Famous Clydesdales at Kettle Kountry Kolors

By Sharon Callaway Roznik

Kettle Kountry Kolors is proud to welcome Larson's Famous Clydesdales to the family fun festival in River Hill Park on October 7th and 8th.

Attracting national media attention, Cal and Judy Larson's six horse hitch of Clydesdale horses have won the national championship, received honors from the governor, and have been featured on national television several times, including Discover Wisconsin. They've also been the subject of many newspaper and magazine features, and the birth of their

300 pound filly was announced on Paul Harvey's radio news show. The baby shower was attended by state dignitaries, including State Senator Carol Buettner, along with three television stations, radio, newspaper, and magazine personnel, and motorcoach tours from Illinois, Wisconsin and Iowa. "They even called from as far away as Pittsburgh and New Jersey," Judy recalls.

Larson's ranch is located in Ripon, and since the couple have opened it up to motorcoach tours, it has become the number one motorcoach attraction in Wisconsin. Visitors are introduced to the horses and get a

behind the scenes tour of what has to be done to get a Clydesdale ready to participate in a show, and all the work involved in running the ranch and caring for the horses.

The hour and a half guided group tour includes a show with rider and horses in formal attire. Judy actually gets up on a six foot ladder to braid and harness Big Jon, who stands seven feet high and weighs approximately 2,400 pounds.

The Ripon ranch is home to 13 champion Clydesdale horses, and two babies are expected some time next year. "My husband and I are both originally from Chicago,

and it was his love for them that got us started in all of this," she explains. The harness you will be seeing on the horses at Kettle Kountry Kolors cost from \$4,000 to \$7,000 per horse. One of the geldings performing that day has won National Champion Gelding of the United States, the Anheuser Bush Best American Bred Gelding of the United States, and was also named the International Gelding of the Year.

There is a certain mystique and magnetism created by watching the magnificent Clydesdales at work, and everyone will enjoy the gentle giants performance at the park on Sunday. The Larsons

will start off the day between 11 and 11:30 a.m. by hitching up the horses, which takes about an hour. The six horse hitch will then take a half hour ride through town, and return to the park for their unhitching demonstration. "We're hoping for a beautiful, sunny fall day," Judy relates, and looks forward to showing off her famous horses, and taking to visitors about their successful hobby turned business.

Be sure to stop by the park on Sunday, October 8, and welcome Larson's Clydesdales to Kettle Kountry Kolors, Kewaskum's famous fall festival in River Hill Park.

Ethnic Performances at Kettle Kountry Kolors Educational as Well as Entertaining

By Sharon Callaway Roznik

A unique and exciting lineup of children's entertainment has been scheduled for this year's Kettle Kountry Kolors Family Fun Festival, including a host of guests from the International Institute of Wisconsin. They bring with them a wealth of ethnic performances, including traditional dance, storytelling, and folk art, and people of all ages will enjoy the lively dancing done in native costumes.

Three different dance groups will begin their performance at noon on Saturday, October 7, in the Beer Garden, and those displaying their talents will include the Italian Dancers of Milwaukee, the Trisha Mid-East Dance Troupe, and the Syrena Polish Folk Dance Ensemble. Each group has their own history, and is an affiliated member of the

International Institute.

The Italian Dancers of Milwaukee began in 1848, and their repertoire has grown to include a variety of dances from Sicily, Northern Italy, and Venice. The group performs year 'round at places such as Festa Italiana, the Holiday Folk Fair, weddings, conventions, and private parties.

The Trisha Mid-East Dance Troupe will be demonstrating authentic folkloric dances from Morocco, Egypt, Turkey, and Greece, enhanced by the replicated costumes from the various regions. Appearing throughout the midwest, they also give lecture demonstrations for both public and private schools.

The Syrena Polish Folk Dance Ensemble promotes the Polish folk culture in its purest form, striving for authenticity in their presentation of dance, songs, tradi-

tions, and costumes. They will be presenting a wide variety of Polish folk songs and dances from the rugged mountaineer's dances to the stately polonaise, the fiery mazur, and the lively krakowiak. Audience participation is encouraged, and dance workshops will be going on to help teach the steps throughout each group's three performances. Dancing is scheduled for noon, 1:30, 2 and 3 p.m. at both the Beer Garden and the Gazebo.

Meanwhile, storytelling and children's workshops will be taking place in the children's tent, starting at 11 a.m. Retired Milwaukee schoolteacher, Laura Harris, is one of the featured storytellers, and everyone will be fascinated by her series of stories, based on African American legends, fables and myths. Native American Kim Reyes will also be weaving tales

Community Blood Drive Scheduled for Wednesday

By Louise Martin

On Wednesday, October 4, the Kewaskum Community Blood Drive will be held at the Kewaskum High School in Rose Hall from 1 to 6 p.m. Parking will be available in the front and back of school.

If you were a donor at the August drive at Bank Wisconsin, you are eligible to donate again at this upcoming drive. This is your opportunity to help others who might find themselves in need. More than 450 pints of blood are needed each day to meet the needs of patients in 29 southeastern Wisconsin hospitals. All this blood must come from volunteer donors.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors are asked to provide your social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D., blood donor I.D. or identification with a signature.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature taken and 10-15 minutes after the donation for some refreshments. The whole process takes about one hour.

You will feel special for having done something so important. You may help a total stranger or someone in our own community.

Please seriously consider donating. Those you help will be grateful you took the time to give such a precious gift.

School District F-T-B-G Committee Puts Maintenance Consultant Decision On Hold

By Sharon Callaway Roznik

Taxpayers took matters into their own hands during a recent Finance-Transportation-Building and Grounds committee meeting, reminding members of the committee that "passing the buck" has to end somewhere, but the million dollar question is (or 4.5 million to be exact), how did it start in the first place?

Elementary principal Richard Zarlring started the ball rolling when he appeared before the committee to ask them to do something about areas of the school that were badly in need of repair, and told them that some of these requests he'd been asking for since 1988.

This list includes replacing worn carpeting considered a tripping hazard on steps to the KES library, construction of an air lock for the northwest entrance, relighting a hallway where ceiling tiles have been blackened since the 60's from the old heating of the KES, and remodeling of the KES cafeteria, in which it's been known to snow right through the windows in winter.

This entire topic brought up the fact taxpayers have been talking about for years, and was the reason why some of them voted against the referendum -- the lack of maintenance and upkeep the five buildings owned by the school district receive, including Wayne and Farmington. A philosophical discussion followed as to why this happens, who is responsible, and if this kind of a problem can be stopped.

Item #14 on the evening's agenda was introduced by school board member and committee chairperson Jean Goeden, and addressed hiring a consultant firm to come and evaluate the district's maintenance needs. Cost would range from \$4,000 to \$7,000, and the committee would first have to determine what it wants a consultant to accomplish.

"There's all different ways to look at maintenance and I know that we want to keep the new buildings that we have, great," committee member Karen Sparks told the others, "and we want to get the buildings that are older up to speed, and do we know how to do that now, or do we need to have somebody come and tell us? I guess that's the question I have."

Previous to this conversation the committee had been looking at an extended "wish list," as they called it, made up of equipment and repairs needed at all the schools, projected over a three to five year period. Authority is now

given to the head of maintenance to approve items under \$1,500, if there is a demand for it, and some of the members felt if repairs fell into this category, they shouldn't have to come before the board.

Committee member Larry Fechter member the idea of bringing in a consultant. "To me, it would be a very objective thing to have an outside person come in and evaluate the situation, where personalities won't be involved." No one could put a finger on the exact reason why school buildings are neglected, but the fact remains it is a major grievance of taxpayers throughout the country. The blame was divided between minimum maintenance budgets when the schools were first built, taxpayers putting halts on spending and tax increases, priority and emergency situations that have to be met first, and the failure of the school system to process requests quickly and efficiently.

Karen Sparks questioned why, if the community consensus appeared to support more preventative maintenance, did they vote down the roof referendum?

Fechter answered, "simply because the last referendum they passed didn't go toward the roofs."

Although Mrs. Goeden pointed out that the discussion was to be between committee members only, the audience would not stay quiet any longer, and quickly made their feelings known. "I have a hard time handling paying out for a consultant, when we've got all these guys (maintenance staff) qualified

to do these jobs, and you want to get rid of them," one woman told the committee.

