Village Board Okays Repair Projects

By Gerry Mueller
Statesman Staff Writer

If you've travelled through Wisconsin the last couple of weeks, you undoubtedly came upon some type of road repair or construction. Detour signs seem to mark the official arrival of Spring.

At Monday night's meeting, the Village Board joined dozens of other governing bodies by approving those annual projects to 'patch holes and resurface streets'. Luckily, Kewaskum's projects will not inconvenience residents to any great extent.

Among work to be done is asphalt patching of about a dozen areas throughout the village. Public Works Director Jerry Gilles advised the trustees the spots were places where the roads were torn up to repair various problems such as watermain breaks, etc. He noted some repairs had been made with cold patch material which does not hold up as well as hot asphalt and some areas were old repairs which should be redone.

The board approved Gilles' recommendation to have low bidder Scott Construction do the

work at a cost of \$2,515.

In other action, the board also awarded a contract to Scott for the milling and paving of the village's portion of Riverview Drive. Scott was low bidder on the project with a price of \$11,553.00, to mill, tack coat and lay approximately 400 tons of asphalt.

Administrator Dan Schmidt and Gilles also received permission to advertise for bids on the 1992 phase of the village's sidewalk repair and replacement program.

Schmidt advised the trustees that he and Gilles have completed measuring about two-thirds of the area proposed for repair this year. We hope to open bids in June, he noted.

In other business Schmidt advised the board that the Recycling Center's manager had given his notice. He asked permission to advertise for replacements. We would like to have more than one individual available, noted Schmidt. The position consists of overseeing the center while it is open on Saturdays.

Trustee Gary Gavin advised the board that the village is seeing increased use of the library. Last month 2,238 people used our library, said Gavin. People don't realize the amount of people who use the library, he noted. Figures also show useage of the library is up 9 1/2 percent compared to this same period in 1991.

Gavin was asked to what the rise could be attributed. "Our library director is working hard to bring people, especially school children into the library. Every

week she has a column in the Statesman on some program or event." President Mary Krueger said she has heard nothing but good comments on the work Director Luci Bledsoe is doing.

In miscellaneous business Schmidt reminded the board that Trustee Vechart would be leaving the board next month. He asked whether the trustees wanted to advertise for individuals willing to fill the position or leave it vacant until next spring's election. The board agreed it was too long a period to allow the seat to remain vacant. It instructed Schmidt to advertise for individuals who would be interested serving the unexpired balance of Vechart's term.

KHS Outdoor Concert May 19

As the weather finally gets warmer and all of our thoughts turn to outdoor activities, here's one you won't want to miss. Yes, ladies and gentlemen, the final concert of the school year, the Concert in the Park, is coming soon and we don't want anyone to miss it.

Tuesday, May 19, beginning at 6:30 p.m. is the date and time chosen and the location is the beautiful River Hills Park. Great music, good food, lots of socializing and hopefully excellent weather. Hamburgers, brats, soda, candy and more, along with marches, pop music, along with swing and jazz music. The only cost to this grand finale of the musical year is whatever you want to spend on food.

SEE YOU AT THE OUTDOOR CONCERT!

Historical Society Dinner Tuesday

On Tuesday evening, May 12, members and friends of the Kewaskum Historical Society will meet at 6 p.m. in the Community Room, at the corner of Railroad and First Streets.

The guest speaker for the new membership and potluck dinner will be members of the Dundee Mill Park project. They are in the process of restoring the old mill, and constructing a park. Everyone is invited to stop in and enjoy the evening.

If you have any questions or are interested in becoming a member, please call Jake Schmidt at 338-1568 weekdays after 5 p.m.

School District Planning Retirement Reception May 19

The Kewaskum School Board, Faculty and Staff invite community members to join them in honoring Chet Czoschke, Carole Czoschke, Howard Zemlicka and Marge Krahn who will be retiring at the end of the 1991-92 school year. James Hanson, who retired at the end of the first semester,

and Paul Seymour, retired school board member, will also be recognized.

A reception will be held Tuesday, May 19, in the library at Kewaskum High School from 3:30 - 4:30 p.m. A presentation of awards is scheduled for 4:00 p.m.

Jaime Schultz is Winner of KES 'Invent America!' Competition

Creative fifth graders at Kewaskum Elementary School were involved in Invent America!, a student invention competition during the month of April. Invent America! is a program designed to help children develop and apply critical and creative thinking skills.

The Kewaskum Elementary inventions were judged by four judges. The first place winner was Jaime Schultz, who invented a robot for cleaning. The robot was "creative, attractive, unique, eye-catching, and practical" according to judges Mary Stephan (high school art instructor), Tom Larsen (elementary principal at Farmington and Wayne Elementary Schools), Jacquie Branchford and Marie Ritger (creative and involved parents of students in the district).

Second place winner, Justin Poenitsch, invented a bow-puller for hunting. "He had a very practical invention, with a beautiful prototype," according to the judges.

Third place went to Connie Maul for a frog barometer. Two fourth place ribbons were awarded to Sarah Hughes for a toothbrush that held a tube of toothpaste, and Missy Rady, for a practical and marketable pill crusher.

Honorable mentions went to Pam Hass and Matt Belger for board games on following directions and learning left and right. Christina Syverson also received an honorable mention for a hat

Senior Citizens Invited to KHS

Any senior citizen who would like to take part in a game or more of Bingo is invited to do so on May 17th.

The Kewaskum High School student council has a senior citizens afternoon planned. There will be a meal served and Bingo games going on.

It starts at noon and is taking place at the Kewaskum High School. Please R.S.V.P. at 626-2166 by May 8th. Donations will be accepted at the door.

Invent America! is one of the programs in the Kewaskum schools that is part of the gifted and talented program. It is a national program that asks students to invent a product or simplifies a task. Jaime's winning entry will go on to the state level of competition.

KMS Musical Set for May 8

On Friday, May 8, at 7:30 p.m., in Rose Hall of Kewaskum High School, the Kewaskum Middle School Music Department will perform the musical "Last Chance High."

Eighty KMS musicians will take the stage and tell the story of a juvenile delinquent high school where no one can get out, even on weekends. Several "nice" students (Jamie L. Gaffke, Marnie Winninghoff, Julie Thull and Brad Luterbach) get transferred to this "Last Chance High" through a computer error and are doomed to a lifetime of not learning and getting picked on by the high school bullies and under-achievers (Nikki Yogerst, Karl Ankerson, Jason Liegi, Joe Hawig, Tim Breitag, Ryan Radtke, Angie Breitag, Angie Bindrich and Nadalie Reindl).

Other "characters" in this school include a drill sergeant principal (Dave Ruhland), a fruitcake psychiatrist (Katie Yogerst), a bag lady who takes over the kitchen duties (Carrie Krell), a punch-drunk, ex-boxer teacher (Ryan Herman) and two English janitors (Penny Landvatter and Christa Dehler).

All is not lost, however, as two student teachers (Michelle Thull and Jessica Gerlach) get transferred in, through another computer error, and teach all of the students to feel good about learning.

Tickets may be purchased at the door the night of the performance or by contacting a cast member. The adult price is \$2.00 and any student or child ticket is \$1.00.

Kewaskum to Request SEWRPC Master Plan

By Gerry Mueller
Statesman Staff Writer

On the recommendation of the Plan Commission, the Kewaskum Village Board Monday night, voted to request that the Southeastern Regional Planning Commission (SEWRPC), prepare a master plan for the Village of Kewaskum.

Board representative Gary Gavin said the commission, after some discussion, decided it was time the village had a master plan prepared which would serve as a guide for the organized development of the village over the next ten to fifteen years. As it stands now, we have nothing to give us an idea of how to systematically and properly zone the village.

Trustee Robert Beisbier asked just what the 'master plan' was and how it worked. Village Administrator Dan Schmidt said the plan is a plastic overlay which goes over a map of the village and surrounding areas which, some day, may be annexed to the village. What it does is suggest the type of zoning which would be best suited to an area or property. For instance, it might indicate a certain area is best suited for single rather than multi-family construction or commercial rather than residential building, he noted.

Beisbier asked if the village would have to abide by what is set down by the master plan. Schmidt said no, the overlay is strictly a guide.

Gavin said the master plan was needed because people are inquiring about buying property and land in the village. When they look at a piece of property we want to be able to tell them how a property will be zoned and how the properties around it would be zoned. It would also help the village decide if a request to re-zone a property is proper and should be granted.

Schmidt was asked what kind of cost would be involved and he indicated it would be very nominal.

MOTHER'S DAY DINNER

Crown Mom "Queen for a Day," then treat her to a delectable dish that's sure to please. She'll truly be the guest of honor as Dad and the kids prepare Special Chicken For Mom developed by The Lipton Kitchens. The chicken is simmered to perfection in a delicate cream sauce, easily prepared with versatile onion soup mix, tarragon wine and cream. Hot buttered noodles, salad and a glass of wine for Mom complete this special meal . . . sure to be a treat for the entire "royal" family!

SPECIAL CHICKEN FOR MOM

- 2 tablespoons oil
- 2-1/2 pounds chicken pieces
- 1 envelope Lipton® Onion or Onion-Mushroom Soup Mix
- 1/2 teaspoon tarragon
- 1 cup water
- 1/2 cup white wine
- 2 tablespoons all-purpose flour
- 1/2 cup whipping or heavy cream

In large skillet, heat oil and brown chicken; drain. Add onion soup mix and tarragon blended with water and wine. Simmer covered 45 minutes or until chicken is tender. Remove chicken to serving platter and keep warm. Into skillet, stir in flour blended with cream. Bring to the boiling point, then simmer, stirring constantly, until sauce is thickened, about 5 minutes. Serve sauce over chicken. Makes about 4 servings.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9) Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8:00 a.m. and 4:00 p.m.

