Regal Open House Is Tremendous Success

Left to right, James D. Reigle, Chairman of the Board; John Pearson, former Works Manager, and L.N. Peterson, Founder Chairman of the Board, stood before a historical display in the hospitality tent.

KEWASKUM, WI -- Over 2,500 people braved the blustery weather on Saturday to attend the Regal Ware, Inc. 50th Anniversary Open House.

Visitors got a first hand look at how Regal products are made on a guided tour of the manufacturing facilities. Seven stations were set up at various locations in the plant to demonstrate the steps involved in cookware and electric appliances manufacturing.

Visitors also had the opportunity to tour the administrative facilities where they viewed the executive

offices and visited the sample room to get an overview of Regal's current product line. They also toured the Creative Services Department for an informative demonstration of the development of product packaging.

The hospitality tent was a special place all day long as visitors enjoyed music and refreshments. The tent was also home of the Regal historical display featuring products, photos and memorabilia from 1945 to the present day.

"The response from the

public for this open house has been overwhelming," said Regal Chairman of the Board James D. Reigle. "We'd like to thank everyone who came out today and made this such a great event," added Reigle. The open house was originally scheduled to run from 10:00 a.m. to 2:00 p.m. but stayed open until 3:00 to accommodate the large crowd.

Regal Ware, Inc. is a multi-plant manufacturer of quality cookware and portable electrics headquartered in Kewaskum, Wisconsin.

New Board Handles Light Village Agenda

By Lana Harbeck Kuebl

Village Board President Robert Wagner opened the May 1st board meeting by welcoming incumbent David Goeden and new board members Gary Gavin and Harry Roecker back to the board. Both were reelected in last April's election after a brief hiatus from the board.

President Wagner stated, "both of you have been on before, so you know the routine."

Department of Public Works Director Jerry Gilles began his report with a review of bids on the new compactor. Bids on the same piece of equipment were received from Equipment Rental, Kitco and Lincoln Contractor Supply with the low bid of \$1,330 coming from the latter. The Board voted unanimously to accept the low bid of \$1,330 from Lincoln Contractor Supply. The compactor had been budgeted for \$2,000.

The Director was asked on the status of the landscaping where the former village rental house was located in front of the firehouse. Gilles stated surplus fill from River Hill Park had been placed on the property. He added it was the intention of the village to place a bubbler the village had in their possession on the property and hook it up to the water line that once ran to the house. Sidewalk would be placed from the existing sidewalk to the bubbler site and further landscaping would be arranged.

Village Administrator Daniel Schmidt announced the Open Book was scheduled for Tuesday, May 16, and on Wednesday, May 17. The official Board of Review will be held on Monday, May 22, from 10 a.m. to noon and from 1 to 7 p.m.

Discussion and explanation was held on the request made by four churches from West Bend to use the ball diamonds in Kewaskum Kiwanis Community Park for their trustee league play. Trustee Gary Gavin stated there was no league play on Monday nights and asked the Village Administrator about any charges.

The league would consist of only four teams, would not

be needing lights, using the concession stand or require any maintenance.

Gavin stated he didn't see any problem with using one diamond on a Monday night. It was unanimously decided to give them the use of the diamond.

Trustee David Goeden gave a brief review of the Plan Commission meeting stating the R.T.K.M. developer's agreement for their Planned Unit Development was discussed with a few changes as was the Certified Survey Map.

Goeden also said the commission authorized the signing of the Certified Survey Map of James and Noi Miller who wished to define the lot lines between the two lots they have and desire moving it over five or six feet to accommodate a sewer pipe back into their lot.

Trustee Goeden made a motion which the board unanimously approved authorizing the redrafted Inter-governmental Contract between the Village and the School Board.

The new contract, as discussed at the previous Village Board meeting reflects the changing of sidewalk issues from four feet to five feet and the school district would be responsible for 100% of the cost incurred by the sidewalk installation.

School Board Discusses Budget Cuts, Revenue Caps and Janitorial Positions

By Sharon Callaway Roznik

The main topic of debate at last Monday's school board meeting centered around budget cuts, revenue caps, and the reclassification of three janitor/custodial positions, resulting in the elimination of their health and dental benefits.

Faced with the immense task of preparing the upcoming budget and reducing expenses to meet revenue

caps, the board has been meeting at special budget workshops to address the problems and make decisions as to what has to go.

The board was asked to approve the reclassification of three janitor/custodial positions from full-time full year, to full-time school year, which would save the district approximately \$25,000, and eliminate the employees' health and dental coverage, along with vacation days and

several paid holidays.

Scott Reif, president of the KEP Union, was in the audience to voice his disapproval over the agenda item, especially since the board approved just a few minutes earlier, the appointment of two new janitorial positions at an estimated cost of \$33,579. The reason for these additional employees was due to the completion of the classroom additions and remodeling projects, and the

Monday-Friday 10:00 am to 8:00 pm Saturday 9:00 am to 5:00 pm Sunday 11:00 am to 5:00 pm

Regal's 50th Anniversary open house brought a tremendous crowd. Many waited in line to take a tour of the manufacturing facilities.

Regal's Engineering Manager, Dave Mayer, demonstrates the manufacturing of stainless steel cookware on the manufacturing tour offered at Regal's 50th Anniversary open house.

THANK YOU

I would like to thank my family, relatives and friends for all the visits, cards, flowers and phone calls while I was a patient at St. Joseph's Community Hospital. Special thanks to Dr. Owens, nurses on 3rd floor, Pastor Henning and Pastor Fredrich for their prayers.

Howard Kirchner

Our Apologies...

L & R Trophy and Sportswear was inadvertently omitted on the Regal Ware Anniversary Congratulations page in last week's issue.

Kewaskum... A Community With Baseball Tradition Past... Present... Future Players

In honor of Kewaskum's Centennial, baseball players of all ages donned uniforms of the past and present, to kickoff the local baseball season recently. Shown above, left to right: Casey Scheel, T-Ball League, Kewaskum Youth Athletic Association; Billy Cook, Little League, Kewaskum Youth Athletic Association; Stacy Gavin, Kewaskum High School Softball; Ron Theusch, former Land O' Lakes player from 1969 to 1989 and current manager of the Land O' Lakes team; Wayland Tessar, former Kewaskum Utensils team player from 1946 to 1956, wearing his original uniform; Tom Bartelt, former Land O' Lakes player from 1966 to 1987, and high school varsity coach from 1983 to 1992; Kevin Klahn, Kewaskum High School baseball, and Krystal Gavin, Kewaskum Jaycees softball.

School

Continued from page 1

need to clean the additional space.

"You've approved two new school year people," he stated, "in hiring two additional full time school year people, you're looking at roughly \$34,000 in district money. By reducing three other people to school year only, you're losing 1,920 hours, which calculates down to around \$25,000, so you're not saving any money -- you're still spending around \$8,000 more for maintenance."

He also pointed out that cuts such as taking away employee benefits from people that have served the district for 11 to 15 years, reduces the quality of work performance, and creates an atmosphere in which loyalty declines. He recommended hiring one part-time employee as opposed to making the changes the workshop had recommended.

Norman Kempf also voiced his opposition to the change in his employee status. "I will not have any benefits. I'm almost 58 years old. From here on if anything happens, I'm going to lose my house, my car, and whatever else I have left. I have to agree with Betty and Scott, I've been pretty faithful here. I've got fourteen years in and don't think I've missed five days of work, so I hope you

people think a little before you do this."

Betty Mikkelsen had also explained to the board that she was very hurt by the idea that the board would take away benefits from loyal people that have been here for many years, to pay others for the same service.

Dr. Heather explained some of the reasoning behind the recommendation. "We want to move to doing more during the school year as opposed to the summer. This is why we're talking about working every day during the school year rather than letting them have the vacations and everything that they now take off with. When school is not in session, the school year people have not been working. We're going to propose they work those days, which is probably somewhere in the neighborhood of 20 days."

It was obvious the school board members were concerned with what they heard, and they all agreed this item should be tabled until the June meeting, pending further investigations of monetary figures, and budget allowances. President Weare ended the discussion with this note: "I appreciate all the comments and input, but I'd like to throw it right back at the very individuals that were talking. This item may not even have appeared on the agenda this evening if people would have taken the time to come to the workshop with the board, and see the reduc-

tions we have to make to live within the revenue caps."

Other cuts the board made that evening included reducing extended day contracts at a savings of \$9,678, and eliminating the ski club, as it is not a WIAA activity, as a money saving measure of \$681. The vote was 6-1 in favor, with Ruth Schmitt voting no. Tom Kisser, an instructional staff member of the Tech. Ed. Dept. was laid off with the understanding that the remaining staff could handle the class load, adding to the new budget an additional \$36,794.

The board voted down a policy introduced by board member Ruth Schmitt that would limit terms for board member positions, such as the presidency. In her proposal, no board member would be eligible to serve as president more than three one-year terms within any five year period, and no member would be eligible to serve as vice president unless eligible for the presidency. Board member Jean Goeden asked what the point of it really was, and Schmitt replied, "the point is to spread the leadership position among board members. Everyone should be given the opportunity some time in their service to the board."

Mary Andera felt that the best person should be in the seat of the presidency, even if it meant serving 20 years, and that all board members were not necessarily leader-

ship material. The policy died in a tie 3-3, with Weare not voting.

A construction update from Hunzinger reported that work at KMS and the high school was continuing on schedule and close to budget. The new roof for KMS should be going on within the next two to three weeks. In general, they were pleased with the progress of the project, and Principal Heidner commended the students for adjusting to the changes and rerouting, and announced there had been no reports of any trouble between the students and workers (which total 50 to 100 men), with safety being stressed as the number one factor. Due to the construction, the June, July and August board meetings will be held in the Municipal Building.

