Sends Resignation Letter to Gov. Thompson, Supt. Herbert Grover

## Ankerson Resigns in Protest To DPI's Licensing Decision

By GERRY MUELLER  
Statesman Staff Writer

In one last desperate act to bring attention to the continuing and growing rift between the State Department of Public Instruction and local school districts, Perry Ankerson in a letter to his fellow members Wednesday, January 30th, officially resigned his post on the Kewaskum Board of Education.

Rather than present bits and pieces, we are printing Mr. Ankerson's letter of resignation in its entirety so there will be no question or rumors regarding its full content. We feel it is important that the electors of the Kewaskum School District be aware of all the issues which have brought Mr. Ankerson, who has dedicatedly served on the board for six years, to make such a resounding statement about his feelings and those of many school board members throughout the state.

January 30, 1991

Dear Fellow Board Member,

Effective today, I resign my position on the Kewaskum

School Board.

The Department of Public Instruction has forced me to make a decision — either terminate an outstanding teacher because of a technicality or subject the taxpayers to a loss of up to 25 percent of our state aid. It is clear that I am being told to vote against my principles. I refuse to do that.

It is apparent that the Department of Public Instruction is more concerned with credentials than with performance, more concerned with laws than education, more concerned with exerting its power and authority than cooperating with the Kewaskum School Board.

After almost six years on the board, I finally understand why our school board meetings and annual meetings are so poorly attended. It is because the Kewaskum School Board is powerless to make any significant decisions. Monday's meeting was a good example. When the parents spoke, the representatives from the Department of Public Instruction did not even turn to face the person speaking. It was

obvious to me that Monte Hottmann and Rob Gibson were there to speak, not to listen. How can we expect the local people to attend these meetings and voice their opinions when their opinions are ignored?

At this point I ask you to think back on previous meetings. How many times were we asked to make a decision — the DPI was not present, yet its

## Little Competition In Spring Town Boards Elections

By GERRY MUELLER  
Statesman Staff Writer

There will be no competition in the spring elections for either the Town of Wayne or Town of Kewaskum and only two races shaping up in the Town of Scott.

For the Town of Wayne, incumbents Chairman Carl Hohlweck, Clerk Orville Kern, Treasurer Gerald Schulz and Supervisors Leonard Peter and Mark Strobel all are seeking re-election and running unopposed.

In the Town of Kewaskum, incumbents Chairman George Allmann, Clerk Barbara Hinz-Wenzlaff, Treasurer Dan Stoffel and Supervisor David Dorn will be seeking re-election with no competition.

Stoffel is running for his first full term as treasurer after completing the unexpired term of Dolores Prost who retired recently. Stoffel previously served seven terms as supervisor.

Richard Welch is seeking the second supervisor's post which is being vacated by Bryant Borland who has decided not to seek election to the board. Borland was appointed to fill Stoffel's unexpired term as supervisor when he took over the treasurer's duties.

In the Town of Scott, incumbents Chairman Larry Martin, Clerk Lester Benzschawel, Treasurer Marie Edeler and Ward #2 Supervisor Clarence Janz are running unopposed.

For the post of Ward #1 Supervisor, incumbent Dale Burke is being challenged by Floyd Klug.

For the Constable's job, David Mount will be running against Jody Rosio.

## Neuville Chevrolet-GEO Now Open

By GERRY MUELLER  
Statesman Staff Writer

Neuville Chevrolet-GEO of Kewaskum officially opened its doors for business Monday morning said Joe Neuville (pronounced Neville) who will be running the new business with his father, Lou.

The Neuvilles will be operating their new dealership out of the former Honeck Chevrolet garage and offices at 1242 Fond du Lac Avenue. "We have purchased both the garage and theater properties," said Lou Neuville.

We anticipate taking over the theater building and car lot across the street, however, all our staff and the business will be working out of what we're calling the garage building.

Our plans are to remodel the garage building into the sales offices and showroom, keeping

the car lot and possibly selling the theater building, noted Joe Neuville.

Joe Neuville said the company has retained some of the former Honeck employees. "We also have some new people." Our tentative hours are Monday, Wednesday and Friday, 9 a.m. to 8 p.m., and Saturday until 3 p.m.

Joe said his dad had sold a car dealership he owned for five years in Waupaca to relatives. "My dad likes the car business and has been itching to get back into it," said Joe.

Lou Neuville also owns Dairyland Harvestore and Dairyland Equipment of Slinger, which sells John Deere Farm Equipment.

Neuville said a grand opening for the business is being planned after remodeling work is completed.

## Sausage Surplus to Open

By Gerry Mueller  
Statesman Staff Writer

Joel and Linda Nehrbass of Kewaskum are pleased to announce the opening of their new business, "Sausage Surplus, in the former Behring's Meat Market store at 1265 Fond du Lac Avenue, Kewaskum.

"It will be a retail store with wholesale prices, real values for our customers," said Nehrbass who also operates a wholesale food route.

What we will be offering is surplus products such as sausages, a variety of meats and cheeses which I can purchase at money-saving prices from my numerous wholesale route suppliers. Most of our products will be offered

in bulk, such as five or ten-pound boxes. We will not be handling any fresh meats.

The meat selections may vary weekly, anything from beef roasts to turkey, depending upon the surpluses available at any particular time.

"Linda will be running the store while I continue to operate my wholesale business," said Nehrbass.

We invite people to come in and see what our store has to offer. We hope to have our store open by this weekend, if not, we will be open by next week. Our hours will be Wednesday through Friday 9 a.m. to 5 p.m., Saturday 8 a.m. to 1 p.m., closed Sunday, Monday and Tuesday.

## Village Will Display Flags in Support of Troops Serving in Gulf

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Village Board, Monday, unanimously approved the recommendation of Trustee Ken Bonlender that the village put up its U.S. flags to publicly show its support of the troops serving in Operation Desert Storm.

Several of the board members agreed with Bonlender's comments noting that they have seen flags displayed in other communities. Board president Mary Krueger said she had noticed that many homes and businesses are already displaying small flags with yellow ribbons. "I think it would be nice to look down the streets and see flags on the poles too."

In other agenda action, the board gave Police Chief Richard Knoebel authorization to advertise the department's retired 1989 squad for sale. Knoebel advised the board his department expects to take delivery of the new replacement car by the end of the week.

In other business the board

approved a building permit for the construction of a new home by James Kleinke, at 1168 Kewaskum Street.

In committee reports, Trustee Gary Gavin presented the Plan Commission's recommendations for public hearings and

## Bartelt Insurance Office Moving

By GERRY MUELLER  
Statesman Staff Writer

Tom Bartelt has confirmed that he has purchased the former Pro-Bilt Homes building at 1304 Fond du Lac Avenue in Kewaskum.

Bartelt said he would be moving and expanding his office space in the new quarters on the first floor. The remainder of the building will continue to be the living quarters.

We hope to be moved in and have our new office open by February 23rd, said Bartelt.

## Ankerson

(Continued from Page 1)

presence was strongly felt. We have in the past referred constantly to statutes and mandates and how the DPI would perceive our decisions. Monday night's meeting brought this all into perspective. It was apparent that we as a local school board have lost our authority and control.

We have no power to control wages — the state controls them through binding arbitration. We have no power to implement a curriculum we feel would be most effective in our community — the state controls the curriculum through its required mandates (not guidelines, not objectives, not recommendations, but mandates — again with the threat of withholding state aid.)

On January 29, 1991, I was saddened to learn that we do not even have the power to maintain the contract of an outstanding teacher. When the Department of Public Instruction denied our request to continue Mrs. Forester's contract, I realized how little control we truly have. It was at that point that I could not, in good conscience, continue to be a part of this sham.

I have resigned my position in protest. I feel that the DPI came to our meeting to tell us "locals" how we should run our district. When they heard our arguments, I felt they were surprised at how attuned we were to what was happening in our school. Even with all the information we were able to give them, they refused to acknowledge that we knew what was an appropriate decision for our middle school. It is unfortunate that the DPI has allowed its position to stand in the way of doing what is right for our children.

I hope that my empty chair will be a reminder to you, my colleagues on the board, of the power of the DPI and its unwillingness to work with our board. I urge you never to apologize for any decision that you have made in the best interest of our children. I encourage you to be diligent and strong and to remain true to your conscience.

I request that any money that I have coming for past service on the school board be donated directly to KEYS Scholarship Fund, in memory of Brenda Oelhafen.

Most Sincerely,  
Perry M. Ankerson

In a phone conversation Thursday, board president Neal Weare said he was saddened by the loss of a board member whose goals were only to improve the quality of education for the district's students yet at the same time try to safeguard the rights of the electors, including efficient and prudent spending of their tax dollars.

"While I am unhappy about Perry's decision to resign, I also feel it is about time that the issues he addresses in his letter are brought out into the open and I commend him for his

actions," said Weare.

Ankerson stated that, despite his decision to resign from the board, he would be available to the electors of the district to hear their comments and concerns.

approval of two conditional use permits to Charles Serwe for the former Laubenstein property and to Shefond Oil for the former Honeck truck lot.

A public hearing is also scheduled for February 18th on an annexation petition for eight properties along Old Fond du Lac Road on the north edge of the village.

Gavin also gave reports for the Library Board. He informed the trustees that comparison figures for 1989 and 1990 show a considerable drop in circulation (library use) for 1990. "Circulation for 1989 was 38,405, compared to 34,152, in 1990 a drop of 4,253," stated Gavin. He said the Library Board did not understand a reason for the big drop.

"This is definitely going to affect the library's budget," said Gavin. "For the last quarter of 1989, the village received \$3,759 in countywide funding and in 1990, we received a fourth quarter payment of \$1,797, a drop of over \$1,900."

Bonlender questioned whether there was a possibility that not everyone using the library was being counted. "You know if a person just comes in to read a paper they're supposed to be counted. Maybe they're being missed at the door."

