Bill Krug Wins Chamber Boat Raffle

Kewaskum Area Chamber of Commerce President Lee Kempf, left, hands over the keys to the 1995 14' Starcraft boat and 25 h.p. Mariner motor with electric start and trailer to Kewaskum's own Bill Krug. The tension mounted all afternoon on Sunday at the Kettle Kountry Kolors festival as boating wannabees scrambled to purchase last minute tickets. At 4 p.m. Krug's name was drawn, much to the chagrin of other ticket holders. When notified, Bill wouldn't believe the caller and had to be firmly convinced on the phone that he, indeed, was the winner. Already talking about retirement and learning the fine art of fishing, Bill stated this was the first thing he has ever won. The Kewaskum Area Chamber of Commerce would like to thank all those who showed their support by purchasing tickets for the boat raffle. Your donation directly helped to underwrite the cost of all the wonderful, free entertainment enjoyed at Kettle Kountry Kolors.

Tempers Flare Monday Night At School Board Meeting

By Sharon Callaway Roznik

With a 4-2-1 vote, the Kewaskum School Board approved the hiring of Charles Johnson as acting superintendent of the district at Monday night's meeting, but not before a crowd of angry citizens, made up mostly of teachers, tried to put a stop to what they said was a blatant show of disrespect on the board's part towards educators and the community.

Parent and schoolteacher Kathy Charland was the first

to confront the board about their hiring practices, reading a written statement in which she pointed out that committees were chosen to search for and interview candidates for the position of elementary principal, but their recommendations were apparently "not good enough for the board," she stated.

The committees, made up of teachers, parents and administrators, were organized to aid in the process of narrowing down possible candidates for the job, and turn those candidates over to

the board, who according to the process, can approve them for a board interview, turn them down, or ask the committees to bring them more applicants.

"Where's the trust and respect that should be given to the other committee members and teachers who were given the job of interviewing and selecting?" Charland asked the board, referring to the fact members of the school board had added two persons to the list of candidates. "Why is that not good

Trick or Treat Hours Set Disbanding Jaycees Donate To Village T-Ball Diamond

By Lana Harbeck Kuehl

Village Trustees faced a relatively calm agenda at last Monday evening's meeting. Much of the meeting was taken up with work on the 1996 budget.

But, all work and no play makes for dull board members, so the first item on the agenda addressed the play issue. Not directly for board members, but a gift for the board nevertheless, was pre-

sented to the community for the benefit of all its' children.

Kelly Scannell, representing the Kewaskum Jaycees, presented a \$2,000 check to the Village toward the construction of one of the proposed new T-ball diamonds in Kiwanis Park.

Scannell stated, "The Kewaskum Jaycees will probably be folding up at the end of the year, so what we are looking to do, we decided

Hallen Attains 160th Donation At Community's Blood Drive

By Louise Martin

Of the approximately 260,000 blood donors in Southeastern Wisconsin, Elmer Hallen of Kewaskum joined the elite group of 38 donors who have donated 160 or more pints of blood. Hallen made his milestone donation at the Kewaskum Community Blood Drive held on Wednesday, October 4, at Kewaskum High School.

Hallen began donating in 1948 and has donated blood in Mississippi, Texas, California as well as locally. His personal goal is to reach 175 pints and possibly beyond. Congratulations on your achievement and good luck attaining the 175 pint goal!

A total of 59 donors registered the day of the drive. Special recognition and congratulations also to the following individuals for making the pin list: William Lickel and Bernice Ramthun for attaining the 32 pint goal, Dale Tuttle earned the 24 pint goal and Daniel Sabish reached the eight pint recognition.

Other registered donors included David Amerling, Robert Bath, Bob Becker, Jennifer Braun, Christine Brettingen, Russell Brooks, Sue Burgard, Lisa Delvaux, Lois Dorn, Richard Dreher, Linda Enright, Lee Ermer, Cory Ferber, Donna Gajewski, Gary Gajewski, Patricia Geidel, Patty Goetsch, Carlotta Hanson, Janet Heberer, Stephanie Heberer, Jacqueline Herriges, Lloyd Herri-

ges, Sylvester Keller, Leander Kempf, Norman Kempf, Harold Kirchoff, Linda Kirst, Linda Kiser, Karen Kletti, Kristine Koffke, Connie Kohn, Ted Kuehn, Erma Markus, Larry Martin, Linda McDonald, Sharron Miller, Andrew Pesch, Orville Petermann, Cheryl Peterson, Ann Polzean, Rodney Rabuck, Carolann Ramthun, Jacalyn Rauch, John Reigle, Jeanne Schairer, Carol Sabel, Mathias Schickert, Cindy Schneider, Karen Schneider, Sharon Serwe, Holly Swanson, Mary Vrana, Clare Weidner and Marge Zehren.

Eight employees from Bank Wisconsin were among those who donated blood, two employees from Miller's Fine Furniture Store and four members of the Kewaskum Junior Woman's Club.

A very special thank you and recognition is extended to the Holy Trinity Christian Women for preparing and serving lunch to the donors, the Kewaskum Kiwanis Club for providing funds for the food, the Kewaskum Statesman for publicity, the high school staff for providing and setting up the area for the drive, the students who assisted with the equipment, area businesses for displaying posters and finally to all the donors. You truly are a special group of people! Thank you.

WEEKS WIT

Have you heard about the new reducing belt? You put it around the refrigerator and lock it.

School

(Continued from Page 1)

enough for the board to accept and look over? I don't believe the seven of you have more experience or insight into what it's gonna take for a principal to work cooperatively in that school situation." She felt that all this stemmed from a power play that had been going on for several months.

One of the members of the committee was parent and educator Mike Miller, who spoke out saying the group was never given any direction on how many candidates the board would like presented to them. "All they said was they would like to have three, but there weren't three candidates that could have been successful in the Kewaskum School District," he told the crowd that evening. The committee ended up recommending two applicants for further review with the school board, but apparently Miller had thought the board had thrown out these individuals for consideration. "I'm somewhat offended by all of a sudden dropping what was given to us as a responsibility," he emphasized.

Board President Neal Weare tried to clear up the matter, telling him (Miller), "Nobody has been taken out. Those individuals you selected will be interviewed. There'll be two sets of dates, the 17th and 18th, and the two people that had been selected originally, were also kept as part of that, so I don't know where you're getting your information from, that these people were thrown out, discarded, or whatever." The dates for the interviews had been rescheduled for a later date because of the new interim superintendent had asked if he could help in the process of selection. "I did not see this as an unreasonable request," Weare stated.

Audience members questioned why the board had added other applicants to the list of interviews, and were told that the board, as well as other parents in the district, felt that two candidates weren't enough to make a reliable choice. Mrs. Domasky was against this decision, and told the board, "you want to add two candidates to make your choice, and to treat us, that we don't know a thing about education."

Board member Karen Sparks was visibly upset, and related that individuals cannot speak "for the board." "The board did not meet, there was no official action. The board does not exist unless we are in a meeting, so I think rather than saying the board has a concern, we need to say which individuals have a concern, and that's true of this issue and a gajil-

lion other issues, and I'm tired of it too." Ruth Schmitt, another board member, said she hoped tonight would help the board understand they act only as a body, and not as individuals.

Board member Mary Andera expressed concern from the beginning that she would like to see more candidates, because originally they were only presented with one. "The optimum for my mind is four, so that I know I can tell people that I've chosen well."

President Weare stood by the decision, telling everyone, "I guess if you want to say one person made it, yes, I did, for the reasons I gave before, and I'll stick by those reasons. If people have a problem with it, I have to live by that problem for another year. I felt that what we did was right, and I was respecting the wishes of what I was under the impression was the new acting superintendent."

Miller also spoke for several members of the audience that evening when he asked board president Neal Weare to explain the reasoning behind having an uncertified superintendent come in without any community input. When Mr. Weare made the motion to approve Charles Johnson as acting superintendent, Mrs. Schmitt stated that she had some very serious reservations about the appointment at this time, citing certification as the problem. Schmitt had contacted the DPI and the State School Board Association, and found that the governor of the state had placed a bill into the budget that allows a district to hire a superintendent without certification, but a public hearing must be held to obtain a waiver. Schmitt also went on to explain that if Johnson's future certification was denied, his contract would be null and void.

Dr. Heather told the board that the DPI indicated waivers were not being granted until July 1, and in light of the new information, both board members Sparks and Schmitt could not approve of Johnson's appointment. President Weare remarked that Mr. Johnson was aware of the stipulations as far as contract goes, and did not have a problem with it, and that he was waiting for a transcript so he could file for his certification.

Schmitt thought that at the very least, a public hearing must be held. "I do plan to pursue this legally," she told the other board members. "I'm not going to let this board hire a superintendent without following state laws." According to her, when the state budget is passed, this bill will go into effect, and in conversations with the state school board, they indicated to her that Johnson was probably one of the first persons in the state,

besides Howard Fuller, to seek the role of superintendent of a district without certification.

Community residents had many questions regarding Mr. Johnson's past experience, and why he was chosen above other applicants, but that information could not be released at the meeting due to closed session requirements. President Weare told them that all information could be released once Johnson was hired by the district, since it would then become public record. Three candidates had been interviewed, and he was chosen for approval by consensus of the board.

Mary Andera, spoke out as an advocate for the taxpayer, and related her dismay at having to participate in any closed sessions at all. "I really wish that everyone would take the time to talk to Mr. Johnson," she related in a heartfelt speech. "There were a lot of changed minds by the end of the meeting. When we first got the information, some of us were a little concerned about the certification, and I was one of them, but by the end of the night, all of that went out of my head, I knew that we had the best choice. I'd love to say just what went on, but I can't, and it's driving me crazy."

Attorney for the district, Mike Spector, has gone over all the legal aspects of the appointment, and found them in accordance with state laws, and has indicated that Mr. Johnson can be hired under the provisions of the contract. "This consensus was arrived at by his qualifications, and abilities, regardless of anything else," Andera emphasized, "based strictly, as it should be, on the man's experience, and you will all be very embarrassed when you find out."

