Wagner, Waala First On Spring Ballot

Board Okays Raises for Village Employees

By Noel Stollenwerk

KEWASKUM — The Kewaskum Village Board last Monday night unanimously approved raises for several non-union employees, ranging from three to four percent.

Village Administrator Dan Schmidt, with the village since 1979, will receive a three percent increase in 1993, making his salary \$43,697, while Police Chief Richard Knoebel and Public Works Director Jerry Gilles will also receive three percent hikes in pay.

The raises bring Knoebel's 1993 salary to \$36,056, while Gilles will receive an additional hike later in the year to bring his total salary to \$34,884.

Deputy Clerk/Treasurer Janet Knops will receive the highest raise, four percent, bringing her 1993 total to \$20,859. The Board also approved a 3.5 percent wage hike for the village's part-time employees.

In other matters, Schmidt told the Board that the village's tax collection was proceeding favorably. "We're doing well...better than a lot of other communities," Schmidt said, noting that Kewaskum has collected more than 32 percent of all taxes thus far.

Prior to the meeting, a drawing was held to determine the order of the names appearing on the spring balloting for three trustees spots and the Board President.

Robert Wagner, who will challenge incumbent Mary Krueger's role as Board President, will appear first on the ballot ahead of Krueger.

Charles Waala, meanwhile, will appear first on the list of trustees, with Robert Beisbier second, and David Goeden third. Beisbier and Goeden are the incumbents, with Waala vying for the third opening.

In a related matter, the Board

approved an ordinance to amend the general election polling hours in the village. The polls will now open at 7:00 a.m. and will close at 8:00 p.m., thus conforming with other communities in the County.

The Board also briefly discussed the three proposals for the curbside recycling and garbage collection services. The proposals range from \$6.55 to \$9.33 a month, with the cost for the recycling containers extra.

Schmidt notified the Board that he and a couple of members from the Board will be contacting other communities that currently use the services, and will go to those places to watch the services in action.

Schmidt also pointed out that the village issued a total of 113 building permits in 1992, an increase of 14 from the previous year, and second most ever. The village issued 114 permits in 1990.

Tim Bunkelman Wins Holy Trinity School Geography Bee

Tim Bunkelman

Tim Bunkelman, son of Jan and Larry Bunkelman, Kewaskum, an 8th grader at Holy Trinity School, won the school-level competition of the National Geography Bee. The school level competition, at which students answered oral questions on geography, was the first round in the fifth annual National Geography Bee, which is sponsored by National Geographic World, the Society's magazine for children, and Amtrack.

Tim will now take a written test. Up to 100 of the top scorers in each state and territory will be eligible to compete in their state Bee on April 2nd.

The National Geographic Society developed the National Geography Bee in response to a growing concern about the lack of geographic knowledge among young people in the United States. A 10-country Gallup survey conducted for the Society in 1988 and 1989 found that peo-

ple in the U.S. ages 18 to 24 - the youngest group in the survey - knew less about geography than young people in any of the other countries in the survey.

Youth Wrestling Program at KHS

The Kewaskum Youth Wrestling Program will begin on Monday, February 1, with sessions running from 6 to 7:30 p.m.

The program is open to all first through eighth graders and will be held at Kewaskum High School. For more information, call Rick Straub at 626-2178.

American Heart
Association

WE'RE FIGHTING FOR
YOUR LIFE

One More Time...

This week, for the unpteenth time, we received an anonymous letter from a parent who has a child participating in a high school sport that we have not, as yet, devoted any newspaper coverage.

So, for the unpteenth time, I will again try to explain why. Our neighboring newspaper is a city DAILY, and is owned by a large corporation. They are also supported by the advertising of DOZENS of stores and businesses. They operate with a large staff, have the latest in technological equipment and can afford to send a reporter to nearly every sport and community function.

The Statesman, on the other hand, is a small town weekly, privately owned by the third generation of the same family. The Statesman has two part-time reporters and a small office staff. There is not enough time or manpower to cover everything the way we would like.

And there is not enough advertising in a small town weekly newspaper to warrant the hiring of a full-time reporter. (Contrary to opinion, subscription prices generally cover the cost of mailing).

Unfortunately, this means some sports and some community news will fall by the wayside.

However, there are two solutions... EVERYONE can advertise thus making it economically feasible to hire full-time reporters, OR everyone can solicit parents, neighbors, grandparents, students, teachers, club secretaries, etc. to write more articles about local news and submit these articles to the Statesman for publication.

This seems to be the simplest solution. We have NEVER refused to print any article submitted to this newspaper unless it was in the nature of a personal vendetta, libelous or deemed in bad taste.

So PLEASE, we urge everyone to turn in newspaper articles they would like to see printed. In our opinion, that is the whole backbone of a small town week-

ly newspaper. You can read, and/or hear about President Clinton, the heartbreak of Somalia and the articles of Saddam every minute of the day.

In a small town newspaper (correct me, if I'm wrong) you want to read about births, engagements, marriages, deaths and the accomplishments of your friends, neighbors and relatives. (Not to mention, the results of an occasional pig kissing contest).

So if there is something you have been patiently waiting to read about amidst these pages and are becoming increasingly frustrated every week that it is not in — we encourage you to take matters into your own hands!

Gather information and sit
(Continued on Page 3)

THANK YOU

We would like to thank our many relatives,
friends, neighbors and the community who, in
whatever way, helped us in our time of sorrow.

The Holz & Doering Families

Limited Edition Prints of Dundee Mill Pond Available

Shown above is one of the Limited Edition collector's prints of the Dundee Mill Park painted by artist Andy Stoffel.

The snowflakes glistened on the upturned faces of the girls as they sang those old familiar caroles. The lights on the "Love Light" tree made a beautiful backdrop to the Pioneer Girls Choir from Trinity Lutheran Church in Dundee. A perfect ending to a wonderful day at the Dundee Mill-Park.

Our olde fashioned Christmas party was a success again this year. So many people came to share in the day. The hot cocoa and cider, along with the cookies helped to warm the insides of all who joined in on that cold winter day. People gathered around the old pot bellied stove to comment on all the work that has been done plus reminisce on days gone by. The children told of all their wishes to Santa while Mrs. Claus and Billy the Brownie were busy getting candy canes and helping with the smaller ones. Some of the people took advantage of the display of sweatshirts and hats and purchased some last minute gifts for loved ones, while others walked over to Bohlmans to purchase or to pick up their Mill-Park prints.

Besides our thanks to all those who joined us that day, a special thanks goes to all who purchased their "Love Lights" this year. These donations really have a big effect on what and how many projects we can plan on doing this year.

Another fund raising project we have is the prints of the 1990 painting of the Mill by Andy Stoffel. The Dundee Mill 1990 Limited Edition Collector Print is on display at the Crossroads Gallery on Hwy. 45 and 67. There are only 300 of these Limited Edition prints with 30 ar-

tists' proofs, each numbered and signed by the artist on acid free quality paper.

Artist Andy Stoffel, will be available at the gallery on Sat., Jan. 23rd, from one p.m. to four p.m. Pencil and color remarks will be available at this time by the artist if desired. Stop by and view this fine collector print, meet the artist and purchase if you desire. The Crossroads is offering a 10 percent discount on matting and framing on this collector print. These prints are going fast. For more information, please call Monica Lavey, 533-4750. Mill print Chairperson, or Andy Stoffel 533-4211.

A big thank you again to all who have helped in the past year to make the Mill-Park a little better. Without your community spirit we would not have been able to get as far as we have.

Take a drive out and see the Mill-Park in its beautiful winter setting.

Diane Kleinke

Services at St. Lucas

Services this weekend at St. Lucas Lutheran Church, 1417 Parkview Dr., Kewaskum, are as follows: Communion Worship, Saturday, Jan. 30, at 7:00 p.m., Communion Worship, Sunday, Jan. 31, at 8:00 a.m. 10:15 a.m. Sunday School and Bible Class at 9:00 a.m.

Statesman classified ads get the job done. To place yours, call 626-2626.

St. Matthew's 'Night Around The World' Jan. 30

The 7th annual St. Matt's "Night Around The World", sponsored by St. Matthew's Home and School Association, will be held in the St. Matthew's school gym in Campbellsport on Saturday, January 30th, from 4:00 to 12:00 p.m.

Each year the menu features traditional favorites from various countries around the world: brats, sauerkraut and potato salad from Germany, submarine and hot beef sandwiches and fruit salad from the USA, eggrolls and fortune cookies from the Orient, eclairs from France, nachos and cheese from Mexico.

The regular menu will be served at very reasonable prices from 4:00 to 9:00 p.m. Pizza and popcorn will be served until midnight. Beverages served throughout the event will be beer, wine coolers, NA beer, soda, coffee and milk.

New attractions for the children will feature a "pick-a-pocket lady" from 4:00 to 7:00 p.m. and a clown act from 7:00 to 9:00 p.m. Junior High students will enjoy the popular teen dance starting at 7:00 p.m. in the cafeteria.

A highlight of the evening pro-

mises to be the live auction from 8:00 to 10:00 p.m. Auction items donated by local business include: gift certificates from NSP Graphics, Straub's Piggly Wiggly, Ben Franklin, and Shefond Mobil Mart, children's aerobic classes and student weight training certificates from the Health Hut, a night's lodging at the Radison in Green Bay from Bank One, a front end alignment and a lube, oil and filter from Jacak's Auto Body, bowling ball from King Pin Lanes, country hassock and tiffany lamp from Twohig's Furniture, Toro snow thrower from Appliance Plus, \$200.00 excavating discount from Mueller Excavating, 25 lbs. pork deal and steak for two from Loehr's Meat Service, Holiday Inn package from National Exchange Bank, and Casio keyboard from Reilly Realtors. Items donated by school and parish families include: tickets to the Fireside, wooden quilt rack, child's computer desk, hobby horse, hand-made first communion dress, oak shelf, ceramic items, lottery tickets, firewood, gourmet luncheon, antique globe lamp, Nicaraguan rocking chair, hand-made afghans and much, much

more!

Music will be provided from 10:00 to midnight for your dancing pleasure.

Advance tickets can be purchased at the Health Hut in Campbellsport or at the school office or parish center of St. Matthew's at a cost of \$1.00 (high school age and adults) and .50c (anyone 8th gr. and under). Admission at the door on January 30th will be \$2.00 for adults and \$1.00 for children.

Kewaskum Teachers Recognized

The University of Wisconsin - Stout in Menomonie, has recognized five Kewaskum teachers for their "uncommon, innovative teaching methods."

Jan Uhlman, 7th grade teacher at Kewaskum Middle School, Tim Leader, 5th grade teacher at Farmington Elementary, Doris Olk, 3rd grade teacher at Farmington Elementary and the 5th grade team at Kewaskum Elementary School, consisting of Peggy Nelson, Erv Uhlman, and Jane Lazarevic, have received certificates acknowledging their nominations illustrating "uncommon, field-leading, student benefitting approaches" to education.

Carol Zoerb, District Gifted and Talented Education Coordinator, nominated these teachers to present their ideas at a Professional Development Institute in July. If they are selected to be presenters, their ideas will be shared with teachers from Minnesota, Wisconsin, Iowa, Northern Illinois, and Michigan.

This marks the first time Kewaskum staff have been nominated for this program.

Resident Assistant At UW-Eau Claire

EAU CLAIRE — Nineteen new resident assistants joined the University of Wisconsin - Eau Claire residence hall staff this semester.

A resident assistant is a full-time student who serves as a counselor, programmer, resource person and disciplinarian to the students in his or her unit. RAs contribute to the intellectual, social and cultural development of students living in the residence halls.

An RA from this area is: KEWASKUM — Michelle Marx, junior, elementary education.

St. Lucas Welcomes Rebecca Sweetman To Teaching Staff

Rebecca Sweetman

The opening of the school year brought a new resident to Kewaskum and a new teacher to St. Lucas Lutheran Elementary School. Miss Rebecca Sweetman was assigned to teach 4th and 5th grade and oversee the music program in grades first through fifth.

Miss Sweetman is a native of Fresno, California where her parents, Patricia and Donald, still live. Her home church was St. Peter in nearby Clovis, California. She attended grade schools in the area, including two years at Shepherd of the Valley Christian Day School. Her high school education was completed in 1987 when she graduated from

Roosevelt Performing Arts Magnet High School in Fresno.

She then journeyed to New Ulm Minnesota to enroll at Dr. Martin Luther College to train for the teaching ministry in the Wisconsin Evangelical Lutheran Synod. After graduation in 1991 from DMLC with a Bachelor of Science Degree in Education, and a minor in Music and English, she returned to California for one year to attend California State University of Fresno to further study music and voice.

In July of 1992 she was assigned by the Wisconsin Synod Candidate Assignment Committee to the position here in Kewaskum. Her students number 27 active youngsters she is enjoying in the classroom. She is also the organist and senior choir director for the parish.

Beckie's leisure activities include, of course, playing her Baby Grand piano, as well as reading, sports, and jewelry making - when time permits. Since her childhood she has been a fan of Star Trek and considers herself one of the "trekkers". She is the oldest of the Sweetman children and has two brothers, Matthew, 20, Nathan 15, and one sister, Carissa, 13, at home.

We welcome Miss Sweetman to Kewaskum and St. Lucas!

KFD Fire and Rescue Squad Calls

Wednesday, Jan. 20, 2:44 p.m. - The Kewaskum Rescue Squad responded when a patient was driven to the Kewaskum Fire House when his finger became pinched in a chain and was partially amputated. He was transported from the Fire House to St. Joseph's Hospital in West Bend.

Friday, Jan. 22, 9:15 p.m. - The Kewaskum Rescue Squad was summoned to Sunburst Ski Hill when a female patient fell while skiing. She complained of pain in her head, neck and thigh. She was transported to St. Joseph's Hospital in West Bend.

Friday, Jan. 22, 9:44 p.m. - The Kewaskum Rescue Squad answered another call to Sunburst Ski Hill following a collision between two female skiers. Both suffered some back pain and one also had pain in her neck and right leg. They were both transported to St. Joseph's Hospital in West Bend.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station on Thursday, Feb. 4, at 7:30 p.m.

In the Service

SA Shane Oppermann

SA Shane Oppermann, son of Mr. and Mrs. Leander Oppermann, W907 Auburn Ashford Drive, graduated from basic training at Recruit Training Command, Great Lakes, Illinois on Nov. 20, 1992.

Shane entered the Navy's delayed entry program on Sept. 30, 1991 while in high school. Graduating from Kewaskum High School on June 5, 1992 his active duty began Sept. 15.

Shane is now stationed at the Naval Training Center in Millington, Tennessee, attending

Aviation Electronic Technician school in the advanced electronic field.

.....

Navy Seaman Recruit Brett W. Prost, son of William E. and Jean H. Prost of 329 Braatz Drive, Kewaskum, WI, recently graduated from the Basic Enlisted Submarine Course.

During the course at the Naval Submarine School, Groton, CT, students are introduced to the basic theory, construction and operation of nuclear-powered submarines. The course also includes shipboard organization, damage control, submarine safety and escape procedures.

The 1992 graduate of Kewaskum High School joined the Navy in July 1992.

One More Time...

(Continued from Page 1)

down yourself and put that information in a few paragraphs and bring it in or send it to the Statesman, P.O. Box 98, Kewaskum, WI 53040. If you feel you absolutely cannot do it and break out in a cold sweat just thinking about it, ask around. Nine chances out of ten that there is someone out there who actually enjoys writing and is probably very talented.

