911 Emergency Service Targeted to Begin Next Month

Village Board Okays Truck Purchases

By Gerry Mueller
Statesman Staff Writer

The Kewaskum Village Board, Monday night, approved Public Works Director Jerry Gilles' recommendations to purchase two new vehicles for the Public Works Department.

The first item approved was the purchase of a 1992 pickup from low bidder Bob Fish of West Bend, at a cost of \$12,600. That unit will replace a 1975 truck. The second acquisition will be a 1992 International dump truck with Monroe dump box, plow and sander, from Cooley's of West Bend, at a cost of \$55,998. That unit will also replace one of the village's old 1975 dump trucks.

In making his recommendations on the dump truck, Gilles told the trustees the chassis prices quoted on all the bids were fairly close, but the major differences showed up in the equipment bids.

While Jem Motors of Random Lake was the apparent low bidder, Gilles said there were some features Cooley's was offering that Jem was not and, as a result, the prices were about the same, give or take a couple of hundred dollars.

Village Administrator Dan

Schmidt told the board that approximately \$32,500 of the truck's cost had been budgeted for and the remaining \$25,000 would be transferred from the Restricted Fund.

In other action the board approved Schmidt's request to borrow funds to purchase the village's new front-end loader. He told the board, switching from John Deere's lease/purchase plan at 7-3/4 percent interest to a 5.5 percent loan with Valley Bank, would save the village \$5,395 in interest charges over the five-year span of the loan.

The board tabled action on Gilles' request to replace the failing flat roofs of Pump House No. 2, with a pitched roof. Gilles told the trustees a section of one of the building's two roofs was sagging creating standing puddles of water which were beginning to cause water problems.

Trustee Gary Gavin questioned the bid figures and asked Gilles if he had looked into putting a rubber roof coating on instead of replacing the roofs. Gilles indicated he had not. Board president Mary Krueger also noted that she felt the village should have a few more bids on the project before making a deci-

sion. Gilles agreed to get additional proposals including rubber roofing and bring them back to the board for review.

The board also tabled action on salary recommendations for village employees who are not represented by unions.

In looking at the proposed salary increases for the Administrator, Police Chief, Public Works Director, Deputy Clerk/Treasurer and Library Director, Gavin questioned how the raises were arrived at. "I thought we were going to go with the job study recommendation and give people raises based on merit. I thought we were going to get away from 'across-the-board' raises."

The other board members were in general agreement with Gavin's comments. "How does everyone feel about this?" asked Trustee Mark Vechart. "I am not for a percentage raise and never was," stated Krueger. The board then agreed each individual should be interviewed and raise recommendations made to the board by their supervisors or governing committee.

According to the compensation schedule as presented, the administrator, and police chief would have received 3 percent increases and the public works director, clerk/treasurer and library director would have gotten 4 percent raises.

Part-time village employees were also reviewed with salary increases ranging from 0 percent to 4 percent.

In non-action business Schmidt advised the board that a countywide "Clean Sweep" day has been scheduled for Saturday, May 9, from 9:00 a.m. to 2:00 p.m. On that date, all Washington County residents will have the opportunity to dispose of all their hazardous household wastes such as old pesticides, paints, solvents, etc., which can no longer be taken to landfills or placed out for refuse collection. Businesses, including farms, will not be permitted to participate in the program. Collections will be held in three communities, Germantown, Hartford, and West Bend. County residents will be able to drop the wastes off at any of the three sites. The exact locations will be announced prior to May 9th.

Police Chief Richard Knoebel also informed the board that the area's new 911 emergency service is targeted to begin operation on March 18th. He noted there will be some training sessions for

Public Hearing Scheduled in KEA/District Arbitration

By Gerry Mueller
Statesman Staff Writer

Kewaskum School District Administrator Dr. David Heather confirmed that a public hearing has been scheduled for Wednesday, Mar. 4, with Mr. William Petrie of Waterford, who has been selected as arbitrator in contract negotiations between the Kewaskum School District and the Kewaskum Education

Kindergarten Registration At St. Lucas

Registration of new five year olds will be held Tuesday, evening, Feb. 25 at 7:00 p.m. in the lower level of the school.

Parents may come at that time to receive all necessary forms and to hear a brief presentation by Mr. Bollinger and Mrs. Hoenecke. It is important that parents register their children that evening so that provisions can be made for the coming school year. Your child must have attained the age of five years by September 1st to be eligible for school this fall.

Preschool

St. Lucas will again offer preschool this coming school year. We would like to hold two sessions each week. Each class would be held two afternoons a week with a limit of 10 children in each class.

Members of St. Lucas will have first choice, but sessions will also be open to children of the community if we do not fill our quota. Start calling now to ensure enrollment of your child.

Any questions may be directed to Deborah Hoenecke (626-8235).

students on how to use 911 due to the fact that not all areas will have the "enhanced 911" system. What that means, noted Knoebel, is that in some areas, dialing 911 will not automatically indicate the origin of the call, so callers will still have to give addresses and locations to the dispatcher.

The trustees were also advised that the Public Service Commission had approved the village's request for a water rate increase. Schmidt said the new rates will go into effect on the 1992 second quarter billing.

Association which represents the district's teachers.

Representatives of both sides will attend the meeting which will be held at 7:00 p.m. in the high school cafeteria. This meeting will be open to the public and persons interested in the proceedings are invited to attend.

The two negotiating teams agreed to go to arbitration after reaching an impasse over several contract issues.

Student Art Show March 2 at New Holstein

The 5th Annual Eastern Wisconsin Conference Art Show opens March 2nd at New Holstein High School with an opening reception for the public from 7:00 p.m. to 9:00 p.m. Schools representing the Eastern Wisconsin Conference include: Chilton, Kewaskum, Kiel, New Holstein, Plymouth, Sheboygan Falls and Two Rivers. Each Art department will be represented with student work in a variety of media.

The exhibit coincides with the opening of YOUTH ART MONTH and is an opportunity to expose students in the EWC conference to work by other area art students.

Judges for the exhibit are Sisters Andre' Du Charme and Mariella Erdmann of Silver Lake College Art Department. A "best of category" ribbon will be given in the following categories: Oil Painting, Water Color Painting, Acrylic Painting, Ceramics, Design, Jewelry, Sculpture, Graphic Design, Print Making, Crafts, Color Drawing, Black and White Drawing, Color Photography and Black and White Photography.

The judges will award 1st, 2nd, and 3rd place ribbons in all categories as well as a Best of Show in two dimensional and a Best of Show in three dimensional works.

The exhibit may be viewed during the week of March 2 to March 6th at the New Holstein High School Library during regular school hours. In addition to the opening reception, the exhibit will also be open for viewing the evening of Wednesday, March 4th, during the hours of 6:30 to 8:30. Any school groups planning to tour the exhibit should call New Holstein High School (898-4256) to arrange a tour. There is no charge to view the exhibit. We hope you will take advantage of this opportunity to see the work put out by these students.

Eight Page FFA Insert Included with Issue

In honor of National FFA Week, February 15-22, the Kewaskum Chapter, under the guidance of Dave Rizzardi, Vo-Ag Instructor, is sponsoring an eight-page insert included with this week's issue.

