Board Approves New Clinic, Frozen Foods Expansion

By Lana Harbeck Kuehl

A standing room only audience filled the Council Room of the Municipal Building as the Kewaskum Village Board addressed Monday evening's agenda.

The first item on the agenda was a public hearing on the request of Paradise Development Group, also known as the West Bend Clinic, for the rezoning of the property at 1731 Fond du Lac Avenue from AG-1 Exclusive Agricultural District to B-2 General Retail and Service District.

The area of land being considered for rezoning is 10+ acres on the southwest corner of Fond du Lac Avenue and STH 28 west. This would accommodate the construction of a medical clinic and related type facilities.

Todd Hammer, a general partner of the Paradise Development Group and a physician at

the West Bend Clinic, addressed the board and the audience and presented the architectural drawings of how the proposed new facilities will appear.

Mr. Hammer explained the medical office building will accommodate four physicians and will be expandable to eight physicians should the need arise. The building would service basic primary care medical needs and would include a basic laboratory, basic xray, plus physicians offices.

The building will be constructed on a sloping site so the entrance would appear to be a one-story construction and the back of the building would be two-story.

The proposed building plans would allow for the construction of the medical clinic, and pharmacy, and includes the potential for office/retail space

in the future.

The clinic would like to begin construction of the medical building by the end of February, 1996, and the pharmacy a couple of months after that. It is hoped construction of the new facility would

be completed by the fall of 1996.

Dr. David Brown, Family Practice, will be joining Dr. Sison in the new facilities upon completion.

The board voted unanimously to approve the

request for rezoning and groundbreaking on the newest addition to the village will be held in the near future.

The board then proceeded to the next public hearing scheduled in

(Continued on Page 4)

Belger Named Firefighter of the Year

1995 Firefighter of the Year, Morris Belger, center, with Assistant Fire Chief Mark Herriges, left, and Fire Chief Mark Groeschel, right.

By Louise Martin

The Kewaskum Fire Department held their annual appreciation banquet on Saturday, February 10, at the firehouse. Keeping with tradition, invitations were extended to current members, retired members, their spouse or guest. Over 100 people attended.

Fire Chief Mark Groeschel welcomed everyone and briefly recapped the year with an explanation of equipment updates, purchases and future department improvements. The highlight of the banquet, however, was the announcement of 17-year member Morris Belger as the 1995 Firefighter of the Year.

Assistant Chief Mark Herriges shared a synopsis of Belger's accomplishments and department contributions prior to the announcement and plaque presentation.

Since joining the department in 1978, Belger has served on numerous committees, attended many schools, and attends meeting and training sessions regularly to improve his firefighter and Rescue Squad abilities.

Additionally, he has been a driver on the Rescue Squad and an Emergency Medical Technician for 17 years. During the past several years, he has photographed many of the fires the department has responded to.

According to Herriges, "Morris has sacrificed many hours away from his family to fulfill his duties as a firefighter and EMT." Belger accepted the plaque amid a standing ovation from fellow firefighters.

Recognition and plaques were also given to retiring members, Francis "Butch" Gengler for 23 years and Kenneth

Bonlender for 20 years of meritorious service respectively.

An appreciation award was presented to retired member David Zehren for his assistance over the years and in recognition of all the work, past and present, he has done at the fire department.

Rescue Captain Tim Miller gave a summary of the Rescue Squad accomplishments in 1995 and acknowledged the generous donation by the Kewaskum Kiwanis Club for a new defibrillator. In closing, Miller, a ten year member, stunned those present with the announcement that he will be leaving the community to pursue a new job opportunity.

The Kewaskum Fire Department and Rescue Squad served the Village of Kewaskum and the surrounding area and is staffed by 42 volunteer men and women.

Booster Club Only \$109 Short of \$28,000 Goal

In Less Than a Year, Yes, There is Light!

Regal Ware, Kiwanis Chip In Funds

By Sharon Callaway Roznik

Thanks to intense efforts from the community's Booster Club, the Kewaskum High School athletic program will be receiving a big boost this fall with the addition of lighting for the high school football field.

Booster Club representative Terry Cartwright told members of the school board that the club had raised \$16,975 from fund-raisers and community donations, and an additional \$10,000 had been received from Regal Ware, as well as a \$1,000 donation from the Kewaskum Kiwanis Club, for a grand total of \$27,975 for the funding of four poles equipped with eight light fixtures each.

"This leaves a differ-

ence of \$109 remaining to pay for the lights," Cartwright explained, stating that the total cost, including electrical and cable, would come to \$28,084. His information was met with a round of applause from the entire board and audience, given the Booster Club had accomplished this momentous achievement in less than one year's time. "Most of the schools have taken five to seven years (to raise needed funds), but this community has really reached out to us," he added.

Donations have been coming in, not only in the form of money, but also time, machinery and labor. At this point, no costs will be involved in the installation of the lights, and contributions

School District Begins Process of Reorganization

By Sharon Callaway Roznik

This month's school board meeting proved to be a long night, with reports coming in from all directions as the district reorganizes during its strategic planning mission.

The largest chunk of time was devoted to the JET Committee and the K-3 Task Force, both of which reported to the board that evening on their evaluation of current and future needs.

The district's JET Committee indicated there was a need for an independent assessment of the school system's current technology status and where it's headed into the year 2000. The committee recently completed an intensive two day workshop, and a report of their findings is currently being developed. Later this month, the group will meet again at Regal Ware for a follow up session.

The board approved the recommendation to hire an independent technology consultant, not to exceed a cost of \$10,000. After the screening process takes place, the assessment should be held this spring, and its findings brought to the June board meeting.

Tom Larsen and George Allman headed a group of K-3 professionals to assess current K-3 curriculum issues, and their Task Force Report summarizes their finding and recommendations. The report was discussed with the board members, and included the need for increased professional interaction among schools, clearer direction in instructional strategies, more systematic remediation in language arts, and the impact of class size. Allman stated the report is a culmination of where we are district wide, and expresses an overall need for uniformity, cohesive-

ness, and continuity.

They concluded that the teaching staff was very positive about the assessment, and the district has truly superb teachers that love the children and the critical work they do for them.

A two day strategic planning board workshop is slated for April 25 and 26, with Dr. Tony Evers from CESA-6 as the tentative board facilitator.

KES Principal Mr. Zarling reported on the success of their IBM reference site program that evaluates computer software. The school's program, which is one of only two testing sites in the state, was implemented two years ago, and the children found the hands on science to be a great learning experience. At the end of three years, the school will be given the software, free of charge.

Wayne Principal Kieth Kriewald told the board that Wayne School is sponsoring a Chili Dump and Book Fair February 22, from 5:30 to 9 p.m. to raise funds for playground equipment. The Farmington PTO is sponsoring a trip to go see an Admirals game, and so far 158 people will be attending. The students and staff have also been raising funds for Kelly Wagner through the sales of pizza and candy bars, and an auction/benefit dance will be held March 30, at Fillmore Hall.

KMS Principal Miss Crowley announced that district spelling bee winners were fifth grader Alison Yanke and sixth grader Eric Sager, who moved on to compete at regionals in Campbellsport on February 20. The students enjoyed their Winter Carnival week, which culminated with an "Elvis Is Alive" dance contest.

Principal Charles Heidner reported that

the high school was finishing up their student scheduling for next year, and the new mat hoist is up and operational, completing the last aspect of the building project. He is currently working on setting up a cooperative gymnastics team with the West Bend School District. The next Parent Roundtable is scheduled for March 26.

School board members related their experience attending the recent WASB convention, and the variety of workshops offered. One concern brought up was the fact that Kewaskum was one of thirty schools given the honor to participate in the curriculum fair during the convention, to showcase their first step program, but failed to show up. Board member Ruth Schmitt felt that a letter of apology should be sent, stating, "by not showing up, we bumped another school from hav-

ing this opportunity." John Schulte reported that all ten resolutions passed during the delegate assembly. Others in attendance were Jean Goeden, Mary Andera, and Dr. Charles Johnson.

Approvals for the evening included the removal of asbestos tile flooring from the hall and gym at FES, at a cost of \$11,227, and engineering designs for the KMS and KHS roof projects. Ambrose Engineering will be drawing up the designs, for \$2,300.

An annual safety inspection for all schools has been coordinated by Mr. Boehlke, to take place March 5 to 12.

Mrs. Denise Schramm and Mr. Dave Hunsicker were approved as permanent substitute teachers for the district. They have been a part of the test program, which has been extended until the end of April.

Twelve hours were

added to the First Step Teaching contract due to additional students qualifying for the program. Estimated cost is \$3,500 with money coming from the Reading Specialist Budget.

Requests for retirement were accepted from Mr. Joe Harlow, Mrs. Elaine Prost, and a resignation from Elizabeth Rydzik as debate coach.

The board approved hiring assistant basketball coaches for the seventh and eighth grade boys basketball teams, due to the fact that there are over 30 boys enrolled in the program. Audience member Judy Harlow objected to spending the additional \$500 for the program, and stated she would rather see an intramural program started in the district.

Accounts payable and payroll was approved in the amount of \$1,879,649.32.

Blood Drive Coming Soon, Can You Help?

By Louise Martin

What good is a blood donor? A blood donor is good for people who go through windshields and red lights. For someone with cancer, hemophilia or anemia. Or hepatitis. Or ulcers. For people being operated on... for people who are almost out of life because they're almost out of blood.

For the little girl who doesn't know that leukemia has happened to her or why. For a little boy who needs something revved up that wound down... like energy. For people who have open-heart surgery... for people feudin' and fightin'. For people burned pretty bad... for daredevils... tree climbers... for people in the wrong place at the wrong time. A blood donor is good for people who are in a lot worse shape than most people you know. For someone who needs a little of your blood... or a lot.

On Wednesday, March 6th, the Kewaskum Community Blood Drive will be held at the Kewaskum High School Choir Room from 1 to 6 p.m. Please park and enter in the back of the building. This will be your opportunity to help others who might find themselves in need.

More than 450 pints of blood are needed every day to meet the needs of patients in 29 southeastern Wisconsin hospitals. All this blood must come from volunteer donors.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors will be asked to provide their social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D. with a signature or blood donor I.D.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature and blood pressure taken and 10-15 minutes after the donation for some refreshments.

Please seriously consider donating with a special appeal for first time donors.

Kewaskum High School's class of 1940 held its 55th reunion recently at Five Pillars near Random Lake. Pictured, from right to left are Marlin Dreher, Francis Beggan, John Schaeffer, Alois Volm, Alice Yogerst, Claudia Laubach, Anna Nigh, and Delbert Petermann. Classmates not able to attend included Fredrick Buss, Harold Manthei, Violet Schmidt, Ruth Schlosser, and Curtis Romaine. Entertainment was provided by 82-year-old "Uncle Ezra" (Al F. Pfeiffer of Port Washington) who is referred to as Ozaukee County's liveliest entertainer. His act is an impersonation of one of radio's most loved characters in southern Wisconsin's past.

Search for School District Superintendent Begins

By Sharon Callaway Roznik

The wheels are in motion, as the Kewaskum School Board moves to square one in the search for a new superintendent by approving notification of consulting firms to help with the search.

The board met with the district's attorney, Mike Spector, on January 15th, and were advised under his legal counsel, to begin action of the process by getting in touch with a number of consulting firms that deal with helping school districts find administrators, and to see which service would best meet Kewaskum's needs.

The approval would give Board President Weare the direction to seek out consultants and bring their proposals to the next meeting, scheduled for March 11th. Weare said he had received a list from board

member Ruth Schmitt, and asked the other members to submit any firms they would like to see looked into within the next week.

Schmitt indicated she would like to limit the quantity of consulting firms to five, assuming that some of them would be out of the district's price range, and listening to presentations by ten would be a lengthy process for the board. "If he (President Weare) takes a look at prices, and the type of services they offer, I think we can trust his judgement to bring us five of the best," she stated.

Board member Mary Andera disagreed, stating she would rather not limit the search to five, and would prefer at least ten be reviewed by the board. Neal Weare said the number was really an afterthought on Mrs. Schmitt's part, and it wouldn't really be necessary to limit the number

of consultants contacted at this point.