"That was one of my biggest gripes when I got here," committee member Rich Welch interrupted, referring to past school board discussions to reduce maintenance staff.

"What are the objectives of doing this?" asked resident Marcia Theusch. "You haven't really defined those, and I don't think you can even invite somebody in to do a presentation until you can tell them 'here's what we want you to talk about'."

Laura Waehler also had a problem with the consultant issue, telling the committee, "Don't these lists come from the principals, or those kinds of people? But who implements these lists? Does the board decide what we're gonna do? Does the maintenance person do that? Maybe the maintenance person needs to have a committee with him, or group of people, more than one person in charge of that list. We don't need to address the situation."

Fechter said the big problem is that everyone has a different priority.

Committee member Ron Beimbom voiced his opinion. "Couldn't this money be more well spent actually putting it into the buildings, than to have somebody come in and give us some advice that we might not even follow in the first place?"

Another resident asked if Building and Grounds Supervisor Fred Boehlke had the authority to oversee problems and make decisions on his own when the need arises.

Board President Neal Weare was in the audience and shed some light on the subject.

"I'm going to call a spade a spade. When you're told year after year, don't take it to the board, don't do this, we don't have the money for it, you throw your hands up in disgust and say, 'why should I approach it?' The principals

wind up getting beat up for it. Mr. Zarlring, for the past nine years has asked for these things, repeatedly, and somebody in a higher place and being, has somehow said no - end of story, period. Why should this man have to do this? Somebody has got to take responsibility, because it

Search and Rescue Canines Take Part in Simulation

The Independent Search and Rescue Canine Team pictured left to right: Ray Becker and Shadow; Robin Walker and Ruby; Sarah Smith and Tasha; Shawn Metzner and Kayla, Joan Albert, Michelle Metzner and Dutchess, and Diane Norman and Alley.

scene, members were told that a man with a heart condition had gone out to work on a deer stand, and his wife reported he had not returned home that evening.

It took the dogs 45 minutes to clear 150 acres, and a German Shepherd found the hidden rescue victim planted in a field behind the game farm, with a Bloodhound close behind.

The volunteer team trained to find the missing persons is made up of eight adults and their dogs. Two of the dogs are certified in air scenting and man trailing, one is nationally certified, and the other received certification in shallow grave and body part detection (cadaver). The rest of the unit is in training, which begins with learning the skills of wilderness searching, seeking out the strongest human scent in the area.

The ISAR K-9 Team trains about ten days a

month, including every other Saturday. It usually takes a dog about a year and a half to qualify in wilderness searching. "The dog has to have the drive to search for hours and hours for a specific scent," Metzner explains, and states that working and hunting breeds are best suitable for this type of work.

Michelle, and her husband Shawn, first became interested in working with dogs in obedience, and were impressed with the work police dogs were capable of accomplishing. They started with an ISAR unit in Grafton, then broke off independently to start their own group four years later. The couple have trained Kayla, a German Shepherd, and Alley, a Shepherd mix, using the reward method of a treat or a favorite toy. "All the dogs in the unit are family pets, and are trained in non-aggressive search and rescue," Michelle

Memories

Sisters, Ethel Hasler, left, at the age of 10, and Hazel Fitz Simmons, at the age of 9.

Ethel Bruce Hasler (pictured above with her sister, Hazel, in 1904), daughter of Clara Rosenheimer Elmergreen and resident of

Maple Dale Manor, enjoyed a visit from Daniele Fossati, her little great-grand nephew from Italy. Ethel, who was born here, will be 102 on February

22, 1996---older than Kewaskum itself!

Of recent interest to Mrs. Hasler is the annual family meeting held at the Rosenheimer Cemetery in Slinger last Sunday, September 24th, where many changes have taken place last spring.

Lehman Rosenheimer of the Kewaskum Rosenheimer Store died on March 18th of this year and bequeathed \$5,000 to the cemetery association. His son, Lay, of West Bend, supervised the installation of a new fence and the trimming of the original old evergreen trees.

The family has met annually for well over 100 years, according to the wishes of the settler, Lehman, who asked that CHRIST'S PRAYER for Israel be recited each year and family values be upheld. This year, one-year-old Mathew Lehman, son of Lay, was there to have the Lehman name continued. Ethel will be anxious to hear about it. Also visiting Ethel quite frequently this summer was her great-grand nephew, Cornor Lenon, age four, from Madison, Wisconsin.

The wheel was man's greatest invention until he got behind it.

Consultant

(Continued from Page 2)

gets lost someplace in the shuffle."

Dr. Heather said the district was operating with a 2% maintenance budget, and it should be somewhere in the area of 4 to 6%." There's just a lot of things that happen, we don't have any control over." But if the maintenance budget is doubled from \$200,000 to \$400,000, where that money will come from, is an unknown. "The thing about maintenance is, for

every penny you put on the table, if it's spent correctly, you get two back," Larry Fechter pointed out.

"Revenue caps do make the school districts choose between maintenance and education, and buildings become the victim," Ruth Schmitt added.

Jean Goeden ended the meeting by stating they would put the consultant on hold while they studied the matter further, asking Fred Boehlke to work up a more detailed list of maintenance priorities for the future.

BRUESSEL SPROUT TIME IS DRAWING NEAR!

Support Kettle Kountry Kolors With Raffle Ticket Purchase

YOU could soon be the new owner of this 1995 14' Starcraft boat and 25 h.p. Mariner motor with electric start, complete with trailer. The lucky winner will be drawn at 4 p.m. Sunday, October 8 at the close of the Kettle Kountry Kolors festivities in River Hill Park, Kewaskum.

There will be only 2,000 tickets sold at \$5.00 per ticket. All proceeds from this raffle will be used to underwrite the cost of the vast variety of the free entertainment being

offered at this year's family fun festival.

YOUR new boat will be on display at Sentry Foods or in front of Bank Wisconsin in Kewaskum prior to Kettle Kountry, and can be seen at the park during the festival. Whether you are taking care of business at Bank Wisconsin, buying groceries at Sentry, renting a movie at Video Post, golfing at Hon-E-Kor, or even paying your subscription at the Statesman, be sure to ask your salesperson for a boat raffle ticket to

help support the annual Kettle Kountry Kolors Festival.

Tickets are now available at most businesses throughout Kewaskum and can also be purchased at the Chamber Information Booth located in the beer garden at the festival both days.

Kettle Kountry Kolors is sponsored by the Kewaskum Area Chamber of Commerce. This boat raffle will be the only drawing offered at this year's festivities.

pulling abilities. The members will be on hand to answer questions about the breed, and explain the training involved. "Everyone thinks they're wolves," Rick states, "but they're really a very gentle family dog."

Come to Kettle Kountry Kolors on Saturday, October 7, and bring the kids to see the Malamutes in action, appearing for the first time at Kewaskum's family fall festival.

COMMUNITY CALENDAR - OCTOBER -

7 & 8-- KETTLE KOUNTRY KOLORS Family Fun Festival in River Hill Park, Kewaskum. Saturday, & Sunday, Oct. 7 & 8 from 10 a.m. to 5 p.m. rain or shine. Live music, crafts, buckskinners, ethnic foods, children's activity tent, lots of free activities for everyone! Call 626-2626 for additional information. 9-21-3p

8-- ST. MATTHEW'S FALL FESTIVAL CAMPBELLSPORT, Sunday, Oct. 8. Country style chicken & ham dinner with dressing, large variety of homemade desserts, 11:00 am to 3 pm. Adults \$6, children 12 & under \$3. Festivities, crafts, games & refreshments. Will begin in school gym after 10 Mass. 9-21-3p

8 -- KEYS Scholarship 5K Run/Walk Sunday, Oct. 8th at 10:30 a.m. at River Hill Park, Kewaskum. In conjunction with Kewaskum's Kettle Kountry Kolors. 9-21-3p

There is a 3.00 (pre-paid) charge for publishing your event up to three times in the Community Calendar column.

Malamute Club to Demonstrate Canine Skills at Kettle Kountry Kolors Festival

By Sharon Callaway Roznik

The Malamute Club of Wisconsin will be demonstrating their canine skills at this year's Kettle Kountry Kolors Family Fun Festival, featuring weight pull demonstrations and cart races.

