St. Lucas Installs New Vicar

Vicar Craig R. Korth

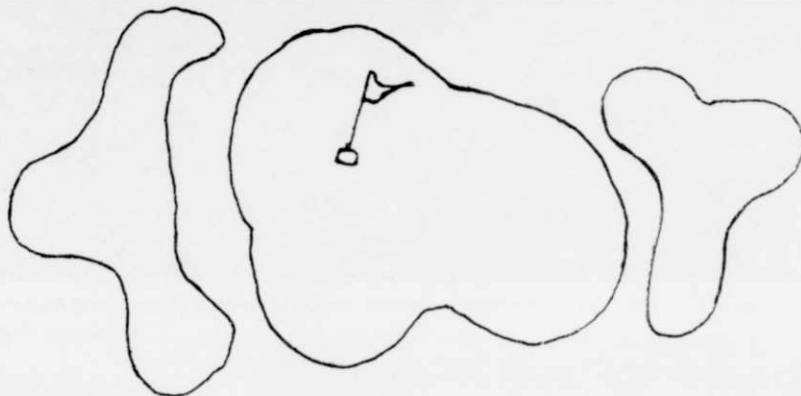

Recently St. Lucas installed a new student assistant. This is the fifth year that St. Lucas has participated in the vicarship program of the Wisconsin Lutheran Seminary, Mequon. The students are assigned to a congregation to serve for one year. In this internship year the student works closely with the supervising pastor, in this case, Pastor Ed Fredrich. This year of in service helps prepare these men for their full-time service in

the church.

Vicar Craig R. Korth comes to us from Marshfield, Wisconsin. He was born January 23, 1966 to Richard and Janice Korth. He was baptized and confirmed at Trinity Ev. Lutheran Church, Marshfield and was a member of the first graduating class from Trinity Lutheran Day School. He attended Martin Luther Preparatory School, Prairie du Chien, Wisconsin and graduated in 1984. He received a Bachelor of Arts degree from Northwestern College, Watertown in 1988. Vicar Korth's family lives in Marshfield. Besides his mother, he has one brother and three sisters. His father was called home in 1985. Vicar Korth's hobbies include both bow and gun deer hunting.

Former vicar, Jonathan Kolander and his wife, Jennifer and daughter, Alison have moved back to Mequon. There Mr. Kolander is completing his final year of studies. He will be graduating in May of 1991, receiving a Master of Divinity degree. In May he will also receive a permanent assignment through the Wisconsin Ev. Lutheran Synod Assignment Committee.

The fee will be \$1.00 per shot. Hon-E-Kor will supply the balls, just bring your favorite club or clubs. Clubs will be available if needed.

See you at the tee!

Separate Area Weekend Accidents Kill Two, Injure Seven

By GERRY MUELLER
Statesman Staff Writer

Three area accidents, one in Washington County and two in Fond du Lac County, occurred over the week-end, resulting in the deaths of two people and injury to seven others.

The first accident happened Friday, Sept. 21, at 4:40 p.m. on Auburn-Ashford Drive, 2/10ths of a mile east of Highway 45, in the Town of Auburn.

According to the Fond du Lac County Sheriff's Department, Thomas Clark, Sr. of Kewaskum, made a left turn into the path of a westbound vehicle driven by Cheryl Boylan of Campbellsport. The records indicated one passenger in the Clark truck, Jolene Clark. There were four passengers in the Boylan car, Bobby Jo, Barbara and Kevin Boylan, all of Campbellsport and Nancy Bielinski of Allenton. The Sheriff's Department spokesperson said the report indicated six people received injuries but the names were not listed.

Clark was cited for failure to yield the right-of-way.

Two men were killed early Saturday, Sept. 22, in a wrong-way collision on

Highway 41, just north of the Highway 45-41 split.

According to reports, Edward Gitz, Jr., 62, of Brookfield, was killed instantly at about 4:52 a.m., when his northbound vehicle was hit head on by a car being driven the wrong way, southbound in the northbound lane, by Daniel Stein, 43, of Sussex. Stein was also killed instantly.

Just before the head-on collision, the Stein car reportedly side-swiped a vehicle driven by Robert Seefeld, of Menomonee Falls. Seefeld avoided injury when he swerved onto the right shoulder of the northbound lane to avoid a serious collision. According to the Sheriff's Department, it is not known why Stein was traveling the wrong way.

A third accident occurred at 1:20 a.m., Monday morning, Sept. 24, on Highway S, at Highway GGG, in the Town of Auburn, injuring one person.

According to the Fond du Lac County Sheriff's Department, Brian Spartz, 22, of Kewaskum, drove his vehicle up a steep embankment trying to reach the top. The vehicle lost traction and Spartz tried to back down

Division of Motor Vehicles Moving To New Location

Gary R. Guenther, District #2 Manager for the Division of Motor Vehicles is pleased to announce the planned opening of its newly constructed Customer Service Center on October 8.

The new facility is located at 1516 W. Paradise Drive, West Bend in close proximity to Hwy 45 South and is designed to meet the expanding motor vehicle needs of the area.

Guenther said that in addition to driver license and identifica-

tion services, the new facility will offer vehicle registration for autos and small trucks.

The hours of service are Monday through Friday, 8:15 a.m. to 4:45 p.m.

Original Civil War Cannon Will Be Fired During Kettle Kountry Kolors Festival

Cushing's Battery, SVR, in action at Rockford, Illinois during a re-enactment held in June of 1990. Photo by Glenn Dellutri

Cushing's Battery, SVR, a U.S. Civil War re-enactment organization, will be firing their original Civil War cannon at River Park in Kewaskum, Wisconsin on October 13 and 14 in conjunction with the Kettle Kountry Kolors fair. In addition to firing blank rounds, the battery members will be drilling, giving demonstrations and talking about the U.S. Civil War. They will have an authentic campsite set up displaying the life of a Civil War soldier. Also on display will be a collection of artillery artifacts.

"Our cannon was cast in 1847 for the US Army," said Sgt. Ronald Aronis, commander of the Battery. "There is quite a history behind it. The cannon was captured by the Confederacy at the opening of the war and was used by them in battles throughout most of the War. It was re-captured by the Union forces after the battle of Fredricksburg."

Cushing's Battery was formed by local enthusiasts in 1985. It is dedicated to promoting and perpetuating the memory of Alonzo H. Cushing, a Union hero of the U.S. Civil War. Lt. Cushing was born in Delafield, Wis. and died on July 3, 1863 at

the height of the Battle of Gettysburg.

Cushing's Battery is a part of The Sons of Union Veterans of the Civil War, a national organization. The Sons of Union Veterans was founded in 1881 and incorporated by an Act of Congress to perpetuate the memory of the men who saved the Union in 1861 through 1865; to do honor to all of those who have patriotically served our Country in any way; to teach patriotism, the true history of our Country, and the love and honor of our flag. The Sons of Veterans Reserve (SVR) is the uniformed active arms of the Sons of Veterans of the Civil War.

Each year Cushing's Battery participates in many activities. They observe Memorial Day, Living History exhibits, and participate in battle re-enact-

the hill. He lost control of the vehicle causing it to roll over on its roof. Spartz received a head injury and was transported to the hospital. Two passengers in the Spartz vehicle, Maria Castro and Barbara Edwards, both of Kewaskum, were apparently not injured and were not taken to the hospital.

Spartz was issued a citation.

Kewaskum School District Leads the Way

Just two weeks into the 1990 United Way of Washington County annual fund drive, campaign chairman John Dedrick praised efforts so far by Pacesetter and other donors in Kewaskum, West Bend and surrounding communities.

"As of September 20, we have \$125,000 in gifts and pledges. That's almost 20% of our ambitious \$685,000 goal," he said.

"Special recognition is given to the Kewaskum School District," said Dedrick. "They were a campaign Pacesetter in Kewaskum and got the ball rolling." Kewaskum Division Chairman is Larry Martin of Miller Funeral Home; he and six volunteers are covering the Kewaskum area for the county drive. Those volunteers are: Kristy Schacht, Dennis Kuehl, Tim Miller, Ken Weddig, and Ron Schmitz.

Pacesetter firms with outstanding results compared to 1989 are: Bend Industries corporate gift up 11%; Yahr's Ready Mix corporate gift up 17%; Russ Darrow employees up 50% West Bend Savings Financial Resource Group - corporate gift up 16% and employee giving is up 55%; Cedar Lake Home employee giving is up 87%; Maysteel employee giving is up 25%; First National Bank in Hartford corporate gift up 11%; Kewaskum School District employee giving is up 11%; and F & M Bank in Slinger - corporate gift up 25% over 1989. Dedrick's own firm, West Bend Mutual Insurance Company, saw an increase of 50% for the corporate gift and an increase of 33% in employee giving.

"Our campaign theme, 'Touch a Life - The United Way' is being put into practice already," said Dedrick. One in four Washington County residents benefit from the services United Way agencies provide."

While a major thrust of the campaign is corporate and employee giving through payroll deduction, small businesses and individuals also contribute significantly to the campaign. Residential mailings to retirees and those outside of the workforce will be sent the

week of September 24.

More than 100 volunteers are involved in this year's effort, which is raising funds for 30

agencies serving Washington County residents in 1991. The drive continues through October 31.

Governor Proclaims Sept. and Oct. United Way Months in Wisconsin

Governor Tommy G. Thompson has announced the designation of the months of September and October, 1990, as United Way Months in Wisconsin, in recognition of the start of Fall campaigns by United Ways throughout the state.

In a recently issued proclamation, Governor Thompson highlighted the need for the United Ways in Wisconsin to continue to be successful in funding local agencies to meet the needs of Wisconsin citizens. Wisconsin's 86 United Ways collectively raised 58 million dollars to support human services during 1990, serving as the primary source of private funds.