All we ask is that your article be either written legibly or typewritten on 8 1/2 x 11" paper and that you include your name and phone number in case we need to contact you. If you like, we can use your byline or you can remain anonymous. Our deadline is Monday noon.

But please... don't wait for someone else to do it. We are all parents and we understand how hard our children are working to achieve their goals. We definitely want to see all of them rewarded for their diligence. Adults, too, like to receive an occasional pat on the back for a feat well done.

In 1993, let's all work together to make sure ALL area residents receive the recognition they deserve. Submit an article about the accomplishments of a friend or relative. Who knows, you might not find it as difficult as you imagine. You could possibly even enjoy it and may be unleashing a talent you never realized you had.

And remember, if you absolutely feel you can't do it... just ask. There is ALWAYS someone out there who can.

Kewaskum Juniors To Meet

The next meeting of the GFWC Kewaskum Junior Woman's Club will be held on Tuesday, Feb. 2, at 7:00 p.m. in the Kewaskum Municipal Building Community Room. Our guest speaker for the evening will be Joy Breese who will speak on Child Abuse Prevention. A short social time will follow our speaker and then our regular meeting will begin.

Any woman who is interested in our program or learning more about our community volunteer efforts is invited to join us. If you would like more information, you may call Holly at 626-4893 or Terry at 626-4920. We look forward to sharing an evening of friendship with you.

Collaborative Effort Was Needed For SUPER I, SUPER II Programs

The need to find new, cost efficient, and appropriate means of helping high risk individuals and families lead healthier lives led to a collaborative effort by the Council on Alcohol and Other Drug Abuse, the Youth and Family Project, Big Brothers/Big Sisters, and Friends of Abused Families in bringing the SUPER I and II programs to Washington County.

SUPER (Substance Use Prevention and Education Resource) is a primary prevention/early intervention program designed as a parent-child enrichment service. The program format includes an alcohol and drug assessment (youth and family), followed by 8 hours of family training.

The educational component of the program will be facilitated by trained representatives from social service agencies, juvenile justice, law enforcement, youth representatives and school personnel. Basic AODA education, parenting, peer refusal skills, family relationship development, and communication skills will be covered. Follow up interviews and periodic surveys will monitor the need for additional services.

SUPER I and II programs were developed and have been operating successfully in Atlanta, Georgia and other areas for almost 10 years. The programs target such issues as truancy, substance abuse, crime and delinquency.

One of the major issues facing human service providers is to eliminate duplication of services and at the same time enhance collaborative efforts. The collabora-

tion involved with the SUPER programs promises to yield a more efficient system for all concerned with at risk families. Funding for this effort was made possible by a grant from the United Way of Greater Milwaukee.

Watch for more information on SUPER I and II, or call Rick Vrzal, Project Coordinator, at 338-1181.

Order of the Arrow To Meet Feb. 4

Members of the Order of the Arrow of the Awase Lodge, Glacier Edge District 11 Bay-Lakes Council of the Boy Scouts of America, will meet Thursday, February 4, at 7:30 p.m. in Room B-16 of John Long Middle School, corner of Fifth and Hickory Streets, Grafton. All members from Ozaukee County, Random Lake and Washington County are urged to attend.

Chapter Chief, Mike Hartwig, will preside over the selection of the OA Election Team. This team in turn will visit the district troops to conduct the elections of new Order of the Arrow members.

Linoleum was invented about 1860 by Frederick Walton of England. He found that linseed oil, when exposed to air, became a rubber-like material that could be used as a floor covering.

State Residents Asked to Identify 'Doctor of the Year'

MADISON... Do you know a doctor who is outstanding, someone who goes beyond the call of duty to help those in need? The State Medical Society of Wisconsin is asking the residents of Wisconsin to help select the 1993 Physician Citizen of the Year. The award, which is presented annually, honors physicians for outstanding civic, cultural, economic, charitable and health care services provided to their local communities or the state.

To nominate a doctor for the award, send the doctor's name and home or office address with your own name and address and a summary of your reasons for believing the physician deserves to be Physician-Citizen of the Year. Mail your nominations to: Commission on Public Information, State Medical Society of Wisconsin, P.O. Box 1109, Madison, WI 53701. Nomination must be submitted by the

February 19th deadline to be considered.

To be eligible, the doctor must be an M.D. or a D.O. and must reside and practice medicine in Wisconsin. Except in unusual circumstances, his or her services to the state or community should be uncompensated. Preference will be given to current service over lifetime service. Previous winners are not eligible. (The medical society will notify you if your nominee is a previous winner). For more information, call 1-800-362-9080.

Adult Classes at West Bend Gallery

The West Bend Gallery of Fine Arts is pleased to announce the following classes for adults:

INTRODUCTION TO CLAY METHODS will be held on Tuesdays and Thursdays, February 2 to March 25 (16 sessions) from 1:30 to 3:30 p.m. The instructor will be Dr. James Albrecht and the fee is \$55 for a Gallery Friend or \$65 to the general public.

The class size is limited to six students. This class will focus on working with a low-fire clay body. Demonstration and hands-on wheel technique will be included as well as hand-building methods. This is a good opportunity for beginners to discover their abilities with clay. Supplies are included.

BEGINNING AND INTERMEDIATE DRAWING STUDIO will be held on Wednesdays, February 3 to March 10 (six sessions), from 1 to 3 p.m. The instructor is Ed Kocher and the fee

is \$30 for Gallery Friends and \$40 for the general public.

The class size is limited to twelve students. Students will approach drawing and composition with a variety of media, including pastel, charcoal, pencil and colored pencil and ink. Observational drawing skills will be emphasized. Supplies are not included.

MATTING AND FRAMING WORKSHOP will be held on Saturday, February 6, from 1 to 4 p.m. The instructor is Bonnie Paruch and the fee is \$15 for Gallery Friends or \$20 for the general public.

The class size is limited to ten students. Learn matting and framing selection and production tips from professional artist/gallery owner, Bonnie Paruch. This workshop is designed for area artists who need more information about the matting and framing presentation of their work for commercial galleries and juried exhibitions. Participants who have their own mat cutting equipment should bring it to this class. Most supplies are included.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information, call the gallery at 334-9638.

Schulteis - Squier

An Aug. 7, 1993 wedding is being planned by Julia Schulteis, Germantown, and Jeffrey Squier, Acton, MA.

Parents of the couple are Don and Mary Schulteis, Germantown and Dale and Joan Squier, Kewaskum.

A graduate of Germantown, Julia earned her bachelor's degree in Elementary Education with a minor in Mathematics from U.W. -Oshkosh. She is presently employed as a Math

teacher with the Campbellsport School District.

Lt. Squier is Director of Patient Administrations USAF Clinic, Hanscom AFB, MA. Jeffrey earned his bachelor's degree in Chemistry and Biology and a masters degree in Business Administration from U.W. -Oshkosh.

St. Mary's Catholic Church in Menomonee Falls will be the setting for the ceremony.

February Family Center Programs

"For Parents: Teaching O.K. and Unwanted Touch:" will be held Friday, February 12, from 9:30 - 11:00 a.m. Be aware and learn how to teach your child about safe and unsafe touch. It is important to teach body parts, use the proper terminology and be an "askable" parent. Coreen Dahlberg, Parent Educator for Planned Parenthood will also do a skit for the children and parents of birth to four-year-olds. Call to register: Family Center of Washington County, 338-9461.

"All About Time-Outs" will be held Thursday, February 25, 6:30 - 8:00 p.m. Help is on the way! Your preschoolers common everyday behavior problems can be solved — without shouting or spanking. The Time Out method is regarded by child psychologists and pediatricians as one of the most effective means of working out behavior problems with kids from 2 years. You can replace poor behavior with good behavior. Nancy Trehey, Family Center Assistant Director will lead this FREE program. Call to register: Family Center of Washington County, 338-9461.

Birth

KEESE — A daughter, Erin Jayne, to Sue and Brendan Keese of Whitefish Bay on December 30, 1992. Grandparents are Carl and Arlene Koepke of Kewaskum and Julia Wallace of Burlington.

Karshen - Stern

June Sandra Karshen and Donald A. Stern are pleased to announce their engagement.

Parents of the couple are John Severin Karshen and the late Lorraine June Karshen; and Arlene and Richard Stern of Kewaskum.

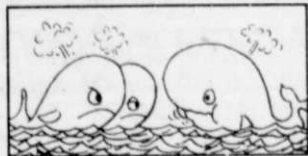

A May 22, 1993 wedding is being planned by the couple.

Riveredge Bird Club To Present Program

Join the Riveredge Bird Club on Tuesday, February 2 at 7 p.m. for a program led by Paul Matthiae of the Bureau of Endangered Resources. The subject of the program will be the importance of preserving Wisconsin's biodiversity.

For more information, call Riveredge at 375-2715 (Metro) or 675-6888 (local).

Riveredge Nature Center is a non-profit, 350 acre sanctuary located at 4458 W. Hawthorne Drive, one mile north of Newburg that provides environmental education for children and adults.

All toothed whales swallow their food whole.

Volunteer!

Many new volunteer opportunities have just been listed with the Volunteer Center. Some of these are fun - some are challenging! Check the column below and see if you are needed. If you don't see a job listed that is right for you, call the Volunteer Center: they have many not printed here! 338-8256.

Cook for weekends: (or earlier in the week and food will be frozen). Food will be for groups meetings at a retreat center. This help is needed two times a month.

Drivers: Someone to deliver meals to homebound elderly on Thursdays during the months of February and March is urgently needed.

Locker Room Helper: Male needed every other Thursday from 2:00 to 2:30 after swim classes.

Advocate for parents of a high school student: train to help the parents of a high school student use some of the services available to them. Accompany the parent to teacher conferences: be familiar with the high school building. Your concern now for a teen can make a lifelong difference!

Marketing Skills needed: be an advisor to a committee which is just now forming. Meet with them 3 or 4 times to steer them in the right direction. This agency has a good story: it would like the public to know about it. This is a short assignment suitable for someone with Marketing experience.

Germantown: Greet new residents of Germantown by delivering a packet of welcoming items. Volunteer will use his/her own car and mileage will be reimbursed. If you are familiar with the Germantown area and are a friendly person, this may be right for you. This job would be fun to do with a friend, too.

Basketball Coaches: Work with a youth basketball program on Saturday mornings at a West Bend agency. Coaches are needed to work with 3rd thru 8th grade boys and girls in separate programs. The dates are Feb. 13 thru Apr. 3, from 9:00 a.m. to 12:00 noon. If you are knowledgeable about basketball, you can help our youth learn these skills and have a good time yourself.

Sewing: if you enjoy sewing you are needed! A day care center for seniors needs sewing straight seams, such as making pillows. This can be done in your own

home or at the agency.

Special Friend needed For a 10 year old child. Get to know this curious and articulate child while sharing her interests in reading, shopping and conversation. Include her in your ordinary activities in the community. This child lives in West Bend and is looking for a new friend.

Data Entry — Adults with experience needed to enter data after the Big Brothers/Big Sisters bowlathon. Dates are: Feb. 13, from 12 noon to 7:00 p.m. and Feb. 14, 1993 from 9 a.m. to 6 p.m. if you can give one or two hours or more to this worthwhile program we will be glad to fill you in on the details!

Foster Home Provider - Provide shelter for a youth in crisis on an emergency, short term (72 hours max) basis. Child must have own bed but can share a room with child of same sex. If you like helping youth here's something you can do. Working persons will be eligible, of course.

Kewaskum Area Library Aide - Volunteer would update vertical file, write for free pamphlets, file them and update records. Plan on one or two days a week at first to learn this job, then one or two times a month should be sufficient. Monday, Wednesday or Friday are available.

Yearbook Organizer - Like to cut and paste? Organize articles for a year book for an agency located in Hubertus. This can be done anytime that is convenient to the volunteer.

Docent Greet visitors to the art gallery and conduct tours of the current exhibit. Monthly training is provided; times to work are flexible. Besides learning some new ideas this job offers interacting with a variety of people.

Typist - To type news releases; newsletters and other miscellaneous items for a West Bend agency. This will take one morning a week on either Monday, Tuesday, Wednesday or Thursday.

Blood Center Hostess - Greet blood donors and serve refreshments after they are through. Volunteer should be friendly and enjoy meeting new people. Times for this vary and there are many time slots available.

Mailing Helper - Four times a year an agency needs to mail a newsletter. Several people could make up a regular committee to do this small, but necessary task. If you have been looking to volunteer but have little time, call about this!

KEWASKUM COMMUNITY SCHOOLS

Monday, Feb. 1 — Tijuana tacos (lean grd. beef, mozzarella cheese, lettuce, taco chips & sauce), fluffy white rice, cinnamon, applesauce, milk & lime sherbet.

Tuesday, Feb. 2 — Baked fish square on a whole wheat bun, seasoned green beans, crispy confetti cole slaw, milk and a California date nut bread.

Wednesday, Feb. 3 — Chili con carne, crackers, chilled orange or apple slices, rye or white bread, milk and an oatmeal raisin cookie. (Salad Bar - H.S. & M.S.).

Thursday, Feb. 4 — Piled high lean roast beef & turkey submarine sandwich w/lettuce, tomato & mozzarella cheese, oven baked potato wedges, peaches, milk and choc. pudding.

Friday, Feb. 5 — Baked chicken, whipped potatoes, fresh veggies & dill dip, Italian bread, milk and cherry jello.

HOLY TRINITY SCHOOL

Monday, Feb. 1 — Chicken pattie, lettuce, tomato/mayo, cherry cup, carrot coins, oatmeal bar, milk.

Tuesday, Feb. 2 — Spaghetti/meat sauce, buttered peas, pear half, bread/butter, cinnamon roll, milk.

Wednesday, Feb. 3 — Oven baked chicken, whipped potatoes, green beans, muffin/butter, milk.

Thursday, Feb. 4 — Taco/shell/chips, lettuce/tomatoe/cheese, golden corn, peach half, pudding, milk.

Friday, Feb. 5 — Toasted cheese, peanut butter sandwich, tri-tatars, apple sauce, cookie, milk.

Bartlett pears are the most popular pears in the United States.

Violet Schmitz Named Local Coordinator

Violet Schmitz

The Wisconsin Technical College Ambassador Program, co-sponsored statewide by the Wisconsin Board of Vocational, Technical and Adult Education and Robert W. Baird & Co. Incorporated, will be coordinated locally by Violet Schmitz, administrative secretary II at Moraine Park Technical College. The announcement was made by Lawrence Pasquini, Moraine Park's dean of student services.

According to Schmitz, the Ambassador Program honors excellence among vocational-technical students at the postsecondary level. "The Ambassador Program seeks to spotlight the role of vocational-technical training in our modern

economy and to emphasize the dignity of work," she said.

Schmitz will work in cooperation with officials of the Moraine Park Foundation, the locally sponsoring organization, to choose a student to represent the district in the state event in Madison on May 12-13, 1993.

The district finalist will compete with students from the other postsecondary vocational-technical districts to be the Wisconsin Technical College Ambassador.

"We make every effort to select our most outstanding student to represent the district at the state event," said Schmitz. Beth Utterback-Klapa, a Moraine Park graduate, won the state event last year.

