Glacier to Reopen Friday Under New Ownership

Marlene Nagel is the new owner of Kewaskum's Glacier Inn.

By Sharon Callaway Roznik

The Glacier Inn is set to reopen this Friday, August 12th, and new owner Marlene Nagel of Waukesha is busy settling into life as a restaurant owner.

"I was always very comfortable in this area, and was looking for a business to buy," explains Marlene, who used to live in West Bend. Residents may remember her as the former Marlene Wuckerpfennig, previously employed at the West Bend Motel, and also the 5 D's in Barton. "I'm anxious to see some old faces, and hope people will stop in to say hello."

Nagel plans to quit her job as an insurance agent in Waukesha and pursue her career at the Glacier Inn full time. "Right now, I won't be doing any

remodeling, and the menu will remain the same," she states, "so for the time being we're in the process of painting and cleaning up a little." Future plans include opening up the large front windows and mounting mirrors behind the bar to brighten the interior.

After September, Marlene and her husband, Bob, plan to sell their home and move in to the community, once they get a feel for the area, and things settle down a bit. Between them, the couple have nine children and six grandchildren, one just born this past week.

Bob was the manager of Pumps Tire Service in New Berlin for 28 years, before becoming disabled in 1992. He remains affiliated with the busi-

School District to Welcome Back Students Aug. 22

Monday, August 22 is the first day of school for new and returning students of the Kewaskum School District.

Johnson Bus Company will soon be sending out information on bus rules and pickup times. If you have not received this information by August 16th please call them at 626-4414 to complete arrangements.

We ask that families take time to review the bus riding rules and safe boarding, riding and unloading procedures. If this is your child's first experience at riding on a bus, why not take some time to accompany him/her or arrange for someone else to accompany him/her for their first pickup and drop-off?

Also, please be aware of the times crossing guards are present on village street corners and utilize them accordingly. Please do not send or drop your children off at school before the school doors open because they will be unsupervised.

Information for those interested and eligible for the free and reduced hot lunch program is also published in the Statesman. During registration the forms were available to those interested. If you did not receive a form and now would like one sent to you, or wish to review the qualifying criteria, please call the business office at 626-8427.

Hot lunch prices for the 1994-95 school year are as follows: elementary schools, \$1.25 per day or \$5.50 per week; middle school and high school, \$1.40 per day or \$6.25 per week. School on Monday is a full day and hot lunch will be

Lions Club Chicken BBQ, Kettle 20 Race Sunday

Get your running shoes ready because it's time once again to face on foot the rugged hills and gorgeous terrain of the Kettle Moraine State Forest, as competitors from across Wisconsin, neighboring states, and Canada converge in Kewaskum for the Kettle 20 race (plus two).

The 20 kilometer even (12.4 miles) will be accompanied by two easier runs, 3.5 and 5 miles, and will include various men's and women's divisions. The event is sponsored by the Kewaskum Lions Club and is held in conjunction with their annual chicken barbecue at River Hill Park on Sunday, August 14.

The race begins at 8:30 a.m. in the Park, located along the Milwaukee River. Registration begins at 7:30 a.m. (in advance) up until race time.

Divisions for the Kettle 20 area as follows: six men's age groups: 1-17, 18-29, 30-39, 40-49, 50-59 and 60 and over; and four women's age groups, 1-17, 18-29, 30-39 and 40 and over. Top male and female runners will each receive a trophy, followed by medals for second and third place, and ribbons for fourth and fifth. The two smaller races will offer awards to the top place winners.

Entry fee for all races is \$8 with t-shirt, and \$6 without. Those who register in advance will receive \$1 off each race. "We're expecting about 200 runners to register," comments Chairman Dale Squier of Kewaskum.

Racers enjoy coming back year after year to the Kettle 20 both for the challenge and a glimpse of the rugged landscape touched by Wisconsin glaciers thousands of years ago.

All runners have the advan-

tage of purchasing their chicken dinners for the special price of \$3.00 each, but must apply for their tickets before the race begins to receive the special price.

There will be water stops along the way and showers will be available at the Kewaskum Middle School.

Chicken dinners will be served throughout the day, beginning at 10:30 a.m. and running until 4 p.m. The cost is \$5.00 for one-half chicken, complete with mashed potatoes, vegetables and salad. Carryouts will be available from 10:30 on.

Whether you're there to cheer on the runners, compete in the race, or enjoy the food, don't miss the country western music of Kenny B from 11:30 to 3:30, featuring the Country Club Dancers Exhibition Line Dancing from 12:30 to 1 p.m.

Beer, soda, hamburgers, ice cream and other refreshments will also be available at the park.

Proceeds from this annual event are used for local Lions community service projects and a drug and alcohol educational project in the Kewaskum School District.

Mail-in registrations for the race can be sent to Dale Squier, 1305 Roseland Dr., Kewaskum, WI 53040 to register in advance. For more information on any of the days events, contact Dale at 626-2731 or 626-2645.

