Amoco Food Shop and Gasoline Station Open

The Shefond Company's new Amoco Food Shop and Gas Station which opened for business Tuesday.

Don Spangenberg went over last minute details for the opening of the new Amoco Food Shop which will feature "Hot Stuff Pizzeria."

By GERRY MUELLER
Statesman Staff Writer

Don Spangenberg and his business associates, Bill Lenz and Fred Pieper, are looking forward to the opening of the newest business venture, the Amoco Food Shop and Gas Station, this week.

The latest facility of the Shefond Company, located at 890 Fond du Lac Avenue (Highway 45) on the southern edge of the Kewaskum village limits, opened for business Tuesday.

The Amoco Food Shop will be similar to the company's other mini-marts except for one special feature, its "Hot Stuff Pizzeria." Spangenberg said the Hot Stuff Pizzeria, a division of Schwan Food Sales, has become a trademark of the Amoco Food Shops.

"We will be making fresh,

from scratch, pizzas in our store kitchen. We start by making the crust and topping the pizza to the customer's order. The store will also handle cold sandwiches as well as snacks, soda, etc."

Spangenberg said Amoco has been very pleased with the success of the food/snack shop con-

Pirates of Penzance

Tickets for the Kewaskum High School Music Department's production of "The Pirates of Penzance" will be on sale Monday and Tuesday, October 21 and 22 from 7:00 - 8:30 p.m. in the high school lobby. Prices range from \$3.00 to \$5.00.

After Tuesday evening, tickets may be obtained by contacting a cast member or Mr. Ammel at the high school: 626-2166. All seats are reserved.

cept at its 550 other retail outlets.

"Beside our regular gas service, we will be handling diesel fuel and have room to accommodate large trucks," said Spangenberg.

The store will be open seven days a week, and for now, the hours will be 5 a.m. to 11 p.m., according to Spangenberg.

The Amoco operation will be a first for Shefond. It presently owns and operates six Mobil Marts throughout the area including one in Kewaskum, West Bend, Campbellsport, Theresa and two in Fond du Lac.

"Because of the expansion of our mini-mart operation," said Spangenberg, Shefond no longer operates its home heating fuel delivery service. That service is now being handled by Cole Oil Company and E.H. Wolf and Sons.

St. Lucas Parish to Dedicate School Addition This Weekend

"May the favor of the LORD our God rest upon us; establish the work of our hands for us — yes, establish the work of our hands." Psalm 90:17.

On Saturday, October 19, and Sunday, October 20, 1991 St. Lucas Lutheran congregation will be gathering around the Word of the Lord to set aside and dedicate to the glory of God the new education and fellowship addition that He has privileged St. Lucas to build.

On December 9, 1990, the congregation gathered for the ground breaking. The building was begun that same week. Many loads of fill and the footings were dug and in place before the coldest part of winter set in. With the early spring, the block laying was begun in February. Construction progressed well with no delays. The congregation has also spent many volunteer hours to make this building a reality. Although the upper story is not yet finished and will be finished largely by volunteer labor in the future, the two classrooms in the lower level were occupied by the first day of school on August 28, 1991. The kitchen equipment and fellowship hall/gym furnishings also need to be added as the funds become available.

The building will serve St. Lucas in many different ways. It expands the classrooms for the Elementary School and the Sun-

day School. Enrollment in the Elementary School (pre-school thru grade 8) is 155. Enrollment in the Sunday School (Nursery thru grade 8) is 80.

Principal of St. Lucas Elementary School is Mr. Rodney Bollinger and Sunday School Superintendent is Mr. Guy Harris. Pastor Paul Hoenecke Hall will serve as a fellowship hall for larger fellowship gatherings and also as a gym for the congregation members. When the additional classrooms are finished, the building will also serve as the Bible Study complex for all ages. The building already houses the school office and will eventually house all the congregation's offices and committee meeting rooms.

The architect for the construction was JP Storrs, Company of West Bend. The General Contractor was W B Corp., West Bend. The sub contractors for the addition were: site work, Nick Mueller, Campbellsport; pre-cast concrete, Spancrete, Inc., Milwaukee; concrete block, Bend Industries, West Bend; concrete, Yahns Ready Mix, West Bend; masonry, Ray A. Anderson, Inc., Richfield; steel work, Jacque's Welding & Crane, Port Washington; roofing & sheet metal, West Bend Roofing, Kewaskum; doors, frames, hard-

Mill Rate Down from 1990 School Board Approves Final 91-92 Budget

By GERRY MUELLER
Statesman Staff Writer

After the Kewaskum Board of Education approved some last minute changes in next year's budget Monday night, the bottom line for taxpayers held a little good news, a reduction in the 1991 mill rate.

