## Forensic Team Makes History at State Meet

This year's forensic team was the most successful in KHS history because more students than ever before qualified for the state contest and because more perfect scores were recorded there than ever before.

The team participated in the 5:30 p.m. round on Friday, April 10, at the University of Wisconsin campus in Madison. Students from 444 schools were present, making nearly 4,500 participants in the two-day contest. It concluded on Saturday. Coaches Barbara York and Judy Jacak accompanied the KHS team.

Leading the team with perfect 25 scores were seniors Jennifer Beimbner and Rachel Gosa and junior Jenefer VanAssche and sophomore Christa Fleischman. This was the fourth perfect score in a row that Christa had scored, as she had three perfect rounds in district. She and Rachel were in solo acting, Jennifer in demonstration, and Jenefer in prose reading.

Scoring near perfect 24's were April Bruckert, Karen Junk and Matt Kuehn. Storytelling was April's category, while Karen was in poetry and Matt in solo acting. The group interpretation ensemble of Chad Harlow, Sabrina Maul, Angie Klug, Shelly Farchione and Weston Duenkel also were near-perfect.

Many students were awarded twenty-three points: Melissa Rohrer was in demonstration; Aimee Marshall was in farrago; Carrie Fellenz and Stacey Pamperin read in prose; Suzi Gauvin did a solo acting presentation; in group interpretation

there were Heidi Gruhle, Jessica Rohrer and Kim Petrie; and Krysten Ammel and Aaron Dollen did a play acting selection.

Twenty-two points were scored by Rachel Chambers in demonstration, Allison Bruendl in four-minute, and Adam Pilachowski in prose. Receiving 21 points were Tim Lettow in moments in history and Jennifer Brigham and Kara Palmer in poetry. Meredith Frac received a 19 in four-minute, and Anne Mertz was awarded an 18 in oratory.

Gold medals are given for a perfect score at state; 23 and 24 points are silver; 20, 21 and 22 are bronze; and certificates are awarded for scoring 5-19 points. The team went for the gold, and all team members did well at this challenging contest with many excellent speakers in attendance.

Coach York concluded: "Each year our teams get stronger and more capable. This year's team had many consistent performers. Five seniors (Rachel Gosa, Stacey Pamperin, Heidi Gruhle, Kim Petrie and Jennifer Beimbner) made their fourth trip to state. As a surprise in numbers, there were also eight very capable freshmen who gave strength to the team. Seniors Adam Pilachowski and Jennifer Brigham made their third trip to state, plus five sophomores made their second jaunt to Madison. Six juniors helped the team, as did Karla Kirst by volunteering her time at three meets to assist Rachael Chambers in her demonstration. All those things added up to strength because of a willingness to practice. Excellence resulted!"

## Jesse Jaeger is All-State Academic Scholar Winner

Jesse J. Jaeger, son of John and Judy Jaeger, Campbellport, is one of Wisconsin's 117 All-State Academic Scholars who will receive \$1,500 Robert C. Byrd Honors Scholarships during a special awards ceremony April 26 at the University of Wisconsin - Madison Memorial Union. The scholars are named for Robert C. Byrd, the longtime U.S. senator from West Virginia.

"It is always a joy to me to recognize young people who have shown real dedication to academic studies," said State Superintendent Herb J. Grover. "These scholarship winners, as well as the other nominees, represent some of the brightest young people in Wisconsin's secondary schools."

High school principals throughout the state nominated 567 seniors for consideration in

the All-State Academic Scholars/Robert C. Byrd Honors Scholarship Program. A representative committee of high school principals selected the scholarship recipients from the nominees, based on students' high school grade-point averages and scores on college entrance exams. The panel chose 12 students from each of the state's nine congressional districts and nine congressional at-large to receive scholarships.

Public and private high school principals could nominate graduating seniors to the All-State Academic Scholars program based on their high school enrollment. High schools with enrollments of fewer than 400 students could nominate one graduating senior; schools with enrollments between 400 and 999

## Proceeds to Fund Kettle Kountry Kolors

### Chamber of Commerce Sponsoring Birthday Cake Greeting Lights

The Kewaskum Area Chamber of Commerce is currently busy finalizing details on their latest fund-raising efforts to underwrite the costs of this year's Kettle Kountry Kolors.

A large five-foot wide by six-foot tall wood birthday cake will be erected in the front window of the Kewaskum Statesman, hopefully by mid-May. The cake will be completely decorated and just like a real birthday cake and will contain small holes through which white lights (candles) will be strung.

A large display board with all the days of the month listed will be placed right next to the cake. Birthday and anniversary honorees' names will be placed

on the board. The birthday cake idea is designed to operate almost the same way as the Christmas tree lights did that were used to fund the Christmas parade. However, the birthday cake will be up and waiting for the "candles" to be lit every month.

For a \$5.00 fee, in honor of someone's birthday or anniversary,

a light will be lit on the cake. Each specific light will be lit on the exact day of the honorees special event, and will remain lit until the end of the month.

The board next to the cake will announce the dates and names of all those who are being honored throughout the month. "Candles"

## Assistant High School Principal Hired

By Gerry Mueller

Administrator Dr. David Heather stated Wednesday morning that the Kewaskum School District had ended its search for a permanent assistant principal at the high school with the hiring of Christopher Ruhm.

Ruhm, who currently resides in Madison, will begin his employ-

ment with the district on July 1st, at an annual salary of \$45,000. He has a PhD in Education Administration, with eleven years of teaching experience.

Ruhm fills the position presently held by Mrs. Susan Ihler who has been employed on an interim part-time basis since James Connell resigned last year.

## National Wrestling Champion

On Saturday, April 11, young wrestlers from seven midwestern states gathered in Des Moines, Iowa for the Northern Plains National Youth Folkstyle Wrestling Tournament. One of the wrestlers representing Wisconsin was Greg Guelig, the son of Mr. and Mrs. Steve Guelig of rural Kewaskum.

Greg is nine years old and has been participating in wrestling tournaments held throughout Wisconsin for the past four years. He was well-prepared in anticipation of some tough competition in Iowa. Unfortunately, there was no competition in Greg's age and weight class; therefore, he became the National Wrestling Champion by default.

Nevertheless, Greg was able to demonstrate his wrestling abilities in an exhibition match against the Nebraska State Champion who was the same age, but in the next higher weight class. After three one minute periods, the score was tied 4-4. Approximately twenty seconds into overtime, Greg won the match using a head-throw to get the first take-down.

Greg would like to thank everyone who offered words of encouragement, especially those business responsible for the full page message in the Statesman two weeks ago. He would also like to give special thanks to Shefond Oil for their generous financial support.

All in all, Greg had a great time at the National Wrestling Tournament; and thanks to the overwhelming show of support by local residents and businesses, it will be a weekend he will never forget. Thanks!

## Regal Ware, James Reigle Recognized For Contributions to Education

Kewaskum School Board president Neal Weare, left, presents James Reigle plaques of appreciation for his and Regal Ware Incorporated's contributions to the Kewaskum School District. Reigle recently retired as CEO of Regal Ware.

By Gerry Mueller  
Statesman Staff Writer

At its April meeting, the Kewaskum Board of Education formally recognized the countless contributions Regal Ware, Inc. and James Reigle have made to the Kewaskum School District and the children served by it.

In prefacing the presentation, board president Neal Weare stated, "in the past it has not always been easy to recognize those who have been a great help to the residents as well as the students of the school district." In

presenting the plaques he indicated it was hoped that they, in some small way, were an acknowledgement that such contributions and service had not gone unnoticed.

"For many years Regal Ware and Mr. Jim Reigle have been committed to helping the Kewaskum School District provide educational programs to meet our children's needs. The commitment of Regal Ware has run the gamut from unloading semis to providing scholarships

Tourist Information Billboard to be Replaced

By Gerry Mueller  
Statesman Staff Writer

The Kewaskum Village Board has okayed a proposal to replace the village's broken and aged tourist information board located along Highway 45, on the south side of the village.

By unanimous vote, the trustees approved the request of Jason Noren to take on the job as an Eagle Scout merit project. The Kewaskum Chamber of Commerce and Kewaskum Jr. Womens Club have both agreed to provide financial assistance for the construction of a gazebo with a bulletin board.

Village Administrator Dan Schmidt advised the board the project, which is expected to cost about \$1,000, will be done under the supervision of local contractors and the Public Works Department.

After reviewing sketches, board president Mary Krueger told Noren the drawings showed he had put a lot of thought into the plan and she thanked him for volunteering to do the project.

In other action, the board voted to approve another project which will also receive some financial assistance from the Junior Women. That project is the construction of a 10 x 20 foot 'sun shelter' at the Kiwanis Park Pool.

Schmidt said the shelter was requested to provide shade for individuals who bring their families to the pool, but do not swim, such as mothers with infants who bring their older children to the pond for swimming lessons. He said the club would donate funds to cover about 50 percent of the shelter's cost. The structure is expected to be completed by the pool's opening in June.

The board also approved the fire department's recommendation to purchase the standard fireworks package for its July 3rd show at a cost of \$2,800. Schmidt informed the trustees that two local businesses have donated two additional novelty displays for the show.

Schmidt said if there were any other businesses or groups who would like to donate additional fireworks, they were welcome to do so. Prices are \$58 for ground novelties, \$105 for a 5 x 10-foot display, \$185 for a 10 x 10-foot display and \$275 for a 10 x 15-foot display. Anyone interested in making a donation or wanting more information can contact Schmidt at the Municipal Building, 626-8484.

Bids were also opened for the sale of the village's retired police squad. The board voted to accept the \$5,400 high bid of Welch

Motors of Chicago, Illinois.

In other Police Department business, Chief Knoebel informed the board he will be publishing a notice advising individuals it is illegal to operate skate boards and roller blades on any streets or highways. He said such operation is a violation of Wisconsin State Statutes and such violations are subject to a \$57 fine. The state statute provides that parents who let their minor children violate that statute can also be fined.

With the warm weather just beginning, Knoebel said the village has already received a number of complaints so people are being advised that the department will enforce the statute.

President Krueger signed an official proclamation announcing 1992 will be recognized as the "Year of the Viet Nam Veteran" in Kewaskum. The recognition coincides with the 10th anniversary of the dedication of the Viet Nam Memorial erected in Washington, D.C. The proclamation was presented to three representatives of local Chapter 440 of the Viet Nam Veterans.

In other business the board approved the hiring of temporary part-time summer help for the various village departments. The board then adjourned to closed session.

**ROLLER BLADES and SKATE BOARDS NOT TO OPERATE ON STREETS and HIGHWAYS**

With the warmer weather the number of complaints of people operating skate boards and roller blades on the streets and highways have increased. This is not only a very dangerous act that can turn deadly if the skater would be hit or hit a motor vehicle, but also a violation of State Statutes.

Wisconsin State Statutes define a play vehicle as "a coaster, skate board, roller skates (which include roller blades), sled, toboggan, unicycle, or toy vehicle which a person may ride on."

Violation of this Statute could lead to a fine of \$57.00. It should be noted that there is also a State Statute that could lead to fine for parents who let their minor children violate this Statute. Users of these play vehicles are also advised that they must yield right of way to pedestrian traffic.

and everything in between," said Weare. "With sincere appreciation for all that you and Regal Ware have contributed to the School District for many years, we present you these two plaques, one for Regal Ware corporate headquarters and the other to be placed in your personal mementos. We hope to continue the participation with Regal Ware in meeting the educational needs of the children of the Kewaskum School District."

In accepting the plaques, Reigle stated, to the best of his memory this was the first time Regal Ware had been recognized in such a way by a local organization. He noted that it was Regal Ware's belief that as a corporate member of the community, it has responsibilities beyond paying taxes. "I believe we are all striving to provide the best education for our students. I think the system has achieved that goal."

