Tom Larsen Day Held

Jack Theusch, Town of Farmington Chairman, center, officially declared Wednesday, May 18, 1994, as "TOM LARSEN DAY," in honor of Tom's upcoming retirement. Tom is pictured at left. Diana Susen, right, gave the opening speech to students and parents. She also supervised the flag raising ceremony.

Open House Held at Quad Tool and Design

An Open House was held at Quad Tool and Design, located just south of Kewaskum, on Friday, May 20. Shown above at the Open House are the four partners of Quad with their spouses. Shown left to right, are: Kathy and Aaron Kuhlow, Mike and Julie Spuhler, David and Kathy Bublitz and Vernon and Mindy Jung.

Memorial Day Parade, Ceremony Here Monday

On Monday, May 30, the Robert G. Romaine Post No. 384 of the American Legion will hold their annual Memorial Day Parade. The parade to honor those who gave their all will be held at 9 a.m. beginning at the Kewaskum High School and proceeding to the American Legion on Fond du Lac Avenue, Kewaskum. A short memorial service will be held there.

All Legionnaires, Fire Department members, Boy Scouts, Girl Scouts, 4-H youth groups, ect., are invited to march in the parade. Participants are asked to meet in front of the Kewaskum High School at 8:45 a.m.

The parade route is from the high school to Third Street, south along Parkview to Main Street, west on Main to Fond du Lac Avenue and north to the Legion grounds, where the ceremony will then be held.

In case of rain, the program will be held in the High school auditorium at 9:30 a.m. Marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by Captain Andrew Morrow.

Captain Andrew Morrow is a native of Racine, Wisconsin

Graduation At KHS Friday

On Friday, May 27, the Seniors, Class of 1994, of Kewaskum High School, will be the center of attraction. The Commencement will be held in the Field House, and the class will march in to the strains of "Pomp and Circumstance" beginning at 8:00 p.m.

Justin Hanson will be giving the class speech, Walter Camacho and Maik Merz, two of the international students, will be saying their farewell, and Mandy Thiemer, the class president will be presenting the class gift to the school. Debbie McChain will read the "Closing Reflections" and the end of the program. The Concert Choir

will be singing "Friends," while the Symphonic Band will play "Tears In Heaven."

The Class of 1994 has chosen the rose as the flower, deep purple and metallic silver as colors, "Time For Me To Fly," as the class song and will be leaving money to help with the expense of the new football scoreboard.

Recognition of special attendance and the presentation of the Valedictorians and Salutatorian will be a part of the program.

The public is cordially invited to attend the graduation ceremony of the Kewaskum High School, Class of 1994.

Festive balloon bouquets welcomed visitors and decorated the inside of the Quad Tool and Design building south of Kewaskum during their Open House held Friday, May 20.

Kewaskum JCs Plan Fundraiser For Park Gym Set

This year the Kewaskum JC's softball players will be helping the JC's have a mug fund raiser.

The JC's are raising money for a gym set for one of the local parks. Players participating in the fun raiser will be able to receive a mug free plus earn other prizes. A JC member will explain the program to each team at one of their practices.

The fund raiser will start mid June and run approximately two weeks. All information will be explained when mugs arrive. Various logos will be available on the order forms. Take a look this summer when a player comes to your door to find one that fits you. They make great gifts, so start Christmas shopping early this year for those people you never know what to get for.

Besides a great gift you will

be able to see your participation at one of the parks, hopefully this year or early next year.

Again players do not have to participate in this fun raiser, but prizes can be earned plus there own mug if they do.

Anyone interested in joining the Kewaskum JC's who is 21 to 40 years old our monthly meeting are the last Thursday of the month at the American Legion Hall at 8 p.m. or call 626-2209 or 626-2073 for more information.

Kewaskum is growing in size, quickly with more membership involvement. So much more community work could be done. Join us with your ideas to make them reality.

NEWS NOTE

The Village of Kewaskum Municipal Building will be closed on May 30, 1994 in observance of the Memorial Day Holiday. Regular business hours will resume on May 31, 1994.

Village of Kewaskum NEWS NOTES

The Village of Kewaskum recently had the water rates reviewed by the Public Service Commission. The rates were adjusted as well as some of the rules governing the operation of the utility. One of those rule changes is addressed in schedule B-1 which refers to the **Bulk Sale of Water**. This provision allows the Village to sell bulk water and to fill swimming pools and establishes the appropriate charges.

The utility personnel shall supervise the delivery of water and the customer shall be charged as follows:

Service charge -- \$12.00
Plus volume charge -- \$2.00 per 1,000 gallons

If a pool is filled the contemporary method the customer pays \$1.03 or \$.81 per 1,000 gallons for the water and \$1.718 per 1,000 gallons for sewage.

Example: To fill a 15,000 gallon swimming pool using the new method the cost would equal:
\$12.00 plus \$2.00 times 15 equalling \$30.00 for a TOTAL of \$42.00.

To fill a 15,000 gallon swimming pool using the contemporary method the cost would equal:
\$1.03 times 15 equalling \$15.43 plus \$1.718 times 15 equalling \$25.77 for a TOTAL of \$41.22.

If you have any questions regarding this issue please call the Municipal Building at (414) 626-8484. Thank you!

Warobick-Tenfel Win Best Ball Title

By Noel Stollenwerk

KEWASKUM -- The saying in golf says that you hit for show, but putt for the dough. But that's not exactly the way things worked out in the playoff for the annual Hon-E-Kor Country Club Best Ball Championship here, last weekend.

West Bend's Randy Warobick pulled out his driver on the tricky number 10 hole and promptly drove the green on the 325-yard layout. Two putts later, Warobick and partner Frank Tenfel clinched the title in the championship flight of the tournament.

The Tenfel-Warobick-duo had tied the team of Craig Anderson and Paul Kostelac with identical 137 scores through 36 holes. On the first playoff hole, however, both Anderson and Kostelac played it safe, using irons off the tee.

After Tenfel hit a solid first shot, Warobick decided to go for the green, and his shot was perfect. After missing the eagle try, Warobick nailed the birdie putt, and the title belonged to him and Tenfel.

The team of Joe Doherty and Mike Maurer was third (138), one shot back, while the Dan Ley-Dan Kochinski and

Gary Sullivan- Jerry Sullivan duos were tied for fourth (142)

In the First Flight, the team of Dave Denis and Mike Stickney edged Herman Berndt and Dale Jung by a single stroke, 147 to 148. Bob Rolff and Joe Volesky were third with their 149 total.

