Costly Train Derailment in Eden

Buried beneath the pile of freight cars is Eden's Main Street. The debris cut off the east side of the village from the west. (More photos on page 11)

By Gerry Mueller
Statesman Staff Writer

The derailment of a Fox River Valley Railroad train in Eden last week resulted in considerable damage to a local business and

the line, but miraculously, no injuries or deaths.

The accident occurred shortly after 8 p.m., Tuesday, June 23, just as the three engines of the northbound 116-car train traveled

across Main Street. According to those who heard and witnessed the accident, the train was making "a lot of noise."

James Pitzen of Eden and his carload of passengers were sitting on the west side of the crossing waiting for the train to pass. Pitzen saw a derailed freight car heading toward his auto. He managed to throw his vehicle into reverse and get out of the freight car's way. Pitzen said the car unhitched right in front of them.

On the east side of the crossing a Fort Atkinson woman, Cathy Blaine, was coming from her nephew's soccer game. She also was waiting for the train to pass through when her father William, noticed a car derail and yelled for her to throw her car in reverse. The detachment of a set of wheels from the car caused it to dig into the ground preventing it from striking the Blaine auto. While no one was injured in either vehicle, the experience left everyone shaken as a result of their close calls.

One freight car was thrown into the side of the Eden Farm Supply feed mill on the south side of the street. Another freight car tore down the front portion of the building. The company's office building on the north side of the street was also damaged.

The force of the moving train piled freight cars up on the roadway like a log jam on a river. When the dust cleared, sixteen cars had derailed and were strewn about the area. Track was torn up for several blocks and huge furrows, some several feet deep, were dug up by the derailed cars.

Friday, July 3

By Sharon Callaway Roznik

Set aside Friday night, July 3, for a fun-filled evening with family and friends, and head on down to River Hill Park for the Village of Kewaskum's annual fireworks display. Guaranteed to ignite excitement in celebration of America's independence, this year's spectacular show includes high-colored ground displays, plus a kaleidoscope of "sky works" at dusk.

The Kewaskum Fire Department will set off the show along the west bank of the Milwaukee River, so pick your best spot on the hill east of the river, and be sure to bring your appetites - lots of great food and refreshments will be available. Both the stands and the park grounds open for the celebration at 5 p.m.

To top off the evening, live music will be featured at the Beer Garden from 7:30 to midnight, so come enjoy the fantastic sounds of the popular group "Illusion."

A raindate has been scheduled for Saturday evening, July 4th.

Don't forget to mark your calen-

dars for July 10, 11 & 12, and we'll meet again at River Hill Park for the annual Kewaskum Firemen-Legion picnic, with a spectacular parade at noon on Sunday.

DOT to Resurface Section Of Hwy. 45 in Kewaskum

The Wisconsin Department of Transportation plans to resurface a section of USH 45 (Fond du Lac Avenue) in the Village of Kewaskum as part of their Six-Year Improvement Plan.

The section of Fond du Lac Avenue between CTH "H" and the north end of the existing curb and gutter in the Village is proposed to be resurfaced, and the section from the existing curb and gutter to STH 28 headed west out of the Village is proposed to be reconstructed to an urban roadway with curb and gutter. Both

roadway sections are scheduled for construction in 1995.

Mid-State Associates, Inc. has been hired by the State to design the new roadway, and will begin surveying activities in the last two weeks of June and first week of July. Alternative roadway designs and traffic handling schemes will be developed shortly thereafter.

The general public will be invited to review and comment on the preliminary plans and traffic control concepts in the summer and fall of 1992 prior to final plans being developed.

MEMORIES

When THIS GENTLEMAN, takes off his coat -he means business.

Postcards from the past depict a day of celebration for this nation...Independence Day from the era 1909. Submitted by Isabelle Muckerheide

Birthday Tribute to Isabelle

This is a little poem of tribute to my godmother, Isabelle Muckerheide. She writes so many nice verses I thought I'd write one for her birthday (July 6).

Though somewhere in the distance,
My youth has gone away,
I will never forget those special times
With Aunt Isy, I would play.
She'd take me for the summer
I clearly can recall
I looked up to my Uncle Al
Standing strong and tall.
I'd pick weeds in the garden,
She paid a penny each
She took me to farm auctions
(Auctioneers have the quickest speech)
I rode a cow named Rosie
On a farm upon a hill
And jumped the creek with Chubby
We took some splashy spills.
Now these are just memories
Of things I loved so dear
Your smile, your warmth and tenderness
Will always keep you near.