The FFA officers along with the help of their instructor and other chapter representatives were instrumental in soliciting the ads, writing the news items and laying out the eight pages. It was then brought to the Statesman for typesetting, ad makeup, proofing and paste-up.

FFA Week traditionally is marked from the Saturday before George Washington's birthday to the following Saturday. Washington is honored for his significant contributions to American agriculture as well as his military and patriotic contributions.

"FFA — Leadership for a Growing Planet" is this year's theme. The theme was chosen because FFA members realize the effort they must put forth today in order to preserve the agriculture industry and the earth for future generations.

Through their FFA experience, students will develop skills and knowledge to help them prepare for a career in agriculture. Their future in farming is our future as well.

We join the community in saluting the FFA during this, their special week.

The members of the Kewaskum FFA have a great deal to be proud of.

Please help support your high school's Vocational Agriculture FFA program, and the advertisers who so graciously took out ads again in the FFA promotion.

Campbellsport Man Killed In Construction Accident

Frank Kreis, 21, of Campbellsport, was killed while he was working at a construction site in downtown Sheboygan, when a concrete slab fell on him during the renovation of a building.

According to a police report, Kreis was supervising the jackhammering of pieces of concrete from the roof of the former Jung Shoe Company building, a

100-year old landmark, when one of the slabs fell on him.

Kreis was working for Construction Labor Services of Germantown at the time of the accident.

The renovation of the building began two weeks ago and includes converting it into apartments by a Madison development firm.

Former County Woman Charged in Misappropriating Funds of Over \$25,000

Marion A. Roos, 57, of Montello, formerly of West Bend, waived her Preliminary Hearing and pleaded no contest to charges of felony theft in a suit brought against her by the Washington County District Attorney's office on Dec. 30, 1991.

Roos was found guilty of misappropriating monies in excess of \$25,000 from Walter Krueger, a resident of Cedar Lake Home, formerly of 1505 Bridge Road, Campbellsport, for

whom she had been Power of Attorney during the time period February, 1986 to September 1990.

Discrepancies were discovered in Krueger's financial records by Joyce Schultz, Kewaskum, shortly after she became Power of Attorney or Krueger in September, 1990. These findings were reported to the Sheriff's department, and an investigation ensued.

Roos appeared before Circuit Court Judge L. Waddick on January 29, and was sentenced to make a \$12,000 restitution payment in addition to the \$22,000 she had already returned, plus a 45 day jail sentence, and five years of probation. A portion of the payments is considered lost "interest allowance" for Krueger. Roos is also required to pay legal fees restitution not to exceed \$1,000.

Active Parenting Class Offered

The Kewaskum School District will once again be offering the video-based program called **Active Parenting**. **Active Parenting** focuses on such important topics as discipline, self-esteem, communication, and family enrichment. The information and skills taught are designed to help develop responsible, cooperative and courageous children.

Classes will begin on Thursday, Feb. 27 and will be held in Room 110 at Kewaskum High School from 6:30 p.m. to 8:30 p.m. The course is six weeks in length. There is no charge for the course.

If you are interested in attending please call the district office - 626-8427 to register. Please call by noon on February 26. We hope you will take advantage of this opportunity. Parents who have taken the class in the past have found it to be helpful and informative.

Rammer to Be On Money Game Show

Lee L. Rammer of Kewaskum has won the chance to be on the Lottery Money Game Show on Saturday, Feb. 22. Lee is eligible to participate after his scratch ticket revealed three TV's. He purchased his ticket from Tillie's Bar in Beechwood.

KFD Fire and Rescue Squad Runs

Monday, Feb. 10, 8:32 p.m. - The rescue squad was called to Forest View Road in the Town of Farmington when a female driver lost control of her vehicle and struck a tree. The Jaws of Life were used to extricate her. She suffered an injury to her left hand and pain in her lower back and hips. She was transported to St. Joseph's Hospital in West Bend.

Tuesday, Feb. 11, 3:36 p.m. - The rescue squad responded to a call on Fond du Lac Avenue in Kewaskum when a female patient was suffering a seizure. She was transported to St. Joseph's Hospital in West Bend.

Tuesday, Feb. 11, 11:33 p.m. - The rescue squad was summoned to Prospect Street in Kewaskum when a male patient was experiencing chest pain and had difficulty in breathing. He was transported to St. Joseph's Hospital in West Bend.

Thursday, Feb. 13, 7:06 p.m. - The fire department was called to the corner of Main Street and Parkview Drive in Kewaskum when power wires were shorting on the street light pole and smoking. It all stopped when the circuit breaker blew. The fire department returned to the firehouse.

Saturday, Feb. 15, 5:21 p.m. - The Rescue Squad responded to a call ¼ of a mile north of Hwy. 28 on Paradise following a three-vehicle car crash. A young girl suffered a head injury and other multiple injuries. Her mother also suffered head injuries, plus another female patient suffered multiple injuries. Two male patients had leg injuries. One of the male patients had to be extricated from the vehicle with the Jaws of Life unit. All five patients were

transported to St. Joseph's Hospital in West Bend. The young girl was later transported to Froedtert Hospital by Flight for Life.

Wild Time for Preschoolers at Riveredge Center

Winter is a wonderful time to discover Riveredge Nature Center's wildlife. Join a naturalist as we follow deer trails and rabbit runs from 10 to 11:30 a.m. on Wednesday, Feb. 26.

MEMORIES

This memories picture of New Prospect was taken in the early 1900s. Its original name was Jersey. The first building on the left was built for a shelter for the horses when people came to town. The next building was Jack Welch's Tavern; today known as the Everglades. The next building was John Tonn's Tavern; today it's the Fin and Feather. Next building was Joe Uelmen's blacksmith shop. On the right was a cheese factory which burned down in the mid-twenties. It stood where the Black Angus stands today. The next building was a grocery store which was also destroyed by fire. The grocery store of today you can see in the distance.

IN MEMORY

In memory of REGINA THEUSCH, who passed away two years ago on Feb. 22, 1990:

For every pain we must bear
For every burden, every care
There's a reason.

For every grief that bows the head

For every teardrop that is shed
There's a reason.

For every hurt, for every plight,
For every pain racked night
There's a reason.

But if we trust, as we should,
It all works for our good. God knows the reason.

Ice Age Trail Outing, Program

The Washington/Ozaukee County Chapter of the Ice Age Trail invites the public to a winter outing of sledding and skiing followed by a pot luck chili lunch and program.

It will be held Saturday, Feb. 22, at the Nature Center in Glacier Hills County Park. The park is on Friesse Lake Road, about 1/8 mile south of Hwy. 167.

The activities start at 10 a.m. with sledding, skiing or hiking (weather permitting). Everyone is invited to bring chili to add to the chili pot for a noon dinner. Hot chocolate, coffee and crackers will be provided.

Following lunch, Ken and Sally Waraczynski of Milwaukee will show slides entitled, "Experiences on the Ice Age Trail - a Thousand Miles," which highlights their hike over the entire trail in the last several years. Dave Lovejoy will give an update on the progress on development of the trail through Washington County.

