School Board Adopts \$10.7 Million Budget for 1992-93

By Gerry Mueller
Statesman Staff Writer

The proposed 1992-93 budget includes spending \$400,000 of the latest \$750,000 Capital Improvements Loan during the coming school year. To date, approximately \$310,000 of that money has already been targeted toward projects or purchases. Two separate areas account for most of that money. Almost \$180,000 has been approved for the district's tennis courts/road project and another approximately \$104,000, has been targeted for computers and associated equipment for the school district.

At its meeting Monday night, the Kewaskum Board of Education approved the Finance-Transportation-Buildings and

Grounds Committee's recommendation to hire the firm of Payne and Dolan to do the repair work on the four existing tennis courts, construct two new additional courts and build the new roadway along the east side of the high school. The price tag for the entire project, \$177,722, with the money coming from the Capital Improvements loan.

Board member Ruth Schmitt asked Payne & Dolan representative Mike Strobel if the district was saving any money by having the new courts built now, rather than at some future date. Strobel indicated that it was not. He did state, however, that there was a chance the costs could be reduced. Strobel said the bid included approximately \$50,000 to cover

the cost of the enormous amount of fill that will be needed for the new courts. If we can use the ground being removed from the roadbed to fill the tennis court area, we'll reduce our bid price accordingly, said Strobel. If the ground is suitable, there is a chance we could lower the cost of the two new courts by as much as \$20,000, but we can't be sure of that until we begin work. Work on that project is expected to be completed by September 1st.

The board also approved the committee's recommendations to spend approximately \$104,000 of that loan money to purchase 45 computers, plus associated printers and three computer student records programs.

The new computers would be

used for an additional 25-station lab at the high school which would also include a work station at the teacher's desk and four printers, plus wiring at a cost of \$58,992. The lab would replace the existing typing room.

Five computers and one printer would be designated to complete the electronic conversion of the KHS and KMS libraries, cost \$9,794.

Four additional computers and two printers will be placed in the KMS library to expand its facilities, another computer would be put in the teacher's work room, cost, \$10,083.

One IBM computer will be placed in the FES office to aid the secretary in electronic data reporting, cost, \$2,285.

An additional eight computers and two printers will be placed at the high school. Five units will go into the library, two in the ALAC area and one in the administrative office, cost \$15,780.

The board also approved spending \$6,900 for three SASI student records programs.

Janet Wolfenberg, chairperson of the FTBG Committee, told the board, in the future the district hoped to reduce computer installation costs by having the work done by maintenance staff rather than outside sources.

In approving the recommendations, several board members stressed the fact that the loan money was being spent on instructional aids, not that all the money was being spent for non-instructional purposes.

Replacement classroom furniture, amounting to \$18,266, was also approved by the board.

District Administrator Dr. David Heather told the board, "for a number of years we have been taking parts and pieces from broken desks to fix other desks and now we are at the point where we need to order some new classroom furniture". This money will also come from the Capital Improvement loan.

Session II Swim Lesson Sign-Up

Due to the uncooperative weather, the sign up dates and times have been changed for swim lessons - Session II.

Registration for Session II Swim Lessons will take place on Friday and Saturday, July 24-25, from 9:00 a.m. to 12:00 noon each day.

Session II Swim Lessons will begin on Monday, July 27, and end on Monday, August 17.

The major change for Session II Swim Lessons is that lessons will be held Monday thru Friday, rather than Monday thru Thursday.

Registration will be held at the Kiwanis Community Park Pool Bath house.

Resident Season Passholders will pay a fee of \$4.00 per child, per session, for swim lessons.

Non-resident Season Passholders will pay a fee of \$6.00 per child, per session, for swim lessons.

Tot Time registrants must pay the swim lesson registration fee as well as purchase a youth (family) pass.

Swim Lessons are offered only to season swim passholders

Capital Improvements Loan Money Allocated for 1992-93 Nearly Spent

By Gerry Mueller
Statesman Staff Writer

Electors attending the Kewaskum School District's Annual Meeting July 27th, will be asked to vote on a proposed budget of \$10,741,565, for the 1992-93 school year.

The proposed total budget, which the Kewaskum Board of Education adopted Monday night, represents a 10 per cent increase over the 1991-92 budget. Based on revenues and expenditures for Fund 10 (General Fund) and Fund 30 (Debt Service), the proposed budget will require a tax levy of \$5,526,514, which represents a 14.5 per cent increase over last year's levy figure.

District Administrator Dr. David Heather, in presenting the budget information, told the board he hoped the district would see at least a 7 per cent increase in its equalized valuation. Based on that assumption, Heather calculated the mill rate for the 1992-93 budget would work out to \$17.01 per \$1,000 of assessed valuation. That represents an 8.48 per cent or \$1.33 increase over 1991-92, (which had an equalized value increase of 10 per cent). The mill rate for 1991-92 was \$15.68, and the 1990-91 mill rate \$16.36.

Heather again reminded the board that the district will not only 'not' be getting any new money from the state for 92-93, it will also be losing approximately \$153,000 in state aids. "This really hurts when you not only lose money, but do not have new money coming in to offset rising expenses and the taxpayers have to provide the additional funds," said

Heather. He also noted that the district is using \$150,000 from its Fund Equity to decrease the tax levy.

In other action the board approved the Finance - Transportation - Buildings and Grounds Sub-Committee's request for funds up to \$10,000 for engineering fees covering work on the district's athletic facilities. The money, however, cannot be released except by board approval.

The board also accepted the low bid of Gary Gavin Painting, in the amount of \$4,380 for work at the high and middle schools.

An administrative request for contracts with CESA 6 was also approved. Among the contracts

approved were the services of a part time social worker at a cost of \$26,830 and EEN services at \$9,663.

The board gave conditional approval to a five-year contract with the Honeywell Corporation for heating, ventilation and air conditioning services.

The board also accepted the resignation of Mrs. Lani Harper as an EEN teacher and the appointment of Randy Westerman as KHS Assistant Football Coach.

Because Dr. Heather will be out of town for the regular August meeting, the board approved his request to move the meeting date to August 17, so he will be able to attend.

Accept Library Director's Resignation

By Gerry Mueller
Statesman Staff Writer

The Kewaskum Village Board, Monday night, accepted the resignation of its Library Director Ms. Lucie Bledsoe. Personal reasons as well as the fact that she will be moving out of the area were given by Bledsoe in her decision to resign.

The trustees instructed Village Administrator Dan Schmidt to begin advertising for Bledsoe's replacement.

In other action the board awarded the 1992 phase of the village's sidewalk repair and replacement project to Quality Concrete of Manawa. The project, at this time, does not include the area along the St. Lucas and Holy Trinity Cemeteries properties on East Main Street.

According to Trustee Bob

Wagner, who opposes pursuing the cemetery sidewalks, further action will be taken on this matter at a later date.

The board also approved a resolution setting a \$5.00 disposal fee for items brought up to the recycling center which are no longer picked up with the normal weekly refuse collection.

A malted beverage license for the Kewaskum Horseshoe League and five bartender licenses were also approved by the trustees.

Schmidt advised the board that the Kewaskum Junior Womens Club had paid the entire cost of \$2,397, for the sun shelter at the Kiwanis Park pool. He also acknowledged the donation of five trees for the village's parks, given by Gary Miodzik, a former village resident.

Piwoni Purchases Papa Ron Pizza

by Sharon Callaway Roznik

Tom ("T") and Diane Piwoni of Kewaskum, recently purchased Papa Ron's Pizza franchise from Kewaskum Frozen Foods, during a change of ownership.

The Piwonis have been a part of Kewaskum's business community for almost 20 years, starting in August 1973 when Tom owned and operated his first tavern, Tom's Place, which was located in Kewaskum's old Opera House. From there he moved north to establish Tom's Country Inn on Hwy. 45 (now the Boar's Nest), from 77-78 and later teamed with Ken Bonlender at the Kewaskum Saloon in the village, from 79-86.

T's Lounge, his last endeavor in the tavern business, was leased from Cockey and Carole Keller and later purchased in 1989.

When the opportunity arose to purchase Papa Ron's Pizza from Kewaskum Frozen Foods, Tom leased his tavern to Mike Kardos with an option to buy, and bought

the pizza business. "I couldn't pass by an opportunity like that," says Piwoni.

The pizzas are prepared in Jackson, and delivered throughout the area to stores, mini-marts, taverns, restaurants, campgrounds, and fundraisers. Piwoni employs four part-time employees and does the delivering himself.

"I hope to expand in the future, and enlarge my selling area," Tom explains, "and eventually come out with a new line of pizza." Papa Ron's includes thin, medium, and live dough crust pizza, garlic bread, and Mexican munchies, a soft shell taco.