In Flight Two, it was Buck Averill and Tom Larsen winning with a total of 150. The teams consisting of Ron Roensch-Lou Santini, Bill Frederichs-Jim Molanda, and Dick Wiator -Tom Bartelt were all tied for second with 152s.

The team of Jim Dorn and Rich Schuetz won a playoff in Flight Three to outlast Tim Rondorf and Chuck Rondorf. Each had shot 26-hole scores of 166 to advance to the playoff. Steve Langlois and Jerry Moeller were third (167).

Cesar Jr. remained on the dean's list throughout his years attending the university.

55th Class Reunion Held

The Kewaskum High School Class of 1939 celebrated their 55th class reunion on April 10, 1994, at the Amber Hotel in Campbellsport.

Eleven of the original 25 class members have passed away.

Those members who were in attendance were:

Hazel Darmody Weinand, Annette Beilke Kruepke, Lucille Theisen Petri, Claire Horn, Shirley Werner Schuppel, Annabelle Grotenhuis Tessar, James McKee, Evelyn Kreiser Bodden, Wesley Kuehl and Marlin Teschendorf.

The committee consisted of Bernard Horn and Beulah Westerman Beisbier.

Rummage Sale Set for June 18

Saturday, June 18, is the date that has been chosen for this year's citywide rummage sale being held throughout Kewaskum.

An extensive advertising campaign is being planned to generate interest and draw large crowds to the village. It is also planned to have maps available showing the location of each of the rummage sales. Deadline for entry into the rummage sale is June 1st.

To offset the cost of the advertising and to afford having the maps printed, each participant is asked to make a \$3.00 donation.

Start accumulating your treasures and set June 18 aside to have a wonderful day. If you have any questions, you are asked to contact Richard Yahr at 626-4369.

'Rock 'N' Read' at the Library This Summer

The Kewaskum Public Library will again sponsor its annual Summer Library Program.

This year's theme is "ROCK 'N' READ." It will be a celebration of music of all kinds, and the library will offer a variety of special activities. Summer library programs help children keep up their reading skills and stimulate their interest in the excellent books and other materials at the Public Library.

Research carried out by the U.S. Department of Education shows that the more reading students do outside of school, the higher their reading achievement levels are. Support at home for reading also has a very positive impact on their achievement. The Summer Library Program is sponsored each year by the Wisconsin Department of Public Instruction, Division for Library Services.

Registration for "Rock 'N' Read" will begin on Monday, June 6, and continue through Friday, June 17, for children ages two and older. Children should have a valid library card, and any fines should be cleared BEFORE registering. Children will receive a reading folder in which they will keep track of the time they spend reading. Younger children can keep track of the time someone reads to them. Children may begin keeping track of their reading as soon as they register and receive a folder.

Small prizes will be awarded after reading specified lengths of time, and prizes may be collected throughout the summer BEGINNING JUNE 20, when the program officially starts. Parents will need to sign the folder before presenting it at the library for prizes.

Children are encouraged to read as much as they want, and receive as many prizes as they wish to earn. Books read should be from the Kewaskum Public Library, and should reflect the child's individual reading level. Since the library will measure TIME spent reading, the number of books read does not matter. You don't even have to keep track of titles and authors! All reading folders must be presented no later than July 29 in order to receive prizes.

There will be stories about making music of many kinds among the tales told at weekly storytimes on Friday mornings from 10 to 10:45. Although these storytimes will be geared to the younger (pre-school) children, ALL AGES are welcome to attend. Children should be registered as a "ROCK 'N' READ" participant, but do not need to sign up for storytimes...

just come!

Crafts, stories, and other activities will be shared in weekly library hours with children who have completed kindergarten, first or second grade. Younger children will NOT be admitted. These sessions will be held on Wednesdays afternoons from 1 to 1:45 for registered "ROCK 'N' READ" participants... no need to sign up... just come!

For those who have completed third, fourth or fifth grade there will be sessions on Wednesday afternoons from 2 to 2:45 for registered "ROCK 'N' READ" participants... no need to sign up, just come! There will be a variety of crafts, games, and other activities geared to this older age group. Younger children will NOT be admitted.

Three special entertainment programs will be held (for ALL AGES). On June 20 there will be a visit from Ms. Frizzle and the Magic School Bus at 11 a.m. at the library. There will be stories and treats for all!

Plan to also attend a special performance by Reid Miller on July 13 at 6 p.m. in the Community Room. Enjoy music, song and humor with plenty of audience participation.

Next, mark your calendar for the Rondini Magic Show on July 25 at 3 p.m. in the Community Room. A great time is planned for everyone!

A calendar of all activities is available at the circulation desk. Enjoy the Kewaskum Public Library this summer!

Fraud and The Elderly

Older people are especially vulnerable to con artists' tactics. Beware if someone tries to convince you of impending disaster, such as a dangerous furnace or leaky roof. Such tactics should ring alarm bells.

*Avoid pressure that you make an immediate decision. A legitimate deal leaves time for you to think it over.

*Don't be pressured into making a down payment to guarantee that you will go ahead with the deal.

*Never sign a contract with blanks. (A con-artist may tell you that the rest of the information will be filled in later.)

*Be wary if you are told not to read the "small print."

*Never give your credit card or bank card number to someone you don't know.

The cat-gut used to make strings for violins and tennis rackets has nothing to do with cats. The word comes from *kit*, an old term for a small fiddle.

Sara Dreher Receives English Award from Achievement Academy

10% of all American high school students.

Sara Dreher, who attends Kewaskum Middle School, was nominated for this National Award by Mrs. Kathy West, an English teacher at the school. Sara will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Sara is the daughter of Brian and Teresa Dreher of Kewaskum. Her grandparents are Earl and Blanche Dreher and Nathan and Lucille Nigh, all of Kewaskum.

Special Olympics Held

The Kewaskum Special Olympics 1994 Area Competitions for Aquatics and Athletics have been completed.

Swimming competition was held at the Schroeder YMCA in Brown Deer on April 23. Brian Hanrahan placed 1st in the 50 meter freestyle and 2nd in the 100 meter backstroke and 4 x 50 meter freestyle relay.

Track and Field athletes rallied through cold and wet weather on May 7 to demonstrate their Kewaskum Spirit! This event was held at Nicolet High school. Justin Petermann placed 2nd in the 100 meter run and 4th in the standing long jump. Amy Wieting and Jeff Puestow both placed 1st in the 50 meter run and the standing long jump. Jennifer Strancke placed 2nd in the softball throw.