Tickets will be available for the following: First Prize - 18 speed mountain bike; Second Prize - Remington Ex. 12 Gauge Pump; Third Prize - Set Perimeter weighted golf clubs; Fourth Prize - Mitchell Spinning Rod and Reel, plus additional prizes.

Co-Curricular Code Meeting to Be Held for Athletes and Parents

In July, the Kewaskum School Board passed the new Co-Curricular Code Policy that takes effect during the 1994-95 school year.

A number of changes have been made in the Athletic Code portion of the policy. One of the major changes is that all athletes and at least one parent or guardian is required to attend a review of the Athletic Code.

Any athlete not attending must pass a test based on the new code before he/she can continue to practice or participate in

any athletic contest.

Athlete Code meetings will be held in Rose Hall at Kewaskum High School as follows: Wednesday, August 17 at 3 p.m., Wednesday, August 17 at 7:30 p.m., Thursday, August 18, at 7:30 p.m.

These meetings are for any athlete at both the high school and middle school who plans to compete during the 1994-95 school year. Other meetings will be held in September and November as different middle and high school sports begin.

Higher Equalized Values May Offset Referendum Tax Increase

By Noel Stollenwerk

KEWASKUM - The Kewaskum School District Board may have received a boost in its bid to have a building project passed by voters at an upcoming September referendum.

The good news came in the form of numbers projecting higher equalized property values in the district. With those higher values, the district's tax mill rate would spread the school tax levy over a broader base, mean-

ing a decrease in the average tax payer's contribution.

That projected \$1.04 per \$1,000 of equalized valuation, would help offset the tax increase that would accompany any of the four separate building projects offered on the referendum.

If voters were to pass all four projects on the ballot, the total tax increase due to the projects would be \$1.35 per \$1,000, meaning an owner of a \$100,000 home would pay \$135

more in taxes.

But because of the higher equalized values in the district, that figure would be decreased by \$101 on a \$100,000 home, meaning that the homeowner would see only a \$34 increase per year. If voters approve only some of the four projects, the tax burden would be less.

The project's figures are based on a 15-year borrowing note, with a 5.83 average interest rate.

Prime Time Golf Outing Aug. 20

Prime Time Pub will be holding their Second Annual Prime Time Golf Outing on Saturday, August 20, at Hon-E-Kor Country Club in Kewaskum.

Entrants must sign up at Prime Time and pre-pay by August 17. The \$12 per person (plus green fees) includes prizes and free beer and lunch at Prime Time after the tournament.

Prizes will be awarded for the top foursomes in each category: male, female and couple, as well as individual holes. Individual holes will have various challenges such as possibly

teeing off with the wrong handed club, using a baseball bat, teeing off of an innertube, etc.

After the tournament, lunch will be served at Prime Time, followed by musical fun with Bob Fuchs and The Singing Machine.

Drawings will also be held for many various door prizes such as t-shirts, hats, mirrors, and golf balls.

Whether you are die-hard golfer or you just want to have a good time, this golf outing was designed for all participants to have fun... and you can't beat the good company you'll be in!

served. The calendar for the school year has been published and each family will receive one at registration. Extra calendars are available for purchase at the business office.

The school district does not carry accident insurance for students. We therefore urge parents/guardians to review their own policies to be certain coverage is adequate. Particularly in the case of athletics, this is a necessity. The schools do have insurance forms provided by Student Assurance Company of Stillwater, Minnesota available to parents who would like to purchase additional insurance or insurance for their children. The parents purchase the insurance on their own... the district is not involved in the sale of insurance.

The building and grounds are in good shape and the classrooms are clean and ready for students. All is in readiness and we are anxious to greet the children and begin another year.

Many teachers have attended various courses, workshops and seminars over the summer to improve their skills. Administrative staff worked to hire new staff and arrange schedules, discuss goals, and refine the vision of the district.

Most important to us will be the continued support and involvement of parents, grandparents, guardians and community members at large. Please take the time to review school handbooks and rules with your children, help them with their homework, call their teachers or principals, and visit their schools. You are important and we need your assistance.

Hints for a successful start to the 1994-95 school year include the following: Be positive about the teacher(s) your child(ren) has/have and the programs available; be interested in what is happening on a daily basis; encourage participation in extra-

curricular activities; set goals that are high enough yet realistic; and set aside some time to talk to your child/children each day.

Welcome back and we all hope you have a great year!

School District to Hold Screening for Four-Year-Olds

In an article in last week's Kewaskum Statesman, it was stated that the four-year-old screening was mandatory. This screening is voluntary and not mandatory.

The Kewaskum School District strongly recommends the screening process to all parents of four-year-olds. It provides a basis for recommendations to parents of possible elective programs for their children. This screening replaces the screening of five-year-olds that normally took place in Spring.

If you have any questions about the program, contact Connie Strand at the district office (626-8427).

Historical Society Meeting Tuesday

On Tuesday night August 16th, members and friends of the Kewaskum Historical Society will meet at the community room at 7 p.m. On the agenda is discussion of our 20th annual Early Farm Days on September 11th. I urge all members to attend. If you have any questions, please call Jake Schmidt at 338-1568 weekdays after 6 p.m.

