Action on Contract Termination Tabled

Board Asks DPI to Reconsider Their Certification Decision

By GERRY MUELLER
Statesman Staff Writer

Monday night's special meeting of the Kewaskum Board of Education was more like a two-hour tennis match than a meeting to resolve a difficult situation. The reason being continuous volleys back and forth between two sides, the Department of Public Instruction and the Kewaskum School District.

At issue was the DPI's decision not to extend the emergency teaching certificate of sixth grade Kewaskum Middle School teacher Robin Foerster, which expired January 25th, until the end of the school year.

On one side the DPI team of Monte Hottmann, Assistant

State Superintendent, Division for Instructional Services and Rob Gibson of the DPI's Licensing Division, serving up reasons why the DPI would not and should not continue the emergency license of Mrs. Foerster. On the other side the Kewaskum School Board, Administrators and parents of sixth grade students giving reasons why the DPI should continue the provisional license for just 90 more days, until the end of the school year.

Before the discussion got into full swing, however, State Representative Michael Lehman, who had been asked to attend the meeting, addressed the group. He expressed his concern telling both sides the issue, first of all, should not have drawn media attention. "If this had been Milwaukee, this would not have been heard or read about. This is something that should have been settled between the DPI and Kewaskum School District, instead it has become a statewide issue."

Lehman said the issue had gotten blown out of what is really best for the kids. He agreed that the DPI has rules it has to follow, but he also noted it had not been out of the ordinary for that same DPI to make exceptions to those rules. "The question is," said Lehman, "what is best for the 90 days and what is best for the students involved."

Rep. Lehman felt both Superintendent Herbert Grover and the DPI have enough authority and power to make the right decision for the students. He said the suggestion by the DPI that 25% of the district's state aide may be withheld for violation of state statutes was uncalled for. When you have to threaten communities with the loss of funding you are putting another wedge between the DPI and public, he said.

Hottmann and Gibson, several times during the meeting, re-affirmed the department's decision not to extend Foerster's emergency license. Reading from the statutes and saying there was an adequate supply of qualified teachers available to fill the

position, they felt there was no reason for the district not to replace Foerster with a properly certified teacher. Hottmann told the board, "Mr. Grover is aware of the situation and agrees with the decision."

Several board members and parents said that certified did not necessarily mean qualified nor did qualified mean certified. One parent who addressed the meeting said Mr. Grover should listen to his own commercials, "put the children first."

Board member Perry Ankerson told Hottmann and Gibson that while he understood their position, he felt the school district, in this instance, was better able to judge Foerster's qualifications to do the job than someone in Madison. "We're not out to break any laws or defy the DPI, we're simply asking for a provisional certificate to allow a teacher to teach our sixth graders."

District Administrator Dr. David Heather told Hottmann and Gibson, "We (the district) followed the DPI's instructions in seeking a replacement for the teacher who is on medical leave." "The post was advertised, we had a candidate who, two days before school started, decided not to accept the position. The post was advertised a second time and by then the applicants had accepted other positions or did not want to teach here, so it became a real emergency." School was beginning and we needed a teacher, KMS principal David Jones then recommended Mrs. Foerster who had substituted at the school many times including the sixth grade class.

Hottmann said, "Even though she (Foerster) has been effective in working with the children, we question the lack of her certification requirements." Jones was emphatic in his support that Mrs. Foerster was

In checking the status of the DPI's review of the Foerster certification issue, it was learned from the District Administration office late Tuesday afternoon that a final decision had been reached.

Monte Hottmann of the DPI has informed District Administrator David Heather that his department is standing by its original decision to deny the request of the district that Mrs. Foerster's provisional license be extended to run until the end of the school year.

REPORT CARDS TO BE GIVEN OUT TUESDAY

Report cards for high school students will be distributed February 5th. The report cards will be given to the students during homeroom. For further information or questions call 626-2166.

Governor Approves Kewaskum Bridges Reconstruction

Governor Tommy Thompson has approved a \$426,000 contract to replace two bridges on US 45 in the village of Kewaskum.

The contract was awarded to Lunda Construction, Inc. of Black River Falls to remove and replace the box culvert spanning a tributary of the Milwaukee River at the north village limits of Kewaskum. The contract also involved the reconstruction of approaches and the removal and replacement of the bridge spanning the west branch of the Milwaukee River, located on US 45 near the Fond du Lac and Washington county lines.

Reconstruction of the box culvert will require US 45 to be closed to traffic for about six weeks. Construction is expected to begin in July.

The second structure, a

single span, 44-foot wide bridge, will be built next to the existing one to allow traffic to remain open on US 45. Construction is expected to begin in March. Traffic may experience occasional lane closure when construction crews reconstruct and realign bridge approaches. Completion is anticipated in July.

"These new structures, with full shoulders, extended beam guard and increased load rate will improve safety and convenience for motorists traveling this important north-south route," said Robert Packee, director of the Department of Transportation's southeastern Wisconsin district, which includes Fond du Lac and Washington counties.

State transportation funds will provide all of the costs for both bridge projects.

Conditional Use Permits To Be Recommended

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Plan Commission, last Tuesday night, voted to recommend the approval of conditional use permits affecting two separate properties on the south side of the village.

The first request came from Charles Serwe who is seeking the permit which would allow him to operate a business for the sales and service of new and used automobiles at 885 Prospect Avenue, the former Laubenstein & Son Lawn and Garden property.

The second application came from Shefond Oil to allow for a gas station/convenience store being proposed for the vacant former Honeck truck lot at 890 Fond du Lac Avenue.

The commission also reviewed a petition for annexation of seven properties along Old Fond du Lac Road, on the northern village limits and the recommendation of zoning classifications for properties involved.

All four items will be forwarded to the Village Board with recommendations for public hearings and approval.

Farmington Spa Plans Still In Limbo

By GERRY MUELLER
Statesman Staff Writer

Following a meeting last Wednesday evening, members of the Town of Farmington Plan Commission decided to hold off making any recommendations to the town board regarding plans for the luxury spa being proposed by Wes Pavalon and the Rosebush Trust.

Approximately 70 residents again appeared at the meeting noting both concerns and objections to the project.

One resident said the new plans were altogether different than those presented at the December 19th informational meeting. As had been noted at that time and re-affirmed by

Michael Bamberger, Attorney for the Rosebush Trust, Wednesday night, the plans presented at the December meeting were only preliminary.

Despite the fact that Wednesday's meeting was not a public hearing Commission Chairman Francis Mayer said there would be time at the conclusion for citizens to address their concerns.

The end result of the meeting was that the commission decided to table action on the plans and not forward any recommendation to the town board until it had received answers to more questions it had for the developers.

Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, February 4th from 8:00 a.m. to 4:00 p.m. and also 4:30 p.m. to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, February 5th from 8:00 a.m. to 4:00 p.m. only.

All registrations will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1991. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents/guardians of bus pupils will need their section number and fire number as well, to fill out bussing forms. You will also receive the necessary health forms.

I should like to impress upon you the importance of registering your child on either of these two days so that we may plan for them and know staff requirements for next year.

If you know of any new families in the district, please pass this information on to them.

Kleinke Honored

Marvin C. Kleinke receiving the Modern Woodmen plaque from Ruth Weddig, Secretary, Modern Woodmen.

Marvin C. Kleinke was recently honored by the Modern Woodmen of America at their community recognition dinner held at Kewaskum Labor Center for his many contributions to our society.

The following acclamation was given by Ruth Weddig, secretary MWA.

Marvin C. Kleinke was born in Shawano, on January 24, 1914 to William and Amanda Kleinke. He has three brothers and one sister. Marvin attended school in New Fane, Lake Fifteen School (near Auburn Lake) and Campbellsport.

Marvin married Delores Heberer on Oct. 27, 1945, after serving in the U.S. Airforce for

three years in the South Pacific during World War II. He is the father of five children, Charles of West Bend, Earl of Kewaskum, Clifford of Eau Claire, Edmund of Kewaskum, Yvonne of Knoxville, Tenn., Annette of Cudahy, Suzette of Eau Claire and Claudette of near Campbellsport; 15 grandchildren and anticipating two more in the near future.

Marvin retired from A.O. Smith Corp in Milwaukee in 1976 after 33 plus years and was a janitor at the Kewaskum High School for several years and has a janitorial job at present at the American Legion Hall here in Kewaskum.