As the major employer in Kewaskum, Reigle noted that there are people on every level of responsibility who have come from this system into the Regal Ware workforce.

**Birthday Cake**

can be purchased to honor birthdays, anniversaries, memorials, graduations or any other special event.

The names will also be published in an ad which will run in the Kewaskum Statesman's last issue of the month. For example, the ad will read: "May 20 - Happy Birthday to John Smith from Mary Smith." The person sending the greeting may also choose to remain anonymous.

On the first day of the month, the "candles" will be turned off and the whole process will start over again with a fresh name board and new lights. The Chamber of Commerce is hoping to be able to have all the "candles" lit every month, but that depends on the support of the entire community.

Remember... if you enjoyed the free entertainment at last year's Kettle Country Colors, please support this year's fund-raising efforts. Send a greeting and light a "candle" in honor of someone you love (or someone you don't love, but would love to get revenge on).

More details and a coupon you can use to order a "candle" will be published in next week's issue.

**Kiwanis Supports Blood Drive**

We are very grateful to the Kewaskum Kiwanis Club for becoming our new sponsor for Kewaskum Community Blood Drives. They have agreed to support the drive by providing the necessary funding for our semi-annual blood drives, starting with our most recent one last month.

It is this continued dedication to our community's needs that makes the Kiwanis so valuable to Kewaskum.

Many thanks to the ladies of St. Lucas Ladies Guild for their time and efforts in preparing and serving the lunch to the donors.

Once again, thank you to the High School for the use of their facilities and a special thanks to the Kewaskum Statesman for always providing wonderful publicity for us. It is because of you that donors find out about our drive and we really do appreciate you.

Our blood drive was very successful with 71 donors registering to donate. Two donors receive special recognition as repeat donors. Nancy Kulas donated her 24th pint and David Pesch donated his 8th pint. Congratulations to Nancy and David.

Thank you to all the following wonderful donors who truly shared their "gift of life."

# Glacier Edge District Award of Merit Recipients

District Award of Merit recipients, left to right, Kim A. Wagmann, Rick A. Buth and George T. Krueger, at the Glacier Edge District 11 BSA District Recognition Dinner held April 5.

Jeffrey and Jean Reigle, representing Regal Ware, Inc., received a special recognition award from Glacier Edge District 11, Bay Lakes Council, Boy Scouts of America.

Dan Eckert, left, and Sam Schacht, right, of Kewaskum Pack 3744, constructing a coffee can tom-tom at the Glacier Edge District 11 BSA Scout-O-Rama held in Paradise Mall, West Bend.

Rick A. Buth, Fort Washington, George T. Krueger, Saukville, and Kim A. Wegmann, Newburg, received the District Award of Merit from Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, at the annual recognition dinner, held April 5, at the Riverside, West Bend. Ralph Hess, District Advancement Chairman, made the

presentation. This award, the highest honor a District Volunteer Scouter can receive, is presented to individuals who exemplify the scouting goals and demonstrate service to boys in scouting, church and community.

Buth, a 17-year veteran scouter, is presently serving as Scoutmaster and committee

member of Troop 855. He was previously a Webelos Leader and committee member of Pack 3855, a member of the Council Scout Committee, was a staff member of Pathways To Scouting for four years, assistant chairman one year and chairman two years, Klondike Derby two years and chairman one year, Chairman of this year's Ice-O-Ree and was on Cub Winterfest staff four years.

He previously earned the Den Leader's Award, Scouter Training Award, Scouters Key and the Scoutmaster Award of Merit.

Rick has worked on church festivals at St. Mary's and Immaculate Conception parishes for 12 years and also volunteered for parish breakfasts, dinners and fish fries. He coached and refereed youth soccer, was a youth baseball coach and found time to donate labor for the construction of the Vietnam Veterans Memorial.

Krueger, a 8-year Veteran Scouter, is the present Assistant Scoutmaster of Troop 855, a Den Leader and Tiger Cub Coordinator of Cub Pack 3868, and a Unit Commissioner. He was Cub Roundtable Commissioner for two years, and assisted Pack 3855 as a Committee Member for six years, Assistant Cubmaster three years, and Cubmaster 2 years, was on staff for training five years, Cub Winterfest five years and Chairman two years, Pathways to Scouting two years, Cub Pow Wow one year, Klondike Derby three years and Ice-O-Ree one year.

He attended the Council College of Commissioner Science and University of Scouting and the Regional Akela's Call. He earned the Scouter Training Award, Commissioner Award, Commissioner Arrowhead and the new Cubmaster Award.

George is a member of St. Paul Lutheran Church where he has ushered for ten years, assisted with the Sunday collection records for 18 years and is serving his third year on the School Committee. He has been a youth softball coach, Pony League coach and an assistant soccer coach.

Wegman, also an eight year Veteran Scouter, is presently serving as Scoutmaster of the newly formed Troop 842, Grafton, and is also a Unit Commissioner. He previously was an Assistant

Scoutmaster of Troop 839, Grafton, for five years, and Troop 721, West Bend, two years and Scoutmaster for a short interim, served on staff for Camporee, District Training, Green Bar Junior Leader Training, Mom & Son Weekend, Scout Roundtable, and was a Friends of Scouting presenter.

Kim is an avid camper, a Brotherhood Member of the Order of The Arrow, has received his Wood Badge Beads, has attended the National Florida Sea Base, the Council Encampment and the Boy Scout College of Commissioner Science.

He has been a member of St. Paul Lutheran Church Bell Choir for 13 years, serving as president for three years, assisted as a Session Leader for the Girl Scout Leaders Conference for two years, and was on the AIT Girl Scout Training Staff for one year.

Regal Ware Inc. of Kewaskum received the Special Recognition Award for continued support of the Scouting Program. Jeffrey and Jean Reigle accepted the award from James Winget, the District Membership Chairman.

Larry Horwath, who served as Den Counselor for Carol Winget at Regional Cub Scout Trainer's Wood Badge, bestowed on her the Cub Wood Badge Beads for successfully completing the training course and her service project.

Robert Van Dyck, Council Camping Chairman, recognized the current recipients of the Veterans Award; and District Commissioner, Dennis Gruenke, and District Program Chairman, Dora Zillmer, paid tribute to the Commissioner Staff and Planning Committee respectively.

## KFD Fire and Rescue Squad Calls

Monday, April 13, 11:06 p.m. - The rescue squad was called to Brazelton Drive in the Town of Scott when a female patient was suffering seizures. She was transported to St. Joseph's Hospital in West Bend.

Thursday, April 16, 12:44 p.m. - The fire department responded to a call to Highway 28 East of Hickory when smoke was reported coming from the pine trees alongside the road. No fire was discovered so all units returned to the station.

Friday, April 17, 9:24 p.m. - The rescue squad was called to Fond du Lac Avenue in Kewaskum when a female resident of Mapledale Manor lost consciousness and fell. She was also suffering from pain in her left hip. She was transported to St. Joseph's Hospital in West Bend.

Sunday, April 19, 7:55 a.m. - The rescue squad was summoned to Forest View Road in Kewaskum with a male patient was found by his family pulseless and non-breathing. CPR was started by family members before the rescue squad arrived. The CPR was continued as the patient was transported to St. Joseph's Hospital in West Bend.

Sunday, April 19, 11:22 a.m. - The rescue squad responded to a call to Hwy. H, Kewaskum when a male patient was thrown off a horse. The horse fell on the patient, fracturing his leg. He was transported to St. Joseph's Hospital in West Bend.

About one in three adult Americans has high blood pressure, according to the American Heart Association.

## Seymour Recognized for School Board Service

By Gerry Mueller, Statesman Staff Writer

Retiring school board member Paul Seymour, left, was presented a plaque of appreciation by board President Neal Weare. The presentation was made at the board's April meeting. Seymour served three years as a member of the Kewaskum Board of Education. He decided not to seek re-election when his term expired this year.

In presenting the plaque, Weare thanked Seymour for his contributions to improving the education of the district's children, noting his presence would be missed from the board.

## Policy Prohibits Incendiary Devices On School Premises

By Gerry Mueller  
Statesman Staff Writer

The Kewaskum Board of Education has approved and instituted a policy which prohibits any incendiary devices on school premises. Those 'devices' include cigarette lighters, matches, firecrackers, smoke bombs, etc.

According to Policy 443.61, students shall not be in possession of these devices in any school buildings, offices, shops, warehouses, vehicles, enclosed structures or on any school grounds, playing fields or other areas of the district.

Violation of the policy will find students subject to penalties ranging from one-day out-of-school suspension for the first offense, to suspension and an expulsion hearing before the school board for the fourth offense.

# Junge Kameraden Blas-Kapelle Concert April 30th in Rose Hall

The Kewaskum Women's Club is proud to present a very special band from Plymouth High School on Thursday, April 30th at 7:30 p.m. in Kewaskum High School's Rose Hall. Refreshments will be served, and a free will offering will be accepting at the door.

Plymouth High School of Plymouth, Wisconsin is proud to present its German Band, Junge Kameraden. This band is one of very few high school groups in America that dedicate themselves to the performance of wind music of the German speaking nations. Drawing from an extensive personal library of its director, the group presents music that is

characteristically performed by European military, professional and community bands.

The music is drawn from all areas of European life. In this program you will be hearing folk songs, marches and melodies from a very active German social life. The group started out as an opportunity for the students to have fun performing lighter music and in its ninth year history, it evolved into a cultural event.

Junge Kameraden is an out of the classroom experience. Rehearsals are held after school for the large group and where possible for the specialty groups.

All funds for uniforms and music were raised through performances.

Along with the many performances in the Sheboygan County area, Junge Kameraden has performed at Milwaukee's German Fest, Minnesota's German Fest, Stiftungsfest in Young America, Minnesota and most recently at Steuben Day festivities in Chicago, Illinois. With other invitations pending, the band is looking forward to many years of

enjoyment performing.

The director of Junge Kameraden, Ernest Broeniman, is currently in his 35th year of teaching in the Schools of Wisconsin. Mr. Broeniman is a graduate of UW-Oshkosh, University of Northern Colorado, with studies at UW-Madison, and extensive travels in Germany, Austria, and Switzerland.

The group was created as a result of the director's cultural background, his experiences as a

musician, and his travels. The first music exchanges began with an Austrian military band director that Mr. Broeniman met in his first trip to Austria.

For this special community event, 6th District Federation of Women's Club President Mrs. Dorothy Maser will be on hand to introduce this fine organization of young adults.

The public is invited to this very special performance. See you there!

## Junior Women to Sponsor Children's Story Hour

The Kewaskum Public Library and Kewaskum Junior Woman's Club members are pleased to announce they will sponsor a children's evening story hour. The sessions will be held on Wednesday evenings, April 29, May 6, 13 and 20th from 6:45 to 7:30 p.m.

Fingerplays, stories, crafts, songs and games are some of the activities planned for your child. Any child, three to five years old, is invited to attend. There is no charge to attend but advance registration is requested. Any parent interested in having their child participate may register them by calling the library at 626-4312 or register in person at the library.

Any child participating must have a valid library card. Applications for a card are available at the library. Following each story hour, parents are encouraged to check out library books with their child.

Call now to reserve a space for your child in the evening story hour. We look forward to having your child participate.

## Receive Degrees

MILWAUKEE — The Milwaukee School of Engineering (MSOE) conferred degrees upon 61 graduates at its winter commencement at Milwaukee's Performing Arts Center.