Jenny, Amy and Brian will

go on to compete at the Wisconsin Chapter Special Olympic Games on June 9, 10, and 11 in Stevens Point. Congratulations to all athletes and good luck at State!!

The Pledge of Allegiance and the 4-H Pledge were led by Graeme and Brooke Zanow. Roll call was taken and the Secretary's report were given and accepted.

The following Committee Reports were given: Heather Hackbarth reported on the Music & Drama tryouts; Jessica Lendved reported on the Music & Drama Festival; Jennifer Rogowski reported on the Speaking and Poster Contest; Heather Hackbarth reported on the Colorpoint Painting Craft; Joanne Lemke reported on the Visual Arts meeting; and the Zanow family reported on the Special Emphasis Walk.

Joanne Lemke discussed on the details of having a brat/hamburger sale in front of Sentry Foods in Kewaskum from 10:00 a.m. to 4:00 p.m. on Saturday, June 4th.

The date of Sat., May 7th was set for our Adopt-A-Highway clean-up. Members decided to meet at Goeden's in St. Michaels at 1:00 p.m.

Our next club craft will be a ceramic shelf animal. We will meet at Buettner's Ceramics in West Bend at 10:30 a.m. on Sat., May 21.

The upcoming Washington County Fair was discussed. It was agreed that we will register for a time slot to operate the 4-H refreshment stand, help on fair set-up day, make a fair booth display, participate in the Anything Goes Contest, and contribute to the Silent Auction.

Club member Nicole Johnson celebrated her birthday in May.

Jessica Barnes gave a demonstration on her cross-stitch hobby.

The meeting was adjourned and refreshments were served by the Hackbarth family.

Our "Family Walking" presentation was postponed and will be presented by Ann Marie Craig at our June 2nd meeting.

Memoirs of a Korean U.S. Air Force Veteran

THURSDAY, MAY 26, 1994 PAGE 9

During one very special 36 hour period during a combat tour of duty as a B-29 crewman in 1952 during the Korean War flight engineer Wally Daggett, now of Kewaskum, recalls the happenings for posterity.

Recently, during the winter of 1994, the world famous Ted Williams of baseball fame was honored by being named to the National Hall of Fame to join such greats as Babe Ruth, etc.

In the 36 hour period mentioned above I had the great honor of meeting then-Captain Ted Williams, U.S. Marine Corp Panther Jet Fighter Pilot, but... I am getting ahead of my story.

This particular late night mission was scheduled for take-off at midnight. By this mission we were veterans having more than 15 missions under our belts. This particular mission was one of maximum effort. It meant that both bomb bays would be fully loaded and would involve three squadrons of B-29s. Our point of destruction was the hydro-electric power plant dams on the Yalu River. To make our bombing run we were forced to fly over so-called neutral territory Manchuria.

We knew if we were shot down or became lost over Manchuria, our government would lay no claim to us. In other words we were written off, as we were not supposed to be in Manchuria. We had no choice. We were a lead crew and as the flight engineer, the operation of the plane was entirely in my hands.

Over the target I lost number four engine because of flak. We dropped our bombs and after leaving the target area, number three engine on the same side of the plane started acting up. We nursed number three along at half power. We were in deep trouble and a decision had to be made as to whether we bail out over South Korea or attempt to land our B-29 at a fighter strip near the 38th Parallel. We opted to land our plane if possible.

There were no air strips for bombers in Korea. Opting to land on a fighter strip would pose a serious hazard for us as a fighter strip is much, much shorter in length and the strip isn't built as strong because fighters are much lighter in weight. This fighter air strip was built on a plateau surrounded by very rough terrain and at the end of the runway was quite a drop-off.

It was a difficult landing. The sun was coming up and we had made it. We all survived to fly again but the same could not be said for our plane. The B-29 never left the fighter strip and was scrapped out not far from where we set her down.

As the crew and myself were thanking our Heavenly Father for a safe landing, a Mayday came over the VHF (very high frequency) radio. A Marine panther jet fighter pilot could not get his landing gear down nor could he get his

Wally Daggett, now of Kewaskum, at the flight engineer's control panel on an Air Force B-29 prior to a night bombing strike in North Korea during the Korean War. The airman flew on a lead crew of the Japan-based 98th Bomb Wing and was awarded the Air Medal, UN Medal and Korean Service Medal.

canopy to jetson (fly off) so he could bail out.

The runway we had just landed on a few moments earlier was foamed in preparation for a gear up landing to enable the jet to slide to a stop on the runway without hopefully causing too much damage to it. It is also helpful in the event of a fire. The pilot was advised to land gear up.

As the jet hit the air strip, the canopy released. This may have occurred due to impact. As the panther jet skidded to a stop to the side of the runway not far from our B-29, a long, langy pilot jumped out and ran so fast his nose looked from where we stood to be only several inches from the ground, but the adrenalin enabled him to keep his balance until he reached a safe distance in the event his panther jet exploded.

It did not explode, as the ground crew immediately extinguished any sparks and it stopped smoking.

The panther jet fighter pilot was none other than the already famous ball player Ted Williams. Captain Williams was what we call a retread. In other words, he was a reservist called back to active duty. I dare say, even Ted Williams never ran as fast as he did that day from his jet.

During debriefing, I overheard him say, "I just got started on this tour of duty, and at this rate I'll never finish it." I believe he was returned stateside after forty missions. At this chance meeting Ted Williams was about 34 years old, which is pretty old for a jet pilot.

He, as members of my crew, were active reservists who answered the call to serve their

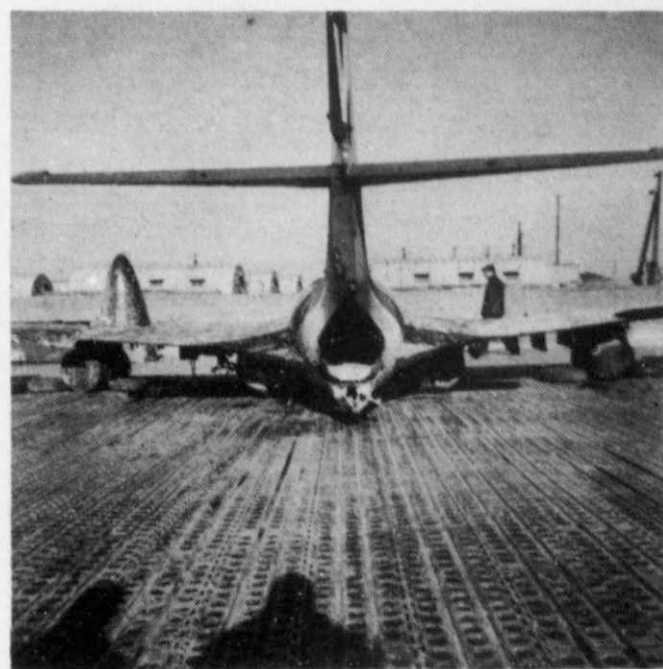

Country without a moment's hesitation or complaint. Each of us was unique and presented a cross-section of the United States.