Marvin and Delores are

members of St. Lucas Congregation in Kewaskum. He held office as deacon in the New Fane Church and as Financial Secretary at the St. Lucas Church for several years, was a member of the Dart Ball team at the church for a number of years, and secretary for the Eastern Wisconsin Lutheran Dart Ball League for several years. He also played dart ball with teams at the Amerahn.

Marvin is a member of the Kewaskum Lions Club, the Kewaskum Historical Society and the American Legion Society of Kewaskum. He held several offices and was on the executive board of the American Legion for many years. He is also a member of the Voiture 4 et 8 Club. He donated blood for the Blood Bank for many years, worked as a volunteer on the monthly Paper Drive, was a helper on the fund-raiser for the Kiwanis Turkey Shoot for many years. He has delivered meals for the Nutrition Program and assisted Senior Citizens with transportation for shopping, therapy and other trips, raises flowers as a hobby and cheers the elderly with bouquets of them.

His hobbies are golfing, traveling, gardening, home mechanics, T.V. and resting. In his younger days, Marvin and his three brothers made up the "Mandy's Quartet" of song.

Marvin and his family were hosts to an A.F.S. student, Basma Marju Nimri of Ammon, Jordan, several years ago.

Marvin is still very active in many activities and his wife says she hasn't found any way to slow him down.

School Board

well qualified to do the job. "She is a certified teacher, she had credits for the subjects she is teaching, it is simply that she does not have as many as required for this academic license. I find her very capable of handling the academic rigors of this position."

Ankerson asked Heather if he had received any complaints that the district has a teacher that is not certified. Heather replied, no. "The school board hasn't received any complaints either," said Ankerson. He then asked Hottmann and Gibson if they had received any complaints. "We have been contacted by a member of the teachers' union saying he wanted to see the position filled with a certified teacher," said Gibson. "Mrs. Foerster is a member of the union isn't she," asked Ankerson. Heather said 'yes.' "I can't believe that a union member would ask to have a fellow union member terminated," said Ankerson.

Board member Ruth Schmitt stated, "I believe the DPI has considered only one factor in making a decision in this situation, certification." "Mr. Hottmann was invited to visit the classroom and determine if learning was taking place, he declined," said Schmitt. "Two wrongs don't make a right," said Schmitt, "first you apparently feel you made a mistake in originally issuing the certificate and now you want to pull that teacher."

"I guess it's my responsibility as to why we're here tonight," said Heather. "I truly

expected the DPI to grant the license for one year as has been done in the past." "I want the DPI to know we followed their recommendations in seeking a replacement and I guess I wouldn't have done anything different. I'm saddened by the turmoil Mrs. Foerster had had to endure."

In concluding his comments, Ankerson said, "I would like to ask Mr. Hottmann, what your recommendation will be to Mr. Grover." "I'm going to discuss the situation tomorrow with Mr. Gibson and his supervisor and we will make a recommendation," Hottmann stated. "That sounds like a very political answer," replied Ankerson. Hottmann told Ankerson he did not like that statement, "I'm telling you now, I will not tell you what my recommendation will be."

President pro-tem John Schulte asked Hottmann and Gibson how soon the district would receive an answer on its request that the DPI reconsider its decision. "If Mr. Grover is available tomorrow I will talk to him and get back to Dr. Heather with our decision." After what you have heard tonight in support of Mrs. Foerster we sincerely hope you change your recommendation, noted Schulte.

"Until we hear from the DPI, I think we should table action on terminating Mrs. Foerster's contract and hiring a replacement," said Schulte. Schulte asked Heather, since the license had expired, where that left the district. There will be class as usual however, Mrs. Foerster will not be teaching, noted Heather.

Jacobs - Clarkson

Doreen K. Jacobs and Thomas C. Clarkson exchanged vows of Holy Matrimony on September 29, 1990 during a 3 p.m. ceremony at Mt. Zion Lutheran Church in Ripon. Pastor C. S. Hollerup performed the ceremony.

Parents of the couple are Mr. and Mrs. Roger Jacobs of Kewaskum, and Mr. and Mrs. Thomas E. Clarkson, of the Wisconsin Dells.

The bride chose her sister Wanda, as her maid of honor. Bridesmaids included the bride

and grooms sisters, Denise Walsch of West Bend and Kelsey Clarkson of Wisconsin Dells.

Lund J. Cooley, friend of the groom served as best man. Groomsmen were Scott Schreiber of Sheboygan and Bob Gary of Chicago.

The miniature bride and ring bearer were Stacy Walsch and Christopher Walsch, niece and nephew of the bride.

A reception and dance was held at the Heidel House in Green Lake.

The bride is a 1984 KHS graduate, and 1988 Ripon College graduate and is employed as a Marketing Administrator for Care Dental Group.

The groom is an '83 Wisconsin Dells High School graduate and '87 Ripon College graduate, and is an Account Representative for Georgia Pacific.

The couple enjoyed a honeymoon trip to Key West, Florida, and are residing in Dana Point, California.

Enright - Pesch

The marriage vows of Julie Ann Enright and Jon Louis Pesch were exchanged October 20 at St. Lucas Lutheran Church, Kewaskum.

Parents of the couple were Gerald and Cordell Enright of Kewaskum and Richard and Shari Pesch of Kewaskum.

The maid of honor was Diane Kohn, friend of the bride. Bridesmaids included Lori Pesch, sister of the groom, Laurie Oresnik and Aggie Theusch, both friends of the bride, and Debbie Enright, sister-in-law of the bride. Junior bridesmaid was Nicole Enright, niece of the bride.

Mike Wiedmeyer, friend of the groom, was best man. Groomsmen included Scott Pesch, brother of the groom, David Enright, brother of the bride, Todd Wiedmeyer and

and Dan Dorzok, both friends of the groom. Junior groomsman was Jesse Reuter, son of the bride.

Ushering duties were shared by Scott Enright, brother of the bride, and Brian Pesch, brother of the groom. Church greetings were done by Heather and McKenzie Downs, both cousins of the groom.

Drivers for the wedding included: Dave Bielinski, John Mertzig, Doug Prunty, Dave Jandre, Rod Wiedmeyer, and Brian Pesch.

The bride is employed as an administrative assistant for Deluxe Data Systems, Brown Deer. The groom is employed as an auto body technician for 5 Corners, GMC, Cedarburg.

Following a honeymoon in Florida, the newlyweds reside in Kewaskum.

Women's Week Service at Peace Church

"Women's Week," an annual celebration of the United Church of Christ, will be observed at the 9:30 a.m. Sunday service on February 3 at Peace United Church of Christ in Kewaskum.

The entire service will be presented by Peace Church women as they depict their roles of participation, leadership, and partnership in local Christian witness.

The service, entitled, "Women Empowered and Blessed," was planned by a committee of Peace Church Women's Guild, working with Rev. James Bettin.

Committee members were Nancy Panzer, Bunny Scannell, and Betty Bettin.

The "sermon" on Feb. 3 will consist of six presentations by the following women: Kathy Charland, member of the Board of Christian Education, Margaret McFadden, representative of the choir and music ministry, Connie Zemlicka, vice-president of the church consistory, Phyllis Bade, president of the Women's Guild, Bunny Scannell, representative to the area Church Women United, and Darlene Tessar, a two-year volunteer on the Peace Church Habitat for Humanity work crew.

A dramatic litany will involve Shelley Pennington, Lorna Glass, Linda Kroncke, Gayle Van Ess, Darlene Tessar, and Betty Bettin. Special music will be presented by Sherry McElhatton, soloist and by Shelly Pennington, directing

the children's choir.

Other women participating in the service will be Ruth Schmidt, Nancy Panzer, Jacqueline McCurdy, Vicki Fenrick, Ruth Taylor, Holly Knurr, Marion Erdmann, Aleta Stautz, Erma Markus, Lorena Wagner, Lorrie Tessar and

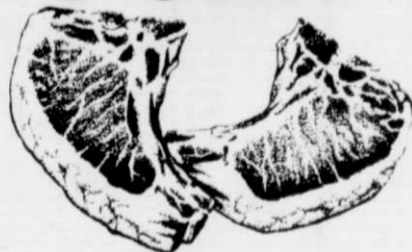

Renetta Schwind. A special banner for the event has been created by Connie Zemlicka.

All members and interested friends of Peace Church are invited to share in this gift of the women to their Christian Community. A fellowship hour will follow.