The waterline at KHS from the curb to the gutter was found to have two cracks in it, resulting in the need for replacement, with Mueller Excavating of Campbellsport doing the work, at a low bid of \$3,000. There will also be additional cost involved replacing the concrete walk.

It was announced that art teacher Mrs. Peggy Henke received the Herb Kohl Foundation Outstanding Teacher Award, receiving \$1,000, along with a matching fund for the school, for her elementary art program.

Bank Wisconsin has donated \$1,000 a year, for five years, to be used for the Riverwalk Project. Fourth and fifth grade students have just completed birdhouse projects, some of which will be used in this area. Anyone interested in making donations, or volunteering their time may contact Mr. Lickel at the high school.

Mrs. Schulist told the board about a recent 8th grade lock-in that turned out to be an immediate success. Students enjoyed movies, popcorn, a dance, sports activities, T-shirt painting, and much more, and she owed it's success to the enthusiasm of many volunteers and chaperones.

President Weare announced all committee assignments for the year, with Mrs. Schmitt serving as the CESA six representative, and Ron Beimborn as the alternate. He also reminded the board that Friday, May 26, will be graduation for high school seniors, and Weare and Goeden will be handing out diplomas that evening.

It was also noted that summer school registration is trickling in very slowly, and students have only one more week to sign up for classes. If not enough interest is received for some of the classes, they will have to be dropped.

The Student Ambassador program was voted down by the board, which would have approved the granting of elective credits for students

involved in the People to People exploration of international cultures. Other business included the approval of a .5 FTE teaching position designed to instruct both students and faculty on how to use technology more efficiently, and the transfer of a family and consumer education position from the high school to KMS beginning next year, at a savings to the district of \$37,994, with the elimination of the positions two individuals now maintain at the middle school.

Time allotted to the Gifted and Talented Coordinator's position was increased by 12%, at a cost of \$5,000, using an internal adjustment of money in the Gifted and Talented account. Multi-sensory instruction was also increased by 20% for the next school year.

New business involved a long list of approvals, with John Nell offering to purchase 60 Driver's Ed. textbooks at a cost of \$5 per book. The board approved his offer, along with the acceptance of Mr. Eichstedt's resignation as girls' tennis coach and child care leave for Mrs. Judy Stippich, the speech/language clinician, who is expecting her baby sometime in August.

Sophomore Jennifer Keller, daughter of Leroy and Char Keller was chosen as the student of the month for May.

Ted Kuehn Honored as One of Top Math Students

THURSDAY, MAY 18, 1995 PAGE 5

Pictured (L to R) Clark Pearson, Ted Kuehn and Dr. Young, Professor of Mathematics.

Ted Kuehn, son of Mr. and Mrs. Christian Kuehn, 5874 Beaver Dam Road, was invited to participate in the University of Wisconsin, Madison Math, Science and Engineering Talent Search, Honors Day Program.

Ted was one of only 23 students from the state who was invited. Students are selected by

their abilities to use creative ways to solve difficult math problems, which are sent out five times a school year.

This is the second year in a row that Ted has been honored. He is a junior at Kewaskum High School. Clark A. Pearson, his math teacher, accompanied Ted to Madison.

Holy Trinity Civic Oration Contest Winners

Carol Neumann, left, and Mary Rinzel, right, both eighth graders, were chosen winner and runner-up, respectively, in the final competition of the Holy Trinity School Civic Oration Contest held April 21st at Holy Trinity under the sponsorship of Modern Woodmen of America. Judging contestants' talks on the topic of "America's Best" were Patricia Goham, Susan Heimark and Paul Gundrum.

Carol Neumann and Mary Rinzel each received trophies and gold award pins. These commemorative pins were also given to the next five ranking finalists: Mary Lehmann, Gretchen Weddig, Crystal Heberer, John Klesmith and Aileen Chambers. The names of Carol Neumann and Mary Rinzel will be engraved on Holy Trinity's permanent trophy.

Woode's Works Captures Likeness of Antique Mall

If you're looking for something a little different in the way of collectibles, check out Gary Woode's replica of the General Store Antique Mall, on display inside the Antique Store in Kewaskum.

Woode's buildings reflect a whimsical folk art fair, and he captures their personality in a unique blend of wood and paint. From the Antique Mall's green and white awnings to the ornate brickwork, and baby buggy in the window, the simple detail lends to its character and originality.

Gary calls his hobby, "Woode's Works," and started out doing woodburnings, making them mostly as gifts. "I was looking for something new to try, and I came up with the idea of working with buildings."

Basically, all his pieces are done using pine, and he carves out made to order homes, historic buildings, and businesses, then paints them with a wide variety of colors. These nostalgic collectibles easily become keepsakes, depicting the family farmhouse, a church, the town's landmark, or a local business, to give just a few examples.

"Lately I've been doing whole street scenes for people," he explains. "It includes four or five buildings, and each member of the family has their name on one of them, usually on the type of business they own, or have always wanted to own."

His favorite subjects right now are barns and mills. "The roofs have shingles and the walls are carved board... I even put in the stonework on the bottom part of the barn -- these are the most fun." Advertisements are painted on one side, for an added touch.

With so many orders coming in, Gary doesn't have time for many shows. He's done Kettle Kountry Kolors for three years in a row, and now his work will be featured at local craft shows throughout the area through his friend, Sue Tischendorf. For a listing of upcoming shows featuring Woode's Works, contact Sue at 626-4894.

Susen - Esselmann

Heather Reindl

Senior Heather Reindl, daughter of Cheryl Reindl, is our first Student of the Month for May.

She is taking symphonic band, advanced computer applications, art 3, college prep literature, cultural foundations, and calculus. For the past four years Heather has participated in gymnastics, band, and Future Homemakers of America.

She has also been active in tennis and yearbook (editor

Holly Reindl

one year) for two years, and volleyball, softball, and National Honor Society for one year. Outside of school Heather volunteers at Hope House and Bethany House.

Our second Student of the Month for May is daughter of Cheryl Reindl, and twin sister of Heather. She is taking writing workshop, symphonic band, art 3 and art 4, college prep literature, cultural foundations, and calcu-

lus.

Holly has been active in Future Homemakers of America (treasurer one year), the school musical, band and gymnastics for four years, German club, yearbook, and tennis for three years, and one year each in volleyball, softball, prom court, basketball cheerleading, and Skat-Snowball court. Her volunteer activities include Hope House and Bethany House, and she likes to garden.

Medical Assistant Earns Certification

Sarah Adams, CMA, of Kewaskum, earned the prestigious Certified Medical Assistant (CMA) credential by passing the American Association of Medical Assistants' Certification Examination.

Sarah Adams is a graduate of the medical assisting program at Madison Area Technical College in Madison and is employed by Physicians Plus Medical Group in Madison.

The Certification Examination, administered by AAMA's Certifying Board, tests clinical and administrative knowledge needed for competent medical assisting practice.

Although medical assistants are employed in a wide range of healthcare delivery settings, medical assistants are the only allied health practitioners trained specifically for the physician's office.

There are over one million medical assistants working in the United States. According to the United States Bureau of Labor Statistics, medical assisting is projected to be one of the fastest growing occupations through the year 2000.

The American Association of Medical Assistants is a professional association headquartered in Chicago, Illinois. In addition to sponsoring the Certification Examination, the AAMA provides continuing education programs and other benefits for medical assistants.

Robert and Diana Susen of West Bend are pleased to announce the engagement of their daughter, Sheila, to Joseph Esselman, son of Jim and Carol Esselmann of West Bend.

Sheila is a 1989 graduate of Kewaskum High School. She attended Western Wisconsin Technical College where she received a Commercial Art Degree. She

is now employed at Dixon MRD and Company as a Joseph is a 1986 graduate of West Bend West High School. He attended Moraine Park Technical College and received a degree in Tool and Die. He is now self-employed as a dairy farmer.

An August 10, 1996 wedding is being planned by the couple.

School District to Hold Four Year Old Screening

Parents/guardians who live in the Kewaskum School District and have children who will be four years old on or before September 1, 1995, and will be eligible to enter kindergarten in the fall of 1996 are asked to call for an appointment for the district's annual screening. The screening will be held at the Peace Church, 343 First Street, Kewaskum as follows: June 8 from 8 a.m. to 7 p.m. and June 9 from 8 a.m. to 3 p.m.

Students will be assessed in the areas of speech/language, vocabulary and readiness. Results will be sent home to the parents/guardians.

To register your child, call Debbie Goodsell at the district office at 626-8427 from 6:30 a.m. to 2 p.m. for an appointment. If you have any questions about the screening process, you can contact Connie Strand at the district office.

Princettes Twirling Corps

On April 8, the Princettes Twirling Corp, held their Annual awards program, held at the Kewaskum Middle School. The theme for the program was "Fantasy Comes To Life." The music they performed to, was from the movies Aladdin, Lion King, Snow White, and Beauty and the Beast.

Village Committee Members Named

By Lana Harbeck Kuehl

Village President Robert Wagner recently announced the various new committee appointments of the Board Trustees.

Chairperson for the Administrative Committee is Robert Stoltzmann with Trustees David Goeden and Gary Gavin serving as members.

The Administrative Committee meets monthly and discusses matters of finance, personnel, building permits, ordinances, insurance, bonds, licenses, permits, concessions, land purchases, easements and right-of-ways.

The Protection and Public Safety Committee is chaired by Trustee John Borland. Additional members are Trustees Gary Gavin and Robert Stoltzmann. This committee meets as required and makes recommendations on the Police and Fire Departments, health, weeds, welfare and nuisance control.

