Kettle Kountry Kolors Festival This Weekend

By Louise Martin

Kettle Kountry Kolors. The fall weekend festival sponsored by the Kewaskum Area Chamber of Commerce, offers something for everyone... young, old and everyone in between.

This event is made possible by volunteer efforts of

chamber members who have been diligently working to provide another outstanding weekend here in the Kettle Moraine.

This year's festival has many popular attractions returning plus a host of new activities. Best of all... there's no admission fee. Bring the family and your friends... come and enjoy the festival in River Hill Park on Saturday and Sunday, October 9

and 10.

Making a return along the banks of the picturesque Milwaukee River will be the camps and lodges occupied by the ever popular Buckskinners, Angels of the Battlefield and the Civil War reenactment complete with a live cannon.

New to this area, will be Medieval Anachronists who meet for mock battles, feasts, heraldic courts and to practice needle-crafts, archery, calligraphy and other finer elements from the Middle Ages. The time frame of activities portrayed is from 600 to 1600.

Another new to the festival next to the river will be Dave Watson, a Wisconsin Dells chain saw sculptor. He will surely intrigue you as he displays his artistic talents on a log using a chain saw. Watson has been self-supporting with his sculpting for the past two and a half years.

There are 80 sculptors in the U.S. who earn their living carving with chain saws. Watson does a lot of traveling, attends shows and sculpts com-

missioned pieces. Watson will be at the festival both Saturday and Sunday. A daily silent auction will be held on the pieces finished by Watson.

In addition to the above attractions, you can enjoy live music performances by the Howard Schneider Dixieland Band and River City Irregulars on Saturday. Sunday's performers include the country western sounds of Leather and Lace and also the Kewaskum High School Jazz Band. Delight in the sounds of German music as German dancers, complete in authentic costume, perform on Sunday.

Oh, and don't forget to bring your appetite! Foods designed to tempt your taste-buds include Swiss chicken sandwiches, BBQ pork sandwiches, chicken and gravy sandwiches, brats, burgers, hot dogs,

French and curly fries, "flowering" onions, hearty soups like chicken and dumpling, cheese, chili and then top that all off with luscious homemade desserts. You can even treat yourself to a pancake breakfast which will be served from 8 to 10:30 a.m. on Sunday prior to a moving outdoor church service being sponsored this year by St. Lucas Lutheran Church.

Take in the sights... the sounds and the beauty of nature in the full autumn colors which surround us so close to home here in the Kettle Moraine. Take in Kettle Kountry Kolors.

Fire Guts Forest Lake Cottage

By Sharon Callaway Roznik

Three fire departments responded to a call Saturday morning, October 2, of a cottage fire located at 1824 Forest Lake Road in the Town of Auburn.

The lake home is owned by the Wesley Zoch family and is used as a rental cottage in the summertime. It was not occupied at the time of the fire.

The fire destroyed the interior of the building, leaving the basement and the exterior walls intact, including the original log frame.

According to Campbellsport Fire Chief Phil Hahn, the fire was believed to have been caused by a propane heater.

Firefighters from Kewaskum, Campbellsport and Beechwood fought the smoldering fire, with Campbellsport remaining on the scene for three hours.

The cottage retains some interesting history as it used to be the summer home of the Borden family of Borden's milk fame. Mrs. Zoch related a rumor that claims Adelai Stevenson courted his wife there.

The Zoch family have plans to rebuild the cottage.

Farmington Woman Killed in Car Crash

A 19 year old Farmington woman was killed in a two-car crash in Washington County last Thursday morning, Sept. 30.

According to a Washington County Sheriff's dept. report, Nancy A. Koch was traveling east bound along County K around 7:35 a.m., and pulled out from a stop sign to turn north onto U.S. 41 when her car collided with a south bound vehicle on 41.

Passerby stopped and attempted cardiopulmonary resuscitation on Koch but were not successful. She was pro-

nounced dead at the scene by county Coroner Marlene Yoost.

The driver of the southbound vehicle, Roxanne R. Konrath, 31, of West Bend was treated for minor injuries and released from St. Joseph's Community Hospital in West Bend.

Koch had been following a gravel truck along K, but when the truck turned northbound onto U.S. 41, the woman continued on and apparently did not see the southbound vehicle. Sheriff Robert Schulteis reported.

St. Lucas Outdoor Service At Kettle Kountry Kolors

St. Lucas Lutheran Church is observing its second Festival of Friendship on the weekend of Oct. 9 and 10. Members are urged by the Evangelism Committee to invite friends and relatives to attend special services Saturday evening at 7:00 or Sunday morning at 8:00.

For the third service, St. Lucas will hold an outdoor service at Riverhill Park Sunday at

11:00 a.m. as a part of the Kettle Kountry Kolors celebration being observed all weekend. All visitors to and residents of Kewaskum are cordially invited to be present at the service.

Pastor Tim Henning will conduct the service and preach the sermon, entitled "We Live by Faith." Mark Brunner, chairman of St. Lucas congregation, will narrate.

**GOLDEN ANNIVERSARY
OPEN HOUSE**

Clarence and Martha Sauer of 9459 Wolcott Dr., Allenton invite you to celebrate with them their 50th Wedding Anniversary, on Sunday, Oct. 17th. Mass will be held at St. Kilian's Catholic Church, St. Kilian, on Hwy. "W" at 9:00 a.m.

A "Continental Breakfast Open House" will follow at St. Kilian's School Hall until 12:00 noon.

Clarence and Martha (Mayer) were united in marriage by Rev. Reichel at St. Kilian's Catholic Church on Oct. 16th, 1943.

After their marriage the couple lived in West Bend for three years, where Clarence worked at West Bend Equipment Co. and Martha worked at the Enger Kress Co. In 1946 they bought a farm in the St. Kilian area, where they farmed for 34 years. Clarence and Martha retired in 1980 and still reside on the farm. They enjoy small animals, playing cards and fishing.

They have three children, David and his wife Marie of Campbellsport Dan and his wife Sue of St. Kilian, and Shirley Simon and her husband Lester of Campbellsport. They also have eight grandchildren.

Clarence and Martha welcome you to join them on their special day

**Reading Council
Begins Season**

The Washington-Ozaukee Reading Council will begin its season with a lecture on "Practical Whole Language Ideas Which Enhance Skill Development," given by Sherry Schwandt, a consultant and teacher for the Ripon School District.

The 6 p.m. dinner meeting will be held on Thursday, October 14, at the Scenic View Country Club located at 4415 Club Drive, Slinger.

The cost for members is \$11.50 for either stuffed pork chops or Devonshire chicken and \$12.50 for top sirloin steak. (Non-members add \$5.00).

You may attend the meeting only beginning at 7:15 p.m. at a cost of \$2.00 for members and \$4.00 for non-members payable at the door.

Mail dinner choice with check made out to WORC to Sylvia Kruger - WORC, Summit Drive, West Bend, WI 53095 by October 7.

The world's leading producer of sheep is Australia, with a total of 174 million head in 1989.

**KHS to Present
"The Truth About
Cinderella"**

Several Kewaskum High School students are preparing for the production of an interesting musical comedy which promises to entertain both the young and the young at heart.

The Truth About Cinderella, an off-Broadway play based upon "The Cinderella Complex" by Sir Osbert Sitwell, a written by June Walker Rogers with music and lyrics by Charles Strouse and David Rogers, offers an innovative twist to the original story of Cinderella.

The play will feature a talented and humorous cast, under the direction of Mr. David Bertelson, and with the assistance and choreography of Ms. Elizabeth Rydzik. The orchestra will be directed by Mr. Larry Ammel and assisted by Mr. Roger Mertz. The musical will be presented to the public on November 5 and 6 -- watch for further details!

About the Village Board...

To the People of Kewaskum:

This article is long overdue, but as promised, I would like to talk to you about the Fond du Lac Avenue-Highway 45 south upgrades. We will deal with these two topics in two parts, that being the upgrades to Fond du Lac Avenue from West CTH "H" on the south limit, north to West STH "28" on the north end.

In the following weeks, I will discuss the USH "45" upgrade to a four-lane divided highway from CTH "D" (West Bend) to West CTH "H" in Kewaskum.

First, though, I would like to review some of the history leading up to today. This extension and upgrade for Fond du Lac Avenue has been on the books since 1966 with all the Village Boards since supporting the Department of Transportation (DOT) on the improvements.

The Fond du Lac Avenue roadway was opened to traffic in 1957. In the late 60's and through the 70's, in conjunction with the West Bend bypass an alternate bypass was considered for Kewaskum. The West Bend downtown businesses didn't support their proposed bypass, because they were afraid of a loss of business. The Kewaskum downtown businesses had the same concerns about the Kewaskum bypass.

