FIREWORKS... July 3 or Not?

Village residents will have the opportunity to voice their opinion (see ballot below) on whether or not the traditional holiday fireworks will be held in Riverhill Park on July 3 or not.

Some members of the Kewaskum Fire Department were at Monday evening's Village Board meeting to make a request through Kewaskum Fire Chief Mark Groeschel to change the annual fireworks night from July 3rd to the opening night of the Kewaskum Firemens' picnic being held this year on Friday, July 8.

Groeschel stated the reasons for requesting the change were because, "Number one, we're starting to run into a big hassle with Campbellsport because it's

Ice Skating Rink Opens

According to Director of Public Works Jerry Gilles, barring any unforseen circumstances, the new ice skating rink will be open and ready for skaters by the end of this week.

their picnic on the 3rd and 4th of July, and the second part is we're setting up for the 3rd of July and then having to tear everything back down again and then set up again the following week for our picnic and it's getting to turn into alot of work."

Groeschel also said the members of the fire department thought it would be a "good way to kick off our picnic."

Before the Board makes a decision on January 24, board members would like to know the feeling of the taxpayers, who fund the annual fireworks, on this matter. Do not change the date of the annual fireworks.

It's a good idea to change the fireworks to the opening night of the picnic.

President Robert Wagner said he wondered if "the village would have any kind of recognition for Independence Day." Wagner then asked board members how they felt on the issue.

Trustee McElhatton stated, "I was under the impression that it (the fireworks) was bought for the celebration of the 4th of July... I would say we have to go back and get some comments from the community... it's the firemen who put all the labor and effort into doing it (the fireworks) but it's actually a community function."

A time factor was brought up with the fire department stating they had to have an answer very soon because of booking the entertainment. They have to know what type of band to book on which night.

Discussion followed on how to get the input of the community on this issue as soon as possi-

The Kewaskum Statesman offered to run a ballot (below) free of charge so that residents could "vote" on whether or not they wanted the date of the annual fireworks to change. Ballots must be mailed back to the Village Board in time for them to make a decision at their next meeting July 24th, based on the resident's input.

The wording on the ballot was then discussed with one firemen stating the wording should include, "No Carry-Ins" (the night of the fireworks). President Wagner stated, "there seems to be a big problem, but how would you regulate it?"

The question was brought up on how you can do that in a public park. Trustee McElhatton said you could post, "No Carry-Ins." Groeschel said, "I don't think it's a public park when it's rented out." McElhatton replied, "It's still a public park."

Trustee Goeden wondered how you could police 5,000 to 7,000 people. Police Chief Richard Knoebel commented, "You can put these regulations in, but you have to be able to enforce them."

McElhatton further reiterated, "All I know is this kind of catches us a little short on time to respond to this because let's just say we say, go ahead and move it, but it's not really fair to everyone else out there.'

So the ball now stands in the residents' court as the decision will be based on their input on whether the July 3rd fireworks will be held on July 3rd or on the opening night of the Kewaskum Firemen's picnic.

Village board members are hoping village residents will respond by filling out the coupon and mailing it back to the Village or dropping it off at the Municipal Building before the close of business on January 21. Now is your chance to 'speak your onions."

Other business brought before the board included reports by department heads including Chief of Police Richard Knoebel, Director of Public Works Jerry Gilles and **Receive Diplomas**

NEWS NOTES

ADOPT A HYDRANT

For the coming snow season of 93-94

Help your community in reference to emergency government and protection by adopting one of the Village of Kewaskum's 130 plus hydrants for the coming snow season. The hydrants are for everyones protection and an important part of the communities fire protection plan. Several communities already rely on the citizenry to shovel out the hydrants. This proves to be a cost savings for everyone and improves the snow removal process. Industries and businesses are encouraged to adopt their adjacent hydrants also.

Help your community by helping yourselves!

Memories - 1953 -Wisconsin's Rose Bowl Float

Editor's Note -- The sketched Wisconsin Rose Bowl float was taken from the Kewaskum Statesman in 1953 and submitted by Tiny Terlinden. The following information was reprinted from that issue.

Wisconsin's colorful float for the New Year's Day Parade of Roses in Pasadena is now being constructed in California, it has been announced by Don Wilkinson, Wisconsin Department of Agriculture, and J. H. H. Alexander Wisconsin Conservation Department, co-sponsors of the official float.

The float (sketched above) will be 40 feet long and 15 feet wide, and will dramatize the outstanding features of the state as a dairyland and a vacationland. In keeping with parade tradition, flowers will be utilized to carry out the color scheme.

The theme of the float will be "On Wisconsin," to conform to the Melodies in Flowers" theme of the parade. Riding on the float will be Alice in Dairyland, Beverly Ann Steffen; an "Indian princess," and two pretty "fishermen," symbolizing Wisconsin as a vacationland.

County Awarded Federal Funds for Homeless Needs

The area served by the United Way of Washington County will receive \$12,840 to supplement emergency food and shelter programs in 1994.

The funds are distributed by a National Board that is chaired by the Federal Emergency Management Agency (FEMA) and consists of representatives from The Salvation Army, American Red Cross, Council of Jewish Federations, Catholic Charities USA, National Council of Churches of Christ in the USA and United Way of America, which provides administrative staff and functions as fiscal agent. The National Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

Coordinated by the local United way for the past five years, this program has provided funding to meet the needs of homeless or those about to be evicted here in Washington County. Many local agencies have received funding in the past, including the two Red Cross Chapters, The Salvation Army, Friends of Abused Families, Council on AODA and St. Vincent DePaul Society.

The local FEMA Board is chaired by United Way Executive Director Barbara Hurula. Others on the local FEMA Board represent area nonprofit agencies, churches and those interested in serving the needs of the homeless. The Board will meet in January to determine how the funds will be distributed locally for 1994.

Under the terms of the grant from the National Board, local government or private voluntary organizations chosen to receive funds must: 1) be nonprofit, 2) have an accounting system and conduct an annual audit, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private, voluntary organization, they must have a volunteer board.

"This year's appropriation from the federal program represents a 12 percent decrease compared to the \$14,702 received in 1993," Hurula said. "Unfortunately, we are seeing increased homelessness in our County, and find that there are never enough funds to serve all who are in need of them," she

The Local FEMA Board and the Washington County Homeless Coalition became more active in 1993 by better defining the County's homeless population and starting to educate the public on the needs and solutions to this growing problem. Because of the enormity of these tasks, the two groups are now separate, but will continue to collaborate where possible. The local FEMA Board will distribute and monitor use of the federal funds, while the Washington County Homeless Coalition will focus on homeless concerns in the long-term, including case management and housing options.

