## Westphal Named New KHS Athletic Director Raises Approved for School Administrators

By Noel Stollenwerk

KEWASKUM - The Kewaskum Board of Education gave its final approval for salary increases to be given to district administrators at its monthly meeting Monday night.

The Board approved an average 3.84% pay hike in salary and fringe benefits for its 11-person administrative team.

Salary increases are limited to 2.1% of the previous year's salary, as mandated by legislation passed last August. Fringe benefits allow the total packages to increase to the 3.84% total.

The increases range from a 4.62% increase for KHS assistant principal David Dillman (from \$46,225 to \$48,361) to a 2.25% increase for Superintendent David Heather (from \$66,621 to \$68,121). Dillman will receive a raise of \$2,136 while four other administrators will earn raises of \$1,500.

Two other administrators, Kewaskum Middle School principal Katherine Crowley

(\$55,500) and Farmington/Wayne Elementary principal Kevin Steinhilber (\$52,000) will begin their first year with the district, replacing the retiring David Jones and Tom Larsen.

In another matter, the Board also approved the appointment of Jim Westphal as the KHS Athletic Director. Westphal replaces David Rizzardi, who resigned the post after taking the school's head girls basketball coaching job. Rizzardi, who also coaches the girls volleyball team, gave up the AD post because he felt it would be too much of a burden with the added coaching duty.

Westphal has been employed by the district as a teacher and coach for the past 25 years. He teaches in the English department, and currently serves as the school's head boys basketball coach.

In taking the AD position, Westphal's teaching load will decrease from five periods per day to four.

## School Board Will Present Four Separate Resolutions

By Noel Stollenwerk

KEWASKUM - The Kewaskum Board of Education continued in its quest to present the district with options for a building and expansion project at the Kewaskum High and Middle Schools.

The Board voted to give the public four options on which to choose from, with no one option binding on the others. The referendum is scheduled for some time in September.

The action is in response to voters turning down two previous resolutions for multi-million dollar packages to renovate the two schools, and also add an auditorium to the high school.

Informal questioning of voters indicated that the public did not approve spending the \$2.2 million needed for the auditorium. Many in the community thought that the 750-seat item was a luxury and not a necessity.

In response, the Board will give four separate resolutions on which to vote, ranging in price from \$5.4 million to \$80,000.

The first resolution will be the same \$5,450,000 question

posed to voters in April. The package, which includes all of the renovations and additions with the exception of the auditorium, was turned down by voters by a slim margin.

The second resolution is for \$200,000, which will be used to complete the football field and track complex located just to the west of the high school. The amount will include money for a rubberized track surface, bleachers, fencing, and a press box.

The third resolution is for \$80,000 and would be for installing lights at the football field and track complex.

The fourth and final resolution is in the amount of \$2,275,000 and would be for the auditorium to be included in the renovation and expansion package.

If the voters in the district passed all four resolutions, the total amount that the district could spend on the projects, would be \$8,005,000.

The Board also decided not to push a resolution concerning allocating money for new roofing at the two schools before the voters at this time.

## Business Booming at Subway

The newly opened Subway held a grand opening party recently for family, friends, and workers - giving everyone a chance to sample a variety of subs, and giving the new owners a chance to say thank you to all those that helped with the opening of the new shop. Pictured (L to R) are owners Patty and Tom Steffek of West Bend and Paulette and Richard Kapinos of Boltonville. Tom and Dick are lifelong friends and previously worked together at Badger Cable, owned by Dick and managed by Tom. The business was sold last winter. Steffek was also once a drummer for Dick's band, Badger Crew, who recently played at Kewaskum's Firemen-Legion picnic.

## Hamburger Haus II Opens Here

The Hamburger Haus II opened in the former A & W Restaurant building at 1041 Fond du Lac Avenue in Kewaskum on Monday. Hamburger connoisseurs no longer have to travel to the original Hamburger Haus in Dundee to sink their teeth into the charcoal-grilled burgers and other sandwiches now also offered at the new establishment.

## Swim Lesson Registration

Swim lesson registration will take place on Thursday, Friday and Saturday, July 14, 15 and 16.

On Thursday you may register at the Municipal Building Community Room from 10 a.m. to 3 p.m.

Friday registration will be

held at the beach office from 10 a.m. to 3 p.m. and on Saturday you will again be able to register at the Community Room from 10 a.m. to 3 p.m.

Swim lessons will begin on Monday, July 18, and run for four weeks until Thursday, August 11. Lessons are held

Monday through Thursday with makeup lessons being held on Fridays. Makeup lessons will be the direct result of inclement weather.

All swim lesson participants must have a season swim pass, either individual or family.

(Continued on Page 2)

Subway employs seven employees, and offers a great location at the Kewaskum Mall. In a couple weeks Video Square will be opening in the mall, with front door access through Subway. Customers can rent a movie and grab a snack at the same time.

## Registration Dinner to Kick Off County Junior Fair

(Continued from Page 1)

Resident season passholders will pay a fee of \$4.00 per child for swim lessons.

Non-resident season passholders will pay a fee of \$6.00 per child for swim lessons.

Tot time registrants must pay the swim lesson registration fee, as well as, purchase a youth (family) pass.

Class sizes will be limited. Please do not ask to pre-register as there will be NO pre-registration for classes.

A resident is classified a person(s) who resides in the Village of Kewaskum and pays village taxes.

A non-resident is classified as a person(s) who does not reside in the Village of Kewaskum and who pays township taxes.

The classes and times available are:

## Letters to the Editor

DEAR EDITOR:

To The Editor:

Another year's Summer Celebrations have come and gone indicating 1994 is half over. With this in mind I am already thinking of next Summer and the Centennial Celebration. I would encourage anyone interested to join us at any of the meetings. The next meeting is scheduled for July 18, 1994 at 7 p.m.