Marcia Theusch, a member of the audience, told the board, "I understand the motion, but I don't understand where it's going from there." She stated she felt an announcement should be put out first, asking consulting firms to submit a proposal or resume of what they do, instead of seeking them out through phone calls.

Weare told her that some time ago, the WASB had sent him information that outlines the various things that they do in this kind of process, with prices ranging from \$1,500 up to \$30,000.

The board approved this first step in beginning the search for a new superintendent, while Mr. Charles Johnson continues to serve as interim superintendent. He has not recently stated whether he will throw his hat into the ring, but had indicated when he was hired, that he would be interested in turning his position into a permanent one.

Board Approves

(Continued from Page 1)

regards to a request from Kewaskum Frozen Foods for the rezoning of 130 Forest Avenue from R-2 Single Family Residence District to B-4 General Business and Warehouse District to accommodate the construction of an addition to the existing Kewaskum Frozen Foods facility.

Citing the reason for the expansion, Bob Beisbier, owner of Kewaskum Frozen Foods, stated "the flow we have in our place right now comes to an end and we have to reverse our whole work area and we're walking over each other. Instead of taking down the two houses on Forest Avenue and taking them off the tax roll, I'd like to leave them on for now, and build behind them."

Beisbier further explained the expansion is being made to accommodate his wholesale department which has grown considerably. He said, "We really weren't equipped for that when the place was built. We improvise every corner of the building right now to accommodate that. If I'm going to grow, I have to

grow in that direction."

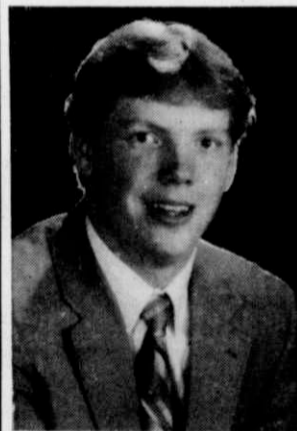

Beisbier added he employs 40 people and the new flow of the proposed expansion was, "the only way to go right now. If I can't do this, I won't do it at all. Then I won't grow."

Considerable discussion was held on providing alternative parking and adding cosmetic greenery so the commercial expansion will blend in better in a residential neighborhood.

Following the closing of the public hearing and discussion on the Conditional Use Permit the board voted positively on the rezoning request. Construction will begin as soon as all state and local permits are received.

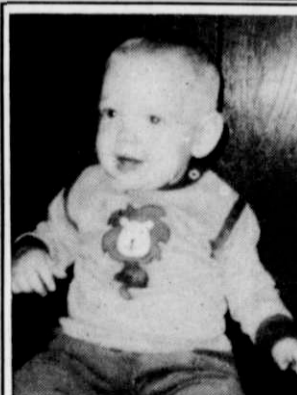

Kewaskum Fire and Rescue Squad Calls

Thursday, February 15 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 2:53 p.m. for a male patient experiencing abdominal pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

include engineers, all concrete work, some electrical, and trenching machines to bury the cable, with help from volunteers.

Pledges are still coming in every week, and a Three-on-Three basketball tournament set for March 10th, should bring in additional money. Any extra income will be put toward the purchase of bleachers.

Terry asked the board if they could come up with any kind of funding if they face unforeseen circumstances in the process of completing this project.

Board member Jeanne Goeden asked if there will be any kind of state inspection when the work is done, to make sure all requirements are met. "Everything we're doing, all the substructure we're doing, is all being written up and certified by a licensed engineer," he explained, "so everything is going to be above board. All the permits that we'll get from the village will have the exact numbers that we need," adding that the electrical work will also be inspected when it's complete.

Goeden also inquired if there was any insurance coverage for the workers during the project, and Cartwright said that they had talked over the situation with a lawyer, and on volunteer help, only certified workers will be using their specific talent for jobs that require trained specialists.

Board President Neal Weare commended the Booster Club and Kewaskum residents for making this a reality. "What you folks and the community have been able to do in a year's time is remarkable, and speaks well for this district," he stated.

As soon as the build-

ing permit is acquired from the village board, the lights will be purchased from Universal Sports Lighting in Illinois, with work scheduled to begin in spring.

Seeking Support For Fireworks

The Village of Kewaskum's Centennial Celebration was a large success, because of the people, organizations and businesses of the community working together and giving financial support.

The fireworks last year on June 10, and July 3, were just one such example of such community support. It has been suggested to try and carry on and rally to have bigger and better fireworks each and every year. With this in mind, we are asking for everyone's support.

Please consider a donation to go towards the annual Village of Kewaskum and area's fireworks. If a specific display or ground display is desired, just ask and the Village will be happy to work with you. You may either contact the Village of Kewaskum, 204 First Street, P.O. Box 38, Kewaskum, WI 53040-0038 (phone 414-626-8484) or the Kewaskum Statesman, 250 Main Street, P.O. Box 98, Kewaskum, WI 53040-0098 (phone 414-626-2626).

Names of all who donated towards the fireworks will be published in a future edition of the Statesman.

Also, if an organization or an individual desires to provide music in the shelter or base of the hill prior to the fireworks also contact the Village or the Statesman.

Thank you!

St. Joseph's Sponsors ADHD Program

Attention Deficit Hyperactivity Disorder (ADHD), a complex disorder that affects children's ability to concentrate and learn, is getting more attention today, according to psychotherapist Ron Gumm.

"It's controversial, but it's being identified more because of greater awareness of the issues," said Gumm, who is with Affiliated Clinical Services and specializes in treating children with ADHD.

Attention Deficit Hyperactivity Disorder (ADHD) is used to describe children who experience behavioral difficulties with distractibility, inattention, impulsivity or hyperactivity. Hyperactivity or excess energy may not always be present, however: some children may seem to be slow moving or dreamy, Gumm said.

Gumm will discuss the different types of attention disorders in "Attention Please!" a program sponsored by St. Joseph's Community Hospital of West Bend, Thursday, Feb. 15 from 7 to 8 p.m. in the hospital's 4 East Conference Room. The program will look at both behavioral intervention and medication in treating the disorders.

There is no fee, but registration is requested by Feb. 8 by calling the hospital's Health Promotion Services Department at 334-8268.

Attention Deficit Hyperactivity Disorder is one of the most prevalent childhood disorders and affects between five to ten percent of the nation's children.

Named to West Bend Savings Bank Board

WEST BEND -- Richard A. Larson, Chairman of West Bend Savings Bank, recently announced that Gregory T. Burns, Executive Director of St. Joseph's Community Hospital of West Bend, has been named to the Board of Directors of West Bend Savings Bank.

Burns will be succeeding E.W. Kannenberg, who served on the Bank's board since 1970. Kannenberg retired from his position effective January 1, 1996, and was subsequently named a director emeritus.

Gregory Burns joined St. Joseph's Community Hospital of West Bend in 1989 as Associate Director. In 1993, Burns was promoted to Executive Director. St. Joseph's Community Hospital of West Bend is a 121 bed general acute care community hospital with net patient service revenue

in excess of \$27 million. Prior to joining St. Joseph's, Burns was the Program Administrator for the Cardiac Care Unit at WFSI in Milwaukee.

Mr. Burns is a Diplomat of the American College of Healthcare Executives, a member of the Wisconsin Hospital Association, Vice President of Wisconsin Mobile Imaging, Inc. and Vice President of VHA of Wisconsin. Burns is a resident of West Bend.

Richard Larson stated, "The Bank looks forward to Mr. Burns active participation and leadership as a new member of the board of directors and commends Mr. Kannenberg for his 25 years of service to West Bend Savings Bank."

West Bend Savings has assets of \$166 million with eight offices serving Washington County.

KEWASKUM KETTLE
KOUNTRY KOLORS LOVERS!

Will there be a
1996 Kettle Kountry Kolors?

ORGANIZATIONAL MEETING

Wednesday, Feb. 28th

7:00 p.m.

at Hon-E-Kor

Kewaskum Kettle Kountry Kolors has outgrown the Kewaskum Chamber of Commerce. It is necessary to involve the entire Kewaskum area community if the festival is to continue.

If you love Kettle Kountry Kolors be sure to attend the organizational meeting.

New Ideas are needed and welcomed!

Wilson - Murphy

Paula M. Wilson and Christopher P. Murphy exchanged wedding vows during a 2:30 p.m. ceremony at Old St. Joseph's Church at St. Norbert's College, DePere, on Saturday, Oct. 14, 1995.

Parents of the couple are Mr. and Mrs. Lawrence Wilson of Kewaskum, and Dr. and Mrs. Tom Murphy of Green Bay.

Wendy Stojadinovic, sister of the bride, was the matron of honor, and David Baeb was the best man.

Bridesmaids included Barbara Maynard and Laurie Witzel, sisters of the bride, Jennifer Wolf, Lisa Harlow, and Meghan Murphy, sister of the bridegroom.

The flower girl was Melissa Arocha, niece of the bride, and Jimmy Wilson, nephew of the bride, was the ring bearer.

Groomsmen included Steve Abendroth, Eric Weber, Ryan Murphy, brother of the bridegroom, Ed Steinbrecher and Brian Pendowski.

Ushering duties were shared by Craig Wilson, nephew of the bride, and Todd Hermanns.

Following the ceremony, a reception was held at the Rock Garden Supper Club, Green Bay.

The bride graduated from Kewaskum High School in 1989, and from the University of Wisconsin-Milwaukee in 1994 with a bachelor's degree in electrical engineering. She is currently employed as an electrical engineer at Eaton Corp., Milwaukee.

Her husband is a 1988

graduate of Pulaski High School, and a 1995 graduate of UWM with a bachelor's degree in communications. He is the owner of Online Home-Finders located in Mayfair Mall, Milwaukee.

The couple reside in River Hills.

Receives Degree

Almost 400 students received degrees from Marquette University on December 17.

Students from this area included Stacy A. Wollner, 8309 Highway 144, Kewaskum, Master of Science, Biomedical Engineering.

Campus Notes

DE PERE -- Karyn B. Dossinger, daughter of Mr. and Mrs. Robert Dossinger, 3936 Hi Mount Road, Kewaskum, and Michelle L. Wieter, daughter of Mr. and Mrs. David Wieter, 651 S. Silverbrook Drive, West Bend, have been named to the first semester's dean's list at St. Norbert College.

Gnacinski Gage - Murphy

Mrs. Linda Lee Gnacinski Gage and James Norman Murphy of Wilmington, North Carolina, announced their engagement on Christmas Eve.

Ms. Gage is the daughter of Mrs. Jeannette Gnacinski, Antigo, Wisconsin, and the late E. "Mike" Gnacinski, former Kewaskum residents.

Her fiance is the son of Mrs. Eloise Murphy and the late Willmas Murphy of Rose Hill, North Carolina.

No wedding date has been as yet chosen by the couple.

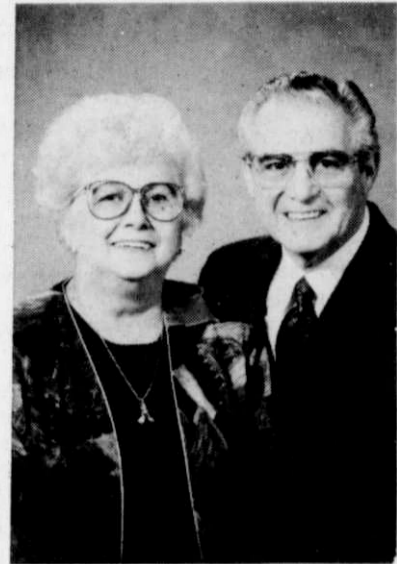

Adult CPR Class Offered

St. Joseph's Community Hospital of West Bend is offering an adult CPR (cardiopulmonary resuscitation) class Wednesday, March 6, from 5:30 to 9:30 p.m. in the hospital's fourth floor classroom.

Participants will learn how to prevent a heart attack and what to do when one occurs. They will also find out what to do for an adult who is choking and earn American Heart Association recognition in one-person CPR.

The fee is \$20 and the registration deadline is February 28. For more information, contact the hospital's Health Promotion Services Department at 334-8268.

Golden Anniversary

Gilbert and Eileen Flocker of Kewaskum celebrated their 50th wedding anniversary with family and friends at the Bacchus in West Bend.

Gilbert and the former Eileen Riegle were married Jan. 23rd, 1946, at the 1st Christian Church in Beaver, PA and are now active in the Parkfield Church of Christ in West Bend.

