Week's Wit

Conversation is a form of communication in which some people never stop to think and others never think to stop.

Shefond Amoco, Hot Stuff Pizzeria Presented with Bronze Plaque

Shefond Amoco Food Shop and Hot Stuff Pizzeria of Kewaskum were the recent recipients of a bronze plaque presented by Hot Stuff Food Service of Sioux Falls, South Dakota, for outstanding performance in their "Elegance Challenge" program.

The top 10 percent of 600 Hot Stuff Pizzeria outlets in the country received either Gold, Silver or Bronze awards in the "Elegance Challenge." The stores were rated according to sanitation, customer service, sales, product quality, and overall appearance. The Campbellsport Hot Stuff Pizzeria won a gold plaque in the same award program.

Pictured above, left to right, are Don Spangenberg of Shefond Oil, Tracy Amerling, assistant manager, and Jan Bartelt, manager, and Joe Kuntz of Hot Stuff Food Service, presenting the award.

Shefond Hot Stuff Pizzerias in Kewaskum and Campbellsport recently introduced a new, fresh Hot Stuff deli sub sandwich line to compliment their already successful pizza products. The subs are made to order and the sub buns are baked fresh daily.

Kewaskum Frozen Foods Wins State Award at Convention

Kewaskum Frozen Foods of Kewaskum, won an award for one of their products at the Wisconsin Meat Product Show at Madison on April 11.

The winning product was the skinless weiner which received the Grand Champion Award in the weiner class.

Those who attended the show from Kewaskum Frozen Foods were owner Bob Beisbier, Manager Al Schickert and his wife, Cindy, and Supervisor Russell Oelhafen and his wife, Janice.

The show, held in conjunction with the 53rd annual state convention of the Wisconsin Association of Meat Processors, is the largest meat product show in the United States. It involves meat processing plants and meat

markets from throughout the state. This year 923 products were entered into the 27 product categories of the show. The competition was judged by food scientists from the University of Wisconsin, visiting meat processors from other states, and other food-industry professionals.

The size of this product show and the quality of its entries demonstrates the important role that sausage and processed meats play in Wisconsin's meat industry and among state consumers. The state ranks third in the nation in total sausage production. The popularity and wide variety of sausages and processed meats available in Wisconsin reflects the state's rich German and middle-European ethnic heritage.

KMS Musical Set for May 8

On Friday, May 8, at 7:30 p.m., in Rose Hall of Kewaskum High School, the Kewaskum Middle School Music Department will perform the musical "Last Chance High."

Eighty KMS musicians will take the stage and tell the story of a juvenile delinquent high school where no one can get out, even on weekends. Several "nice" students (Jamie L. Gaffke, Marnie Winninghoff, Julie Thull and Brad Luterbach) get transferred to this "Last Chance High" through a computer error and are doomed to a lifetime of not learning and getting picked on by the high school bullies and under-achievers (Nikki Yogerst, Karl Ankerson, Jason Liegl, Joe Hawig, Tim Breitag, Ryan Radtke, Angie Breitag, Angie Bindrich and Nadalie Reindl).

Other "characters" in this school include a drill sergeant principal (Dave Ruhland), a fruit-cake psychiatrist (Katie Yogerst), a bag lady who takes over the kitchen duties (Carrie Krell), a punch-drunk, ex-boxer teacher (Ryan Herman) and two English janitors (Penny Landvatter and Christa Dehler).

All is not lost, however, as two student teachers (Michelle Thull and Jessica Gerlach) get transferred in, through another computer error, and teach all of the students to feel good about learning.

Tickets may be purchased at the door the night of the performance or by contacting a cast member. The adult price is \$2.00 and any student or child ticket is \$1.00.

Woodwind Quintet Concert Set for May 5

Cedar Valley Center, located at 5349 Hwy. D (near Kohlsville), is hosting a concert by the Lakeland College Woodwind Quintet on Tuesday, May 5. The concert will follow a dinner served at 5:30 p.m. The concert will start at 6:30 p.m.

Members of the community are welcome to attend this special event to enjoy food for the body and music for the soul. Admission to the dinner/concert is \$6.50 per person.

For reservations, please call 334-9487. Reservations can also be made at the Cedar Lake Home Campus reception desk at 5595 Hwy. Z, West Bend, or at the Cedar Ridge Retirement Campuses reception desk at 113 Cedar Ridge Drive, West Bend.

St. Lucas Offering Second Preschool Session

Since our first two afternoon preschool sessions have been filled, St. Lucas will be offering another two afternoons per week of preschool.

One class will assemble on Tuesday and Thursday afternoons. The other session will take place on Monday and Wednesday afternoons.

Classes are limited to an enrollment of ten, and run from 12:30 to 2:30 p.m. Your child must be four years old by Sept. 1st. Dismissal bussing at 2:30 is provided. Handbooks are available.

Call Deborah Hoenecke (626-8235) for further information.

Senior Citizens Invited to KHS

Any senior citizen who would like to take part in a game or more of Bingo is invited to do so on May 17th.

The Kewaskum High School student council has a senior citizens afternoon planned. There will be a meal served and Bingo games going on.

It starts at noon and is taking place at the Kewaskum High School. Please R.S.V.P. at 626-2166 by May 8th. Donations will be accepted at the door.

Scout Holy Hill Pilgrimage May 3

The Holy Hill Pilgrimage for all Daisies, Brownies, Girl Scouts, Cadets, Senior Girl Scouts, Tiger Cubs, Cub Scouts, Boy Scouts, Varsity Teams, Explorer Scouts and their families will be held Sunday, May 3, at 2 p.m. at Holy Hill, 1525 Carmel Road, Hubertus (Highway 167, eight miles west of Highway 41).

Participating units are asked to bring their flag and flag stand for the Parade of Flags.

Recipients of youth religious awards will be recognized during the service and adult awards will be presented after the service at 3 p.m.

An ice cream social and reception will follow the program. Cost of the social is \$3.00.

Pilgrimage patches will be available. Everyone is invited to take self-guided tours of the Bell Tower, the grounds and the gift shop.

For more information, call Tom Montag at 252-3859.

Regal Ware Promotes Mehta KHS Government Class to Host Guest Speaker from Wisconsin Taxpayer Alliance

Kewaskum Statesman,
Thursday, April 30, 1992, Page 2

Inder Mehta

Regal Ware, Inc. has announced the promotion of Inder Mehta to the newly created position of Vice President-International Sales.

In this position, Mehta will have overall responsibility for the growth and development of Regal's international markets.

Mehta joined Regal in 1971 and has served in various sales and marketing positions, gaining extensive international marketing experience. His solid background and broad experience will ensure continued growth in the international marketplace.

A graduate of the University of Delhi, India, he also holds a master's in business administration from Marquette University, Milwaukee.

Regal Ware, Inc. is a major manufacturer of cookware and kitchen electrics headquartered in Kewaskum.

KFD Fire and Rescue Squad Calls

Monday, April 20, 10:47 a.m. The rescue squad was called to Mapledale Manor when a female needed to be transported to the hospital to see the doctor.

Wednesday, April 22, 5:59 p.m. - The fire department responded to a call across from N860 Hwy. G to put out a small grass fire. The fire was extinguished and only 1/2 to 3/4 acres burned.

Saturday, April 25, 8:25 a.m. - The rescue squad was called to Windy Acres Drive, Kewaskum, when a male patient felt as if he was going to have a seizure. He was also concerned due to a past operation he had.

Students in the Government class at Kewaskum High School will learn more about their role in government and the importance of active participation in the democratic process when John Forester, Education Director of the Wisconsin Taxpayers Alliance, visits them on Friday, May 1, beginning at 1 p.m.

In his classroom presentations, Forester draws from his experience in education and state government. He has instructed students at both the high school and university levels and has served as the Director of Children's Issues for the current Lieutenant Governor. He has a B.S. degree in Secondary Education from the UW-Whitewater and an M.A. degree in American History from the UW-Madison. He is a licensed social studies teacher for grades 7-12.

By discussing the political process, taxes, spending and other state issues, Forester helps students realize the impact government has upon their lives.

VILLAGE OF KEWASKUM ★ NEWS NOTES ★

The Village of Kewaskum would like to remind the residents of the Village that fish along the Milwaukee River to properly dispose of the fish caught. This topic is covered in the Village's Municipal Code under Chapter 10, Public Nuisances. More specifically under 10.03, Public Nuisances Affecting Health, (3) Unburied Carcasses.

Carcasses of animals, birds or fowl not intended for human consumption or food which are not buried or otherwise disposed of in a sanitary manner.

Anyone fishing and leaving their catch lay in the park or elsewhere in the Village is in violation of the Municipal Code and is subject to 10.12 Penalty and as provided for in Chapter 25.04 of the Municipal Code.

Scholarships Available

High school students in Ozaukee and Washington Counties interested in learning more about careers in natural resource management can apply for a scholarship to attend a week-long Natural Resources Careers Workshop at the Central Wisconsin Environmental Station near Stevens Point. Two, full tuition scholarships will be awarded by the Ozaukee Great Lakes Sport Fishermen.

Natural Resources Careers Workshops have been run for over a decade and are in their tenth year of co-sponsorship by the University of Wisconsin-Stevens Point and the Wisconsin Department of Natural Resources. The three one-week workshops for individuals 16 years and older, focus on career possibilities and gives participants a wide range of field experiences in the areas of natural resources and environmental protection. Natural resource professionals will help participants explore opportunities in forestry, fish and wildlife management, water and air quality, land use, park services, and law enforcement and environmental protection.

Workshops are scheduled for May 31-June 5, July 12-17, and August 9-14.

Any Ozaukee and Washington county high school student interested in the scholarship should contact Todd Knepfel at the Central Wisconsin Environmental Station, 7290 County MM, Amherst Jct., WI 54407. Telephone 715/824-2428. Application deadline is April 30.

MEMORIES

The above oldie photo of a newly wedded couple is none other than Norbert Becker (deceased) and Linda Reindl (Casper). They tied the knot at Holy Trinity Church on October 26, 1934, and were treated royally to a ride on a buggy thru town. Pessy Dreher (deceased), a friend of the couple, managed to get the horse from a fox farm. The horse was decorated and had Linda's name on one side. The couple was escorted by Chief of Police, George Brandt, to the corner of the former Graf Drug Store. *Linda Casper Photo*

Farmington PTO Promotes Bike Safety Week May 4-8th

In recognition of National Bike Month, the Farmington PTO will be sponsoring Bicycle Safety Week May 4th through May 8th.

