## Funeral Home Completes Renovation

Miller Funeral Home of Kewaskum has recently completed renovation, making the building handicapped accessible.

The 12' by 12' addition to the front of the building new features a Cheney lift which can accommodate wheelchairs or anyone who may have difficulties with steps. The inside steps have been redesigned for easier access into the building.

The carport has been extended to accommodate more vehicles enabling more people to go directly from their car into the funeral home under cover during inclement weather.

The staff of the Miller Funeral Home welcomes everyone, including the handicapped, to inspect their new entrance.

Shown above is the new Cheney lift recently installed in the Miller Funeral Home.

## Big Loss in State Aids for District School Board Okays \$9.7 Million Preliminary Budget for 1992-93

By Gerry Mueller  
Statesman Staff Writer

The Kewaskum Board of Education approved a preliminary 1992-93 budget for Funds 10 and 30, Monday night, as requested by District Administrator, Dr. David Heather. That proposed budget, with a bottom line of \$9,766,960, represents a 7.8 per cent increase in expenditures over the 1991-92 budget.

In making his request, Heather stressed to the board that this was the first and indeed a preliminary presentation of the proposed budget for next year. "Because we have to place our orders for various supplies such as text books, etc. now, to have them in time for the start of school August 24th, noted Heather, we need to have some form of the budget in place. Board member Ruth Schmitt told Heather she would vote for the budget but she wanted it understood "just that it is the understanding of everyone it is a preliminary budget". Heather concurred saying that there would be several revisions before the final budget is arrived at in October. He also told the board the projected mill rate increase is about 8.8 per cent, "but it is pure conjecture now as to what it's going to be."

In his comments, Heather told the board, "The budget will probably not please the taxpayers nor does it please me because it is a little higher than I wanted it to be." He noted that, should the district prevail in the arbitration with the Kewaskum Education Association, the budget could be reduced by a nominal amount. However, an increase in insurance premiums of about 15 per cent and the addition of 3.37 teachers and 1.5 support staff personnel, along with normal cost increases will result in budget increases.

Heather said the property tax levy for the 92-93 budget would be about \$5,542,990, an increase of 14.9 percent in the required local revenue. "This also includes reducing the district's fund balance by \$150,000 to affect the needed revenue."

Heather stated, "The percentage increase in the local revenue is, in part, due to the fact that the state reduced our equalized aid by \$153,000, and this creates a double whammy because usually the aid increases a couple of hundred thousand dollars a year. With the loss and no new money, we face a dip of about \$350,000, that has to be made up. Also, as the equalized valuation of the school district continues to increase, we will get less dollars

unless our enrollment continues to grow. For 93-94, I would expect more aid dollars based on enrollment increases but that doesn't help us this year."

The board also approved a resolution authorizing the borrowing of \$750,000 for Capital Improvements projects and equipment. (This also affected the 92-93 budget's Debt Service, increasing it to \$201,931, because of the added money needed to pay interest on that loan). The board approved borrowing the money, on a five-year loan, from M & I Bank, at a net rate of 4.9953 per cent.

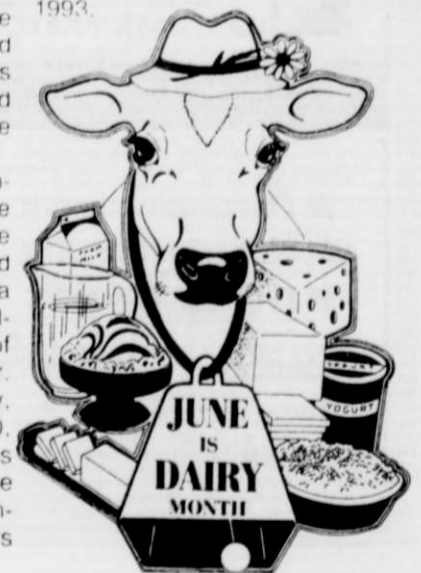

In other action the board approved the proposed schedule and teachers for the 1992 Summer School program. A total of 32 courses are being offered and KMS principal David Jones advised the board that enrollment shows over 330 students have signed up for this year's session.

The board also approved accepting the low bid of Northbrook Insurance to be the district's carrier for 1992-93. The district's present insurance carrier is Wausau Insurance.

In non-action business, the board heard reports from Curriculum Coordinator Connie Strand on the district's CBT test results, Mr. Jones and KMS teacher Mrs. Rompelman on an experimental sixth grade reading program, and from principal Charles Heidner and teacher Mrs. Kjer on the KHS tutoring program and proposed improvements for next year.

The board approved the hiring of Randy Westerman as KMS EEN-ED teacher and Ellen Kesting as WES first grade teacher.

The agenda and resolutions for the district's Annual Meeting, scheduled for Monday, July 27, were approved. The board also approved Friday, May 28, as the graduation date for the class of 1993.

## Rummage-O-Rama Saturday, June 20

It's once again time to clean out the garage and the basement and begin to gather all your rummage and treasures and prepare for Kewaskum's Community-Wide Rummage-O-Rama being held this year on Saturday, June 20, from 8 a.m. to ???

This year's sale will take place throughout all ends of the community, both in residential areas and in the business sector. There are already quite a few signed up to be placed on the maps that will be distributed free on the day of the sale. You will want to be included on this list, so hurry and sign up at the General Store Antique Mall in Kewaskum before the deadline on June 18.

The maps, free for the asking, will be available on the day of the sale only at the Antique Mall, Sentry Foods and Buffy's Village Inn.

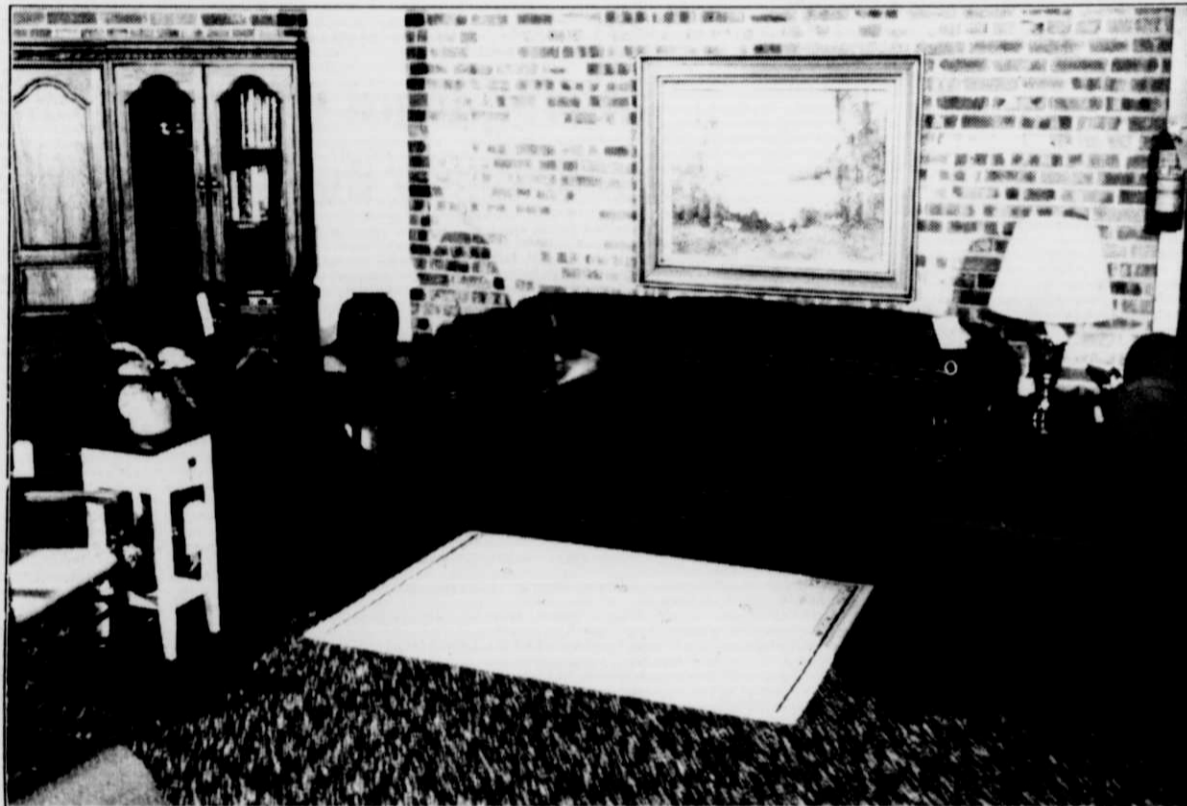

Businesses in the community are also getting involved in this sale by offering various discounts and specials, both in-store and some outside. There will also be assorted vendors along Main Street and Fond du Lac Avenue that have always been a common trait of our Krazy Daze sale.

And don't worry, we won't forget an abundance of aromatic food being sold at stands all over Kewaskum.

## Milwaukee Symphony Orchestra's Summer Season

Audrey Baird delivers her presentation to the audience.

By Kate Gauvin

If you are batty for Beethoven, if the tunes of Judy Collins send your spirit soaring, if you happen to be a New Age nut, or if you just love listening to beautiful music, then the Milwaukee Symphony Orchestra's summer season may be just what you need to turn those lazy summer evenings into something spectacular.

Beginning Friday, June 26, you will have the opportunity to take in "Summer Nights" with this highly acclaimed symphony. Uihlein Hall Performing Arts Center will be transformed into a romantic, turn-of-the-century garden complete with trees, stars, harp lamps and small tables, giving the impression of an outdoor cafe or park. A wide variety of dining options will also be available. But what will really make the evenings memorable is the music.

Audiences will be treated to the soul-stirring music of the world renowned Mormon Tabernacle Choir, the music of pianist Andre Watts, the songs of Judy Collins, the song and dance numbers of Ben Vereen, the works of Bill Conti, the New Age music of David Arhenstone and much more.