Last year the United Way of Washington County raised \$629,852 and provided funds to more than 30 agencies. This year, the local United Way has set a campaign goal of \$685,000 and started fund raising efforts on September 6. The head of this year's campaign, John Dedrick, is urging everyone to become involved. This year's theme is "Touch a Life - The United Way." More than 100 volunteers are involved in this year's effort, which includes the communities of West Bend, Hartford, Slinger, Jackson, Allenton, Newburg and Kewaskum.

United Ways, based locally in communities throughout Wisconsin, work to solve unique local problems. Through annual fund-raising drives they are able to support agencies that serve children and families, persons with special needs, the

elderly, people in crisis, and people in poverty, among many other groups.

The proclamation, issued to draw attention to the important role of the United Ways in serving Wisconsin, urges citizens to contribute to their communities through the United Way.

October Immunization Clinics Scheduled

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. October clinics are:

October 2, 2 to 5 p.m. - Community Health Nursing Service Courthouse, Room 119, 432 E. Washington St., West Bend.

October 9, 2 to 4:30 p.m. - Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

October 16, 2 to 4:30 p.m. - Hartford City Hall, 109 N. Main Street, Hartford.

October 23, 9 to 11 a.m. - Community Health Nursing Service, Courthouse, Lower Level, Room 119, 432 E. Washington St., West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

For further information, call 335-4462, 644-5204, or 342-2929.

Prenatal Classes At Campbellsport

Prenatal classes will be held at Campbellsport Medical Center (lobby) beginning Wednesday, October 10. Classes are held from 6:45 p.m. to 9 p.m.

They run for six consecutive Wednesdays, ending November 14. They are free of charge.

Sandy Fryda, R.N. for Fond du Lac County Public Health Nursing Service, is the instructor.

All pregnant women are encouraged to attend along with their spouse or coach. If you have any questions, contract the County Nurses Office at 929-3085.

UWWC Presents Silent Film with The Bijou Players on Sept. 28

WEST BEND — The University of Wisconsin — Washington County will present Douglas Fairbanks, Sr. as the famous Mexican Robin Hood, Zorro, in the 1920 original "The Mark of Zorro," with live musical accompaniment by the Bijou Players. The silent film will be shown in the University Theatre at 7:30 p.m., Friday, Sept. 28.

Since their debut in 1980, at the Des Moines Arts Center, The Bijou Players have been in demand throughout the midwest, performing in more than 50 communities. It is their second appearance in West Bend.

In 1984, the Bijou Players began touring with support from Arts Midwest. The group now has a repertoire of more

than 15 films. James Luke, professor of music at Drake University, directs the ensemble and is clarinetist in the group. Violinist Janice Wade is Chairperson of the String Department and Conductor of the Orchestra at Wartburg College. Martha Gerstenberger is the cellist and serves as Music Co-ordinator at the Des Moines Public Library. Scott Davis, cornetist, and John Malett, percussionist, are both prominent instrumental music teachers in the greater Des Moines area.

Ticket costs are \$6 for adults \$4 for senior citizens and children under the age of 18. Special discounts will be given for groups of 10 or more. Call 335-5208 for reservations or further information.

Harvest Fest Grand Opening Celebration Set

The family tradition of an October drive or bike ride in the countryside to enjoy the fall colors needs a perfect destination. Riveredge Nature Center in Newburg can be that destination, especially on Sunday, October 7 from 11 a.m. til 4 p.m., when the activities of HARVEST FEST and the GRAND OPENING of the Riveredge Interpretive Building bring an air of celebration to the outdoors.

Riveredge is known in all seasons for the beauty of its sanctuary, with trails through hills and woodlands and by streams and ponds. But the Center takes on an especially festive atmosphere with the music, food, and family activities at Harvest Fest.

Northern Light, a talented vocal and instrumental foursome from Princeton, Wisconsin, will perform traditional and original music from 1:15 til 3:15 p.m. Folk singer Ann & Will Schmidt will entertain at noon and 2:45 p.m. And the popular Cedar Creek String Band will add their picking and strumming at 11:30 and 1:30 p.m. on the deck of the new Interpretive Building.

Kids can enjoy the animals at the Waubesa 4-H Club Petting Zoo, and everyone can see and learn about our Wisconsin wildlife at talks by rehabilitators Jean Lord and Barbara Harvey and animal expert Charlie Roessger.

Lots of other harvest-time fun for families is planned; squeezing cider on an antique cider press; making corn

muffins; starting with grinding the corn by hand; decorating pumpkins; sawing logs; and of course, spitting watermelon seeds.

The eating is always good at Harvest Fest. Homemade pies are a specialty, along with grilled burgers and brats, just-pressed cider, and made to order taffy apples. A farmer's market will offer pumpkins, corn and other fall crops to take home.

This year, an added feature of Harvest Fest will be the Grand Opening of the new Riveredge Interpretive Building. The structure, designed by PKR Architects, combines contemporary elements with natural materials in the form of a traditional octagonal barn. The building also has a state-of-the-art energy system. It's heating and air conditioning, designed by Wisconsin Electric, uses well water in a heat-exchange system. The latest innovations in energy conservation are also used to achieve comfort at the least environmental cost.

Riveredge Nature Center is located on Highway Y, just north of Route 33 in Newburg.

Admission to the event is free, as is shuttle bus service from Holy Trinity Church in Newburg on Route 33, and from the west Riveredge parking lot on Highway Y just north of Newburg. Preregistration is not required, but would be appreciated. All preregistrants will be eligible to win a drawing for a Riveredge Survival Kit, with maple syrup, honey, pancake mix, and popcorn.

For more information, and to register, call Riveredge at 375-2715 (metro) or 675-6888 (local).

UWWC Again Offering Community Book Club

WEST BEND — Read any good books lately? If your answer is no, yes or anything in between then the Community Book Club is for you. The popular Book Club is again being offered by the University of Wisconsin Center — Washington County's Continuing Education office. The teacher and discussion leader is Marie Pitz.

Pitz has been sharing her love of reading with UWWC Book Clubs for more than five years. Past reading include: The Color Purple, House of Spirits, Dean's December, Lonesome Dove, The Far Pavilion, All I Really Need to Know I Learned in Kindergarten and many more. Students enrolled in the previous semester's club generally select the book that is read each month. Pitz admits she hasn't enjoyed each book but is happy to have had the learning experience. Her role in the Club is to start discussion, keep things on track and help the more reticent to get into the conversation.

The Club will meet on Friday from 1:30 to 3:30 each month and is currently scheduled for September 28, October 19, November 16 and December 14. The charge is \$10. Members include people of all ages and backgrounds and anyone is welcome to join the Club.

To register or to obtain more information please contact Continuing Education at UWWC at 335-5208.

Magic Marketplace Autumn Leaves Fall Festival

Magic Marketplace Chairman Gerry Ward and Co-Chairman Mary Renzaglia display the 1990 quilt entitled, "Starlite," which will be raffled off during the festivities on Sunday, Oct. 7. West Bend Mayor Mike Miller will draw the winning ticket, as well as all the winners of the eight booster prizes.

As summer comes to an end and the cool air of fall moves in we begin thinking about all the things fall brings — a gorgeous display of color from the trees, the anticipation of being with our family and friends for the holidays and Magic Marketplace!

Plans are well under way for the Magic Marketplace Autumn Leaves Fall Festival to be held at Silverbrook Middle School on Sunday, October 7, from 10 a.m. to 4 p.m.

This year's festival promises to be an exciting one with many of the old favorites returning — Fall Flowers, the pantry, the Silent Auction, Children's Booth, Decorated Pumpkins, etc... Of course we will be again featuring a fine array of artists and crafters. New this year, cholesterol and blood pressure testing will be available.

Laverne Doll and the Quilting "Bee" from St. Frances Cabrini Church have produced a beautiful quilt entitled "Starlite" in shades of peach, green and beige. Tickets for the Quilt Raffle are available in the

hospital Gift Shop or from any auxiliary member.

Many exciting prizes have also been aquired for Magic Marketplace. Tickets for these may also be obtained from an Auxiliary member or in the hospital Gift Shop. Booster Club prizes for 1990 include — 4 Night Bahamas Cruise On Royal Caribbean For Two. \$200 Worth of Groceries / Meats, Pick 'N' Save; Week-End Getaway for Two in Milwaukee Area; Cross Country Ski Package; Scenic Rail Dining For Two; Fantasuite Suite / One Night, Sun. - Thurs. at West Bend Hotel; \$80 Gift Certificate - Slenderizers Toning Salon; \$50 Gift Certificate - The Shoe Rack.

All proceeds from Magic Marketplace, one of our three major fundraisers, are donated to the hospital to benefit it and all of its patients. Thanks to

St. Joseph's Hospital Auxiliary Holds Annual Fall Luncheon

Auxiliary President Sharon Ziegler, presents a check in the amount of \$5,000 to Fred Bury, Executive Director of St. Joseph's Community Hospital, to fulfill the Auxiliary's annual pledge.

Approximately one hundred active and associate members of St. Joseph's Community Hospital Auxiliary, as well as their guests attended the annual Auxiliary Fall Luncheon at West Bend Country Club on Friday, Sept. 7.

Celebrating the 25th Anniversary of the Auxiliary's inception this year, honorees at this occasion included a number of chapter members and past presidents of this volunteer organization.

Following a brief "welcome" by President Sharon Ziegler, and a few remarks by St. Joseph's Executive Director, Fred Bury, Mrs. Ziegler introduced guest speaker Nancy Chandler, WITI-TV News Anchorwoman, who spoke to the audience on the topic of "Volunteerism."

