## Markesan Farm Manager with Local Ties Wins \$55,200 on Money Game Show

Dan Berndt, a farm manager in Markesan, could now buy the farm with his winnings of \$55,200 on last week's MONEY GAME TV SHOW.

Berndt, one of five on stage finalists drawn to play the game won \$5,200 in the first four rounds which qualified him to spin and win an additional \$50,000. Berndt and his wife have no immediate plans for their winnings but are considering a nice vacation. Their winning ticket was purchased at Walkers

in Ripon.

Mrs. Berndt is the former Jacky Loof, daughter of Mr. and Mrs. Roman Loof of rural Kewaskum. Dan and Jacky have three children, Allen 10, Adam 4, and Alyssa three months.

Each week, five finalists are chosen from a pool of not more than fifty \$100 "TV" winners in the instant scratch-off games. The player with the highest amount after four rounds goes on to spin the Bonus Wheel and wins

\$25,000 or \$50,000. The Lottery matches the winnings of the five finalists after four rounds of play and divides it with the remaining \$100 "TV" winners in the audience.

Also at last week's taping was Lee Rammer of Kewaskum, who took home \$550. It was Rammer's third appearance at the show.

THE MONEY GAME airs weekly on stations across Wisconsin.

## HEE!! HAW!! Here March 11

Linament in large doses will be the call for some hearty residents when "Bob" Crosby brings his real live donkeys to Kewaskum for a Donkey Basketball Show.

The event will be sponsored by the Kewaskum FFA Alumni and will be held at the Kewaskum High School Fieldhouse on Wednesday, March 11, starting at 8 p.m.

The matchups will feature Kewaskum Fire Department personnel, high school faculty and high school students.

All teams have been training extensively for this monumental event. Team coaches want to be ready physically and mentally, and rumor has it that expert rodeo riders have been contacted on their expertise in riding.

Winners of the two games will meet head on in an eight minute championship bout immediately following the second game. Each

of the first rounds will consist of two eight-minute halves with a 15 minute intermission between games.

The Crosby Donkey Ball Company from Chippewa Falls, Wisconsin, will be providing the beasts of burden.

Adding to the fun are rules accompanying the game, such as not holding the ball for more than 15 seconds, no out of bounds, time-outs for emergencies only, the wearing of padding and football helmets, and the fact that each player is responsible for his/her own donkey while it is on the floor. A broom and shovel will be handy at all times!

Tickets can be purchased from sponsoring members or at the high school. High school and adult tickets are \$4.00 in advance, \$5.00 at the door. Grade school tickets are \$3.00 in advance, \$4.00 at the door.

## Blood Drive Here Wednesday

### REFLECTIONS OF A DONOR

*It's only a pint,  
Such a small amount  
To give;  
But it's mine  
Rich-red, vibrant  
And healthy.  
So blest be this blood  
As it leaves my veins  
And speeds its way  
To the stranger  
In need of it,  
And whom I do not know.  
May he, through me,  
Be healed and his life renewed.  
This stranger, though sight  
unseen,  
Now one with me  
In the blood brotherhood of man.*

WE NEED YOU! Won't you please give a true gift of the heart on Wednesday, March 4, from 1:30 to 6:30 p.m. at Kewaskum High School?

## Strassburg Marks 15th Year In Teaching Ministry

Steven Strassburg

January 30, 1992, marked the 15 years of service in the teaching ministry for Steven Strassburg. Steve is in his 4th year at St.

Lucas School, where he is the 6th grade teacher, athletic director and has boys' coaching duties.

Prior to teaching at St. Lucas, Steve was teaching grades 5-8 and was principal at St. John's in Stanton, Nebraska for 11½ years.

Steve's hometown is Hustisford, where he attended Bethany Grade School and then went on to Northwestern Prep in Watertown, and Dr. Martin Luther College in New Ulm, Minnesota.

He continued his education at Wayne State College in Wayne, Nebraska, and received his Masters in Administration in August of 1982.

Steve and his wife Cindy and their three children reside in Kewaskum.

## 1991 Sees Origin of 'Volunteer' Program at St. Joseph's Hospital

There are many reasons to volunteer, but most come down to the single basic truth that it makes one feel good. There are 31 teens in our area that should be feeling pretty great about 1991. They participated in the first year of the Auxiliary Volunteer Program at St. Joseph's Community Hospital. These teens have worked more than 600 volunteer hours in the initial year of this program.

The idea began with Auxiliary President Sharon Ziegler's realization of the great number of people in this country who volunteer, and that the hospital is an excellent place to not only volunteer, but to explore a possible career.

The Volunteer Program is divided into three sessions per year: spring, summer and fall. The teens can work in any or all of these sessions. As members of the Auxiliary, they are required to pay dues of \$2 per session. After passing the employee health screen, they can then begin working after school, weekends and vacations in any one of several departments in the hospital. They become members of the regular Auxiliary teams, are trained by the team leader and begin their volunteer careers. As with all Auxiliaries they are expected to honor the confidentiality of patients and families that they see in the hospital. They are assigned specific hours to work and must get their own substitutes when they are ill or busy.

The Volunteers are currently working in these areas: gift shop, information desk, celebration dinners, clerical help, physical therapy and Project Childsafe. In the summer, they also work in dietary, radiology, ASU waiting room and help with bingo. Since the Auxiliary is committed to raising funds for hospital needs, you will find these young volunteers helping with the spring flower sale and the fall Magic Marketplace. An especially fun project for them is to help with the baby reunion party given to three-year-olds in July. By request, the Volunteer Program is looking for more areas where these teens will be allowed to

help. They are full of enthusiasm and energy, and have proven themselves reliable and caring.

Who are these great Volunteers from the newest generation of volunteers? They include Kari Albanese, Laurel Barber, Brian Breit, Nicole Giese, Peggy Gross, Jennifer Hartmann, Tammy Heaslip, Chris Leeson, Debbie Lenz, Stafanie Lewandowski, Karen Lineau, \*Brenda Behling, \*Samantha Cook, \*Kevin Haendel, \*Ellen Holt, \*Rachel Propp, Elizabeth Perretz, Julie Pickens, Jill Pintens, Julie Sammons, Lynda Schmidt, Beth Schultz, Amy Skibinski, Tanya Washelesky, Tonia Winston, Laina Wright, Traci Wudi, \*Jennifer Raygo, \*Gina Stier, \*\*Jennifer Hanneman, \*\*Jennifer Hausmann.

Those teens that have one \* beside their names have volunteered at least 25 hours in 1991; the \*\* have volunteered for more than 50 hours this year.

How do we show our appreciation for these fantastic teenagers? The hospital treated all who could attend to a pizza lunch on January 22. Fred Bury, Hospital Executive Director, and Sharon Ziegler, Auxiliary President, expressed their sincere gratitude to these teens for their contributions to the service provided by St. Joseph's Community Hospital. When you see these volunteers in their bright blue vests, smile a little brighter and encourage them to keep up the good work, because you are looking at the future.

## Your Help Needed for Third Annual KHS Post-Prom Party

The Kewaskum Indian Booster Club will once again be hosting a Post-Prom Party for the students of Kewaskum High School. This party will be held at the YMCA in West Bend beginning at 12 midnight following the April 4th Prom, until 4 a.m. on Sunday, April 5th. Bus transportation will be provided there and back for those students who need it.

