Kurtz is First KHS Wrestler To Win State Championship

Junior, Josh Kurtz pinned his opponent Bob Brenner of Stan-Boyd/Owen-Withee to win the 145 pound WIAA state wrestling championship. Josh is the first Kewaskum wrestler to win a state championship.

By Statesman Sports Writer

MADISON — Kewaskum High School junior Josh Kurtz became the first Indian wrestler ever to win a state championship here, last weekend, as he rolled over three opponents on his way to the WIAA Division II, 145-pound title.

The state championship capped off a stellar year for Kurtz, who lost just twice in 34 matches. Kurtz's coach, John Nell, said that all he had to do was look at his ace grappler to know that Kurtz was hungry for the title.

"You could just see it on his face," Nell said. "He was just so intense... tougher than tough. He just had a great tournament. He did a fabulous job."

In winning the 145-pound title, Kurtz did what no other wrestler in school history had done. The closest to ever winning a championship before Kurtz was Dan Heisdorf, who finished second at 152 pounds in 1990.

Almost lost in the shuffle because of Kurtz's heroics, was another Indian wrestler, 130-pounder Mark Dziezic, who also took part in last weekend's action. Dziezic was also pleased with his efforts, losing both of his matches to some stiff competition, but Nell

was also pleased with his efforts. "He had some tough kids, but he still did a real nice job," Nell said. "He was right in there, and

World Day of Prayer at Peace United Church of Christ Friday

World Day of Prayer, Friday, March 6, is an annual worship event sponsored in the United States by Church Women United and observed simultaneously in 170 countries and regions of the world on the first Friday in March.

In the West Bend area, World Day of Prayer observances will be held at Peace United Church of Christ, Kewaskum. It will begin at 9:00 a.m. with coffee and fellowship, followed by Bible Study at 9:30 and Prayer Service at 11:00. Afternoon services will be held in four places with women from different churches leading. There will be a 1:30 p.m. service at Meadow Creek

Home in Kewaskum and 2:00 p.m. services at Cedar Lake Home, Meadowbrook Manor, and Samaritan Home.

Initiated in the United States in 1887, World Day of Prayer acts as a catalyst to bond Christian women into a powerful community of faith as they participate in this globe encircling petition for peace and justice in the world.

"Living Wisely with Creation" is the theme for this 105th World Day of Prayer. The '92 service was written by women of

Village Receives Fourteen Bids on Front-End Loader

By Gerry Mueller
Statesman Staff Writer

With its new front-end loader in operation, the Village of Kewaskum recently placed its 1971 Cat loader up for sale. At Monday night's meeting, village board president Mary Krueger opened a total of fourteen bids received for the equipment. Bid offers ranged from a low of \$3,600, to a high of \$10,576. The bids were turned over to Public Works Director Jerry Gilles for review and a recommendation.

The major portion of the board's meeting was spent listening to a presentation by Mr. Jerry Sura of Independent Inspections Ltd., of Waukesha. The firm's business is to provide building inspection services including elec-

trical, plumbing, etc., to municipalities on a contract basis for a set rate plus a percentage of the permit fees collected by the community.

The board has been looking into various options, both in and out-of-house to provide inspection services for the village. Among the village's options are, retaining its own certified inspector and handling the paperwork or going with an outside company such as IIL.

After hearing Sura's presentation, the board decided to hold off on any decision until it could review the materials he had passed out at the meeting. Trustee Gary Gavin also suggested the board bring in at least one or two other individuals to make presen-

tations on the services they offered. The board unanimously agreed it had time to look into other companies before making any decision.

Newspapers In Education Week March 2-6

In celebration of Newspapers In Education Week, being held this year March 2-6, you will find some very special ads and editorials on pages 9 through 14 in this week's edition.

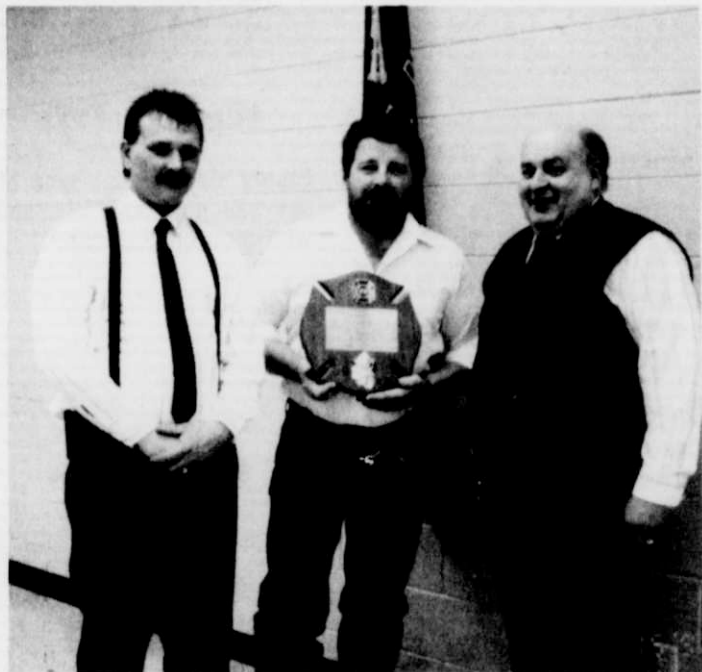

On these pages, readers will find paid advertisements and editorials created, designed and drawn by the third graders of Holy Trinity School in Kewaskum. These children recently completed a segment of study on newspapers, and therefore, volunteered to participate in Newspapers In Education Week.

The whole concept behind the Newspaper In Education Week promotion is to encourage children to get into the habit of picking up a newspaper to READ. If we have influenced one child into the habit of reading, we have accomplished a great deal.

The Kewaskum Statesman would sincerely like to thank the Holy Trinity third graders for their fine efforts in this participation and thanks to their teacher, Mrs. Diane Gremminger for her help and patience.

These students worked hard to help make this a special edition. But many thanks must also be extended to the businesses who paid for the advertising space. Without their commitment, readers would not be enjoying this edition.

Any teachers interested in participating in this project for next year's Newspapers In Education Week, please contact The Kewaskum Statesman.

At the Kewaskum Fire Dept. Spring Banquet Tom McElhatton received a retirement plaque marking his 16 years of continuous service. Pictured is Tom (center) being congratulated by Asst. Chief Mark Groeschel (left) and Chief Bob Stoltzmann (right). Tom joined the dept. in 1975 and retired on June 6th 1991. When he was on the dept. he also served as Rescue Lieut. from 1980 to 1984.

Village Board

(Continued from Page 1)

Chairman Mark Vechart advised fellow trustees of his committee's meeting discussions on February 25th. That group is also looking into the possibility of contracting out another service presently being provided by the village, that of garbage and recycling collection.

Vechart indicated the committee had no recommendation at this time, but it will be continuing its investigation into various options, trying to determine which methods would be most efficient and cost effective for the village.

One point that had been brought up in previous general discussions is that almost all independent refuse collectors also want to collect the recyclable materials as well. If the village would decide to go with an outside garbage collection service, it is more than likely it would also have to discontinue its collecting of recyclables. Vechart noted a decision should be made by this fall.

In department reports, Gilles advised the board that the village had a sewer plugged up on Main Street last week as a result of a "tremendous" grease buildup. Several trustees questioned whether specific businesses all had grease traps on their lines. Gilles indicated he still was not familiar with all the businesses and whether or not they all had grease traps. It was suggested that maybe the village should have a routine inspection of the traps.

Gilles said before he could set

up any type of inspection system he would have to look at the village's codes to see if there are any which would allow enforcement for non-compliance. Gilles said he would work with Pete Albers and come back to the board with a recommendation.

Police Chief Richard Knoebel informed the board that Regal Ware, Inc., had donated \$400 toward the purchase of pencils imprinted with the new 9-1-1 emergency service number.

Knoebel said the pencils will be passed out to students during training sessions on how to use the new system which is slated to go into effect on March 18th.

The Chief again stressed the point that not all residents in the area will have the "enhanced 911" system. That system will automatically display the address from which the emergency call is originating. "People living in Fond du Lac and Sheboygan Counties or who are on party lines or using cellular phones will still be required to give the dispatcher their names and address when making an emergency call," said Knoebel.

