Tragic Shooting Accident Claims Life of Wayne Youth

JOEL REINHEIMER

By GERRY MUELLER

Saturday must have been a day Joel Reinheimer of 8057 Town Line Road, Town of Wayne, was looking forward to

with great anticipation. He was to have had an author's autographing session at the Waldenbooks store in Brookfield Square, Brookfield, for his first published book, "The Adventures of Squeek the Rabbit." The book was a story of a city rabbit who flees to Canada to find open spaces, clean air and enough food to eat.

The day instead turned out to be one his family probably wishes it could forget. Rather than signing autographs, the 15-year old youth was in Froedtert Memorial Hospital's intensive care unit where he died of an apparent accidental gunshot wound suffered Friday morning. Reinheimer was originally transported to St. Joseph's Community Hospital, West Bend, then taken by the Flight for Life helicopter to Froedtert.

According to reports,

Reinheimer was shot in the forehead at his home when a 14-year old friend accidentally discharged a .22 caliber handgun while trying to unload it. The gun was apparently part of a collection owned by Reinheimer.

Joel was a student a Kewaskum High School and a member of Future Farmers of America. He had planned to pursue a career with the Department of Natural Resources.

The family runs Wyndmist Boarding Kennel.

The Washington County Sheriff's Department and District Attorney's office were continuing to review the incident.

A donation fund for the family has been established at Team Video, Kewaskum.

An obituary is on another page.

Upset in Town of Auburn

Weare Re-Elected; Goeden is New Member of School Board

By GERRY MUELLER
Statesman Staff Writer

As expected, voter turn-out for Tuesday's election was very light. In the Village of Kewaskum, only 25 percent of the electors went to the polls.

Unofficial totals for the Kewaskum Village Board were as follows: for president, Mary Krueger unopposed 292, incumbent trustee Bob Beisbier 281, incumbent trustee Mark Vechart 243, and write-in Robert Wagner 66.

In the townships of Farmington, Kewaskum and Wayne, all the candidates were elected unopposed.

In the Town of Auburn, there was an upset with challenger Harry Knoelke defeating incumbent Roger Schleif for the post of chairman. For the supervisors' posts, incumbent Ken Jandre and challenger Dennis Fronek

defeated incumbent Ervin Seifert and challenger Gilbert Salm.

In the Town of Scott, all the incumbents won. Incumbent supervisor Dale Burke defeated challenger Floyd Klug in Ward #1. Also a surprise, a last-minute write-in candidate for constable, Wayne Utsby, won the position over the two announced candidates David Mount and Jody Rosio.

For the Kewaskum Board of Education, incumbent Neal Weare retained his position with 787 votes. Write-in, and former board member, Jean Goeden narrowly defeated another write-in, Ray Engelking, 411 to 389, for the second open seat on the board.

The state referendum on the State Constitution was defeated statewide. In Washington County the vote was 8,994 'no' to 4,102 'yes'.

Augie Bilgo Planning to Retire

More Revisions for Kiwanis Park Contract

By GERRY MUELLER
Statesman Staff Writer

Monday night's session of the Kewaskum Village Board had a light agenda with the major topic of discussion being the contract between the village and the new Kewaskum Athletic Association.

The seven-page contract covers 27 points and 7 sub-points concerning the operation of the Kiwanis Park ball diamonds and concession stand for 1991.

While the board was in general agreement with the one-year contract, there were a few points the trustees felt needed clarification. The board directed Village Administrator Dan Schmidt to follow through on the revisions and return the contract for a final review and approval at its next meeting.

Water Pollution Control Superintendent Pete Albers asked if the village had heard anything about the sludge storage study. Schmidt said he had hoped to have something in time for the meeting, but all he had received so far was a partial bill. He said he thought there should be a report available by the next meeting.

Trustee Gary Gavin advised the board that library usage was again on the upswing. He also said that the library had received a donation of \$200 from the Kewaskum Kiwanis

for the summer reading program.

Gavin, who is also the board's representative on the County Incineration Committee, said he had heard nothing lately regarding the progress of the county's incineration program. Schmidt said the latest he had heard was that there had been contact with the firm doing the study. "From what I've read and heard from other sources," said Schmidt, "is that it looks slim to nil to even get a permit because the Environmental Protection Agency (EPA) keeps changing the regulations."

Schmidt said that some decisions are going to have to be made in the near future. "Even burn barrels are going to be illegal by 1995, so I don't know where they expect us to go with the refuse."

The board also reviewed two bids received for the repair of the River Hill Park bandstand. Heberer Bros. Construction submitted a bid of \$4,750, and Jim Schaub Construction a bid of \$3,532. Because there were some differences as far as materials to be used between the two proposals, the trustees felt they were not comparing 'apples to apples'. The board decided not to take any action and turned the bids over to the Public Works Superintendent to clarify the proposals with the two contractors.

The board approved three

resolutions at the meeting. A preliminary resolution, concerning the 1991 sidewalk repairs program, covers 136 properties and 2.4 miles of sidewalk proposed for repair or replacement. A public hearing will be scheduled for that resolution before any formal action is taken.

The board approved the purchase of fireworks for the July 3rd display at a cost of \$2,438. The package contains a few more pieces than the basic package normally purchased by the village.

The board also approved a proclamation recognizing the week of April 21-27, as River Awareness Week.

In miscellaneous business, Board President Mary Krueger read a letter from Public Works Superintendent Augie Bilgo that he intends to retire as of June 30, 1991.

The board then adjourned to closed session.

KHS Report Cards To Be Issued

Report cards for the third quarter will be distributed during the parent-teacher conferences April 9, 1991. Conferences are scheduled for the hours of 6:00 p.m. to 9:00 p.m. Appointments are not necessary.

Panic-Calls Tie Up Phone Lines During Recent Storm

The movement of severe storms through Washington County, and the triggering of warning sirens in response to funnel cloud sightings in Dodge County, caused problems for sheriff's dispatchers last Wednesday (March 27).

As soon as the county's warning sirens were activated, the phone lines at the Washington County Sheriff's Department became jammed, as callers asked what was happening.

Residents are urged to tune to local radio stations for emergency weather information, which they receive directly from the National Weather Service. Phone lines at the sheriff's department must be kept clear for persons reporting emergencies, which is a critical function when severe storms are moving through the area.

Robert H. Schulteis,
Sheriff

Construction Started on Hwy. 45

Road construction is expected to start the week of April 1, 1991 on the replacement of structures over the Milwaukee River and one of its tributaries just north of Kewaskum. The work will consist of constructing a new bridge over the Milwaukee River just west of the existing bridge and replacement of a box culvert on the north side of Kewaskum.

The work will be performed under a contract let to Lunda Construction Company of Black River Falls, WI at an estimated cost of \$425,600. Financing will be 100% State Funds provided primarily by gas taxes.

STH 45 will be closed to through traffic during construction operations, with access only to local property owners. It is anticipated that it will be closed the week of April

1, 1991 and will be reopened June 15, 1991. A marked detour will follow CTH "H", CTH "W", and STH 28.

Every possible effort will be made to provide continuous and safe access to all business and residential properties during this reconstruction, but pedestrians and motorists are urged to use caution in the construction zone.

Indian Track Teams Open Seasons

By Statesman Sports Writer

KEWASKUM — After a banner season last spring in which several members made a trip to the state meet, the Kewaskum girls track team will be looking to duplicate last year's success as they open the 1991 campaign.

Last year's group of athletes won four major meets, as well as taking home the team titles in the WIAA Regional and Sectional meets. And with the majority of those same athletes returning this year, prospects look good for another successful season.

Heading the list of returning letterwinners are three of the four members of last year's Class B state champion 800 relay squad. Seniors Melissa Braun and Rachelle Zuehlke, along with junior Tina Schwartz will look to defend their crown that they won last year with the help of graduated Kristi Lubahn.

Braun will also be the anchor of the sprinting corps, as she will look to make a return trip to state in the three events she qualified for last year. Zuehlke's specialty is the 400 run, in which she just missed a trip to state last season.

Another key member to this year's squad will be senior Ingrid Ankerson, who got off to a late start because of her participation in the state gymnastics meet. Ankerson qualified for state in the triple jump last year, and also just missed a shot at the high jump.

More important pieces to this year's team include senior long-distance runner Laurie Vogt, Marlene Wodsadalek (weights), Lora Delcore (weights), juniors Jessica Rohrer (hurdles), Rachel Gosa (sprints), Terri Vogt (long distances), Kelly Korth (sprints) sophomores Julie Mertz (middle distances), Christa Schmidt (hurdles) and Robin Winninghoff (jumps). All are letterwinners. Mertz, however, will miss the indoor season because of tendonitis, but hopefully will be ready for the outdoor portion of the season.

Nonletter-winning members of the 1991 Indian girls squad include seniors Tisha Stradtman and Tammy Troeller, juniors Nancy Neumann and Tammy Schmidt, sophomores Erin Heather, Beth Kempf, Kary Olvariz and Kim Sabish, along with freshman Alison Bruendl, Tricia Butschlick, Rachel Chambers, Tracy Corey, Christa Fleischman, Erin Fleiss, Michelle Gundrum, Jenny Heisdorf, Nicole Hetzel, Karla Kirst, Angie Klug, Cheryl Michaels, Sara Tyac, Jennifer VanAssche, Rachel Witz and Ginger Wiesner.

The Indian boys track team, meanwhile, didn't experience the kind of success the girls program did last season. But that's not going to stop them this year, as 11 letterwinners will return to help bring home some wins for this year's squad.

Coach Ralph Schacherl will have junior Kim Marx returning to the fold this year, after qualifying for sectionals in the 300 hurdles in 1990. Marx, who will also run a leg in the 400 relay in addition to his hurdle work, was the only Indian boy to qualify for sectional last season.

Senior Brian Jackson and junior Randy Schlice will try to improve on that, as they will be

the keys in the pole vault and sprints, respectively.

Other letterwinners and their respective events include seniors John Schmidt (distances), Greg Holl (weights), juniors Willie Kreis (Middle distances), and Dave Bowser (jumps), Jeff Diermeier (distances), Dean Kreis (jumps

and distances), Jim Rix (middle distances) and Dan Schulties (weights).

