189 Runners in Lions Kettle 20; Serve Over 500 Chicken Dinners

Mike Ray

A total of 189 runners competed in the 20th Annual Lion's Club Kettle 20 race on Sunday, in conjunction with their chicken bar-b-que.

Mike Ray, of Waukesha took home the gold from the 12.4 mile event, crossing the finish line with a time of 1:11.15. Mayer, a first time runner, edged out Gaylord Olson of Alma Center, another first timer, by only 12 seconds.

Corrine Hlavka, of Racine, came shining through to capture the title of top female runner in the Kettle 20, with a time of 1:27.37. Last year she finished third in the race.

This year the Kettle 20 celebrated its 20th year with cooler temperatures, a plus for the runners, along with T-shirts stating

"20 Years and Still Going." Fritz Krieser was in charge of the finish line this year, since Dale Squier, chairman of all the previous years was absent due to his son Jeff's wedding on Saturday.

Firsts in the five mile event include David Gosa of Kewaskum in 29:15 and Lynette Drexler of Horicon with a time of 39:15. 3.5 mile winners were Marni Lynn of Kewaskum with a 26:29 finishing time and Greg Lorenz of West Bend, finishing in 22:39.

Over 500 delicious dinners were served by the Lions Club. Proceeds from this annual event are used for local "Lions" community service projects.

Community-Wide Rummage Sale Here Saturday

"Brand new," previously-owned articles are having last minute "touch-ups" as owners are preparing them for hopeful bargain hunters this Saturday during Kewaskum's Annual Community-Wide Rummage Sale, being held from 8 a.m. to ?

Just in time for "back-to-school" buyers, many of these "one owner" items are looking for a new home and they just might be what you have been looking for. So get an early start and plan to hit all the sales available.

Some retail merchants have also joined in the sidewalk "sale-o-rama" by marking down their closeouts and seasonal merchandise. There will also be good food and refreshments for sale, so you don't have to interrupt your serious shop-till-you drop time to rush home to feed the kids and replenish all the calories you burn off shopping.

Maps designating rummage sale areas will NOT be available, however, many of the rummage sales are listed on page 16 in this issue of the Statesman. You can pick up an extra copy at Din's Mini Mart in Dundee, Shefond Amoco and Mobil, Kewaskum Pharmacy, Sentry Foods, Kohn's Amoco, Buffy's Village Inn, Kuehl's Suds and Spirits, and, of course, at the Kewaskum Statesman.

Or you can just surprise yourself and meander throughout Kewaskum and find the bar-

Summer Dance of '93 With 'Out*A*Time'

Even though summer is waning to a close, organizers have been busy planning and promoting an end of summer bash guaranteed to make your "Summer of '93" a memorable one.

To assist your memory-making capability, they have secured the show band, "Out*A*Time" hailing from Manitowoc. "Out*A*Time" thrives on taking you back to the 50's and 60's with all the favorites you remember and still enjoy from

that time warp.

Remember when... "Charlie Brown" took up with "Runaround Sue" "At The Hop?" Or how about when "My Girl" "Peggy Sue" announced "My Boyfriend's Back" to that "Pretty Woman" "Peggy Sue." Then there was the time that "Woolly Bully" "Johnny B. Goode" decided to "Get a Job" teaching "Good Golly Miss Molly" the "Hand Jive." Of course, everything would have been alright if that "Little

School District Welcomes Students Back on Monday, Aug. 23

Monday, August 23 is the first day of school for new and returning students of the Kewaskum School District.

Johnson Bus Company will soon be sending out information on bus rules and pick-up times. If you have not received this information by August 16th please call them at 626-4414 to complete arrangements.

We ask that families take time to review the bus riding rules and safe boarding, riding, and unloading procedures. If this is your child's first experience at riding on a bus, why not take some time to accompany him/her or arrange for someone else to accompany him/her for

their first pick-up and drop-off?

Also, please be aware of the times crossing guards are present on village street corners and utilize them accordingly. Please do not send or drop your children off at school before the school doors open because they will be unsupervised.

Information for those interested and eligible for the free and reduced hot lunch program is also published in the Statesman. During registration the forms were available to those interested. If you did not receive a form and now would like one sent to you, or wish to review the qualifying criteria,

Turkey Shoot Set for Sept. 19

The Kiwanis Club of Kewaskum has announced its Turkey Shoot will be held on Sunday, September 19. It will be held at the New Fane Sportsmen's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

This year's event will feature a firing line, trout pond, golf shoot, trap shooting, archery, compound bow shoot, dart shoot, and children's games. Hot and cold beverages and food will be available. Cookware closeouts will be on sale.

In addition to advance sale tickets being accepted at all events, cash prizes will be awarded at special drawings. Ticket holders will not have to be present to win. Raffles will be held during the day for turkeys and sausage.

Advance sale tickets will cost \$3.00 for four shots and may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

Proceeds will benefit area youth activities.

Gilles Named All-American Scholar

The United States Achievement Academy announced today that Katrina Gilles has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Katrina Gilles who attends Kewaskum High School, was nominated for this National

Award by Barbara Hoeft.

Katrina Gilles will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may

be recognized by the USAA for other honors.

Katrina Gilles is the daughter of Mr. and Mrs. Jerry Gilles. The grandparents are Simon Hanson of Elmwood, WI, and Earl and Lorraine Gilles of Estero, FL.

Community Contest For 'Dundee Days'

A community contest sponsored by the Dundee Mill Park Committee is in progress in Dundee. We want folks, age 2 to 102, to participate.

The miller, his wife and teen daughter may be viewed through the window inside the Mill. Drop-off cans and name slips are located at Dins, Merrelore Market, Millie's Irish Pub, and Leo and Jo Anne's. There will also be a can located in the Mill during "Dundee Days."

We are looking for names that are considered wholesome and with a flair of the day. Remember, our mill was built in 1855. Names will be selected by the Dundee Mill Park Committee and the winners will be published in the local papers shortly after August 22.

There will be prizes for the three winners. PARENTS... get your little ones involved, and let's make some history together.

*****ATTENTION*****
MEN AND WOMEN IN
AND AROUND DUNDEE

"Dundee Days" will sport fashions with imagination. Clothes from the 1850's through 1930 may be seen at our area function. Some of the volunteers will be wearing clothing dating back within this time block.

We would like to see as many people dressing in historical fashion for this one day also. Remember, you can join the fun by wearing a partial outfit if you want.

So, get into your attics, dust off your bonnets or miller hats, mend your flapper dress, chemises, bib overalls, aprons and have a ball. This will be an annual feature, so get your favorite dressmaker to stitch up a garment in case your measurements have changed in the past few years.

Dress the children in historical style and teach them to appreciate their history and heritage. Come and join us for a fun day!

please call the business office at 626-8427.

Hot lunch prices for the 1993-94 school year are as follows; elementary schools \$1.25 per day or \$5.50 per week, middle school and high school \$1.40 per day or \$6.25 per week. School on Monday is a full day and hot lunch will be served. The calendar for the school year has been published and each family will receive one at registration. Extra calendars are available for purchase at the business office.

The school district does not carry accident insurance for students. We therefore urge parents/guardians to review their own policies to be certain coverage is adequate. Particularly in the case of athletics, this is a necessity. The schools do have insurance forms provided by Student Assurance Company of Stillwater, Minnesota available to parents who would like to purchase additional insurance or insurance for their children. The parents purchase the insurance on their own - the district is not involved in the sale of insurance.

The buildings and grounds are in good shape and the classrooms are clean and ready for students. All is in readiness and

we are anxious to greet the children and begin another year.

Many teachers have attended various courses, workshops and seminars over the summer to improve their skills. Administrative staff worked to hire new staff and arrange schedules, discuss goals and refine the vision of the district.

Most important to us will be the continued support and involvement of parents, grandparents, guardians and community members at large. Please take the time to review school

handbooks and rules with your children, help them with their homework, call their teachers or principals, and visit their schools. You are important and we need your assistance.

Hints for a successful start to the 1993-94 school year include the following: Be positive about the teacher(s) your child(ren) has/have and the programs available; be interested in what is happening on a daily basis; encourage participation in extra-curricular activities; set goals that are high enough yet realistic; and set aside some time to talk to your child/children each day.

Welcome back and we all hope you have a great year!

For those who are quick to criticize, count among your blessings those who VOLUNTEER their time to undertake and organize things that would fall by the wayside if we waited for the critics to take care of it.

Friends of Abused Families Batters Program a Reality

In 1989 Ann Stoffel, Director of Friends of Abused Families first mentioned the idea of a batters program in Washington County at a meeting with CCSA Board Members. From that day forward she kept her vision focused on the day when Washington County would join the many other counties in the state and offer education and counseling to batters in lieu of prosecution.

Years and many hours of education were put forth by Stoffel. Literally, she would talk to anyone who would listen. Interest kept growing and more and more joined the ranks of believing this program is needed.