Blood Pressure, Cholesterol Screening

Cholesterol screening and blood pressure measurement will be offered to Washington County residents by the Community Health Nursing Service Cardiovascular Risk Reduction Program.

Screening tests will be available once a month at the Washington County Court House, 432 E. Washington Street, West Bend.

Screening schedule is: Feb. 27th beginning at 9:30 a.m. in room 243, main level of the court house.

Blood pressure and cholesterol screenings will be done BY APPOINTMENT ONLY. Cholesterol screening will be done for a charge of \$5.00.

To schedule an appointment for cholesterol and/or blood pressure screening, call 335-4707 or 644-5204 or 342-2929 (toll free, ext. 4707).

Jason Jagielski, the son of David and Shirley Jagielski, 7647 Mary Lane, West Bend, has been named the Kewaskum Board of Education's Student of the Month for January.

Jason, a senior, is currently taking Symphonic Band, Accounting, College Prep English, Information Processing and German 3.

During his first semester he also took Environmental Ecology, Human Relations and Computer Writing.

Jagielski's extra curricular activities include being a reporter for Smoke Signals, being a member of the Audio Visual Crews, Pep Band as well as being a member of the National Honor Society.

Jason's nomination included

these comments from one of his teachers: "He is a kind, considerate, intelligent young man. Jason does everything with care and consideration. He puts a lot of thought into all he does and he is responsible and respectful to his teachers and to other students."

Local Plumbing Apprentice Wins State Skill Olympics Competition

Tom Matenaer, Campbellspport, of R.J. Fuge Plumbing, West Bend, recently placed first in the Plumbing portion of the Skill Olympics Competition sponsored by Associated Builders and Contractors of Wisconsin, Inc. (ABC), a statewide construction industry trade association. Top apprentices in electrical, plumbing, sheet metal and carpentry completed a two-hour written examination and a three-hour practical competition in Green Bay, in conjunction with the ABC Annual Convention.

The purpose of Skill Olympics is to evaluate and recognize outstanding apprentices for excellence and professionalism in their respective field. Construction industry professionals judged the apprentices on safety, appearance and care of tools, accuracy and sequence, time of completion, and quality of workmanship. Hurckman Mechanical, Green Bay, donated materials for the plumbing competition.

Matenaer, an ABC Plumbing apprentice in his third year, advances to the ABC National Skill Olympics Competition, set for March 11-13, 1992 in Orlando,

Florida.

Apprenticeship is long-term training that combines classroom instruction with training on the job.

64th Anniversary

Norbert and Laura Gatzke

Norbert and Laura Gatzke, of 333 N. Hwy. S, Kewaskum, will be observing their 64th Wedding Anniversary on February 21.

The former Laura Backhaus and Gatzke, both from the town of Auburn, were married Feb. 21, 1928 at St. John's Lutheran Church in New Fane. The late C.J. Gutekunst officiated.

The couple farmed in Kewaskum, Auburn/Ashford Dr. until 1958 when they sold the farm and built a new home in New Fane, which they enjoy to this day. Norbert worked in carpentry and painting, but many our familiar with his eighteen year hobby as "bee keeper" of New Fane.

Laura has always enjoyed being a homemaker, and her in-

terests include gardening and raising flowers. She has been an active member of St. John's Lutheran Church, participating in the church Altar Guild and Sacristarian.

Their children are Delmar and his wife Anita of Little Rock, Arkansas; LaVerne Schaub and her husband Lester of New Fane, eight grandchildren and seven great-grandchildren.

A daughter, Elizabeth Marie, was born to Gerald and Sharon Becker, W4504 Terrace Lane, Campbellsport, on Jan. 29.

Dundee Mill Park to Hold Leap Year Dinner Dance Feb. 29

Get out your dancing shoes, your drinking cup, your appetite, and psych yourself for a great time at our Dundee Mill Park Benefit Dinner/Dance. The event will be Saturday, Feb. 29 at Frank's on the Lake Supper Club located on Kettle Moraine Lake. There will be loads of door prizes, fun in-house raffles, and music for dancing and listening.

Making dinner reservations in advance is the Committee's biggest problem. Reservations must be confirmed by February 22nd. Seating is limited to the first 250 reservations returned. You may pick up tickets from Din's Mini Mart or Sam's Short Stop in Waucousta. For other further information, please call Monica Lavey, 533-4750.

Price for the dinner is \$15.00 per ticket per person. The cash raffle costs \$10.00 per person. You need not buy a raffle ticket to come to the dinner. Dinner will be served promptly at 6:30 p.m. Free beer and soda will be available after dinner. Broasted chicken and sirloin tips will be the featured entrees plus plenty of mashed potatoes, green beans, noodles, etc. for this special evening. BE ADVISED: There will be two food lines to hasten the food production.

Committee member, George Weide, will be the emcee while Chuck Engelhardt will be our main speaker.

A cash raffle worth \$300, \$150, and \$75 will be drawn at the Dinner/Dance. You need not

be present to win. All profits will be used to support the Dundee Mill Park project in Dundee.

If anyone is celebrating a Leap Year Birthday and is planning to come to the Dinner/Dance, please call Sharon Porfilio, 533-4142 ahead of time.

Reigle is Speaker at 'International Competition' Forum Held at UCC

The news is not all bad. The U.S. can and does compete well in international markets. America is still a world economic power, but other countries have caught up.

About 40 people heard Jeffrey Reigle, president and CEO of Regal Ware, Inc. and Mohsen Bahmani, Professor of International Economics at UWM, paint an economic picture of the U.S. that is encouraging but not without a price tag. The U.S. must cut the federal budget deficit, increase its savings rate, invest in research and development, produce quality products and commit itself to export marketing if it is to stay competitive.

The forum, "International Competition" was held Wednesday night at UWC-Washington County. It was the second in a series of global economics forums offered by UWCC Continuing Education. The Rotary Club of West Bend and the West Bend Daily News. The next session, Europe and the USSR, was held Wednesday, Feb. 19.

Quality is the best way for a company to keep its competitive edge. "Junk doesn't sell anywhere," said Reigle. "You've got to build an image built on quality." Regal Ware has done just that. In 1991 approximately 30 percent of its business was done outside North America. With very little growth expected in U.S. markets, the privately held company is expanding more overseas and currently does business in 93 countries including Bolivia, Russia and, yes, Japan. "Exporting offers us the growth and opportunity we were looking for," says Reigle. A strong export base also helps shield companies from down turns in the national economy he said.

Bahmani, recipient of a prestigious Amoco Teaching Award, believes part of the solution to America's economic woes rest with engineers, not economists. "It's the quality of goods that consumers are concerned about," he said. Engineers can make products last longer and have better efficiency but they must have the tools in order to make the changes. They need technology, more research and development, investments in education and tools, and money to make it all happen. This money is becoming harder to raise

because of the low savings rate in the U.S. and, most importantly, the finance charge America's pay on the federal debt. "The decline of our competitiveness is largely due to the debt," he said.

Still, the national economy is not keeping businesses from taking the plunge into international marketing. Many businesses look to Canada, the U.S.'s largest trading partner, for their start in international trade. Small and medium size businesses may best be able to penetrate foreign markets because of their flexibility and abilities to find marketing niches.