Happy Birthday, Isabelle Muckerheide

We dedicate this little poem
To one who calls Kewaskum home
We use these simple rhymes to tell
About our dear Aunt Isabelle.

In '42 while just a gal
She fell in love and married Al
Their years together were the best
'Til God bid Al eternal rest.

Her faith in God continued strong
Alone she learned to get along
We never once heard her complain
To her the sunshine follows rain.

Though she has never been a mother
There has never been another
Who nurtures nieces, nephews, friends
With thoughtfulness that never ends.

Her later years remain quite full
It's seldom that there is a lull
Garden, bowling, bingo, too
There are few things she doesn't do.

And so as summer follows spring
We'll gather for the homecoming
The second Sunday in July
On this Aunt Isy can rely.

We'll come to wish her birthday cheer
Just as we do this time each year
To us she's tops, we wish her well
We love you much, Aunt Isabelle!

Now that you're
'24' and looking
like this, we
suggest you call

Nominations Now Open for C of C 'Kiss the Pig' Contest

By LLK

OK kids, here we go! The nominations (coupon below) are now open for the "Kiss the Pig" contest being sponsored by the Kewaskum Area Chamber of Commerce. All proceeds from this event will help to fund the Chamber's Kettle Kountry Kolors festival being held this year on Saturday and Sunday, Oct. 10th and 11th in Riverhill Park.

There were a few little early birds that dropped into the Statesman office on Wednesday, to fill out a few nomination forms. I guess kissing a pig is so fascinating, people are just having a real hard time waiting to nominate. Either that or they have so many people to nominate, they're afraid they might have to take out a short-term loan to get them all in by July 31st. Hence, if we do a few every day... we can maybe skip the loan... for this round anyway.

I don't want to give away any big time trade secrets, or bridge national security, so I will only divulge the initials of the "early bird" nominations. (I always did have a problem not snitching... ask my sisters!) And the initials of the first lucky contestants are (drum roll, please)... 1. L.M., 2. T.E., 3. T.M., 4. C.T., 5. J.E.

Even if no one else figures it out... YOU KNOW WHO YOU ARE!

To find out the names of these first nominations and the thousands I expect will be turned in this week, you'll just have to pick up next week's issue. I'll list them all, for the whole world to see. Prepare yourself, Kewaskum, for there just could be someone out there that is just dying to see YOU kiss a pig!

Now please bear in mind, if you have figured out just who belongs to the above initials, one or two nominations does not guarantee that your favorite (and mine) or the above, will automatically become a contestant. Only the top 30 contestants (those receiving the MOST nominations) by July 31st, will reach the preliminary semi-finals.

So don't hesitate. Clip out the coupon on the bottom of this page, find a handy copy machine and start whipping out your list. After all, there's only 30 days left and you DO have to eat and sleep in between!

Before you put this paper down, I'll explain a few rules... very few... because we're going to run this contest pretty much wide open. Rule No. 1. Candidates may be any age, male or female. However, we do prefer the winner is human. Rule No. 2. Nominations close July 31st, with the top 30 candidates receiving the most nominations, then being declared the winners. (I don't want to influence anyone, but I'm probably the last person who will see those nominations and I plan on having one of my very own, brand new, fifty dollar bills handy in my purse, ever-ready to cast the last votes if necessary. So forget the up-

be held from October 1st until our winner is announced at Kettle Kountry Kolors.

After our lucky winner kisses his/her frog... err... pig, he/she may claim it for their very own. Formal adoption papers (and a few other surprises) will come along with the pig.

For those of you who have expressed your concern to me over the past weekend about the "bow-wow" qualities of the pig we had pictured in last week's Statesman, put your mind at ease! That was NOT our famous "kissing pig," only a reasonable facsimile of. (Our famous "kissing pig" was in Hollywood last week filming a screen test for a rerun of "Green Acres." However, the earthquakes frightened it so much, its tail curled up on him. I guess they needed a straight-tailed pig, so he didn't get the part.)

Our little piggy, hopefully by October, will be back to normal, all cute, cuddly and pink. He has already been pre-programmed with "pucker-power." Oh yes, I wish to make one more thing perfectly clear... the Chamber of Commerce definitely is NOT responsible for "snout deodorant." The winner must come prepared for any problems of this nature.

AND... for those of you who are becoming extremely paranoid about catching any "piggy-transmitted" diseases, there IS a way out... However, I will not share this secret with any of the candidates until the nominations close and the REAL voting begins. Of course, if the price is right... who knows?

Though through the ages man has progressed to the point where he walks upright, his eyes still swing from limb to limb.

coming birthday, Larry!)

