# Injury Takes Out Kurtz in First Round

## Senior Finishes High School Career with Record of 108 Wins

The match began with Kewaskum's Josh Kurtz facing Pat Knoch of Westfield.

By Noel Stollenwerk

MADISON - Kewaskum wrestling coach John Nell called it "one of those freak things." KHS senior Josh Kurtz called it "a heartbreaker." Both were right on target.

Kurtz, going for his second straight Division 2 145-pound title, was no doubt the recipient of some bad luck in his opening round match against Westfield's Pat Knoch.

After jumping out to a 4-0 lead just seconds into the match, Kurtz landed on his head while trying to execute a whizzer series. The injury definitely hampered the groggy Kurtz, who went on to lose to Knoch in overtime, 7-5.

The injury was serious enough to force Kurtz to withdraw from the rest of the meet, where he could have come back and registered a fifth-place finish. Kurtz finished the year with a

30-1 mark.

"He got bumped pretty good on his head," Nell said, noting that at the time, no one in attendance knew that Kurtz was hurt. "After that he was pretty straight-legged... wasn't able to move around very good. He would look over at me, and it looked like he was looking past me."

Kurtz says that the match is pretty much of a blur to him. "I really don't remember much at all," Kurtz said Sunday night. Of the injury, he said, "I slipped (during the whizzer series) and landed on my head. After that, I don't remember too much."

Still Kurtz was able to battle Knoch into overtime, as the two were tied at 5-5 after three periods.

At one point in the overtime, Kurtz stopped the match and asked the referee for an injury

## Retiring Member Named Firefighter of the Year

Kewaskum Firefighter of the Year Ed Miller, center, with his plaques presented by Mark Herriges, left, and Mark Groeschel, right.

Ed Miller, Kewaskum, was presented with the Kewaskum Firefighter of the Year Award at the firemen's annual dinner held February 13.

Ed, who retired from the department as of January 1, 1993, was a member for 32 years as a firefighter and also served as an EMT. Ed and his many efforts on behalf of the department will be greatly missed.

The announcement made in

presenting this award to Ed read: "In selecting the firefighter of the year, we have to look at not only one's overall accomplishments from the past, but what one has contributed over all the years served. This year again, we are fortunate and thankful in not having any loss of life in the department. The person chosen for this year's award joined the department in 1960. Since joining, he

has attended numerous schools, served on numerous committees and was very active on the rescue squad as an E.M.T. He had served as a lieutenant from 1969 to 1974 and as captain from 1976 to 1980. He has spent many hours over the years away from his job and family to serve the community. I am pleased and honored to present the 1992 Firefighter of the Year award to Edward Miller!

## KHS Building and Grounds Sub-Committee Looking At School District Needs

By Noel Stollenwerk

KEWASKUM - The Kewaskum Board of Education's Building and Grounds Sub-Committee will recommend a Master Plan for a multi-million dollar expansion and renovation project for the Kewaskum Middle and High Schools.

The sub-committee, formed last spring by the School Board, will make the recommendation to the Building and Grounds committee in a meeting Tuesday, March 23rd, beginning at 7:00 p.m. at the Farmington Elementary School, according to sub-committee co-chairman Jeff Rohrer.

Various projects were looked at by the sub-committee. Some of those included the building of an auditorium, the repairing of structural cracking on the south side of the high school, the expansion and/or updating of the science and music departments at KHS, as well as several proposals regarding the football field and KHS locker rooms.

Shortly after the 15-person sub-committee was formed, its members were taken on a tour of the buildings to be studied. What

they saw came as a shock to many of them, including Rohrer.

"When we first looked at all these projects, we were really shocked at the conditions of these facilities," Rohrer said of the eye-opening tour. "We realized

## Kewaskum Bands In Concert

The bands from the Kewaskum Middle School and High School will be presenting a joint concert on March 11, 1993.

The Thursday evening concert will begin at 7:30 p.m. in Rose Hall at the high school and will feature the Sixth Grade Band, the combined Seventh and Eighth Grade Bands, the Concert Band and the Symphonic Band. Music performed on this concert will be music which will be used at upcoming Festivals.

The concert is open to the public and there will be no admission charge, so please come and support our musicians with your attendance. See you next Thursday, March 11, 1993.

Nancy Schulz, a leader in the Wayne Crusaders 4-H Club, recently compiled a listing of officers of the Kohlsville Fire Department. It was a concise listing of all past and present officers from the conception of the fire department until the present time. The listing was done in calligraphy and was framed for presentation to the Kohlsville Fire Department at their annual meeting held recently. Shown above, left to right: Carol Oelhafen, General Leader of the Wayne Crusaders; Ray Dornacker, Fire Chief of the Kohlsville Department; Nancy Schulz, Wayne Crusaders 4-H Club Leader, and Donald Schulz, President of the Kohlsville Fire Department.

timeout.

"He looked at the ref and asked for a timeout," Nell said. "And the ref asks, 'Why?' and Josh told him 'Because right now I'm seeing two of you.'"

Soon after that, Kurtz tried to land a head throw on Knoch. But Kurtz couldn't hang on to Knoch, who fell on Kurtz for the two-point takedown, and the victory.

"I knew I had to make something happen," Kurtz said of the overtime. "I didn't want to go to a second overtime," because that would constitute a coin-flip for the top or bottom position. "And I knew that I wouldn't be able to keep him down. I was just too drained."

Nell said that he and his assistant coaches, "just about had to help him off the mat," because Kurtz was so weary. Despite his weary state, Kurtz showed the mark of a true champion.

"He gave the kid (Knoch) a big hug, and wished him good luck," Nell said, noting that many spectators who saw this came up to Nell afterward and complimented Kurtz's action. "He was a true sportsman about it."

Knoch went on to advance to the championship match, where he was downed by Richland Center's Aaron Sieracki, 10-9. Kurtz had beaten Sieracki handily in a summer tournament last year.

"I don't want to make excuses, but..." Nell said, understandably disappointed. "There wasn't anybody of Josh's caliber there. It was sad that it had to happen. It was a tough weekend for Josh."

After the match, Kurtz literally had to be helped to the locker room, where he was examined by the UW-Fieldhouse doctor. Even had Kurtz won the match against Knoch, he probably wouldn't have been able to continue wrestling.

"We knew pretty much that night (that he wouldn't wrestle anymore that weekend)," Nell said. "We talked it over with him and his family, and we decided that we shouldn't take a chance."

"We were more worried about his head than we were about him wrestling," Nell said. "It just didn't make much sense to send him out at that point. We're just happy that he's ok."

Kurtz, meanwhile, said that he was feeling a bit better by Sunday night.

"I still feel kind of dizzy at times," he said. "My balance is still kind of out of whack."

Nell thinks that once Kurtz is recovered from the injury, there is no limit to what he can accomplish.

"I think he'll be very successful," Nell said of the senior, who is still unsure of his college plans. "He's one of the best athletes that I've ever coached. He's quite capable of wrestling at any level in college."

Kurtz finished his career at KHS with a 108-16 record, which includes three trips to the State Meet, including last year's 145-pound championship. The 108 wins represents a school record in the sport.

## Fred J. Miller Attends Reserve Officers Convention

Fred J. Miller, Kewaskum, joined representatives of every state, the District of Columbia and Europe at the Reserve Officers Association Annual Mid-Winter Conference held recently in Washington, D.C.

Miller, a lieutenant colonel in the U.S. Army, assisted in making decisions about the 110,000

member ROA programs, projects and positions, and discussed legislative strategies relating to national security.

More than 2,000 were present at the Washington Hilton Hotel when Senator Daniel K. Inouye (D-Hawaii), Chairman of the Senate Armed Services Appropriations subcommittee, was honored at the ROA banquet and presented its Minuteman of the Year award for his contributions to national security.

Keynote speech for the opening of the three days was a "World War II Salute," given by Lt. Gen. Claude M. Kicklighter, USA (Ret.), Executive Director of the DoD World War II Commemoration Committee.

Luncheon speakers included Gen. Gordon R. Sullivan, USA, Chief of Staff of the United States Army, to the Army section, and Dr. Elizabeth C. Pickering, Professor of Soviet Studies at the Defense Intelligence College to the Air Force section. Vice Admiral Leighton W. Smith, Jr., USN, Deputy Chief of Naval Operations (Plans, Policy and Operations) and Brig. Gen. Thomas L. Wilkerson, USMC, Assistant Deputy Chief of Staff (Plans, Policy and Operations) spoke to the sea services.

A Defense Education luncheon held the day before heard Reed Irvine, Chairman of Accuracy in Media, speak on "Media and the Election."

More than 2,000 attended the conference and an additional 2,500 visited the 65-exhibit military exposition related to it in the exhibition hall of the Washington Hilton Hotel.

### V.F.W. MEETING

The Kewaskum V.F.W. will meet on March 9th at 2450 Hwy. 28 East. New members always welcome. For more information contact Cmdr. Randy Frank at 626-4889.

that these were needs, instead of just 'wants'."

One of the first projects tackled by the committee was the improvement of the KHS tennis courts last fall. Because the road that travels past the courts was already slated to be re-surfaced, "it made sense to tie those two projects together," according to Rohrer.

Several ideas are being considered in regard to the football field and track-and-field facilities. The committee has looked at the possibility of re-locating the football field to the area immediately west of KHS, combining it with the track-and-field area. The committee has also looked into the lighting problem at the current field as well.

The locker rooms at KHS pose another problem, as they are in dire need of renovation. "They were quite deteriorated," according to Rohrer.

The Board of Education has also asked the sub-committee to look into the possibility of expanding classrooms at the Middle School, which is in need of 6-8 more rooms. The group has also looked at space needs in the KHS offices and administrative areas, as well as many other items.

"A lot of things need to be ad-

ressed," Rohrer said of the project. "I really didn't realize the magnitude until I took the initial tour. A lot of the facilities are simply inadequate."

The sub-committee has already interviewed numerous architectural and engineering firms to do the work. After researching the various firms, the sub-committee decided to hire the firm of Foth and Van Dyke, of Green Bay, to draft the Master Plan.

Serving with Rohrer as co-chairperson of the sub-committee is Otto Ramthun. Other members include Emily Land, Albert Fleischmann, Joe Harlow, Larry Ammel, Clark Pearson, Jim Rix, Sue Boegei, Dean Scheel, Dave Rizzardi, Terry Heberer, Jean Goeden, Chuck Voge, and Glenn Hartmann.

## A Message from the Postmaster

Hello Kewaskum Statesman readers! First of all, I would like to thank all of you for the very warm welcome that I have received since arriving as your new Postmaster.