Thank You Washington County For United Way Success

"Thank you! Thank you! Thank you!" So said 1993 United Way Campaign Chairman Andrew Gumm, as he announced the success of the 1993 United Way Campaign.

The final total for the campaign is \$840,001 in pledges and gifts received. This amount, just \$1 over the Goal, represents a 4 percent increase over the 1992 campaign. "We said we'd take every dollar," said Gumm, "and I believe this demonstrates that every dollar given DOES

count, and enables United Way to fund the programs provided by 26 health and human service nonprofits serving the community. The residents of Washington County are the real winners in this campaign," he said.

"Our donors and volunteers just kept at it until we reached our goal. I am so very proud of everyone who supported our efforts this year -- and pleased that our campaign theme of WASHINGTON COUNTY CARES' continues to ring true. Thank you!"

Golden Anniversary Noted by Club

The following article appeared in a 1964 edition of the Kewaskum Statesman, and commemorates the 50th Anniversary of the founding of the Kewaskum Woman's Club. We thought it would be appropriate to run it again this month, as they will be celebrating their 80th anniversary. The article was submitted by Phyllis Bade, past president of the club.

Past presidents of the Kewaskum Woman's club, wearing attire that was in vogue when each was president, are shown above. Left to right are Mrs. N. W. Rosenheimer, Mrs. C. M. Rose, Mrs. Edith Landmann, Mrs. Charles Miller, Mrs. Clyde Smith, Mrs. Walter Bade, Mrs. Marvin Martin, Mrs. Paul Albrecht, present president, wearing garb from the era of the early 1900's.

Miller Studio photo

The Kewaskum Woman's club has always reserved a date during the month of January to commemorate the club's founding anniversary. This year's event took on an added significance in that it marked the 50th anniversary. The scene of the Founder's Day dinner on Saturday evening, Jan. 26 was the Labor Center on Fond du Lac Ave. in Kewaskum. The building was the same in which the first anniversary was observed in January, 1914.

The club had its beginning on Jan. 14, 1913 when the late Mrs. D. M. Rosenheimer invited a group of ladies to her home for the purpose of organizing a Woman's club. The first regular meeting followed two weeks later at the home of Mrs. A. L. Rosenheimer. Officers elected at this meeting were: President, Mrs. D. M. Rosenheimer; vicepresident, Mrs. A. L. Rosenheimer; secretary, Miss Edna Schmidt; treasurer, Miss Emma Staats. At the end of that first year the club boasted a membership of the following in addition the to the above named officers: Mmes. F. E. Colvin, Frank Gottsleben, Karl Hausmann, N. E. Hausmann, O. E. Lay, E. L. Morgenroth, E. M. Romaine, L. P. Rosenheimer, N. W. Rosenheimer, J. F. Schaefer, Jos. Schmidt, W. F. Schultz, August Schnurr, Mrs. Simon and the Misses Florence McRae, Adela Gottsleben, Lillie Schlosser.

Following the anniversary dinner served to 69 persons, Mrs. Orval Behnke, toast-mistress, welcomed the guests, and Mrs. Paul Albrecht gave the

president's message. Mrs. Frank Krueger Jr., read the club's history, and Dr. R. G. Edwards gave the response.

The banquet committee members were Mrs. Marvin Martin, Mrs. Frank Krueger Jr. and Mrs. Paul Albrecht. Mrs. Henry Rosenheimer served as musical director.

Talent and humor were combined to round out the evening's program, and three women were honored for 50 year membership in the club. They are Mrs. O. E. Lay, Mrs. N. W. Rosenehimer and Mrs. Wm. F. Schultz, the latter now an honorary member.

Mrs. Clinton Erhart of Brownsville represented the 6th district of Federated Women's clubs at the anniversary dinner and presented the club with a citation.

Among the club's accomplishments throughout the years are - the establishment of a village library, the contribution by the club toward a fund for the new high school, the club's help in contributing to funds for needed school equipment, landscaping, musical instruments and band uniforms. In 1957 when the new Kewaskum Community high school was erected the club presented \$400 to the science department and \$100 to the school library. The family of the late Mrs. D. M. Rosenheimer donated her piano to the high school in the name of the club.

The club also sponsors the Girl Scouts and Brownies in Kewaskum, library contributions are made annually, as well as a contribution to the AFS

project in the village. Members participate in the Mother's March on Polio, the blood bank, the mobile x-ray program, children's immunization programs, etc. The club also sponsors the Helen Mears art contest and each year sends a delegate to the state youth conference. The village beautification program is also participated in.

Since 1954 an annual scholarship of \$100 is offered to a Kewaskum high school graduate aspiring toward a teaching profession.

President club officers are: President, Mrs. Paul Albrecht; vice-president, Mrs. Robert Kroncke and Mrs. R. L. Edwards; secretary, Mrs.Frank Krueger Jr.; treasurer, Mrs.W. D. Tessar. Three members have been appointed to chairmanships on the district level for 1962-64. They are Mrs. N. W. Held, press book; Mrs.Marvin Martin, civil defense, and Mrs. Charles Miller, legislative and 2nd vice-president.

The club meets in the Municipal building in the village.

KEWASKUM -- It was a clean sweep for the Mayville girls basketball teams in the Christmas Cage Classic played her over the holiday break.

The Lady Cardinals won all three levels of the tournament, with the varsity downing Kewaskum 45-35 in the championship contest.

Mayville also bested the Indians in the JV final, 34-21, while the Cardinal freshman beat Random Lake to win the third title, 22-16.

Kewaskum coach Glenn Eichstedt was happy with the way his team played in the tournament, as they opened with a 51-47 win over Hustisford in the semifinal game.

That battle was a back-andforth affair, according to Eichstedt, who said that both teams made several big runs during the game. The difference was in the fourth quarter, when the Lady Indians made seven of nine free throws down the stretch to secure the win.

Ginger Wiesner led all scorers with 17 points, including a pair of late free throws that sealed the victory. Tricia Butschlick added nine points in a solid effort, while Missy Radtke chipped in 13 rebounds.

Mayville advanced to the championship contest with their 48-25 victory over Slinger, which failed to score in double digits in any one quarter. The Cardinals had a balanced offensive attack, with no single player reaching double figures.

In the title contest, the Cardinals shut down Kewaskum's Wiesner, holding the Indians' top scorer to just two points. Mayville also shot well from the line down the stretch, hitting six of nine free throws in the final quarter, after making just four of 12 charity tosses the first three quarters.

