School Board Approves 9.82% Decrease in Total Tax Rate

By Sharon Callaway Roznik

The school board approved their 1995-96 annual budget at their last monthly meeting setting the tax levy for funds 10 and 30 and determining the tax rate per \$1000 of equalized value.

The budget is established at the maximum revenue cap level, with any unspent money being shifted to the fund balance as of July next year. The equalized value for the school district is \$459,203,121.00, which reflects a 12.57% increase over last year. The fund 10 revenue cap expenditure level is \$10,367,121, with an increase in state aid estimated to be \$4,580,145.00, leaving a tax levy of \$5,786,976.00. The fund 30, or debt service fund, has a tax levy of \$746,175.00.

Adding both the tax levies together and dividing by the equalized valuation realizes a tax rate of \$14.22 per \$1000 of equalized valuation. The total for the approved budget came to \$16,581,433.00, and includes the remainder of the referendum money to complete the project. The total fund 10 budget is \$11,274,414.00 or \$669,235.00 more than last year, or an increase of 6.31%. The tax levy for funds 10 and

30 is up over last year by 1.52%, but the total tax rate is a 9.82% decrease from the previous year's \$15.77, or \$1.55 per \$1000 less than last year.

On a lighter note, the board was introduced to the student delegation here from Germany, accompanied by two German teachers. Ten students have been living with host families and attending Kewaskum High School. The students will be getting a

taste of American culture for three weeks, and have already been treated to some new experiences, including homecoming, deer shining, and one unmentionable homecoming tradition, and look forward to their first Halloween celebration. They presented the board with a gift of German chocolates and in turn received some mementos to remember their stay in Kewaskum. This is

'Hello Dolly' at KHS

The Music Department at Kewaskum High School has been busy working on the fall musical. Tryouts were held the first week of school and the students have been rehearsing each week since that time.

The musical this year is "Hello Dolly," and it will be presented on Friday, November 3, and Saturday, November 4, beginning at 7:30 p.m. in the new auxiliary gymnasium.

Tickets will go on sale beginning at 6:30 p.m. on Monday, October 23, cafeteria ala carte window. Tickets will then be available during the school day until the night of the performances.

The cost of the tickets are \$5.00 and \$4.00 each. Seats are reserved for you so that you do not have to stand in line to get in. A special performance for the Senior Citizens in the area will be presented on Thursday, November 2, beginning at 4 p.m.

The students at Kewaskum hope to see you at one or more of the performances as a full house makes for a better performance. If you have any questions, or wish to reserve tickets over the phone after October 23, please call Larry Ammel at 626-2166, Monday through Friday.

Candidates, Voters Reminded Of Election Date Changes

Village Clerk Daniel S. Schmidt reminds potential candidates and voters that the dates for the 1996 Spring Primary and Spring Election have been changed. The Spring Primary is now Tuesday, February 6, 1996 and the Spring Election and Presidential Preference Primary Tuesday, March 19, 1996.

"It is important for candidates to realize that the date change affects when they circulate and file their nomination papers for the Spring Election," emphasizes Kevin Kennedy, Executive Director of the State Elections Board. Wednesday, November 1, 1995 is now the first day for candidates to circulate nomination papers for the 1996 Spring Election. Tuesday, December 5, 1995, 5:00 p.m. is the deadline for candidates to file nomination papers, declaration of candidacy and campaign registration statements in the Clerk's Office. A candidate who misses the December 5th filing deadline will not qualify for the ballot.

"This date change facilitates the development of a 'Midwest Primary' for the presidential candidates," explains Kennedy. According to Kennedy, it is sometimes

called a 'Big Ten Primary' because it involves states with college athletic teams in that conference.

Wisconsin is currently one of four Midwest states holding the primary on March 19, 1996. The others are Illinois, Ohio and Michigan. Because Presidential Primaries are on the same date in several neighboring states, candidates can campaign vigorously in all of them. The date is especially significant because it falls between 'Super Tuesday' on March 12, 1996, when several Southern states conduct highly-publicized primaries, and the pivotal California Presidential Primary on March 26, 1996.

The date has been changed to facilitate the Presidential Primary, but because the Spring Election coincides with the Presidential Preference Primary in Wisconsin, this change impacts non-partisan candidates at all levels: state, county, municipal, and school district as well. Candidates and voters with questions should contact Daniel S. Schmidt, Administrator/Clerk at (414) 626-8484.

We're Here to 'Haunt' You!

A "Haunted Garage" will be opened at Kohn's Mobil Mart on Highway 28 east in Kewaskum.

This is the first year the Kewaskum Booster Club is holding the Haunted House and everyone has been busily building this past weekend to make this a great fright!

The Haunted House will feature a walk-around path and items you will need to crawl through.

On Thursday, October 19, there will be a special night for children age eight and under. The lights will be on so as not to scare the little children away. Any adult wishing to walk through with their children will also be admitted for the special price of \$3.00 from 6 to 9 p.m.

The Haunted House will be open two weekends on

Friday, Saturday and Sunday evenings, October 20, 21 and 22, and October 26, 27 and 28, from 5 to 11 p.m. (or until the lines end).

Come and visit the Haunted House... in the dark... for all proceeds will benefit the lights... for the football field. Besides... Freddy is waiting for you!

Peace Church 'Caps For Kids' Project

The "Caps for Kids" project was on display at Peace United Church of Christ in Kewaskum. Shown above, left to right are Betty Hallen and Gretchen Smith, Co-Chairmen of Guild, and Lorena Wagner and Betty Bettin, Project Coordinators.