Glacier Edge Scout Leader Roundtables

Glacier Edge District 1, Bay-Lakes Council of the Boy Scouts of America, will conduct Roundtables for all adult personnel of their Cub Scout Packs and Boy Scout Troops, Thursday, February 4, 7:30 p.m. at John Long Middle School, corner of Fifth and Hickory Streets, Grafton.

Participants in the Cub Roundtable will investigate and examine procedures and exhibits for the "Weather Observation" theme prepared by Commissioner Ann Mueller, and her staff in the All-Purpose Room. Advancement and leader recognition ceremonies will be enacted; Mike Smith will involve everyone in the participation skit, "It's All In Your Mind"; and games, including Cub Scout Hockey, will be played.

Dave Parkinson will meet with Webelos Leaders to discuss the Engineer and Handyman Activity Badges. Helpful ideas and techniques will be exchanged.

The Scout Roundtable will convene in the school library, where Dennis Grabow, Scoutmaster of Troop 839, Grafton, will narrate a slide presentation of an excursion to the National North Country Hiking Trail, at Mellen, WI, east of Cable and south of Lake Superior. Two days were spent hiking 23 miles of the 65-mile trail, using back packs and sleeping in home-made shelters.

Commissioner, Tom Weirzbicki, and Flag Day promoters from Kenosha will give details of the parade and campout at Waubedonia Park.

Sheriff's Department Offers New "Road Condition Information Line"

The Washington County Sheriff's Department has installed its first phase of a "voice mail" system which will allow callers to quickly transfer their calls to key locations within the agency.

One feature of this system is a 24-hour hotline for road condition reports during the winter months. The road condition report is accessed by calling the main phone number (335-4378) and following the instructions given when the call is answered. The report will be updated regularly as conditions

change.

A touch-tone phone is needed to access the road report. Since some residents do not have such phones, the sheriff's department will continue to provide information to the local radio stations.

Information on road conditions outside the county can be obtained by calling 1-800-ROAD-WIS, a service of the Wisconsin Department of Transportation.

The department also reminds residents that it does not receive information on school closings. Local radio stations are the best source of that information.

In the Service

Marine Pfc. Kevin M. Tucker, son of Doris K. Marceau of 1708 Mapledale, West Bend, recently completed recruit training and was promoted to his present rank.

During the training cycle at Marine Corps Recruit District, San Diego, recruits are taught the basics of battlefield survival, introduced to typical military daily routine and personal and professional standards.

All recruits participate in an active physical conditioning program and gain proficiency in a variety of military skills including first aid, rifle marksmanship and close-order drill. Teamwork and self-discipline are emphasized throughout the cycle.

The 1992 graduate of Campbellsport High School, Campbellsport, joined the Marine Corps in September 1992.

Habitat Healers

This informal, but informed group meets each Tuesday to pursue a variety of activities related to managing the habitats of Riveredge. Prairie seed collecting, systematic surveys of prairie insects, transplanting of woodland wildflowers and just musing are all within the purview of activities of this work-learn group.

Anyone who thinks this sounds like fun may join in at Riveredge Nature Center on Tuesday, February 2, from 9 a.m. to Noon.

Call Riveredge at 375-2715 (metro) or 675-6888 (local) for more information.

Riveredge is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

PACE - People with Arthritis Can Exercise Is a New Program at St. Josephs

There is a new program entitled PACE being offered at St. Joseph's Community Hospital in cooperation with the Arthritis Foundation.

Program Description

PACE stands for "People with Arthritis Can Exercise." This is an exercise program specifically designed for people with arthritis. Gentle exercises and activities are used to help increase flexibility, strength and endurance. Benefits of this program include a reduction in pain, stiffness and the depression often associated with arthritis. There are two levels of exercise being offered, both basic

and advanced, to meet the needs of each participant.

Class Structure

The program will be co-led by Ken Schiller, O.T.R., Director of Rehabilitation Services and Marcia Reth, Physical Therapy Technician, Exercise Specialist. Both Ken and Marcia have completed Arthritis Foundation training and are certified PACE instructors. Classes will be held in the 4 East Conference Room of St. Joseph's Community Hospital on Wednesdays and Fridays from 10:30 to 11:30 a.m. for six consecutive weeks beginning on March 3, 1993. Cost of the pro-

gram is \$30.00 per person.

Who Can Participate?

Any adult with arthritis may join the PACE program. Participants must be able to walk independently or with an assistive device. If in a wheelchair, they should be able to transfer to a straight-back chair. People who have severe joint problems or have had joint surgery are encouraged to check with their doctor about special precautions.

For more information and to register for the program call the Rehabilitation Services Department at St. Joseph's Community Hospital, 334-8237.

Auditions for 'Man of La Mancha' Feb. 2 at UWWC

West Bend — Professor Brad Ford, Director of Theatre at The University of Wisconsin Center - Washington County, announces auditions for the Theatre-on-the-Hill's spring musical, Man of La Mancha.

Audiences at the UWWC Theatre on the Hill will be able to share the delights of theatregoers all over the world in experiencing Dale Wasserman's musical comedy, Man of La Mancha. The play is based on his interpretation of a novel which has been considered one of the great masterpieces of world literature for almost 375 years, Don Quixote, by Miquel de Cervantes.

The story is a sort of dream sequences in which Cervantes imagines himself to be Don Quixote, accompanied by his faithful squire, Sancho, as he endeavors unsuccessfully to cure the ills of the world. Included are the jousts with windmills, his worship of the urchin Aldonza, his delusion of the golden helmet — a barber's bowl — his final knighthood by the local innkeeper and the ultimate scene in which he is once again Cervantes, on his deathbed, failing to recall his fantasy.

When it was first presented in 1965, Man of La Mancha was hailed by the N.Y. Daily News critic as "The finest and most original work in our musical theatre." It ranks with Fiddler on the Roof, Hello, Dolly! and My Fair Lady as one of the thrilling superattractions of the modern musical theatre. It has been acclaimed in productions all over the world. Its song hits "Dulcinea" and "The Impossible Dream" have become musical classics. The show so overwhelmingly impressed critics that it won almost every major stage award during its first Broadway season.

Auditions will be held Tuesday, February 2, from 7-10 p.m. at UWWC's Theatre-on-the-Hill. An assortment of male and

female, singing and nonsinging roles of varying sizes are available. Scripts and audio cassettes are available in the UWWC Library. For further information please call Brad Ford at 335-5222.

WASHINGTON COUNTY NUTRITION PROGRAM FOR THE ELDERLY MENU Meadowcreek Apartment Complex

Monday, Feb. 1 — Salisbury steak w/onions and lt. gr., mashed potatoes, peas and carrots, branatural bread, chilled peach slices.

Tuesday, Feb. 2 — Minestrone and crackers, veal parmigan, fettucini, Italian blend vegies, Italian bread, pie.

Thursday, Feb. 4 — Boneless pork roast w/lt. gravy, whipped potatoes, stewed tomatoes, marble rye bread, sugar cookie.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Moraine Symphony Chamber Orchestra To Perform Friday

The Moraine Symphony Chamber Orchestra will perform in concert at the UWWC Theatre on Friday, January 29. Composed of musicians from the Moraine Symphony, Albert J. "Bud" Asch will direct this smaller group. Assistant Conductor Greg Hughes will also be featured.

They will perform Mozart's "Symphony NO. 29," "Two Gymnopedies" written by Erik Satie and arranged by Claude Debussy. Also featured will be "Ancient Airs and Dances" which is freely orchestrated by Ottorino Respighi.

Tickets can be reserved by calling 335-5208 or purchased at the door. They are \$6 for adults, and \$4 for children and seniors. This performance will be at 7:30 p.m.

People are always good company when they are doing what they really enjoy.

Join Spring Tour To Washington D.C. With WB Gallery

Living across the street from the White House for a few days and being based within walking distance of our nation's most important museums may be reason enough to be one of 30 guests to join the West Bend Gallery of Fine Arts spring tour to Washington D.C. from April 14 to 18.

The primary reason of the trip is to join other guests from across the nation who were invited to a private opening reception for the exhibition, "Revisiting the White City: American Painting and Sculpture at the Chicago World's Columbian Exposition in 1893." The exhibition will include SUMMER AFTERNOON, a Carl von Marr painting on display until February at the West Bend Gallery of Fine Arts.

The escorted tour will include a nighttime illumination tour of

Washington monuments and buildings, visits to the Smithsonian museums, governmental buildings, art museums and historical sights, including a day at Williamsburg, Virginia.

Since this is over the Easter break, it may be a perfect opportunity to take the family or grandchildren to Washington. Let's hope the famed Washington D.C. cherry blossoms bloom in time to help usher in a beautiful spring in Washington.

Reservations can be made now and final payment will be due on or before February 26th. For additional information, call the gallery at (414) 334-9638.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m.

The first ferris wheel was erected at the 1893 Columbian Exposition in Chicago.

The globefish staves off predators by gulping a large quantity of water, till it becomes simply too large to be swallowed by its enemies.

Time to Make Your State Park Reservations, Purchase Stickers

It's time to start planning for the 1993 camping season by making reservations for your favorite state campground campsite or for the Mirror Lake Campground Cabin for people with disabilities.

And State Park officials remind winter park users that a 1993 park admission sticker is now needed if you plan on heading to a state park to enjoy skiing, ice fishing or other winter activities.

"Wisconsin state parks began accepting campsite reservations on January 4," said Kimberly Eilenfeldt of the Department of Natural Resources Bureau of Parks and Recreation. "Many of the prime campsites at our state parks are reserved months in advance for busy weekends," she said.

More than 35 state park and forest campgrounds have campsites that can be reserved. Reservations must be made directly to the park at which campers wish to reserve a campsite. Reservations must be made either in person or through the mail on an official DNR campsite reservation form. All campgrounds also have campsites that are available on a first come basis.

A special form is required to reserve the Cabin Campsite for people with disabilities located at Mirror Lake State Park, according to Anthonette Gilpatrick, DNR accessibility specialist. The cabin, constructed for use exclusively by people with disabilities, features a barrier free design, lowered counter tops, a wheel-on shower, heating and air conditioning. An accessible fishing pier, observation deck overlooking Mirror Lake and hiking trails are located near the cabin.

The cabin operates from May 1 through October 31. Reservation information is detailed on the reservation application form.

Reservation forms for campsite and the campground cabin are

available at most park and forest offices or by writing to Bureau of Parks and Recreation, Wisconsin DNR, P.O. Box 7921, Madison, WI 53707. There is a \$3 campsite reservation fee.

State park annual admission stickers are also available at state park and many other DNR offices. Admission stickers cost \$15 for Wisconsin residents and \$24 for non-residents.

For more information contact Kimberly Eilenfeldt at (608) 264-6035.

Old Settlers' Club Banquet Feb. 10

The sixth annual revival of the "Old Settlers' Club Banquet" will be held on Saturday, Feb. 20, at the KC Hall, 3245 Lighthouse Lane, West Bend. Social hour will begin at 5 p.m. with dinner being served at 6 p.m. The cost of the dinner is \$10 per person.

The Town of Barton will be featured this year with speakers and entertainment from the area.

Please have your reservations in by Feb. 10. Send check to the Washington County Historical Society, 432 E. Washington St., West Bend, WI 53095.

Reservations are limited to 250. For more information call 335-4678 or 334-2859.

Lecture Offered at West Bend Gallery

Dr. Frank Cassell, Dean of the Albert A. Robin Campus/Roosevelt University in Chicago will present a lecture entitled, "Had a Great Time, Wish You Could Have Been There," at 2 p.m. on February 7th, at the West Bend Gallery of Fine Arts.

The lecture will review the colossal and magnificent 1893 Chicago Columbian Exposition which later inspired the creators of Walt Disney World.

The slide lecture will feature many of the exposition buildings and artifacts that exist today on the centennial of the exposition, also known as the Magic City. The review will include two Carl von Marr paintings in the gallery's collection.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information, call the gallery at 334-9638.

Millers Welcome Amanda Joy

Stan and Sherry Miller of Jackson, are the proud parents of a daughter, Amanda Joy. She was born on Friday, Jan. 22, weighing 7 lbs., 12 ounces. Grandparents are Willy and Irene Seefeldt of Kewaskum and Carl and Dianne Miller, Cedarburg.

Rural Opportunity Center to Serve Wisconsin Farm Families

Wisconsin farm families had an opportunity to tap into a network of informational and human services at a new Rural Opportunity Center which opened in Kewaskum on January 27. Each month, the center will feature a guest speaker who will address current agricultural issues.

Located at the Amerahn Dance Hall, the center will be open the fourth Wednesday of each month from 11:30 a.m. to 1:30 p.m. No fees will be charged to participants. Lunch will be provided at no charge.

The Rural Opportunity Center is sponsored by local community groups and the Wisconsin Department of Agriculture, Trade and Consumer Protection.

The first guest speaker is Roger Williams, a professor in the Health and Human Issues Department of the University of

Wisconsin-Madison. Williams will discuss the complexities of intergenerational farming — when a son or daughter-in-law enters the daily farming operation, often straining relationships. He will also offer insights into improving communication within the intergenerational farm family.

Future Topics Include

February 24 — Panel discussion of farm financial planning and relationships with lenders.

March 24 — Rural Voices, a drama about farmers' love of the land as well as the struggle and hardships associated with family farming, will be performed and followed by a group discussion.

April 28 — Farm safety and rural health. For more information, contact the Washington County U.W. Extension office at 335-4477, 644-5204, 342-2929 ext. 4477

AAA Offers Motorists Tips For Driving on Ice and Snow

Winter driving can be very hazardous, especially when the roads are wet, snow-covered or icy. Knowing how to safely start, stop and steer in such conditions takes some study at home beforehand and then some practice behind the wheel in a safe, secluded area.

To help inform motorists about the intricacies of safe winter driving, Triple-A offers a free pamphlet, "How to Go On Ice and Snow." The pamphlet features advice on everything from winterizing your vehicle to handling emergency maneuvers.

The following are some winter driving tips found in "How to Go On Ice and Snow":

***STARTING:** To get started in a snow-covered driveway or parking area, clear a path in front of the wheels for several feet either by driving forward and backward, or, if the snow is too deep, by shoveling. Point the front wheels straight. Shift to second gear in a car with a manual transmission or to "drive" in a vehicle with automatic transmission. With gentle pressure on the accelerator, try easing the vehicle forward without spinning the wheels.

If you need more traction, use traction mats or spread sand, salt or any handy abrasive material in front of and in back of the drive wheels. Do not let anyone stand directly in line with the drive wheels, however. The spinning wheels may throw an object that could cause an injury.

***TRACKING AND FOLLO- WING:** If you are driving on slippery surfaces and the wheels start to spin, let up on the accelerator until traction returns.

When approaching a hill, observe how other vehicles are reacting. Keep far enough behind the vehicle ahead of you so that you will not have to show down or stop. Increase your speed (within reason) at or near the bottom of the hill to give you extra momentum to carry you over the top. As you reach the hill's crest, slow down. Proceed down the hill slowly.

***STEERING:** Hard acceleration or braking, speed too fast for conditions or quick, jerky movements of the steering wheel can cause the vehicle to skid on slippery surfaces. To avoid skids, anticipate lane changes, slow down early, and move the steering wheel smoothly.

