Taxpayers Denounce Property Tax Increase

Village Board Sends '93 Budget Back to Dept. Heads

By Noel Stollenwerk

With taxpayers in attendance saying that any property tax increase is too much, the Kewaskum Village Board voted last Monday night to send the proposed 1993 budget back to the various department heads, in order to cut \$21,916 and ensure no tax increase.

But Fire Chief Robert Stoltzmann and Police Chief Richard Knoebel made it clear at the meeting that their departments will be hard-pressed to come up with additional areas to be cut.

"We've chopped away at this thing for a couple of months

already," Stoltzmann told the Board, adding that if he were to redo his budget, he would already be forced to add, instead of cut, thousands of dollars.

Knoebel added that he already tightened his department's spending. "I don't know where I could come up with any more cuts," he said.

All of which points to the Department of Public Works possibly being the hardest hit by the taxpayer's disapproval at the meeting. DPW Director Jerry Gilles told the Board that his crews will do just what the village allows them.

"We (the DPW) can always do more or less, depending on the

public's needs and wants," Gilles said. "It (cuts in the budget) would force us to either eliminate or put off some projects."

Taxpayers were vocal in their view that the Village property tax, which would have increased .23 per \$1000 of assessed value if the budget would have passed, should remain unchanged. "You're the guys who can do it, and should do it," expressed Elmer Hallen, who was in attendance. Trustee Robert Beisbier echoed both the taxpayer's and Board's stand that "we all want a balanced budget."

Discussion followed on possible areas to be cut, including

delaying the finishing of sidewalks, delaying the purchase of new equipment, and cutting out possible salary increases.

Trustee Gary Gavin approved the delays, saying that the Village's revenues should be up next year due to developments taking place.

Village Administrator Dan Schmidt added that revenues "should be up...to some degree," next year due to the growth.

Next year's proposed budget, which will now go back for revisions, is up by a total of 7.9 percent, or \$105,703. The total budget was \$1,439,905, up from 1992's totals of \$1,334,202.

Town Tax Levy Up

By Noel Stollenwerk

TOWN OF KEWASKUM — The Town of Kewaskum's 1992 final tax levy is up \$2.89 from the 1991 levy of \$24.77 per \$1000 of assessed property value, according to figures received.

The 1992 tax rate will be \$27.66 per \$1000 with the Town of Kewaskum contributing to \$4.46

of that total. The Town's tax levy increased .95 from 1991.

The total levy increase, including that of the Town, State, County, School and MPTC, is \$124,413.53, making the total gross tax \$1,078,384.25.

Much of the increases in the Town's levy is due to the building of the new Town Hall and garage.

Home Decorating Contest Judging, Monday, Dec. 14

The Kewaskum Area Chamber of Commerce is again sponsoring a Christmas outdoor decorating contest. With all the mild, weather in this area in recent weeks, many residents put up decorations earlier this year and the judges will not have an easy time making their decisions.

Judges will be making their rounds through village streets on Monday evening, December 14. All residents are asked to have their decorations lit from 6:00 to 10:00 p.m. that evening.

Cash prizes will be awarded to

the top three home owners. Judging will be based upon originality, creativity, and overall promotion of the holiday spirit.

Winners will be notified by the Chamber of Commerce and a listing will be announced in the Kewaskum Statesman.

Area residents and those from surrounding communities are encouraged to take time out to bring their families and friends to the Village to enjoy the many holiday decorations during this festive season.

Neumanns Honored By East Central/Select Sires

East Central/Select Sires honored Roger and Ann Neumann from Kewaskum, Wis., for their herd's outstanding production. At an annual meeting held in West Bend, Roger and Ann Neumann received a bronze award for ranking 15 percent above the state's production average for milk, fat and protein.

In 1992, the 67-cow herd averaged 24,045 pounds of milk, 868 pounds of fat and 756 pounds of protein on official Dairy Herd Improvement test. As members of

the cooperative, Roger and Ann Neumann rely on East Central/Select Sires to provide top-of-the-line dairy genetics at affordable prices.

East Central/Select Sires, headquartered in Waupun, is an artificial breeding cooperative that serves over 5,800 dairy and beef producers in southern Wisconsin. As a member/owner of Select Sires, East Central/Select Sires helps to make up the largest Artificial Insemination (A.I.) Cooperative in the world.

Third Annual Christmas Parade Delights Viewers

To the delight of young and old alike, the third annual Kewaskum Christmas Parade marched through the village on Sunday evening displaying miles of twinkling lights, alive with the resounding hum of our favorite carols. Shown above is a partial view of the "Cookie Train Express," the first prize winner, which was

entered by the Kettle Moraine Sport Riders.

Second prize was awarded to Enger Kress of West Bend, third prize to the Kewaskum Sno Chiefs, fourth prize to Miller's Furniture, fifth prize to Sentry/Hon-E-Kor and sixth prize to the Washington County Humane Society.

Public Information Meeting Monday On Reconstruction of Fond du Lac Ave

A Public Information Meeting will be held on Tuesday, Dec. 15, to present the proposed roadway design for the scheduled 1995 reconstruction of Fond du Lac Avenue in the Village of Kewaskum.

An open house meeting will be held from 4 to 7 p.m. at the Village of Kewaskum Municipal Building, located at 204 First Street.

Representatives from the Wisconsin Department of Transportation and Mid-State Associates, the engineering firm

that is designing the project, will be available to explain exhibits and answer questions regarding the combination resurfacing and reconstruction project.

All affected property owners and interested citizens are encouraged to attend. Written and oral comments will be documented and considered in the design process.

This will be the second of two informational meetings for the project.

WBKV Presents 'Pick Of the Bunch' Award To Village, Board

Flowers, in the form of the WBKV 'Pick of the Bunch' Award were delivered last week to the Municipal Building for residents and Village Board members who attended last week's meeting.

It was noted over WBKV radio how well and systematic the board and residents worked together to trim the village budget and come up with a solution together.

The card attached to the flowers delivered read: "Congratulations on being chosen as a WBKV 'Pick of the Bunch.' You were nominated for displaying fiscal responsibility on a consistent basis. You should be proud of the effort you put into this."

Send Santa Letters at Kewaskum Post Office

Members of the Kewaskum Junior Woman's Club have established a direct route for area children to send their wish lists to Santa.

A special Santa's mailbox will be in the Kewaskum Post Office lobby until December 19th to receive those special letters from all boys and girls.

Write soon. Santa and his elves are ready and waiting to receive those letters. Be sure to include your return address - you just may receive a letter from Santa himself all the way from the North Pole!

LETTER TO THE EDITOR

I would like to commend the village board for the action taken at the budget hearing meeting. A reluctant but unanimous vote was taken to cut some fat from the budget and keep it as last years. They heard the taxpayers' speak and we appreciate it.

We now want to put the school district on notice that we will no longer tolerate their fat-laden budgets.

Those of us on fixed incomes as most retirees are, have reached the end of the line.

Musical Christmas Trees for Sale

Are the trees really musical? Do they sing Christmas Carols? Not really, but the students standing out there in the cold and snow are and can.

The musicians from the Kewaskum High School's band and choir are musical and can sing Christmas Carols, but they also do one other thing quite well, they sell Christmas trees. Each and everyone of the students selling trees are there to help you select that special tree that will be just right for your home. All proceeds go for the music trip in April.

The trees, Scotch and White pine; Balsam and Frazier fir are available at the Sentry parking lot located just south of Kewaskum

on Hwy. 45. The cost of the Scotch and White pines are \$14.50 and \$18.00, depending on the size, the Balsam range from \$25.00 to \$32.00, while the Frazier firs cost \$38.00.

Anyone purchasing a tree will be eligible for a free drawing for either a live White Spruce or a live Blue Spruce for planting in the

spring. So come and help the musicians and get your Christmas tree now.

Hours for the tree sales are as follows: Monday through Friday, 3:30 to 6:30 p.m., Saturday and Sunday, 10:00 a.m. to 5:00 p.m. Closed Dec. 16, due to the Christmas concert at the high school.