In October of 1992 Friends of Abused Families, under Stoffel's direction, began an all out campaign. United Way of Washington County promised funds should the agency provide a pilot program. A Domestic Abuse Intervention Committee was formalized and is co-chaired by James Skidmore, Chief of the West Bend Police Department. Representatives are from law enforcement, social services, probation and parole, a former battered woman, Friends staff, judicial system, District Attorney's office and private industry. Monthly meetings brought about a plan of action.

The committee requested information from programs which were providing batters services in surrounding counties. The programs were assessed and the goal of doing a pilot project was set. In January, Requests for Proposals were sent to the community-at-large. In March, the committee met and reviewed and rated the submitted proposals. Affiliated Clinical Services of West Bend under the direction of Dan

Laurent was chosen to run this pilot.

The Pilot began June 1, 1993. It offers batters eight weeks of education and eight weeks of therapeutic group work. The groups will be facilitated by Dan Laurent of Affiliated and Linda White of Friends of Abused Families. The community based Intervention Committee will monitor and evaluate its effectiveness.

Stoffel and the committee (whose names are listed below) deserve a great deal of credit, praise and appreciation from the community for remaining focused and improving the quality of life in this county.

Domestic Abuse Intervention Committee Members are: Michael Dorney, Ardyce Peters, Frank Standish, J. Dennis Thornton, Monica Plaskin, Don Ryd, Sherlyn Stiewe, Honorable Lawrence Waddick, Ruth Reis, Gerry Skalecki, Barb Theisen, James Skidmore (co-chair), and Ann Stoffel (co-chair).

Peers 4 Peers Training Held

A new name and some exciting changes was in store for 104 high school youth who were selected to be a part of the Washington County Peer Listening program. Peers 4 Peers, as the group is now known, held their annual summer training July 26-29 at Our Saviors Lutheran Church in West Bend.

Maryjane Cass Burdge was

the keynote speaker for the event. She facilitated activities that helped the Peer enhance their communication, leadership, trust building, and active listening skills.

"We utilized the expertise of our Washington County professionals this year in training the Peers," said Sandy Gunderson, coordinator of the Peers 4 Peers program. Other workshops were presented by Sonia Utterback, Al Pearson, Chris Fazio, Marty Ison-Kocos, Linda Dymond, and Rose Schraufnagel.

Why the name change? Says Gunderson, "The teens felt they wanted to do more outreach. Listening will still be a very important part of their role, but they will also be helping freshmen and transfer students in their adjustment to new surroundings."

The Peers 4 Peers program is sponsored by the Council on Alcohol and Other Drug Abuse of Washington County.

Most Admired Seniors Named

The five Washington County Senior Citizens selected to receive the Most Admired Senior Citizens Award this year include Gertrude Buczek of West Bend, Bernice Berschneider of Hartford, Virginia Kern of Hartford, Milton Beth of West Bend, and Lorraine Baetz of Hartford. The five recipients were recognized and received a plaque on Saturday, July 24, at 2 p.m.

This free event is not a popularity contest, beauty pageant or celebrity sweepstakes. It is, however, a chance for older adults to receive the recognition they deserve. Winners are selected on the basis of current activities.

Gertrude Buczek is a volunteer for the Lifeline program at St. Joseph's Hospital, delivers Meals on Wheels, assists the Religious Education teacher, assists with Monthly Market Day at her church, delivers communion to the residents of Samaritan Home and is president of the Westridge Home Owners.

Bernice Berschneider, a great grandmother of nine has been an outstanding volunteer since her retirement. She is a Pink Lady Auxilliary Volunteer for 20 years, a blood bank volunteer, a member of Senior Friends where she cooked meals for 13 years, an officer of Ladies Aid and Mission Society, and takes part in a grandparents project in Hartford. For a period of 15 years, she voluntarily took an elderly lady who had no family out and about shopping, socially, and for appointments. She manages to keep a busy schedule of volunteerism that would tire most young folks.

Virginia Kern works tirelessly for the Hartford Memorial Hospital Auxilliary, where she has served for 20 years as membership chairman, works with Lifeline, assists with the Blood Bank, works at the hospital gift shop and is a Pink Lady. She is also a member of the Kitchen band of Senior Citizens that

entertains for special groups at nursing homes and other worthwhile functions.

Milton Beth has been a Block Watch captain for ten years, a member of the Senior Center Chorus, band, and a volunteer woodworker at the Fond du Lac Health Care Center. Just recently he received the Friends of Education Apple Award for the work he has done in the intergenerational program at Silverbrook School where he volunteers every Tuesday to work with kids.

Lorraine Baetz works at the Blood Bank, Meals on Wheels, is a member of Senior Friends, is a member of the Hartford Recreation Commission Board of Directors, a volunteer teacher to elderly Alzheimer's Disease patients, a member of Red Cross Disaster Team, and works at City Voting Polls. This past year she worked as a "Room Grandma" every week during reading class giving that added incentive for kids to read. She has a refreshing outlook on life and a positive attitude which inspires those around her.

All of these people are a good example of the old saying, "You are as young as you feel." They are young at heart and soul, giving of themselves to their community, family and friends. Congratulations to the five Most Admired Senior Citizens in Washington County.

She: I just broke my glasses. Will I have to be examined all over again?
Doctor: No, just your eyes.

Suzanne Gauvin Attends Journalism Workshop

Suzanne Gauvin, a student journalist of Kewaskum High School, attended the Kettle Moraine Press Association's (KEMPA) Summer Journalism Workshop on the campus of the University of Wisconsin-Whitewater, the week of July 26-31.

She chose to take part in the newspaper segment of the annual workshop.

The annual event attracted 127 students from 42 schools in Wisconsin and Illinois. They spent the intensive week in large and small group lecture and lab sessions. Leading yearbook and newspaper advisers staffed the workshop, along with guest professional journalists and specialists in various facets of the media.

KEMPA's workshop is designed to teach the basics to high school journalists, as well as acquaint them with the latest trends in high school publications.

Red Cross In Need of Financial Contributions to Aid Flood Victims

Wisconsin people have given generously for FLOOD VICTIMS, but donations still are needed for flooding throughout the Midwest. Contributions are now expected to meet or exceed the costs of Red Cross relief operations in Wisconsin.

Local Red Cross chapters in Wisconsin have received over \$505,000 in contributions for the Disaster Relief Fund. The Red Cross estimates that its flood relief efforts in the Wisconsin area will cost \$350,000 - \$400,000. About 1,400 Wisconsin homes were damaged or destroyed by flooding.

However, the total cost of nine Red Cross flood relief operations in the Midwest is expected to exceed \$15 million. The Red Cross still needs financial contributions to continue providing disaster relief along the flooded Mississippi and Missouri rivers.

The Red Cross is operating emergency shelters for evacuees and providing meals for flood victims and relief workers. The Red Cross also provides disaster victims with the means to obtain what they urgently need: groceries, temporary housing, new clothing, medicine, basic house-

hold items, bed linens, tools, and other essentials. THE RED CROSS GIVES ALL DISASTER ASSISTANCE FREE OF CHARGE, based on the verified disaster-caused needs of the individual.

The Red Cross provides disaster relief in the form of vouchers, which disaster victims use to purchase necessary items or services. The disaster victims are allowed to select the local merchant of their choice, using the Red Cross voucher like cash. This allows for a timely, efficient response, while ensuring that the disaster victim gets exactly what they need.

Long after the disaster, when other assistance may not be adequate to meet disaster-caused needs, the Red Cross can provide additional assistance on an individual basis. For many disaster victims, the Red Cross aid is a safety net - provided when all other avenues have failed to meet their needs.

SUMMARY OF RED CROSS MIDWEST FLOOD RELIEF:

The American Red Cross currently has nine major disaster relief operations active in Iowa, Kansas, Illinois, Minnesota,

Missouri, North Dakota, Nebraska, South Dakota and Wisconsin.

The latest cost projection for these combined relief operations is \$15 - \$20 Million.

At least 38,100 homes have been damaged or destroyed by flooding. To date, the Red Cross has served more than 777,450 meals. The Red Cross has opened 101 emergency shelters, of which 36 remained open housing more than 1,070 people.

61 Red Cross service centers have been opened to date, to provide direct financial assistance and related casework services to at least 18,000 families.

130 Red Cross Emergency Response Vehicles and distributing meals and emergency aid.

More than 2,300 Red Cross paid and volunteer staff are now assigned to relief operation in the midwest. More than 6,800 have worked on relief efforts to date.

People wishing to help victims of the flood and other disasters may do so by sending a check payable to the American Red Cross Disaster Relief Fund, to the West Bend Red Cross, 422 Meadowbrook Dr. West Bend, Wisconsin 53095.

Science Teacher William Lickel Attends Biotechnology Class

Upon hearing about enzyme assays, DNA extraction, and other biotechnology techniques, most people might imagine ivory tower research labs. However, William Lickel, a science teacher at Kewaskum High School, knows that such science can happen at the middle and high school levels.

