Kimberly Petrie, Jessica Rohrer Awarded \$12,000 J.O. Reigle Scholarships

Kimberly Petrie

Jessica Rohrer

KEWASKUM... Regal Ware, Inc. has awarded the 1992 J. O. Reigle Scholarships to Kimberly Petrie and Jessica Rohrer, seniors at Kewaskum Community High School. The \$12,000 scholarships are offered annually and now provide \$3,000 a year for a four-year college program.

Kimberly Petrie has a gradepoint of 3.9 and is ranked number 2 in her class. She was a member of the National Honor Society, AFS, and forensics.

Ms. Petrie plans to attend

Lawrence University in Appleton, Wisconsin, and will major in biology. She is the daughter of Charles and Kay Petrie.

Jessica Rohrer has a gradepoint of 3.9 and was ranked third in her class. She was a member of the National Honor Society, forensics and the tennis, gymnastics and track teams.

Ms. Rohrer will attend Northwestern University in Chicago, Illinois, and hopes to pursue studies in the sciences in anticipa-

tion of a career in the field of medicine. She is the daughter of Susan and Jeffrey Rohrer.

Regal's scholarship program was established in 1963 in honor of the housewares firm's founder, the late J. O. Reigle. The award recognizes the outstanding scholastic achievements of one or more graduating seniors at Kewaskum Community High School and is designed to assist the recipients in their pursuit of a meaningful college education.

KHS Music In the Park

This is it! This is the BIG one, the last one of this school year! Don't miss it!

Make sure that you save May 19th in your busy schedules and come to the River Hills Park in Kewaskum to enjoy an evening of music as over two hundred musicians sing, dance and play. Music on the concert includes themes from the musical "Cats", "Beauty and the Beast", a medley of Disney music and lots of rock and roll from the fifties, sixties, seventies and eighties. All of this and more as performed by the Treble Choir, Concert Band, Concert Choir, Symphonic Band, Swing

Choir and Jazz Band. Special guest conductor will be Mr. Albert "Bud" Asch from the University of Wisconsin - Washington County campus.

And don't forget the food. Come and enjoy a picnic type concert with brats, hamburgers, soda, popcorn and more. Proceeds from the food sales will help the band students with their trip to Myrtle Beach, South Carolina in April of 1993.

The concert begins at 6:30 p.m. and the food will be ready at that time. See you in the park on the

Rummage-O-Rama June 20

Rummage of Kewaskum... and all you rummage sale addicts... unite! Prepare for Kewaskum's annual Rummage-O-Rama sale which will be held on Saturday, June 20, throughout the village.

It is hoped more residents will join in this year's sale, so we can truly make this event a community-wide effort.

Church groups, clubs and civic organizations are encouraged to participate by sponsoring food and bake sales or various other fund-raisers. Many people have inquired about the sale already, so this is the perfect chance to take advantage of the crowds by tempting them with your best fund-raising efforts.

The Kewaskum Area Chamber of Commerce is urging all their

members to join in the fun and offer shoppers sales, bargains and specials. It is hoped either a business, group of businesses or club might be interested in sponsoring a dance, street party and/or live music in the evening to extend the day's comaraderie.

Free maps will be available the day of Rummage-O-Rama pin-pointing all the residences where sales will be held. To be listed on the map or for more information, please contact the General Store Antique Mall, coordinators of R-O-R at 626-2885.

Remember... ask not what your Rummage-O-Rama can do for you... ask what you can do for Rummage-O-Rama. (Yeah, I'm from the 60's.)

Sub-Committee Recommends Tennis Courts/Road Project

By Gerry Mueller Statesman Staff Writer

Jeff Rohrer and Otto Ramthun, co-chairmen of the recently created Finance-Transportation Buildings and Grounds Sub-Committee, brought their group's first project recommendation to the Kewaskum Board of Education Monday night. That recommendation is the construction of a new road, along the east side of the high school north to the rear parking area and the complete reworking of the tennis courts.

The project, in fact, is really two distinct and separate projects combined into one, Ramthun told the board. The sub-committee, after some thorough investigative work, came up with their recommendation because its members felt the two issues were interconnected and have a major impact on each other, especially the road on the tennis courts.

The sub-committee was advised that the district was planning to construct the road but the plan was put on hold when it was decided to create the new committee. The plan was then handed over to them for their study and recommendations.

What we came up with, Ram-

thun told the board members, is that the drainage problem on the tennis courts can be eliminated by the construction of the new road. That road would be six inches lower than the tennis courts, with curb, gutter and storm sewer. The twenty-four foot road would be designed to carry water, which now drains down eastward onto the courts, back to the northeast and away from the court area.

Ramthun said his findings were that the tennis courts' problem could not be solved by just resurfacing. You have to eliminate the problem and that is the water runoff from the south parking lot's east/west roadway. "I have laid out a road that will help the tennis courts and give you a super job."

Ramthun told the board he had taken test borings of the courts to determine just what is below the pavement. We found that the courts really have a good base. We are recommending that the district advertise for a contractor who will come in, grind up the present asphalt court surface, make it part of the present base, construct the new road and pave everything, the road and the courts.

We realize that there are higher priority issues than the courts, noted Rohrer, but the committee felt that since the district is planning to put in the new street, it would be more logical, efficient and cost effective to do the two projects together. "There is no sense in doing the tennis courts if you don't do the road because that's where your problem is,' said Ramthun. By the same token, if you're having some one come in with all that equipment to build a road, it would be extremely cost effective to have them do the courts at the same time.

Ramthun handed the board a sheet containing all the things that would need to be done to complete the street and court improvements. He estimated the cost to do the combined courts/road project would run between \$70,000 and \$90,000.

"As far as our committee, I think we will end discussion on the tennis courts," said Rohrer. We have studied the problem and made our recommendations, he noted. "The next step we're going to take is we're going to address the auditorium idea."

Approve Fibre Optic Link-up Between KMS and KHS

Tour Opens Finance-Transportation-Buildings And Grounds Sub-Committee's Eyes

By Gerry Mueller Statesman Staff Writer

In his first formal report Monday night, Jeff Rohrer, co-chair of the new Finance-Transportation Buildings and Grounds Sub-Committee, told the Kewaskum Board of Education what his group's activities have been since its first meeting in April.

Besides selecting Rohrer and Ramthun as chairpersons, the group appointed a secretary. "We decided we wanted to keep accurate records," said Rohrer. "After that you set back and try to decide what direction to take. It was recommended that the committee take a tour and it was one of the best things we could have done."

Rohrer told the board the committee toured buildings and grounds. "In a lot of cases we were embarrassed to say the least, at the way some of the situations were." In naming just a few items, Rohrer said the committee was shocked to find locker facilities in some athletic areas consisted of no more than hooks, inadequate band room facilities. that the football field's lighting is 75 percent short of what it is supposed to be and that the light poles can no longer be climbed to change lights because of their condition.