Blahs Buster At Long Lake

"Winter Golf" is scheduled for Long Lake on Saturday, February 2nd. A nine hole course has been laid out starting and ending at Benson's Hide-A-Way located at the north end of the lake. Teams of four "golfers" will attempt to drive colored tennis balls from tee to snow bunkered greens.

"Golfers," amateur and professional alike, are welcomed. The course will be open from 11 a.m. till about 3 p.m. Top team trophies and individual prizes will be awarded. Twenty or more teams have indicated they are raring to go, according to Fishing Club president, Dick Edwards.

The Long Lake Fishing Club is sponsoring this fund raising event to benefit the club's walleye stocking program. In 1990 the club stocked 4500 three inch and 2600 six to eight inch walleye fingerlings in Long Lake.

Call 533-4430 for tee times or for more information.

Marty graduated from West Bend East High School in 1985. He is employed at Charter Rolling in Saukville.

The couple is planning a November 16, 1991 wedding.

Letters to The Editor

Letter to the Editor:

Does it really make a difference? I don't think it does which color ribbon, yellow, orange, royal blue or white. At a prayer meeting, praying for peace and the safety of our troops, we received a white ribbon.

In September the Vietnam Vets adopted the royal blue ribbon. When my son came home from service he had a royal blue ribbon with a for-get-me-not flower on it. This is what he received at boot camp. On T.V. they showed an orange ribbon for support groups and a yellow ribbon was for hostages. The thing is no matter what color the ribbon, our flag is still red-white and blue. These are the colors which are most important. These are the colors that give us the right to say and do as we want. To display our flag proves enough that we support our country. We stand behind it for our freedom.

We wouldn't want this taken away from us. So let's get involved, if only by displaying a flag or tying a ribbon. As the saying goes, "United we stand, divided we fall." Lets not fall!

Dear Editor:

I would like to respond to the

poem published in your paper from The American Legion Post #384.

We must remember that our flag is only a symbol of our country. We must also remember that our country is not so high and almighty that it can no wrong. If my country did something so wrong that I was thoroughly disgusted, I would burn my country's flag in public protest whether I had the legal right to do so or not.

EDITOR'S NOTE: Yes, our country's flag is only a symbol... a symbol of freedom... without which, certain letters would never have a chance to be published, much less written. If one does not "enjoy" these freedoms or cannot comprehend their value, perhaps one should try living in a country that will not tolerate freedom of speech. Even if you do not totally agree with everything your country does, you still owe that country at least one thing... RESPECT! If you have no respect for your country's symbol of freedom, you do not respect or believe in the value of the freedoms for which it stands!

BOY SCOUTS DEN REPORTS

DEN 1 — At our meetings we made nut cups and name cards for the Blue and Gold Banquet and we learned how to tie 3 knots.

Last Monday we went roller skating at Skate Country. It was fun but my feet were very sore.

On Saturday our Den went bowling at King Pin Lanes and after we were done bowling we had pizza.

Luke Piwoni

DEN 2 — We worked on blue and gold things. We went rolling skating with the pack. It was fun.

Jeremy Gerlach

DEN 3 — We went skating. Work on nut cups for blue and gold, and our name places.

Josh

DEN 4 — This month in our Den we made a toolbox out of

wood and stained it. Last week we made a game to play with at home. We also made decorated peanut cups. The whole pack went rollerskating with their family at Skate Country.

Nathan West

Then there was the wife who had trouble seeing eye to eye with her husband on some subjects — there was an eight inch height difference.

Beechwood Fire Dept. Holds Annual Appreciation Dinner

The Beechwood Fire Department Auxiliary President Jan Hartmann presented Department President Floyd Klug and Fire Chief Roger Vetter with a check for \$1,500. The money is to be used for Fire Department equipment and meeting room furnishings. The department wishes to extend their thanks to the Auxiliary for the wonderful gift.

On Jan. 12, 1991 the Beechwood Fire Dept. held its annual appreciation party for 125 persons including members and all volunteers that helped at the annual picnic.

The new officers for 1991

were introduced: James Vetter - 1st Asst. Chief; LeRoy Reysen - 2nd Asst. Chief; Mark Muench - Lieut. - Training Officer.

Board of Directors: Floyd Klug - President; Mark Muench - Director.

Beechwood Fire Dept. Holds First Meeting in New Addition

On Jan. 3, 1991, the Beechwood Fire Department held its first meeting in their new addition. The new building will be used for meeting and training. It is a 30' x 48' building that cost \$45,000.

The main station, a 48' x 84' building was completed in January, 1987. Both buildings were paid for by money from the annual picnics and the "Bowling for Dollars" which is held in April. No tax dollars were used to pay for this building.

The Annual Firemen's Picnic will again be held on June 29 and 30, 1991.

Gallery Lecture And Reception

The West Bend Gallery of Fine Arts will offer a gallery lecture and opening reception in conjunction with the exhibition "Selections from the Bergstrom-Mahler Art Museum Glass Collection" on February 3, from 1:30 to 4 p.m. Guest speaker will be Jan Smith, Curator of the Bergstrom-Mahler Museum in Neenah.

This exhibition, on loan from the Bergstrom-Mahler Museum, offers a focus on glass artists who concentrate on the paperweight form, and have been influenced by antique designs of the mid-1800s. Also included in this exhibit is a group of contemporary glass weights and small sculpture that takes a non-traditional approach to the paperweight form, demonstrating more influence of the studio glass movement.

Ms. Smith's lecture will begin at 2 p.m. This lecture and reception is open to the public and reservations are not necessary. A free-will donation is suggested.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue, in downtown West Bend. Gallery hours are Wednesday through Saturday, 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. There is no admission charge.

'The Ghost of John Wolf'

By James Andre

Many times in the past years as I drove on Hwy. S, near the north village limits, I saw, or imagined I saw, an old man walking on the road with a jug in his hand. Several times I turned around but when I got to the place I had seen him he had disappeared. A few times I saw him coming out of the Opera House, Saloon, always with a jug. I have always wondered if anyone else has had a similar experience in the area.

Recently I received information from Armond Schaefer of West Bend which convinced me I was not dreaming. He sent me an item from the Kewaskum Statesman of December 1896, "Died-Wolf-Monday, Dec. 7, 1896, at noon on East Water Street, John Wolf, 85 years."

"The deceased was one of the first settlers here and has always resided upon the land where he died and wished to be buried there. His wife passed away about twenty years ago. Since that time he has lived alone in a small cabin near Val Dreher and upon a parcel of land now owned by Dreher as a result of attention and care bestowed upon the deceased by Val Dreher during John's last years."

"The old gentleman had been failing fast of late and for thirty days prior to his death he partook of no nourishment except wine, which was his favorite drink. He was cheerful to his last day. The funeral took place at 10 a.m. last Thursday with interment in a corner of the land upon which he had lived so long and wanted to be buried on. The simple burial services were conducted by friends of John with naught save charitable inclinations to direct them. The cold winter winds closed a simple Requiem as the last shovel of ground covered his grave. Good Bye, old friend, we will miss you."

SUPERCASH! Begins Feb. 4

MADISON... Monday, February 4, will be the first day of sales and the date of the first drawing for the Wisconsin Lottery's new on-line game, SUPERCASH!, according to Lottery Executive Director William F. Flynn, Jr.

SUPERCASH! will be sold by 1,795 Wisconsin Lottery retailers who have lottery computer terminals, along with Wisconsin's MEGABUCKS Lotto* America. "SUPERCASH! is a game many Wisconsin players have eagerly awaited.

"SUPERCASH! is played every day and offers a top prize of \$250,000, paid in a lump sum.

"SUPERCASH! is also the first on-line lottery game played exclusively in Wisconsin, so while 15 lotteries, including Wisconsin, pool sales for a big jackpot every Wednesday and Saturday in MEGABUCKS, the SUPERCASH! game will be played only in Wisconsin," Flynn explained.

SUPERCASH! players choose two seats of six numbers between 1 and 36 for \$1. The numbers may be either player selected or randomly chosen by computer.

"SUPERCASH! players may play for between one and seven consecutive drawings when they buy a ticket.

"We wanted to make playing SUPERCASH! convenient for players, especially for people who don't make daily visits to a store," Flynn noted.

"The top prize of \$250,000 is the largest prize offered by any daily game in the entire midwest.

"Unlike many on-line games, if there is one 6 of 6 winner or 20 6 of 6 winners in a single drawing, each winner will receive the \$250,000 top prize. If there are 21 or more winners in a single drawing, the winners will divide \$5 million equally.