If a skid occurs, don't panic. Don't brake. Don't jerk the steering wheel. Rather, disconnect the driving force on the drive wheels by either de-clutching in a manual shift car or shifting to "neutral" in an automatic-shift vehicle. The latter procedure is tricky and requires practice. Don't attempt this unless you are certain of finding neutral immediately.

Next, maintain or regain directional control with smooth, precise steering movements. If the rear wheels skid, steer in the direction you want the car to go.

***BRAKING:** Minimize braking on very slippery roads to avoid skidding. Many newer vehicles today offer anti-lock

braking systems (ABS) to help motorists avoid locking up their wheels. Motorists who don't own vehicles with anti-lock brakes should practice the technique of "threshold" or "squeeze braking." Squeeze braking is accomplished by applying the brakes firmly, to a point just short of lock-up, and then easing off the brake pedal slightly, if the wheels lock. Re-apply the brakes to a point just short of lock-up and hold. Don't pump the brake pedal, just apply steady pressure.

***STOPPING:** Stopping on slippery surfaces requires longer seeing, following and stopping distances. Focus your attention as far ahead as possible (at least 12 seconds) and increase the following distance between your vehicle and the one immediately in front of you.

Critically Acclaimed Plays at UWVC

The Mixed Blood Theatre Company will be bringing two of their critically acclaimed plays to the University of Wisconsin Center-Washington County. The one-man shows will explore the lives of baseball's great Jackie Robinson, and the remarkable singer/activist Paul Robeson.

The Mixed Blood Theatre Company was founded in 1976 in Minneapolis, Minnesota. Mixed Blood is dedicated to the spirit of Dr. Martin Luther King's dream and to the concept of "colorblind casting." According to the Actor's Equity Association, Mixed Blood is the nation's leading employer of minority professional actors.

Since 1980, they have played to over 575,000 people, with performances in eighteen states. In 1987, Mixed Blood was nominated for a Tony Award for their contribution to American theatre.

Tickets are \$6 for adults, \$4 for seniors and children, and UWVC students are admitted free with a Valid ID. Groups of ten or more can get advance tickets at a discount rate of \$1 off per ticket. For further information or to reserve tickets call 335-5208. The performance will be held on February 5, 1993 in the University Theatre, at 7:30 p.m.

Honor Society Sponsors Creative Writing Contest

Delta Kappa Gamma, and Honor Society for Women Teachers is sponsoring a Creative Writing Contest for students of Washington County, for grades three and over.

The event will be held at Holy Angels School in West Bend on Feb. 4th at 7:00 p.m.

Campus Notes

Sixty-nine students from area communities have been named to the Dean's List for achieving academic honor grades during the fall semester at the University of Wisconsin Center - Washington County.

Included on the list are 55 full-time students, enrolled for 12 or more credits and 14 part-time students, enrolled for at least 3 credits and having earned a minimum of 15 credits at UWVC.

Students receiving highest honors have achieved a straight A average (4.0) while high honors students earned a grade-point average (GPA) of between 3.99 and 3.75. Honor students received GPA's between 3.74 and 3.5.

Honor students, grouped by communities, and full- or part-time status are:

FULL TIME STUDENTS
CAMPBELLSPORT — High Honors: Joseph Lepine.

KEWASKUM — High Honors: Robin Bechler, Karen Junk, Gerald Sese, Andrea Waala; Honors: Brenda Campbell, Melissa Kuechler, Dawn Maramonte, Amy Redig, Kelly Rohlinger, Tracy Ruplinger, Tammy Schladweiler, Melissa Williams.

WEST BEND — Highest Honors: Angelika Behrend, Cynthia Kleinhans, Mary Kuehmel, Jeffrey Neu, Judith Rosenthal, Misti Swanson, Jacquelin Trautwein, High Honors: Jodi Bergstrom, Sara Ponath, Deidre Weittenhiller, Mary Zimdars, Brian Zirbes; Honors: Linda Anderson, David Barth, Heather Clift, Todd Faber, Gay Griesbach, Christopher Hanrahan, Jason Jagielski, Heather Kulcinski, Shawn Lord, Monica Martin, Michelle Retzlaff, Lora Shimunek, Ann Steier, Mary Walker, Scot Youmans, Christopher Ziegelbauer.

PART-TIME STUDENTS
CAMPBELLSPORT, Highest Honors: Sandra Pfothner.

KEWASKUM, High Honors: Janet Rammer.

WEST BEND, Highest Honors: Kathleen Lauters, Leslie Lorbiecki, Cynthia Tennes; High Honors: Joanne Kruepke; Honors: Deborah Przedpelski, Lisa St. Peter.

"Celebrate Families"

Families are a concern of everyone. Our society has changed, and therefore the "traditional family" has also changed. Today's families are nuclear, extended, blended, single parent, dual parent, multi-generational, biracial and elderly. They all exist and they are all important.

Agencies, organizations, businesses, schools, churches and countless concerned others of the Greater Washington County Area have come together to develop and implement a unified approach to "Celebrate Families". A week long program, February 7-14, 1993 is designed to emphasize the importance of the family.

Opening kick off is Sunday, February 7, 11:00 a.m. at Paradise Mall, West Bend. Scheduled events include a Family

NEW LAWMAKER... State Representative Mary Panzer signs in as a member of the Assembly at the inaugural ceremony in Madison earlier this month. Panzer has served the State Legislature for twelve years, but with redistricting she now represents the 59th Assembly District. Her area includes: Adell, Allenton, Belgium, Campbellsport, Cascade, Cedar Grove, Fredonia, Kewaskum, Oostburg, Random Lake, Theresa, Waldo and West Bend.

Eldercare: Dilemmas & Decisions

When an older family member becomes ill and dependent on others, family members often find themselves thrust into roles they are not prepared to assume.

The profound physical, psychological, social, and financial changes brought about by chronic illness or impairment can affect the entire family.

A once independent person may feel helpless. He or she may experience anger, confusion and fear.

For the caregiver, the pressure of a busy schedule can be compounded by feeling inadequate about providing care, by feeling both love and pity for the older adult, and by feeling anger at having his or her life consumed by the situation.

A series of fact sheets have been developed by the UW-Extension Service to help caregivers. Topics covered in the fact sheets include housing arrangements, coping with stress, locating community services,

managing caregiver expenses, understanding dementia and Alzheimer Disease and nutrition.

To receive a set of these fact sheets, sent \$2.00 for printing and handling to U.W. Extension, Joyce Albrecht, Washington County Extension Home Economist, 333 E. Washington Street, Suite 1200, West Bend, WI 53095.

MPTC Campus At West Bend Offers Child Care Courses

Moraine Park Technical College's West Bend campus is offering three child care certification courses during the 1993 Winter/Spring semester.

Introduction to Infant/Toddler Child Care, course 307-414-011, meets Monday evenings from 6-8:45 p.m. beginning Feb. 15. Cost for this five-week course is \$19.90.

Creative Learning Activities 1, course number 307-331-004, meets Tuesday evenings from 6:30 - 9:30 p.m. beginning Jan. 26. This two-credit course can be used to meet DHSS entry-level requirements for certification or can apply the credits toward a vocational diploma in Child Care Services. Cost for this 16-week course is \$88.80.

Program Director 2, course number 307-406-002, meets Tuesday evenings from 6:30 - 9:15 p.m. beginning Feb. 2. Cost for this 14-week course is \$44.50. Early Childhood 1 and 2 and Program Director 1 are prerequisites for this course.

To enroll for any of these courses stop by the West Bend campus or register by touch tone at 334-0909. Hours are 8 a.m. - 8 p.m. Monday - Thursday and 8 a.m. - 4 p.m. on Friday.

Valley Bank Opens in Fond du Lac

The Fond du Lac area officially got a new bank on Monday, January 18, when a full-service Valley Bank opened for business at 845 South Main Street, Suite 110, Fond du Lac.

The Fond du Lac office is approximately 1365 square feet, with a walk-up window, convenient customer access and parking. The bank lobby will be open from 9 a.m. until 4 p.m., five days a week. The Walk-Up Window will be open from 8 a.m. until 6 p.m., five days a week and from 9 a.m. until noon on Saturday. Customers of the Fond du Lac office will be able to transact their business at any of 153 Valley Bank locations in Wisconsin.

In discussing the new office location, Steven D. Eatough, President, stated, "We are pleased to be able to offer our banking services to Fond du Lac and the surrounding market. The economic growth and vitality of this area have shown us that this is a community we want to be part of."

A Grand Opening Celebration is being planned for mid-February. It will be open to the public and includes special product incentives refreshments and giveaways.

Daniel F. Timm has been named Assistant Vice President/Branch Manager of the new office. Timm has been associated with Valley for four years, most recently as Assistant Vice President at the Ripon office. Prior to joining Valley, he was employed at University Bank, Green Bay.

The new Fond du Lac office will be a branch of Valley First National Bank of Ripon which has assets of \$63 million. They are an affiliate of Bancorporation, the third largest bank holding

company headquartered in Wisconsin. Valley, has assets of \$4.3 billion and currently serves Wisconsin through 152 banking offices with additional financial services companies engaged in insurance, trust service, securities, credit card servicing and bank consulting services. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

WHEDA Housing Grants Available

(Madison) The Wisconsin Housing and Economic Development Authority (WHEDA) has announced the availability of housing grants totaling \$500,000. Grants of up to \$35,000 will be awarded to eligible organizations through a statewide competition to develop or improve housing for persons-in-crisis, including homeless persons, disabled or mentally ill persons, victims of domestic abuse, frail elderly or low income elderly persons, and others.

"WHEDA Grants have been a vital resource for hundreds of organizations providing housing for Wisconsin's most needy citizens," said Governor Tommy G. Thompson. "I encourage all eligible housing providers to apply for funding."

Organizations eligible to receive awards include non-profits, cooperatives, community development and redevelopment agencies, housing authorities, Native American tribal authorities and units of local government.

Individual grants of up to \$35,000 may be used to assist projects of any size, and must

benefit residents whose incomes are less than 80 percent of the county median. Market studies, feasibility studies and/or housing-related services are not eligible for funding.

"In the last decade, WHEDA has provided more than \$9 million in housing grants to assist nearly 6,400 units and beds of housing for Wisconsin residents," said Richard J. Longabaugh, WHEDA Executive Director. "We are pleased to offer this assistance again in 1993."

Grants are funded from WHEDA reserves. WHEDA does not receive state tax dollars to fund its programs and operations.

Completed applications must be postmarked or delivered to WHEDA by Friday, March 19, 1993. Those organizations interested in competing in the program may receive an application by calling WHEDA at 1-800-33-HOUSE (1-800-334-6873). Awards will be made in June 1993.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held at the fire station on Thursday, Feb. 4, at 7:30 p.m.

Scout/Youth Group At Riveredge

Saturday, January 30, is a day set aside for youth groups such as scouts and 4-H to participate in a program with a Riveredge Nature Center naturalist.

There are several Saturdays that are set aside for such activities throughout the Fall, Winter and Spring. All groups must

register for a Saturday prior to coming.

For more information, call Riveredge at 375-2715 (Metro) or 675-6888 (local).

Riveredge Nature Center, a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages, is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

Kewaskum Woman's Club Serves the Community

DID YOU KNOW THAT

1. The Kewaskum Woman's Club was organized on January 14, 1913, with 13 members.
2. The first Club project was the organization of the Kewaskum Public Library.
3. "A chain of circles" was started for the benefit of the library.
4. The club sponsored the University of Wisconsin Extension Lyceum Series for several years.
5. We received a letter from Gov. Cox of Ohio thanking the Club for its generosity to the stricken state.
6. The Club sponsored a "fly campaign."
7. By January 1914 a librarian was appointed for \$52.00 a year.
8. One day a year was declared "Library Day".
9. The Club recommended to Mr. Simon, High School Principal, that fire drills be held in school.
10. In Spring 1914 a "beautification of backyard" contest was sponsored.
11. The Club had "the Gold Dust Quartet".
12. In June 1914 the library books were insured by the Club.
13. The meeting day was changed from Saturday to Wednesday in September 1914.
14. For several years the Club held a public supper.
15. On January 6, 1916 The Kewaskum Woman's Club presented all title to property and funds now held in the Kewaskum Public Library to the Village Board.
16. In 1917 school yard equipment was purchased.
17. War Savings stamps and two Liberty Bonds were purchased by the Club in 1918.
18. A Service Flag was made in 1918.
19. The Club adopted for a year a French orphan, Yvonne Perreau, No. 32936, girl, born April 1, 1907.
20. Candy sales, apron sales and card parties were given annually for raising funds.
21. The Club had the State Board of Health show the film, "How Life is Begun" to the school children in the afternoon of May 4, 1920 and the film, "The End of the Road" was shown in the evening.
22. The school was encouraged to organize the Kewaskum Parents-Teachers organization in October 1920.
23. Besides donating to the Near East Relief fund in 1920, clothing was gathered, boxed (8-11 lb. packages) and sent to the destitute in Europe for European Relief.
24. \$250.00 was donated to the school board in 1920 towards a "sinking fund" for the new school building.
25. A piano was purchased for the school in 1921.
26. An annual Teachers' Reception was held.
27. White elephant and rummage sales were money-making projects.
28. Mr. Giles, State School In-

29. The Public Library was redecorated, cleaned and the windows washed by the Club members, besides the usual donations.
30. In 1923 the Club helped the County Nurse with the Child Welfare Clinic.
31. We joined the Federation in petitioning our State for removal of unsightly billboards.
32. The Kewaskum Woman's Club Cook Book was printed, 1000 copies, in 1925.
33. A fund-raising carnival was held at school in 1925.
34. In 1926 The Club gave \$280.00 to the High School to use in finishing the gym floor.
35. Two red-leafed maples were planted at school in 1926.
36. In 1934 a discussion was held on "Are Strikes Justifiable".
37. The Club ordered 5 text books on Citizenship which were studied during the 1934-35 year.
38. A studio couch was purchased for the high school from Millers Furniture in 1935.
39. The Club helped the Red Cross in 1936 to defray expenses for dental work for school children.
40. A paper was presented in 1936 on "How Radio has Raised Standards of Living".
41. The Club took self-teaching courses in Practical English and Effective Speech during the 1936-37 year.
42. In 1937 we entered our first 100 percent subscription to the Wisconsin Club-woman Magazine.
43. A Club picnic was held for the last meeting in 1937.
44. One of the permanent instruments for the Kewaskum High School band was purchased in 1937 as well as an oil stove for the new Home Economics Department.
45. The Girl Scouts and the Boy Scouts were organized in Kewaskum in 1938 and were supported by the Club.
46. A movie at the West Bend Theater was sponsored for several years as a money-making project.
47. A flower bed was planted and maintained in the Village Park for several years.
48. In 1940 a donation of \$100.00 was made to the Kewaskum High School Band.
49. A Defense Bond of \$750.00 was purchased in 1941.
50. The Club arranged for a Cancer Education movie to be shown by the State Department of Health in the high school auditorium in 1941.
51. Made "Ditty-bags" for the service men, filled, packed and mailed then in 1942.
52. Received Thank-you letters from the following: Pvt. Sylvester Harter, Pvt. Earl Kohler, Pvt. Russell Heisler, Lt. L. Rosenheimer, Pvt. Albert Hron, Jr., Pvt. Myron Belger, Sgt. Ralph Kohn, Pvt. Frances Horn, Tech. Jacob Schlosser,

- P.F.C. Hermin Kohler, P.F.C. Joseph Uelmen, Jr., Sgt. C.E. Romaine, Pvt. Sylvester Terlinden, Pvt. Claire Horn, P.F.C. Franklin Heisler, Capt. Frederick Miller, Pvt. Louis Bath, Pvt. Walter Werner, Pvt. Leander Honeck, Pvt. Ralph Marx.
53. The Club made bandages for the Red Cross in 1942.
54. In 1943 each member gave home-made cookies which were delivered to the servicemen at Traux Field.
55. Five cases of canned goods were sent to European Relief in 1946.
56. In 1946 the Club subscribed to "Good Listening" bulletins for better radio listening.
57. We met in 1947 in our new clubroom in the Insurance Building.
58. The 1948 Christmas gifts were sent to the Wisconsin School for Girls, Oregon.
59. Purchased a set of World Book Encyclopedias for the Public Library in 1949.
60. The Club conducted in 1949 the first audiometer test screening of all school children.
61. The 1949 Christmas gifts were sent to the Children's Home at Sparta; and the needy families in Kewaskum were remembered as usual.
62. Clothing was collected and sent to Indian Welfare in 1949.
63. An Open House was held at the new Public Library.
64. A TV set was donated to the Old Folks Home at West Bend.
65. During 1949-50 we studied "The Question of the Month" on the U.N. for half-hour before each meeting.
66. A series of card parties were held in 1950 to benefit the library - purchased drapes, world globe, etc.
67. Gifts in 1950 were given to the D.P.s and the Veterans Hospital at Wood.
68. In 1951 we toured the Wisconsin Home for Women at Taycheedah and sponsored the State Mobile Chest X-ray unit.
69. The "Piggy-bank" Basket project was started as a money-making project.
70. \$100.00 was donated to Korean Relief in 1951.
71. The Club members contributed to the Scout Mother's Bake Sale.
72. On August 21, 1951 we served a picnic lunch to the Veterans of Wood Hospital at Mauthe Lake.
73. Thirty metal wastepaper baskets were given to the Washington County Old Folks Home, December 1952.
74. In 1953 we assisted with the Blood Bank, with the State Mobile Chest X-ray Unit and did the audiometer test screening at all schools.
75. Donations were made in 1953 to Radio Free Europe and for the reconstruction of Independent Hall, Philadelphia.

