Board OKs New Apartment Project

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Village Board, this week, gave its conditional approval for the construction of a new 16-unit apartment complex.

Village Administrator Dan Schmidt advised the trustees Monday night there was no problem with the plans of developer James Wessing other than the fact that he had not, as yet, received state approval for the garage portion of those plans.

The structure will be constructed on the northwest side of the village at 200 Knights Avenue. There was one change in the blueprints originally submitted to the Plan Commission. Wessing had planned on building the complex running north and south on the property with an eight-unit garage on each side of the apartment building. His

reason being the complex would have blended in better with surrounding dwellings.

At the initial Plan Commission meeting, Zoning Administrator Richard Zarling informed Wessing and the commission that village zoning ordinances did not permit multi-unit garages anywhere except in rear yards. Rather than delay the project with appeals and other possible legal actions, Wessing decided to construct the apartment running east and west, with the garages to the back of the property, thereby eliminating any legal hassles or delays.

When Wessing receives the state approval on the garages, preliminary work on the project can begin.

The board also approved the certified survey map of the Frank Felix property which runs from Main Street to First Street. The new map will divide the property into two separate lots.

Action on the Fehlhaber property certified survey map, and a building permit to John Gitter for the construction of a new home, was tabled.

In other action the board gave Police Chief Richard Knoebel authorization to advertise for bids on the department's annual squad replacement.

Knoebel told the board there would be one revision in the bid specifications this year. The department is requiring a 350 engine over the present 305. Knoebel told the trustees the present squad's smaller engine was giving problems as it is not equipped with a heavy duty transmission although the remainder of the squad meets heavy-duty police car requirements. As a result, the department had approximately 40 to 50 days of down time on the vehicle due to transmission problems. Opening of the squad

Holy Trinity to Sponsor Bingo, Polka Mass, Creative Activities Center at Kettle Kountry Kolors

Holy Trinity Parish, Kewaskum, has decided to take a very active part in the Kettle Kountry Kolors Festival being held in Riverhill Park on Saturday and Sunday, October 13th and 14th from 10 a.m. to 6 p.m.

Community involvement is needed to make the upcoming festival successful. For the betterment of the community and the their school, Holy Trinity has taken an active role in assuring its success.

The Parish Athletic Committee will be sponsoring continuous bingo games in the northernmost sheltered area in Riverhill Park on both Saturday and Sunday. If you are a bingo addict or just a casual player, this stand should take care of your bingo cravings.

On Sunday at 11 a.m., Father Tom Venne, Pastor of Holy Trinity Parish, has graciously accepted to celebrate an outdoor Polka Mass on the bandstand. Worshipers of all faiths are invited to attend this unique religious experience. Music will be provided by the Buchel-Klass Orchestra. You are encouraged to bring your own lawn chair and set it up to the north of the bandstand. (Come early... there will be lots of cinnamon rolls and coffee for sale by the Kewaskum Woman's Club.)

The Holy Trinity Home and School Association will be sponsoring a Children's Creative Arts Center with five separate booths to keep the children interested for hours. The Arts Center will be located on the very edge of the grassy area on the south end of Riverview Drive (on the cul de

sac adjacent to the park).

Booth one of the Children's Creative Arts Center will be a hit with kids ages 5 and up, including some of us who are only young at heart. This booth will give participants a chance to block print their own t-shirts. For a mere \$5.00 you will receive a t-shirt and you may then select a pattern from ready-cut block prints. You apply paint to the block print and then create your own designer original. Some of the patterns which will be available will include a dragon (seen in this article), leaves, butterflies, wildcat, eagle, Indian head, moons, stars, hearts, etc. Their will be instructors on hand to help all the kids with their creativity.

Booth two will feature stone-painting. For a nominal fee, little artists from the age of 5 and up, may choose a flat rock, and with the brushes and paints available, create their own masterpieces on the rock. The art is theirs to keep. (HINT: Moms... if you go to a craft store,

Museum Will Be Open, Food Served at Festival

The Kewaskum Historical Society will be holding an open house on Saturday and Sunday, Oct. 13 - 14, at the museum and log cabin, in conjunction with the Kettle Kountry Kolors Festival in River Hill Park that weekend.

They will be serving sandwiches - barbecues and hot dogs with the works, soda and coffee.

KHS Homecoming This Weekend

1990 HOMECOMING COURT

Row one, left to right: Football - Seniors Brian Heller and Pam Gauger, Jason Thull and Kelly Rohlinger, Scott Heller and Melissa Braun, Craig Krell and Kelly Sarauer. Row two: Mark Felix and Laurie Vogt (cross country), Matt Kuehn and Tammy Troeller (tennis). Row three: Jim Gildersleeve (cross country) and Ingrid Ankerson, Brian Jackson and Rachelle Zuehlke (volleyball), and Robbie Kertscher and Wendy Fideler (cheerleading). Row four: Football - Juniors Shawn Schneider and Pam Schlosser, Joel Fleischman and Stacey Heberer and Chad Cook and Karen Junk. Not pictured are the MCs Janel Flynn and Cole Ziegelbauer. The King and Queen for Homecoming 1990 will be announced at the Pep Assembly on Friday, Oct. 5.

To help support the football team in a victory, attend the Homecoming Parade at 6 p.m. on Friday and the Homecoming game at 7:30 p.m. where the Indians will take on Two Rivers. The Homecoming Dance will be held Saturday, Oct. 6 from 8 to 11:30 p.m. and the Grand March is at 9 p.m. The Homecoming song and theme is "Fly to the Angels."

Open House, Free Admission Sunday At Kettle Moraine State Forest

Fall colors and ways to enjoy them will highlight an open house Saturday, Oct. 6, at the Kettle Moraine State Forest Northern Unit near Campbell-sport.

The vehicle admission sticker requirement will be waived. Visitors will have several vantage points from which to

view the dazzling colors usually associated with Autumn in the Kettle Moraine Northern Unit.

The observation deck at the Ice Age Visitors' Center near Dundee offers an outstanding view of the geological features in the forest. Dundee Mountain's summit trail and the 60-foot Parnell Tower each provide excellent overlooks of the surrounding countryside.

Special hikes originating at the Ice Age Center have been arranged by the forest naturalist. Named "Those Falling Leaves," the hikes will begin at 10 a.m., noon, 1:30 p.m. and 3 p.m. Refreshments will be served throughout the day at the center.

"This is an excellent time to get away from it all, and to hike one of the forest trails," said Walter J. Adams, forest superintendent. "The Greenbush, Parnell, Butler Lake and New Fane loop trails offer many wonderful opportunities for hiking amidst the fall colors."

The Ice Age Trail Northern Kettle Moraine segment's annual "Hike-A-Thon" starts from the Parnell Tower parking lot, with registration from 8:45 to 10 a.m. on the same day.

Historical Society Thanks Kewaskum

The Kewaskum Historical Society would like to thank all who attended our 16th annual Early Farm Days on Sept. 9th.

The good weather and great people of Kewaskum and surrounding area again made our event successful.

I would like to thank the following people for their time and effort. Alvin Panzer, Matt Harvey, Bud and Dean Schmidt for the free hayrides Dan Nauman for the blacksmithing which he did, it makes me hot just thinking of it. The Kettle Country Cloggers, and The Kettle Moraine Squares, for the fine entertainment which they provide.

Thank you again for all your support.

Plan to be with us next year on Sunday, Sept. 8th, for our 17th annual Early Farm Days. Jake Schmidt President.

KHS Selects 'Sound of Music' As Fall Musical

Yes folks, the halls of Kewaskum are filled with the "Sound of Music." Once again the talented musicians and actors of KHS are busy preparing for the Fall musical. After auditioning the last week of August the cast has been busy memorizing their lines, learning their music and getting

into character.

The musical, "The Sound Of Music" will be presented on Friday and Saturday night, November 2nd and 3rd, 1990. Reserved tickets will be on sale Tuesday, October 9th and Thursday, October 11th from 6:30 to 8:00 p.m. at the school store which is located right next to the high school band room. Ticket prizes are the same as last, \$5.00, \$4.00 and \$3.00. All

seats are reserved.

A free Senior Citizens performance will be given on Thursday, November 1, 1990 beginning at 4:00 p.m. in Rose Hall.

