Kettle Kountry Kolors Adds Exciting Hypnotist to Entertainment Lineup

KEWASKUM -- The Kewaskum Area Chamber of Commerce will host its fifth annual Kettle Kountry Kolors Festival of Entertainment on Saturday and Sunday, October 8-9, in River Hill Park here.

New this year on Saturday, October 8, at 5 p.m. you will have an opportunity to watch an entertaining, motivating and funny hypnosis program conducted by Al Snyder, DVM.

Dr. Snyder, a veterinarian with a very diverse background in working with people and animals, puts on a performance that combines humor and motivation into an action-packed session. He involves members of the audience in all aspects of the show.

With a masterful blend of traditional stage hypnosis and creative new material, he will keep you laughing and on the edge of your chair for the entire program.

Seating is limited to 150 for this performance and admittance

is by ticket only. For this special hypnosis program only, admission price is \$5.00. Don't wait. Tickets are available on a first-come, first-serve basis at Miller's Furniture, Hon-E-Kor Country Club, Bank Wisconsin (Valley Bank) and My Little Friends Day Care.

Anyone who has seen Dr. Snyder perform in other areas is already planning to make this a part of their wonderful Kettle Kountry Kolors weekend. The committee is confident you won't be disappointed.

This year's entertainment line-up includes a return engagement of The Buckskinners encampment, featuring an expert whip demonstration by Jim "The Whip" Barrett and a hawk throw demonstration by John "Jack" Odekirk, each afternoon.

Children will find lots of fun things to see and do this year at Kettle Kountry Kolors. The flyers from West Bend Hobbies will be demonstrating

remote control airplanes both days. There will be pony rides, a storyteller, balloon and magic show, and more. The Gateway Gobblers are hosting a B-B Gun Shoot at the northside pavilion both days. Guns will be provided and children under 18 must be accompanied by a parent or guardian.

As always, there will be free music both days for your listening and dancing pleasure. *The Steel Drum Band* is performing at 12:30 on Saturday. *Nashville Sounds* will be there Saturday afternoon from 1 to 5 p.m. This year you'll also be able to watch an authentic Country Line Dance group in action. At noon on Sunday the Kewaskum High School Jazz Band will entertain you.

More than a dozen vendors will be on hand with taste-tempting food and refreshments.

Plan now to join your friends and neighbors at Washington County's entertainment "event of the year!"

Engines Are Tri-Mark's Specialty

Mark and Tricia Sanborn of Tri-Mark Inc., and friends.

By Sharon Callaway Roznik

Joining Kewaskum's business community is Tri-Mark Inc., offering automotive and small engine repair, as well as general maintenance for "everything with an engine."

Husband and wife team Mark and Tricia Sanborn opened their new service garage on Sept. 1st at 1235 Fond du Lac Ave., behind Attorney Kiefer's office. In time for pre-winter tuneups, Mark can ready your snowmobile for the upcoming season or prepare the lawn tractor for storage.

"I work on everything... from soup to nuts," Sanborn explains, pointing to the cement mixer that's in for repair. Tri-Mark Inc. also handles fabrication work.

Along with Mark's bumper to bumper auto repair, much of

his time is spent building and maintaining race cars. "We start with the chassis and assemble the entire car here." His vehicles race at state tracks such as Slinger, Kaukana, and Madison. "Of course, I also repair them when they crash!" he adds.

Tricia is employed at Kewaskum Veterinary Clinic as a Certified Veterinary Technician. Three canine friends join them in the garage - Buck the black lab, Curly the golden retriever and Sony the Boston terrier. The threesome greet customers and oversee daily operations.

Business hours are 9 a.m. to 7 p.m. Monday through Friday, Wed. until 5:30 p.m., and Saturdays 9 to 2. "I'm usually here more than that," Mark tells customers. "If the lights are on, I'm here."

FLAGS Club Hosting Potluck Dinner Welcoming Exchange Students

The Kewaskum High School FLAGS Club is hosting an international potluck dinner in the cafeteria at 6:00 p.m. on Wed., Sept. 28.

Please join us in welcoming

our three exchange students: Alena Novgorodova (Russia), Denis Tarakanov (Russia), and Jakpong Potipongsa (Thailand). Beverage will be provided.

Annual Turkey Shoot Held

Perfect weather contributed to one of the largest attendances in recent years at the Annual Kewaskum Kiwanis Turkey Shoot held last Sunday at the New Fane Sportsmen's Club-grounds.

Over 400 turkeys were awarded in the various shooting contests and that number reflects an increase of almost 65

birds.

There were 300 trout caught and the winner of the largest trout was Heidi Zehren of Hariford. She received a set of Regal Ware cookware as her reward for her winning catch.

In the golf shooting event, 40 golfers qualified in the final playoff. Jerry Koch of Kewaskum was the winner in that event for on the green, clos-

est to the pin. He was the recipient of \$50 cash.

The basketball shoot winner, with five people in the playoffs, was Wade Roberts of Kewaskum, who received a backboard basketball set valued at \$275.

Shown above is the trap shoot line.

Seefeld/t Reunion Held

The 55th Seefeld/t Annual Reunion of descendants of Christian Friedrich Seefeld (1788-1863) and Anna Sophia Kobs (1792-1837) was held Sunday, July 31, 1994 at Kewaskum's Riverhill Park.

In honor of the 50th Anniversary of D-Day, "Salute the Seefeld/ts" was the reunion theme and the 136 relatives and guests gathered from California, Florida, Georgia, Illinois, Indiana, Missouri, Texas and many cities in Wisconsin paid tribute to all members of the family who have served in the military. A Certificate of Commendation to the Seefeld/t Family on the occasion of their 55th family reunion was received from the Wisconsin State Genealogical Society.