The college also conferred an Honorary Doctor of Engineering Degree upon Dr. Robert R. Spitzer, MSOE president emeritus and regent emeritus, and Honorary Doctor of Business and Economics Degree upon Jack F. Kellner, president, Western Industries Inc., Milwaukee, and MSOE regent.

Milwaukee School of Engineering, founded in 1903, offers 12 undergraduate degrees in engineering, engineering technology, business, and technical communication programs. Two graduate degree programs are offered: engineering and engineering management.

Receiving degrees from the area are John Robert Mayer, Kewaskum, B.S. in Architectural Engineering and Michael James Hinckley, West Bend, B.S. in Mechanical Engineering.

# NO MORE HAMLETS

## 25 die in fire at N.C. plant; exits locked

### 'Let me out,' workers scream

The day after Labor Day, 25 workers were killed behind locked doors when fire broke out at a poultry processing plant in Hamlet, North Carolina. The plant had never been inspected by federal or state safety officials in its 11 years of operation.

More than twenty years ago, Congress promised every American worker the right to a safe job when it enacted the Occupational Safety and Health Act. But as the Hamlet tragedy shows, for many workers the right to a safe job is still just a promise, not a reality.

Each day toxic substances, explosions, and other hazards injure more than 20,000 workers. Each year, more than 100,000 Americans die from job related injuries and diseases.

On April 28, the unions of the AFL-CIO observe Workers Memorial Day to remember those who have suffered and died because of workplace hazards. This Workers Memorial Day union members will observe a moment of silence in memory of the Hamlet workers and the thousands of other workers who were killed on the job. And we will demand passage of legislation to strengthen the Occupational Safety and Health Act to prevent horrors like Hamlet from ever happening again.

### Offering Therapeutic Horsebackriding

Free S.P.I.R.I.T. Riders, Inc., a program that offers therapeutic horsebackriding lessons to handicapped people in the Fond du Lac and surrounding area will be starting its fifth season this spring. Based on the philosophy, "it's ability that counts," the program services 7 to 97 year olds with learning disabilities, cerebral palsy, mental retardation, Down's Syndrome, autism, schizophrenia, spina bifida, and other mental, emotional and social impairments.

Although the physical conditions of the handicapped can not be cured by riding, the body receives healthy exercise which brings about improved circulation and muscle tone. In some physical disabilities, measurable progress is made in restoration of some body functions. For riders with physical and/or non-physical disabilities, the discipline associated with working with equines and the social interaction between peers can bring great benefits to the mind and spirit.

Free S.P.I.R.I.T. Riders, Inc. holds its classes at Butzen Stables, in North Fond du Lac. The program relies on the services of volunteers to meet its every need. Three volunteers are needed for each beginning riders, 1 leader, and 2 sidewalkers. Those wishing more information or to volunteer are urged to call 923-1875.

A Science Fair can be fun for all. Holy Trinity, in Kewaskum, held its 2nd annual Science Fair on April 2nd in the church basement.

Students in grades 1 to 8 participated with experiments dealing with laundry detergents, television viewing, water, popcorn and much more. The following students earned ribbons for their outstanding effort.

The primary grade students were Adam Gitter, Lanaya Martin, Jenny Kopecky, Danielle Nass, Mark Schrauth, Emily Rinzel, and Jacob Stoffel.

The middle grade students were Katie Kopecky, Amanda Schoofs, Danielle Wietor and Amy Piwoni.

The intermediate grade students were Emma Chambers, Adam Gajewski, Christopher Wessing, Eric Lieven, Jodi Klesmith, Kelly Hein, Tim Bunkelman, Jeff Heller, Andrew Laatsch, Jessy Gruber, Jill Bruendl, and Matt Lieven.

## Parent Principal Roundtable Discusses Many Topics

Last night a dozen parents joined Principal Chuck Heidner and Assistant Principal Susan Ihler for the third Roundtable meeting of the year.

The Principal's Report covered many items. Mr. Heidner announced that teacher appreciation weeks runs from May 3rd through the 9th. The Scholastic Honors ceremony will be held on Wednesday, May 20, starting at 7:30 p.m. in Rose Hall. Tuesday, May 19, finds the music department presenting their annual outdoor concert in the park.

**Menagerie**, the Eastern Wisconsin Conference literary magazine of student writings will be unveiled May 14, at a noon luncheon in Elkhart Lake. The great success of the Junior Prom was discussed. This included high praise for the work and pride demonstrated by the junior class. We are also looking into hosting a Senior Citizens' Prom on the day after the Junior Prom next year using the same decorations.

Mr. Heidner brought the parents up to date on the Tech Prep program between Moraine Park Technical College and Kewaskum High School. Finally, Mr. Heidner informed the parents that as part of the LEAD Academy, he would be attending this summer, three different surveys of the high school would be conducted this spring. A random sample covering 20 percent of the students and 20 percent of their parents would be surveyed. Also the entire faculty and staff would be surveyed.

The first major topic of discussion dealt with class advisors. The parents developed a list of their expectations for the position. Mr. Heidner will use this list to explore the development of these positions for each of the four classes.

The second area of discussion was graduation. Mr. Heidner made it clear that graduation for the class of '92 will be held on Friday, June 5, starting at 8 p.m. in

the high school fieldhouse. He also informed the group that his son will be going through commencement ceremonies at the University of Minnesota that same evening. Regretfully, Mr. Heidner said he would not be at Kewaskum in order to share the moment with his family in Minnesota.

The discussion then turned to possibly moving future graduations from Friday nights to some other day. Many ideas expressing the pros and cons of all days were presented. It was decided to survey the class of '93 to get their feelings. They would be given all the information presented at the Roundtable before voting.

Under the heading of "other", three brief discussions were held. First, parents asked that the bleachers be provided for track meets. Second, signs to identify gender specific rest rooms at the baseball grandstand were requested. Finally a desire was expressed for greater effort on the part of Kewaskum High School to publicize the fine efforts and achievements of its students. Mr. Heidner promised to work on these concerns.

The next Parent Principal Roundtable will be held on Tuesday, August 18, in the high school library, starting at 7 p.m.

# Washington County Selected to Host 1995 Wisconsin Farm Progress Days

Washington County was selected to host the 1995 Wisconsin Farm Progress Days. The selection occurred at the recent annual meeting of Wisconsin Farm Progress Days, Inc.

The application was accepted following a presentation by members of the Washington County Agriculture, Extension and Education Committee and Jack Trzebiatowski, Washington County Agriculture Agent.

County officials and UW Extension Faculty will begin to organize for the show by developing an Executive Committee. This committee along with the management of Wisconsin Farm Progress Days, Inc. will coordinate the event. A number of operational committees will need to be organized to carry out the various activities of the show.

A host farm will be selected by the fall of 1992. Selection will be made by the Executive Commit-

tee and the manager.

Farm Progress Days is the largest agricultural show held in the state of Wisconsin each year. The three day event, which attracts over 50,000 visitors each day, features the latest in agricultural product developments and equipment along with research and technological information. The show is supported by over 600

commercial exhibitors. Educational programs, field demonstrations and other events are sponsored by the University of Wisconsin Specialists and County Extension Faculty.

## Habitat Healers

Anyone with an interest in planting trees, shrubs and wildflowers, collecting and planting seeds and learning more about the ecology of prairies is welcome to join this informal group that meets at Riveredge Nature Center on Tuesday mornings. Next meeting is Tuesday, April 28, from 9 a.m. to Noon.

Call Riveredge at 675-6888 (local) or 375-2715 (metro) for more information. This is free.

Riveredge Nature Center is a non-profit, 350 acre nature center dedicated to environmental education, located on Highway Y in Newburg, Ozaukee County.

## Students to Attend Riveredge Program On Compass

Holy Trinity eighth graders will be attending Riveredge Nature Center environment education program entitled Compass Cruisin' on April 27th.

Compass games and challenges are used to take the student from introductory pacing activities through using a compass and taking field measurements to map-making.

Students practice finding North, South, East and West using a compass, and practice their pacing stride to ensure that each pace is 5 feet. Small groups of students will use pacing and compasses to complete several compass and mapping games.

Riveredge Nature Center, a non-profit, 350 acre sanctuary located at 4458 W. Hawthorne Drive (Highway Y) one mile north of Newburg, provides environmental education for children and adults.

## Boy Scout Leader Training

## New Books at Public Library

These following books are now available at the Kewaskum Public Library. Stop by and check one out today!

"Wisconsin's Economy in the Year 2000," by the University of Wisconsin Madison School of Business, is based on a study to review the present Wisconsin economy and look ahead to the year 2000.

"Healing the Heartland: Non-violent Social Change and the American Rural Crisis of the 1980s and 1990s," by Marvin E. Ceynar is the story of the farm crisis in the Midwest.

"Trillium; A Guide to the Common Wildflowers of Northeastern Wisconsin," by Mary B. Good is a field guide for everyone.

"A Continent of Islands; Searching for the Caribbean Destiny," by Mark Kurlansky is a detailed portrayal of the individual countries and peoples of the Caribbean.

"Divorce Busting; a Revolutionary and Rapid Program for Staying Together," by Michele Weiner-Davis offers advice on staying together and presents marriage-enriching divorce-preventing techniques based on the formula of doing more of what works and less of what doesn't.

"Do Your Own Plumbing," and "Do Your Own Wiring," both by K.E. Armprister, will help the reader to do different plumbing repairs; install new plumbing; with the second book serving as a readable guide to every wiring installation or improvement that the reader would like to do.

"Midwest Gardens," by Pamela Wolfe is a collection of words and photographs describing urban, suburban, and rural gardens from all over the Midwest.

"Revolution from Within; a Book of Self-Esteem," by Gloria Steinem is the result of the author's own experience, plus includes parables from the lives of others, as well as research on the meaning of self-esteem in this country and around the world.

"Handle With Care; A Guide to Responsible Travel in Developing Countries," by Scott Graham describes how responsible travelers can get the most out of their travels in the developing countries of Asia, Africa and Latin America.

"Home Insulation; Do It Yourself and Save as Much as 40%," by Harry Yost covers three major steps in insulating: how to determine your insulation needs; how to hire others to do the work; and how to do the work yourself.

"When Your Child Needs Help; A Parent's Guide to Therapy for Children," by Norma Doft with Barbara Aria offers insights for parents whose children are showing signs of emotional distress.

"Europe in Time; A History 1945-1992," by Walter Laqueur is a detailed country-by-country analysis of Europe's most recent history.

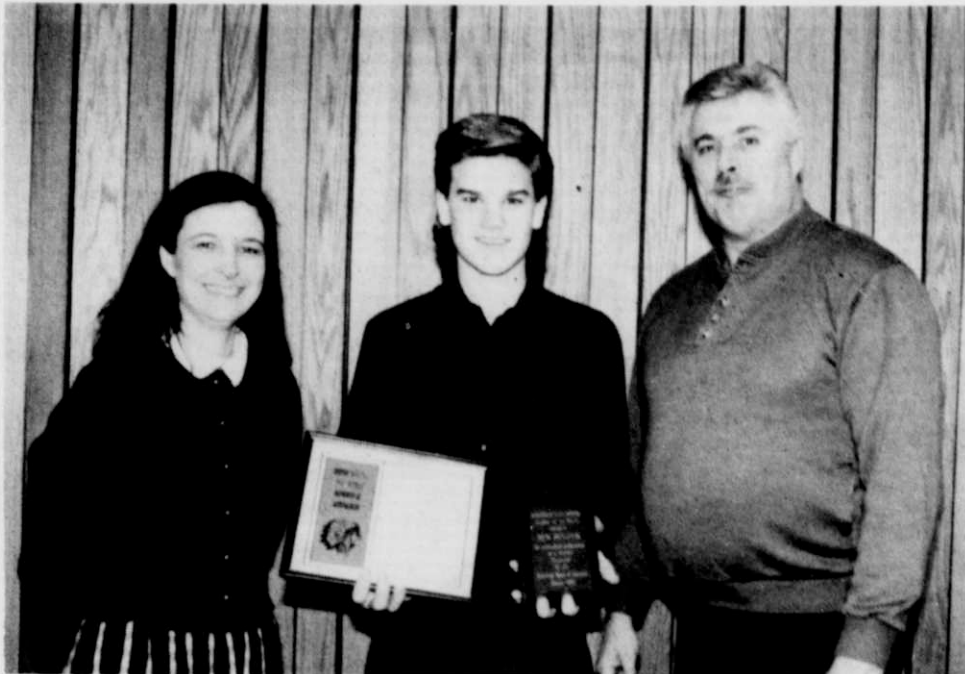

## School Board Student of the Month

By Gerry Mueller  
Statesman Staff Writer

Ben Belger, the son of Monty and Kathy Belger, Kewaskum, has been chosen the School Board Student of the Month for March.