So many of you have introduced yourselves... either at Buffys or at the Kewaskum Post Office... a very heartwarming experience for me. Just want you all to know that I AM VERY HAPPY to be here. On behalf of all my employees, I would just like to say: the "TEAM" looks forward to serving you and providing the best possible Postal service that we can.

I would like to thank the Kewaskum Statesman for the very nice article that they did upon my arrival and also the opportunity for a "bit of space" to keep you all informed about the Postal Service. In the 18 years that I have thoroughly enjoyed as an employee, the realization has come to me that there are so many things that the public is unaware of.

Hopefully, my column will answer a lot of questions that many of you may have thought about. My philosophy is that if ONE customer asks me a question, it is one that many of you might have. Feel free to call me at 626-2565 or stop in... MY DOOR IS ALWAYS OPEN for YOU (and to my employees) with any questions and/or problems that you might have.

First of all this week, I have to tell you that we are having a sale at the Post Office. Many of you really like the so-called "no lick" stamps. For those that are not aware, they come on a sheet of 17. Up until March 1st, they sold for \$5.00 which meant a charge of seven cents for the "luxury" of not having to lick them.

Effective March 1st, that same sheet now sells for \$4.93... the same price as if you would come in and buy 17 stamps and have to lick each of them. We have a large quantity on hand for those that may be interested in this item. Stop in... take a look... you

might just like them!

Within the next month, I will be setting up a display case near the "stamp windows" so that all of you can view the many stamps and stationary that we have on hand. Some of you might like a little variety and we will try to keep up with each and every one of your needs.

I also know that Kewaskum, like any other Post Office, has their stamp collectors. I want you to know that within the month, we will carry a larger collection of stamps so that if you want the latest stamp, a smaller stamp, a larger stamp... just anything available... WE WILL HAVE IT FOR YOU.

All of you "avid collectors," please feel free to stop in and let us know what you are collecting. We are here to serve you, our customers!

### SCAMS IN THE MAIL

Let me take a few minutes to talk about this as I feel that it is extremely important. Let's say that you receive a package in the mail. You look at it and have no idea what it is as you cannot remember ordering anything, okay?

Like I would probably do, you open either the envelope atop the package or the entire package, right? Upon opening any part of the article, you are totally amazed as there is NO WAY that you ordered this item.

You look over the outside of the package and it says something like "return postage guaranteed." You are "relieved" and take the package to the Post Office and tell the clerk that you do not want it as you did not order it.

You are ready to just drop it off and walk out when the clerk tells you that you HAVE TO PAY a certain amount to send it back (the return postage). You point out to the clerk that the package states, "return postage is guaranteed." BUT, the clerk then tells you, "that applies only if you did not open ANY PART of the package (that includes the

envelope atop the package).

How are you really supposed to know that? You are not! How are you supposed to know what is inside if you do not open it? You cannot! About this time, you are not a "happy camper." Somehow, somewhere, someday... this package got sent to you. You did not order it! You do not want it, but on the other hand... is it fair that you have to pay to send it back? NO WAY!

Many of you reading this may say, "yep, that has happened to me." So what can be done about it? Please let me advise you what to do with that unwanted, unordered merchandise that comes in the mail.

Basically, just ignore it. KEEP IT! You did not order it and the LAW is behind you on that one. Okay, now they send you another notice... "payment is due," then another one "payment is overdue," then the ONE that "gets" to most people... "We have put this matter into the hands of a collection agency."

At this point and time, many of you are going to do what I myself might have done, IF I DID NOT KNOW THE LAW. Either pay for the merchandise or pay the postage to send the item back. Okay... remember, BY LAW, you can forget about it but it is "bothering many of you because of your credit," and the latest thing about "putting this in the hands of a collection agency."

IF THAT IS YOU... here is my advice: Send them a 19 cents postcard (the most economical form of communication). On that postcard, write this: "The Postal Service has advised me that UNORDERED merchandise is mine to keep. If however, you want your merchandise back, send me (amount of postage, which you can find out just by bringing in the item to the Post Office).

If I do not hear from you, I consider this matter closed and will keep what you sent to me as I DID NOT ORDER IT TO BEGIN WITH." You will either

## Farmington Students Attend Bluebird Workshop

Fourth graders Jesse Derkes and Troy Kedroske working on their bluebird nesting boxes.

Students, teachers and parents at Farmington Elementary School are thinking spring after attending a bluebird workshop at their school. Mary Holleback and Sherry Ullius from the Bluebird Restoration Association of Wisconsin, Inc. are helping the Farmington PTO in their Bluebird project for the school's Nature Trail.

During the recent workshop students learned about the Eastern Bluebird by watching a slide

show. Holleback and Ullius explained how the school can help increase the bluebird population in Wisconsin by putting up nesting boxes along their Nature Trail. With the help of parents, the boxes will be monitored to record data and to correct observable problems that threaten the health and well-being of the bluebirds.

Following the slide show and presentation, fourth and fifth grade students helped build the nesting boxes, which will be placed along the school's trail. Fifty nesting boxes were constructed, under the direction of Jim Derkes, the project coordinator.

The bluebird workshop is part of an ongoing project of creating and preserving a natural area on the school's grounds to be used for educating students on environmental awareness. The PTO believes children must be told and shown, that they can accomplish wonderful things for the Earth. By creating the Nature Trail, children can experience the feeling of satisfaction that goes with doing something right and good.

## Luepnitz - Kirst

Russell and Susan Luepnitz of West Bend, announce the engagement of their daughter, Stephanie, to Todd Kirst, son of Linda Kirst and Wayne Kirst, both of Kewaskum.

Stephanie, a 1990 graduate of West Bend West High School, is employed at Friendship Manor

Homes, Hartford.

Todd graduated in 1987 from Kewaskum High School, and received a two-year diploma from Moraine Park Technical College in Tool and Die. He is a Tool and Die apprentice at Triangle Tool Corp. in Milwaukee.

An April 30, 1994 wedding is being planned by the couple.

## Youth Art Month at Kewaskum Public Schools

Monica Wierl, 8th grader, works on her marker and pen drawing.

Kyle Pankonin, a 7th grader, and Ms. Renee Roehs, instructor, work on contour.

## KHS Celebrates Youth Art Month

"It is not the hand of the artist that puts the image in our eye. It is the eye of the artist that puts the image in our hand." — Charles Ghigna

Kewaskum High School begins the month of March, "Youth Art Month" in style. Kewaskum hosted the 6th Annual Eastern Wisconsin Art Show during the week of February 23rd. The show attracted over 500 visitors from throughout the state.

KHS award winners were: Robyn Winninghoff, Art 4, 1st in jewelry; Andrea Haberman, Art 3, 3rd in jewelry; Tim Novotny, Art 4, 1st in Black/White Drawing; Andrea Haberman, Art 3, 1st in Black/White Drawing,

in Black/White Drawing, Erin Stoffel, Art 3, 1st in Black and White Drawing.

Heidi Goetsch, Art 3, 1st in Color Drawing; Rachele Hills, Art 4, 2nd in Color Drawing; Dean Kreis, Art 4, 3rd in Color Drawing; David Wink, Art 4, 1st in Crafts; Chad Bindrich, Art 4, 3rd in Acrylic Ptg.; Chad Bindrich, Art 4, 3rd in Sculpture.

Congratulations to all the students' hard work and commitment to art.

Students at KHS are busy. Three students submitted pieces to the State of Wisconsin Wild Turkey design contest. Those students were: Jenny Goodsell and Dennis Zolp, Art 1, and Tom Bauer, Art 4/Seminar. Watch for the results.

The seniors recently completed the DNR State Park Sticker contest. Entries were designed by Melissa LeRoy, Lisa Ermer, Duane Deverney, Carol Groskopf, Tom Bauer and David Wink. Award winners will be on display and announced at the Milwaukee Journal/Sentinel Sports Show held the second week in March at the MECCA, Milwaukee. We'll report the results.

March is Youth Art Month and to celebrate the arts, a variety of activities will be going on in the Kewaskum schools.

A two week art exhibit, showcasing art work from elementary, middle and high school students will be displayed in the lobby of the Valley Bank, March 22 - April 2. Art teachers Peg Henke, elementary, Renee Roels, middle school and Mary Stephen, high school, will be putting together a variety of work to represent their varied art curriculums.

As part of the Gifted and Talented program, Sentry Foods in Kewaskum has donated 1,000 brown grocery bags which have been printed by high school and middle school students and their instructors. All elementary, middle and high school art students will have the opportunity to create an "original" piece of art on the bag. The bags will then be returned to Sentry and groceries will be packed in them as a way to celebrate art and share the talents of the young artists with the community.

The culminating art activity will be the spring art show April 29, from 6:00 to 8:00 p.m. at Kewaskum Middle School. This is an excellent opportunity for the community to appreciate creative pottery, sculpture, drawing, painting, weaving, etc. Celebrate Youth Art Month - March 1993!!

Kevin Pamperin decorates his bag with a line drawing of a shoe. Kevin is 7th grader at Kewaskum Middle School.

## Student Registration At St. Mary's Springs

Registration for incoming freshmen at St. Mary's Springs High School is scheduled for Tuesday, March 9, (A to L) and Thursday, March 11, (M to Z). Students and their parents will begin the evening in a general meeting at 7:30 p.m. in Hornung Memorial Chapel. Immediately afterwards students will register for the classes they will take next year.

Any potential freshmen or transfer students interested in attending St. Mary's Springs next year who have not been in contact with the school should call Mrs. Judie Packard, 921-4870, for important information on how to enroll and register for classes. Those not attending the registration nights will have the opportunity to register through individual appointments.

## D.A.R.E. Product Now on Sale

The Washington County Sheriff's Department has made arrangements with several area businesses to sell products which feature the D.A.R.E. logo. Proceeds from the sales of these items will be used to support the distribution of free D.A.R.E. materials at the county law enforcement tent during the 1993 Washington County Junior Fair.

High quality D.A.R.E. coffee mugs are being sold for \$2.75, while D.A.R.E. squeeze bottles

are available for \$2.10.

Participating businesses are:  
Amoco - Pilgrim & Mequon Roads, Germantown; Super 8 Motel - Highway Q at Highway 41, Germantown; Truckers & Travelers Restaurant - Highway 167 at Highway 41, Richfield; Pioneer Plaza - Highway 145 at Highway 41, Richfield; Saw Mill Inn, Richfield; Snak Shak Gas Station - Main Street, Jackson; Brost Foods, Allenton and all Washington County Dairy Queens and Tri-Pars gas stations.

In addition, the Snak Shak, Dairy Queen stores, Brost Foods, Tri-Par stations and Truckers & Travelers are offering special prices on beverage refills when the DARE containers are used.

The products are also available at the front counter of the Washington County Sheriff's Department, Monday through Saturday, 8:00 a.m. to 5:00 p.m.

