Connell Named Girls Softball Coach

Board Okays Trial Busing For Summer School Students

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Board of Education, Monday night, approved the recommendation of District Administrator Dr. David Heather to offer, on a one-year trial basis, busing for rural students wishing to participate in the district's 1991 session of summer school.

Heather advised the board that area residents had been surveyed on their willingness to pay \$5.00 per week for the service. "Of the 196 surveys received from parents," said Heather "98 were in favor and 98 were against the change."

Heather said he doubted seriously whether there would be enough riders to subsidize the entire cost of the busing program, but every dollar collected would help to defray the cost of approximately \$5,000 for the 25-day session.

In making the recommendation Heather told the board he and his administrators felt the availability of transportation would increase the summer school enrollment with more students coming from the outlying areas. He said, "some complaints had been received that summer school is strictly for the in-town students because rural students haven't a way of getting into Kewaskum."

The busing program would consist of three routes. Pickup

points on Route One would be Beechwood and New Fane, Route Two Farmington School and St. Michaels, and Route Three Wayne School.

Board member Ruth Schmitt, who made the motion to approve the trial busing with a \$5.00 a week per student fee, said "if a person has at least a small amount of money involved they'll be more motivated to make sure their students attend class."

In other agenda business, Assistant High School Principal James Connell presented the KHS student of the month for March. She is Rachel Gosa, daughter of Mr. and Mrs. Gerald Gosa.

In other action the board approved the appointment of Connell as head coach for the trial season of Girls Fast Pitch Softball. Heather advised the board that there were no applications from the Kewaskum Education Association for the position.

The board also okayed the final issuance of non-renewal notices to two temporary teachers who had replaced teachers on leave that will be returning to work for the 91-92 school year.

Heather presented the board with a preliminary KHS class enrollment count for the next year. Based on those figures,

Kettle Moraine Adds 'Finishing Touches'

Judy Johnson poses at her new business, Finishing Touches.

By Sharon Callaway Roznik
Statesman Staff Writer

Dennis and Judy Johnson have added a finishing touch to the Kettle Moraine area with the birth of their new business, located at N285 Hwy. S.

"Finishing Touches" offers for sale a unique blend of import items the Johnsons collected on numerous trips

Folk Fair Time In Kewaskum!

It's less than 50 days until the big event ... FOLK FAIR '91! On Friday, April 19th, from 12:30 - 2:15, our sixth graders will be presenting a short program with dancing, singing, musical numbers and gymnastics.

Observers will have time to tour their booths, as a culmination of our study of Europe.

We've already started to prepare for it! The week of February 12th we began by writing letters to the consulates of European countries asking for free information and materials. The week of February 24th we picked our dancing partners and dance routines. Folk dancing is always one of the favorite activities for the kids! The first week of March we will start learning how to write research papers on our selected countries. By April 1st we will have constructed a flag, placard, and map of our selected country.

All parents should have received a letter explaining what is needed for the Folk Fair. We hope you will have a chance to come with your friends, relatives and neighbors to partake of this great KMS happening.

overseas, mingled with American artworks and crafts. Cranberry scents from the bogs of Wisconsin, apple roses from Indiana, pastel patterned quilts, and wicker bicycles fill shelves alongside Japanese silk scarves, embroidered linens and lace, Mexican onyx and brass from India.

The couple's newfound endeavor started out to be a workshop and storage space for Dennis' MG sports car. After ending an eight year managerial position at McDonalds, Judy enjoyed being at home, but wanted a project she could spend time on. They compromised by dividing the building into two sections. They did all the construction themselves, with the help of family and friends, including the wooden display shelves and counters.

Visitors often commented to Judy that she knows how to "put just the right finishing

touches in her home," and that phrase carried over to their business. "We have had people stop and ask us if we do painting, refinishing, or home repair!" laughed Judy.

Finishing Touches opened for business November 1st. Landscaping will be completed this spring, plus awnings and window boxes will be added.

"Orders are coming in everyday, from around the world," explains Judy, as she talks about the traveling her and her husband do for business and pleasure. "When we used to bring collectibles home for ourselves, everyone we knew wanted something we'd purchased."

The accessories and gifts they carry add a special touch to a home. A unique line of handmade decorative copper includes old world copper items 40 to 90 years old. These are actual household items collected from villages throughout Turkey. Chimes and pottery are hand thrown and painted with new southwest designs from California.

Chinese art features delicately crafted pictures designed with feathers on painted backgrounds. Adding a

KHS Swing Choir Talent Show

On Saturday, March 23, the Kewaskum High School Swing Choir will sponsor their fourth annual talent show.

The event begins at 7:30 p.m. in Rose Hall at the high school and will feature two barbershop quartets, a faculty rock group, several student solos and duets, and many surprises.

Tickets are \$2.00 for adults and \$1.00 for students and can only be purchased at the door. Proceeds are designated for summer camps and the purchase of new uniforms.

If anyone would care to join the action as a performer, please call Dave Bertelsen at 626-2166.

Finger Printing for Area Youngsters

The Kewaskum Police Department, assisted by the Kewaskum Kitchenettes and the Little Whistlers Homemakers Club will finger print area youngsters, six years and older, on Saturday, March 16.

The finger printing will be held at the Kewaskum Community Room, 204 First Street, from 9 a.m. to 12 noon.

GIRL SCOUT WEEK

March 11-17, 1991

Why Girl Scouts?

In 1912, Juliette Low began an organization for girls called the Girl Scouts. Now, 79 years later, that organization is still going and growing. Why? Girl Scouting's all-girl environment gives a girl leadership experiences so she can contribute to society now and in the future. What does that mean to the girls? Girl Scouts is the place to have fun and make friends!

In honor of Girl Scout Week, we are running a special page devoted to this celebration. You will find it on page 11. Our special thanks go out to all the businesses, for without their sponsorship of this ad, it would not have been possible.

Wau-Bun Girl Scout Council serves 2,500 girls in all of Fond du Lac and Green Lake counties and portions of Dodge, Waushara and Washington Counties.

Interested in joining the fun? Call the Wau-Bun Girl Scout Council at 921-8540.

OM Teams Bring Home Trophies

The Kewaskum High School team coached by Mr. Len Soller and the Farmington Elementary team coached by Mrs. Fran Lider earned first place in their respective divisions and the right to compete at Stevens Point on April 20 in the OM State Competition.

The High School team chose Omers' Buggy Lites as their problem and solved it with an ingenious battery-run vehicle of their creation, and a Dick Tracy-inspired skit including a kidnapped damsel, animated machine guns, and a pre-rigged fall-apart brick wall. Team members are James Dionne, Craig Kulas, Sheldon Oppermann, Chris Schoofs, Ira Sison, and Rodney Stelter.

The Farmington first place team built a balsawood structure weighing less than 15 grams yet held 216 pounds of weights. The winning weight earned the team a substantial 175 points in this portion of the long-range problem, Super Collider, and figured significantly in their win. The team members are Jim Broughton, Tami Meeker, Matt Paulson, Stacy Siebenaler, Troy Staehler, Erin Theusch, and Brenda Van Demark.

A second place trophy was awarded Wayne Elementary School's team with their solution to the Transformation problem. Amanda McDonald, Amanda Klemme, Tricia Krebs, Frank Nerad, Trish Reinert, Angela Ritger, and April Winter dramatized communication from caveman's drum to the holograph of the future. Mrs. Marie Ritger is their coach.

The Kewaskum Elementary School team with Mr. Erv Uhlman coaching also had entered the Transformation problem and took the third place trophy. Aggie Friedel, Amie Stephanie, David Kletti, Jane Sparks, Jon Schneider, Matt Hammen, and Tim Breitag invented a time machine to help them solve their problem!

The Kewaskum Middle School team of Brian Branchford, Jenny Buss, Dave Ruhland, Eric Van Demark, Jenni Weston, Marnie Winninghoff, and Nikki Yogerst took second place in Classics... Pompeii. Coached by Mrs. Barb Yogerst and Mrs. Lorey Weston, the team wrote poetry for an introduction and featured a lost dragon wandering Pompeii.

The Kewaskum High School team taking third place with Mr. Ron Beimborn coaching, depicted a Cithera Contest and

created artifacts of a era, a cithera, a dog mosaic, graffiti, vase, and earrings. Jenny Beimborn, Carol Grosskopf, Jenny Iwen, and Amy Yogerst and Rachel Chambers worked on Classics... Pompeii.

Congratulations to the Kewaskum teams in representing their schools so well in competition and in sportsmanship.

The young bride was complaining to her parents about her husband's drinking.

"But why did you marry him, if you knew he drank so much?" asked her mother.

"I didn't know he drank at all," said the girl, "until he came home sober one night."

OM Team Takes Second Place

The Odyssey of the Mind team from Kewaskum Middle School traveled to New Holstein to compete against nine other OM teams in the regional competition last Saturday, March 9. The competition consisted of two areas; problem solving and spontaneous answer. The team claimed a perfect score in the spontaneous portion of their competition and went home with the second place trophy.

Participants in this OM event included: Brian Branchford, Jenny Buss, Dave Ruhland, Eric Van Demark, Jenni Weston, Marnie Winninghoff, and Nikki Yogerst. Coaches were Barb Yogerst and Lorey Weston.

Congratulations to this dedicated team and all of their hard work!

County Historical Society to Meet

Do you like antiques? Do you like show and tell?

If so, you are invited to attend the March meeting of the Washington County Historical Society on Tuesday, March 19, at 7 p.m. in the Fifth Avenue United Methodist Church meeting room, across from the museum. The meetings are open to anyone interested in past history.

This month, members and guests will bring items from their past to show and describe. Each member is also requested to bring a guest. The meetings are not long and are interesting as the future of the Historical Society and Museum is decided.

If you haven't been to the museum lately, go and see the

new additions. A handmade, 8 room furnished doll house and a working model of a steam fire engine drawn by 3 horses are two of the latest additions.

