## D.A.R.E. Informational Night Held for Kewaskum Parents

Kewaskum D.A.R.E. Officer Tom Bauer, left, and Police Chief Richard Knoebel, right, were on hand to explain the D.A.R.E. program to St. Lucas and Holy Trinity parents on Tuesday evening, February 22 in the Community Room. Officer Bauer went through the procedure in which the children are taught the program, a movie was shown, drug paraphernalia was displayed and questions were answered. Refreshments were served after the very informative program.

## Kewaskum Man Fatally Shot

A Kewaskum man was accidentally killed last week when a gun he was carrying fired, shooting him in the head.

Harold Krueger, 70, of 9512 Hwy. V, was found at the bottom of the basement stairs in his home on Thursday, February 24.

According to the Washington County Sheriff's Department, Krueger's body was discovered by a relative who was bringing him a meal around 5 p.m. He had reportedly been dead between two and four hours before he was found.

Investigators from the Sheriff's Department maintain the gun was in its case when it went off, and equipment to clean the gun was found near Krueger's body. Lt. Jack Peters reported that a turkey hunting permit and a hunting catalog were found on the kitchen table. It is believed Krueger was shot accidentally as he was preparing to clean his gun to go turkey hunting.

Relatives commented to officers that he had been forgetful recently, and had been found three or four times with a gun not completely unloaded after a hunting expedition.

## Jalas Awarded Scholarship

**ACADEMIC SCHOLAR** -- John Jalas, left, a biology major, is recipient of the Patriots Scholarship for the 1993-94 academic year at The University of Texas at Tyler. Jalas receives congratulations from Joy Turns, UT Tyler director of development.

John Jalas of Kewaskum, has been awarded the Patriots Scholarship for the 1993-94 academic year at The University of Texas at Tyler.

Jalas, a biology major, attended Tyler Junior College where he received a Pre-medical Scholarship. He plans to earn an

M.D. and Ph.D. and pursue a career in medical research and instruction.

A component of the renowned University of Texas System, UT Tyler offers junior, senior and graduate courses leading to 69 bachelor's and master's degrees.

## Statesman to Feature New Column

By Lana Harbeck Kuehl

The Kewaskum Statesman will be featuring a new weekly column beginning as soon as plans can be finalized and you can get your letters into our office with questions to our school and village board presidents.

The column will be called, "Ask Your Board President." It will give all village and school district residents a chance to ask the school and/or village president any questions on any issues you, the taxpayer, would like to know more about.

During the village's recent referendum issue, I became aware of many people who had questions/opinions about the referendum. For whatever reason, they were hesitant to call the school board members to voice these concerns. Many wanted to remain anonymous. I also know there are other village residents out there that are concerned about village issues, such as the bypass, growth potential, etc.

A light bulb eventually turned on inside the recesses of my brain and the idea was bounced off of School Board President Neal Weare and Village Board President Robert Wagner. Both agreed the idea definitely showed promise and both indicated they would be more than happy to answer any questions presented to them.

Both also said they preferred the voters call them, but would be willing to communicate through this newspaper if that was the route residents would rather take.

Letters must be directed first to this office addressed to the "Ask Your Board President" column, C/O The Kewaskum Statesman, Post Office Box 98, Kewaskum, WI 53040.

We ask that you sign your letter, **HOWEVER**, when the copy of your letter is turned over to the school/village president, your name will be **OMITTED**. This will give you the letterwriter, the opportunity to ask your questions anonymously but still protects this newspaper to a

certain degree against "crank" or fake letters.

The editor will be the only person who will be aware of the names of the letterwriters and there is no degree of torture that has been invented that could make me reveal the names.

Upon receiving the anonymous copy of the letter, the school/village president will answer the question to the best of his ability and will turn it over to this newspaper and we will print it in its entirety.

It is hoped, depending on the length of the answers and space availability, at least two questions can be answered each week, with the school and village board presidents alternating the column every week.

If you have any questions pertaining to anything from the school renovation or school discipline to where the bypass is coming through, please direct them to this column.

Hopefully, these letters will open the lines of communication and give our local presidents some insight on our concerns.

## Girl Scout Sunday March 6

Girl Scout Sunday is March 6th. It begins a week of celebration for those girls and adults involved in Girl Scouting. Started over 80 years ago by Juliette Gordon Low, Girl Scouting has become a tremendous leadership and skill building organization, focusing on the girls, of course.

On Sunday, all Kewaskum Area Girl Scouts, involving young ladies from Wayne, Farmington, Beechwood and Kewaskum... all Daisies, Brownies, Juniors, Cadettes and Seniors, and including all of our registered adults, are asked to attend the church, or synagogue of their choice.

Proudly wear your Girl Scout pins and uniforms. If possible, take part in some way in your religious service but, first check with your priest, minister or

rabbi.

Happy Birthday Kewaskum Area Girl Scouts! Much continued success to you in all you learn, share and do.

The Kewaskum Area Girl Scouts are a part of Wau Bun Girl Scout Council, located in Fond du Lac. Girl Scouting is a national organization, and Girl Scouts and Girl Guides are found worldwide.

## Girl Scout Salute to Be Published Next Week

A special double page salute to area Girl Scouts in honor of Girl Scout Week will be published in next week's edition, courtesy of Kewaskum Area advertisers and sponsors. For more information, contact Linda at the Kewaskum Statesman, 626-2626.

*Postmaster on Vacation  
A Message from Bonnie*

Greetings Kewaskum Statesman readers! Well, I am back from a week down in Florida by mom and dad... had a great time! It was "tough" to leave the 85 degree weather but had to return to "pay for the purchases while there." Ha! Let me tell you about it!

Many of you commented that Valentine's Day was JUST over with and the "eternal tree" was quickly decorated for St. Pat's Day. Main reason for that: "jetted" off to St. Petersburg Wednesday, February 16th.

Driving to the airport that morning in 10 degree weather, my sister and I were looking forward to getting a break from the winter and enjoying the sun, sea, sand and... OF COURSE, mom and dad's hospitality!

We arrived to 75 degrees and looked like "true northerners" with our Rose Bowl sweat-shirts and jeans. We flew American Trans Air which offers a terrific deal and my dad said, "we looked like dignitaries getting off the plane as you depart OUTSIDE and walk across the runway to go into the airport. We normally fly to Tampa but this airline only goes to St. Petersburg. It was really no big deal, as mom and dad are in New Port Richey, so it was only a short distance to their home!