The board approved the hiring of Charles Johnson as acting superintendent for the district, with Weare, Schulte, Andera and Goeden voting yes, and Beimborn and Schmitt voting no and Sparks abstaining.

Homecoming to Be Featured In Next Week's Issue

Due to the massive amount of photos taken this past weekend, one tiny, little roll of film seemed to have wandered away from home.

A nationwide search was undertaken and, lo and behold, the missing little "fella" turned up... however too late to be efficiently used this week.

Nevertheless, we are very relieved the little "fella" made his way home, cold and hungry, vowing never to stray again and promising to work to the best of his ability in next week's issue.

Village

(Continued from Page 1)

we wanted to do something for the community, something that would have a lasting effect to the memory of the Jaycees because we were here 25 years. What we decided to do was to give \$2,000 which we would like to donate to the park. I understand you're putting up two ball diamonds. We would like to donate the \$2,000 to the south diamond and have it dedicated to the Jaycees. We have a plaque made up that we would like to put up at the diamond, and then it would be kept up by the village."

When asked why the Jaycees were disbanding, Scannell answered, "We can't get enough people to keep the membership up. We need 20 members to keep the chapter."

All board members were dismayed to see the community losing the Jaycees organization because they have contributed so much to the betterment of the Village. President Wagner stated he felt the donation was a very honorable thing for the Jaycees to do.

The plaque, which will be placed at the diamond, will list the names of all past presidents of the organization.

Trustee Gary Gavin commented the Jaycees had run the Little League program in the community for many, many years and he did not know who would take over that project now, or what effect the disbanding would have on the program.

An extensive explanation on some of the 1996 budget items was presented by Village Administrator Daniel Schmidt. If you want to know and understand where your tax dollars are being spent, take the time to attend one of these upcoming meetings. All items are clearly explained in detail.

Police Chief Richard Knoebel announced that Trick or Treat hours have been set for Sunday, October 29, from 2 to 4 p.m.

In the midst of winter, I finally learned that there was in me an invincible summer.

County Fire Departments to Hold Open Houses

The Washington County Fire Chiefs Association reminds you that National Fire Prevention Week is October 9-15. It is a good time to review some of your personal fire safety practices, such as:

- 1) Check for any hazardous conditions on your property.
- 2) Change batteries and check the operation of your smoke detector(s).
- 3) Establish and/or evaluate a fire exit plan for your household with your family.
- 4) Call 911 in any emergency.

You are invited to visit your local fire department during their Open House schedule:

Kewaskum - Thursday, October 12, 6 to 8 p.m.

Jackson - Thursday, October 12, 6:30 to 9 p.m.

Kohlsville - Thursday, October 12, 6:30 to 9 p.m.

St. Lawrence - Thursday, October 12, 9 a.m. to 3 p.m.

Richfield, Station One - Friday, October 13, 7 to 10 p.m.

Kewaskum Fire and Rescue Squad Calls

Friday, October 6 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 12:30 p.m. for a male patient who had been injured in a fight. The patient was transported to St. Joseph Community Hospital, West Bend.

Friday, October 6 - The Kewaskum Rescue Squad was summoned at 3:49 p.m. in the Village of Kewaskum for a male patient who was experiencing abdominal pain. The patient was transported to St. Joseph Community Hospital, West Bend.

Stained Glass Artist at Wayne Elementary

Helen Hinterberg talks to students at Wayne Elementary School about the art of stained glass. Pictured with her are examples of her work - a kaleidoscope, paper weight, a glass box, an angel and a window.

Mrs. Helen Hinterberg of Barton Artglass in West Bend, was the guest artist for the gifted and talented ART ENRICHMENT students at Wayne Elementary School.

She is a stained glass artisan who has done a variety of stained glass projects for businesses and private collectors in the West Bend area. Mrs. Hinterberg shared her skill and interest in stained glass with the children and brought examples of her work to share with them.

The children are now busy formulating ideas to come up with a theme for a stained glass project. The children will create a design and then make a stained glass mosaic window that will hang in

Wayne School.

This project is part of the district gifted and talented education program and is designed to expose children to art work done by real life artists.

Historical Society Meeting Tuesday

On Tuesday night October 17th members and friends of the Kewaskum Historical Society will meet at 7 p.m. in the community room. On the agenda is discussion of our year end dinner on Nov. 12. If you have any questions or would like to become a member, please call Jake Schmidt at 338-1568 weekdays after 5 p.m.

Parkinson Support Group to Meet

The next Parkinson Support Group meeting for Washington and Ozaukee County community members will be held on Thursday, October 19 at 3:30 p.m. in the assembly room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

Dr. Gary Leo, Neurologist and Parkinson Disease Specialist will speak to the group followed by dinner at 5:00 p.m. at the "Top of the Ridge Restaurant" located at Cedar Ridge. Dinner is served family style and includes a beverage and dessert. Cost: \$8.50 payable at the door. For reservations, call Mary Gumm in West Bend at 334-9487 or in Milwaukee at 276-4370 by October 11. Note: If asked to leave a message when calling, please state number attending.

The Parkinson Support Group routinely meets the 3rd Monday of each month. This meeting will take the place of the Monday meeting for October. All those affected by Parkinson's Disease, their family, friends and caregivers are welcome to attend. For more information call Cedar Campuses at (414) 334-9487 or (Milw.) 276-4370 or the Wisconsin Parkinson's Association at 1-800-522-0802.

ABC SKAT RESULTS

The winners at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Oct. 3rd were: Ruth Egerer, 17-1--16 net; Harold Eggert, 11-0--11 net.

Safety Check Garage Door

(NAPS)—A garage door is more than just a luxury or convenience. It provides safety, security and protection from summer heat and winter cold. You can make sure the door is working properly by performing a regular safety check. Regular safety checks are especially important if you have children at home or grandchildren who visit regularly, or if your home is the popular gathering place for neighborhood children.

A garage door is the largest moving object in most homes, and if the door isn't properly adjusted and maintained, it can become one of the most dangerous pieces of equipment around the house.

Experts from the National Association of Garage Door Manufacturers (NAGDM) urge you to discuss garage door safety with children who play in and around your garage.

Teach them to keep hands and fingers clear of section joints, track and other door parts when the door is opening and closing. Explain the danger of being hurt or trapped under the door.

Don't let anyone stand, walk, or run under a moving door. Playing "beat the door" can result in serious injury or death.

Keep transmitters and remote controls out of reach of children. Be sure to mount the pushbutton wall control well above curious young heads. Generally the button should be at least five feet from the floor and away from all moving parts. Never operate the door unless you can see it, and keep the door in sight until it closes completely.

Make sure your operator has a feature that causes it to reverse when an object obstructs the door as it is closing. Test the reversing feature every month. If the operator does not reverse, disconnect it and have it repaired or replaced with one that has the new safety feature.

Test the force setting of the operator by holding up the bottom of the door as it closes. If the door does not reverse readily, the force is excessive and needs adjusting by a qualified professional.

Periodically test the balance of your door. With the operator disconnected, you should be able to lift the door smoothly and with little resistance. It should stay open. If the door is out of balance, have it adjusted by a professional.

Many of today's modern garage doors have an electric eye or edge sensor that provide an extra measure of safety against entrapment. If your door doesn't have such safety features, consider adding one.

Garage door safety takes only a few minutes on a regular basis. For a free brochure on garage door safety and maintenance, contact the National Association of Garage Door Manufacturers at 1-800-517-3404.

Fall Turkey Hunting Season Underway!

The 1995 Fall Turkey Hunting season is underway. The season began Monday, Oct. 9 and will remain open thru Nov. 5th. This will be the third fall season in our area, which at this time only includes unit 30. There was a slight increase in the number of permits issued this year, up from 250 in 1994, to 300 in 1995. The number of hunters applying for a Fall Permit is also on the increase with over 1600 fall applications received for unit 30. This is about the same number that applies in the spring, but in spring 1050 permits are available.

So your odds of getting a fall permit in unit 30 is not very good. Several landowners have contacted me, upset that they did not get a permit and they have landowner preference. The small number of permits available in the fall will not accommodate all landowners, for only 30% of the available permits are set aside for landowners, which is 90 permits and about 125 landowners apply for a permit during the fall season in unit 30.

A question that has come up quite often recently is, "Can I hunt for a turkey while I am bow hunting for deer?" The answer is, "yes," but remember, that it is illegal to hunt turkeys with the use of bait. So if you are using some kind of bait pile to bring in the deer you would not be allowed to hunt turkey at the same time or location.

Be aware that there are a lot more people in the woods this time of year compared to the spring turkey season and a good number of them are dressed in some type of cam-

ouflage. Be sure of your target and beyond before you pull the trigger.

If you have any other questions feel free to contact me.

Doug Bilgo
Conservation Warden
626-2116 or 533-5041

Parenting the Spirited Child

Do you have a child that is easily tormented by sock seams, who shrieks rather than cries, and gives the word persistence new meaning?

Parenting techniques that work with other children are often not effective with the challenging child. Here is your chance to surround yourself with parents who know first hand how exhausting and isolating it can be to parent a "spirited" child.

Join us for discussion and ideas on how to help your spirited child through their everyday challenges without destroying their independence and unique qualities. The group facilitator, Laurie McCann has personal experience as a parent of spirited children and is also a Family Center Nurturing Program facilitator.

Parenting The Spirited Child will meet for four Thursday evenings; November 2, 9, 16 and 30, 6:30 - 8:00 p.m. This free program is most appropriate for families with 2-10 year olds. Programs fill fast so prompt registration is encouraged. Free child care for 2-12 year olds is available on a reservation basis.

For registration and location information call the Family Center, 338-9461.

New Breakthrough In Smoke Detector Technology Provides Ten Years Of Worry-Free Protection

(NAPS)—The National Fire Protection Association (NFPA) estimates that one-third of all smoke detectors don't work due to dead or missing batteries. Further, the NFPA recommends replacing smoke detectors every ten years. In accordance with their recommendation, First Alert® designed a revolutionary new smoke detector which lasts for ten years without a battery change.

