Accident Claims Eleven-Year Old

An accident in the Town of Lyndon, Sheboygan County, took the life of an eleven-year-old boy on Saturday, October 22.

According to the Sheboygan County Sheriff's Department, a semi-tractor was traveling northbound in the right hand lane of South Hwy. 57. Occupants of the semi included the driver, Michael S. Faas, 28, and Sharon M. Krofta, 39, both of 364 Main Street, Kewaskum, and Travis A. Johnson, 11, and Nathan Faas, 6, both of 340 Seifert Street, Adell.

A farm tractor, driven by Gary L. Mentink, 44, of W4448 Cth. V, Waldo, was also traveling northbound on Hwy. 57, pulling two empty gravity boxes, just ahead of the Faas vehicle.

The semi-tractor attempted to make a passing maneuver around the farm tractor, when the semi struck the left

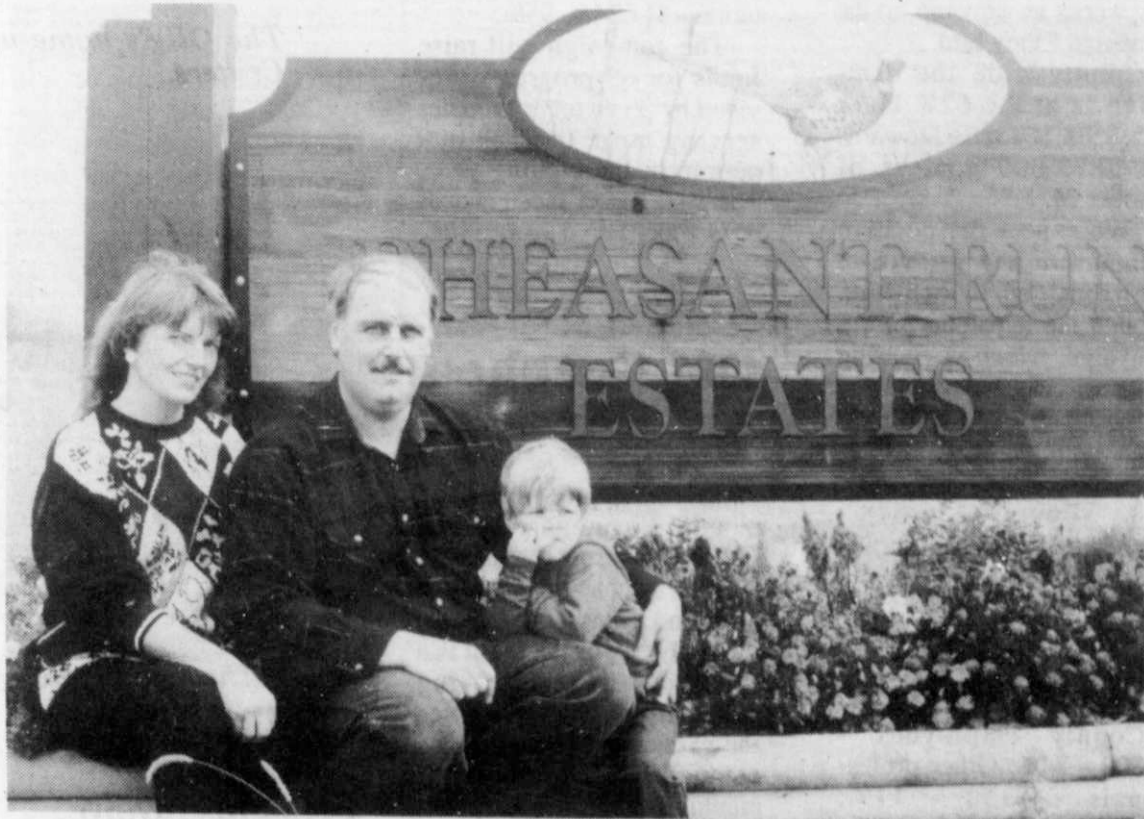

rear portion of the rear gravity box, entered the median of Hwy. 57 and flipped over on its top.

The first officer on the scene immediately requested an ambulance, a wrecker and the Jaws of Life, to assist with trapped occupants of the semi-tractor. A physician of the Flight for Life emergency crew pronounced Travis Johnson dead at the scene.

The two adult occupants, and Nathan Faas were transported to Valley View Medical Center, where they were treated for minor injuries and later released. The driver of the farm tractor was not injured.

The accident remains under investigation by the Sheriff's Department. Alcohol was not a factor. The driver and the occupants of the semi were not wearing safety belts.

Construction Continues At Pheasant Run Estates

Pictured in front of the award winning Pheasant Run Estates sign, left to right, Mary and Steve Olig, and son, Sean.
More photos on Page 2

By Sharon Callaway Roznik

Construction is continuing at Pheasant Run Estates on Wildlife Drive, one of Kewaskum's newest subdivisions created by LMO Development.

The fifteen acres of land was purchased by Steve and Mary Olig, who relocated here from Delafield last March. The couple chose the area because of its central location between Fond du Lac (where Steve is employed) and Milwaukee's airport, since his job required traveling.

"We owned eight acres in Delafield, which we had to subdivide to sell," explains Olig, "and when we came here, we worked with the village to find a place close to school, and there happened to be this parcel of undeveloped land. It was a combined acceptance (between the village and Oligs) to do this project."

The acreage has been divided into thirteen lots, including two duplexes. They range in size from .9 acre to a little over an acre. Minimum building requirements include 2,100 square feet for a ranch home and 2,300 square feet for a two story dwelling, with a fifty foot setback from the lot line, and a two car attached garage. These large lots are fully developed with all utilities, gas, electric,

cable, telephone, sewer and water, as well as sidewalks, cluster mailboxes, and a yard light provided by the developer. "We have many people who enjoy walking in the evenings in this area," Steve adds.

Instrumental in the development of the property include Hilmer Engineering of Delafield, who did all the surveying; Mueller Excavating of Campbellsport for their sewer work and Dan Serwe of Eden for soil and cosmetic work of Pheasant Run Estates. "We also want to mention how helpful Jerry Gilles and Dan Schmidt have been throughout this project."

Olig's home was built by John Gitter and his crew, "Gitter's Critters," and includes an eye-catching wooden bridge built over the front walk to their home, lit by eight electric lanterns. Two more homes have started construction, with five lots still available for sale. The two-family condominiums are also up for sale, with three bedrooms, an exposed basement and two car garage.

Behind Pheasant Run Estates is wilderness area with wetlands, combining suburban living with a uniquely rural view, which will be protected from development. "It's a great place to raise kids," the Oligs agree, with four children, Sean, age

four, Troy, twelve, Sherry, fifteen and Cory, 22, from New Holstein.

Cochran Sign designed and built the Pheasant Run Estates sign, with raised lettering, and a wild pheasant painted in an oval overlay. The sign won them a prestigious second place award in a statewide contest which is held every year.

Halloween Collection For Food Pantry

K.H.S. Sophomore Heather Weiss thought last Halloween it would be nice to collect non-perishable foods for the Food Pantry.

There wasn't enough time to really get it off the ground. This year she circulated sign-up sheets at Holy Trinity CYM classes and made posters for the High School. She's trying get a good size group of students together and hopes they come in costumes with wagons.

They'll meet at Holy Trinity parking lot about 1:45 p.m. Hopefully the people of Kewaskum will be as generous with their non-perishables as with their treats for the children.

If you wish to join Heather's "Goblins" or have something to give to the Food Pantry call 626-4131. Your generosity will be greatly appreciated.

One Last Kiss at KHS

Back in the Rock and Roll period a popular singer was drafted into the Army.

Of course, the agent had to find some way to get some publicity out of this, so the one last kiss idea was used. Imagine thousands of young teenage girls all wanting to be the girl who gets to kiss Conrad Birdie!

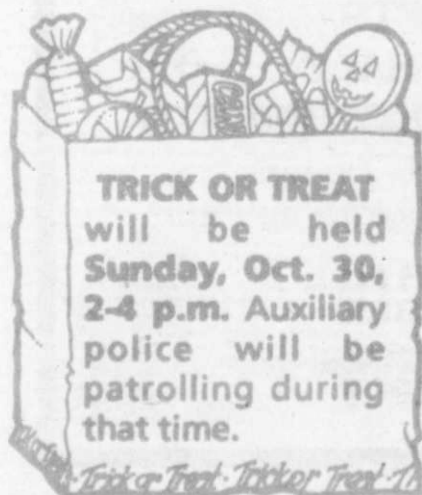

Well, you may not only use your imagination, but also come to Kewaskum High School on Friday, November 4, or Saturday, November 5, and see the whole idea as the musical students present, "BYE, BYE BIRDIE."

