District's Short and Long Term Goals Approved

Kewaskum School Board Considering Shifting the School Boundary Lines

By GERRY MUELLER

Statesman Staff Writer The Kewaskum Board of Education. Monday night, heard District Administrator Heather's David recommendations shift to boundary lines affecting the district's elementary schools. In his presentation Heather told the board that the moves would aid both school populations and busing routes.

The first recommendation affect would Farmington Kewaskum boundary. It would move the boundary line from the center of Forest View Road to a point west of Forest View. Any residence whose driveway is accessed from Forest View would be considered in the Farmington attendance area. Presently the change would affect one first grade student increase the FES and population by one.

The second change would move the Wayne/Kewaskum boundary from the center of Town Line Road, one section to the east. The new boundary would be the east side of Glacier Drive, County B and Highland Drive. Residences on the east side of these roads would be in the Wayne attendance area.

In making his recommendations, Heather said the changes would provide more uniformity to class sizes across the district, make more efficient use of Wayne and hopefully allow for growth at KES without having to increase staff.

Heather also noted the board will have to do something to 'bolster' the WES kindergarten class. He said that there were two "pockets" of approximately six kindergarteners that would fall into the KES district. Heather suggested that one of these groups be sent to Wayne whose 1992 kindergarten class is only 13 students and would be increased to about 18, still considerably lower than kindergarten classes at FES and KES

Heather asked the board to review the recommendations for possible action at the June and

Average Kewaskum Teacher's 'Salary Only' Increase Would Equal 9.83%

Teachers Union Proposing One-Year Contract

By GERRY MUELLER Statesman Staff Writer

The Kewaskum Education Association and Kewaskum School Board are continuing their negotiations for a new contract with the district's school teachers.

In response to a two-year pact proposed by the school board, teachers' union has countered with a one-year contract covering only the 1991-92 school year.

The union's initial proposal presents a Base Salary only for a first year teacher of \$21,856, up 7.5% or \$1,525, from the present 90-91 salary of \$20,331. The maximum salary only proposed for a teacher with a Masters Degree plus 20 extra

Cystic Fibrosis Bike-A-Thon May 18

Kewaskum Junior Woman Club members would like to take this opportunity to remind all Cystic Fibrosis Bike-A-Thon participants that the bike-a-thon will be held Saturday, May 18, at the Kewaskum High School track from 9 a.m. until noon.

The course for the younger riders will be on the track and the older riders will use the middle school parking lot and around the outside of the track.

We look forward to a warm sunny day and your participation. If you have any questions, you may call Louise at 626-4291. See you Saturday!

credits and 14 years teaching experience is \$43,712, up \$3,050 from this year's salary only figure of \$40,662.

In analyzing the union's May 6th proposal, the school board came up with the following figures: A teacher moving from BA Step 1 (90-91) to BA Step 2 (91-92), would have a salary increase of 12.65% or \$2,898. A teacher moving from MA + 20 Step 1 (90-91) to Step 2 (91-92), would have an increase of 13.10% or \$3,168. A teacher moving from MA +20 Step 13 (90-91) to Step 14 (91-92), would have a salary 11.22% or \$4,412.

Based on those schedule figures, the 'average salary only' per returning teacher, would be \$36,563, an increase of 9.83% or \$3,272. The average per teacher salary, including fringe benefits (based on a

Roe Retirement

The Kewaskum School Board and Staff cordially invite community members to join them in honoring Mr. Dean Roe, who will be retiring at the end of the school year.

Reception May 23

A reception will be held Thursday, May 23, 1991 in the library at Kewaskum High School from 3:30 - 4:30 p.m. A presentation of awards is scheduled for 4:00 p.m.

projected 7-9% fringes increase) would be \$51,827, an average salary and fringe increase per teacher of \$4,599.

District Administrator Dr. David Heather said he could not provide an exact percentage figure on the salary plus fringes increase because the district itself, does not know exactly what per cent increase it will be facing for its health and dental insurance costs for the coming year. Presently the district is anticipating a 9% increase in health insurance costs and a 7% increase in dental premiums. While those increases are not expected to come in lower, there is always the outside chance they could be higher.

KHS Outdoor Concert May 21

The Kewaskum High School musicians will be presenting their annual Outdoor Concert on May 21, 1991 in River Hill Park beginning at 6:30 P.M. Included on the concert will be the Concert Choir, Treble Choir, Swing Choir, Concert Band, Symphonic Band, Jazz Band and the Toronto Band.

Hamburgers and brats will be sold and along with the popular music being presented this should be an enjoyable evening for all in attendance. No admission charge, so we hope to see you there.

Kewaskum Observes National Police Week

Thomas Bauer, Kewaskum Police Community Relations Officer, hands out baseball cards to: front row, left to right - Nathan Grasse and Brian Haeuser. Back row: Nathan Vetter, Matt Schneider and Brad Bechler, all students at St. Lucas Lutheran School. Monday was the first day of giving out the 1991 series of baseball cards, paid for by Kewaskum Valley Bank. Officer Bauer asked that we remind youngsters NOT to run in the street to get cards from the officers. Remain on the sidewalk and flag the officers down. They will pull over to the curb and pass out the cards unless they are answering a call. The department will be handing out two player cards a week for the next fifteen weeks.

By GERRY MUELLER Statesman Staff Writer

12th, to be dedicated as that safety. National Police Week, and specifically. May 15th, to be dedicated as Police Memorial

The American flag will be flown at half mast on Wednesday, May 15th, at the Kewaskum Municipal Building, in recognition of all law enforcement officers who have died in the line of duty.

Besides being the protectors of our safety and well being and guardians of our property, they are an important part of a community's life. Serving in many capacities America's police officers have become involved in many programs and activities which affect young and old alike.

Kewaskum's police officers can be proud of their work in such projects as the DARE, Scared Stiff, and Liaison programs as well as the youth Hunter Safety courses.

Citizens of the community are being asked to make every effort to express their thanks to the people who make it possible

for everyone to leave their homes and family and return The Congress of the United knowing their safety is being States of America has protected by those willing to designated the week of May sacrifice their lives to ensure

Kewaskum Frozen Foods Wins Three Reserve Champion Awards

from (if in high school) their Tennis Coach; if not in high school, you need to pick up a registration blank from the Municipal Building Office.

PERSONS ALL INTERESTED MUST REGISTER ON ONE OF THE FIVE REGISTRATION DAYS.

AN ORGANIZATIONAL MEETING WILL BE HELD AFTER THE REGISTRATION DATES.

Kewaskum Frozen Foods was awarded Reserve Champion for fine-cut bologna, ring course-cut ring bologna and traditional fresh bratwurst at the Wisconsin Association of Meat Processors' annual Meat Product Show.

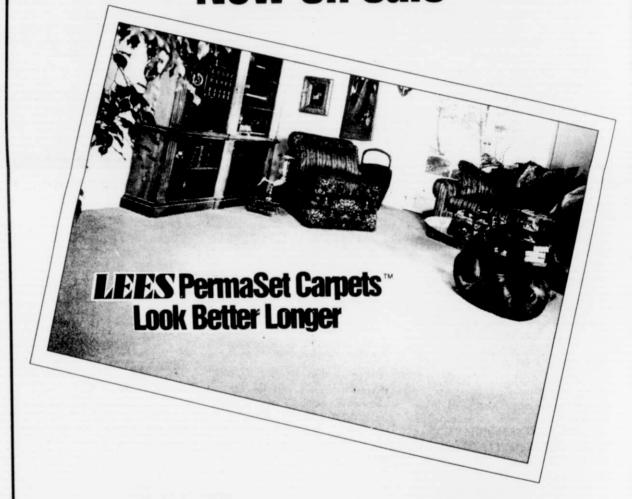

Every year, Wisconsin's small meat-processing plants and meat markets get together to compare their offerings of processed meat products. This year, 56 plants entered 822 products into 26 classes at the competition, held April 20 in Madison. The event is part of the association's annual convention.

University food scientists, out-of-state meat processors, and representatives of the meat livestock industries

evaluated the entries for flavor. external appearance internal texture. The top four products in each class won awards.

The competition, which began in the 1950s, is the largest meat show in the United States. "The show reflects the important role of sausage and processed meats in the past and Wisconsin present industry," says Dennis Buege, University of Wisconsin -Madison extension specialist. "Wisconsin plants and shops produce a wide variety of unique products that are not easily found in other areas of the country. The experience allows operators to compare their best products, and to learn about further product improvement."

