

without any serious injury except a few bruises.

Born to Mr. and Mrs. Simon Strachota, St. Kilian, a baby girl last Saturday. Born to Mr. and Mrs. Ray Fohey, an eight-point baby boy on last Monday.

1990 Wisconsin Waterfowl Season Rules Finalized

MADISON, WI — Duck hunters in Wisconsin this fall will be subject to a conventional daily bag limit of three ducks, while goose hunters can look forward to more liberal bag limits than in recent years, says Jon Bergquist, Department of Natural Resources waterfowl and wetland wildlife ecologist.

The Natural Resources Board last week finalized rules for Wisconsin's 1990 duck and goose hunting seasons that include a 30-day duck season (the same as in 1989) with a split season in the southern zone. There will be a noon opening for both zones on Saturday, Oct. 6. The northern zone season will run continuously through Sunday, Nov. 4, 1990.

The split southern zone season will close at sunset Tuesday, Oct. 9 and reopen at sunrise on Wednesday, Oct. 17 and run through Sunday, Nov. 11. Shooting hours in Wisconsin are from sunrise to sunset except for the October 6 noon opener.

The conventional bag limit harvest of three ducks cannot include more than two mallards (only one may be a hen), one redhead, one black duck, one pintail and two wood ducks. The rules also include a daily bag of five mergansers, including no more than one hooded merganser.

The season on canvasback ducks is again closed for 1990. The daily bag limit for coots is five with a possession limit of 10.

The board adopted Canada goose hunting rules that reflect an increased quota for Wisconsin set by the U.S. Fish and Wildlife Service. The season opens Saturday, Sept. 22 in all five major hunting zones: Horicon, Collins, Pine Island, Theresa and Exterior except the Mississippi River subzones. Hunters must obtain a permit to hunt Canada geese and may hunt in only one of the five zones. Shooting hours statewide for all goose hunting will be sunrise to sunset through November 11 and one half hour before sunrise to sunset thereafter. There is a noon to sunset goose hunting restriction on Saturday, Oct. 6 to coincide with the opening of the duck season.

*** Horicon Zone** — Period 1, Sept. 22 through Oct. 28; Period 2, Oct. 6 through Nov. 11; Period 3, Oct. 13 through Nov. 16 (includes an additional week of hunting over 1989 season); and Period 4, Nov. 26 through Dec. 16. Horicon Zone time Period 1 - 3 permit holders should receive five to seven tags while Period 4 permit holders

should get four to six tags depending on the number of applicants. Bag limits will be two geese per day and possession will depend on the number of carcass tags issued for each period.

*** Collins Zone** — The number of hunters will be limited to 325 for each time period. Period 1, Sept. 22 through Oct. 7; Period 2, Oct. 8 through Oct. 21; Period 3, Oct. 22 through Nov. 4; and Period 4, Nov. 5 through Nov. 16 and Nov. 26 through Nov. 30. Successful applicants will receive five tags. The limit is two birds per day with a season limit of five Canada geese. The blind restriction on private lands is dropped this season.

*** Pine Island Zone** — The number of hunters will be limited to 200 for each time period. Period 1, Sept. 22 through Oct. 7; Period 2, Oct. 8 through Oct. 21; Period 3, Oct. 22 through Nov. 4; and Period 4, Nov. 5 through Nov. 30. The bag limit is two birds per day with a season limit of five Canada geese.

*** Theresa Zone** — All hunters who apply to hunt in the Theresa Zone will receive a permit. The season dates are Sept. 22 through Nov. 16 and Nov. 26 through Nov. 30.

The season limit will be six Canada geese; however, hunters will be required to wait five days after bagging a Canada goose before they can continue their hunt. The season may be closed early if the 6,000 goose harvest objective is reached.

*** Exterior Zone** — All hunters applying for the Exterior Zone will receive a permit. The season will run 70 days, unless the 40,000 goose quota is reached earlier. In 1989, the quota was 22,300 geese. The bag limit is one Canada goose per day during the first two weeks of the season opening on September 22, then two birds per day beginning October 6 for the remainder of the season.

Mississippi River Subzones — Northern Subzone: Oct. 6 through Nov. 12 and Nov. 20 through Dec. 31. Bag limits are one goose per day through Nov. 4 and two per day thereafter. Southern Subzone: Oct. 6 (noon opening) through Oct. 9 and Oct. 17 through Dec. 21. Bag limits are one goose per day through Nov. 11 and two per day thereafter.