The day's activities began with the Reverend Martin Koehler of Fond du Lac giving the invocation. Following the "share a dish" picnic dinner, Reunion President Phil Majerus conducted the annual business meeting, during which Kewaskum resident Carole Keller was elected to serve as a reunion officer for the coming year.

Attendance prizes were awarded to: Mrs. Alma Seefeldt Klug (93) of West Bend and Milton Seefeld (85) of Oshkosh, the oldest lady and gentleman present; seven-week-old Zachary Knoeck of Neenah, youngest member present; Dr. Kermit Seefeld of Santa Barbara, California, traveling farthest to attend; and Milton and Margaret Seefeld, married nearly 62 years, the longest married couple present. Mr. and Mrs. Mark (Maria Ziske) Crass of Two Rivers were the most recently married couple. When relatives took turns standing by "branch," the Gottlieb Seefeld branch once again had the most members present.

The Knoeck family, part of the Gottlieb branch, received recognition as the largest family group present. Mr. and Mrs. Earl Hodgson of Mountain traveled the greatest distance in Wisconsin to attend the reunion

and Hilda Seefeldt traveled the shortest distance. Alice Crass, Patti Hintz, Mary Jane Johnson, Carole Keller, and Gail Majerus were honored for their help with the reunion.

In keeping with the reunion theme, the names of those who served in the military were read and several told about their experiences while in service. The rest of the afternoon was spent in conversation, games, and viewing the family scrapbooks. Beth Herriges of Campbellsport was in charge of games; Alice and Merlin Crass and Audrey Klumb of West Bend were in charge of reunion day arrangements.

The following officers were elected to serve for 1994-95: President, Phil Majerus of Fond du Lac; Vice President, Michael Crass of Cedarburg; Secretary/Treasurer, Patricia Hintz; Assistant Treasurer, Carole Keller; Historian/Newsletter Editor, Mary Jane Johnson of Destin, Florida; and Genealogist, Fred Seefeldt of West Bend.

The following persons serve as Vice President/Representative for their Branches: August/Friederica Branch, Beth Herriges and Audrey Klumb; David Branch, Bob and Yvonne Fink of Fond du Lac; Gottlieb Branch, Alice and Michael Crass; Wilhelmina Branch, Jim Schmidt of West Bend; and William Branch, Milton and Margaret Seefeld of Oshkosh.

Letter to the Editor

Dear Editor,

We wanted to thank everyone for their support during a very difficult time in our lives.

I (Lisa) think back to April 13th when Gary was first hurt and remembering how alone I felt. I stood by Gary's bedside while he slept, and had a heart to heart talk with God.

I (Lisa) asked him if he could send us a Guardian Angel to help us during these trying times. He not only sent us one, but a whole community full of Angels.

There are so many special people that have touched our lives, friends and family, old and new neighbors for cutting our grass, feeding our dogs, sending over care packages of food and hot meals, for building our ramps, opening our doorways, re-doing our bathroom, repairing our carpet and flooring from the wider doorways, to the wonderful gifts of money, but most of all for the caring smiles and many hugs.

We could have never gotten through all this without all of you. A very heart-filled thank you.

Gary and Lisa

IN TOUCH

By A.Mi

September once again reminds most of us of those good old school days! The times in our lives when we thought that we absolutely were not as carefree as parents, aunts and uncles made us out to be. The closing of another summertime and the opening of another daily get-together with friends in classrooms.

I recall favorite and not so favorite teachers who helped mold my interests. Very special to me is one outstanding memory of a fall trip into the wetlands that one of our teachers insisted we experience. What fun it was when, together with my buddies, we caught a host of bull frogs and dangled them in front of the fairer sex amidst a lot of screaming and "We'll get even!" Also, the shock of having the teacher point out a host of living creatures and plants that literally filled the wetland with surprise after surprise. It opened a whole new world to me. One that has been a real blessing these many years.

And that is what this article is all about. The many surprises which abound around us if we but seek them out in and through the treasures of Mother Nature. Surprises that inspire. Surprises that peak our interest and help us to believe in the miracles of God's creation.

September provides us with warm summery days as well as refreshing wintry winds reminding us of coming holidays such as Thanksgiving and Christmas. Birds flock together preparing for their flights south. Hunters clean their guns and air out their colorful hunting clothes. Indeed, September bridges a lot of life changes just as Mother Nature offers you and me a wealth of living.

Don't Trespass!

With the opening of hunting on September 17, so also begins the trespass season.

It is a problem every year and an embarrassment to the responsible hunter that takes the time to ask permission.

Trespassing is defined as entering any enclosed (fenced) or cultivated land without the expressed or implied consent of the owner, or entering or remaining on the land of another after having been notified by the owner not to do so.

It is still a good idea for landowners to post signs if they want to control trespassing. The law requires the signs to be at least 11 inches square, carry an appropriate notice with the name of the owner or occupant and posted at least in two conspicuous places for every 40 acres.

A recent law change does not allow the signs to be blaze orange in color. The number of signs used will depend often times on the terrain and cover of the land being posted.

The forfeiture for trespassing is \$153.00 with a maximum of \$1,000. The real punishment although is not to the trespasser, but to the responsible hunter who is not allowed on property because of someone else's disrespect for the law and another's property.

Also, remember that attempting to recover game does not allow you to enter on to private property without the owners permission. Get this permission before the season starts and always show respect for private lands and the people who own the land.

If you have any other questions on this topic or any other, feel free to contact me.

Wisconsin Gas to Close West Bend Customer Center

MILWAUKEE, WI -- As part of a continuing effort to lower the cost of its service, Wisconsin Gas will close its West Bend customer center in November.

"Most of our customers in the West Bend area don't use the center," said John Nelson, manager of consumer affairs and customer centers for Wisconsin Gas. He said customer traffic at the West Bend center doesn't reflect Washington County's population growth.

