Only Washington County Supported Proposal MPTC Referendum Defeated Again

By GERRY MUELLER
Statesman Staff Writer

The fact that the amended Moraine Park Technical College referendum was placed on the spring primary ballot apparently did little to enhance its chance of being passed by the electors. Some opponents of the referendum felt that action would see the referendum slide through because of voter apathy and little competition in local elections. Neither point seemed to be the case, however, as voters throughout the ten-county MPTC district turned out en masse to show their opposition to even the scaled down version of the \$13.8 million expansion and remodeling program originally presented to them on the September 11, 1990, ballot.

The trimmed down \$11.3 million plan would have included a 60,000 square foot addition for the Fond du Lac campus, the addition of 20,000 square feet to the Beaver Dam campus and an addition of 47,000 square feet to the West Bend campus for new and expanded classrooms.

On the original referendum presented last September, 19,584 votes were cast. That \$13.8 million plan was defeated by a vote of 10,399 or 53.1% against, to 9,185 or 46.9% for. In comparison, the \$11.3 million amended referendum presented February 19th drew a larger vote of 20,092 ballots cast. That proposal was defeated by a vote of 13,008 or 65% against to 7,084 or 35% for the plan.

A breakdown of figures showed only Washington County voted in favor of the revised referendum. It passed, however, by the slim margin of only 792 votes. Of the 4,696 votes cast in Washington County, 2,744 or 58% voted for the referendum while 1,952 or 42% voted against it. The county's figures on the second vote were also lower than the margin of approval on the original referendum back in September.

The most dramatic change in voter numbers came out of Fond du Lac County. There, opposition to the proposal almost doubled over the September election figures. On the original referendum, Fond du Lac County voters were opposed to the proposal 58%, to 41% of the electors who were for it. On the February 19th ballot, those figures rose surprisingly against the plan. Of the 10,173 votes cast in Fond du Lac County, 7,560 or 74% voted no, to 2,613 or 25% voting for the plan.

A breakdown of the total

referendum votes cast is as follows: City of Fond du Lac 3,408 no, 1,480 yes; Fond du Lac County 7,560 no, 2,613 yes; Sheboygan County 4 no, 3 yes; Marquette 1 no, 0 yes; Calumet 87 no, 71 yes; Green Lake 519 no, 228 yes; Waushara 72 no, 16 yes; Winnebago 45 no, 11 yes; Dodge County 2,768 no, 1,398 yes; Washington County 1,952 no, 2,744 yes; and no votes cast in Columbia County.

MPTC officials suggested the referendum's defeat may be due, in part, to present economic conditions including lower milk prices for farmers, lay-offs and plant closings in Fond du Lac and Hartford.

Opponents of the referendum say they are sending a message that they are tired of seeing top-heavy administrative salaries and under utilized classrooms.

MPTC president John Shanahan indicated the MPTC board will again listen to and examine the opposition's concerns and determine the next step. The only way to bypass a referendum vote, said Shanahan, would be to build the additions in \$500,000 expenditures once every two years. However, it was felt this alternative idea was not practical.

Easter Bunny Hopping to Kewaskum Soon!

On Saturday, March 23, area children will have the opportunity to have breakfast with Mr. and Mrs. Easter Bunny. Breakfast will be served beginning at 9:00 a.m. at the Kewaskum High School Cafeteria.

Tickets will be available after March 5, at Miller's Furniture, Sentry Food Store and the Kewaskum Statesman at \$3.00 per person.

Seating is limited so purchase your tickets early! This event is sponsored by GFWC Kewaskum Junior Woman's Club.

Laatsch Resigns as Judicial Candidate

On February 20, 1991, the Municipal Court Administrative Committee was officially informed that the one candidate for the Municipal Judge position, Mr. Daryl Laatsch, has decided to resign from the position after the April 1991 election. Mr. Laatsch cited personal reasons for his decision.

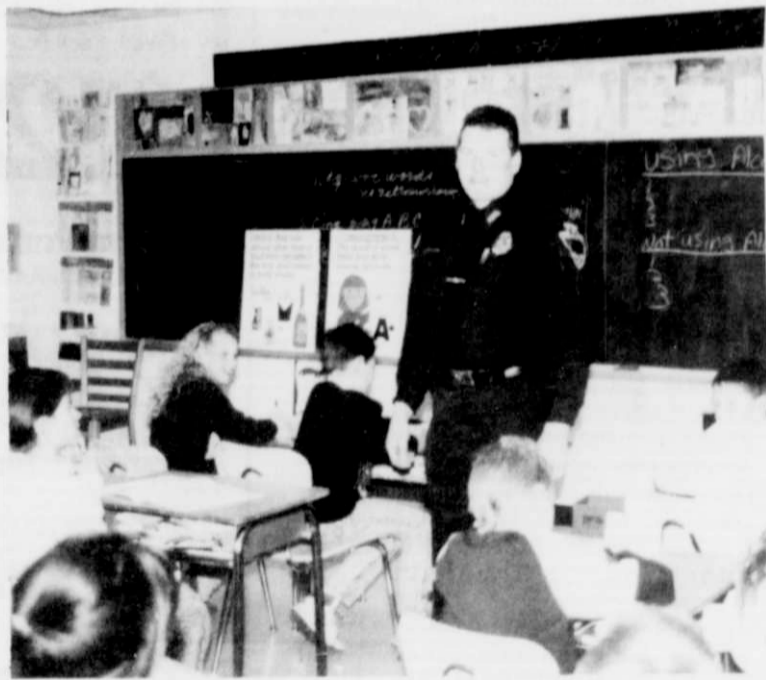

Due to statutory reasons, Mr. Laatsch's name could not be removed from the ballot at this time. Members of the Administrative Committee will be actively seeking other candidates in a write-in capacity, though not actually endorsing any one candidate.

Sno-Chiefs Donate to DARE Program

On behalf of the Kewaskum Police Department, Officer Steve Seitz accepts a check for \$50 from Bev Rohlinger, treasurer of the Kewaskum Sno-Chiefs Snowmobile Club. The money is to be used for Kewaskum's DARE program. Seitz noted the department had also received a donation of \$400 from the Kewaskum Kiwanis to be used for the program. "We're very pleased with the program and the acceptance and support it has received from the community," said Seitz.

D.A.R.E. Program Begins at Holy Trinity

Shown above is Kewaskum D.A.R.E. Officer Steven Seitz with the fifth grade class at Holy Trinity School. The 16-week D.A.R.E. program was started about three weeks ago during Catholic Schools Week. The children relate extremely well to Officer Seitz and seem to really enjoy the time they spend with him every week.

KES National Geography Bee Winner Announced

Kasey Brath, a fifth grade student in Kewaskum Elementary School, won the school's geography bee on February 6 and is now eligible to compete for a \$25,000 college scholarship. The fifth grade classes of Mr. Erv Uhlman and Mrs. Jane Lazarevic took part in the school-level bee, at which students answered oral and written questions on geography. It was the first round in the third annual National Geography Bee.

Between January 28 and February 8, 1991 thousands of schools around the United States held qualifying bees. Kasey, along with all school-level winners, must take a written test to be sent to the National Geographic Society by February 20. As many as 100 of the top scorers in Wisconsin will then compete in the state bee on April 5.

An all-expense-paid trip to Washington D.C. for the National Geography Bee finals May 22 and 23 will await the state champions and their teacher escorts. It will be provided by the sponsors, National Geographic Society, Amtrak, and Kudos Snacks. The first-place national winner will receive a \$25,000 college scholarship; the second-place winner a \$15,000 scholarship and the third-place winner a \$10,000 scholarship.

The National Geographic Society developed the National Geography Bee in response to a growing concern about the lack of geographic knowledge among young people in the United States. A 10-country Gallup Survey conducted for the Society in 1988 and 1989 found that people in the U.S. ages 18 to 24, the youngest surveyed, knew less about geography than young people in any of the other countries. The School District of Kewaskum is responding, in

Arthritis Campaign In Progress Here

The annual Arthritis Foundation Wisconsin Chapter Neighbor-to-Neighbor Campaign is now in progress in Kewaskum. Campaign proceeds benefit an estimated 674,000 men, women and children in Wisconsin who are affected by arthritis. Nearly 12,590 of them live in Washington County. That's one in every seven people, one in every three families!

The say there is no cure for arthritis, but they are wrong... we just haven't found it yet. Funds raised during the Neighbor-to-Neighbor Campaign will support arthritis research, patient service and public and professional education throughout Wisconsin. These programs are designed to meet the needs of people with arthritis, their families and the physicians who treat them.

The Arthritis Foundation is the only voluntary health agency seeking the total answer: the cause, cure and prevention of arthritis. Please give generously when you are contacted by your neighborhood representative. For more information on arthritis, contact the Arthritis Foundation Information and Referral Hotline at 1-800-242-9945.

Dundee Man Retiring After Nearly Half Century on the Job

Fred Raether is looking forward to his retirement after 46 years "on the job."

By GERRY MUELLER
Statesman Staff Writer

For the last time Friday, Fred Raether of Dundee reported for work at Regal Ware, Incorporated, Kewaskum, after 46 years on the job.