Gilbert was in the service from 1943 to 1946 serving in Europe. The couple lived in Beaver, PA, moved to Dallas, TX in 1954 where Gilbert was president of the Saladmaster Corp. and Eileen was Fashion Coordinator at the Dallas Apparel Mart.

In 1978 they moved to Kewaskum where Gilbert was Vice President, direct sales at Regal Ware Inc. and retired in 1991.

The Flockers have two daughters and a son: Cathleen Green (Lynn) a

teacher in Cerritos, CA; Janet Allen (Gary) a banker in Tyler, TX; and Gilbert III (Gail) who lives in West Bend and is Production Mgr. at Central United Corp in Newburg.

The Flockers have four grandchildren: Louis and Brian in Texas and Holly and Gilbert IV in West Bend.

School Lunch Program Will Meet the Nineties

By Sharon Callaway Roznik

Kewaskum's school lunch program will meet the nineties this fall, when KMS institutes a computerized lunch system as a test for the rest of the district.

Food Services Supervisor Kathy Robinson told the school board at their monthly meeting that she had been researching automated lunch systems for about two years, and felt the system offered by Command Control was by far the easiest to learn and use.

"It's almost fool-proof," Robinson stated. "It's so clear cut because it's a touch screen system, rather than using a keyboard and screen." Board member Jeanne Goeden pointed out that

it's similar to the method they presently use at Perkins Restaurant in West Bend.

Students will receive a credit card with an assigned account number and their check or cash will be entered into that account. Every time the student uses the I.D. card for their daily lunch, the bar code run through the scanner triggers a debit into their personal account. If the card is forgotten, no problem, the program also accepts the student's name or account number.

The type of lunch purchased, whether it be a full hot lunch, or ala carte, will be recorded by a cashier operating the touch control screen. Parents have the option of paying for their child's lunch as frequently as

weekly, or for an entire year.

When asked about her plans for expansion by Board President Neal Weare, Robinson indicated that if all goes well, the system will be expanded to include the other schools in January of 1997.

The cost to set up the new program at the middle school is \$5,570 with the funds coming out of the food service budget.

Live Christian Music Offered

Join in for an evening of live Christian music combined with a coffee house atmosphere on Friday, March 8, from 7 to 10 p.m. at Silverbrook School, 120 N. Silverbrook Drive, West Bend (enter in rear of school).

A guest will be Nashville recording artist, Don Wharton. There will be free admission and the public is invited. For more information call Joe at 677-2952 or Mark at 338-0205.

New Member of American Angus

Ryan Goehring, Fredonia, Wisconsin, is a new junior member of the American Angus Association, reports Dick Spader, executive vice president of the national organization with head-

quarters in St. Joseph, Missouri.

Junior members of the association are eligible to register cattle in the American Angus Association and take part in Association sponsored shows and other national and regional events.

Holy Trinity Celebrates Catholic School's Week

Why do parents choose Catholic schools? Perhaps the following statistical information found at the national and local level will answer the question.

At the national level it has been determined that:

1. Children from Catholic schools outperform children from public schools on standardized achievement tests especially in the areas of reading, vocabulary, mathematics, and writing.

2. Students in Catholic schools have lower drop out rates, higher rates of college attendance and higher rates of completing college.

3. Children from single-parent families appear to benefit the most from a Catholic school setting.

4. Catholic schools are effectively and successfully educating students from all ethnic backgrounds at about half the cost per pupil compared to U.S. public schools.

5. Parent accountability is required in Catholic schools whereas public schools cannot require parental concern. Current studies now show that parental involvement is more important to academic success than the family's income level.

6. Non-Catholic students now account for 12% of Catholic school enrollment because non-Catholic families are frustrated by the absence of values in the public school systems.

At the local level it has been determined that:

1. Last year, two out of three Kewaskum high school's valedictorians and the salutatorian were products of a Catholic primary school education.

2. The Holy Trinity 1995 eighth grade class scored second in performance on a battery of tests administered to all eighth graders in Ozaukee and Washington counties.

3. That 61.8% of Holy Trinity graduates were on the first quarter honor roll at the high school.

4. That 70.6% of the freshmen who graduated from Holy Trinity in June were on the honor roll.

The above information speaks for itself. However, Joseph Cardinal Bernardin summarizes the importance of Catholic education the best when he said: "In short, our schools are

Ashley Feucht, left, and Amanda Bunkelman, right, also participated in Dress Alike Day.

Andrea Theisen, left, and Amanda Herriges, right, were partners for Dress Alike Day.

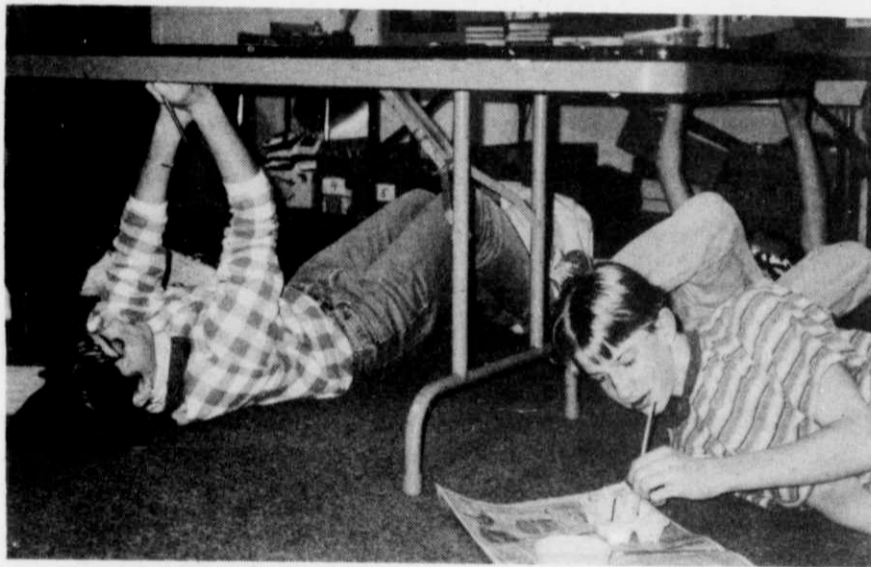

more than a gift to society because of their academic excellence. They are a gift to the Church and society because they are preparing future leaders for both -- leaders who can successfully compete academically with anyone and who also have a sound religious and moral framework within which to make good choices, both in their personal and public lives."

Holy Trinity school had planned a very active week for the promotion of Catholic School's Week. However, the weather did not cooperate and several of the activities had to be cancelled on Monday. An open house was held on Tuesday with a Family "Chili Dump" scheduled in the evening. A Dress Alike Day was held on Wednesday. Thursday was Service Day with each class being involved in some type of service project. Friday's Blue and Gold Day, along with a school skating party, was also cancelled.

Despite the weather, it was an exciting and busy week at Holy Trinity. It was based upon the formula which makes every Catholic

school special. This includes the Four-C's of a Catholic education which are: Christian values, Concerned parents, Caring faculty and Creative academics.

A teacher asked a precocious youngster what he was going to be when he grew up and he replied, "a taxpayer."

Amanda Schoofs, left, and Jesse Boegel, right, try their artistry on the bottom of a folding table.

KES District Spelling Bee

The district's spelling bee was held on Monday, Feb. 5 for students in grades 5 through 8. These students first won in their classroom bees, and they were now competing for the first, second, or third place trophies.

We began the evening with the fifth grade students. The trophies were awarded to Alison Yanke (1st), Jamie Imler (2nd), and Erin Bannenberg (3rd).

The sixth graders competed next. The results were Eric Sager (1st), Elizabeth Rammer (2nd), and Katie Vogt (3rd).

In the seventh grade competition Natalie Benter was 1st, Megan Hammen took 2nd, and Sarah Cole was 3rd.

The eighth grade competition was Erik Backhaus earning 1st place and Aaron Seiser 2nd.

At the end of the evening the four first place winners competed against each other to see who would qualify for the next level of competition. The Regional Spelling Bee will be held in Campbellsport on February 20 at 1:30 p.m. Kewaskum can send two representatives to this competition. This year the first place 5th and 6th graders won the final spell-down so Alison Yanke and Eric Sager will go on to Campbellsport.

Congratulations to all spellers and good luck to Alison and Eric in Campbellsport.

Campus Notes

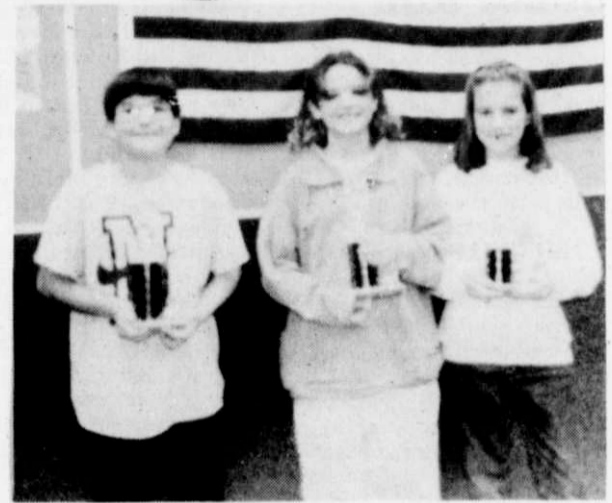

KENOSHA -- Andrea Bonlender, a freshman at Carthage College, has been named to the Dean's List for the fall 1995 semester. Bonlender, an international business and Spanish major, is the daughter of Mr. and Mrs. Kenneth Bonlender, 1014 Edgewood Drive, Kewaskum.

To be eligible for the Dean's List, a student must earn a minimum of 3.5 grade point average for the term, based on at least 12 graded credits.

Carthage is an independent college of the arts and sciences affiliated with the Evangelical Lutheran Church in America. Located on the shores of Lake Michigan between Milwaukee and Chicago, the College boasts a 148-year tradition of excellence in education.

5th Grade Contestants: (Left to right): Erin Bannenberg, Jamie Imler, and Alison Yanke.

6th Grade Contestants: Eric Sager, Elizabeth Rammer, and Katie Vogt.

7th Grade Contestants: Sarah Cole, Natalie Benter, and Megan Hammen.

8th Grade Contestants: Aaron Seiser and Erik Backhaus.

The two CESA representatives are Alison Yanke and Eric Sager. They will go on to compete on February 20 at the regional spelling bee in Campbellsport.

PROCLAMATION

☆☆☆

1996 FFA WEEK FEBRUARY 17-24, 1996

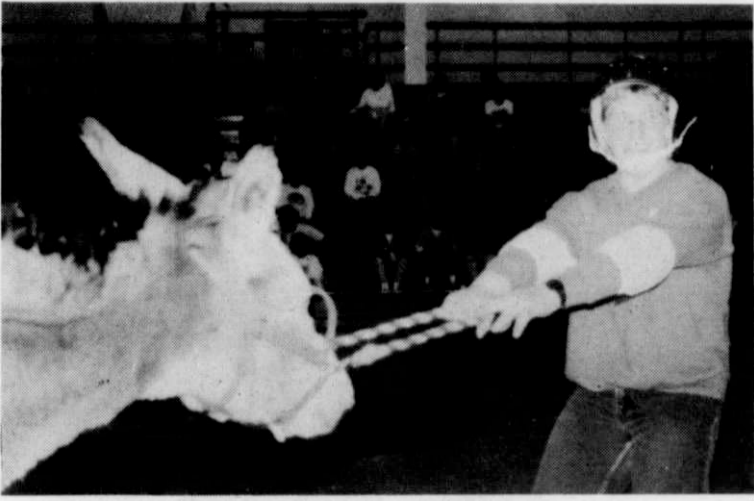

- ★ WHEREAS, the FFA and agricultural education provide a strong foundation for the youth of America and the future of agriculture; and
- ★ WHEREAS, the FFA promotes premier leadership, personal growth and career success among its members; and
- ★ WHEREAS, agricultural education and the FFA ensure a steady supply of young professionals to meet the growing demands in the science, business and technology of agriculture; and
- ★ WHEREAS, the FFA motto — "Learning to do, doing to learn, earning to live, living to serve" — gives direction of purpose to these students who strive to develop *Leadership for a Lifetime*; and
- ★ WHEREAS, the FFA performs the valuable service of encouraging cooperation, promoting good citizenship and inspiring patriotism among its members,
- ★ THEREFORE, I do hereby designate the week of February 17 through 24, 1996, as FFA Week.