As part of Sunday's entertainment line-up, the dog club will be bringing 15 to 20 Malamutes to the park, and spectators will have a chance to learn about the versatility of the breed.

The Malamute is a Nordic dog, descended from the Arctic wolf, and it's name comes from an Alaskan tribe that raised and cared for these beautiful snow dogs. It is an extremely loyal and intelligent breed, used primarily in the past as a sled dog. Packs of Malamutes have participated in many polar expeditions, for which they were particularly well adapted due to their tenacity, sense of direction, and excellent sense of smell. They have appeared as unforgettable characters in the stories of Jack London and Rudyard Kiplinger, and have today become excellent family pets, as well as a working breed.

Spokesperson Rick Pfeiffer of Palmyra has been raising Malamutes for the past 20 years, and enjoys educating the public and showing off his dogs. "They're lots of fun, and in our family, we've been using them for 4-H projects, backpacking, obedience work, sledding and confirmation (the show ring)," he states. Pfeiffer towns ten dogs, and is looking forward to the club's first year at Kettle Kountry Kolors.

The Malamute Club of Wisconsin includes about 60 members from across the state, and they participate in Winter Carnivals that feature

sledding competitions for prizes. As a working breed, they are used to pulling heavy loads, and during the year when there is no snow, they pull carts and participate in weight pulling competitions and demonstrations.

The record for weight pulling so far, by a Malamute, is 3,800 pounds indoors, and 2,700 pounds outside. The dogs themselves weigh from 65 pounds for a female, up to 140 pounds for a large male.

The club will be up at River Hill Park on Saturday, and their dogs will be performing their carting skills, as well as their weight

Board Hears Complaints of Residents

By Lana Harbeck Kuehl

Some complaints by a few residents were addressed by members of the Kewaskum Village Board at last week Monday evening's meeting, even though some of the citizens did not probably receive the answers they would have liked to hear.

The first request concerned a resident who questioned the maintenance responsibility of greenway adjoining her property. She maintained the greenway herself for many years, but is now no longer able to and has to hire someone to mow and/or shovel the greenway area. She stated, "Why must I pay somebody else to do it, when it doesn't even belong to me?"

Trustee Gavin explained that no one owns the sidewalk adjacent to greenway, but it is the responsibility of the property owner to maintain it. He stated, "I think if we change the policy for you, we're going to have different people from all over the community stating the same situation. Everybody has a legitimate concern saying that they couldn't afford it or didn't want it and everything else. If we wouldn't have sidewalks here you really wouldn't be complaining much, other than having to cut the grass."

The woman stated she was also talking about snow shoveling, and she didn't want sidewalks in the first place.

Gavin added, "This piece of property is just a sad situation or it could be a good situation depending on who lives there. If it was a family with kids that lived there they'd love to have that extra 159 feet to play on. I don't see why the village would want to take over maintaining that property when it serves no valuable services to the village."

President Wagner reiterated, "We could be opening a Pandora's Box to cut everyone's greenway in town."

Gavin added, "You have the potential of using that property, it's just that now you've come to the age that you can't use it anymore."

Wagner said, "I'm afraid if we would go along with this, people would be lined up downstairs to get their lawn cut, and I don't know where we would stop it."

It was the general consensus of the board that although property owners do not own their greenway, they are entitled to use it at anytime and are responsible for maintaining it, irregardless of the size of the space.

The next complaint came from a resident who stated when the village crew chipped the brush he had put curbside, they had left a terrible mess in the road. When questioning the responsibility of the cleanup of the mess

prior to the meeting, he was told it was the responsibility of the homeowner to clean up the leftover debris. The resident stated he felt any street employee who leaves a mess is entitled to clean it up.

Discussion was held on the fact that prior to contracting out for garbage pickup, the village used to pick up the branches. However, since garbage is picked up now by a contractor, the village is doing residents a service by chipping the brush curbside, thus eliminating the need for residents to haul away the brush themselves.

Director of Public Works Jerry Gilles defended his work crew, stating, "In terms of the crew's productivity today, due to our request for people to trim, we had an extraordinary amount of brush out. There were four truckloads that were chipped by the crew today. That was about 20 yards. To accomplish that, in a day, they were working. I feel the crew was working at full potential today to get the volume we had today and to get the job done. I feel their performance is good. In order to do something else in the time they had today would require

more time, so you'd change the productivity schedule and run this into a second day. The homeowner... it would maybe take him five minutes to clean that up. When you multiply that by the number of stops we have, you're looking at three or four hours. It's not the five minutes in front of his house, it's five minutes in front of a hundred houses. I guess that's where we're trading off."

The board asked the director to have the crew be a little more careful and asked homeowners to sweep up the leftover debris to prevent it from ending up in the storm sewers.

President Wagner stated alot of the problems residents have in regards to disposal of garbage and debris, etc., is not due to the fact the village is trying to be heavy-handed. Most directives are now mandated by state and federal authorities and the village must abide by the rules handed down to them.

A third complaint came from an Edgewood Road resident who stated he wished the village would do something about empty lots in the village where the owner does little or no maintenance,

leaves, holes and/or piles of dirt.

The board agreed prior to the filling of the lot in question, it could have been a potentially dangerous situation and was unsightly. They directed the Village Admin-

istrator to draft a letter to the lot's owner.

Nothing that was worthy in the past departs, no truth or goodness realized by man ever dies or can die.

Food for Families at Kettle Kountry Kolors

This year when you attend the Annual Kettle Kountry Kolors Festival in River Hill Park you can help the needy at the same time.

The Kewaskum Area Chamber of Commerce will have several barrels marked for "Food for Families" in front of their information located in the beer garden. When you come to the park, bring along a non-perishable food item to place in these barrels. All the food donated will remain in local food pantries.

Shown above are Jared Seefeldt, left, and Vicki Ziebert, right, who initiated the barrels at My Little Friends Day Care Center last week. Remember, while you are sampling all the delicious

foods being offered this year at Kettle Kountry, you can help someone else enjoy a warm meal at another time.

Kewaskum Fire and Rescue Squad Calls

Monday, September 18 - Kewaskum Rescue Squad responded to a call at 7:33 a.m. to a Village of Kewaskum business for a male patient who was experiencing dizziness. The patient was transported to St. Joseph Community Hospital, West Bend.

Monday, September 18 - The Kewaskum Rescue Squad was dispatched at 8:54 a.m. to a Village of Kewaskum business who was injured when a tire exploded. The patient was transported to St. Joseph Community Hospital, West Bend.

Wednesday, September 20 - The Kewaskum Rescue Squad was summoned at 6:50 p.m. in the Village of Kewaskum for a female patient who was found semi-conscious. The patient was transported to St. Joseph Community Hospital, West Bend.

Wednesday, September 20 - The Kewaskum Rescue Squad responded in the Town

of Kewaskum at 6:54 p.m. for a female patient who was unresponsive. The patient was transported to St. Joseph Community Hospital, West Bend.

Sunday, September 24 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched to the Town of Wayne for a male patient who had fallen down a flight of stairs. The

patient was transported to St. Joseph Community Hospital, West Bend, for injuries received.

Monday, September 25 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 7:51 a.m. for a female patient having difficulty breathing. The patient was transported to St. Joseph Community Hospital, West Bend.

Lion's Donate to Community

Kewaskum Lion's are pleased to announce the winners of the raffle from their 24th annual Chicken BBQ. The drawing was held at the Amerahn on September 12, 1995 at 8 p.m. Raffle winners are listed on page 9 of this issue.

The Lion's would like to thank everyone who donated the prizes, the raffle ticket buyers and the people who helped in any way with our chicken BBQ, with special thanks going to all those who came out in that sizzling heat to support our BBQ. Despite the heat the Lion's had a successful day, with over 500 chicken plates sold.

Kewaskum Lion's would like to share with the community the list of donations made from July 1994 to July 1995. These donations were made possible through the support of our community at the chicken BBQ and other fund raisers. Once again THANK YOU for all your support.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you

B.K.