Ideas and help is needed in making a doll room in the museum in which to show the doll house. For more information, call 335-4678 Tuesdays or Thursdays.

KEWASKUM HISTORICAL SOCIETY TO MEET

The regular meeting of the Kewaskum Historical Society will be held Tuesday, March 19, at 8:00 p.m. in the Community Room. Old and new members are always welcome.

For more information call Jake Schmidt at 338-1568 weekdays, after 5:00 p.m.

Overall Kewaskum Crime Decreased During 1990

By GERRY MUELLER
Statesman Staff Writer

In his annual report to the village board recently Kewaskum Police Chief Richard Knoebel indicated overall, the crime rate in Kewaskum dropped by 10.4% for 1990.

In the Violent Crimes category, there was no change in figures for 1989 and 1990. Two aggravated assaults and two forcible rapes were reported in each year.

In the area of Property Crimes, there was a 10.9% decrease overall in reported incidents, from 92 in 1989, to 82 in 1990. Thefts dropped 18.6%, from 86 in 1989, to 70 in 1990. Burglaries and motor vehicle thefts increased 100% in 1990. Knoebel noted, however, there were five reported thefts in 1989, and ten in 1990. He said the auto theft figure seemed like a big increase, but actually when there was only one theft in 1989 and two in 1990, that's double and its represents the 100% increase.

In summarizing his report, Knoebel said total index crimes (those reported to the state) decreased by 10.4% in 1990 due to a decrease in the number of thefts. During 1990, 24 or 27.9% of the 86 reported crimes were cleared by arrests. Knoebel noted Kewaskum's clearance rate is higher than the statewide rate of 24.3% during 1989.

Total adult arrests increased by 57.7%, from 142 in 1989, to 224 in 1990. The total of juvenile arrests increased by 47%, from 125 in 1989, to 178 in 1990.

Kewaskum's property recovery rate for 1990 was substantially higher than the state rate of 40% in 1989. In 1990, Kewaskum recovered 77.4% of property stolen as compared to its 1989 rate of 52%.

The department issued a total of 475 traffic citations in 1990, while there was a total of 2,100

traffic warnings given during that same period. Knoebel said that equalled 1 citation issued for every 5.5 vehicles stopped by his officers.

The Kewaskum Police Department handled 1,546 complaints in 1990, an increase of 3% over its 1989 figure of 1,492. The department also patrolled a total of 75,972 miles in 1990.

McGowan to Speak To KMS Parents

Kewaskum Middle School Parent Advisory Group will sponsor speaker Mike McGowan, who will speak to Kewaskum Middle School parents on Thursday, March 14, 1991 at 7:00 p.m. in the Middle School Band Room.

The title of Mr. McGowan's speech is "How to Make it Through the Adolescent Years - When You Don't Speak the Language." Mike will take a light-hearted look at family communication styles and realistic solutions to better family communications.

Mr. McGowan has worked with hundreds of families during the past thirteen years as a family therapist, an alcohol and drug counselor and director of the premier alcohol and drug training program in Wisconsin. He has presented talks to schools, community groups and parents. Mike has appeared on television and radio as an expert on family issues and has written numerous articles on parenting.

Sounds Good

I felt his breath on my cheek
And the gentle touch of his hand;

His very presence near me,
Like a breeze on a desert sand;
He deftly sought my lips,
And my head did gently hold;
Then he broke the silence with
"Shall the filling be silver or gold?"

Help us help needy families in our community. We'll give you a *Free Connection* to any Cable service with your \$10 donation of non-perishable, commercially packaged foods or a \$10 gift certificate from your favorite food store. Offer ends Good Friday. *Happy Easter!*

(Continued from Page 1)

Heather said there were several teachers with class overloads. He noted, however, that hiring needs were "still up in the air" and he was waiting for the schedule to be developed before making any formal staffing recommendations.

On the recommendation of Dr. Heather, the board accepted the resignation of Ken Soerens as Student Council advisor.

The board then adjourned to closed session.

WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Meadowcreek Apartment Complex

Monday, March 11 — Boiled ham dinner w/potatoes, carrots & cabbage, pineapple & carrots in lime jello, rye bread w/butter, fruit cup, milk and coffee.

The O'Reillys and the O'Tooles, along with all other nationalities, will be celebrating St. Patty's Day on Sunday, March 17. Corned beef and cabbage and green beer are the staples on "the day when everyone is Irish!" The timely card was submitted by Isabelle Muckerheide.

Kathie Ramthun Honored by MADD

Kewaskum resident Kathie Ramthun was among those honored recently by Mothers Against Drunk Driving for their work to stop drunk driving and help victims.

MADD presented nearly 100 individuals and organizations with awards at a Recognition Luncheon on Tuesday, February 26, 1991 at Milwaukee Marc Plaza Hotel.

Special awards were given to Milwaukee Mayor John Norquist, WTMJ-TV Channel 4 and Mark McLaughlin of WTMJ, State Representative Richard Grobschmidt, the Racine Alcohol Patrol of the Racine Police Department, St. Francis Hospital, Dr. Greg Foker of DePaul Hospital, Milwaukee Police Office Pat Monaghan, and Racine's Mae and Jerry Meldgaard.

Judge Charles Schudson, Milwaukee County Circuit Court Branch 1, was the guest

speaker. He discussed his proposals for tougher drunk driving laws, based on his own experience as a prosecutor and judge for fourteen years. Schudson asserts that his proposals, if passed, could deter 90% of Wisconsin's drunk driving, and that Wisconsin is the most lenient state in the country with regard to drunk driving.

Vietnam Vets to Meet

Anyone who served their country between Aug. 5, 1964 and May 7, 1975 and is interested in being a member in the Vietnam Veterans of America in the area should write: Vietnam Veterans of America, P.O. Box 82, Newburg, WI 53060 or call 692-2092.

The next meeting is March 24 at 6 p.m. in the back of the Newburg Fire Hall.

The rap group will meet March 20 at Federated Financial, Hwys. 33 & 45, West Bend from 6 to 7:30 p.m.

KHS English Communications Students Visit Mapledale Manor

No generation gap existed between older adults and teenagers when Mrs. Jacak's English communications students from Kewaskum High School visited Mapledale Manor recently, although both sides were somewhat shy at first, once the interaction and conversation began, everyone had a good time.

The classes are learning and practicing the many forms of communication. There is no better way to investigate the possibilities than to actually go out and do it. So leaving textbooks and peers behind, the two classes of 27 students each took a brisk walk from the high school to Mapledale and spent an hour with the residents there.

The staff at Mapledale arranged such activities as dancing, decorating, Yahtze and card playing. Some students sat with residents or

visited them in their rooms while a few entertained them with songs. Everyone was reluctant to stop when it was time to go.

Stereotypes were abolished as young and old communicated. Students were impressed by the family-like environment and lively and fascinating conversation. Many students were sad to leave and there was some evidence that residents shared that emotion.

One lesson the teenagers came away with was that growing older doesn't mean you can't be vibrant and attractive. Some good advice given by one resident was to visit grandparents often because loneliness is what the elderly fear most.

Free Blood Pressure Screening Offered

The Community Health Nursing Service Cardiovascular Risk Reduction Program is offering free blood pressure screening at the following sites during the month of March:

March 23 — West Bend Fire Department, 320 N. 7th Ave., West Bend, from 1 to 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 335-4738, 644-5204 or 342-2929 (toll free, ext. 4707).

'Channel One' Daily News Broadcasts at Middle School

Students at Kewaskum Middle School are exposed daily to a twelve minute news broadcast relating to current news events. These broadcasts are brought to the Middle School via a satellite dish system and are sponsored by the Whittle Communications 'Educational Network.' If your son or daughter is asking questions about the current Middle Eastern war you might realize the kind of daily exposure the student's have and its influence on their thinking.

HOW IT WORKS:

Prior to 6:00 a.m. each school day, Whittle Communications transmits the 'Channel One' twelve minute daily broadcast from a ground station in New York City via satellite to a satellite receiver located on the roof of Kewaskum Middle School. These broadcasts are automatically received - no operation required - and recorded on a VCR. The VCR automatically rewinds in preparation for playback that day. The twelve minute VCR program is played in every study hall during the first part of each period.

Channel One programming is designed to address the following educational goals:

1. To Enhance Cultural Literacy - helps teachers address the problem of daily exposing students to current

news events.

2. To promote Critical Thinking - aims to explore moral, social and political issues of the day.

To Provide Common Language and Shared Experience - issues of common concern are presented to young people of widely varying backgrounds.

4. To provide Relevance and Motivation - makes current events relevant by showing the direct connection between global news events and the every day lives of its viewers.

5. To Build a Sense of Responsibility - present role models, like political leaders, scholars and athletes that students can relate to and respect.

A personal invitation is extended to all Middle School parents to come to school and sit in on one of more 'Channel One' daily broadcasts.

Experience is what keeps a man who has made the same mistake twice from admitting it the third time around.

Kick Off for Kewaskum's Freedom Tree

Kathy Paul placed a ribbon on the Freedom Tree for her son Michael, as Kewaskum Women's Club members Joan Albers, Jeanne Goeden and Betsy Strigenz looked on from ground level.

By GERRY MUELLER
Statesman Staff Writer

Members of the Kewaskum Woman's Club kicked off their latest project last Friday, the creation of the area's "Freedom Tree."

The Freedom Tree is actually the evergreen which stands just outside the Municipal Building's main entrance. To show their love and caring for those called up to serve in Operation Desert Storm, five members representing the club started off the project by placing yellow ribbons with individual name tags on the tree for area military personnel serving in the war.