Heidi Bartelt led the Cardinals with 15 points, while Kelly Sharf added 11. Mary Yahr paced the Indians with 13 points.

Free throw shooting also hurt the Indians, who made just six of their 19 tries from the line.

The win helped Mayville improve to 10-1 on the year, while Kewaskum fell to 4-6.

JV, Frosh Girls Split

By Noel Stollenwerk

KEWASKUM -- Two out of three wasn't bad for the Kewaskum girls basketball teams here, last Friday night.

While the KHS varsity ended the night with a win, the Indian JV and freshman squads split in their battles with the Falcons.

The JV's lost in overtime, 32-31, after leading virtually the entire game, according to coach Keith Amundson. "We fouled too much," he noted, reporting that three of his players exited with five personals.

Tiffany Laubach led the way with 14 points, while Michelle Thull added eight. The loss dropped the JV's to 4-7 on the year.

The freshman, meanwhile, trailed for most of their contest with the Falcons, but were able to come away with a 40-34 victory. The fourth-quarter comeback was due to an "overall team effort," according to frosh coach Ken Soerens.

Becky Heisdorf (14 points) and Susie Vrana (12) paced the way for the freshman, who improved to 3-6 on the year.

Farm Computer Expo at UWWC

By Jack Trzebiatowski

A Farm Computer Expo is scheduled for Tuesday, January 18th, 1994. The event will be held at the University of Wisconsin Washington County Campus in West Bend starting with registration at 10:00 a.m.

Many farm families presently own computers or are planning to purchase one in the near future. Computers are being used to keep financial records, production records, balance rations, make marketing decisions, word processing and many other uses.

The selection of hardware to buy is usually the easier part of making decisions about using a computer. Purchasing software designed for agricultural use can be more difficult.

There have been many changes in the types of hardware and software available for business and personal use. New advances such as CD ROM, bulletin boards, and data bases expand the information avail-

This Farm Computer Expo provides an opportunity to visit with vendors of agricultural software and an opportunity to have hands on experience with computers in the computer lab.

The morning session, starting at 10:30 a.m. will discuss "Evaluating, Selecting, and purchasing Computer Hardware and Software" with an emphasis on some of the new technolo-

During the afternoon participants can visit with software vendors and or attend one of two sessions held in the computer lab. This will provide an opportunity to see what types of software is available for farm

The two sessions are "Introduction to Computers", and "Using Spreadsheets in Your Farm Business". These are limited to the first 25 people that register.

Individuals interested in attending the Farm Computer Expo need to register in advance with the Washington County U.W. Extension Office by January 14th. Registration is \$5.00 per person, which includes the noon lunch.

4-H CLUB NEWS

FARMINGTON 4-H CLUB

As we start the new 4-H year, we recognize our new officers: President, Sarah Lettow; Vice President, Heather Clements; Secretary, Brendan Weinhold; Treasurer, Shari McWilliams; and Reporter, Rayelle Miller.

In addition, we formed the recreation, the enrollment, and the publicity committees. We also figured out the calendar of demonstrations for the year.

Our December 9th meeting was held at the Farmington' Town Hall. We welcomed many new members, gave out project literature, and also made a plan to go caroling.

At the end of the meeting we snacked on some cookies brought by all the families enrolled in our club, we made beautiful Christmas cards to give to the Samaritan home, and we got some literature about health, the fourth H.

Our next meeting will be at 6:30 p.m. on Thursday, January 13, at the Farmington Town Hall, when members of the cat, rabbit and photo projects will be giving demonstrations.

Postmaster Bonnie has tabulated the votes for the First **Eternal Tree Decorating Contest** and is happy to report the results.

"First of all, I would like to thank each and every child that 'put on their thinking caps' and came up with such neat ornaments. At first, I was a bit leary how it would go but soon enough and with a lot of encouragement from an entrant named "Kris," we got it going," says Bonnie.

According to Postmaster Bonnie, there were 27 entries on the tree and "I am sure that the customers that visited the post office have to agree, it was a tough choice in deciding the winners." Bonnie also stated, "To me, they are all winners and I am happy that I did not have to choose. I would like to thank each and every child that participated. You helped us make the visits to our post office just a little cheerier and eventful.... we could not have done it without you! Secondly, I would like to thank all of the customers who took the time to 'check out the tree' and cast their vote."

The winners are: First Place -Tie between Danielle Dreher and Aaron Breit; Second Place -Tie between Brent Strassburg and Michelle Backhaus; Third Place - Tie between Kris Marchetti and Jenny Harter; Fourth Place - Aaron Breit; Fifth Place - Michelle Backhaus tied herself. (Two ornaments).

Postmaster Bonnie reminds the kids that 1993 is now over and "we are gearing up for '94."

Aaron Breit proudly displays one of his prizes.

Bonnie states that this will be an annual contest and urges future look at all those neat stamps. You could be a winner next year!

Postmaster Bonnie hopes to see the little eternal tree "packed" next year. She states, "There is so much creativity out there. I know that each and every one of you can do it!"

Honorable mentions were

also made to Candace Heberer, Chad Maske, Brian Backhaus, entrants to keep thinking and to Rainey Callaway, Crystal Heberer, Becky Kober and Nick Marchant.

> Bonnie would like to congratulate all the winners and says, "That a way, Kewaskum! Great talent from the 'young folk' of the community. They are our future and we can all be very proud of them!"

Holy Trinity Shares Christmas Spirit

Holy Trinity first graders perform their Christmas pageant at St. Joseph's Convent.

Fourth graders make pinwheels with residents of Mapledale Manor.

The weather outside may have been frightful but inside the entertainment was delightful as students from Holy Trinity Catholic School brought the spirit of Christmas into the hearts of many area residents. The students traveled to West Bend, Campbellsport and throughout Kewaskum bearing gifts of music, artistic talents, Christmas pageantry, warming smiles and hugs.

The first and second grade classes, under the direction of teachers Chris DeGuirie and Betsy Schill, made their annual visit to St. Joseph's Convent in Campbellsport. The convent is home now to many retired nuns, many of whom were elementary teachers themselves. The children sang songs of Christmas joy as their audience patiently listened to each precious song no doubt remembering days gone by. In addition to singing, the children reenacted the Nativity scene complete with baby Jesus, Mary, Joseph, angels, stars, shepherds, wise men and animals. In a heartwarming exchange of hugs between the nuns and children one wishes Christmas would come more often. The children departed after receiving a special blessing from the nuns.