District Administrator Dr. David Heather presented the board with four different options in reaching the final budget of \$9,621,837 for 1992. For the district's taxpayers, it will mean a mill rate of \$15.90 per \$1,000 of assessed valuation. That figure is down 2.8 percent from the 1990 rate of \$16.36.

Three factors affected the process in reaching that figure. First, the fact that the Governor has vetoed school districts getting aid from lost TIF District revenues,

secondly, the addition of 3/4 of a teaching position and third, the reinstating of some Buildings and Grounds budget money which had been removed to keep the general budget down.

While state legislators are promising to get the TIF aids back to the districts, it is not a 'sure thing' and, if it does happen, there is no guarantee when the money will come. For Kewaskum, that veto means a loss of \$54,286.

Board president Neal Wear also told the meeting he would like to see the \$40,000 of maintenance money returned to the budget for projects which need to, and should be done.

Another \$15,700 was added to the budget to cover the addition of a 50 percent Learning

Need for Specialized Classes Increasing

By GERRY MUELLER
Statesman Staff Writer

The Kewaskum Board of Education, Monday night, approved an administration request to add a half-time position to the Learning Disabilities program at Farmington Elementary School and to increase, by 25 percent, the extended day kindergarten program held at Kewaskum Elementary School.

In his report to the board, District Administrator Dr. David Heather stated the district has again seen an increase in the EEN (Exceptional Education Needs) student population necessitating the need to increase the LD staff from one full-time to 1.5 positions.

In corroborating Heather's comments, Richard Zarling, Director of the district's special education program, told the board a summer survey showed ten students at Farmington which would need the services of the program. As the school year progressed, however, that number increased to 18.

Board member John Schulte said it appeared to him that somewhere the teaching system was breaking down if these numbers were increasing. He questioned why these students could not be grouped according to ability within their regular class.

Zarling told Schulte that his assumption was not the case and that Schulte apparently did not clearly know the definition of Learning Disabled. "These are individuals with normal abilities that, for some reason, sometimes unknown, are having trouble connecting mentally." They may be having trouble reading, with math, language and, in some cases, a combination of subjects.

As for the increase in the extended day kindergarten program, that teacher presently works with two sessions of ten students each. However, another eight students have been identified as youngsters who would benefit from participating in the program.

The program's teacher, Grace Wright, told the board, these are children who cannot cope with the kindergarten program because they are having trouble socializing or are not able to do some of the things such as tie their shoes, count or read, like their classmates. She also noted that some of the students have gone through the Early Childhood program and still need assistance.

Schulte still questioned the

need for the added positions. Zarling told the board that Kewaskum is not the only district seeing increases in EEN students. "I've told you this before and I'm telling you again, we're going to see more and more of this as the Crack, Cocaine and Alcohol Syndrome babies start school." These kids generally have some type of learning or health problem, noted Zarling. "Twenty-five and thirty years ago many of these medically fragile children would not have survived. Today, with the advances in medicine,

more and more are making it, but they have problems and those problems are now becoming our problems."

Zarling was asked how the situation could be changed and improved. "Get out there and tell people they better change their lifestyle," he replied.

David Meinholz is New Intern at Holy Trinity

David Meinholz

The new face you have been seeing around town lately belongs to a seminary intern sent to Holy Trinity parish through a program initiated by St. Francis Seminary of Milwaukee.

David Meinholz, 26, a student at St. Francis, will be spending his school year at Holy Trinity Catholic Church in Kewaskum to assist and study all aspects of parish life. The seminary intern program is open to third year seminary students.

When his internship is completed, David will be returning to St. Francis Seminary, where he will complete two more years of schooling before his ordination to the priesthood.

David is the son of Barbara and Fred Meinholz, who reside in the small community of South

Milwaukee. He has three older brothers, one older sister and a younger brother who is also studying at the seminary.

David is a graduate of Thomas More High School in Milwaukee and has earned his masters degree from Marquette University. He has also spent three months working as a chaplain at St. Mary's Hospital in Green Bay.

While he is at Holy Trinity he will be teaching religion classes at Holy Trinity School, assisting with CCD classes, attending all meetings and helping out with various church and school activities, wherever he is needed.

David's situation is especially unique as he was utilized immediately when Father Tom Venne, pastor of Holy Trinity, answered a call from the Ar-

chbishop to serve as Vicar for Clergy Personnel in the Milwaukee Archdiocese.

Until a replacement is found, Father Tom commutes daily to Milwaukee, and David has been filling in accordingly. He couldn't have been sent to the parish at a more opportune time.