Some of the special activities planned for the students will be the viewing of the video "Bicycle Safety Camp" (produced in cooperation with the American Academy of Pediatrics).

Mr. Russ Wanta of Pedal Moraine in West Bend, will be demonstrating bicycle maintenance to the students, and the PTO will also be sponsoring a poster contest. Participants in the poster contest, from each grade, will be eligible for a drawing in which the PTO will be giving away six bicycle helmets.

The PTO is urging bicyclists of all ages to protect themselves by wearing bicycle helmets. According to research cited, over 75 percent of all U.S. bicycling fatalities annually are caused by injuries to the head. As many as 80 percent of these deaths could be prevented by the use of bicycle helmets.

What people don't realize is how fragile heads are. Even a fall from a non-moving bicycle can cause permanent brain damage.

Nationwide between 700 and 1000 people die and over 500,000 visit the emergency room with injuries induced by bicycling falls or collisions each year. Parents are especially encouraged to make sure their children use an approved helmet whenever riding. Parents also should wear helmets for their own safety and to be a positive role model for their children.

Today's helmets not only protect, but they are good-looking, comfortable and lightweight. The helmets being made available through this program come with a choice of lycra covers in attractive neon colors and prints that kids love to wear.

By ordering as a group through the PTO, children see that they will not be the "only one" wear-

ing a helmet. This virtually eliminates the negative peer pressure of wearing helmets. The discount program also makes them quite affordable. The PTO will be taking orders for the bicycle helmets May 4th to May 8th. An order form will be sent home with the students.

We CAN make a difference in the safety of the children in our community by conducting a bicycle safety program to promote bike safety and encourage helmet use.

Junior Women to Sponsor Children's Story Hour

The Kewaskum Public Library and Kewaskum Junior Woman's Club members are pleased to announce they will sponsor a children's evening story hour. The sessions will be held on Wednesday evenings, April 29, May 6, 13 and 20th from 6:45 to 7:30 p.m.

Fingerplays, stories, crafts, songs and games are some of the activities planned for your child. Any child, three to five years old, is invited to attend. There is no charge to attend but advance registration is requested. Any parent interested in having their child participate may register them by calling the library at 626-4312 or register in person at the library.

Any child participating must have a valid library card. Applications for a card are available at the library. Following each story hour, parents are encouraged to check out library books with their child.

Lac Lawrann Wildflower Sale May 9

Wildflowers, both prairie and woodland varieties, as well as perennial flowers will be available at the fourth annual Lac Lawrann Conservancy wildflower sale Saturday, May 9. The sale, which is held at the conservancy from 9 a.m. to 1 p.m., has always been scheduled for the day before Mother's Day so last minute shopping can purchase plants for their Mothers.

The wildflowers and perennials are donated for the sale by volunteers and friends of Lac Lawrann Conservancy. The proceeds from this year's sale will be used to buy supplies for the Lac Lawrann environmental education programs. Co-chairing this year's sale are lone Stodola and Sue Steinhafel. Stodola said, this year horticultural instructions will be available for each wild flower sold, giving a description of the plant and suggestions for planting and care. Because some of the spring wild flowers die back and disappear in the summer, people

may think they are dead and dig them up.

Volunteers have also made grapevine and willow wreaths, swags and baskets for the sale. Some of the woodland plants that will be for sale are: Canada mayflower, wild columbine, Mayapple, wild ginger, hepatica, spring beauty, Virginia bluebell, and trillium. Among the prairie or sun loving plants that will be available are: achillea, fall aster, New England aster, bergamot (monarda), purple and gray headed coneflowers and cardinal flower. Perennials will include: day lily, peony, shasta daisy, ajuga, Siberian iris, coralbells, phlox and common primrose.

Lac Lawrann Conservancy is located on the east side of West Bend on Schmidt Road, north of

Hwy. 33 and south of Hwy. 144. The conservancy is part of the West Bend Park Department and is open to the public through guided tours. Regular tours for the public are offered every weekend, beginning in April through June and again in September and October. Special tours for groups can be arranged through the West Bend Park, Forestry and Recreation Department.

In 1955 there were 363 strikes by workers in the U.S. In 1990 there were 44.

Coonen - Westerman

Willard and Kathryn Coonen of Brillion announced the engagement of their daughter, Laura of New Berlin, to Randy Westerman of Milwaukee, son of Lloyd and Rosie Westerman of Kewaskum.

The bride-to-be is a graduate of Brillion High School and of the University of Wisconsin -

Whitewater. She is employed as a systems consultant at Entree Computer Center in West Allis. Her fiance is a graduate of Kewaskum High School and of the University of Wisconsin - Milwaukee. He is a teacher at the Kenosha Unified School District. The couple is planning a November 21, 1992 wedding.

West Bend's Dr. Listwan Chosen As President of State Medical Society

William J. Listwan, M.D., of West Bend, was named April 24th, as the 139th president of the State Medical Society (SMS) of Wisconsin. The society, which represents 7,700 physicians and is the professional association for physicians in Wisconsin, held its annual meeting in Milwaukee last week.

Dr. Listwan has been a member of the directors since 1984, representing the district encompassing southeast Wisconsin. He has served as a member of the Physicians Alliance Commission and as a chair of the Medical Liability Committee, of which he is still a member. In addition, Dr. Listwan serves on the Task Force on Alternatives to the Tort System. He is also a member of the Physicians Insurance Company of Wisconsin Board of Directors and serves on the WISPAC (Wisconsin Physicians Political Action Committee) Board.

Dr. Listwan was elected president of the Washington County Medical Society and served from 1976 to 1977. He also served as President of the Wisconsin Society of Internal Medicine from 1989 to 1990.

A member of the medical staff of St. Joseph's Community Hospital of West Bend since 1974, Dr. Listwan served as president of the hospital's medical staff from 1986 to 1988. He was named medical director of respiratory therapy at St. Joseph's Community Hospital in 1979, and continues to serve in that capacity. Dr. Listwan is in practice at the General Clinic in West Bend and currently serves as clinic president. In addition to his practice,

Dr. Listwan is an assistant clinical professor of medicine at the Medical College of Wisconsin. He serves as medical director for several West Bend industries.

An internist, Dr. Listwan is a graduate of the Medical College of Wisconsin. Dr. Listwan will serve a one-year term as president, succeeding Cyril M. Hetsko, M.D., of Madison.

The future bride and groom are both 1991 graduates of Kewaskum High School and are both enrolled fulltime at the University of Wisconsin - Washington County.

The couple is planning a September 12, 1992 wedding.

State Medical Society President Dr. Listwan Takes On Family Violence

William J. Listwan, M.D., of West Bend, announced recently at the State Medical Society of Wisconsin's annual meeting that helping physicians prevent family violence will be a priority for him during his year as president for that association.

The medical society, which represents more than 7,500 Wisconsin physicians, is celebrating its sesquicentennial this year.

According to Listwan, more than 7,000 battered women and children spent more than 85,000

nights in Wisconsin shelters and safe houses in 1990, and 12 percent of those seeking refuge had to be turned away for lack of space. An average of 140 crisis calls are made each day in Wisconsin.

"Clearly, the numbers indicate an enormous problem... one that we have been reluctant to face," Listwan said.

Listwan noted that, each year, a third of the women murdered in this country are killed by their husband or boyfriend, and as many as 5,000 children die from abuse.

Elder abuse, Listwan said, is an emerging facet of family violence that has received even less attention.

Recognizing the responsibility of president as role model, Listwan pledged: "I have made it a personal goal of mine to become better educated about the issue, to learn how to discuss it with patients and obtain a reliable history, and to personally find out what resources are available in my community. As I travel the state as president, I will also try to raise the consciousness of other physicians and identify those who are willing, on a personal level, to become more involved.

KEWASKUM INDIAN BOOSTER CLUB

Chris Schoofs is Recipient of Earl and Eugenia Quirk Very Special Arts Wisconsin Scholarship

MADISON... Very Special Arts Wisconsin (VSA WIS) is pleased to announce that Matthew Reimann of Shell Lake and Matthew Probst of Stevens Point are the recipients of the Earl and Eugenia Quirk Very Special Arts Wisconsin Scholarship for 1992-93. Also receiving scholarships are past recipients Jennifer Main of Eagle River and Christopher Schoofs of Kewaskum.

The Very Special Arts Wisconsin Scholarships are designed to encourage and enable a graduating high school senior or undergraduate with a disability to further his/her education in the arts and serve as a role model for other young artists with and without disabilities.

This year a \$750.00 scholarship

was split between two high school seniors, Matthew Reimann and Matthew Probst. Matt Reimann will be a 1992 graduate of Shell Lake High School. He plans to attend Rochester Community College in Rochester, Minnesota to major in Music Education.

Matthew Probst will graduate from Stevens Point Area Senior High in May of 1992. He will pursue a music performance degree from the University of Wisconsin-Eau Claire.

Christopher is a 1991 graduate of Kewaskum High School and is a second year recipient of the \$750 scholarship. He is attending the University of Wisconsin-Milwaukee, majoring in art. Christopher has participated in many art shows and contests including: the Milwaukee Journal

Art Contest, DNR Turkey Design Contest, the VSA WIS Purchase Award and a public exhibition at the West Bend Gallery of Fine Art.

Jennifer is a 1990 graduate of Three Lakes High School and is a third year recipient of the \$750 scholarship. She is a junior at the University of Wisconsin-Stevens Point majoring in Art Education and Computer Graphic Design.

Very Special Arts Wisconsin is a non-profit, volunteer-based organization providing arts opportunities for children and adults with disabilities. It is accredited by Very Special Arts, an international organization and educational affiliate of the John F. Kennedy Center for the Performing Arts. Very Special Arts has been designated by Congress to be the coordinating agency of arts programs for people with disabilities.

Children's Service Society Offers Two New Services To Washington County

Children's Service Society of Wisconsin offers Washington County two new services for the community.

Pregnancy Counseling provides confidential in-home counseling to the expectant parents. Counseling is provided by a master-degreed therapist, referrals are given for prenatal care, and follow-up services after the birth of the baby. Fees are based on a sliding fee schedule

according to ability to pay.

Parenting education classes are offered for parents to learn effective ways to communicate with their children. Classes are set up in an eight week series that can either take place at your school or agency.