The DOT looked at both an easterly and westerly route around the village. The board at that time, supported the easterly route which had USH "45" branching off to the east at the southern village limits going through Hon-E-Kor Country Club, heading north about 1/2 mile east of the village limits meeting up with the original USH 45 about 3/4 mile north of the Fond du Lac County Line.

The easterly route would cost more because of two river crossings and one additional railroad crossing. Washington County preferred the westerly route, which had USH 45 going west along Badger Road to either Kettle View Drive (if it went north) north or Highland Drive (B) north to Hwy. 28, then back east, meeting up with the original USH 45 just north of town.

More study of traffic and growth projections, along with the cost of such a bypass, more or less eliminated further talk of a bypass, before vanishing completely.

Requests from the citizens to resurface Fond du Lac Avenue started coming to the Village Board already in the 70's along with stop and go signals at H and 45, as well as emergency entrance signals at the Firehouse.

Upgrading the southern portion of Fond du Lac Avenue in the mid 80's made it an even higher priority. The upgrades were postponed with the hope that the DOT would join in on the project sharing in the cost of the improvements, lowering the village cost as well as the cost to the property owners along Fond du Lac Avenue.

There is one catch... the amount of the cost sharing given by the DOT is based upon how much parking we want to keep

along Fond du Lac Avenue. The contracts for cost sharing with the DOT were signed by the board in October of 1991. Next week I'll go into more detail on costs.

The traffic count in 1992 showed there were approximately 12,850 vehicles per day on Fond du Lac Avenue, south of Main Street and 10,740 vehicles per day north of Main Street.

It is projected by the year 2015 to be 17,950 vehicles south of Main Street and 15,950 vehicles per day north of Main Street. The Federal standard indicates that four moving traffic lanes are required when the average traffic exceeds 13,000 vehicles per day.

I know none of us are excited about the prospect of this extra traffic, but what worries me is that many people think that if we don't make upgrades to Fond du Lac Avenue that the traffic will not increase. Well, that won't stop the cars from coming.

I can only imagine that the Indians felt that way many years ago... They didn't want the white man to come but they came anyway and there was nothing they could do to stop it. Now we have to remember that we are

called "The Kewaskum Indians" and the white man is coming and this time he's driving a car!

Right now the bypass around the village isn't an option. The DOT doesn't even have it scheduled for anytime in the future, so don't hold your breath, because the DOT and government do not have the tendency of moving very fast.

To give you an example, in 1954 the village requested that traffic lights be installed at the intersection of Fond du lac and Main Street, an even stronger empathy was again made in 1957. The matter came up again in 1961 and 1966. The signals were finally approved and installed in 1970 with the village acting on a resolution agreeing to give up some parking at the intersection. That wasn't too bad it only took the DOT 16 years.

Well, I think that's enough on the history lesson... God help me, I never was very good in history in school. Next week, I'll be talking about the Fond du Lac Avenue upgrades and our options.

Thank you,
Bob Wagner,
Village President

FARMINGTON 4-H TO HOST ICE CREAM SOCIAL

Once again, Farmington 4-H is hosting an ice cream social to welcome new members.

It will be held at 6:30 p.m. on Thursday, October 14th at the Town Hall, following our regular monthly meeting.

At the October meeting, we will elect officers for the coming year, pass out awards and premiums for the past year, and supply new and prospective members with the information and materials they will need. Afterward, we'll all enjoy our ice cream and get to know one another.

Anyone interested in 4-H is invited to attend; we'll be glad to have you join us!

For more information, please call Wes Weinhold at 692-9744.

Memories

The above photo has not been identified. It looks like either a wagon or blacksmith shop, or both. The signature at the bottom is June 18th, 1869. The signature on the back is Nicholas Remmel. Since Mr. Remmel was born in 1852 he would only have been 17 years old at the time. Perhaps he is the young man in the picture who is serving his apprenticeship. The Remmel Brothers did have a wagon making shop (according to the times) before they opened a machine shop.
Submitted by Dorothy Bath

Hospital Offers Sibling Class

West Bend - St. Joseph's Community Hospital's New Life Center is offering, "I'm Getting a New Baby" sibling class on Thursday, October 7, or Thursday, October 14, from 6 to 8 p.m. in the New Life Center Classroom.

Designed for children, 2-1/2 to 10 years old, the class will include a video presentation, a New Life Center tour, and activities that will help express feelings about the birth of a new baby. In addition, children will also be taught skills that they can use to help parents care for the new infant.

The course is beneficial for children to avoid jealousies and for parents to assess their children's reactions to a new sibling. Parents are encouraged to attend with their children, and to bring their camera.

The class fee is \$5 per child, and the size of the class is limited to 10.

To register or for more information, call the New Life Center at 334-8361.

Thanks to Firemen

We wish to express our sincere thanks to the Campbell-sport, Kewaskum, and Beechwood Fire Departments for their promptness in responding to our fire on Sat., Oct. 2 on Forest Lake. Also thanks to family and friends for their support and assistance. We are very grateful to you all.

The Wesley Zoch family

Water Utility Update

The Kewaskum Water Utility has learned that the State Lab of Hygiene has changed methods of sample analysis for monthly water testing. The change took place about a month ago. The new analysis method is expected to result in 20% more positive results for systems using the new test. The Village of Kewaskum has already experienced this. A sample collected in the September testing was found positive by the state lab. After notification on the evening of September 22, by the DNR, that check samples were positive, chlorine was added to the water system. While the test does not check for pathogenic bacteria (disease causing) specifically, chlorine was added because the indicator organism utilized was found, and to insure that should a harmful organism be present that it would be destroyed by the chlorine. Some village water users may have experienced chlorine taste or odor in the water system during this time. The chlorine was added to the system for a few days. The chlorinators have been turned off, and any chlorine in the system will be left to dissipate, which should have already occurred.

A total of 12 samples have been collected and sent since that time to a private lab for rapid results by the water utility. Two batches of 6 samples each, were sent. All twelve showed safe results. An additional 2 samples were sent in for testing from well #1 and showed safe results.

What's ahead for the water utility? Next year Congress will be looking at there- authorization of the Safe Drinking Water Act. At this time it is impossible to tell what decisions congress will be making and what regulations will pass, be deleted, or changed in the re-authorization process. Some communities have or are considering chlorination on a continual basis to try and minimize positive sample results in their systems. Some communities are discussing the concept of requesting the old sample testing methods that have been in use for many years, or having them done for them. (Membrane filter, or Most Probable Number tube method) Future test results and DNR regulations will dictate what actions and direction the Kewaskum Water Utility has to take.

To increase the reliability of our testing the water utility has placed four smooth bore sample taps on order. This type of faucet does not have packing, and is not hinged, and is recommended by more than one source as the correct way to collect distribution system samples for analysis.

In the future if the DNR notifies the utility of positive sample results, chlorine addition to the water system would be required. Samples would then be collected and analyzed, should one of these samples be positive, most likely the DNR would issue a boil water notice until further testing could be done.

Total Coliform MCL Violation

In the interest of protecting your health, *Kewaskum Water Utility* is required by State and Federal law to inform you of a violation of the maximum contaminant level for total coliforms. State and Federal law requires drinking water to be free of total coliform bacteria. Samples collected on 9-13-93 indicated the presence of total coliforms. Further sampling on 9-20-93 confirmed their presence.

The United States environmental protection agency (EPA) sets drinking water standards and has determined that the presence of total coliforms is a possible health concern. Total coliforms are common in the environment and are generally not harmful themselves. The presence of these bacteria in drinking water, however, generally is a result of a problem with water treatment or the pipes which distribute the water, and indicates that the water may be contaminated with organisms that can cause disease. Disease symptoms may include diarrhea, cramps, nausea, and possibly jaundice, and any associated headaches and fatigue. These symptoms, however, are not just associated with disease-causing organisms in drinking water, but also may be caused by number of factors other than your drinking water. EPA has set an enforceable drinking water standard for total coliforms to reduce the risk of these adverse health effects. Under this standard no more than one total coliform-positive sample per sampling period can contain these bacteria. Drinking water which meets this standard is usually not associated with a health risk from disease-causing bacteria and should be considered safe.

State and local health authorities recommended that consumers take the following precautions: *N/A*

To insure the safety of your drinking water, we have taken the following actions: *System had chlorine addition. Twelve additional samples taken, all tested safe.*

The cause of contamination is due to: *12 safe samples, plus two additional samples tested safe: No direct cause isolated.*

If you have any questions or concerns please contact: *Village of Kewaskum, 204 First Street, Kewaskum, WI 53040. Municipal Building 626-8484, Public Works Office 626-4310.*

Amerling - Fink

Colleen Amerling and Lee Fink were united at St. Bridget's Catholic Church, Town of Wayne, on April 24, 1993.

Parents of the couple are John and Anne Amerling, Allenton, and Robert and Yvonne Fink, Fond du Lac.

