Miscommunication Cited in Bonnie Lane Problems

By Noel Stollenwerk

KEWASKUM - After listening to more complaints from residents affected by the Bonnie Lane resurfacing project, Village Board President Bob Wagner said Monday night that miscommunication seemed to be the biggest problem.

"One of the problems was a lack of communication," said Wagner, adding that it was both the village and the residents at fault. "Also between the sub-contractor and construction company as well."

Wagner's comment came after residents from the area brought a list of complaints before the Board, noting problems with the project. A letter from the Village's engineer, Kenneth Ward, was also read at the meeting. The letter was in reference to several parcels of property that still need restoration.

Most of the property owners were in attendance, and let the Board know that they were not pleased with the fact that they would be required to pay for the work to be done. Board members noted, however, that was what the agreement between the village and the residents called for.

In other matters discussed at the bi-weekly meeting, Fire Chief Mark Groeschel told the Board in a lengthy report the problems that the department was having in getting proper specifications for its new fire truck. Two firms sent back specs that were not close to those needed by the department. Another company, Excellence, of Alabama, submitted the highest bid of the three (around \$130,000), but did submit the proper specifications.

Groeschel said that the other two companies had contradictions in their compliance sheets

and specifications. "I found their sheets to be very confusing," Groeschel said, noting that he didn't know which measurements they were going to build for the quoted prices.

Board members Gary Gavin and Tom McElhatton agreed that the difference between Excellence's bid, and those of the others, was quite substantial, and that more checking should be done.

"For \$30,000, you can make a couple of phone calls," McElhatton said. When Groeschel argued that this would set the fire department back to its beginning stages, McElhatton replied "you're not back to square one. You're just making a few clarifications."

Groeschel agreed to check into the quoted prices and the exact specs, and report his findings to the Board at the next meeting.

Annual Christmas Parade December 5

You heard it right here folks... those foolish weathermen are talking about snow for the weekend... SNOW! That ugly white stuff that you have to shovel!

Only one consolation in sight that I can see... if we're talking snow... we're talking CHRISTMAS PARADE! Santa... and carols... and PRESENTS!

So this is just a little

teaser to let you know the annual Christmas Parade is not that far off in the future. This year, as in the past, it will be held the first Sunday in December, the 5th to be exact.

So mark your calendar... right now! 5 p.m. on the 5th. We'll give you more details next week, including when and how to order your light for the Christmas tree.

Rural Opportunity Center Opens at Amerahn Nov. 3

Washington County area families are invited to attend the Rural Opportunity Center again this year. The program will be held monthly, starting November 3, at the Amerahn, located north of Kewaskum, on Highway 45. Programs will be held the first Wednesday of November, December, January, February and March.

The Rural Opportunity Center was started last year and provided information and assistance to farm families in the area. At each meeting resource persons will be available to present a short program and answer questions for farm families.

The November 3rd program will focus on how to plan and talk about legal and financial matters with family members. Evaluating alternatives in property ownership and management as well as divesting in property, information about living trusts and changes in laws affecting power of attorney. Karen Gobel, U.W. Extension Family Living

Specialist will be the resource person. She teaches in the areas of family finance, estate planning, and public policy reform.

The December program will focus on farm taxes, and handling of disaster payments. The January program will discuss the family considerations of farm business arrangements and transfers. The February program will follow up with the legal considerations of farm business transfers and arrangements. The March program will feature some entertainment focused on rural living.

Doors to the Rural Opportunity Center open at 11:30 a.m. with a potluck lunch, followed by a one hour presentation. All activities are free of charge and do not require advanced registrations.

For more information, contact either the Washington County U.W. Extension Office at 335-4477, 644 - 5204 or 342-2929, or the Farmers Assistance Program at 1-800-942-2474.

Town of Wayne Debates Rezoning

By Louise Martin

A lengthy discussion regarding minimum acreage when rezoning ag land to residential dominated the Town of Wayne monthly board meeting on Wednesday, October 20.

Town resident, Cameron Kurer came before the board to request an advisory referendum regarding increasing the minimum acreage on residential development.

The current ordinance requires a minimum of 40,000 square feet for residential development. Some town residents would like to see that increased to a five or ten acre minimum.

Kurer prepared and sent questionnaires to 80 randomly selected residents requesting input on this matter. He received 50 responses which indicated 75% in favor of increasing the acreage and 25% wanted it to remain as it now is.

Kurer also spoke to representatives from the towns of Addison, Polk, Erin and Richfield to see how they are handling the growth issue in their towns. Currently, Richfield has a building moratorium in effect so development concerns can be addressed.

Town Chairman Carl Hohlweck, stated he contacted 24 randomly selected town residents and not one of those contacted would favor an increase in acreage.

Several voiced their opinions. Some stated farmers already have enough restrictions on their land without adding more. They do not want to be told how their land can be divided if it has the potential for development. For all the years of work and dollars paid in taxes, that decision should be their privilege.

Others raised concerns

about potential lawsuits from property owners. Kurer responded you always have that chance whether you have a one-half, one or five acre minimum.

Erma Franke, the town assessor, explained the property assessment aspect. She stated there would be a major change in assessment if changing from the current ordinance to, for example, a ten acre minimum. The increase can be construed by the state that it's exclusive residential property in the Town of Wayne and the property is going to sell for a lot more. The market determines what the effect will be but assessments will all go up and the increase would be retroactive to any ten acre parcel not just the new parcels. Land values would definitely have to be raised.

Town Building Inspector Gordon Hoffman, stated in his experience he finds that the people purchasing and building out in the country are most generally the people who want to restrict development around them. They like to see the farmer plowing his fields, the sunset, the views and they don't

want that restricted.

He added currently the town does have a controlling factor in development in that rezoning of property for any subdivision requires a public hearing and the board then decides whether to make that zoning change. If the rezoning doesn't occur, the subdivision doesn't occur.

From all the concerns raised, this is an issue that will need to be thoroughly investigated before any changes are made.

In other matters before the board, a detailed ordinance to regulate adult oriented establishments in the township was read by town clerk, Orville Kern. It was approved for newspaper publication.

A report was given by Wesley Fickert on an extension meeting he attended regarding recycling. He advised the board more recycling by residents is encouraged and the town will need to adopt a recycling ordinance in 1994.

Cameron Kurer presented the town board with two checks on behalf of some concerned Washington County residents to help defray some of the legal expenses the town has incurred dealing with the obscenity issue. It is hoped this could be the start of a fund raising drive to help offset legal fees.

Dr. Van Ess Named To Dyslexia Board

Dr. Stephen Van Ess, D.D.S., has been named to the Board of Directors of the Wisconsin Dyslexia Institute. He will begin serving a three-year term for the non-profit organization which is based in West Bend.

Van Ess, who has a dental practice in Kewaskum, is a past president of the Washington County Dental Society. Active in the community, he has also been a secretary for the Kewaskum Kiwanis Club and a Deacon at the Peace Church.

The Institute serves to educate the community about Dyslexia, which is a language disorder characterized by difficulties with spelling, reading, writing and math. Individual remediation of dyslexic children and adults is offered through the Institute.

Gerald H. Zimmel, President, Valley Bank East Central, announced that Harry Korchoff has joined the staff of Valley Bank as a Mortgage Loan Originator.

Korchoff was previously a real estate broker in West Bend. His real estate sales have consistently exceeded one million dollars annually. Harry brings over 30 years of sales and management experience to Valley Bank. He served as Secretary of the Washington Board of Realtors, and is currently President and a charter member of the Sunrise Rotary Club of West Bend.

Harry and his wife, Judy, reside in West Bend. He is the father of four married children and also has eight grandchildren.

Parents' Roundtable Rescheduled at KHS

Kewaskum High School parents, please check your school district calendar. The Parent Roundtable that was set for Wednesday, November 3, has been rescheduled for Tuesday, November 2.

The meeting will still be held from 7 to 9 p.m. in the school library. Topics for discussion will include Washington County's "First Offender" Program and a review of what has happened during the first quarter. Parents will also be given a tour of the building.

It is hoped there will be lots of parents in attendance. Refreshments will be served.

Women's Club Meeting Thursday Evening

The regular monthly meeting of the Kewaskum Women's Club will be held Thursday, Oct. 28, in the Village Community Room (near Police Dept.) at 7:30 p.m.

Dr. David Heather, Superintendent of Kewaskum Public Schools, and David Jones, Middle School Principal, will be the speakers for the evening. Their remarks will be

on the topic, "The Future of the Kewaskum School District."

Teachers from Germany Visit Kiwanis

Pictured (left to right) Roy Esser, Community Service Co-chair, Gabi Arnold Hoenig, Herr Peter Jochen and Club President Roger Neumann

Gabi Arnold Hoenig and Herr Peter, teachers from Lanenselbold, Germany, gave an interesting and informative slide presentation Wednesday evening, Oct. 13 for the Kewaskum Kiwanis Club at the Glacier Inn.