For three of the women, the project is a very personal thing

since they have children on active duty in the operation. Mrs. Jan (Marge) Rosenthal placed a ribbon on the evergreen for her son Captain Craig Rosenthal, who has been stationed in Riyadh since December. Mrs. H. Jim (Kathy) Paul placed a ribbon for her son SW1 Michael Paul who is serving as part of the Desert Storm backup troops in Crete, Greece. Mrs. Anthony (Betsy) Strigenz put a ribbon on the evergreen for her son Major Michael Strigenz, a surgeon, who is among the medical personnel in Oxford, England, who set up the largest temporary hospital in England.

Club member Joan Albers placed ribbons on the tree for

Wearing a hard hat, complete with Desert Storm sticker on it, Marge Rosenthal put a yellow ribbon on the Freedom Tree for her son Craig.

two brothers serving in Desert Storm, TS Cl. William Gruss, serving on the submarine USS Tinosa and ATAN Matt Gruss on the USS Ranger in the Persian Gulf. The men are the sons of Mr. and Mrs. William S. Gruss.

Club member Jeanne Goeden placed a ribbon for a friend, Todd Witt, serving on the USS John F. Kennedy.

Goeden said the club would like to invite anyone who wants to, to place ribbons on the tree to recognize their family

members and/or friends. To keep a uniform look, the club asks that the bows be purchased at the Kewaskum Floral Shop for a cost of 40c or 80c.

Goeden said the group had hoped to get the project going sooner however, there were some formalities and permission necessary before the club could proceed.

"We would also like to invite teachers from our area schools to have their students make decorations and place them on the tree," said Goeden.

A Word of Warning from the IRS: If You're Filing Electronically, Be Sure You Get What You Pay For!

Electronic filing — the filing of tax returns by computer — has really taken off throughout the country. That makes taxpayers happy because they get their refunds faster. It also makes the IRS happy because it reduces the cost of processing and that saves taxpayer dollars. But the IRS in Wisconsin is concerned that taxpayers may be misled by some businesses that are now offering electronic filing.

Traditionally, electronic filing has been offered by tax preparers, financial institutions, and computer firms. Normally, there is a small fee — generally \$15-25. This year, however, the service is

becoming available at other businesses, such as pharmacies, mail services, and food stores. According to Gerri Ness, Electronic Filing Coordinator for the IRS in Wisconsin, some of these places don't actually file the returns themselves. Instead, they fax them or send them express mail to another location. That means you may not even know which IRS Service Center your return is being sent to.

In order to be sure that you get the service you think you're getting, the IRS is advising taxpayers to ask these questions:

1. Will your tax return be filed here or will it be sent to

another location to be electronically filed?

2. If your return is sent to another site, you will want to get the name, address, and phone number of that other company. Some may be located in other states, such as California, New Jersey, or Texas. The company filing your return is required to give you the acceptance date for your return — but only if you ask for it. Insist on getting that piece of information so you are sure your return has been filed.

3. If there is an error on your return, how will it be handled? This could mean a considerable delay if the company is out-of-state and has to call you back or send your return back to you for correction. You will want to know this.

4. Be sure you receive a copy of IRS Form 9325, which explains electronic filing and indicates who has electronically filed your tax return and at what service center. Normally, Wisconsin electronic returns go to the Ogden (Utah) Service Center. But if the company providing electronic filing services is in another state, your return could be filed instead at the Cincinnati (Ohio) Service Center or the Andover (Massachusetts) Service Center. All companies providing electronic filing services are required to give you Form 9325 with this information.

5. Are you sure that your personal tax information will be kept confidential and secure by the company doing your electronic filing?

6. If your electronic filer doesn't file your return on time and your refund is delayed, will you get your electronic filing fee back? Most reputable companies will do this, especially if they are located in the community and want to keep your goodwill and your business.

According to Gerri Ness, electronic filers should willingly give you all of this information. If you have any questions about electronic filing, contact the IRS. In Milwaukee, call 271-3780. Elsewhere in Wisconsin, call, toll-free, 1-800-TAX (829)-1040

Looy: Now I want one of you fellows to explain to me why it's important not to lose your head at any time. Blooy: Well, you'd have no place to put your helmet.

The Victory Of Easter

**COMMUNITY CHURCH
West Bend**

Easter is good news. In the Holy Bible, I Corinthians 15:51-58 the apostle Paul reveals an amazing truth: for the christian death is not the end of life but the threshold of immortality! Just as the Lord Jesus Christ arose from the grave, thereby conquering sin and death, so shall those who have put their trust in Him be raised to everlasting life.

Because the Savior lives and has promised. "I will come again, and receive you unto myself" (John 14:3), the christian can face the trials of life and even death with the sure hope of a glorious future.

The day is coming when the Lord Jesus shall descend from heaven with a shout of victory. At his call those christians who already have died will rise from the grave to meet Him. Those who are still alive will ascend with them in triumphant procession to be with their Lord forever (I Thessalonians 4:13-18).

Each spring God renews His promise of life. Flowers appear through thawing earth. The trees burst with fresh, new leaves and buds. The birds return with joyful sound. Nature seems to shout "Jesus Christ has risen from the dead and he is alive today." His resurrection is God's personal invitation of eternal life.

You can have forgiveness of sins and have this hope of Eternal Life today. "If you confess with your mouth Jesus as Lord and believe in your heart that God raised Him from the dead, you shall be saved. Romans 10:9.

Community Church meets each Sunday in their new location at 2005 South Main Street, West Bend. Sunday School is at 9 a.m., Church Services at 10:00 a.m. Everyone welcome.

AFS Pot Luck Dinner March 19 Breakfast with The Easter Bunny

The AFS will be putting on a pot luck dinner on March 19, 1991 at 6:00 p.m. in the High School cafeteria.

This pot luck will be honoring Tobias Fritz from Sweden. All are welcome to come.

Please bring a dish to pass. Hope to see you there!

LITERARY CONTEST PARTICIPANTS

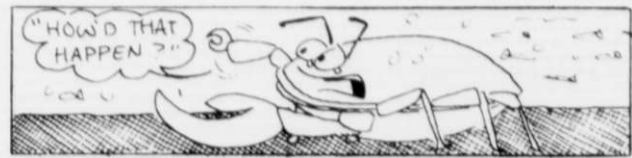

Christie Heckel, and Neal Kreuser, of Mrs. Rompelman's Language Arts class, recently received Certificates of Award for their participation in the Literary Contest sponsored by the local chapter of the Delta Kappa Gamma Society. Christie's story, "Why Me?" and Neal's "Ghost Girl" qualified as 800-word entries. Congratulations to the participants!

On Saturday, March 23, area children will have the opportunity to have breakfast with Mr. and Mrs. Easter Bunny.

A breakfast of pancakes, sausages, applesauce, sweet rolls, orange juice and coffee will be served beginning at 9:00 a.m. at the Kewaskum High School Cafeteria.

Tickets are available at Miller's Furniture, Sentry Food Store and the Kewaskum Statesman at \$3.00 per person.

Moms and Dads bring your camera and snap a picture of your child with Mr. and Mrs. Easter Bunny and friends. Seating is limited so purchase your tickets early! This event is sponsored by GFWC Kewaskum Junior Woman's Club 3-14-2t

Andrea Waala to Display Her Art at Homemade Creations Craft Show Saturday

Shown in photo, back row, left to right: Jennifer Garbade, Brooke Waala and Andrea Waala. Front: Jessica Garbade.

KHS third year art student Andrea Waala, daughter of Ervin and Susan Waala of Kewaskum, is one of the featured crafters at the Homemade Creations Craft Show March 16 at Amerahn.

Andrea designs jewelry out of laminate material, designs her own greeting cards, writes verses, sells her framed and matted poetry and photographs.

Her company, Suzles, employs the help of her sister Brooke, and friends Jennifer and Jessica Garbade, and Heather Kulcinski. She has been selling her jewelry to competitive Artistic Roller Skaters Nationwide. Andrea and her sisters April and Brooke have been into competitive roller skating for the past seven years.

Waala's work is on display at Mary's Market in the Old Barton Mill.

Obituaries

ANNA M. BATZLER

Anna M. Batzler, of St. Kilian, 82, passed away on Friday, March 8, 1991 at Hope Nursing Home in Lomira.

She was born on October 28, 1908 in the Town of Wayne the daughter of the late Jacob and Victoria (Bonlender) Batzler.

Miss Batzler was a member of St. Kilian Catholic Church, St. Kilian, St. Mary's Sodality of St. Kilian and a life member of The Apostolate of Suffering.

Survivors include two sister-in-laws: Marcella Batzler of St. Kilian and Loretta Batzler of Lomira and 11 nieces and nephews.

In addition to her parents she was preceded in death by three brothers Adolph, Oscar and "Tom" Joseph Batzler and one sister Elizabeth Melzer.

A Mass of Christian Burial was held at St. Kilian Catholic Church, St. Kilian at 8:00 p.m. on Monday, March 11, 1991 with Father Victor Kemmer officiating. Burial was Tuesday, March 12, 1991 at 1:00 p.m. at St. Kilian Cemetery, St. Kilian.

Friends called from 6:00 p.m. until time of services at the church on Monday. Memorials to St. Kilian Catholic Church are preferred.

The Miller Funeral Home, Kewaskum is serving the family

ROSE M. LAUFER

Rose M. Laufer, of Beechwood, died Wednesday, March 6, 1991, at the Beechwood Rest Home, at the age of 100.

She was born Oct. 30, 1890 in the Town of Trenton, to Jacob and Margaret (nee Schwinn) Laufer.

For many years she worked as a priests' housekeeper for Fr. Francis Knoernchild and Msgr. Raynor Hausmann.

Survivors include nieces, nephews and other relatives and friends.

Preceding her in death were her parents, four brothers and four sisters.

She was an honorary member of the Christian Women's Confraternity at Holy Angels Parish and a member of the Apostolate of Suffering.

Funeral services were Saturday, March 9, at 10:15 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 11 a.m. at Holy Trinity Church, Newburg. Rev. Al Esselman was the presider and burial followed in St. Peter's Cemetery, Town of Farmington.