"We've created a variety of options for customers to conduct business with us by phone, by mail or electronically," Nelson said. "Many of them are choosing those options rather than taking the time to visit a customer center."

According to Nelson, closing the center will enable Wisconsin Gas to lower its operating expenses and continue to provide high-quality, cost-effective service. He said the same number of employees will be available to handle service

calls and emergencies in the area, and Wisconsin Gas will maintain an equipment supply station in West Bend.

"Our emergency response time will not be affected," Nelson said.

Customers who prefer to pay their bills in person may do so at several bill-paying stations in the West Bend area. Specific information on pay station locations as well as account information is available by calling Wisconsin Gas at 1-800-261-3425.

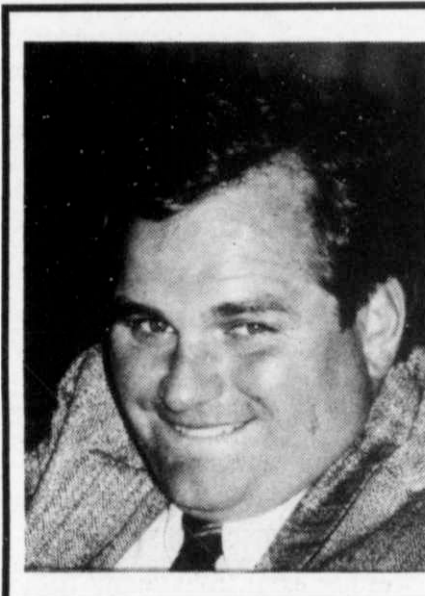

Nelson said the four employees who work at the West Bend center will be offered jobs at the utility's Milwaukee operations. He also said Wisconsin Gas plans to sell the building, which is located at 206 N. 6th Avenue.

Wisconsin Gas, a subsidiary of WICOR, Inc., is Wisconsin's oldest and largest natural gas distributor, serving 485,000 customers in nearly 500 communities.

September Exhibitions At West Bend Art Museum

OUTDOOR SCULPTURE OF ALAN JUNG

August 31 - Summer of 1995
Milwaukee studio artist and Washington County native, Alan Jung's highly creative wood sculptures will be featured throughout the next four seasons in the West Bend Art Museum's sculpture garden located behind the art museum on 7th Avenue.

The University of Wisconsin graduate in Fine Arts (sculpture) works with the natural forms of branches and trees, joining them together with various other shaped pieces of wood masses to create sculptures that sometimes resemble weather vanes. The rustic treatment and texture of the wood is pleasantly contrasted with the sophisticated use of form. Appearing to be ephemeral, the wood sculptures

made of natural tree species are surprisingly resilient to our climate. Alan's sculptures do not impose on the landscape but rather exist in harmony with nature.

Alan Jung's work was previously exhibited at the West Bend Art Museum in the 1992 national juried sculpture exhibition, *Concepts/Contemporary Outdoor Sculpture Proposals*. Jessica Rowe, Associate Director of the Des Moines Art Center, selected Alan's work for a Juror's Award.

The West Bend Art Museum is located at 300 South Sixth Avenue in downtown West Bend. Normal art museum hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information, call the art museum at 334-9638.

United Way Drive Off To a Strong Start

"We're off to a strong start with the 1994 United Way Campaign," said Jerry Mehring, who is Co-Chairing the Campaign with his wife Nancy this year. The announcement of \$132,273 in gifts and pledges received to date was announced at the Division Leader Report meeting on Friday.

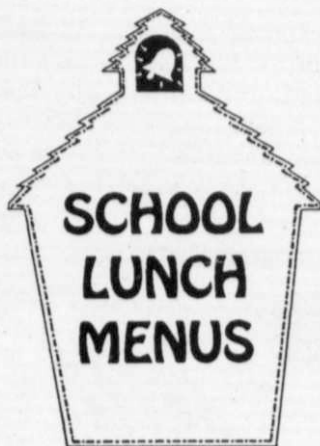

"We're pleased to report we're at 15.2 percent of our \$873,000 Goal," said the Mehrings, who began and ended the meeting by ringing a cow bell - to tie in to the dairy theme being used with volunteers this year. "We'll continue with our weekly report meetings, sharing success stories and reporting numbers throughout the campaign" said Jerry.

Nancy commented, "We are encouraged by the enthusiasm for United Way displayed by our donors and volunteers, and expect the momentum to continue for the remainder of the campaign, which runs through the end of October."

The majority of dollars reported thus far have come from 22 Pacesetter companies and organizations who ran early campaigns in late August and early September, including:

West Bend Company, Post Printing, West Bend Schools - Food Service, Bank One, Seven-Up Bottling, Pick 'N Save North and South, Russ Darrow Dealership, Kleckhafer-Dietzler, The Threshold, Bunk, Doherty & Griffin, Schloemer Law Office, O'Meara Law Office, Steiner Electric, Faucett-Domres Dentistry, Realty World West Grove, Department of Social Services, Maysteel in Allenton, International Stamping in Hartford, Wisconsin Pharmacal in Jackson, the Kewaskum School District, and Slinger Manufacturing.

The campaign will raise funds for 65 programs provided by 26 member agencies serving one in four people in ten communities in Washington County in the coming year.

