

New Recycling Regulations for Town of Scott

By Bernadette Mondloch

With a number of new recycling regulations only six months away, the Town of Scott is launching an educational program to develop better informed citizens and to reduce the stress required to operate the town's recycling center in a proper manner.

Ann Marie Wixum, chairperson of the Citizens Recycling Education Committee reported that her committee has ordered vests which will be worn by workers at the recycling center, so people using the facility will know who to speak to for assistance or to obtain information regarding disposal of the recy-

clables.

The committee is also planning signs to show where items should be deposited, and bulletin boards which will hold pamphlets and announcements regarding recycling. Wixum said that her group is making plans on recruiting service organizations, the local 4-H club and other interested parties to assist with the Saturday operation of the recycling center.

A different type of disposal will also be discussed at the next committee meeting. It is the problem regarding grass clippings and stones which are being deposited in the ditches. Town Chairman Lester Benzschawel predicts that the

county will be coming down with an ordinance which will carry heavy fines for this type of littering. The town will also be doing its bit in restricting such activity.

Last month the board announced that it was making plans for a disposal area for stones and rocks. It had planned on establishing a few rules to govern the site and was to have made an announcement of those rules at the June meeting. Even before the site could be established, it is being abused. An unknown party has visited the site and deposited rocks and grass clippings. Because of this act of littering, it was decided to refer the whole idea to the recycling education committee for a recommendation of how, if at all, such an area should be established. The next meeting of the committee is scheduled for 7:30 at the Scott Town Hall on Thursday, July 7. Interested parties are welcome to attend.

A unique situation developed during opening of sealed bids which had been submitted for the purchase of a new one ton truck for the highway department. Three bids were received, however, only one contained a quote and that was not for the 1994 model truck which the town had specified.

Bids were received from Adell Motors, Adell; Cornell Motors, Plymouth; and Bob Fish, West Bend. Each indicated that they were unable to bid on the 1994 model because of the lack of availability. One of the bids did contain a price for a 1995 model, the other two welcomed the opportunity to bid again once prices were available. Production of the 1995 models is expected to begin in September. Because of this situation, plans are underway to request bids at a later date.

Two proposals were received for chip and seal application for town roads. One was from Scott Construction, for \$20,844 to do 4.53 miles of town road, the other was from the Sheboygan County Highway Department for \$20,400. Because of a math error in what first appeared to be the lower bid, the contract was awarded to Scott to apply chip and seal to Cranberry Road, Leisure Lane, Camp Awana Road North, Binder Lane, Forest View, Coon Valley Lane, Ida Lane, Krahn road and Staeger Lane. Work is to be done in early August.

The Sheboygan County Highway Department has been contracted to apply "fly ash" to

Cranberry Road from Brazelton to County D, at an approximate cost of \$5,000 to \$5,200 per mile.

Irene Gnacinski was appointed to another three year term on the Random Lake Community Library Board. The term expires in 1997.

One year ago, requests were received to have an earlier time for opening of the polls on election day. The board honored the request and on a trial basis, made the decision to have the polls open at 8 a.m. instead of 9 a.m. Only four or five people have taken advantage of the earlier hour, but none of those who originated the request. Pollworker opinion was to go back to the later hour, and on a unanimous vote, the board agreed to return to the 9 a.m. opening time. This new time will go into effect with the primary election in September.

Approval was given to rezone from A-1 to A-6, a 3.1 acre parcel owned by Floyd Klug. A-6 is a classification assigned to small parcels of agricultural land which are under five acres and strictly dependent on the type of soil. The planning commission had recommended the zoning change because 65% of this A-1 parcel is made up of number three and four soils making the parcel buildable.

A picnic license was approved for the Beechwood Fire Department for June 25 and

26.

Cigarette licenses were approved for Kathy's Boutique, Tilly's, Grandma and Grandpa's, Valley Inn and Four Seasons.

Class B, Beer and Liquor licenses were approved for Tilly's, Grandma and Grandpa's, Valley Inn, Batavia Fire Department and Four Seasons.

Class B, Beer licenses were approved for Beechwood Sportsmens' Club and the Diamond Club.

Operators licenses were granted to Dan Soczka, Terry Krahn, Dale Burke, Gail Soczka, James Muench, Jay Johnson, Mark Hendrickson, James Sprosty, David Stange, Larry Last, George Gerschmel, Lloyd Merkel, Jody Rosio, Patricia Rosio, Michael Sodemann, Oliver Stuart, Lynn Lierman, Francis Michaels, Patrick Siegrist, Mary Ann Huettl, Jim Huettl, Cordell Horn, Richard Horn, Susan Weinlein, Eugene Guenther, Marvin Panko, Michael Schlieff, Rita Pavlik, Robert Ruemelin, Gary Vetter.

Town Scott Building Permits: Gerald Beaudry - re-roof - 10,000; Harry Peplinski - re-roof - 2,000; Ann Deverney - re-roof - 700; Gerald Beaudry - remodeling... no value was given; Diane Ringwell - deck - 4,000; James Muench - re-side - 3,500; Spencer Krahn - enclose deck - 700.

Mrs. Matthies Retires From Full Time Ministry

Bethel Matthies

The end of this school year brings retirement for a dedicated teacher at St. Lucas Lutheran School in Kewaskum. After serving at St. Lucas since 1977, Mrs. Bethel Matthies will no longer be on the full time staff.

She began teaching the third through fifth grades and for the past several years has been the first and second grade teacher.

Mrs. Matthies (nee Kahrs) was born in Escanaba, Michigan, the eldest of the six children of Rev. Harvey and Clara Kahrs. She attended various elementary schools in Wisconsin and after two years of high school in New London, transferred to Dr. Martin Luther High School in New Ulm, Minnesota, where she graduated in 1951.

She then enrolled at Dr. Martin Luther College to prepare for the teaching ministry. Her first assignment was at St. Paul's Lutheran School in Fort Atkinson, Wisconsin, where she remained for three years. She then taught in Hortonville,

Wisconsin, and continued to further her education in various classes at DMLC and UW-Oshkosh. From 1969 to 1973 she taught at Faith Lutheran School in Fond du Lac.

In 1957, Bethel married Myron "Mike" Matthies and moved to Campbellsport, where they have made their home since. Their marriage has been blessed with four sons: Jon and Jackie live in Fond du Lac with their daughter; Jeffrey and Julie reside in Kiel with two daughters; Timothy and Lyjia live in Watertown and have two sons and one daughter; Todd and Betty make their home in West Bend with one son.

Mrs. Matthies' leisure activities include gardening, reading, hiking and camping. Since Mike is also semi-retired they share these activities and enjoy spending time with their children and grandchildren.

St. Lucas is very fortunate that Mrs. Matthies will continue to help on the staff in a part-time basis. She will be assisting children with special needs for several hours each day. Rod Bollinger, principal of St. Lucas, said of Mrs. Matthies, "Mrs. Matthies was an outstanding teacher. She was very conscientious and dedicated to her teaching ministry. Her presence at St. Lucas enriched the lives of everyone who knew her and she served as an exemplary Christian model for all to follow. She earned the respect of her students, the parents and her teaching colleagues. It was indeed a privilege to work with her for the past eleven years since I have been at St. Lucas."

Shop for Bargains at City-Wide Rummage

By Sharon Callaway Roznik

It's time to break out your "mad money" for Saturday, June 18th, when Kewaskum will be brimming with bargains at their City-Wide Rummage Sale being held from 8 a.m. to 4 p.m. throughout the village.

Over fifty households will be offering great deals on their "quality" rummage, as well as several businesses setting up special bargains available on Saturday only.

Maps indicating the location of rummages will be available at the General Store Antique Mall, located at 1277 Fond du Lac Avenue, or they can also be picked up at the various homes having the sales.

Kewaskum Frozen Foods is planning a cookout in front of their business with charcoal grilled hamburgers, brats and hot dogs hot off the grill. (See ads on page 7).

Another business place offering a special in conjunction with the City Wide Rummage Sale is Tan-Talizer, Kewaskum's new tanning studio located at 133 Main Street, offering \$2.00 tanning sessions on Saturday.

Crafts, toys, clothing, antiques, furniture, household items and much more will be available on sale for bargain hunters at Kewaskum's City-Wide Rummage Sale Saturday.

Coordinator for this year's rummage sale was Richard Yahr of Kewaskum.

Beginner Piano Class On Local Cable T.V.

Starting June 22, you can take piano class in the privacy of your own home. The video taped class is a new offering on the West Bend Parks and Recreation summer program list and will run for six weeks on Star Cable channel 9. Air time is Wednesdays at 3 p.m. and a repeat airing on Thursdays at 6 p.m. The program is 60 minutes long.

Students signed up for the Rec. Dept. class meet at Mathis Music, 908 W. Washington St., West Bend at 9 a.m. once a week. Instructor Dale Mathis stated, "This is going to be a fun way to begin exploring music. All of the lesson tunes will be accompanied by a band!"

Mathis used his experience of being in a local wedding band for 25 years to come up with the interesting accompaniments that are recorded on a computer disk. The disk is inserted into a Yamaha Clavinova digital piano which plays back the recording at any tempo (speed) the student desires. Because the accompaniment always has a hint of the melody present, Mathis says that it is a bit like being in school band, "If you lost your place, you could always listen to the kid next to you, it's a terrific way to learn how to count."

Anyone with a piano or keyboard at home can take the T.V. class. You will need a \$4.95 music book which can be purchased at Mathis Music. After the six week class, you may continue learning more about music by signing up for one-on-one class at Mathis Music, with the cost being \$8.00 per week.

If you do not have an instrument, the same instrument that the class is being taught on is available on a rental basis. The cost is \$55.00 per month plus a delivery fee. All rent and delivery money is applied toward the purchase of the Clavinova. Mathis Music has had great response to Clavinova rentals. Clavinova is a fun piano and students that start on one, stay with music for a lifetime.

Dale Mathis taught this same class last summer for the Kewaskum Schools Summer program, it was very well received. He was asked by Kewaskum to offer it again this year, but opted for the possibility of a larger number of students

through his West Bend music studio and cable T.V.

For more information about the class or Clavinova rental, please phone 338-0646 weekdays.

Births

DONATH - A son, Eric Douglas, born to Lisa and Dave Donath of Kewaskum on June 9. Paternal grandmother is Dian Donath of Fillmore and maternal grandparents are Lee and Shirley Kempf of Kewaskum. Eric joins Breyan and Garrett at home.

JACAK - A daughter,

Courtney Marie, born to Michelle and Craig Jacak, West Bend, on June 10. Paternal grandparents are Clem and Judi Jacak of Allenton and maternal grandparents are Dan and Joan Truog of Kewaskum.

"My feet got so hot I turned my socks inside out to turn the hose on them."

ABC CLUB SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, June 7th were: Francis Gilboy, 23-2-21 net; Harold Eggert, 21-2-19 net, Joe Butschlik, spade solo vs 5; Francis Gilboy, Spade solo vs 4.

Hanson Chosen for Teen Leadership Program

Justin L. Hanson

Justin J. Hanson, of Kewaskum High School, son of Mr. and Mrs. James L. Hanson, of Kewaskum, will be one of over 200 participants from throughout the State involved in the "1994 Wisconsin Teen Leadership Program."

This Program recognizes outstanding young men and women in the areas of scholastics, athletics, community service, and extra-curricular school

activities. Less than 5% of Wisconsin's teens are invited to apply and only 40% of the applicants become participants.

Justin J. Hanson was selected to represent Kewaskum because of his academic excellence and community service record.

During the Program these achievers will participate in a variety of social and recreational activities, educational seminars and leadership events. The three-day event culminates with the naming of Wisconsin's Outstanding Teen Leaders for 1994. The young man and woman designated as Wisconsin's Outstanding Leaders will each receive a \$1,000.00 cash award.

Justin Hanson is sponsored for this event by: Herriges Oil, Inc. of Kewaskum; Sentry Food Store of Kewaskum, Kewaskum Frozen Foods, Nehrbass's Sausage Surplus of Kewaskum, Dr. Gregory G. Ogi of Kewaskum Veterinary Services, Charleen Barutha, West Bend Savings Bank, Kewaskum Branch, Heads Up Hairstyling of West Bend and Dick and Gail Ellis of Mermaid Water Services Corp.

Riveredge Wins National Award

The Garden Club of America awarded Riveredge Nature Center and Andy Larsen, Executive Director, the Elizabeth Abernathy Hull Award. The \$1,000 grant is given annually in recognition of work with children in the field of environmental awareness.

Throughout the 25 years of providing environmental educational programs to the greater Milwaukee community, awareness of the fragility of the earth and a commitment to its security, have been Larsen's goals. A growing number of adults who visited the Center as children have pursued vocations and avocations reflecting their commitments to the preservation of an environment suitable for all life.

The scholarship provided with this award is being designated to Riveredge, part for library acquisitions and part to the endowment program, thereby continuing to give to the children Riveredge serves.

Nothing succeeds like the appearance of success. Who is to know how many payments are left on the new car that you drive to the class reunion?

Kristi Gundrum Receives Award From Achievement Academy

Kristi Gundrum

The United States Achievement Academy has announced that Kristi S. Gundrum has been named a United States National Award winner in English and All American Scholar.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Kristi Gundrum who attends Kewaskum Middle School was nominated for this National Award by Ms. Mary Reilly-Kliss an English instructor at the school.