DAN VRANA, Kewaskum FFA President

February 17 _____, 1996

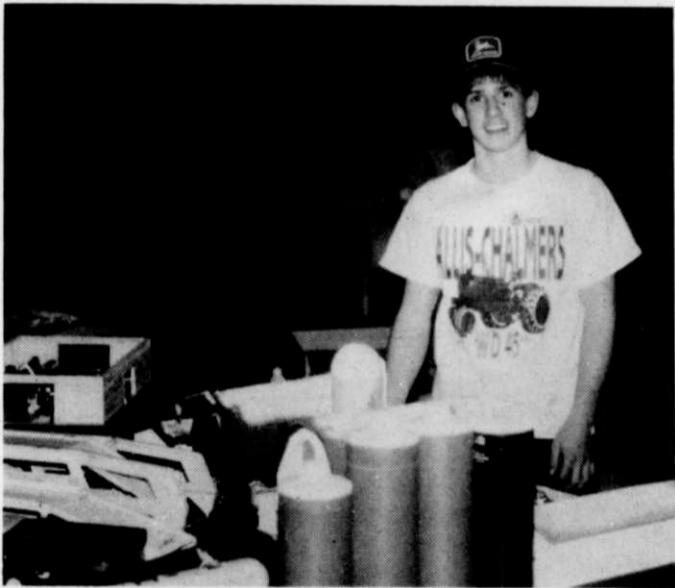

FFA ACTIVITIES

STUBBORN DONKEY - Past FFA President Doug Neumann had a little trouble with his donkey the last time Donkey Ball came to town. The donkeys will be here again on Sunday, March 31, in the High School Fieldhouse. Watch for advertisements and make plans to attend.

FARM PROGRESS DAYS - July found members of the Kewaskum FFA helping with the Farm Progress Show. Keith Martin, left, and Brad Oelhafen, right, dig post holes for signs that were placed around the showing outside the Youth Tent at the Progress Days Show. Other members helped to assemble the ring, and landscape the Youth Tent Area.

TOYS-R-ME - FFA member Charlie Berres shows off his farm toy collection at last year's FFA sponsored Toy Show. The Toy Show, now in its fourth year, features exhibitors and salesmen from around the area.

COMMUNITY SERVICE - Jason Enright pitches in to help fill the Centennial flower pots last spring. Jason and seven other FFA members helped to fill and position the pots around town in time for the summer decorations.

EXTEMP WINNER! In his first year as an FFA member, Bob Carrier took first place at the District FFA Extemporaneous Speaking Contest. Bob then went on to take second at the Sectional Finals, one place away from State. Bob is currently a freshman at UW-River Falls.

FFA LEADERS - Current FFA Officers, left to right, Bryon Brooks, Brad Oelhafen and Dan Vrana attended last year's State Convention in Madison, with over 2,000 other state FFA members.

FFA ALUMNI NEWS/UPCOMING EVENTS

MEETING/BANQUET Sunday, February 25, 1996 at the Sandpiper, 1 p.m., all you can eat chicken dinner. Call Tim Herman to reserve a spot - 629-9665.

COUNTRY DANCE Friday, March 29, 1996 at the Amerahn Hall, 8:30 p.m. to 12:30. Music by Sierra.

DONKEY BASKETBALL Sunday, March 31, 1996 at the KHS Fieldhouse. Time and admission to be announced.

ALUMNI TOOL SALE coming in spring. Call Tim Herman 629-9665 if you would like to help or want the tool van to stop in.

FFA Prepares Students for Careers, Develops Leadership Potential

ALEXANDRIA, VA - FFA members who lead chapter meetings may one day preside at board meetings. Today's agriscience students may pioneer advances in genetics tomorrow. Students who join agricultural education and FFA know they can apply what they learn in class to more than just the test: they're gaining career and leadership skills to last a lifetime.

"Students are taking note," said National FFA Advisor Larry D. Case. "Over the last four years, more than 60,000 students from diverse backgrounds were attracted to the program, providing them with a strong foundation of knowledge and skills essential for success in the science, business and technology of agriculture and life."

The FFA's more than 444,497 members in 7,264 chapters across the United States, Guam, Puerto Rico and the Virgin Islands will organize events and activities to foster awareness of agricultural education and support for FFA during National FFA Week, Feb. 17-24, 1996.

This year's theme, "FFA -- Leadership for a Lifetime," promoted through communities nationwide, emphasizes how FFA activities and agriculture classes help students develop the critical skills they need for a diversity of agricultural careers and beyond.

Seth Derner, national FFA president, said today's young people are aware of their responsibilities as agricultural leaders for tomorrow. "Our members realize that FFA fosters the skills they need to succeed in life," he said. "They will be leading the effort to provide food and fiber for a growing population and to keep America competitive in the global marketplace."

National FFA Week is held each year during the week of George Washington's birthday to recognize his leadership and commitment to American agriculture. Both the National FFA Center and the FFA National Hall of Achievement are located on part of Washington's original Mount Vernon near Alexandria, Virginia.

FFA is a national organization of 444,497 members preparing for leadership and careers in the science, business and technology of agriculture. The organization has 7,264 local chapters located throughout the United States, Puerto Rico, Guam and the Virgin Islands. FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success. Local, state and national activities and award programs provide opportunities for students to apply knowledge and skills acquired through agricultural education.

Energy Assistance Program Offered in Washington County

Applications for Energy Assistance are being accepted by the Washington County Department of Social Services, 333 E. Washington Street, Suite 3100, West Bend.

To make an appointment, or for information, call 335-4610. The office is open from 8:00 a.m. to 4:30 p.m. Monday through Friday.

Eligibility is determined by the number of people in the household and the total gross household income for the three months prior to the month of application. One person, \$2,802; two people, \$3,762; three people, \$4,722; four people, \$5,682; five people, \$6,642; for each additional person add \$960.00.

The program is a three-part program offering (1) Heating Assistance, (2) Crisis Assistance, and (3) Weatherization services.

Heating assistance is a one-time benefit payment during each heating season (October 1 through May 15). It is intended to help pay a portion of the annual heating costs for eligible applicants. The amount of the heating assistance benefit is determined by family

size, income level, and heating costs.

Crisis assistance provides both Emergency Services and Pro-Active Services.

Emergency Services provide help during the heating season to eligible households that do not have any way to pay for fuel or heating repair costs. Emergency repairs are taken on a "walk-in" basis.

Proactive Services are designed to offer training and counseling on how to reduce fuel costs, budgeting, and money management to avoid future emergencies.

Weatherization Services can conserve energy and help reduce heating costs. Applicants who are eligible for heating assistance may also be eligible for the Federally funded Weatherization Services. All services and material are provided at no cost to eligible applicants.

In order to receive a heating benefit, you must apply and be found eligible. Only one member of any household may apply. Call the Washington County Department of Social Services at 335-4610.

LOOKING FOR EVIDENCE! The fifth graders from Holy Trinity School spent a morning this past January hunting for animal tracks and nibbled off branches. They had great fun looking for evidence of wildlife in the snow.

Crisis Management

In a crisis, you need a highly skilled medical team.

Our professional staff includes board certified emergency medicine physicians and registered nurses certified in trauma care and Advanced Cardiac Life Support. Working together, they manage emergencies from minor illnesses and injuries to life-threatening trauma.

Our commitment to the management of your emergency reaches beyond St. Joseph's Community Hospital to a network of referral facilities when necessary. Our crisis team also is actively involved in community intervention. From the direction we give for county-wide emergency preparedness to our role in providing patient and family assistance with other providers and agencies, we are the Washington County leader in emergency treatments.

Strong capabilities and personal concern for patients are the crisis management advantages at St. Joseph's Community Hospital of West Bend.

Kewaskum 4-H News

Kewaskum 4-H'ers enjoyed an afternoon making Broom Girl Dolls. Members pictured, left to right, first row: Cathy Lewko, Amanda Jesowshek, Amy Deshotels and Graeme Zanow. Second row: Kim Erdman, Jessica Lendved, Brooke Zanow, Mrs. Wendegatz, and Cory Wendegatz. Good Job! *Amanda Jesowshek, Reporter*

On February 1, the meeting of the Kewaskum 4-H'ers was called to order by President Amy Johnson at 7:00 p.m. at the Kewaskum Municipal Building.

The Pledge of Allegiance and the 4-H Pledge was led by Stacy Imler and Amanda Jesowshek, also said by all.

Roll call was taken by Secretary Jon Lendved and the Treasurer's report was given by Treasurer Jennifer Rogowski and accepted.

Our club will be attending an Admirals Hockey game outing on Saturday, Feb. 24th. The game is at 7:00 p.m. at the Bradley Center in Milwaukee. Those members riding the bus are to be at the Sentry parking lot in Kewaskum at 5:00 p.m.

Tryouts for Music & Drama will be held on Saturday, Feb. 24th, our team will be performing at 8:45 a.m. The public show will be on Sunday, March 10th. Both programs will be held at the Cedar Lake Campus Theater in West Bend.

Music and Drama practice will be held on Feb. 10th and 17th at 11:30 at Mrs. Lendved's house. Be sure to contact Mrs. Lendved if you cannot attend.

There will be a New Member Orientation meeting held on Tuesday, Feb. 13th at 7:00 p.m. at the Lemke residence. Snow date will be Feb. 20th. All new families are encouraged to attend and should call Mrs. Lemke to let her know if you are planning to attend.

Members were reminded of the Speaker and

Poster Contest. Each member is required to participate in by either doing a poster or preparing a speech using the theme for the year, which is "Careers." Members doing posters are to bring them to our March 7th meeting for judging to see which posters we will send on to County level. Members doing speeches should be prepared to present their speech at our April 4th meeting.

Our monthly craft project is Washcloth Bunnies. Interested members were to sign up at the meeting or call Mrs. Nadine Lendved. Date for the project is Saturday, March 2nd at 10:00 a.m. at Mrs. Lendved's house.

Mrs. Diane Lemke reported on the Japanese exchange students. The program is open to 4-H families in Washington County with children between the ages of 10 and 18. The exchange students will be ages 12-18 and will be here four weeks this summer as part of the exchange program sponsored by 4-H. You only need a willingness to share your home and your world. If you are interested contact Diane Lemke for an application form, or contact the 4-H office.

The 4-H Bowl-A-Thon will be held on March 24th. Registration forms will be in the Feb. Clover Line. The Bowl-A-Thon is lots of fun and offers many door prizes.

Mrs. Karen Erdman will be having Foods project meeting at her house each month up to May. If you do not have the time schedule be sure to call Mrs. Erdman. She would also like you to call at

least 4 days before the meeting to let her know you will be attending.

There will be a Cloverbud meeting held at Mrs. Johnson's house on Feb. 17th at 10:00 a.m.

Club members celebrating birthdays in Feb. are Jamie Imler, Stacey Imler and Kathy Deshotels.

Jennifer Rogowski and Heather Hackbarth gave a Recordbook Explanation presentation for our club members.

The meeting was adjourned and refreshments were served.

Our next meeting will be on Thursday, March 7th at 7:00 p.m. at the Kewaskum Municipal Building.

Reporter*

Campus Notes

WHITEWATER -- The University of Wisconsin-Whitewater has named 1,131 undergraduate students to its honor roll for the 1995 fall semester.

To be eligible for the honor list, a student must have a 3.4 semester grade point average for 12 semester credits or more, with no grade lower than a "C".

Kewaskum students listed on the honor roll included Nicole Cayner, 8404 Hilltop Lane; Wendy Fideler, 2863 Ridge Road, and Melissa Kuechler, 8408 Boltonville Road.

UW-Whitewater is a premier regional university serving 10,500 students with 43 undergraduate and 13 master's degree programs in the Colleges of Arts and Communication, Business and Economics, Education and Letters and Sciences.

'Let There Be Light' Basketball Tournament

The First Annual Kewaskum High School 3-on-3 Double Elimination Basketball Tournament will be held on Sunday, March 10, beginning at 9 a.m. There will also be individual free throw competition and three-point shot competition.