Bishops to Visit Area Parishes This Weekend

MILWAUKEE -- Archbishop Rembert G. Weakland, O.S.B., and Auxiliary Bishop Richard J. Sklba will visit four Catholic parishes in Northern Washington County on October 1 and 2, as part of the 150th anniversary celebration of the Archdiocese of Milwaukee.

Throughout the archdiocesan anniversary celebration, one or both bishops will travel to all 284 parishes in the ten-county archdiocese. The bishops began their visits in January of 1993, and will have visited all parishes by the end of October, 1995.

Visits on October 1 and 2 will include four congregations. Two of the parishes are served by Father John L. Brophy: Holy Trinity Parish, 331 Main Street, Kewaskum; and St. Bridget Parish, a mission of Holy Trinity, located in the Town of Wayne. St. Michael's Parish at 8877 Forestview Road, in St. Michaels, and its mission, St. John of God Parish at 1488 Highland Drive in Farmington, share Father Roger A. Zens as pastor.

Members of all four congregations are welcome to attend Masses and other events throughout the visit at any of the various parish sites.

On Sunday, October 1, Bishop Sklba will celebrate an 11 a.m. Mass including Baptism at Holy Trinity Parish. Archbishop Weakland will preside at a Mass and blessing of a memorial cross at St. Michael Parish at 1 p.m.

Members of all four parishes are encouraged to attend a 2:30 to 4 p.m. town hall meeting with the bishops at St. Michael's Church. The bishops will address concerns and answer questions from parishioners during this session.

At 5 p.m., both bishops will dine with Parish Council members and their spouses in the Church Hall at Holy Trinity. Others invited to the dinner include: Sister Eileen Curran, SSND, Director of Religious Education for the four parishes; June Gauvin, Principal of Holy Trinity School; and Peg Mudroch, a Parish Consultant from the Archdiocese. A joint meeting of the Parish Councils will follow the meal.

The bishops will meet with high school students from all of the parishes at 7:30 p.m. for a discussion, also at the Holy Trinity site.

On Monday morning, one of the bishops will celebrate an 8 a.m. Mass at St. John of God Church, and then eat breakfast at a parishioner's home/farm. The other bishop will celebrate a 7:45 a.m. Mass with school children (and any parishioners) at Holy Trinity, and then join

several parishioners at St. Bridget's for a 9 a.m. breakfast.

Archbishop Weakland and Bishop Sklba will visit shut-ins at Maple Dale Manor and Meadow Creek Apartments in Kewaskum at 10:30 a.m. At noon, the bishops will join the parish priests and area ministers from other denominations for an ecumenical lunch at the Amber Restaurant in Campbellsport.

The bishops will conclude their visit with a 2:45 p.m. meeting with Holy Trinity Grade School teachers at the school located at 335 Main Street, Kewaskum.

ABC SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Sept. 19th was: Elroy Egerer, 14-3--11 net.

Magic Marketplace at West Bend Sunday

St. Joseph's Community Hospital Auxiliary of West Bend will hold its 21st Annual Magic Marketplace on Sunday, October 1. This fundraiser benefits the hospital and will be held at Silverbrook Middle School, 120 North Silverbrook Drive, West Bend from 10 a.m. to 4 p.m.

Magic Marketplace is an arts and craft fair that includes a silent auction, two quilt raffles, booster prize raffle, bakery sale, cholesterol and blood pressure screening, pumpkin patch booth and children's activity area. Sandwiches, fresh vegetables and their famous healthy eclairs will be available at the food booth.

Admission is \$1.00 which includes a free raffle ticket. Additional raffle tickets may be purchased from several area banks, any

Auxiliary member or at the door on Sunday, October 1.

Life can only be understood backwards, but it must be lived forwards.

A halophyte is a plant that grows in salty soil where most plants would die. Asparagus is a halophyte.

Local Day Care Raises Money for MDA

Erica Rammer - top hopper, appeared on the TV6 Labor Day Tele-a-thon.

This past spring the children from My Little Friends Day Care held their annual Hop-a-thon for M.D.A. They raised \$933.00 dollars this year.

The top hopper was Erica Rammer and she appeared on the TV6 tele-a-thon this past Labor Day.

The other little hoppers were Ross Cain, Erika Esser,

Elissa Esser, Kayla Goslinowski, Andrew Haugen, John Haugen, Andrina Karoses, Jodi Kerlin, Michael Korth, Jamie Lesch, Tony Lewsko, Tyler McElhatton, Nicole Meyer, Brenton Parish, Zach Parish, Rachel Rieden, Amanda Schneider, Karla Stoffel, Jenna Werner, Jennie Wicklund, and Vicki Ziebert.

Ethnic Performances

(Continued from Page 1)

about the American Indian, sharing with the children her knowledge of storytelling in it's traditional native form.

Children can look forward to three different ethnic workshops that offer hands on experience in traditional decorating. The Art of Palm Printing is an East Indian tradition taught by Usha Bedi. It is a custom used for festivals and weddings, and it involves decorating the hand as a prediction or wish for future life. In India, ornamentation of the skin has symbolic significance, as anything done ethnically, is done for a reason.

Two Korean girls will be giving the children a chance to make feather fans, as they explain how they are used and when they're worn, which is part of their traditional dress and dance. They will be constructed using paper and feathers. The third workshop will explore paper cutting, which has a long history in Poland. Used as a decorative art form, it can become very intricate, often using six different colors of paper. The workshops are scheduled for 11 a.m., noon, 2 and 3 p.m.

The International Institute of Wisconsin is a prime source of ethnic education, offering their programs to schools throughout the area. Their annual Folk Fair is

coming up November 17, 18 and 19 at Mecca in the city of Milwaukee.

The entire family will enjoy this diverse group of cultural entertainers, and the

community can look forward to their special presentation on Saturday, October 7, during this year's Kettle Kountry Kolors Festival in River Hill Park in Kewaskum.

Brad Enright of Kewaskum won \$5,000 over Labor Day weekend playing the one dollar slots in Shawano.

Simulation

(Continued from Page 3)

explains, not wanting these dogs confused with Schutzhund or other forms of attack training.

When searching an area, whether it be farm field, woods or desert, the task of the handler is to determine the best search pattern based on terrain and weather conditions. The dog then works ahead of the handler, roving back and forth looking for the victim's scent, which can be found on air currents or on the foliage in the area. "Go Find!" is the command given in a live search, and the word, "Look!" is given when searching for a cadaver.

Search dogs also receive special training in working on rubble and other unsteady surfaces, covering all aspects of agility that might be expected of them in a disaster situation. Many times, the dogs are working in areas dangerous to humans, and the search dog/handler team are prepared to assist emergency departments when natural disasters such as tornadoes, floods, or heavy snowfalls strike Wisconsin. The group helps to locate any missing or trapped victims, and also helps mark areas where there are deceased victims, so the rescue personnel can work on live victims first.

The group also trains with a Sheboygan County Dive Rescue Team, "so the dogs learn that people can be located under water," Michelle relates. The dogs search from a boat, and help to narrow the area divers search in. So far, the deepest find has been 25 1/2 feet underwater.

Handlers and their dogs put in at least 600 hours of training every year, and attend a 40 hour school offered by the North American Search Dog Network. They are usually called out twice a year for mock searches, like the one on Saturday, and travel thousands of miles every year, all of which is done voluntarily. "We spend at least \$1,000 a year on seminars and dog upkeep, not to mention the

on call 24 hours a day, and is capable of traveling anywhere in the United States. This past year they have been called out for four searches, and have also worked on the Cora Jones and Laura Depies cases.

"We call them pets with a purpose," Michelle says, "and they take their job seriously. When the harness

comes off, they know they're done working for the day. But when the pager goes off, they are up and ready to go."

Members of ISART are available for programs and demonstrations to any persons or agencies, and also offer a "Meet the Search Dogs" children's program that teaches them the basics of safety in the woods and

stranger awareness. To learn more about the group or to schedule a program write: P.O. Box 435, Cedar Grove, WI 53013, or call 414-564-2700.

The illusion that times that were are better than those that are, has probably pervaded all ages.

Obituaries

MARGARET LAUTERS

Mrs. Margaret Lauters, 82, of Beechwood, passed away on Friday, September 22, 1995 at St. Mary's Hospital in Milwaukee.