D.A.R.E. Drug Abuse Resistance Education, is a primary prevention program aimed at children who have not yet had their first alcohol or drug experience. D.A.R.E. instructors are carefully selected and specially trained to participate in the program, which is being provided to students throughout the county by the sheriff's department and the police departments of West Bend, Kewaskum, and Germantown.

Open tickets for the dinner-dance on March 13th are available from members of the committee and from area businesses: Amerahn in Kewaskum, Dins in Dundee, Merri-Lore in Armstrong, and Rahns in Eden.

Don't miss out on a good time for want of a ticket.

Committee members are: LaVern and Ruth Immel, 533-4038; Monica Lavey, 533-4750; Marilyn Brown, 533-8048; Fred and Helen Hegel, 533-8821; Johanna Runge, 477-7262; George and Peggy Weide, 533-4842; Ollie Stuart, 533-8106; John Ford, 533-4907; Dave Dins, 533-8794; Jerry Polzean, 533-4975; Dave and Karen Simon, 533-4836, or myself, Diane Kleinke, 533-4099. Al and Arlean Mans and Jim and Sharon Porfillo are also on the committee.

Remember, good food, good music, good refreshments, and good prizes add up to good fun.

## Choir Concert at Lakeland College

Sheboygan, Wis. — The Lakeland College choir will present a concert on Saturday, March 6, at 8 p.m. in the Bradley Fine Arts Building on the Lakeland campus in Sheboygan.

According to Dr. Lewis Schmidt, the choir conductor, the 29-member choir will perform a variety of music, from early church songs to traditional folk songs and spirituals. The early church songs will include, "Kyrie Eleison," and "Great is the Lord Our Maker." "I Want Jesus," and "The Lord's Prayer," will be two of the spiritual folk songs.

Lakeland's Good News Singers, conducted by Frank Berger, will also perform. Their selections will include, "You are the New Day," and "To Everything There is a Season."

The choir concerts are part of the Krueger Fine Arts Series. For more information contact the special events office at (414) 565-1404.

Members of the choir include: freshman Jennifer Beimborn, an elementary music education major from Adell; freshman Staci Schluetchermann, a business administration and accounting major from Random Lake; and freshman Wendy Schmoock, an elementary education major from Hingham.

The Florentine sculptor Ghiberti spent 48 years making two sets of doors for a church in Florence, Italy. Michelangelo named these doors "The Gates of Paradise".

## Free Lecture At UWWC

A free lecture will be presented at the University of Wisconsin - Center Washington County, entitled "Leadership in Review: Conversations About the Community" on March 11 in room 259. Focusing on historical changes in the area, the lecture will be led by Rueben Schmah and Walter Malzahn. Ed Kocher will show an informative slide presentation on the history of the West Bend area and community. Reuben Schmah is the Washington County Board Chairman and has served the community as a member of many committees and many elected positions. He has received many awards for outstanding community service. Schmah continues to serve as a Director of a local bank and insurance company, and has been involved in the establishment of the University Center.

Walter Malzahn is a distinguished retired member of the business community. Malzahn served as a senior vice president and treasurer for the West Bend Company. He was also the president of the West Bend Mutual Insurance

Company.

Ed Kocher worked in the sales department of the West Bend Company for 42 years. After retiring he spent 17 years as the Director of the West Bend Gallery of Fine Arts. For more information, please call 335-5208.

 Ali Bruendl, Student Council Master of Ceremonies escorted by Mark Morell, Vicki McElhatton, escorted by Chad Muckerheide, wrestling, Leslie Cook, gymnastics, escorted by Chris Schmidt, Ginger Wiesner, escorted by Brad Jackson, wrestling, Mandy Thiemer, gymnastics, escorted by Aaron Rettler and Robyn Winninghoff, girls basketball, escorted by Jim Rix.

The crown descended from the heads of last year's King Kevin Kapp and Queen Terri Vogt to this year's King and Queen, Tony Knoeck and Robyn Winninghoff. Tony represented the Boys basketball team and Robyn was the representative for the Girls basketball team. The crowning of the new King and Queen took

place during the Grand March at this year's Sadie/Snowball dance which was held on Saturday, February 13, 1993.

Everyone danced the exciting night away to the music provided by DJ's from Audio Experience from Oshkosh, Wisconsin.

The dance also helped to raise money to help the Kewaskum Fire Department to purchase their defibrillator. One dollar from the admission price of each student at the dance went towards this worthy cause and the total collected from the dance was over

\$150.00. The dance was not only a success for the die-hard dancers, also a sweet time for celebrating Valentines Day.

## World Day of Prayer March 5

World Day of Prayer is a day on which millions of Christian women and men all over the globe join in "informed prayer and prayerful action."

This year's World Day of Prayer was written by women of Guatemala on the theme "People of God; Instruments of Healing." The Guatemalan women share their background and experiences and tell of healing in the Mayan culture by medicinal plants, some are still in use today.

The women describe some of the difficult social conditions of Guatemala and their desire to be instruments of healing to solve some of these problems using Biblical and present day stories of healing.

All people of the community are invited to attend any one of the services on Friday, March 5, 1993. Jackson and Slinger area churches will meet at New Hope UCC on Jackson Drive at 1:30 p.m.

In the Germantown, Colgate and Richfield area they will meet at St. Jacobi Church on Hwy. 167 at 1:30 p.m.

In Hartford, World Day of Prayer will be at First United Methodist Church on 738 W. Monroe at 10:00 a.m.

You are invited to attend any of the services on Friday, March 5, 1993. Plan to attend.

## New '900' Number for Lottery Player Hotline Starts March 1

MADISON — Wisconsin lottery players were able to use a new telephone number for the Wisconsin Lottery Player Hotline beginning Monday, March 1.

"The new number: 1-900-334-7777 gives our players improved Wisconsin Lottery Players Hotline service," the Lottery's Director of Player Relations Bill Clausius noted.

"In addition to the latest drawing results for Daily Pick 3, Supercash, Wisconsin's Very Own Megabucks and Powerball being available to callers 24 hours a day seven days a week, Wisconsin Lottery Player Hotline operators are on duty to answer specific questions about games Sunday through Friday from 8 a.m. until 5 p.m.," Clausius added.

"Calls to the Wisconsin Lottery Player Hotline cost 35 cents per minute with a \$2 maximum charge per call and the number is good from anywhere in the United States, so now our players in Minnesota, Iowa, Illinois and anywhere else in the U.S. can easily get information they want about the Wisconsin Lottery," Clausius explained.

"We also hope players who experienced constant busy signals when calling the old number, will be able to get through and get the information they want," Clausius said.

We have made calling the Wisconsin Lottery Player Hotline as affordable as possible," Clausius remarked, adding, "Any profits generated by the Wisconsin Lottery Player Hotline will be used to provide property

tax relief."

"Our 35 cent per minute rate is 5 cents per minute less than a neighboring state's lottery hotline rate, for example," he observed.

The Wisconsin Lottery Player Hotline uses AT&T's 900 Multiquest service.

## Campus Notes

Fox Valley Technical College officials have released the dean's list for the first semester of the 1992-93 school year.

To qualify, a student must be enrolled in a program of at least 36 weeks in length and must have completed eight or more credits for the last grading period, with a grade point average of at least 3.5 out of a possible 4.0.

Included on the dean's list was Brian M. Staehler, Kewaskum.

# Funds Raised for 'Jail and Bail' Incarcerated

**MOST WANTED!** Six of Kewaskum 'Ten Most Wanted' are shown above pleading with friends and family to help bail them out of the slammer. Each one of the "Ten Most Wanted" were responsible for raising \$1,000 of the funds which will be turned over to the American Cancer Society. Seated, left to right: Roy Swanson, Dave Gruber, Steve Van Ess, and Neal Weare. Standing: Tom Timblin and Don Gruber. This "surly bunch of jailbirds" did manage to raise the money (and more) and I understand they have been released and are now again roaming the streets of Kewaskum.

Shawn (McElhatton) Roberts of My Little Friends Day Care Center fame, had to remain "cuffed" until she received a visit from her little pals who managed to sneak in a cupcake laced with a file.

Lee "Machine Gun" Kempf helps Officer Tom "Elliot Ness" Bauer get the cuffs off.

Prisoner Lee Kempf holds the Judge Tim "Hang 'Em High" Miller hostage until his bail is lowered. What is that about paybacks?

## RAYMOND SCHARF

Raymond F. Scharf, 75, of N7349 Highway K, Town of Taycheedah, Fond du Lac died Monday, March 1, 1993, at his home.

He was born March 21, 1917, in rural Brownsville, a son of Edwin and Erna Tonn Scharf. On Oct. 23, 1943, he married Bernice Balthazor in Fond du Lac.

Mr. Scharf attended parochial school at St. Paul's Evangelical Lutheran Church in Brownsville, and was a graduate of Lomira High School. He and his wife were dairy farmers in the Brownsville and Lomira areas until 1956 when Mr. Scharf became employed at Herbst Shoe Factory in Lomira. He was employed there until the factory closed, and then was a carpenter for several years until his factory closed, and then was a carpenter for several years until his employment at John Deere Co. in Horicon. He retired from John Deere in March of 1979 and moved to Taycheedah in late March of 1981.

Mr. Scharf and his wife enjoyed travel tours and Big Band dancing. He enjoyed woodworking and making furniture during his retirement. Mr. Scharf was an avid golfer and bowler and was a member of several senior leagues.

Survivors include his wife; one son, Daniel and his wife Mary of Alamogordo, N.M.; two daughters, Sharon Boegel and her husband Paul of Kewaskum, and Barbara Zills of Alamogordo, N.M., seven grandchildren; two brothers, Richard and his wife Marge of Rancho Cordova, Calif., and Herbert and his wife Mary of Fond du Lac; and three sisters-in-law, Lorraine Hintz of Merritt Island, Fla., Yvonne Tapp of Metairie, La., and Esther Scharf of Tampa, Fla.; and many aunts, uncles, nieces and nephews.

Preceding him in death were his parents, one brother and one son.

Funeral services will be held at 9:30 a.m. Thursday at Redeemer Lutheran Church, Fond du Lac. The Rev. James R. Schumann will officiate. Burial will be at Union Cemetery, Theresa.

Visitation is from 4 to 8 p.m. Wednesday at Uecker-Witt Funeral Home and from 8:30 a.m. Thursday to the time of services at the church.

Memorials in his name may be directed to Faith Evangelical Lutheran Church or Hospice Hope.

## FRANK A. NITSCHKE

Frank A. Nitschke, 72, of Mayville, died Thursday, Feb. 25, 1993, at Waupun Memorial Hospital.

He was born Dec. 29, 1920, in Mayville, to the late Frank and Christina (nee Gassner) Nitschke, and married Marge Huttner April 10, 1950, in Stayton, Ore.