The Public Services Committee also meets as required and addresses matters in regard to garbage and rubbish collection, signs, street lights, special services to local groups and recycling. Robert Stoltzmann serves as chairperson and committee members consist of Trustees William Kulas and David Goeden.

Trustee William Kulas also serves as the chairperson for the Public Works committee. Committee members include Trustees John Borland and Harry Roecker. This committee meets as required and advises on decisions about streets, bridges, equipment, snow equipment, sewer, water, storm sewer, sidewalks, building maintenance, new construction and management of village property.

The Parks and Recreation Committee is chaired by Trustee Gary Gavin, assisted by Trustees John Borland and Robert Stoltzmann. The Park and Recreation committee meets as required and makes recommendations involving Kewaskum Kiwanis Community Park, River Hills Park and the recreation department.

Trustee Robert Stoltzmann was named representative to the Mid-Moraine Municipal Association Legislative Committee, and Frank Beesten is the new representative to the County Library Board.

The Kewaskum Library Board consists of residents Frank Beesten, Clark Pearson, Lynn Zander, Cheryl Ammel and Trustee Harry Roecker. The Library Board meets monthly.

Members of the Police and Fire Commission are res-

idents Orval Behnke, August Koch, August Bilg, William Martin and David Backhaus. The Police and Fire Commission meets quarterly as required.

The Board of Appeals meets as required per request and consists of Chairperson John Tessar, Betty Mertzig, Eugene Bohn, Mark Slaughenhoup and Jim Schaub, with alternates Joyce Kral and Charles Boegel.

The Village Plan Commission meets monthly. The members of the Commission are President Robert Wagner, Trustee David Goeden and residents Richard Schmidt, Paul Ziebert, John Stephani, Frank Beesten and former Trustee Charles Waala. Richard Zarleng serves as Zoning Administrator.

The Kewaskum Board of Review consists of President Robert Wagner, Administrator Daniel Schmidt, Trustee Gary Gavin, resident Cy Wietor and the Assessor, Bowmar Appraisals. The Board of Review meets the second Monday of each May or unless required.

The Citizens Advisory Board CATV Committee includes residents Larry Martin, Judith Groeschel, Dennis Kuehl, Corrine Mlodzik and Trustee William Kulas.

ABC CLUB SKAT RESULTS

The winner at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, May 9th was: Harold Eggert, 20-1-19 net.

Poppy Day May 19

Betty Hallen, left, and Tom Slaughenhoup, right.

Postmaster Bonnie Eldredge, left, and Isabelle Muckerheide, right.

"The measure of a man is his willingness to serve his country. The measure of a country may be its willingness to honor those who served."

Poppy Day sends the message to all of America's veterans that they are respected for serving their country.

Americans must understand the Poppy Program of the American Legion and Auxiliary is not to glorify war but to honor the patri-

tism of the millions who served. Wearing the poppy is a personal statement which simply says... "I REMEMBER."

The Robert G. Romaine Post and Auxiliary of Kewaskum will be out in force on Friday, May 19 to sell you a poppy. Help us to honor those who served their coun-

try.

All money collected for poppies may only be used for helping veterans.

If you see these people out distributing poppies, stop and give a donation and get yours.

Never cut what you can untie.

Kewaskum Summer School Registration

If you are waiting to register for the Kewaskum Summer School then you may find that the class you want is full or cancelled. Some classes have reached their limits while others may be cancelled due to low numbers. The final decision will be made for cancelling classes on May 24. If you need information or wish to register contact the Kewaskum Middle School at 626-2178.

THANK YOU

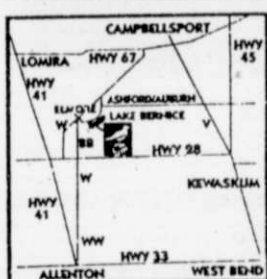

On behalf of the Kewaskum Area Chamber of Commerce, we would like to sincerely thank all of the area businesses who donated to sincerely thank all of the area businesses who donated raffie/door prizes to the Annual Secretaries Day Luncheon and Style Show.

Special thanks to Hon-E-Kor for the delicious meal; to Marianne's/Marianne's Plus, a Formal Affair and West Bend Elevator for providing dresses, formal wear and western wear fashions, and to My Little Friends Day Care Center and Kewaskum Family Chiropractic Center for providing each lady with a long stem carnation.

Thanks also to all the businesses who sent ladies, ladies who attended, and anyone who participated in any way.

Local Art Students Exhibit Cultural Work

Megan Petermann

Two local art students, Megan Petermann, a fifth grader at Kewaskum Elementary School, and Wendy Rahlf, a fourth grader at Wayne Elementary School, were selected to have their artwork on display in the Regional Youth Art Month Exhibit in Appleton.

All of the artwork for this exhibit had to depict a cultural theme. The artwork was done in art under the direction of Peggy Henke, Elementary Art Instructor.

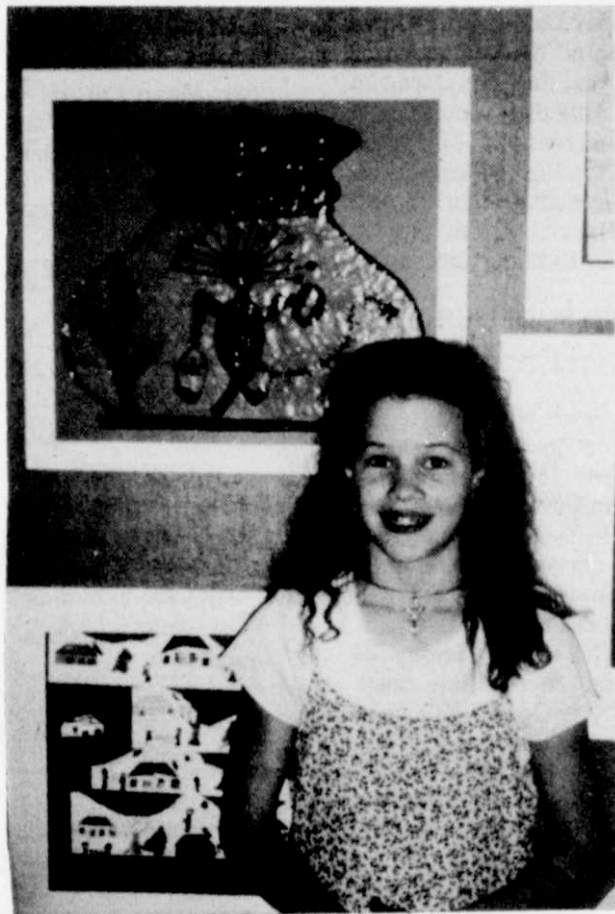

In Appleton, Megan and Wendy's artwork was selected to be part of the State Youth Art Month Exhibit in Madison at the State Historical Society Building. As state award winners each student received a blue ribbon, a certificate of recognition from Governor Tommy Thompson, and a state award certificate from the Wisconsin Art Education Association.

At the ceremony in Madison, Wendy Rahlf was selected to receive a 1995 W. T. Graham Youth Art Award. This program, now in its seventh year, was created in 1989 by William T. Graham of Madison as a way of recognizing student creativity and the teachers and schools that foster and develop it in the State of Wisconsin. A total of 50 students were selected to receive this award this year.

Ten of these award winning student artworks will be purchased by Mr. Graham for his own personal enjoyment and as decoration in his office. The works of art of all the award winners were handsomely framed and were exhibited in the Madison Civic Center from April 15th through May 14, and will be on display at the Wisconsin State Fair from August 3rd through 13th.

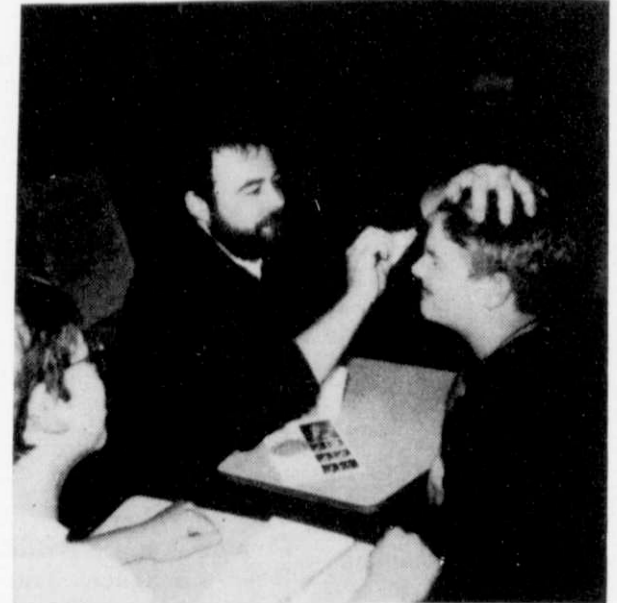

Congratulations to Megan and Wendy on their artistic endeavors.

Marriage is just another union that defies management.

Wendy Rahlf

Drama Course Impresses 7th Graders

Professional actor, Kreston Peckham, applies makeup and transforms Brendan Weinhold into an elderly man as Luke Weber looks on. This experience was part of a three day mini-course in drama and theatre at Kewaskum Middle School.

Eighteen creative seventh graders from Kewaskum Middle School participated in a drama mini-course recently and were exposed to theater through the eyes of professional actor, Kreston Peckham.

Peckham, a Wisconsin native and graduate of the UW Stevens Point theater program, lived in California and worked in professional theater and in the movie industry before returning to the Midwest.

Under Peckham's creative guidance, the students were exposed to the audition process and prepared and presented readings from a variety of plays including, "The Album," "Romeo and Juliet," "Hamlet," and "Star Spangled Girl."