On behalf of the entire Auxiliary membership, Mrs. Ziegler also presented a check in the amount of \$5,000 to Mr. Bury toward fulfillment of the Auxiliary's present pledge to the hospital.

In addition to the thousands of inservice hours donated to the hospital each year, the Auxiliary also undertakes several major fundraisers such as the Magic Marketplace (Oct. 7, Silverbrook Middle School, 10 a.m. to 4 p.m.), the Auxiliary Ball, the Well-Wisher Gift Shop and Flower Sales, the Christmas Lovelight Tree, Pick 'N Save's "We Care" Community Cash Program to

Kewaskum Fire Department's Open House Draws Good Attendance

With the 'victim' covered to protect him from debris, firefighters used the Jaws of Life to cut away the car door to permit EMTs access to the injured driver. Narrator Mark Groeschel explained each step of the simulated auto wreck rescue. Firefighters Scott Pesch, Tom Herriges, Gene Zorn, EMTs Mark Herriges, Tim Miller and "accident victim" Pete Dickmann participated in the demonstration.

EMTs immobilized the "accident victim" in preparation for extraction from the wreck.

Kewaskum Fire Department EMT Donna Zimmel took the blood pressure of Alex Herriges during the department's open house.

EMT Joe Baasch explained how to perform CPR to Jill Broecker (center) as Kris Marchetti (left) closely observed the procedure.

Members of the Kewaskum Fire and Rescue Department were pleased with the excellent turnout for their open house held last Thursday evening in conjunction with National EMS (Emergency Medical Services) Week.

Highlights of the event included a rescue demonstration which included use of the Jaws of Life and the extraction of a live 'victim' from a simulated auto wreck, free blood pressure screenings, the introduction of the new Child Alert 10-33 program and a tour of the department and its equipment.

The new and vital Child Alert 10-33 program is designed to

aid emergency medical services teams treat children with special needs and medical problems such as irregular breathing patterns, slow heartbeat, etc.

Any youngster whose need for EMT services may be anticipated can be enrolled in the program. The Rescue Squad will keep a file on the child's medical problems and recommended treatment. The file assists the EMT team by letting them know how the child's doctor wants the individual treated during transport to a medical facility. Child Alert also explains to parents what to say to the dispatcher in the event of an emergency.

The department also has six individuals who are presently

participating in the EMT training program that will be joining the Rescue Squad personnel upon completion of their schooling.

While the open house focused on emergency medical services, visitors to the Fire Department had the opportunity to inspect all the equipment, climb aboard a fire truck and ask questions about its operation.

THANK YOU

A big thank you to all who send cards and prayers, to the poll-workers on Sept. 11 for their "greetings", a colossal thank you to a very special friend. CM you are an angel in disguise.

Moraine Park Reviews Jobs 2000 Plans After Referendum Defeat

Despite strong support from Washington County, Moraine Park Technical College's JOBS 2000 expansion project was defeated in its Sept. 11 referendum vote.

The official tallies released by the referendum's Board of Canvassers was 9,107 yes votes and 10,480 no votes. Of the 19,587 Moraine Park Vocational, Technical and Adult Education District residents who voted on the referendum, 46.5 percent supported the college's plans to add classrooms, instructional labs and student support facilities to its campuses in Beaver Dam, Fond du Lac, and West Bend; 53.5 percent did not.

Strongest support for the proposal came from Washington county where 2,673 voters (66 percent) said yes, while 1,378 (34 percent) said no.

Other communities that supported JOBS 2000 were New Holstein, Mayville, Ripon, Waupun, Markesan, Princeton and many townships throughout the 10 counties that make up the Moraine Park VTAE District.

Voting against the proposal were Fond du Lac County (58.5 percent against), Dodge County (62.7 percent against) and Green Lake County (54.8 percent).

"Obviously, we are disappointed by the vote," said Moraine Park President John Shanahan. "We need to make more of an effort to communicate the problems we are trying to address. The demands by local industry for more trained workers won't go away. The need for expanded job skills retraining is there. So are the waiting lists in some of our programs such as nursing and tool and die makers.

"We don't have the facilities to accommodate our programs with waiting lists and the new programs industries want us to offer."

Shanahan said the Moraine

Park VTAE Board will review the results of the referendum and consider what to do next.

Of the three VTAE districts in Wisconsin that asked voters for funding to expand facilities in the Sept. 11 election, the Moraine Park VTAE District was the only one to reject a proposal. Expansion plans will now proceed at Milwaukee Area Technical College and Northeast Wisconsin Technical College. An expansion proposal for Mid-State Technical College was approved by voters there in April.

Riveredge Fall Excursion to Madison And Spring Green

Riveredge Nature Center will sponsor a bus trip to Madison and Spring Green on Saturday, October 6. Participants will visit the Arboretum in Madison in the morning and attend an Ibsen play, "An Enemy of the People," in Spring Green in the afternoon.

"An Enemy of the People" is a drama on the dilemma between environmental pollution and economic prosperity.

Depart from Brown Deer Park and Ride lot at 8:00 a.m. via deluxe motor coach and return by 8:00 p.m.

Cost of \$70 per person includes a continental breakfast on the bus, admission to the Madison Arboretum, lunch at the Spring Green Restaurant, a ticket to "An Enemy of the People," and a box supper from "Ovens of Brittany" on the way home.

KMS 'Back-to-School Night' Growing in Popularity

Dale Squier talked with parents of his KMS History class students.

Mrs. West explained the sixth grade class' annual weekend study outing to parents. Mrs. West and Mrs. Stangl, along with several other KMS teachers, serve as chaperones and instructors during the two-day campout, which focuses on science, nature, arts and crafts as well as teamwork games and activities.

By GERRY MUELLER
Statesman Staff Writer

Almost 200 parents attended the Kewaskum Middle School's second annual "Back-To-School Night" last Thursday evening.

The open house, put on by the KMS Parent Advisory Council, is set up to give parents the opportunity to get a taste of what their student's actual school day is like.

Upon arrival at the school, parents picked up their youngster's class schedule and

'reported' to their first period class. Approximately 15-20 minutes later, the signal sounded for the end of class. Parents continued to proceed through their student's class day, moving from period to period, where they were able to meet the teachers, learn about the objectives and content of each class, the instructor's teaching methods and what was expected of the students in that

class.

Parents of the sixth grade, who will be participating in the annual week-end study campout, also attended a brief informational meeting with the teachers who supervise and chaperone the outing.

The evening was capped off with refreshments provided by the KMS Student Council who also acted as guides during the evening.

'Loontalk' Display Opens at Riveredge

'Plant Folklore And Storytelling' At Lac Lawrann

Have you ever passed the time of day leisurely plucking the petals of a daisy, one-by-one, reciting, "He loves me, he loves me not?"

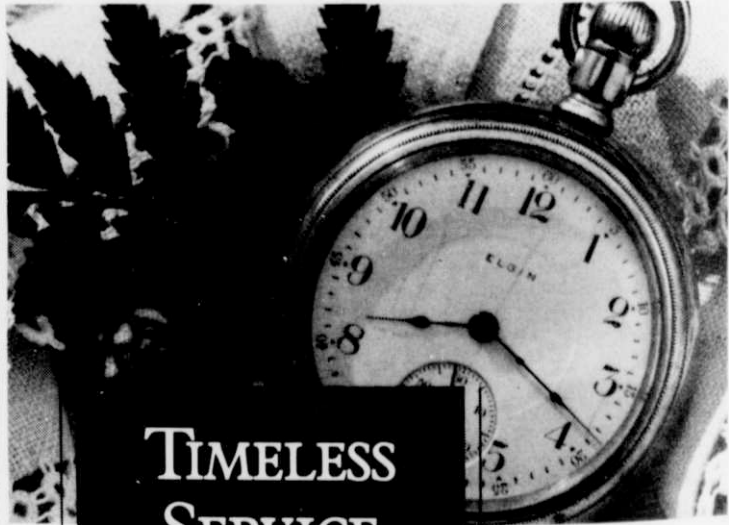

Have you sucked the sweet nectar of the sweet clover, not realizing that in one single flowerhead you are holding an entire flower bouquet? Or, did you wonder how the "jewelweed" got its name and why is it sometimes called "touch-me-not"?

When looking closely into the bloom of the violet, have you been amazed to discover the "king washing his feet?" And, still another, where did the "dogwood" get its name?

These stories about plants and many, many others have been passed down through several generations. The folklore of plants tell us much about their unique features, their many uses and the history of our country.

Wayne Pauly, naturalist with the Dane County Park Commission, has collected plant folklore and he used them to share his respect for the common plants that many people overlook as "weeds." Pauly's stories will make your next stroll through a field, beside a waterway, through an alleyway or along a sidewalk, a new adventure.

The Lac Lawrann Conservancy will have Pauly as its special tour guide on Saturday, October 6th, at 10 a.m. Reservations for this free tour can be made by calling the West Bend Park, Recreation and Forestry Department at 338-5080; evenings and weekdays, call Bette, 334-9634. The young and the "young at heart" are invited to attend.

Otto C. Bartelt, 76, of 1208 Pine Lane, Campbellsport, passed away on Friday, Sept. 21, 1990 at his home. He was born on September 5, 1914 in the Town of Auburn the son of the late Fred and Johanna (Heberer) Bartelt. On January 1, 1937 he was united in marriage to Lorinda Krahn at St. John Lutheran Church, New Fane.

Mr. Bartelt was a member of the St. John Lutheran Church, New Fane and before retiring he had worked for the Gehl Co. for 22 years.