The congregation's construction manager was Steven Stern. The building fund loan was secured through Lutheran Association for Church Extension, Inc., Saginaw, Michigan. Mr. Ronald Schmitz served as congregation chairman of this committee. Volunteer-work coordinators were Timothy and Carolann Ramthun.

The Service of Thanksgiving on Saturday evening and Sunday morning will be at the regular times: 7:00 p.m. on Saturday;

8:00 a.m. and 10:15 a.m. Pastor Steven P. Blumer, a son of the congregation, will serve as the guest preacher for these services. (Pastor Blumer is currently one of the pastors of St. Stephen's Lutheran Church, Beaver Dam.) The Sunday School and Elementary School children will participate in the services as well as the St. Lucas Senior Choir.

The Service of Dedication will be held at 2:00 p.m. in the new fellowship hall, Pastor Paul Hoenecke Hall. Pastor Thomas H. Behnke, another son of the congregation, will be the guest preacher. (Pastor Behnke is currently the pastor at St. Paul Lutheran Church, North Fond du Lac). The children and the St. Lucas Senior Choir will also take part in this service. Dr. Daniel M. Schmeling, Administrator for Parish Education for the WELS will bring greetings from the Wisconsin Ev. Lutheran Synod.

A Pot-Luck luncheon will be served at noon, also in the fellowship hall. Since the kitchen is not yet equipped, the luncheon will be like an indoor picnic. Members of St. Lucas are reminded to bring a dish to pass that will serve 10-12 people. You are also asked to bring along your table service.

The members of St. Lucas invite you to join them on this day of thanksgiving and rejoicing in

the Lord. It is their prayer that the Lord will richly bless the use of this building to the glory of His name.

Disabilities teaching position and a 25 percent increase, from 50 percent to 75 percent, for the extended day kindergarten teaching position. Both recommendations were approved during Monday night's meeting.

The board agreed with Heather's recommendation to reduce the district's fund balance by \$50,000, rather than increase taxes to make up for some of the lost TIF money.

Some of the newer board members who were not familiar with the TIF program questioned why school districts had even agreed to the plan if it meant losing revenues. Board member Ruth Schmitt noted that some school districts did oppose the plan, "but we were guaranteed that we would receive that TIF money." "It makes me angry to now, have to fight for money that was ours to begin with," stated Schmitt. "I was surprised, as were many districts, that the Governor broke that promise."

The board will be sending a formal letter to State Senators Carol Buettner and Donald Stitt and Representatives Michael Lehman and Mary Panzer asking that they restore the TIF aid appropriation to the state budget.

LETTER TO THE EDITOR:

Is it "BOOT CAMP" or is it HIGH SCHOOL? Under the present Administration, there are high schoolers that feel the Kewaskum High School has become a BOOT CAMP instead of an educational institution for higher learning. One would think that our new principal would be able to LISTEN to our children and be able to make a fair decision.

I am referring to a problem on Saturday night, of being admitted into the Homecoming Dance. It seems the doors were locked at 9:30 and supposedly no one was to be admitted.

Four couples arrived after the 9:30 lock out. Mr. Heidner was

at the door and refused them entry without any explanation from the couples. The young people tried to explain that farm work, then dinner and picture taking prevented them from arriving earlier, yet a supposable highly educated person could not listen and make a fair decision.

It was not the expensive hair-do, nor the expensive dress and accessories plus money for flowers and a nice dinner on this special night that were all in vain, but it was the stigma of being stereo-typed as "BAD KIDS" and not given a fair chance to explain why they were arriving late.

The parents of these kids encouraged the support of Homecoming all week long. The kids participated in the dress up days, decorated the gym, marched in the parade, attended the game, and a few other things for Homecoming. ONLY to have their spirits DASHED at the door to the dance. These are the days that should be remembered for the rest of their lives, and times that will encourage our young people to keep on returning year after year to school events, in support of their own children.

How many of us want to return to "BOOT CAMP"? Or send our future kids to "BOOT CAMP"?

We think all of us, and any students not allowed in the door, deserve a public apology and reimbursement of their tickets, at the very least.

Alex Laubach, voted Kewaskum's King of the Sexy Seniors, shows us his prize-winning smile.

Diana Buckman crowns Trev Timblin King of the Prime Timers as son, T.J. wonders why dad is wearing the funny hat. Smile, Trev... your reign is just beginning. (Trev is already talking "payback.")

Diana Buckman, Washington County's 1991 "Fairest of the Fair" crowned the winners of the Kettle Kountry Kolors "King" contest.

Dick Laubach, son of Alex, accepts the crown for his son, Tory Laubach, who was elected King of the Teen Idols.