Kewaskum Athletic Club Asks School Board to Reconsider Beer Decision

By GERRY MUELLER Statesman Staff Writer

Several members of the Kewaskum Athletic Club were present at Monday night's School Kewaskum Board meeting. Their purpose was to ask the board to reconsider its decision, last month, to deny the club permission to sell beer during its weekend ball games on the school's baseball diamond as it had done in the past. The motion to approve that request died due to a 3-3 tie

Ric Leitheiser, who spoke for the club, said before the group began selling beer in 1988, its treasury was virtually empty. With the beer sales, the club has earned money it has used to maintain and improve the diamond as well as donate equipment to the school's ball

In 1988, Leitheiser said, the club spent \$300 to gravel the grandstand area and repair the broken water fountain. In 1989, we initiated the Youth Division and provided \$200 for it. In 1990, we donated \$100 worth of batting helmets for the youths.

"This year we took down the snow fence, had ten men spend about 31/2 hours mowing, raking and preparing the diamond and purchased another helmets,' said Leitheiser. "We know a lot of this benefits our club," said Leitheiser, "but it also helps the district's maintenance crew because its work they don't have to do."

Leitheiser asked that the club's request be placed on next month's agenda for discussion and action. The board agreed to the request.

Moraine Park Apprenticeship Completion Banquet

Forty-five individuals have completed apprenticeship programs offered through Park Technical Moraine College.

They were honored with an apprentice completion ceremony and banquet at the Knights of Columbus Hall in Fond du Lac May 9.

Each apprentice is required to complete from 300 to 576 of trade-related classroom work, depending on the occupation, according to Glenn Demoske, associate dean for Moraine Park's trade and technical division. Typically, an apprenticeship can take from three to five years. The employers of the apprentices pay for this training.

Depending on the occupation, the classes are taken at Moraine Park's campuses in Beaver Dam, Fond du Lac or West Bend, or through another technical college

At the completion of the apprenticeship program, Moraine Park issues certificate of achievement and the candidates are certified by state's Bureau Apprenticeship Standards.

Scheduled to complete their apprenticeships through Moraine Park, with their employers from the area are:

ABC Electricians Shulfer Electric, Bill's Electric,

Lomira; Amory Waters, Ron Aubrey Electric, Inc., Theresa. Carpenters - Ron Heimerl, Gruenewaldt Construction,

Plumbers - Robert Johann. Gene Johann Plumbing,

Millwright - Chuck Nowak, Allcast Inc., Allenton.

This Week's 'KING' **Nominations**

May 10th-May 14th

The nominations for "King" of Kettle Kountry Kolors have been trickling in at a steady pace since the nominations opened up May

All the proceeds are going to fund a special lumberjack show which will be held Sunday, October 13th, at Kettle Kountry Kolors. So this is a perfect chance for all of you to "honor" all those exceptionally talented... good looking... gentlemen in town.

And ladies, bear in mind all the times your husband watched the Miss America contests on TV. Now he can learn first-hand how exciting it feels to be a candidate. (And we promise, there won't be a swimsuit competition!)

Just remember guys... it is for a good cause... and you don't have to be shy, it's all in fun among your friends (?) and we have decided not to have Good Morning America come and announce the final winners and not to send the pictures in to Star Search.

HINT TO CANDIDATES: We

Weasler Engineering Promotes Employee Health and Fitness

Weasler Engineering Inc., of West Bend, will be observing their second annual "National Employee Health and Fitness Days" by sponsoring an entire week of physical activities, health screenings and health awareness seminars. During the week of May 13 to 18th, employees and spouses are encouraged to participate in a wide variety of health and wellness activities

Physical activities include walking, volleyball, badminton, horseshoes and golf. Area health professionals will be offering talks/demonstrations on nutrition, aerobics, dental health, preventing injuries at and at play, and hypnotism to improve your health. Blood pressure, blood glucose and mammography screenings will also be offered. Raffle tickets will be awarded for participation and over 40 prizes will be given away to promote healthier lifestyles.

Last year, 75% of all Weasler Engineering employees participated in the Health and Wellness Week activities. If the weather cooperates, we are looking for an even bigger turn Weasler Engineering out! knows that it makes good business sense to promote worksite health and wellness activities. It will improve employee health and health awareness, it will help control health insurance and other related health care costs, and it will improve employee satisfaction and productivity.

"Worksite health wellness activities are a win-win proposition" says both Weasler employees and management.

Reseburg - Goslinowski

Buffy May Reseburg and Michael Brian Goslinowski were united in marriage on March 2, 1991 during a 2 p.m. ceremony at St. John Lutheran Church, New Fane. Rev. Mark W. Eckert officiated.

Parents of the couple are John and Melanie Reseburg of Kewaskum and Richard and Sandra Goslinowski Campbellsport.

Music was provided by soloist Ada Thull.

The bride chose her friend, Darci Hankwitz of Eden, as her maid of honor. Bridesmaids included Tanya Zuehlke of Adell and RyAnne Reseburg of Kewaskum, sisters of the bride, and Jean Holtz, Kewaskum, friend of the bride

Paul Heinemen, Adell, friend of the groom, served as best

man. Groomsmen were Todd Boegel, Kewaskum, friend of the groom; Shawn Neitzel, Campbellsport, friend of the groom; and Darrick Sekeres, West Bend, cousin of the bride.

Ushering duties were shared by Michael Zuehlke, Adell, brother-in-law of the bride; and David Kelln, West Bend, cousin of the groom.

A reception followed at the Amerahn in Kewaskum.

The bride will be a 1991 graduate of Kewaskum High School, and will pursue a career in childcare.

The groom is a 1987 graduate of Kewaskum High School, and is employed with Serigraph,

The couple now reside at 1349 Kewaskum St., Kewaskum.

Sara Lefeber Receives Music Scholarship

The Little Johnny Scholarship is sponsored by the United Orchestra Leaders, Inc., which was presented by Willie Fochs of Campbellsport to Sara Lefeber, daughter of Mr. and Mrs. Jerome Lefeber, who is a senior at Campbellsport High School. The organization sponsored a dance on April 5 at Amerahn, Kewaskum, with music by the Jerry Schneider Orchestra. During intermission, Sara performed with her friend, Kim Smith, who accompanied her on the keyboard which was enjoyed by all. Sara will be attending Stevens Point University of Wisconsin. The United Orchestra Leaders, Inc. offers a Little Johnny Scholarship to any eligible senior who is pursuing music in college that has a member of the United Orchestra Leaders residing in the school district.

Junior Woman's Club Welcomes New Members

The GFWC Kewaskum Junior Woman's Club is pleased to announce that two new members were officially welcomed to the club in a candlelight rose ceremony performed by President Barb Brietag on Tuesday, evening, May 7. Barb was assisted by Membership Chairman Meri Lou Chambers. Members extended a warm welcome to Pam Martin of West Bend and Annette Stommel Kewaskum.

Any woman who is interested in learning more about our volunteer organization is invited to call Louise at 626-4291.

Left to right: Pam Martin, Barb Brietag, Meri Lou Chambers and Annette Stommel.

Buchholz - Becker

Harriet A. Buchholz and James Becker have announced their engagement.

They are the children of Mrs. Hilda Bucholz, Huilsburg, and the late Henry Buchholz, and Mr. and Mrs. LeRoy Becker of Kewaskum.

The future bride is a graduate of Hartford Union High School, and is employed at The West Bend Company. She also Diamond Bridal operates Designs business.

The future groom is a graduate of Kewaskum High

Chief former School. Snowmaker at Sunburst and presently is self-employed in farming.

The wedding will take place during a mid-summer night's dream. Aug. 16, 1991.

Cedar Ridge Festival May 18

A celebration of spring will be featured on Saturday, May 18, during the fourth annual Cedar Ridge Spring Anniversary Festival. Held at the Cedar Ridge Retirement Campus from 11:00 a.m. - 5:00 p.m., the festival is open to the public.

A delicious luncheon will be served in the Top of The Ridge restaurant. Brats, burgers, fruit salad, chips, raw vegetables, dip, ice cream bars and coffee or juice are included in the luncheon. Family oriented prices range from adults, \$4.50, children (age 5 - 10) \$2.00; and under 5, free.

A popular local band, "Jiggs and Company," will provide musical entertainment from 1:30 p.m. - 4:30 p.m. Hand made crafts, fresh bakery and fine resale items will be available for purchase. A cream puff sale will offer the delicious pastry in a cafe setting. A unique "Parade of Tables" display will feature collectibles of Cedar Ridge residents. Residents will also showcase the hobby train room. Two apartments will be open for viewing. Cedar "bugs" will take visitors on tours of the 50 acre campus including a stop at the Cedar Ridge woodwork shop.