Fred began work at the Kewaskum factory March 5, 1945, when he was seventeen. The company, then owned by the Rosenheimer family, was known as the Kewaskum Utensil Company. "There were only 47 people employed by the company then," said Raether, "now there's about 900."

In his almost five decades with the company, Raether saw many things and many changes. As Kewaskum Utensil Company, the plant was part of the war effort of World War II, making 81 millimeter mortar

shells.

In August, 1945, the company was sold and Raether continued to work for the company and its new owners. In 1946, Raether was drafted and served in the Army of Occupation in Japan, returning to his job in Kewaskum in 1947.

During the Korean War, the company was again part of a war effort, this time making 105 mm shells along with its cookware line.

In his 46 years at Regal Ware and its predecessor, Raether worked in sanding, punch and draw press, press set-up and retired in the position of Tool and Die Clerk.

Co-workers and friends gave Fred a "Happy Retirement" send-off with a party on Thursday. Fred and his wife

Alice are looking forward to enjoying his retirement. "I enjoy fishing, hunting and gardening," said Raether, "and while I haven't done much of lately, I look forward to doing a lot more." If the ice holds up, I'd like to get in some ice fishing, he noted.

Local Insurance Agency Honored

West Bend Mutual Insurance Company in West Bend, Wisconsin, recently honored Kettle Moraine Agency, Inc. in Kewaskum for outstanding performance in the company's agency incentive program, Partners In Excellence. The independent insurance agency earned membership to the President's Round Table, a distinction accorded the ten highest-scoring agencies in the program.

Partners In Excellence is a program which measures seven areas of agency performance, including profitability, premium volume, underwriting, and agency management.

Five hundred and fifty independent agencies participated in the program. The agencies are located throughout Wisconsin, Illinois, Iowa and Minnesota.

Kettle Moraine Agency, Inc. sells all types of Insurance, and Bonds, and it is located at 1055 Fond du Lac Ave., Kewaskum.

KHS Choral Dept. Clinic March 4

Students of the Kewaskum High School Choral Department will participate in a clinic on Monday, March 4.

The guest clinician will be Carl Chapman of the University of Wisconsin - Oshkosh. Mr. Chapman's Chamber Choir recently performed at the

Wisconsin Choral Directors Association State Convention. He will work with the Treble Choir from 6:30 - 7:15 p.m. and the Concert Choir from 7:30 - 8:30 p.m.

Following the clinic, Mr. Chapman will be available to talk to students about music programs at UW-Oshkosh as well as possible career choices in the music field.

David Wietor

KEWASKUM, Wis. — Regal Ware, Inc. announces the

promotion of David Wietor to Director - Human Resources.

Wietor will be responsible for all corporate labor relations, human resource planning and employee development and training. Additional responsibilities include regulatory compliance, health insurance administration, safety policy administration and employee communication.

Wietor joined Regal in 1987 and most recently served as Manager, Human Resources. He holds a bachelor's degree from the University of Wisconsin - Milwaukee and a master's degree from the University of Wisconsin - Oshkosh.

Regal Ware, Inc. is a major manufacturer of cookware, kitchen electrics and microwave ovenware headquartered in Kewaskum, Wisconsin.

Young Writers Conference for Catholic Schools

A Young Writers Conference is being planned for Tuesday, March 5th. It will be held in the Walnut Room at Holy Angels Catholic School, West Bend.

The schools and names of the principals involved are: Michael Sternig (Holy Angels, West Bend), Sr. Evelyn (St. Kilian's Hartford), Virginia Miller (St. Peter's, Slinger), Sr. Phyllis (Holy Trinity, Kewaskum), and Janice Stauske (St. Frances Cabrini, West Bend).

We anticipate approximately 88-90 students total and 12 facilitators/teachers to work with the group of students. Gretchen Will Mayo, a children's book illustrator and author is our guest speaker for the day. She will be available to autograph her book from

approximately noon to 12:30 p.m. Students will be doing creative writing and the final drafts will be compiled into a published work which each student and teacher/facilitator will receive. Not only will the students interact with a well-known published author, but we hope this experience will encourage children to write and above all, to use their imagination in creating their own work.

The creation of this conference came as an outgrowth of a staff development program on writing conducted by Cardinal Stritch College and participated in jointly by all of the above mentioned five schools. The umbrella theme for the day is Writing: A Kaleidoscope Of Colors.

Fred Miller Hosts ROTC Tour of Washington, D.C.

Colonel Fred Miller, Kewaskum, a 45 year veteran of the U.S. Army, joined representatives of every state, the District of Columbia and Europe at the Reserve Officers Association annual Mid-Winter Conference Jan. 20-23 in Washington, D.C.

During the conference Colonel Miller hosted the following ROTC cadets and midshipmen for a tour of Washington, D.C.; Midshipman Henry Swenor, Midshipman Michael Roberts, Cadet Lisa Pikalek, Cadet Michelle Krueger, Cadet Lara Pedretti, and Cadet Shannon Cavin. These students had an opportunity to meet with members of Congress and high ranking military officers at the Pentagon.

More than 2,000 were present at the Washington Hilton hotel Jan. 23 when President George Bush was honored at the ROA banquet and presented its Minuteman of the Year award for his contributions to national security.

Opening speech for the opening of the three days was given by Stephen Duncan, Assistant Secretary of Defense for Reserve Affairs. A special presentation was given by Rep. Les Aspin (D-Wisc.), Chairman, House Armed Services Committee.

Luncheon speakers Jan. 23

included Gen. Gordon R. Sullivan, Vice Chief of Staff of the Army, to the Army section, and Vice Admiral Francis R. Donovan, Commander, Military Sealift Command, to the sea services. Mr. Michael P. Reardon, Deputy Assistant Secretary of the Air Force (Reserve Affairs), spoke to the Air Force section.

A Defense Education luncheon Jan. 21 heard Col. F. C. Oelrich, USAR, National Defense University speak on "The Desert Shield Mobilization and How It Unfolded."

More than 2,000 attended the conference and an additional 4,000 visited the 50-exhibit military exposition related to it in the exhibition hall of the Washington Hilton hotel.

Campus Notes

Kristina Anne Merwin, 9159 Bolton Dr., Kewaskum, a student in Poultry Science, is among College of Agriculture and Life Science students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison.

Only full-time students with a "B" or better are eligible for recognition on the "Dean's List."

Leo M. Walsh, Dean and Director of the college, says that some 2,270 undergraduates were enrolled in the college's 22 academic departments. They selected from five curricular options which stress either business and industry, natural resources, natural science, production and technology, or social science.

Public Invited to Traditional Seder Meal at Holy Trinity

The third annual Seder Meal sponsored by the Liturgy and Human Concerns Committees, of Holy Trinity Catholic Church, will be held on Palm Sunday, March 24 at 5 p.m. in the church hall. In addition to the traditional Jewish symbolic foods, the menu will be roast turkey, rice pilaf, blended vegetables, salad, matza ball soup, fruit salad, apple pie and coffee.

Reservations are open to the adult public and children 7th grade and up. There is limited seating so please call Pat Stollenwerk 626-4485 or Midge Swanson 338-0892 for reservations. Cost is \$7.00 per person.

The Seder is one part of the present-day Jewish seven-day Passover celebration. The time Passover harkens back to the name when God, through Moses, led the Israelites out of their slavery. The Egyptian pharaoh was finally convinced to let the people go when the angel of death killed every firstborn in Egypt but "passed over" the Israelite homes that had put lamb's blood on their doorposts.

To recall that great deliverance, the elements of the traditional Seder meal symbolize historically significant features of the Israelite experience. Both the event of God's deliverance and the directions God gave Moses for later commemoration of the Passover history are represented in the Seder ritual and meal. Christians are particularly

interested in this ritual meal because it was during a Passover celebration that Jesus instituted Holy Communion. It should be realized, however, that the Passover clearly predates and is entirely predated from the Eucharist.

The Seder is a later Jewish form of the Passover observance, useful and important in its own right, having been practiced for more than 1,000 years. It must not be mixed with Christian concepts or expressions if it is to be authentic. It is a Jewish celebration of freedom useful in helping Christians understand Judaism.

Sentry Bowling Team Enjoys Trip to State Tournament

A few weeks ago the Kewaskum Sentry bowling team took their annual trip to the state tournament. This year the six ladies traveled to Eau Claire.

A few bright spots during the weekend were the celebration for Pearl Miller, third from left, as she became the third Grand Duchess on the team (recognition of ladies at a certain age), and Audrey McKenna's 200 game during the team event.

Left to right: Audrey McKenna, Jeanne Goeden, Pearl Miller, Marge Rosenthal, Eileen Perkins and Eleanor Marx. The "party," playing cards, having a few drinks and eating snacks, is always held in the smoker's room. This picture shows another fun moment on the trip.

The non-smokers with masks are, left to right: Marge Rosenthal and Jeanne Goeden. Smokers with cigarettes are: Eleanor Marx, Captain, Pearl Miller, Eileen Perkins and Audrey McKenna behind the camera.

Next year the team travels to Green Bay for the 1992 State Bowling Tournament. Hopefully, at that time, Francis Rohlinger, a "regular" with the team, will be back ready to face the competition.