LETTER TO EDITOR:

On behalf of the members of the Kewaskum Women's Club, I would like to congratulate the Kewaskum Chamber of Commerce for a well-planned and successful KETTLE KOUNTRY KOLORS.

Thank the Lord for the good weather, and to the many area businesses and citizen organizations for supporting this community event.

With the efforts of our membership, our Kewaskum Women's Club was very successful in selling their pies, cakes, tortes, etc.

The KWC Ways and Means Committee would like to thank the members for taking the time to bake all the tasty "goodies". And a big thank you to all the ladies who worked that extra time in the booth.

As KWC President I would like to send out a very special thank you to Midge Swanson, Kathy Tiemann, LaVern Hron and Kathy Paul for organizing the Sweet Shoppe. These ladies spent hours preparing for this event and then put in two long days, from set-up to clean-up to make this

fund raiser even more successful than last year.

With their extra efforts, the Kewaskum Women's Club will be able to continue to support the Kewaskum Library, Educational Programs with-in the school district and the Kewaskum Scholarship.

Last, but not least, a big Thank you to the members of the Kiwanis, especially, Roy Swan-

son and his committee for helping the ladies set up and do the "men's work."

Thank You
Jean Goeden

2nd Annual Kettle Kountry Kolors Draws Visitors from Near and Far

By Gerry Mueller

If you didn't get a chance to attend Kewaskum's 2nd Annual Kettle Kountry Kolors Festival, you missed an enjoyable and interesting weekend of sights, sounds and entertainment.

Saturday's events offered visitors an opportunity to see hot air balloons up close and even win a ride in one of the silent giants as they drifted on the October winds.

Then there was the Civil War re-enactment of the Battle of Fredricksburg, with evening light tours of the camps that were both interesting and educational.

Sunday's visitors were able to enjoy three free performances of the Scheer's World Champion Lumberjack Shows. On both days

visitors were treated to live musical entertainment in the beer garden and were able to browse among the dozens of crafters who displayed and sold their wares.

And food! Yes, there was lots of it to partake of, from meatball sandwiches and brats to spanferkel with all the trimmings, not to mention all those delicious, mouth-watering homemade desserts.

If you missed this year's festival, we're sure you won't want to miss next year's festival already scheduled for Saturday and Sunday, October 11 and 12.

Vicki Ungart, left, and Karen Lesniewski, right, members of the Union "Angels of the Battlefield," a nurses group, took time out to sample some Kettle Kountry food.

Up, Up and Away at Kettle Kountry Kolors

Despite the windy weather, balloonists Don Benvenuto, left, and Gary Britton, right, made an appearance at Kettle Kountry Kolors. The balloons were inflated on the golf course at Hon-E-Kor Country Club around 5 p.m. Miller's Furniture of Kewaskum purchased a ride to raffle off for their employees and Claire Lehmann was the lucky winner. So after the inflation, Claire climbed aboard the balloon on the left and the ascension began.

Within minutes the balloons were high in the sky and silhouetted against the gloomy Kewaskum skyline. The balloons drifted northwest and descended north of Hwy. 41 about an hour later.

Claire Lehmann, winner of the Miller's Furniture employees balloon raffle, was thrilled with the balloon ride. Claire said it was beautiful, serene and "wouldn't hesitate to go again."

Tina Scheer timed Peter Haupt, left, and Brad Scott, right, in a demonstration of above ground tree cutting.

Tina Scheer, of Scheer's Champion Lumberjack Shows of Hayward, Wisconsin, could have sung that Broadway musical song, "Anything You Can Do, I Can Do Better," as she managed to unfoot Sean Duffy in the log rolling competition, not once, but twice.

Haupt demonstrated his chainsaw skill by carving a rabbit for the crowd at the 12:30 performance.

With a mighty heave, Peter Haupt of the Scheer's show, flung a double-headed axe at the target at the left.

A view of the huge crowd enjoying the Scheer's Lumberjack Show.

Former World Champion Brad Scott, left, led in the 60-foot pole race against current World Champion Sean Duffy, right. It takes about 11 seconds to travel up and down the 60-foot poles.

Beautiful fall hues surrounded the open air artisans as they sold their wares and chatted with their many customers throughout the festival. The huge craft tent was also a hub of activity on both days not only for shoppers, but for those who found out the craft tent was a great place to get out of the cold wind and warm up on Saturday.

READY... SET... GO! Pretzel Eating contestants from left, included, Lindsey Klass, Chad Rinas and Matthew Rodenkirch. Lindsey was the winner as she showed the boys how it's done.

Kewaskum Firefighter Tom Fay, exiting the structure was instrumental in bringing the Richfield Fire Department's "Survive Alive" house to Kewaskum's Kettle Kountry Kolors. Even adults who went through the smoke-filled structure found the experience frightening as well as educational.