He was employed at Maysteel Corp., Mayville, Amron Corp., Waukesha, and for several years by the state of Wisconsin Depart-

ment of Corrections until his retirement in 1984.

He was a veteran of World War II, serving in the 32nd Division of the 128th Infantry Band, and was active in music all his life. He played the clarinet with the Oconomowoc Legion Band, the Mayville Legion Band, and Beaver Dam Area Symphony. He was also a member of St. Mary's Catholic Church, Mayville.

His hobbies included flying and collecting and building miniature trains.

Survivors include his wife; two children, Charon (Michael) Schuster of Lomira and a son, Michael (Lora) of Kewaskum; three grandchildren, Scott, Randy and Christina Nitschke; a sister-in-law, Joan Nitschke of Leroy; nieces; nephews; and other relatives and many friends.

Preceding him in death was a brother, Gilbert.

Funeral services were held Monday, March 1, at 10 a.m. from the Koepsell Funeral Home, Mayville, to St. Mary's Church, Mayville, at 10:30 a.m. for a Mass of Christian burial. Rev. Charles Verhalen officiated and entombment was in Shrine of Rest Mausoleum in Fond du Lac.

Visitation at the funeral home was on Sunday from 3 to 7 p.m. with a prayer vigil at 7 p.m.

Mildred A. Galabinske, nee Kertscher of West Bend, died Monday, Feb. 22, 1993, at St. Joseph's Community Hospital, at the age of 71.

She was born Feb. 3, 1922, in the town of Trenton, to the late Jesse and Elsie (nee Weiss) Kertscher.

After her marriage to Clarence Galabinske in Campbellsport on Nov. 25, 1939, they lived in the Fond du Lac County area prior to coming to West Bend in 1944.

Her husband passed away April 28, 1986.

Survivors include six children, Shirley (Jerry Kollmansberger) Galabinske and Judy (Howard) Justman, both of West Bend, Betty Ann (John) Vesnefsky of Sturtevant, Diane (David) Wells of Marble Rock, Iowa, Sandra Lee (Steve) Kasten of Elkhorn and Donald (Suzanne) of San Mateo, Calif.; 15 grandchildren; three great-grandchildren; four sisters, Evelyn (Hilbert) Reimer of Little Kohler, Dorothy (Andy) Breit of Kewaskum, Florence Pietschmann of West Bend and Marcella (Rudy) Stadler of Newburg; a brother, Earl (Ber-

nice) of Random Lake; and other relatives and friends.

Preceding her in death were two brothers, Merlin and Milton; a sister, Ruth; and a brother-in-law, Albert Pietschmann.

She was a member of Trinity Lutheran Church, West Bend.

Funeral services were held Thursday, Feb. 25, at 8 p.m. at the Schmidt Funeral Home, West Bend, with Rev. Gordon Putnam officiating. Burial was on Friday at 11 a.m. in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Thursday from 2 p.m. until the time of services.

## ROMAN L. LANGENECKER

Roman L. Langenecker, of Allenton, died Tuesday, Feb. 23, 1993, at the Milwaukee County Medical Complex, at the age of 72.

He was born Dec. 19, 1920, on the family homestead farm in the town of Addison, to the late Matt and Otillia (nee Martin) Langenecker, and married Marie Volm on Sept. 1, 1945, at St. Bridget's Church, town of Wayne.

They farmed in the town of Addison until 1957, after which he was employed as a salesman for Kasten Mfg. Allenton, retiring in 1983.

He was a member and club secretary of the Allenton Lions Club, member of the Sacred Heart Holy Name Society, the Allenton Advancement association, Allenton Fire Dept., custodian for Veterans Memorial in Allenton, caretaker for Sacred Heart Church and Cemetery in Allenton and enjoyed bowling, hunting and fishing.

Survivors include his wife; four children, Ken (Donna) of Madison, Pat (Russ) Kirkpatrick of Dallas, Texas, Gene of Oshkosh and Jim of Slinger; a grandson, Robert Pautzke of Dallas, Texas; five sisters, Helen Rettler of Hartford, Lorraine (Rudy) Heinecke of Theresa, Lucille Gehl of St. Lawrence, Beulah (Wendolin) Zingsheim of Neno and Mildred (Albert) Wolf of Allenton; two brothers, Norbert (Anita) and Clem (Rosella), both of Hartford; two sisters-in-law, Anna Ulrich of Campbellsport and Marie Volm of Kewaskum; a brother-in-law, Sylvester Volm of Campbellsport; and other relatives and friends.

Preceding him in death were a sister-in-law, Esther Volm and two brothers-in-law, Gregor Ulrich and Carl Volm.

Funeral services were held Friday, Feb. 26, at 9:30 a.m. from the Myrhum Funeral Home, West Bend, with a Mass of Christian Burial at 10 a.m. at Sacred Heart Catholic Church, Allenton. Rev. Michael Wild officiated and burial followed in the church cemetery.

Visitation at the funeral home

was on Thursday after 4 p.m. with a prayer vigil at 7:30 p.m., and Friday from 8:30 a.m. until the time of services.

## JAMES SMITH

James L. Smith, 41, a resident of Jamestown, N.Y., for the past 20 years, died Thursday, Feb. 18, 1993, in New York.

He was born Sept. 27, 1951, in Fond du Lac, a son of Thomas and Alice Kelley Smith.

Mr. Smith was employed as a district sales manager for Landmark Genetics headquartered in Hughson, Calif. for the past 19 years. He was a member of Chautauqua County and New York State Holstein Associations, Alpha Gamma Rho Fraternity, the YMCA and was a coach in the Southwestern Youth Soccer League.

He was a 1969 graduate of Campbellsport High School and received a bachelor of science degree in 1973 at the University of Wisconsin - Madison.

Survivors include his wife, Kathleen A. Nelson Smith, whom he married Sept. 25, 1982; one daughter, Ellyn; two sons, Michael and Charles; his parents; his maternal grandmother, Rosemary Kelley; his paternal grandparents, J. Monroe and Mildred Smith; five sisters, Maureen Detmer of Lodi; Cathy Ohm of Galesville, Eileen Smith of Dallas, Texas, Janet Roche of Philadelphia, Pa., and Barbara Stanch of Minneapolis, Minn.; and two brothers, Patrick of Seattle, Wash., and Daniel of Fond du Lac.

Funeral services were held Monday in Jamestown, N.Y.

## IN MEMORY

In loving memory of FRITZ KLEINKE, who passed away ten years ago, March 7, 1983:

A million times we thought of you,  
A million times we cried.  
If love alone could have saved you,  
You never would have died.  
In life we loved you dearly,  
In death we love you still.  
In our hearts you hold a place,  
No one else can fill.  
It broke our hearts to lose you,  
But you didn't go alone.  
For part of us went with you,  
The day God called you home.  
Sadly missed by LaVerne,  
children and grandchildren.

## IN MEMORY

In loving memory of RICHARD HALFMANN, who passed away seven years ago, March 7, 1986:

This month comes to us with deep regret  
It brings the day we will never forget.  
His memory still is very dear.  
So many times he seems so near.  
No longer here our lives to share,  
But in our hearts he is always there.  
We miss him more each year  
Some day we'll meet where there are no tears  
Sadly missed by the family.

## CARD OF THANKS

Special thanks to Twohig Funeral Home, Rolling Meadows 3rd floor nursing staff, Pastor Capek, Emmanuel Lutheran Church Ladies Aid, family, friends and neighbors, and those who brought food. Your thoughtfulness will forever be appreciated.

James Manthei, a 17-year-old Eagle Scout from Kewaskum, recalls that "overcoming the language barrier," was the biggest problem he encountered while attending the Boy Scout World Jamboree in Idaho last summer. He was principal speaker during a recent noon luncheon meeting of the Fond du Lac Kiwanis Club. Manthei is the son of Mr. and Mrs. Willard Manthei of Kewaskum. He was the only scout from the Badger Council to serve as a member of the host corps which arrived at Farragut State Park near Coeur d'Alene in advance of the approximately 13,000 scouts and leaders from 90 different countries.

On Tuesday, February 13, and Wednesday, February 14, eighth grade students whose residence is in the Kewaskum School District were tested at Kewaskum High School. One hundred and sixty-seven eighth graders have been tested and enrolled for the fall term. This, it appears, will be the largest freshman class in the history of the school.

The Holy Trinity Parochial school basketball team of Kewaskum won the Championship in the Kettle Moraine Catholic Grade School Basketball League by defeating St. Mary's of West Bend, 36-32, in a championship playoff game at Holy Angels school gym in West Bend. Glen Eichstedt, Holy Trinity ace, was high scorer in the game with 21 points, almost two-thirds of his team's total.

A daughter was born to Mr. and Mrs. Harold Schlosser, Kewaskum, on February 27. A daughter, Michelle Louise, was born to Mr. and Mrs. Thomas Skrentny of Madison on February 25. Paternal grandparents are Mr. and Mrs. Raymond Skrentny of Kewaskum and maternal grandparents are Mr. and Mrs. Elroy Butzke, Kewaskum. A son was born to Mr. and Mrs. Otto Ramthun, Kewaskum, on February 24. Mrs. Ramthun is the former Cheryl Lynn.

## 50 Years Ago

MARCH 5, 1918

Aviation Cadet Clarence (Gustav) Werner, son of Mr. and Mrs. Emil Werner, returned to Kewaskum Tuesday night after three years in service on the Hawaiian Islands. It is his first furlough since he enlisted in the army in 1929. Werner was stationed at Wheeler Field, Hawaii, when the Japs made their sneak attack on that field, Hickham Field and Pearl Harbor on December 7, 1941. Werners holds the distinction of being the

first young man from Kewaskum to get into actual combat in the present war, having been at the scene of the first attack. He also is the first local man to return home from a combat zone. Clarence wears the gold ribbon signifying service before Pearl Harbor's attack and also the National Defense Service ribbon. He was transferred back to the states a short time ago and received his appointment as an aviation cadet. He is now stationed at Santa Ana, California, training to be a pilot and as second lieutenant.

According to an article printed in the Milwaukee papers last week, Tech. Sgt. Joseph H. Walters, son of Mrs. Edina Walters, of Route 2, Kewaskum, was one of five Wisconsin men from among 115 members of U.S. bomb crews who were awarded air medals for exceptionally meritorious service at London, England recently, as announced by the 8th U.S. Army air force. Tech. Sgt. Walters was reported missing in action in the Western European area since January 3, according to a telegram received around that time from the war department by his mother. He was a radio operator and gunner in the air corps. Though reported missing in action, hopes that he is still alive and safe were expressed by his family. Because of the late date the air medal was awarded to him.