St. Joseph's Hospital Auxiliary Recognition Day Brunch Held

Approximately 125 members of the Auxiliary of St. Joseph's Community Hospital were guests of the hospital, represented by Fred Bury, Executive Director, at the annual Recognition Day Brunch on Tuesday, Jan. 29 at the West Bend Hotel.

Carrie Schucht, outgoing membership and scheduling chairman, presented the following members with recognition awards.

100 hours: Joan Burkett, Joanne Goschey, Jean Harrison, Nelda Heberer, Dorothy Jansen, Jeanne Moe, Doris Ruch, Trisha Schoofs, Violet Steinbach.

500 hours: Leone Arveson, Pam Bollen, Darlene Indermuehle, Bonnie Koepke, Martha Otto, Carrie Schucht, Millie Van Brunt, Gerry Ward, Sharon Ziegler.

1,000 hours: Sylvia Belunes, Audrey Mayer, Lucille Peters, Odella Peters, Mary Renzaglia, Germaine Schneider, Bette Williams.

1,500 hours: Danni Dixon, Marlene Listwan, Adeline Smith.

2,000 hours: Ellie Trester (Bury award).

2,500 hours: Alice Benike, Irene Foth, Blanche Schuelke.

3,000 hours: Betty Bowerman, Betty O'Meara, Esther Steger.

6,500 hours: Helen Mueller. Pat Puestow, Registered Dietitian from the General Clinic of West Bend, presented a very informative program on proper diet techniques during the brunch.

Also of note, is the complete fulfillment of the Auxiliary's 1990 financial pledge to the hospital in the amount of \$15,000.00. This amount was met in December, 1990, with the final check being presented to Mr. Bury at this brunch.

Ellie Trester, an Auxilian who has accumulated 2,000 service hours to the hospital, was 1990's recipient of the Bury Award, which is a special gift for her personal use and enjoyment.

Membership in the Auxiliary is open to all persons (men and women), who are interested in providing service to St. Joseph's Hospital and its patients, through a diversity of channels. For information, call 644-8002.

They have over 45 tables sold to crafters from all over Wisconsin.

Sharon Cash of Hartford and her sister of northern Wisconsin have put their talents together and have come up with sewn soft sculpture items and wood accents. This is their first time joining the Homemade Creations show, and we're glad they could join us! Also one

special lady from Campbellsport is joining us for the 3rd year. She has been with us from the beginning - Lonie Hall of Campbellsport brings her Holiday Specialty items, and also wall decorations, sometimes she even brings her homebaked goodies.

Mark your calendars for Sat. March 16th 9 a.m. - 4 p.m. at Amerahn (Hwy. 45N) Kewaskum Youth Athletic Organization will also be running a Brat Fry - See You There!

Successful Telephone Techniques Seminar At Moraine Park

"Telephone Techniques for a Successful Business," a two-session seminar, will be offered Tuesdays, March 5 and 12, at the West Bend campus of Moraine Park Technical College.

Designed for employees with telephone answering responsibilities, this seminar will discuss what to say to get calls off to a good start, projecting a good telephone personality, dealing with multiple calls, screening callers, handling difficult and emotional callers and making effective recorded messages.

Presenting the seminar is Kaye Stellpflug, a training specialist who has conducted communications and professional development seminars with business, industry and management personnel throughout Wisconsin and the Midwest.

The seminar is scheduled for 3-5 p.m. both days at the West

Bend campus, 2151 N. Main St. Attendance at both sessions is required. Cost is \$20.

This seminar is offered in partnership with the West Bend Area Chamber of Commerce.

For more information call the West Bend campus of Moraine Park at 334-3413 or call the West Bend Area Chamber of Commerce at 338-2666.

To register at the West Bend campus, call 334-0909. Use course number 801-423-005 to enroll. Registration deadline is Feb. 28.

Letters to the Editor

To the Editor:

In order to clear the air the Kewaskum Softball Association would like to tell their side of the story. Most of what has been printed in the newspaper is very one-sided and makes us look like the "bad" guys.

When there were thoughts in minds about starting the K.S.A., the Village Administrator was approached and told of the ideas about softball and the forming of the Association. It was decided then, that it may be a good idea and it was gone ahead with.

The building of the stand and the money used for it was approved by the Village Board. A drawing of the stand was shown to board members. Note: the stand alone did not cost \$30,000. Something that was never stated was that there was alot of "FREE" time and labor put into this project. Not to mention the first year of labor, before, during and after the stand was built, was all donated.

This was a learning experience for KSA members as well as the Village Board. Mistakes have been made by all and lessons have been learned.

Some instances I would like to mention are about some of the comments made in the paper, and some that were not. Last year it was brought up to KSA members that they had the concession stand doors hung incorrectly. KSA received a letter stating the doors must be changed or we could no longer operate. (We had three days to do it). Then the Village found out that we were up to code. But no mention of the fact that the Village was wrong was ever made. KSA received no apology.

Now to hear another instance brought to the attention of the Village Administrator. At the close of business after a night of league play, an inventory of things in the stand was made. Upon arrival the next day, we found things missing from the stand. There were other instances where service doors of the concession stand were left open.

Enough of unsolved problems from other years, let's get on to new problems... there seems to be many.

First thing that must be pointed out is that KSA was stated to have paid off \$500. That is an incorrect figure. It should have been \$1,000. Never mentioned was the money that was made off of softball tournaments that were run by Merle Dreher and Jim Rinas years ago. After Merle's death, this account was closed and handed over to the Village for use in future softball. This money totalled over \$1,400.

Starting out with something new and not knowing what to expect, we tried to keep our prices down to bring teams into the community and start a good thing. In any business, you don't know how much you'll make in a year. Something that was never stated was that we have expenses too. KSA does pay for sewer and water, and for the use of the lights. When new bases are needed for the field, KSA supplies

them.

There was an instance where KSA asked permission to have a telephone installed in the concession stand for emergencies. It was approved. Later the Village Board complained and said that we did not need a telephone. Our comment was that the ambulance had to be called three times since the phone was installed. I guess it was necessary.

The next subject we would like to touch on is the comment made about profiting the community.

I would like it noted that anything that can be bought in town IS BOUGHT IN TOWN. All meats, including those needed for weekend tournaments (not just for KSA) were purchased from Kewaskum Frozen Foods. Buns, pickles, ketchup, napkins, etc. are purchased from Sentry. Not to mention all the business places who sponsor teams and profit from their teams' business, not just in the summertime. Those businesses include T's Lounge, Kewaskum Saloon, Barrel Haus and Amerahn. Other places to mention are gas stations, Shefond, Kohn's and Herriges Oil. I'm sure they get some business also. And we are not putting money back into the community???

All used balls from league play are given to the Kewaskum Youth Leagues. A ball is not completely unusable after one game. Youth League leader neglected to tell anyone of that. I think that's a great donation.

This year KSA would like to increase by starting a new league and possibly make more money to pay off that loan. Not all Village Board Members will agree to another night of league. Softball is not run seven days a week and even if it was, why don't we want to use this beautiful facility to its maximum potential?

They are saying pay us more money, but you can't start anything new. HOW IS THAT POSSIBLE???

Why was all this money spent if we weren't going to put the facility to its full use???

So, going on to the next problem that arose. PARKING. For more than 20 years, softball was run on the school property in Kewaskum. People parked on the streets all around the diamond and it never caused a problem. Now we have a huge parking lot and without even knowing, we are assuming there will be a parking problem. How do we know if there will be a problem? Let's cross that road when we get to it!

There have never been any good points brought up about KSA. We have accounted for every cent spent during the softball season. There was a comment made about a few employees being paid a \$4.00 an hour wage. Tell me nowadays who works for nothing???

It's pretty bad when an employee puts in over 200 hours of their time and is told they did an unsatisfactory job. Especially from people who never set foot into the park during a night of league play.

Does Kewaskum want to build and grow and how people from other communities what a beautiful facility we have or are

we going to let it go to waste? Can the Village Board work together with KSA or against them? I guess time will tell!

Dear Editor:

Since the start of the Gulf War, this paper has published an excessive number of patriotic articles and poems which encourage people to wave the flag and blindly support any American war. One poem stated that one should be ashamed of themselves for not saluting the flag. Another article suggested that Americans who did not support the Vietnam War had a problem. This type of thoughtless and immediate response to opposing viewpoints is known as a knee jerk reaction.

The Statesman has compared this war to all other American wars as if it were no different from Vietnam or WW-II. This paper has never questioned whether a war in the Persian Gulf was necessary, if the war was to protect American freedom of speech, or if the war was to guarantee cheap oil. This paper has asked absolutely no questions whatsoever. The Statesman simply assumed that all American military actions should be supported.

I don't support this war for reasons of patriotism or sense of duty. I don't support this war because I want low oil prices. I support this war because our president and many other world leaders have shown *just cause* for a military solution to the Gulf crisis. Saddam Husein has not been able to show just cause for his invasion of Kuwait.

Don't let your patriotism be turned into jingoism by flag waving, knee jerk rhetoric. Don't send our fellow Americans to their death for anything less than a just cause. Not every American military action is necessarily just. Don't forget Vietnam and Beirut. More than 50,000 Americans died in the last 30 years for something that I believe was less than just. Don't be intimidated into sending your countrymen to war before you have been convinced that it is the right thing to do.