Chad Harlow Performing at Molly's in Wisconsin Dells

Chad Harlow of Kewaskum performs with Arlette Machusak in Juke Box Reflections at Molly's in Wisconsin Dells.

WISCONSIN DELLS - Each summer thousands of people from Wisconsin and all over the Midwest, head for Wisconsin Dells, a tourist hotspot in the state.

Kewaskum's Chad Harlow is spending his summer in the Dells... not to vacation, but to help entertain visitors at Molly's Show Place, where nightly a quintet of talented singers and dancers present an hour and a half musical revue, Juke Box Reflections, which was written, produced and directed by Bruce Christoph.

Harlow, a 1993 Kewaskum High graduate who is currently a musical theatre student at UW-Stevens Point, auditioned in January for one of the two fulltime male roles in the show and was selected for the part.

Weekend rehearsals were conducted the entire month of May in preparation for the show's opening in June, and

since then, the troupe has performed in front of throngs of visitors from all over America.

The show features a tour of music, starting in the 1920s and moving right on down through the big band era to Frank Sinatra, Elvis, the Beatles, Sonny and Cher and Elton John. It also includes a set of popular country music, and the audience takes part in a couple of numbers.

Harlow, a tenor and the youngest member of the cast, sings a couple of solos including, "Michelle," and duets with Erica Krause or Arlette Machusak.

Molly's, which is located right across from Noah's Ark, has shows at 6 and 8:30 p.m. nightly except Sunday when there is one show at 6 p.m. Tickets can be purchased by phone or at the door and are available with or without a buffet dinner.

Harlow, who had the lead in Pirates of Penzance and Guys and Dolls his junior and senior year at Kewaskum, works each night but Tuesday and Wednesday, and after the late show at Molly's, he and some of the other performers sing "America" at Tommy Bartelt's Water Show.

Molly's is presenting the musical revue through Sunday, September 4. After that date, weekend plays and murder mysteries will be offered for theatre goers.

Saturday... Saturday Night's All Right! Summer Dance Another Smashing Success

Saturday night's Summer Dance brought another foot-stomping good time to the village as one can perceive from the above photo. Even the Booze Brothers (in the form of the band, Out-A-Time) has a good time here!

Summer Dance of '94 dance contest winners line up on stage to receive the vast array of prizes and "the thrill of victory."

Summer Dance attendees Linda "Tillie" Thorn, left, and Shirley Kempf.

Due to the unavailability of the list of winners at the Classic Car Show held in conjunction with this year's Summer Dance at this time, these photos and winners will be printed in next week's issue... hopefully.

During the Country Western segment, Dolly Parton and Willie Nelson made a surprise guest appearance.

Lorene's Flowers

By Sharon Callaway Roznik

There's a special kind of bond between Jim and Lorene Martin... the kind you rarely get a glimpse of, but when you do, it lifts the spirits and inspires the heart.

Both 77, and residents of Beechwood Rest Home, they can attest to the fact that life can be difficult, but never worth giving up on. Wheelchairs don't confine their zest for life or their love for each other. Jim does the talking for both of them since a stroke left Lorene unable to speak, walk, read or write, and paralyzed on one side.

He tells her story, and claims to have none of his own, yet their combined talents landed them on the front page of the Milwaukee Sentinel recently. "We have to keep busy," insists Jim, also confined to a wheelchair because of a stroke. And it isn't easy to fit a 6'6" frame into the confines of a chair, "so it's specially built for me," he adds, without a complaint.

Lorene has recently completed a three-dimensional crewel work entitled "Lorene's Flowers," which she plans on entering in the Sheboygan County Fair next month. The one by three foot piece took her ten years to complete, after she learned to master the use of her left hand.

Displayed on the wall at Beechwood Rest Home, the artwork is a magnificent achievement for a person with only the use of one hand. "She was always an expert seamstress," Jim explains, "and sewed everything from my underwear to pants, shirts... everything I wore." A good friend and West Bend high school teacher, Marianne Pulda, framed the piece for Lorene.

The daughter of a preacher, she loves music and became a concert pianist, working out of Lawrence College. Lorene won the Chicago Musicland Festival two years in a row, and played the organ in the Methodist Church for 35 years. Singing her praises, her husband emphatically states, "she was probably THE best organist and cook in the state!"

They were married September 1, 1939, the year World War II started, and

moved from West Allis to the Calhoun Farms in Brookfield. Jim worked at Briggs and Stratton for 40 years, retiring as office manager. Lorene studied accounting and worked for a car dealer in Waukesha. "Back then she used to have to submit a handwritten report every month to Ford Motor Company," remembers Jim. "In seven years, there were no mistakes, so they treated her to a big dinner in Chicago."

The Martins retired to Florida in 1977, where Lorene suffered a stroke, which was devastating for both of them. It was so difficult for Jim to care for her alone, their sons Larry and Richard talked them into coming home. Larry took them in, where they lived up until two years ago when a stroke landed Jim in a wheelchair. "We took care of parents when the kids were growing up and it was a hard life," he recalls. "They had to be quiet and things like that. So we decided to come here, and this is where we'll remain!"