Letter to the Editor

Letter to the Editor:

On Sunday, Sept. 11th the Kewaskum Historical Society held their 20th annual Early Farm Days. We had great weather and a very nice crowd of people. We had 33 exhibitors come from all over Wisconsin, bringing their tractors and gas engines, and assorted farm equipment from days gone by. Although it would be impossible for me to thank everyone personally, I must thank Bud and Dean Schmidt of Schmidt acres for their giving of free wagon rides to our visitors. I would like to thank all the exhibitors, and spectators, and the members of the society who worked very hard for weeks, in getting things ready. Finally I have to thank a very special person. His name is Caleb Johnson from Harvard, Ill. Caleb is 9 years old and has been bringing his gas engines to exhibit, for the past three years. I ask Caleb why he comes all this way to our little town, He said I like Kewaskum, and I want to help the society. Wow! I wish I could find another 100 Caleb Johnsons to help us out. Who knows maybe there are a few in Kewaskum, I hope they call. Be with us next year September 1995.

Lady Indians Get Revenge on Falcons

By Statesman Sports Writer

KEWASKUM - After Sheboygan Falls' girls tennis team used a change in its lineup to post a slim victory over Kewaskum a few weeks back, KHS coach Glenn Eichstedt thought that one good turn deserved another.

So Eichstedt maneuvered his lineup to get better matchups in the return match against the Falcons. The changes worked, as the Indians fought their way to a 4-3 victory, reversing the outcome of the earlier match.

Needing some production out of his doubles combinations, Eichstedt inserted his usual No. 4 singles player, Jamie Lynn, into the No. 2 doubles pair with Anne Mertz.

The move paid off, with the Mertz-Lynn duo recording a 6-1, 6-3 victory, thus insuring the Indian overall team win.

The team win was made possible because for the second time in three days the Indians top three singles players all won their respective matches.

At No. 1 singles, Missy Rohrer was forced to a third set for one of the few times this season. But the senior standout came through in the clutch, winning her match against Jenny Pikulik, 6-2, 4-6, 6-4.

Meredith Frac and Margaret Feind also won their matches, although a bit easier. Frac lost

just two games, and Feind just five in their wins, setting the stage for a doubles victory to win the team battle.

KEWASKUM 4,
SHEBOYGAN FALLS 3

DOUBLES - No. 1 - Sabrina Maul-Jenni Weston lost to Sarah Herschelman-Sharon Beach 2-6, 1-6; No. 2 - Anne Mertz-Jamie Lynn beat Carrie Zeitler-Melanie Schneider 6-1, 6-3; Renate Wilke-Jenny Straub lost to Jenni Schmitz-Kris Reineking 7-5, 4-6, 4-6.

Panthers Edge KHS Netters

PLYMOUTH - Kewaskum girls tennis coach Glenn Eichstedt knew that he would have a formidable singles lineup this fall, and that any help from doubles pairs would produce team victories.

But Eichstedt got no help from those doubles combinations against Plymouth here, last Tuesday afternoon. The Indians won three of four singles matches, but couldn't record a doubles victory, leading to a 4-3 loss to the Panthers.

The Indians top three singles spots all recorded relatively easy wins. Missy Rohrer (No. 1) lost just one game in beating Alicia Miller, while Margaret Feind lost just three at the No. 3 spot.

Meredith Frac had to go to a

tiebreaker in the second set of her match against Carrie Sippel after shutting out Sippel in the opening set. Frac eventually won the tiebreaker, 7-6. After dropping the second set 0-6, the Indian pair once again was forced to a tiebreaker in set three, and held a 5-3 advantage in the deciding game.

But Plymouth's combination of Heather Gebler and Megan Flannigan came back to win the next four points, taking the match and subsequent team win.

PLYMOUTH 4, KEWASKUM 3
SINGLES - No. 1 - Missy Rohrer beat Alicia Miller 6-0, 6-1; No. 2 - Meredith Frac beat Carrie Sippel 6-0, 7-6, (8-6); No. 3 - Margaret Feind beat Carie Noordyk 6-1, 6-2; No. 4 - Jamie Lynn lost to Nikki Russo 0-6, 1-6.

Letter to the Editor:

The Kewaskum Jaycees would like to thank the following for their volunteer work. Troy Kuphal, Kelly Scannell who umpired all games. Mike and Jesselyn Geidel who this year ran the concession stand. Larry Ammel for the great pictures. Last but not least all coaches and parents that helped the coaches, without their time and support we could not run this great project.

This year the Kewaskum Jaycee softball league ran a fund raiser. With the money they raised, the JC's are buying playground equipment and putting it on Knights Ave.

Next year when you sign up for the JC, softball program, drive past and look at what you helped buy.

Also if you are between the ages of 21 and 40 think about joining the Kewaskum Jaycee. For more information call 626-2073 ask for Kathy and she will give you more information on the organization.

Remember Believing is Achieving in everything you do.

Thank You

IN MEMORY

In loving memory of our daughter, Laura Stange and fiancé, Mike Ruplinger, who passed away Sept. 24, 1982.

Remembrance is a golden chain,
Death tries to break, but all in vain;
To have, to love, and then to part,
Is the greatest sorrow of one's heart.
The years may wipe out many things
But this they never will,
The memory of those happy days,
When we were all together.

Deeply missed by the Ron Stange family.

PRAYER TO THE HOLY SPIRIT

Holy Spirit, you who make me see everything and who show me the way to reach my ideal. You who give me the divine gift to forgive and forget the wrong that is done to me, and You who are in all the instances of my life. I in this short dialogue want to thank you and confirm once more that I never want to be separated from You, no matter how great the material desires may be. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love toward me and my loved ones.

Pray this three consecutive days. After the third day your favor will be granted, no matter how difficult it maybe, then promise to publish this dialogue.

Shining Hours Restricted

Beginning September 15th shining hours are shortened. Shining of wild animals is prohibited between the hours of 10:00 p.m. to 7:00 a.m. In some areas shining may be prohibited by a local ordinance, so check with the local sheriff's dept. if planning to shine elsewhere in the state. Each year I receive numerous calls from concerned citizens on shining activities in the area. The lights are being shined into their house at night, upsetting their dog or even causing horses to run through a fence. There has been talk for several years now to completely eliminate all shining because of the large number of complaints associated with the activity. Most of the problems could be eliminated if the people shining would just keep their lights away from residences and to refrain from shining property that is privately owned and more than likely you do not

have permission to hunt on. The number of people that I see shining clearly indicates that it is a very popular activity in the area. If we want to see it continue please show some respect to the property owners in the area by keeping your lights away from their houses.

