Kimberly Petrie Wins \$5,000 Scholarship from Beloit College nounced dead at the scene. Herriges was transported by Kewaskum Ambulance to St. Joseph's Community Hospital, West Bend, and later transferred to the Milwaukee County Medical Complex, reportedly suffering from head and back injuries. The hospital reported his condition Tuesday, as satisfactory

Theusch stated Monday, the accident is still under investigation. He said, according to the accident scene, there was no evidence of the car trying to stop and it appeared there was speed involved. Theusch said the department was completing its investigation but it was still awaiting the results of blood tests which are taken as a standard procedure in such incidents. The Kewaskum Fire Department, which arrived on the scene just minutes after the crash, remained on the scene for about two hours. Beside the burning vehicles and attending to the victims, the firefighters had to extinguish a grassfire which erupted in the hayfield as a secondary result of the accident, potentially threatening two homes directly to the south due to the brisk north wind.

Kimberly Petrie, a senior at Kewaskum High School, has been awarded a \$5,000 Presidential Scholarship from Beloit College.

Petrie was one of almost 200 high school seniors who competed for the scholarships. To be eligible, students must rank in the top 10 percent of their class, have strong college preparatory studies, demonstrate achievement in extra-curricular or community activities and be recommended by a teacher or counselor.

The Presidential Scholarship is renewable for four years for students who maintain a 3.0 grade-point average or better, making the award \$20,000 over four years.

Beloit College is a coeducational liberal arts college. Founded in 1846, it is Wisconsin's oldest in continuous service. More than 1,100 students come from 45 states and 36 countries to study at Beloit. The college is 100 miles

northwest of Chicago and 50 miles south of Madison.

According to Washington County Sheriff Captain Jack Theusch, the accident occurred when the car, a Chrysler LeBaron driven by Netzer, traveling east on County Line, failed to stop for a stop sign and struck a van traveling south on Forest View Road.

The impact rolled the van over into the ditch on the southeast corner of the intersection with the car, according to witness reports, traveling over the van, coming to rest on the edge of a havfield.

Upon impact, both vehicles burst into flames sending thick black smoke hundreds of feet into the air and which could be seen in Kewaskum more than five miles away. Herriges, the driver and sole occupant of the van, managed to escape and crawl away from his vehicle. Netzer and his passenger Grimes, perished in

GOOD NEWS with Community Church **ASSURANCE OF SALVATION**

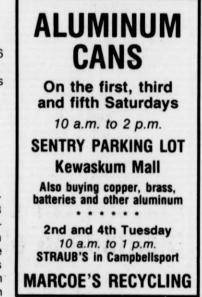

Easter is good news. In the Holy Bible, I Corinthian's 15:51-58 the apostle Paul reveals an amazing truth: For the christian death is not the end of life but the threshold of immorality! Just as the Lord Jesus Christ arose from the grave, thereby conquering sin

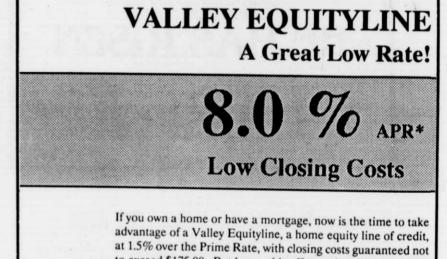

and death, so shall those who have put their trust in Him be raised to everlasting life.

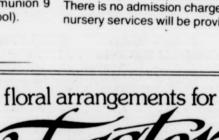

Many people when asked the question, "If you would die today where would you spend eternity? respond by saying, "I hope to go to heaven." The Bible says in I John 5: 11-13 that we can know that we have eternal life after death. It says, "And this is the record, that God hath given to us eternal life, and this life is in His Son. He who has the Son has the life; he who does not have the Son of God does not have the life. These things I have written to you who believe in the name of the Son of God, in order that you may know that you have eternal life.

The Lord Jesus Christ died for your sins and rose again. Will you place all your trust in Him today and have the assurrance of salvation promised in the Bible?

Farmington Honors Secretary Kempf

Secretaries' Day will be observed around the country on April 22. The students and staff at Farmington Elementary would like to take the opportunity to honor our own school secretary, Mrs. Rosemary Kempf.

Mrs. Kempf wears many hats at our school. When a student comes to the office because they aren't feeling well, she's the doctor. She always has her trusty thermometer and a supply of band-aids handy. She often takes the place of "Mom" as she comforts someone in the sick room until they can get a ride home.

Mrs. Kempf is the person who knows what is happening around the school and when it's supposed to happen, so she keeps things running smoothly for all of us. She greets everyone with a smile, whether they are a new family registering for school, or a teacher having an especially hectic day.

We are grateful to her for all she does for us, and we wish Mrs. Kempf a Happy Secretaries' Day!

School District **Student Census**

As stated in last week's edition of the Statesman the Kewaskum School District student census is being conducted at the present time in the Village of Kewaskum and townships which comprise the Kewaskum School District.

Census takers will state that they are school district census takers and will be wearing a button identifying them as such. They will be asking you names, ages and birthdates of children and also inquire if there are any children who have special needs.

The census needs to be completed by June 15th and is essential in determining future needs in the Kewaskum School District.

In the Town of Auburn, Ellen Welch will be replacing the former census taker. Other census takers are as follows: Town of Farmington, Joanne Cleveland, Judy Brautingam; Towns of Barton and Kewaskum, Pat Forester; Towns of Scott and Mitchell, Marge Krahn; Village of Kewaskum, Grace Batzler, Mae Koch, and Tricia Schwartz; Town of Wayne, Sandy Pamperin.

Seymour Retires With Parting Words of Advice School Board Gets Strong Pitch From Gifted and Talented Coordinator

Kewaskum firefighters also had to extinguish flames in a hayfield which caught fire from the burning vehicles. The accident occurred when Netzer, who was eastbound, apparently failed to stop for the sign, (pictured at the far left in front of the fire truck).

By Gerry Mueller Statesman Staff Writer

The Kewaskum Board of Education, Monday night, got a strong selling job from Carol Zoerb, the district's Gifted and Talented Coordinator. While she gave an informal presentation on the program and its progress, there was a subtle hint of its being more than an informational discussion.