Survivors include his wife Lorinda; three sons, Otto A. (Beverly) of New Fane, Maynard and Thomas both of Campbellsport; four daughters, Janice (Roger) Breselow of Mayville, Barbara (David) Coulter of Kewaskum, Debra (Donald) Theisen of Campbellsport and Jean (Robert) Robrahn of West Bend; 21 grandchildren, four step-grandchildren and five great-grandchildren.

In addition to his parents he was preceded in death by an infant son Bruce and a grandson Craig Coulter.

Funeral services were held at St. John Lutheran Church, New Fane at 2:00 p.m. on Monday, Sept. 24, with the Rev. Mark Eckert officiating. Burial was in the church cemetery. Friends called from 4:00 until 8:00 p.m. on Sunday at the Miller Funeral Home, Kewaskum, and from noon until time of services at the church on Monday.

Memorials may be made to the St. John Lutheran Church building fund.

ROSE M. SCHMIDT

Rose M. Schmidt, a resident of the Samaritan Home, West Bend, died Saturday, Sept. 22, 1990, at the Samaritan, at the age of 80.

She was born July 8, 1910, in the Town of Barton, where she farmed with her brother and sister most of her life. In 1980 she moved to West Bend, and became a resident of the Samaritan Home in 1988.

Survivors include a sister, Coletta Staehler of Kewaskum, nieces, nephews and other relatives and friends.

Two brothers, Andrew and Alfred, and two sisters, Sybilla Schmidt and Eveline Nigh, preceded her in death.

She was a member of the Christian Women's Confraternity at St. Mary's Church, West Bend.

Funeral services were Wednesday, Sept. 26, 1990, at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Liturgy of the Resurrection at 10:30 a.m. at St. Mary's Immaculate Conception Church. Rev. Donald Schmidt, a nephew, was the celebrant and burial was in St. Mary's Cemetery.

Visitation at the funeral home was Tuesday after 4 p.m., with a prayer vigil at 8 p.m.

MRS. VOELKER

Mrs. Frances A. Voelker, formerly of 313 E. McWilliams St., Fond du Lac, died Monday, Sept. 17, 1990, at St. Francis Home.

She was born Jan. 29, 1914, in Ashford, a daughter of Henry and Catherine Hall Pierret. She married Harold Voelker on June 24, 1939, at St. Martin's

Church, Ashford.

Mrs. Voelker was a member of St. Mary's Church, Daughters of Isabella and the Altar Society. She was employed with H.C. Prange for 10 years prior to retiring in 1976.

Survivors include four daughters, Kathryn Voelker of Beaver Dam, Barbara Voelker of Milwaukee, Beatrice Bruno and her husband George of Ferndale, Calif., and Susan Voelker of Marysville, Calif.; one grandson, Sean Bruno of Ferndale, Calif.; four sisters, Rosa Braun and her husband Leo of Menasha, Marie Kelly and her husband William of Milwaukee, Agatha Feldner of Fond du Lac, and Ottilia Jaeger and her husband Clarence of Campbellsport; one brother, Alois Pierret of Campbellsport; and one sister-in-law, Martha Pierret of Campbellsport; many nieces and nephews.

Preceding her in death were her husband on Aug. 1, of this year; and two brothers, Gregor and Reginald.

Funeral services were held Thursday at 9:30 a.m. at Zacherl Funeral Home, and at 10 a.m. for Mass of Christian Burial at St. Mary's Church. The Rev. Kevin Wester officiated. Burial was in Calvary Cemetery.

Friends called Wednesday from 4 to 8 p.m. at the funeral home where a parish vigil was held at 7 p.m.

HARRY H. OELHAFEN

Harry H. Oelhafen of 5589 Beechnut Drive, West Bend, passed away Tuesday, Sept. 25, 1990, at St. Joseph's Community Hospital, at the age of 88.

Funeral services will be held Thursday, at 1:30 p.m., at Zion Evangelical Church, Town of Wayne. Rev. Dennis Strong will officiate. Burial will follow in the church cemetery.

Visitation at Myrhum Funeral Home Wednesday after 4 p.m. and at the church Thursday from 12:30 p.m. until the time of service.

A complete obituary will appear in next week's paper.

CARD OF THANKS

The family of Catherine Carter wishes to thank the relatives, neighbors, and many friends for their many kindnesses and prayers. We wish to thank Fr. Thomas Venne, donors of masses, memorials, and floral tributes, food and those who served the food, organist, choir, pallbearers, Miller's, St. Matthias parish, and to anyone who showed their respect and helped us. These kindnesses will long be remembered.

The Catherine (Pesch) Carter Family.

Phillip Lettow's Eagle Project Unveils Old Gage Cemetery

By Sharon Callaway Roznik

Anyone whose friends or relatives are buried in the cemetery located on the corner of Old Bridge Road and Hwy. G, can thank an industrious Kewaskum boy scout for making the graveyard accessible to visitors once again.

Phillip Lettow, W201 Hwy. DD, Kewaskum, a seventeen-year-old high school student, chose the overgrown site as his Eagle Scout Service Project. It was so badly buried in brush and weeds it was barely discernible from the road.

With help from his father, Fred, and members of Boy Scout Troop 744 of Kewaskum, Phillip and friends worked a month and a half of weekends and some days during the week, chopping, mowing and cleaning brush on some of the hottest days of summer.

The cemetery was originally named the Gage Cemetery after a man named Gage who donated the land for the gravesite, and the Gage Schoolhouse, which was located across the road. The school no longer exists.

Phillip organized the cleanup and will turn in a written report on the project in order to gain the rank of Eagle Scout in a special ceremony. We commend the efforts of young people like these, and the Boy Scouts of Kewaskum for preserving a part of our community's history. We also thank Mrs. Arthur Kirsch for bringing their work to our attention.

Letters to The Editor

Dear Mr. Kopecky:

I am writing this letter on behalf of the many dedicated Kewaskum High School athletes that the Kewaskum High School has who are willing to strive and go the extra mile to become better at the sport in which they are involved. Their dedication also helps all other KHS athletes — as examples and successes in all sports.

It has been proven over and over again that weight-lifting is a beneficial, as well as vital, part of putting together championship teams. The morale of Kewaskum athletics has not been really promising the last few years; however many of the athletes who did succeed were actively involved in weight-lifting programs after school.

As Kewaskum athletics is entering into a new age, I think the future is very promising. Last year was my first real year involved in a weight-training program, and the impact was over-whelming. I found it much easier to excel in other sports because of, and I owe most of my success to, the weight-training program. Significant flaws can still be found, however. Several times this past summer when I went to the weight room, no one was there to open it.

I am now asking for your help and support to keep the weight-lifting program alive. I am requesting it on behalf of the many dedicated students and athletes that this school possesses. Please hire a weight room supervisor so the weight room will be more accessible to those who wish to use it. Weight lifting is a vital part of the success of all athletics. I hope you are able to realize this and help in the cause.

Keeping kids involved in extra-curricular activities is one of the best drug education prevention programs that kids can receive. With the drug education money that is available to the school, I hope you will consider this as another way to help keep kids free of drugs. Two major advantages can be realized if funds are utilized for a weight room supervisor.

According to last week's Statesman, the Kewaskum School District will be sending a survey to district residents on October 1st. The questions asked seem to imply that we must decide whether to reopen the Beechwood school or build additional classrooms at Farmington. We can answer NO to both questions.

Enrollment at Farmington this year is 274. In 1974 Farmington's enrollment was

309, in 1975 - 304, in 1976 - 268, in 1977 - 280 and in 1978 - 293. In those years, the present Farmington building housed those students with no complaints. Our children attended the Farmington school from 1974 - 1982.

Before any taxpayer can answer YES to these and other questions on the survey, approximate costs must be provided by the administration.

One question not on the survey should ask, "should we sell the Beechwood building and use the money we are spending to maintain it, on education?" Our answer here is YES!

Dear Editor:

As a Woman Veteran and a Field Representative of Women in Military Service Memorial Foundation, I hope you will pass on the following information in your newspaper.

A memorial is being built with non-federal funds for women who have served or are currently serving in the military service. Signed into law by President Ronald Reagan in October 1986, a four acre site has been designated at the main gateway of Arlington National Cemetery, Washington D.C.

The foundation is seeking to register all military service women, veterans or those currently serving on active duty, from all branches of service. The names, records of service, photos and memorable military experiences of each registered woman's service time will be entered and available for public view. The registration process will make it possible for every woman, who is serving or who has ever served, to be identified and registered and thus give her a permanent visible place in America's history and heritage.

To the 1.6 million women veterans out there, and especially the 22,000 women veterans of Wisconsin, we need your help. We need you to register. This memorial will tell the story of our military women's dedication, commitment, and sacrifice.

I urge all readers to support

this project and call 1-800-222-2294 or write, Women in Military Service Memorial, Department 560, Washington, D.C. 20042-0560.

Help us locate and make aware to all Women Veterans their Memorial.

Sincerely,
Edith Mehre

UW Farm Short Course Deadline is Oct. 15

Students have until Oct. 15 to register for the Farm and Industry Short Course at the University of Wisconsin - Madison's College of Agricultural and Life Sciences.

Instruction for the first six-week session begins Nov. 12. A four-week session begins Jan. 14 and the final six-week session begins Feb. 11, ending with graduation March 23.

Typically some 100 students enroll, says Rick Daluge, CALS assistant dean and director of the short course. They can choose from 50 agricultural production courses in specialties such as dairy farm management, beef/swine management, farm mechanics, farm service and supply, and crops and soils.

Dormitories are available on a first-come first-served basis, with rooms costing around \$650 for the 16 weeks of instruction. Tuition for Wisconsin residents is around \$900, and students will need about \$150 for books. Short Course scholarships totaling nearly \$25,000 are available from the college.