Tom and Diane Piwoni reside in Kewaskum, with their three children; Amy 10, Luke 9, and Chad 4. Diane is employed in the Purchasing Dept. of Regal Ware. They look forward to watching their new business venture grow and will continue to supply the community with the popular Papa Ron's pizzas.

Klahn - Vetter

John and Marlene Klahn of rural Kewaskum are proud to announce the engagement of their daughter Annette Marie to Michael Roger Vetter son of Roger and Elaine Vetter of Beechwood.

John A. Kluwin to Serve On First Law Foundation Board

MADISON...Local attorney John A. Kluwin of Kewaskum will serve as a member of the Board of Directors of the new Wisconsin Law Foundation, according to an announcement made July 7th by Foundation President Maryann Schacht of Beaver Dam.

July 1st marked the birth of the Wisconsin Law Foundation, known for more than forty years as the Wisconsin Bar Foundation. The Foundation is a 501 (c) (3) not-for-profit charitable corporation which serves as the philanthropic arm of the State Bar of Wisconsin.

Teachers and students throughout the state know the Bar Foundation as the sponsor of the Wisconsin High School Mock Trial Program. In fact, the Foundation recently received rave reviews for their sponsorship of the National High School Mock Trial Competition. Other programs have included Lawyers in the Classroom, publication of the free booklets "On Being 18," and "The Bill of Rights: an Introduction," Senior Citizens Community Outreach, the LRE Resource Center of loan materials for teachers, and more.

Most of the money generated by the Foundation, through contributions from lawyers, grants from private businesses and fund raising projects, goes toward law-related education and public service programs.

Up until July 1st, however, the Foundation was also operating most of the programs. According to Waukesha attorney Donald Tikalsky, who served as president of the Foundation during planning for the transition, "the programs had grown faster than the funds to operate them."

operation of most of the Foundation's programs has been transferred to the State Bar of Wisconsin, allowing the Foundation to concentrate on developing a funding base which will sustain existing programs and encourage innovative new programming.

Law Foundation executive director Karen Rose McNett is enthusiastic about the changes. "Under the new Law Foundation we expect to develop a stronger financial base and expand law-related education and public service programs by working more closely with the local bar associations in communities throughout Wisconsin."

The Law Foundation hopes to be in a position to accept grant requests for local programs by this time next year. Anyone interested in learning more about the Foundation is invited to contact The Wisconsin Law Foundation, 402 West Wilson Street, Madison, WI 53703.

Visually Impaired Support Group Meeting July 22

The visually impaired, as well as other interested persons, are invited to attend the next Visually Impaired Support Group meeting on Wednesday, July 22, at 1:30 p.m. The meeting will be held in the second floor conference room of the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

Participants at this meeting will have the opportunity to share information about their needs and concerns, as well as providing suggestions for future programming.

GROVER for SHERIFF

"I WILL DRAW THE LINE ON CRIME"

GANG-RELATED CRIME IS HERE!

Our teens are being recruited by gang members from surrounding counties. This must stop!

"I WILL DRAW THE LINE" by:

- Educating our officers on gang identification.
- Interacting and sharing information with other police agencies.
- "Gang-related activity will not be tolerated in our county." Aggressive enforcement is the key!
- More aggressive drug enforcement.

BUDGET DEFICIT

Due to improper management, the 1991 Washington County Sheriff's budget was exceeded by \$271,000.

"I WILL DRAW THE LINE" by:

- Proper utilization of manpower and responsible management and distribution of overtime.

TICKET QUOTAS EXIST!

(Disguised as minimum performance standards.)

"I WILL DRAW THE LINE" by:

- Elimination of quotas. Quality law enforcement should not be gauged by the quantity of traffic citations.

Dear Friend,

Gang activity and other violent crimes are threatening our way of life. As your sheriff, I will prioritize and delegate manpower more effectively. Developing positive programs for our youth is of great concern to me.

There are some people in society who have no regard for human life, personal property and your civil rights. This will not be tolerated. My department will be dedicated to incarcerating these criminals.

Do you feel as safe in Washington County as you did four years ago? If not, and you are for law and order, vote for me on September 8th, 1992.

Sincerely,

Paid for by Jim Grover for Sheriff Committee, Kurt Vogelsberg, Treasurer.

Kewaskum Student Host to Special Guest

(L to R) Ed Ramirez, Gunny, Jason, Christopher and Gail.

Submitted from the heart by Ed & Gail Ramirez

During the 1990-91 school year, Mrs. Ammel's 4th grade social studies class at KES wrote letters addressed to "any soldier" during the Desert Shield/Desert Storm operation.

Our son Christopher's letter was answered by H.L. Brasher from Iowa - a Gunny Sergeant with the S&L Company, 2nd Battalion, 24th Marines. Christopher received his first letter from his pen pal the day after the war started. The war was real to us now we knew someone in it.

Our family "adopted" "Gunny" and sent cards, letters, and care packages. (One package included a London, Paris, Rome, Kewaskum T-shirt - XXL). We decked out our small home with red, white, and blue ribbons, and yellow bows as many Kewaskum residents did. We placed a yellow bow on Kewaskum's "Freedom Tree" in his honor, which we later sent him, and put his name on a special prayer list at Holy Trinity Church during that time.

In the evening of April 14, 1991 I answered the phone. "Is this the Ramirez residence?" I said, "yes." "Is this Mrs. Ramirez?" "Yes, it is," I answered. The next thing I heard was, "This is Gunny". I will never forget that phone call. I still get goose bumps when I think of it - like now. He had just gotten home the day before. It

was so exciting and wonderful to hear from this person we had never met, but cared for so much over the months. We never thought about whether we'd hear from him after his return to Iowa, but when he called we knew he was a very special person to be so considerate of our feelings.

We kept in touch with Gunny and his wife throughout the year and this July 5th and 6th we had the privilege of meeting our "adopted Marine" in our home for the first time. It was as if we had known him forever. And we're so happy that Gunny was Christopher's "any soldier."

During this short visit we first learned of Gunny's role in the Liberation of Kuwait and of his past experiences during his 27-year career in the Marine Corps.

Gunny is a veteran of the Viet-

nam War, earned three Purple Hearts and has received a "Marine of the Year" award. Because of his experience he was asked for advice from ranking personnel during activities in the Gulf.

Gunny had been in the active reserves since Viet Nam because of his Purple Hearts and received orders for duty in the Gulf just three days before his official discharge was to come through. As Special Operations Officer, Gunny was in charge of 1,000 Marines about 30 miles south of Kuwait along the Gulf, attached to the Camp Lejeune Higher Head quarters Command, II Marine Expeditionary Force, 2nd Amphibious Assault Group. I won't go into detail (mostly because I don't remember everything he told us) but his was the first unit that grateful Kuwaitis had contact with. Among the pictures Gunny brought is one where he and his unit were giving candy to the Kuwaiti children. (Just like in the movies.)

Sheldon Mobil put up Welcome "Gunny" on the Rain Dance board for us at the last minute - he thought that was just great - and a couple of local teens took pictures of us at the sign and at the "Freedom Tree." Thanks!

Although it was short, we had a great visit. He showed us you can wash your hands with diet Coke - your hands don't get sticky. It really works! (Diet Coke isn't just for drinking any more.) We also sampled some MREs (meals ready to eat). Not so great! (And I learned Marines don't use scissors to open them!)

Gunny gave each of our sons one of his Marine Corps lapel pins and all of us a couple of days we'll never forget. He went back to Iowa this time with a "going back to Kewaskum" t-shirt, size L, (his wife and he can both fit in-

to the XXL). We hope to see Gunny again and meet his wife later this year.

P.S. Thank you, Gunny, for helping to keep freedom for all! And thanks for making our family feel so special.

Welcome you, friend!

Sheriff Announces DARE Contribution

Maysteel Corporation has donated \$100 to support the sheriff's department DARE program.

DARE, Drug Abuse Resistance Education, is a program designed to help young students stay away from drug abuse while improving their self-esteem and ability to resist peer pressure. The DARE program is conducted by a specially trained deputy over a 17 week period at participating grade schools.

Businesses and residents who wish to help support the DARE program are invited to contact Sheriff Schulteis (335-4388) for more information on DARE and its needs.

Funny... I Don't Recall Saying I Wanted to Kiss a Pig!

By L.L.K.

Alright, already! Enough is enough! I agreed to run this contest and THAT'S ALL! Which one of you guys has the copy machine and friends in Campbelsport, Lomira and Madison? (Either we have some really, really good fibers in this town or I am in major trouble.) Haven't any of you seen the TV show, "Dinosauers?" I have distinctly heard them say... "NOT THE LANA!" Right?