Zoerb's comments soon revealed that she and Curriculum Coordinator Connie Strand would like to see expansion and improvements in that program. Among her comments was the Gifted and Talented Leadership Council's (made up of parents and teachers from each school) proposal to establish a 'liaison' network which would be a communication link between Zoerb and the schools. There were also some recommendations for change in the way the program operated in some areas.

In listening to Zoerb's presentation, board president Neal Weare noted he sensed a bit of a conspiracy and the conclusion which he came to was, somewhere it was going to cost the district money. "When are you coming to the board and asking for these programs and what are they going to cost," asked Weare. "I support the G & T program, but it still comes down to the fact this is a business. We have to build a budget and if we approve this, something else must be sacrificed.

Zoorh concoded che did ha

excellent communication link." She felt the liaison network should be established even if the coordinator's position was increased to full time.

Zoerb said she would gather the date as suggested by Weare and return to the board with her request.

In action business, the board turned down a request by High School baseball coach Tom Bartelt and the Kewaskum Athletic Club to construct a batting cage at the school's ball diamond.

While all the members appeared to be in favor of the proposal, several indicated they would like to see a more permanent, commercial type unit installed.

President Weare also indicated he would like the group to work with the newly formed Finance -Transportation - Buildings and Grounds Sub-Committee which is reviewing all the district's facilities. They may have plans for the future of the football field, he noted, which could have an impact on the placement of the batting cage.

The board also voted down a FTC recommendation to replace the high school cafeteria's folding doors with a block wall and set of double doors. Both board members Ruth Schmitt and Ron Beimborn felt the issue should be looked into further before making any decision. "I think it would be a terrible mistake to block that wall," stated Beimborn. Schmitt indicated such a move would create a room that would possibly be plagued with temperature extremes. If it gets hot in here during warm days with the folding doors, what will happen with a block wall, she questioned. Schmitt felt the board was moving too quickly and other avenues should be investigated before it

acted on such a permanent move.

The board did approve the purchase of a computer for the Building and Grounds Department. Superintendent Fred Boehlke said the amount of record keeping for the department was continually increasing. We have to keep records for everything from OSHA, which wants computer recording, to our maintenance and government mandated programs. Money for the computer would come from funds left in the department's 1991-92 budget.

Board member Paul Seymour said he cast the dissenting committee vote on the request, not because he was against it, but because he felt it was "one of those end-of-the-year use up the budget money things."

In other action the board approved the hiring of Tom Kiser as KHS Tech Ed instructor, Barb Hoeft as KHS Spanish instructor, Jackie Del Ponte as full time KMS teacher and Peter Neja as boys tennis coach. The board also accepted the resignation of Barbara Jenny-Fiel.

At the close of the meeting, retiring board member Paul Seymour had a few farewell words for his fellow board members. He told them he was happy to see the district was moving in the right direction as far as education was concerned. He admonished the board, however, to remember that "more is not always better and money is not the answer to everything."

some cost figures with her. Based on a seven-member liaison team, consisting of one person at each elementary school and two at the middle and high schools, she calculated a cost of \$4,725.00 for the 1992-93 school year.

Weare said he wanted to hear more specifics in terms of actual costs and commitments by individuals who would agree to fill the positions. He suggested Zoerb gather her data and request to have the issue placed on a future agenda.

Zoerb was also asked if the liaison idea was an alternative to her position becoming full time. District Administrator Dr. David Heather, who is in favor of a fulltime G & T coordinator, asked Zoerb, if her position were to become full time, would that eliminate the need for the liaison network. She indicated no. "While I hope to become full time," said Zoerb, "I feel the liaison team would still provide an Lions Club Paper Drive Saturday, April 18

Wednesday, April 8, 8:57 a.m. The rescue squad was called to Fond du Lac Avenue in Kewaskum when a male patient had high blood sugar and was sick with a cold. He was transported to St. Joseph's Hospital in West Bend.

Thursday, April 9, 4:23 p.m. -The fire department responded to a call to W2369 Townline Road, Kewaskum, to help extinguish a grass fire. Seven pieces of equipment were used to put out the fire. There was no loss of property.

Friday, April 10, 12:18 p.m. -The rescue squad was called to Main Street in Kewaskum when a male patient suffered a seizure and had pain in his left shoulder.

Friday, April 10, 9:30 p.m. - The fire department was summoned to a barn fire at Hwy. SS, 3⁄4 of a mile east of Highway 45, on a mutual aid call for the Campbellsport and Eden departments. By the time the fire departments arrived on the scene, the barn was fully engulfed in flames and was already lost.

Saturday, April 11, 10:19 a.m. - The rescue squad responded to a call to Roseland Drive in Kewaskum when a female patient was found sitting in a chair pulseless. She had apparently passed away a number of hours before the rescue squad arrived. There was no transport. Sunday, April 12, 10:50 a.m. -The rescue squad was called to the Peace Church in Kewaskum when a female patient passed out, was sweating profusely and was suffering from low blood pressure. She was transported to St. Joseph's Hospital in West Bend.

Sunday, April 12, 2:31 p.m. -The fire department, rescue squad and Jaws of Life were called to County Line and Forest View Roads following a twovehicle accident. When the fire department/rescue squad arrived on the scene, both vehicles were engulfed in flames. The driver of the van had managed to crawl out, but there were two males still trapped in the other vehicle. Three firemen/rescue personnel were injured trying to extinguish the fire and free the victims. They were later treated at St. Joseph's Hospital in West Bend. The driver of the van was also treated for spinal injuries and transported to St. Joseph's Hospital. The Jaws of Life were used to aid in extricating the victims. Kewaskum firemen also remained on the scene to extinguish a grass fire which occurred due to the accident

Card 'N All Receives 1992 Distinguished Senior Citizen Service Retailer Award from Enesco

Enesco Corporation of Elk Grove Village, Illinois, one of the world's leading gift and collectible producers, has announced that Card 'N All, located in Paradise Mall, West Bend, has been awarded the designation of 1992 Distinguished Service Retailer for the famous Enesco PRECIOUS MOMENTS Collection.

Fewer than one thousand retailers in the world have received this designation, according to Enesco President and CEO Eugene Freedman.

'We created this distinction for a select group of PRECIOUS MOMENTS Authorized Dealers, because they have consistently demonstrated extraordinary qualities," Freedman explained. "The service and care they, provide for their PRECIOUS MOMENTS collectors is outstanding; they are supportive of the collection in many ways; and their commitment and dedication truly sets them apart. Card'N All certainly meets these criteria."