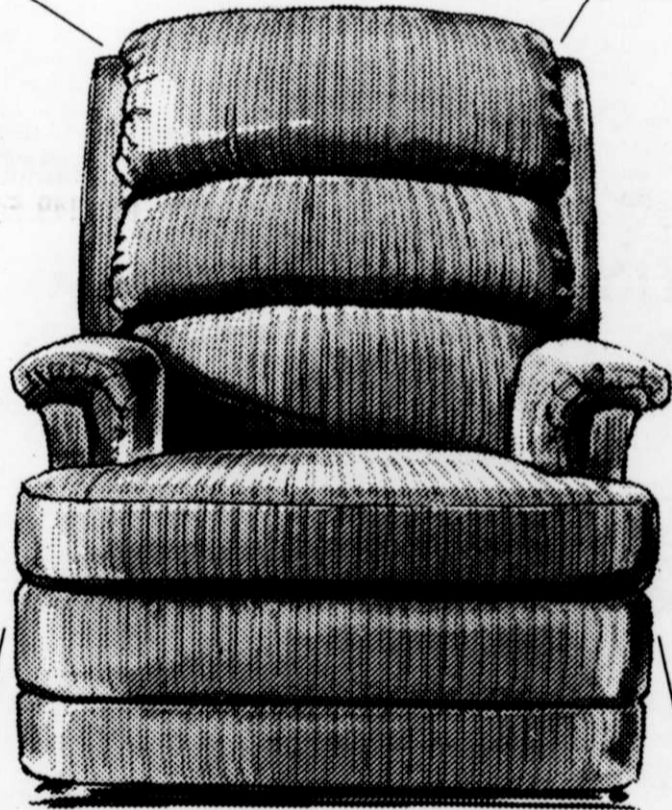

Scientists estimate that as many as 200,000,000 meteors enter the earth's atmosphere every day. These and other meteorites are estimated to add more than 1,000 tons daily to the Earth's weight.

A Message to Renters On Smoke Detectors

If you do not have a smoke detector in your apartment, please contact the owner or landlord immediately, and explain to them that it is the law to have a smoke detector in every apartment.

Fire department inspectors are aware that some apartments are not equipped with detectors, but by law they are only allowed to check corridors and hallways. They cannot enter your private home. It is up to each individual renter to make sure their landlord is aware of the smoke detector requirement as follows:

Smoke Detector requirement

The smoke detector requirement for all residential buildings (1 & 2 family plus multi units) took effect on November 1, 1989. Listed and labeled smoke detectors shall be installed and maintained in accordance with SS. 101.645 (3)(a) and 101-745 (4) of the Wisconsin Statutes.

One and two family dwellings require a smoke detector in the basement and on each floor level except the attic or storage area of each dwelling unit. An owner occupant shall maintain the smoke detector in that unit. The smoke detector requirement for multi unit residential buildings is: 1. In the basement; 2. At the head of every open, common stairway; 3. At the door on each floor level leading to every enclosed, common stairway; 4. In each sleeping area of each living unit or elsewhere in the unit but no more than 6 feet from the doorway of each sleeping area. If an occupant who is not the owner gives written notice to the owner that the smoke detector is not functional, the owner shall provide within five (5) days after receipt of that notice, any maintenance necessary to make that smoke detector functional.

bids is scheduled for November 5th.

Schmidt informed the board that plans for the Edgewood Road Boulevard project have been submitted to the state for approval. The project, slated for 1991 construction, is expected to cost about \$136,000.

Schmidt was asked who would pick up the cost of the work. He said the village would pay for some of the related costs, but the major portion would be assessed to the affected property owners. He said the village could borrow the funds to do the work and that money would be repaid by the property assessments. Schmidt noted, however, that a multi-year payment program would be set up (possibly ten years) for the landowners, as had been done in the past for similar projects.

In other business Schmidt informed the board that the Department of Natural Resources has set up a dump closing cost-sharing program. Based on the procedures and costs involved to submit a request for reimbursement of the village's dump closing costs, Schmidt told the trustees it would cost the village more to file the claim than the money it would get back. He did note that for municipalities which incurred large costs in closing their dumps, the program was a good way to get some of the costs back. As for the village, Schmidt recommended that the village not participate in the program.

In miscellaneous business, Fire Chief Robert Stoltzmann asked that the village get together with the community's apartment owners to get some type of plan or map for each building to identify exactly where each unit is located.

Stoltzmann noted a situation

had occurred this week where the department had difficulty locating a specific unit because the numbers are on the inside doors of secured buildings and there is no way to tell from the outside, which unit is in which building. Beside the map, apartment numbers should be displayed on the outside of the buildings, noted Stoltzmann. The board agreed with the Chief's comments noting such information was for the tenants' safety.

The board then adjourned to closed session.

Will Celebrate Golden Anniversary

Elmer and Lorraine Bruesewitz will celebrate their Golden Wedding Anniversary on Sunday, October 14 with an open house at Beechwood Hall. The couple will greet relatives and friends from 2 to 5 p.m.

Kettle Kountry Kolers to Feature Cheese Chase Car Rally Saturday

The Washington County Dairy Promotion Committee is sponsoring a Cheese Chase Car Rally and Poker Run to be held in conjunction with the Kettle Kountry Kolers Festival being held at Riverhill Park in Kewaskum on Saturday and Sunday, Oct. 13th and 14th, from 10 a.m. to 6 p.m.

Registration for the Car Rally-Poker Run will begin at Riverhill Park on Saturday, Oct. 13th, at 10 a.m. at the Kewaskum Area Chamber of Commerce Information Booth which will be centrally located in the park on the east side of the river (concessions area).

You may pre-register at sponsors Honeck Chevrolet in Kewaskum or Meyer Ford in Campbellsport. Registration forms are also available at Kuehl's Suds and Spirits, Hon-E-Kor Country Club or the Kewaskum Statesman, all of Kewaskum. However, pre-registration is not mandatory. You still can register the day of the rally.

After turning in your registration form, and paying the \$2.00 registration fee, you will be given your first playing card. (Cards

are courtesy of Valley Bank in Kewaskum). Your mission, if you decide to accept it, is to travel by car, the beautiful Kettle Moraine Area during the height of the colorama, in search of the participating cheese factories and cheese outlet stores. Your map of the area and list of participants is listed on your registration form.

Participating cheese merchants include Beechwood Cheese Factory, N1598 Hwy. A, Adell; Schneider's Cheese, Route 1, Waldo; Gibbsville Cheese, W2663 Cty. Hwy. OO, Sheboygan Falls; Bieri's Cheese Mart, 2031 W. Washington, West Bend; Widmer's Cheese Cellars, 214 W. Henni St., Theresa, and Marrese Cheese Co., Route 1, Lomira.

You may travel to these outlets in any order you choose. You will be given an additional card at each place.

The winning poker hand will consist of five cards. As you will observe, there are six cheese stores. You have the opportunity to receive seven cards in all (this includes the card you receive at registration). You may choose to visit only five of the cheese stores if you wish, but in the event of a tie, the winner will be determin-

ed by his/her other card/cards.

There will be only one entry per vehicle allowed. All entries must be returned to the registration point by 4 p.m. the same day. The winner will be notified by phone and/or mail, or may check back at the registration point at the end of the day.

First prize will be \$100, second \$75, and third \$50. There will also be additional cheese prizes which have been generously donated by the cheese factories located in the Kettle Moraine area.

For more information call 626-2626 during regular business hours.

Good luck and don't forget to enjoy the colors and view the Kettle Moraine has to offer. This alone is worth the time and effort, not to mention the fact that the trip may win you \$100!

Cheese Carving Champion to Design Kettle Kountry Original

David Scheifel, Executive Chef of Inn on the Park, Madison, will be carving a Kettle Kountry Kolers original design at the first annual festival being held in Riverhill Park in Kewaskum on Saturday and Sunday, October 13th and 14th from 10 a.m. to 6 p.m.

Scheifel, whose carving was chosen as the judges' favorite at the 4th Annual Wisconsin State Fair Cheese Carving Challenge, received the award for the third consecutive year.

Scheifel will be displaying his unusual artistry on the bandstand in Riverhill Park on Sunday, Oct. 14, around 1 p.m. That still gives everyone plenty of time to worship at the Polka Mass at 11 a.m. and then enjoy the delicious spanferkel being served immediately after Mass, before watching David demonstrate his talent.

Campbellsport Artist Designs New Poster

"Milwaukee Sundown," a new poster by Milwaukee Artist Robert Stewart will be autographed by the artist from one to five p.m., Sun., Oct. 7, at Landmarks Gallery, 231 N. 76th St., Milwaukee.

The print offers a view of the city's skyline and harbor as seen from the lake with the golden light of dusk settling over the city, sparking off buildings and silhouetting fishing and sailboats.

Stewart who lives in Campbellsport, WI is a master model builder of Great Lakes historic commercial ships. Five models will be displayed at Landmarks Gallery through Oct. 21.