We are now looking for volunteers; people to chaperone at the party, people or businesses willing to donate money, food or items to be used as prizes. We would like to have enough so that every student in attendance would receive a prize if at all possible.

The Booster Club will again provide a color TV, a VCR and a boom box radio. We can use just about anything for prizes as long as it relates to high school students. So please, everyone get behind the Booster Club as we continue to try to provide activities that stress having a good time without having to be faced with alcohol and other drug abuse choices.

Food and refreshments will be available the entire time at the YMCA. Anyone interested in donating baked goods please call us and we will arrange to pick it up or make sure that it gets to the party.

Some of the activities at the YMCA are: two gyms, two pools, weight room, running track, exercise equipment, table tennis and racketball. We will again have a room set for movies and we are trying to provide a band or DJ for music and dancing.

Don't just tell yourself that you

**Kewaskum Elementary Schools to Celebrate Dairy Days March 3-6**

Pupils at three Kewaskum elementary schools will be dressing up, winning prizes and shaking hands with a giant milk carton March 3-6 as they learn the importance of drinking milk and eating a balanced diet.

It's all part of the fun during Dairy Days, a new four-day program offered by the Dairy Council of Wisconsin (DCW) to local elementary schools. Participating schools are Farmington, 8736 Boltonville Road; Kewaskum Elementary, 1550 Reigle Drive; and Wayne, 5760 Highway H, Route 4, Campbellsport.

Among activities planned at all three schools are a cheese-tasting party March 3, when children will sample cheese at lunchtime and the Dairy Days milk carton mascot will visit; "Michael Jordan Poster Day" March 4, when pupils will receive a bright pink Dairy Days magnet and be eligible to win a six-foot Michael Jordan poster; "Dress-Up/Riddle Day" March 5, when children will wear black and white or a cow logo and receive a napkin printed with cow- and dairy-related riddles at lunchtime; and "Ice Cream Day" March 6, when members of Kewaskum High School's Future Farmers of America will treat children to ice cream sandwiches.

Charlene Leach, nutrition education consultant for DCW, coordinated the activities with Kathy Robinson, food service Director for Kewaskum School District, and principals Thomas Larsen of Farmington and Wayne

schools and Richard Zaring of Kewaskum Elementary School. Leach also conducted a nutrition education workshop for teachers to help them plan related classroom activities. Prizes, including bookmarks, stickers, magnets and sports posters, will be provided by DCW, along with classroom materials and take-home nutrition information sheets to complement lunchroom activities.

"The Dairy Days program coordinates what's going on in the classroom with what's going on in the lunchroom," Leach said. "Its purpose is to promote healthy eating habits and increase the children's consumption of milk. Schools benefit by the increased participation in their hot-lunch programs. And healthier students perform better."

Dairy Council of Wisconsin (DCW) is a non-profit nutrition education and marketing association whose work in Wisconsin, northern Illinois and northwestern Indiana is made possible through funds provided by dairy farmers.

**The Plat 5 Snowmobile Club Donates Electronic Tape Machine to Threshold**

The Plat 5 Club through its various fund raisers during the 1990-91 season has accumulated extra funds which it has seen fit to donate to The Threshold Inc. While the main purpose of the Plat 5 club is to provide education on safe snowmobiling and safe, smooth snowmobile trails for the general public to use, it over the past ten years has been involved with The Threshold each year in giving their clients (people with disabilities) rides on snowmobiles for an afternoon, along with chili and hot dog lunch.

This year, along with the ride, held February 16, Plat 5 has donated \$1000.00 for The Threshold to purchase a electronic tape machine along with the tape to get them going.

The Threshold is a private, non-profit agency serving the Kewaskum county area which provided habilitation and rehabilitation services to children and adults challenged by disability. Their goal is the development,

vocational, educational and social growth of each person served. The Threshold has been in existence since 1963 and since then, the need for service and strong community commitment has expanded their facilities and programs into a dynamic, multi-faceted organization. While many governments and local organizations support The Threshold, they continually need the support of the entire community to continue and/or provide additional services.

The Plat 5 Snowmobile Club is proud to be part of the growing list of organizations that support The Threshold. One only has to visit The Threshold to see what a fantastic program they provide for their clients.

Incidentally, The Plat 5 Snowmobile Club meets at the Roadside Inn, downtown Lake Five on the second Tuesday of each month. New members are always welcome and desired.

## March Exhibition

WEST • BEND  
GALLERY  
OF • FINE • ARTS

The March exhibition at the West Bend Gallery of Fine Arts is YOUNG AT ART-YOUTH ART MONTH which will run from February 26 - March 29.

In 1961, Youth Art Month was inaugurated through the efforts of the National Art Education Association. Today, it is a national celebration of the visual arts for children in elementary and secondary education, and is observed in each state during the month of March.

This celebration occurs at community, state and national levels through a variety of activities designed to commemorate the talents of children and adolescents. Children are our most priceless asset. Childhood is the time to develop interests, aptitudes and skills that will last a lifetime. Art education is recognized as being imperative in developing creative problem-solving skills and enthusiasm for knowledge, and offers a setting for global communication which can affect our lives in a positive way.

This exhibition features work selected by area art specialists in the West Bend community schools. It is a celebration of our youthful talents and an acknowledgement of the ongoing contributions of our educators. This month gives us an opportunity to examine how art education affects our lives. Whether you define art as primarily skill in drawing, a hallmark of cultural refinement, craft, folk tradition, or a means of self expression, art education is our window of opportunity for life-long learning.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday 10:00 a.m. - 4:30 p.m. and Sunday 1:00 - 4:30 p.m. For more information call the gallery at 334-9638.

There will be a public reception on Sunday, March 1 from 1:30 - 4:00 p.m.

## County Humane Society Benefit Dinner/Dance Set

March can dish out its gray skies, cold temps and mid-winter blues all it wants. Have we got the antidote for you!

The long-awaited first annual Washington County Humane Society Awards Night has been scheduled at Barth's Linden Inn (Hwy. 144, just north of Slinger) for Saturday, March 7. It promises to be one heck of a night.

The evening of dinner, dancing and raffles begins at 6 p.m. with a cash bar and a chance to bid on silent auction items donated by local merchants and supporters. One of the most exciting items on the table so far is a fishing trip for four to Cody, Wyoming!

Our Volunteer of the Year will be honored in a brief ceremony after dinner. About 8:30 the band will start playing all your listening and dancing requests. And this band knows them all! Dancing will continue until your feet wear out or until the cows come home, whichever happens first.

While you're enjoying cocktails and listening to the music, you can also look over some of the items offered in our raffle. Raffle tickets are \$1 each or 6 for \$5. These tickets will be available through dinner time.

The grand prize on this raffle ticket is a trip for two to either Las Vegas or Orlando, Florida. Raffle winners need not be present to win, but you'll miss out on a great opportunity to visit with other people from the community who share your commitment to animals. All proceeds of this event will go toward helping the animals of Washington County.

Tickets for this fabulous event can be purchased either individually for \$15, \$30 per couple or a table of 8 for \$120. Contact the Shelter at 677-4388 for tickets.

We still need additional items for the auction and raffle, so check over the Christmas gifts

Santa left behind. Call us if you find anything you can live without. We also welcome any volunteer help in coordinating the evenings many activities.