Both performances start at 7:30 p.m. and you should

all have an enjoyable evening watching these students sing, dance and act their way across the stage.

Tickets are available now in the high school band room or by simply calling 626-2166 and reserving them. While we do not accept Master Charge, we will gladly hold the tickets for you to pick up at the door on the night you wish to attend, and if you don't know until the last minute, you can still buy tickets at the door for either performance. Ticket prices are \$5.00, \$4.00 and \$3.00 depending on the seats desired.

"BYE, BYE BIRDIE" will also be presented for all interested area Senior Citizens on Thursday, November 3, beginning at 4 p.m.

Pheasant Run Estates

United Way: County at 62%; Kewaskum Jumps to 72%

The Kewaskum portion of the United Way of Washington County drive is doing well, reporting 72% of its \$33,700 goal collected in gifts and pledges thus far for the 1994 Campaign.

The County is at 62% overall. "We're glad with the progress to date," said Jerry and Nancy Mehring, county-wide co-chairs. "A number of divisions, including Kewaskum, are doing very well, and we're encouraged that the pace will continue in the next few weeks as we wrap up the campaign," they said.

County-wide the campaign is at the 62% mark with \$538,164 raised towards the \$873,000 goal as of October 21.

"We expect the positive momentum and growth in contributions to continue through the remainder of the campaign, which is entering its final weeks," they said.

Dollars raised and percentages of the division goals are: Kewaskum - \$24,337 - 72%; Slinger - \$12,548 - 70%; Richfield, Hubertus and Colgate - \$1,455 - 49%; Newburg - \$535 - 54%; Jackson - \$3,446 - 18%; Hartford - \$40,968 - 27%; Allenton - \$11,240 - 76%.

County employees - \$5,800 - 74%; Other professionals - \$150 - 11%; Physicians - \$10,410 - 69%; Real Estate - \$2,523 - 74%; Dentists - \$1,685 - 56%; Contractors - \$4,516 - 61%;

Kewaskum Fire and Rescue Squad Calls

Thursday, Oct. 20 - The Kewaskum Rescue Squad responded to a call at 12:07 p.m. in the Village of Kewaskum for a female patient who was experiencing chest pains. The patient was transported to St. Joseph Community Hospital, West Bend.

Friday, Oct. 21 - The Kewaskum Rescue Squad was summoned to a business in the Village of Kewaskum at 1:05 p.m. for a male patient who was not feeling well. The patient was transported to St. Joseph Community Hospital, West Bend.

Saturday, Oct. 22 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 10:05 a.m. for a female patient who had fallen. The patient was transported to St. Joseph Community Hospital, West Bend.

Saturday, Oct. 22 - The Kewaskum Rescue Squad was summoned at 6:21 p.m. in the Village of Kewaskum for two children who were struck by a motor vehicle. The patients were transported to St. Joseph Community Hospital, West Bend.

Clergy - \$905 - 86%; Attorneys - \$6,983 - 82%; Nonprofits - \$16,414 - 75.2%; Accountants and Business Services - \$3,840 - 96%.

West Bend Division: Key Firms - \$256,506 - 77%; City Employees - \$8,076 - 73%; Commercial - \$2,817 - 35%; Education - \$9,486 - 37%; Financial - \$45,410 - 73%; Industrial and Manufacturing - \$3,275 - 15%; Retail - \$12,517 - 48%; Special Gifts - \$40,976 - 75%; Transportation - \$11,346 - 95%.

The campaign will raise funds for 65 programs provided by 26 member agencies serving more than 23,000 people in the coming year. The next report meeting will be October 28.

OM Coaches Are Needed

Coaches are needed at Wayne Elementary School and Farmington Elementary School to coach Odyssey of the Mind teams.

Odyssey of the Mind is a creative problem solving competition that combines the excitement of an athletic competition with fun-filled mental gymnastics. Odyssey of the Mind involves hands on building and making things in order to solve problems.

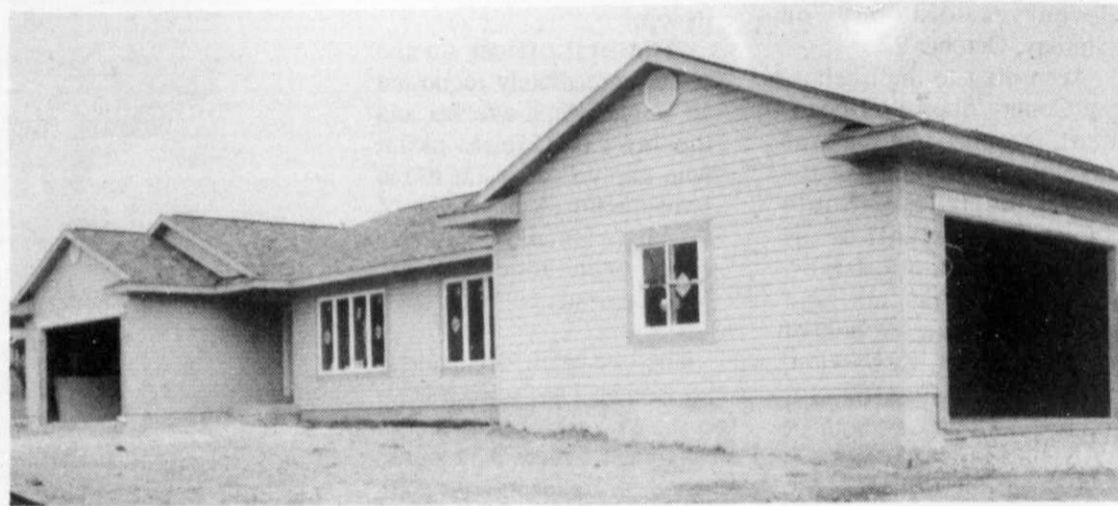

The Kewaskum Schools have a long and successful tradition of winning. They have sent teams to state and world competitions for the last 12 years.

If you are interested in becoming a coach, please call the OM Coordinator, Carol Zoerb, at Kewaskum High School, 626-2166.

Every little girl is in a killing hurry to grow up and wear the kind of shoes that just kill Mother.

The Olig's home was built by John Gitter of Kewaskum and "Gitter's Critters."

The new condos offer three bedrooms and a full-size exposed basement.

Break-Ins Involve Kewaskum Dentists

Two break-ins occurred in the village of Kewaskum last week involving dentists' offices.

According to Police Chief Richard Knoebel, the offices of Dr. Dennis Connor, 1204 Fond du Lac Ave., and Dr. Stephen Van Ess, 1053 Fond du Lac Ave., were forcibly entered sometime between 9 p.m. Thursday, Oct. 20, and 7:45 a.m. Friday, Oct. 21. The point of entry at each building was a rear window that had been broken.

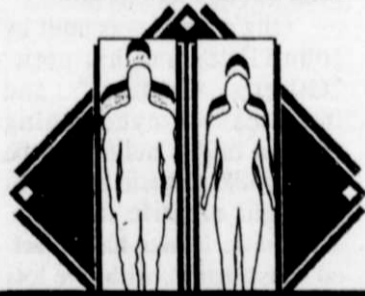

The only item taken was a

telephone from the Connor building. "There was a similar break-in that night in Jackson," Chief Knoebel commented. "We think they may have been after the nitrous oxide tanks."

The crimes are still under investigation by the police department.

Model Building On a Large Scale at KHS

By Cory Rammer

If I placed an Earth the size of a normal, twelve inch classroom globe outside Kewaskum High School, where would the rest of the "proportioned" Solar System be? With much help from my classmates in Astronomy and Meteorology Class at Kewaskum High School, I came up with some amazing answers.

First of all, the sun would be incredibly big even after down-scaling it. Without bleachers, the Kewaskum High School fieldhouse could just barely contain the sun's diameter. It couldn't possibly, however, contain a spherical representation of the sun. In fact, the ceiling might not be high enough to fit even half of the sphere. This massive ball would have to be placed about two miles from the high school (one mile short of New Fane) if we were to start constructing an accurate Solar System model. Our moon, only about eight centimeters in diameter, would be about nine meters (28 feet) from Earth.

The next closest body to the earth we represented was Jupiter. Being three and one half meters in diameter, it would have to be set in Allenton. That's a little over eleven miles away.

Just past Jupiter is Saturn. Almost three meters in diameter and a little over twenty miles away, this planet would have to be set in Hartford.

The last planet we toyed with was Pluto. Smaller than Earth's moon, only about six centimeters in diameter, this tiny planet would be in Paoli, Wisconsin, a small town about twenty miles southeast of Madison. That's eighty four and one half miles away from the sun.