Secretaries Day Luncheon, Style Show to Be Held April 22

The Kewaskum Area Chamber of Commerce, under the direction of Wendi Dreher, is sponsoring the Second Annual Secretaries Day Luncheon and Style Show on Wednesday, April 22, at Hon-E-Kor Country Club in Kewaskum.

Due to the overwhelming response received last year, two seatings will be available this year. The first seating will be from 11 a.m. to 12 noon and the second seating will run from 1 to 2 p.m.

Reservations will be accepted on a first come, first served basis because of the limited amount of seating

A delicious meal, complete with beverage, will be served, accompanied by local models wearing the latest professional and leisurely fashions for the busy woman on the go. There will also be lots of prizes and discount coupons for the ladies to win.

The cost per person is \$12.50, a small price to show your favorite secretary how much you appreciate her efforts! Tickets are available by calling Wendi at 626-2428 or can be ordered by mail from P.O. Box 209, Kewaskum, WI 53040.

Thousands of Area Children to Attend Critically Acclaimed Production 'The Wind in the Willows'

Milwaukee — The Great American Children's Theatre Company is pleased to announce that more than thirty thousand Milwaukee area children and adults will attend the company's upcoming performances of The Wind in the Willows at the beautiful Pabst Theater, April 27 - May 15, 1992.

The Wind in the Willows is based on Kenneth Grahame's classic tale of Mr. Toad and Ratty as they seek adventure on the Riverbank and in the Wild Wood. Since 1908, the book has delighted readers of all ages. This special stage adaptation has been designed for children in grades kindergarten through eight.

The Great American Children's Theatre Company, based in Milwaukee, has performed professional theatre for young people since 1975. Last season, 310,000 children across the country attended The GACT's production of The Secret Garden.

The Wind in the Willows opened January 9 in Portland, OR to critical acclaim. The production, produced in association with the Los Angeles Civic Light Opera, was adapted for stage by Brett Reynolds.

The production will be presented in Milwaukee weekdays as follows: Mondays, Tuesdays, Thursdays and Fridays at 10:00 a.m. and 12:15 p.m., Wednesdays at 9:30, 11:15, and 1:00 p.m. Sunday, May 3 at 1:00 p.m. and Saturday, May 9 at 1:00 and 3:30 p.m.

Tickets are being offered to schools for \$2.50, \$4.50 and \$5.50. Tickets for individuals are \$11.00, \$9.00 and \$5.00.

The GACT is a member of Ac-

tors' Equity Association.

The GACT is an associate member of UPAF (United Performing Arts Fund). Funds for this production are provided in part by a grant from the Wisconsin Arts Board, with funds from the State of Wisconsin.

County Women Participating in State Conference Against Domestic Violence

Washington County women and men will be among the 300 participants in next month's statewide conference on domestic violence, "Building Bridges to a World of Change. The April 21, and 22, 1992 Conference to be held in Madison is organized by the Wisconsin Coalition Against Domestic Violence (WCADV). This conference will bring together battered and formerly battered women, domestic violence program workers, people whose work connects with battered women's issues and individuals interested in helping work to end violence against women and children.

It is estimated that there are over 200,000 Wisconsin women battered each year. Friends of Abused Families, is one of 52 Wisconsin programs addressing the needs of battered women and their children. In 1991, Friends sheltered 263 people for 2892 nights, provided support groups for 15 women and answered 936 crisis line calls. The statewide conference will focus on battered women's access to systems - who to access, when to access, how far to access and alternatives to accessing systems as necessary - in conjunction with social change, grass roots work/organizing. The Women's Action Group (from Duluth) will be presenting six workshops on how women organize for social change.

Keynote speaker Pat Rosezelle's presentation will help us learn to recogize how oppressions work, how they are linked and how we can use this knowledge to help build bridges across cultures.

Anyone interested in attending the conference should contact Linda White. Please consider sponsoring a Washington County woman to go to the conference. Your \$8.00 contribution will enable a battered woman or a battered woman's advocate to represent Washington County at this exciting statewide conference.

Your contribution is tax deductible.

'Fundamental Writing With a Customer Focus' at UWWC

"Fundamental Writing With a Customer Focus" is a new program specifically designed to assist people in communicating with customers. UWC-Washington County Continued Education Extension is offering the class Thursday nights from April 23 to May 4.

The hands-on course will be taught by UWWC instructor John Kelly. The fee is \$40.

Continuing Education Coordinator Joan Laabs says the course is the result of requests from the business community. "The customer focus is a way to give the learner a perspec the importance of organizational and analytical skills," says Laabs. She says the class is geared for all levels of business people. "It's for anyone who uses writing in their job.'

RESOLUTION NO. 92-8

RESOLUTION ESTABLISHING MINIMUM WAGE SCALE

WHEREAS, Section 66.293, Wis. Statutes, requires the Village of Kewaskum to establish a wage scale which shall be paid by any contractor making a contract with the Village of Kewaskum for any highway, street or bridge construction;

NOW THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, in accordance with section 66.293, Wis. Playing Easter Bunny? Here Are Foolproof Tips on Decorating Eggs

Decorating eggs? Planning to hide them ? Here are some foolproof food safety tips from the Wisconsin Department of Agriculture Trade and Consumer Protection (DATCP)

To begin with, wash your hands thoroughly before every step of the handling process - including cooking, cooling, dyeing and hiding. Refrigerate hard-cooked eggs in their cartons if you won't be coloring them right after cooking.

Make sure the eggs you color or hide aren't cracked, says Tami Karls, DATCP poultry marketing specialist. When dyeing the eggs, use foodcoloring or specially made food-grade egg dyes dissolved in water that is warmer than the eggs.

Washing eggs in a mild detergent solution helps to remove the oil coating so that color adheres more evenly. Keep the carton on hand for drying and storage. Refrigrate eggs right after dveing.

eggs at least one inch. Cover the pan and quickly bring the water to boiling. Then, turn off the heat, take the pan off the burner, and let the eggs stand in the hot water for 15 to 17 minutes for large eggs. Immediately run cold water over the eggs until completely cooled. The cold water keeps the egg yolk from turning grey-green.