A few safety tips to everyone operating a bicycle are: keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we follow these rules and safety tips, we should have a safe bicycle season.

HONOR YOUR MOTHER FOR THE MANY ROLES SHE HAD TO PLAY

A mother must be many things,
To handle woes that childhood brings.
With more than just her apron strings
She must be on the ball:
A teacher, nurse and counselor
For anything that might occur,
And so you could depend on her
To answer when you'd call.
She had to play a different role
With every sorrow she'd console;
While helping you to reach your goal,
Whatever would befall.
Your House of Worship teaches you
To honor her whose life through;
Whatever job she had to do,
Your mother did it all.

What Happens to the Material Collected at a Household Hazardous Waste Program?

There is no single method which can safely handle all the different types of waste collected. The wastes must be sorted by treatment or disposal category, and any laboratory analysis or regulatory requirements completed. Wastes are then shipped to facilities in several states.

Recycling — Some solvents, lead/acid (automobile) batteries, and some mercury may be reprocessed into useful products.

Fuel Blending — This is a method for recycling energy value from wastes. Solvents not suitable for recycling, some paints, kerosene, used motor oil, gasoline, and other flammable or combustible liquids will be blend-

ed to make a fuel for industrial kilns or boilers.

Chemical Treatment — Cyanides may be detoxified, acids and bases neutralized, or toxic metals removed by various chemical procedures.

Incineration — Most pesticides, herbicides, aerosol cans, cleaners, waxes, and flammable materials, not suitable for recycling or fuel use will be burned with monitoring instruments and air pollution control devices

Fixation/Stabilization — Some liquids will be treated to make their constituents immobile.

Secure Chemical Landfill — This method is used for materials which are not suitable for other

methods, and is also used for residues produced by other methods. For example, a solvent such as paint thinner may go to a recycler, where clean product is separated from impurities called "still bottoms." The still bottoms are then incinerated producing harmless gases and a small amount of ash which goes to a secure chemical landfill.

Alternate technologies are gradually replacing landfills for untreated wastes. Most untreated hazardous wastes are already prohibited from landfills. EPA is now phasing in regulations which will assure that no untreated hazardous wastes will be sent to landfills, only residues from waste treatment.

County Household Hazardous Waste Clean Sweep Day Saturday, May 9

Washington County Board of Supervisors Chairman, Reuben Schmahl, has declared Saturday, May 9, 1992 as *Washington County Household Hazardous Waste Clean Sweep Day* for the residents of Washington County.

Spring clean those no longer needed hazardous supplies lying around. Bring cleaning and polishing chemicals, paint solvents, rodent bait and

pesticides. Bring them in their original containers to:

West Bend Municipal Garage, 251 Municipal Dr., West Bend, Hartford Public Works Garage, 710 W. Sumner St., Hartford.

Germantown Recycling Center, N116 W17230 Main St., Germantown.

Dr. Sylvia Rimm to Speak in West Bend

Dr. Sylvia Rimm, a nationally known psychologist, and author of a newspaper question/answer column for parents will be in West Bend on Tuesday, May 12th for a free workshop.

Dr. Rimm will talk about "HOW TO PARENT SO CHILDREN WILL LEARN" for parents of Early Childhood through grade school age children. She will use material presented in her newest book by the same title, "How To Parent So Children Will Learn" which gives clear guidelines on fostering a home environment that encourages your children's love and respect for learning.

Dr. Rimm will also discuss: - how to praise and empower, - handling power struggles, - how to model and expect achieve-

ment, - how to set limits, and - tips for motivation.

The May 12th workshop will be held at Fair Park School from 6:30 - to 8:00 p.m., 519 N. Indiana Avenue West Bend. Reservations are appreciated for the free presentation, but walk-ins will be accepted. Free child care for 3-8 year olds will also be offered and most be reserved. For reservations for adults or for child care, call The Family Center of Washington County - 338-9461.

This program is co-sponsored by: West Bend Public Schools, Family Center of Washington County, The Threshold, Inc., Moraine Park Technical College, MPTC Grad. Home Economists, and YMCA Tot Time Preschool and Day Care.

Wisconsin Veterans Home to Host Open House on May 17

The Wisconsin Veterans Home at King, will host its annual Open House celebration on May 17, 1992. Everyone is cordially invited to attend the festivities and participate in the many activities during the day. The veterans home is located on Hwy. QQ/Veterans Highway, just south of Waupaca.

Highlights of the day include an antique car show with over \$1,000.00 worth of trophies to be presented to contestants in three categories. There are over 100 old cars expected to compete. There will be music in the park on the bandstand from 11 a.m. to 4 p.m. A dunk'um tank, petting zoo, food booths, military vehicles and equipment displays and games will provide something of interest for everyone.

Through the courtesy of Clearwater Harbor owner, Pat Meighan, "The Chief Waupaca," an authentic sternwheel cruiser, will give free boat rides on the beautiful Chain O'Lakes with departures at 12 noon, 1 p.m. and 2 p.m. from the Veterans Home dock.

Tours of the home grounds, Commissary Central Kitchen, Fire Department and Therapy Departments will be available throughout the day. The public is also invited to tour the Wisconsin Veterans Museum, participate in the clown makeup booth, bowling, bingo, boat rides and other indoor and outdoor activities. Many of the handcrafted items made by the members of the Wisconsin Veterans Home will be for sale in the Gift Shop at the Marden Memorial Center. Bratwurst and hot dogs will be sold in the park from 11 a.m. to 3 p.m.

- * Has no sense of time;
- * Is unorganized;
- * Needs lots of help with homework - doesn't "get it";

- * Knows something one day and the next seems totally unfamiliar (math tables for example);
- * Has an "I don't care" attitude" - you need to attend this meeting!

The above may be signs or symptoms of a specific language disorder known as Dyslexia.

All parents in the Kewaskum School District are invited by the KES PTO to hear an informative talk by Mrs. Roseanne Aman, Executive Director of the Wisconsin Dyslexia Institute on Thursday, May 14, 1992 at 7:00 p.m. at the elementary school.

If your child has any combination of these characteristics, don't let end of the school year burn-out keep you from this important meeting. Your child's future success can be greatly affected by undetected Dyslexia. There is help.

Childcare and refreshments will be provided. If you're planning to attend, please call Gail Ramirez at 626-4372 after 6 p.m.

County Separated and Divorced Group to Meet

The Washington County Separated and Divorced Men and Women Support Group meets Friday at Sacred Heart Church in Allenton from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are also guest speakers, panel discussions, small group sharing and activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

Upcoming topics are:

May 8 - "New Horizon - A Healing Weekend." What it's all about with Jack Kischetsky and other guest speakers.

May 15 - "11th Anniversary Party-Alumi Night," with potluck dinner. Please bring a dish to pass. Old and new members are welcome.

May 22 - "Parents and Children are Not Necessarily Friends," dealing with our children, featuring Dr. Doug Meske, MSW, a past guest speaker. Children are welcome to come along. Please bring them along to help the program to flow and understand us.

May 29 - "Understanding the Healing Power of Self Acceptance," with Wanda Beals, MSW, a past guest speaker.

June 5 - "Hanging On While Letting Go, Reality of Change," with Cathy Gallagher, a past guest speaker from S & D North.

June 12 - "What's Your Beef" is a small group discussion.

June 19 - "Father's Day," viewing the day ahead through Father's eyes.

Lead Screening Tests Available

Lead screening tests will be available for children, up to age 6, at clinics offered in the community by the Washington County Community Health Nursing Service. The clinic dates are:

May 14, 1:30 to 3:30 p.m. - Germantown Senior Center, Park Avenue, Germantown.

May 19, 1:30 to 3 p.m. - Hartford City Hall, Community Room, Hartford.

June 3, 9 to 11 a.m. - Community Health Nursing Office, Washington County Court House, Room 243, West Bend.

Childhood lead poisoning is one of the most common pediatric health problems in the United States today, and it is entirely preventable. Although all children are exposed to some lead from food, air, dust and soil, some children are exposed to high doses of lead. Lead-based paint is the most widespread and dangerous high-dose source of lead exposure for preschool children.

The children at greatest risk of lead poisoning are those:

- living in, or regularly visiting, a house or building built before 1960.

- living in housing where renovation is being done or has recently been completed.

- living with a parent who works in a lead-using industry.

Lead poisoning can occur in a young child without the parent being aware of a problem. Children often do not have any significant symptoms with lead poisoning, or the symptoms can mimic other childhood illness, and the lead poisoning will continue.

Lead screening is done using a blood lead test. The child's finger will be pricked by a public health nurse, a blood sample will be obtained from the finger prick and sent to the State Laboratory for processing.

The blood lead results will be available within a few days after the test is done, and parents will be notified of their child's test results. When children are brought to the clinic, a public health nurse will explain the test, provide information about the sources, effects, and prevention of lead poisoning, the nutritional needs of children, and do the testing.

Parents who are unable to bring their children, and plan to have a friend or grandparent bring the child, must obtain and complete and sign a consent form prior to the day of the clinic.

There will be no charge for the lead screening test.

For further information or consent forms, contact the Community Health Nursing Service at 335-4462, 644-5204 or 342-2929.

No wonder a newborn baby cries — It's hungry, it's naked, and already it owes the government \$2,400.

GOOD NEWS With Community Church

Third in a Series of Six Messages by Donald C. Kurer

USELESS WORRY

There are two days of the week that we must never worry about. One of them is yesterday. Some people worry about past failures and mistakes when usually there is absolutely nothing that can be done about them.

