Most Area Candidates Running Unopposed Village President Race Among Those To Be Decided In Tuesday's Election

By Noel Stollenwerk

KEWASKUM - With the 1992 political elections to be remembered for two underlying themes - one as the year of the woman in politics, and the other as the year of change - a pair of village residents are eager to see what theme is still on the minds of voters come time for the general election this Tuesday.

Village President Mary Krueger is being challenged by Trustee Robert Wagner for the top spot on the Village Board, and both have similar ideas for the future of Kewaskum.

"I think I have done a very good job," Krueger said in assessing her reign as president, which has lasted for two-and-a-half years. "We've held the line on (property) taxes, and that really says something. You're just not able to raise them at will anymore (because of the public outcry)."

Krueger says one of her main goals if re-elected would be to promote small business growth, with the possible development of a light industrial park in the village. In addition, she feels that the library system should also be promoted.

"I think that it (library system) is sometimes overlooked," Krueger said, noting that she also wants to take a look at multi-family housing, and whether or not it will be beneficial in the long run for the village.

"You have to take a lot of things into consideration," she said of the housing expansions. "I think people here like the small-town atmosphere and flavor, and they would like the village to stay as it is."

Wagner, who moved here about four years ago, agrees with Krueger that the village is headed in the right direction, although he has other ways to improve it.

"I think it's a great town," Wagner said. "But I feel right now, the biggest problem we face is a lack of communication (between residents and Board). There seems to be a real communication problem."

One of his goals if elected would be to form a type of advisory board, which would be made up of different organiza-

tions in the village. Wagner hopes this board might be able to get communication flowing more freely between the school systems, Chamber of Commerce, and neighborhoods.

"You'll find that other things will improve if the communication does," Wagner said of his goals. "I feel that right now, none of these groups are talking to each other."

As for his goals for an industrial park, "That may be harder to achieve," he said, although he would still like to see one built in the village. Being some what of a newcomer to the village, he also feels that is in his advantage. "Not being from the village, I would bring a more unbiased opinion (as president)."

Wagner has been a village trustee for the past two years.

With Wagner relinquishing his role as trustee, that leaves one spot open. Charles Waala was the lone resident to file papers, and will run unopposed for the spot. Robert Beisbier and David Goeden will also run unopposed in their bid for re-election as trustees.

Three terms are up in the race for for Board of Education seats. School Board members Janet Wolfenberg, Ruth Schmitt and Ron Beimbom all have filed for re-election, and will run unopposed.

Also running unopposed in Tuesday's elections will be Town of Kewaskum Chairman George Allmann, Town Supervisors David Dorn and Richard Welch, Town Clerk

Barbara Wenzlaff, and Town of Kewaskum Treasurer Daniel Stoffel.

The lone other race in the area that is being contested is for the Town of Wayne Treasurer, where Barbara Wagner faces a test from Gerald Schulz.

Village voters will also have their say in the race for the Superintendent of Public Instruction, where Linda Cross and John Benson are running for the seat vacated by Herbert Grover, who decided to retire last year.

Pre-School to Be Held at KHS

The child development classes of Kewaskum High School will be conducting their semi-annual pre-school from May 4 to May 21 from 9:20 to 10:50 a.m. The pre-school is under the direction of Mrs. Carol Martin and is taught by the juniors and seniors in the child development class.

The pre-schoolers will have the opportunity to participate in storytime, music, art and other creative activities during the 12-day session. The cost is FREE. Parents with 3, 4 or 5-year-olds should call the High School Office at 626-2166 for information or to register their child.

Registrations will be taken on a first-call basis.

Hill Park at 1:00 p.m. on Saturday, April 10.

All area children are invited to participate in this annual scramble for colored eggs. This year, the children will also have a chance to visit with Mr. and Mrs. Easter Bunny, courtesy of the Kewaskum Junior Woman's Club.

Children age five and under will "hunt" eggs on the east side of the river and those age 6 and over will do their hunting on the west side of the river.

In case of inclement weather, Legion members and Mr. and Mrs. Bunny will be on hand at both places to hand out eggs and candy to the little ones.

Refuse/Recycling Disposal And Collection Policy

The Village Board of the Village of Kewaskum, Wisconsin have recognized the need to provide the Refuse/Recycling Disposal and Collection Service to the Village. Certain points of clarification should accompany Ordinance No. 93-5.

1. In reference to 17.07 the day of the week designated as refuse and recycling collection day shall be every Wednesday of every week unless specifically noticed within the official Village Newspaper.

2. In reference to 17.17 (3) regarding the license fee request from those contractors, persons engaging in the collection and disposal of refuse and recyclables shall be required to purchase a license on an annual basis at a cost of \$5.00 per year.

3. In reference to 17.21 (2) regarding collection fees charged to tax exempt properties. The fee shall be determined by the amount and/or size and number of containers placed for disposal and collection. The fee shall be determined by the amount and/or size and number of containers placed for disposal and collection. The fee shall be the identical amount paid by the Village for said service from the contractor, plus 10% for handling and billing.

4. In reference to 17.24 regarding the replacement of the 18 gallon recycling bin if such bin is lost, stolen or destroyed, shall be the property owners responsibility and can be purchased at the Municipal Building at a cost of \$6.00.

5. In reference to 17.24 (1) regarding providing curbside recycling service to multi-family units on a bi-monthly basis. This service will be provided the first and third Wednesday of each month unless specifically noticed within the official Village Newspaper.

6. In reference to 17.24 (1) regarding the fee for providing the multi-family units bi-monthly recycling service. It will be billed to either the property owner or tenant depending on which party receives the quarterly water and sewer utility billing. It will be billed on the same cycle and will be billed at the actual amount being billed to the Village by the contractor plus 5% for handling and billing.

It should be noted that the contract prices are subject to annual adjustments January 1st, every year and those adjustments may affect those related fees mentioned above.

Bettin Recognized as Top Woman Scholar

Ivy E. Bettin

Ivy E. Bettin of Lafayette, Indiana, has been named among the Distinguished Students in the Spring, 1993 graduating class of Purdue University.

Her parents, the Rev. and Mrs. James Bettin of Peace United Church of Christ in Kewaskum, received news of her class distinction in a letter from Dr. Steven C. Beering, President of Purdue.

Bettin is one of 31 students receiving recognition for a constant 6.0 (A) grade index in the graduating class totaling 4,380 students. She is also one of 14 women recognized as a Top Woman Scholar of Purdue in the Alpha Xi Delta award for 1993.

These honors will be awarded on April 16 at the University Honors Convocation at the Purdue Hall of Music in West Lafayette. The graduation will take place on May 15 and 16 at four separate ceremonies.

When Bettin receives her Bachelor of Arts degree from Purdue's School of Liberal Arts, her parents will be in attendance. Her name will be engraved on the Alpha Xi Delta Award plaque at Purdue.

This honors award, established in 1971, is based both on grade index and the percentage of graduation credits earned from Purdue itself. All of Bettin's classes were Purdue based, including a 1992 summer art history tour of Greece. She is a 1976 graduate of Jefferson High School in Lafayette.

Bettin has worked as an artist on the staff of The

Lafayette Journal-Courier, a Gannett newspaper, as well as an advertising artist at *The Lafayette Leader*, a weekly publication. She illustrated a series of educational news releases syndicated nationwide by Purdue University. Her freelance art work while preparing for her degree has included portraiture and illustrative commissions for private and business clients in Indiana.

Currently she is doing art work for Beeson's Inc. of Lafayette and for Jack Jacovou, owner of the Parthenon and Utopia Restaurants in West Lafayette.

She became engaged to Chester Tague in December, 1992. He is employed on a supervisory level at Caterpillar, Inc. at Lafayette. No wedding plans have been announced.

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, March 23, were:

Francis Gilboy, 32-2-30 net; Ralph Laux, 16-4-12 net; Francis Gilboy, Club solo vs 4.

Paper toweling, when dampened, will make an excellent pressing cloth.

St. Joseph's Hospital, MPTC Offering Health Fair April 19

West Bend - St. Joseph's Community Hospital and Moraine Park Technical College will be offering a health fair for area residents and students on Monday, April 19, 1993. It will be held at the West Bend Campus of Moraine Park Technical College, 2151 North Main Street.

The wellness program begins at 12:30 p.m. with Marcia Reth, an exercise specialist at St. Joseph's, presenting "Walking of It" in Room L-138.

Wellness presentations continue throughout the afternoon in Room N-119. Classes include "Step Testing & Aerobics" at 1:30, "Fitness for Life" at 2:30, "Message Therapy: Benefits and Technique" at 3:30, "How to Relax" at 4:30 and "Eating on the Run" at 5:30.

Throughout the day there will be ongoing health-related activities, including health risk appraisals for \$5.00, which provide a computerized lifestyle assessment. Fitness walks, spirometry testing (measures lung capacity), mini massages (4 to 5 p.m.), height, weight and body shape, and vision screening will be offered, as well as access to a variety of written materials.

The Washington County Community Health Nursing Service will be in Room N-121 doing blood pressure, cholesterol (\$5.00), blood sugar (\$1.00), hemoglobin (screen for anemia at \$1.00) testing, as well as providing TB skin tests (\$1.00) and tetanus boosters (no charge). For any of the above tests or immunizations please call 334-3413 to register in advance.

This health fair is being

offered as a community service to the public and there is no admission fee.

VOTE

THE DAY HAS ARRIVED!

Well the day has finally come that we have been waiting for... my last article! No, I really mean ELECTION DAY! It is less than a week away now, so PLEASE... don't forget to VOTE ON APRIL 6!

Sometimes we can become too complacent about the election process, but it's understandable when we live in a democratic society that has worked so well for over two hundred years. The freedom to vote for our leaders is something we should cherish and not take for granted. We only need to be reminded about many countries like Iraq and Libya where they have no say on the placement of their leaders. We all should pray to God that democracy succeeds in Russia because this will directly affect each of us.

But let's bring this a little closer to home. The spring elections tend to have a poorer turnout than the fall elections because it doesn't involve any big national races. The Spring Election affects all of us more directly because they are local positions. This year it's even worse due to all the uncontested local races... except for Village President.

The race for Village President makes this a very important election. It is imperative that we have a large turnout because I need each and every one of your votes. It will be a close race. Even if you vote for my opponent, that's OK too, because I'm proud of you for practicing your freedom to vote.

Again, if I am elected to be your President, I will not disappoint you. I will be very visible and accessible, not to mention, you will be hearing from me on occasion in the paper. Let's not forget about communication.

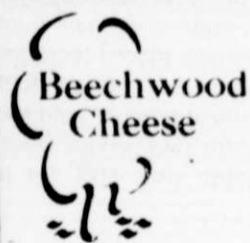

Well, I kept it short this week, sometimes I don't know when to stop talking. I also kept my promise and have a picture this week. To be frank with you, I was a bit worried about doing this. I figured that once you saw my mug in the paper... it would keep people running AWAY from the polls. The members of the Kewaskum Fire Department had a lot longer time to adjust to me.

Please don't forget the April 6th Election Day, and remind your friends and neighbors to vote. When you do...

Please Vote

Art Exhibit at Valley Bank

Joyce Wood from the Valley Bank looks at art work that is on exhibit in the lobby of the bank until April 1.

Peggy Henke, elementary art instructor, puts finishing touches on the art work from Wayne Elementary School.

The Valley Bank of Kewaskum is hosting an art exhibit from the the Kewaskum Public Schools through April 1st.

On display is artwork from Farmington, Wayne, and Kewaskum Elementary Schools, Kewaskum Middle School, and Kewaskum High School. The variety of art work includes pottery, sculpture, jewelry, painting, gauze masks, calligraphy, paper marbling and drawing.

This exhibits in celebration of YOUTH ART MONTH and is a wonderful example of the creative talents of art students.

Campus Notes

John R. Jalas, of 514 Lin de Lane, Kewaskum, was named to the President's List at Tyler Junior College, Texas for the fall semester, 1992.

The outstanding academic achievement which qualified John for this honor reflects considerable credit on both his scholastic ability and personal dedication.

John is the son of Mr. and Mrs. Thomas Jalas.

SHEEPSHEAD WINNERS

5 handed winner's on Wednesday, March 24th were: Edward Kruth, 66-7--59, 16-5--11; Vern Schneider, 62-4--58, 22-3--19; Hans Boegel, 65-12--53, 21-7--14; Gabby Gavin, 67-16--51, 27-9--18; Walter Schmidt, 56-6--50, 16-3--13; Ella Smith, 46-5--41, 18-3--15; Bob Kuells, 55-14--41, 21-7--14.

The next 5 handed will be Thursday, April 1st, at 8:00 p.m. sharp cash prizes & Wednesday, April 7th, Schmitt's Never Inn.

Twelve Attend Writer's Conference

Twelve Holy Trinity students were among 108 students from six area parochial schools who convened at Holy Angels School in West Bend on Thursday, March 25th to participate in the first Annual Young Writer's Conference.

The theme of the day-long conference was "Whale Tales". Milwaukee author Robert Siegel, who has written "Whalesong" and "White Whale", was the author in residence for the day providing inspirational tips to the young writers as their creative minds worked.

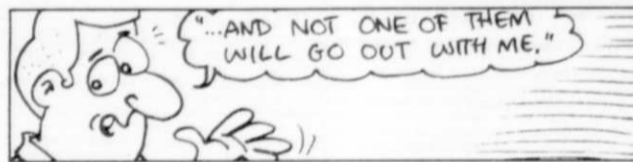

After a brainstorming session amid whale music and seashell decorated tables, each student wrote a short story that will eventually be published in a

book of essays entitled "Writing: Whale Tales". Each student and teacher participant will receive a copy to be distributed later this spring. Copies will also be available at each school library.

Those participating from Holy Trinity were Maggie Herriges and Scott Herman, Grade 3; Jon Boedeker and Emily Rinzel, Grade 4; Jenny Kraft and Angie Thull, Grade 5; Mary Lehmann and Luke Martin, Grade 6; Andrew Kuehl and Becky Stoffel, Grade 7; and Ann Bodden and Julie Giese, Grade 8. Participating teachers were Sister Janet Heder, Mrs. Mary Kollmorgan and school principal, Mrs. June Gauvin.

Births

KFD Fire and Rescue Squad Calls

Tuesday, March 23, 8 a.m. - The Kewaskum Fire Department was summoned to Hwys. H and 45 when a utility pole was found burning about three feet from the top. The electric company was called and the fire was put out.

Tuesday, March 23, 8:53 p.m. - The Kewaskum Rescue Squad was called to Hwy. 28, Allenton, when a male patient suffered a possible stroke earlier in the day. He had passed away before the squad arrived. There was no transport.

Wednesday, March 24, 8:01 a.m. - The Kewaskum Rescue Squad responded to a call to Maple Dale Manor in Kewaskum when a female resident fell and hit her head. She was transported to St. Joseph's Hospital in West Bend.

Wednesday, March 24, 9:42 p.m. - The Kewaskum Rescue Squad was called to Memorial Drive in Kewaskum when a female patient was suffering chest pains and having difficulty breathing. She was transported to St. Joseph's Hospital in West Bend.

Thursday, March 25, 11:01 p.m. - The Kewaskum Rescue Squad responded to a call following a one-vehicle collision. The male driver crawled out of the car and was transported to Shefond Mobil Station in Kewaskum by a passing motorist. He was then transported to St. Joseph's Hospital in West Bend by the Kewaskum ambulance.

Sunday, March 28, 1:48 p.m. - The Kewaskum Rescue Squad was dispatched to Hwy. 45, north of Kewaskum, when a seven-week-old infant fell off a table, struck her head and suffered a laceration to the top of her head.

She was transported to St. Joseph's Hospital in West Bend.

Sunday, March 28, 1:52 p.m. - Four minutes after the first dispatch, the Kewaskum Rescue Squad received another call to Hwy. A, Town of Farmington. A man was cutting wood on a saw, when a piece flew up and hit him in the face and chest, rendering him unconscious. He was revived by the time Kewaskum's second squad arrived, however, he was still transported to St. Joseph's Hospital in West Bend.

AARP to Hold Potluck Dinner

AARP (Association of Retired Persons) will hold a potluck dinner at the Senior Center, 401 E. Washington St., West Bend on April 7 at 1 p.m. Bring your own place setting.

The monthly meeting will follow the dinner and the speaker will be John Reid from the West Bend Library.

Happy 21st Birthday STEVE!

Town of Osceola Supervisor Meets With Linda Cross

Town of Osceola Supervisor Tommy Thompson, left, recently interviewed State Superintendent of Schools candidate Linda Cross, right.

As a representative of the people, Town of Osceola Supervisor Tommy Thompson recently met with Linda Cross, candidate for State Superintendent of Schools, as part of his program to inform his constituents. He asked her views on a number of key issues affecting the deteriorating public school system in the state. Those views follow.

1). Linda Cross feels that the present Mediation-Arbitration Law needs to be modified to return some control to local school boards, to bargain for wages and benefits in a way similar to private employers.

2). Linda Cross is against just throwing more money into a dysfunctional system.

3). She is in favor of school choice to give parents the freedom to choose public or private schools with a tax break or a voucher if they choose to not use the public or private schools with a tax break or a voucher if they choose to not use the public school system.

4). She is against unfunded state mandates.

5). Linda Cross is in favor of alternative sources for school funding, saying the present source from property tax is an unfair tax and is literally taxing people out of their homes, farms and businesses.

6). She is in favor of a cap or cost of living on teachers salaries and benefits.

7). She is in favor of tax incentives for businesses who will work with the school systems in offering a Vocational Program to help teach students by giving them job training and hands-on experience, so they can offer more than a diploma when they get into the work force.

8). Linda Cross is against Outcome Based Education where standards are lowered so all students eventually get As and Bs which reduces the incentive of the good students. In addition schools under this program are seldom awarded scholarships.

9). Linda Cross is against a

curriculum containing sex education and alternate lifestyles. She feels parents should have the right to object to such curriculums.

10). Linda Cross is in favor of first teaching the basics and how to learn, because she feels learning is a lifelong experience. Future employers will then be more able to train prospective employees if they have been taught to learn.

Tommy Thompson added "this is a very important position and every eligible voter in the state should get out on April 6th and VOTE!"

Mr. Thompson can be reached for comments, or additional information, at W11623 Woodland Drive, Campbellsport, WI 53010. Telephone (414) 533-4994.

DIETARY GUIDELINES

Avoiding obesity and cutting down on total fat intake are just two of the American Cancer Society's dietary guidelines for reducing the risk of cancer. To learn more about these and other guidelines, contact your local American Cancer Society and tell them you want to start Eating Smart.

St. Joseph's Hospital Offering Program On Knee Pain Apr. 12

St. Joseph's Community Hospital of West Bend is offering area residents an opportunity to learn about "Knee Pain" on Monday, April 12, 7 p.m., at the hospital.

