## Orval Behnke Honored By Equitable Life

ORVAL BEHNKE

Orval Behnke, CLU, has been awarded the Silver Medal of Honor and Summit Citation I by The Equitable Life Assurance Society of the U.S. These prestigious lifetime achievement awards represent two of The Equitable's highest honors and are presented in recognition of Behnke's superior sales performance and qualification to the National Leader Corp. over a 25 year period.

Behnke is associated with The Equitable/Conover Agency headquartered in Milwaukee.

A member of Equitable's Agency force since 1958, Behnke has received many industry honors including induction into the Equitable Hall of Fame, Order of Excalibur, Regional Honor Agent, Agent of the Year from his Life Underwriters Association, and lifetime membership into the Million Dollar Round Table, having qualified 20 years.

Behnke was designated a Pension Sales Specialist in 1978 and received his CLU designation in 1980. His primary market has been Corporate Pension Planning, Corporate Life Insurance, and Equity Product sales.

Behnke has served as President of his Life Underwriters Association, President of his Church Congregation, Chairman of the Washington County Civil Service Commission, Chairman of the Village Fire and Police Commission, President of the Executive Committee of the Wisconsin Evangelical Lutheran Church's

Group Insurance Board, and has also served on the local School Board, and Village Board of Trustees.

Behnke and son-in-law/partner, Ron Schmitz, a 14 year Equitable veteran, own and operate Behnke-Schmitz Financial Services, Inc., in Kewaskum, along with their associate, Bob Burgardt.

Behnke and his wife, Ruth, reside in Kewaskum.

## Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, February 8th from 8:00 a.m. to 4:00 p.m. **only.**

All registrations will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1993. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling.

Parents/guardians of bus pupils will need their section number and fire number as well, to fill out bussing forms. You will also receive the necessary health

forms.

I should like to impress upon you the importance of registering your child one either of these two days so that we may plan for them and know staff requirements for next year.

If you know of any new families in the district, please pass this information on to them.

Richard E. Zarling,  
Principal/Director of  
Special Education

## Receives Degree

Menomonie — Graduation ceremonies were held at the University of Wisconsin-Stout on Dec. 12. The following student from the Kewaskum area received a degree. He is John Paul, son of H. Jim and Kathy Paul, 320 First St., who received a bachelor of fine arts degree in art.

## Beechwood Fire Department Holds Annual Appreciation Dinner

Beechwood Fire Department's Annual Appreciation Party, Saturday, Jan. 9, was for all firemen, active, retired and honorary and the people who help with the annual picnic.

The highlight of the dinner was a surprise retirement program for Chief Roger Vetter and fireman Frank Poos, Jr. for their combined 50 years of active service.

In the Officer Dept. Mark Muench was elected Chief to succeed Roger Vetter who retired. Les Gessner was elected 1st Asst. Chief, and Don Ruplinger was appointed Lieutenant Safety Officer.

Scott Krahn was elected to a director position on the Board of Directors.

A delicious meal and refreshment were served and the B.W.F.D. Auxiliary served the dessert. They also presented the B.W.F.D. with a \$2,500.00 check to be used for fire apparatus.

Several area fire chiefs, active and retired were in attendance to help make a memorable night for Roger and Frank. Dancing and socializing for the rest of the evening made it a wonderful event.

B.W.F.D. President Floyd Klug presents a plaque to Roger Vetter, retiring Chief with 30 years active service.

## Holy Trinity Students Witness A Chemistry Magic Show

You could say that the students of Holy Trinity School experienced a traveling magic show recently. On January 8, a senior from the University of Wisconsin-Oshkosh, visited Holy Trinity School in Kewaskum. Kathy Condon brought wonderful and exciting chemistry demonstrations for the students. The elephant toothpaste, rainbow magic and flaming jar amazed all students from grades 1 to 8. The presentation taught safety as well as some simple chemistry principles. The "magic" was enjoyed by students and teachers alike.

## St. Joseph's Hospital Has Heart

The heart is the focus of the Cardiac Rehabilitation Program. People who have had a heart attack, coronary artery bypass surgery, mitral valve replacement, congestive heart failure, coronary angioplasty, or who are at high risk for related cardiac problems are offered a cardiac exercise program which will meet their specific needs close to home.

Phase II is a 12-week course meeting for one hour three times per week, beginning with a warm-up session. Next comes 30 minutes of individualized aerobic exercise, such as treadmill, exercise cycle or arm ergometer. The session is completed with a cool-down. During the exercise period there is continuous cardiac monitoring through EKGs. Blood pressure testing and heart rate checks are also done at set intervals throughout this time.

In addition to this workout, education is another integral part of the Cardiac Rehabilitation Program at St. Joseph's Community Hospital. The multidisciplinary team offers information about heart anatomy, heart disease, angina, diet, stress management, activity guidelines and medication.

Phase III, initiated in January 1992, consists of exercises designed to meet individual needs. Maggie Seideman, RN, CCRN, and Marcia Reth, Cardiac Rehabilitation Exercise Specialist have been creative in their use of obstacle courses, aerobic videotapes as well as a variety of exercise/sports equipment to make the program an enjoyable, physically active workout.

The Cardiac Rehabilitation Support Group continues to meet

every three months for spouses, family members or friends of people who have had a heart attack, bypass surgery, angioplasty or other heart problems by offering support and education. A wide scope of topics are covered through the use of speakers and entertainment.

A special support group was begun in Fall 1992. This group addresses specific dietary needs, including the Dr. Dean Ornish program.

For further information call Maggie Seideman, Coordinator of Cardiac Rehabilitation or Ken Schiller, Director of Rehabilitation Services at 334-8237.

## Hunter Safety Course at Elmore

Make hunter education a family affair. Ken Stuart, Rick Heisler, Bill Prost and Jeff Linsley, Wisconsin DNR Certified Hunter Safety instructors, invite all people interested in hunting and recreational shooting, to enroll in a Hunter Education Course.

The course will start Tuesday, Feb. 16 and be held each Tuesday at 6:30 p.m. at the Sportsman's Clubhouse in Elmore. The course is sponsored by The Campbellsport Sportsman's Club, assisted by a DNR warden.

Students must be eleven years old to enroll (or reach twelve prior to fall hunting season). There is no maximum age, and parents are encouraged to enroll and participate with their children.

Advance registration is re-

quested. Please contact Ken Stuart at 533-8470, Bill Prost at 626-4686, Rick Heisler at 533-4955, or Jeff Linsley at 533-5110 for details. The course fee is \$5.00 which covers all necessary materials.

Students must be accompanied by one parent or guardian on the first night of the course. There will be one Saturday of training and shooting, as part of the course.

Persons successfully completing the course will receive an embroidered patch and a Hunter Safety Graduate Certificate. The certificate is valid in lieu of a small game hunting license for one season, and is a lifetime certificate required for hunting in many states and provinces.

Young students certified will also be able to hunt and use firearms without a parent or guardian present at the age of fourteen instead of sixteen.

Classes will cover the responsibilities of hunters, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

Dr. Anthony Schlaefel of Campbellsport will conduct hunter vision screening tests for all students as a public service.

# Valley Bank Offers Fast Tax Refund

Valley Bancorporation announced that it will offer its customers a new banking service that allows them to file their federal income tax returns electronically.

With this service, the return is transmitted over the telephone lines directly to an Internal Revenue Service (IRS) computer where it is automatically checked for errors and missing information. Once the IRS has received and reviewed the return, the refund will be issued in half the time it takes to file returns conventionally.

Any individual federal income tax returns (IRS Forms 1040, 1040A, and 1040EZ), and the most commonly used forms and schedules can be filed electronically. It does not matter if the customer expects a refund, or has a balance due. State tax returns may not be filed electronically by Valley Bank at this time.

IRS officials estimate that as many as 50,000 Wisconsin taxpayers will file their income tax returns electronically in 1993. Wisconsin is one of 14 states participating in a pilot program that is expected to develop into a nationwide service in about five years.

Charmaine Ponkratz, Vice President Marketing, Valley Bancorporation, said, "The decision to offer electronic tax filing to our customers was made because we see this as a convenience. Between 50-52 percent of all people complete their own tax returns. With Valley's branch network, consumers have service access through 153 locations around the state. Since consumers will be

coming to the bank to do their banking anyway, they can now file their tax returns and conduct banking in one trip. Additionally, the extended hours offered by our supermarket locations makes this service available in the evenings and on weekends for busy individuals who may not have time to complete their banking during the day."

Valley Banks across the state will charge \$30 per return filed. Ms. Ponkratz went on to say, "We are not looking for electronic tax filing to generate substantial fee income in the first year. Rather, we see it as an opportunity to gain new customers by getting them into the bank, then talking to them about the other products and services we have to offer. As an example, if a customer is receiving a refund, we may talk about opening an account with an automatic deposit of their refund so they can begin earning interest immediately."

Ms. Ponkratz anticipates the number of customers using the service will increase as they come to realize how convenient this service can be for them. Already there are signs that this strategy could pay off. The IRS began testing electronic tax filing in 1986 and processed 25,000 returns. In five years the process has grown dramatically. Last tax season, the IRS processed 7.5 million electronic returns. This year, the agency is anticipating processing 10 million returns electronically. And, by the mid-1990's that number should reach 25 million, according to IRS estimates.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley has assets of \$4.4 billion and currently serves Wisconsin through 153 banking

offices and additional financial service companies engaged in insurance, trust service, securities, credit card serving and bank consulting services. The company's common stock is traded on the National Market System under the NASDAQ symbol VYBN.