Free Arthritis **Education Series** At St. Joseph's

The Arthritis Foundation, Wisconsin Chapter and St. Joseph's Community Hospital, West Bend, are co-sponsoring a series about arthritis. The Arthritis Education Series is an informational series designed to give people with arthritis the knowledge they need to take a more active role in their arthritis care.

The series will be held on Tuesdays, April 28, May 5, 12, 19, and 26, 1992. Class time is 7:00 - 9:00 p.m. at St. Joseph's Community Hospital of West Bend, Inc., 551 Silverbrook Drive, West Bend, Wisconsin 53095 in Conference Room "A" located on the first floor of the East Building.

Arthritis can change in a person's lifestyle. The target areas covered in this course deal with those changes, including the medical and physical management of arthritis. Highlights in the series include exercise, joint protection, self-help devices, nutrition, community resources, and the psychological aspects involved in living with a chronic disease.

Although the series is divided into five parts, each dealing with a different aspect of the disease, participants are strongly encouraged to attend all five sessions to receive the full effect of the information provided.

To register for these free classes, call the Arthritis Foundation at 1-800-242-9945 or 321-3933. Registration is required and seating is limited.

When hiding eggs, consider hiding places carefully. Avoid areas where the eggs might come into contact with pets, wild animals, birds, reptiles, insects or lawn chemicals.

Refrigerate your eggs again after they've been hidden and found. Don't eat cracked eggs or eggs that have been out of refrigeration for more than two hours.

If you plan to use hard-cooked eggs as a centerpiece or other decoration and they will be out of refrigeration for many hours or several days, cook extra eggs for eating and discarded the eggs that have been on display.

Although the term hard-boiled is sometimes used in conversation, the proper term for eggs is hard-cooked. "That's because it's best not to boil eggs as high temperatures make them tough and rubbery," explains Karls. DeRaimo Publishing Introduces Magazine for County Teens

A locally-produced magazine for teen-agers — much of it written by area high school students — is being introduced in Washington County.

The 40-page *Washington County Teens*, is the latest magazine produced by DeRaimo Publishing, Inc. of West Bend.

"We are excited about the potential of this magazine," said Frank DeRaimo, president of the targeted-market publishing company. "The concept grew out of our contacts with the Employment in Education group here in West Bend. We wanted to put together a magazine that would give high school students a taste of the publishing business. We also wanted to produce a book that would appeal to teen-agers — a magazine for teens by teens. I think we succeeded.

"We hope to make this an annual event for the county."

Articles, fiction and poetry written by twenty students from five county high schools appear in the magazine, said David Rank, editor for DeRaimo Publishing. Pen and ink drawings by four local high school students are also reproduced.

local college scholarships.

Teen-aged contributors were paid at the same rate DeRaimo Publishing uses to compensate freelance submissions for its other magazines. "A couple of our teen contributors are receiving more than \$100 for their work," Rank said. Several teen contributors will be paid \$40 or more. Minimum payment for poetry and other short work was \$5

The magazine will be distributed free to the more that 8,000 high school students in Washington County. Arrangements are being made to distribute the free Washington County Teens at the local high schools.

DeRaimo Publishing, Inc. is a private corporation that publishes the Washington County Business, Washington County Health, Washington County Seniors, Washington County Christmas and Washington County TGIS (Thank Goodness It's Summer) magazines. Revenue to help pay for production of Washington County Teens was generated by selling advertising in the magazine.

Warmer Weather Sparks More Burns

By Judy Kay Moore UW-Madison Center For Health Sciences

It's spring, a time to spruce up the yard, start the grill and catch up on some cleaning. Activities such as these, however, contribute to a majority of burnrelated accidents this time of year, according to experts at the University of Wisconsin Hospital and Clinics.

"As soon as the weather warms up, we see more burns associated with the outdoors," said Monica Guyette, burn outreach coordinator at UW Hospital and Clinics. "As people become more active in the spring and summer, they often become more careless."

Each year, more than 2 million people are victims of burn injuries and between 8,000 and 12,000 die as a result of fires and burns, according to The National Burn Awareness Taskforce in Encino, California. Common causes of burn-related accidents during the spring and summer include careless use of fireworks, walking barefoot on campfire coals that have not cooled and scalds from home canning.

Careless use of gasoline and other flammable substances is also a major source of burnrelated accidents this time of year, Guyette said. In rural areas, many people use gasoline to fuel fires to burn yard debris, trash or tree stumps on their land. Another common but dangerous practice is using gasoline to start outdoor barbecues.

"Gasoline or its fumes are easily ignitable and capable of burning out of control very rapidly," said Guyette. "You could be exposed to a full-blown fire before you know it."

About 75 percent of all burns result from the victim's own actions, according to Andrea Williams, senior clinical nurse specialist for burn patients at UW Hospital and Clinics. Children under the age of five and older adults are at the greatest risk for burn-related injuries and death because they may not be able to quickly remove themselves from life-threatening situations, and their bodies may not tolerate the stress of post-burn injury.

Children by their very nature are also curious and often reach for items that can cause burns, such as hot foods on the stove or grill, Williams said. A few simple precautionary measures this spring and summer can prevent burn-related accidents from occurring: Kewaskum Statesman, Thursday, April 16, 1992, Page 14

dinances regarding use of fireworks.

Protect, feet from hot surfaces. Burns to bare feet can result from campfire coals that have not cooled, tarred pavement and sand. When camping, cover used campfire coals with dirt.

To treat a burn, cool the skin to a normal temperature, no cooler, by using cool compresses or cool water, according to Williams. Ice cubes are not recommended because they can cause blood vessels to constrict in the underlying and surrounding skin, reducing circulation to the affected area and increasing the severity of the burn.

If your clothing catches on fire, the best thing to do is stop, drop to the ground and roll, Williams said. Running can actually fan the flames. Medical attention should be sought immediately if the burn is severe. way toward curbing the widespread problem of under age drinking in our state," Stitt said. "I commend the Legislature for

recognizing how useful a distinctive background color will be in cracking down on minors attempting to illegally obtain alcohol."

"Stitt's amendment, which has the support of the Department of Transportation and the Wisconsin Tavern League, will require the background color on a minor's id, to be different than that of someone of legal drinking age.

"Minors will now be easily identifiable thereby making it very difficult for them to manipulate licenses in an effort to obtain alcohol," Stitt said.

"If we are able to prevent one alcohol related fatality through this amendment, it will certainly have been worth it."