Looking back at this year's events, a big Thank You should go out to all of those that have supported the Kewaskum Firemen and Legion at their picnic. Even more, those that came to support and enjoy the event should extend an even bigger Thank You to all of those Firemen, Legionnaires, spouses and families that gave many hours of their time, to bring this event to them. It takes alot of work and dedication to bring any type of event off successfully.

A thank you should go out to all of those that participated in the parade, it was enjoyable and well organized. Plan on joining us and participating in the Village of Kewaskum's even bigger "Centennial Parade" in 1995.

In a further note, the July 3rd fireworks were again terrific and the audience larger than ever. The firemen did a tremendous job coordinating and shooting off the fireworks display as well as providing the large audience with the needed food and refreshments. The Village is hoping to provide two fireworks displays next year on June 10th and July 3rd, both with the assistance of the Kewaskum Fire Department. Thanks again, firemen for a job well done.

Sincerely,  
The Kewaskum  
Centennial Committee  
Daniel S. Schmidt,  
Chairman

# Local Students Return From Australia Trip

Ready to board, left to right, Tim Breitag, Joe Buth and Jeff Kitelinger of Saukville and Luke Martin at Mitchell Field in Milwaukee.

Luke Martin and a kangaroo cautiously approach each other at Mowbray Park in Australia.

By Louise Martin

For some people a trip to Australia and New Zealand is a dream realized in their retirement years. For others it remains a fragment of one's imagination but for two Kewaskum youths an incredible 20 day South Pacific adventure was realized this summer.

On June 10th, following several months of preparation and orientation meetings, Tim Breitag and Luke Martin, both of Kewaskum, along with 14 other junior high students from the Washington/Ozaukee county area boarded American Airlines

in Milwaukee with scheduled stopovers in Chicago, Los Angeles and Tahiti, before reaching their first destination, Auckland, New Zealand on June 12th.

Tim is the son of Barb and Bob Breitag and will be a freshman at Kewaskum High School in fall. Luke will be an eighth grade student at Holy Trinity and is the son of Louise and Larry Martin.

Luke and Tim were student ambassador representatives for the People to People Youth Science Exchange program. They were selected on the basis of academic achievement, letters of recommendation and personal interviews with a screening committee. People to People International is a private, non-profit, nonpolitical organization which encourages communications among citizens worldwide.

Upon their arrival at Los Angeles International Airport, the Wisconsin representatives were joined by 17 junior high student ambassadors from Galveston, Texas, which resulted in an interesting north/south mixture. Yes sir, no ma'am, ya' all and Yankees were common words our Wisconsin students became accustomed to hearing, all in fun, from their Texas friends.

Before they would return home, the students would tally 16,180 air miles, approximately 52 hours in flight time, almost 15 hours in airport layover time and would bring back memories of unforgettable sights and experiences.

The Southern Hemisphere is now in their winter season very much different from our Wisconsin winters. Daily temperatures in New Zealand and

Tim Breitag poses with a koala bear and crocodile at Wild World Park in Sydney, Australia. Yes, the animals are real!

Sydney were in the high 50's to low 60's with night temperatures just a bit cooler. While in Cairns in northern Australia, the students enjoyed more summer-like conditions with temperatures in the 80's which was cool according to the residents. In Cairns the students were advised to use sunscreen and to apply it frequently because of the intense sun.

The grass and trees were green. New Zealand was hilly and Australia more flat. Cars driven on the left side of the road included Mitsubishi, Rolls Royce, Mercedes, Fords, GM and Holden.

The people encountered in both countries were very polite and accommodating. The housing was similar to our homes in the states. Water in sinks drained and toilets flushed in the opposite direction as ours.

Accommodations for the students were at the Hyatt Hotels, local resorts and lodges. In addition, while in New Zealand, the students experienced an overnight homestay enjoying the hospitality and activities planned by host families. Tim and Luke stayed with families who raised hundreds of sheep and beef cattle on their

ranches.

For Tim and Luke, their favorite activity was snorkeling in the Great Barrier Reef. Other activities included horseback riding in the bush, sea kayaking, absailing, fishing, boomerang throwing, riding on a luge, shopping, sea cruises, visits to mountains, beaches, zoos, the Sydney Opera House, wildlife parks, aquariums and harbors. The students also had the opportunity to learn about the history, customs and culture of both countries.

What a terrific learning experience this was for the students and their families. Luke and Tim returned very tired and with a new appreciation for mom's cooking! It was indeed an experience of a lifetime. G'day mate!

# MEMORIES

What local lad (with family ties still exhibiting) secured the top beef spot in the first Washington County Meat Animal Sale held 25 years ago?

The answer is Dan Schaefer of the Kewaskum 4-H Club who exhibited a Hereford steer and won top honors for his efforts.

Dan, shown above with his

older brother, David, has remained actively involved in agriculture, and will be among those honored at the ceremonies during the 25th Anniversary of the Meat Sale, held Thursday evening, July 28, at the Washington County Fairgrounds in Slinger.

This year's event is scheduled to be bigger than ever and everyone in the area is invited to attend. As in the past, area business people will be asked to help support the animal sale with some active bids. The youth of the area have worked extremely long and hard to raise and train some of the best meat animals in the state.

Let's show our support and attend the 25th Anniversary Celebration.

## Commercial Space Still Available for County Fair

The Washington County Junior Fair, scheduled for July 27-31, is now accepting applications for commercial space from businesses in Washington County and the surrounding areas. Historically, this is one of America's traditional ways for a business to show their wares.

Businesses can rent space in either of two commercial tents or outside space.

For more information, contact Sandy Lang at the Washington County Fair Office at 335-4485; 644-5204 or 342-2929 or stop at the Fair Office located in the Public Agency Center, 333 E. Washington Street, Suite 1200 in West Bend.