It was once believed that St. Valentine's day is the day birds find their mates.

## Name Dairyland Seed's 1992 Yieldmaster

Dairyland Seed Co., Inc. announced that Danny Oliver, of Columbia City, Indiana, has been named Dairyland's 1992 National Soybean Yieldmaster. Mr. Oliver obtained his yield of 67.34 bushels per acre with Dairyland's DSR-262 soybean.

According to Tom Strachota, Executive Vice-President, "Dairyland products have been exhibiting high yields on farms due to the tremendous amount of time, effort, and resources that have been invested in Dairyland's research. We are very proud of Mr. Oliver's results, as it is rewarding to see farmers benefit from our research efforts. Our goal is that future research will provide farmers with even higher yields."

For more information on Dairyland Seed's soybean lineup, call 1-800-236-0163 or write P.O. Box 958, West Bend, WI 53095.

## VA Establishes Persian Gulf War Registry

The Department of Veterans Affairs is establishing a Persian Gulf War (Desert Shield/Desert Storm) Health Registry.

The Registry will include the name of each individual that served in the Persian Gulf theater of operation and who (1) applies for health care (2) files a claim based on disabilities from Persian Gulf service, (3) dies and claim is filed by survivor, (4) requests a health examination (5) or, receives a health examination from Department of Defense.

Persons who request the health examination will receive a basic physical examination with appropriate laboratory tests. Particular attention will be paid to occupational exposures, insect bites, infectious diseases such as leishmaniasis, and/or chemical/biological agents, contaminated food or drink, or other environmental agents.

While a significant number of veterans have complained of a wide range of symptoms, the majority have not reported any problems.

Veterans wishing to register may call their nearest VA Medical Center or the Zablocki VA Medical Center, Milwaukee, at 414-384-2000 extension 2140.

## Humane Society Annual Rabies Clinic Mar. 7

The Washington County Humane Society will hold its annual Rabies Clinic on March 7th, 1993, from 10 a.m. to 12 a.m., and 1 p.m. to 3 p.m. Dr. Gregory Ogi of Kewaskum Veterinary Clinic will be the attending veterinarian. The cost per shot is \$10.00 per animal.

Wisconsin State law states that you must have your dog licensed by April 1st, of each year. In order to buy a license you must have proof of a current rabies vaccination. Assembly Bill No. 751 which was signed into law by the Governor of Wisconsin, states that all dogs over 5 months of age have a current rabies vaccination. Cats should also be given the rabies serum. The vaccination is good for three years on cats and dogs. Animals under 1 year must be revaccinated within 1 year.

There is no appointment necessary. Animals will be given their shots on a "first-come, first-served" basis. If you wish further information, feel free to call The Washington County Humane Society between the hours of 1 p.m. and 5 p.m. except for Wednesday, when we are open from 5 p.m. to 8 p.m., at 677-4388.

## Surviving - and Thriving - in Changing Times

Nobody can argue that we live in a rapidly changing world. The political and economic upheaval we're seeing in governments around the globe is mind boggling. In this country we're reminded daily of the unprecedented social and cultural changes we've experienced in recent decades - shifts in gender roles, the changing face of business, questions about values, the sexual revolution.

On a personal level, Americans regularly face major changes, perhaps more than any previous generation. Switching jobs, moving cross-country, family crisis such as divorce - these significant events are common occurrences in our society today.

Though many changes are positive, all change is stressful. When you consider that just two decades ago there were no microwave ovens, CD players, videocassettes, personal computers, FAX machines, or call waiting, it's no wonder this generation is feeling increased pressure.

That's one of the reasons members of **Kewaskum Living Waters Church**, will be working together for seven weeks on a unique 50-day study called "Survival Skills for Changing Times." Subtitle "Purposeful Christian Living in the '90's," this special series will look at eight specific skills Christians can develop to not only cope but find joy and meaning in today's rapidly changing world.

Most of the great men and women of the Bible were spiritual survivors in tumultuous times. Scriptural accounts show that God's power has always been reflected through his people most dramatically during times of great change. Like Joseph, Moses, Esther, Peter and Paul, those at Kewaskum Living Waters Church will be learning how to become overcomers in spite of difficult circumstances life may bring their way.

Led by Pastor Joseph Brath, "Survival Skills for Changing Times" is a "50-Day Spiritual Adventure," and annual study created by The Chapel of the Air Ministries in Wheaton, Illinois. The series is used in thousands of churches across North America each year and is built around a central theme that highlights basic disciplines of the Christian faith, including Bible study and prayer. At Kewaskum Living Waters the

Adventure is scheduled to begin on Sunday, February 21, and continue through Easter Sunday, April 11.

The Adventure is a unique blend of individual and group effort. Each participant uses a daily "journal," which contains Scripture selections, reflection questions, and descriptions of five creative assignments that relate to the Adventure themes. Sunday morning worship and instruction complement the journal. This year Sunday morning sermons during the Adventure will give specific suggestions for how to make these survival skills a part of daily living:

**1. Downscaling.** By purposely choosing to live on less rather than more, adventurers will begin to find contentment in things of eternal value.

**Off-loading Stress.** Through an understanding that God cares about every detail of their lives, participants will practice "off-loading" their daily stress onto God through prayer.

**Combining Resources.** By sharing assets, skills, talents, and love with one another, church members will help banish the fear of facing the unexpected all alone.

**Relating Empathetically.** In a day of increasing polarization between the various facets of our society, Adventures will work on being Christ's agents of reconciliation.

**Guarding Self-respect.** Especially appropriate in tough times, this theme stresses the Christian tenet that an individual's worth comes from God, not his work, possessions, or the affirmation of others.

**Learning Our Limits.** By accepting their limits of time, resources, and energy, adventurers will learn how to more effectively accomplish the tasks that are most essential in their lives.

**Appreciating What Suffering Teaches.** When life's path is marked by suffering, participants will discover, it's important to appreciate the lessons that pain can teach.

**Endorsing The Right Leader.** Adventure participants will affirm that Jesus Christ is the only leader who will never fail nor disappoint us.

In addition to Kewaskum Living Waters, many other churches and individuals will be participating in the 50-Day Adventure as well. Last year nearly

400,000 adults and young people ordered Adventure Journals through The Chapel of the Air Ministries. The Chapel of the Air's nationally syndicated radio broadcast, now in its sixth decade on the air, can be heard locally each Monday through Friday at 6:45 a.m. on radio station WVCY, 107.7 FM.

If you're interested in joining the Adventure at Kewaskum Living Waters Church, contact Pastor Joseph Brath, (626-8337). Visitors are always welcome, especially through the upcoming 50-Day Spiritual Adventure which begins on Sunday, Feb. 21. Sunday morning services are held at 10:00 a.m.

For information on how you can get another church involved in the Adventure, contact The Chapel of the Air Ministries directly at 1-800-827-2682.

## Free Arthritis Education Series At St. Josephs

The Arthritis Foundation, Wisconsin Chapter and St. Joseph's Community Hospital, West Bend are co-sponsoring a series about arthritis. The Arthritis Education Series is an informational series designed to give people with arthritis the knowledge they need to take a more active role in their arthritis care.

The series will be held on Mondays, March 8, 15, 22 and 29 and April 5, 1993. Class time is 7:00 - 9:00 p.m. at St. Joseph's Community Hospital of West Bend, Inc., 551 Silverbrook Drive, West Bend, in conference room "A" located on the first floor of the East Building.

Arthritis can change a person's lifestyle. The target areas covered in this course deal with those changes, including the medical and physical management of arthritis. Highlights in the series include medications, occupational and physical therapy, diet, nutrition, community resources, and the psychological aspects involved in living with a chronic disease.

Although the series is divided into five parts, each dealing with a different aspect of the disease, participants are strongly encouraged to attend all five sessions to receive the full effect of the information provided.

To register for these free classes, call the Arthritis Foundation toll-free at 1-800-242-9945 or 321-3933 in the metro Milwaukee area. Registration is required and seating is limited.

## Trees, Shrubs, Prairie Seed Mix Available

Good supplies of low priced native trees, shrubs and prairie seed are still available through the Washington County Land Conservation Department. A wide variety of evergreen trees, hardwoods and wildlife shrubs make up the plant list available. Average prices are \$.30 - \$1.00 each, with a minimum order of 30 trees of shrubs.

If you are tired of spending your Saturdays mowing that big

lawn, now is your chance to convert it to a colorful display of native wildflowers and low growing prairie grasses.

The prairie seed mix contains 22 species of wildflowers and is sold in one pound packages. One pound will cover 3-4,000 square feet and costs \$70.00.

For an order blank, or more information about the program, contact the Land Conservation Department at 335-4800. Orders will be taken on a first come, first serve basis until March 5. Pick up of orders will be on April 22 and 23.

### What's New at the Public Library?

The Kewaskum Public Library is participating in a program entitled "Spoken Words for Special Listeners."

Through the "Special Listeners Program", the Library will receive a different collection of books on tape every two months. Books on tape are spoken word audiocassettes which feature abridged or unabridged versions of fiction on non-fiction titles.