Visitation at the funeral home was Friday from 4 to 8 p.m., with a prayer service at 7 p.m., and Saturday prior to services.

The family prefers memorials to St. Peter's Church, Town of Farmington.

HENRY P. SCHMIDT JR.

Henry P. Schmidt Jr., a resident of the Samaritan Home, West Bend, died Saturday, March 9, 1991, at the Samaritan Home, at the age of 94.

He was born July 13, 1896, in the Town of Barton, to Henry and Gertrude (nee Peters) Schmidt Sr., and married Clementine Albinger Nov. 18, 1924, at St. Mary's Immaculate Conception Parish, Barton. She passed away in 1942.

He was a member of St. Mary's Immaculate Conception Parish and the St. Joseph's

Society.

Survivors include five children, Leo (Gretchen) of West Bend, Gertrude (Leroy) Schladweiler of Kewaskum, Raymond (Betty) of West Bend, Mary (Dennis) Price of Hartford and Joanne (Robert) Volm of Upland, Calif.; 20 grandchildren; three brothers, Gerhard of Kewaskum and Anthony (Barbara) and Peter (Marcella), both of West Bend, and other relatives and friends.

Preceding her in death were his parents; two sisters Anna Schmidt and Susan Schmidt, and two brothers, Jacob and Edward.

Funeral services will be Wednesday, March 13, at 7:30 p.m. at the Myrhum Funeral Home, West Bend, with a Mass of Christian Burial at 8 p.m. at St. Mary's Immaculate Conception Parish. Fr. Donald Schmidt will be the celebrant and burial will be Thursday in St. Mary's Cemetery, West Bend.

Visitation at the funeral home will be Wednesday after 4 p.m.

IRENE E. HERMAN

Irene E. Herman, nee Mog, of West Bend, died Thursday, Feb. 28, 1991, at St. Joseph's Community Hospital, West Bend, at the age of 57.

She was born Nov. 30, 1936, in Saukville, to Gustav and Hilda (nee Eckert) Mog. At an early age the family moved to Slinger where she graduated from Slinger High School.

After her marriage to Lyle Herman at St. John's Ev. Lutheran Church, West Bend, in 1955, they settled in the Town of Wayne, coming to West Bend in 1967.

She had been employed at Serigraph Sales, West Bend, for the past two years.

Survivors include two children, Gary (Sharon) of Allenton and Glen of West Bend; two grandchildren, Jake and Tamara, both of Allenton; four sisters, Iris Prom of Colorado Springs, Colo., Marion Drake of Milwaukee, Jeannette (Bob) Hauck of Apache Junction, Colo., and Hildegard (Rusty) Noegel of Port Washington; two brothers, Fritz of Horicon and Gus (Carol) of West Bend; a sister-in-law, Stacy Mog of Milwaukee and other relatives and friends.

Her parents and two brothers, Harold and Don, predeceased.

She was a member of St. Lucas Ev. Lutheran Church, Kewaskum.

Funeral services were held Sunday, March 3, at 5 p.m. at the Schmidt Funeral Home, West Bend. Pastor Edwin Fredrich officiated and burial was on Monday in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Sunday from 2 p.m. until

the time of services.

Memorials to the Kettle Moraine Hospice or the American Cancer Society preferred.

25 Years Ago

March 11, 1966

Rita L. Krell, R. 2, Kewaskum, was awarded the Bachelor of Science degree by the University of Wisconsin - Madison as the first semester of the university's 1965-66 school year closed recently. A total of 1,378 students received their bachelor and higher degrees at the end of the fall-winter semester.

Robert Kern, Kewaskum, is among 68 students of the University of Wisconsin - Madison who were recently pledged to the Wisconsin Chapters of 24 different fraternities on campus there. Robert was pledged to Theta Chi fraternity.

Births - A son to Mr. and Mrs. Wilmer Klahn, 319 S. 7th Ave., West Bend, Wednesday, Mar. 2. A son to Mr. and Mrs. James Ritter, Kewaskum, Friday, March 4.

50 Years Ago

March 14, 1941

Mr. and Mrs. George M. Romaine of Campbellsport, will observe their 50th wedding anniversary on Tuesday, Mar. 18th. The event will be celebrated Saturday and Sunday, March 22 and 23. March 23 is also the 76th birthday of Mr. Romaine.

Twenty-nine Selective Service Young men leave for

camp Tuesday. The young men selected by Local Board No. 1 of Washington County will leave West Bend next Tuesday for induction at Milwaukee Wednesday March 18, into Army military service. Five from Kewaskum are included in the fourth quota from Washington County as follows: Alfred Carl Johnson, Edward Henry Bohn, Leo Wietor, Walter Francis Kohn, and Pirmin Victor Kohler.

Mr. and Mrs. Peter Dieringer were blessed with the bounteous gift of a brand new son Sunday, March 9.

Mr. and Mrs. Sylvester Dieringer, Elmore, are the parents of a son born Sunday.

A number of people visited the home of John Faber and family to celebrate the 12th birthday of Robert Faber on Sunday, March 2.

After playing basketball all winter to tie for first place in the final standings of the Land o' Rivers League with Menomonee Falls, Kewaskum last the first two contests of the three - game championships play-off series to be beaten out of the title. As a result Kewaskum will be awarded second place, with Hartford third.

75 Years Ago

March 11, 1916

A heavy rain falling Monday afternoon and accompanied by a freezing temperature spelled a heavy disaster for telephone and telegraph wires. Wires were down on Tuesday in all directions. About the heaviest losers in this vicinity were the East Valley and Newburg Telephone companies.

Edward Wonardt, the three-year-old son of Mr. and Mrs. Gust Wonardt, residing near Five Corners, passed away last Sunday after an illness of only five days with pneumonia. Deceased leaves to mourn his loss his grief stricken parents, three brothers and seven sisters.

The interior of the A.G. Koch store the past week was greatly improved by the addition of a number of new show cases and counters. With the latest improvement the store now ranks as one of the most

up-to-date general stores for the size of the village in the state.

Hilda, daughter of Mr. and Mrs. John Benedum, Kohlsville, had the misfortune of breaking her leg while coasting down a hill.

A number of friends gathered at the home of Mr. and Mrs. Hy Ramthun last Sunday afternoon in honor of their son Eldon's twelfth birthday anniversary.

Mr. and Mrs. Otto Roecker are the happy parents of a little baby boy since last week.

Mr. and Mrs. Will Narges met with an accident last Sunday when coming home from church. Their horse became frightened and they were thrown out of the sleigh. Mrs. Narges was so badly injured she was unable to be brought to her home. Mr. Narges escaped with a few bruises.

Cedar Lake Home Campus Sets Memorial Service

Rev. Vernon Jaberg has been selected by the Cedar Campuses Resident Councils to be the guest speaker at its annual memorial service, Tuesday, April 9.

Cedar Lake Home's and the Cedar Lake Campus Village's memorial service will be conducted at 2:00 p.m. in the Fellowship House chapel. Cedar Ridge's memorial services will be held at 3:30 p.m. in the Ridge assembly/chapel hall.

Each year, on the second Tuesday following Easter, Cedar Campus residents hold memorial services in remembrance of residents who passed away the previous year. Family and friends of the deceased are invited to attend the services of their choice and the reception following.

Rev. Jaberg resides in Sheboygan with his wife, Virginia. He recently retired from St. John United Church of Christ in Sheboygan after serving 25 years. He is a former member of the Benevolent Corporation Cedar Campuses board of directors.

Area Grade Schools Receive 'My Favorite Book'

This release is smaller than the average news release because it details the facts of some big generosity in the community to little children through the distribution of some powerful little books.

First grade students in St. Lucas Lutheran School, Kewaskum Elementary, and Holy Trinity Schools will all receive a beautiful gift-book titled **My Favorite Book**.

My Favorite Book is designed and written to bring "positive" influence into each of these children's lives.

It illustrates the beauty of

Girl Scouts Turn 79

Since 1912, millions of girls have had the opportunity to make new friends, learn new skills, and become confident individuals through Girl Scouting. The Girl Scout movement in the United States was founded by Juliette Gordon Low in Savannah, Georgia. Inspired by her friendship with Robert Baden-Powell, the founder of Boy Scouts, Mrs. Low brought together 18 girls who became the first Girl Scouts. To commemorate this event, the week of March 12 is celebrated annually as Girl Scout Week.

This year, Girl Scout Week will be celebrated from March 10-16, marking the 79th year of Girl Scouting in the United States. From the original 18 girls, membership has grown to

more than three million girls and adults, making Girl Scouts of the U.S.A. the largest voluntary organization for girls in the world.

Locally, Wau-Bun Girl Scout Council serves over three thousand girls and adults in a five county area. Girls, with help and guidance from their leaders, plan troop activities. Girls are encouraged to try the unknown and challenged to develop their full potential. Whether the girls study ecology or computers, aerospace or photography, they learn it is a wonderful world, filled with challenge and excitement.

This week when you see a Girl Scout, wish her a "Happy Birthday" and ask her what new challenges she has had through Girl Scouting.

Campus Day... Day of Learning Planned

Campus Day 1991 will be held on Tuesday, March 26. This is the 22nd year that UW Extension, Washington and Ozaukee County has sponsored this day of learning.

Participants have the opportunity to hear A. Beth Frost keynote speak on "Survival Skills for the 1990's". Following the keynoter, over 30 classes will be presented in three different time slots.

Some of the courses being offered include: Eat Smart For Your Heart; Color In Your Life; Backyard Birds; Sharing Life's Treasures; The Diet Prescription; Humor; Choose Wisconsin Cheese; Driver Awareness and Middle Essences.

Reservations are on a first come basis. The cost of the day is \$14.00 which includes luncheon, keynote speaker and three learning sessions. Individual sessions are available at \$4.00/session with a catered lunch available for \$5.00.