From June 14 to June 25, Lickel attended an introduction to biotechnology class at the University of Wisconsin-Madison. The course was one of over 30 "modules" available to teachers through the Education's Teacher Enhancement Programs in Biology. Through this program, teachers learn about new advances in the biological sciences, review basic principles, and expand their methods of making science exciting and interesting for their students.

So, while Lickel's students were sleeping late, enjoying the lazy summer afternoons, and resting from their recently completed school year, Lickel was already preparing for the next school year. The preparation for the biology, anatomy and physiology, and environmental ecology teacher consisted of lectures and lab work.

Mornings featured lectures by some of the top notch scientists at the university who volunteered their time to help the teachers prepare. On the first day of class, Richard Burgess, the director of the UW Biotechnology Center and professor of oncology, explained that the advantages of biotechnology could be seen in medicine, agriculture and industry.

Burgess also emphasized the importance of familiarity with the technology in order to understand and benefit from the possibilities. He also indicated that this understanding could serve to decrease skepticism about the new technology. "If you cross two potatoes, you get

a potato. Not a monster that will eat your tractor," he joked.

Other lecturing scientists continued Burgess' theme of biotechnology's advantages. Lickel and colleagues learned, among other things, about transgenic cows that could produce improved milk, bacteria that could devour environmental contaminants, and how paper mills could produce products with fewer chemical wastes.

However, as Mike Patrick, the coordinator of the program pointed out, the teachers were not just passive participants in the program. Afternoon laboratory sessions found Lickel and classmates isolating proteins, peering into petri plates, and investigating antibiotic resistance in bacteria.

Using what they had learned in the lectures and their experiences in lab, the teachers were able to develop activities appropriate to their classrooms. "We want to encourage teachers not to be tied to lab protocols... they can go off on their own," Patrick said.

Almost immediately, teachers were developing plans to use their newfound knowledge in their classrooms. "This is grocery store science," said one eighth grade biology teacher, surprised at how easy it would be to obtain the materials for SNA extraction. Aside from simply generating students' excitement for science, other teachers pointed to job opportunities after graduation and the ability to make informed decisions about biotechnology in the future.

Science, jobs, and the future are probably far from the minds of Lickel's biology, anatomy and physiology, and environmental ecology students during these summer days, but come fall don't be surprised to hear local teenagers discussing genes, proteins, and the molecular basis of life.

UWWC Alumni Art Show at West Bend Gallery of Fine Arts

University of Wisconsin - Washington County Professor of Art Tom Gross says he is looking forward to the upcoming alumni art show at the West Bend Gallery of Fine Arts.

The art show will take place Sept. 8 through Oct. 3, as a part of UWWC's 25th anniversary "Silverbration."

"We would love to get responses from all 25 years of art students," Gross said. But, as Gross pointed out, "As with any college or university, people tend to scatter."

Even if all 25 years of art at UWWC are not represented, Gross believes there will be enough work from recent students to make the show successful.

"We are trying to get a balance between wall-hung art and three dimensional pieces," Gross said.

Gross said he would like to have a "participatory show." Even if students did not continue in art after leaving UWWC they are still encouraged to enter work.

Gross has taught hundreds of students in his 25 years at UWWC. Several of Gross' former students have gone on to become professional artists in the fields of ceramics, metal smithing, photography, design and architecture.

"I didn't teach them everything, but it sure was nice having them come through my classes."

Anyone who has taken an art

class at UWWC since the university's opening in 1968 is eligible to submit work.

August 2nd is the deadline to submit work.

All work must be delivered to The West Bend Gallery of Fine Arts by Sept. 1st.

For entry forms call Laurie Meacham at UWWC 335-5208.

Dyslexia Instructor Training Seminar

The Wisconsin Dyslexia Institute will be presenting a five-week Fall Instructor Training Seminar beginning September 8th at St. Joseph's Hospital in West Bend. The classes will be held Wednesday evenings and Saturday mornings.

This seminar is designed for persons interested in becoming instructors for the Institute and general and special education teachers who wish to increase their effectiveness in working with students who exhibit dyslexic characteristics. The curriculum is based on a flexible adaptation of the Orton-Gillingham approach.

The seminar will consist of class lectures, demonstrations, observations and supervised student teaching. For information on fee, hours and registration, please call 334-8005.

The impossible is often the untried.

Wood Engraving Workshop Offered

A Wood Engraving Workshop for adults is being offered at the West Bend Gallery of Fine Arts on Thursday, Friday and Saturday, August 12, 13 and 14 from 9 a.m. to 12 noon and 1 to 4 p.m. (bring a sack lunch.)

The instructor will be David Sander and the fee is \$40 for gallery friends and \$50 for the general public. The class size is limited to twelve students.

This workshop will introduce you to the possibilities in printmaking with the wood engraving process. This workshop is a hands-on session which includes a study collection of wood engravings which span the history of wood engraving, both as fine art and as a commercial medium. The tools and all materials will be supplied.

David Sander is a second generation wood engraver. A lecturer, writer and painter, Sander has conducted engraving workshops throughout the United States. He is also the author of the definitive book, "Wood Engraving: An Adventure in Printmaking."

David Sander and Company is one of the largest and last remaining wood engraving companies in the world. Located in Beverly Shores, Indiana, David Sander and Company is known for wood engraving tools as well.

Cost of this class has been reduced through a partial grant from the Ruth Bart Memorial Art Access Program.

Seefeld/t Reunion Held

The 54th Seefeld/t Annual Reunion of descendants of Christian Friedrich Seefeld (1795-1865) and Anna Sophia Kobs (1795-1835) was held Sunday, July 25, 1993, in the St. Lucas School gym. This year they were joined by descendants of Christian's brother, Peter Seefeld. Walter Holzbog of Milwaukee, great-great-grandson of Peter, wrote a poem in honor of the reunion. Mr. Holzbog, 93, was made a member of the Seefeld/t 90 Club.

The day's activities began with Elmer Seefeld and Horst Lobe leading the group in singing the "Doxology" in German and English. Following the "share a dish" picnic dinner, Reunion President Phil Majerus conducted the annual business meeting. Family members expressed their thanks to the St. Lucas congregation for the use of the gym as rain was forecast for the day.

The theme of the reunion was "Family Togetherness" and 152 relatives and guests from Arizona, Florida, Illinois, Indiana, Minnesota, Texas and many cities in Wisconsin, were present. Bill and Barbara Vaitl of Brookfield, Wisconsin, shared photographs from their recent trip to Poland. The Vaitls had visited Plantikow (now known as Bladkowo), Christian and Peter Seefeld's place of birth, and Barbara described what the village is like now. She commented that the village reminded her of "Brigadoon" (time had passed it by) and was glad the Seefelds came to the United States.

Attendance prizes were awarded to: Mrs. Alma Seefeldt Klug (92), of West Bend and Walter Holzbog, oldest lady and gentleman; five-day-old Rusty Winker, youngest member; the Kathy Lawrenz family of Mesa, Arizona, traveling farthest to attend; and Milton and Margaret Seefeld of Oshkosh, married nearly 61 years, the longest married couple. West Bend residents Robert and Tracy Knoeck Winker and Mark and K.C. Koehler shared the honor of most recently married couple.

Twenty-seven members of the Knoeck family, a part of the Gottlieb Branch, received recognition as the largest family group present. Lucille Branch of Stevens Point traveled the greatest distance in Wisconsin to attend the reunion, and Hilda Seefeldt traveled the shortest distance. Mary Jane Johnson, Patricia Hintz, Alice Crass and Audrey Klumb were honored for their help with the reunion.

In keeping with the reunion theme, relatives were encouraged to talk together about their family history and were given information on how to write a life story. Special stationery commemorating the 54th reunion was available so that those in attendance could write to others in their family who could not be at the reunion.

The rest of the afternoon was spent in conversation, games and viewing the family scrapbooks. An ongoing project is to try to identify persons in early reunion group photos. Beth Herriges of Campbellsport was in charge of games; Audrey

Klumb of West Bend was in charge of reunion day arrangements.

The following officers were elected to serve for 1993-94: President Phil Majerus of Fond du Lac; Vice President Alice Crass of West Bend; Secretary Mary Jane Johnson of Destin, Florida; Treasurer Patricia Hintz of Campbellsport; Assistant Treasurer Carole Keller of Kewaskum; Historian Mildred Thornton of Fond du Lac, and Genealogist Fred Seefeldt of West Bend.

The following persons serve as Vice President /Representative for their Branches: August/Friederica Branch, Beth Herriges and Audrey Klumb; David Branch, Bob and Yvonne Fink of Fond du Lac; Gottlieb Branch, Patricia Hintz; Wilhelmina Branch, Jim Schmidt of West Bend; and William Branch, Milton and Margaret Seefeld.

