### School General Fees Going Up

## Board Approves Elementary Schools Boundary Changes

By GERRY MUELLER  
Statesman Staff Writer

Approximately a half dozen parents showed up at Monday night's Kewaskum Board of Education meeting to address their concerns regarding the administration's recommendation to revise the district's elementary school boundary lines between the three schools, Farmington, Kewaskum and Wayne.

Only one of the parents in attendance was adamantly opposed to the proposed change. Several parents were not happy about the plan but felt their families would adjust. One mother told the board, "sometimes I think it's we parents who have the problem adjusting, my son doesn't seem to be concerned at all." Another mother told the board her main concern was that once the change was made, it would be permanent. "I don't want to be here again in another year or two because the board wants to change the boundaries again," she noted. Dr. Heather indicated he did not see any reason to change the boundaries again.

Heather's recommendation was designed to bring a more equitable and even balance of class sizes between the three schools as well as improve bus scheduling.

As the parent of a Wayne student, board member Paul Seymour said he could understand the parents' concern for increasing the class sizes at the school. It's been nice having the smaller classes, noted Seymour. He also said he would vote for the change because he felt it was only fair to the other schools to help

reduce larger class sizes.

Heather told the group, the district did have another alternative and that was to move all the Wayne students and teachers to Kewaskum. "But I do not recommend that," stated Heather.

Board member Ron Beimborn asked the parents, would you rather not have the district move the boundaries now and end up moving the students and teachers later on and closing the school? Beimborn noted, as was the case of Beechwood School, it is not economically feasible in these times to run a school with low enrollments of 13 to 20 in a class. Changing the boundary would increase the school's enrollment and make more efficient use of its facilities.

Except for one class, the Wayne class sizes, with the increase, would still be at or below the maximum numbers in classes at the other two schools.

In other action, the board approved Dr. Heather's recommendation to increase general student fees for the 1991-92 school year. A survey among area schools showed Kewaskum to be generally below the fee scales being used.

The new fees will be: Kindergarten \$6 (up from \$4), grades 1-5 \$12 (previously no fee), Middle School \$15 (up from \$9 and \$4), High School \$20 (up from \$5) and Drivers Education \$65 (up from \$50).

Heather was questioned on the Drivers Ed fee. It was noted that the charge varied from no fee to a high of \$121 at Sheboygan Falls. Heather said that districts are not required to offer Drivers Education courses but have done so for years as a service. Some districts are considering dropping the course

altogether, he noted. We have two excellent instructors, said Heather, but they cost money. He noted one instructor receives about \$12 an hour, while the other \$21 an hour, his per diem rate.

Based on the new schedule, Heather said general fund revenue in this area would increase by approximately \$25,120. He said this would shift a little more of the costs to those using the services while slightly reducing the costs to taxpayers not using those services.

The board also approved recommendations from the Finance-Transportation-Buildings and Grounds Committee regarding the awarding of various contracts for work to be done throughout the district as well as Dr. Heather's recommendations on contract renewals with CESA 6, and the district's insurance carriers.

KMS principal David Jones advised the board that summer school has begun with an enrollment of 275 students, up from last year's figure of 200. He noted his only disappointment was not being able to find an instructor to teach a remedial math course for grades 9-12, so it had to be dropped.

The board approved contracts for a KHS English and Phy Ed teacher, replacements for two teachers who have resigned.

A special school board meeting has been scheduled for June 17, at 7 p.m., to act on the request of the Kewaskum Athletic Club to sell beer on school property.

The board also approved the agenda for the Annual School District meeting which is set for Monday, July 22, at 8 p.m., in Rose Hall at the high school.

## KAP, School District Exchange Contract Proposals

By GERRY MUELLER  
Statesman Staff Writer

The Kewaskum Auxiliary Personnel Union and the Kewaskum School District's Negotiations Committee met Tuesday, June 4th to exchange contract proposals and begin negotiations on a new contract for the districts' support staff. The KAP represents the district's maintenance, aides, cooks, secretarial and other support personnel.

The two major issues in gaining a new contract between the two groups are again wages and insurance. Both sides are proposing a two-year pact

covering the 1991-92 and 1992-93 school years.

The KAP proposal is asking for a 6.5 percent salary increase in the first year and a 6 percent increase for the second year with longevity steps on the salary scale of 10c an hour after ten years, 25c after 15 years and 40c an hour after 20 years.

KAP is also stipulating that the district pay 100 percent of the cost of term life insurance for all employees who work 18 1/4 hrs or more per week. Employees who work the night shift would also receive a 30c an hour premium.

In the 1991-92 contract,

salaries would run from \$6.03 per hour to \$12.14, (depending upon position). For 1992-93, the range would be \$6.39 to \$12.87, (plus any applicable longevity steps on the salary scale).

The district's counter proposal is offering a 2 percent or 16c per hour salary increase for both years of the two-year contract. It is also stipulating, due to the continuous increases in health insurance costs, that KAP members pay 7 percent of the monthly total health care premiums for 1991-92 and 10 percent of the full cost for 1992-93.

Negotiations are continuing.

### A Summer Treasure Hunt...

## C of C's Community-Wide Rummage-O-Rama June 22

There's still a little time to clean out your garage and basement and get all your rummage and treasures ready for Kewaskum's Community-Wide Rummage-O-Rama which will be held Saturday, June 22, from 8 a.m. to ?

This year's event will take place throughout the community, both in residential areas and in the business sector. There are already thirty people that have signed up to be on the maps for rummage sales with more coming in daily. The Robert G. Romaine Post 384, American Legion, will also be holding a huge rummage sale of their own.

The deadline to sign up is the day before, Friday, June 21. However, if you want to be included on the map listing all the sales, you must register by Monday, June 17, at the General Store Antique Mall.

The maps will be handed out, free of charge, on the day of the sale. The maps will be available on each end of town, namely at General Store Antique Mall, Sentry Foods, Buffy's Village Inn and at the Chamber of Commerce information booth, which will be located in front of the Kewaskum Statesman on Main Street.

Businesses in the community are also getting involved in this sales event (formerly known as

Krazy Daze). They will be offering various forms of discounts and many, many specials. There will also be vendors along Main Street and Fond du Lac Avenue.

And let's not forget the food and entertainment. This year the sale is being held on a Saturday, so their is no excuse for you to miss it. You can bargain hunt all day and party most of the evening. Most restaurants will be serving culinary delights to tempt even the most discriminating palate, not to mention all the coool thirst quenchers being offered throughout town.

There will be live music during the day and evening and a disc jockey is set to be here for your listening pleasure. There are more events being planned daily and we will try to keep you posted on all of them in next week's issue.

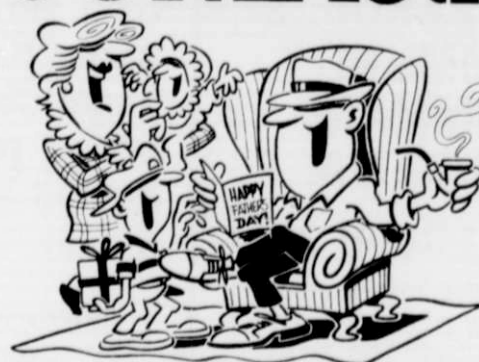

Remember, this is also the day when the first phase winners of the Kettle Kountry Kolors "King" contest will be announced. We will share all the details on where and when next week. There is still time to get in those last minute nominations.

Rummage galore everywhere, sales, specials, bargains, treasures, food, refreshments, fun, music, dancing, and "Kings." This is one Saturday's shopping you won't want to miss!

### RUMMAGE-O-RAMA ADVERTISERS Please Note:

Due to the large amount of advertising planned for the upcoming Rummage-O-Rama sale, we are asking all participating businesses to have their advertising copy turned into the Statesman office by 3 p.m. on Friday, June 14. If you need any assistance, please call us at 626-2626.  
THANK YOU FOR YOUR COOPERATION

# FATHER'S DAY IS JUNE 16th

## Plea of No Contest Entered in Shooting Death of Wayne Youth

A 14-year-old Allenton boy has pleaded no contest to a charge of reckless handling of a dangerous weapon in the March 29 shooting death of 15-year-old Joel Reinheimer from Wayne.

Disposition has been set for July 2 at the Washington County Juvenile Court.

The 14-year-old boy was reported unloading a 22-caliber handgun on March 29 at the home of 15-year-old Joel

Reinheimer, 8059 Townline Road, when the weapon discharged and a bullet hit Reinheimer in the forehead.

Reinheimer died the following day, March 30. A student at Kewaskum High School, Reinheimer was a self-published author of a children's book. He had been scheduled to appear at a Brookfield bookstore on the weekend he died.

## Receive Degrees

The University of Wisconsin-Stevens Point conferred bachelor's and master's degrees on approximately 1,050 students during spring commencement ceremonies on May 19th.

Erroll B. Davis Jr., a regent of the University of Wisconsin System, addressed members of the class, one of the largest in UW-SP's history, and their guests.

By hometown, the graduates include:

Sandra L. Segebart, 670 Hwy. S, Kewaskum, Bachelor of Science Degree in Elementary Education.

Jodi M. Susen, W1759 Meadow Lark, Fredonia, Bachelor of Science Degree in Elementary Education.

Gail K. Bassler, 1551 N. 12th Ave., West Bend, Bachelor of Arts Degree in Communication; Darren Graunden, 5630 Hwy. 144 S, West Bend, Bachelor of Science Degree in Res. M-General; Janice M. Hotz, 6479 Scenic Dr. East, West Bend, Bachelor of Arts Degree in Psychology; Troy D. Huffman, 5961 Hwy. M, West Bend, Bachelor of Science Degree in Res. M-General; Edwin R. Ihlenfeld, 5642 Hwy. Z, West Bend, Bachelor of Science Degree in Water Res.-Chem; Andrew Nelson, 2207 Creek Dr., West Bend, Bachelor of Science Degree in Water Res.-W/Wst; Stacy J. Sandoval, 1916 Woodlawn, West Bend, Bachelor of Arts Degree in Fashion Merchandising; Steven L. Sauter, 624 S. 17th Ave., West Bend, Bachelor of Science Degree in Forestry Mgmt.; Timothy Yahr, 3492 Paradise Dr., West Bend, Bachelor of Science Degree in Biology.

## Petsch Receives Degree from UW-River Falls

Four hundred and fifty students received bachelor's and master's degrees during spring commencement held at UW-River Falls on May 19.

Welcome messages were given by Steve Young, Student Senate President, and Jerry Skrupky, UW-RF Foundation President. Chancellor Gary A. Thibodeau conferred degrees with the assistance of Vice Chancellor Nancy C. Parlin, Dean Gary A. Rohde of the College of Agriculture, Dean Neal Prochnow of the College of Arts and Sciences, Dean Larry Albertson of the College of Education, and Dean Michael Reich of Graduate Studies.

Michelle Petsch, 9179 Orchard Valley Road, West Bend, a graduate of Kewaskum High School, received a bachelor of science degree in animal science.

## Fond du Lac Agri-Business Scholarships Awarded

The Fond du Lac Area Agri-Business Council, a division of the Fond du Lac Area Association of Commerce, is pleased to announce the winners of the Agri-Business Council Scholarships.

The scholarships are awarded to individuals pursuing post secondary training by college, trade school, vocational-technical school, etc., relating to the fields of agriculture and agri-business.

The five winners include: Susan Weed, Fond du Lac; Share Nemitz, Van Dyne; John Muentner, Brownsville; Anne Meyer, Chilton, and Tracey Krueger, Campbellsport.

## Herman Receives Scholarship

Tim J. Herman, 5901 Willow Lane, Allenton has been awarded the Robert Grummer, and Myron and Anna Atwood Scholarships for the 1991-92 academic year, according to Richard H. Daluge, director of the Farm and Industry Short Course and assistant dean in the College of Agricultural and Life Sciences, University of Wisconsin - Madison.

Tim will be a first year student in the Short Course program. The Robert Grummer scholarship is awarded to students who in addition to a good scholastic record, demonstrate a particular interest in the swine industry. The Myron and Anna Atwood Scholarships, established in 1973, are awarded to Short Course students from Wisconsin who have demonstrated a good scholastic record and participation in extracurricular activities.

Daluge indicates that students may still apply to the Farm and Industry Short Course program until Oct. 1, 1991 for the 1991-92 program. The Short Course program consists of two six-week and one three-week term, beginning Nov. 11, 1991 and concluding March 22, 1992.

## Cholesterol Screening, Blood Pressure Measurement Offered

Cholesterol screening and blood pressure measurement will be offered to West Bend area residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program.

Screening tests will be available once a month at the Washington County Court House, 432 E. Washington St., West Bend.

Screening schedule: June 27 - Beginning at 9:30 a.m. in Room 245, (street level of the court house).