The collection has been specially designed to serve senior citizens and the visually impaired or physically handicapped. Each collection will include a wide variety of fiction and non-fiction titles, old radio shows, inspirational and motivational audiocassettes. For more information concerning this program, please contact the library.

The books on tape have been made available through the library's membership in the Mid-Wisconsin Federated Library System. The "Special Listeners Program" has been funded through a Library Services and Construction Act Grant which was awarded to Mid-Wisconsin for the 1989-90 grant year.

New Books include: **Bloody Roses** by Natasha Cooper, **Primal Fear** by William Diehl, **The Baby Book: Everything You Need to Know About Your Baby - From Birth to Age Two** by William Sears, M.D. and Martha Sears, R.N. and **The Evolution of Useful Things: How Everyday Artifacts - From Forks and Pins to Paperclips and Zippers - Came to Be As They Are** by Henry Petroski.

On Jan. 8, 1993 Jason W. Stielow graduated from basic training from the United States Navy in San Diego, CA. Jason will continue his seaman apprenticeship in San Diego and will go on board the USS Coronado upon completing his apprenticeship. Jason was a graduate of Kewaskum High School in '92.

### Accepting Applications For Energy Assistance

Applications for Energy Assistance are being accepted by the Washington County Department of Social Services, 333 E. Washington Street, Suite 3100, West Bend.

To make an appointment, or for information call 335-4610 or 644-5282. The office is open from 8:00 a.m. to 4:30 p.m. Monday through Friday. Home visits can be arranged for the disabled and homebound.

Eligibility is determined by the number of people in the household and the total gross household income for the last three months: one person, \$2,553; two people \$3,446.50; three people \$4,338; four \$5,231; five \$6,123; for each additional person, add \$892.00.

The Energy Services Program is a three-part program offering (1) Heating Assistance, (2) Crisis Assistance, and (3) Weatherization services.

Heating assistance is a one-time benefit payment during each heating season (October 1 through May 15.) It is intended to help pay a portion of the annual heating costs for eligible applicants. The amount of the heating assistance benefit is determined by family size, income level, and heating costs.

Crisis assistance provides both Emergency Services and Pro-Active Services.

Emergency Services provide help during the heating season to eligible households that do not have any way to pay for fuel or heating repair costs. Emergency applications are taken on a "walk-in" basis.

Proactive Services are designed to offer training and counseling on how to reduce fuel costs, budgeting and money management to avoid future emergencies.

Weatherization Services can conserve energy and help to reduce heating costs. Applicants who are eligible for heating assistance may also be eligible for the Federally funded Weatherization Services. All services and material are provided at no cost to eligible applicants, nor is there any cost to landlords of eligible renters.

In order to receive a heating benefit, you must apply and be found eligible. Only one member of any household may apply. This can be done by calling the Washington County Department of Social Services at 335-4610 or 644-5282.

Wife: "How can I cure George from staying out so late at night?" Neighbor: "The next time he comes home late, call out, 'Is that you, Harry?'"

### Letter to the Editor

January 28, 1993

Dear Editor,

A recent letter to the editor of a local paper, raised the question of whether the people of Washington County needed a facility that would offer a variety of animal related services? I felt that the residents of Washington County would be interested in the variety of activities at The Washington County Humane Society in 1992.

Over 800 dogs, 240 puppies, 600 cats, 550 kittens and 99 assorted hamsters, guinea pigs, mice, rats, etc. found themselves at our doorstep. We responded to over 400 calls for wildlife assistance, 370 of them were either sent to rehabilitators or humanely euthanized.

We put over 17,000 miles on our vehicles and logged over 16,700 phone calls. Almost 11,000 people came through our doors either looking for their lost animal, surrendering an animal or coming to see what we had available for adoption.

We now offer 7 dog training classes because the demand for dog training was so high. We visited area schools to help youth learn the importance of proper animal care, gave talks to many civic groups, held training seminars, helped communities with their feral cat problems and when asked gave assistance to local law enforcement.

All of these activities are done without any county tax dollars. We depend on the generosity of the public. We are grateful for all the emotional and financial support we receive. We couldn't do what we do without your help.

As we celebrate our 25th anniversary in Washington County, we can't help but be grateful to the handful of dedicated people led by the late Helen Ziegler who had the fortitude in 1968 to realize her dream of a facility in Washington County for all living creatures. We invite you to stop by The Washington County Humane Society at 3650 Hwy. 60, Slinger and take a look at the animals or volunteer your services to help "those who cannot speak for themselves." We look forward to continuing to be the first place you think of when you need help with any animal.

Sincerely,  
Dianne Horlamus  
Executive Director

### Lottery Universal Cashing Available

Wisconsin Lottery instant game winners are now able to cash all bar coded winning instant scratch tickets worth up to \$599 at any Wisconsin Lottery on-line retail location as of Wednesday, January 13.

Lottery Universal Cashing (LUC) is the name of the system giving players the convenience of cashing tickets winning \$1 to \$599 at any on-line retail location, regardless of where the ticket was purchased.

"The on-line terminal reads the bar code on the back of the ticket. The computer determines that the ticket is a winner and directs the retailer to pay the prize," Lottery Acting Administrator Don Walsh explained.

"This is big news for instant game players who no longer need to worry about where a ticket was purchased to claim a prize," Walsh added.

LUC will only cash winning tickets with a bar code on the back. \$100 TV Winners will still have to claim their prizes directly from the Wisconsin Lottery so the Lottery can schedule the TV Winner for a future MONEY GAME show.

"Players and retailers will like LUC. For players it's a welcome convenience. Retailers will enjoy computer accuracy and quick response time by using LUC to cash their customers' winning tickets," Walsh noted.

To help LUC process winning tickets as quickly as possible, players should remove all latex over all parts of the play area on the front of the ticket before presenting the winning ticket to a LUC retailer for payment.

"Of course, on-line players can still cash winning POWERBALL, MEGABUCKS, SUPER-CASH and DAILY PICK 3 tickets worth up to \$599 at any on-line retail location," Walsh added.

"I'm looking for adventure, excitement, beautiful women," cried the young man to his father as he prepared to leave home, "and don't try to stop me." "Who's trying to stop you," yelled his father, "I'm going with you."

FEBRUARY 5, 1943

Mr. and Mrs. Otto Koepke of Beechwood received the sad news on Wednesday morning of this week that their son, Pvt. Richard Koepke, 32, was killed in action with the army against the Japanese in the Solomon Islands. Pvt. Koepke was a brother of Frank and Earl Koepke, both of whom attended Kewaskum High School.

Mid-year graduation exercises at Marquette University in Milwaukee, resulting from speeded-up wartime class schedules and introduction of the tri-mester plan of education, will find Kewaskum represented by Robert J. Rosenheimer, son of Mr. and Mrs. L.P. Rosenheimer, who is listed among the candidates for degree. Rosenheimer, a senior in the Marquette School of Medicine, seeks the degree of doctor of medicine.

Donald Becker of Kewaskum was one of 11 young men who enlisted in the marine corps at the Milwaukee recruiting station one day the past week. Donald was one of 63 recruits from Wisconsin and Upper Michigan who signed at stations throughout the state and in Michigan for service in the marines.

Gregor A. Nigh, son of Mr. and Mrs. Elmer Nigh of the Town of Auburn, left Tuesday, January 26, for Fort Sheridan, Illinois, after being inducted into the army with a contingent of men from Cudahy, where Nigh was employed. Pvt. Nigh is now stationed at Camp Hood, Texas, where he arrived Monday.

Hearing on the petition of Reuben Schaefer, Kewaskum, for a certificate to operate as a common motor carrier for passengers will be held at the state public ser-

vice commission in the county courthouse at Milwaukee on February 19. The petitioner seeks authority to operate a bus line on Highway 67 from Mayville to its junction with Highway 33, on 33 to West Bend, on County Trunk Hwy. V in Fond du Lac County from Campbellsport to Kewaskum, Highway 28 from Kewaskum to its junction with Highway 144 and on 144 from its junction with Highway 33 to West Bend. The service contemplated is the transportation of passengers in Mayville and Allenton to West Bend and return and from Campbellsport, Kewaskum, Boltonville and Barton to West Bend and return. The service is proposed as an accommodation to employees of defense plants in West Bend.

Mr. and Mrs. Armand Schaefer of this village are the parents of an eight pound daughter, born at St. Joseph's Hospital, West Bend, on January 28.

Loraine Eberle and Joy Zanow were elected editor-in-chief and assistant editor of the CHIEFTAIN, yearbook of Kewaskum High School, by members of the senior class. With the aid of Miss Margaret Browne, faculty advisor, they appointed the following sub-editors: Senior Editors - History: Bob Schmidt, Art. Buss, Gerald Stoffel. Will: Leonard Peter, Ralph Hausner, Bunny Meyer. Prophecy: Marion McElhatton, Harold Lehnerz, Evangeline Schmidt. Poem: Delores Fick, Rose Ellen Schmitz, Marvin Kempf. Junior Editors: Ruth Blank and Richard Klumb. Sophomore Editor: Homer Schaub. Freshman Editor: Lorraine Zuehlke. Athletics - Baseball: Clayton Stautz, Orville Petermann. Basketball: Erhardt Schultz, Willard Manthei. Football: Bob Brauchle, Lynes Fellenz, Anton Bach. Chorus: Deanne Backus. Art: Darwin Bruessel. Typists: Delores Fick, Loraine Eberle, Marion McElhatton, Evangeline Schmidt, Rose Ellen Schmitz, Loraine Zuehlke.