Ben is a sophomore, taking Physical Education, English II, Biology, Concert Band, U.S. History, Algebra, Art II and Health. Belger's other activities include participation in the Pep Band and golf team.

Ben's selection as Student of the Month is unique in that he was nominated because he has demonstrated growth during the year. Quoting from one of his teachers, "Ben Belger has really shown great improvement these past few weeks. When one of my students had some problems and couldn't be in a group, Ben stepped in and took over the part. He really did a great job and should be recognized for what he did."

Assistant High School Principal Susan Ihler, left, student of the month for March, Ben Belger, center, and School Board President Neal Wear.

# KMS Folk Fair Plays to Overflow Audience

Julie Haberman, left, and Bobbie Jo Johnson, right, selected the country of Sweden as their folk fair project.

James Broughton, left, and Matt Fehlhaber, right, manned their display booth on Germany.

KMS students performed the Ribbon Dance before a SRO (standing room only) audience.

Almost every folk fair booth offered visitors a chance to sample a country's ethnic foods.

By Gerry Mueller

The Kewaskum Middle School's Folk Fair '92 proved to be another success for teachers Diane Stangl and Kathy West as students of the sixth grade classes performed before an overflow audience last Wednesday.

The fair guests, including parents, friends and students from the neighboring parochial schools, were treated to a program of dances, skits, and musical performances.

The best part of the fair, however, is always the opportunity to browse among the many display booths where visitors can taste samples of the ethnic foods prepared for the event by students and their parents.

## American Family Insurance Group Continues Growth

MADISON... American Family Insurance Group proved its strength by continuing to grow in 1991 despite difficult economic conditions, according to company president, Harvey Pierce. "It was our third-best year ever in new business applications, creating a policy count of 4,970,811. That's a growth rate of approximately 1 percent in a year of war and recession in our country," said Pierce at the company's Annual Policyholders Meeting held recently.

Pierce reported that the company increased its policyholders' surplus by 19.4 percent in 1991, to a total of more than \$971 million. He cited several underwriting, claims and actuarial programs the group began in 1991 which helped increase revenues

more than 10 percent, to nearly \$2.45 billion.

American Family made net claim payments of \$1.38 billion on its property and casualty policies in 1991, and \$22 million on its life insurance policies. Although 1991 costs increased 3.5 percent over 1990, strong performance by the Group provided a net income after taxes of more than \$68 million.

Pierce said that during the past 10 years, American Family has reduced its expense ratio (the company's cost to do business) by 5.5 percent. On a base of premiums of \$2.2 billion in 1991, this lower ratio resulted in a premium savings to policyholders of \$121 million.

Chairman Dale Mathwich spoke about the healthy overall condition of the insurance industry despite drastically increasing costs for medical care, car repair, lawsuits and fraud. He said the industry is fighting to reduce those costs and keep insurance

affordable.

During the meeting, held at the company's office at 3099 E. Washington Avenue, in Madison, Barbara A. Parish, president of Wis-Pak, Inc., Watertown, was elected to the Board of Directors. Re-elected to the Board were Robert E. Walton, president of Grace Animal Services, De

Forest; and Carl A. Weigell, president of Motor Castings Company, Milwaukee.

American Family is the largest insurer of autos and homes in Wisconsin and offers auto, home, health, life, business and farm/ranch insurance in 12 states.

## 1992 Focus On Careers

Every new day creates a new career. Our fast paced technology is constantly creating new opportunities and careers for the future.

To better prepare the students for these new and exciting opportunities, the schools and businesses of Washington County hosted the 3rd annual Focus on Careers. Over 150 business representatives were on site to discuss the careers in Washington County.

Business representatives were present from The West Bend Company, Menasha, Serigraph, Regal Ware, the Hartford and West Bend Hospitals, Cedar Haven, B.C. Ziegler, Integrity Tours, Broan, Pike Lake State Park, WBKV and Channel 10, Village of Germantown and Washington County Sheriff's Department, plus many, many more. Middle and high schools from throughout the county brought students in to meet with the business representatives.

This year's countywide Focus on Careers was open to the public (no admission fee) and was held at UWWC, on Tuesday, April 14, from 8:30 a.m. - 3:00 p.m. Corporate sponsors for this year were: Serigraph, Inc.; CDM Tool & Mfg. Co.; Regal Ware, Inc.; The West Bend Co.; and Wisconsin Electric Power Co.

## LESTER J. SCHNEIDER

Lester J. Schneider, of West Bend, died Saturday, April 18, 1992, at St. Joseph's Community Hospital, West Bend, at the age of 77.

He was born April 6, 1915, in Rozellville, Stratford, Wis., to the late Nicholas J. and Elizabeth (nee Bendel) Schneider.

In 1920, the family moved to the St. Michaels area in the town of Farmington and later settled in the town of Kewaskum.

After his marriage to Margaret E. Otten at Immaculate Conception Church, West Bend, on June 25, 1938, they settled on a farm in the town of Barton.

Prior to his retirement, he was employed as a carpenter contractor.

Survivors include his wife; six children, Deanna (Anthony) Fruzyna of Green Bay, Kathleen (Roger) Schmitt and Robert (Carol) both of Kewaskum, Charlotte (Glen) Straub of Campbellsport, Renee (Steve) Braun of Markesan and Ronald (Linda) of Allenton; 11 grandchildren; three sisters, Anita (Frank) Vogelsang of West Bend, Cresence Thull and Angeline Zacho, both of St. Michaels; a brother, Edward (Arlene) of St. Michaels, and other relatives and friends.

He was a member of the National Geographic Society.

Funeral services were held on Wednesday, April 22, at 9:30 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10 a.m. at Immaculate Conception Church, West Bend. Rev. Patrick Wendt was the presider, and burial followed in St. Mary's Cemetery.

Visitation at the funeral home was on Tuesday from 4 to 8 p.m., with a prayer vigil at 8 p.m. and Wednesday morning prior to services.

## EVANGELINE B. KOLITZ

Evangeline B. Koltz, nee Bramer Anhauser, of West Bend, died Friday, April 17, 1992, at her residence, at the age of 68.

She was born Oct. 1, 1923, in Beaver Dam, to the late Melvin and Ellen (nee Bohnert) Bramer.

For a number of years she was employed at shoe factories in Beaver Dam and Lomira.

After her marriage to Erwin G. Koltz in Arlington Heights, Ill. on May 2, 1959, they settled in Campbellsport where she and her husband owned and operated a hardware store. In later years she worked with her husband in the AAA Insurance Agency in Milwaukee and then in the AAA Insurance offices in Lakeland, Fla. and Ocala, Fla.

After her husband's death on Oct. 7, 1986, she moved to West Bend where she lived up to the time of her death.

Survivors include two

daughters, Barbara (Fred) Bleck and Mary (Eugene) Biegler, both of West Bend; five grandchildren, Brian (Carrie) Bleck, Michelle (Kurt) Mehring, Renee Biegler, Melanie (John) Roehl and Holly Biegler; two great-grandchildren; Joshua and Jessica Bleck; a sister, Lillian (Rev. Milton) Kading of Beaver Dam; an uncle, Elmer R. Bohnert of Juneau; a niece; three nephews and other relatives and friends.

A sister preceded her in death. She was a member of the Lutheran Laymen's League.

Funeral services were held on Tuesday, April 21, at 11 a.m. at St. John's Ev. Lutheran Church, West Bend. Pastor George Mumm officiated and burial followed in Washington County Memorial Park.

Visitation at the Schmidt Funeral Home, West Bend, was on Monday from 5 to 8 p.m. and at the church Tuesday from 10 a.m. until the time of services.

The family prefers memorials to St. John's Ev. Lutheran Church or to the American Diabetes Association.

## WILLIAM J. WAGNER

William J. Wagner, 74, of the Town of Barton, died Sunday, April 19, 1992, at St. Joseph's Hospital, West Bend.

He was born July 25, 1917, in the Town of Barton to the late William J. and Catherine (nee Marx) Wagner.

He was a lifelong resident of the Town of Barton on the Wagner homestead where he farmed until his retirement.

Survivors include a sister, Margaret Wagner of West Bend; a brother, George P. Wagner Sr. of West Bend; three nieces, Sr. Rosemary Herriges of Racine, Kathleen Wagner and JoAnn (Ralph) Schaeffer, both of Madison; a nephew, George P. Wagner Jr. of West Bend; three great-nieces; a great-nephew; a brother-in-law, Carl (Verna) Herriges of West Bend, and other relatives and friends.

Preceding him in death were a sister, Rose Herriges, and a sister-in-law, Leona Wagner.

He was a member of the St. Joseph's Society and the Catholic Order of Foresters.

Funeral services will be Thursday, April 23, at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Immaculate Conception Church. Rev. Patrick Wendt will be the officiant and burial will follow in St.

Mary's Cemetery.

Visitation at the funeral home will be Wednesday after 5 p.m. with a prayer vigil at 8 p.m.

## MARION E. THEUSCH

Marion E. Theusch, nee Schloemer, of the Town of Mitchell, died unexpectedly on Friday, April 17, 1992, at her residence.

She was born October 14, 1910, near West Bend, to the late Charles and Elizabeth (nee Lorenz) Schloemer.

She graduated from West Bend High School and attended Manitowoc Teachers College. She taught school in Washington County for a number of years.

On September 14, 1937, she married Raynor Theusch in West Bend where they lived until they moved to the Town of Mitchell in 1941.

Her husband preceded her in death on January 3, 1963.

She was a member of St. Michael's Catholic Church, Parnell, and a member of its Christian Mothers and Altar societies.

Survivors include two sons, Robert of the Town of Mitchell and James (Kalen) of Franksville; a daughter, Shirley Theusch of the Town of Mitchell; two grandchildren, Kristyn and Adam Theusch; two brothers, Lester and Roland, both of the Town of Trenton; a sister, Sylvia Staehler of St. Michaels, and other relatives and friends.

A funeral Mass was held Monday, April 20, at 11 a.m. at St. Michael's Catholic Church, Parnell, preceded by family rites at the Wittkopp Funeral Home, Plymouth, at 10:30 a.m. Rev. Richard Fetherston was the celebrant, and burial was in Holy Angels Cemetery, West Bend.

## WILFRED DAHMAN

Wilfred J. Dahman, 82, of rural Bridgeport, died Friday, April 10, 1992 at the Prairie du Chien Memorial Hospital.

He was born August 29, 1909 in Grant County to Philip and Mary Cathman Dahman. He married Virginia Kavon in Galena, Ill.

He farmed in the area and had worked at the Hiram Walker Wood plant for many years.