Ah.... FLORIDA!! Mom was hoping that "time would stand still" as my sister and I were only there for a week. The time went by quickly but we did a lot, saw a lot, shopped a lot, basked in the sun and "fried"...IT WAS TOUGH!

Second day we were there, Chrystal called from Milwaukee to tell me about the 50+ degree temperatures that Wisconsin

was enjoying. Tried to tell her that I "was doing my part" to send that weather back, but normal teenage comment... "OK MOM!!" Oh well, sounded good to me.

Well... back to the trip. As I said, we flew in on February 16th and for all the Catholics reading... you know that was Ash Wednesday. Mom was having tuna casserole... did not sound too exciting to me, but just sitting down at the table and once again enjoying "mom's cooking"... Well, to my sister and I it was like "pheasant under glass!" After eating, it was taking a walk with my dad around the complex where they live and greeting and hugging old friends

**KHS Tours, Open Houses Scheduled for March**

District residents are invited to see the Kewaskum High School prior to the April 5 referendum.

Tours are scheduled for Monday, March 7, at 7 p.m.; Monday, March 14, at 6 p.m.; Tuesday, March 22, at 6 p.m.; Tuesday, March 29, at 9 a.m. and Tuesday, March 30 at 7 p.m.

Open Houses will be held on Sunday, March 13 from 1 to 4 p.m. and Friday, March 25

from 6 to 9 p.m.

Those residents attending a tour should meet in the high school cafeteria.

Any individual, group or organization interested in taking a tour at another time may call 626-2166. Middle school tours may be scheduled by calling 626-2178. Any questions regarding the referendum can be directed to the administration office at 626-8427.

**Final Preparations Made For KHS Dinner Concert**

With only a few days remaining before the Dinner Concert, the Kewaskum High School musicians are very busy putting the finishing touch on their music.

The music has been selected and it consists of the following: turkey, ham, potatoes, dressing, lettuce salad and corn along with desserts furnished by the students.

Music selected includes the third movement from Brahms "FOURTH SYMPHONY," excerpts from the "1812 OVERTURE," selections by Schubert and many other famous songs from the great music past.

Tickets for the dinner are on sale now from any musician or by calling the high school at 626-2166 and reserving your seat. Tickets will not be sold after Friday, March 4, 1994.

The cost per person is \$7.50 with the dinner beginning at 6 p.m. For those people who only wish to come to the concert, that begins at 7 p.m. and admission only costs \$1.00 per person, or \$5.00 for families with 5 or more people.

The students and directors at Kewaskum High School hope to

see you at the Dinner Concert on Thursday, March 10, in the old gym.

**KMS Sixth Grade Folk Fair to Celebrate 10th Anniversary**

What activity has 140 sixth graders wearing costumes from different countries, cooking exotic foods, dancing, sharing information about their country, singing, playing instruments, and having fun? If you guessed "Folk Fair," you were right!

This is the 10th anniversary of the Kewaskum Sixth Grade Folk Fair. Ms. Lazarevic and Mrs. Stangl had a small one in the KES cafeteria in 1983. The next year, Mrs. Stangl and Mrs. West expanded the Folk Fair by adding many dances, a longer program, and moving it to the gymnasium. Mr. Gerhartz, the elementary music teacher helped students with the musical numbers.

Every year the Folk Fair grew, and when Mrs. Stangl and Mrs. West moved to the Middle School, they brought the Folk Fair with them. In the ten years,

many students, parents, grandparents, friends and relatives have enjoyed coming and experiencing Folk Fair. Mr. Christie and Mr. Bertelson have helped with musical arrangements since moving to the Middle School. The students have always done a wonderful job creating booths, and putting on memorable programs for their guests!

This year the Kewaskum Middle School Folk Fair will be held on Friday, April 29th. The House of Ms. Courtney, Mrs. Domasky, and Miss Bruss will be sharing countries of the Winter Olympics. Their program will begin at 9:30. Mrs. West and Mrs. Stangl will focus on the European countries as a culmination of their study of Europe, and the 10th Anniversary of doing the Folk Fair together. Their program will begin at 12:30.

## Spring Fling At Dundee

The Dundee Mill Park Committee would like to send out this last minute reminder to get your tickets for our "Spring Fling." Don't miss out on a good time for want of a ticket or a spot in the dining room. Remember, there is limited seating for the dinner-show.

Oops! Maybe some of you don't know what I'm talking about. We are having two entertainers from Milwaukee who do impersonations of Neil Diamond, Patsy Cline, Elvis, Barbra Streisand, The Big Bopper, Tammy Wynette, and much more. Their names are "Lightning & Thunder." They will be performing for a full four hours from 8:30 to 12:30. You will be able to sing along, just relax and watch, or dance to the great entertainment. This is if you have a ticket.

A good meal is always a plus before such a show, and Frank's will be serving a buffet of chicken and ham starting at 6:30 and going until 8. Waitresses will be on hand for the remainder of the evening so you won't even have to leave your seat if you don't want to. Of course, this depends on if you have a ticket.

Oh, did I mention tickets? Well, you can purchase them from any committee member or you can get them at the bank in Dundee, Dins Mini Mart, Meri-Lore Market or right at Frank's on the Lake. The tickets are \$15 for the dinner-show and \$10 for just the show.

By the way, the date to mark down is Saturday, March 5. If you need more information you can call 533-4750, 533-8366 or 533-4099.

Remember... good food, good music, good refreshments, all add up to an evening of good fun... that is... if you have a ticket.

Publicity Chairperson,  
Dundee Mill Park  
Committee

## Art Enrichment Classes Learn Silkscreening

Matt Schroeder, Jody Wichtoski, and John Lendved, silk screen designs on paper for KES Art Enrichment class

Jackie Krueger and Kim Erdman sort the silk screened note cards for packaging and labeling.

Students from the 3rd, 4th and 5th grades at Kewaskum Elementary School had a wonderful opportunity to learn the art of silkscreen printing during ART ENRICHMENT classes.

Mrs. Jenny Schroeder, Matt's mother, who works at Phillips Printing in Fredonia, donated coveralls, paint and the silkscreens. Students designed and created a variety of pictures which they silkscreened on paper and are selling as note cards to raise money for art supplies and field trips.

Mrs. Peggy Henke, elementary art instructor, guided the creative art students through the silkscreening process. ART ENRICHMENT is part of the gifted education program in the Kewaskum School District.