Milton Ehnert had both of his hands quite badly burned Friday in his garage at New Fane when the fumes from a dish of gasoline ignited. Mr. Ehnert had just filled a coal burner, about 15 feet from where he was working with the gasoline, when fire broke through the ash pan door of the burner, causing a combustion of the gas fumes which resulted in the burns to his arms.

Sgt. Edwin J. Frohman of the army air corps, son of Mr. and Mrs. Edwin Frohman of Route 1, Kewaskum, recently received his wings at MacDill Field, Tampa, Florida where he is stationed. He is a radio operator on a plane.

The annual appropriation for acquisition and development of lands in the Kettle Moraine State forest area would be increased from \$75,000 to \$150,000 under terms of a bill introduced in the state senate last Thursday by Senator Gustave W. Buchen, Republican, of Sheboygan, who represents Sheboygan and Ozaukee counties. The forest area as outlined in the bill includes parts of Fond du Lac, Calumet, Winnebago, Sheboygan, Manitowoc, Ozaukee, Washington, Dodge, Milwaukee, Waukesha, Jefferson, Racine, Kenosha, Walworth, Rock and Outagamie counties. Since the legislature established the \$75,000 annual allotment, which comes from the state forestry tax

funds, several years ago, steady progress has been made on the Kettle Moraine areas, particularly the Mauthe Lake region several miles northeast of Kewaskum and another section near Greenbush in Sheboygan County. At the beginning of the year, nearly 4,400 acres of land had been acquired in Fond du Lac, Sheboygan and Waukesha counties. Most of the property acquired is of little value for agricultural purposes but it fits in well with the eventual plan of creating a long narrow strip of park and forest land which will provide recreational facilities for the populous southeastern part of the state. Coincident with the introduction of the bill came a warning from the Milwaukee chapter of the Izaak Walton League that unless the state sets a faster pace in buying land in the Kettle Moraine area it will find that much of the best land already has been purchased for private homes.

A daughter was born to Mr. and Mrs. Walter Meilahn of Kewaskum on February 28. Mr. and Mrs. Jack Haug of Five Corners are the parents of a son born to them, also on February 28.

Until further notice there will be no electric current from midnight until 7 a.m. and no current on Sundays before 6 p.m.

This week the honors go to the Girls' Basketball team, who played one of the hardest games of the season last Friday evening, when they lined up against the Plymouth High School Girls' team in that city and held the score at 4 to 4. Our boys received a severe bump Sunday evening, when they were defeated at Newburg by the team from that village with a score in Newburg's favor of 19 to 34.

The Kewaskum Amusement Company wishes to announce that the opening of the movies will commence on Sunday, March 10, and continue every Sunday evening. The management has made arrangements whereby they will during the coming season, show only the best pictures obtainable, which means an extra cost, therefore, it has been decided that the price of admission be raised to 10 cents for children and 20 cents for adults, which includes the war tax. For the opening show, they have secured Miss Marguerite Clark, as Little Lady Eileen, which consists of five reels and Fatty Arbuckle in a two

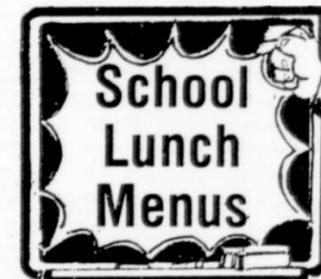

reel side splitting comedy entitled, "In Cooney Island."

Last Thursday evening, fire destroyed the residence of J.F. Oppermann, four and one-half miles northeast of this village on the Dundee road. Mr. Oppermann and family were at supper when they smelled smoke and upon investigation, Mr. Oppermann found the house to be on fire. The fire started in the attic, and before aid could be summoned, it had spread to other parts of the house, completely consuming everything with the exception of a bed, bureau and some chairs which the neighbors and Mr. Oppermann's family succeeded in saving. The residence, household furniture and wearing apparel were completely destroyed.

Herbert Ramthun of Kewaskum met with a painful accident last Friday which will lay him up indefinitely. He was engaged in splitting wood when the axe slipped and penetrated his right foot, making an ugly gash. Five stitches were required to close the cut.

A very unusual sight was witnessed here last Thursday evening in the form of the northern lights. The entire heavens were illuminated by the rays of white light and in addition to this there were several clouds in different parts of a reddish color resembling fire. We have never seen such a strange phenomenon and are unable to account for the reddish clouds and what they may signify.

A baby boy was born to Mr. and Mrs. John Kiel of St. Kilian last Friday. A baby boy was also born to Mr. and Mrs. Herman Weiland of St. Kilian last Monday.

### Kewaskum Forum Features Farm Finances Lender Relationships

A panel of farm finance specialists offered their expertise during the Wednesday, Feb. 24 midday meeting at the Rural Opportunity Center, Kewaskum.

Panelists Bruce Jordan, Agricultural Loan Officer, Valley Bank, Kewaskum; Jack Trzebiatowski, Washington County Agricultural Extension Agent; Roger James, Financial Analyst for the Farmers Assistance Program, Wisconsin Department of Agriculture, Trade & Consumer Protection (DATCP); and Jeanne Meier, Program Coordinator and at-

torney, Farmers Assistance Program, DATCP, gave their insights on the farm loan process.

They walked through an example of a farm loan application and discussed what lenders look for in loan applications and financial data. Participants learned how financial statements are used and how to gather information for them. Legal issues to consider in analyzing the farm financial situation was also presented.

The Rural Opportunity Center is open the fourth Wednesday of each month at the Amerahn Hall, 9480 Hwy. 45, Kewaskum. The center is open from 11:30 to 1:30. Lunch will be provided at noon, followed by the panel presentation. All farm families are invited to attend this free of charge event.

The Rural Opportunity Center is sponsored by local community groups interested in better serving farmers and rural communities. For more information contact Kathy Schmitt, Farmers Assistance Program, DATCP 1-800-942-2474.

### WTKM Farm Fair March 9

With winter on the wane and the first day of spring on the way, it's time again to recognize farmers in the community for their help in providing us with our plentiful food supply. To coincide with the start of this new growing season, the Eleventh Annual Agriculture Appreciation Day has been set by WTKM Radio for Tuesday, March 9th.

The "WTKM Farm Fair" will be held at Legendz Great Hall of Hartford from 9 until 4, and will feature over 60 agribusiness firms from throughout the area exhibiting their products and services. Guests will also enjoy free milk courtesy of Borden, Golden Guernsey and Cedarburg Dairies, with plenty of product samples offered by many of the exhibitors. Food and refreshments will be available all day as well.

The Farm Fair also gives farmers a chance to discuss concerns with local and regional farm leaders, and area home economists will be hand to answer questions on family living. Special attention should be given to the farm safety informational booth staffed by the Hartford FFA Chapter, also water screening for nitrate will be available at the Washington/Dodge County University Extension Office booth for a \$1.00 charge. Be sure and bring along a sample of your water.

Admission to the WTKM Farm Fair and Agriculture Appreciation Day is free, and all area farmers are invited to come visit with their neighbors and find out "What There Is to See for 93" at Legendz Ballroom, 700 South Main Street in Hartford, at Farm Fair '93 on Tuesday, March 9th.

### Workshop on Succession In Family Business

"Families in business face unique opportunities and challenges. Authority, decision-making, promotion, compensation, and strategic business directions take on new meaning when you are partners in business and partners in a family." So says Dr. Dean Fowler, a specialist in family business planning.

Dean Fowler will lead a two-hour workshop for UW-Extension at the Courthouse in Port Washington on Thursday, March 11, from 7-9:00 p.m. on "Planning for Family Succession."

Dr. Fowler specializes in the underlying personal and family dynamics which impact on successful business planning. He serves as a management consultant for a number of CEOs in succession planning and as a psychotherapist in clinical practice.

He holds a Ph.D from Claremont Graduate School in California and has taught for several years at Marquette University. Dean presently gives leadership to the American Associates for Marriage and Family Therapy and The Forum for Family Business.

Those interested in attending this Business Forum on March 11 are asked to register by March 5 by calling Chuck Wise, Business Specialist for UW-Extension at 414/284-8288. There is a \$10.00 fee for the evening.

### Farm Bureau Heartbeat Of Wis. Agricultural Show

"Heartbeat of Wisconsin Agricultural." We would like to show you what agriculture is about, so on Sat., March 6th, from 9:30 a.m. to 4:00 p.m., representatives from sectors of agriculture will be at the West Bend Outlet Mall.

Today, America's farmers are the world's most productive. Each U.S. farmer produces food and fiber for 128 people - 94.3 people in the United States and 33.7 people abroad.

When we see other country's empty shelves, we should be thankful that we live in this country, The United States of America.

## Letters to the Editor

### Letter to the Editor:

I don't know if this is a letter to the editor as much as a letter to the people of Kewaskum. Being on the Village Board has been a real learning experience and an assignment that gives me great pride.

I would hope that the people of Kewaskum feel the same way about me. I'm on the board **only** to represent you. On occasion this can be a little difficult because it can be hard figuring out what the people want.

It would be nice if we would see more citizens at our bi-monthly board meeting, and not only when there is a hot issue before the board. I do understand that for all of us there is never enough hours in a day to get the everyday things done, not to mention finding time to sit through a long village board meeting.

So I would encourage anyone of you to let me know what you think, and your opinion on any topic. Better still, just let me know how I'm doing. Next time you see me on the street, (I'm easy to spot. I'm a large target), stop and talk to me.

If this isn't possible please, you're more than welcome to write, stop by my house or give me a phone call at home. My phone number is 626-4509.

I feel now it's more important than ever to have an open line of communication with the board and your village president in which capacity I hope to serve you.

Sincerely,  
 Village Trustee  
 Robert Wagner

### Letter to the Editor:

I would like to make you aware of America's largest minority, the 43,000,000 Americans with disabilities. Surprising?, perhaps. Impressive?, definitely. Now think of how large this group would be if we included the friends, family, and caregivers of those people with disabilities. Now we're dealing with a group large enough to make any marketer stand up and take notice.

Yet, despite its size, this group has virtually no representation among the national broadcast media. This statement is partially true and partially false. While there is a national cable network devoted to disability-related news, entertainment, sports and education, this network does not reach every community despite the pervasiveness of the audience which it serves.

America's Disability Channel/The Silent Network is devoted to America's largest minority, shouldn't they have access to it? If you too believe in the right of information, or if you can directly benefit from this programming and are currently unable to see it in your area, I urge you to contact your cable company and let them know that there is a need for such programming in your community. If you're with an organization, even better; cable companies are like any business and will respond to the needs of the many. Let them know that America's Disability Channel/The Silent Network broadcasts 7 days a week from 8:30 AM - 11:30 AM EST. In today's information-oriented society, access is imperative! If you don't have it, exercise your rights and take action to get it!