The board also approved Gilles' and Knoebel's recommendation to lift the winter parking restrictions effective immediately.

Administrator Dan Schmidt informed the board the village had received its franchise check from

United Way of Washington County Board Votes to Withhold National Dues

At the annual meeting of the United Way of Washington County on February 26, the Board of Directors voted to withhold dues payment to the national United Way of America organization.

Earlier this year, approximately \$7,000 (1 percent) of the \$748,000 local campaign revenues were pledged to the national organization for 1992. No payments have been made to date.

Recently, allegations have surfaced questioning the salary and benefits of United Way of America President William Aramony, and other practices of the national organization. Aramony announced his retirement on February 26.

"More than anything, we want to hold United Way of America accountable as good stewards of our funds," said Tom Lindell, United Way of Washington County Board President. "These funds represent hard-earned dollars contributed by business

and individuals in Washington County. We are very concerned about the impact this will have locally, and want to reassure our supporters that we are taking this issue very seriously. We want answers ourselves," he said.

An investigation into the allegations was launched by the Board of Governors at the United Way of America. A report is due back on April 2. The United Way of Washington County joins other United Ways across the country and in Wisconsin which are withholding their dues until the issues are resolved.

Additionally, the Board also established a committee to review annual financial support of the national organization, and whether this should be continued. Dues are voluntary; the majority of local United Ways pay approximately one percent of their campaign revenues to the national organization each year.

Star Cablevision in the amount of \$6,296. Trustee Gavin also advised the board that the village had received a check for \$2,587, as its 4th quarter payment from the Countywide Library system.

County Supervisor Dan Stoffel attended the meeting to advise the board that Washington County has budgeted \$100,000 for the Clean Sweep Day program set for May 9th. He noted that figure broke down to .03c per \$1,000 of assessed value on the local county level.

The board again tabled action on approving raises for the village's part-time and non-represented employees.

World Day of Prayer

(Continued from Page 1)

Austria, Switzerland and the Federal Republic of Germany who articulate their reverence for the abundant beauty of God's handiwork in the creation of our planet. It also expresses deep concern about the threats to the environment through the overuse and misuse of modern technologies. Speaking through the words of World Day of Prayer, these European sisters issue an urgent call to women and men in every corner of the globe to make the necessary changes in their lives to restore and heal the resources of this planet.

Each year Church Women United prepares and distributes the worship resources for more than 6,000 U.S. communities and churches where World Day of Prayer is observed. The responsibility of selecting the themes and writers for these prayer services, however, is done through the International Committee for World Day of Prayer, made up of members from participating countries who gather every four years for that task. The women who write the World Day of Prayer materials consider this to be a sacred trust and a unique opportunity to focus the prayers of the whole world on the challenges and triumphs of each country and its people.

Lendved Receives AWSC President's Cup

George Lendved, center, accepted the President's Cup, from AWSC president Paul Statz, right, as his wife Judy looked on.

**By Gerry Mueller
Statesman Staff Writer**

George Lendved, Rt. 1, Kewaskum, was honored at the Association of Wisconsin Snowmobile Clubs' annual convention at Wausau, February 20 and 21, where he was presented the prestigious President's Cup. The award was given to Lendved for his many years of outstanding work and dedication to improving the quality and image of the sport of snowmobiling, not only in Wisconsin and the United States but internationally as well.

Actively involved in snowmobiling for nearly a quarter of a century, Lendved has held many offices on the local, county and state level. He has served as president, treasurer and director and recently been re-elected as vice president of his local club the New Fane Kettle Riders. He has also been president of the Northern Kettle Moraine Snowmobile Association.

In 1974, Lendved was elected director to the AWSC, representing the Sheboygan County area snowmobile clubs. In 1982, he was elected vice president of the AWSC which represents the entire state of Wisconsin. He held

that position until he was elected president of the AWSC in 1986, the post he held until 1990.

Lendved has traveled throughout the United States and Canada on behalf of the AWSC and all snowmobilers, attending national and international meetings and conferences throughout the U.S. and Canada.

Lendved's efforts have helped to extend and expand Wisconsin's reputation as the state with the most progressive, successful and organized snowmobile program in the United States. That program includes a mandatory safety course for youths 12 to 16 years of age and a coordinated system of over 15,000 miles of local, county and state snowmobile trails.

In accepting the award Lendved thanked his wife Judy and his children for their support and help.

Linament in large doses will be the call for some hearty residents when "Bob" Crosby brings his real live donkeys to Kewaskum for a Donkey Basketball Show.

The event will be sponsored by the Kewaskum FFA Alumni and will be held at the Kewaskum High School Fieldhouse on Wednesday, March 11, starting at 8 p.m.

The matchups will feature Kewaskum Fire Department personnel, high school faculty and high school students.

All teams have been training extensively for this monumental event. Team coaches want to be ready physically and mentally, and rumor has it that expert rodeo riders have been contacted on their expertise in riding.

Winners of the two games will meet head on in an eight minute championship bout immediately following the second game. Each

of the first rounds will consist of two eight-minute halves with a 15 minute intermission between games.

The Crosby Donkey Ball Company from Chippewa Falls, Wisconsin, will be providing the beasts of burden.

Adding to the fun are rules accompanying the game, such as not holding the ball for more than 15 seconds, no out of bounds, time-outs for emergencies only, the wearing of padding and football helmets, and the fact that each player is responsible for his/her own donkey while it is on the floor. A broom and shovel will be handy at all times!

Tickets can be purchased from sponsoring members or at the high school. High school and adult tickets are \$4.00 in advance, \$5.00 at the door. Grade school tickets are \$3.00 in advance, \$4.00 at the door.

Four KHS Students Receive Academic Tandy Technology Scholars Certificates

This is the third year that the Tandy Technology Scholars program has made awards to teachers and graduating seniors at American high schools. As of February, 12,753 public and private secondary schools had been certified to participate in the awards program. That is 55.11 percent of all secondary schools in the United States. The states with the highest percentage of certified schools in Colorado, Hawaii, Nebraska, Nevada, Texas and Wyoming.

The academic top two percent of graduating seniors in certified schools are eligible to receive certificates recognizing their academic achievement. This year the Tandy Technology Scholars program will honor 20,670 meritorious seniors. The following students from Kewaskum High School were included in the top two percent and received certificates: Stacey Pamperin, Kimberly Petrie, Jessica Rohrer and Tamara Schmidt.

Each certified school may nominate a senior who is outstanding in mathematics, science

or computer science. These students receive a certificate recognizing them as a Tandy Technology Scholar. In addition, they are eligible for one of the one hundred \$1,000 scholarships awarded annually.

The 100 student National Finalists who will receive scholarships represent schools in 35 states. Each certified school also may nominate an outstanding teacher in mathematics, science or computer science. These teachers receive a certificate of recognition, and they are eligible for one of the one hundred \$2500 cash awards presented annually.

Your Help Needed for Third Annual KHS Post-Prom Party

The Kewaskum Indian Booster Club will once again be hosting a Post-Prom Party for the students of Kewaskum High School. This party will be held at the YMCA in West Bend beginning at 12 midnight following the April 4th Prom, until 4 a.m. on Sunday, April 5th. Bus transportation will be provided there and back for those students who need it.

We are now looking for volunteers; people to chaperone at the party, people or businesses willing to donate money, food or items to be used as prizes. We would like to have enough so that every student in attendance would receive a prize if at all possible.

The Booster Club will again provide a color TV, a VCR and a boom box radio. We can use just about anything for prizes as long as it relates to high school students. So please, everyone get behind the Booster Club as we continue to try to provide activities that stress having a good time without having to be faced with alcohol and other drug abuse choices.

Food and refreshments will be available the entire time at the YMCA. Anyone interested in donating baked goods please call us and we will arrange to pick it up or make sure that it gets to the

party.

Some of the activities at the YMCA are: two gyms, two pools, weight room, running track, exercise equipment, table tennis and racketball. We will again have a room set for movies and we are trying to provide a band or DJ for music and dancing.

Don't just tell yourself that you should help, get on the phone and contact either: Ken Weddig at 626-4747, P. O. Box 473, Kewaskum, or Larry Ammel at Kewaskum High School 626-2166 or at home 626-4731, P. O. Box 90, Kewaskum.