I know there isn't anyone in this area who could be serious about actually WANTING to see me kiss a pig. Besides, what would my husband say? Not to mention my three innocent children! How can they possibly go through life unscathed after being subjected to watching their mother kiss a pig?

I know it couldn't have been my beloved sisters who nominated me. Being the youngest (with the emphasis on YOUNGEST, please), I have been physically and verbally abused by them my entire life. (Feel sorry for me yet?) I got schlepped along to more parties at the tender age of eight than most people go to in a lifetime. (I grew up thinking the "Breakfast of Champions" was Lithia beer.) My sisters... I am so glad I was

always the quiet, shy one in the family! (Not to mention, the YOUNGEST!) Besides, neither one of my sisters would spend that much on postage just to see me make a fool of myself. (They're used to that).

I don't know if I stated this in the rules of this contest, but I'm almost positive there must have been some type of announcement stating the person who runs this "pig kissing" contest simply cannot be eligible to be a candidate. I'm sure I wouldn't have overlooked that!

I realize revenge is sweet and what goes around, comes around, and all the rest of those trite cliches, but don't pick on me. I was simply carrying out orders from the powers that be. (I can't help it if I enjoyed it so much!) In the first place, this pig kissing thing couldn't have been my idea... no one would ever believe I could have had two good ideas in a row.

In the first place, I had an entirely different idea. (Maybe next year...) If you don't believe me, just ask Dave Donath... he thinks its a good idea. (enough said) But watch out you guys... we all might be real sorry for taking this one to the limit around this time next

year!

You do realize that I am only one candidate. If I go down, just remember... there are nineteen of my "closest" friends who will also be in the running. Even if I have to sell the family heirlooms.

Speaking of the "top twenty," the judges were a tad bit in error when they made the original rules. Instead of the 30 highest votes, it will only be 20. Voting on the top twenty will run from August 1-31 when we eliminate 10. Voting on the remaining 10 will run Sept. 1-30, when we eliminate another 5. The final voting will run from Oct. 1-10 and the eventual winner will get to kiss and keep his (notice I said HIS) pig at Kettle Kountry Kolors on Sunday, October 11.

In the event of a tie, the pig will cast the deciding vote. So some of you had better start practicing your SUUUUUUEY! I have also heard rumors along the lines that there is some type of "pig rivalry" going on with the area's fire departments. This surely cannot be true! Without dropping any names (darn) there also seems to be some question as to whether the West Bend or the Kewaskum Police Departments will be holding a spanferkel soon.

But the topper seems to be that three of our top male nominations have been practicing their puckering on their bathroom mirrors. (Lip prints). If I were only brave enough to mention names! But then I'm afraid those rails running through the center of town would be used for something other than trains!

Keep those nominations coming... this is becoming downright interesting!

POSSIBLY PUCKERING for the PIG!

A Spring piano recital was held on June 7th at the Kewaskum Middle School Band Room. Twenty-six students performed two contrasting pieces for an audience of nearly 120 people.

Beginners of all ages as well as more advanced students performed works from "Twinkle, Twinkle little Star" to Beethoven's Classics. Duets by students and their family members were definitely a hit of the evening.

Most of these students are members of a local organization called Moraine Musicians. This organization is designed to enhance their overall musical experience. In addition to contests, workshops, and other special music programs, Moraine Musicians has a festival each spring. Each member prepares and memorizes two contrasting pieces and performs them for a judge. The festival is designed as a positive learning experience for each performer. This year these students did a fantastic job at the festival earning 13 superior, 6 excellent, and 3 very good ratings. Students receiving a superior rating were awarded a Beethoven bust for their accomplishment.

Refreshments were served following the recital.

In the Service

Jed M. Lauters, son of James and Joann Lauters, N1267 Hwy. GGG, Campbellsport, enlisted in the Air Force on July 10, 1992, according to TSgt. Brian L. Giese, Air Force Recruiter located at 20101 W. Bluemound Rd., Waukesha.

Upon successfully completing the Air Force's six-weeks basic military training at Lackland Air Force Base, near San Antonio, Texas, he is scheduled to receive technical training in the Electronics Career Field.

Jed, a 1987 graduate of Kewaskum High School, will be earning credits toward an associate degree in applied sciences through the Community College of the Air Force while attending basic and technical training schools.

In the Service

Marine Lance Cpl. Steven A. Liegl, son of Steven A. and Diane P. Liegl of 1170 Hillside Drive, Kewaskum, recently deployed with 2nd Battalion, 8th Marines, 2nd Marine Division, Marine Corps Base, Camp Lejeune, NC for six months to Okinawa, Japan.

Liegl will participate in various operations and training exercises designed to challenge the mission readiness of the unit.

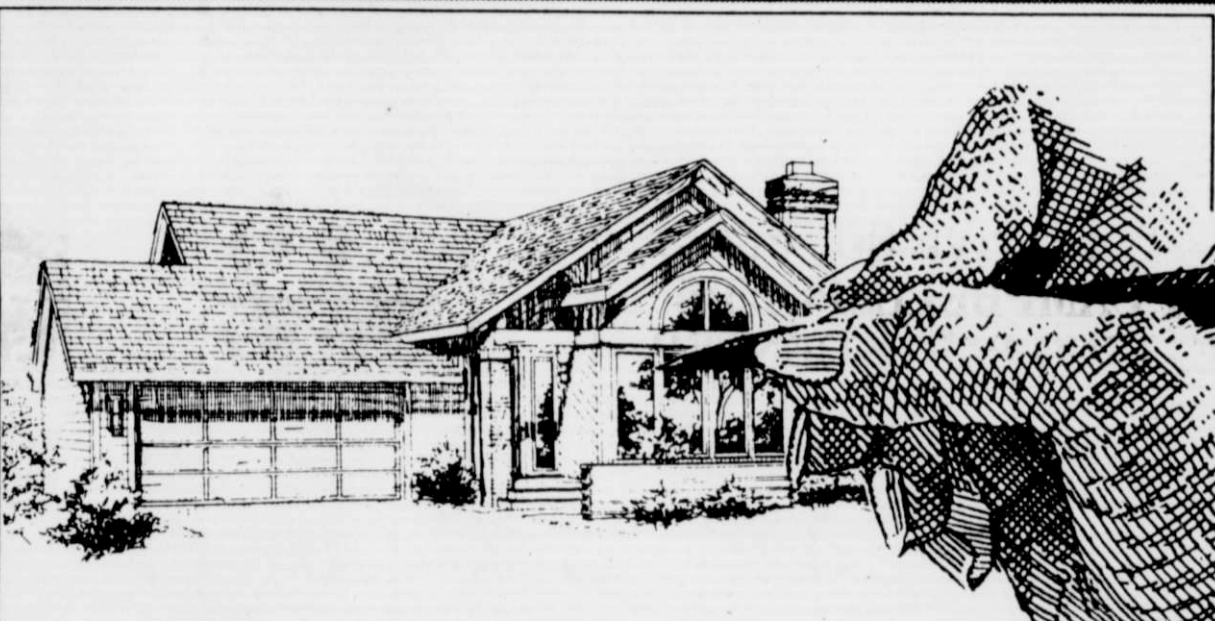

The 1991 graduate of Kewaskum High School joined the Marine Corps in June 1991.

4-H Youth Attend State Congress

First Row: Adam Bingen, Rik Novotny, Jeff Trzebiatowski, Ryan Herman, Ryan Ellefsen, Bobbie Jo Draper, Joanne Lemke.
 Second Row: Chaperone - Bob Friedemann; Karen Hall, Kerry Perersen, Sarah Ritger, Jessica Harry, Glenda Prochnow, Chaperone - Sue Hautamaki.
 Third Row: Christine Schmidt, Jolie Bingen, Jenny Johnson, Erin Stoffel.

June 8, 1992, sixteen Washington County 4-H youth boarded a bus to Madison, Wisconsin, for the Seventy-second Annual State 4-H Congress, from June 8-11, 1992. State 4-H Congress is held on the University of Wisconsin Madison campus. It is open to all 4-H youth from all ages of 18 all over the state of Wisconsin. Congress is a learning experience for all older youth in 4-H. This includes seminars, assemblies, and responsibilities.