## Proposed Trail Fee Increases Would Fund Trail Maintenance

MADISON... Bicyclists, skiers and horseback riders who use state trails would contribute more money to fund trail maintenance under proposed changes in rules relating to trails, parks and other state lands and waters.

Among the changes proposed by the Department of Natural Resources as part of a comprehensive revision to Chapter NR 45 of the Wisconsin Administrative Code, are: increasing trail pass fees; extending the requirement for a trail pass to mountain bikers, cross-country skiers and horseback riders who use state trails; and lowering the age for needing a trail pass from 18 to 16.

"Parks staff conducted surveys of bikers and horseback riders and held meetings with trail groups and cross-country skiers to determine their willingness to pay higher fees to support trail maintenance," said Dave Weizenicker, director of the DNR Bureau of Parks and Recreation.

These surveys and meetings showed us that trail users are willing to pay these fee increases to support trail maintenance," he said. In addition, the State Trails Council has gone on record in support of the trail fee proposal.

The present trail pass fee is charged only for bicyclists on former railroad grade trails. Under the proposed rule change, a trail pass would be required to bicycle, cross-country ski and horseback ride on railroad grade trails and on trails maintained in state parks and forests. The pass would not be required for hiking, snowmobiling and all-terrain vehicles. Snowmobilers and ATV operators currently pay registration fees that support trail maintenance.

The department estimates that proposed changes relating to trail fees would net about \$62,000 a year in new revenue. The annual trail pass fee would increase from \$6 to \$8; daily passes would stay at \$2.

Weizenicker noted that the Governor has proposed a separate trail fee proposal in his 1993-1995 biennial budget. That proposal would increase trail fees to \$3 a day and \$15 a year for residents and \$4 a day and \$20 a year for nonresidents.

Another rule change proposed by the department would allow horse trails in fishery and wildlife areas. Currently, horses are pro-

hibited on all fish and wildlife areas except within the Lower Wisconsin Riverway. The proposed change would allow horses only on designated horse trails, which would be approved only after being evaluated for their effects on wildlife and other aspects of the environment, for neighbor concerns, and for the availability of funding. Hunting and fishing license revenue cannot be used to develop or maintain trails.

The Department will hold four public hearings in March on the proposed rule changes. The hearings, all beginning at 11 a.m. will be held on the following days at the following locations:

Friday, March 12, in Room 027, GEF 2 Building, 101 S. Webster St., Madison; Tuesday, March 16, in Room A220, Courthouse, 721 Oxford Ave., Eau Claire; Wednesday, March 17, in Room 604, City Hall, 100 N. Jefferson St., Green Bay; Thursday, March 18, in Room 140-141 of the DNR Southeast District Headquarters, 2300 N. Dr. Martin Luther King Jr. Drive, Milwaukee.

The department also encourages written comments, which may be sent to the Bureau of Parks and Recreation, P.O. Box 7921, Madison, WI 53707.

After the hearings, the Natural Resources Board will decide whether to adopt the amendments. Upon board approval, the rules will go to the State Legislature for review and approval.

Other proposed rule changes include:

- \*prohibiting fireworks on all park and forests lands;

- \*giving park and forest managers authority to issue emergency burning regulations at specific properties when fire danger is high;

- \*increasing fees for campsite electrical hookups from \$1.75 to \$2 a night, for reservations from \$3 to \$4, and for firewood from \$1 to \$2 a bundle (these fees were last increased in 1987);

- \*increasing camping fees at 13 parks and forests where improvements have been made, and at two campgrounds that were overlooked when other fees were increased in 1992;

- \*creating shoreline zone rules for parks and forests with long spans of Great Lakes shoreline;

- \*requiring park admission stickers year round at Rib Moun-

tain State Park, which now requires them only April through October, and at Chippewa Moraine, a new recreation area;

- \*prohibiting alcoholic beverages on the Peninsula Golf Course and at the course's clubhouse;

- \*prohibiting glass beverage containers, soap, detergent, shampoo, and fires (except in department-provided grills) on beaches at state parks and forests along Lake Superior and Michigan;

- \*establish an eviction period of 48 hours to go along with the department's eviction authority;

- \*permitting electric motors on some lakes in Kettle Moraine State Forests and Bong State Recreation Area;

- \*and permitting people to collect rocks, minerals, or fossils for educational or personal collections, except in certain areas.

### KEWASKUM TOWN BOARD MEETING

The Kewaskum Town Board will meet Saturday, March 6, 1993, 8 a.m., at the Town Garage, 9340 Highway 45, Kewaskum. The Board will approve a resolution which will designate the official polling place for the Spring Election on April 6, 1993.

## Conservation Rule Hearing Set for April 5

MADISON, WI — Wisconsin residents interested in fish and wildlife management and conservation rules are encouraged to attend the annual Wisconsin Fish and Game Rules Hearings and Conservation Congress Meetings held in each county on April 5.

The hearings provide Wisconsin residents with an opportunity to vote on changes in hunting, fishing, and related conservation rules, and on advisory questions for future rule changes, said Mary Hamel, citizen involvement coordinator for the Wisconsin Department of Natural Resources.

"The spring rules hearings provide one of the best opportunities for people to have a say in how the state manages its fish and wildlife resources," Hamel said. The hearings are open to all Wisconsin residents.

Among the questions to be considered this year are: a proposal to restrict bear and deer hunting over bait to small game hunting hours beginning in 1993; replacing the current three 7-day fall turkey hunting seasons with a four-week season beginning the first Monday in October, effective in 1993; whether the possession of angling equipment should be permanently banned from sturgeon spearing ice shanties on Lake Winnebago (an emergency rule prohibited this type of equipment this year); and whether the early catch-and-release northern

bass zone should be changed to allow the harvest of one bass 18 inches or greater with the daily bag limit increasing beginning on the Saturday instead of the Sunday nearest June 20.

Advisory questions that will be considered during this year's hearing include whether hunters favor continuation of the mid-to-late September goose season opener for the Exterior Goose Hunting Zone and whether hunters would rather have the duck season open on the earliest possible date allowed by federal law, or on the first Saturday after the date.

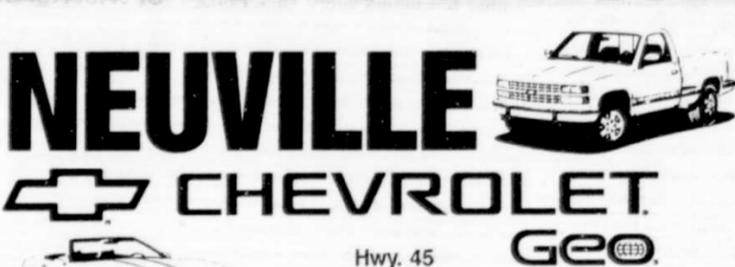

In addition, Wisconsin residents will also have the opportunity to elect county representatives to Conservation Congress. The Conservation Congress is a private citizens group established under state law to advise the Natural Resources Board on conservation issues.

The hearings are held simultaneously in each county of the state. All hearing begin at 7:30 p.m. Hearing locations are listed below by county.

Fond du Lac - Moraine Park Technical College, Hwy. 23 East, Fond du Lac;

Sheboygan - Sheboygan Falls High School Cafeteria, Sheboygan Falls;

Washington - UW Washington County Campus, Room 201 (Big Lecture Hall), West Bend.

## DNR Outdoor Report

### (As of February 27th & 28th)

The heavy snowfall in southern Wisconsin recently has given snowmobilers and cross-country skiers something to look forward to on the weekend. Conditions should be excellent. Up to ten inches of snow now cover the ground, and many outdoor enthusiasts are taking advantage of it. Four to five inches fell in central Wisconsin, improving trail conditions in that area considerably. Trails in the north remain in reasonably good condition with around two inches of new snow.

Cross-country trails in the Northern Highland-American Legion State Forest are in very good condition. They're being groomed on a regular schedule. Snowmobile trails are in good condition, with around a 12-inch base. The dark color seen on the trails is a mixture of pine cones and needles and other small debris that falls throughout the winter season. In the Brule and Cumberland areas, snowmobile trails are icy, especially at curves and stop signs.

A fresh 15-inch snowfall is providing excellent snowmobiling and cross-country skiing in the coulee country of western Wisconsin. Cross-country trails at Wildcat Mountain State Park are groomed, tracked and in excellent condition.

Ice anglers are reminded that permanent ice shelters south of Highway 64 must be removed by Friday, March 5th. After that date, you are required to remove them after use each day. North of Highway 64, you have until March 15th to remove your shelters. On many northern lakes, the slush on top of the ice has frozen, improving lake travel.

Fishing for northerns has been good along the west shore of Green Bay, and some nice catches of perch have been coming from the Oconto Falls Flowage. Anglers should use caution near pressure cracks.

The cold and snowy weather has slowed what had been some very good winter steelhead action on Racine County's Root River; fishing should improve with the next warm spell. Some nice northerns are biting in Little Cedar Lake at Pike Lake State Park; snowmobile and cross-country trails in that area are now open.

Six to eight inches of snow fell along the Lower Wisconsin State Riverway this past week. Ice anglers should be careful in the slush-covered areas of the backwater sloughs. Fishing success has been limited to panfish. Some large northerns are biting in Long and Avoca Lakes. In Grant County, anglers are catching crappies at Farnuff on the Mississippi and northerns in the backwater sloughs.

The cold weather has slowed trout fishing in Richland County; 50 percent of the streams are frozen over and snow-covered.

Walleyes and northerns continue to bite in Lake Puckaway and Little Green Lake. Ciscoes have been biting in the Sandstone area. By the end of last week, 782 sturgeon had been taken from Lake Winnebago; the largest

weighed 95 pounds and was 68 inches long.

Anglers have been having moderate success catching both panfish and walleyes in most of the Madison-area lakes. Some nice catches of panfish have been taken from Upper Mud Lake and Lake Waubesa. Walleyes have been biting on the north side of Lake Kegonsa, but anglers are advised to use caution; earlier this week the lake had large areas of open water.

If you're feeding the birds, continue to do so throughout late winter and spring. Their natural food supply is diminishing. Now is the time to clean out your bluebird houses, wood duck boxes and other nesting structures. The bald eagles that have been wintering along the Wisconsin River in Sauk County are starting to disperse and are showing up in their northern nesting territories. The next few weekends will be the last time to view them along the river this winter.

Snow buntings and horned larks appear to be heading north toward their summer homes in Canada and the Arctic tundra. The snow buntings, also known as "snowflakes" breed farther north than any other song bird. The Eskimos view these birds with the broad white wing patches as harbingers of spring.