"Milwaukee Sundown" is \$20.

4-H Club News

The Monthly Meeting of the Kettle Moraine Kids 4-H Club was held on September 13, 1990 at the Stoffel home.

The Pledge of Allegiance was lead by Michelle Briggs and the 4-H Pledge was lead by Annie Mertz.

David Mertz gave a report on Totes for Tips and Chrissy Neumann reported on the Brewer game. A window display committee was set up to promote new membership in 4-H.

Officers were elected for the 90-91 year. They are as follows: President, Brian Staehler; Vice-President, Chrissy Neumann; Secretary, Erin Stoffel; Treasurer, Michelle

Briggs; Historian/Reporter, Kevin Staehler and Recreation Leader, Jackie Briggs.

The new officers were sworn in.

Upcoming events: 4-H softball tournament in Jackson on September 30th; 4-H Recognition Banquet on October 10th at Amerahn's; 4-H Officer Training Meeting on October 30th at Washington County Courthouse.

The next meeting will be October 11th at 6:30 p.m. at the Neumann home. Refreshments will be supplied by the Mertz family.

St. Michael's Fall Festival

Behind the scenes parishoners worked busily serving food at St. Michael's Annual Fall Festival dinner. By about 12:30 over 300 diners had already been served.

There were lots of things to do while diners waited for their number to be called at St. Michael's Fall Festival. Here visitors tried their hand at the dice game.

Reminisce with Mark Twain

Walter Garbisch portrays Mark Twain at Kewaskum High School on Thursday evening, October 18th.

The Kewaskum Women's Club will be presenting a special evening program with Mark Twain on Thursday, October 18th at the Kewaskum High School.

The mischief starts at 8 p.m. and the public is invited to attend. Prepare for an evening of humor with stories for the young and old. As you may know, Mark Twain was a printer, river pilot, inventor, writer, businessman, and philosopher. He wrote hundreds of short stories and is the only author that had books published in over thirty different languages around the globe. His seventy four years spanned the enormous changes between Andrew Jackson and William Howard Taft. Perhaps no writer has ever known American life so intimately nor been so widely read or deeply loved.

"LOVE SEEMS THE SWIFTEST, BUT THE SLOWEST OF ALL GROWTHS. NO MAN OR WOMEN REALLY KNOWS WHAT PERFECT LOVE IS UNTIL THEY HAVE BEEN MARRIED A QUARTER CENTURY."

Walter Garbisch, who is an active member of the National Speakers Association has studied Twain and collected most of his work including several first editions over the past twenty years. He has performed at many schools, colleges and conventions, including the Kansas International Rotary, Midwest Music Therapy Convention and the Jerry Lewis Telethon from Madison, Wisconsin.

The program is FREE but seating is limited, so make your reservations early with Jeanie Goeden 334-9549 or Lois Bunkelman 626-4434.

Doors open at 7:30 p.m. "ALL DOGS MUST BE ON A LEASH AND HORSES TIED UP AT THE RAIL."

Odyssey of the Mind

During the month of October, students in the Kewaskum School District will have the opportunity to try out for OM teams.

Last year was an exciting season for the program since two high school and a Farmington Elementary School team made it all the way to the state competition at Steven's Point.

There the elementary school team won the coveted Ranata Fusca award. Len Soller's high school team went on to win a Ranata Fusca award at the World Finals!

Students wanting to continue the winning tradition should be on the look out for posted announcements of try-outs in their respective schools. Students or parents needing additional information can contact any one of the following OM coaches: Len Soller, high school 626-2166; Barb Yogerst, middle school, 626-2178; Fran Lider, Farmington Elementary School 692-9032; Erv Uhlman, Kewaskum Elementary School, 626-2740. Becky Swanson,

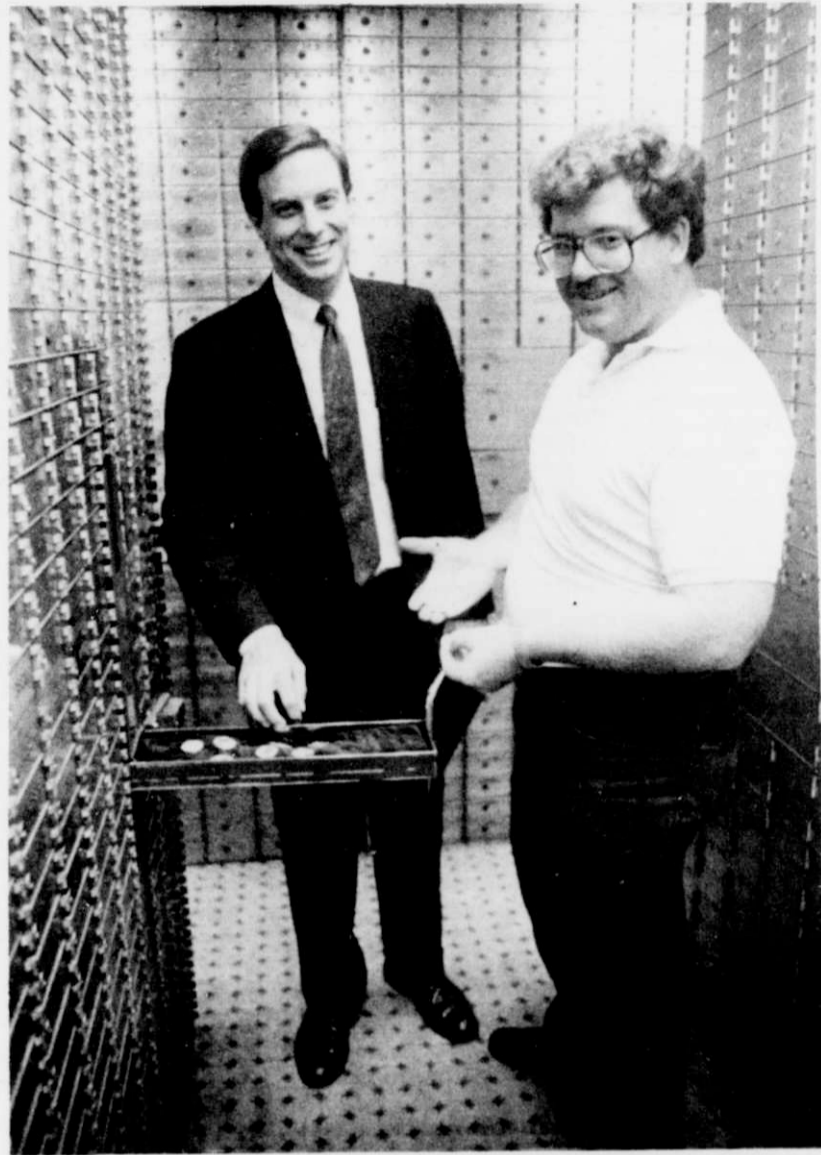

program coordinator, can be contacted at 626-2136 for general OM information.

WB Christmas Parade Theme Announced

"A Magical, Musical Holiday" is the theme selected by the West Bend Area Chamber of Commerce, sponsors of the Christmas Parade, and its Christmas Parade committee. "Music, lights, and the mystical qualities of the season will be emphasized," said Marilyn Edwards, Administrative Assistant at the Chamber of Commerce.

The parade will be held Sunday, November 25th, beginning at 6 p.m. It will start at Main and Oak Streets,

The festival celebrated its 10th anniversary in August, with Chambers being the lucky winner of the top treasure. Other prizes in the raffle included roundtrip tickets to Ireland via London, courtesy of British Airways, and tickets to any US destination served by Midwest Express Airlines.

Letters to The Editor

Letter to the Editor:

I'm writing in regards to the Kewaskum School District survey you will be receiving in the mail this week. It think it's important to know the facts before responding to these issues.

After reading the questions, as a taxpayer, I needed more information before I could honestly and intelligently fill out the survey. I know not all of us have time to visit the schools or inquire about the information to answer the questions. I visited all the Kewaskum Schools and the bus company this past week to get some answers. I felt I must share some of the information with you.

1) Do You Favor Changing Boundary Lines In The Elementary Attendance Areas And Moving Students To Adjust Enrollments Between Buildings?

In 1979-80 our total enrollment for the six schools was 2165. In 1990-91 our enrollment is 1787, a decrease of 378 students in five schools. At the elementary level in 1979-80, the enrollment was 1013 in the four schools, and today, 782 are enrolled at the three elementary schools. (Down 231) In order to achieve better utilization of the three elementary facilities, a plan to change the boundary lines is inevitable.

Do You Consider Farmington Elementary School Overcrowded?