Refusing to become idle, Jim has written and published a 150 page manual on commitment entitled, "The Faithaction Stewardship Commitment Program," developed for use by all Christian denominations. The Martins are members of Batavia Methodist Church. His autobiography is soon to be published with a future book signing planned at the Random Lake Library. "I plan on working on more projects like this," Jim adds, turning the conversation back to Lorene, who listens patiently nearby with expressive eyes that meet her husband's often.

"She's been taking piano lessons. She had to start all over, but it's coming back slowly, beginning with the primary music. But it's very difficult to find sheet music that's for the left hand only. There's a rare piece in a Madison music store, but they want \$100 for it. That's too much for us."

There's no stopping the two of them with Lorene dreaming of that blue ribbon from the fair, and Jim forming plans for his next book, this couple believes in planning for their future. But for the time being, the present is filled with the joy of being with each other.

Lorene poses with her crewel work entitled, "Lorene's Flowers," which will be on display at the Sheboygan County Fair September 1st.

Peace UCC Members Volunteer for Annual Habitat for Humanity Project

Shown above is the Habitat for Humanity house project in Kimberling City, Missouri.

Steve Van Ess and Clark Pearson on the scaffolding.

The Mountain Country Habitat for Humanity area of the Ozarks in Southeastern Missouri was the site where 18 members of Peace United Church of Christ of Kewaskum labored as volunteer builders from July 30 to August 6. This trip marked the eighth annual work project sponsored by the Peace congregation and friends.

This was the first time the local group has worked west of the Mississippi River. The past four years involved projects in Lexington, Kentucky with Zainesville, Ohio, Buffalo, New York, and Nashville, Tennessee preceding this.

Drywalling, cabinet staining, and porch and step construction occupied the group this year at one mountain site, while pre-assembly construction for the erection of a second house was done at another site. Volunteers from Tennessee and both homeowner families themselves worked alongside the Kewaskum friends in very high humidity and temperatures. The non-interest home loan plan of Habitat demands sweat equity investment for every new owner family.

A gift of Regal Ware cookware, donated by the Kewaskum company, was presented to both owners. Two on-site supervisors from the area directed the building program with "Architect - Jesus Christ" as the theme. Habitat is an ecumenical Christian organization based in Americus, Georgia, and active worldwide. Twenty-six homes have already been built by the Ozark Mountain affiliate.

Peace Church members involved in this 1994 project were Marion Erdmann, Richard Zarling and Pastor James and Betty Bettin (all with eight years of participation), Willard Gruhle (seven years), Karen Kletti (six years), Clark and Bret Pearson (five years), Clayton Stautz, Gretchen Smith, and Stephen and Gayle Van Ess (three years), Pat and Kathy Deshotels and Jamie Gerlach (two years), and Kathleen Zahn and Jennifer Weston (one year).

Private cars, van, and truck were used for transportation to

Missouri, and the crew was housed at Forsyth United Methodist Church in Forsyth, Missouri. "We start the trip as friends and end the week as a real Christian family," is the general feeling of the entire crew.

VERNON STAEGE

Vernon Staege, 68, of Beechwood, passed away unexpectedly on Tuesday, August 9, 1994, at Valley View Medical Center in Plymouth.

He was born on April 9, 1926, in Sheboygan County, the son of the late Arthur and Martha (Hintz) Staege and on May 3, 1947, he was united in marriage to Inez Reul at Immanuel Lutheran Church in the Town of Scott. She preceded him in death on January 21, 1963.

Mr. Staege was a member of Immanuel Lutheran Church in the Town of Scott, a member of the Beechwood Sportsman's Club and was a retired member and former fire chief of the Beechwood Fire Department. He owned and operated the Staege Service Station in Beechwood for many years and was an Adell rural route mail carrier from 1971 to 1988. He served his country in Italy during World War II in the U.S. Army.

Survivors include a son, Doug (Carrie) of Beechwood; a daughter, Bonnie (Jim) Schuster of Beechwood; two sisters, Vivian Vetter and Virginia Oppermann, both of Kewaskum; four grandchildren, Cindy (Tim) Schneider, Jenny (Jay) Boegel, Logan and Beth Staege, and a great-grandson, Bradley Boegel.

In addition to his wife and parents, he was preceded in death by a sister, Veila Vetter.

Funeral services will be held on Thursday, August 11, at 8 p.m. at the Miller Funeral Home in Kewaskum with Rev. William Robinson officiating. Burial will be in the Immanuel Lutheran Church Cemetery at 11:30 a.m. on Friday.

Friends may call from 4 p.m. until the time of services at the funeral home on Thursday.

ROLAND C. KOEPKE

Roland C. Koepke, 74, of Beechwood, passed away on Sunday, August 7, 1994, at his home.