Senior Chris Donath lettered as a freshman and sophomore, but did not compete last season. Donath returns this year, hoping to get back the form that made him one of the Eastern Wisconsin Conference's better

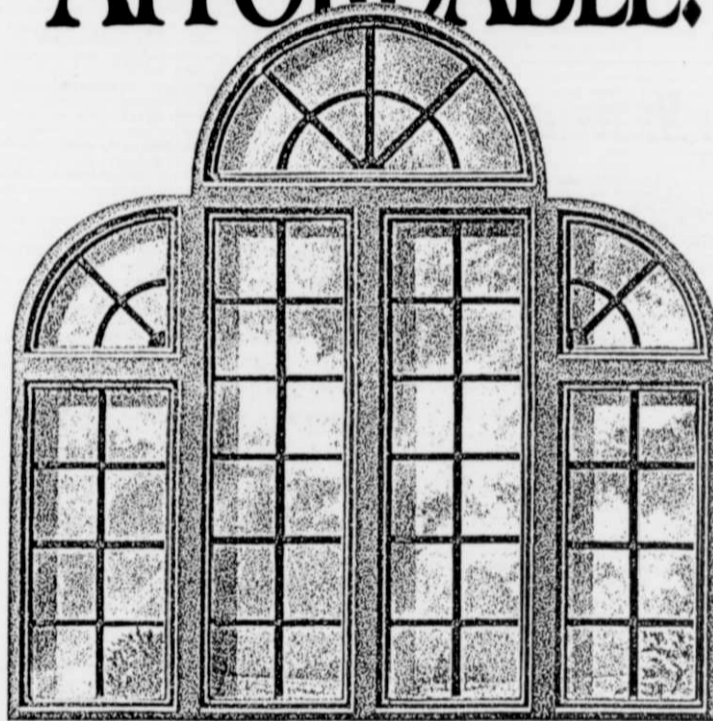

800 runners two years ago.

Other participants who hope to make contributions this season include seniors Jerry Sese, Craig Kulas, and John Fry, juniors Brett Prost, Brian Harycki and Mike Lindner, sophomores Brian Bruendl, Chad Harlow, Jeremy Kornell and Sheldon Oppermann, along

with freshman Eric Ankerson, Shawn Fideler, Heath Heise, Brad Jackson, Wade Kreis, Tony Rix, Mark Stephanie and Mark Strobel.

Dual Sale Period Offers Small Investors Greater Opportunity to Buy Wisconsin Higher Education Bonds

This year's offering of Wisconsin Higher Education Bonds will be sold during a two-stage order period designed to ensure that small investors statewide are able to purchase the bonds.

During the so-called "A" order period, which opens April 8, residents may place orders with brokers and bankers around the state for up to five of the bonds, all of which are sold in \$1,000 denominations. The "A" order period will close on April 11.

Bond sales will then be tallied, and if any bonds remain, a second order period will be held on April 15. During that order period, residents may buy up to 20 of the \$1,000 bonds, for a total of 25 bonds per investor.

In announcing the dual order period, Gov. Tommy G. Thompson said:

"We're keenly aware of the interest in these bonds, so we designed a system that will let thousands of parents, grandparents and other investors interested in saving for a child's higher education take advantage of this tax-free bond program."

The state will monitor the results of the "A" order period through computer software it has supplied to the 17 participating underwriters selling the \$119 million bond issue.

Using results obtained with the new monitoring system, the state will allocate "B" period bonds to underwriters based on their sales during the "A" period.

Last year was the first year Wisconsin offered the bonds, which are intended to be used to finance higher education. About a dozen other states have offered similar tax-free education bond programs.

In addition to the dual order period, the state has added two features to this year's bond sale

to help ensure greater participation by residents throughout Wisconsin, particularly small investors.

First, it increased the bond issue from \$66 million last year to \$119 million this year.

Second, it set up a statewide toll-free telephone number (1-800-45BONDS) with pre-recorded messages providing investors with information on how to order and pay for the bonds, plus information about preliminary prices and yields. The toll-free number is now available and will continue through the order period for the bonds.

Because the state is anticipating a strong demand for the bonds, the governor has advised potential investors to place orders early.

Like last year, the bonds will mature on dates ranging from 5 years to 20 years. Bonds will begin maturing May 1, 1996, and continue maturing annually each May 1 through 2011. Interest on the bonds is compounded semiannually at a fixed rate but is not paid until the bonds reach maturity.

The bonds are not subject to federal or state income taxes, nor are there capital gains taxes if the bonds are held to maturity.

The difference between the purchase price and the value of the bonds at maturity represents the interest earned over the life of the bond.

The Wisconsin Higher Education Bonds are zero-coupon bonds. As such, they can be purchased at a significant discount from their value at maturity, making them an affordable investment for a broad range of people.

For example, a \$1,000 bond with a maturity of 20 years can be purchased for approximately \$263. The cost of a \$1,000 bond with a six-year maturity is approximately \$758. These prices are subject to change and

depend on the market conditions at the time of sale.

Although the bonds are designed to be held until maturity, the state will, under certain circumstances, allow an investor who has owned bonds for at least one year to cash them in early if the proceeds are used for qualified educational expenses.

A brochure with complete information about the bond issue is available from participating underwriters, Wisconsin banks and public libraries throughout the state.

Schulteis Chosen As Hugh O'Brian Youth Foundation Candidate

DAN SCHULTEIS

Dan Schulteis, son of Mr. and Mrs. Robert Schulteis, has been chosen to represent Kewaskum's sophomore class at the Hugh O'Brian (HOBY) Leadership Seminar which will be held this spring. Last year more than 12,000 sophomores, nominated to represent their schools, attended all expense paid Hugh O'Brian Leadership seminars in all 50 states and more than 20 other countries.

Dan was selected to represent his class of 153 sophomores at Kewaskum High School not only on his scholastic record, but also his outstanding

leadership ability and his incentive to help others.

The Hugh O'Brian Foundation was established in 1958 to recognize and reward leadership potential in high school sophomores. While Dan attends the three day weekend workshop this spring, he and over 12,000 young people will explore the topic "America's Intensive System." The format for these workshops involves bringing together a select group of high school sophomores with demonstrated leadership qualities and a group of distinguished leaders in business,

education, government and the professions. Through informal discussions the young people get a realistic look at what makes America great and a better understanding of our nation's role in the world community.

At the conclusion of the State Leadership Seminar, one boy and girl will be chosen to represent their state at a week long HOBY International Leadership Seminar coordinated by the Illinois Institute of Technology, Chicago, Illinois.

As in the past, the Kewaskum Chapter of the Kiwanis organization will sponsor this very worthwhile activity.

Open House Planned At UWWC April 16

An informational open house will be held at UWC-Washington County on Tuesday, April 16 at 7 p.m. in the UWWC Theatre. Parents, prospective students, or anyone interested in learning more about UWWC are invited and encouraged to attend.

The open house will feature Joel Rodney, Dean, speaking on the institutional structure of UWWC as part of the University of Wisconsin system, and the specific role of the local campus. A faculty member will discuss academic pursuits and student perspectives, including

the social activities on campus, will be presented by Jan Ford, Director of Student Services and Kate Steinbach, Director of Student Activities.

The presentations should take approximately one hour. Optional campus tours will also be available and the faculty and staff will be happy to answer any questions. For more information contact the Student Services Office at 335-5201.

An old gentleman being interviewed on his 98th birthday was heard to say, "If I'd known I was going to live so long, I'd have taken better care of myself."

Just like in Ragu!

G. & L.'s where he works
Fond du Lac's now his home.
He's changed but a little,
Less hair on his dome.

Harlo's his nickname,
Or Harley, or Har!
There's a few we won't mention
Why go too far!

April 8th is his birthday,
He'll be "52"
I'm sure that he'd love
Hearing from you.

And my birthday blessings
Dear sweetheart of mine,
I'll love you forever,
And always be thine.

Campus Notes

Shelly Ann Gibson (special education) of 8127 Forest View Rd., Kewaskum, and Heidi Lynn Hoel (art) of 112 Timblin Dr., No. 321, Kewaskum, are among students named by Dean John R. Palmer of the University of Wisconsin-Madison School of Education to the dean's list of top scholars this past semester.

The honor is earned for maintaining a 3.5 grade point average on a 4.0 scale.

....

Richard J. Heller, 517 Keller St., Kewaskum, is among those named by Dean John G. Bollinger of the University of Wisconsin-Madison College of Engineering to the dean's list of top scholars for the past semester.

The honor goes to fulltime students who earn at least a 3.25 grade point average on a 4.0 scale. Approximately 4,000 undergraduate students are enrolled in the nine fields of engineering studies offered by the College.

It's a Girl!

A daughter was born to Patricia and Daniel Koch, W8527 County D, Kewaskum, on Saturday, March 16.

"Refinancing Our Mortgage Saved Us Money For Life's Little Pleasures."

There are better things to do with your money than pay too much mortgage interest. Now that current interest rates are low, it's a golden opportunity to save money by refinancing your home mortgage.

If you plan on staying in your home for two years or more, and if current interest rates are at least 2 percentage points below your existing mortgage rate, refinancing can probably save you money.

Although there is no indication that rates are likely to rise sharply in the future, it may pay to act quickly if you want to take advantage of the money-saving opportunities created by mortgage refinancing.

For more information on mortgage refinancing, talk to your Valley Mortgage Loan Specialist today.

Season Opens on Easter Egg Hunting

and... THEY'RE OFF!

What do you mean I have to have a permit for hunting Easter eggs??

Katelyn Korth, right, and her cousin, Elizabeth Jobe, left, picking up the last of the Easter Bunny's offerings.

There has to be more eggs around here someplace!

Standing in line for the "brown" eggs.

County Republicans Annual Caucus, Lincoln Day Dinner Held

State Treasurer, Cathy Zeuske, was the guest speaker at the Washington County Republican Organization's Annual Caucus and Lincoln Day Dinner held Sunday, March 3, at the Kettle Moraine Bowl, Slinger. She was joined by Congressman Jim Sensenbrenner and many state and local elected officials who also addressed the Caucus. George Nehrbass was elected

County Chairman for the 1991-92 term. Also elected were Mary Franz, Vice Chairman; Judith Bernd, Secretary; and Dorothy Gonnering, Treasurer. Delegates and alternates representing Washington County at the Ninth District Caucus to be held April 19, 1991 at Marcheses Hall, Sussex, and at the State Convention to be held June 1, 1991 in Green Bay were also elected.

Sewing, Wardrobe Courses To Start at Moraine Park

Get your wardrobe together for spring and summer activities with the help of three courses offered in April by the West Bend campus of Moraine Park Technical College.

Wardrobe Planning and Selection, 301-424-004, Tuesdays, 7-9:45 p.m., six weeks, April 9 to May 14. Focuses on color, fabric and shape to fit personal characteristics. Cost is \$19.60. Cost for people age 62 or older is \$3.

Sewing, Beginning and Intermediate, 301-432-006, Thursdays, 9-11:45 a.m., six weeks, April 11 to May 16. Includes pattern selection and sizing, fitting techniques, fabric and interfacing selection. Individualized instruction. Cost is \$21.45. Cost for people age 62 or older is \$3.

Sewing on the Serger, 301-432-005, Wednesdays, 7 - 9:45 p.m., three weeks, April 10, 17 and 24. Sergers, sometimes called overlocks, stitch, trim and finish a seam in one step. Students learn rolled hem and flatlock procedures. People considering a serger purchase or who want maximum use from one they already own can enroll. Students should bring a project to the first class session. Cost is \$12.25. Cost for people age 62 or older is \$3.