Flashlight Tour of Old Courthouse On Friday the 13th

On Friday, August 13th at 9 p.m., the Washington County Historical Society and Hein Electric will be sponsoring a flashlight tour of the Old County Courthouse.

Society volunteers will lead visitors through the darkened Courthouse with only a flashlight to light their way. Visitors will be given a brief history of the Old Courthouse and 19th century superstition.

The tour will conclude on the third floor where refreshments will be served and questions about the Old Courthouse renovations will be explained. This event is sure to be a scream!

Admission for the event will be \$2.00 for adults, children under 12 are free and must be accompanied by an adult. Each adult will receive a penlight courtesy of Hein Electric. Proceeds from this event will go toward the courthouse renovation.

For more information contact the Washington County Historical Society at 335-4678.

Old-Fashioned Ice Cream Social Sunday At Galloway House

Fond du Lac... Generous portions at moderate prices will be featured when the Fond du Lac County Historical Society holds its Annual Old-Fashioned Ice Cream Social at their historic Galloway House and Village, 336 Old Pioneer Road, Sunday, August 15th. The main serving tent will begin serving at 11 a.m. with the last ticket sold at 4 p.m.

Gates and beverage tent open at 10 a.m., box lunches will be sold beginning at 10 a.m., 10c ice cream cone stand and popcorn stand open at 11 a.m.

Only 25c for each helping of ice cream, pie, cake, lemonade, soda or coffee will help give the event a flavor of yesteryear.

The tasty delights will be sold under a large tent on the front lawn of the Galloway mansion. A second tent will be available for those who wish to eat away from the elements.

The Fond du Lac Symphonic Band will play from 1:30 to 4 p.m. under the pavilion. The Children's Praise Choir from Hope Lutheran, Fond du Lac, will sing from 1 to 3 p.m. in the church. Desada Camerata, with their flute, clarinet and piano keyboard will perform from 11 a.m. to 12:30 p.m. and bluegrass, gospel and folk music by Just Pickin', from Racine, will be featured from 1 to 3 p.m., all in the Galloway House.

Badminton, cake walks and other yard games will be ready to play and flower cart and period clothing will all give the romantic atmosphere of a turn-of-the-century social. Thirteen crafts will also be displayed.

In addition to the century-old Galloway House, an elaborate 30-room Victorian mansion, the 8-acre site also features the 45' x 125' Blakely Museum, housing a variety of interesting collections and historic items, plus a village of over 20 buildings from the turn-of-the-century, furnished as if in use.

The usual admission to enter the grounds will be charged: \$4.00 for adults, \$1.00 for children 12 years and under, and pre-school children are free.

The site is located on the southeastern Fond du Lac city limits.

County Historical Society Cookbook

The Washington County Historical Society seeks your assistance in compiling a cookbook that will contain historical recipes from Washington County.

This is more than just a historical cookbook," said Shawn Graff, President of Graff & Associates, the Hartford-based museum consulting firm that is assisting the renovation of the 1889 Washington County Courthouse, "it is also a portrait of life in the townships throughout the county during the last century."

The book will have thirteen chapters, one for each township in the county. Each chapter will include a township history, information on nationalities and ethnic groups that settled in that township, and excerpts that will explain life in the 1800's.

The Washington County Historical Society desires more than just recipes for foods or drinks. Home medical remedies, household products (soap, for example), and family stories will be included in the cook-

book. Please send a copy of your family recipe to Marlene Reinders, c/o Washington County Museum, 340 S. 5th Ave. West Bend, Wisconsin, 53095. Deadlines for submitting recipes or stories is August 15, 1993. Please include (if possible) who used the recipe, how the recipe would be classified, what area of the county, why it was used, and a phone number where you can be reached.

If you have any questions about the cookbook or the renovation of the 1889 Washington County Courthouse, feel free to contact Shawn Graff, at 335-4674 or 644-9915.

Thull to Compete In Miss Teen Wisc.

Michelle Thull

Michelle Thull, daughter of Ralph and Mary Lou Thull of Kewaskum, will be among the candidates competing for the title of Miss Teen of Wisconsin.

The state pageant will be held in Waukesha, Wisconsin, August 13-15, 1993 on the campus of Carroll College. The winner of the pageant activities will receive a \$1,000.00 cash scholarship, a host of merchandise awards and an all expense paid trip to the 1994 National Miss Teen of America Scholarship and Recognition Pageant where she will join other title holders from the remaining forty-nine states. Miss Teen of America will receive nearly \$30,000.00 in awards, travel expenses and prizes including a \$10,000.00 scholarship to the school or university of her choice.

Each state candidate will be scored in six areas including service and achievement to school and community, personal development of talents and special interests, scholastic record, personality and poise in formal wear, and judges' interview. In addition, each of the candidates will take a written test designed to measure their general awareness of the world around them. Awards will be presented to the top finalists, the outstanding candidates in each of the six judging categories, special achievement in each of the age divisions ranging from ages 13 to 18.

The pageant finals will be held at 3:00 p.m., Aug. 15th in the Shattuck Auditorium on the campus of Carroll College, 100 North East Ave., Waukesha.

Michelle will be sponsored in the pageant by: Amity Leather Company, Sentry Foods in Kewaskum, Amerahn Kleinke Inc., Kewaskum Frozen Foods, Truss's Plus Inc., Bank One of West Bend, Friends from the We Love to Dance Club, Friends from the Tuba Dan Dance Club, Friends from the Polka Booster Club, and Fans of the Goodtime Dutchmen.

To Bill

For others, it might just be an ordinary obituary in the newspaper, but for my deceased husband and me, Bill Bruhn was a genuine friend. He had a heart as big as a bushel basket. Hardly anyone in the older generation in this area has not been touched by his presence.

Their filling station at the corner of 28 and 45 at the north end of town, was a popular gathering place, run by Bill and his wife, Min, from 1939 to 1961. Later it was sold to Steve Rahn, and was torn down eventually, to make room for the overhead bridge. That's when Amerahn was born.

Many a traveler was helped out with gas, or a spare tire through Bill's generosity. He even loaned his car to Al so he could come to visit me, before we were married. He had a Terraplane then, and later a Hudson.

After living in the village many years, he and Min moved to the town, a mile down the road from us. Bill could fix anything namely my lawn mower, and a lock on the garage door. He made bird houses, and also my bird feeder.

Bill had a Model T run-about, and all the kids in the neighborhood had a ride in it. He raised pigeons and when the squabs were ready, we'd have a feast.

Bill was an avid fisherman, also. The best cheeseburger I ever had was when we went ice fishing at Lake Poygau.

He had an old tractor with which he plowed snow in winter. There was a small trailer with it, so one year when my husband was in the hospital, Bill and I hauled fill from a nearby hill to put in our shed, before I had the floor cemented. One day I counted 200 shovels full for one load, and we made at least 50 trips. That makes 10,000 shovels full.

At Christmas we would exchange greetings and enjoy a glass of wine with Min's favorite cookies. I could go on and on, but space is limited. I guess they needed a fifth for sheephead upstairs with Al and Syl, "Buckshot," Ed, Ivan, Jack, etc.

West Bend Clinic Accredited by American College of Radiology

The radiology and mammography departments at the West Bend Clinic, 1700 W. Paradise Dr. West Bend, have been accredited by the American College of Radiology.

The West Bend Clinic has met the necessary requirements, which included a peer review evaluation of the facilities' staff qualifications, equipment, quality control and quality assurance programs, image quality and breast dose. This accreditation will be renewed every three years. The entire accreditation program took well over a year to complete and required that all Clinic personnel in the Radiology Department be tested and screened.

Over 5,200 facilities have been accredited nationwide and the West Bend Clinic is the only accredited program in Washington County.

This program was started in response to two major concerns expressed by radiologists, other medical organizations, and the public: (1) That qualified personnel perform and interpret mammograms and (2) That dedicated mammographic equipment be used to ensure that women receive optimum mammographic examinations with the lowest possible risk.

One in nine women will develop breast cancer in her lifetime. Early detection is the key to survival. Mammography done in conjunction with breast physical examinations provides the most accurate diagnosis of early breast cancer.

The West Bend Clinic, the American College of Radiology, the American Cancer Society, the American Medical Association and nine other medical organizations support the following guidelines for women without symptoms:

*It is recommended that the screening process begin by age 35 and consist of an annual clinical examination with screening performed at 1 to 2 year intervals.

*Beginning at age 50, both clinical examinations and mammography should be performed on an annual basis.

The American College of Radiology is a major national medical specialty association, with more than 28,000 members, comprised of radiologist, radiation oncologists and radiological physicists.

What's Going On At the Kewaskum Public Library?

The Kewaskum Public Library's summer reading program "GO WILD - READ" at "Camp Readalot" ended with a pot luck picnic finale at River Hill Park in Kewaskum on July 31.