Mr. and Mrs. Jos. Kohler received a letter last week from their son, Sgt. Earl Kohler, informing them that he is now stationed somewhere in England with the armed forces. Earlier they received government notification that he had arrived safely at his destination which was not named. Sgt. Kohler sailed early in January.

Alfred Van De Zande and I. Klotz of Campbellsport, have organized under the firm name of the Campbellsport Auto Sales Company and have purchased the G.H. Utke property, located on South Fond du Lac Avenue in that village. The new firm will have the buildings remodeled into an up-to-date garage and expect to have the same ready to open about March 15, with a complete line of automobile accessories including tires, gasoline and oils. They will specialize in the sale of Buick, Oldsmobile and Chevrolet cars and will conduct a general repair department and automobile service station.

The Kewaskum Woman's Club

presented the play, "Sewing for the Heathen," at the home of Mrs. L. P. Rosenheimer last week Saturday afternoon. The cast of characters included Mrs. Colvin, Lilly Schlosser, Mrs. John Schaefer, Mrs. Morgenroth, Mrs. O.E. Lay, Edna Schmidt, Mrs. Wm. Schultz, Mrs. E. Romaine and Mrs. D.M. Rosenheimer.

Another large number of drafted men will be called upon to start in war training on February 23. The number of men to be drafted are 147,000; 74,500 men will leave on February 23, while the date for the remaining 72,500 men has as yet not been determined. The following young men from this village were at West Bend Wednesday and Friday to take their physical examination: Joseph Eberle, Alex Klug, Alvin Haug, Peter Haug and Arthur Bassil.

The sinking of the transport Tuscania struck home directly when first reports came out that Adolph Rosenheimer, Walter and Carl Schaefer and Gregory P. Harter were among the soldiers of the ill fated vessel. Latest reports, however, indicate that Adolph Rosenheimer, Walter and Carl Schaefer of Co. C 107th Field Signal Battalion were not on the boat and no confirmed reports have been received that Gregory Harter was among the soldier passengers.

Walter Knickel, son of Mr. and Mrs. William Knickel of Campbellsport, is one of the first men of this community to make aerial trips in the flying squadron of Uncle Sam's army. Mr. Knickel left Campbellsport last fall and successfully passed through all tests in the mechanical departments of aviation and about six weeks ago was transferred to the flying cadet squadron at Kelly Field, San Antonio, Texas. Mr. Knickel is a graduate of the Campbellsport High School and spent two years in the electrical engineering department of the University of Wisconsin. His many friends in this community extend to him best wishes for great success in the U.S. Flying Corps and that he may succeed in dropping the bomb that hits the Kaiser on the bean, and then safely returns to tell us all about it.

The following pupils in the grammar room have an average of 90 percent or above for the past six weeks: Raymond Quade, Elmer Martin, Edwin Morgenroth, Norma Bunkelman, Byron Klein, Walter Buss, Ella Guth, Margaret Schlosser, William Klein, Edward Brandt, Louis Moses, Lazzetta Ramthun, Florence Greve and Hazel Geidel.

A baby boy was born to Mr. and Mrs. Andrew Martin of Wayne on Sunday.

### Danger Signs Of Troubled Teens

By Lindsey Clifford

(NU) - Adolescence is a turbulent time.

At Hope Community, a spiritually directed treatment center, we are often asked about problems ranging from teen suicide to developmental difficulties, behavioral conflicts, experimentation with alcohol or drugs, and life-threatening depression.

Here's the sort of question we often hear:

Q: My child's behavior has suddenly changed dramatically. Is this normal or should I get help?

A: While some moodiness and rebelliousness are to be expected as a child grows to adulthood, parents, teachers and youth group workers should recognize danger signals of grave emotional problems.

Be alert if your child's grades drop suddenly, if he isolates himself, is angry or violent, or has a new group of undesirable friends. Other troubling indications are truancy, school suspensions, signs of drug or alcohol use, depression, sexual activity, and constant family fights.

These behaviors may be signs of substance abuse, suicidal symptoms, cult involvement, attention deficit disorder, obsessive/compulsive disorders, and troubled peer and family relationships.

At Hope Community, boys and girls from ages 3 to 17 are diagnosed and treated individually, in groups, and with their families to help them lead mentally sound, physically healthy, balanced Christian lives. Our counselors help troubled teens find their own spiritual paths, develop healthy coping mechanisms and good communication skills. Teens learn to take responsibility for their actions and get in touch with their feelings.

Call us at 1-800-333-HOPE (4673) and ask about a free confidential assessment. Don't lose your young one forever.

## ALFRED H. SEEFELDT

Alfred H. Seefeldt, of Kewaskum, died Monday, February 1, 1993 at Cedar Lake Home, West Bend, at the age of 96.

He was born November 11, 1896, in the Town of Kewaskum, to the late Albert and Mary (nee Hartkopf) Seefeldt.

He graduated from Kewaskum High School in 1916. He attended Lawrence College, Appleton in 1917 and later the University of Wisconsin Extension tax schools.

On June 21, 1936, he married Margaret Diesner in Wayne, Wisconsin. She preceded him in death on November 27, 1947. He later married Viola Seefeld Reinke on July 12, 1970. She preceded him in death on December 14, 1987.

A. H. Seefeldt was a retired beekeeper, public official and small businessman. His business, community and professional activities spanned a period of 70 years.

As a young man Seefeldt wrote the examination for deputy apiary inspector for the Wisconsin Department of Agriculture and was appointed to that position in 1921. In 1923, he was assigned to inspect apiaries in Washington and Ozaukee Counties for the bee disease, American foul brood. The first year he inspected 408 beeyards and 2,482 hives of bees in Washington County alone. Within the decade, the disease was eradicated in the county.

Mr. Seefeldt attended his first beekeepers convention in 1918 and went on to organize Washington County beekeepers into one of the largest groups in the state. He headed the Wisconsin State Beekeepers Association for five years. His honey products won many blue ribbons at the Wisconsin State Fair where he later served as assistant superintendent of the Bee and Honey building for four years. He was also a licensed honey judge. Known to many as the "honeyman" or "beeman," he discontinued beekeeping in 1982.

Seefeldt's career in public office began with his election as treasurer of Kewaskum School District No. 5 in the late 1920s. He was the first graduate of the high school to serve on the board. Upon the creation of District No. 7, he served as clerk of that board until it was consolidated into the Kewaskum Common School District in 1954. He also served as a director of the Washington

County School Boards Association. In 1943 he helped organize and served as the first president of the Rural Schools Association of Wisconsin which worked for the preservation of local control and the improvement of the rural neighborhood school system.

On the township level, Seefeldt was elected Town Clerk in 1933 as part of a reform movement in the Town of Kewaskum. He was re-elected every two years for forty years. Additional town service included that of relief supervisor and election official.

Seefeldt's public service at the county level began in 1934 when he was appointed to the Farm Drainage Board of Washington County, a position he held until 1963. In 1940 he was elected by the County Board of Supervisors to the first of three consecutive three-year terms as a trustee of the Washington County Asylum and County Home where he worked to provide humane and enlightened treatment of the mentally ill and the infirmed.

In November 1953, Seefeldt was appointed to the County Park and Planning Commission by the Washington County Board of Supervisors. He served as a member of the Commission until 1975, a period of 22 years. The last seven years he served as Chairman of the Commission.

The Commission oversaw the administration and enforcement of the zoning and land division codes, as well as the development and operation of the County Park system.

In 1959, he was appointed to direct the Federal Farm Census in Washington County. He recruited, tested, trained and organized all of the census enumerators needed to complete the task.

As a small businessman, Seefeldt was involved in the marketing of honey, insurance and beekeeping supplies. In 1943 he began preparing income tax returns. He was the first private tax practitioner in the Kewaskum area. His practical knowledge of

farming and tax laws helped him build a large clientele of family farmers, small businessmen and wage earners. He prepared tax returns for almost fifty years.

In 1940, Alfred and his wife organized the first Seefeldt Family Reunion. This past July, he attended his 53rd consecutive reunion, where he was honored as the founder of the Reunion and the oldest gentleman in attendance.

Mr. Seefeldt took a keen interest in partisan politics. He maintained membership in the Republican organizations of Washington County, the state and the nation. He served as a delegate to state conventions and assisted in the campaigns of county, state and congressional candidates. He took special pleasure in helping lay the groundwork for the election of Frank Bateman Keefe to Congress in 1936 and William A. Steiger to Congress in 1966. He served as chairman of the County Republican Party in 1936 and was still active as a precinct committeeman at the age of 94.

A lifelong member of St. Lucas Evangelical Lutheran Church, Kewaskum, Seefeldt also devoted many hours to the work of the congregation. He served as a trustee and treasurer until 1947. His most lasting contribution to his church and his community was his leadership in the development of Lutheran Memorial Park. He was actively involved in the cemetery land purchase, the engineering of the site, its financial management and the development of its rules and governance. He served as director until 1979.