Blood pressure and cholesterol screenings will be done BY APPOINTMENT ONLY. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 335-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

## Erin Hein is Awarded Alumnae Scholarship by Mount Mary College

Erin Hein, daughter of Mr. and Mrs. Steven Hein, Kewaskum, was awarded the Mount Mary College Alumnae Scholarship of \$1,000 toward her tuition at the college this fall. She is a 1991 graduate of Kewaskum High School.

Hein is enrolled as a freshman majoring in chemistry/mathematics at Mount Mary.

The Alumnae Scholarship is awarded to a female relative of a Mount Mary College alumna. Hein's mother, Mary Rinzel Hein, Allenton, is a graduate of Mount Mary College (1965). Two aunts also are graduates of Mount Mary. They are Kathleen Rinzel (1963) and Rosemary Rinzel Schrauth (1968), both of Allenton.

Other qualifications for this scholarship are: the recipient must have been graduated in the upper one-fourth of her high school class and involved in voluntary activities in school and/or her community. She must also be accepted for

admission by the college without probation on a full-time basis.

This scholarship may be renewed annually for four years.

## Holy Trinity Honor Roll

The Honor roll for Holy Trinity School for the fourth quarter of 1990-1991 school year has been announced.

4.0\*\*, 3.5 - 3.9\*

Grade 5 — Corey Amerling\*, Bridget Baum, David Gerhartz\*, Kevin Polzean\*, Jenny Ramthun, Missy Theusch, Chris Wessing\*, Rosemary Rinzel Schrauth (1968), both of Allenton.

Grade 6 — Sarah Bonlender\*, Jill Bruendl, Tim Bunkelman, Julie Giese, Jessica Gruber, Becky Heisdorf, Jodi Klesmith\*\*, Nicole Reindl\*, Mike Wenninger\*, Becki Wolf\*.

Grade 7 — Heather Amerling\*, Brian Butschlick, Kevin Dobke\*, Laura Fleischman, Helen Klahn, Maureen Leitheiser\*, Matt Lieven, Karla Martin, Carrie Stoffel\*, Jenny Straub, Jill Weiss.

Money Used for Local Projects

# KHS Girls Softball Trial Season Results Positive

By GERRY MUELLER  
Statesman Staff Writer

Athletic Director David Rizzardi told the Kewaskum School Board Monday night, he was pleased and encouraged by the one-year trial period for KHS girls softball.

Rizzardi said the district began the season with 29 players, losing only two by the end of the season. "I think this makes it the third most popular girls sport at Kewaskum," said Rizzardi.

According to information supplied by team coach Jim Connell, the team was very competitive, with a 10-4 overall record.

Rizzardi told the board that the turnout was enough that Kewaskum could have fielded two teams. He asked the board to consider making softball a permanent sport noting that it would be inexpensive to keep the sport since most of the equipment has already been purchased.

Some itemized costs would be the coach's salary, about \$300 in additional gear and about \$700-800, for game travel. Rizzardi said the possibility of

some double header games being played next year would reduce travel costs.

While uniforms are needed, at a cost of \$60/80 a girl, it was felt that money could be raised through fundraisers and other means.

"Eastern Wisconsin has already worked us into the schedule," said Rizzardi. If you approve softball, Kewaskum is set as part of the schedule which has to be set up now, he noted, if you don't approve the request, the other teams will simply get a 'bye' when they're supposed to play us.

Because the status of the 1991-92 budget and state aids is still up in the air, the board directed Rizzardi to return to its August meeting with the request and specific dollar facts and figures for possible action.

Rizzardi also presented a general report on the Athletic Department for 1990-91, including participation numbers as well as strong points and areas of weakness including facilities, coaching and equipment concerns for the various girls and boys sports.

# Washington County Free Distribution of USDA Food

Washington County has received surplus commodity food items that will be distributed to eligible households on Saturday, June 15, from 9:00 to 11:30 a.m. (as long as the supply lasts).

Locations for the free distribution are as follows:

West Bend - St. Frances Cabrini Church, 615 Hawthorn Dr. (lower level parking lot); Hartford - St. Kilian School, 245 High St. (cafeteria); Germantown - Senior Activity Center, W162 N11960 Park Ave.; Slinger - Village Hall, 220 Slinger Road; Allenton - Addison Town Hall, Village of Allenton; Kewaskum - Kewaskum High School, north entrance, and Jackson - Jackson Fire Department, S. Jackson Dr.

Eligibility is based on the current monthly gross income (before taxes) of all household members with the following limits: Household size 1, income limit \$828; 2, \$1,110; 3, \$1,393; 4, \$1,675; 5, \$1,958; 6, \$2,240; 7, \$2,523; 8, \$2,805; 9, \$3,088; 10, \$3,370.

For more information, the public may phone 335-4610.

Home delivery is available for Elderly and Handicapped if there is no one in the household who can get to a distribution site. To make arrangements, call the distribution site in your area. West Bend residents please call 335-4610.

Although no income verification information is required, a self declaration form must be signed by the recipient and is subject to state audit. You may also be asked to provide proof of residency.

This program is being coordinated by the Washington County Department of Social Services, and handled locally by various volunteer workers in each community.

NOTICE: Rules for participation in the program are the same for everyone, without regard to race, color, national origin, age, sex, handicap, religion, physical condition, development disability, arrest or conviction record, sexual orientation or marital status.

6:30 p.m.

Community Room  
Municipal Bldg.

**MEMBERS PLEASE ATTEND!**

## Campus Notes

One hundred and thirty of the highest achieving members of the freshman class at the University of Wisconsin-Stevens Point have been inducted into the campus chapter of Phi Eta Sigma national honor society.

The inductees were honored at a banquet this spring at the University Center at which Professor Arthur Herman, a specialist in eastern philosophies and a published author was the speaker.

Membership in the society is for a lifetime. It also is the highest recognition given to a first-year student at UW-SP. To be eligible for membership, students must have a grade point average of at least 3.5 on a 4.0 scale.

The student inductees included Leeann Winninghoff, 8412 Hilltop Lane, Kewaskum.

## 4-H FOODS REVUE AT PARADISE MALL, JUNE 19

The 1991 Foods Revue will be held on Wednesday, June 19, at Paradise Mall in West Bend. That evening from 6:30 to 9:00 p.m., Foods Revue entrants will display their menu items from one of eleven categories. This year's categories include such options as "Creative Cooks," "Nationality Foods," and "Lunch for Friends." Entrants will be evaluated on the basis of presentation, appearance, and understanding of the subject. All entrants are eligible to receive a prize.

All 4-H members and organized youth groups are encouraged to apply by contacting the County Fair Office, P.O. Box 1986, West Bend, WI 53095, or calling 335-4485.

Fish can become seasick if kept on board a ship.

# MEMORIES

The above rather timely (considering all the Welcome Home Desert Storm celebrations) memories photo was taken on the Harter Farm in the Town of Auburn, situated about five miles North of Kewaskum, off what is now Highway 45. It is now owned by the Karl Schultz Family. It was a family gathering, welcoming the Harter boys home from service, shortly after World War I. Seated from left to right: Ted Harter (Father Sylvester O.S.B.), Gregor Harter, Leo Harter and Alphonse Harter. Middle row: Helen Harbeck (Felix) and Bill Harbeck. Back row: Jake Harter, Maggie Harter (wife of Jake), Frank Harter, Mary Harter, Ella Harter (Sister Adelaide C.S.A.), Mary Rimmel, John Harter (husband of Mary and the parents of Sister Adelaide, Gregor, Leo and Alphonse), unknown, Kate Harter (mother of Father Sylvester), Mary Enders, unknown, Lucille Harter (Nigh). Not pictured was Alois, another son of John and Mary Harter, who served in the Navy in World War I.

## This Week's 'KING' Nominations

June 5th-June 11th

**LAST WEEK  
COMING UP!  
NOMINATIONS  
CLOSE JUNE 20**

I guess we put too much faith in Kewaskum's "weaker sex" the past week, for our "King" nominations have dropped off drastically. People... the closer the deadline the MORE nominations you are supposed to send in, and as usual, we aren't getting too much help from the guys!

I thought in spite of the male indifference to our little fund-raising project, we could forge ahead and keep the nominations rolling in so that we could be assured of securing the lumberjack shows for the whole community to enjoy at Kettle Kountry Kolors on October 12th and 13th.

The lumberjack shows come with a price tag of over \$2,500. Unless our nominations pick up considerably now the last week, I have serious doubts about contracting the lumberjacks, which would be a shame.

We wanted to be able to make the entertainment portion of Kettle Kountry Kolors bigger and better this year, but yet try to have it be self-supporting. We were hoping through fund-raising we could accomplish this without having to again rely on the generosity of the Kewaskum business community who supported the festival so well last year.

That does not mean, though, that the business community should not send in nominations. Every business could have a candidate (except for the Statesman, for none of us have exactly the right physical attributes). Perhaps if we got some type of rivalry or challenge going, we might be able to take this all more seriously. Thus far, there has only been a handful of businesses who have supported this fund-raiser.

We have included all community service and civic organizations

in Kettle Kountry Kolors again this year, in hopes that everyone could profit from this immense undertaking. The lumberjack shows would benefit everyone involved in the festival by drawing even more visitors. But yet, we have not received any nominations from any organization other than the Chamber.

We have invited all our neighboring towns to come to Kewaskum and enjoy our festival, but have only a minimal amount of nominations from outlying areas.

It was hoped the village's teens would support the contest. It's all in fun, and we are offering them a whole weekend of free entertainment, including the excellent live music Saturday by the Bear Creek Band. But there has been only one nomination by those persons under the age of 20.

I have teased, cajoled and all but begged people to show their support by sending in nominations. Many of you responded, many of you didn't. This is the last week. Nominations will close June 20th. Girls... don't be intimidated... send the nominations in anyway. Guys... it's time to set aside your pride and nominate yourself if you have to!

The prize money is now up to \$25 per winner in each category with more money being pledged daily. That alone should be an incentive to the teens.

Kettle Kountry Kolors was initiated as something the whole community could enjoy and benefit from. It would be nice to see it continue to grow, rather than stagnate. Here's a list of the past week's candidates.

Grade 6 — Jill Bruendl, Becki Wolf.

Grade 7 — Jenny Strobel, Troy Zehren.

Grade 8 — Andrea Bonlender, Erin Fronek, Sam Schmidt.

## Volunteers Help in United Way Funding Decision-Making

When most people hear the term "United Way," thoughts of raising money, big thermometers, pledge cards, employee meetings and other campaign events come to mind.

An equally important and often overlooked function of United Way is the distribution of funds. Currently, 44 Allocation Volunteers are helping the Board of Directors determine funding levels for 28 United Way agencies for 1992. Based on their recommendations, the Board will vote in July to give each agency a specified amount, pending a successful campaign.

1991 Allocations Committee Chairman, Tom Lindell, who is Vice President - Underwriting at West Bend Mutual Insurance Company, commented on this year's process. "We have refined the system to allow maximum participation by community volunteers, and help the agencies better communicate their missions and programs."

Board members and community representatives had a special training in May, giving them the proper tools to make decisions.

An added element to aid in decision-making is the recently completed Needs Assessment. This county-wide assessment determined unmet needs in Washington County.

Lindell commented, "In 1991, we're distributing \$530,000 to 30 agencies. Member agency requests increase each year, and while we expect revenues to also increase, we know that the need for funds will outpace available dollars."

"This results in difficult and informed decisions following program and budget reviews, county needs, and what is being requested for next year."

"Not only are United Way dollars raised by volunteers, but decisions on how the dollars should be distributed are also made by volunteers," said Lindell. "Ninety-nine percent of monies raised stay right here in Washington County. That's the great thing about United Way," he said. "We have local control over how funds are raised and disbursed."

There are a record number of volunteers involved in the process this year. They represent the communities served by the local United Way. They are: Carol Vetter, Paul Christensen, Mike Wenninger, Tom Bergerud, Dan Holtan, Marjorie Beyer, Shirley Liermann, Gene Akin, Don Ryd, Glenn Broker, Tom Hostad, Karen Wilson, Art Lastofka,

Mark O'Meara, John Gonring, Brenda Yeager, Gary Clemens, Dottie Feest, Bruce Hemminger, Kevin Griffith, Judy Butz, Jim Heiligenstein, Jerry Aman, Tom Bast, Louise Ratzel, Ron Strzok, Liz Knolle, Gloria Hemauer, Joyce Aliota, Majorie Krueger, Al Rodrigues, Dick Semler, Ed Lehman, Steve Domres, Nancie Heaps, Betty Pearson, Elaine Shanebrook, Jerry Santowski, Tim Purman, Pam Allison, Jim Skidmore, Carolyn Matenaer, Judie Lewis and Tom Lindell.