The tournament is being sponsored by Bank Wisconsin of Kewaskum, Dairy Queen, McDonald's Express and the Kewaskum Booster Club and all proceeds from the event will benefit the "Let There Be Light" fund.

There will be a trophy awarded for first place and t-shirts will be given to the first three places. Competition will be held in boys and girls divisions in the following age groups: 10 and under, 11 to 13, 13 to 15, 16 to 18, 18 and over, and 30 and over.

The fee is \$10 per person or \$30 per team. There can be up to four members per team including one sub. All registrations must be received by March 6.

Information will be posted in all the schools, or can be obtained by

contacting the high school. Registration forms and more information can also be obtained by phoning Terry or Cindy Cartwright at 334-8053. The registration form will also be printed in next week's edition.

Here's your chance to beat those winter doldrums and get rid of some of that buildup that seems to have stayed with you since Christmas. The football season is over now so you couch potatoes have no excuses. Have some fun and you'll also be helping the "Let There Be Light" dream become a reality.

Trees for Tomorrow Sounds of February

by Ced Vig

Sounds of February -- There are many sounds in the woodlands during February: the hooting of horned and barred owls; the barks of the mating red foxes; the howling and yapping of coyotes. If you should hear a series of bloodcurdling screams, yowls and squeals, it's a pair of bobcats shouting sweet nothings at each other.

Obituaries

RUTH GONNERING-GUSE

Ruth E. Gonnering-Guse, nee Gonnering, of West Bend, died Thursday, Feb. 15, 1996, at St. Joseph's Community Hospital, at the age of 75.

She was born March 15, 1920, to the late Leo P. and Alma (nee Meyer) Gonnering, and married George Guse on Dec. 7, 1967.

After graduating from West Bend High School in 1938, she attended St. Agnes School of Nursing, graduating in 1942. She then served with the U.S. Army Nursing Corps as a first lieutenant.

Following her discharge, she was employed at St. Joseph's Community Hospital in the pediatrics department, the Samaritan Home and the Cedar Lake Home.

She went on to school for industrial nursing and worked at The West Bend Company for 20 years as a supervisor of a first-aid room, working closely with doctors to make the work environment a safer place.

Survivors include a son, Robert (Wanda) Fairly of West Bend; three stepchildren, Robert (Joyce) Guse of West Bend, Gail (Dick) Ellis of Kewaskum and Dawn (Brian) Dorzok of Carbondale, Colo.; two grandchildren; seven step-grandchildren; six great-grandchildren; a sister, Marion (Don) Hercules of Gold Canyon, Ariz.; a brother, Peter (Tina) of West Bend; and other relatives and friends.

Preceding her in death were her husband and a step-grandson, Trent Ellis.

A Mass of Christian Burial was on Saturday, Feb. 17, at 2 p.m. at Holy Angels Church, West Bend. Rev. Patrick Wendt was the presider, and entombment followed at Washington County Memorial Park, West Bend.

Visitation at the church only was Saturday from 10 a.m. until the time of services.

Memorials may be given to the Samaritan Home or the charity of the donor's choice.

The Schmidt Funeral Home, West Bend, served the family.

GERTRUDE M. MEIDL

Gertrude M. Meidl, nee Leffingwell of West Bend, died Saturday,

Feb. 17, 1996, at St. Joseph's Community Hospital, at the age of 68.

She was born Aug. 7, 1927, in West Bend, to the late William and Helen (nee Schneider) Leffingwell, and married Hilarius W. "Hilary" Meidl on Jan. 20, 1954, at Holy Angels Catholic Church, West Bend.

A lifelong resident of West Bend, she was a member of St. Mary's Immaculate Conception Parish of West Bend.

Survivors include her husband; eight children, Debbie Aspen of Fosston, Minn., Dave (Tammy) of West Bend, Diana Meidl of Milwaukee, Judy (Michael) Guernndt of Eden, Angie Thorson and Richard, both of West Bend, Susan (Kerry) Klein of Kewaskum, and Laura (friend Greg Hintz) Meidl of West Bend; 22 grandchildren, Lisa Adam, Amy, Jessica, Stacy, Crissy, Richard, Jeremy, Cheyanna, Steven, Sheila, Jason, David, Cassandra, Tonya, Angela, Natasha, Sara, Cynthia, Laura Beth, Herb and Dustin; a sister, Rita ("Doc") Kauth of Fort Lauderdale, Fla.; a brother, James (Wilma) of Wisconsin Rapids; a special aunt, Germaine Schneider of West Bend; a niece, Ann Leffingwell; two nephews, Bill Kauth and Curtis Leffingwell; and many other relatives and friends.

Preceding her in death were a granddaughter and a grandson.

Funeral services were held Tuesday, Feb. 20, at 7 p.m. at the Phillip Funeral Home, West Bend. Fr. Patrick Wendt officiated and burial was Wednesday at 10 a.m. in Holy Angels Cemetery, West Bend.

Visitation at the funeral home was Tuesday from 4 a.m. until the time of services.

In lieu of flowers, memorials are preferred.

ISABEL M. SCHLOEMER

Isabel M. Schloemer, nee Hammer, 84, of West Bend, died Saturday, Feb. 17, 1995, at the Samaritan Health Center.

She was born July 17, 1911, in Beaver Dam, to the late Joe and Caroline (nee Frank) Hammer, and married Lloyd H. Schloemer on Sept. 29, 1938, in Beaver Dam. He passed away Jan. 15, 1993.

Survivors include a son, Robert (Sandie) of

Campbellsport; a granddaughter, Chelli Schloemer of Miami, Fla.; two sisters, "Butz" Lewandowski of Beaver Dam and Ange (Rudy) Kubash of Milwaukee; a brother, James of Beaver Dam; and other relatives and friends.

Preceding her in death was a granddaughter, Dawn Schloemer.

Funeral services were held Monday, Feb. 19, at 1:30 p.m. at the Myrhum Funeral Home, West Bend. Rev. Thomas DeVries of St. Frances Cabrini Catholic Church, West Bend, officiated, and burial followed in Holy Angels Cemetery, West Bend.

ATTORNEY STEPHEN M. O'MEARA

On February 20, 1996, prominent West Bend attorney, Stephen M. O'Meara, died at St. Joseph's Community Hospital, West Bend. Mr. O'Meara practiced law with distinction for over 50 years in West Bend, and served on many civic organizations during that time.

He was born in West Bend on August 12, 1917, to Thomas F. O'Meara and Emma Pick O'Meara. He attended Holy Angels School, West Bend High School, the University of Notre Dame, and graduated from the University of Wisconsin Law School in 1941.

He was a member of West Bend High School's state champion track team in 1934, and was proud of the fact that his high school record in the half mile stood for almost 30 years. Shortly after his graduation from Law School, the United States entered World War II and O'Meara enlisted in the Army, where he initially served as an attorney in the Judge Advocate General Corps. Upon his request for combat duty, he received a transfer to the Field Artillery. He served in the Italian Campaign, and was discharged as a Captain.

Following the end of the war, he and his late brother, Thomas F. O'Meara, Jr., both returned from military service to reopen their law firm of O'Meara and O'Meara. The firm had been founded by their grandfather, Patrick O'Meara, in 1870. The law firm is now called O'Meara, Eckert, Pours & Gongring.

On June 5, 1948, he married Virginia C. Coffey, of Wauwatosa, Wisconsin, after which they participated in the baby boom. Together they had seven sons: Michael Walsh (Valerie) of Ste-

vens Point, Wisconsin; Stephen Charles (Karen) of Kewaskum; William Thomas (Mame) of Orono, Minnesota; Kevin Patrick (Katie) of West Bend; Gregory John, of the Jesuit Order, presently living in Chicago; Denis Philip (Meghan) of Oak Park, Illinois; and James Vincent, who practices law at the O'Meara Law Office. Stephen and Virginia also have 13 grandchildren. Stephen is also survived by his brother General Andrew P. O'Meara of Arlington, Virginia, and sister, Mrs. Patricia Freeman of West Hartford, Connecticut, and his sister-in-law, Mrs. Betty O'Meara of West Bend.

In the course of his career, Mr. O'Meara received significant professional recognition, including selection as a Fellow of the American Bar Foundation, Director of the American Judicature Society, and Fellow of the American College of Trust and Estate Counsel. He was also chosen for the Federal Judicial Nominating Commission for the Eastern District of Wisconsin. For 32 years he served Washington County as a Court Commissioner and as the Probate Public Administrator. Stephen was a member of the Wisconsin, American and Washington County Bar Associations, being a past President of the latter.

Stephen took pride in his role as counsel in the landmark medical-legal ethics case *in re Guardianship of Pescinski*, in which the Wisconsin Supreme Court dealt with the rights of an incompetent person when faced with a relative's request to donate a bodily organ.

He recently retired after being a longstanding member of the Board of Directors of St. Joseph's Community Hospital of West Bend. He had also been President of the West Bend Chapter of the American Red Cross and President of the West Bend Country Club. He was a member of the Lithia Chuckies Bowling Team, the Blue Wing Hunting Club, and the local chapters of the Knights of Columbus, American Legion, Veterans of Foreign Wars, and the Moose Lodge. For many years, he was on the Board of the West Bend Economic Development Corporation.

Stephen is remembered by family and friends for his affectionate marriage to his wife, Virginia, for his cheerful but determined acceptance of the co-responsi-

bility of raising his sons, and for his good natured friendship. He enjoyed raising roses and keeping an apple orchard, drawing heavily on the unskilled help available within his household. Among other recreational activities, he hunted ducks, grouse and pheasants, enjoyed trapshooting, went cross-country skiing with Virginia, and played golf on Saturday mornings with good friends. Later in life, he began breeding Klein Munsterlander hunting dogs. On Saturday, his favorite dog, Lily, gave birth to four good pups.

Funeral services will be held on Thursday, February 22, 1996 at 6:30 p.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 7 p.m. at Holy Angels Catholic Church, West Bend. Interment will be at 9:30 a.m. on Friday at Holy Angels Cemetery.

Visitation will be at the funeral home on Thursday from 4 p.m. until the time of services.

In lieu of flowers, the family prefers memorials to The Retirement Fund for Religious, St. Mary's Parish of West Bend, the Holy Angels School Trust Fund or The Kettle Moraine Support Services (Hospice).

ROSE ELSINGER

Rose Margaret Elsing-er, 73, died Monday, February 19, 1996, at Cedar Lake Home in West Bend.

She was born September 14, 1922, in Lomira, a daughter of John and Marie Mueller Burgert. On January 26, 1942, she married Sylvester Elsing-er.

Mrs. Elsing-er was a member of St. Matthew's Catholic Church in Campbellsport.

Survivors include one son, John and his wife Kathy of Campbellsport; one daughter, Antoinette Miller and her husband Matthew of Beloit; five grandchildren, Kelly Elsing-er Beck and her husband Bill, Lisa Elsing-er, Charles Miller and his wife Kelly, Pat Cherry and her husband Bryan and Tom Miller and his wife Kristie; four great-grandchildren; two brothers, Clarence Burgert and his wife Margo of Campbellsport and Gerald Burgert and his wife Jo of Florida; and one sister, Sal Key of Greendale.

Preceding her in death were her husband on March 18, 1993; one brother and one sister.

A memorial mass will be held at a later date.

(Continued on Page 17)

MRS. RADEY'S 4TH GRADE VISITS THE BEECHWOOD REST HOME

On Tuesday, December 19, Mrs. Radey's fourth grade class from Farmington Elementary School went to visit the Beechwood Rest Home.

The students went in small groups of eight or ten in the school van, driven by Mrs. Henckel a parent volunteer. Their goal was to spread Christmas cheer and to learn more about another person. The students went there with Christmas gifts for their resident. They made the residents cards, pictures, and yarn ornaments.

They interviewed their resident with another fourth grader and then they wrote a paper about their experiences. The paper was made into a book and will be given to their resident. The students also made a copy of the book for themselves.

All of the students seemed to enjoy their experiences and many commented that they would like to go to the Rest Home again.

The following are the stories/interviews the students wrote. Because of space limitations, we will not be able to print them all in this issue, but hopefully, we will be able to print them in their entirety within the next few weeks.