He was born on May 8, 1920, in the Town of Scott, the son of the late Edward and Alma (Suemnicht) Koepke and on May 25, 1946, he was united in marriage to Shirley Kempf at the Immanuel Lutheran Church in the Town of Scott.

Mr. Koepke was a member of the Immanuel Lutheran Church in the Town of Scott where he held several offices. He was a charter member of the Beechwood Fire Department and served as a Sheboygan County Supervisor for 17 years. He and his wife farmed for many years before moving to Beechwood in 1979.

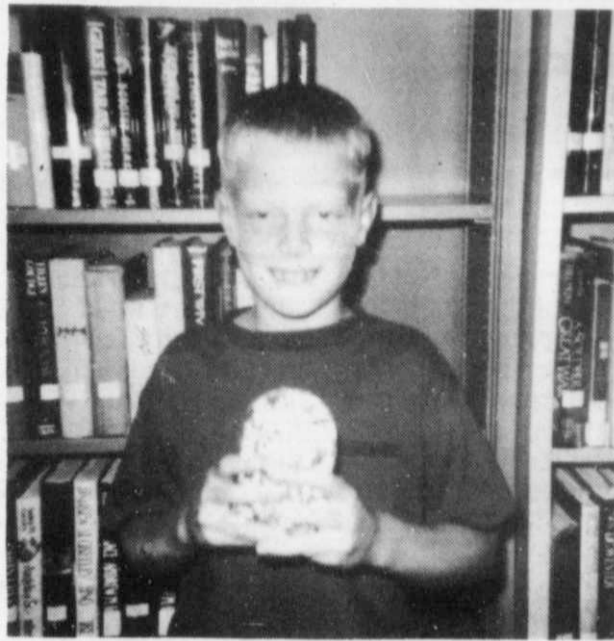

Survivors include his wife, Shirley, of Beechwood; three sons, Richard (Jane) of Random Lake, Robert (Jan) of Adell and Randall (Jenny) of Kewaskum; two brothers, Edward W. (Corinne) of Beechwood and Fred (Nancy) of Pelican Lake; a special cousin, Lola (Wilmer) Schulz of Cato, and two grand-

children, Ryan and Janna Koepke.

Funeral services were held at 2 p.m. on Tuesday, August 9, at the Immanuel Lutheran Church in the Town of Scott with Rev. William Robinson officiating. Burial followed in the church cemetery.

Friends called from 4 to 8 p.m. on Monday at the Miller Funeral Home in Kewaskum and from noon until the time of services at the church on Tuesday.

Kewaskum Public Library News

Jacob Schweder was the winner of the candy-filled jukebox in the Kewaskum Public Library's ROCK 'N'READ guessing contest.

Don't forget the "ROCK 'N' READ" picnic finale on Saturday, August 13, at 11 a.m. All participants not attending the picnic will be able to pick up their surprise bags at the library

beginning Monday, August 15.

Did you visit the Washington County Library Services Board table at the Washington County Fair? Kewaskum was lucky enough to have three winners in their drawing! Congratulations to Barb Heberer, Herbert Ramel and Stuart Van Ess, who won prizes.

The winner in the library's guessing contest was Jacob Schweder. He won a miniature juke-box filled with 2,027 can-

dies. His guess was 2,030.

Toddler storytime for two- and three-year-olds, as well as storytime for kids age four and older will begin in September. We will begin signup on August 22. The schedule has not yet been completed. Look for more information next week!

75 Years Ago

August 9, 1919

At a meeting held at the Opera House Tuesday evening, by a number of citizens of this village, an organization known as the Kewaskum Athletic Club was perfected. Much interest was taken on the part of those who attended. A committee of three, Maurice Rosenheimer, Elwyn Romaine and Arthur Schaefer were appointed to draw up a constitution for said organization. It will be the purpose of the club to offer wholesome and social pastime to the citizens of this village and community throughout the year. Athletic games, such as baseball, basketball, football, races, bowling, in fact games and amusements of every description will be offered.

The Harvest Festival and Concert given by the St. Michael's Congregation on their church lawn, next Sunday evening, August 10th, promises to be the grand social event of the summer. Among the special attractions that will surely please everybody will be selections by the male quartette, clown drill by the Juniors, American Flag drill by St. Michael's girls, contests, flower bed, bag races, striking machine and doll racks and a number of other amusements too numerous to mention.

In a card received at this office on Monday, J.B. Day, who in company with Mr. and Mrs. Jimmie Jones are making the trip to New York City in Mr. Day's Packard, informs us that they reached their destination last Wednesday, after having been on the road just five days, in which they covered 1,273 miles.

If the stem of a carnation plant is bent into the ground, it will form a new root.

Eligibility Requirements for Free, Reduced Price Meals Announced by School District

The School District of Kewaskum has announced its policy for the children unable to pay the full price of meals served under the National School Lunch Program. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free or reduced price meals.

Application forms were given to each family on registration day. To apply for free or reduced price meals households must fill out the application and return it to the school. Additional copies are available at the principal's office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals for children for whom households receive Food Stamps or Aid to Families with Dependent Children (AFDC), an adult member needs only to list the names of the school children, give Food Stamp or AFDC case number for each child, sign his/her name

and return the application to the school office. Households must inform the school authorities when they no longer receive Food Stamps or AFDC.