It is far better to ask God for grace to forget. In Philippians 3:13 apostle Paul wrote: "forgetting those things which are behind, and reaching forth unto those things which are before." Profit by your mistakes, but never brood over them.

Also, we should not worry about tomorrow. Jesus said in Matthew 6:34, "take therefore no thought for tomorrow." Tomorrow belongs to God.

We need only face the responsibilities of one day at a time. While being assured in Deuteronomy 33:25 "as thy days, so shall thy strength be." From this promise, the Lord is in control of every situation, so don't worry.

Community Church is located at 2005 S. Main St. (Hwy. P), West Bend. Phone 338-0725. Kevin Barrett is the Pastor. Sunday School begins at 9 a.m. with church service at 10:05 a.m.

Campus Notes

Craig Hubbell, 1010 Hillside Drive, Kewaskum, was among 925 St. Olaf College students that were recognized for academic achievement at the college's annual Honors Day convocation on May 6.

Honors Day is held annually at St. Olaf to recognize students who have attained a 3.30 grade point average or higher.

Scholarship and award winners also are honored, as well as those elected to membership in Phi Beta Kappa, national scholastic honor society, and other academic achievement organizations.

St. Olaf is a four-year, coeducational liberal arts college of the Evangelical Lutheran Church of America (ELCA) with a student enrollment of 3,057 and a faculty of 275. The college is particularly well-known for its music, international studies, science and mathematics curricula.

What is a Host Family?

As Americans we are honored to live in a country that students from around the world are eager to visit.

American Intercultural Student Exchange (AISE) is a non-profit tax exempt educational organization dedicated to fostering international understanding. We are actively seeking host families for high school exchange students from over 20 countries for the 1992/93 school year.

What is a host family? Host families are open minded people from different backgrounds and professions. Some have children. Some are small and some are large, both in size and heart. The most important aspect is that they are AMERICANS. Host families provide a bed, food, and a supportive environment for the student.

The exchange students arrive in August, 1992 and return to their home countries in June, 1993. They attend the local high school, have medical insurance and spending money. They come to America to share their lives, cultural heritage, to study and learn first hand about America. Their lives will never be the same!

Make their dreams become a reality. Call now for further information about hosting a student. TOLL FREE: 1-800-SIBLING.

Local United Way Withholds Dues

Taking decisive action on Tuesday, April 28, the United Way of Washington County's Board of Directors voted unanimously to not pay the \$6,890 previously pledged to the United Way of America for 1992 dues.

The figure represents approximately 1 percent of the \$748,500 in funds collected as part of the 1991 county-wide fund drive. The United Way of Washington County joins other local United Ways in Wisconsin and across the country who have withdrawn their financial support to the United Way of America in protest.

County Retired Teachers to Meet

On Tuesday, May 19, members of the Washington County Retired Teachers Association will meet at the Cedar Valley Retreat Campus, 5349 Hwy. D, West Bend. As usual, coffee time at 9 a.m. will precede the 9:30 business meeting when election of officers will take place.

Our program for the morning will feature Dorothy Williams, a charter member and first president of WCRTA. Ms. Williams, who taught history in the West Bend High Schools before her retirement and who authored the book "Spirit of West Bend", will present a review of a current book.

The morning's activities will conclude with a luncheon. Be sure to send your reservation to Barbara Curley, 413 Douglas Lane, Cedarburg, WI 53012. Cost of the lunch is \$4.50; checks are payable to WCRTA. Members are urged to attend and to bring a friend to this last meeting before the summer recess.

VFW TO MEET

The Kewaskum Memorial Post 11036, will hold their regular monthly meeting on Tuesday, May 12, at 7:30 p.m. at Johann Building, 2450 Hwy. 28E, in St. Michaels. Join the VFW! Call 626-2061.

Harry E. Koch, Cmdr.

"We, too, want to send a strong message to the national organization," said Tom Lindell, Board President. "We are unhappy with the performance of the national Board of Governors and the former national president, William Aramony, and want significant changes in staffing, salary levels and in services provided to our local United Way.

"In the past few months, strict controls have been put in place, some changes have occurred, but we're taking a 'wait and see' approach," said Lindell. "We will review our membership in the United Way of America on an annual basis, just as we review our relationship with every other agency we fund. Our decision will be made on a cost/benefit basis," he said.

"Be assured that we have been good stewards of local United Way contributions since we began in 1936. Since historically one cent of every contributed dollar went to the National United Way in the form of dues, this meant that 99 cents out of each dollar remained in Washington County. Local volunteers have always determined how your money is spent. For 1992 and every year to come, we'll now subject that remaining penny to the same scrutiny previously af-

forded the remainder of your dollar," said Lindell.

More than 200 volunteers help monitor how money is raised and how it is distributed. Annual visits to member agencies, ongoing reviews of budgets and agency practices position United Way as a vital link between donors and the agencies who receive the funds.

"Our own operating budget as a percent of funds raised has been steadily decreasing. This is something we're proud of and would like to continue." The national standard for charitable organizations is 25 percent or less for overhead; for 1992, the United Way of Washington County's operating costs are at 14 percent.

"We are concerned that some may use the national situation as an excuse not to give. The people who would be hurt the most by any decreased local donations are our families, friends and neighbors right here in Washington County who use the services provided by our member agencies," said Lindell. One in four County residents benefit from United Way - funded programs and services.

Funds previously earmarked for United Way of America will be distributed among local member agencies, based on need.

The Junior Prom will come to Kewaskum High School this Saturday, May 6, with the Italian theme "Al-Di-La." Music will be provided by Harry Rothman's orchestra. King Tom Gundrum has selected Sue Scannell as his queen. Members of the court are Steve Cleavland and Stephanie Landmann, Kenneth Bierter and Helen Wichtoski, Dennis Backhaus and Christine Fellenz, Gary Backhaus and Julie Geidel, Marvin Tanck and Jane Honeck, Dennis Terlinden and Debbie Schlosser.

C.E. "Ernie" Mitchell, Kewaskum Community High School principal, will complete 25 years of dedicated service to the schools and youth of this community this year. Sunday, May 28, has been designated by the school board to honor Mr. Mitchell for his service. A program and reception will be held at 2 p.m. that day at the high school to commemorate the event.

Residents of the Town of Wayne are having a dog problem. The animals are running in packs of from two to five and are chasing deer as well as killing domestic stock. Farmers indicate that one dog is a Spitz, the others, a police dog and a black and white mongrel. Herman Dunst lost 57 chickens, Clifford Rocks 18 ducks, Carl Becker 47 chickens and the pastor of the Wayne Church lost seven rabbits killed in their cages. Leo Zehren shot at two dogs that were attacking his pigs.

Births — A son to Mr. and Mrs. Mark Shaw, R.2 Kewaskum, born Wednesday, April 26. A son to Mr. and Mrs. Raynor Herriges, 1324 Western Avenue, Kewaskum, born Tuesday, May 2.

Banns of marriage were announced in Holy Trinity Church Sunday for Thomas Spartz and Janet Dreher.

50 Years Ago

May 8, 1942

Damages estimated at between \$1,000 and \$1,500 resulted from a fire at the Driessel estate home on the corner of Main and West Water Streets early Wednesday evening. Most of the damage was confined to the upstairs rooms, attic and roof of the house. The fire was discovered by neighbors who saw flames and smoke pouring out of a sun room located on the second story. Mrs. Ursula Runte

and Mr. and Mrs. Wilbert Schlosser, occupants of the house were unaware of the fire when the siren sounded and the latter two came out to find out where it was. Mrs. Runte, who is convalescing from a stroke, was carried from the house. The fire is believed to have been caused by a kerosene heater left unattended in the sun room.

Three Kewaskum High School boys and one young lady were injured when a 1926 Model T Ford driven by Lynes Fellenz collided with a 1937 V-8 Ford, driven by Mrs. Leonard Ferber in front of the high school Wednesday. Injured were Lloyd and Orville Petermann, passengers in the Fellenz car, all students, and Miss Ruth Wesenberg, a passenger in the Ferber car. Mrs. Ferber and another passenger, Miss Eleanor Bartelt escaped injury. The accident occurred when Fellenz, who failed to see the Ferber car, made a sharp turn in the street and rammed into the Ferber machine. Both Petermann boys suffered severe lacerations of the legs cutting the tendons to the foot. It is reported the Petermanns had their feet on the dashboard, which resulted in the lacerations from the shattered windshield.

A total of 364,000 pounds, or 182 tons of salvage needed to "scrap the Axis" was collected in Washington County during "MacArthur Week," according to D. J. Kenny, West Bend, chairman of the County Salvage Committee.

75 Years Ago

May 5, 1917

A very pretty double wedding was solemnized at the Ev. Peace parsonage last week Saturday, April 28th, by Rev. Mohme, when Miss Mary Eggert of the Town of Barton became the bride of Mr. Martin Bremser of St. Michaels and Miss Anna Eggert, also of Barton, became the wife of Mr. Arthur Goll of Milwaukee. The brides are twin sisters and were dressed alike in gowns of white silk crepe de chine. The former couple was attended by Miss Anna Bremser, maid of honor. Miss Alvina Eggert was the bridesmaid. Carl Eggert acted as best man and Mike Scheid as groomsmen.

A very quiet wedding took place last Saturday evening at the Ev. Peace parsonage when Rev. Mohme united in marriage Miss Hilda Weddig, daughter of Mr. and Mrs. Chas. Weddig, Town of Kewaskum, and Frank Gonner-

ing. The young couple will reside on a farm in the Town of Kewaskum.