"The new Ten Year Lithium Power Smoke Detector is a significant breakthrough in technology. It eliminates the main reason detectors are inoperative—dead or missing batteries," Richard Timmons, vice president of marketing for First Alert said. "Once turned on, it will work continuously for

ten years. It never needs a replacement battery and there is no way to remove the battery. If cooking smoke sets the detector off, a silencer button temporarily quiets the alarm," Timmons continued.

A test button allows the homeowners to check that the detector is functioning properly. After ten years when replacement is necessary, a warning chirp will sound. "We predict our new Ten Year Lithium Power Smoke Detector could prevent thousands of fire-related deaths and injuries," Timmons said. This new smoke detector protects you and your family for ten years for approximately \$30, which in most areas, costs less than taking a family of four out for a movie," he concluded.

IN MEMORY

In loving memory of GLEN GUTJAHR, who passed away 10 years ago, October 12, 1985:

God saw that he was getting tired,
And a cure was not to be;
So he put His arms around him,
And whispered "come with me."
With tearful eyes we watched him suffer, and saw him fade away;
Although we loved him dearly;
We could not make him stay.
A golden heart stopped beating,
Hardworking hands at rest;
Though we still miss him deeply,
God broke our heart to lose him;
But only God knows best.

EVER LOVED AND MISSED BY HIS FAMILY.

Turkey Shoot Raffle Winners

Statesman Sports Writer

KEWASKUM -- The Kewaskum Kiwanis Club recently held its drawing for its annual Turkey Shoot raffle. In conjunction with that raffle, the New Fane Sportsman Club, home of the annual Turkey Shoot event, also held a drawing to determine winners of its prizes.

The winners of the raffle were:

- KIWANIS CLUB RAFFLE**
 \$200 - Joel Gartman, Grafton
 \$100 - Joel Bartley, West Bend
 \$50 - Chris Wadina, Milwaukee
 \$25 - Ed Leising, Milwaukee
 \$25 - Dennis Bishop, Racine
- NEW FANE SPORTSMAN CLUB RAFFLE**
 Browning Gold Hunter 12-gauge semi-automatic shotgun - Ken Dornacker,

West Bend.

Remington 870 Express 12-gauge combo - Jim Pemper, Milwaukee.

Marlin Model 60 Stainless Steel Laminated Stock .22 - Kathy Biel, Oconomowoc.

\$200 Savings Bond from Bank Wisconsin of Kewaskum - Jason Moser, Allenton.

Food Processor from Regal Ware - Carrie Palmer, Jackson.

\$50 gift certificate from Kewaskum Frozen Foods - Wally Cudnohoske, Kewaskum.

\$25 gift certificate from Denny's Quality Meats, West Bend - Phillip Gelling, Lomira.

\$10 gift certificate from Denny's Quality MEats of West Bend - Mike Samens, Campbellsport.

This year's Turkey Shoot was a huge success, according to the event's chairmen. Proceeds from the event were

estimated to be approximately 10-20 percent greater than last year's total. All proceeds from the Turkey Shoot go directly back into the community, benefitting youth and other civic activities.

BANK WISCONSIN FDIC INSURED

would like to thank Sentry Foods and Kewaskum Statesman for letting us be your financial friends.

Lauters - Limberg

Catherine Lauters and Michael Limberg exchanged wedding vows on Saturday, May 20th, 1995, during a 2 p.m. ceremony at Holy Trinity Catholic Church in Kewaskum. Father John Brophy officiated.

Parents of the couple are Dan and Helen Lauters of Kewaskum and Thomas and Yvonne Limberg of Wayne.

The bride chose their

friend, Lisa Stollenwerk of Waupun, as her matron of honor. Bridesmaids included Amy Lauters, sister-in-law of the bride, from Dundee; the bride's cousin, Julie Bartoli of Campbellsport; friends of the couple, Jennifer Schneider of Farmington and Laura Voeks of Kewaskum; and the groom's sister, Angie Limberg of Wayne.

The groom's brother, Jeff

Limberg of El Paso, Texas, served as the best man. Groomsmen were Louis Lauters of Dundee and Dan Lauters of Kewaskum, both brothers of the bride; Scott Limberg of Wayne, the groom's brother; and two friends of the couple, Trevor Alsberg of Farmington and Heath Wiskirchen of Campbellsport. The bride's cousin, Tyler Lauters of Kewaskum, served as the ring bearer.

Music was provided by vocalist Richard Pierce. Ushering duties were shared by David Martin of Kewaskum and Mark Nuenfeld Campbellsport.

A reception and dance followed the wedding at Fillmore Turner Hall.

The couple enjoyed a honeymoon trip to Mackinac Island in Michigan, and now reside in Eden.

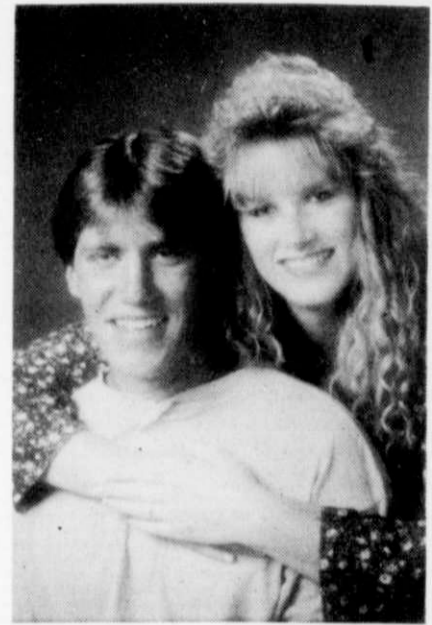

MARRIAGE LICENSES

Mark Alan Calvin and Julie Ann Foster, both Town of Auburn.

Lisa C. McNaughton, Mequon, and David A. Klitzman, Kewaskum. Wedding Oct. 14.

Andrew Charles Haebig, Village of Eden, and Rebecca Ann Seibel, Village of Campbellsport.

Struebing - Carroll

Mr. and Mrs. Ralph Struebing of Kewaskum and Mr. and Mrs. James J. Carroll of West Bend are pleased to announce the engagement of their children, Wendy Jo and Jim.

Wendy is a 1988 graduate of Kewaskum High School and a 1992 graduate of Northland College, Ashland, with a B.S. degree in biology. She is employed as a veterinary technician at Decorah Animal Hospital in West Bend.

Jim graduated from West Bend High School in 1986

and received his B.S. degree in Environmental Studies from Northland College in 1992. He is employed at Progressive Environmental Industries in Richfield, Wisconsin.

Jim and Wendy, along with friends and family, are planning a March 31, 1996 wedding in Ocho Rios, Jamaica at the Sandals Resort. A reception for the couple is planned for June 21, 1996 at the Knights of Columbus Hall in West Bend.

Aupperle - Arendt

Mr. and Mrs. Ronald Aupperle of Kewaskum are pleased to announce the engagement of their daughter, Patti Lynn, to Jody C. Arendt of Manitowoc.

Patti is a 1991 graduate of Kewaskum High School and a 1995 graduate of St. Norbert College where she received her Bachelor of Science degree in biology. She is currently finishing her bachelor in chemistry which will be completed in May of 1996. Patti is employed full-time as a Sr. Lab Technician

at Aldrich Chemical in Milwaukee.

Jody is a 1987 graduate of Luxemburg-Casco High School. He received his bachelor degree in electrical engineering from Marquette University in 1991 and is currently working towards earning his professional engineer certification. He is employed full-time at Manitowoc Public Utilities as an electrical engineer.

An October 26, 1996 wedding is being planned for the couple.

What's New at the Kewaskum Public Library?

Did you know? Monday, October 16 is **DICTIONARY DAY!** It is also the birthday of Noah Webster, American teacher and journalist whose name became synonymous with the word "dictionary" after his compilations of the earliest American dictionaries of the English language. He was born on October 16, 1758. "Dictionary Day" is an occasion to encourage every person to acquire at least one dictionary -- and use it regularly.

Just a reminder...toddler storytime meets the **FIRST** and **THIRD** Wednesdays of each month, at 10:00 a.m. in

the library. Children must be accompanied by an adult.

New adult fiction includes: The Horse Whisperer by Nicholas Evans, Come to Grief by Dick Francis, A Maiden's Grave by Jeffery Deaver, The Lost World by Michael Crichton, Choke by Stuart Woods, Superstitious by R.L. Stine, Rookery Blues by Jon Hassler, Sights Unseen by Kaye Gibbons, Enigma by Robert Harris, Cain His Brother by Anne Perry, Chain of Evidence by Ridley Pearson, and Zombie by Joyce Carol Oates.

New non-fiction includes:

My Old Man and the Sea by David Hays, A Good Walk Spoiled by John Feinstein, College Planning for Dummies by Pat Ordovensky, Job Hunting for Dummies by Max Messmer, The Laura Ingalls Wilder Country Cookbook, My Point...And Do I Have One by Ellen DeGeneres, Tribe of the Tiger: Cats and Their Cultures by Elizabeth Thomas, Seven Weeks to Sobriety by Joan Larson, What Car Dealers Don't Want You to Know by Mark Eskeldson, and Intensive Healing Diets.

The gift of knowledge lasts a life time! Lifting the veil of computer illiteracy from yourself or a loved one is the most precious gift you could ever give!

Introducing The JCT INC. Gift Certificate

Give a gift this Christmas that will be treasured for a lifetime

JCT gift certificates are sold in \$25 increments starting at \$50 and are redeemable for tutoring, service or merchandise or any combination only, no cash refunds. All JCT products, service and tutoring are delivered or performed at the customer's facilities.

JCT sells a full line of computers and related equipment. Service and/or tutoring is provided at hourly rates. Service is provided for any computer or software regardless of brand, make or model. Counseling that results in the purchase of goods or service is provided free. Tutoring or instructing is performed by service technicians at customer's facilities. All servicing and tutoring are by appointment only.