These courses meet at Moraine Park's Annex Q, 1702 E. Washington St.

Registration at least one week prior to class start is required. To register, call the West Bend Campus of Moraine Park, 0909. Use appropriate course number to enroll.

**Lac Lawrann
Nature Conservancy
Logo Contest Set**

All residents of Washington County are invited to enter the logo contest sponsored by Lac Lawrann Nature Conservancy in West Bend. The 10 year old conservancy, which is part of the West Bend Park system, would like to have a logo that represents the purpose of the conservancy; preserving and teaching about nature.

A contest to name the conservancy's mascot, which is a Blandings turtle, is also being held. The Blandings turtle was chosen to be the conservancy's mascot because it is a threatened species, that has been sighted at Lac Lawrann. A costume of a Blandings turtle has been made and now it needs a name. School children, grades kindergarten-eighth, from throughout the county are asked to submit their favorite turtle names.

The deadline for entries in both the logo and mascot naming contests is Monday, April 15, 1991 at 4:30 p.m. Entries should be mailed or dropped off at the West Bend Park, Rec. & Forestry Department, 724 Elm Street, West Bend, WI 53095. The winning logo entry will be awarded a \$50 savings bond. The winner of the mascot naming contest will receive a \$25 bond. The winners will be notified on or before April 19. An awards ceremony will be held during earth week, on Saturday afternoon, April 27 at the Paradise Mall. All entries will be displayed at the mall during earth week.

Judges for the logo contest will be members of the Lac Lawrann volunteer advisory panel, policy board, park department and an art teacher. The turtle naming contest will be judged by the LLC advisory panel.

Entry blanks are available at all county libraries and the

administration offices of all county schools. Entry blanks are also available at the West Bend Park Department, 724 Elm Street.

**St. Lucas Again
Offering Preschool**

St. Lucas will again be offering two afternoons of preschool for the 1991-92 school year.

The sessions will run from 12:30 - 2:30 p.m. on Tuesdays and Thursdays. Dismissal busing will be provided. Classes will be limited to ten children. Your child must be four years old by Sept. 1st.

Call Deborah Hoenecke (626-8235) to enroll your child by May 1st, or for any other inquiries.

3-27-2t & 4-24

MAPLE SUGAR'N OPEN HOUSE

A Maple Sugar'n open house will be held at Riveredge Nature Center on Saturday, April 6, from 10 a.m. to 4 p.m.

A self guiding trail will introduce the visitor to the lore and science of maple sugar'n. The trail ends at the Sugar Inn where syrup will be brewing.

The fee is \$1.25 per person. To register, call Riveredge at 675-6888 (local) or 375-2715 (metro).

Riveredge Nature Center, a nonprofit environmental education center, is located on Highway Y, one mile north of Newburg.

GRADE 9

Christine Anderson, Leanne Egelseer, Thomas Ehnert, Garrett Luck.

Social Security Numbers for Newborns

By David W. Becker, Branch Manager

Several parents of newborns in the area have apparently fallen prey to a company that charges a fee for services available free of charge from Social Security. We've received reports that this company, located in Washington, D.C., is charging \$15.00 for helping to process Social Security number applications for parents of newborns.

Some people have sent in the \$15.00 fee and received nothing in return. Others have received an Application for a Social Security Number and a list of proofs to submit to Social Security. You can get this same form and information free from Social Security. And only Social Security can process the applications for Social Security numbers.

To simplify getting a Social Security number for newborns, hospitals are now offering a free service. Parents can authorize the State of Wisconsin to send birth information to Social Security to issue a number. All they have to do is check a block on the birth information form that is sent to the Bureau of Vital Statistics indicating that they want this done. The State sends a computer tape to Social Security in Baltimore, Maryland and numbers are issued from there. Once Social Security receives the necessary information from the State numbers are issued in about 2 weeks.

Currently, about 95% of the babies born in Wisconsin are getting Social Security numbers

through this process. It will probably become even more popular since all dependents one or older claimed on 1991 tax returns (filed in 1992) will need a Social Security number.

**CA Coupon Books
Are Bestsellers**

Entertainment '91, a major fundraiser for Citizen Advocacy of Washington County, is progressing very well.

"Last year, we sold 300 of the coupon books," reports Sue Moser, executive director for Citizen Advocacy. "The way sales are going, we may exceed the 400 mark."

The books contain hundreds of two-for-one coupons valid Dec. 2, 1990 - Dec. 1, 1991 for local and area fine dining, sports, travel, lodging and more. The books are \$30.

Attractions range from local restaurants to such Bradley Center sports as the Bucks, the Admirals, the Wave and Marquette basketball. Dining includes such favorites as Barth's Linden Inn and Fischer's Lakeshore Resort.

Sixty-two coupons are devoted to special events. There are two-for-one bargains at area movie theaters, the Milwaukee Ballet, the Florentine opera and many southeast Wisconsin theaters. Participants sports are included, too, from bowling and skiing to racquetball and sleigh rides.

Persons wishing to purchase coupon books for \$30 each can call the Citizen Advocacy office, 2375 W. Washington St. (Highway 33 West), Suite 107, in West Bend. For more information, dial 334-3384 in West Bend, or 255-6702 in Germantown. The books are \$32 by mail.

Glacier Edge Scout-O-Rama Saturday

Dan Mc Manus, District Executive of Glacier Edge District 11, Bay-Lakes Council Boy Scouts of America, announced that the District Scout-O-Rama will be held Saturday, April 6, at Paradise Mall, corner of S. Main and Paradise Streets, West Bend, from 11:00 a.m. - 4:00 p.m.

Cub Scout Packs and Boy Scout Troops of Ozaukee County, Random Lake and Washington County will set up booths or engage in activities portraying "Scouting In Action." Camping, crafts, first

aid, games, merit badges, knot tying, outdoor cooking, Pine Wood Derby and pioneering will be featured. The Indian Dancers of Varsity Team 6083 will also perform.

Mc Manus said, "It's a dramatic all-youth production about Scouting."

There is no fee, and James Feyrer, Scout-O-Rama Chairman, extends an invitation to the public to participate in the hands-on involvement at each unit's project highlighting the Scouting Program.

Glacier Edge Pathways to Scouting in May

Dan McManus, District Executive of Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, announced that reservations are now being accepted for the "Pathways to Scouting" campout to be held at Camp Rokilio, Kiel, Saturday and Sunday, May 18-19. Registration is Saturday from 7:30 - 8:30 a.m. and a Health Information Sheet is required for all participants. Cost is \$10.00 each if paid before May 1, \$11.00 after May 1. Reservations should be sent to James Winget, Pathways Registration Chairman, 1325 Sandra Lane, West Bend, WI 53095.

Webelos Scouts from Ozaukee County, Random Lake and Washington County, their fathers and Webelos Leaders are invited to the fun-filled weekend incorporated with Scouting Skills. This outdoor experience is designed specifically to give Webelos a true taste of what Scouting is all about. Archery, confidence course, fire building, first aid, nature identification, knot tying, rifle range and Scout games will be included in the events.

The Arrow of Light and Cross-Over Ceremonies will be held at the campfire Saturday night following the religious services. Families are invited to the evening program.

It's a Girl!

A daughter, Cassie Rae, was born to Debbie and Pat Prom, N1812 Mapletree Rd., Adell, on Monday, March 18. Paternal grandparents are Mr. and Mrs. Henry Prom, Random Lake, and maternal grandparents are Mr. and Mrs. Delmar Kempf, Beechwood.

"Do you charge for bread in this restaurant?"
 "No, sir."
 "Do you charge for gravy?"
 "Oh, no, sir."
 "Then I'll have a plate of bread and gravy."

WOODCOCK STALKING

Woodcock Stalking will be held at Riveredge Nature Center on Friday, April 12, at 6 p.m. The skydance of the woodcock is an integral part of spring.

Join Riveredge to view this annual ritual. Come prepared to lay on the ground for extended periods of time. (Blankets and warm, waterproof clothing suggested). The fee is \$2.

To register, call Riveredge Nature Center at 375-2715 (metro) or 675-6888 (local). Riveredge Nature Center, a non-profit environmental education center, is located on Highway Y, one mile north of Newburg.

Karen Hartman Guest Speaker for Holy Trinity RIF Distribution

Karen Hartman... The Dream Catcher Lady

Holy Trinity School had their second RIF distribution on March 20.

The guest speaker was Karen Hartman of Campbellsport.

Karen shared her Cherokee Indian heritage and a poem she has had published.

Karen also told of the legend of the dream catcher. The dream catcher is a circle woven with beads and feathers on the bottom. Bad dreams get caught in the weaving and disappear with the light of day, but the good dreams float through an opening in the center and drift down the feathers to ensure a pleasant sleep.

Karen shared many articles, some of her beadwork and the class learned that Native Americans used every part of the animals they hunted. Nothing was wasted.

A few of the children had a chance to try the Snake Dance and enjoyed themselves quite a bit.

Each child then received a treat and later was able to choose a book for their own. The books dealt with culture, history, biographies and true stories.

The next distribution will be April 24. The High School Forensic Team will be the guests of honor.

Cub Leader Basic Training April 13

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will conduct a Cub Scout Leader Basic Training Course for all Cubmasters, Committee Chairmen, Den and Webelos Leaders, their assistants and Pack Committee personnel, Saturday, April 13, from 8:00 a.m. - 5:30 p.m., at the Avenue Methodist Church, 323 S. Fifth Avenue West Bend.

The fee is \$3.50 each and participants are asked to bring a Cub Leader Book and a sack lunch, coffee and snacks will be furnished.

Send advance reservations to Training Chairman, Carol Winget, 1325 Sandra Lane, West Bend, WI 53095. Walk-ins are also welcome.

For additional information call Winget at 334-5703.

Badger Boys, Girls Selections Announced at KHS

Left to right: Rachel Gosa, Tamara Schmidt, Sheldon Oppermann, Karen Junk, Adam Pilachowski, Thaddeus Koontz.

This year some 2,000 junior boys and girls throughout Wisconsin are selected to represent their schools and community at a state gathering of Wisconsin School students. This year the KHS delegates, sponsored by both the local

American Legion Post and Kiwanis organization, will be participating in the girls' forty-eighth and boys' fiftieth annual workshop.

This year Rachel Gosa, daughter of Mr. and Mrs. Gerald Gosa, Kewaskum,

Tamara Schmidt, daughter of Mr. and Mrs. Richard Schmidt, Kewaskum, and Karen Junk, daughter of Mr. and Mrs. Ken Junk, Kewaskum were the three junior students who applied and were selected from the top third of the junior class girls.

Adam Pilachowski, son of Mr. and Mrs. Martin Pilachowski, Kewaskum, Sheldon Oppermann, son of Mr. and Mrs. Leander Oppermann, Campbellsport, and Thaddeus Koontz, son of Mr. and Mrs. Michael Skalsky, Fredonia, were the three junior boys who applied and were selected from the top third of their class.