Even if you don't have students in the high school, your help will certainly be appreciated. If you wish to attend the next Booster Club meeting, it is set for Tuesday, March 10, beginning at 7 p.m. in the high school cafeteria.

THANK YOU

I wish to express my sincere thanks to my family, relatives, neighbors and friends for their visits, phone calls, flowers, cards, gifts and especially prayers while I was in the hospital and recuperating at home.

All your kindness and help was greatly appreciated and will always be remembered. Thanks so much.

VOLUNTEER HELPERS NEEDED

KHS to Host Conference Solo And Ensemble Music Festival

March 28 marks a big day in the music schedule of Kewaskum High School. On that day, our school will host the Eastern Wisconsin Conference Solo and Ensemble Music Festival.

Music students from Chilton, Kiel, New Holstein, Plymouth, Sheboygan Falls, Two Rivers and Kewaskum will be participating in the festival.

In order to make this event a successful and memorable experience for the students, many volunteers will be needed, to act as room chairpeople, office workers, adult supervisors and to

help with concessions. We are looking for people who can help for the day or half day, but even those parents who can spare a couple of hours will be greatly appreciated.

Please sign the form below and return it to the music department at Kewaskum High School by March 13, 1992, or call Larry Ammel at 626-2166 (school) or 626-4731 (home), or David Bertelsen at 626-2166 (school).

Your help and cooperation will help make this event most successful.

Moraine Symphony Presents Children's Concert

On Saturday, Feb. 22, the gym at UW-Washington County was filled to capacity with concert-goers of all shapes and sizes, from those whose age can be counted in months, to those whose age can be counted in decades. With blankets and pillows tucked under their arms, they settled onto the gym floor eager to be entertained, while the more sedate faction sat decorously in the bleachers.

The concert began with Rimsky-Korsakov's "Procession of the Nobles." This was followed by the centerpiece of the concert — "Peter and the Wolf" by Prokofieff. Director Albert Asch asked the children to identify each character in the story by their theme. The kids proved they were not new to the concert circuit by displaying a fairly good knowledge of the Prokofieff fable. While the Orchestra played the familiar themes, Steve Siegel from WBKV narrated the story and Bruce Radtke sketched pictures of the different scenes. Portraits of the main characters drawn by Cheryl Parker, David Sweet and Dan Orlopp hung on the wall of the gym.

The audience got their chance to get into the act in "The Orchestra Song." Director Asch divided them into five sections, each corresponding to an instrument in the orchestra. There were violins, clarinets, trumpets, horns and drums. While each instrument played, its designated section sang along, until the gym was a semi-melodic cacophony of

sound in every register.

The finale to the concert was a special delight. Maestro Asch picked names out of a hat (actually a violin case), and those lucky kids got their chance to direct the Orchestra. Each diminutive director received his or her own baton to direct their interpretation of "Whistle While You Work," as the Orchestra faithfully and valiantly followed to the last beat.

Thank you to The Moraine Symphony Orchestra and Maestro Asch for a wonderfully tuneful afternoon for young and old alike. Don't miss their next concert on March 14, 7:30, at the West Bend High School's Auditorium, when the winners of the County Concerto Contest will be featured.

A Special Valentine from the Junior Women

Valentine hugs were the order of the day as the Kewaskum Junior Women and some of their children delivered Valentines and decorated heart-shaped cookies to area residents at Mapledale Manor, Meadow Creek Apartments, Cedar Lake Home, Tri-Manor, Ltd. and the Beechwood Rest Home. Over 550 cookies and 200 valentines made by the Kewaskum Juniors and their children were delivered. Above, Lora Christie delivers one of those special hugs to Ray Kirchner as Caitlin McDonald and Lindsey Lewandowski observe.

The Irish are the world's greatest consumers of tea, with about 1,200 cups per capita consumed annually.

Why Newspaper in Education Week?

Newspaper in Education Week is a project jointly sponsored by the International Reading Association (IRA) and the American Newspaper Publishers Association Foundation (ANPA). It is usually held each year during the first week of March. NIE Week cooperatively involves reading councils, schools and newspapers across the United States and in major countries throughout the world.

By using newspapers as a direct application or extension of the learning process, the program aims to carry over and reinforce a positive and relevant lifetime reading habit. The NIE Week program is designed not to replace, but to complement the outstanding work done throughout the year by NIE coordinators in the United States and Canada.

Newspaper in Education Week shows that:

- Through the use of the newspaper, students can become better informed and consequently better citizens.

- Newspapers demonstrate practical applications of skills and concepts covered in the school curriculum.

- Newspapers update the information contained in textbooks.

- Newspapers can be fun, and fun motivates learning. Teachers will be given the chance to explore some teaching approaches and resources that they may not have tried.

In essence, these reasons provide a solid and basic foundation for Newspapers in Education Week. This is a project devoted to enhancing the skills and content learned in the classroom through using the newspaper as part of the school's instructional program.

Children do not simply begin to read the newspaper. They need models, such as parents and teachers who are excited about reading and who share with others what they have read. Parents who are more than a face behind the morning or evening newspaper and teachers who use the newspaper as a means of enhancing the broad scope of literacy show children just how important newspapers can be. If the goals of NIE Week are only even partially met, the many worlds of the newspaper will be opened to thousands of students.

These youngsters will step into tomorrow more adequately prepared to meet the challenges of our ever-changing and growing society.

Blue Whale

The blue whale is the biggest animal. It can be over 100 feet long and 150 tons which is as much as 32 elephants. The blue whale's skeleton makes 17 per cent of its weight. That skeleton weighs 50,000 pounds. The blue whale has a coat of blubber to keep it warm. Despite its weight it can jump high above the water and can swim 24 miles per hour. The whale is a baleen whale.

The Tiger

The Tiger is the largest member of the cat family. Man admires the tiger for its strength and beauty. Almost all wild tigers are shy and only 3 or 4 of every 1,000 tigers ever become man-eaters. Some of these animals are sick or wounded animals and can no longer hunt large prey.

A female tiger (tigress) can bear her first cubs when she is 3 1/2 to 4 years old. Almost half die before they are a year old.

Leopard Cat

The Leopard cat can be dangerous with animals. It can run 70 miles an hour. The Leopard cats live in Alaska. They are very pretty too. Another name for Leopard cat is Ocelot. They weigh up to 150 pounds. They kill the big porcupines that have quills a foot or more in length.

EAU CLAIRE - The School of Education at the University of Wisconsin-Eau Claire, has named 156 undergraduates to its Dean's List for the fall semester, according to Dr. William Dunlap, Dean of Education.

Dean's List honorees must have at least a 3.5 semester grade point average (4.0 equals A) and be in the top 10 percent of education students who are in good standing and have completed at least 15 credits during the semester with no withdrawals, no incompletes or repeated courses and no registrations for a satisfactory/unsatisfactory grade.

A student from this area who was selected for the Dean's List in the School of Education includes Michelle Lee Marx, Kewaskum, sophomore, elementary education.

Over 1,400 students have been honored by the University of Wisconsin-Stevens Point for attaining high grade point averages during the fall semester, which ended in December.

CAMPBELLSPORT - Stephen L. Dickman, Andrew and C. Weis.

American Cancer Society Spring Luncheon March 23

A limited number of tickets are still available for the March 23rd Spring Luncheon on the porch of the Washington County North Unit of the American Cancer Society. The annual event will feature a popular show of creations by local area clothing artists. Once again, Koehn and Koehn Jewelers is donating a diamond, this year valued at \$2300.00, for the raffle.

Local area merchants and individuals have donated a number of excellent items which guests may bid on as part of the benefit event. Co-chairpersons Cynthia Schneider and Judy Kaplan anticipate a sell-out, and encourage those interested in obtaining tickets to call Ann Berndes at 334-1464. The social hour begins at 11:00 a.m. with the luncheon served at 12:00 noon at the West Bend Country Club.

FARMINGTON PTO TO MEET MARCH 11

The Farmington PTO will be holding a meeting on Wednesday, March 11 at 7 p.m. at Farmington Elementary School. Guest speakers are Ray Engelking and John Schulte.