Kristi Gundrum will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Kristi Gundrum is the daughter of Joel and Lyn Gundrum. The grandparents are Lawrence and Cordelia Gundrum of Kewaskum and Roger and Jenny Racer of Sussex.

Local Students Receive Academic Honors

The Wisconsin Center for Academically Talented Youth (WCATY) presented 145 seventh and eighth grade students from northeastern Wisconsin with awards for their outstanding academic achievements. The Northeastern Wisconsin Talent Search Awards Ceremony took place on the Lawrence University Campus in Appleton on May 18, 1994.

Area students who received the award included: Rhett Engelking and Melissa Rady of Kewaskum, James Broughton of Fredonia and Scott Mueller of Adell.

The students qualified for the academic awards through their participation in Talent Search, a national program for administering advanced level tests to upper elementary and middle school students. Students in the Northeastern Wisconsin Talent Search Awards Ceremony took either the SAT or ACT tests typically administered to college bound high school juniors and seniors.

Students who score in the 95th percentile on their grade-level standardized achievement tests are eligible to take part in the Talent Search program. Administration of advanced-level tests to younger students assesses their capabilities in math and verbal reasoning beyond their current grade level. Schools then use the test score information to plan appropriate course work based on the students' needs and abilities.

Over 4,200 Wisconsin seventh and eighth graders took either the SAT or ACT this year. The ceremony award winners earned scores were above the mean scores of college-

bound high school seniors. WCATY is hosting other regional Talent Search Awards Ceremonies in Milwaukee, Madison and Eau Claire. All ceremony participants receive Olympic-style medals and certificates to commemorate their achievement.

According to WCATY Executive Director, Dr. Ellie Schatz, the awards ceremonies are an important way to support academic talent development. "We are used to giving awards to athletes and even artistically talented students. However, we aren't as overt in our praise for academic talent. We hope to show with these awards ceremonies that society values students who like to learn and who are good at it. I think we as a society are used to the idea that athletically and artistically gifted students are going to require a lot of support, but we tend to think that academically talented students will have all their needs met in school. Just as this isn't true for the would-be gymnast or pianist, it can't be true for the future mathematician or historian."

The Wisconsin Center for Academically Talented Youth is a nonprofit organization which provides programs and services

for gifted and talented students in the state. WCATY offers programs beyond what local school districts can provide, including weekend enrichment programs, summer residency programs, and parent and teacher guidance and support services. Major funding for WCATY has been provided by the Norman Bassett Foundation, Madison, and the Lynde and Harry Bradley Foundation, Milwaukee.

Non-Stick Coatings Not a Safety Hazard

If you like to cook in pans covered with non-stick coating, do so without concern about health issues. These coatings are made of fluorocarbon resin, an inert substance that does not react with food.

If a resin particle flakes off the pan and into your food, it will pass unchanged through your body. If you expose these pans to very high heat (500 degree F.), they may give off fumes, but at that temperature your concern should be for fire, not the fumes.

IN MEMORY OF DAN ZANOW

Dad, you're missed more than words can say.

Ten years ago we said goodbye on Father's Day.

You left an emptiness no one else can ever fill,

A place in my heart that's empty still.

You will always be a part of me,

As I'm reminded of you in so many things I say and do.

Please know that my life will always be,

filled with warm and loving memories of you.

Love,
Darryl

School District Competes in 'Read to Succeed' Contest

Students at Kewaskum Elementary School participated in the special reading program sponsored by Six Flags Great America coordinated by Ms. Kowalski, Kewaskum's Remedial Reading Teacher.

The "Read to Succeed 600-Minute Club" is a unique pro-

gram that motivates students to read for recreation and enjoyment. All students from kindergarten through fifth grade who read "just for fun" for a minimum of 600 minutes between January 27th and March 2nd were winners.

Each student received a Reading Certificate award from Six Flags. In addition, the winning students, along with their classroom teachers, received one free admission to Six Flags Great America theme park to be used any day between June 19th and July 31st, 1994.

The Kewaskum School District awarded 294 Great America tickets to winning students.

Top (Olympic) readers within the district will receive the outstanding Gold, Silver and Bronze medals and are as follows:

KEWASKUM ELEMENTARY SCHOOL 148 Winners

GOLD - Adriel Shulka, Grade 5, 2,500 minutes - Mrs. Nelson; **SILVER** - Julie Harter, Grade 5 - 2,347 minutes - Mrs. Lazarevic; **BRONZE** - Chad Marquardt, Grade 5 - 2,165 minutes - Mrs. Nelson.

FARMINGTON ELEMENTARY SCHOOL 86 Winners

GOLD - Juliet Tofté, Grade 2 - 1,825 minutes - Mrs. Dehler; **SILVER** - Lauren Nelson, Grade 5 - 1,735 minutes - Mr. Leader; **BRONZE** - Jesse White, Grade 1 - 1,570 minutes - Mrs. Dallman.

WAYNE ELEMENTARY SCHOOL 60 Winners

GOLD - Daniel Markeland, Grade 5 - 2,989 minutes - Mr. Beske; **SILVER** - Darrell Woebeking, Grade 5 - 2,730 minutes - Mr. Beske; **BRONZE** - Alison Yanke, Grade 3 - 1,810 minutes - Mrs. Olk.

Congratulations to all for a job well done!

DID YOU KNOW... "New Product News" says 1,099 new diary products were introduced in 1993? Almost half of them were ice cream, frozen yogurt products or frozen novelties.

Library Grants Awarded to System

The Mid-Wisconsin Federated Library System has been awarded \$42,577 in grant funds for improved services for its 33 member libraries in Fond du Lac, Dodge, Washington and Jefferson Counties. Four Library Service and Construction Act (LSCA) grants to the system were announced by the Wisconsin Department of Public Instruction late in May. They will fund assistance with the Americans With Disabilities Act, reading motivation for children and library access to the Internet.

The system will purchase hand-held electronic magnifiers for use by people with low vision, to assist them with seeing library materials in 30 libraries. It will purchase assistive listening systems, which will be available to libraries to make their meetings and programs accessible to persons with hearing impairments. These two grants are part of library compliance with the Americans With Disabilities Act.

MWFLS will purchase board books, easy readers and children's audiotapes for children in child care environments, to be available in 22 participating libraries. It will use funds to lease access to the Internet for up to 8 participating libraries, which will open to them many information sources available on the information highway.

Libraries in Washington County which will benefit from the grant are the West Bend Community Memorial Library, the Duerrwaechter Memorial Library in Germantown, the Hartford Public Library, the Kewaskum Public Library and the Slinger Public Library.

Honored by Library System

Marilyn Merten of Richfield and Charlotte Burr of Ripon were honored for service to the Board of Trustees of the Mid-Wisconsin Federated Library System at its meeting held May 31. Katherine Newman of Jackson was appointed to the system's board at the meeting. Board President Sherlyn Stiewe presented Merten and Burr with plaques recognizing their years of service to the system. MWFLS is a four-county public library system which serves Washington, Fond du Lac, Jefferson and Dodge Counties.

Merten retired from the board to become Washington County Clerk. She served on the system board since 1987 and was chair of the system's automation committee. She participated in the initiation of automated library services in ten MWFLS member libraries during her time on the committee.

Burr served on the MWFLS board for many years. She was vice-president and president and served on the system's executive committee. She was instrumental in the reorganization of the system in 1990. She is reference librarian at Ripon College Library.

Newman presently serves on the Washington County Library Services Board.

Washington County public libraries are in West Bend, Germantown, Hartford, Kewaskum and Slinger. Washington

County representatives on the MWFLS Board of Trustees include Sherlyn Stiewe, West Bend, President; Amy Bauer, West Bend, Secretary; Bonnie Koepke, Kewaskum; Eugene O'Brien, Hartford, and Newman.

Fond du Lac County public libraries are in Fond du Lac, Ripon, Waupun, North Fond du Lac, Campbellsport, Oakfield and Brandon. Fond du Lac County representatives on the MWFLS Board of Trustees are Marion Cook, Oakfield; Betty Costello, Malone; Alex Dudzinski, Ripon; Gordon Loefer, Fond du Lac; and Dolores Ninnemann, Campbellsport.

What's New at the Public Library?

ROCK 'N' READ at the library! The last day to register for the summer library program is Friday, June 15.

On Monday, June 20, "ROCK 'N' READ" will officially begin. We will kick off the summer lineup of activities with a visit from Ms. Frizzle and the Magic School Bus. This special performance will be held at 11 a.m. at the library. All

"ROCK 'N' READ" participants are welcome to come for a fun-filled program of stories, surprises and a treat.

Monday is also the first day to collect prizes. Kids, be sure to bring your reading folders (signed by an adult) to the library to show your progress and get rewarded! You may claim your prizes any time during the next six weeks.

Wednesdays are activity days for kids who have completed grades K-2 (1 to 1:45 p.m.) and grades 3-5 (2 to 2:45 p.m.). During week one, (June 22) we will be playing bingo and other games, with prizes for winners. Any kids registered for "ROCK 'N' READ" may attend... no sign up necessary!

Friday story time is for registered kids of ANY age. Although this activity is geared to younger children, older brothers and sisters will have fun too! Again... no need to sign-up... just come!

New juvenile books include a new GARFIELD collection, BOXCAR CHILDREN books, a new series titled "HERE COME THE BROWNIES," and more GOOSEBUMPS titles!

New adult fiction includes "The Chamber" by John Grisham, "Scarlet Angel" by Elizabeth Palmer, "Looking After Lily" by Cindy Plante, "Di and I" by Peter Lefcourt, "Night Prey" by John Sandford, "White Shark" by Peter Benchley, "Brules" by Harry Combs, and "Tunnel Vision" by Sara Paretsky.

1994 United Way Campaign Co-Chairs, Theme Announced

Nancy and Jerry Mehring

Jerry and Nancy Mehring, owners of Dairy Queen in West Bend and Jackson, have been named Campaign Co-Chairs of the 1994 United Way of Washington County fund drive.

Jerry graduated from West Bend High School in 1957, and from Marquette University in 1962. In 1956, while still in high school, he started operating the West Bend Dairy Queen at the foot of the Barton hill with his brother, Dick. After graduating from Marquette, he and Nancy purchased the Dairy Queen business.

Jerry serves on the DQ National Dealer Marketing Council and is a director at Bank One, West Bend, and the West Bend Area Chamber of Commerce. A past president of the West Bend Rotary Club, Jerry was a Paul Harris Fellowship recipient. He is past president of the Wisconsin DQ Operators Association, and the International DQ Operators Association, of which he is a charter member and one of the founders.

Nancy is a graduate of Holy Angels grade school, West Bend High School and the University of Wisconsin-Milwaukee. She was instrumental in starting the first Nursery School in West Bend... Little Laurie's Kiddie Kollege in 1969. She was the first teacher at the school, and has also taught at Holy Angels and MPTC. Nancy joined her husband in the DQ business after their marriage in 1962, and has been a driving force there ever since. She is an Ambassador with the West Bend Chamber of Commerce, past president of the Wisconsin DQ Operators Association and is actively involved as a lay

minister at Holy Angels Church.

The Mehrings are active with numerous other groups in the community, and have fund raising experience with Children's Hospital in Milwaukee, raising funds for the Children's Miracle Network annual telethon.

Married for 32 years, they have three sons: Patrick, who lives in the Virgin Islands, and Jeff and Rob, who live in Japan. They are pleased to be leading the United Way drive. "Family has always been important to us, and we're looking forward to working with the United Way family this year," said Nancy.

The 1994 local campaign theme is: "Make a Difference. Reach Out."

"We really want to emphasize that giving to United Way does make a difference," said the Mehrings. "We know that United Way provides the opportunity to reach out and help so many people in our area."

The campaign officially begins in late August, and will cover the ten communities of Hartford, Kewaskum, Jackson, Slinger, Allenton, Newburg,

Hubertus, Richfield, Colgate and West Bend. The 1993 campaign surpassed its goal by raising more than \$840,455.

"Each year, we build on our previous success and strengths. Many of our key leaders are already in place, thanks to the foresight and planning from last year's effort, which was chaired by Andy Gumm of Wisconsin Electric," said the Mehrings.

"Right now, we're in the process of reviewing our past campaign successes, looking at agency needs for 1995 and recruiting approximately 150 volunteers who will be involved in this year's campaign."

"United Way funded programs and services reach 1 in 4 people in our County. We see people involvement as the key to our continued success. United Way's track record shows that businesses and individuals in Washington County are extremely supportive of the organization. We're counting on that support to continue and build this year as well."

Barbara Hurula, Executive Director of the United Way of Washington County, praised the Mehrings for accepting the campaign co-chair responsibility for 1994. "Everyone who knows Jerry and Nancy gives them high marks for their dedication, thoroughness, and follow-through. Their ability to successfully work together in marriage and in business speaks well of the leadership and team effort they'll bring to our upcoming campaign," said Hurula.

"With our current economy, the need for United Way programs and services is greater than ever. The challenge is to raise the very necessary funds to help our families, friends, neighbors and co-workers who live and work here," said Hurula.

Recipient agencies have prepared their 1995 budgets and are currently meeting with United Way Citizen Review Panels, made up of 42 volunteers from around the County. The Panels will make 1995 funding recommendations to the United Way Board of Directors in June and July.