The program, presented by Francis X. McCann, M.S. of the General Clinic, will focus on both acute and chronic knee pain, including arthritis and athletic injuries. In addition, the program will also explore diagnosis and treatment options.

This medical offering is free of charge and a community service of St. Joseph's Community Hospital. Advance registration is requested.

To register or for more information, contact the hospital's health promotion department at 334-8268.

Campus Notes

WAUKESHA, WI - The Carroll College Concert Choir, under the direction of Dr. Mark Aamot, professor of music, toured midwestern and southern states in March.

Their itinerary included performances in New Orleans, Louisiana; nine cities in Illinois, Indiana, Kentucky, Tennessee, Arkansas, Mississippi, Louisiana and Missouri. In addition, they will travel in Wisconsin to Janesville, Columbus, Neenah and Fond du Lac.

The tour's final concert will be held Sunday, April 4 at 2 p.m. in Carroll's Shattuck Auditorium, located near the intersection of East Avenue and Wright Street in Waukesha. The concert is free and open to the public.

Each year the choir tours throughout the United States, and every third year they tour in Europe.

There are 60 members in this auditioned choir. Members of the choir include:

Nancy C. Neumann, a freshman elementary education major, daughter of Mr. and Mrs. Roger Neumann of 4265 Hwy. H West, Kewaskum.

Grahl - Melzer

William and Karen Grahl of Kewaskum, along with Janet and Robert Melzer of Allenton, are pleased to announce the engagement of their children, Laurie and John.

The bride to be is a 1986 graduate of Kewaskum High School and received a degree from UW-Oshkosh in 1991. She is employed as an Early

Childhood Special Education teacher at Threshold in West Bend.

The future groom is a 1980 graduate of Kewaskum High School and is engaged in farming, along with his father and brother.

A September 4, 1993 wedding is being planned by the couple.

County Immunization Clinics Offered

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. APRIL clinics are:

APRIL 6 - 2 to 5 p.m. — Public Agency Center, Lower Level, Room 1145 at 333 E. Washington St. and Indiana Ave., West Bend.

APRIL 13 - 1 to 4:30 p.m. — Germantown Senior Citizen Center, W162 N11960 Park Avenue, Germantown.

APRIL 20 - 1 to 4:30 p.m. — Hartford City Hall, 109 N. Main Street, Hartford.

APRIL 27 - 9 to 11 a.m. & 2 to 5 p.m. — Public Agency Center, Lower Level, Room 1145 at 333 E. Washington St. and Indiana Ave., West Bend.

Parents must bring their records of each child's past immunizations to clinics. Immunizations will not be given without a record card.

For further information, call 335-4462, 644-5204 or 342-2929.

Marriage Licenses

Michael Terence Broderick, Camp Lejeune, N.C., and Susan Kay Boettcher, Ashford.

Bonlender - Waechter

Nancy L. Bonlender and Todd R. Waechter were married Feb. 26th, 1993 during a 6 p.m. ceremony at The Chapel by the Sea Church, Ft. Meyers, Florida with Pastor Jafvert officiating.

Parents of the couple are Ervin and Elizabeth Bonlender of Kewaskum and Ward and

Shirley Waechter of West Bend.

Sherry Grabarczyk, friend of the bride, was the maid of honor and Scott Holtz, friend of the groom, was the best man.

Nancy is employed at West Bend Savings Bank and Todd is employed at Ward Tool & Die, West Bend.

Scout-O-Rama at Paradise Mall

Paradise Mall, 1530 S. Main Street, West Bend, will come alive with "Scouting In Action" as Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, conducts their Scout-O-Rama, Saturday, April 3. The opening ceremony at 11:00 a.m. will kick off the activities of Cub Scouts and Boy Scouts from Ozaukee County, Random Lake and Washington County.

The public is invited to view the exhibits; sample Dutch Oven cooking; participate in booth competition, such as the Pinewood Derby, Rocket Derby and Sailboat Regatta; and use hands-on instructions to make rope, headbands, neckerchief slides, miniature drums and rock caricatures.

Information on religious awards for Scouts and adult Scouters of all religions will be displayed and addresses for applications will be available.

Scouting Program information will be available at the District Booth, where award books, pamphlets and Scout memorabilia will be on display.

The show will conclude at 4:30 p.m., but some of the exhibits will remain through Sunday.

For additional information, contact Scout-O-Rama Co-Chairmen James Feyrer at 677-2969, or James Sandborn at 377-0545.

Lead Screening Tests Available

Lead screening tests will be available for children, up to age 6, at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145. (Enter parking lot off of Indiana Avenue).

The screening will be held Wednesday, April 7, 1993, from 9 to 10:30 a.m. by appointment.

Childhood lead poisoning is one of the most common pediatric health problems in the United States and is entirely preventable. Children at greatest risk of lead poisoning are those who live in a house or building built before 1960 or those living in an older home that is, or recently has been, remodeled. Lead poisoning can occur in a young child without the parent being aware of the problem.

For more information call 335-4462, 644-5204 or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

PUT ABILITY IN DISABILITY

Recycle Old Bulbs

Businesses, institutions and offices should recycle old fluorescent lamps and light bulbs rather than dispose of them in landfills, according to the Wisconsin Department of Natural Resources.

The DNR has developed a policy encouraging lamp and bulb recycling that protects the environment. Waste lamps that aren't recycled are subject to hazardous waste regulations that usually require storage, transport and other licenses or approvals from the DNR.

Fluorescent lamps and bulbs are regulated as hazardous wastes because they contain toxic heavy metals. If they are burned or thrown into landfills, the mercury and lead can be released into the environment, where contamination problems may occur. The types of lamps which meet these regulations as hazardous waste are: fluorescent; sodium-vapor; high- and low-pressure mercury vapor; and high intensity discharge (HID). Incandescent light bulbs contain lead at levels that exceed hazardous waste limits and should also be recycled.

Households are not subject to Wisconsin hazardous waste regulations, so this policy does not apply. However, homeowners are encouraged to safely store their old fluorescent lamps and incandescent light bulbs until a local recycling option becomes available.

For more information on how to recycle and transport fluorescent and other hazardous waste lamps and bulbs, contact Walt Ebersohl with the DNR at (414) 961-2713.

Horses first started wearing horseshoes about the year 900 in Europe.

Dundee Mill Park Annual Dinner-Dance

The Dundee Mill Park Committee held their annual dinner-dance on Sat., March 13th at the Amerahn. Around 150 people attended.

After a great dinner, several appreciation certificates were presented to area people for their help with the Mill Park. These certificates are figured on a donation of \$1,000.00 in cash, products, or work. They were presented to Leo Brown, Leo Lohse, Kloke Ready Mix, C.C. Cody, Upland Springs-Gene Bemis, Anita Anderegg, Andy Stoffel, and Rademann Stone and Landscaping Co. Wood plaques were presented to Bill Braatz, Poch Trucking, Jim Pfantz, J.&J. Baumhardt, Wis. Power and Light, Mark Schultz, and Otto Ramthun. These plaques are figured on a donation of over and above \$1,000.00 in cash, product, or work.

Our guest speaker for the evening was Anita Anderegg.

Fond du Lac County Executive. We are sorry that she will no longer be the County Executive as she has a real love for parks. Although maybe Fond du Lac County's loss is our gain and she has volunteered to help in the Mill Park in any way she can.

The evening continued with good music provided by "Sole Survivors" with plenty of down home country plus 50's and 60's. Many line dancers were in attendance and were fun to watch and join in.

During a break in the music, the money raffle and donated prize winners names and numbers were drawn. The \$300 winner was Dave Ramthun, the \$150 winner was Wilbur Kleinke, and the \$75 winner was A. Schellhaass.

The prizes this year were too numerous to mention each one but a huge thank you goes out to each and every business that has helped to support our Mill Park. A special thank you goes to our hosts, Earl and Marie Kleinke of the Amerahn.

All in all it was an evening of good food, fun, prizes. Thanks again to all who attended.

'500 Mile Club' Breakfast Meeting

West Bend - St. Joseph's Community Hospital and Paradise Mall will hold a spring breakfast meeting for prospective and regular members of the "500 Mile Club" on Wednesday, April 21, 8 a.m., mall walkers' room, Paradise Mall.

In conjunction with the meeting, Barbara Argabright, health promotion coordinator, St. Joseph's Community Hospital, will present a program on "Exercise and Staying Motivated."

The program is free of charge and advance registration is requested.

To register or for more information, call the hospital's health promotion department at 334-8268, or the mall management office at 338-9801.

More than 69 million Americans have one or more forms of heart or blood vessel disease, according to the American Heart Association.

Survey Shows Lack of Support For Underage Drinking Policies

MADISON - Although Wisconsin law clearly draws a boundary between teens and alcohol, Wisconsin parents are less clear about the issue, according to a survey commissioned by the Wisconsin Department of Public Instruction and reported today by State Superintendent Herbert J. Grover.

The DPI advocates a "no use" policy consistent with state laws. In Wisconsin the legal drinking age is 21 and state statutes provide for penalties for anyone younger who procures or consumes alcoholic beverages or uses false identification to enter establishments that sell alcoholic beverages.

At the point of advocating a "no use" policy, schools already are at odds with one-third of Wisconsin parents, Grover said. One out of three parents surveyed preferred that schools teach students to "drink responsibly."

Although two-thirds of parents agreed boundaries are needed until age 21, they also described circumstances under they would occasionally permit their child to drink. This group of parents, 387 of the 600 surveyed, said they would allow their child to drink on special occasions or holidays (52 percent); if an adult was present (41 percent); if an adult was present (41 percent); if the child had just one or two drinks (35 percent).

They may disagree about what policy schools should advocate, but most parents agree that if doesn't make much difference. Four out of five parents surveyed strongly or somewhat agreed that there's a phase kids go through when they are going to experiment with alcohol no matter what parents or schools do. More than two out of three parents strongly or somewhat agreed with the statement that drinking is part of Wisconsin's culture.

Researchers surveyed 600 Wisconsin parents of past, present, and future public school

students. Although the DPI has surveyed students periodically since 1989, this was the first survey of parents.

"What we heard from parents could explain how young people are getting under, over, and even through the boundaries the state has established for alcohol consumption," said Grover.

Parents agreed on situations that clearly should be alcohol-free - for adults as well as teens. Most agreed that schools should be alcohol-free always. Four out of five agreed that beer and liquor companies should not be allowed to even sponsor high school sporting events.

More agreement is needed, however, according to Grover. "How can we persuade our young people that they can live alcohol-free if we don't believe it ourselves?" he asked. "We've deglamorized and reduced drunk driving, we've deglamorized and drew boundaries about cigarette smoking, and we can do it with underage drinking."

Schools might be in a good position to influence parents, Grover said. "Parents strongly agreed schools and communities are providing the necessary support," he reported. "Individuals didn't fare as well." Nearly half of the parents surveyed don't believe that the average Wisconsin adult is a good role model for responsible alcohol consumption.

Individuals need to follow the lead of schools, Grover said. "I challenge adults to examine their own beliefs and actions about under age drinking and work at providing the same level of support schools and communities are providing," he concluded.

To reduce your risk of heart disease follow these American Heart Association dietary guidelines: keep saturated fat to less than 10 percent of calories, total fat to less than 30 percent of calories, cholesterol to less than 300 mg per day, and sodium to less than 3,000 mg per day.

Holy Week Services At St. Lucas

Maundy Thursday, April 8, 1993 Holy Communion will be celebrated at both the 1:30 p.m. and 7:00 p.m. services

Good Friday, April 9, 1993 the 1:00 p.m. service entitled "What Wondrous Love" will review in Word and song the death of our Lord and Savior.

Good Friday, April 9, 1993 the 7:00 p.m. service will be a service of "tenebrae." Tenebrae means darkness. This is a traditional Holy Week devotion that dates back to the seventh or eighth century A.D. It is characterized by the successive extinguishing of candles as the service progresses. Every word of Tenebrae is from the Scriptures.

Easter, April 11, 1993 will be celebrated with a Sunrise service at 6:00 a.m. entitled "Risen Indeed!" The Festival Services will be held at 8:30 a.m. and 10:15 a.m. Holy Communion will be celebrated in these two services.

The Youth Group of the congregation will again be hosting their annual Easter Breakfast. It will be held in Hoenecke Hall (the school gym), serving will be from 7:00 a.m. - 8:00 a.m.

You are invited to remember the Lord's death and resurrection with us at St. Lucas Lutheran.

St. Lucas Church Service

Services this weekend at St. Lucas Lutheran Church, 1417 Parkview Dr., Kewaskum, WI.

Worship Sat., April 3rd, 7:00 p.m.; Worship Sunday, April 4th, 8:00 a.m. & 10:15 a.m.; Sunday School and Bible Class 9:00 a.m.

Caring About Your Family

Have you ever wondered why some families are happier than others? One reason could be because they show how much they love and care about each other. They make each other feel good by what they do and say. Everyone likes to hear kind words. Giving positive affirmation, support and love to family members is essential for individuals to feel content and satisfied in their family life. Tell the people in your life that you appreciate them. We are often guilty of not taking the time to say the positive things that family members do. "Thank you for helping with the dishes." "You did a great job on your test." "I'm really proud to have you as my son/daughter." "Thank you for taking the time to listen to me."

Children gain much of their sense of self-worth from the love, praise and support their parent(s) and other significant people in their lives show them. To be effective this love and support must be unconditional. Adults also need unconditional

affirmation and support. Parents, spouses and significant others in our life need to know they are valued and loved by those people who are important to them. Think about how you feel inside when someone tells you how much they love you or how important something you did meant to them. I'm sure you felt warm inside and good about yourself.

Research shows that all family members need emotional love and affection. Caring, supportive relationships among people, whether family or friends take time to develop. They grow out of spending time together and learning more about one another. I can not tell you enough how important it is to take time each day to affirm one another and enjoy the special caring relationships that develop in our family. Don't take your family and what they do for granted. Show them just how much you care! Take time to say something positive each day. You will be glad you did.

MONICA KRAHN

Monica "Mickey" Krahn, 62, of Beechwood, passed away on Thurs., March 25, 1993 at her home.

She was born on March 3, 1931 in Milwaukee, the daughter of Walter and Mary (Yurik) Przybylowski Sr. On February 16, 1966 she was united in marriage to Ellis "Ollie" Krahn in Fond du Lac.

Mrs. Krahn was a member of St. Matthias Catholic Church in the Town of Auburn. She was employed at St. Joseph Convent in Campbellsport for 17 years and was the owner of the Lake Seven Resort for 13 years. She was the founder of the Night Flyers Snowmobile Club.

Survivors include her husband Ellis "Ollie"; two daughters: Christine (Richard) Matthies of Beechwood and Leslie (Richard) Clark of Naples, Florida; her mother, Mary Przybylowski of West Bend; a brother, Walter Przybylowski of Milwaukee; four grandchildren, Andrew and Bradley Matthies and Breanne and Trey Clark.

In addition to her father she was preceded in death by a son John "Hans" Zwick.

Funeral services were held at the Miller Funeral Home, Kewaskum at 10:30 a.m. with a Mass of Christian Burial at St. Mathias Catholic Church in the Town of Auburn at 11:00 a.m. on Monday, March 29, 1993 with Father Nicholas Goebel officiating. Burial followed in the Beechwood Union Cemetery.

Friends called after 4:00 p.m. at the funeral home on Sunday where a parish vigil was held at 8:00 p.m.

DR. LANGENFELD

Dr. Gregory P. Langenfeld, 78, of 317 Church St., Theresa, died Saturday, March 27, 1993, at his home.

He was born Nov. 12, 1914, in Theresa, a son of Peter F. and Leona Quandt Langenfeld. On June 11, 1940, he married Margaret A. Karn at Madison.

Dr. Langenfeld was a 1932 graduate of Mayville High School and received his bachelor's degree in 1936 from University of Wisconsin-Madison. He was a member of Delta Tau Delta Fraternity. In 1940, he received his doctor of medicine degree from Northwestern University. He served an internship and his residency at Milwaukee County Hospital.

Dr. Langenfeld and his wife moved to Theresa in 1942 to join his father in the medical profession. In 1992, he was honored for 50 years of medical service to the community. His father began practice in 1902.

Dr. Langenfeld was an avid golfer, sportsman and amateur photographer. He was a member of St. Theresa's Church in Theresa, Mayville Golf Club,

Theresa Rod & Gun Club, Theresa Historical Society, Theresa Chamber of Commerce, Dodge County Medical Society, Wisconsin State Medical Society and the American Medical Association.

Survivors include his wife; one son, Peter of San Diego, Calif.; two daughters, Kristin Langenfeld of Farmington, N.M., and Judith Tempy and her husband John of Mount Horeb; and four granddaughters, Amy, Claudia, Sandra and Heydi.

Preceding him in death were his parents; and one son, Dr. Mark G. Langenfeld.

A Mass of Christian Burial was held at 10:30 a.m. Tuesday at St. Theresa Catholic Church in Theresa.

The Rev. Charles Loehr and the Rev. Charles Verhalen officiated. Burial was at St. Theresa's Memorial Gardens, Theresa.

Visitation was from 5 to 8 p.m. Monday, March 29 at Koepsell Funeral Home in Mayville, where a prayer service was held at 8 p.m. Visitation also was Tuesday from 9:30 a.m. to the time of services at the church.

A memorial in his name is being established.

MELVIN E. WOLF

Melvin E. Wolf, of 223 E. Loos St., Hartford, died Saturday, March 27, 1993, at Hartford Memorial Hospital, at the age of 80.

He was born May 19, 1912, in the town of Wayne, to the late Fred and Emma (nee Schweitzer) Wolf, and married Mildred Johann on Nov. 16, 1935, at St. John's UCC.

He worked for the Kissel Car Co., The West Bend Co. and the Chrysler Corp. He was also a member of Redeemer Lutheran Church, Hartford, and the Hartford Senior Friends.

Survivors include his wife; three sons, LeRoy (Marjorie), Stanley (Betty) and Dennis, all of Hartford; eight grandchildren; four great-grandchildren, and other relatives and friends.

Preceding him in death was a daughter, Phyllis Ann.

Funeral services were Monday, March 29, at 7 p.m. from Redeemer Lutheran Church, Hartford. Rev. Frank Bauman officiated and burial was in Pleasant Hill Cemetery.

Visitation at the church only was Monday from 5 p.m. until the time of services.

The Berndt Funeral Home, Hartford, served the family.

RAYMOND G. CLASS

Raymond G. Claas, age 62, of the Town of Wayne passed away on Tuesday, March 23, 1993 at his home.

He was born on February 26, 1931 in Waukesha County, the son of the late Henry and Lydia (Gengler) Claas. On October 4, 1958 he was united in marriage to Nancy Lemberger at St. Anthony's Catholic Church in Menomonee Falls.