"The Caps for Kids" 1995 project of the Peace United Church of Christ Women's Guild and friends in Kewaskum has yielded a total of 408 mittens, gloves, caps, neck scarves and head warmers -- many of them in sets.

This is the 18th year Peace Church has had this outreach program to provide, at first, just caps, and now mittens and related items for distribution by educational social case workers within poverty areas of the inner-city Milwaukee school system, usually involving four or five schools.

Retired volunteer social worker, Doris Lincoln of Shorewood, is the liaison between Peace Church and the distribution process; this is based on immediate needs for small, grade-school children facing the cold winter ahead. It is a Christian effort based on love and caring; no sales are involved.

Begun in 1978 by Ione Terlinden, now deceased, and Betty Clark, now of Lomira, the program was soon joined by Lorena Wagner and later by Rose Wagner (an Indiana friend, now deceased), and recently by Bernetta Roecker in producing ever-growing numbers of hand-knit and crocheted items. Purchased items are also accepted, as well as donations of yarn from members.

This year alone, Betty Clark made 116 items, Bernetta Roecker, 101, and Lorena Wagner (who helped Betty Bettin arrange the project display at the church), 82. Over a dozen other women, some anonymously, donated the remaining 109 items, providing from one to 20 pieces each.

Project workers were

recognized at the October 5th Guild meeting at Peace Church, which also featured George Fassbinder of West Bend, speaking on the history, needs, and expanded services of the area West Bend Pantry, another Peace Church outreach.

Updated information gleaned from a recent Lakeland College Mission Conference, featuring Habitat for Humanity International founder Millard Fuller as speaker, was brought to the group in a dialogue by Gretchen Smith and Darlene Tessar, attendants at the conference.

Devotions entitled, "Being Poor," were led by Betty Bettin, Gayle Van Ess, and Pastor James Bettin. Hostesses for the large group in attendance were Vange Teeselink and Bernetta Roecker. Gretchen Smith and Betty Hallen are co-chairpersons of the Guild for the 1995-96 year.

In these ways, the "Neighbors in Need" emphasis of the National United Church of Christ for early October was presented with a local, regional and international focus.

The "Caps for Kids" display in the Peace Church narthex was seen by all members on Sunday, October 1. Several women are already wielding needles and crochet hooks for the 1996 challenge, an on-going outreach.

Junior Women Announce Annual Art/Craft Show

This year's Kewaskum Junior Woman's Club Quilt to be raffled is a "Flying Geese" design, done in country blue and earth tones.

Members of the GFWC Kewaskum Junior Woman's Club cordially invite area residents to their 13th annual fine art and craft show entitled, "A Kettle Country Christmas."

The show will be held on Saturday, November 18, from 9 a.m. to 3 p.m. at Kewaskum High School and will feature over 50 exhibitors.

Club members are actively working to once again make this an outstanding event for artists and craftpeople, club members and the viewing public. In addition to the exhibits, Juniors will offer homemade baked goods,

candy and a quilt raffle. This year's quilt is a "Flying Geese" design in country blue and earth tone colors. A luncheon featuring warm croissants will be served in the high school cafeteria by members of the Kewaskum High School Booster Club.

The Kewaskum Junior Woman's Club is in its 29th year of chartering with the largest volunteer woman's organization in the world, the General Federation of Women's Clubs. Areas of donations and services projects include the arts, conservation, education, home life, international affairs and pub-

lic affairs.

Plan to join us on Saturday, November 18. If you would like more information, you may contact Donna at 533-4929 or Karen at 334-0227.

the fourth year of this program.

The two student representatives to the board for this year are Nichole Heinecke and Sarah Bonlender, who will be reporting any student activities that are of interest. This month, Nichole told the board about the lock-in held September 30, as well as the success of the recent homecoming weekend.

The board approved a list of additional fixtures and equipment for the middle school in the amount of \$9,388.00, and a KHS additional cost of approximately \$17,016.00. These costs were part of the contract price in the referendum. They also okayed the following KES costs: the construction of an airlock at the northeast entrance for \$2,895.00; replacement of light fixtures in the first floor hallway in the amount of \$1,542.50; the replacement of ceiling tile and additional painting for \$790.40, and new stair treads at a cost of \$862.00, with all expenses paid out of the maintenance budget.

Dr. Heather informed the board that school board election papers can be filed from November 1 through December 5, 1995. Three, three year terms will be up for re-election, those of Ron Beimbom, Karen Sparks and Ruth Schmitt.

Brian DeRuyter was hired as a limited term instructional teacher at KMS, and Steve Ruplinger will serve as wrestling coach at KMS. Mrs. Taylor and Mrs. Potter were also approved as intramural advisors for FES, and two new half time instructional aides were authorized to help teachers in their classrooms. The board

accepted the resignation of third grade Farmington teacher, Mrs. Olk, because of health reasons.

The basic rate of substitute pay was raised for the first time in three years, to \$67 per day, due to competition with neighboring districts.

The following is a list of Odyssey of the Mind Coaches for the 95-96 school year: FES - Marlene Domasky, WES - Judy McCabe Krudwig, KMS - Connie Schulist, and KHS - Karah Holle and Suzanne Wagner. At this time, there is no coach for KES, so anyone interested in this worthwhile endeavor can contact Carol Zoerb at the high school.

A recent survey taken shows that 195 students have signed up to participate in the fall sports program at KHS, representing 28.5% of the student body. Board member Jean Goeden had expressed an interest in starting up a girl's golf program, due to the fact the district had facilities to use within the village, but Dr. Heather indicated this might be a costly sport if it is provided for only a few girls.