So, dust off your dancing shoes, shake the mid-winter blues and join us for an exciting evening. The animals who need your help are counting on you.

Smith of the A.O. Smith Company. Villa Terrace is an adjunct to the Milwaukee Art Center.

Reservations may be made by check or money order only, made payable to: West Bend Woman's Club for \$30 (all-inclusive), between now and Friday, March 13, 1992. Please send to Mrs. William Wuebben, 500 Bender Road, West Bend, WI 53095.

## Local Businesses Sponsor Books for First Graders

# My Favorite Book

Lessons To Grow On

This release is smaller than the average news release because it details the facts of some big generosity in this community to little children through the distribution of some powerful little books (pictured above).

First grade students in St. Lucas Lutheran School, Holy Trinity Catholic School and Kewaskum Elementary School will all receive a beautiful gift book titled "My Favorite Book." "My Favorite Book" is designed and written to bring "positive" influence into each of these children's lives. It illustrates the beauty of their world and the people who are in it, especially themselves.

Bartelt Insurance Agency, Kewaskum Frozen Foods and Neuville Chevrolet-GEO, the civic-minded businesses in Kewaskum who are sponsoring this program, see it as a valuable contribution toward the development of the young people in this community.

## 50 Years Ago

Feb. 27, 1942

Adolph Pitt, 29, of Campbellsport, is in serious condition at St. Agnes Hospital, Fond du Lac, since Monday afternoon

when he was found wounded by a shotgun discharge at the farm home of his brother, Layman Pitt, near Elmore, with whom he resided. Sheriff L. Thalheim of Fond du Lac County said that Pitt declined to explain the discharge of the single barrel shotgun with the end of the barrel near the right side of his head. While Layman was getting a drink of water in the kitchen of the home and a housekeeper was in the adjacent pantry, Adolph went to a front room where the gun was kept and returned to the kitchen where the shot was fired. The sheriff said the brother ran about a half mile to Elmore and called a Campbellsport physician. The man was weak from loss of blood, seemingly dazed and his left side was paralyzed when police arrived. He was taken to St. Agnes Hospital and last reports heard were that his condition was unchanged.

Sylvester Volm, formerly of Kewaskum, who has been employed at West Bend, has purchased the shoe store and shoe repair shop of Roger Sukawaty of Campbellsport. He will take over the business on March 1. Sukawaty expects to enter the U.S. military service next week.

Mr. and Mrs. George W. Foerster are the proud parents of a 7½ pound baby boy born Tuesday.

## 75 Years Ago

Feb. 24, 1917

Mr. and Mrs. John Schields celebrated their 50th wedding anniversary at their home, three miles west of this village last Monday, February 19, 1917. They were united in matrimony just fifty years ago in Addison, Wis.

Peter Guepe died Saturday morning in a hospital in

Milwaukee following injuries he sustained at Campbellsport on the occasion of visiting his mother Mrs. Magdalena Guepe who was then critically ill and passed away Jan. 18. Mr. Guepe was leaving Campbellsport the evening of Jan. 16. When the train Guepe intended to take reached Campbellsport, his brother John got off. Peter stopped on the platform to talk with him and as the train was starting he took hold of the guard rail to board the train. He missed his footing and fell down in between the car and platform. His clothing became caught in a journal and he was dragged the length of the depot platform, being crushed against the side by the movement of the train. Mr. Guepe sustained a broken leg and is believed to have been internally injured.

A surprise was given Mr. and Mrs. H. Jandre on their 50th wedding anniversary Friday evening at J. Tunn's Hall, dancing was the amusement for the occasion and everyone present took a lively part.

Mr. and Mrs. Jake Theusch and Mr. and Mrs. Paul Gier of St. Michaels, are the proud parents of baby boys born to them last week.

## Moola Math Offers New Play Format; TV Winner Prizes

MADISON — MOOLA MATCH, the newest instant scratch and win game from the Wisconsin Lottery gives players a new play format as well as a chance to win up to \$64,500 on the Lottery's weekly television game show.

"To win at MOOLA MATCH, players try to match "Your Number" on the ticket," Wisconsin Lottery Executive Director William F. Flynn, Jr. explained.

"Each ticket has a "Moo Number" on the right side of the ticket, as well as four "Your Number" spaces in the center of the ticket. When "Your Number" matches the "Moo Number," the player wins the prize shown below the matching "Your Number."

"A player may win twice with a single ticket having two matching "Your Number" spaces."

"If a ticket matches "Your Number" with the "Moo Number" and the prize shown below the matching "Your Number" is a TV set illustration, the prize is a \$100 instant prize, which is claimed at any of the five Wisconsin Lottery offices, as well as an additional \$400 to \$64,500 by participating in a MONEY GAME television show at a later date.

"A TV Winner in February can expect to be scheduled for a MONEY GAME show taping around June," Flynn continued.

MOOLA MATCH offers instant prizes ranging from \$1 to \$2,000 as well as the TV Winner prize.

"We are returning 65 percent of the MOOLA MATCH sales revenue back to players as prizes, so there are plenty of winners in this game," Flynn added.

While all prizes may be claimed in person or by mail directly from the Lottery, prizes between \$1 and \$20 may be claimed from the Lottery retailer selling the winning ticket. The \$200 and \$400 prizes may be claimed from any Lottery retailer with a MEGABUCKS / SUPERCASH terminal. The \$100 TV Winner, \$1,000 and \$2,000 must be claimed directly from the Lottery.

MOOLA MATCH is the 32nd instant scratch game introduced by the Wisconsin Lottery and the second new game in 1992.

"The instant scratch and win games continue to be our best selling product line, in fact, a recent industry survey places Wisconsin third nationally in instant scratch and win ticket sales per capita per week, an ac-

complishment I am very proud of," Flynn said.

Deliveries of MOOLA MATCH began Monday, February 3 with the initial round of deliveries statewide completed on Friday, February 7.

With the introduction of MOOLA MATCH, players may choose between two instant games with the TV Winner prize: MOOLA MATCH and TIC-TAC-TOE.

All Wisconsin Lottery instant scratch and win games currently on sale, including the \$100,000 GAME launched in January, are eligible to win between \$750 and \$3,000 in the Lottery's weekly second chance Home Player drawing.

To enter the Home Player drawing, send five non-winning instant scratch and win Wisconsin Lottery tickets currently on sale to: WISCONSIN 53775, Madison, Wisconsin 53775.

# Easing Your Tax Burden

THIRD IN A SERIES

## Changes Can Affect Your Taxes

By John T. Ader, IRS  
District Director for Wisconsin

There are a number of changes which can have an effect on your taxes this year. I'd like to share them with you. These changes are also outlined in your tax package and in Publication 553, "Highlights of 1991 Tax Changes." As you are no doubt aware, the personal exemption and the standard deduction are indexed for inflation and have been increasing every year. This year is no exception.

For 1991, the personal exemption is \$2,150 (up from \$2,050 for 1990). But let me caution you that, as was the case last year, those who can be claimed as someone else's dependent are not entitled to a personal exemption on their own tax return. For example, if your mother can be claimed as a dependent on your tax return, she is not entitled to a personal exemption for herself on her return.