For more information please contact Ann Schoenherr, 505 Arcadian Ave., Waukesha, WI 53186, or call 338-2133.

'Dance for Heart' Benefit at Campbellsport on Saturday

The 4th annual "Dance for Heart" exercise benefit will be held on Saturday, May 2nd, at Columbus Parc in Campbellsport.

Registration is at 9:30 a.m. with the "dance" starting at 10:00 a.m. and ending at 1:00 p.m.

Interested persons can pick up a registration form at the Health Hut or register early, or call 533-4747 for info.

A free lunch and beverages will be provided. Everyone, young and old, are invited to participate.

You can have a fun time, plus take pledges for a good cause --- the American Heart Association. Prizes will be awarded, according to the amount raised.

Lazer Music (Tim Weis) is again, donating his time and talent by furnishing the sound system for the music; Wondra Small Engine their flatbed for the instructors, and Jeff Lindsley Construction is donating the generator to "keep things going"!

GOOD NEWS with Community Church

Second of a series of six messages by Donald C. Kurer

FRUIT OR FRUITLESS

What does it mean to be a Christian? Doubtless some would say, "It means to be saved and on the way to heaven." That's true, but have you ever thought that being a Christian also means to bear fruit for everyday?

What is meant by fruit? It is the life of Christ produced in the believer through the work of the Holy Spirit. In other words, the Christian life is not a continuous struggle in an attempt to do better, it is allowing God to live through us and control us.

Until one is made alive spiritually through the new birth, it is impossible to experience this kind of life. Though one may attempt to be holy in his own strength, he will fail miserably. Only the Lord can enable us to be what we should be. In II Corinthians 5:17, Paul wrote "if any man be in Christ, he is a new creature, old things pass away."

Community Church is located at 2005 S. Main St., West Bend. Sunday School starts at 9 a.m. and church at 10:05 a.m. Kevin Barrett is the pastor. Phone 338-0725.

District Tiger Cub Graduation

Marilyn Lexa, Tiger Cub Chairman, for Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, extends an invitation to all Tiger Cubs, their families and Cubmasters of associate packs to attend the Tiger Cub Graduation, Saturday, May 9, from 1 to 3 p.m. at Hawthorn Hills, County Trunk 1, Fredonia (next to Pioneer Village). The cost is \$3.00 per Tiger.

An Opening Ceremony, games and activities, a Graduation Ceremony and refreshments will be included in the program. Each Tiger will receive a graduation certificate and pin. Cubmasters should be present to welcome the new Cub Scouts.

For additional information, call Lexa at 629-9209.

Scout Leader Roundtable Rap-Ups Set for May 7

Glacier Edge District 11, of the Bay-Lakes Council of the Boy Scouts of America, will conduct Roundtable Rap-Ups for Cub Leaders, Boy Scout Leaders, District personnel and their spouses, Thursday, May 7, at John Long Middle School, corner of Fifth and Hickory Streets, Grafton. Registration will begin at 6:30 p.m.

Scout Roundtable Commissioner Tom Weirzbicki, and his staff will assist the Boy Scout Leaders with their Dutch oven cooking in the parking lot. In case of rain, they will dine in the All-Purpose Room. A small fee will be charged. For more information, call Wierzbicki at 375-4627.

Cub Roundtable Commissioner, Tricia Clark, and her staff will host a pot luck dinner in the all-purpose room. Cost is \$2.00 each, plus a dish to pass per family. Ham, rolls, coffee, punch and condiments will be furnished.

The agenda will include ceremonies, skits, songs, recognitions and awards. For additional information, call Clark at 994-9690 or Charlotte Bigelow at 377-8365.

Scout Co-Ed Retreat

All Girl Scouts, 6th grade through Seniors; Boy Scouts and Explorers; and their leaders are invited to attend the annual Scout Co-Ed Retreat, Friday-Sunday, May 1-3 at Camp Silverbrook, corner of Decorah Road and University Drive, West Bend.

Registration will be from 6 to 8 p.m. Friday, and departure will be Sunday at 10:30 a.m. This year's theme, "Looking for Our Place in This World," will appeal to Scouts of all religions.

The weekend program will include discussion sessions, an obstacle course, map and compass orientation, wilderness survival, field games, a Saturday night dance with a disc jockey and Sunday religious services. Units are responsible for their own food, and meals will be prepared in the unit sites.

The event is sponsored by the Catholic Committee on Scouting. For additional information, call Don Almquist at 774-1776.

Scout Leader Training

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will conduct Part 3, the Outdoor Sessions, of their Boy Scout Leader Training Course, "Scoutmastership Fundamentals," Friday and Saturday, May 8-9, at Camp Rokilio, Kiel. Check-in time begins Friday at 6:30 p.m.

All scoutmasters, assistant scoutmasters, committee members, Webelos leaders and commissioners are invited.

The Patrol System will be used and each patrol will cook their own meals.

For additional information, call District Training Chairman Art Herre at 377-8204.

What's Going On at the Kewaskum Public Library?

PROGRAMMING

The 44 children registered for the winter/spring story sessions continue to have a good time. They listened to Valentine stories and learned Valentine fingerplays. They made nice Valentines out of constructor paper and had a Valentine party the week of February 14.

Since then, they've listened to stories and poetry about George Washington and Abraham Lincoln in honor of Presidents' Day. The theme for the last week in February was "Hats Off to Books!" and the children brought funny hats to wear as they paraded through the library and municipal building.

Louise Martin from the Kewaskum Junior Woman's Club now helps with the Friday morning session.

DONATIONS

The Kewaskum Public Library would like to thank the Kewaskum Junior Women for donating the funds to purchase two children's books in honor of children born to two of their members.

Mrs. Bledsoe, Library Director, would also like to thank the Kewaskum Kitchenettes for their donation of money to be used for purchasing a book.

The (now disbanded) Washington County League of Women Voters donated money for the purchase of books.

"The library really appreciates donations such as these," said Mrs. Bledsoe. "It helps stretch our budget and allows us to strengthen our collection. All of these groups are to be commended for their willingness to help provide resources to the community."

SPECIAL FEATURE OF THE MONTH

As the March "special of the month" for adult readers, the library featured books about Wisconsin. Use one of these books as you plan for your summer traveling. Wisconsin has a lot to offer and the library has several new books about our state.

CAN YOU HELP?

If you buy Children's Tylenol products, would you save the outside package for the library? Please leave them at the circulation desk. Thank you.

MAGAZINES

The Kewaskum Public Library subscribes to almost 70 magazines. Although the current issue of each magazine is for in-house use only, older magazines may be checked out.

There is a limit of five magazines at a checked out for one week. Some of the magazines that the library has just recently begun subscribing to are: "Best Recipes," "Country Home," "Country Living,"

Fourth Grade Science Fair

K.E.S. Cafeteria was a busy place on April 13th and 14th. In addition to serving lunch to the whole student body on both days, it was the site of the first Fourth Grade Science Fair. The event was well attended by parents, families and friends. All of the student body was also invited to view the displays.

All the students in Mrs. Ammel's Science classes had been preparing for a month to get ready for the display. The first step was to learn how to choose and write a good question for a science fair. This was the hardest part for the children. The second step was to write a hypothesis, or a prediction of what you think will be the outcome of your experiment. After that the fun began, assembling the materials and doing the experiment. Building and decorating the display board was also a challenging and exciting part of the activity.

Everyone who came to see the Science Fair thought that the fourth graders did a wonderful job. Congratulations!!!

"Countryside," "House Beautiful," "Leisure Arts," "Mary Stewart Living," "Reminisce," and "Simply Cross Stitch." Other magazines such as "Life," "Newsweek," "Good Housekeeping," "Parents," and "People," are also available at the library.

Magazines for children include "Sesame Street," "Ranger Rick," and "Jack and Jill."

UPCOMING EVENTS

Even though it is still wintry, Mrs. Bledsoe and Mrs. Hlavaty have begun planning for the summer library program. The theme for this summer will be "Summer Quest."

The summer library program has been extended to include children ages three and up to those children just finishing fifth grade this spring. More information will be released at a later date as plans are finalized.

'Dancecircus' at UWWC On May 1

The University of Wisconsin Center - Washington County, presents Betty Salamun's DANCECIRCUS as part of their Fine Arts Series.

The concert of modern dance by the Milwaukee company explores different perspectives by several choreographers. The concert includes favorites from the company's touring repertoire and new works exploring ecological issues with humor and beauty.

The evening promises to be diverse in style and texture thanks to DANCECIRCUS' several choreographers. Titles include "Rags," an athletic dance set to ragtime music and "Shorelines," a childhood-at-the-beach reminiscence. "Jigsaw," takes unrelated pieces, causing them to flow and fit together. "I Live In My House," explores our relationship to the environment. "Nightwatch," deals with the native American healing ritual, incorporating the Indian Courting Flute, poetry and dance.

Artistic Director Betty Salamun is currently creating a new production of her signature piece, "A Sand County Almanac," with four parts to be seasonally developed through spring 1993. The first section, "Trading Awareness," has premiered and will round out the evening's program.

"Trading Awareness" is drawn from Professor Aldo Leopold's question of trading our environmental awareness of the seasons for academic education. Leopold described spring jetsam - "floatable objects pilfered from upriver" - as a "library where one may read at will" of the human impact on the land.

Performance is Friday, May 1, at the University Theatre, 400 University Drive, West Bend, at 7:30 p.m. Tickets are \$6 for adults; children under 18 and seniors, \$4. For further information, please call 335-5208.

80th Birthday Celebration Held

Isabelle Muckerheide attended the 80th birthday celebration of her sister, Helen Good of Neshkoro, on Saturday, April 25th.

After her return from Las Vegas, Helen was the guest of honor at a dinner at Silvercryst in Wautoma for her immediate family. Helen has two married sons, Robert and Charles, and a daughter, Jane. Then the fun began.

To her complete surprise, a dance was planned at a hall in Dakota. All of the townspeople were invited. The hall was filled to capacity. It is located in a wooded area and we saw 12 deer on the way over.

Music was provided by Syl Groeschel's Orchestra. Helen had played drums with a musical group so Syl invited her to accompany his band for several old time numbers. An enjoyable time was had by all.

Letters to the Editor...