## Seidemann Descendants to Meet German and Canadian Relatives

The Friedrich Seidemann descendants seem to celebrate their annual family reunion bigger and better each year. This is no exception.

Over 3,000 family members have been sent invitations to this annual event and they are expecting approximately 500 people at the Ray Seidemann family farm near Newburg on July 17, 1994.

This is land settled by their ancestors and still owned by those descendants. There's a special feeling you get when you attend the reunion for the first time.

This will be the Seidemann's 61st consecutive reunion and relatives will be traveling here from Germany and Canada, as well as stateside relatives from Texas, Oklahoma, Kansas, Illinois, Minnesota, Arizona, Michigan, Florida, California, Indiana and of course, ALL parts of Wisconsin. Family get-togethers just don't get any better than this.

They will be serving beer, brats, hot dogs, ice cream, root beer floats and other refreshments throughout the day.

The entertainment committee will be providing games for kids of all ages. Family members will be given the opportunity to tell family tales during the story hour. All of that will be topped off with a kuchen bake-off (yummy) and a talent show.

On display will be family pictures, antiques and heirlooms dating back to 1845, some of which were brought by their German ancestors to America. The Seidemann's newest heir-

loom is a 1993 family quilt which members created themselves and contains over 100 squares... and it is a beautiful sight.

Seidemann members also have an official t-shirt design which states, "We Have Deep Family Roots, and We're Still Branching Out." They certainly are.

Seidemann descendants have printed their third edition of a history and family tree book and offer their members an opportunity to purchase self-guiding tour maps which feature locations of homes, churches and cemeteries in which Friedrich and Rosina Seidemann and their eight children lived and are buried at.

The Ray Seidemann family has recently restored an old-fashioned summer kitchen. It includes a smokehouse where meats were smoked, a brick oven where breads and coffee cakes were baked, and a large kettle for heating water and boiling sap for maple syrup.

Seidemann family members are trying their hand at baking breads. Free tours will be available.

This year committee members

include: Ray Gerner, Monona, Wisconsin, General Chairman; Debi Seidemann, West Bend, Entertainment; Mark Chesak, Newburg, Refreshments.

If you are a relative but have not received an invitation or you need additional information, contact the Seidemann Reunion hotline at 414-675-6364 or write Seidemann Reunion, 7185 Shady Lane Rd., West Bend, WI 53095-8952, to the attention of Phyllis.

# Koch - Sandvig

Melissa M. C. Koch and Gary S. Sandvig exchanged wedding vows on Saturday, June 4, 1994 at the Ley Chapel, Lakeland College. Officiating at the 3:30 p.m. double ring ceremony was the Rev. Louis W. Grossen. Music was provided by the Sheboygan Symphony String Quartet.

The bride is the daughter of Harry E. and Janet C. Koch of Kewaskum. She was presented in marriage by her father, to the son of the late Arthur E. and Alice B. Sandvig of Racine.

Attending the bride as matron of honor was Jennifer L. Prinner of Elgin, Illinois, a friend of the bride. Patricia L. Dorn of West Bend, niece of the bride, served as maid of honor.

Richard L. Sandvig of Racine, brother of the bridegroom, served as best man. The groomsmen were Edward W.

Dorn of Kewaskum, brother-in-law of the bride.

A reception and dinner were held at Silver Springs Inn and Resort, rural Plymouth.

A honeymoon train trip was taken to Washington D.C.

The bride is a graduate of Kewaskum Community High School and Lakeland College, and is currently attending Marquette University pursuing a Master's Degree in Business Administration. She is a Senior Accounting Analyst in the International Plumbing Division of the Kohler Company, Kohler.

The bridegroom is a graduate of Horlick High School, Racine, and the University of Wisconsin-Parkside. He is a Cartographer at Aero-Metric Engineering, Inc., Sheboygan.

The couple will reside in Howards Grove.

## Receives Degree

Shad Ryan Wenzlaff, son of Gene and Kathy (Fay) Wenzlaff, Campbellsport, received the bachelor of arts degree in music at Lawrence University's 145th commencement ceremonies June 12. He is a 1990 graduate of Campbellsport High School.

Lawrence university, a liberal arts college with an associated conservatory of music, was founded in 1847. It has produced seven Rhodes Scholars and is consistently ranked among the nation's best liberal arts colleges.

## Scarlet Beauty

by A.Mi.

The North American bird of brilliant scarlet plumage, closely allied to the finch, is one of my favorite jewels of the woodlands.

Indeed, the Scarlet Tanager paints a beautiful picture as it plunges hither and yon among the lofty trees of the forest. A flash of bright red accentuated by its jet black wings is a sight long to be remembered. Although very shy, once one has found its habitat, it is not too difficult to observe this bird so seldom enjoyed.

Last summer I was fortunate to have a pair nest in the woodlot surrounding my home. An "in residence" treat I never expected would ever occur. Unfortunately, they have not returned this season. But I relish my memories of the past season and have discovered a pair now nesting in a nearby forest. I am not quite sure as yet, but I believe that a snowy owl must also be nesting near their chosen home site...for I have seen the owl each time the scarlet tanagers have put in an appearance.

If you have never seen this beautiful bird look for him (or her) in the deep woods. When you see a flash of the most brilliant red you have ever experienced, then you know that you have come upon the Scarlet Tanager...God's gift to those of us who delight in the glory of His creation.