In the Service

Marine Pfc. Thomas C. Smith, son of Thomas S. and Constance R. Smith of 1322 N. 11th Ave., West Bend, recently completed recruit training and was promoted to his present rank.

During the training cycle at Marine Corps Recruit Depot, San Diego, recruits are taught the basics of battlefield survival, introduced to typical military daily routine and personal and profes-

sional standards.

All recruits participate in an active physical conditioning program and gain proficiency in a variety of military skills including first aid, rifle marksmanship and close-discipline are emphasized throughout the cycle.

He is a 1991 graduate of West Bend East High School.

Thomas Jefferson's writings cover 1,256 subjects.

March is Youth Art Month

A Scratchboard
by Stephanie Reindl

What is creative, energetic and hard-working? A Kewaskum High School Art Student is the answer. Yes it's that time of the year again--March is Youth Art Month. This year we have a lot happening in the Art Department:

March 2nd was the reception for the Southeastern Wisconsin Conference Art Show. This year the show was held at New Holstein High School. The reception hours were 6:30 to 8:30 p.m. in the high school library. KHS had 25 pieces of art in the show.

Watch for the results.

Senior Art Students are busy completing their entries for the DNR Park Sticker Contest. There are quite a few creative entries this year. Keep your fingers crossed! All entries from throughout the state will be on display at the Milwaukee Sentinel Sport Show in March. Entries are due March 1st.

Along with class art work,

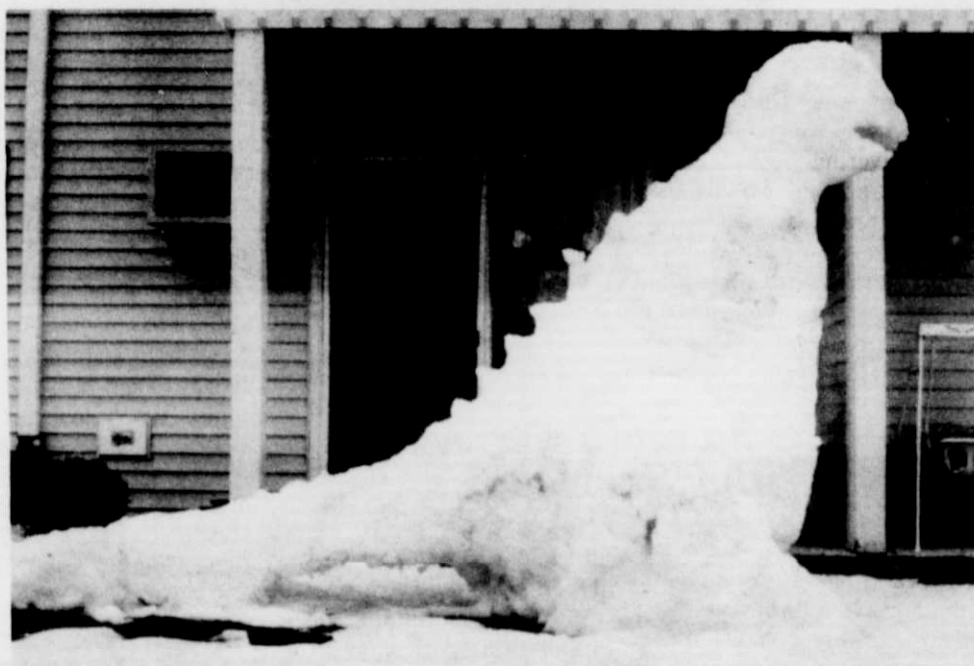

A Scratchboard

students are preparing portfolios for scholarships, entering works for the Milwaukee Journal Show and Frances Hook Art Show. We'll let you know as the dates get closer.

Be sure to enjoy the art displays and stop by the art room to view student work at Kewaskum High School. Encourage creative problem-solving and art skills. Have fun with Art!

Think Spring? Think Again!

The photos above, taken just two short weeks ago, are a gentle reminder of what we may still be facing in the winter department. (Sandi says we have six more snowfalls left season.)

Although the weather last Sunday was quite balmy for March 1st in Wisconsin, Mother Nature has a few tricks left up her sleeve. I'm sure.

If you don't believe me, ask Tom and Debbie Timblin, who will be celebrating their wedding anniversary on March 24th. The worst blizzard of the season occurred on their wedding day. And Dad always told us he saw snow

Signed Mass at St. Marys March 8

There will be a signed Mass for the hearing impaired at 9:30 a.m. on Sunday, March 8, at St. Mary's Immaculate Conception Church in West Bend.

Anyone is welcome to attend. Babysitting service will be available.

on his birthday, which was May 5th. (I never believed him until last year when I saw the little white flurries myself!)

It sure was a pleasure though on Sunday to see your neighbors again, not to mention seeing kids playing ball and roller skating, new moms walking their babies, joggers, mud puddles, dogs walking their masters, and, yes, even motorcycles.

What is that saying about March weather? In like a lamb, out like a lion? Whatever you do Mom... don't wash those snowsuits until July 4th. And Dads... PLEASE do not put away those shovels just yet! Those two acts alone could guarantee more snowstorms and mega-inches of snow!

The last big snowfall seemed to bring out the artists in Kewaskum, as snowpeople and animals came to life on lawns throughout the village. (We've been waiting a long time to play in the snow!)

The dinosaur pictured above in front of the Rustic Timbers

Townhouses started out as the creation of Tom and Jan Lloyd, and ended up with almost everyone in the complex pitching in a little bit to complete the snow creature. The friendly teddy bear adorned the front lawn of Andy and Joan Cochran's home on Roseland Drive.

In the Service

Marine Pvt. Michael W. Daggett, a resident of 1248 Roseland Drive, Kewaskum, recently completed recruit training.

During the training cycle at Marine Corps Recruit Depot, San Diego, recruits are taught the basics of battlefield survival, introduced to typical military daily routine, and personal and professional standards.

He is a 1991 graduate of Random Lake High School, Random Lake.

Burglars broke into the tavern of Henry Schultz at Beechwood sometime Saturday night or early Sunday morning according to Sheboygan County Sheriff's officers and escaped with seven quarts of whiskey, seven cartons of cigarettes and a slot machine. The slot machine was found broken open about two miles from the tavern. One hundred dollars in cash, \$175 in checks and important records were stolen the same night from the Herman Froehlich grain elevator and coal company at Glenbeulah.

John Aupperle, 77, well known resident of the Town of Scott, was found dead in his bed at his residence at about 5 a.m. Saturday, Feb. 28. Dr. Wesley Van Zanten, county coroner who investigated the case, said death was due to uremia.

Ethel Mertes of Beechwood became the bride of William Luedtke, Cascade, in a ceremony in the Evangelical and Reformed Church at Plymouth, Saturday, Feb. 28. The couple will make their home on the Weinhold farm near Cascade.

Otto Backhaus, local ice dealer, and men, finished the annual ice harvest last week. The ice was cut on Milwaukee River, just above the old dam site and stored in the adjoining ice house to be used as needed by customers during the year. After filling his ice house,

Mr. Backhaus filled private ice houses in the village. The ice this year is very good and measures about 22 inches in thickness. The ice was harvested later than usual because of the first too cold and then too mild weather earlier in the year.

On Wednesday afternoon two troop trains passed through this village, on which the Second Wisconsin Infantry returned home from St. Sheridan, Ill., where they were mustered out of the federal service after being called to arms by President Wilson last June to protect American rights on the Mexican border. Company E received a rousing welcome upon their arrival in that city. Kewaskum can boast of having sent four of its young men with this famous company namely: Ralph Petri, Edwin Backhaus, Carl Guth and Jack Tessar, who returned here on Thursday afternoon, hail and hardy and glad to be home.

Last Sunday evening the Slinger A.C. basket ball team journeyed to this village to play a return game with a local five, and were successful in defeating our boys by a score 31 to 20, thereby settling all dispute for the Washington County Championship.

Boltonville News — Mrs. H. Tesch entertained a few friends at a quilting bee. Our cheesemaker Mr. Schultz has been quite ill and is under the care of a physician the past two weeks. Mrs. M. Lambrecht, who was injured in a fall, is recovering.