The teachers are leading a three-week student exchange group of ten students from Langenselbold and in June, ten

students from Kewaskum High School will have the opportunity to spend three weeks in schools in Langenselbold. The exchange is made possible by the Wisconsin Department of Public Instruction through a sister state arrangement with Hesson, Germany.

Area residents interested in attending and learning more about Kiwanis can contact Gene

Bohn at 626-2241 or 626-8472; Jerry Stollenwerk at 626-4485 or 616-8513; or L.N. "Pete" Peterson at 626-2766 or 626-2121 for information.

Informative and entertaining programs are part of weekly meetings. Members learn about current happenings in the community and often participate in activities which improve community life.

Kewaskum Fire and Rescue Squad Calls

Thursday, October 21, 11:36 p.m. - The Kewaskum Rescue Squad responded to Third Street in Kewaskum, when a female patient was complaining of chest pain and had difficulty breathing. She was transported to St. Joseph's Hospital in West Bend.

Saturday, October 23, 9:28 p.m. - The Kewaskum Fire Department was dispatched to a brush fire on the west side of the railroad tracks off of Highway V, just north of Kewaskum. They responded with a pumper, a tanker and the brush truck and the fire was quickly extinguished.

About the Village Board...

Well, this will wrap up my series of articles on the Highway 45 upgrades and improvements. As promised in my last article, I'll be discussing Highway 45, between CTH D (West Bend) and CTH H West (Kewaskum).

As we all know Highway 45 goes from four lane divided highway down to two lane 24 foot pavement with 10 foot shoulders roadway, just north of West Bend.

It is proposed by the Department of Transportation (DOT) to upgrade the two lane roadway to a design class A3 four lane divided highway to Kewaskum. The DOT will begin construction in May of 1996 with an approximate construction cost of \$4,500,000.00, of which the Village doesn't have to pay any of the cost.

Basically, the DOT will keep the present roadway with some resurfacing which will become the new northbound lane. The new southbound lane will be constructed to the west of the present roadway. There will be a grass median between the north and southbound lanes until you get to approximately, the "Welcome to Kewaskum" sign. There it will go down to a four lane roadway without a median.

Along with the new roadway there are plans for an Ice Age Trail bicycle path on the east side of 45, connecting with

the bicycle path in West Bend.

There will be some displacement of businesses on the south end of this project. Also with this project, the DOT will claim eight acres of wetlands at the Kewaskum marsh. The DNR regulations require that any lost wetlands will be replaced west or northwest of the new highway.

This road improvement will be done after the Fond du Lac Avenue upgrades that will happen in Kewaskum.

Well... this time I kept it short, but there wasn't too much to talk about. As I promised when running for this office, I intend on communicating with you, so you will be hearing from me very soon, because there are many items to be discussed. I feel that the residents should always be informed, so plan on hearing from me again in the upcoming weeks.

Thanks,
Bob Wagner,
Village President

Sheriff's Dept. Warns About Inquiring Phone Calls

The ability of con artists to devise new ways to fool citizens should never be underestimated, according to the Washington County Sheriff's Department. The telephone can be used as a tool by those who want to part county residents from their money.

Con artists have been known to call and pose as police or fire employees soliciting donations, officials of social service agencies who want to help the aged or ill, and insurance sales persons.

A common denominator of such calls is the unwillingness of the caller to provide specific information about themselves. Legitimate employees of businesses and government agencies will not hesitate to provide their

complete name, business address, and phone number. They will not object if you decline to provide any information until you have had time to confirm their authenticity with your local law enforcement agency.

YOU control the situation. At the first sign of deception or lack of cooperation from the caller, hang up! Never give any personal information until you are satisfied about the legitimacy of the inquiry. Such things as your complete name, social security number, date of birth and bank or credit card account numbers can be used to defraud you. Even the expiration date of your credit card number should be kept confidential.

Hospital Program to Focus on Job Stress

WEST BEND - Barbara Argabright, St. Joseph's Community Hospital's health promotion coordinator, will present a program on "Managing Job Stress" on Thursday, November 4, 7 to 8 p.m. in the hospital's 4 east conference room.

Argabright's presentation will identify symptoms of burnout and will focus on effective techniques for coping.

The program is free of charge and a community service of St. Joseph's Community Hospital.

To register, or for more information, call the health promotion department at 334-8268. The registration deadline is Thursday, October 28.

Fond du Lac Regional Clinic Formed As Result of Merger

Fond du Lac Regional Clinic

FOND DU LAC-- After two years of discussion and negotiation, Associated Physicians of Fond du Lac and the Fond du Lac Clinic, S.C. have merged to form the Fond du Lac Regional Clinic.

Geoff Sylvester, administrator of the Fond du Lac Regional Clinic, said the merger will enable the new clinic to provide a broader spectrum of service than each individual clinic could provide.

"In health care, teamwork is important. At the Fond du Lac Regional Clinic, the concept of teamwork is stronger than ever. Working together, we can eliminate duplicate service and improve patient care," Sylvester said.

Associated Physicians was formed in 1965 by four physicians. The current office at 505 E. Division Street will serve as the Family Practice department of the Fond du Lac Regional Clinic.

The Fond du Lac Clinic was formed in 1946 by a small group of doctors and served patients at the current site at 80 Sheboygan Street. About ten years ago, the clinic began to operate satellite facilities in surrounding communities.

Today, the Fond du Lac Regional Clinic provides service to patients in Fond du Lac, Brownsville, Campbellsport, Mayville and Mt. Calvary. "Clinic locations are still the same, but the level of care has

changed for the better," Sylvester added.

David Sweet, M.D., president of the clinic's Board of Directors, said the merger will enable the clinic to respond more effectively to the changing health care environment.

"Our goal is not to be the largest clinic in the area, but to focus on service and enable patients to work with the physician they are comfortable seeing," Dr. Sweet said.

With the merger, the Fond du Lac Regional Clinic has also unveiled a new contemporary corporate logo which signifies cutting-edge medical care and technology. The logo will soon be visible on all clinic printed materials and signage.

AAA Says There's No Trick to Making Halloween a Treat

Making Halloween a real treat for everyone isn't hard... and no one needs to be a magician to do it, according to the American Automobile Association's Wisconsin Division. All it takes is some extra precautions on the part of motorists and parents.

"Motorists must remember that young trick-or-treaters normally concentrate on only one thing at a time... and it's usually not traffic. They're more apt to be thinking about that next caramel apple or candy bar rather than cars," said Triple-A Wisconsin spokesman Joe Laubmeier. "It's up to us to help keep trick-or-treaters safe."

Laubmeier advises drivers to expect the unexpected, such as little ghosts and goblins darting out from between parked cars or across streets or driveways. Motorists should drive at least five mph below the posted speed limit in residential areas.

Another important safety precaution is being sure headlights are clean and turned on at the first sign of dusk. Motorists also should be extra careful when backing out of driveways and making right turns on red.

Young trick-or-treaters should be accompanied by a parent or older sibling, advises Laubmeier. It's important for parents to make a point of discussing safety before children leave home.

Children should be cautioned to stay in well-lighted areas in familiar neighborhoods, travel with a group of other children and stay on the sidewalk. If there is no sidewalk, children should walk along the road facing traffic and as far away from the traffic lanes as possible.

"Being seen is the key,"

Laubmeier said. He recommends that children trick-or-treat before dark or carry a flashlight if they plan to be out at dusk or later. Retro-reflective tape, an easy and decorative addition to costumes, shows up brightly in headlights. (EDITOR'S NOTE.... Trick or Treat hours in Kewaskum are from 2 to 4 p.m. on Sunday, October 31).

"Costumes that make it easy to walk and see are a must," Laubmeier said. A face mask may keep youngsters from seeing well, so they should remove masks before crossing streets. Makeup is an even better

idea.

Triple-A Wisconsin is distributing approximately 87,000 free "Tips for a Safe Halloween," bookmarks to children statewide through the cooperation of local police departments. The bookmarks, which feature 14 Halloween-safety suggestions, are also available at any of Triple-A Wisconsin's 12 offices around the state.

Triple-A Wisconsin provides its more than 440,000 members across the state with a wide range of motoring, travel and financial services.

DID YOU KNOW? Next Monday is National Author's Day!

Nov. 1 was adopted by the General Federation of Women's Clubs in 1929 as "National Authors' Day". In 1949 it was given a place on the list of special days prepared by the United States Department of Commerce. The resolution states: "by celebrating an Authors' Day as a nation, we would not only show patriotism, loyalty, and appreciation of the men and women who have made American literature possible, but would also encourage and inspire others to give of themselves in making a better America". Celebrate this important day by visiting the public library and "checking out" your favorite author!