"On behalf of the many who will benefit in the coming year, I'd like to thank and recognize these individuals for their continued commitment to United Way," concluded Lindell.

## Fairbook Dedication

The 1991 Washington County Fair Book is dedicated to Bernie Bretl of Port Washington.

Bernie has been a judge in the Foods Department of the County Fair for over 25 years. She is truly an expert in judging foods whether it be yeast bread, muffins, deviled eggs, salads or apple pie!

Her main concern over her years of judging has been in helping each child learn the most from the experience. As each child arrives at the food department clutching their plate of food, Bernie is a warm motherly manner greets them, questions them about their project while she tastes and judges each food item.

Congratulations to Bernie!

Each year the fair book is dedicated to an outstanding contributor to the fair to say thank you.

## Garbisch Named Boltonville Firefighter of the Year

Craig Garbisch, left, of Boltonville, a member of the Boltonville Fire Department, was chosen as Firefighter of the Year, and was awarded a certificate by Dean Schatz, right, Commander of the Lt. Ray Dickop Post 36, of the American Legion on May 4th, 1991.

## Jennifer Sauer Performs At Carnegie Hall

Jennifer Sauer

Jennifer Sauer, a 1991 graduate of St. Mary's Springs High School in Fond du Lac, recently performed at Carnegie Hall, NYC, as a member of the St. Mary's Springs High School concert choir.

The singers were part of a 225-voice group from seven select high schools in the United States invited to participate in the 100th birthday of Carnegie Hall.

On May 10 the choir performed the 63-page Mozart's "Coronation Mass" in Latin and a 21-page

Beethoven's "Fantasy" in German to a sold-out house.

Jennifer has also been active at St. Mary's Springs in campus ministry, music liturgy, student council, and volleyball. This past-year she was awarded the Fond du Lac Noon Optimist Club award for her work with the choir, and a first and a second in state solo ensemble musical competition, and a senior All-American Choral Honors.

Jennifer is the daughter of Donna Sauer, Campbellsport.

## Beechwood Summer Library Program

"Wheels, Wings 'n' Words" is the theme of the 1991 Summer Library Program to be held at the Beechwood Community Library located in the Beechwood Elementary School Building.

The 6-week program is open on Tuesday mornings from 10:00 a.m. until 11:30 a.m. from June 25th through July 30th for the Beechwood area children-preschool through adult.

Storytime will be at approximately 11:00 a.m. Parents or guardians must be present while their children are in the building.

This annual statewide program is sponsored by the Wisconsin Department of Public Instruction, Division of Library Services to promote year-round reading. More than 100,000 Wisconsin children participated last year in this statewide program.

In Beechwood, a record number of 58 youngsters joined in the 1990 Summer Library Program.

Any questions call Sue Buechel 626-4418.

# Great Wisconsin Dells Balloon Rally Rained Out

A wide array of hot air balloons, including Garfield, Planters Mr. Peanut, Augsburg, and ReMax.

Famous Footwear's Giant shoe hovers above the crowd.

Crews help to fill the balloons with air.

For the second year in a row the Great Wisconsin Dells Balloon Rally had to be cancelled due to the nasty weather conditions. Over 80 hot air balloonists from 12 states, Canada and the Virgin Islands came to compete in the various "tasks" of this two day event.

Tom Sheppard of West Bend is the originator of this prestigious program which was started in 1976 with 30 balloonists and an estimated crowd of 7,000 spectators. Tom is responsible for the entire ballooning event, and had to make the decisions on whether or not to go ahead with the planned launches.

Debbie Spaeth, also of West Bend, served as the Operations Director and was responsible for the condition of pilot participation. She was the overseer of the crews, observers, and scoring and

measuring teams.

This year marked the 16th anniversary of the event and the expected number of spectators was 75,000 for this beautiful and free to the public event. The Great Wisconsin Dells Balloon Rally is one of the top five competitive ballooning events in the United States. Due to the strict competition of this event, a balloonist's invitation to compete at Wisconsin Dells is one of the most prized in U.S. ballooning competition.

This year the event was co-sponsored by area businesses through the Wisconsin Dells Visitor and Convention Bureau and the Wisconsin Milk Marketing Board. Other logistical planning

was done by an all-volunteer committee of local businessmen.

A hot air balloon in the shape of a cow was to be the high-light of this event. Based in Calgary, Alberta Canada, this udderly delightful balloon was to make its first appearance in Wisconsin. Since June is the official dairy month this balloon was appropriate for this program.

On Saturday morning Tom Sheppard, the Balloonmeister, asked the balloonists to go to the launch site even if the weather was unsuitable for flying. The commercial balloons such as everyone's favorite fat cat, Garfield; Mr. Peanut; Pontiac Excitement;

Freizenet; and the new Famous Footwear's giant tennis shoe "tethered" (inflated the balloon, and stayed on the ground), for the spectators who were there at 6 a.m.

Next year will be another year and hopefully with the second year rain out the event will be bigger and better. Plan ahead. It is always the first week-end in June and it is free to the public. Bring the family. It's the awesome feeling to see 60 to 70 balloons flying overhead.

Freeze leftover waffles; when ready to use them, reheat in a toaster.

## WE Extends Smart Money Energy Program to Oct. 15

MILWAUKEE — Because of an expected hot summer, Wisconsin Electric Power Co. has extended its offer on a hot opportunity. The popular Appliance Turn-In Program has been extended from the original deadline of Aug. 31 to Oct. 15.

"We would like to see energy-inefficient room air conditioners taken out of service as soon as possible," said Marti Schmall, WE residential market manager. "However, we realize that some customers need to use them through the summer.

"The deadline was extended to allow customers the opportunity to remove these appliances at the end of the

season and still participate in the program," she said.

Schmall said customers can choose to receive a U.S. Savings Bond or cash rebate of \$25 for each refrigerator and \$50 for each room air conditioner they turn in.

Nearly 200,000 inefficient appliances have been turned in since the program began in 1987 as a part of WE's Smart Money Energy Program. The program, besides saving electricity for future use, helps preserve the environment.

WE recycles the old appliances it removes from homes, thus saving space in landfills.

## TAXES ON SERVICES An Economic Disservice

By Senator Don Stitt

A measure labeled as property tax relief continues to receive substantial discussion as the 1991-93 state budget is being assembled. Senate Bill 48 offers to slash property taxes by shifting the burden to other forms of taxation.

The measure would raise the sales tax a penny and extend that increase to a number of services that are currently exempt from the sales tax.

There has been a great deal of focus on this plan, including an exhaustive analysis of whether or not such a tax shift would create long-term property tax relief.

But there has been little discussion about the proposal to tax new services in Wisconsin. Rather, what would be the consequences of doing so?

If experience is any barometer, extending the sales tax to services in Wisconsin would likely have adverse, if not unintended, economic ramifications.

First, it is reasonable to expect an administrative nightmare. In Florida, after they expanded the sales tax to services, their Revenue Department needed to add 240 positions. Their administrative budget increased \$8 million.

How come? The inherent problem is that service firms are typically smaller than manufacturing or retail firms. Service firms also tend to be more prolific. Thus, registration for the tax authority can be vast and costly. In Florida, the number of registered vendors increased by 95,567.

So, while new tax dollars certainly would fill the state's coffers, a new mini-bureaucracy would be built to facilitate the revenue collection. That's not to mention the difficulties of maintaining a high compliance rate for the new services.

Beyond such administrative woes, Senate Bill 48's expansion of the sales tax to certain services would impede inter-state growth, certainly putting Wisconsin at a competitive disadvantage.

I believe it is never wise to hinder our economic development efforts, but this is especially true when the economy is undergoing lethargic growth.

A new tax on small business could be devastating. Small and mid-sized vendors, as well as start-up accounting, law and engineering firms, would suffer the most. These are strong areas of job creation, more so in a modern day economy that is rapidly becoming service oriented.

While the State Legislature discusses property tax relief and the notion of shifting taxes, it will be important to keep in mind the consequences of raising and extending the sales tax to certain services.

## Tammy Staehler Is St. Mary's Springs Graduate

Tammy Staehler

Tammy Staehler graduates with many achievements as she completed her four years of high school at St. Mary's Springs of Fond du Lac. As a high honor roll student all four years, she was in Who's Who Among American High School Students - 3 years, Outstanding student: German - 4 yrs., Business - 2 yrs., Presidential Academic Fitness - 2 yrs., Lettered in Volleyball, Basketball Cheerleading and Academics; was a U.S. National Art Award winner, congressional youth scholar, Cheerleading Award of Excellence winner, Certificate of Honor for Outstanding Scholastic Achievement, U.S. Achievement Academic National Award winner, KFIZ Radio Sportscasters - Certificate of Merit for Outstanding Scholastic & Athletic Achievement 1990-91.

Tammy was active in volleyball - 4 yrs., cheerleading - 3 yrs., German Club - 2 yrs., church choir - 4 yrs., President of National Honor Society - senior year, music liturgy - 1 yr., key club - 1 yr., campus ministry - 1 yr. Special activities - trip to Germany in 1990, Challenge the Future trip to

Florida and Washington D.C. in 1990 and to Dallas, TX in 1991 for National Cheerleading Championship.

Tammy plans to attend the University of Wisconsin - Madison to pursue a career in Chemistry or Chemical Engineering.

Miss Staehler is a rural Kewaskum resident and the daughter of Raymond and Marianne Staehler.

## Great Circus Parade Stands Alone No Floats, No Flowers, No Equals

MILWAUKEE — All roads led to the circus when the Big Top came to town way back when, but none proceeded more directly than the avenue of the exuberant street parade of performers and animals that was the show's Pied Piper prelude for kids of all ages.

In a colorful rerun of Americana, yesterday's enticing processional of circus wonderment will once again take over the streets of downtown Milwaukee, Sunday, July 14 in the 1991 Great Circus Parade, grander and more glittering than ever. The exciting march of circus ballyhoo, the only event of its kind in the world, will play live to hundreds of thousands of spectators along its four and one-half-mile path. Millions more will witness highlights of the annual two-hour spectacle via a nationwide PBS TV network.

The Great Circus Parade is an authentic recreation of the pageant of promotion the traveling tent circus of generations gone by would stage to herald its arrival in town and bolster its box office. Like many such reruns of yesteryear, this one too is larger than life.

Consider an historically remarkable cavalcade of 70 antique circus wagons, some well past a century old, resplendently restored in vivid circus hues and drawn by several hundred sturdy draft horses; more than 300 strutting carriage and riding steeds; tons of lumbering elephants; scores of fierce caged lions and tigers and other exotic circus animals of all kinds; 200 cavorting clowns; 1,800 costumed

performers, many of them attired in dazzling ornateness. Set all this to the stirring beat of 10 blaring wagtong bands and the pulsating drum and brass cadences of 15 marching bands and you have a nonpareil event that astounds the senses.

You have the Great Circus Parade, known as Wisconsin's National Treasure. You have a paragon of circus hype and hoopla that P.T. Barnum would have envied.

The nostalgic event, presented in Milwaukee each year by the state-owned Circus World Museum of Baraboo, Wis., home of the famed Ringling Brothers, is unique because of the authentic circus wagons from the museum's unsurpassed collection. Exactly refurbished, they're the very same bandwagons, cage wagons, tableau wagons, bell and callope wagons that rolled in gaudy splendor in hundreds of communities across the country in the heyday decades of the circus before the street parade was phased out in the 1920s.

A returning favorite in the parade this year will be a massive 40 horse hitch of hefty Belgian equines four abreast and 10 deep, driven by one man, which duplicates the largest hitch ever to appear in an actual circus parade. The mighty hunk of horsepower will be pulling the spectacular Two Hemispheres Bandwagon, the largest of its kind, as last occurred in a real parade in 1904. Dean and Bud Schmidt, W177 Hy. DD, Kewaskum, will be driving four Belgians pulling the Ringling Bros. Hippo Cage wagon.

The parade's Wild West section will be expanded, featuring for the first time the Congress of Roughriders, a famed addition to Buffalo Bill Cody's Wild West Show in the 1890s built around cowboys and horse soldiers from various nations. Among the costumed roughriders appearing in the parade will be a South American gaucho, Mexican vaquero, Royal English lancer, Arab Bedouin, French dragoon, German cuirassier, Russian cossack and U.S. cavalryman.

Also new will be George Washington's actual inaugural carriage; a Concord overland stage coach 160 years old, and Queen Victoria's Guard,

depicted by a 50-piece English-costumed marching band.

Wagons newly restored for the coming parade include the Pawnee Bill and the Swan bandwagons and the Walter Main bandorgan wagon.