Kiwanis Students of the Month

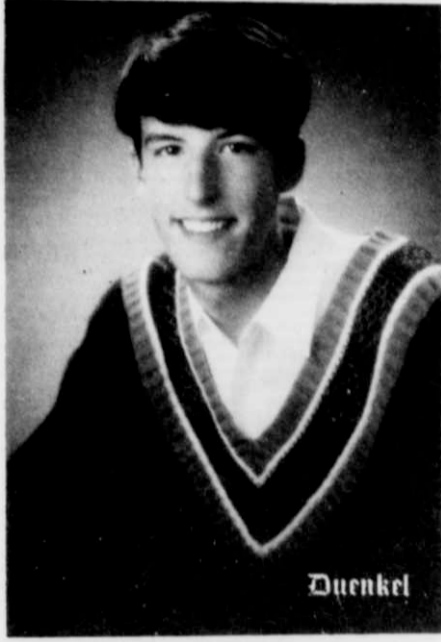

Jenny Stelter

Our first student of the month is senior Jenny Stelter. This semester Jenny is taking child development, theatrical literature, concert choir, advanced algebra, information processing and co-op. As part of the co-op program, she is employed at Shopko.

Beyond the school day, Ms. Stelter has been in the KHS musicals for four years, playing one of the leads this year. For the past two years she has been in the swing choir and a varsity football cheerleader, lettering in both. Jenny has also been a peer listener for two years, President of the Spanish club last year, and is on the yearbook staff this year.

Outside of school, Jenny serves on Maurice's Fashion Board and has served Peace Church's Habitat for Humanity project for three years. She plans to attend UW-Oshkosh and major in social work. I am pleased to present Kiwanis student of the month for November, Jenny Stelter.

The second Kiwanis student of the month is senior Chad Harlow. Currently, he is enrolled in foreign language seminar, college prep

Chad Harlow

composition, concert choir, inorganic chemistry, pre-calculus, and German 4. Chad is also taking Introduction to Theater at UWWC as part of our gifted and talented program.

Mr. Harlow is also involved in a number of extra-curricular activities including German Club, Swing Choir, state solo and ensemble, and musicals for four years. For three years he has been in forensics, track and cross country. Chad was also a peer listener and a member of Key Club for one year. He has gone to state in forensics and solo and

ensemble, earning one first in solo, two firsts in duet and three firsts in swing choir.

Chad has also played the male lead in the musicals last year and this year. Outside of school, he has been active in community theater, church choir, and has been a D.A.R.E. role model for three years. Chad has also attended the Experience Mozart and Schubert Weekends at Lawrence University in Appleton. It is my pleasure to present the other Kiwanis student of the month for November, Chad Harlow.

Sheriff Issues Advisory; WPPA Steps Up Phone Solicitation

The Wisconsin Professional Police Association is based in Madison, and serves as the labor representative for many police agencies in the state. It is generally recognized as a legitimate labor union and lobbying group.

However, the WPPA has engaged the services of Midwest Publishing, Inc., a Michigan firm with a branch office in Eau Claire, to sell memberships to the WPPA. Phone calls are being made to residents throughout the state, offering memberships in the organization at a price of \$17. Midwest Publishing retains approximately 82 percent of the revenue generated, according to state investigators.

Solicitors are claiming that payments are "donations", that local officers will benefit from residents' financial support, that supporting the WPPA will stop break-ins into homes and provide special benefits to police officers.

The WPPA is not a charity. Many of the benefits described by the solicitors are available only for police officers whose labor union is represented by the WPPA.

Claims that local law enforcement efforts are aided by payments to the WPPA have been characterized by Sheriff Robert H. Schulte as totally false. "We cannot identify anything done by the WPPA that serves to support the patrol function of the sheriff's department".

the sheriff said. The Consumer Protection Office of the Wisconsin Department of Justice has stated that none of the revenue generated by the WPPA solicitations goes to local law enforcement agencies.

Residents who receive a solicitation from the WPPA which includes seemingly false information are asked to contact Lt. Jed M. Dolnick (335-4432) at the sheriff's department.

For many, the Christmas season generates a charitable feeling, and the sheriff's department urges residents to fully investigate before money is donated. The consumer protection office of the Department of Justice (800-362-8189) and Better Business Bureau of Wisconsin (1-273-1600) can provide information on charitable organizations.

Lt. Dolnick maintains information on organizations known to be soliciting in the county.

Advent Worship At Peace Church

The songs of Advent will be heard in beautiful choral harmony on the third Sunday of Advent, Dec. 13, at 9:30 a.m.

During this special service the three choirs of Peace Church will present their annual Christmas concert. During the first segment of the choral worship the Chancel Choir will sing "A Tiny Little Baby," "The Shepherds' Carol," "Rise Up Shepherd and Follow," and "Hurry, Shepherds, Run!" The youth choir will be next to sing. Their offerings will be "He Comes," "I Wish I'd Been in Bethlehem," "The Lion and the Lamb," and "The Friendly Beasts."

The churchmen will present two selections in part three. They will sing "Child of God" and "Come Follow That Star." The concluding segment of the service will be presented by the Chancel Choir singing "When Will We See the Little One?" "Little Bethlehem Town," "A Card of Hope," and "Born." Friends in the community are warmly welcomed to join us.

On the Fourth Sunday of Advent, December 20, Rev. James Bettin will give the message, "Advent is a Mission." The Chancel Choir will sing "Born 'Neath a Star." At 7 p.m. the Sunday School will present its Christmas worship program entitled, "A Blessing Comes Dawn."

Excerpts From As I Remember

by Marvin Martin

Continuing south on Fond du Lac, there were some tall steps leading to the first Statesman's office. Then was a tavern and next to that was a millinery shop which later became a barber shop.

Next was the Ramthun Hardware Store and Tin Shop. He built many tin boats.

South, there was a tavern and beyond that was a livery barn (in the area of Herriges)

Then was a road leading to the Rosenheimer farm.

Next was Dr. Brunk, who was Veterinarian and next office for George Brandt Jr. who was the Police Chief for Kewaskum for many, many years.

Then as Dr. Morgan Rothe, and that was pretty much it. The villaged ended at what was known as Minnow Creek, now called Meadow Creek area.

Approximately half way between First Street and Main Street was the Farmers and Merchants Bank.

Continuing South on Fond du Lac Avenue, on the east side of the street, was the Becker Blacksmith Shop, some homes and the Temperance Hall, which is now the Labor Center.

The Kewaskum Aluminum Company was founded in 1919. Instead of a coffee break, employees would go to the tavern for a beer and lunch. It was not unusual to see a youngster or an adult carrying several pails of beer on a stick to some area where people were working. In 1945 the Kewaskum Aluminum Company was sold to J. O. Reigle. The name was changed to Kewaskum Utensil company, and in 1951 the name was changed to Regal Ware, Inc.

Editor's Note --- In the service men's pictures published in last week's issue, Joe Gruber was not Joe Gruber; it was his brother, Gene. Sorry about that.

Hector Vargas of Bogota, Colombia, arrived here Wednesday and will live with the Marvin Martin family for three months. This is the second part of the exchange program with International Fellowship, Inc. that placed the Martins' son George, in Lima, Peru, for three months last summer. The Martins met the new student at O'Hare Airport in Chicago at midnight Wednesday. Hector will be attending Kewaskum Community High School regularly during his stay here, thereby giving the school two foreign exchange students as part of its student body. Han Doorenbasch of the Netherlands has been here since school opened in the fall.

The village board Monday night approved a budget of \$557,471.18, calling for a tax levy of \$401,650.33 and a tax rate of \$31.57 per \$1,000 of assessed valuation. From the \$31.57 rate will be deducted \$1.58, which represents the village's share of refunds from state sales taxes, making a net tax rate of \$36, minus a refund of \$1.06 for a net tax rate of \$34.94. The drop is attributed to a recent evaluation of all taxable properties which upped the village evaluation by \$2.8 million. The tax levy is apportioned as follows: \$3,200.40 for state taxes, \$76,658.76 for county taxes, \$311,768.73 for school taxes, \$1,659.44 for school loans to the school district. Mr. and Mrs. Elwyn Romaine of this village received a letter from the Navy department in reply to their request for further details concerning the death of their son, Robert "Bob" Romaine, seaman Second Class USNR, who last month was reported killed in action with the Navy. At that time the only information given was that the young man had been killed in the performance of his duty and in the service of his country. The latest letter from the Navy Depart-

ment added the following information: "According to the brief dispatch recorded in the Bureau (bureau of Navy personnel) your son was killed in action while in the performance of his duty and in the service of his country. He was a member of an armed guard crew aboard an armed merchant vessel when that vessel was torpedoed and sunk by an enemy submarine as of October 29, 1942."

Ralph Krautkramer, 19, is the newest Kewaskum young man to enlist in the U.S. Marine Corps. He passed his final examination at Central Recruitment Division Headquarters in Milwaukee December 3. He took his oath and

"sailed" for San Diego, California that same day. At San Diego he will take his recruit training at the famous marine corps base. Relph is a son of Mr. and Mrs. Ed Krautkramer of Kewaskum Route 3. He graduated from the Kewaskum High School in 1941, where he starred in football and captained the team in his senior year. He was a sophomore at the Platteville State Teachers College this year.