Mr. Claas was employed at Gehl Co. in West Bend for 27 years retiring on February 26, 1993.

Survivors include his wife, Nancy; a son, Michael, and a daughter, Louise, both at home. There was no funeral services. The Miller Funeral Home is served the family.

ALVIN A. BEDER

Alvin A. Beder, St. Lawrence, died Friday, March 26, 1993 at Hartford Memorial Hospital, at the age of 72.

He was born March 6, 1921, in the town of Kewaskum, to the late Charles and Rose (nee Beisbier) Beder, and married Anita M. Krebs on June 13, 1945, at St. Lawrence Catholic Church.

He moved to the town of Wayne at an early age. After working for various farmers in the town of Wayne area, he was employed by International Stamping Co. of Hartford for over 30 years, retiring in 1979.

Survivors include his wife; nine children, John (Mary) of Dodge Center, Minn., George (Marie) and Agnes (George) Wagner, both of St. Lawrence, Paul (Diana) of Waupun, Frank (Karen) of Hustisford, Ruth (Edward) Flasch of the town of Wayne, Lawrence (Chris) of St. Lawrence, Theresa (Charles) Vogt of the town of Addison and Claire (Michael) Nagel of DeForest; 18 grandchildren; two great granddaughters; his mother-in-law, Katherine Krebs of West Bend; a brother, Clarence of the town of Wayne; and other relatives and friends.

Preceding him in death was a daughter, Sr. Irene O.S.F.

He was a member of St. Lawrence Catholic Church, and honorary member of St. Lawrence Fire Department, past member of Washington County 4-H Program, the Local 152 of Hartford and the Kiwanis Club of Cedar Lake Home.

Funeral services were Monday, March 29, at 10:30 a.m. at St. Lawrence Catholic Church, with Fr. Alois Van Beek officiating. Burial followed in the parish cemetery.

Memorials are appreciated. The Phillip Funeral Home of Slinger assisted the family.

WILLIAM KELLER SR.

William C. Keller Sr., 81, of 415 Horicon St., Mayville, formerly a longtime resident of the Town of Hubbard, died Sunday, March 28, 1993, at Clearview Nursing Home in Juneau.

He was born July 4, 1911, in The Town of Herman, Dodge County, a son of Charles and Marie Anna Luedtke Keller. On Nov. 11, 1942, he married Mildred Neimeyer at Juneau.

Mr. Keller farmed in the Iron Ridge area before retiring and was a trucker for Mayville Canning Co. for many years. He as a member of St. Paul Lutheran Church, Mayville.

Survivors include eight daughters, Betty McVicker of Fort Wayne, Ind., Janet Wendling, and her husband Ronald of Theresa, Mildred Kliefoth and her husband Gerald, Gladys Lange and her husband Robert, and Shirley Giese and her husband Loren, all of Mayville, Mariann Thompson of Campbellsport, Verna Scola and her husband Larry of Fond du Lac, and Sharon Schaller and her husband David of St. Louis, Mo.; six sons, Ronald and his wife Ursula, Charles and his wife JoAnn, William Jr. and his wife Sue, and Daniel and his wife Barbara, all of Iron Ridge, Donald "Ike" and his wife Sue, and Robert and his wife Barbara, all of Mayville; 41 grandchildren; five great-grandchildren; three sisters, Leona Miller of Waupun, Verona Justman and her husband Arthur of Iron Ridge, and Marie Mitchell and her husband Donald of Eden; nieces and nephews.

Preceding him in death were his wife in 1981; one son,

David; one brother, Ervin; and one sister, Viola.

Funeral services were held at 10 a.m. Wednesday at St. Paul Lutheran Church, Mayville. The Rev. Daniel Brosi and the Rev. Joyce Heintz officiated. Burial was at St. Matthew's Cemetery, Iron Ridge.

Visitation was from 5 to 8 p.m. Tuesday at Koepsell Funeral Home in Mayville and from 9 a.m. Wednesday to the time of services at the church.

BRUCE M. KOTH

Bruce M. Koth, 68, passed away March 26, 1993.

He was married to the former Marjorie Schmidt of Kewaskum. After her death he married Patricia (nee Moore), and resided in Kewaskum for awhile and was employed at Regal Ware.

Survivors include his wife; two daughters, Michelle (Donald) Ricco, Susanne (Richard) Lichter, four sons, Mark (Gloria) Koth, Gary Koth, Thomas (Sara) King, and Daniel Koth; a sister, Audrey (Roger) Dropp; one brother, Rev. Arthur Koth; grandchildren Sara, Lisa, and Dana Koth, and other relatives and friends.

Bruce was a member of the Greendale American Legion Post NO. 416, a member of VFW Post No. 10519 and an American POW.

Funeral services were held Tuesday March 30, at 9 a.m. at Max A. Sass and Sons Greenridge Chapel, 4747 S. 60th St., Milwaukee; and at 9:30 a.m. at St. Alphonsus Church, 6060 W. Loomis Rd. Interment was at Holy Cross Cemetery. Visitation was Monday from 4 to 8 p.m.

A Message from the Postmaster

Hello Kewaskum Statesman readers! IS THE SUN EVER GOING TO COME OUT... AND STAY OUT??

All I have to do is drive over in a hail storm and a tornado and think that I will have been through all the weather patterns... ha, ha.

I had a great time last Saturday as I brought my sister and her daughter over to Kewaskum for the day. Introduced her to many of you at Buffy's and the Craft Show. WE HAD A GREAT DAY... a great time in Kewaskum!

As promised, this week's column will cover some more questions and answers. Let's get right into that okay?

QUESTION: I sent a letter to a friend and received it back. The address was the exact one that I have always used and just cannot understand why I got it back. I put it in another envelope, paid for another stamp and the second time it was delivered. What gives?

ANSWER: PLEASE... if that ever happens, bring it to the Post Office or give it to your rural carrier and tell them to give it to me. I have a special form that I will send with the letter to the Postmaster of that city and inquire why the piece was not delivered. We do not want you to pay extra postage on a piece of mail that we made a mistake on, and want you to assist us in correcting future errors such as this.

QUESTION: My son is in college and there is mail that he wants me to forward to him. What is the rate of postage that I need to send that on to him?

ANSWER: First class mail can be forwarded to him free of charge... as long as you do not open it. Just cross off your address, put his address on and mail it on. If there are some "funny lines" on the bottom of the envelope, (these are called barcodes and read by machines), please obliterate them. If they are not crossed off, the machine could read that (signifies our zip code) and your piece could be delayed as it would be misssent again back to Kewaskum.

Third class mail cannot be forwarded. If you want to sent it on, you would have to put it in another envelope and pay the correct postage. You may still have a question on what you could forward "free of charge" and what you have to pay for. Please do not hesitate to stop in and/or call me at 626-2575 and I will be more than happy to assist you.

QUESTION: I have moved and filled out a change of address. How long will you forward my mail and will you notify all of my correspondents of my new address?

ANSWER: First class mail will be forwarded to you for 12 months and Second class (magazines and newspapers) for 60 days. Businesses that use "address correction requested" below their return address will be notified of your change but the remainder of your correspondents will have to be notified by you of "your move." Cards to notify

your correspondents are available (free of charge but require a 19 cent stamp) at the Post Office. Please make every effort to notify your correspondents of your new mailing address.

QUESTION: I live on a rural route and cannot understand the "erratic time of delivery." It seems that on Mondays and around the first of the month, my carrier is always late. Can you give me some information on this?

ANSWER: First of all, the three rural routes in the Kewaskum Post Office are BIG!! Did you know that one of the carriers has 725 families to serve? The other two have over 550. This is the only office in the state that has ALL THREE of its rural routes with these amounts of families, miles and volumes of mail.

Monday is the heaviest day of the week. You will recall that is the day that you receive what in the Postal Service is called "marriage mail." It is the coupon book with the corresponding card. On Mondays, our carriers have to stop at every box to deliver these along with any other mail that you may have for that day.

Around the first of each month, our volume of mail is again heavy. When the carriers report in the morning, the mail is sorted to them by the clerks and each and every piece of mail has to be sorted in delivery order by the carrier.

As the Postmaster, I can attest to the "feverish manner" that each and every one of my clerks and carriers maintains to try to give you the best service possible. In wintery weather conditions, the carriers face yet another challenge. Once they get all the mail sorted, they must drive in sometimes hazardous conditions to deliver it all. I am very concerned with their safety... on and off the job. In weekly safety talks, they are instructed to drive and work safely... I need them... the Postal Service needs them and YOU need them to give the best possible service day in and day out in the most efficient manner.

I feel that I speak for each one of them when I say, "everyday is a challenge." All I expect is their 100 percent best and do feel that each and every one of my employees does strive for that on a daily basis.

Well, that is it for questions and answers this week. I hope that you found them to be interesting and informative. On March 31st, the Oklahoma commemorative (from the musical) will be on sale. Many of you have stopped in to purchase the World War II set and I will keep you advised when the third issue - 1943... A World at War, is issued.

The Priority Flat mail envelope seems to have interested many of you and do want to assure you that they are available... free of charge at the Post Office. Stop in... pick one up and if you find them useful, you may have as many as you would like for your mailing needs.

POSTAL TIP OF THE WEEK: Spring is here and some

of you may have wedding plans coming up. Please make sure that you have your invitations weighed before mailing. There's nothing more embarrassing than to have them sent through the mail - postage due.

I still recall the "nightmare" of the mom that had her daughter mail hers out and people were calling to tell her that they had to pay 23 cents as the "invites" were an over an ounce.

HAVE A GREAT DAY... A HAPPY EVERY DAY.

Your Postmaster, Bonnie

New Lottery Game Tickets on Sale to Open Baseball Season

MADISON - The lottery's new HOME RUN DOUBLER instant scratch and win game is the hot new ticket for lottery and baseball fans everywhere in Wisconsin.

HOME RUN DOUBLER offers nine different instant prizes (One for each player position on the field), ranging up to \$1,000.

To play HOME RUN DOUBLER, scratch off the latex "tarp" covering the playing field. The ticket's a winner if there are three matching dollar amounts on the playing field. For example, get \$500 three times on a single ticket and it's a \$500 winner.

If the HOME RUN DOUBLER ticket playing field has two matching dollar amounts and a baseball--It's a doubler! For example, get \$500 twice and a baseball on the same ticket and the ticket wins \$1,000 the game's top prize.

HOME RUN DOUBLER pumps 60 percent of ticket sales into player prizes, which means a winning season for this game.

HOME RUN DOUBLER tickets arrived at lottery retail locations statewide beginning Monday, March 29, with tickets distributed to all retailers by Friday, April 2, in plenty of time for the start of the baseball season.

Non-winning HOME RUN DOUBLER tickets still have a chance to make the playoffs with the weekly Home Player drawing. Send five non-winning tickets from HOME RUN DOUBLER or any other instant game currently on sale, along with name, address and signature on the back of at least one to HOME PLAYER, Madison, Wisconsin 53775. Each week five HOME PLAYER, Madison, Wisconsin 53775. Each week five HOME PLAYER winners collect prizes ranging from \$750 to \$3,000 each on the MONEY GAME Television show.

Thanks to St. Jude

Thanks to St. Anthony and St. Jude for favors granted.

M.T.

Area Window Retailers Offer Expert Advice and Service

Brighter Home Ideas book and companion video are available for a special price from your local Andersen Window Center*retailer. Priced at \$1.95 each, homeowners undertaking a remodeling or new construction project will find the

book and video offers unique window and patio door design ideas along with helpful tips for planning and completing your project. This special price is effective immediately and continues through May 31, 1993.

BAYPORT, MN -- Three local window retailers, Campbellsport Building Center, Campbellsport; Luedtke Lumber Company, Lomira; and Zuern Building Products, Allenton, have joined the Andersen Window Center (R) Program for 1993. These specialized resource centers are designed to be one-stop locations for consumers undertaking remodeling, new construction replacement projects with windows, patio doors or roof windows.

In addition to providing expert advice to consumers, Andersen Window Centers are offering a special purchase. For only \$1.95 each, consumers may purchase the Brighter Home Ideas Book and Brighter Home Ideas Video. The 120-page, full-color book highlights hundreds of Andersen (R) Feature Window combinations designed to fill a home with light and beauty. In addition, practical advice on how to work with architects, builders and banks is included. The Brighter Home Ideas video compliments the book by bringing Andersen Feature Windows to life, showing light-inspired plans for homeowners to incorporate in to their own homes. This special price is effective immediately and continues through May 31, 1993.

Andersen Window center stores offer a complete line of Andersen windows, patio doors and roof windows. The stores are also stocked with a complete Andersen literature library and Andersen displays to help consumers experience Andersen products first-hand. In addition,

many retailers host informal seminars for homeowners interested in learning more about remodeling, window replacement, planning and designing additions and other related topics.

Andersen is the most recognized brand name in the window and patio door industry. It is preferred 2-to-1 by builders and remodelers and outsells the next three largest competitors combined. Andersen Corporation is headquartered in Bayport, Minnesota and markets products throughout the United States, Canada, the United Kingdom and Japan. For more information about Andersen products, contact your local area Andersen Window Center retailers who are: Campbellsport Building Center, 227 West Main Street, Campbellsport; Luedtke Lumber Company, 900 Railroad Ave., Lomira; and Zuern Building Products, 426 Railroad St., Allenton.

IN MEMORY

In loving memory of AUGUST VOEKS, who passed away thirty-five years ago, Apr. 4, 1958:

Beautiful memories woven in gold
A gift from God we tenderly hold.

Deep in our hearts, his memory is kept.

To love and cherish and never forget.

Sadly missed by daughters and families

Let's Put Parents Back In Charge of Our Schools

By Linda Cross, Candidate
For Superintendent of Public Instruction

Parents' primary responsibility for the first 18 years is the education of their child. Study after study confirms that children are likely to succeed in school if their parents are involved in their education. Wisconsin needs a superintendent of public instruction who will put parents at the head of education, move away from state mandates, and empower local school boards and parents to make the best decisions for the kids in their community.

I have been a classroom teacher for the last 23 years, and I know from hands on experience that the studies are accurate. Children thrive in school when parents are involved not only in tutoring and extra-curricular activities, but in the entire process of setting goals and developing the curriculum programs which are designed to help students achieve those goals.

I am not advocating changes in our elected school board system, or as my opponent has stated, proposing "referendums" on curriculum or educational materials. I am simply saying that parents and local school boards should decide what's best for their children.

Over the years, my co-workers and I have, on occasion, been asked by individual parents to find an alternative reading assignment to the standard curriculum. We have always honored these requests, recognizing that an involved parent... whether or not we teachers agree with their personal philosophy... will inspire their child to grow and succeed academically.

During my campaign, I have talked about piloting school choice programs to enhance parental involvement in education. Participants in the current Milwaukee choice program are generally students who were not doing well in the public school system. I believe the children of poor and middle income parents should be afforded an opportunity to learn in the environment that best meets their needs.

Charter schools are another option that would allow public schools more flexibility in developing programs to meet the needs of children without the burden of costly state mandates. Superintendent Fuller and the

Milwaukee Public Schools passed a resolution requesting that charter schools be included in Governor Thompson's budget.

My opponent opposes parental choice in education. He also opposes charter schools. Why? Because he supports, and is heavily financed by, the educational establishment that wants to continue business as usual.

I support charter schools and will be open minded to any innovative programs that will enhance parental involvement and improve the quality of education in Wisconsin. No child should be lost to the system simply because WEAC and their candidate want to maintain the status quo.

I refuse to play politics with our children's future.

The only special interest group we should be concerned with is Wisconsin's children, and the quality of their education.

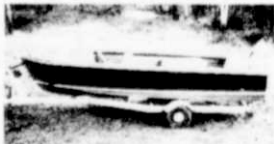

In 1992 the economic cost of cardiovascular disease will total \$108.9 billion, the American Heart Association estimates. This figure includes physician and nursing charges, hospital and nursing home costs, medications and lost occupational output as a result of disability.

Letters to the Editor

March 22, 1993

Voters of the
Township of Barton,

Hold on to your wallets, and your memories of the Old Town of Barton, and prepare for more big city planning and ideas.

Last week Dave Dourn, the current Town Chairman stopped at my residence to deliver his campaign literature. This literature indicated Dourn's plans for the future of the Town of Barton for the next two years if re-elected. I was not home at the time and could not request an explanation of his intentions, so I placed a call to Mr. Dourn's residence.

If re-elected Mr. Dourn said that he wants to widen and install shoulders on Beaver Dam Rd. I told Mr. Dourn that Beaver Dam road is one of the most scenic roads in the Township and this road should be preserved and not made into a super highway.

Mr. Dourn indicated to me that Beaver Dam road was a main East-West thoroughfare and it is not safe for the amount of traffic that utilizes the road.

I indicated to Mr. Dourn that County Highway D is one mile North of Beaver Dam road and State Highway 33 is two miles south, and both are main East-West highways that travel to Highway 41.

I would wager that the actual cause of most accidents is not the

width of the road, but caused by driver recklessness or error. Highways 41 and 45 both are four-lane and shoulders and still seem to have their share of accidents. Guess why.

If Mr. Dourn thinks that Beaver Dam road is dangerous, it is a blessing that he is not the Richfield Town Chairman as he might want to level out and shoulder the scenic Hogs Back road near Holy Hill!

Mr. Dourn also said to me that water stands on the road. I agreed with him and indicated that not only on Beaver Dam road, but I would be able to show him many county highways that have this problem during Spring thaw. I say that's part of living in the country Mr. Dourn.

Dourn's literature also said in part, "Why not leave something behind for future generations to enjoy." I agree, Mr. Dourn, why don't we!

What scares me more is that Mr. Dourn's literature indicates that he thinks that most of the roads in the Town are too narrow, have no shoulders and poor drainage. He indicates that we need to start rebuilding our Town roads. No small time dreams in Mr. Dourn's future if re-elected.

Another item on the literature indicated that Mr. Dourn wants to build a Town Park. Mr. Dourn indicated to me that we have money in a park fund sitting idle

and that the Town can get funding from the State to build a park, and we should proceed with using the money to build it.

I never did agree with the Town assessment fund for the park, nor do I think that the Town needs a park.

After the park comes the need to hire personnel to mow the grass, paint the signs, plow the snow. Guess what, we will need to buy equipment to perform these jobs. The free State funds don't sound cheap anymore.

There are more than enough County Parks in proximity that we taxpayers are already paying for, let's use them.

I have lived in the Town of Barton for 33 years and appreciate the rural living with narrow scenic roads, no shoulders and occasional puddles. I am not anxious to have Dourn's big city ideas forced on me and my family.

We will be voting for Russ Abel for Barton Town Chairman on April 6 and hope you will also.