Agency needs, along with the giving history of business and individual donors and the local United Way operating budget will be combined to determine the 1994 Campaign Goal. Final approval of the Campaign Goal will be given by the Board of Directors in late July.

Funds collected in the upcoming campaign will benefit 26 agencies meeting health and human care needs throughout Washington County. These

agencies are: American Heart Association, American Red Cross - Kettle Moraine Region, American Red Cross - West Bend Chapter, Big Brothers/Big Sisters of Washington County, Bay Lakes Boy Scout Council, Catholic Social Services.

Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington County, Friends of Abused Families,

Full Shelf Food Pantry, Wau-Bun Girls Scouts, Greater Hartford Area CPR Committee, Hartford Area Blood Donors, Hartford Emergency Squad.

Kettle Moraine Hospice Services, Lutheran Social Services, Nova Services, Salvation Army, Senior Citizens Activities, Senior Friends, The Threshold, USO, Volunteer Center of Washington County, and The Youth and Family Project.

Landlords Need to Know About Fair Housing Law

By Joyce Albrecht
UW-Extension
Family Living Agent

Can a landlord refuse to rent to a family with small children if the owner is concerned about noise? What happens if a property owner refuses to rent to single men because the owner has had problems with damage from male tenants before?

According to Wisconsin's Fair Housing Law, which took effect in 1992, it is unlawful for property owners to refuse housing based on race, color, sex, age, marital status, disability, familial status, source of income, conviction record, physical appearance or mental illness.

John Merrill, University of Wisconsin-Extension housing specialist will help conduct a video satellite conference on "Effective Rental Practices" June 23 from 3 to 6 p.m. at the Public Agency Center in West Bend. The program is designed for part-time landlords, housing advocates and others interested in rental practices.

Participants will learn effective tenant selection procedures that can reduce the chances that property owners will have to face lawsuits or eviction proceedings.

"Landlords need to be more careful about how they work with tenants and about the words they use in leases. Many may not realize they are not complying with the law."

For more information on the video satellite program, "Effective Rental Practices," contact the U.W. Extension office, Family Living Department to receive a brochure. The phone numbers are 335-4479, 342-2929 or 644-5204. Preregistration is required. The cost of the session is \$2.00. Registration deadline is June 16. Registrations can be made by sending your name and address and phone number along with a check for \$2.00 to UW-Extension to Joyce Albrecht, UW-Extension, 333 E. Washington Street, West Bend, WI 53095.

XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, June 8th, were:

County Junior Fair Books Available

The 1994 Washington County Junior Fair Books are now available for distribution.

If you ever considered entering the competition at the County Fair, now is the time to pick up a book and fill out an entry form. Books are available by calling the Fair Office at 335-4485; 644-5204 or 342-2929 or stopping in at the office located in the new Public Agency Center, 333 E. Washington Street, Suite 1200 in West Bend. Office hours are Monday through Friday from 8 a.m. to 4:30 p.m.

The Washington county Junior Fair has two main divisions: Open Class and Junior Class.

The Open Class Division is open to any resident of Washington County and features a special Senior Citizen Division. Some of the categories available include crafts, horticulture, woodwork, foods, clothing, home furnishings, livestock and knitting and crocheting.

The Junior Class Division is open to youth who are members of an organized group such as 4-H, FFA, FHA, Scouts or Pioneers.

In order to compete in the 1994 Washington County Junior Fair, all entry forms must be returned by June 30.

County Separated, Divorced to Meet

Washington County Separated and Divorced Men and Women Support Group meet every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

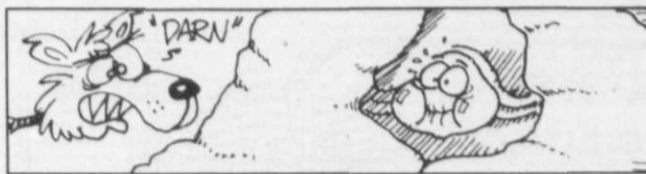

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

"Hope for Relationships," with Gordon McKenley, will be the topic on Friday, June 17.

On Friday, June 24, "Grief and Denial," will be presented by Bunny Swenson of the Divorce Recovery Workshop.

Letters to the Editor

DEAR EDITOR:

DYSLEXIC CHILDREN

I would like to say something about dyslexic children. I have two. One is 17 and the other one is 9. If it wouldn't have been for one teacher's aide coming forward when my younger son was in first grade, my son would be struggling like my older son. She was afraid to talk to me because she knows how parents don't want to admit something is wrong with their child. She told me he had all the symptoms of a dyslexic. He wrote backwards (on - no, etc.), he couldn't add or subtract because the + sign looked like a negative sign -. He couldn't read.

The teacher he had at that time didn't know what dyslexia was and neither did I. She didn't realize he was putting his homework in his desk and never doing it. He'd bring it home and tell us it was just for practice. We would believe him. Some days he'd come home in such a foul mood, I couldn't stand him. We'd scream and yell at each other until one of us would start crying (mostly Garrett). I was to the point of killing him and I didn't care. Well the reason why this poor child just sat in a classroom for six hours and didn't understand a thing the teacher just did or was doing, was some dyslexics, when given instruction have to be looked at by the teacher, so he can see her in front of him. She's giving instruction to the whole class but he thinks its just to him and he hears, and most of the time he can comprehend. For one whole year this child learned nothing.

The aide at that time was Mrs. D. We had him tested at the Wisconsin Dyslexia Institute, where he tested severely dyslexic. This was done in August of 1992. It's not cheap but by this time, I was ready to have him committed, or I'd commit myself. At the time of the testing he wasn't even reading kindergarten level and this was first grade.

He was tutored the summer of '92. When entering second grade, he had a teacher that listened to what we needed to do to help Garrett. We knew he would struggle, she had 30 students in her class. He passed with protest from the teacher. She tried her hardest to get him into L.D. classes, but there was no way... he didn't need L.D.

In the beginning of third grade he got a teacher that didn't care if he had a learning need. She point blank, in a letter, told us our child was dumb and needed L.D. or E.D. class. We disagreed but she had her mind set that this child was dumb.

The teacher would not help, so we had to transfer him to another school. In order for us to do that, I had to put him in L.D.

class... against my wishes, but when a teacher says your child is dumb, what else are you supposed to do? My older son went into L.D. class in 5th grade, reading at a fourth grade level. He is now 17, in high school and guess what? He is still reading at a fourth grade level.

We had him tested at the same time and he also tested out positive. At the age of 15, it's hard to teach them new things. After all, he basically taught himself how to do every thing. He spells like it sounds. Bobby was tutored for one year and gave up.

I give him credit for trying and blame the school system in not being trained to determine different kinds of needs for these children. He read at a fourth grade level for five years and no one knew. He was expected to read 9th and 10th grade material.

We would like to thank his principal for his extra help in this matter. It has given Bobby confidence in his work and studies. You see, Bobby doesn't only have one handicap to deal with, he has two. He was born without his left arm and has been teased by other kids all his life.

Bob will struggle the rest of his life in finding a job. He can't read or understand an application, and people don't think he can do the same thing a person with two arms can do. One thing I am really disappointed in is the fact he went out for every sport there was and he was good. Especially in baseball and wrestling.

Last year, his ego fell apart. Here you have a young man who has played hard ball since he was eight years old, he got on the high school team and sat on the bench all but maybe one game. This destroyed him. He pitched for Minor League, Little League and Senior League. No one would give him a chance to try... because of his handicap? Because of his name?

We moved from West Bend to Kewaskum while he was in seventh grade and he was still playing ball in West Bend because of the grandfather clause. We asked the coach and he said all freshmen players are on the bench more than they play. Not correct, because we investigated. They just didn't want him to play. We got one answer... that's the system.

Do the teachers and coaches really know how much you can destroy a young mind when they do this to a kid because they don't think he's any good? We sat at every game and watched him sit on the bench. It's not fair... it's a game. Let the kids play. If they lose... so what? At least their minds are doing something creative, and they are not on the streets.

Bob hasn't given up yet on life, and I hope he never does. He'll struggle the rest of his life, but Mom and Dad will be there to help as long as we can. Bob

doesn't want to try out for baseball this year because he said the team is already picked. Why should he waste his time? It's a shame. After all these years of work and effort... to hear this from a person who was willing to try his hardest.

My young son Garrett had all the same symptoms of my older son when he was little. We didn't think anything of it because my husband wasn't a brain and I wasn't either. Garrett was also born three months prematurely. We thought the oxygen in the incubator was the problem. We figured this was all related. But I was wrong. The only thing that is related is the fact dyslexia is hereditary.

Garrett has been tutored by the same lady who discovered him. He has improved at least two years in his reading level and in spelling. He has improved in all his daily functions. Now when he comes home from school, we talk about his day. We don't scream and yell. We give each other a hug instead of a hitting, because we understand now what his problem is and we are getting him help.

The school system has to put phonics back into their programs as early as possible to help these kids now. They have to help these kids as young as possible in order to get to them with success. When a child has a learning problem, take the time... listen to this child and don't push him into a corner and tell him he is dumb. Also parents have to wake up and understand their children... and help them. They need extra help and love.

I and my husband would like to thank Garrett's and Bob's teachers this year for making our lives a little bit easier and our kids a little bit more special.

Thank you Mrs. Dickmann, Mr. Martens, Mrs. Butcher, Mr. Heidner, Miss Bagard and Mrs. Kowalski. If we forgot anyone... this is a thanks for all your help. A special thank you to you, Mrs. Dickmann. Without you, I don't know what we would have done.

Thank you everyone.

Mr. and Mrs. Robert Mlejnek, Sr. and family

Family Center Offers Workshop

The Family Center of Washington County will be offering a workshop for families with children, ages 0-3, entitled, "Protecting Kids From Harm," on Friday, June 17, from 9:30 to 11 a.m.

Unfortunately, there are many ways for children to get injured. The good thing is we can keep our kids safe from many of those dangers. A representative from Children's Hospital of Wisconsin will talk with us about preventing home accidents, choosing safe toys, car seats, cribs, etc. Don't miss this one!

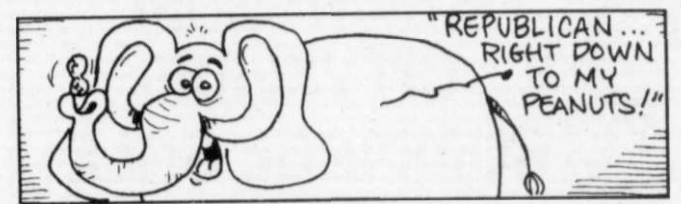

Please call the Family Center to register or to find out about our many other programs, at 338-9461. All programs are free of charge and offer child-care on a first call basis.

Village of Kewaskum NEWS NOTES YARD WASTE

The Village of Kewaskum is providing a drop off location for yard waste (grass clippings, garden waste and leaves). The Village hopes to continue this service, but it is currently under jeopardy. This is being caused by some residents not only dropping off yard waste, but all kinds of waste. This waste or at least most of it can be disposed of in the normal curb side collection process. Residents have actually hidden non-compostable material in the bags of yard waste eliminating the Villages source of disposal.

Everyone is asked to only bring compostable yard waste to the drop off location clean from garbage and debris. Your cooperation is appreciated.

Residents are reminded not to blow their grass clippings onto the street, this grass causes storm drainage blockage at the catch basins and plugs the storm sewer lines.

The elephant as a Republican party symbol first appeared in an 1874 cartoon by Thomas Nast in Harper's Weekly.

VEILA VETTER

Veila Vetter, 74, of Beechwood passed away on Saturday, June 11, 1994, at Cedar Lake Home in West Bend.

She was born on December 5, 1919, in Sheboygan County, the daughter of the late Arthur and Martha (Hintz) Staeger. On December 11, 1937 she was united in marriage to Ruben Vetter at Immanuel Lutheran Church in the Town of Scott. He preceded her in death on June 24, 1990.

Mrs. Vetter was a member of Immanuel Lutheran Church, Town of Scott. She was employed by the West Bend Company in West Bend prior to employment by the Beechwood Rest Home for a number of years until her retirement.

Survivors include four sons, Roger (Elaine), James (Mary), Rick (Brenda) and Terrance (Patricia), all of Beechwood; two daughters, Charleen (Alvin) Barutha of Kewaskum and Yvonne (David) Wictor of West Bend; a brother, Vernon Staeger of Beechwood; two sisters, Vivian Vetter and Virginia Opperman, both of Kewaskum; eleven grandchildren, eleven great-grandchildren, other relatives and friends.

Funeral services were held at 8 p.m. at Immanuel Lutheran Church, Town of Scott, on Monday, June 13, with Rev. William Robinson officiating. Burial was in the church cemetery on Tuesday at 10 a.m.

Friends called from 4 p.m. until the time of services on Monday at the church only.

The Miller Funeral Home, Kewaskum, served the family.

LEROY J. 'PAT' FRIES

Leroy J. "Pat" Fries, of Hartford, died Saturday, June 11, 1994, at Hartford Memorial Hospital, at the age of 84.

He was born March 17, 1910, in Cedar Creek, to the late Leo and Anna (nee Spaeth) Fries, and married Frances Neu June 24, 1933, at St. Kilian's Church, Hartford.

He lived most of his life in Hartford where he owned the Rathskeller Tavern for many years.

He also had his own orchestra "Pat's Westerners," organized the Hartford Senior Friends Kitcheneers and the drum and bugle corps in Hartford and performed volunteer work for various organizations in Hartford.