Sincerely,
Kevin J. Plzak

EDITOR'S NOTE: 98 percent of all items printed in this paper recently on the flag, patriotism, the Vietnam War and Desert Storm were submitted by Statesman readers. This is what THEY wanted to share with others and management was happy to oblige them.

Letter to Editor:

To Community of West Bend and Washington County:

The Teen Center Coalition has been sponsoring events for the past year and has had wonderful success due to the support of the teens, parents and the community.

Friday, February 15th, the Teen Center Coalition held a Valentine's dance at the K.C. Hall which was attended by 294 6th through 8th graders. The music was terrific, the kids had a blast and the 14 chaperones enjoyed the enthusiasm of the teens.

Unfortunately, we have had a disappointment. At the end of the dance a girl's green leather jacket, with \$15 in a pocket, was stolen from the coat room. We are very sorry that this has happened. The Interim Activities Committee is asking the parents of all teens attending this dance to watch for the jacket. Ask your child if he or she knows anything about

it. Kids who attended, please ask around and check with your friends.

If you have any information, call Nova Services at 338-8842. A cash reward is being offered for information leading to the return of the jacket.

Thank - you for your cooperation.

Can We Wave The Flag Too Much?

by Sidney L. DeLove

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to read the Bible too much? The great, the good, the true, are inexhaustible for inscription, example and strength.

No—we are not waving our flag enough, not nearly enough. We are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay.

The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us . . . for loyalty, character, and faith in democracy. Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired?

It is time for us to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded.

Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, the Merrimac, Wake Island and Korea? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag?

It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind.

Can we wave the flag too much? Never.

Committee chairman Janis Oppermann presents Earl Kleinke with a Plaque of Appreciation.

"The Dawning of a New Decade in Scouting," was the theme on Feb. 3rd for the 1991 Blue and Gold Banquet of the Kewaskum Cub Scout Pack 3744. The banquet was held at Amerahn's Hall. A chicken dinner was followed by a program filled with recognitions and demonstrations.

Several young men from Cho's Tae Kwon Do Center gave a 20 minute demonstration on warm-up exercises and board breaking with both hands and feet. All the boys participating in the demonstration were Black Belts in Tae Kwon Do. The cub scouts and their parents really enjoyed this part of the program.

All the dens were asked to put on a skit. They ranged from knock-knock jokes to the "Life of a Scout." The den leaders also put on a Fashion Show with the latest styles worn by all "prepared" leaders.

All den leaders and committee person's were given a certificate of Appreciation for the time and effort they put into the scouting program here in Kewaskum. Without them, there would be no scouts. The leaders were also given a flower with a yellow ribbon on it to display at home in support of our troops in the gulf. A special Plaque of Appreciation was given to Earl and Marie Kleinke for their support of the scouting

program.

Scouting District Executive, Dan McManus, gave a talk on Friends of Scouting. He gave a slide presentation on how the money collected through FOS is used to keep the Boy Scout Campus operating.

Toward the end of the program, three unexpected guests showed up. They were a family of hillbillies who wanted to know what scouting was all about. The program ended with a closing prayer by Pastor Mark Eckert from St. John's Lutheran Church in New Fane.

Parents Night Held at Holy Trinity

Kewaskum Statesman, Thursday, Feb. 28, 1991, Page 11

Joann Theusch paints the face of Stacey Zehren.

Parent's Night was held Fri., Feb. 8 at KMS for all Holy Trinity Basketball teams.

Friday started off with Blue and Gold Day and an afternoon of face painting done by the cheerleaders and their coaches.

To see who had the most school spirit, a pep rally was held in which the 5th grade class took honor by receiving the "Spirit Stick."

All games were close, with the A & B girls coming up short, while both boys teams won exciting nail biting games. Halftime entertainment was a routine put on by the A & B cheerleaders to Janet Jackson's "Black Cat."

After the games a social was held in the church basement with St. Matthews, Campbell-sport's players and parents as their guests.

Lots of goodies could be enjoyed at the social held in the Church Hall.

Advanced Lotus Software Course Offered at MPTC

Advanced Lotus 1-2-3, a computer software course, will be offered at the West Bend campus of Moraine Park Technical College starting March 20.

This eight-week course will be held from 6 - 10 p.m. on Wednesdays. A suggested prerequisite is a beginning Lotus 1-2-3 course. Cost is \$79.70 plus materials.

To register call the West Bend campus of Moraine Park, 334-0909. Use course number 107-158-007 to enroll.

A school pep rally gave everyone the spirit.

Scout Roundtables To Be Held March 7

Bay-Lakes Council of the Boy Scouts of America, will conduct their monthly Roundtables for all leaders and committee personnel of Troops and Packs of Glacier Edge District 11 from Ozaukee and Washington Counties, on Thursday, March 7. Opening ceremonies will be held at 7:30 p.m., at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Cub Scout Leaders will meet in the All-Purpose Room for games, crafts, skits and songs related to the "Canada, Our Neighbor" theme. Participants are asked to bring items and exhibits for the Idea Exchange.

Boy Scout Leaders will convene in the school library and sharpen their skills for the Pioneering Merit Badge, which includes techniques for building a machine to make rope, coiling rope, knots and lashings and building a bridge or tower using rope.

Members of the Order of the Arrow of the Awase Lodge will also meet at 7:30 p.m., with Chapter Chief, Kevin Ryan, in Room B-16.

IN MEMORY

In memorian of ALOIS ERTL who passed away February 26, 1988:

His life is a beautiful memory, His absence a silent grief, He sleeps in God's beautiful garden in the sunshine of perfect peace.

God saw he was getting tired And a cure was not to be. So He put His arms around Him and whispered come with me.

Sadly missed by mom, brothers & sisters.

IN MEMORY

In loving memory of Myron "Mousey" Belger, who passed away twenty-five years ago, Feb. 25, 1966:

A million times we've thought of you.

A million times we've cried. If love alone would have saved you.

You never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place. No one else can ever fill. It broke our hearts to lose you. But you didn't go alone. For part of us went with you. The day God called you home.

Sadly missed and loved by his family.

CARD OF THANKS

We would like to thank everyone who helped us through our recent loss of our beloved wife, mother and grandmother, DORIS BARTELT. The prayers, cards, phone calls, food, flowers, memorials, visits, or anyone who helped in any other way, we sincerely appreciated it. Special thanks to Pastor Fredrich, Vicar Korth, Dr. Sison, Dr. Castro, also Dr. Vukelich and her R.N.'s at West Bend Hospital, Dr. Wong and his R.N.'s at Fond du Lac Hospital, the organist, soloist, custodian and the Miller Funeral Home, who were in charge. It comforts us to know how many cared and made life comfortable for our wife, mother, and grandmother.

Private Robert L. Butzke, 21, son of Mr. and Mrs. Elroy Butzke of 1245 Roseland Drive, Kewaskum, was awarded the American Spirit Honor Medal at Fort Leonard Wood, Mo., Jan. 28, upon graduation from eight-weeks of basic combat training. He was the only one to receive the award out of 1,260 soldiers. The young soldier earned a proficiency score of 98.5 out of a possible 100 points at the end of seven weeks of basic training. His point total stands as one of the highest ever recorded in past history.

Cindy Lou Plautz, 14 month old daughter of Mr. and Mrs. Walter Plautz, Jr., of R. 6, West Bend, accidentally drowned at the rural home of her grandparents Mr. and Mrs. Walter Plautz, Sr. of R. 1, Kewaskum, when she apparently turned on the water in the bathtub of the residence this week. The grandmother summoned the Newburg rescue squad who gave the child oxygen in a futile attempt to revive her. She was rushed to St. Joseph's Hospital where she was pronounced dead. Death was attributed to drowning with scalding from the hot water she apparently turned on.

John Honeck, 64, of Watersmeet Mich., a resident of Kewaskum most of his life, passed away unexpectedly Thursday, Feb. 10, at Watersmeet. He was a brother of the late Kilian A. Honeck, Sr. of Kewaskum and an uncle of Leander and Kilian Honeck and Mrs. Gilbert "Bud" Korth of this village.

The Forest Lake Ski Bowl on Cranberry Hill in the Kettle Moraine State Forest near here

attracted another huge number of winter sports enthusiasts last week end. About 60 skiers and tobagganists arrived in Kewaskum by train Saturday and Sunday to take advantage of the fine weather and enjoy the sports at the ski bowl. They came from Illinois, Racine, and Kenosha. Many others came from Kewaskum and neighboring communities. On Sunday the crowd was estimated at about 500 people. Parking was hard to find and Forest Lake hotel accommodations were filled to the limit.

Mr. and Mrs. Paul Landmann of this village are the parents of an eight pound baby daughter, born at St. Agnes Hospital, Fond du Lac, Sunday, Feb. 23. Born Monday, Feb. 24, to Mr. and Mrs. Vilas Ludwig, Dundee.

Wayland Becker, truck driver of dairy products for the Kewaskum Creamery Company, suffered a painful injury to one of his hands last week when it became caught in the fan belt on the motor of his truck which he was fixing. A broken finger and much bleeding necessitated a physician's care.