At a meeting of the village board the rate of taxation for the village of Kewaskum for 1942 was set at \$22.50 per \$1,000 assessed valuation compared to \$23.65 in 1941. This is a reduction of \$1.15 over last year's rate. Lowering of the rate was made possible due to the increased valuation of real and personal property and a reduction in county taxes.

The annual election of officers of the Kewaskum Fire Department was held at the regular meeting of the firemen in the village hall last Thursday evening. All officers were elected with the exception of the fire chief, to which office Chief Harry Schaefer had previously been elected for a period of five years. George Koerble was elected secretary in place of John H. Martin, who served in that capacity for many years. A list of the officers follows: Assistant Chief - Arnold Martin, re-elected; Foreman - Clifford Stautz replacing A.P. Schaefer; Assistant Foreman - A.P. Schaefer replacing Clifford Stautz; Treasurer - Bernard Seil, re-elected; Secretary - George Koerble replacing John H. Martin.

"Who Helps Santa Claus," a play, will be presented by the pupils of the intermediate and primary rooms of the Kewaskum School, under the supervision of the respective teachers, Mrs. Laverne Bratz Hron and Miss Viola Daley. The cast is: Tom - Henry Weddig; Phillip - Jerry Backus; Frank - Frank Krueger; Dorothy - Joyce Kadinger; Anne - Suzanne Rosenheimer; Kind Thought - Irene Kaniess; Santa Claus - Billy Edwards; Fairy Nimbelfinger - Diane Schaefer.

Kohler Art Center Presents Music Series

SHEBOYGAN. — Barbershop-style religious music, comedy, and more will fill the theatre of the John Michael Kohler Arts Center on Sunday, Dec. 13, when the Sheboygan-area group Suspended Animation performs for JMKAC's "Sundays at 3" series. The performance begins at 3:00 p.m. Admission is \$2 for the public and free to JMKAC members.

The two-year-old group is comprised of four members of the Chorus of the Kettle Moraine: Dennis Strains, David Rabe, Mike Papelka, and Harold Nick. Suspended Animation performs for weddings and other social gatherings in the Sheboygan area.

JMKAC's galleries will be open before and after the performance. Featured exhibitions include "Hair," an examination of the use of hair in art; "Tom Rippon: A Poet's Game," a selection of brightly colored ceramic sculptures; and "The Order of Things: Toward a Politic of Still Life," works by contemporary artists who question the traditional "order of things."

The John Michael Kohler Arts Center is located at the corner of Sixth Street and New York Avenue in downtown Sheboygan. The Arts Center theatre is handicapped accessible through the entrance on Wisconsin Avenue. For further information, call the Arts Center at 458-6144.

Busy 'Elves' Help Out Santa by Filling Candy Bags for Christmas Parade

Kewaskum Area Chamber of Commerce volunteers donated their time and effort at Hon-E-Kor Country Club last Thursday by helping fill the little brown bags given out at Sunday's Christmas parade by Santa's elves. Shown above from left is Sharron Miller, Bill Geidel and Jane Korth. Dennis Johnson is the boy partially hidden in the background.

From left, Joan Herriges, Jane Korth, Sharron Miller, Dennis Johnson and Bill Geidel fill the candy bags with candy canes, peanuts, candy bars, suckers, bubble gum and tootsie rolls. The contents of the bags are purchased with the money donated to light the Chamber's Holiday Magic Christmas Tree situated in front of Valley Bank of Kewaskum.

Stay in the lines, Sandi! It's a little difficult trying to stay in the lines when you've been sniffing marking pen fumes for an hour. Just one of the many trials and tribulations Chamber volunteers had to endure to get the Christmas Parade off the ground. From left: Sandi Amerling, Judy Johnson, Jane Korth, Joan Herriges (hidden) and Sharron Miller.

Bob Beisbier, left, and Lee Kempf, right, load the little bags into bigger bags that the elves will carry during the parade.

Joan Herriges, front, and Jane Korth, rear, add their artistic touches coloring in a computer-made sign that will be placed on the Chamber of Commerce entry in the Christmas Parade.

Habitat Healers

This informal, but informed group meets each Tuesday to pursue a variety of activities related to managing the habitats of Riveredge. Prairie seed collecting, systematic surveys of prairie insects, transplanting of woodland wildflowers and just musing are all within the purview of activities of this work-view group.

Anyone who thinks this sounds like fun may join in at Riveredge Nature Center on Tuesday, December 15, from 9 a.m. to Noon.

Call Riveredge at 375-2715 (metro) or 675-6888 (local) for more information.

Riveredge is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

Pictorial View of Annual Christmas Parade

Christmas carols sung by member Joey Minz rang off the float entered by the Kewaskum Area Chamber of Commerce. We're very lucky Joey made it to the parade at all considering someone forgot to pick him up and take him back to the firehouse. (Sorry... Joey).

The melodious voice of Jeanne Marchant was the special feature of the float entered by the Kewaskum Sno Chiefs. The Sno Chiefs were awarded third prize for their efforts.

A novel sleigh carried special little girls along the parade route.

Katelyn Korth mans the reins of the giant rocking horse as her rider hangs on. The Sentry/Hon-E-Kor float won fifth prize.

Regal Ware's entry which displayed Santa's throne, awaits the arrival of the head HO-HO-HO-er at the firehouse.

Walking Christmas trees and walking presents were a special feature of this year's parade.

Diane Schickert, left, Shawn Roberts, right, and a huge heart adorned the float entered by My Little Friends Day Care Center.

Horses, complete with decorated lights on their "antlers" and colorful riders added a nice touch to the parade.

Spanish Club Chili Supper Aids Hurricane Victims

Joins B.C. Ziegler

Pictured from left to right: Andrea Pascavis, secretary, Julie Mertz, treasurer, Mrs. Jackie Wickland, executive director of the Red Cross in the area, Marty Schlice, president, Bonnie Schlice, vice president, and Mrs. Pat Alvarado, Spanish Club advisor.

Each fall the Spanish Club of KHS sponsors a chili supper. This year they decided to send the proceeds to the hurricane victims in Florida.

This very energetic and hard

working group of teens lead by dedicated officers made chili and desserts, decorated the cafeteria, and served chili to 150 people on November 17.

As a result, they were able to

raise \$500.00 for the Red Cross. Additionally, this same group sponsors the education of two teenagers from El Salvador.

Mrs. Alvarado says that this year's Spanish club is one of the

hardest working and most caring group of teens she has ever worked with. "Given the opportunity, kids want to help others, and do so very generously."

Neubergs Will Host 1995 Farm Progress Day

The Dan and Marge Neuburg family of rural Slinger will host the 1995 Wisconsin Farm Progress Days Show. The event is scheduled to be held on the Washington County farm on July 11, 12 and 13, 1995.

Dan and Marge operate the farm along with their two sons Dan Jr. and Donald. They milk 100 dairy cows in a double seven milking parlor and raise 150 head of youngstock. Livestock are housed in a free stall facility, with manure storage and upright silos for feed storage. A computer feeding system is used for the dairy herd. The Neuburg's own 285 acres of land and rent an additional 570 acres. Crops grown include alfalfa, corn, soybeans, red beets, winter wheat, and oats.

Wisconsin Farm Progress Days is the largest agricultural event held each year in the state of Wisconsin. The show will feature over 600 exhibitors of agriculture related products and services in the 65 acre tent city area. The show is expected to attract over 50,000 visitors on each of the three days of the event.

The 1995 show will feature alfalfa production, management and harvesting. Other educational programs will be featured in a number of areas including special programs and exhibits featuring youth, family living, environmental education, and field demonstrations. The show provides opportunities for a wide range of demonstrations and other educational activities.

The Washington County location will provide opportunities for the show to feature attractions and events that will be of interest to the large urban population in this part of the state. The show and all of its visitors will have a positive impact on local businesses and the economy of the area.

The Neuburg farm has been in the family for 55 years. Dan and Marge purchased the farm from Dan's Uncle, Edger Wiedmeyer,

in 1980. It is a family farm with all family members contributing to the success of the business. Dan Sr. is involved in the production of crops and does most of the custom work for the family. Dan Jr. does most of the machinery and equipment repair for the farm. The management of the dairy herd including breeding is a specialty provided by Donald. This gives all family members an active role in the management and operation of the farm.