Sincerely,
Tom Martin

EAT SMART

Why is Eating Smart important? Recent evidence from cancer research studies suggests a relationship between what we eat and the risk of developing various types of cancer. Some changes in eating habits might help lower risks for certain cancers. To learn more, contact your local American Cancer Society or call 1-800-ACS-2345.

FACSIMILE BALLOT NOTICE OF SPRING ELECTION April 6, 1993

OFFICE OF THE SCHOOL DISTRICT OF KEWASKUM ACTING DEPUTY CLERK

TO THE ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM:

Notice is hereby given of a spring election to be held in several wards in the Counties of Washington, Fond du Lac and Sheboygan on the 6th day of April, 1993 at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the nonpartisan election, the elector shall make a punch or a hole or complete arrows at the right of the candidate's name with a HEAVY BOLD line for each office for whom he or she intends to vote, or insert or write in and connect the arrow of the name of the candidate of his or her choice on the ballot envelope provided or in the space provided.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is punched or marked, it shall be inserted in the envelope provided so the punches do not show or folded so the inside marks do not show but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the booth, and deposit the envelope containing his or her ballot in the ballot box and where paper ballots are distributed to electors, deposit his or her folded ballots in the proper ballot boxes, or deliver the ballots to an inspector for deposit. The unused ballots should be deposited in the blank ballot box, and the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

DR. DAVID HEATHER, ACTING DEPUTY CLERK

NOTICE IS FURTHER GIVEN that the place and hours of voting for each village or town within said School District for the Spring Election on April 6, 1993 is as follows:

In the Service

Marine Lance Cpl. Scott J. Moebius, son of Jeff M. and Kathleen M. Moebius of 5450 Sunset Drive, Kewaskum, recently deployed with Marine Fighter Attack Squadron 232, Marine Corps Air Station, Kaneone Bay, Hawaii for six months to the Far East.

The squadron, nicknamed the "Red Devils," will participate in exercises throughout the Far East designed to test the technology and mission capability of the aircraft and pilots.

The deployment exemplifies the Navy and Marine Corps' new strategy entitled "...From the Sea." The Navy and Marine Corps operate forward to project a positive American image, build foundations for viable coalitions, enhance diplomatic contacts, reassure friends, and demonstrate U.S. power and resolve. Naval forces are prepared to fight promptly and effectively, but they will serve in an equally valuable way by engaging day-to-day as peace-

keepers in the defense of American interests. Naval forces are unique in offering this form of international cooperation, from the sea.

The squadron flies the F/A-18 strike fighter aircraft which is designed to perform fighter missions such as fleet air defense and strike missions such as interdiction and close air support.

The 1988 graduate of

Kewaskum High School joined the Marine Corps in March, 1991.

According to American Heart Association estimates, in U.S. adults aged 18-74, 33 percent of white males, 38 percent of black males, 25 percent of white females and 39 percent of black females have high blood pressure.

FACSIMILE BALLOT NOTICE OF
SPRING ELECTION
APRIL 6, 1993

OFFICE OF THE WASHINGTON COUNTY CLERK
TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a spring election to be held in the several wards in the County of Washington, on the 6th day of April, 1993, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the offices, each in its proper column, together with the questions submitted to a vote, for the state referenda and a school board referendum, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring election, the elector shall make a punch or a hole in the space designated or depress the button or lever next to the candidate's name for each office for whom he or she intends to vote.

To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided or on the envelope provided. On referenda questions, the elector shall make a punch or a hole in the space designated or depress the button or lever next to "yes" if in favor of the question, or the elector shall make a punch or a hole in the space designated or depress the button or lever next to "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking or punching his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official ballot is punched, it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the machine or booth and deposit the envelope containing his or her ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

WASHINGTON COUNTY CLERK

OFFICIAL BALLOT
SPRING ELECTION

WASHINGTON COUNTY, WISCONSIN
APRIL 6, 1993

INSTRUCTIONS TO VOTERS

Insert your ballot card with both hands. Be sure the pins are through the two holes.

Hold the punching device straight up and down. Press down firmly opposite the candidate and/or referendum selections of your choice.

To vote for a candidate whose name appears on the ballot, completely punch out the hole OPPOSITE the name of the candidate of your choice. To vote for a person whose name does not appear on the ballot, write the name of the person and the office being voted for on the ballot envelope provided.

TO VOTE ON REFERENDUM QUESTIONS, TURN TO THE LAST PAGES OF THIS BALLOT BOOKLET. To vote on a question, completely punch out the hole OPPOSITE YES if in favor of the question, or completely punch out the hole OPPOSITE NO if opposed to the question.

If you incorrectly punch, tear, or deface the ballot card or ballot card envelope, return it to the election official for another one.

ARTHUR G. DEGNITZ
WASHINGTON COUNTY CLERK

NOTICE OF REFERENDUM ELECTION

APRIL 6, 1993

NOTICE IS HEREBY GIVEN, that an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, April 6, 1993, the following advisory referenda on gambling will be submitted to a vote of the people pursuant to law:

1991 Wisconsin Act 321

SECTION 9m. Nonstatutory provisions; advisory referenda on gambling. There shall be submitted, for advisory purposes only, to the voters of this state at the spring election in April 1993, the following questions:

- (1) "Do you favor a law that would allow gambling casinos on excursion vessels operating in this state on the Mississippi river, Lake Michigan and Lake Superior?"
- (2) "Do you favor a constitutional amendment that would restrict gambling casinos in this state?"
- (3) "Do you favor a law that would allow video poker and other forms of video gambling in this state?"
- (4) "Do you favor continuing to allow pari-mutuel on-track betting on races in this state, such as horse, dog and snowmobile races?"
- (5) "Do you favor continuing to allow the state-operated lottery?"

EXPLANATION

These five questions are submitted to the voters for advisory purposes only. Whatever the vote, the Legislature is not bound by the outcome. A "yes" vote or a "no" vote simply expresses the voter's opinion on each of the questions.

In Question #2, the voter is only being asked for an opinion regarding an amendment to the state constitution. The scope of gaming conducted by Indian tribes is established by federal law and by compacts entered into between the state and various tribes pursuant to federal law. The state constitutional amendment, therefore, may not necessarily affect gaming conducted by the tribes.

NOTICE IS FURTHER GIVEN, that at the same election, the following proposed amendments to the Constitution of the State of Wisconsin, having been approved by two successive legislatures, will be submitted to a vote of the people pursuant to law:

1993 Senate Joint Resolution 3

1993 Enrolled Joint Resolution 2

To create section 9m of article I of the constitution, relating to the rights of victims of crime (2nd consideration).

Whereas, the 1991 legislature in regular session proposed an amendment to the constitution by 1991 Senate Joint Resolution 41 (1991 Enrolled Joint Resolution 17) and agreed to it by a majority of the members elected to each of the 2 houses, which amendment reads as follows:

SECTION 1. Section 9m of article I of the constitution is created to read:

[Article I] 1. Section 9m. This state shall treat crime victims, as defined by law, with fairness, dignity and respect for their privacy. This state shall ensure that crime victims have all of the following privileges and protections as provided by law: timely disposition of the case; the opportunity to attend court proceedings unless the trial court finds sequestration is necessary to a fair trial for the defendant; reasonable protection from the accused throughout the criminal justice process; notification of court proceedings; the opportunity to confer with the prosecution; the opportunity to make a statement to the court at disposition; restitution; compensation; and information about the outcome of the case and the release of the accused. The legislature shall provide remedies for the violation of this section. Nothing in this section, or in any statute enacted pursuant to this section, shall limit any right of the accused which may be provided by law.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing amendment to the constitution is agreed to by the 1993 legislature; and, be it further

Resolved, That the foregoing amendment be submitted to a vote of the people at the election to be held on the first Tuesday of April, 1993; and, be it further

Resolved, That the question concerning ratification of the foregoing amendment be stated on the ballot as follows:

QUESTION 1: "Rights of victims of crime. Shall section 9m of article I of the constitution be created requiring fair and dignified treatment of crime victims with respect for their privacy and to ensuring that the guaranteed privileges and protections of crime victims are protected by appropriate remedies in law without limiting any legal rights of the accused?"

EXPLANATION

This constitutional amendment would expand the Wisconsin Constitution's declaration of rights by adding a new section requiring the state to treat crime victims with fairness, dignity and respect for their privacy. The amendment would require that the state ensure that all crime victims have the following privileges and protections: timely disposition of the case; the opportunity to attend court proceedings unless the trial court finds that sequestration is necessary to a fair trial of the defendant; reasonable protection from the accused throughout the criminal justice process; notification of court proceedings; the opportunity to confer with the prosecution; the opportunity to make a statement to the court at disposition; restitution; compensation; and information about the outcome of the case and the release of the accused. The amendment would require the Legislature to provide remedies for any violations of the section. The amendment states that nothing in the amendment should limit any right of the accused which may be provided by law.

A "yes" vote on this constitutional amendment would mean that a new provision would be added to the Wisconsin Constitution providing certain rights and protections for victims of crimes. A "no" vote would mean that article I of the Wisconsin Constitution would not be amended to include specific rights of victims of crime.

1993 Senate Joint Resolution 2

1993 Enrolled Joint Resolution 3

To renumber section 24(6) of article IV and subsections 2d to 9th of section 31 of article IV;

to renumber and amend subsection 1st of section 31 of article IV; to amend sections 24(1) and (2)(intro.) and 32 of article IV; and to create section 24(6)(b) and (c) of article IV of the constitution, relating to distinguishing the state lottery from prohibited gambling, limiting "lottery", prohibiting lottery expansion to other games, and removing from the gambling section of the constitution the prohibition of individual divorce grants by the legislature (2nd consideration).

Whereas, the 1991 legislature, at its June 1992 special session, proposed an amendment to the constitution by Assembly Joint Resolution 1 (1991 Enrolled Joint Resolution 27) and agreed to it by a majority of the members elected to each of the 2 houses, which amendment reads as follows:

SECTION 1. Section 24(1) and (2)(intro.) of article IV of the constitution are amended to read:

[Article IV] Section 24(1) Except as provided in this section, the legislature shall never may not authorize gambling in any lottery or grant any divorce form. (2)(intro.) Except as otherwise provided by law, the following activities do not constitute consideration as an element of a lottery gambling:

SECTION 2. Section 24(6) of article IV of the constitution is renumbered section 24(6)(a) of article IV.

SECTION 3. Section 24(6)(b) and (c) of article IV of the constitution are created to read:

[Article IV] Section 24(6)(b) The lottery authorized under par.(a) shall be an enterprise that entitles the player, by purchasing a ticket, to participate in a game of chance if: 1) the winning tickets are randomly predetermined and the player reveals preprinted numbers or symbols from which it can be immediately determined whether the ticket is a winning ticket entitling the player to win a prize as prescribed in the features and procedures for the game, including an opportunity to win a prize in a secondary or subsequent chance drawing or game; or 2) the ticket is evidence of the numbers or symbols selected by the player or, at the player's option, selected by a computer, and the player becomes entitled to a prize as prescribed in the features and procedures for the game, including an opportunity to win a prize in a secondary or subsequent chance drawing or game if some or all of the player's symbols or numbers are selected in a chance drawing or game, if the player's ticket is randomly selected by the computer at the time of purchase or if the ticket is selected in a chance drawing.

(c) Notwithstanding the authorization of a state lottery under par.(a), the following game, or games simulating any of the following games, may not be conducted by the state as a lottery: 1) any game in which winners are selected based on the results of a race or sporting event; 2) any banking card game, including blackjack, baccarat or chemin de fer; 3) poker; 4) roulette; 5) craps or any other game that involves rolling dice; 6) keno; 7) bingo 21, bingo jack, bingolet or bingo craps; 8) any game of chance that is played on a slot machine or any mechanical, electro-mechanical or electronic device that is generally available to be played at a gambling casino; 9) any game or device that is commonly known as a video game of chance or a video gaming machine or that is commonly considered to be a video gambling machine, unless such machine is a video device operated by the state in a game authorized under par.(a) to permit the sale of tickets through retail outlets under contract with the state and the device does not determine or indicate whether the player has won a prize, other than by verifying that the player's ticket or some or all of the player's symbols or numbers on the player's ticket have been selected in a chance drawing, or by verifying that the player's ticket has been randomly selected by a central system computer at the time of purchase; 10) any game that is similar to a game listed in this paragraph; or 11) any other game that is commonly considered to be a form of gambling and is not, or is not substantially similar to, a game conducted by the state under par.(a). No game conducted by the state under par.(a) may permit a player of the game to purchase a ticket, or to otherwise participate in the game, from a residence by using a computer, telephone or other form of electronic, telecommunication, video or technological aid.

SECTION 4. Subsection 1st of section 31 of article IV of the constitution is renumbered section 31(1) of article IV and amended to read:

[Article IV] Section 31(1) For changing the name names of persons or, constituting one person the heir at law of another or granting any divorce.

SECTION 5. Subsections 2d to 9th of section 31 of article IV of the constitution are renumbered section 31(2) to (9) of article IV.

SECTION 6. Section 32 of article IV of the constitution is amended to read:

[Article IV] Section 32. The legislature shall may provide by general laws law for the transaction treatment of any business that may be subject for which lawmaking is prohibited by section thirty-one 31 of this article, and all. Subject to reasonable classification, such laws shall be uniform in their operation throughout the state.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing amendment to the constitution is agreed to by the 1993 legislature; and, be it further

Resolved, That the foregoing amendment be submitted to a vote of the people at the election to be held on the first Tuesday of April, 1993; and, be it further

Resolved, That the question concerning ratification of the foregoing amendment be stated on the ballot as follows:

QUESTION 1: "Gambling expansion prohibited. Shall article IV of the constitution be revised to clarify that all forms of gambling are prohibited except bingo, raffles, pari-mutuel on-track betting and the current state-run lottery and to assure that the state will not conduct prohibited forms of gambling as part of the state-run lottery?"

EXPLANATION

From the time the Wisconsin Constitution (Constitution) was ratified until 1965, article IV, section 24 of the Constitution stated that the "legislature shall never authorize any lottery, or grant any divorce." "Lottery" was defined by the Wisconsin supreme court and legislature as any game which combined the three elements of prize, chance and consideration. Since 1965, the section has been amended to legalize participation in advertising sweepstakes, promotions or contests and to authorize legislation for bingo, raffle games, pari-mutuel on-track betting and a "lottery" operated by the state. The use of the term "lottery" in the amendment has created confusion over the scope of games that the state may legally authorize. The constitutional amendment would substitute "gambling" for "lottery" in subsections (1) and (2) of section 24 of article IV, and thereby establish that the Constitution prohibits gambling, except as otherwise authorized by the Constitution.

The amendment also creates two new provisions of article IV. The first new provision would limit the state lottery to what are generally considered to be lottery games, that is, (1) games in which a player purchases a ticket, the winning tickets are randomly predetermined and the player determines whether he or she has won by revealing preprinted numbers or symbols on the ticket or (2) the player is given a ticket with numbers on it and wins when his or her numbers are selected in a chance drawing. The player could also have the opportunity to win a prize in a secondary game or drawing.

A second new provision lists games which could not be conducted by the state as a lottery and would also prohibit the lottery from conducting games simulating any of those games. Under this provision the state lottery could not conduct as a lottery any banking card game, black jack, poker, roulette, craps, keno, bingo 21, bingo jack, a slot machine, any game of chance played on a slot machine, any game that is commonly known as a video game or a video gaming machine, unless the state operated that machine in the state lottery to permit the sale of tickets. The amendment would also prohibit games similar to the games which are specifically prohibited.

The scope of gaming conducted by Indian tribes is established by federal law and by compacts entered into between the state and the various tribes pursuant to federal law. This amendment, therefore, may not necessarily affect gaming conducted by the tribes.

The amendment would also move the prohibition on the Legislature's granting of individual divorces to a different section of article IV of the constitution.

A "yes" vote on this constitutional amendment would clarify the prohibition against gambling, would distinguish the state lottery from other forms of gambling and would prevent the state from conducting additional forms of gambling as part of the state lottery. A "no" vote would retain the present language of section 24 of article IV of the Wisconsin Constitution.

GIVEN under my hand, this 18th day of March, 1993.

April Exhibitions At West Bend Gallery

YOUNG AT ART Selected Work from the West Bend Community Schools

This exhibition is organized to showcase the quality of art education activity as an ongoing process in the educational system in West Bend. Organized by the West Bend Public School art educators and the West Bend Gallery of Fine Arts, this exhibition is a sampling of the diversity, talent and creativity that is such a special characteristic of the Young at Art.

FROM FOUND OBJECTS TO FINE ART: A CREATIVE METAMORPHOSIS Paul Bobrowitz, Jr. March 31 - May 16

Self-trained artist, Paul Bobrowitz, Jr. of Colgate, Wisconsin demonstrates a unique vision and ability to transform common objects into successful artistic creations.

Paul recycles farm implements, bathtubs and sinks, piano parts, wood and other hardware into creatures of whimsy and mystery. His work will be on exhibit in the lot adjacent to the gallery with a few smaller examples on display in the gallery as well.

FACULTY FOCUS A Mini-Exhibition Of Gallery Faculty March 31 - May 2

This exhibition features three area artists: Shelby Keefe, Port Washington, John Pritchard, Newburg and Doris White, Jackson.

Shelby Keefe received her BFA from Cardinal Stritch College. She is currently a free-lance designer and teaches painting methods at the gallery. Shelby's work in painting explores compositional arrangements of still-life, the figure and the landscape in an expressive and individualistic way.

John Pritchard, known for his porcelain and stoneware vessels, teaches stoneware in both hand-building and wheel-throwing methods. John has exhibited and received awards throughout the country and exhibits throughout the United States. He holds a MFA in clay design from Kansas State University, and has studied at Lake Placid School for Music, Drama and Art, New York.

Painter and print maker, Doris White, studied at the University of Berne, Switzerland, and graduated from the Art Institute of Chicago. Doris teaches watercolor methods in workshops at the gallery. Her work is included in major collections and exhibitions throughout the United States. Doris is the recipient of more than 60 major art awards in exhibitions throughout the United States, Canada, Mexico and Australia.

RECEPTION

A public reception will be held on Sunday, April 4, from 1:30 to 4 p.m. Light refreshments will be served. Friends are encouraged to join the artists for this event. Hostess for this reception is Mae Groh.

The West Bend Gallery of Fine Arts is located at 300 South 6th Avenue in downtown West Bend. Normal gallery hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and on Sunday from 1 to 4:30 p.m.

8687 PROSPECT DR. KEWASKUM

Village Board Meeting Minutes

Mid-Monthly Meeting
March 15, 1993
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First St.

President Mary Krueger presided. Trustee Harry Roecker indicated he would be arriving late and was absent. All other Trustee Members were present. A quorum was present. The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Beisbier, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the minutes of the March 1, 1993 meeting were approved as printed.