New books at the library

include: Nightmare and Dreamscapes by Stephen King, Pray God to Die (a detective Anne Fitzhugh mystery) by Carey Roberts, Past Reason Hated (an inspector Banks mystery) by Peter Robinson, The Frugal Gourmet Cooks Italian by Jeff Smith, The Stanley Complete Step-by-Step Book of Home Repair and Improvement,

and What's Wrong With My Car? by Bob Cerullo

Look ahead to the holiday season...we have new books coming in to help you prepare for special Thanksgiving, Christmas and New Year's celebrations. If you are "crafty", now is the time to start on your decorating creations! Come and see what's new at your library!

LETTERS TO THE EDITOR

Dear Editor:

The Opportunity League of Washington County, Inc. celebrated their tenth anniversary October 1, at Barth's Linden Inn. The special event started with welcoming the guests with a cash bar before the buffet dinner.

Guest speaker, Marge Behlen, spoke on the work The Opportunity League has accomplished throughout the ten years of existence. Mrs. Behlen started out by saying, "Last year at this time we remembered the executive director and founder of The Opportunity League of Washington County, Inc. This year, as Florence watches us from a distance, she can be justly proud of the ten years of progress in self advocacy which she started."

Mrs. Behlen mentioned just a few of the many accomplishments the organization had accomplished in their ten years with the most recent one being the sidewalks on the north side of Hwy. 33 for safe crossings at Indiana Avenue.

Door prizes were awarded before the program closed for music and dancing with the Joey Klass Band.

Among the 94 guests attending the event were Mayor James Core of Hartford, Tom Bergerud and Hope Nelson of West Bend, Opportunity League members, family and community friends of the members. Mayor Michael Miller of West Bend was unable to attend. The Opportunity League of Washington County, Inc. members would like to thank all who made this special event a success. Hope to see all of you next year on Friday, October 7, 1994.

The centerpieces were donated by Kewaskum Floral, Bits and Pieces, Boergers Floral, RLS Floral Studio, Miller-Bradford & Risberg, Inc. of Sussex, Black's Flower Shop, Design Originals Floral and private donor.

The door prizes were donated by First National Bank of Hartford, Regal Ware of Kewaskum, and Hartcraft, Inc. and private donor of Hartford. Other donations were made by Hartford Cleaners, The Camera Case and individuals.

The organization would like to thank all the donors for their donations. The Opportunity League members would like to

extend their appreciation for their support and ask persons to support these businesses. The League also would like to thank The Joey Klass Band for their music and Pro Print for the lovely job they did on the invitations.

The Opportunity League of Washington County, Inc. will continue to advocate for themselves and other persons with disabilities in the years ahead.

If you have any questions, or want information about the organization, please feel free to call Judy Behlen at 673-3741.

Thank you,
Judith A. Behlen
Secretary of The
Opportunity League of

Dear Editor,

The 47th annual "Voice of Democracy" Scholarship Program for 1993-94 sponsored by the Veterans of Foreign Wars Posts and their Ladies Auxiliaries is again in full swing.

Students in the 10th, 11th and 12th grade enrolled in Public, Private, Home Schools or Parochial Schools in the United States, its Territories and Possessions, and in Overseas Schools for Military and Civilian dependents are eligible.

Foreign Exchange Students are excluded.

This year's theme is: "My Commitment to America." Each participating school will provide a winner who will advance to district competition. The winner of each of the eleven (11) districts in the Department of Wisconsin will advance to the Department Judging and the first place contestant will represent our state in Washington, D.C. in a five day all-expense trip with the opportunity to compete with the other 53 Department Winners for the 29 V.F.W. National Scholarships.

A total of \$87,500 will be awarded there, from \$20,000 for first place to 15 - \$1,000 scholarships.

The National Competition will take place during the V.F.W.'s Annual "Washington Conference," February 25 thru March 1, 1994.

Kettle Moraine Post No. 8339 and its Ladies Auxiliary is again sponsoring the "Voice of

Democracy" contests at the local level. The First Place Winner will receive \$50 cash, plus trophy, plus recognition in Area News Media, in addition to entering the District Competition. Second and third place winners will receive trophies and recognition in Area News Media. All contestants will receive Certificates of Participation.

Student Guide Pamphlets with all the detail are available at your Guidance Counselor's office, also a copy of last year's top six contestants' presentations on cassette tape is available there.

Deadline for competition of the school program is November 15, 1993.

We look forward to another successful competition and, hopefully, a Department Winner from the Kettle Moraine Area.

Dietrich G. Otto,
Post Commander
Dorothy E. Otto,
Auxiliary President

P.S. District Judging will be at Campbellsport High School, Saturday, December 4, 1993 at 1 p.m.

LETTER TO THE EDITOR:

The Dundee Mill Park Committee held their drawing for the prizes on the "Blue Raffle" tickets on Monday, Oct. 4th. The grand prize winner was Carl Seefelt, \$500; \$150- Greg Totsch; \$50- Betty Jung; \$25- Tim and Jelaine Scannell, and \$25- J. Schroeder. Many other smaller prizes were won by area people, plus people as far away as Chicago. We want to thank everyone who purchased a ticket and all the ones who donated some of the prizes.

The fall fund raiser went very well this year even though we had a threat of rain around noon. The purpose of the Dundee Mill Park Days is not only our biggest fund raiser of the year but is our way of setting up a real family fun time. We try to provide something for everyone. If there is something that you want to suggest for next year, please get in touch with a committee member or bring it to our monthly meeting.

I can't stress too much about the fact that the mill and park is NOT receiving any tax dollars. All work is done by volunteers excepting when we have to hire

a professional. The wet summer held up some of the projects we had planned to get done but we are going as fast as we can safely.

Our fall fund raiser grossed close to \$11,500. and netted around \$6,000. These funds will be used this year to install new fencing on the property lines and the keying on the north side of the building to protect the old stone wall. These are the two most expensive projects right now. There are many, many more. The men are trying to finish up the tail race yet this year so we won't have any water backing up into the turbine. The weather is not helping our efforts.

None of the progress on the mill and the park would have been possible without the help and support we have gotten from every segment of the community. A huge THANK YOU goes out to all. There are too many people to mention individually who have done the things that nobody really sees, but are the things that have to be done. A special thanks goes to Leo for all the lawn mowing, to Rosie and her children for all the weed cutting, to Mary and her crew for the flowers, to Jake for the floor, to George for cutting on the berm, and especially to the 130 volunteers who made the Mill Park Days.

THANKS AGAIN!

Diane Kleinke,
Publicity Chairperson,

Dear Editor

We wish to thank all of our supporters for attending The Washington County Humane Society's first annual Barn

Dance held on September 18, 1993.

There were many people who worked hard to make the event a success. We thank all of the businesses and volunteers who gave of their time and talents for a worthy cause.

Special thanks to Pioneer Plaza, Hartford Savings Bank and the First National Bank of Hartford/Slinger for underwriting this event.

We hold several fundraisers throughout the year because we rely heavily on donations to care for the animals. Once again thanks to all of you.

Sincerely,
Mary Schaefer, Chairperson
WCHS Development
Committee

To the Editor,

On behalf of the School Effectiveness Team (S.E.T.) of Kewaskum High School, I would like to extend our thanks to the parents and teachers who made our recent mini-night a success.

The mini-night enabled parents to experience their child's day in a shortened format. We progressed from class to class on an 8-minute schedule. Each teacher explained their goals and expectations and gave us a sample of what a day's lesson might include. The evaluations we received were highly positive and encouraging.

Again, thanks to all who participated. I would also like to thank all the parents who provided food for the teachers' appreciation dinner prior to mini-night.

Bishop from Campbellsport Dies After Years of Service in Nicaragua

by Laurie Rieger
Staff Writer
Fond du Lac Reporter

Bishop Salvator Schlaefer, a Campbellsport native who has been a Capuchin missionary in Nicaragua since 1947, died Friday in Nicaragua at the age of 73.

Schlaefer gained national attention in 1983 when he led 1,000 Indian refugees from war torn Nicaragua on a 75-mile trek through rough jungle terrain to Honduras.

The bishop suffered a massive heart attack shortly before 4 p.m. Friday, his brother, Dr. Anthony Schlaefer of Campbellsport, said Saturday night.

He will be buried in Nicaragua, but memorial services are tentatively planned at St. Lawrence Seminary in Mount Calvary and St. Matthew's Church in Campbellsport. Specific times and dates have not yet been set.

Dr. Schlaefer said he received a letter from his brother about two weeks ago.

Bishop Paul Schmitz of Fond du Lac called Dr. Schlaefer with news of his brother's death.

Bishop Schmitz and Sister Cecelia, who is Bishop Schlaefer's sister, have left for Nicaragua. He also has a sister Mrs. John Battaglia of Kewaskum.

At the age of 63 in 1983, Schlaefer led more than 1,000 fleeing Indian refugees on a 75-mile exodus to Honduras.