The bag limit for other geese has been set at seven including the legal limit of Canada geese and not more than two

white-fronted geese. The possession limit is 14 including the legal limit of Canada geese and not more than four white-fronted geese.

For snow and blue geese, the season runs concurrently with the Canada goose season in each zone and subzone except in the Brown County Subzone where the season ends Nov. 30. The season for all other geese runs concurrently with the Canada goose season in each zone and subzone except in the Horicon Zone where the season ends Dec. 9 and in the Rock Prairie and Brown County subzones where the season ends Nov. 30.

Three special Giant Canada goose seasons are set including Mississippi River Subzones, Nov. 20 through Dec. 21, a bag limit of two per day with four in possession; Rock Prairie Subzone, Nov. 5 through Dec. 9, a bag limit of one per day with two in possession; and Brown County Subzone, Dec. 1 through Dec. 31, a bag limit of three per day and six in possession.

The application deadline for Canada goose permits tag zones is Friday, Sept. 7. Application forms are available at most DNR offices and at some hunting license vendors. Goose hunters choosing to hunt in the Exterior Zone can obtain a permit at any time before or during the goose season from all DNR District and Area offices and at some DNR field stations.

Hunters are reminded that they need both Wisconsin and federal waterfowl stamps along with a valid small game hunting license to hunt geese.

For more information contact Jon Bergquist, 608-266-8841.

Potential Record-Breaking Wisconsin Bow Deer Season Anticipated by DNR

MADISON, WI — All the ingredients — deer herd size, weather patterns and hunter interest — are present for a record-breaking 1990 Wisconsin bow deer harvest, said Department of Natural Resources Deer, Bear and Furbearer Ecologist Bill Ishmael in anticipation of the season's opening day, Saturday, Sept. 15, 1990.

"The forecast is the same for both the bow and gun deer seasons in Wisconsin — it's going to be an excellent season," Ishmael said. "There is a deer herd in the state of some 1.3 million animals that should provide for a record harvest."

The 1989 season provided a new record bow harvest as 204,184 resident licensed archers and 6,728 non-resident archers harvested 46,394 deer.

The 1990 season runs from Saturday, Sept. 15 through Sunday, Nov. 11, when it closes for the gun deer season. The season reopens Saturday, Dec. 1 and runs through Monday, Dec. 31.

Ishmael predicts a typical season opening where archers will find the woods very lush and green during the first two weeks as trees and brush will still be heavy with foliage.

"After the return to wet weather patterns this year following the past two seasons of drought conditions, hunters will find they will have to contend with more insects, especially mosquitos," Ishmael said.

The lush green conditions are also providing ample food sources, so deer will not be as concentrated as they were in the past seasons. Reports on the acorn mast very statewide, but generally it is said to be very good, which will tend to keep feeding deer in the woods during the early part of the season.

"Pre-season scouting will be very important this year in order to find where deer are active and feeding," Ishmael added. "Hunters will save many unproductive hours of sitting in deer stands if they scout early."

The high numbers of deer are likely to attract some new hunters into the archery season this year. Practicing with their archery equipment is very important before the season starts.

"For the beginning bow hunter, they should be aware of both their equipment and their own capabilities to provide for a favorable first-time hunting experience," Ishmael stated. "Hunters should be familiar with distances near their deer stands and the accuracy of their shooting at those distances. There are many archery shooting events and archery clubs statewide that can provide archers with pre-season practice."

There are no bow deer hunting regulations changes this season. A bow deer license will allow the holder to harvest one deer of either sex anywhere in the state. Licenses purchased after the season begins will not be valid for three days after the purchase. For example, if a license is bought on Monday, it will not be valid until the following Thursday.

It is illegal to hunt deer with a

bow having a pull of less than 30 pounds or using a broadhead-tipped arrow of less than seven-eighths of an inch in width. Bow deer must be registered by 5 p.m. on the third day after the deer was killed.

For more information contact: Bill Ishmael, 608-266-2194 or Ron Groener, 608-266-1877 or DNR District Wildlife Specialists.

Goose Hunting Permits in the Mail

MADISON, WI — The Department of Natural Resources Licensing Section will begin issuing goose permits for the four tag zones — Horicon, Collins, Pine Island and Theresa — by the end of this week, Jon Bergquist, DNR waterfowl and wetland wildlife ecologist said.

The 1990 goose hunting season opens at sunrise, Saturday, Sept. 22 in all five major hunting zones including the Exterior Zone except for the two Mississippi River subzones.