Two-thirds of all scientific and technical periodicals are printed in English.

"Our intent was to have as much of the magazine produced by high school students as possible, and more than three-fourths of the book was done by some very talented, local teen-agers," Rank said. "We augmented their contributions with articles by some of our regular freelance writers."

Teen contributors came from Hartford, Kewaskum, Slinger and both West Bend high schools. Articles on scholarships and student activities include information on Germantown and Kettle Moraine Lutheran high schools.

"We contacted high school English and journalism teachers, who helped their students submit material for the magazine," Rank said. "We received more than 170 submissions, from which we selected nine articles, five works of fiction and 12 poems."

The magazine also features an article written by West Bend freelance writer Mary Beth Winkowski on the availability of Washington County Teens is solely the property of DeRaimo Publishing, Inc. and is not a. filiated with any school district. Teen contributors, by high school:

Indians Lose Softball Opener

By Statesman Sports Writer

CAMPBELLSPORT — It might classify as one of the greatest understatements ever, and it was the story of the game in Kewaskum's first girls softball tilt of the year.

"We had a few problems defensively," is how Indian coach Janet Molebash described her team's misery in the field against Campbellsport here, last Tuesday. Those problems' were ten errors that the Indians committed on their way to a 11-8 defeat at the hands of the Cougars.

"I think a lot of that was firstgame jitters, or at least I hope that's what it was," Molebash said of the miscues. "Offensively, I think we did alright."

Stacey Heberer led the way for the Indians at the plate, as she chalked up a pair of hits, while Kelly Krahn added a double, and Julie Wagner "did real well," according to Molebash, also collecting a hit.

Losing pitcher Rachelle Krahn "was very consistent," said Molebash. Krahn gave up just seven hits, and while she didn't record any strikeouts, she allowed just a pair of walks. "She's not real fast, but very accurate," said Molebash. Krahn also added an RBI at the plate.

The Indians, after taking a 2-0 lead in the second, fell behind 4-2 in the third and could never quite catch up. Down 4-3 in the fourth, the Indians allowed three Cougars runs in the bottom of the inning to make the score 7-3 in the hosts favor.

Then, after the Indians had cut the gap to just 7-6, Campbellsport erupted for four runs in the bottom of the sixth, thus offsetting an Indian rally in the seventh, which would have given them the lead.

"Everybody did very well," Molebash said of the initial game of the year. "I think we're going to be right up there (in the Eastern Wisconsin Conference race) this year."

The conference schedule gets underway on Tuesday, when the Indians travel to New Holstein. After a doubleheader at Two Rivers the following Thursday, the Indians return home on Tuesday, April 28th to host Kiel.

New Powerball Game Goes **On Sale Beginning April 19**

MADISON-- Wisconsin Lottery players will have a new jackpot game called POWERBALL available to them beginning April 19

POWERBALL is the new game from the Multi State Lottery Association, replacing Wiscon-MEGABUCKS sin's Lotto*America with a new play format and nine prize levels.

"Our players will especially enjoy two things about POWER-BALL: First, the game is designed to generate large jackpots. The \$20 million jackpot we had April 8 created a lot of player interest in Wisconsin."

"A \$47 million jackpot last November caused the closest thing to an outbreak of lotto fever we have ever seen.

"It's clear regular and occasional players want a chance to win a big jackpot and POWER-BALL is a game designed to offer large jackpots to players more often than the old Lotto * America game," Wisconsin Lottery Executive Director William F. Flynn, Jr. explained.

"POWERBALL will also offer something lottery industry expens believe will be the key to success in the future ... many winners."

'POWERBALL offers nine prize levels, more than any on-line game currently available in Wisconsin with better overall odds of winning a prize," Flynn added.

"We expect a successful start for POWERBALL. Virtually all of our on-line retailers have participated in training sessions explaining how the game is played and how to use new keys installed on their lottery terminals.

"We've also had an excellent turnout for our player education tour, which began Monday, April 6 and has covered 21 cities in Wisconsin

"Both players and retailers have indicated they are very excited about POWERBALL," Flynn remarked.

HOW TO PLAY POWERBALL POWERBALL players choose five numbers between 1 and 45, as well as a single POWERBALL number, also between 1 and 45. The POWERBALL number may, or may not, repeat one of the five rumbers already selected.

POWERBALL players may choose their own numbers or use computer generated Quick Pick numbers.

"We've added flexibility to POWERBALL. If a player has a lucky number they want to use for their POWERBALL number, but would like computer Quick Pick numbers for the other five numbers, the POWERBALL playslip offers this option.' "If a player wants to choose their own five numbers and let the computer pick their POWERBALL number, again, the POWERBALL playslip makes it easy to do," Flynn explained.

channel 5 in Green Bay, WXOW-TV channel 19 in La Crosse, WISC-TV channel 3 in Madison, WISN-TV channel 12 in Milwaukee, KBJR-TV channel 6 in Superior-Duluth and WAOW-TV channel 9 in Wausau.

Drawings will also be broadcast on radio stations across Wisconsin.

POWERBALL PRIZES

The April 22 POWERBALL jackpot will be at least \$2 million. If there is no jackpot winner from the Saturday, April 18 drawing for MEGABUCKS Wisconsin's Lotto*America, the jackpot money will roll into the first POWERBALL drawing jackpot.

Matching all five numbers plus the POWERBALL number wins or shares the jackpot, which is paid in 20 annual installments.

Matching the five "white" numbers but not the POWER-BALL number wins a \$100,000 lump sum prize.

POWERBALL has a total of nine prize levels, including a \$1 prize for matching only the POWERBALL number, with overall odds of winning of about 1 in 35.

50 cents from each \$1 POWERBALL ticket is earmarked for prizes.

SUPERCASH!, the daily Wisconsin Lottery game with a \$250,000 top prize will continue to be sold

Welcome to **Our World**

The ballots are in, the votes are counted, the evening was a fantastic success! The Washington County Humane Society held its first combination Fund Raising Dinner/Dance/Auction/Raffle/Volunteer of the Year Award Night in March. Over 200 tickets were sold and the Linden Inn on Big Cedar Lake was packed! It was great to see how wonderfully the people of Washington County support the efforts of the Humane Society

We asked Washington County merchants and private parties for donations to support us and were overwhelmed at the response. This event raised over \$4,000 to help the animals.