The bad news was circulated around Boltonville Sunday morning that Mrs. Oscar Schultz had departed this life the night before after a long and painful illness of Typhoid Fever. Deceased was a resident of this village since last fall when her husband became owner of the cheese factory.

John Diels, Kohlsville, has traded his farm for the John Kreikampf hotel at Allenton.

Born to Mr. and Mrs. Jos. Kohler, St. Kilian, a baby boy last Monday. Congratulations.

Mother's Day Voice, Instrumental Recital At WB Gallery

Enjoy the perfect outing on Mother's Day. Area residents, musicians and music educators, Donald K. Vollan, bass-baritone, and Marty Gross, euphonium and tuba, will present a joint voice/instrumental recital at the West Bend Gallery of Fine Arts on Sunday, May 10th at 2:00 p.m.

Gross will open the recital with "Suite for Tuba" by the contemporary American composer, Don Haddad. Music by Ralph Vaughn Williams, and English composer, will be featured by both performers. Gross will perform two "Studies in Folksong" on the euphonium and Vollan will perform three songs from Vaughn Williams' "Songs of Travel": "The Vagabond", "Bright is the Ring of Words," and "The Roadside Fire".

The recital will close with two songs for voice and instrument written by our local composer, Mrs. Anna Asch. They are "The Beatitudes" and "Rejoice and Be Glad."

Other composers whose works will be featured are Michael Head, Aaron Copland, G.F. Handel and Robin Milford.

Reservations are not required; however, seating is limited to 90.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday 10:00 a.m. - 4:30 p.m. and Sunday 1:00 - 4:30 p.m. For more information call the gallery at 334-9638.

WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

April 22, 1992

The Washington County Sheriff's Department, and all area police departments want to warn area residents about home improvement scams. These types of crimes seem to start in the spring, and an elderly Germantown resident has already been victimized.

These criminals generally target elderly people and offer to repair roofs, chimneys, blacktop driveways, repair furnaces, etc. Once inside a residence, they steal jewelry, money or other valuables. They also overcharge and usually use very inferior products to affect repairs.

These criminals are usually described as olive-skinned Mediterranean types. They are fast-talking, very persuasive, high pressure type people. They generally drive very late model trucks and/or large American cars.

If a homeowner is approached by anyone offering to do home repairs or blacktopping, be aware of these scams. Reputable business people do not go out soliciting this type of business unless asked. If anyone comes to your residence unsolicited, do not allow them into your home. If they offer to repair or replace anything, get a second bid from a local contractor before going ahead with the repairs.

Be very careful about anything that sounds too good to be true.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

Farm Electrical Safety Brochure Free from WE

MILWAUKEE... Farming can be a dangerous business, but Wisconsin Electric Power Company's new farm electrical safety brochure can help make it a little safer.

"Electricity runs many of today's farming operations, and with it comes the potential for possible electric shock if proper safety precautions aren't taken," said Nick Spang, Wisconsin Electric farm market manager.

"Our new farm electrical safety brochure offers a number of safety tips designed to make farmers aware of the potential dangers when working with and around electrical equipment," he said.

The brochure covers a wide range of electrical safety issues, including:

***POWER LINE SAFETY** — Most overhead power lines have no protective insulation. Any physical or equipment contact with them could be dangerous.

***STANDBY POWER** — A standby power generating system must match the electrical load needed during an outage. One of the basic components of the system is the transfer switch that safely connects the generator to the farm wiring and prevents any interconnection between the standby generator and Wisconsin Electric power lines.

***GROUND FOR SAFETY** — Probably the best protection against electric shocks are ground-fault circuit interrupters (GCFIs). GCFIs act as buffers between an electrical source and the machinery it powers.

Other issues covered include stray voltage, lightning protection, stock waterers, and electric and magnetic fields. The brochure also includes a 19-point farm electrical safety checklist and a list of additional sources of farm safety information.

To receive a free copy of the brochure, contact your local Wisconsin Electric office.

MABELLE E. GEIDEL

Mabelle E. Geidel, 84, of Boltonville passed away Monday, May 4, 1992 at the Samaritan Nursing Home in West Bend.

She was born on February 28, 1908 in Milwaukee the daughter of the late Herman and Paulina (Tiegs) Becker. She was united in marriage to Robert Geidel on June 10, 1939. He preceded her in death in 1969.

Mrs. Geidel was a member of St. John's U.C.C., Boltonville, the Ladies Guild and Boltonville Royal Neighbors. She lived most of her life in Boltonville.

Survivors include a son Gerald (Patricia) Geidel of Kewaskum; a step-daughter Agnes Fellenz of Germantown; a twin sister Loraine Rosenthal of West Bend; three grandsons, Douglas, Christopher and Jeremy Geidel; six step-grandchildren, and step-son-in-law, Joe Crass of Phelps.

In addition to her parents and husband, she was preceded in death by three brothers, three sisters, a step-grandson, and a stepdaughter Edna Crass.

Funeral services will be held at St. John's U.C.C. Boltonville at 3:00 p.m. on Thursday, May 7, 1992 with Rev. Hilda F. Seater officiating. Burial followed in Boltonville Union Cemetery.

Friends may call at the church only Thursday from 1:00 p.m. until the time of services. The Miller Funeral Home, Kewaskum is serving the family.

CECILIA M. BOHN

Cecilia M. Bohn, nee Goeden, of West Bend, died Monday, April 27, 1992, at Hartford Memorial Hospital, at the age of 95.

She was born April 23, 1897, in the town of Trenton, to the late Peter and Margaret (nee Meier) Goeden.

She married Albert H. Bohn at Holy Trinity Church, Newburg, on Sept. 27, 1921, after which they settled on a farm in the town of West Bend.

She also lived in the town of Trenton and the city of West Bend.

Her husband passed away Nov. 2, 1988.

Survivors include three children, Robert (Paula) of El Paso, Texas, James (Rosemary) of West Bend and Eugene (Marilyn) of Kewaskum; nine grandchildren; seven great-grandchildren, and other relatives and friends.

Preceding her in death were two sons, George and an infant son; a daughter-in-law, Shirley; seven sisters and five brothers.

She was a member of the Christian Women's Confraternity at St. Frances Cabrini Church and former member of the Ladies Auxiliary of the Fred A. Schaefer Post 1393 VFW.

A Mass of Christian Burial was held Friday, May 1, at 10 a.m. at St. Frances Cabrini Church. Rev.

Charles Walter was the presider, and burial followed in Holy Angels Cemetery.

Visitation at the Schmidt Funeral Home, West Bend, was on Thursday from 4 to 9 p.m., with a prayer vigil at 7:30 p.m. and at the church on Friday from 9 a.m. until the time of services.

Memorials to the charity of the donor's choice are preferred.

HELEN STEINDORF

Helen Steindorf, 68, of 809 Main St., Brownsville, died Monday, April 27, 1992, at St. Agnes Hospital.

She was born Nov. 24, 1923, in Chilton, a daughter of Otto and Lucy Ott Joas. On July 14, 1943, she married Andrew Steindorf at St. Matthew's Catholic Church, Campbellsport.

Meals for Seniors

HOW TO SIGN UP

Sign up on a regular basis or sign up on a one-meal-at-a-time basis. Reservations must be made by 12:30 p.m. on the previous day. Site managers will sign you up between 10:30 a.m. and 12:30 p.m. on the days they are open, or call The Office On Aging in West Bend at 335-4497.

WHAT IS THE PROGRAM

This program provides older persons the opportunity to eat at least one hot nutritious meal a day. Congress authorized the program in The Older Americans Act, and it was funded by the federal, state and county governments. The program recognizes the need of older persons to continue their social contacts and to meet together socially. These older persons can participate in this nutritious social and recreational program while still continuing to live in their own home.

WHO IS ELIGIBLE

Anyone 60 years of age or older or the spouse of anyone 60 years of age or older. Also, handicapped persons by special arrangement.

HOW MUCH

Those 60 or over and their spouse make a donation of whatever they can afford. Those under 60 pay the actual cost of the meal which is posted at each meal site.

PURPOSE OF THE PROGRAM

To provide nutritious meals for the elderly. To encourage after lunch sociability among the elderly. This program seeks to help older persons to live in their own

homes while at the same time providing them with a hot nutritious meal a day, and social contact and recreation at the meal sites before, during, and after the meal.

PROGRAM SITE

The program is available in Kewaskum at Meadowcreek Apts., 1119 Roseland Dr., Kewaskum, WI 53040. Phone is 626-8333. They are open Monday, Tuesday and Thursday. For more information contact Cheryl Ramthun at 626-8333.

U.S. Chamber Rates Senator Robert Kasten at 100 Percent

WASHINGTON... Wisconsin's two U.S. Senators differed markedly in their support of business legislation during 1991, according to the nation's premier business lobby and support organization.

Senator Robert Kasten Jr., ranking Republican on the Senate Small Business Committee, posted a flawless voting record, scoring 100 percent on 10 selected issues before the Senate this year. In contrast, Senator Herbert Kohl managed only a 20

percent rating, taking a pro-business stance on only two of the 10 issues.

Representative Steve Gundersen and F. James Sensenbrenner Jr. also received 100 percent ratings. Other pro-business representatives included Scott Klug, with an 80 percent rating, Thomas Petri, with 90 percent, and Toby Roth with 80 percent.

Four Wisconsin representatives had low scores on business legislation. Representative Les Aspin achieved only a 33 percent

rating. Gerald Kleczka had 11 percent, Jim Moody had 30 percent, and David Obey, 20 percent.

"Support for business, particularly small business, is support for jobs and a strong economy," said Donald J. Kroes, Public Affairs of the U.S. Chamber of Commerce. "That's especially important as the nation works to emerge from a recession. A higher score in this survey represents a stronger economy and a stable employment environment for American workers."