She was born on October 15, 1912 in Saukville, the daughter of the late George and Ida (Roskoph) Leider and on May 27, 1933, she was united in marriage to Louis Lauters in Saukville.

Mrs. Lauters was a member of St. Matthias Catholic Church in the Town of Auburn and it's Altar Sodality, the Beechwood Senior Citizens and the Kewaskum XYZ Club. She was employed by Regal Ware, Inc. in Kewaskum until her retirement in 1973.

Survivors include her husband, Louis of Beechwood; three sons, James (Joann) Ronald of Campbellsport, Lauters of Hixton and his friend, Nellie, and Daniel (Helen) Lauters of Kewaskum; two daughters, Irene (Leroy) Gnacinski of Beechwood and Gladys (Clayton) Weinreich of Newburg; two brothers, Raymond Leider of West Bend and Marvin (Audrey) Leider of Armstrong; a sister, Lenore Hoepner of Port Washington; 22 grandchildren, 28 great-grandchildren, other relatives and friends.

In addition to her parents, she was preceded in death by two brothers, William and Peter, two grandchildren and an infant son.

Funeral services were held at 9:30 a.m. on Monday, September 25, at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at 10 a.m. at St. Matthias Catholic Church in the Town of Auburn with Father Nicholas Goebel officiating. Burial followed in the church cemetery.

Friends called after 4 p.m. on Sunday at the Miller

Funeral Home where a parish vigil was held at 7:30 p.m.

Memorials may be directed to St. Matthias Catholic Church or the National Kidney Foundation of Wisconsin.

HILBERT KERTSCHER

Hilbert G. Kertscher Sr., of West Bend, died Friday, September 22, 1995, at the Samaritan Home, at the age of 94.

He was born January 6, 1901, in Fillmore, to the late Emil and Mary (nee Igel) Kertscher, and married Lucy Monday on October 11, 1927, at Holy Trinity Catholic Church in Newburg. She passed away July 14, 1995.

He worked at A.O. Smith for 20 years and then as a carpenter and land caretaker. He then worked at Modern Equipment Company in Port Washington until retiring in 1971.

Survivors include three

sons, Hilbert Jr. (Carol) of Boltonville, Thomas (De-lore) of Bailey, Colorado, and Clarence (Barbara) of Newburg; seven grandchildren; two step-grandchildren; three great-grandchildren; two step-great-grandchildren; four sisters-in-law, Mildred Kertscher of Port Washington, Mary Cherre of Illinois, Sister Nora Monday of Campbellsport and Alice (John) Hames of West Bend; and other relatives and friends.

Preceding him in death were two sisters, Lena and Helen, and eight brothers, Fred, John, Frank, Emil, William, Walter, Jesse and Alex.

A Mass of Christian Burial was held Tuesday, September 26, at 6 p.m. at Holy Trinity Catholic Church, Newburg. Rev. Robert Sampon was the celebrant and burial was in Holy Trinity Cemetery at 10 a.m. on Wednesday.

Visitation at the church was Tuesday from 4 p.m. until the time of services.

The Myrhum Funeral Home, West Bend, served the family.

CARD OF THANKS

A warm and very sincere thank you to all who shared in the loss of our brother and uncle, FREDERICK "FRITZ" BAUMGARTNER. We are grateful for the expressions of sympathy in prayers, floral tributes, cards and memorials. A special thank you to Rev. Victor Hackbarth for the comforting words, Sherry McElhatton for providing music during the service, pallbearers and Miller's. We would be remiss if we did not thank Evelyn Kauper's children and his caring friends and neighbors. Because of your support he was able to reside at home. Your kindnesses will long be remembered.

Gladys (Ray) Neuberger
Frank (Kristi) Schoenbeck
Ann (John) Freitas

IN MEMORY

In loving memory of KARL SCHULTZ who passed away five years ago, September 29, 1990:

Behind our smiles there are many tears
For the one we lost and loved so dear.
Others are taken, yes, we know,
But he was ours and we loved him so.
The tears we shed we can wipe away,
But the ache in our hearts will always stay.

Sadly missed by wife Evelyn, children and grandchildren.

If you want to have a wonderful vacation, take half as many clothes and twice as much money.

We will be CLOSED

Friday, Sept. 29

due to a "field trip"
(sort of)

Please drop news and advertising off Thursday... or feel free to use mail slot in front door.

Thank you.

Family Helpline Listeners Needed

The Youth and Family Project is currently seeking volunteers to serve as Listeners for the Family Helpline of Washington County.

This unique opportunity will not only provide volunteers with community service experience, but will offer education on current issues and active listening skills.

Qualified applicants for

the Family Helpline Program will be at least eighteen years of age and possess a sincere desire to help others in their community. Students, parents, seniors, etc. are encouraged to participate.

For more information on how you can become a Family Helpline Listener, call Beryl at 338-1661.

Sell it with a STATESMAN Classified ad!

School Days Mean Time For Safety

(NAPS)—This short primer on back to school safety from the Shell Motorist Club (SMC) may mean a lot to you and your family.

• **Reduce Speed.** You'll be better able to respond to school-related hazards, such as children darting into the street between parked cars. Remember: driving speeds are usually restricted in school zones during hours when children's traffic is greatest.

• **Observe School Zone Signs:** especially crosswalks. Many are staffed with law enforcement officers or crossing guards to assist with student and motorist traffic.

• **Share the Road with School Buses.** At

least 22 million school children ride the bus to and from school each day. To help prevent accidents, be sure to stop for a school bus when it is stopped to load or discharge passengers; and report illegal or dangerous school bus driving.

For information on membership in the Shell Motorist Club, write to SMC, P.O. Box 60199, Chicago, IL 60660, or call 1-800-852-0555.

Punctuality is the thief of time.

'Let There Be Light' Family Bike Ride at Kettle Kountry Kolors

The second annual "Great Moraine Kettle Pedal" will be sponsored by the Kewaskum Booster Club on Saturday, October 7. All proceeds will go to the "Let There Be Light Fund" which is nearing its goal to erect new lights for the Kewaskum High School track and football field.

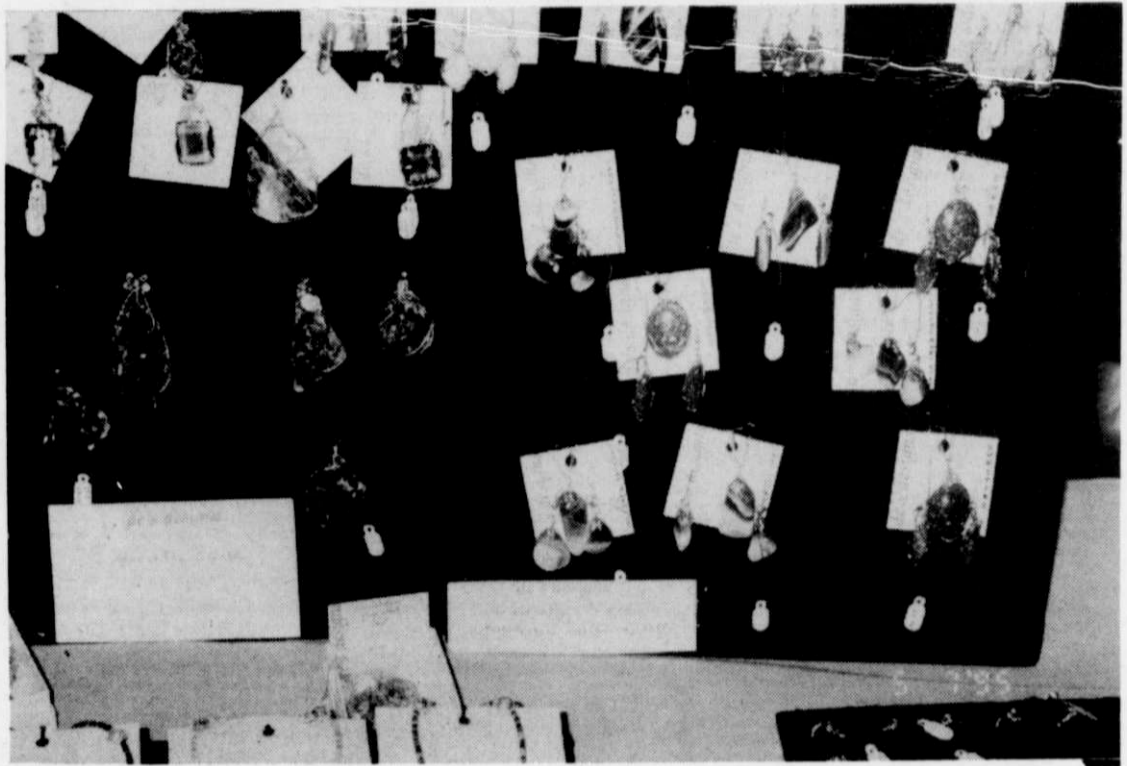

The ride is taking place in conjunction with Kewaskum's annual Kettle Kountry Kolors Festival in River Hill Park. Riders can register and begin between 7 and 9 a.m. A free safety inspection will be provided once again by Kevin Schultz, owner of Mountain Outfitters in West Bend.