Patricia Goham and Susan Heimark guided their third and fourth grade students to Mapledale Manor in Kewaskum where together the children and residents constructed pinwheel wreaths to decorated the resident's rooms. The children and adults worked diligently as they cut and pasted each forest green pinwheel in a circle until the wreath was complete. The children sang several Christmas songs to brighten the residents holiday season and enjoyed a glass of juice before returning to school.

The Holy Trinity select Choir under the direction of their music teacher, Terry Christie, visited Trinity Lutheran Church in West Bend where they entertained the adult day care members with many cheerful Christmas melodies.

The Select Choir also provided entertainment at the Holy Trinity Parish Christmas Pot Luck dinner.

These students and their teachers certainly did their utmost to spread and bring the Christmas spirit to all they met on their outings. It was a wonderful sharing experience for everyone.

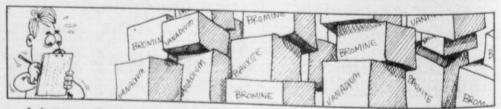

The second grade class sings to the nuns at St. Joseph's Convent.

Holy Trinity's select choir performs for Trinity Lutheran.

Young and old combine to make Christmas holiday wreaths at Mapledale Manor.

THE DECIDENTS OF \$0.6 million

THURSDAY, JAN. 13, 1994

TO THE RESIDENTS OF THE KEWASKUM SCHOOL DISTRICT:

I have been asked on several occasions as to how this building referendum came about. In April of 1992, a Sub-Committee of the Finance-Transportation-Buildings and Grounds Committee (FTBG) was formed with full board approval. The Sub-Committee was made up of fifteen citizens from throughout the district and one board member who acted in conjunction with the committee and as a liaison with the board as to the progress of the Sub-Committee. These citizens were asked to look into the athletic facilitis and to also look at the Kewaskum Middle School and the High School and to address any and all needs of those buildings. They were then to make a recommendation to FTBG and the Kewaskum Board of Education.

All the meetings that were held were open to the public at all times. At many of the meetings various administrative personnel were in attendance to answer questions and to supply any data that the committee would need. Some of the data included historical, fiscal, current enrollments, projected enrollments, current building usage and much more. None of the administrators were acutal members of this committee.

After the committee toured the facilities they began to develop a needs assessment. They interviewed a number of architectural firms and hired one firm to come up with basic plans, concepts, and drawings based on those needs. After seeing the plans and associated costs of

\$9.6 million, the committee felt the cost was way too much and left a lot to be desired.

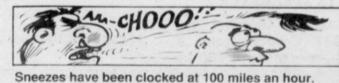

PAGE

The committee went back to the drawing board and interviewed a number of architects and construction firms who would work together to develop and design a new plan based on the needs of the district. The board of education interviewed several firms that the Sub-Committee recommended and one was then selected. This firm talked with teachers, administrators, board members, support staff, students and committee members.

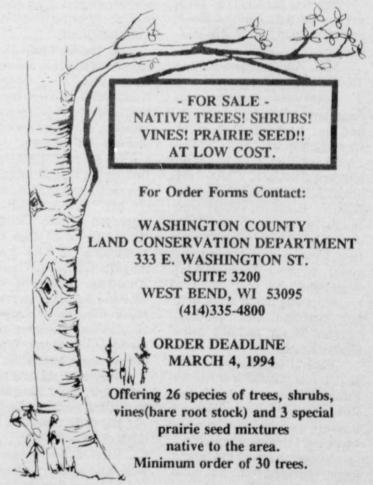

After several months several designs and concepts were developed and the Sub-Committee made its recommendation to the FTBG Committee and then to the full board. Of the three plans that were developed, it was felt that only the plan you will be asked to vote on, On February 15th addressed all the needs both now and in the future. Before making a decision please take the time to take a tour of the schools before February 15th and then go to the polls and vote.

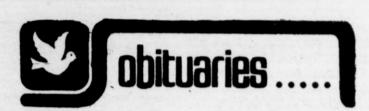

In closing, I would like to take this opportunity on behalf of the Board of Education and the residents of the Kewaskum School District to say "THANK YOU" to all those who for almost two years, served on the Sub-Committee, and for giving up many of their evenings, and spending many, many long hours on this project. Without your help and dedication, this project would never have gotten this far.

Thank you again, Neal D. Weare Kewaskum School Board President

Norbert H. Dettmann, son of Mr. and Mrs. Harvey Dettmann, Town of Farmington has been declared state winner in the 4-H dairy production contest and is now competing for national honors in this contest, according to E.E. Skaliskey, Washington County agricultural agent. Norbert, who is 19 years of age and a graduate of the West Bend High School, has been enrolled in 4-H Club work for the past five years. At present he is a junior leader in the Boltonville 4-H Club, and has charge of dairy, handicrafts, field crops and garden projects. Besides his interest in 4-H club work, Norbert is working and managing a 95 acre farm. Norbert was chosen Washington County winner in the dairy production contest. He has been judged one of several outstanding 4-H club members in Wisconsin who were elected by state leaders for their excellent records in some phase of club work. Norbert gained recognition for his work with his herd of grade and purebred Holstein dairy cattle.

Two selectees from this village were in a Washington County group of 15 registrants accepted for military service at the Milwaukee induction station last Thursday, December 16. Seven of the group were inducted into the navy and eight in the army. Four of the men were volunteers. The local men inducted were accepted for service in the army and will leave January 4th. They are Louis Trapp, son of Mr. and Mrs. John Trapp, and Marlin Schneider, son of Mr. and Mrs. Walter Schneider. Trapp is a war worker at the Kewaskum Aluminum Company and Schneider is employed in his father's store and tavern.

Word is sent by Captain J.L. Fuller, air corps public relations officer, at Paine Field, Everett, Washington, that Pvt. Frederick Buss, son of Mr. and Mrs. Fred Buss, who is sta-

tioned at the air base there, has successfully completed one of the arms qualifications courses of the U.S. Army. Pvt. Buss who is a member of an alert crew at base flight, qualified as a marksman with a .30 caliber rifle. Riflemen, gunners and men armed with pistols are qualified in three ascending grades: Marksman, sharpshooter and expert. Men qualifying with the bayonet are rated as experts only. Those who qualify in any arm are entitled to wear an appropriate silver badge with a bar denoting the arm. Pvt. Buss joined the army air corps in June 18, 1942.