Officially 274 students are enrolled at Farmington Elementary at this time. In 1978-79, 293 students were enrolled. A decrease of 19. However, please remember, today a library, computer room and special education rooms are state mandated, so this means fewer classrooms are available. Yes, Farmington is overcrowded.

3) Do You Support Opening Beechwood School For Elementary Classes?

Three years ago the projected cost to reopen Beechwood was \$250,000. Today to refurbish with kitchen/classroom equipment plus staff would cost approximately \$400,000. Can we justify a \$400,000 expenditure for 65 students, K-5? That equates to \$6153.80 per student. (45 students in grades K-3, = \$8888.88 per student). This project would not be cost effective. Keep in mind, if Beechwood school was to open for only an elementary, K-3, children from the other areas would be shuttled from school to school.

Do You Believe That Elementary Students Should Remain At The Same Building Under All Circumstances For Grades K-5?

With a little ingenuity from the Administration, I believe the overcrowding at Farmington can be alleviated and the K-5 grades stay intact.

At least two classrooms are not used on a regular-basis at the Kewaskum Elementary School (KES). In 1978-79, 474 students were enrolled at KES, today 386 students are enrolled down 88. The open concept of the building houses a very spacious library/computer area and movie room. In the old part, some of the rooms can not be used because of the repair that is needed, however, a large conference room and a class-

room are available. The second and third floors are well lit, cheerfully painted, and very clean.

Wayne Elementary School (WES) is an unique little school, because its in a prime location, situated between two main highways, 45 & 41. In 1979-80 the enrollment was 182. Today 122 students are enrolled, a decrease of 60 students. It is an ideal learning situation for students in class sizes of 16 - 22.

Space is available at these two schools KES & WES to house more elementary students.

5) Would You Support A District Building Program To Add Classrooms At Farmington Elementary?

The facts in the above answer this question. However, if support for a building program in the district exists, look at the more populated areas of Farmington and Kewaskum rather than the northern areas of the district.

6) Would You Support Smaller Class Sizes [18-22] For Elementary Grades K-3 REGARDLESS Of The Added Staffing, Transportation And Building Costs?

I'm sure we would all like to have our children/grandchildren in small classes, but let's be realistic, that is not always feasible. And how much is the word "REGARDLESS" going to cost the taxpayers? The administration blames the salaries of staff (fixed costs) as a major reason for the large budget.

7) Would You Support Instructional Aides For All Elementary Classes K-5?

In 1986-87, 865 students were enrolled in the elementary schools with nine aides. Today, 782 students are enrolled with 15 aides. (Student decrease of 83 and aide increase of 6). (Not included are the special education aides, mandated by the state.)

8) Would You Support Moving The Football Field From It's Elementary School Location To The High School?

For the safety of the children at Kewaskum Elementary School at recess and the spectators at the football events, yes this should be done. The light poles are not in good safe condition. One alternative could be to remove the poles and schedule day games for a few years. And again, what is the cost of such a project?

[9 & 10] Would You Support A District Building Program To Add An Auditorium [10] A Swimming Pool, To Kewaskum High School In The Near Future?

In 1983 the district took a \$400,000 loan for maintenance and repairs on the buildings throughout the district. Within the last two years, two (2) more loans of \$200,000 each were approved by the Kewaskum School Board with the recommendation of the

'Thank You'

to all our relatives and friends who helped make our 50th Wedding Anniversary a memorable occasion.

We thank you all for the beautiful cards, flowers and gifts.

ROY & GERTRUDE REYSEN

administration. Again what is the cost for these projects?

11) How Many Events [Meeting, Sessions, Contests, Classrooms, Etc.] Sponsored By Kewaskum Public Schools Have You Attended In The Last Year?

0-4; 5-10; 11-20; 21 or greater.

Although I attend at least 21 events, I believe that whether someone attends 2 or 22, every taxpayer's answers are important. Some taxpayer's children/grandchildren may attend the local parochial schools and would not attend Kewaskum School events even though they pay taxes.

12) [Optional] Identify Other District Facilities Needs You Feel Are Not Covered.

A continued program to repair and maintain the buildings now in use. In the five year plan for the loan in 1983, the south wall of the Kewaskum High School was to be redone, because the lab rooms needed new ventilation and some windows and wall sections were to be replaced.

Let's take care of the educational purposes of our schools. I am a member of the SEC (School Evaluation Consortium) committee. Could it meet on a regular basis as in the past to unify and update materials used in our schools, and to meet the mandates set by the state? There could be more grant writing done in this district to offset some of the taxes. Monies are available through the State and Federal Government. An increase in investment activities with our tax dollars will help to defray some of the double digit budget.

I hope some of these facts and figures may help you in making decisions on the issues of the survey.

The children of today are our resources of tomorrow.

Thank You,
Jeanne Goeden

THANK YOU

To my family, relatives, friends and everyone for your visits, gifts and cards during my recent stay at St. Joseph's Hospital.

I am overwhelmed and will always be grateful for your support, your prayers and the love you have shown.

Thank you and God Bless each one of you.

Lac Lawrann Tour Is 'Night Walk Under a Full Moon'

Fall is a wonderful time to watch the colors turn and to feel the light breezes of winter begin to blow. What would it be like to walk after dark through a woods and listen to the night sounds of fall with only the streaks of light from a full moon lighting the trail?

Not often are we given an opportunity to experience an appreciation for our physical senses. Touch and sounds, and even the smells in the air can alert us to the inhabitants of the forest.

For a different fall walk experience, the volunteers of the Lac Lawrann Conservancy are offering a "Night Walk Under A Full Moon" on Friday, October 5. Participants are asked to meet at the Schmidt Farmstead at 7:30 p.m. Leave the flashlights at home and share in this nighttime experience.

Advance reservations are required. Please call the West Bend Park Department at 338-5080; evenings and weekends call Bette, 334-9634.

Army's Fastest Bridge Builders Show Off Skills to Public

ELLSWORTH, WIS... The 327th Army Reserve Engineer Unit, made up of half Wisconsinites and half Minnesotans, demonstrated their bridge building and combat skills at a day-long open house near Arkansaw, Wisconsin. Following the completion of the bridge, it's traditional to dunk any officer in sight! Soon half the troops filled the Eau Galle River, cooling off and celebrating bridge completion with rowdy water play. Specialist Four Kari Kurtz of Kewaskum, is a 327th member who participated in the event.

On September 8, the Army's fastest bridge builders held an open house on the Eau Galle River near Arkansaw, Wis. They built a 100-foot dry span panel bridge, held a weapons demonstration and demonstrated troop movement with two Huey helicopters.

The 327th Army Engineer Company from Ellsworth, Wis. worked in mid-80s heat and high humidity, handy-carrying and placing 600-pound steel panels and 'I' beams.

From 8 p.m. 'til the wee morning hours they held a mock patrol ambush, demonstrating the use of smoke bombs, grenade simulators, smoke grenades and other tactical sabotage methods. And for the first time ever, they used MILES (Multiple Integrated Laser Engagement System) gear when firing their weapons. With MILES gear, a buzzer sounds when a soldier is shot at during a battlefield simulation. The buzzer signifies a casualty, so those whose buzzers go off are pulled from the action.

The Ellsworth Reservists and Waukesha, Wis. Army Reserve helicopter crew fielded many questions from the crowd. "The open house gives us a chance to answer a lot of the community's questions about what we really are about," said Company Commander 1st Lt. Randy

Ahnen, Elk River, Minn.

The combat engineer unit has two main responsibilities besides practicing basic soldier skills: building dry span panel bridges and hauling road construction material and equipment.

Although the unit usually concentrates on bridge building, they have done a wide variety of community projects. Some of those include: putting up school playground equipment, hauling unusable old cars and tractors to a salvage yard, adding a sidewalk to a small motorist-only bridge, building a floating raft for the Minneapolis Aquatennial, dropping shale on an eroding shoreline and moving a small island.

(Yes, they actually moved an island! According to Sgt. 1st Class Larry Roberts, Coon Rapids, Minn., a small bog island in Lake Chetek near Lake

Chetek, Wis. came loose and threatened to destroy a nearby bridge. The Ellsworth Army Reserve engineers saved the bridge by maneuvering the island to shore).

The 327th engineer unit takes a lot of pride in their community contributions and their unit. That's one reason they have become the fastest bridge builders in the entire Army. No one who's competed in the Army's bridge building competitions has ever beat 'em. Their record time is 55 minutes and 47 seconds.

The unit's outstanding performance is due to good leadership and good people, said Sgt. 1st Class Pat Gulczynski, Barron, Wis. "Everyone helps each other, no matter what their job is," he said. "We're like a family."