"Hunters requesting tags for hunting Periods I and II should receive their tags well in advance of the opening of the goose season," Bergquist said. "Hunters applying for Periods III and IV should get their tags in the mail by the end of September."

New goose season application forms that can be ready by an optical scanner are making the handling process quicker this year. Bergquist thanks all applicants for taking a little extra time to fill out the new forms.

Goose hunters that participated in the Early Southeastern Wisconsin Canada goose hunt are reminded that they must mail in their goose kill reports. These reports were due 48 hours after the season closed on Sunday, Sept. 9.

Goose hunters are also reminded that hunting hours on Saturday, Oct. 6, will run from noon to sunset to coincide with the opening of the regular 1990 duck hunting season in Wisconsin.

For more information contact: Jon Bergquist — 608-266-8841, Ron Groener — 608-266-1877.

SCHOOL DISTRICT SURVEY

Very soon the school district will be conducting a survey of district residents about their attitudes towards 12 issues of concern to the school district.

The 12 concerns that you will be asked to express an opinion on are:

	YES	NO	NO OPINION
1. Do you favor changing boundary lines in the elementary attendance areas and moving students to adjust enrollments between buildings?	_____	_____	_____
2. Do you consider Farmington Elementary School overcrowded?	_____	_____	_____
3. Do you support opening Beechwood school for elementary classes?	_____	_____	_____
4. Do you believe that elementary students should remain at the same building under all circumstances for grades K-5?	_____	_____	_____
5. Would you support a district building program to add classrooms at Farmington Elementary?	_____	_____	_____
6. Would you support smaller class sizes (18-22) for elementary grades K through 3 regardless of the added staffing, transportation and building costs?	_____	_____	_____
7. Would you support instructional aides for all elementary classes K-5?	_____	_____	_____
8. Would you support moving the football field from its elementary school location to the high school grounds?	_____	_____	_____
9. Would you support a district building program to add an auditorium to Kewaskum High School in the new future?	_____	_____	_____
10. Would you support a district building program to add a swimming pool to Kewaskum High School in the near future?	_____	_____	_____
11. How many events (meetings, sessions, contests, classrooms, etc.) sponsored by Kewaskum Public Schools have you attended in the last year?	_____	_____	_____
0-4 5-10 11-20 21 or greater			
12. (Optional) Identify other district facilities needs you feel are not covered.			

Please think about your answers to these questions so you will be ready to respond when the survey arrives.

Surveys will be mailed to district residents on Monday, October 1, 1990. Enclosed with each survey sheet will be a post card that residents may mark their answers on and mail back to the district office.

This survey is important for district planning. We hope that all district residents will participate in the survey.

KHS Indian Spikers Win Campbellsport Invitational

CAMPBELLSPORT — Maybe it's the rivalry that exists between Kewaskum and Campbellsport. Or maybe it's the success that the Indians volleyball team has encountered the past decade in the Campbellsport Invitational.

Whatever it may be, the Indians always seem to get psyched for the annual event, and as has been the case seven of the past 11 years, the Kewaskum volleyball team brought home the first place trophy once again this year, going a perfect 6-0 here, Saturday.

The only other team to have an above .500 mark in the tournament was North Fond du Lac, which finished the round-robin setup with a 4-2 record. Laconia and the host Cougars finished with 1-5 marks.

"We've always played well at this tournament," Indian coach Dave Rizzardi said regarding the meet. "The girls seemed to get pumped up for it. They are always ready for it."

The were indeed ready on Saturday, as the Indians were pitted against Laconia in the opening round. Kewaskum had no trouble with their foe from the Flyway Conference, winning 15-9, 15-10, but the win also took its toll.

Senior Rachele Zuehlke sprained her ankle in the second game, and the injury forced her to watch the rest of the tournament from the sidelines. Rizzardi didn't know just how serious the injury was, or if Zuehlke would be forced to miss any matches this week.

Nonetheless, the Indians

went up against North Fond du Lac in the second round, in what Rizzardi called the tournament's best matchup. The Indians also prevailed in that one 15-7, 15-10.

"Those scores were a bit misleading," Rizzardi said. "They had some girls with some good spiking ability. They really covered the floor well."

The sweep over NFDL meant that all the Indians had to do in their final match against Campbellsport was win one of the two games. The Indians quickly took care of that with a 15-13 squeaker in the first game, and then followed with a 15-8 win to close out the tournament with a perfect 6-0 record.