We had some very active bidding on the auction items and the 'Raffle Table'' tickets were selling like crazy. Our "Surprise Raffle," a beautifully framed wolf picture was won by Connie Cornell.

The "Community Raffle" winners are: Sandra Schlieter, airfare and accommodations for two to either Las Vegas or Orlando; Terrie Jacobi won the \$200 cash prize; Dick Oxley won the Pet Photography and Jack Single won the \$25 gift certificate.

President Waring Fincke presented the first annual Helen Ziegler Volunteer of the Year Award to her children, the Reverend Martha and Paul Ziegler. Helen Ziegler was a pioneer for animal rights in Washington County. Due to her dedicated efforts, the Washington County Humane Society was formed back in 1968. This will be an annual award given to honor someone who does an outstanding job of volunteering at WCHS. Don Muth, Capital Development Chairman, showed an artists sketch of the new addition that we are planning for 1994. He asked those present to consider becoming a member of the newly formed "Friends of the Washington County Humane Society." We are currently looking for 10-20 people who would actively help us raise the funds needed to expand our present facilities. If you are one of those interested, call WCHS and ask for Dianne.

This event was a great way to welcome the spring-like weather, renew old friendships, make new friends and help a worthwhile cause. We hope to see even more of you next year. The animals need you!

Underclassmen Pace KHS Girls Effort

By Statesman Sports Writer

KEWASKUM Kewaskum girls track coach Perry Koth admitted last week that he thought this might be a rebuilding season for his squad. But the Lady Indians, and especially some underclassmen, are doing their best to prove their coach wrong.

The Indians latest triumph came here, last Thursday, as KHS won 10 of 16 events against Eastern Wisconsin Conference rival Chilton, propelling the Indians to an easy 83-47 romp over the Tigers.

One didn't have to look hard to find the difference in the meet, as the Indians showed their superior sprinting ability by sweeping both the 100 and 200 meter dashes, as well as capturing the two sprint relay events.

And it was the underclassmen dominating those sprinting events, as frosh Greta Kuphal continued to shine, taking the 100 meter (13.7) and the 200 meter (28.6), as well as lending teammates Tina Schwartz, Ginger Wiesner and Kelly Korth a hand in winning the 800 relay in a fine time of 1:53.6.

"That's getting down there," Indian coach Perry Koth said of the 800 unit's time. "We'd like it to be right around 1:50, that's what our goal is.

Wiesner, a sophomore was barely edged by Kuphal in the 200, as Wiesner took second in 28.6+, but the soph sensation capped off a fantastic week by winning the 400 meter (65.0), as well as the long jump (15-1). Kuphal added a second in the event (13-5.25), while Terri Vogt was third (13-3). The Indians' best long jumper, Kelly korth, was held out of the event because of strained ligaments in her knee. "That's about all I'm letting her

do," Koth said of Korth's limited action, which will last for about another week or so. As for Wiesner, "She had a pretty long week," he said, noting that she accumulated seven 1st's, a pair of 2nd's, as well as a fourth, a fifth and a school record in the 400 during the week.

Straub Honored at Whitewater

The University of Wisconsin Whitewater wrestling team concluded its season April 5th, with their annual end of the year banquet. Rich Straub (Kewaskum) was honored with a plaque for being voted the team's most valuable wrestler by his teammates and coaches. Straub was also honored for becoming an All-American after placing fifth in the nation, and for being voted as a member of the NCAA Division III Coaches Association Scholar All-American Team, and the Wisconsin State University Conference, (WSUC), Scholar-Athlete Team. Straub received framed certiticates for each of these honors. Final team statistics showed Straub's season record to be

ed in the meet, taking second in the 100 (13.8) and helping the 400 relay to a first. Also in the 400 unit were Rachel Gosa, Christa Schmidt and Denise Ludwig.

"We're moving a lot of people around," Koth said of the unusual 400 grouping, and as for Heisdorf, she ran very well.

Schmidt also took first in the 100 hurdles with a 18.2 clocking, and added a second in the 300 hurdles (52.9). Jessica Rohrer was a strong second in the 100 race with a 19.5 time.

Chrissy Neumann led a KHS sweep in the 800 meter (2:42.5), with Nicole Hetzel second (2:48.8) and Thull third (2:52.5).

Rachel Chambers also had a strong meet, winning the 1600 meter in a time of 6:32.3, her first win of the year in that event, while Robyn Winninghoff won the high jump (4-10) and was third in the discus (95-2).

Indian Boys Trounce Chilton

By Statesman Sports Writer

KEWASKUM - It's been awhile since the Kewaskum boys track team put a good thumping on another team, so last Thursday's dual meet win over Chilton had to feel pretty good, especially for the juniors and seniors, who haven't experienced much team success over the years.

And it was those upperclassmen, who accounted for a total of 18 places, that helped propell the Indians to a 86-45 whitewash of the outmanned Tigers.

"I'm really satisfied with the efforts," Indian coach Jerry Gosa said regarding the meet. "It's really nice to see them go out and give it their best efforts.

Seniors Jeff Dirmeier and Kim Marx paced the way for the Indians, as the two leaders combined for five wins, Dirmeier accounting for three. The Indians' ace distance runner won the 1600 meter (4:51.1), the 800 meter (2:09.7), and had a hand in the 1600 relay victory (3:42.7), along with Heath Heise, David Gosa and Keith Herman.

10-2-00

63

"I'm hoping in the weeks to come that they'll break 3:40,' Gosa said of the 1600 unit. As for Dirmeier's 800 clocking, "He dropped from 2:14 to 2:09, so that was a significant improvement.

Marx, meanwhile, won his specialty event, the 300 hurdles (42.2), as well as the 100 dash (11.4). Fellow hurdler Chad Harlow took second in the 300 with a 49.6 mark, but came back strong in the 110 highs, winning in 18.4.

Herman continued to show promise in the 400 meter, winning the event in 54.3, while Wade Kreis came through big in the long jump with a leap of 17-9.5, good enough for first.

Dan Schulteis had an impressive meet as well, as he was another Indian double winner. The junior took both of the weight events, winning the discus (129-10), as well as the shot put (46-6.5), both tosses being personal bests

"I was really happy for Dan," Gosa said of the junior. "Those were really good efforts for him. That (weights) is one of the areas we need to perform well in."