The selection of delegates is based on the students' scholastic standing, their participation in extra-curricular activities such as athletics, music, speech, journalism, clubs or other school organizations and their adaptability to the Badger State program.

The girls will start their week of activities on June 9th at Madison while the boys begin their week of activities in Ripon, on Saturday, June 15th.

Through this Badger State program, those high school leaders of the future should develop a sense of individual obligations to their community, state and nation.

Help Your Child's Prom or Graduation be Fun, Not Fatal

For high school students, spring-time means prom and graduation celebrations. It can be an important part of your child's high school experience — full of wonderful memories.

Unfortunately, proms and graduations are often associated with alcohol. Drinking and driving continues to be the number one killer of American teenagers. Approximately 3,000 young people between the ages of 15 - 20 are killed every year because of teenage drinking and driving accidents.

In addition, over 200,000 young people suffer traumatic head injuries every year, most from car accidents. Many of these teenagers are left with severe disabilities.

"It's a national tragedy," said Dr. Jim Wasco, New Medico Head Injury System Medical Director, who works with head-injured children and adults at New Medico, a national system of rehabilitation facilities. "Our kids simply don't realize the risks they're taking once they get behind the wheel. A severe head injury changes a youngster's life permanently."

Discuss the matter with your children. Let them know you want them to enjoy the festivities, but you also care deeply for their safety. Focus the conversation on solutions, not problems.

An ideal solution is to help your

community organize an all-night, alcohol-free party for the students. "Project Prom/Graduation", supported by the National Highway Traffic Safety Administration in Washington, DC, as well as state highway safety offices, has worked successfully in hundreds of schools across the country. Ideas for an exciting celebration are endless, but in order to have a truly successful event, make sure the students do the planning themselves.

If you live in a state where students may be of legal drinking age, you can use one of the following driving suggestions:

- Help your child team up with friends to rent a limousine.
- Solicit the driving assistance of an older brother or sister or a responsible older neighbor.
- Draw up a "contract" with your children whereby they will call you for transportation if they have been drinking. You, in turn, agree to pick them up at whatever hour, no questions asked.

If head injury has touched your life and you need further information on head injury or head injury rehabilitation, call the New Medico Head Injury System at 1-800-CARE TBI.

"Work with your kids," Dr. Wasco said. "A little extra planning can make for a much safer prom and graduation season."

Radon Test Kits Available

Test kits for home radon testing are now available, from the Washington County Community Health Nursing Service, through a cooperative effort with the State Laboratory of Hygiene (SLH).

Radon is a colorless, odorless radioactive gas that results from the decay of radium and uranium in the ground. The gas may seep into homes through foundation cracks and other openings and may build up to dangerous levels. Inhaled over an extended period, radon presents a lung cancer risk.

The Environmental Protection Agency (EPA) attributes 16,000 to 21,000 lung cancer deaths each year as radon-related, making radon second only to smoking as a cause of this disease.

The Environmental Protection Agency recommends all homes be tested for radon in air. Radon levels can vary dramatically from home to home — even next-door-neighbors can have dramatically different levels because of geological and home construction differences. Radon levels are highest in the winter months when the house is kept closed. The cold months are the preferred time to do the testing.

The radon test kit, available from the Community Health Nursing Service for \$9, is a screening test using a charcoal detector. The detector is left in a lower level of the home for a few days and then mailed to the State Laboratory of Hygiene for analysis. The State Laboratory of Hygiene is on the Environmental Protection Agency's Radon Measurement Proficiency List of laboratories with demonstrated capability in measuring radon.

For more information about testing your home for radon and/or obtaining a test kit, contact the Community Health Nursing Service, 432 East Washington Street, West Bend. Telephone: 335-4462, 644-5204, or 342-2929.

Volunteer Jobs Available for Teens During the Summer

The Volunteer Center of Washington County is again offering summer volunteer jobs for teenagers. For the past three summers, teenagers have volunteered their time and talents to area non-profit agencies. The summer volunteer program offers a wide range of choices. Teen volunteers can help with art classes, work with handicapped children at a rehabilitation center, work at nature centers and in parks, work with animals and do clerical and office work. There is a job for everyone and every interest!

The benefits of teen volunteering include having fun, meeting new friends, learning job skills, exploring career options, and gaining first hand knowledge of the community.

Call the Volunteer Center of Washington County at 338-8256 and join the ever growing number of teens in volunteering to make a difference.

Fond du Lac Summer Art Fair Planned

The Fond du Lac Artists Association is now accepting applications for the "23rd Annual Summer Fine Arts and Crafts Fair" which will be held in conjunction with the Fond du Lac Folk Festival.

The Art Fair will be held in the Expo Building at the Fond du Lac County Fairgrounds on June 1 and June 2, 1991.

The show will be judged and merit award winners will receive ribbons and cash. Purchase award winners will receive certificates. Only original arts and crafts will be accepted. Deadline to enter is May 6, 1991.

To receive an application, write to: Fond du Lac Artists Association, Mary Foster, 301 East Bank Street, Fond du Lac, Wisconsin 54935, or call (414) 922-0365.

New Wisconsin Garden Guides Available

As the weather warms and the snow begins to melt, thoughts turn to backyard vegetable gardens. What should you plant? Where? When?

The University of Wisconsin - Extension has two revised publications for Wisconsin gardeners. "Vegetable Cultivars and Planting Guide for Wisconsin Gardens - 1991" will help you plan your garden. This planting guide recommends top vegetable varieties for Wisconsin, gives information on when to plan vegetables and lists reputable seed companies.

"Growing Vegetables at Home: Questions & Answers," is a 60-page booklet that answers the most frequently asked questions about gardening. The garden booklet covers planning, planting, watering, fertilizing, disease and insects, and vegetable storage.

A1653 "Vegetable Cultivars and Planting Guide for Wisconsin Gardens - 1991" costs 55c. Publication A2801 "Growing Vegetables at Home: Questions & Answers" costs \$3.50. Both publications can be ordered from Agricultural Bulletin, Room 245, 30 N. Murray St., Madison, Wis. 53715, (608) 262-3346. Make checks payable to UW-Extension. These publications are also available at some county Extension offices.

DO THE BRIGHT THING.

WISCONSIN HIGHER EDUCATION BONDS

Here's an education investment program designed to help your child jump to the head of the class.

Beginning April 8, the State of Wisconsin is offering tax-free Wisconsin Higher Education Bonds to state residents. The bonds are available in affordable

\$1,000 denominations. Maturities range from 5 to 20 years. Most importantly, interest earned on the bonds will be exempt from state and federal income tax.

Wisconsin Higher Education Bonds. Today's smart solution for tomorrow's education needs.

For more information, call
1-800-45 BONDS

This advertisement does not constitute an offer to sell nor the solicitation of an offer to buy. The offering is made only by the official statement, copies of which may be obtained from participating firms.

SMART MONEY CAN SAVE YOUR OFFICE MORE THAN PETTY CASH.

If you own or lease office space, Wisconsin Electric's Smart Money For Business program can add value to your facility. And save you a stash of cash.

We offer loans or cash rebates for making energy-efficient improvements.

- Overhead and task lighting for work and public areas.
- Building-wide heating, ventilation and air conditioning equipment.
- Control systems that

let you meet the needs of varied tenants.

- Even custom-designed projects.

Our program helps you reduce energy costs and improve building comfort. With Smart Money savings you don't have to give up one for the other.

To take advantage of Smart Money, call Wisconsin Electric at 1-800-544-7989. In the Milwaukee area, call 221-4900.

A SENIOR CITIZENS LAMENT

Thought I'd let my doctor check me
Cause I didn't feel quite right.
All those aches and pains annoyed me
and I couldn't sleep at night.
He could find no real disorder
But he wouldn't let it rest.
What with Medicare and Blue Cross
It couldn't hurt to do some tests.
To the hospital he sent me
Though I didn't feel that bad.
He arranged for them to give me
Every test that could be had.
I was fluoroscoped and cystoscoped,
My aging frame displayed
Stripped upon an ice-cold table
While my gizzards were x-rayed.
I was checked for worms and parasites,
For fungus and the crud.
While they pierced me with long needles
Taking samples of my blood.
Doctors came to check me over,
Probed and pushed and poked around,
And to make sure I was living,
They wired me for sound.
They have finally concluded
(Their results have filled a page)
What I have will some day kill me,
My affliction is old age!

Kewaskum FFA to Host Annual Rabies Clinic

Dr. Greg Ogi vaccinates against rabies at the annual clinic.

It is the time of year to once again begin thinking about having pets vaccinated against rabies. Wisconsin is one of the leading states in rabies reported cases, a statistic the state could do without. The Kewaskum FFA Chapter is concerned about the problem.

Along with the local veterinarians Doctor Charles and Gregory Ogi, the chapter will conduct a rabies clinic on Wednesday, April 10, from 6:00 to 8:00 p.m. in the Kewaskum High School Agriculture Shop.

The vaccines will be administered at a reduced cost of \$5.00 per animal, with the proceeds from the clinic going to the Dr. Ogi Scholarship Fund.

Rabies is an acute disease caused by a virus. The most common form of contamination is by means of a bite from an animal containing the virus-bearing saliva.

The incubation period is variable, but signs of the disease may become visible within 15 - 20 days after contamination. The first sign is general loss of appetite and a change in behavior. The second phase is known as the paralytic form, where paralyzation and salivary excretion begin. The third phase, or sign, is the

furious form, where the animal becomes very irrational and viciously aggressive. Dogs rarely live more than 10 days after the onset of these signs.

For more information about rabies and accompanying symptoms, consult your local veterinarian or physician.

Family Center Spring Programs

The Family Center of Washington County announces its Spring Programs for families with children birth through three years of age.

"Baby Exercise and Stimulation" is an upbeat and exciting four week mini-class for parents and their 3-9 month old infants. The program begins Tuesday, April 9, 9:30 to 10:15 a.m.

"Saturday Morning Express" meets every other Saturday, starting April 13th, 9:30 to 11:00 a.m. Parents and kids join together for playtime, crafts, stories, music and a snack. The Program ends on June 22.

The "Parent Rap Group" is an 8 week education/support group, beginning Tuesday, April 9, 6:30 - 8:00 p.m. Come, share your successes and frustrations with other parents. Stress, Behavior Management and Positive Self Esteem are a few of the topics that will be discussed.

The seven-week "Mini-Nurturing Program," starts Monday, April 8, 10:30 to noon. Learn how to nurture yourself and others. Improve communication with your family. Positive forms of behavior management and problem-solving will be discussed.

"Becoming Your Own Family" is a one-time workshop on Thursday, April 11, 6:30 to 7:45 p.m. Family and friends love giving advice, but it is crucial to establish "your own family" and your own set of family rules. Stepping into parenthood is a real challenge.