Sharon Schaefer, Fond du Lac was chosen as maid of honor. Bridesmaids included: Joan Laine, DeForest, Bobbijo Amerling, Sheboygan Falls, Pam Kerr, Burlington, Deb Landvatter, Omaha, NE, Chris Infalt, Hartford and Junior Bridesmaid, Krystal Schaefer, Fond du Lac.

The groom chose Paul Bilitz, Oshkosh, as his bestman. Groomsmen were Jeff Bilitz, Fond du Lac, Steve Amerling, Sheboygan Falls, Steve Schmitz, Fond du Lac, Chris

Flaherty, Fond du Lac, and Al Fink, Fond du Lac.

Ushers were Stan Schaefer, Fond du Lac and Tom Curtis, Oakfield.

A reception and dinner followed at the Best Western, West Bend.

Colleen is employed at Mercury Marine and is currently enrolled evenings at Lakeland pursuing a BA in business, marketing emphasis. Lee is a 1989 graduate of UW Stevens Point, with a bachelors degree in business, emphasis in finance. He is currently employed by SAFECO Insurance Co., Hoffman Estates, ILL., as a claims adjuster.

After honeymooning in Jamaica, the new couple resides in Fond du Lac.

Free Oral Cancer Screening Available

WEST BEND - A free oral cancer screening will be offered to area residents on Saturday, October 16, between the hours of 9 a.m. and 12 noon in the Ambulatory Surgery Unit of St. Joseph's Community Hospital.

Private medical examinations will be conducted by Daniel H. Roth, D.D.S. and Robert N. Schaub, D.D.S.

According to recent health care statistics, oral cancer will strike about 30,000 Americans in 1993 mainly people over 40. Smokers and users of chewing tobacco are at the greatest risk. The most common symptom is a sore in the mouth that does not heal and that bleeds rather easily.

This special community service program is being co-sponsored by St. Joseph's Community Hospital and the American Cancer Society.

To register or for more information, call the hospital's health promotion department at 334-8268. Advance registration is requested by Wednesday, October 13.

Marriage Licenses

Daniel James McCarty Jr., Town of Ashford, and Tracy Lynn Theusch, Town of Farmington.

McChain to Compete For Miss Teen USA

Debbie McChain

Debbie McChain, daughter of Gordon Jr. and Ann McChain, has been accepted to compete in the Miss Wisconsin Teen USA pageant. The pageant is an official preliminary to the Miss Teen USA Pageant.

Debbie is currently a senior at Kewaskum High School. Her activities include; baton twirling (13 years), band (seven years) basketball cheerleader (two years - varsity MVP last year), FHA - Hero (Vice-President last year, President this year), student council, and morning PA announcer.

She is also a member of KHS's newest dance team, the Senior Sensations. She served as a representative for Monarch Studio, and she also enjoys softball and writing.

Debbie is currently working for Team Video in Kewaskum, and she is a volunteer helpline listener for the Youth and Family Project in West Bend.

Her future plans are to enter the UW-System to continue a higher education.

The Pageant will be taking place Nov. 20th and 21st at the Holiday Inn in southeast

Madison.

In order for Debbie to be in the pageants she has to raise a total amount of \$750.00 in sponsorship fees.

If there are any friends, businesses, etc. interested in contributing to her sponsorship fee, it would be greatly appreciated.

Every little bit will help so please pick up information at Team Video, Kewaskum, keep in mind that all sponsors will receive and recognition in pageant news releases given to your contestant and other publicity, recognition in the official souvenir program book and good public relations for your firm in your community.

We wish Debbie the best of luck, and hope she will become the next Miss Teen Wisconsin.

Wheel of Wisdom Game At Kettle Kountry Kolors

by Louise Martin

This year at Kettle Kountry Kolors you will have a chance to satisfy that deep, down desire to be a contestant on a game show. A like combination of Wheel of Fortune and Jeopardy, the Hollywood-style game show Wheel of Wisdom is coming to Kewaskum amid dazzling lights, bells, buzzers, sirens and high-energy guaranteed to create an atmosphere of fun and suspense as contestants race to be the first to hit the buzzer!

Contestants spin a colorful four-foot wheel that may come to rest on such question categories as reading, music, sports, geography, movies, TV shows or people. Everyone watching has a chance to play. Even the audience can win...if the con-

testants don't know an answer, the question is turned loose to those watching...a correct answer enables points to be awarded to their favorite team.

Here's your chance to win prizes, trips and much more at no cost to the contestants! Anyone can participate. Questions are geared toward the age level of the participants. In a recent visit at a school, contestants were asked questions such as name Chicago's two baseball teams, what is the name of the planet we live on, what state do you live in or who was recently voted the best player in professional basketball.

Fulfill that yearning to be a game show competitor without traveling to Hollywood. Experience it at River Hill Park, October 9 and 10 at Kettle Kountry Kolors Fall Festival.

Shown above is basketball superstar Michael Jordan who recently played the "Wheel of Wisdom" game for charity. No, Michael won't be coming to Kettle Kountry Kolors at Riverhill Park this weekend, but the "Wheel of Wisdom" game will be here for all to watch and/or participate in. Up to 75 participants are needed so hone your skills and get ready to raise your hand when they ask for volunteers for Sunday's 12:30 show on the gazebo.

Who Should Get a Flu Shot?

From November through April, symptoms that include fever, chills, headache, aching muscles and joints, and sore throat may signal the onset of influenza or "flu." In Wisconsin, flu season usually peaks in January.

As in past years, flu shots are recommended for those who are at high risk, including:

- adults with chronic heart or lung disorders.
- residents of nursing homes or group homes for the elderly.
- people over age 65.
- anyone with chronic illnesses such as diabetes or kidney problems.

According to Dolores P. Harder, Director of the Community Health Nursing Service, influenza can be fatal. Complications can include: pneumonia (the most dangerous complications for the elderly), bronchitis, and sinus and lung infections. Dehydration is another flu danger.

To protect against flu, people at high risk should get a flu shot EVERY YEAR. Last year's shot won't provide protection this year because flu viruses can change every year.

This year's vaccine contains the strains A/Texas/36/91 (H1N1), A/Beijing/32/92 (H3N2), and B/Panama/45/90. Each year the vaccine contains strains (usually two influenza A's and one influenza B) representing the viruses expected to circulate during the upcoming winter months.

For protection that lasts throughout the flu season, health care providers recommend that flu shots be given in November. It takes the body about two weeks to build up protection following the shot. Protection begins to lessen after a few months.

"The flu shot will not cause flu because it's made from inactivated viruses. It provides protection to about 75 percent of the persons who receive it," Dolores Harder said.

Most people suffer no lasting side effects from the flu shot. However, a sore arm, fever, or aches may follow and last a day or two.

Influenza is a highly contagious respiratory disease, caught by coming in contact with a flu virus directly or indirectly. Direct contact occurs when viruses are breathed in. Indirect contact occurs following use of dishes, or other personal articles contaminated with flu viruses.

A pneumococcal (bacterial) pneumonia shot is also available to protect those over age 65 and the chronically ill from this disease which may occur in those weakened from influenza. This shot may be given at the same time as the flu shot in a different site.

Flu vaccine will be a Medicare covered service this year.

1993 Flu-Pneumonia Clinics are:

October 11 - West Bend Seniors, Public Agency Center, 333 E. Washington, Suite 1100, West Bend, 10:30 a.m. to 2:30 p.m.

October 19 - Hartford Seniors, Hartford City Hall, 109 N. Main Street, Hartford, 9

to 11 a.m.

October 20 - Germantown Seniors, Germantown Senior Center, W162 N11960 Park Avenue, Germantown, 1:30 to 3:30 p.m.

October 22 - West Bend - Meadowbrook Manor, 475 Meadowbrook Drive, West Bend, 9 to 11 a.m.

October 22 - Kewaskum - Meadowcreek, 1119 Roseland Drive, Kewaskum, 1 to 2 p.m.

October 27 - Richfield Seniors, Richfield Town Hall, 4128 Hubertus Road, Richfield, 10 to 11:30 a.m.

9th District, Wisconsin

A Good Idea, But How Will We Pay for It?

WASHINGTON D.C.-- Last Wednesday night, before a joint session of Congress, President Clinton did an excellent job explaining the current problems with our health insurance system. I agree with many of the principles he presented, but there has been little discussion on how we will pay for these reforms.

President Clinton promised a universal comprehensive health care package to all Americans, including the estimated 37 million who presently have no insurance. This benefits package will be guaranteed to all citizens at all times and would actually extend coverage past what many employees now receive from their employer-sponsored health care program.

The U.S. currently spends more than \$900 billion on health care, 14.6 percent of the gross domestic product. Conservative estimates project President Clinton's government-run program will cost \$700 billion. Before Congress embarks on this massive new spending, the nation must have a reality check and seriously consider the trade-off between extending health benefit to all vs. the economic impact of the tremendous costs. These benefits must be paid through either massive tax increases or heavy borrowing and increased deficit spending. I am also concerned with turning management of the health insurance system over to the federal government since it has never been able to manage anything as efficiently as the private sector.