IN MEMORY

In loving memory of RICHARD HALFMANN, who passed away six years ago, March 7, 1986:

A beautiful memory of one so dear. We cherish still with love sincere. He left us quietly, his thoughts unknown, But left us with a memory we are proud to own. So treasure him Lord, in your garden of rest, For when on earth, he was one of the best.

We love and miss you, wife, children and grandchildren.

CARD OF THANKS

We would like to express our sincere thanks and appreciation to relatives, friends, and neighbors for your many acts of kindness shown at this time of sorrow.

Special thanks to the staff at St. Joseph's Hospital, The Miller Funeral Home, Fr. John Brophy at Kewaskum Holy Trinity Church, plus all those who sent spiritual bouquets, memorials, cards, and for all your prayers.

The Family of Norma Serwe

THANK YOU

We wish to thank all our relatives, friends and neighbors who thought of us during the recent death of our son,

Justin Carl Miller.

Those kindnesses will always be appreciated.

Letters to the Editor

To the Editor:

On April 7th, voters in Wisconsin will be asked to support, by public referendum, one of the largest giveaways of our tax monies ever to take place in our State.

We will be asked to approve an amendment to our State Constitution which will allow taxpayer dollars to fund railroad capital improvements to replace and maintain such items as rail, ties and other roadbed materials.

Currently, the State is allowed to assist certain smaller railroads who have genuine financial needs. This costs over 4 million dollars per year. Many believe that this is sufficient public expenditure for railroads in Wisconsin.

However, with the support of Governor Thompson and the Wisconsin Department of Transportation (WISDOT), the big railroads in our State have convinced the Legislature to lay open the taxpayer pocket books for huge outlays.

When investors from Illinois purchased over 1800 miles of Wisconsin Soo Line trackage in 1987, they assured both State and Federal authorities that the newly formed Wisconsin Central, Limited would generate sufficient funds, under all economic conditions, to support all necessary capital improvements. The investors claimed they had developed and used a computerized financial model called Simulated Rail Transportation (SRT) which proved that the new railroad would be viable and presented a solid investment for their money.

In August and September of that same year, investors again testified to the Interstate Commerce (ICC) and to the Senate Transportation Committee in Madison that they were fully capable of future maintenance and rehabilitation.

However, since then, the Wisconsin Central, Ltd. and other major railroads have been

actively lobbying the Thompson Administration and our State representatives for a constitutional amendment which, if passed, will relieve healthy railroads of their maintenance costs.

It is unfortunate that our Governor and Legislators have been swayed by the false claims of railroad financial hardship and are unable to fathom the true picture of companies, like Wisconsin Central, Ltd., who are capable of reaping huge profits as they purchase surrounding railroads.

This referendum is not about improving railroad transportation in Wisconsin. It is not about preventing abandonment of trackage in the future and it is certainly not about developing new passenger service in our State.

The same bureaucrats pushing this referendum have stood by passively for the past 25 years while railroads discontinued passenger service in most of Wisconsin and abandoned line after line.

The Wisconsin Department of Transportation (WISDOT) has allowed railroads to virtually have their way, as many Wisconsin communities without railroad service can attest. There is hardly a county in the upper two thirds of our State that has not seen a loss of vital service during this period.

This referendum is clearly a guise to provide millions of tax dollars yearly to the investors and owners of healthy railroads in our State. It is a thinly veiled means of funding their operating costs with tax dollars while boosting their profits.

We have the opportunity to send a message to our current administration, representatives and bureaucrats in Madison. We need to speak up! Please vote NO on April 7th.

Labor Regulations for Minors

The State of Wisconsin has implemented new regulations that affect the employment of minors during times when school is in session. These rules will affect the employment of high school age individuals in all areas including farm labor.

Youth under the age of 18 are limited to a maximum of four hours of employment on Monday, Tuesday, Wednesday and Thursdays when school is in session the following day. During school weeks of five days the total weekly employment is limited to a maximum of 18 hours for youth under 16 years old and 26 hours for over 16, but under 18 years old. On school weeks of less than five days minors under 16 are limited to 24 hours, youth between age 16 and 18 are limited to 32 hours. Students involved in co-op programs through their high schools do not need to include the hours of co-op time that occur during the normal school hours when calculating the maximum number of hours per day or week.

During non-school weeks the number of hours per day for 16 and 17 year old students is unlimited, up to fifty hours per

week, but they must receive time and one-half of their regular rate if working more than 10 hours per day or 40 hours per week, whichever is greater.

The new rules also limit the time of employment. Agriculture workers can start at 5 a.m., but can't work after 11 p.m. on an evening before school. On Fridays and when no school is scheduled for the next day they may work up to 12:30 a.m.

Minors may be employed for longer periods of time in any week during peak periods. Peak periods are usually defined as harvest time when crops would be lost if not harvested on time. Minors must have at least eight consecutive hours of rest between ending work one day and starting the next day.

On March 1, 1992, the minimum wage for agriculture workers was increased to \$3.95 for adults and \$3.60 for minors.

This is a summary of the new rules. More information is available by calling the Department of Industry, Labor and Human Relations at 608-266-6860.

Girl Scouts Search for Women of Distinction

In conjunction with the 80th Anniversary of Girl Scouting, Girl Scouts across the country are searching for "Women of Distinction" Women of Distinction are women whose lives have been touched by their Girl Scout experience and it has helped them become the successful people they are today. Girl Scout troops in Wau-Bun Girl Scout Council have been challenged to seek out these women of distinction and complete a mini-interview. Specifically, girls will be asking how Girl Scouting has influenced their lives.

To see just how many lives have been touched by Girl Scouting, every girl or women who is or has ever been a Girl Scout is asked to display a green ribbon in front of her home. For more information on Girl Scout Week activities in the Kewaskum Area, please call Sharon Shaw (414)626-2214.

FOURTH IN A SERIES

Choosing a Tax Preparer

By John T. Ader, IRS
District Director for Wisconsin

I know that most of you reading these weekly columns have been very diligent in keeping good records, and knowing what forms you should be filing. Yet, when it comes time to actually fill out your tax return, many people find it difficult and frustrating. Fortunately, there are professional tax preparers in every city, town and neighborhood who can assist you.

Let me share with you the same four pieces of advice that I often give to friends and family when asked to help them select and use a professional tax preparer. These are:

*Always go to a preparer you know or one that has a good reputation in your community. Don't go to someone who does tax work on a part-time basis, because you want to be sure they'll be available to assist you if there is a problem with your return in the future.

Always review the tax return after it has been completed. You are responsible for what is on your return regardless of who prepared it.

*Never allow the refund check to be sent to the preparer's address.

*Never sign a blank tax return prepared in pencil.

Let me also remind you that a paid preparer must sign his or her name as the preparer of the tax return in the space provided on the lower right hand corner of the back page of the return. If the preparer refuses to do this, please report it to us by calling 1-800-TAX(829)-1040.

In this tight economy, I know that they cannot afford a professional tax preparer this year or who want to learn more so you can prepare your forms yourself. If this is the case, we have a number of programs which can help you.

Our Outreach Program provides two types of assistance — tax return preparation and tax information preparation and tax instruction.

Through our Volunteer Speeches Tax Assistance Program (VITA), IRS-trained volunteers help low-income, elderly, handicapped and non-English speaking taxpayers fill out their tax returns free of

charge. VITA sites are located at various community centers, libraries and senior citizen centers throughout the state.

Tax Counseling for the Elderly (TCE) volunteers, who often include members of American Association of Retired Persons (AARP), are trained by the IRS to assist senior citizens with the preparation of their returns, usually at the local center.

We also have speakers who are available, free of charge, to talk to community and civic groups on virtually every area of tax law and IRS policies and procedures.

For more information on VITA or TCE programs, including locations, times, and phone numbers, or to get a speaker for your next meeting, please call 1-800-TAX(829)-1040. For forms and publications call 1-800-TAX-FORM (829-3676).

NOTICE TO ALL VILLAGE OF KEWASKUM DOG AND CAT OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in the Village of Kewaskum that rabies vaccinations and dog licenses are required. The same applies to cat owners under Chapter 12.04 of the Kewaskum Municipal Code.