Registration forms are available from the UW Extension Office located in Room 235 of the Courthouse or by calling 335-4479; 644-5204 or 342-2929. Deadline for registration is March 15.

Coordinators for the event are Mary Fran Lepeska, Ozaukee County Extension Home Economist and Joyce Albrecht, Washington County Extension Home Economist. Registrant for the event is Sandy Lang. The program will be held at the UWWC Campus in West Bend.

Hartford Area Stroke Club to Meet

The Hartford Area Stroke Club will meet on Wednesday, March 20, 1991, at 1:00 p.m. at the First United Methodist Church, 738 W. Monroe Avenue, Hartford.

The program for the meeting will include an open discussion by participants. Refreshments will be served.

The Stroke Club is free and meets the third Wednesday of each month to provide educational and social activities for stroke survivors, their families, friends and caregivers. It is sponsored by the Elder Peer Program of Washington County and Senior Friends Outreach to the Aging in cooperation with the American Heart Association of Wisconsin.

Club activities include self-help discussions, audio and videotapes, talks by health professionals and social outings to help members cope with the physical and emotional aspects of stroke and reach their full potential for rehabilitation.

Members also receive the "Stroke Network" newsletter published by the American Heart Association of Wisconsin.

For more information on the Hartford Area Stroke Club, call 673-5652 or 644-5796.

Accounting Grads Address Moraine Park Students

Judy Mastenbrook, Beth Stoffel and Addie Cassetta, left to right respectively, graduates of Moraine Park Technical College's accounting program, talk about job skills and employment opportunities with current students in the program recently at the college's West Bend campus. Seated at left is Ray Zingsheim, accounting instructor.

Moraine Park photo

Three graduates of the associate degree accounting program at Moraine Park Technical College stressed the importance of education and the need for job-related training when they met with 25 accounting students recently at the college's West Bend campus.

The graduates, Addie Cassetta, Beth Stoffel and Judy Mastenbrook, told the students their Moraine Park educations aided their search for good jobs.

Cassetta, a 1984 graduate of Moraine Park, currently is controller at Lyons Safety, Inc. of Menomonee Falls. She told the students to follow their instincts while searching for a

job. "Be yourself, pursue a position that meets your talents and likes. Above all be flexible and team oriented with a positive attitude toward learning, and you will be successful in the job," she said.

Stoffel, a 1988 graduate of Moraine Park, is a financial accountant at Smith & Nephew Rolyan, Inc. of Menomonee Falls. She spoke of the importance of continuing education and training.

She said students must be willing to tackle problems because problem-solvers are highly valued by employers. Problem-solving skills should be acquired before entering the job market, she said.

Stoffel is close to completing requirements for a bachelor's degree in business administration from Marion College.

Mastenbrook, a 1990

graduate of Moraine Park, is accounting manager for Rite-Way Bus Service in Germantown.

Students need to obtain experience in job-related fields, she said. Mastenbrook advised students to take part-time jobs that have some accounting requirements. "The nature of the work is not as important as the fact that the experience is transferable," she said.

All three graduates emphasized the importance of strong resumes, good interviewing skills and the ability to get along with others in obtaining employment.

The three graduates met with the students on Feb. 13.

Moraine Park offers its two-year degree accounting and one-year account assistant diploma programs at its campuses in Beaver Dam, Fond du Lac and West Bend.

'Twice Pardoned' Film At Campbellsport Church

Harold Morris went from a star athlete to a death row inmate. In this graphic personal account, ex-con Morris relieves the horrors of prison existence as he faced two life sentences on false charges. He exposes prison life and reveals the hurt and humor of "real people" behind bars. Morris' testimony of God's miracles of gaining parole and pardon has a great impact on teens and parents.

The movie "Twice Pardoned" will be presented on Sunday, March 17 at 7:30 p.m. at the Campbellsport Community Center, 163 E. Main. The movie is sponsored by Campbellsport Alliance Church. There is no admission charge. An offering will be taken for the film.

For more information, phone 533-4516.

Campus Notes

Amy Chesalz and Rachelle Zuehlke, students from Kewaskum High School, were among visitors who attended an On-Campus Day on January 25 at the University of Wisconsin-Whitewater.

On-Campus Days give prospective students and their parents an opportunity to learn more about UW-Whitewater. They can visit with students, administrators, and faculty; receive academic counseling and general orientation; and take tours of the campus, including residence halls and classroom buildings.

Letters to the Editor

DISABILITY AWARENESS DAY MARCH 23

Editor, Kewaskum Statesman

The Opportunity League of Washington County Inc. is a self-help organization for persons with disabilities. We advocate for ourselves and other persons with disabilities in the fields of community jobs, housing and transportation. We keep informed with local as well as legislative issues concerning persons with disabilities by attending the various meetings. We speak up at the public hearings for our needs.

March has been designated as Developmental Disability Awareness Month. As part of our local interest, we will have information available at the Disability Awareness Day on March 23, 1991. This will take place at the Paradise Mall in West Bend. Please feel free to stop to see us.

Also as part of our legislative interest, we will be attending the Disability Awareness Day in Madison on April 4, 1991. It will start with a rally at noon at the Capitol. After the rally, we will have the opportunity to meet with our local legislators to express our concerns at present as well as very needed programs and services for persons with disabilities.

The Opportunity League of Washington County Inc. meets

monthly. The West Bend Chapter meets the first Tuesday of the month at Immanuel United Church of Christ from 7-9 p.m. The Hartford Chapter meets the second Monday of the month at Hartford Recreation Department from 7-9 p.m. We have our regular business meeting. Sometimes we have a guest who speaks on a topic which concerns programs and/or services for persons with disabilities. When we have a guest, we have a short business meeting before the guest comes.

At the regular business meetings, we discuss the guests we would like to attend future meetings, various workshops we have throughout the year, our annual picnic in August and our annual celebration in October. Both Chapters have input on all combined events. No meetings are held in August.

Hope this piece of information will be helpful to you to understand the Opportunity League of Washington County, Inc. If you have any questions and/or anything else regarding the organization, please feel free to contact Florence Mineau at 338-0826 or Judy Behlen at 673-2438.

United Way Sponsors Countywide Needs Assessment

A number of business leaders, service providers and citizens in Washington County will be asked to participate in a United Way-sponsored Needs Assessment to be conducted in the next few weeks.

Tom Bast, Chairman of the United Way's Long Range Planning Committee, made the announcement. Bast, who is President of M & I First National Bank in West Bend, also serves on the Board and Campaign Cabinet for United Way.

"In an effort to assess the human service needs and resources in the United Way of Washington County's service areas, we're conducting a three-phase survey," said Bast. The survey is part of the COMPASS program, a needs assessment tool developed by the United Way of America to help local communities determine needs and a plan of action to meet those needs.

Surveys have been developed for these areas: Key Informants, Service Providers and Households Surveys. Key informant and service provider surveys will be sent through the mail. The household survey will be a telephone survey of 200 randomly selected households.

Telephone numbers for the household survey will be picked from a random sampling of the communities of West Bend, Hartford, Slinger, Allenton, Jackson, Newburg and Kewaskum. With this method, the confidentiality of the person interviewed will be maintained. The interview will take 10-15 minutes.

"Information collected will be analyzed and used by the United Way Board to determine funding levels for United Way agencies," said Bast. "The information will also be shared with the public and other service providers in Washington County."

The last United Way Needs Assessment was conducted in 1986 as a joint effort with the United Way of Greater Milwaukee.

"We're excited to be doing this survey on our own," said Bast. "With limited resources and ever-changing needs, we'd like to position the United Way as being more responsive to the needs of people in the communities we serve."

Judie Lewis, United Way of Washington County Board President, concurs. "Every year, our fundraising goals and successful campaigns get a lot

of publicity. Yet, the other critical elements to United Way's success is how well funds are distributed to our agencies," she said.

Lewis continued, "Our fund distribution (allocation) process involves community volunteers reviewing agency budgets, ongoing programs, new programs, and taking a look at who those programs serve. Being able to identify unmet or underserved needs in the county will be another useful tool in the process."

Other United Way volunteers serving on the Long-Range Planning Committee are: Jerry Aman, Donald Ryd, Tom Bergerud, Louise Ratzel, Carol Vetter, Marjorie Krueger, John Gonring, Rose Petite, and Brenda Yeager. The study is being coordinated by the United Way staff, which is led by Executive Director Barbara Hurula.

Citizens who receive a mail or telephone survey are encouraged to participate.

"Many other United Ways have successfully used this process and applied its results to their communities," concluded Bast. "The United Way of Washington County is hoping for similar results, by investing time and resources into the project. The survey results will be useful for many years to come."

For more information on the Needs Assessment process, call the United Way office at 338-3821.

Day Camps for Youth to Return

Each summer the Cedar Campuses, West Bend, holds day camps for youth ages 8 to 13 years with older adults participating.

"These day camps have been thoroughly enjoyed - by the youngsters and the retired folks who attend," shares Kathy Nyhof, Campus Teacher and coordinator of the camps.

Last year the horsemanship day camp was so popular that this summer two camps will be held. "Because so many parents expressed an interest in attending the horsemanship day camp as well, we'll offer two parent-child horsemanship day camps," tells Nyhof.

To enable working parents the opportunity to attend, one camp will be held the week of June 24 - 28 from 6:00 p.m. to 9:00 p.m. The camp will be repeated July 8 - 12 from 8:30 a.m. to 11:30 a.m. The Friday of both horsemanship camps will have a special time for families to observe camp learning.

The horsemanship camp fee is \$45 per person, \$35 for the second child and \$25 for each additional child. Both youth and adults may be enrolled for both camps.

A third day camp this summer will feature old-fashioned crafts such as maybaskets, spool weaving, candlemaking, ice cream making plus more. It will be offered July 15 - 19 from 9:00

a.m. to 3:00 p.m. In addition to crafts, participants will enjoy a wide range of recreational activities.