Attorney Gerald Kiefer was present to inform the Board and public as to the position of action taken by the Board regarding Ordinance No. 93-4, the Thomas Timblin rezoning of the 5.3 acres adjacent to Timblin Drive. Attorney Kiefer reviewed three questions asked of him regarding the required vote; the validity of the petition filed in protest and the effect of a Zoning Protest Petition not duly signed and acknowledged. All three points were discussed and the final result was noting that Ordinance No. 93-4 stands and is valid. Mr. Paul Ziebert informed the Board that he appreciated Attorney Kiefer's findings and still encouraged the Board to reconsider. A second duly acknowledged petition was turned in to the Board. Attorney Kiefer advised the Board to proceed and let the Ordinance stand. No action came forward from the Board to alter the action taken on March 1, 1993.

The opening of sealed bids for a full cargo van for use in the Water Utility Department were opened as follows:
Schwartzburg Chevrolet, West Bend, WI - \$14,004.54

Young's Royal Ford, West Bend, WI - \$11,929.90

Bob Fish GMC, West Bend, WI - \$11,640.00

On a motion by Trustee Robert Wagner, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board turned the bids over to Jerry Gilles, the Director of Public Works for review and a recommendation.

Fire Chief Mark Groeschel shared the February 1993 monthly report with the Board as follows:
Fire calls, 4 - Year to Date 6; Jaws of Life (used) 0 - Year to Date 1; Jaws of Life (not used) 2 - Year to Date 3; Rescue Calls 14 - Year to Date 33; Transports 14 - Year to Date 35; Miles - 276; Training - 235 man hours = 490; Extra training & work - 116.75 man hours = 301.75.

Fire Chief Groeschel informed the Board that the Washington County Fire Chief's Association will be sponsoring a Circus in Kewaskum on Wednesday, August 4, 1993, which will be their 3rd annual. The performances are scheduled for 5:30 p.m. & 7:30 p.m.

The Fire Chief also reported to the Board that the Department is still working on the specs for the new equipment truck and hopes to bring the matter to the Board shortly.

Chief of Police Richard L. Knoebel shared the February 1993 monthly report with the Board as follows:

Criminal arrests	17
Traffic warnings	125
Adult arrests	12
Property stolen	\$80.00
Parking warnings	8
Criminal investigations	16
Traffic citations	44
Juvenile arrests	7
Property recovered	0
Parking citations	67

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board authorized the Police Chief to purchase a new lazier radar unit at a cost of \$4,200, noting that a portion of the dollars will come from the appropriate restricted fund account.

Director of Public Works, Jerry Gilles informed the Board that two

water main breaks occurred and that a portion of the street lights were again out on Fond du Lac Avenue.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Beisbier and carried by a majority voice vote, the Board lifted the parking restrictions effective immediately. Trustee David Goeden voting "Nay".

Director of Public Works, Jerry Gilles presented a detailed report on the expenditure of man-hours with the Department of Public Works, Water and Water Pollution Control Departments.

Administrator Daniel S. Schmidt reviewed several items and correspondences as follows:

1) Discussion regarding the Mid-Moraine Municipal Association Meeting scheduled for March 24, 1993 in West Bend, WI.

2) Review of the budget control sheet for the period ending February 28, 1993.

3) Review of Taxpayer Alliance Bulletins.

4) Review of League Legislative Bulletins.

5) Review of full tax values and their affect over a five year period. With the Governors proposed freeze, it is important to look at who is causing the increase in property taxes. Looking at the five year period from 1986 through 1991 it is revealed that on the average statewide cities have increased taxes by \$.16 or 1.8%, villages \$.23 or 3.9%, Towns \$.41 or 19.9%, schools \$1.31 or 8.1%, counties \$.65 or 14.1% and VTAE \$.11 or 6.9%. Looking more specifically at the Village of Kewaskum, the Village's portion of the property tax decreased \$.41 or 6% for that five year period of time. The use of 1992 figures reflect a decrease of \$.44 or a 6.4% decrease over the last six years.

6) Discussion regarding the letter from the Kewaskum School District informing the Village that the School Board has granted permission to sell beer on school property during the summer of 1993.

Board representative for the Plan Commission, Trustee Gary Gavin informed the Board that a Commission meeting is scheduled for March 23, 1993, at 8:00 p.m.

Review of the Bonnie Lane project and Edgewood Road resurfacing project took place. It was noted that the financing has been approved through the State Trust Fund, the re-bidding will take place on March 19, 1993 at 10:00 a.m. and the public hearing is scheduled for April 5, 1993 at 8:00 p.m.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Wagner and unanimously carried by voice vote, the Board authorized the amendment to the CSM of the land on Wildlife Drive to correct a .9' error on the earlier CSM.

On a motion by Trustee Robert Wagner, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing of the counter offer to purchase the West Bend Savings Bank.

Action was taken on Resolution No. 93-5 a resolution of Acceptance of Facility Plan for the Water Pollution Control Department as attached hereto: It was noted the estimated cost for work being proposed is \$856,000 and that if all proceeds as planned 50% of the money would need to be borrowed.

Action was taken on Ordinance No. 93-5 an ordinance Amending Chapter 14 - Public Health and Welfare of the Municipal Code and creating a new Chapter 17 - Refuse/Recycling Disposal and Collection as attached hereto: It was noted amendments will be needed to the new ordinance as the Village proceeds with mandatory recycling and contracted service, as well as the new NR544 rules.

The contracted garbage collection and mandatory recycling collection will begin on April 7, 1993. The contractor will be Hechimovich Sanitary Landfill, Inc.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing of the Refuse/Recycling Disposal and Collection Policy as attached hereto: This policy establishes related fees and rules.

On a motion by Trustee Gary Gavin,

seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board officially closed the recycling center effective March 28, 1993. The last day of operations will be March 27, 1993.

A thank you was extended to Robin McBride for a job well done over the last 10/11 months at the Recycling Center and also a thank you was extend-

ed to the Kewaskum Lions Club for the newspaper recycling efforts over the past 14 years.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Wagner, and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Daniel S. Schmidt
Administrator

ORDINANCE NO. 93-5

AN ORDINANCE AMENDING CHAPTER 14 PUBLIC HEALTH AND WELFARE OF THE MUNICIPAL CODE OF THE VILLAGE OF KEWASKUM AND CREATING A NEW CHAPTER 17 - REFUSE/RECYCLING DISPOSAL AND COLLECTION

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM DO ORDAIN AS FOLLOWS:

SECTION 1: CHAPTER 14 - Public Health and Welfare be amended by deleting 14.09 Garbage and Refuse Disposal, and

SECTION 2: The creation of CHAPTER 17: Refuse/Recycling Disposal and Collection as attached hereto:

CHAPTER 17 REFUSE/RECYCLING DISPOSAL AND COLLECTION

- 17.01 Title: Collection Service
- 17.02 Declaration of Policy
- 17.03 Definitions
- 17.04 Number, Condition and Location of Containers
- 17.05 Deposit of Garbage and Refuse for Collection
- 17.06 Location of Garbage Cans/Containers
- 17.07 Placing of Garbage Cans for Collection
- 17.08 Prima Facie Evidence of Accumulation of Waste
- 17.09 Approval Required for Certain Premises

- 17.23 Recycling Requirements
- 17.24 Number and Condition of Curbside Recycling Disposal
- 17.25 Recyclable Materials
- 17.26 Preparation of Collection of Recyclable
- 17.27 Recyclable Prohibited from Garbage and Refuse
- 17.28 Refuse from Outside the Municipality
- 17.29 Penalty

17.01 TITLE: COLLECTION SERVICE.

(1) **Title.** This Chapter shall be known as the Solid Waste and Recycling Management Ordinance of the Village of Kewaskum, hereinafter referred to as Ordinance or Chapter 17.

(2) **Garbage and Refuse Collection Service.** Residential and commercial garbage and recycling collection service will be provided by the Village personnel or private firms under contract with the Village provided that solid guidelines are met as spelled out in ordinance.

17.02 DECLARATION OF POLICY.

Whereas, the Village of Kewaskum, Washington County, Wisconsin is serving as its own responsible unit, pursuant to Wis. Act 335 and NR 544, "The Recycling Laws" which require timely compliance with various requirements relating to landfill and incineration, it is hereby declared to be the purpose and intent of this Chapter to enhance and improve the environment and promote the health, safety and welfare of the Village by establishing minimum standards for the storage, collection, transport, processing, separation, recovery and disposal of solid waste and recycling materials in compliance with Wisconsin law.

17.03 DEFINITIONS.

(1) For the purpose of this Chapter, the following words and phrases shall have the meanings given herein unless different meanings are clearly indicated by context.

- (a) **Agricultural Establishment** - An establishment engaged in the rearing and slaughtering of animals and the processing of animal products or orchard and field crops.
- (b) **Ashes** - The residue from the burning of wood, coal, coke or other combustible material.
- (c) **Bulky Waste** - Items whose large size preclude or complicate their handling by normal collection, processing or disposal methods.
- (d) **Collection/Vendor** - The person or persons specifically authorized by the Village Board to collect garbage, rubbish and recyclable materials and dispose of same.
- (e) **Commercial Establishment** - Any hotel, motel, apartment house, rooming house or tourist court which contains 3 or more service units and any other kind whatsoever other than a residential unit. Apartment house shall mean any residential building containing 4 or more full living units, including condominiums and elderly housing.
- (f) **Curb** - The back edge or curb and gutter along a paved street or where one would be if the street was fully improved and had a curb and gutter.
- (g) **Demolition Waste** - That portion of solid wastes consisting of waste from the repair, remodeling or reconstruction of buildings, such as lumber, roofing and sheathing scraps, rubble, broken concrete, asphalt and plaster, conduit, pipe, wire, insulation and any other materials resulting from the demolition of buildings and improvements.
- (h) **Director** - The Director of Public Works of the Village.
- (i) **Disposal** - The orderly process of discarding useless or unwanted material.
- (j) **DNR** - The Wisconsin Department of Natural Resources.
- (k) **Dump** - A land site where solid waste is disposed of in a manner that does not protect the environment.
- (l) **Dwelling Unit** - A place of habitation occupied by a normal single family unit or combination of persons who may be considered as equivalent to a single family unit for the purposes of this Chapter.
- (m) **Garbage** - Every refuse accumulation of animal, fruit or vegetable matter that attends the preparation, use cooking and dealing in or storage of edibles and any other matter of any nature whatsoever, which is subject to decay, putrefaction and the generation of noxious or offensive gases or odors or which, during or after decay, may serve as breeding or feeding material for flies or other germ

(Continued on next page)

Valley Bankservice Joins Wisconsin's Corporate Initiative

APPLETON, WI - Valley BankService Corporation, an affiliate of Valley Bancorporation, Appleton, announced their participation in Wisconsin's Corporate Initiative in Supported Employment. The program, which was endorsed by Governor Tommy G. Thompson in January, places individuals with severe disabilities in specific jobs enabling them to be successfully employed by the community. Assistance with initial training and ongoing support, if necessary, is provided by a professional Supported Employment Specialist often called a "job coach."

Valley BankService Corporation has selected two pilot sites, Sun Prairie and Appleton. The Sun Prairie location will hire two Supported Employees for placement in their Operations Services Division; a student from Sun Prairie High School and a person from work Opportunities in Rural Communities (WORC). There will be 6-8 hires in the Appleton area for placement in Valley BankService Corporation's Data Services Division, Financial Services Division and Operations Services Division. Three local Supported Employment agencies, ADVOCAP, Valley Packaging, and Goodwill will provide support to those individuals. The supported employees will be responsible for a variety of jobs ranging from copying and shredding paper, placing strips on checks and overdrafts, proofing, ongoing maintenance of personnel files, payroll upkeep, filing accounts payable and general ledger debits. All employees will be starting their jobs within the next month.

Sal Troia, President, Valley BankService Corporation, stated, "By centralizing the support activities of Valley Bancorporation we have developed a more efficient system of operation which allows us the opportunity to enhance our workforce by becoming involved in programs like the Corporate initiative. Statistics show that Supported Employees tend to be dedicated workers with a low rate of turnover, making them especially valuable in light of the changing demographics of the workforce. And, when a Supported Employee is hired, everyone wins, the employer, the person with a disability and the community."

An evaluation of the program will be conducted following implementation of the pilot sites to determine an expansion plan for the remainder of the state.

Valley Bancorporation is the third largest bank holding company headquartered in Wisconsin. Valley, with assets of \$4.4 billion, currently serves Wisconsin through 154 banking offices with additional financial services companies engaged in insurance, trust services, securities, leasing, credit card servicing, and bank consulting services.

carrying insects.

(n) **Garbage Can** - A plastic or galvanized metal container of the type commonly sold as a garbage can of a capacity not less than 20 gallons and not to exceed 30 gallons, having 2 handles upon the sides thereof or bail by which it may be lifted and a tight fitting metal or plastic top with a handle and so constructed as to permit the free discharge of its contents. No garbage can shall weigh more than 60 pounds when filled.

(o) **Garden Trash** - Refer to Yard Waste.

(p) **Hazardous Waste** - Any substance or combination of substances including any waste of a solid, semi-solid liquid or gaseous form which may cause or significantly contribute to any increase in mortality or increase in serious irreversible or incapacitating reversible illness or which may pose a substantial present or potential hazard to human health or the environment because of its quality, concentration or physical, chemical or infectious characteristics. This term includes, but is not limited to, substances which are toxic, corrosive, flammable, irritants, strong sensitizers or explosives as determined by the DNR.

(q) **Industrial Waste** - Liquid or other wastes resulting from any process or industry, manufacture, trade or business in the development of any natural resource.

(r) **Landfill** - A land site where solid waste is disposed of in a manner to provide protection for the environment, in accordance with state regulations.

(s) **Litter** - Solid waste scattered about in a careless manner, usually rubbish.

(t) **Mobile Container** - A metal 14 gauge steel garbage and waste container with the following minimum specifications: 77 3/8" long, 30" wide and 46" high at the back edge and shall be mounted on 4 rubber wheels with rollers, bearings and/or metal slides. Such mobile containers shall be capable of fitting the Village's/contractor's garbage truck, hydraulic attachments for unloading. Such container shall be fly proof, rat proof and leak proof and shall be fitted with a metal or plastic top. The minimum size for a mobile container shall be 1.5 cu. yds. and the maximum shall be 2.0 cu. yds.

(u) **Noncombustible Refuse** - Refuse materials that are unburnable at ordinary incinerator temperatures (800 degrees to 1,800 degrees F.), such as metals, mineral matter, large quantities of glass or crockery, metal furniture, auto bodies or parts, and other similar material or refuse not usual to housekeeping or to the operation of stores and offices.

(v) **Non-recyclable Material** - All pyrex glass, window glass, light bulbs, mirrors, broken glass and china, all styrofoam and melamine type plastics, all waxed paper, waxed corrugated cardboard, envelopes with gummed labels, and envelopes with plastic windows and all other paper, garbage and rubbish, etc., not defined as recyclable materials.

(w) **Non-Residential Solid Waste** - Solid waste from agricultural, commercial, industrial and institutional activities or a building or group of buildings consisting of four (4) or more dwelling units.

(x) **Person** - An individual, firm, partnership, corporation, association, executor, administrator, trustee or other legal entity, whether singular or plural, masculine or feminine as the context may require.

(y) **Plastic or Polyethylene Disposal Bags** - A container other than a garbage can which is used for garbage disposal. Such bag shall meet the same criteria as a garbage can and shall withstand a drop of 5' onto a smooth concrete when filled to a total weight of 30 lbs. with a material having a weight density of 15 lbs. per cu. ft. The bags shall be securely closed with a twist tie or equivalent.

(1) **Blue Recyclable Plastic or Polyethylene Bag** - A blue bag used for the disposal of recyclable materials and is available in either 17.5 gallon or 35 gallon sized bags.

(z) **Private Collection Services** - Collection of services provided by a person licensed to do same by the DNR.

(aa) **Recyclable Waste** - Aluminum containers made entirely of aluminum. Glass -- clear, brown, green-rinsed empty with covers and bands removed. Tin -- steel containers rinsed empty. Plastic bottles -- P.E.T.E.-1, H.D.P.E.-2 rinsed clean with caps and rings removed. Newspaper -- tied in bundles. Corrugated cardboard -- tied in 3' x 3' bundles. Batteries -- car, truck, motorcycle and snowmobiles. Appliances (white goods) -- stoves, refrigerators, washers, dryers, water heaters and etc. Magazines -- tied in bundles.

(bb) **Recyclable Plastic Bin** - A dark green bin as indicated Village of Kewaskum 18 gallon plastic bin for the sole purpose of placing recyclable waste out for curbside disposal.

(cc) **Refuse** - Includes all waste material, including garbage, rubbish and industrial waste and shall, by way of enumeration but not by way of limitation, include grass, leaves, sticks, tree branches, vines and logs, stumps, stones, cement, boards, furniture or household appliances and garden debris.

(dd) **Residential Solid Waste** - All solid waste that normally originates in a residential environment from residential units.

(ee) **Residential Unit** - Residential unit shall mean an individual household capable of independent habitation by a family unit. A single family dwelling shall be considered to be one residential unit, multi-family dwelling shall be considered to be multiple residential units, the number of residential units to equal the number of family units to be housed therein. Residential units shall not include boarding houses, hotels, motels or resorts.

(ff) **Rubbish** - All matters produced from residential or community life, subject to decomposition, not defined as sewage and excluding hazardous waste. Included is furniture, plastic, and metal objects that are not food containers or recyclable, carpeting, fixtures and plumbing items.

(gg) **Scavenging** - The uncontrolled removal of materials at any point in solid waste management.

(hh) **Solid Waste** - Discarded materials resulting from the handling, processing, storage and consumption of food.

(ii) **Storage** - The interim containment of solid waste in an approved manner after generation and prior to collection and ultimate disposal.

(jj) **Storage Area** - Areas where persons place containers during non-collection days as well as areas where containers are set out for collection day.

(kk) **Tax Exempt Property** - That property which is exempt from paying local property tax, such as schools, churches and charitable organizations.

(ll) **White Goods** - Stoves, refrigerators, washers, dryers, water heaters, freezers, microwave ovens, ovens, air conditioners and etc.

(mm) **Yard Waste** - Grass trimmings, grass rakings, leaves, garden debris, vines, shrubbery cuttings less than 18" long and fruits and vegetables.