## 50 Years Ago

February 11, 1944

Clayton Stautz, 17, son of Mr. and Mrs. Clifford Stautz of this village, was to Milwaukee Monday where he enlisted and was sworn into the army air corps. Clayton passed his mental test last December in West Bend and successfully passed his physical examination in Madison in January. He has been placed in the enlisted reserve and will be called into active service when he reaches his 18th birthday in June. The young man, who is a graduate from Kewaskum High School last year, is employed by the West Bend Aluminum Company.

Harry E. Koch, United States Coast Guard, son of Mrs. Arthur W. Koch of this village, took as his bride, Miss Janet Clement of Chicago, Illinois, in a ceremony performed on Saturday, February 5. The wedding took place in the Coast Guard recruiting office at Charleston, South Carolina, where Yeoman Koch is stationed.

Miss Doris Werder, daughter of Mrs. Emma Werder of Chicago, and August C. Ebenreiter Sr., of Kewaskum, were married in Crown Point, Indiana on February 12.

The English 9-B class of the Kewaskum High School had a class party on the first Friday of the new semester. The greater part of the party was occupied with a spelling bee. Club members were divided into two teams. Donald Wierman's team was victorious by one word over Gertrude Pagel's team. New officers are Harold Reindl, president, Lester Schaub, vice-president, Evelyn Spaeth, secretary, and Jean Rosenheimer, treasurer.

Mr. and Mrs. John Vorpahl of this village are the parents of a son, born on Wednesday, February 16, at St. Joseph's Hospital, West Bend.

## 75 Years Ago

March 1, 1919

The Farmers and Merchants State Bank of this Village has added to the efficiency of its equipment by installing the Cannon Ball

Burglar Alarm System. Following its motto of using the best possible means of protecting its depositors has prompted them to add this valuable protection to their equipment. You are urgently requested to call at the bank and investigate for yourself and be convinced of the value this protection is to you. During the past month a large number of burglaries have been committed throughout the country with the result being the loss of Liberty Bonds from safety deposit boxes an valuables being stolen. This step of the above named bank in installing this system is a step in the right direction in safe guarding its patrons.

The Annual Mask Ball given by the Modern Woodmen of America at the Opera House last Saturday evening, not only proved to be as successful as was promoted, but went far beyond expectations. It was without the slightest doubt, the largest mask ball ever held in Kewaskum, with over 400 dance tickets sold. There were about 40 maskers on the floor, most of them wearing particularly fine costumes, making it rather difficult for the judges to award the prizes. Masks were removed at 10 o'clock when dancing was resumed until an early hour. Prizes were awarded to: Mrs. N.J. Mertes, Misses Aleda Mertes, Adeline Kippenhan and Clara Bunkelman; Prin. and Mrs. J.A. Lund, Frank Keys and Arthur Schaefer, Mr. and Mrs. Jacob Bruessel, Mrs. Bertha Hungerford and Miss Dorothy Gaffert. Judges were Dr. N. Edw. Hausmann, Arthur W. Koch and Otto E. Lay.

The St. Kilian Church was the scene of a very pretty wedding on February 19th, when Miss Alvina Ruplinger of St. Kilian became the bride of Joseph C. Flasch of the same place.

The marriage of Miss Martha C. Gales, daughter of Mr. and Mrs. John Gales of Wayne to Norman C. Kleinhans, son of Mr. and Mrs. Frank Kleinhans of Elmore was solemnized February 26th at St. Bridget's Church.

Fred Meinhardt, son of Mr. and Mrs. Jacob Meinhardt of the Town of Wayne and Miss Ella Techtmann were married Wednesday afternoon, at the home of the bride's mother, Mrs. Chas. Techtmann in the Town

of Barton.

The cold wave which swept over this section of the state this week came as a great welcome to the local iceman. On account of the mild weather, little ice had been harvested up to the present time and the outlook was somewhat dubious, but with the thermometer registering around zero, Otto Backhaus has commenced filling his large ice house and expects to have the same filled by the time mild weather again sets in.

Mr. and Mrs. Nick Johann of Kohlsville are rejoicing over the arrival of a little baby boy born to them last week.

### CORRECTION

In last week's article about Wanda Jacobs studying in Madrid, it was erroneously printed that Ripon College is "unrecognized" for its quality undergraduate education.

The sentence should have read, "Ripon (College) is nationally recognized for its quality undergraduate education."

We are extremely sorry for any problems this may have caused for anyone, and have given our proofreader a "pink slip" and a severe beating. One more mistake and she is off to Bosnia as a correspondent.

## Letter to the Editor

February 23, 1994

To The Editor:

Like most citizens, I do not want to see our tax obligation rise. Like most citizens, I do want improved services and a better community, and I believe most would agree that the answer to most of our problems and the problems of all society is education.

It is not true that "what was good enough 30 years ago," is good enough now. Because of the rapidly changing world in which we live, an adequate education last year is not "good" enough this year.

If we are going to prepare our Kewaskum students to enter the larger world on a competitive basis, we must provide the facilities and qualified instructors to do the job. Our community is growing rapidly. That fact alone dictates increased needs in space. The rapid increase in technology and knowledge in the world demands improved teaching facilities and abilities. Couple all that with the fact that our elected school boards have been extremely conservative in their approach to building and classroom maintenance and an educational disaster is looming on the horizon.

We can be very proud of the accomplishments of many of the fine Kewaskum graduates. They have proven themselves to be excellent students, well prepared for their higher education and careers. In the interest of and fairness to those generations coming through the system now and in the future, we must provide the educational base so necessary for them to perpetuate and elevate the standards of our future society.

Our facilities are outdated, in poor repair, and in fact, should be an embarrassment to us all. Let's pass the referendum, then demand that the school board and administration give us the best possible solution to the needs of our student body.

Sincerely,  
Robert S. Zarling

## KMS Students In Midwest Talent Search

Back row: (L to R) 8th graders: Rhett Engelking, Jim Broughton, Aaron Nelson, & Matt Hammen.  
Front row: 7th graders: Melissa Rady, Theresa Schultz, and Scott Mueller.

Seven Kewaskum Middle School students recently participated in Midwest Talent Search through Northwestern University in Evanston, Illinois. 7th graders, Theresa Schultz, Missy Rady, Scott Mueller, and 8th graders, Rhett Engelking, James Broughton, Matt Hammen, and Aaron Nelson took the ACT test, the same test college bound juniors and seniors take for college entrance.