All programs are free of charge and offer child care. For more information or to sign up for programs, please call The Family Center of Washington County, 279 S. 17th Ave., West Bend (former General Clinic Bldg), at 338-9461.

A small classified ad is a big bargain.

State Health Division Issues Alert on Pork Sausage Products from Germantown Shop

MADISON — The Wisconsin Division of Health is issuing a continuing alert to persons who purchased and consumed pork sausage products from Otto's Sausage Shop in Germantown (Washington County) since February 1, 1991.

Between March 15 and 28, the Wisconsin Division of Health has received reports of 18 probable and 4 suspect cases of trichinosis. According to State Epidemiologist, Jeffrey P. Davis, M.D., all these cases occurred in persons who had consumed mettwurst purchased at Otto's Sausage Shop since February 1, 1991 and particularly between February 15 and February 23, 1991. The patients reside in six different Wisconsin counties: Fond du Lac, Milwaukee, Ozaukee, Racine, Washington, Waukesha.

Otto's Sausage Shop prepares a variety of pork sausage products, including two types of mettwurst which is a smoked pork sausage that is not thoroughly cooked.

Symptoms and signs of trichinosis may include fever, muscle aches, headache, swelling around the eyes, weakness and diarrhea. Laboratory findings include an elevation in the number of eosinophils, a type of white blood cell. Symptoms usually appear about 8 - 15 days after ingestion of infected meat, but can occur 5 to 45 days after ingestion. Trichinosis is a parasitic infection of man and animals caused by the worm *Trichinella spiralis*.

Persons who experience these symptoms should contact

their local physician or public health agency. Persons who have Otto's pork sausage products in their home should not eat the products, should save it under refrigeration, and should contact the Washington County Community Health Nursing Service - 335-4462, 644-5204 or 342-2929.

The Wisconsin Division of Health is cooperating with the Department of Agriculture, Trade and Consumer Protection in investigating the production of sausage at Otto's Sausage Shop.

The usual mode of infection in man is by ingestion of infected pork products which have been inadequately cooked or treated. All pork-containing products are potentially contaminated with *Trichinella*. The most effective method of eliminating *Trichinella* from pork products is to cook the meat until the meat is no longer pink.

Trichinella are heat-sensitive organisms. Higher temperatures will kill the organisms more rapidly. Thus, an internal temperature of pork of 130 degrees F will kill the *Trichinella* in a minimum of 30 minutes, while a temperature of 134 degrees F will kill the organism in 6 minutes, and an internal temperature of 144 degrees F will kill the organism in less than a minute.

State law requires *Trichinella* control of smoked pork products either by achieving an adequate temperature during the manufacturing process or using pork certified to be free of *Trichinella* to make the products.

DISCOVERY HIKE 'VERNAL PONDS'

Discovery Hike 'Vernal Ponds' will be at Riveredge Nature Center on Saturday, April 13, from 1:30 to 3:30 p.m. Vernal ponds present a most dynamic and unique ecology. This community will be explored during this hike. The Fee is \$2.

To register, call Riveredge at 375-2715 (metro) or 675-6888 (local). Riveredge Nature Center is a nonprofit environmental education center located on Highway Y, one mile north of Newburg.

Serigraph Earns Carrier Quality Award

West Bend, Wis — United Technologies Carrier has awarded Serigraph Inc. its Zero Defect Award for 1990. Carrier presented the award during a recent supplier symposium at the company's Indianapolis, Indiana, plant.

Serigraph was one of only two suppliers to earn the award, granted to companies that furnished Carrier's Indianapolis plant with defect-free parts for 12 consecutive months. A Carrier spokesman said 112 suppliers were eligible to win the award, which the company presented for the first time this year.

A Carrier supplier for four years, Serigraph makes decorative trim for Carrier's residential gas furnaces using either screen or offset printing processes. Serigraph manufactures some of those parts in a clean room environment.

Carrier Corp., a unit of United Technologies, is a leading supplier of residential and commercial heating and

cooling equipment.

Serigraph, with three plants in West Bend, is a national supplier of graphics products to the appliance, electronics, automotive, marine and consumer markets.

Obituaries

JOEL E. REINHEIMER

Joel E. Reinheimer, 15, of the Town of Wayne passed away on Saturday, March 30, 1991 at Froedtert Memorial Hospital in Milwaukee.

He was born on July 10, 1975 in West Bend the son of Edward and Cyndie (Klein) Reinheimer.

Joel was an 9th grade student at Kewaskum High School where he was a member of the FFA. In August of 1990 Joel had his book "The Adventures of Squeek the Rabbit" published.

Survivors include his parents; a brother Josh at home; his maternal grandparents Edward and Marge Klein of Brookfield; his paternal grandmother Inga Reinheimer of Butler; and many aunts, uncles, relatives and friends.

He was preceded in death by his grandfather Hollis Reinheimer.

Funeral services will be held at the Miller Funeral Home, Kewaskum at 7:30 p.m. on Wednesday, April 3, with Rev. Dean Marin officiating. Burial will be at Wisconsin Memorial Park, Brookfield at 11:00 a.m. on Thursday. Friends may call from 4:00 p.m. until time of services at the funeral home on Wednesday.

ERNEST "BOB" GRUBER

Ernest "Bob" Gruber, 69, of Kewaskum passed away on Saturday, March 30, 1991 at St. Joseph's Community Hospital in West Bend.

He was born on January 16, 1922 the son of John and Mary Ann (Goretski) Gruber. On April 12, 1947 he was united in marriage to Jeanette Serwe at St. Matthew's Catholic Church in Campbellsport. Mr. Gruber served with the U.S. Army for 20 years retiring in 1963 with the rank of First Sgt. E8. In 1983 he retired from Regal Ware after 19 years. Mr. Gruber was a member of Holy Trinity Catholic Church in Kewaskum and the Robert G. Romaine American Legion Post #384 of Kewaskum.

Survivors include his wife Jeanette; three sons Douglas (Mary Lou) of Madison, David (Cindy) of Kewaskum and Donald (Bonnie) of West Bend; seven daughters: Diane (Jim) Rindt and Debbie (Chris) Wenzel both of West Bend, Darlene (Ronnie) Sabish of Campbellsport, Donna (Pat) Perkins of Groton, Connecticut, Dorothy (Mark) Lehman of Bloomer, and Denise and Devona Gruber both of Madison; his mother Mrs. Mary Ann Gruber of Kewaskum; two brothers Harlan Gruber and his fiancée Dolly Johnson of West Bend and Joseph (Tia) Gruber of Campbellsport; a sister Mary Joyce (Alan) Stutzman of Campbellsport and 29

grandchildren.

He was preceded in death by his father and a brother Andrew.

Funeral services were held at Miller Funeral Home, Kewaskum, at 7:30 p.m. with a Mass of Christian Burial at Holy Trinity Catholic Church, Kewaskum at 8:00 p.m. on Monday, April 1, 1991 with Father Thomas Venne officiating. Burial with Military Graveside Rites was at 10:00 a.m. on Tuesday at Holy Trinity Cemetery.

Friends called from 4:00 p.m. until time of services at the funeral home on Monday.

CLARENCE F. WEINERT

Clarence F. Weinert, of Slinger, died Tuesday, March 26, 1991, at St. Michael's Hospital, Milwaukee, at the age of 84.

He was born Jan. 22, 1907, in Kewaskum, to Jacob and Helen (nee Schield) Weinert, and married Gladys M. Bendel Oct. 9, 1934, at St. Michael's Church, St. Michaels. She passed away April 13, 1989.

He was born and raised in Kewaskum, where he attended Kewaskum High School.

He was a dairy farmer, and later was employed at The West Bend Co., retiring in 1972. He was also a member of St. Peter's Catholic Church, Slinger.

Survivors include two children, Jacob (Nancy) of St. Lawrence and Raymond (Diana) of West Bend; 10 grandchildren; 11 great-grandchildren; a sister, Evelyn Weinert of West Bend; a sister-in-law, Helen (Ted) Schoofs of Kewaskum, and other relatives and friends.

Preceding him in death were his parents and two brothers.

Funeral services were held Saturday, March 30, at 10:30 a.m. at St. Peter's Catholic Church, Slinger. Fr. Allen Weinert and Fr. Robert Bales co-officiated and burial followed in St. Michael's Cemetery, St. Michaels.

Visitation at Philip Funeral Home, Slinger, was on Friday from 4 to 8 p.m., with a prayer vigil at 7:30 p.m.

RANSOM G. ENDRES

Ransom G. Endres, of Hartford, died Wednesday, March 27, 1991, at his residence, at the age of 86.

He was born Feb. 23, 1905, in the Town of Hartford, to John and Laura (nee Melius) Endres and married Ida Nagel Sept. 20, 1928, in the Town of Hustisford. She passed away in 1986.

He farmed all of his life in the Hartford area.

Survivors include an aunt, Esther Endres of Kewaskum; two sisters-in-law, Frances Nagel and Erna Nagel, both of Hustisford, and other relatives

and friends.

Preceding him in death were his parents.

Funeral services were held Saturday, March 30, at 8 p.m. from the Berndt Funeral Home, Hartford. Rev. Douglas Livingston officiated and burial was in the Pleasant Hill Cemetery, Hartford.

Visitation at the funeral home was on Saturday from 6 p.m. until the time of services.

ALICE M. BYERS

Alice M. Byers, nee Nohr, of the Town of Barton, died Sunday, March 24, 1991, at Milwaukee County General Hospital, Wauwatosa, at the age of 67.

She was born July 16, 1923, in the Town of DuPont in Waupaca County, to Arthur and Eleanor (nee Meyer) Nohr.

After her marriage to Lorin Myers, in Milwaukee on March 18, 1943, they lived in West Bend for a short time and then settled in Milwaukee where they lived for 37 years. In 1980 they moved to their present home.

Survivors include her husband; eight children, Lorin J. (Tina) of Greenfield, Carol M. Byers, Robin J. (Avis) and Kimetha A. Byers all of Kewaskum, Christopher J. (Mariann) of Sussex, Lindsey F. Byers of Cushing, Heidi R. (Tom) Johann of Kewaskum and Colin B. (Michelle) of West Bend; 11 grandchildren; a sister Ruth (Harry) Lang of Jefferson; a brother, Arthur (Margaret) of Cornell, and other relatives and friends.

Preceding her in death were her parents; a son, Leon Alan, and a sister, Irene Nohr.

Funeral services were held on Wednesday, March 27 at 7:30 p.m. at the Schmidt Funeral Home, West Bend. Mr. Luther Nussbaum and Mr. Glenn Gasser officiated and burial was on Thursday morning in Pinelawn Memorial Park, Milwaukee.

Visitation at the funeral home was on Wednesday from 3:30 p.m. until the time of services.