17.04 NUMBER, CONDITION AND LOCATION OF CONTAINERS.

Each commercial establishment located in the Village shall have a maximum number of three (3) garbage cans or a maximum of one mobile container to accommodate all garbage and waste to be removed by the Village/contractor and each residential unit in the Village shall have a minimum of one (1) garbage can or a maximum of three (3) garbage cans for such purpose. Collection service may be discontinued where containers have been condemned as unfit for garbage receptacles until proper containers are provided and the owners or users thereof may be subject to the provisions of sub (xx) hereof. Garbage cans and mobile containers shall be kept tightly covered at all times and shall be capable of being closed so that water, flies and other insects cannot enter and shall be easily accessible to the refuse collectors on the property from which the refuse originated.

(1) **Refuse Storage Area.** Storage areas shall be kept in a nuisance and odor free condition. Litter shall not be allowed to accumulate. Collection crews will not be responsible for cleaning up loose materials from any containers which have become ruptured or broken due to wet conditions, animals, vandalism or other cause. The occupant and/or owner shall be responsible for cleaning up this litter. Litter not collected shall not be allowed to accumulate. Violation will result in the occupant and/or owner being notified to clean up said area with continued

violation resulting in the owner being prosecuted under the provision of this and general penalty provisions in Chapter 25.04.

(2) **Illegal Containers.** Containers not approved consist of metal barrels and drums, wooden or cardboard barrels, wheelbarrows and other such containers (oversized without handles) not approved by this Chapter. These containers will not be emptied regardless of contents or weight. The collector shall not be obligated to pick up any garbage recyclable, rubbish or trash in non-approved containers.

17.05 DEPOSIT OF GARBAGE AND REFUSE FOR COLLECTION.

(1) **Separation of Refuse.** Garbage and refuse shall be placed in standard garbage cans or bags.

(2) **Preparation of Refuse.** All garbage and refuse shall be drained of liquid before being deposited in container for collection. All garbage shall be wrapped in paper before being placed in garbage cans or bags.

(3) **Prohibited Activities and Non-Collectable Materials.**

(a) **Dead Animals.** It shall be unlawful to place any dead animal, or parts thereof, in a container for collection provided, however, this Section shall not apply to animal parts from food preparation for human consumption.

(b) **Un-drained Food Waste.** It shall be unlawful to place any garbage or other food wastes in a container to collection unless it is first drained and wrapped.

(c) **Ashes.** It shall be unlawful to place hot ashes for collection. Ashes are to be cold, completely extinguished which have been stored in metal containers and wet down may be left for collection in approved container.

(d) **Improper Placement.** It shall be unlawful to place, or allow to be placed, any solid waste upon the roads, streets public or private property within the Village contrary to the provisions of this Chapter.

(e) **Compliance With Chapter.** It shall be unlawful to store, collect, transport, transfer, recover, incinerate or dispose of any solid waste within the boundaries of the Village contrary to the provisions of this Chapter.

(f) **Improper Transportation.** It shall be unlawful to transport any solid waste in any vehicle which permits the contents to blow, sift, leak or fall therefrom.

If spillage does occur, the collection crew shall immediately return spilled materials to the collection vehicle and shall properly clean or have cleaned the area. All vehicles used for the transportation of solid waste shall be durable, easily cleanable and leak proof, if necessary, considering the type of waste and its moisture content. Collection vehicles shall be cleaned frequently to prevent nuisances and insect breeding and shall be maintained in good repair.

(g) **Interference With Authorized Collector.** No person other than an authorized collector shall collect or interfere with any garbage after it shall have been put into a garbage receptacle and deposited in the proper place for the collector, nor shall any unauthorized person molest, hinder, delay or in any manner interfere with an authorized garbage collector in the discharge of their duties.

(h) **Scavenging.** It shall be unlawful for any person to scavenge any solid waste placed for collection.

(i) **Private Dumps.** It shall be unlawful for any person to use or operate a dump.

(j) **Burning of Waste.** It shall be unlawful for any person to burn solid waste in any manner, except as provided elsewhere in this Municipal Code.

(k) **Non-collectible Materials.** It shall be unlawful for any person to place for collection any of the following waste:

- (1) Hazardous waste;
- (2) Toxic waste;
- (3) Chemicals;
- (4) Explosives or ammunition;
- (5) Drain or waste oil or flammable liquids;
- (6) Large quantities of paint;
- (7) Tires;
- (8) White goods;
- (9) Yard waste.

(l) **Animal or Human Waste.** It shall be unlawful for any person to place waste for collection. Animal waste or kitty litter waste should be disposed of in plastic bags for collection.

(m) **Hospital or Medical Waste.** It shall be unlawful for any person to place for collection any pathogenic hospital wastes.

(n) **Building Waste.** All waste resulting from remodeling, construction or removal of a building, roadway or sidewalk shall be disposed of by the owner, builder or contractor.

(o) **Waste Motor Oil Recycling.** No person shall dispose of any waste motor oil placing it with refuse for regular collection by the Village/contractor, by pouring it on the ground, into the storm sewer, ditches or waterways, or into gutters or Village streets. Any person wishing to dispose of waste motor oil shall utilize the designated Village Recycling Waste Oil Disposal Station or at any other legal waste oil site. It shall be unlawful to dispose of waste oil containing foreign matter.

(p) **Unlawful Disposal.** It will be unlawful to dump or dispose of garbage on private or public property, public parks or along public roadways.

17.06 LOCATION OF GARBAGE CANS/CONTAINERS.

(1) Where an alley exists and is normally used for the collection of garbage, garbage cans or mobile containers shall be placed on the owner's property as near to such alley as practical. If no alley exists or is not practical by reason of the existence of physical obstacles to placing the garbage can or mobile container on the edge of the alley, such garbage can or mobile container shall be placed at a point to be designated by the Director of Public Works.

(2) If a property owner erects a fence, wall or hedge bordering on any alley, the property owner shall provide an offset in the fence, wall or hedge of not less than 4' x 10' for the placement of garbage cans or mobile containers.

(3) Multi-Family/Condo's even though under normal conditions will be contracting for and paying for the collection of their disposal of garbage/refuse and recyclables are responsible for the fencing (privacy screen) around their garbage cans or mobile containers.

(1) The owners or occupants of single family residences, including seasonal residences.

(2) Persons that are owners or occupants of properties in the responsible unit containing two (2) or more dwelling units.

(3) Persons that are owners or occupants of non-resident facilities and properties.

shall separate for recycling all recyclable materials prior to the placement in the responsible unit by these persons of recyclable materials for collection as follows:

17.23 RECYCLING REQUIREMENTS.

(1) Collection and processing of recyclable will be provided to all residential properties of five (5) units and less and to commercial establishments (currently receiving garbage pickup) where weekly garbage volume is less than one mobile container per week. All other users must contract through the Village when applicable or contract privately for required recycling of recyclable materials.

(2) All other commercial and industrial users shall dispose of recyclables, batteries, major appliances and waste oil by private contract or agreement with waste haulers in compliance with Wisconsin Act 355 when applicable.

(3) Any waste hauler or landfill operator which provides service to the Village of Kewaskum shall comply with Wisconsin Act 355 when applicable, or be subject to statutory and municipal penalties for any violations.

(4) It shall be the responsibility of the Director of Public Works to administer and enforce this Chapter. Items not specifically covered in this Chapter shall be handled by the Director of Public Works based on common municipal practices. If the Director of Public Works decision is not acceptable to the property owner, the Public Works Committee shall review complaints as requested and make a

determination.

17.24 NUMBER AND CONDITION OF CURBSIDE RECYCLING DISPOSAL.

Each single family and residential (dwelling) unit of five (5) units or less will receive one (1) 18 gallon, dark green, Village of Kewaskum recycling bin free of charge. Any replacement bin will be provided by the Village at a cost to the resident. Any commercial establishments where garbage collection service is provided by the Village/contractor three (3) 18 gallon, dark green, Village of Kewaskum recycling bins will be provided free of charge. Any replacement bins will be provided by the Village at the cost to the commercial establishments. The price of said bin as established Refuse/Recycling Disposal and Collection policy as adopted by the Village Board.

(1) The multi-family or residential units of six (6) or more units shall provide for mandatory recycling. The Village will provide that service using the bi-monthly, blue bag curbside collection method billing back the owner of said complex on a quarterly basis at 5 % above actual amount being billed to the Village by the contractor.

(a) The tenant/occupant will be required to provide and pay for said recycling blue bag and place it at the curb the 1st and 3rd week of each month for pickup.

17.25 RECYCLABLE MATERIALS.

(1) The following recyclable materials are to be saved and placed for curbside recycling service in the stated condition.

(a) Plastic milk, soda and detergent bottles as well as other bottles marked #1 P.E.T. and #2 H.D.P.E., also those #2 H.D.P.E. wide mouth containers such as ice cream pails (remove metal handles), butter and other type storage containers. These containers are to be rinsed clean, remove lids, discard lid, crush bottle/container and remove metal handles.

(b) Aluminum cans only. Rinse and flattening is optional.

(c) Tin and steel cans, which were food cans. These cans are to be rinsed and have labels removed and flattening is optional.

Glass bottles and jars clear, brown and green. These bottles are to have their lids and rings removed and be rinsed clean.

NOTE: The above four items would be commingled and placed in the recycling bin for disposal.

(e) Newspapers. The newspapers are to be tied with string or twine in both directions in bundles no larger than 8" in height.

(1) Shredded office paper is acceptable and may be placed adjacent to the recycling bin in a plastic bag.

(2) Office paper is acceptable and may be tied in bundles in the same manner as newspapers.

(f) Magazines. The magazines are to be tied with string or twine in both directions in bundles no larger than 8" in height.

(g) Corrugated Cardboard. The boxes are to be flattened and cut into 3' x 3' pieces and tied into bundles with string or twine.

(h) Lead Acid Batteries.

NOTE: The prior four recyclables are all to be placed curbside adjacent to the recyclable materials which have been placed in the bin.

(i) Waste Oil. Waste oil is to be transported to the deposit station, free from any foreign substance.

17.26 PREPARATION OF COLLECTION OF RECYCLABLE.

All containers are to be rinsed clean and all caps, covers, and rings removed. Items 17.25 (1) (a) through (d) shall be placed in a designated recycling bin with a maximum capacity of eighteen (18) gallons or a blue plastic recyclable bag with a maximum capacity of thirty gallons. Bins to be required through the Village and bags shall be purchased by the homeowner and will be available at retail outlets in the Village of Kewaskum. Items 17.25 (1) (e) thru (h) shall be placed alongside the recycling bin or bags at the curb.

(1) For white goods (appliances), property owners shall call the contractor ahead to schedule pick-up, and payment of user's fee.

(2) For bulky items, property owners shall call the contractor ahead to schedule pick-up, and payment of user's fee.

(3) For yard waste, the property owners shall process the material themselves or provision will be made for a drop off at the Department of Public Works garage.

17.27 RECYCLABLE PROHIBITED FROM GARBAGE AND REFUSE.

Recyclable items as defined in this Chapter are prohibited from being co-mingled in regular garbage cans or bags and/or mobile containers (solid waste dumpsters), and must be handled separately and in compliance with this Chapter.

17.28 REFUSE FROM OUTSIDE THE MUNICIPALITY.

It is unlawful for any person, firm or corporation to place, deposit or cause to be deposited, for collection, any waste, recyclable or refuse not generated within the corporate limits of the Village.

17.29 PENALTY.

Except as otherwise provided, any person who shall violate any provision of this Chapter, or any order, rule regulation made hereunder, shall be subject to a forfeiture as provided in Chapter 25.04 of this Municipal Code.

SECTION 3: All ordinances or parts of ordinances contravening the provisions of this ordinance are hereby repealed.

SECTION 4: This ordinance shall take effect the day after passage and publication as provided by law.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1993, by the Kewaskum Village Board.

RESOLUTION NO. 93-5

Acceptance of Facility Plan Resolution

WHEREAS the Village of Kewaskum has informed the Department of Natural Resources that the Engineers of Ruekert & Mielke have been retained to prepare a Wastewater Treatment Facility Sludge Storage Facility - Facility Plan by the Village Board of the Village of Kewaskum, Wisconsin; and

WHEREAS that report was reviewed by the Village Board on March 1, 1993 and the Administrator was asked to prepare an acceptance/acknowledgement resolution.

RESOLVED that the Village Board acknowledges the need to proceed with a sludge storage facility and realizes a format for that work is described in the Facility Plan, dated March of 1993.

BE IT FURTHER RESOLVED that the Village Board of Kewaskum, Wisconsin accept/acknowledge the Wastewater Treatment Sludge Storage Facility - Facility Plan.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1993, by the Kewaskum Village Board.

Village Board Meeting Minutes

Village of Kewaskum
Plan Commission
March 23, 1993
8:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Mary Krueger called the meeting to order. Members present were Donald Miodzik, Richard Schmidt, Gary Gavin, Jeffrey Rohrer, Mark Slaughenhoup, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Jeffrey Rohrer arrived late (8:45 p.m.) and Gerald Stollenwerk asked to be excused and was absent.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Richard Schmidt, seconded by Gary Gavin and unanimously carried by voice vote, the Commission approved the minutes as printed for February 23 and March 23, 1993.

The Commission reviewed the Certified Survey Map for parcel I adjacent to Wildlife Drive which is zoned R-1 Single Family Residential District and R-3 Two-Family Residential District. On a motion by Gary Gavin, seconded by Donald Miodzik and unanimously carried by voice vote, the Plan Commission recommended approving the CSM and sending a favorable recommendation to the Village Board regarding the CSM.

No action was taken on the subdivision plat for lot 4 of the CSM because it has not been completed.

Mr. Thomas Timblin was present and reviewed the development proposal for the 5.3 acre parcel of land zoned R-4. Three adjacent property owners were present and joined in the discussion. On a motion by Richard Schmidt, seconded by Mark Slaughenhoup and unanimously carried by voice vote the Commission approved the design plans as presented including the clarification on the installation of the 4' berm, fence, (to the west) storm drainage and additional parking. The Commission sent the matter with a recommendation to the Village Board for consideration.

Mr. Rick Kana of the SEWRPC was present and introduced himself to the Commission and explained the process the Commission would be using to prepare the Land Use Master Plan. The Preliminary Outline for the report was reviewed as well as Chapter I. A couple of points of clarification and regarding Chapter I were discussed. On a motion by Donald Miodzik, seconded by Mark Slaughenhoup and unanimously

carried by voice vote, the Plan Commission recommended the acceptance of the preliminary draft of Chapter I.

On a motion by Gary Gavin, seconded by Richard Schmidt and unanimously carried by voice vote, the Commission adjusted the time of future meetings to 7:00 p.m. during the Land Use Planning process. It was noted if an additional meeting is needed on another evening or even on a Saturday morning, the Commission would be receptive to the idea.

Discussion was held regarding the possibility of the Plan Commission conducting the public hearing for zoning amendments in the future. The opinion and recommendation of Mr. Roland Tonn of SEWRPC was heard and the existing process reviewed. No decision was made and will be brought up again in the future.

Mr. Joe Smith the owner of the three R-3 Two-Family lots at the end of Bel-Ric Drive asked the Commission for their opinion regarding the abandonment of the proposed extension of Bel-Ric Drive. The Commission by consensus indicated Mr. Rick Kana/SEWRPC should look at the land and give the Village a recommendation.

Director of Public Works, Jerry Gilles was present and asked the Commission to recommend to the Village Board the need to amend the Municipal Code to include a provision to require subdividers and other developers that plan to extend a roadway to first rough grade the roadway area to the proper grade prior to the installation of the utilities so as to allow for proper depth, etc. On a motion by Gary Gavin, seconded by Richard Schmidt and unanimously carried by voice vote, the Commission directed the Administrator to prepare an appropriate amendment to be taken to the Village Board.

On a motion by Donald Miodzik, seconded by Gary Gavin and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

25 Years Ago

MARCH 29, 1968

Chester Dombrowski, 30, a former Chicago policeman, was being held in the Fond du Lac County Jail this week on charges of murdering another Chicago man whose body was found in a dump area on a farm field 1½ miles north of Kewaskum last September. Dombrowski, who was now employed at O'Hare International airport in Chicago, was arrested there Tuesday after a grand jury at Fond du Lac eight hours earlier indicted him in the September 12th, 1967 slaying of Herbert L. McKinney, 27, a machinist's helper. McKinney's body, showing marks of a beating and with a bullet hole in the head, was found on a farm owned by Dombrowski and a brother, Bernard, about 100 yards from County Trunk S, a short distance north of the Fond du Lac-Washington County line between Kewaskum and New Fane. On furlough from the Chicago police force at the time of the slaying, Dombrowski was arrested after his rented auto hit a bridge and went into the ditch on Hwy. 45 about two miles north of Kewaskum. The body of the slaying victim was found on the farm the following day following investigation of the car accident and information was obtained at that time.

There will be a choice of candidates on several levels and four referenda ballots to be voted upon in the Spring Election Tuesday, April 2. On the local level voters will have five ballots to mark and polls in the village will be open from 9 a.m. to 8 p.m. at the Municipal Building. Kewaskum will elect three trustees with all three incumbents candidates for re-election and all are unopposed. The candidates are Raynor Herriges, Myron Perschbacher and Elmer Yoost.

50 Years Ago

April 2, 1943

A big scrap harvest has been organized in a countywide drive for April 1 through the 10th. Election Day, April 6, has been designated as scrap harvest day in every town, village and city in Washington County. A scrap dealer or an implement dealer will be at every rural polling place for checking in the salvage and paying for it on the spot at standard prices. People in the village and Town of Kewaskum should bring their scrap to either L. Rosenheimer, A.G. Koch, Inc. or the Rex Garage.

The village of Kewaskum has lost another of its most outstanding citizens and prominent businessmen in the sudden death of Adolph Lehman Rosenheimer, 47, which occurred on March 29, at St. Agnes Hospital in Fond du Lac. Mr. Rosenheimer was taken to the hospital on Monday, March 22, and underwent an appendicitis operation the next day, after which pneumonia set in greatly weakening his condition. Several blood transfusions were given him and although the best of medical care was given him,

it was more than his system could withstand and he finally succumbed.

A daughter was born to Mr. and Mrs. Jacob Kuehl of St. Kilian on March 24.

75 Years Ago

APRIL 6, 1918

The first official casualty report to strike this area announced the death of Private Pearson Brown, who was with the Rainbow division on the firing line in France. The message was received by his father at Campbellsport Monday evening. Pearson Brown enlisted with Co. E of Fond du Lac in June, 1917, and with his company was made a member of the Rainbow division, and sent to France last fall. Although the message does not state so, it is thought that he was one of the Sammies recently caught in the fumes of the demon gas, originated and spread by the Hun.

Election passed off very quietly in the village and town last Tuesday with the exception of a few offices on which stump tickets were placed in the field and were elected in place of the regular nominated candidates. In the village, the regular nominated ticket carried with the exception of one trustee, Martin Bassil running stump defeated Otto E. Lay. In the town the contest was a trifle hotter there being opposition for three offices. Gerhard Fellenz defeated Aug. Schnurr for Chairman; August Kirchner won out over Henry Muckerheide for assessor and Louis Habeck defeated Fred Schaefer for treasurer.