Alfred H. Seefeldt is survived by his three children, Fredric (Barbara) of West Bend, Aldwin (Karen) of West Bend and Mariel (Warren) Heinke of Rockford, Illinois. He is further survived by nine grandchildren, Erik Heinke, David Heinke, Jill Heinke, Kristin Seefeldt, Vicki Seefeldt, Alan Seefeldt, Mark (Christine) Gumm, Rachel Gumm and Mary (Russell) Demmon, one great-grandchild, Eric Gumm, three sisters-in-law, Mrs. Hilda Seefeldt, Kewaskum, Mrs. Frances Rose, Fond du Lac, and Mrs. Lillian Hanke, Fond du Lac; eight nieces and nephews, dear friends, Mrs. Ruth Klein, Mrs. Marisue Zillig, Mrs. Patricia Wagner and Mrs. Barbara Wenzlaff. His brother,

Oscar, preceded him in death on September 24, 1973.

Funeral services will be held Friday, February 5, at 7:30 p.m. at the Miller Funeral Home, Kewaskum. Visitation will be from 4 to 7:30 p.m. Interment will be at Lutheran Memorial Park on Saturday, February 6 at 10 a.m.

Memorials may be directed to: Bethesda Lutheran Home, Watertown, Wisconsin, West Bend Chapter American Red Cross, or Washington County Historical Society.

## LESTER W. FRANCKE

Lester W. Francke, of Kewaskum, died Sunday, Jan. 31, 1993, at the Samaritan Home, West Bend, at the age of 69.

He was born Jan. 3, 1924, in Gary, Ind., to the late Richard and Anna (nee Dricken) Francke. At an early age the family moved to the town of Barton; and after his schooling, he was employed at The West Bend Co., Larson's Furniture and Tri-County Office Supply.

He then purchased the Kewaskum Floral Shop, which he operated prior to becoming employed at Regal Ware in Kewaskum where he worked for more than 20 years.

At the time of his retirement, he was the manager of the Regal Ware Outlet Store, Kewaskum.

Survivors include a sister, Lucille (James) Prohaska of Venice, Fla.; very close friends, Ralph and Phyllis Duenkel and

Ralph Althaus, all of West Bend, and Gladys Garbisch and Ken and Carol Leitheiser, all of Kewaskum; and other relatives and friends.

Preceding him in death were three brothers, twins Richard Jr. and Joseph and George.

He was a longtime active member of the Washington County Republican Party.

Funeral services were held Tuesday, Feb. 2, at 7 p.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 7:30 p.m. at Immaculate Conception Church. Fr. Patrick Wendt was the presider and burial was at 9:30 a.m. Wednesday in St. Mary's Cemetery, West Bend.

Visitation at the funeral home was on Tuesday from 4 p.m. until the time of services.

Those that wish may give memorials to the American Heart Association, 795 N. Van Buren St., Milwaukee, 53202, or to the charity of the donor's choice.

## Minutes of Village Special Meeting

The Village Board of Kewaskum, Washington County, Wisconsin, met in Special Session in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger presided. Trustee Robert Wagner asked to be excused and was absent, Trustee Thomas McElhatton arrived three minutes late. All other members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

The informational meeting was held to discuss USH 45/Fond du Lac Avenue - I.D. 4070-04-00 - CTH "H" to STH 28W, resurfacing work scheduled for completion in 1995.

In attendance was Gary Brunner of Mid-State Associates, Sheri Schmit and Ron Check of the Department of Transportation as well as Police Chief Knoebel and Jerry Gilles Director of Public Works. Also in attendance were fourteen people of which, four spoke against the loss of any parking even to the point of preventing any intersection improvements at Main Street (STH 28E) and Fond du Lac Avenue (USH 45) and one person speaking in reference to the cost affect of the proposed project on the tax roll and / or any increase.

The Department of Transportation recommended at minimum the improvement to the intersection to advance traffic in a safe and efficient manner. This would result in an estimated loss of eleven parking stalls adjacent to the intersection. The remaining parking north to My Little Friends and south to the Fire House from the intersection parking would remain as is. The estimated cost of the total project is \$868,112.57 with the Village of Kewaskum's share estimated at \$189,965.00. If the Village wishes to hold on to the parking at the main intersection the cost for the Village is estimated to increase \$12,000.00. It was noted that the Department of Transportation still may not spare those eleven parking stalls.

The parking issue was discussed for both the south and north areas and the DOT indicated chances were

Kewaskum Statesman, Thursday, Feb. 4, 1993, Page 11

good if the Village pays for said work the State would not come in to remove them within a few years. It was also stated that if they did there was a reimbursement process, but one that has never been successful.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and not carried with the lack of majority roll call vote, the Board did not recommend for approval the \$189,965.00 option. Trustee Thomas McElhatton, Trustee David Goeden and Trustee Robert Beisbier voting "Aye," and Trustee Gary Gavin, Trustee Harry Roecker and President Krueger voting "Nay," with Trustee Robert Wagner, "Absent."

On a motion by Trustee Harry Roecker, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board recommended for approval the \$189,965.00 option for Fond du Lac Avenue/USH 45 plus the estimated \$12,000.00 addition for not removing the parking lanes and not improving the turn lanes at the intersection of Main Street and Fond du Lac Avenue. A Resolution will be so prepared to reflect the Village of Kewaskum's cost share equal to an estimated \$201,965.00. Roll call vote was 5 "Aye," 1 "Nay," Trustee Thomas McElhatton and 1 "Absent" Trustee Robert Wagner.

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

## Minutes of Village Plan Commission

Village of Kewaskum  
Plan Commission  
January 26, 1993  
8:00 P.M.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger called the meeting to order. Members present were Donald Mlodzik, Richard Schmidt, Gary Gavin, Gerald Stollenwerk, Mark Slaughenhou, Zoning Administrator Richard Zarlino and Administrator Daniel Schmidt. Jeffrey Rohrer was absent.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Richard Schmidt, seconded by Donald Mlodzik and unanimously carried by voice vote the Commission approved the minutes as printed for December 1, 1993.

The Commission reviewed the request of Farmers Union (Mr. Donald Uelmen) to rezone the parcels of property located at 1626 Fond du Lac Avenue, known by the tax key No. V4-0270 from B-4 General Business and Warehousing District to M-1 Light Manufacturing District. Mr. Uelmen proposes the placement of a micro cheese manufacturing facility adjacent to the existing milk transfer station. In conjunction with his request was the request to receive a variance to reduce the street yard by 8 feet. Considerable discussion was held. On a motion by Richard Schmidt, seconded by Gerald Stollenwerk and unanimously carried by voice vote, the Plan Commission recommended sending a favorable recommendation to the Village Board regarding the rezoning request and for the Village Board to hold the Public Hearing.

On a motion by Gary Gavin, seconded by Mark Slaughenhou and unanimously carried by voice vote the Commission authorized sending a

recommendation to the Board of Appeals regarding the granting of a variance changing the minimum street yard requirement from 25 feet to 17 feet and for the Board of Appeals to hold the public hearing.

The Commission reviewed the request of the Village to rezone parcel 1, adjacent to Wildlife Drive from M-1 Light Manufacturing to R-3 Two-Family Residential and R-1 Single Family Residential District. On a motion by Gerald Stollenwerk, seconded by Donald Mlodzik and unanimously carried by voice vote, The Plan Commission recommended sending a favorable recommendation to the Village Board regarding the rezoning request and for the Village Board to hold the public hearing.

On a motion from Gary Gavin, seconded by Mark Slaughenhou and unanimously carried by voice vote, the Plan Commission recommended sending a favorable recommendation to the Village Board regarding the proposed subdivision plat of the thirteen lots and associated (CSM) if the proposed zoning is approved.

The Commission reviewed the certified survey map of Trev Timblin regarding the addition of land to his R-2 residential lot located at 224 Bonnie Lane and known by tax key no. V4-0168-004. On a motion by Richard Schmidt, seconded by Gerald Stollenwerk and unanimously carried by voice vote the Plan Commission recommended sending a favorable recommendation to the Village Board regarding the certified survey map of Mr. Trev Timblin.

The Commission reviewed the request of Mr. Thomas Timblin, regarding the rezoning of a parcel of land to the north, northwest of the intersection of Timblin Drive and Courtney Lane (5.3 acres) (V4-0191-001). The proposed zoning would be R-4 Multi-Family Residential District. On a motion by Gary Gavin, seconded by Mark Slaughenhou and unanimously carried by voice vote, the Plan Commission recommended sending a favorable recommendation to the Village Board regarding the rezoning and for the Board to hold the public hearing.

On a motion by Gerald Stollenwerk, seconded by Mark Slaughenhou and unanimously carried by voice vote the Plan Commission recommended a favorable recommendation to the Village Board regarding the certified survey map of the 5.3 acres, plus dedicated roadway to the point of connecting with Memorial Drive. It was so noted that the Board and developer could work out the details of the 216 feet street connection in the developer's agreement and in the same manner as Courtney Lane was developed.

Administrator Daniel S. Schmidt reviewed briefly the 1992 building permit report and related statistics.