Parks Committee Chairman Tom McElhatton advised the board his group has a meeting scheduled for Monday, February 18th at 7 p.m. The main topic of discussion will be the resolution of some ongoing problems with the operation of the concession stand at the Kiwanis Park.

Gavin was very adamant in his feeling that cooperation from the Softball Association's representative and how things were being run were less than satisfactory. "I think we should advertise for someone else to run the concession stand," said Gavin. "I have nothing against the Softball Association itself, I just feel some other group or organization might do a better job."

Bonlender agreed with Gavin stating he thought the village would be better off giving it (the contract) to some organization such as the Kiwanis or Lions Clubs that put money back into the community.

According to the contract, profits from the stand's operation were supposed to be used to repay the village's expenditure of funds to construct the building. To date, the village has received \$500 towards the more than \$30,000 spent to construct and equip the building.

In non-action business, Village Administrator Dan Schmidt submitted his annual building permits report. Overall totals show a 10% increase in 1990. Residential units, residences of four units or less, remained the same as in 1989, with 89 permits issued. Mercantile figures including apartments over four units, businesses and alterations were

On Dec. 13, 1990, The Beechwood Fire Dept. became the first Fire Dept. from the M.P.T.C. area to complete the Basic 30 hr. Part I and 30 hr. Part II to qualify for State Certified Firefighter I.

To qualify for Firefighter I

members must complete both Part I & II and pass a State Certification Test. The State test is given by a consultant from Madison.

Eleven members have completed the Part I and will be eligible for state certification

when Part II is completed in fall. They are, Terry Vetter, Tom Mueller, Spencer Krahn, Scott Krahn, Glen Luedtke, Bob Hartmann, Donald Schneider, Sylvester Krahn, Ronald Beimborn, Chris Reysen and Irvin Haugan.

up by five, from eleven in 1989, to sixteen in 1990. Manufacturing, alterations, etc., were up two from zero in 1989, and non-taxable properties including churches, schools, etc., were up three from four in 1989, to seven in 1990.

Schmidt advised the board that tax collections were running about the same as for this same period last year. He noted, however, that delinquent taxes were down this year by about 13%.

Schmidt also asked the board to consider whether it wanted to include the construction of sidewalks along the St. Lucas and Holy Trinity Cemeteries properties on Main Street in the 1991 Capital Improvements Sidewalk Program.

The board then adjourned to closed session.

### In the Service

Marine Pvt. Dean J. Kleinke, son of James W. and Dianne H. Kleinke of 112 Timblin Drive, Kewaskum, has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 13-week training cycle, Kleinke was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active

physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1990 graduate of Random Lake High School, Random Lake, he joined the Marine Corps in September 1990.

## THOUGHTS...

By Robert Piaro, President  
Vietnam Veterans of America, Kettle Moraine Chapter #448

I've been talking to a lot of Veterans lately, and it seems like a lot of us are reflecting back on our own experiences from Vietnam. This is a very normal reaction given the war going on in the Persian Gulf. Right now, there are a lot of mixed feelings about what's going on there and in our country. I myself have a real

problem with the anti-war protesting. It seems that every time you see or hear about it, Vietnam Veterans are involved. These Veterans are a minority in what they are doing. Most Vietnam Veterans are sick of seeing this, and it gives a bad name to all of us.

When will we ever learn. Back in the sixties we almost split our nation apart because of the lack of support of our Military and Government.

It's time to support our government and its representatives in sustaining freedom throughout the world.

I'm hoping I encourage everyone to fly their flags, and wear their ribbons in support of their actions.

I'M PROUD TO BE AN AMERICAN, GOD BLESS THE U.S.A.

## Behnke - Roekle

Katherine R. Benke and John D. Roekle were united in marriage at St. Lucas Evangelical Lutheran Church, Kewaskum, on Sunday, Sept. 2, 1990.

John is the son of Mr. and Mrs. James Roekle, Saginaw, MI. Katy is the daughter of Mr. and Mrs. Orv Behnke, Kewaskum.

Matrons of honor were the bride's sisters, Susan Schmitz, Kewaskum, and Deborah Christian, Montclair, VA. Also attending as bridesmaids were the groom's sisters, Becky Schwartz, Lori Schlavensky, and Mary Roekle.

The groom chose Glenn Rosenbaum, a friend from Saginaw, MI, as his best man. Groomsmen were Ron Koehler, Larry Schwartz, Brad Wright

and Tom Bernthal.

The bride's brother, the Rev. Thomas Behnke, North Fond du Lac, married the couple and delivered the message for the ceremony. The Rev. Edwin Fredrich of St. Lucas assisted with the liturgy.

Organist and accompanist was Anne DeNoyer, friend of the bride, and the vocalists were four of the bride's nieces, Rachel and Betsy Christian and Laura and Julia Schmitz.

Following the ceremony John and Katy greeted guests at a reception and dinner at the West Bend Hotel.

The couple is residing near Cedarburg, WI, while he completes his final year at Wisconsin Lutheran Seminary, Mequon.

## Peace Church Has Habit Of Helping Humanity

The Peace United Church of Christ Habitat for Humanity work crew will host a special program following the 9:30 a.m. church service on Sunday, February 10, in Kewaskum.

A Fellowship hour will feature Habitat house cookies to remind all interested members and friends of the house building plans ahead for the crew in 1991. An open-to-all potluck dinner will then follow a video presentation on the Jimmy Carter 1990 work camp for Habitat, "Miracle on the Border."

109 houses were built in one week on both sides of the U.S. - Mexican border last summer, and scenes of the "tent city" housing volunteer workers are unique.

Lexington, Kentucky, was the July, 1990, work site for the Peace Church crew; the group has been recruited there again for 1991. Last summer, 21 local volunteers worked on a two-story Habitat home, later dedicated in November. Photos of the completed house will be displayed on February 10. Updates on Habitat projects in Nashville, Tennessee, Buffalo, New York, and Zanesville, Ohio, previous worksites for the Peace crew, will be given by Rev. James Bettin, who coordinates the trips.

The special challenge in Lexington next summer, according to Lyle Hanna, president of Lexington Habitat, will be starting to build 15 homes for a housefinishing blitz in September to celebrate the fifteenth anniversary of Habitat for Humanity International, as founded by Millard Fuller in 1976.

By having 15 homes already begun, the partner-families who are chosen to purchase them on Habitat's non-interest loan

arrangement, can use the summer weeks to "pay" the 500 hours of "sweat equity" that each sale requires as a pre-requisite. This Lexington venture is the most ambitious single affiliate project yet scheduled in the U.S. in 1991.

The Lenten offerings at Peace Church traditionally support the local volunteer work, making the upcoming potluck and program a "kick-off" for the effort. New volunteers for the crew are welcomed to join the 1-4 year veterans on the 1991 trip as plans and dates are set Sunday.

"In this time of tension and destruction in our world, the need to construct in love with hands and hearts is vital to both workers and house-partners. It gives our lives balance," reflects Rev. Bettin.

## Dyslexia Support Group to Meet

The Dyslexia Support Group, sponsored by the Wisconsin Dyslexia Institute, will meet at 7 p.m., Wednesday, February 13 at the Fifth Avenue United Methodist Church, 323 S. Fifth Ave., West Bend.

The informational segment will be on the topic, "Staying Positive in a Tough Situation."

Dyslexia is a language difficulty characterized by difficulty in learning to read, write, or/or spell. Dyslexic persons have average or above intelligence and no limiting physical or emotional disability, but who, despite conventional classroom experience during school years, fail to learn language skills at a level commensurate with their intellectual ability.

Anyone interested in learning more about dyslexia is invited. Children are especially welcome!

The calendar was changed during George Washington's lifetime. His birthday was originally on February 11, 1732.

## Plan Dundee Mill Park Benefit Dance

Get out your dancing shoes, your drinking cup, your appetite, and psych yourself for a great time at the Dundee Mill Park Benefit Dance. The event will be Saturday, Feb. 23 at Frank's on the Lake Supper Club located on Kettle Moraine Lake. There will be loads of door prizes, fun raffles to participate in, and music for dancing and for listening. Tickets are available from Monica Lavey, N3164 Hwy. 67, Campbellsport, WI 53010. Reservations must be in before Feb. 15. For information, call 533-4750. Come join your neighbors for some mid-winter fun and hear about the community park. It is hoped this fund raiser will be as successful as the October open house where \$6,000 was raised for construction work in the park. All profits from the dinner dance will be used to continue construction of the park and for restoration of the mill.

Projects that will be undertaken in the near future are as follows:

- Creation of fishing, ice skating and hockey ponds.
- Safety devices for the park.
- To once again get the mill operational by using water power.

Stewardship papers were signed by the Town Board requesting assistance from the Recreation Grant Program for the park. The papers are now at Madison headquarters. It would make construction of the park far less costly for the citizens of the area. Jim and Ruth Tobin, area residents, have pledged a donation of \$9,000 as a matching fund gift to help raise funds from an interested community. This donation will help a great deal in efforts to raise one half of the \$28,850 over the next two years for the first steps in the park development. Thanks Jim and Ruth for your generous contribution.

Remember, mark Feb. 23 on your calendars for an evening of fun for yourself and a night of support of our Town of Osceola's newest area citizen action project.

## Scout Roundtables Set for February 7

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will conduct Roundtables for all adult leaders and committee members of their Cub Packs and Boy Scout Troops in Ozaukee and Washington Counties, Thursday, February 7, from 7:30 - 9 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Webelos Leaders will be guests of the Boy Scout Roundtable for the Webelos Transition Program. District Commissioner, Dennis Gruenke, will include Program Planning, University of Scouting, 4th & 5th Grade Webelos and Associate Pack and Troop Responsibilities in his presentation. Videos on "Webelos Outdoor Experiences" and "Scouting Outdoor Highlights" will be narrated by Ed Farrell, Scout Roundtable Commissioner.

The "Sea Adventures" theme will be explored at the Cub Leader Roundtable with appropriate ceremonies, crafts, games, skits and songs. Information on the Rain Gutter Regatta and Special Pack Outings will be detailed by Cub Roundtable Commissioner, Tricia Clark, and her staff.