Miss Mildred Meyer, daughter of Mr. and Mrs. Walter Meyer, of Route 3, Campbellsport, and an employee of Pick Industries of West Bend was injured when she literally wrapped her Ford V-8 car around a large tree in front of the John Faber home on North Fond du Lac Avenue in this village early Monday morning. She was driving to work at the time. Miss Meyer escaped with several fractured ribs and other minor injuries, but it is reported she also suffered a punctured lung. She is confined at St. Joseph's Hospital, West Bend, where she was taken after being treated for her injuries in the office of Dr. R. G. Edwards. The accident occurred when the young lady was blinded by the lights of an approaching car and the pavement was slippery as the result of a frost during the night, which caused the car to skid. The direct center of the car on the right side crashed into the tree with a terrific impact, leaving a large, perfectly formed arc in the body of the car where it was wrapped around the tree.

For the benefit of our servicemen in other states and overseas, and other subscribers out of the community, we think it will be of interest and possibly add a little consolation to them to make mention that we did NOT have a white Christmas

here this year either. There's no snow to be seen (yet) and Christmas Day was sunny and bright as well as quite warm.

Cpt. John W. Schaeffer, son of Mr. and Mrs. Anton Schaeffer of Route 1, Kewaskum, who is serving with the U.S. Army in England, has been promoted to Sergeant. Sgt. Schaeffer has been in England the past month, and in service 14 months.

Wayland Tessar, son of Mr. and Mrs. Jack Tessar, who is stationed at the Navy Pier, Chicago, has been promoted from apprentice seaman to seaman second class. Seaman Tessar spent a few hours on Christmas Day at his home here.

A daughter was born to Mr. and Mrs. Herman Vollmer, of Route 2, Kewaskum, at St. Joseph's Hospital, West Bend, on Thursday, December 23.

A big Army bomber plane roaring over the village just above the rooftops shortly before dark, last week Wednesday, announced the arrival home of Capt. Lehman Rosenheimer Jr., director of flying at the Carlsbad Army Air Base, Carlsbad, New Mexico. The thunderous noise of the bomber threw a surprise and scare into the populace and sent children running helter-skelter for shelter. Flying at great speed, the plane was over the village and out of view before anyone could see what was happening. After flying over Main Street, Capt. Rosenheimer circled and again passed over town, nosed the plane up to a higher altitude and headed south. Capt. Rosenheimer was on a trip to Minneapolis on official business with a few other officers from Carlsbad. He spent the weekend with his folks here.

Snow, the first fall in more than a month in this vicinity, blanketed this section Wednesday morning when about 2 1/2 inches fell. Another light snowfall Thursday morn-

ded about a 1/2 inch more Moraine Park Offers

ing added about a 1/2 inch more on the ground. The ground had been bare practically all season up until this time. The snow was needed as the ground was exceptionally dry and farmers were beginning to worry about next year's crops. In the Town of Osceola, it was reported, some farmers wells ran dry and they were forced to haul water from neighbors. The only harm caused by the snow was the resulting slippery highways and it spoiled the kids ice skating, which had been perfect up to this time. Unseasonably warm weather marked the advent of the new year. Driving was made very hazardous by a heavy fog Monday and Tuesday mornings. Following the snow the mercury dropped to from 10 to 12 degrees below zero early Friday morning.

Forty-three registrants of Selective Service Boards Nos. 1 and 2 of Fond du Lac County were accepted for military service following physical examinations at the Milwaukee induction station last week Wednesday. Among those from Board 2 accepted was Linus Jacob Beisbier of St. Kilian, Route 2, Campbellsport. Beisbier was accepted in the navy and left for service this week.

Mr. and Mrs. Ralph Remmel of this village are the parents of a daughter, born at St. Joseph's Hospital, West Bend, on Thursday, December 30. The Remmels have three other children

A daughter was born to Mr. and Mrs. Leo Schladweiler of Route 2, Kewaskum, at St. Joseph's Hospital, West Bend, on Sunday, January 2.

A daughter was also born to Mr. and Mrs. William Marian of St. Kilian at St. Agnes Hospital, Fond du Lac, last Thursday, December 30.

Indians Tie for Second In Loaded FDL Invite

By Noel Stollenwerk

FOND DU LAC - After his team struggled early in the annual Fond du Lac Invitational, Kewaskum wrestling coach John Nell admitted that he thought it might be a long day for him and his charges

"I was kind of depressed at the very beginning," Nell said of his thoughts early on Saturday morning.

But Nell was downright jovial after he was surprised to learn that his Indians finished in a three-way tie for second place in the loaded Invitational Seymour ran away with first place in the round-robin, sixteam tournament, while the Indians, Fond du Lac and Marshfield all tied for second with 3-2 records.

After a meeting with the three coaches for the teams, it was decided that Fond du Lac would officially get second place by virtue of their edge in total team points on the day. Kewaskum was awarded third, and Marshfield fourth.

"I had no idea that we had done that well," Nell said, noting that the format called for a lot of scorekeeping by the coaches, and that he really wasn't all that concerned with keeping track. "I just thought, 'lets go out and wrestle and have some fun."

So when he was called to the officials' table and informed that his team was in a three-way tie for second, "I was totally surprised. I said I really didn't care how they went about breaking the tie."

In the opening round, Nell's troops won only three matches, although many of his wrestlers were pitted against those from Seymour. "We looked real sluggish early-on," he said, noting that a meet at Sheboygan Falls the night before may have played a part in the slow start.

"But as the day went on, the kids seemed to get stronger," he said, noting that the Indians downed a tough Marshfield squad 34-19, and lost 35-28 to a Fond du Lac squad currently rated second in the state in Division 1. "Three of the matches against Fondy could have went either way," he added.

The Indians also beat Ripon and Ashwaubenon, both of whom have strong teams this year. Even against Seymour, "We had a lot of hard-fought matches," Nell said proudly.

"I was extremely happy with the way things went," the KHS coach went on to say. "They have been going really hard lately, and they've been doing very well."

Joel Dziedzic (103), Chad Muckerheide (160) and Rich Farchione (171) each won all five of their matches. Dziedzic improved to 15-1 on the year, while Muckerheide is now 16-2 the same mark as Farchione.

Nell said he hopes to give the kids a bit of a break this week, as he gets the Indians ready for a Thursday match at Kiel, and Saturday's Waupun Invitational, in which the Indians will defend the title that they won a year ago.

"It'll be nip and tuck again up there," Nell said of Saturday's Waupun meet.
"There are going to be a lot of tough teams in it again," pointing to Winneconne, New Holstein and the host Warriors as the teams to beat.