Tomatoes can survive what would otherwise be a killing frost if the temperature drop is gradual over several days.

Obituaries

HAROLD RUPLINGER

Harold A. Ruplinger, 62, of Butler, died Tuesday, Jan. 19, 1993, at St. Joseph's Hospital in Milwaukee.

He was born June 10, 1930, in St. Kilian, a son of Joseph and Alma Weiland Ruplinger.

He was a former Kewaskum resident.

Survivors include two brothers, Joseph Jr. and his wife Helen, and Raymond and his wife Rosemary, all of Allenton; one sister, Loraine Weyer and her husband Alphonse of Lomira; two sisters-in-law; and nieces and nephews.

Preceding him in death were his parents; and two brothers Elmer and Orville.

Memorial services were held at 7:30 p.m. Friday at St. Kilian Catholic Church in St. Kilian.

There was no visitation.

25 Years Ago

JANUARY 26, 1968

The 55th Anniversary of the founding of the Kewaskum Woman's Club was observed on Saturday evening when the group held its annual Founder's Day dinner for members and husbands at the Wigwam Supper Club. Mrs. Marshall Boyd and Mrs. Earl Buswell were in charge of arrangements and in recognition of the emerald anniversary, presented a corsage in emerald green to each member.

Because she ranked first in a written homemaking knowledge and attitude test given senior girls in Kewaskum Community High School here December 5, Bonnie Sue Kern becomes 1968 Betty Crocker Homemaker of Tomorrow for her school, it has been announced.

Marine Corporal David L. Flynn, son of Mr. and Mrs. Robert Flynn of Kewaskum, participated in the rescue of 37 Hong Kong Chinese sailors from a grounded Liberian freighter while serving in the Western Pacific aboard the attack aircraft carrier USS Coral Sea. A foot-high silver trophy was presented the captain and crew of the Coral Sea on behalf of the master and crew of the "Loyal Fortunes" which ran aground on the Pratas Reef 170 miles south of Hong Kong. On Nov. 6, 1967 The Coral Sea was enroute to Hong Kong when she received the distress signal from the freighter, and lifted the crew off the ship by helicopter the following morning. Following the 24 hour ordeal, the stricken freighter's crew spent the night aboard the carrier and returned to Hong Kong the following day. The Coral Sea is now operating with the U.S. Seventh Fleet in the Gulf of Tonkin off the coast of North Vietnam.

Seaman Apprentice Mark C. Belger, USN, 18, son of Mr. and Mrs. Myron Belger of Route 2, Kewaskum, has been graduated from nine weeks of navy basic training at the Naval Training Center at Great Lakes, IL.

The School Board met on Monday, January 15, 1968. People in attendance were all members of the School Board, except James D. Reigle, and the following teachers of the negotiating committee: Howard Zemlicka, Gary Gerhartz, Dale Squier, Neil Denniston, Joseph Harlow and Delores Carr. Harry Oelhafen moved to accept the contract for Miss Diane Thews for the second semester as Spanish teacher. Seconded by Anne Panzer, unanimously carried. Allen Tessar moved to accept the contract for Ervin Uhlman, Jr. for the second semester in the elementary grades. Zona Miske seconded, unanimously carried.

A daughter was born to Mr. and Mrs. Ralph Eisenmann, Route 2, Kewaskum, on Thursday, January 18.

50 Years Ago

JANUARY 29, 1943

Rudolph Kolafa of Route 1, Kewaskum, proprietor of taverns at New Fane and Campbellsport, escaped injury shortly after 1 a.m. on January 25, when he was struck by a truck while walking

on Highway 55, a short distance north of the Fond du Lac-Washington County Line. Kolafa's auto had become stalled in a snowbank along the highway some distance south of the scene and he was walking along the road to summon help in getting the car out. It was snowing at the time and vision was very poor because of the drifting snow. The truck driver was unable to see Kolafa until close to him. He swerved his truck but the trailer struck Kolafa and threw him to the ground. Kolafa was brought

to a Kewaskum physician, who could find no injuries but reported that the man's feet had suffered from exposure to the cold. Deputy Sheriff Carl F. Schaefer of this village was called to the scene but when he arrived Kolafa had already been brought here and the truck continued on its way.

Seventy-four men of Local Board No. 2 of Fond du Lac County, comprising the rural sections, left for Fort Sheridan, Illinois January 23. The men were inducted the previous Saturday in Milwaukee. Included in the group were three men from the Town of Auburn, namely Harold O. Krueger, son of Mr. and Mrs. Wallace Krueger; Kenneth L. Johnson, who operated the Shady Grove Tavern north of Kewaskum with his sister, and Robert S. Wesenberg. Others from Campbellsport and vicinity were: Angelo Campagna, Frederick Mielke, Anton Waranius, A. Buslaff and Floyd Baumhardt.

Ray Vyvyan, son of Mr. and Mrs. Leo Vyvyan of this village, and a freshman at Marquette University, Milwaukee, left last Friday for active duty in the U.S. Navy. Ray enlisted in the Navy on January 2. He was inducted on Friday and left immediately for the United States Naval Training Station at Farragut, Idaho, to begin training. Ray's enlistment brings the number of men in service from this village alone to around the 55 mark.

Bernard E. Hafemann, 20, son of Mr. and Mrs. Charles Hafemann of this village, received orders to report for active duty as an aviation cadet in the U.S. Army Air Corps this week from headquarters of the Sixth Service Command in Chicago. He left Thursday to begin his training. Pvt. Hafemann enlisted as an aviation cadet last November 11.

Billy, young son of Dr. and Mrs. R.G. Edwards of this village, suffered a mild attack of probable spinal meningitis. Because the disease is contagious in one form, the grade rooms of his school were ordered closed by Dr. Edwards on Friday. However, Billy's attack was not of a contagious nature as discovered later. The boy was removed to St. Joseph's Hospital, West Bend, where he is still confined.

St. John's Lutheran Church of New Fane was the scene of a wedding at 2 p.m. Saturday, Jan. 23, when Miss Rose Mary Capozzo, daughter of Mr. and Mrs. Peter Capozzo of Eden, became the bride of Harold Kreif, son of Mr. and Mrs. Albert Kreif of New Fane.

75 Years Ago

JANUARY 26, 1918

Kewaskum's first fuelless Monday was observed with a severity that bespoke the utmost patriotism and support of the government on the part of both businessmen and consumers. Each place of business excepting the meat markets, bakery and banks were closed all day. The meat markets and bakery were opened for business in the morning but closed at noon and during the afternoon our little city resembled a place devoid of population. No actual hardships were experienced although a large number of our businessmen admit that Monday was a long and weary day for them. This, no doubt, is attributed to the hustling disposition of the average businessman and if you take work away from him his jovial spirit is diminished and life becomes burdensome. Nevertheless, Tuesday found everyone back on the job, ambitious, enthusiastic and ready to make up any deficiency that may have occurred through Monday's closing. With the observation of Monday as fuelless day, the people of the United States now have four days of the week on which to conserve products directly essential with the winning of the war. These days are: Monday - Fuelless; Tuesday - Meatless; Wednesday - Wheatless, and Saturday - Porkless. It is hoped that every citizen will strictly observe these days as designated as it is only by united action that a real saving can be effected and result in the winning of the war.

At a joint meeting of the Kewaskum Fire Company and Hook and Ladder Company, constituting the Kewaskum Fire Department, held at the city hall Monday evening, the following officers were elected: Chief - John F. Schaefer; Assistant Chief - Hy. Ramthun; Secretary - Erwin Koch, and Treasurer - Charles Groeschel.

The K. of C. War Fund collection held here during the days beginning last Friday and ending last Tuesday evening, resulted in obtaining the sum of \$275.50. The contribution in the village amounting to \$198.50 to which members of St. Bridget's congregation added \$77. The work of collecting the amount was performed by Joseph Eberle and considering the fact that only one worker was in the field the amounts are certainly gratifying and again showed that the people of Kewaskum and vicinity are ever ready to support the government and aid the soldiers, at the front and the camps, in providing for them not only the necessities of life, but also to give them all the comforts possible under existing conditions.

The Junior class of Kewaskum High School has elected their officers which are as follows: President - Florence Groeschel; Secretary - Leo Brodzeller, and Treasurer - Belinda Belger.

Father Sylvester, son of Mrs. Katherine Harter of this village, is now a chaplain in the United States army, and is now stationed at Camp Cody, New Mexico. He bears the title of First Lieutenant.

West Bend Savings Bank Reports Record Sales, Record Earnings

West Bend Savings Bank reported record sales and record earnings for the 4th quarter of 1992 and their fiscal year ending December 31, 1992. The Bank and its affiliated Financial Resource Group companies reported total sales of \$140,350,000 and total gross revenue for the year of \$16,623,000 with net after-tax profit of \$1,109,000. The Bank recognized a 15 percent increase in net profit over the previous year.

The Bank's return on equity capital was 12.3 percent for 1992 and the return on average assets for the year was .82 percent. Richard A. Larson, Chairman and Chief Executive Officer, indicated the Bank increased its reserves by 12.3 percent to a new record total of \$10,132,575 or 7.23 percent of net worth. Because of the excellent economic climate in southeastern Wisconsin, the Bank only had .24 percent of its loan portfolio in a non-performing status and their loan loss reserves amounted to 141 percent of non-performing assets. Larson indicated that no loan losses were expected in the period ahead.

The Bank's greatest gain was in its loan operation where loan volume increased 83 percent over the 1991 results. Security investment sales by the Bank's INVEST operation amounted to over \$5,800,000 and sales from its various insurance subsidiary operations exceeded \$8,135,000 for the year. The year end total assets for the Bank were \$140,137,871, representing net asset growth of 6.8 percent for

the year.

At the Bank's annual meeting held January 20th, Joseph J. Zadra, E.W. Kannenberg, Lawrence W. Hillman and Raymond F. Lipman were re-elected to the Board of Directors. Other directors are Ronald J. Larson, John E. Kasten, Andrew J. Gumm, Russell E. Brandt and Richard A. Larson.

On the Track of Wild Critters at Riveredge

Join the fun at Riveredge Nature Center on Sunday, January 31, from 1:30 to 3 p.m. as participants learn to read the stories written in the snow by the wild creatures of the field and forest. Conditions permitting travel will be done on snowshoes.

The fee is \$3.00 for adults and \$2.00 for children. Call Riveredge Nature Center at 675-6888 (local) or 375-2715 (Metro) for more information or to register.

Riveredge Nature Center is a non-profit, 350 acre natural sanctuary and educational organization, providing environmental programs for all ages. It is located in Ozaukee County, on Highway Y, one mile north of Newburg, between Saukville and West Bend.

New Study Shows Medical Cost In Wisconsin Is Highest in Kenosha, Lowest in West Bend

The overall cost of medical services, procedures and prescription drugs in 23 Wisconsin cities varies by as much as 30 percent, according to a study recently completed by Meridian Resource Corporation, a Madison-based health care and employee benefits consulting firm.

Topping the list is Kenosha which had an overall medical cost index of 113, thirteen points higher than the average cost in 23 of Wisconsin's major cities.

Meridian Resource President Roger Formisano, explained the index. "For every \$100 spent for medical services in an average Wisconsin city, the price in Kenosha is \$113. The lowest cost was recorded in West Bend, where the price for identical services amounts to only \$87," he said.

Ranking for the first 21 other cities involved in the Meridian Resource study and their approximate costs were listed by Formisano: LaCrosse, \$109; Wauwatosa and Brookfield, \$107; Menomonee Falls and Milwaukee, \$106; Waukesha, \$105; Racine and Marshfield, \$104; Madison, \$103; Sheboygan \$101; Eau Claire and Janesville, \$100; Fond du Lac, \$99; West Allis and Stevens Point, \$98; Neenah and Manitowoc, \$96;

Wausau, \$95; Green Bay and Appleton, \$89, and Oshkosh, \$88.

Meridian Resource conducted the analysis of medical costs using actual 1992 fees charged by Wisconsin Medical service providers by using available insurance of physicians and hospital services, dental procedures, prescription drugs and chiropractic services.

After considering all types of services in general, Meridian Resource researchers selected a "market basket" of frequently performed services. These items included office visits, maternity procedures, hysterectomy, teeth cleaning, dental fillings and crowns, common prescription drugs and chiropractic adjustment.

In total, 41 services, procedures and drugs were selected to represent medical costs, with each item weighted according to its relative importance to other items, according to Formisano.

He explained how geographic cost differences have an impact on all insured persons in Wisconsin: "Although a city's medical cost index will not reflect the cost differences for any particular procedure or service, we believe these findings are important to employers who negotiate for medical care services either

directly or through an insurance carrier," said Formisano.

He cautioned that this index reflects prices of medical service but not the use of those services. "To determine total health care expenditures in an area, companies must examine and take action regarding the cost of medical services as well as the frequency of use of those services by their employees and their families," Formisano explained.

The Meridian Resource analysis showed that prescription drug prices throughout Wisconsin are very stable. The other four components of the market basket, however, can vary widely.

Formisano also noted that the study also provides new perspectives in controlling health care costs across Wisconsin, and even across the United States.