Schairer - Gruber

Campbellsport Firemen's Park was the setting for the August wedding of Laurie Jean Schairer and Kevin Mark Gruber. The ceremony was conducted by Rev. Edwin Fredrich of St. Lucas Lutheran Church.

Kelly Stahmann, friend of the couple, was the maid of honor, and Robert Schairer, Jr., brother of the bride, was the best man.

Bridesmaids included Michelle Schairer, sister of the bride, and Catherine Shreves, cousin of the bride. The miniature bride was Megan Heider, cousin of the bride.

Groomsmen included Jason Moehr and Henry Schacht, friends of the couple. The miniature groom was Andy Gruber, brother of the groom.

A dinner and dance was held at Campbellsport Firemen's Park.

The bride is the daughter of Robert Sr. and Jeanne Schairer, Campbellsport. She is a 1995 graduate of Winnebago Lutheran

Academy and is employed with Shefond Mobil Mart and Shefond Amoco, Kewaskum.

Her husband is a 1995 graduate of Campbellsport High School, and is employed with Regal Ware in Kewaskum.

They are making their home in Fond du Lac.

BIRTHS

A daughter, Bridget Brittany, to David and Bridget Schlaefel, 335 E. Main St., Campbellsport, Sept. 20.

A son, Jarrett Douglas David, to Douglas and Jennifer Feucht, 1591 Happy Hollow Road, Campbellsport, Sept. 22.

A son, Brandon Michael, to Clyde and Nancy Platz, Campbellsport, Sept. 24.

A daughter, Ashley Kathryn, to John and Cindy Benzing III, 169 Mill St., Campbellsport, Sept. 26.

RAMTHUN -- A son, Taylor Otto, to J.R. and Julie Ramthun, Kewaskum, on Sept. 28th. Grandparents are Anthony and Joyce Goebel, Eden and Otto and Cheri Ramthun, Campbellsport.

The Jubilant 'K'

by A.Mi

As my friends and I strolled about the Kettle Kountry Kolors presentation this past week, my heart was filled with gratitude toward one and all of our wonderful "K" for Kewaskum community folk!

Where else, I asked myself, does one find a group of men, women and children so sensitive to the BEAUTIES OF NATURE that they plan and execute an event such as this? And as we tasted of the fine food, entertainment and socializing, again and again our eyes were raised to the remarkably beautiful blanket of color our Washington County hardwoods were freely providing.

My friends, who are from the state of Colorado, absolutely were speechless as they took in the grandeur of color. They, of course, have their picturesque mountains boasting the evergreen and blue of the spruce and the yellow of the aspen. However, never before in their lives have they had the opportunity to view the array of hues we Wisconsinites are treated to every fall. And what interested me so strongly was the fact that they repeatedly remarked their appreciation for the citizens planning this very special event commemorating our Kountry Kolors.

So, hats off Kewaskumites. The weekend surely added to the list of nature lovers who truly are grateful to you and your fine efforts in bringing to others your love of God's creation.

Mass of Healing on Sunday at St. Mary's

A Mass of Healing will be held at St. Mary's Church, West Bend, on Sunday, Oct. 15, at 3:00 p.m.

On a daily basis we experience some aspect of brokenness and the need for the healing touch of Christ. As individuals and as community we have feelings of being unloved, broken relation-

ships, physical illness, spiritual conflicts, emotional instability, and painful memories. War, poverty and disease plague our world as well as the harm we do to one another and to the earth.

Jesus spent much of his earthly life healing. Come and experience the gentle healing power of the risen Jesus at a Mass of Healing. Everyone is welcome.

Concelebrants will be Father Patrick Wendt, pastor of St. Mary's and Father Lussier, O.S. Cam. M. Div., M.D., Ph.D. Born in Montreal, he completed his medical studies and specialty

training at the University of Montreal; he obtained a doctorate in Physiology of exercise at Penn State University; he practiced Physical Medicine and Sports Medicine in Quebec, Illinois, and Wisconsin.

He is now a Roman Catholic priest in the Order of St. Camillus (Servants of the Sick), in Milwaukee, and Editor of the Journal of Christian Healing.

If you want to have what you have not, you must do what you do not.

Obituary

EUNICE ZIEBERT ZWICKY

Eunice G. (Ziebert) Zwicky, 64, formerly of 102 N. Berger Parkway, Fond du Lac, and Fond du Lac Lutheran Home, died Sunday, October 8, 1995 at Fond du Lac Health Care Center.

She was born July 3, 1931, in Sheboygan, a daughter of Henry and Catherine Moehn Manthy. On August 1, 1953, she married Theodore J. Ziebert at St. Clements Church in Sheboygan. He died July 16, 1976. On January 6, 1979, she married Fred J. Zwicky at St. Mary's Church in Fond du Lac.

Mrs. Zwicky was a graduate of Sheboygan Central High School and a 1952 graduate of St. John's School of Nursing in Springfield, Illinois. She and her first husband previously owned and operated the Wooden Nickel in Fond du Lac, Oshkosh and Green Bay. She was a nurse in the Fond du Lac area.

She was a member of St. Patrick's Church and its Altar and Rosary Society, Fond du Lac Lutheran Home Auxiliary, League of Women Voters, Fond du Lac Sailing Club, Red Cross Blood Drive and American Heart Association. She organized the Blizzard Ski Club which later became the Snowstar Ski Club. She was an avid sailor and skier.

Survivors include her husband; three daughters, Katherine Z. Westphal and her husband Jon of Port Washington, Elaine Z. Burke and her husband Kevin of Madison, and Ann M. Schneider and her husband Stephen of Fond du Lac; three sons, Karl Z. Ziebert and his wife Rose of St. Peter, Ken J. Ziebert and his wife Sharon of Pewaukee, and Paul D. Ziebert and his wife Tami of Kewaskum; ten grandchildren; one sister, Cleo Hlaban and her husband Stanley of Oconomowoc; one brother, Earl Manthey and his wife Jan of Greendale; her mother-in-law, Regina Bedford of Fond du Lac; four stepsons, John Zwicky and his wife Donna of Lombard, Illinois, Stephen Zwicky and his wife Loretta of Charleston, South Carolina, Gerard Zwicky and his wife Sheryl of Park Ridge, Illinois, and Bernard Zwicky of Fond du Lac; two stepdaughters, Mary Leb and her husband Robert of Lomira, and Suzanne Freund and her husband Thomas of Lamartine; and ten step-grandchildren.

Preceding her in death were her parents; her first husband; and one son, Theodore on May 19, 1987.

Funeral services were held at 10:30 a.m. Wednesday at Uecker-Witt Funeral Home and at 11 a.m. at St. Patrick's Church. The Rev. Michael Sturm officiat-

ed. Burial was at Calvary Cemetery.

Visitation was held from 4 to 8 p.m. Tuesday at the funeral home where a vigil service was held at 7 p.m.

A memorial in her name has been established.

BIRTH

GRADIAN -- A son, Ian Alexander, born Oct. 4, to Kristin and Mark Gradian, of Milwaukee. Maternal grandmother, Linda Gnacinski Gage, Wilmington N.C. Maternal great-grandmother, Jeanette Gnacinski, Antigo.

spotlight on safety

Prevent Carbon Monoxide Accidents

(NAPS)—Carbon monoxide (CO) is an odorless, colorless, tasteless and non-irritating gas that is very toxic, because it combines with the body's blood and prevents it from absorbing oxygen. A person exposed to carbon monoxide may complain of dizziness, headache, nausea, sleepiness and similar symptoms. In severe cases, CO poisoning can be fatal.

CO is a product of incomplete combustion of organic material, which includes such common fuels as coal, wood, charcoal, gasoline, kerosene, diesel fuel, heating oil, natural gas and propane, and almost any other combustible material such as tobacco, fibers and paper. Smoke inhalation from fires is the most common form of CO poisoning, although cigarette smoke and vehicle exhaust fumes create the most significant sources of regular exposure to CO for most people.

Vents, equipment and chimneys that are not properly installed, used or maintained are the primary cause of carbon monoxide problems associated with heating equipment and appliances.

To prevent CO from causing injury, the American Gas Association rec-

Keep your chimney clean to keep your indoor air free of carbon monoxide.

ommends that consumers take the following steps:

- Never leave a vehicle engine running in a garage
- Have your furnace and water-heating system properly installed, maintained and inspected regularly

- Be sure that fireplace and wood stove chimneys and vents are not obstructed
- Never use a charcoal or gas grill indoors or in an attached garage

People who suspect they are being exposed to CO and have medical symptoms should leave the premises and seek medical attention immediately.

Carbon monoxide can be dangerous, but proper use and maintenance of appliances, vehicles and other equipment can help ensure their safe operation.

Celebrate The Harvest With Bushels Of Caramel Apples

(NAPS)—Plump and juicy apples are ripe for the picking in orchards and farmstands. There are many ways to enjoy these delicious fruits, but none more seasonally appealing to both children and adults than a juice-sweet caramel-covered apple.

With the help of the microwave and a bag of KRAFT Caramels, it's a cinch to whip up a batch of these classic autumn treats. Simply "zap" the caramels with a bit of water and peanut butter in the microwave and dip the apples into the rich-smooth sauce. The crisp texture of the tart apple is a perfect complement to the creamy taste of the rich melted caramels.

Zap an apple™ Caramel Apples

Prep time: 20 minutes plus refrigerating

Microwave cooking time: 3 1/2 minutes or

Top of stove cooking time: 15 minutes

4 or 5 medium apples

wooden sticks

1 pkg. (14 oz.) KRAFT Caramels (48)

2 Tbsp. creamy peanut butter (optional)

2 Tbsp. water

chopped peanuts

- Thoroughly wash and dry apples; insert stick into stem end of each apple.
- Microwave caramels, peanut butter and water in small deep microwaveable bowl on HIGH 2 1/2 to 3 1/2 minutes or until smooth, stirring every minute. (If caramel sauce is too thin, let stand about 2 minutes before dipping apples.)
- Dip apples into hot caramel sauce; turn until coated. Scrape excess sauce from bottom of apples. Dip caramel-coated apples in chopped peanuts. Place on greased wax paper. Decorate with candy, if desired.
- Store in refrigerator. Let stand at room temperature 15 minutes before serving to allow caramel to soften. Makes 4 to 5.