From Len Soller, Physical Science teacher at Kewaskum High School: "I asked the class to perform this activity to allow them to get a feel for just how large our Solar System really is and for how small we are in comparison. Not only were we able to see how large and how small the other bodies in

the Solar System are compared to our Earth, we got a glimpse of the immense amount of space (nothingness) there is in outer space. It is a lot easier for us now to see what an amazing feat it is to send spacecraft and possibly fellow humans to those other worlds so distant from us."

World Community Day Service Nov. 4

The World Community Day Service will be held Friday, November 4, at Immanuel United Church of Christ, 501 Walnut Street, West Bend.

There will be a bag lunch with beverage and dessert to be served by the host church at 12 p.m. A short business meeting will follow. Then the program titled, "Go, See and Act As Sisters," to be presented by the host church.

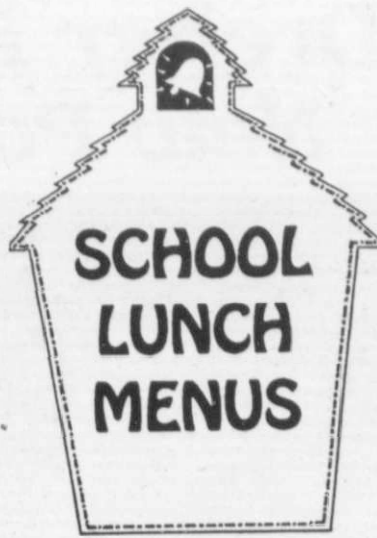

People are asked to bring items for the Friends of Abused Families, West Bend. They are in need of baby items, mainly diapers and baby food. Also other baby items are needed. Household items such as toweling, Kleenex, clothing, etc. are needed too.

All women of all dominations are invited to attend this event. Bring a friend or neighbor.

BIRTHS

DAUGHERTY -- A son to Laura and Shane of Kewaskum, on Oct. 21, at St. Agnes Hospital, Fond du Lac

SCHULTZ - A daughter, Megan Elizabeth, born Oct. 13, 1994 to Rod and Joann Schultz, Kewaskum. Megan joins two sisters at home, Theresa and Becca. Maternal grandparents are Richard and Carole Dreher. Paternal grandparents are Leonard and Mary Schultz.

HOLY TRINITY SCHOOL

Tuesday, Nov. 1 -- Hamburger/bun, with the works, hot apple slices, peach half, cookie, milk.

Wednesday, Nov. 2 -- Taco/shell/chips, lettuce/tomatoe/cheese, buttered corn, fruit cup, cake/cream, milk.

Thursday, Nov. 3 -- Meatballs/meatloaf/gravy, whipped potatoes, green beans, pears, muffin, milk.

Friday, Nov. 4 -- Scrambled eggs, sausage links, French toast, applesauce, cookie, milk.

XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, Oct. 19th were: SKAT: Francis Gilboy, 16-0--16 net; Syl Schmidt, 18-5--13 net; Frank Sell, 12-3--9 net; Fred Klein, Heart solo vs 5 & Club solo vs 4; Joe Butschlick, Heart solo vs 4; Allen Reindl, Heart solo vs 4; Frank Sell, Diamond solo vs 4; Ruth Egerer, spade solo vs 5 lost 66 points.

SHEEPSHEAD: Ella Boegel, Elsie Bruessel, Lucy Weiland, Ted Schoofs and George Eggert.
500: Kathryn Stanc.

Wise people believe half of what they hear; wiser ones know which half to believe.

Awarded Scholarship

DE PERE - Mandy Thiemer, daughter of Richard and Mary Thiemer, 8484 Kettle Moraine Drive, Kewaskum, received the Presidential Scholarship at St. Norbert College, a merit based award valued between \$8,000 to \$12,000 over four years.

Designated Presidential Scholars must have strong

college preparatory backgrounds, class ranking in the top 20 percent of their graduating class, and a minimum ACT composite of 25 (or SAT above the 80th percentile).

Participation in various high school activities, involvement in community service projects, and leadership recognition are among the requirements for selection.

Dreher Elected New Partner

RICK DREHER

Rick Dreher, CPA, has been elected to the partnership of Wipfli Ullrich Bertelson CPAs. Dreher is located in the firm's Green Bay office.

Dreher's practice area is taxation. He provides a variety of tax services for individuals and businesses. These include organizing limited liability corporations, S corporations and partnerships; planning for state and local taxation; estate planning and personal financial planning.

In the community, Dreher is on the board for Cerebral Palsy Inc., and serves as treasurer for the Green Bay West Rotary Club and St. Mark Evangelical Lutheran Church. He is a member of the Howard Suamico Optimists. Dreher has a B.B.A. degree in accounting and a M.S.

One thing we know about the speed of light -- it gets here too early in the morning, 365 days of each year.

Degree in taxation from the University of Wisconsin-Milwaukee. His hometown is Kewaskum.

Wipfli Ullrich Bertelson is the largest Wisconsin-owned certified public accounting, management consulting and computer service firm. The Green Bay office is at 414 South Jefferson Street.

Lead Screening Tests Available

Lead screening tests for children, up to age 6, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/ Room 1145 (Enter parking lot off of Indiana Avenue) on Wednesday, November 2, from 9 to 10:30 a.m., by appointment.

For more information, call 335-4462, 644-5204, or 342-2929 and ask for extension 4462. A parent must bring the child to the clinic.

MAKE HALLOWEEN A SAFE AND FUN NIGHT

Once Upon a Halloween... one frightful Halloween... an amazing thing happened. Children, in all the towns and cities across this country, were able to "trick-or-treat" in safety.

Mothers and fathers walked with their sons and daughters. Older kids went with their friends in small groups... and had fun! No one went out alone, and all carried flashlights.

Each child knew their phone number and home address, just in case they got lost from the group. They knew to dial "0" or "911" in an emergency. They even knew their family's password, a word agreed on by both them and their parents. And, children never went anywhere with any stranger, unless the stranger knew this secret word.

Schrauth - Muench

Tracy Lynn Schrauth and Steven James Muench were united in marriage May 7, 1994, at St. Matthew's Church, Campbellsport.

Parents of the couple are Dan and Mary Schrauth of Campbellsport and Norma and Eugene Muench of Kewaskum.

Tammy Schrauth of St. Paul, Minnesota, sister of the bride was maid of honor. Bridesmaids were Sandra Chesak, sister of the groom, Elizabeth Jabusch and Becky Lechner, friends of the bride, Carol Wesenberg, sister of the groom, and Katie Schrauth, cousin of the bride.

The best man was Al Muench, brother of the groom. Groomsmen included Marty Chesak, brother-in-law of the groom, Tom Schrauth, brother of the bride, Gary

Hansen, cousin of the groom, Dennis Wesenberg, brother-in-law of the groom and Mike Schrauth, brother of the bride.

Ushering duties were shared by Jeff Schrauth, cousin of the bride, and Mark Schaub, cousin of the groom.

The couple resides in Campbellsport.

Boy Scouts Collect Food

Kewaskum Boy Scouts, and Cub Scouts along with all of Bay Lakes Council will be collecting food for our local food pantry.

Boys placed bags on village door handles on Sat., Oct. 22nd, and will be picking bags up Sat., Oct. 29th starting at 9:00 a.m. About 800,000 cans of food were collected Council wide last year aiding over 100 local food pantries.

If your food bag doesn't get picked up you can take it to West Bend food pantry or contact me at 692-9478 and leave a message, I will get someone to pick it up. Thank you for your support.

St. Joseph's Hospital To Hold Sibling Class

St. Joseph's Community Hospital of West Bend is holding a sibling class on Thursday, November 3, or Thursday, November 10, from 6 to 8 p.m. in the hospital's New Life Center classroom.

The class, designed for children between the ages of 2 1/2 and 10, includes a video presentation, a tour of the New Life Center and activities to help your child express his/her feelings about the birth of the new baby and your hospitalization. They also learn skills they can use to help you care for the baby.

The fee is \$5.00 per child. To register or for more information, please call St. Joseph's Community Hospital's New Life Center at 334-8361.

25 Years Ago

October 24, 1969

The Kewaskum High School decisively defeated Milwaukee West Division High School, 350-230, in a first round match of WITI-TV 6's quiz program, "Who Knows?" The match was televised Sunday, October 19, from 5 to 5:30 p.m. on TV 6 Milwaukee. Many Kewaskum area residents enjoyed watching the television show, even though it meant switching over from the Packer game. By winning, Kewaskum advances to the quarter finals and on November 23, will meet John Marshall High School. Representing KHS were Lee Rammer, team captain, Steve Bremser and Carol Nigh.