There has also been an increase in the standard deduction for 1991. The standard deduction for single individuals has been increased to \$3,400 from \$3,250 last year. For married filing jointly, it has been increased to \$5,700 from \$5,450. The standard deduction for head of household and married filing separate returns are \$5,000 and \$2,800 respectively (up from \$4,750 and \$2,725 last year).

These figures for the standard deduction and personal exemption are for the average taxpayer. Your standard deduction is higher if you are over 65 or blind. And, as I said earlier, you cannot claim a personal exemption for yourself if you can be claimed as a dependent on another person's return. In addition, some high income individuals may lose all or part of their personal exemptions and deductions. More information is available in Publication 501, "Exemptions, Standard Deductions, and Filing Information." If you are not sure where you fit in, check with your tax advisor or call our information number, 1-800-TAX (829)-1040.

Last year was the final year that any personal interest (such as interest on car loans or credit cards) was allowed as an itemized deduction. Even then, it was limited to only 10%. This year, the deduction for personal interest has been eliminated altogether.

Another change, which will affect those of you who use your automobile for business, is an increase in the business mileage rate for 1991 to 27.5 cents. This amount is for all miles that you

drove on business. A word of caution... if you are using your car for business, be sure you are keeping an accurate log of your mileage and expenses in case we ask you for it. Check out Publication 463, "Travel, Entertainment and Gift Expenses" for more information on mileage and other business expenses.

One final change is how social security tax is computed and the amount of earnings subject to this tax. This is the first year that the social security tax and the medicare portions are reported separately. The total tax is 15.3%, which is broken down to 2.9% for medicare and 12.4% for social security. The ceiling for the medicare tax is \$125,000, while for social security it is \$53,400.

Those of us who are employed will also see a difference in how these taxes are reported on your W-2s. They will be broken down into two parts based on the different ceilings. However, if you worked for more than one employer, you may have excess social security tax payments which should be credited to your income tax or added to your refund. Use the worksheet in your tax package if this applies to you.

For copies of Publications 553, 501, 463 or any of our 100 free publications, call us at 1-800-TAX-FORM (829-3676).

### Credits Available For Low-and-Moderate Income Residents

MADISON... Representative Michael Lehman (R-Hartford) received information from the Department of Revenue on credits available which may be beneficial for certain residents in the 59th Assembly District.

HOMESTEAD CREDIT was established to reduce the burden of owning a home or renting in Wisconsin. The household income ceiling for filling this credit is \$19,154 and the maximum payment is \$1,160.

EARNED INCOME CREDIT can be obtained on both the federal and state level. This credit, on the state level, provides direct payments to working families with dependents at home. In order to receive the credit, you must have worked full or part time during 1991, have at least one dependent child living at home and earned less than \$21,250. The maximum federal basic credit is \$1,235 and the

maximum state credit is \$926.

PROPERTY TAX DEFERRAL LOAN PROGRAM provides low-interest loans to elderly (65 or older) homeowners who want to use the equity in their home to pay all or part of their 1991 property taxes. The loans do not have to be repaid until ownership of the home is transferred, or when a person no longer lives in the home.

If interested in obtaining additional information or applying for the above credits and program, you should contact your local Department of Revenue office. Dodge County Residents: 211 S. Spring St., Beaver Dam 53916 or phone (414) 887-8108. Fond du Lac County Residents: City County Government Center, 160 S. Macy, Fond du Lac 54935 or phone (414) 929-3985. Washington County Residents: 120 N. Main St., Suite 170, West Bend 53095 or phone (414) 335-5380.

Representative Lehman also received information from the Commissioner of Banking regarding quick tax refund schemes. These tax preparers charge interest rates of 100 percent or more to those citizens who want an immediate federal income tax refund. For example, if a taxpayer signs one of these loan agreements in the amount of his/her anticipated refund of \$500, a flat charge of \$35 is assessed. The individual receives the net amount of \$465 in cash. Under present law, the tax preparer may use a one year term to figure the annual percentage rate, resulting in a 7.53 percent interest rate.

"Residents should be aware of these schemes and take note that the Internal Revenue Service can normally process electronically filed claims within 9 to 20 days," stated Lehman.

### NEW TOLL-FREE HOTLINE NUMBER

Do you use the Toll-free Legislative Hotline number? If so, please take note of the new number: 1-800-362-WISC or 1-800-362-9472. This change took place effective January 10, 1992 to handle the ever increasing amount of calls. It will continue to be staffed from 8 a.m. to 5 p.m. "Those in the 59th Assembly District who have questions or concerns are encouraged to contact me through this service," stated Lehman.

## County Humane Society to Hold Annual Rabies Clinic

The Washington County Humane Society will hold its annual Rabies Clinic on March 8, from 10 a.m. to 12 noon, and 1 to 3 p.m. Dr. Dale Schneider of Parkdale Pet Care will be the attending Veterinarian. The cost per shot is \$7.00 per animal.

Wisconsin State law states that you must have your dog licensed by April 1 of each year. In order to buy a license, you must have proof of a current Rabies vaccination. Assembly Bill No. 751, which was signed into law by the Governor of Wisconsin on May 1, 1980, requires that all dogs in the state of Wisconsin be vaccinated against rabies.

The Bill states that all dogs

over five months of age have a current Rabies vaccination. Cats should also be given the Rabies serum. The vaccination is good for three years on dogs and cats. Animals under one year must be revaccinated within one year.

There is no appointment necessary. Animals will be given their shots on a "first-come, first-served" basis. If you wish further information, feel free to call The Washington County Humane Society between the hours of 1 and 5 p.m. every day except Wednesday, when we are open from 5 to 8 p.m., at 677-4388.

## Avoid CDL Lines in March, Register Vehicle by Phone or Mail

The April 1 deadline for obtaining commercial driver licenses may cause long waiting lines at Motor Vehicle Customer Service Centers in March, the state Department of Transportation says.

People who merely want to renew their vehicle licenses may want to mail in their applications, or use the Touch-Tone telephone renewal system instead of waiting in line.

Roger Cross, administrator of the DOT Division of Motor Vehicles, said people who use mail-in or telephone registration services can usually expect to receive their stickers within a week or 10 days. "It's a lot faster than it used to be, when people sometimes had to wait a month or more," he said.

Although the DMV has been processing CDL applications for more than a year, Customer Service Centers across the state are bracing for a last-minute rush of applications for commercial driver licenses.

"It takes about an hour and 15 minutes to complete a behind-the-wheel test in a commercial vehicle," Cross said. "Depending on the number of road tests we have to give, we may have to devote

a lot of staff time to processing CDL applications in the next few weeks," he added.

"We will do everything possible to continue to provide service to our non-commercial customers, but it's going to be a struggle," Cross said. "People can help by sending their registration applications to the address shown on their renewal notices, Registration Fee Trust, WISDOT, Box 2096, Milwaukee, Wis. 53201-2096, or by calling our toll-free touchtone telephone number shown on their renewal notices, and charging the registration fee to their Visa or MasterCard.

Telephone processing is available only for auto renewals, Cross said. "People with driver licensing transactions will still have to appear in person at exam stations," he added.

## Keeping Your Money

By Dan Wilson, Resource Agent  
Washington County UW-Extension

An important element of community economic development is keeping dollars at home. This money can then circulate in the local economy. At this time of year, one way to do just that is to reduce the amount of dollars local taxpayers send out of the community to state and federal governments.