We, the Washington County Delegates, arrived in Madison around noon Monday, June 8, 1992. During the stay the girls roomed in Ogg Hall, and the boys in Witte Hall. Monday evening, after the state's delegation had arrived, there was an opening assembly in the Memorial Union Theater. We were welcomed by the State 4-H Youth Leader Council, and Steven F. Kinzel, State 4-H Program Leader, with a creative review of the Congress rules. A presentation on sexual assault was given by representatives from the Rape Crisis Center located in Madison. To end the assembly, Ken Lonquist entertained us with his Wisconsin folk songs. Following the assembly there was a dance by D.J., Mr. Dance.

On Tuesday, after breakfast, we all went our separate ways to our seminars which we had signed up for. Everyone met some new people, and learned lots of new things. After returning for lunch, we had our second seminar. At Tuesday evening's assembly, we welcomed, and were welcomed by the State 4-H Adult Leader Council. The State 4-H Drama Company presented their original play "Separate Once Again" for the first and last time. The Company performs this play only for the State 4-H Congress. Following the assembly we had an evening of free time.

Wednesday brought our third and fourth seminars. At Wednesday's assembly, the State 4-H Showcase Singers performed their energetic and well done show. Following the assembly there was a closing dance by Mr. Dance, and a polka/ballroom dance by the Bill Terry Sextet. Thursday morning was our

closing assembly. The State 4-H Congress Photo Team, who had been snapping candid pictures all week, presented their slide show of State 4-H Congress, 1992. The 1992 officers of the State 4-H Youth Leader Council were installed for their 1992-93 term. To end the assembly, and our experience, Dan Clark, a nationwide inspirational speaker, gave us a speech trying to get us to look at the big picture instead of just our own lives.

After eating our last meal on campus, we boarded our busses home.

State 4-H Congress was a great

experience for all of us. Everyone learned a lot, met new friends, remet old friends, and had a good time. Our experience will always be valuable to us.

Thank you to our donors from Washington County: Washington County Bankers Assoc., West Bend Kiwanis, and Washington County 4-H Leaders Assoc.

Kasten Announces Senate Candidacy

MILWAUKEE... U.S. Senator Bob Kasten, R-Wis., recently announced that he is a candidate for re-election to the Senate.

"I want to be in the Senate to continue the fight to lower taxes, give a helping hand to Wisconsin's small businesses and restore the integrity of the American family. The choices have never been clearer," Kasten said in remarks to supporters at Thiensville, Green Bay, Wausau, Rhinelander, Superior, Eau Claire, La Crosse and Madison.

"The fight that I have been waging, often as a member of a small minority, is more important today than ever before. Therefore, I want to take this opportunity today to announce my candidacy for the U.S. Senate."

Kasten said the people of Wisconsin will face a choice between two fundamentally different types of government in the upcoming campaign. He said it would be "a choice between more government, more taxes and more interference in our lives... and the approach I subscribe to, of less bureaucracy, lower taxes, strengthening the family and the hope that government can empower the individual."

Kasten outlined the differences between himself and the prospective opponents. Said Kasten: "Just as I stood up to the White House and the Washington establishment against raising taxes in 1990, I will stand up to any Democrat, Republican or Independent, for that matter, that wants to raise our taxes and limit our opportunities." Kasten has long opposed tax increases, and was a leader in the Senate against the tax increase of 1990.

Joined by his wife, Eva, Kasten said he was running for the Senate to create a better future for Wisconsin. "Our state of Wisconsin is unique, independent, strong-willed, and that's the kind of voice I've been in the U.S. Senate. I ask you and the people of Wisconsin for your help, your support and your vote."

Art Show for Horse Lovers at Cedar Ridge

Two very special women artists will present a showing of their art work at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend, on Sunday, July 26, from 2 to 4:30 p.m. The general public is invited to attend. Sponsored by the Cedar Campuses, the artists will greet their guests in the Cedar Ridge Assembly Room.

Decorah, Iowa artist, Nancy A. Christopher, is a well known free lance photographer of animals, nature and unusual subjects. Her husband is one of the best professional mule/horse trainers in America. Nancy's favorite subjects are her husband training his mules, the variety of animals around the farm, deer and wild flowers. Her photographs have been featured in "Farm and Ranch Living," the "Country Journal," the "Gun and Buckskin Journal" and the "Draft Horse Journal."

A sculptor of horses, Ginny Solie Emmons, resides in Bangor, Wisconsin. She works chiefly by commission, providing original sculptures for people's enjoyment and collections. Ms. Emmons is well known for her realistic beautiful renderings which seem to flow from her artistic soul.

A delightful reception with refreshments and good fellowship is featured as part of the artist reception. The Cedar Campuses sponsors public presentation of unique and talented artist showings every two years.

Pony Visits Tot Timers

The Kettle Moraine Y.C.M.A. Tot Time class held in the Peace Church in Kewaskum ended their school year with pony rides and excited smiles. Leslie Schultz, daughter of Leon and Karen Schultz, brought her pony and horse to Tot Time for "show and tell."

For many of the five-year-old tot timers, it was their first chance to see a pony up close, other than at a zoo. It was a learning experience that was enjoyed by students and teachers alike.

Leon Schultz, left, and Karen Schultz, right, assist their daughter, Leslie, aboard her pony named "Patches."

The five-year-old Kewaskum Tot Time class is pictured above with, left to right: Karen Schultz, "Patches," Mrs. Fenrick, teacher and Mrs. Thorn, teacher's aide. Anyone interested in enrolling their children in the five-year-old or four-year-old Tot Time program in Kewaskum should contact the Kettle Moraine Y.M.C.A. at 334-3405.

Campus Notes

More than 1,500 students have been honored by the University of Wisconsin-Stevens Point for attaining high grade point averages during the past spring semester.

Students who earned grade points from 3.9 to 4.0 (4.0 equals straight A) are given the highest honor designation. High honor citations go to those with grade point averages from 3.75 to 3.89 and honor recognition is accorded to those with grade point averages from 3.5 to 3.74.

Vice Chancellor and Provost Howard Thoyre said personalized gold-embossed certificates were sent to those who earned highest honors.

Eighteen percent of the 8,400-plus undergraduate students at UW-SP for the semester were recognized for their academic feats.

Area students honored include: Brian K. Ruplinger, honors, 9550 Skyline Dr., Allenton; Stephen L. Dickman, highest honors, N1361 Hwy. 45, Campbellsport; Seamus M. Garvey, honors, N1076 Cty. Soggy Parade Doesn't Dampen Watchers' Spirits

Showers did not dampen the enthusiasm of the spectators of the Kewaskum Firemen-Legion Parade on Sunday as many hid under umbrellas waiting out the raindrops. Even though the parade was delayed by a half-hour parade-watchers toughed it out to be treated to one of Kewaskum's nicest parades even though the rain had no mercy on the hard work put into the floats. Optimistically speaking, the way the weather has been this summer, we should consider ourselves fortunate it didn't snow. Never take Wisconsin weather for granted. Above is the first prize winning float in umbrella land entered by My Little Friends Day Care Center.

Regal Ware's Little Mermaid float was awarded Honorable Mention.

The Campbellsport Sno Cougars took second place honors with their entry in Sunday's festivities.

This strange little "alien" passed out goodies to soggy parade watchers.

Third place was won by the Campbellsport 4-H Club.

This brave little twirler was damp, but never broke stride.

SARAH C. FAY

Sarah C. Fay, nee Gahagan, of West Bend died Monday, July 6, 1992, at St. Joseph's Community Hospital, West Bend, at the age of 91.

She was born Oct. 13, 1900, in Redwood County, Minn., to the late Charles and Catherine (McGrain) Gahagan.

At an early age, she moved with her family to the town of Mitchell in Sheboygan County until her marriage to George Fay at St. Mary's Church in Cascade on Nov. 28, 1922.

Shortly after their marriage, they settled in Boltonville, where she lived until coming to West Bend in 1975.

Her husband preceded her in death April 10, 1968.

Survivors include three children, Eugene (June) of Boltonville, Joanne Link of Milwaukee and Sharon (Ronald) Petermann of Boltonville; a daughter-in-law Mae Fay of Boltonville; 10 grandchildren; 12 great-grandchildren; other relatives and friends.

She was preceded in death by two sons, Robert and Thomas as well as brothers and sisters.

Funeral services were held 10:15 a.m. Wednesday, July 8, at the Schmidt Funeral Home in West Bend, with a Mass of Christian burial at 11 a.m. at St. John of God Church in the Town of Farmington.

Rev. Roger Zens officiated. Burial followed in St. Michael's cemetery.

Visitation was at the funeral home from 9 a.m. Wednesday until the time of services.

BERNICE HOFFMAN

Funeral services for Bernice A. Hoffman, 89, of Main Street, Campbellsport, were held at 8 p.m. Sunday at Twohig Funeral Home, Campbellsport.

The Rev. Stanley Hayes officiated, and burial took place Monday at Union Cemetery.