If you have any other questions on this topic or another topic feel free to contact me.

Two Championships Captured at Elkhart Lake

Rookie Jacques Villeneuve of Canada, proudly holds up his first place trophy at the Texas/Havoline 200 held Sunday, September 11, at Road America, Elkhart Lake.

By Laurie Ottery

The racing of engines, cars exceeding 100 miles per hour, a four-mile, 14 turn road course, lots of thrills and excitement and refreshments for everyone. The weekend was filled with the qualifying and practice sessions that preceded the various races held at Road America in Elkhart Lake.

Fans of racing were able to wander the perimeter of the course that hosted Barber Saab, Can Am, World Challenge and Indy Car racing over the September 9-11 weekend.

The Track, at Elkhart Lake, is located approximately midway between Milwaukee and Green Bay, on Highway 67, in the rolling hills of the scenic, glacier-carved Kettle Moraine region.

On Friday, the crowds had a chance to get a taste of the thrill of the upcoming Indy-Style Race. During the practice run, Marlboro Team Penske driver Paul Tracy had a lap time of 107.654 and a speed of 133.762. Paul was the winner of the Texaco/Havoline 200 last year.

He has had his ups and downs at Elkhart. In 1993 Tracy led the entire race after starting from the pole position with an injured ankle. He had taped it after being injured during a crash in Friday's pre-race events. At the end of that race, his ankle was unwrapped and he hobbled his way to the Winner's Circle for celebrations and interviews.

During Saturday's Qualifying Round, Paul Tracy captured his third consecutive pole at Road America with a lap time of 105.416 and a speed of 136.602. By taking the pole for Sunday's Texaco/Havoline 200, he won \$10,000 bonus from Marlboro as part of the Marlboro Pole

Award bonus.

During Friday's Qualifying Round, Al Unser Jr., in the Marlboro Team Penske car, finished first with a lap time of 106.708 and a speed of 139.948. During qualifying on Saturday, many of the drivers bettered their times and Paul Tracy set new track records. Tracy managed a time of 105.416 with a speed of 136.602 miles per hour. The previous record for one-lap at the Texaco Havoline 200 had been set by Bobby Rahal with a time of 1:47.090 and a speed of 134.466.

For the second straight year, Governor Tommy Thompson was on hand to honor racing legend Mario Andretti, as part of the Texaco/Havoline 200 Indy Car Race on Sunday. Last year the Governor held a special salute to Andretti and Emerson Fittipaldi, the only three-time Indy Car winners in the track's history.

This year, just prior to the start of the 200-mile event, Thompson officially declared September 11, 1994 as "Mario Andretti Day" throughout the State of Wisconsin. Andretti is retiring at the end of this season.

The Texaco/Havoline 200 is Race #14 of the 1994 PPG Indy Car World Series. It consists of 50 laps/200 miles. Fans came from all over to watch the races at Elkhart Lake, Wisconsin's Road America.

The race began at 12:30 p.m. There were fans scattered all around the track as well as in the provided seating areas. The winner was a 23-year-old rookie Jacques Villeneuve driving for the Player's Team in his first Indy Car Race. He finished the race with a time of 6157.930 and an average speed of 116.922.

Villeneuve started the race in (Continued on Page 15)

First and second place winners of the Texaco/Havoline 200 make their way to the finish line. First place went to rookie Jacques Villeneuve with a 0.609 second lead over Al Unser Jr. Villeneuve ran out of gas at the finish line for a very lucky win.

Wisconsin's own Road America, located at Elkhart Lake, was the site for race #14 of the PPG Indy Car World Series. From left, Al Unser Jr., who placed second, first place winner rookie Jacques Villeneuve, and Emerson Fittipaldi, who came in third.

Row One, starting position #2 with a Qualifying Time of 105.988 and a speed of 135.864. Position #1 was Paul Tracy who led the race for the first 35 laps before developing engine problems. The race was one hour, 42 minutes, 37.930 seconds long. Rookie Villeneuve won with a 0.609 second lead, running out of fuel at the finish line.

Al Unser Jr. captured the Championship 1994 PPG Indy

Car World Series. He is the first driver to clinch the title with two races remaining in the season. Unser Jr. finished Sunday's race in second place driving for the Marlboro Penske Team.

Third place went to Emerson Fittipaldi, also driving for the Marlboro Penske Team.

The thrill of speeding cars, the racing fans, all of the media people made for an action packed weekend in Elkhart Lake.

Governor Tommy Thompson presents Mario Andretti with a plaque just prior to the start of the Texaco/Havoline 200 Indy Car Race at Road America, Elkhart Lake. The Governor declared September 11, 1994, as "Mario Andretti Day," to honor him. Andretti will be retiring this year.

Growing Up

Insideme is a winding stream of experiences. It twists its way to a deep glimmering reservoir of feelings, questions, disappointments, expectations, and dreams. I call this ride through the rapids growing up.

To get through growing up, without going down waterfalls, I need to be let to explore these places. Places that are full of conflict, crises, love and deceit. I want to wander along my glistening stream like a prospector panning for present-moment gold. I want to be a deep-sea diver and plunge to the depths of my reservoir to encounter things that are beyond my imagination.

Experiences are my passageways to the self-discovery of growing up. My experiences may splash out a drop of my personality, or babble on to a cascade of what is me. My experiences may swell and surge into a gushing flood of the person I am, and who I long to be.