Applying the Earned Income Credit on Wisconsin state income tax forms could save some Washington County taxpayers money. But many lower-income taxpayers are unaware of the program.

In 1990, county residents who claimed the Earned Income Credit saved a total of over \$181,500. The average credit for each of the 1636 state income tax filers from Washington County who claimed the credit was \$111.

Additionally, the average Wisconsin taxpayer claiming the Earned Income Credit saved \$571 in federal income tax.

Changes made last year in both the state and federal Earned Income Credit regulations have in-

creased potential cash benefits. Taxpayers qualify for the credit if they (a) worked during 1991, (b) earned less than \$21,250 during the year, and (c) have at least one child living at home.

Learn more about the program, the tax forms which must be used, or the amount of tax money which might be saved by claiming the Earned Income Credit. Contact the Wisconsin Department of Revenue in Milwaukee at 227-4000 and/or the federal Internal Revenue Service at 1-800-829-1040.

## Stitt Opposes Resolution Raising Legislative Pay

When members of Congress approved a pay increase for themselves during a late-night session last year, they got lambasted for padding their own pockets at taxpayer expense.

Despite witnessing the public outrage expressed over this issue, 87 members of the Wisconsin Legislature recently voted to allow legislators to give themselves a pay increase during their term of office.

Assembly Joint Resolution 16, offered by Representative David Prosser of Appleton, proposes to amend the Wisconsin Constitution and allow State Senators, who serve four-year terms, to receive a pay increase every two years if one is approved.

Essentially, this would allow members of the State Senate to collect a self-approved pay raise without first going before the voters in an election.

Currently, pay raises become effective at the start of a new term. Because State Representatives and half of Wisconsin's thirty three State Senators are elected every two years, the other half of the State Senate receives a lower salary than their colleagues for two years, if a mid-term raise was approved.

Legislators elected in 1990 receive \$33,622 a year plus per diem for every day they are in Madison on legislative business.

Senators elected in 1988 receive \$31,236 because the Wisconsin Constitution prohibits them from accepting a mid-term raise.

The rationale behind AJR 16 is that all members of the Legislature should receive the same salary regardless of when their term began.

The reason for the constitutional prohibition against legislators accepting mid-term pay raises, however, is simple: elected officials should not be allowed to increase their own salaries and accept that raise until they are reelected by the taxpayers!

I was one of only eight other state Senators to oppose this resolution because I believe that

the voters must decide whether an elected official is worthy of representing them in Madison and should receive a higher salary.

In order for the Wisconsin Constitution to be amended, a resolution must pass the Legislature in two consecutive floor sessions without change and receive statewide voter approval.

AJR 16 is "second consideration" of this amendment and the question will appear on the upcoming April 7 ballot for statewide consideration.

Working families can't just give themselves a pay increase. Raises are given to those who perform well in their job duties and members of the Legislature should live by the same rules.

Moreover, AJR 16 does a disservice to Wisconsin residents because it tempts the Legislature to act in their own self interest, rather than that of the taxpaying public.

## Vitamin D Slows Bone Loss During Winter's Darkness

The lack of sunshine during winter months can cause more than a case of cabin fever. Studies show it also can lead to a loss of bone mass.

Exposure to sunlight is the primary source of vitamin D, which helps your body absorb calcium and phosphorous. Both minerals are essential for building and maintaining a healthy skeleton throughout life.

Vitamin D is formed when your skin is exposed to the sun. During winter months, when you spend less time outdoors and the sun's rays are not as bright, your body tends to lose bone mass.

To be sure you're getting an adequate intake of vitamin D, drink milk. About 98 percent of the milk sold in the United States is fortified with vitamin D. Dairy products also are the best source of calcium and a good source of phosphorous in your diet.

Said interest to be payable on the dates set forth above on the outstanding balance, with prepayment privileges, on any principal or interest payment date on or after this date, a copy of which note shall be attached hereto.

BE IT FURTHER RESOLVED, that there be, and there hereby is, levied on all the taxable property of the Village, a direct annual irrevocable tax sufficient in amount to pay the principal and interest on said note as the same becomes due and payable, said tax to be in the following minimum amounts:

Amount of Tax (principal and interest)	To Meet Payments Due On	Year of Levy (Year(s) Prior to Due Date)
7,744.88	11-08-92	For the year 1991
14,950.71	05-08-93 & 11-08-93	For the year 1992
14,305.71	05-08-94 & 11-08-94	For the year 1993
13,660.71	05-08-95 & 11-08-95	For the year 1994
13,020.13	05-08-96 & 11-08-96	For the year 1995
12,370.70	05-08-97 & 11-08-97	For the year 1996
5,942.37	05-08-98	For the year 1997

If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said note when due, the requisite amount shall be paid

from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.

In the event that the Village exercises its prepayment privilege, if any, then no such direct annual tax shall be included on the tax rolls for the prepayment so made and the amount of direct annual tax hereinabove levied shall be reduced accordingly for the year or years with respect to which said note was prepaid.

In each of said levy years, the direct annual tax so levied shall be carried into the tax rolls each year and shall be collected in the same manner and at the same time as other taxes of the Village for such years are collected; provided, that the amount of tax carried into the tax roll may be reduced in any year by the amount of any surplus in the debt service account for the note. So long as any part of the principal of, or interest on, said note remains unpaid, the proceeds of said tax shall be segregated in a special fund used solely for the payment of the principal of, and interest on, said note.

BE IT FURTHER RESOLVED, that there be and there hereby is established in the treasury of the Village, if one has not already been established, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund. Within the debt service fund, there be and hereby is established a separate and distinct account designated as the "Debt Service Account for Promissory Note dated May 8, 1992", which fund shall be used solely for the purpose of paying principal of and interest on said note. There shall be deposited in said fund any accrued interest paid on said note at the time it is delivered to the Lender, all money raised by taxation or appropriated pursuant hereto, and such other sums as may be necessary to pay principal and interest on said note when the same shall become due.

BE IT FURTHER RESOLVED, that the "proceeds" of said note shall be used solely for the purposes for which it is issued, but may be temporarily invested until needed in legal investments, provided that no such investment shall be in such a manner as would cause said note to be an "arbitrage bond" within the meaning of Section 103(c) (2) of the Internal Revenue Code of 1954, as amended, or the Regulations of the Commissioner of Internal Revenue thereunder; and an officer of the Village, charged with the responsibility for issuing the note, shall certify by use of an arbitrage certificate that, on the basis of the facts, estimates and circumstances in existence on the date of the delivery of the note, it is not expected that the "proceeds" will be used in a manner that would cause said note to be an "arbitrage bond."

BE IT FURTHER RESOLVED, that the Village Clerk shall keep records for the registration and for the transfer of the note. The person in whose name the note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on the note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid. The note may be transferred by the registered owner thereof by presentation of the note at the Office of the Village Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his legal representative duly authorized in writing. Upon such presentation the note shall be transferred by appropriate entry in the registration records and a similar notation, including date of registration, name of new registered owner and signature of the Village Clerk, shall be made on such note.

BE IT FURTHER RESOLVED, that the Village officials are hereby authorized and directed, so long as said note is outstanding, to deliver to the Lender any audit statement or other financial information the Lender may reasonably request and to discuss its affairs and finances with the Lender.