President Clinton made little mention of malpractice insurance reform in his speech. \$1 in

every \$14 currently spent on health care simply pays for the outrageous cost of malpractice insurance doctors are forced to carry. By passing legal reforms, Congress can help reduce this cost that gets passed on to

patients, thereby reducing total health care costs.

Reforming health care is a non-partisan issue on which Democrats and Republicans have found much to agree. Republicans already have a reform proposal introduced in both the House of Representatives and Senate. I have co-sponsored the House bill which addresses the important issues of malpractice insurance reform, covering those who are denied insurance due to a pre-existing condition, and providing access for those who are uninsured. The Republican plan does all this in a fiscally responsible manner, yet maintains state-of-the-art care and allows patients their choice of doctors.

Democrats and Republicans must seize this issue and use the momentum President Clinton provided in his speech to enact

meaningful reforms. Our health insurance system is "broken," but Congress must make certain we don't go "broke" fixing it.

We can't all be heroes because someone has to sit on the curb and clap as they go by.

Petroleum provides nearly half the energy used in the world.

In the Service

September 28, 1993 (FHTNC) Marine Pfc. Chris L. Pepin, son of Terry L. and Deborah K. Pepin of Birchwood Lane, Campbellsport, recently completed recruit training.

During the training cycle at Marine Corps Recruit Depot, San Diego, recruits are taught the basics of battlefield survival, introduced to typical military daily routine, and personal and professional standards.

All recruits participate in an active physical conditioning program and gain proficiency in a variety of military skills including first aid, rifle marksmanship and close-order drill. Teamwork and self-discipline are emphasized throughout the cycle.

The 1991 graduate of St. Mary's Springs High School of Fond du lac. Joined the Marine Corps in May, 1993.

Fun and Educational Delights For Children at Kettle Kountry

by Louise Martin

Sure to interest the young and young at heart are events scheduled at Kettle Kountry Kolors in the Children's Activity Tent and gazebo areas on Saturday and Sunday, October 9 and 10 at River Hill Park, Kewaskum.

Featured entertainer on Saturday at 12:30 p.m. at the gazebo is the Robin Reed Marionettes. Robin Reed is a puppeteer who will delight the audience with a theater production enhanced with puppets, scenery and special efforts bringing original classics to life.

Back by popular demand will be "Crackers" the Clown who last year entertained children and adults of all ages with his unique artistic balloon talents and magic tricks. Crackers will be at the park on both days and can be found at the Children's tent and through out the park.

Storyteller Judy Busack of West Bend is returning with more entertaining tales scheduled for 3:30 p.m. on Saturday.

The Children's Pudding Eating Contest is another event scheduled for Saturday the children (and adults) won't want to miss. After all, what child doesn't like pudding?

Another item of interest will be the Friend in the Sky Helicopter which has also been scheduled to visit on Saturday.

The featured program on Sunday at 1:00 and 3:30 p.m. entitled Animal Encounters will be presented by Dr. Robert James. Dr. James is a zoologist, teacher and author who carries live zoo animals such as a porcupine, alligator, hedgehog, bat and snake through the audience so that all can meet and touch the animals as he talks about them. While none of the animals has wheels, there is always an ostrich spreading her wings as she walks along on her amazing legs. His presentation is aimed at overturning misconceptions people have about wild animals.

Be sure to check the Statesman for a publication on scheduled events. You won't want to miss a thing.

WISCONSIN ANTIPASTO SALAD

- 1/2 of a 1 pound package rotini, uncooked
- 1 10-3/4-ounce can cream of celery soup
- 1/2 cup mayonnaise
- 3 tablespoons wine vinegar
- 2 tablespoons grated onion
- 1 tablespoon chopped fresh basil or 2 teaspoons dried basil leaves, crushed
- 1 cup (6-ounces) cubed Wisconsin Provolone Cheese
- 1-1/2 cups (8-ounces) salami cut into 1-by 1/4-inch thin strips (optional)
- 1/2 medium green bell pepper, cut into matchstick-thin strips
- 1/2 medium red bell pepper, cut into matchstick-thin strips
- 1/4 cup sliced pitted ripe olives
- Leaf lettuce

Prepare rotini according to package directions; drain.

In small bowl, stir together soup, mayonnaise, vinegar, onion and basil. Set aside.

In large bowl, combine rotini, cheese, salami, green pepper, red pepper and olives. Add soup mixture; toss to coat well. Cover; refrigerate until serving time, at least 4 hours.

Arrange lettuce on serving platter. Toss rotini mixture; arrange over lettuce. Garnish if desired.

Makes 8 cups or 6 servings.

Rise and Shine!

It's Kettle Kountry Kolors time!

Enter the Kettle Kountry Kolors Blindfolded Pudding Eating Contest

Any kids out there who love to eat pudding? Now's your chance to eat them to your heart's content and win a contest besides! All you have to do is enter the Kettle Kountry Kolors Blindfolded Pudding Eating Contest.

The contest will take place at 1:15 p.m. on Saturday, October 9th in the children's tent. The age groups will consist of 5, 6, 7, 8, 9, 10, 11, 12 and 13 year old. This contest will be done in pairs. Two children feeding each other a set amount of pudding in a set amount of time. The children will be blind-

folded and the first pair to finish will be the winners.

Pre-registration can be done at 12:45 p.m. to 1:15 p.m. Come early to enter or get a good seat to watch.

RECOMMENDED RULES

1. Each child will be paired up with someone of their own age.
2. The contests will be run in separate age groups. The number of contests will depend on the number of entries.
3. All decisions of the judge will be final.
4. Ribbons and/or prizes will be awarded.

Obituaries

NANCY A. KOCH

Nancy A. Koch, 19, of West Bend, died Thursday, Sept. 30, 1993, in the town of Hartford, due to injuries suffered in an auto accident.

She was born Sept. 13, 1974, in Milwaukee, to Thomas and Laura (nee Knuese) Koch, and moved to the West Bend area with her family seven years ago.

She attended Holy Trinity Grade School in Kewaskum, and was a 1993 graduate of Kewaskum High School. She attended Moraine Park Technical College - Fond du Lac for her associate degree in child care, and was employed for WEE-Care Day Care of West Bend.

Survivors include her parents, Thomas and Laura Koch of West Bend; three sisters, Karen (Michael) Weigman of Hartford, Theresann (Karl) Ross of Slinger and Maria Koch of Milwaukee; two brothers, Andrew (Pamela) of West Bend and John of Milwaukee; seven nieces and nephews, Valerie, Melissa, Michelle, Nicholas, Tyler, Ryan and Samantha; two aunts; an uncle; and other relatives and friends.

Preceding her in death were her maternal and paternal grandparents.

Nancy was loved and touched by everyone she met.

Funeral services were held Sunday, Oct. 3, at 4 p.m. at the Phillip Funeral Home, West Bend. Father John Brophy officiated, and interment of the remains were Monday at 2 p.m. in Holy Cross Cemetery, Milwaukee.

The following poem of Nancy's was published by the National Library of Poetry.

**A VALENTINE FROM
THE HEART**

Love is for the heart.
The reason for its shape is love.
It's Valentine's Day!
Wake up and smell the air.
It's a special day, you know!
Don't be shy. Don't go back to bed
Do you know why?
Someone loves you.
God loves you and so do I.

Nancy Ann Koch
"The Sunshine Company"

CECILIA E. RODENKIRCH

Cecilia E. Rodenkirch, of West Bend, died Tuesday, Sept. 28, 1993, at St. Michael's Hospital, Milwaukee, at the age of 90.

She was born Feb. 15, 1903, in Rozellville, Wis., to the late Nicholas and Gertrude (nee Schneider) Rodenkirch.

At an early age the family moved to St. Michaels, and in 1924 she moved to Milwaukee where she was a housekeeper at St. Boniface rectory for about 17 years. She moved to West Bend in the early 1950s where she was a housekeeper at St. Joseph's community Hospital

for over 13 years. After her retirement she was employed at St. Vincent de Paul for over 10 years.

Survivors include three sisters, Dorothy Schmidt of Milwaukee and Ann Graff and Barbara Eder, both of West Bend; a brother, Anthony "Tony" (Virginia) of Sturtevant; numerous nieces, nephews and other relatives and friends.

Preceding her in death were three brothers and a sister.

She was a member of St. Mary's Immaculate Conception Church, West Bend, its church choir, the Apostolate of Suffering and the Christian Ladies Sodality.

Funeral services were held Friday, Oct. 1 at 10 a.m. at the Phillip Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Church. Fr. Patrick Wendt officiated and entombment was in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Thursday from 4 to 9 p.m., with a prayer vigil at 8 p.m.

Memorials to St. Mary's Building Fund appreciated.