Mrs. Hoffman died Friday, July 10, 1992, at All About Life Rehabilitation Center (formerly Care Center East), Fond du Lac.

She was born Oct. 30, 1902, in the Town of Eden, a daughter of Charles and Ameila Thruene Baumhardt. On March 29, 1922, she married Paul F. Hoffman at Fond du Lac. He died Dec. 12, 1990.

Mrs. Hoffman was a member of First Methodist Church, Campbellsport.

Survivors include one son, Paul Jr. and his wife Frances of Opelika, Ala.; six daughters, Betty Jane Giese of Fond du Lac, Violet Zimmerman of Boardman, Ore., Doris Wesenberg and her husband Fred Sr. of Kewaskum, Shirley Atkins and her husband Harry of Surprise, Ariz., Dorothy Westover of Denver, Colo., and Alice Hoffman of Salt Lake City, Utah; 22 grandchildren; 18 great-grandchildren, and five great-great-grandchildren.

She was preceded in death by three sisters and two brothers.

Visitation was from 5 p.m. until the time of service Sunday at Twohig Funeral Home, Campbellsport.

ROCCO CAMPAGNA

Rocco P. Campagna, Sr., 73, of 195 N. Pioneer Road, North Fond du Lac, died Saturday, July 11, 1992, at his residence.

He was born Jan. 16, 1919, in DePew, N.Y., to Michael and

Bridget Maniconi Campagna. On Dec. 10, 1966, he married Margaret J. Prink in Fond du Lac.

Mr. Campagna was employed at Stella Cheese in Campbellsport and then at Mercury Marine until his retirement.

Survivors include his wife; two daughters, Nila Schnirl and her husband James of Glendale, Ariz., and Sharon Buechel and her husband Terry of Waupun; one son, Rocco Campagna Jr. of Fond du Lac; 10 grandchildren; nine great-grandchildren; five brothers, Anthony of Boston, Mass., Joseph of West Bend, Michael and his wife Shirley of Coleman, Robert and his wife Albina of Fond du Lac, and Dominique and his wife Grace of Campbellsport; one sister, Lucy Pavone of Bridgeport, Conn.; and nieces and nephews.

Preceding him in death were his parents; one grandson; one great-granddaughter; one brother, Angelo; and one sister, Virginia.

Funeral services were held at 8 p.m. Monday at Uecker-Witt Funeral Home, Fond du Lac. The Rev. Patrick Heppe officiated. Cremation followed.

Friends called from 4 to 8 p.m. Monday at the funeral home.

IN MEMORY

In loving memory of LORAIN HERRIGES, who passed away one year ago, July 21, 1991:

God saw she was getting tired
And a cure was not to be.
So He put His arms around her,
And whispered, "Come with Me."
With tearful eyes we watched her suffer,

And saw her fade away,
Although we loved her dearly,
We could not make her stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us,
He only takes the best.

Sadly missed by the family

CARD OF THANKS

The families of Gertrude M. Berres and Patricia P. Cornelius would like to thank our relatives and many friends and neighbors for their prayers and support. We wish to thank Father Roger Zens, Father Tom DeVries, Father Steve MacAulay, donors of food; Mass memorial and floral tributes, organists, vocalists, Christian women, traffic officers, Schmidt's of West Bend, Moore's of Owasso, OK; and everyone who showed their respect and helped in any way. Your kindnesses will always be remembered.

CARD OF THANKS

A very sincere thank you to our relatives, neighbors and friends for their many kindnesses and prayers. We wish to thank Father Roger Zens, donors of Mass memorials, floral tributes, whoever brought food to the church hall and our home, the organist, choir, pallbearers, Millers Funeral Home, Christian Women, and to anyone who showed their respect or helped in any way. Your kindness will long be remembered.

Moraine Park Adopts 1992-93 District Budget

The budget for Moraine Park Technical College's fiscal year 1992-93 was adopted by the Moraine Park Vocational, Technical and Adult Education District Board at their June 18 meeting held at Moraine Park's West Bend campus. The \$28,575,704 budget will be used for the making of capital improvements, payment of indebtedness, acquisition of equipment and the operating and maintenance of the schools of the District.

The major areas of proposed remodeling and expansion include:

- The remodeling of the computer lab at the Beaver Dam campus to allow for more effective utilization of space in the business division program areas.

- The expansion and remodeling to accommodate Student Services and relocate Data Processing at the Fond du Lac campus to allow for additional space for a computer lab and business division programming, including the new marketing communications program which begins this fall.

- The remodeling and expansion at the West Bend campus will include relocating the library through new construction and expanding the computer lab to facilitate additional students. The remodeling will also allow for the relocation onto campus of the industrial screen printing program which currently uses leased space from Serigraph, Inc.

In other Board action:

- The bid of H.I.S. Corp. in the amount of \$11,745 for the reroofing of "D" building at the Fond du Lac campus was accepted.
- Authorization was given to

IN MEMORY

In loving memory of Ludwig Roecker.

A heart of gold stopped beating
One year ago today (June 19, 1991).

Two shining eyes at rest;
God broke our hearts to prove to us

That he alone knows best.
And sad has been the way;
Tis' a lonesome home without you,

And sad has been the way;
For life and home are not the same

Since you were called away.
In life we loved you dearly,
In death we love you still,
In our hearts you hold a place
NO ONE can ever fill.

It broke our hearts to see you go
But you did not go alone
For part of us went with you.
That day God called you home.

Sadly missed by his wife,
children, grandchildren and
great-grandchildren.

Evaluating Corn Frost Damage

By Jack Trzebiatowski
Washington Co. Agriculture Agent

Many producers are reporting that the corn fields were damaged by frost that occurred last month. Growers are concerned about whether or not the crop will survive and what action to take.

Corn has the ability to survive after some fairly significant frost damage. A corn plant develops with its growing point below ground level and is then protected by stem tissue.

Even if the growing point is an inch or two above the soil surface, the leaf sheath tissue surrounding and above, it provides some protection from the cold temperatures. No matter how bad the plants look on the outside, the plants must be split open to observe their potential to regrow based on the growing point. If the growing point is still yellowish green, not mushy brown by late this week, there is an opportunity for survival.

Growers need to take the damaged plants and split some of them open and evaluate the condition of the growing point. If it appears that there is still potential, it's best to wait before further action. Some research has shown benefits to mowing dead tissue to allow new growth easy passage. Most of the time it's not necessary and there is risk of mowing off the growing point if growers are not careful. It is suggested that growers be patient and although new growth will look tied up for a while most plants will usually be able to unfurl.

Fields that have reduced stands will likely produce higher yields than replanting this late in

the season. Replanting with early maturing variety will usually result in a crop only being used as corn silage. Patience is important, growers should not make decisions too rapidly about replanting their fields.

Excerpts From 'As I Remember'

By Marvin Martin

The first street lights in Kewaskum were arc lights. These lights would be lowered, the two carbon sticks adjusted properly and turned on at certain times of the day and night. They were located primarily at street corners, and were furnished by L. Rosenheimer Malt and Grain Co. Most of our electric lights were put in in the 1920s. I remember when a group of electricians from Oshkosh came in and did extensive wiring of homes, this was not tube wiring - before BX and cable wiring was done.

Sewer and water was another thing that was not done until the 1920s. Water in the homes was cistern or well water. Most homes had a well pump situation outside the home. Most had a wet sink, a pan for washing hands and face and a common pail with a dipper which was used for drinking water.

Some homes had a bath tub, others a wash tub was used and usually set in front of the stove, children taking their baths first, then the mother and then father.

Most of the heating was done by either wood or coal stoves. Often times the homes had a living room which was only open when company arrived and was usually not heated.

Reports have been heard that a rattlesnake was seen the past week near the former blacksmith shop along the Milwaukee River near the Main Street bridge. Buddy Naumann stated he saw the

rattler, coiled in a striking position and heard the rattles. It is a mystery where the snake could have come from or where it has gone as it has not been seen since.

A Chevrolet auto owned by Lloyd Flynn of this village was almost totally destroyed by fire Tuesday night on County Trk. G, six miles north of Kewaskum. Trouble in the motor is believed to have originated in the carburetor causing the car to catch fire while it was being driven by Flynn. The car began to burn after flames were seen shooting out of the exhaust pipe. The interior of the car, rear tires and all of the windows were destroyed and the paint burned off the body.

New Rustic Roads Booklet Available from State DOT

A new, updated guide to Wisconsin's Rustic Road system is now available from the state Department of Transportation — just in time for a summer outing along the state's most scenic routes.