Also, the Milwaukee Symphony Orchestra, led by Music Director Zdenek Macal, will be performing "The New World", featuring classics such as Dvorak's Symphony No. 9. Macal, who has been Music Director since 1986, has had a great deal of success with the orchestra, including a highly acclaimed tour of the East Coast and a series of recordings with Koss Classics.

Nancy Raabe, music critic for the Milwaukee Sentinel, described the MSO's latest concert as "impressive", adding that the orchestra's performance of

Brahm's piano Concerto No. 1 "...unfolded as would a deeply thoughtful conversation with an old and dear friend."

Pat Peterson, Kewaskum, coffee director for the Milwaukee Symphony Orchestra, described the concert as "absolutely wonderful". Peterson, along with Ticket Co-chairs Elisabeth Reicht and Nancy Lancaster, hosted a tea on Friday, June 5, to promote the MSO's summer season. The tea, held at the West Bend Country Club and sponsored by the Milwaukee Symphony Orchestra League, was supposed to feature maestro Macal as a guest speaker. Macal unfortunately was unable to attend. However, through a song and dance number by Audrey Baird and a speech by League president Jo Ann Krause, those in attendance were given a glimpse into what the upcoming summer season has in store for audiences.

If interested in purchasing tickets to "Summer Nights", contact the Milwaukee Symphony Orchestra League or call 273-7206.

## 45th Anniversary

by Isabelle Muckerheide

On Sunday, May 24th my sister Dorothy and her husband, Tony Kerhin, of West Allis, celebrated their 45th Wedding Anniversary at the home of Dr. and Mrs. Robert Bahr in Pewaukee (their daughter, Pat).

A "spanferkel" and roasting chickens were prepared by Rupena's over an open pit outdoors. It was done to perfection. (Incidentally, the pig was purchased at Kewaskum Frozen Foods).

Forty five years ago, we had snow the day before their wedding on May 30th so this cold weather is nothing new.

Each guest was asked to bring a poem. This was my contribution:

### Forty-Five Years

How does a poet measure time?  
A year is but a day,  
What seems like an eternity,  
Has swiftly passed an eternity.  
A case in point, my sister, dear,  
With Tony at her side,  
Have known of joy and sorrow,  
And learned to stem the tide.  
Seven souls have they begot,  
Through years of forty five,  
We love them each and everyone  
And to this end we strive.  
That God in all His mercy,  
As He sees from up above,  
We gather to observe the fact,  
Of what it means to "Love."

## Beechwood Community Summer Library

"Summer Quest" is the theme of the 1992 Summer Library Program to be held at the Beechwood Community Library in the Beechwood School.

The free six-week series of activities is open to preschool children through adult. It will be open on Tuesday mornings from 9:30 a.m. to 11:00 a.m. starting June 16th through July 21st. Stories and handouts will feature varied quests, searches, explorations, investigations, mysteries, journeys, and goals. Children may

sign up on June 16th.

More than 100,000 Wisconsin children participated last year in this statewide program, which is sponsored annually by the state Department of Public Instruction, Division for Library Services. It is designed to encourage year-round reading enjoyment and to stimulate awareness of all the resources available in public libraries.

# Peace Church Confirmation

On Sunday, April 12, seven girls confirmed their faith in Jesus Christ at the Peace United Church of Christ in Kewaskum. The Palm Sunday service was conducted by the pastor, Rev. James Bettin. The Chancel Choir sang the anthem, "The Pathway of a King," and the confirmation hymn was, "I am Thine, O Lord." The chancel of the church was adorned with palms, and the confirmands and choir carried palm branches in the processional. Front Row (left to right) Angela Breitag, Angela Kocher, Jessica Gerlach, Kelly Schreffler. Back Row: Sarah Krieser, Keri Petrie, Pastor Bettin, Jennifer Butzlaff.

## 70th Anniversary

Ray and Florence Berend

70TH ANNIVERSARY - Ray and Florence Berend recently celebrated their 70th wedding anniversary with a reception at Maple Dale Manor, Kewaskum, for family, friends and residents. The celebration was planned by the Maple Dale staff. Ray and the former Florence Schnepf were married May 16, 1922, at Holy Angels Catholic Church, West Bend, and had been lifelong residents of West Bend until January, 1991. Ray owned and operated a barber shop in West Bend for 45 years, and Florence was employed by her family's restaurant, the Monaco Cafe, for many years. They are the parents of two daughters, Virginia (Jerome) Kohl of West Bend and Lorraine (the late Fritz) Wiskirchen and friend Dan Scheff of Fort Washington. They also have five grandchildren and seven great-grandchildren.

## Johnson - O'Brien

Laurie Johnson and Tom O'Brien exchanged wedding vows on Saturday, April 4, 1992 during a 3 p.m. ceremony at Trinity Lutheran Church, West Bend. The Rev. Mercy officiated.

Parents of the couple are Dennis and Judy Johnson, Kewaskum, and Tom and Judy O'Brien of Hartford.

The bride chose her friend Cindy Reader of Fredonia as her maid of honor. Bridesmaids include Jennifer Frac, West Bend, friend of the bride; and Ellen Furan, Madison, future sister-in-law of the bride.

The groom's brother, Keith O'Brien, served as best man. Groomsmen were Bob Brandmeier, Hartford, brother-in-law of the groom, and the bride's brother, D.J. Johnson of Madison.

Music was provided by organist and soloist H. Von Neumann.

Ushering duties were provided by David Oswald, West Bend, brother-in-law of the groom.

A reception and dance followed the wedding at the Amerahn Hall in Kewaskum.

The bride is a 1986 graduate of Kewaskum High School, and is employed as a nursing assistant. The groom is an '83 graduate of

Hartford High School and works as a steel fabricator.

The couple enjoyed a honeymoon trip to Sandals Dunns River, in Jamaica, and now reside at 2400 Park Ave., West Bend.

## Valley Reports Strong First Quarter Results on \$1.1 Billion Loan Commitment

KEWASKUM, WI — Valley Bancorporation, which earlier pledged to make \$1.1 billion available for loans during 1992, reported they have made nearly \$380 million (34 percent of annual goal) in loans in the first quarter of 1992 alone, according to Peter M. Platten, III, President and Chief Executive Officer.

"We had a super first quarter which puts us well on our way to exceeding our lending goal for the year," Platten commented.

While both business and consumer loans showed increases compared to the first quarter of 1991, Platten said the unexpectedly high loan demand was fueled by significantly higher consumer borrowing.

"Consumer lending nearly tripled in the first quarter of 1992, compared with the same quarter in 1991," Platten said. He attributed the increase to improved consumer confidence in the economy, as well as a strong trend toward mortgage refinancing driven by low interest rates.

The average consumer loan made by Valley has doubled compared to the same period last year. This suggests that consumers are using loans for more big ticket items, such as home improvements and car purchases, versus smaller ticket items such as appliances or debt consolidation. Platten said. Valley's mortgage activity has more than tripled from last year's levels, he added.

The increase in Valley's business lending was also strong — about a 50 percent increase compared to the first quarter of 1991.

## Furan - Johnson

Mary Furan, Onalaska, Wisconsin, and Dennis S. Johnson Jr., Naples, Florida, are pleased to announce the engagement of their daughter, Ellen, to Dennis S. Johnson Jr., Madison.

## High Card Offers \$500 Top Prize

HIGH CARD is the latest instant scratch and win game from the Wisconsin Lottery. HIGH CARD made its first appearance Monday, June 8 and will be available at nearly 5,000 locations statewide by Friday, June 12.

"We've had a great deal of positive feedback on playing card type games introduced earlier, so we've combined a playing card ticket graphic with a playing card format," Lottery Executive Director William F. Flynn, Jr. said.

"A HIGH CARD player scratches off the covering to reveal the 'Dealer's Card' in the center of the ticket, then scratches off the covering to reveal 'Your Card' in each of the three games on a ticket.

"For each game 'Your Card' is higher than the 'Dealer's Card,' the player wins the prize for that game. Each ticket has three games and a player may win one, two or all three of the games," Flynn explained.

HIGH CARD instant winning tickets offer prizes ranging from \$1 to \$500. The game returns 60 percent of its sales revenue to players as prizes.

HIGH CARD is the Lottery's 37th instant scratch and win game since the games were introduced September 14, 1988.

"We're having our best year ever for instant scratch and win game sales. We've sold more than 255 million of these types of

tickets since July 1 of last year.

"Nearly six of every \$10 the Wisconsin Lottery generates in sales comes from players who want to play an instant scratch and win game," Flynn added.

More than 910 million instant scratch and win tickets have been sold by the Wisconsin Lottery in less than four years.

Non-winning HIGH CARD tickets are eligible for the weekly Home Player drawing on the MONEY GAME television show.

To enter the HOME PLAYER drawing, mail five non-winning Wisconsin Lottery instant scratch game tickets from any game currently on sale, completing the back of at least one of the tickets, to HOME PLAYER, Madison, Wisconsin 53775.

Each week, five Home Players receive prizes ranging from \$750 to \$3,000 on the weekly MONEY GAME television show.

## Thank You Kewaskum!

Another Memorial Day has passed and I want to thank all who helped us honor our war dead.

They gave the supreme sacrifice. We still have many who have mental and physical disabilities in our hospitals as a direct result of our wars. We must not let them be forgotten.

All our veterans fought under and for our flag, OLD GLORY, the STARS AND STRIPES. When you salute our flag you are saluting our veterans. Don't make this a once a year thing. It's simple... when the flag passes by, stand erect, remove your hat and place your hand over your heart and pay your respects to those who gave their all.

Our parade was held on a cold day; many watched, very few bothered to salute the flag.