This is the fifth year Kewaskum Middle School has

offered this as part of the gifted and talented program. Midwest Talent Search is in its 13th year, and to qualify, students must score in the top 5% on a nationally normed standardized achievement test. Participation is voluntary and students gain access to valuable educational opportunities and receive information on a variety of summer programs offered in Wisconsin and the midwest.

### Special Screening for Colorectal Cancer

West Bend - St. Joseph's Community Hospital, in conjunction with the American Cancer Society, will provide kits for a special colorectal screening on Saturday, March 5 from 9 a.m. to 12 noon in the hospital's visitor lobby.

A stool blood test can help reveal the presence of hidden blood in the stool, sometimes a sign of colorectal cancer. The American Cancer Society recommends an annual test for persons over the age of 50.

The kit is to be used at home, and instructions for use will accompany the kit. Results will be returned to individuals within two weeks.

A fee of \$1.50 per kit will be charged.

For more information, call the health promotion department at 334-8268.

## Humane Society Rabies Clinic

The Washington County Humane Society will hold its annual Rabies Clinic on March 6th, 1994, from 10 a.m. to 12 noon and 1 to 3 p.m. Dr. Marthina Greer of Brownsville-Lomira Small Animal Clinic will be the attending Veterinarian. The cost per shot is \$10.00 per animal.

Wisconsin State Law states that you must have your dog licensed by April 1st of each year. In order to buy a license, you must have proof of a current rabies vaccination. Assembly Bill No. 751, which was signed into law by the Governor of Wisconsin on May 17, 1980, requires that all dogs in the State of Wisconsin be vaccinated against rabies. The Bill states that all dogs over five months of age have a current rabies vaccination. Cats should also be given the rabies serum. The vaccination is good for three years on cats and dogs. Animals under one year must be revaccinated within one year.

There is no appointment necessary. Animals will be given their shots on a "first-come, first-served" basis. If you wish further information, feel free to call The Washington County Humane Society at 677-4388 between the hours of 8 a.m. to 5 p.m. except for Wednesday when you can call between the hours of 8 a.m. and 8 p.m.

**MOM NATURE BACK UP TO HER OLD TRICKS....**  
 Just when you thought it was safe to bring the old Weber out again, Mother Nature came back in full force last week with a strong one, two punch. Those pretty little white flakes began Tuesday evening and didn't quit until there was a good eight inches of little flakes on the ground and the kiddies were given a day of play in the flakes by the school district. Just about the time we had that whole mess cleaned up, WHOOSH! She ushers in about 12 more inches with what felt like hurricane winds all day Friday. Enough is enough... the shovels are wearing out. Thank goodness Ms. Nature had the decency (??) to tease us with sixty degree weather the week before to melt most of the accumulations from January or we would be tunneling instead of shoveling!

## Bonnie

(Continued from Page 2)

that I had not seen since last year's visit. Then... it was home to plan out the itinerary for the next day.

Woke up to cloudy skies and scattered showers... YUCK! We were in Florida... the SUNSHINE STATE! No problem... we did like any three women and "dad, the driver" would do... WENT SHOPPING. My dad is a very patient man... had to be with three women. He was in the minority. He was very good about walking back to the car with our purchases so we did not have to carry them all.

That can be good and bad as when we finally got done, went back to the car and were shocked at the packages already stacked in there. Oh well, WE WERE ON VACATION!

Next day... FLORIDA FLEA MARKET... to any of you reading this, if you have never attended a FLORIDA flea market... you do not know what you are missing! The one we went to is called Flea Masters and is one of the biggest. You almost need a map to get through it and every year mom swears that we missed something.

You name it... you can find it in the Florida flea markets! My big find? Well, some of you know that I am a very avid baseball card collector. I have over 80,000 cards and my retirement plan is to go to Florida and open up a little shop of my own.

I do not get "into" a lot of

other sports but... SHAQ Pepsi bottles is the "biggie" down there. You cannot get these except in Florida. I purchased a six pack of long neck bottles. Each bottle portrays a different picture of Shaq and the carton has the schedule of the Orlando Magic team. My price was \$1.99 for the carton of bottles BUT they are selling for \$50 on the East coast.

Well... then something else caught my eye... racing collectibles! Made a decision right there and then to "branch off" to this sport. Racing fans... make sure that you stop in and see my NEAT Alan Kulwicki with his Hooters car clock that I have in my office. I was able to purchase mini Nascars also and am excited about my newest collectible.

Well... Chrystal was STILL calling me about the GREAT weather Wisconsin was enjoying and she STILL did not believe that I was "sending back the sunshine to you all." My sister and I decided to just "bask in the sun" for a few days but kept up our little shopping trips.

Have you ever been to Tarpon Springs? What a great place! We always used to eat at a place called Pappas restaurant until we discovered Paul's Shrimp House. Fresh shrimp... reasonable and in my opinion, the best offered in Florida. Peel 'em and eat 'em.... GREAT!

Well, the trip was just NOT complete without our excursion to BINGO at the church Mom and Dad attend. This was the

night before we left. Are you ready for this? We left the house at 3 p.m. for Bingo at 5:30. You HAVE TO. (At least that is what mom and dad told us). We needed time to look over every card, secure our seats (as it is a sellout) and mix and mingle with the crowd. This was a SEVEN AND A HALF HOUR venture and did we win? NOPE!

Dad did so it was okay but arriving home, my sister and I told him the reason we felt we did not: the game schedule, the cards and the ashtrays were ALL compliments of the local funeral home. Oh well, it was fun, and just being with mom and dad did not make much difference what we did... we are a VERY CLOSE family and can have fun at anything... anytime... anywhere.

Now, time to pack! We packed light for the trip and coming home had to borrow a suitcase and a carry-on from the folks to "carry home the loot." We flew into Milwaukee on February 23rd... yea, the day of the BIG snow... 35 MPH almost all the way home. No sweat... got our tans, spent a fabulous time with mom and dad, saw all our dear friends at the complex and at Gramma Sally's restaurant... I do LOVE IT... but... time to come back to work. It will be great to see you all this week at the Post Office... MISSED YOU!

Until next week....

Bonnie

P.S. Stop in and chat, okay?

## Letter to the Editor

To The Editor:

The April 5th referendum vote will give Kewaskum School District residents another opportunity to address the building and remodeling needs of the Kewaskum Middle and High Schools.

Everyone is encouraged to take advantage of the tour and open house dates scheduled in March, to see first hand the areas of concern, and to view in detail the architectural drawings of proposed new and remodeled areas for both schools.