Beau Coulter led a KHS sweep in the high jump competition. Coulter, a sophomore, along with Brian Bruendl (junior) and Travis Jacak (frosh) all cleared the 5-6 height, with Coulter winning with less total misses.

Other bright spots for Gosa on the day were the second place showing by his son, David, in the 1600. The freshman harrier broke 2:15.7; 200 - 1. Popp. CH. 24.2 3200 - 1. Karls, CH, 10:45.7; 2. Rehbein, KEW 11:21.1;

1600 Relay - 1. KEW (Heise, Dirmeier, Gosa, Herman), 3:42.7 High Jump – 1. Coulter, KEW, 5-6; 2. Bruendl KEW, 5-6; 3. Jacak, KEW, 5-6;

J. Frank Duryea won the first auto race in 1895 with an average speed of 7.5 mph.

Weather Hampering KHS Softball Slate

By Statesman Sports Writer

KEWASKUM - It was thought that all systems were go for the inaugural season of girls softball at Kewaskum High School, but so far, it's been Mother Nature chalking up victories instead of the Indians.

Because of the rains and snow that have plagued the area this spring, the KHS softball team has been able to play just one regular game, and one scrimmage.

That is forcing the Indians and

new coach Janet Molebash to play the waiting game, and allow the Indians to hone their skills for their first season in the Eastern Wisconsin Conference.

"It's been really hard to say how we look, because we've only played one game," Molebash said Monday regarding her team. The Indians' game with Waupun was cancelled Monday, as was their contest against Campbellsport the previous Friday. "I don't see those being rescheduled either, because they're nonconference games.

The harsh weather is giving Molebash some time to improve the Indians defense, which committed 10 errors in their lone game against Campbellsport, a 11-7 loss 'Offensively, we're doing really well," Molebash said. "Offensively, we're going to look the best. We're also very strong at shortstop. That's because Molebash has Kelly Krahn to hold down that infield spot. "She has a really strong arm," the Indian coach said of Krahn, who along with Jenny Albrecht and Lisa Zwicker, will occupy the left side of the infield.

Hintz at first, along with Tracy Ruplinger at second. Julie Wagner will occupy the catcher's spot, as she returns from last year's experimental team. Lori Pesch also will vie for the first base spot.

Pitching should be another strong point for the Indians, as Hintz and Albrecht will be joined by Rachelle Krahn and Stacey Heberer on the mound this season.

'Our weakest area would have to be our outfield," Molebash said, noting that Heberer will roam the outfield when she is not pitching. Others hoping to nail down starting spots include Julie Yahr, Michelle Gundrum, and sophomores Shelly Farchione, Cheryl Michels, Jenny Schaub

and Angie Klug. "It's going to

Two School Record Broken KHS Girls Second at Oshkosh Invite

By Statesman Sports Writer

OSHKOSH - It was a recordsetting performance by a couple of members of the Kewaskum girls track team here, last Monday night, helping the Indians to another high finish in the Oshkosh Invitational.

The Indians 880 relay team shaved .3 off the school record in taking first place in the 40-team meet, while Ginger Wiesner also set a school record in the 440 dash, helping the Indians to a tie for second place in the team standings.

The Indians, who won the huge invitational two years ago, amassed 26 points to tie with Oshkosh Lourdes and Omro for second place behind Rosholt, which tallied 30 points.

The highlight of the day for the Indians had to be the first place showing and school record by the relay squad comprised of Wiesner, Greta Kuphal, Tina Schwartz and Kelly Korth. Their time of 1:55.2 endged Omro by .1, and shaved .3 off the school mark set two years ago.

The record run took a bit of a toll off coach Perry Koth's shoulders, as he had been a bit worried about the relay team's times thus far.

"I was a little concerned about their times. Maybe I was just being a little impatient," Koth said about his feelings regarding the unit. "They really came through big, though."

Wiesner came through big for her coach all day. The sophomore sensation put her name into the school record books one more time as she ran a 63.1 race in the 440 dash, but had to settle for a fourth place finish in the strong field. Wiesner bettered the school record previously held by Brenda Vetter by a whopping 1.3 seconds.

"She just had a great meet," Koth said of Wiesner, who added

a fifth in the 220 dash with a 28.5 time. "She placed in three events at a meet like that, and she's only a sophomore. That's just great.'

The Indians also got a strong second from senior Kelly Korth in the long jump. Korth broke the 16-foot mark, going 16 - 1.75. "She broke the 16-foot mark twice in the meet," Koth noted, adding that Korth went 16-3 at the state meet last year, so she's right on target this season.

The lone other Indian to place in the meet was Kuphal, who finished fifth in the 60-yard dash with a time of 7.8. All in all, it was a good showing for the Indians, according to their coach.

'With 40 teams, just making the finals is pretty good," Koth said. "It was pretty surprising, because I really didn't think we'd do that well.'

Indian Girls Win First Outdoor Meet

By Statesman Sports Writer

FOND DU LAC - You could have forgiven the Kewaskum girls' track team if it hadn't had a good meet here, last Tuesday. Just 24 hours after partaking in a tough 40-team indoor invitational, the Indians were forced to compete outside for the first time this season.

The switch didn't seem to bother the Indian girls at all, though, as they rolled over Fond du Lac St. Mary's Springs and Winnebago Lutheran in a triangular meet.

On the strength of 11 firsts, the Indians amassed 71 points to easily outdistance FDL (51) and WLA (45).

"I knew we would do alright," Indian boss Perry Koth said of his expectations in the meet. "We showed we had some strong people the night before (in the Oshkosh Invitational), but I really didn't know what to expect."

A stiff wind in the face hampered times in the sprints. and at the end of the longer runs, and Koth said that the elements definitely had an effect. "They weren't used to it (Wind) and it showed."

Nonetheless, the Indians ran away with the meet, thanks much in part to the efforts of a couple of underclassmen. Sophomore Ginger Wiesner and freshman Greta Kuphal collectively had a hand in six firsts, a second and a third

the 400 meter (65.55) and the 200 meter (28.66) and was second in the long jump (14-41.25) to teammate Kelly Korth, who went 15-5.75. Wiesner also teamed with Kuphal, Korth and Tina Schwartz to win the 800 relay in 1:54.

Kuphal, meanwhile, won the 100 dash in 13.82, and also took third in the long jump with a leap of 14-.5. The sweep in that event was quite pleasing for Koth.