Dan Jr. and his wife Sandy, along with their daughter Sarah live about one and one half miles from the farm. Sandy is employed by Konrath Bus Service. Donald is single and lives at home. A daughter, Chris, and her husband Jeff Infalt operate a poultry farm. They have twin girls, one and one half years old, named Amber and Ashley.

The family has always been involved in a number of organizations and activities in the Washington County area. The farm was the site of the Washington County Dairy Promotion Committees "Breakfast On The Farm" in 1990. Over 500 people attended the event.

The event is organized as a cooperative effort between Wisconsin Farm Progress Days Inc. and an Executive Committee of Washington County citizens representing a variety of backgrounds. Reuben Schmahl was selected to chair the Executive Committee. Other officers, include Vice Chair Roy Esser, Treasurer Bruce Jordan, and Executive Secretary, Jack Trzebiatowski. Members of the Executive Committee include: Mary Krumbiegel, Al Seefeldt, Gerald Uebele, Scott Lopas, John Strachota, John Kohl, Ed Walker, and Joe Eckert. Glenn Thompson will serve as the General Manager representing Wisconsin Farm Progress Days Inc.

A number of committees will be formed early in 1993 to start the

planning for the show. A large number of volunteers will need to be involved in organizing and conducting the event. Persons wishing to become involved should contact the Washington County U.W. Extension Office.

Additional information about the event is available from Jack Trzebiatowski, Washington County Agriculture Agent at 333 E. Washington St., Suite 1200, West Bend, WI 53095, or at 414-335-4477.

Elvira M. Singletary, 76, of 3721 Van Eimeran St., Cudahy, died Saturday, Dec. 5, 1992, at Trinity Memorial Hospital in Cudahy.

She was born Sept. 26, 1916, in the Town of Auburn, a daughter of Peter and Amelia Dins Senn. She later married James Singletary.

Mrs. Singletary formerly was employed at Millprint in Milwaukee.

Survivors include two sisters, Marcella Schultz and her husband Elton of Campbellsport and Viola Bowman and her husband

Robert of Milwaukee; a half brother, Peter Senn Jr. and his wife Lavern; nieces, nephews and other relatives.

Preceding her in death were her husband; three sisters, Verna Gatzke, Almeda Krueger and Florence Senn; and one brother, Rolland Senn.

Funeral services were held at 11 a.m. Wednesday at Twohig Funeral Home, Campbellsport. The Rev. Barbara Loose officiated. Burial was at Auburn Cemetery in the Town of Auburn.

Visitation was from 10 a.m. Wednesday to the hour of services at the funeral home.

FR. STOFFEL

The Rev. Elmer Stoffel, O.F.M., Cap., 80, a resident of St. Lawrence Friary in Mount Calvary, died Wednesday, Dec. 2, 1992, at St. Francis Home, following a lingering illness.

He was born June 6, 1912, in Bloomer, a son of John and Theresa Meinen Stoffel, and was invested into the Capuchin Order on July 22, 1931.

Father Stoffel took his solemn profession on July 23, 1935, and was ordained on June 26, 1938. He served as novice master from 1942 to 1957, and did pastoral work at Queen of Angels Retreat Center in Saginaw, Mich., from 1958 to 1964. He served as pastor of Holy Cross Catholic Church in Mount Calvary from 1964 to 1967. His last assignment was at St. Catherine's Mission in L'Anse, Mich. He had been a resident of St. Lawrence Friary since 1982.

Survivors include one sister, Anna Yakish of Bloomer; and two brothers, Carl Stoffel of Bloomer and Peter Stoffel of Winona, Minn.

He was preceded in death by six brothers and sisters.

A Funeral Mass was held at 3 p.m. Friday at St. Lawrence Seminary Chapel, Mount Calvary, with the Rev. Jerry Kafer, vicar provincial, officiating. Burial was at the friary cemetery.

Visitation was from 1 to 3 p.m. Friday at the chapel. Huss Funeral Home of St. Cloud served the family.

West Bend Church to Feature Christmas Concert, Live Nativity

Members of St. John's Lutheran Church in West Bend participate in the Live Nativity Scene.

Imagine having over 200 people working on gifts for YOU for Christmas!

Well that's what members of St. John's Lutheran Church in West Bend are doing! They consider their annual Christmas concert on December 13 and their Live Nativity scene on December 21, 22 and 23 as their gifts to the community and sincerely hope that you will accept them in the spirit that they are given... to be able to share the wonderful news of Christ's birth as our Savior from sin.

The Christmas concert, "Carols by Candlelight... Make a Joyful Noise," will feature the Folk Choir; the Adult Hand Bell Choir; the Men's Chorus; the Senior Choir; the Brass Ensemble; and three children's choirs — the

Lambs, Upper Grade Chorus, and Children's Hand Bells. The pre-service music will start approximately 20 minutes before each concert, and will feature organ, hand bells, and brass.

The concert will have some traditional favorite music and also contemporary renditions too. It is the hope of all who are participating that there will be something for everyone who comes. And not only that, if you like to sing, we'll have that too. There will be carol singing by the audience, so that they can take part in the celebration.

There will be two concerts with one beginning at 2 p.m. and the other at 7 p.m. on Sunday, December 13.

The Live Nativity features a short re-creation of the story of

Mary and Joseph coming to Bethlehem and finding no room in the inn. Live animals add to the authenticity and make you feel that you, too, are back in Bethlehem, watching the miracle occur.

Each narration takes approximately 20 minutes and you are cordially invited to come in and join one of the choirs who will be there to greet the community and sing favorite carols.

The Live Nativity will be given from 6:30 p.m. to 9 p.m. on Monday, Dec. 21, Tuesday, Dec. 22 and Wednesday, Dec. 23.

Come to hear the organ, drums, guitars, trumpets, French horns, trombones, bells, pianos, flutes and voices make joyful praise to the Christ Child's birth!

Observing Behavior of Birds at the Feeder

Throughout the afternoon of Sunday, December 13, from 1 to 3:30 p.m., a naturalist will be discussing the behavior of birds as they come and go at the feeder at Riveredge Nature Center. This will add a new dimension to your own feeder watching.

Call Riveredge at 675-6888 (local) or 375-2715 (metro) for more information or to register.

Riveredge is a non-profit, 350 acre sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County on Highway Y, one mile north of Newburg between Saukville and West Bend.

The Catholic Knights Insurance Society, West Bend Branch had their annual Christmas party on Sunday, Dec. 6th. Fun was had by all. There was a visit from Santa. Adults and children received a gift. The Swing choir from Kewaskum High School performed, pictured above.

DOT's 'Setting the Pace' Program Presented to KHS Students

Indy race car driver Gary Bettenhausen signs autographs on the "Setting the Pace" book covers distributed to Kewaskum High School students.

The Indy race car which is part of the "Setting the Pace" program sat on the KHS parking lot for students to admire.

High School students in Kewaskum were able to meet professional race car driver Gary Bettenhausen; talk with State Patrol Trooper Charles Johnson; and see an Indy car, the State Patrol IROC Z28 Camaro and a team of specially-built pace cars last Thursday through the Wisconsin Department of Transportation's unique safety program called "Setting the Pace."

In Wisconsin, 425 students who started high school four years ago will not be graduating. One moment of bad judgment, combined with high speeds, alcohol, or drug use, made these students victims of car crashes.

The saddest news is that most of these crashes, and deaths, could have been prevented.

Car crashes are the leading killer of persons from the age of 16 to 35, in both Wisconsin and nationally.

Following a crash that claimed the lives of four young people in Whitefish Bay in 1991, the Wisconsin Department of Transportation, the Indy Race Drivers Association, DISUS, Inc. and private industry jointly developed a program to make a difference.

"Setting the Pace" safety program is designed to:

- * Save the lives of young people;
- * Help communities avoid the trauma that occurs when a

carload of students is killed in a car crash;

* Reduce risk-taking behavior — such as speeding and driving recklessly;

* Reinforce safe, responsible driving habits among the new and young drivers;

And reduce the \$1 billion annual statewide costs related to car crashes.

In the video shown to the students at the "Setting the Pace" performance, race driver John Andretti noted that the risk-taking behavior of young drivers seems to surface only when there's an audience around. "If they don't have an audience or a buddy in the car, there's nothing to prove," he explained. "That's one of the reasons that we have so many accidents in which a carload of teenagers is killed or injured," he added.

Michael Andretti added that "...if you want to speed, see if there's some way you can get to a racetrack. But doing it on the road is not smart."

The "Setting the Pace" performance included a 10-minute videotaped introduction featuring Governor Thompson and interviews with a dozen top drivers, brief talks by Indy driver Gary Bettenhausen, Wisconsin State Trooper Charles Johnson; and a question and answer period.