June 14th is FLAG DAY. Please fly your flag. Old, tattered and worn out flags will be accepted by any Legion member and they will be disposed of at an official flag burning ceremony.

Don't forget the 4th of July parade. Let me be proud of the numbers seen saluting the flag.

## Benefit Dance for John and Jackie Stahl

When friends and neighbors decided to extend a helping hand to John and Jackie Stahl, they never expected the outpouring of assistance to be so overwhelming.

Jackie recently underwent surgery at Mayo Clinic and received some optimistic words in her fight against ovarian cancer. While John and Jackie were in Minnesota, friends and neighbors gathered to assist John's family with the work on their Ashford (rural Campbellsport) farm. They plowed and worked the fields, planted the corn, cut the lawn and fixed the flower beds. Fertilizer, seed, fuel, equipment, and labor were all donated.

In addition to the assistance at the farm, there is financial assistance through donations to the Ashford Community Fund, established at Bank One in Campbellsport to help the Stahls pay bills not covered by insurance. Local branches of Valley Bank and National Exchange Bank are also accepting donations to the fund. Some money was sent along with the Stahls when they went to Mayo Clinic. Steve Joas said it was expected to help pay food and lodging for John, as well as to phone calls home. "We wanted John to be able to be there with Jackie and not to have to worry about his farm crops," he noted of the field work and financial assistance from the fund.

The friends and neighbors, along with Catholic Knights Branch No. 113 have planned a benefit dance, raffle and auction to aid the fund. The dance and auction will be held at Amerahn Ballroom, Hwy. 45, Kewaskum on Friday, June 12 from 8:30 to 12:30. The auction is expected to begin about 9:30 p.m. Jerry Schneider and his Orchestra are providing the music for the dance, reducing their regular fee. The list of donations for prizes covered several pages and three auctioneers volunteered their services to auction the items. Pat

O'Brien of Midwest Livestock will be the auctioneer when the items are sold on stage at dance intermission. There will be popcorn, hot sandwiches, and dessert available throughout the evening. Attendance prizes will be awarded throughout the evening. There will also be a bake sale.

Jim Gantner, a former classmate of Jackie's at Campbellsport High School, helped in obtaining several autographed Brewer baseball items for the auction. Wild Wings Game Farm donated a three year old Springer Spaniel, trained for hunting. Other auction items include: 50 lbs. of beef, 1 hog, two afghans, milk replacer, a Precious Moments Limited Edition collector's item, a battery and front end alignment, lawnmower or rototiller tune-up, and several games of bowling. There are numerous other prizes to be awarded at the dance and the raffle ticket drawing which will be held at St. Martin's Church basement on Sunday, June 14 after the 9:30 a.m. Mass.

Major raffle ticket prizes are: \$200 cash, \$100 savings bonds (2), hand made wood Amish

rocker, hooked rug kit, and stacking wood snack tables.

A hand made pieced quilt will be raffled. There will be three cakes donated by a local cake decorator. One will be cut and sold as dessert at the dance, another will be auctioned to take home that evening, and the third will be auctioned as a certificate to be redeemed by the purchaser at a later date. There are prizes such as imprinted shirts, gift certificates from area businesses in amounts that range from \$5 to \$50, sticks of summer sausage, and numerous other prizes. All items, including the lunch, have been donated so all proceeds can go into the fund.

The benefit is being sponsored by Catholic Knights Branch No. 113 with the promise of matching funds up to \$1000.

Dance tickets will be sold only at the door at a cost of \$4 each. This will also qualify the holder for attendance prizes. Raffle tickets will be available at the dance and all ticket money and stubs are to be turned in to the committee no later than the evening of the dance.

## WASHINGTON COUNTY WE-TIP CRIME OF THE WEEK

June 3, 1992

The Washington County Sheriff's Department is looking for any information on vandals who have caused over \$16,000.00 in damage to residences in the Town of Richfield.

From 5/21/92 to 5/31/92, the Washington County Sheriff's Department has investigated nine complaints, all from the Town of Richfield, of damages to windows on homes by BB gun shots. All this vandalism has occurred between 1:30 a.m. and 4 a.m.

Several suspect vehicles seen were a dark colored Omni type car and a dark colored larger type car.

Anyone who may have any information about the vandals and/or their vehicles is encouraged to call the Washington County Sheriff's Department We-Tip telephone number.

Washington County's We-Tip phone line is 1-800-232-0594. Any information can be provided anonymously and if a conviction results from the information obtained, a cash reward will be awarded to the caller. The caller will be identified by using an assigned number recorded at the West Bend Police Department. All law enforcement agencies within Washington County appreciate any information relating to any criminal activity that may have been witnessed or that anyone may have knowledge of. Cash rewards can be quite substantial if a major crime is cleared and convictions are obtained.

# Marge Krahn Honored By Farmington Elementary

May 27, 1992, was Mrs. Krahn Day at Farmington Elementary School. This day was a celebration for Mrs. Margie Krahn because this will be the last year of her 25 years of cooking at Farmington and Beechwood Schools. To celebrate her retirement the school was decorated and she received fifteen dozen carnations from students! Three large cakes were also presented so at lunch time everyone received a piece of cake. I'm sure she and her cooking will be missed by everyone. I hope you can come back to visit, Mrs. Krahn!

## KFD Fire and Rescue Squad Calls

Wednesday, June 3, 2:39 p.m. - The Kewaskum Rescue Squad responded to a call to Kemps in Kewaskum when a male worker got his hand caught in a machine amputating two fingers on his left hand. He was transported to St. Joseph's Hospital in West Bend.

Thursday, June 4, 3:21 p.m. - The rescue squad was called to Parkview Drive in Kewaskum when a female patient suffered from shortness of breath. She was transported to St. Joseph's Hospital in West Bend.

Thursday, June 4, 8:41 p.m. - The rescue was summoned to the intersection of Roseland Drive and Clinton Street following an automobile collision. One male patient suffered pain in his neck and an abrasion to the forehead. A female patient suffered pain in her head. Both were transported to St. Joseph's Hospital in West Bend.

Friday, June 5, 10:56 a.m. - The rescue squad responded to a call to a residence on Pleasantwood Drive in Kewaskum when a female patient passed out and fell to the floor. When found she was pale and confused and was therefore transported to St. Joseph's Hospital in West Bend.

Saturday, June 6, 12:07 p.m. - The rescue squad was called to Hwys. 144 and H following another auto crash. A female patient, suffering from neck pain, was transported to St. Joseph's Hospital in West Bend.

Liver will be more tender if you soak it for two to three hours in milk or tomato juice before broiling or frying.

## Seven Area High Schools Experiment with New Educational Concept

The Moraine Park Vocational, Technical and Adult Education District Board approved dual credit agreements to offer AC and DC Circuits in partnership with seven area high schools during the 1992-93 school year, at their April 16, 1992 Board meeting. Approval of this partnership has set the stage for seven area high schools to become involved in a new educational concept - Interactive Video Disc Instruction.

Interactive Video Disc Instruction will allow high school students to take technical college courses without leaving the high school setting. The entire instructional presentation is controlled by the program contained on the computer disk and provides the student the opportunity to gain immediate feedback when learning new concepts. Many of the complicated schematic diagrams necessary to understand the theory of AC and DC Electronics can be instantaneously repeated and retained by a student, saving enormous amounts of time when compared to the hand-drawn diagrams placed on a chalkboard or overhead transparency. Student performance records can also be stored on the disk and maintained by the computer.

The seven area high schools who received the systems are Beaver Dam, Hartford, Hustisford, Kewaskum, Laconia, Ripon and West Bend. Ripon and Beaver Dam High Schools are currently serving as the pilot schools for the interactive electronics system. All of the high schools will use the system through the 1992-93 school year and must decide, by June 30, 1993, if they wish to purchase the

system or give it up to another high school.

Any K-12 school district within the Moraine Park VTAE District can request to serve as a demonstration site for one of the ten video disc systems. The criteria for placement were:

- Systems will be placed in Tech Prep partnership high schools, without charge, for a demonstration period from February 1992-June 30, 1992.

- High schools must agree to use the system to provide dual credit instruction in AC/DC Electronics, building bridges to Moraine Park's trade and technical programs.

- High schools must agree to enroll students in self paced or class-sized instruction in fall 1992.

- High schools must assign a qualified instructor to teach the course in cooperation with a Moraine Park peer or co-teacher.

- High schools must support their instructors' participation in in-service on the system.

- High schools must agree to make the system available for use by others in the school district, if time permits, in order to maximize

use for math instruction.

- High schools must agree to cooperate in evaluating system effectiveness.

Funding for the Interactive Video Disc Instruction project comes from a \$142,000 Wisconsin VTAE Foundation grant which Moraine Park recently received. The grant was used to fund the acquisition of 10 Interactive Video Disc Electronics Instructional Systems for placement in Tech Prep partnership high schools.

According to Judy Neill, administrator of instructional development at Moraine Park, Moraine Park is the first Tech Prep partnership in the state to offer this type of program. "This program is part of the Tech Prep concept which helps prepare high school students for technical careers," Neill stated. "Students who successfully complete the two courses will earn six technical college credits which can be applied to Moraine Park's electro-mechanical technician and electronics - computer programs," she said. "They can also be applied as electives to other programs."

## James and Nancy Degnitz to Host Breakfast on the Farm

The Degnitz family, this year's hosts of Breakfast on the Farm (L to r) James, Nancy, Andy (A.J.) and Richard.

By Sharon Callaway Roznik

The Washington County Dairy Promotion Committee invites everyone to their 5th annual "Breakfast on the Farm", which will be held at Pond Dell Farms this year, home of the James and Nancy Degnitz family.