The mission was through swampy territory and under the threat of possible government violence.

"A man 63 years old and who weighs more than 260 pounds walked through mountains, jungles, crossed rivers and marshes with no shoes, wearing only sandals -- that is a man who sacrificed for his people," a Nicaraguan archbishop had said in 1983.

The Miskito Indians were fleeing government restraint and trekked for four days before reaching the Honduran border.

Conflicting reports came to the U.S. -- many suggesting Schlaefer may have been kidnapped by rebel forces who came across the border of Honduras.

The reports were unfounded and Schlaefer returned to Campbellsport for a two-week visit after recuperating from exhaustion at St. Agnes Hospital.

On April 11, 1985, Schlaefer and his chauffeur were ambushed along a rural road in eastern Nicaragua.

His car exploded and the windows blew out. He was hit by shrapnel in his left arm and right hip. The driver wasn't seriously hurt.

By the time the bishop's car came to rest at the bottom of an incline 60 feet off the road, the attackers had seen the cross painted on the back and stopped shooting.

The 64-year-old Schlaefer approached his attackers with a white handkerchief.

"I got mad," Schlaefer said

in an interview after the incident. "I went over to where these guys were standing and said, 'You fools. What are you doing? You blew up my car and ... you didn't even stop us to find out who we are.'"

"Escaping the ambush," he said after the incident, "was a pure miracle for me. You could repeat it 1,000 times and never come out unscathed."

Schlaefer was born July 29, 1920, in Campbellsport.

He graduated from St. Matthew Parochial School in Campbellsport in 1934 and then entered St. Lawrence Seminary in Mount Calvary, graduating in 1938.

He was ordained a priest in 1936 at Marathon, Wis.

In 1947 he volunteered for the missions in Nicaragua and had worked there ever since.

In 1953, he founded Pius X Seminary in Bluefields to train native priests. Bluefields is Nicaragua's largest port on the Atlantic Ocean.

He was ordained bishop of the Mission Vicariate of Bluefields in Nicaragua on Aug. 12, 1970.

County Separated, Divorced to Meet

Washington County Separated and Divorced Men and Women Support Group meet every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

The topic for Friday, October 29 is "Intimacy," with Dr. Wendy Freitag, Stress Management and Mental Health.

On Friday, November 5, the topic will be "Increasing Self Esteem, Handling Guilt and Shame," with Tom Hoffman of Elbrook Hospital, Alcohol and Drug Treatment Center.

Only a psychiatrist needs an M.D. to practice. A psychoanalyst or psychologist does not.

In the Service

Navy Petty Officer 1st Class Lee R. Voge, a 1979 graduate of Kewaskum High School, recently returned aboard the aircraft carrier USS Nimitz, homeported in Bremerton, Washington, from a six-month deployment to the Western Pacific and Persian Gulf as part of the aircraft carrier USS Nimitz Battle Group.

While operating in the Persian Gulf, the battle group completed 19 bilateral and multinational exercises with various Gulf nations in continuing efforts to develop and strengthen political and military ties with countries of the region.

During this deployment, USS Nimitz's embarked aircraft

squadrons flew nearly 3,000 missions in direct support of Operation Southern Watch, enforcing the U.N. "no fly" zone over southern Iraq.

Additionally, the carrier received its second consecutive Admiral Flatley Memorial Award, presented annually to recognize ships which surpass all competitors in overall contributions to aviation safety.

Today, American aircraft carriers, their planes and escort ships provide a global presence, standing ready to respond to protracted contingencies at a moment's notice, from the sea.

Ports visited were Hong Kong, Singapore, Dubai and Jebel Ali, United Arab Emirates and Pattaya Beach, Thailand.

Voge joined the Navy in May of 1982.

Kewaskum Firemen were summoned last Friday to assist in the search for Gene Pesch, five-year-old son of Mr. and Mrs. Eugene Pesch, Route 1, Kewaskum, who was reported missing by his parents. The Pesch home is located on Kettle Moraine Drive, about 1 1/2 miles north of Hwy. 28 near the dense Kettle Moraine State Forest area. When firemen arrived, Pesch and several neighbors and fellow workers at Regal Ware, Inc. were already searching for the boy. Mrs. Pesch said she last saw the child on a hill some distance from the house. The fire department took their equipment truck and ambulance to the scene and searched the wooded, marsh and field areas. While the searchers were looking for the boy, Mrs. Pesch decided to make another tour of the house and adjoining buildings in an effort to find the child. She discovered the boy safe and sound asleep under a bed in one of the bedrooms. She had looked under the bed once or twice before and the child was not there at that time. A thorough search of the home and all other buildings had also been made before. It is believed the boy had been outside somewhere, may have become frightened by the confusion of all the searchers looking for him, slipped inside the house without being noticed and hid under the bed where he fell asleep.

The Rev. Vincent N. Schneider, cousin of the bride, read the nuptial mass, in which Miss Leona Schneider, daughter of Mr. and Mrs. Jacob Schneider of Kewaskum, Route 2, was married to Clarence Van Beek, son of Mr. and Mrs. Albert Van Beek, on October 12, in St. Michaels.

Allen Coulter, 10-year-old son of Mr. and Mrs. Erwin Coulter of St. Kilian, suffered a

concussion when he was injured by falling off a bicycle Monday while getting the cows.

St. Kilian's Church at St. Kilian was the scene of the wedding ceremony October 16, in which Miss Marth Mayer, daughter of Mr. and Mrs. Joseph Mayer of the Town of Wayne, became the bride of Clarence Sauer, son of Mr. and Mrs. Anton Sauer of Nenno.

A medium size group of selectees from Washington County left West Bend on Tuesday morning, October 19, for the Milwaukee induction station to be examined for possible induction in the armed forces of this country. A list of those accepted has not yet been released by the local board but it has been reported that only a small number of men were accepted, among them being Homer Schaub, son of Mr. and Mrs. William Schaub of Kewaskum. The group accepted for the army will leave for active duty early next month.

Mr. and Mrs. Charles Westerman of St. Bridget's received a letter from their son, Joseph, who is a member of the 32nd Division, who have been doing good work in driving the Germans back. Private Westerman is in a base hospital in Paris, having been wounded while in active service at the firing line.

The Spanish Influenza has taken a firm grip on the citizens of this village. Quite a number of cases were reported the past week, most of them light, several cases developed into pneumo-

nia, but all are getting along nicely. Even though the epidemic has evidently been at its worst in this village, it is thought advisable that the ban should not be lifted for at least a week. All citizens are urged to take the utmost care in guarding against the disease, and follow out the prevention and treatment of influenza to the letter.

Although it has been published by a number of weekly newspapers that skunks, being a dangerous animal to ground birds in destroying their nests, the season for hunting and trapping skunks is open, such is not the case. In a letter received from the state conservation commission, it states that the season is not open and that the law must have been misconstrued.

A large amount of clothing and other supplies were collected in this village the past week, which were shipped to the northern part of the state, for the people who were made destitute by reason of the great fires which swept the territory between Superior and Duluth

recently.

The following young men from the Town of Kewaskum left with a contingent of select men from this county: John C. Klahn, Route 2, to Jackson Barracks, Louisiana; Wendel C. Petri, Wayne, Anton J. Stahler, Route 5; Andrew H. Kuehl, Route 3, to Camp Shelby, Mississippi.

The Chicago and Northwestern Railway Company had a crew of men at work this week building a cement walk from the H. J. Lay Lumber Company store on Main Street to the railroad tracks. They also built a cement crossing and platform.

Cheese factories and creameries to the number of 45 in Washington County, paid a fine of \$25 each for not having a government license to operate as required.

Don't forget to stop your clock or watch one hour tomorrow, Sunday for that is the time the government will go back to standard time again. Stop your clock at 2 a.m. on this day for one hour.

KHS Holds Mini-Night

Kewaskum High School recently held its first-ever "Mini Night" in conjunction with Parent-Teacher conferences. The purpose of the activity was to introduce parents to the courses, the teachers, the building and a simulation of the routine followed by students at the high school.

The evening of Parent-Teacher conferences was chosen as the date in an attempt to interest adults who were already planning to be at the school. During the hour and a half program, the parents in attendance had the opportunity to experience a "condensed version" of their child's school day. They sat in their child's classroom and heard from the teachers about the curriculum, grading system, assignments and homework requirements, and classroom expectations.

One parent echoed the ideas on many of the evaluations when she wrote that the evening "helped (us) get a 'feel' for what the student's day is like."

Another parent wrote, "I've

come to conferences and had to wait so long. This way I was able to meet each teacher and find out what is being studied. There also was time to talk individually, if needed, at the end of the program.

Parents appreciated that "each teacher explained what is expected in their classes, and (I) didn't have to wait in line just to hear those point." In some of the classrooms, the teachers also presented "mini-lessons" which parents found helpful and informative.