The Indy car, State Patrol IROC Z28 Camaro and the pace cars were parked on the school parking lot for students to view. Leaflets, book covers and other materials were provided to the students to promote the program and its safety message. Following the program Bettenhausen signed autographs for the students.

One of the high-performance pace cars, newly featured as part of the "Setting the Pace" safety program, was also on hand for students to inspect.

Christmas Concert at UWWC Theatre Sunday

The Moraine Chorus will share the stage with the Badger Middle School 7th Grade Choir as they perform "An Austrian Carol" in a holiday concert this coming Sunday, Dec. 13. Peter Gibeau, Assistant Professor of Music at the University of Wisconsin Center-Washington County will direct the group. They will be performing at the UWWC theatre at 2:00 p.m. The public is invited to this free concert.

The Moraine Chorus is composed of 65 area singers, who according to Gibeau, "are members because they enjoy singing." The program will be a mixture of Christmas and other classical numbers. A Christmas Cantata by J.S. Bach will be featured with soloists William Wiederanders, Bass; Dan Robertson, Tenor; and Michal Gerard, Alto. A small chamber orchestra, including a string quartet, two flutes, two oboes, and a harpsicord will also be performing.

Other selections include a double-choir motet by Mendelssohn and a madrigal by Thomas Morley. They will conclude with "O Little Town of Hackensack" by P.D.Q. Bach. The concert will last about an hour. Gibeau speculates, "It should be marvelous, good fun for performers and audience alike." He also commented that he is still recruiting tenors.

Minutes of Village Board Meeting

Regular Meeting
November 30, 1992
7:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Krueger asked to be excused and was absent. Administrator Daniel S. Schmidt called the meeting to order. All Trustee Members were present. A quorum was present.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board elected Trustee Thomas McElhatton to serve as President Pro-tem.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the November 16, 1992 meeting were approved as printed.

The public hearing was held on the proposed budget for 1993. It was noted that the Department Heads were present, as well as two reporters and eight citizens for the public hearing. A review of both the revenues and expenditures were gone over by the Administrator with questions being asked and answered. The budget as proposed and heard would equal a general budget increase of 8.5 percent or \$118,068. The tax levy as discussed would equal a 5.4 percent or \$21,916 increase, while the Village tax rate would equal a 3.2 percent or \$.23 per \$1,000 assessed value increase. The Village's rate as proposed would equal \$7.32 per \$1,000 assessed value.

Four of the eight citizens spoke regarding the proposed budget. They expressed the desire to keep the property tax at the same level as it was for 1992. After a considerable amount of discussion and review of a variety of accounts President Pro-tem Thomas McElhatton asked for a motion to close the public hearing on the General Budget for 1993. On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed TIF/CIP, Special Revenue Fund and Debt. Service Fund budgets for 1993. A review of the funds revealed no major changes/affects on the accounts and it was pointed out that the TIF is doing better than anticipated. It was noted that TIF revenue would be affected if the General Budget approved is lowered.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Wagner and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed Water Department budget for 1993. The Board reviewed the budget. On a motion by Trustee Robert Beisbier, seconded by Trustee David Goeden and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

The public hearing was held on the proposed Water Pollution Control Department budget for

1993. The Board reviewed the budget. On a motion by Trustee Harry Roecker, seconded by Trustee Robert Wagner and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Director of Public Works, Jerry Gilles reviewed the Holiday garbage pick-up dates with the Board. It was noted that the way the holidays fell this year garbage pick-up would be held the normal Monday and Tuesday of both holiday weeks. The dates of January 6 & 13, 1993 are being designated as Christmas Tree pick-up days. The public is asked to make every effort to remove all ornaments from the trees before placing them at the curb, because the Village will be chipping them.

Director of Public Works, Jerry Gilles informed the Board that Jim Noren and he had attended a meeting regarding the water utility and learned many important points. One item of discussion, those in attendance were asked to share was regarding the water cycle (hydrologic cycle). A brief report on the topic as well as a handout were shared with the Board.

Administrator Daniel S. Schmidt shared with the Board information regarding Mr. Peter Albers being honored by the Wisconsin Wastewater Works Operators by receiving the 1992 George F. Bernauer award.

Administrator Daniel S. Schmidt reviewed a variety of correspondence with the Board, which included a survey of utility charges of 22 area communities. The Village of Kewaskum was noted as having the second lowest annual sewer charges, the third lowest annual water charges and the lowest connection charges in comparison to the 21 other communities.

Board Representative for the Plan Commission, Trustee Gary Gavin informed the Board that a meeting was scheduled for Tuesday, December 1, 1992 at 8:00 p.m.

A brief discussion was held on the possibility of the issuance of parking permits for the winter months. It was noted those communities checked with do not offer it and one community that was proposing it voted it down on the recommendation of legal counsel. Other communities that do it are trying to eliminate it. It was noted one community does have it, but little information was available other than the fact they have a \$25.00 charge. The matter was not recommended by the Village Attorney and was dropped.

Final discussion was held on the proposed 1993 budget which

had been presented at the public hearing. It was noted that the discussion during the public hearing was to maintain the property tax at the same level as 1992. On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board approved the budget as presented minus \$22,000 from the property tax account. The result was to have a general budget increase of 7.0 percent or \$96,068. The tax levy increase would equal 0 percent or a zero dollar increase, while the tax rate would equal a 2.1 percent or \$.14 per \$1,000 assessed value decrease. The Village's rate as approved would equal \$6.95 per \$1,000 assessed value. The Administrator was directed to talk with all of the Department heads and bring a recommendation back to the Board to equal \$22,000 in cuts. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

This would mean a property assessed at \$50,000 would see the village tax rate decrease \$7.30. (\$60,000 = \$8.76 / \$70,000 = \$10.22 / \$80,000 = \$11.68)

On a motion by Trustee Harry Roecker, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the TIF/CIP, Special Revenue Fund and Debt Fund as presented at public hearing, noting the possible minor adjustments regarding TIF revenue caused by the general budget approval action.

Action was taken on Resolution No. 92-26 setting the 1992 tax rate, noting the required adjustments due to the action taken on the general budget approval as attached hereto:

On a motion by Trustee Robert Wagner, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the Water Department budget for 1993 as presented at public hearing.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board approved the Water Pollution Control Department budget for 1993 as presented at public hearing.

On a motion by Trustee Gary Gavin, seconded by David Goeden and unanimously carried by voice vote, the Board established Holiday tax collection office hours for December 31, 1992 from 7:30 a.m. to 11:30 a.m.

On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the Village President and Village Administrator to sign

the 1993 Library Agreement.

Trustee David Goeden asked about private vehicles using the Fire Department parking lot. The Administrator was directed to notify the land owner adjacent to the parking lot regarding this unapproved parking.

On a motion by Trustee David Goeden, seconded by Trustee Robert Wagner and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85(1)(e) of the statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Campus Notes

Area residents are part of a smaller, but brighter freshman class at the University of Wisconsin-La Crosse.

UW-La Crosse's enrollment this fall was 8,362, including a freshman class of 1,495. This year's freshman class had an average high school rank of 71.4 percentile, including 17 Wisconsin Academic Excellence Scholarship recipients who were state high school valedictorians. The average high school rank for UW-La Crosse freshmen has risen slightly nearly every year since the UW System's enrollment management plan began in 1987.

UW-La Crosse offers nearly 80 programs of undergraduate study, several nationally known, and 18 master's degree programs. Small class sizes allow one-on-one contact with faculty. Students list the friendly atmosphere, just-right size, and beauty of the campus as reasons for attending UW-La Crosse.

Area residents enrolled as freshmen at UW-La Crosse for the 1992 fall term are:

Lori L. Borgen, 465 New Plat St., Allenton.

Nicole A. Oppermann, P.O. Box 582, Kewaskum.

PUBLIC NOTICE

A Public Informational Meeting will be held on Tuesday, Dec. 15, 1992, to present the proposed roadway design for the scheduled 1995 reconstruction of Fond du Lac Avenue in the Village of Kewaskum.

An open house meeting will be held from 4 to 7 p.m. at the Village of Kewaskum Municipal Building, located at 204 First Street.

Representatives from the Wisconsin Department of Transportation and Mid-State Associates, the engineering firm that is designing the project, will be available to explain exhibits and answer questions regarding the combination resurfacing and reconstruction project.

All affected property owners and interested citizens are encouraged to attend. Written and oral comments will be documented and considered in the design process. This will be the second of two informational meetings for the project.

What Is An Unattended Line?