Kewaskum School District Referendum Steering Committee

February 15, 1994

Dear Editor:

We would like to take this opportunity to express our appreciation to the many friends who contributed to The Salvation Army's Service Extension Christmas program in 1993.

It is our great pleasure to be of service to many of your neighbors. The response from donors has enabled us to help provide toys to children, meals to families, and care giving for the lonely.

We want to say "thank you" to the many people who have helped us help others. Volunteers from the community assisted with bell ringing, delivery of food baskets, toys to children, visits to nursing homes and helped with Christmas dinner.

The Salvation Army is fortunate to have great friends who care about their fellow man. Again, we say a big thank you to all our donors and volunteers.

Sincerely  
Robert L. Bonifield  
Lt. Colonel  
DIVISIONAL  
COMMANDER

Bridget, an independent-study Art 4 student, has been developing learning centers, doing some student teaching, and tutoring for elementary art students as part of her art program this year.

In addition, she is responsible for screening 1000 bags donated by Sentry Food Store for March, Youth Art Month. The bags will be decorated by art students in grades K-12 and will be returned to Sentry to fill with groceries as part of the school district's celebration of the arts.

There will be a student art exhibit at the Valley Bank from March 18 - April 1. On May 11 the annual district art show will be held at Kewaskum Middle School. Mark your calendars.

CECIL L. PETERSON

Cecil L. Peterson, nee Austin, of West Bend, died Wednesday, Feb. 23, 1994, at the Samaritan Home, at the age of 87.

She was born May 2, 1906, in Kentucky, to the late Thomas and Nora Ella (nee McDonald) Austin, and married Clarence Peterson June 21, 1927, in Rockford, Ill. He passed away Jan. 25, 1983.

She was a member of St. Martin's UCC in Fillmore, the church choir and women's guild and the Royal Neighbors in Boltonville.

Survivors include a daughter, Hazel (Joseph) Kirst of Fredonia; seven grandchildren; seven great-grandchildren; two great-great-grandchildren; three sisters, Martha Taylor of Greenbrier, Tenn., Mary Johnson and Flo Ella Knight, both of Russellville, Ky.; a brother, Donald of Russellville, Ky.; nieces; nephews; and other relatives and friends.

She was preceded in death by a daughter, Lois Klas.

Funeral services were held Saturday, Feb. 26, at 2 p.m. at the Myrhum Funeral Home, West Bend. Rev. David Jerger officiated, and burial followed in St. Martin's Union Cemetery, Fillmore.

Visitation at the funeral home was on Saturday from 11 a.m. until the time of services.

Memorials appreciated to the Samaritan Home or St. Martin's UCC.

IN MEMORY

In memory of MARIE GLOEDE, who passed away six years ago, February 22, 1988.

A heart of gold stopped beating hard, Working hands to rest. God broke our hearts to show us He only takes "The Best".

We cannot bring the old days back, Her hands we cannot touch. But we still have the memories of one we loved so much.

Our family chain has been broken and nothing seems the same, but as God calls us one by one the chain will link again.

It broke our hearts to lose her, but she did not go alone - For part of us went with her the day God called her home.

Only a cluster of memories sprayed with a million tears, wishing God shared her just a few more years.

Sadly missed by her husband, daughter, grandchildren, brother and sisters.

CARD OF THANKS

The Charles Neumann family would like to express their gratitude to all the relatives, friends and neighbors who offered their sympathy and support to the family in their time of loss.

Special heartfelt thanks to Jim Donath, Waubeka First Responders, Northern Ozaukee Ambulance, Rev. Robert Lindau and the Myrhum Funeral Home.

Your thoughtfulness will always be remembered.

The Charles Neumann Family

CARD OF THANKS

We would like to express our heartfelt "Thanks" to everyone who extended their sympathy at the time of the death of our dear mother, grandmother, great and great-grandma, MARIE KRAHN.

Special thanks to Pastor Wiederanders, the organist, the choir, Ladie's Guild, Miller's Funeral Home, Beechwood Rest Home for their loving care the past years, St. Joseph Hospital nurses and Dr. Looze.

Also thanks to all who donated food, gave memorials, sent sympathy cards and floral tributes and to everyone who showed their respect in anyway.

God Bless each and everyone.

The Family of Marie Krahn

CARD OF THANKS

Heartfelt thanks from the Family of Ralph H. Strassburg.

To relatives, friends and neighbors for your kind sympathy, prayers, flowers and memorial offerings.

Special thanks to Fr. Mike Moran for his comforting prayers and Mass, the choir, Twohig Funeral Home, the pallbearers, the Christian Women of St. Matthews for the lunch served and all who donated food.

Your thoughtfulness will long be remembered.

# Late Baskets Not Enough for KHS

By Noel Stollenwerk

KEWASKUM - A fast start and a furious finish just didn't cut it for the Kewaskum boys basketball team in its game with Campbellsport here, last Tuesday night.

Instead, it was a poor second quarter that cost the Indians in a 60-59 loss against the Cougars in their annual non-conference matchup.

The loss left the Indians with a 4-15 record, while Campbellsport improved to 5-14 on the year.

"I thought we played pretty well," KHS coach Jim Westphal said. "It was an evenly matched game. We just made mistakes at the wrong times."

Tony Rix helped get things started for the Indians in the opening quarter. Rix scored six of his 10 points in the first two minutes, helping Kewaskum stake claim to a 12-0 lead.

But the Cougars finally got on the board on a basket by Seamus McCready, who finished with 13 points to pace the visitors. McCready helped the Cougars chip away at the deficit, which was just five after one quarter, 16-11.

Campbellsport continued to make up ground in the second quarter, and finally tied the game at 24-all on Aaron Magness' jumper midway through the period. From that point, the Cougars went on a 10-three spurt, taking a 34-27 lead into the locker room at halftime.

"They started taking better care of the ball," Westphal said of the Cougars' charge. "The momentum definitely swung to their side."

Turnovers were plentiful in the third quarter, as the Indians would force a Cougar miscue, only to give it right back on the next possession. Once again, poor shooting by the hosts contributed to their demise as well.

"We had a stretch there where we couldn't buy a basket," Westphal said. "Early on, we were forcing turnovers and finishing them off at the other end. All of a sudden we weren't finishing them off (with baskets)."

A late Campbellsport basket gave the Cougars a 49-40 lead heading into the final stanza. In the fourth, the Indians cut the gap to just four points on a couple of occasions, only to have

the Cougars come right back and gain control.