The thirty candidates will then move on to the preliminary semi-finals which will run from August 1st to August 31st. We'll vote for our favorites (or our children, whichever the case may be) in much the same way as we voted for our "Kings" last year. Each vote will cost 10c and polling places will be held throughout Kewaskum. Final Production For UWWC's Summer Repertory Season

"Theatre Under The Hill," An Evening of Contemporary One-Act Plays is the final production for UWWC's summer repertory season. While the subject matter is not suitable for children, these plays give the audience the chance to see "noncommercial sort of plays," according to Producer Brad Ford.

Ford further explained that this is a way for new directors to showcase their talent. Michelle Retzlaff, Dylan Bolin, and John P. Van Slyke II will take advantage of the directorial experience. Van Slyke authored the one-act "Stray" which Bolin will direct. Christine Klingbiel will assist. These plays are aimed at a mature audience.

The casts, listed alphabetically, are as follows. Lynda Claas, Ricki Graettinger, Penny Gundrum, Christine Klingbiel, T.J. Little, Rick Olson, Jenna Rabideaux, and Rachel Reger. Heather Robbins, Erin Schall, Mike Vetrovec, Diana Wendland, Ann Williams, Gail Wilson, and Aimee Woog round out the cast.

Cast members are from area communities including Hartford, Hubertus, Menomonee Falls, Juneau, Newburg, Slinger, and West Bend. Performances are scheduled for Friday and Saturday, July 10, 11, 17 and 18. Productions will take place in the University Theatre at 400 University Drive, West Bend at 7:30 p.m. All seats are \$2. Excerpts From 'As I Remember'

By Marvin Martin

Our weddings were primarily held in the homes, although occasionally some were held in halls. Most were church weddings, and a shivaree was something that seemed to be a must. Of course in those days, we were allowed to shoot in town, and shotguns were used for making noise as well as large circle saw blades were pounded on and you had to get enough money for beer and lunch. The bride and groom had to come out of the home to take care of this obligation.

In those days, our conveyance, at weddings, was horse and buggy, as a rule and later on cars with signs painted all over them, and a string of tin cans in back. Now it is not unusual to see

limousines and, again, horse and buggies at weddings.

Our weddings were made to last, not a convenience for a few years.

We had more time to visit with our neighbors, yet our working days were longer than they are today. Cutting grass and seeing how nice we could keep our yards wasn't that important.

Our first sidewalks were wooden. The first cement sidewalks were put in by Strachota.

Derailment

(Continued from Page 1)

Farm Supply, said no one was in the buildings at the time of the accident. While the wayward cars caused considerable damage to the building, they missed the mixers and electrical panel.

Railroad employees worked until dark Wednesday, trying to clear away enough of the wreckage to allow emergency vehicles access to the west side of the village should they be called out. The tracks were reopened at 6 p.m. Thursday.

Railroad officials said the accident is still under investigation and it could be as long as a month before the cause of the derailment is found. A FRVR official said it is thought, at this time, that a car may have derailed as it came out of a curve just south of Eden. The investigation will include examination of the physical condition of the cars and track. Speed tapes from the locomotive will also be reviewed to determine if the train was handled poorly.

Crews worked to remove some of the derailed cars along side the damaged Eden Farm Supply feed mill.

After the freight car was removed spectators were able to see the gaping hole in the west side of the feed mill. Some of the torn up track was pushed into the building.

People from miles away came to look at the "Big Eden Train Wreck." The tracks were finally opened Thursday evening.

Photos by Gerry Mueller

FRVR workers and spectators surveyed the damage. The car to left tore off the front of the mill. The cars to the center and right were just part of the sixteen car derailment.

WB Gallery Gala Intended to Develop Public Awareness

The West Bend Gallery of Fine Arts will hold a gala event entitled, *A SECRET GARDEN*. The gala to be held on July 10th will be a wine and cheese tasting event designed to help the public become better acquainted with the 31-year old facility and its programs. An exhibition of floral arrangements complimenting the exhibition, *FLORALS: A STUDY IN NATURE*, will be on display that evening. Jazz music will be provided by Frank Tarantino. Although there is no fee for the event, adult guests must pre-register by calling 334-9638. During the evening's festivities, visitors will be encouraged to become a Friend of the Gallery by contributing a nominal donation to the West Bend Gallery of Fine Arts. *A SECRET GARDEN* is limited to the first 285 reservations that are made by telephone.