Rustic Roads are rural roads where traffic volume is low, but historic, cultural and scenic values are high. The system was created by the 1973 state Legislature to preserve the state's scenic, lightly traveled rural roads for the leisurely enjoyment of bikers, hikers and motorists.

This year's edition of the guidebook contains several new segments. They include:

R-61 — This three-mile segment of Outagamie County MM runs from Hortonville to Stephenville. It offers an interesting combination of historic and scenic features. R-61 crosses several streams and stretches along several wetland areas that are part of the Wolf River watershed.

R-62 is in southeastern Price County. This 2-mile segment connects WIS 86 and County C. Although a relatively short stretch of Rustic Road, R-62 is long in aesthetic quality. It weaves past several lakes, and provides access to Timms Hill, the highest point in Wisconsin.

R-49 (extension) in Sauk and Columbia Counties stretches between WIS 33 and County T. As it travels through the Aldo Leopold reserve along the Wisconsin River, R-49 gives motorists, bikers and hikers an opportunity to view prairie grasses, wildlife, trees and marshlands. This extension adds another seven miles to this delightful road, and ushers travelers past the Pine Island Wildlife Area, woodlands and wetlands, and offer an opportunity to view large numbers of migrating Canadian geese in the spring and fall.

R-52 (extension) in Washington County connects County Highways Y and M. This short extension doubles the scenic value of R-52. Three town roads, Paradise Drive, Wausaukee Road and St. Augustine Road, combine to offer both scenic and historic qualities unsurpassed in the area. Native wildlife and vegetation are abundant, and historic features include a log home and an old stone house, both approximately 130 years old. Bicycling is especially popular along this Rustic Road.

This year's Rustic Roads guide

is dedicated to the late Earl Skagen of Racine, the program's founder, and the late Joyce Erdman, Madison, one of the early leaders of the Rustic Roads program.

The Rustic Roads guide includes information about how segments of scenic roads are added to the system, complete descriptions of all 62 segments located in 37 counties, and easy-to-read maps showing their location.

Free copies of the guide "Wisconsin's Rustic Roads — a Positive Step Backwards," are available by writing the Rustic Roads Board, Department of Transportation, P.O. Box 7913, Madison 53707.

The United States Mint was created by an Act of Congress, April 2, 1792.

**RESOLUTION NO. 92-16
RESOLUTION APPROVING A BULK DISPOSAL
FEE FOR SOME NON-RECYCLABLE MATERIAL**

WHEREAS, the Kewaskum Village Board has recognized the need to assist the residents of the Village with their disposal of some non-recyclable materials; and

WHEREAS, the Kewaskum Village Board on June 1, 1992 approved the placement of a large mobile container at the recycling center to provide a location for residents to dispose of some of their non-recyclable materials; and

WHEREAS, this mobile container is an added expense to the Village it was determined to establish a bulk item fee for the disposal of such items as described in the Municipal Code under Public Health and Welfare, 14.09 (5) (d) 6; and

WHEREAS, those items are known as furniture, carpeting, general construction debris, Etc.

NOW THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, as provided for in the Municipal Code 14.09 (12) establish a **BULK ITEM DISPOSAL FEE** of \$5.00. (This \$5.00 will grant the resident permission to place one bulk type item into the large mobile container for disposal.)

BE IT FURTHER RESOLVED, that the **BULK ITEM DISPOSAL FEE** of \$5.00 is to be paid for and picked up at the Municipal Building, 204 First Street, Kewaskum, WI. at which time a yellow sticker with black printing will be given to the **Village resident** wishing to dispose of such bulk items.

BE IT FURTHER RESOLVED, that the Recycling Site Manager, Director of Public Works, and Administrator shall determine what consists of a bulk item. (mattress, sofa, large chair, normal trailer load of debris, normal pick up truck load of debris, etc.)

BE IT FURTHER NOTED, that this resolution as well as the fee charged per item may be changed and the type of bulk items accepted may change with the implementation of the new recycling law.

Adopted and approved this July 13, 1992, by the Kewaskum Village Board.

Kewaskum JVs Take Two, Lose One

By Statesman Sports Writer
The Kewaskum JV Baseball team took two of three games this past week. On Tuesday Random Lake defeated the Indians 9-6. Wednesday, Kewaskum managed only two hits but still defeated Manitowoc 7-5. Friday, Kewaskum's bats came alive as the Indians pounded Sheboygan south 12-1.

Kewaskum took a 3-0 in the first inning against Random Lake. Dan Survis collected the only hit in the inning for the Indians. Cory Rammer and Rob Donath drew walks and Random Lake committed two errors to allow Kewaskum to score three unearned runs.

Random Lake picked up two runs in the third inning off Kewaskum starter Dane Dorn. Both runs were earned as the Rams collected two singles after two were out to make the score 3-2.

Donath led off the Indian third with a single and advanced to second on Chad Muckerheide's ground out. Donath stole third base and scored as the catcher threw the ball into left field.

Random Lake struck for four runs in the fifth inning to take a 6-4 lead. Dorn struck out the first batter but then encountered control problems as he walked three batters and unleashed three wild pitches. Random Lake had just one hit in the inning, that being a two RBI triple by Mike Birenbaum. Random Lake added an unearned run in the sixth inning and two more runs in the seventh inning to go up 9-4.

Dan Survis led off the Kewaskum seventh with a single and went to second on a wild pitch. Donath singled to score Survis. Muckerheide followed with a walk and both he and Donath advanced on a wild pitch. Travis Jacak flew out and Mark Strobel popped out, but Brad Schekirke walked to load the bases. Dorn walked which scored Muckerheide. That would be the end of the Indian rally as Kevin Klahn's line drive was caught by the second baseman for the last out.

Donath and Survis each collected two hits to lead the offense. Dorn took the loss dropping his season record to 5-2. He walked six, struck out seven, and yielded six hits. Six of the nine Random Lake runs were earned. Jason Horn collected the win for the Rams.

Wednesday the Indians ended their three game losing streak as they were the beneficiaries of twelve walks by Manitowoc pitchers.

Kewaskum led 2-1 after the first inning. Manitowoc's run came as the result of two walks, a passed ball, and ground out. Kewaskum scored its runs on three walks, two errors, and a wild pitch.

Manitowoc tied the game in the fourth inning, but the Indians came back to score three runs in the bottom half of the inning. Strobel walked, stole second and went to third on a wild pitch. Klahn also walked and stole second base. Rammer's single scored

Strobel and advanced Klahn to third. Donath then walked to load the bases. Jacak's sacrifice fly scored Klahn with the second run. Rammer and Donath successfully ran a double steal with Rammer scoring when the catcher threw the ball into left field.

Kewaskum's lead increased to 7-2 in the fifth inning, as Dorn and Jamie Brown both scored when Rammer reached on a two out error by the shortstop.

Manitowoc threatened in the seventh inning as Kewaskum's defense committed three errors, but the final two batters were retired as Rob Donath made a fine running catch in right field and Steve May easily handled a pop up.

Klahn went the distance to pick up the victory. He gave up four hits, walked four, and struck out five. One of the five Manitowoc runs was earned. Rammer and Schekirke had the Indians two hits.

Kewaskum led Friday's game 2-0 as they came to bat in the fourth inning but blew the game open by posting seven runs on three hits and two costly Sheboygan errors.

Kurth struck out to start the fourth. Brown then singled to left to start the uprising. Jacak's ground ball was mishandled by the shortstop, and Klahn followed with a walk to load the bases. Rammer followed with a slow roller which the shortstop bobbed as Brown scored. Donath grounded to the first baseman who attempted to retire Jacak at the plate, but the throw was late which allowed the second run of the inning to score.

Muckerheide's single plated Klahn with the next run and Strobel's bases loaded triple brought in the next three. After a pitching change Schekirke grounded out but in the process drove in Strobel to give the Indians a 9-0 lead.

Kewaskum added a run in the fifth and two runs in the sixth to take a 12-0 lead. Rammer singled in the fifth to score Shane Engelking, who reached on an error. In the Indian sixth, Strobel doubled and scored on a double by May. May scored on a single by Justin Hanson.

Donath's shut out bid ended in the seventh as Sheboygan collected three hits and scored once. Donath gave up six hits, walked three, and struck out six as he picked up his first win of the season. Strobel was 3 for 4 with a double, a triple, and 3 RBI. Rammer was 3 for 5 with 3 RBI and Jamie Brown was 2 for 2.

The only woman to receive the Medal of Honor, the highest military award given by the United States government was Mary Edwards Walker, a Union Army surgeon during the Civil War.