Dear Editor:

In the world of Girl Scouting, there is no work more vital than that of the volunteers. They are the door that opens a wonderful world to girls. Through their selfless service, the girls of Wau-Bun Girl Scout Council enjoy the benefits of Girl Scouting. Girls learn to have confidence in themselves, to work together, to play together, to have consideration for others, and to appreciate the world around them.

All that is done for the girls in Wau-Bun Girl Scout Council is done freely and joyously... as a gift. It is only right and proper that acknowledgement be made of the volunteer's devotion and service during National Volunteer Week.

To each and every Girl Scout Volunteer we offer our sincere thanks and gratitude on behalf of the girls of Wau-Bun Girl Scout Council.

Sincerely,
Bitsie Bollen

the huge refiner and oil companies. You know, the ones based in Tulsa, Dallas, London or Amsterdam.

And if the small, local business owner and marketer is gone, the refiner-owned stations will charge what they please... and then gasoline at \$2.00 or more per gallon will be an unavoidable reality, because the healthy local competition will be gone.

That would be your small, local business owners, the ones who presently help pay for the sewers, and the fire and police, who use local services, bank at the local bank, give to local charities, employ local people, and pay a lot of taxes. Collectively, more than 1,200 independent retail outlets in Wisconsin represented by our 525 members of Petroleum Marketers of Wisconsin, employ more than 10,000 Wisconsinites. We urge you to seek out and patronize the independent petroleum marketers in your community, who are not owned by the big refiners, but who are being squeezed exceptionally hard by unfair competition and pricing policies these days.

WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

April 17, 1992

The Washington County Sheriff's Department, along with the Fond du Lac and Sheboygan County Sheriff's Departments, are looking for citizen help in identifying and apprehending burglary suspects who are committing forced entries to residences in all three counties.

All three counties have had similar daytime forced entry burglaries to single family homes. Similarities include: isolated houses near or in the Kettle Moraine State Forest Northern Unit, no one home, entry by door kick and/or window smash, and actors park near but not on property.

Suspect vehicles may include an older, probably mid to late 70's, mid-size to large maroon, dirty and/or rusty, 2-door car and a smaller red, possibly hatchback type car.

Items taken have included electronics, money and guns.

The Washington County Sheriff's Department asks citizens to be aware of suspicious vehicles in their neighborhoods, especially near temporarily unoccupied homes. Several common methods used by burglars to check for unoccupied homes include coming to the door, and if anyone answers the door, they ask directions or other questions and quickly leave; also telephoning homes to determine the hours the homes are unoccupied.

If you feel anything is suspicious, please call your local police or Sheriff's Department immediately.

If you have any information about possible suspects in these burglaries, the Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

Secretary's Day Luncheon Another Smash Hit!

Wednesday, April 22, brought smiles on the faces of over 90 area secretaries when they attended the Second Annual Kewaskum Area Chamber of Commerce Secretary's Day Luncheon and Style Show.

Due to the overwhelming response by the ladies and their bosses last year, this year's show was doubled with two seatings at Hon-E-Kor Country Club in Kewaskum.

Under the direction of our favorite Mary Kay lady, Wendi Dreher, the style show took on a fresh new look this year courtesy of the J.C. Penney Co. of West Bend, and Sloppy Joe Fashions sold at Village Hair Stylists of Kewaskum.

Models walked from table to table giving narrative on the fashions and answering questions about the fabric, cost and design, as attentive ladies munched on spinach salad, chicken dejon and a delicious strawberry dessert. Jane Korth of Hon-E-Kor and her staff outdid themselves again this year providing the ladies with a culinary treat that was different from the everyday norm of daily takeout treats many of us are accustomed to.

Another special twist this year was the addition of men's clothing and some darling children's features. As we all know, most women seem to shop for the kids and hubby before she picks out her own attire.

Many lucky ladies went home with door prizes and plaudits for the excellent way this year's show was presented. Those who did not win prizes were also treated to a \$5 gift certificate from Penneys and assorted other coupons and gifts. Rumor has it that Wendi is still auctioning off percents off on Mary Kay cosmetics if you ask "pretty please."

Kudos to Wendi Dreher, who really outdid herself making sure this year's show was a resounding success! See you there next year!

Coordinator Wendi Dreher not only modeled clothing, she also did the "play-by-play" and announced door prize winners.

Models of all shapes and sizes strolled amongst ladies enjoying their lunch. Models described their fashions and answered questions regarding their attire.

Marketing Associate Degree Returns to West Bend Campus

Persons in West Bend and surrounding areas interested in pursuing a career in marketing will once again have the chance to do so at Moraine Park Technical College's West Bend campus.

Beginning August 1992, the two-year associate degree marketing program at the West Bend campus will be reinstated. Maureen Josten, Moraine Park's West Bend campus administrator, recently made the announcement saying the feedback she was getting from the West Bend community indicated a need for this type of program. "The feedback we received from the West Bend community and business and industry throughout the area indicated a definite need for the program," said Josten, "so we decided to bring it back."

The marketing program will help students develop skills in sales, advertising, display, buying and retailing, said Josten. Some of the courses of study include Principles of Selling, Retailing and Marketing, Insurance, Advertising, Credit Procedures, Business Law, Accounting, Personnel Management and Data Processing. Students also participate in an internship during the final semester of their second year, giving them a chance to gain real-life experience.

In addition to the traditional courses, says Ginny Sattler, associate dean - business division at Moraine Park, the marketing program is also offering four new

courses: International Marketing, Marketing Information Management, Quality Assurance/Customer Service and Desktop Publishing. Sattler says she feels the addition of these new courses will give students the up-to-date knowledge today's employers are looking for. "Our marketing advisory committee suggested the new courses," said Sattler. "They feel these are the types of courses businesses want, and we feel they add a lot to the program."

Flexible course scheduling will also be an integral part of the West Bend marketing program with many of the required courses, as well as general education courses, being offered in the evenings in addition to traditional daytime scheduling. "We hope that by offering a more flexible course schedule, people can fit more classes into their busy lives," said Sattler. The offering of TV courses will also make scheduling more flexible. Four of the required courses for marketing that will be offered via television are: Business Law, Marketing Principles, Math for Business Analysis and Principles of Supervision.

Graduates of the marketing program will find a number of entry-level employment opportunities available to them including advertising sales representative, assistant manager/management trainee, promotion specialist and

customer service representative. For those graduates with additional work experience or education, employment possibilities include sales manager, assistant manager and manager or buyer.

Advanced standing is also available to students with three or more years of work experience. "Depending on a student's work experience," said Sattler, "they may be able to earn course credits and gain advanced standing. It's an option a lot of people aren't aware of."

Persons interested in enrolling in the marketing program should have good communication skills, be self-motivated and enthusiastic, enjoy working with people and be in good health, Sattler stated. "Traditionally, marketing students are people-oriented and innovative," she said. "They pride themselves on finding new ways to meet customer demands."

Persons interested in enrolling in the West Bend marketing program for fall 1992 or wanting more information should contact Gerry Skalecki at 334-3413.

West Bend Judo Club Tourney

The West Bend Judo Club and West Bend Park, Rec. & Forestry Dept. held their Inter-Club Judo Tournament Tues., April 14, at Silverbrook Middle School.

Coaches Jon Sanfilippo and Joseph Sanfilippo directed the event with about 50 Judoka from the program participating.

Judoka were grouped smallest to tallest with no male/female distinctions. To win first place in a division the Judoka had to win all the matches against all other division players.

The first place results are as follows:

Group 1 — Jennifer Sanfilippo, Group 2 — Jessica Sanfilippo, Group 3 — Barry Bertram Jr., Group 4 — Shrine Kline, Group 5 — Victor Walsh.

Group 6 — Ryan Boerner-Bowling, Group 7 — Myra Winnimuel, Group 8 — Tom Rummel, Group 9 — Nick Nordquest, Group 10 — Chris Lyman.

In other news the coaches of the West Bend Judo Club recommended Lynn Roethke as senior Judo competitor of WI for 1991. Both Nick Nordquist and Jessica Sanfilippo were recommended as Junior Judo competitor of WI for 1991. These recommendations were made to the United States Judo Association.

D.A.R.E. Program Adopted By Slinger School District

WEST BEND — The Washington County Sheriff's Dept. D.A.R.E. Division will add Slinger and Allenton Elementary Schools to their beats in an effort to combat drug abuse through the nationally acclaimed D.A.R.E. (Drug Abuse Resistance Education) Program.

Washington County Sheriff's Dept. now teaches D.A.R.E. to the following communities: MacArthur, Rockfield, Amybelle, and Countyline School in the Germantown School District, Wayne and Farmington Schools in the Kewaskum School District, the parochial schools of St. Hubert, St. Boniface, St. Kilian, and St. Peters, also Erin, Richfield and Friess Lake Schools. These school districts use the D.A.R.E. Program as a supplement to their already existing drug education efforts.

D.A.R.E. lessons focus on four major areas; providing accurate education about alcohol and drugs, teaching students decision-making skills, and showing them how to resist peer pressure, and giving them ideas for alternatives to drug use.

The D.A.R.E. Program is designed to be taught by street-wise police officers, veterans who have seen how drugs and alcohol can destroy lives and who can answer questions based on their training and experience.

Deputy Bausch states, "Two studies on D.A.R.E. one by the Evaluation and Training Institute and another funded by the National Institute of Justice, show significantly less substance abuse, including cigarettes and alcohol; a sharp decrease in school vandalism and truancy; improved student work habits; reduced tension between ethnic

groups; reduced gang activity; a more positive attitude toward police; and better student rapport with teachers and school officials. These results were published in the Journal of Drug Education, 1987."

Kewaskum's first music store, to be known as Dave's Music Center, will be opened at 1269 Fond du Lac Ave., on Monday, May 1, in the building formerly occupied by Bunkelman's Floor Covering, at the intersection of Fond du Lac Ave and Main St. Owner of the new business will be Dave Skrentny, of R.2, Campbellsport, formerly of here, who managed, played and sang with the Blue Echoes, Kewaskum's rock and roll band, for seven years.

"Harvey" a three-act all-school comedy will be presented to the public on Friday and Saturday nights, April 28 and 29, in the Kewaskum High school gymnasium. Leading roles in the comedy are Elwood P. Dowd, played by Neal Hirsig and Dowd's sister Veta Louise Simmons, played by Lana Harbeck.

Mr. and Mrs. Vern Butz and family spent Sunday at St. Cloud, where they attended the golden wedding anniversary of the former's parents, Mr. and Mrs. Kilian Butz. The Rev. Roman Stoffel, a Kewaskum native, celebrated the mass honoring the couple.