Cedar Ridge Retirement Campus is located at 113 Cedar Ridge Drive (south of state highway 33) on the west side of West Bend.

Jam for Kids Sponsor Handicapped Athletes

Since it is almost summer, staying home would be a bummer. If your losing leverage, come up for a beverage. So if you have nothing to do, bring a friend or two. The grass is green and you know what that means...

It's time for Jam For Kids.

Come for the music, good times, and cheer on Sunday, May 26. Gates open at noon at Our Place tavern on Hwy. 33 West. Entertainment will be provided by Ida Red from 1:00 p.m. - 4:30 p.m.; Catch a Wave from 5:00 p.m. to 8:30 p.m.; and the Larry's from 9:00 to 12:30 p.m.

Jam for Kids, Inc. provides the funds which cover the cost of training, transportation, uniforms and game fees for handicap athletes. This program could not exist without the sponsorship for Jam for Kids, Inc.

Kids, Inc.

Come one, come all for the music, food & fun!!!

Jackson to Hold Community Rummage Sale Saturday

Jackson, will again be the location of S.E. Wisconsin's largest concentration of rummage sales.

Saturday, May 18th, 8:00 a.m. - 5:00 p.m., will be our 11th annual event. Last year, over 137 homes had sales in the Jackson area.

Jackson is located on Hwy. 60, just east of Hwy. 45, only 20 minutes north of Milwaukee on the way to West Bend.

Come join us and make a day of it. Free maps giving location of all sales will be available at local merchants on Wednesday, May 15

For information, call Jerry at 677-2779 or Lisa at 677-4121.

RUMMAGE/BAKE SALE TO BE HELD JUNE 1

The public is invited to a rummage/bake sale from 8:00 a.m. to 2:00 p.m. on Saturday, June 1 at the Cedar Lake Home Campus.

This sale is sponsored by the Campus Safety and Suggestion Committee representing campus employees.

There will be a large selection of household items, furniture and collectibles. Home baked goods will also be featured.

The employees of the Cedar Lake Home Campuses sponsor this sale annually in order to fund various charitable projects on campus.

The sale will be held in the Fort Cedar on the Cedar Lake Home Campus, which is located, on Hwy. Z, two miles south of state Hwy. 33.

Free Blood Pressure Screening Offered

The Community Health Nursing Service Cardiovascular Risk Reduction Program is offering free blood pressure screening at the following sites during the month of May:

May 25 — West Bend Fire Department, 320 N. 7th Ave., West Bend, from 1 to 4 p.m.

Questions about the program may be directed to Doris Dauer, Coordinator, at 335-4738, 644-5204 or 342-2929 (toll free, ext. 4707).

School Board

(Continued from Page 1)

July meetings. The board also approved a list of its short and long term goals for the district. A brief description of its goals for 1991-92 include; develop building principals instructional leaders, improve curricular integration among subject areas throughout all implement grade levels, strategies to allow every child to achieve success, build school and community partnerships and increase computer usage the integration

computers at all grade levels. The board's long term goals include: provide more and varied opportunities for students to increase mastery of learner outcomes, increase computer usage/electronic teaching capabilities to improve student learning, board involvement change mediation/arbitration law. facilities development and budget improvement and increases to reflect district educational goals.

In other action the board approved the administration's requests to add a part time EEN speech/language position and a full time math/science position at the high school. Special Education Director Richard Zarling advised the board that the district's two speech clinicians are presently working with over 80 students ranging from the early childhood program through the high school grades.

High School principal Leroy Kopecky said the addition of the full time math/science position would help to ease the five overload schedules of the present instructors, freeing them for some supervisory duties.

The board also approved the hiring of an individual to fill a social studies vacancy caused by a retirement.

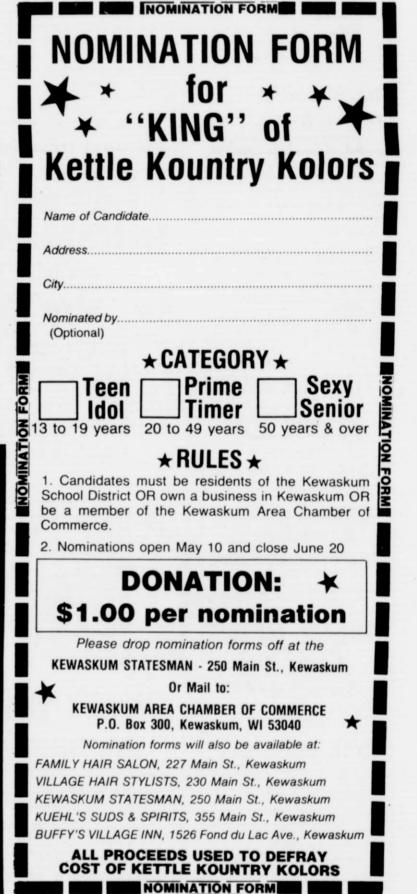

Heather also asked the board to review his request to increase general student fees. He told the board, by comparison with surrounding districts, Kewaskum's fees are low. "The recommended increases would generate approximately \$25,000 in additional revenue for the district," said Heather.

Mr. Kopecky announced that

Charles Metz has been chosen as the May KHS student of the month.

Board members Neal Weare and Paul Seymour volunteered to present diplomas at this year's graduation ceremony. The date is a nourishing food, high in vitamins A, B, D, and G, and especially the minerals calcium, phosphorus, potassium, iron, sodium copper and magnesium.

Sponsored by the Boltonville Fire Department

Beechwood Fire Department To Hold Open House

The recently completed Beechwood Fire Department meeting room, left, will be dedicated during the open house Sunday afternoon.

By GERRY MUELLER Statesman Staff Writer

The public is cordially invited to attend an open house and short dedication program at the Beechwood Fire Department, this Sunday, May 19th.

The open house, hosted by the department and its auxiliary, will run from 1:00 p.m. to 5:00 p.m. with a short dedication at 2 p.m. The new station is located on County Highway S, just east of the intersection of Highways S and A, in Beechwood. Refreshments

Big Roundup At Beechwood

Come and join the fun at the Big Round-up (last night of story-time library for the season). In the Beechwood Community Library in Beechwood School on Monday, May 20

Doors will open at 6:30 p.m. A program of games and songs is planned at 6:45 p.m. Parents and friends are welcome! Everyone may dress like cowboys and cowgirls. All books will be collected and NO books will be checked out.

See you at the summer library.

GIFT CERTIFICATES AVAILABLE and snacks will be served.

The highlight of the afternoon will be the formal opening of the department's recently completed meeting room.

The new meeting room and fire station replace the department's original facilities which were sold to the owners of the Beechwood Rest Home in 1987.

The department's new 48' x 84' station was completed in 1987. In 1990, the department voted to expand the facility with the addition of the 30' x 48' meeting room, which now completes the project.

The finishing and furnishing of the meeting room was done by department, auxiliary,

honorary members, their wives and families.

The entire fire station, including the new meeting room, were paid for by money received from the sale of the old station as well as money raised through the annual picnics, the 'Bowl for Dollars', and a variety of other fund raisers. No tax dollars have been used for the project.

The annual Beechwood Firemens Picnic, which helps to fund the department's various projects, such as the new station, will again be held on June 29 and 30th. Everyone is invited to attend for a weekend of summer fun and entertainment.

Village of Kewaskum NEWS NOTES

The Village Board would like to remind the residents of the Village of a topic covered in the Village's Municipal Code. The topic is covered in Chapter 10, Public Nuisances, we shall refer to this problem as a health hazard. The Village has undertaken several steps to improve the clearwater (storm water) discharge in the entire community, but yet people are not cooperating. We find that people cut their grass and catch it just to dump it in a designated clearwater collections point to help plug up and eventually cause water to back up during certain times of the year. The Village would ask that all residents keep their grass clippings and leaves away from the catch basins in the curb area. Also to refrain from dumping their grass clippings and leaves in ditched areas.

We Bid Farewell to Sister Phyllis...

Members of Holy Trinity, St. Michael's, St. Bridget's and St. Kilian parishes, and the Kewaskum Community gathered at Rose Hall in Kewaskum High School on Tuesday, May 7, to say goodbye and to honor Sister Phyllis Wirtz. Sister Phyllis has resigned her position as principal of Holy Trinity Catholic School in Kewaskum to pursue an administrative ministry serving the retired Sisters at St. Joseph's Convent in Campbellsport. In the past seven years that she has been with us, Sister Phyllis has become entwined in the hearts of young and old alike. She will always be missed and never be forgotten.