Fire of undetermined origin completely destroyed the Bar-N-Ranch clubhouse situated near the entrance to the Kettle Moraine State Park, northeast of Kewaskum, about 5 a.m. last Friday morning. The building was owned and operated by two Kewaskum businessmen, Dr. F.E. Nolting and Attorney Lyle Bartelt. The blaze was discovered by Mike Lange, caretaker at the ranch, who was asleep in his quarters in another building. When he was awakened the fire was beyond control and the clubhouse was already partially destroyed. It was impossible to save the building and a fire department was not summoned. All of the contents including new furniture and equipment were

also destroyed as the place burned to the ground. The building was a new one of frame structure, erected last May when the owners opened the ranch. During the past summer the Bar-N attracted many visitors who enjoyed riding horses. The owners are planning to erect a log lodge in place of the clubhouse as soon as they are able to get the materials.

Mrs. Jake Hawig of Wayne injured her left hand quite severely, last week when she had the misfortune of getting the hand caught in the washing machine wringer.

George Schuppel of the Town of Wayne, last Monday committed suicide by taking several doses of paris green. He left the house early Monday morning going to the woods telling his wife he would not return home alive. Become worried that he would commit a rash act, Mrs. Schuppel soon followed but could not find any trace of her husband. Shortly before dinner he returned home

in a very dazed condition after having taken the fatal poison. Medical aid was summoned at once but to no avail as the victim passed away about 5 o'clock that same afternoon. When questioned as to his act, Mr. Schuppel admitted taking the poison, stating he was tired of living. Mr. Schuppel during the past few weeks often stated he would take his own life, but his remarks were not taken seriously. Only a week ago he wanted to purchase a revolver in the Nic. Rimmel hardware store but was refused the sale as Mr. Rimmel was somewhat suspicious.

A family reunion was held at the home of Mr. and Mrs. Math. Beisbier in honor of their 35th wedding anniversary. Those present were Frank Beisbier and family from Milwaukee, Frank Fleischman and family of St. Kilian, Mr. and Mrs. Peter Greiten and Albert Beisbier of Grafton.

Two Wins, Three Losses for UWWC Women

By Statesman Sports Writer

WEST BEND — The UWWC women's volleyball team has got to be very thankful that Waukesha Tech appears on its schedule this season.

That's because a pair of matches against Waukesha Tech were the only things separating the Wildcats from a winless two-week period.

UWWC hosted Waukesha and beat the visitors 15-1, 15-8, 15-17, 15-9 a couple of weeks back. The Wildcats then traveled to UW-Fond du Lac for a triple dual meet, and came away with an 0-3 mark on the night.

UWWC opened by losing to UW-Richland Center 5-15, 10-15, and then struggled with Fond du Lac, only to lose 15-13, 13-15, 13-15. The Wildcats were beat from the exhausting match with FDL, and it showed in their final match, a 5-15, 4-15 drubbing by UW-Marshfield.

The Wildcats then got a bit of reprieve by facing Waukesha Tech once again, and as they did in their first meeting, UWWC rolled, 15-6, 15-4, 14-16, 15-9.

Angie Muller's serving was a highlight in the first Waukesha Tech match, as well as in their encounter with Richland. Muller served six aces against Tech, and then came back to accurately serve 94 percent of her tries against Richland.

Jackie Murphy also was a bright spot in the triple dual, setting at a 90 percent clip against Marshfield, and at a 94 percent rate against Tech in the second meeting between the two. Muller also served well in the Marshfield match, hitting 18 of 19 in, while Karen Anderson had 13 good serves.

The wins over Waukesha helped improve the Wildcats' overall mark to 5-4, while they dropped to 3-4 in conference play.

Kohl Mobile Office Heading To County

WASHINGTON — Senator Herb Kohl announced that his mobile office, which is staffed by his representative, Dave Olsen, will be at several locations in Washington County, October 24.

Because of commitments in Washington, Kohl will not be with his mobile office.

Kohl said his mobile office helps him keep in touch with Wisconsin residents who cannot travel to one of his four state offices as well as keep up with happenings across the state.

"I encourage everyone who is having a problem with a federal service or anyone who wants to share their views or concerns to stop by," Kohl said.

The mobile office will be parked at the following locations on Thursday, Oct. 24: 10 - 11 a.m., West Bend County Courthouse; 1 - 2 p.m., Kewaskum Village Hall; and 3:30 - 4:30 p.m. Hartford City Hall.