PATRICIA E. OTT

Patricia E. Ott, nee Collins, of West Bend, died Sunday, Oct. 3, 1993, at her residence, at the age of 63.

She was born Jan. 11, 1930, in Slinger, to the late Roy J. and Mabel (nee Graff Kohl) Collins.

On June 26, 1954, she married Norman R. Ott at Holy Angels Church, West Bend.

For many years she was employed at the B.C. Ziegler Co. and then worked in elderly care for a number of years.

Survivors include her husband; nine children, Jeff (Jean) of Kewaskum, Laurie (Bob) Olson of Oshkosh, Tim of Riverdale, N.Y., Dan (Ellen) of Pound, John of Allenton, Margaret "Peg" Ott, Jean Ott and Paul, all of West Bend, and Maureen (Stan) Stemper of Fredonia; 10 grandchildren; five brothers, Allen (Florence) Kohl and Leroy Kohl, both of Winterhaven, Fla., Edward Kohl of Whitefish Bay, Tom (Barb) Collins of Bartow, Fla., and Michael (Gloria) Collins of Westerville, Ohio; two sisters, Eleanore (Ed) Kustka of Green Bay and Jennie (Roger) Halifax of Eaton Rapids, Mich., and other relatives and friends.

Funeral services will be Thursday, Oct. 7 at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Holy Angels Church. Rev. Jerome Rinzel will be the presider, and burial will follow in Holy Angels Cemetery.

Visitation at the funeral home will be Wednesday, Oct. 6, from 4 p.m. until a prayer vigil service at 8 p.m.

WILLIAM ROEHL

William N. Roehl, 41, of 183 Church Road, St. Cloud, died Monday, Sept. 27, 1993, in Davenport, Iowa.

He was born Dec. 4, 1951, in Fond du Lac, a son of Harold and Dorothy Stubbe Roehl.

Mr. Roehl was employed as a truck driver for William Timblin Transit.

Survivors include his mother of St. Cloud; one sister, Betty Gieseke and her husband Ed of Sheboygan; three brothers, Harold Jr. and his wife Dorothy and Charles and his wife Karen, all of St. Cloud, and John and his wife Kathy of Fond du Lac; nieces and nephews and other relatives.

Preceding him in death were his father; one brother, Robert; and one sister, Corine Leon.

Funeral services were held at 2 p.m. Thursday at Twohig Funeral Home in Campbellspport. The Rev. Barbara Loose officiated. Burial was at St. John's Cemetery in the Town of Forest.

Visitation was from 11 a.m. Thursday to the hour of services at the funeral home.

KEVIN T. HRON

Kevin T. Hron, 45, of 13223 Adeline Ave., Moreno, Calif., 92553, died Friday, Oct. 1, 1993 of a heart attack.

He was born March 3, 1948, in West Bend, to the late Elroy and Mary (nee McCarty) Hron, and on Sept. 15, 1971, married Chong Suck in Korea.

He was a 1966 graduate of Kewaskum High School, attended MATC and entered the U.S. Air Force in 1969. He retired from the Air Force after 20 years in October of 1989, and at the time of his death was employed at DGR Associates in California.

Survivors include his wife; two sons, Jeffery and Jason, both at home; three brothers, John (Chris) of Fond du Lac, Keith of Pirmanson, Germany and Brian (Marge) of Stoughton; five sisters, Mary Jane (John Sr.) Bauer of Campbellspport, Patricia (John) Coulter of Kewaskum, Julianne (Dennis) Luedtke of Slinger, Debra (Thomas) Begun of Oshkosh and Penelope (James) Martz of Wauwatosa; a brother-in-law John Haug of Slinger and other relatives and friends.

Preceding him in death was a sister, Kathleen.

Funeral services will be Thursday, Oct. 7, at 10 a.m. at Marc Air Force Base Chapel, Riverside, Calif., followed by burial in Riverside National Cemetery.

The Arlington Mortuary, 9645 Magnolia Ave., Riverside, Calif., is serving the family.

EMILY C. TRIEBE

Emily C. Triebe, nee Koenig, of West Bend, died Tuesday, Sept. 28, 1993, at St. Joseph's Community Hospital, at the age of 83.

She was born June 30, 1910, in Germany to the late Henry and Babette (nee Pickelman) Koenig, and married Arthur Triebe July 4, 1928, in Milwaukee. He preceded her in

death.

She was a member of Peace UCC of Kewaskum and its Martha Circle, the Sweet Adelines Choir and a past member of the Lac Lawrann Conservancy.

She moved to the West Bend area in 1951 and owned and operated Emy Lou Perennial Gardens of West Bend until 1963. She was also an Amway distributor for 37 years, retiring in 1991.

Survivors include two children, Patricia (Ruben) Geidel of Lakeland, Fla. and John of West Bend; four grandchildren; two great-grandchildren; two sisters, Betty Erdman of West Bend and Minnie (Richard) Degnitz of Fillmore; a brother, Adolph of West Bend; and other relatives and friends.

Preceding her in death was a sister.

Funeral services were held Friday, Oct. 1, at 2 p.m. at the Phillip Funeral Home, West Bend. Rev. James P. Bettin officiated and burial followed in Union Cemetery, Fillmore.

Visitation at the funeral home was on Friday from 10 a.m. until the time of services.

Memorials to the American Lung Association appreciated.

**Get Out, Stay Out:
Your Fire Safe
Response**

What would you do if your home caught on fire? Would you know where to go if smoke or flames blocked your escape?

There is no time to think about these questions in a real fire. It's hot, smokey, and so dark you may not be able to see your own hands. Know ahead of time what to do if there's a fire. Develop an escape plan with two ways out of every room. You'll need a second way in case your primary exit is blocked by smoke or flames. And make sure every exit is accessible, including windows.

Getting out is your first priority in a fire. And once out, stay out!

A Message from the Postmaster

Hello Kewaskum Statesman readers. How are you all doing today? In this week's column, I would like to "touch on" a few different subjects. Hopefully, you will find them interesting and informative.

Many of the Post Office box patrons have noticed a bright sticker affixed to particular pieces of mail. It calls attention to that piece not having your Post Office box number on it. As mentioned in previous columns, we WILL be having new employees "on board" soon. You can assist us in delivering your mail efficiently and correctly by using your Post Office box number.

Speaking from personal experience: I well recall when I first arrived in Kewaskum. Working as "part of the team," I assisted with the Post Office box mail. I did not know too many people (then) and was only able to sort the Post Office box mail that had the Post Office box number on it. As you can imagine, pieces then had to be "re-sorted" by one of the "more knowledgeable clerks" which resulted in mail being put into the box sections 20-30 minutes later.

The sign in the lobby informs Post Office box patrons that "under normal conditions, Post Office box mail will be sorted by 0930 a.m." "Our team" strives not only to MEET that time frame but to BEAT IT."

As your Postmaster, I would like to thank each and every patron that is doing their best to inform correspondents of the CORRECT MAILING ADDRESS. We totally understand that there are some that you correspond with... you have told them and told them of your correct mailing address, but they still use your street address.

As your Postmaster, I completely assure you that mail will not be returned to the sender if it comes without the Post Office box number (unless the sender requests such). Placing mail in the Post Office box section is and will always be quicker with "correct addressing."

Could I ask each of you to look over the mail that you receive? Monthly statements from the bank, utility bills, cable bills, telephone bills, social security and/or other retirement checks, newspapers and/or magazines... are they correctly addressed? In many instances, a local and/or toll free call will accomplish this.

SPECIAL NOTE TO RURAL CUSTOMERS: Please DO NOT use your Rural Route number as part of your addressing as with the latest change (establishing a fourth rural in Kewaskum,) this could be erroneous. Mail is sorted by street/road and street number/fire number.

Apartment residents -- it is imperative that you use your apartment number unless your building supplies a directory of names with apartment numbers. TO ALL Post Office box and rural customers, thank you for your past, present and future cooperation in this matter.

EXPRESS MAIL -- This is the ONLY service that "carries"

a GUARANTEE. Do you have something that has to get to the recipient as soon as possible? A quick call (626-2575) or a visit to the Post Office will let you know if it is: guaranteed NEXT day by NOON, guaranteed NEXT day by 3 p.m., guaranteed SECOND day by 3 p.m. Shipping labels, envelopes or boxes are supplied FREE OF CHARGE by the Postal Service.

Mailing "via Express" you will receive a receipt that will show you CLEARLY the guarantee and also a "toll-free" number that can be used to track your mailing. The cost? \$9.95 for 8 ounces or less. Feel free to call us or stop in for more information on Express Mail.

So, you do not want to spend that much money but do want your "mailing" to go just a little faster than regular "first class mail." What do you do? I would suggest Priority mail. Shipping envelopes and/or boxes are once again supplied to you FREE OF CHARGE, and you just pay the postage.

Speaking from personal experience, I have used Priority mail, at least 100 times to my parents as they winter in Florida.