Included among the votes backed by the Chamber were measures to make Congress subject to the rest of the country. The

Chamber also supported legislation to reduce the payroll and capital gains taxes, in an effort to stimulate growth and create new jobs.

The Chamber opposed a measure extending the government's role over the election process through taxpayer financing, and legislation leading to race or sex-based employment quotas. The Chamber also opposed a bill removing flexibility from trade negotiations by mandating fringe benefits.

Composting: Nature's Easy Way to Do Your Spring Yard Cleanup

Madison, WI — If you're wondering this spring what to do with the leaves and brush that blew onto your lawn last winter, let nature do the disposal work for you. Start a compost heap in your yard.

"Composting is an excellent way to turn would-be yard waste into ecological gold," said Department of Natural Resources Compost Specialist Georgia Reay.

With minimum effort, Reay says you'll wind up with a crumbly humus that is rich in carbon, oxygen, hydrogen, nitrogen, phosphorus, potassium, calcium, magnesium and sulfur, all basic nutrients necessary for plant growth. Compost is also a good weed inhibitor and soil aerator.

"Starting your own compost pile will also save you time and expense," she added.

In some Wisconsin communities, the need to conserve landfill space or save on waste disposal costs has led to early bans on putting yard materials in landfills and incinerators that burn without energy recovery. As of January 1, 1993 a statewide ban will go into effect.

Soggy clumps of leaves covering your lawn can prevent moisture from evaporating from the soil and should be removed, Reay says. Mix them with straw or small brush and they make an excellent compost starter.

"You want your compost pile to be as moist as a wrung-out sponge," she said. "So it's important that you combine the wet leaves with some kind of organic matter that will allow air to circulate and help dry them out."

Chopping up your leaves and other yard debris, to reduce surface area, will help them decompose more quickly.

Pine needles are also compostable, but Reay recommends leaving them where they fall to maintain proper soil balance and to cushion and protect pine trees' shallow root systems.

If you cannot use all your compostable garden resources, Reay suggests calling your municipal or county department of public works to find out how, when and where you may dispose of them.

Some Wisconsin municipalities outlaw burning of yard debris, she

said, because leaves, grass, brush and tree branches produce smoke laden with irritants that may make breathing difficult for people with allergies or asthma.

"Many communities see backyard burning as a fire and safety hazard and nuisance to neighbors," she added. "Which is yet another good reason to consider composting."

Gardening experts offer a variety of recipes for making the perfect compost pile, telling you how to layer all the ingredients in a scientific manner, explained Reay. But a compost pile can be as simple as you want.

"The only difference between the more precise compost heaps and the ones where you toss everything together willy-nilly is time," she said. "The better-managed compost piles work faster, but in the end they all get the job done, naturally."

Yard debris, according to a recent Department of Natural Resources study, accounted for 16-20 percent of what went into Wisconsin landfills last year. Almost 200 community recycling programs statewide are already handling leaves, grass, brush and other garden resources in compliance with the 1993 ban.

Campus Notes

Greg Koenen of Beaver Dam, grandson of former Kewaskum residents Jacob and Cora Koenen, became a part of Great Britain's election process recently, while studying at Boston University's London Internship Program.

As part of the overseas program, Koenen worked with Gerald Bowden, conservative member of British Parliament, with his election campaign. During this entire process Greg learned a lot about British government running an election campaign, and the responsibilities of an elected official.

he also had the opportunity to meet former British Prime Minister Margaret Thatcher.

Coast Guard Recreational Vessel Fee

This year the Coast Guard will continue to enforce the Recreational Vessel Fee (RVF) Law.

Boat owners must pay the RVF based on boat length and loca-

tion. Recreational power boaters and sail boaters alike must pay the fee. The fees are: Over 16 feet but less than 20 feet = \$25.00, 20 feet to 27 feet = \$35.00, 27 feet to 40 feet = \$50.00, and 40 feet or greater = \$100.00.

Boaters in our area will need to pay the fee if: 1) they will use their boat on one of the Great Lakes or the Mississippi River, or 2) they will boat on a body of water from which a 16 foot vessel can get to one of the Great Lakes or the Mississippi River. Boaters who are in doubt about a body of water should contact any Coast Guard Unit.

To obtain decals, call 1-800-848-2100 and provide a VISA or Master Card number, or mail a check, money order, or VISA or Master Card number with an application. Applications are available from any Coast Guard Unit or the Boating Safety Hotline at 1-800-368-5647.

Preschool Teacher Training

Preschool groups find Riveredge Nature Center an exciting place for a self-guiding field trip. Any group that wishes to schedule such a self-guided trip must receive an orientation from a naturalist. This program on Monday, May 11, from 6 to 6:30 p.m., will provide that orientation.

Participants learn many easy activities that will make the trip a positive learning experience and will become acquainted with the facilities of the Center.

For more information and to register call Riveredge at 675-6888 (local) or 375-2715 (metro).

Riveredge Nature Center is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County on Highway Y, one mile north of Newburg, between Saukville and West Bend.

A Proclamation

Whereas, the public schools are an important and integral part of our society charged with preparing the next generation for the social, economic, ethical, and political challenges of the future; and

Whereas, the public schools share that challenge with the families and communities of their students; and

Whereas, hundreds of thousands of family and community members respond to the challenge by committing their time, talents, and energies as volunteers in Wisconsin's public schools; and

Whereas, the countless hours they devote to academic and extracurricular activities contribute immeasurably to the quality of education in our state;

Therefore, be it resolved that April 26 to May 2, 1992, be proclaimed in Wisconsin as National Volunteer in the Schools Week, a time to recognize and celebrate the contributions volunteers make to the children of our state.

County Sheriff's Dept. Thwarts Kidnapping Plot

On April 27, 1992 the Washington County Sheriff's Department arrested two men for conspiring to commit a kidnapping. These arrests followed extensive investigation by the Washington County Sheriff's Department Detective Bureau, Brown Deer Police Department, Menomonee Falls Police Department, and the Oconomowoc Police Department also assisted.

The two men arrested were Milwaukee and Hartland residents, and both were 32 years old. A 41 year old West Bend resident was arrested by the Oconomowoc Police Department on related charges.

The intended victim was a 65 year old Brown Deer resident, and is a distant relative of one of the suspects. The intended victim had refused to loan \$800,000 to the suspect. The plan was to kidnap him and some how extort the money out of him.

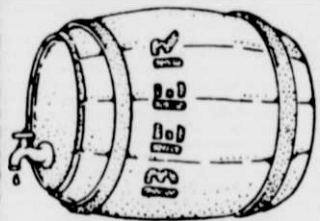

Extensive surveillance of the suspects revealed the kidnapping plan was followed to within one block of the victim's residence, where the suspects believed they observed Police Officers and aborted the attempt.

Vietnam Veterans Elect New Officers

On Sunday, April 26, 1992, the Vietnam Veterans of America, Kettle Moraine Chapter 448, held their annual elections at the Newburg Fire Hall. Officers for the 1992-1993 year are:

Pointers For Parents Single Parenting Success

If you're a single parent, you're not alone. There are nearly nine million single parent families today, raising some fourteen million children.

Fortunately, there's an organization just for them. Parents Without Partners offers single parents of all ages and their children ways to socialize and economize. Parent social and educational activities provide opportunities to develop a circle of friends and a supportive network. Children can enjoy camping, picnics, bowling, swimming, crafts, cooking and other activities.

The international organization was founded in 1957. It welcomes both custodial and non-custodial mothers and fathers who are divorced, widowed, separated or never married.

For a free brochure write: Parents Without Partners, 8807 Colesville Road, Silver Spring, MD 20910 or call 1-800-637-7974.

Chinese Pheasants Stocked at Five Wisconsin Sites

MADISON... State wildlife biologists are optimistic that the stocking of Chinese Jilin pheasants will provide a reproductive boost to the state's natural population of ring-necked pheasants.

"This is an experiment to see if game farm-reared progeny of wild Chinese pheasants respond to habitat better than our local pheasants," said Bill Vander Zouwen, upland wildlife ecologist for the Department of Natural Resources. "We'll be stocking the Jilin birds in select areas where there's a newly developed pheasant habitat or where the local pheasant population is low or nonexistent."

Vander Zouwen and other department wildlife managers suspect that the adaptability of Wisconsin's resident pheasant populations has been degraded following decades of pheasant stocking using genetically inferior game farm birds. He noted that both Jilin and Iowa strain pheasants act much wilder in pens than other pheasants raised at the game farm.

The Jilin pheasant is actually the Manchurian ring-necked pheasant (*Phasianus colchicus pallasii*) from the Jilin province of northeast China. Vander Zouwen said this pheasant is very similar in size and appearance to the ring-necked pheasant normally seen in Wisconsin. The main difference are its slightly lighter coloration, wider neck ring and an occasional white feather or two on the cheek.

Vander Zouwen said the Jilin pheasant made its way to Wisconsin thanks to the efforts of Bill MacFarlane of MacFarlane Game Farm, who had contacts in China to get the project initiated, and the

conservation group Wings Over Wisconsin, which provided funding to bring over the eggs from China and set up the quarantine and holding pens at the DNR Game Farm in Poynette.

Jilin pheasants were released at five sites, one each in Dane, Sauk, Green Lake, Fond du Lac and Dunn counties, between April 15 and April 21. Each site will be stocked with approximately 150 roosters and 350 hens each year for the next three years. Volunteers and wildlife management staff from the DNR will be surveying the areas each year to monitor the project.

Vander Zouwen said it won't be necessary to close the pheasant hunting season in areas where the Jilin birds are released.