For the crafts camp, children pay \$56 for the first child, \$46 for the second child and \$36 for each additional child.

A Drama day camp is new this year. As an intergenerational camp, youngsters and older adults will learn the skills and the fun of acting and will help present a play production of the beloved "Horton Hatches the Egg." It will be offered August 5 - 9 from 9:00 a.m. to 3:00 p.m. Cost for this camp is \$50 for the first child, \$40 for the second and \$30 for each additional child.

Supervised activities before and after the crafts day camp and the drama day camp is available for a slight additional charge.

"Day camps have been great learning experiences for both the youth and the adults. Plus they are a lot of fun," Nyhof shares. "You'll often see grandparents and grandchildren enjoying themselves at the same day camps. It gives them an opportunity to be together and to get to know each other better. Sometimes the grandchildren stay at the grandparent's home."

For more information, call the Cedar Campuses Education Department at (414) 334-9487 or (Milwaukee) 276-4370.

Kindergarten Children Need Booster Dose of Measles-Mumps-Rubella Vaccine

The Washington County Community Health Nursing Service reminds parents of children aged 4-6 years - entering kindergarten in fall 1991 - that a second or booster dose of measles - mumps - rubella (MMR) vaccine is required prior to school entry. The first dose of measles - mumps - rubella vaccine was routinely given at 15 months of age.

Students in grades 1, 6, 7, and 12 are also required to have received a second dose of measles - mumps - rubella vaccine prior to the beginning of the 1991-92 school year. The additional grade requirement will help "catch up" the older students.

The personal immunization record of all students must include the month, day, and year when the two doses of measles - mumps - rubella vaccine, and all other immunizations, were given. The first dose of measles - mumps - rubella vaccine must have been

given on or after the student's first birthday. If the first dose was given before the first birthday, the student must repeat that dose.

Waivers are available for medical, personal conviction, or religious reasons. However, students with waivers may be excluded from school in the event of a disease outbreak and may remain excluded until the outbreak subsides.

The two dose requirement was developed from recommendations by the American Academy of Pediatrics and the United States Public Health Service. The second dose will protect those who did not develop immunity from the first dose, and those whose immunity has lessened over time.

For more information, contact your family physician or the Washington County Community Health Nursing Service, 432 East Washington Street, West Bend. Telephone: 335-4462, 644-5204, or 342-2929.

Governor Thompson proudly displays the 1991 edition of the Easter Seals that was presented to him by Ghinnah Rowin, left, and Patricia Cross, right, the 1991 Wisconsin Easter Seal Society ambassadors. As ambassadors Ghinnah, of Chippewa Falls, and Pat, of Shawano, appeared on the Easter Seal Telethon March 2 and 3 and represent Easter Seals at many disability awareness and fund raising events.

Campers with disabilities, like 14 year old Lucas Osmond, can attempt outdoor challenges at Easter Seal Camp Wawbeek and Pioneer Camp. Activities are well supervised, with a camper to staff ratio of two to one. Sessions include swimming, cookouts, campouts, archery, nature rides and more and are open to people with disabilities age 8 to older.

Apply Now for Easter Seals' Summer Camps

For hundreds of Wisconsin residents with physical disabilities, summer means Easter Seals' summer camp. Now is the time to apply to attend those camps, according to Delores Harder, Washington County camp Chairperson for the Easter Seal Society of Wisconsin.

The Easter Seal Society of Wisconsin runs two camps for children, teens and adults with physical disabilities. Camp Wawbeek and Pioneer Camp are located on a 400+ acre wooded site one-half mile north of Wisconsin Dells.

Camp Wawbeek offers one or two-week sessions for campers from 8 through adults, with programs of swimming, campouts, cookouts, archery, crafts, and much more to its campers.

Pioneer Camp offers a two-week session for campers from 10 through 18, and a two-week session for campers 19 and up who participate in challenge and adventure programs such as canoeing, extended campouts and the ropes courses.

Sessions at both camps are organized by age groupings.

WAWBEEK SCHEDULE

Session #1 Ages 19 - 40*, June 16 to June 21.
Session #2 Ages 14 - 18, June 23 to July 4; Session #3, Ages 8 - 13, July 7 to July 18, Session #4, Ages 21 - Up*, Multiple Disabilities, July 21 to July 26; Session #5, Ages 41 - Up*, Physical Disabilities, July 28 to August 2.

*Adult age ranges are more flexible; these are only a guideline.

PIONEER SCHEDULE

ADVERTISING PRODUCTION ASSISTANT

We are a leading housewares manufacturer looking for a well-rounded person for a challenging position in our corporate advertising dept. located in a quiet village in the heart of the Kettle Moraine. We are seeking someone with a bachelor's degree, or an associate's degree in graphic arts, with one or two years hands-on experience. Desktop publishing experience a plus. You will use a Macintosh for many assignments. You will assist with a variety of advertising production assignments specializing in customer advertising materials, including price lists, glossies, slicks, and stuffers; coordinate projects and do some purchasing for the department. You must be able to handle multiple projects and deadlines simultaneously and be a team player.

Qualified candidates send resume today (no phone calls) to:

Regal Ware, Inc.

Attn: Human Resources

1675 Reigle Dr., Kewaskum, WI 53040

Equal Opportunity Employer MFHV

Minutes of Village Board Meeting

Regular Meeting
March 4, 1991
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the minutes of the February 18, 1991 meeting were approved as printed.

Chief of Police, Richard L. Knoebel informed the Board that he had received a number of calls regarding the intersection of Braatz and Western. Mr. Randy Schickert of 370 Braatz Drive was present and asked the Board for the placement of stop signs at the intersection to prevent any accidents. The Board turned the matter over to the Protection and Public Safety Committee for a recommendation.

Chief of Police, Richard L. Knoebel reviewed with the Board the 1990 Police Department Annual Report. The report reflected favorable statistics regarding the performance of the Police Department.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechar and unanimously carried by voice vote, the Board approved the building permit for Stephen Van Ess for a new single family home 325 North Avenue. The office was authorized to issue said permit upon proper payment of fees. The Building Inspector and Zoning Administrator have approved the plan.

Administrator Daniel S. Schmidt reviewed some correspondence with the Board as follows:

1. Review of budget control sheet for the period ending December 31, 1990 and the possibility that the auditor may be present at the next meeting to review the 1990 audit with the Board.

2. The Board was informed the Village received the 1990 franchise fee from Star Cablevision in the amount of \$5,870.90.

3. The Board was also asked if they wanted to address the winter parking restrictions.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board lifted the winter parking restrictions effective immediately. It was noted that if a snow storm warrants, the Village President or Administrator may declare a snow emergency requiring all vehicles off the streets.

On a motion by Trustee Robert Beisbier, seconded by Trustee Larry Williams and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$718,370.06
Sewer	57,007.99
Water	35,029.49
Payroll	22,548.80
Total	\$832,956.34

P/R	Check	#2414-#2473
A/P	Check	#3037-#3127

Chairman of the Protection and Public Safety Committee, Trustee Robert Beisbier indicated he would get a Committee Meeting scheduled to consider the placement of stop signs at the intersection of Braatz Drive and Western Avenue prior to the next Board meeting.

Chairman of the Park and Recreation Committee, Trustee Thomas McElhatton indicated he felt bad for the community if indeed the NE Diamond would not be used for softball this year. He reviewed the two advertisements for the use of the facilities and asked for the Board's support. A general comment was then made by Trustee Thomas McElhatton regarding the letter to the editor. He indicated the article contained a lot of incorrect and one-sided information, with the bottom line being the Softball Association not living up to the signed Agreement with the Village of Kewaskum. Five letters were sent asking them to comply with item 7 of the Agreement requiring them to turn over annual books, records and reports pertaining to matters of the finances and program of the Association. To date this has not been done, which means in summary they created their own problems.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechar and unanimously carried by voice vote, the Board authorized the placement of the two advertisements pertaining to the NE Diamond.

Board Representative for the Library Board, Trustee Gary Gavin informed the Board that the Libraries circulation is picking up and that the reason it had been down was because the two parochial schools were not utilizing the facility as much as they had the prior year. February was up by 250 from January.

President Mary Krueger indicated that the Board was to discuss the area being considered for the sidewalk repair and replacement 1991 program. That area as previously stated is all of the village east of the Milwaukee River. There would be ap-

proximately 108 properties involved. Administrator Schmidt reviewed a map of the area and brought up for discussion three areas which involve more than just replacement. (The NW corner of Riverview Drive & Main Street, the south end of Riverview Drive along the RHP and Hon-E-Kor, as well as the east end of Main Street north side along the cemeteries). The board discussed the Main Street area in more detail after which they directed the Administrator to prepare the Preliminary Resolution so as to include all parcels. It was also noted that the Board has the option to remove any parcel without any real problem up until the adoption of the Final Resolution which occurs after the public hearing.

Discussion was held on the proposed regular hourly employees, part-time employees and management/supervisory employees wages/salaries for 1991 as recommended through the Job Study. Several village employees disagreed with the findings and voiced concerns in reference to the Job Study. The Board opted to table the matter until some additional information is gathered for the Board to review.

On a motion by Trustee Kenneth Bonlender, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board tabled action on the wages/salaries for 1991 and acceptance of the job study implementation, until such time as additional information is received. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Gary Gavin, seconded by Trustee Kenneth Bonlender and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85 (1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Daniel S. Schmidt
Administrator

TOWN OF KEWASKUM TOWN BOARD MEETING

The Kewaskum Town Board will meet Monday, March 18, 1991, at the Labor Hall, 1230 Fond du Lac Avenue, Kewaskum, immediately following the Plan Commission meeting at 7:30 p.m.

The agenda is as follows:

1. Take action on Certified Survey Map of Jim Korth.

Washington County Receives Grant

Forty-six residents of Washington County have received individual grants totaling \$99,875 for the replacement of failed septic systems in 1990. The money has been made available by the Wisconsin Department of Natural Resources program known as the Wisconsin Fund.