"One of the first things the group did was to divide itself into

an Internal and External Committee," said Rohrer. "The internal committee developed a questionaire which was given to district employes including teachers, custodians, etc., for their input. The external committee contacted other schools and districts asking them questions such as, do you have an auditorium, how did you finance it, how many people does it seat, etc. On tennis courts, some of these same questions were asked as well as do you have courts, how many, do they have any problems, what would you do differently, do you want more or less courts.

In seeking answers on the tennis courts, Rohrer said all the schools that replied (nine out of fourteen) said their No. 1 problem was drainage. So we are gaining information he noted.

After making a recommendation for the proposed new road and tennis court improvements, Rohrer said the committee would move on to its next item.

Board member and chairperson of the parent FTB & G Committee, Janet Wolfenberg thanked the sub-committee for the work it had already done, noting it can investigate more thoroughly and in more detail than her committee is able to do.

Business item acted on by the board included the approval of a fibre optic link (cable) between KMS and KHS at a cost of \$25,410. The link-up will allow the two buildings to share various information and programs. Money will come from the remaining 1990 Capital Improvement Loan funds and the 1992-93 budget.

The board also approved a contract for paving work at the new Administration Office parking area, FES and KMS to provide more play area in inclement weather.

A contract for routine annual summer maintenance of the heating and air conditioning systems, at \$2,100, was also approved.

The board approved some staffing changes and additions including changing the KMS secretary position from full time school year, to full time year round, addition of a KHS library aide and a half time support staff position to handle various duties including janitorial, mail delivery,

The board accepted two coaching resignations and apcoaching proved four assignments.

In non-action business, board members Ronald Beimborn and John Schulte agreed to hand out diplomas at this year's graduation ceremony. Assistant principal Susan Ihler will be the speaker as Principal Charles Heidner will be in Minnesota that same evening attending his son's college graduation.

Tim Herman Wins Scholarship

Tim Herman, Allenton, has been awarded the Robert Grummer, and the Wisconsin Rural Rehabilitation Scholarships for the 1992-93 academic year, according to Richard H. Daluge, director of the Farm and Industry Short Course and assistant dean in the College of Agriculture and Life Sciences, University of Wisconsin - Madison.

Tim will be a second year student in the Short Course program.

The Robert Grummer scholarship is awarded to students who in addition to a good scholastic record, demonstrate a particular interest in the swine industry. Wisconsin Rural Rehabilitation Corporation scholarships have been presented annually since 1955 to students who are members of Wisconsin farm families.

Daluge indicates that students may still apply to the Farm and Industry Short Course program until October 1, 1992 for the 1992-93 program. The Short Course program consists of two six-week and one three-week term, beginning November 9, 1992 and concluding March 19, 1993. Birthday Cake Candles Just Waiting to Be Lit

If you have driven past the Kewaskum Statesman lately, you have probably been wondering why on earth there is a four-foot high birthday cake sitting in the window

Some of you, I hope, read the explanation in our April 23rd issue. For those of you who missed it (whether it be you were outof-town or out-to-lunch) or for the thousands who are still confused... as Mr. Nixon would say, "Let me make it perfectly clear." (Good luck!)

Let's see... the butcher, the baker, the candlestick maker the candlestick maker! Yeah, that's the guy! The candlestick maker... is as we speak, crafting the five inch candles with his own two little hands.

As soon as he is finished, the candles will be placed on the three (delicious) layers of the cake. For a mere \$5.00 fee, these candles can be "rented" by anyone who wishes to dubiously honor someone near and/or dear. When you rent the candle it will be lit and remain lit every evening for the entire month.

A display board will stand in the window next to the cake, listing the day of the month and the names of the people being honored on their special occasion

There should be room for three or four names each day in the event of duplicates, but it is suggested you reserve your special day early so you won't be disappointed.

On the first day of the month, a new board for the current month will replace the expired board and the whole process begins anew.

The names of the honorees and their special event will also be published in a monthly ad which will run in the last issue of the month of the Kewaskum Statesman.

The ad will list the date, the name of the person being honored, the reason for the honor and the name of the person "renting" the special candle.

For example: May 21 - "Happy Anniversary to John Smith" from Mary Smith. The person sending the greeting may choose to remain anomymous if they so desire or they may use the good old traditional standby ??????

The coupon you can use to order the candle reserved can be found on the bottom of this page. More coupons are available at the Kewaskum Statesman and a more condensed coupon will be run with the monthly greeting.

All proceeds from 'rentals'' will go directly to fund the entertainment provided for you FREE of charge at the Kettle Kountry Kolors Festival being

So if you enjoy the festival and all the entertainment available at the festival, here's your chance to "put something back in." Rent a candle, or two, or twenty! Most families celebrate a special occasion almost every month. It does not have to be for birthdays only... (however, I will tell you MY birthday is in August), honor a special anniversary, a wedding day, a future graduate, congratulate someone on the new promotion or the birth of a baby, remember the birthday of someone you love who has passed away.

But please get your orders in early enough so we have ample time to set up the boards and more importantly, so there is space available for your special

If you have any questions or need extra coupons, call the Kewaskum Statesman at 626-2626, and be watching... the candles will begin to flicker very

GOOD NEWS With Community Church

Fourth in a Series of Six Messages by Donald C. Kurer

COVETOUSNESS

One of the world's worst sins is covetousness. What a wonderful world ours would be if no one broke the 10th commandment 'Thou Shalt Not Covet." There would be no need for locks on our doors. We could do away with our jails. To a large degree, people could live together happily

The Lord Jesus issued a stern warning regarding the sin of covetousness. He said "Take heed, and beware of covetousness, for a man's life consists not in the abundance of the things which he possesses." Real living does not consist of how much one has or how much he is worth. Beware of the philosophy that thinks that money and valuables can give lasting satisfaction. Jesus Christ is the only one who can give enduring satisfaction in life. One might be stripped of all his earthly possessions but still have peace and joy with the assurance that God will provide

Letters to the Editor

TO THE COMMUNITY OF KEWASKUM:

It was five years ago on May 7th that I had my stock car racing accident at Wisconsin International Raceway in Kaukauna.

I would like to thank all those people of this community who have continued to support me throughout my ordeal. Friends such as: Cordell, Kary and Ruth of Buffy's Restaurant; Dave Jung, Jim Steier and Guy Engelhart, who "socialize" with me at Buffy's, all help to make my days a little brighter. I would also like to thank my pit crew and the members of the St. Michael's congregation. They have all contributed to my successful recovery from the accident.

What a great feeling to have friends who try to understanding the situation. With their support I'm motivated to try to improve my health/stamina every day.

Most of all, I will be forever grateful to my family for their continued efforts in supporting me as I have returned to a productive way of life which is so important to people with injuries such as mine.

Sincerely, Willie Goeden

Dear Friends of the Community:

Summer is fast approaching and once again the Kewaskum Library is planning to conduct a summer reading program for area children. The theme of the 1992 summer library program is "Summer Quest." It will begin the week of June 22 and will be in effect until August 14. Children, ages three to those just having completed fifth grade, will be invited to participate.