Accounts payable and payroll was approved for the amount of \$926,144.31.

United Way Update

The United Way of Washington County reports that as of October 13, the campaign is at 54%, or \$488,547 in gifts and pledges towards the goal of \$910,000.

"I am pleased with our progress," said Tom Bast, campaign chair. "In fact, one of our divisions, the Contractors led by Glenn Peters, has already hit the 100% mark by raising \$6,600. Other divisions are above the 54% benchmark as well," he said. "These divisions include Jackson at 91%, Special Gifts at 83%, Industrial and Manufacturing at 74%, Attorneys at 72%, and Key Firms at 67%."

Bast continued, "Our success to date is based on the more than 300 volunteers for United Way who work year-round to spread the message of help and hope in the community. Most of the volunteers are also working full-time, and for them to give of their valuable time outside the work place is heartwarming and underscores the importance of this being a

community effort," he said.

"County residents and employees are continuing to support the volunteer efforts with enthusiasm and increased donations. With this support, the human services represented by our member agencies will be met in the coming year."

Volunteers and agencies are gearing up for the Campaign Report Breakfast meeting at the Senior Center in West Bend. The theme for this event is "Wall Street," to tie in to the finance sub-theme for the volunteers this year.

"We've set an ambitious target of 70% or better for each of our divisions and the overall campaign by the October 19 meeting," said Bast. "With a number of divisions close to or already past

the 70% mark, we're looking forward to a successful meeting."

The campaign continues for the next few weeks. Funds will be used for 65 programs funded through 26 human service member agencies serving Washington County in the coming year.

Businesses that have not been contacted yet, and are interested in contributing to United Way, or giving their employees an opportunity to learn about the many services funded, should call the United Way office at 338-3821.

The best way to cheer yourself is to try to cheer somebody else up.

Different Strokes for Different Folks

Many different modes of transportation could be seen at the annual Kettle Kountry Kolors Festival held in River Hill Park recently. There was everything from a Wisconsin State Patrol simulated crash car to acrobatic biplanes... hot air balloons... army helicopter and it seems, all points in between. Shown above is the carriage ride offered by Paul's Ponies, always a popular feature at the festival.

Shown above is an aerial view of River Hill Park during the Kettle Kountry Kolors family fun festival. The photo was taken by Tim Miller of Bank Wisconsin from inside one of the acrobatic biplanes that did stunt flying on Sunday.

The free hay rides seem to be the most popular method of transportation of getting from one side of the big hill to all the activities offered and the buckskinner encampment on the other side of the hill. There always was a line waiting for the next hay ride offered by Schmidt Acres.

Happy Halloween!

THANK YOU...

The Kewaskum Area Chamber of Commerce would like to thank everyone who attended and participated in their 6th Annual Kettle Kountry Kolors Family Fun Festival October 7th and 8th.

Many, many thanks to all the sponsors, vendors and to all who offered their help.

Special thanks to the Kewaskum Village employees for all their assistance, cooperation and for the beautiful condition of River Hill Park; to the Kewaskum Police Department for their usual excellent, efficient job, and to the gentlemen at Exodus House who helped with cleanup.

Without the assistance of so many, a festival of this magnitude could never be accomplished.

The Editor**

October 5, 1995

Dear Ms. Kuehl,

Sincere congratulations to the KEWASKUM STATESMAN for 100 years of providing news and information to area residents!

I always enjoy reading your newspaper -- it has interesting news, along with a local flavor and charm that many other papers have gotten away from.

You continue to be very supportive in coverage of community events and organizations, including ours. We thank you. Best wishes for another 100 PLUS years of a vital service to the Kewaskum area!

Barbara Hurula
Executive Director
United Way of
Washington County

Letter to the Editor,

Thank you Kewaskum for additional support of United Way of Washington County. With just 45% of our \$35,500 goal raised, we continue to need donations from businesses and individuals. This week's corporate and employee donors include: Randy Gust, Roger and Dan's, Henry Timblin Trucking, Herriges Oil, Coast to Coast Hardware, Gerald Kiefer, Kewaskum Frozen Foods, Prime Time Pub, Strobel Oil, Sentry Foods, Miller's Furniture and Employees, Cedar Haven and Kewaskum Veterinary Clinic.

Individual support has come from Walt and Phyllis Bade, James Bindrich, Norbert Dettmann, Charles Dewane, Marion Erdmann, Elmer and Betty Hallen, Maurice Hovland, Sylvester Keller, Shirley Koth, Ronald Markus, Arvin Merwin, Melvin Moths, James Oelhafen, Paul Pamperin, L.N. Peterson, Wallace and Theresa Peterson, Bruce and Eileen Petri, Gilbert Reindl, Dan Rodenkirch, Ed Roehrborn, Marcella Schaefer, Francis Schoofs, Renetta Schwind, Ray Skrentny, Gretchen Smith, Clayton Stautz and Mildred Theisen.

We are down to the last two weeks of the campaign and I am confident additional corporate, employee and individual donations will be pledged to reach our Kewaskum area goal. If you have not yet contributed, but would like to help, please send your generous donation to United Way of Washington County, P.O. Box 304, West Bend, WI 53095.

Bingen - Smucker

Deborah M. Bingen and James K. Smucker exchanged wedding vows at Holy Trinity Catholic Church in Kewaskum on Saturday, June 3, 1995.

Parents of the couple are Dennis and Sue Bingen of Kewaskum and Carolyn and the late Richard Smucker of West Bend.