The Friends of the Gallery whose 600 membership units number well over 1,000 individuals help to provide the resources for the development of the gallery's special travelling exhibitions, special events and museum collections among other activities. In return, the Friends of the Gallery receive numerous benefits. Although being a Friend of the Gallery has many benefits, it is not necessary to be a Friend of the Gallery in order to visit the West Bend Gallery of Fine Arts'

IN MEMORY

In loving memory of LEO ROHLINGER, who passed away fourteen years ago, June 30, 1978:

A beautiful memory of one so dear,

We cherish still with love sincere, He left us quietly, his thought unknown,

But left us with a memory we are proud to own.

So treasure him Lord, in your garden of rest

For when on earth, he was one of the best

We love and miss you, daughters, son-in-law, sons, daughter-in-laws and grandchildren.

IN MEMORY

In memory of LUELLA C. MARQUARDT, who passed away July 6, 1988:

Though your smiles are gone And your hands we cannot touch, Still we have so many memories Of ones we loved so much; Your memories are our keepsake With which we'll never part, God has you in His keeping We have you in our hearts.

Sadly missed by children and grandchildren.

According to most young children, grandmothers are nice old ladies who talk mothers out of giving children spankings.

Valley Bank Offers Long Distance Calling on MasterCard/VISA Cards

APPLETON... Valley Bancorporation recently announced that they have offered their Valley Bancard MasterCard/VISA cardholders a new service that lets them make discounted long distance telephone calls through MCI Communications Corporation, using their MasterCard/VISA card.

Called MasterPhone/VISAPhone, the service allows cardholders to use their MasterCard/VISA card as a long distance calling card. Cardholders receive a monthly bill for the calls as part of their Valley Bancard statement. As an added convenience, customers will receive a detailed listing of all their long-distance call activity for that month from MCI. MasterPhone/VISAPhone is available to Valley Bancard cardholders at no charge. This service offers cardholders significant savings over AT&T's standard calling card rates.

Cardholders can place calls from any telephone in the U.S. to virtually anywhere in the U.S. and over 180 overseas countries. Plus, cardholders can call to the U.S. from over 40 countries.

Richard Dilley, Vice President, Valley Bancard, stated, "What's really great about this service is that you can place long distance calls from any phone in the U.S., whether its from a pay phone at the airport, a hotel phone or even a friend's phone."

Valley Bank began offering MasterPhone/VISAPhone in April,

1992. There is no charge for enrolling and no monthly minimum. Customers pay only for the calls they make. And no matter how far you're calling, coast to coast, in-state, or anywhere in between, your rate is always the same: \$.18 per minute for week-day calls, only \$.13 per minute for evening calls, and even less for night and weekend calling... just \$.10 per minute.

Valley Bancard customers can activate the MasterPhone/VISAPhone calling card service by calling a special 24-hour, toll-free telephone number, or completing enrollment forms that were included in their account statements. As an incentive to use MasterPhone/VISAPhone right away, MCI will offer a \$5 incentive to all customers who enroll.

Dilley stated, "One of the biggest benefits of this service include greater convenience and the simplicity of using their Valley Bancard MasterCard/VISA for travel and long distance calling in one card."

Valley Bancard is a credit card affiliate of Valley Bancorporation, the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$3.9 billion, currently serves Wisconsin through 137 banking offices with additional financial service companies engaged in trust, insurance, brokerage, leasing, credit card servicing and bank support services.

Get Ready for Strawberry Picking

Wisconsin strawberries — red, ripe, juicy, flavorful, mouthwatering...and nutritious — will be available from June until mid-July at pick-your-own operations, on-farm markets, municipal farmers markets and retail grocery stores.

"The quality of berries should be very good this year. However, due to winterkill of berry plants in some parts of the state, production may be down in certain areas," says Bob Williams, marketing consultant, Department of Agriculture, Trade and Consumer Protection (DATCP).

Strawberry harvest should start in the middle of June in southern, western and central Wisconsin, says Williams. "In the southern-most parts of the state, there could be some growers with berries starting about June 10.

Harvest dates will vary due to variations in weather, soil types, plant varieties and cultural practices. Picking will continue until late July in northern Wisconsin.

"For the freshest possible fruit and a fun family outing, you may want to visit a fresh-picked or pick-your-own strawberry farm in your area," he says.

Before driving to a strawberry farm, Williams strongly advises consumers to call the grower and check hours, crop availability and whether or not the producer provides fresh-picked berries and, if you're going to pick your own, picking containers.

To choose a strawberry operation in your area, check local advertisements or contact DATCP for a brochure listing over 100 growers. To get the brochure, send a stamped, self-addressed

business size envelope to Strawberries, DATCP, P.O. Box 8911, Madison, WI 53708. We will also enclose the Municipal Farmers Markets brochure.