Former pastor Father Robert Berghammer shared some of his anecdotes about Sister Phyllis, as Co-MC Richard Lieven, seated at the right, listens attentively. It seems every time Sister Phyllis called Father into her office for a cup of coffee, she persuaded him to institute a new program for the students of Holy Trinity. Music... Art... Physical Education... Band... Computers... Students At Risk... that's a lot of coffee!

Sister Phyllis is escorted off the stage by School Board President Larry Martin. Co-MCs Izzy Straub and Dick Lieven are shown to the right.

Sister Phyllis shown with the jumbo card which contained all the names of those who donated toward her trip. The sentimental card read: "I Just Hate to Say Goodby... Isn't There Some Way You Can Leave Without Going Away?"

The third graders give their "salute" to Sister Phyllis.

The teachers performed a little "song and dance" routine to the tune of "Mame" Shown left to right is: Terry Christie, Student at Risk teacher; Sister Janet Heder, fifth grade and art; Pat Goham, seventh grade; Mary Kollmorgan, sixth grade; Ellen Schmid, music; Sister Phyllis, seated, complete with crown, roses and a red velvet robe; Gail Filzen, physical education; Mary Breuer, fourth grade; Joanne Schacht, first grade, Brenda Bauer, computers, and Diane Gremminger, third grade. Seated at the piano is Betsy Schill, second grade teacher who revised the lyrics that were so fondly adapted to Sister Phyllis.

TRIBUTE TO SISTER PHYLLIS

(Sung to the Tune "MAME")

You are so very sepcial to us, Sister Phyllis You made each day so very nice here, Sister

You plan, you order and fix, and even do the playground at noon!

We hate to see you go...

Please come back and visit us real soon

You made H.T. a nice place to be, Sister

You smile at all the kids that you see, Sister You always gave all of yourself, even dyed your hair to raise some funds

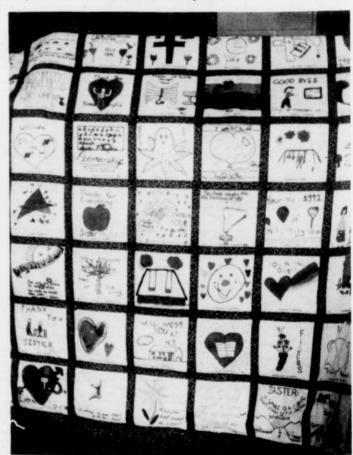

You made H.T. on top... You made H.T. cream of the crop...

We think you're just sensational, Sister!

(Lyrics by Second Grade Teacher, Mrs. Betsy Schill)

Rosemary Schrauth, president of the Home and School Association, center, and Sue Rettler, member of the School Board, present Sister Phyllis with a giant card containing everyone's name who contributed towards a special gift (an oversized check) for almost \$1,500. The money was given towards a trip to Italy that has been a long-time dream of Sister Phyllis.

Shown above is the quilt that was presented to Sister Phyllis by the children of Holy Trinity School. Each square was individually drawn by the school children and then sewn together by Patty Clayton (with a little help from Louise Martin and Karen Kletti).

KHS Announces Scholarship Winners

Scholarships have awarded to Kewaskum High School seniors for academic achievement this year amounting to more than \$47,000. This is in addition to other awards given by the various colleges or technical schools they plan to attend in fall and other scholarships yet to be announced.

There were also other scholarships administered through the agriculture department which were awarded at the annual FFA banquet on April 25th.

The two top scholarship winners from the class of 1991 are Patti Aupperle and Laura

Vogt, recipients of the \$10,000 Steier. J.O. Reigle Scholarships, a \$2,500 per year award for four years.

Other scholarship winners and the amount of the awards they carry are:

KEYS - One \$6,000 college -Nicole Gaffke; one \$6,000 Schlegel Found., college - Amy Chesak; three \$1000 college or tech. - Chris Wunsch, Nicole Doherty, Tammy Troeller; one \$1,000 Ann-Marie Horner Memorial, college - Brenda Behling.

Wings Over Wisconsin -Kettle Moraine Chapter - one \$1,000 college or tech., Conservation Field - Joseph Kelly Berres.

Clara Jaehnig \$700/\$800, community/school related service - Pam Gauger.

Kiwanis Club — Two \$750 college - Amy Redig, Stacey Betts; two \$400 tech. - Jason Thull, Bridget Wagner.

Clifford M. Rose - one \$500 college - Melissa Miller. Valley Bank - one \$500

Degrees Awarded at UW Fond du Lac

Sixty-five University of Wisconsin Center - Fond du Lac students received Associate Degrees at the Honors and Commencement program held Wednesday, May 8, in the Student Center.

The guest speaker, Thomas Carew, owner of Action Printing, addressed the audience on the topic of "Achieving Your Goals."

Students who received Associate of Arts & Science Degrees from this area at the completion of the 1990-91 academic year were:

CAMPBELLSPORT: Paul Cochran, Rick Loomis.

Recognition was given to members of two organizations for outstanding services to the

campus and community this past week - the Volunteer Income Tax Assistant group and the AODA Awareness Week Committee. The members of VITA were: Jo Ann Bachhuber, Mayville; Jackie Jaeger, Campbellsport, Jody Koscher, Berlin; Brenda Woelfel, Chilton, Bob Huck, Steve Luehring, and Barbara Woznick of Fond du lac. AODA committee members were Catherine Manowske of Fond du Lac and Heidi Pagel of Campbellsport.

Peanuts create quick energy which burns up calories and builds muscle. Appreciable calcium, amounts of phosphorus, potassium, iron and magnesium are also found in peanuts.

Degrees Earned

Marian College in Fond du Lac. Wis., granted 190 undergraduate and graduate degrees at its commencement ceremonies on Saturday, May 11. The college celebrated the 50th anniversary of its first graduating class in 1941, and the three remaining members of that class - all Catholic sisters - received honorary Doctor of Humane Letters degrees.

Students from the Kewaskum area receiving degrees from Marian College include Renee S. Kapp, BSN; William J. Kulas, BBA, Cum Laude; Elizabeth Ann Stoffel, BBA.

Why Are Auto Insurance Rates Increasing?

Good drivers find themselves asking the question: "Why should my car insurance rates keep going up when I have never had an accident?"

"To find the answer you have to look at the nature of insurance itself and the rising costs of those things insurance companies must pay for,' explained Randy Gust, an American Family Insurance agent located in Kewaskum.

'It would not take much of an accident these days to result in a claim for several thousand dollars," continued Randy. The average bodily injury claim from auto accidents in 1989 was \$7,594, nearly 138 percent higher than the \$3,195 average claim in 1979. The average property damage claim was \$1,382, or 131 percent higher than 10 years earlier.

"If a motorist's recent driving record was the primary factor affecting insurance rates, then his or her premium could shoot up astronomically after an average accident,' stated.

"A major culprit behind rising auto insurance rates is the escalating expenses of those things that auto insurance pays for, primarily medical care, car repairs and legal fees," noted

The Consumer Price Index shows that, over the past 10 years, the cost of medical care has risen by 121 percent, hospital room charges by 163 percent, doctors' services by 117 percent and car repairs by 85 percent.

Other expenses that must be covered by auto insurance rates are the cost of car thefts, fraud and uninsured motorists. More than 1.5 million motor vehicles were reported stolen in the United States in 1989 and another 2.9 million were burglarized. The total cost of auto theft to the public is more than \$7 billion a year.

Fraudulent claims cost the automobile insurance industry and ultimately all policyholders - at least \$1 billion a year. Some examples of such fraud are filing inflated, duplicated and post-dated claims; faking accidents and injuries; and "owner give-ups" (when an owner abandons or sells a vehicle and then files an insurance claim). It's estimated that 15 percent of all auto theft claims filed nationwide are

Res. 626-4154

fraudulent, with the figure being much higher in certain cities.

Insurance rates also are driven upward by the \$1.8 billion cost of collisions involving uninsured motorists and by "assigned risk" and other programs designed to insure high-risk drivers, often at rates that are subsidized by good drivers.

The industry has led the way on several fronts to reduce or control insurance rates. One has been to make airbags standard equipment, which is now being achieved in large part because of an intensive fight by insurers. Others have involved pushing for seatbelt and tough anti-drunk driving laws. "We have encouraged the use of high-quality replacement parts produced by companies other than the car manufacturers themselves," stated Randy. 'This competition has reduced the cost of such parts by 25 to 40 percent.'