Moraine Park Designated to Accept MMAC Scholarship Winners

The West Bend campus of Moraine Park Technical College has been designated an institute of higher learning to which qualified Milwaukee high school graduates can apply Metropolitan Milwaukee Association of Commerce (MMAC) scholarships.

"We're pleased that the MMAC has recognized us as a campus their scholarship recipients can attend," said Lee Flanders, administrator of Moraine Park's West Bend campus. "This is a wonderful opportunity for some students from Milwaukee to go to school here. We'd be happy to see them."

Last fall the MMAC established a \$13 million pilot scholarship program for financially disadvantaged students. Eligible graduates from five Milwaukee public schools will receive the scholarships.

Interest from the MMAC Scholarship Fund will be used for graduates accepted by institutions of higher learning in the Milwaukee metro area. A maximum of \$3,000 per year will be available for each eligible student.

In addition, five students at each of the other 10 Milwaukee

high schools will receive \$1,000 scholarships, with the schools choosing the recipients.

The Scholarship Fund is a revocable trust managed by a committee.

Flanders pointed out that many graduates of Moraine Park's West Bend campus find employment in the greater metropolitan area of Milwaukee.

"The MMAC Scholarship Fund is an investment in our area's future," said Charles McNeer, chairman of Wisconsin Energy Corp. and the MMAC. "It will provide the opportunity for a college education to students who otherwise might not be able to afford one, and will help provide qualified employees for area businesses."

The pilot program includes North Division, South Division, Madison, Pulaski and Custer high schools. The schools were chosen by an ad hoc committee based on the greatest need for student incentives.

To receive a scholarship, a student must attend a metro area college, university or technical school full time and work toward a degree.

PHOTOGRAPHERS ANONYMOUS

Photographers Anonymous will be held at Riveredge Nature Center on Tuesday, April 9, at 7 p.m. Everyone is welcome to attend these informal meetings of sharing and learning.

Riveredge Nature Center, a nonprofit environmental education center, is located on Highway Y, one mile north of Newburg. For more information call 375-2715 (metro) or 675-6888 (local).

IN MEMORY

In loving memory of JOHN HEASLIP, who passed away one year ago, April 4, 1990:

While we think of you
Our hearts will shed a tear.
For the memories we've never forgotten
That were always so dear.
We wish we could have stopped the time
No room for things to change.
We liked them just the way they were
Now your absence seems so strange.
But really things have not been lost
Your always on our mind.
Someday you'll come back to us
In a dream of another time.

Sadly missed by the
Heaslip Family,
(Written by Rhonda)

TORNADO DRILL APRIL 11 Statewide Tornado Safety Campaign Planned in April

Wisconsin lies on the fringe of the famed path of tornado destruction, aptly named "Tornado Alley." Many Wisconsin communities and people have felt the strength of a tornado — one of nature's most violent phenomena.

No one can stop a tornado, but there are precautions you can take to protect your life and your property. That's why the Wisconsin Division of Emergency Government, the National Weather Service, and County Emergency Government

Directors have joined forces to make sure this tornado season is not remembered as one of the worst to hit our state.

Governor Tommy G. Thompson has proclaimed April 7th through the 13th "Tornado Awareness Week." A number of activities are planned to inform all citizens of the dangers involved — and safety precautions necessary — in the event of a tornado. On Thursday, April 11th, a simulated tornado drill will be conducted statewide. Schools,

office buildings, industries, nursing homes, and hospitals are encouraged to take part.

Time after time, the biggest tragedies occur in areas where tornados have never been reported and have no precedent in most people's memories. To find out more about tornado safety, contact your county emergency government director and watch for the second part of this series entitled "Tornado Safety Precautions Can Save Lives, Property."

New County Patrol Vehicle In Service

Washington County Sheriff's Department's new vehicle

The Washington County Sheriff's Department has placed a 1991 GMC 'Jimmy' into service, replacing a larger Chevrolet Suburban, pictured in the background.

Sheriff Robert H. Schulteis explained that the down-sizing reflected a change in the needs of the department. The Suburbans were first acquired to enable the department to carry the Hurst "Jaws of Life" in the late 1970's. Their four

wheel drive capability was also invaluable during bad winter weather.

In later years, the Jaws have been purchased by the fire and rescue services and the sheriff's department no longer utilizes them. But the need for a four wheel drive vehicle fleet continues. When it was time to replace one of the Suburbans, the sheriff's department decided on a smaller, less expensive and more fuel

efficient 'Jimmy.'

"This strategy will save the county some money and still give us some flexibility in the winter months," the sheriff stated. "We expect to do the same thing when it is time to replace the remaining two Suburbans."

Robert H. Schulteis,
Sheriff
Washington County

'Radon In Wisconsin: Should You Worry?'

New Home Video Tells How to Test, Rid Your Home of Radon

Most people don't associate radon with lung cancer, reports John Merrill, University of Wisconsin - Madison extension housing specialist.

Unlike many health hazards the government issues warnings on, radon is one you can do something about. You can test your home and, if necessary, rid your home of radon and reduce your risk of lung cancer.

As uranium decays naturally, it releases this colorless, odorless, radioactive gas into the soil. Ironically, insulating and sealing your home to conserve energy may also trap radon that seeped in through your basement.

"Winter is the time to check whether your house has radon and to follow-up on any

concerns you have," advises Merrill. He has produced a new 15-minute VHS home video "Radon in Wisconsin: Should You Worry?" to help you decide, and to clear up some

common misconceptions.

You can borrow a copy from your local Wisconsin public library, county UW-Extension office or Regional Radon Information Center. Or contact the Wisconsin Department of Health and Social Services Bureau of Environmental Health Section of Radiation Protection, (608) 267-4795.

The video was funded by the U.S. Environmental Protection Agency.

OFFICE OF THE GOVERNOR

A PROCLAMATION

WHEREAS, many natural disasters are caused by tornadoes in the State of Wisconsin; and

WHEREAS, tornadoes create emergencies of great concern to the State of Wisconsin, with imminent threat to life and property; and

WHEREAS, the citizens of the State of Wisconsin can be seriously affected by tornadoes, and it is vital we further an awareness of the danger of such natural disasters and the protective measures citizens can take in the event of such threats;

NOW, THEREFORE, I, TOMMY G. THOMPSON, Governor of the State of Wisconsin, do hereby proclaim April 7 through April 13, 1991

TORNADO AWARENESS WEEK

In the State of Wisconsin, and urge the Division of Emergency Government to utilize all means at its disposal to make the citizens of Wisconsin aware of this danger and the actions they can take to protect themselves and their families from tornadoes.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this twenty-first day of February in the year one thousand nine hundred ninety-one.

Tommy G. Thompson

HIGHWAY 45, KEWASKUM • 626-2161

25 Years Ago

April 1, 1966

Two local youths were hurt in an auto accident on Hwy. V, about 1½ miles north of the village at 9:23 p.m. Sunday, March 27. Injured were the driver, James Rindt, 19, R. 2, Kewaskum, who suffered mouth lacerations and complained of back pains and his passenger, Paul Kohler, 19, 1443A Parkview Dr., Kewaskum, who incurred shoulder and elbow injuries and lacerations. According to the Sheriff's Department report, Rindt was traveling south on Hwy. V when he lost control of vehicle which left the road on the right side, struck an embankment and rolled over several times in a plowed field. Rindt was thrown clear of the car while Kohler was pinned underneath the over turned auto. Both were removed to St. Joseph's Hospital, West Bend, and their condition was reported as good earlier in the week.

A large cross, lighted at night, symbolizing the holy Easter season, has been placed on top of Fehlhaber's hill at the east end of the village limits. The cross, erected last week, can be seen for a long distance.

Baby John Gerard Heisdorf, born, Jan. 11, 1966, is the fourth generation in the Heisdorf family to have John as a first name. The gret-grandfather is John C. Heisdorf, 81, of Richfield, the grandfather is John H. Heisdorf, 49, of R. 2, Kewaskum, and the father is John W. Heisdorf, 25, of 2011 Salisbury Rd., West Bend.

Mrs. James Kieckhafer, West Bend, the former Joann Ferber, daughter of Mr. and Mrs. Edward Ferber, R.2, Campbellsport, and a 1965 graduate of Kewaskum High School, received word that she was selected as one of three finalists in the state for the Mrs. America pageant which will be held in San Diego, Calif., from April 29 to May 8.

Births - A daughter to Mr. and Mrs. Dennis Jandre, 363 Parkview Dr., Kewaskum, Sunday. A son to Mr. and Mrs. Eugene LaMarche, 1338 Roseland, Kewaskum, Sunday, March 27. A daughter to Mr. and Mrs. Floyd Stautz, Madison, Sunday, March 27. Mr. Stautz is a son of Mr. and Mrs. Clifford Stautz, Kewaskum.

50 Years Ago

April 4, 1941

A.L. Rosenheimer, Sr., prominent businessman and esteemed citizen of Kewaskum, reached his 80th milestone in life on Tuesday, March 25. In celebration of the event, Mr. Rosenheimer was guest of honor at a family dinner at his home, followed by an evening spent in a social manner.

Kewaskum book lovers have a treat in store. They can enjoy reading choice modern entertaining books, the best sellers, fascinating romances, westerns, mysteries, heart-moving novels, popular selected novels and many others by America's best-loved authors, in Lulu Lee's Rental Library located across the street from the post office. Rentals of books is 3c a day, or minimum of 10c.

Harley Backus has purchased a 1937 Buick. Forester Bros. delivered a new Oliver tractor to

Ewald Rauch.

On Monday Mr. and Mrs. Ted Rohlinger and family moved from Ashford to Kewaskum and are now occupying the Mrs. Christ Schaefer home on south Fond du Lac Ave. Mr. Rohlinger is employed by the Kewaskum Creamery.

On Saturday Mr. and Mrs. Ed Dreher moved from St. Michaels into the lower flat of the Brandstetter home. Mr. Dreher is a truck driver for Wm. Schaefer.

Banns of marriage were announced for the first time Sunday in Holy Trinity Church for Peter Metz of Kewaskum and Miss Christina Sauer of Medford, Wis.

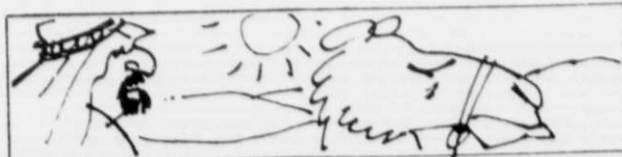

Lac County.

In a very fast and interesting game of basketball, the local city team last Saturday evening, on the local floor added another game to their already long list of victories by defeating the Mar-University team by a score of 40 to 21.

The stork alighted at the home of Mr. and Mrs. Maurice Ryan on Friday, March 24th and left them a bright young son.

Come and see Fatty Arbuckle in "Fickle Fattys' Fall," a sensation triangle scream at the movies Sunday evening.

Ford, "The Universal Car." More than one million now in use. Touring car \$440, Runabout \$390. William Schaub, Agent, Kewaskum.