TOP OF STOVE

- Wash and dry apples; insert stick into stem end of each apple.
- Melt caramels with peanut butter and water in heavy 1 1/2-quart saucepan on low heat, stirring frequently until smooth.
- Continue as directed.

Fear is the main source of superstition, and one of the main sources of cruelty. To conquer fear is the beginning of wisdom.

C of C Presents Plaques to Kewaskum's 'Century' Businesses

The Kewaskum Area Chamber of Commerce presented plaques to two of Kewaskum's century-old businesses during Sunday's Kettle Kountry Kolors festivities. Shown above are representatives of Sentry Foods, who have been an integral part of the Kewaskum community for 104 years. Left to right: Eleanor and Harold "Mixie" Marx, and Judy (Marx) and Bill Geidel. The store has four generations of their family in the grocery store business in this community, a fact they can take great pride in.

The Kewaskum Statesman, who just turned 100 years old on October 5, also received a plaque from the Chamber of Commerce on Sunday. Shown above are Andrew Kuehl, Marcie Harbeck and Lana (Harbeck) Kuehl. Andrew is also the fourth generation of the Harbeck family taking an active interest in the newspaper business.

Pheasant Season Outlook Good For Wild and Game Farm Birds

POYNETTE - Increasing numbers of wild pheasants in some areas combined with the continued stocking of game-farm raised pheasants on more than 70 public hunting grounds will provide hunters with good opportunities when the pheasant season opens statewide on October 14.

Additionally, this year's pheasant season will be 24 days longer than last year's, running through December 31, and the daily bag limit will increase from one bird per day to two birds per day after opening weekend. In the past the daily bag limit did not increase until the third week of the season.

Both of these changes should provide greater pheasant hunting opportunities, according to Mike Foy, a pheasant management specialist with the Department of Natural Resources.

Foy said there has been some confusion as to whether the DNR would continue to stock game farm pheasants in public hunting grounds because the 1995-97 state biennial budget bill did not initially include funds for the pheasant rearing program at the state game farm.

"Funds for the program were restored in the final budget bill and the game farm has raised 47,500 pheasants for release on public hunting grounds and another 64,000 rooster chicks that were shipped to cooper-

ating clubs for rearing and distribution," Foy said.

While this is a slight reduction in pheasant production from previous years, when combined with wild pheasant populations, quality pheasant hunting should be available throughout much of the state, Foy said.

Spring surveys of wild pheasant populations found about half the areas surveyed showed population increases, while other areas showed moderate decreases.

"This wasn't anticipated, since the weather was excellent for nesting and brood rearing in 1994 and the winter was exceptionally mild," Foy said. "This should have left pheasant populations in fine shape."

The lower numbers could reflect poor conditions for pheasant crowing -- the method used to count birds -- when the surveys were conducted, or it could reflect a decline in some local populations. Foy said the local declines could be due to a reduction in crop acreage left idle by farmers or because with a dry warm spring in 1994, farmers were able to make hay early in the year, possibly reducing pheasant production in spite of the excellent weather.

Hunters are reminded that a pheasant stamp is required to hunt within the Pheasant Management Zone as shown in the hunting regulations pamphlet.

Minutes of Village Plan Commission

Village of Kewaskum
Plan Commission
August 29, 1995
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were John Stephani (7:04), Richard Schmidt, Frank Beesten, David Goeden, Charles Waala, and Paul Ziebert (7:07). Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by David Goeden, seconded by Frank Beesten and unanimously carried by voice vote, the Commission approved the minutes as printed for June 27, 1995.

The commission reviewed the request of Thomas and Diane Piwoni for rezoning of 402 Main Street from R-3 Two Family Residence District to R-4 Multi-Family Residence District. Parcel known by tax key V4-0302. Zoning Administrator Richard Zarling said he would have to oppose the rezoning for it is non-conforming and would

not meet the set-back and side yard requirements. The procedure would be for them to first ask for a variance through the Board of Appeals. By consensus, the Commission felt that would be the route to go and did not take action on the matter but directed the Zoning Administrator to notify them of the situation.

Mr. Rick Kania of SEWRPC was present, for discussion on the Master Plan, and more specifically Chapter 6 Objectives, Principles and Design Guidelines (part 2 of 2). Mr. Kania instructed the Commission and others involved to review the chapter and to bring back their input at the next Commission meeting. The Commission reviewed in detail, with Mr. Kania the last third of Chapter 6 (part 2 of 2). The Plan Commission did finish the review. Mr. Kania indicated he would prepare a new draft with all the changes as discussed. He reiterated that the Land Use Plan is a guide/vision and that just because something is in the Plan doesn't make it a rule within the Zoning Ordinance after the Land Use Plan is completed.

On a motion by Richard Schmidt, seconded by Charles Waala and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Kewaskum's Kettle Kountry Kolors Celebration

It was vintage Kettle Kountry Kolors weather... windy, cool and drizzly Saturday and warm, gorgeous and color-laden on Sunday. It's almost as if we order it that way every year, but nevertheless, not even Saturday's chilly dampness could keep festival-goers away. And with all the entertainment, food, crafters and excitement, one would have

been silly to let a little thing like weather keep you away from River Hill Park. The festival was advertised as being held "come rain or shine" and people did come, both days, to partake in all the activities offered, not to mention the yummy food and homemade desserts! The festival should really be three days long so everyone gets a chance to

sample all the food. There's just not enough time to do everything! They say a picture, however, is worth a thousand words, so we decided to take you on a pictorial tour of some of the events at Kettle Kountry Kolors. Hopefully, we can borrow a few photos from our friends to complete the pictorial for next week's issue.

The popular German band, "Die Sterne Der Heimat" from Waukesha entertained the crowd on Sunday in the Beer Garden.

The ethnic dance troupes from the International Institute of Wisconsin were a very popular feature at this year's festival as they performed in the beer garden and in front of the gazebo on Saturday. Shown above is the Trisha Mid-Eastern Dance Troupe and below is the Syrena Polish Folk Dance Ensemble.

How big was that fish that got away John Meisser? Actually John wasn't fishing... he was the target for the water balloon sling. You're a brave man John, that water is wet!

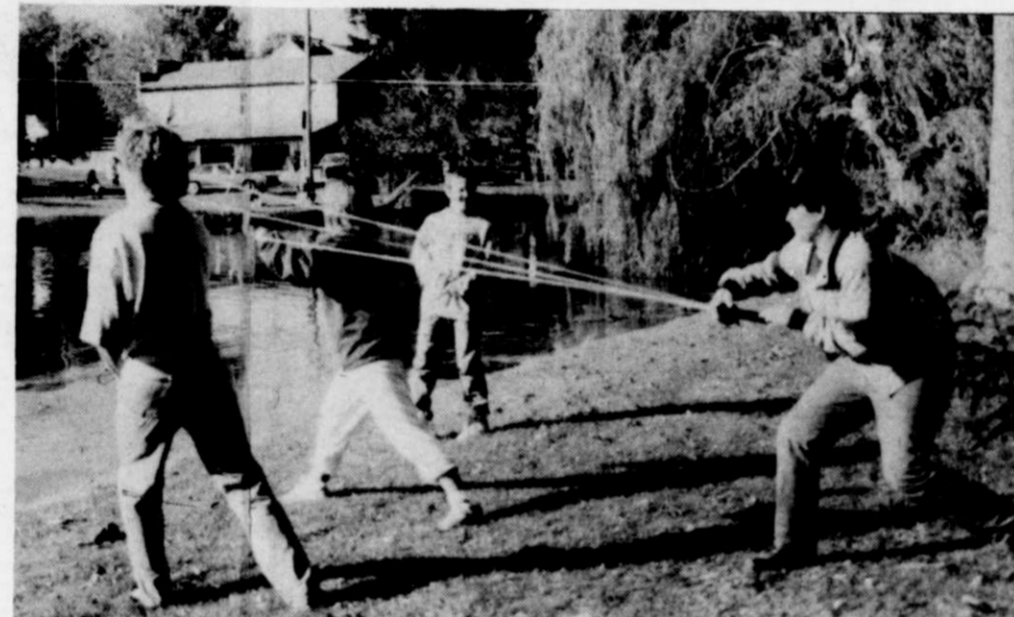

Ed Koltermann, a representative of the Malamute Club of Wisconsin leads the dogs Kody and Bijou in a demonstration of the cart.

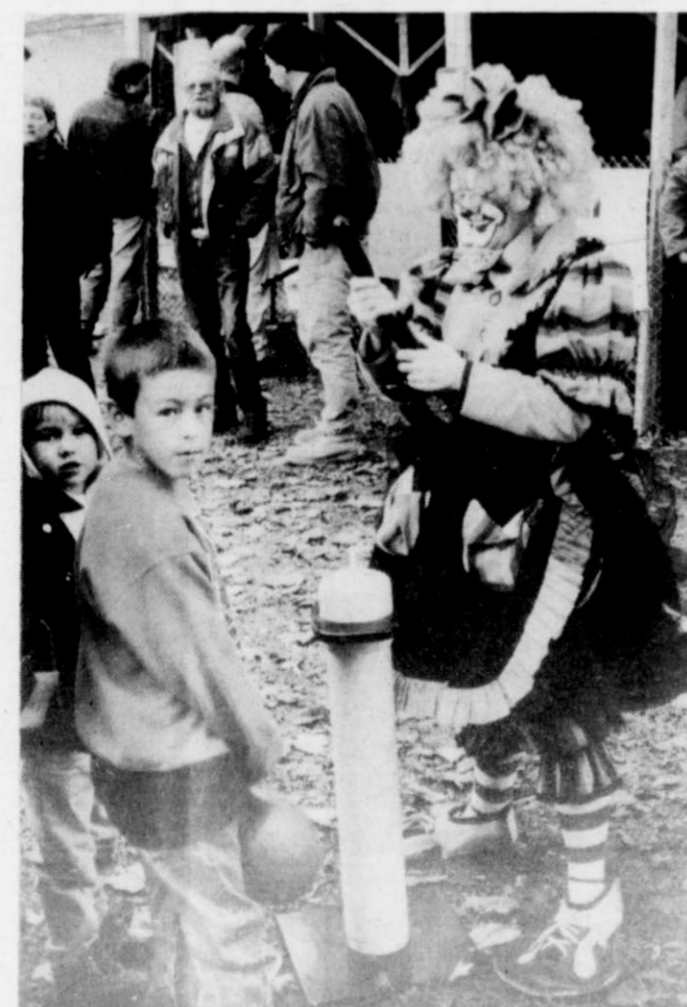

A Malamute puppy also visited Kettle Kountry Kolors, much to the delight of the youngsters.