For the school officials to determine eligibility for free or reduced price meals of households not receiving Food Stamps or AFDC, the household must provide the following information requested on the application: names of all household members, and the social security number of the adult household member who signs the application. In lieu of a social security number, the household may indicate that the signer does not possess a social security number. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.). Households are required to report increases in income of over \$50 per month or \$600 per year and decreases in household size.

Under the provisions of the free and reduced price meal policy, the District Administrator will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally, or in writing to: Mrs. Ruth

Schmitt, School Board President, 8065 Kettle Moraine Drive, West Bend, WI 53095, phone: 338-6964. If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If the household member becomes unemployed, or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals if the household income falls at or below the levels shown above, and they may reapply at that time.

In certain cases, foster children are also eligible for these benefits. If a household has foster children living with them and wishes to apply for free or reduced price meals, the household should complete an application for a family of one or contact the school for more information.

The information provided by the household on the application is confidential and will be used only for purposes of determining eligibility and verifying data.

In the operation of the child feeding programs, no child will be discriminated against because of race, color, sex, national origin, age or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington D.C.

20250. Any questions regarding the application should be directed to the determining official.

INCOME CHART (Effective from July 1, 1994 to June 30, 1995)

Kewaskum School District Official Notice Non-Discrimination Statement and Discrimination Complaint Procedure

The Kewaskum School District is committed and dedicated to the task of providing the best education possible for every child in the District for as long as the student can benefit from attendance and the student's conduct is compatible with the welfare of the entire student body.

The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational or other programs or activities shall not be abridged or impaired because of the student's sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Complaints regarding the interpretation or application of this policy shall be referred to the District Administrator and processed in accordance with procedures established by the Discrimination Complaint Procedure.

Discrimination Complaint Procedure

Any complaint regarding the interpretation or application of Kewaskum School District's student non-discrimination policies shall be processed in accordance with the following grievance procedure:

1) Any student, parent or resident of the School District complaining of discrimination on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability in school programs or activities shall report the complaint in writing to the District Administrator.

2) The District Administrator, upon receiving a written complaint, shall immediately undertake an investigation of the suspected infraction. The District Administrator will review with the building principal, or other appropriate persons, the facts comprising the alleged discrimination. Within 30 days after receiving the complaint, the District Administrator shall decide the merits of the case, determine the action to be taken, if any, and report in writing the findings and the resolution of the case to the grievant.

3) If the grievant is dissatisfied with the decision of the District Administrator, he/she may within 15 days, appeal the decision in writing to the School Board. The Board shall hear the appeal at its next regular meeting, or a special meeting may be called for the purpose of hearing the appeal. In either case, the Board must hear the appeal within 45 days of its receipt. The Board shall make its decision in writing within 15 days after the hearing. Copies of the written decision shall be mailed or delivered to the grievant and the District Administrator.

4) If the grievant is dissatisfied with the Board's decision, he/she may within 30 days appeal the decision in writing to the State Superintendent of Public Instruction.

5) Discrimination complaints relating to the identification, evaluation, educational placement or the provision of a free appropriate public education of a child with exceptional needs shall be processed in accordance with Wis. Stat. Ch. 115, Subch. V and Wis. Admin. Code Ch. PI 11.

6) Discrimination complaints relating to programs specifically governed by federal law or regulation shall be referred directly to the State Superintendent of Public Instruction.

Campbellsport Performance Team 'Best Squad' at Sun Prairie Camp

The heat and humidity were intense at the CWCC Cheerleading camp held in Sun Prairie on August 1-2, but that was nothing compared to the scorching performance put on by the Cougar Cheerleading and Dance Team.

Their performance, which came at the conclusion of a two day camp - CWCC's largest this year, earned them the title of "Best Squad" for Division II teams. They were also voted "Most Spirited" by the other teams at camp. The team earned a "Spirit Stick" given by the CWCC staff.

The Cougar athletes also dominated stunt and jump contests winning in all categories. Stunt winners are: Laura Oechsner, Ashley Poch, Kate Millonig, Nicole Miller, Jenny Holzmann, Laurie Buss, Dana Schraufnagel and Andrea Floyd. Jump winners are: Julie Stoffel, Char Rochwite, Laura Oechsner, Nicole Miller, Kayla Lackas,

Minutes of Village Plan Commission

Village of Kewaskum
Plan Commission
June 28, 1994
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were David Goeden, John Stephani, Paul Ziebert, Richard Schmidt, Gerald Stollenwerk, Donald Mlodzik, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Richard Schmidt, seconded by Paul Ziebert and unanimously carried by voice vote, the Commission approved the minutes as printed for April 26, 1994.