The ice is forming quickly on the lakes in the area and the ice fishermen are starting to appear on the lakes.

Each year a number of ice fishermen ask the question, "what is an unattended line when ice fishing?" "Can I sit in my cottage with tip-ups out in front of the cottage?" "Does a tip-up have to be within a certain distance of a fisherman to be legal?"

In the past there was not a legal definition of what an unattended line was but that has changed. "Unattended Line," is now defined as a line where the person using the line is not actively directing attention to it. Failure to immediately respond to a line upon indication of a bite shall be prima facia evidence that the line is unattended.

In other words, if your flag goes up you must be in a position to immediately respond to the flag. This would be possible while watching from the cottage or if the tip-up is several 100 yards away as long as you immediately start heading for the tip-up once the flag goes up. The practice of setting tip-ups at night without any lights on the tip-up or other signaling device, and then checking them with a flashlight every 15 minutes or so would not be legal according to the new definition. You must immediately respond, now, even though you may want to let the fish take the bait for a period of time, wait out by the tip-up.

I don't want you to feel that you must sprint to each flag that you get, but keep the new definition in mind when fishing. Remember that this rule also applies to open water fishing and to fishing poles

left on the end of piers.
If you have any other questions feel free to contact me.

LANDLORD VS. TENANT

The landlord was quizzing the prospective tenant. "You know," he said, "we keep it very quiet and orderly here. Do you have any children?"

"No."

"A piano, radio, or TV?"

"No."

"Do you play any musical instruments? Do you have a dog, or parrot?"

"No, but my pen scratches sometimes."

Sheriff's Dept. Arrests Sexual Assault Suspects

Washington County Sheriff Robert H. Schulteis announced the arrest of a 26-year-old man from the rural Slinger area, and the arrest of a 23-year-old Hartford man. The two suspects were arrested for sexual assault, abduction, battery, and armed robbery of a 22-year-old Menomonee Falls woman.

The woman was abducted from a parking lot phone booth at 3 a.m. at Hwy. 41 and Q in the Village of Germantown by three men. At 6:23 a.m. the woman reported the assault to the Germantown Police Department.

A joint investigation with the Sheriff's Department was initiated, and a description of the suspect vehicle and suspects was given to law enforcement personnel.

An officer from the Hartford Police Department observed two suspects and the vehicle. Sgt. Kurt Naus of the Washington County Sheriff's Department showed a photo lineup of the suspects to the victim at a local hospital. The victim did identify one of the suspects, and they were both arrested at the Hartford Police Department.

The Sheriff's Department contacted District Attorney J. Dennis Thornton and made application for several search warrants.

Judge Richard T. Becker did issue six search warrants, which were served by Sheriff's Department personnel.

The 22-year-old victim did not know any of the suspects, and was treated at a local hospital with possible fractures to the face, as well as other bruises to the face.

The matter was referred to the District Attorney's Office for charges.

County Separated and Divorced Group to Meet

The Washington County Separated and Divorced Men and Women Support Group meets every Friday at Sacred Heart Church in Allenton from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are also guest speakers, panel discussions, small group sharing and activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

Upcoming topics are: December 11 - "The True Spirit of Christmas" presented by Leo Buscaglia on video.

December 18 - CHRISTMAS POTLUCK DINNER. Everyone is welcome. Old and new members. Bring a dish to pass.

Scout/Youth Group To Meet at Riveredge

Saturday, December 12, is a day set aside for youth groups such as scouts and 4-H to participate in a program with a Riveredge Nature Center naturalist.

There are several Saturdays that are set aside for such activities throughout the Fall, Winter and Spring. All groups must register for a Saturday prior to coming.

For more information, call Riveredge at 375-2715 (Metro) or 675-6888 (local) to register.

Riveredge Nature Center is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages, and is located in Ozaukee County on Highway Y, one mile north of Newburg, between Saukville and West Bend.

DNR Outdoor Report

(December 5th & 6th)

Some lakes in the north now have three to four inches of ice on them, and early ice fishing is beginning; however, in many cases, travel on the lakes is not recommended. Anglers should use extreme caution; check out the ice conditions before you leave the shore, and definitely don't try to drive on the ice. In the southern half of the state, conditions are even more unsafe.

In northern Oconto County, ice anglers have been out on the back bays, and have been getting panfish and northerns. Travel is not recommended on lakes in that area. Most Shawano County waters are now frozen over, but ice conditions are not safe at this time.

Water levels are high on both the Wisconsin and Mississippi rivers, making ice conditions unstable, and anglers are advised to stay off the ice. In Crawford County, high water is causing dangerous ice conditions. Anglers are catching a few walleyes below the Sauk-Prairie dam. Walleyes are also biting in the Pecatonica River below the dam at Argyle.

The Fox River system is also very high. Cisco fishing from boats will be starting soon on Big Green Lake.

In the southeast, water conditions are very good on both the Sheboygan and Pigeon rivers; some steelhead and nice-sized brook trout have been taken. South Milwaukee's Oak Creek is providing good steelhead fishing. High water over the Thanksgiving weekend attracted good numbers of fresh Chambers Creek steelhead up the Root River in Racine. Fishing has been dropping in the Pike River, where steelhead are being taken.

Marquette County snowmobile trails are open and reported to be in fair condition. In Grant County, snowmobiling conditions are moderate to good, and they vary in Shawano County. Call ahead for trail information. Snowmobiles are up and running in Fond du Lac County. A heavy Thanksgiving eve snowfall in the La Crosse area downed a lot of trees and branches; some snowmobile trails were closed until debris could be removed.

Remember that all snowmobiles must be registered before you operate them, even on private property. Watch your local newspaper for upcoming snowmobile safety classes. Anyone 12 to 15 years of age is required to complete a safety course before operating a snowmobile alone.

This winter, snowmobilers in Wisconsin will find increased enforcement efforts and higher penalties for those convicted of operating a snowmobile while intoxicated. Last winter was one of the worst in terms of alcohol-

related fatal snowmobile accidents, prompting the Legislature to appropriate additional funds for enforcement and to significantly increase penalties.

Cross-country skiing is also underway now. At Wildcat Mountain State Park, ski trails are groomed and in fair to good condition.

The late bow deer season opened last Saturday, December 5th, and prospects looked good in many areas. There are still plenty of deer out there, and fresh snow cover should help hunters. Deer are continuing to use standing corn for food and cover.

Wildlife officials say that, when all the registrations have been tallied, the harvest for the 1992 gun deer season will total between 285,000 and 300,000 deer. The 1991 season set an all-time record harvest of more than 352,000 animals. This year, the department's Northwest District showed the largest decrease in harvest when compared to last year.

A reminder to hunters that spring turkey hunting applications are due on or before December 10th.

Bird watching enthusiasts will find many bald eagles along the Mississippi and Wisconsin rivers, where they'll spend the winter. If you feed birds in your yard, be sure to keep your feeding stations clean and filled. Black oily sunflower seeds are a popular food for most songbirds, and suet is a favorite for woodpeckers. Niger seeds attract goldfinches and other members of their family.

Lake Maps Now Available in Time For Ice Fishing

MADISON, WI — Ice Fishermen! No more cutting through a foot of ice to find 6 inches of water underneath. An index for the 2450 Wisconsin Mapped Lakes is now available.

A lake map is actually a hydrographic chart. So what's a hydrographic chart? A hydrographic chart is simply a high-faluting term for a map showing the various depths of a lake along with other information that is so desirable to have for fishing...such as kind of lake bottom (mud, sand, gravel, etc.). This information may help the ice fisherman enter the charmed world of experts.

Suppose you want to fish for perch. You know his feeding habits and at what depths and over what kind of bottom he would be. With a Wisconsin lake map you can see at a glance the general contour of the lake bottom and the exact depth of any given place along with the kind and condition of the bottom.

The index is available at no charge by sending a self-addressed, stamped (52c) No. 10 business envelope to: Wisconsin Ice Fishing, Box 5095, Madison, Wisconsin 53705-0096.

Aupperle Winning at Point

By Noel Stollenwerk

STEVENS POINT — Former Kewaskum High School standout Dennis Aupperle, coming off of a fine 1992-93 wrestling campaign, is once again having a stellar year at UW-Stevens Point.

After competing in a handful of tournaments and invitationals already, Aupperle has recorded a 15-5 mark at the invitationals already. Aupperle has recorded a 15-5 mark at the heavyweight spot. Last year, Aupperle was the Wisconsin State University Conference champion, and qualified for the NCAA Division III Nationals, where he finished eighth. "Everybody except two are back for us this year," Aupperle said of his Pointer teammates, who are currently ranked third in the nation.