Farmers are surprised to see the sudden rise in the prices of horses. For more than a year horses have been the only cheap animal on the farm and ranches and there was little or no sale of them. Now, however, the government has advanced the prices of artillery and cavalry horses to \$240 and so there is a sudden upward jump of \$25 to \$75 for good draft horses, at Chicago stockyards. Every farmer and breeder of horses ought to breed all suitable mares this season otherwise a good sound draft horse of 1,400 to 1,600 pounds may soon command \$300 or even more.

Notice of Annual Meeting

The Washington County Humane Society, Inc. will hold its annual meeting on Thursday, April 15, 1993, at 6:30 p.m. at The Washington County Humane Society, 3650 Hwy 60, Slinger, WI 53086.

The agenda will include:

1. The election of Board Members
2. Other business

'Focus On Careers' at UWWC

Careers, colleges, and more careers. The largest career exploration activity for all students in Washington County is planned for Tuesday evening April 6.

The fourth annual Focus on Careers will be held on Tuesday, April 6, 1993 from 6-9 p.m. at the UW--Washington County Campus, 400 University Dr., West Bend. Over 150 business people representing health, law enforcement, engineering, television, teaching, nursing, construction, manufacturing and more will be on site to answer questions about their careers.

Here is a unique opportunity for students and parents to individually talk to business representatives and ask questions regarding training requirements, future projections, changes in the workplace, and advancement opportunities.

"We changed to an evening event to allow parents to attend with their student" said Marcia Theusch of Washington County Economic Development. "Studies have shown that p-

arents are the number one influence in a child's career decision", said Theusch. It's an excellent resource for middle schoolers to begin the career exploration process and for high schoolers to refine their choice. Students can return each year and talk to different business representatives.

Special features added this year include a workshop on choosing careers and colleges that will begin at 6:30 p.m. and be repeated at 7:45 p.m., a computerized career system for individual career searches, a representative of university, private and technical college systems.

Focus on Careers is coordinated by all schools in Washington County with assistance from Washington County Economic Development. It is sponsored by area businesses including Serigraph, Inc. CDM Tool, West Bend Co. NMA, Regal Ware, and Wisconsin Electric.

It is open to the public--come as you are, stay as long as you like.

Kids Fishing Clinic Postponed

The Free Kids Fishing Clinic scheduled for Sat., April 3 at Sandy Knoll Park, West Bend will be postponed until Sat., April 10 according to representatives of the sponsoring organization, The Long Lake Fishing Club, Inc.

"The ice isn't off the pond and we need open water for our program, said Dick Edwards, executive director of the LLFC. "Last year the weather was chilly and we had snow flurries, but the pond was fine and the kids caught lots of fish. Other areas to the south of us that hold these clinics may not have the same problem." According to Edwards, the early date is set by the co-sponsoring organization, Wisconsin Sport Fishing Organization, to coincide with the DNR's planting of trout in other park ponds.

The pond Edwards refers to is at Sandy Knoll County Park near West Bend. Children ages 6 through 12 pre-register to attend the free clinic at Sandy Knoll. They go through five mini fish/environment-related classes before attacking trout in the pond. Up to 30 LLFC trained volunteers assist the

youngsters with rods and reels, hooks, bait, and fish. The young fisherboys and girls go home with trout ready for the pan in addition to a wealth of information and expertise. "We hope we instill some enthusiasm for a life-long sport and a healthy respect and attitude for our precious state waters, said Edwards.

Because of the postponement, registrations will be accepted through Sunday, April. Children between the ages of 6 and 12 can register by picking up a registration form at either Pick 'n Save in West Bend, Sentry Foods in Kewaskum, or Piggly Wiggly in Campbellsport. Phone registrations will also be accepted by calling 533-4430; parents of phone registrants will have to sign a registration form at the clinic. The a.m. clinic is the advanced session for those boys and girls who attended the clinic at Sandy Knoll last year. It will begin at 9:00 a.m. with check-in time at 8:30 a.m. The p.m. clinics for first-time participants and will begin at 1:00 p.m. with check-in time at 12:30 p.m.

To display children's artwork without ruining walls with tape or tacks, hang a fishnet on a wall and hold pictures to it with clothespins.

Turkey Patterning Clinic Saturday

Gateway Gobblers, a Chapter of the National Wild Turkey Federation in conjunction with the West Bend Barton Sportsman's Club will be hosting its first Turkey Patterning Clinic of 1993 on Saturday, April 3, from 9 a.m. to 4 p.m.

The clinic will be held on the West Bend Barton Sportsman's club grounds, located north of West Bend on Trapshoot Lane. Directions are North of West Bend on Hwy. "45" to Friendly Drive (approximately one mile north of CTH "D"), turn left at Mill Tool and Die and follow to Trapshoot Lane, turn right on Trapshoot and then straight ahead to the club grounds.

There will be various brands and different shot size shotgun shells that can be purchased individually.

In this way, the turkey hunter can try different loads to determine which brand shell and which size shot provide the best pattern with his shotgun at different yardages.

Being able to purchase shells individually also eliminates the need to buy a full box of shells only to find that the gun does not pattern right with these shells.

Trap shooting will also be available the day of the clinic so bring along your trap gun and shoot a few rounds.

The Gateway Gobblers and the West Bend Sportsman's Club wish all the turkey hunters a safe and successful hunt.

FALSE ADVERTISING

The use of smokeless tobacco, including snuff and chewing tobacco, is increasing at an alarming rate in this nation, especially among teens. Tobacco advertising continually promotes products with images of independence, glamour, success, and maturity. The fact is, cancer and other oral conditions related to the use of smokeless tobacco, are dangerous, ugly, and can be seriously disfiguring.

One man with courage makes a majority.

OFFICIAL NOTICE TO BIDDERS

The Town of Kewaskum, Wisconsin, will receive sealed bids for the construction of a Roadway De-icing Material Storage Building until 7:00 P.M., Monday, April 19, 1993 at the Labor Center Hall, 1230 Fond du Lac Avenue, Kewaskum, Wisconsin. Bids will be opened and read at 7:30 P.M., Monday, April 19th at the Labor Center Hall, 1230 Fond du Lac Avenue, Kewaskum, Wisconsin.

All bids shall be addressed to George Allmann, Chairman, Town of Kewaskum, Wisconsin with the name and address of the bidder marked on the outside of the envelope.

Plans and specifications are on file at the office of the Architect, JP Storrs Co., Inc., 5468A Highway P, West Bend, Wisconsin. A non-refundable charge of \$5.00 will be required for each set of construction drawings and \$5.00 for each project manual. A \$3.00 shipping charge will be required for mailing of construction documents.

The Town of Kewaskum, Wisconsin, reserves the right to reject any or all bids, subject to the provisions of Sections 60.47, 66.29, 66.293 of the Wisconsin Statutes.

No bid shall be withdrawn for a period of forty-five (45) days after the scheduled time of opening bids.

The letting of work described herein, is subject to the provision of Section 66.29 Wisconsin Statutes, as it applies to work done under this contract.

No bid will be received unless accompanied by a Certified Check or a Bid Bond equal to 5% of the bid, payable to the Town of Kewaskum, Wisconsin, as a guarantee that, if the bid is accepted, the successful bidder will execute and file the contract and bond forming a part of the specifications within ten (10) days after the award of the contract. In case the bidder fails to file such contract and bond, the amount of check or bid bond shall be forfeited to the Town as liquidated damages (Section 62.15 (3) of Wisconsin Statutes).

This project is not subject to Municipal Wage Scale Requirements per Section 66.293 (3) (c) of the Wisconsin Statutes.

Compiled and published by authority of the Town of Kewaskum, Wisconsin.

Row four: Amber King, Stacy Zehren, Mary Rinzel, Katie Schladweiler. Row five: Lisa Schickert, Amy Pivoni, Emma Chambers. Row six: Robyn Wolf and Coach Cindy Gruber.

Softball Openings

KEWASKUM - There are still a couple of openings for softball teams to play in adult leagues this summer at the Kiwanis Community Park.

Currently there is one spot still available for the Thursday night men's league, sponsored by the Village of Kewaskum Athletic Association. There are also several spots open in the Monday night women's loop, as well.

The VKAA is limiting all leagues to an eight-team maximum, and once there are eight teams registered, the leagues will be closed. The VKAA also needs at least six women's teams in order to have a women's league. At the present time, there are just three or four teams registered.

The VKAA has until mid-April to determine if there are enough teams to form leagues, so if you are thinking of entering a team in any league, please do not wait until the last minute, or it will be too late. Once the VKAA decides to disband a league, it will not reconsider instituting it again. The VKAA had its manager's meeting this past Wednesday, so time is winding down to join the leagues.

If you are interested in entering a team in any league, or would like to possibly umpire in the leagues, or if you are just interested in volunteering your services during the season, please contact Rick Krahn at 626-2736 or Noel Stollenwerk at 626-4485.

Early Stocking of Rainbow Trout Expected Soon

The early stocking of rainbow trout in southeast Wisconsin will start as soon as the ice melts from area water, according to Department of Natural Resources Fisheries Biologist, Ron Piening.

The annual event marks the beginning of the urban fishing program. This year the Department will stock 51 lakes and ponds, from Sheboygan to Kenosha.

Fishing clinics, sponsored by the Wisconsin Council of Sport Fishing Organizations, are scheduled for Saturday, April 3 and will be held at parks throughout Milwaukee County. For information on the clinics, call the Milwaukee County Department of Parks, Recreation and Culture at (414) 257-6100.

All anglers will need a fishing license and inland trout

stamp. Persons under 16 year old, Wisconsin residents 65 years old before January 1, 1992 and certain handicapped persons are exempt from the licensing requirements. For information on licenses, call the DNR at 263-8500.

"Anglers are reminded that the daily bag limit for trout is three and there is no size limit," said Piening.

Up-to-date information on the stocking is available by calling the 24-hour hotline number at (414) 263-8494.

Horseshoe League to Meet

The Kewaskum Horseshoe League will be holding a meeting on April 7th at 7:00 p.m. in the Community Room of the Municipal Building.

15 Letterwinners Return to Fold Quality to Offset Lack of Quantity for Boys Tracksters

By Noel Stollenwerk

KEWASKUM - The overall numbers may be a bit down this year, but Kewaskum boys track coach Jerry Gosa feels that the quality athletes that return to the fold this year should provide for a successful season.

"We're a little down (in numbers) from last year," Gosa said, reporting that he has 15 letterwinners among the 34 athletes out for the sport. "It's a little disappointing, because we had a pretty successful season last year. We had moved ourselves up to being very competitive."

And in order to take the next step towards being among the Eastern Wisconsin Conference's top teams, Gosa will need some consistent efforts from those letterwinners.

The Indians have one returning state qualifier in pole vaulter Brad Jackson. As a sophomore last year, Jackson finished seventh in the WIAA State Meet, tying the school record by clearing the 12-9 mark.

Also back are distance aces Jeff Dirmeier and David Gosa, as well as defending EW high jump champ Travis Jacak. Seniors Dan Schulteis and Jim Rix should be forces in the weight events, while junior Wade Kreis and senior Jim Wichtoski give KHS a good 1-2 punch in the long jump.

"He came out for the first time last year, and was kind of the big surprise," Gosa said of

Wichtoski, who should also be in some middle distance races.

Other letterwinners back this season include seniors Brian Bruendl (triple jump), Dean Kreis (pole vault and distances), Chad Harlow (hurdles), juniors Beau Coulter (high jump and sprints), Heath Heise (middle distances), Wade Kreis (sprints, pole vault, long jump), Tony Rix (distances), and sophomore Tyler Dieringer (sprints).

"We'll be fairly strong in the distances," Gosa pointed out, noting that hurdles will probably be a weak area, as the Indians lost Kim Marx to graduation. Marx qualified for Sectionals last season, and was one of the Indians' best athletes and point-producers.

"You just don't replace somebody like that," Gosa said of the loss of Marx. The KHS coach noted that Harlow just recently decided to come out for the sport this year, and should help offset the loss somewhat.

Gosa was pleased to report that seven members of the Indians second-place cross country squad have come out this year, which should strengthen the distances even more.

In addition to Dirmeier, Gosa and Dean Kreis, junior Randy Thull, soph Frank Fry, and freshman Damien Doherty, and Joe Rettler should make distances the Indians' best events.

"That's an area where we have some strength," Gosa said.

"That's a real nice core of kids there. I'm real happy to see all the freshmen out for the sport."

Other top prospects according to Gosa are freshman Andy Rix (sprints), Brian Butschlick (400) and Aaron Kurth (sprints).

"We have good team speed, but not excellent," Gosa said. "If we continue to work hard though, I think we can overcome that."

Sophomore Andy Matthies also has shown some promise in the weights, according to the KHS boss. "He has some good potential," he said. "I really think that he can help us out down the road."

Gosa, in his second season as KHS' head coach, looks for the EW to be strong once again. He lists New Holstein, Two Rivers, Sheboygan Falls and Plymouth as all being contenders for the conference title.

KEWASKUM BOYS TRACK ROSTER

SENIORS - Bruendl, Dirmeier, Dean Kreis, Kevin Kohn, Jim Rix, Schulteis, Wichtoski, Casey Wunsch, Chad Harlow.

JUNIORS - Erik Ankerson, Beau Coulter, Heath Heise, Jackson, Wade Kreis, Tony Rix, Wayne Stearns, Mark Strobel, Randy Thull.

SOPHOMORES - Dieringer, Rich Farchione, Fry, Gosa, Jacak, Matthies, Jake Thull, Chad Trzeczinski.

FRESHMEN - Butschlick, Doherty, Kurth, Ben Matthies, Peter Reis, Rettler, Andy Rix, Matt Tonn.

Dirmeier Records Lone KHS First KHS Boys 5th at County Indoor

By Noel Stollenwerk

WEST BEND - Having to go against the likes of Division I powers West Bend East and Hartford, the Washington County Indoor and Outdoor track meets always provide a huge challenge for the Kewaskum boys squad.

So despite the Indians' fifth-place finish at the County Indoor here, last Tuesday afternoon, KHS coach Jerry Gosa was quite pleased with his athletes' effort.

"I was hoping that we'd score about that many," Gosa said of the Indians' 62-point total. "That's a good number of points for us."

Hartford came away as the Indoor champs, recording six firsts on their way to a 98-point effort. Slinger was second with 93 points, followed by West Bend West (49).

KHS senior Jeff Dirmeier recorded the lone Indian first in the meet, winning the 880-yard run (2:10.2). The ace distance runner also added a second in the mile (4:56.7), providing Gosa with good reason to smile.

"Jeff ran the most determined that I've ever seen him run," Gosa said bluntly. "He has himself in good shape, and he's really been working hard."

Gosa was equally pleased with the effort put forth by senior Jim Wichtoski, who took second in the long jump (19-9.5), and added a sixth in the 440 dash (59.4).

"He did real well," Gosa said. "He almost won (the long jump). If he builds from there, he is a fine season ahead of him."

Also taking second for KHS was soph Travis Jacak, who cleared the 6-2 mark in the high jump.

David Gosa claimed a couple of places, as he finished third in the 880 (2:16.3), and fourth in the mile (4:59.1), giving the Indians double places in both events. The Indians also doubled in the high jump, with Beau Coulter taking sixth (5-8).

Brad Jackson added a third in the pole vault (12-0), while Jim Rix took fourth in the shot put (44-4.5), and Peter Reis was sixth in the 50 intermediate hurdles (8.1). They also got points from their 10-lap relay (fourth), and 6-lap relay (fifth).

"It's some tough competition," Gosa pointed out, noting that the Indians and Slinger were the only Division 2 schools competing. "It looked like the other schools wanted to prove something. They looked like they were going all out."

And with several of his athletes finishing right up there, Gosa has reason to be optimistic about the rest of the year.

"I really think that we're going to have a good season," the

KHS coach said. "We're hoping to improve on this. I'm very satisfied."

The Indians will now set their sights on their final indoor meet of the year, Tuesday at Slinger. The team will also send several athletes to Oshkosh the same day to compete in the Oshkosh Invitational.

Good Efforts Turned In By KHS Boys

By Noel Stollenwerk

NEW HOLSTEIN - The way Kewaskum boys track coach Jerry Gosa looked at it, last Monday's season-opening meet here was more of a warm-up than anything else.

"We looked at it as being a scrimmage," Gosa said, noting that the Indians' 61-47 loss to New Holstein didn't concern him all that much. "We basically just didn't want to see anybody get hurt."

With that goal accomplished, Gosa had only words of praise for the KHS runners, who recorded six firsts in the meet.

"I was pleased with the way we did," Gosa pointed out. "I have to give the kids a lot of credit, being the first meet and everything."

Gosa had to be pleased with the times of his distance runners, including that of sophomore David Gosa, who won the mile in 4:53.9. "I was a little surprised that he ran that fast this early," Gosa said, noting the time was an indoor personal best.

Senior Jeff Dirmeier also started out in fine fashion, winning the 880 yard-run (all distances were in yards) in 2:17, and taking second in the mile (5.03). Senior Jim Wichtoski won the 440 (58.3), and also had a hand in the mile relay's winning effort (4:02.6). Joining Wichtoski on the unit were junior Brad Jackson and freshmen Andy Rix and Brian Butschlick.

Jackson also won his specialty, the pole vault, clearing the 11-6 mark. The Indians' other first came from soph Travis Jacak, who tied his personal best by clearing 6-2 in the high jump.

"He started out real well," Gosa said of Jacak's effort. "He's got to keep working, though."

KHS also got seconds from Randy Thull in the two mile (11:46), Peter Reis in the 60 low hurdles (9.6), and from Jim Rix in the shot put (44-1.25).

"That's real good for him," Gosa said of the Rix toss. "I hope that's the beginning of things to come from him. For him to do that (his second-best ever) already is just great."

Gosa was also pleased with freshman Joe Rettler's third-place in the 440 (59.8), as well as another freshman, Aaron Kurth, taking third in the 220 (27.9).

Neither team seemed to put much stock in the meet, as the Huskies held out several of their top performers, while the Indians didn't even field a unit in the 440 relay. KHS took just 24 athletes to the meet.

"Hopefully, when we get outdoors we'll be able to work harder," Gosa said of the relaxed atmosphere. "We're just trying to keep everyone healthy at this point."

KHS Girls Have Blend of Youth, Experience

By Noel Stollenwerk

KEWASKUM - The past couple of seasons, Kewaskum girls track coach Perry Koth has had the luxury of knowing exactly what his team was capable of doing.

But with a couple of mainstays gone due to graduation, Koth has his work cut out for him this season, as he tries to blend his experienced runners with some new young talent.