Without experiencing for myself growing up, my identity can be confused and dammed up. Through experiencing, the confusion gurgles into creativity and morals which seep into my soul. I am immersed, cleansed and refreshed. When I am let to flow down the rapids, I am able to find a placid well of peace. I become the experiences, and the experiences become me.

To experience, and value these experiences in the right way, will get you through the rough waters during your ride through growing up!

Village Board Meeting Minutes

Mid-Monthly Meeting
August 15, 1994
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee David Goeden, seconded by Trustee John Borland and unanimously carried by voice vote, the minutes of the July 11 & 26, 1994 and August 1, 1994 meetings were approved as printed.

Mr. Chris Abramson from Ruekert & Mielke was present and explained several alternatives regarding the Water Pollution Control Department rate adjustments. A total of six alternatives were reviewed and at the conclusion of the discussion, alternative six appeared to be the choice as recommended. It was noted the last rate adjustment was implemented January 1, 1991. The average household uses 62,000 gallons of water per year indicating their bill would equal \$181.55 a year. This would reflect a \$2.93 increase per month.

The ad for the sale of the 1966 International Equipment Truck was reviewed and the Board was informed that the bid opening is scheduled for September 26, 1994.

Chief of Police Richard L. Knoebel gave the Police Department's July, 1994 monthly report to the Village Administrator to report on:

Passes sold for 1994 = 531, Swim lesson registration = 97

It was also reported that the Jaycees asked the Village to match funds with them to purchase a piece of playground apparatus for the Knights Avenue Neighborhood Park. On a motion by Trustee Robert Beisbier, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board recommended budgeting \$1,500 in 1995 to match the Jaycee's generous offer of \$1,500 for playground equipment.

This resolution will be brought back to the Board in September.

On a motion by Trustee William Kulas, seconded by Trustee John Borland and unanimously carried by voice vote, the Board authorized the signing of the lease with Donna and James Markgraf for a one year lease at the CVC at a cost of \$325 per month.

This bid came in under the estimated cost by \$4,850. It was further noted that if needed, some additional storm sewer catch basin work could be added to this contract and the Village would still remain under budget. It was noted that this was the only bid received.

On a motion by Trustee Charles Waala, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the signing of the Certified Survey Map regarding lot 1 of CSM and Lot 2 of Subdivision Pheasant Run Estates contingent upon the Plan Commissions favorable action on August 30, 1994.

On a motion by Trustee William Kulas, seconded by Trustee Charles Waala and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Beau Coulter Featured In La Crosse Tribune Article

EDITOR'S NOTE: The following article was printed in the La Crosse Tribune in late August, and we are reprinting it courtesy of the writer, Kevin McGrath, who is the sports editor. The story features 1993 KHS graduate Beau Coulter, former Indian's football superstar. Coulter, who was chosen to play in the Shrine High School All-Star game this past summer, is now a freshman at UW-La Crosse. On August 29th, Beau was selected to the varsity football team at La Crosse. His number is 45.

BEAU KNOWS UW-L RIGHT PLACE FOR HIM TO PLAY COLLEGE FOOTBALL.....

By Kevin McGrath

It seems like a guy with the name Beau Coulter should be playing football at Alabama.

And it felt like Alabama Saturday at Veterans Memorial Stadium: hot, humid and loud with the sound of football players hitting each other.

But Beau Coulter wasn't in Alabama Saturday. He wasn't even in Kansas. He was playing his heart out for a spot on the University of Wisconsin-La

Crosse football roster.

If you're a UW-L football fan and you haven't heard of our man Beau, don't fret. Stats on his rushing at Saturday's scrimmage weren't available. A mixup had most of the players wearing numbers that didn't match those in Saturday's program. The established players were easily identified.

Nobody knew Beau. In the locker room after the scrimmage -- after Beau scored a touchdown and looked like the real thing running the football -- some of his teammates couldn't point him out.

This kid should have an identity crisis.

"Who's number 27?" was the question of the day.

Beau knows nobody.

This much we know. He's a 5-foot-9, 195-pound freshman running back from Kewaskum, Wis. His credentials include rushing for more than 1,000 yards as a senior, earning the Eastern Wisconsin Conference player of the year award and playing in the annual Shrine Bowl high school all-star game.

That's a fairly solid pedigree for a Division III football prospect. But this is UW-L, a veritable football factory that has churned out a 77.1 percent

winning percentage during Coach Roger Harring's 25 years.

That's impressive stuff. So Beau described his first few weeks of practice like this: "Scary."

"I was just trying my hardest just to make the team. There are so many good backs here," says Beau, who had his mom, dad and girlfriend travel across the state to watch the scrimmage.

Beau knows the value of family and friends.

Harring and his staff have some tough choices to make. One hundred fifty-eight players are out for football at UW-L. Twenty have been cut. Thirty-eight more will go to meet a mandated 100-player limit.

Beau and the other 51 freshmen on Saturday's roster face stiff competition for a place on the team. But Coulter says his choice of UW-L was simple.

"UW-L is the best team in the state next to Madison," he says. "I've always wanted to play for a powerful football team, and I was encouraged to come here."

The Eagles recruited Coulter, according to Larry Terry, offensive coordinator. Following the scrimmage, in front of about 250 fans -- including chancellor Judith Kuipers -- Terry said

Beau made an impression.

"He made people miss, and that's what we're looking for," Terry said.

But the Eagles' coaches "encourage" a lot of guys to try out for football. These aren't scholarship athletes. They aren't compensated for their efforts. They just want to play football. And there are too many players interested in being part of one of the nation's most successful Division III programs.

Coulter said he was intimidated at first by the competition. But he said he always heard encouraging words from his parents when he called home each night. "They told me to keep trying, just keep trying."

And when Saturday's scrimmage rolled around, Coulter knew it was time to play.