Members of Chapter 11 Order of the Arrow will also meet at the school at 7:30 in Room B-16. Election Team Training will be included in the agenda.

## Junior Women's Recipe of the Month

This recipe and many more can be found in the Kewaskum Junior Woman's Club new cookbook. To buy your copy ask any Jr. Woman's Club member or else they can be found at Kewaskum Pharmacy, Regal Ware Outlet, Kewaskum Frozen Foods or Village Hair Stylists.

### Ham, Broccoli and Cheese Pie Lori Schoofs

10 oz. frozen broccoli  
3 T. chopped onion  
1 1/2 c. milk, scalded  
2 C. diced cooked ham  
3 eggs, slightly beaten  
2 c. (8 oz.) shredded Swiss cheese  
Salt and pepper  
10-inch unbaked pie shell  
Chop frozen broccoli into bite-size pieces. Cook and drain. Layer half the ham, broccoli and cheese in pie shell. Repeat layers. Sprinkle onion over the top. Gradually stir milk into eggs. Season with salt and pepper. Pour into shell. Bake at 450 degrees for 10 minutes. Reduce heat to 325 degrees. Bake 25 to 30 minutes longer. This recipe tends to be 'juicy'. Can decrease milk and/or omit one egg.

A good day's work never hurt anybody. But then, neither did a good day's rest.

## Focus on Careers 1991

Choosing a career in today's fast changing technological world is not an easy task. To assist our youth and future workforce in their career planning the second annual Focus on Careers for Washington County will be held March 27, 1991 at the UWWC Campus, West Bend.

Focus on Careers is a business/education activity designed to offer area students firsthand information on careers available here in Washington County. The planning committee is currently recruiting over 150 representatives of different careers to discuss

training and skill requirements of their jobs.

Business sponsorships are also being requested for a limited number of display booths.

The first Focus on Careers was offered last year at the Hartford Innovation Center. Over 3,000 students and adults participated. This was the first time local schools and economic development organizations had coordinated a project of this size. Some of the comments from last year's business representative volunteers included:

- "Even if they (students) were unsure of their interests, this was a starting point and an opportunity to ask questions and start thinking about their futures."

- "It helped them (students) zero in to the world beyond high school."

- "I think it is wonderful that students can be exposed to so many various careers under the same roof."

Focus on Careers is open to the public and there is no admission fee. It is coordinated by the Overall Economic Development Program Advisory Committee of Washington County, and the Education for Employment Committee of all area school districts. Call Washington County Economic Development for more information at 335-4778.

## IRS Says Early Bird Makes Fewer Mistakes

The early bird gets a quicker refund, and according to the Internal Revenue Service, people who file early usually make fewer mistakes too.

If you send in your return now, there's a good chance you'll get your refund check within four to six weeks, the IRS says. If you wait until March or April, it can often take six to eight weeks and sometimes longer.

Here are some tips that can cut down on errors and help speed your tax refund to you.

\* Write the full name and, if age two or more, the social security number of each dependent you claim on the front of your form.

\* Get a W-2 form from each employer you worked for during 1990 and attach it to your return. Most banks and businesses are also required to give you a year-end statement, usually a Form 1099.

\* Sign your return. If you're married and file a joint return, both husband and wife must sign.

\* Use the pre-addressed label that came with your tax package.

\* Mail your form in the pre-addressed envelope that came with your tax package. Be sure to put enough postage on the mailing envelope.

Tele-Tax has more good ideas to help you. Tape number 465, for example, focuses on errors people make on their returns. Check your tax package for a complete list of tape numbers and subjects. You can listen to Tele-Tax messages any time of the day or night by calling toll-free 1-800-829-4477.

## Badger Camp Sending Out Applications For Summer Camp

February 1st, 1991 marks the 25th year Wisconsin Badger Camp will send out camp applications. Badger Camp, a not-for-profit summer residential camp, serves mentally and physically challenged individuals of all ages and ability levels. In 1990, 760 people from the upper midwest attended Badger Camp. Sessions run Sunday through Friday and offer a wide variety of programs and activities specifically designed for each developmentally challenged individual.

Badger Camp is located just south of Prairie du Chien, on 620 acres overlooking the Wisconsin and Mississippi River Valley. For ten weeks each summer a staff of 52 create a safe, unique and fun environment that is enjoyed by hundreds of special citizens. For more information or to receive a camp application contact Wisconsin Badger Camp; P.O. Box 240, Platteville, WI 53818 or phone (608) 348-9689.

**'Art of the Heart' Exhibition at West Bend Gallery**

The West Bend Gallery of Fine Arts extends an invitation for the public to participate in a very special exhibition entitled, ART OF THE HEART. From now through February 24, the gallery will display Valentine cards and greetings created by anyone who wishes to display their own creative impression of love. The valentines will be hung as they are received creating an ever-expanding display of valentines created by children and adults. The handcrafted work can be created in any media and can be traditional or contemporary. Valentine messages can be created for a special someone or can be a creative expression of love from your family to the world. Anyone wishing to join in the fun can hand deliver their greetings during gallery viewing hours which are Wednesday - Saturday 10:00 a.m. - 4:30 p.m. and Sunday 1:00 - 4:30 p.m. The gallery is located at 300 South 6th Avenue

in West Bend.

In conjunction with the ART OF THE HEART exhibition, the gallery will be hosting a Valentine's making workshop on Thursday, February 7 from 6:00 - 9:00 p.m. Instructors, Joan Ganzel and Ron Sachse, will provide participants with a variety of possibilities and demonstrate assorted techniques used to create unique valentines. The ART OF THE HEART family workshop is open to the public. Participants wishing to register can do so at the gallery during gallery viewing hours. Fees are \$3.00 each or \$5.00 per family.

## Medical Scholarships Offered For Veterans' Descendents

The annual Medical Scholarship is again being offered by the Washington County Council, American Legion Auxiliary.

The \$200.00 Scholarship is awarded to a student desiring to enter any field in the medical profession. This would include training to become a nurse, technician, medical secretary, etc. The other requirements are that the student be the child or grandchild of a veteran, a 1991 High School graduate and

reside in Washington County. Application blanks are now in the offices of the Germantown, Kewaskum, Hartford, Slinger, West Bend and Kettle Moraine High Schools.

Any qualified person should contact their High School Counselor. Additional information can be obtained from Mrs. Betty Gumm, Scholarship Chairman by telephoning 338-3096. The deadline for application is April 1, 1991.

## American Legion Scholarships Available

The Washington County Council of the American Legion has four scholarships available this year in their annual scholarship program. The scholarship is a one time \$300 payment. It is open to any student graduating from a high school in Washington County and who is the child or grandchild of a U.S. veteran.

The scholarships are available to help area students get a start in the educational institution of their choice. The Council is made up of members of the seven American Legion Posts in Washington County -

Allenton, Germantown, Hartford, Hubertus, Jackson, Kewaskum and West Bend. Funding for these scholarships come from the foodstand run by the County Council at the Washington County Fair.

For applications, eligibility requirements and more information on the scholarships contact your local high school in Washington County or contact Jerry Bentfield, 308 Elm Avenue, Slinger 53086 (644-8584), chairman of the scholarship program. Applications must be received by Bentfield by March 1.

## Information Numbers For Troops In The Middle East

MADISON... Informational numbers of Wisconsin's branches of service have been released stated Representative Michael Lehman (R-Hartford).

The numbers that have been established are strictly intended for use by immediate family members in trying to seek information of their relatives who are actively involved with Operation Desert Storm.

The numbers to contact are as follows: AIR FORCE 1-800-253-9276; ARMY 1-703-614-0739; COAST GUARD 1-800-283-8724; MARINES 1-800-523-2694; NAVY 1-800-255-3808.

The following details are required in order to secure information on troops located in the Middle East: name of family member, the unit he/she is assigned to and if possible their ID number.

"I have just come from a briefing the Department of Military Affairs held regarding Wisconsin's involvement in the Persian Gulf. According to Major General Gerald Slack, all communication with Wisconsin's troops located in the Middle East is that they 'are in place, healthy, happy and prepared.' Residents of Wisconsin can be proud of our troops and during this time, although our views may not be the same regarding our involvement in the war, our support for our troops should definitely be shown by all," Lehman stated.

If you have any questions, feel free to contact Representative Lehman at 608-267-2367 or through the Legislative Hotline at 1-800-362-9696.

## Vietnam Vets to Meet

Anyone who served their country between August 5, 1964 and May 7, 1975 and is interested in being a member in the Vietnam Veterans of America in the area, should write Vietnam Veterans of America, P.O. Box 82, Newburg, WI 53060 or Call 692-2092.

The next meeting will be held on February 24, 1991, at 6 p.m. in the back of the Newburg Fire Hall.

The Rap Group will meet on February 20, at Federated Financial, Hwys. 45 and 33, in West Bend from 6 to 7 p.m.

## Remember Me?

Hello... remember me? I'm your flag. Some folks call me Old Glory; others call me Stars and Stripes, the Ensign, or just... the flag. But whatever they call me, I am your flag. And as I proudly state, THE FLAG OF THE UNITED STATES OF AMERICA. I was wondering if I might talk it over with you. It's about you and me.

I remember sometime ago (I think it was Memorial Day, or was it the 4th of July) when people lined up on both sides of the street to watch a parade. When your father saw me coming along, waving in the breeze, he took his hat off and held it against his left shoulder. His hand was directly over his heart. Remember?

And you, I remember you. Standing there as straight as a soldier. You didn't have a hat on but you gave the correct salute. They taught you in school to place your hand over your heart. Remember your little sister? Not to be outdone, she was saluting the same as you. I was proud, very proud, as I came down that street. Oh yes, there were some servicemen there, standing at attention, giving the military salute. Ladies as well as men, civilians as well as military, paid me respect... reverence.