"With our rooster-only hunting season and with one rooster capable of mating with many hens, there's no biological reason to close the season," he said.

If the project is successful, Vander Zouwen said the state

game farm will raise more Jilin pheasants and reduce the number of other birds raised for put-and-take hunting. This would likely include adding new release sites for the Jilin pheasants and possibly using day-old-chick clubs to release the birds for population restoration rather than releasing roosters for put-and-take hunting as the clubs now do.

Vander Zouwen said the highest priority sites for release of more Jilin pheasants would be areas with new habitat but few if any pheasants present.

Funding to continue the project this year and the following two years will be provided by the sale of Pheasant Stamps. Beginning with this fall's pheasant hunting season, hunters will be required to purchase the \$7.25 stamp to hunt pheasants in Wisconsin. Revenue from Pheasant Stamp sales will also fund stocking of low-strain pheasants and habitat development projects.

Sweeps Help Indian Boys Roll Over Kiel

By Statesman Sports Writer
KIEL — It could have been expected that the Kewaskum boys track team would be a bit tired in their meet against Kiel here, last Wednesday, considering the team had run in the tough Washington County Outdoor the previous night.

But despite being a little weak with their rolls, the Raiders managed to roll over the Indians by a 98-28 count, using 1-2-3-sweeps in five events to chalk up their easiest win of the year.

"We were a little tired," Indian coach Jerry Gosa said regarding the meet. "But it was a beautiful day, and everybody that ran gave it a 100 percent effort."

The Indians recorded 1-2-3 finishes in the 100, 200, 300 hurdles, long jump and triple jump on their way to almost reaching the century mark.

"Dan Schulteis had a good day," according to his coach, as the junior won both the shot put (41-3) and discus (124-10), while helping teammates Wayne Sterns, Keith Herman and Brian Harycki capture a first in the 400 relay (47.31).

Harycki joined Schulteis as a triple winner, adding firsts in the 200 (24.1) and also the 1600 relay (4:50.2), while Gosa was second (4:53.3). Kim Marx added

his usual firsts in the 100 (11.7) and 300 hurdles (42.76), while Travis Jacak added another win in the high jump (5-10). "It was nice to see him back at 5-10 again," Gosa said of Jacak.

Other winners for the Indians included Chad Harlow in the 110 hurdles (17.49), while Kreis in the long jump (18-1.75), Brian Bruendl in the triple jump (38-2.75) and Joey Rehbein in the 3200 (11:15.49).

"The times weren't quite as fast," as they normally are, Gosa said, adding that he was very happy overall with the meet.

KHS Edged by Warrior Netters

By Statesman Sports Writer
KEWASKUM — After losing meet last season, the Kewaskum boys tennis team started out their 1992 campaign on a much more encouraging note.

Despite winning all three doubles matches in their meet against Waupun here, last Tuesday, the Indians were unable to win a single match, and thus lost their first match of the year, 4-3.

Nevertheless, it was a step in the right direction for the Indians, and their new coach Pete Neja.

"That was impressive," Neja said of the sweep in the doubles matches. "Even the JV teams were winning their matches."

All three doubles combinations won in straight sets for the Indians. At No. 1 doubles Kevin Hein and Paul Janaik beat their foes 6-3, 6-3, while the No. 2 team, Kevin Gundrum and Adam

Pilachowski, as well as the No. 3 team, Mark Dziedzic and Chad Landvatter, each lost just three games in the two sets.

The singles matches were a different story however, as Jim Zautner was the lone player to win as many as four games in his loss at No. 2.

"We have some young guys playing at the singles spots," Neja said, adding that those same players are usually going to face upper-classmen in their matches. But the experience should help the Indians, who in a couple of years, Neja says, "looks like it will be really tough."

WAUPUN 4, KEWASKUM 3
SINGLES — No. 1 - Brian Blair lost to Tim Wanish 0-6, 1-6.
No. 2 - Jim Zautner lost to Ben Boersma 2-6, 2-6.
No. 3 - Tim Strigenz lost to Jason Fichter 0-6, 2-6.
No. 4 - Brian Redig lost to Jason Fichter 0-6, 3-6.
DOUBLES — No. 1 - Kevin Hein and Paul Janaik beat Jason Fose and Chris Herbolzheimer 6-3, 6-3.
No. 2 - Kevin Gundrum and Adam Pilachowski beat Dave Haefer and Jeremy Clausman 6-0, 6-3.
No. 3 - Mark Dziedzic and Chad Landvatter beat Chad Webster and Charles Bergmann 6-3, 6-0.
JV RESULTS - David Horner and Tom Menger beat Pat Cole and Geoff Root 6-3, 6-0; Chad Bindsch and Jeff Reno beat Jason Berghagen and Greg Luettgenberger 6-3, 6-0.

Indians Bombed By Panthers

By Statesman Sports Writer
PLYMOUTH — All in all, it wasn't really close.

That's about the only way to sum up the Kewaskum boys tennis team's meet with Plymouth, here, last Thursday. The Panthers lost just one set the entire meet, and routed the Indians, 7-0.

"They are usually at the top of the conference I guess," rookie Indian coach Pete Neja said of the Panthers, who are again among the top two teams in the Eastern Wisconsin loop.

No. 2 singles player Jim Zautner accounted for the only set won by an Indian, as he opened with a 6-4 win over Ryan Moeller, before Moeller got his act together to win the final two sets, 6-1, 6-1.

"He's been looking pretty good," Neja said of Zautner, who has been in most of his matches thus far. "Tim Strigenz also has been (in a couple of his matches.)"

At No. 3 singles, Strigenz almost won the first set of his match, losing in a tie breaker by a 7-4 count. Strigenz was no match for XXX XXX in the second set though, as XXX dominated 6-1.

The loss left the Indians 0-1 in the Eastern Wisconsin Conference, and 0-2 overall.

PLYMOUTH 7, KEWASKUM 0
SINGLES — No. 1 - Brian Blair lost to John Knowles 2-6, 3-6.
No. 2 - Jim Zautner lost to Ryan Moeller, 6-4, 1-6, 1-6.
No. 3 - Tim Strigenz lost to XXX XXX 6-7 (4-7), 1-6.
No. 4 - Brian Redig lost to Ted Mattes, 2-6, 1-6.
DOUBLES — No. 1 - Kevin Hein and Paul Janaik lost to Chad Melcher and Matt Noordyk 3-6, 2-6.
No. 2 - Adam Pilachowski and Kevin Gundrum lost to Travis Weedman and Matt Johnson 0-6, 1-6.
No. 3 - Mark Dziedzic and Chad Landvatter lost to Jason Tagel and Matt Beaver 1-6, 2-6.

KHS Golfers Lose First EW Meet in Two Years

By Statesman Sports Writer
SHEBOYGAN FALLS — It's been a while since the Kewaskum golf team has tasted defeat in an Eastern Wisconsin Conference dual meet. It's been two years to be more precise.

That streak ended last week, however, as the Indians continued to struggle in their game, losing to Sheboygan Falls by a 176-186 count.

"It's representative of the way that we've been playing so far," Indian coach Joe Harlow said regarding the matchup. "We just haven't been playing very well at all."

The Falcons' Greg Schlegel took medalist honors in the meet,

shooting a round of 41. Low man for the Indians was senior Ryan Ramthun, who carded a 44.

"It's very disappointing," Harlow continued on about his team's woes. "We have veterans that have career averages in the low 40's that have been shooting in the low and mid-50's."

"I wish I could say that the weather has been a problem, but it hasn't," Harlow said, referring to the fact that the weather has improved greatly since the beginning of the season, and is no longer affecting the play.

SHEBOYGAN FALLS (176) — Schlegel 41, McCabe 44, Carpenter 45, Beyersdorg 46.
KEWASKUM (186) — Ramthun 44, McElhatton 45, Laatsch 46, Seiser 51.

Indian Golfers Ninth at Brown Deer

By Statesman Sports Writer

SAUKVILLE — Coach Joe Harlow didn't have to look very hard to determine what went wrong with his Kewaskum golf team in the Brown Deer - Port Washington Invitational held here, last Friday.

"The putting was a big problem," Harlow said of his team's ninth place finish in the meet, which was won by Wauwatosa East, who accumulated just 423 strokes.

Menomonee Falls was a shot back in second place, followed by co-host and defending Division II champ Brown Deer (426). J.J. Loose of Port Washington helped his team to a fourth place finish by taking the medalist honors in the meet, outlasting Brown Deer's Erik Dyba on a playoff hole. Both players finished with 78's.

The Indians, who finished with 454 strokes, were led by senior Aaron Laatsch, who carded an 87, including a 42 on the second nine. Ryan Ramthun was the lone

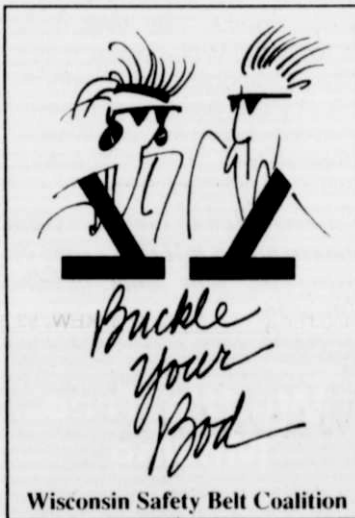

other Indian to break 90, as he shot an 88.

"I really didn't have anybody who played all that well," Harlow said, disappointingly.

The Indians will try to get their goods this week, Tuesday at West Bend, Thursday at the Ozaukee Co. BestBall, and Friday at Chilton. The Indians return home next Monday, when they host Kiel, and Friday, May 15, when they entertain Plymouth.