In states where "no-fault" insurance is used, insurance companies have helped enact laws that permit the use of managed health care controls such as HMOs and PPOs, to pay medical bills in a more cost effective way.

In other states, insurers have proposed arbitration and other non-judicial ways to resolve auto claims disputes to reduce costs. Legal costs for both sides of auto insurance disputes account for more than half of the money insurers pay out for bodily injury claims.

Dark raisin bread is a delicious filler to use in apple brown Betty.

FFA State Judging Contest Announces Winners

More than 1,500 high school students participated in the Future Farmers of America State Judging Contest April 26 at the University of Wisconsin -Madison. Contest manager Rick Daluge, assistant dean in the UW-Madison College Agricultural and Life Sciences, more than three-person teams participated in the 14 contest divisions.

The college sponsors and coordinates the event, which is held in the Stock Pavilion.

Schools with first place teams include Baldwin - Woodville, Alma Center Lincoln, Lancaster, Brillion, Bloomer, Madison East, Greenwood, Adams - Friendship, Green Bay Southwest, Milton and Beaver Dam with Brillion and Madison East each winning two first places according to Daluge.

Individual first-place winners came from Blair -Taylor, Johnson Creek, Elkhorn, Lancaster, Brillion, Jefferson, Madison East. Greenwood, Prairie du Chien. Green Bay Southwest, Milton, Edgerton, Beaver Dam, Shullsburg and Green Bay

The Kewaskum team, under the direction of instructor Dave Rizzardi placed second in Farm Mechanics.

The top placing teams and individuals in each division certificates received trophies, along with feedback. Most first place winners are eligible to compete in the national FFA contest held in Kansas City, Mo., in early November. However, national contest does not include all the sections represented in the Wisconsin contest.

The contest tests students' knowledge of various aspects of agriculture and farm products. Participants in the meat and dairy products divisions, for example, must be able to judge the quality of dairy products or meat cuts.

"The contests let high school students test the skills they vocational develop in agricultural classes against other students from around Wisconsin," says Daluge.

But the contest is not restricted to traditional agriculture. In recent years, Daluge has seen a growing focus on consumer agriculture. Most divisions now include questions related to consumer

needs and market demands, he local specialist in their category says.

'It's more practical than it towards the urban student," he judging," says Daluge. says, which reflects the general in the farming change community over the last few years. In addition, the contest includes floriculture, landscaping, forestry and wildlife management divisions.

To prepare for the contest, vocational Ag teachers form three-person teams of students to compete in various divisions. The students train for the event studying recommended reference materials and doing practice judging workouts provided by FFA.

"Often students will get a

Sensenbrenner to **Hold West Bend** Town Hall Meeting

Ninth District Congressman Jim Sensenbrenner will hold a "Town Hall Meeting" for the residents of West Bend on Saturday, May 25th at the West Bend Bank One, 2412 W. Washington Ave starting at 9:30 a.m. These meetings generally last two hours.

During the first part of the meeting, Congressman Sensenbrenner will respond to questions and comments from residents on federal issues. This interaction provides me with insight into the views of my constituents," Sensenbrenner said.

Sensenbrenner has invited area state legislators to join him for this meeting, so they may answer questions on state issues.

The second half of the meeting will be devoted to problems individual concerns. Sensenbrenner will meet with persons on one-onone basis to assist them with any problems they may be having with federal agencies, or to help them obtain copies of government publications.

to advise and train them, such as a butcher for meat judging or has ever been, more geared a dairy farmer for dairy

> When the contest is over, the students leave Madison with no idea of how they did, says Daluge. "We take all the scorecards, figure out the results, and send as much feedback as we can to the students so they can learn from their performance at the contest," says Daluge.

> "The skills developed through the contest translate into job skills in agriculture, says Daluge.

retiring in 1978. Eugene was also a retired member of the Boltonville Fire Dept.

Survivors, include his wife Sylvia; two daughters, Eugenia (Lloyd) Krautkramer Boltonville Caroline and (Henry) Weddig of Waupaca; a brother Victor (Esther) Brabender of West Bend: a sister-in-law Frances Brabender of Plymouth; nine grandchildren and 15 great-grandchildren.

In addition to his parents he was preceded in death by four sisters, two step-sisters, one brother, two stepbrothers, a granddaughter and a greatgrandchild.

Funeral services were held at St. Stephen's Lutheran Church, Batavia, at 2:00 p.m. on Tuesday, May 14, 1991 with William Robinson officiating. Burial was in the church cemetery. Friends called from 4:00 until 8:00 p.m. on Monday, May 13, at the Miller Funeral Home, Kewaskum and from noon until time of services at the church on Tuesday.

MRS. HOPE RODEN

Mrs. Hope Reimer Roden, 73, of 181000 Eleanore Lane, died Thursday, May 9, 1991, at her home.

She was born Dec. 9, 1917, in Oshkosh, a daughter of Joseph August and Adelle Chartrand Reimer. On May 15, 1943, she married Francis J. Roden a native of Kewaskum, at St. Mary's Church, Fond du Lac.

Mrs. Roden was a member of the Fond du Lac High School Class of 1937 committee for the past 34 years. She was employed for many years as dining room hostess at Petrie's Bavarian Inn.

Mrs. Roden was a member and officer in the St. Mary's Altar and Rosary Society for years. She many was instrumental in many church functions, including dinners, picnics and bazaars. Mrs. Roden was active in the St. Mary's Rosary Radio Broadcasts for many years and donated many years to St. Mary's School functions and aided the sisters at the school in activities and programs.

Survivors include husband; two sons, Anthony J. and his wife Cathy of Fond du Lac, and Timothy J. and his wife Diane of Windsor, Calif.; three granddaughters, Jennifer Roden of Fond du Lac, and Shelly and Amy Roden, both of Windsor, Calif.; three sisters, Lorraine Baker and her husband Howard, Doris Huck and her husband Lee, and Mrs. Lois Schroeder, all of Fond du Lac; and one brother. Merle Reimer relatives. and his wife Jean Homestead, Fla.

Funeral services were held at 10:30 a.m. Tuesday at Zacherl Funeral Home and at 11 a.m. at St. Mary's Church. The Rev. Peter Drenzek officiated, and entombment was in Shrine of Rest Mausoleum.

Friends called from 4 to 8 p.m. Monday at the funeral

Memorials in her name may be directed to Hospice Hope at St. Agnes Hospital.

LOTHAR STEINBACH

Funeral services for Lothar F. Steinbach, 73, of 1103 Keith St., Mayville, were held Monday at 2 p.m. at St. John's Lutheran Church, Mayville.

The Rev. Galen Drawbaugh and the Rev. David Mumm officiated. Burial followed in St. John's Cemetery, Mayville.

Friends called Sunday from 4 to 8 p.m. at Koepsell Funeral Home, Mayville, and Monday from noon to the hour of services at the church.

Mr. Steinbach died Friday, May 10, 1991, at Clearview Nursing Home, Juneau.

He was born Sept. 16, 1917, in the Township of Theresa, a son of Henry and Helena Zell Steinbach. On Oct. 19, 1941, he married Eleanor Luck in Randolph.

Mr. Steinbach was an accountant for the former Purity Cheese Co., Mayville, and retired in 1973. He was a member of St. John's Lutheran Church, and served as treasurer the original building committee for the church and school. He also served as treasurer of the congregation from 1975 until May 1 of this

Survivors include his wife; two sons, Frederick and his wife Marlene of Mount Prospect, Ill., and Walden and his wife Darlene of Monroe; four grandchildren; one sister, Mrs. Flora Seefeldt of Racine; two brothers, Martin and his wife Ruth of Allenton, and Edward and his wife Lorraine of Mayville; one brother-in-law, Paul Pamperin of Allenton; nieces and nephews; and other

Farmington Boys Enter Invent America

Bradley Vetter poses with his Time Saver Mailbox.

Jacob Peterson invented a device to draw while skating.

Skate Art, an invention by Jacob Peterson, and Time Saver Mailbox, by Bradley Vetter, were submitted to state level competition in the Invent America program. Skate Art is an attachment to a roller skate that allows the skater to draw while skating. The Time Saver Mailbox lets you see if your mail has been delivered without having to walk out to your mailbox.

The boys are second and third grade students, respectively, at Farmington School. inventions were judged primarily on originality (uniqueness and novelty) and usefulness (solves a problem or need and has a market).

Invent America is a national contest designed to nuture and develop creativity and critical thinking skills.

A girl can wear a golf outfit without knowing how to play golf, or a swimsuit without knowing how to swim, but when she puts on a wedding gown she means business.