"We knew it was crunch time," he said. "It was make or break time. I was never more focused than I was for this scrimmage."

Beau even knows sports cliches.

Coulter looked strong on his first series, diving over the goal line for a touchdown. "That broke the tension," he said. "I was so nervous I was shaking. I barely slept I was so nervous. But then I knew it was time to buckle down."

His next series was equally convincing.

Beau seems like a solid bet to make the Eagles' roster. But if that doesn't happen -- and he says a lot of his new teammates feel the same way -- he would just go back out for football in the spring. He says he wouldn't

transfer to a school that might better appreciate his obvious talent for running with a football.

"There's no better place to play than UW-La Crosse," he says.

Only one scrimmage into his college football career and Beau already knows how to say just the right thing.

New Holstein Downs Spikers

By Statesman Sports Writer

NEW HOLSTEIN - Coaches want to see consistency out of their respective teams. So one can guess that Kewaskum volleyball coach Dave Rizzardi isn't very happy with what he's seen from his Indian squad as of late.

The Lady Indians continued to follow a good effort with a poor one, as New Holstein took advantage of KHS sloppiness to post a 15-10, 11-15, 15-10 victory.

The loss dropped the Indians to 4-2 in the Eastern Wisconsin Conference, while the Huskies improved to 4-1.

The loss was especially disheartening considering the Indians had earned themselves a share of the EW lead just two days earlier. A big win over Sheboygan Falls seemed to get the Lady Indians on track, after the squad played poorly last weekend in a tournament at Campbellsport.

But the up-and-down season continued against the Huskies, who used some good serving to frustrate KHS.

After the Huskies outlasted the Indians in game one, KHS appeared to have things well in control in the second game.

But ahead 14-6, KHS wasn't able to put New Holstein away, allowing the hosts to narrow the gap to 14-11 at one point.

After finally capturing the second game, the Indians once again had trouble handling New Holstein's serves in the third and deciding game.

The loss was a costly one, but not enough to bounce the Indians from title consideration in the EW. After the first round of round-robin play in the league, four teams, including the Indians, have one or two losses in the loop.

Thus, the Indians remain in the hunt for the EW crown, along with the Huskies, Sheboygan Falls and Two Rivers.

KHS Netters Lose at Falls

By Statesman Sports Writer

SHEBOYGAN FALLS -- The Kewaskum girls tennis team couldn't come up with the big points when it needed them here, last Tuesday afternoon in a makeup match against Sheboygan Falls.

The Indians lost two tiebreakers in singles competition, both leading to Indians losses. Those turned out to be important, as the Falcons edged the Indians 4-3 in the Eastern Wisconsin Conference match.

While KHS' No. 1 and 2 singles players Missy Rohrer and Meredith Frac easily breezed through their respective matches, the Indians' No. 3 and 4 players, Margaret Feind and Jamie Lynn each lost crucial sets late in the match.

Feind used a 8-6 win in a second-set tiebreaker to pull even with Rita Goodlet at a set apiece. But the KHS sophomore was unable to follow through on that momentum, dropping the third set and the match, 2-6.

Lynn, meanwhile won her first-set tiebreaker 7-5. She proceeded to lose the next two sets to Margaret Argiropolus, however, 4-6, 4-6.

The Indians' No. 3 double tandem of Renate Wilke and Danielle Slaughenhoup debuted in fine fashion, beating the Falcons' Stacey Schultz and Jenni Schmitz 7-6 (7-3), 6-1.

The win was the first of the season in the EW for Sheboygan Falls (1-3), while the Indians lost their first match in the conference (3-1).

Lady Indians Come Back to Spike Falcons

By Statesman Sports Writer

KEWASKUM - It looks like the roller coaster ride has begun for the Kewaskum girls volleyball team.

Just days after what coach Dave Rizzardi considered one of his team's worst performances in recent memory, the Lady Indians bounced back nicely, outlasting Sheboygan Falls in a key Eastern Wisconsin Conference matchup.

The Indians used stellar serving and a nice overall comeback to hand the Falcons their first loss of the season, 10-15, 18-16, 15-12.

The win gave the Indians a 4-1 record in the EW, putting them atop the league standings along with the Falcons.

KHS got off to a flying start against the Falcons in game one, using some emotional play to race to a 7-0 lead. But after the emotion subsided, the Falcons were able to battle their way back into the game, taking an 11-10 lead and eventually finishing off the hosts.

That peak-and-valley effort continued into the second game, as the Indians led early 4-2, before falling behind once again. KHS battled back to tie the game, and the battle remained close the rest of the way.

After being tied at 16-all, the Lady Indians finally took the lead for good on a spike, and soon after closed out the game to tie things at one apiece.

The situation was much the same in the deciding game, as the Indians again raced to an early 4-0 advantage. Falls came back, however, eventually taking a 12-9 lead late in the match.

But Shelly Williams, who finished the evening with 27 serves with no misses, brought the Indians back. She served out the rest of the match, which came to a close on Kelly Schreffler's spike.

Williams added 15 assists to her perfect serving night, while Schreffler was the Indians' leader in total points.

KHS Spikers 9th in State Poll

By Statesman Sports Writer

KEWASKUM - Despite its up-and-down nature thus far this season, the Kewaskum girls volleyball team has garnered some respect from other coaches throughout the state.

The Lady Indians are ranked ninth in Division II's latest standing, as voted on by the Wisconsin Volleyball Coaches Association.

KHS received a total of 22 points in the balloting, placing them just behind Waunakee and Pewaukee, which tied for seventh, each with 25 points. Waupun is the top-ranked Division II school with 47 points.

Fellow Eastern Wisconsin Conference member, and earlier KHS victim this season, Sheboygan Falls is currently

ranked sixth in the poll. Another area school, Slinger, received honorable mention in the voting.