Last year's summer library program was extremely successful and much of that success was due to the generosity of local businesses, merchants, and organizations who donated funds, prizes, and refreshments to the program. Approximately 150 children enjoyed the activities of last summer's library program and we think this summer's program will be even more successful.

May we count on you to help make "Summer Quest" a very special event in the lives of our young readers? Any help would be most appreciated.

Luci Bledsoe Director

Dear Editor:

"The Freedom of Choice Act" being positioned for action in the House of Representatives and the United States Senate is a radical pro-abortion bill. I feel it is very important that people know what this bill would actually do.

As a federal mandate, FOCA (Freedom of Choice Art) would require abortion on demand in every date in the nation and prohibit states from restricting abortion. Leading supporters admit it would go even further and wipe out laws already existing in many states to require for example, parental consent or notification for a minor, informed consent for the woman; or to allow conscience exemptions for doctors and nurses who choose not to participate in abortions.

FOCA would clearly establish a regime of abortion unprecedented in this country or anywhere in the world. Senator Herbert Kohl and Representatiave James Moody have co-sponsored the bill. You are urged to write to your Congressmen. Express your opinions, request further information, ask questions about the legal and ethical implications, and the progression of the bill in the United States Congress.

Mary Hovland Kewaskum

Dear Editor:

May 5, 1992

If ever we needed term limits, now is the time. Bounced checks, cocaine selling in Congress' post office, and unpaid parking tickets and restaurant tabs all point to the hypocrisy and corruption in our nation's capital.

We can sit back and wait for Congress to fix itself, or we can support term limits and get government to represent the people who take the time to vote.

In Wisconsin, Badgers Back in Charge is a non-profit organization that supports limits on elected officials' terms.

Badgers Back in Charge is looking for supporters. You can request more information by calling 1-800-924-1992.

Call today, before it's too late. Your country is depending on

Rohrer told the board his committee is open to comments and suggestions from anyone. "We feel, as a committee, we want the public and taxpayers to know what is going on."

Board president Neal Weare asked Rohrer if his committee had been informed of the district's budget status. Rohrer said yes, Dr. Heather had addressed the group on the budget and everyone is aware of the financial picture.

Weare thanked the two men for their report and recommendation, noting it appeared the committee had really done its homework on this project. Weare also noted that construction of the new road "would free up the west road for other work development such as moving the football field or expanding track area."

The next step will be the board's, to review the information provided by the committee and make a decision.

The world's olest trees are California's bristlecone pines and giant sequoias: some bristlecone pines have lived between 4,000 and 5,000 years; the oldest sequoias are about 3,500 years old.

THANK YOU!

The Kewaskum FFA Alumni wish to express its THANKS to all members and area agri-business individuals involved in making their recent FIVE STAR SHOP SERVICE SALE a fine success

Special thanks to Ed Preo of Five Star for coordinating, canvassing and delivering all the fine products. Over \$450 was donated to the Kewaskum Alumni Organization, and will be used for upcoming alumni projects. This was the first sale conducted in the area, and another is planned for this fall, so we look forward to seeing all our backers again, and adding many more to our ranks.

WISCONSIN TRAVEL FACTS

Wisconsin boasts 65 state parks and four recreational forests open to the public, totaling 125,000 acres. There is a state park within a one-hour drive of every Wisconsin resident. The Chequamegon and Nicolet National Forests add 1.5 million acres of camping and recreational opportunity.

Pathways to Scouting Campout

Over 100 Webelos Scouts, along with their fathers, Webelos Leaders and a host of Boy Scouts, from Glacier Edge District 11 will congregate at Camp Rokilio, Kiel, for their "Pathways to Scouting" campout May 16-17. These participants from Ozaukee and Washington Counties are members of the Bay-Lakes Council of the Boy Scouts of America.

The Patrol System will be used and boy scouts will serve as patrol leaders and instructors for handson training in archery, fire building, first aid, BB-gun range and scout skills. The thrill of the confidence course and nature games, will also be experienced.

Sessions for the adults will focus on the "Aims and Methods of Scouting" and Scouting Skills.

The highlight of the weekend will be the Arrow of Light and Cross-Over Ceremonies at the Saturday campfire beginning at 8:00 p.m., after religious services. Families are invited to the evening program.

Area Torch Run Awarded Badger State Games Silver Medal

The Plymouth/Cascade/Kewaskum area was recently awarded a silver medal for its outstanding involvement in the 1992 Badger State Winter Games Torch Run, sponsored by GTE and Ski-Doo. Accepting the award at ceremonies at the State Capitol in Madison was John Zimmerman, a local coordinator of the event. Pictured left to right are: Joe Barden, Badger State Games; Gene Beatty, GTE; Zimmerman; Sandy Jochmann, Bob Anderson, Ski-Doo; Ronnie Jochmann; and Ray Cary, Badger State Games.

Plymouth, Cascade and Kewaskum have been awarded a silver medal for their outstanding involvement in the 1992 Badger State Winter Games Torch Run. The month-long Torch Run traveled to some 40 state communities on its way to the fourth annual Badger State Winter Games, Wisconsin's amateur sports festival in North Central Wisconsin.

Don Boeselagen, Plymouth, and John Zimmerman, Plymouth, directed the Cascade Apollo Riders and Plymouth Snow Rangers Snowmobile Clubs' coordination of the event. The Run culminated at the Winter Games opening ceremonies in Wausau, Jan. 31. The medal was awarded in ceremonies conducted recently at the State Capitol in Madison. Chilton Manufacturing, Chilton, was also cited for providing a trailer for the Torch Run.

County Jail Receives Accreditation Award

The Washington County Jail recently received an accreditation award for maintaining Standards for Health Services from the National Commission on Correctional Health Care (NCCHC). The Washington County Jail has been participating in the NCCHC accreditation program since 1980.

This award recognizes the professionalism and good performance of facilities that voluntarily meet NCCHC standards for Health Services in correctional facilities. To become accredited, a facility must prove it meets all of NCCHC essential standards, and at least 85 percent of NCCHC's important standards.

In commenting on the award to the Washington County Jail, Robert Burmeister, President of NCCHC, said, "Their accomplishment gives evidence that sound management coupled with a competent, dedicated staff and health care professionals can provide needed medical care and health services in a cost-effective manner."

Accreditation can safeguard a facility from adverse judgement in class action litigation. Improved health services benefit the community in that diseases left untreated while a person is incarcerated can become a community's health problem when the person is released. Becoming accredited demonstrates a commitment to quality, which helps improve the efficiency and quality of health care provided at the Washington County Jail.

Summer Classes Offered at UWWC

A variety of classes, from algebra to sociology, are being offered this summer at the UWC-Washington County. Two other universities, UW-Milwaukee and Carroll College and Columbia School of Nursing, are also offered courses on campus at UWWC.