Join them for an all-you-can-eat pancake breakfast on Saturday, June 13, from 6:30 a.m. to 11:30 a.m., at 8640 Fillmore Rd., Fillmore (Fredonia) with all the fixings, for just \$3.00 (children under five eat free).

The Degnitz farm has been in the family for 140 years, and includes approximately 400 acres, 68 milk cows, 150 youngsters, and the ever increasing need to expand. Come winter, new buildings will be needed to house the young stock. "Too many, we ain't got room for!" exclaims James when asked about his herd size. Some cash crops of corn and soy beans are also raised.

The Degnitz's children, Andy and Jenny, have always been active in FFA. Andy farms approximately 70 acres, and hopes to someday take over the family

farm. Jenny is training to be a Veterinarian Technician, attending school in Madison and working with a local vet. This year she is serving as Miss Farm Bureau.

The couple have worked at the four previous "Breakfast on the Farm" promotions. Jim is chairman of the Farm Bureau, and Assistant Chief of the Fillmore Fire Dept. Along with being active on the farm, Nancy runs a beauty shop out of her home.

One of the highlights of the day, their Swiss "son" (who stayed with them in 1986 through the "youth for understanding" program) is coming back to join them for this special day. "He's been back every year since his stay with us," beams Nancy proudly.

"Grandpa" Richard (Degnitz) is also there daily, fixing machinery, pultering and tinkering to make things work just right. The family also owns the Goldammer Farm across the street, and it's apparent the family is very proud of their farm, and of hosting the breakfast.

"Were expecting about 5,000 people," says James. "The nice

thing about this breakfast is I have to clean everything up, including the big barns!", he chuckles.

Some of the highlights of the day include: Live music from WTKM-Hartford and WBKV-West Bend, Alice in Dairyland Finalist Barb Bentley, county Fairest of the Fair Diana Buckmann, barn tours, six tents, live music, sample shack, petting zoo, hayrides, dancing, door prizes and much more.

Breakfast will be served rain or shine, and includes farm fresh items such as sweet cream butter, syrup, sausage, cottage cheese, white and chocolate milk, applesauce, assorted cheeses, and ice cream topped with strawberries, along with all the pancakes you can hold!

Tickets are available at the farm the day of the breakfast, or from any dairy promotion member, or by calling 334-0114.

Join James and Nancy for some down home cooking, enjoy some old-fashioned hospitality, bring the family and have fun helping Wisconsin promote its dairy industry.

The Dairy Farmers of Wisconsin will team up with nearly 20,000 Wisconsin athletes as an official title sponsor of Badger State Games, the popular statewide athletic event that begins with regional competition June 12.

Milk has been designed the official beverage of the Badger State Games. "This wholesome, nutritious beverage is a natural part of an active, healthy lifestyle - the kind of lifestyle these participants enjoy," said Dave Bavlnka, director of marketing for fluid and related products for the Wisconsin Milk Marketing Board.

Pictured at the recent Torch Run Kickoff in Sun Prairie for the 1992 Badger State Summer Games (left to right): Dave Bavlnka; Roberto Alvarez, a Wisconsin Olympian who led the first leg of the torch run; and Otto Breitenbach, executive director of the Badger State Games.

The Badger State Games regional competition will run June 12-14 in eight Wisconsin communities, including: Eau Claire, Merrill, Sparta, Manitowoc, Sun Prairie, West Bend, Whitewater and Brown Deer. Finals will be in Madison June 26-28.

## Milestones of Dairy Industry In the United States - 1611 to 1886

The dairy industry has come a long way since the introduction of dairy animals by the early settlers of the country.

The following milestones give the history of the advancement of the dairy industry in the United States. The information was taken from the publication "Dairy Facts" published by the Wisconsin Department of Agriculture, Trade and Consumer Protection.

1611 - Cows arrive for Jamestown Colony.

## IN MEMORY

In loving memory of LLOYD JUNK.

A heart of gold stopped beating One year ago today (June 9, 1991).

Two shining eyes at rest: God broke our hearts to prove to us

That he alone knows best. And sad has been the way; 'Tis' a lonesome home without you,

And sad has been the way; For life and home are not the same

Since you were called away. In life we loved you dearly, In death we love you still.

In our hearts you hold a place NO ONE can ever fill. It broke our hearts to see you go But you did not go alone.

For part of us went with you. That day God called you home.

Sadly missed by his wife, children, parents, brothers, sister, family and friends.

# Scholarships Awarded at UWWC's Honors Convocation

A record \$53,500 was awarded to 40 students from 11 communities at the University of Wisconsin Center - Washington County's May 15th Honors Convocation.

UWWC faculty presented department awards for achievements in specific academic areas. Presenters from the community awarded returning and transferring students with scholarships that increased more than 11 percent over scholarships awarded in 1991.

Several new scholarships were awarded. The Phyllis Rayome Memorial Scholarship, the Madalyn Rodney Memorial Scholarship and Musical Masquers, Inc. gave new awards.

The Phyllis Rayome Memorial Scholarship is the largest scholarship given throughout the 13 University of Wisconsin Centers. Michelle Wienen of Port Washington won the \$6,000 (\$3,000 per year) renewable scholarship. Wienen, a wife and mother, will finish her bachelor's degree at Cardinal Stritch College.

The Phyllis Rayome Memorial Scholarship was presented by Walter Malzahn in memory of his late wife. Mrs. Malzahn had been a kindergarten teacher in West Bend. Malzahn, a retired vice president of the West Bend Company and the West Bend Mutual Insurance Co., is especially interested in preparing teachers to detect learning disabilities at an early age. "I'd like to see more teachers give students with special disabilities some early attention," said Malzahn.

The Madalyn Rodney Memorial Scholarship was presented by Joel Rodney, Dean of UWWC in memory of his late wife. Commented Rodney, "Music provided a way for Madalyn to overcome her disabilities and to lead an extremely rewarding life as a teacher and performer." Tania Fiedel of Kewaskum received the \$350 award. She will be continuing her education at UW-Madison.

The Musical Masquers award was presented by John Kannenberg, Treasurer of Musical Masquers and owner of Sprint Sportswear in West Bend. "Our relationship with the University over the years has been very cooperative," explained Kannenberg. The group gives scholarships at both West Bend high schools. The UWWC scholarship "seemed like a natural thing for us," he added. Jennifer Rabideaux of West Bend received the \$1,000 scholarship.

Two special awards were given at the honors convocation. The Distinguished Service Award went to Nancy Van Vooren, president of the University Council. Rodney, in presenting the award, said, "Nancy's willingness to put in long hours and to always go that extra mile in the service of the University typifies the spirit of the Volunteer Council and Foundation, without whose efforts we would be a poorer place indeed." It was only the seventh time the award had been presented.

The Rolfs Foundation Teaching Award set up to honor excellence in teaching was given to Thomas Brigham, Associate Professor of Physical Education/Athletics. Brigham, the coach at UWWC, is one of the founding faculty of the campus.

Local recipients of awards and scholarships are listed below with their home community, the award they received and the presenter

## Third Graders Meet Pen Pals

Third graders of Holy Trinity School, Kewaskum and St. Mary's School, Mayville.

On May 27th the third graders from St. Mary's School of Mayville and the third graders of Holy Trinity School, Kewaskum met their pen pals for the first time.

The custom is to start writing each other in January. Usually these letters are taken to Mayville by the Holy Trinity Teacher, Mrs. Gremminger. In spring plans are made to meet.

A special 9 a.m. Liturgy was

held with both groups of pen-pals participating and doing the liturgy.

After the Liturgy they visited the West Bend Gallery of Fine Art and roller skating at Skate Country.

It was not easy to say good-bye at 2:00 but a promise of another letter or a visit to each others' home made it easier.

The teachers in charge were Mrs. Gremminger of Holy Trinity and Mrs. Goetz of St. Mary's.

## Summer Quest Registration

Registration for the summer reading program, "Summer Quest," to be held at the Kewaskum Public Library, began June 1. Shown above is five-year-old Amy Tritt and library staff member, Kitty Hlavaty. Amy Tritt was the first child to register for this year's summer reading program, not only did she have her picture taken, but she also received a free "Summer Quest 1992" button. Registration continues until June 19.

## Citizens/Weis Stock Sold

Naomi R. Engeleiter, President of Citizens Financial Service Corporation, announced today that the corporation will be selling its stock in Citizens/Weis Corporation to Ronald Weis. Mr. Weis is currently a stockholder in Citizens/Weis and serves as the corporation's President. Weis will become the sole owner of the local land development, surveying and consulting firm which is located at 262 S. Main Street, West Bend.

Weis and Engeleiter indicated that the stock sale/purchase would allow each company greater flexibility in pursuing their separate development goals. While no purchase price was released, Engeleiter indicated that Citizens Financial Service Corporation, a wholly owned subsidiary of West Bend Savings Bank, would be receiving most of the company's real estate holdings located in the City of West Bend while Mr. Weis would receive the company's Village of Jackson holdings along with various miscellaneous assets.

## St. Norbert Career Counselor Has Job Hunting Tips for Graduates Facing a Tight Market

DE PERE: A lead story in the May 12th edition of "The New York Times" reports the dismal job prospects facing this year's graduates and notes there are fewer opportunities available in today's economy for students about to enter the work force.

According to Linda Clay, associate dean of Career Services at St. Norbert College, graduates who prepare themselves, are professional and willing to persevere, will find good jobs despite the discouraging reality of today's economy.

"Nothing can take the place of good preparation," says Clay. For Clay, who's background includes 15 years experience as a career counselor, that means researching the field, investigating the needs and company cultures of prospective employers, and carefully assessing one's own strengths and weaknesses before applying.

But, Clay notes, the time just before an interview can make or break a prospect's chances for landing the job, especially for the neophyte seeking his or her first full-time position.