Here was Ted Williams, a famous baseball player, my aircraft commander was a commercial airline pilot, the co-pilot an electrical power plant operator from Seattle, Washington, the navigator, a rural mail carrier from Kansas, the radar operator had just graduated from college with a C.P.A. who had flown tours in Europe and the Pacific during World War II, the bombardier was a cotton and wheat farmer from Tennessee, two gunners were cowboys from Montana, the tail gunner and the central fire control gunner were from the Eastern part of the United States and then there was me from Washington County, Village of Jackson, in the State of Wisconsin. I believe the radio operator was from Missouri.

After debriefing, I headed to the mess hall, as I was hungry. To my total surprise, a West Bend High School classmate and football player buddy of mine was walking towards me and gave me a bear hug... all 240 pounds, 6'2" Bob Gonring.

Bob was assigned as a maintenance supply sergeant at this fighter air base located near Seoul, and the 38th parallel. We were allowed to have a shot of "Old Stag" after each mission, but Bob had something far better he shared with me instead, and we talked whenever the opportunity presented itself, and that evening.

That night our crew slept near the main air strip in tents on the ground with folding cots. The main airfield was guarded heavily but we were situated

along the perimeter with minimal security. All my flying gear including a parachute and my 45 handgun, shoulder holster and ammo was all stowed under my cot.

The next morning a two engine cooney bird (C-47) was to fly us back to our base at Yokota Air Base, Fusa, Japan. When I awoke my 45 and ammo was missing. I reported it missing before leaving K13 or K15 (I can't remember which) for Japan. All fighter strips were Ks with a number.

I was told that more than likely it was a North Korean posing as a South Korean. Civilians often begged for food and odd jobs at this forward air strip. Lucky for me, and probably because I was so tired that when my head hit that cot, I was out, or I might have been stabbed, which had happened on other occasions to G.I's there.

When our crew returned to Japan I reported that my 45 handgun, holster, and ammo had been stolen. The supply sergeant told me I had to pay for it before another one would be issued. At an inspection prior to another mission we were about to fly, my squadron commander questioned where my gun was. I told him if I was expected to pay for one, I would go without it.

I flew that mission without a gun. While on our mission, the

squadron commander went to see the wing commander who in turn ordered the supply sergeant to outfit me with another 45 handgun, shoulder holster and ammo at no charge to me.

Upon my return to base I was ordered to again see the supply sergeant and that I would get what I needed. The wing commander was very irate with this incident when something was lost in combat. Needless to say, from that point on no combat flight crews of the 344th Bomb Squadron, the 98th Bomb Wing, had anymore problems with supply.

About two weeks later, a flight from Korea returned my gear to me. I was informed that when the MPs (Military Police) were searching through clothing of some Koreans, my gear was recovered. I returned that gear back to supply.

After I finished my combat duty tour, I never again saw members of my crew from the 98th Bomb Wing. The same can be said for Ted Williams and my high school buddy Bob Gonring.

I remained in the Air Force for another two years flying KC-97 tankers anywhere in the world as a flight engineer fueling fighter planes in midair. After leaving the military on active duty, I spent many years

as a reservist ready to answer the call, like so many before me, if my Country needed me without hesitation or complaint.

It does anger me when I hear the Korean War referred to as "The Forgotten War" when 54,246 American men and women gave their lives in three years (July, 1950 - July, 1953), whereas about 58,000 American men and women gave their lives during the years 1965 to 1975 in the Vietnam War.

When we first entered the Korean War, Allied bombers and fighter planes supported Allied troops, killed enemy troops and damaged Communist bases. General MacArthur wanted to bomb bases in Manchuria and use other "all-out measures."

President Truman and his military advisors in Washington believed such actions might lead to a third World War, so on April 11, 1951, President Truman removed General MacArthur from command. MacArthur believed there was no substitute for total victory. Will history in the long run bear him right?

Russia supplied North Korea with MIG-15 jets. Russia did more than supply them with jets --- Russian pilots flew them along with Chinese pilots. VHF radios during MIG fighter attacks in MIG Alley picked up their voices.

In November of 1950 China sent a huge force against the Allies. Now, in 1994, the "Forgotten War" comes back to haunt us. Same players but now with an added menace --- North Korea's nuclear capability. Just as we were fighting Chinese during the Korean War, we will be fighting Chinese again, because they have control over North Korea, as much today as during the Korean War. History will prove who was right, but I hadn't anticipated it so soon.

FOOTNOTE: I have the original snapshots of Ted Williams' panther jet after it landed at a Forward Air Strip in South Korea. Could someone please forward his address so I could send them to him?

In celebration of the day, students and staff were served cake at lunch time. This decorated cake shows the theme for the assembly program, "NO ONE CAN FILL YOUR SHOES." Money collected from the students purchased the cakes and a special plaque that pictures Mr. Larsen, bearing the quote, "Education is a Work of Heart." It will hang in the lobby at Farmington School.

The Farmington staff arranged to provide a limousine to transport Mr. Larsen to the Wayne School, where he also serves as principal and from there to the Retirement Tea being held for school district retirees. Above, students and staff wish Tom well as he enters the limo.

IN MEMORY

In memory of our son, Michael J. Fierke, Jr.

Only six short months after your passing, we celebrate the day you were born.

You would be twenty-three. We would buy you presents, things we know you wanted and needed, and by far deserved.

There would be cards from those who cared and loved you, and then dinner at a restaurant of your choice.

You would be surrounded by those who love you And in the thoughts of those who couldn't be with you!

But, this year will be different for us.

There will be no presents, but prayers,

No cards, but precious memories from those who care and love you,

For you have left us, but will always be our loving son and brother who would be twenty-three today, May 26, 1994.

We love you, and will always until we see you again!

Sadly missed and forever loved.

TOWN OF FARMINGTON, WASHINGTON COUNTY
KEWASKUM SCHOOL DISTRICT

Office of the Town Chairman

A PROCLAMATION

Let it be proclaimed that this day, May 18, 1994 shall be a day of honor and gratitude for one Thomas E. Larsen. For as much as he has served the community and school district of Kewaskum, Wisconsin for these last 35 years, as teacher, principal, citizen, and role model, be it known that this day we honor him with a small token of our respect and esteem.