Goeden Wins EWSCA Feature Event

Don Goeden, Steve Hoffman and Dan Gierke took home the checkered in the feature races for the Eastern Wisconsin Stock Cars at the Sheboygan County Fair Park in Plymouth.

Chuck Tuschl of Cato jumped out in front to lead the first five laps in the modified feature followed by Jim DePatger of Sheboygan Falls, Randy Butler of Juneau and Beaver Dam's Bill Warren. While the front runners were battling for the lead, Goeden of Kewaskum, and Cascade's K.J. Skelton, began moving their way through the field. On lap seven Butler passed Tuschl on the backstretch pushing Tuschl back to third and putting Goeden in second. With only Butler standing between him and the checkered flag, Goeden set his

sights on Butler catching him five laps later.

Goeden lapped all, but the top four positions, from a field of 18 cars which qualify for the feature event.

With a one half lap lead at the finish Goeden captured his second feature win of the season. Warren, Butler, Tuschl and Depatger rounded out the top five.

Tips On Swimming Pool Safety:

Recreational Diving Do's and Don'ts

Dive into summer—but do it safely, say the experts at the National Swimming Pool Safety Committee (NSPSC).

Safe diving habits can prevent accidents which occur when swimmers hit the bottom of a pool, resulting in severe spinal cord injury and paralysis. As part of its "Operation Water Watch" program, the safety experts at the NSPSC offer these do's and don'ts for divers and parents of children who may dive:

- Do's**
- Do know the depth of the water is sufficient for your dive. Many recreational swimmers are seriously injured each year as a result of diving into shallow areas of lakes, ponds, streams or swimming pools.
 - Do plan your dive path. Make sure there are at least 25 feet of clear water ahead.
 - Do be sure there are no submerged or floating obstacles, such as other swimmers, rocks, tree branches, etc.
 - Do remember to steer your body upwards as you

Look before you leap—and dive safely.

dive. Keep your head up and your arms extended over your head. Steer up with your hands once you enter the water.

• Do keep your dives simple.

• Do take diving lessons from a qualified instructor.

Don'ts

• Don't dive into the shallow end of a pool or into shallow water.

• Don't dive into an above ground pool.

• Don't drink and dive. Statistically, more than 50 percent of all diving accidents involve alcohol.

• Don't attempt any fancy or competitive-style dives in residential pools.

• Don't try to dive

through an inner tube or other pool toy.

• Don't push or throw anyone into the water.

• Don't dive off the side of a diving board, slide or any other pool equipment.

• Don't slide head first down a pool slide.

• Don't take a running dive.

• Don't forget to be careful, and have fun!

Learning how to dive properly is as important as learning how to swim. For proper diving instruction, contact the local YMCA, Red Cross or area schools. For free diving safety brochures, call 1-800-323-3996.

Indians Take Advantage of Falcon Errors

By Statesman Sports Writer
KEWASKUM — When a baseball team reaches double digits in the errors committed column, the opposing team should have a field day scoring runs and taking control of the game.

That's exactly what happened here, last Monday night, as Sheboygan Falls stumbled through ten errors, and Kewaskum took full advantage, scoring in every inning to beat the Falcons, 9-2.

Senior southpaw Chad Cook was the beneficiary of the Falcon miscues, as he worked all seven innings for the Indians, throwing a five-hitter, and allowing just a single walk.

Two of those hits came in the first, when Falls nearly claimed an early lead. But the first hit, a single by Rich Flunker, was quickly negated when the next batter grounded back to Cook, who started a double play.

Just as quickly as he erased the runners, Cook put them back on, as he issued his only walk and then allowed a double by Dave

Immel to put a pair of runners in scoring position. A strikeout helped Cook get out of the inning.

Two errors helped the Indians stake claim to a 1-0 lead in the first, and another two led to two more runs in the second. The method stayed the same in the third, as Falls coughed up another two errors, leading to two more tallies for the hosts.

Cook helped himself out at the plate, registering a pair of hits, including a two-run single in the second. Randy Schlice also recorded two hits, as the Indians outthit the Falcons, 9-5.

Falls scored their runs in the fifth, with the big blow being an RBI triple by Travis Tank, who scored when the throw from the outfield was off its mark.

The win helped the Indians keep pace with Plymouth at the top of the Eastern Wisconsin Conference standings. The Indians, who improved to 7-2, remained a game behind Plymouth (9-2) while improving their overall mark to 10-6.