The officers — including the company commander — help

build bridges. "We lead by example," said the commander. "You can't order people around unless you know the safety hazards. The troops have greater respect for you if you pitch in."

One question the 327th was repeatedly asked at the open house: "Is the unit going to Saudi Arabia?" The commander said there currently are no plans for the activation of their unit.

Over 100 people attended the Army Reserve open house, including Glen Barquist, Ph.D., Eau Claire, Wis., a retired University of Wisconsin / Madison professor. He shared his experience of helping build a bridge over the Rhine River in Germany during World War II.

Barquist has received recognition for a 150-page book with photos he compiled of the Rhine River bridge construction. The book required many years of extensive research via the Department of the Army and numerous other sources, located in the United States and Germany.

Faith Enrichment Series For Washington County

The Catholic parishes of Washington County are sponsoring a program for adults designed to enrich faith and develop educational skills. The program, entitled "Taste and See," will begin October 10th at St. Kilian in Hartford. The same presentation will be repeated at St. Mary in West Bend on Thursday, October 11th.

The first series of the program will include presentations on the themes of Scripture, Inspiration, Moral Issues, Models of the Church, Contemporary Catechetics and Classroom Management. Speakers will be Jean Marie Weber, Associate Director for Child Catechetics, Archdiocese of Milwaukee, Mariangela Pledl, Consultant for Parishes in the Archdiocese and Sr. Bea Dorsey. Others will be Rev. Michael Ciullo, Rev. Tom DeVries and Ms. Katherine Teska.

The program will be presented over a three-year period with six sessions each year. Each year, two topics will be offered in October; two in November and two in February. Participants may register for any one or all of the topics. Fee for each evening is \$5.00. For more information or to register, call 769-3539 or any parish religious education office in Washington County.

PRAYER TO ST. JUDE

Most holy apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of. Pray for me, I am so helpless and alone. Make sure I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly — (Here make your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.

Thank You St. Jude.

St. Lucas Welcomes New Teacher

Ron Martinson

St. Lucas Lutheran School welcomes Mr. Ron Martinson to its staff. Mr. Martinson teaches fifth grade and also has girls' coaching responsibilities. Mr. Martinson's hometown is Marshall, Minnesota. He attended high school at Martin Luther Prep and went on to college at Dr. Martin Luther College in New Ulm, Minnesota from which he graduated this past June. A week after graduation, Ron got married and now he and his wife, Dawn, reside in Campbellsport. When time allows, Ron likes to hunt duck and goose and fish. Mr. Martinson really enjoys teaching and coaching at St. Lucas, and the Martinsons are happy to be living and working in the Kewaskum area.

FLYING EAGLE'S DEN REPORT

DEN 3 Report

Our first meeting was on September 17th. At this meeting, we worked on our Handyman badge. These are the things we did: checked oil in a car, checked the water level in the battery and the terminals, checked the lights, changed a tail light and changed a tire. Saturday the 22nd we went on a pack outing to Waldo Orchards. We learned how apples are picked, washed and packaged. They gave each one of us an apple and a cup of fresh squeezed apple cider.

DEN 4 REPORT

Our Den learned how to tie various knots. We also learned how to throw a lifesaver to someone drowning. We also went to Waldo orchards with our pack. In September, we started out our first meeting with an orientation meeting with our parents. We played some games and we all earned our Forester badges.

Excitement Builds for World Dairy Expo

World Dairy Expo is celebrating its 24th year — and new exhibits and activities abound for 1990. A record 60,000 people are expected at the world's largest dairy show which includes over 600 commercial exhibits. In addition, 2300 cattle are registered for the show, Oct. 3-7, in Madison, WI

New technology and an international twist are setting the pace for World Dairy Expo. Many new agricultural products will be featured including a genetic test for measuring kappa casein — a genetic marker predicting milk protein content. Also featured, a hay cutter that cuts in lengths rather than pulverizing, a cordless de-horning device, cloning technology and innovative management techniques.

International attendance is expected to be a record 3000 with seven countries participating in commercial exhibits. From these seven nations, 16 agricultural businesses will be displaying wares at the show. The countries include Australia, Canada, England, France, The Netherlands, New Zealand, and Switzerland. There is also an international cattle exhibitor from Brazil participating in the Brown Swiss show this year.

World Dairy Expo features six national dairy cattle shows each year. These include: the Central National Milking Shorthorn Show (Oct. 3), Central National Guernsey Show (Oct. 3), Central National Ayrshire Show (Oct. 4), Midwest Regional Jersey Show

(Oct. 4), Central National Brown Swiss Show (Oct. 4-5), and the Central National Holstein Show (Oct. 5-6).

Door prizes and drawings are held each day. These include cash, feed supplements, a computer system, cow mats, genetic tests and more! World Dairy Expo is held at the Dane County Exposition Center, Madison, WI, Oct. 3-7. Admission is \$3 which includes parking. The event is open to the public.

The Wisconsin Beagle Club's 18th annual American Kennel Club licensed field trials, held from Friday through Tuesday, Sept. 27 - Oct. 1, and 13th annual specialty show Sunday evening in this village, attracted the largest number of entries and spectators in history. There were 104 Beagles entered, 80 in the trials and 24 in the show. Last year's number of dogs was 85. Joe Eberle's prize dogs again won outstanding places in the two events. His entrants won two loving cups and a number of ribbons. Eberle's Martin, won first place and best in show trophy, in the 15-inch class in the bench show, and also won in the field completing its bench championship.

Theodore Otto, 53, widely known farm resident, passed away at his home near Beechwood, last Friday morning, Sept. 27, of injuries he received while cutting silage near his home Sept. 23. It is believed that while he was

stopping the engine of a tractor, he reached across the motor and his hat caught in a fly wheel. He suffered a fractured skull from contact with the wheel.

A dance was held at the Kewaskum Opera House Saturday evening in honor of the 25th wedding anniversary of Mr. and Mrs. Art Buddenhagen.

The approaching marriage of Miss Betty Krueger and Lester Uelmen was announced at St. Mathias Church Sunday. The wedding will be Oct. 12.

A son was born to Mr. and Mrs. Frank Saurer, St. Kilian, Thursday.

A barn-raising bee was held at the John Lehnerz farm, St. Michaels, Monday to replace the building which was destroyed by fire two weeks ago.

75 Years Ago

Oct. 2, 1915

Last Monday afternoon, while both Math Fellenz, of the Town of Scott, via auto and Bernard Haufchild of the Town of Kewaskum, via horse and buggy were on their way home from this village and near the local high school, they encountered a collision, the auto striking the buggy on the front wheel, upsetting the buggy and throwing the occupants, Mr. and Mrs. Haufchild forcibly to the ground, the horse which became unmanageable, ran away, but was soon captured. Mrs. Haufchild besides a severe

scare received minor injuries. As the latter is subject to heart trouble she was during the night in a serious condition. As to who was the fault of the accident we could not state.

The local high school girls have organized a basketball team and all indications are for a strong and fast team. The girls commenced practicing this week and the way they handle the sphere isn't slow. Miss Lydia Guth was appointed manager and Miss Dorothy Driessel, treasurer and secretary.

The female Airedale dog belonging to Dr. K. F. Hausmann of this village that broke away from the local depot last Thursday morning is now safely tied up by its owner, having been captured by Mrs. F. Meilahn last Monday afternoon. The dog which is a prize winner, having won several blue ribbons in different dog shows, is highly valued by the doctor.

The sudden death of Nick Roden occurred on Thursday evening at the home of his son Jac, New Fane. He had reached the age of 84 years.

The approaching marriage of Miss Appleona Fellenz of St. Michaels to Albert Groth of West Bend was announced in church Sunday.

The infant daughter of Mr. and Mrs. Ed Rate, Kohlsville, was christened last Sunday receiving the name of Erna.

Mrs. Shaelhaus of Mitchell won the set of dishes that were given away at Calvey's store Wednesday.

Tiger Cub Roundup

A Tiger Cub Roundup will be held Tuesday, October 9, at 7:00 p.m. in the Community Room in the Municipal Building.

Tiger Cubs is a scouting program for 1st grade boys who like to have fun. It is family oriented, with the boy and an adult family member doing things together. It has the goal of allowing the boys and an

adult to build a stronger relationship with each other with the rest of their family and with other members of the Tiger Cubs.

At the end of the school year, the boys are invited to join the Cub Scout Pack.

Hope you'll join us on October 9th. For more information call 334-0227.