"In order to control rising health care costs, it is not necessary to rush into a radically different health care delivery system as found in Canada or Germany. With all other factors being equal, savings of 25 percent or more could be achieved in Kenosha or LaCrosse if their costs for medical services were similar to costs in Oshkosh or West Bend."

Meridian Resource expects to update the medical cost index semiannually.

Dairyland Seed Announces 1992 Yieldmaster Contest Winner

Dairyland Seed Co., Inc. announced that Francis Miesen, of Potosi, Wisconsin, has been named Dairyland's 1992 National Corn Yieldmaster. Miesen obtained his yield of 242.64 bushels per acre with Dairyland's Stealth-1111 hybrid.

According to Tom Strachota, Executive Vice-President, "Dairyland products have been exhibiting high yields on farms due to the tremendous amount of

time, effort, and resources that have been invested in Dairyland's research. We are very proud of Mr. Miesen's results, as it is rewarding to see farmers benefit from our research efforts. Our goal is that future research will provide farmers with even higher yields."

For more information on Dairyland Seed's hybrid corn lineup, call 1-800-236-0163 or write P.O. Box 958, West Bend, WI 53095.

Candlelight Skiing Hiking at Pike Lake State Park

Pike Lake State Park will be hosting its 5th annual candlelight skiing/hiking evening on Saturday, February 13, 1993 from 6 p.m. to 9 p.m. Pike lake personnel, along with volunteers, have assembled several hundred candles out of plastic cups and canning wax.

Late in the day on February 13, the park crew will groom and track the trail surface and simultaneously light and place the candles at 30 - 40 foot intervals on the right side of the trail.

Park rangers will patrol the trail on skis during the evening to assist the skiers and hikers and to relight blown out candles. Pike Lake State Park has a warming shelter available with refreshments, a fireplace and electricity so skiers/hikers are encouraged to stop in, take a break and spend the evening picnicking in a festive atmosphere.

Northern Cross Science Foundation will be on hand with their telescopes to provide an evening of star viewing and telescope use instruction (clouds or no clouds).

A state parks admission sticker is required for each vehicle entering the park and will be available at the beach entrance gate.

For further information, call Pike Lake State Park at 1-414-644-5248 during regular business hours of 8 a.m. to 4:30 p.m.

SHEEPSHEAD WINNERS

The next 5 handed will be Thursday, Feb. 4th and Wednesday, Feb. 10th at 8:00 p.m. sharp, cash prizes. Schmitt's Never Inn.

Too Many Bills? Problems With Money? Too Much Credit?

You're not alone. Many Washington County families and individuals are financially overextended due to current economic situations, underemployment, easy access to credit, unexpected medical bills or lack of basic money management skills.

Whatever the reason, there is free help available through University of Wisconsin Extension-Washington County. The UW-Extension Home Economist or a trained Financial Consultant will work with you to help you regain control over your finances.

Through financial counseling, we'll help you:

- Examine current money management practices
- Assess current debt levels
- Develop a realistic spending plan

-Establish short and long term goals

-Establish repayment plans for outstanding bills

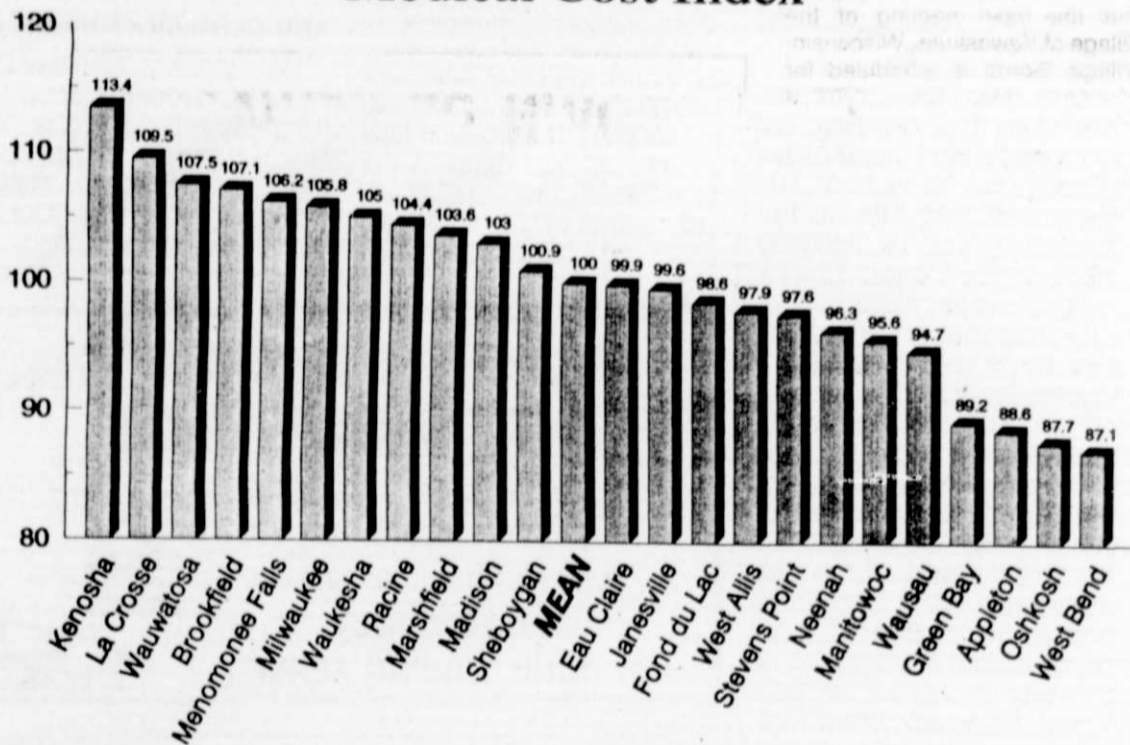

-Identify ways to stretch financial resources

-Offer referrals to other available resources.

Day, evening and Saturday consulting sessions are available. All requests for assistance will remain confidential.

For more information, write or call UW-Extension, 333 E. Washington Street, Suite 1200, West Bend, WI 53095; or call 335-4479, 342-2929, or 644-53095. The UW-Extension Office is located in the Public Agency Center on the corner of Indiana Avenue and Highway 33 East in West Bend.

Minutes of Village Board Meeting

Mid-Monthly Meeting
January 18, 1993
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the minutes of the January 4, 1993 meeting were approved as printed.

Fire Chief Mark Groeschel was absent and no report was given.

Chief of Police Richard L. Knoebel shared the December 1992 monthly report with the Board as follows:

Criminal arrests - 10, Criminal investigations - 29, Traffic warnings - 150, Traffic citations - 27, Adult arrests - 9, Juvenile arrests - 9, Parking warnings - 103, Parking citations - 50, Property stolen - \$65, Property recovered - \$15.

Director of Public Works, Jerry Gilles informed the Board that there were two water main breaks, one in front of Holy Trinity on Main Street and one at 1402 Riverview Drive.

Discussion was held on the possible advertising for bids regarding the purchase of a dump truck to replace the 1975 dump truck. It was noted that Monroe Equipment would hold firm their bid from 1992 on the accessory equipment, which was the apparent low bid. It was further noted that Cooleys would maintain their bid with an additional \$1,200 dollar increase to cover the increase from a 1992 model year to a 1993 model year.

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the purchase of a new dump truck from Cooleys (1993 International) and accessory equipment from Monroe Equipment at a cost of approximately \$53,500.

On a motion by Trustee Robert Wagner, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the application for an Operator's License upon proper payment of fees and documentation and authorized the of-

ice to issue said license as follows:

Werhanowicz, Susan L., Kewaskum, WI.

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt informed the Board that the tax collection process was proceeding well. The upcoming Mid-Moraine Municipal Association meeting scheduled for January 27, 1993 was discussed.

Administrator Daniel S. Schmidt reviewed with the Board the Record of Building Permits for 1992. It was noted several new living units have been added to the community. The number of permits has increased by 14 percent over that of 1991.

The Board reviewed the scheduling of the Informational Meeting to discuss USH 45/Fond du Lac Avenue resurfacing project for Monday, January 25, 1993 at 7:00 p.m. in the Municipal Building.

The Board was informed that a Spring Primary Election will be held on February 16, 1993 for the office of State Superintendent of Public Instructions. It was also noted the local election inspectors will be meeting on Tuesday, January 26, 1993 at 9:00 a.m.

On a motion by Trustee Robert Wagner, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the five non-represented and part-time employees salary/wage adjustments as follows for 1993. The Administrator and Police Chief receive a 3 percent adjustment and the Director of Public Works and Library Director receive a 3 percent adjustment and consideration of the progression to the mid-point of their grade level in a timely manner. The Deputy Clerk/Treasurer receive a 4 percent adjustment and that the part-time employees so noted receive a 3.5 percent adjustment.

Chairman of the Public Services Committee, Trustee David Goeden reviewed briefly with the Board the results in summary of the recycling and garbage proposal opening, which occurred on Friday, January 15, 1993 at 3:00 p.m. It was noted further review would be taking place and a committee meeting would be scheduled.

Board Representative for the Plan Commission, Trustee Gary Gavin announced a Plan Commission meeting for Tuesday, January 26, 1993 at 8:00 p.m.

Board Representative for the County-Wide Library Board, Trustee Robert Wagner informed the Board that a meeting was held and the boundary matter between Germantown

and Menomonee Falls is still an issue. It was noted that some continuing education money will be made available through the County for Library related education.

The Board reviewed the proposed Capital Improvement Work begin proposed for Bonnie Lane, Courtney Drive, Edgewood Road and Knights Avenue. It was noted that authorization to proceed for bids will be brought to the Board in February. The Board also directed the Administrator to check into the financing of the project through the State Trust Fund if it appears to maintain the lowest interest rates.

Action was taken on Ordinance No. 93-1 an Ordinance to Amend General Government, regarding Elections, Poll Hours as attached hereto:

A brief discussion regarding the status of the asphalt drive leading to the four properties recently annexed adjacent to USH 45 and leading to the old Town Garage. It was noted the Village would have control of the drive and it was suggested that the Village Board at some point should have a meeting with those properties abutting said drive.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(c) of the statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Daniel S. Schmidt
Administrator

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, Feb. 1, 1993, at 8:00 p.m. in the Council Room of the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of the Valley Bank.

Daniel S. Schmidt
Administrator

Slow Start Plagues Lady Indians

By Noel Stollenwerk

KEWASKUM - Perhaps it was the pre-game fish fry that took a little extra toll on the Kewaskum girls basketball team here, last Friday night.

Whatever it was, the Indians got off to a slow start in their game with Ozaukee here, and were never able to catch the Warriors, who left town with a hard-fought 49-40 victory over the Lady Indians, who dropped their second straight non-conference contest.

"It was just one streak after another," KHS coach Glenn Eichstedt said of the game, which started out with a 10-0 run by Ozaukee.

The Indians were able to battle back to within five, at 12-7, by the end of the first quarter. But another rally by the Warriors gave them a 22-12 cushion midway through the second quarter.

Once again, the Indians were able to make a late run in the quarter, using their fast-breaking offense to make it close. Kewaskum used an 8-2 run just before halftime, to cut the deficit to 24-20 at the intermission.

Hampering the Indian effort was some good shooting by the guests. The Warriors hit several open shots from the wing in the first half, including six baskets by Jodi Dimro, who burned the Indian zone defense.

"We don't normally play a lot

of zone," Eichstedt said of the switch. "We just didn't cover her (Dimro) very well at all. She shot the ball very well."

It was much of the same streakiness in the second half, as the Indians could never battle back all the way. "We were never able to get over the hump," Eichstedt said. "We'd get within two or three points, and they'd come back and make a run."

The Warriors ability to hang with the Indians on the boards also was a factor. Kewaskum out-rebounded Ozaukee 31-29, but as Eichstedt put it, "Normally that's one of our advantages."

Robyn Winninghoff played well once again for Kewaskum, leading the Indians with 15 points despite not starting. Ginger Wiesner added 10 points for Kewaskum, which dropped to 8-5 overall, but remained 5-1 in the Eastern Wisconsin Conference.

"To be honest, we kind of lacked intensity on defense," said Eichstedt who added, "we'll have that once in awhile. I'm not too distraught over it," especially with the game being non-conference.

"They just took advantage of whatever we gave them," the KHS coach went on, noting that Ozaukee was 11-15 from the charity stripe.

Eichstedt also pointed out that he had been absent from school a couple of days last week, and "that probably didn't help

either," not being able to coach at practice.

The night wasn't a complete disaster, though, as there was a good turnout for the pre-game fish fry, which has turned into an annual event.

"It worked out nicely," Eichstedt said, noting there were about 50 patrons for the meal. Most stayed around for the game as well, which made for a good crowd. "It's always nice to play at home on Friday nights."

Eichstedt and the Indians will get another chance for a big Friday night crowd this week, as the Indians will host Chilton in a game that will go a long way in deciding the Eastern Wisconsin Conference title.

Chilton is currently 6-0 in the EW and in first place, while the

Indians are a game back at 5-1. There will be a couple of promotions for the tilt, including Elementary School Night, which will give free tickets to students with a paid adult.

There will also be a demonstration before the game involving the team's Saturday Slammers and Shooters Club, which the Indians have been sponsoring on Saturday mornings for the past couple of years.

OZAUKEE (12-12-14-11) - Damerow 14, Buntrock 10, Holston 7, Stadler 6, Waskie 5, Schommer 5, Bonlander 2. Free Throws - 11 of 21, Fouls - 15.

KEWASKUM (7-13-8-12) - Fleischman 2, Sabish 2, Radtke 4, Winninghoff 15, Wiesner 10, Steger 3, Bruendl 4. Free Throws - 8 of 15, Fouls - 16.

Aupperle Leads Point To WSUC Dual Title

By Noel Stollenwerk

LA CROSSE - The unique thing about wrestling is that it is as much an individual sport as it is a team sport. Former Kewaskum High School standout Dennis Aupperle showed just how that combination works at the Wisconsin State University Conference duals here, last Saturday.

Aupperle, who is a senior at UW-Stevens Point, beat UW-LaCrosse's Scott Westcott in what turned out to be the championship match of the dual meet, 10-2. Aupperle's win was the deciding factor, as the Pointers beat LaCrosse 17-15, to win the WSUC duals championship.

"We should have beaten them worse," Aupperle said of the dual against LaCrosse, which had posted an upset the previous week at the NCAA Division III National Duals in Courtland, New York. The Pointers entered the tournament as the top seed, but were upset by the State University of New York-Albany, and subsequently finished fifth.

LaCrosse took advantage of the Pointers' loss in the meet, and wound up taking home the National dual championship. Aupperle said that the LaCrosse wrestlers took some pleasure in celebrating the title, so "We were kind of looking forward to wrestling them on Saturday."

In order for that to occur, both teams would have to win three preliminary dual meets, and each did quite easily. Stevens Point

beat up on UW-Platteville 39-3, shut out UW-Oshkosh 46-0, and then beat UW-River Falls by a 36-9 count.

In those matches, Aupperle went 3-0, beating Platteville's Jeff Gringler 3-1, pinning Oshkosh's Jay Coonen in 3:23, and then handling River Falls' Tom Kiefer 4-1.