Open registration for summer school at UWWC will begin May 18. Registration for summer courses offered by UW-M at UWWC is still available for one day only in Milwaukee on May 19. Registration for nursing courses being offered in West Bend by Carroll College and Columbia College of Nursing will continue until May 28.

According to Jan Ford, director of student services at UWWC, the popularity of summer school has grown. "Summer school is a popular option for students who want to get a jump on things. We are enthusiastic about our cooperative efforts with the University of Wisconsin-Milwaukee and now with Carroll College and Columbia College of Nursing. These efforts truly allow us to better meet the needs of our students, while enjoying close relationships with neighboring campuses.

The three new introductory nursing courses offered at UWWC are geared toward prospective nursing students and registered nurse students who are working on courses for their R.N. completion tract. "We are very excited about this new opportunity to offer nursing courses. Nursing is a popular major at our campus and we are delighted to be working with Carroll College and Columbia College of Nursing in providing nursing core courses to our students.

Also a part of UWWC's summer opportunities is a study skills course being offered through UWWC's Continuing Education Extension. The course is designed to prepare potential college students in communication skills. critical thinking, organizational skills, time management and study skills such as note-taking and effective reading.

With the exception of a French course (beginning June 22), all summer classes begin the week of June 8. Six and eight week sessions are offered. UWWC is also continuing to accept applications for fall enrollment.

For more information or to register for classes contact the Student Service Office at 335-5201

Plans are being completed for June Dairy Month Activities to be held in Washington County. A number of activities are being planned by various groups to call attention to the dairy industry and to celebrate June Dairy Month.

Two of the major activities are planned by the Washington County June Dairy Banquet Committee and the Washington County Dairy Promotion Committee

The annual June Dairy Banquet is scheduled to be held on Wednesday, June 3, at 7:30 p.m. It will be held at the Amerahn, located north of Kewaskum on Highway 45.

The activities will include a banquet dinner, a short program, and music and dancing with the Bill Thull Orchestra. The featured speaker this year is Russ Weisensel, from the Wisconsin Agri-Business Council.

Tickets for the event are priced at \$5.00 each and are available from the following individuals: Norbert Bingen, Allenton; Mike Lettow, Kewaskum; Nancy Degnitz, Fredonia; Carlton Martin, Menomonee Falls; Richard Meyer, Slinger; George Muth, West Bend; Marge Neuburg, Richfield; Donald Neu, Colgate; Mark Pamperin, Allenton; Don Philippi, West Bend; Howard Proeber, West Bend; Mark Proeber, West Bend; John Schwendimann, Hartford: Gerald Stoffel, Kewaskum; Bill Thull, Kewaskum; Randall Wenzel, Slinger; Jim Esselman, West Bend; Alfred Falk, Newburg; Frank Falter, West Bend; Farm Bureau, West Bend; Gordon Gilbert, Jackson; Sylvester Goeller, Hartford; John Goode, West Bend; Les Gundrum, West Bend; Paul Held, Slinger; Robert Ihlenfeld, West Bend; Andy Klumb, Germantown; Harvey Klumb, West Bend; Kathy Krause, Germantown; Elaine Linstedt, Colgate.

Tickets must be purchased in advance by no later than May

The second major event is the "Breakfast on the Farm." This year the event will be held on Saturday, June 13, from 6:30 to 11:30 a.m. The James and Nancy Degnitz family will host this year's breakfast. The farm is

located on Fillmore Road just north of Fillmore.

This is a family activity featuring an "all you can eat" pancake breakfast with sausage, dairy products, and ice cream topped with strawberries. Other activities include: barn tours, petting zoo, hayride to the farm, live radio broadcasts, free dairy samples, square dancers, door prizes and more.

Advance tickets for the breakfast are \$2.75 per person, children under five are free. Tickets at the breakfast are \$3.00 per person. Tickets will be available from any member of the Dairy Promotion Committee, many local businesses, and from the Washington County U.W. Extension Office.

Another event at this time is the West Bend Dairy Day planned for Saturday, June 20th in downtown West Bend. Many Washington County 4-H clubs plan events in their local area and prepare window displays to celebrate June Dairy Month.

Individuals with questions about the above events can contact the Washington County U.W. Extension Office for more information.

A Day for the Family

On Sunday, May 17, at 10:30 a.m., at Wayne Elementary School yard, Salem U.C.C. will host a "Kite Fly" and fliers rally.

The aim of this event is to provide an activity that all ages within a family can share in and enjoy. Families are asked to bring their own lunch and kites. Once at the event, families are expected to play together, and enjoy the fellowship of a community activity.

Information about the "Kite Fly"; Registration for the rally is from 10:30 to 11:00 a.m. Awards will be distributed at 11:45 a.m., for eight categories. (youngest and oldest fliers, largest and smallest kites, most unique kite, best homemade kite, best crash and most line out).

The cost is Free! The emphasis is your participation. See you at the end of your line.

Wisconsin FFA **Alumni Association** Seeks Members

FFA Alumni - if you're a member, you are supporting agriculture education and FFA, and your local program is reaping the benefits. If you're not a member, think about joining!

FFA Alumni is open to anyone interested in supporting agriculture education and FFA. You need not be a former FFA member to join.

The FFA Alumni provides leadership training, scholarships, encouragement, awards and financial support, to give youth in agriculture the opportunity to gain knowledge and experience.

Becoming an FFA Alumni member offers you the chance to meet and work with people who have the same interests and goals in supporting agriculture education and FFA. As a member, you will also receive the satisfaction of helping young people obtain goals and careers within the vast and exciting industry of agriculture.

Until October 1, 1992, you have the opportunity to join this rewarding group. The goal of the Wisconsin FFA Alumni Association is to increase alumni membership and support for all Wisconsin FFA members. The annual state and national dues are \$10.00 with life membership available at \$130.00. Lifetime membership dues are returned as memorial scholarships.

Come be a part of the Wisconsin FFA Alumni Association and join the nation's leading state association with 8,400 members.

By Falls, 7-0

By Statesman Sports Writer KEWASKUM - The struggle continued for the Kewaskum boys tennis team here, last Tuesday.

The Indians lost for the fifth straight time this season, and were shut out for the third time in four meets, as Sheboygan Falls came to town and blanked the Indians, 7-0.

Several members of the Falcon basketball team made the switch to tennis and their efforts paid big dividends for the visitors.

Eastern Wisconsin Conference selections Tom Kuplic and Eric Sueminicht rolled at the top singles spots, as they beat Brian Blair and Jim Zautner, respectively. Blair won just one game, while Zautner put up an inspired effort, winning three games in each set.

There was just as much success in the doubles ranks for the Indians, as the No. 1 team of Kevin Hein and John Gildersleeve won three games in their first set, before bowing in the second, 1-6.

The loss left the Indians with a 0-5 mark, 0-3 in the EW.