Added animal attractions will include a pair of rare white tigers, sea lions in a pool cage, a pair of African Wildebeests and several additional breeds of horses that will expand what already is one of the largest and most diversified equine displays ever assembled. A special feature will be a 'two-headed' horse that appeared in the 1910 Ringling Bros. circus.

The Great Circus Parade is the climax of a weeklong program of fun and entertainment that begins the preceding Sunday - July 7 this year, at Baraboo with the loading of the antique circus wagons in true circus style, by Percheron horses, aboard railroad flatcars to be transported to Milwaukee. The rail caravan itself has become an annual event as the half-mile long train makes a leisurely two-day 222-mile show off journey through southern Wisconsin and northern Illinois communities, where thousands of young and old turn out to see the historic cargo.

In Milwaukee, for three days prior to parade Sunday, the wagons and animals are on public display at Veterans Park on the Lake Michigan shore in a circus festival that includes four daily performances of the Royal Hanneford Circus under the Big Top and various free entertainment.

Oscar-winning actor Ernest Borgnine will be back this year as Grand Clown of the parade.

The circus parade was first presented in Milwaukee in 1963 under sponsorship of the former Jos. Schlitz Brewing Company, which continued until 1973. The event was revived in its present expanded form by Milwaukee civic leader Ben Barkin, who had been public relations counsel to Schlitz, and has been staged annually since then.

Supported by the Great Circus Parade Foundation, Milwaukee, the parade is a non-profit event whose budget, nearly \$1.5 million this year, comes from contributions from businesses, foundations and individuals.

Parade foundation chairman D. F. (Jack) McKeithan, Milwaukee, said the event "is a preservation of a truly delightful bit of Americana, a remarkable return to entertainment history we are proud to present to the world."

## 'Ride for Life' to Benefit MDA

Saturday, June 15, motorcyclists from throughout the State of Wisconsin will be coming together to ride to the Sunburst Ski Area, just north of West Bend, in the 3rd Annual "Ride For Life" to benefit the Muscular Dystrophy Association.

The "Ride For Life III" is a state wide motorcycle ride sponsored in conjunction with the state Harley-Davidson Dealers. Motorcyclists from all parts of Wisconsin will participate and collect pledges for each mile they ride to the Sunburst Ski Area. The annual events have raised \$51,000 for the Muscular Dystrophy Association here in Wisconsin.

The motorcyclists are asked to begin arriving at Sunburst at 12:00 p.m. and the event will last until 6:00 p.m. Fun-filled activities will be provided throughout the day. Activities include an auction, a "Ride-In Bike Show," and live entertainment provided by Big Wally & The Twins from 1:00 p.m. to

5:00 p.m. It doesn't stop there! There will also be games and a dunk tank. Fun will continue with food and drink available all day.

For a motorcyclist to participate, the entry fee is \$10.00. The \$10.00 entry fee includes admission into the Sunburst Ski Area, the pledge kit, and lunch upon arrival at Sunburst.

All participants are encouraged to collect pledges per mile that they travel. MDA will collect the pledges for you after the ride. The participants collecting the pledges are eligible for many exciting prizes.

To register for the 3rd Annual "Ride For Life" stop in at any Harley-Davidson Dealer including Van Beek Harley-Davidson, 517 N. Main St., West Bend and Bob's Harley Davidson, N6584 Rolling Meadows Dr., Fond du Lac. or call the MDA office at 453-7600. This ride is open to all brands of motorcycles.

All proceeds from the "Ride For Life III" will go to benefit the Muscular Dystrophy Association and will help those in Wisconsin with neuromuscular diseases.

## Under the Big Top

The circus is coming to Riveredge Nature Center's program **Under the Big Top**. Join us as we explore Nature's circus of animal acrobats, high wire experts and strong men. The Ring Master will lead you on hikes to find and catch unusual animals in the ponds, hills, and forests. Games, crafts, songs and our own Riveredge Circus will round out this experience, immersing children in the natural environment.

**Under the Big Top** is for children 3½ to 6 and children must be accompanied by an adult. There are openings in all three sessions which are June 17, 19 & 21 from 9 to 11:30, June 17, 19, & 21 from 1 to 3:30 and July 1-3 from 9:30 to noon. The fee is \$44 for the first child and \$17 for an extra child.

Call Riveredge at 675-6888 or 375-2713 (metro) for registration information. Riveredge is a non-profit nature center, dedicated to environmental education for children and adults.

## CWA Leaders to Attend Convention

Communications Workers of America Local 4675, representing 210 workers in Eastern WI, have elected two delegates to the union's 53rd annual convention, to be held in San Francisco, the week of June 24th.

Local 4675 President Richard Wilke stated that they would be sending Wilke, Plymouth and Bob Becker, Kewaskum. Becker is an Executive Board member.

President Wilke reported that the local delegates will join more than 3,000 delegates and alternates from all regions of the United States and Canada at the convention — the union's highest policy-making body. The actions of these delegates will help shape the future development of CWA.

On May 19, 1991, the young people of Trinity Lutheran Church, Dundee, received their Confirmation. Pictured are, back row, left to right: Craig Collins, Tyler Guell, Rev. Schultz, Dan Hornburg, Joshua Ebert. Middle row: Roberta Last, Jessie Hintz, Megan Whitney. Front row: Sarah Spangenburg and Jill Beck.

## Cost Estimates for Teachers' Lobbying Day Top \$1.5 Million

MADISON...Estimates from the Wisconsin Department of Administration show the cost to taxpayers for a day of Madison lobbying by Milwaukee teachers could reach \$1.7 million.

Former Milwaukee Public Schools Superintendent Robert Peterkin granted teachers the paid June 14 holiday to come to Madison and press legislators for higher school spending. One day's salary cost for all Milwaukee public school teachers is \$1.5 million based on a 200-day school year, or \$1.7 million based on a 180-day year with no summer school service included, the Department of Administration said.

Unionized teachers from all across the state are expected to converge on the Capitol for Friday's mass rally. Capitol Police, who handle security arrangements for such events, say they have issued a rally permit for up to 12-thousand people.

Meanwhile, third-grade reading test scores released by the state Department of Public Instruction show a dramatic dropoff in Milwaukee student

performance compared with the statewide average.

Just over 84 percent of third graders statewide were reading at or above the expected standards, according to the DPI figures. Milwaukee's test results told a different story, however, with only 65.5 percent of third grade students in the city's public schools meeting or exceeding the standards.

The figures showed no correlation between a school district's per-student spending levels and third-graders' reading performance. Some of the lowest spending districts in the state were among those reporting the highest reading proficiency.

Assembly Republican leader David Prosser was critical of the planned lobbying day, saying taxpayers "should not be expected to pay people for coming to Madison to demand more tax dollars."

"In the whole history of this state, Wisconsin government has never scrimped on its commitment to education," Prosser said. "I should think the education community would have more pressing concerns."

### Bird Club Field Trip To Mauthe Lake Area

The Wisconsin Society for Ornithology will be sponsoring a field trip to the Mauthe Lake Area of the Kettle Moraine State Forest on June 22, 1991. The Owen J. Gromme Bird Club of Fond du Lac will be hosting the trip. Anyone interested in attending should meet at the Mauthe Lake Recreation Area contact station between 6:00 to 6:30 a.m.

After birding around Mauthe Lake, the field trip will move to the Haskle Noyes scientific area near the junction of CTH GGG and CTH SS. From there the group will go to Jersey Flats, a prairie restoration area. Lunch (bring your own bag lunch) will be at the Iceage Center just west of Dundee on Hwy. 67. The final stop will be at Spruce Lake Bog after lunch. The trip should end about 2:00 p.m.

Some of the birds expected are Red-shouldered and Broad-winged Hawks, Pileated Woodpecker, Acadian and Alder Flycatchers, Ceruean, Black and White, and Mourning Warblers, Vesper, Henslow's, and Grasshopper Sparrows.

The field trip is free and open to the public, and children are welcome.

### JC's Sandbox Fill A Definite Success

Just a note to say thank you from the Kewaskum JC's who donated to our annual sandbox fill. It was nice to see so many families take advantage of a worthwhile project.

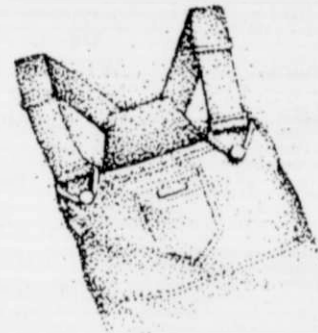

Special thanks to Dundee Sand and Gravel who donated the sand. Watch for our next event held along with the city wide Rummage Sale, delicious cream puffs.

Among most adults there is almost no difference in eye size. Some appear to have larger eyes because of such factors as position in the skull or prominence of eyebrows.

The Dairy Farmers of Wisconsin participated in the 16th annual Great Wisconsin Dells Balloon Rally by sponsoring, appropriately, this dairy cow-shaped hot air balloon. The giant bovine balloon, which is 135 feet long and 65 feet high, was to be a reminder to spectators that the first day of the Rally, June 1, was also the kickoff of June Dairy Month, sponsored annually by Wisconsin Milk Marketing Board to salute quality dairy products from America's Dairyland. The Rally, however, was canceled due to inclement weather.

### It's a Boy!

A son, Shawn Leo, was born to Larry and Diane Brown, N3107 Vista Drive, Campbellsport, on Sunday, May 26th.

## Gary Knowles Is June Dairy Month Chairman

Gary Knowles, 1991 June Dairy Month Chairman, stands before a cheese case at one of the numerous cheese specialty shops throughout the state where tourists and residents alike find a large selection of Wisconsin's 200 varieties, types and styles of cheese. A visit to America's Dairyland is often not complete without a stop at one of these unique shops, where Wisconsin's finest is taken home or sent by mail to faraway family and friends.

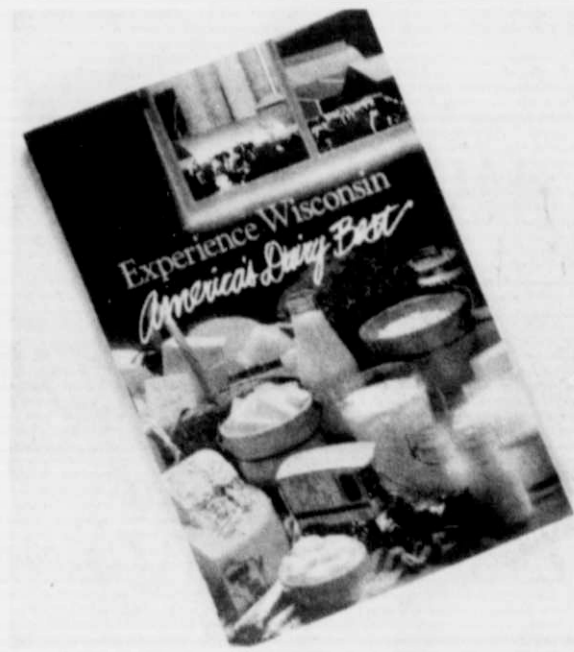

Gary Knowles has been named 1991 June Dairy Month Chairman by the Wisconsin Milk Marketing Board (WMMB). Knowles, the Director of the Bureau of Communications in the Wisconsin Department of Development's Division of Tourism, is a widely known promoter of Wisconsin tourism.

"Gary Knowles is the ideal 1991 June Dairy Month chairman," said Lisa Behnke, WMMB's manager of in-state promotions. "This year's program marks the launch of a new promotional alliance that blends the strengths of two key Wisconsin industries — dairy and tourism."

A Wisconsin native, Knowles directs six professional staff who handle state tourism-related promotional activities, including producing tourism publications, working with travel journalists, and planning and implementing public relations programs.

As June Dairy Month Chairman, Knowles will lead the traditional month-long promotion of Wisconsin's dairy industry and presided over the official Kickoff on Saturday, June 1, in conjunction with The Great Wisconsin Dells Hot Air Balloon Rally. The annual Rally drew thousands of tourists. To salute the Kickoff at the Rally, WMMB sponsored a cow-shaped balloon that's 65 feet high and 135 feet wide.

WMMB, a non-profit organization funded by Wisconsin's 33,000 dairy farmers, was created to promote the sale and consumption of Wisconsin dairy products.

This new booklet produced by Wisconsin Milk Marketing Board for tourists highlights some of the many destinations around the state that promote Wisconsin dairy industry or products.

We're proud of our dairy farmer neighbors who help make Wisconsin America's Dairyland. Now during June Dairy Month, we take special pride in honoring you as a dairyman. As your Savings and Loan, it's a pleasure to work with you throughout the year. So, stop in and see us anytime.

# JUNE IS DAIRY MONTH

## AMERICA'S DAIRY BEST

Whether you're a Wisconsin native or a first-time visitor, the Dairy State's natural beauty will inspire you. The qualities that make Wisconsin so appealing to travellers are the same qualities that have made Wisconsin so widely known as America's Dairyland.