Now if I sound a bit conceited... well... I have a right to. I represent the finest country in the world... THE UNITED STATES OF AMERICA. More than one aggressive nation has tried to haul me down only to feel the fury of this loving country. Many of you had to go overseas to defend me. A lot more blood has been shed since those patriotic parades of long ago and I've had a few stars added since you were a boy, but I'm still the same old flag.

Dad is gone now... and the hometown has a new look. The last time I came down your street, I noticed that some of the old landmarks have given way to a number of new buildings and homes. Yes sir, the old town sure has changed. I guess I have too, cause I don't feel as proud as I did back then.

I see youngsters running and shouting through the streets, college boys and girls disrupting our campuses, people selling hot dogs and beer while our NATIONAL ANTHEM is played... he looked around, didn't see anyone else with his hat off... so he quickly put his back on.

Now I come down your street, you just stand there with your hands in your pockets. Occasionally you give me a small glance and then look away. When I think of all the places I've been... NORMANDY, GUADALCANAL, IWO JIMA, BATTLE OF THE BULGE, KOREA AND VIETNAM, AND NOW THE PERSIAN GULF, I wonder what's happened? I'm still the same old flag.

How can I expect to fly high and proud from buildings and homes when within them there is no thought, love or respect for me. Whatever happened to patriotism? Your patriotism? Have you forgotten what I stand for? Have you forgotten all the battlefields where men fought and died to keep this nation free? When you salute me, you salute them. Take a look at the Memorial Honor Rolls sometime. Look at the names of those who never came back. Some of them were friends or relatives of yours... maybe even went to school with you. That's whom you're saluting... NOT ME!

Well, it won't be long before I come down your street again. So, when you see me, stand straight, and place your hand over your heart. Do this because I represent you. You'll see me wave back, my salute to you...

## New Postage Rates Effective Feb. 3

WASHINGTON, DC (January 22, 1991) — The Governors of the U.S. Postal Service today approved a general rate increase, as recommended by the independent Postal Rate Commission, in the cost of a First-Class stamp from 25 cents to 29 cents. The new rates — the first in almost three years — will be effective on Feb. 3, 1991.

Norma Pace, Chairman of the Board of Governors, said the increase will average 18 percent, overall, and 15 percent for First-Class Mail. Other average increases include 22 percent for second-class regular, 25 percent for third-class regular, 19 percent for Priority and 15 percent for Express Mail.

Due to increased efficiencies from automation and resultant work force reductions through attrition, the Post Service slashed its anticipated Fiscal Year 1990 net loss from an anticipated \$1.6 billion to \$874 million, Pace said. Nevertheless, coupled with the rising costs of the two preceding years in operations, transportation, supplies, labor, health and retirement benefits, the Postal Service financial condition is such that the rate increase could not be delayed, she added.

The Milwaukee Division is proud of its fiscal responsibility in helping the U.S. Postal

Service meet its financial goals. Our division's productivity has been up 5.5 percent over the past five quarters, utilizing 11,129 employees, 126 fewer than last year's total of 11,255 employees," said Postmaster Dennis L. Nott.

"In fiscal year 1990, we processed and sorted 2.8 billion pieces of mail. To date, our volume is at nearly 900 million pieces, about 24 million pieces ahead of last year at this time. In FY90, the Milwaukee Division's total revenue was \$977 million while projected revenue for FY91 is \$1.1 billion. These facts and figures must be put in perspective — I stress the fact that our operating budget is not subsidized by tax dollars," he said.

"The new Flower Stamp and 'make-up stamps' will be available at all Milwaukee Division post offices; most vending units will have the new stamps and will be fully supplied in a few days after the machines are re-calibrated," Nott added.

For the average consumer the new First-Class rates of 29 cents for the first ounce and 23 cents for each additional ounce will mean \$8 to \$10 more per year in postage costs.

The rate changes include a new flat envelope rate for both Priority and Express Mail. Users may include as many documents as possible in specially-designed envelopes for a flat fee, with the added

convenience of not having to weigh the envelope to determine the correct postage.

The new domestic rates include incentives for business mailers to prepare mail that is compatible with automated mail processing. Special rate recognition is given to mailers who apply bar codes to First-Class and third-class letters as the Postal Service moves toward a goal of having all mail barcoded by 1995. For example, a new rate is included for non-presorted, barcoded First-Class Mail with a two-cent incentive.

In making the announcement the Post Service offers these reminders:

- \* The Postal Service must establish rates that allow it to break even financially over time.

- \* The Postal Service receives no tax subsidies for its operations.

- \* Each class of mail, by law, must cover its costs.

- \* Rate incentives offered to mailers reflect their efforts in advance sorting and preparation of the mail, which lowers the Postal Service's costs of processing and delivering the mail.

- \* The Postal Service also announced an increase in international rates to more closely reflect the actual costs of delivering mail within the destination country, a requirement based on international postal policy. International rates are exempt from Postal Rate Commission review.

## Letters to The Editor

February 4, 1991

Dear Editor,

Congratulations on an appropriate response to Kevin Plzak's letter to the Editor in the January 31st Statesman issue. As Sandy Amerling's letter noted on the same page, "United we stand-divided we fall." I feel it is important for the citizens of the United States to support their troops and

respect their flag.

I would like to thank the Statesman for making flags available to the community and for all the businesses and citizens displaying them.

Let's have Kewaskum, a little part of the United States, join and become united in displaying their appreciation to our troops. Bring out your ribbons and flags-decorate your business, home, car or lapel; for United begins with "U."

## Moraine Park Board Approves Scaled-Back Plan; Referendum Set for February 19

FOND DU LAC — The Moraine Park Vocational, Technical and Adult Education Board last night unanimously approved a scaled-back facility program to expand educational and job training opportunities at the college's three campuses in Fond du Lac, Beaver Dam and West Bend. The board Monday night also unanimously approved a resolution calling for a Feb. 19 district-wide referendum on the down-sized plan which cuts more than \$2.5 million from a plan proposed last fall and will not increase Moraine Park's tax levy.

"This is a lean approach that focuses its resources on classrooms, training, retraining and getting people ready for the dramatic changes taking place in the economy today," said Moraine Park President John J. Shanahan who made his comments after a public hearing on the plan Monday night. "This scaled-back approach protects the taxpayers' interest and puts an emphasis on strengthening our economic development efforts throughout the district."

Shanahan added that the plan approved by the board "is a bare-bones effort that concentrates on expanding hands-on educational opportunities and providing more classroom space to train more people for jobs."

Shanahan noted that the cost of the program in Fond du Lac is \$5 million, \$1.8 million in Beaver Dam and \$4.5 million in West Bend. The total \$11.3 million project will be financed with a 15-year bond issue. "Moraine Park's record of strong financial management means that we can undertake this scaled-back effort, protect the taxpayers and still improve our ability to train more people for the workplace of the future without increasing the tax rate to pay for the buildings," he added.

Highlights of the down-sized plan, reduced by about 19 percent from the previous proposal, include:

- \* Applied Technology Centers at all three campuses to serve the special needs of adults returning to school for retraining and skills upgrading.

- \* Computer laboratories at all three locations to improve computer training and accessibility for all students.

- \* Expanded nursing programs to help meet the critical need for nurses and the growing number of students seeking careers in the expanding health care field.

- \* Public safety education programs to train people for careers in law enforcement and related fields.

- \* Career Development Centers at all three campuses to improve efforts to help students find new and better jobs.

Other parts of the board-approved plan call for expanding other laboratory and classroom space for water and wastewater treatment operations, industrial screen printing, agribusiness, manufacturing and other career areas.

"Educational opportunities at Moraine Park's three campuses must be expanded if we are to be ready for the challenges of the future," Shanahan said. "Students already are on waiting lists for important occupational areas and they

need the specialized training and education that only Moraine Park can provide.

"There also are hundreds of jobs waiting for qualified Moraine Park students upon graduation. The college currently receives many requests for trained graduates that it is unable to fill. This new proposal responds responsibly to that growing demand," he said.

## Labor Council Supports Moraine Park Expansion

The Washington County Central Labor Council unanimously endorsed the scaled-back facilities expansion proposed for Moraine Park Technical College.

"The college is working with so many industries whose employees fall under our labor council, we definitely see the need for growth at Moraine Park," said Harlow Reseburg, president of the Washington County Central Labor Council. The council voted for the endorsement of Jan. 14.

The \$11.3 million proposal concentrates on classrooms and specialized labs to prepare people for the job market. This project is a pared-back version of a plan proposed last fall and would expand facilities at Moraine Park's campuses in Beaver Dam, Fond du Lac and West Bend. The West Bend campus would nearly double in size under the proposal.

"If Moraine Park is to provide the training and retraining members of our affiliated unions will face in the near future, these additional classrooms and labs are needed," Reseburg said.

A 15-year bond issue would fund the project. Because of scheduled retirement of the current debt service, the project's construction costs would not increase the tax rate.

A referendum on the expansion will be held Feb. 19.

## Family and Parenting Courses Offered At Moraine Park

Two courses on family and parenting issues are being offered this semester by the West Bend campus of Moraine Park Technical College.

Active Parenting, 305-417-002, Tuesdays, 6:30 - 8:30 p.m., six weeks starting Feb. 5. For parents of children of all ages. Addresses communication, responsibility, how to allow children to risk and treating each other with respect. Typical family situations are observed on video segments, followed by class discussion; then family enrichment activities are suggested to try at home. Will be held in room N-118 at the West Bend campus, 2151 N. Main St. Cost is \$14.10.

Strengthening Stepfamilies, 305-450-003, Thursdays, 6:30 - 8:30 p.m., six weeks starting Feb. 14. Deals with the concerns of new family units formed at remarriage after a death or divorce: communication, coping with stress, stepparent role, discipline and others. Will be held at Annex Q,

"By focusing on a down-sized approach that concentrates on classrooms for job training and retraining programs, we think the college can do an even better job of playing a vital role in the district's economic development," Shanahan said. "And because of Moraine Park's strong financial position, no new tax increase will be needed to pay for constructing these facilities."