The maid of honor was Lori-Ann Byrnes of West Bend, a friend. The brides-

maids were Michelle Morgan and Kim Byrnes, friends, and Patty Schommer, sister of the groom.

The best man was Tony Balon of West Bend, a friend. The groomsmen were Bill Byrnes, Jr., Darryl Fiedler and Mike Smolinski, friends.

Ushers were Dan and Tim Bingen, brothers of the bride.

A reception, dinner and dance was held at Frank's On the Lake in Dundee.

The bride is a graduate of Kewaskum High School and Milwaukee Area Technical College and is a Graphic Designer at the Hartford Booster. The groom is also a graduate of Kewaskum High School and is employed at EST Company in Grafton.

The newlyweds spent their honeymoon in Cancun and are now residing in the Town of Campbellsport.

Kewaskum Fire and Rescue Squad Calls

IN MEMORY

In memory of MICHAEL STERN, who passed away twelve years ago, October 18, 1983:

We can't forget, we'll always care;

It hurts to see your vacant chair;

What we would give to say,

"Hello Mike!" in the same old way.

To hear your voice, see your smile,

To sit with you and chat awhile;

Life goes on, we know that's true,

But it's not the same, since we lost you.

We sure do miss 'ya Mike!

Love,

Mom and Tom

Random Lake Library News

The Friends of the Random Lake Joint Community Library will meet on Monday, October 23, at 7:30 p.m. in the State Bank of Random Lake meeting room. The public is invited to attend.

Topics to be discussed include the Friends upcoming Christmas Tour of Homes on November 18.

Many men wish they were strong enough to tear a telephone book in half -- especially those with teenage kids.

A Birthday Memorial To Robert Felten

We think of you in silence, and often say your name, but all that's left to answer us, is your picture in a frame.

We often look at your picture, and your smile seems to say, "don't grieve for me, I'm only resting, and you will see me someday."

If I only had one day to spend with you, to hear that laugh, see that smile and share times together with you... to share our stories and troubles.

It's really hard to sit and talk to you because of the pain and sorrow... there are so many tears. You were always there for me when I needed you.

Life is never the same but always in my heart, you will remain. For memory is the only friend grief can call his own. You will always be in my heart, mind and prayers. Your memories will be here with me always.

Happy Birthday October 14.

THANK YOU...

The Kewaskum Area Chamber of Commerce would like to thank everyone who attended and participated in their 6th Annual Kettle Kountry Kolors Family Fun Festival October 7th and 8th.

Many, many thanks to all the sponsors, vendors and to all who offered their help.

Special thanks to the Kewaskum Village employees for all their assistance, cooperation and for the beautiful condition of River Hill Park; to the Kewaskum Police Department for their usual excellent, efficient job, and to the gentlemen at Exodus House who helped with cleanup.

Without the assistance of so many, a festival of this magnitude could never be accomplished.

FAITH DEFINES EVIL AS A WORD FOR CHILDREN ON HALLOWEEN

The children, with a grim delight,
 Are looking forward to the night
 When they'll be taking to the streets
 In costumes, or just draped in sheets.
 Anticipating what's in store
 When they come knocking at your door,
 You'll be prepared to be their host
 And feed each goblin, witch and ghost.
 This "wicked" night, however mild,
 Would seem to fascinate each child,
 Who having once outgrown that phase,
 May cultivate more evil ways,
 Unless we teach them to resist.
 Your House of Worship can assist;
 So let its lessons intervene,
 With "evil" left for Halloween.

A View Toward Video

Studies show newspaper subscribers and regular readers are more likely to own a VCR and to use it than are other families. Advertisers with products related to VCR usage often find newspapers an effective way to reach prime prospects.

Make "Zillions" Of Fun Crafts With Argo Play Clay

Free Booklet Tells How To Make Every Day A "Play Clay Day"

(NAPS)—Play Clay is a simple, nontoxic modeling compound made from just three ingredients—water, Argo Corn Starch and Arm

& Hammer Baking Soda. Parents, caregivers and teachers can mix it up in minutes, and kids can turn it into a zillion colorful crafts.

THE EASY RECIPE

- 1 Cup Argo Corn Starch
- 1 One Pound Box Arm & Hammer Baking Soda
- 1 1/4 Cups cold Water

Stir together baking soda and corn starch in saucepan. Add water and cook over medium heat, stirring constantly until mixture reaches consistency of moist mashed potatoes (approximately 10-15 min-

utes). If clay is cooked too long, finished crafts may crack.

Now, the makers of Argo make that success even easier with a free booklet—"Welcome To The Amazing World of Play Clay." It's packed with enough creative ideas and clever tips to make any day—from rainy days to holidays—into Play Clay Days! To order, send a self-addressed, stamped envelope to Argo Play Clay, Dept. PC, P.O. Box 307, Coventry, CT 06238, or call 1-800-338-8831.

Make your children's world a little more amazing with Argo Play Clay!

Revenge is the only debt it is wrong to pay.

MAKE HALLOWEEN A SAFE AND FUN NIGHT

Once Upon a Halloween... one frightful Halloween... an amazing thing happened. Children in all the towns and cities across this country, were able to "trick-or-treat" in safety.

Mothers and fathers walked with their sons and daughters. Older kids went with their friends in small groups... and had fun! No one went out alone, and all carried flashlights.

Each child knew their phone number and home address, just in case they got lost from the group. They knew to dial "0" or "911" in an emergency. They even knew their family's password, a word agreed on by both them and their parents.