A marriage license has been issued to Dennis Louis Cardarelle, West Bend, and Janette Florence Dornacker, Kewaskum, wedding Nov. 8.

The Rev. Walter N. Morgan, chaplain at St. Joseph's Convent, Campbellsport, and pastor of St. Matthias Parish, Town of Auburn, will celebrate the silver anniversary of his ordination to the priesthood on Sunday, Oct. 26. A concelebrated Solemn High Mass will be read at 11 a.m. at St. Matthias Church followed by a dinner for invited guests at Holy Trinity Church Hall in Kewaskum at one o'clock. An "Open House" reception is planned from 2:30 until 4:30 p.m. in the local church parlors.

Jim "Jonesy" Korth and Ralph Bier left Monday on a hunting trip to South Dakota.

Mrs. Edna A. Lemke Walter, 66, nee Roehrdanz of Route 3, Campbellsport, passed away Friday, October 17, at St. Joseph's Community Hospital, West Bend, after an illness of five weeks.

Miss Jean D. Schaefer, daughter of Mr. and Mrs. Marvin J. Schaefer of Kewaskum, and Capt. Bruce M. Spurlock of Camden, Arkansas, exchanged wedding vows on Saturday, October 4, in Holy Trinity Church, Kewaskum.

A daughter was born to Mr. and Mrs. Dale Moths, Route 1, Kewaskum, on Saturday, Oct. 18.

A son was born to Mr. and Mrs. John Borland, Kewaskum, Thursday, Oct. 16.

Edwards Receives Awards

Barbara G. Edwards of Coldwell Banker Alfred Saliba Realty in Dothan, Alabama, received two awards naming her as sixth in Buyer Controlled Sales and eighth in Listings Sold out of over 300 sales associates in the state of Alabama for the first six months of 1994.

Edwards has been a real-

tor for five years being a million dollar producer the first three years and multi-million dollar producer the last two.

Barbara is married to Tom Edwards, son of Dick and Marilyn Edwards of Long Lake, Dundee, Wisconsin.

Tom and Barbara have lived in Dothan, Alabama for the past six years with their two sons, T.J. and Broox.

November Clinics For Immunization

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. NOVEMBER clinics are:

NOVEMBER 1 - 2 to 5 p.m. - Public Agency Center, Lower Level, Room 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

NOVEMBER 8 - 1 to 4:30 p.m. - Bank One Germantown (Lower Level), Corner of Pilgrim and Mequon Road, Germantown. NOTICE - Location change due to Election.

NOVEMBER 15 - 1 to 4:30 p.m. - Hartford City Hall, 109 N. Main Street, Hartford.

NOVEMBER 22 - 9 to 11 a.m. and 2 to 5 p.m. - Public Agency Center, Lower Level, Room 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

Parents must bring their records of each child's past immunization to clinics.

Immunizations will not be given without a record card.

For further information, call 335-4462, 644-5204 or 342-2929.

Positive Parenting Class Offered

St. Joseph's Community Hospital of West Bend is offering a FREE positive parenting class on Thursday, November 3, from 7 to 8 p.m. in the hospital's fourth floor east conference room.

It's no secret that parenting young children is quite challenging. Join in for a discussion on behavior-management techniques such as: establishing family rules, praise, choices, consequences, and more. With the right tools, discipline is a learning experience for your children. This program is geared for families with children 0-5 years old.

To register or for more information, please contact the hospital's Health Promotion Services Department at 334-8268.

KHS Spikers 7th In Final Poll

By Statesman Sports Writer

KEWASKUM - The Wisconsin Coaches Association was much more generous to the Kewaskum volleyball team than the Indians' opponents were this season.

Despite a rather mediocre record, the Lady Indians were consistently ranked among the top ten Division 2 teams in the state. Ironically, Kewaskum was usually ranked ahead of other teams that they trailed in the Eastern Wisconsin Conference standings.

The Lady Indians finished the season ranked seventh in Division 2 by the coaches association, accumulating 28 points in the voting. Whitefish Bay received the most votes (78) in Division 2, six points ahead of Waupun. Waupun eliminated Kewaskum in the WIAA Regionals

(see accompanying story).

In Division 1, the West Bend East Suns finished the season with the top ranking. The Suns received 80 points, compared to Division 1 runner-up Pius XI, which received 72.

or 3:30 on Monday, November 7, or Tuesday, November 22. Interviews are held at the UW-Washington County Center Campus, 400 University Drive, West Bend.

Early Pregnancy Class Offered

St. Joseph's Community Hospital, West Bend is offering an early pregnancy class Wednesday, November 2, from 7 to 9:30 p.m. in the hospital's New Life Center classroom.

This class is designed for people who are planning a pregnancy or are in their first five months. Topics include: total development, body changes, common discomforts, emotional aspects, nutrition, breast-feeding, family life and more.

The fee is \$5 per couple. To register or for more information, please call the hospital's New Life Center at 334-8361.

GERALD SERWE

Gerald A. Serwe, 64, of 327 S. Fond du Lac Avenue, Campbellsport, died Saturday, October 22, 1994, at St. Agnes Hospital, Fond du Lac.

He was born on February 2, 1930, in Campbellsport, a son of Mathias and Frances Volz Serwe. On May 29, 1954, he married Donna Welsh at Our Lady of Angels Church in Armstrong.

Mr. Serwe served in the U.S. Army during the Korean War. He was employed at Straub's Mink Farm in Campbellsport for 15 years. He was employed at Precision Metals in Campbellsport at the time of his death. Mr. Serwe was a member of St. Matthew's Catholic Church in Campbellsport, Lomira American Legion Post and Campbellsport Veterans of Foreign Wars.

Survivors include his wife; four sons, Jim and his wife Chris of Kaukauna, Dan and his wife Denise of Eden, and Gerry and John, both of Campbellsport; one daughter, Sheryl Anders and her husband Rick of Campbellsport; eight grandchildren; six brothers, Syl, and his wife Suzie of West Bend, Norbert and his wife Gloria of Kewaskum, and Frank and his wife Pat, Norman and his wife Sally, Matt and his wife Janet, and Cyril and his wife Pat, all of Campbellsport; five sisters, Rosie Sethen of Milwaukee, Virginia Ruf and her husband Al of Flourescent, Mo., Jeanette Gruber and Kathy Herriges and her husband Ralph, all of Kewaskum, and JoAnn Galligan of Milwaukee; and nieces and nephews.

Preceding him in death were a daughter, Judy; one sister, Catherine; and three brothers-in-law, Bob Gruber, Roy Galligan and Carl Sethen.

Funeral services were held at 7:30 p.m. Tuesday at Twohig Funeral Home in Campbellsport and at 8 p.m. at St. Matthew's Catholic Church in Campbellsport. The Rev. Michael Moran officiated. Burial was Wednesday at the parish cemetery.

Visitation was at the funeral home from 4 p.m. Tuesday to the time of services.

Memorials in his name may be directed to St. Matthew's Renovation Living Stones Fund.

TRAVIS ALAN JOHNSON

Travis Alan Johnson, 11, of Adell, died Saturday, October 22, 1994, as a result of a vehicle accident.

Travis was born in Milwaukee, on October 27, 1982. He was a student in the sixth grade at Random Lake Middle School.

Surviving are his father, Roger Hansen of Random Lake; mother, Barbara Faas of Adell; step-father, Michael Faas, Kewaskum; brother, Nathan Faas of Adell; maternal grandfather, Donald Johnson of Amberg; and paternal grandparents, Joseph and Joyce Hansen of Random Lake.

Visitation was held Wednesday, October 26, at the Eernisse Funeral Home in Dacada, from 6 to 8 p.m., followed by the funeral services at 8 p.m. at the Funeral Home.

Burial was in the Amberg Cemetery in Amberg.

The Morasky-Messner Funeral Home in Wausaukee was in charge of arrangements.

Minnie Smith

Minnie Martha Smith, 98 formerly of Green Lake, a resident of Parkville Care Center in Ripon for the past 10 years, died Monday, Oct. 17, 1994, at Ripon Medical Center.