Then came LaCrosse in the championship of the duals. Things didn't go as well as expected for the Pointers, whose 134-pounder uncharacteristically lost to his foe. "He should have never lost," Aupperle said, noting that made the match much closer.

With the Pointers trailing 15-14 heading into the heavyweight match, Aupperle made sure the championship wouldn't slip out of his grasp. Aupperle shut down Westcott, who he had beaten in the finals of the WSUC conference meet last year, 14-4.

"Hopefully, I'll meet him one more time," Aupperle said, referring to the WSUC Conference meet to be held in mid-February.

The four wins helped Aupperle improve his record to 23-8 on the year, with eight pins. Aupperle leads the Pointers with 80 team points this season, and has his eye on the Pointer team record of 117 points.

But first things first, as Aupperle and the Pointers travel to LaCrosse again this weekend to take part in the Wisconsin-Iowa duals.

Win With Catch and Release

At the Long Lake Fisheree on February 7th, fishermen will have a chance to win up to \$100.00 by participating in a unique catch and release fishing event. Any legal gamefish - walleye, bass or northern - will qualify if they can be placed back into the lake with reasonable expectation for survival.

Fish brought to the main tent will be placed in a special holding tank to verify their condition. Every released fish will give that

fishermen or woman a chance at winning extra cash prizes. Fish in competition for large fish prizes will be measured and photographed before release.

Check in at the main tent will begin at 6:00 a.m. Bring your coolers or large buckets to transfer your catch from hole to holding tank.

The Long Lake Fishing Club is an environmental and educational organization involved in protecting the lake and its waters and preserving the enjoyment of good fishing for the benefit of future generations.

Tax Tip for the Self-Employed

In business for yourself? Do work on the side? If your net earnings are \$400 or more, you must file Form 1040 and Schedule SE. For details, call the IRS at 1-800-829-3676 and ask for Publication 533, *Self-Employment Tax*. It's free!

Prayer to the Holy Spirit

Holy Spirit, you who help me see everything and you who show me the way to reach my goal and my ideal. You who give me the Divine Gift to forgive and forget the wrong that is done to me.

You who know my innermost thoughts and desires, I want to thank you for everything and to confirm once more that I never want to be separated from you. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love for me and my loved ones. You must pray this prayer 3 consecutive days without asking your wish. After the 3rd day your wish will be granted no matter how difficult it might be. Promise to publish this dialogue as soon as your favor has been granted.

FT's Make a Difference As Oostburg Beats Indians

By Noel Stollenwerk

OOSTBURG - The Kewaskum girls' basketball team did its best to stay with a talented Oostburg squad here, last Tuesday night.

The Indians played the Flying Dutchmen even in the opening eight minutes, but after that it was the hosts who used a big second quarter to help pull away from Kewaskum to win, 63-43.

The non-conference loss dropped the Indians to 8-4 overall, while Oostburg, ranked fourth in the latest state poll, improved to 12-0.

"They are a real quality team, probably the best balanced team that we'll play all year," KHS coach Glenn Eichstedt said of the Flying Dutchmen. "They just have a great team."

The Indians, thus, did well to hang with the hosts in the opening quarter. With Robyn Winninghoff and Missy Radtke combining for 13 points in the opening frame, the Indians found themselves tied 17-all after the high-scoring first period.

"Both teams came out and played real good offensive basketball," Eichstedt pointed out. "We were just taking it to them. It was the best first quarter of the year for us."

But in the second quarter, the officials began taking it to the Indians, as Oostburg went to the free throw line 11 times in the first half, compared to the Indians two attempts. By halftime, the Indians had committed 15 fouls compared to Oostburg's four, and trailed the Dutchmen 35-24.

"Both teams were playing hard, but the calls just went against us," said Eichstedt. "We became too concerned with the officiating, myself included. I felt that it just took us out of the game, mentally."

The Indians battled back in the

third quarter, however, twice cutting the deficit to just six. But both times Cheri VanStelle connected on three-pointers, "and that kept us at bay," Eichstedt said.

"She's such a talented player," Eichstedt said of VanStelle, who finished with 14 points. "Both her and (Danielle) VanderPlas are very experienced players. They know how to control the game."

VanStelle led the Dutchmen with 15 points.

"Bonnie Schlice did a nice job bringing us back," in the third quarter, according to Eichstedt. Schlice finished with seven points, all coming in the third period.

Robyn Winninghoff, meanwhile, turned in another one of her steady performances, leading all scorers with 17 points. The 6-3 senior also hauled in 14 rebounds.

Eichstedt went to his reserves in the final period, while Oostburg did not. "That allowed them to build up the lead," the KHS boss said, noting the game was actually much closer.

"We played tentatively," Eichstedt concluded, noting the fouls in the first half, "took our concentration away." Still, Eichstedt was impressed with the Oostburg squad.

"Their depth had a big effect," he said, noting that the Dutchmen don't lose much by going to their bench. "There's a reason they're 12-0."

KEWASKUM (17-7-11-8) - Winninghoff 17, Wiesner 7, Schlice 7, Radtke 4, Sabish 6, Fleischman 2. Free Throws - 8 of 14, Fouls - 21.

OOSTBURG (17-18-16-12) - VanderPlas 14, Kappers 4, Cline 12, VanStelle 15, Schilter 4, Karstetter 2, Dykstra 3, Leet 9. Free Throws - 11 of 22, Fouls - 14.

TOWN OF WAYNE ORDINANCE NO. 93-1

AN ORDINANCE TO AMEND THE ZONING ORDINANCE OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN AS FOLLOWS:

Section 1. That the Zoning Ordinance of the Town of Wayne, Washington County, Wisconsin, is amended as follows:

I. Section 1.20(1) "COMMERCIAL A DISTRICT, Permitted Uses" is repealed and recreated as follows:

- (1) Permitted Uses.
 - (a) All permitted uses allowed in the Residential A-2 District except community living arrangements.
 - (b) Grocery and supermarkets.
 - (c) Retail hardware stores.
 - (d) Shoe sales or repair.
 - (e) Beauty shops.
 - (f) Barber shops.
 - (g) Drugstores and apothecaries.
 - (h) Meat markets.
 - (i) Bakeries offering no vehicular delivery service.
 - (j) Package liquor stores.
 - (k) Taverns having no outdoor service.
 - (l) Delicatessens.
 - (m) Restaurants or cafes having no outdoor service or having seating for less than 50 people.
 - (n) Professional offices.
 - (o) Cleaners providing no pick-up or delivery service.
 - (p) Men's or women's apparel shops.
 - (q) Radio, television, and appliance (primarily sales).
 - (r) Non-dwelling uses and structures accessory to the above permitted uses.

II. Section 1.20(2) "COMMERCIAL A DISTRICT, Conditional Uses", is repealed and recreated as follows:

1. Conditional Uses.
 - (a) Restaurants or cafes with outdoor service or having seating for more than 50 people.
 - (b) Hospitals, clinics, general public and quasipublic uses.
 - (c) Service stations (if bounded on at least three sides by a commercial use or district).
 - (d) Laundromats and laundries having no pick-up or delivery service.
 - (e) Hotels and motels.
 - (f) Kennels.
 - (g) Certain signs under subsection (6)(b).
 - (h) Flower, candy or gift shops.
 - (i) Dime stores or notions.
 - (j) Other retail establishments similar to the above.

III. Section 1.21(1) "COMMERCIAL B-1 DISTRICT, Permitted Uses" is repealed and recreated as follows:

- (a) All permitted uses as allowed in Commercial A District.
- (b) General offices.
- (c) Civic and social clubs.
- (d) Commercial parking lots and structures.
- (e) Non-dwelling and non-sales uses and structures accessory to the above permitted uses.

IV. Section 1.21(2) "COMMERCIAL B-1 DISTRICT, Conditional Uses" is repealed and recreated as follows:

- (1) Conditional Uses.
 - (a) Drive-in theaters.
 - (b) Kennels.
 - (c) Other uses which pertain primarily to the retail sale of goods, services or entertainment.

V. Section 1.26(3)(v) "CONDITIONAL USES, Allowable Conditional Uses" is repealed and recreated as follows:

- (v) The following uses are Conditional Uses which shall only be permitted as herein provided:
 1. Commercial establishments which display, sell, have in their possession for sale, offer for view, publish, disseminate, give, lease or otherwise deal in any written or printed matter, pictures, films, sound recordings, machines, mechanical devices, models, facsimiles or other material and paraphernalia depicting sexual conduct or nudity and which exclude minors by reason of age.
 2. Commercial establishments which display for viewing any film or pictures depicting sexual conduct or nudity and which exclude minors by reason of age.
 3. Commercial establishments in which any person appears or performs in a manner depicting sexual conduct or involving nudity and from which minors are excluded by reason of age.

vi. Definitions.

1. As used herein "nudity" means the showing of the human male or female genitals, pubic area or buttocks with less than a full opaque covering, or the showing of the female breast with less than a fully opaqued covering of any portion thereof below the top of the areola, or the human male genitals in a discernibly turgid state even if completely or opaquely covered.
2. As used herein "sexual conduct" means acts or simulated acts of masturbation, homosexuality, sexual intercourse or physical contact with a person's clothed or unclothed genitals, pubic area, buttocks, or, if such person is a female, breasts.

vii. The above Conditional Uses shall only be permitted in a Commercial B-2 District and only upon the grant of a Conditional Use Permit, subject to the following additional provisions:

1. No permit shall be granted where the proposed establishment is within 500 feet of any hospital, church, school, funeral parlor, restaurant, library, park, museum, playground or any other public or private building or premises likely to be utilized by persons under the age of eighteen (18) years.
2. No permit shall be granted where the proposed establishment is within 1000 feet of any area zoned residential or agricultural in the same or a contiguous town or municipality.
3. The applicant shall furnish the Town detailed information as to the nature of use and activity of the proposed establishment.
 - If the application is for an establishment under paragraph v(1) or v(2) of this Section, the applicant shall furnish representative samples of the materials to be dealt in. If the application is for an establishment under paragraph v(3) of this Section, the applicant shall in detail specify the nature of the activity to be engaged in.
4. The applicant for the permit shall provide the names and addresses of all parties in interest.
5. Advertisements, displays, pictures or other promotional materials shall not be shown or exhibited on the premises in a manner which makes them visible to the public from pedestrian ways or other public semi-public areas.
6. All points of access into such establishments and all windows or other openings shall be located, constructed, covered or screened in a manner which will prevent a view into the interior from any public or semi-public area.
7. In case of a protest signed by 20% or more of the persons of the area within 300 feet of the proposed establishment, the grant of such permit shall require a 2/3 vote of the Town Board.
8. The Town Board in determining whether to grant a permit hereunder shall, in addition to considerations otherwise taken into account when acting on Conditional Use Permits, consider the protection of property values in the affected area; the preservation of neighborhoods; the tendency of such use to attract an undesirable quantity or quality of transients; the tendency of such use to cause increases in crime, especially prostitution and sex-related crimes and the need for policing; the tendency of such use to cause increases in noise, traffic and other factors interfering with the quiet and peaceful enjoyment of the neighborhood; the tendency of such use to encourage residents and businesses to move elsewhere; the protection of minors from such materials and activities; any other factor created by the type of use being considered; and the health, safety and general welfare of the community.

viii. It is declared to be the purpose and intent of this subsection to protect the public health, safety, welfare and morals of the community, to promote the stability of property values, and impose restrictions upon those activities which pander to gross sexuality in a manner that would detract from the neighborhood and adversely affect the property values, increase crime and violence and be repugnant to the morals of the community. In recognition of the protection afforded to the citizens under the 1st and 14th Amendments, it is not the intent to inhibit freedom of speech or the press, but rather to restrict the location of defined materials and activities consistent with the Town's interest in the present and future character of its community development.

Section 2. The Plan Commission of the Town of Wayne recommended the adoption of this Ordinance at a meeting held on the 16th day of December, 1992.

Section 3. Pursuant to and in accordance with the Laws of the State of Wisconsin, the Town Board of Supervisors held a public hearing on this Ordinance on the 22nd day of January, 1993.

Section 4. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

Section 5. This Ordinance shall take effect upon publishing as provided by law.

PASSED AND ADOPTED by the Town Board of the Town of Wayne, Washington County, Wisconsin, 25th day of January, 1993.

Indian Wrestlers Capture Waupun Invitational Team Title

Shown above is the Kewaskum High School wrestling team with their first place team trophy won with 182.0 points at the Waupun Tournament on January 16th. Front row, left to right: Assistant Coach Kevin Chambers, Troy Maertz, Jake Gundrum, Jake Thull, Mark Dziedzic,

Tyler Dieringer, Coach John Nell. Back row: Tim Gundrum, Todd Muckerheide, Mark Morell, Chad Muckerheide, Josh Kurtz, Rich Farchione, Brad Jackson and Corey Rammer.

Indian Grapplers Beaten by Falcons

By Noel Stollenwerk

KEWASKUM - One couldn't blame the Kewaskum wrestling team for being a bit tired. Heading into their match with Sheboygan Falls last Thursday night, the Indians had participated in four dual meets and two tournaments, all within a 13-day period, and all it should be noted, against some stiff competition.

So it wasn't all that unexpected that the Indians were a bit sluggish against the Falcons, who entered the meet with a fine 15-1 dual meet record. Falls made it 16-1, as they were able to outlast the Indians, 34-24, in an Eastern Wisconsin Conference dual.

"It was a tight one," KHS coach John Nell said of the matchup with Falls. "It was a good meet. Each team won six matches. We just needed a few more pins."

The Indians got a big lift early, when Jake Gundrum scored a reversal in the final seconds of this match with Jeremy Wolf at 112 pounds to win 6-4. "That

was a real good match," Nell said. "That was a tight one all the way."

Nell got a pair of pins from Mark Dziedzic at 125 pounds, and Todd Muckerheide at 189 pounds. Dziedzic improved to 20-1 with his pinfall, while Muckerheide improved to 16-5.

"His really wasn't that close of a match," Nell said of Muckerheide's pin, which occurred with the senior leading by just a 5-3 count. "It really wasn't a 5-3 match."

Nell echoed those sentiments in describing Josh Kurtz's 11-7 win over Brent Bender at 152 pounds. "He had a tough one, but I wasn't concerned at any time during the match," Nell said.

The KHS coach said that he felt that the Falcons were "just wanting to hang with us," at several weight classes. It appeared that the Falcon wrestlers were straddling the edge of the mat a couple of times, in order to avoid possibly getting pinned.

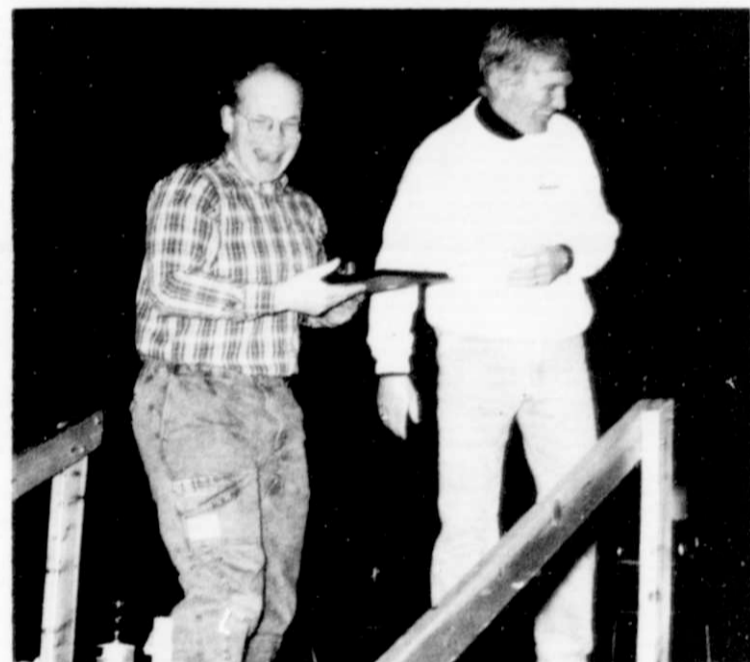

"I'm not going to complain," Nell said, adding that the Falcons

are one of the top teams in the conference. "They should have beaten Plymouth," he said, noting that Falls' lone loss against the Panthers very easily could have went the other way. "They are a real solid team... highly regarded."