Shown above standing in front of a Pitts aerobatic bi-plane is Tim Miller, representative of Bank Wisconsin, who sponsored one of the stunt planes on Sunday. Yes, folks, that was Tim waving to you as you watched that first biplane doing flip-flops high above the Hon-E-Kor grounds.

A new feature at this year's festival kept the younger crowd busy at the Water Balloon Sling located on the north end of the Milwaukee River's east side. Balloons were "slung" at a special target in the middle of the river. A photo of that special "target" is shown elsewhere on these pages. Guess who?

An ever-popular Kettle Kountry Klown makes a balloon figure for children.

A view of the food stands shows how popular they were as lines formed on Sunday at all booths.

Larson's Clydesdales from Ripon was a favorite feature as hundreds of people watched them hitch up the famous team, parade through the east side of town and come back to unhitch.

Shown in the above photo is the very beginning of "Lego Land" in the Children's Activity Tent. Many kids of all ages contributed to the final product on Saturday and Sunday as shown in the background of the photo.

Shown in the photo to the left are Tracey Schaub, Todd Timblin and Tom Timblin taking aim at the target at Hon-E-Kor's annual Kettle Kountry Kolors Hole-In-One Contest. The eventual winner of the Hon-E-Kor membership was Craig Anderson.

Obituaries

MARION E. PREIS

Mrs. Marion E. Preis, age 77, of Kewaskum passed away on Saturday, Oct. 7, 1995 at All About Life Rehabilitation Center in Fond du Lac.

She was born on March 27, 1918 in Ringle, the daughter of the late Joseph and Katherine (Steinke) Sontag and on July 12, 1941 she was united in marriage to Bertrum "Bert" Preis. Her husband preceded her in death on October 17, 1984.

Mrs. Preis was a member of Holy Trinity Catholic Church in Kewaskum. Survivors include a daughter Bonney (Raymond) Zimmer of Fond du Lac; a brother, Norman (Edith) Sontag of Brookfield; a sister, Lorraine (Fred) Memmel of Menomonee Falls; four grandchildren, Scott (Katie) Zimmer of Oshkosh, Christopher (Suzanne) Zimmer of Lawrenceville, Georgia, Jamie Zimmer of Menomonie and Kelly Zimmer of Oshkosh; two great-grandsons, Gabriel and Tyler Zimmer.

Funeral services were held at 9:30 a.m. on Tuesday, October 10, at the Miller Funeral Home in Kewaskum, with a Mass of Christian Burial at 10:00 a.m. at Holy Trinity Catholic Church in Kewaskum, with Father John Brophy officiating. Burial was at Valhalla Cemetery in Milwaukee.

Friends called after 4:00 p.m. on Monday at the Miller Funeral Home in Kewaskum.

JEFFREY L. SEERING

Jeffrey L. Seering, 38, of Burnett, died Sunday, Oct. 1, 1995, in the town of Burnett.

He was born March 21, 1957, in Beaver Dam, to Jan and Rochelle (nee Pollesch) Seering, graduated from West Bend West High School and served three

years in the U.S. Army, two of which were served in Germany.

He married Lisa Estermann on June 11, 1988, in West Bend.

He worked as an independent drywall subcontractor, and was also a member of Bible Baptist Church in Beaver Dam.

Survivors include his wife; two sons, Corey and Cody at home; two daughters, Nicole of West Bend and Cheyenne, at home; his parents, Jan and Rochelle Seering of West Bend; three brothers, Craig (Cindy) of West Bend, Shawn (Debra) of Hartford and David of Cascade; three sisters, Jill Seering of Kewaskum, and Jolie (Steven) Held and Jeri (Jeff) Boudry, both of West Bend; his grandfather, Louis Pollesch of Markesan, and many other relatives and friends.

Preceding him in death were his paternal grandparents and his maternal grandmother.

Funeral services were held Thursday, Oct. 5, at 11 a.m. at the Bible Baptist Church, Beaver Dam. Rev. Robert Johnson officiated and interment was in Stone Cemetery, Burnett.

Visitation at the Murray Community Funeral Home, Beaver Dam, was Wednesday, from 5 to 8 p.m., and at the church on Thursday from 10 a.m. until the time of services.

DELORIS TONN

Deloris M. Tonn, 74, of 804 S. Park Ave., Fond du Lac, died Wednesday, Sept. 27, 1995, at her home.

She was born June 17, 1921, in the Town of Eden, a daughter of Andrew and Catherine Kramer Wettstein. On May 9, 1944, she married Lawrence Tonn at St. Michael's Catholic Church in

Dotyville.

She was employed at Crouch Brothers Sentry Stores, retiring in 1988. She was a member of St. Joseph's Catholic Church and the church's Christian Mother's Society.

Survivors include her husband; three sons, Robert and his wife Carol of Menomonee Falls, Kenneth and his wife Susan of Omaha, Neb., and Francis and his wife Debbie of Sioux City, Iowa; two daughters, Patricia Janzen and her husband Duane of Roscoe, Ill., and Jean Liedke and her husband Kevin of Fond du Lac; 14 grandchildren; one great-grandchild; one brother, Clem Wettstein and his wife Marion of Oakfield; two sisters, Laura Ebert of Fond du Lac and Kathleen Majerus of Campbellsport; and one brother-in-law, Ray Braun of Fond du Lac.

Preceding her in death were one sister, Alice Braun; and two brothers-in-law, Herbert Ebert and William Majerus.

Funeral services were held at 10 a.m. Monday at Twohig Funeral Home in Fond du Lac and at 10:30 a.m. at St. Joseph's Catholic Church. The Rev. Thomas Walker and the Rev. Robert Braun officiated. Burial was at Calvary Cemetery.

Visitation was at the funeral home from 4 to 9 p.m. Sunday where a parish vigil was held at 8 p.m.

A memorial in her name has been established.

PATRICIA RENDERMAN

Patricia Ann Renderman, 63, of 653 W. Arndt St., Fond du Lac, died Monday, Oct. 9, 1995, at Fond du Lac Lutheran Home.

She was born Aug. 1, 1932, in Fond du Lac, a daughter of Hugh A. "Bud" and Alice Zacherl Toland. On April 21, 1954, she married Gerald G. Renderman at St. Mary's Church.

Mrs. Renderman was employed at Dais Jewelry and later at Schreiner's Restaurant, prior to moving

to Las Vegas where she was employed by Circus Circus. She was an avid golfer and bowler.

Survivors include four daughters, Barbara A. Shaw and Julie A. Renderman, both of Fond du Lac, Mary Ellen Stephany and her husband Donald of Campbellsport and Rita Lettau and her husband Lance of North Fond du Lac; one son, Stephen G. and his wife Lori of Fond du Lac; 16 grandchildren; two sisters, Mary Kurtzweg and her husband William of Scottsdale, Ariz., and Jane Henning and her husband David of Fond du Lac; one uncle, Louis G. Zacherl and his wife Mary of Fond du Lac; and several nieces and nephews. Frank Martin of Fond du Lac was a very special friend.

Her husband preceded her in death Sept. 17, 1977.

Funeral services were held at 8:30 p.m. Wednesday at Zacherl Funeral Home. The Rev. James Klein officiated. Burial was Thursday at St. Charles Cemetery.

Friends called from 4 p.m. Wednesday to the hour of services at the funeral home.

FRANCIS BRATH

Francis L. Brath, of Juneau, died Tuesday, Sept. 26, 1995 at Clearview Nursing Home in Juneau at age 49.

He was born on July 24, 1946, in Ashford to Raymond and Rosemary (Simon) Branch, and worked as an assembler at Opportunities, Inc. in Jefferson for more than 20 years.

Survivors include four sisters, Cecile (Robert) Pfeifer of Hartford, Dorothy (Niles)

Erickson of Green Bay, Donna (Karl) Neumann of Cedarburg, Cynthia (Jeff) Hammes of LaGrande; and four brothers, Gerald of Kewaskum, Joseph (Joan) of Kewaskum, Anthony (Jean) of Iron Ridge, and Martin (Becky) of Horicon; nieces, nephews, aunts, uncles, cousins, other relatives and friends.

He was preceded in death by his parents, grandparents and a nephew, Christopher Erickson.

Francis lived at the Wallbourne House in Watertown for 22 years.

Funeral services were held Thursday, Sept. 28, 1995, at 6:30 p.m. at St. Mary's Church in Woodland with Rev. Laurin Wenig presiding. Visitation was at the church from 4 to 6:30 p.m. Burial was at St. Mary's Cemetery.

The Matenaer-Schramka Funeral Home served the family.

CARD OF THANKS

Perhaps you sent a lovely card,
Or sat quietly in a chair.
Perhaps you sent a funeral spray,
If so we saw it there.
Perhaps you spoke the kindest words,
As any friend can say;
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so much,
Whatever the part.
By the family of
CARNEL KOEPEK

To be patient is sometimes better than to have much wealth.