The School Effectiveness Team of Kewaskum High School put the evening's program together, but it was one parent's evaluation that stated the reason for the activity and the participation by everyone involved: "It is imperative for parents to meet their (child's) teachers... so that they can communicate more effectively between parents and children... it shows interest in the child's life."

Area Girl Scouts Invited to Halloween Birthday Party

Kewaskum area Cadette Troop #25 of the Wau-Bun Girl Scout Council recently had a fantastic October troop meeting. The girls, in grades 6th, 7th, 8th, and 9th, met at Mrs. L. Enright's home.

Donated to the troop, by the West family were pumpkins and gourds in various sizes. The girls gathered and brought from home beautiful dried flowers and fall seed pods, etc. With a bit of instruction from a skilled flower arranger, the girls and adults made over two dozen dried fall flower arrangements. The girls showed wonderful skill and talent, and had lots of lots of fun.

After the meeting, some of the arrangements were taken

home by the girls to give to mom or dad. The others were donated to Samaritan Home West Bend, Mapledale Manor Kewaskum, and Beechwood Rest Home, and Kewaskum Middle School where the girls usually meet on Wednesday nights after school.

In honor of Juliette Low's Birthday, Kewaskum area Junior Troop #39, has planned a Halloween Birthday Party. All Kewaskum, Farmington, Wayne and Beechwood area Girl Scouts of the Wau-Bun Area Council are invited to attend on Oct. 28, at the Labor Center Kewaskum. For more information call Sharon Shaw at 626-2214 for cost and time.

Healthy Snack Ideas for Kids

Chewy Pear Brownies a Lowfat Choice for Children and Parents

Parents are increasingly concerned about nutrition and reducing fat in their children's diets. Here's a snack idea featuring the ever-loved brownie, but with very low fat, when juicy sweet fresh USA Bartlett pears are substituted for the traditional fat. Serve them after school along with slices of fresh Bartlett pears.

Chewy Pear Brownies are a simple, made-from-scratch dessert or snack, cutting the usual fat with a fresh pear puree. Lowfat yogurt replaces eggs in the mixture. The end result is a chewy moist brownie that kids will love, and at the same time, parents can be assured they are helping in healthy choices for their children.

You may use either red or yellow Bartlett pears for Chewy Pear Brownies. Bartletts are excellent for purees, retaining their mellow juicy quality. For best results use ripe pears. Red Bartletts should be a bright crimson color when ripe and yellow Bartletts turn bright yellow when mature. Both varieties are in good supply August through December.

Chewy Pear Brownies

3/4 cup each flour and sugar	1 cup pored, cored and diced USA Bartlett pears
1/3 cup unsweetened cocoa	1/2 cup pored, cored and pureed USA Bartlett pears
2 tablespoons chopped walnuts	1/2 cup plain lowfat yogurt
1 teaspoon baking powder	1 teaspoon vanilla
1/4 teaspoon salt	

Combine flour, sugar, cocoa, walnuts, baking powder and salt. Add diced pears and toss to coat. Add puree to yogurt and vanilla and add to flour mixture. Mix only until flour is evenly moistened and batter is smooth. Pour into greased 9-inch square baking pan. Bake at 350°F 30 to 35 minutes or until wooden pick inserted near center comes out clean. Cool and cut into squares. Makes 16 brownies. Nutritional Analysis Per Serving: 81 Cal., 1.5 g pro., 1.2 g fat (12% Cal. from fat), 17.7 g carb., 0 mg chol., 1.1 g fiber and 76 mg sodium.

Tiger Group Coaches from the area are invited to attend the Cub Leader Roundtable in the All-Purpose Room, where a special session on Tiger Cub activities and the new Tiger Coach Award will be explained by District Tiger Chairman, Dennis Lubow and Cub Program Chairman, Marilyn Lexa.

The "Holiday Magic" theme will be enhanced by an opening ceremony by Pack 3842; a "Santa's Magic" Advancement Ceremony by the staff; the Book of The Month and Christmas game by Carol Winget; "The True Meaning of Christmas," presentation by Pack 3877; and a special closing by Roundtable Commissioner, Laralynn Webster.

An explanation of the purposes and methods of the Ethics In Action Program will be given by Dave Parkinson. Behavior Problems will be covered by Ann Mueller in the Den Leader session; Terry Gengler and Parkinson will speak to the Webelos Leaders. A display on the Citizen and Craftsman Webelos Activity Badges will be exhibited.

A discussion on leader recognition and location inspec-

tion will be handled by Ross Clithero and Larry Luckjohn in the Pack Leader session.

Boy Scout Leader Roundtables are held in the school library, under the guidance of Roundtable Commissioner Tom Weirzbicki. Gus Gnorski, Channel 6 TV Personality, will present his program on campcraft, "You Can't Find Everything in the Woods." Creative ideas for items which are helpful, easy to construct and transport will be included.

Bill Howe will quiz the group on the "Sounds of Nature;" identification of 44 animal, insect and bird sounds.

Pertinent district information will be announced at both Roundtables.

Members of the Order of the Arrow will meet with Chapter Chief, Mike De Luka in Room B-12 at 7:30 p.m.

4-H CLUB NEWS

WAYNE CRUSADERS

The monthly meeting of the Wayne Crusaders was held at 7:30 p.m. on October 12th at the Kohlsville Fire Department. President Bridget Ritger called the meeting to order, and the pledges were led by Melissa VandenHeuvel and Stacy Zehren.

Vice-president Sarah Ritger gave the treasurer's report, and brought us up to date on the penny save project. The club is still a little short of the halfway mark in reaching their goal of one mile of pennies.

The club had another successful year at their Kettle Kountry Kolours food stand. Carol Oelhafen gave a detailed report on the income and expenses. The club wishes to thank the following donors for their contributions to our fundraiser: Mr. and Mrs. Ron Schlafer of MJ's in Wayne, Norman Fleishman of AMPI, Tolibia Cheese, and the Frank Ritger Family of Hartford for cheese, Level Valley Dairy for butter, Curt Martin for apples, Mary Koch for bread, and Midwest Farms for potatoes. Thanks also to the members and parents who lent equipment, prepared food, shopped, and worked at the food stand, and to Nancy Schulz for making the pumpkin witches and lollipop ghosts, which help to fund our Cloverbud program.

Enrollment forms for re-enrolling members were due at the meeting. The club welcomed six new members during October. They are Tami and Tara Pusch, Steven Klemme, Russel Ruplinger, Stephanie Bartley, and Shelly Zehren. New members will be accepted until December 15th.

Members, age 12 and over were encouraged to join the 4-H Teen Association, and to attend the lock-in on October 30th. Younger members are urged to attend the upcoming Exploring Day at UWWC on November 13th.

The club is participating in a countywide fruit sale, to benefit the new fairgrounds fund. We will be selling grapefruit, oranges, citrus hand cleaner, and a variety of nut products. Contact any club member or call 626-4239 or 629-9232 to order.

The club has several new project leaders this year. They are: Keith Herman, Woodworking; Cindy Tobin and Bridget Bartley, Horseless Horse; Mary Koch, Food Preservation; Sharon Herther, Ceramics; Deanna Wagner, Drawing and Painting; and Kathy Hawig, Assistant Exploring Leader.

Election of officers was held, and the results were: Sarah Ritger, President; Melissa VandenHeuvel, Vice President; Melissa Ritger, Secretary; Paula Petersen, Treasurer; Angela Ritger, Reporter, and Myah Obright and Laura Klemme, Historians. Officers must attend training session on October 28th.

The club's adopted grandfather, Adolph Koenig, died on October 12th. A memorial will be set up in honor of Adolph and Della Koenig, and the club extends their sympathy to Adolph's family. He will be sadly missed by our members

and leaders.

The following members were recognized at the annual Leaders' Association Achievement and Recognition Banquet, held on October 13th: Joe Hawig, woodworking; Keith Herman, beef and swine; Scott Herman, swine; Karla Koch, demonstrations; Sheila Martin, creative stitchery; Rick Novotny, swine; Paula Petersen, swine; Angela Ritger, rabbits; Bridget Ritger, celebrate art, drawing and painting, knitting, rabbits, child development, and youth leadership; Melissa Ritger, clothing, clowning and fashion review; Sarah Ritger, child development and rabbits; Deanna Wagner, drawing and painting.

Receiving career awards were Joe Hawig, Agriculture; Melissa VandenHeuvel, Home Economics; Sarah Ritger, Leadership and Achievement; Kim Resch, Agriculture. Tim Novotny received the Brian Bowser Memorial Award for art. Joe Hawig and Melissa VandenHeuvel received certificates for attending State 4-H Congress.

Sarah Ritger received a Citizenship pin for attending CWF. Bridget Ritger talked about her trip to National 4-H Congress as part of the program, and also received the I Dare You Award and Key Award, and was a finalist for the Brenda Oelhafen Memorial Award.