BROWN DEER - PORT WASHINGTON INVITATIONAL
TEAM SCORES — 1. Wauwatosa East 423; Menomonee Falls 424; 3. Brown Deer 426; 4. Port Washington 434; 5. Grafton 436; 6. Germantown 439; 7. Whitefish Bay 440; 8. Shorewood 443; 9. Kewaskum 454; 10. Indian Netters Blanked by Two Rivers

By Statesman Sports Writer

KEWASKUM — The Kewaskum boys tennis team found out rather quickly why Two Rivers is atop the standings in the Eastern Wisconsin Conference here, last Friday.

The Raiders topped the Indians 7-0, not even losing a set in the meet, as Kewaskum fell to 0-2 in the EW, and to 0-3 overall.

The Indians' No. 2 and 3 doubles teams came the closest to pulling an upset, as the No. 2 combo of Adam Pilachowski and Kevin Gundrum lost their first set 5-7, while Mark Dziedzic and Chad Landvatter lost their second set at No. 3 by the same margin.

Brian Blair, at No. 1 singles, was the only Indian singles player

to win more than one game in a set, as he lost 2-6, 2-6.

The Indians get back in action this week with meets against Kohler (Monday), Sheboygan Falls (Tuesday) and are at Chilton Thursday. Next Monday, the Indians host Two Rivers, while on Thursday they entertain Plymouth.

TWO RIVERS 7, KEWASKUM 0
SINGLES — No. 1 - Brian Blair lost to Matt Karmen 2-6, 2-6.
No. 2 - Jim Zautner lost to Drew Pecore 0-6, 1-6.
No. 3 - Tim Strigenz lost to Greg Gordon, 1-6, 1-6.
No. 4 - Brian Redig lost to Jeremy Ilsmann 1-6, 1-6.
DOUBLES — No. 1 - Kevin Hein and Paul Janaik lost to Dale Brozke and Brian Kust 3-6, 3-6.
No. 2 - Adam Pilachowski and Kevin Gundrum lost to Erik Engstrom and Scott Krall 5-7, 2-6.
No. 3 - Mark Dziedzic and Chad Landvatter lost to Nate Stan and Glenn Kappelmann 3-6, 5-7.

Double Placing Helps Indian Girls Win Invite

Kewaskum Statesman, Thursday, May 7, 1992, Page 19

PEWAUKEE - After losing several key runners to graduation last year, Kewaskum girls track coach Perry Koth decided to enter his squad in this year's Pewaukee Invitational, more or less to get his girls some experience in this type of meet.

The Indians got more than just experience. They brought home the first place trophy as well.

The Indians got double places in eight different events on their way to capturing top honors with 159 points, barely edging Wisconsin Lutheran, who accumulated 152.5. Third was Thomas More (113.5), followed by Union Grove (46), Pewaukee (31) and St. Francis (20).

"I thought this would be a rebuilding year," Koth reiterated over the weekend. "It was a much stronger meet this year. They (Wisconsin Lutheran and Thomas More) are some very strong teams. We just had a total team effort."

That effort was led again by the 800 relay team, comprised of Greta Kuphal, Kelly Korth, Tina Schwartz and Ginger Wiesner. The foursome was involved in its closest race of the year, winning by just .3 with a season best 1:50.3.

"It (the closeness) was something I was hoping for," Koth said. "They've really had no competition so far. It was a real close race, and that time is just excellent. They have just been so steady."

Korth and Wiesner added a 1-2 finish in the long jump, with Korth winning (16-3), and Wiesner right behind (16-1). Wiesner also added another win in the 400 (62.2), winning by almost two seconds.

The warm weather may have had a positive effect on the times

and if the weather didn't pump up the Indians, the first event (3200 relay) did. Running the relay for just the second time this season, the foursome finished second.

"They did a real nice job. It was a pleasant way to start," Koth said of the event.

Koth was even more pleased with the 1-2 finish of Nicole Hetzel (2:40.4) and Chrissy Neumann (2:41.7) in the 800 run. "That was a total surprise."

Also taking first for the Indians was hurdler Christa Schmidt, who topped the field in the 100's with a 17.5 clocking. "That's her best time of the year, by far," the KHS boss said. Schmidt also added a second in the 300 hurdles with a fine mark of 51.8.

Mary Yahr had a personal best of 18.1 in the 100 hurdles to finish fourth, while Missy Rohrer added a sixth in the 300 hurdles (54.7).

Tammy Schmidt was another double placer for the Indians, taking fourth in the shot put (35-4) and second in the discus (99-7.5). Beth Kempf added a fifth in the shot (30-11.5), while Robyn Winninghoff was third in the discus (98-8), and was also second in the high jump (4-10).

The Indians doubled in the 100 yard dash as well, with Kuphal taking fourth (13.4) and Jenny Heisdorf fifth (13.9). Kuphal added a third in the 200 also (28.2). Neumann added a second in the 1600 (6:05), while Rohrer finished fourth in the 400 (1:07.4).

The 1600 relay team also did a good job in surprising their coach, as the unit won in 4:25.9. "That's a very good time. I really didn't expect that," Koth said. Members of that unit were Schwartz, M. Rohrer, Julie Mertz and Wiesner.

"It was just a beautiful day," Koth said, referring to both the

weather and his team's finish. "It turned out to be a great meet. Our depth really seems to be there."

Hopefully that depth will be there this week, as the Indians had scheduled the Mayville Invitational on Monday, a triangular with Two Rivers and Plymouth on Tuesday, and then the big Vanderpan Invitational on Friday.

After a meet at New Holstein next Tuesday, the Indians will return home to host the conference relays on Thursday, May 14th in their final home meet of the season.

KHS Girls Run Past Kiel

By Statesman Sports Writer

KIEL - Kewaskum girls track coach Perry Koth had expected a letdown, for his team's meet with Kiel. And while the times weren't as good as the night before in the Washington County Outdoor, they were good enough to do the trick against Kiel.

The Indians, despite not being at full strength for the meet, rolled over the Raiders by a 77-55 count, with several fine efforts from relatively new individuals.

"The times were much better than I had anticipated," Koth said of the efforts. "All of our times were good. We didn't have our strongest team, but everybody ran very well."

Koth got his usual steady performances from Christa Schmidt and other veterans. Schmidt won the 100 hurdles (18.4) and the 300's (52.1), while the 800 relay team, despite not having any competition, ran a 1:52.7.

"The Kiel relay team dropped the baton on the first handoff," Koth said, adding the unit then simply quit. But even not having a team to run against, the unit comprised of Kelly Korth, Greta Kuphal, Tina Schwartz and Ginger Wiesner ran one of their fastest races of the year.

"That just shows that they are not concerned about the competition," Koth pointed out. "They're working toward a goal, and they are focused."

Koth also got some fine efforts from a couple of other sources. Ali Bruendl continued her improvement in the triple jump, winning with a leap of 28-3, while Becky Yogerst chipped in a second in the shot put (31-3), behind only teammate Beth Kempf (31-4).

Korth, along with Denise Ludwig, Rachel Gosa and Jenny Heisdorf captured the 400 relay (55.45), while Wiesner won the long jump (14-11.5), Robyn Winninghoff the high jump (4-10) and Tammy Schmidt the discus (102-4).

Jessica Rohrer took second in the 100 hurdles (19.24) and also added a third in the 300's (56.45), while Kim Sabish double placed as well with a second in the triple jump (27-10.75) and a third in the long jump (12-4.75).

KHS Boys a Close Third at Pewaukee

By Statesman Staff Writer

PEWAUKEE - All season long, Kewaskum boys track coach Jerry Gosa has been marveling at the improvement of his runners. Last Friday at the Pewaukee Invitational, Gosa was downright impressed with his troops.

"It was one of our best showings of the season," Gosa said of his team's third place finish in the six-squad meet. Wisconsin Lutheran was the runaway winner in the boys meet with 161 points, while the Indians (99 points) were edged by Union Grove (104) for the runner-up spot. The host Pirates were fourth (74), followed by Thomas More (71) and St. Francis (17).

"There were some good athletes there," Gosa said of the competition, which "had moved up a notch," from last year, when the Indians were fourth with 52 team points. "We saw a lot of very good efforts."

Topping that list was senior ace Kim Marx, who tied Marty Schulte's school record in the 300 hurdles with his winning time of 40.8. "He ran that race very well," Gosa said of Marx, who also added a third in the 100 (11.5), and helped the 400 relay team with Beau Coulter, Keith Herman and Brian Harycki, finish third with their best time of the year (46.4).

While Marx accounted for the lone Indian first on the day, Kewaskum did manage to chalk up five seconds, led by Wade Kreis' runner-up finish in the long jump. Kreis went 19-11, which is over one foot longer than he had previously done.

"That was quite remarkable. He just had an excellent day,"

Gosa said of the sophomore, whose brothers Dean and Willie also had fine days.

Dean finished second in the pole vault (10-6), while both Dean and Willie, along with Harycki and David Gosa teamed up for a second in the 3200 relay (8:54.0).

"That's a really respectable time," Gosa said of the 3200 unit, which ran the race for just the second time. "I was hoping for around 9:00, so that was nice to see." As for Dean's second in the pole vault, "that was a highlight... totally unexpected."

Just as unexpected was Brad Jackson possibly breaking his nose while landing on a pole vault try. Despite the injury, Jackson managed to place third (10-6).

Junior Dan Schulte came up with a big effort in the discus (125-5) to take another second, while Jeff Dirmeier added another second in the 1600 (4:46.9), and a fourth in the 800 (2:09.9).

In the 400, Herman wound up with a third (53.7), breaking into the :53 range after being slowed by illness the previous week.