On a motion by Richard Schmidt, seconded by Gerald Stollenwerk and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

## Conditions Right for Snowmobilers, Accidents

Widespread snow cover is making this winter one of the best in recent years for snowmobilers throughout the state; but a Department of Natural Resources official says the snow cover has also brought out many snowmobilers who have had little chance to use their sleds in recent years.

As a result, law enforcement agencies have noted an increase in accidents along roadways, says DNR Snowmobiling Safety Coordinator Gary Homuth.

"When we get good snowfall in the South, there's an immediate temptation for folks to dust off their snowmobiles and get out to enjoy it," Homuth says. "Motorists need to be aware of this, and snowmobilers need to exercise real caution as they approach roads and highways."

Homuth explained a series of accidents in southern Wisconsin counties has the number of snowmobiling fatalities this season running well ahead of the figures from last winter. State of-

icials recorded a total of 29 snowmobiling fatalities last year, just two short of the state record.

Many accidents have involved snowmobiles colliding with cars and telephone poles along roadways.

Homuth said conservation wardens have stepped up snowmobiling enforcement in southern counties. A group enforcement effort in southwest Wisconsin last week resulted in wardens issuing 50 citations. Homuth added many violations involved illegal operation of snowmobiles along roadways and failure to stop at stop signs. Six citations were issued for operation of a snowmobile while intoxicated.

"This is something we'll be continuing in the weeks ahead," Homuth said, "along with our group enforcement efforts focusing on violation 'hot spots' in Northern Wisconsin."

Homuth added the enforcement efforts have had a number of positive effects in the North, in-

cluding a reduction in snowmobiling fatalities in certain areas and an increase in snowmobile registration compliance. Wardens recovered a stolen snowmobile earlier this month after the snowmobiler, who was legally intoxicated, ran through a stop sign.

"A number of people have been upset with our stepped-up efforts, but we also get calls from people who appreciate what we've doing," Homuth said. "After all, safer trails make the sport enjoyable for everyone. It also helps assure that people will be around to join us again next season."

### IN MEMORY

In memory of SYLVESTER FELLEENZ.

Feb. 6, 1974

Its lonesome here without you  
I miss you more each day  
Life does not seem the same since  
you have gone away  
My heart aches with sadness  
My eyes shed many tears  
God knows how much I miss you  
At the end of one sad year.

Deeply loved and missed by  
Gertrude Fellenz.

### IN MEMORY

In loving memory of our husband, father and grandfather, HAROLD SCHLOSSER, who passed away five years ago, Feb. 4, 1988:

Three little words, forget me not,  
Don't seem much, but mean a lot  
Just a memory fond and true.  
To show dear, we think of you.

Sadly missed by the family

## TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Kewaskum Zoning Board of Appeals will conduct a hearing on the application for appeal filed by Gary R. Helland, N82 W15556 Valley View Drive, Menomonee Falls, WI 53051. The hearing will be held at 8:15 P.M., on Monday, February 15, 1993, at the Labor Hall, 1230 Fond du Lac Avenue, Kewaskum. The applicant's property is located in the Town of Kewaskum, part of the SE-SE described in Certified Survey Map 769 and Volume 1083 Page 665 of Records, Section 24-12-19. The appeal seeks a variance of Section 1.36(2)(b) of the requirements of the Zoning Ordinance, and, if granted, will allow the applicant to construct a single family residence at a 59 foot setback (required setback is 75 feet).

All interested persons wishing to comment on the appeal should appear at the hearing.

## Ankerson Helps Sophomores Lead Jamestown College Early in Season

The Jamestown College Women's Track and Field Team has competed in two indoor meets, winning a triangular meet at Aberdeen, South Dakota on January 15 and placing third in a seven-team meet at Bemidji, Minnesota on January 23.

Some outstanding sophomore performances have been the highlights for the Jimmies in the early going. Twin sisters Missy and Monica Walz, Tiffany Wylie, and Ingrid Ankerson are sophomores who have helped lead the way.

Ingrid, a graduate of Kewaskum High School, is off to a good start in her sophomore season. She has placed 4th and 3rd, respectively in the triple jump in her first two meets, including a season best of 33' 7 3/4" at Bemidji.

Jamestown College won the Northern Triangular over Northern State and Bemidji with 65 points to 44 for Northern and 35 for Bemidji. Jamestown finished 3rd behind NDSU and UND at Bemidji with a total of 52 points.

"We have only been practicing for nine days and have already had two meets, commented coach Jim Clark. We didn't expect to be ready, but we have actually done better than expected. I think our sophomores have responded well. Many did not score much for the team last year, but have matured a lot. We can be a very good track team, but it will take time. Patience will be a key word for us in 93."

### SHEEPSHEAD WINNERS

5 handed winner's on Wednesday, Jan. 27th were: Marge Bonlander, 57-13-44, 18-9-9; Elton Ludwig, 52-10-42, 15-7-8; Rose Meunier, 51-11-40, 18-6-12; Bernice Hahn, 47-8-39, 18-6-12; Anita Hartmann, 48-9-39, 16-5-11; Faye Keller, 49-10-39, 15-5-10.

## OUTDOOR REPORT Weekend of January 30 & 31

Recent heavy snowfall in northern and north central Wisconsin has provided snowmobilers and cross-country skiers with excellent opportunities to enjoy their sports, but it has also slowed ice fishing activity by creating slush on the lakes. In the south, trail conditions have been deteriorating and ice anglers have been having sporadic success.

In the Brule area, cross-country and snowmobiling conditions are excellent; in the Cumberland area, they're good to very good. Most snowmobile trails are groomed and open. Remember to stay off roads unless they are designated snowmobile routes. In Iron County, conditions are described as great for both snowmobiling and cross-country skiing. Trails have a 29 inch base. Price and Taylor county trails are in excellent condition and are not crowded. Snowmobilers and other ice travelers should watch for open water warnings and barricades around aeration systems on several waters.

Snow conditions are very favorable in the Woodruff area; the snow depth is about 18 inches at Woodruff and gets deeper as you travel north. This may be a good time for skiers to try some of the more difficult trails, because the deep, new snow is softer if you take a spill, as well as slower and not as slippery to ski on. In the Wisconsin Rapids area, recent snowfall improved trail conditions that had previously been quite icy.

In western Wisconsin, cross-

country trails have a good base, but are icy in some areas. Snowmobile trails are in excellent shape in the Black River Falls area. In southern counties, conditions are generally poor. In Sauk County, snowmobilers are being asked to stay off trails due to damage that could be done to fields that have been leased for the trail.

The heavy snow in the north has restricted deer movement, and caused the animals to head for sheltered yarding areas. In the Antigo area, past rain and warm temperatures has produced enough snow crust for bobcats, fishers, dogs and coyotes to walk on the surface, but the crust doesn't support the weight of deer. Rural residents should keep their dogs tied up or in kennels to prevent them from chasing deer.

The additional weight of the snow on the lakes depresses the ice, causing water to seep out on top and create slush, which makes travel difficult. The snow cover on the ice in and around Lake Superior's Apostle Islands has caused unsafe conditions. Wherever you're fishing, check at a local bait shop on the latest conditions before you venture out on an unfamiliar lake.

The Phillips chain is producing some nice catches of bluegills and crappies, and several Taylor County lakes are providing good panfishing. Some walleye and panfish action is reported in the Woodruff area. Anglers and snowmobilers are advised to stay

off Florence County rivers due to very unstable ice conditions. There are reports of thin ice on many waters in the Wisconsin Rapids area.

Slush has been making travel difficult on Green Bay. Several nice northerns have been caught along the bay in Oconto County. Crappies have been providing some action in Shawano County. Not much activity is reported in the southeast, where river water levels are high. Some nice steelhead have been taken from Racine County's Root River, where most upstream stretches are free of ice. The Pike River in Kenosha County is high and muddy; die-hard steelhead anglers are taking a few fish there.

Open water and slush exist on the backwater sloughs of the Lower Wisconsin Riverway, where some medium-sized bluegills are biting. Trout fishing remains good in Grant and Iowa counties; access to streams is good. Ice fishing has been poor on all Dane County lakes. A few walleyes are being taken off Lake Mendota's Picnic Point and a few northerns off Brittingham Park on Lake Monona. Lake Ripley in Jefferson County is producing

some nice bluegills and walleyes. The Crawfish and Rock rivers are extremely dangerous to travel on.

Ice anglers are catching smaller walleyes and sauger on the Mississippi below the Dresbach dam; ice conditions are hazardous. The boat landing at Genoa is open; anglers are catching sauger in the channel next to the power plant.

Turkey permit winners will

soon be receiving their permits. Hunters are reminded that the raccoon and squirrel seasons closed Sunday, January 31. Fox hunters have been having some success in southern counties. Foxes will begin mating soon. The breeding season for great horned owls has begun; listen for them hooting at night. Snow buntings and horned larks are moving into western Wisconsin.

## West Bend 600 Club Annual Bowling Tourney

The West Bend 600 Club recently held their 17th Annual Bowling Tournament at Frontier Bowl in West Bend. Trophies and prize winnings will be awarded at the Annual Spring Meeting of the West Bend Womens Bowling Assoc. meeting to be held April 6, 1993.

# Indian Wrestlers Roll Over Oakfield

By Noel Stollenwerk

KEWASKUM — It was almost a perfect way for the four seniors on the Kewaskum wrestling squad to go out in their final home meet. Almost.