The students experienced improvisation and learned

how to use facial expressions and voice inflections to relay a message to an audience and how to "improvise" when the lines were lost or forgotten.

The mini-course included a makeup session on the final day and all students were transformed into elderly looking actors using a variety of makeup techniques and gray hair paint.

Kres's personal friend, Hollywood screenwriter, David Koepf, sent two autographed scripts and posters from the screenplay he wrote for "Jurassic Park." A drawing took place and four lucky kids now own a real Hollywood script or have a colorful poster hanging in their room.

This mini-course is part of the district gifted and talented edition program.

Kewaskum High School Seniors, (L to R) Tim Strigentz, Weston Duenkel, Becky Yogerst, Laura Dehler and Greta Kuphal, role play in a skit for incoming frosh at KHS.

Weston Duenkel and Becky Yogerst are "lost" in the hall as part of the skit for the 8th graders at KHS visitation.

Friday, May 5 was 8th grade visitation day at Kewaskum High School. Current 8th graders from Kewaskum Middle School, Holy Trinity and St. Lucas all attended information sessions about available options at the high school.

Seniors, Laura Dehler, Tim Strigentz, Becky

Yogerst, Greta Kuphal and Weston Duenkel put on a skit about life in the high school. It was based on questions submitted by 8th graders and dealt with "dispelling the myths" of behaviors that go on in the high school. The skit was followed by an informative question and answer session with the seniors.

Registration Dates, Times Set for Swim and Tennis Lessons or to Purchase Swim Passes

The Kewaskum Parks and Recreation Department has announced the Swim Pass, Swim Lesson, and Youth tennis instruction registration dates.

Registration dates for all Session I instruction programs are as follows:

Eckl's Main Street Inn Relocates

Owners Greg and Karen Eckl

By Sharon Callaway Roznik

Last Thursday, Eckl's Main Street Inn opened for business at its new location at 1041 Fond du Lac Avenue in Kewaskum.

The newly remodeled building is spacious and well designed, with a dining room that serves 60 people and includes a counter with stools. Decorated in gray and burgundy with matching wallpaper, plenty of big windows that light the area and unique knotty pine booths enhance the cheerful, family atmosphere.

Karen and Greg Eckl promise customers the same great food that's been their tradition since they began their restaurant business in Kewaskum four years ago. They specialize in authentic cuisine and a variety of homemade food, and have expanded their menu to include more char-broiled sandwiches. Carryouts are always available with pizza delivery planned for some-

time in the near future.

The former A&W car hop stalls have been torn down and in its place a large, new parking area offers plenty of room for customers during their busy hours.

A highlight for their employees is the ample kitchen space available to work in. Eckls is still looking to hire additional help to serve their growing business.

The restaurant is now open seven days a week, serving breakfast from 6 to 11 a.m. Monday through Thursday, and featuring their regular menu from 11 a.m. to 10 p.m. Weekend hours include the breakfast menu from 6 a.m. to 11 a.m. and the regular menu, including Eckl's famous fish fry, from 11 a.m. to 11 p.m. on Fridays; the breakfast menu from 6 a.m. to 11 a.m. and regular menu 11 a.m. to 11 p.m. on Saturday, and breakfast menu from 7 to 11 a.m. and the regular menu from 11 a.m. to 10 p.m. on Sunday.

Eckl's Main Street Inn opened at its' new location last Thursday.

The large dining area is completely remodeled, creating a bright, family atmosphere.

Shelfond Mobil Mart Begins Extensive Remodeling Project

Shelfond Mobil Mart in Kewaskum recently began demolition of its convenience store as part of an extensive remodeling project.

The store is scheduled to close on May 30, to begin a complete upgrade of the facility including a new canopy, three new fueling pumps, underground storage tanks and vapor recovery systems.

The exterior of the building will be given a new look and the interior will be upgraded to include an expanded cooler, new coun-

ters, two restrooms, and a new product shelving system.

The store will be closed during the month of June and is targeted to reopen by July 4.

The Shelfond Amoco station hours on the south end of Kewaskum has been expanded to 24 hours during the demolition and reconstruction period to accommodate customer service needs.

Shelfond Mobil Mart will be open at 5 a.m. and close at 10 p.m. until the May 30th closing.

PROGNOSIS FOR KEWASKUM: EXPANDED MEDICAL COVERAGE

Dr. Sison Is Now Affiliated With The West Bend Clinic.

In addition to the continued services of Dr. Sison, Kewaskum will benefit from the on-premise services of two of the West Bend Clinic's Doctors of Internal Medicine:

- Dr. Gregory Blommel
- Dr. Michael Mosley

Expanded coverage for Kewaskum now and in the future.

New Dairy Queen Here

Nancy and Jerry Mehring are happy to be a part of the Kewaskum community.

By Sharon Callaway Roznik

Special guests were treated to a sneak preview of Kewaskum's new Dairy Queen on Sunday afternoon, hosted by the new owners, Jerry and Nancy Mehring.

After breaking ground in December, Dairy Queen opened its doors to the public Wednesday afternoon, beginning with a ribbon cutting ceremony attended by Kewaskum and West Bend Chamber of Commerce members and village officials.

Dairy Queen's name is synonymous with delicious ice cream treats, including their popular line of frozen cakes, custom ordered, and their newest item, Treatzza Pizza. For those last minute birthday needs, pick a cake right out of the freezer, and they'll put the name on for no added charge.

The new business employs 42 people, and will be run by manager Cindy Pesko and assistant manager Sherri Stern. "We employ lots of part-time help," Jerry points out, "especially during the busy summer season."

This is the Mehring's 30th Dairy Queen store opening, with franchises throughout Ozaukee, Washington, Milwaukee and Waukesha counties.

The couple runs two businesses, PJR Management named after their three sons, Pat, Jeff and Robb) is their operating company and Mehring's Dairy Queen runs the franchise end of Mehring's undertakings.

The Kewaskum, West Bend, Jackson and Hartford

stores are run as sub-franchises.

Nancy and Jerry work as a team, sharing side-by-side offices, and put in long hours, often working from 7 to 7. They were married in 1962, so Nancy's been a part of the business for the past 35 years.

Jerry states that Dairy Queen employees have been a loyal asset to the company. "We are working with three generations of employees at some of our locations," he points out.

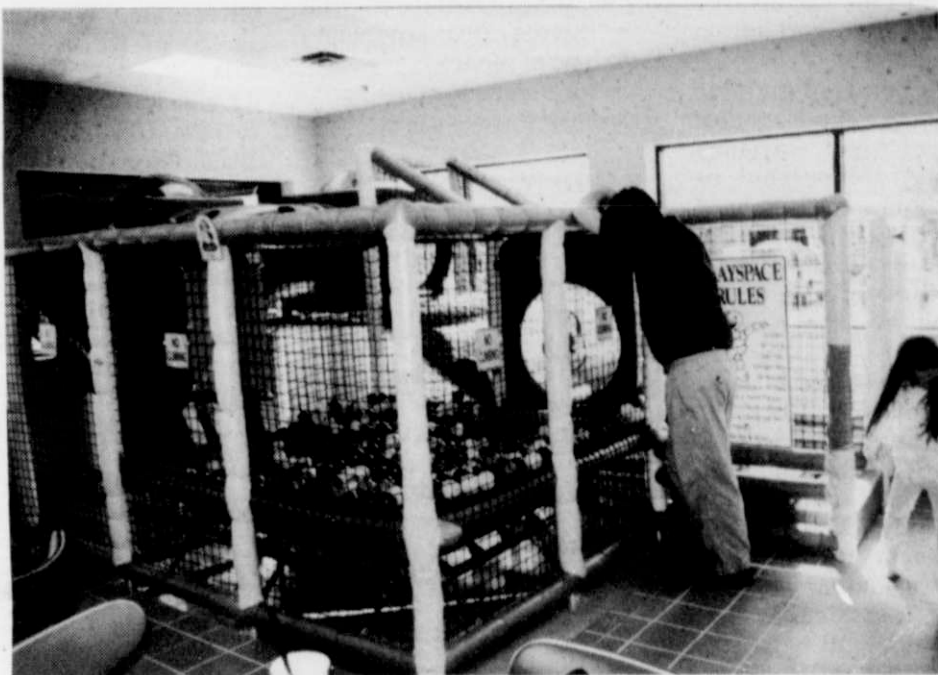

Mehring started with his first store at age 16, when he was still a junior in high school. He leased the old Dairy Queen in West Bend, which was only open during the summer at that time. He graduated from Marquette with a degree in marketing and sales, and is celebrating his 40th year in business and still going strong.

"Kewaskum holds a lot of memories for me," Jerry reflects, since his mother was Margaret Miller, of the Miller's Furniture family. "I've spent many happy times here." Relatives always asked him when they'd be getting a Dairy Queen in Kewaskum, especially his Aunt Pearl Miller, who has since moved out west with her husband, Fred.

The new Dairy Queen will be open from 6 a.m. to 10 p.m. Monday through Saturday, and from 8 a.m. to 10 p.m. on Sunday. Stop by and try their new breakfast menu, or sample their traditional line of sandwiches and super value meals, fries, appetizers, dinner baskets, salads, fresh fruit cups, and ice cream treats.

Dairy Queen opened this past Wednesday, May 17, at its newest location in the Village of Kewaskum.

The playroom is a popular site for tots, as well as parents, who enjoyed watching their kids frolic after a great meal.

Obituaries

WALTER G. DOBBERPHUL

Walter G. Dobberphul of rural Kewaskum, died Tuesday, May 16, 1995 at his residence at the age of 93.