Regal Ware has done well because of these reasons. Reigle shared some of his key elements to successful exporting: top management commitment to export marketing, patience, knowing the laws, culture and language of each market, attendance at trade fairs, producing a unique and high quality product, adherence to foreign market specifications, good freight connections, good support services, fast response times, and having a

presence of "just being there."

Both speakers feel American management, not workers, are responsible for some lackluster performance in international trade. Less rigid management styles have already begun to payoff for some U.S. companies. "I personally believe the quality of products in the U.S. is better than it was ten or 5 years ago and it is because of a fear of competition," said Bahmani.

It is the challenge of competition and the advantage and disadvantages of free trade, that will keep American businesses headed for the niches around the globe.

WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

February 13, 1992

The Washington County Sheriff's Department is investigating a series of burglaries to small businesses in the West Bend and Jackson areas.

In the past two weeks, The Sheriff's Dept. has investigated seven burglaries that appear to be similar. They have all been at night, and the method of entry and the items taken are similar.

Washington County's WE-TIP phone line is 1-800-232-0594. Any information can be provided anonymously, and a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

A dishwasher uses about ten gallons of water. Washing the same dishes by hand would use around 20 gallons.

Easing Your Tax Burden

SECOND IN A SERIES

Get a Jump on Your Taxes

By John T. Ader, IRS
District Director for Wisconsin

As I told you last week in this column, one of my goals will be to provide you with hints and suggestions to help remove much of the burden involved with filing your taxes.

There are a number of things you can do today, while you still have plenty of time, that will make filing your 1991 return smoother. Let me list a few of these little things that can make your taxes less taxing:

*If you are claiming any dependents who are age one or older, you will need to list their social security number (SSN) on your tax return. If you have not already applied for your child's social security number, you should do it today. If you're expecting a child, it would be a good idea to apply as soon as your baby is born. Most Wisconsin hospitals can help you.

*If you got married during 1991 and changed your name, you should correct your records with the Social Security Administration. This will prevent a mismatch of name and social security numbers when you file your return and thus avoid a possible delay of your refund.

*If you are a working parent and have a child in day care or have babysitting expenses, you will need to include the provider's name, address, and social security number or employer identification number on your return in order to claim the Child Care Credit for 1991.

By now each of you should have also received your 1991 federal tax forms. If you have not, forms and instruction booklets can be picked up at any of our offices, many banks, post

offices and libraries.

If that is not convenient, we can mail the forms and publications you need directly to you. But please do not wait until the last minute. If you are not sure what forms you need, I suggest you take a minute to look at last year's tax return, and if your situation hasn't changed too much, you probably can use the same forms again this year.

While you are ordering forms may I suggest a few other forms and publications which may prove useful. These include:

*Publication 17, "Your Federal Income Tax;"

*Publication 553, "Highlights of 1990 Tax Changes;"

*Form 1040 ES if you need to pay estimated taxes;

*Form W-4 to change the number of exemptions you claim at work;

*Form W-10 if you need your child care providers tax information to claim the child care credit;

*Form SS-5 to obtain a social security number or to make a name change,

*and Form 4868, if you think you will need an extension to file your tax return. It is important to remember that this is only an extension to file, not to pay. You must pay any taxes that you owe when you file Form 4868.

If you have moved recently, or are planning a move in the near future, be sure to file a change of address card with the post office. Also, don't forget to notify former employers or payers of interest, dividends and miscellaneous income that you have moved, so you will get your W-2s and 1099s in time to file early. In addition, it would make

our job a lot easier if we have to reach you for any reason if you'd take the time to let us know too. You can do that by filling out a Form 8822, a change of address form, and mailing it to us.

Let me add a tip about using our toll-free phone numbers. You will usually get through faster if you call us Wednesdays, Thursdays and Fridays. Our lines are busiest early in the week.

Here are our phone numbers if you need our help. For tax information call 1-800-TAX (829)-1040. For forms and publications call 1-800-TAX-FORM (829)-3676.

LIBRARY NEWS

February 22 is Thinking Day and is a special day for Girl Scouts; a day when they think and thank all those who help them. To show their appreciation, the girls in Girl Scout Troop 225 decorated a tree and placed it in the Kewaskum Public Library. The tree is dedicated to all of Kewaskum's community helpers.

New Books at The Library

These following books are now available at the Kewaskum Public Library. Check one out today!

"Blindsight" by Robin Cook is a chilling novel about a city pathologist's battle against a plot of "unimaginable evil."

"Farmhouse Cookbook," by Susan Herrmann Loomis is the result of the author's two-year trip through the small farms, ranches, dairies, vineyards and orchards of America.

Consumer Guide's "Automobile Book," 1992 edition includes profiles of more than 175 new models, the latest prices and best buys, EPA ratings, and other advice to consider when buying a new car.

"The Mount Sinai Medical Center Family Guide to Dental Health," is not only a practical guide to self-care, but is also a medical reference explaining common problems, symptoms and treatments.

"Divorce and Money; Everything You Need to Know about Dividing Property," by Violet Woodhouse and Victoria Felton-Collins helps the reader to understand the real value of your house, investments and support payments and offers advice on dividing debts and negotiating a fair settlement.

"The Healing Power of Doing Good; the Health and Spiritual Benefits of Helping Others," by Allan Luks with Peggy Payne shows that there is a powerful positive link between helping others and the helper's physical, emotional and spiritual well-being.

"Memories; The Autobiography of Ralph Emery," is about Ralph Emery, host of the television show, "Nashville Now."

"Remember," by Barbara Taylor Bradford is a novel about Nicky Wells, a television war correspondent and the sadness she experiences when she loses the only man she has ever truly loved.

"The Medicaid Planning Handbook; a Guide to Protect Your Family's Assets from Catastrophic Nursing Home Costs," by Alexander A. Bove Jr. shows the reader how to plan in advance for our parents' needs and our own long term care.

"Mothers and Daughters," by Elena Bonner, the wife of Andrei Sakharov, is the story of growing up privileged in Stalin's Russia of the 1930s.

"A Prophet With Honor: The Billy Graham Story," by William Martin is a carefully documented account of the famed evangelist's life and ministry.

"Richer Than You Dreamed: How to Take Control of Your Future Income," by Kathryn Maxwell and others examines the money problems of today's two-income families and shows how to solve them, step by step.

25 Years Ago

Feb. 17, 1967

Joseph Eberle, 77, widely known retired tavernkeeper and former village board member, who was nationally known for the outstanding beagle hounds he raised over the years which won honors in shows and trials throughout the nation, died suddenly, Friday, Feb. 10, of a heart attack.

Fire routed a family of five from their rural home two miles west of Kewaskum Saturday night and they fled without any belongings as the blaze gutted the residence. Mrs. Eva Myers and her four children were awakened by passing motorists Mr. and Mrs. John Milewski of Wayne, who were driving past about 9:40 p.m. and saw flames shooting from the roof at the rear of the home. They stopped and informed Mrs. Myers who had just gone to bed and helped to get the children out. The Myers occupied the farm home, owned by Lee Honeck of Kewaskum. The fire apparently started from an overhead woodstove or possibly sparks from the chimney.