Application forms are available from high school agricultural instructors or from the Farm and Industry Short Course office, Agriculture Hall, University of Wisconsin - Madison, Madison, WI 53706.

Camp American Legion Available

The Washington County Council of the Wisconsin American Legion has been a long time supporter of Camp American Legion. The camp, open since 1925, is in the Lake Tomahawk area. It is a camp where any Wisconsin veteran can go (with doctors certification) to receive vital rehabilitative care to aid in recovery from an operation, illness, breakdown or other affliction.

According to County Council Camp American Legion Chairman Merv Thompson of Kewaskum, the Council recently donated \$300.00 to the Camp for use in the kitchen remodeling project planned for this Fall. He said the Council has been donating supplies, time and monies to the Camp since 1956.

Thompson said the Council took over maintenance of one of the original cabins at Camp American Legion in 1956. Since that time the porch facing the lake has been enlarged and enclosed, wheelchair ramps have been added to the front door and the porch door, toilet facilities with wheelchair access have been added and a new septic system has been put in. Thompson said County Legionnaires also have donated time in the spring and fall to help open and close the camp.

The Council uses funds raised at the foodstand it runs at the Washington County Fair to support their donations to the camp and to other Legion

projects that the Council are involved in. The Council is made up of Legion members from the seven American Legion Posts in Washington County - Allenton, Germantown, Hartford, Hubertus, Jackson, Kewaskum and West Bend.

The camp consists of a group of cabins that are sponsored by local American Legion Posts and County organizations thru out Wisconsin. It also has a dining hall, chapel and recreational and health care facilities. It is open over the summer months for use by all Wisconsin veterans. For more info on the camp write to Dan Liotta, Camp Director, Camp American Legion, Lake Tomahawk, WI 54539 or contact your local American Legion Post.

Two prominent Washington County residents and public officials, Judge Lester A. Buckley, 57, of Hartford and Lawrence P. Berend, 56, of West Bend, Washington County clerk of courts, were apparently instantly killed about 8 p.m. Tuesday in a two-car collision on Hwy. 41 at CTH K about two miles north of Slinger. The deaths occurred when the Buckley car and the auto of a Michigan couple collided in the southbound lane of Hwy. 41 at the intersection. Occupants of the Michigan car Thomas Rowe 25, the driver, suffered minor lacerations and his wife Vera, 23, suffered severe lacerations and internal injuries. The Rowes were on their honeymoon. Both Buckley and Berend were thrown from their auto in the crash. Both suffered skull fractures and internal injuries and died at the scene. County Coroner Robert Boltz said it was not known who was driving the Buckley auto. It was believed the Buckley car was traveling west on K and the Rowe auto south on Hwy. 41. Authorities said the car carrying Buckley and Berend crossed in front of Rowe's vehicle. It was reported the two men had attended the meeting of the Washington County Bar Association at the Linden Inn prior to the crash.

R.D. Burt, local station agent for the North Western Railway Co., has received notice that the Kewaskum freight depot will be closed as of Tuesday, Sept. 28. All business in the future will be transacted with C&N.W. railway agency in West Bend. Disposal of the depot building has not been made known at the present time. According to word of old timers in the area, the depot was built in the early 1900's after the old building burned down.

The fire department rescue squad had a new experience Tuesday night. They received a call from a local woman to rescue a cat from the roof of her home. So Chief Oppermann summoned members of his "cat rescue squad" led by Augie Bilgo, who took their equipment to the scene and rescued the poor pussy.

Six-man football - the tackle variety - made its debut in the Tri-County Athletic Conference today, Friday, when six schools, North Fond du Lac, Lomira, Campbellsport, Kewaskum, Oakfield and Brandon swing into action for the 1940 season. This is the first time that regular football has ever been played in the conference.

Miss Celeste Foerster, daughter of Mrs. Louis Foerster, Sr. of the town of Kewaskum, became the bride of Marvin Kuehl, son of Mr. and Mrs. John Kuehl of the town of Wayne, on the last day of the summer season, Saturday, Sept. 21, in a lovely wedding ceremony in the Salem Reformed Church at Wayne.

In another of the last of summer wedding ceremonies on Saturday, Sept. 21, Miss Gertrude Otto, daughter of Mr. and Mrs. Theodore Otto of the town of Scott, became the bride of Roy Reysen, son of Mr. and Mrs. Henry Reysen of Beechwood in a pretty rite read by the Rev. Gust. Kaniess in the Immanuel Lutheran Church, town of Scott.

In a double ring ceremony performed in the Salem Reformed Church at Wayne, Sept. 21, Miss Helen Roos, daughter of Mr. and Mrs. Philip

Roos, of R. 3, Kewaskum, was united in marriage to Edward Panzer, R.3, Kewaskum, only son of Mr. and Mrs. Edward Panzer, Sr. of Plymouth.

Mr. and Mrs. Joseph Brodzeller of St. Michaels, announce the engagement of their daughter Ann, to William R. Dricken, son of Mrs. Gertrude Dricken, of Barton.

A RESOLUTION REQUESTING WASHINGTON COUNTY TO CREATE A COUNTY-WIDE CLEAN SWEEP PROGRAM

Whereas: the village Board of the Village of Kewaskum, Washington County is involved in an active recycling program as are most of the municipalities of the county; and

Whereas: the recycling issue is just a small part of the garbage and refuse overall problem; and

Whereas: all of the municipalities in the county are faced with household hazardous waste, a waste that should not go to the landfills and cannot be locally recycled; and

Whereas: a collection program is costly to implement, even on an annual basis; and

Whereas: a county program would draw residents in from a wider area reducing the cost for all involved due to the setup or fixed cost related with each clean sweep program;

Therefore Be It Resolved, that Washington County create a County-Wide Clean Sweep Program to assist the municipalities of the county achieve a cleaner and healthier environment.

ADOPTED AND APPROVED this 17th day of September, 1990 by the Kewaskum Village Board.

Please think about your answers to these questions so you will be ready to respond when the survey arrives.

Surveys will be mailed to district residents on Monday, October 1, 1990. Enclosed with each survey sheet will be a post card that residents may mark their answers on and mail back to the district office.

This survey is important for district planning. We hope that all district residents will participate in the survey.

UWVC Soccer Team Has New Coach

For the first time in 18 years, UWVC will begin its fall soccer schedule with a new coach. Marv Wolf, a former UWVC player and past West Bend West Boys Varsity High School coach, will take over the coaching position from UWVC Athletic Director Tom Brigham, Brigham, who remains as the lady Wildcat's basketball coach will spend more time teaching and less time coaching this year.

Wolf, who says he doesn't make predictions, is optimistic about UWVC's prospects in the upcoming season. "We have a good nucleus of people. They are very enthusiastic." Six returning players, including WCC All Conference players Co-Captains Craig Kainz, and Andy Loeffler and Jordan Rathke will help Wolf in this first year as coach. The remainder of the 17 member squad, including two women, all have previous soccer experience.

Wolf played on UWVC's first soccer team in 1972 and has played and coached soccer since. "I've learned that being able to teach a person is different than just knowing how to do it," explains Wolf who admits he has changed from being high strung to a more mellow coach. Says Wolf, "Kids react to coaches differently today. I realize there are times when I have to raise my voice but it's not always necessary."

Brigham is an example of a coach who knows how to reach his players says Wolf. "Many times coaching is a process of giving constructive criticism," replies Brigham. He calls Wolf, and excellent coach and a good communicator with young people. "Marv has gone through our program. He knows what we're trying to accomplish here."

According to Wolf he expects to have a challenging season. He says that, as in the past, the number one priority for the players is still academics. The impressive 106-41-8 record the Wildcats have compiled since 1972 does serve to motivate Wolf and his players too. "The record speaks for itself," says Wolf. "It's going to be a real challenge, but I love challenges."

Under Brigham, the Wildcats won division championships in 1974, 1975, 1979, 1980, 1981, 1982 and 1984. They were Wisconsin Collegiate Champions in 1980, 1981, 1984; co-champions in 1982 and Junior College Champions in 1984. "It's difficult looking out at the field and not being there," says Brigham. "But, I am very confident with Marv out there."

The 1990 UWVC Soccer Team members are listed below:

Greg Butler, West Bend; Dave Garvey, Kewaskum; Jay Leberrecht, West Bend; Ken Breuer, Slinger; Jim Rasmussen, West Bend; Scot James, Adell; Coleen Grady, Grafton; Doug Ciriacks, West Bend; Craig Kainz -Co-Captain, Hartford; John Ziperski, Hartford; Chad Ulik, Neosho; Scott Schultz, Cedarburg; Jordan Rathke, West Bend; Randy Schlee, Hubertus; Andy Loeffler -Co-Captain, Jackson; Doug Braun, West Bend; Heather Gillis, Cascade.

MPTC's Jobs 2000 Would Add Classrooms, Lab Space

Moraine Park Technical College's proposed JOBS 2000 project would add 19 classrooms and 8 instructional labs to the college's West Bend campus.

To accomplish that, as well as improve various student services, 47,000 square feet of space would be added to the campus while areas of the existing 58,000 - square-foot campus in West Bend would be remodeled.

The project would increase the total size of the West Bend campus to 105,000 square feet, an 81 percent increase.

The additional classroom and lab space would accommodate 949 students for existing Moraine Park programs now hard-pressed to meet growing enrollment demands and planned new programs that would supply needed skilled workers for local industry.

Cost of the West Bend campus portion of the project is \$4.5 million.

Here is a breakdown of programs and services that would be served by JOBS 2000:

* **Trade and technical division:** machine tooling technics program, manufacturing tool engineering program, one extended degree program, industrial screen printing program.

* **Business division:** computer lab, computer systems application courses, four extended degree programs.