Since the Washington County Board agreed to participate in the annual round of grants in 1980, 717 failed systems have been replaced in Washington County, representing a State inflow of \$1,483,684.74 into the Washington County economy. The surface waters and ground waters of the County have been spared from the continuing human waste and chemical

contaminations that had been flowing from those systems.

County Land Use and Park Department Administrator Paul Mueller reports that citizens and plumbing contractors alike are relatively pleased with the program which offers up to \$7,000 toward the replacement of a failed septic system.

Residents who are interested in more information about the program are encouraged to inquire at the Washington County Land Use and Park Department in the Courthouse or by calling 335-4445 from the West Bend area, 342-2929 ext. 4445 from Milwaukee Metro, or 644-5204 ext. 4445 from Hartford/Slinger.

SPECIAL SCHOOL BOARD MEETING

The Kewaskum School District School Board will hold a Special School Board Meeting on Monday, March 18, 1991 at 7:00 p.m. in the school district administrative office, 1450 School Street, Kewaskum.

PROPOSED AGENDA

1. Call meeting to order-President Weare
2. Adjourn into Closed Session as per 120.13(1) (c). Topic of discussion will be a student expulsion hearing.
3. Adjourn

Sun Circles and Medicine Wheels... Evidence For Ancient Astronomers in Fond du Lac County

Most people are familiar with Stonehenge, the megalithic wonder located on Salisbury Plain in England. Not as many people are familiar with the fact that it was built in stages over a period spanning more than a thousand years or that its true function was as a calendar laid out in rock with which ancient astronomers tracked the yearly movements of the sun and moon. Still even fewer people realize that Stonehenge has its counterparts in North America, some of them just as old, and one of them located right here in Fond du Lac County.

The Fond du Lac County complex of stone circles and other intentionally placed rock configurations, called petroforms, is the Krug-Senn site or Krug site. It is codified by the Wisconsin State Historical Society as (47-Fd-274). The area in which the petroforms are located has been the focus of four years of archaeological field work and geophysical investigation. The largest stone circle has been the object of much of the research. The circle was first discovered by Herman Bender of Fond du Lac in September, 1986, when he literally tripped into it while accompanying the property owner, Robert Krug of Campbellsport.

A preliminary report of the known archaeological features was first reported publicly in the spring of 1989. At that time, Bender, using a map produced by Franklin Farvour of Ripon and himself, predicted that the Krug site main circle was astronomically aligned to solstice and equinox sunset and/or sunrise positions. Actual observations were needed to verify these predictions.

From the very beginning, Jeffrey Behm, the archaeologist at the University of Wisconsin - Oshkosh, was assisting in some of the field work and gathering information for himself and Bender on similar sites scattered throughout North America. The purpose or function of the circles of stone, known collectively as medicine wheels or sun circles, eluded investigators until 1974 when an astrophysicist, John Eddy, of Boulder, Colorado, discovered the astronomical alignments present on many of the major medicine wheels in the Rock Mountain area. After Bender reviewed Eddy's work and that of archaeologists working on petroforms near Lake Winnipeg in Canada, he proposed that the Krug circle was also a sun circle / medicine wheel.

Now, two years later, Herman Bender will present a slide talk showing the sunset observations and other field work needed to support his early predictions. Slides will show how the sun circle actually furnished its prehistoric observers with the information

necessary to determine such things as the first day of summer which is the longest day of the year, the first day of winter, the shortest day of the year, and the first days of spring and autumn. Bender will also show some of the additional petroforms found during the last year and discuss what may be a continental link between the Krug petroform site and other known medicine wheels and petroform areas. The number of recognized petroform or rock arrangements on this site makes the Krug-Senn property the second most complex site of its kind known in North America.

The program will be present-

ed at the UW-Fond du Lac Student Center Building, beginning at 7 p.m. on March 19. The public is invited. There is no charge for admission.

According to Bender, if details are handled in a responsible manner, there is a great potential for developing what could become one of the premier tourist destinations of southern Wisconsin. As he says, "This captivates the imagination. People are interested in visiting the site for a variety of reasons." If he takes a trip to the Soviet Union in the future, Bender has been invited to lecture on his findings before the Siberian Division of the Soviet Academy of Sciences.

Wisconsin IRS Issues a Warning About 'Family Trusts' and Taxes

A form of illegal tax shelter last seen in Wisconsin in the 1970's is reappearing. And the IRS is warning taxpayers not to be taken in.

According to John T. Ader, who heads the IRS in Wisconsin, the warnings involve so-called family trusts. The trusts are known by various names, such as rural survival trusts, farm survival trusts, agricultural trusts, family estate trusts, or constitutional trusts.

Ader says the IRS is sending letters to everyone it has identified as a purchaser of a family trust. The letters will tell those people that the income tax advantages claimed by the people selling those family trusts do not exist.

According to Ader, sellers entice people to buy a family trust by telling them that it can be used to make their personal living expenses (such as food, clothing, and housing) tax deductible. Such expenses are not deductible, says Ader.

Ader puts it bluntly. "If you claim the alleged benefits of a family trust," he says, "you can expect to be audited." If the audit proves the improper deductions, the taxpayers will owe the additional taxes due, plus interest and penalties. Ader adds that the IRS is sharing this information with the Wisconsin Department of Revenue, which means taxpayers could be facing two audits.

In the late 1970's, says Ader, the IRS in Wisconsin reviewed the tax returns of hundreds of people involved in protest activities or schemes. The result: the IRS assessed millions of dollars in additional taxes and interest and penalties against those people. Those actions seemed to put the sellers of the trusts out of business at the time. However, the IRS has learned that family trusts were again being sold in Wisconsin in 1989 and 1990. Reports were especially heavy in the Western part of the state,

around LaCrosse and Eau Claire. But reports have also surfaced in virtually every area of Wisconsin.

Sellers of the trusts often advise prospective buyers to transfer the ownership of all of their assets (including their home, farm or other business, cars, bank accounts, and all other personal belongings) to a family trust. The trust is then to be managed by the family members as trustees, in the same way that they would manage their family and business affairs. The sellers claim that all expenses paid by the trust (including personal items such as housing, food and clothing) are deductible for income tax purposes. They also claim that no taxes are due when property is sold by the trust. Ader says there is absolutely no legal basis for these claims. "Some purchasers are even led to believe that they no longer have to file a federal income tax return if they put all of their assets into a family trust. This is also false," says Ader. He adds that "people who do not file returns will be pursued by the IRS."

Anyone who has questions about a family trust and wishes to discuss it further can contact the IRS at (414)297-1642.

IRS Provides Info on IRAs

If you're not sure whether you can deduct your contribution to an Individual Retirement Account, the Internal Revenue Service says, here is some information that may help.

If you are not covered by a retirement plan at work, the IRS says, you can still deduct your entire IRA contribution. This is true regardless of how much money you make. Ordinarily, you must have earned income of some kind either from running a business or working for

Girl Scout Summer Camp

Girl Scouts of all ages enjoy summer camp.

Summer camp is an experience that girls remember all their lives. Our excitement is growing as the new camp season approaches.

Attend one of the camp promos and learn all the opportunities we have this season. March 12, Farmington School, 7:00; March 14, Wayne School, 4:30 and March 19, Kewaskum Labor Center, at

7:00.

See slides and learn all about our camps. Leaders will also be available to register you for Day Camp at that time, so bring your parent.

Non-scouts and adults are also welcome to come and register for our Summer Camps.

See you there, Sharon Shaw, Day Camp Director.

.....

someone else.

But, if you are covered by a retirement plan at work, the IRS says, the size of your income as well as your marital status will affect how much, if any, you can deduct. If you are single and your adjusted gross income (AGI), with some modifications, is \$25,000 or less, you're still eligible for a full IRA deduction of up to \$2,000. If your income is higher - between \$25,000 and \$35,000, the limit on your IRA deduction is reduced. At \$35,000 and above, the IRA deduction disappears.

A similar limitation applies to a married couple filing a joint return where one or both spouses are covered by a retirement plan at work. If the couple's modified AGI is \$40,000 or under, the full IRA deduction is available. From \$40,000 to \$50,000, the deduction is phased out. And, at \$50,000 and above, the deduction is gone. Special rules apply to a married person filing a separate return.

Your tax package contains two worksheets that can help you figure the right amount to deduct. IRS Publication 590 has more information on IRA's. To get a free copy, call the IRS toll-free at 1-800-TAX-FORM (829-3676).

Local KMS Boys Aid Team in Second Place at State

Pee Wee Dynamos — Left to right, Mark Schairer, Chris Werni, John Kempainen, Scott Muckerheide, Kevin Behringer, Yuri Nielsen, Jesse Terlinden, Harley Dempsey, Aaron Grundahl. Kneeling in front is Alex Kain.

Washington County Youth Hockey Association is very proud of their 7-up Pee Wee Dynamos after they brought home a 2nd place trophy from the Wisconsin Amateur Hockey Association State Tournament on March 2 and 3. Local KMS boys, Mark Schairer and Jesse Terlinden, both 6th graders, are teammates on the Dynamos team.

After defeating Lakeland 6-5 in the tournament opener and their semi-final victory thriller over Waunakee 5-4, the Dynamos brought home 2nd place honors after losing the title game to Grantsburg 5-2. The Dynamos held Grantsburg to their lowest scoring game in the tournament. It was an exciting finale to a year sporting two first place tournament wins in River Falls and Northfield, MN and a third at Janesville. The Dynamos wound up 20-12-2 for the year.

Setting the mood for an exciting day, the Dynamos were treated to a limousine ride to the championship game in Waupun by their coach, Bob Allen and his wife, Ann. They were greeted back in West Bend with a police escort through town ending at Dick's Pizza for a pizza party with the team and families.