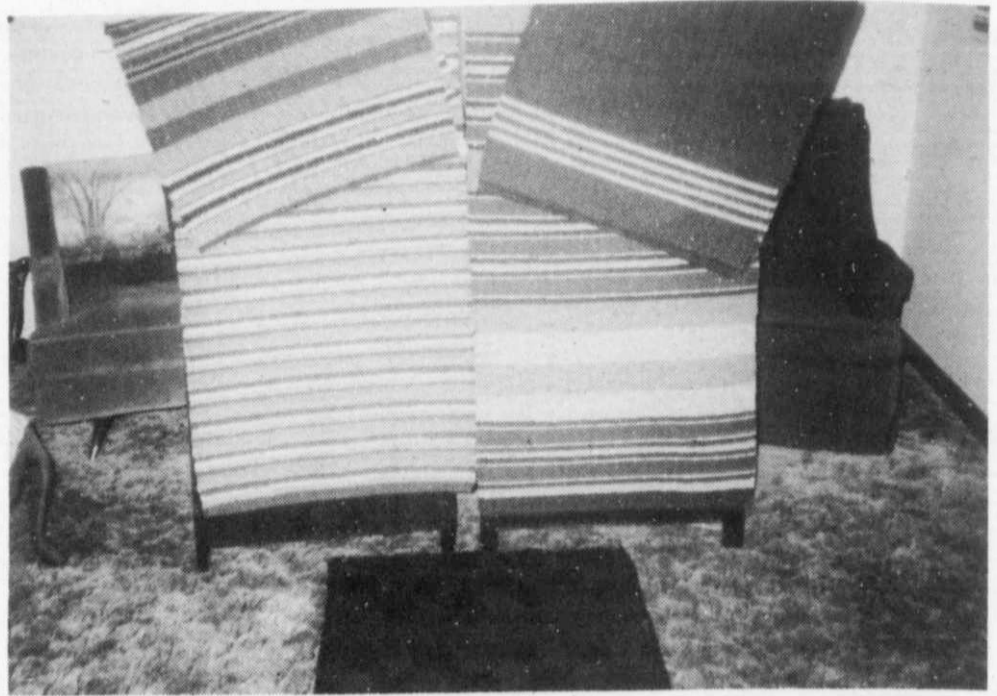

She was born on May 14, 1896, in the Town of Mecan, a daughter of Fred and Pauline Ott Lenz. On Nov. 2, 1919, she married George Smith at Green Lake.

Mrs. Smith was a member of Peace Lutheran Church in Green Lake and a charter member of the church's Ladies Aid.

Survivors include one daughter, Adeladie Poblitz of Ripon; two daughters-in-law, Charlotte Smith of Green Lake and Valeria Strobel of Kewaskum; five grandchildren; 12 great-grandchildren; and nieces and nephews.

Preceding her in death were her husband on Dec. 15, 1943; two sons, Lawrence and Desmond; four brothers, Fred, Gus, Ernest and Herman Lenz; three sisters, Bertha Schmidt, Gustie Fenske and Lena Buchholz; and one son-in-law Earl Poblitz.

Funeral services were held at 3 p.m. Friday at Peace Lutheran Church in

Bernice Pfeiffer of Hubertus will be displaying her handwoven rugs and checkerboard rugs at the Second Annual Holy Trinity Craft Fair and Bake Sale on Saturday, November 5 at their church hall and school, located at 331 Main Street in Kewaskum from 9:30 a.m. to 4 p.m.

Green Lake. The Rev. Rodney Dietsche officiated. Burial was at Dartford Cemetery in Green Lake.

Visitation was at the church from 1:30 p.m. Friday to the time of services.

In lieu of flowers, memorials may be directed to Peace Lutheran Church or School.

Wachholz Funeral Home of Ripon is handling the family.

Sylvia Schmidt

Sylvia E. Schmidt, 80, of 141 E. Main St., Campbellsport, died Monday, Oct. 17, 1994, at Village at Manor Park, Milwaukee.

She was born on July 29, 1914, in Kewaskum, a daughter of William and Ida Kloke Schmidt.

Miss Schmidt was a graduate of Campbellsport High School and Milwaukee Downer College. She taught German and history at Greendale High School for many years. She was a member of Campbellsport United Church of Christ and taught Sunday school.

Survivors include one brother, Harvey Schmidt of Campbellsport; one sister, Lily Kleinhans of Fond du Lac; and nieces and nephews.

Funeral services were held at 2 p.m. Thursday at Campbellsport United Church of Christ. The Rev. Barbara Loose officiated. Entombment was at the Ledgeview Memorial Park.

Visitation was held at the church on Thursday from 11 a.m. to the time of

services.

Memorials may be directed to the Arthritis Foundation.

Twohig Funeral Home of Campbellsport handled arrangements.

FRANCES E. KING

Frances E. King, nee Keno, a resident of St. Mary's Nursing Home, Milwaukee, died Monday, Oct. 17, 1994, at St. Joseph's Hospital, Milwaukee, at the age of 98.

She was born Sept. 10, 1896, in Campbellsport, to the late George and Libbie (nee Denton) Keno, and married John King on April 20, 1914, in Waukegan, Ill. He passed away Nov. 13, 1957.

Survivors include two sons, John of Marshfield and Harry of Gulfport, Miss.; two daughters, Helen Laird

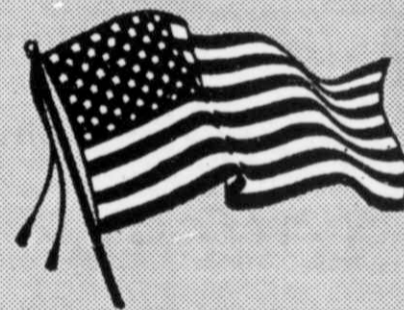

and Frances Braeger, both of Milwaukee; 13 grandchildren; 22 great-grandchildren; one brother, Raymond of Kewaskum; nieces, nephews, and other relatives and friends.

Preceding her in death was a son, Kenneth.

Funeral services were held Saturday, Oct. 22, at 11 a.m. at the Twohig Funeral Home, Campbellsport. Burial followed in Union Cemetery, Campbellsport.

Visitation at the funeral home was Saturday from 10 a.m. until the time of services.

"OK," said the wife, "I'll admit I like to spend money, but it's the only extravagance I have."

Halloween Safety Tips, Costume Guidelines

Halloween can be both fun and safe if parents follow basic safety guidelines.

To help keep children safe, the Children's Hospital of Wisconsin recommends the following guidelines:

GENERAL

HALLOWEEN TIPS

*Encourage your children to attend community or home Halloween parties in place of traditional door-to-door trick or treating.

*Use discretion when deciding which Halloween events to attend. For example, children under five years of age should not be taken to haunted houses. If your child becomes frightened while attending an event or trick or treating, stop the activity, reassure the child and return home. There is always next year.

*Light carved pumpkins with a flashlight instead of candles.

*Accompany young children who go trick or treating. Older children should trick or treat in groups and should only go to homes of people known by their parents. Children should never trick or treat in unknown neighborhoods.

*Remind children never to enter a strange home or apartment.

*All trick or treating should be done on the day and times established by your community. In Kewaskum, trick or treat hours have been set for Sunday, October 30, from 2 to 4 p.m. Do not allow children to trick or treat after dark.

*Tell your children not to eat treats before returning home. Parents should carefully examine all treats, disposing of any that are not sealed or appear to have been tampered with in some way. If there is any doubt, throw it away. Do not give candy to very small children who may choke on it.

TIPS FOR CHOOSING/DESIGNING A COSTUME

*Make certain your child's costume fits properly. Avoid baggy clothing and billowing skirts. Costumes should be large enough to allow the child to wear warm clothing underneath, but short enough to prevent tripping. Do not allow children to wear adult shoes or boots.

*Costumes, wigs, beards and other special apparel you purchase should be labeled: FLAME RESISTANT. This label indicated the item will resist burning and should extinguish quickly if it comes into contact with fire.

*Use facial paints and cosmetics in place of masks. If a mask is used, make certain that eye and nose openings do not restrict vision or breathing. The mask should be free of sharp edges and have an elastic band securely attached to it. Children should wear the mask on top of their heads in between

trick or treat stops.

*Costumes that cover your face or make-up that grossly distorts facial features should be avoided. These types of costumes may unnecessarily frighten small children.

*Costumes should reflect characters or objects that are fun from a child's perspective.

*Avoid disguises with a religious or death theme, such as angels, devils, witches or skeletons. Children come from a wide background of cultural and religious beliefs and may not

understand it is in jest. A growing number of families do not celebrate Halloween for a variety of reasons. Please respect their rights to avoid participation.

*Because many families are subjected to violence within the home or neighborhood, costumes should not include any objects of violence, including knives, swords, guns, etc. These accessories should not be viewed as toys. They may be sharp, pointed, hard or breakable, which lead to injuries. Costumes featuring medical injuries, blood, bandage wraps, etc., also may be inappropriate.

TIPS FOR PEDESTRIANS AND MOTORISTS

*Parents should make

certain trick or treaters cross streets at corners and that they wait on the curb, not in the street, until it is safe to cross. Trick or treaters should obey all traffic lights and stay on sidewalks as they go from house to house.