PROCLAMATION

**In Recognition of
SHARE of Southeast Wisconsin**

WHEREAS. On October 21, 1995 the SHARE (Self-Help and Resource Exchange) Food Program will celebrate its tenth year of providing food for citizens of Wisconsin and the Up of Michigan; and

WHEREAS. this program started in October, 1985, the SHARE Program has provided a monthly food package that contains 40 pounds of fresh, nutritious, wholesome food in exchange for a nominal fee and two hours of volunteer service to our communities.

NOW THEREFORE. over 2,410,000 Share Food packages have been distributed in 375 sites throughout our affiliate, providing almost 5 million hours of volunteer service to Wisconsin and Michigan. Community projects that SHARE volunteers are involved in are as varied as the participants we being served.

NOW THEREFORE BE IT FURTHER RESOLVED. that we PROCLAIM October 21, 1995 as SHARE Day in Kewaskum and join in with SHARE participants and volunteers in celebration of their 10th Anniversary.

IN WITNESS WHEREOF, we hereunto set our hand and caused the seal of the Village of Kewaskum to be affixed this 2nd day of October, 1995.

**In Recognition of
A PROCLAMATION IN CELEBRATION OF THE BIRTHDAY
OF
THE UNITED NATIONS**

WHEREAS. the United Nations was founded at the end of World War II in an effort to vanquish aggression and to prevent further world wars;
and

WHEREAS. In October 1995, the United Nations will celebrate the Golden Anniversary of its existence - - fifty years in which it has promoted peace and justice in the world, through feeding and clothing children in developing nations through UNICEF; battling such deadly diseases as AIDS and chicken pox through World Health Organization; sending troops to keep peace in troubled areas of the world, including Cyprus, Lebanon, and Bosnia; sending nuclear weapons inspectors to Iraq, North Korea, and other nations; and keeping the peace in a variety of other ways; and

WHEREAS. the United Nations helps in the fight against global narcotics traffic, scourges such as malnutrition and tuberculosis, and works toward the goal of a cleaner environment; and

WHEREAS. the 50th Anniversary of this world body gives all Americans an opportunity to salute these efforts and to rededicate ourselves to the principles of respect for all peoples, world peace, and efforts at understanding and reconciliation among all peoples.

NOW, THEREFORE BE IT RESOLVED. that we the Village Board of Kewaskum, Proclaim that October 1995 in our Village shall be known as the Month of the Celebration of the United Nations; and

NOW THEREFORE BE IT FURTHER RESOLVED. that each of us shall use this time to renew and rededicate ourselves in our own lives to the principles of consensus and reconciliation upon which the United Nations was founded.

BE IT FURTHER RESOLVED. that October 24, 1995 be PROCLAIMED as "UN 50 DAY"

IN WITNESS WHEREOF, we hereunto set our hand and caused the seal of the Village of Kewaskum to be affixed this 2nd day of October, 1995.

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR REZONING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Kewaskum Town Hall located at 9019 Kettle Moraine Drive in the Town of Kewaskum at 7:30 p.m. on October 19, 1995, to consider the petition of Walter Dei, 8935 Kettle Moraine Drive, Kewaskum, WI, to amend the Town Zoning Map by rezoning from Exclusive Agricultural District to Agricultural District the following described property:

East 1/2 of the Southeast quarter of Section 11, South of Road, Desc. in V310 P438 + V849 P693 + V1321 P307 of Rec. Except CSM 4099. Section 11-12-19, approx. 46.8 acres.

The purpose of the rezoning is to bring the property into conforming use.

Dated this 27th day of September, 1995.

10-5-21

Barbara L. Wenzlaff,
Zoning Secretary

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Kewaskum Zoning Board of Appeals will conduct a hearing on the application for appeal filed by Walter Dei, 8935 Kettle Moraine Drive, Kewaskum, WI 53040. The hearing will be held at 7:40 P.M. on Thursday, October 19, 1995, at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum. The applicant's property is located in the Town of Kewaskum, part of the southeast 1/4 of the southeast 1/4, section 11-12-19.

The appeal seeks a variance of Section 1.10(5)(b). If the variance is granted, the applicants will be allowed to make three land divisions from the original parcel, with each lot having less than 25' sideyard setbacks. (Three private residences, which existed since 1958, will be divided from the original parcel of 46.8 acres.)

All interested persons wishing to comment on the appeal should appear at the Public Hearing.

students.

The R.A.H. program was developed to create an interest in reading at home. Children and parents are encouraged to read at least 15 minutes/day and record the number of pages on a tally sheet. Every Friday the students return the tally sheets to his/her classroom teacher. The sheets are placed in a large R.A.H. container and after school on Friday, a name is drawn. That child becomes the R.A.H. student of the week! Reading Certificates and pencils are given to those students.

So far, KES students/parents have read 131, 343 pages! WOW!

Congratulations R.A.H. students of the week!

Village Board Meeting Minutes

Mid-Monthly Meeting
September 18, 1995
8:05 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee William Kulas and Trustee Harry Roecker asked to be excused and were absent; all Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee John Borland, seconded by Trustee David Goeden and unanimously carried by voice vote, the minutes of the September 6, 1995 meeting were approved as printed.

Discussion was held on the request of Mrs. Erdmann to have the Village assume the responsibility of maintaining the corner highway right of way at the intersection of Fond du Lac Road and STH "28". Mrs. Erdmann indicated she had maintained it for 35 years and now that she is older finds it difficult to mow and with sidewalk to be expected to shovel the snow. The Board indicated street ROW and greenway are just that and are the responsibility of the adjacent property owner. All property owners should be treated fairly and expect that. Some suggestions were given to help, but the Board by consensus said they were sorry and are unable to agree to her request.

Mr. Ed Roehrborn was present to complain about branch chipping debris being left behind after his branches were chipped. This topic was discussed by the Board at the last Board meeting and the Board was hopeful that everyone would pitch in to help clean this type of debris up; pieces of leaves, small branches, etc. Mr. Roehrborn was informed that the Village does use the street sweeper following a heavy chipping day to also alleviate much of the debris. It was further noted that the crew would be asked to take better care but did acknowledge that if five minutes were added at every stop you would be adding several hours to the process which also adds tax dollars.

Mr. Thomas Gurecki was present to ask the Board for their assistance in asking the property owner of 1123 Edgewood Road level and make the lot more presentable and safer. The Board directed that a letter be sent out regarding this matter to help rectify the situation.

Assistant Fire Chief Mark Herges' August, 1995 monthly report: Fire calls 5, Year to date - 21; Jaws of Life - 2; Year to date 22. It was noted the bid and spec information is almost complete and should be going out shortly on the purchase of a new tank truck.

Chief of Police Richard L. Knoebel's August 1995, monthly report: Criminal arrests 41, Criminal Investigations 57; Traffic warnings 174, Traffic citations 71; Adult arrests 26, Juvenile arrests 18; Property stolen \$3,480, Property recovered \$3,000; Parking warnings

15. Parking tags 4.

Discussion was held on vehicles parked across sidewalks especially in one area of the community. The Board directed the Administrator to again send a letter to the property owners asking for their assistance in alleviating the problem.

Director of Public Works, Jerry Gilles informed the Board that the storm sewer work on Fond du Lac Avenue has been completed and appears to be working well after monitoring the rain fall on Saturday, September 16, 1995.

Trustee Stoltzmann asked why the curb was not painted yellow adjacent to the fire hydrant across the street from T & Verns. It was noted the normal location for a hydrant is in the greenway and that this hydrant was located to the rear of the sidewalk making it accessible from off the street. It was further noted that it never had been marked and that if it would be, at least one or possibly two parking stalls would be lost.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Reviewed the Mid-Moraine Municipal Association meeting scheduled for September 27, 1995 in Mequon.
- 2) The Board reviewed the budget control sheet for the period ending August 31, 1995.
- 3) League bulletin.
- 4) Informed the Board that the SEWRPC 1994 Annual Report was available for review.
- 5) Miscellaneous correspondence.

Chairman of the Protection and Public Safety Committee, Trustee John Borland informed the Board that the Committee had met and reviewed the proposed budgets for the Police and Fire Departments. It was noted that the Police Department budget reflected a 2.5% increase and Fire Department reflected a 13.6% increase. However it was noted the Public Service Commission had increased the amount of hydrant rent required which exceeded the increase.

Chairman of the Park and Recreation Committee, Gary Gavin informed the Board that the Committee reviewed the proposed Park and Recreation budgets for 1996. It was noted the overall increase as reviewed was at 9.4%, however options are being looked at to reduce expenditures as well as revenue sources.

Board Representative for the Plan Commission, Trustee David Goeden announced a Plan Commission Meeting scheduled for September 16, 1995 at 7:00 p.m.

Administrator Daniel S. Schmidt reviewed 1996 anticipated budget increases for utilities etc. Also 1995 tax facts were reviewed regarding values and dollars expected on the revenue side of the budget.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the signing of the Continuation Agreement for Curbside Recycling and Curbside Garbage Collection Service. The Agreement is for two years, with a three year extension if the Board so desires.

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the submission and signing of the

Recycling Grant Application for 1996.

On a motion by Trustee John Borland, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the signing of two easements for GTE to install underground cables to provide telephone service to the west side of the Village. The easements are for a 16.5 foot strip across the fire house property and a 16.5 foot strip on the east side of the Kewaskum Kiwanis Community Park. Trustee Gary Gavin asked the Administrator to verify the dollar amount to be received for the two easements.

Discussion was held on the possibility of changing 7.04 (1) (a) of the Municipal Code

regarding the 48 hour parking limitation currently in force. The consensus of the Board was to eliminate non-motorized vehicles parking without permission from the Police Department. The Administrator and Police Chief will prepare an amendment to bring to the Board.

On a motion by Trustee David Goeden, seconded by Trustee John Borland and unanimously carried by voice vote, the Board directed that a letter of explanation be sent to the School Board regarding the crossing guard issue raised by the School Board.

Mr. Roehrborn had another concern he brought before the Board and that was vehicles rolling through the stop sign at the intersection of North Avenue

and Western Avenue. The matter was referred to the Police Chief.

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85 (1)(c) of the statutes to consider employment, compensation and performance of public employees over which the governmental body has jurisdiction. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent."