Therefore, I, Jack Theusch, Town Chairman, Farmington, Kewaskum, Wisconsin, do hereby proclaim May 18, 1994, Thomas E. Larsen Day.

'Just Say No Club' Scholarships Awarded

Kewaskum High School seniors Karla Kirst and Randy Reysen were each awarded a \$100 scholarship May 11 from the Just Say No Clubs of Kewaskum, Wayne and Farmington Elementary Schools.

wishing to join in the Great American Smokeout. During last year's Christmas parade in Kewaskum, 90 members marched carrying signs and wearing special hats. Other activities have included the writing of a book, "1,001 Ways to Say No," a Just Say No pledge signing drive at the middle and high schools, providing coloring books for all elementary students, specially designed Just Say No t-shirts, the high school scholarships and performance by West Bend High School's PRIDE group.

Kirst and Reysen were chosen for the scholarships after winning a club sponsored essay contest, "Working Toward a Drug-Free Community," the 1993-94 school year Just Say No theme.

Money is raised for these activities and events by the annual sale of Universal Studios Just Say No Calendars and lollipops. The Clubs are entirely self-funded.

Karla Kirst, the daughter of Robert and Mary Jane Kirst, Kewaskum, plans to study marketing at UW-Oshkosh. She has been a member of the Peers 4 Peers organization for four years, is Vice President of the Spanish Club, and has participated in track and volleyball. She is also the photographer and printer of the school newspaper. Kirst was a volunteer helper with the Kewaskum Elementary Just Say No Club.

Randy Reysen, the son of Marshal and Trudy Reysen, Kewaskum, will attend UW-Oshkosh to study secondary history education. A Badger Boys' state senator, Reysen is a member of the Chess Club, Future Home Makers, Future Teachers of America, the debate team, the student roundtable, and the School Effectiveness Team. He is also vice president of the senior class and has been business manager of the yearbook for two years.

The Just Say No Clubs, led by Guidance Counselors, Cheryl Taylor and John Davies, are made up of 150 third, fourth and fifth graders united in their determination to lead drug-free lives.

Through various activities, Just Say No Club members work to promote their message of a drug-free lifestyle. Each October the Clubs provide specially printed ribbons for all students and staff, grades K through 12, to wear during National Red Ribbon Week. In November, for the past four years, members have made "vival Kits" for those who

The Town of Scott has a new supervisor. The board received only two applications for the position after Louis Luedtke, who had originally won the election, failed to take the oath. Applications were filed by Gary Vanderpool, N1986 Falk Road, and Ira Weber, 1749 Highway A.

At the time of the selection, neither of the candidates were in attendance. Supervisor Clarence Janz said, "I would have liked to have seen them here tonight so we could ask questions."

Supervisor Richard Bemis remarked, "Although both are equally qualified, Weber took the initiative to run for office in April."

A roll call vote for the appointment was a unanimous vote for Weber. Vanderpool arrived at the meeting shortly after the appointment and was advised to give it another try for the 1995 April election.

Anthony Cardiel, W7673 Highway SS and Ronald Kuhfuss, W7694 Highway SS, discussed a noise problem which is originating on a neighboring property. Cardiel described that the neighbors have established a "race track"

for dirt bikes only 64 feet from his house. The noise from the bikes is annoying Cardiel and Kuhfuss and are asking that the Town of Scott establish some rules on noise pollution.

Cardiel asked, "What will it be next, racing snowmobiles in the winter or perhaps a rock concert?"

He was advised to call a supervisor when the problem is occurring and possibly some type of neighborly solution can be worked out without the aid of establishing another town ordinance.

Committee appointments were approved with everyone being returned to the committee on which they served in 1993. Those spots vacated by retiring Clara Trapp will be filled by new supervisor Ira Weber.

Barbara Mileager, Brazelton Drive, has been hired to fill the vacant position of recycling attendant. She was the only applicant.

A low area north of the recycling center has been established as a drop-off site for stones and other clean ground fill. Concrete and wood will not be accepted. A set of regulations will be established at the June meeting. The site will be open for Town

of Scott residents only. The road committee has reported that crackfilling of

town roads has been completed and equipment is being readied for mowing.

Brownies Visit Zoo

Brownie Troop #36 from Holy Trinity, recently enjoyed a Girl Scout Day at the zoo. The council-wide event was held for all Brownie Troops in the Wau Bun Council. The theme was, "Dr. Seuss on the Loose." The girls were sent on a scavenger hunt throughout the zoo in search of Dr. Seuss "books." Surprises were received by the girls when a Dr. Seuss "book" was located.

Backtrolling Not Allowed

With the fishing season barely three weeks old, there is one major rule change that I thought I would bring to your attention.

Backtrolling is no longer allowed. A few years ago the law was changed to allow for back trolling. This caused some trouble in Northern Wisconsin with the fishing of muskellunge and fishermen pushed to have the law changed back to how it was. Position fishing now replaces backtrolling.

Position fishing means the style of fishing where the fishing line is maintained vertically into the water while the boat is maneuvered using a motor. Position fishing is allowed statewide. Forward and backtrolling are still allowed on waters identified as, motor trolling permitted, in the 1994 fishing regulations.

How is position fishing different from trolling? Under the new rule, you may not play out and trail lines from the boat while moving across the lake in a consistent and uninterrupted fashion. Use downriggers or planer boards to trail live baits or artificial lures while operating electric or outboard motors. Trail a minnow behind the boat while casting an artificial lure with the uninterrupted use of a motor, gas or electric.

One other change of local interest is, electric motors are now allowed on Mauthe Lake, Lake Seven, and Butler Lake. In the past no motors of any kind were allowed on these lakes. You can also use a boat that has a gas powered motor attached to it as long as you do not use the gas motor and use only the electric motor.

If you have any other questions on backtrolling or anything else, feel free to give me a call.

Ostrowski Wins Modified Feature

(Plymouth, WI.) Pete Ostrowski of Milwaukee survived 5 red flags and a tricky track surface to win the 30 lap Modified feature in Eastern Wisconsin Stock Car Racing action Saturday night at the Sheboygan County Fairgrounds.

Ostrowski moved up from 12th starting position to take the lead on lap 16 when he made a daring move around the outside of second place competitor K. J. Skelton of Cascade and early race leader Dan Dittrich of Sheboygan entering turn four of the 1/4 mile clay oval.