Vaccination by a veterinarian against rabies is required (Section 95.21 (2) within 30 days after the dog reaches 5 months of age and revaccinated within one year after the initial certificate expires or within three years of the previous vaccination. Certificates of current vaccination must be presented when obtaining licenses.

All dogs/cats, 5 months of age or older, require a license. The minimum cost of neutered males or spayed females is \$6.00, upon presentation of evidence attesting to the same and \$11.00 for the unneutered male or unspayed female dog. The minimum cat license for neutered males or spayed females is \$3.00, upon presentation of evidence attesting to the same and \$5.00 for the unneutered male or unspayed female cat.

PENALTIES

A late fee of \$5.00 shall be assessed the owner of each dog 5 months of age or over, who fails to obtain a dog license by April 1st.

An owner who fails to have a dog vaccinated against rabies as required by Statute may be required to forfeit no less than \$50.00 nor more than \$100.00.

1992 Dog and Cat licenses can be obtained from the Village Treasurer's office.

Volunteer!

If you are suffering from the winter doldrums and cabin fever the Volunteer Center of Washington County may have just what you need to brighten your days!

Here are some of the volunteer jobs available to keep you busy and help other people at the same time. If these interest you, give us a call at 338-8256 and remember we have many more volunteer jobs not listed here.

DRIVERS NEEDED - An adult day care center in West Bend is in need of substitute drivers to transport people to the center in the morning and home again in the afternoon. The main times for this are Tuesday, Wednesday and Friday. This would be an on call basis. Can you be on the list for this much needed service?

ART AWARE PERSONS - You do not need an art award background to be an art aware volunteer. This program provides children with a foundation for art

appreciation in a variety of ways. It takes about two hours a month to do and training is provided. Set your own schedule for this one.

DOCENT - Be a guide at the art gallery. If you like art, this is a chance for you to learn while you are helping others learn as well. Training is provided for this.

OFFICE HELPERS - There are agencies in need of people to do general office work. If you want to keep your skills updated, give us a call and let us find the right place for you.

NEWSLETTER ASSISTANT - Help nursing home residents write a monthly newsletter. You would work under the direction of the activity staff. This could be any time from Monday through Friday when convenient for the volunteer. If you like working with the elderly, this would be a great way to spend some spare time.

RUMMAGE SALE PRICER - Sort and price clothing for a rummage sale which is held every other month at a local nursing home. Time for this is from 9 to

11 a.m. or 1 to 3 p.m., Monday through Friday. You can choose day and time that suits your schedule.

MAINTENANCE ASSISTANT - Help the maintenance department by running errands and getting needed items. A van is provided to use on this job. This would take 1 to 2 hours every other week.

MORAINES SYMPHONY COORDINATOR - To coordinate symphony events. This job requires a take charge person with skills in decorating and entertaining. Theatre or music background helpful.

WORD PROCESSOR - We have a place for someone who knows Word Perfect. This is in West Bend. Keep your computer skills active while you do a community service!

ADMINISTRATIVE ASSISTANT - To answer phone, type, file, do bank deposits and mailings. Your help will extend the staff in a small office in the Germantown area. A cheerful, confident person who enjoys office duties will look forward to doing

this job. This takes 4 to 6 hours every week.

OWI Assessment Fee to Increase

The Comprehensive Community Services Agency of Washington County has approved a rate increase for OWI (Operating While Intoxicated)

Assessments provided by the Council on Alcohol and Other Drug Abuse. The current \$100 fee will increase to \$115 per assessment effective March 15, 1992.

This increase will allow The Council to continue its commitment to effective and timely case management of all Washington County OWI Assessments as mandated by H.S.S. 62 Wisconsin Administrative Codes.

EW, Other Area Wrestlers Do Well at State

By Statesman Sports Writer

MADISON — Kewaskum's Josh Kurtz wasn't the only Eastern Wisconsin Conference wrestler to win a state title, as several EW and other area athletes fared well in the WIAA State Meet last weekend.

The EW contingent was led by Plymouth's 130-pound Mark Beebe, who capped off an incredible year with the state championship at the weight in Division I. Beebe beat Hartford's Eric Kreuser in the finals to finish the year with a glossy 41-0 mark.

Another Panther wrestler, 160-pound Mark Pool lost in the semi's to Sussex Hamilton's Doug Pulvermacher 4-2. And it's no wonder why Kewaskum coach John Nell called the 160-pound weight class the toughest in the

EW, as Chilton's Jeremy Ott made it to the semi's as well at that weight, before losing to Lucas Reis of Big Foot, 6-3.

The lone other wrestler from the EW to make it to semifinal competition was Kiel's 112-pound entry, Davin Horneck, who was decisioned by Cadott's Russ Paloquin, 7-2.

In addition to Kreuser being in the finals, another Hartford entry, 103-pound Wayne Eichman also reached the championship match, and Eichman had a much easier time of things. Eichman rolled all over Chippewa Falls' Shawn Smith for the 103 pound title, and finished the year 35-6.

Random Lake's Garret Depies (171) got a bit of sweet revenge in his championship bout against Elkhorn's Jeff Delange. Depies had a state title well in hand last

year, before having to default with :20 left in the third period due to a shoulder injury. The Ram grappler wanted to finish the match, but the doctor at matside called the match.

There was no such controversy this year, as Depies handled DeLange by a 9-4 count to win what should have been his second straight title.

Fellow Ram teammate Jake Rohde made it to the semifinals before losing a tough 5-4 decision to Coleman's Craig Wiedemeyer, while West Bend West's Jeremy Becker (171) made it to the final in Division I, before losing a heartbreaking 3-1 margin against Rhinelander's Judd Sturm.

All four Campbellsport entries in the meet were victims of losses in their first match, taking them out of top four finishes.

Straub Qualifies for NCAA Div. 3 Championships

By Statesman Sports Writer

WABASH, IND. - The Kewaskum wrestling program continues to roll in its success, as another former Indian grappler made news last weekend.

Rich Straub, a 1987 Kewaskum graduate and now a senior at UW-Whitewater, became the lone Warhawk to survive the Regional competition here, as he finished second at 134 pounds and thus qualified for the NCAA Division III National Championships. The championships will be held this weekend at Trenton State College in New Jersey.

"He was our only qualifier," UW-Whitewater Sports Information Director Tom Fick said Monday afternoon. Dropping down a weight from his normal 142 class, Straub got the job done the hard way, though.

That's because he lost his opening match, getting pinned by Olivet (Mich.) College's Paul Stotzel in 1:15, Friday afternoon. That sent him to the consolation bracket, where later that day he faced Derek Brandt of DePauw (Ind.) University. Straub was obviously upset with his opening-round loss, because he came up with his fastest pin of the year, putting Brandt down in just :32.

On Saturday, Straub met Jim Labbe of Rose-Hulman Institute (Ind.) and pinned him in :45. A 1:12 pin against Shawn Delahanty of Chicago University put Straub in the consolation semifinals, where he decisioned Carl Miller of Wilmington (Ohio) College, 7-2. In the consolation championship Straub rolled over Wabash College's Hans Heitzelman, pin-

ning him in 1:44.

Also, in Regional competition, there is what is termed a "true second place" match, similar to a wrestleback in high school competition. In that bout, Straub drew UW-Stevens Point's Jeff Bartkowiak. The two were tied at 5-5 with under :10 to go, when Straub pulled off a reversal to win the match, 7-5.

With the second place finish, Straub automatically qualified for the Championships, and also improved his mark to 38-7 on the year, including 16 wins via the pinfall.

Another former Indian standout, UW-Stevens Point junior Dennis Aupperle, will also be in action this weekend. Aupperle, the WSUC champion at the heavyweight division, will be in Kansas taking part in the NAIA National Championships, beginning Thursday. Aupperle takes a 17-3 record into the Meet.

UWWC Women Advance; Men Ousted

By Statesman Sports Writer

WEST BEND — The UW-Washington County women's basketball team is headed to the Wisconsin State Junior College Tournament once again.

The Lady Wildcats took apart UW-Sheboygan 64-43 here, last Tuesday night to earn the right to play in the WJC State Tourney, thanks much in part to the shooting of their ace, center Jenny Meyer.