"We made a couple of runs at them, but they'd answer every time," Westphal said of his team's frustrations. "They made the shots when they needed them."

It looked as if that was how the game would be played out, as the Cougars held a commanding 60-53 lead with under a minute to play. But just as they started with a bang, the Indians finished with a couple.

Senior Erik Ankerson banked in a three-pointer with under a half-minute to play, making it 60-56. After a missed free throw by Campbellsport, the Indians came down and cut the margin to one on a try by Dan Survis with just :04 to go.

The Indians quickly fouled McCready, who obliged by missing the front end of a bonus with :02 left. It was too little too late for KHS, however, as Ankerson's outlet pass sailed out of bounds as time expired.

"He just tried rebounding it and getting it down the court quickly," Westphal said of the last effort. "Two seconds just doesn't give you a whole lot of time without any timeouts."

"Defensively, I thought we played quite well," Westphal said, calling the team's comeback, "a pretty good effort."

James Zautner scored a game-high 19 points to lead the Indians, while Ankerson added 13. Gary Goebel tied McCready for Cougar scoring honors with 13 points.

The Indians may get a chance to get even with the Cougars in the WIAA Regionals Thursday. The Indians will host the winner of Tuesday's matchup between the Cougars and Mayville.

Campbellsport 11 23 15 11 - 60  
Kewaskum 16 11 13 19 - 59  
Campbellsport - Gussick 9, Makowski 4, Grahl 7, magness 4, Sippel 2, Stoffel 8, Goebel 13, McCready 13, Free Throws - 8 of 13, Fouls - 15.

Kewaskum - Zautner 19, Ankerson 13, Strigenz 2, Rix 10, Cartwright 3, Jacak 9, Survis 3, Free Throws - 8 of 14, Fouls - 19.

# Indians Heat Up In Win Over Rockets

By Noel Stollenwerk

KEWASKUM - It's amazing how good shooting can remedy a basketball team's ills.

That's what Kewaskum found out here, last Saturday afternoon, as the Indians put forth their best effort of the season in beating Cedar Grove, 75-66. KHS coach Jim Westphal is hoping that the sudden surge in shooting will extend the Indians' season a bit longer than previously expected.

"This definitely gives us some (momentum)," heading into the WIAA Regionals, he said. "We've played three good games in a row, now. I think it all depends on how we shoot."

After finishing next-to-last in the Eastern Wisconsin Conference in shooting (37 percent), the Indians connected on over fifty percent of their tries against the Rockets.

"That was mainly from all of the layups," Westphal said, noting that KHS was able to break the Rockets' full-court press, resulting in easy baskets. "Presses are dangerous (to the pressing team) in that way. We just beat theirs and got some easy hoops."

It was the open shots in the

early going that pointed to a good shooting day for KHS. Guard Tim Strigenz scored most of his 17 points in the opening quarter, including a pair of three-pointers. Still, Cedar Grove led after one quarter, 21-15.

After pulling to within 33-31 at the half, the Indians got the momentum going their way in the third quarter. Tony Rix was the beneficiary, as he scored ten points, all off easy layups, while the Indians continued the break the pressure without trouble.

"We haven't had much trouble with full-court presses this year," Westphal said, noting shooting was the Indians' main weakness. "We'd been getting the same shots all year, and Saturday we finally made them."

KHS, and especially senior Erik Ankerson, did the job defensively as well. Ankerson had the task of covering Cedar Grove's leading scorer, Nate Pomeday, who sizzled for 35 points in a Rocket victory over KHS last year.

But Ankerson, and the other Indian players, limited Pomeday to just 14 points this year. Westphal said that may have

been just as important as the improved shooting.

"We were very concerned about him," Westphal said. "Ankerson just did a super job (guarding Pomeday). He also got a lot of help too. He might have had an off day, as well, I don't know."

While Ankerson and the rest of the Indians bore down defensively, KHS exploded offensively in the fourth quarter. Led by Travis Jacak's 11 points, the Indians ran up 27 points in the final eight minutes to pull away.

"Team-wise, this was probably our best game of the year," Westphal said. "Everybody out there did what they had to. Everything seemed to be going our way."

Strigenz's 17 led KHS, who also got double figure efforts from Rix (16), Jacak (15) and James Zautner (13). Joel Sohre led Cedar Grove with 24 points.

The Indians, now 5-15, open the WIAA Regionals at home (7:30 p.m.) Wednesday against the winner of Tuesday's Mayville - Campbellsport game.

Cedar Grove 21 12 17 16 - 66  
Kewaskum 15 16 17 27 - 75  
Cedar Grove - Pomeday 14, Sohre 24, Risseluw 9, DeMaster 1, Navis 10, Hopeman 6, Lukens 2, Free Throws - 23 of 36, Fouls - 22.  
Kewaskum - Strigenz 17, Jacak 15, Rix 16, Zautner 13, Bunkelmann 4, Ankerson 9, Rettler 1, Free Throws - 14 of 23, Fouls - 24.

On a motion by Trustee Robert Beisbier, seconded by Trustee Charles Waala and unanimously carried by voice vote, the Board authorized the sale of the vehicle etc. to the high bidder of Dundee Sand & Gravel for \$1,400.00.

Fire Chief Mark Groeschel informed the Board that the Department is willing to shoot off the July 3, 1994 fireworks and that they will take care of manning the hamburger stand and a soda/beer stand. They are asking for exclusive food rights in the park and have indicated they will only clean up the immediate area around the hamburger and soda/beer stand and the area on the west side of the River where the fireworks are displayed. The Village may look for someone else to provide the entertainment if so desired. Also the Village should look for help in cleaning the park on the 4th of July. President Wagner and Trustee Gavin will take care of a letter to the editor explaining the situation.

Director of Public Works, Jerry Gilles informed the Board that since the last meeting two water-main breaks occurred, one on Parkview Drive and the other on Midland Avenue. The second round of lead and copper testing has been completed and the results should be forthcoming.

The Water Pollution Control Departments annual "Compliance Maintenance Report" is again due and the Board considered the Resolution. Action was taken on Resolution No. 94-5 a Resolution Authorizing the filing of the Compliance Maintenance Report as reviewed by the Board as attached

hereto:

Administrator Daniel S. Schmidt reviewed information as to land use within the Village and the number of housing units and vacant improved lots.