* **General education:** student learning center, computerized writing skills lab, testing center.

* **Business and industry assistance:** seminar room, workplace learning center.

* **Student skills diagnostic center.**

* **Library**

* **Staff development center:** an area for faculty to prepare class work, obtain needed computer time, do research, conduct staff training sessions.

* **Faculty offices:** student conference area.

* **Child care center:** the average age of Moraine Park's students is 31 and women account for 52 percent of the college's student body. The availability of child care services is often cited as a determining factor whether a potential student can enroll.

* **Student commons and cafeteria**

* **Student support service area:** student testing/assessment, counseling, financial aid, student health nurse, registration, reception area.

JOBS 2000 also calls for

similar, although proportionally smaller, expansions at Moraine Park's campuses in Beaver Dam and Fond du Lac.

Annually, more than 19,000 people utilize the services and programs provided by Moraine Park. The Moraine Park Vocational, Technical and Adult Education District is comprised of Fond du Lac and Green Lake counties, most of Dodge and Washington counties and portions of Calumet, Sheboygan, Waushara, Winnebago, Marquette and Columbia counties.

Covering an area of 2,450 square miles, the Moraine Park VTAE District has a population in excess of 250,000 people.

Total cost of the proposed JOBS 2000 project is limited to \$13.8 million which includes all construction costs, parking facilities, furnishings, fees and road improvements.

Planned alterations to the West Bend campus - located in Washington County, the fastest growing county within the district - represents 33 percent of the total project cost. The JOBS 2000 proposal represents a continuing effort by the college to improve services at its West Bend campus. In 1987, Moraine Park added 10,000 square feet of space to the campus at a cost of \$495,000.

Campus Notes

The following students from this area have been named to the Dean's List at the University of Wisconsin-Milwaukee for the Spring 1990 semester.

Names of UWM graduates are released in keeping with the Family Educational Rights and Privacy Act of 1974.

Students named included: Christine Carol Kirchner, Route 2, 4643 Ridge Road, Kewaskum, PRN 3, Pre-recreation; Susan Maki, 4139 Ridge Road, Kewaskum, BBA 4, Production/Oper. Mgt.; Karen J. Scheidenhelm, 330 Clinton St., Kewaskum, EXC 4, Ex. Ed. - Sevrly. Hdcp.

TOWN OF FARMINGTON Monthly Town Meeting

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, Oct. 2, at 8:00 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.

Joanne Oneska, Clerk

Moraine Park Will Bring Jobs 2000 to Voters Again

A second referendum on funding for the JOBS 2000 expansion plan will be presented to the voters of the Moraine Park Vocational, Technical and Adult Education District.

During its monthly meeting Sept. 13, the Moraine Park VTAE Board endorsed the position that the district once again present its case for adding classrooms, instructional labs and student support service facilities at all three of its campuses.

"The needs are still there," Moraine Park President John Shanahan said. "The fact remains, we do not have the facilities to accommodate programs that now have students waiting two - even three years - to enroll. We don't have the facilities to accommodate new programs local industries are telling us they need Moraine Park to offer so they can find skilled workers. We're going to have to make a greater effort to present those facts to the district voters."

Although no formal action was taken Sept. 13, the board

did decide to begin a review of funding, facilities, its informational campaign and the timing for a second referendum.

In the Sept. 11 referendum, the JOBS 2000 proposal to borrow \$13.8 million to expand Moraine Park's three campuses failed to pass by 1,373 votes, 10,480 to 9,107, in what was generally considered a low voter turnout.

"There are more 'yes' votes out there," Shanahan said. "Our task is to convince them it is important for the economic future of their communities to make the effort to vote on JOBS 2000."

Of the three VTAE districts in Wisconsin that asked voters for funding to expand facilities in the Sept. 11 election, the Moraine Park VTAE District was the only one to reject a proposal. Expansion plans will now proceed at Milwaukee Area Technical College and Northeast Wisconsin Technical College. An expansion proposal for Mid-State Technical College was approved by voters there in April.

Gundrum Takes Top Spot in KM Amateur

Kewaskum Statesman, Thursday, Sept. 27, 1990, Page 18

KEWASKUM — The top golfers in the area converged on the Hon-E-Kor golf course last weekend, as the 15th annual Kettle Moraine Amateur was held here.

Clint Gundrum took top honors in the prestigious tournament, as he won the Championship Flight with a two-day total of 145 (73-72) to capture first place, three shots ahead of Ted Sprinkmann, who had rounds of 75-73. Randy Warobick's 151 (77-74) was good enough for third. All three play out of the West Bend Country Club.

Defending champion Jocko Rueth had to settle in a tie for fourth with this year's Hon-E-Kor club champion, Joe Doherty. Both Rueth and Doherty came in with 153 totals.

West Bend East teacher and basketball coach Lee Young took the top spot in the First Flight, as he carded rounds of 82 and 76 for his winning 158 total. Jim Gardner was second with 159, while Kewaskum high school teacher and football coach Clark Pearson tied with Scott Zettel and Bob Roloff for third with 160's.

Herman Brandt won the Second Flight, coming in with a 168 (86-82), while Bill Wuebben was second with a 170 (85-85), after winning a one hole playoff with Tom Hensler, who also had a 170.

Ken Averill won the Third Flight championship, as his 174 (90-84) was enough to edge out Greg Thieman, who carded a 184 (92-92).

In women's action, defending champion Gwenn Doherty picked up right where she left off last year, as she took the Ladies Flight championship with a net total of 148 (72-76). Debbie Timbin was two shots back with 150 (81-69).

In the bestball competition, Warobick and Sprinkmann took home top honors, as the two combined for a 135 (65-70) to win the First Flight. Kevin and Pat Griffin teamed up to take first in the Second Flight, as they carded rounds of 73 and 79 for a 152 total.

Debbie Butschlick Back as UWWC Volleyball Coach

After a two year hiatus, Debbie Butschlick is back this season as UWWC's Volleyball coach. Butschlick coached the Wildcats for four years before leaving UWWC to attend Cardinal Stritch College. She also coached at West Bend West for four seasons and has recruited 3 of her former prep players to play for the Wildcats this year.

This year's roster of nine players is the most experienced Butschlick has had at UWWC. "The talent is there, we have to get some confidence and we need some core communication," said Butschlick. The team's first game was last Saturday against UWWC alumni. The Wildcats lost four and won one against the alumni but Butschlick, who said the annual event is always an excellent competition, favors the alumni game as a season opener. "After they started playing they really gelled as a team," she said.

UWWC's regular season starts Wed., Sept. 19 against UWC-Manitowoc. The away game starts at 6 p.m. Butschlick will run a 5 and 1 offense, which uses 1 setter instead of 2, and is excited about the prospects of the more complicated positioning. "The team really likes it," explains Butschlick, "They've really designed their positions. Everyone is playing their role." UWWC will be one of the few teams in the WCC conference that plays the more aggressive offensive. But Butschlick feels the experience of the team, along with her ability to spend more time coaching strategy rather than skills, will help the Wildcats win. So confident is Butschlick that she predicts UWWC may be able to win the conference title.

The Wildcats will host a WJCAA Regional Playoff on Saturday October 27. The winner of the regional will advance to the final tournament to play the winners of the other three regional games held around the state.

The 1990 UWWC Volleyball team members are: Kelly James, sophomore, West Bend; Sara Roeber, freshman, West Bend; Angie Muller (Co-Captain), sophomore, West Bend; Mary Lofy, sophomore, Richfield; Jackie Murphy, freshman, Saukville; Becky Uselding, freshman, Grafton; Heidi Wagner, sophomore, Hartford; Lisa Gardipee (Co-Captain), sophomore, West Bend; Theresa Wiebelhaus, sophomore, Slinger.

KHS Netters Dominated by Two Rivers

KEWASKUM — The Kewaskum tennis team didn't want to repeat its performance in a 6-1 loss to Two Rivers earlier in the year. So when the two teams met for the second time here, last Tuesday, things didn't go the same way.

But the bad news is that it got worse for the Indians. The Indians found themselves battling the cold and wet conditions as well as the Raiders, and eventually fell to the visitors, 7-0.

"(We) thought we could use this match to measure our improvement during the course of the season," Indian coach Glenn Eichstedt said, obviously disappointed in the outcome. "All in all, (we) just never got into position to force (Two Rivers) out of their game."

The Indians were practically dominated at every spot in the lineup. The best performances for Kewaskum came at No. 1 singles, where Jessica Rohrer managed to win seven games in her loss to Karen Wallace, 3-6, 4-6.

In both the No. 3 and No. 4 singles matches, Kewaskum's Tammy Troeller and Jenny Thull played tough in the first set, losing 4-6, before eventually falling to their more talented opponents.

The most games any Indian doubles combination could win was five, accomplished by the No. 2 team of Karyn Dossinger and Stacey Pamperin in their 2-6, 3-6 loss to Julie Juedes and Rachael Schultz.

The Indians did, however, gain some valuable knowledge and experience in preparations for the conference champion-

ships," according to Eichstedt. But he also added, "The sooner we can put this match behind us, the better. It was just one of those nights where seemingly nothing goes our way...and it didn't."

Two Rivers 7, Kewaskum 0
SINGLES — No. 1 - Jessica Rohrer lost to Karen Wallace 3-6, 4-6. No. 2 - Brenda Falk lost to Sally Soucoup 0-6, 4-6. No. 3 - Tammy Troeller lost to Kelly Zahn 4-6, 1-6. No. 4 - Jenny Thull lost to Kelly Wilsman 4-6, 2-6.

DOUBLES — No. 1 - Heidi Duhle and Chrissy Survis lost to Nicole Stauffer and Ragen Prucha 1-6, 1-6.