"Regardless of how many winners match five numbers, each wins \$500. Similarly every winner who matches four receives \$25," Flynn continued.

"The drawing equipment has been thoroughly tested and is

ready for that first drawing at 10:23 p.m. February 4," Flynn said.

The drawings will be conducted in Milwaukee and telecast over a seven station television network which includes WISN-TV, channel 12 in Milwaukee; WISC-TV channel 3 in Madison; WXOW-TV channel 19 in La Crosse; WQOW-TV channel 18 in Eau Claire; WAOW-TV, channel 9 in Wausau, WFRV-TV channel 5 in Green Bay and KBJR-TV channel 6 in Duluth-Superior.

SUPERCASH! tickets are sold during regular lottery computer terminal sales hours: 6 a.m. to 11 p.m. seven days a week. Tickets purchased by 7:59 Monday, February 4, will be valid for the initial drawing.

I am really looking forward to February 4, because I think SUPERCASH! is going to be a big hit here in Wisconsin," Flynn remarked.

Deadline Nears for Literary Contest

February 15 marks the deadline for entries in the University of Wisconsin - Fond du Lac Literary Contest. Area high schools may submit up to 2 entries in the following areas: fiction, non-fiction, and poetry. All entries will be judged by the English faculty at UW-Fond du Lac.

The winner of the competition will receive a \$250 scholarship to any college or university in the country. The scholarship will be provided by the "Fond du Lac Reporter." Winners of each category will receive a \$25 gift certificate donated by WaldenBooks.

Students interested in receiving additional information should check with their high school English teachers or call the Dean's office at UW-Fond du Lac at 929-3602.

No matter how hard things seem, you haven't been unlucky all your life...just up to now!

UWVC Women Keep Rolling

By Statesman Sports Writer

WEST BEND — The UWVC women's basketball team continues to pile up victory after victory. The Wildcats' latest win came last Wednesday, as they romped to a 59-36 win over UW-Richland Center.

Despite the win, UWVC coach Tom Brigham still has some worries on his mind.

"I'm concerned over these ankle injuries," Brigham said, noting that two more of his troops turned over ankles in the win. "I can't afford to lose anybody, seeing as how we have just eight players now."

The Wildcats' two main offensive weapons this season, center Jenny Meyer and guard Rocky Justman, each had to sit out for a while against Richland with twisted ankles. This comes only a week after backup guard Lisa Gardapee missed a few games with a slight ankle sprain.

Fortunately for Brigham and the Wildcats, none of the injuries are deemed serious, as both Meyer and Justman returned to action, and Gardapee also has begun practicing with the team once again.

The Wildcats didn't help to relax their coach any as they connected on just 29 percent of their field goal tries against Richland. But a whopping 53 rebounds proved to be the difference in the game.

"That was the ballgame right there," Brigham pointed out. "We didn't shoot very well at all. There was a lid on the basket."

Still the Wildcats were able to take a 30-14 halftime lead, thanks to some good defensive play. From that point, it was just a matter of Brigham getting all of his players some playing time.

"I was happy that everybody got to play," the UWVC mentor said, adding that forward Julie Best made the most of her action, scoring 11 points and grabbing 12 rebounds.

"She had a very good game,"

he pointed out, regarding the Hartford native. "That was probably the most aggressive she's played all year. It was very promising."

Meyer also did her part, netting 21 points, while Justmann chipped in 10 points and Heidi Wagner had 15 rebounds. Jenny Jankowski also connected for a pair of three-pointers to help the Wildcat effort.

The win improved UWVC's record to 12-3 on the year, including 8-1 in conference play.

Hawthorn Hills Scout Outing

Boy Scouts of Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will converge on the terrian at Hawthorn Hills, County Trunk I, Fredonia, Friday-Saturday, Feb. 8-9, for their annual Winter Outing. Cost is \$3.50 each and a \$10.00 Troop deposit is required; make checks payable to Bay-Lakes Council BSA and send to reservations to Outing Chairman, Rick Buth, 205 Mayfair Drive, Port Washington, WI 53074.

Locations named after Alaskan cities will be the center of the following events: Pull The Right Strings, Cold Cuts, Blood & Guts, Knots Landing, Ice Ice-Baby, Orient Express, Lint on a Shingle and Curly Schuffle. The Patrol System will be used for competition and meal preparation.

Three judging trophies, the Traveling Sledge Trophy and the Best New Patrol Award will be presented. Participation patches and Troop ribbons will also be given.

Units who wish to earn the Polar Bear Patch by sleeping out on Friday night, must call Buth at 284-5363.

Moody Film to Be Shown At Campbellsport Church

MOODY!, a dramatic motion picture from Quadrus, is the unforgettable story of an ordinary man who changed the course of thousands of lives because of his extraordinary faith in the power of God. The film is a biography of the 19th Century evangelist and reformer who started the Sunday School movement, helped start the YMCA and founded several schools bearing his name, including the world-famous Moody Bible Institute of Chicago. An estimated one hundred million people heard D.L. Moody in person.

This film, on the life of D.L. Moody, will be shown at The Campbellsport Community Center on Sunday, Feb. 3 at 7:30 p.m. (163 E. Main)

This story, filmed on location in Chicago and Northfield, Massachusetts, depicts highlights from Moody's remarkable career, featuring exciting scenes of the great Chicago fire, poignant episodes of Moody's self-doubts and heartaches, as well as his triumphs over tragedy.

The public is invited to the movie. There is no admission charge. For more information, phone 533-4516.

Hebbring Hotel Registers Lakes Win Over Kewaskum

Menomonee Falls — Menomonee Falls Hebbring Hotel eked out a close 105-103 win over Kewaskum here Sunday night, extending Kewaskum's losing streak to 22 games over parts of three seasons. Kewaskum's last win was 126-109 over Thiensville - Mequon on February 5, 1989. With the win, the Hotel takes over sole possession of third place at 3-2.

A big third quarter put Kewaskum in position to win this one, but they couldn't turn the trick down the stretch. The Falls took a commanding 36-17 lead at the quarter and maintained a 61-44 lead at halftime. Kewaskum came back with a big 39-20 third quarter to lead by two, 83-81. However, the Falls had a four-point margin in the fourth quarter to win by two.

Hebbring shot 64.0 percent from the charity stripe on 16 of 25, compared to Kewaskum's eight of 15 for 53.3 percent.

Mike Ehlen provided room service action for the Hotel with 29 points, followed by Nick Nellis with 24, Pete Fredrich 19, and Mark Sievers 16. Kewaskum's Tony Pirozzoli took game scoring honors with 32 points, followed by Randy Tennes with 24, Dan Pace 18, and Dan Gibbon 16.

Due to Super Bowl Sunday, Kewaskum will host Hartland Saturday evening at 8:00 p.m. at the high school fieldhouse.

The Rainbow Bar north of Mayville on Cty. Trk. V, operated by Mr. and Mrs. Lyle Swarthout, former residents of Kewaskum, was the scene of a holdup last Thursday with two masked gunmen netting \$225 and six bottles of liquor, according to a report by Dodge County Sheriff Robert Schultz. Mrs. Swarthout is a sister of "Bud" Korth, proprietor of Hon-E-Kor Country Club in Kewaskum and is also employed in Kewaskum as a personal secretary to L.N. Peterson at Regal Ware Inc.

Mrs. Patricia Schmidt of R. 2, Kewaskum, was contacted at her home by an agent of leading Hollywood writers and producers. He tried to convince her she was a natural born writer. He failed to convince her she was a natural born writer. He failed even after several visits and phone calls. To Mrs. Schmidt this was too unbelievable to be true. A year passed, she thinking nothing gained, nothing lost. Approximately a month ago Schmidt sent a play she is author of to a leading Hollywood production corp. Last week she received a contract from this corporation to have her play (with her written permission) developed into a TV screen play and for use on radio, television and motion pictures. Mrs. Schmidt the former Jean Elwing of Campbellsport, is married to William R. Schmidt and the mother of three children.

Mr. and Mrs. Kilian Honeck, Kewaskum, have been informed by William Welti, academic dean of Lakeland College, Sheboygan, that their daughter Beth, a freshman at the school, has been cited for her academic excellence for the first semester of the 1965-66 school year. Men outnumber women at Lakeland but again the wily co-eds proved themselves smarter than the male students. Twenty-three of the 39 students earning places on the Dean's List were women.