SHEBOYGAN FALLS 7, KEWASKUM 0 SINGLES - No. 1 - Brian Blair lost to Kuplic 1-6; 0-6;

No. 2 - Jim Zautner lost to Sueminicht No. 3 - Tim Strigenz lost to John Schuler

No. 4 - Paul Janik lost to Drew McEwin

Indians Blanked KHS Tennis Team 4-6; DOUBLES - No. 1 - Kevin Hein and John **Shut Out Again**

CHILTON - It's been a rough start for the Kewaskum boys tennis team so far this season. The road remained rocky here, last Thursday when the team took on

The Indians failed to win a single match for the fourth time in their last five starts, as the Tigers rolled to a 7-0 triumph.

Despite being shut out once again, the Indians were competitive at several spots in the lineup, namely at No. 2 singles, where Jim Zautner took his match to three sets.

Zautner dropped his first set 3-6, but came back to win a second-set tiebreaker to win 7-6. But Zautner couldn't finish off the Tigers' Tim Grube, who regrouped to capture the third set and the match, 6-3.

Tim Strigenz (No. 3) and Paul Janik (No. 4) each won four games in a set, but neither was able to capture the set from their respective foes.

The Tigers also swept the doubles matches in straight sets, with the only competitive match taking place at No. 3, where Mark Dziedzic and Chad Landvatter won four games in the second set of their match.

The loss dropped the Indians Eastern Wisconsin Conference record to 0-4, and their overall record to 0-6. After home matches on Monday and Tuesday, the Indians will host EW power Plymouth this Thursday, and will host Chilton in a return match next Thursday.

Once again it is spring and we are looking for volunteers to walk through neighborhood parks, pick

up litter, and check equipment for needed repairs. This takes about 30 minutes a week and can be done at the convenience of the volunteer.

A "flower seller" is needed at Holy Hill. This person would sell flowers from a cart to visitors and tourists, on Sundays from 10 a.m. to 3 or 4 p.m. You can choose one or two Sundays a month. If you enjoy meeting new people, this is a great opportunity.

Be a buddy to a young person. Big Brothers/Big Sisters is seeking adults who can make a oneyear commitment to make a difference in the life of a young per-

son. What a wonderful way to spend some time each week and really make a difference in someone's life.

The American Cancer Society in West Bend needs people to drive cancer patients to Milwaukee for radiation therapy. Some go to St. Joseph's Hospital and some to Froedert. If you can help with this on a daily basis, or just one day a week, we want to hear from you.

Do you think you would like to be a tour guide? Why not give it a try by volunteering at the West Bend Gallery of Fine Arts or at the Washington County Historical Society. We would love to help you find the right place to put your friendly personality to good use.

The Office on Aging is looking for someone to do job interviews. This person must be reliable and trustworthy and have good communication and listening skills. Must have ability to work with

detail, forms and government programs. Training is provided.

Would you like to bring a friend along when you volunteer? The Moraine Park Symphony needs help for events during the year. Jobs include ushering, handing out programs, ordering snacks, etc. This is also a great opportunity for a service club or church organization.

KHS Wins Two-Man Scramble

By Statesman Sports Writer

SAUKVILLE -What a difference a week can make. After struggling in the Brown Deer Invitational at Hawthorne

Hills Country Club just six days earlier, the Kewaskum golf team returned to the golf course for the annual Ozaukee Two-Man Scramble last Thursday.

The Indians used their knowledge of the course to post a 225 total in the meet, which had schools field three, two-man teams in a best-ball format. That total was good enough to win the four-school meet, as the Indians edged Port Washington (228) for the title. Cedarburg was third (238), and Ozaukee last (263).

"We had putted horribly the week before," KHS coach Joe Harlow said of his team's trials on the Hawthorne Hills greens. "It (the win) helped us get some confidence back.

Leading the way for KHS was the twosome of Aaron Laatsch and Matt Seiser, who carded a two-over-par 73 to tie for medalist honors with Port's JJ Loose and Craig VanderWerff.

Another Indian duo, Ryan Amerling and Eric McElhatton, were also in the running for the

Linksters 7th At WB Invite

By Statesman Sports Writer

WEST BEND - The competition was a bit tougher, but Kewaskum golf coach Joe Harlow still expected that his linksters would do a bit better than they did last Tuesday, at the West Bend Invitational.

Competing in the 12-team field, of which eight were Division I schools, the Indians finished in seventh place, 19 strokes behind eventual champion Sheboygan North (170), which edged Grafton by a five strokes for the title. Host West Bend West was a shot back in third, with a 176.

"We didn't play too badly," Harlow said of his team's performance. "Putting was a problem for us again. That's been a problem that has plagued us lately."

The lone Indian to have any sort of success on the tough WB Country Club layout was senior Ryan Amerling, who carded a 43, good enough for ninth place in the 48-man field.

'It's a tough course,' Harlow said, indicating that "the scores were a little high." Despite the woes on the greens, the KHS boss said that there were signs that "a couple of them (KHS players) began to come out of it. It obviously just got to be concentration.

Matt Seiser was next low for the Indians with a 47, while Aaron Latsch and Eric McElhatton struggled to a 49 and 50, respectively.

West's John Limbach was the lone player to break 40 on the course, as he took medalist honors with his 39, one shot ahead of Whitefish Bay's Joel Clinton.

WEST BEND INVITATIONAL TEAM SCORES — 1. Sheboygan North 170. 2. Grafton 175: 3. West Bend West 176: 4. Portage 177; 5. Menomonee Falls 182; 6. Whitefish Bay 184; 7. Kewaskum 189; 8. West Bend East and Homestead 192; 10. Nicolet 195; 11. Brookfield

top honors, but proceeded to bogey the final three holes for a 74. The last Indian team consisted of Robby Donath and Ryan Ramthun, who put together a

score of 78. "We played much better," Harlow continued on regarding the team's play. "It had a real good effect on us. It did a lot for our confidence."

BIG SAVINGS

Indian Golfers Back on Track

By Statesman Sports Writer CHILTON - It was back to normal for the Kewaskum golf team here, last Friday afternoon.

After struggling for about a two-week period, the Indians finally got their game back on track with a 167-177 win over Chilton in an Eastern Wisconsin Conference match.

"We played well," Indian coach Joe Harlow said regar-

playing this year."

It's been a while since Harlow could utter those words, as the Indians have struggled with their putting stroke recently, and have some higher scores to show for it.

But the putting didn't seem to be a problem against the Tigers, who were outshot by what Harlow thought would be the Indian strongpoint this year... the seniors.

Aaron Laatsch led the way for KHS, carding a 40 to take medalist honors. "He's playco-MVP last season.

Harlow got a surprise finish from Ryan Ramthun, who was next for the Indians with a 41. "That's a real good round for him," Harlow said.

Ryan Amerling and Eric McElhatton tied with 43's to round out the Indian scoring. Amerling was right in the hunt for medalist honors, but struggled to a triple bogey on the final hole.

"I don't know if we're out of the woods yet," Harlow said, indicating that he is still somewhat concerned about the sluggish play that hampered the team recently.