Tim Novotny, Sheila Martin, Keith Herman, and Deanna Wagner received their alumni pins and graduated from 4-H. Pat VandenHeuvel was elected to the Leaders Association Board of Directors.

Congratulations and thanks to Carol Oelhafen for serving as

a leader for ten years. First year leaders recognized were Marilyn Brath, Julie Etta, Roger Herther, Kevin Mass, Debbie Schellinger, Patsy Ritger and Kathy Strong.

Angela Ritger,
Reporter

Camp Whitcomb, Here We Come!!!

Kewaskum Middle School sixth graders again attended Camp Whitcomb in Hartland. Each sixth grader attended their overnight experience on either Sept. 30 - Oct. 1, or Oct. 7-8.

While at camp this year, they enjoyed a wide variety of classes offered by many very willing KMS staff members. The teachers and their activities were: Linda Bastable (box baking), Leslie Bruss (wet and wild), Cathy Countney (Robin Hood), Marlene Domasky (wet and wild), Kris Schumacher (wax works), Diane Stangl (coop challenge), Floyd Brenner (directional dilemma), and Kathy West (outdoor survival). A huge thank-you to these teachers who left their classrooms to share their talents with the sixth graders.

We also rely on outside volunteers to help supervise or lead activities. The camp staff always provides the students with canoe safety. Ken Erickson, a retired sixth grade teacher, came along to teach Baiting Business. Frederick Luft of West Bend, an American Folk Music entertainer, led our evening campfire and sing-along.

We also had many volunteer fathers who agreed to be overnight cabin supervisors for all the sixth grade boys. They were: James Backhaus, Dave Broughton, Dean Calliari, John Meisser, Ronald Norman, Rick Rabuck, Stephen Schmidt, Terry Vetter, Wesley Weinhold, and Bruce Weninger. Thanks to all of these volunteers who worked at making this year's outdoor experience a success!

In addition to these classes, the students also had fun with the Suzy game, group sing-alongs, kissing the moose, taking a night hike, playing tug-of-war, and enjoying the camaraderie of their cabin groups.

When asked about their Camp Whitcomb experience, all sixth graders were willing to share their most enjoyable moments. This is an educational experience that will be remembered for a long time.

Heather Brown works diligently at getting her arrow set up.

David Lettow tries to find the Mohican Cabin so he can get unpacked.

Anyone for a walk in the pond? Nick Tonn and Erik Backhaus work at getting into their hipboots.

Ready to go fishing! Left - Ms. Countney, right - Adam Birch

Waiting patiently to load those buses for Camp Whitcomb. Left to right: Scott Willkomm, Ryan Pokorny, Evan Paradies.

IN MEMORY

In memory of Michael Stern, who passed away ten years ago, Oct. 18, 1983.

Dear Mike,
Life goes on and year's go by,
But precious memories never die.

Our hearts ache with sadness,
Our eyes shed many tears,
God knows how much we miss you

At the end of ten sad years,
So we go on living in this world
of sorrow and strife,
Until we meet you in heaven
And live that happy life.

We love ya, Mike

A Message from the Postmaster

Hello Kewaskum Statesman readers and how are you all doing today? October 24-30 has been designated by the Postal Service as Consumer's Week. In keeping with that theme, my column this week will "touch upon" the various services offered to you.

EXPRESS MAIL: This is the ONLY service complete with a "money-back" guarantee. Mailing envelopes and/or boxes are provided free of charge at the post office. Depending on destination, you will readily see (on the customer screen), whether your item can be guaranteed to its destination next day (by noon or 3 p.m.) or second day by 3 p.m.

You will receive a customer receipt that will explicitly show the guarantee. A toll-free number is annotated on the label to specifically "track" your item. The "money-back" guarantee works like this: let's say that you bring an item in and we show you a guarantee delivery next day by noon. The item is indeed delivered the next day but not until 2:30 p.m. You, as the purchaser might be satisfied with that, but DO REMEMBER we guaranteed delivery by NOON. You would be entitled to a refund of the postage.

PRIORITY MAIL: Okay, let's say that you want the item to get there quickly, do not need the guarantee, but want your item to get there just a little quicker than regular first-class mail. Opt for Priority Mail. Again, envelopes and/or boxes are provided free of charge. I have had a good response from a previous article, where I talked about the flat rate envelope (many have stopped in for a free envelope). I do not think any of you are thinking of sending a "brick" but keep this in mind: the regular Priority envelope carries a minimum postage rate of \$2.90. Up to 2 pounds will cost you the \$2.90. Two pounds, one ounce will bring the postage up to \$4.10. Using the FLAT rate envelope... you can "stuff what you want in there" (regardless of the weight) and

your cost? Just \$2.90. Personally, I have "stuffed" over five pounds of magazines in the FLAT rate envelope and saved quite a bit of money. Stop in/or call me at 626-2575 for assistance in your individual mailing needs.

PARCEL POST: This is the most economical means to sending your packages. Please keep in mind that packages are NOT automatically insured (this must be purchased separately and the customer screen will remind you to insure for actual value).

Depending on destination and weight, the postage rate between Parcel Post and Priority Mail could be as inexpensive as five cents. Difference? Amount of days it takes for delivery. The signs in the Kewaskum Post Office clearly state our goal... CUSTOMER SATISFACTION IS OUR PRIORITY... We will be more than happy to quote prices for Express, Priority or Parcel Post.

CHRISTMAS 1993-- Where did the year go? Halloween is almost here. Then comes "turkey day" and before any of us realizes it, it will be CHRISTMAS! We hope to keep you visits to our post office "brightened." Letters have been sent out to local schools to assist us in decorating the lobby... just another community involvement project. November 1st will be the starting date of the "Letters to Santa" and the ETERNAL TREE will be decorated through a contest in which the children of the community will decorate it and you... the customers will be the judges. (More on this in a

later column).

TIPS AND TIDBITS FOR CHRISTMAS MAILINGS:

On October 22nd, the Christmas stamps went on sale. They are available individually, sheets of 50, and booklets of 20. As always, two types are available... the traditional and the contemporary. On October 29th, the Christmas "self-stick" will go on sale. These are available on a "peel and stick" sheet of 12 for \$3.48. Please remember that you pay no more for the "self-stick" it is your choice... LICK and STICK or PEEL and STICK. As always, latest stamps are displayed for your convenience in selection.

Complete addressing is important all year long and especially during the holidays. Insure that your addressing is legible and that the zip code is correct. Always include a return address on all your letters and/or packages. In the next couple of weeks, I will be "focusing" on parcel preparation.

MAIL EARLY. No I am not asking you to send your Christmas cards and packages this week or next, but please, start planning. If you need to send something overseas, it is definitely NOT TOO EARLY for that. Feel free to stop in or call us with any questions or comments that you may have...we are HERE TO SERVE YOU!

Information and brochures available free of charge at the Kewaskum Post Office include: A consumer's directory of Postal Services and Products; postage rates, fees and information; order forms for personalized envelopes; International postal rates and fees and a consumer's

Glacier Edge District 11 Scout Pep-O-Ree Held

One of the featured activities on Saturday's agenda at the Glacier Edge District 11 "Pep-O-Ree" held October 1-3, was the Search and Rescue practice and demonstration using the above Rescue Med Dogs, radio communications, EMT personnel and radio tracking.

Todd Kottke, above, demonstrates radio tracking at the "Pep-O-Ree."

A "Pep-O-Ree," sponsored by Glacier Edge District 11, of the Bay Lakes Council of the Boy Scouts of America was held October 1-3 at Camp Journal in Hartford.

Check-in time was from 5 to 7 p.m. on Friday and check out was Sunday morning. All Boy Scouts and 5th grade Webelos from Ozaukee and Washington Counties were invited to participate.

The hands-on training and fun weekend camporee was

named from the botanical Cucurbita family, with pepo meaning pumpkin.

Activities began with a Treasure Hunt Hike on Friday night. Saturday's agenda included demonstrations and practice in Search and Rescue using Rescue Med Dogs, radio communications, EMT personnel and radio tracking.

In the afternoon, Scout skills were emphasized with practical applications and knife safety

being taught. Scouts had to pass their Tote-n-Chip before carving pumpkins. Engineering skills were used to catapult pumpkins followed by a seed spitting contest.

Webelos attended First Aid demonstrations and did some whittling and "Rescue the Pumpkin."

Boy Scouts and Webelos also formed mixed patrols which provided the food needed to prepare their own meals.

Parents Can Help Kids Stay Fit at Home and at School

By Joyce Albrecht
UW Extension
Home Economist

A recent study by Cornell University found that one in four New York school children is overweight. One in three reported eating junk food four or more times a day. In addition, three-quarters of the 51 schools surveyed failed to meet state requirements for physical education.