The dairy leader for over 75 years, Wisconsin is famous for its cheese. Nearly 80% of Wisconsin milk becomes cheese. The rest is made into other quality dairy products.

As you discover the Dairy State's many charms and traditions... and wave at our 1,739,000 cows... the dairy farmers of Wisconsin invite you to enjoy our many "dairied treasures."

Join these area business people in a salute to all segments of Wisconsin's dairy industry, and take time to "Experience Wisconsin - America's Dairy Best!"

A multitude of milks: whole milk is no longer the whole story. Today consumers can choose from a wide variety of milk products, such as calcium-enriched, lactose-reduced, lowfat and flavored.

### Milk... A Good Choice for Kids Of All Ages

While adults can benefit from consuming wholesome milk as a beverage or in other dairy foods, children in particular thrive on the nutrients that milk provides. For example, milk is a great source of vitamins A and D, protein, riboflavin, phosphorus and, of course, calcium for those growing bones.

The best part is, children like milk and other dairy products, such as cheese, yogurt and ice cream. A new brochure from Wisconsin Milk Marketing Board, "Pass it On...milk. It Does a Body Good!" is packed with ideas on how to provide children with important nutrients in fun and flavorful milk and other convenient dairy products.

According to the brochure, "The food kids like may not be the foods that are good for them...But kids and milk go hand in hand!"

The brochure contains a wealth of information on milk: types of milk available (including new specialty varieties); nutritional analysis of milk, with calcium requirements for children and adults; suggestions on foods that go well with milk; and quick-to-fix recipes made with milk, such as peanut butter pudding parfaits and custard-style french toast with spiced plum sauce. Nutritional analysis is also included for each recipe.

For a free copy of the new milk brochure, write to Wisconsin Milk Marketing Board, Dept. MK-3, P.O. Box 44574, Madison, WI 53744.

### CHEWY CHOCOLATE-CHOCOLATE CHUNK COOKIES

What's the perfect beverage to compliment chewy cookies? MILK! Make up a batch of these ultra-chocolately chip cookies and serve with tall glasses of refreshing, ice-cold milk.

- 1 1/2 cups butter
- 1 cup packed brown sugar
- 1 cup granulated sugar
- 2 eggs
- 2 teaspoons vanilla
- 2 1/4 cups flour
- 2/3 cup cocoa
- 3/4 teaspoon baking soda
- 1/4 teaspoon salt
- 2 4-ounce packages sweet baking chocolate, coarsely chopped
- 1 cup chopped pecans (optional)

Beat butter and sugars at medium speed with electric mixer until light and fluffy. Beat in eggs and vanilla. Gradually add combined dry ingredients; mix well. Stir in chocolate and nuts. Drop rounded measuring teaspoonfuls of dough, 2 inches apart, onto ungreased cookie sheets. Bake at 350 degrees F, 12 to 14 minutes or until set. Let stand 2 minutes; remove to cooling rack. Makes approximately 3 1/2 dozen cookies.

VARIATION: Substitute one 12-ounce package peanut butter chips for sweet baking chocolate.

SOURCE: Wisconsin Milk Marketing Board

### Chocolate Milk Growth Chart Day At Brewers Game

The Dairy Farmers of Wisconsin and the Milwaukee Brewers will team up on Sunday, June 23, to promote Chocolate Milk Growth Chart Day at County Stadium.

Children attending the Sunday afternoon game will receive a six-foot-high growth chart featuring Brewer catcher B.J. Surhoff holding a carton of chocolate milk and reminding consumers to "Never Be Out at Home."

Throughout May and June at their local supermarkets,

consumers will see a life-size, cut-out, stand-up poster of Surhoff holding a carton of chocolate milk. His "glove" will hold free brochures with chocolate milk nutritional information and order forms for the growth chart, offered by mail with chocolate milk proofs-of-purchase.

The promotion is designed to educate consumers on the nutritional value and flavor attributes of chocolate milk.

Wisconsin Milk Marketing Board, an organization funded by Wisconsin's 33,000 dairy farmers, was created to promote the sale and consumption of Wisconsin dairy products.

## FARMERS

Keeping everyone fed, even in the land of plenty, is no easy task to undertake. Yet the American farmer has undertaken this pursuit as his life's ambition. Although sometimes taken for granted, we acknowledge your dedication, for through your efforts, we all benefit, nutritionally and economically.

We take this opportunity to salute our local farm community and the many organizations whose activities help to improve the quality of life.

THANK YOU FOR A JOB WELL DONE!

### Kewaskum Statesman

### A Salute to Wisconsin's Dairy Farmers

In celebration of June Dairy Month, we offer a salute to the people who serve us all — Wisconsin's dairy farmers. Dairy farming in the United States started in Jamestown when the first settlers brought over dairy cows. Since then, thanks to the dairy industry and to the dedication of those who have become part of it, dairy farming has grown to one of our most important agricultural endeavors. We salute the dairy industry for the important role it plays in Wisconsin's economy.

## ELSIE E. MUENCH

Elsie E. Muench, 77, of Beechwood, passed away on Thursday, June 6, 1991 at the home of her son in rural Fond du Lac.

She was born on May 25, 1914 in the Town of Auburn, the daughter of the late John and Emma (Hafermann) Gatzke. On December 31, 1932 she was united in marriage to Milton Muench at St. John's Lutheran Church in New Fane and preceded her in death on June 12, 1971.

Mrs. Muench was a member of the Immanuel Lutheran Church, Town of Scott and the Ladies Aide, the L.W.M.L. and L.L.L.

Survivors include four sons: Vernon (Donna) of rural Fond du Lac, Eugene (Norma) of Kewaskum, LeRoy (Hollis) of Adell and James (Kay) of Batavia; a brother Norbert (Laura) Gatzke of New Fane; a sister Gretchen Steffen of West Bend; 15 grandchildren and six great-grandchildren.

In addition to her parents and husband she was preceded in death by two brothers and two sisters.

Funeral services were held at Immanuel Lutheran Church, Town of Scott, at 2:00 p.m. on Sunday, June 9, 1991 with Rev. William Robinson officiating. Burial was in the church cemetery. Friends called from 4:00 to 9:00 p.m. on Saturday, June 8 at the Miller Funeral Home Kewaskum and from noon until time of services at the church on Sunday.

## LLOYD R. JUNK

Lloyd R. Junk, of the Town of Barton, died Sunday, June 9, 1991, at St. Joseph's Community Hospital, West Bend, at the age of 35.

He was born June 25, 1955, in West Bend, to Edwin and Helen (nee Klein) Junk. After attending St. Mary's School, he graduated from West Bend East High School in 1973.

On Oct. 8, 1976, he married Sandra J. Moore in Casper, Wyo. They settled in West Bend and moved to Colorado in 1981 where they lived until returning to West Bend in 1990.

At the time of his death he was employed as a truck driver for Janis Trucking of West Bend.

Survivors include his wife; two children, Melisa and Daniel, both at home; his parents, Edwin and Helen Junk of Kewaskum; parents-in-law, Thomas and Ibalee (nee Mapes) Moore of Casper, Wyo.; six brothers, Gerald (Marlene) of Casper, Kenneth (Linda) and Andrew (Bev), both of West

Bend, James (Joan) of Eau Claire, Dennis (Mary) and Joel, both of Kewaskum; a sister, Mary (Robert) Fitzpatrick of West Bend; two sisters-in-law, Beverly (Randy) Hobbs of Douglas, Wyo. and Rhonda (Brent) Beeson of Casper; a brother-in-law, Michael (Nicki) Moore of Elko, Nev., and other relatives and friends.

Funeral services will be Thursday, June 13, at 9:45 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Holy Trinity Church, Kewaskum. Rev. Thomas Brundage will be the presider, and burial will be in Newark Cemetery, Town of Barton.

Visitation at the funeral home will be Wednesday after 4 p.m., with a prayer vigil at 8 p.m.

The family prefers memorials to the benefit of Lloyd's children.

## VERNON D. ANDERSON

Vernon D. (Andy) Anderson, 68, of Lakeshore Drive, Campbellsport, passed away on Friday, June 7, 1991 at his home.

He was born on September 30, 1922 in Antigo, the son of the late Andrew and Emma (Belsky) Anderson. On November 27, 1944 he was united in marriage to Marie Koester in Norman, Oklahoma. Mr. Anderson was a member of the St. John's Lutheran Church in New Fane and the Bintzler-Waehler American Legion Post #347 of Lomira.

Survivors include his wife Marie; a son Vernon Jr. (Sandra) of Viola; three daughters: Jeanne Reseburg and Linda (James) Mondloch both of Random Lake and Doreen (James) Scahill of Italy; a brother Kenneth Anderson of Antigo; two sisters Ruth Anderson and Eileen Anderson both of Antigo; and nine grandchildren.

In addition to his parents he was preceded in death by a sister Norma Anderson.

Memorial services were held at St. John's Lutheran Church, New Fane, at 2:00 p.m. on Tuesday, June 11, 1991, with Rev. Mark Eckert officiating.

Mr. Anderson's body was donated to Medical Science as he requested. Memorials to St. Agnes Hospice are appreciated. The Miller Funeral Home, Kewaskum is serving the family.

## JOSEPH GROSS

Joseph A. Gross, 25, a resident of Southern Wisconsin Training Center for the Handicapped in Union Grove, Wis., died Friday, June 7, 1991, at St. Mary's Medical Center in Racine.

He was born Aug. 22, 1965, in West Bend, a son of LeRoy and Judith Fellenz Gross.

Survivors include his parents,

three brothers, Gary Gross of Burlington, and Bradlee and Kurt, at home; two sisters, Annette Soldner and her husband Steven of Campbellsport, and Michelle Gross of Chicago; his maternal grandmother, Lorraine Fellenz of rural Kewaskum; four nieces; and two nephews.

He was preceded in death by his maternal grandfather and paternal grandparents.

Private family services will be held at St. Mathias Catholic Church in the Town of Auburn. The Rev. Elroy Pesch, O.F.M., will officiate.

Burial will take place at the parish cemetery.

## WILMER JUNG

Wilmer H. Jung, 82, of 2620 N. Helen St., No. 205, Appleton, died Tuesday, June 4, 1991.

He was born Dec. 7, 1908, in the Town of Wayne, a son of the late Philip and Mary Ohrmund Jung. He later married Florence Kleist. They were married for 54 years.

Mr. Jung was an avid hunter and fisherman. Following his retirement, he enjoyed repairing various items for himself and others.

Survivors include his wife; one daughter, Valerie Burton of Grafton; one son, Keith and his wife Ellen of Marinette; four grandchildren, Heather and Heidi Jung, and Rodd and Dawn Burton; and one brother, Herbert of West Bend; aunts and uncles; and nieces and nephews.

Preceding him in death were three sisters and three brothers.

Memorial services will be held Friday, June 21, at 7 p.m. at Trinity United Methodist Church, 300 Church St., Lomira. The Rev. Roger Clapp will officiate.

There will be no visitation. Wichmann Funeral Home, Appleton, is handling arrangements.

## HARVEY E. OELHAFEN

Harvey E. Oelhafen, of West Bend, died Thursday, June 6, 1991, at St. Joseph's Community Hospital, West Bend, at the age of 85.

He was born Oct. 15, 1905, in

the Town of Addison, to John and Bertha (nee Rate) Oelhafen and married Helen E. Vogt on May 1, 1937, at Holy Angels Church, West Bend.

He had been a dairy farmer in the Addison area and a member of Zion Lutheran Church.

Survivors include his wife; three children, Betty (John) Schmidt of Theresa and Thomas (Darleen) and Kenneth, both of West Bend; 12 grandchildren; two great-grandchildren; a sister, Claire Knickel of Milwaukee; two brothers, Jake of Cedarburg and William of West Bend; and other relatives and friends.

Preceding him in death were his parents, a sister and six brothers.

Funeral services were Sunday, June 9, at 7:30 p.m. in the chapel of the Phillip Funeral Home of West Bend, with Rev. Louis Riesch officiating. Burial was Monday at 10 a.m. in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Sunday from 4 p.m. until the time of services.

Memorials to Cedar Lake Home Campus appreciated.

## ROLAND J. HEDER

Roland J. Heder, of Slinger, died Sunday, June 9, 1991, at Hartford Memorial Hospital at the age of 77. He had been a resident at the Cedar Lake Home since April 1986.

He was born June 18, 1913, in the Town of Addison, to Louis and Minnie (nee Schneider) Heder and lived in Slinger most of his life.

He married Margaret Brill, who passed away in 1954. He then married Tina Grunig in 1961. She passed away in February of 1984. In September of 1984, he married Rosetta J. Fercy.