And, children never went anywhere with any stranger, unless the stranger knew this secret word.

LORETTA K. STRUPP

Loretta K. Strupp (nee Hug) of West Bend, died Sunday, October 15, 1995 at her residence at the age of 78 years.

She was born May 10, 1917, in the Town of Addison, to the late John and Magdalena (nee Hefter) Hug. After her marriage to Werner M. Strupp on June 8, 1937 at St. Peter and Paul Church, Nenno, they settled in Milwaukee. After the death of her husband on October 29, 1967, she moved to West Bend and was employed at the Samaritan Home for many years.

Survivors include four children: Gerald (Carol) and Mark, both of West Bend, Lois (Craig) Thull and Lora (Mike) Nitschke, both of Campbellsport; 13 grandchildren: James Schwichtenberg, Jenney, Joseph, Lisa, Linda and Lewis Strupp, Matthew, Andrew, Jessica and Daniel Thull, Scott, Randy and Christina Nitschke; eight sisters: Melania (Everett) Becker, Hedwig Gurtner, both of Hartford, Bernadine Theusch of Kewaskum, Lucille (Fred) Zimmel of Allenton, Mary (Harvey) Hoerig, Ann Mueller, both of West Bend, Grace Lamers of Wittenberg, Darlene (Melvin) Beistle of Hartford; three brothers: John (Virginia) of Addison, Ronald (Gladys) of Neosho, Lawrence (Joyce) of Kohlsville; four sisters-in-law: Bernice Hug of Allenton, Madeline (Wilford) Gundrum of Clyman, Rheinolda Thelen of Allenton, Cordelia (Lawrence) Gundrum of Kewaskum; two brothers-in-law: Michael (Lucille) Strupp of Hartford, Earl (Eileen) Strupp of Big Flats; other relatives and friends.

She was preceded in death by seven brothers: Leonard, Eugene, Werner, Robert, Francis, Dennis and James.

She was a member of the Christian Women's Confraternity.

Funeral services with a Mass of Christian Burial were held Wednesday, October 18, at 7:30 p.m. at St. Frances Cabrini Church, West Bend, with Father Kenneth Mich as the Presider.

Burial was at 10 a.m. Thursday at Sacred Heart Cemetery in Allenton.

Visitation at the church only was from 4 p.m. Wednesday until the time of services. The Schmidt Funeral Home of West Bend served the family.

It is not enough to have a good mind. The main thing is to use it well.

VINELDA 'NELLIE' GUENTHER

Ms. Vinelda "Nellie" Guenther, age 89, of Kewaskum, passed away on Tuesday, October 10, 1995 at St. Joseph Community Hospital in West Bend.

She was born on September 5, 1906, in the Town of Wayne, the daughter of the late Henry and Emma (Guth) Guenther.

Ms. Guenther was a lifetime member of the Salem United Church of Christ in the Town of Wayne and retired in 1978 from a plastics manufacturing company in Butler.

Survivors include four first cousins: Violet (Howard) Schmidt of Clinton, Louisiana, Roger (Kathryn) Widder of Fayetteville, Arkansas, Neal (Shirley) Widder of Sheboygan and Carol (Omer) Benn of Champaign, Illinois; eight second cousins: Ruth Daniels and Michael, and David Wentz, all of Milwaukee, Ruth (Harry) Winship of San Antonio, Texas, Catherine Cooper of Port Washington, Arlene Schmidt of West Bend, Ruby (Carl) Hohlweck and Armand Mertz, both of Allenton and Ruth (Ken) Klein of Deerfield Beach, Florida; other relatives and friends.

Funeral services were held at 3 p.m. on Saturday, October 14, at the Salem United Church of Christ in the Town of Wayne with Rev. David Flagel and Rev. Donald Koehn officiating. Burial followed in the church cemetery.

Friends called from 1 p.m. until the time of services at the church only on Saturday.

Memorials are preferred to Salem United Church of Christ.

The Miller Funeral Home in Kewaskum served the family.

HENRY DILLINGER

Henry Dillinger, 89, of Pelican Lake, Wisconsin, died October 6, 1995.

He was born in Passau, Germany on August 4, 1906. He immigrated to America in 1928. He worked at Regal Ware 22 years as a machinist and then retired to Pelican Lake. He owned Dillinger's Resort and was well known for the building of piers on Pelican Lake and the surrounding areas. He was an active member of the Lions Club, enjoyed woodworking and was an avid fisherman.

He was preceded in death by his wife, Agatha Hein, his son, Henry Dillinger Jr. and two sisters, Mary Wintersberger and Centa Obermayr.

He is survived by a wife, Alice Jensen; a daughter, Marie Dillinger and her husband Paul Ellis; three grandchildren, Sandy (Lynn) Sanville of Modesto, California, Sue (Jeff) Pierce of Kewaskum, and Jim (Joh) Dillinger of Landrum, South Carolina; six great-grandchildren, Brett, Scott, Kayla, Travis, Angela, Regina; two stepsons, Carl (Madona) Jensen, Richard (Patty) Jensen, both of Pelican Lake; ten step-grandchildren and six step-great-grandchildren.

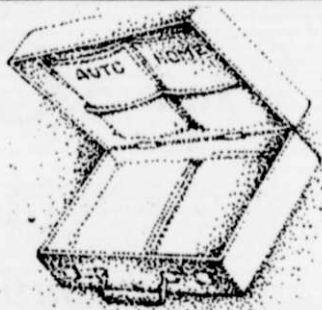

A memorial service was held on Saturday, October 14, at 1 p.m. at the United Church of Christ in Elco, Wisconsin.