BE IT FURTHER RESOLVED, that said note shall be delivered to the Lender on or after the date of said note, upon receipt of the total principal amount of the loan evidenced thereby, plus accrued interest, if any, to date of delivery, provided that, if this is a refinancing, the refunding note shall be immediately exchanged for the note being refinanced.

## UWWC Offering Basic Drawing Class

If trying to draw a straight line takes you hours. If you cringe when your children or students ask you to draw a house, or a horse or a person. Take heart. Basic Drawing, a six week class offered by Continuing Education Extension at UWC-Washington County, will help you develop your ability to express visual design.

Students will learn how to draw using step-by-step methods. The class will concentrate on developing observation and visualization skills as well as drawing techniques. Learners will gain an understanding of how drawings are made and the vocabulary to communicate drawing essentials to others. "The most different thing about the class is that we concentrate on looking at something very closely so we are able to draw it," explains Art Instructor Berel Lutsky.

Lutsky is an art instructor at UWWC and has taught at UWM and the Milwaukee Institute of Art and Design (MIAD). Activities for the class include drawing from still life, portraits, self

portraits and landscapes. Anyone interested in drawing should attend but teachers, parents and day care providers may find the course especially helpful.

The class will be held on Wednesday evenings on March 4, 11, 18, 25, April 1 and 8. It will be held from 6:45 to 9:15 p.m. in UWWC Room 114. The fee is \$90. Learners can earn Department of Public Instruction credit for 15 clock hours.

To register call Joan Laabs or Laurie Meacham at 335-5208.

# Good Defense, Strong Team Effort Propels Indians to Win

By Statesman Sports Writer

KEWASKUM - It's not everyday that a high school basketball team can give up 24 points in the opening quarter, and then still come away with a relatively easy win. But for Kewaskum boys coach Jim Westphal, the day came none too soon.

"It's been a long time coming," Westphal said of his team's 70-58 thumping of Plymouth here, last Friday night. After falling victim to some red-hot Panther shooting in the first period, the Indians used some good defense, and a strong overall team game to down the Panthers.

"It was a pretty wild first quarter... kind of a free-for-all," Westphal said of the opening period, in which his troops fell behind 24-21. "They were shooting the ball extremely well. I think they missed only like three shots in the quarter."

The Indians, on the other hand, "started out kind of slow," according to the Indian boss. "But Matt (Seiser) got us going." Seiser's 12 points in the first half helped the Indians take control, and post a 35-30 lead at the half. It was the Indian defense though which turned the game around.

"We played better defense in the second period," said Westphal, who said the game plan coming in was to let the Panthers shoot from the outside. "They're one of the worst shooting teams in the league (36.9%)," but after seeing Plymouth light up the nets in the opening frame, he quipped, "I guess we bring out the best in teams." The Panthers also came into the game as the conference's worst free throw shooting team (52.9%), but hit eight of their nine tries.

But the Panthers cooled down in the second, scoring just six points. "We went to a little more man-to-man, and they calmed down a bit."

The second half was all Indians, as they stretched the lead to 12 at the end of the third period, and then coasted to their third win of the year in the

Eastern Wisconsin Conference and escaped the cellar. Plymouth fell to 2-9.

Joel Fleischman "had a real good game," according to Westphal, and helped the Indians extend their lead by scoring nine of his 16 points in the third period. Fleischman also chipped in eight rebounds. "They are a really good 1-2 punch," Westphal said of Fleischman and Seiser.

Seiser finished with 15 points, while fellow senior Chad Cook also hit double figures, hitting for 11 points. Kim Marx chipped in eight points, while "We also got a really good effort from our bench," as Westphal pointed to the play of seniors Ryan Ramthun and Scott Paulson, as well as juniors Jim Marx and Adam Laatsch.

After dropping four of their last five games, and seven of their last nine, Westphal thinks the win will go a long way in boosting his team's confidence as they ready for post-season action.

"Without a doubt. We really felt that we let them off the hook the first time around," the Indians mentor said of Plymouth's 68-67 win January 10th, in which Fleischman played with a sprained ankle and Boegel missed when he was out with a knee injury. "I thought this was a very good team effort. It was a good win for us."

Westphal hopes the good team effort will carry over into the Indians' EW finale this Friday, when Kewaskum hosts New Holstein.

Kewaskum will then set their sights on WIAA Regional action, as they will host the winner of next Tuesday's Plymouth-Waupun matchup. The Indians will play the winner next Thursday, March 5th.

## WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

February 21, 1992

The Washington County Sheriff's Department is investigating a large theft of tools from a pole building on Indian Lore Road in the Town of Farmington.

The majority of the tools taken were Craftsmen brand hand tools engraved by the owner with the initials "H.V." Also taken was a Homelite chain saw and a Rodoflow spray gun.

This theft took place approximately February 15, 1992, and appears to be very similar to another theft of tools from the same location reported on November 4, 1991.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

# Late Missed Free Throws Help To Spell Defeat for Lady Indians

By Statesman Sports Writer

NEW HOLSTEIN - A funny thing happened to the Kewaskum girls basketball team on their way to their second win in the Eastern Wisconsin Conference, here, last Thursday night. Indian coach Glenn Eichstedt wasn't amused though.

"The hard thing to believe is that in the course of the final 2:00 (of regulation), we missed 14 free throws," Eichstedt said. Those missed opportunities added up, as New Holstein came back to tie the game and send it to overtime, where the Huskies came out on top, 40-39.

It was the last in a long line of feeble efforts by the Indians in the EW, where Kewaskum ended the year 1-11, and in the cellar. The win enabled the Huskies to escape last place with a 2-10 mark.

It appeared that the Indians would be the ones escaping, as they built a 38-30 lead with just over two minutes to play. Eichstedt instructed his troops to go to a spread offense, for the purpose of either getting New Holstein to foul, or possibly to get some easy backdoor layups.

While Eichstedt hoped for the latter, the Huskies chose the former, and "We kept missing, and they kept taking advantage of it," he said. "As we kept missing, it just put more and more pressure on us."

New Holstein eventually tied the game, and "They definitely had the momentum heading into overtime," Eichstedt explained. But that momentum didn't translate into points until :12 remained. That's when Amy Krupp stepped to the line for a bonus opportunity.

Krupp nailed the first and missed the second, giving the Indians one last hope. Citing the Indian free throw woes, Eichstedt thought that the Huskies would immediately foul, but they didn't. "We got three shots inside the lane, all within four or five feet. Of course, none of them dropped."

Not much dropped for the Indians all night. Kewaskum finished the game hitting just 13 of their 58 field goal attempts (22%), and made just 13 of 33 free throws (39%).

"It's a lot of things," Eichstedt said of this team's shooting problems. "Form-wise... preparation-wise, we're just not very sound fundamentally."

"It was a game we felt we were

pretty much in control of," he went on, noting that his team jumped out to a 8-1 lead, only to whittle it away. "We just exhibited all of the shortcomings we've had all year."

Wasted in the loss were some good efforts from Ginger Wiesner, Kim Sabish and Robyn Winninghoff. Wiesner "did a real sound job," according to her coach, as she led the Indians with 10 points.