He was born in Milwaukee on April 6, 1902 to the late August and Louisa (nee Kruepke) Dobberphul and married Sarah Knuth at St. Paul's Lutheran Church in Random Lake on May 6, 1933. Together they farmed in the Town of Jackson and later near Kirshayn until moving to the present farm in the Town of Farmington. He retired in 1964 and his wife preceded him in death on August 3, 1985.

He is survived by three children: Grace (Donald) Schulz of Adell; Raymond (Deanna) Dobberphul of Kewaskum, and Richard (Susan) Hahn of Waupun. He is also survived by eleven grandchildren, nine great-grandchildren, other relatives and friends.

He was preceded in death by one brother, Frederick.

Funeral services will be held at St. John's Lutheran Church in Newburg on Friday, May 19, at 11 a.m. Rev. Gregory L. Bey will officiate and burial will follow in St. John's Cemetery.

Visitation will be at the Myrhum Funeral Home in West Bend on Thursday after 4 p.m. and Friday at the church from 10 a.m. until the time of service.

ELSA M. SCHNEIDER

Elsa M. Schneider, 85, formerly of the Town of Scott, died Monday, May 15, 1995 at the Sheboygan Memorial Medical Center.

Mrs. Schneider was born June 14, 1909 in the Town of Scott, the daughter of the late Charles and Louisa Gessner Backhaus.

On November 2, 1929 she married Manville Schneider Sr. at Beechwood. The couple farmed in the Town of Scott for many years and Elsa was also employed by A & K Catering. She retired to Beechwood Rest Home in 1989. Manville Schneider Sr. died August 16, 1983.

Mrs. Schneider was a member of Immanuel Lutheran Church in the Town of Scott.

Survivors include one son, Bud (Mary) of Beechwood, two daughters, Althea (Marvin) Kempf of the Town of Scott, Dolores (Jim) Waech of Cedar Grove, one daughter-in-law, Joan Schneider of the Town of Scott, one brother-in-law Edward (Ettamene) Schneider of Nashville, Tennessee, two sisters-in-law, Laura Backhaus of Plymouth and Lucinda Backhaus of Beechwood Rest Home, four-

teen grandchildren and sixteen great-grandchildren.

She was preceded in death by her parents, her husband, one son, four brothers, one grandson and one granddaughter.

The funeral service for Elsa Schneider was held at 2 p.m. Thursday at Immanuel Lutheran Church in the Town of Scott. The Rev. William Robinson, pastor, officiated and burial was in the church cemetery.

Friends called at the Wilk Funeral Home in Random Lake from 4 to 8 p.m. on Wednesday and at the church on Thursday from noon until the time of service.

A memorial fund has been established in her name.

DAVID W. OPGENORTH

David W. Opgenorth, 56, died unexpectedly on Saturday, May 6, 1995, at his Packwood, WA retreat. He was the owner of OPCO, Inc. in Tacoma, Washington.

He was born May 12, 1938, in Fond du Lac, to the late Louis T. and Corinne (Schaefer) Opgenorth.

David is survived by two sons, Eric D., Tacoma and Jason T. and his wife Lisa M., Pullman, WA; two brothers Gerald C. and his wife Hannelore, of Chardon, OH and Kenneth L. and his wife Mary Lou of Benton Harbor, MI and a special friend, Jeanette Jenkins, Tacoma, WA.

In addition to his parents, he was preceded in death by one sister, Mary Carol Olsen in 1991 and former wife, Pat Opgenorth.

David graduated from Kewaskum High School in 1957, the U.S. Marine Corps and the University of Puget Sound, before entering the Forest Products Business.

Prior to his death, a trip had been planned to Kewaskum in 1995, in recognition of the village's Centennial Celebration.

CHARLES VOGEL

Charles H. Vogel, 57, of Fredonia, died Wednesday, May 10, 1995, at his residence of pancreatic cancer.

He was born Sept. 28, 1937, in Port Washington, to the late Raymond and Delores (nee Runkel) Vogel, and on Oct. 22, 1960, married Nancy Allen of Port Washington, at First Congregational Church.

He lived in the Waubeka area for 28 years.

He served in the U.S. Army as a private from Jan. 13, 1959, until Jan. 29, 1962, and was a member of the VFW Waubeka Flag Day Memorial Post No. 7037.

He worked at Gehl Co., West Bend, for 35 years and

was a member of the International Union Paperworkers Local No. 1579.

He was a photographer and contributed to the Kewaskum Statesman, Random Lake Souther and Racing Greyhound Magazine. A pen and ink artist, he also did art work for the Port Washington Sesquicentennial in 1985.

He was a member of the Farmington Athletic Club, which he helped establish, was an active Little League umpire and coach, and also enjoyed traveling and small game hunting.

Survivors include his wife; three daughters, Lisa (Ralph) Guernsey of Merrillville, Ind., Theresa (Kevin) Young of Henlawson, W. Va and Jacqueline (Paul) Schiebel of Silver Lake, Minn.; three sons, Lee (Maureen) of Silverdale, Wash., John (Lisa) of Kewaskum and Frank (Cindy) of Newburg; 12 grandchildren; a brother, Robert (Kathy) of West Bend; three sisters-in-law; a brother-in-law, and other relatives and friends.

Funeral services were held Friday, May 12, at 7 p.m. at the First Congregational Church, 131 N. Webster St., Port Washington. Rev. Jeffrey Suddendorf officiated, and burial in Waubeka Union Cemetery, town of Fredonia, with military rites by VFW Post No. 7037.

Visitation at the church was Friday after 4 p.m.

The Poole Funeral Home, Port Washington, assisted the family.

HELEN M. SPAETH

Helen M. Spaeth, nee Pankrantz, of Kewaskum, formerly of Slinger and Hartford, died Saturday, May 13, 1995, at St. Joseph's Community Hospital, West Bend, at the age of 77.

She was born May 2, 1918, in Scottsbluff, Neb., to the late August and Lydia (nee Schulz) Pankrantz, and married Herman J. Spaeth. He passed away Dec. 16, 1987.

Survivors include five children, Herman (Lonna) of Michigan, Barbara (Robert) Croke of Hubertus, Helene (Gerald) Unruh of Brookfield, Beverly (Robert) Stuetgen of Bevering and Mary (Ronald) Hotchkiss of Milwaukee; 11 grandchildren; a great-grandson; a sister; two brothers; and other relatives and friends.

Funeral services were held Wednesday, May 17, at 1 p.m. at Wisconsin Memorial Park Family Center, Brookfield. Rev. George Enderle officiated and entombment followed at Wisconsin Memorial Park.

Visitation at the Krause Funeral Home, 9000 W. Capital Drive, Milwaukee was on Tuesday from 4 to 8 p.m., with a prayer service at 7 p.m.

Memorials to the American Diabetes Association, Greater Milwaukee Chapter, appreciated.

CLARENCE PIEPER

Clarence A. Pieper, 80, of 512 Dayton St., Mayville, died Saturday, May 13, 1995, at St. Agnes Hospital, Fond du Lac.

He was born on May 27, 1914, in Mayville, a son of Albert and Frances Fuhrmann Pieper. On Nov. 11, 1939, he married Alice Boeck in the Town of Herman.

Mr. Pieper formerly owned and operated Pieper Delivery Service and was employed at the former Mayville Bottling Works. He retired in 1978 from Tab Products Co. in Mayville. He was a member of St. John's Evangelical Lutheran church in Mayville where he served as an usher and member of the finance committee.

Survivors include his wife; two sons, James and his wife Tamara of Mayville, and David of Horicon; two daughters, Diane Ebert and her husband Richard of West Allis, and Eileen Schulz and her husband Orville of Allenton; eight grandchildren; one great-grandchild; two sisters, Phyllis Weinberger and her husband David of Kekoskee, and Mae Schraufnagel and her husband Linus of rural Mayville; nieces, nephews and other relatives.

He was preceded in death by his parents; an infant son, Richard; one brother, Milton; and one half-sister, Sadie Vollmer.

Funeral services were held at 2 p.m. Tuesday at St. John's Evangelical Lutheran Church in Mayville.

Visitation was from 5 to 8 p.m. Monday at Koepsell Funeral Home in Mayville and from noon Tuesday until time of services at the church.

RALPH FINLEY BEALL

Ralph Finley Beall, age 25, of Chicago, Illinois, passed away on Friday, May 12, 1995 in Chicago.

He was born on December 19, 1969, in Ravenna, Ohio the son of Harry and Kathleen (Schonner) Beall.

Survivors include his father, Harry (Cheryl) Beall of New Haven, Connecticut; his mother, Kathleen Kolaski of Fond du Lac; his maternal grandmother, Gladys (Roy) Bodshaug of Milwaukee; two sisters, Paula Beall of Fort Smith, Arkansas, and Racheal Beall of Fond du Lac; two step-sisters, Kim Key of New Haven, Connecticut, and Kristie (Nicholas) Toney of Carlin, Nevada; four nieces; a nephew, other relatives and friends.

Graveside services were held at 2:00 p.m. on Wednesday, May 17, at Buffalo Cemetery in the Town of Kewaskum, with Rev. Timm Griffin officiating.

The Miller Funeral Home in Kewaskum served the family.

MARGARET KING

Margaret M. King, 79, of 145 Warner St., died Tuesday, May 9, 1995, at her home.

She was born on Jan. 10, 1916, in Fond du Lac, a daughter of Anton M. and Theresa Stephany Lefebvre. On Oct. 7, 1947, she married James E. King at St. Joseph's Catholic Church. He died on Aug. 27, 1982.

Mrs. King was employed at Bell Telephone Co. for 32 years. She was a member of Sacred Heart Church and its resurrection choir, Christian Women Society, Wisconsin Telephone Pioneers, and a charter member of Fond du Lac Kennel Club.