INTERVIEW WITH FRANK AND SALLY GLUCK AND THERESA KESSLER By Juliet Tofte

On December 19, 1995, Mrs. Radey's fourth grade class went to the Beechwood Rest Home. We were going to learn a little more about someone who is older than us. We were also going to try to spread a little Christmas cheer.

I thought I would be visiting with Theresa Kessler, but when I got there, I found out she had recently had a stroke and was slightly depressed. So instead, I had a chance to talk to Frank Gluck.

When I talked to Frank, he was glad to speak with me. Frank was VERY easy to talk to. I asked him 36 questions! We started to talk about his life long ago. Frank was born in Sheboygan in December of 1915. When he got older, he moved to Random Lake. He was troublesome and "loose."

When Frank got MUCH older, he married Sally. After their marriage, they opened a tavern called "Frank and Sallys." Later on, Frank and Sally had two kids, a boy who is 55 now, and a girl who is 42 now. When the boy was 13 and the girl was one, the tavern burned down. They moved to Chicago after that.

Soon after they moved, Frank became an oil trucker. One day, Frank accidentally fell asleep. Then, some other truck plunged into Frank. When he woke up he was in the hospital suffering from a broken neck and vertebrae. Frank was in the hospital for about two months. This is the main reason Frank is in the nursing home.

Now 80, Frank is bursting with good health. It's nice he isn't alone. He gets visits and makes them. Frank goes home for the holidays. He does see his old house because he handed it down to one of his children.

I had fun writing this report. It helped me learn more about older people. I also liked going to the rest home. At first, I was scared, especially when we got there. When I walked around everyone looked mean. When I got to talk to one they really weren't mean. I hope you learned more about older people, too.

INTERVIEW WITH CECELIA GENGLER & WILLARD FIEFER By Corey Strom

My classmates and I went to the Beechwood Nursing Home Tuesday, December 19. We each had to interview a resident. I was partners with Levi. He had an 84-year-old woman named Cecelia. My resident was a man named Willard.

Cecelia was born in 1911. She lived in Milwaukee before she moved to Saukville in 1959. She was one of nine children in her family. She likes Wisconsin very much and has never been to a different state.

Cecelia has never been married and has never had any children. She has no family other than a cousin. She had an uncle in World War I. Cecelia likes baseball. The Brewers are her favorite team. She enjoys watching M.A.S.H. She used to have a dog. She likes living at the nursing home.

Willard has never had anyone in his family go to war. He always was good. He enjoys fishing. He loves to eat Northern, Perch, fruits and vegetables. His favorite color is red. He likes to watch football. He likes to watch the Packers. The Packers are his favorite team. He likes country music. He used to have a dog. He likes living at the nursing home.

It was fun interviewing Cecelia and Willard. They had some interesting information. This was my first time at the Beechwood Nursing Home. I never interviewed anyone until now. It was a fun experience.

ABC SKAT RESULTS

The winner at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Feb. 13th was: Harold Eggert, 17-0--17 net.

IN MEMORY

In loving memory of MERLIN PROST who passed away February 22, 1993:

We thought about him today
But that is nothing new-
We thought about him yesterday
And days before that, too.
In silence we often say his name.
We have so many memories and a picture in a frame,
With which we will never part.
God has him in his keeping
We have him in our heart.

Sadly missed by wife Doris, children and grandchildren.

CARD OF THANKS

The family of Dan Tessar would like to thank everyone for the many memorials, cards, flowers, expressions of sympathy, and participation in the Memorial Service.

We will always remember your thoughtfulness.

About 5,000 years ago, pigeons became the first tamed birds, experts believe.

Town of Scott Board Discusses Options on Beechwood School

By Bernadette Mondloch

Town of Scott residents continue to hold an interest in establishing the former Beechwood School as a place which can be used by the community.

Early in the year, Chairman Lester Benzschawel organized a citizens committee headed by Terry Weber. Weber has been collaborating with the Kewaskum School Board to reach a decision on what will be done with the property.

It now looks like the building, which has been vacant for nearly a decade, may become functional again. There is a 50% chance that the building may be needed as a school again, due to the population movement into the town.

At the January meeting of the Scott Town Board, Weber reported that the school board is pondering a number of options. Due to the increasing number of homes being built, and the influx of people mainly from areas to the south, there may be a need for some changes within the Kewaskum School District.

Talk about several options for the district brings these questions to mind: Shall we add on to existing buildings? Would it be wiser to make a large addition to the building in Kewaskum?

With the growth around Beechwood, what are the possibilities of reopening the Beechwood School? How do the townships feel about growth? What does the establishment of a community school do to the tax bill?

Ralph Buchel commented, "We must think about transportation. If the Beechwood school were to open, 90% of the children could walk to school." He suggested the possibility of grants being available to assist the district in opening the school.

The Farmington school, south of Boltonville, also part of the district, is currently in operation, but as Weber put it, "It is in bad shape and also in need of improvements." Weber went on, "As a Scott resident, I would like to see it used, there is no sense to see it empty."

A handful of residents attending the meeting all nodded their heads in approval. One suggested that a meeting be held at the Beechwood school with all district electors invited to speak and to get a first hand look at the premises. A voice in the group, said, "We want to grow."

Weber will continue his contact with the school board and will be reporting to the town board at a future meeting.

Six bids were received for a new truck and plow. Prices were all within the \$40,000 price range. Bids came from Cooley, Random Lake; Team, Kaukauna; Monroe, Green Bay; Olson, Green Bay; a company from Marshfield; and L & S Truck Company, Fond du Lac.

The highway committee will be reviewing the bids and contracts will be awarded at the March meeting.

Scott's representative on the Random Lake Community Joint Library remains vacant. The board has accepted the resignation of Betty Mileager and thanked her for her service to the town. Plans are to make an appointment next month. Interested parties are asked to contact the town clerk to make their wishes known.

The books are ready to audit, a date will be chosen at the March meeting.

The lack of good drinking water for poll workers, and town employees has prompted the town into contracting with Culligan to supply bottled water at a \$10 rental cost for a dispenser plus \$5 per water container. The service will be used for a one year trial period with the unbudgeted cost coming out of the building maintenance fund.

The building inspector has been on vacation, so therefore, no building permits were reported.

School Board Meeting Minutes

School District
Of Kewaskum
Regular Meeting
January 8, 1996

MINUTES

The meeting was called to order at 7:00 p.m. by President Weare.

Board members present: Mary Andera, Jean Goeden, John Schulte, Neal Weare, Karen Sparks, Ruth Schmitt, Ron Beimborn.

Members absent: none.

A moment of silence was observed.

Clerk Andera led the Pledge of Allegiance.

Goeden/Sparks motion to approve the agenda. Motion passed 6-0.

Mary Reilly-Kliss was honored as the Teacher of the Quarter.

The Student Representative Report included information on the preschool program, the holiday program, the Citizen Day on January 21, and Sadie Snowball on February 10.

Each building administrator summarized various activities taking place in the schools.

Audience to Visitors: Mrs. Ruth Schmitt inquired about the substitute teacher program. She requested that the issue be an agenda item for February and that specific information be provided at that time.

Jean Goeden announced that Friends for Kelly Wagner will hold a fund raiser on Saturday, March 30, 1996 at the Fillmore Turner Hall. Mrs. Goeden also commended the parents who supported the DARE program at the elementary level and asked that they continue to show support as the students reach the middle and high school.

Schulte/Goeden motion to approve the December 11, 1995 Regular Meeting minutes. Motion passed 6-0.

The next FTBG Committee meeting is scheduled for Monday, January 15, 1996 at 7:30 p.m. at Farmington Elementary School.

The next Policy Committee meeting is scheduled for Monday, January 22, 1996 at 7:00 p.m. in the District Office.

Goeden/Schulte motion to approve the payroll and accounts payable in the amount of \$836,330.21. Motion passed 6-0.

Discussion ensued regarding the resolutions to be voted on at the upcoming state convention. Board members related their views to Mr. Schulte, the District's delegate, who will vote on the board's behalf.

Dr. Johnson informed the board that the K-3 Task Force Report, the direct assessment, and recommendations will be presented at the February meeting.

Schulte/Goeden motion to approve a contract for Elizabeth Hubbard as limited term district reading teacher. Motion passed 6-0.

Goeden/Schmitt motion to approve the purchase of 51 desks for Farmington Elementary School at a cost of \$3891.30. Motion passed 6-0.

Sparks/Schmitt motion to begin the process of the search for a permanent superintendent and make an attempt to post this by the end of January or early February. After considerable discussion Ruth Schmitt called the question. The motion vote passed 4-3 with Mary Andera, Jean Goeden and Mr. Schulte voting no. The motion passed 5-1 with Mr. Schulte voting no.

Schmitt/Schulte motion to approve a limited term teaching contract to Elizabeth Isaacsen (replacing Marilyn Krantz), and Marilyn Petermann (replacing Peggy Nelson). Motion passed 6-0.

Sparks/Schmitt motion to approve a contract for Jody Lynne Mundigler as elementary guidance counselor intern. Motion passed 6-0.

Schmitt/Sparks motion to approve a leave of absence request from Julie Ann Butcher. Motion passed 6-0.

Goeden/Sparks motion to have the board agree to commit to a Strategic Planning Workshop to be held on dates to be determined, but not later than April 1996. Motion passed 6-0-1 with Ron Beimborn abstaining.

Goeden/Andera motion to approve the creation of a special board committee for District Mission and Beliefs development. Motion passed 7-0.

Sparks/Schulte motion to approve the creation of a K-5 Space Feasibility Study Group. Motion passed 7-0.

Sparks/Andera motion to adjourn. Motion passed 6-0. The meeting adjourned at 9:20 p.m.

Punctuality is the thief of time.

WTKM Farm Fair March 5

With winter on the wane and the first day of spring on the way, it's time again to recognize farmers in the community for their help in providing us with our plentiful food supply. To coincide with the start of the growing season, the 14th Annual Agricultural Appreciation Day has been set for Tuesday, March 5.

The "WTKM Farm Fair" will be held at Legendz Great Hall of Hartford from 9 a.m. until 4 p.m., and will feature over 60 agribusiness firms from throughout the area exhibiting their products and services. Guests will also enjoy free milk courtesy of Kemps and Golden Guernsey dairies, with plenty of product samples offered by many of the exhibitors. Food is provided by the Washington County Farm Bureau, and refreshments will be available all day as well.

The Farm Fair also gives farmers a chance to discuss concerns with local and regional farm leaders, and area economists will be on hand to answer questions on family living. New this year is chemical "Clean Sweep" information at the Dodge/Washington County University Extension office booth. And special attention should be given to the farm safety informational booth staffed by the Hartford FFA Chapter. Informative seminars will also be going on throughout the day.

Admission to the WTKM Farm Fair and Agricultural Appreciation Day is free, and all area farmers are invited to come visit with their neighbors and get their "Farming Fix for '96" at Legendz Ballroom, 700 South Main Street in Hartford, at Farm Fair '96 on Tuesday, March 5.

Campus Notes

The following area Kewaskum students have been named to the Dean's List at the University of Wisconsin-Milwaukee for the Fall 1995 semester:

Traci Lee Bindrich, 9539 Pine Lane, Business Administration, Finance, BBA; Timothy W. Kaufmann, 1706 Hwy. H, L & S, BA; Deanna Joyce Wagner, 8704 Forest View Rd., Nursing, BS, and Jason R. Wollner, 8309 Hwy. 144, Engineering, BSE.

UWM is the second largest university in the State of Wisconsin. UWM has ten schools and colleges as well as a graduate school and a University Outreach Division. It is a major teaching and research institution serving Wisconsin's largest metropolitan area.

Sturgeon Spearing Is Over for Season

The 1996 Sturgeon Season ended on February 18th, after a shortened nine day season.

Visibility in Lake Winnebago was better than 10 feet on the average and that led to the season not being extended beyond the nine days.

Sturgeon spearkers had another good year on Lake Winnebago with 766 sturgeon taken during the nine day season. The largest being a 107 pound fish, taken off the east shore.

On the Upper Lakes, which includes Lake Butte des Mort, Poygan and Winneconne, a two day total of 463 fish were taken. The Upper Lakes are open every five years, on the second weekend of the Sturgeon Spearing Season. The largest fish taken on the Upper Lakes was a 109 pound fish.

The total harvest comes to, 1229 fish taken, which is excellent for only a nine day season.