A very pretty wedding took place in the St. Bridget's church last Tuesday, February 22nd, when Rev. Ph. Vogt, united in holy bonds of matrimony Miss Mary Schield and James Emmer, both of the Town of Wayne. The bride was attended by Miss Rose Emmer as maid of honor. The groom was attended by Edward Schield as best man.

A box social and dance will be held by the Campbellsport High School Juniors at the Opera House, Tuesday evening, February 29th.

A jolly bunch of young people from Kohlsville were out for a sleigh ride Monday evening to visit with Mr. and Mrs. Hiram Nefzer near Nenno.

Born to Mr. and Mrs. Hy Jacak of Wayne last Sunday a baby boy.

Young folks of the area assembled in the residence of Frank Wietor Sunday night to help celebrate his birthday. Dancing was indulged in until early Monday morning.

Round Lake News - Born to Mr. and Mrs. Henry Ramthun last Friday, a baby boy. Ira Stanton is getting out timber for a new barn he will erect the

coming summer.

Born to Mr. and Mrs. Ed Westerman last week Saturday, a baby girl. Congratulations.

A very pretty wedding took place in the Evangelical St. John's Church's, Beechwood, Thursday evening when Mr. Henry Hicken, son of Mr. B. C. Hicken and Miss Clara Lubach, daughter of Mr. and Mrs. Edw. Lubach were joined in holy bonds of matrimony. Rev. Kuenne officiated. The maid of honor was Miss Frona Lubach, sister of the bride. Miss Cora Lubach, sister of the bride & Miss Elsie Gatzke also attended the bride. Eddie Hicken, brother of the groom was best man and Ezra Boettcher and Joe Corbett groomsmen.

The engagement of Eleanor Berg, eldest daughter of Joseph Berg and Henry Mauel was announced at Ashford Sunday. Both are well known here and the wedding will take place in the near future.

WAITING FOR IT

The cavalry recruit was instructed to bridle and saddle a horse. Ten minutes later the sergeant major came along for his mount and found the recruit holding the bit close to the horse's head. "What are you waiting for?" he roared. "Until he yawns," answered the recruit.

Subscription Rates To Increase Apr. 1

Effective April 1st, the Kewaskum Statesman will be raising its annual subscription rates for all its customers.

Due to increases in both mailing and printing costs, we are forced to raise our annual in-state subscription rate to \$15.00, out-of-state \$17.00 per year and transfer charges to \$2.00. The news stand price will be 35c.

While this seems like a big jump, it amounts to an increase of only .03c per week. We sincerely hope our customers will still consider our paper a bargain.

We value all our customers and it is with great reluctance that we find it necessary to raise our prices.

We look forward to continuing our service to the community and thank you for your past and future patronage.

Left to right: Jim Oelhafen and Jim Stier pack boxes for Project Forever 4-H.

Relatives of Tom Stollenwerk pose with gifts for Tom, organized by the Wayne Crusaders. Shown are Lana, Amanda, Dan, Jerry and Martha Stollenwerk.

The Wayne Crusaders 4-H Club is attempting to bring a "bit of home" to a former member, with "Project Forever 4-H."

Former club member, Tom Stollenwerk, stationed with the U.S. Army as an MP in Operation DesertStorm, will be receiving the generous bounty of the families and membership of the Wayne Crusaders.

The Wayne 4-H has gathered several boxes of treats and toiletries for Stollenwerk. The idea was well accepted and everyone contributed to the cause. It became a real community project with the gracious help of the Kohlsville Kreuzers Snowmobile Club, who offered to pay postage expenses and Family Farm Meats of Allenton, who furnished beef and buffalo products.

In addition, each member was given a small clover, on which they wrote their own personal message to Tom and sent their best wishes. These were all put together to form a large greeting card.

Tom's parents, Jerry and Martha Stollenwerk, led the club's Pledge of Allegiance. Also in attendance was his wife, Lana, daughter, Amanda and brother, Dan. His dad gave a brief explanation of Tom's location and duties in the war zone. Photos of Tom presently and from his former 4-H career, greatly enthused all those present.

The Wayne Crusaders have incorporated "Forever 4-H", as

one of their project areas in a grant application from Colgate - Palmolive's Youth for America program.

The club wants to thank all those who made this all possible.

Community Church to Show Moody Film

MOODY!, a dramatic motion picture from Quadrus, is the unforgettable story of an ordinary man who changed the course of thousands of lives because of his extraordinary faith in the power of God. The film is a biography of the 19th Century evangelist and reformer who started the Sunday School movement, helped start the YMCA and founded several schools bearing his name, including the world-famous Moody Bible Institute of Chicago. An estimated one hundred million people heard D.L. Moody in person.

This film, on the life of D.L. Moody, will be shown at Community Church 2005 Hwy. P, (Main St.), West Bend on March 10, at 6:00 p.m.

This story, filmed on location in Chicago and Northfield, Massachusetts, depicts highlights from Moody's remarkable career, featuring exciting scenes of the great Chicago fire, poignant episodes of Moody's self-doubts and heartaches, as well as his triumphs over tragedy.

Bill Rodgers, as Moody, ably portrays the evangelist and vividly exemplifies Moody's faith and convictions, his character and wit.

MOODY! will inspire and entertain the entire family.

Joe Musser, founder and President of Quadrus Media Ministry of Rockford, IL, is the Producer of "MOODY!" and co-author of the books, "Joni," "The Tommy John Story," "Beyond the Next Mountain" and a biography of Josh McDowell (of Campus Crusade for Christ) entitled "A Skeptic's Quest."

CORRECTION

ORDINANCE NO. 91-2
AN ORDINANCE ANNEXING TERRITORY TO
THE VILLAGE OF KEWASKUM, WISCONSIN

The Village Board of the Village of Kewaskum, Wisconsin, do ordain as follows:
SECTION 1. Territory Annexed. In accordance with s. 66.021 of the Wisconsin Statutes of 1991, and the petition for direct annexation filed with the Village clerk on the 16th day of January, 1991, signed by a majority of the electors residing in the territory and the owners of 1/2 of the land in area in the territory, the following described territory in the town of Kewaskum, Washington County, Wisconsin, is annexed to the Village of Kewaskum, Wisconsin.

That part of the Southeast 1/4 of the SOUTHWEST 1/4 and that part of the Southwest 1/4 of the SOUTHWEST 1/4 of Section 4, Township 12 North, Range 19 East, Town of Kewaskum, Washington County, Wisconsin, bounded by a line described as follows:

Commencing at the South 1/4 Corner of said Section 4; thence North 89 degrees 22 minutes 17 seconds West on the south line of the Southwest 1/4 of said Section 4, 621.20 feet to a point on the northeasterly right-of-way line of the Fox River Valley Railroad, being also the point of beginning of the tract herein described; thence North 33 degrees 45 minutes West (all bearings in this description refer to grid north of the Wisconsin Coordinate System - South Zone) along the railroad right-of-way line, 776.91 feet; thence South 45 degrees 22 minutes 30 seconds West, 101.84 feet to the most northerly corner of Parcel 1 of Certified Survey Map Number 798 as recorded in Volume 4 of Certified Survey Maps - Washington County at pages 205 and 206, Document Number 346224; thence South 74 degrees 42 minutes West along a northerly side of said Parcel 1 a distance of 91.55 feet; thence South 57 degrees 32 minutes West along a northerly side of said Parcel 1 a distance of 118.00 feet; thence South 77 degrees 58 minutes West along a northerly side of said Parcel 1 a distance of 38.00 feet to the most westerly corner of said Parcel 1; thence South 67 degrees 17 minutes 36 seconds West, 253.67 feet to a point on the westerly right-of-way line of U.S. Highway 45; thence South 37 degrees 05 minutes 52 seconds East along highway right-of-way line, 405.23 feet; thence South 00 degrees 37 minutes 43 seconds West, 50.00 feet to the south line of said quarter section; thence South 89 degrees 22 minutes 17 seconds East on the south line of said quarter section 719.30 feet to the point of beginning.

Containing 7.967 Acres.

SECTION 2. Effect of Annexation. From and after the date of this ordinance the territory described in section 1 shall be a part of the Village of Kewaskum for any and all purposes provided by law and all persons coming or residing within such territory shall be subject to all ordinances, rules and regulations governing the Village of Kewaskum.

SECTION 3. Temporary Zoning Classification. (a) Upon recommendation of the plan commission the territory annexed to the Village of Kewaskum by this ordinance is temporarily designated to be part of the following district of the Village for zoning purposes and subject to all provisions of the Ordinance of the Village of Kewaskum entitled "Zoning Ordinance" relating to such district classifications and to zoning in the Village:

R-2 Single-Family Residence District

(b) The plan commission on January 21, 1991, recommended the permanent zoning classification of R-2 Single Family Residential District on the (8) parcels of land being annexed knowing that the lot described in vol. 687 Pg. 582 /less vol. 730 pg. 483 would be a nonconforming use, but is allowed as a conditional use.

SECTION 4. Ward Designation. The territory described in section 1 of this ordinance is hereby made a part of the 3rd ward of the Village of Kewaskum, subject to the ordinances, rules and regulations of the Village governing wards.