Three of the four Indians posted wins over their foes from Oakfield, as Kewaskum lost just two matches in all, whipping the Oaks, 62-9. The meet was a makeup dual, and took place in Rose Hall, which made for some unusual surroundings.

"It was kind of different," KHS coach John Nell said. "But I'd say it worked out okay."

Mark Dziejdzic (125 pounds) posted an easy 17-1 technical fall win to improve to 20-1 on the year. Fellow seniors Josh Kurtz (19-0 at 152 pounds) and Todd Muckerheide (17-5 at 189 pounds) each came up with pin-fall victories over their respective foes, with Muckerheide posting the fastest pin of the night, in just :24.

Mark Morell (171) almost completed the sweep, as he led Lloyd Rebedew 7-4 heading into the final period. But after a timeout to check on his knee, Morell was quickly reversed, and subsequently pinned with just :16 remaining.

"I wish we could have won that one," Nell commented regarding Morell's bout. "He was beating him all along." Of the knee injury, Nell said that "it really wasn't much of a factor."

Nevertheless, the evening went well for the Indians, who received four forfeit wins.

Corey Rammer (135), Paul Reis (140) and Rich Farchione (145) posted back-to-back-to-back pinfalls to get the ball rolling for Kewaskum. Chad Muckerheide (160) also wrestled well, according to Nell, as the junior easily beat Allen Justmann, 7-1.

"We wrestled pretty well," Nell concluded. "I really didn't

know how strong they were. They had a couple of kids out too, so I'm sure they'll be stronger next year."

- KEWASKUM 62, OAKFIELD 9
- 103 — Troy Maertz won by forfeit
- 112 — Jake Gundrum won by forfeit
- 119 — Jake Thull won by forfeit
- 125 — Mark Dziejdzic won by technical fall over Bohm, 17-1
- 130 — Tyler Dieringer lost to Mike Lorbeck 7-8.
- 135 — Corey Rammer pinned Huddle, 3:04
- 140 — Paul Reis pinned Schraufnagel, 5:09
- 145 — Rich Farchione pinned Wells, :42
- 152 — Josh Kurtz pinned Pakalski, 1:38
- 160 — Chad Muckerheide beat Justmann, 7-1
- 171 — Mark Morell was pinned by Rebedew, 5:44

- 189 — Todd Muckerheide pinned Emerick, :24
- HWT — Tim Gundrum won by forfeit

# Chilton Edges Indian Matmen

By Noel Stollenwerk

CHILTON — It wasn't exactly the way that Kewaskum wrestling coach John Nell wanted to head into the post-season.

The Indians got wins from all four of their senior grapplers, but it wasn't enough, as Chilton dominated the lighter weights, en route to a 38-26 win here, last Friday night.

"They have a strong team," Nell said of the Tigers. "I knew they'd be tough. We had a couple of real close matches that we lost."

The Indians' dynamic duo of Mark Dziejdzic (125 pounds) and Josh Kurtz (152) continued to roll. Dziejdzic posted a 6-1 over Broacher to move to 21-1 on the year, while Kurtz, the defending state champion, improved to 20-0 with a 1:44 pin over Doehlenn.

Fellow seniors Mark Morell (171) and Todd Muckerheide (189) also came through for Kewaskum. Morell posted a 23-8 technical fall win over Vasper, while Muckerheide posted another quick pin, putting Herrick's shoulders down in 1:24.

"Todd seems to be invincible in conference," Nell said of his big senior. "Nobody's been able to stay in there with him."

Nell got a big win from Tyler Dieringer (130), who scored a surprisingly quick pin over Buechel (1:31).

"I thought that Tyler did a real nice job," the KHS coach said regarding the sophomore Dieringer. "He's coming back real nicely from a football injury. He's gradually getting back into it."

Chad Muckerheide had his hands full with Jeremy Ott, who was a state qualifier last year. Muckerheide made Ott work for

everything, but the Tiger standout was able to come away with the win, 11-3.

Hurting the Indians was the absence of a 140-pounder. Paul Reis, who normally occupies the spot, was out because of illness, and that allowed the Tigers to move some wrestlers around.

"It would have helped us out," to have someone at 140 pounds, according to Nell. "You just never know. But I'm not too concerned about it (the loss). I'm more concerned with the conference tournament."

That meet is scheduled for this Saturday at Chilton. The Indians will have at least two No. 1 seeds in the tournament (Kurtz and Todd Muckerheide), and Dziejdzic may also earn a top spot (Plymouth's Tim Knoeck is also 6-0 at 125 pounds).

"We're certainly in contention," Nell pointed out. "We could come out real good. It'll be interesting...a real barnburner."

- CHILTON 38, KEWASKUM 26
- 103 — Troy Maertz was pinned by Kleinhans, :51
- 112 — Jake Gundrum was pinned by Mueller, 2:48
- 119 — Jake Thull lost to Ott, 4-5

- 130 — Tyler Dieringer pinned Buechel, 1:31
- 135 — Corey Rammer lost to Hoerth, 2-5
- 140 — KHS forfeits
- 145 — Rich Farchione lost to Meyer, 5-16
- 152 — Josh Kurtz pinned Doehlenn, 1:44
- 160 — Chad Muckerheide lost to Ott, 3-11
- 171 — Mark Morell won by technical fall over Vasper, 23-8
- 189 — Todd Muckerheide pinned Herrick, 1:24
- HWT — Tim Gundrum was pinned by Coffeen, 1:10.

# Indian Boys Falter Late, Lose to Huskies

By Noel Stollenwerk

KEWASKUM - One had to expect that New Holstein's boys basketball team would shoot, and play better than it did in an earlier 56-44 loss to Kewaskum.

So it wasn't too surprising that the Huskies gave the Indians all they could handle here, last Thursday night. What was a bit surprising was the way that the Huskies dominated the fourth quarter, en route to a come-from-behind 60-56 win over Kewaskum.

"They were outthrusting us," KHS coach Jim Westphal said of the fourth quarter. "They managed to beat us downcourt and get some open shots."

The Indians held the upper hand for much of the contest, and led by a 44-38 count heading into the final period. But it was there that the guests took over, sending the Indians to their fourth straight Eastern Wisconsin Conference loss, after starting the conference slate with three wins in as many tries.

Kewaskum missed six of their 11 free throw attempts in the final quarter, and finished just 11 of 20 from the line.

"We missed some free throws that would have kept the game close," Westphal said, adding, "They (New Holstein) in turn made a lot of free throws down the stretch."

The fourth-quarter collapse offset another fine outing by senior Jim Marx, who led all scorers with 24 points.

"He had another good game... a great game," Westphal said of Marx, who also chipped in 10

rebounds.

The Indians took control of the third quarter, turning a 29-26 halftime deficit into a six-point lead.

But all that work went for naught in the final stanza, as the Huskies' Mike Casper hit for 12 of his team-high 16 points in the quarter. Casper got plenty of help from Adam Bonlander and Scott Nickel in the period, as the threesome combined for all but one of the Huskies' 22 markers.

"Our goal was to keep Casper out of the game," Westphal noted, adding that Casper was held scoreless in the two teams' initial meeting. "But he got away on a couple of breakouts (in the fourth). He just stepped up and took charge."

That ability to step up in crunch time is something that the Indians haven't had much of this year, according to their coach.

"That's been typical of our team," he said. "We need somebody to step up in crunch time. That's about the difference in the game."

Keith Herman also had a fine game for Kewaskum, chipping in an even dozen points. "He does it very quietly... mostly on hustle," Westphal said of the senior Herman.

The loss dropped the Indians to 3-4 in the EW, and to 4-10 overall. After a game at Chilton on Tuesday, the Indians return to their homecourt to host Kiel this

Friday, and Ozaukee on Tuesday.

NEW HOLSTEIN (10-19-9-22) - Bonlander 13, Felder 1, Buechel 7, Nickel 14, Gozdewski 7, Casper 16, Bosma 2. Free Throws - 16 of 27, Fouls - 17.

KEWASKUM (16-10-18-12) - Laatsch 8, Marx 24, Herman 12, Jacak 2, Knoeck 8, Wichtowski 2. Free Throws - 11 of 20, Fouls - 19.

# Wildcats Win in Overtime

In a nail-biting edge-of-your-seat game Holy Trinity Boys Basketball (B Team) defeated St. Mary's of Mayville in overtime 28-24 at the Kewaskum Middle School on Friday evening, January 29th.

Billy Cook scored the first points for the Holy Trinity Wildcats when he sunk a three point shot. The Wildcats led the St. Mary's Celtics at the end of the first quarter 9-2. The Celtics made a come back in the second quarter pulling to within one point resulting in a 9-8 game at half

time.

The wildcats played excellent defense in the third quarter limiting the Celtics to four points while adding eight points to their own score.

With only a few seconds left in the fourth quarter, Mayville tied the score at 22 all, forcing the game into overtime. Holy Trinity turned on the Wildcat power and earned the win 28-24.

Jason Strobel led the Wildcats with ten points followed by Jason

Butschlick, 7; Chris Koth, 6; Billy Cook, 3; and Eric Wenninger with 2.

The Holy Trinity B Team Boys are composed of fifth and sixth grade boys from Holy Trinity Parish and School. They are coached by Mike Struebing and have a record of three wins and four losses this season.