Sylvester N. Harter, son of Mr. and Mrs. Jac. Harter, and proprietor of the Kewaskum Frozen Foods locker plant, was one of the contingent of young men selected by the local board No. 1 of Washington County to fill the April quota who left West Bend Wednesday for possible induction into the U.S. Army at Fort Sheridan, Ill. Notice was received the following day by Harter's wife that he had been accepted for non-combatant service and is now stationed at Ft. Sheridan. Harter is the first married man from

Kewaskum to join the armed forces.

A total of 306 men between the ages of 45 and 64 years, inclusive, were registered in the fourth selective service registration held in the village hall on Saturday and Monday and the registrars were kept busy. In Washington County a total of 3,290 men registered.

Ervin Bonlender of St. Kilian suffered a fractured arm when he fell down a flight of stairs in the barn on his farm the past week. He was taken to St. Agnes Hospital, Fond du Lac.

Every household should register for ration booklets on May 4-5-6-7. This registration is for all types of ration books that it may be necessary to issue. Sugar just happens to be the first commodity rationed.

The infant daughter of Mr. and Mrs. Frank Fleischmann was baptized Sunday receiving the name Judith Ruth. Sponsors were Miss Ruth Fleischmann and John Ruplinger.

Mr. and Mrs. Albert Dettman, Jr., Boltonville.

Albert Buss, who was elected assessor of the Town of Kewaskum at the last spring election, is unable to qualify according to a ruling from the attorney general for the reason he is not a full-fledged citizen. Mr. Buss, before the declaration of the war, failed to apply for his second papers. The board appointed August Schaefer to succeed Mr. Buss for the town.

With streets, businesses and residences decorated with the national colors, Kewaskum last Sunday afternoon was aroused to a thrilling sense of patriotism by holding of a Loyalty Parade the greatest patriotic demonstration ever held in the village. The parade headed by Uncle Sam, about a mile long, consisted of fourteen units. Mr. Peter Dricken, the last Civil War Veteran left here, and who carried a large flag, marched as spry as the youngest. Although he is nearly 74 years of age, he kept a glint in his eye and a suppleness of step that rivalled his younger co-marchers.

The Kewaskum Fire Department received their new electric siren fire whistle, which they purchased some time in January from the Pyrene Manufacturing Co. of Milwaukee. The whistle is the largest siren made and is the double head type, easy to operate and is well adopted to answer the purpose of calling out the fire departments in small villages. The siren will sound the alarm and is operated by switches, one of which is located at the city hall and another at the central telephone station.

West Bend Chamber Sponsoring Seminar on Succession Planning for Family Business

Family business drama titillates everyone's interest. Headlines in the "Wall Street Journal" frequently lauder family feuds and business fortunes with such captivating titles as: "Son Revives Firm by Playing Hardball with Family," "When Family Fires Family, the Ties that Bind End Up Frayed," and "Delights and Dangers of Working for a Family."

Few can avoid reading the follies of the Farah family as both the family and business fail on the

front pages, nor do we miss watching "Sixty Minutes" describe the painstaking trials and tribulations of the Bingham family publishing empire complete with family vs. family confrontations.

On Friday, May 8, the West Bend Area Chamber of Commerce will sponsor a morning seminar which will focus on helping families in business plan for the future success of their business while maintaining family harmony. Entitled, "A Legacy of Ownership... Succession Planning for the Family Business," the seminar focuses on family and business issues which must be confronted when planning for ownership succession.

Seminar leaders Scott Jessup and Steve McClure have each consulted with family businesses since 1982. Dr. McClure observes, "Successfully transferring control of a family business from one generation to the next is one of the greatest challenges in business. Not only must difficult business issues be successfully resolved, but delicate family relationships must be recognized and preserved. The entire process is a difficult balancing act which owners try to avoid all together. By doing so, they place both the family and the business in jeopardy."

Mr. Jessup brings a private investment banking perspective to the topic while Dr. McClure pro-

vides insight on family dynamics which impact business succession planning. Their goal is to assist families involved in business to understand how to plan for a successful transition of ownership which leaves both the business and family intact.

Both family members and key employees are encouraged to attend.

The seminar will be presented at M & I First National Bank in the Community Room on the second floor. Registration will be from 7:30 to 8:30 a.m. The program will be from 8 to 10:15 a.m. with a Question and Answer Forum following the presentation.

The fee for Chamber members is \$30 for the first representative from a business and \$15 for each additional representative. The fee for non-members is \$50 per person. Persons attending are asked to register before April 30 at the Chamber of Commerce office, 120 N. Main Street, Suite 280. Parking and entrance are at the rear of the bank building. The building and the Community Room are handicapped accessible.

For more information, contact the West Bend Chamber of Commerce at 338-2666.

New Toll-Free Number to Report Power Outages

When electrical outages occur, residents want their power restored as quickly as possible. Wisconsin Electric customers will now be able to report a power outage by entering information using a touch-tone phone. This information will be automatically routed to the proper service center for fastest response.

Customers in the Milwaukee area will continue to call 221-3700. Customers outside of the Milwaukee area will call a new toll-free WATS number: 1-800-662-4797.

Touch-tone phone service, along with increased capacity on the new centralized phone system, means customers will encounter fewer delays when reporting an outage. Customers who wish to speak to a customer representative or do not have touch-tone service will remain on the line for a representative.

The new system also will allow these calls to be handled quicker. The company's telephone operators can now handle as many as 3,000 calls per hour; 1,500 to 1,800 calls per hour could be handled using the previous system.

"By gathering more information faster, we'll be able to pinpoint the cause of outages more efficiently and restore service quicker to the customer," said Peter Holtz, Wisconsin Electric's manager-customer service.

Added features such as an enhanced voice messaging system will relay information about expected delays, known outages, an estimated time for when power will be restored, dry ice locations, and other information.

Help Teach a Boy or Girl How to Fish

Old fishing tackle, household, and sports related items can be turned into education lessons for your sons, daughters, and grandchildren. Clean out that fishing tackle box and your favorite sport's closet. Father's Day is coming!!! What a perfect time to get rid of some of that old sporting equipment. Do you need a better excuse to buy some new sporting item and donate to a good cause at the same time?

Donated items will be sold at a rummage sale that will include a sporting goods section. The profits will be used for youth angler education sessions in this area of the state. Your daughters, sons, grandchildren, nieces, and nephews will all be eligible to attend.

You can help by collecting material for the Long Lake Fishing Club's 2nd annual Rummage Sale that will be held on the Saturday of Memorial Day weekend May 23, 1992 at Tobin's field, N4101 Hwy. 67E, Long Lake, Fond du Lac County. Drop off boxes will be located at:

Dutch's Trading Post, Fond du Lac; Jack's Lock and Gun Shop, Fond du Lac; Din's Mini Mart and Bait, Dundee, and Loehr's Meat Market, Campbellsport.

The Club is looking for fishing or sports related items. Rods, reels, lures, baits, bowling balls, hunting clothes, snow, and water skis, etc. are all items that will help raise funds.

Your help is appreciated. Please continue to look for more information in this newspaper about the dates of the youth angler programs that will be scheduled during the 1992 summer season.

Help your child or grandchild by helping raise money for this program.

Minutes of Village Board Meeting

Mid-Monthly Meeting
April 20, 1992
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First St.

President Mary Krueger presided. All trustee members were present. A quorum was present.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the minutes of the March 31 and April 6, 1992 meetings were approved as printed.

Jason Noren was present to inform the Village Board of a joint project funded by the Kewaskum Chamber of Commerce and the Kewaskum Junior Women's Club and constructed by volunteers. Jason is an Eagle Scout and is heading up the team of volunteers. This project consists of the construction of a gazebo in the area of the tourist bulletin board which is in need of replacement. The consensus of the Board was that the project is worthwhile and thanked Jason for his efforts.

A public hearing was held on Ordinance No. 92-4 "An Ordinance to Amend the General Ordinance of the Village of Kewaskum." Administrator Daniel S. Schmidt informed the Board of the areas of change within the Municipal Code. On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier, and carried by the majority roll call vote, to close the public hearing. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Sealed bids for the sale of the 1990 squad car were opened and read aloud as follows:

Bellline Motors Center, Wausau, WI	\$5,258.00
Welcome Motors, Chicago, IL	\$5,400.00
Woodside Motors, Long Island, NY	\$5,269.00

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board turned the bids over to Police Chief Richard Knoebel for review and a recommendation.

Chief of Police Richard L. Knoebel shared the March 1992 monthly report with the Board as follows:

Traffic citations	36
Traffic warnings	124
Parking violations	3
Parking warnings	19
Criminal investigations	-
Adult arrest	31
Juvenile arrest	11

Chief of Police Richard L. Knoebel informed the Board that the department has had a request to place a mirror at the intersection of the alley on the west side of Parkview Drive going westerly behind the Post Office. It was noted that the Post Office would pay for half the cost. On a motion by Trustee Mark Vechart, seconded by Trustee Robert Beisbier, and unanimously carried by voice vote, the Board directed the Police Chief to follow up on the request.

Director of Public Works, Jerry Gilles reviewed the list of those employees recommended for summer part-time employment. On a motion by Trustee Mark Vechart, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board hired Mark Hartman and Todd Stange for the DPW and Gregory Moser for the WPCD.

The WPCD was also informed that the bids for the asphalt work would be brought to the next Board meeting on May 4, 1992.

The Board was informed that the bids received for the northern extension of Edgewood Road came in under the estimates. The low bidder was Mueller Excavating at \$17,720.00. The public hearing and proposed action on the bid will take place on May 18, 1992.

Administrator Daniel S. Schmidt reviewed the Group Health Insurance Policy for the eligible full-time employees. On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the policy as printed.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board.

The Board reviewed the request for parking limitations on Braatz Drive (cul de sac). The consensus was not to place any limits in that location at this time. No action was taken.

Chairman of the Park and Recreation Committee, Larry Williams reviewed the list of recommended summer part-time park employees. On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board hired those part-time employees as recommended by the Park and Recreation Committee.