SECTION 5. Severability. If any provision of this ordinance is invalid or unconstitutional, or if the application of this ordinance to any person or circumstance is invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the other provisions or applications of this ordinance which can be given effect without the invalid or unconstitutional provision or application.

SECTION 6. Effective Date. This ordinance shall take effect upon passage and publication as provided by law.

Natural Childbirth Classes Offered

Couples expecting a baby in late May, June, July or Aug. are invited to attend Bradley Method natural childbirth classes. The series will be taught on Thursday evenings from 7-9:30 p.m. by Barbara Howard-Zyvoloski, an independent childbirth teacher in Port Washington.

The upcoming series will run for 12 consecutive weeks beginning Thursday, March 7 and includes an overview of birth, a 128-page workbook, over a dozen childbirth movies, and numerous handouts about pregnancy, childbirth and parenting. Bradley childbirth classes are limited to 6-8 couples so sessions can be tailored to meet individual needs.

Over 80 percent of couples completing Bradley classes achieve unmedicated, natural births. This is accomplished by emphasizing nutrition as the foundation for a healthy pregnancy, relaxation and visualization training, natural breathing, exercises to support birth, working with one's body during labor contractions, and active support of a well-trained

Advanced Computer Software Course

WordPerfect 5.1, Advanced Features, a computer software course, will be offered at the West Bend campus of Moraine Park Technical College starting March 21.

This eight-week course will be held from 6-10 p.m. on Thursdays. Topics covered include macros, sort, math, outlines, cursor draw, thesaurus, line numbering, windows, font changing and graphics. Cost is \$79.70, plus materials.

To register, call the West Bend campus of Moraine Park, 334-0909. Use course number 107-158-007 to enroll.

labor partner.

"The classes are very consumer-oriented and help couples minimize unnecessary interventions and develop confidence in their ability to give birth joyfully," Howard-Zyvoloski said. "Statistics from birth attendants who support natural birth have shown that approximately 90 percent of women do not require interventions with proper knowledge and training," she continued.

The series emphasizes what to expect during pregnancy, labor and birth; responsive coaching; an overview of obstetrical procedures; maintaining positive communications with birth attendants; how to prepare for unexpected situations; and information about newborn procedures, breastfeeding and early parenting. For more info. or to register call Barbara at (414) 284-7069.

Leadership Skills Workshops at MPTC

A Frontline Leadership Skills workshop for supervisors, first-time managers and technical professionals in leadership roles will be held at the West Bend campus of Moraine Park Technical College starting March 15.

Licensed by Zenger-Miller, a management training organization, this six-session workshop will assist supervisors in improving their management skills to achieve long- and short-term business goals.

The workshop will be held on Fridays from 10:00 a.m. - 2 p.m.

Cost of the workshop is \$170. Lunch is not included.

To register, call the West Bend campus of Moraine Park, 334-0909. Use course number 196-158-014 to enroll. Registration deadline is March 13.

VOTING BY ABSENTEE BALLOT

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where the person wishes to vote at least 30 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone, the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter, which indicates that the voter resides within the municipality, will be honored. Written requests may be made beginning six months before the Spring Election. The deadline for receipt of the written request by mail is 4:30 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 4:30 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter, a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With two exceptions, the voter who wants to cast an absentee ballot, must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, or if the voter is in the military, the voter need not make a disability or if the voter is in the military, there is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the indefinitely confined or military voter before each election. If the voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

A voter who is hospitalized on election day may obtain an absentee ballot by designating another person as the agent for the voter. There is a statement on the application form for this purpose. An application by agent for a hospitalized elector may be made in person at the municipal clerk's office no earlier than 7 days before the election and no later than 4:30 p.m. on the day of the election.

If a voter requests an absentee ballot stating the reason that he or she is a registered juror, the application can be made no earlier than 7 days before the election, and no later than 4:30 p.m. on the day of the election. If the application from a registered juror is received by the municipal clerk after 4:30 p.m. on the Friday immediately preceding the election, the municipal clerk or the clerk's agent will deliver the absentee ballot to the court and the judge will call a recess to allow the voter to cast his or her vote.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available thirty-one (31) days before the Spring Election. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that the person giving assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in the possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

To obtain an absentee ballot send a written request to:

Kewaskum Wins Lakes Game

Beat Port Washington To Snap 24-Game Losing Streak

KEWASKUM — They finally did it! The losing streak is over! The Kewaskum Lakes basketball team won a game here Sunday night, hanging on for a 117-116 win over the Port Washington Lakers, to snap a 24-game losing streak that dates back over two years. Kewaskum's last win was 126-109 over Thiensville-Mequon on February 5, 1989. Despite the win, Kewaskum remains in the Lakes basement, percentage points behind the Lakers.

An elated manager Bill Backhaus said "It's great to finally get the monkey off our backs. Actually, though, we've been competitive in our games all year and have had leads deep into ballgames but haven't been able to finish until now. We've got a good bunch of guys now and, hopefully, we'll be able to go on from here and keep improving."

The game was close throughout. Port Washington held a narrow 26-25 lead at the quarter and expanded that to 63-54 at the intermission. Kewaskum came back with a big 30-22 third quarter to pull back within a point, 85-84. "Big Mo" was on Kewaskum's side as they sailed past the Lakers in the fourth quarter. They were coasting with a 10-point lead with about three minutes left. But the Lakers weren't through. Some turnovers and missed free throws by Kewaskum and excellent outside shooting by Port made it nail-biting close at the end. They trailed by only one, 115-114, with 15 seconds left, and fouled Tony Pirozzoli. Pirozzoli sank both free throws in the bonus to put Kewaskum up 117-114. Kewaskum turned the ball over to the Lakers with one second left, giving them one last chance to tie it with a three-pointer. Kewaskum fouled Rollie Kitt attempting a three-pointer which never got close, off the inbound pass, as the horn sounded. Kitt's two free throws after time had elapsed merely pulled Port within one, 117-116, and Kewaskum had won a thriller.

Kewaskum made 20 of 37 free throws for 54.1 percent, while Port was five of eight for 62.5 percent. The Lakers displayed excellent marksmanship, hitting 17 three-point shots.

Pirozzoli, the former UW-Oshkosh Titan, led Kewaskum in the win, pouring in 41 points. Dan Pace, the former Northern Michigan star, added 28, and Troy Engstrom, from UW-Stevens Point, had 20. Newcomer Derrick Johnson passed Port with 27 points, Kitt added 23, and Greg Voeller 20.

Kewaskum hosts the Thiensville-Mequon Ferrantes, co-leaders with Cedarburg at 6-2, at the high school field-house this Sunday at 7:00 p.m.

WLA Girls Win Berth to State

MANITOWOC — The Winnebago Lutheran Academy girls wore down Marinette Catholic Central to earn a 49-38 sectional semifinal victory Saturday night and advance to the Wisconsin Independent Schools Athletic Association State Tournament at Milwaukee.

The Vikings overcame a slow start with an up-tempo game that took its toll on Marinette, which opened an 11-5 first quarter lead before WLA stormed back to grab a 22-14 halftime advantage.

The Vikings increased the halftime lead by outscoring Catholic Central 12-9 in the third period. Marinette overcame the second quarter slump and stayed even with the Vikings in the second half, but were unable to erase the deficit. WLA also enjoyed a decisive 49-39 advantage on the boards against the taller Marinette squad.

To protect the lead, the Vikings drove to the hoop repeatedly in the second half to try and get Marinette in foul trouble. The strategy worked as Marinette sent the Vikings to the line a total of 38 times and they connected 20 times. That was the difference in the game as Marinette hit just eight free throws in the game.

Steph Marten and Sarah Jahns led WLA with 10 points each, and Christy Roberts had 11 for Marinette. Paula Brauer added nine points for the Vikings, with six points each from Kristin Bilitz, Jennie Lueck and Christy Narges.

The Vikings advanced to the WISAA State Tournament at the MECCA in Milwaukee and will open with a semifinal game on Friday.

Kurtz Finishes Well at State

On Friday, Josh Kurtz, the first sophomore ever in Kewaskum history, wrestled in the WIAA State Wrestling Tournament.

Kurtz first wrestled John Bell of Verona losing the match. Josh was behind 5-2, at the end of the first period and failed to gain any lead off Bell. Coming back in the last period Kurtz nearly pinned Bell, but lost by a 10-7 decision.

In the consolation match Saturday, Josh wrestled Jason Tordeur. During the last thirty seconds, Kurtz was cradled and pinned. Kurtz has two years left to return, however, to the WIAA State Wrestling Tournament. With a lot of hardwork and dedication, Kurtz will do better.

Placing first for Class A was Fond du Lac. In class B St. Croix took the championship and Athens in Class C.

Wildlife Damage Abatement, Claims Program Will Be Available in County

The Wisconsin Wildlife Damage Abatement and Claims Program will be available to assist Washington County crop growers who experience deer and wild goose damage to agricultural or commercial crops beginning immediately.

The USDA's Animal and Plant Health Inspection Service (APHIS), Animal Damage Control, (ADC) branch will manage and administer the Washington County program,

under the supervision of the Washington County LCD. This program assists crop growers who experience damage caused by deer, bear and wild geese to agricultural or commercial crops. USDA-APHIS-ADC personnel will provide the abatement materials and technical assistance to growers. The program's focus is damage abatement - reducing crop loss to an acceptable level. This is accomplished with electric fences and scare devices. If abatement measures fail, landowners may be eligible for compensation.