Approximately 200 people were in attendance, as participants celebrated a summer full of reading fun. The crowd enjoyed a variety of dishes, as well as food items donated by Pick 'n Save, Wonderbread and Kemps Dairy Products.

Summer reading participants received their reading folders... a record of all the books they have read during the program, as well as a certificate of participation. They also received "goody bags" with small prizes donated by Homeplate Drive-In, Kewaskum Pharmacy, Miller's Fine Furniture, Sentry Food Store, Shefond Mobil Mart, McDonald's, the National Basketball Association, the Milwaukee Bucks and the Consumer Information Center. Participants who read at least ten books also received a paperback book as a gift from the Kewaskum Kiwanis Club.

While enjoying lunch, drawings were held to give away the many prizes which were donated. Many thanks go to the Gust Agency, Regal Ware, Hershey Chocolate Co., Eskimo Pie, the Milwaukee Brewers, the National Football League, and Binney & Smith Co. for donations.

At the beginning of the summer, the library staff issued a challenge to the readers. If more than 4,000 books were collectively read, three names would be drawn at the picnic, and those lucky readers would each receive a can of Silly String to spray at the library staff. The 185 participants surpassed the goal by reading a total of 5,743 books! Bree Boettcher, Andrea Landry, and Beth Bodecker did the honors of "stringing" the library staff.

The top readers for the summer program were announced. Candi Heberer was top reader with 314 books, followed by Becky Kober with 171, Brian Backhaus with 136, Angel Klein with 128, Michelle Backhaus with 124, Margaret Reindl with 116, Mary Reindl with 114 and Tonya Klein with 100.

The library also recognized student volunteers who helped with crafts, checking books in and out, stamping reading folders, cleanup duty, and much more. Those volunteers were: Carissa Bauer, Tracy Broecker, Rachael Chambers, Nicole Enright, Crystal Heberer, Christie Heckel, Kelly Knoebel, Becca Stoffel, and Melissa Theusch.

The library staff also wishes to thank the following for their donations and continued support of the summer reading program: the Kewaskum Lions Club, the

Kewaskum Junior Women's Club, the Kewaskum Kiwanis Club, Mr. and Mrs. Orval

Behnke, Valley Bank, West Bend Mutual Insurance Company and the Kewaskum Statesman.

The Circus Comes to Town

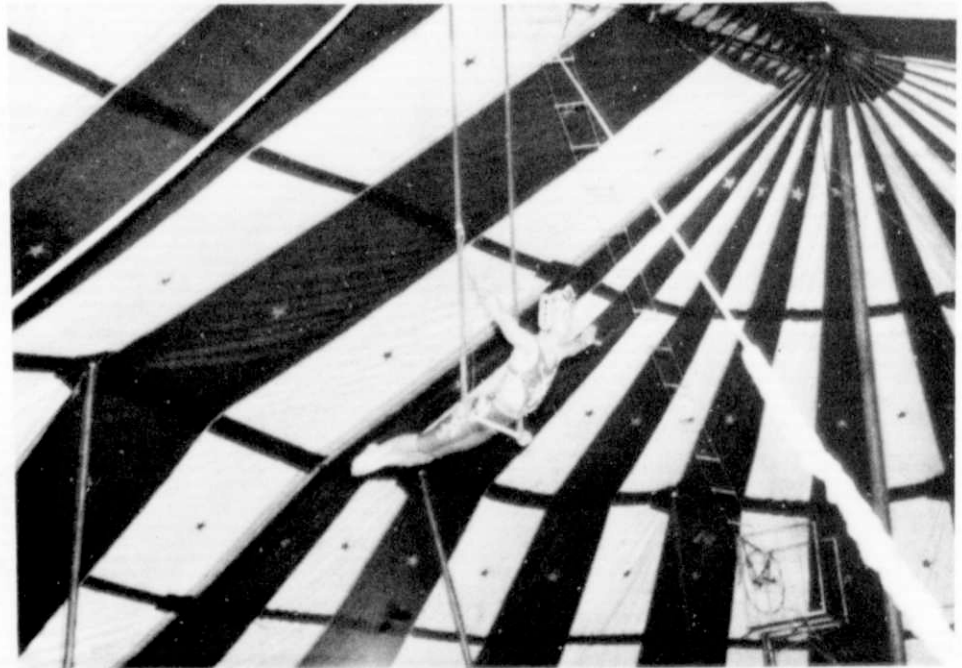

The trucks of the Culpepper and Merriweather circus pulled in to town early last Wednesday morning to prepare the "Big Top."

Barbara the elephant helped set up the tents as well as delight children, young and old alike.

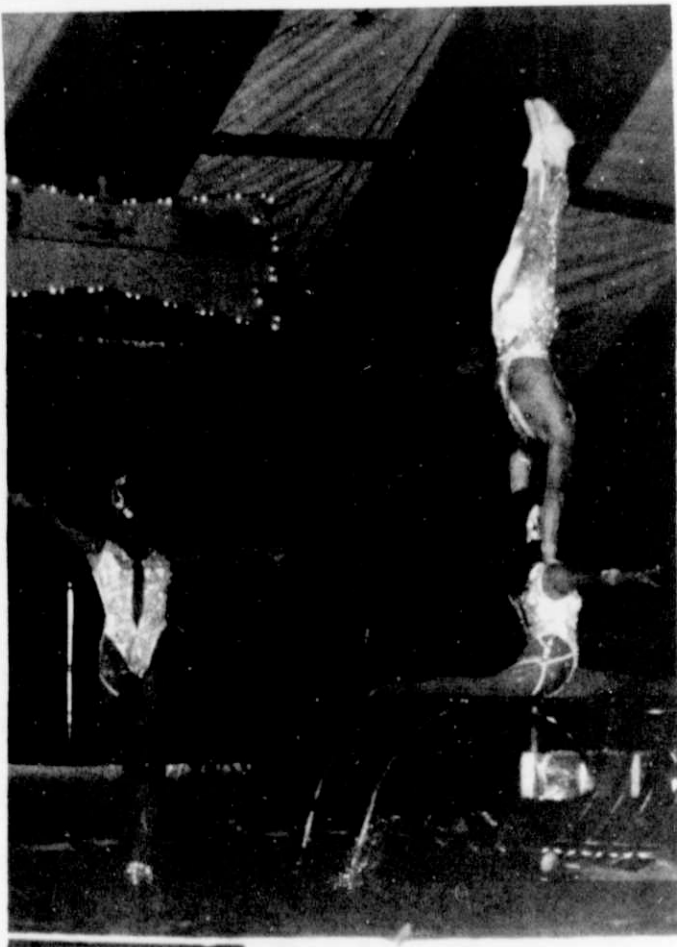

The day the circus came to town, a group of children from My Little Friends Daycare met up with the "Tall Man" and his walking advertisement for the Culpepper and Merriweather Circus.

Have a Four Year Old? Then Read This

In an effort to offer effective programs for the children in the Kewaskum School District, we will be holding screening for all of the district's four year olds this fall. THIS SCREENING WILL REPLACE THE SCREENING THAT USUALLY TAKES PLACE IN THE SPRING FOR FIVE YEAR OLDS. This includes children with birthdates from September 1, 1988 through August 31, 1989. Also, any five year old who was not screened this past spring and will not be attending school this fall may call for an appointment.

All of the screening will take place at the United Church of Christ. The dates and times are as follows: Friday, Aug. 27 from 8:00 a.m. until 3:00 p.m.; Saturday, Aug 28 from 8:00 a.m. until 12:00; and Friday, Sept. 3 from 8:00 a.m. until 3:00 p.m.

Appointments should be made. To do so, call Debbie Goodsell at 626-8427. If you

have any questions about the program, contact Connie Strand at the same number. 8-5-4t

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, Assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

Thanks you for needed help.

A Message from The Postmaster

Hello Kewaskum Statesman readers. Where is the summer going? Before you know it, the children will be going back to school. I do not know about you, but summer just went too fast for me.

I have been your Postmaster for five months... that does not seem possible. Met so many of you and JUST LOVE IT HERE. Kewaskum... you have a fantastic community... one to be very proud of. As your Postmaster, I can tell you (directly from my heart) that I am PROUD to be your Postmaster and "here to stay." I have made that commitment to my employees and am making that same commitment to you... our customers!

In this week's column, I have some interesting questions and answers that hopefully you will find interesting, okay?

QUESTION: It is imperative that my mail be postmarked the same day that I deposit it. Can you assure me of that?

ANSWER: ALL mail deposited by 5:30 p.m. will be postmarked with "same date." For your convenience, there is a slot marked: "Kewaskum Postmark." This slot is in the lobby and directly above the local and out-of-town slots.

ALL mail deposited by 5:30 p.m. Monday through Friday and by 2 p.m. on Saturday will have the Kewaskum Postmark and "same date." PLEASE be also assured that all mail deposited in the out-of-town slot, collection box in front of the Post Office and picked up by the rural carriers will ALSO have "same date" postmark. It will be postmarked in Milwaukee.