Survivors include four sisters, Catherine Schmidt of Brownsville, Marcella Seibel of Campbellsport, Marie Wolfe of Fond du Lac and Frances Braun of Dotyville; one sister-in-law, Marge Lefebvre of Santee, Calif.; and nieces and nephews.

In addition to her husband, she was preceded in death by three brothers and one sister.

Funeral services were held at 8 p.m. Friday at Sacred Heart Catholic Church. The Rev. Eugene Neuman and the Rev. Anthony Will officiated.

Visitation was at the church from 3 p.m. Friday to the time of services. Entombment was at 10 a.m. Saturday at Shrine of Rest Mausoleum.

A memorial in her name has been established.

Twohig Funeral Home of Fond du Lac handled arrangements.

Letter to the Editor

Dear Editor:

As I see it, I am just a little over 50 years old and lived in Kewaskum for 38 years. When I came to town we had a bakery, apparel shop, variety store, dry cleaners, lumber yard, Gamble store, Ramthun Hardware, Miller's Studio and Appliance, Jack's Appliance, theater, two feed mills, three barber shops, three butcher shops, two laundry mats, two car dealers, three grocery stores plus Dei's Deli Bar and Hall, supper club, Wigwam Bar and Hall came in the 70's, eight taverns, four implement dealers, eight gas stations, shoe store, flower shop, music store, floor covering, and Miller's Fine Furniture. We even had lights on the football field. We had parking which will be gone shortly for good on Fond du Lac Avenue.

What are we celebrating for! We should be mourning in our dying town or give it back to the Indians.

As it is,
Roger J.
"Butch" Schmitt

A Message from Bonnie

Hello Kewaskum Statesman readers and how are you all doing today? Have some IMPORTANT things to "talk about" this week so will get "right into it" okay?

FIRST of all -- Please try to set THURSDAY -- May 24th aside for just a few moments of your time. The Postal Service has designated THAT day as Customer Appreciation Day. My employees and I would like to invite you to stop in on that day and participate in the festivities!! WHAT will be going on? Well-AS ALWAYS, the employees of the Kewaskum Post Office will be "showing off their culinary talents" with some treats for YOU OUR VALUED customers THEN -- we would hope that you would stop in on May 24th to submit your name for the door prizes that we will be drawing for.

PLEASE join us in this CUSTOMER APPRECIATION

day CELEBRATION and my employees and I look forward to seeing ALL OF YOU!!

SECONDLY -- Mailbox improvement week for ALL rural route customers has been designated for this week. As your Postmaster, I want to TOTALLY commend the majority of you that provide the mail receptacle that is neat, safe, and adequate for your mail delivery.

JUST a few things that ALL of you on the rural routes might want to think of -- Is MY mailbox designed to protect the mail from the weather? (In other words, does the cover fit adequately and keep the mail from getting wet). Is MY mailbox SAFE for the carrier? (In other words, are their rusty spots and/or jagged edges that could cause the carrier injury when delivering the

mail). Is my mailbox CONVENIENTLY located? (In other words, have you received a notice from your carrier to "fill in the approach to your mailbox and/or to lower or raise your mailbox?") Is your mailbox NEAT in appearance? (In other words -- is your name and/or fire number PROPERLY displayed on the mailbox and is YOUR mailbox something that you feel the carrier can SAFELY AND PROFICIENTLY DELIVER YOUR MAIL INTO? PLEASE--do YOURSELVES and MY EMPLOYEES A BIG

FAVOR--by taking a good look at YOUR mail receptacle. My employees are VERY dedicated employees BUT we NEED YOUR assistance in using your CORRECT MAILING ADDRESS AND PROVIDING A SAFE AND CONVENIENT MAIL RECEPTACLE FOR US! THANKS SO MUCH FOR YOUR CO-OPERATION INTO THIS MATTER. THAT IS IT FOR THIS WEEK -- PLEASE JOIN IN THE FUN MAY 24TH AND DO enter the CONTEST. Until next time, TAKE CARE --

BONNIE!!

HOLY TRINITY SCHOOL

Monday, May 22 -- Hot dog/cheddar dog/bun, potato rounds, pears, orange slices, cupcake, milk.

Tuesday, May 23 -- Taco/shell/chips, lettuce/tomato/cheese, pineapple cup, yellow beans, flying saucer cookie, milk.

Wednesday, May 24 -- Pizza bun, golden corn, peach half, cookie, milk.

Thursday, May 25 -- Stromboli, peanut butter sandwich, green beans, fruit cup, pudding, milk.

Friday, May 26 -- SANDWICH DAY -- Tuna sandwich, egg salad sandwich, peanut butter sandwich, peanut butter jelly sandwich, apple sauce, fresh fruit, peanut butter bar, milk.

KEWASKUM COMMUNITY SCHOOLS

Monday, May 22 -- Golden brown chicken nuggets w/B.B.Q or sweet-sour sauce, whipped potatoes & gravy, pea salad, milk & a monster cookie.

KHS Girls Softball Team Drops Double Header, But Grabs a Win

By Tom Menger

The Kewaskum girls varsity fast pitch softball team had another roller coaster week, dropping a double header to Two Rivers, then grabbing a victory at Plymouth.

The girls got off to a quick start in the first game against Two Rivers, scoring twice in the first inning on a pair of errors. The Indians could muster only two hits off Raider pitcher Stacie Suacina the rest of the way, enroute to a 7-2 loss.

Indian pitcher Debbie Neumann struck out five, but walked eight, while the Indians defense committed five errors that accounted for most of the Raiders' runs.

In the second game, it was Two Rivers jumping out in

front early, scoring 10 times in the first two innings. Timely hitting coupled with more costly Indian errors accounted for the Two Rivers rally, from which Kewaskum would never recover.

Suacina also pitched the game for the Raiders and held Kewaskum scoreless for four innings, until the Indians banded in three runs in the fifth and two more in the sixth. It would not be enough, however, as Kewaskum fell, 13-5.

Michelle Thull received the loss, while Shelly Williams (2x4) and Holly Cechvala (1x2 double) led Kewaskum to the plate.

The Indians traveled to Plymouth later in the week, looking to avenge an earlier loss to the Panthers.

Kewaskum did just that,

hammering out 12 hits, including three doubles by catcher Shelly Williams, to earn an 8-7 victory.

With the score tied 2-2 in the third, Holly Cechvala, Stephanie Heberer, and Williams all hit doubles as the Indians scored six times to give them an 8-2 lead.

After scoring three runs in the fifth inning to cut the Indian lead to three, the Panthers rallied again in the bottom of the seventh, scoring twice before Kewaskum pitcher Debbie Neumann got the last Plymouth batter to ground out, stopping the Panther push and giving Kewaskum the one-run victory.

The Indians improved their record to 4-9 (3-8 conference) with the win.

School District Holds Speed Rope Jumping Contest

Division winners: Megan Butler (Division II), Bridget Dreher (Division I), and Adam Disler (Division III).

Row one, left to right: Bridget Dreher, Liz Harris, Eric Ogi. Row two: Katie Kurer, Megan Butler, Juliet Tofte. Row three: Krystle Bonlender, Jenny Harter, Adam Disler.

A dipper bird walks underwater in search of insects and small fish.

Chief Richard Knoebel Attends Emergency Coordination Course

Chief Richard Knoebel of the Kewaskum Police Department attended a two-day training workshop May 1 and 2, on coordinating emergency response at the local level through the use of the Incident Command System.

The workshop was sponsored by the Wisconsin Division of Emergency Government at their Madison headquarters' emergency operations center. The division oversees the state's planning for and emergency response to natural and man-made disasters.

Traditionally, emergency response for many kinds of disasters originates either with law enforcement or fire departments. It is essential to have in place, before an incident occurs, a command structure that will facilitate the protection of life and property and help avoid problems in coordination and communication.

"The various agencies involved in smaller and larger incidents developed working response systems suited to their needs," said Marty Hoffmann, Training Officer with the division. "The focus of our course is to give law enforcement officers familiarity with the Incident

Command System so they can apply the principles of ICS to their operations. An added benefit is that they will have a better understanding of how other agencies, such as fire departments, hazardous materials emergency response teams and federal agencies will operate when they work together."

This workshop complements over 150 other professional-level training classes sponsored by the division for county and state emergency government workers and local emergency responders throughout the year.

Village of Kewaskum NEWS NOTES WOOD CHIPPING SERVICES

On Mondays of each week in the spring, summer and fall seasons, the Village of Kewaskum offers residents a curbside wood chipping service for tree branches. Also, after the Christmas holidays chipping services are provided for the seasons natural pine trees.

To be eligible for chipping services, please follow these requirements:

1. Place large (butt) end toward the street, at the curb.
2. Pile branches no more than two feet high; a long low pile is best for feeding the chipper efficiently.
3. For small brush, TIE IN BUNDLES with string or twine. Boxes, bags or cans of branches will NOT receive chipping service. The reason for this is if a stone, gravel, wire, metal or other material is in a bag, can, etc. and gets into the chipper it will destroy the knife edges on the chipper, delaying our chipping until it is replaced and resharpened.

4. No roots of any kind, or material with any dirt on it. The wood chipper can take up to about a 3" diameter tree or branch. It is recommended larger pieces be cut up for firewood, or given to someone with a wood burning fireplace, etc.

NOTE: Yard waste, leaves, grass and materials that will rot down in a compost pile can be brought to the DPW yard and placed in the yard waste bin. Hours are from 7 a.m. to 3:30 p.m. Monday through Friday and Wednesday, May 24th to 4 p.m.

KES Bird Houses Provide Habitat for Endangered Species

Fourth graders at Kewaskum Elementary School pose with the birdhouses they constructed with Kewaskum High School students. Left to right: Katie Espitia, Jamie Junk and Kyle Darmody.