**NOTICE OF REFERENDUM ELECTION
November 6, 1990**

STATE OF WISCONSIN
COUNTY OF WASHINGTON

NOTICE IS HEREBY GIVEN that at an election to be held in several towns, wards, villages and election districts of the County of Washington, on the first Tuesday of November, 1990, being the Sixth day of said month, that the following advisory referendum question will be submitted to a vote of the people pursuant to law:

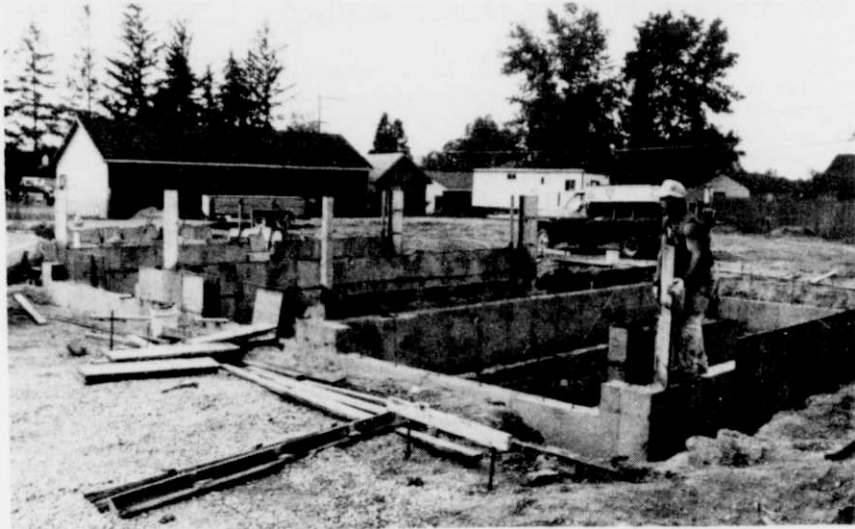

QUESTION: "Should the Wisconsin Constitution be amended to require the state to provide full funding for any program, service or benefit that it requires local government to provide?"

This referendum is a result of Resolution No. 5-90-91 adopted by the Washington County Board of Supervisors on May 8, 1990. A copy of the Resolution can be obtained from the office of the County Clerk.

GIVEN under my hand and official seal, at the Courthouse, in the City of West Bend, this 24th day of September, 1990.

Arthur G. Degrutz
County Clerk

New Car Wash Under Construction

Work has begun on the new Shefon Car Wash on Fond du Lac Avenue. Workers removed forms from the concrete footings last week. The car wash is expected to open in late November.

The highly flavored spice known as mace is actually the covering of the nutmeg. It is usually sold ground and is often used to flavor fruit pies.

VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the primary election. The deadline for receipt of the written request by mail is 4:30 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 4:30 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With two exceptions, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age, or disability, or if the voter is in the military, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the indefinitely confined or military voter before each election. If the voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

A voter who is hospitalized on election day may obtain an absentee ballot by designating another person as the agent for the voter. There is a statement on the application form for this purpose. An application by agent for a hospitalized elector may be made in person at the municipal clerk's office no earlier than 7 days before the election and no later than 4:30 p.m. on the day of the election.

If a voter requests an absentee ballot stating the reason that he or she is a sequestered juror, the application can be made no earlier than 7 days before the election, and no later than 4:30 p.m. on the day of the election. If the application from a sequestered juror is received by the municipal clerk after 4:30 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk's agent will deliver the absentee ballot to the court and the judge will call a recess to allow the voter to cast his or her vote.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available thirty-one (31) days before the general election. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

To obtain an absentee ballot send a written request to:

Record Deer Population Provides Good Nonresident Hunter Opportunities

MADISON, WI — Wisconsin's record high deer population is going to afford nonresident gun hunters their best chance ever for drawing a Hunter's Choice permit, said Bill Ishmael, Department of Natural Resources deer, bear and furbearer specialist.

"There will be a high number of antlerless deer permits available for many deer management units throughout the state, but especially in northern Wisconsin," Ishmael said. "Deer management units in the northern part of the state are undersubscribed normally, but this year that will occur more often so more Hunter's Choice permits (a permit to shoot a white-tailed deer of either sex in a specific management zone) will become available to nonresident applicants."

"This isn't a guarantee, but this year the chances are the best they've ever been." In 1989, 2,076 nonresidents received Hunter's Choice permits.

The estimated fall population of deer in Wisconsin will be about 1.3 million deer, an all-time record high. Potentially, Ishmael commented, the total deer harvest in Wisconsin could top 400,000 animals including both bow and gun seasons. The gun harvest in 1989 was over 310,000 deer and it could go over 360,000 depending on favorable weather conditions.

"With the high population of deer, many hunters in certain units will also be receiving a bonus tag to harvest an additional antlerless deer along with their Hunter's Choice permit," Ishmael added. "We

are trying to increase the harvest in many units to bring deer populations back into line with management goals."

Bow hunters are expected to harvest between 40,000 and 50,000 deer during their 80-plus day season. Success rates for bow hunters is expected to be around 25 percent; Wisconsin usually sells over 200,000 bow deer licenses.

"Nonresident bow hunters in bordering states like Minnesota, Michigan, Iowa and Illinois will have a great chance in Wisconsin this year as well," Ishmael stated. "Except for the break for the nine-day gun season, bow hunters will have all fall to hunt plus the entire month of December."

Wisconsin's general gun deer licenses allow a hunter to shoot an antlered deer in any management unit. Hunter's Choice permits allow the hunter to shoot a deer of either sex in a specified management unit. Bonus tags allow harvest of an antlerless deer only in a specific management unit. Archery licenses allow bow hunters to take one deer of either sex anywhere in the state.

Hometown Boy in Victory Lane at Plymouth

Kewaskum Statesman, Thursday, Oct. 4, 1990, Page 18

The winning team of Dan Fischer and his '78 Monte Carlo.

Dan Fischer, 19, of 285 Mill Rd., Kewaskum, drove his 1978 Monte Carlo into the victory lane Saturday night at the Sheboygan County Fairgrounds after completing 149 laps in the Endro Race on Sept. 15, 1990 to take home \$1,000 first place winnings.

The evening was filled with excitement and heartbreak for the individuals who were unable to complete the race.

Dan was sponsored by KL Hardware, Home Plate Restaurant, Bunkelman Build-

ers Inc., Legendary Hill Farm and Bait, Midnight Express Racing Team, Wagner Construction, L.K. Heating & Air Conditioning, Kirst Builders, L.R. Trophy & Sportswear.

Dan would like to thank all his sponsors, his lap counters, Traci Hoerig and Doug Geidel, his pit crew Ken Hoerig, Dick Prost, Don Fischer. He wants to thank his cheering section Arlene Krueger (his Mom), Mary (his sister), Sue (his

brother's girlfriend), Patty Hoerig and Chad Hoerig, his friends, Jason Flynn, Dan Schmidt, Carl Seefeldt, Brad Schinker, Scott Pesch, Chad Adder and Carl Kirmse.

He would like to extend a special thank you to all the friends who helped him and encouraged him to accomplish this win.

Dan is a very excited young man, but without family and friends he couldn't have done this alone. Thank You All.

Kewaskum Area Racers Finish Successful Season at Slinger Speedway

Brian Oelhafen, 21, of Wayne, took the Slinger Stinger Division on the last night of points racing, Sept. 2, edging out his nearest competitor by a margin of 10 points, to win the Track Championship. A large group of enthusiastic and encouraging area fans watched Brian win the 16 lap feature in the last lap, to take the feature win and the championship.

Jim Oelhafen #52 of Wayne and Brian Voigt #87 of rural Kewaskum, also finished well in the final standings of the Slinger Stinger Division. Jim Oelhafen, 43, took JR Racing's "Rookie of the Year" honors in the division. They all wish to thank their families, friends, fans and especially their sponsors for a very successful year.

Indian Netters Fail to Upend Plymouth

KEWASKUM — The Kewaskum girls tennis team came within a single point of making history here, last Tuesday afternoon.

But history will have to wait for another day, as Plymouth's Tricia Winker rallied to win nine of the last 12 games in her match against Tammy Troeller to beat Troeller 4-6, 7-5, 6-3 to help the Panthers beat the Indians 4-3 in a match that was suspended from an earlier date due to weather.

In the two teams regularly scheduled meet, the Indians again came up on the short end of a 4-3 score, thus failing to beat the perennial powerful Panthers, who have won the Eastern Wisconsin title 12 years in a row. Kewaskum has never beaten Plymouth in the sport.

In the suspended match, the Indians were down 3-2, but were leading in the remaining two matches when the rains came in Plymouth Sept. 6th.