Mr. and Mrs. John Heisdorf, R.2, Kewaskum, received word that he arrived safely in Vietnam on Tues., Jan. 21. He is presently serving with the U.S. Army, north of Saigon, as a helicopter pilot.

Births — A son to Mr. and Mrs. David Van Antwerp, R.2, Kewaskum, Friday, Feb. 10. A son to Mr. and Mrs. Bruce Muckerheide, Thursday, Feb. 9.

Feb. 20, 1942

Rev. and Mrs. R. G. Beck and daughter Katherine are expected to arrive in Kewaskum next Wednesday from St. Paul, Minn., to make their home here. Rev. Beck has accepted a call to the pastorate of the Peace Evangelical congregation to succeed Rev. Richard Sadow who resigned last August to become pastor of St. Andrew's Church in Chicago.

John Darmody, 55, of Slinger,

formerly of the Town of Wayne, died at St. Joseph's Hospital, Hartford, Feb. 16, of a skull fracture, suffered Sunday in an incident on the George Rauh farm near Slinger. According to Wm. Scherr, 40, of near Slinger, who was questioned by Sheriff Herb Baehring, an altercation between the two men occurred when they met in a Slinger tavern. They parted and Scherr and his family left the tavern for home. On the way they stopped at the Rauh farm where Darmody was employed to inquire about matters discussed at the tavern. Scherr discussed the matter with the Rauhs who were in the barn milking. Darmody arrived home, entered the barn and the argument reopened according to Scherr, who said Darmody kicked at him and he pushed him aside. Darmody fell to the floor and struck his head on the concrete floor causing the skull fracture. An inquest was to be conducted on Friday night of this week.

The silver wedding anniversary of Mr. and Mrs. Art Glass was observed on Sunday at their home near Beechwood when relatives and friends surprised them. A delicious supper, brought by the guests, was served cafeteria style.

The annual mask ball given by the Royal Neighbors in the opera house last week Saturday evening proved to be a huge success as predicted both socially and financially. Over three hundred dance tickets were sold. People from near and far commenced to gather at the hall early and through the ability of the Royal Neighbors and splendid music rendered by the Kewaskum Quintette, enjoyed themselves immensely until an early hour Sunday morning. At midnight an elegant supper was served by Mrs. Adolph Backhaus of which many participated.

William R. Ellison was united in the bonds of matrimony to Miss Dorothy Calvey, daughter of Mr. and Mrs. Michael Calvey of Osceola on Monday, Feb. 5th. The bride was attended by Miss Minnie Ellison, sister of the groom and Arthur Ellison acted

UWWC to Host 'College for Kids, Teens'

The University of Wisconsin Center - Washington County will be hosting its economics based "College for Kids" and "College for Teens" series beginning in February.

Sponsored by the UWWC Continuing Education Extension, the Rotary Club of West Bend and the West Bend Daily News, the one-day, two-hour sessions will provide elementary and middle schools a chance to hear local professionals give tips on money managing for youngsters, as well as several levels of introductory economics classes.

To register for any of the programs call 335-5208.

Grades two and three - "Money Management for Kids" will kick off the sessions when it meets from 9 to 11 a.m. Saturday, Feb. 22, in UWWC Room 259. The fee is \$10.

Instructor Harold Schneider, an elementary teacher in the Kewaskum School District, has successfully integrated economic education into his classroom. He will talk about where money comes from, where it goes to and give tips to better manage allowances.

"Kids and Cash" will be held Saturday, Feb. 29, from 9 to 11 a.m. at M&I First National Bank. Participants should use the east entrance. The fee is \$10.

Instructor Harold Schneider will be joined by facilitator Rose Petite of the bank to teach children good financial habits. Covered will be thoughts on saving for the future as it relates to allowance, how to be a smart shopper, setting money goals, and reviewing savings and spending habits.

Grades four and five - "Our as best man.

Born to Henry Kraemer and wife, of Beechwood, a baby boy, Sunday.

A Ford car loaded on a bobsleigh was brought to Kaiser's Garage last week by Al DeMunk. That's one advantage of a Ford car, and when the snow is gone they are ready.

Mrs. Math Schladweiler, St. Michaels, is suffering from a double fracture of her arm which she received through a fall on the ice.

Community Marketplace" will be held Saturday, March 14, from 9 to 11 a.m. in UWWC Room 259. The fee is \$10.

Instructor Ervin Uhlman will give students an introductory look at economic ideas that relate to our community marketplace, including principles of supply and demand, scarcity, production and interdependence that makes a community economically successful.

Specific examples of the special urban/rural community mix in the Ozaukee/Washington counties area will be used.

Middle school students - three different economics workshops for sixth, seventh and eighth grade students will be held from 9 to 11 a.m. on separate Saturday dates in UWWC Room 259.

Instructors R. Schlitt - currently economic and global studies teacher at Hartford High School - and K. Luedtke - the economic teacher at Slinger High School - will join forces to provide three programs: "Micro Economics" (March 21); "Macro Economics" (March 28); and "Global Economics" (May 16). The fee is \$10 for each session or \$27 for all three.

Those attending the session on "Micro Economics" will find out what is meant by a market simulation game. Participants will also learn how prices are determined, how businesses make marketing decisions and how the market reacts to change.

"Macro Economics" will define the difference between fiscal and monetary policy, provide insight into how the Federal Reserve System operates, and explore economic realities and how they affect life.

"Global Economics" will show students global awareness through simulation games, explain what is meant by "have" and "have-not" nations, and trade barriers and other aspects of world trade.

Dry Spells Cost Lady Indians

By Statesman Sports Writer

KEWASKUM — A couple of offensive lapses in the second half cost the Kewaskum girls basketball team dearly in their bid to upset a decent Sheboygan Falls squad, here, last Tuesday night.

Failing to score a single bucket from the field in the third quarter, the Indians fell behind big, and then were not able to get over the hump, as Falls posted a 40-37 win, sending the Indians to their fifth straight loss.

The drought in the third period obviously was the thorn in the Indians' side, but it was the Indians' failure to put up any points in the final two minutes that was the nail in the coffin.

After the Falcons had turned a 24-23 halftime lead into a 36-24 advantage after three quarters, the Indians went on a 13-3 run that closed the gap to just 39-37 with just over two minutes to go.

"Essentially, what happened was we started getting past their press and getting some quick shots," Indian coach Glenn Eichstedt said.

Kewaskum had a golden opportunity to tie, as sophomore Ginger Wiesner stole the ball and went in for a layup. But the ball bounced away, and the Indians went scoreless the rest of the way. A single free throw by Falls' Lori Schueffner gave her team the three-point win. The Indians had a couple of chances late, but weren't able to convert.

It was a tough break for the Indians and Wiesner, who along with Bonnie Schlice, keyed the Indian fourth-quarter surge.

Wiesner ended up with an even 10 points, as did Schlice. No other Indian was able to muster more than four, though.