Interested crop growers should contact the Wildlife Damage Control Office at 1-800-433-0663 or 414-324-4514 as soon as damage is identified or anticipated.

AARP to Sponsor 55-ALIVE Program

The West Bend Chapter of Retired Persons (AARP) will sponsor a 55-ALIVE program on Monday, April 8, and Tuesday, April 9, from 1:00 to 5 p.m. for only \$8.00. The eight-hour defensive driving course developed by the national AARP is taught over a two-day period. The course reviews driving skills and emphasizes defensive driving techniques.

Participants are helped to recognize driving problems that occur as a result of diminished hearing, eyesight or reaction times...problems which usually accompany the aging process.

Studies conducted in California and New York have shown that 55-Alive/Mature Driving graduates experience fewer accidents than non-graduates. The cost is only \$8 per entrant and AARP will provide a qualified, trained instructor, all training materials and assistance with planning, promoting and organizing the course.

Anyone 55 or older can participate in this program by making reservations by April 1, 1991 and making check payable to AARP for \$8.00. Send to: AARP West Bend Chapter #401, 401 E. Washington Street, West Bend, WI 53095, c/o Anita Wilbrandt.

On Wednesday, March 6, 1991 West Bend Chapter #401 will have a pot luck dinner at 1:00 p.m. at the Senior Center. Bring a dish to pass and your table setting. Anyone 50 or older is invited to attend the meetings and enjoy the fellowship. Guest speaker will be Tom Bergerud from the Threshold.

Wildcat Women Second in State

By Statesman Sports Writer

MADISON — In a game that highly resembled last year's state final, the UWWC women's basketball team found themselves in the same position that they were in last season, as they lost to Madison Tech 60-43, to finish as the state runner-up.

The Wildcats got to the championship game with a 73-69 win over Western Technical College on Saturday, but Sunday the offense just wasn't there as they lost to the Trojans for the second straight season in the championship game. It was the fifth consecutive title for Madison Tech.

Despite the loss, the Wildcats capped off an improbable, yet highly successful 18-6 season. Improbable because UWWC lost four starters from last year's squad, which also finished second in the state.

"It was a very successful year," UWWC coach Tom Brigham said. "We accomplished the goals that we set at the beginning of the year. So from that standpoint, it was more than satisfying."

The Wildcats had their problems against Madison, however, in a game that closely resembled last year's championship. In both contests, Madison took control early, and in both games, the Wildcats were limited to less than 30 percent field goal shooting.

UWWC managed to make just 23 percent of its shots Sunday, and that turned out to be the decisive factor in the loss. Almost as important, though, was the fact that the

Wildcats may have been a bit fatigued from the big win Saturday against Western Tech.

"I think we played as well as we could, considering how physically beat up we were," Brigham pointed out, adding that various ankle and knee injuries seemed to be nagging his team.

Down 30-19 at the half, the Wildcats came out a bit more lively in the second half, and cut the deficit to 32-23 three minutes into the half. But Madison scored nine of the next 11 points, taking a 41-25 lead to take control.

Madison grabbed an early 7-0 lead in the game, and then extended that margin to 18-6 midway through the half, as UWWC had their troubles getting the ball inside to the likes of Jenny Meyer and Heidi Wagner.

Meyer, along with Rocky Justman each scored 12 points to lead the Wildcats. Meyer added 13 rebounds, while Justman, who seemed to spend just as much time on the floor diving for loose balls as she did on her feet, added nine boards. Julie Best also chipped in 11 points.

Both Meyer and Justman were named to the all-tournament team for their efforts.

In Saturday's win over Western Tech., Justman led the way with 24 points and seven rebounds, while Meyer and Best chipped in 15 and 14 points, respectively.

"That was a very physical game," said Brigham, who added that Best "had just an excellent game."

Turkey Hunting Clinics Underway

MADISON, WI — The 1991 Turkey Hunter Education Clinics are now underway throughout Wisconsin to help new hunters prepare for the ninth spring wild turkey season in the state, said Bill VanderZouwen, turkey season coordinator for the Department of Natural Resources.

The free clinics, held in February and March, are co-sponsored by the Wisconsin DNR and the Wisconsin Wild Turkey Federation.

VanderZouwen encourages first-time turkey hunters and those interested in becoming turkey hunters to attend the three- to four-hour clinics. The clinics will teach hunters how to hunt wild turkeys in a safe, ethical and successful manner. Each person attending will receive a Wisconsin Turkey Hunter's Guide that summarizes the information presented at the clinics. Advanced reservations are not required to attend.

To receive a list of the turkey hunting clinics call (608) 266-1877 or write to: Wisconsin DNR, Bureau of Wildlife Management, P.O. Box 7921, Madison, WI 53707.

Turkey hunting in Wisconsin is allowed by permit only. All the successful applicants have been selected and their permits mailed to them. A record 41,340 permits were available for the spring 1991 season, according to VanderZouwen.

Hunters will be able to hunt in one of six time periods, April 10-14, April 17-21, April 24-28, May 1-5, May 8-12 or May 15-19, in one of 20 designated turkey hunting zones located primarily in southwest and northwest Wisconsin.

VanderZouwen noted that there are two new hunting rules in effect beginning with the spring turkey season: hunters may not hunt with the aid of bait; and they may not hunt with shotshells loaded with shot larger than no. 4 lead or no. 2 steel, and duplex loads containing any shot larger than the no. 4 lead or no. 2 steel are not legal.

A current 1990-91 Wisconsin Wild Turkey Stamp is required to hunt turkeys; the stamp must be signed across the face and be in possession (attached to the license) while hunting turkeys. Senior Citizen Recreation Card holders, first-year Wisconsin hunter education course graduates and military licensees do not need a turkey stamp.

During the Spring 1990 turkey season, 29,696 permits were issued for 19 hunting zones, and hunters bagged 6,501 turkeys.

KHS Indian Boys Lose Final Conference Game to Huskies

By Statesman Sports Writer

NEW HOLSTEIN — The Kewaskum boys basketball regular season came to an end in perhaps an appropriate way.

Not that the Indians will take any solace in their 62-61 heartbreaking loss here, last Friday night to New Holstein, but the Indians can look back to the fact that the nine Eastern Wisconsin losses for the Indians this season, the game was decided by six or less points in four of those contests, and the Indians were in all of the rest of those games, with the exception of an early season loss at EW champion Two Rivers.

That all didn't matter a whole lot on Friday though, as the Indians had their trouble at the free throw line in the final quarter, thus extending their novel inconsistency at the line this season for one more chapter.

And while the Indians were having their troubles at the charity stripe, New Holstein's Eric Klapperich was making them pay for it by putting on his own show.

The senior guard made ten straight free throws in the final quarter to help the Huskies preserve their slim leads. But it was his miss with under :10 to play which gave the Indians an opportunity for a rare close win.

Indian senior forward Mark Felix rebounded Klapperich's

miss and drove the length of the floor, before throwing up the potential game-winner in heavy traffic. The shot was off the mark, however, and the Indians finished the year in a tie for last place in the EW with a 3-9 record.

Klapperich finished with an even 30 points to take scoring honors in the game. Felix, meanwhile, capped off his final regular season game for the Indians by scoring a team-high 20 points.

The Indians also got balanced scoring from the likes of Joel Fleischman, Chad Cook and Kim Marx, as they tallied 13, 10 and eight points each.

But it was at the line where the game was lost for the Indians, as they missed 12 of their 34 opportunities, including six one-and-one bonus attempts in the fourth period alone.

The Indians opened WIAA Sub-Regional action Tuesday at home against Campbellsport.

KEWASKUM — Felix 20, Seiser 5, Paulson 1, Marx 8, Fleischman 13, Cook 10, Ramthun 4. Totals - 19-22-22, FT Missed - 12, Fouled Out - Fleischman, Three-pointers - Cook.

NEW HOLSTEIN — Schneider 11, Freund 5, Depies 3, Klapperich 30, Gustafson 9, Savola 4. Totals - 19-22-22, FT Missed - 6, Fouled Out - Depies, Three-pointers - Gustafson 2.

Starters Return, UWWC Women Romp

By Statesman Sports Writer

WEST BEND — After struggling through its final two games of the regular season, the UWWC women's basketball team opened their post-season in grand fashion here, last Tuesday.

The Wildcats, nearly at full strength, got back on the winning track as they dismantled UW-Marshfield in the school's fieldhouse, 81-38, thus advancing to the state semifinals in Madison.

The game marked the return of center Jenny Meyer, who had missed most of the previous two games (both losses) with an ankle sprain. Also back at full strength was Rocky Justman, who had been under the weather the past few days.

"When you have two starters back in there, it makes a big difference," UWWC coach Tom Brigham said, noting that Meyer's ankle was placed in an air splint for the contest, and "I was holding my breath throughout the whole game."

Brigham's fears weren't realized, though, as Meyer came through with 20 points and 15 rebounds to pace the Wildcats. Justman added 17 points, while dishing out six assists and coming up with five steals.