The Board reviewed a letter from the Village insurance carrier regarding the extension of the umbrella coverage to the linebacker liability policy. The consensus of the board was to leave the coverage alone at this time.

The Board was informed that the tax collection process went well in January and that the collection was up by 7.2% from that of 1992.

Administrator Daniel S. Schmidt reviewed a variety of correspondence.

On a motion by Trustee David Goeden, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	723,697.11
Sewer	25,062.22
P/R Check #4827 - #4882	
Water	9,660.84
Payroll	33,982.06

# Plymouth Blasts KHS Indian Boys

By Noel Stollenwerk

PLYMOUTH -- Kewaskum boys basketball coach Jim Westphal knew his team was in for a long night here, last week Thursday. But he surely must have expected a better effort.

The Indians hung with Eastern Wisconsin Conference-leading Plymouth for one quarter, but then it was all downhill from there. The Panthers scored at least 20 points in each of the final three periods, as they routed the Indians, 83-44.

The loss dropped the Indians to 1-10 in the EW, and to 3-14 overall. Plymouth, meanwhile, improved to 10-1, and set up a title game with co-leading Sheboygan Falls Friday at Plymouth.

That's why they are in first place," Westphal said of the talented Panthers. "They are a very good team, very deep and talented."

Plymouth led by just seven, at 13-6, after one quarter of play. The Indians were having some success with a zone defense early, as the Panthers couldn't get their shots to fall.

But the hosts heated up in the second quarter, taking advantage of some sloppy ball-handling by Kewaskum. The result was a 26-point explosion that gave the Panthers a 39-17

halftime edge.

The Indians were never able to regroup, as they were outscored 20-10 in the third period. Things got out of hand late, as both teams substituted freely, and Plymouth came away with its second blowout of the Indians this season.

"We were having trouble scoring (early)," Westphal said. "I think our zone was working pretty well, but we had to come out of that when we got behind. Otherwise we would have let them run too much time off the clock."

Senior James Zautner led the Indians with 11 points, while Erik Ankerson and Tim Strigenz each chipped in eight.

For the Panthers, Travis Streblow scored 17 points, while Jim Carpenter (12) and Chad Melis (10) also hit for double figures. In all, eight Panthers scored six or more points.

# Campbellsport Grapplers Win State Titles

By Noel Stollenwerk

MADISON - In addition to the success of Kewaskum's duo of Joel Dzedzic and Chad Muckerheide at last weekend's state wrestling meet, several other area grapplers made their trip memorable.

Two Campbellsport wrestlers, 112-pound John Dexter and 130-pound Chad Rochwite, came home with state titles in their respective Division 2 weight classes.

Dexter capped off a perfect season (32-0) with a 6-0 win over Ellsworth's Corey Bauer in the finals. Rochwite, meanwhile, finished with a 31-1 record after beating Ryan Beninger of Richland Center, 9-7, in overtime.

Kiel's Phil Kirsch was the lone Eastern Wisconsin Conference representative in the state finals. He came up just short, however, falling to Baldwin-Woodville's Jesse Nealy, 8-7, in the 135-pound Division title bout.

Two Rivers' Jason Smogalewski, the EW runner-up to Dzedzic at 103 pounds, lost in the semifinals to Tim Gehrman, the eventual runner-up in the division.

Plymouth's two entrants both failed to win their first round matches in Division 1. Matt Warner, the 130-pound EW champ, lost to Milwaukee Tech's Joe Osvatic 10-2, while 189-pound Paxton Moore fell to Milwaukee Marshall's Donald Simmons, 10-4.

West Bend East's Brady Berglin, a favorite in the 125-pound Division 1 class, lost in the quarterfinals to Holmen's Andy Reget, 5-4. East's Scott Timm also made it to the quarterfinals before losing to Whitnall's John Zelinski, getting pinned in 5:26. Zelinski went on to win the 112-pound title.

# KHS Boys End EW Slate With Victory Over Kiel

By Noel Stollenwerk

KEWASKUM -- The wins have been few and far between for the Kewaskum boys basketball team this season. At least it can begin play in the Eastern Wisconsin Conference next season with an on-game conference winning streak.

That was made possible by the Indians' 61-58 victory over Kiel here, last week Friday night. The win ended the EW slate for Kewaskum which finished 2-10, and moved them to 4-14 overall.

"We played a pretty good game," KHS coach Jim Westphal said of the outing. "It's been a while. We played very well for three and a half quarters."

Things almost got out of hand for the Indians late in the game, however. Holding an 11 point advantage with just 3:00 to play, Kewaskum lost its composure and allowed the Raiders to take the lead with under a minute to play. Missed free throws and mental lapses on defense contributed to the near-collapse.

Included in the 14-2 Kiel rally were a pair of foolish fouls by KHS on three-point attempts. The first resulted in rare four-point play by the Raiders' Jerry Faust, cutting the Indian lead to 55-50.

The second foul was even more costly, as Greg Henning made all three free throw attempts, giving Kiel the lead at 58-57 with just over a half-minute to go.

"It's a real temptation to try and block those shots," Westphal said. "But sometimes it's much better to let them shoot it, and just try and get a hand in their face. Fouling a three-point attempt is a cardinal sin."

But the Indians weren't about to let this one slip away.

Kewaskum quickly came back to retake the lead on a Tony Bunkelman basket with about :25 to play.

Kiel put up a quick shot, but it was off-target. KHS quickly got the ball in the hands of Erik Ankerson who went in for a breakaway layup. The shot was rejected by a Raider, but the officials whistled goal-tending, making it 61-58.

One last desperation three-point try by Faust was off the mark, the Indians had escaped with the win. Still, the missed free throws were a concern for Westphal.

"We had them in a must-foul situation," he said. "You've got to knock down those free throws, or you let them right back into the game with no time running off the clock. Unfortunately, we let them back into it."

Ankerson's layup capped off a fine effort, in which he scored 18 points and grabbed 15 rebounds. Senior guard James Zautner also added 18 points for the winners.

"Erik played an excellent game," Westphal said, adding that Zautner "really got us going in the third quarter," scoring 10 points in that stanza.

"Overall, we played a good game," Westphal concluded. "We just made a couple of real bad mistakes on defense late. Maybe we just didn't know how to act, because we haven't been in this type of game recently."

## KEWASKUM TOWN BOARD MEETING MARCH 7

The Kewaskum Town Board will meet Monday, March 7, 1994, 7:30 p.m. at the Town Hall, 9019 Kettle Moraine Drive, Kewaskum. The books of the Clerk and Treasurer will be audited.