Their next and final home game will be Friday, Feb. 12, 1993 which is also Parent's Night.

## Wiesner Helps Lady Indians Avoid Upset

By Noel Stollenwerk

KEWASKUM — Kewaskum girls basketball coach Glenn Eichstedt had hoped that his team would not look past New Holstein here, last Tuesday night.

But that might have been the case, as the Huskies took a four-point lead late in the game, before junior guard Ginger Wiesner scored six points down the stretch to help the Indians avoid an upset by the Huskies, 45-43.

With a first-place showdown with Chilton just three days later looming in the background, the Indians almost looked past New Holstein, which came into the game with a 4-8 mark.

"That's a possibility," Eichstedt said of the notion. "Actually, they played a lot better (than the first meeting), and we didn't play as strong defensively."

The Indians did grab an early advantage, outscoring the Huskies 11-6 in the opening quarter. But after the Indians extended the margin to 14-6 early in the second quarter, the Huskies quietly chipped away at the gap, and the lead was just three, at 23-20, by halftime.

New Holstein came out on fire

in the second half, and soon overtook the hosts. Tammy Kraus, who led the Huskies with 18 points, led the charge that left the Indians looking at a 33-29 deficit heading into the final stanza.

A key moment in the fourth came when the Indians' Robyn Winninghoff was whistled for her fifth foul on a controversial basket by Kraus. Eichstedt felt that the basket should not have counted, and was hit with a technical foul. Kraus made the free throw from the foul on Winninghoff, and Brenda Heus added one more from the technical, and the Indians were down 42-38.

"There's no such thing as continuation in high school," Eichstedt argued, obviously in vain. But good came out of the situation. "We didn't lose our composure at that point."

Wiesner, who had just two points until then, came alive late, the 5-7 junior hit a pair of free throws (after Kim Sabish added another), and then came up with a huge steal and basket with under a minute to go, giving the Indians a 43-42 lead.

The Huskies' Heus was fouled with :19 to go, and made one of

the two free throws to tie things at 43. On the Indians' next possession, Wiesner was fouled, again sending her to the line. Wiesner calmly sank both charity tosses, giving the Indians the lead again at 45-43.

The Huskies had a couple of chances to tie late, but both shots were off the mark, and the Indians had escaped with the win.

"Ginger's points proved to be very big," Eichstedt commented. "I felt our kids played with tremendous poise."

Winninghoff led the Indians with 18 points before fouling out, while Bonnie Schlice added nine.

"Robyn had a tremendous game," Eichstedt said of the 6-3 senior standout. "She did a great job bringing us back. She gave us a chance."

The win moved the Indians to 6-1 in the EW, and set up the first-place showdown with Chilton on Friday (see other story).

NEW HOLSTEIN (6-14-13-10) — Kraus 18, Heus 5, Preder 7, Flynn 3, Daun 10, Free Throws - 9 of 17, Fouls - 25.

KEWASKUM (11-12-6-16) — Sabish 7, Wiesner 8, Schlice 9, Winninghoff 18, Steger 1, Bruendl 2, Free Throws - 13 of 25, Fouls - 15.

### KHS Virtually Tied for First Place

## Defense Key as Lady Indians Drop Tigers

By Noel Stollenwerk

KEWASKUM — With the largest crowd of the year looking on, the Kewaskum girls basketball team turned up the defense, and turned back the Chilton Tigers here, last Friday night.

Holding the first-place Tigers to just 10 first-half points, the Lady Indians still needed a late rally and some clutch free throw shooting down the stretch. They got both, and the Indians grabbed a virtual share of first place in the Eastern Wisconsin Conference with a 42-38 win.

"Our composure was the difference," KHS coach Glenn Eichstedt said of the win, which moved the Indians to 7-1 in the EW, one-half game behind Chilton's 8-1 mark. "From worst to first with the same group of kids. It's just great to see."

Just as pleasing to Eichstedt's eyes was the defense his team played in the first half. KHS held Chilton to just three points in the opening quarter, and led 16-10 at halftime.

"That was some of the best defense we've played all year," Eichstedt quipped. He noted that he employed a combination defense with three players playing man-to-man, and the other two a zone.

"That proved to be very effective," he said, although adding that he was somewhat worried about his team's offensive play. "I knew we needed to be more productive."

Productivity was at a standstill in the closing stages of the third quarter, as the score remained 24-22 Indians for almost five minutes, including the first two of the fourth period.

The Tigers' Cathy Dallmann

finally took things into her own hands, scoring 12 fourth-quarter points. Dallmann scored two straight baskets on lob passes, giving Chilton a 34-31 lead with just over 3:00 to play.

"At that point we had to make a defensive adjustment," Eichstedt said of his timeout talk. "We also decided we were going to go inside to Robyn (Winninghoff)."

Winninghoff, who had struggled with just two points through the first three quarters, responded favorably. The 6-3 senior hit consecutive jumpers from the wing, giving the Indians the lead back, at 35-34.

From that point on, it was the Indians' poise that took over. Winninghoff, Bonnie Schlice and Ginger Wiesner each hit a pair of free throws, as the Indians converted seven of eight charity tosses in the final 2:00.

"We were so poised and mature out there," Eichstedt said proudly. "We've made definite improvement in that area, very timely I might add."

Wiesner finished the game with 12 points, while Winninghoff added 11. "Ginger was pretty steady throughout," Eichstedt said, adding that Winninghoff "missed her share of inside shots," in the first three quarters. "Her confidence dropped off a bit."

Also receiving praise from the KHS boss were Schlice and Kim Sabish. "I think they were the key factors," he said, pointing to the pair's defensive effort and leadership.

Eichstedt called the win a very emotional one, and was more than delighted with a huge crowd, which totaled slightly under 1000.

"I was both pleased and surprised by the enthusiasm of the crowd," he said. "Both crowds were really into it. It was great to see."

With first place within reach, the road won't get any easier for the Indians, who played Kettle Moraine Lutheran in a non-conference affair on Tuesday.

With games at Kiel (Thursday) and Sheboygan Falls (next Friday), "It's going to be an uphill battle," according to Eichstedt.

### KHS Student Council Sponsors Bike-A-Thon

The Kewaskum High School Student Council is sponsoring a Bike-a-thon on Friday, Feb. 5, 1993. The event will begin at 7:30 a.m. on stage in Rose Hall and will go until 9:00 p.m. that night, ending up in the Field House during the basketball game.

The purpose of this bike-a-thon is to raise money to help the Kewaskum Fire Department purchase a defibrillator for their Rescue Squad. Students from each class will be asking for pledges for the time that they will be riding stationary bikes on stage.

Donations will be accepted at the basketball game, as well as pledges for anyone wishing to pledge for a certain student or class. Please help the KHS students help your Fire Department. Pledges may be given by stopping at the high school office, or calling Larry Ammel, 626-2166. Your help may help save a life.

## St. Lucas Sixer's Game Report

By Quin Neldner

### ST. LUCAS "A" TEAM GIRLS

January, 15, '93... Martin Luther King Jr.'s birthday and the St. Lucas girls "A" basketball team takes the court to face David Star.

It looks like we are going to have a "RUFF" time beating these "She Beasts." David Star gets the jump ball and scores two points.

Lisa Smith, taking it down, puts it up for two. 3:12 in the first quarter... TIE GAME 4-4. Tiffany Laubach scores... and so does David Star. The quarter ends at 6-8.

4:42 in the second quarter and Lisa scores making it 10-12. 3:21 left in the quarter when David Star scores again and we're behind 14-12. Finally, the slow second quarter ends 16-16.

The second half begins with Tiffany Laubach, Lisa Smith, Erin Krueger, Jessica Hawkinson and Missy Baker. Tiffany scores with 4:41 showing on the clock. Seconds later, Erin scores and is fouled but misses both free throws.

Jessica steals, but David Star rebounds the missed shot. The score is 20-20 with 1:23 remaining. The third quarter ends with the score at 22-20.

There is two minutes left in the fourth quarter and Tiffany makes two outside shots, pulling St. Lucas up to 25-34. With just one minute remaining, Lisa scores making it 34-27. Tiffany makes two free throws, but the game ends 34-29 with David Star winning. HEY! ISN'T THAT A GUY ON DAVID STAR'S TEAM!?!

### ST. LUCAS "A" TEAM BOYS

The St. Lucas "A" team boys, so far undefeated, started their game off with David Star getting the jump ball and scoring.

With 2:42 showing on the clock, Kevin Martin scores two and Dan Jeserig is fouled. Making both free throws, Dan scores two and another two with 1:47 remaining. Kevin scores another two on an outside shot.

With 5:50 left in the second quarter, Dan and Kevin get back-to-back shots and the score is 8-16. Our lead, of course.

Dan makes an easy two and Jeremy Strassburg is fouled and he nails a free throw, making the score 8-19 with 4 minutes remaining. At 2:45 on the clock, Tim Vetter hits a three pointer and Dan makes two at 2:16. The score is 11-24. Mike Bechler makes two more ending the half at 13-26.

Kevin stuffs and scores, making St. Lucas ahead 40-26. When the game was over the score ended 32-53. THE WINNERS AND STILL UNDEFEATED... THE ST. LUCAS 76'ERS!