Following Wednesday's snow temperatures dropped to 15 degrees below zero Thursday morning and stayed well below the zero mark all day. The severe cold was accompanied by 28 mile-an-hour winds, making the frigid air felt all the more.

Mrs. Catherine Harter, a resident of this village many years, had the rare distinction of observing her 92nd birthday anniversary on Monday, Jan. 27, at St. Agnes Hospital, Fond du Lac, where she is confined. Mrs. Harter, more familiarly known as Aunt Kate Harter, has numerous relatives and friends in Kewaskum and vicinity who will join us in offering birthday greetings.

Howard Schmidt, son of Mr. and Mrs. George Schmidt of this village, seaman first class in the U.S. Naval Communications Reserve, was ordered to report for active duty at the Naval Reserve Armory at Indianapolis on Jan. 27. He was given a physical examination there on Tuesday but failed to pass same because of his eyes, which did not come up to the standard required by the Navy. Howard returned to Kewaskum and will remain at home for the present.

Otto Backhaus, local ice dealer, employed a crew of men last week to assist him in the annual ice harvest. The ice was cut on the Milwaukee River, just above the site of the old dam and was stored in Mr. Backhaus ice house. The ice is of pretty good quality this winter measuring 13 to 14 inches in thickness, although the weather has been mild. This week Mr. Backhaus has men filling the private ice houses of Mrs. Wm. F. Schultz and George Kippenhan.

Warren White of Dundee broke his left leg playing basketball at Armstrong last Friday evening.

Miss Margaret Pesch of Campbellsport, teacher in the Virgin Creek School, Town of Auburn, sustained a fractured right leg when the toboggan on which she was riding struck a gully and capsized Sunday afternoon. Miss Pesch was tobogganing with members of her family and friends near Long Lake when the accident occurred. Other members of the party were bruised.

Mr. and Mrs. Orville Puetz, Elmore, are the parents of a baby girl born Friday.

Local friends were entertained at the home of Mr. and Mrs. Harold Marx and daughter Judy, Friday in honor of the former's birthday anniversary.

The Campbellsport depot for the second time within six weeks was robbed, this time during daylight on Thursday afternoon between 12:55 and 1 p.m. No trace of the thief or thieves has been found. The deed was done while baggage man Eugene Glass left for another part of the building to get a scuttle of coal. Carl Beck, the second trick man, was the first one to discover the robbery. Mr. Beck reports for work at 1 o'clock and upon entering the office found that the office door and cash drawer were pried open. He found that all the money in the cash drawer was missing which amounted to \$84.90.

Last Monday a peculiar accident happened to one of the men employed by F. Rose, who is digging a well for Louis Falk at Myra, Wis. Mr. Rose and his son were not present at the time, having left for their home near Kewaskum, during their absence. Eugene Haessly also employed by Mr. Rose and John Falk, a son of Louis Falk, proceeded to go ahead with the digging. Mr. Haessly directed the Falk boy to get a ladder in order to put up the tackle on the three pole, which stands about 12 feet above the center of the well. But regardless of what the boy was told he proceeded to climb up the poles instead of

using the ladder as cautioned and in doing so lost his hold and fell into the well, a distance of 48 feet. After the young man was taken from the well it was found that he was uninjured, which seems remarkable considering the great distance he had dropped.

On Friday morning shortly before going to press the stork hovered over the home of the Editor and left an eight-pound baby girl. That the parents are happy with this addition to the family is a foregone conclusion.

Mr. and Mrs. Albert Butzke, New Prospect, had a beautiful china closet built in their house last week by Will Molkenthine of West Bend.

On January 13, a gloom spread over St. Michaels when it became known that Gerhard Junk had passed the great divide. About two weeks before he was taken sick with the Grippe, but his condition was not considered serious until on the last day a paralytic stroke brought his earthy career to an end.

Minutes of Village Board Meeting

Village of Kewaskum
Plan Commission
January 22, 1991
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger called the meeting to order. Members present were Donald Mlodzik, Jeffrey Rohrer, Gerald Stollenwerk, Gary Gavin. Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Plan Commission Members absent were Raynor Hergiges and Mark Slangenhuop.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Donald Mlodzik, seconded by Jeffrey Rohrer and unanimously carried by voice vote the Commission approved the minutes as printed for November 28, 1991.

The Commission reviewed the request of Charles A. Serwe for a conditional use permit to allow for the sales and service of new and used automobiles in a B-2 General Retail and Service District.

On a motion by Gerald Stollenwerk, seconded by Donald Mlodzik and unanimously carried by voice vote the commission recommended the granting of the conditional use permit to Charles A. Serwe for the sales and service of new and used automobiles in a B-2 General Retail and Service District and sent the matter to the Village Board for public hearing. This request is for parcel known as V4-617 or 885 Prospect Drive.

The Commission reviewed the request of Shefond Oil for a conditional use permit to allow for a gas station/convenience store in a B-2 General Retail and Service District.

On a motion by Jeffrey Rohrer, seconded by Gary Gavin and unanimously carried by voice vote the commission recommended the granting of the conditional use permit to Shefond Oil for a gas station/convenience store in a B-2 General Retail and Service District and sent the matter to the Village Board for public hearing. This request is for parcel known as V4-619 or 890 Fond du Lac Avenue.

The Commission reviewed the petition for annexation for Old Fond du Lac Road. The Zoning Administrator and Administrator reviewed the Commissions options regarding temporary and permanent zoning classification.

On a motion by Gerald Stollenwerk, seconded by Jeffrey Rohrer and unanimously carried by voice vote, the Commission recommended the temporary zoning classification of R-2 Single-Family Residential District on the eight (8) parcels of land being annexed knowing that the lot described in vol. 687 pg. 582 / less vol. 730 pg. 483 would be a nonconforming use, but is allowed as a conditional use. It was also noted that at some future date a more appropriate zoning classification should be considered.

On a motion by Gary Gavin, seconded by Donald Mlodzik and unanimously carried by voice vote, the Commission recommended the permanent zoning classification of R-2 Single Family Residential District on the eight (8) parcels of land being annexed knowing that the lot described in vol. 687 pg. 582 / less vol. 730 pg. 483 would be a nonconforming use, but is allowed as a conditional use. It was also noted that at some future date a more appropriate zoning classification should be considered.

On a motion by Donald Mlodzik, seconded by Gerald Stollenwerk and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

Hunter Safety Course Offered

Make hunter education a family affair!

Ken Stuart, Rick Heisler, Bill Prost and Jeff Linsley, Wisconsin DNR certified hunter safety instructors, invite all people interested in hunting and recreational shooting to enroll in a hunter education course.

The course will start February 20, and be held each Wednesday at 6:30, at the Sportsman's Clubhouse in Elmore. The course is sponsored by the Campbellsport Sportsman's Club, assisted by DNR Warden Doug Bilgo.

Students must be 11 years old to enroll (or reach 12 prior to fall hunting season). There is no maximum age. Parents are encouraged to enroll and participate with their children.

Advance registration is requested. Please contact Ken Stuart at 533-8470, Bill Prost at 626-4686, Rick Heisler at

533-4955, or Jeff Linsley at 533-5110 for details. The course fee is \$5.00 which covers all necessary materials. Students must be accompanied by one parent or guardian on the first night of the course.

Persons successfully completing the course will receive an embroidered patch and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces. Young students certified will also be able to hunt and use firearms without parent or guardian present at age 14 instead of 16.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Dr. Anthony Schlaefer of Campbellsport will conduct hunter vision screening tests for all students as a public service.

MEETING NOTICE

The Finance-Transportation-Buildings and Grounds Committee will meet at 6:00 p.m. on Monday, February 4, 1991 in the administration offices at 1450 School Street, Kewaskum.

Anticipated agenda items include the following:

1. Call meeting to order - Mr. Seymour
2. Ventilation changes - KHS
3. Locker room repairs - KHS
4. Recycling paper - District
5. Review present waste disposal - District
6. Discuss sewer back-ups at KHS

Minutes of Village Board Meeting

Village of Kewaskum
Plan Commission
January 22, 1991
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger called the meeting to order. Members present were Donald Mlodzik, Jeffrey Rohrer, Gerald Stollenwerk, Gary Gavin, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Plan Commission Members absent were Raynor Herges and Mark Slangenhoup.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Donald Mlodzik, seconded by Jeffrey Rohrer and unanimously carried by voice vote the Commission approved the minutes as printed for November 28, 1991.