In 1946, Roland and William Johnson Sr. built the Slinger

Speedway Racetrack. At one time, the two ran three racetracks each week - Saturday nights at Plymouth, Sunday afternoon at Oakfield and Sunday nights at Slinger.

Roland eventually bought out Johnson and ran the Slinger Speedway for many years until he sold to the present owner, Wayne Erickson.

Shortly before Slinger Speedway was sold, Roland had the quarter-mile track banked and asphalted.

Mr. Heder also was a tavern-keeper in Slinger from 1945-54, and had also been a cheesemaker, milk hauler, had a roofing and siding business and a new home construction business.

Survivors include his wife of Kewaskum, a daughter, Maureen (Carmen) Christman of Slinger; four grandchildren, Peggy (Brad) Kuhn, Pam, Paul and Cindy Christman; nieces; nephews and other relatives and friends.

Preceding him in death were his parents and two brothers, Harry (Delores) and Stanley (Lorraine).

Funeral services will be Wednesday, June 12, at 7:30 p.m. at the Phillip Funeral Home, Slinger, with Mass of Christian Burial at 8 p.m. at St. Peter's Church, Slinger. Fr. Robert Bales will officiate, and cremation will be in Wisconsin Memorial Park, Brookfield.

Visitation at the funeral home will be Wednesday from 4 p.m. until the time of services.

Memorials to St. Peter's Catholic Church Renovation Fund appreciated.

For a Loving and Lasting Memorial...

Please send contributions to:

## Vacation Video Is 'Sun'-Sational

Milwaukee Public and Educational Television is gearing up for the return of VACATION VIDEO.

VACATION VIDEO, which debuted last summer, is designed to motivate children ages six through 12 to become active during the summer months.

VACATION VIDEO first encourages children to watch quality programs on WMVT Channel 36. It then encourages kids to turn off the set and get out and do something active, like visit the library or play in the park.

The VACATION VIDEO schedule runs June 3 through August 30 and features five children's programs: READING RAINBOW, SECRET CITY, NEWTON'S APPLE, 3-2-1 CONTACT AND SQUARE ONE TV. This programming block airs weekdays from 8:30 to 11 a.m. and repeats the same day from 1 to 3:30 p.m.

To participate in VACATION VIDEO, children should pick up the VACATION VIDEO magazine from their local library. Activities, games and information contained in the magazine focus on this year's theme of "family" and "cultural diversity."

When children mail in a registration form, located on the inside back cover of the magazine, they become members of the VACATION VIDEO Club. There is no charge to join the Club and children receive a VACATION VIDEO summer pack which includes a membership card and summer fun items.

Available free of charge, the VACATION VIDEO magazine is a community service of Milwaukee Public and Educational Television and the Ninth Congressional District, AFL-CIO Labor Councils.

If children and their parents would like more information about VACATION VIDEO, they can contact WMVS/WMTV Channels 10 and 36 at (414) 271-1036.

### VACATION VIDEO PROGRAM DESCRIPTIONS

**READING RAINBOW:** Using a children's story as a catalyst for adventure, a celebrity host explores the world of books. READING RAINBOW was created to encourage young viewers to turn to books for entertainment and enlightenment. The series, now in its ninth season, brings children a new appreciation of the world around them by introducing them to new experiences. Airs weekdays at 8:30 a.m. and again at 1 p.m.

**SECRET CITY:** Hosted by Commander Mark. In SECRET CITY, children express their creativity by making their own visual adventures. Regular characters — the humanoid Zebtron, Cindy the Dragon, MetaMan and others — visit Commander Mark and discuss various forms of art, including computer drawing, architecture, animation, art history, commercial design, fine art, fashion, sculpture and toy design. Airs weekdays at 9 a.m. and again at 1:30 p.m.

**NEWTON'S APPLE:** How does

a roller coaster ride affect the human body? How can you escape quicksand? How do bees sting? These and other scientific pursuits are explored by the NEWTON'S APPLE team. Airs weekdays at 9:30 a.m. and again at 2:30 p.m.

**3-2-1 CONTACT:** A science and technology series for 8 to 12-year-olds, 3-2-1 CONTACT demonstrates that science is everywhere. In addition to going to remote places of the earth, 3-2-1 CONTACT uses animation, studio action, music and humorous skits to explain a process or put forth an idea. Airs weekdays at 10 a.m. and again at 2:30 p.m.

**SQUARE ONE TV:** The purpose of SQUARE ONE TV is to promote interest and enthusiasm for mathematics. Faced with the challenge of getting youngsters to watch and enjoy a program which deals with a subject so many dislike, SQUARE ONE TV producers consulted with leading math educators, conducted extensive research and concluded that their best approach would be to deal with attitudes and misconceptions about math. "Changing attitudes, motivating and modeling problem-solving behavior are things TV does very well," said executive producer Dave Connell. "We knew we had to make math fun to make it appealing, so we came up with a show that doesn't teach math per se, but that is entertaining, demonstrates math's usefulness and, we hope, promotes positive feelings about the subject." Airs weekdays at 10:30 a.m. and again at 3 p.m.

### SHEEPSHEAD WINNERS

5 handed winner's on Wednesday, June 5th were: Rose Meunier, 74-7-67, 18-5-13; Hilda Becker, 70-5-65, 27-3-24; Vivian Bartelt, 66-6-60, 20-5-15; Judy Lickmann, 61-8-53, 22-6-16; Andy Bonlender, 49-1-48, 20-1-19; Gib Pieper, 59-14-45, 26-8-18; Walter Bartelt, 52-10-42, 15-4-11.

The next 5 handed will be Thursday, June 13th and Wednesday, June 19th at 8:00 p.m. Sharp. Schmitt's Never Inn.

## Dairy Council Offers Cheese Lovers Guide

The 1991 edition of "A Cheese Lover's Guide to Lower Fat Cheeses" is now available from the Dairy Council of Wisconsin.

The guide lists fat, cholesterol and calorie content for 219 low fat cheeses by brand name. The calcium content of each cheese is also listed.

The guide features cheese containing six grams or less of fat per one ounce serving.

To receive a copy of the guide, write to the Dairy Council of Wisconsin, 250 N. Patrick Blvd., Brookfield, WI 53005. Enclose a check for \$1 to cover postage and handling.

"The guide is a useful planning tool for people who like cheese but have been told to reduce the amount of fat in their diet," said Joann Heppes, director of education for the Dairy Council of Wisconsin and editor of the guide.

Cheddar is the most popular style of low fat cheese included in the guide. There are 36 different brands listed.

The new edition of "A Cheese Lover's Guide to Lower Fat Cheeses" also offers tips on how to plan a diet that limits total fat intake to 30 percent of calories. Health professionals have established that level as the suggested upper limit for daily fat consumption.

As an alternative to switching to low fat cheese, another way to cut down on fat intake is to simply eat smaller portions of traditional cheese, according to Heppes.

Also included in the guide are definitions for different varieties of cheeses, including cheese spread, cheese food, natural cheese and pasteurized process cheese.

As an indication of the growth in popularity of low fat cheese,

the 219 cheeses listed in the new guide compare with 109 included in the guide published two years ago.

Dairy Council of Wisconsin is a nutrition marketing and nutrition communication association funded by the dairy industry. The trade group serves Wisconsin, northern Illinois and northwest Indiana.

### CARD OF THANKS

Thanks you to everyone who expressed their sympathy at the loss of our husband, father, grandfather and great-grandfather, EUGENE BRABENDER. A special thank you to Pastor Robinson, Pastor Lindau, St. Stephens Service Fellowship Circle, Kettle Moraine Hospice, the nurses, doctors and staff at St. Joseph's Hospital, Miller Funeral Home, and anyone else who helped us in any way. Your acts of kindness will always be remembered.

Eugene Brabender Family

## 25 Years Ago

June 10, 1966

A special congregational meeting was held on Sunday, June 5, at Peace Church, Kewaskum, to consider preliminary sketches drawn up for a renovation and decorating program at the church. The estimated cost of the project is \$25,000. The project includes expansion of an improved foyer and cloak room facilities into a 100 coat area and lounge area, increased storage facilities for chairs and tables in the basement, stabilizing of the balcony as well as painting and carpeting of the sanctuary.

Four students from Kewaskum were among the 3,600 students who were candidates for degrees at the University of Wisconsin's June commencement at Madison. They were Robert N. Kroncke, Bachelor of Arts, Aldwin H. Seefeldt, Doctor of Law, Norman E. Rodenkirch, Master of Science, Richard N. Groh, Bachelor of Business Administration.

**Births** — A daughter to Mr. and Mrs. Willis Haumschild, R.1, Kewaskum, Saturday, June 4. A son to Mr. and Mrs. Elwood Berg, R.2, Kewaskum, Tuesday, June 7.

**Marriage Licenses** — Raymond W. Dobberpuhl, R.1, Kewaskum and Deanna J. Rowley, LaCrosse, wedding June 25. Theodore J. Schneider R.1, Kewaskum and Frances A. Backhaus, R.2, Kewaskum, wedding June 18.

## 50 Years Ago

June 13, 1941

Autos driven by George Petri, of Wayne, and Harold Hatch of Milwaukee, collided at Barton at 8 p.m. Sunday. Several friends from this village were passengers in the Petri car, a Dodge sedan, but no one was injured. The collision resulted when Petri turned into Barton's Main Street and smashed into the side of the Hatch auto. The radiator, fenders, and other parts of the Petri car were damaged while that of the other machine was more severe.

Members of the Kewaskum Fire Department and helpers were at work the past two weeks erecting a large new stationary bratwurst and hamburger stand in the village park just south of the bandstand. The closed stand is 40 ft. long and 18 ft. wide. It has a solid concrete floor and is entirely covered by a roof that extends out four feet on each side to cover the counter. The firemen expected to have the new building in operation next Sunday.

About 60 friends and relatives were entertained at the home of Mr. and Mrs. Richard Trapp, New Prospect, Friday evening in honor of their daughter Virginia's graduation.

Mr. and Mrs. Alois Wietor, Mr. and Mrs. Frank Wietor and Mr. and Mrs. Oscar Boegel

motored to Milwaukee Friday evening to attend the graduation at Pio Nono High School. Cyril Wietor was one of the graduates.

Old time dance at Gonring's Big Cedar Lake, this Sunday, June 15.

## 75 Years Ago

June 10, 1916

At the stockholders meeting of the newly organized Farmers & Merchants Bank, held last Saturday afternoon, the following directors were elected: Christ Schaefer, Jr., Herman Meilahn, Emil Backhaus, A. L. Simon, Elywn Romaine, Louis Guth and Geo. Romaine and August Heberer, of the Town of Auburn, Arthur Koch of Beechwood, Jos. Umbs and Phillip Jung of the Town of Wayne. The newly elected directors elected the following officers namely: President, Christ Schaefer, Jr., Vice-president L. Guth, Cashier Elywn Romaine.

Miss Olive Oppenorth of Kewaskum, a junior in the College of Letters and Science at the University of Wisconsin, was awarded the "W.A.A." pin of the Women's Athletic Association at their annual banquet.

Muslin underwear. Just received another big shipment. Supply your wants now, Rosenheimer.

Herbert Martin returned to Campbellsport Tuesday after spending the past year at Stockbridge where he was principal of the high school.

Mr. and Mrs. E.A. Senn were pleasantly surprised by a number of their friends at their home Tuesday evening, the occasion being their tenth anniversary. A social time was enjoyed by all present and dainty refreshments were served at 10:30, after which the guests departed wishing Mr. and Mrs. Senn many happy returns of the day.

### IN MEMORY

In loving memory of JEANETTE WERNER WESTERMAN who passed away 30 years ago on June 17, 1961.

Jesus came to get you,  
Thirty years ago.  
In His soft, white garments,  
Bright and all aglow.

He took your soul to heaven  
Leaving us behind,  
To deal with pain and sorrow,  
Of a shattering kind.

But many years have passed  
now.

Of course, we all have grown.  
We've adjusted and matured,  
And have children of our own.

When they ask of Grandma  
Jeanette,

We tell of your gentle style.  
We tell of your humor, of your  
strength,

And of your warm and loving  
smile.

Your Family

## State Offers Home Improvement Loans to Eligible Wisconsin Vets

WEST BEND — To finance home improvements, qualified Wisconsin veterans may borrow \$3,000.00 to \$15,000.00 at an 8.1 percent annual interest rate. Veterans also have up to 15 years to repay the loan.

Administered by the Wisconsin Department of Veterans Affairs, the Home Improvement Loan Program may be used for new construction as well as remodeling and repairs that improve the basic livability or energy efficiency of the veteran's home.