Flat Indians Fall to Raiders

By Statesman Sports Writer
KEWASKUM — The Kewaskum baseball team had things going their way here, last Tuesday night. With their ace pitcher on the mound, the Indians were hoping to climb to within a half game of Eastern Wisconsin Conference leading Plymouth.

But their thoughts probably should have been on their opposition, Kiel, because it was the Raiders who shut them down on four hits, scoring three runs in the top of the seventh to steal away a 6-4 victory.

With ace righthander Shawn Schneider on the mound, the Indians' chances for a win seemed good, as Schneider had allowed just 17 hits in 36 innings. But Kiel touched him for six hits in the contest, as the guests also recorded a pair off reliever Matt Schlosser, who took over in the seventh inning.

The Indians had entered the event, clutching a 4-3 advantage. But a pair of hits tied the score, and the Indians handed the Raiders another two runs via errors, as Kiel went up 6-4. That's the way it ended, as Lonnie Schaefer shut the door, retiring the first three batters in the bottom half of the frame.

Schaefer found himself in trouble in the first, as singles by Chad Cook and Brad Weinreich, as well as a double by Jason Krahn and a walk by Scott Donath led to a pair of Indian runs. The damage might have been worse, but Cook was picked off first after his single.

Schneider had surrendered a run in the top of the first, as the Raiders used a walk to manufacture a score. Kiel then tied the game in the fifth, as a pair of hits with two down evened things at 2-2.

The Indians used some shoddy defense by the Raiders to go

back on top in the bottom half of the fifth. Two errors, two walks and a dropped third strike resulted in two Indians runs, putting the hosts back on top 4-2.

Schaefer helped himself to a solo homer in the sixth to cut the deficit in half, and then shut down the Indians and set the stage for the seventh inning rally.

Schneider finished with seven strikeouts, as he now has 55 in just 42 innings of work. Schaefer finished with four k's.

The loss dropped the Indians to 7-3 in the EW, a game and a half behind first-place Plymouth. Kiel improved to 6-4. The Indians can shake things up a bit this week, with games at Plymouth on Monday, and then a doubleheader at home against New Holstein on Thursday. Next week the Indians host Chilton (Monday) and then travel to Sheboygan Falls for a doubleheader (Tuesday).

JV Baseball Team Defeats Fredonia 6-5

The Kewaskum JV Baseball Team picked up another win last week as they defeated Fredonia 6-5.

The Indians jumped to a 2-0 lead in the first inning. Kevin Klahn walked and went to second on a single by Dan Survis. Cory Rammer singled to score Klahn. Chad Muckerheide popped out for the first out, and on the play Survis was doubled off second base. Rammer stole second base and scored when Travis Jacak singled.

Fredonia tied the score in the second inning. A single and a walk put runners at first and second with none out. A wild pitch moved both runners up and a subsequent passed ball scored one run. The second run scored on a fielder's choice ground out.

Kewaskum tallied two unearned runs in the third inning, and Fredonia scored once in the bottom of the inning to make the score 4-3 at the end of three innings of play.

Kewaskum picked up a run in the fourth as Survis singled, stole second, and scored when Rammer singled.

Both teams scored unearned runs in the fifth inning to make the score 6-4.

Fredonia pulled to within one in the sixth inning as lead off hitter Todd Timm tripled and scored on an errant cut-off throw.

After the Indians went scoreless in the seventh inning, Fredonia threatened as they had runners at first and second with only one out. Pitcher Dave Dorn worked out of the jam as he retired the last two batters on a fly ball to Survis in leftfield and a strike out.

Dorn worked seven innings to improve his record to 4-1. He struck out six and walked seven. He allowed only six hits and of the five Fredonia runs only two were earned.

Cory Rammer and Travis Jacak led the Indians offense as each collected two hits, and stole three bases.

The JV baseball game scheduled for Thursday June 25 at Plymouth was rained out. At this time no make-up date has been set.

Lots of Scoring in Tuesday Softball

By Statesman Sports Writer
KEWASKUM — Scoring, and a lot of it at that, was the name of the game last week in Tuesday night men's softball action at the Kiwanis Community Park.

Campbellsport Building Supply headed the list of high scoring wins, as they scored 11 times in the sixth inning in beating T's Lounge I, 24-12.

Schlufly's had to go to nine innings in order to down Neuville Chevrolet 14-13. Schlufly's had gone ahead 13-11 with three runs in the top of the seventh, but Neuville battled back with a pair of runs in the bottom half of the inning, although they were unable to come away with the victory.

T's Lounge II maintained their stranglehold on the top of the standings, as they remained undefeated with a 10-3 win over C.C. Cody's. Rick Weitermann ripped a pair of homers for T's.