Over 65 percent of the world's population goes through the day without coming in contact with a newspaper, radio, television or telephone.

Tornado Safety Precautions Can Save Lives, Property

When a tornado approaches - your immediate action may mean life or death, according to the Wisconsin Division of Emergency Government.

Wisconsin's tornado activity occurs mainly from April through September. The months of June and July have the highest tornado frequency. However, tornadoes have occurred in every month in Wisconsin with the exception of February.

There is little that can be done to avoid the property destruction tornadoes bring; but tornadoes do not have to be killers. You can take precautions when a storm threatens and thereby save lives, reduce threat of injury and lessen property damage.

Tornadoes are the most devastating local storms that occur in the world. The National Weather Service has documented 953 tornadoes in Wisconsin since 1844, causing 502 deaths and more than 2800 injuries. Wisconsin has averaged 18 to 20 tornadoes per year over the past 30 years. In 1990, the state reported 9 documented tornadoes, which caused some injuries, but no deaths.

The winds in a tornado turn

counter-clockwise with speeds that can reach 300 miles an hour. As an illustration of the horrifying power of these killer storms, it's reported a Kansas tornado demolished a pickup truck such that the steering column, wheels and parts of the frame were all that was ever found. The same tornado took posts of a chain-link fence anchored in concrete and dragged them nearly 20 feet through the ground, leaving a narrow trench. While most tornado damage is caused by the violent winds, most injuries and deaths result from flying debris.

Most tornadoes move from southwest to northeast. Generally, tornadoes occur in the spring in the late afternoon on a hot day. But remember, tornadoes can happen any time.

EASY TO RECOGNIZE You'll have no trouble recognizing an actual tornado! It is a funnel-shaped cloud extending down from the base of a thunder cloud. As it touches earth, it writhes and twists throwing up debris in all directions. It is usually accompanied by hail, violent thunderstorms and wind. Its noise is so loud it can blot out the sound of crashing buildings

and falling trees.

When the skies look threatening, listen to the radio. The National Weather Service and the Severe Storm Warning Center track all weather systems with sophisticated radar and are usually able to give adequate advance warning of violent weather conditions. A **TORNADO WATCH** means the atmospheric conditions are such that tornadoes could develop. A **Tornado warning** means an actual funnel has been sighted in your area. Warnings are usually accompanied with a description of the speed and direction of travel of the funnel. Learn the warning signals used in your community.

When a watch is issued, listen to broadcast advisories, and be ready to take cover. It is wise to collect a battery-powered light and radio and have family members within earshot under watch conditions. Also, take your car keys; should a tornado hit your area, your car still may be operable - but keys could be lost in the rubble.

IMMEDIATE ACTION SAVES LIVES. When a tornado threatens, immediate action can save lives.

Stay away from windows,

doors, outside walls and protect your head.

IN HOMES OR OTHER SMALL BUILDINGS go to the basement or a place in the middle of the house, like a closet, bathroom, or interior wall. Get under something sturdy.

IN SCHOOL, be calm and follow the directions of your teacher. Stay away from large, open rooms like auditoriums and gymnasiums and rooms with windows.

IN SHOPPING CENTERS OR VERY LARGE BUILDINGS, go

to a designated shelter area or to the center of the building on a low level. Stay away from large, open rooms and windows. Never seek shelter in cars in the parking lot.

IN MOBILE HOMES OR CARS, leave them and find shelter in a safe structure. If there is not shelter nearby, lie down in a low area with your hands covering the back of your head and neck. If you're in a ditch or ravine, be alert for flash floods that often accompany tornadoes.

MEETING NOTICE SCHOOL BOARD COMMITTEE MEETING

The Kewaskum School Board's Negotiating Committee will meet on Thursday, April 4, 1991 at 6:00 p.m. at the District Office, 1450 School Street. The meeting is closed to the public in conformance with Wisconsin State Statute 19.85(1) (c) "Considering employment, promotion, compensation or performance evaluation data of any public employe over which the governmental body has jurisdiction or exercises responsibility," and (e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session."

OFFICIAL NOTICE Proposed Agenda

There will be a Regular Meeting of the Kewaskum School District Board of Education on Monday, April 8, 1991. Said meeting to commence at 7:00 p.m. in the commons area at Kewaskum High School.

Anticipated agenda items will include the following:

- I. Call to order-President Weare
- II. Roll call
- III. Pledge of allegiance-Clerk Schmitt
- IV. Approval of agenda; deletions or corrections
- V. Audience to visitors; receiving of delegations
- VI. Student of the Month presentation-Mr. Kopecky and Mr. Weare
- VII. Curriculum presentation-Mrs. Strand
- VIII. Presentation of Award of Appreciation-Mr. Weare
- IX. Preliminary report of SEC audit team-Mrs. Strand
- X. ACTION ITEMS
 - A. Approval of minutes from past meeting(s)
 - B. Policy-Legislation-Bylaw Committee
 1. Second reading of the following policies
 - #377.2-Academic Eligibility for Interscholastic Competitive Activities
 - #377.3-Rules for Interscholastic Participation and Cheerleaders
 - #529-Sexual Harassment
 - #529.1-Sexual Harassment Complaint Procedure
 - #3541.24-Responsibilities-Owner and/or Driver
 - #4110.1-District Librarian
 - #4110.6-Supervisor of Buildings and Grounds
 - #4110.7-Secondary Guidance Counselor

Citizen Advocacy Fundraiser Begins

The annual CA 400 fundraiser for Citizen Advocacy of Washington County is underway.

County businesses are being contacted to support Citizen Advocacy, a non-profit organization which promotes and supports relationships and local volunteers and county residents who happen to have disabilities.

Names of businesses responding to the CA 400 appeal by April 19th will be included in a large mailing to individuals throughout the county. A newspaper ad will be printed thanking those businesses for their support. Also, the businesses will be given a certificate of thanks and begin receiving the Citizen Advocacy newsletter.

Any business or individual not contacted but interested in joining the CA 400 can call the Citizen Advocacy office at 334-3384.

Dyslexia Support Group to Meet

The Dyslexia Support Group, sponsored by the Wisconsin Dyslexia Institute, will meet at 7 p.m. Wednesday, April 10, at the Fifth Avenue United Methodist Church, 323 S. Fifth Ave., West Bend, WI.

The informational segment will be a presentation on multisensory techniques.

Dyslexia is a language difficulty characterized by difficulty in learning to read, write, and/or spell. Dyslexia persons have average or above intelligence and no limiting physical or emotional disability, but who, despite conventional classroom experience during school years, fail to learn language skills at a level commensurate with their intellectual ability.

Anyone interested in learning more about dyslexia is invited. Children are especially welcome.

Practice Proper Maintenance And Care for Healthier Lawn

Reducing water pollution and landfill problems begins in your own backyard. By practicing good lawn care and maintenance, you can grow healthier grass with fewer environmental problems.

University of Wisconsin - Madison extension horticulturist Robert Newman offers several recommendations for caring for your lawn.

The first step is to take a soil test. This will show you the nutrient levels in your soil. Your county agent can explain the results of the soil test to you.

Don't apply fertilizer to your lawn if it's not needed, says Newman. For example, if adequate phosphorus is already present there's probably no need to add more because phosphorus is stable in the soil. Applying more phosphorus to your lawn increases the chance that it may wash and lead to weed growth in lakes and streams.

Leave the grass clippings on the lawn after you mow to put nutrients back into the soil. Newman notes that many communities already have banned clippings and other lawn wastes from their dumps.

"The simplest way of recycling is to let grass clippings fall back to the earth to recycle nutrients," he says.

If you must remove grass clippings from the lawn, use them for mulch around landscape plants or put them into your garden to add organic matter.

Often, the only fertilizer you need to apply to your lawn is nitrogen. Nitrogen stimulates leaf and shoot growth and gives grasses their deep green color. Applying the correct amount of fertilizer can help to reduce pest problems.

Mowing often will allow you to return clippings to the lawn. Newman recommends not cutting more than one-third of the grass at a time. For example, if your grass is three inches high, cut off no more than one inch from it. Mowing high results in a deeper root system which helps lawns survive periods of drought and shade out weed seeds.

"If grasses are treated right they're highly competitive and keep out a large number of weeds," Newman explains.

Because many grasses don't grow well under shade, weeds, often take over those spots.

Newman recommends planting a shade tolerant grass such as fine fescue under trees and other shady spots.

It's not practical to have a lawn completely free of weeds, Newman notes. The best way to manage pests is to use integrated pest management, which relies on various non-chemical and chemical practices.

Pest identification is an important part of integrated pest management. Identifying weeds enables you to choose the right herbicide to apply, if it's needed. If you must use a herbicide, apply it when the risk is lowest. This is generally the first few weeks in May or late September and early October, when it is less likely there will be vegetable or flowers growing nearby. If possible, treat problem spots rather than the entire lawn.

Integrated pest management is also a good way to manage lawn diseases and insects.

Watering properly can also go a long way to maintaining a healthy lawn and reducing pest problems. Grasses need about one inch of water per week - more in the summer. Water heavily and infrequently, about once a week. Avoid frequent, light sprinklings, which results in more annual weeds and encourages shallow rooting of grasses.

For more information on lawn care, refer to extension publication (A3435) "Lawn Maintenance and Problems." Single copies cost \$1.20, which includes postage and handling, and can be ordered from Agricultural Bulletin, Room 245, 30 N. Murray St., Madison, WI 53713, (608) 262-3346. Make checks payable to UW-Extension. This publication is also available at some county Extension offices.

Spring Turkey Hunting Season Opens April 10

MADISON, WI - Wisconsin's 1991 spring wild turkey hunting season opens Wednesday, April 10, said William Vander Zouwen, turkey program coordinator for the Department of Natural Resources.

The 1991 spring season has six hunting periods: April 10-14, April 17-21, April 24-28, May 1-5, May 8-12 and May 15-19. More than 37,000 permits were issued for 20 turkey hunting zones; the department received 39,864 applications for turkey hunting permits.

Turkey hunting in Wisconsin is allowed by permit only. Hunters who receive a permit are allowed to hunt in one designated zone during one designated time period.

Fifty-nine turkey registration stations are located throughout the 20 hunting zones. Hunters must register their turkey at the following station: Fond du Lac - Din's Mini Mart, Hwy. 67, Dundee.

Only bearded or male turkeys are legal to shoot; they must be registered by 1:30 p.m. on the same day they're bagged.

Vander Zouwen noted two new rules that turkey hunters should be aware of this season: hunters are NOT allowed to use bait to attract turkeys; and for hunters using firearms, only lead shot size #4 and smaller, and steel shot sizes #2 and smaller may be used.

A current 1990-91 Wisconsin Wild Turkey Stamp is also required to hunt turkeys; the stamp must be signed across the face and attached to the hunting license.