# Two Rivers Still Alive In WIAA Playoffs

By Noel Stollenwerk

DEPERE - And then there was one.

Two Rivers became the last remaining Eastern Wisconsin Conference squad still alive in the WIAA girls basketball playoffs with a 53-45 win over Little Chute in the Two Rivers regional final.

The Raiders survived quite a score in the Regional semi's, having been forced to overtime in order to down Valders, 62-53. Two Rivers opened tournament play with a 62-39 win over Plymouth.

The Raiders will now battle Luxemburg-Casco, Marinette and Waupaca in the DePere Sectional. The winner will earn the right to play in the state tournament beginning March 10.

In other action, involving EW teams, New Holstein opened by eliminating Kiel, 63-30. The Huskies were then promptly bumped by Little Chute, 61-50.

Sheboygan Falls, meanwhile, won its opening game, beating hapless Port Washington, 39-21. The Falcons were then eliminated by Waupun, 62-33. Waupun subsequently downed Mayville, which had eliminated Kewaskum in last Thursday's Regional.

Waupun may benefit from other upsets in their quest for a state tourney berth. Whitnall, Wilmot and Westosha Central

were all losers in their Regionals, so Waupun is left to battle Grafton, Greendale and Union Grove for the New Berlin Sectional title.

The only other EW squad, Chilton, was knocked off by Random Lake in the opening round, 45-30. Random Lake went on to beat Elkhart Lake 45-31, before losing in the Regional finals against Oostburg, 45-38.

Oostburg will be in the Beaver Dam Sectional (Division 3), and will battle Cambridge, Columbus and North Fond du Lac for a state berth.

The only other area team still alive in the WIAA playoffs is Hartford. The Orioles downed Sussex Hamilton 57-37 and will take part in the Hartland Arrowhead Sectional. That Sectional includes Homestead (which beat Germantown, 66-32), Menomonee Falls (which eliminated West Bend West, 62-59) and Nicolet.

Two Placelinners a First for KHS

# Muckerheide Fourth, Dzedzic Fifth at State Wrestling Meet

By Noel Stollenwerk

MADISON - Chalk up another first for coach John Nell and his Kewaskum wrestling program.

Senior Chad Muckerheide finished fourth, and freshman Joel Dzedzic ended up fifth, as the Indian duo became the first-ever double placelinners for KHS in the WIAA State Wrestling meet held here, last weekend.

It was a fine finish to an excellent year for Nell and his team, which qualified for the WIAA Team Tournament for the first time, as well.

"We're all very happy right now," Nell said. "They both did really well down there. It was a fun tournament, and we had a good time."

Muckerheide capped off his KHS career in fine fashion. Competing in the 152-pound division, the four-year starter on varsity drew Auburndale's Nate Weiler in the opening round, after Nell had thought Muckerheide would open against the top seed, John Bowman of Nekoosa.

"I was very happy to be wrong in this case," Nell said, pointing to Muckerheide's 3-2 victory over Weiler. "Chad wrestled a very good match."

The win moved Muckerheide to the semifinals, where he was pitted against Edgerton's Nate Wilke. The Indian senior looked to gain the upper hand in the opening period, as he shot in for a singleleg takedown.

But Wilke didn't let Muckerheide finish the move, and instead scored the takedown. That sequence proved vital, as Muckerheide went on to fall by a 3-1 score.

"That would have helped him out immensely," Nell said of the botched takedown. "He just couldn't finish it off. But that was a great match... went right down to the wire."

Muckerheide then wrestled Joe Lowney of Hortonville for third place. Muckerheide "really handled him well," for most of

the match, said Nell. Muckerheide took a 2-1 lead into the final seconds and could have stayed away from Lowney and won.

"He could have probably stalled for the last :10," Nell said, adding, "but he doesn't wrestle that way."

It cost Muckerheide this time, as Lowney used the KHS grappler's aggressiveness to score a takedown and pull out a 3-2 win. Nevertheless, Nell was pleased with Muckerheide's career.

"He really came on nicely and had a great year," Nell said of the 33-7 campaign. "He's put in a lot of years of wrestling, and he certainly deserved it (placing at state)."

Wilke went on to the finals, where he eventually lost to Bowman, 5-2. "That (152 pounds) was a very evenly matched division," Nell said. "Anybody could have won that one."

Dzedzic, meanwhile, may have been feeling some of the jitters from being at his first state tournament. The freshman 103-pounder wrestled uncharacteristically in his opening match against Ellsworth's Chris Voelker, and Nell says nerves had much to do with that.

"Joel showed a little stage-fright out there," he said, explaining "that place (The UW Fieldhouse) is pretty big, and there were a lot of people there. So that's pretty intimidating."

Dzedzic's nerves showed, as he dropped a tough 3-2 loss to Voelker. "He really didn't shoot in for any takedowns," Nell said of Dzedzic. "It seemed like he was more afraid of losing, than he was trying to win."

The loss sent Dzedzic into the consolation bracket, where he met Weyawega-Fairmont's Cory Bachman. Dzedzic had to go to overtime, but was able to secure a 4-3 victory, setting up a match with Lake Mills' Brad Koele for fifth place.

"Joel had him on his back several times," Nell said, reporting that Dzedzic finally pinned

Koele early in the second period. The win and fifth-place finish allowed Dzedzic to finish the season with a 34-3 record, easily the best-ever by a KHS freshman.

"He had a lot better second day," Nell said of Dzedzic's first state tourney experience. "He was in by-far the toughest half of the bracket, so he wrestled pretty well."

"It was tough for him (in the first match), being a freshman and all," Nell went on. "But it was nice to have him down there. It's a good experience."

Nekoosa's Josh Jensen went on to win the 103-pound division, beating Jefferson's Tim Gehrman in the finals, 13-5. Gehrman had beaten Dzedzic last weekend at the Elkhorn Sectional.

Nell said he was more than pleased with the results of the tournament. Especially gratifying was the fact that DePere's Matt Manders ended up winning the Division 1, 171-pound title. Nell noted that KHS' Rich Farchione, who just missed qualifying for state with a fine 29-4 record, beat Manders 3-1 in the Oshkosh Lourdes

Invitational earlier this year.

"It shows that we have some kids in that caliber," Nell said proudly. "It's just going to be a matter of our kids doing the work in the off-season. They are already asking me about camps and those sorts of things, so I know these kids are serious about working hard."