Surviving are his wife, Virginia; two sons, Larry and his wife Sharon, of Prairie du Chien and Manuel and his wife Judy, of Kewaskum; and five grandchildren, Sam, Traci, Laurel, Renee and Sue.

Funeral services were held Monday at St. Gabriel's Catholic Church in Prairie du Chien, with Father Hubert Boschert officiating, with interment in Calvary Cemetery in Prairie du Chien. The visitation was Sunday at the Garrity Funeral Home in Prairie du Chien.

Mark A. Ziegelbauer, of West Bend, died Thursday, April 16, 1992, at the age of 31.

He was born July 30, 1960, in West Bend, to Raymond and Erna (nee Zimmermann) Ziegelbauer.

He graduated from West Bend West High School in 1978, and at the time of his death was employed as a tool and die maker.

Survivors include his father, Raymond of West Bend; two sisters, Mary Ziegelbauer of West Bend and Sandra (Dale) Liepert of Kewaskum; a brother, Gary (Glennis) of Slinger; five nieces and nephews, Guy and Amy Liepert, and Amanda, Barbara and Michael Ziegelbauer, for whom he was also godfather, and other relatives and friends.

Preceding him in death was his mother in October, 1982.

Private funeral services were held Saturday, April 18, at the Schmidt Funeral Home, West Bend, with Rev. James Strupp officiating. Burial was in Holy Angels Cemetery.

## IN MEMORY

In loving memory of LLOYD KELLER, who passed away one year ago, April 26, 1991:

They say time heals all sorrow,  
And helps us to forget,  
But time so far has only proved,  
How much I miss you yet.

God gave me strength to take it,  
And courage to take the blow,  
But what it meant to lose you,  
No one will ever know.

Sadly missed by his mother,  
Althea Keller.

It keeps more than memories alive.

## Electric Co. to Link Lomira/and Auburn Substations

MILWAUKEE — A major step toward ensuring reliable future electric service to the Kewaskum, Lomira and Campbellsport areas was taken recently.

"We filed our plan to build a 138,000-volt transmission line from our Butternut Substation in Lomira Township to our Auburn Substation in Auburn Township," said Richard Darling, senior local relations representative for Wisconsin Electric Power Co. The plan was filed with the Public Service Commission of Wisconsin (PSCW).

If approved by the PSCW, construction of the new 12.5-mile line and associated substation equipment would begin in June 1994, and be completed and in service by December 1994.

Public information meetings were held in Ashford Township Jan. 9 to outline the project for area residents. Approximately 120 people attended the sessions.

"We've already taken several steps to defer additional line construction as long as possible," Darling said. "Our Smart Money Energy Program, which will continue to be actively promoted, has helped reduce electrical demand in this region. In addition, we've modified our existing electrical system to help defer additional construction."

"But if we don't take additional steps now to upgrade the system, we could have serious electrical reliability problems — low voltage or overload conditions — if one of the two lines presently serving the

area is forced out of service."

At present, the Butternut and Auburn substations each are fed by a single transmission line. The construction of a connecting 138-kv line between the two substations will protect against lengthy power outages and will increase service reliability in the region.

The proposed line will run between the Butternut Substation, located on Super Drive west of U.S. Highway 41, and the Auburn Substation on U.S. Highway 45, south of Old Bridge Road. More than half of the route uses existing road, railroad and transmission line rights-of-way.

## KEWASKUM 4-H EXPRESS

The April meeting of the Kewaskum 4-H'ers 4-H club was called to order by President Joanne Lemke at 7:00 p.m. on Thursday, April 2.

Flag pledges were led by Jennifer Butzlaff and Spring Gehring. Roll call was taken and the secretary and treasurer reports were given and accepted.

Reports were given by: Spring Gehring on the 4-H shirts and the Bowl-A-thon. LeAnne Pomeroy reported on the March dance. Mrs. Lemke reported on Celebrate Family Activity. Joanne Lemke reported on IPC Training.

REMINDEES: Speaker and Poster program is April 21, 1992 at 6:30 p.m. Awards will be given out at approximately 8:00 p.m. at the Washington County Courthouse in West Bend.

All animal project members: Remember to read the 4-H Cloverline for events and workshops related to your areas. A great way to get more involved and better learning about your projects.

Birthday for April was Brooke Zanow. Terrific Thursday Camp will be June 25 and July 9th at Glacier Hills Park in the Hartford area. Counselor deadline for application is June 1.

The motion to adjourn the meeting was made by Jeremy Jaycox.

Demonstrations were given by LeAnne Pomeroy on Forensics speech on Little Red Riding Hood. Amy Deshotels demonstrated on decorating Easter Eggs. Tina Jaycox demonstrated on making Easter bunnies.

Our next meeting will be Thursday, May 7th at 7:00 p.m. and refreshments will be served by Jennifer Butzlaff Family and Jamie Gerlach Family.

## WAYNE CRUSADERS 4-H

The April 14, 1992 meeting of the Wayne Crusaders 4-H Club was called to order by President, Bridget Ritger. Pledges were led by Melissa Ritger and Kelly Darmody.

Sarah Ritger read the secretary's report and Jeanine Steiger gave the treasurer's report.

We have collected \$103.91 in our "Penny Save." Our goal is a mile of pennies or approximately \$885.00.

Members were given an up-to-date health report on our "club grandmother, Della Keonigs," who has recently become a resident at the Samaritan Home in West Bend. Grandpa Koenigs attended our meeting and told all of us to stop by to visit her or send her cards.

The County Bowl-A-Thon was held on March 22. Kim Resch and Jim and Brad Oelhafen bowled for our club, collecting \$118.79 in pledges.

The Music and Drama Festival will be held on Sunday, April 26 at UWWC at 1:30 p.m. Our club will be represented by Amanda Klemme with a piano solo and the following members doing our drama act, GRAT Grant Gift: Keith Novotny, Rik Novotny, Bridget Ritger, Adam Bingen, Jolie Bingen, Angela Bingen, Brad Oelhafen, Amanda Klemme, Ryan Herman, Kerry Peterson, Pat Herther and Aaron Martin.

The Washington County Poster and Speaking Contest was held on Tuesday, April 21 at the Courthouse. Club members who did speeches are Angela Bingen and Brad Oelhafen. Seven club posters will also be judged for awards.

We will be doing a June Dairy Month Window Display and possibly working at Breakfast on the Farm.

A 4-H Day at the Dells is being planned, with details at the May meeting regarding the cost and location of pick up.

General leader Carol Oelhafen, has corresponded with the Manager of Agricultural Training

at Boys Town in Nebraska. It is a home for troubled kids, and over 200 of their youth will be employed in agricultural jobs this summer. We are possibly planning to do a pen pal correspondence with some of these youths as a club project.

Honor roll awards were distributed.

Bridget Ritger gave an interesting and educational program on how to do your record book. She had supervised the county Record Book Rally, and she showed everyone how to keep and explain their records.

## FARMINGTON 4-H

The March meeting was very fun! We made our recycling posters for the Poster Contest and there were many different ideas.

The AAL (Aid Assn. for Lutherans) provided us with good information on recycling and coloring books. I would like to say Thank You to the AAL for making these materials available to us.

Mrs. Hermann reported on the music and drama festival preparations. Practices are being held weekly and are going smoothly. They have a very enthusiastic group.

Rayelle Miller and Erica Voeks gave a cake decorating demonstration at the March meeting. We told how you should oil and flour a figure cake pan, what are the basic tips, how to wrap a parchment bag, and showed how to decorate a cake which was our snack for the meeting.

Members were reminded to collect their aluminum cans and bring them to our monthly meetings for recycling.

## FINANCE - TRANSPORTATION - BUILDINGS & GROUNDS SUB-COMMITTEE

April 11, 1992  
Minutes

Meeting was called to order at 8:30 a.m. in the library of the high school.

Members were all present and include: Jeff Rohrer, co-chairman and media person; Otto Ramthun, co-chairman; Emily Land, Al Fleischman; Joe Harlow; Chuck Vogge; Larry Ammel; Jim Rix; Clark Pearson; Sue Buechel; Dean Scheel; Dave Rizzardi; Terry Heberer, Jean Goeden; Glen Hartmann.

Non-members present were: Chuck Heidner, Principal of Kewaskum High School, Dr. David Heather, Superintendent of Schools; Fred Boehlke, Buildings & Grounds Supervisor; Neal Weare, President of the School Board.

Neal Weare informed the sub-committee of its proposed goals and objectives for the next year. Weare said to look at the athletic facilities such as:

1. Possible relocation of the football field to the high school track area and/or to improve the lighting to be more adequate.

2. The track needs repairing and maybe can be combined with the football field and be accomplished at the same time.

3. Feasibility and possibility of building an auditorium including a study of community need and desire for this.

4. Tennis courts - in dire need of repair.

5. Kewaskum High School - structural cracks on face of building along the south side of the building.

6. Locker facilities for teams.

We will investigate these six items as to financial costs involved including utilizing corporate funding if available, fund raisers, and also a timeline for accomplishment of items by priority.

Jeff Rohrer and Otto Ramthun will co-chair this subcommittee with Jeff also being the media person. All calls are to be directed to him if any member is approached by the media.

We then left for a tour of the grounds.

High School - south side of building:

There are rusted panels and structural cracks in the office wall. An engineering firm did an estimate five or six years ago on replacing the front panels outside with block and this was presented to the state for an IPC grant to get matching funds. The state denied it because by closing windows there wouldn't be any gain as far as energy conservation. Discussion was brought up about having an engineering firm again do an estimate on replacing the glass in the office area and the cafeteria. Solar powered panels were discussed and found not to be feasible for our area because of the amount of sunny days in winter.

**Future Improvements:** a) extending the science rooms because they are too small and the air quality is questionable because the ventilation is not good - no fresh air is brought in; b) a health room is needed. The room used now is a storage area with a cot - no bathroom facilities are close; c) expanding the cafeteria to include all the students during any given noon hour instead of having them scattered throughout the hallway and Rose Hall.

Tennis courts: Surface is in very bad shape. Speculation was that there was not a good base laid down before they put the surface on. There was an injury there last year - a girl sprained her ankle. Surface has large cracks and is very uneven. The school board will vote on Monday, April 13, 1992 to do something with the road next to the tennis courts. This road is on too high a grade and all run off goes to the tennis courts. Improving this road will also help traffic with buses so they do not have to interfere with the faculty and student parking areas.

**Future Improvements:** Expanding the tennis courts to accommodate the amount needed for league play in accordance with other schools in the conference.

Parking lots: All are in need of repair. The insurance company requested a section of the parking lot area between the high school and middle school be repaired so students wouldn't trip and be injured on the broken up asphalt. Pot holes are prevalent.

Track area: Six lanes are not adequate. Most schools have 8 lanes. It

is a blacktopped surface. **Future Improvements:** Study growth of the community and possibly close off the access road to the east of the field and build new locker rooms with the weight room in between them and use them for football and track facilities. Put up bleachers and a new press box area and expand the present lanes to 8 lanes. The asphalt surface is approximately 12 years old and was ressealed 3 years ago.

Locker rooms:  
1. The boys' phy. ed. and visitor locker room located off the new fieldhouse is in sad shape. It gives a very poor impression of our district. There are mismatched and deteriorated lockers - some with no locks or even doors, etc.

2. Training room area located off fieldhouse: This area is used to tape athletes before events and also used as a first aid room for sports injuries. It also holds the athletic director's office. This area is unisex and also has a certified trainer on contract to the school district that comes as needed. The room is complete with a whirlpool.

3. Girls' locker room - it also is the phy.ed locker room for girls. It is located off Rose Hall. The girls do not have a sports locker room.