Indian Boys Seventh at Vanderpan

By Statesman Sports Writer

SHEBOYGAN FALLS wasn't their worst performance of the year, nor was it their best. But considering that his team is a bit short-handed at the moment, Kewaskum boys track coach Jerry Gosa sounded about as satisfied as he could be when describing the Indians' showing in the Vanderpan Invitational here, last Friday

"We didn't have as good of a night as we wanted to," Gosa said of the Indians' seventh place showing in the nine-team invite. "We've had better nights. But we're not at full strength right now, and we need people to perform real well to make up for that.

That didn't happen Friday though, as the Indians could muster just 36 points in the meet. Powerful Southern Door ran away with the meet with 119 points, easily outdistancing runner-up Sheboygan Falls (93.25).

Gosa pointed to the fact that 400 and relay runner Keith Herman is still out with mono, and still others were not at their best due to illnesses. Still Gosa got one first place, and it didn't come from who he probably thought it would.

Freshman Travis Jacak cleared the 6-0 mark in the high jump for the first time, and that effort was enough to win that event. Jacak didn't miss any chances until after he had cleared the 6-0 barrier. and nearly cleared the 6-2 mark as well.

That was big. We knew eventually that he'd do that (clear 6-0)," Gosa said of the young jumper. "He'll only get better with continued practice and hard work.

Senior hurdler Kim Marx suffered a rare loss in the 300 intermediates, as he took second to St. Mary's Springs' Rob Hyland (41.11 to 41.20). Marx also added a fifth in the 100 dasi: (11.74).

"He didn't run as well as he could have," Gosa said of Marx, who had beat Hyland earlier in the year. "He didn't run the first part of the race very well, and that cost

Sophomore Brad Jackson also did well for the Indians, as he took third in the pole vault, clearing the 11-6 mark, not bad for someone who smashed his nose into his knee landing the week before. "It's plenty sore, but it's not broken," Gosa said of the injury.

The 400 relay team also impressed Gosa, taking second in 45.9, their best time of the year. Marx, along with Beau Coulter. Dan Schulteis and Brian Hawyicki "had a really good race. That time is just .2 off the school record,' Gosa noted.

The lone other Indian to place was junior Jeff Dirmeier, who took fifth in the 800 (2:06.94) and sixth in the 1600 (4:48.28). His mark in the 800 was almost three seconds faster than his previous personal

Gosa said that both Dirmeier and David Gosa ran the first lap of the 1600 too fast, and that hampered their times. "They were on a blistering pace," Gosa said, noting that David finished .5 behind Dirmeier in the race.

"There was a lot of wasted energy in that first lap.

The Indians failed to pick up any points in the 1600 relay, in which they were disqualified because of a bad handoff. "We probably would have placed third or fourth, but those things happen," Gosa said.

The KHS boss added that the meet was probably the most competitive that his team has been in all year. "I would think so. The competition was just so strong, he said

After the Random Lake Invitational on Monday, the Indians will head to Plymouth on Thursday for the conference relays, and then will turn their attention to the regular EW Conference meet at New Holstein next Thursday.

Athletics Slug Way to 1-1 Mark

By Statesman Sports Writer RUBICON - It's been a terrific start offensively for the Kewaskum Athletics Land O' Lakes baseball team so far this season. The only problem is that the A's have just a 1-1 record to show for their 29 runs.

A's pitchers were sheeled for 15 runs and 15 hits in a 15-14 loss at Oakfield last Sunday, but the chucking recovered enough this past Sunday, as the A's allowed just four runs in an impressive 15-4 shellacking of Rubicon.

"We made a lot of early-season mistakes," A's player/coach Doug Gonring said of the Oakfield contest, in which Kewaskum committed three errors, and several more mental errors. "Our pitchers gave up a lot of walks too.

A's catcher Greg Rinn sparked his club by belting the first pitch of the game over the fence, propelling Kewaskum to a three-run first inning. But A's starter Tim Heberer gave up a pair of two-run shots in the bottom of the inning and the slugfest was on.

Oakfield pretty much put the game away with a six-run fifth inning, as A's pitchers contributed to the scoring by issuing three walks in the frame.

The A's had a chance to overtake the Oaks in the top of the ninth, but left the bases loaded instead for a heartbreaking loss to last year's Rock River Northern Division champs.

"We hit the ball a ton," said Gonring, who himself smacked a pair of homers on his way to a 4x6, 6 RBI afternoon, Rick Peck, a newcomer to the A's squad this year, added three hits, while Barry Wenzlaff, Andy Hoenecke and Dave Donath each collected two

Gonring continued his early season tear against Rubicon, as he drilled a grand slam homer in the top of the second to give the

A's a 7-1 advantage. Rubicon starter B. Breuer had control problems early, walking four batters in the inning before giving up Gonring's blast.

Third baseman Terry Koth, who started the inning with a walk, followed Gonring with a solo homer of his own, making it 8-1. A total of 12 Athletics came to the plate in the inning

'We've just been tearing the ball," Gonring said, adding that the defense "was just excellent," in the second game. "We sparkled on defense. Hopefully, we got all those early-season mistakes out in the Oakfield game.

The pitching also caught up somewhat, as four A's pitchers shut down Rubicon. Heberer once again started, and gave up just two runs, but the lefty threw more than eighty pitches in that stint. "We threw over 200 pitches in the game, and that's way too many," Gonring added.

The Athletic boss says he's impressed with a couple of young hurlers on the squad, namely lef-

ty Dennis Aupperle and righthander Doug Stern. "They've been just great," he said of the two, adding that they will get plenty of action this summer.

Koth added another blast, this one a two-run shot, in the fourth, as he went 3x4 on the day, with three RBI's and a pair of walks. Hoenecke and Gonring each added three hits, with Gonring collecting another five RBI's, giving him 11 in two games.

Dave Donath added a pair of hits, as did Peck, with Donath and Wenzlaff each ripping two-run dingers

The A's, now 1-1, are at Juneau on Sunday, and then travel to Waupun next Sunday, and to Brownsville on Memorial Day, before opening their home schedule with a game against Fond du Lac on May 31st.

SPONSOR APPRECIATION DAY Gonring also would like to remind the Athletic team sponsors that they should return their invitations to the Sponsor Appreciation

Day, slated for June 6th.

Sponsors please return the mailed invitation as soon as possible, so the A's can go about ordering the food and beverages for the meal. Send the invitations to Doug Gonring at 1325 Brooklane Dr., Kewaskum, or Dave Donath, 3447 County Line Dr., Kewaskum 53040.

Indians Last in Triangular

By Statesman Sports Writer

KEWASKUM - There were several personal bests, and many other good efforts for the Kewaskum boys track team here, last Tuesday. But the times and distances weren't good enough to compete with the likes of Two Rivers and Plymouth, who also participated in the triangular.

The Raiders pulled out the victory in the final event, and that was enough to upend the Panthers 67-64, while the Indians were well behind with 39.