Sabish scored the Indians first four points, finishing with eight, and "she handled the ball real well also." Winninghoff got a couple of big rebounds for baskets in the fourth quarter, and "played real solid. She got all six of her points in that period."

The Indians, who finished the regular season 2-18, now set their sights on WIAA Regional action. Thursday night, the Indians will host the winner of the Waupun-Plymouth game played this past Tuesday. And Eichstedt still feels his team can do some damage in the post-season.

"If we play a full four quarters of basketball, we have as good of a chance as anybody," he concluded. "We just need to concentrate on playing quarter by quarter."

**WATERTOWN** - Several Kewaskum-area athletes are helping the Kettle Moraine Lutheran boys basketball team to a fine season. The latest of the Chargers conquests occurred over the weekend, when KML upset the Division III No. 1 ranked Northwestern Prep Hornets in the semifinals of the Lutheran Invitational Tournament.

After KML beat Onalaska Lutheran 57-41 in their opening tilt, the Chargers put it all together to upset the Hornets 53-52 in the semifinals.

Mark Pieper got things started by intercepting the opening tip and driving for a KML layup. For

### Softball Leagues Are Forming

There may be six more weeks of winter left, but it's not too early to begin planning for this summer's softball leagues.

The Kewaskum Softball Association has begun the process of taking applications of those teams that are interested in participating in softball leagues at Kewaskum Kiwanis Community Park.

Mens' leagues will be forming to play on Tuesday and Thursday nights, while a womens' league is slated for Monday nights.

If you are interested in getting a team together to play in any of the three leagues, please contact Rick Krahn at 626-2736 or Noel Stollenwerk at 626-4485 to reserve your spot. Teams will be placed in each league requested on a first come, first serve basis.

Team and player fees, as well as rules and regulations of the leagues will be available in the coming weeks.

the remainder of the first quarter KML's team battled Prep's 6'10" senior center Reggie Smith, whose inside offensive power netted all 11 of Prep's first quarter points. The Chargers Erik Kral scored 9 of his 20 points in the first stanza, and KML found itself with a 17-11 lead at the end of the period.

The Hornet's Jason Zahn put Prep up 21-20 with 5:38 to go in the second, but KML's Brian Smith exploded for the last 8 points of the quarter to give the Chargers a 28-23 half-time advantage.

Kral opened the third with a 3 pointer to put the Chargers up by 8, and KML led by as many as 12 (35-23) midway through the quarter. Two 3 point plays, one each by the Hornet's Smith and Jason Zahn, cut the lead to six, and was then cut to 2 (35-33) at the 2:50 mark. The two teams traded baskets for the remainder of the quarter which ended with KML leading 39-37.

The Hornets threatened throughout the 4th quarter, tying the game at 41-41 and 45-45 with

### Straub Wins 100th

**WHEATON, ILLINOIS...** A former Kewaskum wrestling standout joined some elite company recently in a tournament here.

Rich Straub, a senior at UW-Whitewater, became just the eighth wrestler in Warhawk history to win 100 matches in a career. Straub beat Michael McGuire of Wabash College (Indiana), pinning him in 1:13 in the 142-pound weight class to earn his 100th victory.

The win improved Straub's record to 30-4 on the year, including 11 pins.

3:18 to go. An offensive rebound by Zahn off a missed free throw resulted in a layup for the Hornets to put them up 52-51 with 40 seconds remaining, but a well-executed backdoor cut by Kral was rewarded with a pass from Joel Heckendorf, and KML went up 53-52 with 15 seconds remaining. Full court pressure defense resulted in a steal by Brian Smith with :04 left to seal the win.

"It was pretty exciting... maybe too exciting," KML coach Orv Breitreutz said of the upset. "They had beat us by 32 points," in the team's first meeting, and by 25 in their last tilt.

Five members of the KML squad are graduates of St. Lucas Lutheran grade school, and still reside in the village, including Erik Kral and Brian Smith, who were both named to the all-tournament team.

The two were the Chargers leading scorers in each contest in the tourney. Smith poured in 28 and Kral 21 in the win over Onalaska, while Kral popped in 21 and Smith 20 in the upset of NWP.

"It was a big win for us... no doubt the biggest of the season," Breitreutz said. "It convinced us that we can beat the best team in the state in our division."

KML might have had a bit of a letdown in the final against Lakeside Lutheran, as they fell behind by as many as 12 points. But the Chargers battled back to send the game into overtime, only to lose 52-49.

Kral once again led the way, according to Breitreutz, hitting for 15 points, while Smith added 14. "It would have been nice to beat them, but we came back strong. They just had a little more gas left in the overtime," the KML boss said.

## Aupperle Helps Pointers Win WSUC Title

*By Statesman Sports Writer*

**MENOMONIE** - A former Kewaskum High School wrestler played an instrumental role in helping the UW-Stevens Point wrestling team come away with the title in the Wisconsin State University Conference championships here, last weekend.

Dennis Aupperle, competing in the heavyweight class, beat UW-LaCrosse's Steve Wescott 14-4 in the finals to take home the heavyweight crown, and lead the Pointers to a 35.5 victory over Wescott's second-place Indians.

"We did alright," Aupperle, a junior this year, said from the UW-SP campus on Sunday. "We pretty much cleaned house," he said, referring to the fact that five Pointers won championships, while another three finished second. "In the finals, we had nine guys lined up, so that looked pretty tough."

Tough could be the best way to describe UW-SP's squad. The Pointers are rated No. 3 in the nation in the latest NCAA Division III polls. The Pointers were the regular season dual meet champs in the WSUC, losing just once to UW-Oshkosh. UW-SP, who was not at full strength in that loss, later got revenge by pasting the Titans, 43-3 in the rematch.

Aupperle had no trouble with his first two foes in the WSUC championships. In the first round, UW-River Falls' Todd Neumann fell victim to Aupperle, who got a 1:12 pin. In the semi's, Aupperle took care of UW-Platteville's Chris Wiesner 9-1.

Aupperle, who is now 17-3 on the year with nine pins to his credit, will now set his sights towards the NAIA Nationals to be held March 6-8 in Kansas. Aupperle qualified for the Nationals by virtue of his second place finish in the California, Pennsylvania Open.

"We're all set to go," he said, regarding the Nationals, in which the top eight in each weight class are deemed All-Americans. "I'm looking forward to it. We'll just have to see."

Another former Indian wrestler, UW-Whitewater's Rich Straub, finished third in the meet. After beating UW-Platteville's Martin Dixon 12-5 in the first round, Straub fell to Oshkosh's Mike Meunier 6-3 in the semi-finals.

Straub rebounded, however, to come back and pin UW-Stout's Steve Misna in 2:56 to capture third. Straub will now turn his attention to the Regionals in Indiana, in hopes of qualifying for Nationals.

# Dziedzic, Kurtz Advance to State

By Statesman Sports Writer

EAST TROY - Kewaskum wrestling coach John Nell showed many emotions in describing last Saturday's WIAA Sectional wrestling meet held here. Nell was happy, satisfied and excited, yet was also angry, bewildered and perplexed at the day's events. He had good reason for each feeling.

The joyous feeling was well-warranted, as a pair of his wrestlers, 130-pound Mark Dziedzic, and 145-pound Josh Kurtz each finished in the top two, thus qualifying them for this weekend's WIAA State Meet in Madison.