In the lone other contest played Tuesday, Amerahn scored a dozen times in the third inning, helping them to a 19-11 win over Hometown.

In Monday night women's action, Shefond chalked up a pair of wins to move back into sole possession of second place. After downing Kewaskum Frozen Foods 16-3 (six innings) in their first game, Shefond came back in the nightcap to beat Kohlsville Auto Body 10-9. Stacey Heberer went 7x8 in the two games with a homer, while Cindy Donath and Kelly Krahn each homered for Shefond.

In the other game played Monday, T's Lounge scored ten runs in the third inning, helping them to stay in first place with a 19-9 win over Riverview Tap.

In Thursday night men's action, it was L and R Trophy remaining in first with a 12-6 win over Emun Mill Gamefarm. T's Lounge, meanwhile, took care of McKee Buildings, 10-5.

Joel Serwe hit a pair of homers,

as C.C. Cody's beat On R Own 16-4 in six innings. Bruce Waechter hit a three-run homer in the first for Tropical Pool and Spa, but that was all they scored, as Mike Coulter homered to help C.C.'s to a 6-3 win.

Athletics Win Rock River Showdown with Oakfield

By Statesman Sports Writer
KEWASKUM - A big crowd made for some exciting baseball here, last Sunday afternoon, as the Kewaskum Athletics hosted Oakfield in a showdown of the top two squads in the Rock River Northern Division.
 In the end, the crowd watched as Kewaskum's Dave Donath ripped a solo home run in the bottom of the seventh, providing the difference in a 6-5 Athletics win.
 "It was a real great game," A's player/manager Doug Gonring said of the matchup. "It was back and forth the whole way."
 The win enabled the Athletics to build a one and a half game lead over Oakfield, which dropped to 6-2 on the year. Kewaskum moved to 8-1 with the triumph.
 The guests were the first to get on the board, striking for a pair of runs in the second. After A's starter Tim Heberer retired the first two batters in the inning, Greg Ryan reached on a walk,

and moved to third on a double by Joe Ryan. A single by Todd Borchardt scored both runners.
 The Athletics fought back though, scoring four runs in the second, also after two were out. Donath started the rally with a single and moved up on another single by Gonring. Terry Koth then cleared the bases with a three-run homer, giving the A's their first lead.
 Ric Leitheiser kept the inning alive with another base hit, and he came around to score when Barry Wenzlaff tripled. Leitheiser replaced Andy Hoenecke for the A's, when Hoenecke suffered a broken arm after being hit by a pitch in the second inning. Gonring reported that Hoenecke will be out for six weeks.
 "Barry came up with a real big hit," Gonring said of Wenzlaff's three-bagger. And Koth "really blasted his (homer)."
 Oakfield tied things with a couple more runs in the sixth. Three

singles and an error helped the visitors get back to even.
 But the A's struck right back with a run of their own in the bottom half. Mark Schlosser singled in Wenzlaff, who had walked and moved to third on Kevin O'Brien's double.
 "That was a clutch hit," Gonring said of the RBI single by Schlosser, who also added a double in the eighth inning. "He's starting to hit the ball too."
 After Oakfield manufactured a run in the top of the seventh, the A's went ahead to stay on Donath's blast in the bottom half of the inning. Donath, Schlosser and Gonring each collected two hits in the contest, while Joe Ryan had three for Oakfield.
 Don Menzel came on in relief to get the victory. Menzel pitched the final three and a third innings, allowing just a pair of hits. Kurt King, The Rock River's Pitcher of the Year last season, took the loss.

Athletics Rally in Tournament

Kewaskum Athletics pitcher Dennis Aupperle is a menacing figure on the mound. The 6-3 southpaw showed just why last Wednesday, as he shut down St. Cloud over the final four innings in helping the A's to an 8-7 come-from-behind win.

PLYMOUTH — Thanks to some clutch hitting, and some excellent relief pitching, the Kewaskum Athletics are still alive in the Plymouth Baseball Tournament.
 The Athletics fell behind big, but rallied with three runs in the top of the seventh, thus securing an 8-7 come-from-behind victory over St. Cloud, here last Wednesday night.
 The Athletics found themselves down 7-5 heading into the seventh, and on the brink of elimination. Playing in a seven-inning format, Kewaskum clutched up and the result was a dramatic ending.
 Rick Peck started things off, as he reached on an error. Don Menzel then followed with a rocket over the centerfielder's head, resulting in a double, scoring Peck.
 After a sacrifice by Ric Leitheiser moved Menzel to third, Greg Rinn came through big with a sacrifice fly, scoring Menzel and tying the game at 7-all. Dave Donath then erased all doubts about the outcome, as he stepped