For the first half, at least, it looked as if Kewaskum would be able to send seniors Sherry Hass, Terri Vogt and Tammy Schmidt home with a rare victory. The three were honored before the game for their contributions the last four years.

Kewaskum held a slim two-point lead late in the first half, but Falls' Chris Mayer hit a big three-pointer to put her team ahead by one at the intermission.

"It was back and forth the whole first half," Eichstedt said. "In the second half, it turned into a real streaky game."

"In the third quarter, their press started to have some effect," Eichstedt continued. "We just didn't attack it very well."

But it was Sara Lorens who hurt the Indians the most on their night, hitting for a game-high 16 points, more than doubling her season average. The Falcons three throw shooting kept the Indians close throughout, as Falls connected on just five of 14 attempts.

The loss dropped the Indians overall mark to 2-16, while they fell to 1-9 in the Eastern Wisconsin Conference.

NOTICE OF HEARING ON ZONING APPEAL/APPLICATION

To: Whom it May Concern:

The Zoning Board of Appeals of the Village of Kewaskum will meet on Tuesday, March 11, 1992, beginning at 7:00 p.m., in the Council Room of the Municipal Building, 204 First Street, Kewaskum, Wisconsin, at which time the Board will consider the following application:

PUBLIC HEARING on the application of Larry Martin relating to the property described as:

Miller Funeral Home, 215 Forest Avenue, Kewaskum, Wisconsin. The reason for the application is to request a variance to erect an entrance to comply with orders as prescribed by the American Disabilities Act, which went into effect on January 26, 1992. All funeral homes must take steps to make the facility accessible to members of the public with disabilities. The variance is allowed for the reduction of street yard as noted in the Kewaskum Zoning Ordinance, under R-2 Section 3.4.

Notice of Proposed Executive Session

Following the hearing, at approximately 7:10 p.m. the Board intends to adjourn into executive session under Stats: 19.85(1)(a) to deliberate on the application and reconvene in open session at approximately 7:15 p.m. for purposes of announcing its determination and adjournment of the meeting.

All interested persons will be given an opportunity to be heard at the public hearing.

Tractor Certification Program

Federal Law requires that youth 14 or 15 years old must be certified before being hired to work with tractors and farm machinery. This regulation does not apply to youth who are working on their parent's farm.

A tractor safety certification course will be conducted by the High School Vocational Agriculture Departments, University of Wisconsin Extension and local implement dealers. It will be held on Saturdays March 14 and 21, and April 11 at the Addison Town Hall in Allenton. The April 4th session will be held at the Slinger High School Autoshop Classroom. All sessions will start at 9:00 a.m. and conclude at 3:00 p.m. Participants should bring their own lunch and beverage for the sessions.

This program is being targeted on youth who will be 14 but not over 16 by June. This is the age that requires certification. If there is room for more participants other youth will be accepted. The program is also accepting youth from outside of Washington County, but will give preference to Washington County residents.

Registration cost for the program is \$13.00 per student. This includes the manual, accident insurance and other educational aids. Individuals that wish to register should contact the Washington County Extension Office at 432 E. Washington, Room 235, or call 335-4478, 644-5204, 342-2929 Ext. 4478.

Deadline date for registration is February 28.

The course is structured to provide both classroom instruction and experience in operating tractors and farm equipment. In order to receive certification, students must attend all four sessions and pass both written and driven exam. Certificates will be issued to participants who are 14 years of age or older at the completion of the program. Students who are under 14 years of age will receive their certificates when reaching age 14.

This program is targeted for individuals who will be working on farms other than that of their parents. However, parents should consider enrolling their youth in the program if they would like to have their youth participate in order to become more familiar with safety procedures and safe operating practices.

For more information please contact the Washington County Extension office.

Falls Uses Same Weapons to Down Indians

By Statesman Sports Writer

SHEBOYGAN FALLS — After allowing Sheboygan Falls' Tom Kuplic and Eric Suemnicht to light up the nets for a combined 53 points in their first meeting, the Kewaskum boys basketball team had to do a better job on the two to put themselves in a position to win.

The Indians did a better job, technically, holding the two to 46 points, but it still was too much to overcome as the Falcons routed the Indians 71-54.

It was just another in a long line of unpredictable performances by the Indians this year. After upsetting Eastern Wisconsin Conference leading and undefeated Kiel in their previous outing, Indian coach Jim Westphal was hoping for a better showing from his troops.

"I guess maybe I thought we'd play a little better than we did," Westphal said, although he noted that the upset of Kiel may have helped the Falcons more, seeing as how they are still in the hunt in the EW. "It certainly gave them the opportunity to move up. They definitely came out pumped

up."

That pumped up effort especially showed on the defensive end, where the Falcons held the top three Indian scorers in check. Seniors Matt Seiser, Joel Fleischman and Chad Cook had come into the contest averaging over 42 points a game, but the three accounted for just 11 on this night.

"They overplayed our guys, and really took them out of the game," the Indian boss said. "But we shot particularly bad in the first half, and got ourselves into a big hole."

Kuplic and Suemnicht ran wild, on the other hand, and each had ten points as the Falcons raced to a 32-17 lead at halftime. A 17-6 edge in the second quarter accounted for much of the gap.

The Indians were unable to put up much of a run in the second half, either, as Sheboygan Falls matched the Indians basket for basket. In the end, it was just another loss, and another loss for an explanation from Westphal.

"We never could really gain much ground in the second half," he said. "We just couldn't stop

Kuplic...and Suemnicht had a fine night. He's a real strong kid."

There were a couple of bright spots in the loss, though. Senior guard Kim Marx continued his strong play of late, leading the Indians with 14 points, while sixthman Ryan Ramthun popped in 13 in the losing effort.

"Both Ryan and Kim played pretty well," Westphal went on, adding "But other than those two, no one else really stepped up."

The loss, the sixth in their last eight games, dropped the Indians to 2-7 in the EW, and to 6-11 overall. Falls improved to 7-2 and remained just a half-game out of first place, as Kiel dropped their second game in a row, a 57-55 overtime thriller with Two Rivers, who moved into a tie for first.

Poor First Quarter Costs Indian Boys

By Statesman Sports Writer

CHILTON — Another poor defensive effort, and another loss for the Kewaskum boys basketball team.

The Indians gave up 20 or more points in three of four quarters, and could not keep up with Chilton offensively, as the Indian dropped a 79-65 decision to the Tigers, here, Friday night.

Chilton exploited the Indian defense for 43 points in the first half, and a 21-10 advantage in the first period held up throughout, as the Tigers avenged an earlier loss to the Indians. There was a big difference between the first meeting and this one, namely 6-7 Tiger center Todd Meyer.

Meyer missed the first encounter while he was recovering from knee surgery. Meyer looked to be back in the groove against Kewaskum, scoring 10 points while cleaning the glass with 12 rebounds.

"I'd really had to say that he was the difference," Indian coach Jim Westphal said of Meyer. "The key was having him back. They are a very much improved team with him back."

Just as much a nuisance was Tiger guard Chris VandeVoort, who led Chilton with 17 points. Keith Steffes and Paul Eisner also reached double figures for the hosts, chipping in 12 and 11 points.