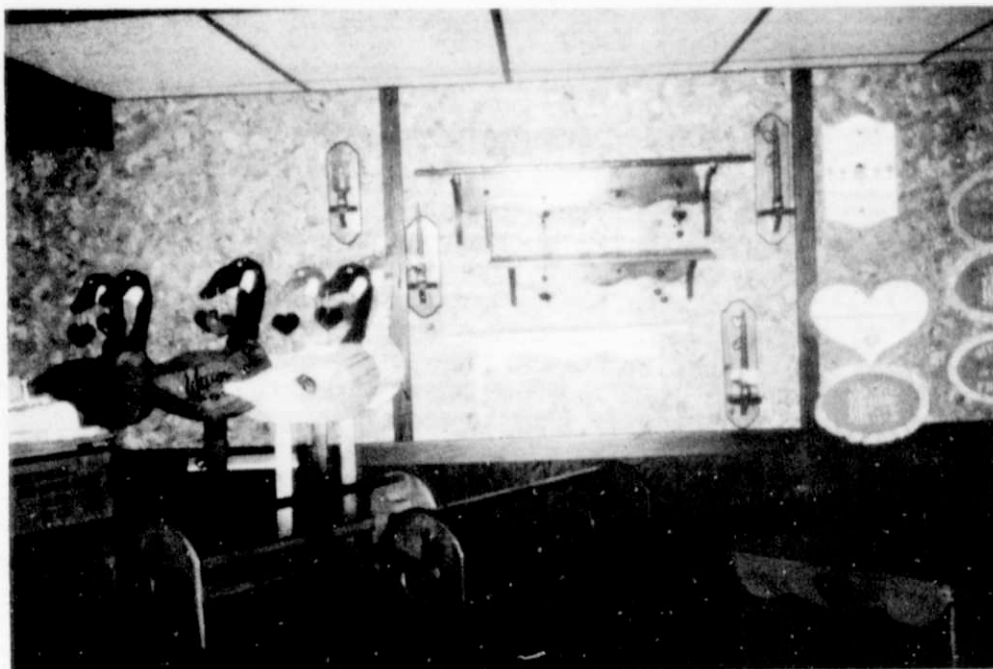

A regular letter can take 3-4 days. With Priority mail, in 99 out of 100 of those times, my mailing was received in just two days. There is also a "neat" package deal. Like me, many of you have a son or daughter in college.

If they are like Chrystal, they seem to subscribe to every magazine imaginable. There is a FLAT RATE envelope available (only \$2.90) whatever you can "stuff in there," same price -- \$2.90!! What a deal. I used this envelope and mailed Chrystal four magazines. Using my own envelope would have cost me \$4.40 (30 cents for the envelope and postage of \$4.10 as it weighed out at 2 pounds, 4 ounces. I used the FLAT RATE ENVELOPE and my TOTAL cost was \$2.90. MY SAVINGS? YEP, \$1.50.)

Interested? Please stop in... ask for a FREE envelope and do think about using it the next time you want to "stuff as much as you can" and receive PRIORITY service.

Well, that is about it for this week. Next week's column? We will cover questions and answers plus a subject many of you will find VERY interesting... Mailbox vandalism and what can be done about it. Until then, try to have a good day, a happy everyday!

Your Postmaster, Bonnie

Thomas Beaster of West Bend Washburn will be displaying his outdoor loons, geese, heart tables, shelves, quilt racks and shadow boxes in the craft tent on Saturday at Kettle Kountry Kolors in Riverhill Park.

WEST BEND -- Local businessman John Torinus announced his intention to succeed Mary Panzer as the State Representative for the 59th

Scout Leader Roundtables

Glacier Edge District 11, Bay-Lakes Council of the Boy Scouts of America, will conduct Roundtables for all adult leaders of cub packs and boy scout troops in Ozaukee and Washington Counties, on Thursday, October 7, from 7:30 to 9 p.m. at John Long Middle School, corner of Fifth and Hickory Streets, Grafton. Participants are asked to use the North parking lot and entrance.

Pertinent district information will be announced.

Cub personnel will meet in the All-Purpose Room to take part in the "Under the Big Top" activities. Opening and advancement ceremonies will be demonstrated, the paper bag game will be played and Marty Gross will lead the "Circus Comes to Town" song.

New leaders will be introduced and recognized. Rita Zarling will explain the Sports and Academics Program. In the split sessions den leaders will cover skits, stunts and a circus craft; Cubmasters and the pack committee will learn about circus physical arrangements and "Putting Pizzazz Into Meetings;" Using Tools Safely will be demonstrated for Webelos leaders and the Webelos Citizen and Craftsman Activity Badges will be explained.

Boy Scout personnel will assemble in the school library where Jan and Norm Petersen, Outdoor Skills instructors, will provide teaching techniques which can be used as resources for the following subjects: Cooperative Leadership, Outdoor Cooking, Back Packing, Survival, Aquatics, Map Orienteering and Rock Climbing.

Members of Chapter 11 of the Order of the Arrow will meet at 7:30 p.m. in room B-16 on the North Side of the school. The new Chapter Chief, Mike De Luka, will preside. For more information, contact De Luka at 576-6242; or OA Advisor Harold Wolk, at 338-2978.

Assembly District.

In an announcement last month, Torinus cited his business background and legislative experience. A former member of Panzer's legislative staff, Torinus is currently employed in new product development at Serigraph, Inc., in West Bend.

"I believe my proven commitment to this area and my success in both business and government make me the best choice to fight for the people of the 59th Assembly District," said Torinus. "Working together, we can make government an effective partner in the future success of our region."

Youth and Family Project Receives Federal Grant

The Youth and Family Project, Inc. recently received notification from the United States Department of Health and Social Services of a \$60,000 grant award to provide prevention services to runaway and homeless youth in Ozaukee and Washington Counties.

The focus of this three year grant will be the provision of prevention services to address the use of alcohol and drugs among runaway and homeless youth. Activities will include; expansion of the agencies Family Helpline, specialized training for professionals in both counties related to drug and alcohol use among this population, Educational Forums for parents and youth concerning drug and alcohol use as well as individual and family counseling.

The Youth and Family Project, Inc. is a community based non-profit agency which provides child abuse prevention services as well as an intervention program for youth in crisis in Ozaukee and Washington Counties.

The agency also provides intervention programs for youthful offenders in Ozaukee County through a Restitution and Community service Program which has collected over \$200,000 in restitution for victims of juvenile offenses.

EW Tennis Race Tightens

By Noel Stollenwerk

PLYMOUTH - It's come down to a three-way race with one week to go for girls' tennis teams in the Eastern Wisconsin Conference.

Plymouth helped tighten things up in the loop, as they downed Kewaskum 4-3 here, last Thursday afternoon. The loss allowed Sheboygan Falls to surge ahead of both the Panthers and Indians, who will meet again this week.

Once again it was in the doubles competition where this match was won.

"(Plymouth) managed to come up with 2 three-set wins in doubles to pull out the victory," KHS boss Glenn Eichstedt said of the match, in which both teams won a pair of singles matches.

The Indians' top two single players each won their respective match. No. 1 Missy Rohrer took care of Alicia Miller 6-4, 6-2, while No. 2 Meredith Frac upended Angie Zerg 6-3, 6-4.

The Indians' top doubles tandem of Lisa Berres and Sabrina Maul also won their match, besting Angie Goetsch

and Rachel Seil 6-1, 6-4. But KHS was unable to post wins in the other two doubles matches, falling in the deciding third sets, 1-6 and 3-6.

The No. 3 doubles match, with KHS' Teri Roe and Jeni Weston against Heather Gebler and Megan Flannigan, had to be moved to a different court during the match, after darkness fell on the unlighted courts in Plymouth.

"(Roe and Weston) fought a tremendously tough match," according to Eichstedt, who noted that both squads were present for the marathon. "Both tandems played well, but Gebler's serves proved to be the difference."

PLYMOUTH 4 KEWASKUM 3
SINGLES - No. 1 - Missy Rohrer beat Alicia Miller 6-4, 6-2; No. 2 - Meredith Frac beat Angie Zerg, 6-3, 6-4; No. 3 - Margaret Feind lost to Carrie Sippel, 3-6, 3-6; No. 4 - Jamie Lynn lost to Cassie Noordyk, 2-6, 0-6;

DOUBLES - No. 1 - Lisa Berres-Sabrina Maul beat Angie Goetsch-Rachel Seil 6-1, 6-4; No. 2 - Tristan Olsen-Anne Mertz lost to Amy Adams-Jenny Kraus, 0-6, 6-4, 1-6; No. 3 - Teri Roe-Jenni Weston lost to Heather Gebler-Megan Flannigan 6-3, 3-6, 3-6.

Indian JV's Get Revenge

By Noel Stollenwerk

PLYMOUTH - It was a bit of sweet revenge for the Kewaskum JV football team here, last Thursday. At least somewhat.