## PACE Program Offered Free at Moraine Park

The free Parent and Child Education (PACE) program, offered by Moraine Park Technical College in West Bend, is available to men and women 18 years and older, who have a preschool child and no high school diploma.

Parents attend classes to earn high school equivalency diplomas while their 3-, 4- or 5-year-old children participate in an early childhood program. A parent support time and parent-child activity are also included.

Classes meet Tuesdays, Wednesdays and Thursdays from 9 a.m. to 1 p.m. at Moraine Park's Annex Q, located at 1702 E. Washington St., West Bend. Enrollments are accepted continuously during the school year.

Most jobs today require high school as well as some postsecondary education. Numerous research studies conclude that educational achievement of children is more closely linked to the family's educational attainment and economic status than to any other factor.

For additional information or to enroll in Moraine Park's PACE program, contact Claire Cihra, PACE coordinator, Moraine Park Technical College, 2151 N. Main Street, West Bend, 53095; or call 334-3413.

1702 E. Washington St. Cost is \$14.10.

Advanced registration is required at least one week prior to class start. To register call the West Bend campus of Moraine Park, 334-0909. Use the appropriate course number to enroll.

## Workshop Designed to Help Eliminate Accounts Receivables

Are you a company or small business that "carries" accounts on your books? Do you find it difficult and, sometimes, next to impossible to get this money into your cash flow? This is an opportunity for you to learn how to address these and similar problems.

The West Bend Area Chamber of Commerce and the Business Resource Center of Eau Claire invite you to a one-and-one-half hour workshop designed to help you collect your accounts receivable. You will learn how to communicate with your customer; how and when to finalize accounts; how to handle stalls and objections; and how to make collection calls with third party influence. Also included will be how to collect bad checks and how to develop and implement an effective

financial policy.

The speaker, Jeff Staads, president of the Business Resource Center, is a master of collections. He has more than a decade of collection experience in preventing and collecting accounts receivable. Jeff knows what works and what doesn't. He brings this knowledge to the workshop to help you prevent mistakes that are time consuming and costly. He will educate you and your staff in the techniques and systems that produce the greatest results.

You and your staff will benefit from this workshop. Jeff is a dynamic, knowledgeable, results-oriented presenter with the ability to motivate and boost the confidence of the participants, as well as to educate them.

The workshop will be held Tuesday, February 12th, at the West Bend Hotel on West Washington Street in West Bend. Participants may choose one of three sessions to fit their busy schedules, or divide staff to attend different sessions. The sessions are (1) 7:00 a.m. - 8:30 a.m.; (2) 1:00 - 2:30 p.m.; and (3) 6:00 - 7:30 p.m. Registration fees are \$25.00 for the first person from a company and \$15.00 for each additional person from the same company.

To register, send your name, address, company and fee to the West Bend Area Chamber of Commerce, 120 N. Main Street, Suite 280, P.O. Box 522, West Bend, WI 53095.

## UWWC Offering Spanish for Business And Travel Course

A little familiarity can go a long way. UWWC Continuing Education Extension is offering a way for tourists or business people to learn just enough of the language and culture of Spanish speaking countries to make themselves more familiar with the customs of our Spanish speaking neighbors.

"Spanish for Business and Travel" is a new four week course that will be offered on Tuesday and Thursday evenings from 7 to 8:30 p.m. on Feb. 19, 21, 26, 28, and March 5, 7, 12 and 14.

Instructor Susie Michael has studied, taught and traveled in Mexico and is currently a Spanish lecturer at UWWC. "Most people are thinking very American when they visit a foreign country," explains Michael. "This class will give people a better idea of what to expect." For example, business is a much more social event in Latin America than in the United States says Michael. "A business meeting might begin with a discussion about life or family," she adds.

The course will include a grammar review with an emphasis on vocabulary such as monetary terms, phrases, professions, politics, economic and commercial terms, and computer terminology. Cultural differences, which sometimes lead to a breakdown in communication, will also be addressed. There is no prerequisite Spanish skills necessary for the course.

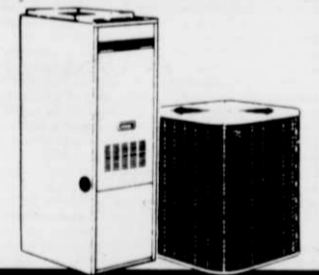

According to Joan Laabs, Director of Continuing Education Extension, the reason "Spanish for Business and Travel" is being offered is because of requests from potential students. "We also had several companies express a need for this type of exposure," she said.

The course costs \$45 and will be held in UWWC room 223. For more information, or to register, call Joan Laabs at 335-5200.

## 25 Years Ago

Feb. 4, 1966

There will be no issue of the Statesman on Friday, Feb. 18. The publishers are taking a vacation, the first in over three years and the office will be closed from Feb. 11 to Feb. 21. You are asked to please schedule your news and advertising to appear in next week's issue of that of Feb. 25.

Gloria J. Benicke is this year's Betty Crocker Homemaker of Tomorrow for Kewaskum High School. She scored highest here in a written knowledge and attitude examination taken Dec. 7. She is now eligible for state and national scholarships awards ranging from \$500 to \$5,000. More than 570,000 seniors in 14,714 of the nation's high schools were enrolled for the examination.

Mr. and Mrs. Henry Ramel of Kewaskum were guests of honor at the home of their son and daughter-in-law, Mr. and Mrs. Orville Ramel, in the Town of Scott, on Sunday, Jan. 16. The occasion marked the 55th wedding anniversary. A supper was served to 20 guests from Kewaskum, West Bend and Campbellsport.

At a meeting of the board of directors of the Bank of Kewaskum, Jan. 28, Wayland Tassar was promoted from cashier to vice-president and cashier and Mrs. Gladys Rosenheimer also was made a vice-president. Evelyn Krueger was advanced from assistant cashier and assistant trust officer to assistant cashier and trust officers. Gerald Zimmel was promoted to assistant cashier and assistant trust officer.

Miss Sharon Schoofs, eight-year-old daughter of Mr. and Mrs. Ted Schoofs, R. 2, Kewaskum, returned home Saturday evening from St. Agnes Hospital, Fond du Lac, where she had been confined for medical treatment for 12 days after suffering burns in an

accident at her home.

Births — A daughter to Mr. and Mrs. Eugene Schaefer, R2, Kewaskum, Thursday, Jan. 27. A daughter to Mr. and Mrs. George Reuter, R1, Kewaskum, Friday, Jan. 28. A son, Jeffery Jay, to Mr. and Mrs. Richard Minch, Fort Atkinson, Thursday, Jan. 27. Mr. Minch is a son of "Larry" Minch of Kewaskum.

## 50 Years Ago

Feb. 7, 1941

About 45 neighbors and friends gathered at the home of Mr. and Mrs. Moritz Weasler at Four Corners Saturday evening to help celebrate their 37th wedding anniversary.

In a transaction completed some time ago, Fred Borchert, operator of the cheese factory at Wayne Center for many years, sold his plant to the Purity Products Company of Mayville. Mr. and Mrs. Borchert will move to Five Corners located several miles north of Kewaskum, where they will operate the cheese factory also owned by Mr. Borchert. The Five Corners plant has been operated by Martin Koepsel for a number of years. The Koepsel family will move to Wayne by March 1, where Mr. Koepsel will be in charge of the Purity factory.

Joseph Karl, 58, widely known resident of the Town of Kewaskum died suddenly of a heart stroke while at work in the Kewaskum Creamery Company plant in this village at about 3 p.m., this afternoon. Mr. Karl formerly operated a cheese factory in the town.

Andrew Flasch, 75, of St. Kilian and community all his life and former merchant there, died suddenly Saturday, Feb. 1,

when he was stricken with a heart attack while engaged in doing chores on his farm. Mr. Flasch had many friends and was well liked as was shown by the large attendance at the funeral.

Miss Elva Schaefer of this village, who will be married to Milton Coulter of Theresa on Washington's birthday, was honored at a series of showers the past week. She is the daughter of Mr. and Mrs. Louis Schaefer.

Mr. and Mrs. Edward Theusch of R. 3, Kewaskum, are the parents of an eight-pound baby boy born at their home Tuesday, Feb. 4.

About 40 relatives and friends surprised Mr. and Mrs. Herman Sabish, Sr. at their home Saturday evening in honor of their 39th wedding anniversary. Cards and dancing were enjoyed.

## 75 Years Ago

Feb. 5, 1916

Justin Kinney, a farm hand who hails from the Town of Wayne, is an inmate of the County Home in West Bend since last Saturday. Kinney who had been making his home in the Town of Eden, was arrested at Lomira January 15 on the charge of drunkenness. He was brought before Justice Meyer at Lomira who sentenced him to 30 days on the rock pile at the County workhouse at Juneau. When Kinney was put to work it was found that both of his feet were frozen and he was hardly able to navigate. Local authorities and John Homrig, superintendent of the asylum in West Bend went to Fond du Lac to bring the man to the local institution. Mr. Kinney died at the County Home on Thursday

Kewaskum Statesman, Thursday, Feb. 7, 1991, Page 13

morning. Although gangrene had set in, he refused to submit to the amputation of his feet and death was a natural result.

Last Thursday a deal was perfected whereby Wm. Schaub, Jr., of this village purchased the garage, including some equipment of George Kippenhan also of this village. Consideration \$7,000. The new owner needs no introduction to the Statesman readers. He is a very ambitious young man. For the past year he has been employed by the John Schaefer & Sons garage. We wish Mr. Schaub success and prosperity in his new venture.

Quite a number of young people surprised Noah Netzinger of New Fane on Sunday night. The occasion being his 22nd birthday anniversary.

Flames starting from a defective chimney totally destroyed the residence of Peter Mangan in the Town of Ashford Saturday morning. Farmers from miles around were summoned by telephone to fight the fire, but the entire residence was destroyed, only a small portion of its contents being saved.