In the future, Kewaskum residents may be able to enjoy the chirp of the bluebird or the call of the screech owl, thanks to a recently completed project by Kewaskum students.

Twelve Kewaskum Elementary School fourth and fifth graders teamed up with a group of high school students from Dave Stradtman's woods class to produce a dozen bluebird, kestrel falcon and screech owl birdhouses. The idea began after the elementary students had seen a presentation on threatened species of birds at their school.

"The kids really worked well together and Mr. Stradtman did an excellent job of coordinating the two groups," says John Stephani, a fourth grade teacher who supervised the project. "It was a real learning experience for everyone involved. We plan on donating some of the birdhouses to the village parks and some to the new River Walk being constructed behind the middle school. The rest we would be willing to sell to interested individuals to cover the cost of the

materials," said Stephani.

The bluebirds, kestrel falcon, and screech owl have become threatened species because of a loss of nesting sites. They nest in hollow trees and fence posts. Since many dead trees are being cut down and old wooden fence posts are being replaced by steel, nesting habitat is being lost.

The kestrel falcon occurs in a great variety of habitats but it does prefer open ground for hunting. It is most often found in areas such as meadows, marshes, grasslands or open forests but will thrive in suburban environ-

ments. The American Kestrel can often be seen perched along roadways on telephone wires and roadway signs. It flicks its tail regularly up and down, bobs its head often and is the only falcon that hovers over the ground while searching for prey. Since both the falcon and screech owl's main prey are insects and rodents, they are very beneficial to humans and our environment.

The screech owl is the smallest of the horned owls, averaging 8 1/2 inches when fully grown. Screech owls inhabit a wide variety of habitats, and have become well adapted to living around humans. Their favorite areas are along a woodland edge or in yards with large, live trees.

The beautiful bluebird, on the other hand, prefers an open area on a high ridge five to six feet above the ground. They are strictly insect eaters.

All three houses need to be cleaned of debris each spring or the birds will be reluctant to return. The bluebird house needs to be attached to a post five to six feet above the ground. The falcon and screech owl houses need to have a layer of pea gravel in them and have to be mounted in a sturdy tree 10 to 15 feet above the ground.

There are a limited number of these bird houses for sale to interested parties who have appropriate land to provide adequate habitat. The cost is \$10. If you are interested, please call John Stephani at Kewaskum Elementary School, 626-2136.

NOTICE OF PUBLIC INFORMATION MEETING FOR THE PROPOSED WIS 67 PROJECT FROM US 41 TO CAMPBELLSPORT

Project I.D. 4090-01-70 WIS 67, Fond du Lac County

An informational meeting concerning the proposed resurfacing of WIS 67, replacing the bridge over the Milwaukee River, realigning some intersections, curb and gutter and sidewalk replacement and installation will be held on Monday, May 22, at 7 p.m. at the Town of Ashford Town Hall, N 1410 Rolling Drive.

The meeting will be informal with representatives from the Wisconsin Department of Transportation and the primary contractor, Northeast Asphalt, Inc. of Fond du lac.

The meeting facilities are wheelchair accessible.

Kewaskum Fire and Rescue Squad Calls

Thursday, May 11 - The Kewaskum Rescue Squad responded to a call at 6:20 a.m. in the Village of Kewaskum for a female patient who was ill. The patient was transported to St. Joseph Community Hospital, West Bend.

Thursday, May 11 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 12:12 p.m. for a female patient who was having difficulty breathing. The patient was transported to St. Joseph Community Hospital, West Bend.

Thursday, May 11 - The Kewaskum Rescue Squad was summoned at 11:50 p.m. in the Town of Farmington for a female patient who was unresponsive. The patient was transported to St. Joseph Community Hospital, West Bend.

Saturday, May 13 - The Kewaskum Rescue Squad responded to a call at 3:37 p.m. in the Town of Auburn for a female patient who had been kicked by a horse. The patient was transported to St. Joseph Community Hospital, West Bend.

Honor a Vet Wear a Poppy

This is the message of the Robert G. Romaine #384 Post and Auxiliary of the American Legion who will be on the streets Friday, May 19, distributing the red paper memorial flower made by hospitalized veterans.

Unit Poppy chairman Betty Hallen said volunteers will be on the streets, at the post office, various corners, banks and shopping centers, offering the Poppy in exchange for a contribution to help veterans and their families.

Each nine-piece petal flower is painstakingly hand-made by a veteran in Auxiliary sponsored Poppy Shops that supplement physical and psychological therapy needed by hospitalized and disabled veterans.

Mrs. Hallen reported that the Poppy program has been part of the Auxiliary's work for veterans for more than 70 years. She estimates that 25 million Americans wear the Poppy to honor America's war dead and all veterans, contributing \$2 million nationwide for rehabilitation and welfare programs.

Racing Now Under Full Throttle

Dave Moulis - Winner of the IRA Sprint Car feature at the Beaver Dam Raceway

The Interstate Racing Association (IRA) started their season with an opener on the third mile dirt oval at the Hales Corners Speedway in Hales Corners. Kim Mock of Kenosha, the 1994 IRA Champion won the main 30 lap IRA/J&L Oil sprint car event. Joe Roe of Lake Villa, IL, was fast qualifier out of a field of 47 cars. Ten lap heat winners were: Bob Robel former Eastern Wisconsin modified driver - from Oconomowoc, Al Schmidt, Donny Goeden 1992-93 Eastern Wisconsin modified Champion from Kewaskum, and Craig McKinney.

The IRA is an organization of drivers who drive the winged sprint cars. The weight of one of the machines is about 1400 lbs., and is powered by a 410 cubic inch aluminum block, dry-sump system pro-build engine which produces over 650 horsepower. Different from the winged modified at Plymouth, which weighs about 2400 lbs. and is powered by a 406 cubic inch Chevy engine, which has about 500 horse power.

One of the big differences in the shows are the fact that the sprint cars must be pushed on to the track for the races, where the modifieds at Plymouth have starters. Once the races get underway at the Beaver Dam Raceway, the difference is very noticeable. "Pedal to the medal" is exactly what it is! The quick reaction of a sprint car driver is measured in micro-seconds to avoid a "crash situation."

At the Beaver Dam Raceway on Saturday, April 29, over 4000 fans braved the cold and damp weather to see Dave Moulis of Kenosha take the 25 lap main event. Donny Goeden of Kewaskum, placed sixth (6) in that event, coming from a fifteenth place starting position, and Terry Chesak of Newburg finished in thirteenth (13) place.

Heat winners were: Mike Frost, Terry Chesak, Donny Goeden and Joe Roe, who also posted the top qualifying

lap of 13.335 on the one-third mile raceway. The record for the sprints is 13.007 and the promoters, Gary Schlaefer and Jimm Gish formerly of West Bend, are sure that this will be the year to break into the 12 second bracket. They have worked hard to get the facility and track ready for the 1995 racing season. The grandstands, clean restrooms, food choices at the concession stands and the view of the action on the track are in excellent condition to bring the whole family.

Besides, Donny Goeden of Kewaskum, there are a few other area drivers making their debut at the Beaver Dam Raceway. They are: Chad Czuppa of Random Lake, and Mark Zirkowski of Campbellsport. These two drivers along with Don Heesen of Allenton compete every Saturday evening in the United Speed Association

(USA) stock car division (Compares to the Hobby Division at the Plymouth track).

Lynn Breaks Another School Record

KHS Girls Go from Third Place to Champs In VanderPan Scoring Error

By Melissa Rohrer

Last Friday night the girls and boys track teams traveled to Sheboygan Falls High School for the 25th annual VanderPan Track Invitational. Eight teams participated in this traditionally tough invite.

The Kewaskum girls entered the meet undefeated and were confident that they would do well in this invitational. The New Holstein girls came in with a strong team and a very deep tradition of winning this meet.

In the last 17 meets, New Holstein had won it 11 times (including last year's win over second place Kewaskum), and finished second twice. In one stretch between 1976 and 1985, the Huskies won it 9 of the 10 years. However, the Kewaskum girls finished second in '89, first in '92 and '93, and then second again last year ('94). It appeared that it would be a power struggle between Kewaskum and New Holstein as the Huskies tried to regain their hold on the championship, and it was.

The meet did not go so well for Kewaskum as it had the previous meets. First, Erin Stockhausen had to be limited to only two events due to an injury, then Coach Koth was informed Julie Froemming was ill and would only participate in one event. Next, Mami Lynn, after competing in the 1600m run and 3200m relay, was experiencing some pain in the calf muscle and had to be scratched in the 800m run (a race she was favored to finish in first or second), and then the results of the shot put came in with Kewaskum finishing fourth and sixth.

"We expected to place two people in the top three or four in the shot and discus," Koth stated, "so this was not good news for us."

Despite all of this, the running score during the meet had Kewaskum leading after five events, 51-29 over New Holstein, after nine events, 77-56, and after 13 events 91-77. It appeared that Kewaskum was in good shape with four events left.

Then New Holstein scored 11 points in the 800m and ten points in the 3200m run while Kewaskum could

only manage a total of three points in these events. Everyone knew the meet was very close before the final team results were read: third place was Kewaskum with 101 points; second place went to New Holstein with 101.5 points, and first place was Elkhart Lake with 102 points.

It appeared that Kewaskum's undefeated season had ended with a third place finish, only one point out of first place. When copies of the final results were given to the coaches, Coach Perry Koth decided to check the events for any mistakes.

"I was walking out the lobby door, but decided to stop, and finish checking the results before I got outside where it was dark, when I came to the shot put results. I couldn't believe it when I saw that they had not included Katie Yogerst (fourth place) in the results." Koth informed the meet officials that a scoring error had occurred. After checking the event sheets, they made the changes which resulted in Kewaskum getting four more points, the VanderPan championship and restoration of their undefeated season.