4. Boys' locker room - is located in the basement area under the stage area of Rose hall. It is just adequate. With 100 kids going out for football things are jammed. There are not enough lockers to control equipment theft or borrowing. Showers are not adequate with some not working at all.

5. Weight room - is located in the basement section of the 600 section of the high school. It is adequate but located on the wrong end of the building. It is not convenient being so far away from the other athletic facilities so are not well utilized. Student generated monies were used to buy the machines that are there. Is available for both sexes to use.

**Future Improvements:** Add weight room on with new locker rooms in access road to west of the high school.

Band room: It is the most heavily used room in the school. 20-25 students are there on any given non-class hour. Storage area is very limited for instruments. Band room itself needs remodeling. **Future Improvements:** Add on to future auditorium area.

Choir room: Is located in a regular classroom. The sound quality, if any, is very poor. It is disruptive to classrooms near by. Room is not adequate when large choirs meet for practice. Room also used for storage. Risers cannot be used in this small room. **Future Improvements:** Add on choir room to future auditorium.

Football field: It is located at the grade school. The school district owns the field and the lights. The lights are not adequate and are also unsafe. A bucket truck must be used to change bulbs because the poles are not safe to climb. Bray and Associates recommended a minimum lighting level of 30 ft. candles. Our present level is 7.92 ft. candles. This leaves a deficiency of 22.08 ft. candles. This study was done 9/27/90. Two Rivers, New Holstein, and Plymouth Schools just upgraded their football fields. Elementary grade school needs that area for a playground during the football season. Seating is not adequate. Kewaskum Athletic Club uses the football field in fall for youth flag football on Saturday afternoons.

Baseball diamonds:  
1. Boys' hardball is located at the grade school. Baseball games are not held at night often. They will have an 8 team conference this year so they won't have much need for lights. With it being located close to the football field they tried lighting both sports fields with the same set of lights - hence, the lighting is not adequate for either. J.V. hardball diamond is located behind the tennis courts. It is on a flood plain. Land-O-Lakes hardball team pays a fee to use the facilities and they do donate upkeep of the diamond and about \$1,000 a year.

2. Girls' softball - the diamond is located opposite the hardball diamond at the grade school. It would need dugouts to be equal to the boys' diamonds.

Soccer: Addition of soccer to sports in the future. By moving the football

field over to the track area, it could also be used for soccer. Drawback would be wear and tear on surface with both practices and playing on that grass. Maybe work with the community and use their facilities. It is offered at Plymouth, Chilton and New Holstein Schools. To move it near the tennis courts the DNR would be involved because that area to the river's edge is on a flood plain.

Girls' golf: Possibly offered in the future. Now any girls wanting to go out for golf can be on the boys' team. Had no girls interested this year.

Election of officers:  
1. Sue Buechel was nominated and accepted the position of secretary.  
2. Treasurer - it was decided that we would not need anyone at this time.

3. Internal Research Committee: Co-chairman Larry Ammel and David Rizzardi. This will be composed of the teachers on the committee. Their job will be to compose questions for a questionnaire to be distributed to the teachers on the auditorium such as seating capacity, music room, art room, chorus room, football field, construction and maintenance of the high school building. We need this survey to go before the school board with statistics.

4. External Research Committee: Chairperson Jean Goeden. This group will consist of everyone else on the committee. Their purpose will be to contact outside sources such as other school districts, industry in the community, village agencies, etc.

a. They are to check out surrounding schools to see how they are funding their projects, and check the costs of projects they've done.

b. Check out the size of the school relating to seating capacity of the auditorium. Does it satisfy their needs? Did it involve a referendum, and if so what was the school board's response to the referendum?

c. Who does layouts in the area such as architects, design groups, etc. Keep it local if possible.

d. Check out DNR involvement with building and moving of the football field, etc.

Dave Rizzardi made mention of a questionnaire compiled 2 years ago. They'll check that out.

Hand out sheets included:

1. Conference athletics, schools, enrollments, number of sports, number having pools and/or auditoriums.

2. Football field lighting levels study from 9-27-90.

3. Sub-committee list of members and their home phone numbers. A comment was made about having work numbers added.

The next meeting dates are April 15th at 7:30 p.m. in the high school library and May 6th at 7:30 p.m. in the high school library.

Minutes respectfully submitted 4-14-92,

Sue Buechel

## Eggs the Second Time Around

There are countless ways to use leftover hard-cooked eggs.

"Eggs are a high-quality protein food. They're more than decorations or breakfast food," says Tami Karls, poultry marketing specialist with the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP).

"You can serve them as a quick and easy dinner entree or hearty lunch. Use them hard-cooked atop English muffin halves or potato salad, or serve them with sauced or creamed vegetables," she says.

Most folks mention egg salad when asked about how they'll use up Easter eggs, but there are many other ways to use leftover hard-cooked eggs. The easiest is to simply eat the eggs whole, with a sprinkling of salt and pepper.

Mixed green salads offer a final destination for many post-Easter hard-cooked eggs. Rice them in a Cobb salad, or rice, slice or wedge them for a spinach salad, Add them as wedges to a Chef's or three-bean salad.

But if egg salad is your choice, you can make it simple with mayonnaise, salt and pepper. Or dress it up with capers, olives, herbs, avocado, salsa, diced ham, bacon, cheese and cucumbers.

Having trouble peeling eggs? It's easier to remove the egg shell by crackling it gently all over. Roll the egg between your hands to loosen the shell, then start peeling at the large end. Hold the egg between your hands to loosen the shell, then start peeling at the large end. Hold the egg under running cold water or dip it in a bowl of water to help ease off the shell. If your hard-cooked eggs were made from eggs that were at least a week old, you'll find them easier to peel.

And what about the contents from blown-out eggs? You can use the edible contents blown out of eggshells in any recipe where yolks and whites are mixed and thoroughly cooked. Use the contents immediately after they've been blown out, or else freeze them for later use. Most baked dishes such as casseroles, custards, quiches, cakes or breads are good uses for blown-out eggs.

## Gambling Winnings Fully Taxable: IRS

Gambling winnings are fully taxable and, within limits, gambling losses are deductible, according to the Internal Revenue Service.

Winnings from all types of gambling, including charitable gambling, casinos, raffles, state lotteries, and dog and horse track betting, must be reported on the "other income" line on the front of Form 1040. If federal tax is taken out of your winnings, you may claim credit for it on the "federal income tax withheld" line on the back of Form 1040.

If you itemize, the IRS says you may claim gambling losses as a miscellaneous deduction on Schedule A. However, this deduction cannot be more than your winnings. So, for example, if your gambling winnings for the year are \$1,000, your deduction for gambling losses cannot exceed \$1,000. Anyone reporting either gambling winnings or losses cannot use the 1040A or 1040EZ short forms.

An accurate diary or similar record of gambling winnings and losses should be kept along with tickets, receipts, and other documentation. These supporting records need not be sent in with your tax return, the IRS says, but should be retained in case of audit.

To listen to a recorded IRS message on gambling income and expenses, call Tele-Tax toll-free at 1-800-829-4477 and request tape number 219.

## Minutes of Village Board Meeting

Regular Meeting  
April 6, 1992  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger, Trustee Larry Williams asked to be excused and was absent. All other Trustee Members were present. A quorum was present.

On a motion by Trustee Mark Vechart, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the minutes of the March 16, 1992 meeting was approved as printed.

The Village of Kewaskum Auditor's Conley, McDonald & Company were present to review the audit prepared for the Village or the year ending December 31, 1991. Mr. Nicholas Quartaro and Mr. John Knepel were present for the review. Mr. Knepel reported that they were able to give the Village a clean opinion and that the records of the Village were in excellent condition. It was noted that the Village has established a designated working capital account and that the end result showed a positive revenue figure as a favorable expenditure figure for 1991. Moody's or any other financial institution would look at the financial condition as being real favorable.

It was also noted that the Water Utility rate of return was only 2.6 percent with the Public Service Commission ordering a 6 percent rate of return in reference to the newly adjusted rates as being implemented for the second quarter of 1992.

The Sewer Utilities rate of return was 10.4 percent which reflects a stable condition for that department.

The Auditors indicated the Village is in good financial condition as well as all of the records. It was noted the TIF is now self sufficient and if the district continues to grow the debt should be paid off earlier than anticipated. The Village's limit of debt is at approximately 50 percent, which is extremely good. Mr. Knepel and Mr. Quataro both thanked the Board and the Administrator and his staff for their assistance and complimented their work.

On a motion by Trustee Mark Vechart, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board suspended the rules to take action on IX. A. acceptance of the audit report as presented and B. extending Conley, McDonald & Companies accounting/auditing for an additional three years. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board accepted the audit as presented by Conley, McDonald & Company. President Mary Krueger extended the Board's appreciation to the auditors as well as thanking the Administrator Daniel Schmidt and Deputy Clerk Janet Knops for a job well done.

Discussion was held on extending Conley, McDonald & Companies accounting/auditing services for three additional years. The Board looked at what some other communities are having to pay and indicated that the cost to the Village are comparable and the job performed is good. On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board appointed Conley, McDonald & Company as the Village's auditors for another three years at a cost of \$9,500 for 1992, \$10,200 for 1993 and \$10,900 for 1994. The Administrator noted the reasonable rates are related to the fine job the Deputy Clerk, Janet Knops does for the Village.

Fire Chief Robert Stoltzmann shared the March 1992 monthly report with the Board as follows:

Fire calls — 0, Year to date 5.  
False alarms — 0, Year to date 1.  
Jaws of life (used) — 0, Year to date 2, (not used), Year to date 0.  
Rescue calls — 13, Year to date 39.  
Miles — 222.  
Burn permits — 10, Year to date 12.  
Chief of Police, Richard L. Knoebel informed the Board of calls of concern

regarding the use of skate boards, roller skates and roller blades on the streets. The Board advised the Chief to check into an ordinance to control the use of the above.

Director of Public Works, Jerry Gilles reviewed several items with the Board including a report regarding fat, grease and oil. A review of plans and cost for a shelter for in the beach area was discussed. On a motion by Trustee Robert Beisbier, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board tabled the matter until some additional information and cost estimates may be compiled.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board authorized the advertising for bids to asphalt and mill Riverview Drive as placed in the 1992 budget.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the repair work on Pump House No. 2 to the low bidders. Heberer Brothers for the roof and building repair at a cost of \$11,179.00 and West Bend Fence for the pump house fencing at a cost of \$1,660.00.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board authorized a contract with Struck & Irwin for Slurry Seal Coating of some street for 1992 at a cost of \$.82 per square yard. The estimated street cost to be \$6,917.52.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board approved the application for an Operator's License upon proper payment of fees and authorized the office to issue said license as follows: Kenneth F. Wagner, Kewaskum, WI. Note: The Police Department had no objections to the application.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board authorized President Mary Krueger to sign the letter to the Department of Public Instructions as reviewed.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the Village Board Reimbursement Policy as revised and reviewed.

Administrator Daniel S. Schmidt reviewed the following with the Board.

- 1) Balance sheet for the period ending February 29, 1992
- 2) League of Wisconsin Municipalities bulletins and Taxpayer Alliance bulletins.
- 3) The request for limited parking on Braatz east of Western Avenue.
- 4) A variety of correspondence.

On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$163,327.74
Sewer	22,881.91
Water	8,170.99
Payroll	24,305.30
<b>TOTAL</b>	<b>\$218,685.94</b>

P/R Checks #3342 to 3396  
A/P Checks #4458 to 4659.  
Chairman of the Park and Recreation Committee, Larry Williams announced that a committee meeting would be held on April 20, 1992 at 7:00 p.m.