## 1992 Fall Turkey Harvest Hits 5,024

Good fall weather and a growing wild turkey population in Wisconsin were credited with turkey hunters setting another record harvest during the state's fourth fall turkey hunt, Bill Vander Zouwen, DNR upland wildlife ecologist, said.

A total of 5,024 turkeys were harvested by some 18,000 hunters yielding a 20 percent success rate. Also, there were no reported hunting accidents related to this year's fall turkey hunt.

"Hunters were able to pick one of three seven-day hunting periods open in 19 turkey management units last fall," Vander Zouwen said. "There were nearly 25,000 turkey hunting permits available for the 18,000 applicants, so some 7,700 hunters received two tags."

Four new turkey management zones opened last fall: Units 6, 7, 14 and 16. Fall harvests by unit included: Unit 1, 140; Unit 1A, 149; Unit 2, 536; Unit 3, 734; Unit 4, 862; Unit 5, 286; Unit 6, 150; Unit 7, 226; Unit 8, 158; Unit 9, 55; Unit 10, 423; Unit 11, 354; Unit 12, 277; Unit 13, 171; Unit 14, 72; Unit 15, 124; Unit 16, 100; Unit 31, 130; and Unit 32, 77.

Fall turkey hunters are reminded to save their turkey stamp as it will be valid for the spring turkey season.

Glacier Edge District 11, Boy Scouts of America recently held their Cub Winterfest at Glacier Hills Park in Hartford with 600 participants. Shown above is Chris Boden and Daniel Enright of Pack 3744, Kewaskum, competing in the 2 x 4 Ski Race. Below, Roland Hutchins and Clinton Dricken of Pack 3781, West Bend, run in the Three-legged Race.

## Softball Teams Wanted

Despite what most consider to be cold temperatures, it's once again time to start thinking about the summer softball season.

The Village of Kewaskum Athletic Association is looking for teams to play in the various softball leagues this summer. Tentatively, men's leagues are slated for Tuesday and Thursday nights, while either a women's or a co-ed league could be played on Monday nights. The Monday night league format will be based on the number of women's or

co-ed teams interested.

The VKAA is looking to teams registered as early as possible, and will be holding a manager's meeting in March. Team sign-up is handled on a first-come, first-serve basis.

All VKAA games are played at the Kiwanis Community Park.

If you are interested in getting a team registered, or just want more information, please contact Rick Krahn at 626-2736, or Noel Stollenwerk at 626-4485.

## Area Schools Fare Well at State Wrestling

By Noel Stollenwerk

MADISON — Championships came in pairs for a number of area schools in the WIAA State Wrestling Meet this past weekend.

A pair of wrestlers from Campbellsport, West Bend, and the Eastern Wisconsin Conference brought home championships from the meet.

Campbellsport's John Dexter beat Adams-Friendship's Eric Torkelson in sudden death to win the Division 2 103-pound title, while teammate Jeff Birschbach beat Big Foot's Dan Casillas for the second straight week, 8-6, to win the 189-pound title.

Dexter was upset in the first round at state last year, and had to settle for fifth place. That

defeat in the first round is the lone blemish on the sophomore's two-year record.

Birschbach and Casillas, meanwhile met in the final of the Columbus Sectional, where Birschbach prevailed by a single point. Casillas had eliminated Kewaskum's Todd Muckerheide in that same Sectional, while Birschbach beat Muckerheide for first in the Sheboygan Falls Regional.

West Bend West's Jeremy Becker capped off a perfect season by beating Fond du Lac's Brent Hyland 2-1 in the finals of the Division 1, 171-pound bracket. It was the seventh straight time that Hyland was beaten by Becker, who had finished second at state the

previous year.

A pair of West Bend East wrestlers made it to the finals, while one brought home a title. Brent Henschel pinned Kenosha Tremper's Terrence Meeks in the 119-pound final in Division 1, while East's Brady Berglin was beaten 14-0 by D.C. Everest's Greg Schmidt in the 125-pound final.

Schmidt had eliminated Plymouth's Chad Knecht, who was undefeated to that point, in the semifinals.

But the Eastern Wisconsin Conference wasn't shut out, as Two Rivers' Jeremy Havel took home the 103-pound Division 1 championship by beating Mike Olson of Eau Claire North, 12-11.

Chilton's Jeremy Ott also came home a winner, pinning Freedom's Boone Smith in the 160-pound Division 2 championship.

Another notable was the second-place finish by Jefferson's Adam Gehrman in the Division 2, 119-pound class. Gehrman was the wrestler who edged Kewaskum's Mark Diedzic for the Sectional title was previous week. Gehrman was beat by Richland Center's Ryan Breineger 7-2 in the finals.

# KHS Boys Struggle in Loss at Two Rivers

By Noel Stollenwerk

TWO RIVERS — In their first meeting with Two Rivers earlier this year, the Kewaskum boys basketball team handled the Raider press so well that Two Rivers eventually backed off of its full-court pressure.

What a difference a month makes.

The Indians had problems galore with the Raider press here, Friday night, as Two Rivers forced 23 KHS turnovers en route to an easy 73-52 victory.

The win gave the Raiders, who had already clinched the Eastern Wisconsin Conference title, an 11-1 conference mark. The Indians, meanwhile, finished the EW campaign with a 5-7 record.

"We didn't handle the press very well this time," KHS coach Jim Westphal said, acknowledging that he knew the Raiders would force the action. "They were pretty effective this time."

The Indians parlayed their inability to handle the pressure with a terrible shooting effort. The Indians canned just 21 percent (15-72) of their field goal attempts for the game, including a terrible 3-18 effort in the opening quarter.

Still, the Indians trailed just 13-7 after one period, thanks mainly to the fact that Two Rivers also came out ice cold. The Raiders connected on just four-of-18 shots.

The Indians began to fall apart in the second quarter, though, as they were without senior Adam Laatsch, who picked up three fouls very early in the opening quarter.

"He's very important against the press," Westphal said, noting that he likes Laatsch, a 6-3 senior, to bring the ball upcourt. "With him out of there, they pressed all the more."

That pressure helped the Raiders take control late in the first half. Two Rivers came up with a late flurry that turned a seven-point lead into a comfortable 38-25 halftime advantage.

"We got very careless with the basketball," Westphal said of the lapse. "We kind of panicked out there."

Down by 13, the Indians still were not out of it. But another cold spell from the floor in the third period all but dashed Kewaskum's comeback hopes.

"The third quarter was pretty much like the first," Westphal said, as his team was outscored 13-6 in the period. "Neither team was able to put the ball in the basket. I don't think our shot selection was bad...we just couldn't hit anything."

Ironically, the Indians ac-

complished their goal of not letting the Raiders' Ryan Remiker break loose. Remiker, who came into the game averaging almost 17 points per game, was held to just nine by KHS.

"We didn't want to let him take over the ballgame," Westphal said of the KHS game-plan. "Our defense did what we wanted to do. Other people just stepped up for them."

Chuck Herrmann did his best to pick up the slack, hitting for 18 points. "We knew he'd do alright," Westphal said regarding Herrmann, who averages in double figures.

For the Indians, Jim Marx led the way with 18 points and 14 rebounds. "He had another very good game," Westphal said of the 6-2 senior. "He worked very hard out there."

"Travis (Jacak) had another good game," Westphal went on, noting that the sophomore, despite giving up well over 100 pounds to the Raider big men, grabbed nine rebounds. "He had a hard time, but he still did a good job."

Westphal also praised the play

of senior guard Jim Wichtoski, who poured in 14 points. "He's been coming on," he said, adding that Wichtoski has made big strides in his first year of varsity action.

The Indians, now 7-13 overall, opened WIAA Division 2 action on Tuesday, with a game at Port Washington.

KEWASKUM (7-18-6-21) — Laatsch 2, Herman 7, Marx 18, Wichtoski 14, Ankersen 2, Zautner 1, Jacak 7, Free Throws - 20 of 27, Fouls - 15.

TWO RIVERS (13-25-13-22) — Remiker 9, Jazdewski 6, Tracy 6, Herrmann 18, Swoboda 9, Dier 6, Glandt 2, Oswald 2, Free Throws - 10 of 22, Fouls - 22.

The flower, the dahlia, is named for Swedish botanist Anders Dahl.

## Chilton Lone EW Team to Advance

By Noel Stollenwerk

HOWARDS GROVE — And then there was one.

Chilton became the lone Eastern Wisconsin Conference representative in the WIAA Sectionals, as the Tigers outlasted Oostburg 58-57 in overtime here, Saturday night.

Two Rivers was the only other EW team to make it to the Regional finals. But the Raiders were upended by Little Chute,

54-44 in the Valders Regional final. Little Chute had eliminated Plymouth and New Holstein, while Two Rivers took care of Kiel in the Regional semi-final.

Hartford and Lomira are the only other area teams still alive in the girls basketball tourney. Lomira beat Columbus 54-51 in overtime in the Dodgeand Regional, and may end up facing Chilton in the Beaver Dam Sectional final.

Hartford, meanwhile, took care of Menomonee Falls 46-40, and advanced to the Milwaukee Vincent Sectional.

## NOTICE OF REFERENDUM ELECTION APRIL 6, 1993

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, April 6, 1993, the following advisory referenda on gambling will be submitted to a vote of the people pursuant to law:

QUESTION 1: "Do you favor a law that would allow gambling casinos on excursion vessels operating in this state on the Mississippi river, Lake Michigan and Lake Superior?"

QUESTION 2: "Do you favor a constitutional amendment that would restrict gambling casinos in this state?"

QUESTION 3: "Do you favor a law that would allow video poker and other forms of video gambling in this state?"

QUESTION 4: "Do you favor continuing to allow pari-mutuel on-track betting on races in this state, such as horse, dog and snowmobile races?"

QUESTION 5: "Do you favor continuing to allow the state-operated lottery?"

These advisory referenda are submitted pursuant to 1991 Wisconsin Act 321. A copy of 1991 Wisconsin Act 321 can be obtained from the office of the county clerk, or the Legislative Documents Room at 1 East Main Street, Madison.

NOTICE IS FURTHER GIVEN, that at the same election, the following proposed amendments to the Constitution of the State of Wisconsin, having been approved by two successive legislatures, will be submitted to a vote of the people pursuant to law:

QUESTION 6: "Rights of victims of crime. Shall section 9m of article I of the constitution be created requiring fair and dignified treatment of crime victims with respect for their privacy and to ensuring that the guaranteed privileges and protections of crime victims are protected by appropriate remedies in law without limiting any legal rights of the accused?"

This referendum is a result of 1993 Senate Joint Resolution 3. A copy of 1993 Senate Joint Resolution 3 can be obtained from the office of the county clerk, or the Legislative Documents Room at 1 East Main Street, Madison.