Although the loan may finance a wide-variety of home improvements, some are not allowed, including: deck or patio construction, home appliance purchases, fencing, landscaping or adding recreational facilities, such as pools, saunas and tennis courts. There are some restrictions on loans for property used for commercial or agricultural purposes.

To qualify for a home improvement loan, the veterans must meet certain requirements, including the following:

The veteran must meet state residency requirements and eligibility criteria for military service.

The house must be the

veteran's principal residence.

The veteran must have at least 10 percent equity in the property (the equalized assessed value plus one-half of the cost of the proposed improvements could be used in this calculation).

The combined annual income of the veteran and his or her spouse must not exceed \$39,000.00. This income limit is higher for veterans who received service connected, 100-percent disability compensation from the U.S. Department of Veterans Affairs.

For more information, contact the Veterans' Service Officer for your county or Richard W. Baker, Washington County Veterans' Service Officer, phone 335-4457.

### Low-Fat, Low-Cholesterol Cooking Seminar June 26

Has your doctor told you or a family member that you have a high cholesterol count and you need to make some dietary changes? Are you having trouble changing to a new way of cooking? Are you having trouble getting motivated or adapting your favorite recipes?

Then, plan to attend our

Low-Fat, Low-Cholesterol Seminar on June 26 from 1:00 - 3:00 p.m. It will be held in Room 119 at the Washington County Courthouse, 432 E. Washington Street in West Bend. The cost is \$4.00. There is a minimum registration number of 10 so please register by June 19.

If you have any questions, contact Jan Felthous, Summer Home Economist at the Extension Office, at 335-4479. She will be the instructor for this seminar.

### 4-H Clothing Revue at Paradise Mall Saturday

The 1991 Fashion Explosion will be held at Paradise Mall in West Bend on Saturday, June 15, beginning at 9:30 a.m. Categories include Clothing, Knitting and Crocheting. Entries will be judged for merit, entitling participants to model their garments at the County Fair on Friday, July 26. Entries will be judged on the basis of suitability, general appearance, and construction. Each participant must make his or her own outfit.

All 4-H members and organized youth groups are encouraged to obtain entry forms by contacting the County Fair Office, P.O. Box 1986, West Bend, WI 53095, or calling 335-4485.

## Bike-A-Thon Raises \$800 in Cystic Fibrosis Pledges

**BIKE-A-THON PARTICIPANTS** — Row one, left to right: Patrick Enright, Erica Christie, Jacqueline Chambers, Justis Clayton, Bridgette McDonald. Row two: Daniel Enright, Brad Kriegel, Amanda Schoofs, Jessica Parrent, Melanie Farley, Lisa Schickert. Row three: Joshua Parrent, Matthew Schroeder, Jarad Clayton, Aileen Chambers, Emma Chambers, Linda Enright, Jacob Clayton. Missing: Lanaya Martin, Lora Christie, Mike Schickert, Ricky Lettow, Helen Klahn, Becky Heisdorf and Jenny Straub.

On Saturday, June 1, 1991, 24 Kewaskum area residents participated in the Cystic Fibrosis Bike-A-Thon sponsored by the Kewaskum Junior Woman's Club. In three hours the participants rode a total of 354.5 miles for sponsor pledges totalling approximately \$800.

Proceeds from the event will be forwarded to the Cystic Fibrosis Foundation so research may continue in hopes of finding a cure for CF.

The following is a listing of participants and number of miles each rode:

Aileen Chambers, 18 ; Emma Chambers, 21; Erica Christie, 16; Lora Christie, 2.5; Jacob Clayton, 8; Jarad Clayton, 16; Justis Clayton, 4; Daniel Enright, 18; Linda Enright, 18; Patrick Enright, 10.

Melanie Farley, 17; Becky Heisdorf, 20; Helen Klahn, 13; Brad Kriegel, 10.5; Ricky Lettow, 30; Lanaya Martin, 10; Bridgette McDonald, 13; Jessica Parrent, 17; Joshua Parrent, 17.5; Lisa Schickert, 7.

Mike Schickert, 15; Amanda Schoofs, 20; Matthew Schroeder, 20; and Jenny Straub, 13.

Kewaskum Juniors wish to sincerely thank all the participants for their efforts and their generous sponsors. We appreciate your support!

### KEWASKUM WOMENS TUESDAY NIGHT VOLLEYBALL LEAGUE June 4, 1991

Gruber Tool and Die, 20-0, Thelen Construction, 15-1; Shefond Self Servers, 12-4; Ike's Repair Shop, 9-7; Amerahn's, 7-13; My Little Friends, 5-11; Barrel Haus, 4-12; LR Trophy, 5-15; Homeplate, 3-17.

In the opener, the Shefond Self Servers won 3 out of 4 games from the Barrel Haus. Shefond won games #1, 3 and 4, 15-9, 15-2, and 15-5. The Barrel Haus won game #2, 15-11.

At the 7:00 p.m. games, LR Trophy pulled an upset, by winning game #3, 15-10, from the previously unbeaten Thelen Construction team. Thelen's won games #1, 2, and 4, 15-4, 15-5, and 15-10.

At the 8:00 games, Gruber Tool and Die remained the only unbeaten team, by sweeping all four games from the Amerahn, 15-6, 15-9, 15-11, and 15-11.

In the night cap, the Homeplate ended their winless streak, by taking 3 out of 4 games from My Little Friends. The Homeplate won games #1, 3 and 4, 15-12, 15-5, and 15-10. My Little Friends won game #2 15-12.

Ike's Repair Shop had a bye.

# Cleek Named Associate Dean of UW-Waukesha

University of Wisconsin Center - Waukesha Dean Mary Knudten has announced that Associate Professor of Psychology at the UWC-Washington County campus, Margaret Cleek, will become the associate dean for the Waukesha campus beginning August 19.

In making the announcement Dean Knudten remarked, "she brings an unusual amount of experience to the position. She has been a long term faculty member and has governance experience in the UW Centers, but also has had an opportunity to work as Administrative Associate in the Office of the Vice President for Academic Affairs and as Academic Planner in the Office of the Vice President for Academic Affairs to gain a very broad prospective on UW System issues."

Cleek has taught psychology at the UWC-Washington County campus since 1978 and participated in a program through Indiana University as a Visiting Associate Professor in Malaysia in 1985. In Malaysia she served as the Coordinator of the Social Science Area Group and worked on policy development and administration with the Provost.

Cleek graduated from the University of Illinois - Chicago in 1971, and earned her master's degree and Ph.D in developmental psychology from the University of Wisconsin-

sin-Madison.

Among her professional activities she was awarded an administrative grant in 1990 to complete a project: "Retention of Tenure-Track Faculty in the Two-Year Institution." She was also given a UW Centers Distinguished Service Award in 1988.

Cleek has served on the UW Centers Grants Committee, Budget Committee, and served as Senate Steering Committee Chair from 1988 to 1990. She has served on the executive committee of the UW Centers psychology department since 1984.

Cleek replaces Fred Moss who resigned the position to return to teaching.

Cleek lives in Kewaskum.

## Piano Workshop Being Offered

WEST BEND — The annual Moraine Area Piano Workshop, sponsored by the Moraine Area Private Music Teachers Organization and the University of Wisconsin Center — Washington County Music Department, will be offered July 22 - 26 from 8:30 to 11:45 a.m.

The workshop offers a unique opportunity for students entering grades 5-8, who have had at least 2 years of piano instruction, to sharpen their

musical abilities and to associate with other students of similar musical interests.

In Music Theory & Composition class, students will learn to compose at the piano and communicate through basic notation. Ensemble Playing

provides opportunities to play piano duets and quartets as well as chamber music with other instruments. Both Music History and Capriccio Class will offer students a variety of musical experiences while exploring the music of 20th

century American composers Leonard Bernstein and Aaron Copland.

The workshop fee is \$40.00 and application deadline is July 6. For additional information call Anna Asch at 629-5975 or Jeri Bowerman at 334-7849.

## Name Winners of CA Fundraiser

Winners of the 6th Annual Citizens Advocacy Raffle were recently announced by Bettie Schuler, Raffle chairperson. An exciting hot-air balloon ride donated by Gary and Jean Britton was won by Frank DeRaimo. Megan Camin was the winner of a night in a Fantasy Suite at the West Bend Best Western Hotel. The gift certificate donated by Husar's House of Fine Diamonds was won by Marilyn Priener. Mae Groh, Megan Camin, Paula Luepnitz and Mike Kincaid will all be enjoying clean, clear pictures from their VCRs with certificates from Speeds TV and Appliances. Shopping will be on the minds of Lisa Kaap, Linda Laabs and Carl Vrzal as they enjoy using certificates donated by Paradise Mall. Clarence Schmidt will enjoy another wonderful meal with his certificate from Barth's Linden Inn. John Torinus can wear his Ralph Marlin tie immediately, but Jean Radish will have to wait until Christmas to display the hand-quilted tree skirt she won.

Dupli-Quick Printing Service and Bettie Schuler printed and paid for the raffle tickets which were drawn during the Citizen

Advocacy Annual Dinner recently held at Barth's Linden Inn.

Citizen Advocacy, a non-profit agency, serves the county by recruiting volunteers for persons with disabilities. Volunteers or those in need can call 334-3384 in West Bend or 255-6702 in Germantown for more information.

To advertise in the Statesman call 626-2626.

**TIRES** — There's always a tire sale at Roger & Dan's Service. Goodyear and Uniroyal. 626-2888.

**CHAIN SAW SHARPENING** — 355 Main St., Kewaskum. Call 626-4565. 8-30-tf

## Minutes of Village Board Meeting

Regular Meeting  
June 3, 1991  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. Trustee Larry Williams asked to be excused and was absent; all other Trustee Members were present. A quorum was present.

The meeting was opened with a moment of silence and Pledge of Allegiance.

On a motion by Trustee Mark Vechart, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved the minutes as printed noting the one name correction on a second for a motion.

A public hearing was conducted on the applications for six (6) Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to any of the applications as publicly noticed and read. The Police Department had no objections to any of the applications at this time. On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

A public hearing was conducted on the applications for two (2) Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to either application as publicly noticed and read. The Police Department had no objections to either of the applications at this time. On a motion by Trustee Robert Wagner, seconded by Trustee Mark Vechart and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

A public hearing was conducted on the applications for two (2) Class "B" Fermented Malt Beverage License renewals. There were no objections from the floor to either application as publicly noticed and read. The Police Department had no objections to either of the applications at this time. On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Fire Chief Robert Stoltzmann publicly thanked Alois Rohlinger for attending a Fire Department meeting and instructing the department on the locations of fire hydrants and water lines within the village.

Chief of Police, Richard L. Knoebel informed the Board that the Police Department just held their first D.A.R.E. graduations. The feedback from the parents and the schools was very commendable.

Chief of Police, Richard L. Knoebel reviewed with the Board the impact of his department on the Village Tax Roll. The discussion then shifted to the cost of adding another full-time police officer versus trying to hire some additional part-time officers. The cost of part-time versus full-time are similar unless you do not have to train the new part-time officers. After considerable discussion on a motion by Trustee Robert Wagner, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board directed the Police Chief to advertise for two or so certified police officers able to work the third and second shifts. The applications will be taken to the Police and Fire Commission for review.

The Board was informed that the meeting between the Engineers, Village and industries has been scheduled for Tuesday, June 11, 1991. The Board will receive a notice of those meetings.

Trustee Robert Beisbier brought up for discussion the matter of his business having to install a grease trap as discussed at the last Board meeting, of which he was not in attendance. He indicated he took offense with the statement that the manhole was full of grease, when in reality there was probably less than three gallons removed from the manhole which included the sidewall scrapings. He also stated when the plant was built in 1972 all codes were met and that they had never received a letter from the Water Pollution Control Department or the state indicating they were in violation of any state code. Mr. David Nigh was also in attendance and indicated the plant always has and will cooperate and comply to all rules and regulations. Mr. Nigh then stated they hope that the modifications needed are not cost prohibitive.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board approved the applications for Operator's Licenses office to issue said licenses upon proper payment of fees. LIST OF 20.

Note: The Police Department had no objection to the applications.

Administrator Daniel S. Schmidt informed the Board that a change in the state law mandates that applicants for new Operator's Licenses must attend and complete the "Responsible Beverage Server" class, being offered at the area vocational schools. The Board discussed the amending of the ordinance to allow for a provisional license. The Administrator was

directed to check into the matter.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board, such as thank you notes and legislative bulletins.

On a motion by Trustee Gary Gavin, to consult with an Attorney other than Attorney Kiefer regarding the financial status of the old Softball Association died for lack of a second. The Administrator was directed by President Mary Krueger to again call Mr. Harry Roecker inquiring as to the donation/disbursement of funds of the Association.