Defending Division I State Champion West Bend East is currently ranked second in the state, behind only WISAA power Pius XI. The two schools will battle for the top ranking this weekend, when both take part in the West Bend Sprawl.

Reis Keys KHS Comeback Win

By Statesman Sports Writer

APPLETON - One could have probably forgiven the Kewaskum football team if it would have not been overly concerned with the outcome of last Friday night's contest with Fox Valley Lutheran here.

Trailing throughout the non-conference affair against the Foxes, the Indians could have packed things in and began to focus on returning to Eastern Wisconsin Conference action the following week.

But that's not what KHS coach Clark Pearson saw from his team, as the Indians got a pair of big plays from wing-back Paul Reis in the fourth quarter, propelling KHS to a 19-14 come-from-behind victory.

"It was a real nice victory for the kids," Pearson said of the battle. "They showed good tenacity, hanging in there. They could have packed it in, but instead they got tougher and found a way to win."

Reis was the catalyst in the comeback, finding his way to the end zone twice in the final period.

After Chris Clache hit paydirt from a yard out at the start of the final quarter, the Foxes held a 14-6 advantage. That lead didn't hold, however, as the Indians executed their offense to precision on the next series.

Reis took a handoff on a reverse at the FVL 43-yard line, and scampered untouched into the end zone. The two-point conversion failed, but the Indians clearly had momentum on their side.

"It was just like we worked on all week in practice," Pearson said of the reverse play. "It worked to perfection. We got some nice downfield blocks and (Reis) took it all the way."

After stopping the Foxes on three plays on the ensuing series, the Indians quickly got the ball back on their own 30 yard line about midway through the fourth.

Needing a long drive and subsequent score to take the lead, the Indians had to settle for only one of the two.

On the first play of the drive, KHS quarterback Dan Survis found Reis over the middle for what looked to be about a 20-yard gain. But Reis broke a tackle, and then outraced the Foxes' defenders to the end zone for a 70-yard touchdown reception.

"You have to give him credit," Pearson said of Reis' big play capabilities. "He did a nice job. He had a real nice game overall."

Luke Chesak tacked on the extra point, making it 19-14 in favor of KHS.

Fox Valley Lutheran had another chance to regain the lead, but the Foxes' sixth turnover - and fifth fumble - of the game spelled the end. The Indians recovered, and gained two first downs to run out the clock and secure the victory.

"They (FVL) played pretty good defense the whole game," Pearson said of the Foxes, who held a 7-0 lead at the half. "We finally were able to throw the ball in the second half."

Survis helped get the Indians on track with the passing game, completing eight of 16 passes. His five-yard hookup with Travis Jacak early in the second half got KHS on the board. That drive started when FVL fumbled deep in its own territory, after stopping the Indians at the 10-yard line on the previous possession.

"Dan had a real nice game," Pearson noted, adding that Survis has regained his confidence after a poor outing in the team's second game of the season. "He got hit hard a couple of times, but he shook it off nicely. He's not a real big kid, but he's tough... a real hard worker."

The Indian defense worked hard as well, coming up with some big hits to cause the five FVL fumbles. Joe Rettler and Jason Schmidt were the beneficiaries, each recovering two fumbles.

"They had an excellent ballgame," Pearson said, also singling out defensive back Cory Rammer and Tim Strigenz for their fine play. "They were able to rush the ball against us around midfield, but we tightened up on them down near the goal line."

Rammer came up with a big interception early. His pickoff in the end zone stopped the Foxes opening drive.

Pearson was also pleased with the effort of a makeshift offensive line. With Mike Schmidt possibly out for the season due to a nagging knee injury, Pearson switched center Eric Beck to left tackle position, and moved Nathan Scheel from guard to center.

"They both did a good job," Pearson said, adding that "it's going to take awhile" for the two to get used to their new spots.

Nevertheless, the Indians improved to 3-1 on the season, and now can turn their attention back to the EW. KHS will host Two Rivers on Saturday afternoon, beginning at 1 p.m. The Purple Raiders ran all over New Holstein last week, 49-20.

"They can sure put a lot of points on the board," Pearson said of the perennial powers. "They always have a good running game, so it'll be a good test."

Athletics End Season With 19-13 Record

The Kewaskum Athletics' season ended with a 5-1 loss to the Rubicon Red Sox in the first round of the Rock River League playoffs.

The third place A's hosted fourth place Rubicon at the Kiwanis Park baseball diamond in Kewaskum. Kewaskum was unable to produce enough offense to backup a solid pitching effort by Don Menzel and a good defensive effort.

Dave Pauers and Doug Gonring supplied most of the offensive fireworks for the Athletics. Pauers was 3x4 with two doubles, while Gonring was 2x4 and drove in Kewaskum's only run.

Craig Semler led the way for the Red Sox with a home run among his three hits good for three RBIs and two runs scored. Mark Robel added two hits. Brian Beuer went the route for the winners to pick up the victory on the mound.

The A's wound up with a 13-

5 record in the Rock River League Northern Division. In Tri-County Nite-League play, Kewaskum ended with a 3-5 record. Overall Kewaskum went 19-13 on the season.

The Athletics would like to thank all their loyal fans and supporters. Special thanks go to scorekeeper Ted Miller who finished his 34th season. Thanks also go to Dave Zehren, Jerry Marx, Lee Kempf and the many others who helped with the concessions stand.

The Rock River League Banquet will be held October 29th. Anyone interested in going can get tickets from Ron Theusch (626-8385) or any of the ballplayers.

Many golf players play a fair game --- if you watch them closely.

"IN BOXING, a fighter must hit his opponent again and again before he is declared the winner - very seldom does there occur a one-blow knockout decision. The same strategy is true in newspaper advertising."