The Milwaukee driver then pulled out to a half straight a way advantage over the rest of the field on his way to his first win of the season. K.J. Skelton came in second, Bill Warren of Beaver Dam was third, Chuck Melis of Plymouth came in fourth followed by 1992 & 1993 track champion Donny Goeden who came back from an accident on lap 9 to finish in fifth place.

In other racing Saturday night, Rick Buslaff of Campbellsport won the Modified C semi- feature. Eddie Staehler of Kewaskum won the Modified B semi- feature to lead the list of eight qualifiers for the Modified feature event. Todd Gerlach of Random Lake grabbed the checkered flag in the Sportsman semi- feature.

Sarah Williams is Three Time Rope Jumping Champion

Sarah Williams, Tom Larsen and Josh Meyer.

Sarah Williams, Jenny Harter and Katie Kurer.

Natasha Klein, Bridget Seil, Katie Kurer, Angela Rubin, Jenny Harter, Sarah Williams, Angela Seil, Becky McDonald, Josh Meyer.

Sarah Williams, a fifth grade student at Kewaskum Elementary School, is the 1994 Kewaskum School District Rope Jumping Champion! Her cumulative total of 154 included consistent scores of 52, 52, and 50 in ten-second periods at Wayne, Kewaskum and Farmington Schools, respectively.

Sarah is the only three-time champion in the twelve year history of the contest. Kim Staehler, also a Kewaskum Elementary student, had been District Champion in 1984 and 1986.

Sarah was District Champion in 1991 when she was a second grader and 1993 as a fourth grader. She had identical scores of 142 then, making her 1994 score of 194 a per-

sonal high in competition. When Sarah was in kindergarten, she took second place in Division I at the district level with scores of 34, 34, and 24. In 1990, as a first grader, Sarah's 146 total on jumps of 50, 44, and 52, earned her a first place finish in Division I.

Jenny Harter, a third grader at Kewaskum Elementary, is the first place winner of Division II. Her scores of 42, 50 and 48 gave her a cumulative total of 140. Katie Kurer, a first grader from Wayne School, won her division with a 107 total on

jumps of 35, 36 and 36. Two other contestants, Angela Seil and Angela Rubin, made their second appearance in district level competition.

This year, the students and staff of Wayne, Kewaskum, and Farmington Schools applauded the support and efforts of Principal Tom Larsen in the competition. He organized the unique format of travelling to each of the elementary schools during school hours.

Serving as announcer and official timer have been extra responsibilities that he assumed as Principal during the 12 years of the contest. Mr. Larsen has always encouraged students to use their talents and felt proud to see them achieve. He will be retiring this year, but will long be remembered by all.

Congratulations to all contestants!

Village Board Meeting Minutes

Regular Meeting
May 2, 1994
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Beisbier, seconded by Trustee Charles Waala and unanimously carried by voice vote, the minutes of the April 18 & 25, 1994 meetings were approved as printed.

Bid proposals for the Prospect Drive milling, tack coat and asphalt paving were opened and read aloud as follows:

- 1) Payne & Dolan, Inc., Waukesha, WI - \$5,448.00
- 2) Scott Construction, Inc., Lake Delton, WI \$7,300.00

On a motion by Trustee David Goeden, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board turned the bids over to the Administrator for review and a recommendation.

Chief of Police Richard L. Knoebel informed the Board that the Bicycle News Notes with the regulations and licensing information will be in the newspaper this week. Also general discussion was held on the in line skates and the current state legislation regarding them. The Board asked the Police Chief to monitor the situation.

The Board reviewed two quotes for the completion of the fencing at the Village Garage/Wastewater Treatment Plant as follows:

- 1) Century Fence, Waukesha, WI - \$1,998.00
- 2) Kettle Moraine Fence, West Bend, WI - \$3,800.00

On a motion by Trustee Robert Beisbier, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board authorized the low quote of Century Fence to complete the work at a cost of \$1,998.00.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Board of Review scheduled for May 9, 1994 12:30 p.m. to 4:30 p.m.
- 2) Centennial Committee meeting scheduled for May 9, 1994 at 7:00 p.m.
- 3) League and Taxpayer bulletins.
- 4) Reviewed digital mapping and data exchange for a county wide effort.

On a motion by Trustee William Kulas, seconded by Trustee John Borland and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	186,316.35
Sewer	56,551.41

Lady Indians Relax In Final Dual Meet

By Noel Stollenwerk

NEW HOLSTEIN, May 16 - Kewaskum girls track coach Perry Koth let his team have a little fun in the Indians' final dual meet of the season here last Monday afternoon.

Giving the Lady Indians the opportunity to choose their own events, Koth used the meet as a warm-up for the Eastern Wisconsin Conference meet later in the week. Thus, the 73.5 to 54.5 loss to New Holstein wasn't a problem for the KHS boss.

"With the conference meet coming up (three days later), we weren't going to run them hard and wear them out," Koth noted. "We basically let them run in whatever they wanted to."

Still, there were several outstanding performances by the Lady Indians. Heading the list was the tandem of Becky and

Katie Yogerst in the discus.

Becky won the event with a toss of 103-10, while Katie, a freshman, was right behind her sister with a throw of 100-10. Becky, a junior, also won the shot put with her 33-11.75 toss.

"That was her best throw of the season," Koth said of Becky's shot put effort.

Koth was also happy with a pair of young Indian sprinters, Jenny Strobel and Erin Stockhausen. The duo helped teammates Jenny Heisdorf and Jenny Jagielski win the 400 relay (54.7), while Strobel's 13.4 in the 100 dash, and Stockhausen's 27.7 in the 200, were personal bests.

"It was a fun meet," Koth pointed out. "We just wanted them to relax and get ready for conference. We weren't concerned with going out and winning the meet."

Lady Indians 0-3 in Tourney

By Noel Stollenwerk

WAUPUN, May 14 - It wasn't what one would call a stellar afternoon for the Kewaskum girls softball team as it participated in the Waupun Tournament here.

In three games, the Lady Indians went 0-3, and were outscored by a combined 43-6 in 13 total innings of play.

In their first game, KHS fell behind 2-0 in the opening inning against Oakfield.

The Indians responded with a run in the second, as Susie Vrana singled, and eventually came around to score after three walks.

The Oaks came right back with four more runs in the bottom half of the inning, making it 6-1. The lead eventually became 9-1, heading into the sixth, when KHS scored another single tally. Debbie Neumann walked, and again later came around to score after three more bases on balls.