PRAYER TO ST. JUDE

The NEVER FAIL NOVENA. May the Sacred Heart of Jesus be praised, adored and glorified throughout the whole world now and forever. Most Sacred Heart of Jesus I put my trust in you. Holy Mary Mother of Jesus pray for me. St. Theresa of the Child of Jesus pray for me. St. Jude, Helper of Hopeless Cases, pray for me and grant this favor I ask. Say this prayer 9 times a day for 9 days and publish.

A TENTH ANNIVERSARY MEMORIAL IN MEMORY OF BRENDA OELHAFEN

October 23, 1985-1995

It's okay.... to remember you each day,
3,652 of them along the way.

It's okay.... to wish you were here,
or to cry and shed a tear.

It's okay.... to talk about you once in awhile,
than finish the thought with a smile.

It's okay.... to feel lonely and hurt inside,
for you are our heavenly guide.

It's okay.... after all these years,
to say, "We love you, Brenda dear."

Seventh Grade Glyphs

In ancient Egypt, picture writing, or hieroglyphics, was the key to communication.

Five thousand years later, scientists are finding that modern picture writing, or glyphs, is a valuable tool for presenting data with many variables.

Pictorial representations

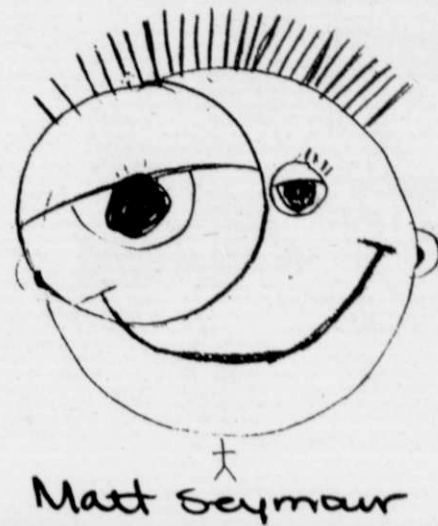

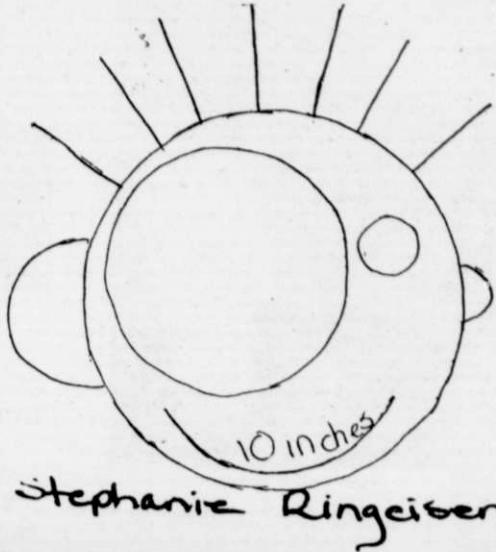

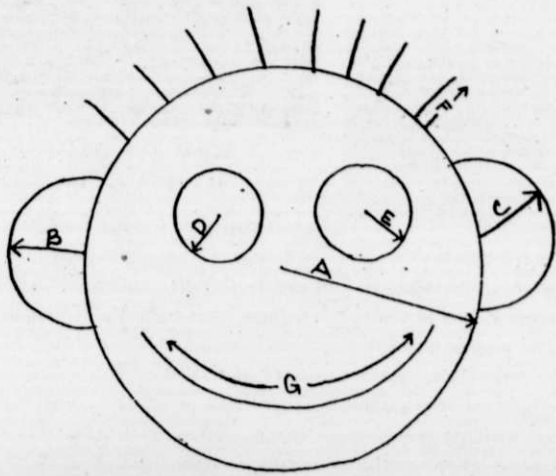

are used in medicine, astronomy, geology, meteorology, social studies, and other disciplines. Good glyphs are simple, eye-catching, powerful, easy to interpret, easy to remember, and reveal relationships among variables. (Glyphs Getting The Picture, 1987).

The seventh graders in Mrs. Wagner's class created the glyphs shown below. They had fun finding out information about themselves and their classmates.

Facial Glyphs

Glyph key

- A. Height in inches ÷ 30
- B. Hours spent listening to music per day ÷ 3
- C. Hours spent talking on the phone per day ÷ 3
- D. Hours spent watching TV per day ÷ 3
- E. Hours spent reading per day ÷ 3
- F. Average length of one hair in inches ÷ 6

KMS Eighth Grade Efforts Recognized At Wade House Civil War Weekend

KMS Principal Katherine Crowley participates in the Civil War flag ceremony at Greenbush.

A Civil War weekend at Greenbush recognized Kewaskum Middle School for last year's re-enactment at Kiwanis Park.

The scents of campfires and gunpowder, and sounds of musketry, infantry and military band music provided the background on Sunday, September 24, as Kewaskum Middle School's Civil War Eighth Grade Reenactment program received recognition at Wade House Historical Site in Greenbush.

In May, 1995 the staff

and students put on a reenactment of their own at Kiwanis Park in Kewaskum. Instrumental to the Middle School's event was the assistance of members of the 33rd Wisconsin Volunteer Infantry Regiment under the direction of Robert Braun.

The monetary donation given to the Regiment for their help with the reenactment was, in turn, put toward

a fund used to purchase replicas of the State and Regimental flags used by the 33rd Wisconsin during the Civil War.

Following opening comments of appreciation by Robert Braun, Katherine Crowley, principal of KMS, spoke of the positive impact which first-hand experiences have on student learning. She then assisted with the unfurling and presentation of the Regimental flag.