"We improved our serving quite a bit," Rizzardi said, noting that his squad had just 9 missed serves in the six games. "We've already had conference matches that we've had 9 misses in two games, so that (serving) really stood out."

Rizzardi praised the play of seniors Nicole Doherty and Tisha Stradtman, who "have been playing really consistent," according to the Indian mentor.

"We got good support from Lora Delcore," he went on. "I was really pleased with the play of Kelly Korth. She served real well and played very consistently." Rizzardi also praised the play of Tracy Steinert, who "did a nice job filling in," for Zuehlke after she was injured.

"Everybody contributed," Rizzardi concluded. "I was pleased with the whole team. The girls are starting to get to know one another, and they're really coming together nicely."

Huskies Down Volleyball Team

KEWASKUM — While his team may have outplayed New Holstein at the net, Kewaskum volleyball coach Dave Rizzardi had no trouble in pointing out the reason for his team's loss to the Huskies here, last Tuesday.

"We missed way too many serves," Rizzardi said regarding his team's 15-13, 4-15, 8-15 loss to the Huskies. The Indians missed ten serves in the loss, a total way too high for Rizzardi's liking.

"We did a really nice job spiking," Rizzardi said, praising the play of his front liners. "I think if we had been able to serve a little better, we would have beaten them."

On the bright side for the Indians was the play of frontliners Christa Schmidt, Rachele Zuehlke and Nicole Doherty. Schmidt led the team with eight points, including seven spike kills. Zuehlke added six spike kills, while Doherty chipped in six points.

"I think our girls definitely outplayed them at the net," Rizzardi went on. But he added that "New Holstein played an excellent floor game. They outplayed us on the floor."

Tisha Stradtman led the Indians with a total of 11 assists, while Lora Delcore also had a fine game, as she added six assists and three aces, while not missing any of her seven serves.

The win improved New Holstein's record to 3-2, while the Indians dropped to 1-3.

JV Volleyball Team Suffers 1st Losses

KEWASKUM — While the Kewaskum varsity volleyball team has been struggling a bit early in the 1990 campaign, the Indians JV volleyballers have been rolling right along.

But the JV's stumbled a bit last week, as they suffered their first loss of the season in a 12-15, 8-15, 15-11 loss to New Holstein here, last Tuesday. Despite the loss, which dropped the JV's to 3-1 on the year, coach Mary Holfeltz cited the play of Debbie Steger, Marti Schlice and Robyn Winninghoff.

The freshman came up a bit short in their search for their first victory of the year. The frosh (0-4) dropped the first game 1-15, but came back to pull out a 16-14 win in the second game. New Holstein proved to be the better team in the third game, however, downing the Indians 15-8 to win the match.

The Indian JV's suffered from the same problem that plagued the varsity last week, as the JV's lost to Two Rivers 11-15, 15-8, 10-15. "Missed serves in the end killed us," Indian varsity coach Dave Rizzardi said of the team's effort.

The freshman were also unsuccessful in their bid for a victory, falling to the ever-tough Raiders 2-15, 11-15, 6-15. The freshman are still looking for their first win of the year, as they fell to 0-5.

Indians Down Chilton for First Conference Tennis Victory

CHILTON — By dominating the singles competition, the Kewaskum girls tennis team was able to record its first conference victory of the season here, last Thursday.

The Indians won all four singles matches, leading the way to a 5-2 win over Chilton. The Indians improved to 1-2 in Eastern Wisconsin action, while Chilton fell to 0-4, although one of those losses was a close 4-3 decision to Sheboygan Falls, one of the top teams in the loop.

"Experience and strength in the singles matches," was the key in the win, according to Indian coach Glenn Eichstedt. "(We) clearly controlled this matchup, largely as a result of the depth in the singles matches."

No. 1 singles player Jessica Rohrer had no problem whatsoever with Kathy Kurscheidt, as Rohrer "demonstrated her prowess," according to Eichstedt, with a 6-0, 6-0 victory.

At No. 2 singles, Brenda Falk came up with her second straight win, this one a 6-3, 7-6 (7-3) victory over Amy Butelefski.

Things kept rolling right along for the Indians at No. 3 singles, where Tammy Troeller came up with her third win of the season, downing Chilton's Jenny Marks easily 6-1, 6-3.

Jenny Thull completed the singles sweep by the Indians, as she "overcame some serving difficulties and forehand groundstroke errors to pull herself through a very challenging match," according to Eichstedt. Thull beat the Tigers' Martha Nelesen 6-7 (3-7), 6-4, 6-3.