Board Representative for the Library Board, Trustee Gary Gavin reported that the Library circulation was up by 19 percent from a year ago and that for the month of March the circulation was 2,625 of which 723 was Washington County, 293 other Counties and 1,459 was the Village.

Administrator Daniel S. Schmidt advised the Board that the report regarding the sidewalk rehabilitation program has not been received from the Engineers.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority voice vote, the Board appointed Gordon C. Hoffmann Building Inspector on a 120 days probationary period. During which time details regarding a continuing contract will be reviewed for possible Board action. Mr. Hoffmann will be reimbursed at 75 percent

of those appropriate building permit fees generated. Trustee Robert Wagner voted against.

Discussion and action was taken on Resolution No. 92-10 a resolution adjusting the building, electrical, plumbing and related fees as attached hereto: Note the building permit fees were last adjusted in 1984 and the electrical and plumbing in 1971.

Action was taken on Ordinance No. 92-3 an Ordinance to amend Public Peace and Good Order as it would pertain to unauthorized presence on public school property as attached hereto:

Action was taken on Ordinance No. 92-5 an Ordinance to Amend Licenses and Permits to allow for the sale of wine at Special Picnic or Gatherings as attached hereto:

Action was taken on Resolution No. 92-8 a resolution regarding the Establishment of Minimum Wages Scale for contracted services as attached hereto:

Action was taken on Resolution No. 92-9 a resolution of Support for Washington Counties Efforts in being the Host County for the 1995 "Farm Progress Days" as attached hereto:

Administrator Daniel S. Schmidt reported to the Board on a couple of recycling items including the proposed rule changes from the DNR.

Trustee Mark Vechart submitted his resignation from the Board effective June 1, 1992.

Daniel S. Schmidt  
Administrator

## Minutes of Village Board Special Meeting

Special Meeting  
March 31, 1992  
Village Board  
7:00 p.m.

President Mary Krueger presided. All Trustee Members were present. A quorum was present.

Mr. Gordon C. Hoffmann a Certified Building Inspector was present to inform the Board of his operation regarding inspecting and issuing building permits. The Board was informed that he wanted the Village to provide his insurance, pay a pro-rate portion of his continued education, to implement a licensing of electricians, to adopt his suggested fees and establish his reimbursement at 75 percent of the building permit fees generated.

On a motion by Trustee Mark Vechart, seconded by Trustee Robert Wagner and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

## Rock River Oldtimers Add Five To Their '92 Hall of Fame Ballot

Mayville and Hustisford each have provided a pair of new names for the '92 Rock River League's Hall of Fame ballot.

At the Rock's Oldtimers' association annual business meeting on Saturday, Al "Mina" Micklas and Tom Hartwig, Mayville, and Al Alt and Wally Rohrschneider, Hustisford, were chosen, along with Art Hauser, Rubicon, to fill out the Fame ballot.

They join the five unsuccessful candidates from last year's slate: Marv Klawitter (Burnett team), Bob Kampstra (Randolph), Don Beifuss (Lowell), Roy Maass (Lebanon) and Bob Kay (Rubicon).

Five of the 10 then will be elected to the Hall by the Oldtimer membership in mail voting next September.

The late Irv Buchert, Water-

## Eau Claire Memorial Gets Hockey Award

By Statesman Sports Writer

STEVENS POINT — Eau Claire Memorial High School was recently named the recipient of the 1992 State Hockey Tournament Sportsmanship Award.

WIAA Executive Director Douglas Chickering announced earlier this month that the Eau Claire team won the award on the basis of the overall conduct of players and fans during the 1992 tournament. In becoming the second winner of the award, Eau Claire Memorial will receive a plaque and banner.

Chickering commended the sportsmanship of the hockey players, their coaches and community supporters at the 1992 state tournament, as he congratulated administration, coaches and players at Eau Claire Memorial for winning the award.

Noting that "sportsmanship continues to be, and always will be, a major concern of the WIAA," Chickering said "we will continue to emphasize the importance of good behavior as an absolute necessity in our high school sports programs."

He also mentioned the difficulty in determining a winner of the award, noting that several schools were under consideration for the 1992 honor. A representative of Wisconsin Power and Light Foundation, along with Chickering will formally participate in presenting the award to the school.

### WISCONSIN COUNTY MAP BOOK AVAILABLE

A complete set of the seventy two Wisconsin County Maps bound into one book is available.

The book contains 128 pages of maps and other useful information. The format of 22 x 16 inch page, double page spread size, provides easy-to-read maps.

Brief descriptions of each county and a small Wisconsin map insert show the county's location in the state. Supplementary information in a second color on each map details state parks, nature preserves, public hunting grounds and other public recreation facilities.

A copy of this publication is available by mail for \$13.95 from: County Maps, P.O. Box 5096, Madison, Wisconsin 53705-0096. Ask for the publication, WISCONSIN COUNTY MAPS, Number 10M-192-R.P.

Each Wisconsin County map shows all Federal, State, County and Town roads.

town, a player at Lebanon during the 1930-40 era and league umpire in the '50's, was voted into the Rock's Posthumous Hall of Fame.

Induction will take place at the Oldtimers' Hall of Fame dinner set for October 31 at the Hustisford Firemen's Hall.

All three Oldtimer officers also were reelected at the meeting in Mayville: President Carl Heimerl, Jackson, Vice-President Rube Schuster, Theresa, and Secretary-Treasurer Bud Bellon, West Bend.

## Announce State Sportsmanship Awards

By Statesman Sports Writer

STEVENS POINT — The winners for the 1992 State Basketball Tournament Sportsmanship Awards were announced recently, with Pecatonica winning the girls Sportsmanship Trophy, and Columbus winning the boys award.

The announcement was made recently by the Rural Insurance Company of Madison, affiliates of the Wisconsin Farm Bureau Federation, and the longest continuous sponsor of the televised tournaments. The WIAA and Rural Ins. Co. jointly establishes criteria for determining desirable levels of sportsmanship.

The judging panel consists of members of the WIAA Tournament staff, University of Wisconsin ushering services, policy and security representatives, and personnel from hotels where teams were housed for the tournament.

It should be noted that schools in the state tournaments were required to play a minimum of the two games to be eligible for the Sportsmanship Award.

Appropriate awards will be presented to both Pecatonica and Columbus High Schools later this month by Rural Insurance Company and WIAA Executive Director Douglass Chickering who will represent the WIAA at those ceremonies.

## Early Pregnancy Class Offered

Teachers of The Bradley Method (R) of Natural Childbirth from West Bend and Port Washington will present a free early pregnancy class Thursday, April 23, at Bank One West Bend, 801 W. Washington (Hwy. 33) at 7 p.m.

This class is offered as a community service and is open to expectant couples, their families, and others who want to learn more about natural childbirth.

"Children At Birth," a film featuring four family-centered, unmedicated births will be shown. The film captures the joys of sibling participation, along with the benefits of natural birth.

Participants will learn about how to stay low-risk during pregnancy to maximize one's chance of a natural birth, and reduce the need for interventions. Specific topics will include tips for good nutrition, substances & things to avoid, and exercises for a more comfortable pregnancy and easier birth. Special relaxation and visualization techniques for labor will also be demonstrated.

There is no cost for attendance, but reservations are requested. For more information or reservations, please call Jane in West Bend at 338-6986 or Barbara in Port Washington at 284-7069.

## KEWASKUM ATHLETIC CLUB YOUTH DIVISION HARD BALL SIGN UP

The Kewaskum Athletic Club-Youth Division has again joined the Blue Cadet Lakeshore League. The league play starts late in May and ends in the middle of July. We will be playing games mostly against communities that play in our High School conference.

We are looking for youths who are too old to play Little League, and yet too young to play high school ball. Any youth interested in playing, please fill out the form below and send it to Jerry Marx, 707 Moraine Court, Kewaskum, WI 53040 as soon as possible. The sign up DEADLINE IS APRIL 24, 1992.

We are going to be starting practice in the next week or so, as you can see time is of the utmost importance, so please return the sign up sheet before the deadline date.

## Stitt Proposes Moratorium On Binding Arbitration Law

MADISON... In an effort to reform a state law that has "increased property taxes year after year without relief," State Senator Donald K. Stitt (R-Port Washington) has introduced Senate Bill 571 to suspend the state's mediation/arbitration law for five years.

"The current mediation/arbitration law is responsible for local spending above the local ability to pay," Stitt said.

"Something must be done to return some equity to local labor contract negotiations."

Passed in 1977, the mediation/arbitration law allows parties that have reached a labor contract

impasse to petition the state for binding arbitration. If the state determines an impasse exists, an arbitrator must pick the final offer of one party.

Stitt's bill allows a neutral fact-finder to develop a voluntary resolution to the impasse, instead of the current "all or nothing" approach.

"The problem with this law is it allows someone from Madison to come into a community and decide how high local taxes will be without considering local ability to pay," Stitt said.

The bill would not apply to law enforcement and fire fighting employment.

# Indian Girls Roll in Triangular

Handoffs on the 800 relay team were a bit sloppy on Tuesday, but this one from Tina Schwartz to Kelly Korth (left) goes off without a hitch. Ginger Wiesner (right) is already a holder of two KHS school records, and the sophomore had a part in three wins in the triangular, here winning the 400.

By Statesman Sports Writer

**CAMPBELLSPORT** - Not even cool temperatures and a strong wind could slow down the Kewaskum girls track team in a triangular here, last Tuesday.

The Indians rolled to 11 firsts in the 17 events to easily out-distance foes from Campbellsport (44) and Cedar Grove (19). The KHS total of 106 was their highest in any meet this season.

The meet gave KHS coach Perry Koth a chance to see how his troops would fare in trying elements, and also gave Koth a chance to enter some of his runners in different events, for conditioning, as well as for experimental purposes.

"We moved some people around. (The conditioning) helps them in the shorter races," Koth said of the switches. As for the conditions, "It was really cold, and that always slows things down. But it went pretty well."

Not slowing down a whole lot was senior hurdler Christa Schmidt, who recorded wins in both the 100 Highs (18.1) and 300 intermediates (53.4). "Those were pretty good times, considering the weather," Koth said of Schmidt's efforts.

Koth was fortunate to have a pair of Schmidts on his roster, as the two combined for three firsts and a second. Tammy Schmidt set a personal best in the shot put (34-7.5), and also had her best throw in the discus (103-4) in taking second to teammate Robyn Winninghoff (107-9).

"That's her best ever, and it's a big jump," Koth said of Schmidt's throws. As for Winninghoff's toss, "That's really getting up there."

"She ran real well too," Koth said, referring to Chrissy Neumann, who won both the 1600 run (6:08) and the 800 run (2:45). "She's really coming on."

Soph sensation Ginger Wiesner had a hand in three victories, winning the 400 run (67.0) and helping the 800 and 1600 relay teams to firsts. Tina Schwartz, Kelly Korth and Greta

Kuphal aided in the 800 (1:54), while Schwartz, Neumann and Julie Mertz helped the 1600 unit (4:35).

"I switched the order in the 800 (relay)," Koth said, noting there were a couple of bad handoffs because of that. "Greta actually had to stop completely (on the last handoff). That's going to happen though, so it didn't bother me too much."

Koth was also pleased with the fact that Kim Sabish won the triple jump (26-10.5), while Wiesner (14-5), Kuphal (12-11), and Terry Vogt (12-10.5) finished 2-3-4 in the long jump. "The jumps (distances) were down a little, but that (Sabish's win) was nice to see."

Mary Yahr also had a good meet, winning the High Jump (4-5), and taking second in the 100 highs (18.8) and 200 (29.90). In fact, the Indians were 1-2-3 in the 100 highs, with Jessica Rohrer placing third (19.2). Rohrer also helped KHS to a similar finish in the 300 int's, taking second (56.5), while Vogt was third (58.1).