Chairman of the Park and Recreation Committee, Larry Williams reviewed the proposed beach shelter for the KKCP. The low proposal of \$2,397.00 was from Heberer Bros. The proposal is to construct a 16' x 24' open air shelter adjacent to the pier area. It was noted that the Junior Women's Club has offered to help pay for a good portion of the cost. On a motion by Trustee Robert Wagner, seconded by Trustee Mark Vechart, and unanimously carried by voice vote, the Board approved the construction of the shelter.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the Park Reservation Policy and Rules as printed April 15, 1992.

Board Representative for the Plan Commission, Trustee Gary Gavin informed the Board that a Commission meeting has been scheduled for Tuesday, April 28, 1992 at 8:00 p.m.

A brief discussion was held on the proposed 1992 sidewalk project and it was noted the project would be bid in two phases. It was also noted that when the Village has some further information and cost estimates on the requested work on the east Main Street portion of the project a registered letter should be mailed to the church so someone comes to a Board meeting to talk to the Board.

Action was taken on Ordinance No. 92-4 "An Ordinance to Amend the General Ordinances of the Village of Kewaskum" as heard at public hearing and as attached hereto:

On a motion by Trustee Robert Beisbier, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board authorized the sale of the 1990 squad car to the high bidder Welcome Motors, Chicago, IL at a bid price of \$5,400.00.

On a motion by Trustee Mark Vechart, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the Special Picnic or Gathering License to sell wine not more than 6% alcohol to the Kewaskum Fire Department for July 3, 1992 with July 4, 1992 as a rain date for the Fourth of July Fireworks celebration.

On a motion by Trustee Robert Wagner, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the Special Picnic or Gathering License to sell wine not more than 6% alcohol to the Kewaskum Firemen and American Legion Picnic July 10, 11 & 12, 1992 at RHP.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved Fire Chief Robert Stoltzmann as the agent for the aforementioned licenses.

President Mary Krueger asked Administrator Daniel Schmidt to read the Proclamation for "The Year of The Vietnam Veteran". On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized Village President to sign the Proclamation and to present it to three gentlemen from the local

Vietnam Veterans group.

On a motion by Trustee Gary Gavin, seconded by Trustee Mark Vechart and unanimously carried by voice vote, the Board approved the wage schedule as amended for 1992 to coincide with the changes to the minimum wage law etc. for the summer part-time employees.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board authorized the purchase of the Patriotic Party package of fireworks from Spielbauer Fireworks Co. Inc., Green Bay, WI at a cost of \$2,800.00. It was noted the American Legion Post is purchasing a special set piece to honor all veterans and two businesses are also purchasing novelty pieces.

President Krueger informed the Board that the May 4, 1992 meeting will be the Organizational Meeting for the Board and that if any Board Member has a preference to any committee assignments to let her know.

On a motion by Trustee Mark Vechart, seconded by Trustee Robert Beisbier and carried by majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85(1) (e) of the statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Welcome to Our World

By Dianne Horlamus, Executive Director
Washington County Humane Society
(Information provided by AHA)

Recognizing that millions of older animals need homes, this year's 77th Annual Be Kind to Animals Week theme is "Find An Old Pal: Adopt a Shelter Pet."

Slated this year from May 3 to May 9, the Washington County Humane Society will be one of nearly 2,000 shelters nationwide celebrating this special week. Launched by American Humane Association (AHA) in 1915, Be Kind to Animals Week is one of the oldest weeks of its kind commemorated nationally.

Be Kind to Animals Week was created to honor the animals in our lives and to recognize society's role in caring for them. Through the years, this special week has promoted the spaying and neutering of pets, encouraged people to adopt animals from local shelters and saluted the work done at local humane societies. This year, AHA and the Washington County Humane Society want prospective pet owners to consider adopting an adult pet.

According to AHA, visitors to humane societies often overlook the adult dogs and cats, preferring instead to adopt puppies and kittens. The Washington County Humane Society, however, has many older animals which are well adapted to family living. Because many older animals are accustomed to human companionship, they may bond with their new owners more quickly than a puppy or kitten who has just left its mother. An adult dog or cat can be a part of your family for 10-15 years.

Jo Ann Worley, this year's Be Kind to Animals Week spokesperson, adopted an adult dog named "Pidy" eight years ago. Pidy was extremely feisty, energetic and nippy. "She had been around

many bigger dogs and defended herself by biting," said Worley. "Because of her bold behavior, she was not considered adoptable, which of course meant she was the perfect dog for us. You don't have to adopt a puppy to develop a loving relationship. That old saying "you can't teach an old dog new tricks" is wrong. All any animal needs is good care, love and attention."

Few people today have the time to provide the special care a puppy or kitten needs to grow into a mature adult pet. While pet owners must provide some training for any new pet, an adult animal may already be housebroken, neutered and know some basic commands.

The Washington County Humane Society will celebrate "Be Kind to Animals Week" with an Open House on May 3, during the week educational visits to schools are scheduled, and the week ends with the annual "Walk for Kindness" on May 9.

The Washington County Humane Society has a never ending supply of all types of family pets available for adoption. Call 677-4388 for more information on adopting a family pet or on "Be Kind to Animals Week" activities.

In the Service

Indian Girls Edged by Slinger Habitat Healers

WAUPUN - Kewaskum girls track coach Perry Koth has the utmost respect for the Slinger track program. And he believes that his squad has to be at full strength in order to have any kind of shot at besting the Owls.

Well, the Indians were not at full strength in their four-team meet here, last Tuesday, and consequently, Koth was correct. The Indians had to settle for second to the Owls (95 points), as they could muster only 80 points in the meet, followed by Waupun Christian (40.5) and Waupun (40).

"For us to compete with them (Slinger), we have to have everybody healthy and running well," Koth said of the Owls, who have boasted an outstanding girls track program for the past decade. "They are a very good team."

The Indians aren't too shabby either, but injuries and vacations took their toll on the team on Tuesday.

"With the Easter break, we had a lot of kids on vacation," Koth explained. "We also had one or two injuries that we wanted to rest."

The most notable was senior Kelly Korh, who is still bothered by a hyperextended knee. The Indian boss took no chances with his top long jumper and sprinter. "We want her to be healthy for the County (outdoor) meet, and for conference."

Despite Korh being withheld, the Indians still rolled to wins in the 880 and mile relay events. "The track was in yards, not meters," Koth explained. "The distances aren't exactly the same," and thus it was hard for Koth to judge the various times of his athletes.

Mainstays Ginger Wiesner,

Tina Schwartz, Greta Kuphal teamed with Mary Yahr to win the 880 (1:55.8), while Wiesner, Schwartz, Missy Roher and Chrissy Neumann joined forces to win the mile relay (4:33.5).

Koth touted the efforts of Wiesner in the meet, as the sophomore also won the long jump (14-7.5) and added a second in the 440 (65.9).

Beth Kempf came up with a personal best of 34-6 in the shot put to edge teammate Tammy Schmidt (33-6) for first. Schmidt also added a second in the discus (96-4).

Hurdler Christa Schmidt captured a pair of seconds in the meet, in both the 110 hurdles (17.8), and the 330 intermediates. Jessica Rohrer also added a fourth in the 110's.

Kuphal had a good day as well, chalking up a second in the 100 dash (12.3) and a third in the 222. Jenny Heisdorf was right behind Kuphal in the 100, finishing third.

Robyn Winninghoff added a second in the high jump, while Nicole Hetzel continued to shine in the 880, also finishing second.

"We did alright, all things considered," Koth said, adding the weather has been a factor in almost every outdoor meet thus far.

Adults are welcome to join this group of volunteers in their weekly work sessions. Activities include transplanting of native plants into new areas, learning about and surveying for prairie insect activity, collecting wild plant seeds, managing prairie planting and just enjoying the outdoors and each other's company.

The group will meet on the following Tuesdays: May 5, 12, 19 and 26.

Be Kind to Animals Week May 3-9

May 3-9, 1992 is "Be Kind To Animals" Week. We are holding several events to honor this special week.

On May 3, we are having an "Open House" at the Washington County Humane Society on Hwy. 60 from 10 a.m. to 3 p.m. There will be horses, llamas, reptiles, clowns, farm animals, and a special visit from "Frances" the jumping mule. There will be tours of the Shelter, dog demonstrations, face painting, a veterinarian booth and information on 4-H Animal Projects.

We will be offering an economical lunch wagon featuring meatless BBQ, frankfurters, soda and chips. We will also be holding a Bake Sale featuring delicious home baked treats.

During the week, we offer educational visits to schools and nursing homes throughout the county. These programs are designed to educate the public in proper and responsible pet care.

On May 9, we will hold our annual "Walk For Kindness" at Pike Lake State Park. This walk is designed to raise much needed funds for the animals of Washington County.

All of these events are taking place so that the residents of Washington County can see the variety of "Best Friends" just waiting for them. For those of you who already have a pet, be extra kind to your loved ones. (Information on these events can be gotten by calling WCHS 677-4388).

Whether you own a cat, dog, chicken or kangaroo... Come celebrate "Be Kind To Animals" week with us.

West Bend to Again Host Badger State Games Regional; 5 KM Run, Youth Soccer Added to Festival's Schedule

Southeastern Wisconsin athletes of all ages and abilities are invited to catch the Olympic spirit and compete in the Badger State Summer Games Region 6 sports competition June 12, 13 and 14 in West Bend.

A 5 KM run and recreational youth soccer have been added to the list of West Bend regional sports, which also includes: basketball, adult golf, novice tennis, and youth track and field. The regional entry deadline is May 29. Track and field athletes are reminded that there is no on-site registration again this year.

"We're encouraging all athletes to enter as soon as possi-

ble," said Sandra Mulry, Badger State Games director of competition. "We don't want to turn away any potential participants, but some of our sports may fill up quickly."

Eric Lund, West Bend, is the director for Region 6. Regional sponsors are: Amity Leather Products Co.; M & I First National Bank; Serigraph, Inc.; Bank One; Gehl Co.; The West Bend Co.; the City of West Bend; Regal Ware, Inc.; West Bend Mutual Insurance; the West Bend Chamber of Commerce and B.C. Ziegler and Co.

Athletes living in the following counties should compete in West Bend: Columbia, Dodge, Fond du Lac, Green Lake, Marquette, Ozaukee and Washington.

Top teams and individuals will qualify for the finals in Madison June 26-28. The finals will feature 25 sports. The 1991 Badger State Summer Games attracted a

record 18,123 athletes, an increase of 7 percent compared to the 1990 festival. Nearly 830 athletes participated in last year's regional at West Bend.