Kewaskum's Jenny Thull won her suspended match with Sarah Wondra, as she took the final set 6-3. That evened the score at 3-3, with just Troeller and Winker's match left.

Having won the first set, Troeller was trailing the second 3-1 when play was suspended. But Troeller won four of the first five games Tuesday to lead 5-4. In the next game, she was leading 40-15 and serving for the match when Winker began her rally, which ended any Indians upset hopes.

"Unfortunately, the regularly scheduled match turned out exactly the same, with the same individuals winning at the same positions," Indian coach Glenn Eichstedt said.

At No. 1 singles, Jessica Rohrer improved her season record to 8-7 with an easy 6-2, 6-3 win over Cheryl Slabe, while at No. 4 singles, Jenny Thull upped her record to 7-6 with a 6-2, 6-2 victory over Angie Goetsch.

The Indians other win came at No. 3 doubles, where the team of Kim Frank and Nicki Cayner continue to shine. The Frank-Cayner duo recorded their tenth win against just three losses in beating Sarah Wondra and Lynn Chisholm 0-6, 6-1, 7-5.

The closest any other Indian player came to pulling an upset was at No. 2 singles, where Brenda Falk won five games in losing to Jenny Beaver.

"This match was a great opportunity to play a pivotal

role in the outcome of the conference championship," Eichstedt went on to say. "However, Plymouth's experience and winning tradition proved to be too much to overcome," although he added that an Indian victory over Plymouth is "clearly attainable in the not-so-distant future."

PLYMOUTH 4, KEWASKUM 3 [SUSPENDED MATCH]

SINGLES — No. 1 - Jessica Rohrer beat Cheryl Slabe 6-3, 3-6, 7-1. No. 2 - Brenda Falk lost to Jenny Beaver 2-6, 1-6. No. 3 - Tammy Troeller lost to Tricia Winker 6-4, 5-7, 3-6. No. 4 - Jenny Thull beat Sarah Wondra 6-3, 1-6, 6-3.

DOUBLES — No. 1 - Heidi Gruhle and Chrissy Survis lost to Nicci Gentine and Kristin Mikolyzk 0-6, 0-6. No. 2 - Karyn Dossinger and Stacey Pamperin lost to Marcia Sprenger and Sarah Kraus 4-6, 2-6. No. 3 - Nicki Cayner and Kim Frank beat Lynn Chisholm and Terra Blanke 6-1, 6-3.

JV Netters Playing Competitive

Although the team doesn't have any meet victories to show for their efforts, the Kewaskum girls JV tennis team has been playing opponents tough this fall.

In the team's 0-5 loss to Beaver Dam Wayland Academy, the doubles team of Kate Berres and Carrie Fellenz took Stephanie Dohna and Karin Wertheim to a third set before losing 1-6, 6-3, 4-7.

The duo of Erin Fleury and Erin Heather did one better than that, taking both the first and second sets to tiebreakers, although they lost both in losing the match 6-7 (10-12), 6-7 (4-7).

Against Plymouth last Tuesday, the Indians won five matches in coming up on the

Indians Downed by Falls, 4-3

KEWASKUM — The Kewaskum girls tennis team has come so close this year to pulling off some big upsets. But as they say, close doesn't count.

For the third time in three days, the Indians came just one game away from recording a huge upset, this time losing to Sheboygan Falls 4-3. Two days earlier, the Indians had lost a pair of 4-3 decisions to Plymouth, one coming in a suspended match.

The Indians actually put themselves right where they wanted to be. Kewaskum pulled into a 3-3 tie, and the Indians had their best team out on the court—the No. 4 doubles team of Kim Frank and Nicki Cayner, who came into the meet with a 10-3 record.

But once again, the Indians came up short, as the Frank-Cayner combination lost a 6-4, 4-6, 3-6 decision to a first time varsity combination of Stacey Beuthien and Katerina Anagnostatau. Anagnostatau is a foreign exchange student from Greece.

"Just when it seemed that (we) would put together a solid team performane against an upper division team, an unknown tandem pull the rug out from under us," Indian coach Glenn Eichstedt said of the disappointing loss. The Falcons had come into the match recently defeating Two Rivers and 12-time defending conference champion Plymouth.

Getting wins for the Indians were Brenda Falk, who beat Amy Feider 6-3, 6-1 at No. 2 singles, and Jenny Thull, who beat Katie Matzek 6-3, 6-4 at

the No. 4 singles spot. The Indians only other win came at No. 2 doubles, where Karyn Dossinger and Stacey Pamperin beat their foes 6-2, 6-3.

Despite the loss, Eichstedt feels that the Indians "made great strides during the course of the season just to get in the position to challenge the likes of Sheboygan Falls."

Instead of hoping of use the match as an opportunity to tune up against some of the better competitors in the conference before the conference meet, Eichstedt said that his team "may just have realized that they are the competition in the conference."

SHEBOYGAN FALLS 4, KEWASKUM 3

SINGLES — No. 1 - Jessica Rohrer lost to Michelle Thomas 1-6, 5-7. No. 2 - Brenda Falk beat Amy Feider 6-3, 6-1. No. 3 - Tammy Troeller lost to Renee Goodlet 3-6, 3-6. No. 4 - Jenny Thull beat Katie Matzek 6-3, 6-4.

DOUBLES — No. 1 - Angie Clements and Heidi Gruhle lost to Barb Berg and Nicole Liedke 1-6, 2-6. No. 2 - Karyn Dossinger and Stacey Pamperin beat Kristi Beuthien and Marnie Hackl 6-2, 6-3. No. 3 - Nicki Cayner and Kim Frank lost to Stacey Beuthien and Katerina Anagnostatau 6-4, 4-6, 3-6.

Indians Edged By Beaver Dam

BEAVER DAM — While the Kewaskum girls tennis team may have been beaten by Beaver Dam Wayland Academy's tennis team 4-3, the Indians might have gained a bit of experience in foreign relations in the process.

"This non-conference meet not only presented us with some challenging matches, but it presented some very interesting cross-cultural experiences as well," Indians coach Glenn Eichstedt put it. "Seven of the ten Wayland Academy varsity participants were foreign-born."

The team featured players from Japan, Korea, Pakistan, Germany, Ireland and England. The team also featured sophomore sensation Stephanie Decker at number one singles. Decker is 13-0 this season, and hasn't even lost a single set to a foe. Kewaskum's Jessica Rohrer was no match for her either, as Rohrer lost 1-6, 2-6.

As a matter of fact, the only Indian singles player to win her match was No. 2 player Brenda Falk, who upended Susan Wahlen 6-2, 6-4, her third win in her last four matches.

The Indians were missing several players due to illnesses and injury, so Eichstedt took a gamble in the doubles competition, substituting several players, and the result was "some surprising victories," according to Eichstedt.

At No. 1 doubles, the team of Angie Clements and Heidi Gruhle won the first set in a tiebreaker, 7-6 (7-4), and then cruised in the second set 6-0 to win going away.

At No. 3 doubles, the team of Kim Frank and Nicki Cayner continued to excell, raising their season mark to 9-3 with an easy 6-1, 6-0 victory.

Beaver Dam Wayland Academy 4, Kewaskum 3

SINGLES — No. 1 - Jessica Rohrer lost to Stephanie Decker 1-6, 2-6. No. 2 - Brenda Falk beat Susan Wahlen 6-2, 6-4. No. 3 - Tammy Troeller lost to Tomoko Mori 3-6, 3-6. No. 4 - Thull lost to Asma Ali 2-6, 1-6.

DOUBLES — No. 1 - Angie Clements and Heidi Gruhle beat Yukiyo Yoshida and Missy Nyberg 7-6 (7-4), 6-0.

No. 2 - Shawn Erdman and Stacey Pamperin lost to Becky Kritter and Carrie Schrader 1-6, 3-6.

Kiel Runs Over Indians, 21-0

KEWASKUM — Kewaskum football coach Clark Pearson said "Kiel is probably the best team we've faced all season." It was no wonder why Pearson made the analysis.

Kiel dominated every major statistical category, as the Raiders downed the Indians 21-0 here, Friday night. But the final score was much more kind to the Indians than it should have been.

Kiel outgained the Indians in total yards 329-58, but even more telling was the Raiders rushing total of 299, compared to Kewaskum's 21. Kiel ran twice as many offensive plays as the Indians, 80-40, and had 19 first downs, compared to Kewaskum's 2.

"Kiel just dominated the line of scrimmage," Pearson said about the visitors, who allowed the Indians to run just two offensive series in the entire second half. "We just couldn't move the ball. They totally outplayed us."