The local fire department was called out for the first time in four years last Tuesday evening at 9:30 when the alarm was sounded that Koch's Elevator on the Chicago & Northwestern Railway was a fire. All members of the department responded very quickly but before all apparatus was ready

for action the fire was extinguished. The cause of the fire is believed to be on account of an overheated stove used to keep the potato room of the elevator warm. Damage done was in the neighborhood of \$50.

### IN MEMORY

## Apply Now for Summer Youth Conservation Camp Positions

MADISON, WI — The Department of Natural Resources is looking for high school students, 15 to 18 years old, to participate in the summer Youth Conservation Camps (YCC) program. Applications and brochures for the camps are available from high school guidance counselors.

Camps are located near Manitowish Waters, Minong, Montello and Campbellsport. Each camp will operate two five-week sessions. The first session runs from June 9 - July 13; the second session goes from July 14 - August 17, 1991. Campers are paid minimum wage for 32 hours of work each week. A room and board charge is deducted from their earnings.

The camps offer a combined education and work experience. Campers will participate in

educational activities designed to give them an insight into conservation and environmental impacts and gain valuable job skills working on conservation projects.

Projects may include such activities as: campsite and trail development, stream and streambank rehabilitation, waterfowl counting and banding, tree pruning and brush removal. All projects are done under the supervision of a DNR professional.

The application deadline for campers is March 1, 1991. Applications and brochures are available from high school guidance counselors, at Job Service offices, at DNR district offices, or by writing to: YCC, Department of Natural Resources, P.O. Box 7921, Madison, WI 53707.

In addition, the YCC program is also recruiting staff for the following camp positions: camp director, assistant director for work projects, assistant director for education and recreation, cook, assistant cook, side camp cook/counselor, and camp equipment and maintenance supervisor.

Staff positions run from June 1 - August 17. Additional information about the positions and application forms are available at Job Service and College Placement offices, or by writing to the Department of Natural Resources at the above address. The deadline for staff applications is Feb. 15, 1991.

For more information contact: Peg Rasch — 608-266-8226 or Marilyn Howell — 608-266-5324.

## Dairy Profitability Video Conferences Set

Wisconsin and Minnesota dairy farmers will get hot tips on dairy farm profitability in two programs soon airing over University of Wisconsin-Extension's new satellite network which beams programs into county Extension offices.

"Profitable Pursuits" will be shown Feb. 19, followed by "Feeding Strategies for the Future" March 13. Attendance costs \$25 per program, with a \$10 discount for those registering in advance for both programs. Contact your county Extension office to register for either or both conferences.

The Profitable Pursuits program will start with check-in at 10:45 a.m. Panel members for the conference are Terry Smith, Director of the Extension Center for Dairy Profitability in Madison; Joe Conlin,

Minnesota Extension Dairy Management specialist; Robert Cropp, Director of the UW Center for Cooperatives; Linda Hodorff, a dairy farmer from Eden, Wis.; and Don Storhoff, president and chief executive officer of Wisconsin Dairies in Baraboo. The panel will discuss how to calculate profits and use the information to manage costs of production.

After the video conference, local Extension agents will help farmers determine their own profitability, and encourage discussions about the ideas coming from the presentation and about what the participating farmers have been doing to cut costs.

The March program, "Feeding Strategies for the Future" will cover topics ranging from hand-feeding to

multiple group total mixed ration feeding. It attempts to address problems a farmer will meet in implementing a nutrition decision, says Edward Harwood, extension specialist in charge of the two-state program. Harwood can also inform farmers in other states how to get the programs. His phone is (608) 263-7795.

Persons interested in registering for the program should contact the Washington County Extension office at 335-4477, 644-5204, 342-2929 Ext. 4477, for registration materials. Registration will then need to be sent to Madison. In order to receive materials in time for the session, registration must be sent in before February 8, 1991. For more information contact the Washington County Extension Office.

## Over 600 FFA Alumni to Meet In Stevens Point

STEVENS POINT, WI — Members of local FFA Alumni associations will "Point to Alumni in '91" February 8 through 10 for the 11th annual meeting of the Wisconsin State FFA Alumni in Stevens Point, WI.

The nearly 600 parents, educators, former students, agribusinesspeople and community leaders — all members of FFA Alumni affiliates who support local high school FFA members — will discuss a resolution that asks state legislators "to consider emergency appropriations to continue the quality agricultural education programs needed to prepare our youth for challenging agricultural careers," reports Larry Osterberg, Colfax, president of the Wisconsin State FFA Alumni.

The resolution was submitted

by local FFA Alumni affiliates in southeastern Wisconsin for discussion at the state's business meeting Saturday morning. Two other resolutions will focus on state dues.

Local FFA Alumni affiliates will also attend workshops aimed at helping them brush up on their organizational and leadership skills.

Throughout the weekend, FFA Alumni affiliates will participate in both live and silent auctions to raise funds to continue their support of local high school FFA activities.

Established in 1972, there are over 8,000 members in 220 local affiliates in the Wisconsin State FFA Alumni. The Wisconsin State FFA Alumni account for one-third of the FFA Alumni members in the U.S. to make it the largest state FFA Alumni association. In addition to Osterberg, other elected officers include Darrel Birnschein, Sturgeon Bay, first vice president; Ronna Morton, Janesville, second vice president; and Gene Pressnall, Madison, treasurer.

# Indians Comeback Falls Short Against Raiders

By Statesman Sports Writer

**KEWASKUM** — The Kewaskum boys basketball found themselves in a big hole in their game against Eastern Wisconsin leader Two Rivers here, last Friday night. Down by 18 points at the start of the second half, the Indians seemed to be headed for a blowout.

But the Indians, characteristic of their entire season, didn't quit. Once again, the Indians put forth a spirited comeback, only to have their bid for victory fall a bit short, this one reflected in a 79-75 loss to the perennial powerful Raiders.

Two Rivers got out of the blocks, a bit quicker than the Indians to take control in the first half. The Purple Raiders led by five after one quarter, and then extended their lead to 35-26 by intermission.

Down by nine heading into the second half, the Indians were shellshocked in the opening minutes of the third quarter, as Two Rivers ran off the first nine points of the period to open up a 44-26 lead.

But the Indians weren't about to fold, as they used a balanced attack to come back with a run of their own. Chad Cook's three-pointer midway through the quarter capped off a spurt that cut the Two Rivers lead in half, at 46-37. The Indians continued to shave points off of their deficit, and by the end of the third period, the Raider lead was just six, at 56-50.

Kewaskum cut the lead to as few as three early in the final stanza, but Two Rivers came right back with a pair of baskets to seize control of the game. The Raiders continued to widen the gap, opening up a 77-66 lead with under a minute of play.

The Indians primed themselves for one last run, though, as they used a couple of three-pointers to make things close. But in the end, it was too little too late, as there was not enough time to overtake the Raiders, who, with the win, improved to 7-2 in conference.

The loss dropped the Indians to a disappointing 2-7 in the Eastern Wisconsin, and 6-10 overall.

The Indians' Joel Fleischman continued to shine in conference play, as he netted a game-high 17 points. Senior Mark Felix added 15 points and eight rebounds in the losing effort, while the Indians had three more players, Cook (15), Kim Marx (14) and Matt Seiser (13) each score in double figures. Cook ended up canning a pair of three-pointers in the game.

Brad Bero led the Raiders, as he chalked up 16 points, including six in the decisive fourth quarter. Jamie Spindler and Brian Miller each added 12 for the Raiders. Included in Miller's total was a pair of

three-pointers.

The Indians got the better of things on the free throw line, as they connected on 75 percent of their tries, hitting 21 of 28 shots. Two Rivers, meanwhile, made 19 of 29 attempts.

The Indians traveled to Mayville on Tuesday, and will return to Eastern Wisconsin play this Friday, when they host Plymouth.

## Tractor Safety Course Required for Young Farm Workers

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to persons between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most accidents happen when the operator does not know how to operate the tractor or machine correctly or is unaware of the dangers involved.

To help reduce accidents, a Farm Tractor Safety Course is being sponsored by area High School Vocational Agriculture Departments and the University of Wisconsin Extension in Washington County. The course will be held on 4 Saturdays beginning March 2 from 9:00 a.m. to 3:00 p.m. On Saturday March 2 and 9, the course will be held at UWVC-West Bend, Room 114. The March 23 session will be held at Slinger High School in the Auto Shop Classroom. The April 13 session will be held at the Addison Town Hall in Allenton. The course includes instructions on understanding how to operate a tractor, with emphasis on safety. To complete the course, youth must attend all four sessions and pass a written and a driving exam.

Federal Child Labor Laws require young people, aged 14 or 15 and working for someone who is not their parent or legal guardian, to take special training to acquaint them with hazardous phases of farm work, particularly tractor and machinery safety. The Tractor

Safety Course is open especially to youth who will be 14 but not over 16 years of age by June of the current year. However, other youth will be accepted as space permits.

Youth under the age of 14 are prohibited from farm work of a hazardous nature by Federal Law. Jobs not considered hazardous on a farm are few.

If you intend to hire any youth on your farm, make sure that they enroll in this course for your protection as well as theirs. There are severe penalties for not complying with the law. Penalties can be as high as a \$10,000 fine and possible jail sentence for hiring uncertified youths. Also, some insurance companies have indicated that, technically, they can't cover an accident to an untrained youth.

Protect your child or the young person who works for you... enroll them in the Farm Tractor Safety Course. The cost of the course is \$13.00 per student. Registration deadline is February 18. To register, call your local High School Vo-Ag Instructor or the UW-Extension Office in West Bend. Phone 335-4478; 644-5204; 342-2929.

# Gymnasts Fall to Hartford; Place 7th at Invitational

By Statesman Sports Writer

**HARTFORD** — Despite coming up with one of their higher scoring totals of the season, the Kewaskum gymnastics team was no match for a powerful Hartford squad here, last Thursday night.