In the Service

Navy Seaman Joseph P. Gayan, son of Joseph A. and Kristine G. Gayan of 7417 Townline Road, West Bend, recently completed basic training at Recruit Training Command, Orlando, Florida.

During the cycle, recruits are taught general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 occupational fields.

Studies include seamanship, close-order drill, naval history and first aid.

Although the Navy is getting smaller, the state-of-the-art ships, aircraft and high tech systems in today's fleet require bright, talented young men and women to operate them. The Navy has over 60,000 job openings this year, most of which include guaranteed training.

He is a 1993 graduate of Kewaskum High School.

MEETING NOTICE

The Kewaskum School District Referendum Steering Committee will meet on Wednesday, January 12, 1994 at 7:30 p.m. The meeting will be held at Kewaskum High School in Room 110. The meeting is open to the public.

NOTICE OF REFERENDUM ELECTION

TO: ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM

TAKE NOTICE that a referendum election will be held on February 15, 1994 in the School District of Kewaskum on the question of whether or not the Initial Resolution set forth below shall be approved. The Initial Resolution was adopted by the School Board of the District on December 13, 1993 and is available for inspection at the District Office, 1450 School Street, Kewaskum, Wisconsin 53040.

The question which shall appear on the ballot is as follows:

*Shall the following Initial Resolution be approved?

INITIAL RESOLUTION
AUTHORIZING GENERAL OBLIGATION SCHOOL BUILDING BONDS
IN AN AMOUNT NOT TO EXCEED \$7,515,000

BE IT RESOLVED by the School Board of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin that there shall be issued pursuant to Chapter 67 of the Wisconsin Statutes, general obligation school building bonds in an amount not to exceed \$7,515,000 for the public purpose of paying the cost of constructing additions to and remodeling and renovation of the Kewaskum High School and Middle School and acquiring equipment and furnishings.*

Copies of the Resolution directing submission of the question set forth above to the electorate and information concerning District boundaries may be obtained at the School District Office located at 1450 School Street, Kewaskum, Wisconsin 53040.

Any qualified elector, unable to get to the polling place on election day for any reason, may ask to vote by absentee ballot. A qualified elector is a person who is a U.S. citizen, who will be 18 years of age or older on election day and who has resided in the ward or municipality where the person wishes to vote at least 10 days before the election. If the voter resides in a municipality which requires voter registration, then registration is also required for the voter to receive an absentee ballot.

To obtain an absentee ballot, the voter should contact the clerk of the city, village or town in which the voter resides. A written request must be made by the voter for the absentee ballot. If the voter contacts the clerk by telephone, the clerk will send the application form to the voter. If the voter requests an absentee ballot by mail, a written request, signed by the voter which indicates that the voter resides within the municipality will be honored. Written requests may be made beginning six months before the election. The deadline for receipt of the written request by mail is 5:00 p.m. on the Friday before the election. If the voter goes to the clerk's office to complete a written request, the request must be made no later than 5:00 p.m. on the day before the election.

If the absentee voter resides in a nursing home, the absentee ballot will be delivered to the nursing home by two special voting deputies appointed by the municipal clerk. The special voting deputies will present the absentee ballot to the voter and provide assistance in marking or punching the ballot if necessary. At the request of an absentee voter a relative may provide the assistance. After voting at the nursing home is completed, the special voting deputies will return the absentee ballot to the municipal clerk.

With two exceptions, the voter who wants to cast an absentee ballot must make a separate written request before each election. If a voter is indefinitely confined to his or her home or a care facility because of illness, age or disability or if the voter is in the military, the voter need not make a request before each election. There is a special statement on the application form which is provided by the municipal clerk which can be completed asking that an absentee ballot be automatically mailed to the indefinitely confined or military voter before each election. If the voter fails to vote and return the ballot sent to the voter, a separate written request for the next election must be made before the voter can obtain a ballot.

A voter who is hospitalized on election day may obtain an absentee ballot by designating another person as the agent for the voter. There is a statement on the application form for this purpose. An application by agent for a hospitalized elector may be made in person at the municipal clerk's office no earlier than 7 days before the election and no later than 5:00 p.m. on the day of the election.

If a voter requests an absentee ballot and the reason is that he or she is a sequestered juror, the application can be made no earlier than 7 days before the election, and no later than 5:00 p.m. on the day of the election. If the application from a sequestered juror is received by the municipal clerk after 5:00 on the Friday immediately preceding the election, the municipal clerk or the clerk's agent will deliver the absentee ballot to the court and the judge will call a recess to allow the voter to cast his or her vote.

The municipal clerk will send the absentee ballot to the voter once the request is received and the ballots are prepared. Absentee ballots are available 21 days before a referendum election such as the bond referendum. The municipal clerk keeps a public record of all individuals requesting an absentee ballot indicating when the ballot is requested, sent, and returned to the municipal clerk.

An absentee ballot can be voted at home any time after it is received in the mail. An absentee ballot can also be voted in the clerk's office if the voter appears in person and fills out the written request. The voter should make sure that the certificate-affidavit is properly completed and witnessed by two persons. The voter and the witnesses must sign the certificate on the absentee ballot carrier envelope. If the absentee elector receives assistance in marking the ballot, the person providing the assistance must sign the statement on the back of the ballot which provides that he person giving the assistance marked the ballot as directed by the absentee voter. The municipal clerk will make sure that the certificate-affidavit is properly completed by the voter when the absentee ballot is voted in the clerk's office.

The completed absentee ballot must be in possession of the issuing municipal clerk in time for the clerk to deliver the ballot before the polls close on election day. Voted absentee ballots may be delivered in person to the municipal clerk. Any absentee ballot received after the polls close or any absentee ballot where the certificate-affidavit is not properly completed cannot be counted.

Persons with questions regarding the referendum election should contact David Heather, District Administrator.

STEVENS POINT - The thought came a year too late for the Kewaskum football team.

The Wisconsin Interscholastic Athletic Association is considering expanding their state football playoff field from 96 to 192 teams, and adding a fourth round of games to the playoff system.

The current system, used since 1987, is spread over six divisions, with conference champions and runners-up generally qualifying for post-season play.

Madison to Host WIAA State Golf

By Noel Stollenwerk

STEVENS POINT - The Wisconsin Interscholastic Athletic Association's Board of Control has approved an agreement with the University of Wisconsin to conduct the WIAA State boys and girls State Golf Tournaments at University Ridge Golf Course in Madison, beginning with the boys state meet in June of 1994.