Many questions are being asked as to next year's season, if it will also be a nine day season? At this time, no one knows for sure.

If you have any other questions, feel free to contact me.

Doug Bilgo
Conservation Warden

XYZ CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, Feb. 14th were: SKAT: Harold Eggert, 18-1-17 net; Frank Sell, 12-0-12 net.

SHEEPSHEAD: Martha Kudek, Norbert Broecker, Edna Ruppinger and Elsie Bruessel.

Gauvin Runs for Centre College Cross Country

Suzanne Gauvin was a cross country runner for Centre College, Danville, Kentucky, this year. The College has a strong cross country program.

Both the men's and women's teams recently placed second at the Southern Collegiate Athletic Conference (SCAC) Championships. Rick Serres coaches the men's team and Cheryl Hart coaches the women's team.

Gauvin is the daughter of Daniel and June Gauvin of Kewaskum and is a 1995 graduate of Kewaskum High School.

Centre is a four-year liberal arts college with a selective admissions policy that favors students with distinctive records of high school academic achievement and strong scores on college entrance examinations. Centre has been cited by *U.S. News and World Report* as one of the top 25 teaching colleges in the United States and one of the 15 "best buy" colleges in the country. Centre sponsors nine varsity teams for men and nine for women.

Trinity 'A' Girls Tie for First Place

Holy Trinity girls basketball team completed a busy week by tying a tie for first place in league play.

Starting on Tuesday with a completion of a game with Campbellsport that was suspended because of a sick floor, the girls overcame a weak offensive performance with some great defense in defeating their opponents by a score of 20-12.

Scoring for the Wildcats were Jenny Kraft with eight, Amy Piwoni with six, Katie Kopecky three, Bridget Polzean two, and Rachel Wolf with one point.

The following night the Wildcats went up against St. Marys of Eden. For the first time this season, the girls' defense just wasn't up to the task. On numerous occasions, Eden was able to get easy shots at point blank range.

Because of the defensive breakdowns, the Wildcats went into the fourth quarter trailing by a score of 34-13. A furious comeback attempt ensued led by a barrage of long range shots. At one time they were able to whittle the lead down to nine points. Unfortunately, the comeback ran out of gas and the girls lost by a score of 43-27. Scoring were Kraft with 11, Piwoni with 10, Aileen Chambers, Lynn Wiesner and Kopecky with a basket each.

The girls championship hopes then were shifted to Friday night's game against CCLT. Playing in front of the home crowd for the last

time, the eighth grade group of Kraft, Piwoni, Kopecky, Amber King and Lisa Schickert would not be denied in their quest.

The first quarter opened with the 'Cats using full court pressure hoping to rattle the Raiders. The strategy only met with minimal success in that the girls held a 16-12 lead after one.

In the second quarter the coaching staff switched to a zone. That seemed to do the trick, but the dividends did not really show until later, in that the second quarter ended 28-22.

The fireworks started in the third with the quick hands of the Wildcats coming to life. The zone provided numerous turnover opportunities and the girls were quick to capitalize. With 21 third quarter points, H.T.S. broke the game wide open. This enabled the coaches to pull the eighth graders, and the crowd showed their appreciation for four great years.

The final score ended at 53-35 and at least a share of the title. Sharing the scoring lead were Kraft and Piwoni with 17 each. Following them were King with six, Wiesner and Erin Weiss with three, Kopecky, Schickert and Bridget Polzean with two, and Cindy Reindl finished the scoring with a free throw.

The girls end conference play at nine wins and one loss, with a tournament at St. Kilians in Hartford on the horizon.

HT Boys 'A' Team Wins for Parents

On Friday, February 16, at the Kewaskum Middle School, the Wildcats came face to face with their season's last opponent in conference play, CCLT of Lomira.

It was Parent's Night so the gym was full of enthusiastic fans. The Wildcats came out growling. They immediately scored five consecutive field goals before CCLT scored their first one. The score after the first quarter was 17-3. The second quarter was evenly matched as Holy Trinity scored seven points and CCLT, six. At halftime, the score was 24-9.

The starters returned to the floor at the beginning of the second half. Both teams only scored four points apiece leaving the score at 28-13 at the end of the third quarter. In the fourth quarter, the offensive pace of the game picked up for both teams. Holy Trinity scored 14 points while CCLT scored 23.

A large percentage of the second half was due to free throws as Holy Trinity accumulated 15 team fouls. Despite this fact, the final score was Holy Trinity 42, CCLT 35.

Six eighth graders played their final conference game as Wildcats. They were Jason Gruber, Pat Bohn, Chris Boden, Nick Staehler, Jason Strobel and Jesse Boegel. Those scoring for the Wildcats were Jason Strobel 18, Mitch Strobel 9, Jason Gruber 4, Jesse Boegel 4, Mark Schrauth 2 and Nick Staehler 2.

HT Boys 'A' Team Conference Champs

The Holy Trinity boys' "A" team stands alone as the conference champs by defeating St. Matthews of Campbellsport on February 13, by a score of 47 to 23.

The Wildcat defense again took its toll on an aggressive St. Matt's team. Rebounding played a significant role in the Wildcat's win. The team had a total of 25 rebounds.

The Wildcats always seemed to have gained momentum in the second half, and this game was no different. A total of 29 points were scored by the Wildcats in this half as compared to 18 in the first. While the Wildcat offense improved, their defense tightened as St. Matts was allowed only 12 points in the second half.

Those scoring for Holy Trinity were Jason Strobel 23, Jason Gruber 6, Mitch Strobel 6, Jesse Boegel 4, Pat Bohn 2, Chris Boden 2, Mark Schrauth 2, and Jon Boedecker 2.

HT Boys 'A' Team Wins Another One

The Holy Trinity Wildcats hit the floor with a bang and took a significant lead against St. Marys of Eden on Wednesday evening, February 14.

It was a nice Valentine's present for the fans as they saw a 26 to 11 lead at halftime. Holy Trinity who usually improves their shooting accuracy in the second half of the game, hit 48% of their first half shots.

A full court and half court press kept the Knights in anguish for the entire game. Again, rebounding and steals enabled the Wildcats to control the ball. The Wildcats had an impressive 21 rebounds and 22 steals.

The final score of the game was 40 to 28. Those scoring for Holy Trinity were Jason Strobel 13, Jesse Boegel 12, Mitch Strobel 12, Jason Gruber 4, and Tim Branta 2.

SHEEPSHEAD WINNERS

5 handed winners on Wednesday, Feb. 14th were: Butch Schmitt, 85-8-77, 22-5--17; Marge Geiger, 87-13--74, 26-8--18; Marge Bonlender, 57-11--46, 19-7--12; Frank Krueger, 52-8--44, 21-4--17; Whitey Heisler, 57-13--44, 17-8--9; Walter Bartelt, 45-7--38, 15-3--12.

The next 5 handed will be Thursday, Feb. 22nd and Wednesday, Feb. 28th at 8:00 p.m. sharp. Cash prizes, lunch. Schmitt's Never Inn.

PUBLIC NOTICE Village of Kewaskum Plan Commission

The Village of Kewaskum Plan Commission will meet on Tuesday, February 27, 1996, at 7:00 p.m. in the Council Room of the Municipal Building, 204 First Street. Daniel S. Schmidt Administrator

TYPE E NOTICE - VOTING BY ABSENTEE BALLOT

Any qualified elector unable to get to the polling place on election day may request to vote an absentee ballot. Any qualified elector is any U.S. citizen, who will be 18 years of age or older on election day, who has resided in the ward or municipality where he or she wishes to vote for at least 10 days before the election. If voter registration is required, the elector must also be registered.

TO OBTAIN AN ABSENTEE BALLOT YOU MUST MAKE A REQUEST IN WRITING. Contact your municipal clerk and request that an application for an absentee ballot be sent to you for the primary or election or both. You may also request an absentee ballot by letter. Your written request must state that you will be unable to get to the polling place on election day. It must also list your voting address within the municipality where you wish to vote, the address where the absentee ballot should be sent, if different, and your signature.

Special absentee voting application provisions apply to electors who are indefinitely confined to home or care facility, in the military, hospitalized, or serving as a sequestered juror. If this applies to you, contact the municipal clerk.

You can also personally go to the clerk's office, complete a written application, and vote an absentee ballot.

Indians Lose to Kiel

By Perry Koth

When you have only one win during the season, it should be good news when you get to play the team you beat a second time.

However Coach Dave Shaw had mixed emotions about going to Kiel last Saturday night. He knew that Kiel, who beat second place Plymouth earlier in the year, would be very focused on beating the Indians this time around.

Shaw was right, as the Raiders beat Kewaskum in a close game, 59-56.

It was a close battle all the way, with the teams playing to a 12-12 tie at the end of the first stanza. Kewaskum pulled out to a 29-26 lead at the half as Dan Jeserig scored 11 of his game high 21 points in the second quarter.

Kiel countered by outscoring the Indians 15

to 10 in the third quarter to take a 41-39 lead.

The fourth quarter Kewaskum took a five-point lead but was unable to maintain it, as Kiel outscored the Indians, 18-17, for the win.

Kevin Dobke was able to get off a three-point shot at the buzzer for the potential tie, but it would not go down.

Turnover once again hurt the Indian squad as they committed 19 for the game. Dan Jeserig led all scorers with 21 points while Kevin Martin broke out of a scoring slump with 16.

Kewaskum - Dobke 10, Jungwirth 9, Jeserig 10, K. Martin 16, R. Martin 2. Three-point goals - Dobke (2), Jungwirth, Jeserig (2). FTs - 9/11

Kiel - Mintner 19, Arenz 12, Jaschob 12, Post 2, Niesen 9, Nothm 2.

Three-point goals - Mintner (2), Jaschob (2), Niesen. FTs - 10/15.

HT Boys 'A' Team Takes Third Place At Invitational

The Holy Trinity boys' "A" team took third place at the St. John's Invitational Basketball Tournament in West Bend on February 10.

Due to bad weather, the first game scheduled for Friday, February 2, was postponed until Saturday morning on the 3rd. Holy Trinity met St. Stephens of Mayville in this opener.

It was a very exciting game as the Wildcats were behind for the first three quarters. A 21% shooting average in the first half accounted for this. Accuracy improved in the second half and because of this, the score saw-sawed back and forth.

With only seconds left, Holy Trinity was winning 36 to 33. St. Stephens scored with only five seconds remaining on the game clock. The Wildcats got the ball and the clock ran out with the score Holy Trinity 36, St. Stephens 35.

Important last minute free throws greatly helped the winning effort. Those scoring for the

Wildcats were Jason Gruber 12, Jason Strobel 12, Jesse Boegel 5, Jon Boedeker 3, Pat Bohn 2 and Mitch Strobel 2.

The Wildcats next opponent was First Emmanuel Lutheran from Grafton. During the first quarter, Holy Trinity played a nip and tuck game staying very close in scoring. However, it seemed that the Wildcat energy level slowly waned as First Emmanuel steadily began to pull away.

By half time, they were leading 24-12. The Wildcats, who had been a successful second half team, just never got in gear and they lost the game by a score of 45-29. Those scoring for Holy Trinity were Jason Strobel 17, Jesse Boegel 13, Jason Gruber 7, Nick Staehler 6, Mitch Strobel 4, and Tim Branta 2.

2. In the third game, Holy Trinity met St. Johns of Mayville. This game was marked by impressive rebounding and steals by the Wildcats. Holy Trinity had 29 rebounds and 21 steals. Although the shooting percentage for Holy Trinity was only 35%, they managed through aggressive defense to contain their opponent.

Holy Trinity took the lead early and never had to play catch up ball. The final score was 39 to 27. Those scoring for the Wildcats were Jesse Boegel 13, Jason Strobel 7, Jason Gruber 7, Nick Staehler 6, Mitch Strobel 4, and Tim Branta 2.

When a teacher calls a student by his entire name, it means trouble.

Holy Trinity 'A' Girls Clinch Tie for First Place

The Holy Trinity girls "A" basketball team completed a busy week by clinching a tie for first place in league play.

Starting on Tuesday with a completion of a game with Campbellsport that was suspended because of a slick floor, the girls overcame a weak offensive performance with some great defense in defeating their opponents by a score of 20-12.