The Commission reviewed the request of Charles A. Serwe for a conditional use permit to allow for the sales and service of new and used automobiles in a B-2 General Retail and Service District.

On a motion by Gerald Stollenwerk, seconded by Donald Mlodzik and unanimously carried by voice vote the commission recommended the granting of the conditional use permit to Charles A. Serwe for the sales and service of new and used automobiles in a B-2 General Retail and Service District and sent the matter to the Village Board for public hearing. This request is for parcel known as V4-617 or 885 Prospect Drive.

The Commission reviewed the request of Shefond Oil for a conditional use permit to allow for a gas station/convenience store in a B-2 General Retail and Service District.

On a motion by Jeffrey Rohrer, seconded by Gary Gavin and unanimously carried by voice vote the commission recommended the granting of the conditional use permit to Shefond Oil for a gas station/convenience store in a B-2 General Retail and Service District and sent the matter to the Village Board for public hearing. This request is for parcel known as V4-619 or 890 Fond du Lac Avenue.

The Commission reviewed the petition for annexation for Old Fond du Lac Road. The Zoning Administrator and Administrator reviewed the Commission's options regarding temporary and permanent zoning classification.

On a motion by Gerald Stollenwerk, seconded by Jeffrey Rohrer and unanimously carried by voice vote, the Commission recommended the temporary zoning classification of R-2 Single-Family Residential District on the eight (8) parcels of land being annexed knowing that the lot described in vol. 687 pg. 582 / less vol. 730 pg. 483 would be a nonconforming use, but is allowed as a conditional use. It was also noted that at some future date a more appropriate zoning classification such as R-4 or B-2 maybe requested and should be considered.

On a motion by Gary Gavin, seconded by Donald Mlodzik and unanimously carried by voice vote, the Commission recommended the permanent zoning classification of R-2 Single Family Residential District on the eight (8) parcels of land being annexed knowing that the lot described in vol. 687 pg. 582 / less vol. 730 pg. 483 would be a nonconforming use, but is allowed as a conditional use. It was also noted that at some future date a more appropriate zoning classification such as R-4 or B-2 maybe requested and should be considered.

On a motion by Donald Mlodzik, seconded by Gerald Stollenwerk and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye," 0 "Nay," 2 "Absent."

GOOD QUESTION

A mother was telling her six-year-old son about the golden rule.

"Always remember," she said, "that we are here to help others."

The youngster mulled this over for a minute and then asked: "Well, what are the others here for?"

Hunter Safety Course Offered

Make hunter education a family affair!

Ken Stuart, Rick Heisler, Bill Prost and Jeff Linsley, Wisconsin DNR certified hunter safety instructors, invite all people interested in hunting and recreational shooting to enroll in a hunter education course.

The course will start February 20, and be held each Wednesday at 6:30, at the Sportsman's Clubhouse in Elmore. The course is sponsored by the Campbellsport Sportsman's Club, assisted by DNR Warden Doug Bilgo.

Students must be 11 years old to enroll (or reach 12 prior to fall hunting season). There is no maximum age. Parents are encouraged to enroll and participate with their children.

Advance registration is requested. Please contact Ken Stuart at 533-8470, Bill Prost at 626-4686, Rick Heisler at

533-4955, or Jeff Lindsley at 533-5110 for details. The course fee is \$5.00 which covers all necessary materials. Students must be accompanied by one parent or guardian on the first night of the course.

Persons successfully completing the course will receive an embroidered patch and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces. Young students certified will also be able to hunt and use firearms without parent or guardian present at age 14 instead of 16.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Dr. Anthony Schlaefel of Campbellsport will conduct hunter vision screening tests for all students as a public service.

MEETING NOTICE

The Finance-Transportation-Buildings and Grounds Committee will meet at 6:00 p.m. on Monday, February 4, 1991 in the administration offices at 1450 School Street, Kewaskum.

Anticipated agenda items include the following:

1. Call meeting to order - Mr. Seymour
2. Ventilation changes - KHS
3. Locker room repairs - KHS
4. Recycling paper - District
5. Review present waste disposal - District
6. Discuss sewer back-ups at KHS

Minutes of Village Board Meeting

Mid-Monthly Meeting
January 21, 1991
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First St.

President Mary Krueger presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Larry Williams, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the minutes of January 7, 1991 were approved as printed.

Mr. Christopher Abrahamson from Ruckert & Mielke was presented to review alternatives to the Water Pollution Control sewer billing process and possible ordinance amendments. Four alternatives were reviewed with two basic methods of billing discussed. Alternate two was what the consultant recommended as being the fairest method as well as the most cost effective as far as apportioning the cost evenly to all who use the treatment facility. This method would actually reduce that portion of what is billed as flow while establishing a annual minimum (quarterly) amount which is considered a facilities charge (connection), the average rate of increase would equal approximately 17.7 percent or \$2.00 per month. This proposed rate would also help to build some equity to be used to off set the proposed plant renovation regarding sludge storage.

Chief of Police, Richard L. Knoebel informed the Board that the Department is in the process of establishing the McGruff House program for children. The Junior Women's Club may co-sponsor the program in conjunction with the Department.

Superintendent of Water Pollution Control Department, Peter Albers reviewed with the Board the letter received from the Engineers regarding the WPC facilities plan which was discussed at an earlier meeting. The Engineers have suggested that instead of a full plan it may be beneficial to only do a needs survey at this point. This needs survey would cover the plant's needs for at least five years, not saying the DNR may not require a facilities plan sooner. The needs survey would cost approximately \$2,000 and would take 4 to 6 weeks to accomplish.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized proceeding with the needs survey and directed the Engineering Firm of Ruckert and Mielke to accomplish said task for the village.

On a motion by Trustee Larry Williams, seconded by Trustee Kenneth Bonlander and unanimously carried by voice vote, the Board approved the application for operator's (bartender's) license upon proper payment of fees and authorized the office to issue said license as follows:

Lisa Jo Donath - Kewaskum, WI

Note: The Police Department had no objection to the application.

Administrator Daniel S. Schmidt reviewed a few matters with the Board as follows:

1) The possibility of the village receiving a recycling grant for the renovation of the new recycling shed and the implementation of addition recycling needs.

2) Present a tax collection update and informed the Board of extended office hours for the last four days in January, 1991.

3) Reviewed the Grand Opening invitation to the new Coast to Coast Store, which is scheduled for January 24, 1991.

4) Acknowledgement of a thank you note from the family of President Paul Blumer.

Chairman of the Park and Recreation Committee, Trustee Thomas McElhatton reviewed the results of the Parks & Recreation meeting of January 21, 1991 with the Board with the following action taken.

On a motion by Trustee Kenneth Bonlander, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the purchase of a 5 row 15' aluminum bleacher at the cost of \$1,124 from Miller & Associates.

On a motion by Trustee Gary Gavin seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the electrical work at River Hill Park as follows: 1) Food stand modifications @ \$454.00. 2) Ice cream stand modifications @ \$2,127.00.

It was also noted that another Commit-

tee meeting is scheduled for February 18, 1991 at 7:00 p.m.

On a motion by Trustee Robert Beisbier, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board appointed Mark J. Vechart to fill the unexpired seat of Trustee Mary Krueger do to Trustee Mary Krueger's appointment to Village President.

President Mary Krueger reviewed with the Village Board her appointments to the Committee's, Boards and Commissions as follows:

Thomas McElhatton - Chairperson/Administrative Committee

Mark Vechart - Member/Public Services Committee

Mark Vechart - Member/Public Works

Gary Gavin - Member/Plan Commission

Thomas McElhatton - Sr. Board

Member/Board of Review

On a motion by Trustee Gary Gavin, seconded by Trustee Kenneth Bonlander and unanimously carried by voice vote, the Board confirmed the appointments as presented by President Mary Krueger.

Action was taken on Ordinance No. 91-1, an ordinance to amend Public Works regarding the addition of a minimum charge for the removal of ice and snow. (Minimum charge per occurrence \$25.00 etc.) As attached hereto:

Action was taken on Resolution No. 91-2, a resolution regarding mileage reimbursement as attached hereto:

Action was taken on Resolution No. 91-3, a preliminary resolution declaring intent to exercise special assessment police powers regarding the vacant lot in the southern village limits as attached hereto:

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board acknowledged the receipt of the Petition for Direct Annexation regarding the land adjacent to Old Fond du Lac Road and turned the documentation over to Attorney Gerald Kiefer for review.