*Motorists should be on the alert for trick or treaters in their communities.

*Those receiving trick or treaters should make certain walks and steps are clear of obstacles.

Halloween Flammability Precautions

By Joyce Albrecht, UW-EX Family Living Agent

While we all hope to create and enjoy the festive atmosphere of holidays, certain traditional decorations require safety precautions. Halloween costumes and decorations are a perfect example.

One pictures costumed children visiting friends and neighbors, carved pumpkins lit with candles, and a fire in the fireplace or a portable heater turned on to ward off the brisk autumn chill.

This enjoyable setting contains a number of fire hazards. Three factors must be present at the same time for any material to burn: a source of ignition, a supply of fuel, and an adequate supply of oxygen. Fireplaces, heaters and lit candles are major sources of ignition. Most home-made costumes are made from organic materials and other fabrics that are combustible. They can fuel a fire. Once started, this fire will be sustained by the air around us.

Take the following precautions to keep your child's Halloween safe and fun. If

you put a lighted candle in your pumpkin, place it in a window (away from the curtains), on the mantle of a fireplace or on a high piece of furniture is much safer than outside on your doorstep or inside on your refreshment table.

Make sure indoor fires are properly screened and portable heaters are kept away from traffic areas.

If your child wants to wear a store-bought costume, check its accessories, such as wigs or masks, for flame-retardant labels. If you are making a small child's costume, you might consider starting with flame-retardant sleepwear. This conveniently provides a safe base for a clown, bunny, angel or devil costume.

Think about construction details for a child who is too big for sleepers or has a different type of costume in mind. Be aware that free flowing, loosely constructed clothing and fabrics with a napped or brushed surface will burn more rapidly than clothing that is tightly constructed. Clothing that is closer to our body is also safer because we tend to be

more aware of it and move better in it.

If you would like to reduce flammability of a home-sewn costume, dip the fabric in a solution of water and 5% boric acid. This fire-retardant is not permanent and will come out as soon as the fabric is cleaned. This treatment is recommended only for inexpensive costuming because it is sometimes difficult to control the PH factor, which if not properly controlled, could lead to deterioration of the fabric.

Understanding these protective methods can help us all have a happy and safe Halloween.

Kettle Kountry Prizes Drawn

The Kewaskum Area Chamber of Commerce drew the lucky winners of their raffles held to support the cost of their annual Kettle Kountry Kolors Festival recently.

The cash prize winners were: First, \$300 - Ed Duhning, Hartford; Second, \$200 - Dave Donath, Kewaskum; Third, \$100 - Edna Ruplinger, Kewaskum; Fourth, \$50 - E. Gatzke, Kewaskum; Fifth, \$50 - C. Wagner, Kewaskum; Sixth, \$50 - Allen Koepke, Kewaskum; Seventh, \$50 - Tom Herriges, Kewaskum.

The winner of the \$50 gift certificate informational survey raffle was Cheryl Janichok of Hartford.

The Indian wood carving was won by Frank Simonson of Kewaskum and the bear wood carving will go to Eric Kruger of West Bend.

Donated prizes were won as follows: Gift Certificates, donated by Country Ridge Inn Bed and Breakfast of Kewaskum were won by Ray Bodden and Dale Reigle, both of Kewaskum; Gift Certificates donated by Eckl's Main Street Inn of Kewaskum were won by Marie Minz of Kewaskum and Sharon Bartman of Appleton. A wood Halloween decoration donated by crafter Jan Guse was won by Scott Haag of West Bend.

A fall wreath donated by Kewaskum Floral was won by Jesse Krieser of Kewaskum. Jazzercise Gift Packs, courtesy of Pam Fritz, were won by Jeff Jaeger of Kewaskum and Steve Rieden of Campbellsport.

The Chamber of Commerce would like to thank everyone who supported Kettle Kountry Kolors by purchasing raffle tickets.

The Hot Air Balloon Ride raffle will be drawn on November 16, 1994, and tickets may still be purchased at Hon-E-Kor Country Club or the Kewaskum Statesman.

Regal Announces Manufacturing Restructuring

Kewaskum, Wis. -- Regal Ware, Inc. has announced the establishment of separate business units within its manufacturing organization. This move allows Regal to better serve their customers and react more quickly to the changing marketplace. The new business units are the Electrics & Water Products Group and the Cookware Group. The establishment of these new groups has resulted in the following promotions and reassignments.

Electrics and Water Products Group

Jeff Behnke, Director - Electrics & Water Products Group. He will oversee the activities of the group and direct all activities associated with its mission.

Dorothy Leider, Logistics Manager. She will lead activities associated with the production planning, a materials planning and inventory control.

Dolly Limbach, Lou Ann Mowery and Linda Campagna will be Production Material Coordinators within the logistics operations.

Bruce Keller, Engineering Manager. He will lead the engineering group in the areas of product development and manufacturing process engineering.

Bill White, Operations Manager. He will lead all activities associated with the injection molding operations.

Bob Hess, Operations Manager. He will have responsibility for all activities associated with the manufacture of coffeemakers, motor appliances and water products.

Sue Sipple Documentation Specialist. She will be responsible for all engineering records and documentation.

Cookware Group

Kristy Schacht, Logistics Manager for the Cookware Group. She will lead all activities associated with production planning, materials planning and inventory control.

Bob Schneider, Lewie Gatzke, Dolores Marian, Roxy Sterr and Randy Gartman will be Production Material Coordinators within the logistics operations.

Dave Mayer, Engineering Manager. He will lead the Engineering group in activities associated with product development and manufacturing process engineering.

Mike Pfeiffer, operation Manager, first shift. He will lead all activities associated with the manufacturing of cookware products within that shift.

Dolores Straub, Senior Documentation Specialist. She will be responsible for all engineering records and documentation.

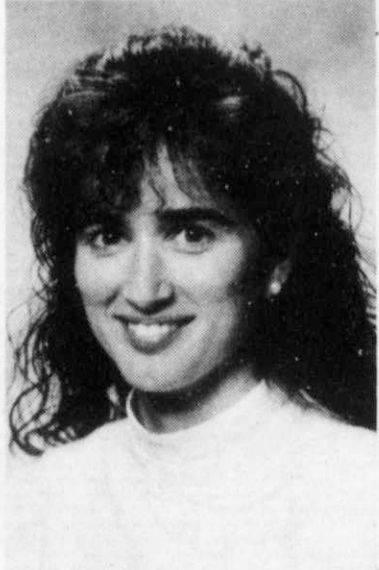

Regal Ware, Inc., is a major manufacturer of cookware and kitchen electrics headquartered in Kewaskum, Wisconsin.

AIDS Workshop At West Bend

The Council on Alcohol and Other Drug Abuse of Washington County is sponsoring a one day workshop on AIDS, to be held on Wednesday, November 2, at the Cedar Lake Home Learning Center in West Bend.

Human Immunodeficiency Virus (HIV), which causes AIDS, infects an estimated 100 Wisconsin teenagers each year. This day long workshop is designed to provide those who work with teen populations the tools and experience to provide potentially life saving HIV prevention information.

Participants will discuss the building blocks of HIV prevention, a group education, risk assessment and reduction strategy, as well as the educator's role in HIV prevention.

For more information, or to register for this FREE workshop, contact Linda Dymond at the Council on AODA, 338-1181, ext. #16.

Kettle Moraine Kids 4-H Club

The October meeting of the Kettle Moraine Kids 4-H Club was called to order by president Carrie Stoffel. The 4-H pledge was led by Holly Haack and the Pledge of Allegiance was led by Greg Guelig. New members were introduced and welcomed to the club.

The officers were installed. The new officers are Carrie Stoffel, president; Jackie Briggs, vice president; Christine Schmidt, secretary; Nick Baily, treasurer; David Mertz, reporter; Anne Mertz, historian, and Becky Guelig, recreation director.

Nick Baily reported on the fall outing committee. The poster was reported on by Greg Guelig. Members were notified that the re-enrollment deadline is November 1. The deadline for enrollment of new members is December 15.

A Special Emphasis committee was formed. The emphasis this year is agriculture. An Adopt-a-Highway committee was formed. Members were asked to bring a food item to the next meeting to donate to the food pantry.

The meeting was adjourned by Aileen Chambers and Greg Guelig. After the meeting, fair checks were handed out. The recreation director organized a Halloween party after the meeting and refreshments were served.

Letters to the Editor

Dear Editor,

As a tutor, formerly with WDI, I would like to comment on the article on dyslexia by Bonnie Zanow in last week's Statesman.