Both the Wisconsin Golf Foundation and the Wisconsin Golf Coaches Association gave their support for the WIAA State Championships to be held at University Ridge, which will be the site at least until 1996.

It will mark the first time since the Board adopted three divisions for boys golf in 1989 that the State Meet will be conducted on one course. Fox Hills of Mishicot has hosted the boys event the past four years, where two courses were used. The girls championships have been played at several courses throughout Wisconsin, the most recent being Janesville Riverside in 1993.

The 1994 State Tournaments at University Ridge will be conducted over two days and 36 holes for both boys and girls. University Ridge measured 6825 from its championship tees, and has a par of 72.

Holy Trinity's seventh and eighth grade boys basketball team recorded their fourth conference win as they defeated the Raiders of Consolidated Catholic Schools of Lomira/Theresa on their hometourt in Lomira on Friday evening.

In their first game after

In their first game after Christmas break and sporting new uniforms, the eager Wildcats had the height to control the first quarter action. Displaying tough defense and a good team effort, the hot wildcats built a solid lead in the first quarter 22-6. Starter Dave Gerhartz had repeated steals and was a double digit scorer for the Wildcats with 11 points in the quarter. Jason Butschlick, adding four points, suffered an ankle injury and was unable to return.

Mediocre play by the Wildcats during the second quarter allowed the Raiders to add 13 points to their score while the Wildcats increased by six: The Wildcats lead at half-time was 28-19.

Holy Trinity did not display quite the same enthusiasm when

returning to the court after halftime. Experiencing cold shooting, the Wildcats only added eight points during the third quarter. The Raiders sank a last second shot but the quarter ended with Holy Trinity still in the lead 36-25.

Chris Wessing provided the spark the Wildcats needed as the team played with more confidence during the fourth quarter. CCLT tried to make a comeback but the Wildcats held on to win 40-30.

Dave Gerhartz was Holy Trinity's top scorer with an impressive 16 points while teammates Corey Amerling added seven, Derek Dorn, six; Jason Butschlick and Chris Wessing each added four, Jarrod Gruber, two and Eric Wenninger, one. Derek Dorn led the team in rebounds with ten.

The Wildcats will host St. Mary's of West Bend Friday, January 14th at the Kewaskum Middle School. The games are scheduled to begin one-half hour earlier than usual with the first game beginning at 5:00 p.m.

After a slow start, the Holy Trinity Boy's B team beat CCLT by the score of 28 to 17.

In the first quarter, Holy Trinity did not score a point-the score being 5 to 0 for CCLT. The game broke open following this quarter and the second half was totally dominated by Holy Trinity especially with the defensive and offensive playing of Chris Koth. Chris had a game high of 16 points. Mike Struebing's team is now 4 and 0 for the season.

Their next game will be on Jan. 14 against St. Mary's of Barton. Game time is 7:30. Points were scored as follows: Chris Koth 16, Billy Cook 3, Jason Strobel 4, Luke Piwoni 2, John Boedeker 1, and Nick Staehler 2.

"We were tenth going into the last day," Nell said of the two-day meet. "But our kids really did the job (Wednesday). It went really well."

Freshman sensation Joel Dziedzic did really well, winning the 103-pound division. Dziedzic won all five of his matches, including a 10-4 win over Campbellsport's Clint Dexter in the championship

"He wrestled real well," Nell said of the young Dziedzic, who entered the tournament as the seventh or eighth seed. "He was getting himself in and out of trouble. He had several really close matches. But he did a really good job."

Nell was equally pleased with 171-pound Rich Farchione, who took third in one of the tournament's tougher weight classes.

KHS Basketball Teams Offer Clinics

Members of the 1993-94 Kewaskum High School Basketball Teams will be conducting fundamental basketball clinics for area students in grades first through sixth on Saturday mornings in Jan. and Feb. at the K.H.S. Fieldhouse.

The goal of this program is to help develop proper ballhandling and shooting skills of future participants on area athletic teams as well as provide a teaching experience for current members of our interscholastic

The clinic will be divided into two sessions each Sat. morning, with the 9 a.m. session for fourth through sixth grade individuals interested in improving upon the shooting mechanics and rules of the game. Whereas the 10:30 a.m. session for first through third grade participants will emphasize ballhandling skills, such as, dribbling and passing.

Sessions will be conducted on the next five Sat. mornings, starting with Jan. 15th thru Feb. 12th in the Kewaskum H.S. Fieldhouse. Participants should show up 15 minutes prior to their session with their gym shoes along and all students must be out of the building by one-half hour after their session ends. Parents should arrange to

have their children picked up immediately upon the completion of their child's session.

Interested parents and participants can register on any Sat. by arriving thirty (30) minutes prior to the scheduled session in order to fill in the registration form accurately. It is not mandatory that each registered student participate every week. However, all participants will be admitted free to the girl's basketball games on Sat., Jan. 22nd against Two Rivers at 1:00 and 2:30 p.m.

K.H.S. Basketball Team personnel will provide supervision and instruction with the School District making the facilities and equipment available for your child's use. Thus, there will be no fee or charge associated with these basketball clinics. The only requirements are your time, efforts and enthu-

Sportsmanship rather than competition will be emphasized throughout each session. Therefore, all students who have participated in three or more will receive certificates of participation and opportunities to win prizes. All awards will be presented on our last scheduled session. If you have any questions, please contact GBB Coach Glenn Eischstedt at the High School (626-2166) otherwise we hope to see all of you on Saturdays.

Indian Matmen Fall to Falcons

By Noel Stollenwerk

SHEBOYGAN FALLS --Judging by the amount of total victories in the dual meet, the wrestling match between Kewaskum and Sheboygan Falls here, last Friday night was a nailbiter.

That wasn't necessarily the case however, as the Falcons easily won the dual meet by a 32-19 count.

In fact, the Indians won six of the 13 bouts. The big difference however, was that none of the KHS victories came via the pin, which would have made the out come much closer. The win helped Falls stay perfect this season, moving them to 12-0 in dual meets.

Falls Guns Down Indian Boys

By Noel Stollenwerk

SHEBOYGAN FALLS Coming off the holiday break,
the Kewaskum boys basketball
team and its coach Jim
Westphal was looking for an
inspired effort against Sheboygan Falls here, last Tuesday
night.

The result wasn't very inspiring, as the Indians fell to the Falcons, 81-69, but the effort was encouraging to Westphal.

"I thought that we played pretty well," he said. "We just could never make any headway on them in the second half. "Also, they shot very, very well."