"They got a real good game out of VandeVoort," Westphal went on. "He did a nice job of penetrating and then getting the ball to the open man."

The Indians, meanwhile, were led by 6-0 senior forward Joel Fleischman, who broke out of his slump to hit for 21 markers. Kim Marx continued to shine, adding 11 points, but forward Matt Seiser, who ran circles around defender earlier this season, was held to just seven by the Tigers.

"Their zone took Matt right

out of the ball game," the Indian mentor said. "He's had a couple of tough games. At the beginning of the year, everybody was focusing on stopping Joel, but now their skewing their defense at Matt."

But it was poor shooting and poor defense which ultimately did in the Indians. "Once again we were plagued by really poor shooting," said Westphal. "At the beginning of the season, I foresaw all those 15 footers dropping in. It's just been very disappointing."

Just as disappointing has been the effort on the defensive end, although Chilton did "move the ball very well. They got some very easy buckets," Westphal said. "We've allowed some very easy baskets the last two games, and we just can't do that."

A big edge at the free throw line also worked to Chilton's advantage. The Tigers went to the line nearly twice as many times as the Indians, and outscored the guests 25-16 at the stripe.

"They were at the free throw line all night it seemed," said Westphal, who noted that his squad was whistled for 33 fouls in the contest, an unusually high total.

The loss allowed Chilton to move into a tie with the Indians for last place in the EW, with both sporting 2-8 marks. The Indians fell to 6-12 on the year, and will wind up regular season play with home games this Friday against Plymouth, and next Friday against New Holstein. Both the Panthers and the Huskies sport losing marks in the EW.

Lady Indians Levelled by Undefeated Tigers

By Statesman Staff Writer

KEWASKUM — It's next to impossible to win a basketball game when your second leading scorer has just two points. The odds are more decreased when your opponent is rated third in the state.

That was the situation here, Friday night, as Chilton, rated No. 3 in Division III, put the clamps on the Kewaskum offense, en route to an easy 70-21 thumping.

Robyn Winninghoff led the Indians with nine points, but no other Kewaskum player was able to muster more than two. Chilton, meanwhile, was led by 6-2 center Tracy Winkler, who outscored the Indians all by herself, with 23 points.

"We really didn't do much of anything offensively," Indian coach Glenn Eichstedt said. The Kewaskum boss said that his game plan was to score early and then spread out the offense to get the Chilton defense to extend. "But we didn't handle the ball

well enough to do that."

The trouble started early for the Indians, who scored just two points in the opening period, and fell behind 33-10 by halftime. Two of the Indian marks in the second period came courtesy of Chilton's Missy Dvorak, who rebounded a missed Indian free throw and put it back in, or otherwise as Eichstedt quipped, "We might not have hit 20 (points)."

One look at the shooting percentages pretty much summed up the entire game. Kewaskum connected on just four of 15 field goal attempts in the first half, and finished the night making just 21 percent of their tries (9 of 42). The Indians were also just three of 13 at the free throw line (23 percent).

The Tigers, on the other hand, hit 26 of 47 field goal attempts (55 percent), and also added a 14 for 17 night at the line. It was no wonder why Chilton is headed for their second straight Eastern Wisconsin Conference title.

"They have such a complimen-

tary team," Eichstedt said of the Tigers. "They deserve a lot of credit. They beat teams that they are supposed to beat by margins that they should. They very seldom sneak by."

Charlotte Turney, Renea Mueller and Cathy Dallman also reached double figures for Chilton, hitting for 15, 12 and 11 points, respectively.

"I thought we hustled and played some pretty good team defense at times," Eichstedt went on. "No one played a great game, but no one played terrible either."

One of the lone bright spots of the evening was the reunion of the 1981-82 Indian team, which took second in Class B that season. Eight of the 11 players made it for the promotion, as well as their coach, current Indian freshman boss Ken Soerens.

Also in attendance were several members of the 1976-77 state tournament team, as well as another former Kewaskum standout. Eichstedt's brother Clark flew in from England earlier in the day, so "It was kind of neat to be around a great part of Kewaskum basketball history."

The loss, however, dropped the Indians to 1-10 in the EW, and to 2-17 overall.

CHILTON 16-17-14-23 — 70
KEWASKUM 2-8-6-5 — 21
Chilton — Turney 15, Dallman 11, Dvorak 2, Reimer 3, Mueller 12, Winkler 23, Bittner 2, Kiesner 2, Free Throws - 14 of 17, Fouls - 18.

Kewaskum — Sabish 2, Wiesner 2, B. Schlicke 2, Winninghoff 9, Hass 2, Vogt 2, Schmidt 2, Free Throws - 3 of 13, Fouls - 19.

The first basketball player to score 100 points in a game was Wilt Chamberlain, star of the Philadelphia Warriors. It happened in a game against the New York Knicks on March 2, 1962.

KHS Rock-A-Thon Feb. 21 at Boys Basketball Game

The Kewaskum High School student council has a very special event planned for Friday, Feb. 21st. We are sponsoring a Rock-A-Thon!! It starts at 7:45 a.m. and keeps rocking on until 8:45 p.m.

Students from each class will rock every hour — in rocking chairs that is! This event is to raise money for the cystic fibrosis foundation. Come and see the rockers at the boys basketball game on Friday evening.

There will be buckets set up by each rocking chair for you to donate any money to help. A drop in the bucket is all we are asking for. If you have any questions or would like to make any donations please contact Mr. Ammel at 626-2166.

JV, Frosh Girls Lose

By Statesman Sports Writer

KEWASKUM — All three games were decided by six or less points, yet it was a clean sweep for the Sheboygan Falls girls basketball teams here, last Tuesday night.

Before the varsity girls lost by three, the Indians JV's and freshman set the tone with close losses. The JV's dropped a 39-33 decision to the Falcons, while the frosh fell behind early and lost 51-48.

Allison Bruendl paced the Indian JV's with 13 points, as the team dropped to 4-6 in the Eastern Wisconsin Conference, and to 5-13 overall.

Joanne Theusch did her best to keep the Indians frosh in the game, scoring 19 points, but the team still dropped below the 500 mark.

Indians Send Four Wrestlers to Sectional

By Statesman Sports Writer

KEWASKUM — Overall, it had to be dubbed a pretty successful day for the Kewaskum wrestling team as they hosted a WIAA Regional Meet here, last Saturday afternoon.

The Indians finished fourth as a team, just one-half point out of third. Campbellsport was the runaway winner in the Regional, amassing 190 points to easily out-distance runner-up Waupun (138), and Random Lake (123). Rounding out the tough Regional was Kewaskum (122.5), Sheboygan Falls (98), and Brown Deer (17).

But more importantly for the Indians was the fact that they were sending four wrestlers to Sectional competition, including a total of three Regional champions.

"We ended up with as many champions as any other team had," Indian coach John Nell said, adding "I thought it went real well for us."

The list was headed by the lone senior on the squad, Kevin Kapp at 125 pounds. After earning a conference championship the week before, Kapp posted a pair of decision wins, including a lopsided 112-0 win over Campbellsport's Rick Brietzman in the finals. Kapp will take a 21-9 mark into the Sectional.