QUESTION 7: "Gambling expansion prohibited. Shall article IV of the constitution be revised to clarify that all forms of gambling are prohibited except bingo, raffles, pari-mutuel on-track betting and the current state-run lottery and to assure that the state will not conduct prohibited forms of gambling as part of the state-run lottery?"

This referendum is a result of 1993 Senate Joint Resolution 2. A copy of 1993 Senate Joint Resolution 2 can be obtained from the office of the county clerk, or the Legislative Documents Room at 1 East Main Street, Madison.

GIVEN under my hand, this 24th day

## Indian Girls Run Out of Time; Eliminated by Mayville in Regional

By Noel Stollenwerk

MAYVILLE - It's tough to beat a good team on its home court twice in the same season, and that was just the task facing the Kewaskum girls basketball team here last Thursday night.

After downing Mayville in the championship game of the Mayville holiday Tournament earlier this season, the Indians had the unenviable job of playing the Cardinals in the WIAA Division 2 Regional Final here.

The burden proved to be too much to handle, as Mayville used a pair of spurts, one early and one late, to hold off the Indians, 54-52, thus ending Kewaskum's season prematurely.

"We didn't play all that well," KHS coach Glenn Eichstedt said of the contest. "We had to change our game-plan in mid-stream."

That was because the Cardinals came out smoking in the opening quarter. Mayville jumped out to a 10-0 lead, and maintained that margin, leading 17-7 after one quarter.

"They came roaring out of the blocks," Eichstedt said of the hosts, who hit seven of their first eight shots from the floor. "We were just the opposite - we were getting wide-open shots down low, we just weren't knocking the down."

Mayville's 5-11 sophomore, Amy Williams was a one-person

wrecking crew, scoring eight of her team-high 15 points in the opening period.

"She was a big factor," Eichstedt said. "Everything seemed to be going their way. We just had to get ourselves in control."

The Indians played better in the second quarter, but were unable to cut much of the deficit. Mayville's Jill Luedtke hit a pair of three-pointers and added another basket, as the Cardinals held their own. With 6-3 senior Robyn Winninghoff strapped with three fouls, the Indians found themselves down 31-23 at the half.

"They played a great first half and we didn't," Eichstedt said, pointing to the Cardinals' 13-of-24 shooting from the floor in the first half. "I was confident that we'd make a run."

His team did just that in the third quarter, outscoring Mayville 10-2 in the first two-and-a-half minutes, tying the score at 33-all. But just minutes later, Winninghoff picked up her fourth personal, and Kim Sabish her third, as the Indians were once again hurt by foul trouble.

"That was a big point in the game," the KHS coach said. "We had the momentum and had established control. That (the fouls) just kind of took us out of it. We became very tentative...didn't keep up our inten-

sity on defense."

Still, the Indians were down just two, at 37-35 heading into the fourth. But Nicole Walter keyed an 8-0 Mayville run, hitting a pair of three-pointers to put KHS down 10 with just over 5:00 to go.

Mayville maintained their ten-point lead for the next several minutes, and led by nine, at 50-41, with just 2:21 to play. But as has been the nature of the Indians this year, the team didn't give up.

KHS was forced to foul, and the Cardinals kindly obliged by missing free throw after free throw. Ginger Wiesner made it 53-49 on a steal and layup with under a minute to go, and Julie Mertz cut the gap to just one (53-52) with a 35-foot jumper with :07 left.

After an Indian timeout, which took three seconds to stop the clock, Walter was fouled and made the first free throw, giving Mayville a two-point cushion with :02 left.

"I think they purposely missed the second (FT)," Eichstedt said, noting that the Indians were able to get the ball to halfcourt, but were unable to get a shot off in time. "Boy, a couple of seconds could have made a difference. We just ran out of time."

Eichstedt admitted that those seconds could have been saved if

the Indians had fouled a bit quicker over the final minute. "We were taking too much time," he said, adding that he had nothing but praise for the Cardinals.

"They outthusted us and they deserved to win," Eichstedt said. "They did the things they had to do. It's just real disappointing...very hard to take."

Wiesner finished with 17 points, despite being "noticeably nervous" in the early going. "She played hard," Eichstedt said of the junior.

Winninghoff wound up with 15 points, despite playing just three quarters because of the foul trouble. Bonnie Schlice also hit double figures, scoring 12 points. "She did an excellent job in bringing us back."

Eichstedt was all the more disappointed when he learned that

New Berlin Eisenhower, who hosted the Sectional, was eliminated by Whitnall 48-43.

"Everything was set up for us," he said. "We just didn't take advantage of the opportunity."

I feel especially bad for our seniors," he went on. "It's just really frustrating."

The Indians finished the season with a 14-8 mark, while Mayville improved to 16-5. The Cardinals went on and beat Waupun in the Regional final at Kewaskum, 50-47, thus advancing to face Brown Deer in the Sectional.

KEWASKUM (7-16-12-17) — Sabish 2, Winninghoff 15, Schlice 12, Mertz 2, Wiesner 17, Bruendl 2, Free Throws - 13 of 20, Fouls - 22.

MAYVILLE (17-14-6-17) — Luedtke 7, Williams 15, Walter 13, Rosin 13, Keller 6, Free Throws - 14 of 25, Fouls - 19.

## Smith Leads KML Into State Tourney

By Noel Stollenwerk

MADISON — All is not lost for area high school basketball teams.

Led by Kewaskum's Brian Smith, the Kettle Moraine Lutheran boys joined the Charger girls squad in the WISAA State Tournament, as both Charger teams won the Division 2 Regional here.

The KML boys beat Madison Holy Name 82-65 in the Regional semi's, as Smith hit 13-of-17 shots on his way to a 29-point effort.

Smith canned 24 points in the Chargers' 69-48 win over Watertown Northwestern Prep in the finals, thus earning KML a trip

to the WISAA State Tourney, this weekend at the MECCA Arena in Milwaukee.

The Chargers (19-4) will open play Friday afternoon (5:45 p.m.) against Fond du Lac St. Mary's Springs (21-3), who beat Winnebago Lutheran 58-51 to earn a state berth.

The KML girls will also be in action at the MECCA this weekend, as they took care of Lakeside Lutheran 45-42 in the Regional final. The KML girls will be making their sixth straight visit to the WISAA State Meet.

The Lady Chargers (20-2) will open state tourney action at 8:30 a.m. Friday, when they take on Shoreland Lutheran (20-4).

## Wiesner's Defense Sparks KHS Girls

By Noel Stollenwerk

KEWASKUM — Port Washington did its best to slow the tempo in the early-going of its WIAA Division 2 sub-Regional game with Kewaskum here, last Tuesday night.

But the Indians' Ginger Wiesner sparked the KHS defense in the second quarter, coming up with back-to-back layups off of steals, helping propel Kewaskum to a 57-46 win over the Pirates.

The win improved the Indians record to 14-7, and advanced them to the Regional final against Mayville. Port Washington finished the year 10-10.

"They knew if they ran, it would be to our advantage," KHS coach Glenn Eichstedt said of the early-going, when Port was able to build a 12-10 lead. "They were very patient offensively, while we came down and kind of hurried our shots."

But the Indians were able to force the action in the second period, as Kewaskum's defense began to give the Pirates problems.

"We picked up the pace in the second quarter," Eichstedt said. "We started to take over defensively. We were doing things well."

Eichstedt got a good effort from his bench, as Julie Mertz and Ali Bruendl came in and scored seven points, helping the Indians gain a 23-17 lead.

That's where Wiesner took over, as she came up with a pair of steals, and subsequent layups,

in the final half-minute to push the margin to 27-17 at halftime.

The junior guard then teamed with 6-3 senior Robyn Winninghoff to provide a 1-2 punch that didn't allow Port to get back in the game. The pair combined for all 11 of the Indians' third-quarter points, as Kewaskum held a 38-27 lead going into the fourth.

"We didn't allow them a run to get back into it," Eichstedt said of the second half. "I only had one concern, and that was that they were a good free throw shooting team. And the game was called real tight."

Eichstedt worries came to surface in the final stanza, as the two teams combined for a whopping 43 free throw tries in the period. But the Pirates didn't show much worth from the line, finishing the game connecting on just 20 of 39 tries.

Still, Port was able to climb within six, at 52-46, with about a minute to play. But KHS converted seven of 10 tries from the

charity stripe the rest of the way, sealing the win.

"They gave us a challenge," Eichstedt said of the Pirates. "I was real pleased with our effort. We got to play everybody, and everyone contributed. It was team effort all the way."

Wiesner finished with a game-high 19 points, while Winninghoff added 15. The KHS defense again was the key, holding Port to just 21 percent shooting (12-55) from the floor. The Pirates managed just five field goals the entire second half.

PORT WASHINGTON (12-5-10-19) — VandeHeiden 3, Basille 13, Runkle 13, Wester 1, Tucker 4, Thompson 2, Lucas 10, Free Throws - 20 of 39, Fouls - 27.

KEWASKUM (10-17-11-19) — Wiesner 19, Winninghoff 15, Sabish 3, Mertz 4, Schlice 2, Radtke 2, Bruendl 5, Fleischman 5, Kreiser 1, Schmidt 1, Free Throws - 21 of 35, Fouls - 28.

## Winninghoff Among EW Leaders

By Noel Stollenwerk

KEWASKUM — There were two constants for the Kewaskum girls basketball team this past season. One was the Indians' tenacious defense, and the other was the consistent play of 6-3 senior Robyn Winninghoff.

Both were represented in the final Eastern Wisconsin Conference statistics, released this past week.

The Indians finished first in the EW in defensive field goal percentage, allowing foes to shoot at a stingy 26.8 percent rate from the floor. KHS finished third in the league in points allowed, giving up just 35.8 per game, while scoring 41.9.

Winninghoff finished third in the EW scoring race, averaging 14.2 points per game. Chilton's 1-2 punch of Buddy Dallmann and Stacey Reimer were the top two scorers, with averages of 15.6 and 15.3, respectively. Kewaskum's Ginger Wiesner finished sixth with her 9.5 average.

Winninghoff came in a strong second in the rebounding race. Winninghoff's total of 126 boards (10.1 per game) was only bettered by Two Rivers' Shannah Miller, who grabbed 132 (11.0). The Indians' Missy Radtke was fourth, with 106 rebounds.

Bonnie Schlice capped off a fine year, finishing fourth in the

EW in assists with 30, while she was fifth in steals (25). Kim Sabish, meanwhile, ended up fourth in the league with her 41.4 percent field goal average, while Winninghoff was fifth (40.8 percent), and also fifth in free throw percentage (65.1 percent).

As a team, Kewaskum led the EW with 205 offensive rebounds, and were second in field goal percentage (36.3 percent).

A weak area for the Indians was their three-point shooting. KHS made just three-of-21 shots from three-point land, both of which were league lows.