"We've got a lot of people that show good potential," Koth said in assessing this year's roster, which includes around 30 underclassmen. "We've graduated so many people, that now there are a lot of spots to fill."

Gone are long jumper and relay aces Kelly Korth, Tina Schwartz, and shot putter Tammy Schmidt, all of which qualified for last year's WIAA State Meet. Koth knows that those will be some huge shoes to fill.

"In the past, we've had a lot of people with experience," he said. "We pretty much knew where they would all fit, and there would be just a few spots that we needed to fill."

This year is a bit different, though, as just a few regulars return to the fold. Heading the list of letterwinners is Robyn Winninghoff, who finished third in the discus at last year's state meet, and Ginger Wiesner, who took fourth in the 400 at state.

"She's been running in the high 63's (in the 400), and that's really fast for this time of year," Koth said of Wiesner, a junior who will compete in several events. As for the senior Winninghoff, "She's already up there (clearing the 5-1 mark in the high jump). That's usually good enough to qualify for state, and she's right near that mark."

"The success that they had last year (at state)... those are the ones that you start to build around," Koth said of Wiesner and Winninghoff.

Koth also is glad to have sophomore Greta Kuphal back, although she has been hampered by a foot injury thus far, and has been unable to compete. When she does return to action, Kuphal will be one of the Indians' top sprinters.

In addition to the three already mentioned, Koth will get valuable points from seniors Christa Schmidt (hurdles), Beth Kempf (weights), juniors Nicole Hetzel (distances), Rachel Chambers (distances), sophomores Mary Yahr (hurdles), Missy Rohrer (hurdles and middle distances), Denise Ludwig (sprints), Chrissy Neumann (distances), and Susie Gauvin (distances).

"Christa and Mary have looked real strong in the hurdles... they're running step-for-step," Koth said. "I think they are going to have a real good year. They

look to be in great form."

Perhaps one of the more valuable athletes will be Rohrer, whom Koth says, "has really shown the potential to do almost anything."

Another underclassman who seems to be emerging is sophomore Becky Yogerst, who will compete in the shot put. "She's really come out strong," Koth said, adding, "She needs technique work, but she's really been coming on. She's been a real pleasant surprise from the standpoint that it's happened so quickly for her."

Koth is also looking at several freshmen as being key contributors this season, including Kelly Schreffler, Julie Froemming, Tracey Jacak, Erin Stockhausen, Ann Buddenhagen and Debbie Neumann.

"They are all similar in ability," Koth pointed out. "Some will have to step forward."

One problem facing Koth so far has been several athletes missing valuable practice time, due to injury, school trips and other reasons. That has hampered him in assessing just who will be major contributors, and in what events.

"Our practices have been interesting so say the least," Koth said of the missing runners. "It's hurt us this year more than before, because we have so many new people, and there are so many positions open."

"It's nothing really serious. It just makes it more difficult for myself and the coaching staff," he said. "We just haven't seen enough of them yet to know what they can do. It makes it difficult to get a grasp on where we are team-wise."

Nevertheless, Koth is sure his team will be strong in a couple of areas.

"I think the field events will be very strong for us, as well as the hurdles and middle distances," he said. "Other than that, it's really hard to say at this point."

XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, March 24, were:

SKAT: Frank Kadinger, 19-4-15 net; Marvin Martin, 19-4-15 net; Joe Butschlick, 16-3-13 net; Frank Sell, Diamond solos vs 4.

SHEEPSHEAD: Gertie Kaschner, Frances Rohlinger, Meta Heimerman and Ted Schoofs.

Winninghoff, Yogerst, Yahr Earn Firsts Shorthanded KHS Girls Third at County Indoor

By Noel Stollenwerk

WEST BEND - With numerous athletes missing practice due to injuries, trips and other reasons, Kewaskum girls track coach Perry Koth had absolutely no idea what to expect from the Lady Indians in last Thursday's Washington County Indoor Meet.

So when the final tallies were marked, and scores showed that KHS had taken third in the meet (with 76.5 points), Koth was quite elated.

"I was very surprised," he said of the third-place finish. "I really didn't expect us to score that many points. I thought we'd be more around the 50 point range."

West Bend East won the meet with 125.5 points, followed by Hartford (99), the Indians, West Bend West (61), Germantown (56) and Slinger (41).

The Indians were without the services of two of their top athletes, junior Ginger Wiesner (class trip), and soph Greta Kuphal, who is still nursing a foot injury. With those two in the lineup, Koth figures his team would have been right up there in contention.

"Those are two of our strongest runners," Koth said of the missing pair. "They would have accounted for a lot of extra points. That (finishing third without them) shows me that we have some real talent here."

Heading that list of talent was senior Robyn Winninghoff, who nearly tied the school record in winning the high jump competition. Winninghoff cleared the 5-0 mark without a miss, and had first place already won when she tried to tie the school record of 5-2.

"She cleared it, and the bar kind of vibrated for a while," Koth said, noting that as Winninghoff began to get up off the mat, the bar fell. "That's how close she was."

Mary Yahr also recorded a first winning the 50 intermediate hurdles race with a time of 7.7. Meet rules prohibited an athlete from competing in both hurdles races, so Christa Schmidt ran the high hurdles, where she finished second in 8.1.

"I knew we'd be strong in those races," Koth said.

What he didn't count on was the first-place finish recorded by Becky Yogerst in the shot put (33-8). "I didn't expect that at all," Koth noted. "I was hoping that she would make it in the top four or so."

In addition to Schmidt's second in the hurdles, Koth also got a runner-up finish from Missy Rohrer in the 800 (2:44.2). The soph also added a sixth in the 440 (1:10.1), and helped the 10 lap relay unit to a second (4:14.7).

Others finishing in the top six for Kewaskum included Chrissy Neumann's fourth in the mile (6:17.9), Kelly Schreffler's fifth in the high jump (4-6), and sixth from Beth Kempf in the shot (32-1), Nicole Hetzel in the 880 (2:47.9) and Denise Ludwig in the 213 (31.2). KHS also got a pair of thirds from the 20 lap (10:41.3) and 6-lap (2:22.2) relay teams.

"We ran much better (than in the season-opener against Waupun)," Koth said regarding the meet. "We had to do a lot of moving around (because of the missing athletes)... had to kind of piece-together some areas."

"But we've got some good athletes, and they are working real hard," Koth said, obviously pleased.

After a co-ed meet at Slinger on Tuesday, the Lady Indians will turn their attention to next Monday's Oshkosh Invitational, where KHS finished second a year ago. That will be the final indoor meet of the year for the Indians, who open their outdoor season at Waupun on April 13th.

WASHINGTON COUNTY INDOOR GIRLS RESULTS

TEAM SCORES: 1. West Bend East 125.5, 2. Hartford, 99, 3. KEWASKUM 76.5, 4. West Bend West 61, 5. Germantown 56, 6. Slinger 41.

INDIVIDUAL RESULTS

(First places and Kewaskum places)
20-Lap Relay - 1. WBE, 10:14.2;
3. KEW, 10:41.3;

Long Jump - 1. Punzenburger, WBE, 14-11.5;

High Jump - 1. Winninghoff, K, 5-0; 5. Schreffler, K, 4-6;

Mile - 1. Davis, SL, 6:02.2; 4. C. Neumann, K, 6:17.9;

4-Lap Relay - 1. WBW, 1:25.1;
50 YD High Hurdles - 1. Spuhler,

HART, 7.5; 2. Schmidt, K, 8.1;

50 YD Dash - 1. Bell, WBE, 6.4;

6-Lap Relay - 1. WBE, 2:14.0; 3. KEW, 2:22.2;

440 - 1. Metrish, WBE, 1:05.8; 6. Kempf, K, 32-1;

Shot Put - 1. Yogerst, K, 33-8; 6. Kempf, K, 32-1;

880 - 1. Weidmeyer, WBW, 2:41.3; 2. Rohrer, K, 2:44.2;

50 Intermediate Hurdles - 1. Yahr, K, 7.7;

213 Dash - 1. Metrish, WBE, 27.8;

6. Ludwig, K, 31.2;

Two Mile - 1. Mueller, WBE, 13:40.3;

10 Lap Relay - 1. WBE, 4:13.9;

2. KEW, 4:14.7.

Indian Girls Roll to Easy Win

By Noel Stollenwerk

KEWASKUM - While the score may suggest otherwise, Kewaskum girls track coach Perry Koth said his team's 82-36 victory over Waupun here, last Tuesday afternoon was rather ordinary.

"Maybe I expected a little more," Koth said, noting that the KHS times were "pretty average on the whole. It wasn't anything spectacular."

Nevertheless, Koth was quite pleased with some of the efforts turned in by the Indian girls. Heading the list was the 1-2 punch of Christa Schmidt and Mary Yahr in the hurdles. Each registered a first by edging the other in the 45 high and low races.

"Their techniques were just great," Koth said of the pair, which recorded times of 7.9 in the both races.

Junior sensation Ginger Wiesner also started out the season strong, winning all three races in which she was entered. Wiesner won the 400 (63.9), long jump (14-3) and the 200 (30.0). "Those are very good times," Koth said.

Other firsts registered by the Indians included Chrissy Neumann in the 1600 (6:18.4), Denise Ludwig in the 40 dash (6.2), Becky Yogerst in the shot put (32-5.5), Missy Rohrer in the triple jump (28-1.75) and 800 (2:48.1), as well as the 800 and 3200 relay teams.

As for Rohrer's time in the 800, "That's very respectable, and that's the first time she's ever run it," according to Koth, who

was also pleased with Kelly Schreffler's third in the high jump (4-8). "That was kind of nice," he said. "For a freshman to do that this early in the season... it's great."

"There were some real good efforts put forth," Koth went on to say. "But I'm not going to get too excited about that."

The Indians were without ace sprinter Greta Kuphal, who will probably miss about another week with her foot injury.

KEWASKUM 82, WAUPUN 36

(First places, and Kewaskum places)
1600 Run - 1. Chrissy Neumann, K, 6:18.4; 3. Deb. Neumann, K, 7:01.4.

40 Dash - 1. Denise Ludwig, K, 6.2; 3. Tracy Jacak, K, 6.5;

45 High Hurdles - 1. Mary Yahr, K, 7.9; 2. Christa Schmidt, K, 7.9 plus;

3200 Relay - 1. KEW (Hetzel, C. Neumann, Thull, Chambers), 12:02.7

Shot Put - 1. Yogerst, K, 32-5.5; 2. Kempf, K, 31-1.5;

High Jump - 1. Meyer, WAUP, 5-0; 2. Winninghoff, K, 4-11; 3. Schreffler, K, 4-8;

Long Jump - 1. Wiesner, K, 14-3; Triple Jump - 1. Rohrer, K, 28-1.75; 3. Yogerst, K, 28-5;

1600 Relay - 1. KEW (Rohrer, Yahr, Schmidt, Neumann), 4:42.5

3200 - 1. Zeininger, WAUP, 13:32.6; 3. D. Neumann, K, 15:58.

200 - 1. Wiesner, K, 30.0; 3. Ludwig, K, 33.1;

800 - 1. Rohrer, K, 2:48.1; 2. Hetzel, K, 2:55.2;

45 Low Hurdles - 1. Schmidt, K, 7.9; 2. Yahr, K, 7.9 plus;

400 - 1. Wiesner, K, 63.9; 3. Froemming, K, 1:24.2;

800 Relay - 1. KEW (Ludwig, Schreffler, Froemming, Jacak), 2:12.5.

Hard Work Pays Off For KML's Smith

By Noel Stollenwerk

KEWASKUM -- While most high school students view summer as a period of relaxing, Kewaskum's Brian Smith looked at the three-month break from school as a means of improving his basketball skills.

Now that hard work is paying off for Smith, a senior at Kettle Moraine Lutheran High School in Jackson. Smith just completed his final season at KML, where he led the Chargers to a 19-5 record, and its first berth in the WISAA State Tournament since 1984.

"He's as good an advertisement for playing the game year-round as I've ever seen," KML coach Orville Breikreutz said of the 6-2 Smith, who traveled with an amateur team last summer, playing in tournaments as far away as Colorado and Michigan. "He really improved his game because of it. What he's accomplished, he's done through sure hard work."

What he's accomplished is becoming one of the most prolific scorers in KML history. Smith averaged 20.89 points per game this past season, while also pulling down an average of eight rebounds a contest. He holds school records for total points in a season (459), field goals made (194), points per game (20.8), and field goal percentage (60%), which he accomplished as a junior. Smith also holds the single-game scoring mark (34), which he set this past year against Cedar Grove.

"I don't think I've seen anyone as explosive as he is," Breikreutz louted of his star. "He's a scoring machine. No one I've coached has been able to dominate a game like he has. One-on-one, he's probably the best player I've ever coached."

And much of Smith's success can be directly attributed to his work the past few summers, when he has increased his verticle jump to the point where he can easily dunk a basketball.

"He just loves to play the game," Breikreutz said. "I don't know if all kids would enjoy doing that (playing throughout the summer). He's just a great competitor...a real joy to coach."

"He's so unselfish and coach able," Breikreutz went on to say. "There were times when I had to tell him to take more shots, because he is so unselfish. I think his statistics were hurt a little because of it."

Not that his statistics were hurting much in the first place. Smith's play earned him the honor as the Midwest Classic Conference North Division Player of the Year, as he helped KML to a 11-3 mark and second-place finish in the loop.

Smith also was chosen to several all-tournament teams, including a spot on the WISAA all-Tournament unit. It wasn't surprising to Breikreutz, who says that Smith turns his game up a notch come crunch-time.

"He's a tournament-type player," the KML coach said. "There were times during the year when he would get so pumped up during a game, that I

would have to take him out and sit him down for a minute, just to calm him down."

Smith dominated games, despite playing the majority of time against players several inches taller. But being the Chargers' largest body forced him to play inside, and he responded admirably.

"We needed him inside," Breikreutz said of the dilemma. "He was willing to try any-

thing... just a great team player. Defensively, we always put him on the opposition's strongest and quickest player. He's just a very good defensive player, and that's in a team-oriented defense that doesn't allow for much switching.

Offensively, Smith grew a type of bond with guard Joel Heckendorf, where one knew what the other was doing, before it would happen.

"It as a pretty thing to watch," Breikreutz said of the duo, which he will sorely miss next year. "He (Smith) had a real deceptive back-door cut,

and Joel would deliver the ball to him right on clue. Even teams that knew it was coming had a hardtime stopping it."

Breikreutz feels that Smith definitely has the talent to take his game to the next level.

"I think he has the ability to play the off-guard spot in college," he said. "I have no doubt whatsoever that he can make it (in college ball). I know college coaches will look at his stats and say that he doesn't have the three-point range. That's because, simply, he never took any. he was one of our biggest players, and we needed him

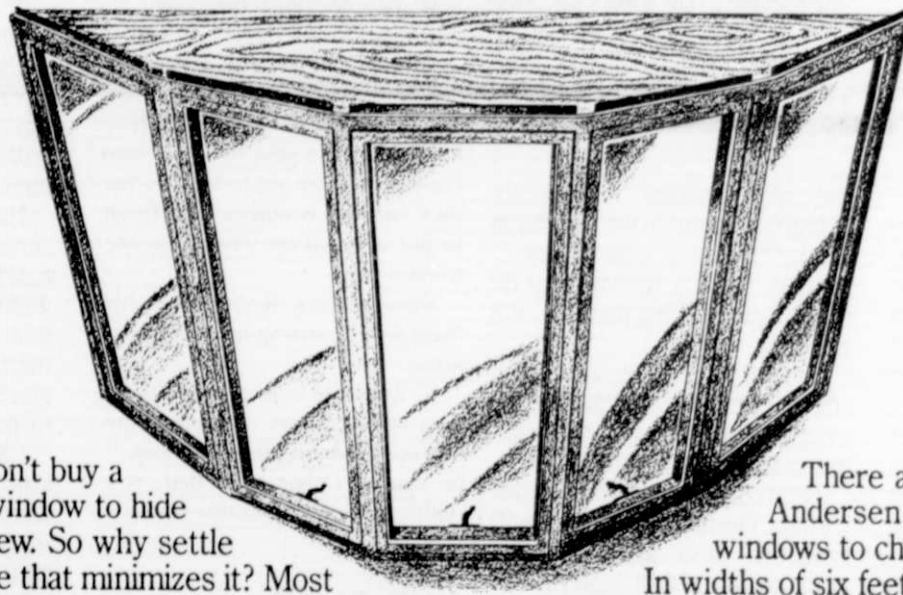

down low."

"But I have know that he can nail the three-pointer, and his ball-handling skills are good enough to play the off-guard spot," Breikreutz said.

With Smith leaving, Breikreutz said the void may simply be too big to fill, although Smith himself may have helped that situation.

"Other kids in our program have had the pleasure of watching him," Breikreutz said. "Now they know what it takes to be a great player, and hopefully they will work half as hard as he did."

ANDERSEN® BOW WINDOWS GIVE YOU A BETTER VIEW ALL AROUND.

You don't buy a bow window to hide the view. So why settle for one that minimizes it? Most bow windows are made with a wide wood frame around the glass that reduces the viewing area.

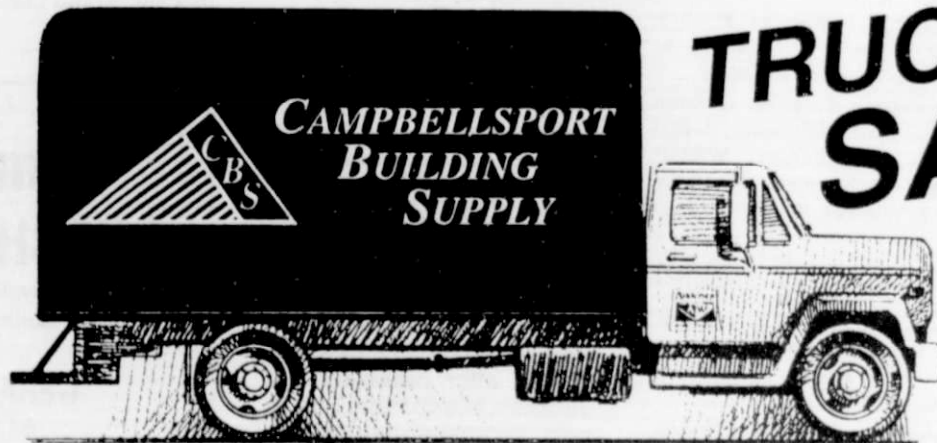

But Andersen® bow windows feature narrow frames all around. So there's less frame to obstruct the view.

There are 35 Andersen bow windows to choose from. In widths of six feet to nearly 14 feet. So you can make nearly any room more spacious. And bring more view indoors. For the best bow window overview, see us, your Andersen Window Center® retailer.