Pat and his wife Frannie owned and operated the restaurant and bar at New Prospect (now The Pony Express) for a number of years. He organized the Kewaskum Drum and Bugle Corps which consisted of about 30 local musicians and played at numerous area parades.

He was a member of the Hartford VFW Post 8834, the Courtney-Carr-Milner Post 19 American Legion, the Holy Name Society, Knights of Columbus and the Hartford

Senior Friends.

Survivors include his wife; two children, Mariann (Joe) Clawson of Blowing Rock, N.C. and Barbara (Ron) Jacobson of Hartford; five grandchildren; two great-grandchildren; a sister, Elizabeth Kuepper of California; sisters-in-law; nieces; nephews and other relatives and friends.

Funeral services were held Tuesday, June 14, at 9:45 a.m. from the Matenaer-Schramka Funeral Home, Hartford, to St. Kilian's Church for Mass of Resurrection at 10 a.m. Rev. Fidelas Fosselman officiated and burial followed in the church cemetery.

Visitation at the funeral home was Monday from 4 to 9 p.m. with a prayer service at 7:30 p.m.

Memorials to the charity of the donor's choice appreciated.

ERMINE THIELMANN

Ermine Matthew Thielmann, 83, of W4594 Highway 151, Chilton, died of cancer Monday, June 6, 1994, at his home.

He was born February 12, 1911, in Charlesburg, a son of John and Katherine Molitor Thielmann. On July 15, 1941, he married Veronica Schmitz at St. Mary Catholic Church in Hilbert.

Mr. Thielmann attended school in Charlesburg. He dairy farmed in the Kewaskum area for six years prior to moving to his present location where he had resided since 1948. He was a member of Holy Trinity Catholic Church in Jericho, a longtime member of the Knights of Columbus, and a member of the We Love To Dance Club and a weekly card club until the time of his death.

Mr. Thielmann's interests included baseball cards and dancing. He played on Charlesburg baseball teams for much of his young adult life and then coached and refereed base-

ball games for Jericho teams.

Survivors include his wife; three daughters, Janet of Waukesha, Mary of Oshkosh and Kathy (Art) of Tempe, Arizona; three sons, John and his wife Nancy of Monte Sereno, California, Dan and his wife Rita of Arena and Steve and his wife Janice of Carthage, Missouri; seven grandchildren; one sister, Solene Bertram of West Bend; one sister-in-law, Augusta "Gussie" Thielmann of Chilton; and many nieces, nephews and other relatives.

Preceding him in death were his parents; five brothers, Jake, Norbert, Edgar, Roman, and Hubert and four sisters, Margaret Wilberscheid, Eulalia Matenaer, Sister Dora (Mary) and Gargonia; and one infant son.

Funeral services were held at 10:30 a.m. Friday, at Holy Trinity Catholic Church in Jericho. The Rev. Peter Coffey, S.D.S. officiated and burial was at the parish cemetery.

Visitation was from 4 to 8 p.m. Thursday and 7:45 to 10 a.m. Friday at Wieting Funeral Home in Chilton. A parish prayer service was held at 7 p.m. Thursday at the funeral home.

A memorial in his name has been established.

ON THE JOB

"Mary," said the mistress, "will you fetch the letter which I left on my dressing-table this morning?"

"Yes, mum. Er--which one do you want? The one about your sisters' baby or the one from the income tax collector?"

Small Business Counseling Offered

Are you the owner of a new small business or planning to start one? If so, did you know that you can have up to 90 minutes of free and confidential business counseling? Yes, this service is offered to you by UW-Extension in cooperation with the Small Business Development Center.

You can schedule an appointment with Area Business Agent, Chuck Wise, at UW-Washington County, at 335-5204. This could be your opportunity to have those questions answered that you've been wanting to ask, but didn't know where to begin, such as: what kind of government forms will I need? How and where do I get a Seller's Permit? Do I have to collect taxes and how? Should I maintain a sole proprietorship, or should I consider a partnership or incorporate? How can I determine if a business I'm considering is worth the asking price? Would I, or should I be able to do my own bookkeeping? How would I write up a business plan or financial projection? Where are there small business entrepreneur-friendly lending institutions or programs? Will I need the services of a professional such as a lawyer, CPA or insurance broker?

If you need any of these questions answered or have some of your own, call 335-5204. Appointments are now being scheduled for Friday, June 17, and Wednesday, June 29 at 9, 10:30, 2 or 3:30 at the University campus, 400 University Drive, West Bend.

Dandelion is another thing which, if given an inch, will take a yard.

LAWN LORE

The Green Velvet Touch

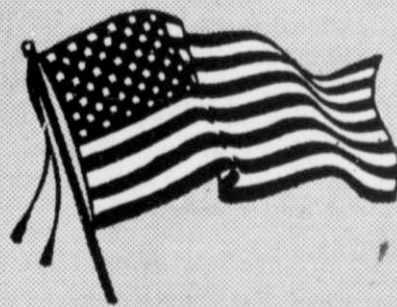

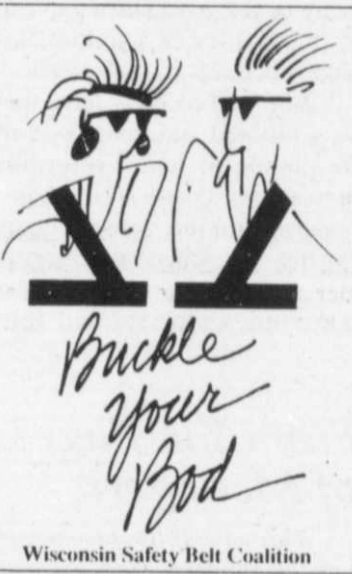

(NAPS)—Small lawns can have the same lush green beauty that golf courses and big estates have by observing these three basic rules.

• **Mowing**—Avoid cutting the grass too low. You're better off keeping your grass on the longer side to encourage deeper rooting and better drought tolerance.

• **Watering**—Water deeply. This encourages roots to grow deeply in search of that water and makes for a tougher, stronger lawn. To reduce water loss due to evaporation, water early or late in the day.

• **Fertilizing**—On a small lawn, traditional lawn food spreader can be tricky. A good alternative is a water soluble fertilizer, such as Miracle Gro® Lawn Food applied once a month with a No-Clog feeder. This feeder is a hose-end sprayer that automatically mixes the right amount of fertilizer and water.

If you use the "spray-on" method, feed your lawn according to directions.

Braths Return From Trip to Holy Land

Joe and Joan Brath

Reverend Joseph Brath, Pastor of Kewaskum Living Waters Church, and his wife, Joan, recently returned from an inspirational tour of the Holy Land.

Israel welcomes a constant stream of Pilgrims from all faiths. For centuries the sites of many of the most stirring events in the history of mankind lay hidden beneath shifting sands.

Not until recently have they been restored and revitalized by the people of Israel returning from exile. Today's Israel is a modern, thriving, vibrant country, but the echoes of the past still resound throughout the numerous historical and reli-

From the Pages of Menagerie

Throughout the summer, we will be running excerpts from Kewaskum High school's literary all-conference publication "Menagerie," featuring the writings of our students.

I Always Wondered
I always wondered what it would be like to have a father.

Someone who was there to see me grow up and to be proud;
The way fathers are proud;
To play sports with;
To go places with;
To talk to;
I love my father.
Although he is not here,
I know every day he watches me;
He sees what I do good and bad.
I hear people
Say things about their parents--
Mean things--
And I don't understand.
Then again the one who mocks is the one who does not have.
They put down their fathers,
curse them, wish them dead at times.
If they only knew what their lives would be like if their wish would ever come true
If they only knew

Jenny Goodsell
Grade 10
Kewaskum

gious sites.

The six day tour was a Pastor's introduction to the Holy Land with the idea of an extended return visit some day. The Brath's are planning a return trip in November of 1995 and hope to take a group of "pilgrims" with them from this area.

While in Israel, they enjoyed visiting places of Biblical importance. One of the highlights was crossing the Sea of Galilee where Jesus invited Peter to join him as he walked on the water.

The surrounding Galilee area is where Jesus spent most of his public life and ministry. The Jordan River where John the Baptist's ministry included baptizing Jesus, our Lord and Saviour, was a very special part of the tour.

They stood on Mount of the Beatitudes, went to Cana where Jesus performed his first miracle by turning the water into wine, and to Nazareth where Jesus spent his youth. From the top of Mount Carmel, where Elijah slew the prophets of Baal, they were able to view Megiddo, which is promised to be the site of that mightiest of all battles, Armageddon.

After viewing the Tomb of David, the Upper Room, and the Western (Wailing) Wall, a walking tour of Old Jerusalem enabled them to see the Jerusalem that Jesus saw, from the Pool of Bethesda to the Via Dolorosa where Jesus carried his cross on his way to Golgotha where he died on the cross for our sins.

The sites and sounds of Israel experienced by the Braths, have added a new dimension to their Bible reading and study. The accounts recorded in the Bible seem to come alive as memories of "being there" breathe new life and meaning into the words.

Anyone interested in joining them on their upcoming return visit is welcome to call 626-8337 for further information. It is indeed "a journey of a lifetime!"

50 Years Ago

April 7, 1944

Although comparatively light, the vote at Tuesday's Spring Election in this village was fairly heavy considering the only opposition was for the office of trustees. The total vote registered was 176, more than twice as large as last year, when only 78 votes were cast due to a lack of opposition. The trustees ran a very close race. New trustees elected were Frank Felix and Clarence Kluever, while Arnold Martin, incumbent was re-elected. Henry Rosenheimer, also on the trustee ballot, was defeated. Felix and Kluever, will replace Bernard Seil and John Van Blarcom, who did not run for re-election. Felix polled the largest number of votes, a total of 122. Martin was next with 114. Kluever polled 108 and Rosenheimer 103. All other village office holders were re-elected without opposition. E.M. Romaine, supervisor, polled the largest number of votes with 159.

Papers were made last week in a transaction in which Clarence Bingen of Route 2, Kewaskum, purchased the tavern and residence building and property of Mrs. Bertha Casper, located at the corner of Main and Railroad Streets, across from the village hall. For the past five years, the tavern business in the building has been conducted by Peter Bies, who rented from Mrs. Casper. The tavern was formerly operated by Mrs. Casper and her husband, the late S.N. Casper.

A class of thirteen children were confirmed Palm Sunday at the Peace Evangelical and Reformed Church by the Pastor Rev. R.G. Beck. A special service was held at the church for the rite of Confirmation. The class of confirmands included Marilyn Buss, Ruth Manthei, Harold Stern, Delores Stern, Arlyn Schmitt, Gladys Weddig, Elizabeth Rose, Barbara Schaefer, Jean Rosenheimer, Loretta Schmidt, William Schmidt, Marilyn Krueger, and Alice Backhaus.

Alois Staehler, 17, son of Mr. and Mrs. Alvis "Ollie" Staehler of this village, who enlisted in the U.S. Navy two weeks ago in Milwaukee, was there on Monday and Tuesday for his physical examination. Alois, better known as "Junior" to his friends, passed the tests and was sworn into the Navy on Wednesday. He was given a 10-day leave before reporting for active duty on April 15. Alois will be 18 years old the day after he leaves for training.

William A. Klein, machinists mate 1/c left from Milwaukee Tuesday for Camp Williamsburg, Virginia to begin active training in the Navy. He was sworn into the Navy last January and was now called into the service. He holds the rank of petty officer first class. Mr. Klein is married to the former Gladys Schleif, daughter of Mr.

and Mrs. Fred Schleif of this village.

S./Sgt. Joseph Weitzer, son of Mrs. Mary Weitzer of the Town of Auburn, who was seriously wounded in action on the Italian Front some time ago by shrapnel in his hip and side, has been transferred to a hospital in Africa from Italy. Joe is recovering and is able to be up in a wheelchair a little now. Joe was wounded in combat with the field artillery.

Although Saturday, April 1, was April Fool's Day, the stork wasn't fooling when he delivered a baby boy to Mr. and Mrs. Edward Beck of Route 1, Kewaskum, at St. Joseph's Hospital in West Bend.

A daughter was born to Mr. and Mrs. Roland Jacak, Route 3, Campbellsport, at St. Joseph's Hospital, West Bend, on Monday, April 3.

Mr. and Mrs. Albert Gross of the Town of Auburn, Route 2, Campbellsport, are the parents of a son born April 3, at St. Joseph's Hospital, West Bend.

April 14, 1944

Twenty members attended the annual meeting and election of officers of the Washington County Coon Hunters' Association, held at "Pessy" Dreher's place in this village on Tuesday night. Elmer Yoost of Kewaskum was re-elected president of the association and Lloyd Schleif of West Bend, and Jacob Habermacher, Germantown, were elected as the executive committee. The other officer, Lester "Pessy" Dreher, vice president, holds over in office for another year.

In a ceremony performed on April 12, by the Rev. Peter Stehle, pastor of St. Andrew's Church in LeRoy, Miss Felicia Gruber of LeRoy and Harvey W. Jandre, of Route 2, Campbellsport, were united in marriage.

A daughter was born to Mr. and Mrs. Edward Campbell of Route 3, Kewaskum, at St. Joseph's Hospital in West Bend, on April 6.