"I thought Kevin Kapp did an excellent job," said Nell, who noted that Random Lake's Aaron Beck, who finished second at the State tourney last year, lost in the semi's and didn't advance. "There were some very tough weight classes. I don't think that any other regional (in Div. II) was as tough as ours."

Nell stayed at mat 1 for the ensuing championship match at 130 pounds, where Kewaskum Mark Dziedzic was pitted against Brown Deer's Rob Fox. The outcome was similar to Kapp's as Dziedzic rolled over Fox 15-5 to win the Regional title.

"He's coming back nicely," said Nell of Dziedzic, who used a reversal in the final :30 to pull out a 2-0 win over Campbellsport's Nick Marking in the semifinals. Earlier, Dziedzic (now 12-6) pinned Random

Lake's Rob Schumacher in 1:36. Marking eventually beat Fox in a wrestleback to advance to Sectionals. Dziedzic, coming off of knee surgery, "is in good shape right now, and he's wrestling real hard."

Nell's premier protege, 145-pound Josh Kurtz also came away as a Regional Champ, although he had to work a little harder than the other Indian champs. After a bye and a 8-0 win over Falls' Brend Binder in the semi's, Kurtz was pitted against Campbellsport's Jacob Wenger (25-2) in the finals.

In one of the best matches of the day, Kurtz jumped out to an early lead, and then had to hold on the final :45 for a thrilling 4-3 win over Wenger. The wins upped Kurtz's overall record to 27-1.

"I really wasn't overly worried at any one point in the match," Nell said of Kurtz, who "pretty well controlled things." But Nell added that Wenger, who Kurtz has beaten now twice this year, "wrestled Josh pretty well."

The only other Indians to advance to this weekend's competition was 189-pound Todd Muckerheide, who pinned Falls' Joe Pollard (1:41) in the semi's to move into the title bout against Campbellsport's Jeff Birschbeck (26-1).

Going into the final period scoreless, Birschbeck scored a reversal and another takedown to post a 4-0 victory, but nonetheless, Muckerheide's second place showing earned him the right to advance with a 20-12 record.

"If Todd puts things together like I know that he can," Nell said of Muckerheide, "he can beat anyone on a good day."

A pair of Indians had wrestleback attempts to advance, but both came up on the losing side of pinfalls. Chad Muckerheide (160) lost to eventual champ John Schuler (SF) in the semi's, but then was pinned by Waupun's Kurt Mersch in the wrestleback. Muckerheide finished the year 17-13.

Also, freshman Rich Farchione came up just short at 152 pounds. After losing to champ Jake Rohde

(RL) by a 9-2 count, Farchione beat SF's Mike Adamavich for third, but then was pinned by Campbellsport's Jon Paul Wilke in the wrestleback. It was still a fine showing by Farchione (13-11) in his first year.

Just missing a third place finish was 171-pounder Mark Morell, who was involved in a bit of controversy in his match against Campbellsport's Mike McCreedy. After falling behind big, Morell battled back to within 13-10 and appeared to have earned some back points in the closing seconds. But the referee didn't see it that way, and Morell ended the year with a 15-12 mark.

"I definitely thought that some back points should have been awarded," said Nell, who usually doesn't question referee's decisions. "He (Morell) was pushing the kid real hard, but there weren't any points given."

Also coming away with fourths were Brian Redig (103), who ran into undefeated and No. 1 ranked John Dexter of Campbellsport in the semi's. Dexter made quick work of Redig with a :09 pin. 112-pound Jake Thull also took fourth on the strength of a 16-0 rout of Brown Deer's Mike Lieven in the opening round. Brad Jackson (140) used an overtime win in the opening round to also come away with fourth.

"Our kids did a real fine job, I was real happy with our performance," Nell went on to say of his troops. "Now we will work on getting our guys in the right frame of mind heading into the Sectionals. We'll be working real hard."

Campbellsport just had too much firepower for the rest of the field, as they advanced wrestlers in nine of the 13 weight classes, and also earned the right to participate in the WIAA's inaugural team tournament.

The four Indians, along with the other qualifiers, will now head to the East Troy Sectional this Saturday. Weigh-ins will be at 9:00 a.m., with the opening round set to get underway at 10:30 a.m. The top two finishers in each weight class will then advance to the WIAA State Meet to be held Thursday thru Saturday, Feb. 27-29 at the UW-Fieldhouse in Madison.

TEAM SCORES — 1. Campbellsport 190, 2. Waupun 138, 3. Random Lake 123, 4. KEWASKUM 122.5, 5. Sheboygan Falls 98.5, 6. Brown Deer 17.

KHS Wrestling Team Workouts with Olympic Hopeful

Dennis Hall, a prospect for the 1992 U.S. Olympic Wrestling team, worked out with the Kewaskum High School wrestling team, Friday, Feb. 7.

The former Hartford High School and U.W. wrestler talked with the KHS grapplers. He spoke of his background, goal-setting and his training for the

summer games. Hall is currently the second ranked Greco style wrestler in the U.S. He feels confident that he'll be able to make the team. He is living in Stevens Point and training full-time. He trains with Greco wrestlers from all over the country.

Olympic hopeful Dennis Hall demonstrates a move on KHS wrestler James Schaeffer.

THE PRESIDENT SPEAKS

By Jim Van Beek

The FFA is a national organization. Throughout the nation, the FFA is making a difference. The FFA has turned out the leaders of today and at this moment is working out the leaders of tomorrow. Where does this leadership training start?

As a freshman coming into the Agriculture Department, there are a number of activities to get involved with. The leadership in the FFA starts off with just having fun with fellow members. Students can participate in Creed Speaking Contests, Judging Contests, and all the activities of FFA Week.

When the students enter their second year of Agriculture, there are some achievements that they need to accomplish. Second year agriculture students have an opportunity to get their Chapter FFA Degree. To get this degree, the student must assume a leadership role and conduct five to ten minute speaking in front of the class.

The second year student, just like any other FFA member, has the right to participate in contests. The main leadership challenge for second year FFA members is the chance of becoming an officer.

In the student's third and fourth years of FFA membership, they become the leaders of the FFA. If they are an officer, they will have the responsibility of running the FFA fairly and honestly. They will have to take the role of a leader in a group discussion or in taking control of a certain committee.

If the person is not an officer, there are still opportunities to become a leader. They will still have an opportunity to take trips to Kansas City and others in state activities. They can be a leader through the judging teams or by just setting an example for the younger members.

As anyone can see, the FFA is promoting leadership and will continue doing this. The leadership learned in the FFA today, will pay off in the leaders of tomorrow.

**Where Quality & Craftsmanship is a
Family Tradition**

Walters has been constructing durable quality buildings since the 1950's. Our family of directly employed Engineers, Manufacturers, Salesmen, and highly trained crews have earned an envied reputation of quality and integrity in the work they do. Either machine sheds, grain storage buildings, horse barns, dairy barns, hog confinement, or garages Walters has hundreds of designs to choose from. So for your next building need, call a Walters representative today for the complete Walters story. At Walters there is no shortcuts to the old family tradition of quality structures and pride in craftsmanship.