The Orioles placed first and second in every event in posting an impressive 97.5 total, beating Kewaskum by more than ten points, as the Indians tallied a 86.8 mark.

The highest place any Indian gymnast could muster was Stephanie Reindl's third place showing on the balance beam. Reindl's mark of 7.3 was just .2 out of first place, and just .1 from placing her second.

Other than Reindl's showing, Hartford took 1-3 in every event, as the Orioles' Dani Wallisch captured first place in the all-around competition, averaging a 6.9 mark. Wendy Fideler, who finished fifth in the floor exercise with a 7.6, was second in the all-around with a 6.4 average.

The encounter with the Orioles, a strong Division I school, was just a hint of things to come for the Indians, as they traveled to Kaukauna on Saturday to take part in the Kaukauna Invitational. The Indians found themselves up against the likes of Manitowoc and Kimberly/Kaukauna, a couple of powerful Division I teams.

The Indians wound up finishing seventh in the field, scoring 78.4 points. The combined Kimberly/Kaukauna squad wound up finishing first in the meet, as they scored a whopping 105.56 points, while Manitowoc also surpassed the 100-point mark, as they came in second with 100.875 points.

The best finish that the Indians could come up with in the tough meet was a ninth place finish by Fideler in the floor exercise. Fideler's mark of 7.7 was .8 behind the first place finisher, Leigh Ann Mrotek of Kimberly/Kaukauna.

Reindl ended up taking 16th place on the balance beam with a mark of 6.35, despite falling during her routine, while Stacey Heberer did a nice job on the vault, as she scored a team-high 7.65 in the event.

After an away meet at

Markesan on Monday, the Indians are idle until Tuesday, Feb. 19th, when they wind up their regular season by hosting an improved Chilton team that ranks among the best Division II teams in the state.

## Freshman Girls Suffer First Loss of Season

By Statesman Staff Writer

**KEWASKUM** — By beating Kiel last Tuesday night, the Kewaskum girls freshman basketball team set the stage for a showdown between themselves and another unbeaten freshman squad from Kettle Moraine Lutheran.

It was the Chargers, though, who left with an unblemished record, as KML ran past the Indians freshman 52-36, handing the Indians their first loss in 14 games this season.

KML took control of the game in the first half, as they jumped out to a 24-18 halftime lead. The Chargers then used a big second half to open a commanding lead. Kate Lepein led the winners with a game-high 18 points.

The Indians were paced by Ginger Wiesner, who had 11. Wiesner also led the Indians in scoring on Tuesday night, scoring ten points as the freshman beat Kiel 40-15. The Indians outscored the Raiders 34-11 after falling behind early in the contest.

While the freshman girls were having a tough time of things against KML, the Indians JV's continued their winning ways. Robyn Winninghoff scored a game-high 25 points, while Debbie Steger chipped in 12 to lead the Indians to a 49-40 win over the Chargers.

On Tuesday, the JV's were involved in a defensive battle, as they came out on the winning end of a 22-15 struggle. Kim Sabish led the Indians with six points. The pair of victories improved the JV's record to 14-4 on the season, including a glossy 8-2 in the Eastern Wisconsin.

## Lakes Team Loses In Second Half

**KEWASKUM** — Steve Albinger and Brian Krueger combined for 74 points as the Hartland Pulse broke open a close game in the second half in handing Kewaskum its fifth straight setback, 145-115, here Sunday night. The win evens Hartland's record at 3-3.

Kewaskum started out well in this one as they maintained the lead most of the first half. They led 30-27 at the quarter and 68-64 at intermission. However they ran out of steam in the second half as Hartland ran off 15 unanswered points at the start of the third quarter and continued to pour it on from there. The Pulse led 108-94 after the third quarter and continued to walk away from their opponents in the fourth quarter.

Kewaskum did outshoot Hartland from the free throw line, making 18 of 22 for 81.8 percent, compared to 14 of 24 for 58.3 percent for the Pulse.

Albinger led six men in double figures for the Pulse with 39 points and Krueger followed closely with 35. Tim Fredman added 22. For Kewaskum, Randy Tennies took game scoring honors with 43 points. Tony Pirozzoli added 30 and Dan Gibbon 17.

Kewaskum will host defending - champion Cedarburg this Sunday. The Turners lost their first two games this year, but have come back to win their last three. Game time is 7:00 p.m. at Kewaskum High School fieldhouse.

## Instructor Earns Certification

Jacquie Wiedmeyer

The Fitness Firm, a national nonprofit fitness corporation, has recently awarded Kewaskum instructor, Jacquie Wiedmeyer, with a Certificate of Fitness Instructor Certification.

The certificate awarded by the Training and Continuing Education Department at The Fitness Firm headquarters in Brookfield, Wisconsin, reflects Wiedmeyer's dedication and commitment to the field of dance exercise.

To receive the certificate Wiedmeyer attended a full day training workshop and passed both a comprehensive written exam on physiology, kinesiology, exercise programming, special populations and nutri-

tion and successfully demonstrated the skills and techniques necessary to teach an aerobic exercise program.

Wiedmeyer is one of over 200 Fitness Firm instructors who offer fitness classes that include safe effective exercises with dance movements set to a variety of music styles. Their students total more than 4000 people in 12 states.

The hour long Fitness Firm classes provide a total body workout incorporating a firming and toning segment, a warmup, aerobic phase, upper body conditioning, cool down, post-cool down and final stretch. Instructors may also provide additional Fitness Firm programs specifically designed for Senior Citizens, Aqua-Fit, water exercise or The Physical Factor program for concentrated firming, toning and stretching. Wiedmeyer teaches 6 classes per week in West Bend. For further information on the program nearest you, please call 798-1350.

## UWWC Men End Losing Streak

By Statesman Sports Writer

WEST BEND — The UWWC men's basketball team probably wishes that it could schedule all of its games against Sheboygan's Lakeshore Tech

## UWWC Women Steal Win from MATC

By Statesman Sports Writer

MILWAUKEE — Most players don't get a chance to play in a major sports arena in careers. The UWWC women's basketball team got that opportunity here, last Tuesday night, and at least one player made it a night to remember.

Rocky Justman set a state record with 15 steals, as she helped the Wildcats to a 61-44 win over Milwaukee Area Technical College at the MECCA Arena.

Justman finished with 16 points and eight rebounds, just missing a triple double, to go along with her theft record. After a check with the proper channels, UWWC coach Tom Brigham confirmed the new mark.

"It's a conference and a state record," he said. "She had a fabulous game. She was non-stop all game ... just very aggressive."

In addition to Justman's record setting effort, Brigham also got his usual steady performance from center Jenny Meyer, who pumped in 14 points and grabbed 12 rebounds. Heidi Wagner also played well, as she chipped in 14 points and seven rebounds.

Brigham also got his reserves a good deal of playing time, something he feels is important, as the stretch run and post season nears.

"Everybody played quite a bit," he went on to say. "At the end of the game, I had Jenny, Heidi and Rocky on the bench. So we got the new girls some valuable experience."

The Wildcats weren't intimidated at all by the spacious facility, according to Brigham. The Wildcats raced to a 32-21 lead at halftime, and then just poured it on the Lakestormers in the second half.

The win upped UWWC's record to 13-3 overall, including 8-1 in conference. The victory, coupled with UW-Fond du Lac's loss to UW-Sheboygan on Monday night, puts the Wildcats in first place in the conference, and it also means that UWWC takes over the top spot in the state as well.

"Now we just have to focus and take it one game at a time," Brigham said of the new ranking. Keeping healthy is also one of his major concerns. "We have to avoid those injuries."

The Wildcats get back in action Friday night, when they host UW-Marathon. The Wildcat men play at 6:00, with the women following immediately.

squad.

That's because the Wildcats only wins of the year have come against Lakeshore Tech, the second coming last Thursday, as UWWC down the visitors 91-67, breaking a 10-game losing streak that dated back to the beginning of December.

The losing streak reached ten games on Monday night, as the Wildcats fell to UW-Waukesha, 89-52.

Against the powerful Waukesha squad, the Wildcats played well early, and actually led 16-14 before the bottom fell out. Waukesha went on a run that ended up outscoring UWWC 30-14 the rest of the half to lead 44-30 at halftime.

It got worse in the second half, as Waukesha opened it with a 35-8 spurt that left the Wildcats trailing 79-38 with under ten minutes to play.

Terry Howell led UWWC with 23 points, while Karl Klosowski chipped in 17. Dave Anderson also played well off the bench, as he pumped in 10 points.

The long losing streak came to an end on Thursday, though, as UWWC dominated Lakeshore from the beginning. UWWC opened up an early eight-points lead, which grew to 43-29 as the Wildcats' Darren Schlenvogt tipped in a UWWC miss at the buzzer ending the first half.

Lakeshore came out on fire in the second half though, and cut the Wildcat lead to just two, at 48-46. But UWWC scored the next seven points to open their lead back to 55-46, from which they were never really seriously threatened down the stretch.

UWWC got balanced scoring from Schlenvogt, Howell and Klosowski, who tallied 26, 25 and 22 points respectively. Each added another dimension to their game, as Howell and Schlenvogt led UWWC in rebounds with 11 and 10, while Klosowski dialed out a game-high 11 assists.

The win improved UWWC's record to 2-16 overall, and the Wildcats are back home on Friday night against UW-Marathon, beginning at 6:00. The Wildcats wrap up their season on Monday, when they host UW-Fond du Lac, beginning at 8:00.

## Indians Play Well, But Lose to KML

By Statesman Sports Writer

KEWASKUM — It must be something about playing defending state champs, because the Kewaskum girls basketball team always seems to rise to the occasion when they face that task.

The Indians played the defending WISAA Class B champion Kettle Moraine Lutheran as tough as they possibly could, but in the end, KML's depth and overall strength was too much for the Indians to overcome, as the Chargers pulled out a 50-46 overtime victory over the Indians.