Mr. and Mrs. Henry "Bud" Lay, of West Bend, are the parents of a daughter born April 10, at St. Joseph's Hospital, West Bend. Henry is a son of Mrs. Otto E. Lay of this village.

April 21, 1944

"I'm In The Army Now," senior class play, will bring a cast of 13 upper classmen to the stage May 4 and 6, in the high school auditorium. Watch for the young cut up, Toby, played by Donald Koerble, and his puppy love, Laverne Siegfried, (Audrey). See the romantic interest, David Bartelt (Bronson), change after he finds he's "In The Army Now." His heart interest is characterized by Mary Bremser (Letty). You'll laugh with and at Ione Koenig and James Bartelt as they bring to the stage the roles of Ma and Pa Robertson. Grandma, too, puts in her appearance, as she is

Beatrice Vorpahl. Another love affair blossoms in the persons of "Raymond" and "Deanne." These roles are played by John Stellpflug and Harriet Stoffel. Others to look for are Marjorie Bartelt as "Dale," Lillian Werner as "Corinna," Adeline Zacho as "Essie," and Allen Tassar as "Prentiss."

Confirmation was held at St. Kilian Church Friday afternoon. Those confirmed were Roger Jacak, Raymond Gutjahr, Harold Ruplinger, Donald Flasch, Lila Jean Bonlender, Robert Bonlender, Sylvester Wondra, Marie Schneider, Annabelle Wondra, Sylvia Weiland, Richard Kern, Carrol Straub, Leander Ruplinger, Robert and Roger Schneider, Raymond Rosbeck, Corinne Wahlen, Margaret Gitter, Helen Weiland, Joseph Bonlender, Alfred Schmitt, James Schmitt, Sylvan Wondra, Kathleen Wiesner, Lorraine Kuehl, Agnes Weiland, Mrs. John Lavarda and Mrs. Vernon Sarauer.

Junior royalty will lead the grand march Friday, April 28, when the Class of '45 of the Kewaskum High School holds its annual promenade. King Leland Schaub will escort his queen, Shirley Backus, at the head of the procession.

Thomas Bouchard of Milwaukee on Monday, purchased the Stark estate business property on East Main Street, consisting of a blacksmith shop and residence from K.A. Honeck. The new owner will conduct an up-to-date blacksmith and welding business in conjunction with the making of automobile wagons. The business, up to the present time, has been conducted by Charles Krueger, who rented the property.

Wed in the Salem Reformed Church in the Town of Wayne, were Miss Darlene Inez Tonn, daughter of Mr. and Mrs. Lewis Tonn of Route 3, Campbellsport, and Elmer W. Kuehl, son of Mr. and Mrs. John Kuehl of Route 3, Kewaskum.

Miss Bernice Flasch, of Milwaukee, daughter of Mr. and Mrs. Joseph Flasch of St. Kilian, became the bride of Leo Zenner, son of Mr. and Mrs. John Zenner of Medford on April 15, in St. Kilian Church.

Miss Edith Dettman, daughter of Mr. and Mrs. John Dettman of Clover Valley near Boltonville, was united in marriage with Hilbert Hiller, son of Mr. and Mrs. George Hiller of Boltonville in a ceremony performed in Silver Creek Saturday afternoon.

Marriage vows were performed at St. Sebastian Church in Milwaukee on April 11, by Miss Malinda Haack of Milwaukee, daughter of Mr. and Mrs. Bernard Haack, of Kewaskum route, and Dr. Leo Hoffmann, Campbellsport physician.

STORK MARKET...
...STRUEBING - A son was born to Mr. and Mrs. Wilmer Struebing of Route 3, Kewaskum, at St. Joseph's Hospital on April 15.

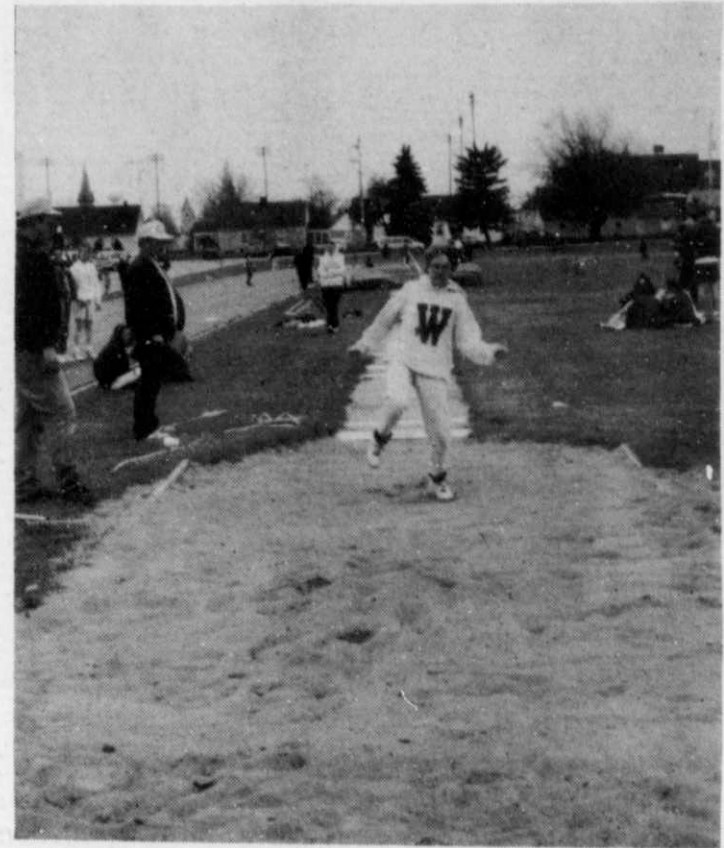

UNERTL - A daughter was born to Mr. and Mrs. George Unertl, R. 3 Kewaskum, on April 13.

Holy Trinity School Hosts Track Meet

ON YOUR MARK, GET SET, GO! Left to right, Holy Trinity students Megan Ramthun, Carrie Wiesner and Gretchen Weddig get ready for the starting gun.

Jenny Kraft, a sixth grader at Holy Trinity School, attempts the long jump at the track invitational held recently.

On Saturday, May 7, Holy Trinity, Kewaskum, hosted an invitational track meet for the area's Catholic Schools.

Sixty-three students, ages 9 to 14, were present to participate in this first annual event. With the help and support of many parents, it was a huge success.

The results are as follows:

SHOT PUT, 13 & 14 Boys
 - (1) Ben Filzen (WB) 30'3"; (2) Shaun Timblin (K).

DISCUS, 13 & 14 Girls
 - (1) Stacy Zehren (K) 22'11".

DISCUS, 13 & 14 Boys
 - (1) Ben Filzen (WB) 73'9"; (2) Shaun Timblin (K).

LONG JUMP, 9 & 10 Girls
 - (1) Stacy Muckerheide (K) 9'7"; (2) Jenny Koth (K); (3) Melissa Kleinke (WB); (4) Megan Haase (M); (5) Jacqueline Chambers (K).

LONG JUMP, 9 & 10 Boys
 - (1) Tim Voight (WB) 10'6 1/2"; (2) Michael Brown (M); (3) Justin Wessing (K); (4) Joshua Hesprich (K); (5) Richard Schnorenberg (WB).

LONG JUMP, 11 & 12 Girls
 - (1) Lynn Wiesner (K) 10'11 1/2"; (2) Gretchen Weddig (K); (3) Bridget Polzean (K); (4) Jenny Kraft (K); (5) Emily Rinzel (K).

LONG JUMP, 11 & 12 Boys
 - (1) Paul Mertz (K) 10'; (2) Mark Schrauth (K); (3) Jon Boedeker (K); (4) Tim Branta (K); (5) Robert Schnorenberg (WB).

LONG JUMP, 13 & 14 Girls
 - (1) Carrie Wiesner (K) 11'3"; (2) Bridget Baum (K); (3) Megan Ramthun (K); (4) Lori Dalsky (WB); (5) Shannon Malecha (WB).

LONG JUMP, 13 & 14 Boys
 - (1) Derek Dorn (K) 11'11"; (2) Jason Butschlick (K); (3) John Klesmith (K).

HIGH JUMP, 11 & 12 Boys
 - (1) Nate Filzen (WB) 3'10"; (2) Tim Branta (K).

SOFTBALL THROW, 9 & 10 Girls
 - (1) Bridget Teofilo (K) 81'11 1/2"; (2) Dani Nass (K); (3) Aileen Chambers (K); (4) Stacy Muckerheide (K); (5) Maggie Herriges (K).

SOFTBALL THROW, 9 & 10 Boys
 - (1) Tim Voight (WB) 103'6 1/4"; (2) Michael Brown (M); (3) Bob Teofilo (K); (4) Justin Wessing (K); (5) Clint Friend (M).

SOFTBALL THROW, 11 & 12 Girls
 - (1) Jamie Lee Arndt (WB) 83'11"; (2) Gretchen Weddig (K); (3) Jenny Kraft (K); (4) Corina Teofilo (K).

SOFTBALL THROW, 11 & 12 Boys
 - (1) Jason Strobel (K) 138'5 1/2"; (2) Nate Filzen (WB); (3) Nick Martin (K); (4) Nick Staehler (K); (5) Jon Boedeker (K).

HURDLES 75m, 11 & 12 Girls
 - (1) Gretchen Weddig (K) 17.4 sec.

HURDLES 75m, 13 & 14 Girls
 - (1) Carrie Wiesner (K) 14.9 sec.; (2) Megan Ramthun (K).

60m DASH, 9 & 10 Girls
 - (1) Becky Kober (K) 10.05 sec.; (2) Stacy Muckerheide (K).

60m Dash, 9 & 10 Boys
 - (1) Clint Friend (M) 10.35 sec.; (2) Keith Boegel (K); (3) Justin Wessing (K); (4) Josh Hesprich (K); (5) Richard Schnorenberg (WB).

1600m RUN, 11 & 12 Girls
 - (1) Katie Ann Malecha (WB) 7 min. 35 sec.

1600m RUN, 13 & 14 Boys
 - (1) Travis Klein (WB) 5 min. 34 sec.; (2) Jim Kopecky (K); (3) Derek Dorn (K).

400m RELAY, 9 & 10 Girls
 - (1) Jenny Kopecky (K), Stacy Muckerheide (K), Maggie Herriges (K) and Dani Nass (K) 1 min., 11 sec.; (2) Lanaya Martin (K), Candi Heberer (K), Becky Kober (K) and Erin Beck (K).

400m RELAY, 9 & 10 Boys
 - (1) Robert Teofilo (K), Keith Boegel (K), Justin Wessing (K) and Josh Hesprich (K), 1 min., 19 sec.

400m RELAY, 13 & 14 Girls
 - (1) Bridget Baum (K), Carrie Wiesner (K), Megan Ramthun (K) and Tiffany Zehren (K) 1 min.

400m DASH, 9 & 10 Girls
 - (1) Jenny Kopecky (K) 1 min., 20 sec.; (2) Roberta Rinzel (K); (3) Melissa Kleinke (K).

400m DASH, 9 & 10 Boys
 - (1) Michael Brown (M) 1 min., 24 sec.; (2) Tim Voigt (WB).

400m DASH, 11 & 12 Girls
 - (1) Katie Kopecky (K) 1 min., 16 sec.; (2) Katie Ann Malecha (WB); (3) Jamie Lee Arndt (WB); (4) Erin Judnic (WB).

400m DASH, 11 & 12 Boys
 - (1) Jason Strobel (K) 1 min., 15 sec.; (2) Paul Mertz (K).

400m DASH, 13 & 14 Girls
 - (1) Laura Weiss (K) 1 min., 9 sec.; (2) Carrie Wiesner (K); (3) Shannon Malecha (WB).

400m DASH, 13 & 14 Boys
 - (1) Travis Klein (WB) 1 min. 7 sec.; (2) James Kopecky (K); (3) Ben Filzen (WB); (4) Shaun Timblin (K); Jason Butschlick (K).

100m DASH, 9 & 10, Girls
 - (1) Becky Kober (K) 16 sec.; (2) Roberta Rinzel (K); (3) Bridget Teofilo (K); (4) Krissy Nothem (WB); (5) Melissa Kleinke (WB).

100m DASH, 9 & 10 Boys
 - (1) Clint Friend (M) 16.96 sec.; (2) Mike Brown (M); (3) Richard Schnorenberg (WB); (4) Nathan Del Ponte (M).

100m DASH, 11 & 12 Girls
 - (1) Katie Kopecky (K) 15.24 sec.; (2) Lynn Wiesner (K); (3) Jenny Kraft (K); (4) Jamie Lee Arndt (WB) and Bridget Polzean (K); (5) Kristin Schiller (WB).

100m DASH, 11 & 12 Boys
 - (1) Jason Strobel (K) 14.88 sec.; (2) Nathan Feucht (M); (3) Nick Staehler (K); (4) Mark Schrauth (K); Robert Schnorenberg (M).

100m DASH, 13 & 14 Girls
 - (1) Bridget Baum (K) 14.16 sec.; (2) Laura Weiss (K); (3) Emma Chambers (K); Megan Ramthun (K); Tiffany Zehren (K).

100m DASH, 13 & 14 Boys
 - (1) Derek Dorn (K) 14.09 sec.; (2) Jason Butschlick (K); (3) John Klesmith (K).

800m RUN, 9 & 10 Girls
 - (1) Jenny Kopecky (K) 3 min., 8 sec.