Indian Spikers Come Back To Defeat Two Rivers There

TWO RIVERS — As any Kewaskum high school athlete can tell you, the long drive to Two Rivers for a sporting event is quite dreadful, if not downright tiring.

The Indian volleyball team might have experienced some of that infamous 'buslag' in the first game of their match with the Raiders here, last Thursday. But Kewaskum rebounded in time to take a 7-15, 15-11, 16-14 win over Two Rivers, making the ride home a bit more bearable.

"We started out slow," Indian coach Dave Rizzardi said of his team's performance in that first game. "We also struggled at the start of the second game, but we regained our composure just in time."

Just in time to come away with the 15-11 win, setting the stage for the third game. The Indians jumped ahead 9-4 in the deciding third game, only to see the Raiders climb right back into the game and tie things at 14.

With another defeat staring them right in the face, the Indians bore down and got the two needed points, in order to savor just their second victory in five conference starts this year.

"Our serving improved," Rizzardi said of the team's effort, which was led by Tisha Stradtman, who had three aces and did not miss any of her 12 serves. "If we don't miss our serves, that obviously is going to give us more opportunities to

The Indians also got a win from their No. 3 doubles combination of Nicki Cayner and Kim Frank, as the duo improved their record to 6-3 on the year with a 6-1, 7-6 (7-4) win over the team of Kim Geiser and Jessica Austin.

In the JV meet, the Indians won the only two matches that were completed before darkness set in. The doubles team of Karyn "Dossinger and Stacey Pamperin beat opponents 10-8, as did the team of Carrie Fellenz and Jenny Van Assche.

score." The Indians were led in the point category by senior Rachele Zuehlke, who "did a super job," according to Rizzardi. Zuehlke had nine spike kills, as she dominated the play at the net once again. Stradtman also "did a nice job setting," as she garnered a whopping 16 assists in the three games.

"They are coming together," Rizzardi said of his troops. "They just need to believe in themselves and build up their confidence. They are getting stronger in that area, but need to keep improving."

Indian Netters Fall to Falcons

KEWASKUM — The Kewaskum girls tennis team was unable to come through in the close matches in their meet against Sheboygan Falls here, last Tuesday, and the result was a disheartening 5-2 loss for the Indians.

The Indians only wins were at No. 2 singles, where Brenda Falk used "her steady groundstrokes and excellent net play," according to coach Glenn Eichstedt, to come through with a 6-4, 6-3 win over Sheboygan Falls' Amy Feider. It was Falk's first win of the season.

The other Indian win came at No. 3 doubles, where the team of Kim Frank and Nicki Cayner continued to roll, as they downed Jamie Thomas and Christy Entringer 6-4, 6-4. The win improved Cayner and Frank's record to 2-1 in conference and 5-3 overall.

In another close match, Kewaskum's No. 2 doubles team of Heidi Gruhle and Chrissy Survis "made several comeback attempts, only to fall short," in their match against Marnie Hackl and Kristi Beuthien, 3-6, 4-6.

"This team (Falls) will give us a good chance to measure ourselves in the second half," Eichstedt went on to say. "They should contend for the overall (conference) team title."

The Indians JV tennis team was only able to come up with one win against their foes from Sheboygan Falls. The lone victorious Indian was freshman Lisa Franzen, who upended Tori Dietrich 8-5.

Plymouth Rolls Past Indians 28-0

PLYMOUTH — After getting beat 22-6 by Two Rivers the week before in a game that will go a long way in determining the Eastern Wisconsin Conference championship, the Plymouth football team was going to make somebody pay. Unfortunately for the Kewaskum Indians, they were next on the Panthers schedule.

Plymouth rolled up 222 yards rushing against the Indians, but it was the Panther passing game that gave the Indians fits, as the hosts walked all over the Indians 28-0, here, last Friday night.

"We gave up too many big plays," Indian coach Clark Pearson said regarding the game. We played hard, but they just had better personnel. They are a very good football team."

The Indians started off decently, and the game was scoreless after the first period. But it was just a matter of time before the Panthers would put the ball across the goal line.

Plymouth finally got on the board in the second quarter when Chad Hoitink ran the ball in from the four yard line. Panther quarterback Matt Noordyk found Corey Stoney open for the two point conversion to give the hosts the 8-0 advantage. Unfortunately for Indians fans, it was not the last they would see of the Noordyk to Stoney connection.