No. 2 - Karyn Dossinger and Stacey Pamperin lost to Julie Juedes and Rachael Schultz 2-6, 3-6.

No. 3 - Nicki Cayner and Kim Frank lost to Tracey Sprang and Stella Stangle 2-6, 2-6.

Two Rivers JV's 8, Kewaskum 1
SINGLES — Angie Clements (K) beat Jenny Richmond 8-1; Kate Berres (K) lost to Leah Nemeth 2-8; Lisa Franzen (K) lost to Stacey Tome 2-8; Edie Farley (K) lost to Jenny DeRosier 0-8; Karie Reichert (K) lost to Julie Juedes 0-8; Stacey Thull (K) lost to Nicole Stauffer 0-8.

DOUBLES - Carrie Fellenz and Erin Heather (K) lost to Heather Schmidt and Becky Hippert 1-8; Shawn Erdmann and Jenny Van Assche (K) lost to Jonalle Loughead and Rae Lynn Witting 4-8; Jennifer Brigham and Erin Fleury lost to Jenny Juedes and Jenny Timm 2-8.

Indian Netters 2nd In Ripon Invite

RIPON - The Kewaskum girls tennis team made quite an impressive showing at the Ripon Invitational tennis tournament here, last Saturday.

The Indians sent six girls into the finals of the four-team tournament, eventually coming away with two champions, both doubles teams, on their way to a second place finish in the meet.

Oshkosh West won the Invite, tallying 15.5 points, while the Indians were second with 13.5, Fox Valley Lutheran third with 11.5, and host Ripon fourth with 11. Each team was allowed to enter six doubles teams, and six singles players.

The No. 3 doubles team of Nicki Cayner and Kim Frank headed the list of performers for the Indians, as the duo took first place, while improving their overall record this year to 8-3.

After losing the first set, Cayner and Frank came back and downed Fox Valley Lutheran's Jackie Schmidt and Missy Morack in the finals, 3-6, 6-3, 6-3.

Another doubles team, this one consisting of first-time partners Jenny Van Assche and Shawn Erdman, also took home top spot at No. 5 doubles Van Assche and Erdman beat Oshkosh's Amy Buehring and Angie Huller 6-3, 6-1 to claim first place.

The Indians reached the finals at four other spots, but were unable to take home firsts. Indian finalists losing in championship matches included Jessica Rohrer at No. 1 singles, Tammy Troeller at No. 3 singles, Jenny Thull at No. 4

singles, and the No. 4 doubles team, consisting of Erin Fleury and Jennifer Brigham.

The Indians also brought home four more consolation championships. Winners included Brenda Falk at No. 2 singles, Angie Clements at No. 5 singles, Erin Heather at No. 6 singles, and the No. 6 doubles team of Katie Reichert and Stacey Thull.

Turkey Hunting Permits Distributed

MADISON, WI... All 1990 Fall Wisconsin Turkey Hunting Permits were mailed by Monday, Sept. 17, said Ed Frank, turkey season coordinator for the Department of Natural Resources.

There were 23,466 applicants for 12,465 permits available for the 12 hunting zones, so approximately 11,000 applicants will not receive permits for the Fall 1990 hunt. Only the successful applicants will be notified, according to Frank.

The Fall turkey hunt consists of three consecutive Monday-Sunday hunting periods: Oct. 8-14, Oct. 15-21, and Oct. 22-28. The permits are for one designated hunting zone during one designated hunting period.

During last year's turkey season, which was Wisconsin's first fall season, 7,260 hunters harvested 1,570 wild turkeys.

Hunters interested in learning more about fall turkey hunting might consider attending one of eight fall turkey hunting seminars being sponsored by Wisconsin state and local chapters of the Na-

tional Wild Turkey Federation.

The seminars will be taught by Dr. Terry Little, a nationally respected turkey biologist from Iowa, or Roger Raisch, archery editor of "The Turkey Hunter" magazine. The seminars cost \$15 for adults and \$5 for youth under 14 years of age.

Area seminars are scheduled for: Sept. 28 - Slinger, 7 p.m., at the Kettle Moraine Bowl, and Sept. 29 - Fond du Lac, 10 a.m., at Moraine Park Technical College.

Hunter's Choice Applications Due on Friday, Sept. 28

Those of you who wish to apply for a Hunter's Choice Permit for the up coming deer gun season must do so by this Friday, Sept. 28th.

This year there are 514,370 Hunter's Choice Permits available and the department anticipates that many units will be under subscribed, especially in the north. The Department anticipates issuing some 139,000 Bonus Permits for antlerless deer throughout many management units based on the number of hunters applying for Hunter's Choice Permits in 1989. It is also anticipated that the deer gun season may be extended in 69 deer management units. This would be by one week immediately following the regular nine day season. A decision is to be made shortly on this matter.

What about the management unit that Campbellsport is in, Unit 69? First of all it is not being considered for an extension beyond the nine day season. Unit 69 has a high deer population at this time but the increase in Hunter's Choice permits from 2050 in 1989 to 4525 in 1990 should lower the population. This, however, does not mean that everyone with preference will get a Hunter's Choice Permit in Unit 69. Why? Here are some figures from 1989. In 1989, 8337 hunters applied for a permit in Unit 69, 30% or 615 of the permits were used for landowners who qualified, 634 landowners applied for the landowner permits and all landowners did receive a permit, 19 in the

general preference drawing. This left 1416 permits available for those with preference. The number with preference was 3950, which left 2534 hunters with preference that did not receive a permit. In addition to this 2534 unlucky with preference, add 3753 hunters who applied without preference and you have a total of 6287. Taking into consideration that about the same people apply each year in Unit 69, that would leave about 6287 hunters applying with preference in 1990.

With 4525 permits available in 1990, 30% of the permits or 1357 would be available for landowners. If the same number apply as last year (634) this would leave 3891 for the other 6287 hunters with general preference. With general preference in 1990 you have a 62% chance of getting a Hunter's Choice Permit in Unit 69.

This question comes up every year and hopefully this will help to clarify things a little. If you need information on any other management unit, I do have it, so give me a call.

1991 Wisconsin Waterfowl Stamp Design Contest

MADISON, WI — Wisconsin's 1991 waterfowl stamp design contest opens September 15 and runs through December 15, 1990.

"Living species of waterfowl commonly found in Wisconsin or appropriate subject matter relating to waterfowl hunting must be the dominant feature of any design entered in the competition," according to Harry Libby, contest coordinator for the Department of Natural Resources Bureau of Wildlife Management.

Species that were not picked as contest winners in the last three years — redhead duck, goldeneye drake and hooded mergansers — will be given preference. Other subjects that have won previously include Canada geese, canvasbacks, lesser scaup, pintails, bluewing teal, American widgeon, buffleheads and wood ducks.

The contest is open to any Wisconsin resident 18 years old or older who is not a member of the judging panel or of a judge's immediate family.

The design entry must be the artist's original creation and not a copy or duplication of previously published art, including published photographs. The medium selected must be of permanent quality like pen and ink, oil, watercolor, etching or pencil. Photographs are not eligible and metallic and fluorescent paints should not be used.

Entry information is available by writing: Wisconsin Waterfowl Stamp Contest, Bureau of Wildlife Management, Box 7921, Madison, WI 53707; or by calling (608) 266-1877.

All entries must be postmarked no later than December 15, 1990. Judging will take place in mid-January.

For more information contact: Harry Libby — 608-267-7500.

Flag Football Headed for First Place Showdown

The Lion's Club Packers and the Amerahn Redskins each notched their second victory against no losses to set up a showdown for first place when they meet this Saturday.

The Redskins defeated the Gruber Tool Bears in a hard fought game by a score of 25-14. Tim Strigenz led the Redskins with touchdown runs of 32 and 15 yards as well as throwing a 40 yard touchdown pass to David Gosa. Ryan Herman added 23 yard touchdown run. Gosa added an extra point to complete the scoring for the Redskins. Brian Butschlick did all of the scoring for the Bears on touchdown runs of 21 and 3 yards as well as tacking on 2 extra points.

In the second game Saturday, the Packers beat the Regal Ware Raiders 33-6. The Raiders jumped off to a quick 6-0 lead on a 56 yard touchdown run by Matt Tonn, but it was all Packers the rest of the way. Dan Survis was involved in four of the five Packer touchdowns. He returned to punt for a 55 yard touchdown, scored on a 13 yard run, and threw touchdown passes of 29 yard to Aaron Kurth and 30 yards to Mark Herman. Kurth also returned an interception 40 yards for a touchdown. Extra points were added by Kurth, Herman and Survis.

Indian Comeback Downs Chilton

KEWASKUM — The Kewaskum volleyball team worked itself into a mighty hole in its match against a surprisingly tough Chilton team here, last Tuesday. But in the end, some nice serving and a little emotion carried the Indians to a win over the Tigers.

After dropping the first game 11-15, the Indians staged a furious comeback to win the second game 15-12, and then outlasted the visitors in the third and deciding game 16-14.

"That was sort of a carryover from the Saturday (Campbellsport) tournament," Indian coach Dave Rizzardi said, regarding his team's spirited play in the last two games. The match was the first for the Indians following their first place finish at the Cougar Invite.

The Indians had their problems with the tall Tigers, who did a very good job stuffing the Indians at the net. "Chilton did an excellent job blocking at the net," Rizzardi said. "They were probably the toughest team that we have seen thus far, as far as double blocking is concerned. Our spikers had some real problems getting it around them."

After taking the first game, Chilton jumped out to a 11-2 lead in the second. With defeat just a few points away, the Indians took a gut check and battled back behind the serving of Tisha Stradtman and Janel Flynn to pull out the win.