It was the second time this season that the Indians took a 1990 state championship team down to the wire. On Jan. 3, the Indians pulled off the upset by defeating WIAA Class C champ Oostburg, 29-28.

But Kewaskum was unable to duplicate that feat, although it took an extra period to decide the winner of this tilt. It didn't look as if there would be a need

for the overtime in the early going, though, as the Chargers came out of the blocks on fire.

The Indians found themselves behind 9-1 early in the first, and had to regroup in order to pull to within 13-7 after one quarter of play. The two teams matched point for point in the second frame, and the Indians still were behind 24-18 at halftime.

Despite having key players on the bench in foul trouble, the Indians mounted a nice rally in the third period, outscoring the Chargers 15-10 to pull to within one, at 34-33 heading into the final stanza.

The Indians suffered a couple of key blows in the fourth, losing Kelly Rohlinger and Amy Chesak, both of whom fouled out yet still the Indians were able to take a two-point lead over the Chargers late in the game.

But the Chargers tied things at 44 on a basket by Tracy Rossow with just over two minutes to play. Though both

Kewaskum Statesman  
Thursday, Feb. 7, 1991, Page 18

teams had plenty of opportunities, neither could manage another point in the final minutes of play, and the two teams needed the extra period.

KML finally broke through, as Kristin Hahm made a basket and a pair of free throws to give the Chargers a 48-44 lead midway through the overtime. Terry Vogt connected on a pair of free throws for the Indians, making it 48-46, but that was all the offense they could muster in the extra period, as KML added a couple more free throws late in the period to send the Indians to their fifth straight defeat.

The Indians were led by Nicole Doherty who popped in 12 points, as well as Wanda Jacobs, who tallied 10, including eight in the Indians third quarter comeback. Rossow led the Chargers with 14 points.

The loss dropped the Indians overall mark to 4-13, while KML improved to 12-6.

## Indians 5th in Conference with Five Placing 2nd

Kewaskum's Jeff Sabish was pitted against Troy Kaczowski of Plymouth in the wrestling semi-final round. Above Jeff is trying to get a good hold to put Troy to his back.

Mark Dziedzic, Kewaskum and Troy Wusterbarth, Kiel, battle it out in the semi-finals of the conference meet held at Kewaskum last Saturday. Mark won the match with a 4:00 pin.

With the tides turned for the Indians, five of the eight wrestlers fought their way to the finals Saturday as Kewaskum hosted the Eastern Wisconsin Conference Tournament.

Of the eight wrestlers, Dziedzic, Sabish, Kurtz, Morell and Todd Muckerheide finished second as Kapp took third and Chad Muckerheide placed fourth.

With all but three receiving byes in the quarterfinals, action picked up during the semi-finals. Senior Brett Rauch had a disappointing day as Jason Buechel of New Holstein defeated him with a pin in 1:23. Rauch then wrestled in the consolation match, but failed to win as he was pinned by Dustin Schroeder in 5:31.

During the semi-finals, Kevin Kapp wrestled against Eric Kirsch of Kiel where he unfortunately failed to gain points on Kirsch. Kapp was defeated 2-9, but then went on to wrestle for third place honors against Korey Shillcox of Two Rivers. Going to work in a quick 4:00, Kapp stuck Shillcox to walk away with a bronze.

Sophomore, Mark Dziedzic ended his conference year with a 4:00 pin against Kiel in Semi-finals to carry him to a tough match against Plymouth's Mark Beebee for the first place title. Beebee of the conference champion team pushed Dziedzic to the end until Dziedzic gave way to Beebee's 5:32 pin against Kewaskum's 125 pounder.

Sophomores Josh Kurtz and Mark Morell carried themselves to finals where they faced the Plymouth contenders Keith Backhaus and Corey Stoney. Plymouth's Backhaus and Stoney stuck together and defeated both the Indians in a 5:58 and 1:07 pin.

Senior Jeff Sabish, looking for the conference title, fought

hard for it. Fighting past Fall's Dave Christian to get to the finals to fall Plymouth's Tony Kaczowski Sabish ended with a heartbreaker of a loss. Losing to Kaczowski earlier during the regular season, Sabish showed great endurance throughout his match. Ahead at the end of the second period 5-4, Kaczowski gained control of Sabish in the third as he took over the lead. Nearly sticking Sabish, Sabish held on to the end, yet lost by a mere 7-5.

The Indian's Todd Muckerheide provided the fans with excitement as he defeated New Holstein's Kevin Schroeder 12-9 to advance him to the finals. Schroeder, who defeated Muckerheide twice earlier in the season, and who also expected to walk away with the gold, gave way to Muckerheide's strength. The sophomore then met up with first seeded Mike Wafsiloff of Two Rivers in the finals. Muckerheide was unable to do much as Wafsiloff defeated him in 1:40.

Freshmen Chad Muckerheide lost to Plymouth's Mark Pool in the semi-finals, placing him in the position to take third. Tied at the end of overtime, 10-10, against Dayton Behnke of Sheboygan Falls, Dayton was given third place honors due to his three backpoints earned earlier in the match.

The conference traveling plaque was handed over to Plymouth as they took first place honors with 190.5 points. Sheboygan Falls placed second with 113, Kiel in third with 107, followed by Two Rivers and Kewaskum with 105 and 97.5, and then New Holstein and Chilton with 82 and 62.5,

respectively.

Regional action begins Saturday at Random Lake at 10:30 and sectionals next Saturday at Whitewater.

## Indians Shoot Better to Beat Lomira

By Statesman Sports Writer

KEWASKUM — After losing four straight games and struggling offensively the past week, the Kewaskum boys basketball team needed an outing to get back on the right track. Last Tuesday's contest with Lomira was just what the doctor ordered.

After scoring 45 and 51 points in their last two contests, the Indians got the offense going once again, as they fended off a stubborn Lion squad, winning 69-62.

The win snapped a four game losing streak for the Indians, while improving their record to 6-9 overall.

Shooting proved to be the key in the game, as the Indians broke out of their mini shooting slump to post some nice stats. Kewaskum connected on 25 of their 44 shots, for a glossy 56 percent effort.

A balanced scoring attack also was a huge asset for the Indians. Three Indians scored in double figures for the night, while another tallied nine points.

The major contributor to the Indians' offensive was junior guard Chad Cook. The 5-7-

southpaw had been struggling with his shot for much of the season, but Cook came through in a big way against the Flyway Conference member Lions.

Cook scored 17 points for the Indians, canning eight shots from the field. He also helped taking some of the scoring burden off the Indians two main guns underneath, Mark Felix and Joel Fleischman.

Fleischman wound up with 20 points, as he shared the game's scoring honors with Lomira's Tom Cole. Felix also contributed 15 points and 13 rebounds for the Indians. Fleischman also was a force on the boards, grabbing nine rebounds.

Cook set the tone early, though, as he nailed a couple of long jumpers in the first half, helping the Indians jump out to a 31-22 lead at the half.

The Indians upped their lead to as many as 16 points in the third period before Cole, the Lions leading scorer for the year, started to rally his team.

Cole, along with Craig Zangl, went to work offensively, as Lomira narrowed Kewaskum's lead to just 10, at 47-37, heading into the final stanza.

Lomira got the Indians lead down to just six midway through the fourth, but down the stretch the Indians were able to hold on to the lead, and come away with a big victory.

Free throw shooting also played a big role in the Indians win. Kewaskum got to the line ten more times than the visitors

(28-18), and wound up outscoring the Lions at the charity stripe, 19-12, the same margin as the final score.

Cole's total, which included three 3-pointers, led Lomira, while Zangl was also in double figures with 11 points. Kim Marx chipped in nine for the Indians.

## KHS Indian Girls Lose As Kiel Hits on Free Throws

By Statesman Sports Writer

KIEL — Either the Kiel girls basketball squad has a group of players that likes pressure-packed situations, or the Kewaskum girls just got very unlucky down the stretch here, last Tuesday.

That's because the Raiders, who struggled from the free throw line the entire game, suddenly regained their form in the final quarter, as Kiel went on to beat the Indians by a 39-29 count.

In the first three periods, Kiel was able to connect on just three of their 11 attempts from the charity stripe. But with the game on the line in the fourth, the Raiders calmly sank 10 of their 14 tries to ice the game.

The loss was the fifth straight

for the Indians, who fell to 1-8 in the Eastern Wisconsin and 4-12 overall.

The Indians fell behind early in this contest, as Kiel jumped out to a 8-5 lead after the first quarter. The Raiders extended the margin to eight, at 22-14 at halftime, and then came the quarter that neither team would like to remember.

The Indians, who once again struggled from the field, couldn't get a single shot to fall in the third quarter, as they went scoreless for the entire eight minutes of play. On the bright side, the Indians were able to hold the Raiders to just three marks in the period, thus avoiding a total blowout.

Down by 11 heading into the fourth, the Indians began a comeback bid that saw them

outscore 15-7, and pull to within three, at 32-29 with just over a minute to play.

But that was all the offense the Indians were going to mount on this night, as Kiel proceeded to hold Kewaskum scoreless the rest of the way, while helping themselves to seven points from the line.

Kiel ended up shooting an unimpressive 13 of 25 from the line for the game, while the Indians were 10 of 17. Kewaskum finished at a dismal 20 percent from the field, hitting just nine of their 43 attempts.

Nicole Doherty, a steady player the entire season, once again led the Indians, as she tallied 10 points. But after Doherty's effort, the Indians point production dropped off dramatically, as Amy Chesak was next high with a five-point effort, which included a three-pointer.

Kew. 5-9-0-15-29  
Kiel 8-14-3-14-39

KEWASKUM — Doherty 10, Chesak 5, Korth 1, Steinert 4, T. Vogt 4, Rohlinger 4, Krause 1, Totals 9-10-17, FT Missed 7, 3-pointers - Chesak.

KIEL — Horn 4, Rogne 10, Westmeyer 4, Henschel 7, Niemuth 1, Schuler 13, Totals 13-13-17, FT Missed 12.