Persons interested in volunteering for the regional should contact Dan Roskopf at (414) 334-5571 or Nancy Roskopf at (414) 338-1188. For lodging details and other local information, call the West Bend Chamber of Commerce at (414) 338-2666.

Athlete handbooks and registration materials will be available at all Wisconsin Hardee's restaurants. Athletes may also contact the Badger State Games offices in Madison at (608) 251-3333.

Major sponsors of the 1992 Badger State Games are: AT&T, Dairy Farmers of Wisconsin (Wisconsin Milk Marketing Board), GTE, Hardee's, Wisconsin Bell and Wisconsin Physicians Service Insurance Group. (WPS).

Pair of Bad Innings Cost Indians

By Statesman Sports Writer

TWO RIVERS — You hear it all the time. A team has to play the full nine innings (seven in this case) in order to be able to win. And because of one bad inning in each game of a doubleheader against Two Rivers here, last Thursday, the Kewaskum girls softball team is still looking for their first win of the year.

The Indians played the Raiders tough in both tilts, but the Raiders took advantage of five Indians errors in the opener to prevail 6-4, and then came back to win the nightcap, 4-2.

Kewaskum was outthit by the Raiders in the first game 8-4, but once again errors came back to haunt the Indians. After wasting a prime scoring opportunity in the first inning of the first game, Kewaskum watched as Two Rivers came back to post four runs in the third inning to take a 5-1 lead.

In the second game, Two Rivers used a three-run sixth inning to pull away from the Indians, after Kewaskum had tied the game at 1-1 in the fifth, when Tracy Ruplinger scored on an

error.

The Indians showed some resiliency by rallying for a single run in the seventh inning of both games, but it wasn't enough for Kewaskum, which dropped to 0-4 on the year, 0-3 in the Eastern Wisconsin Conference.

Ruplinger and Kelly Krahn each collected a pair of hits in the opener for Kewaskum, while Julie Wagner was 2 x 4 in the nightcap, while throwing out nearly a half-dozen would-be stealers in the two games.

The Indians will try and break into the win column this week, with home games against Kiel (Tuesday) and Elkhart Lake (Thursday), both games starting at 4:30.

Revised Book on Wisconsin Trout Waters Available

MADISON... Wisconsin's thousands of miles of inland trout streams are presently placed in various categories for management purposes by the Department of Natural Resources.

CLASS ONE - high grade trout waters with conditions favorable for natural reproduction. Requires little or no stocking of hatchery fish.

CLASS TWO - some native trout but not in sufficient numbers. Moderate to heavy stocking required to maintain good fishing.

CLASS THREE - marginal trout habitat. Stocking legal trout to provide trout fishing.

WISCONSIN TROUT WATERS: the book provides 65 detailed, two color maps showing the Class One and Two sections of the streams. The surrounding territory with all roads, especially the County Trunk highways and town roads are provided on each map.

The trout fisherman can pre-plan the trip using the maps and the accompanying trout species index. The angler can spend time on the stream instead of needless driving.

The book has been updated, revised and enlarged to 60 pages; and is available by sending \$12.95 to: **WISCONSIN TROUT WATERS**, Stock #913M, P.O. Box 5096, Madison, Wisconsin 53705-0096.

Separate from the maps is a list for all trout streams in the state, with notes as to species of trout, stream length and location.

Exploring the Spring Skies at Riveredge

Join Bill Fisher, Kevin Burt and other members of the Northern Cross Society at Riveredge Nature Center on Saturday, May 2, from 8 to 10:30 p.m. and explore the spring skies.

The program will begin with an indoor presentation and will move outside for sky viewing. Bring your binoculars and dress for the weather. The program will be offered whether the skies are clear or cloudy.

The fee is \$2.00 for children and \$3.00 for adults. Call Riveredge at 675-6888 (local) or 375-2715 (metro) to make reservations.

Riveredge is a non-profit, 350 acre sanctuary and nature center, dedicated to environmental education, located in Ozaukee County on Highway Y, one mile east of Newburg.

Huskies Outslug Indians in EW Opener

By Statesman Sports Writer

NEW HOLSTEIN — The New Holstein girls softball team did all they could to help the Kewaskum Indians post their first win of the season here, last Tuesday.

But the Indians didn't oblige, as they were the recipients of 15 walks and three errors and still couldn't overcome their own miscues, falling to the Huskies, 13-11. The loss, coming in the Indians' first-ever Eastern Wisconsin Conference game, dropped the Indians to 0-2 on the year.

After falling behind 13-7 heading into the seventh, Husky pitcher Sarah Lautenslager walked the first three batters in the inning, setting the stage for Indian catcher Julie Wagner.

Wagner responded with a blast down the leftfield line that turned out to be a grand slam, cutting the deficit to just four. It looked as if the Indians were going to continue the rally, as Lautenslager walked three of the next four batters as well, with a strikeout in between.

But it wasn't to be, as the Huskies got out of the jam, thus negating a fine effort at the plate for Wagner. The defensive stand-out had a stellar game with the bat, going 3 x 4, with the four RBI's and two runs scored.

Shortstop Kelly Krahn also had a big game, collecting a pair of hits, with two RBI's, including a RBI single in the three-run third inning, in which the Indians opened up a 5-1 cushion.

But New Holstein quickly came back with three in the bottom half of the inning, and then delivered the knockout punch in the fourth, when five more Huskies crossed the plate, giving the hosts a 9-6 lead. The Huskies added two more runs in both the fifth and six innings to hold on.

Four different Huskies collected two hits off losing pitcher Rachelle Krahn, who walked six and struck out four in the loss. Even more destructive than the walks were the ten errors committed behind Krahn in the field.

Kewaskum ended up with more runs and errors than it had hits (nine), as the team's fielding problems continued. The Indians have committed 21 errors in their first two games this season.

For more information you can contact coach Jon Sanfilippo at 644-8211.

Shorthanded Indian Girls Lose to Falcons

Freshman Greta Kuphal, above, has been one of the Indians' more consistent performers this season. In last Thursday's meet against Sheboygan Falls, Kuphal recorded a first in the 100 dash, a third in the long jump, and helped both the 400 and 800 relay teams to victories.

By Statesman Sports Writer

KEWASKUM — It's never nice to lose, but when your team is missing several key figures, and a couple of others are held out of some of their regular events, it can almost be expected.

That was the case for the Kewaskum girls track team and their coach Perry Koth, who allowed aces Kelly Korth and Ginger Wiesner to sit out and rest their nagging injuries here, last Thursday against Sheboygan Falls.

With still others out because of various reasons, the Indians were severely shorthanded, and it showed in a 68-64 loss to the Falcons.

"We had a ton of people missing. If we had everyone there and did our normal times, we would have scored twenty more points," Koth said of the meet. "You hate to lose, but it (winning) wasn't high-priority in this meet."

What was high-priority was resting Korth and Wiesner. Korth is still bothered by a knee injury, while Wiesner has been the Indian workhorse so far this year, and Koth wanted to rest the sophomore before the upcoming bust weeks.

"She's just worn down a bit," Koth said of Wiesner, who is still somewhat bothered by a knee injury from basketball. "We've been working her pretty hard."

Both Wiesner and Korth ran in one event, the 800 relay, teaming up with Tina Schwartz and Greta Kuphal to win in 1:54.6, despite what Koth called "two fairly bad handoffs. That's a very good time, but it (the bad handoffs) is something we must straighten out."

There was no need to straighten out Kuphal, who added a first in the 100 dash (13.8), a third in the long jump (13-9.5) and helped the 400 relay team win in 56.5. Joining the freshman Kuphal on the winning 400 unit were Denise Ludwig, Jeny Heisdorf and Schwartz. Heisdorf also finished second to Kuphal in the 100 (14.2), while Terri Vogt ended up second in the long jump (14-11).

Tammy Schmidt also is rolling along in the weights. Schmidt won both the shot put (33-0) and discus (91-10), helping the Indians capture five of the top six places in those events. Beth Kempf added a second in the shot (31-6.5) and a third in the discus (89-3.5), while Robyn Winninghoff was second in the latter (90-0), as well as in the high jump (4-6).

Koth was overjoyed at the performances of distance runners Nicole Hetzel and Susie Gauvin.

Hetzel won the 800 run with a personal best of 2:42.7, while Gauvin, despite not placing in either event, had a pair of personal bests in the 1600 and 3200.

"It was :30 faster than she had ever run it," Koth said of Gauvin's 3200 pace, while Hetzel's time "was a nice drop for her."

Koth was also pleased with Yahr's time of 18.2 in the 100 hurdles. "That was a personal best as well," he said, noting that Yahr finished second to last year's conference champion. Yahr also was second in the 200 dash (29.9).

"Ali Bruendl also had a personal best in the triple jump," with a leap of 27-8, placing her second Rachel Chambers added a second in the mile (6:19.2), while Melissa Rohrer was second in the 400 (69.0) and third in the 300 hurdles (56.6). Jessica Rohrer added a third in the 100 hurdles (19.8).

"We had a lot of different people running in different events," Koth said regarding the meet. "The kids who did run competed really hard."

As far as Tuesday's County Outdoor is concerned, "We should be right up there," Koth said. "It's difficult to say, because of the distance changes (from the indoor meet, in which the Indians were third). We have to have good performances (to challenge for the top spot)." Koth added that he fully expected to have all of his runners healthy for the meet.

After a busy schedule this week, the Indians will continue their hectic pace with three meets next week. On Monday, the Indians travel to Mayville for the Cardinals Invitational, and on Tuesday will head to Two Rivers for a triangular with Plymouth. On Friday, the Indians will participate in the Vanderpan Invitational at Sheboygan Falls.

KHS Golfers Win First Meet

KEWASKUM - While home wasn't especially sweet because of high winds and below normal temperatures, it did the trick for the Kewaskum golf team in their opening match of the year.

The Indians hosted, and bested, four other area schools to open the 1992 campaign here, last Monday. Kewaskum came in with a five-man total of 221, good enough for first, followed by Horicon (228), Random Lake (238), Slinger (243), and Lomira (253).

"We did pretty well," Indian coach Joe Harlow said regarding the team's first meet. "The conditions were pretty difficult, but we did alright."

Leading the charge for the Indians were seniors Aaron Laatsch and Ryan Amerling, who shared the medalist honors in the meet, each carding 41 s.

Fellow senior Matt Seiser was next low for the Indians, as he shot a 44, followed by Ryan Ramthun (46) and Eric McElhatton (49).