Meyer connected on 11 of her 12 shots from the floor on her way to a 29-point, 18 rebound effort. Former Kewaskum standout Kelly Rohlinger also had a fine game, hitting a pair of three-pointers en route to a 17-point night. Michelle Kraus added 11 points for the Lady Wildcats.

After getting off to a sluggish start, the Wildcats stepped up the pressure and raced to a 30-18 halftime cushion. Meyer then scored 17 of her game-high total in the second half to ensure there would be no comeback.

The win upped UWWC's record to 16-4 on the year, including a 10-2 mark in the regular-season conference schedule, which allowed them to tie for first place with UW-Marshfield.

The Wildcat men's squad didn't fare quite as well, however, as UWWC dropped a tough 75-64 decision to UW-Waukesha in their opening-round contest.

It was a tough way to end the year for the Wildcats, who had beaten Waukesha at home earlier in the year, 77-70, for the first win against them in almost a decade.

But this time the Wildcats were without the services of point guard Karl Klosowski, who wasn't allowed to play because he joined the team at the midway point of the season.

His ball-handling and scoring were certainly missed by UWWC, which was behind by just two, 33-31, at the half. But having to play with just seven players took its toll on the Wildcats, as they fell behind late and had to foul.

By the end of the contest, three of UWWC's seven players fouled out, leaving just four on the floor, and no hope of victory. In all, UWWC committed 25 fouls

compared to UW-Waukesha's 14, and were outscored at the free throw line 28-9.

Keith Hosking closed out the campaign with another fine outing, as he scored 26 points and hauled down nine boards in the losing effort. Jay Leberecht added 13 points, while former Kewaskum athlete Terry Howell chipped in 12 before fouling out.

The loss left the Wildcats with a 7-16 mark for the year, a big improvement from last year's 2-21 campaign.

UWWC 31-33 64
UW-WAUKESHA 33-42 75
UWWC - Hosking 12, Leberecht 13, Lenz 4, Hosking 26, Meclinesch 9, Free Throws - 9 of 11, Fouls - 25, Fouled Out - Howell, Lenz, Bremer.
UW-Waukesha - Mosler 20, Mishi 2, Krisman 12, Salmon 10, Hanan 5, Posanski 2, Holzem 24, Free Throws - 28 of 37, Fouls - 14.

Osterbrink Plays at UWM

By Statesman Sports Writer

MILWAUKEE — Although it wasn't as hyped-up, publicity wise as her other two returns to Wisconsin, former Kewaskum basketball star Pam Osterbrink made another visit to her home state last Tuesday night, when she and her Northeastern Illinois teammates traveled here to face UW-Milwaukee.

Osterbrink scored 13 points, one of four Golden Eagles to reach double figures in scoring, but it wasn't nearly enough, as UWM shot out to a 47-25 halftime cushion on their way to an easy 80-54 thumping.

Osterbrink continues to have a fine season, as she leads Northeastern Illinois in scoring average, and also is among the top rebounding centers in the entire country.

Through the latest statistics published in the USA Today (not including the game against UWM), Osterbrink is 20th nationally in Division I rebounding totals, averaging 10.6 rebounds per game.

Softball Leagues Are Forming

There may be six more weeks of winter left, but it's not too early to begin planning for this summer's softball leagues.

The Kewaskum Softball Association has begun the process of taking applications of those teams that are interested in participating in softball leagues at Kewaskum Kiwanis Community Park.

Mens' leagues will be forming to play on Tuesday and Thursday nights, while a womens' league is slated for Monday nights.

If you are interested in getting a team together to play in any of the three leagues, please contact Rick Krahn at 626-2736 or Noel Stollenwerk at 626-4485 to reserve your spot. Teams will be placed in each league requested on a first come, first serve basis.

Team and player fees, as well as rules and regulations of the leagues will be available in the coming weeks.

Lady Indians Capture Regional Championship

Late Free Throws Tip Waupun

By Statesman Sports Writer

KEWASKUM - It was a bit of a scary situation. The Kewaskum girls basketball team, which has struggled from the line all season long, were forced to convert their charity tosses in order to win their Regional semifinal against Waupun, here, last Thursday night.

"The good news is that we made three of four (free throws) in their final 1:30," a delighted Indian coach Glenn Eichstedt said of his team's effort, which produced a 32-28 win over the Warriors.

The Indians trailed throughout the entire second half against the guests, but an unlikely hero emerged defensively for the Indians in the final quarter, helping them take the lead.

Sophomore Ginger Wiesner, who has been solid all year, came up with a couple of key steals late in the game, and then turned in the play of the game to salvage the win.

After stealing the ball and going in for a layup which gave the Indians a 29-28 lead with just over 1:35 to go, Wiesner tipped the ensuing inbounds pass and then saved it while falling out of bounds to a teammate. The steal gave the Indians the ball and a one-point lead with 1:30 to play.

After a timeout, the Indians went to a delay game, forcing Waupun to foul, which it did. Senior Terry Vogt showed her leadership by canning a pair of charity tosses, and Bonnie Schlice added another a minute later to

ensure the Indian win.

"Ginger played a great game, especially in the fourth quarter," Eichstedt said of Wiesner, who finished with eight points. "She was able to force a couple of turnovers late, and then we made our free throws. That (FT's) in itself was a key."

The Indians needed to make their FT's to overcome another poor shooting night from the field. Kewaskum canned just 10 of their 51 field goal tries (20%), but Eichstedt added, "They (Waupun) didn't shoot much better," hitting just 21%.

"Both teams played pretty strong defense," Eichstedt went on to say. "I felt the outcome would be based on whether or not we could get the tempo up, and if we could shut down (Nicki) Teresinski."

Teresinski, who came into the game averaging 15 points a game, got into foul trouble and was held to 12 before fouling out late in the game.

Schlice ended up leading the Indians, offensively, with 10 points, while Vogt finished with eight. "We had many individuals contributing," Eichstedt added.

The win sent the Indians into the Regional final at Waupun on Saturday afternoon.

Rebounding, Strong Team Effort Lead Lady Indians Past Port

WAUPUN - Where was the Kewaskum girls basketball team all season?

That's the question on a lot of people's minds, after the Indians put together perhaps their best effort of the year as they downed Port Washington 45-35 in the Regional Championship here on Saturday afternoon.

The win allows the Indians, now 4-18 on the year, to advance to Sectional competition at Brown Deer this Friday. The Indians will open play against the host Falcons at 6 p.m.

"They played a tremendous team game," Indian coach Glenn Eichstedt said of his troops. "They came out mentally prepared, and stayed focused throughout the whole game. It was exciting for me to see them play like they are capable of playing."

Port came into the contest with an 11-11 record, and were a team that liked to press full-court, the entire game. But the Indians were ready, although they were a bit shaky at the start.

"We knew that and we had prepared for that," Eichstedt said of the Pirate press, which forced a couple of early Indian turnovers. "But we did an outstanding job of converting our chances early in the game, and then late."

Despite the early turnovers, the Indians maintained a 9-5 advantage after one quarter, and then stretched that margin to nine (20-11) midway through the second.

"We were on the verge of really taking control of the game," Eichstedt said. But Port slowly crept closer, as the Indians went cold and then committed some silly fouls. By halftime, though, the Indians still held a comfortable 26-19 cushion.

Even more encouraging for the Indians was the fact that one of Port's leading rebounders, Ann Runkel, unbelievably fouled out late in the first half. "I really don't know what she was doing in there," Eichstedt said, noting that the Pirate coach left Runkel stay in with three, then four fouls. "That was just an indication of what was to come."

Eichstedt was referring to the fact that Port's leading scorer's, Nikki Basille and Monica Schultz, were each strapped with three personal fouls in the first half, and "that forced them to be a little more timid on defense in the second half."

It also allowed Kewaskum's Robyn Winninghoff to have a field day on the boards. The 6-1 junior dominated from the outset, and finished the day with a season-high 18 rebounds to go along with 10 points, six coming in the opening quarter.

"She took control early on and just had an outstanding game," Eichstedt said. "She rebounded extremely well. She definitely came to play."