Part of the reason for the low Indian total was due to the fact that their top 400 runner Keith Herman, was out with a case of mononucleosis, and will also miss this upcoming week of action. action.

"If he had been healthy, he probably would have won the 400 by about two seconds," KHS coach Jerry Gosa said of Herman, who also runs in two relay events as well. "We would have picked up some points there.'

Gosa also said that Jeff Dirmeier, the Indians top distance runner "wasn't feeling well," and didn't run in the 800

Despite Herman's Dirmeier's absence, the Indians did get good efforts from a number of individuals. Senior standout Kim Marx won both the 300 hurdles (41.0) and the 100 dash (11.3), with the latter time being a personal best for him.

Marx also added a win as part of the 400 relay, as Marx, Beau Coulter, Brian Harycki and Dan Schulteis crossed the line in 46.6. "That was a bright spot," Gosa

Freshman Travis Jacak won the high jump with a 5-10 leap, tying his personal best, while David Gosa "had a real good meet," finishing second in the 800 (2:12.4) and third in the 1600 (4:49.0).

Brad Jackson tied his personal best in the pole vault, finishing second at 11-6. Jackson, who hurt his nose last week, "has cleared 12-0 a few times in practice, Gosa said, adding he's waiting for him to do it in a meet.

Junior Dan Schulteis threw a personal best 131.6 in the discus. good enough for fourth, while Joey Rehbein, "improved a lot," in the 3200, running an 11:06.3, nine seconds faster than he previously had. "He's really getting down there.

Gosa got a pleasant surprise from junior Jim Wichtowski, who just went out for the sport in the past 2-3 weeks. Wichtowski, competing on the JV team, would have won the varsity long jump competition with his leap of 18-11.5. "It would have been a first place," he said, adding Wichtowski "had a real good meet.'

"Both Two Rivers and Plymouth were really strong, Gosa said of the competition. 'We had some good times, but we just couldn't compete with

Holy Trinity 'B' Team Champs

KEWASKUM - It was a successful year on at least one front for boys basketball in Kewaskum this past season.

The Holy Trinity boys 'B' team, consisting of fifth and sixth graders, won their conference championship this past season with a glossy 9-1 record.

"We had a banner season," Wildcat coach Mike Struebing said regarding his first year at the helm. "We had a real good defensive team.

The offense wasn't too bad either for the Wildcats, who finished 13-5 overall. The team was led offensively by David Gerhartz, who scored 20 or more points in eight of the team's last 11 games.

Holy Trinity didn't fare too badly in tournament action as well. The Wildcats started out slow in the St. John's Tournament, losing its first two games, but the 'Cats came back to win their last game in the eight-team, non-elimination Invite. "We didn't do too well in that one," Struebing said.

The Wildcats then placed second in the St. Mary's of Barton tournament near the end of the season. HTS beat the host team in the semifinals, 45-37 in overtime, as Gerhartz scored a season-high 33 points. The Wildcats couldn't pull out the championship tilt against a strong Christ Child (Plymouth) squad, losing 45-31.

But the Wildcats won the big game when they needed it in conference, as they beat Lomira in the final week of the season, 38-29, to clinch the conference

Gerhartz was joined on the allstart team by teammates Jim Kopecky, Jason Butschlick and Corey Amerling.

Struebing said he enjoyed his initial year as the 'B' team boss, and "I'm really looking forward to next year. We have a couple of fourth graders who really show potential."

Other members of the team include: Luke Martin, Derek Dorn, Chris Wessing, Jarrod Gruber, Josh Reader, Chad Schoofs, Chad Martin, Eric Lieven, Eric Wenninger, Kevin Polzean, Joe Roecker and John Klesmith.

Everyone is ignorant, only on different subjects.

Tired Indians Second in Triangular

By Statesman Sports Writer

Two Rivers — It finally added up and was too much for the Kewaskum girls track team.

Competing in their fifth meet in eight days, the Lady Indians finally tired enough not to win, as they took second behind Two Rivers in a triangular here, last Tuesday.

The Raiders finished with 66 points, compared to the Indians 52 and Plymouth's 49.

'Mentally they seemed to be in it, but their bodies were just worn down," KHS coach Perry Koth said of his troops performance in the meet. "We also had a couple of people that we held back. Our times were slower too.4

Despite finishing second, Koth said there were some good things to come out of the meet, namely Robyn Winninghoff's first in the high jump.

"That was real good," Koth said of Winninghoff's jump of 5-0, the first time this year that she has cleared the height. In addition, Mary Yahr cleared the 4-6 mark to take second, and "that's her personal best too," Koth said.

Kelly Korth and Ginger Wiesner added a 1-2 finish in the long jump with jumps of 14-11 and 13-10, respectively. Another steady performer, Christa Schmidt added a win in the 300 hurdles (52.08) and a third in the 100 hurdles (18.0).

Freshman Missy Rohrer took advantage of Wiesner being held out of the 400, as Rohrer raced to a 67.0 clocking, good enough for first, while her older sister Jessica, added a fourth place finish in the 100 hurdles (18.7).

Tammy Schmidt added a pair

of seconds in the discus (98-0) and shot (32-8.25), while Winninghoff was third in the discus (96-6), and Beth Kempf third in the shot (32-5.75).

Perhaps the biggest surprise of the day came in the 800 relay, where the Indian combo of Korth, Wiesner, Greta Kuphal and Tina Schwartz did not win. Two Rivers team nipped the Indians 1:52.3 to 1:53.2, thus setting the stage for a rematch at the conference

"That's the first time they've lost," Koth said of his 800 unit. 'They were just tired. I think. Two Rivers has an excellent 800 relay, so it will be an interesting race (at the conference meet). It will give us a little more incentive.

"They (Two Rivers) seem to be one of the strongest teams in the conference," Koth continued to rave about the Raiders. "I think it will be us, Two Rivers and New Holstein battling it out.

KHS Girls Softball Sweep Three

By Statesman Sports Writer

KEWASKUM doubleheader sweep of Plymouth here, last Thursday allowed the Kewaskum girls softball team to record its first 3-0 week in history last week

Tuesday, the Indians used some wildness by Elkhart Lake pitchers to bomb the Resorters by a 25-11 count. Then on Thursday. the Indians rode the stellar pitching of junior Rachelle Krahn to sweep the Panthers, 9-2 and 10-5.

Against Elkhart Lake, Resorter pitchers rendered 12 walks in just five innings, as the Indians staked claim to a 10-0 lead after just one and a half innings.

The Indian defense, which has been suspect all season, committed a total of ten errors in the contest, allowing Elkhart Lake to cut into a 23-2 lead in the final two

Julie Wagner continued her torrid hitting this spring, going 3X3, while Tammy Gundrum also added three hits, and Kelly Krahn chipped in a pair.

Things were a bit more sticky against Plymouth in the double dip on Thursday. But Rachelle Krahn came through big with a three-hitter in the opener, as Kewaskum used a four-run first and a five-run sixth to pull away.