That was even an understatement, as the Falcons sizzled the nets with their 65% shooting from the field. "They weren't gimmees either," Westphal noted, pointing out the six three-pointers for the Falcons.

It looked as if the hosts would blow the Indians off the

court in the early going, as Falls raced to an early 9-1 advantage.

But the Indians showed that they were not going to go down easy, as they outscored the Falcons 12-2 over the next several minutes, taking a 13-11 lead. The catalyst in the run was Kevin Klahn, who came off the bench and hit a pair of three-pointers in the stretch.

But Falls came right back and led 18-15 after one quarter. That lead stretched to a ninepoint cushion late in the half, before the Indians' Erik Ankerson hit a half-court shot to pull KHS to within six, at 43-37, halfway through the contest.

That's as close as the Indians would get in the second half, as Falls' Matt Wieseckel picked it up offensively, Wieseckel scored 23 of his game-high 26 points in the final two quarters, including 13 in the fourth as Falls pulled away. Jason Meerdink also played well for the Falcons, scoring 20 points.

"Wieseckel just shot the lights out," Westphal said. "You just don't expect teams to shoot 65% against you. That'll just blow you out of the water. It makes up for a lot of things."

Kewaskum was led by James Zautner, who scored 17 points despite getting himself into foul trouble early in the contest. Travis Jacak added 16 points, while Anderson also reached double figures, hitting for 13.

The Indians had one of their best shooting games of the year, hitting on over 50% of their field goal attempts. But Having Zautner out for most of the first half with three fouls hurt the Indians. "He's been our most consistent scorer," Westphal pointed out.

Lady Indians Hold Off Falcons

Noel Stollenwerk

KEWASKUM - Kewaskum girls basketball coach Glenn Eichstedt has said repeatedly this season that someone other than guard Ginger Wiesner has to step up and pick up some of the Indians' scoring slack.

Eichstedt finally got his wish here, last Friday night, as several Indians picked it up a notch in Kewaskum's 44-37 victory over Sheboygan Falls. However, it was Wiesner who got the Indians rolling in the first half.

The 5-7 senior had a big second quarter, scoring six points, along with five steals, four assists and a pair of rebounds as the Indians took a 25-17 half-time lead.

"Had she converted a few more breakaways (layups) off of her steals, she probably would have tallied double figures alone," Eichstedt said of the Indian sparkplug.

The Indian defense played well, according to Eichstedt, who switched to an extended zone in the middle two periods. The switch "cut off (Falls') chance to go to the hoop," and the Indians led 35-22 heading into the final stanza.

The lead reached 38-23 before the Falcons made one last surge. A 14-3 run helped the visitors pull to within four, at 41-37 with just over a minute to play, and Falls was threatening to win its first Eastern Wisconsin Conference game of the year.

But the Indians made their free throws in the final minute to preserve the win, their second in the EW against three losses. KHS improved to 5-6 on the season.

In addition to Wiesner's 12 points, the Indians also got significant contributions from Mary Yahr (nine), Missy Rohrer

(eight), and Missy Radtke (seven) on the offensive end.

"(Yahr) has been noticeably stepping up her game as of late," Eichstedt said of the senior forward. Rohrer, meanwhile, "is coming into her own as well."

The Lady Indians still struggled from the free throw line for the game, making just eight of 18 tries. And after shooting 40 percent (12-30) from the floor in the first half, the Indians struggled with just a 6-27 (22 percent) effort in the second half.

Nonetheless, the Indians will take the victory, their first of the new year. After a home contest against Oostburg on Tuesday, the Indians travel to Plymouth on Friday to wind up the first half of the EW schedule.

Panthers Use Free Throws To Blow Out Indian Boys

By Noel Stollenwerk

KEWASKUM - It was most definitely a night to forget for the Kewaskum boys basketball team and coach Jim Westphal here, last Thursday night.

Facing a powerful Plymouth squad that is undefeated in the Eastern Wisconsin Conference, the Indians were never in the game. The Panthers scored at least 20 points in each quarter, as they blasted the Indians, 84-46.

Luckily for him, Westphal didn't have to witness much of the onslaught. The Indian boss was ejected from the game midway through the second quarter, after he and others on the KHS bench received three technical fouls for arguing officials' calls.

The chaos came to front about three minutes into the second period, When Travis Jacak was whistled for a foul on what appeared to be a clean block on a shot by Travis Streblow. Westphal, already frustrated by what he saw to be one-sided calls, let his feelings be known and was hit with the first technical

"I just told him that I didn't like that call," Westphal said of the incident. "I just didn't feel that we were getting a fair break."

Westphal received another technical when he told the second official that he hoped the same calls would be made on the other end of the court as well. Seconds later, an assistant coach was hit with the team's third technical, and Westphal was asked to leave.

"I haven't been whistled for a technical in five years," Westphal said in his defense. "I'm sure just about every coach has said the things that I did and haven't been given a technical."

"I thought that it (the technicals) was all unnecessary," he

went on. "I thought that they just overreacted. It was an unfortunate incident, and I'm sorry and embarrassed that it happened."

He probably should have thanked the referees, had he known the rout that would fol-

What was a 29-19 lead when the first technical was called, turned into a 43-24 half-time lead for the Panthers, who benefitted from another KHS ejection. This one was to Travis Jacak, the 6-4 KHS center, who was lost when he was whistled for a flagrant foul about a minute after Westphal exited.

"I heard that he definitely fouled the other guy," Westphal said, "but there was some doubt as to whether it was intentional. I know Travis pretty well, and he's not the kind of kid who would get an intentional flagrant foul."

Plymouth ended any hopes of an Indian comeback with a 20-6 third-quarter edge.

The Indians' shooting woes continued, as they hit for just 23 percent of their field goal attempts. Plymouth, meanwhile, connected on 46 precent (26-46) of their tries from the floor.

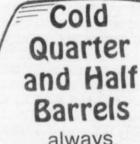

It appeared that Westphal had a legitimate gripe about the foul disparity, as the host Indians were whistled for 26 fouls, compared to Plymouth's 15. That led to a 29-12 edge at the free throw line for the Panthers, who could have made it uglier had it not been for their 17 FT misses.

John Knowles led Plymouth with 17 points, while Streblow and Jim Carpenter added 14 and 10 respectively.

James Zautner scored 13 points to pace the Indians, who fell to 1-5 in the EW, and to 2-7 overall. Plymouth improved to 5-0 in the EW, and 8-1 overall.

KHS gets a week to work on its game, as they travel to Ozaukee on Friday for the first of two straight non-conference tilts. The Indians host Random Lake on Tuesday.