Area residents who have never attended a Civil War Weekend at Greenbush should take advantage of this yearly event which is held the third weekend in September. Civil War re-enactors from Wisconsin and neighboring states gather in Union and Confederate camps for the weekend and on Saturday and Sunday present battle re-enactments. The camps are open to visitors, and the camp residents are most eager to share their knowledge of the soldier's life during the Civil War.

Visitors cannot help but to leave this event with a more personalized understanding of the lives of the American soldiers of both the North and South during the Civil War.

Purple Martins

By Ike Kumrow

What goes spick-spack-spitter-spee-spack and is controversial? The purple martin.

Purple martins, the largest members of the swallow family, are migratory birds that spend each spring and summer nesting throughout most of the United States and Southern Canada. They live exclusively on flying insects and being colonial birds who like to inhabit man-made houses.

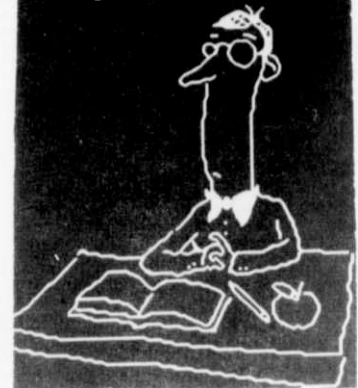

The scouts are older males, they arrive in the Kewaskum area between the 10th to the 15th of April. They are considered to be leaders who arrive early, investigate food and housing conditions, and return to bring in other members of the flock when conditions are right.

Homes for the martins can be either wood or aluminum. The advantage of aluminum is that it is lighter, parasite-resistant and starlings don't like the shiny inside compartments. The homes should be placed 12-14 feet above the ground and 40 feet from trees.

A pond or other body of water in the immediate vicinity will make the house more attractive to martins as they drink and bathe on the fly, swooping low over the water's surface and scooping up a few drops on each pass.

School Buses Save Hundreds of Lives

Robert W. Christian, Executive Director of the Wisconsin School Bus Association, announced that using yellow school buses in the United States actually saves lives.

Christian made his remarks at 15 regional meetings around the state celebrating School Bus Safety Week October 15-21, 1995.

Using the fatal accident reporting system of the National Highway Traffic Safety Administration for his research, Christian said there is no doubt yellow school buses save lives. He cites more than 488 youths, 19 years of age or younger, died in traffic incidents during

commuting hours from 6 to 9 a.m. and 2 to 5 p.m. weekdays during the 93-94 school year.

These were the most recent years that these facts were compiled. Of these fatalities, 35 occurred in school bus tragedies, while 453 students were killed while riding in cars, trucks, vans, bicycling or walking.

School buses transport 23 million public school students each year. This represents 52% of all public school students. Over 400,000 yellow school buses operate in the United States which provide rides for 10 billion students annually.

Christian said the public

becomes very concerned about school bus safety when a bus tragedy occurs. However, school buses have a far better safety record than any other form of surface transportation in the United States.

If we were to extend school bus transportation to all students in the United States, we would, I believe, save at least 400 student lives. This is based on the current safety record of the school bus transportation industry in the United States.

If school buses didn't exist and all children were exposed to the same risks that claimed 453 lives in 93-94, the annual toll of student traffic fatalities would most likely exceed 900.

So let's all reflect during School Bus Safety Week, October 15-21, 1995, just how safe the yellow school bus really is. It would be very appropriate for the general public to thank the men and women of the school bus industry for their outstanding achievement in the safe transportation of Wisconsin school children.

A Bus Driver's Dream

Please Lord, watch over me this day.

Please help me remember to watch all five mirrors, two dozen windows, eight gauges, six warning lights, six dozen faces and three lanes of traffic, and to keep a third eye open for wobbling bicycles and daydreaming pedestrians, especially teenagers wearing headsets who are in another world.

Please, Lord, help me hear all train whistles, truck and automobile horns, police sirens and the two-way radio.

Please, Lord, give me a hand for the gear lever, the steering wheel, the route book, the radio microphone and the turn signal lever.

And, Lord, please grant me the self-control to keep my hands away from Jonny's neck.

And one more thing, Dear Lord, please don't let Mary be sick all over the bus.

And finally Lord, please watch over us all so that we can do it again tomorrow.

Amen.

Tuition Write-Off Policy Threatened in Congress

(NU) - Students accustomed to writing off taxes on tuition payments from their employers may be in for a rude awakening next April. For years, workers who have received employment tuition benefits have not been required to pay federal taxes on the money. However, the law expired at the end of 1994 and Congress, under pressure to balance the budget, does not appear eager to reinstate it at least not in its most generous form. The American Payroll Association is urging Congress to support H.R. 127, the Employee Educational Assistance Act of 1995, by making Sec. 127 of the Internal Revenue Code a permanent tax provision. Answers to your Environmental questions

(NAPS)—Q: I've heard that plastics use up valuable natural resources. Is that true?

A: Plastics can actually save resources compared to other materials. For example, plastic packaging generally gets the job done with far fewer resources than glass or paper because it has a higher "product to package ratio," and this saves energy.

For example, one ounce of plastic can deliver nearly 39 ounces of beverage while an ounce of glass delivers only two ounces of beverage. Think how much heavier a glass milk bottle is compared to a plastic bottle and you'll see what I'm talking about.

This means trucks delivering soft drinks in plastic bottles to stores use less gas because their load weighs less. Plastic bottles certainly use a lot less of my energy when I carry them in from the car.