If you still are unsure of accuracy, feel free to bring the mail to the stamp window. Ask the window clerk to insure postmark today. WE ARE HERE TO SERVICE YOU... our customers and WE DO AIM TO PLEASE.

If we do... tell your friends, neighbors and relatives. If you are unhappy with our service, please feel free to tell anyone else, but request that you call me... "Bonnie, Your Postmaster" at 626-2575 and we will attempt to service you better, okay?

QUESTION: Last week, my mail on the rural route came one to two hours early. What is going on? Are they delivering all the mail or are you holding some back?

ANSWER: GOOD QUESTION and thank you! Mail volume fluctuates from day to day. There are days when my carriers and clerks are "buried under" and then other days that the volume "lightens up." We have absolutely no control on the incoming mail volume.

Please, be assured that the carriers are not released until all First Class mail has been sorted and THAT MUST BE TAKEN ON A DAILY BASIS. We can only deliver what is available to us and if you are missing something, it is NOT in the Kewaskum Post Office.. it has not arrived for delivery. As the Postmaster, I can speak for each and every one of my employees. Their commitment is like

mine... it is a team effort. Customer satisfaction is our priority. I will be more than happy to endeavor to check into your "missing items" but please give me a call with the necessary information, okay?

QUESTION: I mailed a parcel to Green Bay two days ago. It has not arrived. Green Bay is not that far away. When I called the Post Office on this matter, they asked me how it was mailed. I have no idea, as I just brought it in and sent it. The clerk mentioned two different prices, but I did not know what the difference meant so I mailed it the cheaper way. Can you give me some information on this?

ANSWER: I have advised my clerks to give you "both of the rates" when mailing packages. First Class travels much the same as a regular letter (time-wise) and third class (parcel post) can increase the time of travel to destination. Depending on the size of the package... third class, larger packages can be transported "as space permits."

If it is not imperative for a package to be at a certain location in a certain time, please opt for third class "cheaper rate." If it is necessary to have your package delivered as soon as possible, you may feel more comfortable with first class rates. Please check out the rates. You may see that for just a "few cents more," you can get the first class service.

It all depends on distance and weight of package. In many instances, we are more economical than the "competition." Call them... call us... compare prices. We deliver for you and will always be here, for you... our customers!

Well, that is about it for this week. Hope that you found this column interesting and informative. Have a question? If you have a question, I am sure that many of your friends and/or neighbors "share" that same question. Please stop in... my door is always open to you (and my employees). Your questions could be included in a future column. You can help yourself, your friends and neighbors of the great Kewaskum community. "Working together for a greater community and better public relations and postal awareness. It does not get any better than this, right?"

Try to have a good day... a happy every day!

Your Postmaster,
Bonnie

Annual Carcass Evaluation Held

The Annual Carcass Evaluation was held following the Washington County Fair Meat Animal Sale on Wednesday, July 28, at Kewaskum Frozen Foods and Thursday, July 27, 1993, at Family Farm Meats, Allenton. Shown above with the Grand Champion Hog Carcass is Hog Producer, Proud father and Meat Animal Sale committee member, Dennis Terlinden, left, and the exhibitor of the hog, Keith Herman. Keith is a recent graduate of Kewaskum High School and a member of the Wayne Crusaders 4-H. The hog was purchased by Mike's Feeds of Hartford. The hog was also named the Home, Bred and Raised Reserve Champion at the fair.

State Fair Milk House Features Kemp's Dairy Flavored Milk

WEST ALLIS - U.S. Senator Herb Kohl is again promoting Wisconsin's dairy industry by sponsoring "Herb's Superb Milk House" at the Wisconsin State Fair on now through August 15th.

Kohl initiated the milk house in 1990 to offer support and recognition to Wisconsin's dairy industry.

"The milk house is an opportunity for me to help promote our dairy industry in a new and somewhat interesting way," Kohl said.

The milk house is located at the south end of the grandstand at State Fair Park in West Allis and will be in operation from 9 a.m. to 10:30 p.m. throughout

the fair's run.

The milk house offers fair visitors a variety of flavored milk including chocolate, strawberry, root beer, raspberry and cherry vanilla. Last year the milk house served over 127,000 cups of the flavored milk produced by Kemp's Dairy in Kewaskum. Kohl also noted that the milk house was important as a gathering place for fairgoers to drop by and visit with him.

"This is a great chance for fair visitors to drop by, and say hello, enjoy a cool glass of milk and let me know what's on their minds," he said. "I plan to be there as much as I can, and I hope to visit with people from all across the state."

Chester J. Dombrowski, 31, a former police officer of Chicago, was sentenced to life imprisonment last Thursday in the slaying of another Chicagoan, Herbert L. McKinney, 27, last September. Sentence was imposed by Circuit Judge Jerold E. Murphy at Fond du Lac, who ordered Dombrowski confined at the state prison at Waupun after denying a request by Dombrowski's attorney for a new trial. On July 18, Dombrowski was convicted of first degree murder by a circuit court jury at Fond du Lac. The jury found him guilty in the slaying of McKinney, whose badly beaten body, with a bullet wound in his head, was found in a farm field atop a pile of rubble in a seldom used dump area in Fond du Lac County, approximately 1 1/2 miles north of Kewaskum on Sept. 12. The farm on which the body was found was owned by Dombrowski and a brother. Attorneys for Dombrowski, had asked for an order dismissing the murder charge and for a judgement for acquittal or an order to set aside the verdict and grant a new trial. The life term is mandatory in a conviction of a first degree murder charge. Dombrowski had pleaded not guilty to the charge of first degree murder following his indictment. No motive for the killing has ever publicly been established. Throughout the trial, attorneys for Dombrowski had stressed a lack of proof regarding venue in the case, claiming the prosecution had failed to establish that the murder took place in Fond du Lac County. Judge Murphy directed Sheriff Harry E. Rozek to take Waupun the same day sentence was imposed.

A new vocational school to be located in West Bend, has been approved by the District No. 10 Vocational, Technical and Adult Education Board. H.J. Von Valkenburg, district director, announced that a 26,500 square foot facility would be constructed in West Bend to provide occupational training and adult education to residents of this district. The site for the school is located north of the West Bend city limits between Hwy. 45 and the River Road.

A son was born to Mr. and Mrs. Neil Denniston, Route 2, Kewaskum, on July 31. A daughter was born to Mr. and Mrs. Joseph Waters III, Kewaskum, on August 3. A son was born to Mr. and Mrs. Robert Hentz, Kewaskum, on August 5.

Marine Lance Corporal Dennis J. Erickson, 19, son of Mr. and Mrs. Raymond Erickson of Rqute 3, Campbellsport, is serving with the Second Light Anti-Aircraft Missile Battalion, First Marine Aircraft Wing in the I Corps area of South Vietnam. As a member of the squadron, he helps provide ground-based air defense for marines and other U.S. and Allied forces based near the Chu Lai Marine Base, just 55 miles south of Danang. His unit is also engaged in a civic action program designed to assist the

Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials are made available through the Marine Corps Reserve Civic Action fund.

Arnold Nichols, 34, of Campbellsport, was taken to St. Agnes Hospital in Fond du Lac Tuesday morning the victim of a peculiar accident in which he lay for six hours in the Milwaukee River after his car had crashed into a bridge on County Highway V near the Washington-Fond du Lac County Line, a short distance north of Kewaskum. Nichols, employed in a West Bend defense plant on the night shift, left work at 2:30 a.m. on Tuesday and started to drive to his home in Campbellsport. He apparently dozed at the wheel of his car, as he approached the bridge, and the vehicle crashed into the right railing of the steel bridge. He sustained seven rib fractures and a severe injury to one foot. He also had a severe gash near one eye requiring several stitches, but was reported to be fair condition. Despite his injuries, Nichols was able to extricate himself from the damaged vehicle. Apparently stunned, he walked to the rear of the car, then past the railing, and fell down a steep embankment into the river. Police said he must have walked through the shallow water for about 20 feet and reached the shore, but could not climb up the steep embankment. So he lay partially in the shallow water and then lost consciousness. The damaged car was at the side of the bridge and a number of motorists stopped to view it over the next several hours, but failed to notice Nichols in the river. Around 9 a.m. Wallace Geidel of this village stopped to view the wrecked vehicle. He noticed blood on the bridge and a trail of it leading toward the river bank. Then he saw Nichols, who had regained consciousness by that time and was able to climb up the side of the bank with the assistance of Geidel and another passerby. The victim had lost a considerable amount of blood, but it was thought he would recover.

Wayland Tessar, 18, son of Mr. and Mrs. Jack Tessar of this village, left for service in the navy with a contingent of men from Manitowoc County on Tuesday, where the Tessar family had resided before returning to Kewaskum a short time ago. Mrs. Tessar and son, Tommy, took Wayland to Manitowoc on Sunday, from where he left for Milwaukee. The contingent then left that city together that same

day for the naval training center at Farragut, Idaho.