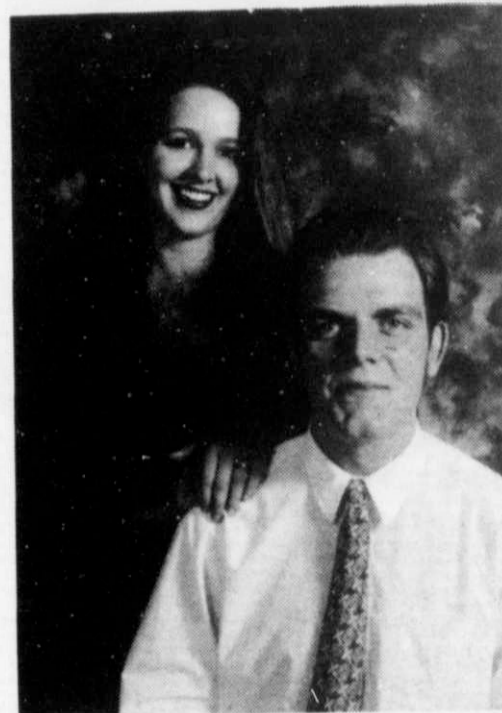

## St. Joseph's Hospital Hosts Baby Reunion

St. Joseph's Community Hospital of West Bend is hosting a baby reunion on August 7, for all three-year-old children born at St. Joseph's and their families.

The reunion will be held on the east lawn of St. Joseph's from 12 to 3 p.m. There will be cookies and ice cream, pony cart rides, face painting, a clown, complimentary t-shirts and children's games.

If you have not received your invitation and your child was born in 1991 at St. Joseph's Community Hospital, please call Donna Rose, RN, at 334-8378.

A medley from Les Miserables was presented by Jenny Goodsell, vocals, Erin Stoffel, keyboard and Chrissy Neumann, flute.

On Tuesday, May 31, students of Terry Christie performed in a piano recital. The recital was held in Kewaskum Middle School Band room at 7:00 p.m. There were over 100 family members and friends present. Students each performed two contrasting pieces.

Students were awarded certificates of participation as well as special recognition for accomplishments during the school year. Nine students received "superior" ratings at the Moraine Musicians Festival in March: Jenny Boehlke, Jason Fideler, Chris and Jenny Koth, Lanaya Martin, Jeff Noren, Matthew Schroeder, Adam and Katie Survis.

Jenny Goodsell and Chrissy Neumann received "1st" place ratings on Class B piano literature at Solo-Ensemble Contest this spring. Jeff Noren was selected to perform in the Moraine Musicians Honor

Recital also held this spring.

Erin Krueger, Aggie Friedel and Amanda Schoofs competed in the Washington County Concerto Contest held in February. Erin won 2nd place in her division. Erin Stoffel was recognized as the graduating Senior. And, finally, special recognition was given to Aggie Friedel who was named "Student of the Year."

The highlight of the evening was Erin Stoffel's rendition of Aaron Copland's "Cat and Mouse." She illustrated this piece with nine poster board drawings depicting her interpretation of the piece. Erin is planning to attend St. Norbert's College this fall to pursue an Art degree. Her combination of art and music provided a totally rewarding experience for Erin and the audience.

The grand finale to the recital was a medley from Les Miserables. Erin, Chrissy and

Jenny arranged a trio of the piece that captivated their audience. The younger musicians may have higher aspirations following this wonderful performance.

Congratulations to all of the students for a great recital and all of their efforts throughout the year.

Alex Klug, son of Mr. and Mrs. Gust Klug, returned home on Thursday from Camp Grant where he received his honorable discharge from military service. Alex left home on April 26th, 1918 for Camp Grant where he was assigned to the Signal Corps. After a few weeks stay at Camp Grant he left for the east from where he soon afterwards sailed for France.

Nothing helps the little ones more than a through tonic-laxative taken once a week; cleans the insides, purifies the blood, helps the appetite, makes them sleep and grow.

Dr. Rupert Blue, surgeon general of the United States public health service, offers the following suggestions for keep-

ing cool during the summer: cut down meats; eat fruits, vegetables, crackers and milk; discard the coat; don't overdrink any fluids, including water; cut out alcohol; bathe frequently in tepid water; keep the mind cool; don't fuss; don't worry; don't rush; take your time; keep serene; if possible, do strenuous work only in early morning or late evening; when electric fan is used at night, adjust it so it blows under the bed.

## Universal Commercial Wire Harness Making Equipment Manufacturing Easier

Allenton, Wisconsin -- The electrical functions on several automotive engines, garbage trucks, conversion vans, fire apparatus, agricultural equipment and street rods produced in the state are now being operated by universal commercial wire harnesses produced by The Saint Wire and Cable Company of Fond du Lac. Some of the electrical equipment produced by Premier Aluminum Inc. of Allenton currently use these harnesses.

The commercial harnesses consist of a network of wires and terminals wrapped in an insulated jacket. The harnesses connect the power to many different parts of the equipment making it possible to operate the lights and other electrical functions on the machinery.

"Our products help save time and money for area manufacturers by eliminating the need for a company to manually hook-up each connection one at a time to each component," said Gary St. Mary, owner of The Saint Wire and Cable Company. "For instance, where it would normally take a company up to 4 hours to install 10 separate connections, we can cut down the installation time to one half hour."

According to St. Mary, customized harnesses can also be manufactured to fit each company's specialized needs. One specialized harness was recently produced for the Chrysler Marine Corporation Marine/Industrial Division in Beaver Dam. The harness was equipped with a time switch to control the voltage running through the wire harness at set intervals.

A specialized harness with a key lock-out device was also recently developed for The Kohler Company in Kohler. The "E-Z Stopper" device prevents people from using the company's forklifts and other commercial vehicles unless they have a key.

"We will go to any length to serve our customers," said St. Mary. "We specialize in custom-designed, small orders that are as competitively priced as orders from companies which

place large quantity limitations on purchases. This has worked out well for us with today's requirement of just-in-time delivery. Where it takes other suppliers 6-12 weeks to finish a large job, we can get the product to the manufacturer faster,

sometimes as fast as 4 days, because of the small quantities needed."

Other company customers include Haban Manufacturing of Racine, A & J Conversion Vans of Valders and The Leach Company of Oshkosh.