Aupperle and the Pointers recently competed in the Northern Open, which brought approximately 25 NCAA Division I squads to Madison Thanksgiving weekend.

"That was the toughest one...every Big 10 school was there," Aupperle said, adding that he took seventh in the meet, with

about 35-40 wrestlers competing in his weight class.

One of the highlights for him at the meet was going against two-time NCAA All-American Dave Dean of the University of Minnesota. Dean, who took third a couple of years ago at the Division I championships, had his hands full with Aupperle, who eventually lost 9-4.

Aupperle also has finished third in a pair of tournaments. He went 5-1 at the UW-Parkside invite, and then added a 3-1 mark at the Augsburg (Ill.) tourney.

After a home meet against the U. of Minn.-St. Thomas on Monday, the Pointers and Aupperle will wrap up the first half of the year with the Point Duals at Stevens Point this weekend.

Kettle Riders Christmas Party

The New Fane Kettle Riders Snowmobile Club held their annual children's Christmas party at Twin-H Country Bar and Hall in New Fane on Wednesday, December 2nd.

A supper was enjoyed by club members, friends and relatives. Santa made a surprise visit and led everyone in the singing of Christmas carols and brought gifts for all the children.

1992 Gun Deer Harvest Is Estimated to Near 300,000

MADISON... Wisconsin's 1992 gun deer hunt total will hit between 285,000 and 300,000 animals when all registration stubs are finally tallied, Department of Natural Resources wildlife management officials announced recently.

"The total of more than 285,000 deer will rank as the fourth highest in modern history of statistical records kept on deer hunting," said Tom Hauge, Director of the Bureau of Wildlife Management.

By District, the Northwest District's preliminary total showed the largest decrease when compared to 1991 with a total of 51,005 deer registered. The North Central District posted 52,866 deer with the Western District adding 69,658 and the Lake Michigan District adding 57,400. Totals for the Southern and

Southeast Districts are incomplete. In 1991, those two Districts registered 57,077 deer.

The 1991 harvest total set an all time record of 352,520 deer registered. Harvest figures first hit the 300,000 mark in 1989 with 310,192 and the 200,000 level in 1984 with 255,726.

Wrestlers Go 1-2 at Triple Dual

Kewaskum's returning state champ, Josh Kurtz, pins Eric Mirlas, Brown Deer in 1:55. Sue Heisdorf Photos

Kewaskum senior Mark Morell gets a reversal on Campbellsport's Chad Grohall. Mark went on to win his third match of the night, 11.6.

By Noel Stollenwerk

BROWN DEER — With some stiff competition in the season-opening meet, the Kewaskum wrestling team did about as well as expected in a triple dual with Campbellsport, Grafton and Brown Deer, here, last Tuesday night.

The Indians were blasted by Division II powerhouse Campbellsport 51-9, and were also downed by a surprisingly tough Grafton squad, 49-24. The Indians were able to secure one team victory, beating the host Falcons, 53-12.

"We were a little sluggish," KHS coach John Nell said of the

team's first live action of the year. "We were also forfeiting at three weights."

That's because several athletes were gone for deerhunting, and other reasons, forcing Nell to hold them out of the first meet. Kewaskum was forced to give up the six forfeit points at 103, 112 and heavyweight, meaning the Indians were behind 12-0, and realistically 18-0, before any Indian wrestler was on the mat.

Nevertheless, several Indians turned in fine efforts on the night. Mark Morell (171) was the lone Indian to go 3-0, while Josh Kurtz (152), Mark Dziedzic (135), Chad Muckerheide (160) and Todd

Muckerheide each registered a pair of wins.

"Morell did a real nice job," according to Nell. The senior veteran recorded a pin, a major decision, and then an 11-6 win over Campbellsport's Chad Grohall.

Kurtz won his two matches before Nell pulled him to allow other wrestlers to get some action. Kurtz chalked up two pins, including one against the Cougars' Jon Paul-Wilke, a state qualifier last year.

"He's looking real tough," Nell said of Kurtz, the defending state champ at 145 pounds. Kurtz played with Wilke for a while, run-

ning up a double-digit lead, before pinning him in 3:17.

Dziedzic was a tough-luck loser to two-time state qualifier Jamie Zehren of Campbellsport. "It was a real tight match," Nell said, noting that Dziedzic lost 2-1. The senior had a good meet, though, pinning his other two opponents in a combined 3:56.

"Chad (Muckerheide) had a real tough time," Nell recollected, noting that the junior is returning from a broken hand, and the meet was really the first live action that he has seen.

Muckerheide did well, though, recording two wins, one each pin and forfeit, and then dropping a tough 3-2 decision to the Cougars' Aaron Oeschner.

Muckerheide's brother, Todd, also lost to a Cougar grappler, dropping a 4-0 decision to Jeff Birschbach. Muckerheide also won via pinfall and forfeit to go 2-1.

Against Brown Deer, Kewaskum's Jake Gundrum (125) and Paul Reis (140) came up with their first wins of the year, each winning by pinfall.

Nell was quick to point out that both of the Indian team losses came to pretty good squads.

"Grafton has a real good team this year...they should be right up there (in the North Shore Conference)," he said, adding that Campbellsport "is going to be real strong this year. They should be right back in the (WIAA) team

tournament again."

"Our kids wrestled well," he went on. "I think for the first meet it went real well."

Raiders Bite the Dust Against KHS Grapplers

By Noel Stollenwerk

TWO RIVERS — When your school is nearly twice the size of the opponent, and has a history of beating up on the foe in just about every sport, you've earned the right to be confident...but not the right to be down right obnoxious.

That's the lesson that the Kewaskum wrestling team taught Two Rivers here, last Thursday night. The Indians silenced the Raider fans and their band, as KHS came away with a 46-27 whipping of the perennial Eastern Wisconsin Conference power.

The Two Rivers band had played the Queen hymn "Another One Bites the Dust" after each Raider victory in last year's dual meet, and was on hand again this year. The Indians, though, weren't in the mood for a melody this time, as their experience was the theme that spoke volumes.

"I thought it would be a lot closer," KHS coach John Nell said of the meet. "They (Two Rivers) was really fired up for us," but the Raider band "didn't get to play all that much."

The Indians' youth at the lighter weights was evident as the hosts used a pair of pins in jumping in front 15-0 after three matches. "We lost with our inexperienced wrestlers...lost where we thought we would," Nell said.

Jake Thull's pin at 125, as well as Mark Dziedzic's 26-second pinfall at 135 helped cut into the deficit, but the Raiders still led 27-12 after seven matches.

"Thull did a real nice job," Nell noted of the sophomore's effort. "He did a good job of cutting his opponent down. He's going to be a very tough wrestler."

Speaking of tough, after Brad Jackson received a forfeit win at 145, the Indians' Josh Kurtz took the mat and proceeded to throw around his foe before recording a

pin in the third period.

Rich Farchione then came up with a surprisingly easy 13-2 major decision. Nell reported that Farchione's opponent, a transfer from a private school, had recorded a 28-2 record the previous year.

"Rich really dominated him," Nell said of the sophomore's win. Kurtz, meanwhile, "beat a pretty tough kid too."

It was smooth sailing from there, as Chad and Todd Muckerheide each recorded pins at 171 and heavyweight, respectively, and Mark Morell moved his record to 4-0 on the year, also getting a first-period pinfall.

The Indian veterans at the upper weights showed their leadership earlier in the day, when they all agreed to move up a weight class in order to avoid a forfeit, and six points, at the heavyweight spot.

Nell had nothing but praise for those involved, including Todd Muckerheide, who had to do a little feasting in order to reach the minimum weight for heavyweights.

"I talked to Todd about it earlier in the day, and he said he had no problem whatsoever," Nell said of the switches which moved Muckerheide to heavyweight. "He's a real team player, and I really respect him for that."

The Indians faced Slinger in a tough dual meet Tuesday, and will now set their sights on EW conference power Plymouth. The Indians will host the Panthers next Friday, Dec. 18th.

Campbellsport 4th in Wrestling Poll

By Noel Stollenwerk

STEVENS POINT — If the pre-season polls are a good indication, the Campbellsport wrestling team may well find itself back in the WIAA team tournament this year.

The Cougars, who qualified for the inaugural WIAA team tourney last year by winning the Kewaskum Regional title, are ranked number four in Division II by the Wisconsin Wrestling Coaches' Association crossface rankings.

Luxemburg-Casco is atop the

Division II poll, while Merrill, the Division I team champion last year, is once again No. 1 in Division I. Athens is picked No. 1 in Division III.