Kewaskum had only one first place finish in the meet, that came from Becky Yogerst in the discus who threw a season best of 105'5". The Indians did however have double places in six events. They were the discus with Becky Yogerst, first, and Katie Yogerst, third, (94'11"), the 100m dash, with Jenny Jagielski second (13.59) and Jenny Strobel third (13.74), the 400m dash with Laura Weiss dashing third (65.3) and Julie Froemming placing eighth (67.5), the shot put where Katie Yogerst received fourth (33'3") and Rachel Nysse, sixth (32.4"), the 300m hurdles with Carrie Wiesner 4th (51.32... her personal best)

and Mary Yahr, sixth, (54.76), and in the long jump, Jill Wichtowski placed sixth (13' 11-1/2"... her personal best) and Carrie Wiesner, who won eighth (13' 6-3/4").

"I was watching Becky Yogerst warm up and she was really throwing the discus well, so I knew we were going to get a good performance from her tonight," said Koth. Koth also stated that, "Carrie Wiesner ran the first three or four hurdles (300m hurdles) as perfect as I have seen them run this year."

The best performance of the night for the Indians, however, came from sophomore Mami Lynn, who broke the school record in the 1600m run with a time of 5:26.9 (second). The old record was 5:27.7 held by Sandy Klein.

"Mami will break all of the distance records before she graduates from KHS," commented Koth. "I expected her to break the 800m record tonight, but she never got a chance to run it because of an injury."

The relays continued to run well with Greta Kuphal, Jenny Strobel, Erin Stockhausen, and Jenny Jagielski running both the 400m relay (53.4) and the 800m relay (1:51.7... their best time of the year). Both relays finished second to a powerful Southern Door relay which broke the meet record in both events. Koth was very pleased however, with their times and handoffs, after they struggled with them in past meets. The 3200m relay of Wiesner, Missy Rohrer, Jamie Gaffke and Lynn placed second also (10:38.1).

Other athletes who placed in the meet were Mary Yahr, 5th (18.18) in the 100m hurdles, Missy Rohrer, seventh (2:46.4) in the 800, Greta Kuphal, sixth (29.2) in the 200m dash, and the 1600m relay team of Wiesner, Rohrer, Gaffke and

Weiss, sixth (4:27.4).

"I don't think too many people expected us to be having the season we are having," said Koth, "but the girls have worked hard, have confidence, ability, and that great positive attitude that all my teams have, so I guess it's no surprise to me."

It was a big win for Kewaskum as they kept their momentum going into this week's conference meet Thursday, May 11th at Two Rivers. On Monday, May 8th, they traveled to Plymouth for a triangular meet with Plymouth and Two Rivers.

1. Kew - 105; 2. NH - 101.5; 3. EL - 101; 4. PLY - 93; 5. OST - 93; 6. SF - 77; 7. SD - 73; 8. HG - 23.5.

KHS Girls Win EW Track Championship

By Melissa Rohrer

The Kewaskum girls track team once again won, as they have all season, only this time it was for all the marbles, as they captured the Eastern Wisconsin Conference Championship.

Coach Perry Koth's girls edged Two Rivers for the championship by a score of 131.5 to 125. It is Coach Koth's second championship in the 90's, the first coming in 1990.

The winner was not determined until the final race, the 1600m relay. With two events left Kewaskum held a 1 1/2 point lead over Two Rivers, 120.5 to 119. Marni Lynn added a much needed 6 1/2 cushion to the team score as she finished third in the 3200m run. Heading into the final event Kewaskum's 6.5 point lead meant that the relay team had to win their heat to win the meet. The relay team of Carrie Wiesner, Mary Yahr, Julie Froemming and Laura Weiss was not going to be denied as they got out to an early lead and won their heat by over six seconds, thus clinching the Conference Championship.

Marni Lynn had a tough night as she ran the 1600m run (second - 5:29), followed by the 800m run (2:22.1-first), and then the vital 3200m run (third - 12:27.4). According to Koth, the win in the 800m was somewhat of a surprise because there were two runners from New Holstein who are outstanding 800m runners one of which (Sheila Kabat) has qualified for State and placed high the last two years. "Marni was outstanding tonight!" said Koth. "First she takes a second in the 1600m run which is what I was hoping for, then she wins the 800m run which was not expected." Lynn had only about 10 minutes between the 800m run and the 3200m run so Koth was hoping for any kind of a place in the 3200m run. "I certainly didn't expect a real high place in the 3200m" said Koth, "but Marni is such a competitor you just knew she would do well."

According to Koth the turning point in the meet occurred when the 400m relay team (Greta Kuphal, Jenny Strobel, Erin Stockhausen and Jenny Jagielski) took first place. "From that point on everything seemed to start falling into place and we all started sensing what was happening." After the 400m relay win, Carrie Wiesner won the 300m hurdles, Lynn won the 800m run, and Jenny Jagielski won the 200m dash. "We had four first places in a row late in the meet including a double place in the 200 and the 300 hurdles," said Koth. "That's 43 points in four events. There was no way the girls were going to let this one get

away!"

Wiesner (who is just a freshman) edged Plymouth's Price in the 300m hurdles by 4/100's of a second in the closest race of the evening. Wiesner also placed second in the long jump (14' 5 1/2"). Jenny Jagielski's win in the 200m dash was no surprise to Koth. "She has been running strong all year and I really believed before we got here that she was the best sprinter in the conference." Jagielski also anchored the 800m relay (Greta Kuphal, Jenny Strobel, Erin Stockhausen and Jagielski) which placed second with their best time of the year (1:50.7) and the 400m relay (Kuphal, Strobel, Stockhausen and Jagielski) which took first with their best time of the year (52.7).

The field events were an area where Koth expected to do very well and he was not disappointed. The Indians took first (Rachel Nysse - 112' 10"), second (Becky Yogerst - 106' 8"), and fourth (Katie Yogerst - 101' 9") in the discus. "I knew Becky would throw in the 100's for us and Katie has been consistently throwing in the 100's also, but I certainly didn't expect Rachel to throw almost 113 feet tonight," declared Koth. "Rachel had just started throwing in the low 90's last week. I guess she was trying to send me a message." Nysse (sixth - 34' 1 1/2") and Katie Yogerst (fourth - 34' 8") also double placed in the very strong shot put event. "This is the strongest I have seen the shot put since I've been coaching," said Koth.

Koth got some unexpected points in the long jump where Wiesner placed second and another freshman, Jill Wichtowski, placed sixth with her best jump of the year at 13' 11". In the high jump, Kelly Schreffler placed seventh (4' 10") while freshman Jessica Repovsch tied for eighth (4' 8").

In the 100m high hurdles, senior Mary Yahr finished her conference career with a second place finish (17.7) and an eighth place in the 300m hurdles (55.0). Kewaskum also had a double place in the 100m dash (Jenny Strobel, seventh - 14.0) and (senior Greta Kuphal, eighth - 14.0). They also received a fifth place finish (10:50) in the 3200m relay (Carrie Wiesner, Jamie Gaffke, Missy Rohrer and Laura Weiss), a seventh place from freshman Laura Weiss (66.3) in the 400m dash, and a seventh place from Erin Stockhausen (28.9) in the 200m dash.

"We knew we had a better team than the other five teams, but we didn't know anything about Two Rivers this year and the meet was at Two Rivers, which is always an advantage to the host school," said Koth. (Two Rivers was the defending

1994 Conference Champions and are the defending Division II State Champions). "We needed every one of our athletes to perform well tonight and they did it. I couldn't be prouder of these girls. All year they stuck together and found a way to win," added Koth. Winning the conference should not have been too surprising to Koth, whose teams have done quite well at the conference meet since he took over the reins in 1989; first in 1990; third in 1991; second in 1992; fourth in 1993; third in 1994, and first in 1995, along with 19 invitational championships. "We expect to be in the top three every year," said Koth.

"I was surprised with the win because we have such a young team (12 of the 20 athletes who participated in the meet are either freshmen or sophomores) and I thought that our lack of experience in this meet would hurt us. You can't win without senior leadership, and I have the best in Greta Kuphal, Missy Rohrer, Mary Yahr, Julie Froemming, Becky Yogerst and Tracy Jacak. They are the role models the younger athletes have followed all year. Without their leadership, positive attitudes and example,

we could not have won the championship. It is only fitting that the seniors leave with a Conference Championship. I couldn't be happier for them!" added Koth.

FINAL RESULTS -
First - Kewaskum, 131.5.
Second - Two Rivers, 125.
Third - New Holstein, 95.
Fourth - Plymouth, 90.5.
Fifth - Sheboygan Falls, 90.
Sixth - Chilton, 70. Seventh - Kiel, 53.

XYZ CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, May 10th were: SKAT: Frank Sell, 20-2--18 net; Francis Gilboy, 17-1--16 net.

SHEEPSHEAD: Ione Schmidt, Bruce Petrie, Fussy Lehnerz, Vange Teeselink, and Millie Theisen.

500: Irene Kohl.

BY A BLOCK FOR PRESS BOX FUND RAISER

The Kewaskum High School Athletic Department will be raising funds for the press box which will be built at the new football field. Blocks to be used in construction, can be purchased for \$10 each. Each \$10 donation also entitles the donor to four passes to high school athletic events in the 1995-1996 season. The names of all contributors will be published.

Donations can be made at any of the school offices in person or via mail. Make checks payable to School District of Kewaskum. Any questions please contact Jim Westphal, Clark Pearson, Perry Koth at 626-2166 or Dr. Heather at 626-8427.