The above "moo-ving" entry with the great looking cow, courtesy of the Wisconsin Farm Bureau, walked away with first prize in Sunday's parade. And whoever said cows were dumb? Wisconsinites have known the potential of the cow long before they became fashionable with the rest of the country! And they call us cheeseheads! Someday we might even share the secret of what came first, the egg or the chicken.

Regal Ware's entry depicting the popular "Flintstones" was as usual, a favorite of all the "mini" parade watchers as well as their parents.

My Little Friends Day Care Center, all decked out in their red, white and blue finery, took home second prize.

The Wisconsin Farm Bureau's "Bessie" brought along her sister, "Elsie," who "milked" her way through the crowds on roller skates, pounding her drum, no less. See, not only are our cows smart, they are also musically inclined! Yup, we got pretty classy cows in these here parts! Our pigs are pretty darn smart, too. If you recall, not too long ago, one of them saved all her money and stuck it in a jar just so she could kiss John Herriges.

The Family Hair Salon's third prize winner, showed you don't need Sunday's great weather to secure a perfect summer tan. Prime Time Pub won fourth prize for their entry, but they caught the photographer in the middle of reloading the camera, thus no photo.

The above was the parade entry from Henry Timblin Trucking of Kewaskum.

The Kewaskum Firemen's equipment led off the parade on Sunday and was quite impressive as it stretched for almost two city blocks with lights flashing. Despite intermittent rain on Friday evening and a few cool sprinkles on Saturday, the picnic as usual, was another fine success. Our pal, Mom Nature gave a big smile and sent down one of her finest on Sunday and throughout the park you heard the comment, "What a perfect day for the picnic!" And how right they were. It's common knowledge among parade-goers, that the Kewaskum Firemen-Legion picnic has a reputation for being one of the finest in the area, which is a credit to all the planners and doers that work so hard to ensure everything comes off without a hitch, which it always does.

The Tripoli Shrine Scottish Highlanders were one of the marching bands that got everyone's toes tapping during the parade.

Sundials, developed more than 4,000 years ago, are the oldest known instruments for telling time.

## A Message from The Postmaster

Hello Kewaskum Statesman readers and how are you all doing today?

Like many of you, I am winding down from the big Firemen's picnic this past weekend! Was glad to see you all there.

As mentioned last time, the "moving" continues... got my sister and family all moved in and Saturday loaded a 17' U-Haul for my daughter's move. But there was still Sunday and the Firemen's picnic. It was great to "visit" with so many of you. You are the best... that is for sure! I could never begin to Thank You for your ultimate support since I have been Postmaster. And now... on to some Postal news.

First of all... in this, the so-called "New Age" of stamp collecting, there is a growing emphasis on bringing in customers who previously would have NEVER thought about collecting stamps.

The prime example of the overwhelming success of the Elvis stamp in 1993. Nearly 520 million stamps were printed, but 25% of those will never be attached to the front of a letter. Is the Elvis stamp a collectible? YES... it is!

The next step in this evolution is the introduction of various new products and programs designed to encourage and sup-

port "casual" stamp collecting. The first such product, "Stampfolios" will be available soon at the Kewaskum Post Office.

Designed specifically for the casual and topical collector, STAMPFOLIOS are an attractively packaged, four-page display product about the size of a compact disc case.

Each Stampfolio contains the featured stamps, display mounts, colorful artwork and a background narrative on the stamp subject. At the latest, these will be available by the end of July at the Kewaskum Post Office. They will be mounted for display (to the best of my space) with the rest of the newest stamps available.

Okay now, let me try and give you a "little rundown" on the stamps that are available at this point, and the ones that are going to be available the rest of 1994.

Already available: Winter Olympics, Edward R. Murrow, Love, Dr. Allison Davis, Happy New Year (The Year of the Dog), Buffalo soldiers, Silent Screen stars, Garden Flowers, World Cup, Norman Rockwell and fourth in a series of five... the World War II collectible series (if you have the first three, make sure you add to your VALUABLE collection by getting this fourth one.) If you have not started this "neat" collection... PLEASE stop in today and for only \$11.60, you can "own" the first four series with the last one slated for next year.

IT IS GOING TO BE A REAL COLLECTIBLE!

What is going to come out yet this year? Steam Locomotives, Moon Landing, George Meany, James Thurber, Popular Singers, Jazz and Blues Singers, Wonders of the Sea, Traditional and Contemporary Christmas, Chinese/U.S. Joint Issue and possibly the Legends of the West. I will be reporting on the "status" of this stamp in future columns.

Please feel free to stop in, young and old collectors, new and so-called "seasoned" collectors. Let us know what we can do to assist you in "adding to YOUR collection" or to get you

started.

As your Postmaster, I will be more than happy to explain the different types of stamp collecting and also give you interesting, but totally free, HAND-OUTS, to get you "started."

In closing, was very glad to see you all at the picnic this past weekend. Until next week... TRY to have a good day... a HAPPY every day!

Your Postmaster,  
Bonnie

## BABES Recognized as Program of the Year

The Wisconsin Association on Alcohol and Other Drug Abuse (WAAODA) awarded BABES-Wisconsin with the Program of the Year award. This award, given annually to an exemplary alcohol and drug abuse prevention program in the state, was presented at the WAAODA Conference held in Oshkosh on May 3, 1994.

BABES (Beginning Alcohol and Addictions Basic Education Studies) is a primary alcohol and drug abuse prevention program designed to assist children ages three through eight in developing necessary life skills which will allow them to live healthy, happy lives.

Accepting the award on behalf of BABES-Wisconsin were Carol Brenner, Milwaukee Council on Alcoholism; Mary Meinzer, Racine Council; and Mary Ison-Kocos, Council on AODA of Washington County.