The article is well-written and covers the problem very well. I agree with everything Bonnie wrote, particularly her statements: "Multi-sensory teaching would benefit ALL kids" and "I would like to see a multi-sensory program implemented in the lower elementary grade in all Wisconsin schools."

As a former aide in the Kewaskum School District, I can safely say that schools do try to help the children who need it, but they also have abide by many state criteria and therefore not all children in need of special help will

get it. These are the children who fall "between the cracks;" not severe enough to qualify for LD, but still struggling to keep up with the class. Many of these children are dyslexic. Only their intelligence, heroic efforts, and endless after-school help from their parents get them through the school day.

I would like to commend The Kewaskum School district for being the first, as far as I know, to acknowledge openly the existence of dyslexia and to do something about it.

Are you aware that a pilot program has been started this year, implementing the multi-sensory method in two of the district's classrooms? A qualified teacher, who took both WDI's and Dr. Nash's

course, is doing the instructing. She is not only teaching the two classes in the school, but also teaches who wish to learn this method of teaching.

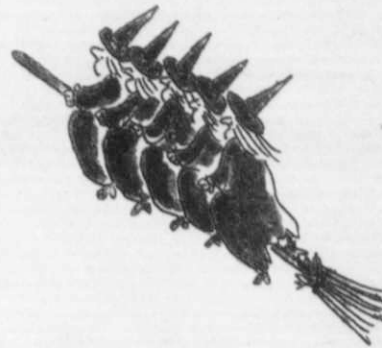

I think our community can be proud of Dr. Heather, Connie Strand, and who ever else is instrumental in starting this program.

Phonics-based reading instruction with plenty of drill and repetition is a needed learning tool for all children starting on the road to reading and spelling, and I'm all for it.

Sincerely,
Gerda Dickman

ABC CLUB SKAT RESULTS

The domed roof has been set over the new bio-solid storage tank for the Village of Kewaskum's Wastewater Treatment Plant. The control room, which houses the pumps, is completed. As soon as the Gas Company puts down the line, asphalt can be laid around the perimeter. The loading station is the next step of the construction phase. After painting the exterior of the tank, it was filled with water to check for leaks.

Over 300 children, accompanied by an adult, participated in the B-B Gun Shoot at the Kettle Kountry Kolors Festival held recently at River Hill Park, Kewaskum. The B-B Gun Shoot was sponsored by the Gateway Gobblers Chapter of the National Wild Turkey Federation. The guns and ammunition were donated by Crosman Air Guns. Handouts and literature were also passed out to all participants. The B-B Gun Shoot will be returning to the 1995 Kettle Kountry Kolors on October 7th and 8th.

Village Board Meeting Minutes

Regular Meeting
October 3, 1994
8:07 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. Trustee Charles Waala arrived at 8:12 for he was attending a Library Board meeting. A quorum was present.

On a motion by Trustee Robert Beisbier, seconded by Trustee William Kulas and unanimously carried by voice vote, the minutes of the September 26, 1994 meeting were approved as printed.

Fire Chief Mark Groeschel reported that the Batavia Fire Department has paid for and has taken delivery of the 1966 Equipment Truck.

Chief of Police Richard L. Knoebel informed the Board that nothing major had occurred and that all was well.

Director of Public Works, Jerry Gilles reviewed the sewer service agreement that the Village had approved and Farmers Union had signed in relation to what they would be paying for the disposal of waste.

Administrator Daniel S. Schmidt informed the Board that the Village was in receipt of the 1993 SEWRPC Annual Report and encouraged the Board to review it. It was noted the Board should review the nine resolutions that will be considered at the upcoming League Meeting.

The Board was also informed that the Kewaskum Kiwanis have graciously agreed to buy some Christmas Decorations for the Welcome to Kewaskum Sign on the south end of the Village. It was the consensus of the Board to send a thank you to the Kewaskum Kiwanis for the purchase of \$696.00 of Christmas Decorations.

On a motion by Trustee David Goeden, seconded by Trustee John Borland and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General 63,930.77

Sewer	56,497.13
Water	22,257.13
Payroll	13,655.59

TOTAL \$156,440.62
PR Ck #5427 - #5465
AP Ck #8249 - #8343

Chairman of the Protection and Public Safety Committee, Trustee John Borland reported on the Committee meeting and recommended the removal of one parking stall on the north-west side of the intersection of Main Street and Parkview Drive. On a motion by Trustee David Goeden, and unanimously carried by voice vote, the Board authorized the elimination of the aforementioned parking stall on Main Street.

Chairman of the Public Works Committee, Trustee William Kulas announced a Committee Meeting scheduled for October 17, 1994 at 6:30 p.m.

Board Representative for the Plan Commission, Trustee David Goeden informed the Board that the Plan Commission had reviewed the CSM for Mr. Jerry Mehring and sent it to the Board with a recommendation for approval.

Board Representative for the Library Board, Trustee Charles Waala informed the Board that a demonstration of MOLLI is scheduled for October 17, 1994 at 7:30 p.m. Also Trustee Waala reported that the circulation for September 1994 was 3,196 giving the Library a total for the year of 30,537. This would project out for the year at 37,000.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee William Kulas reminded the Board of the Mid-Moraine Meeting scheduled for October 5, 1994 and that a Legislative Committee meeting is scheduled for October 12, 1994 in Cedarburg.

Administrator Daniel S. Schmidt informed the Board that the Wisconsin Department of Transportation has notified the Village that on October 18, 1994 bid letting would take place on the USH 45 project I.D. 4070-04-70 CTH H to STH 28 West. The estimated project cost for the Village is \$1,068,045 including 15% for construction engineering.

On a motion by Trustee William Kulas, seconded by Trustee Robert Beisbier and unanimously carried by voice vote, the Board approved the Certified Survey Map as presented and explained by Mr. Jerry Mehring and as recommended by the Plan Commission.

Administrator Daniel S. Schmidt reviewed the General Government proposed 1995 budgets by department with the Board as reviewed with the Administrative Committee. 1)

The Village Board departmental account is proposed to increase by an estimated \$427 or 4%. 2) The Administration departmental account is proposed to increase by an estimated \$5,137 or 4.2%. 3) The Election departmental account is proposed to decrease by \$2,835 or 47.3%.

The Debt Service Fund is remaining constant with the exception of the addition of the new Fire Equipment Truck which is increasing both the principal and interest accounts.

The Special Revenue Funds do not reflect any major increase or decreases at this point. It was noted that after the Park & Recreation Budget is established some change will need to be made to use some Open Space dollars to balance the budget.

Action was taken on Resolution No. 94-17 a Preliminary Resolution Declaring Intent to Exercise Special Assessment Police Powers Under Section 66.60 WI. Stats. for the area adjacent to the northern proposed Fond du Lac Avenue (USH 45) project as attached hereto:

Action was taken on Resolution No. 94-18 a Resolution to place upon the present 1994 tax roll for collection all delinquent accounts of all departments of the Village of Kewaskum as attached hereto:

Chief of Police Richard L. Knoebel and Administrator Daniel S. Schmidt reviewed with the Board the Police Department's proposed budget for 1995. It was noted that there are several unknowns before the Board and that if any of those unknowns are resolved prior to the budget public hearing, changes will be made. The preliminary figures would reflect an estimated increase of \$23,080 or 7.3%.

Fire Chief Mark Groeschel, Assistant Fire Chief Mark Herriges and Administrator Daniel S. Schmidt reviewed the proposed Fire Department budget for 1995 with the Board. The departmental statistics also were reviewed. The shared total as proposed would equal an increase of \$9,182 or 8.3% and the general proposed total would equal an increase of \$27,014 or 20.2%. The formula used to determine the fire service contracts was also reviewed and scheduled for a final review October 17, 1994 before being sent to the townships.

Board Representative for the Library Board, Trustee Charles Waala, Lynn Zanders of the Library Board and Mrs. Nancy Bauer, Library Director, reviewed the proposed Library budget for 1995. Included in the budget request is the purchase and installation of the MOLLI system and the addition of 288 man hours. The proposed budget would reflect an increase of \$23,956 or 42.4%. It was noted by Lynn Zanders that the Library needs additional hours since they added their last

employee in 1989.

Administrator Daniel S. Schmidt informed the Board that the figures reviewed were all preliminary at this point and that the Fire Department and Administration will be looking at contracting out the rescue squad billing to help with the manpower shortage in the general and police department offices. In 1983 these departments reduced the manpower by a half time person and has remained at that level for twelve years, even though the population of the Village has increased by 25%. Both the Police Department and Library have added personnel. The Department of Public Works has not added personnel since 1976 but has contracted out for services.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee John Borland and unanimously carried by voice vote, the Board set the Trick or Treat hours for October 30, 1994 from 2:00 p.m. to 4:00 p.m.