Scoring for the Wildcats were Jenny Kraft with eight, Amy Piwoni with six, Katie Kopecky three, Bridget Polzean two, and Rachel Wolf with one point.

The following night the Wildcats went up against St. Marys of Eden. For the first time this season, the girls' defense just wasn't up to the task. On numerous occasions, Eden was able to get easy shots at point blank range.

Because of the defensive breakdowns, the Wildcats went into the fourth quarter trailing by a score of 34-13. A furious comeback attempt ensued led by a barrage of long range shots. At one time they were able to whittle the lead down to nine points. Unfortunately, the comeback ran out of gas and the girls lost by a score of 43-27. Scoring were Kraft with 11, Piwoni with 10, Aileen Chambers, Lynn Wiesner and Kopecky with a basket each.

The girls championship hopes then were shifted to Friday night's game against CCLT. Playing in front of the home crowd for the last

time, the eighth grade group of Kraft, Piwoni, Kopecky, Amber King and Lisa Schickert would not be denied in their quest.

The first quarter opened with the 'Cats using full court pressure hoping to rattle the Raiders. The strategy only met with minimal success in that the girls held a 16-12 lead after one.

In the second quarter the coaching staff switched to a zone. That seemed to do the trick, but the dividends did not really show until later, in that the second quarter ended 28-22.

The fireworks started in the third with the quick hands of the Wildcats coming to life. The zone provided numerous turnover opportunities and the girls were quick to capitalize. With 21 third quarter points, H.T.S. broke the game wide open. This enabled the coaches to pull the eighth graders, and the crowd showed their appreciation for four great years.

The final score ended at 53-35 and at least a share of the title. Sharing the scoring lead were Kraft and Piwoni with 17 each. Following them were King with six, Wiesner and Erin Weiss with three, Kopecky, Schickert and Bridget Polzean with two, and Cindy Reindl finished the scoring with a free throw.

The girls end conference play at nine wins and one loss, with a tournament at St. Kilians in Hartford on the horizon.

HT Boys 'A' Team Wins for Parents

On Friday, February 16, at the Kewaskum Middle School, the Wildcats came face to face with their season's last opponent in conference play, CCLT of Lomira.

It was Parent's Night so the gym was full of enthusiastic fans. The Wildcats came out growling. They immediately scored five consecutive field goals before CCLT scored their first one. The score after the first quarter was 17-3. The second quarter was evenly matched as Holy Trinity scored seven points and CCLT, six. At halftime, the score was 24-9.

The starters returned to the floor at the beginning of the second half. Both teams only scored four points apiece leaving the score at 28-13 at the end of the third quarter. In the fourth quarter, the offensive pace of the game picked up for both teams. Holy Trinity scored 14 points while CCLT scored 23.

A large percentage of the CCLT scoring in the second half was due to free throws as Holy Trinity accumulated 15 team fouls. Despite this fact, the final score was Holy Trinity 42, CCLT 35.

Six eighth graders played their final conference game as Wildcats. They were Jason Gruber, Pat Bohn, Chris Boden, Nick Staehler, Jason Strobel and Jesse Boegel.

Those scoring for the Wildcats were Jason Strobel 18, Mitch Strobel 9, Jason Gruber 4, Jesse Boegel 4, Mark Schrauth 2 and Nick Staehler 2.

HT Boys 'A' Team Conference Champs

The Holy Trinity boys' "A" team stands alone as the conference champs by defeating St. Matthews of Campbellsport on February 13, by a score of 47 to 23.

The Wildcat defense again took its toll on an aggressive St. Matt's team. Rebounding played a significant role in the Wildcat's win. The team had a total of 25 rebounds.

The Wildcats always seemed to have gained momentum in the second half, and this game was no different. A total of 29 points were scored by the Wildcats in this half as compared to 18 in the first. Indians Lose to Kiel

By Perry Koth

When you have only one win during the season, it should be good news when you get to play the team you beat a second time.

However Coach Dave Shaw had mixed emotions about going to Kiel last Saturday night. He knew that Kiel, who beat second place Plymouth earlier in the year, would be very focused on beating the Indians this time around.

Shaw was right, as the Raiders beat Kewaskum in a close game, 59-56.

It was a close battle all the way, with the teams playing to a 12-12 tie at the end of the first stanza. Kewaskum pulled out to a 29-26 lead at the half as Dan Jeserig scored 11 of his game high 21 points in the second quarter.

Kiel countered by outscoring the Indians 15

to 10 in the third quarter to take a 41-39 lead.

The fourth quarter Kewaskum took a five-point lead but was unable to maintain it, as Kiel outscored the Indians, 18-17, for the win.

Kevin Dobke was able to get off a three-point shot at the buzzer for the potential tie, but it would not go down.

Turnovers once again hurt the Indian squad as they committed 19 for the game. Dan Jeserig led all scorers with 21 points while Kevin Martin broke out of a scoring slump with 16.

Kewaskum - Dobke 10, Jungwirth 9, Jeserig 21, K. Martin 16, R. Martin 2. Three-point goals - Dobke (2), Jungwirth, Jeserig (2). FTs - 9/11

Kiel - Mintner 19, Arenz 12, Jaschob 12, Post 2, Niesen 9, Nothem 2. Three-point goals - Mintner (2), Jaschob (2), Niesen. FTs - 10/15.

HT Boys 'A' Team Takes Third Place At Invitational

The Holy Trinity boys' "A" team took third place at the St. John's Invitational Basketball Tournament in West Bend on February 10.

Due to bad weather, the first game scheduled for Friday, February 2, was postponed until Saturday morning on the 3rd. Holy Trinity met St. Stephens of Mayville in this opener.

It was a very exciting game as the Wildcats were behind for the first three quarters. A 21% shooting average in the first half accounted for this. Accuracy improved in the second half and because of this, the score see-sawed back and forth.

With only seconds left, Holy Trinity was winning 36 to 33. St. Stephens scored with only five seconds remaining on the game clock. The Wildcats got the ball and the clock ran out with the score Holy Trinity 36, St. Stephens 35.

Important last minute free throws greatly helped the winning effort. Those scoring for the

Wildcats were Jason Gruber 12, Jason Strobel 12, Jesse Boegel 5, Jon Boedeker 3, Pat Bohn 2 and Mitch Strobel 2.

The Wildcats next opponent was First Emmanuel Lutheran from Grafton. During the first quarter, Holy Trinity played a nip and tuck game staying very close in scoring. However, it seemed that the Wildcat energy level slowly waned as First Emmanuel steadily began to pull away.

By half time, they were leading 24-12. The Wildcats, who had been a successful second half team, just never got in gear and they lost the game by a score of 45-29. Those scoring for Holy Trinity were Jason Strobel 17, Jesse Boegel 4, Jason Gruber 4, Jon Boedeker 2 and Tim Branta

2. In the third game, Holy Trinity met St. Johns of Mayville. This game was marked by impressive rebounding and steals by the Wildcats. Holy Trinity had 29 rebounds and 21 steals. Although the shooting percentage for Holy Trinity was only 35%, they managed through aggressive defense to contain their opponent.

Holy Trinity took the lead early and never had to play catch up ball. The final score was 39 to 27. Those scoring for the Wildcats were Jesse Boegel 13, Jason Strobel 7, Jason Gruber 7, Nick Staehler 6, Mitch Strobel 4, and Tim Branta 2.

When a teacher calls a student by his entire name, it means trouble.

DZIEDZIC ADVANCES TO STATE!

Indian Wrestlers Compete In Regional Tourney Action

The Kewaskum wrestling teams did very well at the WIAA Division II Regional Tournament held at Grafton on Saturday, February 10.

The Indians finished third in the team standings advancing four wrestlers to the Sectional Tournament. Slinger won the regional meet. Grafton finished second.

The Sectional Tournament was held in Slinger on Saturday, February 17.

Advancing for the Indians were Joel Dziedzic at 125 pounds, Tony Olla at 145 pounds, "JR" Schnabel at 160 pounds and Matt Heather at 171 pounds.

Dziedzic came into the tournament with a record of 23-1. In the first round Dziedzic had a bye and then in the semi-finals he wrestled very well, pinning his opponent in the first period. In the finals, Dziedzic faced Jeremy Fischer of Grafton. Fischer, who came into the tournament with a mark of 27-2, lost to Dziedzic, 3-0.

Olla, who came into the tournament with a record of 19-6, out-worked his first two opponents, with a technical fall and an 11-3 decision. In the finals, Olla was matched up against John Gillis, a junior from New Berlin West. Gillis,

entering the tournament with a record of 22-4 beat Olla in a well fought match. The final score was 8-2. Then Olla had to wrestle in a wrestle back. Olla kept up the intensity and went on to beat Mike Zemlicka of Grafton, 10-5.

At 160 pounds, junior "JR" Schnabel had a good day ending with a first place finish. Schnabel, 22-5, wrestled Doren James of Brown Deer and won the match, 7-5. Schnabel was caught on his back early in the first period but was able to get the match back. In the finals, Schnabel faced a former teammate, Shane Giza of Slinger. Schnabel had little trouble beating him, 14-3.

Matt Heather, 20-8, also had a pretty good day, earning a second place finish. In the first round, Heather had a bye and then in the semi-finals he faced a wrestler from New Berlin West. Heather beat him, 10-2. Matt was able to catch him in a nice lateral throw and scored two points with it. Then in the finals, Heather wrestled Cody Tonsor of Slinger and lost, 10-5. Matt then had to wrestle in a wrestle back and managed to win with a quick pin in the first period over Phil Meyer of Grafton.

Four Wrestlers Advance To Sectional Tournament

Four Kewaskum wrestlers participated in the WIAA Sectional Tournament held in Slinger, Saturday. Junior Joel Dziedzic, now 30-1, won the 125 pound title. He will be making his third trip to the state tournament.

Senior Tony Olla, who came into the tournament with a 27-7 record, drew Pedro Perez (31-1) of Waterford. Perez, who was a state tournament runnerup last year, beat Olla, 11-2. Tony had a very tough draw as Perez went on to win the sectional, advancing to the state tournament.

"JR" Schnabel, wrestling at the 160 pound weight class, also had a very tough day. "JR" came into the tournament with a mark of 22-5. In his first match, he wrestled Mark Dettman

(11-5) of Lake Mills/Johnson Creek. Schnabel out-wrestled his opponent, winning by pin. In his second match, he had probably one of the toughest guys in the state, Zach Kurtz (22-0) of Random Lake. "JR" hung right in there with Kurtz, and lost by a close 10-6.

Then "JR" went on to win against Nick Lisowe (15-9) of New Holstein. This was "JR's" third victory over him this year. Since Kurtz went on to win the tournament, "JR" received a wrestle-back and a chance to go to state. Instead, "JR" was caught in a headlock early in the first period and was unable to escape.

Kewaskum's 171-pound wrestler, Matt Heather, finished the day with a fourth place. Matt,

who came into the tournament with a record of 20-8, drew Chris Middleton (27-4) of East Troy in the first round. Matt came out on top in a close match which ended in a score of 12-10. In the second round, Matt was matched up against the other half of the Random Lake Kurtz combination, Josh Kurtz (34-0). Matt was unable to stop Kurtz and lost 20-7.

Matt then faced a tough wrestler from Clinton and lost another hard fought match.

Kewaskum's lone state qualifier was Joel Dziedzic at 125 pounds. Dziedzic wrestled Tim Gerhman (14-1), a runner up at state two years ago, in the first round. It was a close match throughout, and Gerhman nearly escaped to tie it at the end. However, Joel was able to hang onto Gerhman and the victory in the process, walking away with an 8-7 victory.

Joel's second match was against Chris Sabish (30-4) of Campbellsport. Dziedzic won by a score of 7-2. In the finals

Dziedzic wrestled Jeremy Fischer (29-3) of Grafton, in a rematch of the regional tournament finals. Joel won for the second week in a row, but this time, it was a much closer match. Joel was down a point, going into the third period, but was able to score a reversal and win 5-4.

Dziedzic will join the

rest of the state qualifiers at the UW-Madison Fieldhouse for the State Tournament, which is to be held Thursday through Saturday. Division II competition will begin with quarterfinal matchups starting at 11 a.m. on Friday. Wrestling will continue throughout the day on Friday and Saturday.