The registration fee is \$15

per adult and \$45 per family in advance (\$16 and \$48 the day of the event). Riders will receive a T-shirt and there will be a choice of nine, 20 or 35 mile courses with route maps and markings provided.

So come out and enjoy the outstanding fall colors of the Kettle Moraine on Saturday, October 7, and stay for Kewaskum's autumn celebration festival, Kettle Kountry Kolors, which will also feature continuous music and entertainment, two large craft tents, a trail through time Buckskinner encampment and plenty of ethnic food and beverages. For additional information please call 626-8393.

Kettle Kountry Krafter

Lapidary art and related jewelry items will be featured at the craft booth of Dolores and John Ehrmann of De's Designs, at this year's Kettle Kountry Kolors. The huge craft area is just one of the many popular features of the family fun festival being held at River Hill Park in Kewaskum on Saturday and Sunday, October 7 & 8 from 10 a.m. to 5 p.m. The event is all set to go, come rain or shine (preferably the latter).

Still Time to Register For KEYS 5K Walk/Run

It's not too late! Anyone interested in participating in the second Kewaskum Youth Scholarship (KEYS) 5K Walk/Run is encouraged to do so.

On-site registration will be available on race day starting at 8:30 a.m. The registration fee on race day is \$12.00. One hundred extra T-shirts especially designed for this event will be distributed on a first come basis to race day registrants. For those who have already pre-registered, your T-shirt will be waiting for you. Remember all entrants under 18 will receive coupons for a free video rental from Video Post and a Dairy Queen Dilly Bar coupon.

The walk/run, held in conjunction with the Kewaskum Area Chamber of Commerce sponsored Kettle Kountry Kolors Festival of Fun, is scheduled for Sunday, October 8 at 10:30 a.m. in River Hill Park beginning on the south end of Parkview Drive.

Runners and walkers can also accept pledges or incentives. All donations totaling \$50.00 or more will receive a complimentary gift certificate of your choice for Kewaskum Subway or Dairy Queen. All donations totaling \$100 or more will receive a Kewaskum sweatshirt. The top two individuals, 18 or under, turning in the highest dollar amount of pledges will have a choice of a Dyno VFR or a TREK 800 Sport Mountain Bike, girls or boys. This is courtesy of Pedal Moraine with a retail value of \$225.

Bring your family and

your friends! All are invited to enjoy the course that winds through Kewaskum while experiencing the beauty of the autumn hues, right here in the Kettle Moraine.

What's New at the Kewaskum Public Library?

Fall story time for children, ages four and older has started, but we have room for more! It is held on Wednesdays at 1 p.m. for approximately 45 minutes. We share stories, music activities, hand rhymes, simple crafts, etc. Children do not need to be accompanied by an adult, but should have a valid library card. If you are interested, please contact the library.

Toddler story time meets on the first and third Wednesdays of each month at 10 a.m. for the entire school year. This is a pleasant introduction to the library, and is geared to younger children, ages two and older. Toddlers must be accompanied by an adult.

This is very informal, with approximately 30 minutes of sharing books, finger plays, music, etc. Parents are encouraged to interact with the children. We welcome anyone interested!

New adult fiction includes: *Coming Home* by Rosamunde Pilcher, *Dead Man's Walk* by Larry McMurty, *Gump and Co.* (the sequel to *Forest Gump*) by Winston Groom, *Legacies* by Janet Daily, *A Long, Fatal Love Chase* by Louisa May Alcott, *Stormy Weather* by Carl Hiaasen, *Morning, Noon and Night* by Sidney Sheldon, "L" is for *Lawless* by Sue Grafton, *Tortilla Curtain* by T. Caraghessan Boyle, and *A Place Called Freedom* by Ken Follett.

25 Years Ago

September 25, 1970

A collaborated building project among five Milwaukee builders, the first of its kind anywhere, is in the offing for Kewaskum. The project involves 50 homes in Bel-Ric Acres. The homes will be built on family priorities under the Farmers Home Administration plan with federally subsidized interest rates to aid families in buying a home. The firms are banded together under the name of Metropolitan Builders Association, and January 20 is the target date for five models to be shown in a "Parade of Homes."

The newly formed Kewaskum Lions Club held its Charter Night dinner at the Wigwam Supper Club Tuesday night with 225 club members, Lions officials, members from surrounding clubs, and their wives in attendance. The Kewaskum Club, which is a member of District 27-A, has 22 charter members. They are as follows: Carl Acker, David Backhaus, Myron Belger, Paul Blumer, Byron Bunkelman, Earl Buswell, Neil Denniston, William Edwards, Merlin Fellenz, Lester Francke, Richard Hartwig, Eugene Herriges, Robert Kirst, Donald Koerble, Willard Lynn, Roger McKenna, Kenneth Neldner, Roger Schleif, Homer Schaub, Desmond Smith, Alois Staehler, Robert Staehler. The first Board of Directors consists of Robert Kirst, President; Byron Bunkelman, First Vice President; Desmond Smith, Second Vice President; David Backhaus, Third Vice President; Richard Hartwig, Secretary; Paul Blumer, Treasurer; Kenneth Neldner, Lion Tamer; Donald Koerble, Tail Twister, and Lester Francke, Roger McKenna and Alois Staehler, Directors.

The following cast has been announced for the Kewaskum Community High School production of Irving Berlin's "Annie Get Your Gun." Cast members include: Annie Oakley - Sue Behnke and Doreen Rumsey; Frank Butler - Pat Perkins; Charlie - Dana Acker and John Backhaus; Dolly - Beth Buswell and June Scannell; Wilson - Tom Hensiak and John Meilahn; Buffalo Bill - Doug Acker and Tom Benzschawel; Sitting Bull - Dave Benzschawel and Ivan Andrade; Pawnee Bill - Steve Bremser and Dennis Smith; Mac - Jeff Ketter; Little Jake - Orin Acker; Conductor - Mitch Ogi; Waiter - Artie Buss; with small parts taken by Katie Roeder, Gail Krueger, Sandy Schleif, Linda McCarty, Darla Fellenz, Jane Butzke, LuAnn Czaja, Christine Jadro, Jane Krueger, Debbie Strigenz, Terry Backhaus, Daryl

Wendel, and Terry Buswell, plus members of the chorus and the dancers.

A son was born to Mr. and Mrs. Harold Schladweiler, Kewaskum, on September 20.

NOTICE OF HEARING TOWN OF WAYNE ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Wayne Zoning Board of Appeals will conduct a hearing on the application for appeal filed by WILLIAM FLY. The hearing will be held at 10:00 A.M. on Oct. 12, 1995, at the applicant's property located at 5600 Beaver Dam Rd., West Bend, WI 53095.

The applicant's property is located in the 5600 Beaver Dam Rd., West Bend, WI 53095.

The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to attach a structure to an existing non-conforming structure.

All interested persons wishing to comment on the appeal should appear at the hearing.

Dated Sept. 20, 1995

Excerpts From Menagerie

The following poem was taken from the 1995 Edition of Menagerie, an All Conference Writers Publication, which includes the work of KHS students.

MISS YOU SOUP

4 cups of pain
6 cups of tears
2 cups of loneliness
3 cups of could haves
3 cups of should haves
2 cups of might haves
6 cups of memories
4 cups of knowing you're not coming back

Bring the pain to a boil. It should dissolve; add the tears and loneliness. Flour the cutting board and roll out the could haves, should haves, and might haves. Sprinkle the memories over the tears and mix well; serve it on knowing you're not coming back.