More than 600 individuals have been trained as BABES presenters in Wisconsin. These individuals include teachers, counselors, and other interested adults. The presenters have taken the core of the curriculum, which consists of seven puppets and seven stories, and incorporated it into many of their daily activities with the children.

In Wisconsin the program has been uniquely expanded to include the Big BABES component which enhances parents' abilities to be primary role modes, BABES Clubs for the

children who have graduated from the program; a combination of the teachings of other successful prevention program, and the BABES curriculum to reinforce the prevention message; and, performances where the puppets "come alive" for the children through the use of human-sized costumes.

BABES was developed in the late 1970's by the National Council on Alcoholism of Greater Detroit. The Council on AODA of Washington County has sponsored the program locally since 1988. Currently more than 90% of all public and parochial schools in Washington County provide BABES for their students.

## Holy Trinity Students Capture Honors In International Children's Art Exhibition

More than 1,000 United States youth including four Holy Trinity students were honored with an award in Pentel's prestigious 24th International Children's Art exhibition (ICAE), an international student art contest and exhibition.

Bethany Boedecker, grade 2, and Valerie Rieden, grade 3, each received a Silver Award, Jeremy Lauters, grade 2, received a Bronze Award, and Lisa Boden, grade 3, received the Special Pentel Award.

In the United States alone, there were 4,000 entries and internationally there were 250,000 entries. The judging took place in Japan.

We are very proud of our students at Holy Trinity. Out of seven entries from that school, four received awards. A total of 1,189 awards were given out.

Judging was based on originality, clearly expressed content and depiction of native characteristics. Winning students are awarded a certificate, medal and various Pentel products which differ by award category.

Pentel Company Ltd., is a Japanese manufacturer of high-quality writing instruments and art materials.

Annually, Pentel of America (Pentel's U.S. Division), coordinates a 250 piece U.S. Tour featuring winning student art from around the world along with all U.S. Gold-Winning entries. The exhibition will be in Milwaukee from November 1st through the 18th.

Sister Janet Heder, art teacher at Holy Trinity, coordinated the selection of pictures entered into the Pentel International Contest.

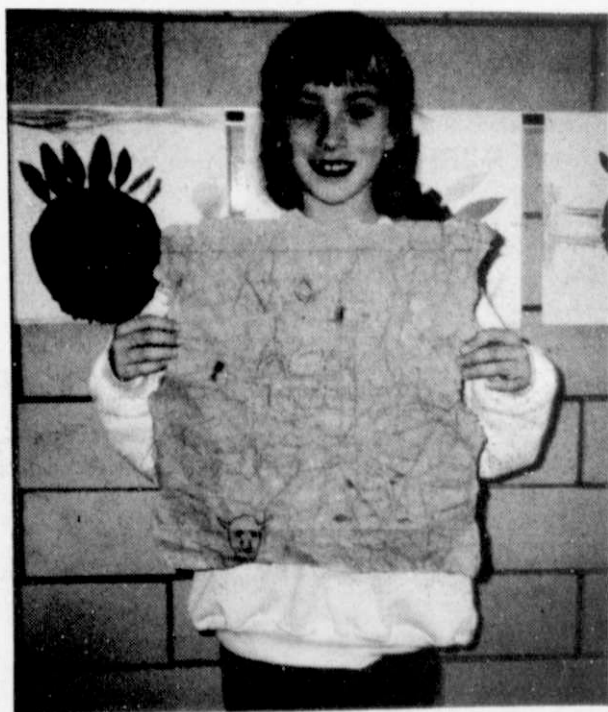

Jeremy Lauters, grade 2, won a bronze award for his piece entitled, "Arrowhead."

Sister Janet Heder, art teacher at Holy Trinity School, poses with her award-winning artists, left to right, Jeremy Lauters, Lisa Boden, Valerie Rieden and Bethany Boedecker.

"Scarecrow in Hawaii," won third grader Valerie Rieden a silver award.

Bethany Boedecker, grade 2, displays her silver award winner, "Buffalo Skin."

Pentel recognition was earned by Lisa Boden, grade 3, with her picture, "Halloween."

### ERNA J. SCHLEIF

Erna J. Schleif, 89, of West Bend, passed away on Wednesday, July 6, 1994, at her residence.

Mrs. Schleif was born on November 19, 1904, in the Town of Ashford to the late Ernest and Johanna (nee Pohlmann) Rusch. On June 12, 1926, she married Walter Schleif in Elmore, and they lived in West Bend. He preceded her in death on July 11, 1964.

Through the years, Mrs. Schleif worked in West Bend as a bookkeeper for both the Berres Furniture Store and former Walter's Furniture Store, the Schemer Law Office and the Drs. Driessel and Sorenson Clinic. She also taught knitting and crocheting at the vocational school.

She was a member of Immanuel United Church of Christ and Immanuel Ladies Aid. She was also a charter member and very active in the Association for Retarded Citizens.

Survivors include her four children, David (Mary) and Neal (Evelyn), both of West Bend, Gladys Farnham of La Miranda, California, and Ross (Sandi) of Dover, Florida; 21 grandchildren; 22 great-grandchildren; one daughter-in-law, Ella Schleif of West Bend; two sisters-in-law, Dora "Mutz" Schleif of West Bend and Elsie Schleif of Milwaukee; other relatives and friends.

She was preceded in death by two sons, Philip and Charles, two sisters and two brothers.

Funeral services were held Saturday, July 9, at 2 p.m. at Immanuel U.C.C. Burial followed in Washington County Memorial Park.

Visitation was Saturday at the church only from 11 a.m. until the time of the service.

Memorials to the Association for Retarded Citizens would be appreciated by the family.

The Myrhum Funeral Home of West Bend served the family.

### CARL F. BACKHAUS

Carl F. Backhaus, 82, of 1322 Midland Ave., Kewaskum, passed away at Cedar Lake Home, West Bend on Tuesday, July 12, 1994. For funeral arrangements please call Miller Funeral Home.