Other top finishers for the Indians included Chad Harlow's fifth in the 110 hurdles (17.2) and his sixth in the 300 hurdles (45.5), Travis Jacak's fourth in the high jump (5-10), Brian Harycki's sixth in the 200 (24.4), David Gosa's fourth in the 1600 (4:51.2), Joe Rehbein's sixth in the 3200 (11:16.0), Jim Rix's sixth in the shot put (41-1), and Brian Bruendl's fifth in the triple jump (38-4.75).

Both of Harlow's times, Harycki's, Gosa's and Jacak's efforts were personal bests according to the KHS coach.

"We're making good pro-

gress," he went on to say. "It helped to have a nice day for a change. Everybody ran hard, and there were some good times to show for it. We did real well."

Gosa hopes the fine showing will give his team some confidence heading into the final weeks of the season. This week KHS has Tuesday's home meet with Two Rivers and Plymouth, and then travels to Sheboygan Falls on Friday for the big Vanderpan Invitational.

Indian Girls Second at County Outdoor

By Statesman Sports Writer

GERMANTOWN — More personal bests, added to the usual steady performances by the team's leaders, translated into another fine outing by the Kewaskum girls track team in the annual Washington County Outdoor Meet held here, last Tuesday.

The Indians notched five wins in the meet, matching eventual winner West Bend East in that category, propelling Kewaskum to a second place finish with 103 points, behind only the Lady Suns, who accumulated 114.

Germantown edged out Slinger for third with 83 points, followed by the Owls (74.3), Hartford (60), West Bend West (39) and Kettle Moraine Lutheran (22.3).

The high finish for the Indians was applauded by their coach, Perry Koth, who was obviously pleased with the efforts.

"I was real happy with that," Koth said of the runner-up status. "I was expecting to do well, and all the kids who ran did real well. We scored points all the way up and down the board."

Leading the point parade for the Indians was sophomore Ginger Wiesner, who won both the long jump (16-7.75) and the 400 run (62.0), while lending a hand in the 800 relay team's easy victory (1:52.1).

"I don't know where that came from," Koth said of the long jump effort by Wiesner, who hadn't jumped 16 feet coming into the meet. "That's a really good jump. She just had a great meet all around."

Wiesner joined Kelly Korth, Tina Schwartz and Greta Kuphal on the winning 800 relay unit, which posted their best time of the year, according to Koth. "All of our relay teams did well."

Another surprise winner was

Beth Kempf, who threw a 33-11 in the shot put. It was perhaps fitting, because another Indian thrower, Tammy Schmidt, was experiencing wrist problems, preventing her from a possible top finish.

Schmidt did place in the discus (94-5), taking third behind team-mate Robyn Winninghoff, who won the event with a throw of 104-8.

Korth, who has been bothered by a leg injury that has minimized her running in meets, added a third in the high jump (16-2.75). "We were taking it easy on her," Koth said, adding he doesn't want to jeopardize her comeback by overextending her.

In the hurdles, "Christa Schmidt has been running very, very well," according to Koth. Schmidt placed in both hurdle events, taking second in the 300's (53.6) and fourth in the 110's (18.2). "She's been looking real strong."

The hurdle events as a whole were strong for the Indians, who got a fourth in the 110's from Mary Yahr (18.4) and a sixth in the 300's from Jessica Rohrer (54.9). "She had a very good meet," Koth said of Rohrer, who helped the 1600 relay to a third as well.

Nicole Hetzel ran another personal best in the 800, finishing in 2:38.1, good enough for third. "She's looked real strong," Koth added.

Kuphal added a fourth in the 100 (13.6), while Winninghoff was third in the high jump (4-8) and Alison Bruendl finished fifth in the triple jump (28-3.5).

"We just had a real group effort," Koth said, adding that the team might have done even better had Tammy Schmidt been at her best, and if Chrissy Neumann, one of the team's better distance runners, had not been ill.

KHS Girls Pick Up First Softball Win

By Statesman Sports Writer

KEWASKUM — It took a little longer than anticipated, but the Kewaskum girls softball team finally notched its first official win in the program's initial season in the Eastern Wisconsin Conference.

After struggling defensively this spring, the Indians cut down their errors, somewhat, to post a 5-3 win over Kiel, here, last Tuesday afternoon.

"It felt good, real good," KHS coach Janet Molebash said of the team's first victory of the year. "I knew we had it in us, it just took some time to show it."

Kiel, meanwhile, wasted no time in forging to an early lead, getting a single run in the top of the first. But the Indians came back with single tallies in both the first and second frames, and after the Raiders added another run in the third, the game was even at 2-all.

KHS took the lead for good in the fourth, though, as Lisa Zwicker scored on a sacrifice fly by Lori Pesch. Zwicker advanced to third on a hit by Tammy Gundrum.

The Indians added two more runs in the fifth, as Stacey Heberer and Jackie Hintz opened the inning with hits. Julie Wagner, who has been on a tear thus far this spring, scored Heberer with a sacrifice fly, and Hintz later scored on a single by Rachelle Krahn.

Krahn, the eventual winning pitcher, gave up a meaningless run in the top of the seventh, and finished the game allowing nine

hits, while striking out four and walking one.

"She's been doing real well for us," Molebash said of Krahn, who has been the Indians' workhorse on the mound so far. "I can't complain there (pitching) at all."

It's hard for Molebash to find fault with her team's offense either, as three-quarters of the starters are hitting at or above the .300 mark, led by Wagner (over .500) and shortstop Kelly Krahn (.484).

"We're doing pretty well at the plate," Molebash continued, adding that the team's main liability is its defense, which committed another six errors against the Raiders. But the KHS boss added, "I think it (defense) is starting to come around a bit."

The win improved the Indians' EW record to 1-3, with their overall mark moving to 1-4.

KHS Boys 6th Among Tough Competition at Co. Outdoor

By Statesman Sports Writer

GERMANTOWN — After finishing last in the County Indoor earlier this year, it was Kewaskum boys track coach Jerry Gosa's goal not to land in the same spot in the Washington County Outdoor here, last Tuesday.

And while Gosa's goal was reached, the Indians finished sixth out of seven teams, the KHS coach feels that his team could have finished even higher, despite the tough competition in the meet.

"Realistically, I think we could have done even better (than sixth)," Gosa said, reflecting on the meet. "But I'm reasonably pleased. I think we did pretty well against some good teams and athletes."

West Bend East completed their sweep by winning the boys title with 113 points, while Germantown, last year's champ, was second, just a single point behind the Suns. Third was Hartford (103), followed by Slinger (55), West Bend West (53.5), the Indians (41.5) and Kettle Moraine Lutheran (18).

Kim Marx turned out to be the top Indian runner in the meet, placing in three different events. Marx, one of the top 300 hurdle runners in the state, tied for first in that event with East's Jason Harter, each with a 41.8 clocking.

"It was a good race," Gosa said, pointing out that Marx, wasn't in the same heat as Harter, but had quite a battle with Slinger's Seth Nelson instead.

"It was real close," Gosa said, noting that Marx, "was behind with three hurdles to go," but had more left at the end to overtake Nelson and tie Harter. "He ran it really well."

Marx also added a fourth in the 100 dash (12.3), while also helping the 400 relay team to a fourth. Joining Marx on the unit were Beau Coulter, Keith Herman and Brian Harycki.

Harycki, meanwhile, ran a good 200 race, finishing fifth (24.4 +), just a fraction out of fourth.

Gosa also had words of praise for Dan Schulteis, who continues to perform well in the weights. Schulteis took third in the shot put (44-7.5) and fourth in the discus (115-7).

"He threw very well," Gosa said of Schulteis, whose distances in the shot "are getting close" to where he wants them. Jim Rix also did well in that event, taking a sixth with his toss of 41-6.5.

Distance runner Jeff Dirmeier "ran his best time of the year in the 1600," according to Gosa. Dirmeier's mark of 4:46.6 placed him third, while Gosa's son David finished in sixth with a time of 4:53.7.

High jumper Travis Jacak managed to place in a tie for fifth with his leap of 5-6, while Brian Bruendl added a sixth in the triple jump with his leap of 36-6.5

"All in all, I think we did alright," Gosa said regarding the meet.

Wagner Leads Indian Girls to Slugfest Win

By Statesman Sports Writer

KEWASKUM — While their backs were to the Kewaskum girls softball team managed to stay undefeated at home this season after a slugfest with Elkhart Lake here, last Thursday.

Granted, the Indians have played just two home games so far this season, but they made it 2-0 in those contests, using a 17-hit outing to overcome a poor defensive showing and best the Resorters, 20-10 in six innings.

Indian catcher Julie Wagner paced the Kewaskum offensive attack, going 4x5 at the plate and knocking in eight RBI's. Wagner's outburst helped the Indians average a whopping .515 at the plate for the game.

"Julie had a really big game," Indian coach Janet Moelbash said of the Indian junior. Despite Wagner's effort, the Indians still had to get past a total of 10 errors in the field, the third time this season that the team has reached double digits in that category. "Everybody was hitting well," Moelbash said of the offensive tear. The KHS coach was also happy because the rout enabled her to play every one of her players, getting the reserves some valuable experience.

Rachelle Krahn went the distance on the mound for the Indians, stringing out five and walking four, while allowing a total of ten base hits.

The win, the second in a row for the Indians, upped their overall mark to 2-4, including 1-3 in the Eastern Wisconsin Conference. The Indians will try to make it a sweep against Elkhart Lake on Tuesday when the two teams meet at Elkhart Lake, and then Kewaskum returns to EW action on Thursday, when it hosts Plymouth for a doubleheader, beginning at 4:00.