Clay offers ten tips she's found to be helpful:

1. Review - or make - your list of your real strengths. List also what you think might be barriers to getting the job. Have a friend, one with a positive attitude, pretend to interview you. Practice answering questions, especially the ones you dread most, and learn how to present yourself as self-confident and honest, but never arrogant or unsure.

2. Spend time with friends who are up-beat, people who will make you feel good about what you have to offer.

3. Be cautious about how you interact with parents. They want you to do well, but they worry about the economy and fear you won't get a job. Without meaning to, they may transfer their worry to you, adding pressure you don't need right now. (Parent: show interest; be encouraging.)

4. Do things that make you feel good. If reading, listening to music, walking in the woods, or hitting a golf ball is relaxing, work it into your schedule before the interview. Avoid movies with a "heavy" message. Physical exercise relieves stress, but now is not the time for a racquetball game with someone who consistently outplays you.

5. Use mental imaging to block negative thoughts. Visualize the word "Cancel!" and superimpose it over negative thoughts. Think of things you do well or of activities you really enjoy.

6. For the interview, select clothes that make you feel comfortable and confident. Have you visited the company before? Do you remember what people were wearing? Dress accordingly. Otherwise, dress professionally; rely on good taste and neatness. If you buy a new suit or outfit, don't spend more than you can af-

ford. Clothes that are obviously very expensive may turn off an interviewer.

7. Watch what you eat and drink. Coffee and caffeine may make you seem overly nervous. Avoid alcohol; avoid foods that don't agree with you.

8. If you have a cold and are taking medication that dulls your senses, call the interviewer, explain the situation, and ask to postpone the interview. If you come in with a bad cold, the interviewer may be right to question your judgement.

9. Be honest with the interviewer; don't tell the person what you think he or she wants to hear. You may get the job and not be able to do it, or you might find yourself in a job you hate. Finding the right job, like choosing a college, depends on a good match between you and the organization.

10. TRUST YOURSELF. You've prepared for the interview; you're professional; you've worked hard to get in the door. When you step in and shake the interviewer's hand, think how far you've come to get here. That knowledge will give you the right

frame of mind for a job-winning interview.

Clay encourages students to begin career preparation early. "Don't wait until you're a junior or senior before you start thinking about what you will do with your major after you graduate," she emphasizes. A variety of programs, counseling, and workshops help undergraduates at St. Norbert define skills and interests that lead to a career choice and major field of study. Programs and workshops for seniors focus on the "how-to's" of the job search process.

## Grand Slam Helps Indians Blast Campbellsport

By Statesman Sports Writer

CAMPBELLSPORT — If the first couple of games are any indication, look for a bunch of runs to be scored by the Kewaskum baseball team this season.

The Indians rapped out 14 hits, including a grand slam by Todd Muckerheide, as they whalopped their perennial rival Campbellsport, 20-2.

"We hit the heck out of the ball," Indians coach Tom Bartelt said of the outing, which helped improve the Indians' record to 2-1 on the young season.

Seniors Chad Cook and Shawn Schneider once again combined for a fine effort. Cook pitched the first four innings, giving up one hit while striking out five. Schneider went the final three frames, not allowing a single hit, while striking our four Cougar batters and walking two.

"They're pitching pretty good so far," Bartelt said of the duo, who have been regulars on the varsity for three years now. Schneider helped himself out at the plate as well, hitting a bases-loaded triple in the seventh, one of two hits for him on the day.

After the Indians jumped out 3-0 in the first, junior Brad Weinreich tripled in two more runs in the second, when the Indians added a total of four more runs.

Muckerheide made it 11-0 with his blast with two outs in the third, and the rout was on. Randy Schlice continued his hot hitting, as he led the Indians with three hits, including a double, while Scott Donath added two hits, and Jason Krahn and Doug Buechle each chipped in three RBI's.

## Letter to the Editor:

YMCA Tot Time recently completed a successful year serving 3, 4 and 5 year olds in the Kewaskum area. Tot Time is grateful to various individuals and organizations who donated time and services to the program.

We thank Dr. Stephen Van Ess for helping with our health unit, Mr. and Mrs. Leon Schultz for providing pony rides and Gretchen Smith for her special classroom assistance.

We appreciate visits allowed by the Kewaskum Library with Mrs. Bledsoe, the Kewaskum Police Department with Officer Tom Bauer, the Kewaskum Fire Department, Sparks' Apple Orchard, Kraus Pumpkin Farm, West Bend Children's Theatre and Kettle Moraine YMCA.

Parents are a special part of the Tot Time Program, participating on a regular basis. The staff extends a big "Thank You" to the parents of all Tot Timers for their cheerful classroom assistance and their interesting and nutritional snacks.

## 25 Years Ago

June 9, 1967

Graduates of the Junior College and High School departments at DeSales Preparatory Seminary, Milwaukee, received their diplomas, Sunday, June 4. Diplomas were presented by Archbishop William E. Cousins at exercises in Bellarmine Hall. Among those who received diplomas were two Kewaskum boys: Junior College - William Key, III; High School - Thomas Stoffel.

Kewaskum firemen had a very short run with their equipment at 12:55 p.m. Friday when they were called to the Lee Fellenz home on First Street, located next door to the fire station. The fire started around electric wiring in a small crawl space attic between the ceiling and roof over the kitchen. The blaze was discovered by a neighbor, Mrs. Jackie Heinbigner, who turned in the alarm.

The Kewaskum Village Beach will open for swimming on June 19. Two lifeguards will be on duty. Red Cross swimming lessons will be given from 9:00 to 12:00, Monday through Friday.

Birth - Mr. and Mrs. Loran Backhaus, Jr., R.2, Kewaskum announce the adoption of a 10-month old daughter, Amy Beth, on June 2.

## 50 Years Ago

June 12, 1942

Mrs. Barbara Bilgo, 78, beloved resident of this village the past 40 years, passed away at her home on Main Street Thursday evening, June 11, two days after suffering a cerebral hemorrhage. Mrs. Bilgo was visiting at the home of her sister, Mrs. Hannah Burrow, who is her neighbor, when she was stricken Tuesday afternoon. Mrs. Burrow is also recuperating from illness.

Lloyd, youngest son of Mr. and Mrs. Roman Smith of this village, suffered a fracture of his left arm last Sunday, afternoon when he fell.

Mrs. Harold Westphal of R.2, Kewaskum, sustained a fractured kneecap in a fall from a horse the latter part of last week. She is receiving care at St. Joseph's Community Hospital, West Bend.

Saturday, June 13, has been designated as General Douglas MacArthur day. Sunday, June 14 is Flag Day. These days will be celebrated throughout the nation. Every citizen should observe them and especially display the flag.

Births - A daughter to Mr. and

Mrs. Delbert Babcock of South Milwaukee, Tuesday, June 2. Mrs. Babcock is the former Constance Dworschack of New Fane. The editor and Mrs. William Harbeck are the parents of a daughter born Saturday, June 6. A daughter was born to Mr and Mrs. Math. Rinzel, West Bend, Wednesday, June 3.

## 75 Years Ago

June 9, 1917

Clarence Hill of Fox du Lac and Miss Goldie Romaine of New Prospect, were married Saturday morning at the home of the bride. The Rev. Walter Hall performed the ceremony. Mr. and Mrs. L.W. Romaine attended the couple.

The marriage of John Petersick of St. Kilian and Miss Emma Ullrich of Campbellsport was performed by Rev. B. July at St. Matthew's Catholic Church, Campbellsport. They were attended by Frank Petersick, brother of the groom and Miss Mayme Ullrich.

Rev. Ira Ellis, pastor of the Episcopal Church, Campbellsport, was on his way to his old home in Illinois for a vacation when his motor car leaped the gap at the Reed-West Water Street bridge at Milwaukee and turned a complete somersault and buried him and his wife under the upturned vehicle. Both had marvelous escapes. The presence of the bridegroom of the south leaf, saved the auto and its party from going into the river. Gilbert Ellis, the twelve year old son, was thrown out of the car as it made the dive through the air and after making a complete circle landed on his feet. Mr. and Mrs. Ellis were pulled from under the car and taken to the emergency hospital with minor injuries. The tolling of the bridge bell had no significance to Mr Ellis, who

was driving. He was plowing right along south just as he did on the country roads. The bell had sounded for a tug.

On Wednesday afternoon at the home of his son August, Mr. August Stange, Sr., was agreeably surprised by a large number of relatives and friends, the occasion being his eightieth birthday anniversary. All the children were present.

A girl was born to Mr. and Mrs. Paul Krahn on Monday. Congratulations.

Lightning played queer pranks in the residence of Kilian Honeck in the Town of Barton last Saturday about noon. The bolt entered the roof near the chimney and did considerable damage as it plowed its way through the building. The blaze was quenched while still incipient and the loss to the owner was consequently nominal.

## Junior Achievement Held at Holy Trinity

Pictured above are, front row, left to right - Helen Klahn, Karla Martin, Heather Amerling, Laura Fleischman, Maureen Leitheiser, Jill Weiss. Second row: Amy Austin (JA Representative), Charleen Barutha (West Bend Savings Bank), Samantha Benter, Jenny Thull, Jenny Strobel, Matt Leiven, Kevin Dobke. Third row: Carrie Stoffel, Troy Zehren, Jim Westerman, Joe Rettler, Brian Butschlick, Mrs Goham.

Junior Achievement and Holy Trinity School worked together in Mrs. Patricia Goham's 8th grade class, beginning March 4, in the Project Business Program.

Junior Achievement provides area students with the opportunity to learn about business and economics from a professional, the Project Business Consultant.

This program is a partnership between area businesses and local schools. Together, the teacher, students and consultant explore business and economics topics through hands-on activities.