That was it for the Lady Indians' offense, however, as Oakfield scored three more times in the bottom of the sixth to end the game, 12-2. Michelle Gundrum was the lone bright spot offensively for KHS, as she accounted for two of the Indians four hits.

In game two, the Indians were pitted against the tournament hosts, Waupun. The game was a blowout from the outset, as the Warriors scored 16 runs in the first two innings to open a 16-1 lead. Seven errors and five passed balls by the KHS defense helped contribute to the blowout.

Kewaskum scored a single run in the first, as Shelly

Williams scored on Gundrum's triple. KHS added two more runs in the bottom of the second, as Michelle Junk and Angie Bindrich scored on a passed ball and a sacrifice, respectively.

That was as close as the contest would get, however, as Waupun scored in every at-bat, rolling to a 24-4 victory. As has been the case all season, errors - 13 of them -- led to the KHS demise.

In the third game, the Indians played just two innings against powerful Mayville before KHS coach Janet Molebash decided to forfeit. Rain had begun to fall, making the field sloppy, and with the Cardinals ahead 7-0 early, it was decided that the game should be called.

The losses left the Lady Indians with a 3-15 record on the season heading into WIAA Regional play this week. On Tuesday, KHS played the winner of last Friday's Campbell-sport-Slinger contest.

and an error. Rick Peck had three hits and two RBIs for the A's and Doug Gonring picked up two hits, two RBIs and two runs scored.

Kewaskum travelled to Oshkosh on Sunday and came home with a big win. Scoring in every inning but the sixth, the A's beat the Merchants 18-4. Don Menzel was masterful on the mound, striking out 13 in eight innings and walking none.

Dave Pauers added two k's in pitching the last inning. Lead-off hitter Mark Schlosser had a big game, reaching base safely all seven times he batted. Schlosser had five hits, walked twice, and scored five runs. Doug Gonring went three for six with a homer and three RBIs.

Terry Koth combined with Gonring for back-to-back homers in the first inning and another hit and three RBIs. Rick Peck, Scott Donath, Todd Muckerheide, and Dave Pauers each had two hits with Peck, Muckerheide and Pauers driving in three runs each.

Kewaskum returned to Tri-County League play in a game at Waupun after several years' absence. Unfortunately, Waupun handed the A's a 13-2 beating. Craig Gorst hit a pair of homers and Mark Loomans had one for the winners. Seven walks and three errors also hurt the Athletics effort. Terry Koth picked up two hits for Kewaskum.

The A's next action comes on Sunday, May 29th, when they go to Oakfield for a 1:30 game. On Memorial Day, Kewaskum plays at Slinger, also at 1:30. Both games are Rock River league contests.

The A's will play their first game at the new diamond located in the Kiwanis Park on June 4th, when they host the Hustisford Astros in Tri-County League play.

KHS Boys Last At EW Relays

By Noel Stollenwerk

TWO RIVERS, May 19 - A thinnedout Kewaskum boys track team didn't have much of a chance in the Eastern Wisconsin Conference relays here, last Thursday.

So it was no surprise that the Indians finished last in the seven-team meet, accumulating just 32 points on the afternoon.

New Holstein took first place with 95 points, leap-frogging over Two Rivers (85), which had finished first in the EW Conference meet the previous week.

Sheboygan Falls was third, with 69 points, followed by Plymouth and Kiel, each with 58, Chilton (35), and the Indians.

"I really didn't expect much," said KHS coach Jerry Gosa, who along with son David were not able to attend the meet. "There wasn't a whole lot we could do."

The best KHS finish came in the pole vault competition, where the Indians were second. Brad Jackson led the effort, clearing 13-0, while Wade Kreis turned in a personal best 12-6. Brad Luterbach's 8-0 gave KHS

a 33-6 total height, behind only New Holstein's 35-6.

The sprint medley combination of Matt Tonn, Aaron Kurth, Andy Rix and Randy Thull brought home a third-place finish, crossing the line in 3:50.59.

Also finishing third was the high jump team of Travis Jacak, Dan Jesserig and Jackson, who cleared a combined 16-10, only four inches behind first-place New Holstein. Jacak's 6-2 height led the way.

KHS had a pair of fourths as well, as both the 400 relay (47.57) and 1600 relay (3:42.53) showed in their races. The 1600 unit consisted of Jackson, Rix, Tonn, and Heath Heise, while the 400 unit was made up of Kreis, Kurth, Jake Thull, and Jerod Pankonin.

While he wasn't disappointed with the showing, Gosa says that his team will have to put forth much better performances in order to do well at Monday's WIAA Regional.

The top three places, plus additional qualifiers, will earn the right to advance to Sectional competition on Thursday at Elkhorn.

Athletics Split

The Kewaskum Athletics split a pair of Rock River league games to run their record to 2-1.

Rubicon beat the A's by a score of 15-9, aided by 12 walks and three Kewaskum errors. The Red Sox jumped to a 6-1 lead in the bottom of the first on the strength of four walks, two sacrifice flies and only two hits.

Barry Wenzlaff tied the game for Kewaskum in the top of the fifth inning by blasting a long homerun with the bases loaded into a stiff wind.

Rubicon scored one run in the fifth and two in the sixth inning to take a three run lead but the A's evened the score in the top of the eighth. The Red Sox put the game away in the bottom of the eighth, scoring six times on four hits, three walks

Lady Indians Stymied By Two Rivers Pitching

By Noel Stollenwerk

TWO RIVERS, May 10 - It was two entirely different ends of the spectrum for the Kewaskum and Two Rivers girls softball teams here, last Tuesday.

While the Lady Indian pitchers were having trouble finding the plate, Two Rivers' Heather Stone's biggest problem was staying warm between innings.

Stone stayed hot enough to pitch a no-hitter for the Raiders in the opening game of a doubleheader between the two teams. Stone shut out KHS 10-0 in the opener, and then watched as her teammates bombarded the Indians in the nightcap, winning by a 20-2 margin.

Thanks to the ten-run rule, Stone only had to pitch five innings in the first game. She was impressive while doing so, striking out nine KHS hitters,

giving up three hits, but walking seven. Only three KHS hitters reached base, two via walks, and the other by a hit batsman.

In the nightcap, it was pitching that once again killed any KHS hopes. This time it was a combination of stellar Two Rivers' throwing, along with terrible KHS chucking.

Two Rivers allowed just one hit in the nightcap, that being a triple by Debbie Neumann to lead off the first. KHS pitchers Stephanie Heberer and Krahn, meanwhile, combin-

ed to walk 12 batters in the first inning, leading to 14 Two Rivers runs.