Rey Leidy of Milwaukee, along with sons, Matthew and Steven (not pictured) pulled a big catfish out of the Milwaukee River on Sunday, May 12. Ray says Channel 12 weatherman Jim Ott tipped him off to this fishing spot years ago and Ray has been coming here ever since. The catfish weighed in at approximately 25 pounds! That's alot of smoked

TOWN OF KEWASKUM **NOTICE OF PUBLIC HEARING ZONING BOARD OF APPEALS**

NOTICE IS HEREBY GIVEN that the Town of Kewaskum Zoning Board of Appeals will conduct a hearing on the application for appeal filed by James G. Korth, Hon-E-Kor, Inc. The hearing will be held at 6:00 P.M., on May 29, 1991, at the Labor Hall, 1230 Fond du Lac Avenue, Kewaskum. The applicant's property is located in the Town of Kewaskum at 3621 Hwy. 28, east. The appeal seeks a variance from the requirements of the Zoning Ordinance Section 1.11(3)(6), and, if granted, will permit the applicant to construct a home within the 75' setback of the town

All interested persons wishing to comment on the appeal should appear at the hearing.

INVITATION TO BID KEWASKUM HIGH SCHOOL KEWASKUM, WI

CLASSROOM VENTILATION **PROJECT #90110**

Bid Opening: 2:00 P.M., May 23, 1991 Kewaskum School District Administration Office

Sealed bids for the above project will be received for and in behalf of the KEWASKUM SCHOOL DISTRICT before the time and date indicated above at which time they will be opened publicly and read aloud.

Drawings and specifications have been prepared by R. J. Miller Associates Inc., 9205 West Center Street, Milwaukee,

In general, the work comprises of providing and installing (2) two PRVs for central exhaust and (1) PRV for the existing fume hood in the Science Room and a new unit ventilator ducted with ceiling diffusers in the Special Ed room.

Drawings, specifications and other bidding documents may be obtained from the office of the Owner or Engineer Designer, the Builders Exchange of Milwaukee, at the F. W. Dodge Corporation in Milwaukee, and on SCAN.

Bidders requesting drawings and specifications should identify themselves as Prime Contractors or Subcontractors and what Division of Work is being considered.

A check in the amount of \$25.00 as a guarantee that the drawings and specifications will be returned undamaged within 10 days after bid opening will be required. The check is to be made payable to: KEWASKUM SCHOOL DISTRICT and will be refunded upon return of drawings, specifications and

Plans will be mailed upon request; however, a SEPARATE non-refundable check in the amount of \$10.00 to cover handling and shipping costs will be required. Make check payable to R. J. Miller Associates Inc.

A certified check, a cashier's check or a Bid bond payable to the Owner in an amount not less than 5% of the maximum bid shall accompany each Bid as a guarantee that if the Bid is accepted, the Bidder will execute and file the proposed Contract and Bond within ten (10) days after award of

Attention to Bidders is called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the Contract as required by Wisconsin Statutes SS.66.293 and Wisconsin Administrative Code Section IND 90.08.

Drawings and specifications will be available after April 11,

Dr. Listwan to Head State Medical Society

Dr. William J. Listwan

WEST BEND — Dr. William J. Listwan, an Internal Medicine physician with the General Clinic, has been elected president-elect of the State Medical Society of Wisconsin.

Dr. Listwan was elected April 19 during the medical society's annual meeting in Milwaukee. He will head the SMS for a one-year term beginning in April, 1992.

The society represents 7,700 physicians and is the professional association for

physicians in Wisconsin.

Dr. Listwan has been a member of the SMS Board of Directors since 1984. He has served as a member of the Alliance Physicians Commission and as chair of the Medical Liability Committee, of which he is still a member. In addition, Dr. Listwan serves on the Task Force on Alternatives to the Tort System. He is a member of the Physicians Insurance Company of Wisconsin Board of Directors and serves on the WISPAC (Wisconsin Physicians Political Action Committee) Board of Directors.

Dr. Listwan has practiced internal medicine at the General Clinic for 17 years. He now serves as president of the General Clinic. He is also medical director of Respiratory Therapy at St. Joseph's Community Hospital in West Bend and is medical director for several West Bend industries.

Dr. Listwan is a past president of the Washington County Medical Society, past president of the St. Joseph's Community Hospital Medical Staff, and immediate past president of the Wisconsin Society of Internal Medicine.

He is a graduate of the Marquette University School of Medicine (now the Medical College of Wisconsin). He lives in West Bend with his wife and family.

Memorial Day Flags Unavailable For County Veterans' Gravesites

Flags for Washington County Veterans graves have not been received and it appears that they will not be received in time for placement on the graves for Memorial Day.

Richard Baker, County Veterans Service Officer, stated that flags for the more than 2,500 graves were ordered in late January and at that time a delivery date of May 1 was

Former Olympian Bremser Headlines Badger State Games Torch Run Kickoff

Former Olympic distance runner Cindy Bremser will lead the Badger State Games Torch Run as it starts its six-week journey around Wisconsin on Saturday, May 18 at GTE North Headquarters, Sun Prairie. She is the daughter of Mr. and Mrs. Frank Bremser of Mishicot. Mr.

Bremser is a native of St. Michaels.

Kickoff festivities begin at 9 a.m. and the ceremonies start at 10 a.m. The seventh annual Torch Run is sponsored by GTE. This marks the sixth straight year Sun Prairie has kicked off the run, which brings

statewide attention to the Badger State Games, Wisconsin's largest amateur sports festival.

"I think it's very appropriate one of Wisconsin's Olympians, Cindy Bremser, will lead the first leg of the Torch Run," said Joe Barden, Badger State Games Torch Run director. "It's a great way to start off a project that spreads the Badger State Games message throughout the state."

Bremser, the former University of Wisconsin All-American, tops the kickoff ceremonies speakers list, which also includes: Otto Breitenbach, executive director of the Badger State Games, Robert Smith, vice president of the Wisconsin Amateur Sports Corp., and Scott Fromader, operations manager for Gov. Tommy Thompson.

Kickoff festivities will also feature: gymnastics and equestrian sports demonstrations, clowns, the Fresh Force music group, and an 80-foot submarine sandwich — the longest in area history!

The Torch Run is scheduled to travel to nearly 70 Wisconsin communities. The torch's trek ends at the Badger State Games opening ceremonies on Friday, June 28 at the University of Wisconsin Fieldhouse, Madison.

Indian Softballers Trounce Port and Plymouth; Also Upend Two Rivers

By Statesman Sports Writer

PORT WASHINGTON — Usually when a baseball team hits the road, their bats somehow always go silent. But that's not the way it happened for the Kewaskum girls softball team on a brief two-game period away from home recently.

The Indians opened by taking it to Port Washington 32-4, and then came right back with a 20-6 thumping of Plymouth last Monday. The Indians then returned to their home field on Friday against Two Rivers, and wound up beating the Raiders JV team in a closer battle, 10-6.

Against the Pirates, the Indians scored early and often, pushing nine runners across the plate in the opening inning. Rapping out base hits, and then following those with a three-run blast from Julie Wagner allowed the Indians to get off to

the quick start in the game, which ended up lasting just four innings.

Wagner had an incredible day at the plate, going 5 for 5 with the homer. Kelly Krahn also came through big, going 4 for 5. Rachelle Krahn and Jenny Albrecht did a fine job on the mound to pick up the easy victory.

Krahn and Albrecht once again teamed up on the mound to shut down the Panthers, as the two posted a two-hitter. Krahn also added a pair of hits to her credit.

Tammy Gundrum was the star at the plate for the Indians though, going 3 for 4 with a triple to lead the Indian offensive attack. Wagner once again added a pair of hits, as she stayed hot for the Indians, who scored eight big runs in the fourth inning to put the game away.

A big third inning was the key for the Indians in their encounter with Two Rivers. Kewaskum scored five times in the third frame to take an 8-4 lead that the Raiders were never able to overcome.

After the Raiders scored twice in the top half of the first, the Indians came right back to get a run back in their half of the inning. Down 4-3 after two frames, the Indians exploded in the third, and then added two more runs in the fourth to put the visitors away.

Senior Kelly Rohlinger led the Indians offensively, going 3 for 3, including a triple, while Jackie Hintz and Janel Flynn also added a pair of hits apiece. Krahn and Albrecht once again teamed up to shut down the Raider offense.

The win upped the Indians overall record, including both JV and varsity contests, to 9-4.