A complete obituary will be published in next week's issue.

### In Memory

In memory of Howard Backhaus, who passed away twelve years ago, July 13, 1972:

They say memories are golden,  
Well, maybe that is true,  
But we never wanted memories  
We only wanted you.

If we had one lifetime wish  
One dream that could come true,  
We'd pray to God so hard  
For yesterday and you.

If teardrops were a stairway  
And heartaches make a lane,  
We'd walk a path to Heaven  
And bring you back again.

A thousand times we needed  
you.  
A thousand times we cried.  
If our love could have saved  
you,  
You never would have died.

*Forever loved and missed  
by Jeanne, Jodi, Ann & Lyn and  
families.*

### Prayer to the Holy Spirit

Prayer through application to the Holy Spirit. Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, the favor

requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted.

## Zone Tillage for Corn Production

by Jack Trzebiatowski,  
Washington Co. Agriculture Agent

A field day focusing on Zone Tillage for Corn Production will be held on Friday, July 15, 1994. The event will begin at 1:00 p.m. at Kratz Farms 4390 Sherman Rd. in Ackerville.

Topics to be discussed include: 1) Zone Tillage as a Management Option, by Mike Ballweg, U.W. Extension Crops and Soils Agent, 2) Pre-side dress Nitrogen Test for Corn, by Scott Sturges, U.W. Madison, Nutrient and Pest Management Program, and 3) Zone Tillage Equipment Overview, by Pat Murphy, Soil Conservation Service.

Participants will be able to observe zone tillage in the 1994 corn crop at the Kratz farm and the farm of John Kohl. These growers will also share their experience with the tillage system.

Conservation compliance

requirements and increasing production costs have forced many producers to look for alternatives to moldboard or chisel plowing. One of the new options is "Zone Tillage." Zone tillage involves mounting multiple coulters on the front of the planter to till a six to eight inch wide by three inch deep zone of loose soil in which to plant.

This system has produced better seedling populations when compared to no till planting systems and nearly as effective at controlling soil erosion.

Producers have been evaluating various ways to plant crops with leaving adequate residue on the surface. Reduced tillage using chisel plows and no till planting are two of the most common methods. With chisel plow systems it may be difficult to leave adequate residue. When producers have used no till there may be problems with slow ger-

mination and emergence, especially when soils are wet or heavy soil types.

The zone tillage system provides an opportunity to remove residue from the row area and helps eliminate some of the concerns of no till, while allowing adequate residue to be left on the field.

Persons interested in more information can contact Pat Murphy at 414-335-4800 or Jack Trzebiatowski at 414-335-4477, 644-5204 or 342-2929.

## EWSCA NEWS

### Goeden Wins Again at Plymouth

(PLYMOUTH, WI) Donny Goeden of Kewaskum picked up his second win of the season and took over the point lead in the 30 lap Modified feature event Saturday night in Eastern Wisconsin racing action at Sheboygan County Fair Park.

Pole sitter Bill Wenninger of Kewaskum jumped into the front on the opening circuit as Goeden got a huge jump on the start and began to pick off cars using the high groove. Goeden started sixth and by the beginning of the second lap he was already in position to take the lead. On lap 2 Goeden powered by Wenninger going out of turn two to take the top spot.

The red flag few on laps 6, 7 and 13 keeping the field tight and preventing Goeden from pulling out to a big lead. After the final restart on lap 13, Milwaukee's Pete Ostrowski used the high line to briefly pressure Goeden but the two-time Modified track champion was just too strong.

Goeden went onto take the checkered flag by a half-straightaway margin over Ostrowski. Randy Tracy of Plymouth was third, nine-time Sportsman track champion Gary Laack of Glenbeulah, a Modified rookie this year, moved up from sixteenth starting spot to take fourth, and Chuck Melis of Plymouth finished fifth.

Jon Allen of Plymouth took home his first career main event win in the Hobby Stock 20 lap feature. Front row starter Paul Kirks of Plymouth took the lead at the start but Allen came up from his third place starting position to take command on lap 4. Allen drove away from the pack over the final sixteen laps to score a full straight away victory over Chad Czuppa of Random Lake. Dirks held on to take third, John Gilson of Sheboygan Falls was fourth, and Dean Gosse of Howards Grove rounded out the top five.

Mishicot driver Pat Rand was seriously injured in the Modified B semi-feature when his car flipped over and slammed into the turn three guardrail at full throttle. Reports from track officials and drivers in the pits stated that Rand's front bumper dislodged during the flip and struck the fifth year driver in the head knocking him unconscious. Rand was trans-

ported from Valley View Medical Center in Plymouth to Froedtert Memorial Hospital in Wauwatosa by Flight for Life helicopter. According to Valley View Medical Center officials Rand was found to have serious head injuries and his condition was reported as "critical" late Saturday night. The accident occurred at about 9:00 p.m. and delayed racing for one hour.

Cards for Pat Rand and family may be sent to: 230 S. Main, Mishicot, WI 54228.

## Cougar Performance Team No. 1 at NCA

Team members are: (not in order) Returning letter winners - Laura Oechsner, Nicole Miller and Pam Sippel. Other team members are - Jenny Holzmann, Jaime Schmitt, Jenny Schanen, Laurie Buss, Michele Baltz, April Kuehl, Kristi Sippel, Ashley Poch, Nicole Kutz, Kayla Lackas, Kate Millonig, Tiff Roth, Erin Sippel, Dana Schraufnagel, Andrea Floyd, Char Rochwite, and Julie Stoffel.

The Campbelsport Performance Team dominated the field of 18 teams to earn the prestigious award of NCA Top Team while attending the NCA summer camp held at U.W. Stout June 27-30.