During last year's 5-0-1 season as freshmen, the only team that the Indian JV's didn't beat was Plymouth, whom it tied. Kewaskum more than made up for that non-win this season, as it pummeled the Panthers, 34-6. The win improved the Indians record to 5-0 on the year, and to 10-0-1 for their two years of football.

"We played real well," CJV Coach David Rockhill said, while also admitting "they have a lot of sophomores that moved up to varsity," so the Panthers weren't exactly the same squad as last year.

Nevertheless the Indians didn't miss a beat. After the Panthers scored first, Kewaskum got a short touchdown run from Aaron Kurth, a 75-yard scoring pass from Brian Butschlick to Joe Rettler, and an eight-yard TD run from Tim Gundrum to make it 20-6 in favor of the Indians at halftime.

The Indians added to their

lead in the fourth quarter, getting a one-yard touchdown run from Gundrum. Peter Reis then put the icing on the cake with a 25-yard interception return for the touchdown.

The freshmen contest also saw a defensive touchdown, although it was Plymouth doing the scoring. A 40-yard fumble recovery and run gave Plymouth a 14-0 lead against the Indian frosh in the first half. Jason Lieberg came right back with a 60-yard touchdown run, cutting the gap to 14-6 midway through the second half.

After another Plymouth score, the Indians added a late touchdown, a one-yard run by Dan Jeserig, making the final score 22-12 in the Panther's favor.

The loss dropped the Indian frosh to 2-2 on the year.

Sculptor Shares Talents With FES Students

Farmington Elementary Gifted and Talented Art Enrichment students were introduced to sculpture art by Paul Bobrowitz from Colgate, on Sept. 22.

Mr. Bobrowitz is a sculptor artists who uses recycled materials and materials found in nature to create unique and unusual works of art. Currently, he has a display at the West Bend Gallery of outdoor metal sculptures.

By trade, Paul is a finish carpenter and has been interest-

ed in sculpture for years. He showed slides of his many projects to the students and demonstrated sculpturing techniques using styrofoam and fibre crete.

Mrs. Peggy Henke, the district elementary art instructor, is now guiding these creative students through the process of generating ideas, creating the actual sculpture, and making it water and weather proof. The finished project will be displayed outside of Farmington Elementary School.

Early Detection of Breast Cancer at St. Joseph's

WEST BEND - St. Joseph's Community Hospital's health promotion department will sponsor the Program, "Early Detection of Breast Cancer," on Thursday, October 21, from 7 to 8 p.m. in St. Joseph's Conference Room A.

The program, presented by Shirley Laufer, registered technologist in radiology and mammography at the hospital, will provide the latest information about breast cancer detection. In addition, Laufer will display and give information about the machine that does mammography (the low dose xray of the breast) which detects lumps that cannot be felt.

There is no fee and the program is being offered as a community service of St. Joseph's Community Hospital.

To register or for more information, call the hospital's health promotion department at 334-8268. Advance registration is requested by Thursday, October 14.

Village Board Meeting Minutes

Plan Commission
June 22, 1993
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, met in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner called the meeting to order. Members present were Donald Mlodzik, Gerald Stollenwerk, Thomas McElhatton, Paul Ziebert, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Richard Schmidt asked to be excused and was absent and Mark Slaughenhoup was absent. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas McElhatton, seconded by Donald Mlodzik and unanimously carried by voice vote, the Commission approved the minutes as printed for May 25, 1993.

The Commission had no information regarding the proposed extension of Bel Ric Drive, but the consensus was to pursue the road layout taking into account nothing may be built on the Joe Smith lots in the near future.

Mr. Rick Kania of SEWRPC was present to review Chapter II of the proposed Land Use Plan. This Chapter was distributed at the last meeting and includes population, housing and employment projections were reviewed. Motion by Paul Ziebert, seconded by Thomas McElhatton and unanimously carried by voice vote the Commission authorized the use of the Intermediate Growth - Decentralized projections for the Land Use Plan.

Motion by Gerald Stollenwerk, seconded by Donald Mlodzik and unanimously carried by voice vote the Commission approved the preliminary draft of Chapter II as presented.

The Commission reviewed the

request of JLN & Associates to rezone lot V4-0124 (1238 Roseland Drive) from B-3 Central Community Retail Business and Service District to R-2 Single Family Residence District. It was noted by the Zoning Administrator Richard Zarling that the lot in question should have originally been zoned R-2 when the zoning ordinance was adopted in the early 70's. It was further noted that an attempt was made to by the Commission and the Village Board when the property was sold to correct the zoning, without any success. This is what we have wanted so he would recommend the rezoning. Motion by Thomas McElhatton, seconded by Paul Ziebert and unanimously carried by voice vote, the Commission recommends the rezoning and send the matter to the Village Board for public hearing and favorable action.

On a motion by Thomas McElhatton, seconded by Gerald Stollenwerk and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent."

MEETING NOTICE

The Kewaskum School District Referendum Steering Committee will meet at 8:00 p.m. on Thursday, October 7, 1993 in the high school cafeteria. A tour of the facilities is planned for the committee members. The meeting is open to the public

NOTICE OF SPECIAL ELECTION

FOR A REPRESENTATIVE TO THE ASSEMBLY

FIFTY-NINTH DISTRICT

DECEMBER 7, 1993

NOTICE IS HEREBY GIVEN pursuant to a proclamation by the Governor of the State of Wisconsin, dated the 30th day of September, 1993, that on December 7, 1993, a Special Election will be held in the several towns, villages, wards, and election districts of the Fifty-ninth Assembly District in the State of Wisconsin, consisting of those parts of Fond du Lac, Ozaukee, Sheboygan, and Washington Counties, as described in Chapter 4 of the Wisconsin Statutes, at which the following officer is to be elected:

A REPRESENTATIVE TO THE ASSEMBLY FOR THE FIFTY-NINTH ASSEMBLY DISTRICT to fill the vacancy, caused by the resignation of Mary E. Panzer, for the remainder of the term which expires on January 2, 1995.

NOTICE IS HEREBY FURTHER GIVEN that the earliest date for circulating nomination papers is September 30, 1993, and the deadline for filing nomination papers for the Special Election will be 5:00 p.m., on October 12, 1993, in the office of the State Elections Board. The Special Primary, if necessary, will be held on November 9, 1993. A description of the boundaries of the 59th Assembly District as created in *Prosser et al. v. Elections Board et al.*, Civil Action 92-C-0078-C (W.D. Wis. 1992) is set out in the 1991-92 Wisconsin Statutes following section 4.005.

ARTHUR G. DEGNITZ, COUNTY CLERK

Serving Powers Indians to Grafton Title

By Noel Stollenwerk

GRAFTON - Heading into a tough week of matches, Kewaskum volleyball coach Dave Rizzardi wanted Grafton's Blackhawk Invitational to be a good warm-up for his squad.

Once the Indians did warm up here, last Friday afternoon, it was lights out for the other five times in the field.

After losing its first game of the tournament, the Indians reeled off six straight victories, powering the team to a first-place showing. KHS finished with a 6-2 mark, followed by the host Blackhawks (5-2), Milwaukee King and Brookfield East (3-5) and Brown Deer (2-6).

"It was a real good tournament for us," Rizzardi said of his team's effort. "We played some of our best volleyball of the year during that six-game streak."

The Indians, after a bye in the first round, opened against Grafton, which had split with Brookfield East in the opening round. The Blackhawks outplayed KHS in the first game, 15-6, but the Indians stormed back to take the second game,

KHS Rolls Over Panther Spikers

By Noel Stollenwerk

PLYMOUTH - Some teams simply have other teams' number, no matter what the situation. That seems to be the case when it comes to Kewaskum and Plymouth in volleyball.

The Indians have dominated the Panthers in recent years, and that trend continued here, last Tuesday night. Kewaskum took advantage of the error-prone Panthers to post a 15-6, 15-7, 4-15 win.

"For some reason or another, whenever they play us they always seem to get nervous and fold," KHS coach Dave Rizzardi said of the Indians' recent domination. "I really can't explain it."

For the most part, Kewaskum played mistake-free volleyball, while the Panthers stumbled along. KHS missed just four serves on the night, while Plymouth, meanwhile, had its problems just getting the ball back on the Indians' side.

"They hit the ball into the net quite a bit," Rizzardi said of Plymouth's woes. "They would try and spike, and it would just go straight into the net."

The result was that there were no big offensive stars for the Indians. Kewaskum's leading scorer, Christa Fleischman, had just five points, on the strength of four spike kills.

"We did play pretty good defense," Rizzardi added. The Indians served quite well, also, as Sara Tykac and Shelly Williams combined for 24-of-26 serving on the evening. Tykac and Shelly Williams also led the way with six and four assists, respectively.