Parents Information Night For UW System Students

Parents of high school students considering attending one of the colleges in the University of Wisconsin System are invited to attend a general information night on Tuesday, October 22, at the UW Center-Fond du Lac. The session will begin at 7 p.m. in the Student Center. Tours will be given at 6:30 p.m. for those who wish to tour the University of Wisconsin Center - Fond du Lac campus. Potential students are also welcome to attend.

UWC-Fond du Lac staff, faculty and students will discuss admission requirements, financial aid procedures, deadlines and tips for an easy entry into the university system. University personnel will also discuss popular academic programs and high tech careers, as well as other areas of

study. Many services that are offered by a university will also be addressed. Personal interest testing, career placement services and ACT tests are important services that help guide students in making the correct academic choices.

Transfer of credits from one college to another will be discussed. It is important that students make their transfer plans in advance in order to make the correct class choices.

Campus life will also be reviewed, including housing, meal plans, transportation and recreational activities.

A question and answer period will follow. Refreshments will be served. No advance reservations are required. For more information, call the Center (929-3602).

UWWC Kicker Win Pair

By Statesman Sports Writer

WEST BEND — The UWWC men's soccer team improved to 4-2-1 as it swept a pair of games recently.

The Wildcats were awarded the victory in a suspended game against Milwaukee Area Technical College by a 1-0 score, and then went out and got a bit of satisfaction by upending UW-Fox Valley 2-1.

Against MATC, Jim Rasmussen scored a goal early in the contest to give the Cats a 1-0 lead. A thunderstorm accompanied by lightning hit late in the first half, forcing the suspension of the game. When it was learned that MATC would not be available to finish the contest at a later date, the Wildcats were awarded the win.

The win against Fox Valley was a bit more satisfying. After tying Fox Valley earlier in the year, UWWC wanted to prove that it was the better team. The Wildcats did just that by disposing of the visitors late in the game.

UWWC jumped out in front 1-0 when Nick Dobberstein got assists from Randy Staus and Eric Zunke for a first-half goal.

After Fox Valley tied it at 1

with a goal midway through the second half, Rasmussen again came through with a big goal. This one came from an assist from Doug Wilkens, and gave the Cats the win.

In loving memory of MICHAEL STERN, who passed away eight years ago, Oct. 18, 1983:

For everyone he did his best
God grant him eternal rest.

Indian VB Team Rated 5th in State

By Statesman Sports Writer
KEWASKUM — The recent accomplishments by the Kewaskum volleyball team has it moving up in the Wisconsin Volleyball Coaches Association's latest poll of Division II schools.

The Indians, currently 7-4 and in third place in the Eastern Wisconsin Conference, are ranked fifth in Division II, according to the most recent rankings. The Indians garnered 27 votes from coaches around the state.

"It's nice to see that we are being recognized," Indian coach Dave Rizzardi said last week, "but I think the real injustice is Chilton." The Tigers, currently undefeated and atop the standing in the EW, are not even ranked in the Division III polls, and received just one honorable mention vote. "They should be up there," Rizzardi said.

JV Volleyball Team Wins Pair; Frosh Lose Two

By Statesman Sports Writer
KEWASKUM - The Kewaskum JV volleyball team did its part to match the Indian varsity's success last week, but the Indian freshman team was unable to complete sweeps in matches against Kiel and Sheboygan Falls.

On Tuesday, the JV's duplicated the varsity's sweep, beating Kiel in three straight, 15-12, 15-8 and 15-10. The freshmen, meanwhile, won the first game, but then had communication problems that led to a 15-10, 5-15, 11-15 loss.

"The whole team played really great," JV coach Mary Holfelz said of the win. "We served well, hustled, saved a lot of balls, and spiked well," adding that Michelle Gundrum, Ali Bruendl, Cheryl Michaels, Andrea Haberman and Ginger Wiesner all spiked well.

"We were out of kilter mentally," Frosh coach Janet Molebash commented about the loss to the Raiders. "We let too many balls hit the floor." Molebash cited Becky Braun, Joanne Theusch, Shelly Williams, Erin Fronek, Sara Weinreich and Sandy Melzer for all putting up good efforts.

Against Falls, the JV's struggled in the opening game, but then came on strong to post a 10-15, 15-4, 15-7 win over the Falcons. The frosh were unable to win a game against the tough Falls squad, losing 12-15, 3-15, 12-15.

"It took a full game for us to get going," Holfelz said of the Indians' slow start. Bruendl and Tricia Butschlick both served well for the Indians, while Missy Radtke "had an excellent spiking game," according to Holfelz.

For the Indian freshmen, Theusch had nine good serves, while Williams had nine spikes. The freshmen dropped to 4-7 on the year, while the Indian JV's, after not winning a single match a year ago as freshmen, improved to 8-3.