Heidi Wagner also had one of her best outings, scoring 19 points and pulling down 20 boards. "She played a real strong game," Brigham said. "That was probably one of her best games in the two years that she's been here."

The Wildcats jumped out to a

9-0 lead, and then extended that to 26-6 on the first of Jankowski's three, 3-point baskets. Jenni Jankowski also finished in double figures for UWWC, hitting for 13 points.

Holding a 39-22 lead at the half, the Wildcats defense tightened in the second 20 minutes. Marshfield scored just 16 points in the second half as the Wildcats rolled to their 17th win of the year against just five defeats.

"Rebounding was definitely one of keys," Brigham said, noting that Julie Best also pulled down a dozen boards.

Long Lake Fishing Club, DNR To Set Up Deep Water Cribbs

In a cooperative effort between the DNR and the Long Lake Fishing Club, 25 new technology plastic cribbs have been ordered for deepwater placement this coming summer.

The cost of the project will be about \$2500 plus volunteer labor. It is hoped these cribbs will provide some deeper water (20' to 25 foot) bottom structure to attract and concentrate baitfish and gamefish out-and-away from existing shoreline weedbeds.

Fishermen with graphs have often noted that the lake bottom

is like a bathtub except for a couple well-known spots where there is some rock under-structure in deeper water. Hopefully, this project will help to spread the fish and fishermen around the lake and improve your chances of catching the big ones.

At the present time, club officials are waiting for notice from the DNR as to when and if the cribbs will be available for assembly. The club will also be working with the DNR Fish Manager to select spots for placement of the cribbs.

Indian Girls Get Past Cougars in Sub-Regional

By Statesman Sports Writer
CAMPBELLSPORT — The Kewaskum girls basketball team took the first step in what they hoped to be a successful post-season here, last Tuesday night, as the Indians downed Campbellsport in WIAA Sub-Regional action.

"All in all - we played an OK game," Eichstedt said rather conditionally. While he noted his team pulled down 30 offensive rebounds, "which is easily the most we've had all year," he also added "We shot rather poorly, and doubled that by missing our free throws."

Neither team had a stellar outing from the line, although both had plenty of practice. The two teams combined to shoot 67 free throws in the contest, while committing a whopping 56 fouls.

The Indians didn't need to foul early on, though, as the Cougars were a bit impatient on offense in the opening quarter. Kewaskum came up with four steals in jumping out to a 9-2 lead.

"They were tight," Cougar coach Candy Roth said of her troops' early woes. "Tight, nervous, impatient ... yeah, I guess they all would apply."

Trailing 10-4 after one period, the Cougars came right back in the second, as Kim Rivera, Janel Emmer and Krista Gengler each hit baskets to pull Campbellsport even at 10.

But the KHS defense stiffened while Nicole Doherty and Tracey Steinert went to work on offense. Each scored four points in a 8-0 Indian run, giving their team the 18-10 halftime lead.

"They beat us on the offensive boards," Roth agreed. "They got more second and third shot opportunities, and that was the difference."

The Indians came out in a full-court press in the second half, and the pressure seemed to fluster the Cougars, who committed several turnovers leading directly to Indian layups.

"We didn't try to go all-out in our full-court pressure," Eichstedt noted. "We just wanted to be there and bother them a bit. We did a pretty good job of that."

The Cougars weren't able to even get off a field goal attempt until 2:09 had expired. That's when Emmer's three-point play cut the Indian lead to 23-13.

But the Indians quickly responded by scoring 10 of the game's next 12 points, capped off by a pair of Doherty baskets, to give Kewaskum a comfortable 33-15 lead. The Cougars didn't fold, however, scoring the final five points of the quarter to pull within 13.

"We were on 33 for a long time," Eichstedt said, adding he became a bit concerned. "You have to give

Campbellsport credit for coming back. They never gave up."

A three-pointer by Gengler and an ensuing basket by Rivera cut the margin to 38-28 midway through the fourth, but that was a close as the Cougars came the rest of the way.

"I told our girls not to give them an easy layup underneath," Roth said of the fouling by her team. "We wanted to make them earn their points from the line."

Kewaskum ended up making just 15 of its 41 free throw attempts, while the Cougars connected on just nine of 26 tries. The field goal shooting was a whole lot better, as the Indians hit on just 25 percent of their tries, while Campbellsport hit at a 36 percent clip.

Doherty led the Indians with 14 points and 17 rebounds, including nine offensive boards. Kelly Rohlinger "was a spark plug," for the Indians, as she scored seven points while coming up with a half-dozen steals.

For the Cougars, Rivera led the way with 10 points, while Emmer added nine. Roth also noted that sophomore Penny Mauer "went out there and handled herself very well," in her first varsity action.

KEWASKUM (10-8-15-12) - Flynn 3, Rohlinger 7, Chesak 5, Krause 5, Falk 2, Steinert 4, Doherty 14, T. Vogt 2, Free Throws - 15 of 41, Fouls - 29.
CAMPBELLSPORT (4-6-10-14) - Rivera 10, Morgan 3, Gengler 5, Krueger 6, Bertone 2, Smith 3, Emmer 9, Klotz 2, Free Throws - 9 of 26, Fouls - 27, Three pointers - Gengler.

Indian Gymnasts Close Regular Season with Win

By Statesman Sports Writer

KEWASKUM — Taking advantage of Chilton missing a couple of regular performers, the Kewaskum gymnastic team closed out its regular season in fine fashion, posting a 90.1 - 81.5 victory over the Tigers.

The Indians took care of the shorthanded Tigers, who had three gymnasts ill and missed the meet, thanks much in part to the all-around efforts of Wendy Fideler.

Fideler took first place in two events, while also taking the top spot in the all-around competition to pace the Indians. Fideler's 8.3 mark took the top spot in the floor exercise, while her 6.7 was the best posted on the uneven parallel bars.

Those two top scores, along with a 7.2 on the vault (which gave her another third place finish), enabled Fideler to capture the all-around title with an average mark of 6.6.

The bars competition proved to be the Indians' strong point in the meet, as Fideler, along with Deanna Wagner and Jessica Rohrer, managed a 1-2-4 finish in that event. Wagner was just .8 behind Fideler with a 6.4, while Rohrer followed with a 5.9.

Stephanie Reindl took first on the beam, as she came through with a 6.8, which was just enough to edge out teammate Ingrid Ankerson for the top

spot. Ankerson wound up in second with a 6.6 mark. Ankerson also managed a second place finish in the floor exercise, pulling off a fine routine which netted her a 7.8 score.

Ice Fishing Shelters Must Be Removed

All Ice Fishing Shelters are to be removed from the ice on or before March 5th (South of Highway 64). Portable shelters may be used after the above date by fishermen when they are actively engaged in fishing. Portable shelters must be removed daily and when not in use. The name and address of the owner must be permanently affixed to the outside of all ice fishing shelters, even the portable shelters.

Fishermen are reminded to remove anything placed on the ice when ice shelters are removed. Wood and concrete blocks, cardboard, cans, etc. must all be removed from the ice or face a littering citation with a forfeiture of \$148.00. Last year I had several complaints of litter being left on the ice and observed the same.

Take time this year to clean up the ice. Keep our lakes clean.

Third Loss to Kiel Eliminates KHS Indian Girls in Regionals

By Statesman Sports Writer
KIEL — Kewaskum girls basketball coach Glenn Eichstedt seemed to be confident with his team set to face Eastern Wisconsin rival Kiel for the third time this season. This time, the winner would move on, and the loser would end the season.

And, unfortunately, it was the Indians who were sent packing, as the Raiders beat Kewaskum for the third straight time this season, 51-38 in a WIAA Regional tilt.

Kristin Rogne was a thorn in the Indians' side all evening as she poured in 20 points while holding Kewaskum's main offensive weapon, Nicole Doherty to just two.

Rogne added 16 rebounds to her credit, 13 of which came on the offensive end. Rogne was a key ingredient in Kiel's 36-20 rebounding advantage.

"All in all, Kiel proved to be hungrier," Indian coach Glenn Eichstedt said regarding the tilt. The Raiders "consistently outrebounded," the Indians, and the result was Kewaskum finishing its year with a 7-15 mark.

A slow start was once again a factor in the loss, as the Indians managed just three points in the opening quarter and trailed by double digits, at 22-11, at the half.

The Indians offense came alive in the third quarter, though, thanks much in part to Kelly Rohlinger. The senior forward scored 11 points in the period, as the Indians cut the deficit to 31-28 midway through.

But Kiel came right back, scoring the last three points of the quarter, and then put the game away by outscoring the visitors 17-10 in the final frame.

"We have not had much success against the zone defenses this season," Eichstedt went on to say, noting that was the defense that the Raiders used. The Indians tried to hold the ball early on, hoping that Kiel would be forced to come out of their zone, but "we're not patient enough to take advantage," of the situation.

In addition to Rogne's 20 points, 5-11 Lynn Niemuth "put on a perimeter show," according to Eichstedt. Niemuth hit for 11 points, while showing her ballhandling skills against the Indian full-court pressure.

Rohlinger wound up leading the Indians as she pumped in 15 points, but no other Kewaskum player had more than seven points.

Kiel advanced to the Regional final on Saturday at Plymouth.