Howard Backhaus and Edmund Thelen of this village, who were inducted into the army with a Washington County contingent of men left last Saturday for Camp Grant, Illinois for active service after their three week furlough.

Othmar Bonlender of Milwaukee, son of Mr. and Mrs. Joseph Bonlender of St. Kilian, left Friday to enter military service.

In a ceremony read at 2 o'clock Saturday afternoon, July 31, in the St. Lucas Evangelical Lutheran Church in this village by the Rev. Gerhard Kaniess, Miss Beatrice Backhaus, daughter of Mr. and Mrs. Reuben Backhaus, Town of Auburn, was united in marriage to Carl Dins, son of Mr. and Mrs. Charles Dins, of near Dundee, and grandson of Mr. and Mrs. Ernest Becker of Kewaskum.

Cpl. and Mrs. Norman Held of this village, are the parents of a daughter, born Wednesday, July 28, at St. Agnes Hospital, Fond du Lac. Mrs. Held is the former Miss Ruth Heppel. Cpl. Held is stationed in California.

Mr. and Mrs. Willard Bartelt of Mayville are the parents of a son, Thomas Lee, born on Wednesday afternoon, August 4, at St. Joseph's Hospital, Beaver Dam. Mrs. Bartelt is the former Audrey Koch, daughter of Mr. and Mrs. Ervin Koch of this village, and the new daddy is the son of Mr. and Mrs. Ed Bartelt, also of this village.

A baby girl, weighing 9 pounds and 1 ounce, was born to Mr. and Mrs. Lester Borchert of West Bend, at their home on August 3. Mrs. Borchert is the former Miss Ruth Janssen, daughter of Mr. and Mrs. Charles Janssen of Kewaskum, Route 2, and Lester is the son of Mr. and Mrs. Fred Borchert of Five Corners. The Borcherts formerly lived here.

Village Board Meeting Minutes

**Regular Meeting
July 12, 1993
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Roecker asked to be excused and was absent; all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the minutes of the June 21, 1993 meeting were approved as printed.

Mr. Donald Uelmen, Mr. Al Lau and the Village Engineer, Mr. Thomas Renner were present to discuss the possible sewer connection to allow for the construction of a cheese manufacturing plant adjacent to Farmers Union. Levels of flow and the general operations of the plant were discussed. On a motion by Trustee David Goeden, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board authorized the Village Attorney and Village Engineer to work with staff and the Farmers Union personnel to establish an agreement that both parties would sign. The Agreement would specify limits allowable for discharge, not to exceed limits of 60 pounds of BOD per day with penalties to follow or would be set on a decreasing BOD per day, with the first 6 months at 100 lbs., the second 6 months at 75 lbs., and the third 6 months at 50 lbs., with penalties to follow if the plant would exceed the limits or notification of discontinuance of service. Farmers Union agreed to the signing of such an agreement and indicated they would divert a third of the flow to field spreading.

Bids for the sale of the used Pak Mor - Loadliner Rear garbage packer with 20 yards capacity were opened as follows:

Refuse & Recycling Needs of WI, West Allis, WI - \$600.00

- Property recovered - \$170
- Parking warnings - 4
- Parking citations - 7

On a motion by Trustee David Goeden, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board authorized the advertising for a full time police officer to fill the vacancy of Officer Seitz, who has turned in his resignation to join another Department.

Director of Public Works, Jerry Gilles informed the Board as to the hopeful construction schedules for the capital improvements projects if the rain stops.

Two proposals were reviewed by the Board for the repair/replacement of the roof on the Municipal Building vestibule as follows:

Dehling & Voight, Inc., Newburg, WI - \$1,070.00

JT Roofing, Inc., Saukville, WI - \$3,545.00.

On a motion by Trustee Gary Gavin, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board authorized the work to Dehling & Voight at a cost of \$1,070.00.

Proposals were reviewed for the replacement of the roof at the Water Pollution Control Building. Dehling & Voight, Inc. delivered the only viable proposal. On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier, and unanimously carried by voice vote, the Board authorized the work to be accomplished at a cost of \$5,775.00, noting the inclusion of asbestos disposal would cost an additional \$950.00.

On a motion by Trustee Gary Gavin, seconded by Trustee Thomas McElhatton and unanimously carried by voice vote, the Board approved the renewal applications for Operator's Licenses for 93/94 upon proper payment of fees and documentation and authorized the office to issue said license as follows:

Giese, Larry M., Kewaskum, WI

Kasseckert, Shelly M., Kewaskum, WI

Krahn, Nancy L., Kewaskum, WI

Roecker, Harry E., Kewaskum, WI

Roecker, Lori A., Kewaskum, WI

Rohlinger, Beverly M., Kewaskum, WI

Payroll -	29,180.75
TOTAL -	210,756.64

Chairman of the Protection and Public Safety Committee, Trustee Robert Beisbier and Police Chief Knoebel discussed the outcome of the traffic study of the intersection of Main Street and Fond du Lac Avenue. On a motion by Trustee Thomas McElhatton, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board authorized restricting the parking at the aforementioned intersection from 7:00 a.m. to 9:00 a.m. and from 2:00 p.m. to 6:00 p.m. This is as recommended by the Kewaskum Police Department and the Department of Public Works. It was noted parking warnings with follow up citations would be used to enforce the parking restrictions.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board denied the request of the Girl Scouts to park an additional vehicle in the KKCP, during their camp.

Board representative for the Library Board, Trustee Charles Waala informed the Board that the County Board at a vote of 22 to 7 approved raising the tax limits for rural library service.

On a motion by Trustee Thomas McElhatton, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the sale of the garbage compactor as bid to Refuse & Recycling Needs of Wisconsin, West Allis, WI., the high bidder at a price of \$600.00.

On a motion by Trustee Thomas McElhatton, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board authorized the sale of the used 1975 Dump truck to the high bidder Mr. Patrick Fehring, Allenton, WI for \$2,500.00.

RESOLUTION NO. 93-17

A RESOLUTION AUTHORIZING A NEGOTIATOR TO WORK ON THE VILLAGE OF KEWASKUM'S BEHALF FOR THE ESTABLISHMENT OF A CABLE TELEVISION FRANCHISE

WHEREAS, the Village of Kewaskum is at the point in time of negotiating a new cable television franchise, and

WHEREAS, the complexity of this matter with reference to new FCC rules and other state and federal laws require full knowledge of this subject matter, and

WHEREAS, the University of Wisconsin offers consulting services regarding the renewal process which include a franchise fee audit, a needs assessment, a new regulatory ordinance and agreement draft, a technical audit of the cable system, a customer service satisfaction survey and participation in negotiations with the operator on a new Franchise Agreement.

BE IT RESOLVED, that the Village of Kewaskum authorize Barry Orton, Professor of Telecommunications, University of Wisconsin, Madison, WI to serve as the Villages' consultant regarding the franchise process at the rate to any Wisconsin Municipality of \$700 per day.

BE IT FURTHER RESOLVED, that Professor Orton, UW-Madison, work to recoup said cost of consulting services/negotiating from Star Cablevision reducing any direct budget impact.

BE IT FURTHER RESOLVED, That the Village acknowledge the expiration of the existing Franchise Agreement with Star Cablevision January 5, 1996.

US 41 Freeway Conversion Work Begins in Washington County

Road construction is expected to start the week of August 9 on construction of a new interchange at County D and US 41 and a new overpass at County H and US 41 in Washington County.

The work will consist of grading and paving new roadways for County D, the interchange ramp and a frontage road connecting Bridge Drive and County D on the west side of US 41. New overpass bridges will be constructed at County D and County H.

The work will be performed under a contract award to Hoffman Construction Co. of Black River Falls at an estimated cost of \$3,352,000. Financing will be shared at approximately 76/24 percentage by the Federal government and the State of Wisconsin respectively, from funds provided primarily by gas taxes.

The County D work will be done in five stages to minimize the time that the roadway will be closed to traffic. During the second stage only, County D traffic will be detoured onto WIS 175, WIS 33 and County

W. County H will be detoured onto WIS 28 and County W. Traffic on US 41 will periodically be restricted to one lane in each direction during construction of the bridges and ramps.

Every possible effort will be made to provide continuous and safe ingress and egress to all businesses and residential properties during this construction. Motorists are urged to use extra caution in the construction zone.

The entire project is expected to be completed in the fall of 1994.

Proposed Trail Fee Increases Would Fund Trail Maintenance

MADISON... Beginning January 1, 1994, bicyclists, horseback riders and some cross-country skiers will need to purchase a \$10 annual or \$3.00 daily pass to use certain state trails, under a proposal approved last month by the Natural Resources Board.

The majority of trail users who commented on the fees at a series of public hearings supported the proposal as long as funds raised through the sale of trail passes go toward trail maintenance and development, said Bill Moorman, state trail coordinator for the Department of Natural Resources.