Inconsistency Plagues Indian Golfers

By Statesman Sports Writer

KEWASKUM — A little home cooking temporarily aided the Kewaskum golf teams' woes last week, but the Indians still have been struggling in away meets, and that trend continued, as inconsistency in the Indians' scores hampered them all week.

After finishing tenth and shooting an inflated 453 total in the Brown Deer-Port Washington Invite the previous Friday, the Indians came right back with their best team total of the year in a 165-195 whitewash of Chilton in a home meet.

But the Indians struggled a bit in Tuesday's West Bend Invitational, finishing seventh in the 10-team field with a 191 total. The team then played one of its poorer matches of the year in dropping their first Eastern Wisconsin dual, by losing to Kiel on Thursday, 188-185. On Friday, the Indians once again returned home, and once again golfed better in beating Sheboygan Falls 172-181.

Kewaskum's 453 in the BD-PW Invite may have been a bit disappointing to coach Joe Harlow, but the team also hadn't had a meet in the previous week, and also has struggled when it comes to putting a five-man team together, which this meet has called for.

Nevertheless, both D.J. Slaugenhoup and Ryan Amerling were able to break the 90 mark in their rounds. Slaugenhoup posted nines of 40 and 43, while Amerling had 45-41 to finish second on the team. Also counting for the Indians were Corey Krahn (91), Steve Bodden (94), and Eric McElhatton (99).

Against Chilton, the Indians returned to Hon-E-Kor and despite less-than-ideal weather, posted their best total of the year.

No less than three Indians tied for medalist honors in the meet, as Slaugenhoup, Krahn and Matt Seiser all posted identical scores of 41 to lead the Indians. Eric Mcelhatton was a shot behind with a 42, as all four Indian counters had better scores than the Tigers low man.

The Indians varsity didn't even have the low score of the day, either. That honor was taken by junior varsity golfer Aaron Laatsch, whose 40 led the Indians JV team to a 187-225

That effort helped Laatsch elevate to varsity for the WB Invite, where the Indians once again struggled in the meet, which was won by North Shore powerhouse Homestead.

For the Indians, Slaugenhoup and Amerling once again paced the team, each hitting 46's. Laatsch was next low for Kewaskum with 49, while Krahn was right behind with a 50. Grafton's Mark Langlois took medalist honors with a 38.

The Indians followed their effort at West Bend with one of their worst meets of the year in the loss at Kiel.

The top two Indians in the meet, Matt Seiser (44) and Ryan Amerling (45), matched the top two Raider golfers stroke for stroke.

The difference came in the final two counters, where Laatsch (49) and Slaugenhoup (50) were down by their Raider counterparts by three strokes. Seiser ended up tying Kiel's Chad Ramminger for medalist honors.

The last two counters proved to be the difference in the Sheboygan Falls match as well, but this time it was the Indians' final pair who got the better of things to pull out the win.

Kewaskum's top two scorers, Krahn (41) and Laatsch (43) were two strokes behind Falls top two players, but the final three Indian golfers, Slaugenhoup, Seiser and Amerling all carded 44's to easily outdistance the Falcons' other golfers. Falls' J.M. McCabe took medalist honors with his 40.

The win leaves the Indians with a 8-2 mark, including 4-1 in the Eastern Wisconsin Conference. The Indians JV's improved to 5-0 in conference with a 195-205 win over the Falcons. Ryan Ramthun took medalist honors for the young Indians with a 46.

UWWC Women Netters Tie for Conference Title

By Statesman Sports Writer

WAUKESHA — The UWWC women tennis team capped off a fine conference season by finishing in a three-way tie for the top spot in the Conference tennis tournament recently.

Heading the list of fine performances by the Wildcats was No. 3 singles play Heidi Wagner, who took home the first place trophy by beating opponent from UW-Manitowoc and Madison Tech, both in straight sets.

Wagner then teamed up with Jenny Meyer to tie for the top spot at No. 3 doubles. After defeating their foes from Madison Tech, the pair dropped a straight set match to UW-Sheboygan, and had to settle for the sharing of the crown.

Taking second for the Wildcats in the meet was No. 1 singles player Connie Peterson, while Debbie Ferge had to settle for third at No. 3 singles. Peterson was also named to the All-State team for her individual effort.

For the Wildcat men, no individual player or team was able to win a match, as the team finished in last place. No. 4 singles man Matt Hoffman did take his match into three sets for the Cats, while the No. 1 doubles team of Jay Dobson and John Ziperski won the second set, but dropped the other two in their loss.

HON-E-KOR C.C. Tuesday Nite Men's League 5-7-91

Top teams this week were: Tom's Pudders - 5, Hon-E-Kor -5, Clothes Clinic - 5, Bank I - 5, Berndt's Bums - 3, Handicappers - 3, Everglades -3, T's Lounge - 3.

Low Gross: Dave Denis - 37, Tom Bartelt - 38, Jim Dean, Bob Zunker, Jim Westphal & Bill Wuebben - 39.

Low Net: Bob Zunker - 28, Dave Resheske - 29, Bill Butts & Mike Pfeiffer - 31, Tom Bartelt & John Tessar - 32.

Low Team Net: Tom's Pudders - 133.

Highlights: Mike O'Connor Sr. won the special event. Tom Kachelmeyer & Jim Dean had (2) birdies.

Indian Girls Place Second In Triangular; Third in EW Relays

NEW HOLSTEIN — Still bothered by injuries, the Kewaskum girls track team did about as well as expected in a couple of meets last week.

On Tuesday, the Indians finished second behind a powerful New Holstein squad in the triangular also featuring Sheboygan Falls. And then on Thursday, the Indians lack of depth in the distances came to show, as they had to settle for third place in the annual Eastern Wisconsin Relays in Two Rivers.

Kewaskum managed six firsts in Tuesday's action in New Holstein, but still only scored a total of 60 points, which was behind the Huskies (89), and way ahead of Falls's total of 18.

Heading the list of winners for Kewaskum was Robyn Winninghoff, who doubled in the discus (91-0) and high jump (5-1). Winninghoff appeared to clear 5-2 in the high jump, which would have tied a school record, but a measurement proved the height to be 5-1. Still, the soph has a couple of years to improve on what turned out to be her best jump ever.

Kelly Korth took first in the long jump (15-3), and then came back, along with Rachelle Zuehlke, Tina Schwartz and Melissa Braun, to help the 800 relay team take first in 1:54.0. Korth, Schwartz, Braun and Ginger Wiesner teamed up to take the 400 relay in 54.87.

Also taking first for the Indians was Ingrid Ankerson, who won the triple jump (32-9), and was right behind Winninghoff in the high jump (5-0).

Other seconds were recorded by Christa Schmidt in the 100 hurdles (19.06), Rachel Gosa in the 100 (13.85), Tammy Schmidt in the shot put (32-4), Marlene Wodsadalek in the discus (89-3), Jessica Rohrer in the 300 hurdles 56.13), and Laurie Vogt in the 400 (66.34).

The home field advantage seemed to help Two Rivers on Thursday, as they powered their way to the team title in the EW Relays. The Raiders (102) finished ahead of New Holstein (89) and the Indians (81).

The Indians came up with three firsts and four seconds in the meets, and could have possibly edged out the Huskies for second had their 400 relay unit, normally one of their best events, not dropped the baton and settled for just one point.

Taking first for the Indians was their long jumpers (Korth, Ginger Wiesner and Kim Sabish), whose combined effort of 44-4.5 outdistanced everybody.

Also coming through big was the shot put unit of Tammy Schmidt, Wodsadalek, and Beth Kempf, who collectively tossed a 97-3.33 total to win the event.

The other Indians first came in the 300 hurdle shuttle, where Christa Schmidt, Rohrer and Terri Vogt's total time of 56.85 was tops.

Seconds were recorded by the 800 relay (Wiesner, Braun, Schwartz and Korth), who came in at 1:54.2, the high jump team of Ankerson, Winninghoff and Erin Fliess, who totalled 14-2, the triple jump trio of Ankerson, Tammy Troeller and Sabish (89-3), and the discus unit, consisting of Winninghoff, T. Schmidt and Wodsadalek, who tossed a collective 280-1.5.

Indian Netters Struggle in Busy Week

By Statesman Sports Writer

KEWASKUM — After scoring just two points and finishing in last place in the Washington County Tennis Invitational the previous Friday, the Kewaskum boys tennis team was looking for a much improved showing with a busy schedule last week.

But with three road meets on the agenda, it just wasn't to be for the Indians, as they dropped all three matches, and were able to only garner a single game all week.

On Monday, the Indians made the long hike to Two Rivers, and while a couple of players did improve on their performances from earlier in the year, the Raiders once again shut out the guests.