800m RUN, 11 & 12 Girls
 - (1) Erin Judnic (WB) 3 min., 31 sec.; (2) Katie Ann Malecha (WB); (3) Kristin Schiller (WB).

800m RUN, 13 & 14 Girls
 - (1) Lori Dalsky (WB) 3 min., 17 sec.; (2) Stacy Zehren (K).

800m RUN, 13 & 14 Boys
 - (1) Travis Klein (WB) 2 min., 41 sec.; (2) Jim Kopecky (K).

200m DASH 9 & 10 Girls
 - (1) Jenny Kopecky (K) 36.84 sec.; (2) Roberta Rinzel (K).

200m DASH, 9 & 10 Boys
 - (1) Tim Voight (WB) 35.98 sec.

200m DASH, 11 & 12 Girls
 - (1) Katie Kopecky (K) 33.05 sec.; (2) Lynn Wiesner (K); (3) Bridget Polzean (K); (4) Jaime Lee Arndt (WB); (5) Kristin Schiller (WB).

 - (1) Laura Weiss (K) 31.12 sec.; (2) Bridget Baum (K); (3) Shannon Malecha (WB); (4) Tiffany Zehren (K).

200m DASH, 13 & 14 Boys
 - (1) Ben Filzen (WB) 31.32 sec.; (2) Shaun Timblin (K); (3) Jason Butschlick (K).

UW-Extension Offers Training For Volunteer Financial Consultants

The Washington County U.W. Extension will be offering training for individuals wanting to become volunteer financial consultants and work with families who are experiencing financial difficulties.

Family financial consultants are volunteers who have completed a minimum of twelve hours of intensive training in financial management. The consultants can help families set spending plans (or budgets), do planning for the impact of uncertain income and organize a recordkeeping system.

Training will include background on the family economic situation, income and expenses, recordkeeping, credit use and restructuring of debt, as well as some counseling techniques that will help in working with families directly.

Consultants will be asked to volunteer to work with families who request financial consultations. "We're looking for a way that families can have follow-up assistance rather than just have a one-time visit," said Joyce Albrecht, Family Living Agent.

If you're interested in family finances, feel that you have something to offer the program

and want to be considered for training, the next training sessions will be held sometime in June, so call now for more details, Joyce Albrecht at 335-4479.

County Immunization Clinics Available

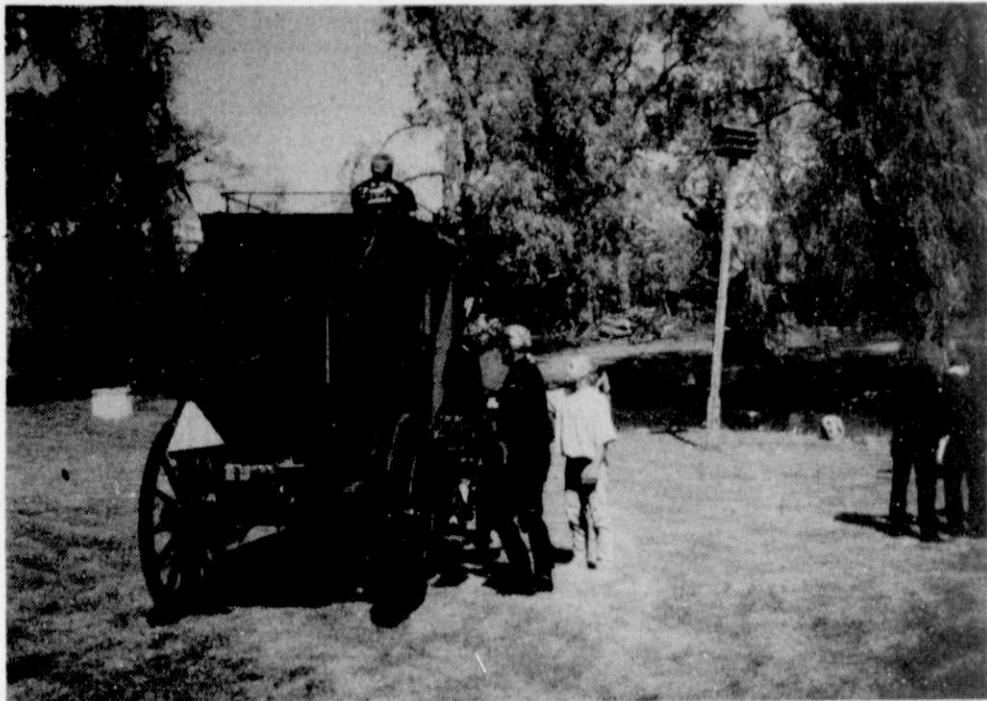

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. Remaining JUNE clinics are:

JUNE 21 - 1 to 4:30 p.m. - Hartford City Hall, 109 N. Main Street, Hartford.

JUNE 28 - 9 to 11 a.m. and 2 to 5 p.m. - Public Agency Center, Lower Level, Room 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

Parents must bring their records of each child's past immunization to clinics. Immunizations will not be given without a record card.

For further information, call 335-4462, 644-5204 or 342-2929.

PICTURESQUE WEDDING CEREMONY.... *The Pony Express in New Prospect was the site for an unusual wedding this past May. Leslie Quandt and Craig Walle of Milwaukee arrived via stagecoach to be married on the restaurant's beautifully landscaped property. The rest of the wedding party arrived by horse-drawn wagon. The wagon and stagecoach were supplied by The Bar-N-Ranch, neighbors down the road from The Pony Express.*

Photos by Sharon Callaway Roznik

Comets, sometimes called "bearded stars," got their name from the Greek word *kometes*, meaning "long-haired."

Village of Kewaskum NEWS NOTES

The Village of Kewaskum Zoning Ordinance and Wisconsin Administrative Rule Tax 11.10 refer to Rummage/Garage or occasional sales. The Village would like to remind everyone that a rummage/garage sale is an OCCASIONAL sale, which would normally be for a period of one(1) or two (2) days, but would not exceed seven (7) days. Also, that such an event/sale is only permissible twice in any calendar year.

Rummage/garage sale signs are not to exceed eight (8) square feet in area and placed on the premise of the sale not to exceed seven (7) days twice in any calendar year. Off-premise rummage/garage sale signs are prohibited except where the sign and location have been approved by the Village Police Department. Rummage/garage sale signs shall be removed within 24 hours following the sale.

Everyone's cooperation is appreciated.

HON-E-BEES

The past two weeks have been busy ones for the Kewaskum Wednesday Ladies Association. On June 1 the first night golfing event was held. The Day Event was the "Longest Putt on #9", which was won by Teresa Dreher. The Class Event was "Score Minus Hole #5" the following were winners: Class A - Dreher (42); Class B - Betty Hallen (46); Class C - Sandy Semler (52); Class D - Fran Rohlinger (56). In the eighteen hole event Cathy Lastofka won low gross (101) and Semler and Jan Leverenz tied for low net with a 67. Tudy Korth had a chip-in on White #6. Those who had pars on that nine were: Dreher (3 & 6); Pat Taylor (5 & 6); Doris Bohn (6); Lastofka (5); Debbie Timblin (5). The following had pars on the Red Nine: Leverenz (4); Joan Eggers (3); Hallen (7); Shirley O'Connor (1). Eleanor Marx won the Blind Bogey with a 45, and Gret Zell won the special prize awarded on a night golf event.

On June 8 the day event was "Low Putts" won by Doris Bohn and Gladys Schmidt who tied with 14. "Gross Minus Odd Holes" was the class event, won by: Class A - Lastofka, Taylor and Audrey Jaraczewski tied with 22; Class B - Audrey Pfister and O'Connor tied with a 22; Class C - Trudy Trapp (26); Class D - Ginny Warner (26). For the eighteen hole event Pfister, Schmidt, O'Connor and Gertie Backhaus tied with a 71

for low net; while O'Connor and Backhaus tied for a low gross of 104. Chip-ins were made by eggers (2 & 5); Irene Thomas (8); Warner (2); and Marie Wictor (3) on red nine. On the same nine Hallen parred (3 & 7); Taylor (3 & 4); O'Connor (2 & 7); Warner (2); and Eggers (5). The Blind Bogey was won by Wictor with a 43.

Hello Kewaskum Statesman readers and how are you all doing today? Don't you just love this weather? Sun shining, birds singing--does it get any better than this? Welcome home to all the college students and pretty soon, all the children will be "out for the summer." Looking forward to having them stop in at the Post Office!!

First of all--THE BIG NEWS!!! The long-awaited collection boxes are IN PLACE!! You may want to clip this out for future reference:

Drive-up mailbox located at the rear of the Post Office- PICK-UP TIMES ARE: Monday - Friday 4:30 p.m. Saturday 1:45 p.m.

Kewaskum Mall mailbox located between Subway and Kewaskum Pharmacy- PICK-UP TIMES ARE: Monday-Friday 2:30 p.m.

Mailboxes STILL located outside front door of the Post Office- PICK-UP TIMES ARE: Monday-Saturday 5:30 p.m.

Collection slots inside the Post Office- PICK-UP TIMES: Monday-Friday 5:30 p.m., Saturday 2:00 p.m.

Other Postal news to report on: This week has been designated as Mailbox Improvement week. Rural customers have received information on this as the carriers delivered "flyers" to them. Each year the Postal Service designates a week during May to encourage customers on rural routes to examine and, where necessary, improve the appearance of their mailboxes. Mailbox improvement week calls attention to the need for providing mail receptacles that are:

1. Designed to protect the mail from the weather.
2. Neat appearance.
3. Conveniently located.
4. Safe to use.

Mailboxes that meet these four important requirements contribute to a more efficient delivery and collection operation and improve service to the entire route. Rural customers, please take a look at your mailbox:

1. Is the flag (designated to alert the carrier to out-going mail) in working condition?
2. Is your mailing address clearly shown? (Placement of

the name is OPTIONAL).

3. Does your "door" open and close easily?

4. Is the approach to your mailbox kept clear? (Except when a box is TEMPORARILY blocked-- carriers MUST have access to the box without leaving the vehicle unless authorized to dismount.)

Rural customers also received another notice in their mailboxes. Completion and/or return of the card is optional but non-completion and/or non-return of the card COULD mean delay of your mail if not properly addressed. Please take a moment to fill in the card and place back in your mailbox for your carrier to pick-up. Information supplied on this card will assist us in knowing exactly who lives at your address and YOUR instructions on parcel delivery. As your postmaster (and speaking for my ENTIRE staff), THANKS so much for your continued cooperation and assistance in this matter.

TIPS FROM THE POSTMASTER:

1. Do you have a special occasion coming up in which there are "certain" stamps that you would like to use on your mailings? Please contact me for availability locally as is we do not have them, I can "special-order" them from Milwaukee?

2. "Word is getting out" about remembering to have wedding invitations "weighed" before mailing. Had a young lady in last week and her invitations "weighed out" at 1.1 ounce-- that .1 will cost her 81 cents a piece for her wedding invitations (52 cents for mailing and 29 cents for the reply card.)

3. UNWANTED AND UNORDERED merchandise is "yours to keep." Stop in and/or call me 626-2575 if you have a problem.

4. "NO-LICKERS"-- The popular "rose" is unavailable until July, the squirrels are currently unavailable BUT--still have a good quantity of pinecone, love and eagles!!

Well, that is about it for this week! Until next week, TRY to have a HAPPY DAY--A HAPPY EVERYDAY!!

Your Postmaster,
Bonnie!!!

Picnic Planning Tips for Cool Summer Fun

Summer months are ideal for escaping a hot kitchen and packing a cool, light meal to enjoy outdoors with family and friends. But summer's higher temperatures require extra planning in the choice and storage of picnic foods, says Dairy Council of Wisconsin nutrition experts. Smart picnickers will select cool, nutritious foods and snacks that tote easily and store well in portable coolers.

Good choices for healthful but convenient foods include:

*String cheese and cheese cubes -- no mess finger foods that store easily.

*Pudding or blended yogurt in sealed, individual snack-size containers. These can be frozen and used to keep other foods cold. Let them thaw, or eat as a cool frozen treat.

*Fresh fruits and vegetables, cut up and ready to dip in yogurt or sour cream based dressings packed in airtight containers.

*Individual cartons of cold chocolate milk, or one of the new "fun-flavored" milk, that store easily.

*Tossed salads with cheese strips or chunks.

*Bagels spread with cream cheese, especially festive flavored varieties.

Heavy insulated coolers provide safer storage than foam coolers. Keep the cooler in the shade, and open it as few times as possible.

Dairy Council of Wisconsin is a non-profit nutrition education and marketing association whose work in Wisconsin, northern Illinois and Northwest Indiana is made possible through funds provided by dairy farmers.

GIVE YOUR KIDS A TASTE OF THE GOOD LIFE.

Healthful foods can make a lifetime of difference.

 7:00 P.M. - All Star Game (Coaches vs. Allstars) - Lighted Field.

ALL PLAYERS MUST WEAR TEAM SHIRTS OR THEY WILL NOT PLAY.

Sandwiches Simplify Summer Meals

What's the greatest thing since sliced bread?

A sandwich! As the weather heats up and summer schedules put the squeeze on family mealtime, Dairy Council of Wisconsin offers these super sandwich ideas:

*Use a variety of breads... whole or multi-grain, rye, pumpernickel, oatmeal, even cinnamon raisin. Add interest by using two different kinds of bread in one sandwich. Or make pinwheels: trim crusts and flatten bread slices with a rolling pin; spread with your choice of filling and roll; chill before slicing.