Spring Turkey Hunt Brings Record Harvest

MADISON, WI — Turkey hunters participating in Wisconsin's tenth annual spring hunt bagged a record number of wild turkeys. Bill Vander Zouwen, upland wildlife ecologist for the Department of Natural Resources, said that 43,749 permit-holding hunters killed 8,745 turkeys. An additional 49 turkeys were bagged in a special hunt held at Fort McCoy.

In the 1991 spring season, hunters bagged 6,862 wild turkeys. Vander Zouwen said the record harvest this year followed from the record number of permits available for the six hunting periods scheduled during April and May. Wisconsin's statewide turkey population totals more than 100,000 birds.

"As Wisconsin's turkey population has continued to grow, we've been able to open up more hunting areas," said Vander Zouwen. "We had more than 48,000 permits available this spring, up some 7,000 from last year. Turkey

hunters had 36 zones to choose from, including five new zones and some limited hunting opportunities in 11 state parks."

The overall hunter success rate for the spring season was 20 percent which Vander Zouwen said is typical of Wisconsin's spring hunts.

He said success rates of 25 percent and 21 percent during the first two hunting periods were lower than expected because of poor weather. Hunter success held up during the next three periods — 22, 17 and 18 percent — and then dropped as usual during the last period, finishing up at 14 percent.

Hunter success rates and total harvests were highest in the southwest corner of the state, an area where Vander Zouwen said the turkey population is well established and turkeys are abundant. He added that hunters also did quite good in four of the five new hunting zones — 17, 19, 27 and 28.

Fall Turkey Hunting Applications Due Aug. 10

MADISON, WI — Turkey hunters are reminded that applications for a permit to participate in Wisconsin's 192 fall turkey hunt are due August 10.

The fall season includes three hunting periods: Oct. 12-18, Oct. 19-25 and Oct. 26 - Nov. 1; 24,990 permits are available in 19 hunting zones.

Permit applications are available at Department of Natural Resources offices throughout the state; applicants must pay a \$3 application fee.

Successful applicants who hunt in the fall must also purchase a Wisconsin 1992-93 turkey stamp (\$5.25) and a fall turkey hunting license (\$8 for residents, \$50 for nonresidents).

Leaders Struggle in Thursday Softball

By Statesman Sports Writer
KEWASKUM — The three teams tied for first place in the Thursday night men's softball league all had their hands full last week, yet all three were able to post hard-fought wins.

L and R Trophy led On-R-Own just 10-8 going into the fifth inning, but Dan Heisdorf's bases loaded double helped L and R pull away to win 18-10. L and R scored at least two runs in every inning in posting the victory.

C.C.'s also had a tough time of things with winless McKee Buildings, but Mike Schmeling's bases-loaded triple in the top of the seventh helping C.C.'s pull away to a 16-7 win.

The other co-leader, C.C. Cody's fell behind 7-6 in the top of the seventh, but Mike Ciriacks' two-run single pulled it out for Cody's, which took the 8-7 decision. Ciriacks finished with four hits, while Mike Struebing added three.

In the lone other game played Thursday, Mugshots erupted for eight runs in the top of the seventh to post a 16-4 victory over Emun Mill Gamefarm.

In contrast to Thursday's action, the top two Tuesday night men's teams had little trouble in their respective games. T's Lounge II put up 11 runs in the bottom of the first on their way to crushing Schluffy's 18-6. Rick Weiterman hit a homer for T's.

C.C. Cody's, meanwhile, got three hits apiece from Ciriacks, Jeff Neuhauser and Joel Klahn on their way to routing Campbellsport Building Supply 13-1.

Hometown Realty used a balanced attack to upend Amerahn 10-5, while in the other game that was played, Neuville

Chevrolet scored four times in the sixth, helping them to beat T's Lounge I, 6-3.

The Monday night women's league had the week off, due to the July 4th weekend.

A's Down Rubicon; Move to 9-1

By Statesman Sports Writer

KEWASKUM — It was an all-around offensive attack, something that the Kewaskum Athletic baseball team has been used to this season, that helped the A's maintain their hold on first place in the Rock River Northern Division, here, last Sunday.

Dave Donath went 4x5, leading a group of five Athletic players to have multi-hit games, as Kewaskum took care of Rubicon 8-4, as the A's moved to 9-1 in the Rock River, and improved to 13-3 overall.

"He's really ripping it," A's player/manager Doug Gonring said about Donath recently. After coming back from a rib injury, Donath has been on a tear, homering to win a pair of games for the A's and then adding his four-hit effort against Rubicon.

Donath scored the A's first run, ater Rubicon had staked claim to a 1-0 lead with a run in their half of the first. With one out, Donath singled, starting a string of four consecutive singles with Gonring, Terry Koth and Rick Peck. Rubicon pitcher Brian Barber got out of any further damage by striking out the next two batters.

Barber couldn't avoid trouble in the fourth, though, as the A's managed to bat around in the inning. With one out, Ric Leitheiser walked, followed by a Greg Rinn single, and another single by Donath.

After a popup, Koth came through with a clutch single, and the next batter, Peck, was hit by

a pitch. Barry Wenzlaff reached on a dropped third strike, which the catcher then threw past the first baseman, allowing Koth and Donath to score.

Rubicon scored a pair in the top of the sixth, but the A's quickly answered with two of their own in the bottom half of the inning.

Donath singled, and Gonring walked, bringing to the plate Koth, who doubled in Donath. Peck hit a sacrifice fly to score Gonring, making it 7-3 A's, and the lead was never really threatened after that.

Besides Donath's outstanding effort, Gonring added three hits, as did Koth, while Rinn and Peck each finished with a pair of hits.

Lefty Tim Heberer pitched a strong game for the Athletics, going six innings, and giving up seven hits, while striking out five and walking two. Doug Stern came on in relief, pitching one and a third innings, giving up four hits and striking out one.

Dennis Aupperle finished up for Kewaskum, getting the A's out of a jam in the eighth. Aupperle came on with the bases jammed and one out and subsequently retired the next two batters without giving up a run. Aupperle then gave up a walk in the ninth, but quickly got the next two batters on grounders.

The Athletics' game with Juneau this past week was rained out. Kewaskum's next contest will be at home this Sunday against Waupun, beginning at 1:30.

Few Changes in WIAA Rules

By Statesman Sports Writer

GREEN LAKE — Only a few significant changes in winter sports were approved recently by the Board of Control for WIAA schools.

No changes, however, will be coming in the oft-discussed bench conduct rule in basketball, as the Board voted 4-3 to retain present restrictions on coaches. Basketball coaches for several years have been asking for a more lenient position, and their request this year was for implementation of a coaching box similar to what other states use.

There will be no change, either, in basketball's four quarter rule. The coaches have asked to allow students to participate in five quarters (junior varsity and varsity combined) on the same day. The Board's position - supported by the Council - continues to be that fewer boys and girls would participate under the five-quarter provision. The present policy of exempting schools from the four-quarter requirement if participation problems can be documented will continue.

A repeat request of wrestling coaches to score team points in the individual tournament series (Sectional and State) also was denied. The team tournament program has a year left on its two-year experiment, and the Board did not want to consider any changes in procedures. A change in the State Team Tournament format was approved, however, with the decision to begin the Tournament on Friday night, rather than conduct it as a one-day program on Saturday, because of facility problems.

The Board also made these changes:

ALL SPORTS

1. Teams must rest from all physical activity for at least one calendar day after six consecutive days of practice or competition.

2. The eight Division I and four other divisional geographical areas of the state will be numbered and state tournament parings will be determined, effective 1993-94, by rotating these numbers, rather than using the alphabetical sequence of schools hosting sectional competition.

3. The recommendation of a special seeding committee to keep present alphabetical/numbering systems to determine tournament parings in team sports rather than implement a system of seeding teams at one or more levels of competition was accepted.

4. Following discussion with the Department of Public Instruction, it may be recommended to the membership next spring that junior high affiliation be discontinued and be replaced with recommendations and guidelines for sponsorship of sports.

GYMNASTICS

1. The State Tournament will begin on Friday night and conclude on Saturday with little changes in the total time of competition, but more times for participants to rest between team and individual segments of activity.

2. Gymnastics teams will consist of a maximum of five (instead of four) participants, but only the top four scores (same as in the past) will count.

WRESTLING

1. The new 7 percent body fat rule will continue, but the weight certification program will be discontinued because it is no longer necessary.

2. Four officials will be assigned to work the individual sectional tournaments.

3. Junior varsity teams - no more than four times during the season - may allow a third school to participate in a scheduled dual meet, if one of the dual meet teams has seven or fewer

Indians Capture EW Title

By Statesman Sports Writer

KEWASKUM — Finally. After coming close a couple of times over the past five years, the Kewaskum Indians' baseball team has finally won the Eastern Wisconsin Conference title outright.