The 20 member Cougar Team was challenged by the equally large Milwaukee Lutheran Squad as well as the 31 member Woodbury Minn. (a suburb of Minneapolis) team in the Top Team run-off.

The varsity team also received a bid to compete at the NCA National Championships held in Dallas, TX.

The Cougars also earned all Superior ratings during their performances/evaluations, as well as bringing a Spirit Stick home.

These came at the completion of a workshop which included training on cheerleading technique, cheers, chants, jumps, partner stunts, pyramids as well as a leadership program for sportsmanship, crowd participation, responsibility, organization and dedication.

The Cougar Performance Team was selected for this award by the NCA staff for

being the team which exemplified excellence in team unity, working the crowd and overall cheerleading technique.

The National Cheerleading Association is the oldest and largest cheerleading/dance organization in the United States and world wide.

# Cougars Roll Past Indians

By Noel Stollenwerk

CAMPBELLSPORT - The annual rivalry between Kewaskum and Campbellsport High Schools usually produces close, hard-fought sporting contests. Take for instance, one-run, extra inning Cougar baseball victory June 21.

But the Cougars showed just why they are at the top of the Eastern Wisconsin Conference baseball race here, last Friday afternoon. Campbellsport scored early and often against the Indians, propelling them to a relatively easy 8-3 victory.

The win helped the Cougars stay atop the EW standings, improving them to 13-1 on the year. The Indians, meanwhile, lost their fifth straight EW contest, and fell to 5-9 in the loop.

After the Indians went down quietly in the first inning, the Cougars jumped ahead 2-0. That margin became 6-0 in the third, when the hosts ousted KHS starter Dane Dorn from the game.

Andy Rettler and Gary Goebel were the main forces offensively for the Cougars, as both had hits and scored in the third, while Rettler was one of the two runners that plated in the first.

For the contest, Rettler had three hits and three runs scored, while Goebel singled twice, walked and also scored three times.

Kewaskum finally got on the board in the fourth, when Tim Strigenz's single made it 6-1.

Strigenz was responsible

for the other two Indian scores, as another single brought in two more runners, cutting the deficit to 6-3.

But the Cougars erased any comeback hopes in the bottom half of the sixth, as Goebel and Rettler again crossed the plate, making it 8-3.

Despite the loss, there were several bright spots for the Indians, including Strigenz's effort at the plate. In addition, Andy Rix turned in a nice play defensively, robbing Josh Stoffel of a home run at the fence in the sixth inning.

Joe Rettler, who replaced Dorn on the hill, finished strongly for the Indians. Coming back after breaking his nose during the infield practice before a game with New Holstein the previous week, Rettler shut down the Cougars for the most part, allowing just two unearned runs.

After finishing the EW schedule this past Monday, the Indians wind up the non-conference schedule on Tuesday at Random Lake.

On Friday, Kewaskum opens WIAA Tournament action, hosting Ozaukee in a Regional matchup, beginning at 5:30.

# Two Rivers Spanks KHS Nine

By Noel Stollenwerk

KEWASKUM - A WIAA rule states that a high school pitcher may not pitch more than seven innings in any three-day period. That rule helped turn last Friday's game between Two Rivers and Kewaskum into a nightmare for the Indians.

With one players' inning already used, two other regular pitchers unable to pitch due to injury, the Indians had little to go with against the Raiders, who haven't exactly been tearing up the opposition in the Eastern Wisconsin Conference this season.

The result was "just one of those games" for KHS, which was spanked by Two Rivers 17-8 on its home field.

The loss, the third straight for the Indians in the conference, dropped KHS to 5-7 and

to 8-11 overall. Two Rivers, meanwhile, improved to 3-9 in the EW.

The Raiders banded out 16 hits in the contest, also taking advantage of five Indian defensive miscues. Seven of the Raider base hits came in the fourth inning, when they scored eight runs by sending 14 hitters to the plate.

Kevin Klahn started on the hill for the Indians, and did a respectable job. He left after just three innings, and the Indians were still in the game, 4-3.

But his replacement, Tim Strigenz, didn't fare quite so well. He was responsible for all eight Raider runs in the inning, although several were unearned due to errors.

Still, the Indian pitching was no match for the Raiders, who scored in every inning but the seventh. Runs weren't needed at that point, however, as Two Rivers had already staked claim to a 17-5 lead.

KHS got three runs back in their last at bat, with Dane Dorn's single providing a pair of runs. It wasn't nearly enough, though.

In addition to Dorn, who had a pair of hits, Robbie Donath also chipped in with two hits, including a second-inning single that scored a pair of runs to tie the game at that point. Jason Gaffke also had two hits, both doubles.

# Indians to Open WIAA Tourney Here

By Noel Stollenwerk

KEWASKUM - The Kewaskum High School baseball team will have the homefield advantage in its first round matchup in the WIAA Tournament series that begins Friday, July 15.

The Indians will host Ozaukee in the Regional opener for both teams. Game time is slated for 5:30 p.m.

If the Indians come away with the victory, the team will travel to either Grafton or Cedarburg for the Regional final game. The Blackhawks and Bulldogs will meet in the other Regional semifinal on Friday at Cedarburg.

The Regional final is slated

for Tuesday, July 19.

Winners of Regional action will head to Port Washington, the site of the Sectional semifinals and finals on Thursday and Friday, July 21-22.

Other teams that will compete in the Indians' Sectional include both West Bend East and West, as well as three Waukesha schools, North, South and West. Slinger and Germantown are also in the Indians' Sectional bracket.

The winners of the eight Sectional bracket will earn the right to advance to the State Tournament, held at Stevens Point's Bukolt Park on July 27-28.

### PIPELINE SAFETY:

Before you dig, find out if there's a pipeline in the vicinity. Look at your property plan or title report or call the One-Call notification center that most states have for owners and excavators to contact before they dig.