As the school year begins, many parents may feel they have little control over their children's diets and activity levels. Kids are in school during the day and many working parents don't see their children before the dinner hour.

But a nutrition specialist with the University of Wisconsin-Extension says parents can encourage healthy habits even when they are away from their children most of the day.

There are two things parents should think about, one is that you want them to develop healthy eating habits that last a lifetime. The other is that you want them to avoid the couch potato syndrome.

Whether your children take lunches from home or eat the school lunch, parents need to let their children know that eating right is important.

You can pack all the right foods in their lunch, but they may not eat what you send. The biggest message they get from you is how you eat and what is served at home. If you tell them to eat fresh fruit while you load up on chips, the message is lost.

Make healthy food readily available at home for after-school snacks. Instead of storing cookies and soda, keep fresh vegetables, whole-grain crackers, fruit juices, cereal and yogurt on hand.

When parents forbid certain foods, it usually backfires.

If you don't allow cookies, your kids will want cookies. And they'll find some way to get cookies.

In addition to encouraging healthy eating, parents can take steps to increase their children's physical activity both during and after school.

Check with the school

about the amount of vigorous activity offered during the week. Parents can talk to the principal about including more exercise in the school day.

Parents also can look for organized activities after school, like basketball, dance classes, soccer or gymnastics programs. If none exist, you could get together with other interested parents to set up something in your neighborhood.

Even if no organized activities are available, parents can encourage biking, roller skating, basketball or tossing a frisbee after school. Household jobs could include sweeping the sidewalk, mowing the lawn or walking the dog.

KHS Boys Third, Girls Sixth at Conference Meet

Last Friday, October 15, the Kewaskum Boys Cross Country team placed 3rd and the Girls team placed 6th at the Eastern Wisconsin Cross Country Conference Meet at the UW Sheboygan County Campus.

Leading the Boys team for Kewaskum was Senior Randy Thull who placed 7th in 17:29 and earned 1st Team All-Conference honors. "Randy has really improved this year and had been focusing on running well at the Conference Meet - and he did," commented KHS Coach Dave Drexler. Juniors Jason Czaja and David Gosa finished 9th and 12th respectively in 17:43 and 18:08 to earn 2nd Team All-Conference honors. "Jason has been a fine addition to the team and David seems to have started to recover from last week, when he collapsed and didn't finish the race at Campbellsport," reported Coach Drexler. Junior Jake Thull and Sophomore Damion Doherty ran well to finish in 23rd and 28th respectively as Kewaskum's 4th and 5th runners in the team score. Freshman Jesson Benzing finished 48th in 21:28.

New Holstein's Jason Mayer took 1st place in 16:45 which helped his team win the Eastern Wisconsin Conference Championship with 50 points. Chilton was a close second with 53 points, followed by Kewaskum with 79 points. The rest of the team scores were Kiel 98, Sheboygan Falls 119, Two Rivers 119 and Plymouth 134.

Leading the girls team for Kewaskum was junior Chrissy Neumann, who placed 12th in 17:11 and earned 2nd Team All-Conference honors. "Chrissy's goal was to place in the top fourteen overall and she ran well and accomplished her goal," said Coach Drexler. Senior Rachael Chambers placed 21st in 17:58. "Rachael ran a real good race", commented Drexler. Freshman Marnie Lynn was 30th in 18:29, Juniors Greta Kuphal and Suzi Gauvin were 39th and 41st respectively in 19:07 and 19:44. Kewaskum was without Junior Lynn Thull, who did not run because of injury. Other runners for Kewaskum were Freshman Missy Thull 43rd in 19:45 and Sophomore Katrina Gilles 47th in 21:46.

Two Rivers' Amy Erickson took 1st place in 15:25 which helped Two Rivers to the Conference title with 51 points. Kiel was second with 65 points and Plymouth was 3rd in 77 points. The other team scores were Chilton 77, New Holstein 86, Kewaskum 143 and Sheboygan Falls 160.

Both the Kewaskum Boys and Girls Cross Country teams run in the Sectional Cross Country meet at Laconia High School in Rosendale on Saturday, October 23rd. The girls run at 10:30 a.m. and the boys run at 11:00 a.m. The top

two teams and the top six individuals advance to the State Meet at Wisconsin Rapids on October 30th.

Finish Season With 6-3 Record KHS Comes Up Just Short in Title Game

By Noel Stollenwerk

SHEBOYGAN FALLS - Coming into the Eastern Wisconsin Conference championship game here, last Thursday night, Kewaskum and Sheboygan Falls' football teams were mirror images of each other - nearly equal in every EW statistical category.

But after the game there was one big difference. Sheboygan Falls was headed for the WIAA Playoffs, while the Indians just headed home.

The slimmest of margins, an extra point, was all that separated the two schools in the Falcons' 7-6 victory. With the win, Falls improved to 9-0, 6-0 in the EW, while the Indians finished at 6-3, and 4-2.

"It's very disappointing," KHS coach Clark Pearson said of the heartbreaking loss. "That was for all the marbles, and we came up just short."

A Kewaskum win would have given the Indians their first EW title, and playoff berth, since 1983. And the visitors were fired up for the battle, as they dominated Falls in the opening half.

Fullback Mark Strobel plowed his way through the middle of the Falcon defense for several big gains in the early going. He was the beneficiary of some large blocks from 300-pound Andy Mathias, who was lined up in the backfield in the Indians' power-I formation.

"He really opened some big holes," Pearson said, no pun intended. "We were able to run the ball pretty well against them."

The running attack got the Indians into scoring position late in the opening quarter. But the drive stalled inside the Falcon 10-yard line, and KHS was faced with a fourth-and-goal from the eight. That's when Pearson called on some trickery.

"We had been running the halfback option to the right side all year, so we tried to fool them a bit and go to the left with it," he said.

The play worked to perfection, as Beau Coulter's pass to Brad Jackson was right on target, giving the Indians the 6-0 lead. Pearson called for a two-point try, but Coulter was stuffed in the backfield for a loss.

"I was concerned when we missed that conversion," said Pearson, who said he never considered going for the kick. "I figured we'd need another score to win the game anyway."

That thinking proved prophetic as the game moved on, as Falls' defense tightened. The 6-0 advantage stood until halftime, and with the Indians getting the ball to start the second half, Pearson and the coaching staff tried to catch Falls off-guard once again.

This time it didn't work, as QB Dan Survis long pass to Coulter was picked off on the opening play of the third quarter. Shannon Carpenter returned the ball into KHS territory, and the hosts had turned the momen-

tum in their favor.

"Our thought was that we could go deep on them," Pearson said of the play. "We figured they wouldn't be expecting us to throw long. Coulter had a few steps on his man, but the throw was just a little short."

But now it was time for the Indian defense to stiffen, which they did. Falls drove inside the KHS five, but were stopped short of the goal line on three straight plays.

"The whole right side of the defense did a fantastic job," Pearson said, citing Mathias, Strobel, Tim Strigenz and Jay Enright.

But after the Indians were unable to pick up a first down and had to punt, Falls' used the good field position to finally get on the board.

Falcon QB Matt Wieseckel found Rich Klemme in the corner of the end zone on a third-and-goal from the 10, tying the score. Carpenter added the point after, giving Falls its first lead.

The Indians had several opportunities to move into scoring range, but penalties wiped out their best chances.

Coulter picked off a Wieseckel pass late in the third quarter, and returned it deep into Falcon territory. But a clipping penalty on the return wiped out the big gain, and KHS was unable to move the ball.

Kewaskum had one last chance late in the fourth, after Enright stuffed a third-and-short reverse by Falls, forcing them to punt.

The Indians picked up a

couple of first downs, and after Survis scrambled for 16 yards on another third down play, the Indians were in business inside the Falcon 30 with just over a minute to play.

Two plays later, Coulter made a fine catch on a short screen pass, and bullied his way to the 19 for an apparent first down. But a clipping penalty again wiped out the effort, and one play later, Survis was intercepted inside the 20.

"Both of those were pretty close calls," Pearson said of the penalties. "But they are an excellent team, undefeated, and we shut them down. I thought we played just super."

Even after the interception, the game wasn't completely over. A clipping penalty on the Falcons gave them the ball inside their own five-yard-line with about 30 seconds to play. Wieseckel went to a knee inside the two-yard line, and KHS called timeout. Up by a single point, a safety would have lost it for the Falcons. But Wieseckel was more cautious on the next play, and Falls was the EW champ.

Coulter finished the game with 62 yards rushing, while Strobel ended with 56. As a team, KHS rushed for 168 yards, after Falls entered the game giving up just over 50 per game.

"I was real proud of the way the kids played," Pearson said. "We had a real fine season... weren't all that far away from an excellent season."