"The only people that beat Greta and Ginger were their own teammates, so that was nice to see," Koth said. "Ginger had a great week (as she also set a record the previous night in the 400 run).

Another bright spot for Koth was the effort of hurdler Christa Schmidt, who doubled with wins in both the 100 meter hurdles (18.36) and 300 hurdles (54.75).

"Those are good times...decent times," Koth said of Schmidt's numbers. "She's looked fairly good. That's a great start for her.'

Robyn Winninghoff claimed another Indian first with a 4-10 leap in the high jump, while adding a second in the discus (94-8). 'She had a great meet," Koth said of Winninghoff. "That (her discus throw) was a great start for her. She only had two nights of practice with the discus, so that's very encouraging."

Chrissy Neumann came up with the final Indian win of the day, taking the 800 meter with a 2:42 mark. Kewaskum also got a second from Tammy Schmidt in the shot put (32-5.75).

"A lot of people placed and did well." Koth said of the showing. "I thought they might be a little sluggish, but that didn't happen."

Judo Clinic

By Statesman Sports Writer

OSHKOSH - The Oshkosh Community YMCA and the Fox Valley Judo Club will be hosting a judo clinic conducted by 1988 Olympic silver medalist Lynn Roethke next Saturday morning, April 25th.

The clinic will be held from 10:00 a.m. to 1:00 p.m. at the Oshkosh Community YMCA, located at 324 Washington Avenue in Oshkosh. The cost of the clinic is \$5.00 per person, or \$1.00 for spectators.

Roethke, a member of the West Bend Judo Club for the past 25 years, has once again made the U.S. Olympic Judo Team, and will be going for the gold at the 1992 Summer Games in Barcelona, Spain.

Refreshments will be served by members of the Fox Valley Judo Club, and all proceeds of the clinic will be donated to help support Roethke's quest for the Olympic gold this summer. For more information, call clinic director Mehdi Mohammadian at (414) 231-2952, or call the Oshkosh YMCA at 236-3380.

FDA Offers health Fraud Information

Quack cures rob us of more than money. They can steal health away or even take lives.

This year, we Americans will spend billions of dollars on products that do nothing for us - or may even harm us. Its hard to resist. We all want to find simple solutions and shortcuts to better health. We are constantly exposed to new products - a pill, device, or potion that can easily solve our most vexing problem. Eat all you want and still lose weight. Or overcome baldness,

age, arthritis, even cancer.

Today quackery is known as health fraud. Some of these products are easy to spot. Others are more difficult to identify as they may be vaguely based on some medical report that you may have heard about in the news.

KHS Boys Strong Second in Triangular

By Statesman Sports Writer

FOND DU LAC - It's always nice to get your season off to a nice start, and that's exactly what the Kewaskum boys track team did here, last Tuesday.

Although they came up just three points short of winning their triangular meet with Winnebago Lutheran and Fond du Lac St. Mary's Springs, the Indians finished a strong second, and in the process, opened up their outdoor season on a bright note.

St. Mary's Springs won the boys competition with 67 team points, with the Indians close behind with 64. Winnebago Lutheran was third with 39.

"We really didn't know what to expect," KHS coach Jerry Gosa said, noting the switch to the outdoors also meant quite a few distance changes. "I was happy with the efforts and how well they did. There had to be four or five kids with personal bests."

Two of those came in the milerun, where the Indians nearly pulled off a sweep. Jeff Dirmeier (4:49) and David Gosa (4:53) came up with their best times to take 1-2, and Joey Rehbein, who hasn't been out for the sport in a couple of years, just missed third with his mark of 5:09.

"The distance people had a really good meet," Gosa said of his troops. Dirmeier "ran his best mile," according to his coach, while Gosa, just happens to be the coach's son, "is continuing

Softball Teams Needed

3

KEWASKUM - There are still some openings for men's and women's softball teams in the prospective Kewaskum Softball Association leagues forming for this summer.

There are still a couple of spots open for teams in the Monday night women's league, as well as the Thursday night men's league. Both nights have enough teams to form a league, but the association is still looking for a few more spots to be filled.

The sponsor fee for both leagues is \$85, with another \$150 needed per team for player's fees. If you are interested in fielding a team in either league, please call Rick Krahn at 626-2736 or Noel Stollenwerk at 626-4485 as soon as possible. where he left off last year," when he was the top miler at the middle school.

"Rehbein also had a really good time in the two-mile as well," Gosa said, noting his time of 11:22 earned him a first-place finish in that event. "He's really had a great work ethic this year. It was really neat to see three Kewaskum runners in front heading into the final lap."

Senior sprinter and hurdler Kim Marx also had a stellar day, taking two individual firsts and adding another in the 400 relay. Marx won the 100 dash (11.94) as well as the 300 hurdlers (42.47), and then helped teammates Brian Harycki, Keith Herman and Randy Schlice take the relay in 47.29.

The Indians also captured the mile relay, as Dirmeier, Gosa, Herman and Heath Heise teamed up to run a 3:44.2 race, edging out WLA by two seconds.

A strong 1-2 finish in the pole vault was also encouraging. Brad Jackson and Dean Kreis each cleared 11-0, and it was Jackson who had the fewer misses.

Junior Dan Schulteis took second in the discus with a throw of 114-3, and added a third in the shot put with a 43-1.25 toss. Herman and Dirmeier added a pair of seconds, with Herman's coming in the 400 run (54.31) and

Dirmeier's in the 800 run (2:14). Gosa was especially pleased with his group of first-year runners. "I've been really happy with many of the freshmen," he said, noting Brian BruendI's second in the triple jump (38-11) and Travis Jacak's second in the high jump (5-10).

He also added a couple of athletes who didn't place in the meet, but still came up with great efforts. Soph Tony Rix ran a 11:53.4 two-mile, "which is his personal best by quite a bit," according to Gosa, and frosh Nathan Cartwright broke the minute barrier in the 400 run, finishing in 58.1. "I was real pleased with that."

"They are working real hard, and they are beginning to see improvement," Gosa said of his team. "If they continue to work hard, they'll keep getting better. But we have to make up some ground," referring to the fact that the team started almost from scratch because of a lack of participation the last couple of years.

"If we're going to build a program here, we have to get the kids out for the sport when they are freshmen, or even in the middle school, " he went on to say. Hopefully, that's what will happen."