The Indians also took the top three spots in two other events. In the discus, Beth Kempf's toss of 89-8 was good enough for third, while in the high jump, Winninghoff and Melissa Rohrer also cleared 4-5 to take second, and third respectively.

Koth said he will continue to flop different runners in the 400 relay unit, until he finds a good chemistry. The unit was barely edged by the Cougars (56.22 to 56.24) at the wire, as C. Schmidt, Neumann, Schwartz and Rachel Gosa teamed up for this meet.

"Rachel turned her ankle right

before the race, so I don't know if that was a factor," Koth said of Gosa, who was the final Indian runner on the unit. "We're going to try and get our best combination in there. That time has to come down a bit."

Koth will now turn his attention to getting his runners healthy and ready for the Washington County Outdoor Meet next Tuesday at Germantown. This week, after Tuesday's triangular at Waupun, the Indians will host Sheboygan Falls on Thursday and will not host another meet until May 14, the day of the Eastern Wisconsin Conference Relays.

# West Bend to Host Badger State Games 5 KM Run

Southeastern Wisconsin athletes of all ages and abilities are invited to catch the Olympic spirit and compete in the Badger State Summer Games Region 6 sports competition June 12, 13 and 14 in West Bend.

A 5 KM run and recreational youth soccer have been added to the list of West Bend regional sports, which also includes: basketball, adult golf, novice tennis, and youth track & field. The regional entry deadline is May 29. Track & field athletes are reminded that there is no on-site registration again this year.

"We're encouraging all athletes to enter as soon as possible," said Sandra Mulry, Badger State Games director of competition. "We don't want to turn away any potential participants, but some of our sports may fill up quickly."

Eric Lund, West Bend, is the

director for Region 6. Regional sponsors are: Amity Leather Products Co.; M&I First, National Bank; Serigraph, Inc.; Bank One; Gehl Co. The West Bend Co.; the City of West Bend; Regal Ware, Inc.; West Bend Mutual Insurance, the West Bend Chamber of Commerce; and B.C. Ziegler & Co.

Athletes living in the following counties should compete in West Bend; Columbia, Dodge, Fond du Lac, Green Lake, Marquette, Ozaukee and Washington.

Top teams and individuals will qualify for the finals in Madison June 26-28. The finals will feature 25 sports. The 1991 Badger State Summer Games attracted a record 18,123 athletes, an increase of 7 percent compared to the 1990 festival. Nearly 830 athletes participated in last year's regional at West Bend.

Persons interested in volunteering for the regional should contact Dan Roskopf at (414) 334-5571 or Nancy Roskopf at (414)338-1188. For lodging details and other local information, call the West Bend Chamber of Commerce at (414) 338-2666.

Athlete handbooks and registration materials will be available at all Wisconsin Hardee's restaurants starting April 25. Athletes may also contact the Badger State Games offices in Madison at (608) 251-3333.

Major sponsors of the 1992 Badger State Games are: AT&T, Dairy Farmers of Wisconsin (Wisconsin Milk Marketing Board), GTE, Hardee's, Wisconsin Bell and Wisconsin Physicians Service Insurance Corp. (WPS).

# Oshkosh Community YMCA to Host Judo Clinic Saturday

By Statesman Sports Writer

**OSHKOSH** - The Oshkosh Community YMCA and the Fox Valley Judo Club will be hosting a judo clinic conducted by the 1988 Olympic silver medalist Lynn Roethke next Saturday morning, April 25th.

The clinic will be held from 10:00 a.m. to 1:00 p.m. at the Oshkosh Community YMCA, located at 324 Washington Avenue in Oshkosh. The cost of the clinic is \$5.00 per person, or \$1.00 for spectators.

Roethke, a member of the West Bend Judo Club for the past 25 years, has once again made the U.S. Olympic Judo Team, and will be going for the gold at the 1992 Summer Games in Barcelona, Spain.

Refreshments will be served by members of the Fox Valley Judo Club, and all proceeds of the clinic will be donated to help support Roethke's quest for the Olympic gold this summer. For more information, call clinic director Mehdi Mohammadian at (414) 231-2952, or call the Oshkosh YMCA at 236-3380.

## Field Events Carry KHS Boys

Senior Jeff Dirmeier continues to lower his times in the 800 and 1600 runs. Left, Dirmeier leads teammate David Gosa in the 1600. Dirmeier won, and Gosa eventually took third. Right, Kim Marx hands off to Beau Coulter (foreground) in the 400 relay, while Tyler Dieringer prepares to pass the baton to Travis Jacak for the KHS JV unit in the background.

**CAMPBELLSPORT** — It was another all-around effort, but the field events is clearly where the Kewaskum boys track team shined in a triangular track meet with Campbellsport and Cedar Grove here, last Tuesday.

The Indians finished 1-2-3 in both the triple jump and the shot put, and added a 1-2 finish in the high jump, leading KHS to an easy win in the meet with 94.5 points. The Cougars were next with 58.5, and the Rockets third with 25.

The cold and windy conditions didn't favor the field events one bit, with the long and triple jumpers, as well as the pole vaulters, running straight into the wind.

"It was difficult for the field events, the jumps especially," said KHS coach Jerry Gosa, who watched as Brian Bruendl (36-2), Dave Bowser (34-8.5), and Wade Kreis (32-4) topped all others in the triple jump.

Gosa also saw his weight people come through big once again. Dan Schulteis continued to shine in the shot put (39-5) and discus (110-11), winning both events. Jim Rix (37-11.5) and Willie Kreis (34-1) were right behind Schulteis in the shot, while Rix added a fourth in the discus (101-6).

"Dan has been doing a really

## West Bend Judo Open Planned

### By Statesman Sports Writer

**WEST BEND** — The West Bend Judo Club, under the direction of Joseph and John Sanfillippo, will be hosting the 20th annual West Bend Judo Open on Saturday, May 16th, at the Silverbrook Middle School in West Bend.

The Tournament will be sanctioned by the U.S.J.I. and will be open, as all National Judo Organization Memberships will be accepted.

I.J.F. Judo Rules will apply, and the divisions for the judoka will be established the day of the tournament. Most groups will have five pre-divisions using the round-robin elimination system. Trophies will be given to 1st, 2nd, and 3rd place finishers, while ribbons will be given for 4th and 5th places. Awards will be given to all Judoka who participate.

The entry fee for the tournament is \$10.00 per individual, or \$25.00 for a family rate. The sign-in time begins at 9:00 a.m., with the starting time slated to be 11:00 a.m.

For more information, call Jon Sanfillippo at 644-8211.

nice job. The distances were down a bit," but Gosa was happy to see the junior win both throws. As for Willie Kreis, Gosa said "He's been doing real well, working very hard," and the work has been paying off.

In the high jump, both Beau Coulter and Travis Jacak cleared 5-8, wit Coulter taking first because of less misses. "Considering it was so cold out, that (5-8) was pretty good," Gosa said.

Gosa's best distance runner, Jeff Dirmeier continued to impress, winning both the 800 (2:11), and the 1600 (4:49). "That was his best of the season," Gosa said of Dirmeier's mile.

Kim Marx also continued to roll up victories, winning the 100 dash (11.51) and the 300 hurdles (42.3), as well as lending a hand in the 400 relay unit's win. Marx joined Coulter, Keith Herman, and Wayne Sterns to clock a 48.1. Marx bettered the field in the 300 hurdles by almost five seconds.

"He continues to run well," Gosa said of his senior ace. "His times are really good for this early in the year."

Gosa was also pleased with the showing of junior Chad Harlow, who won the 110 highs with a 16.7 clocking. "I was really happy to see that," he said. "He's starting to come on real well."

Brad Jackson's effort of 11-0 in the pole vault was good enough for the first, while Keith Herman ran another personal best in the 400 (53.4), good enough for second. "That's really good, considering he hasn't been out for track since the 7th grade," Gosa noted.

Gosa also had words of praise for distance runner Tony Rix, who also recorded another personal best in the two-mile, although it wasn't good enough to place him in the top four. "He's been getting steadily better, but it always doesn't show up in the (places)."

After a triangular meet Tuesday at New Holstein, Gosa will get his team ready for the Washington County Outdoor Meet at Germantown on Tuesday. "That should be a difficult test," Gosa said, adding that he hopes for a higher finish than the sixth place showing at the County Indoor. "Things open up a bit outdoors on the larger track."

## Awards Banquet Honors Outstanding Female Basketball Players

Recently, the School District of Kewaskum and Camelot Country Club hosted an Awards Banquet in honor of the members of the 1991-92 Kewaskum High School Girls Basketball Teams. Fans, friends, family and school staff members were invited and in attendance at this end of the season annual event.

After the catered meal was served and seemingly enjoyed by all, the Awards Presentation started with a hearty round of applause for the caterers. The presentation of awards was conducted by the K.H.S. Girls Basketball Coaching Staff.

Initially Mr. Glenn Eichstedt, Head Coach, read several awards and certificates of appreciation to be issued to statisticians, announcers, managers, video tapers and timers. Special recognition for services rendered went to Mr. Larry Ammel of the Booster Club, Mr. Ed Slegler and Mr. Steve Cundy for keeping the scorebook, Mr. Bill Lickel, Mr. Perry Koth and Mr. Clark Pearson for announcing the games as well as the Richard Schlice and Jeff Rohrer families for video taping.

Then assistant coach, Mr. Keith Amundson, was called upon to present his junior varsity players with their respective certificates, numerals or individual awards for their accomplishments. Mr. Amundson himself was the recipient of a large plaque honoring his twenty years of service to the district, especially as the best assistant in the business. He reciprocated by dispensing recognition awards for all team members who had survived the coaching of his mentors.

As the presentation progressed to the varsity level, Coach "IKE" commented upon and congratulated each team member as they were individually called up to receive their awards, certificates, letters and medals. Then trophies were given for each of the following categories: Leading Rebounder & Field Goal Shooting Percentage (Robyn Winninghoff), Team Leader in Assists and Steals (Bonnie Schlice), and the Top Two Free Throw Shooting Percentage (Christa Fleischman

and Ginger Wiesner).

Finally, the Major Awards selected by the team members and coaches were proudly presented for distinction in the areas of leadership, fundamentals, enthusiasm, hustle, improvement and performance. Each Major Award Winner received a Special Team Plaque in honor of their selection and recognition by their teammates and staff.

After receiving their awards, the team members took control of the festivities by sharing some stories and humorous anecdotes from the recently completed season. Players also took time to thank the many participants involved in the girls basketball team promotions, including the canned goods collection, the Booster Club Brat Fry, the Friday Fish Fry & Tie Night, the school clinics, the Saturday morning slammers & shooters program, the bowling tournament, the return of some

members of the 81-82 State Tournament Team, the Senior Recognition Cake & Ice Cream reception, not to mention the post sectional Fuddruckers Free-for-All. All in all, a very successful year despite the wins & losses, especially winning the WIAA Regional Championship.

The evening concluded when the coaches were presented gifts, including fish ties with hooks for tie tacs and with the coaches offering not only their gratitude but a bit of perspective as well. A quote by Greg Swindoll in respect to attitude was included in the program for the evening and applied to their overall season and an emotional referral to the recent passing of the girls basketball head coach from Oakfield, Bob Caves. Those two items combined helped all to realize the value and purpose of winning.

All those in attendance were given a grand tour of the new Camelot Country Club Clubhouse, complete with Lounge, Meeting Rooms, Restrooms, Shower Rooms, Offices, Kitchen, Fireplaces, Etc...Players and Parents were dismissed to prepare for next year and Summer Basketball.