On a motion by Trustee Robert Beisbier, seconded by Trustee Mark Vechart and carried by the majority roll call vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$58,677.83
Sewer	8,843.95
Water	4,089.80
Payroll	22,948.30
TIF Fund (A/P)	15.00
TIF Fund	52,696.88
(Wire Transfer)	
Total	\$147,271.76
P/R Checks #2592-#2652	
A/P Checks #3347-#3460	

On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board authorized the closing of the Village Municipal Building on the 5th of July, 1991. Any employees desiring to have off would need to take vacation or take off without pay.

Two items came up for discussion regarding the Protection and Public Safety Committee. 1) That additional safety devices or options should be checked into for the school crossing guards at the intersection of Fond du Lac Avenue and Main Street and the intersection of Fond du Lac Avenue and Second Street. 2) The Kewaskum School District's request to reconsider the parking ban on Third Street.

In the absence of Trustee Larry Williams, Trustee Thomas McElhatton reported on the Park and Recreation Department. It was reported that to date 355 swim passes have been sold. Also a request was received from the Exodus Transitional Care Facility to use the diamonds for a tournament on August 17 & 18, 1991. On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board waived the fee for the use of the diamonds for the Exodus House.

Board Representative for the Library Board, Trustee Gary Gavin reported that Mrs. Trapp was no longer working and that the Library Board and those Village Board Members wishing to attend would be holding interviews prior to the next Board meeting of June 17, 1991.

Administrator Daniel S. Schmidt reported that the bids for the capital improvements will be opened by the Engineers on June 20, 1991 at 2:00 & 2:10 p.m. It was noted that if all goes well the public hearings will be scheduled for July 8, 1991.

Trustee Thomas McElhatton asked the Board to consider the installation of some improvements on the north side of Wildlife Drive if after a period of time the vacant land did not sell.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board approved the following applications for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor Licenses for a period commencing July 1, 1991 and ending June 30, 1992 upon proper payment of fees. The Police Department had no objection to the issuance of any license at this time and the Board authorized the office to issue said licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Valera R. McDonald, 215 Main Street, Kewaskum, WI  
Thomas J. Piwoni, 1257 Fond du Lac Avenue, Kewaskum, WI  
Brown Jug LTD, D/B/A Barrel Haus, 204 First Street, Kewaskum.  
Roger J. Schmitt, 1269-71 Fond du Lac

Avenue, Kewaskum, WI.  
Lesley D. Zahares, 137 Main Street, Kewaskum, WI.  
William J. Kulas, 109 Main Street, Kewaskum, WI

On a motion by Trustee Mark Vechart, seconded by Trustee Robert Beisbier and carried by the majority roll call vote, the Board approved the following applications for Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor Licenses for a period commencing July 1, 1991 and ending June 30, 1992 upon proper payment of fees. The Police Department had no objections to any of the applications at this time and the Board authorized the office to issue said licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Sylvester W. Keller, 1208 Fond du Lac Avenue, Kewaskum, WI.  
Dennis Kuehl, 355 Main Street, Kewaskum, WI.

On a motion by Trustee Robert Beisbier, seconded by Trustee Mark Vechart and carried by the majority roll call vote, the Board approved the following applications for a Class "B" Fermented Malt Beverage Licenses upon proper payment of fees. The Police Department had no objections to any of the applications at this time and the Board authorized the office to issue said licenses. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Gladys Seefeldt, 1526 Fond du Lac Avenue, Kewaskum, WI  
Karen Eckl, 143 Main Street, Kewaskum, WI.

On a motion by Trustee Robert Wagner, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board approved the Certified Survey Map for Elton Liepert regarding V4-610-OOH, OOO & OOK as recommended by the Plan Commission.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board adjusted the meeting schedule for the month of July. The regular meeting will be held July 8, 1991 and the mid-monthly meeting will be held on July 22, 1991.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the contract on the electrical work for the Public Works Storage Shed and Recycling Building for Kettle Moraine Electric for \$750, the low proposal.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the contract with Struck & Irwin Paving, Inc., Madison, Wisconsin for slurry seal coating the Village Streets and lots for 1991. The price per square yard is \$.82, with the total estimate being \$9,828.52. Note: The bids received for 1990 were \$.80 from the same company and \$.92 from a competitor.

Administrator Daniel S. Schmidt reviewed a proposal received for the proposed dam repair. The item will be placed on the next agenda for consideration. The Board was asked to take a look at the dam prior to the next meeting.

Superintendent of Public Works Department, Augie Bilgo asked that some attention be given to a couple dead elm trees that need removal. Police Chief Richard Knoebel indicated he would follow up on the matter seeing he is the Dutch Elm Official.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mark Vechart and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

### TOWN OF KEWASKUM TOWN BOARD MEETING

The Kewaskum Town Board will meet Monday, June 17, 1991, 7:30 p.m., at the Labor Hall, 1230 Fond du Lac Avenue, Kewaskum.

The following matters will be discussed: opening of bids for road work, update driveway ordinance, 8:00 p.m. — opening of sealed offers of town land for sale in Section 1, and approval of payment of bills.

A complete agenda is available from the Town Clerk the Saturday before the meeting.

Barbara Wenzlaff, Town Clerk

### TOWN OF KEWASKUM TOWN BOARD MEETING

The Kewaskum Town Board will meet Thursday, June 20, 1991, immediately following the 7:30 p.m. Plan Commission meeting.

The Town Board will take action on the Plan Commission recommendations for a request from Hilda Becker, Section 22, to change the zoning from Agricultural Transitional and Commercial B-1 to Industrial B. The Board will also take action on the Plan Commission recommendation for a request from Hilda Becker for a Conditional Use Permit to allow for construction of a propane gas bulk storage facility.

Barbara Wenzlaff,  
Town Clerk

## Indian Golfers Ousted in Sectional

**By Statesman Sports Writer**  
**KEWASKUM** — After a stellar regular season in which they posted a second place finish in the Eastern Wisconsin Conference, as well as taking the team title in the regionals, the Kewaskum golf team looked to have things going for them heading into the sectionals here at Hon-E-Kor.

But it wasn't to be for the Indians this year, as they faltered a bit, shooting a collective 344, putting them in a tie for fourth place in the meet. No Indian golfer finished high

enough to qualify for the state meet.

Brown Deer won the meet with a fine 309 total. The Falcons were led by medalist Jeff White, who shot a 32 on the front nine, en route to a 73 total.

The Indians were led by Matt Seiser, who posted nines of 42 and 41 for an 83 total. Ryan Amerling was right behind Seiser with an 84 (42-42). Rounding out the totals for the Indians were D.J. Slaughenhoup with an 87 (43-44) and Corey Krahn and Aaron Laatsch, who each had scores of 90.

# Indians Open Baseball Season

By Statesman Sports Writer

KEWASKUM — Suffering a big blow in the opening weekend of play, the Kewaskum baseball team is off to a 3-4 start so far this summer after the first two weeks of action.

The Indians lost returning second team all-conference pitcher Chad Cook in the second game of the Germantown Invitational when he injured his shoulder after colliding with another player at first base.

Despite losing Cook, the Indians came through to win the game against Menomonee Falls 6-2, after losing the opening game of the tourney to Greendale, 4-1.

Defense played a key role in each of the two games, as the Indians committed three errors in the opening loss to Greendale, and then took advantage of three Falls errors

in the second game.

The rains then came down, forcing the consolation championship between the Indians and Sheboygan Falls to be suspended until the two teams met last week in their first meeting of the Eastern Wisconsin Conference loop.

The Indians ended up losing to the Falcons in the consolation game, 11-7, but they did come back to take the regularly scheduled game 10-6.

In the consolation matchup, Falls battered the Indians' Shawn Schneider, rapping out five hits for seven runs in the first three innings.

The Indians managed to cut the Falcon lead to 5-4 after a Dave Pauers home run in the third inning, but Falls quickly answered and the Indians found themselves down 11-4 heading into the seventh, where they picked up three more tallies to close the gap.

The Indians blew open a close game in the second half of the double header, scoring six times in the seventh inning to break open a 4-4 tie.

After walks to Randy Schlice and Jason Krahn, Pauers got a base hit to load the bases. Mark Felix then drove a run in with a bunt single, followed by Brad Weinreich's RBI single. With the bases still loaded, Schneider put the game away with a grand slam.

One big inning was all it took for the Indians to get by Plymouth as well. The Indians scored three runs in the top of the second inning, while Schneider gave up just five hits, as the Indians beat the Panthers 4-2.

Schneider got the better of a good pitching matchup with the Panthers' Gabe Miller. Schneider struck out seven and walked two in posting his first win of the season, while Miller blew away eight Indians, while giving up six hits and walking two.

Ater opening the season with three straight losses, including a doubleheader sweep by West Bend East, the Indians have now won three out of their last four ballgames, and sit a top the Eastern Wisconsin standings with a 2-0 mark.

On one afternoon in 1935, in the space of 45 minutes, Jesse Owens, the famous track star, established records in four separate events.

## FLAG DAY

1991 JUNE 14

# Softball Season In Full Swing

By Statesman Sports Writer

KEWASKUM — The races have already begun to heat up in men's slow-pitch softball action at Kewaskum Kiwanis Community Park this summer. The two men's leagues, on Tuesday and Thursday nights, have been going at it since mid-May.

With their 19-7 thumping of Neuville Chevrolet (0-3), T's Lounge I continued to hold onto first place on Tuesday s, sporting a 4-0 mark. Wes Gaedtke had three home runs and a double to lead T's.

Also on Tuesday, Campbellsport Building Supply (3-0) remained just a half game behind T's as they took care of the Kewaskum Saloon (0-3) by a score of 21-6. Dan Heisdorf homered for Building Supply.

T's Lounge II evened their record at 2-2, as Rick Weitermann hit two round-trippers in a 7-5 victory over Amerahn's (0-3). Jeff Taylor homered for Amerahn.

In Thursday night play, Bar-N-Annex improved their league-leading record to 5-0 as they posted twin wins over Bar-n-Ranch 19-3 and West Bend Elevator 18-0. Ranch fell to 0-3 with the loss, while the Elevator dropped to 0-4.

T's Lounge upped their record to 3-1 with a 4-0 shutout of Gruber Tool and Die (2-1). In the other game, Barrel Haus (2-3) downed West Bend Elevator 11-4.

# Krupke Trucking Wins Tournament

By Statesman Sports Writer

KEWASKUM — The Bar-N-Annex softball team sponsored its second annual softball tournament over the weekend, and beautiful weather all three days accounted for a good turnout at the event.

Krupke Trucking of Jackson walked away with first place in the tournament, as they downed Steve's On Bluemound in the championship game, 7-2.

Another Milwaukee - based team, Mariah's finished in third place, while Kewaskum's L and R Trophy took fourth. Fast Eddie's was on its best behavior the whole weekend, and was awarded the Sportsmanship Award.

The Kewaskum softball association will be holding its annual Men's Open Tournament in Kewaskum next weekend, June 21-23. Anyone interested in entering a team should contact Tim Rohlinger (626-2643) or John Swanson (626-8255).

# Indian Girls Place 12th At State Track Meet

By Statesman Sports Writer

LA CROSSE — While there weren't any state titles to be won this year, the Kewaskum girls track team was well represented at the WIAA State Track and Field Championships held here.

The Indians got places from three different girls, as they accumulated 16 points, which placed them 12th in Division II. Whitewater and Verona tied for the Division II title, each scoring 30 points.

Senior Ingrid Ankerson paced the Indians effort, as she capped off a fine season by taking second in the triple jump with a leap of 34-7. Ankerson also qualified for the high jump competition, but she was at a bit of a disadvantage, because the meet schedule had her jumping in both events at the same time - on opposite ends of the field.

Still Ankerson managed to clear the 5-0 mark in the high

jump, although the height wasn't enough to place her in that competition.

Kelly Korth also did a good job in her field event, leaping 16-1.75 in the long jump, which placed her third in the field. Korth tied for second in the meet, but was awarded third place on the basis of her second-best jump.

Melissa Braun capped off a fine career by placing fifth in the 100 meter dash with a time of 13.18. Braun got off to a slow start in the finals, slipping while coming out of the blocks, but nevertheless finished strong for the fifth.

The Indians 800 meter relay team, which also qualified for the state meet, failed to defend its state championship of a year ago, but considering the competition, the ninth place finish by the unit was quite an accomplishment as well.

## HON-E-KOR C.C.

Tuesday Nite Men's League  
6-4-91

Top teams this week were: Clothes Clinic - 5; Everglades - 5; LR Divot Diggers - 5; T's Lounge - 5; Wild Ones - 3; Bank I - 3; Berndt's Bums - 3; Longbranch - 3; Gruber Toolers - 3.

Low Gross: Craig Anderson, Leroy Young and Pete Kostelac - 39.