Plastics also help minimize our use of natural resources once their original purpose is finished. Half of all the plastic soft drink bottles produced last year were recycled into useful, new products. And plastics can also help produce energy for local communities using an energy recovery plant.

So plastics play a very important role in conserving resources. They can continue to help you achieve your goal of being a good steward of our natural resources.

Great Moraine Kettle Pedal

Shown above are several of the brave souls who battled the cold, rainy weather to ride in the Second Annual Great Moraine Kettle Pedal. This event kicked off Kettle Kountry Colors and was sponsored by the Kewaskum Booster Club to raise money for the "Let There Be Light" fund. Kewaskum's Jeff Clayton and KHS Assistant Principal Larry Wilson (pictured, far right) both completed the 35 mile course. Thanks to all who supported the "Let There Be Light" bike ride and water balloon launch.

A Secure Retirement and Social Security

(NU) - Social Security will provide retirement income and help with hospital and medical expenses when you reach retirement age, but Social Security isn't just a retirement plan. It follows you through life, and if you take on the responsibility of a spouse and children, your Social Security protection grows — as a disability income program, a life insurance program, a program with survivor benefits, and a retirement program. The National Committee to Preserve Social Security and Medicare recommends that you learn about the Social Security program and how it relates to you and your family now and in the future. HUNTING SAFETY TIPS

Hunters can prevent accidents by advance preparation, responsible conduct, and safe handling of equipment including the following.

- 1) Carefully identify your target and beyond.
- 2) Keep the safety on your gun until you're ready to shoot.
- 3) Always control muzzle direction.
- 4) Treat every firearm as if it were loaded.
- 5) Wear orange or bright colored clothing.
- 6) Store firearms unloaded and separately from ammunition.
- 7) Never hike, climb or jump with a loaded firearm.
- 8) Ensure the barrel and action are clear of obstruction.
- 9) Avoid alcohol and mood altering drugs. (T)

KEYS 5K Run/Walk Raises \$4,500

AND THEY'RE OFF! The start of the KEYS 5K Run/Walk. Over 325 individuals registered for the second annual event.

Lisa Johnson of West Bend, finishing third overall and first female overall in 18:31.

Todd Rodenkirch overtaking Randy Backhaus at the finish line of the KEYS 5 K Run/Walk.

Three hundred twenty-five runners and walkers took to the streets of Kewaskum in the Second Annual KEYS 5 K Scholarship Run/Walk on Sunday morning, October 8, at 10:30 a.m. The event, held in conjunction with Kewaskum's Annual Kettle Kountry Kolers Family Fun Festival, raised over \$4,500 for scholarships for Kewaskum High School students.

While many of the participants choose to walk the 5 K (3.1 mile) course throughout the village, for many this was definitely an event to be run.

Randy Backhaus of Kewaskum, former KHS runner and school record holder in the two mile, led for over three miles of the race. With only 30 meters to go, Todd Rodenkirch of Kewaskum out-sprinted Randy to the finish line.

Upon crossing the finish line, Todd was smiling and raised his left fist in the air to celebrate his victory. After the race, Todd remarked, "I stayed behind him all the way and didn't know what to expect from Randy at the end. Personally one of the biggest thrills of my life -- I have won other races, but never like this."

Todd was timed in 17:55 and Randy in 17:56. Randy, tired but happy, commented, "I'm just not as good of a sprinter as Todd."

The third finisher and first female to cross the finish line was Lisa Johnson of West Bend. Lisa covered the course in a fine time of 18:31. Lisa commented that it was a good course and definitely one that runners could PR (set a personal record).

The KEYS 5 K Scholarship Run/Walk officials thank all the sponsors, volunteers and participants. They hope everyone plans on participating next year.

Listed below are the top three finishers, both male and female in each of the eight age groups.

Volleyball Regional Here Friday Night

By Statesman Sports Writer

KEWASKUM - As fate would have it, one of the best volleyball teams that Kewaskum has ever had may not even make it out of its own WIAA Regional.

The Indians, champions of the Eastern Wisconsin Conference and undefeated to this point, will have its hands full when it hosts a Regional tournament on Friday, October 22.

The Indians, rated fourth in the state polls in Division Two, will have to overcome the top-ranked Waupun Warriors if they have any thoughts of wanting to reach the state tournament this year.

Waupun, as well as another top ten team, Slinger, will be a part of the Kewaskum Regional, joining the Indians and Port Washington in wanting to advance to Sectional competition.

The tough draw obviously has KHS coach Dave Rizzardi concerned.

"We're going to find out real quick just how strong we are," Rizzardi noted. "It'll be a real test."

The KHS coach is very

worried about the prospects of facing Waupun, which plays in the Little Ten Conference and matches up against nationally-ranked West Bend East and Wisconsin Lutheran. Although the Warriors lost all four of their matches to those two teams, the experience of playing against some of the best teams in the country, not to mention the state, gives Waupun an advantage.

"That really helps them," Rizzardi said of the Warriors competition level. "We really haven't even been challenged yet. Every match we've played has been done in two games."

"We're going to drop a game somewhere down the road, and I need to see if we can pick ourselves up and bounce back."

And while it's nice to roll over the competition during the season, Rizzardi would have liked to see the Indians involved in some close matches that went down to the wire.

"We're going to be forced to play some key points," he said. "We have the talent and we expect to do well, but we just haven't faced a challenge yet."

"When I backed over his golf clubs, I also clobbered the lawn mower, so he can't decide if he's mad or glad."