The Indians' pair of No. 1 seeds, singles player Shawn Schneider and the doubles combo of Curt Ammel and Keith Herman, each showed improvement in their game. Schneider won four games in the first set, while Ammel and Herman took three in the second set in their losses. No other Indians varsity player won more than two games in their match.

A couple of Indians did win exhibition matches though. Chad Landvatter beat his opponent in three sets, while the doubles team of Dan Staehler and Shane Oppermann took a straight set win.

The Indians returned to the courts Tuesday, when they

traveled to Kohler. Kewaskum played well at some spots, but were only able to come up with one win in the 6-1 loss.

The lone victor for the Indians was Kevin Gundrum, who posted a hard-fought 4-6, 6-4, 6-4 win over Terry Blant. Coach Jan Rosenthal shuffled the Indian line up a bit, moving Gundrum from a doubles spot to the No. 3 singles spot, and the move paid dividends, as Gundrum was able to outlast his foe.

The Indians also got inspired performances from Adam Pilachowski, who dropped a tough 1-6, 6-7 decision, and from the No. 3 doubles team of Staehler and Tom Galec, who won the first set in their 6-3, 0-6, 3-6 loss.

Kewaskum ended their rough week with a match at Plymouth on Thursday, and were once again smoked by the Panthers, 0-7, despite some good play.

At No. 3 singles, Brian Blair took his opponent, John Knowles to the limit before dropping a 4-6, 4-6 score. Also at No. 3 doubles, Staehler and Opperman once again teamed up to play well, although losing a tough 4-6, 4-6 match as well. Gundrum and Pilachowski, teaming up at No. 2 doubles, won four games in their first set loss, and then were blanked in the second set.

The losses dropped the Indians overall record to 0-7, including 0-6 in the Eastern Wisconsin Conference.

400 Relay Team Sets School Record

Indian Boys 4th in Ram Invite; 6th in EW Relays

By Statesman Sports Writer

RANDOM LAKE - While the Kewaskum girls have been struggling a bit this year because of injuries, the Indian boys track team has been steadily improving, evidenced last week.

On Monday, the Indians took part in the Ram Invitational, held in Random Lake, where they took 4th in the eight-team meet, while on Thursday, the Indians settled for sixth in the tough Eastern Wisconsin Relays, but got a bit of satisfaction knowing that in the process of finishing third in the field, the 400 relay set a new school record.

At Random Lake, Indian runners captured three firsts and a couple of other high places to finish behind Sheboygan Falls (123), Slinger (101), and Pewaukee (76) in the team totals. Kewaskum finished with 61 points.

The 400 relay took first in this meet, crossing the line in 46.2. Kim Marx, Jerry Sese, Dan Schulties and Randy Schlice combined efforts for the

winning run. Schulties and Marx were responsible for the other two Indian firsts as well. Schulties tossed the discus 128-2 to win of 43, Class B - Tudy Korth that event, while Marx remained steady in the 300 hurdles, winning in 43.0.

Sese continued to surprise in the 100 dash, an event he just recently began to run in. Sese nipped by a head while running a 11.1. Schlice was right behind his teammate, as he took third

in 11.4. Sese completed his day by placing fourth in the discus

Jeff Diermeier was a double placer for Kewaskum, taking third in the 1600 (5:08.1), while taking sixth in the 3200 run (11:39.2). Other placers for the Indians were Erik Ankerson's fifth in the high jump (5-8), and the 3200 relay's fourth (9:30.4).

Despite their record time in the 400, the unit comprised of Marx, Schulties, Sese and Schlice had to settle for fourth in the EW Relays, as New Holstein ran one of the fastest times in the state this year with a 44.8. Kewaskum's 45.7, which

HON-E-KOR Thursday Night **Ladies Golf League**

PARS: Hole 1 - Nancy Holquist, Hole 3 - Shirley Leichtle, Hole 5 - Nancy Holquist, Hole 5 - Cathy Spies, Hole 7 - Bonnie Christ, Hole 7 -Pat Dorn, Hole 8 - Sue Goeden, Hole 8 - Sue Schmidt.

CHIP - INS: Hole 1 - Ardy Bergerud; Hole 5 - Joyce Meinberg.

EVENT - LOWEST GROSS WITHOUT WORST HOLE -Class A - Tracey Schaub - score score of 46, Class C - Lu Freeze - score of 51, Pat Dorn - score of 51. Class D - Elaine Ripple score of 58.

BLIND BOGEY - Eleanor Marx - score of 59, Sharon Jach took second in the field, getting - score of 59, Pearl Miller score of 55.

LOW NET: Elaine Ripple score of 30.

eclipsed the old mark by one-half second, was good enough for fourth.

The 800 relay (Marx, Schlice, Dave Bowser, and Heath Heise) was a bit of a surprise taking third (1:38.4), while the high jump trio of Brad Jackson, Brian Bruendl and Ankerson went 16-0 to tie for third.

The long jump team consisting of Wade Kries, Bowser and Brundl leaped a collective 50'6" to take fourth, while the hurdle shuttle team of Marx, Schulties and Chad Harlow finished a disappointing fifth (2:18.4), after Marx fell late in the race as he neared anchoring the team to a top two

Judo Winner

By Statesman Sports Writer

CHICAGO HEIGHTS, IL -Anita Stollenwerk continues to roll through competition at Midwestern judo invitationals.

Anita captured another title last weekend by taking first place in the Midwest Classic Judo Invitational held in Chicago Heights, Illinois.

She captured first place in the girls 8-10 heavyweight division by beating Miriam Epstein and Sarah Carmichael, both of Illinois, in the semifinals and finals, respectively.

Stollenwerk is the daughter of Keith and Sue Stollenwerk of and Milwaukee. granddaughter of Gerald and Patricia Stollenwerk

Indian Girls Third at Vanderpan

By Statesman Sports Writer

SHEBOYGAN FALLS - The injury bug continued to hurt the Kewaskum girls track team's chances in larger meets this year, but the Indians did put together a good enough effort to finish third in the annual Vanderpan Invitational recently.

Although the Indians got just one first place in the meet, a good number of second place finishes helped them to score 72 points, to finish behind Eastern Wisconsin Conference members New Holstein (127), and Plymouth (112).

Senior Ingrid Ankerson continued to impress this season, as she captured the top high jump of the day, going 5-0. Ankerson also took second in

the triple jump, leaping 32-4.

Another senior, Melissa
Braun, who had been hampered by a muscle pull this spring, did compete and placed second in the 100 dash (13.1), and helped both the 400 relay (53.8) and 800 relay (1:53.8) to second place results.

Running with Braun in the 800 were Rachelle Zuehlke, Tina Schwartz and Kelly Korth, while Rachel Gosa teamed with Braun, Schwartz and Korth in the 400 relay.

Korth also added a second in the long jump by going 15-7.5. and helped the 1600 relay to a third (4:31.2). Schwartz, Laurie Vogt and Zuehlke ran the other legs of the 1600. Zuehlke added a fifth in the 400 (66.48), while Vogt was right behind with 67.7. Vogt also added another sixth in the 1600 (5:58).

Other placers for Kewaskum included Terri Vogt's 4th in the long jump (14-8), Robyn Winninghoff's 4th (96-10) and Marlene Wodsadalek's sixth (91-8) in the discus, Tammy Schmidt's 5th in the shot (33-7), and Ginger Wiesner's sixth in the 200 (29.19).

KEWASKUM WOMEN'S TUESDAY NIGHT VOLLEYBALL LEAGUE May 7, 1991

Thelen Construction, 4-0; Amerahn's, 4-0; Gruber Tool and Die, 4-0; Shefond Self Servers, 3-1; Barrel Haus, 0-0; LR. Trophy, 1-3; Homeplate, 0-4; My Little Friends, 0-4; Ike's Repair Shop, 0-4.

In the first night of league action, Thelen Construction started the evening, by sweeping four games from My Little Friends, 15-10, 15-2, 15-3, and 15-3.

In the 7:00 p.m. games. The Amerahn opened with a tough overtime game against the Homeplate, but managed to win all four games, 16-14, 15-3, 15-9, and 15-7.

In the 8:00 p.m. games, the Shefond Self Servers won the first three games over L.R. Trophy, 15-9, 15-3, and 15-6. L.R. Trophy came back to win the last game 15-6.

In the night cap, Gruber Tool and Die, won all four games from Ike's Repair Shop, 15-13, 15-6, 15-8, and 15-3.

The Barrel Haus had a bye.