KHS Wins EW Flip; Loses In WIAA Draw

By Noel Stollenwerk

STEVENS POINT - Despite Kewaskum's 7-6 loss to Sheboygan Falls in last Thursday's Eastern Wisconsin Conference championship game, the Indians still had won the right to represent the EW as its second place team in the WIAA playoffs.

In a draw that took place before games last week, the Indians win a flip between them and New Holstein. The draw was contingent on a three-way tie for second place, between the Indians, Huskies and Plymouth.

New Holstein did it's part by beating Chilton, 14-12, thus giving the second-place nod to Kewaskum.

But the WIAA, in a complicated procedure to determine its playoff entries, eliminated the EW's second-place team from the qualifying list.

According to WIAA procedures, a total of 96 teams qualify for the playoffs. In the order of qualifying, conference champions are in first, followed by runners-up. But because the Indians were two games behind their conference champion, and also in a three-way tie for second, other teams qualified ahead

of them.

By the time the Indians' number had come up, there were already more than 96 schools qualified. Thus, KHS (technically, the EW's second-place entry), was eliminated from consideration.

"It's very disappointing," KHS coach Clark Pearson said of the snubbing. "We still had a chance even after we lost on Thursday. But because of criteria, the WIAA eliminated 10 conferences (from consideration). We (EW) were one of them."

"Still, we had a real good season," Pearson went on. "We lost three games by six, six and one point. We weren't all that far away from an excellent season. I just hope we can continue to improve like we have the past couple of years."

Sheboygan Falls will be the lone EW representative in the playoffs, hosting New Berlin West in their first game.

Other teams of note that made the playoffs include Campbellsport (6-3), whom Kewaskum beat 6-0 early in the year, which faces Sturgeon Bay (9-0); and Mayville (9-0), which will play Valders (7-2) at Plymouth.

KEWASKUM* 6 0 0 0 - 6

KHS Spikers Fall In Regional

By Noel Stollenwerk

WAUPUN -- Having to face two of the top Division two teams in the state in a WIAA Regional here last Saturday, the Kewaskum girls volleyball team wasn't able to pull off the upset.

In fact, the Indians went 0-3 in their matches in the Waupun, the top rated team in the state, won the Regional, going 3-0, while Sheboygan Falls was second (-2-1), Campbellsport third (1-2), and the Indians fourth. Sheboygan Falls, which beat the Indians twice during the regular season, was rated third in the final Coaches' Association poll.

Details of the matches weren't available, and a full story will appear in next week's Statesman.

SHEEPSHEAD WINNERS

5 handed winners on Wednesday, Oct. 20th were: Jerry Geiger, 77-7--70, 21-4--17; Jerry Darmody, 62-6--56, 20-4--16; Ella Smith, 56-4--52, 14-3--11; Carol Tresch, 60-10--50, 18-7--1; Bob Kuells, 71-23--48, 19-12--7.

The next 5 handed will be Thursday, Oct. 28th and Wednesday, Nov. 3rd at 8:00 p.m. sharp. Cash prizes. Schmitt's Never Inn.

Attention All Deer Hunters

Sportsmen Against Hunger was started in the fall of 1989 by a group of Safari Club International officers. Its mission statement is to feed the hungry people of the United States and to create a better understanding of the hunter's role in conservation.

Sportsmen Against Hunger has been patterned after similar programs in Texas, Ohio, Colorado, Virginia, Kentucky, Indiana, Pennsylvania and Tennessee and many others. These programs are able to provide a good source of quality food for the hungry of those states. We have the same hope for the hungry of Wisconsin.

Groups and organizations that have assisted in the development of this program in Wisconsin are:

The Wisconsin Department of Natural Resources;

Safari Club International/Wisconsin Chapter;

The Wisconsin Bowhunters Association;

The Wisconsin Buck & Bear Club; and the The Salvation Army.

Sportsmen Against Hunger provides the deer hunters of Wisconsin a great opportunity to help themselves, their sport, and the needy of our state. Your participation can accomplish three major goals:

1. Help to better utilize our natural assets and resources;
2. Do something substantial to ease the burden of the hungry in Wisconsin;
3. To show that Wisconsin hunters care about their communities.

Take your legally tagged deer to the participating meat processor in our area - Kewaskum Frozen Foods, 118 Forest Ave., Kewaskum. 626-2181.

When you pick up your processed deer, donate a portion of the meat to the program, the processor will store this meat until it is picked up for distribution to The Salvation Army or other food pantries.

Encourage your fellow hunters and local meat processors to participate.

Please we need processors to make this program work. Write: Sportsmen Against Hunger 208 Wilmont Drive, Waukesha, WI 53186.

KHS Boys Fifth, Girls Seventh At Sectional Cross Country Meet Randy Thull Qualifies for State

Randy Thull

The Kewaskum High School boys cross country team placed fifth and the girls team placed seventh out of 18 teams at the Sectional Cross Country Meet at Laconia High School in Rosendale on Saturday, October 23.

Leading the boys team for Kewaskum, was senior Randy Thull, who placed fifth overall in 17:41. The top six individual finishers and the top two teams overall, advance to the State competition next Saturday at Wisconsin Rapids.

"Randy ran a great race. He fell in with the leaders and stayed with them. I'm very happy for him," remarked KHS coach Dave Drexler.

Juniors Jason Czaja placed 10th in 18:11, David Gosa placed 28th in 18:51, and Jake Thull placed 37th in 19:08. Sophomore Damien Doherty placed 50th in 19:31 as Kewaskum's fifth runner for the team score.

"I was hoping to get a couple more individuals to qualify for state or even the team," commented Dave Drexler. "Jason has run very well the last few

weeks of the season, and David Gosa has not returned to his prior level," added Drexler. "Jason, David and Jake ran the best they could on Saturday."

Freshmen Jesson Benzing and David Mertz placed 76th and 112th in 20:19 and 24:05 respectively.

The Mayville boys' team took first place with 76 points and the New Holstein boys took second place with 80 points. The Kewaskum boys team finished in fifth place with 130 points.

Leading the Kewaskum girls team was freshman Marnie Lynn in 21st place with a time of 18:04. "Marnie had set a goal to finish 20th at the Sectional at the beginning of the season. She did a super job running on Saturday," said Coach Drexler.

Placing second for Kewaskum was Senior Rachael Chambers in 28th place in 18:24. "Rachel really came on strong at the end of the season. She did a good job."

Juniors Chrissy Neumann was 46th in 19:10, Greta Kuphal was 55th in 19:31, and Suzi Gauvin was 89th in 20:59. Other

runners for Kewaskum were freshmen Missy Thull, 90th in 21:04 and Katrina Gilles, 104th in 22:13.

The Mayville girls team took first place with 28 points and the Kiel girls team took second place with 80 points. Both teams advance to the State Meet.

The State Meet will be held in Wisconsin Rapids on Saturday, October 30. The meet starts at 10:30 a.m. and the Boys Division Two race with Kewaskum's Randy Thull starts at 12:15. GOOD LUCK AT STATE, RANDY!

JV's Lone FB Winner

By Noel Stollenwerk

KEWASKUM -- The Kewaskum junior varsity football team kept its perfect record in tact last week, and thus was the only Indian team to secure a win over Sheboygan Falls this season.

The JV's played "probably our best game of the year," according to coach David Rockhill, in their 34-6 victory over the Falcons.

The Indians led 28-6 at the half, said Rockhill. Joe Rettler scored on a touch down pass from Brian Butschlick, while Tim Gundrum and Aaron Kurth added scoring runs, and Travis Barth returned an interception five yards from other KHS score.

"Their (Falls) only touch down came on a kickoff return," said Rockhill, who noted that the Indian varsity will be getting some quality players from this squad next season. "It was a real good group of kids. They should help out (on varsity) next year."

The Indian JV's finished the year with an 8-0 record, and now have a two-year mark of 13-0-1. The team's lone non-win came against Plymouth last season.

The Indian freshman, meanwhile, also finished with a winning record, although they dropped their final contest, 16-2, against the Falcons.

"It was a very close game," frosh coach Jim Westphal said of the battle. "We had our

chances. But we just couldn't get the ball into the end zone."

After Falls scored on its opening possession to make it 8-0, The Indians appeared to score a touchdown midway through the third quarter. The Falcons botched a punt, when the snap sailed over the punter's head and into the end zone.

Kewaskum's Dean Roell recovered the ball, but the officials said that he was out of bounds, thus giving KHS two points for a safety.

"It probably should have been a touchdown," Westphal said, noting that his players said that Roell was clearly in bounds. "Roell played a very good game, though, on both sides of the ball."

The Indians had a chance to forge ahead later in the third, driving inside the Falcon five-yard line. But a pair of holding penalties stalled the drive.

"Penalties really hurt us," Westphal pointed out. "They just out played us, I guess. Offensively, it was our poorest game of the year."

Falls put together a "really nice drive" late in the fourth quarter to seal the win.

KHS finished the season with a 4-3 record.