Discussion was held on the information presented by Christopher Abrahamson regarding the WPC sewer utility billing. The Board by consensus directed the Administrator and Superintendent Peter Albers to work with Mr. Abrahamson in the preparation of an ordinance amendment to accomplish alternative two.

Trustee Robert Beisbier asked if the Board could check into some sort of shelter/roofed area for the tourist sign in front of the Fire Station. The request was made by the Chamber of Commerce. The Administrator will check into different options and take the matter to the Park and Recreation Committee.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction.

Resolution No. 91-3 PRELIMINARY RESOLUTION DECLARING INTENT TO EXERCISE SPECIAL ASSESSMENT, POLICE POWERS UNDER SEC. 66.60, WI STATS

RESOLVED, by the Village Board of the Village of Kewaskum, WI:

1. The Village Board hereby declares its intention to exercise its power under Sec. 66.60, Wis. Stats., to levy special assessments upon property within the following described area for special benefits conferred upon such property by improvement of the following streets:

All property fronting upon the following legal descriptions and addresses:

V4-0619 890 Fond du Lac Avenue.

2. The public improvements shall be the installation of sanitary sewer mains/connection stubs, water mains/connection stubs, storm sewer, and catch basins and other related improvements deemed necessary by the Village Engineers on Fond du Lac Avenue and to meet the specifications contained in Section 8 of the Municipal Code of the Village of Kewaskum and under the Village Engineers specification for utility and street improvements.

3. The total amount assessed against the properties in the defined assessment district shall not exceed 100 percent of the total cost of the improvements. The Village Board determines that the improvement constitutes an exercise of police power and the amount assessed against each parcel shall be based on the lineal footage of said parcel on Fond du Lac Avenue.

4. The assessment against any parcel may be paid in cash or in annual installments the number of which shall be determined at the public hearing on the proposed assessment.

5. The Village Engineer shall prepare

a report which shall consist of:

a. Preliminary or final plans and specifications for the improvements.
b. An estimate of the entire cost of these proposed improvements.
c. Schedule of proposed assessments against each parcel.

6. When the report is completed, the Village Engineer shall file a copy of the report with the Village Clerk for public inspection.

7. Upon receiving the report of the Village Engineer, the Clerk shall cause a notice to be given stating the nature of the proposed improvements, the general boundary lines of the proposed assessment district, the time and place at which the report may be inspected, and the time and place of the public hearing on the matters contained in the preliminary resolution and the report. This notice shall be published as a Class 1 notice and a copy shall be mailed at 10 days before the hearing to every interested party.

8. The hearing shall be held in the Kewaskum Municipal Building, 204 First Street, at a time set by the Clerk in accordance with Sec. 66.60(7), Wis. Stats.

Adopted and approved this 21st day of January, 1991 by the Kewaskum Village Board.

The Holy Trinity 7th and 8th grade girls basketball team braved the cold temperatures January 19 & 20 and played in Port Washington basketball tournament.

Saturday morning they played Port Catholic and won 26-25. Sat. afternoon they played the best game of their

season and beat Butler by 10 points. Sunday they played St. Joes, Grafton in the championship game and lost by six points after being down by 9 at half-time.

All the girls played their hearts out and Monday presented Sister Phyllis with the 2nd place trophy.

2nd Half Droughts Plague UWWC Men

By Statesman Sports Writer

APPLETON — While they have stayed with their opponents in the first half of games this season, the UWWC men's basketball team continues to struggle in the second half, a story which led to another pair of losses last week.

On Wednesday, the Wildcats trailed by just three, at 47-44, at intermission, and led by as many as six points in the second half. But UW-Fox Valley went on 22-2 run midway through the second half, and UWWC was never able to catch up, losing 96-83.

Paced by guards Karl Klosowski and Terry Howell's two-man game in the first half, UWWC was able to keep it close. The Wildcats eventually took a 63-57 lead just minutes into the second half.

But Fox Valley, behind the three-point shooting of Bruce Steinbecker, rallied to take a 79-65 lead with under ten minutes to play. The Wildcats did manage to cut the lead to 86-80 with under two minutes to play, but then missed on several opportunities down the stretch.

Klosowski and Howell each ended up with 32 points to pace the Wildcats, while Steinbecker finished with a game-high 33, including eight three-pointers.

On Saturday, the Wildcats were outscored 44-29 in the second half, as they fell to UW-Manitowoc, 82-63.

UWWC fell behind early, trailing by as many as 11 points in the first half. But the Wildcats rallied just before the half, and cut Manitowoc's lead to just four, at 38-34.

A double technical foul for dunking during halftime was issued against Manitowoc, and the Wildcats connected on three of their four free throws to cut the lead to one to start the

second half.

Manitowoc didn't fold, though, as they quickly opened up a ten point lead on the Wildcats. Two technical fouls on UWWC midway through the second half turned into a six-point play and virtually dashed any Wildcat comeback hopes.

Howell once again led UWWC with 22 points and 13 rebounds. Noel Stollenwerk chipped in 14 points, including four three-pointers, while Klosowski connected for 10 points.

Joel Kubsch led Manitowoc with 25 points, while Jay Shambeau and Pete Mears chipped in 18 and 11 respectively.

The loss left UWWC with a 1-14 mark. The Wildcats are back in action Thursday night, when they host Lakeshore Tech at 7:00 p.m. Lakeshore is the only team that the Wildcats have beaten.

Early Woes Hamper Indian Girls Against Plymouth

By Statesman Sports Writer

KEWASKUM — While the Kewaskum girls basketball team has been getting a great deal of support from its fans in their home games this season, the Indians in turn haven't given the crowds a whole lot to cheer about, at least offensively.

Such was the case again last Thursday, as the Indians had problems finding the range early in their game with Plymouth, falling behind by 17 points before they even scored, and eventually lost to the talented Panthers, 47-28, before a vocal Parent's Night crowd.

Coming off of an eight percent shooting performance against Two Rivers in their previous game, the Indians looked to break out of their shooting slump, which has basically lasted their entire year.

But the Indians looked much the same early, as they went 0-for the first quarter against the Panthers, and fell behind 14-0. Plymouth made it 17-0 before the Indians got on the board with a jumper by Janel Flynn with about five minutes to play in the half.

The Indians did make a nice run from that point, taking advantage of some foul trouble for the Panthers' Heather Kulow, and outscored the Panthers, 10-6 the rest of the half, and trailed by just 11, at 23-12 at intermission.

But Kulow, the Eastern Wisconsin's leading scorer and one of the conference's best players, returned to action in the third quarter and

immediately made her presence felt. Kulow forced a couple of Indian turnovers and proceeded to score nine points in helping the Panthers extend their lead to 39-20 heading into the final stanza.

The two teams battled each other evenly in the final period, each tallying eight points, as the Indians fell to their fourth consecutive loss to fall to 1-8 in the EW, 4-12 overall.

An area which really hurt the Indians in the game was at the free throw line. The Indians got to the charity stripe just 21 times compared to Plymouth's 32 chances. Kewaskum missed 11 of their tries as well, compared to the Panthers nine misfires.

Kelly Korth led the Indians offensive attack with nine points, while Nicole Doherty and Flynn each connected for eight. The entire Indian starting five accounted for just 11 points on the evening, with Doherty doing the majority of the damage.

Kulow finished with a game-high 17 points to pace Plymouth, which also got eight points from their other star player, Heidi Mikolyzk.

The Indians will try and get back on the winning track this week, when they face Kiel on Tuesday night, and then will try and make it two-for-two against former state champs when they play host to defending WISAA Class B champion Kettle Moraine Lutheran on Thursday. Earlier this season, the Indians upset defending State Class C champions Oostburg.

Gymnasts Downed by WB West

KEWASKUM — After posting their first win of the season the previous week, the Kewaskum gymnastics squad ran into some much tougher competition in their dual meet with West Bend West here, last Thursday.

Despite not having their ace gymnast in the lineup due to injury, the Spartans had too much for the Indians to overcome, as West downed the Indians 91.3 - 82.8.

The Spartans took ten out of the 12 possible places in the meet, as the Indians were also without one of their top performers, Stephanie Reindl.

The only Indians to finish in the top three were seniors Ingrid Ankersen and Wendy Fideler. Ankersen garnered a 6.7 score on the balance beam, which was good enough for a first place showing.