*Try pita bread, a hamburger or hot dog bun, tortilla, bagel, hard roll, English muffin, a croissant or rice cakes.

*Add a slice of real Wisconsin cheese for a calcium boost. Besides American and Swiss, try teaming Muenster, mozzarella, provolone, Gouda or Monterey Jack with deli or leftover meats such as roast beef, turkey, meatloaf or chicken.

*Introduce new sandwich fillings. Mix ricotta or cottage cheese with chopped meats. Or drain and chop canned apricots, peaches or pineapple and mix with cottage cheese.

*Substitute plain yogurt for mayonnaise or salad dressing in chicken or tuna salad and other sandwich fillings. Add a little curry powder and a handful of raisins.

*Plan a sandwich smorgasbord for casual entertaining. Prepare spreads and fillings ahead of time and offer different breads; let guests assemble their own sandwiches. Or prepare a variety of small sandwiches so guests can sample several.

*Make sandwiches ahead and freeze them for up to one month. Fillings made with cheese, cooked meats, tuna and peanut butter freeze well; mayonnaise or yogurt-based spreads do not. Lettuce, tomato, cucumber and celery lose their crunchy texture when frozen, so add those at serving time if desired.

Besides offering variety and simplicity in menu planning, sandwiches also provide nutrients in your balanced diet, say DCW nutrition experts. For example, meats give you protein and iron; breads provide carbohydrates, fiber, thiamin and niacin; tomato and other fruits and vegetables provide vitamins A and C; and cheese gives you calcium, protein and riboflavin.

To round out your meal, serve sandwiches with fresh fruit and tall glasses of cold milk. DCW nutrition experts recommend two to three servings of milk, cheese and yogurt daily as part of a healthful, balanced diet. The fat content of dairy products available today varies, so you can select those that fit your needs and lifestyle.

DID YOU KNOW... A cow produces about 100 glasses of milk a day?

To separate the egg white from the yolk, break the egg over a small funnel. The white will glide through, the yoke will remain.

DID YOU KNOW... Americans spend less than 11 percent of their food dollars on dairy products?

- NOTICE - TOWN OF AUBURN

The Town Board of the Town of Auburn will no longer allow burn barrel ash and ash residue at our transfer station. This change will become effective July 1, 1994.

Closed Session Agenda

- A. Administrative evaluations
- B. Discussion of administrative group compensation for 94-95

Village Board Meeting Minutes

Mid-Monthly Meeting
May 16, 1994
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee David Goeden and unanimously carried by voice vote, the minutes of the May 2, 1994 meeting were approved as printed.

On a motion by Trustee Robert Beisbier, seconded by Trustee Charles Waala and anonymous carried by voice vote, the Board authorized the Explorers Club to use the Fire House property for a car wash. It was noted the Fire Department has agreed to work with the Explorers Club.

A public hearing on the request of Gary and Linda Gavin for the rezoning of lots 13 and 14 of phase one of the development known as Sunset Estates involving the parcel of property located adjacent to Edgewood Road across from Braatz and North, known by tax key no. V4-0032, from R-1 Single Family Residence District to R-3 Two Family Residence District was held. The Gavins were in attendance and explained their request. Mr. Ken Ward, the project engineer explained the logic behind the timing of the request. It was noted nine notices were sent to adjacent property owners of which only one was

present, that being Mr. and Mrs. Robert Kirst, and they spoke in favor of the need for duplex lots. Trustee David Goeden read the favorable action taken by the Plan Commission. No one spoke in opposition to the rezoning. On a motion by Trustee Robert Stoltzmann, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board closed the public hearing.

A public hearing was held on the special assessments for Municipal Improvements for the area known as Wildlife Drive, Reigle Drive and Knights Avenue. Mr. Ken Ward the Village Engineer, Ruekert & Mielke, reviewed the proposed project and cost as bid with the Board. It was further noted no one was present that was being special assessed. On a motion by Trustee Robert Beisbier, seconded by Trustee John Borland and unanimously carried by voice vote, the Board closed the public hearing.

Assistant Fire Chief Mark Herriges, March 1994 monthly report: Fire calls - 1, Year to date - 4; Jaws of life (used) - 1, Year to date - 3; Jaws of life (not used) - Year to date - ; Rescue calls - 15, Year to date - 44; Training 200.5, Year to date - 644; Extra training - 166, Year to date - 248.

Assistant Fire Chief Mark Herriges, April 1994 monthly report: Fire calls - 9, Year to date - 13; Jaws of life (used) 5, Year to date 8; Jaws of life (not used) - Year to date - ; Rescue calls 24, Year to date - 68; Training - 207, Year to date - 851; Extra training - 300.25, Year to date - 548.25.

Chief of Police Richard L. Knoebel, April monthly report: Criminal arrests - 22, Criminal investigations - 47; Traffic warnings 125, Traffic citations - 33; Adult arrests - 15, Juvenile arrests - 14; Property stolen - \$15,511, Property recovered - \$400; Parking warnings - 6; Parking tags - 12.

Chief of Police Richard L.

Knoebel reported to the Board that effective May 22, 1994, Greg Zager will no longer be working for the Village. Mr. Zager has turned in his resignation to go to work for the City of Sturgeon Bay. Chief of Police Richard L. Knoebel brought the name of Mr. Mark Steiner to the Board from the list as provided by the Kewaskum Police and Fire Commission as a replacement. On a motion by Trustee Charles Waala, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the hiring of Mr. Mark Steiner as a police officer conditional upon him passing the physical and other related tests. He is scheduled to start May 26, 1994.

Director of Public Works, Jerry Gilles bi-monthly report:

1) Reported that valve testing had been completed on Fond du Lac Avenue with all 25 valves being turned. The results were 2 valves crooked and in need of realignment and 7 valves that leak and in need of repair. It was further noted that the Public Service Commission does ask that all valves be turned once every two years.

2) It was noted that a forced sanitary sewer main broke on Monday, May 16, 1994 near the Fire House and was repaired.

3) The Board directed Mr. Gilles to check back with Scott Construction as to the poor patch job done on the street openings.

Administrator Daniel S. Schmidt reviewed the following:

1) Budget control sheet for the period ending April 30, 1994.

2) Building permit report for period ending April 30, 1994.

3) Centennial Committee minutes from May 9, 1994.

4) Mid Moraine Municipal Association meeting scheduled for May 24, 1994.

5) Taxpayer bulletins.

6) Variety of correspondence.

Chairman of the Protection and

Public Safety Committee, Trustee John Borland, discussed the matter of in-line skating. It was noted by the Police Chief that most communities are waiting to see how the state laws finally come down regarding the matter.

Trustee Robert Beisbier brought up for discussion the hazardous condition regarding the garage to the rear of the General Store Antique Mall. It was noted that after the Board earlier discussed the matter the Building Inspector sent a letter and that the owners have agreed to make it safe, but not to complete the renovation at this time. The Administrator was directed to notify the owner that if said property is safe the matter would rest.

The Board discussed the speed limit within the confines of the parks. It was noted that a note is to be added to the park rules and notice regarding the speed limit should be placed in the paper acknowledging a 5 mph speed limit.

The Board reviewed the request of S & M Construction to place a dumpster on the street for an estimated three week period. The Board denied the request indicating the contractor should place it on the driveway reducing any hazard.

Chairman of the Park and Recreation Committee, Charles Waala noted that on June 20, 1994 the Committee and anyone from the Village Board would be meeting at the DDCP SE ball diamond to look at the work being accomplished by the Kewaskum Athletic Association.

Points noted regarding the parks:

1) The need for a refrigerator at the lighted diamond for the Jaycees Little League program.

2) The need for more swim instructors and the fact only one swim lesson session is going to be held.

3) Receipt of a gift of eight

trees from Mr. and Mrs. Gary Mlodzik for the parks, a value of between \$200 and \$300. On a motion by Trustee Charles Waala, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board directed a letter of thanks be sent to the Mlodziks.

Board Representative for the Plan Commission, Trustee David Goeden reported that no meeting was scheduled for the month of May.

It was reported that the pre-construction meeting was held on the 9th of May and that construction would hopefully begin the beginning of June.

Action was taken on Ordinance No. 94-4 an ordinance to amend the zoning of village lands as heard at public hearing and attached hereto:

Action was taken on Resolution No. 94-12 a final resolution regarding the special assessment of municipal improvements as heard at public hearing and attached hereto:

On a motion by Trustee William Kulas, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved the signing of the contract for the work as bid under contract 94-1 Wildlife Drive as recommended by the engineer to Sommers Construction for \$120,382.80 the low bidder.

On a motion by Trustee Robert Beisbier, seconded by Trustee William Kulas and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Lithia - Be Sure, a malt beverage of exceptional quality will soon be placed on the market by the West Bend Lithia Co. This company is a newly organized corporation which will take over the entire plant and equipment of the West Bend Brewing Company on July 1st, when National War Time Prohibition takes effect. The company has been experimenting for the last three months with the end in view to produce a product which will be a worthy successor to the enviable reputation which West Bend Lithia so long enjoyed. LITHIA - Be Sure, is a beverage made from the choicest malt and hops brewed according to scientific formulas under the most sanitary conditions. The experiments have been most satisfactory, thus far and the process is being standardized now so as to make it possible to market the beverage in the most economical way. As the West Bend Brewing Company has the reputation of having brewed good Lithia beer there is no doubt that the owners of that institution will be able to furnish a beverage that will hold its own as a non-intoxicating drink, against anything on the market. The firm is working hard to produce a beverage that will meet with the best satisfaction to their customers, so it will pay them to keep their large plant in operation after the nation has gone dry.

Harry Schaefer, son of Mr. and Mrs. Chas. Schaefer received a letter from his brother Carl this week, who is in the Signal Corps with the Army of Occupation stationed at Neu-weid, Germany. Carl states that he had been detailed to take a ride in an aeroplane across the Rhine River and visited several important cities in Germany. Carl now has the distinction of being the first citizen of Kewaskum to take a ride in an aeroplane.

Raymond Smith, son of Mr. and Mrs. Roman Smith, suffered painful injuries last week Friday, when in some manner he lost his balance and stepped into a wash boiler of hot water, scalding his right leg quite badly. He will be laid up for several months.

June 14, 1919

The following class of children was confirmed at St. Kilian Church last Wednesday by Archbishop Messmer of Milwaukee: Math. Dieringer, Victor Dieringer, Joseph Batzler, Reynold Bonlender, Alphonse Flasch, Andrew Flasch, Sylvester German, Clarence Bonlender, Adolph Wahlen, Ferdinand Weiland, John Kral, Conrad Simon, Frank

Felix, Clarence Boegel, Oscar Kohler, Alex Gitter, Ella Kern, Priscilla Amerling, Rose Gundrum, Ella Foerster, Magdeline Flasch, Agnes Kohler, Helen Ruplinger, Amalia Richard, Cecelia Wahlen, Catherine Kral, and Merites Byrnes.

The home of Mr. and Mrs. Otto Dickmann, residing in the Town of Auburn, was thrown into gladness when their son Emil returned home on Wednesday from Camp Grant where he was honorable discharged from further military service.

A bill known as the Fons Bill, which was signed by the Governor, sets the speed limit for autos at thirty-five miles per hour instead of twenty-five.

The West Bend Driving Club will have their first races on Sunday, June 22, when five classes of spirited contests will take place at the fairgrounds.

The Holy Trinity Church will observe its patron feast next Sunday. The following class will make their First Holy Communion on that day: Sylvester Driessel, George Krueger, Paul Schaeffer, Joseph Schoofs, Sylvester Staehler, Erma Braun, Viola Casper, Aurilla Sommers, and Alice Zimmerman.

Arnold Hanson, who recently received his honorable discharge from military service, resumed his duties as operator at the local station on Wednesday.

Private John Meinecke, who a few weeks ago returned home with the Rainbow Division from overseas duty, and who when arriving at Boston re-enlisted in the Electrical Engineering Department, left on Thursday for Boston where he will take up the course in a military school.

Birdies: Dale Jung, 3; Pete Kostelac, 2; Craig Anderson, 2.

Staehler Wins First Modified

PLYMOUTH - Eddie Staehler of Kewaskum collected his first ever 30-lap modified feature win Saturday night in Eastern Wisconsin Stock Car Association action at the Sheboygan County Fairgrounds.

When the green flag fell, Staehler jumped to the front from the pole position and pulled away to a comfortable lead on the opening circuits until a red flag on lap 7 bunched the field. On lap 8, two-time modified track champion Donny Goeden of Kewaskum, who started sixteenth, began to pressure Staehler as did current point leader and fast qualifier K.J. Skelton of Cascade.

Over the final twenty laps of the race, Goeden tried the low groove while Skelton worked the high side as the two swapped second place and tried to wrestle the lead away from Staehler. However, Staehler held off their heated challenges to claim a wire to wire victory.

Goeden wound up second,

Skelton took third, Leroy Ostrowski of Milwaukee finished fourth, and Plymouth's Randy Tracy rounded out the top five.