Krahn settled down after the nightmarish opening frame, holding the Raiders to six runs the rest of the way. But the damage had already been done in the first.

In the nightcap, Two Rivers outhit KHS 11 to one, although the Lady Indians did do a better job in the field, committing just three errors. Krahn and Shelly

Williams scored the two Kewaskum runs in the second and third innings, respectively.

The losses dropped the Indians to 3-11 overall, including 2-9 in the Eastern Wisconsin Conference.

Stone helped her own cause at the plate as well, hitting a home run.

The Lady Indians had their problems in the field, committing eight errors in the contest, compared to Two Rivers' one. Tanya Krahn pitched for KHS,

KHS Errors Lead to Loss

By Noel Stollenwerk

KEWASKUM, May 12 -- The hitting and pitching was much better for the Kewaskum girls softball team in its tilt against Plymouth here.

But once again, it was the KHS defense, or lack thereof, that led to defeat for the Lady Indians. Kewaskum committed eight errors, as it dropped an 8-6 decision to the Panthers.

The Indians finally got their bats rolling, outhitting the Panthers nine to seven. But as had been the case all season, the inexperienced Indians defense led to their demise.

"We got off to a slow start in the field," KHS coach Janet Molebash said of the lapses. "We made some key errors."

Errors led directly to three Plymouth runs in the top half of the first, putting the hosts behind. But Kewaskum came right back, scoring three runs, two coming on a single by Susie Vrana, to tie things in the bottom half of the inning.

That's the way it stayed until the fourth, when five more KHS miscues contributed to a five-run outburst by the Panthers.

But just as in the first inning, Kewaskum came right back in the bottom half of the fourth. Stephanie Heberer drove in two runs with a single, while Angie Bindrich also added an RBI double, pulling KHS to within two, at 8-6.

But that's the way it ended, as neither team could break through for another score.

"The team played well except for the third inning," Molebash said, adding that the effort was "our best hitting game of the year. All of our runs were earned."

Shelly Williams led the Indian offense with three hits, while Vrana and Bindrich each had two hits and a pair of RBIs.

The loss dropped KHS to 3-12 on the year, including 2-10 in the Eastern Wisconsin Conference.

KHS Girls Third at EW Conference Meet

By Noel Stollenwerk

SHEBOYGAN FALLS, May 12 - After realizing just how strong a team that Two Rivers had this season, Kewaskum girls track coach Perry Koth modified his goal of winning the Eastern Wisconsin Conference meet.

Instead, Koth was hoping for some solid efforts and a strong team showing. He got both counts, as KHS recorded four firsts en route to a third-place finish in the meet.

The powerful Purple Raiders won the meet, as expected, amassing 151.5 points. New Holstein was close behind (144), followed by the Indians (117.5), Sheboygan Falls (67), Chilton (60), Kiel (51), and Plymouth (50).

"Their second and third people (in each event) were just too strong," Koth said of Two Rivers' strengths. "They just have a great team this year. So does New Holstein. It's hard to beat teams like that."

Nevertheless, Kewaskum did get several fine performances by its veteran runners. Junior Greta Kuphal paced the Indians with double wins in the 100 dash (13.66) and 200 dash (27.16), and by helping the 1600 relay take second (4:16.8).

"Greta just had a great meet," Koth said. "She won both her races clearly. Nobody was close in either one."

Senior Ginger Wiesner joined Kuphal on the 1600 unit, and also had a stellar afternoon. Wiesner won the long jump (16-2), and added a second in the 400 (63.1). "She did real well," Koth added.

Mary Yahr also "had a real good meet," according to the KHS coach. Yahr was also a member of the 1600 unit, along with Missy Rohrer, and added seconds in the 100s (17.67) and 300 (51.84) hurdle races.

The Lady Indians did well in the weight events. Junior Becky Yogerst won the discus with an effort of 102-1, while her sister Katie was fifth with her toss of 96-6. Becky also added a fourth in the shot put (33-11).

"All of the upperclassmen

seemed to rise to the occasion," Koth pointed out. The younger KHS runners, however, "didn't do as well as I thought they would. But that's expected, I guess. It was their first conference meet."

Freshman Marni Lynn did well, taking third in the 3200 (12:30.34). Fellow frosh Heather Downs added a fifth in the 100 hurdles (17.9), while sophomore Kelly Schreffler was fifth in the high jump (4-8).

The Lady Indians had several sevenths and eighth-place showings, but it wasn't enough to match Two Rivers and New Holstein.

"Look at the 100 dash for example," Koth said. "We had a first (Kuphal), seventh (Jenny Jagielski), and an eighth (Jenny Strobel). Two Rivers had a second, third and fifth, and they outscored us. It's hard to beat a team like that."

"They just outmanned us," Koth went on to say. "I'm not disappointed at all, though. We did as well as we could."

Hunter Education Class Graduates

Hunter Education graduates pictured at the New Fane Sportsman Clubgrounds include, row one, left to right: Dusty Kuehl, Matt Bauer, Keith Heberer, Jesse Arndt. Row 2: Jeremy Knorr, Nick Kallmyer, Dani Wietor, Crystal Kuehl. Row 3: Jeremy Gerlach, Jason McKeever, Jolene Trapp. Row 4: Mike Berger, President of the New Fane Sportsman Club and Thomas Bauer.

Twelve hunters recently completed the Wisconsin Hunter Education Course sponsored by the Kewaskum Police Department, the Kettle Moraine Sportsman Association and the Department of Natural Resources. The instructor was Richard Knoebel, a certified DNR hunter education instructor.

Students who successfully completed the basic course received a distinctive embroidered emblem, attached to a blaze orange hunting cap, and a lifetime hunter safety certificate. They are: Jesse Arndt, Matt Bauer, Tom Bauer, Jeremy Gerlach, Keith Heberer, Nick Kallmyer, Jeremy Knorr, Crystal Kuehl, Dustin Kuehl, Jason McKeever, Jolene Trapp, and Dani Wietor.

The course included lessons on hunter responsibilities, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and outdoor skills.

All graduates were also given the opportunity to fire rifles and shotguns at the New Fane Sportsman Club grounds to test their new skills. The range and facilities were donated by the New Fane Sportsman Club.

Theisen Places In Bowling Tourney

Julie Theisen of Kewaskum took third place in division 3 of the Wisconsin Women's Bowling Assoc. Championship Tournament, which was completed on May 8th in Appleton. Julie finished with a score of 1666.