It looked as if the Indians would go into the locker room down just 8-0, but just before halftime, the Panthers took the wind right out of the Indians' sails. With the ball on the Kewaskum 20, Noordyk saw Stoney in the end zone and lofted a pass that Stoney went up over two Indians to grab for the touchdown with just :03 remaining in the half. Rob Dalton kicked the point after and Plymouth led 15-0 at the half.

"That was one of the big plays of the game," Pearson said of Stoney's grab. "He made a nice play. We had two guys on him, but he just went up and got it. He was well covered."

"That was really demoralizing, a real heart-breaker," Pearson said of the play. "I think it really fired them (Plymouth) up going into the locker room."

The Indian offense, meanwhile was struggling. Pearson replaced starting quarterback Mark Felix with junior Chad Cook midway through the second period. Neither of the two could get things going against the tough Panther defense though.

Felix finished the game completing just 4 of 15 passes, while Cook didn't fare any better, connecting on just 3 of 14. The Indians only accumulated 69 yards through the air, but the Indian running game, which was almost non-existent the previous week against Sheboygan Falls, came back to life with 108 yards.

"We moved the ball a little better on the ground," Pearson commented. "I think the game was closer than the score shows, but we still have got a ways to go."

Plymouth added another Noordyk-to-Stoney touchdown pass in the third quarter, this one covering 19 yards, and then closed out the scoring with a Noordyk to Shawn Hochrein 5-yard touchdown throw.

Pearson was impressed with

the Panther signal-caller, who was filling in for the Panthers usual starting QB, Gabe Miller, who was nursing a virus and was unable to go offensively. "He (Noordyk) did very well," Pearson said.

For the Indians, "Brian Heller had another good game on defense," said Pearson, who added "He has been very steady all year."

Pearson also mentioned that senior Craig Krell and junior Randy Schlice "had good games from their linebacker spots," while junior Joel Fleischmann blocked a Plymouth punt in the third quarter, giving the Indians the ball at the Panther 30 yard line. "We just couldn't push it in though."

While neither the freshman nor the junior varsity teams could come up with a win over the Panthers, the freshman got the next best thing - a tie.

The Indian frosh had a chance to pull out the win late in the game, but instead had to settle for a 8-8 deadlock, the best showing by a Kewaskum freshman football team against Plymouth in recent memory, perhaps the best ever. The Indian JV team wasn't as fortunate, as they dropped a 45-8 decision to the Panthers.

Indians Forfeit 2 Football Wins

KEWASKUM — While it won't overshadow what the team has accomplished thus far this season, the Kewaskum high school football team was forced to forfeit its two wins this season because of the use of an ineligible player.

"It was an oversight," Kewaskum athletic director Dave Rizzardi said of the incident which cost the team its wins over Campbellsport and Horicon. "It's just a paper thing," it surely won't overshadow the team's fine start this season."

The problem developed when the player's name was forgotten on a list of players on the football team that were to be checked for eligibility. When the mistake was discovered, the player, who was academically ineligible for the team, had already played in the team's two wins.

Rizzardi said that when the athletic department found out about the problem, "the proper channels were informed," notably the WIAA, Campbellsport High School and Horicon High School. The mistake was discovered in time so the player did not participate in the Indians' conference opener against Plymouth.

As is the case with all academic ineligible, the individual is not eligible to play in games for 15 school days. All ineligible players for all of the fall sports teams will be up for review on September 25.

"Sometimes these things happen," Rizzardi said, noting that the athletic department has to look at close to 100 different students when declaring who is or is not eligible. "It's an unfortunate situation, but it's just a paper thing. It won't take away from what the team has accomplished."

Campbellsport Wrestling Coach Inducted Into Hall of Fame

CAMPBELLSPORT — Veteran Campbellsport High School wrestling coach Gerald Marking has been informed by the Wisconsin Wrestling Coaches Association he has been selected for induction into the George Martin Hall of Fame.

The induction ceremony will take place at this year's Fall Wrestling Coaches Clinic in Stevens Point, Nov. 2 - 3. The induction banquet will take place at the Holiday Inn on Friday, Nov. 2 beginning at 7 p.m.

The "Hall of Fame" display is located in the University of Wisconsin Fieldhouse in Madison.

Marking started the wrestling program at Campbellsport during the 1966-67 season and will be starting his 25th season in November.

Over the years, he has coached three state champions, Mark Schultz, Rich Narges and Rick Huspen and since joining the Flyway Conference, the Cougars have never lost a dual meet in the league.