Backyard Birds Workshop Set

William K. Volkert, Wildlife and Ice Age Naturalist for the DNR will explore the variety of birds known to Wisconsin and which ones might be visitors to our backyard at one of the sessions at the 1991 Campus Day, which will be held on Tuesday, March 26.

He will also discuss what can be done to attract and benefit a variety of birds around the home and how to design a backyard wildlife plan. Information will be made available plus numerous references to help you get started or improve what you already have.

Registration information is available from the UW Extension Office, Courthouse, Room 235 or by calling Sandy Lang at 335-4479; 342-2929 or 644-5204. Over 30 sessions are being offered at the day of learning.

Green Bay Perch Bag Limit Lowered from 50 to 25

MADISON, WI — At the urging of both sport and commercial fishers, the Natural Resources Board passed an emergency order reducing the yellow perch bag limit on Green Bay from 50 to 25 fish per day, said Lee Kernan, Fisheries Management Director for the Department of Natural Resources.

Board members voted unanimously in favor of the bag limit reduction at a telephone conference call board meeting held Monday, Feb. 11. The emergency rule took effect Thursday, Feb. 14, 1991.

Brian Belonger, DNR fisheries manager in Marinette who is responsible for the Green Bay perch fishery, said extremely favorable ice fishing conditions during the first three months of 1990 made unexpected high sport fishing catches possible last year.

"We estimate that ice fishermen on Green Bay caught more than two million perch during the 1990 ice fishing season. And fishermen are having similar success in 1991," Belonger said. "We have been rebuilding the perch population in Green Bay since the early 1980s, but two big winter harvests back to back could damage the recovery effort and lead to poor fishing in

the future.

"About 50 percent of the perch being caught now were spawned in 1986, when water temperatures in the bay were ideal. We haven't had those ideal conditions since then and the fishery is depending too much on mature perch from that year. In addition a majority of the fish being caught are females."

Belonger estimates that the bag limit reduction approved by the Natural Resources Board will save 140,000 mature perch.

Kewaskum Kids Wrestling Club

Learn the basics at wrestling practice on Monday and Wednesday nights from 6:00 to 7:00. It is open to students from kindergarten through eighth grade.

Practices will be held at the Kewaskum High School gym. Tournament information will be available.

Practices are scheduled to run through April 3rd. Call 626-4687 for further information.

Express Delivery Sends Kewaskum Lakers Reeling

OCONOMOWOC — The Oconomowoc Express remained within a half game of first-place Thiensville-Mequon by trouncing Kewaskum, 153-122, here Sunday night. The win upped the Express' record to 8-3 and sets up their showdown game with the Ferrantes next Sunday. Kewaskum remains in the basement at 1-8.

The Express jumped to a 40-28 lead at the quarter, but Kewaskum narrowed it to 74-65 at halftime. The lead widened to 112-98 after three quarters before Coony poured it on in the fourth.

The Express hit on 11 of 15 free throws for 73.3 percent, while Kewaskum was seven of 12 for 58.3 percent.

Cole Braun led seven Express players in double figures with 45 points. Craig Jenny added 23 and Andy Wolters 22. Randy Tennes poured in 49 points for Kewaskum, Dan Pase added 35, and Dan Gibbon 17.

Kewaskum takes on Menomonee Falls Hebbing Hotel in their final home game this Sunday at 7:00 p.m. at the high school fieldhouse.

Fleischman Named to 2nd Team Felix Selected to All Conference First Team

By Statesman Sports Writer

KEWASKUM — Logic would probably tell you that a 6-2 forward more than likely wouldn't lead a basketball conference in total rebounds.

But it happened this year in the Eastern Wisconsin Conference, and for his hard work and dedication, Kewaskum's Mark Felix was rewarded by being named to the EW's all-conference first team.

Despite rarely being the tallest player on the court, Felix used his jumping ability and nose for the ball to grab a league-high 106 rebounds. Felix also did the job on the offensive end, scoring 208 points, for a fine 17.3 average, to finish third in the league in scoring.

Leading the EW in scoring was Plymouth's all-star guard Gabe Miller, who accumulated 336 points (28.0 ave.) in garnering the coaches choice as the league's Player of the Year. Also named to the first team were Brian Miller (Two Rivers), Pat Juckem (Chilton), and Eric Klapperich (New Holstein).

In addition to leading the league on the boards, Felix also had the distinction of leading the EW in free throw attempts, once again showing his intensity. Felix, the lone senior on this year's Indian squad, shot a respectable 45 percent from the field.

Another Indian, junior Joel Fleischman, was chosen for the second team all-EW. The 6-1 forward ended up fifth in the conference scoring race, totaling 197 points, a 16-8 average. Fleischman showed his shooting touch by hitting 51 percent of his tries from the field, and 80 percent of his attempts from the line.

After scoring 28 points against Chilton in the conference opener, Fleischman got the attention of the opponents defenses, but still managed to post some impressive numbers. Included in his stellar effort was a game-winning three-pointer in the closing seconds at Plymouth, which snapped the Indians long losing streak on the Panthers' home floor.

Doherty Named to EW Second Team

By Statesman Sports Writer

KEWASKUM — The Kewaskum girls basketball team may have finished second-to-last in the Eastern Wisconsin Conference standings this past season, but at least one Indian had an exceptional enough season to be named to the second team all-conference squad.

Senior forward Nicole Doherty got the nod as one of the EW's best, as she was named to the second team spot. Doherty finished the season leading the EW in total rebounds with 134, compared to second place finisher Tracey Winkler of Chilton, who grabbed 127.

Doherty was also among the league's leading scorers as she poured in 125 points on the year, placing her fifth in the conference. Plymouth's Heather Kulow won the scoring title with 180 points.

Joining Kulow and Winkler on the first unit were Two Rivers' Kelly Zahn and Denee Prausa, as well as New Holstein's Ann Lautenslaeger.

Chilton's revitalized girls team won the EW title, beating Two Rivers in their final game to finish with a 11-1 conference mark. The Raiders were second with a 10-2 record.

Kewaskum Statesman, Thursday, March 14, 1991, Page 20

Kewaskum Police Department to Sponsor Hunter Education Course

Richard Knoebel, a Wisconsin DNR Certified Hunter Safety Instructor, invites all young people interested in hunting and recreational shooting to enroll in Wisconsin Hunter Education course. The course will begin Saturday, April 6, 1991, and will be held in the Village of Kewaskum's community room, located at the Kewaskum Municipal Building and is sponsored by the Kewaskum Police Department. Students must be 12 years old or reach 12 prior to the end of the year in which the course is taken. There is no maximum age, and parents are also encouraged to enroll and participate.

Advanced registration is required and the class size is limited. Please contact Richard Knoebel at 626-4311 for details.

Persons successfully completing the course will receive a distinctive embroidered emblem and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces.

Young students certified will also be able to hunt and use firearms without parent or guardian present at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Long Lake Fishing Club Nominated for Award

The Long Lake Fishing Club, Dundee has been nominated as a possible recipient of the state Department of Natural Resources' annual Stewardship Award. The nomination was submitted by three DNR managers.

The Stewardship Award winners will be announced at the annual Lakes Convention, April 5-6 in Stevens Point. Various awards are presented from a list of nominees which include individual volunteers, clubs, management districts or associations.

The award recognizes efforts that coincide with the DNR's Inland Lake Renewal Program, honoring individuals, clubs and other organizations for efforts to aid in the preservation of Wisconsin's inland lakes.

The nomination for group consideration for the Long Lake Fishing Club came after the Horicon managers sent a letter to the Stewardship Award Committee in Stevens Point. In the letter, Mark Sasing, Area Water Resource Manager; James Congdon, Area Fisheries Manager; and Bill Volkert, Area Wildlife/Ice Age Naturalist, listed their reasons for making the nomination.

The Club's action have strongly reflected a co-management philosophy. It can take credit for establishing successful partnership with the goal of preserving and restoring the integrity of Long Lake. The Long Lake Fishing Club has been responsible for the following developments:

- * Independently publishes a quarterly newsletter, the Long Lake Legend, which not only promotes fishing but also serves as an I+E vehicle for resource management issues such as water quality and use conflicts.

- * Co-sponsored with the DNR a user survey to identify and

prioritize use and water quality issues on Long Lake.

- * Participates in the self-Help Volunteer Monitoring Program.

- * Co-sponsored a septic system survey and trophic modelling effort which investigated in-ground wastewater disposal as a nutrient source.

- * Independently finances the planting of gamefish as a supplement to state planting programs.

- * Co-sponsored with the DNR the installation of walleye spawning reefs.

- * Organized and facilitated a "purple loosestrife control project" with the objectives of controlling and tracking loosestrife populations around the lake and in the watershed.

- * Co-sponsored a University of WI/DNR research study relating to fish harvest and population structure.

- * Most importantly the Club sponsors and participates in events and activities which enhance the community spirit and reinforces a philosophy of stewardship locally and beyond.

The club has been active for seven years and includes approximately 400 members. The president, Dick Edwards, has served as a catalyst for the group with the active assistance of his wife, Marilyn. Together they edit and coordinate the newsletter.

In addition to the activities in the letter, many of which are ongoing, we have committed to starting the crib program in 1991, a (\$500 to \$1,000) scholarship at the College of Natural Resources in 1991 and a cooperative Fyke Net survey (\$3000) in 1992.

April's Lakes Convention will include hundreds of people representing lakes from throughout the state of Wisconsin.

★ WANTED ★

A local group, organization or individual to organize and manage adult softball league play within the Village of Kewaskum. The Village of Kewaskum has a fenced, lighted diamond with concession building available for league play on Monday, Tuesday and Thursday evenings at Kewaskum Kiwanis Community Park. Submit a written proposal for the diamond, concession building or both by April 15, 1991. Send or deliver to Village of Kewaskum, 204 First St., P.O. Box 38, Kewaskum, WI 53040. (414) 626-8484.