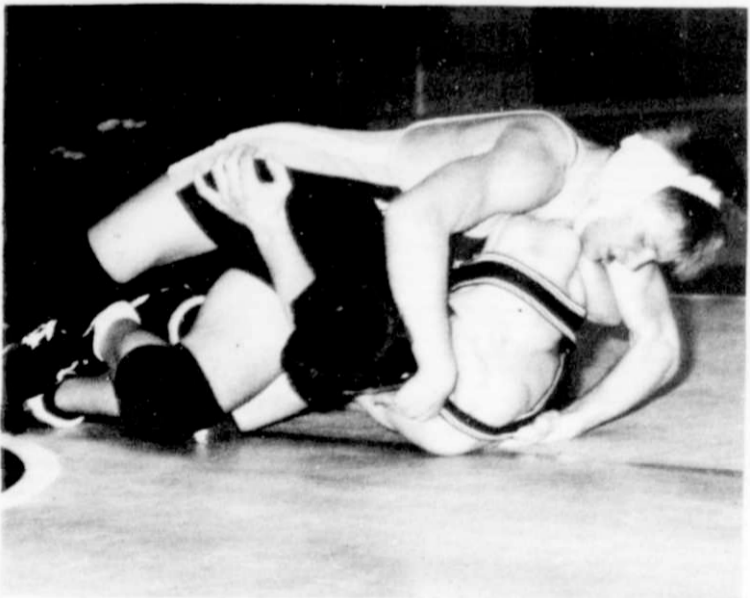

Nell was happy with his kids' performances, especially Chad Muckerheide's 6-3 win over Dayton Behnke at 160 pounds. Behnke, who was the EW's most valuable player in football this past season, took an early lead but was unable to hold on against Muckerheide, who improved his record to 16-6.

"We're getting better," Nell said. "We're kind of beat up right now (from the busy schedule). It's been pretty hard on the kids, but I think after this break, they'll be raring to go."

That break won't be very long, though, as the Indians have a makeup meet with Oakfield on Tuesday, and then are at Chilton on Friday in their final dual meet before the conference tournament.

KHS wrestling coach John Nell with a very happy smile after accepting the team plaque. This is the first time Kewaskum has taken first place as a team in a tournament.

Kewaskum's Tyler Dieringer gains back points against Don Amel of New Holstein. Tyler wins with a 17-4 decision and takes fifth place at the Waupun Tournament.

Rockets Outlast Indians

By Noel Stollenwerk

CEDAR GROVE - His team had a chance to win at the end, and that's about all Kewaskum wrestling coach John Nell could ask for last Tuesday night, here.

But Cedar Grove, ranked in the top three in Division 3, got a big pin at the heavyweight spot, allowing the Rockets to hold off the Indians in a dual meet, 33-30.

"They are a real tough team," Nell said of the Rockets, who won the highly-regarded Valders Invitational with six individual champions. "They are a real quality team with some top-notch kids."

That depth paid off, as Mar-

tinez was able to put Tim Gundrum's shoulder's to the mat in 1:22 at the heavyweight spot, allowing the Rockets to erase the 30-27 deficit and post the win.

The Indians had several bright spots in the meet, however, one being the win by Tyler Dieringer at 130 pounds. "I was just so proud of Tyler," Nell said of Dieringer's 9-8 victory. "He had a real good match and just toughed it out."

Todd Muckerheide posted a big pinfall at 189 to put the Indians ahead late in the match. Muckerheide's win came right after Mark Morell lost a heart-breaking 6-4 decision in overtime

at 171 pounds.

"That was a real excellent match," Nell said, noting that Anzia had handled Morell quite easily last year when the two met. "You just hate to see a kid lose that kind of a match."

Mark Dziedzic was the only other Indian to have to work for his victory. Dziedzic, who improved to 19-1 on the year, outwrestled Neil Metlic 5-3, although the match wasn't quite as close as the score indicated, according to Nell.

In addition to Morell's tough loss, Jake Gundrum wrestled well at 112 pounds, before eventually

falling to Jeff Schimberg 9-12. "Jake did an outstanding job," Nell said of the sophomore. "He had him (Schimberg) on the ropes."

All in all, Nell was pleased

with the Indians' performance. "We were one match away from winning," he said. "We knew it was going to be tight, so I'm not unhappy at all."

KHS Boys Blow Big Lead; Lose to Unbeaten Two Rivers

Kewaskum Statesman, Thursday,
Jan. 28, 1993, Page 20

By Noel Stollenwerk

KEWASKUM - The game had all the makings of an upset, but the Kewaskum boys basketball team just couldn't finish the job against Two Rivers here, last Tuesday night.

The Indians raced to a 14-point lead in the first half, but the Raiders stormed back in the second half, scoring 45 points in the final 16 minutes to beat the Indians, 60-55.

Kewaskum took full advantage of some poor shooting by the Raiders in the first half to gain the upper hand. Two Rivers connected on just six of their 27 field goal tries, and trailed by ten, 25-15, at halftime.

"We played a zone defense, and they just couldn't hit anything," KHS coach Jim Westphal said of the opening half. "We were also playing quite well... did a great job at breaking their press."

In fact, by the end of the first half, the Raiders had stopped pressing the Indians, which is very uncommon for a Two Rivers squad.

But the powerful Raiders matched their first-half point total midway through the third period, as they began their comeback bid. Crucial in the Raider rally were a pair of back-to-back three-pointers by Chad Swoboda.

"That really pumped them up," Westphal said of the two long-range shots. "They were just kind of chipping away at it, and then that really got 'em going."

The Indians held on for a while, staying in front until the three-minute mark, when Greg Gordon's pair of free throws gave Two Rivers a 48-47 lead.

Kewaskum came right back with Adam Laatsch slashing through the middle for an apparent basket. But the ball went in-and-out, and after Ryan Remiker made two free throws on the next trip down court, the closest the Indians would get was three points.

"It rattled around and came back out," Westphal said of Laatsch's shot, which would have put Kewaskum back in the lead. "We still had a couple of chances

down the stretch."

The Indians' Jim Marx hit a pair of long three-pointers late, but Remiker added two more free throws with under :10 to play to seal the win for Two Rivers.

Marx finished with 18 points to lead all scorers, while Travis Jacak hit for 12 points and pulled down a season-high 16 rebounds. Senior guard Tony Knoeck also played well, scoring nine points and dishing out a number of assists.

"Tony had a very good night," said Westphal, who also lauded Keith Herman's effort. "We played quite well. Travis had a real good night's work. They just did a better job in the clutch."

Remiker and Jason Herrmann led the Raiders with 16 apiece.

The win enabled Two Rivers to stay unbeaten in the Eastern Wisconsin Conference at 6-0, while the Indians dropped their third straight EW contest to fall to 3-3, and 3-7 overall.

TWO RIVERS (5-10-22-23) - Remiker 16, Herrmann 16, Shimulonus 3, Gordon 8, Swoboda 8, Jazdewski 9. Free throws - 17 of 25, Fouls - 16.

KEWASKUM (12-13-13-17) - Marx 18, Laatsch 5, Knoeck 9, Zautner 4, Jacak 12, Herman 7. Free throws - 9 of 13, Fouls - 21.

Indians End Skid With Win Over Warhawks, 62-54

By Noel Stollenwerk

KEWASKUM - It's been a streaky year thus far for the Kewaskum boys basketball team, and for the meantime, the Indians are hoping that it will continue that way.

That's because the Indians snapped a five-game losing skid with an easy 62-54 win over former Scenic Moraine Conference rival Germantown here, last Saturday night.

After opening the season with three straight losses, the Indians rebounded to win three of their next four before dropping the five in a row. KHS coach Jim Westphal hopes that the victory over the Warhawks will just be the start of a long win streak.

"I think we're doing things better," Westphal said, noting that doesn't always produce wins, however. "It's hard to figure."

The Indians looked to be pulling away from the Warhawks in the opening quarter, jumping out to a seven-point lead at one juncture. But a rally, capped by Greg Kindberg's buzzer-beater, cut the Indian lead to just one, at 18-17.

The game remained close until a flurry by the Indians late in the first half opened things up. With Germantown up 25-24, the Indians came alive to build a 38-29 cushion at halftime.

"That was very important," Westphal said of the late first-half surge. "We were passing the ball extremely well against their press. It was a repeat of the night before (against Cedar Grove), except we were on the other side of things (with 30 turnovers)."

Leading the Indian charge in the first half was Jim Marx, who scored 17 of his game-high 21 in the opening half. "He had a very good night," according to Westphal. "He had the same kind of shots that he had been getting. They were just falling, in the first half especially."

Some poor shooting by Germantown in the third quarter helped extend the Indian advantage to as many as 20 points.

"I thought their press would

give us all kinds of trouble," Westphal went on to say. "But it really turned out to be non-existent."

The Indians got a balanced attack from a number of players. Marx led the team with 21 points, while Keith Herman added 12 and Erik Ankerson chipped in 10. Guard Tony Knoeck also played well, according to Westphal.

"He played under control," Westphal said. "Tony made some good passes. If your point guard is playing good like that, it makes all the difference. It was the best guard-play that we've had all year."

Westphal noted that he is somewhat troubled by the slump that senior Adam Laatsch is in. With the exception of the game against Plymouth (when he scored 22 points), Laatsch has scored just 21 points in the five other games since the Christmas break.

"I'm a little concerned about him," Westphal admitted. "He's getting the same shots, they're just not falling. We'd like to get both him and Jim (Marx) going at the same time... a 1-2 punch. But he's (Laatsch) going to draw a lot of attention the rest of the way, especially because he had some good games the first time around (in the EW schedule)."

Kindberg and Nate Joy each finished with 12 points to pace Germantown.

The win improved the Indians' mark to 4-9 overall. Kewaskum will get back into conference action this week, with a game at New Holstein on Thursday.

The Indians will be at Chilton next Tuesday, before returning home to face Kiel next Friday night.

GERMANTOWN (17-12-7-18) - D. Johnson 4, J. Johnson 2, Baumann 6, Reese 3, Kindberg 12, Joy 12, Kolb 2, Hassenfelt 9, Ferguson 4. Free Throws - 6 of 13, Fouls - 13.

KEWASKUM - (18-20-14-10) - Laatsch 2, Herman 12, Marx 21, Rix 2, Knoeck 5, Ankerson 10, Kurth 2, Jacak 4, Wichtowski 4. Free Throws - 6 of 8, Fouls - 16.

Pomeday, Rockets Run Past Indians

By Noel Stollenwerk

KEWASKUM - It didn't matter who, or how hard they tried, the Kewaskum boys basketball team and coach Jim Westphal couldn't find a way to stop Cedar Grove's Nate Pomeday here, last Friday night.

Pomeday lit up the nets for 35 points, as he led the Rockets to a 90-77 win over the Indians, sending Kewaskum to its fifth

straight defeat.

Pomeday hit on 13 of his 20 shots from the field, including a trifecta of three-pointers, as Cedar Grove hit for 20 points in three of the four quarters, after opening the contest with a 19-point first period.

"He did it all over the court," Westphal said of the sophomore guard Pomeday. "Offensively and defensively, he's just a very fine basketball player."

Perhaps the turning point of the game occurred in the second period, when the Indians were whistled for a blocking foul that could have gone either way. Kewaskum was nailed with a technical foul on the play as well, and what was a four-point lead for Cedar Grove turned into a ten-point cushion at the half, 41-31.

"That was a six-point swing right there," Westphal said, noting, "We had to play catch-up the rest of the way."

And that wasn't easy with Pomeday sizzling the nets. Every time the Indians would get within possible striking distance, Pomeday would answer the call.

"We made a couple of runs at them," the KHS coach said, "But then he'd just take over. We could never get it under 10 points."

While Pomeday was having a game to remember on both sides

of the ball, the Indians could do little right offensively or defensively.

"We weren't very effective on defense. Our press wasn't effective at all," Westphal said. Offensively, while the team scored its highest output of the year, "We were very careless with the ball. Our press break just totally broke down."

The Indians finished with 30 turnovers.

"It was a shootout," Westphal concluded. "They picked us apart pretty bad. We'd help out on Pomeday, and he'd find the open man. He's probably the best player that I've seen so far this year."

The Indians' Jim Marx did his best to keep the hosts close. Marx scored 22 points to lead the Indians, who also got 12 from Travis Jacak and 10 from Erik Ankerson.

"He hadn't scored much," Westphal said of Ankerson. "But he's very capable. He just doesn't look to score much. I'm hoping that he'll continue to play well."

CEDAR GROVE (19-22-25-21) - Lukens 3, Pomeday 35, Sohre 19, Eernisse 11, Klug 10, Rissevion 3, Navis 8, Meyer 1. Free Throws - 22 of 34, Fouls - 23.

KEWASKUM (12-19-18-28) - Laatsch 7, Marx 22, Herman 6, Jacak 12, Rix 3, Ankerson 10, Knoeck 1, Wichtowski 7, Zautner 9. Free throws - 17 of 26, Fouls - 26.

KHS Skiers Second

By Noel Stollenwerk

KEWASKUM - Despite an impressive performance by the West Bend skiers, the Kewaskum boys ski team recently took second in a meet held at Sunburst here.

Kewaskum's John Gildersleeve finished third individually in the meet, whipping through the course in 44.55 seconds. Bill Rochon was the lone other Indian to break into the top ten, as he wound up tenth with a time of 46.35.

The Indian boys were second as a team with a time of 184.97, well behind West Bend's mark of 176.48. West Bend's Brad Cad-dock won the race with a time of 42.52.

The Kewaskum girls didn't field a full team, but a pair of KHS skiers did finish the race. Meredith Frac posted a time of 52.91, while Erin Fronck finished in 53.27.

ANNUAL MEETING OF HON-E-KOR TUESDAY NITE MEN'S LEAGUE

The annual meeting of the Tuesday Nite Men's Golf League will be held on Saturday, February 20th at 10 a.m. at Hon-E-Kor Country Club in Kewaskum.

You are asked to bring along your roster card and any suggestions you might have to the meeting.

If you cannot attend please call Hon-E-Kor at 626-2520.

Rockets

CEDAR GROVE 33, KEWASKUM 30

103 - Troy Maertz was pinned by Metlic, 1:23.

112 - Jake Gundrum lost to Schimberg, 9-12

119 - Jake Thull was pinned by Teunissen, 5:04.

125 - Mark Dziejic beat Metlic, 5-3.

130 - Tyler Dieringer beat Hoopman, 9-8.