Discussion was held on the preliminary plat of Gary and Linda Gavin for phase II of Sunset Estates, adjacent to Edgewood Road and south of Braatz Drive. It was noted the subdivision is being accomplished in two phases. The reason for doing the project in phases is the need to have the Army Corps of Engineers and the DNR verification of the existing wetlands (conservancy area). It was noted that the Army Corps did locate the

wetlands/conservancy area and that the plat before the Commission represents that staking. On a motion by Richard Schmidt, seconded by Gerald Stollenwerk and unanimously carried by voice vote, the Commission recommended the approval of the preliminary plat approval of said parcel (V4-0032) Phase II of Sunset Estate and sent the matter to the Village Board. The motion included the requirement that the deed restrictions as to the wetlands should be approved by either the Plan Commission or the Village Board in conjunction with the final plat approval. It should be further noted that extensive discussion was held on land accessibility to the south.

Mr. Rick Kania of SEWRPC was present to discuss the proposed Land Use Plan for the Village; Chapter VI Objectives, Principle Standards, and Design Guidelines. Mr. Kania reviewed the chapter with the Plan Commission and explained the general text of the chapter. On a motion by John Stephani, seconded by Paul Ziebert and unanimously carried by voice vote, the Commission approved the preliminary draft of Chapter VI. (Note: considerable discussion was held regarding parks and types of housing and their percentages).

Administrator Daniel Schmidt reviewed briefly the Alternative Regional Transportation System Plans as heard at a public conference on June 27, 1994.

On a motion by Richard Schmidt, seconded by Donald Mlodzik and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 7 "Aye" 0 "Nay" 0

Kewaskum Pony Baseball Team Captures First at Forest Tourney

Back row, left to right: Coach Bill Kopecky, Jason Bartelt, Eric Kopecky, Jeremy Strassburg, Nathan Smeltzer, Coach Dave Amerling, Coach Steve Strassburg. Front row: Nick Rahoy, Dave Gerhartz, Jim Kopecky, Corey Amerling, Tim Bunkelman, Tim Vetter, Joe Thull.

The Kewaskum Pony Baseball Team took home the championship trophy from the Forest Cadet Tournament. On Thursday, June 30, the Pony team beat league rival Campbellsport, 8-2.

The scoring started in the second inning when Dave Gerhartz walked, stole second and scored on a base hit by Corey Amerling. Tim Bunkelman then walked and Jim Kopecky followed with an RBI single. Jason Bartelt and Eric Kopecky walked to drive in the third run of the inning.

Kewaskum added one more in the third when Joe Thull walked, moved to second on a walk to Amerling and scored on a single by Jim Kopecky.

The sixth inning added three more runs for the Pony team. Jim Kopecky walked and Bartelt followed with a single. Jim scored on a fielder's choice by Nathan Smeltzer and Jason scored when Eric Kopecky reached base on an error. Eric would later score when he stole two bases and raced home on a passed ball.

The last run came in the seventh when Amerling doubled and scored. The pitching was superb with Jason Bartelt allowing just one run on four hits while walking just three and striking out six. Nathan Smeltzer finished the game allowing one run on four hits, walking one, and striking out five.

The second game found Kewaskum going against the Brownsville Braves. The Ponies started the scoring in the second inning when Eric Kopecky walked and moved to second when Jeremy Strassburg reached base on an error. Both runners moved up on a passed ball and Eric Kopecky scored when Tim Vetter got out on a ground ball to short.

Gerhartz then knocked in Strassburg when the Braves booted his ground ball. Gerhartz would later score when Amerling ground out to the pitcher.

Brownsville then answered with one run in the bottom of the second. Kewaskum added their fourth run when Smeltzer reached base on a fielder's choice by Strassburg.

Kewaskum picked up three more when Thull got on base on an error and Amerling walked. Both runners advanced on a wild pitch and scored on a double by Bartelt. Bartelt then

scored on a single by Smeltzer.

Kewaskum came to bat at the top of the seventh with a 7-4 lead and padded the lead by scoring four. Strassburg led off with a double and scored when Nick Rahoy reached base on an error. Bunkelman walked and Amerling reached base on a fielder's choice. Jim Kopecky, Bartelt and Smeltzer all had RBI singles to finish the scoring for an 11-6 victory.

Eric Kopecky pitched the first four innings allowing four runs on three hits, walking four and struck out six. Nathan Smeltzer closed the game allowing two runs on three hits walking two and striking out four. Pitcher Erik Kopecky picked off one runner and catcher Jeremy Strassburg gunned down three runners trying to steal second.

The championship game pitted Kewaskum against the Brownsville Brewers. Kewaskum could only muster one run in the first three innings while Brownsville tallied four runs. The lone run came when Bartelt reached on a walk, stole second, moved to third on an error by the short stop and scored on a fielder's choice with Eric Kopecky.

The Ponies broke out the bats in the fourth inning scoring five runs to grab a 6-4 lead. Smeltzer led off with a single, stole second and third, and scored on a single by E. Kopecky. Kopecky then stole second and third. Vetter reached base on an error, stole second and both Vetter and Kopecky scored on a double by Gerhartz. Rahoy pounded a triple to score Gerhartz and then scored on Thull's fielder's choice.