Horicon's Mike Pagel was a shot behind Laatsch's and Amerling's total, while Random Lake's Ryan Thiel came in fourth individually with a 43.

By winning the meet, the Indians started the season 4-0.

TEAM SCORES - Kewaskum 221, Horicon 228, Random Lake 238, Slinger 243, Lomira 253.

INDIVIDUAL SCORING - Kewaskum - Laatsch 41, Amerling 41, Seiser 44, Ramthun 46, McElhatton 49. Horicon - M. Pagel 42, T. Pagel 45, D. Bushke 46, Jeier 46, T. Bushke 49. Random Lake - Thiel 43, Jungers 44, Raggold 47, Knight 49, Thiel 55. Slinger - Ringle 46, Kuepper 47, Fait 48, Wolf 50, Schuetz 52.

Lomira - Kemmel 47, Madden 51, Oberdas 51, Scherbi 52, Kopischke 52.

KHS Golfers Last in Tough Format

HARTLAND - On a normal day, with a normal format, the Kewaskum golf team would have enjoyed their trip here, playing on the beautiful Chenequa Country Club golf course.

But in the rain, and playing an eight-man scoring system, the Indians didn't particularly enjoy their outing here, last Tuesday. The Indians had to settle for third in the three-team meet, finishing with 405 strokes, compared to Hartland Arrowhead's 360, and Kettle Moraine's 377.

"We had to bring eight people down there," Indian coach Joe Harlow said. "It's pretty hard to compete with those two. They have more depth than we do, so it was pretty tough."

Hartland's Kurt Jensen took medalist honors with a 36, followed closely by teammate John Shipshoch with his 37. Kettle Moraine's Bill Pollack was the only other golfer to break 40 in the meet with his 38.

The Indians were led by Ryan Amerling's 41, but the scoring

dropped off a bit from there. Aaron Laatsch and Scott Paulson were next with 45's, followed by Matt Seiser's 47, and Eric McElhatton's 48.

"If we would have taken our top four scores, we would have been right up there with Kettle Moraine," Harlow said, noting that the Indians would have been just two strokes back using that format, or even using a six-man team.

The losses dropped Kewaskum's record to 4-2 on the year.

TEAM SCORES - Hartland Arrowhead 360, Kettle Moraine 377, Kewaskum 405.

INDIVIDUAL SCORES - Hartland - Jensen 36, Shipshoch 37, Coutherboule 43, Geiser 46, Lind 47, Gleason 47, Broker 51, Schneider 53. Kettle Moraine - Pollack 38, Heinzelman 44, Hilts 46, Bergman 48, Feree 48, Warner 50, Doneshe 50, Dicks 53.

Kewaskum - Amerling 41, Laatsch 45, Paulson 45, Seiser 47, McElhatton 48, Ramthun 50, Backhaus 53, Bowater 76.

Indians 8th at Hartford Invite

By Statesman Sports Writer

HARTFORD — There wasn't any way that the Kewaskum golf team was going to win the Hartford Invitational, considering that 16 of 21 teams entered were bigger Division I schools.

So the Indians' eighth place showing in the meet was quite respectable, as they were tied with West Bend West for that spot with 355 strokes, using a four-man 18-hole scoring system.

Menomonee Falls won the meet by beating Wisconsin Lutheran on the first playoff hole, as both teams finished the meet with 333 strokes. Grafton, one of the top Division II teams in the state, finished third with a 336 total, led by medalist Jeremy Schmidt, who shot a round of 75, a fine score considering the less-than ideal playing conditions.

The Indians were the next highest Division II in the standings, and were led by senior Aaron Laatsch, who carded an 82, good enough for 12th in the 84-man field.

"He has been playing very well," Indian coach Joe Harlow said of Laatsch, who had nines of 43 and 39. "He has a lot of varsity experience, and seems to be on a hot streak." Laatsch's score on the second nine allow-

ed him to become the first Indians to break the 40 barrier in a meet this season.

Ryan Amerling was the only other Indian to break into the 80's in the meet, carding an 88, followed by Eric McElhatton with a 92, and Matt Seiser's 93.

"It was pretty trying conditions out there," Harlow said regarding the weather. "It was raining probably ten or twelve of the eighteen holes, so the course conditions were not very good."

With their total, the Indians bettered nine other division I schools, including Kettle Moraine, whom the Indians had fell to just three days earlier. West Bend East finished seventh, with 357 strokes, while Slinger was 15th with 378, and the host Orioles were 18th with 394.

"It was some pretty good scoring," Harlow concluded of his team's effort. "I was satisfied with our scores."

KHS Golfers Seek Depth

KEWASKUM - There is a strong nucleus of returning letterwinners to build on, and that's just what Kewaskum golf coach Joe Harlow hopes to do - build on and add some depth to this year's team.

"We have to settle on a fourth and fifth man," Harlow said regarding this year's crop of talent. "I feel we have a lot of experience. There are eight seniors coming back this year."

Of those eight, there are just four letterwinners, led by last year's co-MVP's Ryan Amerling and Matt Seiser. The MVP award is based on the season scoring average.

"I anticipate they will lead the charge," Harlow said of Seiser and Amerling, who are virtually assured of being in the top three or four. Harlow will not have either Dean Slaughenhoup or Corey Krahn back, as those two were lost to graduation, but he hopes others will fill the void.

Senior Adam Laatsch returns for his third year on the varsity, and should be challenging for team medalist honors in just about every meet. The lone other returning letterwinner is senior Eric McElhatton, who thrilled his teammates last year by recording an ace in a JV competition.

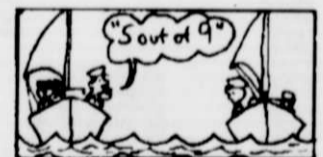

Other Indian golfers who should challenge for the final spots on the varsity included seniors Ryan Ramthun and Scott Paulson, as well as Scott Backhaus and Matt Bowater.

"I wish it would be nice enough for a change," Harlow said, indicating the cold and wet weather has been hampering the team thus far this season. The Indians scheduled meet against Two Rivers last Thursday was rained out (rescheduled for May 12), and still others have been played in off and on rains.

"It's been ok," Harlow said of his team's performance thus far. "It's too early to get excited about the scores."

After opening their season with three meets last week, the Indians will have two meets this week (Monday at Sheboygan Falls and Friday at Hawthorne Hills in an Invitational hosted by defending Division II champion Brown Deer.

The Indians will continue playing their away meets next week with dates at West Bend Country Club (Tuesday, May 5), Hawthorne Hills (Ozaukee County Best Ball, Thursday) and at Chilton on Friday.

On September 26, 1983, the America's Cup was lost by the U.S. for the first time in the yachting classic's 132-year history. The Australian challenger Australia II defeated the U.S. yacht Liberty four races to three.

Undermanned KHS Boys Last in Triangular

Kim Marx, left, is one of the top five 300 hurdles runners in the state, after beating New Holstein's Joe Paul in 41.8 last Tuesday. Sophomore Travis Jacak, right, continues to pile up wins in his specialty, the high jump, as he cleared 5-8 to take first in Tuesday's triangular with the Huskies and Sheboygan Falls.

By Statesman Sports Writer
NEW HOLSTEIN — After beating New Holstein by twenty points just a month ago in an indoor meet, the Kewaskum boys track team was hoping to make it 2-0 against the Huskies in a triangular involving Sheboygan Falls here, last Tuesday.

But the hopes for an Indian challenge were dashed before the meet even began, as several top athletes were unable to make the meet, due to either illness or prior vacation commitments during the Easter break.

Thus, the Indians struggled throughout the cold, windy day, and had to settle for third with just 34 points. Falls, behind sprinter Aaron Schielke, won the triangular with 69 points, barely edging the Huskies (67).

"We had a couple of kids miss the meet because they were on vacation," Indian coach Jerry Gosa said, also noting that the Indians' top 400 runner, Keith Herman, missed the meet because

he was ill. "With the absence of those people, it was difficult to compete with the likes of those two teams."

Schielke showed why he is one of the top sprinters in the state in any division, as he rolled to wins in the 200 (23.1) and the 100 (11.4), barely edging Kewaskum's Kim Marx in the latter (11.4 to 11.5). Marx added a fourth in the 200 (24.2).

He's (Schielke) good, obviously," Gosa said of the Falcons' ace. "Kim would have to run his best to be able to beat him. It could happen though."

Marx was nearly on his best in his specialty, the 300 hurdles. Marx seemed to be cruising along in the race against his nemesis from New Holstein, Joe Paul, who had beat Marx in the event last spring.

This year it was Marx, though, who would come through with the win in an impressive time of 41.8, thus putting the senior among the top five hurdlers in the state in

that event. All that despite nearly falling near the end of the race.

"Kim hit the second from the last hurdle," Gosa explained, adding the miscue cost Marx probably a couple of tenths of a second. "He stumbled just a bit. But overall, he ran just an excellent race."

Because of the various missing athletes, the Indians were unable to field either a 400 or 1600 relay team, thus costing the team points in those events.

Distance ace Jeff Dirmeier picked up a first in the 1600 meter run, running his best race of the season (4:47.9). Gosa also inserted Dirmeier into the 3200 race for the first time, and Dirmeier responded by taking third (10:55).

The Indians scored their only other firsts in the field events, where Travis Jacak topped the field in the high jump (5-8), and Brad Jackson captured the pole vault honors by clearing the 11-1 mark.

Gosa also was pleased with the

strong second place showing of Brian Bruendl in the triple jump (38-5). "He's getting consistent in the 38-foot range," the KHS boss said. "If he continues to work hard at it, he's going to keep improving."

Gosa's son, David, also chalked up a third in the 800 run (2:14.5), a personal best for him. Heath Heise took fourth in the 400 (57.6), while Wade Kreis and Jim Rix also added fourths in the long jump and discus, respectively.

"We're just not as strong as they are, we just don't have the depth yet," Gosa said of the competition. "Both have very good teams, and we couldn't compete against either one (because of the missing athletes).

Gosa hopes all his runners will be back and healthy in time for this week's Washington County Outdoor held Tuesday at Germantown. "It will be a busy week," as the Indians will then

travel to Kiel on Wednesday for a dual meet, and then head to Pewaukee on Friday for an Invitational.

"We have an important week ahead of us," Gosa concluded. "Hopefully we will get a little bit better (weather) conditions."