Fideler, meanwhile, responded with a fine 8.5 mark in the floor exercise, which helped her finish second in that event, just behind West's Sara Cook. Ankersen wound up taking fourth in the floor exercise, as she netted a 7.6 score.

Fideler also finished first in the all-around competition with a 6.4 average. It was the second time in a week that Fideler took first all-around, as she duplicated her feat from the triangular meet with Beaver Dam and Waupun, which the Indians won.

Other Indians finishing in the

top four were Stacey Heberer, who took fourth in the vaulting competition with a 7.4 score, and Jessica Rohrer, who was fourth on the uneven bars with a mark of 5.8.

The Indians get back in action on Thursday, with a home meet against Hartford.

Osterbrink Scores 11 in Loss to UWM

By Statesman Sports Writer

MILWAUKEE — While the Kewaskum fans who made the trip here, last Tuesday night to see former Indian standout Pam Osterbrink didn't get to see her team, Northeastern Illinois, come out on the winning side, the same fans did get to see what they came for - a lot of Pam.

The only true post player on the team, Osterbrink played the full 40 minutes in her team's 104-57 loss to the University of Wisconsin - Milwaukee.

While the final score was a bit disappointing to her fans that were present, the fault surely didn't rest on the shoulders of Kewaskum's second all-time leading scorer. Osterbrink wound up with 11 points and seven rebounds, while blocking numerous shots.

Not the main offensive weapon on the Golden Eagles' guard-oriented offense, Osterbrink fared quite well against the Panthers, as she connected on all four of her field goal attempts in the first half, and her first try of the second half.

Things got tougher after that, however, as the 6-1 center couldn't find the range the rest of the game. Still, Osterbrink showed why she was recently named to an all-Holiday Tournament team in Florida during Christmas break, as she labored the entire game due to Northeastern Illinois being short on players because of injuries.

Osterbrink also had the experience of playing against an old nemesis, Erica Young. Young, a graduate of Plymouth High School, is on a basketball scholarship at UWM and often found herself matched up against Osterbrink in the game. Young finished as the Panthers leading scorer in the game as well.

Offensive Woes Continue As Kiel Downs Indians, 60-51

By Statesman Sports Writer

KIEL — After a road victory earlier this month against Plymouth, it looked as if the Kewaskum boys basketball team had things going in the right direction.

Unfortunately, the Indians have been unable to duplicate that road win since, and have now dropped four straight games, the last of which came here last Friday, when Kiel took care of the Indians, 60-51.

The loss, which was Kewaskum's third straight on the road following the Plymouth win, leaves the Indians with a 2-6 mark in the Eastern Wisconsin Conference, 5-9 overall.

Much of the Indians' problems can be traced to a single source as of late, and that's shooting. Once again, the Indians struggled from the floor, connecting on just 34 percent of their tries.

Kiel, meanwhile, was busy giving the Indians all the opportunities they wanted. The Raiders missed 16 of their 30

free throws, thus leaving the door open for the Indians the entire game. But the Indians fell behind early and never got the Raider lead to below eight points.

The Indians woes from the field were evident in the first half, as they fell behind 13-8 after one quarter, and then were outscored 16-9 in the second period to trail 29-17 at the half.

Things didn't get much better for the Indians in the second half, as several players found themselves on the bench in foul trouble, thereby complicating any comeback thoughts that were present. The Indians did shave a point off of the Raider edge, and trailed by 11, at 45-34, heading into the final stanza.

It was there that the Indians had their chances to crawl back into the game. Midway through the quarter, Kiel was whistled for an intentional foul, which gave the Indians a pair of free throws and the ball out of bounds.

But Kewaskum couldn't convert, as they missed the charity tosses and then turned the ball over on the ensuing possession, all but killing any comeback bid.

A major thorn in the Indians' side all night was Kiel center Dan Meyer. The 6-5 post scored 16 points and all but controlled the offensive boards, as he towered over the smaller Indians. Another Meyer, Dean, also hurt the Indians underneath, as he meshed 14 points in the contest. Dave Lepisto also reached double figures for the Raiders, as he scored 10, including a pair of three-pointers.

For the Indians, Matt Seiser led the way, as he scored 17 points. Mark Felix chipped in 16, 11 of which came in the second half. Joel Fleischman added 10 before fouling out. Felix also added a team-high 12 rebounds.

The Indians will try and get back on track this week, as they host Lomira on Tuesday, and then entertain first-place Two Rivers on Friday night.

THEISEN FOLDING 2ND PLACE IN STATE BOWLING TOURNAMENT

Linda Theisen, Kewaskum, who has bowled in the State Women's Bowling Ass'n. at Wagner's Lanes, Eau Claire, is still maintaining second place in single events, Division 2, with a 605 series.

The State Bowling Tournament runs through May.

Chilton's Inside Game Defeats Indians

CHILTON — With their tallest player standing just 6-3, the Kewaskum varsity boys basketball squad has had trouble all season contending with teams with strong inside players.

Such was the case against here, last Tuesday night, as the Indians succumbed to Chilton's balanced scoring and inside attack, and wound up falling to the Tigers, 60-45.

Poor shooting continued to plague the Indians, as they registered their lowest point total of the year in falling to 2-5 in the Eastern Wisconsin Conference, and 5-8 overall.

The Indians fell behind early in the contest, and after one quarter of play found themselves trailing 16-11. It got worse for Kewaskum in the second frame, as they could only muster eight points worth of offense, and trailed 31-19 at halftime.

The Indians finally started to chip away at the Tiger lead in the third period. Defense played a key in the mini-rally, as Kewaskum held Chilton to just eight points themselves in the third quarter, and heading into the final periods of play, the Indians were down by eight at 39-31.

The rally continued at the start of the third period, as the Indians scored the first half dozen points of the fourth quarter to pull within two at 39-

37. But Chilton's Pat Juckem, a 6-4 forward, scored on the Tigers' next possession to make it 41-37, and the Indians missed shots their next couple of times down the court. Meanwhile, Chilton wasn't passing up the opportunity, as they scored 21 points in the quarter to win going away.

In all, Chilton outscored the Indians 21-8 down the stretch. Key in that run was the play of Juckem, who finished the night with a game-high 22 points. Also playing a big role in the Tigers' victory was the play of 6-6 center Todd Meyer, who, although he scored just one basket, was a force on the boards, as well as defensively, underneath.

The Tigers' guard play was also superior, as Corey Jansen and Chris VandeVoort combined to score 19 points for the winners. Kevin Steffes also chipped in 10 points for the Tigers.

For the Indians, Mark Felix

paved the way with his 16 point performance, including 12 points on free throws. Felix wound up hitting 12 of the Indians' 13 charity tosses.

The Tigers did a good job on the Indians' Joel Fleischman, who entered the game among the EW leading scorers, but finished with just six points. Chad Cook was the only other Indians besides Felix that reached double figures, as he finished with 11 points, including a pair of three-pointers.

KEWASKUM 11 8 12 14-45
CHILTON 16 15 8 21-60

Kewaskum — Felix 16, Fleischman 6, Marx 6, Seiser 2, Cook 11, Ramthun 2, Paulson 2, Free Throws - 13 of 21, Fouls - 21, Three-pointers, - Cook 2.

Chilton — Geiser 1, Steffes 10, Juckem 22, Jensen 11, Hemauer 4, VandeVoort 8, Meyer 2, Kelsey 2, Free Throws 14 of 23, Fouls - 19, Three-pointers - Steffes.

Freshman Girls Still Undefeated

KEWASKUM — While the Kewaskum varsity girls team has been struggling this season, the Indian freshman have quietly gone unbeaten this season, and are now 12-0.

The Indians latest conquest was a 43-18 triumph over Plymouth here, last Thursday. Ginger Wiesner and Erin Stoffel led the Indians offensive with 13 and nine points, respectively.

The freshman are in for a major test this week, however, as they travel to Kiel on Tuesday, and then host another tough squad, Kettle Moraine Lutheran, on Thursday. KML, whose girls varsity squad won the WISAA Class B title last season, is also undefeated, as they sport a 6-0 mark.

The junior varsity contest Thursday should also provide for some excitement, as the Indian JV's, now 12-4 overall, will take on a KML JV squad that has basically the same mark.

The Indian JV's picked up their seventh win of the season in the Eastern Wisconsin (against just two losses) last Thursday, as they knocked off Plymouth 33-25.

The Schlice twins, Marty and Bonnie, accounted for more than half of the Indians' scoring as they led the Indian JV's with nine and eight points, respectively.