Brownsville continued to threaten scoring one more time in the sixth and loading the bases in the seventh, but the Kewaskum pitchers held them at bay for a 6-5 win.

Smeltzer pitched two innings allowing four runs on four hits and walking two. Bartelt pitched allowing no runs on one hit, walking none and striking out one. Eric Kopecky finished the last three innings allowing one run on two hits, walking four and striking out three. The Pony record at this time is 11-1.

Homestead Wins State Baseball Title

By Noel Stollenwerk

STEVENS POINT - It doesn't matter what kind of regular season a high school summer baseball team has, it's only what that squad does in the post-season that counts.

Homestead showed that recently, as it beat Ashland in the WIAA State finals, 4-3, thus winning its first-ever state title.

The Highlanders finished their North Shore Conference slate with a 10-7 record, good enough for fifth place in the loop. But that didn't matter in the playoffs, when it became a single-elimination tournament for all teams.

While others finishing ahead of Homestead fell by the wayside, the Highlanders held on throughout the playoffs, getting by with superior pitching and clutch hitting.

In WIAA quarterfinal action, the Highlanders outlasted West Allis Central 9-6, and then edged Platteville, 7-4, in the semi's to earn a shot in the title game.

Ashland, which fin-

ished the year 29-6, squeaked out a pair of wins to reach the final. In the quarterfinals, Ashland needed eight innings to down Amery 8-6, and then in the semifinals beat perennial-power Whitehall.

Ashland continued to play well in the championship, taking a 3-0 lead into the bottom of the fourth inning. But the Highlanders scored four times in the fourth, and then held on behind the pitching of Jason Monfre.

Cedarburg, which had eliminated Kewaskum on its way to a berth in the state tournament, lost to Platteville, 4-3, in the quarterfinals.

New Holstein, which finished second in the Eastern Wisconsin Conference, lost its quarterfinal game to Whitehall, 6-5.

Street Racers At Great Lakes

By Noel Stollenwerk

UNION GROVE - Cars that can be driven legally on the street, as well as others that may be illegal for minor reasons, will compete in two separate races each day this weekend in the Mega Force Street World Finals at Great Lakes Dragaway here.

The cars are stock appearance with operable doors, headlights, etc. But the cars are capable of traveling over 175 miles per hour and complete the quarter-mile stretch in seven and eight seconds.

The top drivers from throughout the country will compete in this one of a kind race.

Headlining the exclusive field is National Basketball Association star Tom Hammonds, of the Denver Nuggets. At 6-9, Hammonds is drag racing's tallest driver, and has won over a dozen races with his 100 percent street legal 1969 pro street Camaro.

Hammonds is one of the favorites this weekend, with his best speed of 168 MPH (7.74 seconds).

Kostelac Paces Hon-E-Kor Championship Qualifying

By Noel Stollenwerk

KEWASKUM - Judging by the competitive scores posted in Hon-E-Kor Country Club's championship qualifying rounds, this year's playoffs may be one of the best yet.

West Bend's Paul Kostelac posted an impressive one-under-par 69 to lead all qualifiers. In the match play playoffs, Kostelac will play Jim Rohlinger, who qualified eighth with his 76.

In other championship flight playoff matches, it will be Craig Anderson taking on Steve Schumacher, Tim Taylor taking on Dan Ley, and defending

champion Joe Doherty taking on six-time Hon-E-Kor champ Mike O'Connor Jr.

In the Women's Championship Flight, it will be Judi Tiegelmann against Tracey Schaub, and Teresa Nigh against Diane Erickson, with both Judy Harlow and Judy Volesky receiving byes. Defending champ Corney Kauth did not enter the tournament this year.

First round match play action in these and nine other flights is scheduled to be completed by August 15, with championships in each of the flights to be played Labor Day weekend.

Practice Begins For Fall Sports

By Noel Stollenwerk

KEWASKUM - The almost month-long stretch between the end of summer baseball and the beginning of the school year is slow as far as high school sports goes.

But that all comes to an end in the next couple of weeks, as the fall sports season gets underway. In fact, several Kewaskum high school teams began practice this week, with more to follow next week.

Both the KHS football team and the girls tennis team initiated its season this past Tuesday, both taking part in its first practice of the year.

The Indian football team, which has improved drastically the last couple of years under Coach Clark Pearson, will get its first taste of live action on Friday, August 19, with a four-team scrimmage at West Bend. Other teams involved in the workout are the two West Bend schools, East and West, along with Slinger.

That will help the Indians get ready for their first

regular season game of the year, an August 26 non-conference matchup at Campbellsport. Other non-conference foes, in addition to KHS' usual Eastern Wisconsin Conference schedule, include Horicon and Fox Valley Lutheran.

The girls tennis program, which has made great strides under coach Glenn Eichstedt, will open its season on August 23, with a non-conference dual at Waupun.

Next week, the rest of the fall sports season starts, with the girls volleyball, boys soccer and cross country programs will hold first practices of the year on Monday.

Previews of the various fall teams will appear in the coming weeks.