The win improved the Indians' record in the Eastern Wisconsin Conference to 5-3.

15-9.

"We started out real slow," Rizzardi said of the opening game loss. "They kind of blanked us there with small spurts. They were up and we weren't."

But behind the serving of Shelly Williams, the Indians were able to salvage a split with the hosts, setting up a huge second-round match with Brookfield East.

"I figured they would be real tough," Rizzardi said of the second-round matchup. "They are pretty experienced."

But the Indians outlasted East 16-14 in what Rizzardi termed "the game of the tournament" in the opener. Ali Bruendl put her team ahead 12-8 with some fine serving and "I thought we were in control at that point," Rizzardi said.

But East rallied to tie things at 13-all, before Christa Fleischman was able to close things out for the Indians. Kewaskum fell behind 7-1 in the second game, before Bruendl and Mary Yahr came through for the Indians.

Bruendl tied things at 7-all, while Yahr served the final eight points of the match, helping the Indians take control of the tournament.

"We played a better net game as well," Rizzardi said, in addition to praising his servers. "Our girls hung in there nicely. We also played excellent defense."

Next up for the Indians was Brown Deer, whom they quickly disposed of 15-7 and 15-12. "They had a nice team, but it wasn't enough to take advantage of our defense," Rizzardi pointed out regarding the Falcons. "We had a couple of nice runs serving again."

Rizzardi cited Tricia Butschlick and Yahr for their serving in the first game, and pointed to a run by Williams in the second game as being key.

The Indians had to win just one of their final two games with Milwaukee King to take first in the meet. Kewaskum wasted no time, as it rolled in the opener, 15-6. "Ginger Wiesner had a nice run in that one," said Rizzardi. "That put us in total control."

With the meet already won, Rizzardi substituted freely in the

second game against King. The Indians broke out to a 9-5 advantage, but King froze them the rest of the way in winning 15-9.

"We were in control, but then we just lost it," said Rizzardi, who praised Andrea Bonlender for her play in the loss.

"I thought the tournament was an excellent show of our determination," Rizzardi said of the comeback wins the Indians posted. "We weren't quite ready yet (in the opening game against Grafton), but we turned it around. After that, we were in control the entire tournament."

The tournament title should help the Indians this week, as they prepare to host Kiel (Tuesday) and Sheboygan Falls (Thursday), the top two teams in the Eastern Wisconsin Conference.

Points Finals At Great Lakes

By Noel Stollenwerk

UNION GROVE - Drivers of the nation's fastest jet dragsters, funny cars, outlaw super stocks and pro stocks will all be holding their "Points Finals of '93" at the Great Lakes Dragaway, here, this weekend.

Time trials begin at 3 p.m. Saturday, and 10 a.m. Sunday, with racing set to begin at 7 Saturday and 2 Sunday. The dragstrip will also remain open every Saturday and Sunday until November 14th.

More than 60 of the natural terrestrial elements have been identified in the sun, all in gaseous form because of the intense heat.

KHS Struggles to Defeat Chilton

By Noel Stollenwerk

CHILTON - Knowing that your opponent is not at the same level as yourself can sometimes cause problems, just ask Kewaskum volleyball coach Dave Rizzardi.

Rizzardi had to motivate his team against a weaker Chilton squad here, last Thursday night. The Indians needed that motivation, as they had to come from behind in each of the first two games to win 15-12, 15-10, 15-2.

While the team improved to 6-3 in the Eastern Wisconsin Conference, and remained in third place, the win over the Tigers didn't come as easily as Rizzardi had hoped it would.

"We were standing around quite a bit," Rizzardi said of the opening game in which the Indians fell behind 10-8. "We just were not making good passes or playing very well. "Then we finally decided to start playing."

Fortunately the team started in time to win the opener. After rallying to tie things at 12-all, Kewaskum closed the door on the Tigers by running the final three points.

The story was much of the same in the second game, which saw the hosts jump out to a 7-3 lead in the early going. "They were ahead most of the game," Rizzardi said, noting that the Indians finally woke up. "They came through when they needed to."

Shelly Williams and Sara Tykac got things going with their setting, as they finished with seven and six assists, respectively.

Christa Fleischman and Ali Bruendl led the way offensively for Kewaskum, each recording

four spike kills and five total points.

The reserves played quite well for the Indians in the third game, according to Rizzardi. Sandy Melzer "had an excellent serving game," recording seven straight at one point, while Andrea Bonlender "had a real nice net game," according to Rizzardi.

How much time do you have to get out of a fire?

Not as much as you think. Real fires are hot, smokey and dark. You may have only a very few minutes to safely escape from fire.

If you're ever in a fire, don't spend time getting dressed or trying to gather valuables. Just get out and stay out. Then call the fire department from a neighbor's telephone.

Plymouth Powers Past Indians, 28-22

Andy Mathias (66) stops Plymouth's Eric Gueschow in the first half of Friday's 28-22 Panther win. Cory Bergdorf (79) and Kevin Parish (1) are ready to lend Mathias a helping hand.

Beau Coulter (33) looks for a hole against the Plymouth defense, which limited the senior halfback to just 28 yards in 10 carries.

By Noel Stollenwerk

KEWASKUM - The Kewaskum football team just couldn't find a way to stop Plymouth's power running game here, last Friday night. And even when they did contain the Panthers, it was only briefly.

The Indians allowed a season-high 286 yards rushing to the Panthers, who dominated the time of possession in the first half while building a 20-8 lead. The Indians looked good early in the second half, but it wasn't enough as the Panthers held on to post a 28-22 victory.

The loss was the Indians' first in the Eastern Wisconsin Conference, dropping the team to 2-1 and into a three-way tie for second place along with Plymouth's smash-mouth style of football. "I was very surprised the way they manhandled our defense. I didn't think anyone could run that way against us."

Panther backs Eric Gueschow and Andy Thelen did though. Gueschow rushed for 119 yards on 25 carries and two touchdowns before leaving the game in the second half with a knee injury.

Gueschow put the Panthers on the scoreboard midway through the opening period. After Plymouth QB Jim Carpenter took off around the

left end for a 28-yard gain down to the KHS three, Gueschow burst up the middle on the next play to make it 6-0.

The Indians quickly answered, as junior Paul Reis corraled the ensuing kickoff at his own 24 and raced down the right sideline for a 76-yard TD return. Beau Coulter ran in the two-point conversion, and the Indians were ahead 8-6 after one quarter, despite having the ball in their possession for less than 2:00.

In the second period, it was Gueschow again scoring for the Panthers. This time Gueschow

took it in from 10 yards out on the first play of the quarter. The two-point try was once again stopped short, and the Panthers' lead was just 12-8.

The Panthers extended the margin to 20-8, as Carpenter scored on a QB sneak with just over 2:00 to play in the first half. Carpenter hooked up with Brian O'Neil for the conversion pass.

"We just couldn't stop them," Pearson said of the Panther running game in the first half. "They really came off the ball well."

Kewaskum made some

adjustments at halftime, however, and stopped Plymouth on three downs to start the second half. The Indians then built some momentum of their own, as they put together a 6:00 scoring drive, capped off by fullback Mark Strobel's two-yard blast up the middle. The score cut Plymouth's lead to just 20-14 with 3:18 to play in the third.

"We made a few switches at the half," Pearson said of the defensive stand to open the third quarter. "If we just could have held them again..."

But his team couldn't, as the Panthers embarked on what would be the game-winning drive. It appeared that the Indians did have Plymouth stopped early in the fourth, when the Panthers went for it on a fourth-and-four situation.

Thelen, who replaced Gueschow in the Panther backfield, took the pitch from Carpenter and appeared to be stopped behind the line of scrimmage. But the 5-10 junior broke free and raced around the right side, stretching for the first down.

"I thought we had him caught for a loss," Pearson said regarding the game's turning point. "Two guys had a shot at him stopped, but you have to give him credit (although) he didn't have it by much."

It was enough to keep the drive alive, though, and Thelen later cashed in on a ten-yard scamper for the score. Carpenter found Matt Beaver for the two-point conversion, and Plymouth led 28-14 with just over 8:00 to play.

Kewaskum got a late score when Dan Survis hooked up with Brad Jackson on a 69-yard pass play, with Coulter again running in the two-point try, but it was too little too late. The on-side kick failed, and Plymouth was able to escape with the win.

"They executed very well," Pearson said in praising the Plymouth effort. "You have to

give them the credit."

As for his team, Strobel led the way with 35 yards rushing, while Coulter was held to just 28 yards on 10 carries. As a team, the Indians were out-gained 344-209.

"We are still in a position to tie (for the EW title) at worst, if we win the rest of our games," Pearson pointed out. The Indians will travel to New Holstein this Friday for a key game.

"Whoever wins still has a chance," Pearson added, noting that KHS will try to ruin the Huskies' Homecoming festivities. "They're much improved over the past couple of years, so I really don't know what to expect."