The Consultant for Holy Trinity was Charleen Barutha of West Bend Savings Bank, S.A. Comments from her included... "very nice class... lots of fun... very cooperative and much creative thinking among students. The time taken from my busy schedule at the bank was very worthwhile and enjoyable.

Thanks to Mrs. Goham and all the students for making a

volunteer project so rewarding. Also, congratulations to Carrie Stoffel for entering the Essay Contest and winning third prize, a check for \$50.

Comments from Mrs. Goham and the students included:

Karla M. - "We learned practical things like how to write out a check and keep a balance in a checkbook."

Laura F. - "A hands-on learning experience - like how to manage a business and the supplies that are necessary... a good idea of what running a business would be like."

Heather A. - "We played out how to make smart buys and manage money."

Troy - "Our instructor always looked great and was always nice to us."

Jenny Straub - "Ms. B. was a good teacher and nice to us."

General Statements were: "Most fun learning we had in a long time!" "Most productive class all year!"

## Minutes of Village Board Meeting

Regular Meeting  
June 1, 1992  
8:00 P.M.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the Regular and Special May 18, 1992 meetings were approved as printed.

A public hearing was conducted on the applications for seven (7) Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to any of the applications as publicly noticed and read. It was noted that the license for Karen Eckl was expanded to sell Intoxicating Liquor. The Police Department had no objections to any of the applicants at this time. On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 0 "Absent," 1 "Vacancy."

A public hearing was conducted on the applications for two (2) Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to any of the applications as publicly noticed and read. The Police Department had no objection to either application at this time. On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 0 "Absent," 1 "Vacancy."

Discussion regarding the possibility of Mr. Heberer constructing a fence to the rear of the fire house was discussed.

Chief of Police, Richard L. Knoebel

informed the Board that the New Fane Sportsmen donated \$300 to the D.A.R.E. program. The Kewaskum Valley Bank again has donated the Baseball cards for the 1992 card distribution program and the Police Department and Jr. Women's Club will be working together on the upcoming bicycle safety class.

On a motion by Trustee Harry Roecker, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the applications for Operator's Licenses and authorized the office to issue said licenses upon proper payment and criteria.

List of applicants: Joan M. Bickelhaupt, 1310 Riverview Drive, Kewaskum; Kenneth J. Bonlender, 1014 Edgewood Drive, Kewaskum; Glen F. Dorn, 1253 Fond du Lac Ave., Kewaskum; Larry M. Strobel, 1417 Fond du Lac Ave., Kewaskum; Holly Kay Swanson, N302 Hwy. I, Random Lake; Linda M. Thorn, 1746 Fond du Lac Ave., Kewaskum.

Note: The Police Department had no objections to any of the applications.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the Fireworks Permit Policy and authorized the Village President to sign it.

Director of Public Works, Jerry Gilles reviewed his biweekly report with the Board as follows:

1. The pump house No. 2 work progress. (electric, roofing, piping and telephone)

2. Edgewood Road progress.

3. Park and pool area update.

Trustee Gary Gavin asked if something could be done to provide for residents only a place to dispose of larger items and small amounts of

construction debris. It was suggested that a larger mobile container be placed at the recycling center to allow for such material. On a motion by trustee Gary Gavin, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board directed that a policy regarding the disposal of such material be prepared and that the possibility of some sort of charge be assessed to those dumping.

Administrator Daniel S. Schmidt reviewed a few correspondence with the board as follows:

1. Wisconsin Gas placing remote/computer reads on all gas meters within the Village.

2. Washington County again reviewing the need to update the electric equipment.

3. Discussion on the need to address some computer concerns regarding an update of the equipment this year and next.

On a motion by Trustee Robert Beisbier, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

## JV Baseball Team Defeat Tigers 9-4

The Kewaskum JV Baseball team improved its record to 3-0 this past Monday as they traveled to Chilton and defeated the Tigers 9-4.

Chilton took a 2-0 in the first inning as they touched Indian starting pitcher Dan Dorn for three hits. Kewaskum was able to avert further trouble as Dorn struck out Jason Schwarz for the second out, and Chad Muckerheide threw out a runner who was attempting to steal third base.

Chilton added another run in the second inning when Jason Karl tripled in Tim Grube who had singled earlier in the inning.

Cory Rammer singled to lead off the Kewaskum fourth inning, and continued all the way to third base when the center fielder overran the ball. After Dan Survis struck out, Rammer scored on a wild pitch with Jason Gaffke at bat for the Indians. Gaffke eventually walked and went to second base when Rob Donath grounded out. Muckerheide's double scored Gaffke to make the score 3-2.

Chilton scored an unearned run in their half of the fourth inning to push the lead to 4-2. Dorn retired the first two batters in order, but the next three batters reached on a walk, a single, and a fielding error. Mark Stephani tracked down a fly ball in right-centerfield to end the inning.

After a scoreless fifth inning, Kewaskum sent eleven batters to the plate in the sixth inning as they picked up six runs on four hits and two Chilton errors. Gaffke walked and went to third base when Donath reached on an error. A wild pitch allowed Gaffke to score and moved Donath to third. After Muckerheide grounded out to the pitcher, pinch-hitter Justin Hanson's single scored Donath. Stephani re-entered the game to run for Hanson and promptly stole second base. Steve May's single plated Stephani to give the Indians a 5-4 lead. May advanced to second base when Dorn reached on an error by the shortstop. After Brad Schekirke popped out, consecutive singles by Rammer and Survis scored May and Dorn. Rammer scored the final run of the inning on a passed ball.

Kewaskum added an insurance run in the seventh inning. Muckerheide singled and was replaced by courtesy-runner Jaimie Brown. Brown stole second and third, and scored on a single by Rammer.

Dorn picked up his second win of the year as he worked a complete game. He struck out six and walked four. After giving up five hits in the first two innings, he allowed only one hit over the remaining five innings. Of the four runs against him, three were earned.

Cory Rammer and Chad Muckerheide were the leading hitters for Kewaskum. Rammer was four for five with two RBIs and Muckerheide was two for four with one RBI. As a team the Indians stole nine bases led by Jamie Brown with three.

The French originated tennis during the 1100s or 1200s. They called it *Jeu de paume* meaning game of the palm—at that time, the players batted the ball back and forth over a net with the palm of their hand.

## JV Baseball Team Defeats Fredonia

The Kewaskum JV Baseball Team defeated Fredonia 14-10 this past Wednesday night. The game was rather sloppily played as the two teams combined for thirteen errors and twenty-one walks.

Fredonia took the lead in the first inning as they scored a run on two hits off Indian starter Jason Gaffke.

Kewaskum scored three runs in the bottom of the first when Brad Schekirke's fly ball was dropped by the right fielder with two outs and bases loaded.

Kewaskum added an unearned run in the second inning when Mark Strobel singled in Jason Gaffke.

Seven runners crossed the plate in an action filled third inning. Fredonia tallied once on a double by Mark Dybol and an RBI

single by Jeff Peterson.

Kewaskum answered with six runs, all of which scored after two were out. Highlights for the Indians included a single by Jamie Brown, 2 RBI double by Gaffke an RBI triple by Chad Muckerheide, and a 2 RBI single by Schekirke. Kewaskum led 10-2 after three innings.

Fredonia got four runs back in the top of the fourth inning as they banged out three hits and took advantage of two Indian errors.

Kewaskum added two runs in the bottom of the fourth. Kevin Klahn reached on an error with one out. Cory Rammer followed with a slow roller which was fielded by the third baseman who in his haste to retire Rammer, threw wildly over the first baseman's head which allowed Klahn to score all the way from first. Meanwhile, the first baseman retrieved the ball and then quickly trying to once again retire Rammer who by this time was heading toward third

base. The throw skidded past the third baseman which enabled Rammer to score.

Neither team scored in the fifth inning, but Kewaskum pushed two more runs across in the sixth inning. Shane Engelking scored when Gaffke walked with the bases loaded, and Rob Donath scored when Muckerheide reached on a fielders choice.

Fredonia rallied for four runs in the seventh inning. Gaffke walked the first two batters in the inning and then struck out the next batter. Kewaskum then suffered a defensive lapse as three consecutive ground balls were misplayed which resulted in four Fredonia runs. The second out of the inning came when Muckerheide threw to Gaffke to retire a runner at the plate who attempted to score from third on a

wild pitch. Gaffke fanned Fredonia's final batter to secure the victory.

Gaffke picked up his second victory of the season as he worked the complete game. He gave up nine hits, walked eleven, and struck out seven. Six of the ten runs scored by Fredonia were earned. Gaffke was the Indians leading offensive performer as well. He was 3 for 4 in 3 RBI.

**T's II Still Unbeaten**

KEWASKUM - T's Lounge II remained the lone unbeaten team in Tuesday night men's softball league action at the Kewaskum Kiwanis Community Park.

T's II buried their cross-bar rivals T's Lounge I, using five runs in the first and third innings to pull away for a 13-7 win. Rick Weiterman homered for T's II, while Kevin Gutjar had a dinger for T's I.

In other games Tuesday, Campbellsport Building Supply moved to 3-1 in league with a 15-12 win over Neuville Chevrolet, while C.C. Cody's upped their mark also to 3-1 with a 12-2 win over Amerahn's. In the lone other game, Hometown beat Schluffy's 8-4.

In Monday night women's league play, T's Lounge fell for the first time, as they were bombed 22-9 by Kohlsville Auto Body. Kohlsville had the doubleheader game as well, but lost to Shefond, 6-3 in the eight innings. In the other contest Monday, Riverview Tap edged Kewaskum Frozen Foods, 7-5.

In the Thursday night men's league, C.C. Cody's scored three times in the bottom of the seventh

to pull out a 6-5 win over Emun Mill Gamelfarm. L and R Trophy, meanwhile, blasted McKee Buildings 23-1, while T's Lounge beat On-R-Own 13-1 in five innings.