"The team served well," Rizzardi went on, noting that

his team missed just 6 serves in the three games. "We did a nice job serving, but I don't think that our passes were quite as crisp. I think that statistically, we weren't at our sharpest."

But they were good enough to win, although it was a struggle, as the score in the third game indicates. "Kelly Korth did a nice job serving for us," Rizzardi said, also pointing out that Stradtman once again led the team in assists with 11.

Closing '90 Events Set For Rock River League

Rock River League Oldtimer's Association members and their families are invited to a pair of closing '90 events.

One is on Sunday afternoon, Oct. 7, at Mayville's historic White Limestone School Building where the league's and Oldtimers' memorabilia is framed on its Wall of Fame. The building is open for public viewing during the city's Audubon Days celebration on that date.

Then, on Saturday evening, Nov. 3, five new members, being elected this month, will be inducted into the Rock River's Hall of Fame at the Oldtimers' 11th Fame Dinner at the Mayville Golf Club.

On the mail ballot to all association members are 10 nominees from the 61-year-old league's past: Roy Maass and Wally Baumann (Lebanon team), Don Gourlie, Sr. (LeRoy), Francis "Fritz" Goebel (Long Lake, Eden, Brownsville), Marv Klawitter (Burnett), Harvey Vocks (Juneau), Emil Baerwald (Horicon, Mayville), Don Beilfuss (Lowell, Beaver Dam), Chuck Erdman, Jr. (Rubicon, Neoshao, Slinger) and Dean Wilderman (Mayville).

The late Ray Schilling, an outstanding catcher for the Horicon city team in the 1930s, will be enshrined in the Posthumous Hall of Fame at the dinner.

Oldtimer Pres. Carl Heimerl, Jackson, managed a coup last winter by contracting guest speaker Jim Kscinski for the banquet. The Milwaukee Brewers visiting clubhouse manager for the past 20 years, Kscinski has a vault of tales and will answer diners' questions.

Quick Start Leads Indians Past Kiel Spikers

KEWASKUM — After beating Kiel soundly in the season-opening Indian Invitational, the Kewaskum volleyball team played poorly against the Raiders in their meeting the first week of the regular season and lost just as convincingly.

The Indians didn't want a repeat performance of the latter meeting with the Raiders, especially in front of the Parent's Night crowd here, last Thursday night. So the Indians went out and quickly put to rest any Kiel hopes, as they destroyed the Raiders 15-1, 16-14, 15-8.

"Our girls played really fired up in the first game," Indian coach Dave Rizzardi said regarding the 15-1 whitewash. "We came out and everything we did was working," although Rizzardi added that the Raiders did seem flat. "Kiel wasn't ready. They just were not playing very well."

After the blowout in the first game, the Indians should have been sky high going into the second, but nothing was farther from the truth. As quick as the first game was decided, the Raiders had jumped out to a 5-0 lead in the second game.

"We seemed to get overconfident," Rizzardi figured although his team didn't get down and eventually came back to win. "We managed to come back, only because of our consistent play when things got tight."

With the match wrapped up, the entire team got to see action in the match, just the way it should be on Parent's Night. Even the bench was pumped up, as it went in and took the third to preserve another Indian sweep.

"We've won 13 of 15 games in a seven-day span," Rizzardi noted, explaining that since the previous Thursday, his team

had beaten Two Rivers, Chilton, Kiel, and also won the Campbellsport Invitational. "We're just really pleased with the way we're coming along right now."

As far as standouts in the match go, Rizzardi pointed to Julie Mertz, who came in when starter Lora Delcore went down with a foot injury. Mertz responded with a brilliant effort, recording 10 assists.

"Julie Mertz did an excellent job coming in and filling in as our other setter," Rizzardi said. "That was definitely one of her strongest games of the year."

Rizzardi also had words of praise for his two spikers, Nicole Doherty and Christa Schmidt. "We just dominated at the net," he said. "They are getting more and more consistent." Schmidt had 11 points, including seven spike kills, while Doherty accumulated 10 points and three saves. Tisha Stradtman also had a fine game, pacing the Indians with 13 assists.

"I think that the girls really wanted this one, and to do it in two games," Rizzardi concluded. "They really put forth a good effort in the second

Athletic Season Passes Available

Each year Kewaskum High School makes an athletic pass available to adults who want to attend a lot of athletic events and save money at the same time. It's called an "athletic season pass." For \$15.00, the named pass holder can attend all home athletic events (except tournaments) without having to pay any additional gate fees.

This money saving pass can be obtained from the high school office. Call 626-2166 for additional information.

game to pull it out."

The win improved the Indians record to 4-3 in conference and put them in a tie for third place. "If somebody can knock off (first-place) Sheboygan Falls, we hope that we can still be right up there," Rizzardi said, adding that the race isn't over yet.

JV Spikers Split, Freshmen Lose

KEWASKUM — The Kewaskum JV volleyball team ended the week 1-1, while the Indians freshman are still looking for their initial win this year.

The Indian JV squad routed Chilton here, last Tuesday by scores of 18-16, 15-13, 15-1. JV coach Mary Holfeltz reported that the Indians got fine play from Robyn Winninghoff, Debbie Stegar, Julie Wagner, Tammy Schmidt and Beth Kempf. The Indians freshman didn't play against Chilton because the Tigers do not field a frosh team.

Both teams were back in action Thursday night, though, unfortunately neither were able to come away with a victory. The JV's played well in the second game, but had to settle for a 3-15, 15-8, 8-15 loss to the Raiders. Marty Schlice "did a great job setting and hustling," according to coach Mary Holfeltz, while Schlice's sister Bonnie served well in her first game back after an injury.

The freshman were once again unsuccessful in their shot at win number one this year, although they did manage to win the final game in their 8-15, 3-15, 15-10 loss to the Raiders. Freshman coach Lucy Fremdgen said that Jolie Bingen "played exceptionally well," in the defeat.

Indians Come Up Short Against Chilton, 20-18

CHILTON — The Kewaskum football team finally got its offense into gear in its game against Chilton here, last Friday. But it was the inability to convert extra points that came back to haunt the Indians in the end.

The Indians had an extra point kick blocked, and a pair of two point conversions failed, as the Indians came up on the short end of 20-18 decision against the Tigers.

The Indians outgained Chilton in total yards, 282-244, but it was the missed conversions, as well as a missed field goal try in the first half that proved to be the difference.

"It was a tough loss," Indian coach Clark Pearson said regarding the game. "It was a game we felt we could have won. The difference was the extra points."

Another difference in the game was the lack of healthy bodies for the Indians. No less than four senior starters didn't play in the game because of illnesses, and another, Brian Dobke, played just the first half before he was unable to go any further because of illness.

Pearson also noted that both Matt Seiser and Randy Schlice had been sick during the week, and they were both used sparingly. "It really made quite a difference... had a big effect on the game," Pearson said of the sick players.

Nevertheless, the Indians got on the board first midway through the opening quarter. Junior quarterback Chad Cook, filling in for Mark Felix, directed the Indian offense on a scoring drive that cumulated in Cook's 12 yard touchdown pass to Seiser, giving the Indians a 6-0 lead. The point after attempt by kicker Jeff Sabish was blocked.

Pearson showed that he still had confidence in Sabish, sending him in for a 35 yard field goal attempt early in the second quarter. But Sabish's kick came up just short, and the lead was still 6-0.

Chilton forged ahead just before halftime using the running portion of their 'run and shoot' offense, as halfback Kerry Meyer found a hole and scampered 21 yards for a touchdown. Bryan Roehrig kicked the extra point, and Chilton led at the half, 7-6.

The Tigers came out after intermission and took the opening drive the length of the field to paydirt. Chilton quarterback Keith Steffes found Corey Jensen open for a 28 yard touchdown pass. Roehrig's point after gave the hosts a 14-6 lead.

That's the way it stayed until the start of the fourth quarter, when Kewaskum's Kim Marx broke loose for a 42 yard touchdown run. The Indians went for a two point conversion, but their pass attempt failed,

and the Indians still trailed 14-12.

Chilton added some insurance with 2:40 to play in the game, as Steffes found Meyer for a seven-yard touchdown pass. The extra point was unsuccessful, however, leaving the door open for the Indians to come back for the tie.

The Indians took advantage of the opportunity as they got the kickoff and drove the length of the field, scoring on a 13 yard touchdown pass from Cook to Shawn Schneider, making the score 20-18. The Indians called timeout, as they discussed strategy for the two-point attempt. But any Indian hopes for a tie, were dashed when Cook's pass, intended for Schneider in the end zone, was broken up and fell incomplete.

Despite coming up short in their bid for their first conference victory in three years, Pearson was somewhat encouraged by some of the things he saw.

"Our offensive line did a really nice job. I was really pleased with them," said Pearson, as he cited Craig Krell, Tim Herman, Jason Thull, Ryan Amerling, Jason Steilow and Steve Liegl with fine games. "We finally got our offense moving. If they can continue to play well, our offense will come around."

The beneficiary of the fine offensive line play was Marx. The junior running back carried the ball 26 times for 151 yards on the night, igniting the rushing attack which had 190 yards.

"He had a very good game," Pearson said of Marx, who had inserted last week to put more speed in the backfield. "He ran the ball real well."

Cook also "did a nice job," as did Jamie Miller, according to Pearson. Cook was 7 of 17 for 92 yards passing, while Miller rushed for 39 yards on 11 carries.

"I was a little disappointed that we couldn't stop them in the fourth quarter," said Pearson, referring to his team's defense. "But their quarterback (Steffes) did a real nice job."

The road doesn't get any easier for the Indians, now 2-3, 0-3 in conference. They will host Kiel this Friday. "They'll be tough," said Pearson. "Hopefully we'll be back at full strength."