Humane Society Festival is For All the Party Animals

The Washington County Humane Society will host its second annual "Festa Animalia -- a Celebration of Animals" from 8 a.m. to 4 p.m. on Sunday, October 1 at the Humane Society grounds, 3650 Highway 60. Last year over 3,000 people attended the animal fest. Festival planners are planning for the crowds to soar to 5,000.

"We are adding more exhibit tents, more animal demonstrations, extensive horse riding demos, sheep herding demos, exotic animals and a children's learning tent," explained Dianne Horlamus, executive director for The Humane Society. "To really bring out the festival atmosphere, we will offer live polka music, polka dance demos and line dancing throughout the day."

To properly handle the volume of people, part of the festival will be held at The Polk Town Hall grounds directly adjacent to the shelter. "Having access to this field will give us ample space for parking, tents and all the demonstrations," she explained.

Like last year, festival goers can look forward to the "All You Can Eat" pancake brunch which will be held from 8 a.m. to 12 noon in the shelter facility. On the menu will be "all you can eat: Henneberry pancakes, John-

sonville sausage, bakery, cheese, coffee and juice. The cost for tickets will be \$5 for adults; \$3 for children ages 4 - 12, and children under the age of three are free. Ice cream sundaes, bratwursts and hamburgers will be available throughout the day.

A new feature will be the celebrity auction. Signed and autographed sports memorabilia and other celebrity items will be available for purchase. All proceeds will fund the P.A.W.S. (Provide Animals With Shelter) campaign.

Exhibits regarding animal care, nutrition, veterinary health, grooming and training will be part of the program. This year, a wide variety of exotic animals, ostriches, llamas, camels, bats and ferrets will also be on hand in addi-

tion to the traditional farm animals. Carriage rides, camel rides and the jumping mule will make their appearances along with the "Dancing Palomino" horse Jim Bar Zane. Demonstrations on wild bird feeding, cat care, dog obedience and more will also be a part of the day.

The purpose of Festa Animalia is to build awareness of the need to support the Washington County Humane Society's building campaign P.A.W.S. (Provide Animals With Shelter). The goal of the campaign is to raise \$750,000 to expand and renovate the existing animal shelter. Washington County is the fastest growing county in the state, and with the human population growth, comes an increase in the number of animals, both wild and domestic, that are brought into the shelter. So far, volunteer solicitors have raised over \$300,000.

FIREMEN TO MEET

The regular monthly meeting of the Kewaskum Fire Department will be held on Thursday, October 5, 1995.

Village Board Meeting Minutes

Regular Meeting
September 6, 1995
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the minutes of August 21, 1995 meeting were approved as printed.

Discussion was again held on limiting the parking on Third Street between Bilgo Lane and Parkview Drive. Approximately 9 alternatives were looked at with five area residents present for the discussion. On a motion by Trustee Gary Gavin, seconded by Trustee William Kulas and unanimously carried by voice vote, the Board chose to have no parking on both the north and south sides of Third Street between the hours of 7:00 a.m. to 9:00 a.m. and 2:00 p.m. to 4:00 p.m. on school days with no restrictions between 9:00 a.m. and 2:00 p.m.

Discussion was held on the parking on the northwest side of the intersection of Main Street and Parkview Drive. It was determined the Board did not want to eliminate any additional parking from Main Street and would encourage people with larger vehicles not to obstruct the view of other motorists.

Chief of Police Richard L. Knoebel informed the Board that all of the cellular telephones will be switched to another grouping to help reduce the cost \$15.00 to \$20.00 per month.

Director of Public Works, Jerry Gilles informed the Board the school is looking at a planti-

ng program and indicated the Village would work with them if it materializes.

On a motion by Trustee William Kulas, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved the renewal application for an Operator's License for 95/96 upon payment of fees and documentation and authorized the office to issue said license as follows:

Brace, Thomas H., West Bend, WI.

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt reviewed the following:

1) Review building permit report for August, 1995.

2) Taxpayer Alliance and League bulletins.

3) Reviewed the letter received from the Kewaskum School District regarding the placement of sidewalk on Reigle Drive during the summer of 1996.

4) Review of the letter sent to those discharging grass clippings onto the streets etc.

5) Review of the letter sent to the 118 properties having low hanging or other branches over the sidewalk and street.

6) Miscellaneous correspondence.

Chairman of the Administrative Committee, Robert Stoltzmann, recommended the payment of bills as approved. On a motion by Trustee Harry Roecker, seconded by Trustee John Borland and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	259,254.86
Sewer	34,588.42
Water	5,750.51
Payroll	32,263.28
TOTAL	331,857.07

Chairman of the Protection and Public Safety Committee, Trustee John Borland announced the possible Committee meeting to review the Fire Department and Police Department budgets

for 1996 on September 18, 1995 at 6:30 p.m.

Chairman of the Public Services Committee, Trustee Robert Stoltzmann reported on their Committee meeting of September 6, 1995. It was reported that they reviewed the proposed preliminary 1996 as related to committee accounts, the recycling grant application for 1996 and Resolution No. 95-23 etc.

Chairman of the Public Works Committee, Trustee William Kulas informed the Board the Director of Public Works and he have had discussion with Dan regarding the waste oil being dropped off at Roger and Dan's. The cost reimbursement he is looking for is \$2.00 per slip received for up to five gallons of oil. The consensus of the Board was that this method was still more cost effective than establishing a Village drop off location.

Chairman of the Park and Recreation Committee, Gary Gavin announced a Committee meeting scheduled for preliminary budget review for 1996 for September 18, 1995 at 7:15 p.m.

Board Representative for the Plan Commission, Trustee David Goeden reported on the Plan Commission of August 29, 1995.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Stoltzmann reported on the next Committee meeting being scheduled for September 20, 1995 at 7:00 p.m. in Grafton.

Administrator Daniel S. Schmidt reported that the billing for the sidewalk and curb/gutter was completed for the Fond du

Lac Avenue (USH "45") project.

Action was taken on Resolution No. 95-23 a Resolution Requesting Financial Assistance for the Operation of a Recycling Program and Naming the Authorized Official as attached hereto:

On a motion by Trustee Robert Stoltzmann, seconded by Trustee William Kulas and carried by the majority voice vote, the Board postponed by one year the installation of the final lift of asphalt to Braatz Drive until October 31, 1996. Trustee Gary Gavin abstained from voting.

General discussion was held on the budget process for 1996 and it was noted the Department of Transportation did not have an approved budget yet, creating some problems in reference to how much the Village could and should anticipate.

The Board discussed the storm water problem on the west side of Fond du Lac Avenue and north of Prospect Street. It was noted the problem was on private property and that the Village does not, as general practice, get involved with correcting such situations. However a consent and waiver was obtained and the Village was authorized to act as the general contractor to resolve the problem and bill back said cost. On a motion by Trustee William Kulas, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the storm water work at an estimated cost of \$2,200 to be completed and billed back.

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and carried by the majority roll call

vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Daniel S. Schmidt
Administrator
Approved 09-18-95
Pub. (K.S.) 09-28-95

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin, Village Board is scheduled for Monday evening, October 2, 1995, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of Bank Wisconsin.

TOWN OF FARMINGTON Monthly Town Meeting

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, October 3, 1995 at 8 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.

NOTICE

NOTICE is hereby given that applications for the position of DEPUTY SHERIFF for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: MINORITIES ARE ENCOURAGED TO APPLY.

Application blanks shall be obtained from the Washington County Personnel Department at 432 E. Washington County Personnel Department at 432 E. Washington Street, West Bend, WI.

The position of DEPUTY SHERIFF has a minimum base pay of \$2,137.20 per month.

A written test will be given by the State of Wisconsin on October 21, 1995, 9:00 a.m., at UW-Washington County Campus, 400 University Drive, West Bend, WI, Room 201 - Lecture Hall.

COMPLETED PRELIMINARY APPLICATION MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY PERSONNEL DEPARTMENT BY 4:00 p.m. October 12, 1995. SOCIAL SECURITY CARD REQUIRED AT THE TIME OF APPLICATION.