On a motion by Trustee David Goeden, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board approved the Snowmobile route map for the Village as presented by the Snowchiefs.

On a motion by Trustee Robert Beisbier, seconded by Trustee John Borland and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Daniel S. Schmidt
Administrator
Approved 10-17-94
Pub. (K.S.) 10-27-94

On Oct. 6, the Freshmen homecoming was a victory with a final score of 32 to 20 over the New Holstein Huskies.

The Freshmen finished their season, Tuesday, Oct. 18th, with a strong win over Sheboygan Falls. The final score was 30 to 12.

Final standings for the 1994 freshmen Indians in conference games is 4-1-1. Congratulations and Good Luck Next Year!!

Lady Indians Eliminated in Regional Volleyball Action

KEWASKUM - Despite a fine start in the opening game of its WIAA Regional match against Waupun, the Kewaskum girls volleyball team just didn't have what it took to compete against the defending Division 2 champions.

The Warriors shook off their slow start, coming through with several big spikes to get on track in game one. That helped propel Waupun to a relatively easy 15-6 victory over the over-matched Lady Indians.

The loss in the opening round of the playoffs ended the Lady Indians season.

KHS used some enthusiasm along with some well-placed shots to open up a 5-0 lead against the Warriors in the opening game. But as the defending champions have done many times during the season, the Warriors came back strongly.

Waupun demonstrated its power with a pair of crushing spikes, which seemed to take the wind out of the Lady Indians' sails. The result was KHS winning just one more point in the entire game, eventually getting outscored, 15-1.

"I think it was a matter of us being fired up at the

beginning of the match," KHS coach Dave Rizzardi said of the early lead. "They may have come in a bit relaxed, because they know they have a long road to travel to get back to state. But once they started getting their offense going, they were just too much."

The Warriors continued that domination in the second game, jumping out to a 9-0 lead before the Indians ever knew what had hit them.

KHS played better the rest of the way, almost battling the Warriors even from that point on. But Waupun's early run was too much to overcome.

The lopsided scores showed just how good the Warriors were, as Rizzardi said his team actually played pretty well in the loss.

"They are a very good team," Rizzardi said of the defending champs. "With all of the kids they have returning, I think that they are able to overcome a lot."

The veteran KHS coach said that junior spiker Kelly Schreffler had a good game, nailing several powerful spike kills. Rizzardi also had praise for senior standout Mary Yahr, who played her

last game for the Indians.

On the downside, Rizzardi said he was disappointed in the team's serving, which had been a strong point throughout the season. After leading the Eastern Wisconsin Conference in serving during the regular season, the Lady Indians missed a total of six serves against the Warriors.

"That's not us," he said of the serving woe. "That was very uncharacteristic. Obviously, it wasn't our best match of the year."

Still, Rizzardi was happy with the team's effort this season.

"We played some good volleyball at times," he said. We just had a tendency not to get over the hump. The girls had fun, though, and that's good."

Falls Wins Draw, Loses to WIAA

By Statesman Sports Writer

CAMPBELLSPORT - Talk about a roller-coaster ride of a day.

Sheboygan Falls was looking for an automatic berth into the WIAA playoffs. A win over Kewaskum here, last Thursday afternoon would have all but sealed a playoff berth for the Falcons, who would have finished all alone in second place in the Eastern Wisconsin Conference with the victory.

But Kewaskum didn't cooperate, beating Falls 12-0, and creating a three-way tie for the second spot along with Falls and Two Rivers.

A three-way flip was held prior to Falls' loss, just in case the three-way tie occurred. As it turned out, the three-way tie was needed, and a coin flip decided things

for the second straight year.

In 1993, Kewaskum won the coin flip, "beating" Two Rivers and New Holstein for the second place playoff berth. But the WIAA opted to pass over the Indians and the EW, and not give the conference a second playoff spot. The EW was one of several conferences not to receive a second playoff berth.

This year it was Sheboygan Falls that experienced the thrill of victory and the agony of defeat. After losing to the Indians in the season-finale, the Falcons learned that they had "won" second-place by virtue of the coin flip.

But when the WIAA released its pairings for the playoffs, which begin this week, the Falcons - and the EW - were left out of the picture for the second straight year.

The EW's championship team, Plymouth, will open the WIAA post-season at home against Menomonee Falls (7-2) in a Division 2 battle. The Panthers (9-0) are one of six unbeaten teams in Division 2. Other unbeaten include defending champ Menomonie, Marinette, Sussex Hamilton, Burlington and Cudahy.

Hartford, the Little Ten Champion, will travel to Hartland Arrowhead to face the defending Division 1 champion Warhawks in its first-round matchup.

Other area schools making the playoffs include Division 3 favorite Mayville (9-0), which opens against Kewaunee at New Holstein's field, and Horicon (6-3), which will play Reedsville at Kiel's home field.

Cargo floating on the water from a sinking ship is called flotsam, while the debris washed ashore is called wreck.

Finish 6-3 for Second Straight Year Indians Shut Out Falcons, 12-0

By Statesman Sports Writer

CAMPBELLSPORT - Even playing on its perennial rival's home field couldn't prevent the Kewaskum football team from finishing out its season on a high note here, last Thursday afternoon.

Unable to play night games at home, the Indians moved their contest with Eastern Wisconsin Conference foe Sheboygan Falls to nearby Campbellsport, on a field that the Falcons had defeated the Cougars on only one week earlier.

But Falls was unable to duplicate that feat against KHS, which used a stifling defense to preserve a 12-0 shutout, and finish in a three-way tie for second place in the conference.

But for the second year in a row, the Indians were prevented from representing the EW in WIAA playoff action, as they lost a flip to decide the EW's second representative (see other story).

Still, for the second year in a row, the Indians finished with a solid 6-3 record overall, including 4-2 in the EW.

"We finally put it all together," KHS coach Clark Pearson said of the win. "We played our best game of the season, both offensively and defensively."

The Indians used some good fortune to score all the points it needed in the opening quarter. KHS quarterback Dan Survis, after having his pass intercepted by Falls' Chris Korff, recovered a fumble by Korff after running downfield to help on the tackle. The result was a gain of over 30 yards on the play, helping the Indians set up shop inside the Falcon 25 yard-line.

That turned out to be a key play, as it helped keep the ball on Falls' end of the field. Despite being unable to score on that possession, the Indians held on defense.

Again, the Indians were unable to move the ball with any success, and were forced to punt. But Brian Butschlick's kick was mishandled by the Falcon return man, and the Indians had the ball deep in Falcon territory once again.

This time KHS cashed in, with a Survis to Travis Jacak

scoring strike that covered 25 yards. The extra point try was no good, and the Indians led by a 6-0 count.

KHS made it 12-0 in the second quarter, again using a Falcon turnover to take over in good field position. Peter Reis recovered a fumble inside the SF 30 yard-line and minutes later Reis' brother Paul finished off the drive, hooking up with Survis for a 28-yard touchdown catch.

"Dan had a real nice game," Pearson said of his senior quarterback, who was five of 13 for 92 yards. Survis also added 46 yards rushing.

Falls was able to pick up large chunks of yardage against the Indian defense in the second half. But KHS used the bend but don't break theory of defense to perfection.

Twice the Falcons drove inside the Indian 20 yard-line in the second half, and both times were denied scores.

In the third quarter, Cory Rammer came up with a huge play when he knocked down a potential touchdown pass by Falcon quarterback Robin Johnson. Johnson was then sacked on the subsequent play, the Falls was turned back.

In the fourth quarter, the Falcons drove to the Indian 15 yard-line, but that's where the drive stalled. Four straight incomplete passes allowed the Indians to turn away that threat.

"I was a little surprised that we were able to shut them out," Pearson said, referring to the fact that Falls came into the contest with both the number one ranked offense and defense in the EW. "We were able to move the ball fairly well against them."

The Indians finished with 305 total yards, including 213 on the ground. Rammer led the way, gaining 88 yards on 14 carries, while Rich Farchione added 71 yards in 18 attempts.

"We came off the ball pretty well," Pearson added. "It was a real team effort."

Pearson went on to cite Paul Reis, Tim Strigenz, Andy Mathias and Ryan Herman for their fine work on defense.

All in all, Pearson said that he was satisfied with his

team's showing this season.

"I was a little disappointed we didn't make the playoffs," Pearson admitted. "But overall it was a good year. I was happy with finishing in sec-

ond place. It would have been nice to win the conference, but I'm pretty happy overall."