UWWC Kickers Split

By Statesman Sports Writer
RICHLAND — The UWWC men's soccer team fell below the .500 mark last week, as they split a pair of matches in Wisconsin Collegiate Conference action.

The Wildcats controlled the ball and their opponents in a 4-0 shutout of UW-Richland Center, here last Saturday, but then ran into a tough UW-Waukesha squad on Wednesday, losing by a 2-0 count.

Against UW-Richland, the Wildcats jumped out to a comfortable halftime lead, as Eric Zunke scored unassisted and Dean Blankenburg scored off a pass from Jim Rasmussen to give the visitors a 2-0 cushion.

The Cat men put the game away in the second half, as Blankenburg chalked up his second goal of the game, getting an assist from Mike Starzman and Randy Staus to make it 3-0. Dave Pflueghoef then put the icing on the cake with an unassisted goal late in the contest.

It was a much different story again Waukesha, who holds down the top spot in the WCC. UWCC did a good job to control the tempo in the first half of the tilt, but Waukesha took over in the second 40 minutes, scoring a pair of goals to up their record to 4-0.

With the loss, the Wildcats dropped to 1-2-1 in the WCC, while dropping to 2-3-1 overall.

In 1948, RCA Victor introduced the 45 rpm record, giving it the code name of "Madame X."

Indians Peaking; Beat Falcons

By Statesman Sports Writer
KEWASKUM - It's always nice to have your team peaking come tournament-time, and that just may be the luxury that Kewaskum volleyball coach Dave Rizzardi has going for him.

The Indians continued their impressive showing in recent weeks, as they blew out second-place Sheboygan Falls, 15-10, 15-9, 15-4, here, last Thursday.

"We played very well," Rizzardi said of the effort against the Falcons, who came into the match with just two losses, both to undefeated Chilton. "It was one of our best matches of the year."

Statistically, the Indians didn't really seem to have one of their better games. Both the leading scorer (Kelly Korth, 6) and the leading setter (Jackie Hintz, 6) had low totals. That was mainly because the Falcons didn't have one of their better attacking matches.

"I don't think I have ever seen them hit so many balls out of bounds," Rizzardi said of the Falcon woes. But not taking anything away from his team's performance, he added, "We played an excellent team game. We got good efforts from everybody."

"It was a nice way to end the week," he went on. "I'm real pleased with where we are at right now."

The Indians, who improved to 7-4 in the EW, had their final conference match at New Holstein Tuesday, and then will have a full week to prepare for the WIAA regional and sectional action.

Indian Spikers Sweep Kiel

By Statesman Sports Writer
KEWASKUM - After trying to power their way past Eastern Wisconsin foes in the first half of the season, the Kewaskum girls volleyball team is getting a bit smarter and a bit more successful in the second half of the EW campaign.

Mixing in offspeed hits with their spiking power, the Indians improved to 3-1 in the second half, 6-4 overall, as they swept all three games against visiting Kiel, 15-11, 15-10, 15-9.

The Raiders did a good job defensively against the Indian attackers, so coach Dave Rizzardi's troops resorted to a selection of tips and other offspeed hits to outlast their foes.

"Kiel really played good defense... they made a lot of saves," Rizzardi said. "We were getting frustrated because of that."

"But we were smart enough to back off a bit," he added, noting that "We then started to mix it up... more dinks and offspeed shots."

The result was another three game sweep for the improving Indians, whose only loss in the second half was to undefeated EW leading Chilton.

Junior Christa Schmidt led the Indian offensive attack with nine spike kills, and ten total points. Julie Mertz also chalked up ten points, on the strength of four service aces, as well as three tip kills.

Schmidt "had a smart attack," against the Raiders, Rizzardi pointed out, mixing up her shots well. The Indian mentor also noted that Jackie Hintz contributed with "consistent setting," racking up 14 assists, to lead the Indians in that category.

"We played pretty much error-free volleyball," Rizzardi went on to say. "I've been really happy with our effort the past few weeks."

Tina Schwartz and Joel Fleischman reigned over Kewaskum's Homecoming activities last weekend. Fleischman represented Senior Football on the Homecoming Court.

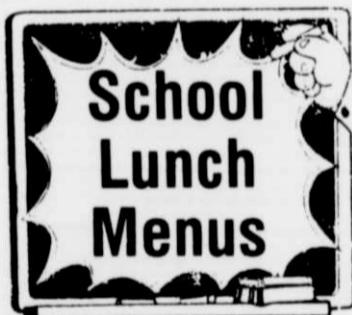

If you own shares in Charmin, Northern, Cottonelle or any other brand of "tushie" tissue your dividends probably went up last week after KHS students finished decorating the school's trees as part of Homecoming "activities."