In the Hobby Stock Division, 1991 track champion Chad Kistner won his second 20 lap feature of the season. After starting eighteenth, Kistner maneuvered his way to the front on lap 15 when he drove under West Bend's Chad Czuppa coming out of turn three. Kistner then pulled away from the pack over the final five laps to win by ten car lengths.

Czuppa followed Kistner to the finish line to claim second, current Hobby Stock point leader Brian Gilles grabbed third, Roger Lange of Campbellsport took fourth and Dean Gosse of Howards Grove finished fifth.

Area Students Participate In Bicycle Safety Program

Lanaya Martin waits her turn to go through the obstacle course as Auxiliary Police Officer Frantz is assisted by Boy Scouts Wiley Page and Chris Pietschmann.

Police Chief Richard Knoebel selling bike licenses at the Bicycle Safety Clinic held last Saturday.

By Louise Martin

Forty one local students participated in a Bicycle Safety Program sponsored by Modern Woodmen of America on Saturday, June 11, at the Kewaskum Middle School.

The program was made possible through the combined efforts of the Kewaskum Police Department, Kewaskum Boy Scout Troop #744 and the Kewaskum Junior Woman's Club.

Bikes were mechanically inspected in areas of brakes, chains, sprockets and safety reflectors. The students viewed a bicycle safety video and were addressed by Officer Tom Bauer regarding bicycle safety. The students answered twenty questions on a written quiz for traffic safety knowledge.

The skill test administered by the Kewaskum Police Department, assisted by the Boy Scouts, evaluated four maneuvers: braking, signaling, riding in a circle and maneuvering around obstacles.

All participants received a Certificate of Participation, reflective decal, spoke reflector and a safety booklet. Refreshments were served at the conclusion of the program.

It is the hope of the program

organizers that the program helped increase safety consciousness among our young bicyclists.

This educational program is one of six sponsored by Modern Woodmen of America, a Fraternal Life Insurance Society with their Home Office in Rock Island, Illinois. The Bicycle Safety Program was donated by Tom Reis, a local area representative of Modern Woodmen of America.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Wisconsin Tourism Generates Nearly \$1 Billion for State and Local Coffers

MADISON - Governor Tommy G. Thompson recently announced that the state's \$5.6 billion tourism industry generated \$939 million in state and local revenues in 1993.

The Governor unveiled the figures at a National Tourism Week kickoff ceremony at the State Capitol. Over 200 tourism industry representatives from across the state were on hand for the event.

"The 1993 economic impact figures demonstrate the tourism industry's significant contributions to the health of Wisconsin's economy," Governor Thompson said.

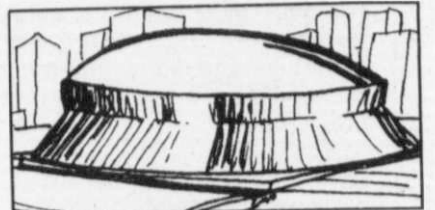

According to the 1993 Wisconsin tourism economic

impact study, tourism generated \$620 million in total state revenues and \$319 million in local revenues. It also supported 147,393 full-time equivalent jobs.

The study, compiled by Davidson-Peterson Associates of Maine, also showed that tourism expenditures were up in 56 of Wisconsin's 72 counties in 1993. The top ten counties based on total visitor expenditures were Milwaukee, Dane, Waukesha, Brown, Sauk, Door, Outagamie, Walworth, Columbia and Rock. Fond du Lac County posted the largest gain in tourism dollars between 1992 and 1993 with a 27 percent increase. Other big increases

occurred in Shawano and Outagamie Counties with nearly 12 percent increases.

"A strong autumn season helped many communities rebound from heavy spring rains and early summer flooding to end 1993 on a high note," Division of Tourism Administrator Moose Speros said.

The world's largest dome is the Louisiana Superdome in New Orleans, which has a diameter of 680 feet.

KIEL - Collecting hits hasn't been much of a problem for the Kewaskum baseball team thus far this season. Making those hits translate into runs has been.

But the Indians seemed to have solved that problem here, last Monday. KHS came up with some clutch hitting, as well as clutch fielding, as it outlasted Kiel, 8-3, in the Eastern Wisconsin Conference opener for both teams.

"Everybody contributed," KHS coach Mark Heise said of the outing. "It was actually a much closer game than the score indicates."

The Indians got on the board first, as Tom Menger's double scored a run in the second. Kevin Klahn, Tim Strigenz, and Tim Gundrum each singled as part of a three-run fourth inning, putting KHS in front 4-0.

But some shoddy defense allowed Kiel to get back into the

game in the bottom of the fourth. Two errors and a home run brought the Raiders back to within 4-3.

It looked as if the hosts would take control in the bottom of the fifth, as the Raiders had runners on first and second with one out. But the next better hit a grounder to second baseman Cory Rammer, who started an inning-ending 4-6-3 double play.

"That really picked them up," Heise said of the twin-killer. "That was the turning point... the key inning."

The Indians rode that momentum, scoring four times in the sixth. The big blow was Joe Rettler's bases loaded single, scoring two runs. Gundrum and Strigenz also added RBI's in the frame.

Junior Dane Dorn finished on the mound for KHS. Dorn came on in relief of Strigenz, who lasted just over three innings. Strigenz gave up all three Kiel runs, walking six batters and striking out two.

"He was running a lot of long counts on hitters," Heise said of Strigenz. "He was throwing a lot of pitches."

So Heise replaced him with Dorn, who pitched well in the final four innings. Dorn struck out five, while walking one, and allowed just two hits to pick up the victory.

Gundrum and Klahn each registered four hits, leading the 13-hit attack. Klahn stole four bases as well, while Gundrum, Strigenz, and Rettler each had two RBI's.

"The kids really responded well," Heise said of the nerve-racking fifth inning. "They didn't panic, and that paid off."

The win improved the Indians record to 4-4 overall. KEWASKUM 010 304 0 - 8 13 2 KIEL 000 300 0 - 3 4 3

Athletics Victorious At New Ball Diamond

The Kewaskum A's had a successful weekend at their new home in the Kiwanis Park, picking up a pair of victories.

On Saturday, the Athletics beat the West Bend Benders, 5-4, to raise their Tri-County League record to 2-1. Brian Walta picked up a victory in relief of starter Doug Buechel. Shaun Schneider shut down the visitors in the 9th inning to close out the victory and gain a save.

The offense consisted largely of the long ball as the A's hit three solo homers. Kim Marx hit a solo shot and added a triple and two runs scored. Rick Peck homered in the sixth inning and Todd Muckerheide followed that with a 400 foot blast to put the A's in the lead. Two double plays and a strikeout ended three bases loaded threats by the Benders.

Fond du Lac fell to Kewaskum by a 9-7 score Sunday afternoon in Rock River League action. The A's are now 3-4 in Northern Division play.

Don Menzel turned in a strong performance in relief to gain the mound victory. Menzel held Fond du Lac to two runs in six innings, striking out seven and walking only one.

Two big innings carried the Athletics offensively. Mark Schlosser, Doug Gonring, and Todd Muckerheide picked up RBI base hits to score four runs in the third inning. Kewaskum capped their scoring with a five run fifth inning. The big blows were a two run homer by Rick Peck (his second in two days) and a three-run shot by Dave Pauers.

Kewaskum plays Marytown in the Plymouth tournament at 6:30 p.m. on Friday, June 17. Neosho comes to town on Saturday for a 1:30 contest in Tri-County League action. On Sunday, June 19th, the A's travel to Horicon for a Rock River League game, also starting at 1:30 p.m.

Hartford Takes 2nd in Softball

By Noel Stollenwerk

WAUKESHA - It was a battle of the unbeaten in the Division 1 girls softball championship here, at the Saratoga Sports Complex last week. But Ashwaubenon had one big advantage over Hartford. Experience in championship games.

That experience helped Ashwaubenon to its third straight WIAA softball title, as the Jaguars beat Hartford 6-2 in the Division 1 championship.

Hartford jumped ahead of Ashwaubenon in the title game 2-0, but for the third straight game, the Jaguars battled from behind and secured the victory. The Jaguars finished the year with a perfect 25-0 record, while Hartford ended up 24-1.

In Division 2, Southern Door capped off a 24-1 campaign with an 8-0 shutout of Dodgeville in the championship game. Dodgeville ended the year with a 21-1 mark.

Marshall's Angie Koclanes pitched a no-hitter in the Division 3 championship game against Elmwood, helping the Cardinals beat Elmwood 6-0. Marshall finished the year 24-1, while Elmwood ended 20-1.

Gale-Etrick-Trempealeau Sweeps Division 2 Golf Titles

By Noel Stollenwerk

MADISON - It was a clean sweep for the Gale-Etrick-Trempealeau golf team, which captured both the team and the individual championships in Division 2 at the WIAA Golf Tournament here, last week.

G-E-T won the team title with a 656 total, 13 strokes ahead of Division 2 runner-up Brown Deer. G-E-T's Ryan Quinn also took home the individual title, shooting an impressive 36-hole total of 146. Quinn needed a 40-foot putt on the final hole to edge New Richmond's Scott Cole by one stroke.

In Division 1, Lake Geneva Badgers took home the team trophy, as it shot a 627 total, beating both Green Bay Preble and Onalaska by seven strokes.

Whitnall's Mike Johnston won the Division 1 individual title, outlasting Preble's Nick Gilliam and Marinette's Bill Langlois in a one-hole playoff.

The Division 3 team championship went to Osseo-Fairchild, which recorded a 648 total. That was enough to beat second-place Grantsburg by more than 50 strokes. Osseo-Fairchild's Chris Anderson won the individual title in Division 3, shooting a 156.

Area schools and individuals who did well at the state meet included Plymouth, which finished tied for 12th in Division 1 with 692 strokes; Two Rivers, which was seventh in Division 2 with 708 strokes; Shaun Rezachek of Two Rivers, who was seventh in the Division 2 individual race with 162 strokes.

Rally in Seventh Lifts KHS Past Plymouth

By Noel Stollenwerk

PLYMOUTH -- As Yogi Berra made so very clear years ago, "it aint over till it's over." The Kewaskum baseball team found that out a couple of times here, last Friday.

The Indians scored three times in the seventh to take the lead in their Eastern Wisconsin Conference contest with Plymouth. KHS then had to hold on in the bottom half of the seventh, needing a game-ending play at the plate to secure a 4-3 win over the Panthers.

The win improved the Indians record to 5-4 overall, and 2-0 in the EW. Plymouth, which had been favored to contend for the EW title, fell to 0-2 in the conference.

The Panthers looked as if they would record their first conference win of the season against the Indians, who trailed throughout. Plymouth got on the board in the third, as an error, a single, and a hit batsman loaded the bases for the Panther cleanup hitter, Travis Streblov. He connected on an RB single, scoring two runs, and giving the hosts the lead.

A run-scoring double by Ryan Lisowe in the fourth made it 3-0 in favor of the Panthers, who got a good effort out of Travis Petrie on the mound.

The Indians finally reached Petrie for a run in the fifth. Tom Menger singled and stole second. Cory Rammer followed with an RBI single, cutting the deficit to 3-1.

That's the way it stayed until the seventh. KHS had the bottom three hitters in the order coming to the plate in the inning, so things didn't exactly look appealing for Coach Mark Heise.

But Joe Rettler led off with a double and he went to third on a groundout by Andy Rix. Luke Chesak struck out for the second out, and things looked even bleaker for the Indians.

But Kevin Klahn kept the rally alive with a single, scoring Rettler, to make it 3-2. Cory Rammer followed with a "nubber," the equivalent of a swing bunt, in front of home plate.

Petrie picked up the ball and fired toward first, but the throw was well off-target and sailed down the right-field line. Klahn, who was running on the pitch, easily scored from first on the play, tying the score.

Tim Gundrum followed with a base hit, scoring Rammer, and giving the Indians their first lead of the game. After a walk to Dan Survis, Dellger replaced Petrie on the mound, and struck out Dane Dorn to end the inning.

Things got a bit hairy in the

bottom of the seventh, though, as Plymouth had its 3-4-5 hitters coming up. Dorn, who pitched the entire game, struck out the first hitter, but the third strike was dropped by Gundrum, and that allowed the runner to reach first.

That brought Streblov to the plate. Dorn, however, got him to bounce to shortstop Joe Rettler, who started a double play. With two down, things began to look up for the Indians.

But Petrie followed with a single, and went to second when the next batter walked. Peter Paulson then followed with a line drive single up the middle. The ball took two hops before reaching the centerfielder Klahn, who came up firing to homeplate.

The throw got to Gundrum in plenty of time, and he tagged Petrie to end the game.

"The ball was there and the runner (Petrie) had to be at least 10 feet up the line," Heise said of the game-ending play. "Kevin was throwing the ball when the runner was rounding third base."

Gundrum once again led the KHS hit parade with three base hits, making him 7 x 8 in his first two conference games. "He's really hitting the ball well," Heise said of his catcher. "The only out he had was hit hard too."

Klahn also added two hits in addition to his game-winning assists from the outfield.

"We're playing quite well right now," Heise said. "Being 2-0 in conference is nice, but it's not over yet. But I'm satisfied with where we're at."

This week, the Indians have home games with New Holstein (Monday) and Sheboygan Falls (Thursday), and a road game at

Two Rivers (Tuesday).

Next week, KHS has a busy week, with a road game at Chilton (Monday), and home games with Campbellsport (Tuesday), Hilbert (Thursday), and Kiel (Friday).