The entire Indians squad came to play, as Marty Schlice, Terry Vogt and Bonnie Schlice added 11, nine and eight points in the

The girls WIAA Sectional Basketball Tournament will be held at Brown Deer High School, 8060 N. 60th St., Brown Deer this weekend. The Kewaskum Indians, 4-18, will play the Brown Deer Falcons, 22-1, at 6:00 p.m. on Friday, and Lake Geneva Badger, 15-7 will meet Sussex Hamilton 5-17, at 8:00 p.m.

The winners of Friday's games will play for the championship at 7:00 p.m. on Saturday.

Directions to the high school are as follows: Hwy. 45 South to Hwy. 74 East (Brown Deer Road) to 60th Street South (about three blocks to school).

contest. "That's the kind of balance you need in big games," the Indian boss pointed out.

"It seemed like in each quarter, someone picked us up offensively," he went on to say, noting that Winninghoff's six in the first quarter, Vogt's six in the second quarter, M. Schlice's four in the third and B. Schlice's 6 in the final frame, were examples of that.

"We rebounded well, and passed the ball extremely well," Eichstedt said, adding that the Pirate pressure really didn't bother his team much after the opening quarter. "I can honestly say that they really didn't threaten much in the second half. Our defense was really strong."

The Indians will need that strong defense against Brown Deer in the Sectional. The Falcons finished the regular season 19-1 and tied for fourth place in Division II polls. They rolled through the Regionals, beating Slinger 45-27, Wauwatosa East 40-15, and Grafton 39-30.

"They're tall and they have some quickness," Eichstedt said of the talented Falcons, also adding that his Indians still have a shot at the upset. "It's still anybody's tournament."

Final Prep BB Polls

By Statesman Sports Writer

STEVENS POINT — The final prep basketball polls were released last week, and as usual, there were a couple of area teams among the tops in their respective Divisions.

In the boys poll, Campbellsport, despite losing to Mayville for the Flyway Conference crown, stood strong at No. 4 in Division II, while a pair of Eastern Wisconsin Conference squads also finished in the top 20.

Two Rivers and Kiel, who ended up sharing the EW title, finished tied for 15th along with McFarland and West Milwaukee. Mayville, meanwhile, finished third in Division III.

In the final girls poll, Hartford was the lone area Division I team to finish in the top 20, as they were a strong 10th with their 18-2 mark.

EW champ Chilton remained at the No. 3 position in Division III with their glossy 20-0 record, while Jackson's Kettle Moraine Lutheran girls squad sneaked in Division III standings at No. 16 with their 18-2 mark.

In WIAA Regional action involving EW girls teams, Chilton remained on pace to reach the state tournament in Division III, as the Tigers rolled in their three games. In the sub-regional, Chilton upended Sevastopol 64-46, and in the regional the Tigers blasted Brillion 58-20, and then crushed Wrioughtown 53-32 to claim the Regional title.

New Holstein opened with a win over Denmark 38-33 in Div. II but then lost against another EW entry, Two Rivers. The Purple Raiders, meanwhile were quickly eliminated by Valders in the Regional final, 42-31.

Three other EW teams lost their opening games in the tournament. Kiel was also beaten by Valders 50-38, while Plymouth was downed by Waupun and Sheboygan Falls was eliminated by Port Washington 42-35. Kewaskum beat both Waupun and Port Washington to advance to Sectional play, leaving just the Indians, last place finishers in the EW, and Chilton, first place finishers in the EW, as the lone teams still competing.

JV, Frosh Girls Close Season with Losses

By Statesman Sports Writer

NEW HOLSTEIN — All three Kewaskum girls basketball squads closed out their regular season on a losing note here.

While the Indian varsity lost a heartbreaker in overtime, the Indian JV and freshman teams didn't need the extra period to determine their outcomes. The JV's lost 33-26, while the freshman were on the short end of a 55-53 decision.

Jenny Kreiser led the JV's with 11 points, as the team finished the Eastern Wisconsin Conference race with a 4-8 mark, and were 5-15 overall.

The frosh, meanwhile, were led by Joanne Theusch, who led three Indians in double figures with 14. Mary Yahr and Chrissy Neumann each added 13 in the losing cause. The loss dropped the frosh below the .500 mark for the year, as they finished with a 8-9 mark.

Kewaskum Police Department to Sponsor Hunter Education Course

Richard Knoebel, a Wisconsin DNR Certified Hunter Safety Instructor, invites all young people interested in hunting and recreational shooting to enroll in Wisconsin's Hunter Education course.

The course will begin Saturday, March 28, 1992, and will be held in the Village of Kewaskum's Community Room, located in the Kewaskum Municipal Building and is sponsored by the Kewaskum Police Department. Students must be 12 years old or reach 12 prior to the end of the year in which the course is taken. There is no maximum age, and parents are also encouraged to enroll and participate.

Advanced registration is required and the class size is limited. Please contact Richard Knoebel at 626-4311 for details.

Persons successfully completing the course will receive a distinctive embroidered emblem and a hunter safety graduate certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces.

Young students certified will also be able to hunt and use firearms without parent or guardian present at age fourteen instead of age sixteen.

Classes will cover responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Kurtz Wins State Championship

The excitement of winning shows as coach John Nell gives Josh a hug after winning the semi-finals to put him in the championship round.

In the championship round of tournament wrestling Josh Kurtz is holding on tight to Bob Brenner of Stan-Boyd / Owen-Withee to score back points. Josh goes on to pin Bob and win the state championship.

Kurtz

(Continued from Page 1)

he did a very respectable job." But it was Kurtz who stole the show. He opened on Friday morning with an 11-5 win over Coleman's Mike Lipinski, who came into the match sporting a 30-7 mark.

"He handled him pretty well," Nell said of the quarterfinal matchup with Lipinski. "He really had no difficulty with him at all."

The win sent Kurtz into the semi's, where he was pitted against Mike Kelly of St. Croix Falls. Kelly, the 140-pound state champion last year, came into the match riding a 60-plus match winning streak, according to Nell.

"He was the man to beat," Nell said of Kelly. "He's a very strong kid, very powerful. He's a very knowledgeable wrestler. But Josh was really up for the match."

Up for it, indeed, as Kurtz rolled to a surprisingly easy 13-5 win. Kelly on a couple of occasions in the match let Kurtz get back to his feet after a takedown, but the strategy backfired, as Kurtz came up with a couple of near-falls.

"He (Kelly) let him up a couple of times," Nell said. "Actually, Josh really didn't have much of a problem with him. Kelly was fighting off his back quite a bit. He (Kurtz) just took him apart. He met the challenge."

After the huge win over Kelly, the championship match seemed like a mere formality for Kurtz, who faced Bob Brenner of Stanley-Boyd. The two entered the match with identical 31-2 marks, with one of Brenner's losses coming to Kelly in the Sectionals the previous week.

But Kurtz had little trouble with Brenner, nearly pinning him at

the end of the second period, but running out of time instead. Kurtz came right back at the start of the third period, though, and put Brenner's shoulders down in just :09 to win the title.

"He knew what he had to do and went out and did it," a jubilant Nell said. "Realistically, the match against Kelly (in the semi's)...that should have been the finals."

And while he wouldn't say that Kurtz is unequivocally the best wrestler he has ever coached, Nell did say that "He is one of the best that have ever come out of this school."

Another fine grappler, the junior Dzedzic, also looked to make his mark in the Meet. But Dzedzic, who missed the greater portion of the year recovering from knee surgery, was stopped in his opening match against Steve Nordby of Weyauwega-Fremont, 5-0. Nordby went on to take second place, losing to Baldwin-Woodville's Chad Veenendall 3-0 in the finals.

Dzedzic then faced an Auburndale wrestler for the right to enter the consolation bracket, but was turned back by an 8-6 margin.

"He came so close," Nell said of Dzedzic's second match. "Still, I was real happy with his performance. I'm happy he got the experience of competing here. I'm certainly looking forward to having him back next year, and he has the capability of making it back there (Madison)."

Overall, Nell called the entire season a success, with Kurtz's state championship the icing on the cake.

"I'm really happy with the way things went this year," he said, adding that Kurtz's title "is certainly going to help out our program a lot."

Junior, Mark Dzedzic, on his first trip to the WIAA state championships, attempts to put Matt Cherney of Auburndale to his back in the first round of consolation wrestling.