Daniel S. Schmidt

Indian Offense Struggles Against Powerful Panthers

By Statesman Sports Writer

KEWASKUM - The schedule makers at Kewaskum High School are going to have to put a little more thought into just what schools the Indian football team should host during its Homecoming week.

You can probably look for Chilton, or maybe Kiel to be the guests in future Homecoming contests, instead of making a powerhouse such as Plymouth the foe.

The Indians used some emotion and tough play to hang in with the Panthers for the most part here, last Saturday afternoon, but Plymouth showed why they are atop the Eastern Wisconsin Conference standings, leaving town with a 14-0 shutout of Kewaskum.

The loss eliminated any lingering hopes that the Indians had for qualifying for post-season action, and left them needing a pair of wins

to finish the season with a winning record.

"We were in the ball game," said KHS coach Clark Pearson of his team's effort against the Panthers, who are undefeated in conference action. "They were just a little bigger and stronger than us up front. They are a very power football team, by far the toughest we've faced this year."

Despite getting beat in the trenches rather handily, the Indians were one play away from making things interesting throughout the entire afternoon.

After a scoreless first half, Plymouth finally got on the board on a one-yard run by halfback Nick Mueller, who was a thorn in the Indians' side all day. The third-quarter score gave the Panthers a 7-0 lead, but the Indians had a chance to erase that margin soon after.

On the Panthers' next possession, a bad snap on a punt allowed KHS to take

over at the Plymouth 40 yard line. The Indians put together a couple of first downs inside the Plymouth 10 yard line.

A running play got the Indians to the six-yard line, but three straight incomplete passes by quarterback Kevin Martin stalled the drive at that point.

"We were in good position there," Pearson said of the scoring opportunity. "A couple of those passes just missed being caught (for touchdowns). The receivers had their hands on them, but they just couldn't pull them in."

Looking back, Pearson said, "I might have tried something different," and possibly ran the ball once or twice more, but at that point he didn't feel as though his team would be able to hit paydirt on the ground.

"We were having trouble running the ball all day," he said. "Their defense was really solid."

That drive was as close

as the Indians would get to a score against the tough Panther defensive unit, which allowed just 92 yards of total offense on the afternoon. Kewaskum, meanwhile, gave up 294 yards to the Panthers, who got another late score from Mueller with about a minute to play.

Mueller ended up with 195 yards on 34 carries, and was the difference in the game, according to Pearson.

"He's a real strong kid, and he ran hard," Pearson noted. "He got some good blocking up front from his offensive line, too."

The Indians came up with a big defensive stand in the first half to preserve the scoreless battle. The Panthers drove to inside the KHS five yard line, but the Indian "d" stiffened, twice stuffing Plymouth from the two yard line.

"We had a really

nice goal line stand there," Pearson pointed out. "We did some really good things out there, but we just weren't consistent."

Pearson cited Jason Liegl, Matt Wiedemeyer and Eric Kopecky as having excellent defensive games, while adding that Jim Westerman added an interception.

As for the Indians' position in the EW standings, the loss dropped them to 1-3 on the year, with New Holstein and Kiel left on their schedule. KHS needs to win both contests to avoid its first losing season in five years.

"That's our goal," Pearson said of the winning season. "We have to get our running game going. We're just not controlling the ball long enough, and our defense is having to stay out on the field way too long."

Indian Turnovers Key In Loss to Two Rivers

By Statesman Sports Writer

TWO RIVERS - When looking at Kewaskum quarterback Kevin Martin's statistics against Two Rivers last week, it showed that the KHS signal-caller completed ten of his 18 passes in the contest.

Unfortunately, six of those completions ended up in the hands of the Raider defense, and those interceptions turned out to be very costly in a 14-7 Two Rivers victory over the Indians.

"Three of those interceptions were tipped balls, so they weren't really Kevin's fault," KHS coach Clark Pearson said of the turnovers. Another of the errant throws came in a Hail Mary attempt in the closing seconds of the ballgame, but nevertheless, few teams will chalk up a victory in a game in which it throws six interceptions.

Those turnovers wiped out a fine defensive effort, according to Pearson. Two Rivers ended up with 211 total yards, compared to Kewaskum's 167, but the KHS coach said that his defense played well enough to win.

"We played a good, solid defensive game," Pearson said. "Our interior line played excellent," citing Tim Bunkelman, Richard Wolff and Brian Prom for their efforts.

KHS fell behind early on a 10-yard touchdown pass,

but came right back to even things up in the second quarter. Martin finished off a drive with a one-yard scoring plunge, and Luke Chesak's extra point made it 7-7.

Another Raider score in the second period, on a short run by Jose Garcia, proved to be the difference in the contest, though.

Kewaskum had a good rushing attack against the

Raiders, as Ryan Herman chalked up 91 yards in 14 carries, a hefty 6.5 average. But the turnovers, coupled with five KHS penalties resulting in 60 yards lost, ended up spelling the difference, according to Pearson.

If you can't ignore an insult, top it. If you can't top it off, laugh it off; and if you can't laugh it off, it's probably deserved.

KHS Spikers Clinch Share of EW Title

By Statesman Sports Writer

KEWASKUM - The Kewaskum girls volleyball program, under the direction of coach Dave Rizzardi, has had a long tradition of producing quality teams, several of which have gone on to partic-

ipate in the state tournament.

This year's squad has maintained that legacy, capturing at least a share of the Eastern Wisconsin Conference championship with an easy victory over Kiel here, last Thursday night.

The Indians' 15-9, 15-6,

13-15 win over the Raiders gave KHS a perfect 10-0 mark in the EW, leaving them just two full games ahead of second-place Sheboygan Falls (8-2) with just two matches to play. The Indians hosted a victory on Tuesday, with a victory meaning the outright championship for KHS.

In front of a large Parent's Night crowd, the Indians rolled over the visiting Raiders in the first two games, keeping their season-long winning streak intact. Thus far this season, the Indians have won every match, and have done so by winning the first two games of each match. That kind of success has netted the Indians a number four ranking in the state Division Two volleyball polls.

Rizzardi says that his squad, consisting of seven seniors and five juniors, has blended well this year.

"We have some excellent leadership from our seniors," Rizzardi said. "We have a senior-dominated team that has proven over the years that they know how to win."

Rizzardi noted that it was his understanding that this year's group of seniors, which include Tanya Krahn, Angie Bindrich, Deb Neuman, Tanya Laubach, Erin Stockhausen, Kelly Schrefler and Michelle Thull, have won conference titles since they started playing together in the seventh grade.

"They are an excellent

group of kids to work with," Rizzardi pointed out. Juniors Heather Downs, Tiffany Laubach, Sarah Bonlender, Jeni Keller and Rachel Nysse "all contribute and are doing a nice job."

Playing a smart team-oriented game has been the key to success for the Indians this year, Rizzardi pointed out. That intelligent play has led the Indians to the short end of the stick.

"When we are thinking out there on the court, we haven't met anyone this year yet that can beat us," Rizzardi said. "We've won everything we've done," including the Campbellsport, Grafton and Kewaskum tournaments. "It's been a very good year."

Wins last week over Chilton and Kiel kept the winning streak alive, although Rizzardi said he wasn't overly pleased with how the Indians played during those matches.

"We definitely didn't

play our best volleyball last week," he said. "I think it was a matter of not getting up for a lower level of competition."

Still, the perfect record and high quality of play leaves Rizzardi thinking this year's group is something special.

"I think talentwise, it's one of the better teams that I've ever had."

The first basketball game was played, under supervision of the game's inventor Dr. James Naismith, in 1892.

Indians Face Tough Regional

By Statesman Sports Writer

KEWASKUM - As fate would have it, one of the best volleyball teams that Kewaskum has ever had may not even make it out of its own WIAA Regional.

The Indians, champions of the Eastern Wisconsin Conference and undefeated to this point, will have its hands full when it hosts a Regional tournament on Friday, October 22.

The Indians, rated fourth in the state polls in Division Two, will have to overcome the top-ranked Waupun Warriors if they have any thoughts of wanting to reach the state tournament this year.

Waupun, as well as another top ten team, Slinger, will be a part of the Kewaskum Regional, joining the Indians and Port Washington in wanting to advance to Sectional competition.

The tough draw obviously has KHS coach Dave Rizzardi concerned.

"We're going to find out real quick just how strong we are," Rizzardi noted. "It'll be a real test."

The KHS coach is very

worried about the prospects of facing Waupun, which plays in the Little Ten Conference and matches up against nationally-ranked West Bend East and Wisconsin Lutheran. Although the Warriors lost all four of their matches to those two teams, the experience of playing against some of the best teams in the country, not to mention the state, gives Waupun an advantage.

"That really helps them," Rizzardi said of the Warriors competition level. "We really haven't even been challenged yet. Every match we've played has been done in two games."

"We're going to drop a game somewhere down the road, and I need to see if we can pick ourselves up and bounce back."

And while it's nice to roll over the competition during the season, Rizzardi would have liked to see the Indians involved in some close matches that went down to the wire.

"We're going to be forced to play some key points," he said. "We have the talent and we expect to do well, but we just haven't faced a challenge yet."

BREAST CANCER

S C R E E N I N G

At West Bend Clinic

Breast cancer has a better chance for complete cure if the problem is detected early. To help women initiate and continue a personal detection program, West Bend Clinic offers a low cost breast cancer screening service.

What does the screening include?

- A low-dose X-ray examination of the breast (mammography).

Who should be screened?

- Women age 35 and older.
- No mammography exam within the past year.
- No past or present symptoms of breast disease.
- Not currently pregnant or breast feeding.
- Self-referral (no physician needed).

What does the screening cost?

- Only \$55.
- Payment by cash or check at time of screening.
- Billing available for Medicare only.

When are the screenings conducted?

- Tuesday, October 17th (special for American Cancer Society - Breast Cancer Awareness Month).
- The third Thursday of every month.
- Call 334-3451 (ext. 276) for an appointment.