Wagner, Gundrum and Lori Pesch led the Indian barrage at the plate, where Kewaskum picked up ten hits. R. Krahn wound up striking out three, but showed great control by allowing just a single walk

Krahn continued to pitch well in the second game of the DH, although the Panthers did touch her for a pair of runs in the first. The Indians, meanwhile chalked up three in the opening inning, and then iced the contest with a big five-run fifth.

Patience at the plate was key in the fifth, when Panther hurdlers rendered five walks. Plymouth finished the second game, allowing a total of 12 base on balls.

Lisa Zwicker had a fine game at the plate with an RBI triple and another RBI sac fly. Once again, though, the Indians committed nine errors in the field, two more than their hit total. In the DH, the Indians nearly had more errors (15) than hits (17).

The three-game sweep allowed the Indians to move to 5-3 on the year, and evened their Eastern Wisconsin Conference mark to 3-3. The Indians have just a single game this week, Thursday at home against New Holstein, and then travel to Kiel next Tuesday before opening WIAA Tournament action at home, May 22nd.

Janik Helps Indians Avoid Shutout

By Statesman Sports Writer KEWASKUM - It would have been 0-for-their-last-21 for the Kewaskum boys tennis team here, last Monday afternoon. But thanks to the efforts of Paul Janik, the Indians avoided their third straight shutout

Janik picked up a straight set win over Kohler's Craig Wuerberger 6-3, 6-0, at No. 4 singles for the lone Indians win, as the Indians fell to the Blue Bombers 6-1.

Janik got a bit of a struggle from Wuerberger in the opening set, but Janik was too tough as he rolled in the second set for his first singles win of the year. Janik had previously played in the No. 1 doubles slot.

The closest any other Indian got to a victory was at No. 3 doubles, where Chad Landvatter and Mark Dziedzic won four games in each set before

33

falling 4-6, 4-6.

Brian Blair also played well in his match against Bendon Drew at No. 1 singles, but Blair eventually succumbed to the stronger Drew, losing 3-6,

The loss left the Indians with a 0-4 mark on the year, including 0-2 in the Eastern Wisconsin Conference.

Relay Teams Help KHS Girls Run Away with Vanderpan Title

By Statesman Sports Writer

SHEBOYGAN FALLS - One of the definite strengths of this year's Kewaskum girls track team is the Indians' relay units, and that superiority was never more evident than in last Friday's Vanderpan Invitational held here.

Kewaskum won both the 400 and 800 relay events, and added a second in the 1600 relay, and those performances led the Indians to the team title in the meet, as they ran up an impressive 105 points, 26 more than second place Sheboygan Falls.

The title was also the team's third in eight days, as the Indians also won the Pewaukee and Mayville Invitationals as well.

'This is the first time we've ever won it," KHS coach Perry Koth said of the milestone win in the meet, which began in 1976. The Indians previous best finish was in 1989, when they placed

'We had some real good times," Koth said of his team, which was paced by the 800 relay team's win, tying their best mark of the season (1:50.8). "If they're pushed, they'll get under 1:50," Koth said of the team, consisting of Kelly Korth, Greta Kuphal, Tina Schwartz and Ginger Wiesner.

Kuphal, Korth and Schwartz also had hands in the 400 unit's win, along with Jenny Heisdorf. "That was a real close race," Koth said, as Kuphal outdistanced a New Holstein runner in the final paces to win in 53.6, another

Schwartz, Korth, Wiesner and

Missy Rohrer teamed up for the second in the 1600 relay, crossing the line in 4:19, another best. "That's pretty good," Koth said of the time. "They are really starting

to come together.' Koth was just as pleased with the effort of Robyn Winninghoff in the discus, where she won with a toss of 121-7, almost 14 feet more than her previous best. "If she'd throw that at (the state meet), she'd be in the top three for sure," Koth said. Winninghoff had a good day all-around, as she took second in the high jump as well, going 4-10.

Korth continued to reach new limits in the long jump, as the senior star went 16-10.25, another personal best, to take first. "The meet record was 16-11," said, adding to the significance of Korth's effort, which outdistanced the rest of the field by over a foot.

Koth also got a good meet from Mary Yahr, who took 4th in the 100 hurdles (17.8) and fifth in the high jump (4-8), both new records for her. "She just missed 4-10 (in the high jump)," Koth said, adding "she's really starting to come on."

Junior Christa Schmidt continued to shine in the hurdle events as well, as she took second in the 300's (49.7) and third in the 100's (17.5) tying a personal best in the latter, and exceeding one in the former.

Kuphal added a third in the 100 (13.3), while Wiesner stayed steady in the 400, taking second (62.1). "She's real consistent," Koth said of Wiesner, who he ex-

pects "will be running a sixtysomething by the end of the year.

Nicole Hetzel also set a personal best with her 2:35 in the 800, which was good enough for Freshman Chrissy Neumann also had a good meet, taking fifth in the 1600 (6:09.91) and sixth in the 800 (2:44.38). With all the fine efforts in the meet, it was no wonder that Koth was more than pleased with the

"We just had a lot of super efforts," he said. "The times are really starting to come down," adding that he wouldn't be surprised to see a couple of school records fall by the wayside by the end of the year. "I was real happy with everybody Friday.

After a meet at New Holstein on Tuesday, the Indians will run at home for the final time this year, when they host the Eastern Wisconsin Conference girls relays on Thursday.

Indian Girls 'Good Enough' to Win Mayville Crown

By Statesman Sports Writer

MAYVILLE - You could hardly blame the Kewaskum girls track team for being a bit tired last Monday. Still the Indians got it together just enough to win another Invitational.

The Indian got steady times from their mainstays, and that was good enough to win the team title at the Mayville Invitational here, edging Hartford by just seven points, 127-120.

"We didn't throw or run exceptionally well, but it was good enough to win," KHS coach Perry Koth said regarding the meet, which was the Indians' fourth in seven days, and second Invitational in four days. "I figured that after three meets, I felt they would be tired and not mentally up for the meet."

Koth may have been right on both counts, but the finals results are all that mattered. Those results showed the Indians getting 1-2 finishes in a pair of events, as well as a total of seven other first or seconds.

Kelly Korth and Ginger Wiesner continued to clean up in the long jump, taking first and second with leaps of 15-11 and 14-7. The twosome joined Tina Schwartz and Julie Mertz in the 1600 relay while Korth, Wiesner, Schwartz and Greta Kuphal again ran away with the 800 relay, winning in

Wiesner also added a win in the 400, running a 62.8, "which is a good time," according to Koth. "I suspect that will drop over the next couple weeks.'

Tammy Schmidt (33-5) and Beth Kempf (32-1.5) went 1-2 in the shot put for another Indian sweep, despite not having one of their better days throwing. "They did good enough to win, and that is the nature of this team," Koth,

Kuphal ran to a second in the 100 dash (13.5), while also help-

ing the 400 relay to the same finish (54.77). Others on the 400 unit were Schwartz, Korth and Jenny Heisdorf.