Extending the requirement for a trail pass is one of a number of changes being proposed by the department under revisions to Chapter NR 45 of the Wisconsin Administrative Code. The proposed changes are now being reviewed by the legislature, which could modify the proposals or decide to hold more public hearings, Moorman said.

"In addition to four public hearings, we conducted surveys of bikers and horseback riders, and we held meetings with trail groups and cross-country skiers. Generally, we found most people would be willing to pay higher fees if the money would go toward trail development and maintenance," Moorman said.

Currently, trail passes are only required for bicyclists on nine of the 14 State Park Trails the department had developed on abandoned rail corridors. Trail passes currently cost \$6 annually or \$2 daily.

Under the revised proposal, along with fee increases, the requirement for a trail pass will be extended to some designated off-road bike trails in state parks and forests, to horseback riders on certain designated trails and to a few cross-country ski trails. Additionally, the age requirement for needing a trail pass will be lowered from 18 to 16.

"We are in the process of reviewing state trails to determine which ones will require a trail pass. Basically it will be required on those trails that are most developed or that require regular maintenance," Moorman said. Initially, the pass will only be required on a limited number of cross-country ski trails that are regularly groomed and tracked or that receive a high level of trail maintenance.

The pass will not be required for hiking, or for riding snowmobiles or all-terrain vehicles on state trails. Snowmobiler and ATV operators currently pay registration fees that support trail maintenance.

The department anticipates that by increasing the fee and extending the requirement for a pass to additional trails, the proposal will generate an additional \$278,000 a year for trail maintenance and development. Currently the department raises about \$150,000 a year through the sale of trail passes.

Another change in the rule

will remove the blanket prohibition on horse trails in state fishery and wildlife areas except within the Lower Wisconsin Riverway.

Under the proposed rule, horses could be allowed in fish and wildlife areas on designated horse trails, but only after the department evaluated each proposed trail for its effects on wildlife and other aspects of the environment, for neighbor concerns, and for the availability of funding.

"Any trail proposed for a fish or wildlife area would be amending the master plan for that property, which would include public notification and involvement," Moorman said. Additionally, the master plan amendment could require trail closing during times when there could be conflicts with other people using the fish or wildlife area, he said.

"No hunting and fishing revenues would be used to develop or maintain trails," Moorman said. "Only trail funds would be used to develop and maintain trails."

Walk Toward a Healthier You

WEST BEND - Exercise and diet are key words these days, whenever two or more people get together to talk about health matters. But a change in exercise and diet doesn't need to be difficult or hard work.

"The simple act of walking, something we do all the time, can be one of the best forms of exercise," said Barb Argabright, health promotion coordinator at St. Joseph's Community Hospital. "Walking increases our tolerance to stress and enables us to enjoy living more. It also doesn't require a lot of equipment or expensive memberships. It can be done alone or with others; it can be done indoors when the weather makes it difficult to go outside."

To start your own walking program, Argabright agrees with the American Medical Association's recommendations, especially for people who have not walked much before:

- Start out slowly. Only walk as long as you are comfortable with the effort. Don't stress yourself at first.

- Achieve your first goal by walking one mile in 20 minutes. Don't time yourself beyond the point where a short rest relieves fatigue.

- Increase the distance as soon as you can comfortably walk a mile in 20 minutes.

- Slowly increase speed and distance until you can comfortably cover three miles in 45 minutes, so don't be impatient, Argabright said.

"During the warmer weather, walking gives a chance to see our neighbors and friends," Argabright stated. So take the opportunity to feel better and enjoy your neighborhood more. Just keep walking your way toward better health. And for anyone with a history of heart or respiratory problems, they should be sure to see their personal physician before starting any type of exercise program.

The most popular tourist destination is France, which received over 49 million foreign tourists in 1989.

Do The "Write" Thing

(NAPS)—Getting the school year off on the "write" foot can be easier these days, thanks to delightful new multi-paks of pens, pencils and other school supplies. These paks offer savings—to you and our environment.

When you buy these money-saving multi-paks from Pentel, you're protecting the environment by reducing packaging. The single package used in a multi-pak means less throw-away material than when you buy three or four packages of different items.

Another plus: the paks feature automatic pencils that you just refill when the lead runs out—no need to cut down trees to make more pencils! Look for:

- The Smart Set—ideal for math lovers. This pak features a nine-function calculator, Econo-Sharp Automatic Pencil and a Ball Pentel-7 Fine Line Ball Point Pen. The products are available in black, blue, violet and teal. Each pak comes with a \$1.00 mail-in rebate coupon.

- The Study Buddies Pak—perfect for the multi-subject whiz. This pak includes a Ball Pentel-7 Fine Line Ball Point Pen, Econo-Sharp Automatic Pencil and one 12-piece tube of Super Hi-Polymer Lead for refills. It also comes with a \$1.00 mail-in rebate. You'll find these multi-paks at many local stores.

Five VKAA Teams Playoff Bound

By Noel Stollenwerk

KEWASKUM - With just one week to play in the Village of Kewaskum Athletic Association softball leagues, only five of the nine playoff spots have been determined after last week's action.

On Tuesday night, Amerahn assured itself of post-season play, as it shut out John Doe, 12-0, in five innings. Dupliquik pulled into a first-place tie with Park Avenue Pub, as Dupliquik came back from a 4-0 deficit to beat the Pub, 11-4.

Three other teams are battling for the final two playoff spots on Tuesday. Bunkelman Builders got itself back in the thick of things, scoring nine times in the first inning to help hold off Neuville Chevrolet, 15-13. Those two teams, along with Prime Time Pub, a 16-9 loser to Bohn Dry, are tied at 6-7 for the final two spots.

Prime Time will face Neuville on Tuesday for one of those spots, while Bunkelman Builders will have to beat John Doe to qualify.

The race on Thursday night is just as exciting, as Prime Time Pub became just the second team to assure itself of post-season play. Prime Time downed Emun Mull Gamefarm, 8-5, joining C.C.'s in qualifying.

C.C.'s beat C.C. Cody's, 9-6, to finish the year, 11-1.

C.C. Cody's also lost its makeup game with M and I Bank, 9-2, and is now tied with M and I and Accent Photography for the final two spots. Accent Photography lost to Diamond F, 8-6.

Accent Photography will play M and I Bank at 8:00 on Thursday to decide one of the remaining spots, while C.C. Cody's needs to beat Emun Mull Gamefarm at 9:00 in order to gain the final spot.

KMS Girls Track Starts Aug. 23

Girls track for the Kewaskum Middle School 7th and 8th graders starts on Monday, August 23, at 3 p.m.

Girls interested in participating in track this fall, should plan on joining their respective team. Girls that didn't sign up at registration may still sign up at the Middle School Office and pick up the informational letter. Others may sign up at the first practice.

The teams practice Monday thru Friday from 3 p.m. to 4:45 p.m. There are seven meets scheduled for the season. The season concludes on October 5, with the Conference Meet.

Before a student is allowed to practice the following conditions must be met:

(1) Each athlete must have a signed WIAA Physical Examination card or a signed WIAA Alternate Year Physical Examination Card turned into the Middle School office or one of the coaches. The WIAA Physical Examination card requires a doctor's signature.

(2) A \$5 user fee payable once a year which covers all sports should be paid in the Middle School Office.

The girls track teams at Kewaskum Middle School are coached by Eric Christie and Jerry Gosa. If you have any questions please call the Kewaskum Middle School at 626-2178.

The first track meet of the season is Tuesday, September 7th against Hartford.

The sleepest mammal is said to be the armadillo, which spends up to 80 percent of its life sleeping or dozing.

Red Cross Disaster Committee to Meet In Farmington Aug. 19

A newly formed Red Cross Disaster Committee for the Town of Farmington will meet Thurs., August 19, at 7:00 p.m. at Farmington Elementary School, 8736 Boltonville Rd. The public as well as Committee Members are invited to an informal meeting.

The topics for discussion will center about "How the Red Cross works in Disaster Situations" and "The Importance

and Basics of Disaster Preparedness," the discussion leader will be Mrs. Jackie Wicklund, Director, American Red Cross, West Bend Chapter.

For further information or questions call 334-9341.

"Owls Up Close"

A program on owls for children ages seven and up will be held at the Lac Lawrann Conservancy on Sat., Aug 14, beginning at 10:00 a.m.

Betty Glennon, volunteer naturalist, will present the pro-

gram, which will focus on Wisconsin owls. Owl specimens, owl calls, and art activities will fill the morning. Parents and other adults are invited to join in or just observe.

This free program will meet in the shed at 300 Schmidt Road, West Bend. RESERVATIONS ARE REQUIRED. Call the West Bend Park, Recreation, & Forestry Dept. at 335-5080 or Bette Poulos at 334-9634. The program will be held rain or shine.