up and cranked a solo homer.
 That was enough of a lead for Athletic's reliever Dennis Aupperle, who came on for starter Doug Stern in the fourth. Stern gave up a pair of home runs in the third inning, and left with a runner on second in the fourth.
 That's when Aupperle took over. The big lefthander finished up, giving up just a pair of hits, according to A's boss Doug Gonring.
 "He pitched just super," Gonring said of the big lefty. "Doug (Stern) got hit a little more than he usually does. But Dennis came in and really did a great job."
 As for Donath, who finished with three hits, Gonring said "He's starting to hit the ball well. He's really coming on."
 The win sent the Athletics to the semifinals, where they met Plymouth on Wednesday. If the A's are victorious against the Flames, Kewaskum will be in the championship contest, to be played Friday night.

Four... I Mean Fore!

(Unedited version)
By Sandra Karshen
 Herrrrr's Sandy! Yes! My first time out. How exhilarating... how exciting! I was about to embark on a mission that was calling me to rolling hills of fresh green grass laced with mapped out areas of baby ponds and creamy brown sand.
 Armed with nothing but my buddy Jean, an athlete with the Midas touch for any sport that catches her fancy, I set out to prove that a round could be played without lessons, driving practice, or even a "how to" book for beginners.
 Did I have a lot to learn. Crouched in an uncomfortable position, at the advice of my gifted companion, I proceeded to swing at air and clumps of turf. "Don't worry," said Jean, "you'll learn as we go, just watch me."
 By some miracle, and a little cheating on my part, we arrived at the fourth hole. I watched as Jean swung a high flying ball and shouted, "FORE!" to a couple of nearby players that were in the line of fire. Whew! That was close.
 Moving on to the fifth hole, I was determined to repeat Jean's prowess. With renewed energy, I swung and much to my surprise, connected with the ball.
 What a shot! It was high. It was long. And it was without aim.
 Basking in brief, yet undue, glory my exuberance soon turned into panic. I watched as my wayward ball began to close in on two unassuming victims. "Think fast," I told myself. "What would Jean do?"
 I recalled her warning at the fourth hole and applying logic cried out, "FIVE!"
 Puzzled, Jean looked at me and said, "What'd you say that for?" I explained.
 Perhaps I should have replied, "For (four)(fore) good reason!"

Indians Blast Chilton; Move into First

By Statesman Sports Writer
CHILTON — The first time that the Kewaskum Indians played Chilton this year, the Tigers' Chad Hemauer no-hit the Indians. Naturally, when the two teams met again here, last Friday, the Indians had a little bit of payback on their minds.
 That was bad news for Chilton, as the Indians scored in every inning but the last, rolling up 17 hits in a 15-4 thumping of the Tigers.
 The win coupled with Plymouth's doubleheader losses to Two Rivers, helped the Indians move into first place in the Eastern Wisconsin Conference baseball race. The Indians improved to 8-3, while Plymouth fell to second place with a 9-4 mark.
 Randy Schlice and Scott Donath, two of the Indians more consistent hitters this summer, once again played key roles in the win. Schlice and Donath each collected three hits apiece, one each in the first inning, when the Indians staked claim to a 1-0 advantage.
 Kewaskum added five more in the second, using three singles and a big, two-run blast by Donath to go up 6-0 on the hosts.
 The onslaught continued throughout the contest, as the Indians scored a single run in the third, added two more in both the fourth and sixth, and then sealed the win with a four-run fifth.
 In addition to Schlice and Donath's big games, Brad Weinreich also played well, collecting a pair of hits, as did Aaron Rettler and Shawn Schneider.
 The beneficiary of the offensive outburst was senior lefty Chad Cook, who moved to 4-1 on the

year. Cook went seven innings, giving up just five hits, while lowering his e.r.a. below three runs a game.
 The Tigers scored their runs in the third and fourth innings, when they tallied a pair of runs in each. In the third, a pair of errors led to a couple of unearned runs, while Cook had some control problems in the fourth, walking a pair and hitting a batter to load the bases. A pair of singles produced the two runs. Keith Steffes provided much of the Tiger offensive, collecting three of his team's five hits.
 The win allows the Indians to control their own destiny in the EW, as they played Plymouth Monday and then will host New Holstein in a doubleheader on Thursday.
 Next week, the Indians host Chilton (Monday), travel to Sheboygan Falls for a doubleheader (Tuesday), and then finish the regular season with a game at Kiel July 13th.