Kiel jumped out to a 7-0 lead midway through the first quarter, as quarterback Mike Lepisto hooked up with Scott Schweitzer on a 16 yard td pass.

Flag Football League Has Exciting 3rd Week

The third week in the youth flag football league season had some of the most exciting games thus far. All four teams had an opportunity to win right up to the end of each game.

In the first game the Gruber Tool Bears defeated the Regal Ware Raiders 18-14. The Bears scored on their first play from scrimmage as Jim Westerman ran 40 yds. for a touchdown. The extra point try was missed. On the Raiders first play from scrimmage Sam Schmidt ran 40 yds. for a touchdown, with Kevin Dobke adding the extra point and the Raiders led 7-6. Brian Butschlick scored on a 7 yd. run to make the score 12-7, Bears at halftime. In the second half Sam Schmidt scored on a 28 yd. run and also added the extra point giving the Raiders a 14-12 lead. The Bears came right back and scored on a 7 yd. run by Butschlick making the final score 18-14.

The second game was a battle for first place and the Amerahn Redskins came out on top, defeating the Lions Club Packers 7-6. The name of this game was defense. The majority of this game was played at mid-field as opposing defenses kept the offenses far away from the goal lines, except for one scoring drive by each team. In the first half the Redskins received their only opportunity, scoring on a David Gosa 2 yd. run with Ryan Herman adding the all important extra point and the Redskins led 7-0 at halftime. The Packers opportunity came in the second half as Aaron Kurth scored on a 3 yd. run but the try for extra point was stopped short giving the Redskins a hard fought 7-6 victory.

Games of October 6 have the Packers playing against the Bears at 1:00 p.m. and the Raiders against the Redskins at 2:00 p.m.

Standings	
Amerahn Redskins	3 - 0
Lions Club Packers	2 - 1
Gruber Tool Bears	1 - 2
Regal Ware Raiders	0 - 3

Chris Hansen kicked the extra point.

The Raiders increased their lead to 14-0 halfway through the second period when John Binverse capped off another drive with a 5-yard run. Hansen again converted the extra point and the Indians went into the locker room at halftime down two touchdowns.

Kiel controlled the ball for most of the second half, but while they had the ball for all but two or three minutes of the half, they came up with only one score. That occurred with :39 left in the game when Lepisto found Brian Neils open for a 5-yard touchdown pass.

"Overall, the defense played a pretty decent game," Pearson said, adding that "the offense just couldn't keep the ball long enough to give them a rest."

Still, Pearson had a lot of praise for the Kiel football team. "They were just bigger and stronger than we were," he said. "They would grind out three, four and five yards a play rushing the ball. They were just an excellent ball control team. They just pushed us around."

Dean Meyer led the Raiders with 125 yards rushing on 20 carries. "He was a big, strong kid," Pearson said of Meyer. "He was just a powerful runner." Schweitzer also chipped in 101 yards on 22 rushes.

For the Indians, Jamie Miller had 24 yards on 7 carries, but the other Indians accounted for a minus 3 yards total. Junior quarterback Chad Cook was 3 of 20 passing, but Pearson added "There were some dropped passes, so they weren't all his fault."

Pearson singled out the Heller brothers, Scott and Brian, along with Jason Steilow with "having pretty good games." Also, Mark Felix knocked down a few passes from his safety position according to Pearson.

The loss left the Indians with a 2-4 record overall, and things don't get any easier this Friday night, when the Indians host first-place Two Rivers in their annual Homecoming game starting at 7:30.

Indians 4th in Volleyball Tourney

GRAFTON — A team can't score in volleyball when it doesn't make its serves. It's a smile rule, really, but one that the Kewaskum volleyball team has been having trouble following lately.

More missed serves and some poor passing once again plagued the Indians at the Grafton Invitational here, last Friday and the result was a fourth place finish in the five-team tournament.

"We have to improve our serving and concentration on our passing," Indian coach Dave Rizzardi said regarding the meet. While he didn't have the statistical information on the games, he clearly indicated that "missed serves hurt us."

"We started out real good," Rizzardi went on, explaining that his team led its first round

Panthers Down Indian Spikers

PLYMOUTH — Poor serving, poor passing and being a bit sluggish from a week-long layoff added up to a disappointing loss for the Kewaskum volleyball team here, last Thursday.

"We looked a little bit slow. I think we were a little sluggish," Indian coach Dave Rizzardi said regarding the first game of the match, which Plymouth won 15-10. Plymouth jumped out to a 6-0 lead, but "we had a nice comeback," Rizzardi said, pointing out that the Indians pulled to within 14-10 behind the serving of Rachele Zuehlke.

In the second game, "we had a bit more spirit," Rizzardi noted, although "we still had trouble returning serves. Our passes were going astray." The result was a 15-5 win for the hosts, thereby winning the match.

The Indians came back and played for some pride in the third game, winning it by a score of 15-6. By salvaging the final game of the match, the Indians kept alive one of their goals for the season.

"Our goal is not to lose three games (in a match) to anyone," Rizzardi pointed out. "We did a really nice job in that third game."

One thing Rizzardi wasn't pleased with was the serving. The Indians missed ten serves on the night, as they continued to lack consistency in that area.

"In the first game, that was kind of the key," Rizzardi said. Zuehlke "did a nice job," bringing the team back, he said. "I've seen games where all of a sudden it's 14-14. I really thought we were going to do that," the Indian mentor said. "But missed serves are going to kill you."

Rizzardi had plenty of praise for Zuehlke, who is coming off of an ankle injury. "I think she was one of our bright spots," he said. "She was showing some hustle and some nice serving. It was nice to see her play well." Zuehlke didn't miss any of her ten serves.

"All in all, we seemed out of it from the start," Rizzardi concluded. "It was a struggle to get the passes where we needed them."

The loss dropped the Indians to 4-4 in the Eastern Wisconsin, as Plymouth improved to 4-3. Sheboygan Falls "is still undefeated," according to Rizzardi, with a 7-0 record. New Holstein is in second place with a pair of losses.

opponent, Grafton, 6-1 in the first game. But then the poor serving and passing caught up with the Indians, as did the Blackhawks, who came back to win the game and also the next.

"Right away we played a team that we should have beat," Rizzardi said. "We just couldn't get it to our spikers. We have such good setting and spiking ability, now we just have to work on concentrating better."

The Indians split in their second round match with Brookfield East, and then came possibly the turning point in the competition as the Indians faced a powerful Menomonee Falls squad.

The Indians played quite well in the first game with Falls, and held a 14-10 lead late in the first game. But then more missed serves doomed the Indians, who eventually fell 16-14.

"We really played well in the first game," Rizzardi said of the effort, which could have put the Indians right back in the thick of things if they had won. "But we just didn't put teams away when we had the chance."

The Indians "fell apart in the second game," according to the Indian mentor, and thus dropped both games to Falls.

In the final game against Milwaukee King, the Indians "were playing for pride," said Rizzardi. "We went out and had some fun. They (King) didn't really have an aggressive - type team...not really a good attack," and thus the Indians were able to beat King in two straight games to salvage a 3-5 record for the meet.

Menomonee Falls eventually won the meet with a 7-2 mark, followed by Grafton's 6-3, Brookfield East's 4-4, Kewaskum, and Milwaukee King's 1-7.

Rizzardi had words of praise for Rachele Zuehlke, who continues to play well coming off of an ankle injury. "She's starting to regain her confidence," he said, also praising the efforts of Julie Mertz, who he used more in the tournament. "I really like her defensive ability at the net."

JV, Frosh Spikers Lose to Plymouth

PLYMOUTH — Plymouth's JV and freshman volleyball teams completed a Panther sweep of the Indians in their matches here, last Thursday.

The Indian JV team won their first game against the Panthers 15-10, but then fell apart in the second game, losing 2-15. The third and deciding game was a close one, but the Indians came up just short, 13-15.

"Julie Wagner served well," JV coach Mary Hofeltz reported, also adding that "Erin Fleiss played an aggressive net game." The loss dropped the JV's mark to 4-4 on the year, the same as the varsity.

The Indians freshman, meanwhile, played almost a mirror image of their JV counterparts. The frosh won their first game also, 15-8, but then couldn't put Plymouth away in the final two games, losing 11-15 and 10-15.

Freshman coach Lucy Fremdgen reported that the entire team played very well, adding that Missy Radtke, Michelle Gundrum, Shannon Breit and Ginger Wiesner "had especially good games."

"The girls played a great game," Fremdgen went on to say. "Each game was played with intensity and teamwork." The loss kept the freshman still in search of their first win of the year, as they fell to 0-7.