In the 1990 spring season, 29,696 permits were issued for 19 hunting zones; hunters bagged 6,523 turkeys.

WB Sportsmen To Hold Gun Show April 14

West Bend Barton Sportsman's Club will be hosting its first gun show of 1991, Sunday, April 14th from 8 a.m. to 3 p.m. at the Amerahn Hall which is located one mile north of Kewaskum on Hwy. 45.

Kewaskum is located 30 miles north of Milwaukee on Hwy. 45, or 7 miles east of Hwy. 41 on Hwy. 28.

The public is invited to attend the show. Guns, knives, and militaria items will be bought, sold, and traded. Clean out your closets, bring it to the show, you may find a buyer. Admission is \$2.00 per person, children under 12 are free when accompanied by an adult.

West Bend Barton Sportsman's Club would like to thank all the people that attended our shows in 1988, 1989, 1990 and hope they will also attend our April show.

West Bend Barton Sportsman's Club is a non-profit club which has been active in Washington County for the past 25 years.

BREAKFAST IN THE SUGAR BUSH

Breakfast in the Sugar Bush will be held at Riveredge Nature Center on Sunday, April 7, from 9 to 12 noon.

Served out-of-doors amongst the scents and sounds of syrup'n, the breakfast will feature Riveredge's special pancakes, syrup, ham and beverages. The cost is \$6.50 for adults and \$4.50 for children.

Tickets are available at Riveredge Nature Center, a non-profit environmental education center, located on Highway Y, one mile north of Newburg. For further information, call the Center at 675-6888 (local) or 375-2715 (metro).

ATTRACTING BLUEBIRDS

Attracting Bluebirds will be presented at Riveredge Nature Center on Sunday, April 14, from 1:30 to 3 p.m. Learn how to attract bluebirds in this presentation by Riveredge's bluebird expert Mary Holleback.

Information about the habits, habitat and the best strategies to attract the bluebird will be illustrated and discussed. The fee is \$2.

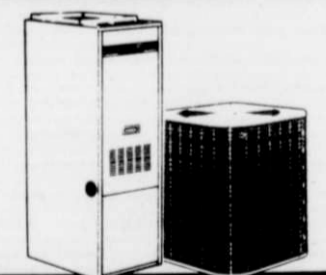

To register, call Riveredge at 675-6888 (local) or 375-2715 (metro). Riveredge Nature Center is an environmental education center located on Highway Y, one mile north of Newburg.

National Honor Society Holds Annual Volleyball Tournament

TOURNAMENT CHAMPS! Front row, left to right: Melissa Braun, Tisha Stradtman. Back row: Brian Jackson, Nicole Doherty, Rachelle Zuehlke and Scott Heller.

On Monday, March 25, the Kewaskum High School National Honor Society held a volleyball tournament. Seven teams participated in this event.

Tournament champions were Melissa Braun, Tisha Stradtman, Brian Jackson, Nicole Doherty, Rachelle Zuehlke and Scott Heller. Second place team members were Corey Krahn, Amy Chesak, Mark Felix, Randy Schlice, Stacey Heberer and Tracy Steinert. The National Honor Society would like to thank all who participated.

National Open Judo Tournament Held

The Milwaukee Sentinel Sports Show National Open Judo Tournament was held recently. Coach Jon Sanfilippo took seven members of the West Bend Judo Club to the event. There were almost 200 Judoka from eleven (11) states and Canada represented.

Jessica Sanfilippo won 2nd place in the young girls division. She recorded three wins, all by Ippon (full-point) with only one loss. Jennifer Sanfilippo also participated in this division.

Stacie Lee Theisen was awarded 2nd place in the middle girls division. Kerri Sanfilippo participated in the senior girls division. Her loss came due to a referees error.

Nick Nordquist captured 2nd place in the senior boys middle weight division. Winning 3rd place in the senior boys light weight division was Tom Rummel. Also winning 3rd place was Josh Kestings in the senior boys heavy weight class.

On Weds. March 20, 1991 the West Bend Judo Club competed with the Milwaukee Judo Inc. Judo Club in an inner-club tournament at the Sports Show. Coaches Jon Sanfilippo, Joseph Sanfilippo and Ronald Rodamer, along with asst. coaches Keith Darmody and Barry Bertram brought (14) Judoka to participate from West Bend.

The players included: Ellyn Theisen, Barry Bertram Jr., Molly Kliss, John Hively, Jon Deluka, Brenda VanDemark, Sara Bertram, James Spars, Nick Thull, Stacie Lee Theisen, Eric VanDemark, Kerri Sanfilippo, Nora Bertram.

UWVC Professor Receives Grant To Test Fish Attractant Products

Dr. Wayne F. Schaefer, associate biology professor, of the UW-Washington County has received a nearly \$1700 grant from Wisconsin Pharmalac Company of Jackson to field test its fish attractant products.

Wisconsin Pharmalac Company Research and Development Chemist Dan Glatch presented a check for the research on March 14 to Dr. Schaefer, Dean Joel Rodney

and students Steve Cahoon and Brent Johnson.

The grant for the field testing was written by Schaefer who, along with two students, will study the chemical attractants in a late March field test in Lake of the Woods, Canada.

The field test includes a statistical analysis of three different fish attractant solutions as well as one control group. The fishing for Walleye Pike will be done through the ice and the attractants will be tested on live and artificial bait.

Schaefer has done field research for other fishing related companies including catch and release studies on hooking methods of the Walleye.

Oldtimers Ass'n. Have Chance to Sound Off

Oldtimer Association members of the Rock River League will have a chance to sound off on a national baseball issue at their annual business meeting set for 1:30 p.m., Sunday, April 7, at Dodge Center, Horicon.

Stratospheric major league player salaries, coupled with escalating stadium-refreshment food prices among other major league problems, will be on the discussion table.

Remedies will be sought at the grass roots level.

Taking top billing at the meeting, however, is filling six openings on the 62-year-old league's 1991 Hall of Fame ballot.

Five new famers are due for election by the Oldtimers in September. They'll be inducted on November 2 at the association's '91 windup honors dinner.

Also on the organization's tap this year is an Oldtimers' Day at Milwaukee County Stadium on Thursday afternoon, August 1, when the Kansas City Royals battle the Brewers, and an outing at a September Rock River championship playoff game.

Three reasons to recycle used motor oil

- 1) Protect ground and surface waters, fish and wildlife
- 2) Conserve energy and decrease dependence on foreign oil
- 3) It's easier than you think

Date.....

Parent's Signature

SHIRT SIZE — PLEASE CIRCLE ONE

Kids - Small (6-8).....Medium (10-12).....Large (14-16)

Adults - Small (34-36).....Medium (38-40)

If you have any questions, call Gary Gavin at 626-2209, or Gary Sweeder, Hardball Commissioner, at 338-0814. No new players will be accepted after April 8th or when the teams reach 14 players per team.

Holy mackerel! A mother cod can lay as many as five million eggs at a time. Usually only six survive. If they all produced live fish, there would be much less room left in the ocean for water.

Cedarburg Clinches Lakes Title With Win Over Kewaskum

CEDARBURG — Fueled by the one-two punch of Scott Murray and Rick Nisleit, the Cedarburg Turners clinched the Land O' Lakes championship with a 143-118 win over Kewaskum here Saturday night. Murray had 41 points to lead the Turners and Nisleit had 38. Cedarburg finished the season with a 10-2 record, one game ahead of Oconomowoc and Thiensville-Mequon, who were 9-3. It marks the sixth time in the last seven years that the Turners have either won or shared the championship. Kewaskum finished the season tied with Port Washington for sixth and last place at 2-10. They improved their record from last year when they were winless in 12 games.

Cedarburg outscored Kewaskum in each of the first three quarters. They grabbed a hefty 40-20 handle after the first quarter, and the lead ballooned to 76-47 at halftime and 108-73 after three quarters. Kewaskum came back with a 45-35 fourth quarter to make the final score more respectable.

Kewaskum manager Bill Backhaus commented "We were short-handed again and when we're in that situation, Cedarburg just has too many guns for us. We played hard, but it just wasn't in the cards. They're a good team and their record over the years proves it."

The Turners made only four of 11 free throws for 36.4 percent, while Kewaskum shot a sizzling 17 of 21 for 81.0 percent.

Dave Eschrich added 19 for Cedarburg, Rob Sutherland 17, and Steve Van Dyck 16. Tony Pirozzoli poured in 40 points for Kewaskum, Dan Pace added 29, Troy Engstrom 20, Carl Hein 19, and Backhaus 10.

Assessing Kewaskum's fortunes for next year, Backhaus opined "We were a lot more competitive this year than in the past. We cut our average point differential down from 37 last year to 15 this year. We've got a good nucleus of players. If we can get everybody at the games consistently, we could move up in the standings."

The date and site of the Lakes banquet has not as yet been announced. This information will be forthcoming from acting commissioner Cole Braun.

LAND O' LAKES BASKETBALL LEAGUE Final Standings

Cedarburg	10	2
Oconomowoc	9	3
Thiensville-Mequon	9	3
Menomonee Falls	5	7
Hartland	5	7

Kew. 20 27 26 45 - 118
Cedarburg 40 36 32 35 - 143

Turkey Hunting Rule Changes

The Second Annual Spring Turkey Hunt for the Campbellsport Area begins on April 10th at 5:53 a.m. A total of 600 permits were issued for the six time periods, with final time period ending May 19th.

Hunters are reminded to pick-up their 1990-91 turkey stamp. It costs \$5.25 and will be required for the Spring 1991 Season. The stamp must be signed and affixed to your hunting license. Senior Citizens Recreation Card Holders, First Year Wisconsin Hunter Education Course Graduates, and Military Licensees do not need the stamp.

There are also two new rule changes for the up-coming hunt. Shot shells loaded with shot larger than No. 4 lead or No. 2 steel and duplex loads containing any shot larger than No. 4 lead or No. 2 steel are not legal. This is a safety regulation intended to lessen injury in the case of accidental shooting. The larger shot, in the past, has caused serious injury and even death to hunters. One fatal accident took place in SW Wisconsin where a hunter shot his companion 37 feet away with a No. 2 shot lead.

The second change is that baiting of turkeys is not a legal hunting method.

If you have other questions on the up-coming turkey season, feel free to give me a call.

Slaughenhoup Rolls '300'

For the first time in 25 years of bowling Mark Slaughenhoup rolled a perfect game.

Mark bowled the "300" game last Thursday night, March 27th, in the Intercity League at Lighthouse Lanes, West Bend. He finished the night with a 627 series.

Congratulations Mark!
His son DJ rolled his first 300 game at Carmel Lanes,

Allenton, on Saturday afternoon Jan. 12, of this year, bowling in the Sportsmen's Club Tournament. He finished with a 660 series.

The chances of a father and a son bowling a 300 game nine weeks apart, are one in a million, and might be one for the Guinness Book of World Records!