## Indians Split DH With Suns

By Statesman Sports Writer

KEWASKUM — Kewaskum baseball coach Tom Bartelt didn't want to overwork his two ace pitchers in his team's doubleheader with West Bend East last week.

So instead of pitching Shawn Schneider and Chad Cook in both games, Bartelt used the duo only in game one, and the result was a split for the host Indians.

Cook and Schneider teamed up to two-hit the Suns in the opener for a 7-6 win, but four Indian pitchers couldn't shut down East in the second game of the double dip, as the Suns rolled 17-8.

"They pitched pretty good," Bartelt said of Schneider and Cook. Schneider started and gave up the two hits in four innings, while Cook came on, and gave up four walks in the seventh, thus making the game a nailbiter.

After the Indians staked claim to a 4-0 advantage, the Suns chipped away at the lead, getting one in the third and two in the fourth to make it 4-3.

But the Indians put the game away, or so it seemed with three in the bottom half of the fifth. Schneider added a pair of hits to his performance, as did Randy Schlice, who also smacked a homer to aid the Indians.

"Lack of pitching," was the difference in the second game, according to Bartelt. "The pitchers were falling behind 2-0 and 3-1 all

night."

The Suns took advantage of that weakness, rapping out 14 hits in the win. The Indians also hit well, collecting 11 base hits, but four errors by the hosts proved costly.

Todd Muckerheide started on the mound for the Indians, but he got shelled early on, as East scored three in the second, two in the third, and then erupted for nine in the third inning. In addition to Muckerheide, Doug Buechle, Jason Steier and Matt Schlosser

also saw action on the mound. "We didn't have much of a chance defensively," Bartelt said, referring to the pitchers falling behind. "We had nine walks in the game."

Kewaskum put up four runs in both the second and sixth innings, but it was nowhere near enough to overcome the Suns' barrage. Brad Weinreich, Jason Krahn and Pat McFadden each collected a pair of hits each for the Indians.

## NOTICE OF AVAILABILITY OF THE ENVIRONMENTAL ASSESSMENT, AND OPPORTUNITY TO REQUEST A PUBLIC HEARING FOR THE PROPOSED IMPROVEMENT OF REST AREA NO. 63, ON U.S.H. 41, SOUTHBOUND, NEAR LOMIRA, DODGE COUNTY

ALL INTERESTED PERSONS are notified of the availability of an Environmental Assessment of the impacts and effects of the proposed reconstruction of the ingress and egress ramps, and the parking areas, of Rest Area 63, located on U.S.H. 41, southbound, near Lomira, Dodge County. This Environmental Assessment has been prepared and filed according to the State and National Environmental Policy Acts. This document indicates that no significant environmental impacts are anticipated to occur as a result of this improvement. The Environmental Assessment is available for inspection and copying at the following location:

Wisconsin Dept. of Transportation  
Central Office Design  
Hill Farms State Office Building, Room 651  
4802 Sheboygan Avenue  
Madison, WI 53707  
(608) 266-3030

Comments regarding the environmental impacts and effects of the proposed improvement are invited to be submitted to the Department of Transportation by July 14, 1992. Mail to Ronald Nohr, P.E., Chief Utilities and Roadside Engineer, at the address given above.

Persons with an interest in, or knowledge about, historical and archaeological resources in the project area are invited to include such information as part of any comments submitted or contact the Central Office Design.

ALL INTERESTED PERSONS are further advised of an opportunity to request a public hearing by the Wisconsin Department of Transportation to consider the general design aspects of the proposed improvement, including those aspects of the proposal that may require application to the U.S. Army Corps of Engineers for placement of fill materials into waters of the United States.

Further information concerning the proposed improvement is available at the Department's Central Office in Madison, Wisconsin at the address given above.

A public hearing may be requested by individuals to whom the proposed project is of significant concern. The hearing request should indicate the concerns and reasons why a hearing is requested. A public hearing may be held if it is determined that there is substantial public interest to warrant a hearing.

Before making a request for a public hearing, persons are encouraged to contact the Department's Central Office Chief Utilities and Roadside Engineer, Ronald Nohr, P.E. (608) 266-3030, to express their views and discuss those aspects of the proposal that are of concern. If a hearing is held, it will consider the general design aspects of the proposed improvement; the social, economic and environmental impacts and effects of the proposed improvement, including those aspects that may require permit application to the U.S. Army Corps of Engineers pursuant to Section 404 of the Federal Clean Water Act; and whether the improvement is or is not in the public interest and consistent with the goals and objectives of area planning.

A request for a public hearing may be made by submitting a written request to Ronald Nohr, P.E., Chief Utilities and Roadside Engineer, at the address given above on or before July 14, 1992. If a hearing is held, notice of the time and place of the hearing will be published in area newspapers.

It is not anticipated that the resolution of persons, businesses, farms or non-profit organizations will occur as a result of the proposed improvement.

## Chilton's Hemauer No-Hits Indians

By Statesman Sports Writer

KEWASKUM — Kewaskum's Shawn Schneider has had a pair of no-hitters over the past two years. But here, last Thursday, Schneider found out just what it was like to be on the opposing pitcher's side of a no-no.

Chilton's Chad Hemauer dazzled Indian hitters all game, keeping the Indians off step and without a hit the entire game, as the Tigers blanked Kewaskum 2-0.

Hemauer wasn't overpowering, collecting just five strikeouts to go along with his four walks, but the Indians weren't able to find the mark.

As it turned out, just one hitter in the game did find the mark. Chilton's Brian Nett collected a total of three singles, and was the only player in the contest to have a hit.

The hard-luck loser was Schneider, who struck out five and gave up just those three hits. But errors by the Indians at an inopportune time, cost Schneider the win.

It was 0-0 heading into the sixth, when the Tigers' Daryn Woefel reached on an error. After stealing second, Woefel later scored on another Indians throwing error. Another Tiger runner later scored on a sacrifice fly.

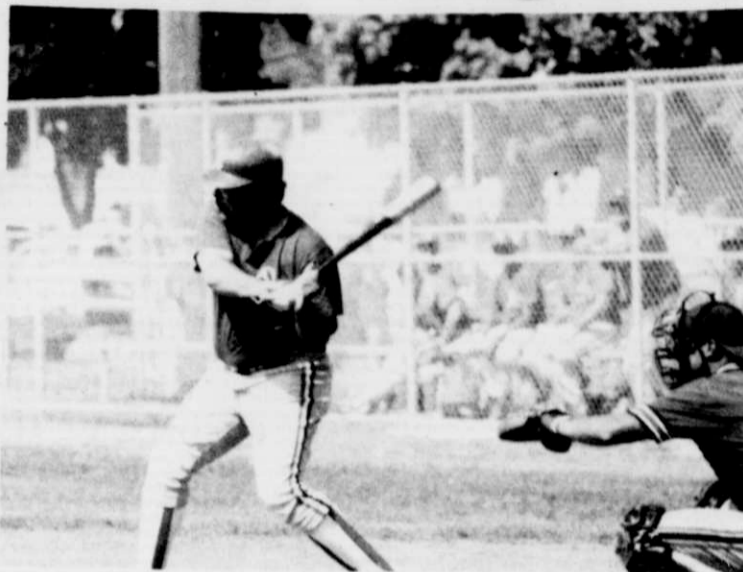

The closest the Indians came to scoring was in the third and fourth innings, when they had a runner each second base.

But in the third, courtesy runner Pat McFadden was thrown out trying to advance to third on a ball in the dirt, while in the fourth, Brad Weinreich was stranded on second, after reaching there with just one out.

The loss was the first in the Eastern Wisconsin Conference for the Indians, as they fell to 2-1 in conference, and to 5-3 overall. After an away game Tuesday at Kiel, the Indians return home Thursday to host Plymouth in a doubleheader.

# Big Seventh Inning Helps A's Turn Back Slinger

Two of the reasons the Kewaskum Athletics continue to roll up wins are the hitting of Mark Schlosser (left) and Doug Gonring (right). Schlosser went 2 x 4 with three RBI's in Kewaskum's 11-10 win over Slinger Saturday, while Gonring has slugged five homers already, and is batting near the .500 mark for the year.

By Statesman Sports Writer

**KEWASKUM** — Kewaskum Athletics baseball coach Doug Gonring had the game circled on the calendar. He really was looking forward to last Saturday's game with Slinger, seeing as the Rams were the team that eliminated the A's in post-season last year.

Gonring even scheduled the team's Sponsor Appreciation Day that Saturday afternoon, hoping to get more people out to the

game, in order to get his team even more fired up.

The A's made sure that the dinner afterward wasn't a solemn occasion, as the hosts put eight runs across the plate in the seventh inning to come back from a 10-2 deficit and beat Slinger 11-10.

The day didn't start out so well for the Athletics, and starting pitcher Tim Heberer. Heberer gave up a grand slam to Slinger's Dave Geldnich in the top of the first, immediately putting the hosts in a

hole.

After Kewaskum battled back with two in the bottom of the second, Slinger proceeded to push across three runs in both the fifth and sixth innings, with the help of another Geldnich homer, giving them a seemingly insurmountable cushion.

But the A's bats came alive in the seventh, with Mark Schlosser starting the scoring barrage, singling in Rick Peck (single), and moving Ric Leitheiser (walk) to second. After consecutive doubles by Dave Donath and Greg Finn, which scored Leitheiser and Schlosser, Gonring was walked to load the bases.

The next batter, Terry Koth grounded into a fielder's choice with no runs scoring, but the next hitter, Andy Hoenecke came up with a single to score Gonring and Finn, and it was 10-7.