Must possess the following qualifications for the position of Deputy Sheriff by the deadline date for filing applications:

- 1) Applicants shall be citizens of the United States;
- 2) Applicants shall not be less than 21 years of age;
- 3) Applicants shall have a high school diploma or the equivalent thereof;
- 4) Applicants shall have an Associate Degree or sixty (60) college credits from an accredited technical school, college or university in police science or related field;
- 5) Applicants must possess certification as a Police Officer or be eligible for certification as a Police Officer by the State of Wisconsin (having completed 400 hrs. of police recruit school requirements);
- 6) Applicants shall not have been convicted of a criminal offense equivalent to a felony or a serious misdemeanor under Wisconsin law;
- 7) Applicants height and weight should be proportional;
- 8) Applicants must possess a valid Wisconsin driver's license;
- 9) Applicants must have the ability to distinguish colors.

Residency within Washington County must be established within three months of the date of appointment to the department;

All applicants for the position of DEPUTY SHERIFF who successfully complete the written examination shall be graded on the basis of thirty percent of their of their total score applied to the written examination and seventy percent of the total score applied to the oral examination. The names of all persons whose general average is seventy-five per cent or more of complete proficiency will qualify to be on Eligible List. Successful applicants will be required to pass a physical examination, and drug screening prior to appointment. A psychological examination including a polygraph may be required.

An Equal Opportunity Employer. DATED this 15th day of September, 1995.

The next meeting date is Monday, October 23, 1995.

Indians at Two Rivers Friday

By Statesman Sports Writer

KEWASKUM -- After Saturday's six-hour trek to Rice Lake, the Kewaskum football team should have no trouble surviving the annual drive to Two Rivers this Friday night.

Once viewed as the longest road trip of the season, the hour and a half trip to the northeast will probably seem like a quick trip to West Bend for the players.

Often compounding the length of the ride to face the Raiders was the fact that the hosts have usually had strong teams, making a road victory by the Indians a longshot at best.

Those times have changed somewhat, as KHS has strengthened its program while Two Rivers had regressed a bit from its three-year reign as state champions in the early 1980s. Thus, Friday's matchup should be evenly matched.

The Raiders are 1-3 on the young season, although as KHS coach Clark Pearson pointed out, their 0-2 mark in the Eastern Wisconsin Conference could easily be reversed.

"Both were games that they could have won," Pearson said, noting the

Raiders lost 20-3 to EW leading Sheboygan Falls. "Just as in our game against them (Falls), the score was not indicative of how close the game really was."

A 13-12 loss against a resurgent New Holstein team last Friday has left the Raiders hungry for a conference victory. With a pair of talented runners in the backfield, the Raiders should provide a tough test for the KHS defense.

"They both are strong kids and good runners," Pearson said of Jose Garcia and Kevin Smogolewski. "We have to stop them."

The Indians probably won't employ any gimmicks in order to try and shut down the Raider duo.

"We will probably use our base defense," Pearson noted. "Hopefully, that will be enough to control them somewhat."

A pair of key performers for KHS will be nursing injuries that occurred over the weekend. End Joe Rettler cut his hand at work, while right guard Tim Gundrum fell while hunting. Neither should miss the Two Rivers contest, however.

"I think both will be okay, maybe they might miss a few days of practice," Pearson said, frustrated his team can make it through a football game with no injuries, but not through the rest of the weekend. "It's always something."

HALLOWEEN HINTS

Hauntingly Simple Disguises

(NAPS)—For little tricksters who love to play pretend, Halloween is the best day of the year. To help get a jump on holiday dress-up and ensure all have a ghostly good time, the craft designers at Velcro USA, makers of VELCRO® brand fasteners, have come up with these *faboolous* tips.

• Make sure costumes are made of flame-resistant or fire-retardant material. Keep them short and fall-proof. Decorate them with light reflectors so kids are more visible as it gets dark. Just attach VELCRO® brand Sticky-Back® coins to light reflective materials and to costumes. Press coins together to attach.

• Colorful, paint-on faces eliminate the need for masks, which can obstruct breathing and vision. Apply non-toxic, water-based makeup paints with cotton swabs or a soft paintbrush and use your imagination. To create a perky kitty, use simple brush strokes to define feline features. For a crowning touch, affix VELCRO® Sticky-Back® coins to black felt ears and attach to a black headband. For a clown face, paint on triangles, circles and semi-

circles in bright colors; add a soft cap and attach colored pom poms with VELCRO® coins.

• Make dressing up frightfully easy. Use VELCRO® brand hook and loop fasteners for costume closures down front openings, at necklines and waistlines.

For a free booklet with more Halloween costumes and tips, write to VELCRO® Booklet, Dept. H, P.O. Box 6441, Riverton, NJ 08077-6441.

Indians Shut Out Rice Lake, 42-0

By Statesman Sports Writer

RICE LAKE -- After last week's 54-7 whitewash of Chilton, Kewaskum football coach Clark Pearson couldn't recall his team scoring that many points in a game during his coaching tenure.

Surely he wouldn't be able to remember a time when the Indians have scored 40 or more points in two consecutive contests. That is, until now.

KHS once again controlled both sides of the ball, this time against an over-matched Rice Lake squad. The result was another whipping, this one a 42-0 shutout.

The win improved the Indians' record to 3-2 on the season.*

"We played pretty good," Pearson said of the contest played at Rice Lake, a six-hour drive from Kewaskum.

The Indian defensive unit must have built up a lot of aggression on the trek to Rice Lake, and it unleashed the intensity on the hosts' wishbone attack. Despite not playing against that potentially potent scheme, KHS limited Rice Lake to just 101 total yards, including just 97 on the ground.

"They had been able to move the ball pretty good," Pearson said of the wishbone attack. "Our kids did a really good job with their assignments. They stayed home and played their position, and didn't try to do more than they are supposed to. That's when the wishbone attack opens up."

While the defense was busy shutting down the Rice Lake rushing game, the KHS offense was piling up some more impressive numbers. The Indians gained 240 yards on the ground, led once again by senior Aaron Kurth, who had 108 yards on 17 carries.

"He had a real good running game," Pearson said of Kurth, who also scored a pair of touchdowns, including a 37-yard scamper in the second quarter. "Our backs are running a lot smarter. They are picking their holes and reading their blocks much better."

Pearson also praised the KHS offensive line, which opened some big holes for the backs.

"We finally have a line that's playing together as a unit," Pearson said of guards Tim Gundrum and Jeff Heller, tackles Pat Schmidt and Shawn Parrish, and center Nathan Scheel. "It took them a while to gel, but they have played very well the past two weeks."

Junior Kevin Martin, making his second start at quarterback, got the Indians on the board early with a 10-yard scoring strike to Joe Rettler, who had another solid game with five catches for 62 yards. Martin later

scored on an 11-yard touchdown run, and has entrenched himself as the Indians' starting quarterback.

"I think he'll probably be starting," Pearson said of Martin, who replaced the injured Brian Butschlick last week against Chilton. The two combined for a seven of nine effort against Rice Lake, "which is a real good day," according to Pearson. "It was a very tough decision (starting Martin) because Brian has done a good job also."

Running back Peter Reis had only one carry in the game, but he made it count with a 22-yard touchdown run in the second quarter, putting KHS on top 21-0. Kurth's second touchdown of the game, following Martin's

TD run, put the Indians in front 35-0, at which time the game clock started running continuously, making for a short fourth quarter.

"We were able to control the ball pretty well," said Pearson. KHS had a total of 62 offensive plays compared to Rice Lake's 37, thanks much in part to the offensive line, which controlled the line of scrimmage.

"I thought Nathan (Scheel) did an excellent job against their nose tackle, who is a pretty good football player," Pearson said. The addition of Gundrum, a former fullback, to the offensive line has also paid dividends. "He's done a real nice job for having never played the position

before."

Placekicker Luke Chesak was solid once again, nailing all six of his extra point tries. Pearson didn't get a chance to see if Butschlick has fully recovered from his injury, as the KHS all-conference punter never had a chance to kick the ball.

"I don't know if that's ever happened before," Pearson said of not having to punt once. "It's a pretty nice feeling though."