The WIAA team tournament is scheduled for March 5th and 6th in Stevens Point.

Indians Facing Rebuilding Year

By Noel Stollenwerk

KEWASKUM — Last year, Kewaskum boys basketball coach Jim Westphal thought that his team might be able to challenge for the Eastern Wisconsin Conference title. This year, Westphal knows that is well beyond his team's reach.

"I don't remember ever having a year like this," Westphal said, pointing out that the Indians return just two letterwinners from last year's 8-13 squad. And even those returning didn't see extensive action as juniors.

Adam Laatsch (6-3 forward) and Jim Marx (6-1 guard-forward) are the lone players with any real varsity experience. It's no wonder that Westphal is calling this "a definite rebuilding year."

Both Laatsch and Marx should provide some scoring punch for

the Indians, who will definitely need their senior leadership as well.

"I expect them to do a good job for us," the KHS boss said, "After them, it's really hard to say. Those two will start, but after that it's wide-open."

Among those who will vie for spots in Westphal's rotation are seniors Keith Herman, Jim Rix, Chris Schmidt, Jeff Dirmeier, Tony Knoeck; juniors Erik Anker-son, Tony Rix, Jim Wichtowski, James Zautner, Ryan Kurth, and sophomore Travis Jacak.

Jacak, though he has no experience at the varsity level, should see significant minutes this year, as he is the tallest KHS player at 6-4.

"We're going to play the same basic style," Westphal said of his patterned offense, which the team

"is having trouble adjusting to."

Another major concern is the lack of a ball-handler. "There isn't really anybody at point guard," Westphal said. "Hopefully somebody will step up."

As far as the Eastern Wisconsin Conference goes, Westphal points to Sheboygan Falls, Two Rivers and New Holstein as the early favorites. "It should be very well-balanced."

The Indians will need several players to step up if they are to finish in the middle to upper half of the EW, Westphal says. Just how much the newcomers are able to contribute should be a telling tale of the Indians' success this year.

"We're going to have to mature as we go along," Westphal noted. "It's going to be very interesting."

'Treys' Help Port Down Indians

By Noel Stollenwerk

PORT WASHINGTON — The Kewaskum boys basketball team just couldn't keep pace with Port Washington's three-point express here, Tuesday night.

Six different Pirates connected on a total of nine three-pointers, helping the hosts run away from the Indians, 86-65, in the season-opener for both teams.

It took Port a handful of tries before it finally found the mark from long-range in the first quarter. But once the Pirates connected, the trifectas propelled them to a 20-10 lead.

"They like to shoot the three-pointer," Kewaskum coach Jim Westphal said of the Pirates' barrage, which helped them outscore Kewaskum 10-2 at the end of the quarter. "That's the way their offense is set up. They have at least four different guys who shoot it well."

Kevin Zirbes shot it very well for the Pirates, as he drilled the nets three times from long-range, helping Port to a comfortable 41-26 halftime lead.

The Indians, meanwhile had trouble finding the mark in the first half, connecting on just 11 of 33 tries (33 percent).

"They jumped out on us," Westphal said of the early woes, which partially stemmed from an attacking Pirates defense. "We handled their press quite well, but it really took us out of our offense. We just couldn't convert our shots."

Port backed off a bit in the second half, relying less on the three-pointer. But the Pirates did just as much damage on the offensive boards, getting numerous second-chance opportunities.

Still, the Indians were in posi-

tion to make a run, pulling to within ten at one point, and at the same time having the Pirates in some foul trouble.

But three's by Zirbes and Jason Gilhooly ended the mini-rally, and pretty-much put the game out of Kewaskum's reach. Port reached the 20-point mark in all four quarters, including a 25-point fourth to offset the Indians' 26-point burst.

They shot extremely well," Westphal said of the Pirates, who finished the night hitting 40 percent (nine of 23) from three-point land. "It was very difficult to stop them."

Kewaskum's Adam Laatsch proved difficult to stop as well, pouring in 21 points to lead both teams. "He played well," Westphal said of Laatsch, one of only two letterwinners returning to the fold this season.

The other one, 6-2 senior Jim Marx, also "had a very good game," according to his coach. Marx chipped in 16 points and pulled down seven rebounds in the contest. "He's not used to hitting boards, but it's something he has to do now," Westphal said, noting the former guard is now one of the biggest players on the roster.

"I got a good look at a lot of people," Westphal continued, adding he was pleased with some of the younger players who got their first taste of varsity ball. "I was pleased with that."

Zirbes led Port with 20 points, while Gilhooly added 14. Mark Janeshak chipped in 12 for the winners, who should surprise some people this winter according to Westphal.

"They have very good team quickness," in addition to fine

shooting, he said. "You have to retreat (on defense) before you can press, because of their quickness. I really think that they are going to give some teams trouble this season."

As for his squad, Westphal added "I wasn't terribly disappointed. With as little experience as we have, I was a bit encouraged. They just beat us; I guess they're a better team."

KEWASKUM — (10-15-14-25) — Laatsch 21, J. Rix 2, T. Rix 3, Herman 10, Jacak 7, Schmidt 2, Dirmeier 2, Marx 16, Wichtowski 2, Free Throws - 11 of 20, Fouls - 17.

PORT WASHINGTON (20-21-20-25) — Booth 2, Zirbes 20, Kitt 4, Steidtmann 9, Hibein 10, Gahn 4, Choosak 6, Schaefer 3, Gilhooly 14, Janeshak 12, Free Throws - 11 of 19, Fouls - 22.

Indians Fade Down Stretch; Lose to Owls

By Noel Stollenwerk

SLINGER — The Kewaskum boys basketball team outplayed Slinger for nearly three-quarters of its game here, last Friday night.

But the Owls outscored the Indians 23-8 over the final ten minutes of play, rallying for a 55-46 victory over the Indians, who dropped to 0-2 on the year.

"It looked like we were going to take command," KHS coach Jim Westphal said of his team's third-quarter surge that put Kewaskum ahead 38-32 with just over 2:00 to play. "But then we got careless with the ball...started throwing it away."

After a Slinger bucket cut the margin to four heading into the final period, the Indians hit a dry spell that saw them go without a basket for the opening 4:00 of the fourth.

By that time, Slinger had built a 44-38 cushion, and the Indians were never able to cut the gap to less than four after that. The Owls held off the Indians, hitting nine of their 14 field goal attempts in the final stanza.

"We were running our offense real well for a while there," Westphal said. "We had just come from three down to six up. But turnovers on our part cost us. We didn't execute very well at all down the stretch."

It was a tough way to lose, considering the two teams went at each other fairly evenly through the first half. The Indians found themselves down by just two, at 27-25, despite losing their best player, Adam Laatsch to foul trouble at the outset of the second quarter.

"He was off to a good start...scoring quite well," said Westphal, noting that the 6-3 senior had eight points before picking up his third personal. "I had to sit him for quite a while. I just couldn't take a chance and put him back in with three fouls."

Laatsch's absence didn't hurt the Indians too much, as Jim

Marx picked up the scoring slack. It also helped that Slinger didn't do much to pull away.

"We made a lot of turnovers, they made a lot of turnovers," Westphal said of the contest. "It wasn't a very well-played game. It was quite sloppy actually."

A pair of sophomores helped key Slinger's late surge. Jason Zurn single handedly put his team on top in the fourth, forcing a steal for an easy layup, and then seconds later put the Owls on top 40-38 with another basket.

Zurn finished with 11 points, as did Matt Burrow, another sophomore, and Matt Schellinger. Marx led the Indians with 17 points, while Laatsch, saddled by foul trouble the entire game, wound up with 12.

"Defensively, we played quite well. A lot of their points came off of our turnovers," Westphal went on, pointing out that the Indians threw the ball away 25 times on the night. "That's a chance at 50 more points right there. Obviously, you're not going to make every shot, but it's still an opportunity for more points."

"Jim (Marx) had a pretty good game offensively," Westphal said, adding that the 6-2 senior also made some mistakes down the stretch. "We really didn't get a consistent performance from anybody."

The Indians, now 0-2, will try to get on track with a non-conference clash with Random Lake on Tuesday. Kewaskum opens Eastern Wisconsin Conference action this Friday, when they host New Holstein, one of the pre-season picks for the EW championship.

"We are going to have our hands full," Westphal said of the game with the Huskies, who "are going to be tough this year."

KEWASKUM (13-13-13-8) — Herman 5, Zautner 2, Marx 17, Laatsch 12, Knoeck 6, Jacak 4, Free Throws - 9 of 15, Fouls - 17.