After an out, Peck singled again, scoring Koth. Then Kevin O'Brien came up with a clutch two-out single, scoring Hoenecke and Peck, who had advanced to second, thus tying the score at 10-10.

Don Menzel came in relief in the eighth inning, getting a big strikeout of Rob Michels to end a threat by the Rams, who had a runner on second with two down. Kewaskum added the winning run in the bottom half of the inning, as Finn hit a one-out double, advanced to third on a single by Gonring, and scored on a sacrifice fly by Koth.

An error helped make things interesting in the ninth, as Slinger had another runner reach second. But Menzel toughened and got a groundout to end the circus.

The A's moved to 6-1 with the win, and now hit the road for a tournament before returning home June 21, when they host Horicon, beginning at 1:30.

## Athletics Improve to 4-1

By Statesman Sports Writer

**KEWASKUM** — The Kewaskum Athletics baseball team is keeping busy these days, scoring runs and chalking up win after win, though the last one wasn't quite that easy.

The A's needed a bases-loaded hit from Terry Koth in the bottom of the ninth to thwart a Fond du Lac comeback, as the A's pulled out an 8-7 win here, last Sunday afternoon.

The win improved the Athletics mark to 4-1, as they came off wins over Brownsville (21-1) and Waupun (12-7) earlier in the week.

"We hit the ball a ton," A's player/manager Doug Gonring said regarding the Fond du Lac contest. Gonring said that if the home run fence had been up, the A's probably would have had three or four homers, including Koth's game-winner, which "he hit way over the centerfielder's head."

It didn't appear that the A's would need some last inning heroics, as they tallied six runs in the fifth inning to go out in front 6-0.

Gonring provided the key hit, a bases-loaded single to plate a pair of runners, while Koth also chipped in an RBI single.

But Fond du Lac chipped away at the lead, and tied the game with four runs in the top of the ninth. "Timmy (Heberer) couldn't find the strike zone," Gonring said, noting that is unusual for him because he is probably the A's best control pitcher.

But not Sunday, as Heberer walked a total of three batters, helping the guests tie the game. Heberer followed Don Menzel (six innings, 5 K's, 4 BB's) and Dennis Aupperle (one winning, 1 K, 0 BB) on the hill, and was eventually credited with the win.

Three walks helped the A's out in the ninth, along with a single from Gonring, before Koth blasted

his shot to center. Gonring finished the day with three hits, while Koth and Rick Peck each added two.

This Sunday, the A's host Slinger beginning at 1:30 p.m. It will be sponsor appreciation day, and sponsors are encouraged to attend the post-game dinner. Gonring said he was pleased with the turnout for the A's first home game of the year, and hopes for even a bigger crowd Sunday against their perennial rivals.

## Indians, Amerling Barely Miss State Berth in Golf

By Statesman Sports Writer

**BROWN DEER** — The Kewaskum golf team was edged in a couple of ways in their bid to send either the team or an individual to the WIAA Division II State Meet.

The Indians as a team finished third, and their top shooter, Ryan Amerling, took sixth in the individual race in last Wednesday's Division II Sectional held here, at the Fox Hills Country Club.

The top two teams, and top five individuals qualify for this past week's state tournament at Fox Hills.

The Indians finished with a four-man total of 359, 13 shots off the pace set by defending Division II champion Brown Deer, and 11 shots behind second-place Elkhorn.

Amerling, meanwhile, was two shots off the pace needed to qualify, as the senior ended his career with a fine round of 84 (41-43). Clinton's Jeff Ferron took the medalist honors with his 74.

It was a fine showing for the Indians' senior-dominated squad, which hadn't performed up to KHS coach Joe Harlow's expectations up until the meet.

Aaron Laatsch joined Amerling in breaking the 90 mark, carding an 88, while Matt Seiser was next with a 90. Eric McElhatton was the final counter with a 97, while

Ryan Ramthun's 102 score was the one thrown out.

**WIAA DIVISION II SECTIONAL TEAM SCORES** - 1. Brown Deer 346; 2. Elkhorn 348; 3. KEWASKUM 359; 4. Shorewood 362; 5. Clinton 363; 6. Pewaukee 372; 7. New Berlin West 378; 8. Big Foot 386;

# Indian Girls Tally 11 Points at State Meet; Jackson Ties Record

By Statesman Sports Writer

LA CROSSE — According to Kewaskum girls track coach Perry Koth, it took a while for the disappointment to wear off and have the accolades roll in for several members of his squad.

That's because the handfull of Indian athletes that qualified for this year's WIAA State Track and Field Meet, here, last weekend, had expected to do better. But the KHS girls' 18th - place finish (11 points) was more than enough to please Koth.

"All the kids are winners just by getting there," Koth said regarding his thoughts on the meet. "Getting there is such an honor. I told them to just enjoy the meet, and appreciate being there."

A couple of Lady Indians did more than that, led by junior Robyn Winninghoff's third place finish in the discus. Winninghoff's toss of 111-8 wasn't her best of the season, but according to Koth, all the distances (throws) were a bit down, with the exception of the Division II winner, Durand's Ruth Conlin (132-9).

"She was very disappointed...felt that she didn't do well," Koth said of Winninghoff, who Koth will be glad to have back next year. "But I was real happy with her effort. She did very well."

Sophomore sensation Ginger Wiesner also did very well, better than any other individual in KHS history in the 400. Wiesner broke Linda Larsen's decade-old record in the event by nearly half a second, as she took fourth in the

Division II race with a 60.44 clocking.

"She broke the record in the trials, running a 60.36," Koth said of Wiesner. "That record has been around for a while, but I kind of thought that she would do it (break it). She really ran a good race."

The lone other Indian to earn a medal (top six places) was senior long jumper Kelly Korth, who nearly didn't qualify for the meet after a flap in the Sectionals by the team's bus driver gave her just a few minutes to warm up.

But Korth made the most of her fourth straight trip to the State Meet, taking the sixth spot with her leap of 16-1.75, which is nearly the exactly same distance which placed her third in the event a year ago.

"She was a little disappointed. Had she jumped two inches farther, she would have taken fourth," Koth said of his senior ace. "She has just been super. She's done great things the past four years."

Part of Korth's achievements have been helping the 800 relay advance to State for her four years. The unit was unable to break the top six this year though, finishing seventh with a time of 1:50.2.

"They made the finals, but all the times in the finals were down," Koth said, trying to figure out just why. The team, comprised of Korth, Wiesner, Tina Schwartz and Greta Kuphal were disappointed by the outcome. "Tina and Kelly were especially,"

Koth said, noting the two seniors realized they were to never team up in the event again. "After a while though, their spirits were up."

Shot Putter Tammy Schmidt was the final Indian to qualify for the huge meet. Schmidt was seeded eighth, and that's right where she finished with her throw of 32-5.

"It was her first trip to state, so I think she did pretty well," Koth said of the junior. "I think it was important for her just to get there and experience the whole thing," adding he hopes she will be ready for a return visit next year.

Koth, along with assistant coach Dave Drexler, also accompanied the lone Indian boy athlete to make the meet, pole vaulter Brad Jackson. Jackson ended up tying the school record with his jump of 12-9, which placed him seventh in the state in his Division.

"He felt a little funny, being the only boy there, but I think he handled it very well," Koth said of the sophomore's effort. "The competition was real tough in that event, and he did very well. That (12-9) is very good for him."

Trips to the state meet are getting to be old hat for Koth and the Indians, as every time an athlete like Korth or Schwartz graduates, there is always someone else there to step in.

"I'm not sure what it is," Koth said of the recent success in the sport. "But I wish they would get more recognition. With school letting out and everything, the kids

just don't seem to get (the accolades) that they deserve."

"Kelly and Tina have made it there for four years now," Koth went on to say, noting that they almost expect to make it there, and if they don't perform to their standards, they come away a little down. "I don't worry about that (placing and scoring team points) too much. They proved that they belonged there, with the best athletes in the state."

## Schneider's Gem Helps Indians Sweep Raiders

By Statesman Sports Writer

KEWASKUM — Kewaskum baseball coach Tom Bartelt saved his top two pitchers, Shawn Schneider and Chad Cook, not pitching them in last weekend's Germantown Tournament, in order to save them for last Monday's doubleheader against Two Rivers.

The two pitchers made their coach's decision look very good, as Schneider struck out 17 in the first game, a 7-1 Indians romp, while Cook had some control problems, but overcome them in the second game, helping the Indians sweep with a 14-5 victory.

Schneider was a step ahead of the young Raiders the entire game in the opener. Schneider struck out the side a pair of times, and also helped his own cause with a run-scoring triple in the sixth.

Schneider also got help from Matt Schlosser, who ended up having quite a night himself. Schlosser singled in a run in the third inning, giving the Indians a 4-0 lead, and then added another RBI later on a solo home run.

Catcher Scott Donath also had a good night at the plate, collecting a pair of hits in the opener,

while his courtesy runner, Pat McFadden, came around twice to score.

Cook had some anxious moments in the nightcap, as a Jeff Valley home run in the second gave the visitors a 2-0 lead.

But Schlosser once again came through in the clutch, smacking a two-run double to tie the game in the bottom of the frame. After the Raiders went ahead with a single run in the fourth, Schlosser once again delivered, hitting a solo homer to once again tie things.

But the Indians turned it up a notch in the fifth, plating five runs in the inning. Taking advantage of some wildness by the Raiders' pitching, the Indians added another six runs in the bottom of the sixth. In the two innings, Raider pitchers gave up six walks, and hit a pair of Indian batters. Four Two Rivers' errors in the contest didn't help matters any.

Cook finished with nine strike outs, but added eight walks to his totals. Schneider helped out his fellow pitcher with three hits in the nightcap.

The win gave Kewaskum a 2-0 mark in the Eastern Wisconsin Conference and moved them to 5-2 overall.