The junior class gave their all to victory cheers, but the judges finally decided the senior class "rattled the rafters" the best.

These buxom "beauties" led a few cheers at the Pep Rally. Funny, some of them had some very masculine (and hairy) legs.

Strong Passing Game Not Enough for Indian Victory

By Statesman Sports Writer

KEWASKUM — The Marx brothers put on a stellar performance here, last Friday night. But in the end, it was the Plymouth Panthers who had the last laugh.

Kewaskum got fine individual efforts from both Jim and Kim Marx, but it was not enough, as Plymouth used a strong ground attack to produce a 19-16 win over the Indians, spoiling the Indians' Homecoming game.

Kim Marx had his best receiving game of the year, as he nestled in five passes for 174 yards and two touchdowns. Jim Marx, meanwhile, filled in for the injured Chad Cook and passed for over 200 yards in just over two quarters of play.

"He was just excellent," Indian coach Clark Pearson said of Jim's play. As for Kim, "he just had a super game. He's played well for us all year, and he was just outstanding again."

The Indians seemed to suffer a lethal blow when Cook went down after being sacked late in the first half. Cook suffered a dislocated hip on the play, and will be sidelined for the season.

Marx, who has seen just limited playing time for the Indians this season, came in for Cook and did a fine job, completing 14 of his 22 passes on the evening.

It was Kim Marx, though, who got the Indians on the board in the first quarter. After an unsportsmanlike conduct penalty set the Indians back on their won nine yard line, Cook threw a simple out pattern to Marx, who broke a tackle and sprinted down the left sideline for a 91-yard scoring strike.

The Indians sought the help of a trick play on the extra point to take the lead. Randy Schlice lined up for the kick, but the snap from center went directly to Schlice, who rolled to his left and threw to Todd Muckerheide. Muckerheide juggled the catch, but eventually brought it in, giving the Indians a 8-7 advantage.

Plymouth had taken a 7-0 lead early in the contest. After a Muckerheide fumble enabled the Panthers to set up shop on the Indian 39 yard line, Clayton Moore, Plymouth's 6-1, 206 pound running back, plowed in from the three, giving his team the lead with 3:27 left in the first.

Plymouth then took the lead for good late in the first half. For the second drive in a row, the Panthers didn't complete a pass, but still drove 80 yards to paydirt. Chad Hoytink, a 5-11, 210 pound fullback, took it in from the one, and after Plymouth failed on the two-point conversion, the Panthers led 13-8.

Neither team mounted much of a threat in the third period, and the Indians headed to the fourth

looking for their first Homecoming win since 1984.

It wasn't to be, though, as Plymouth used a bit of their own trickery to turn back the Indians. On a fourth and short play early in the fourth quarter, Panther QB Matt Noordyk pitched to Matt Slavic, who stopped and threw to Damien Hovey, who was all alone in the end zone.

The Indians had plenty of opportunities in the late going, but after forcing Plymouth to punt, Indian return-man Matt Seiser was hesitant in picking up the punt, and eventually fumbled on the play, giving the Panthers the ball deep in Indian territory. Kim Marx came up with a big interception, however, and the Panthers were turned back once again.

The final Indian score came late in the game, after the Indian defense had held the Panthers. Jim hooked up with Kim on a 42 yard pass play for the score. For the game, the Marx's combined on four passes, covering over 80 yards.

Shawn Schneider also had a big receiving night for the Indians, hauling in nine catches. In all, the Indians passed for over 300 yards, but rushed for a minus-one net total, not exactly the kind of balance that Pearson is looking for.

"We got behind and we ended up having to throw the ball more than we had wanted to," Pearson explained regarding the low rushing total. "Our pass blocking was decent, but our run blocking still needs a lot of work."

Defensively, the Indians came up with four interceptions, and held the Panthers to just over 200 total yards. Muckerheide was in Noordyk's face all night, recording just one sack, but flushing Noordyk out of the pocket on several occasions.

"We gave him a bit more freedom this week," Pearson said, noting he switched his defense around a little to allow Muckerheide to rush more. "He played well, (as did) Dan Schulties, Joel Fleischman, Jason Steilow... they all played hard."

For the Panthers, Moore, the EW's leading rusher, finished with 120 yards on the ground,

while Hoytink added another 85 to pace the Panthers' offensive attack.

The Indians, now 1-3 in the EW, travel to New Holstein this week to take on the winless Huskies. "They're having a lot of the same problems we are... not putting up enough points... turnovers," Pearson said, noting however that the Huskies are not going to be a pushover. "They're going to give us a run for our money."