Just as encouraging was the showing of Nell's other pair of wrestlers who took part in the action. Senior Kevin Kapp (125) and junior Todd Muckerheide (189) each posted victories before being eliminated in the semi-finals.

"They all did a real good job," Nell said of his troops. "Every one of our kids won their first match."

Dziedzic took it a step further, winning all of his matches to capture the 130-pound Sectional championship. A second-period pin of Lake Mills' Brian Schitz in the opening round sent Dziedzic against Elkhorn's Jerry Walters in the semi-finals.

"He was the kid to beat," Nell said of Walters, who is ranked ninth in the state at 130 pounds. Dziedzic wasn't fazed, though, as he pulled out a big 6-5 win over Walters, sending him to the title bout against Jefferson's Ken Morris. Dziedzic easily won that encounter, 11-4.

"He beat some real good wrestlers... they were all tough," Nell said, noting that Walters came back to qualify for state, beating Morris in a wrestleback. "Mark's really come on strong at the end of the year, and just did a fabulous job." Dziedzic, who was out for much of the year recuperating from knee surgery, will take a 15-6 mark to the State Meet.

Nell's harsh feelings were basically directed to the outcome of Kurtz's title match, in which some questionable acts by the referee cost the Indian wrestler a Sectional championship.

"Oh boy, what a mess that was," Nell said of the match. "It was just a bad situation. I've never seen anything like it."

After beating Whitewater's Tim Lippens 11-4 in the opening round, and then disposing of East Troy's Joe Huth 7-3 in the semi-finals, Kurtz was pitted against Jefferson's Todd Goldbeck in the finals.

Kurtz appeared to be in control of the match and was leading 7-5 with about :35 to go in the final period. With Kurtz riding Goldbeck, the referee on the adjacent mat blew his whistle in the third place match.

Both Kurtz and Goldbeck thought that their referee had blown the whistle, and Kurtz let Goldbeck loose. After realizing that his match was not stopped, Kurtz shot back in and turned Goldbeck over on his back, thus supposedly getting back points.

But the referee on Kurtz's mat

blew his whistle, "and they stopped the match and said that points wouldn't be awarded," according to Nell, because both had thought originally that the match had been stopped. In addition to not awarding Kurtz back points, the referee awarded Goldbeck a point for an escape, further enraging Nell.

"Josh got off of him because he thought the whistle blew," he said, pointing out that the referee was somewhat contradicting himself by giving points to Goldbeck and not Kurtz.

So with Kurtz leading 7-6, the two started in the standing position with :30 to go. Kurtz appeared to have avoided a takedown attempt by Goldbeck, and actually had Goldbeck on his back.

"He was on his back... fighting off of his back, so I thought we had a takedown and back points," Nell said of the situation.

But no points were awarded in either scenario, and with under :10 to go, Goldbeck got what appeared to be a reversal, but what the referee saw as a takedown, and pulled out a 8-7 win.

"Everyone in the place was going crazy," Nell said, who added that "at least twenty people came up to me after and said that they had never seen anything like that before." In addition, Nell said that the referee "admitted to me afterward that he had made a mistake."

It was a small consolation to Kurtz, who advances to Madison with a 29-2 mark.

Muckerheide, meanwhile looked to have his hands full with first round opponent Brian Baumann of Union Grove, who came into the bout with a 27-4 mark. Muckerheide nailed a perfect headthrow, however, and pinned Baumann in :45.

"He nailed him with a real nice throw," Nell said. "He locked him up, and that was all she wrote." Muckerheide lost a tough 3-2 decision to Big Foot's Dan Casillias in the semi's though, and in the match for third place, lost to Horicon's Chris Guentenberg in 1:35. Muckerheide finished the year 21-14.

Kapp, meanwhile decided East Troy's Bill Wilson 7-2 in the first round, and then ran into Ken Dean of Wilmot in the semi's, losing 5-2. Orfordville Parkview's Matt Hein then decided Kapp 6-2 for third place, leaving Kapp with a fine 22-11 mark in his final year.

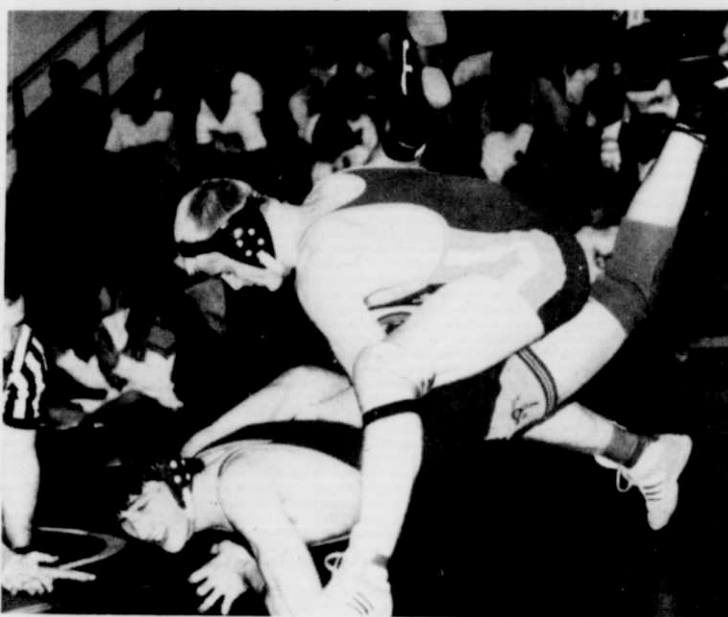

"He did a great job this year," Nell said of Kapp, who collected Conference and Regional titles. "I was just real happy for him."

As for his two state qualifiers, Nell said "Both have a feeling that they will do real well." Action gets underway for Kurtz and Dziedzic on Friday morning, with quarterfinals to start at 9:30 a.m. Semi-finals begin Friday night at 5:30 p.m., while consolation matches are Saturday morning at 10 a.m., and the finals for each division start at 6:30 p.m. Saturday.

## Campbellsport Advances to Team Tourney

By Statesman Sports Writer

SHOREWOOD - Kewaskum wrestling coach John Nell knew what he was talking about when he said the regional wrestling meet that his school hosted two weeks ago, was one of the toughest around.

That's because the winner of that regional meet, Campbellsport, advanced to the first-ever WIAA State Team Tournament after it came out on top in a battle of three other regional winners here, last Tuesday night.

The Cougars faced Pewaukee, winners of the Shorewood Regional in the semifinal match. Campbellsport had their hands full, but still came out on top, beating the Pirates 34-28.

The finals were even closer, as the Cougars were pitted against East Troy, which had won the Broadhead Regional. For the second match in a row, the Cougars got a much-needed pin by 189 pounder Jeff Birschbach to pull out the victory, 32-28.

The wins advanced Campbellsport to the State Team Tournament to be held in Stevens Point on Saturday, March 7. There, they will face the winner of the Lodi Sectional at 12:30 p.m.

But first and foremost on the Cougars' minds will be the WIAA Individual State Meet this weekend, as a total of four Cougars qualified to go on to Madison, led by freshman sensation John Dexter (103 pounds), who remained undefeated and ranked No. 1 in the state. Also qualifying were Jamie Zehren (119), Jon Paul Wilke (152) and Birschbach (189).