That's because the Indians staged a couple of late rallies in posting a pair of wins over Sheboygan Falls in a doubleheader here, last Tuesday night. The Indians captured the first game 6-3, and then had to go to an extra inning in order to win the second, 11-9.

The twin wins gave the Indians a 14-3 mark in the EW with one game to play, while second place Plymouth has already lost five times.

Two years ago the Indians were able to post a share of the EW title with Kiel, but have never been able to win the loop outright. Kewaskum finished second in 1988, and even in the years the Indians went to the State tournament (1986 and 1989), they never won the conference crown.

Until this year that is, as the Indians danced with the girl they came with, using the pitching arms of Shawn Schneider and Chad Cook to post the doubleheader sweep.

Schneider had the easier time of the two, as he got the call in the opener and responded by scattering eight hits while striking out three, and walking none, while improving his EW mark to 6-2.

Still he found himself in a tie

ballgame late. With the score 1-1 in the sixth, the Indians finally gave their workhorse pitcher some breathing room.

Brad Weinreich led off with a double, and the Falcons put runners on first and third as Schneider reached on an error. Aaron Rettler ran for Schneider and promptly stole second, and Rettler and Weinreich both scored on a single by Matt Schlosser. Schlosser later came around on Todd Muckerheide's single, making it 4-1 Indians.

After the Falcons closed to within one, the Indians got a couple of insurance runs in the seventh on back-to-back sacrifice flies.

Cook had some rare problems in the nightcap, giving up 10 hits and nine runs before being removed in the seventh. But as has been the case all year, Schlosser was right there to shut the door on the opposition. Remarkably, Schlosser, pitching mostly in relief, has not given up an earned run all season.

Still, the Indians needed all the run support they could get in the second game, after falling behind 5-2, after staking claim to a 2-0 lead in the top of the first.

It stayed 5-2 until the fifth, when the Indians scored a single run, and Kewaskum finally got things back to even with a pair of tallies in the sixth.

The Falcons answered right back, however, taking a 6-5 lead with a run in the bottom half of the inning, forcing the Indians to

stage another seventh inning rally in order to claim the EW title.

Kewaskum was up to the challenge, scoring three runs by virtue of a dropped third strike, a single by Kim Marx, a double by Randy Schlice, a single by Cook, along with three stolen bases and four passed balls.

Falls responded in the bottom of the seventh though, tying the game, and making the Indians work even harder for their championship.

The Indians were up to the task, though, or at least were ready to take anything the Falcons would give them. That's just what Falls did, as the hosts committed an error, and gave up a walk helping the Indians score a pair in the eighth. Marx provided the only hit of the inning, a single, as the Indians gave Schlosser the lead, which is all he needed.

With one of their goals already achieved, the Indians will now try to finetune their game for the upcoming WIAA Tournament series. The Indians have their final EW contest on the road Monday at Kiel, before setting their sights on the winner of the West Bend East-Ozaukee matchup. The Indians will host the winner of that game on Tuesday, July 21st.

VKAA Tournament Here this Weekend

By Statesman Staff Writer

KEWASKUM — The Village of Kewaskum Athletic Association will be holding its annual men's and women's softball tournament at the Kiwanis Community Park this weekend.

The tournament, which begins Friday evening and ends Sunday, will feature some of the top teams in the areas, as well as teams from the Milwaukee and Fond du Lac areas.

The tournament is open to Class D or below men's and women's teams, and there still may be spots open for your team. If interested in getting a team into the tourney, contact Noel Stollenwerk at 626-4485 or Rick Krahn at 626-2736 as soon as possible.

KEWASKUM — The C.C. Cody's softball team will be holding its first annual Co-Ed Softball Tournament at the Kewaskum Kiwanis Community Park on August 7th, 8th and 9th.

The entry fee for the 16-team tournament is \$60.00, with plaques and prize money to be awarded to the top four teams. Hamburgers, brats, beer and soda will also be available.

In order to reserve your team's spot in the tournament, please contact Noel Stollenwerk at 626-4485, or Joe Klahn at 533-5051.

Indians to Host Baseball Regional

By Statesman Sports Writer

KEWASKUM — Kewaskum will be the host of its first game in the WIAA Baseball Tournament series, which gets under way this week.

The Indians, who have already claimed the Eastern Wisconsin Conference championship, will receive a bye in the Regional's first round, which will be Friday, July 17th.

On Tuesday, July 21st, Kewaskum will host the winner of the Ozaukee-West Bend East first-round matchup. Starting time for the Indians' first game will be at 5:30 p.m.

If the Indians win that game, they will advance to the West

Bend Sectional, which will be held the following Thursday and Friday. The Indians would meet the survivor of the Slinger - West Bend West and Campbellsport - Port Washington duals in the Sectional semifinals.

Other teams involved in the other bracket of the West Bend Sectional include first-round foes Grafton-Menomonee Falls, with that winner to meet Germantown, and Cedarburg-Sussex Hamilton, with that winner to play Homestead.

The winner of the West Bend Sectional will advance to the WIAA State Tournament, to be held July 29-30 at Bukolt Park in Stevens Point.

Area Golfers Qualify For State Amateur

By Statesman Sports Writer

Saukville - A pair of Hon-E-Kor members, as well as another Kewaskum-native recently qualified for the Wisconsin State Golf Amateur to be played July 20-23 at the Racine Meadowbrook Country Club.

Hon-E-Kor mainstays Mike O'Connor Jr. and Joe Doherty will be among the field in the State Amateur, as they used fine rounds at the Hawthorne Hills CC here, last Monday, to qualify. Former Kewaskum High and UW-Stout standout Gregg Dean also made the field, representing a golf course near the Stout campus.

O'Connor finished fifth in the qualifying, as he shot a 73 on the par-71 Hawthorne layout. Doherty was two shots behind O'Connor in the field, while Dean barely snuck in the State Am., carding a 77, which was the cutoff point in this District, which placed the top 33 golfers in the championships.

In addition to those three golfers, another six members of the West Bend Country Club, and two more from Hartford qualified for the State Am. West Bender's include Randy Warobick, Ted Sprinkmann, Frank Tenfel, John Limbach, Jamie Sullivan and Mike McGurie, while Jay Krueger and Dave Lang will represent Hartford Country Club.

Rally in 7th Lifts Indians

By Statesman Sports Writer

KEWASKUM — It took the Kewaskum high school baseball team 13 innings to finally get a hit off of Chilton pitcher Chad Hemauer. And for the Indians, it came in just the nick of time.

After being no-hit by Hemauer earlier in the year, the Indians finally got to him in the sixth inning here, last Monday night, helping the Indians stage a late rally to beat the Tigers, 4-3.

Despite getting three hits off Hemauer in the sixth, the Indians only were able to tally a single run, and found themselves down 3-2 heading into the bottom of the seventh.

But the never-say-die Indians came up with yet another rally in their last at bat, as Hemauer walked Jason Krahn to open the inning, and subsequently, the floodgates.

Matt Schloser followed Krahn with a double that one-hopped the left-field fence, putting runners at second and third with none down.

Doug Buechel then grounded to short, but when the Tigers tried to nail Krahn at the plate, they were unsuccessful, as Krahn bowled into the Chilton catcher and scored.

Buechel's courtesy runner, Pat McFadden subsequently stole second, giving the Indians a second and third with none down once again.

After a strikeout, Randy Schlice received a free pass on an international walk, loading the bases for Chad Cook. The senior southpaw showed why he is one of the leaders on the club, hitting a sacrifice fly to score Schlosser from third with the winning run.

Cook's RBI made a winner out of Indians starter Todd Muckerheide, who once again

turned in a clutch performance on the mound. The junior righthander gave up just five hits in moving to 2-0 in the Eastern Wisconsin Conference, and helped the Indians move ever closer to clinching the EW title.

The Indians upped their mark to 12-3 in conference, with just three games to play. They lead second place Plymouth by one and a half games.

The Indians jumped out to an early lead, without getting a single hit in the first. After Randy Schlice reached on an error, stole second and moved to third on a bad throw, Cook registered his first RBI of the night with a sacrifice fly to score Schlice.

Chilton scored one in the second, and then went ahead 3-1 with a pair in the sixth. Keith Stefles singled and came around to score on a double by Hemauer, who later scored on a single by Chad Johnson.

The Indians came right back to tie things in the bottom half of the sixth. Schlice got the first hit off of Hemauer, a single, and later came around to score on a double by Brad Weinreich. Weinreich was later thrown out trying to score on an infield hit by Shawn Schneider.
